

endopeptidase activity

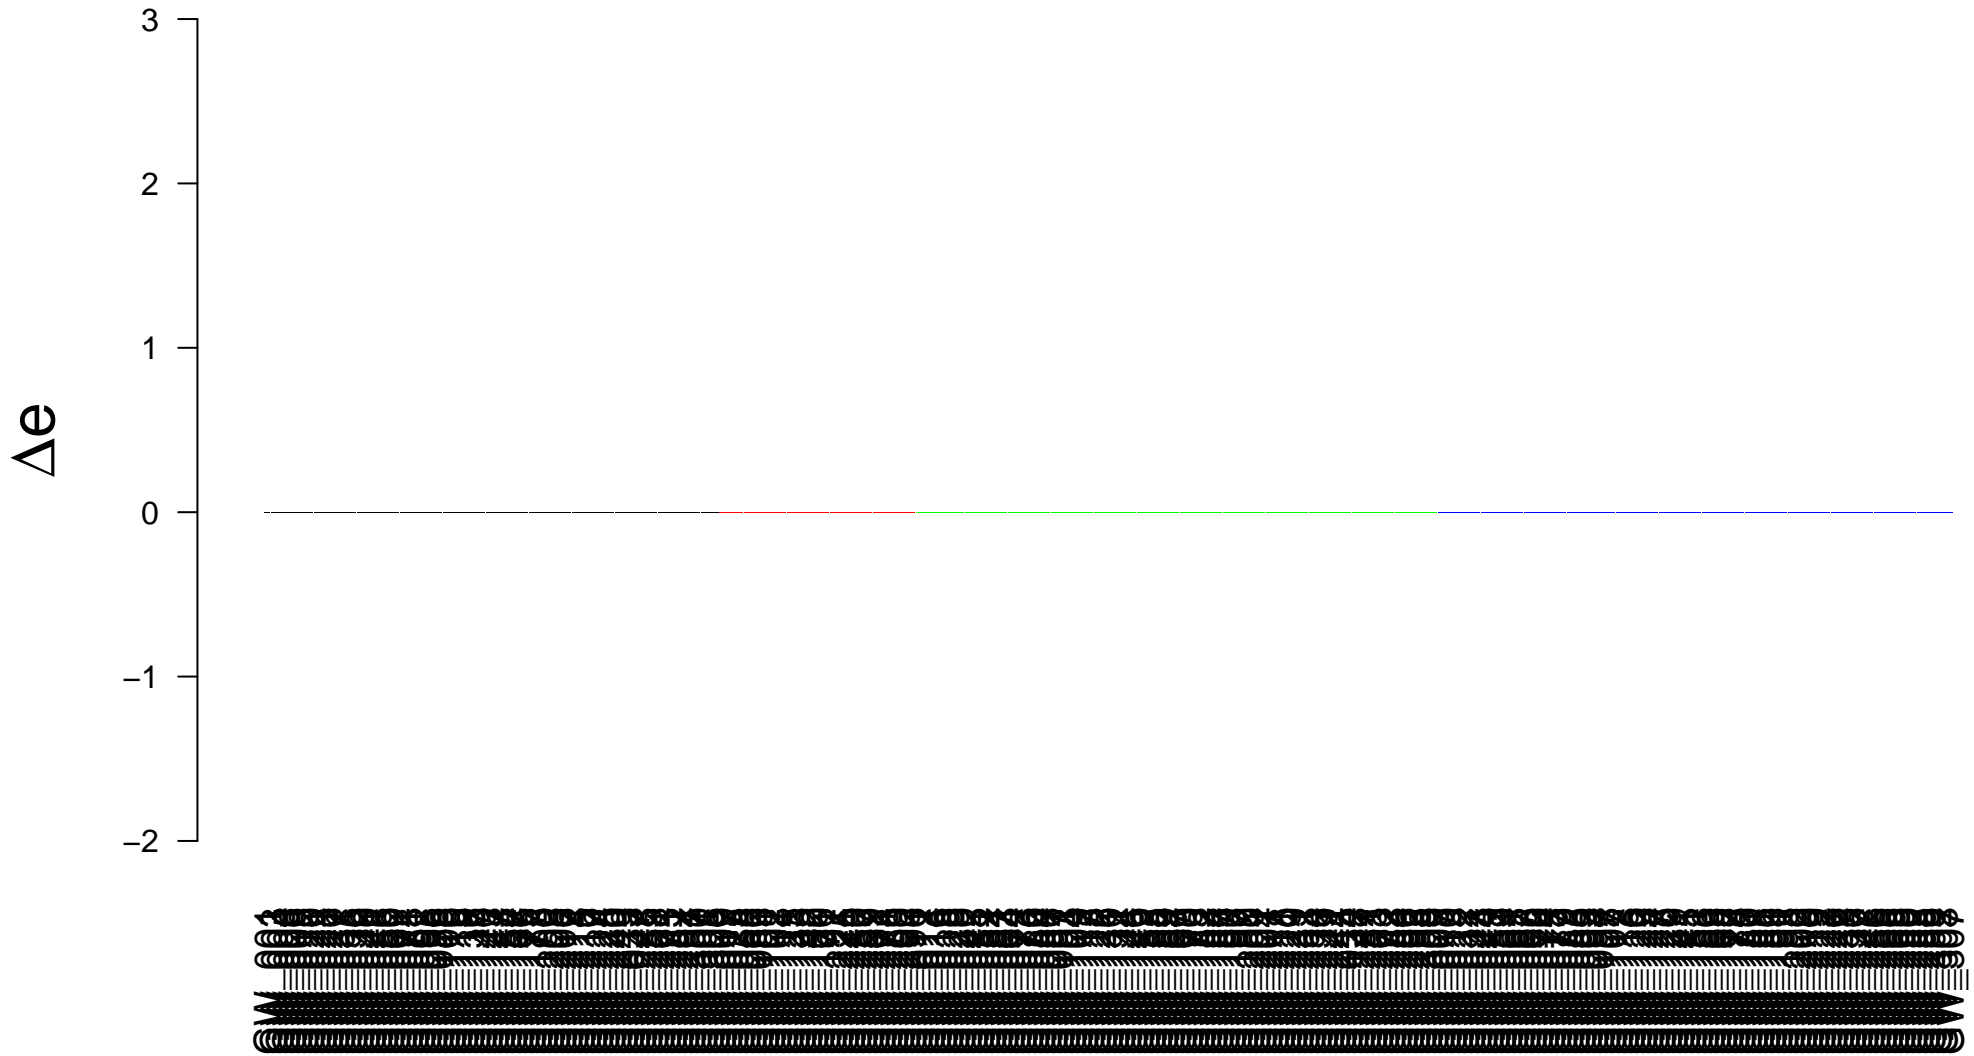

endopeptidase activity

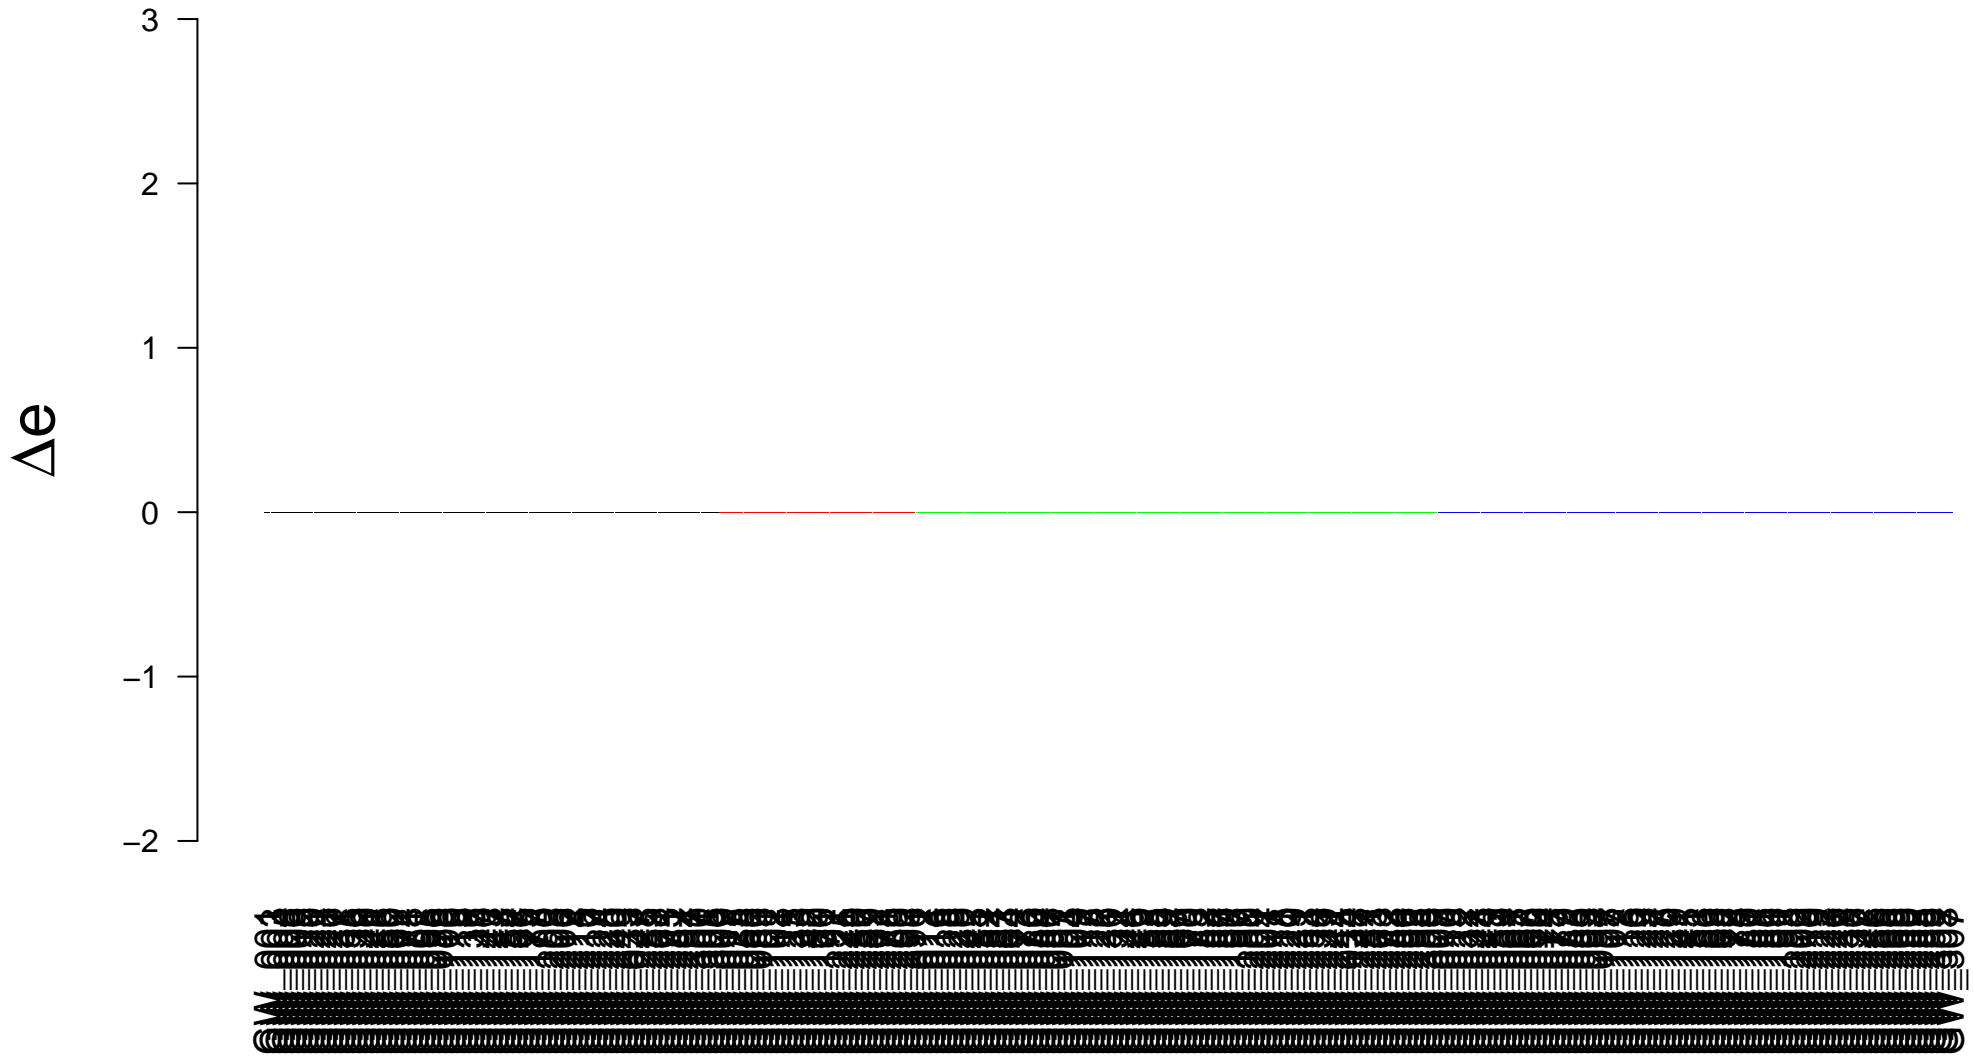

