

endoplasmic reticulum-Golgi intermediate compartment membrane

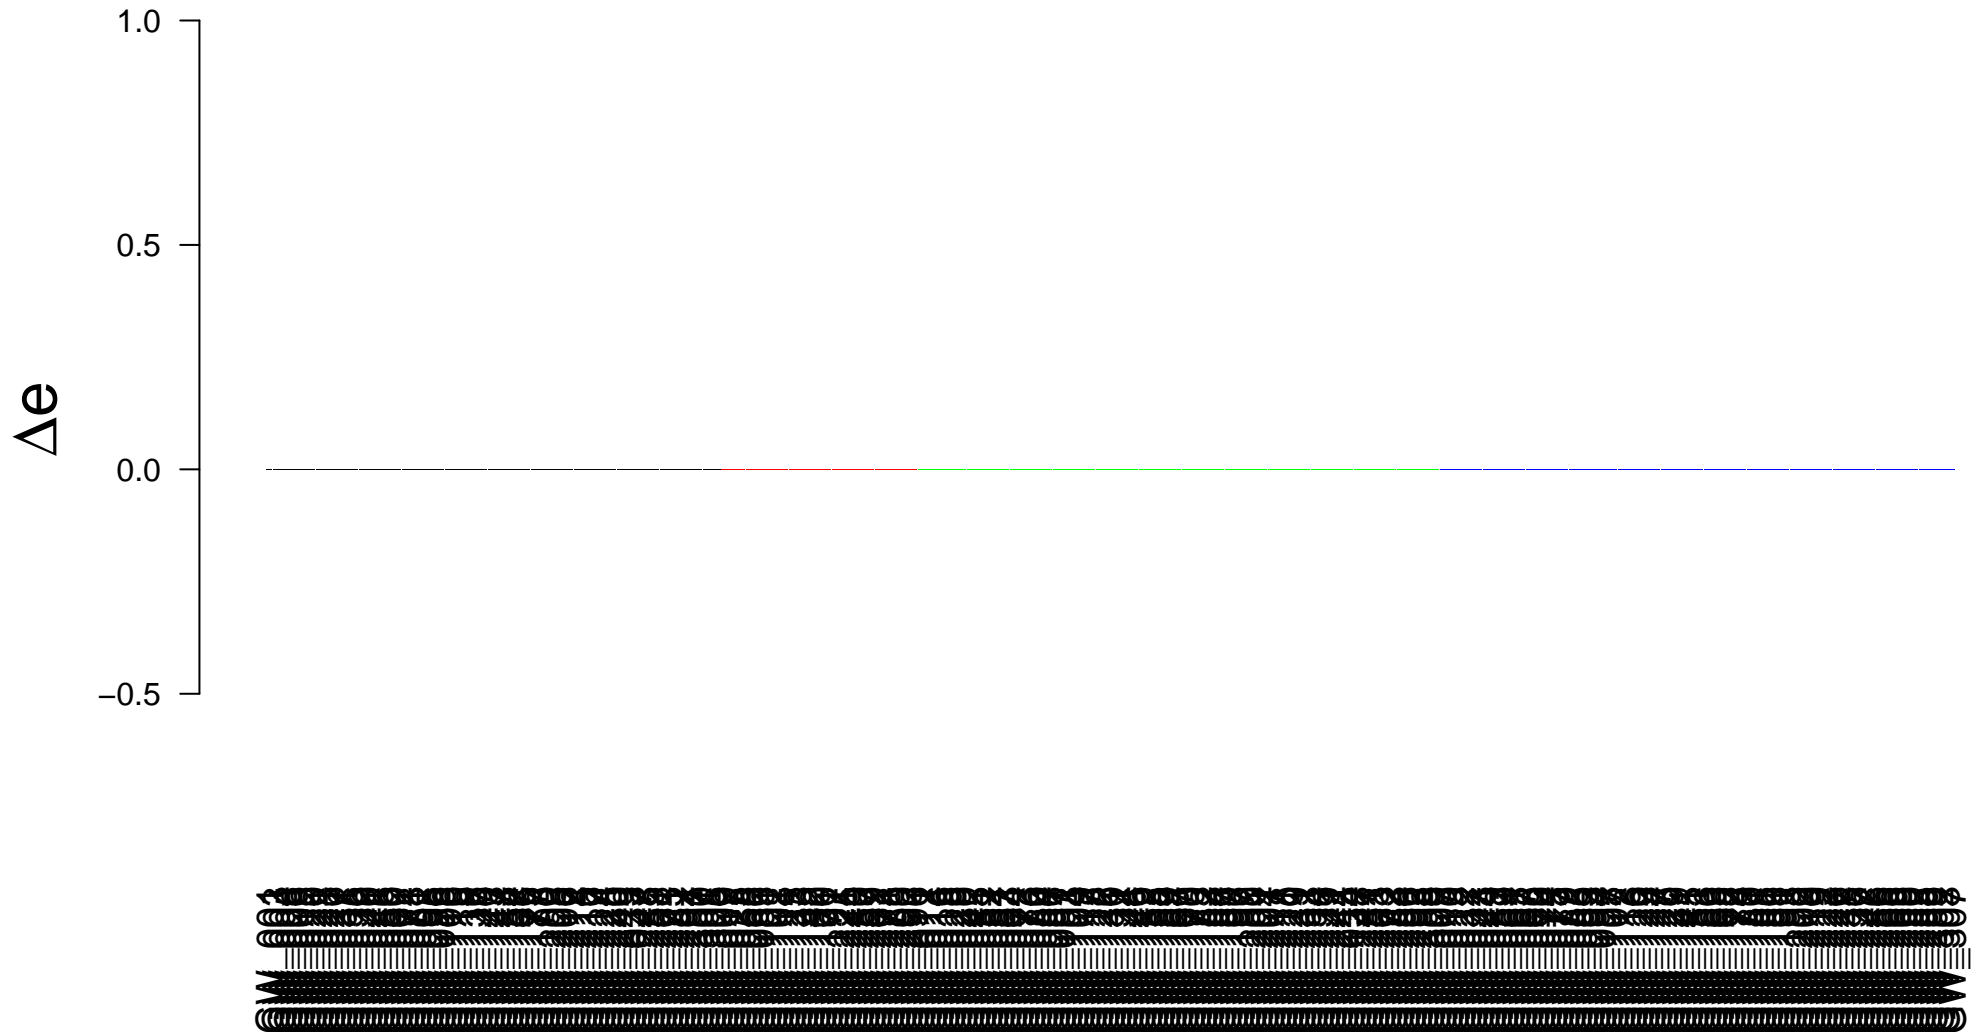

endoplasmic reticulum-Golgi intermediate compartment membrane

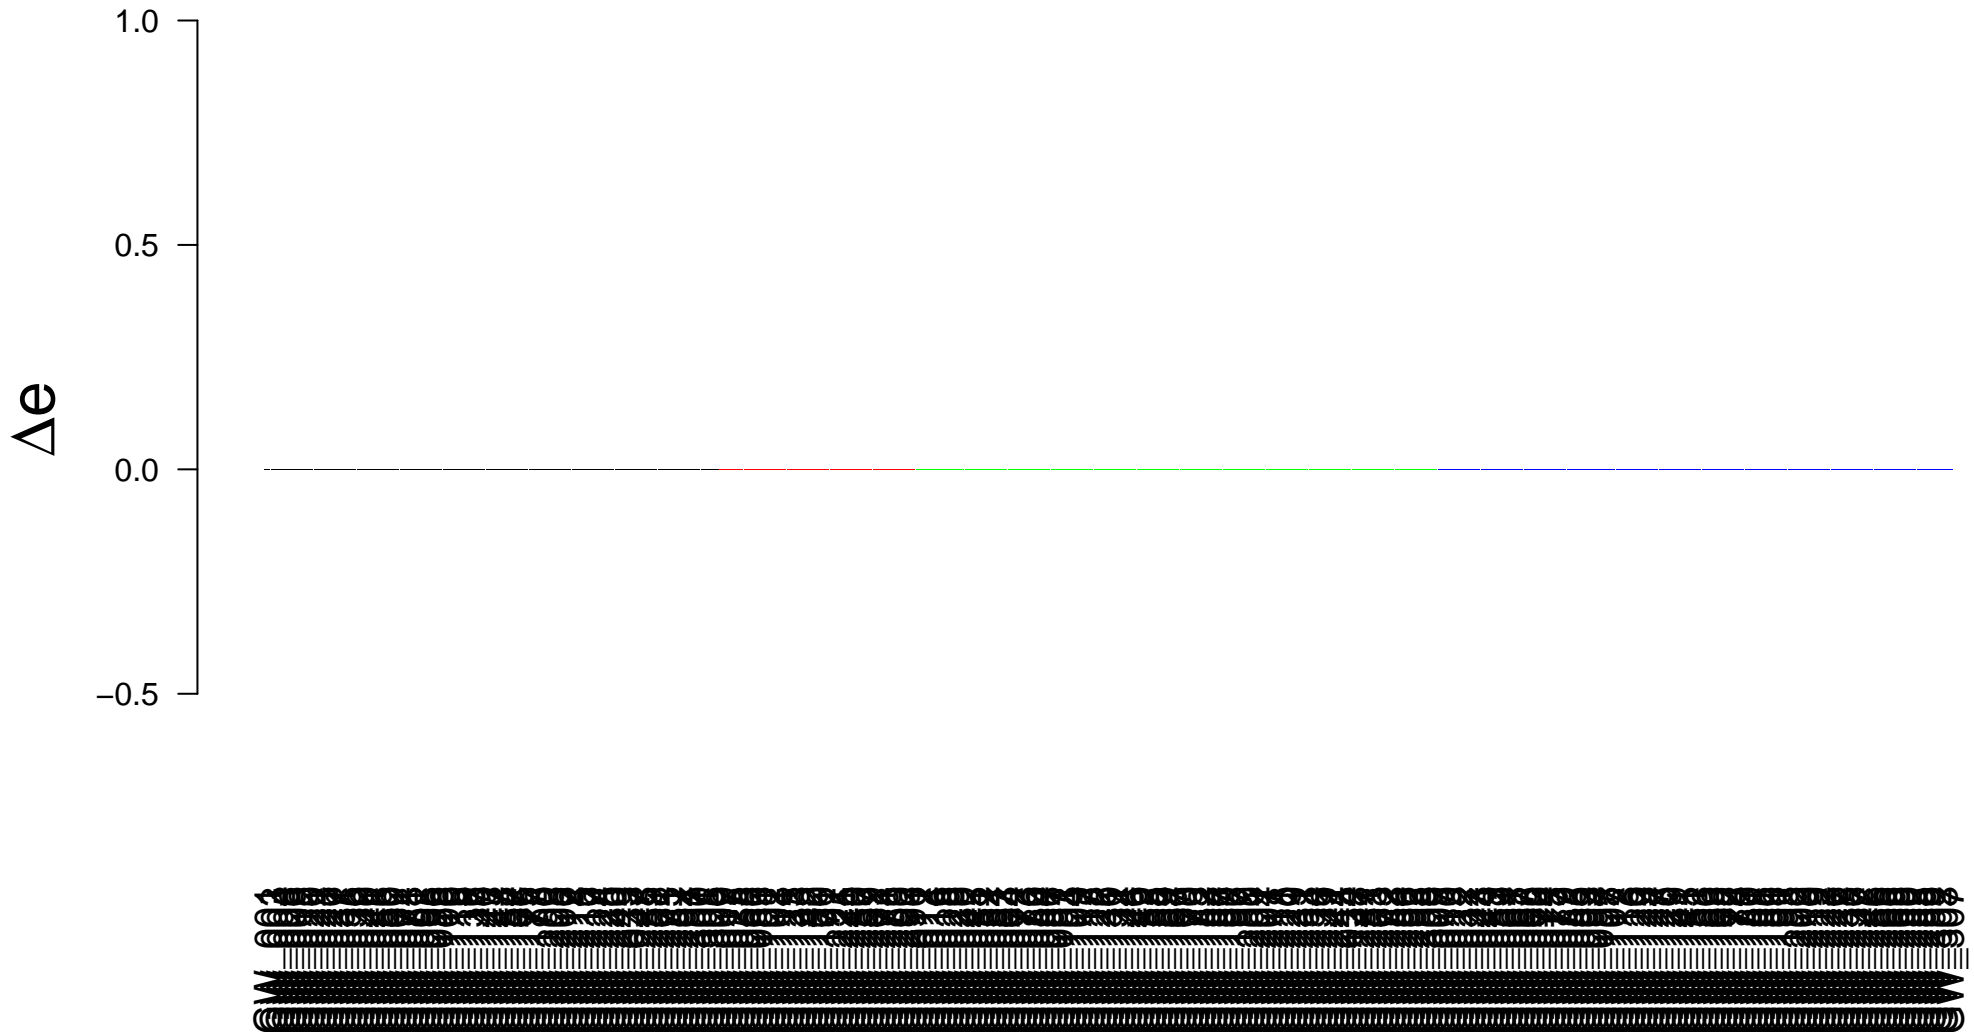

Enrichment in spots: endoplasmic reticulum–Golgi intermediate compartment membrane

