endodeoxyribonuclease activity

Enrichment in spots: endodeoxyribonuclease activity

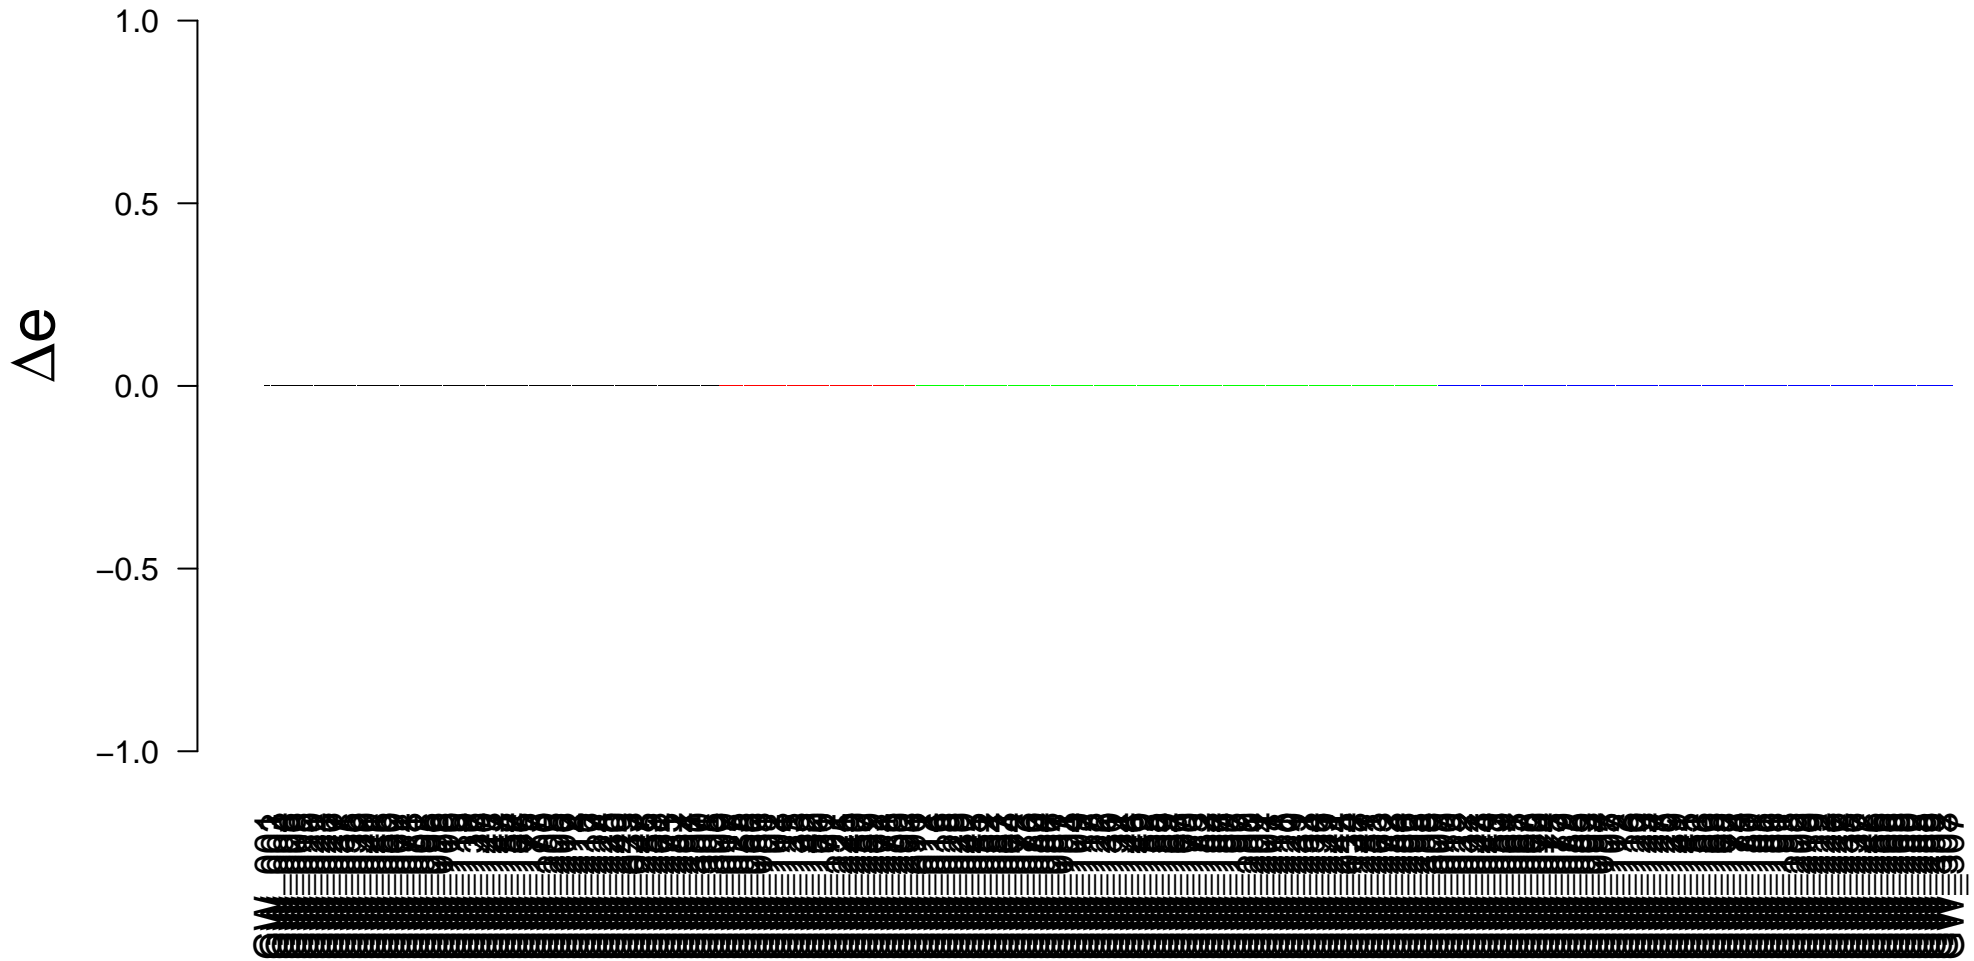

Expression of endodeoxyribonuclease activity in Spot A

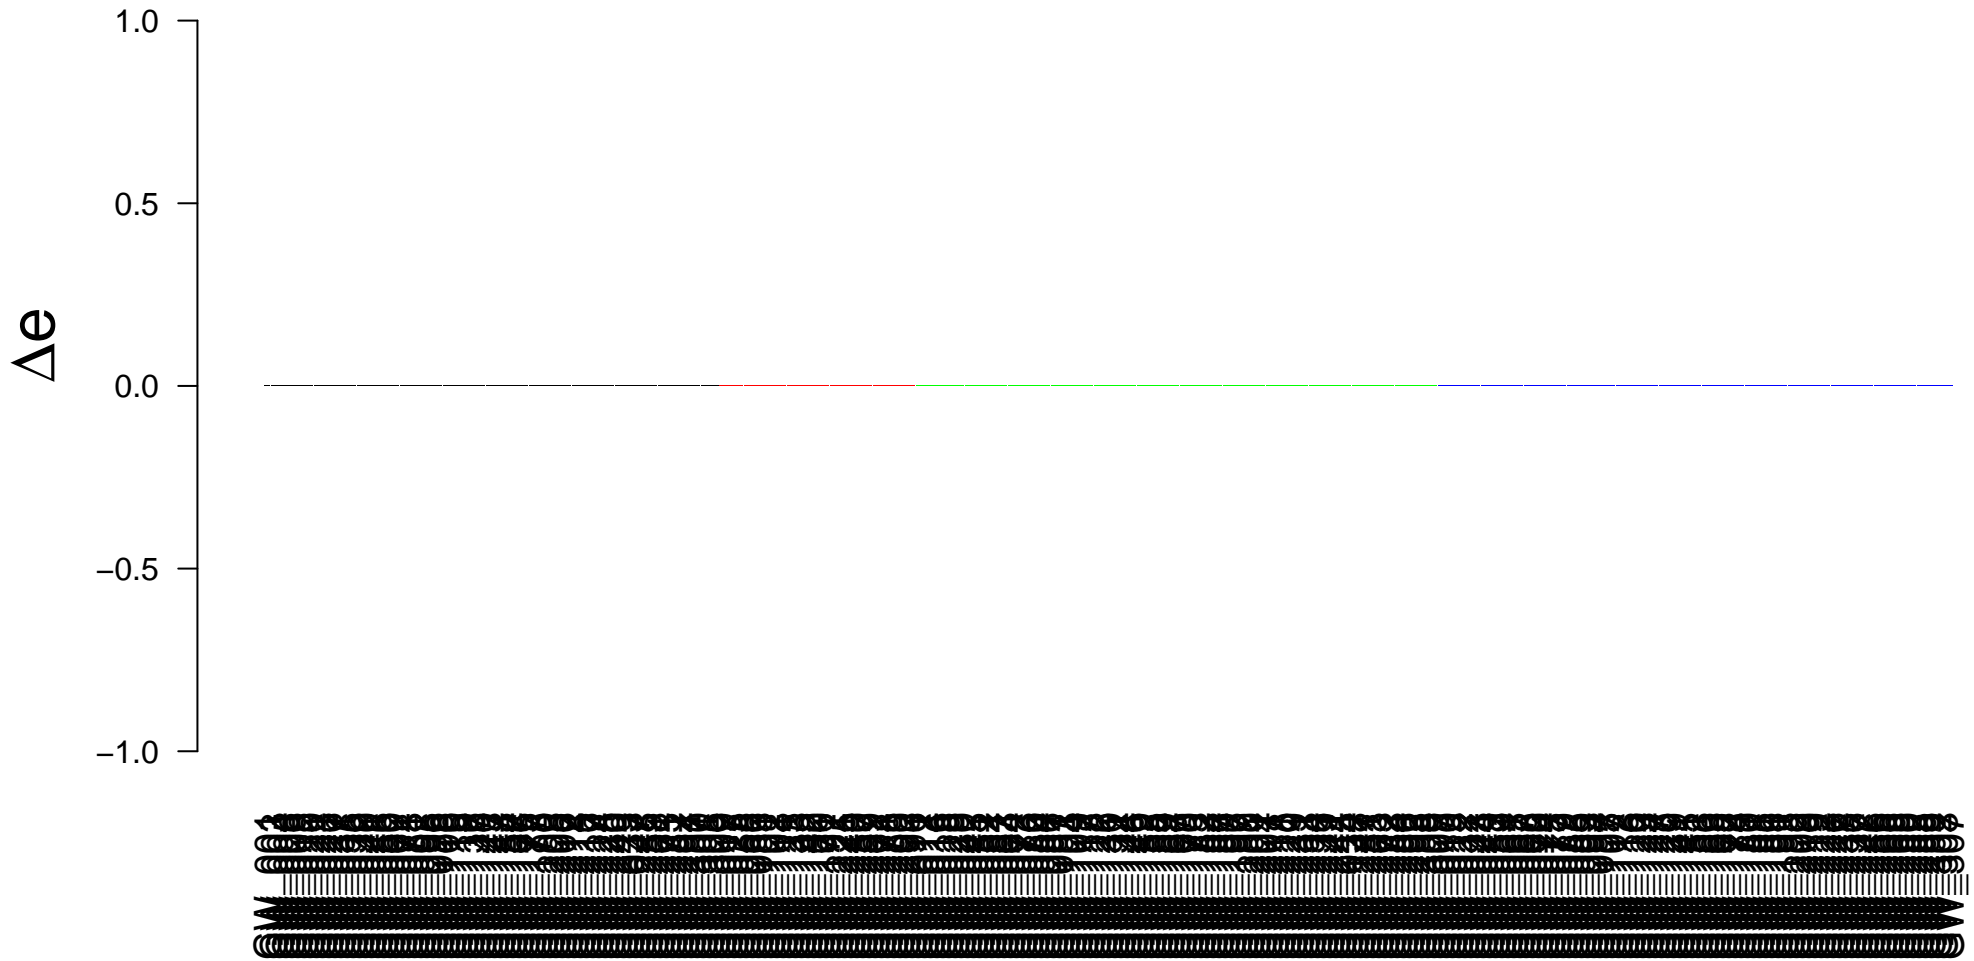