Enrichment in spots: endopeptidase activity

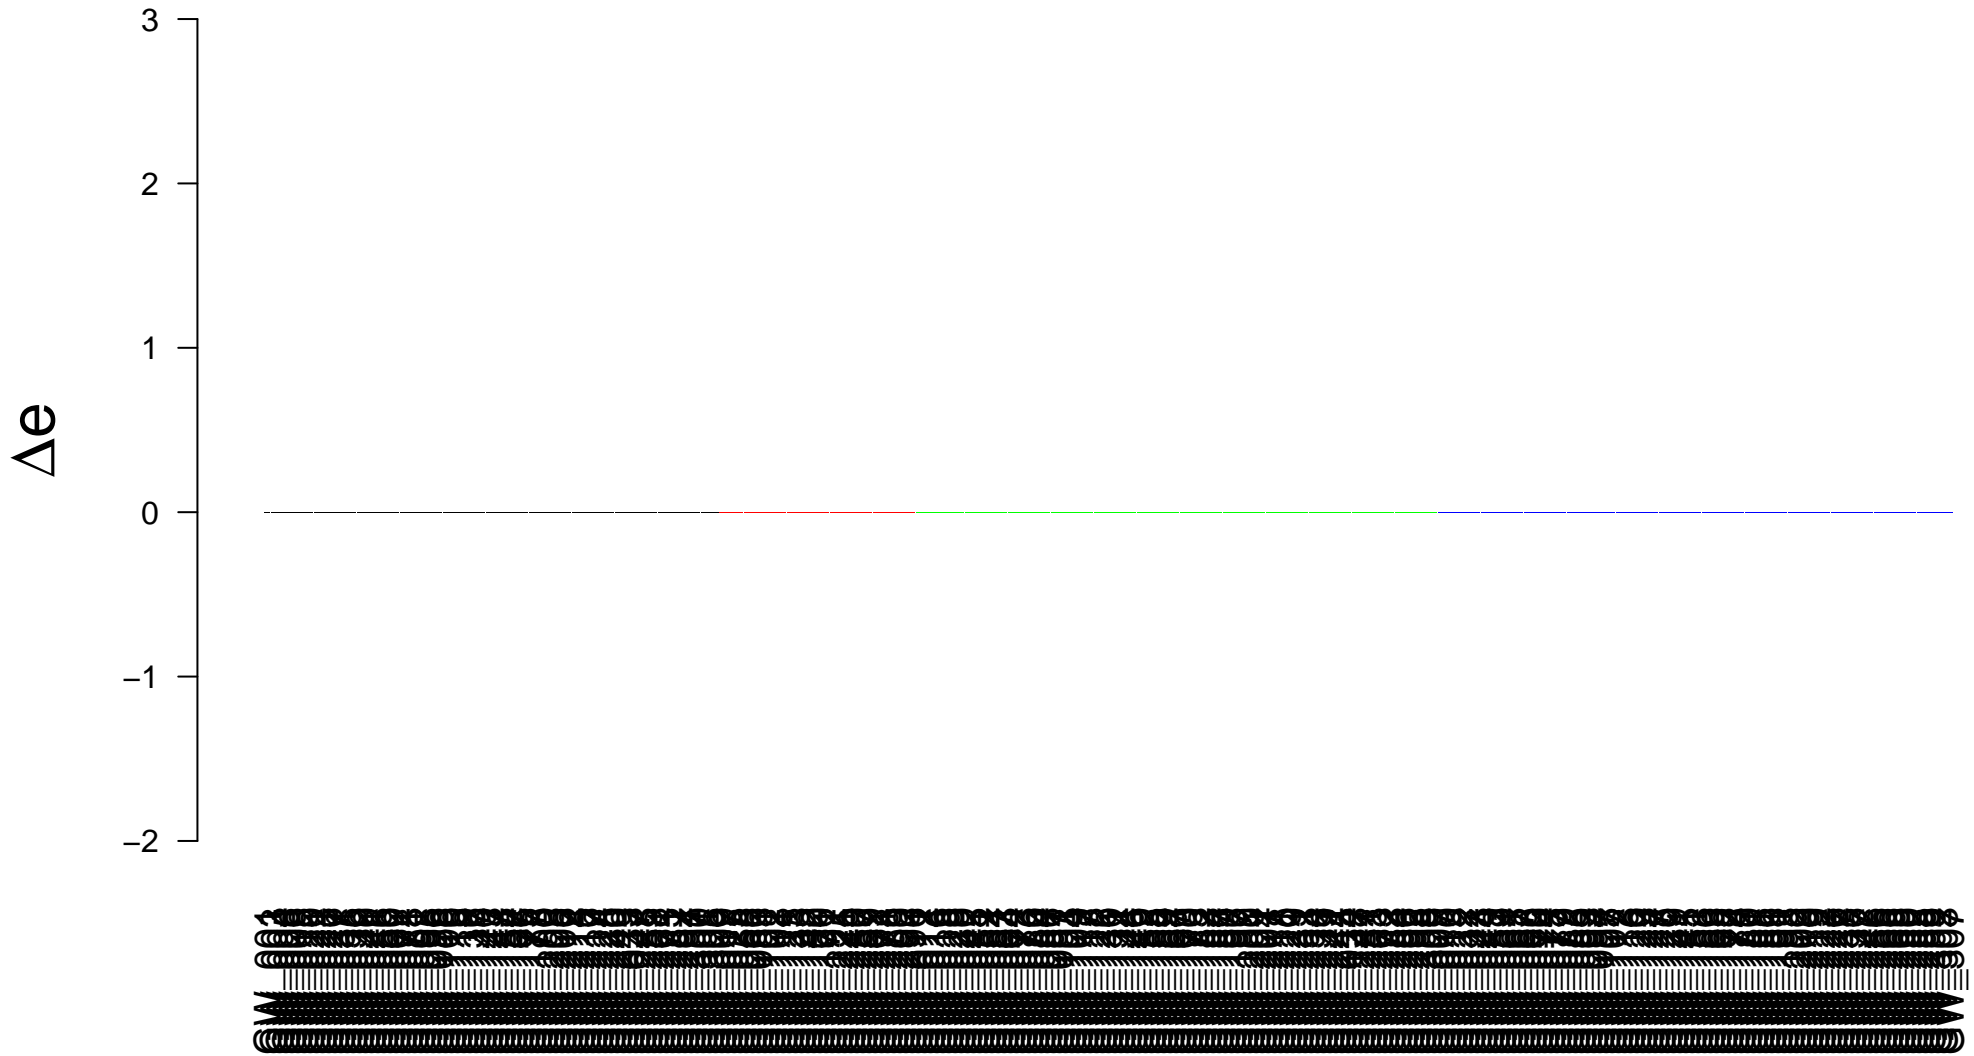

Expression of endopeptidase activity in Spot A