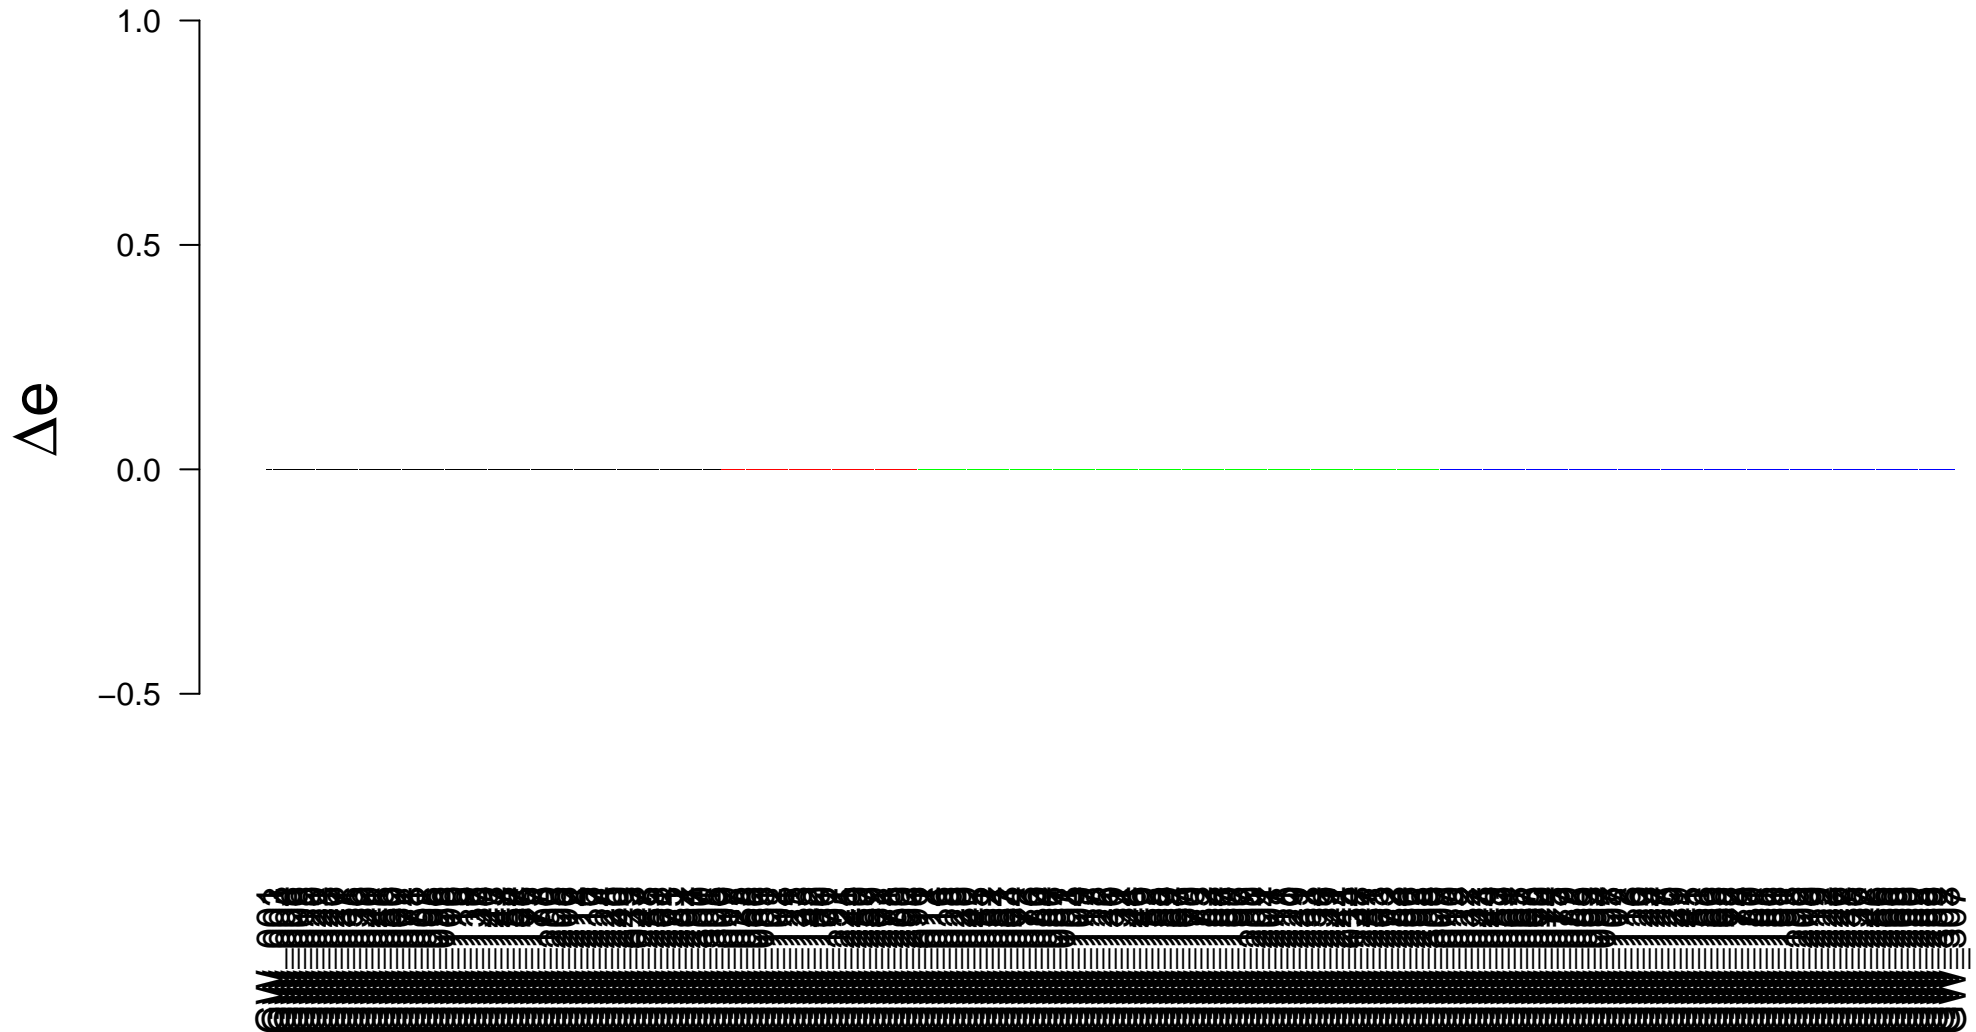

Expression of endoplasmic reticulum–Golgi intermediate compartment membrane in Spot A

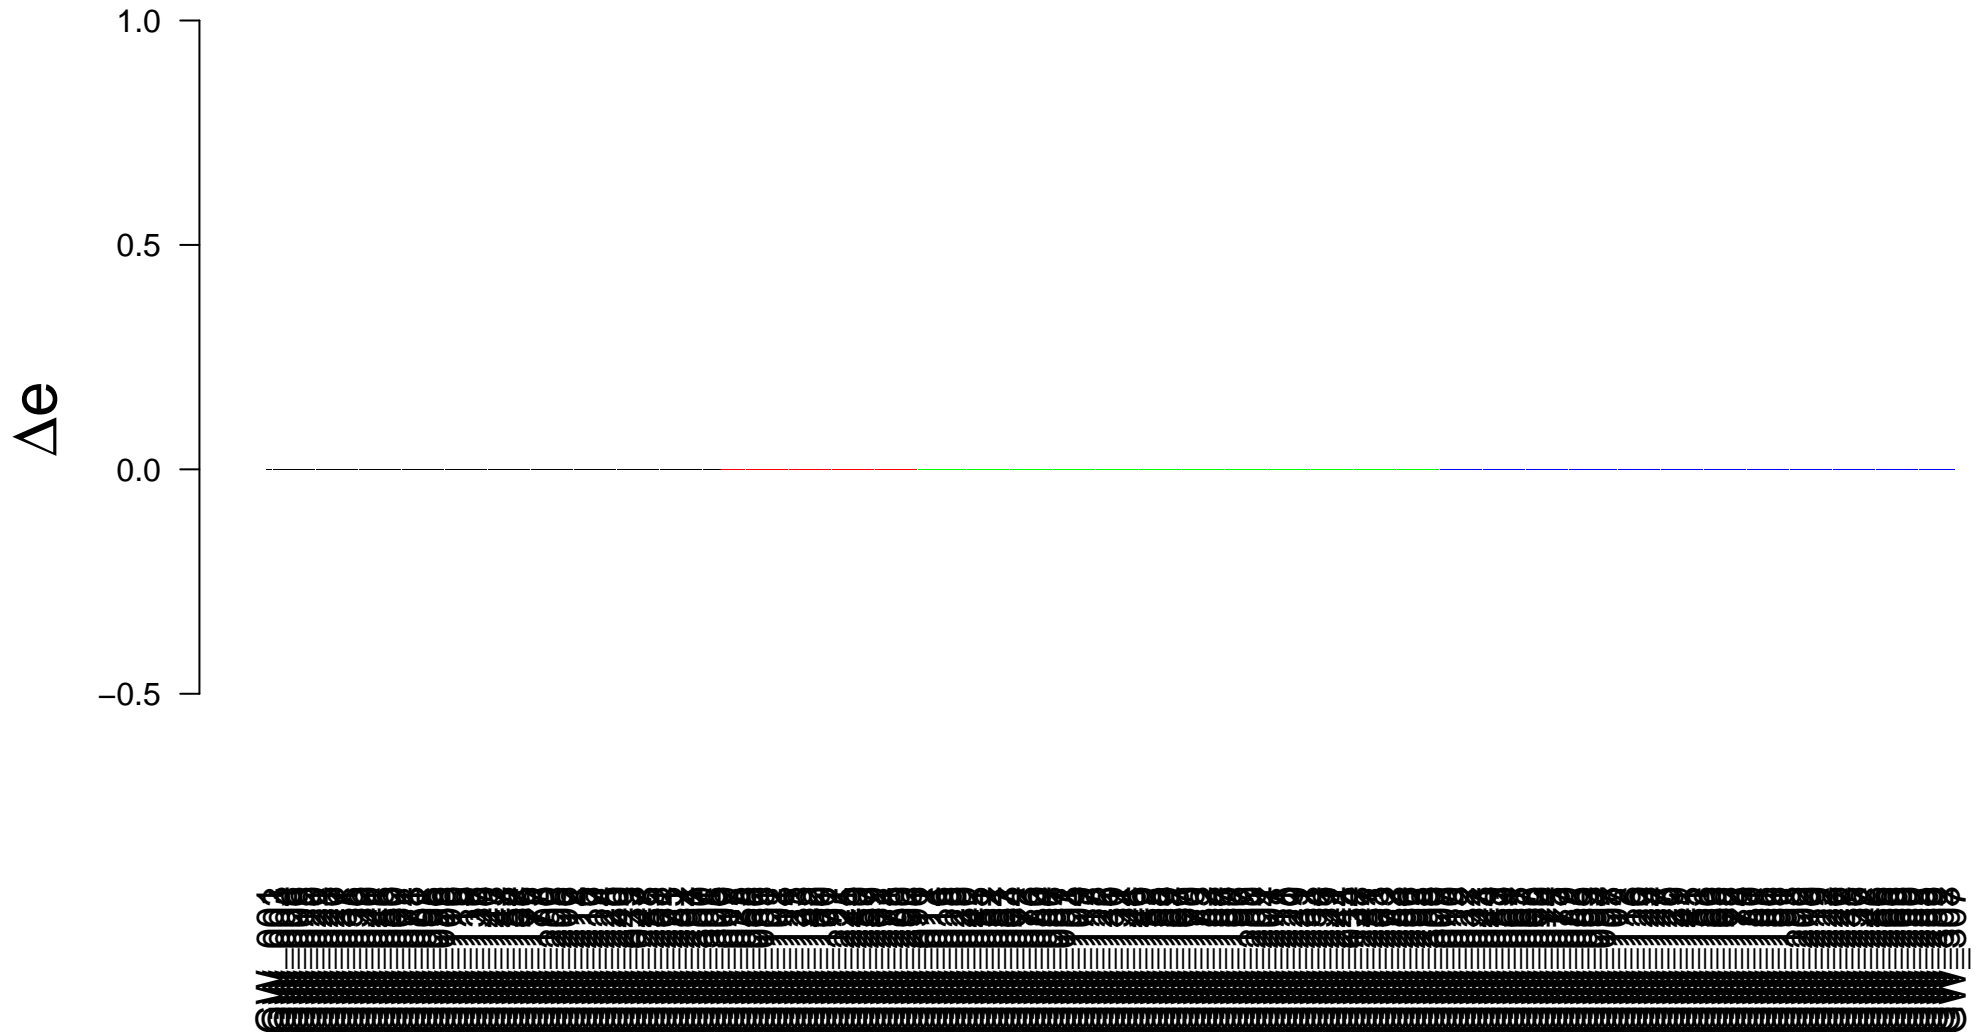

Expression of endoplasmic reticulum-Golgi intermediate compartment membrane in Spot B