Expression of endodeoxyribonuclease activity in Spot B

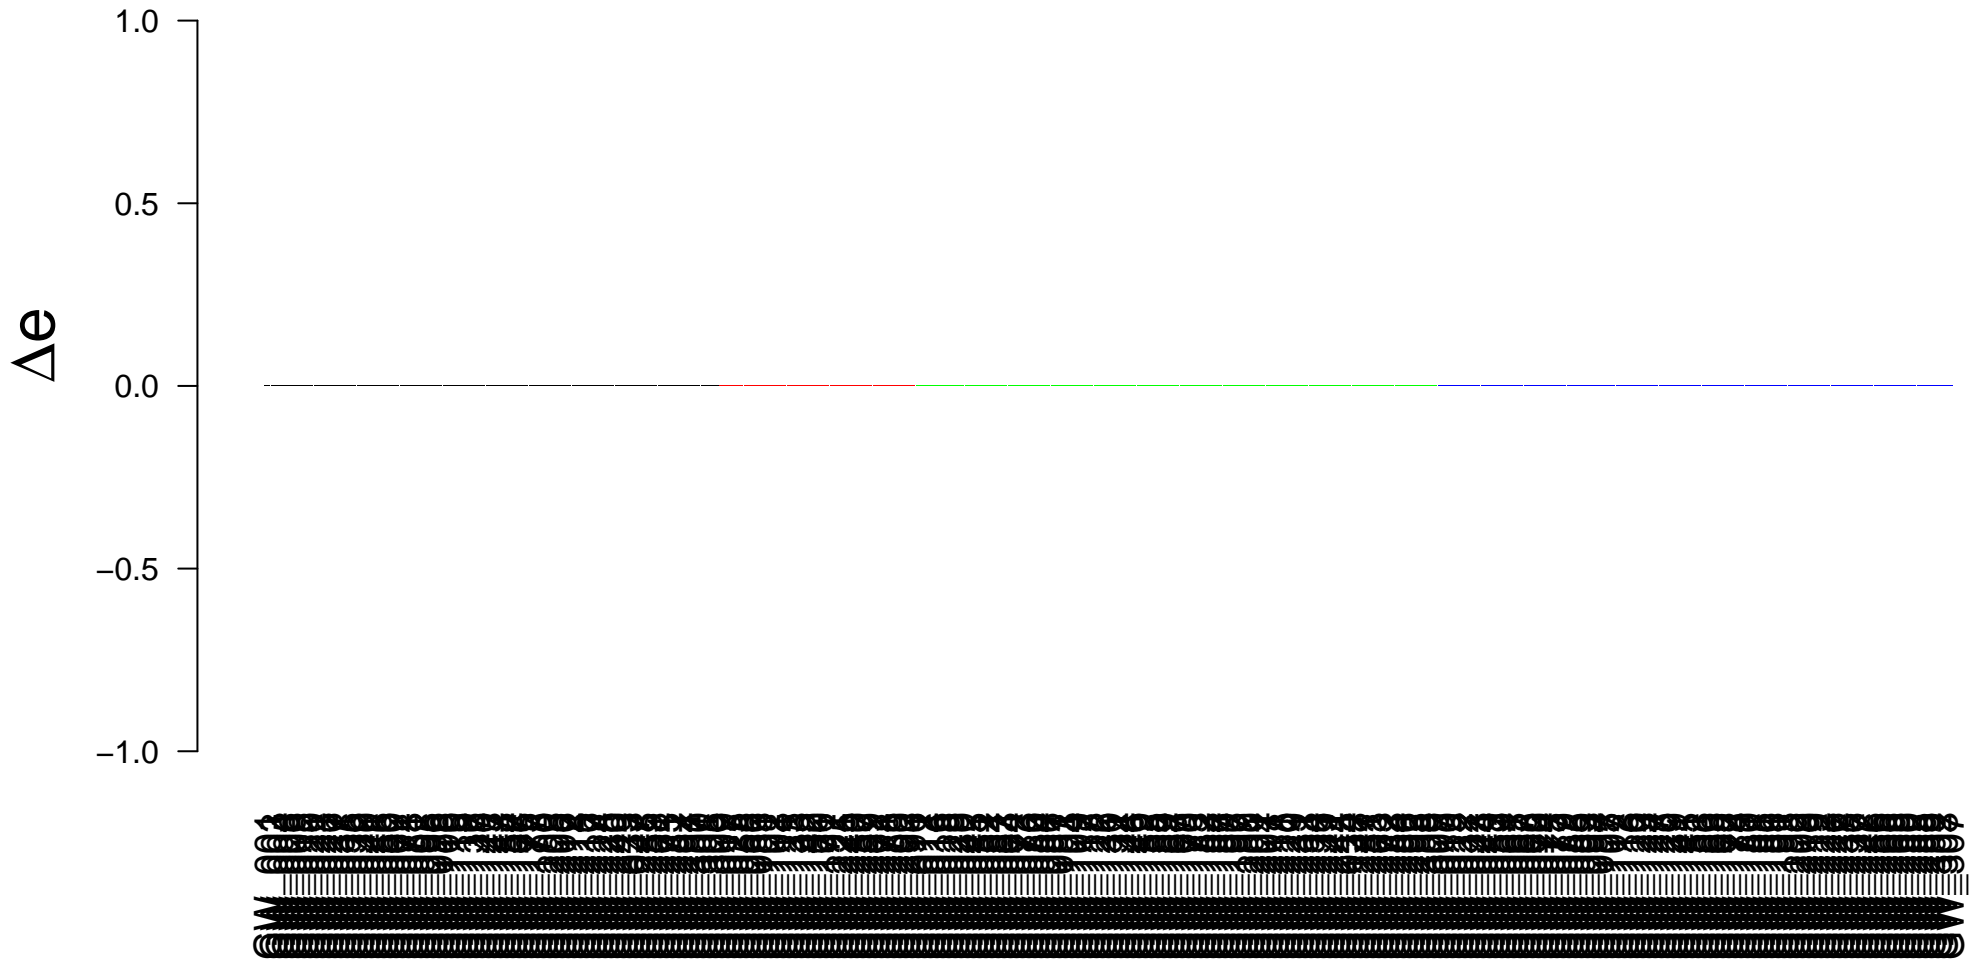

Expression of endodeoxyribonuclease activity in Spot C

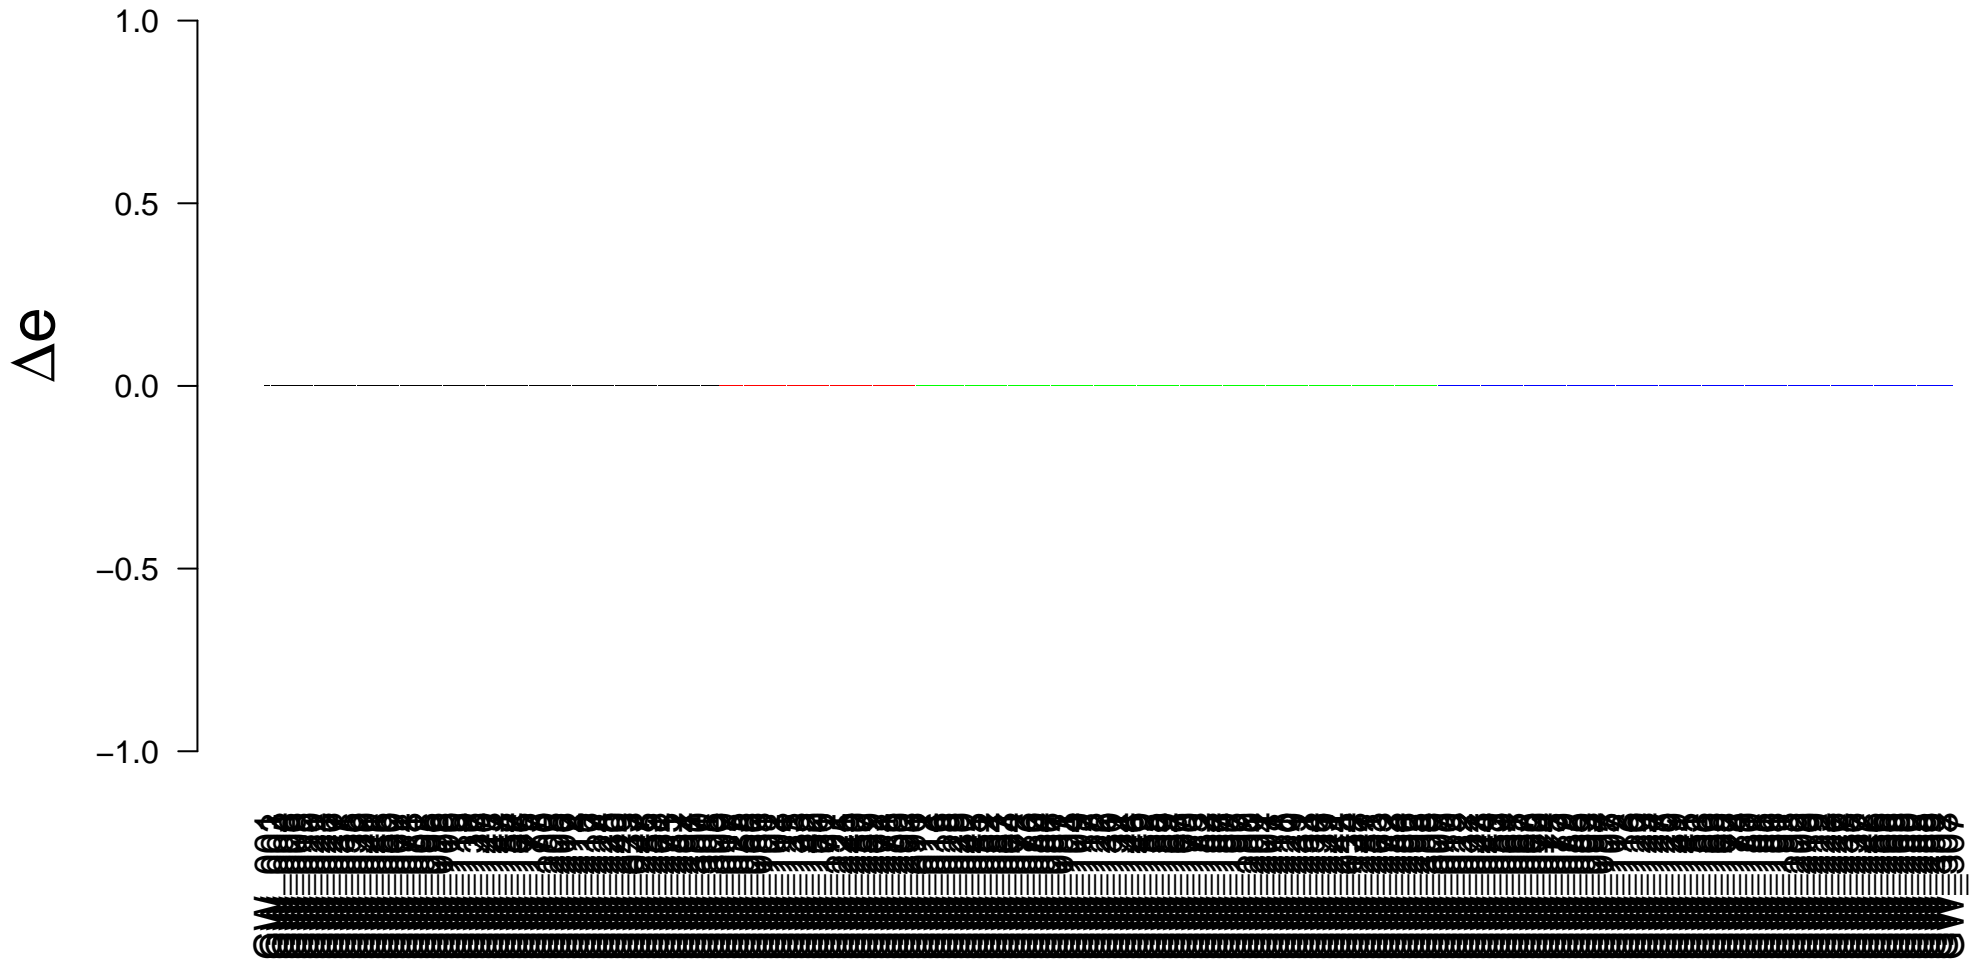