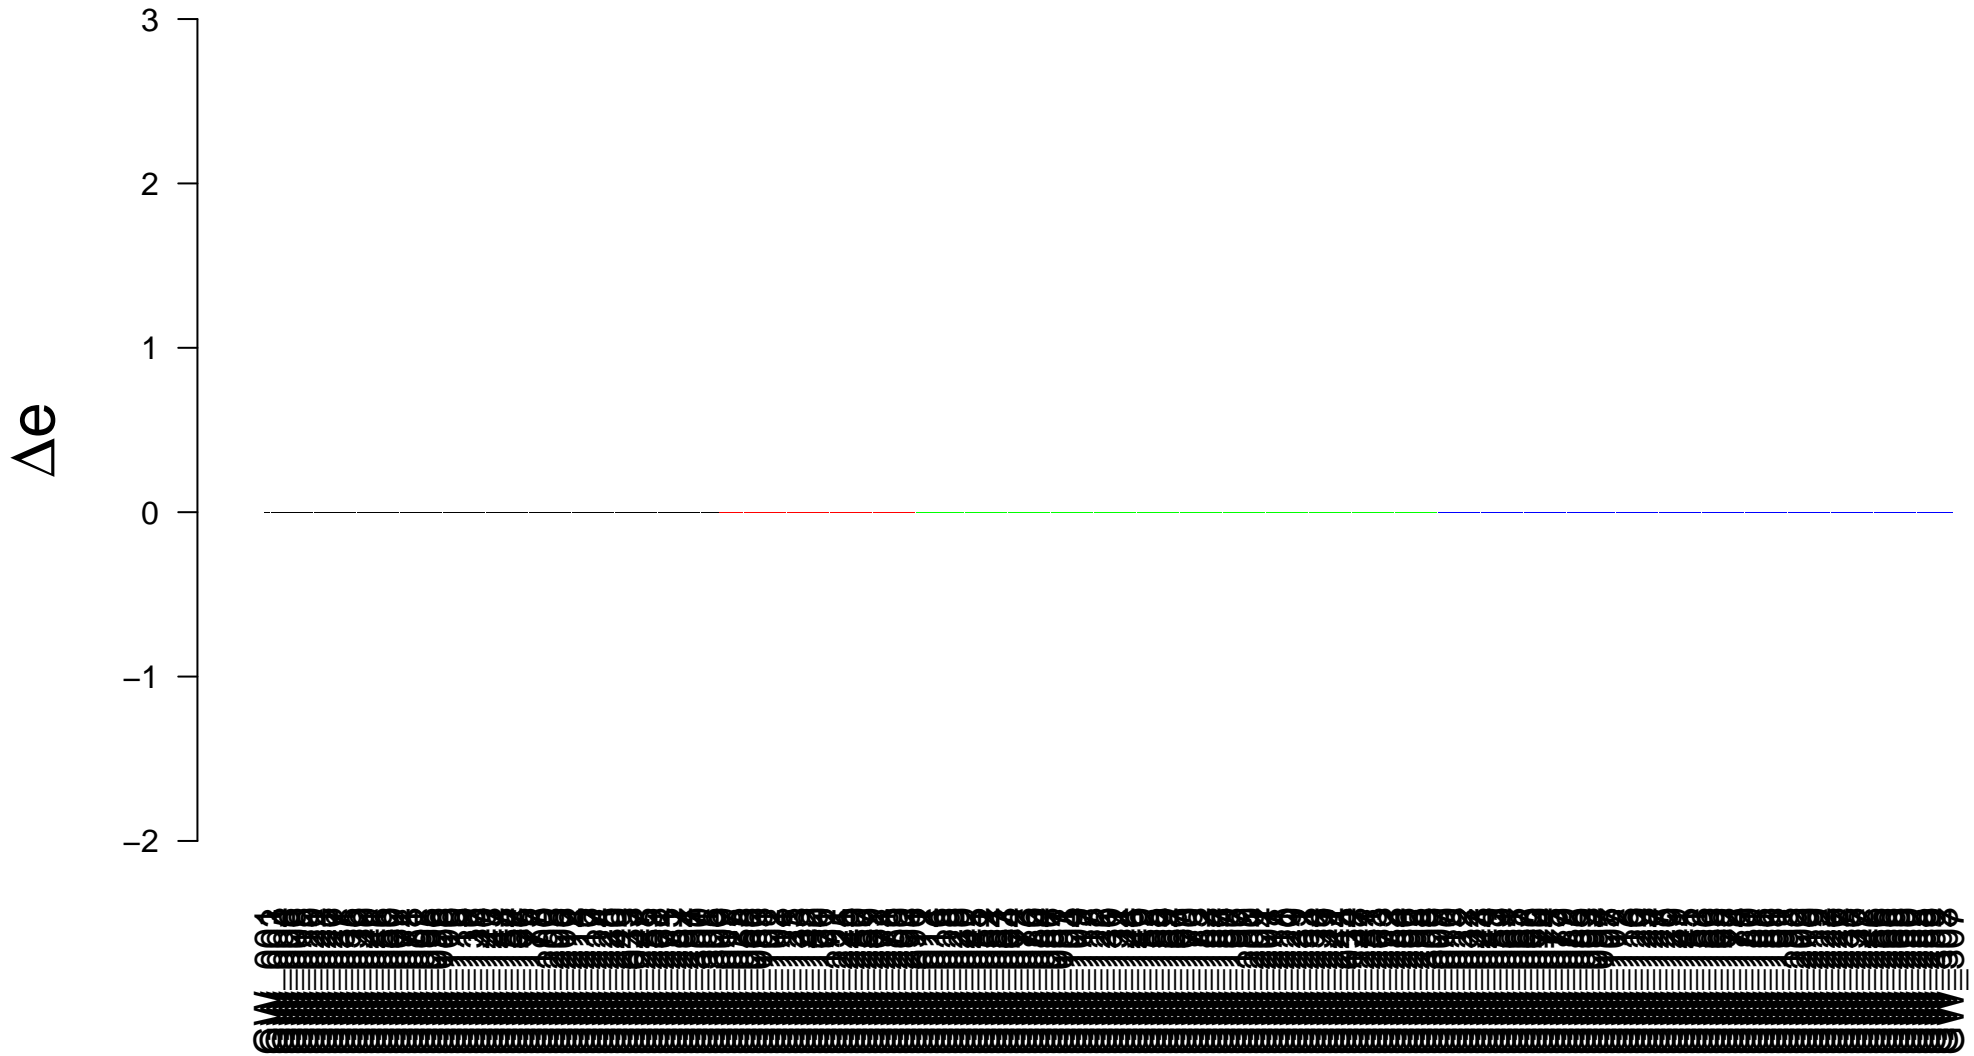

Expression of endopeptidase activity in Spot B

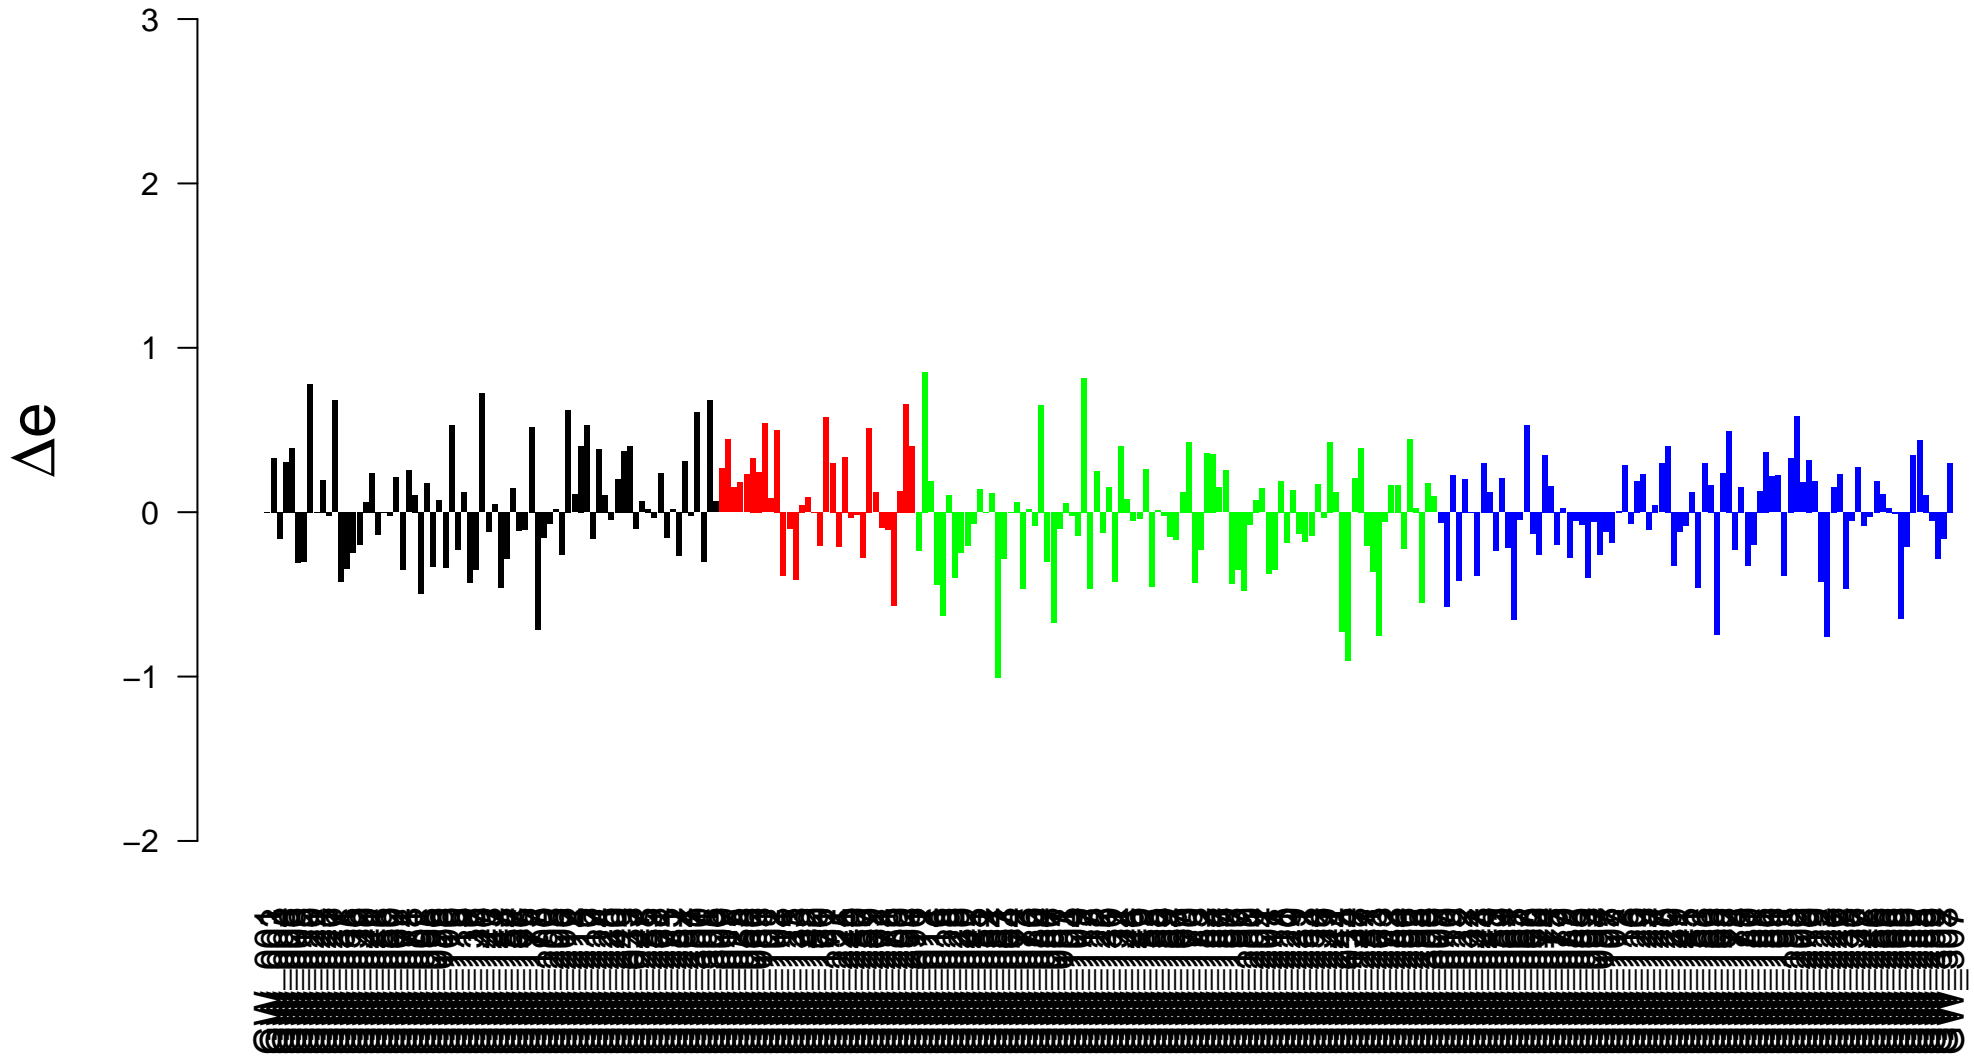

Expression of endopeptidase