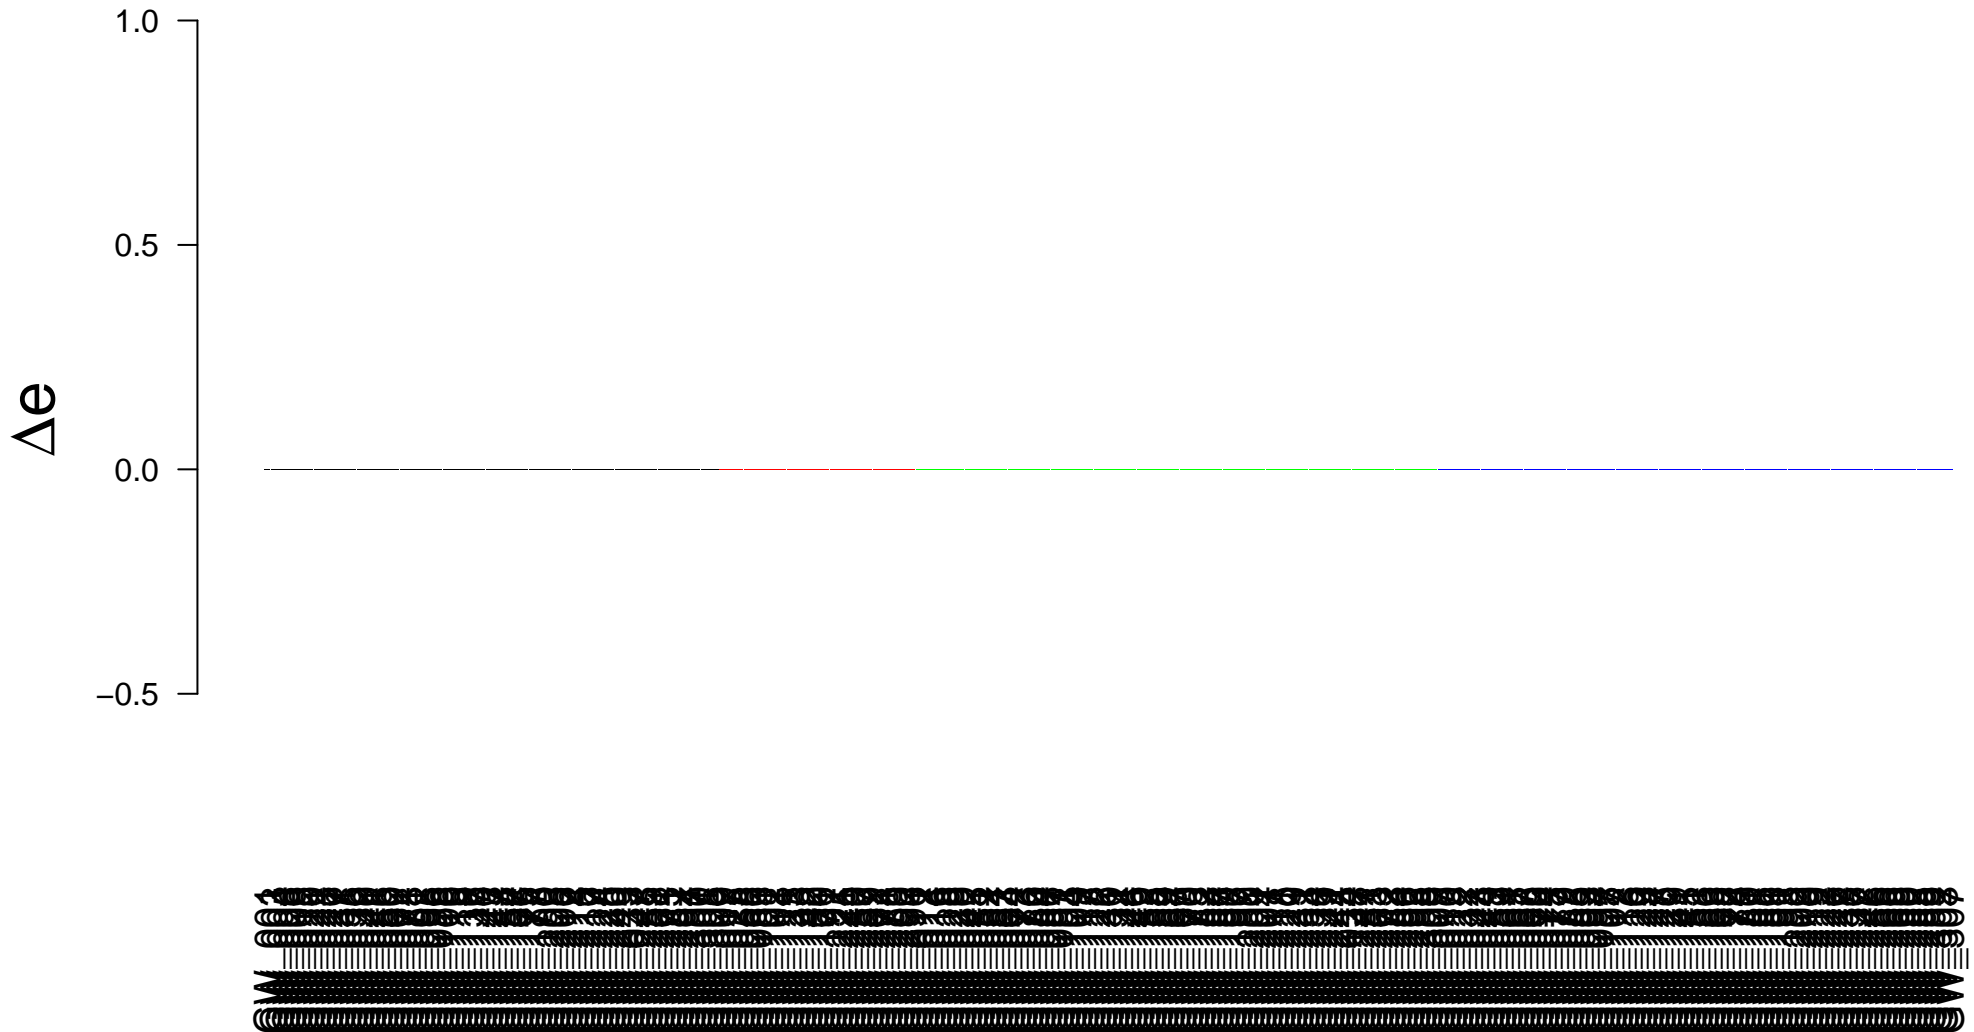

Expression of endoplasmic reticulum–Golgi intermediate compartment membrane in Spot C

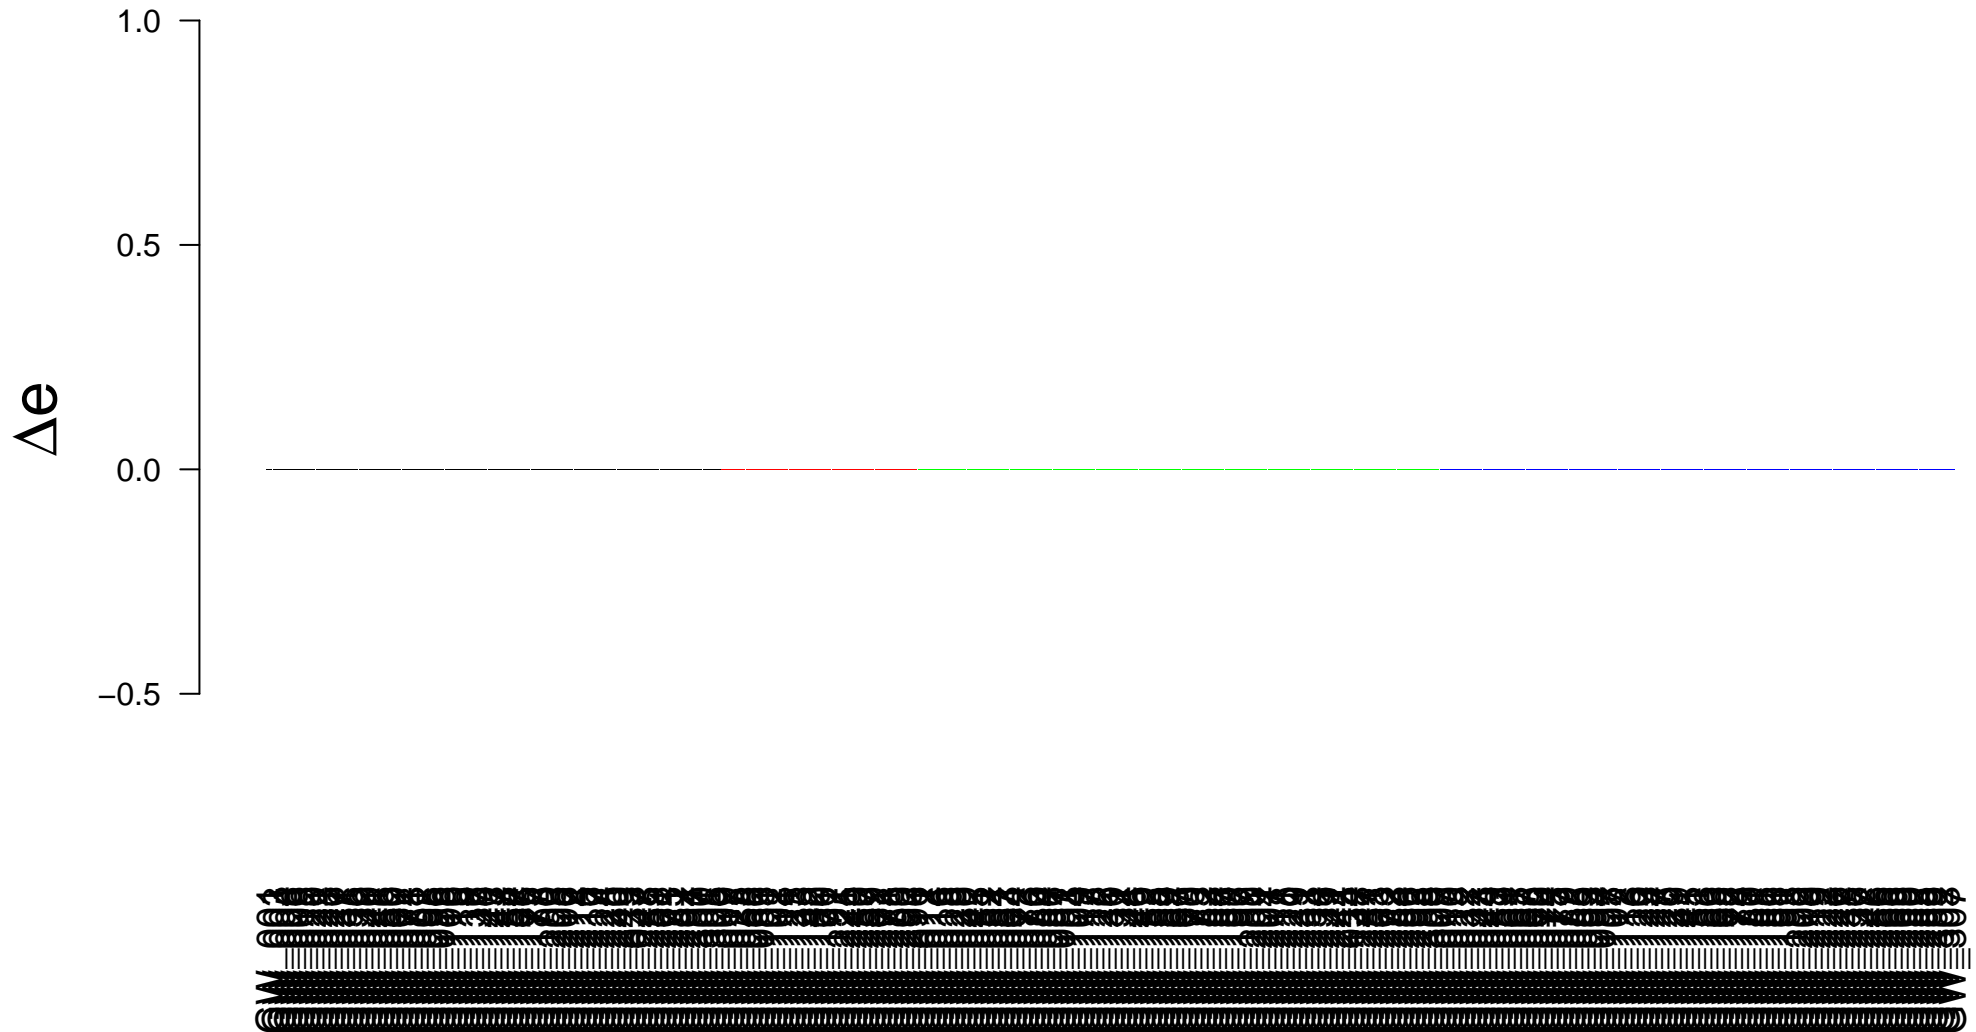

Expression of endoplasmic reticulum–Golgi intermediate compartment membrane in Spot D