Expression of endodeoxyribonuclease activity in Spot D

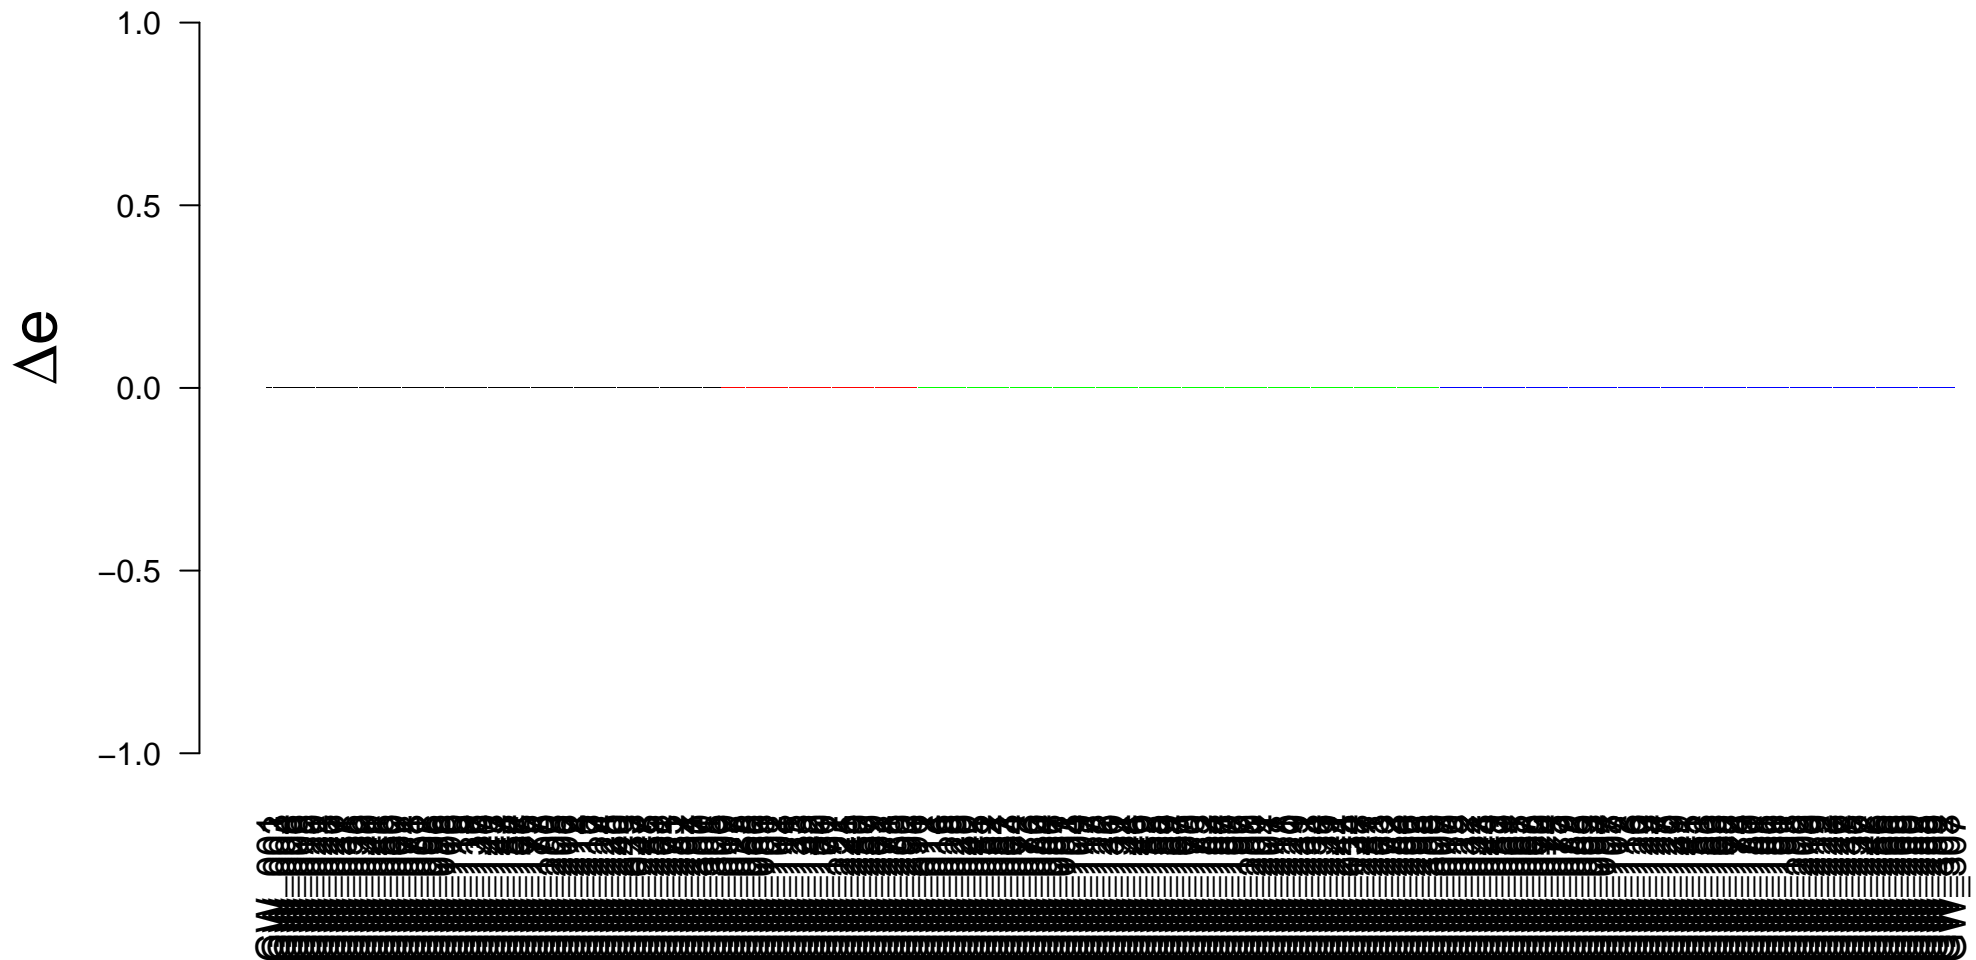

Expression of endodeoxyribonuclease activity in Spot E

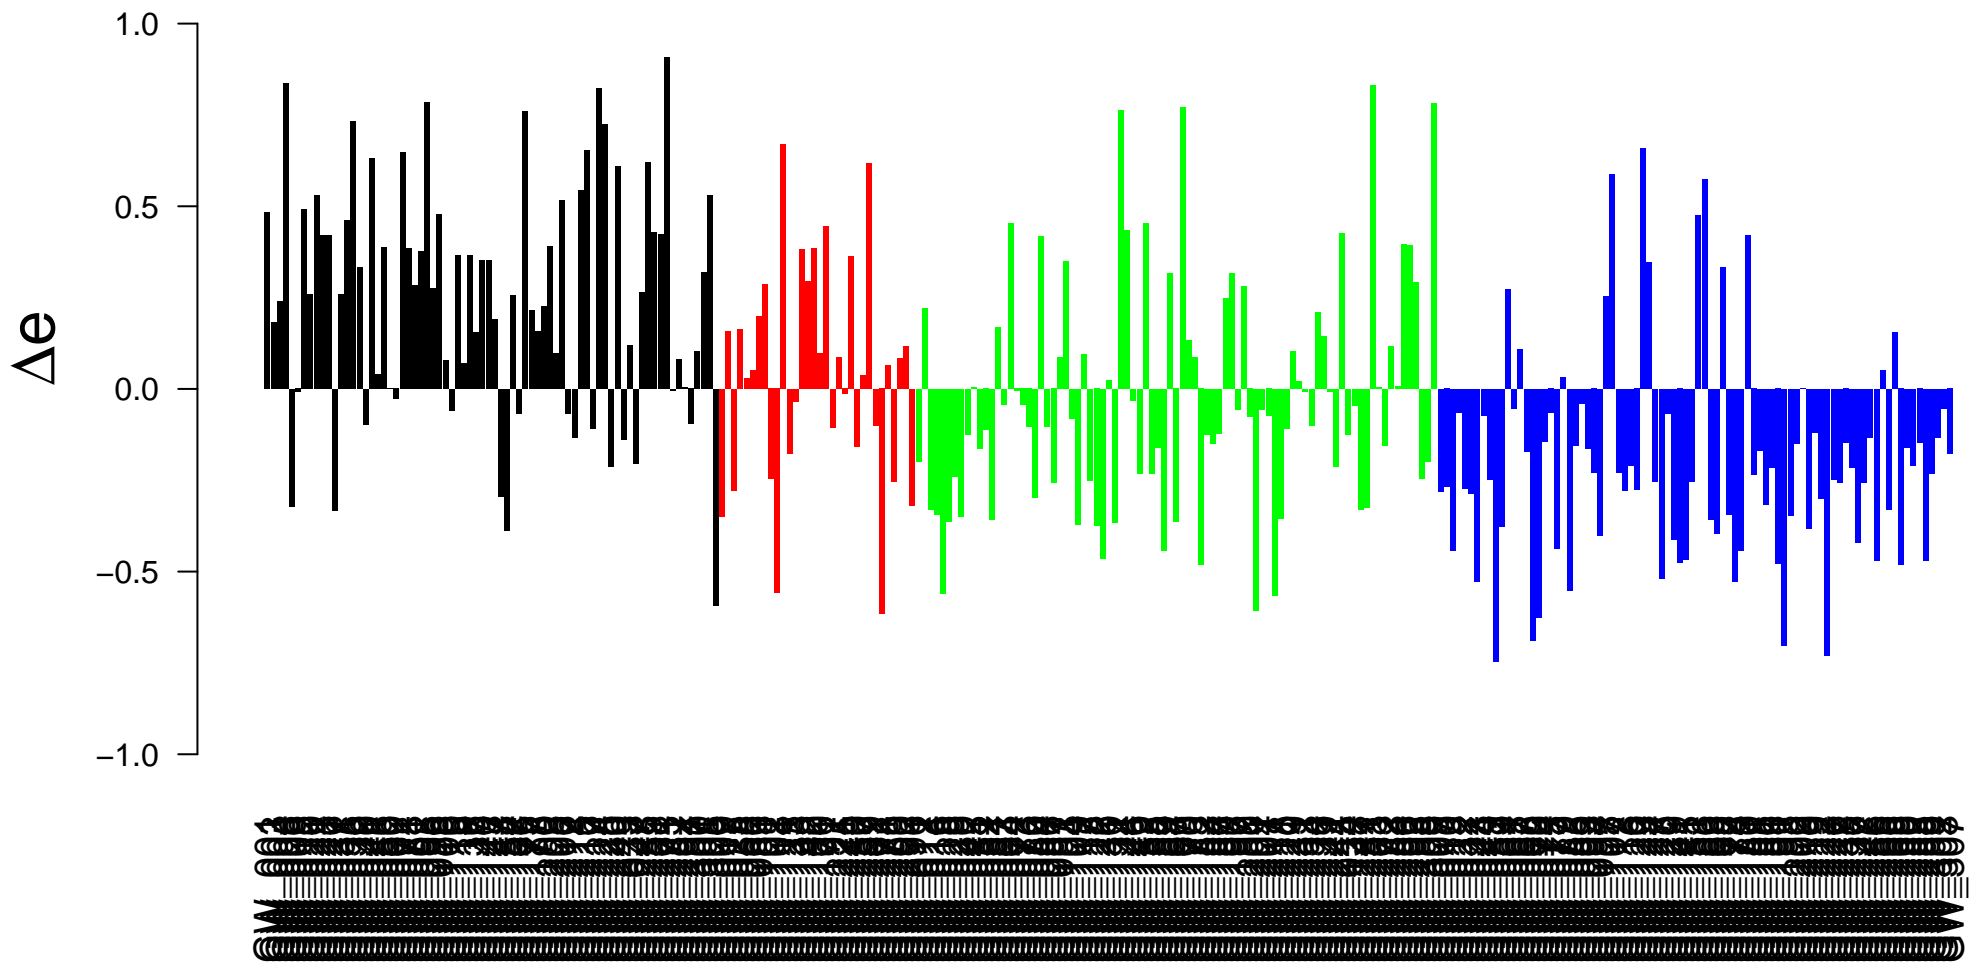

Expression of endodeoxyribonuclease activity in Spot F