activity in Spot C

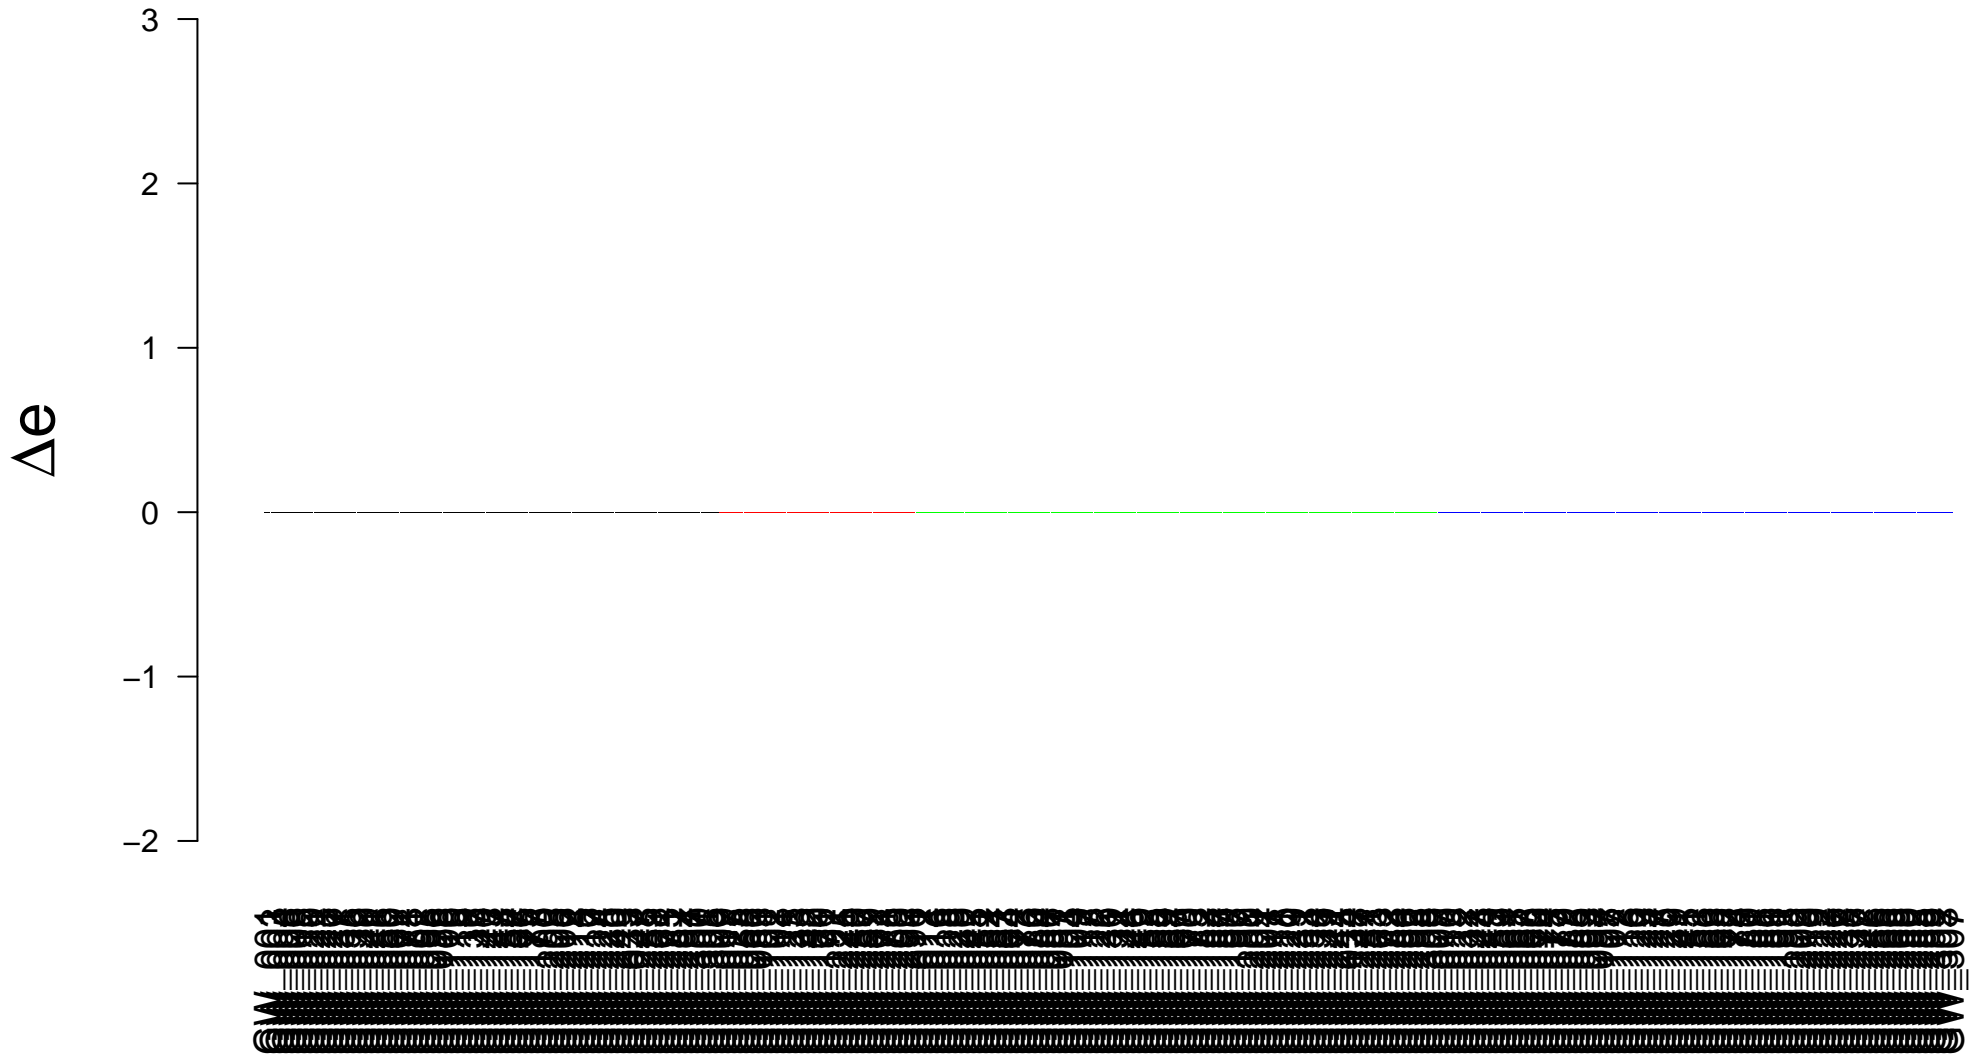

Expression of endopeptidase activity in Spot D

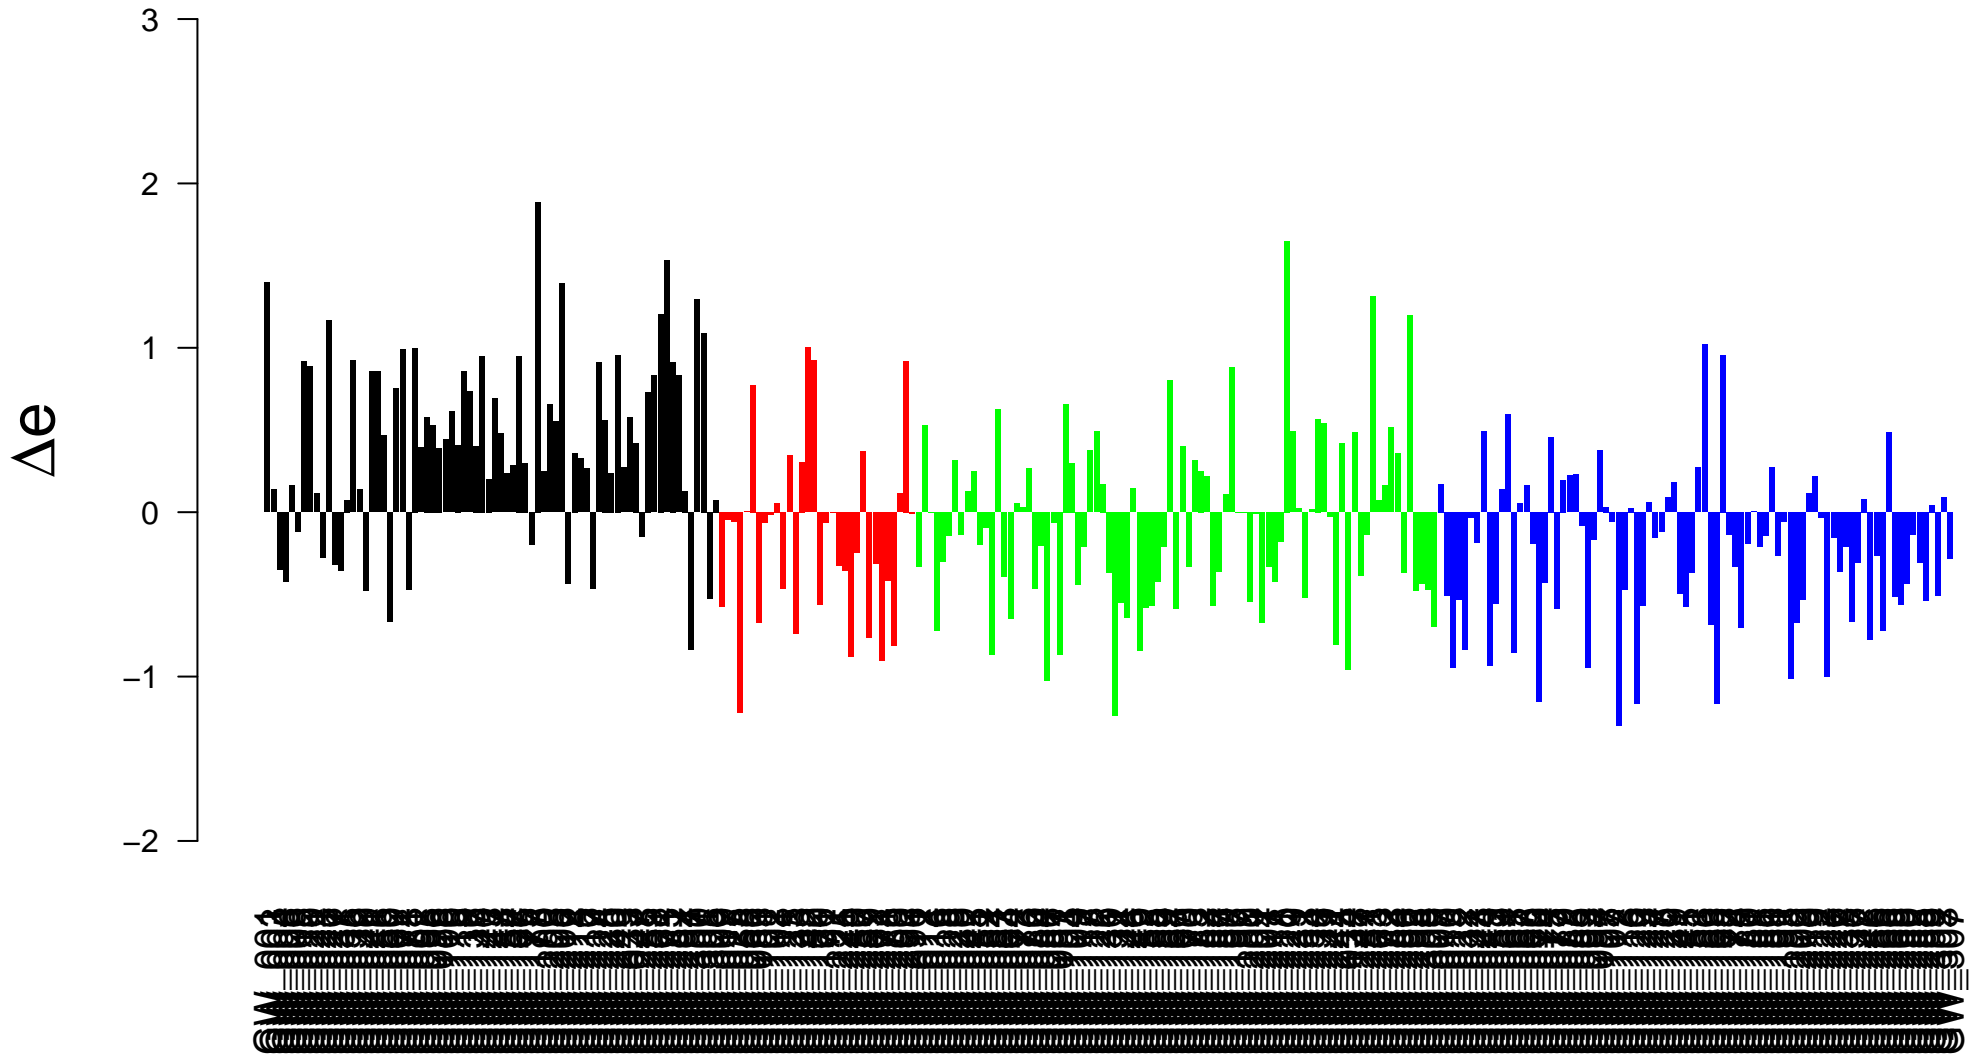