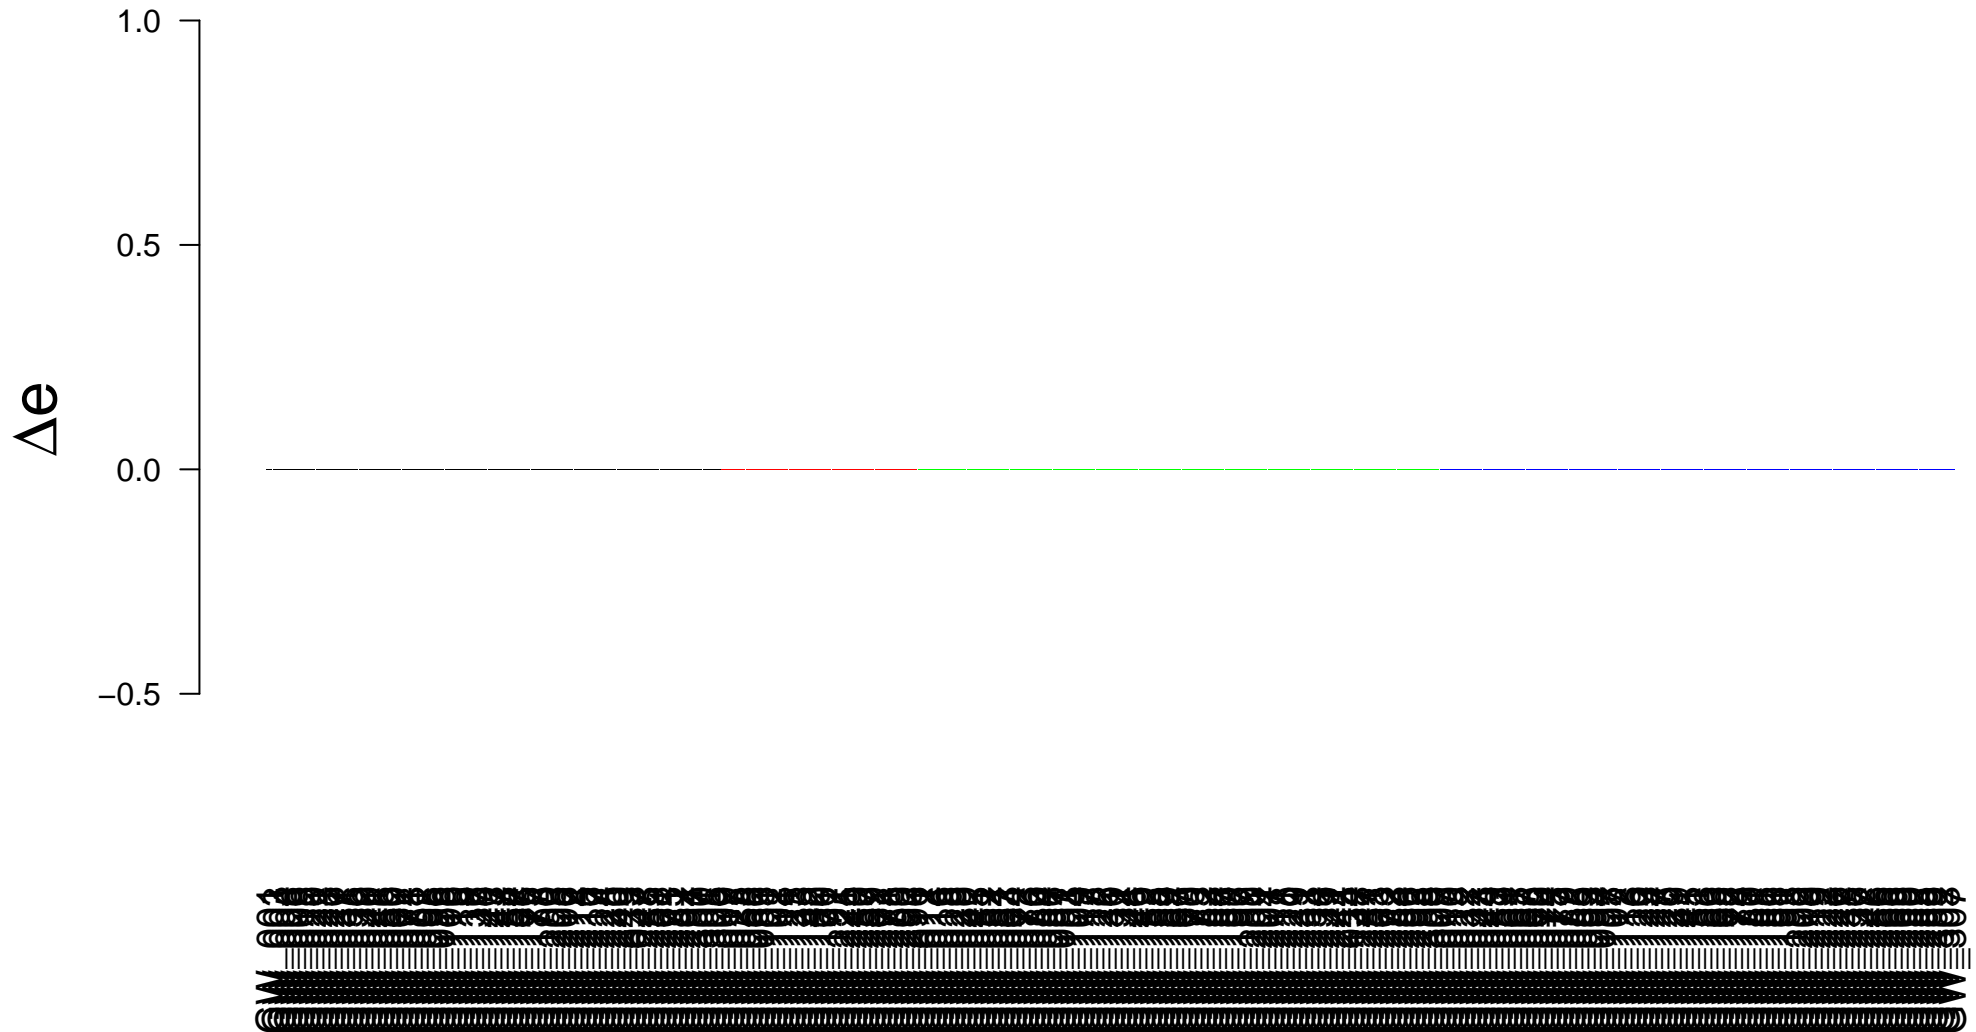

Expression of endoplasmic reticulum–Golgi intermediate compartment membrane in Spot E

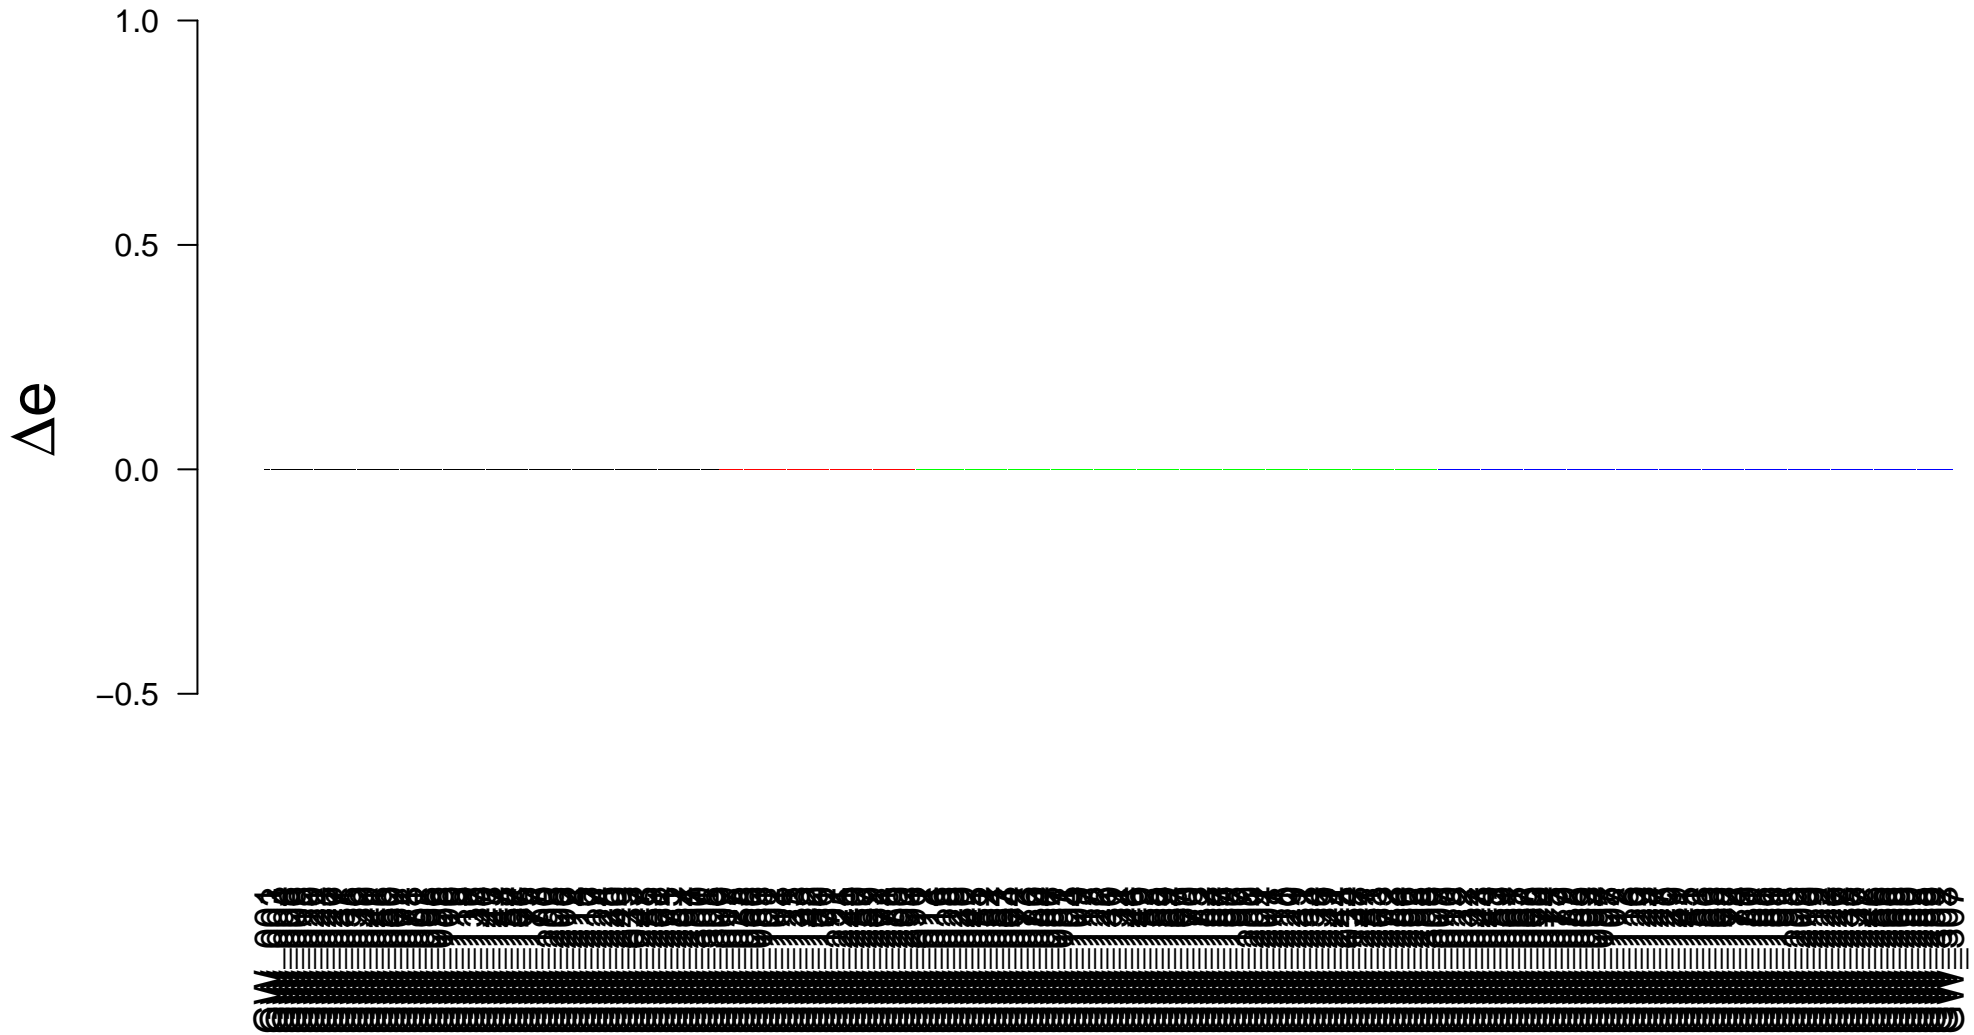

Expression of endoplasmic reticulum-Golgi intermediate compartment membrane in Spot F