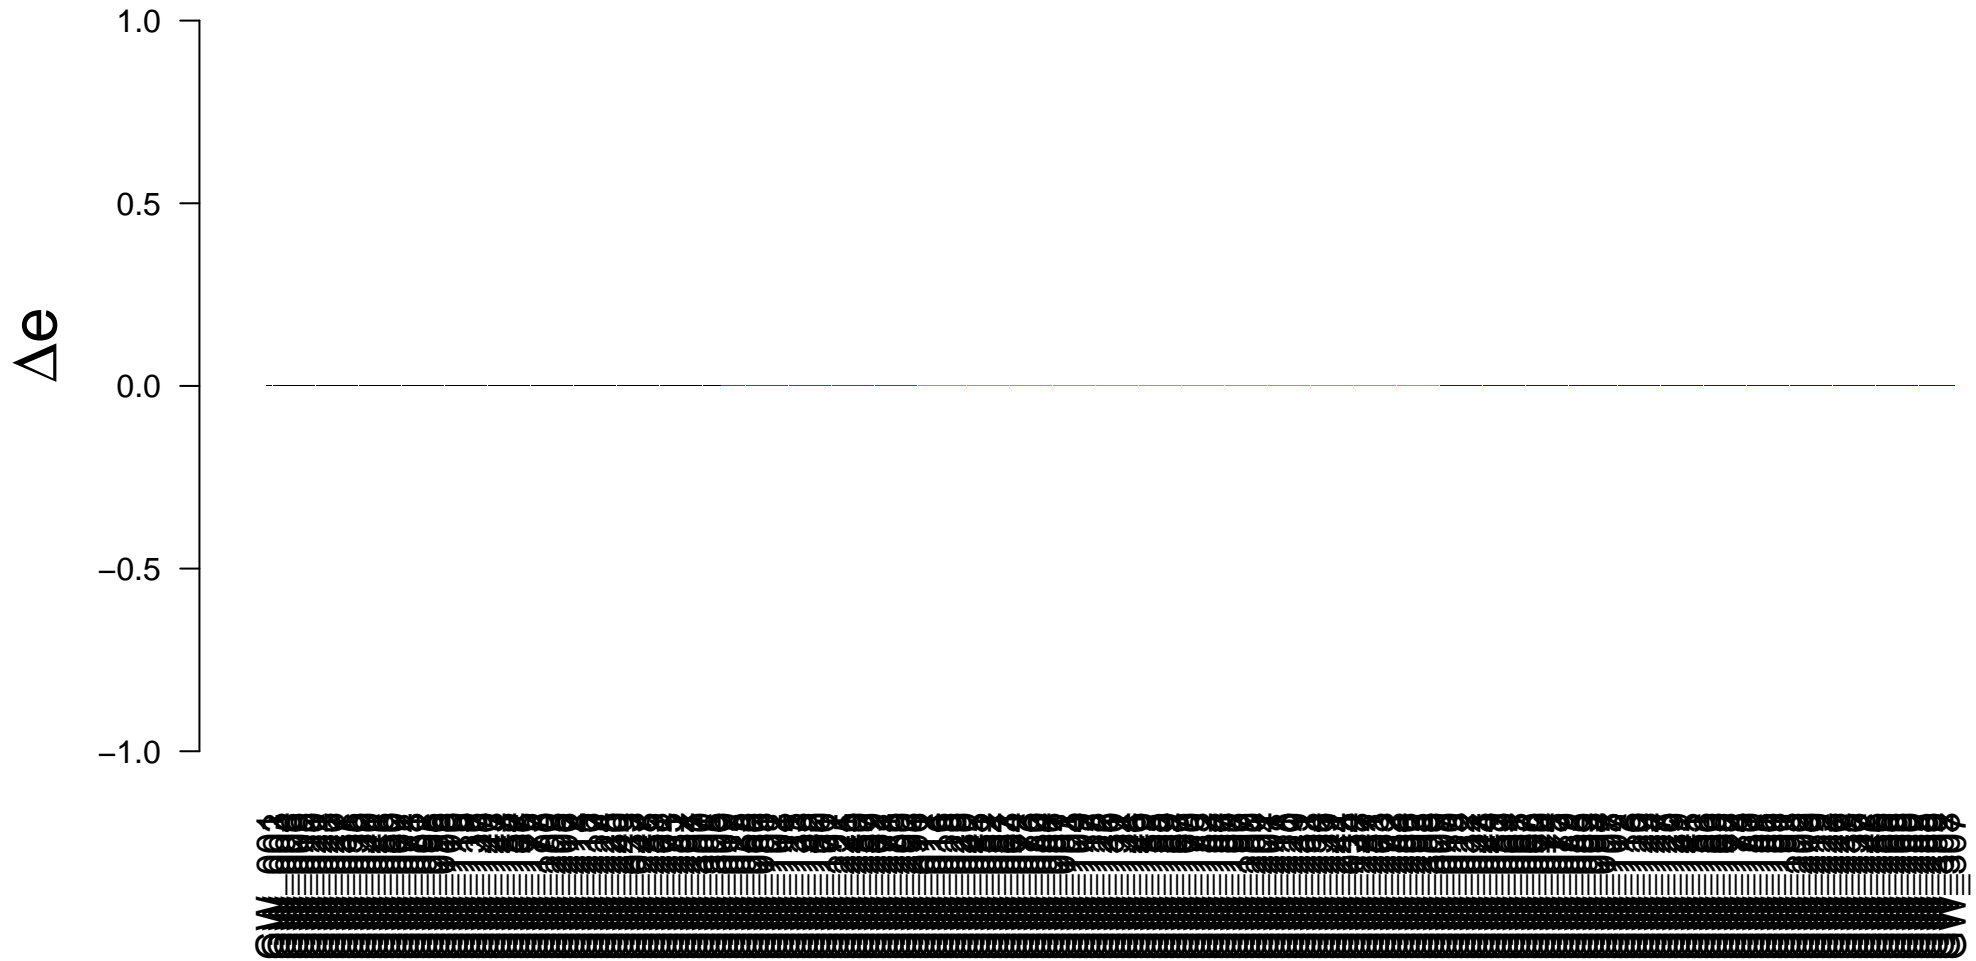

Expression of endodeoxyribonuclease activity in Spot G

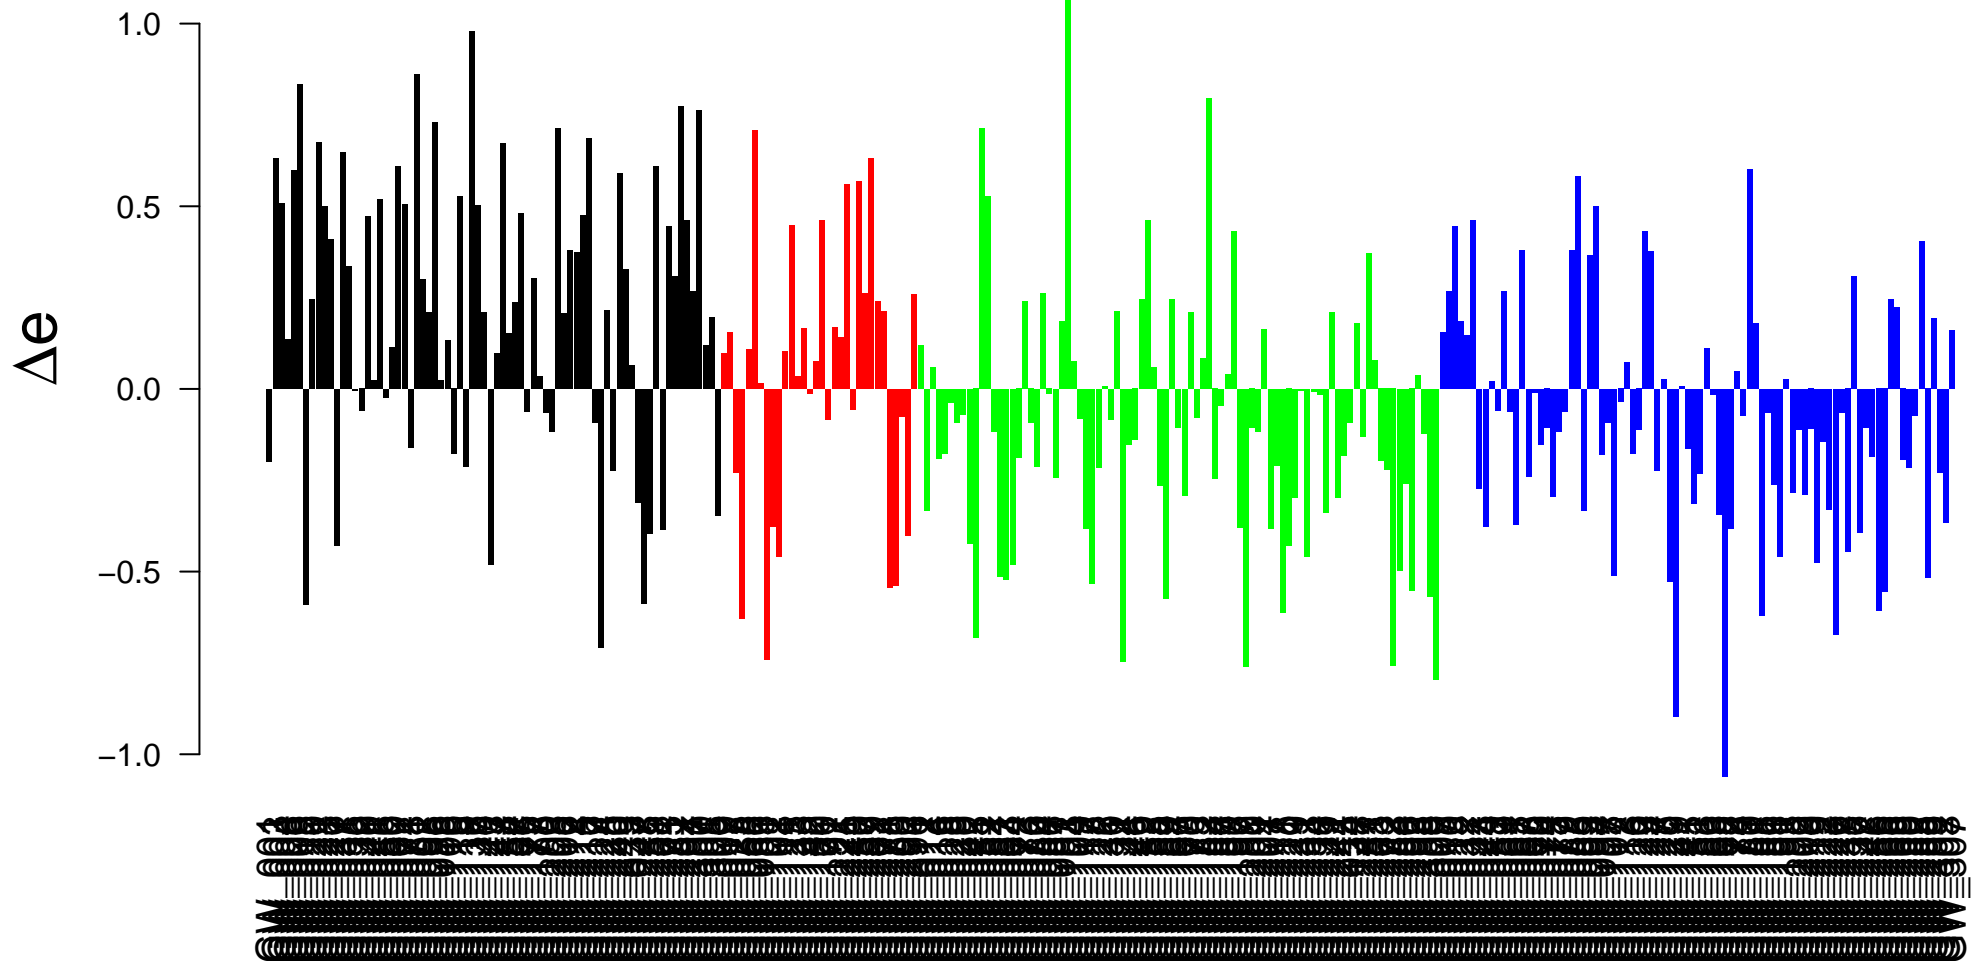

Expression of endodeoxyribonuclease activity in Spot H