Expression of endopeptidase activity in Spot E

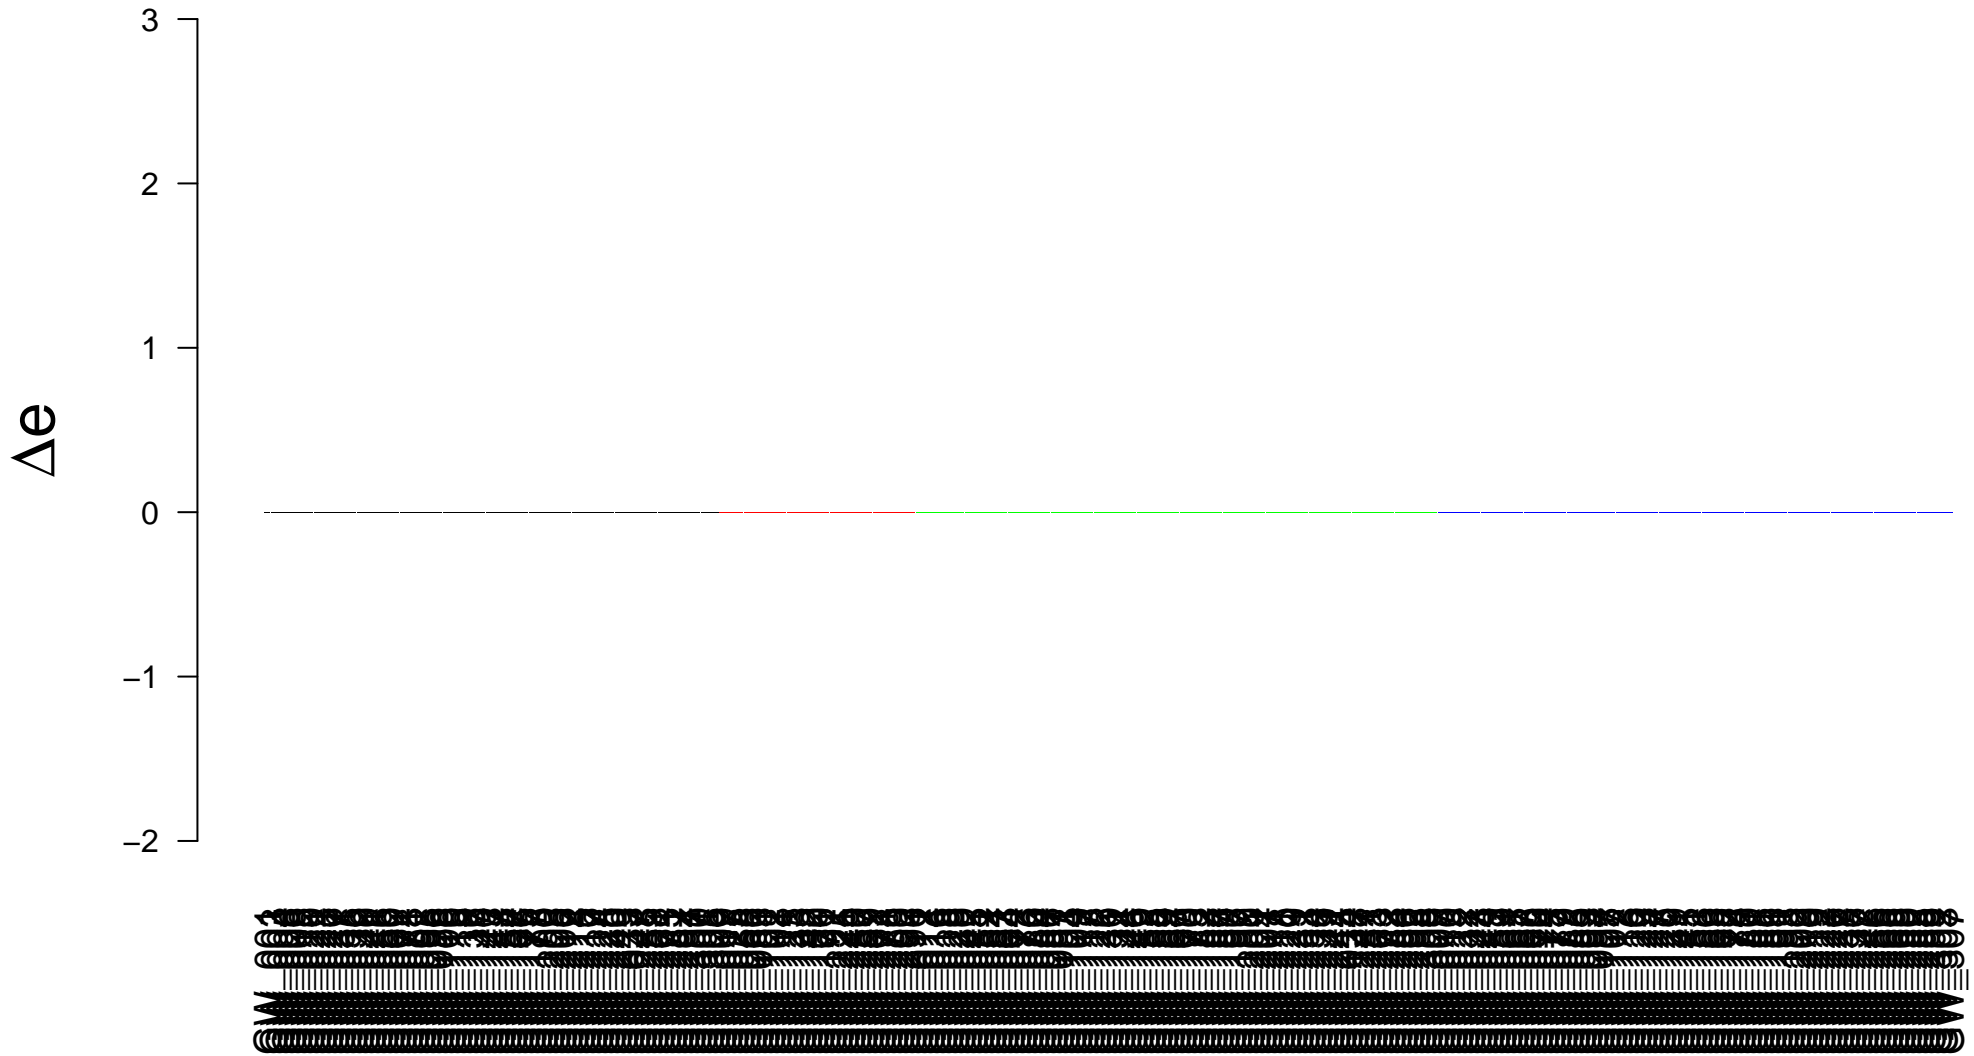

Expression of endopeptidase activity in Spot F