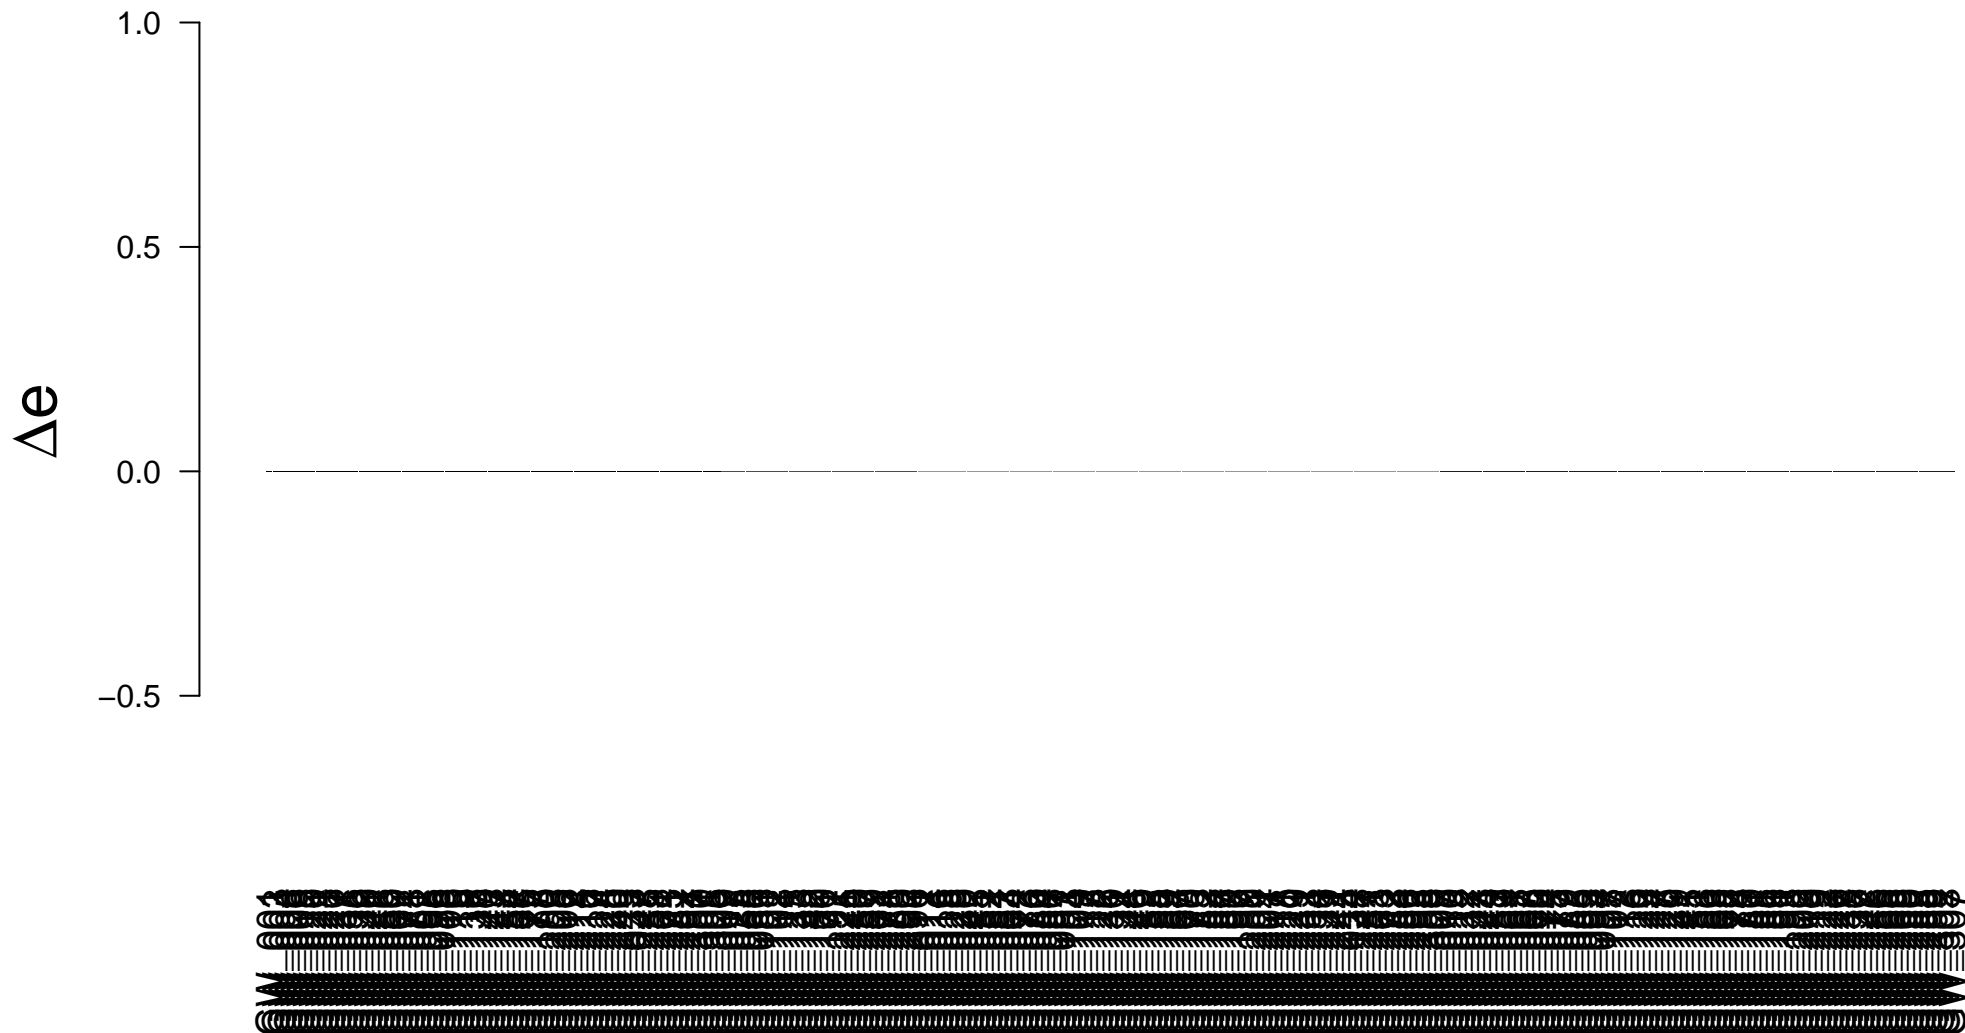

Expression of endoplasmic reticulum–Golgi intermediate compartment membrane in Spot G

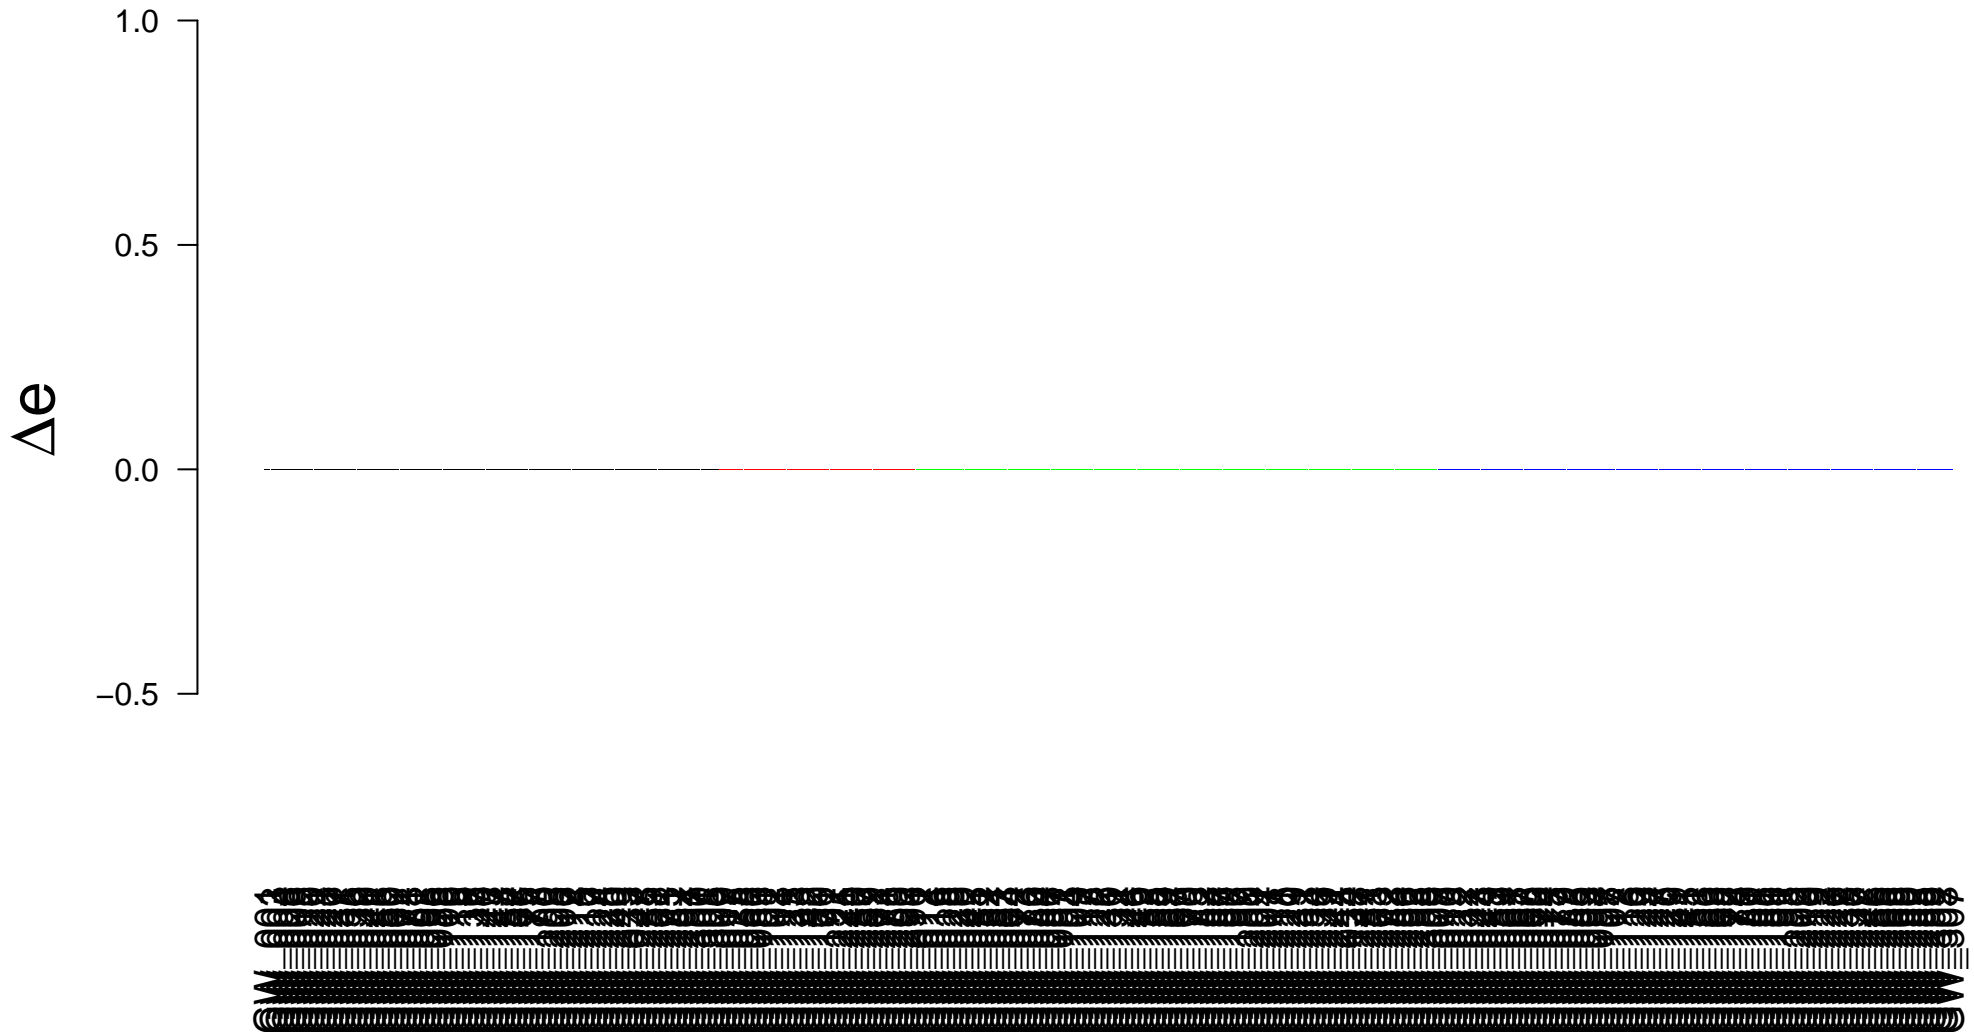

Expression of endoplasmic reticulum–Golgi intermediate compartment membrane in Spot H