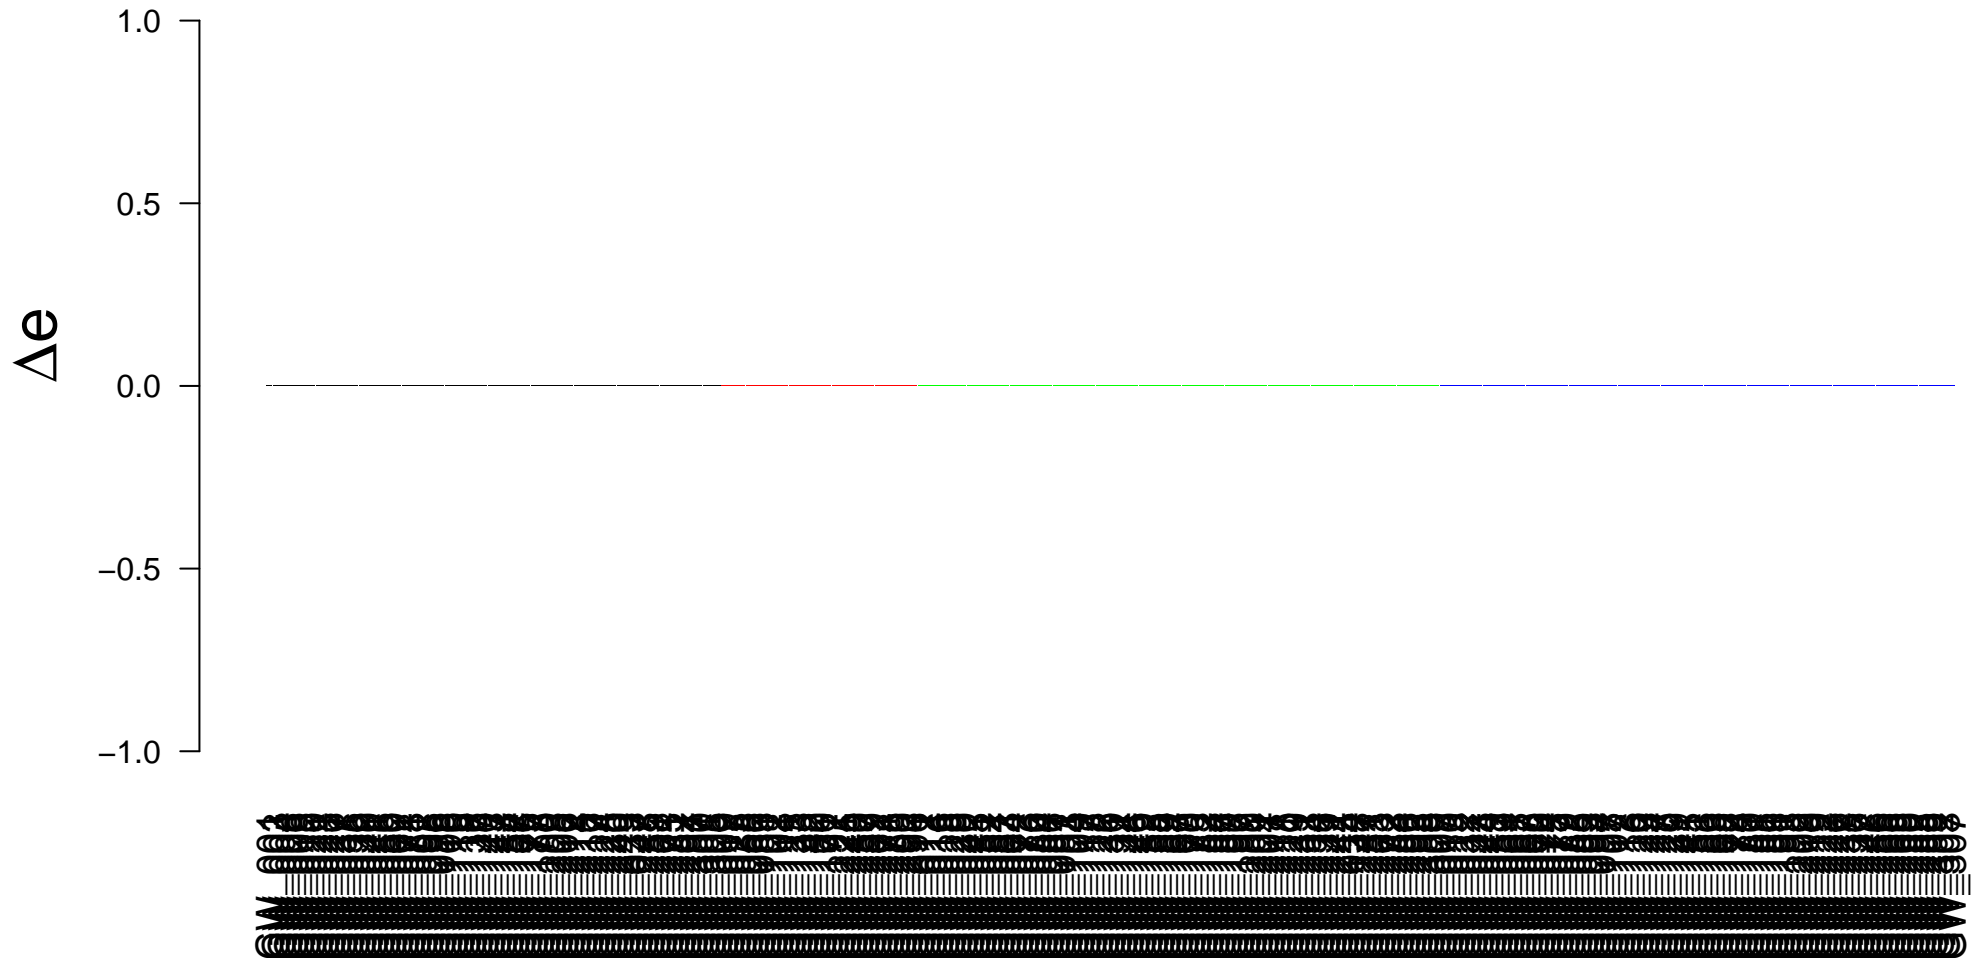

Expression of endodeoxyribonuclease activity in Spot I

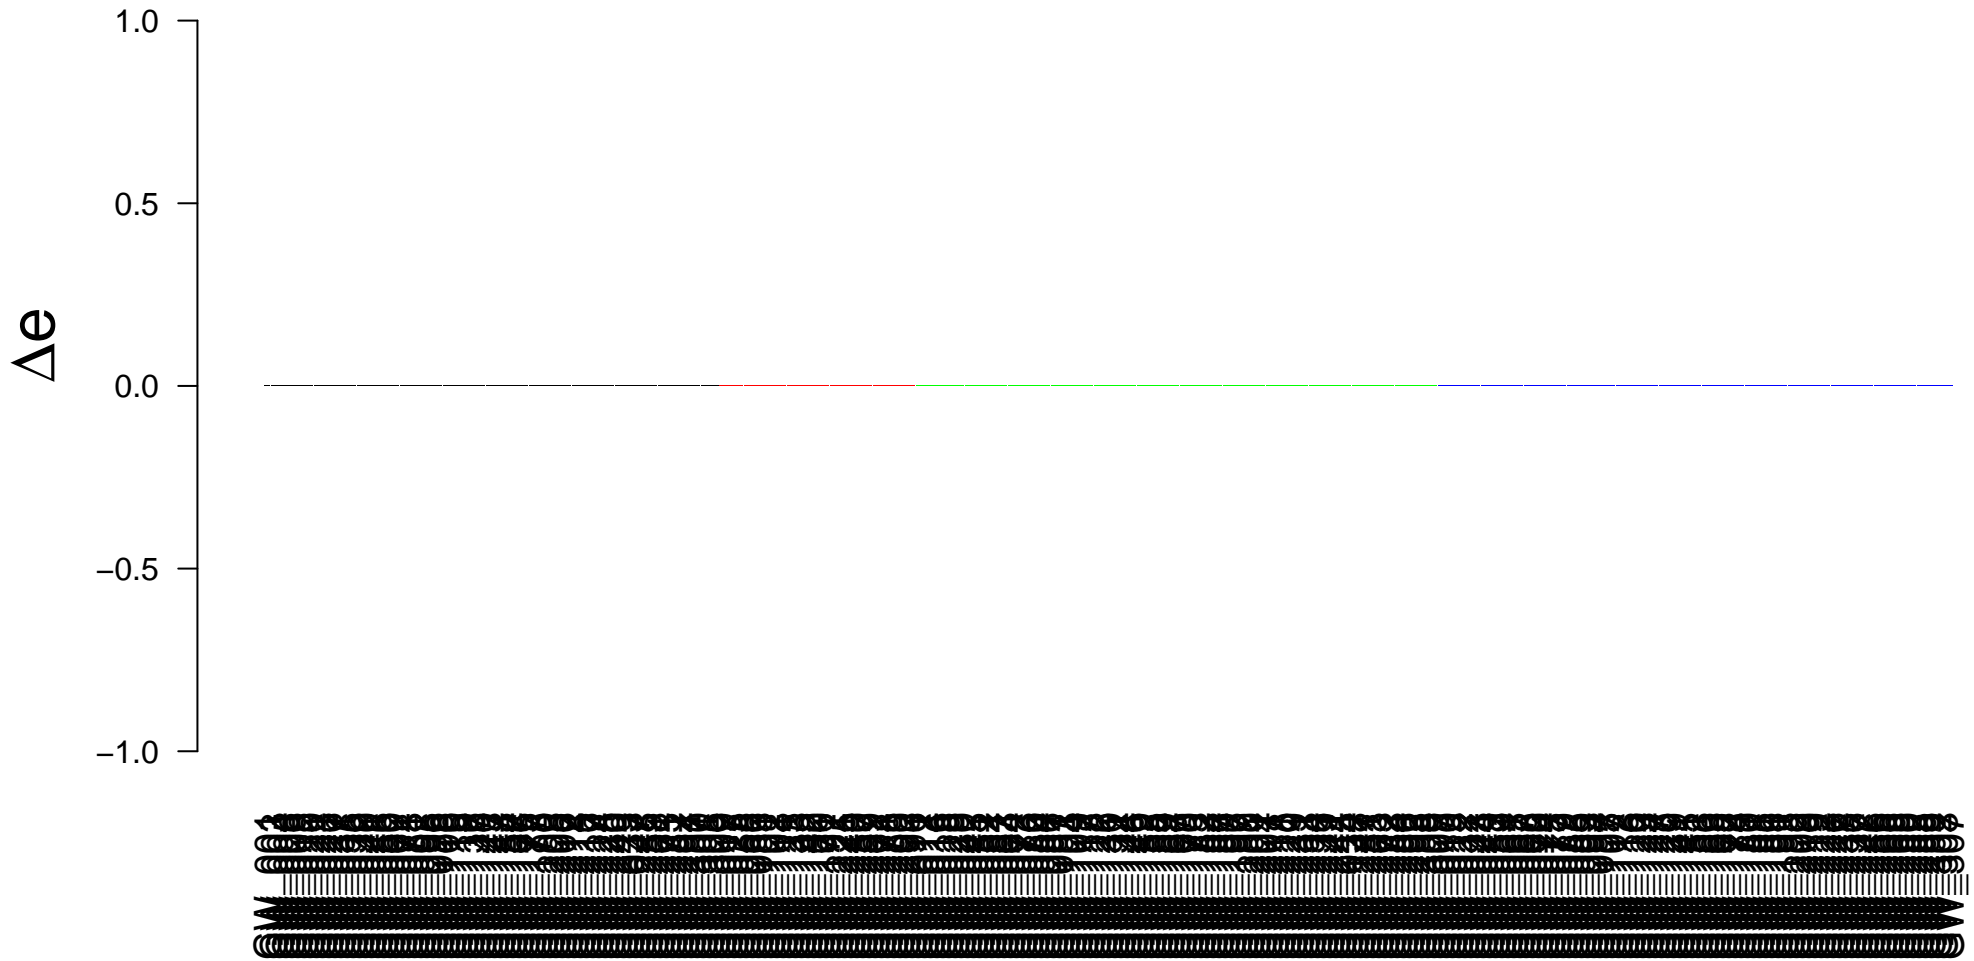

Expression of endodeoxyribonuclease activity in Spot J