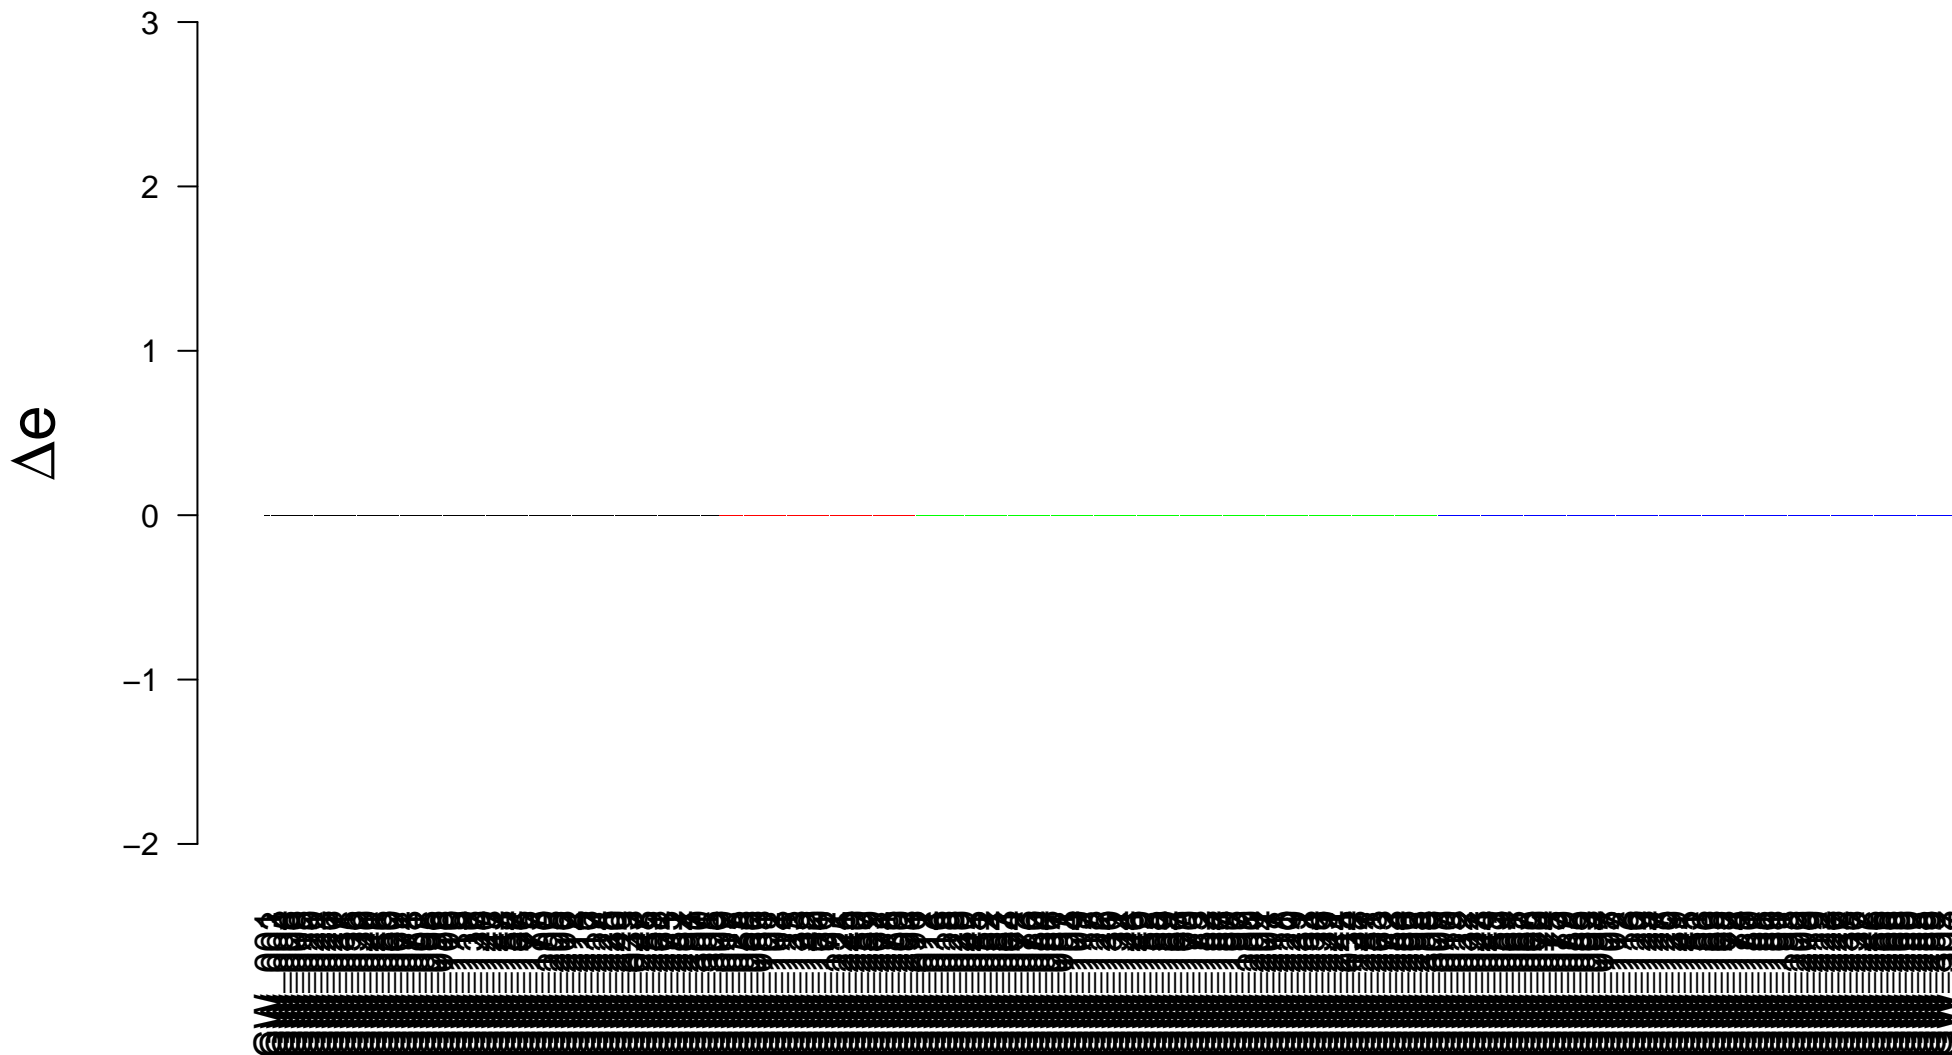

Expression of endopeptidase activity in Spot G

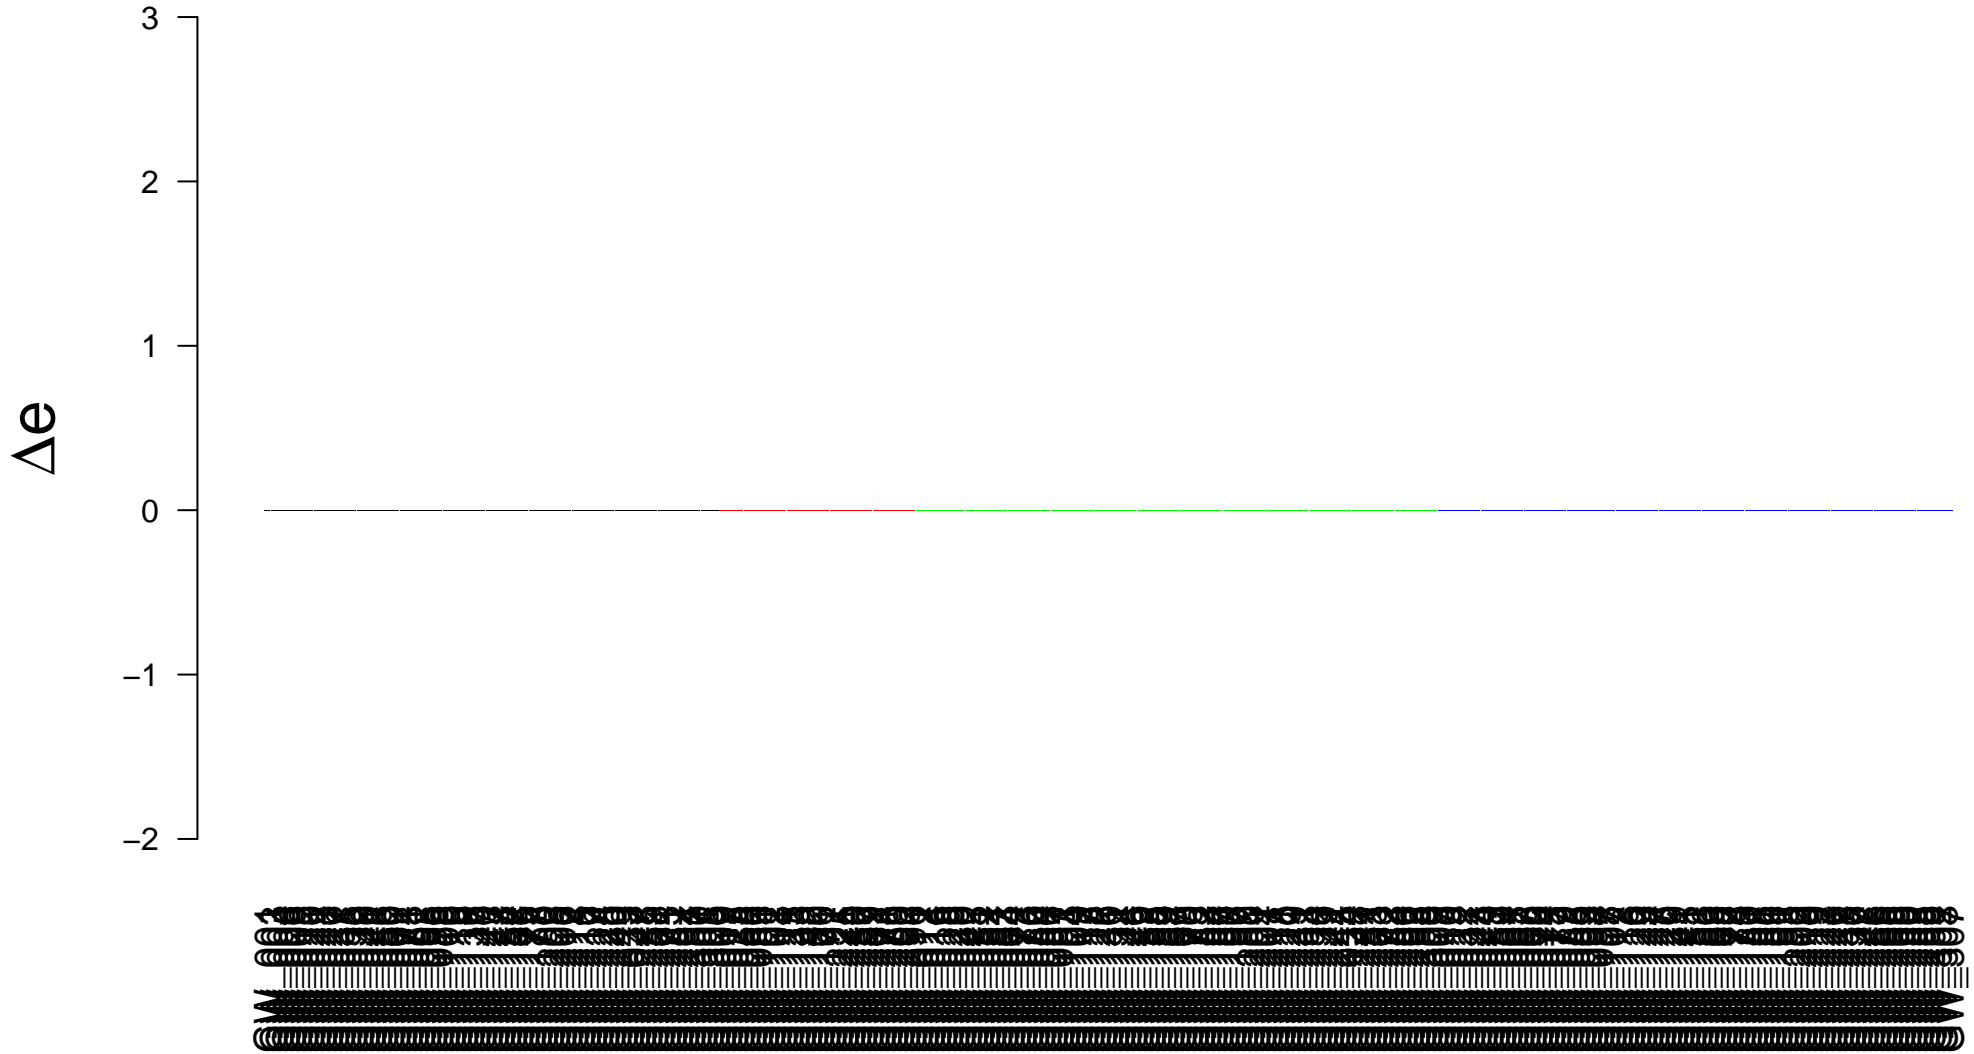