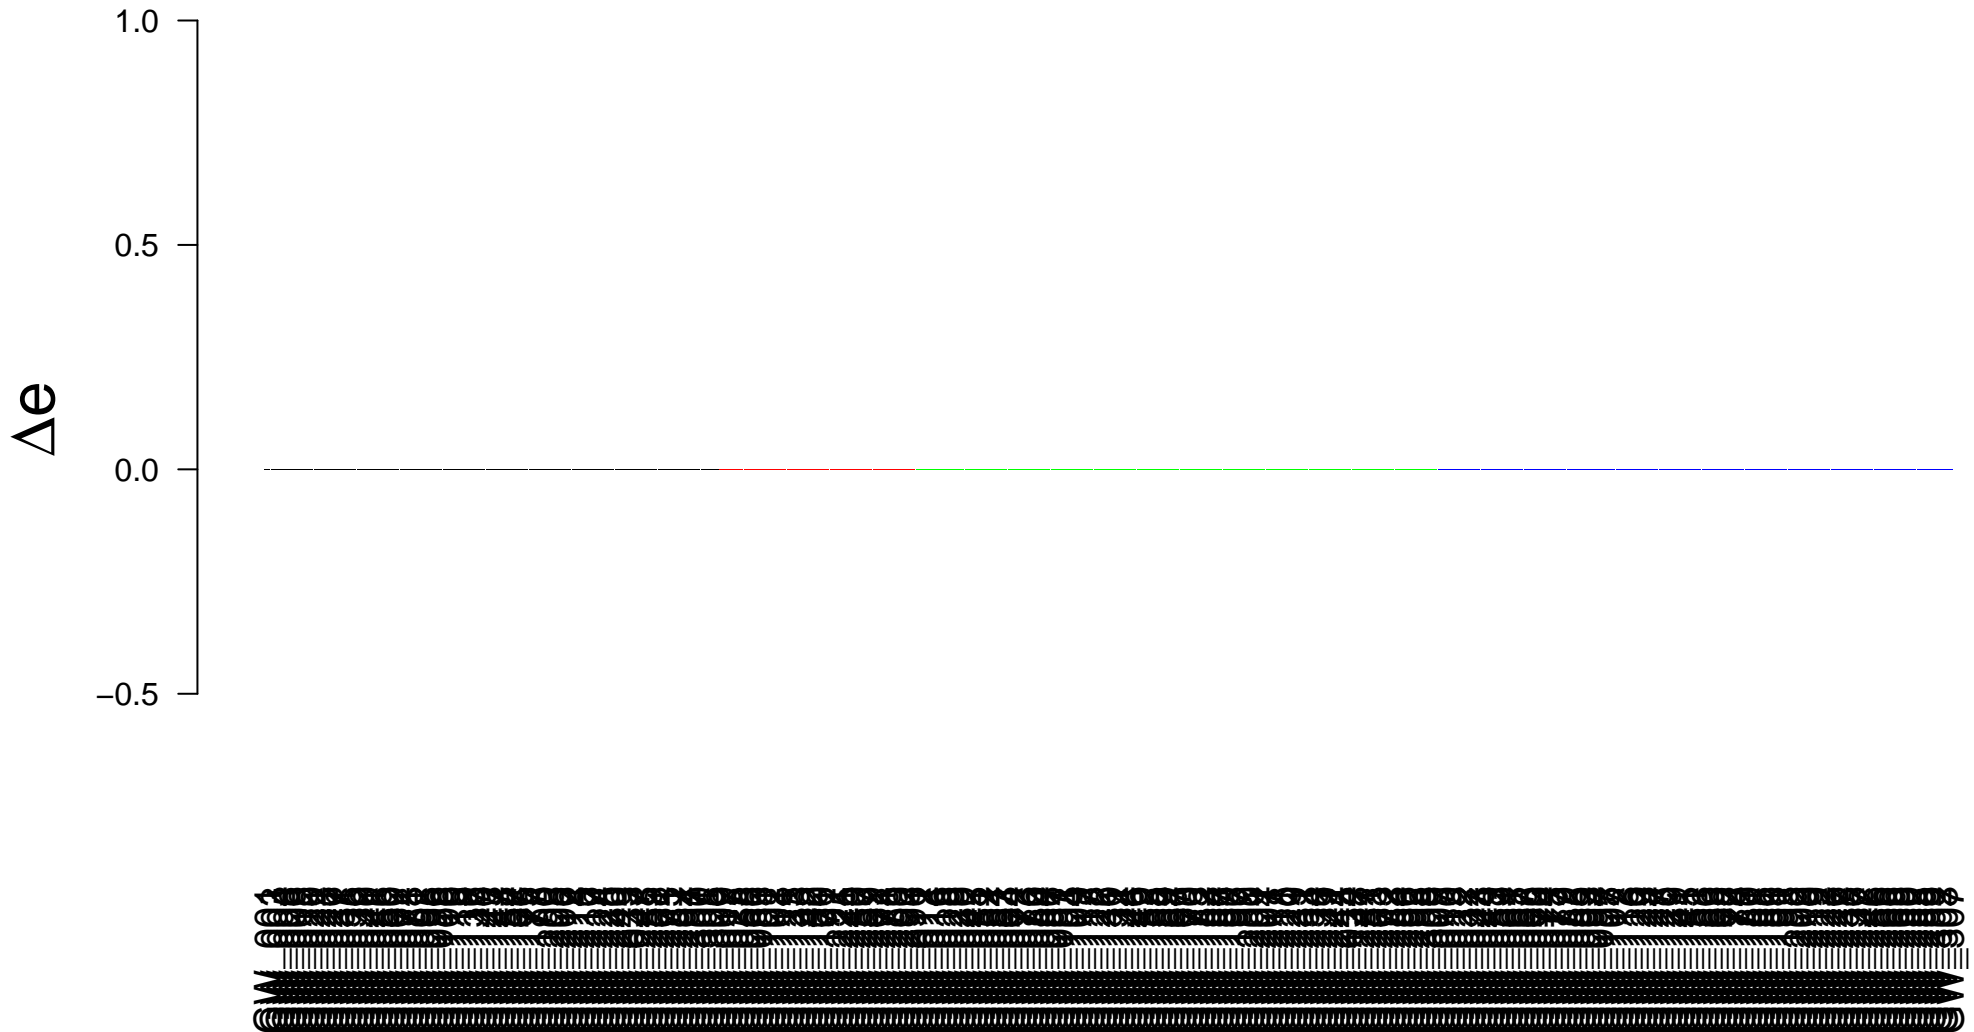

Expression of endoplasmic reticulum-Golgi intermediate compartment membrane in Spot I

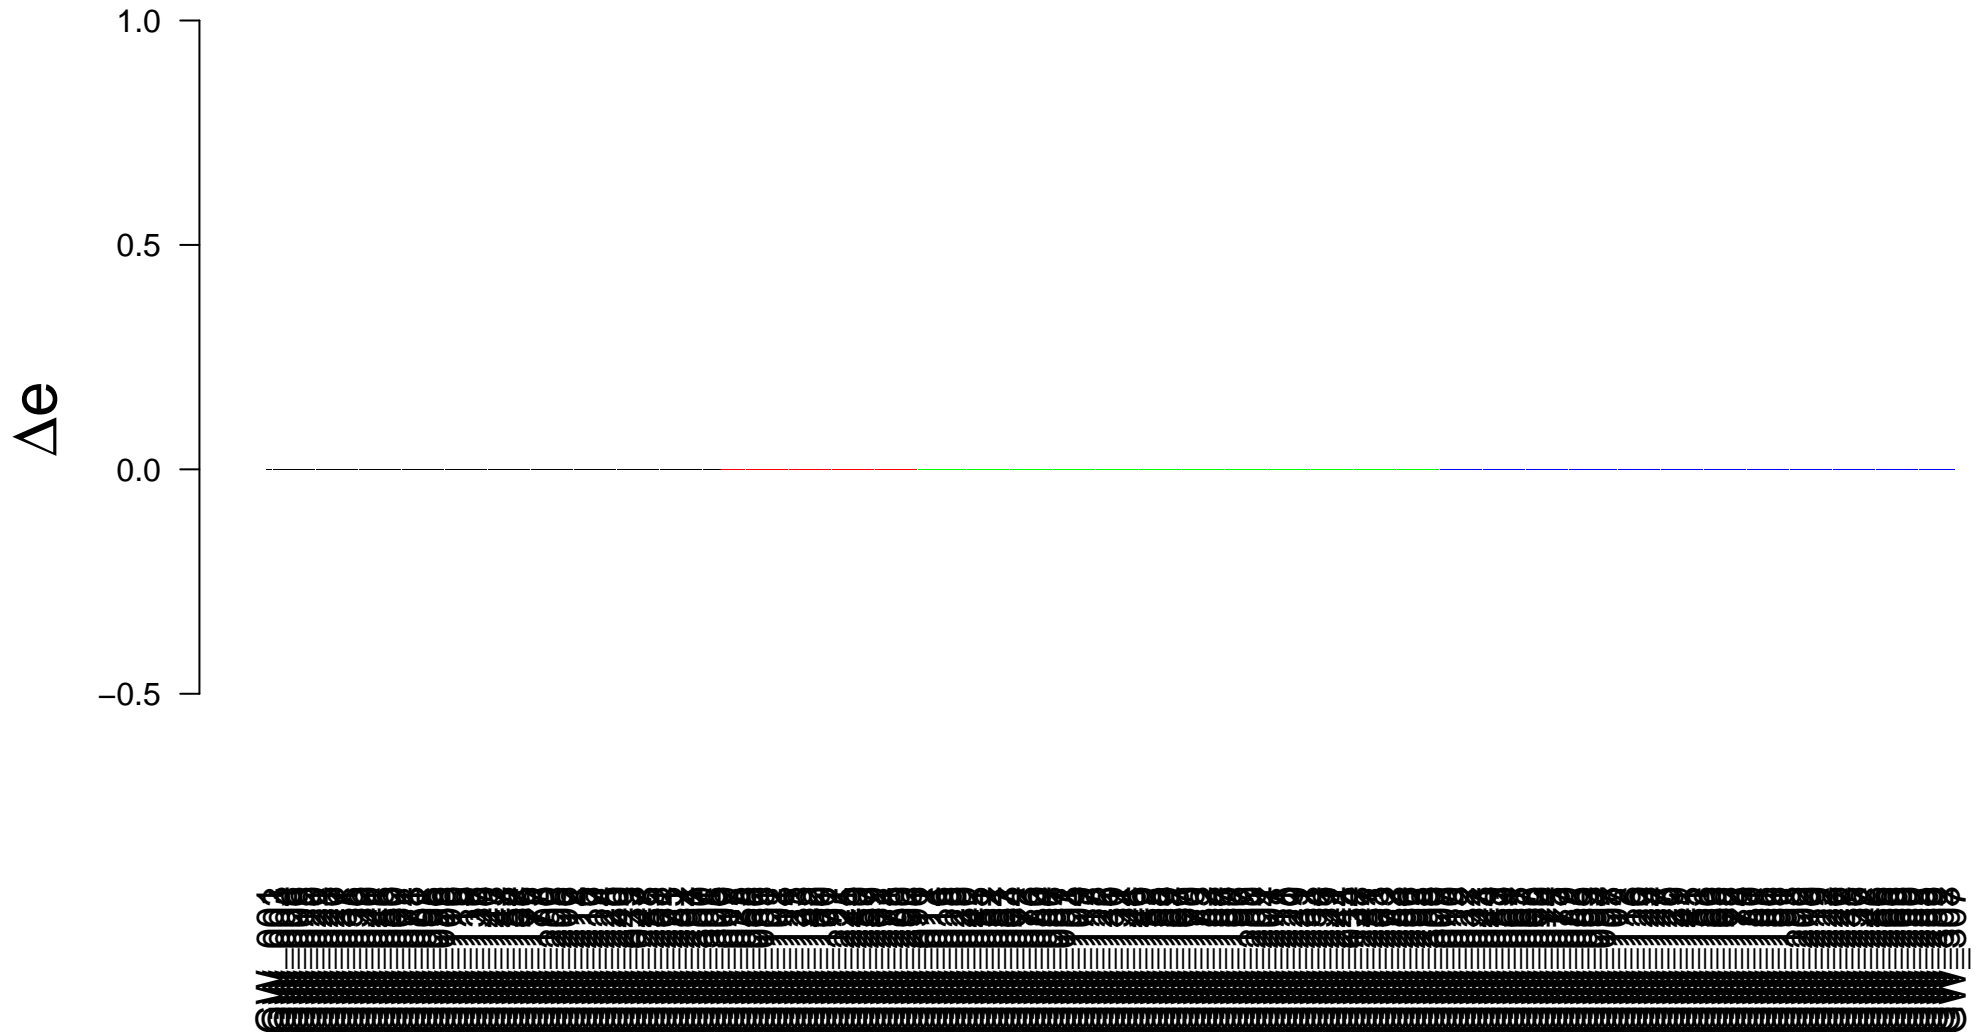

Expression of endoplasmic reticulum-Golgi intermediate compartment membrane in Spot J

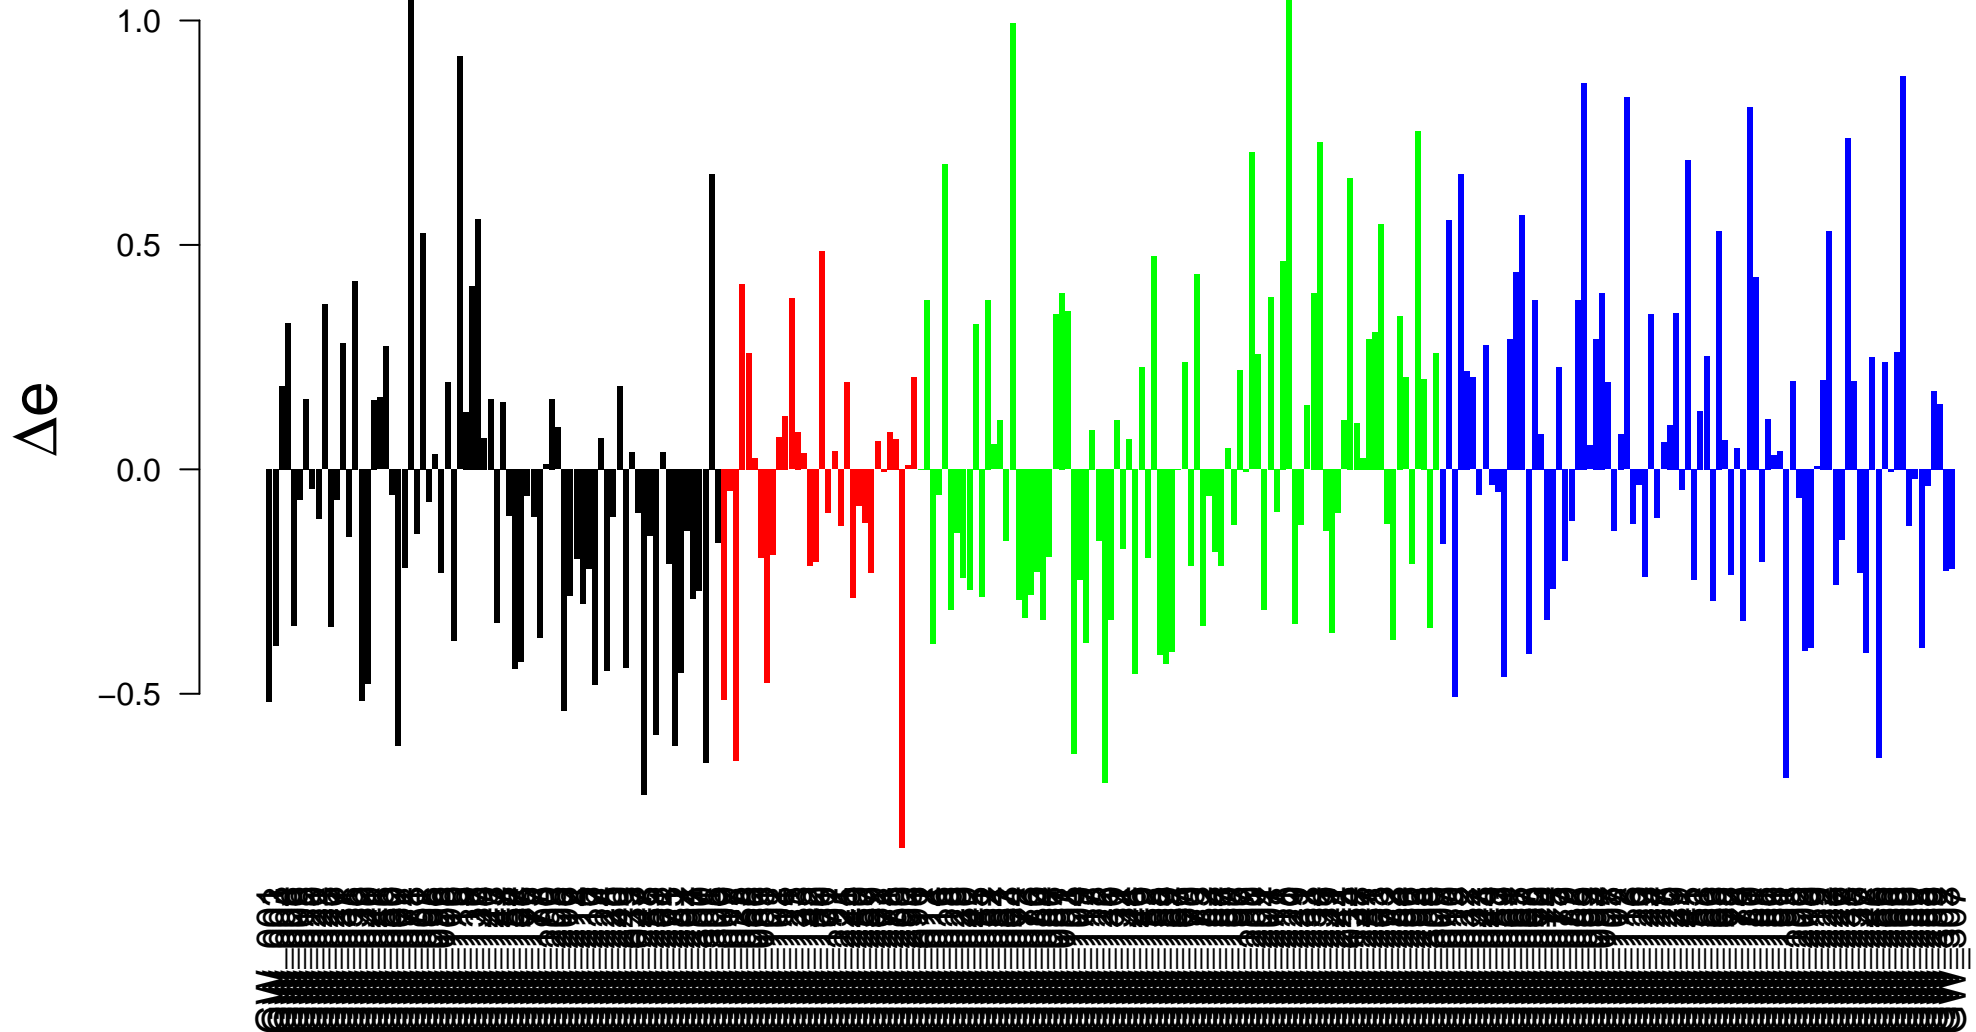

Expression of endoplasmic reticulum–Golgi intermediate compartment membrane in Spot K