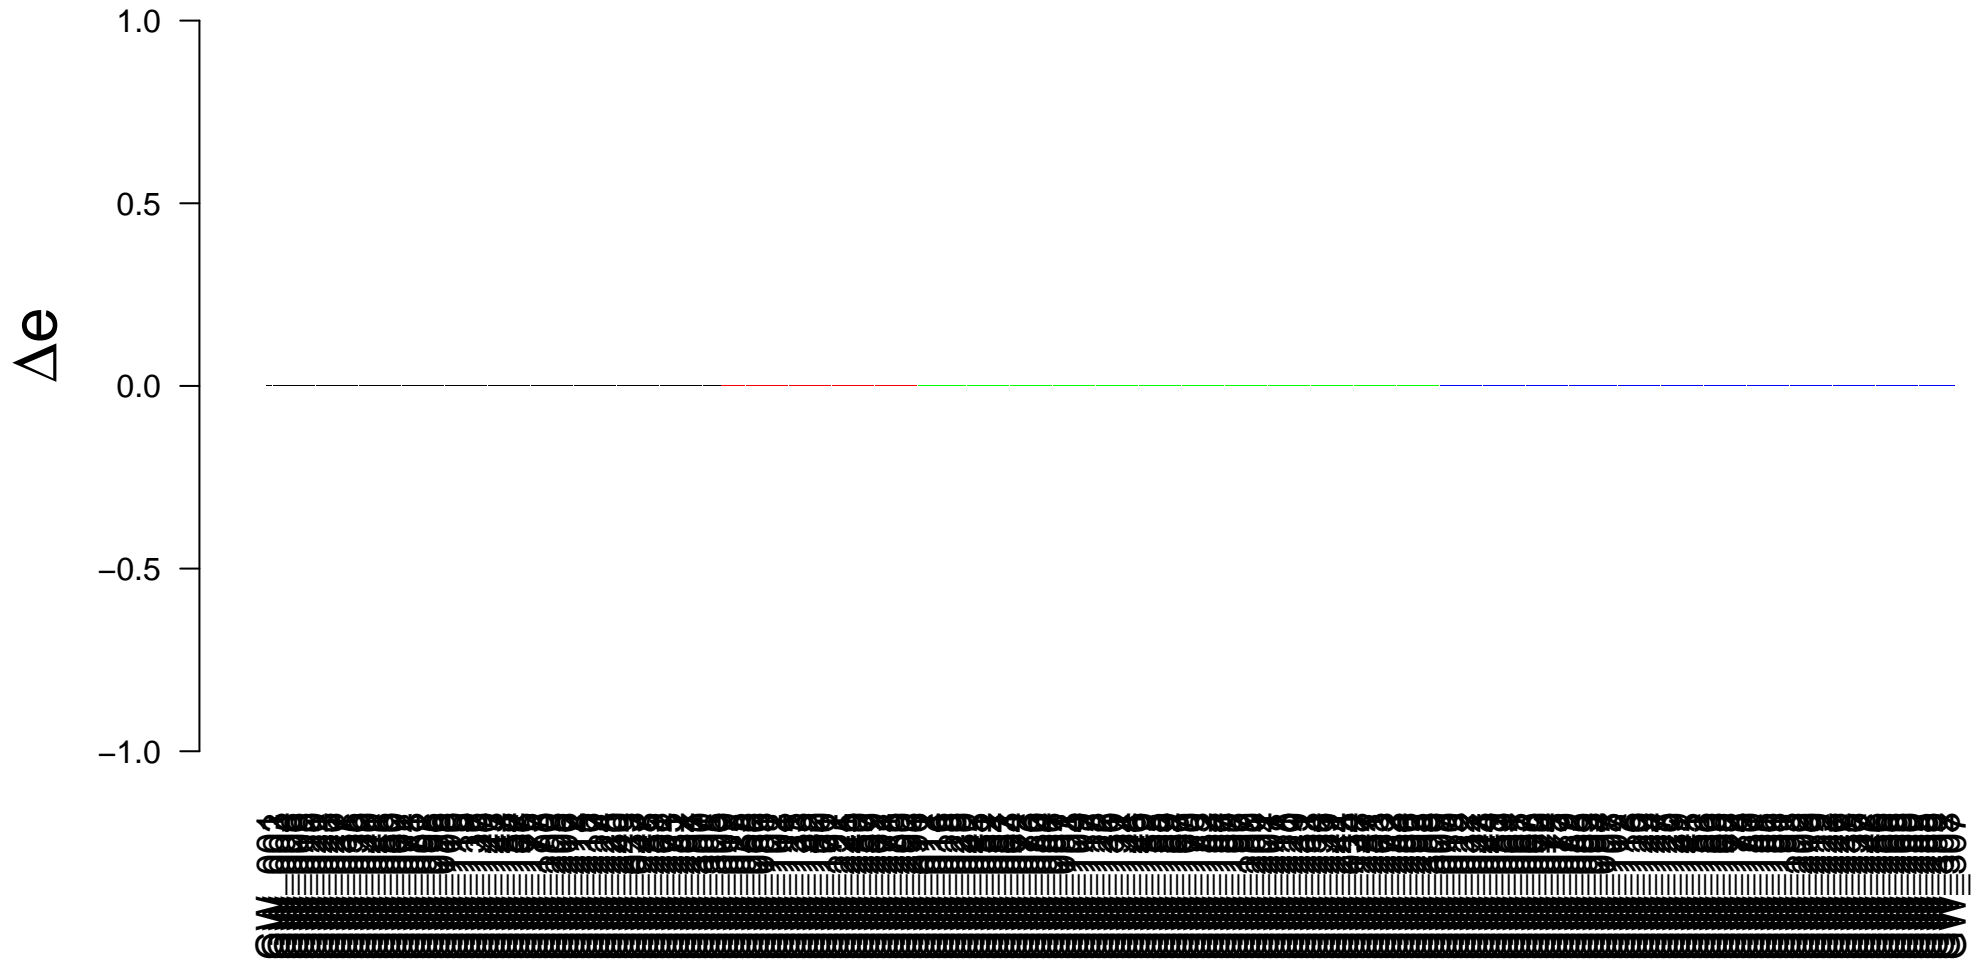

Expression of endodeoxyribonuclease activity in Spot K

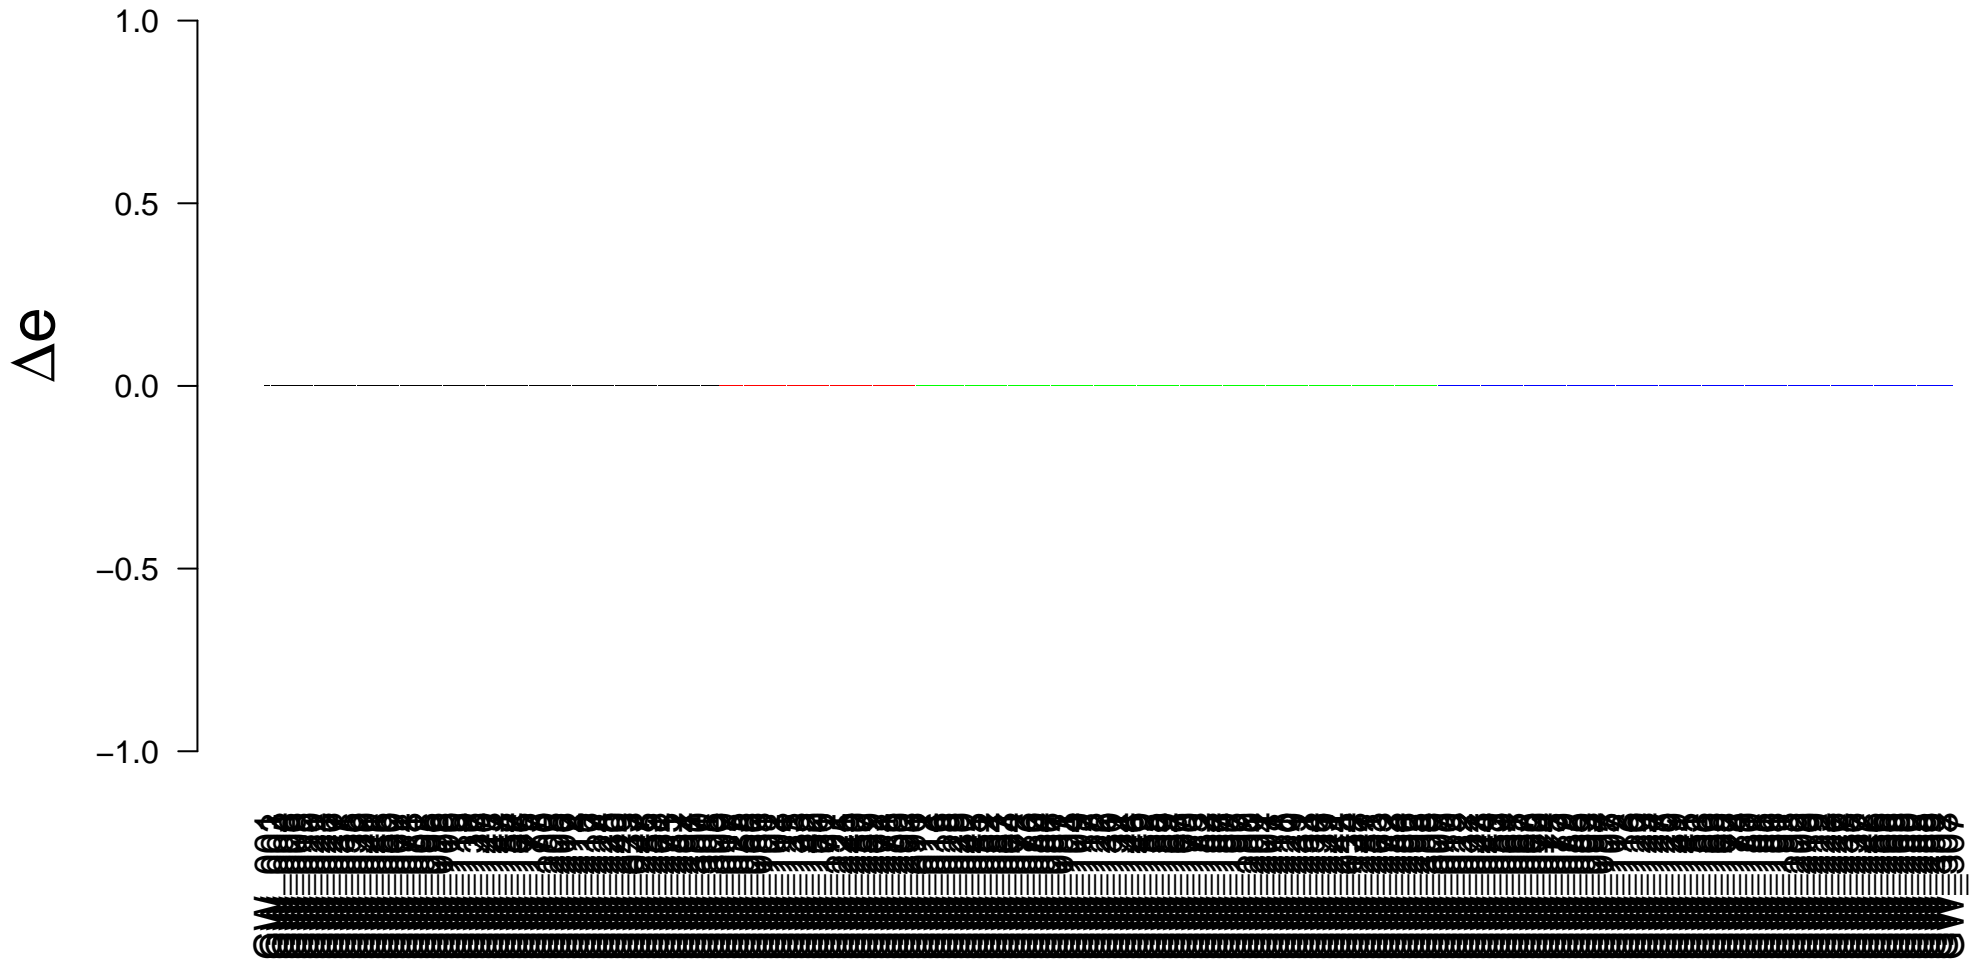

Expression of endodeoxyribonuclease activity in Spot L

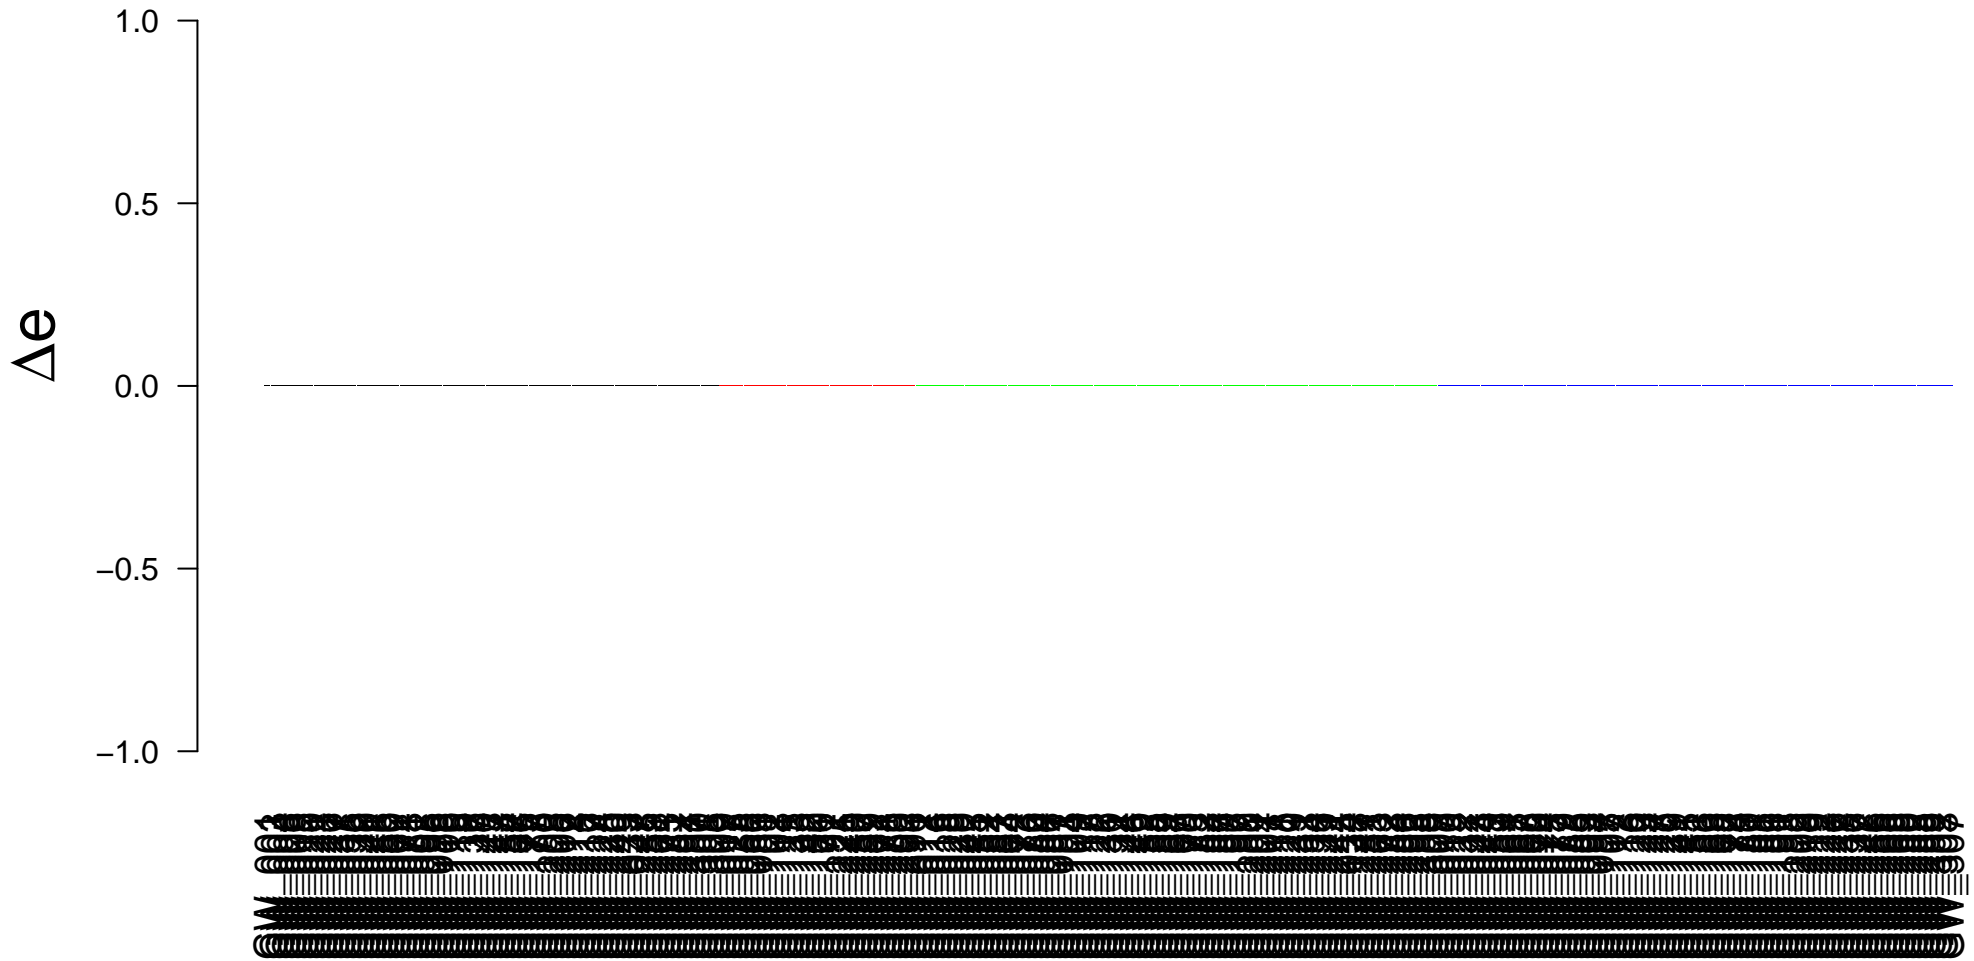