Expression of endopeptidase activity in Spot H

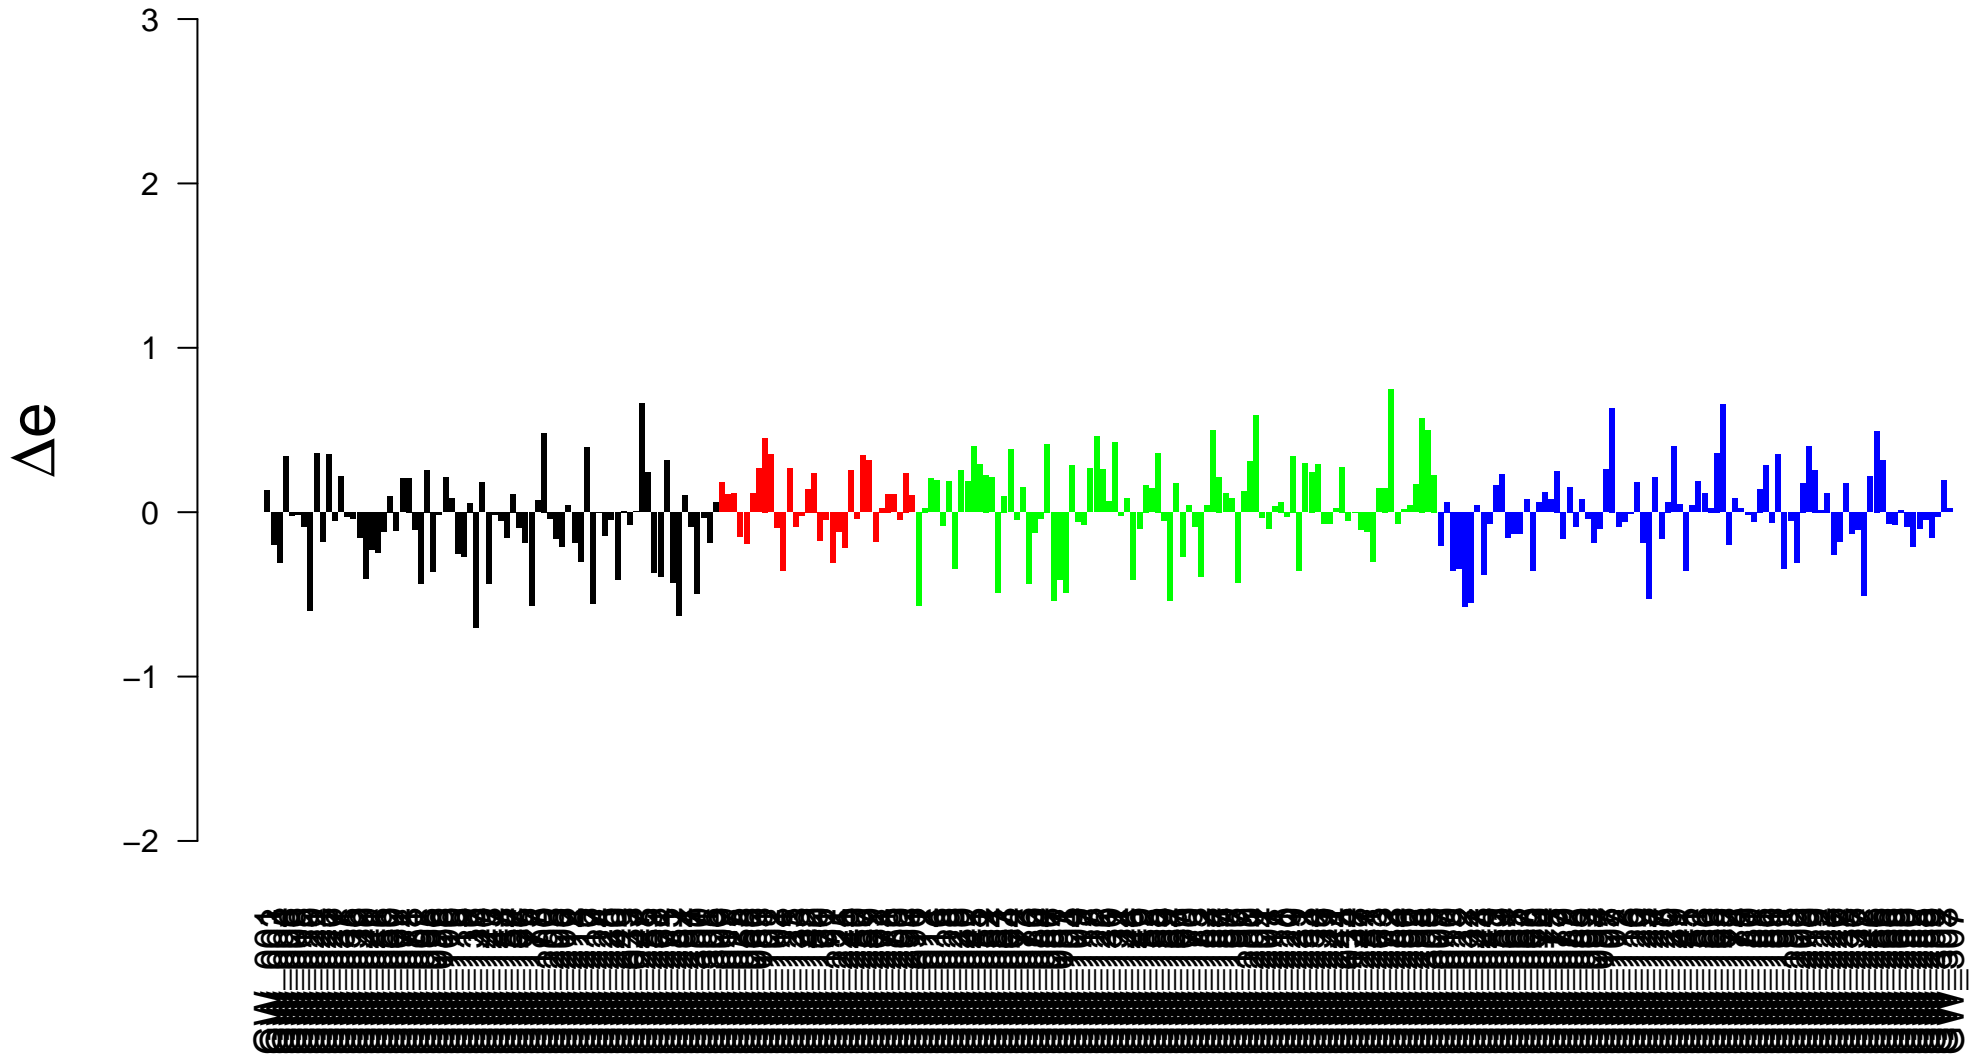

Expression of endopeptidase activity in Spot I

Expression of endopeptidase activity in Spot J

Expression of endopeptidase activity in Spot K

Expression of endopeptidase activity in Spot L