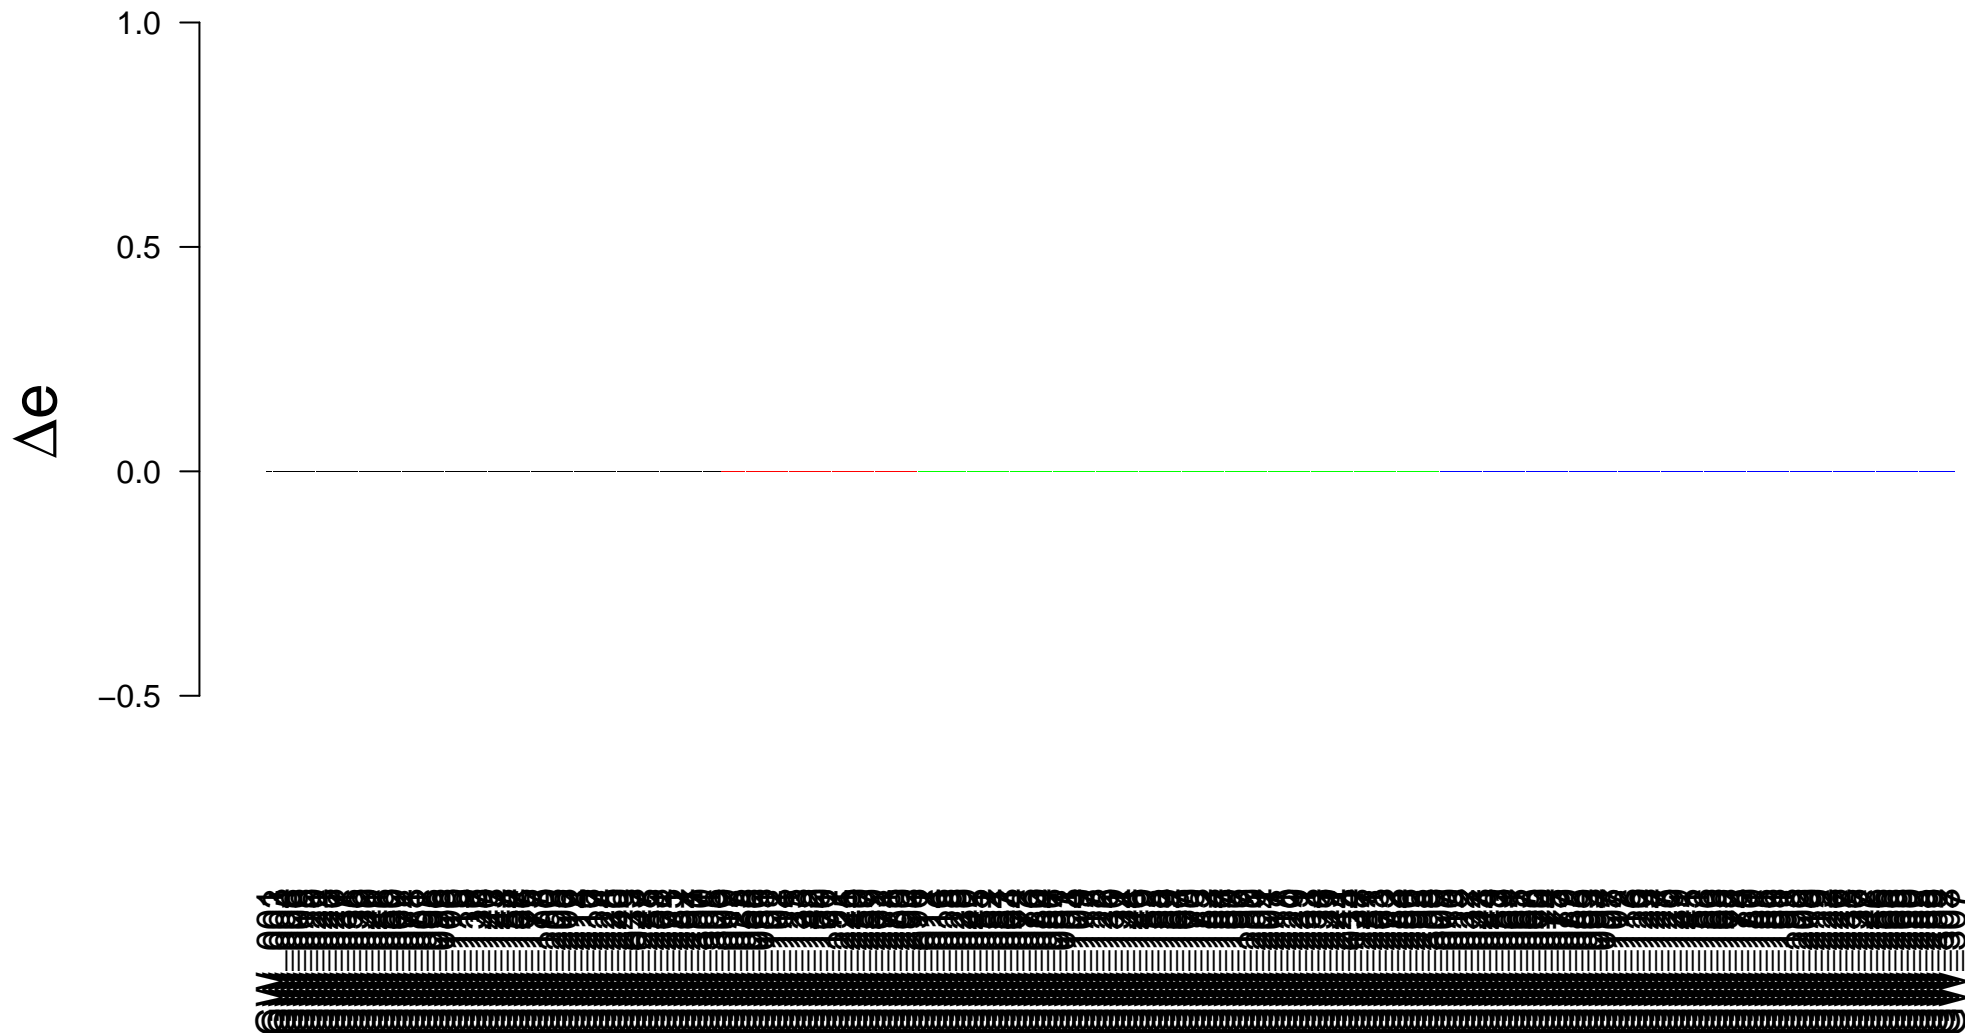

Expression of endoplasmic reticulum–Golgi intermediate compartment membrane in Spot L

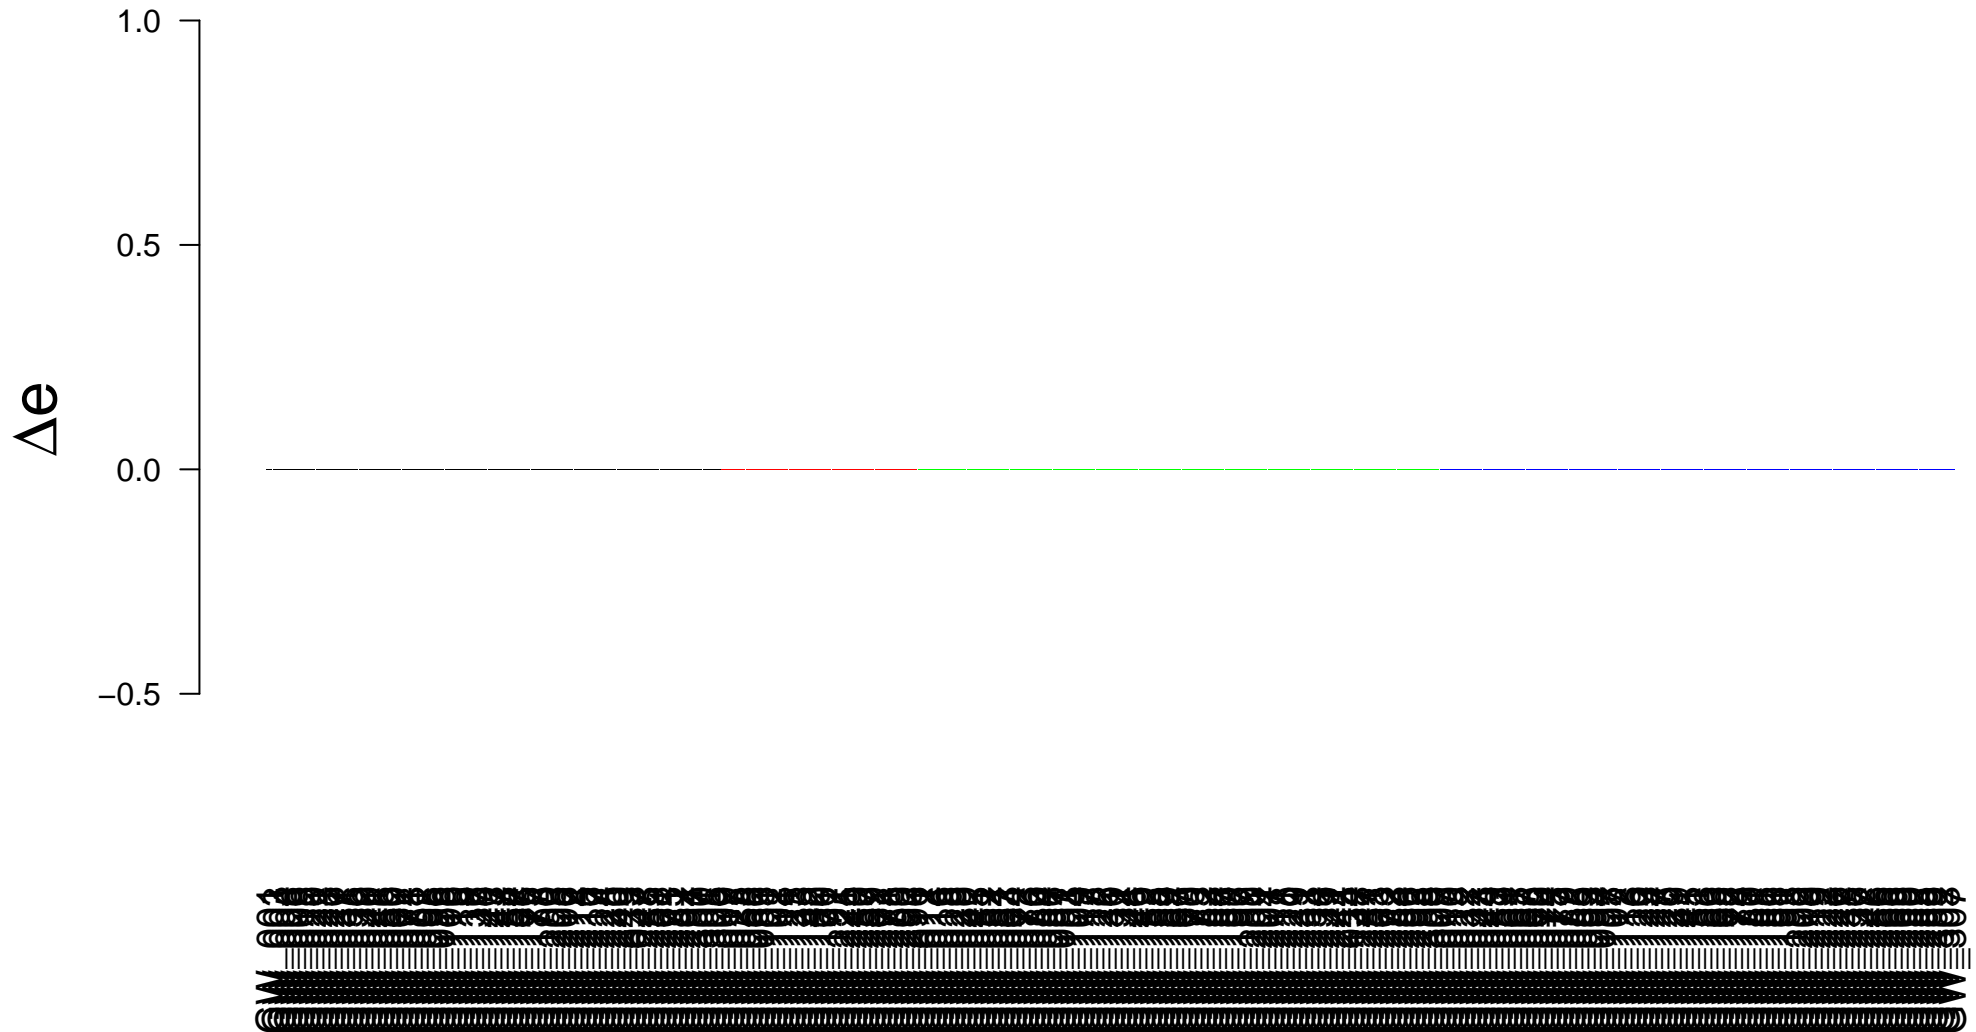

Expression of endoplasmic reticulum–Golgi intermediate compartment membrane in Spot M