Expression of endodeoxyribonuclease activity in Spot M

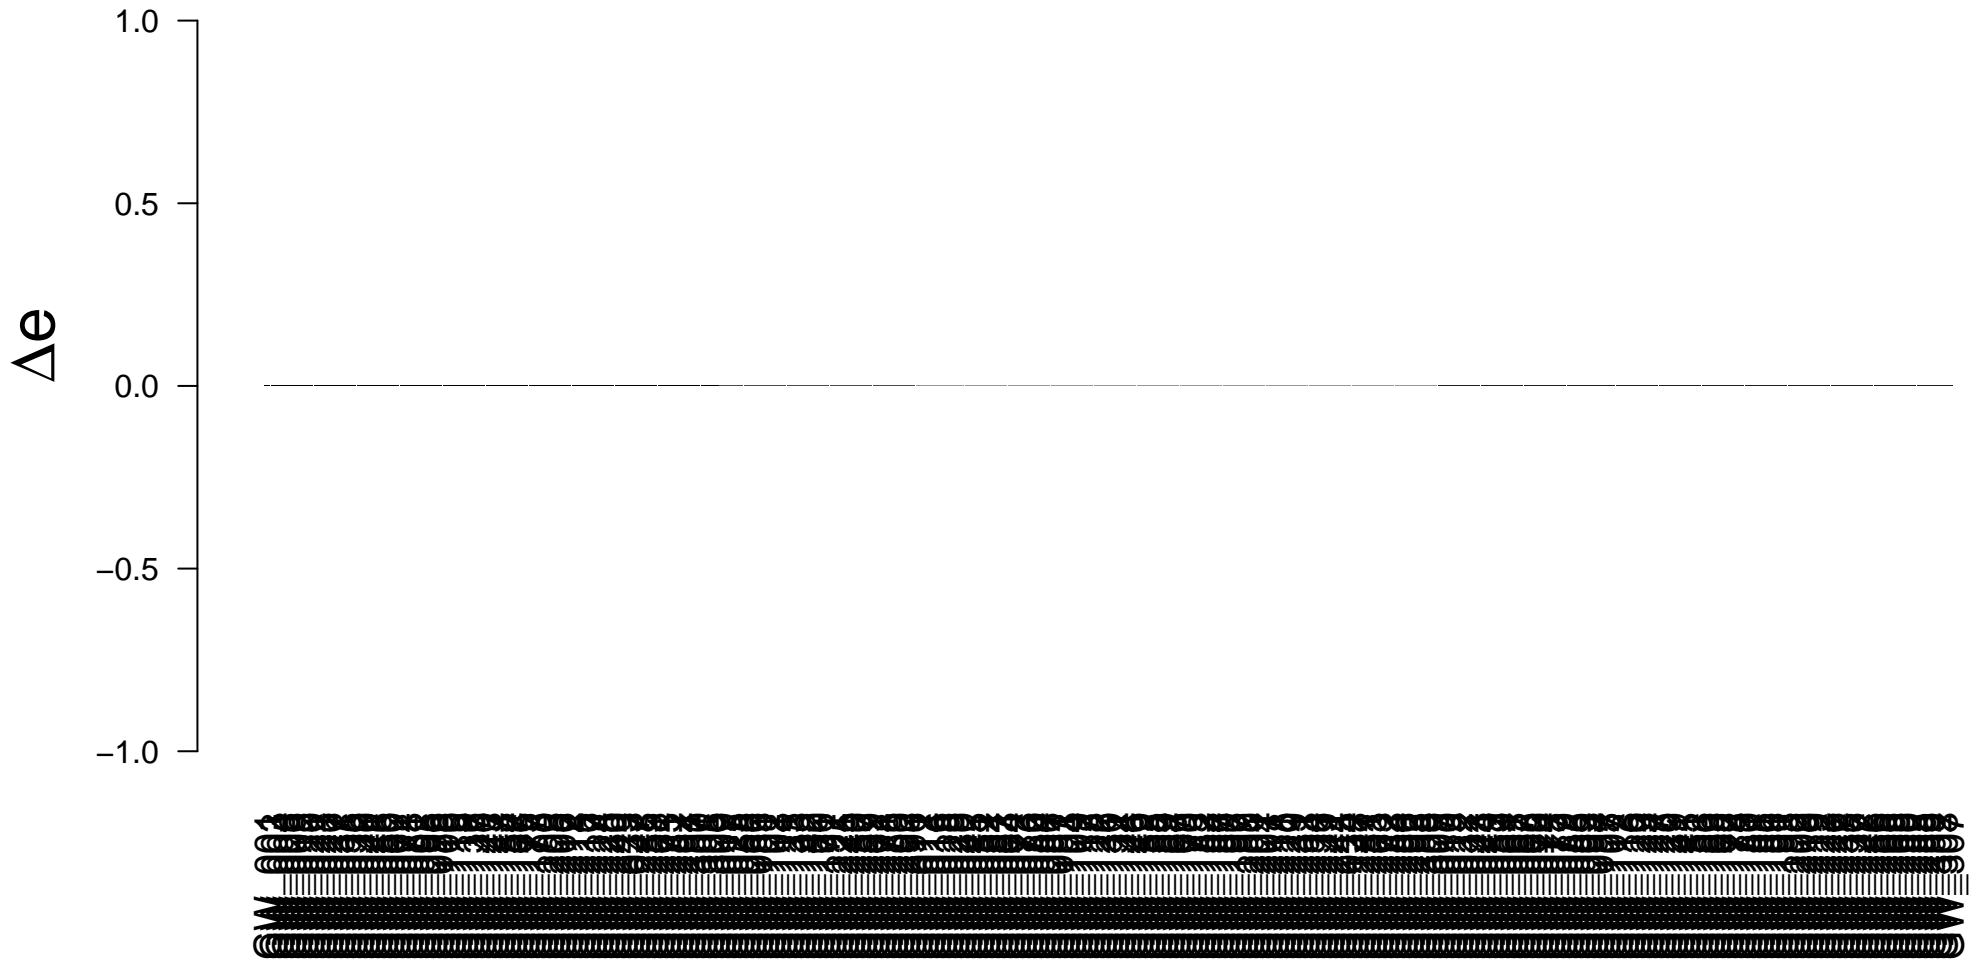

Expression of endodeoxyribonuclease activity in Spot N

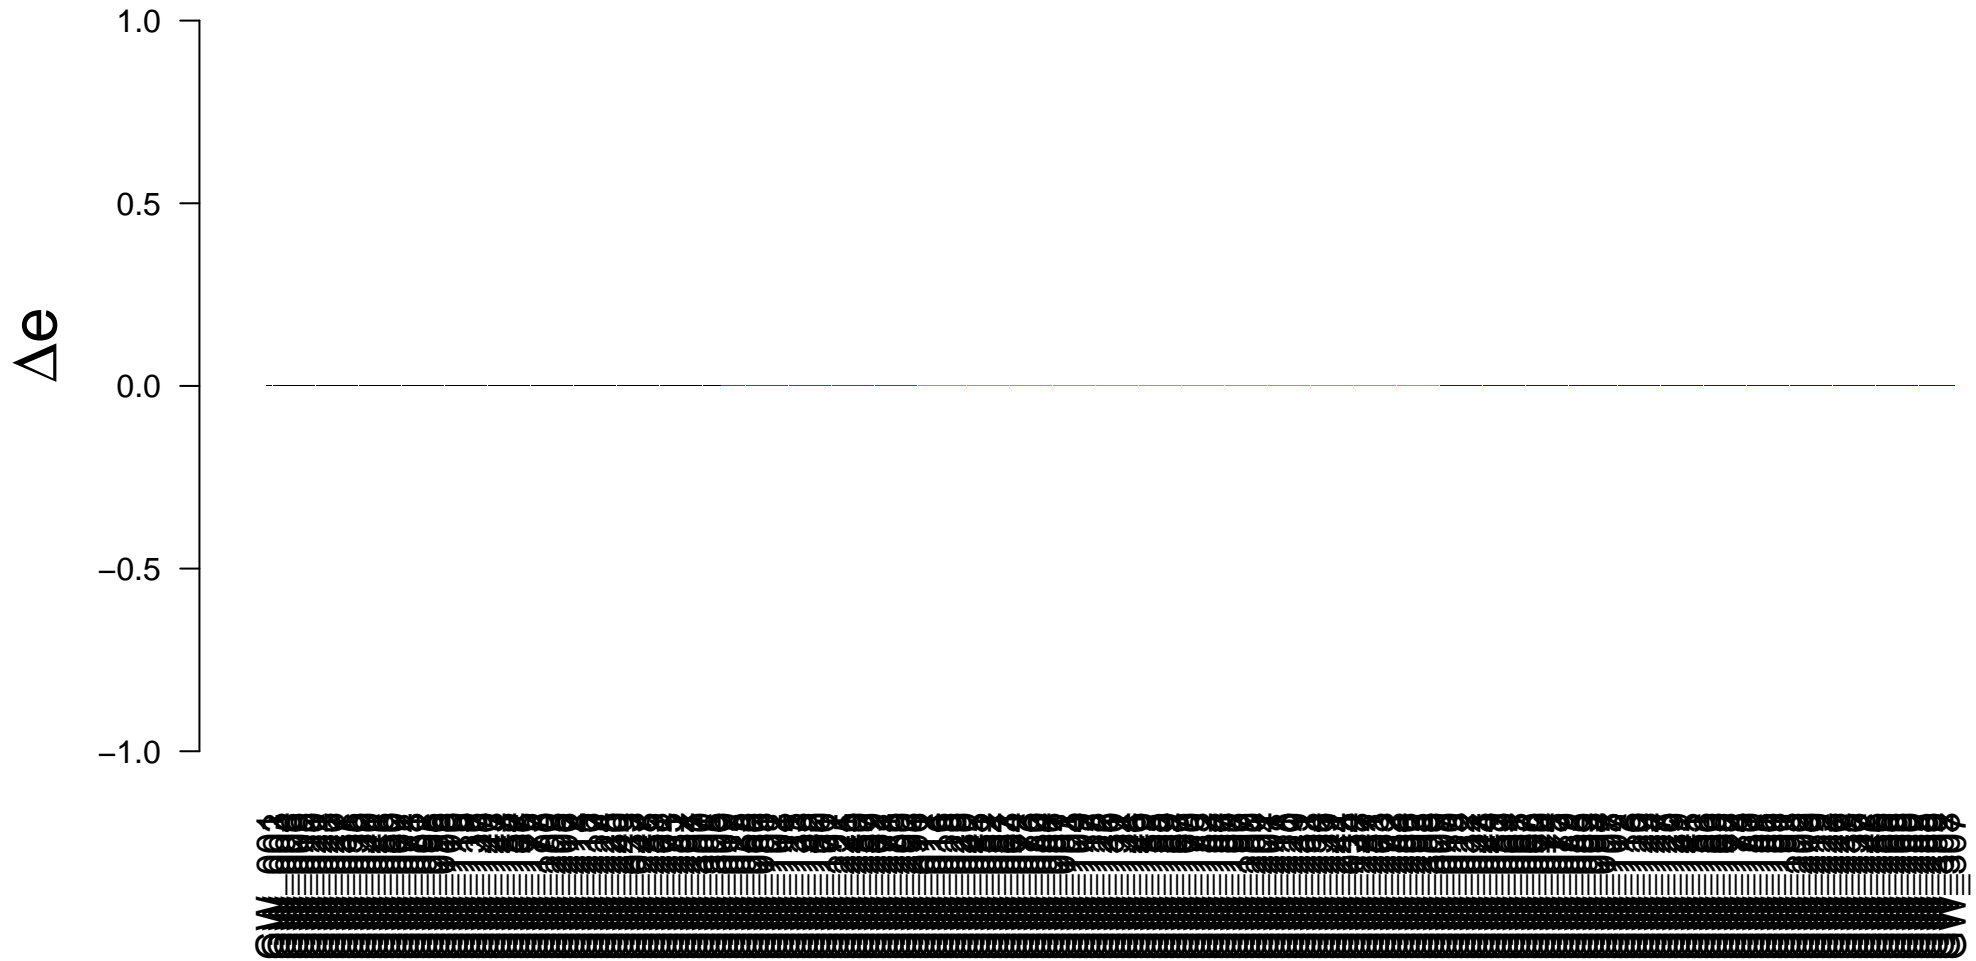

Expression of endodeoxyribonuclease activity in Spot O

Expression of endodeoxyribonuclease activity in Spot P

Expression of endodeoxyribonuclease activity in Spot Q

Expression of endodeoxyribonuclease activity in Spot R