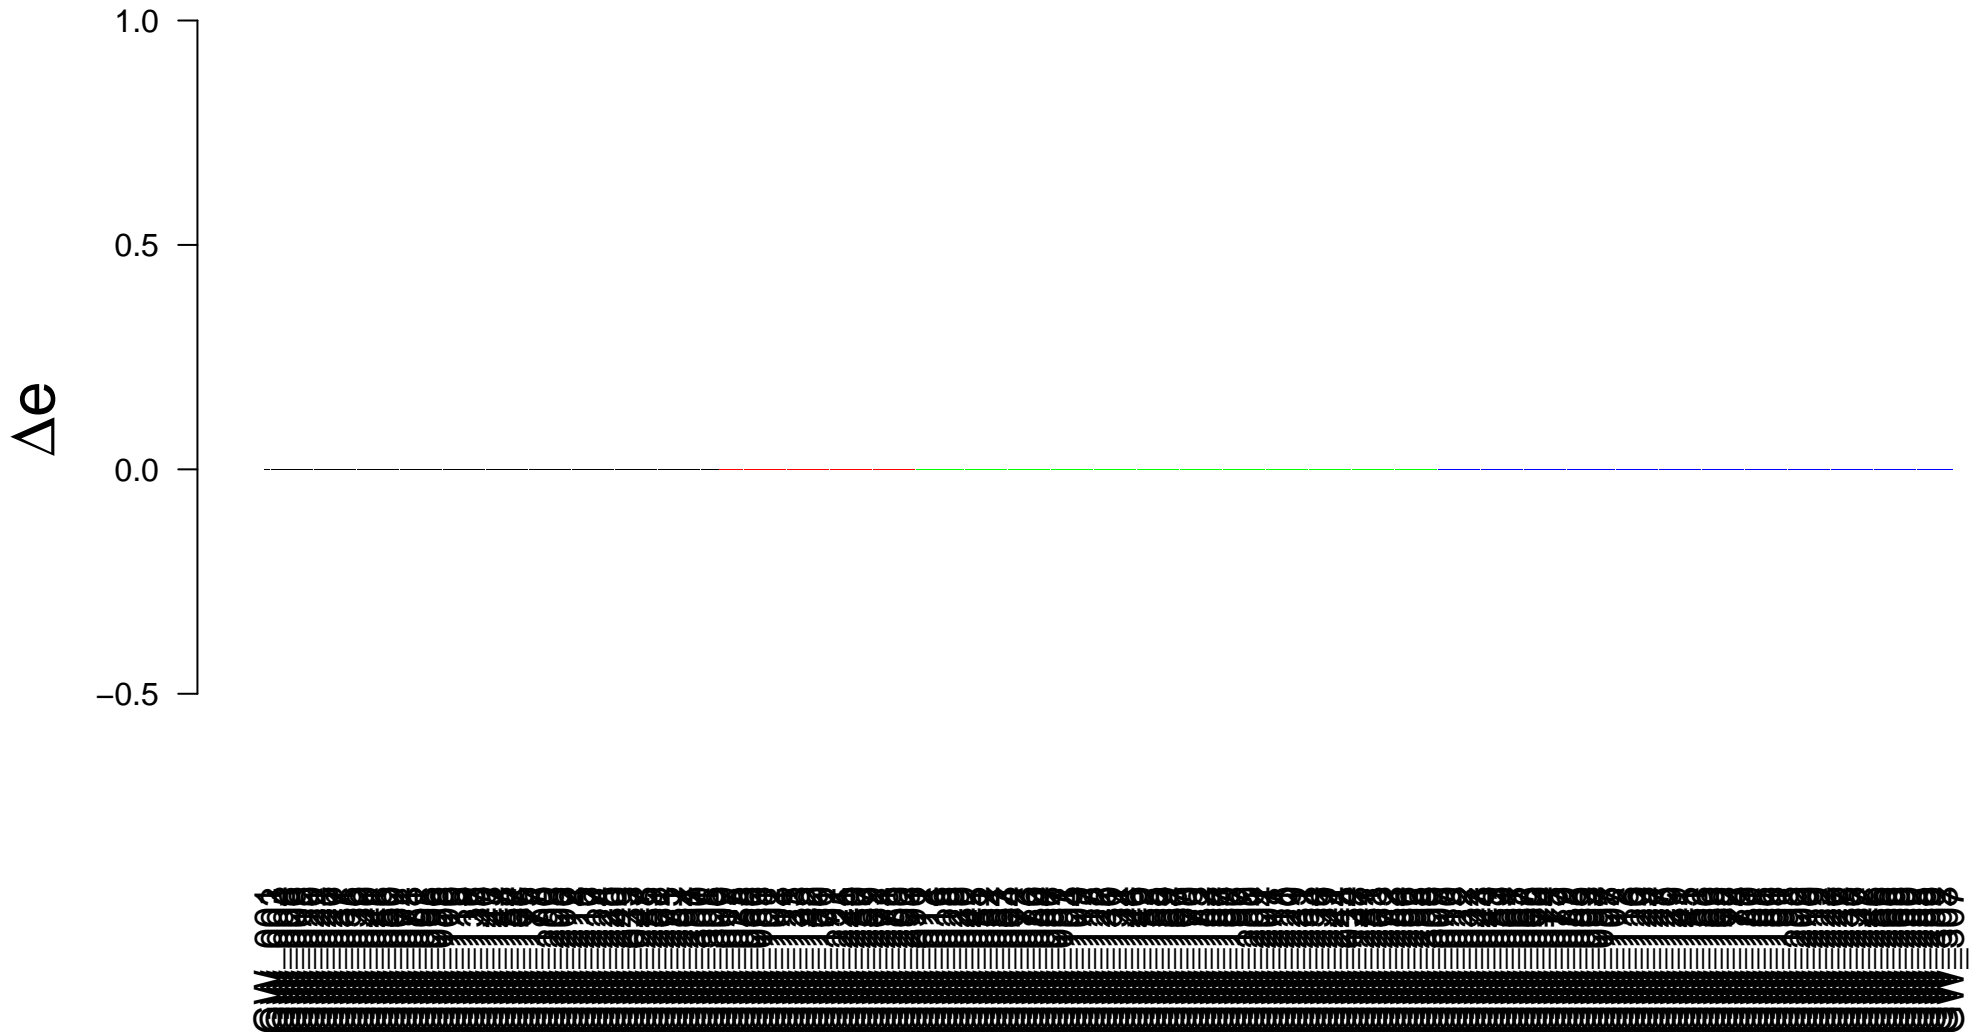

Expression of endoplasmic reticulum–Golgi intermediate compartment membrane in Spot N

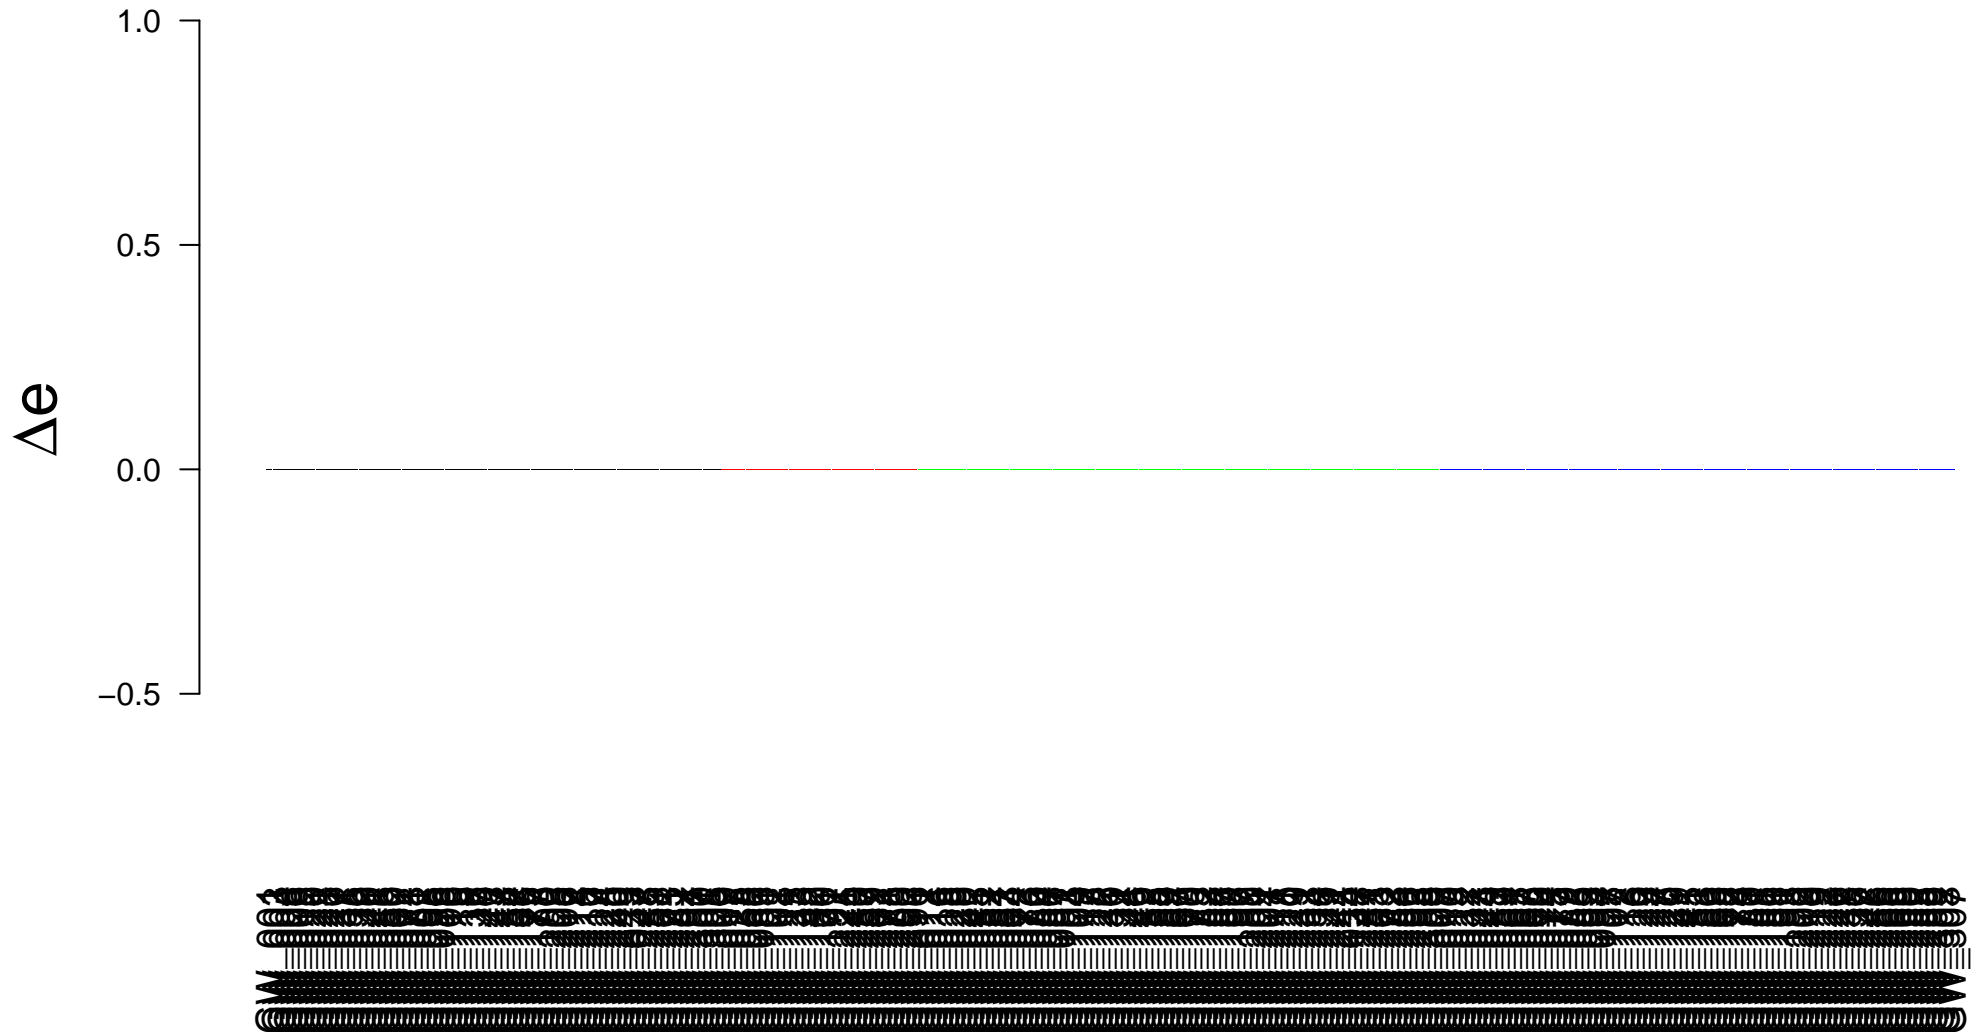

Expression of endoplasmic reticulum–Golgi intermediate compartment membrane in Spot O

Expression of endoplasmic reticulum–Golgi intermediate compartment membrane in Spot P

Expression of endoplasmic reticulum–Golgi intermediate compartment membrane in Spot Q

Expression of endoplasmic reticulum–Golgi intermediate compartment membrane in Spot R
