

endoplasmic reticulum organization

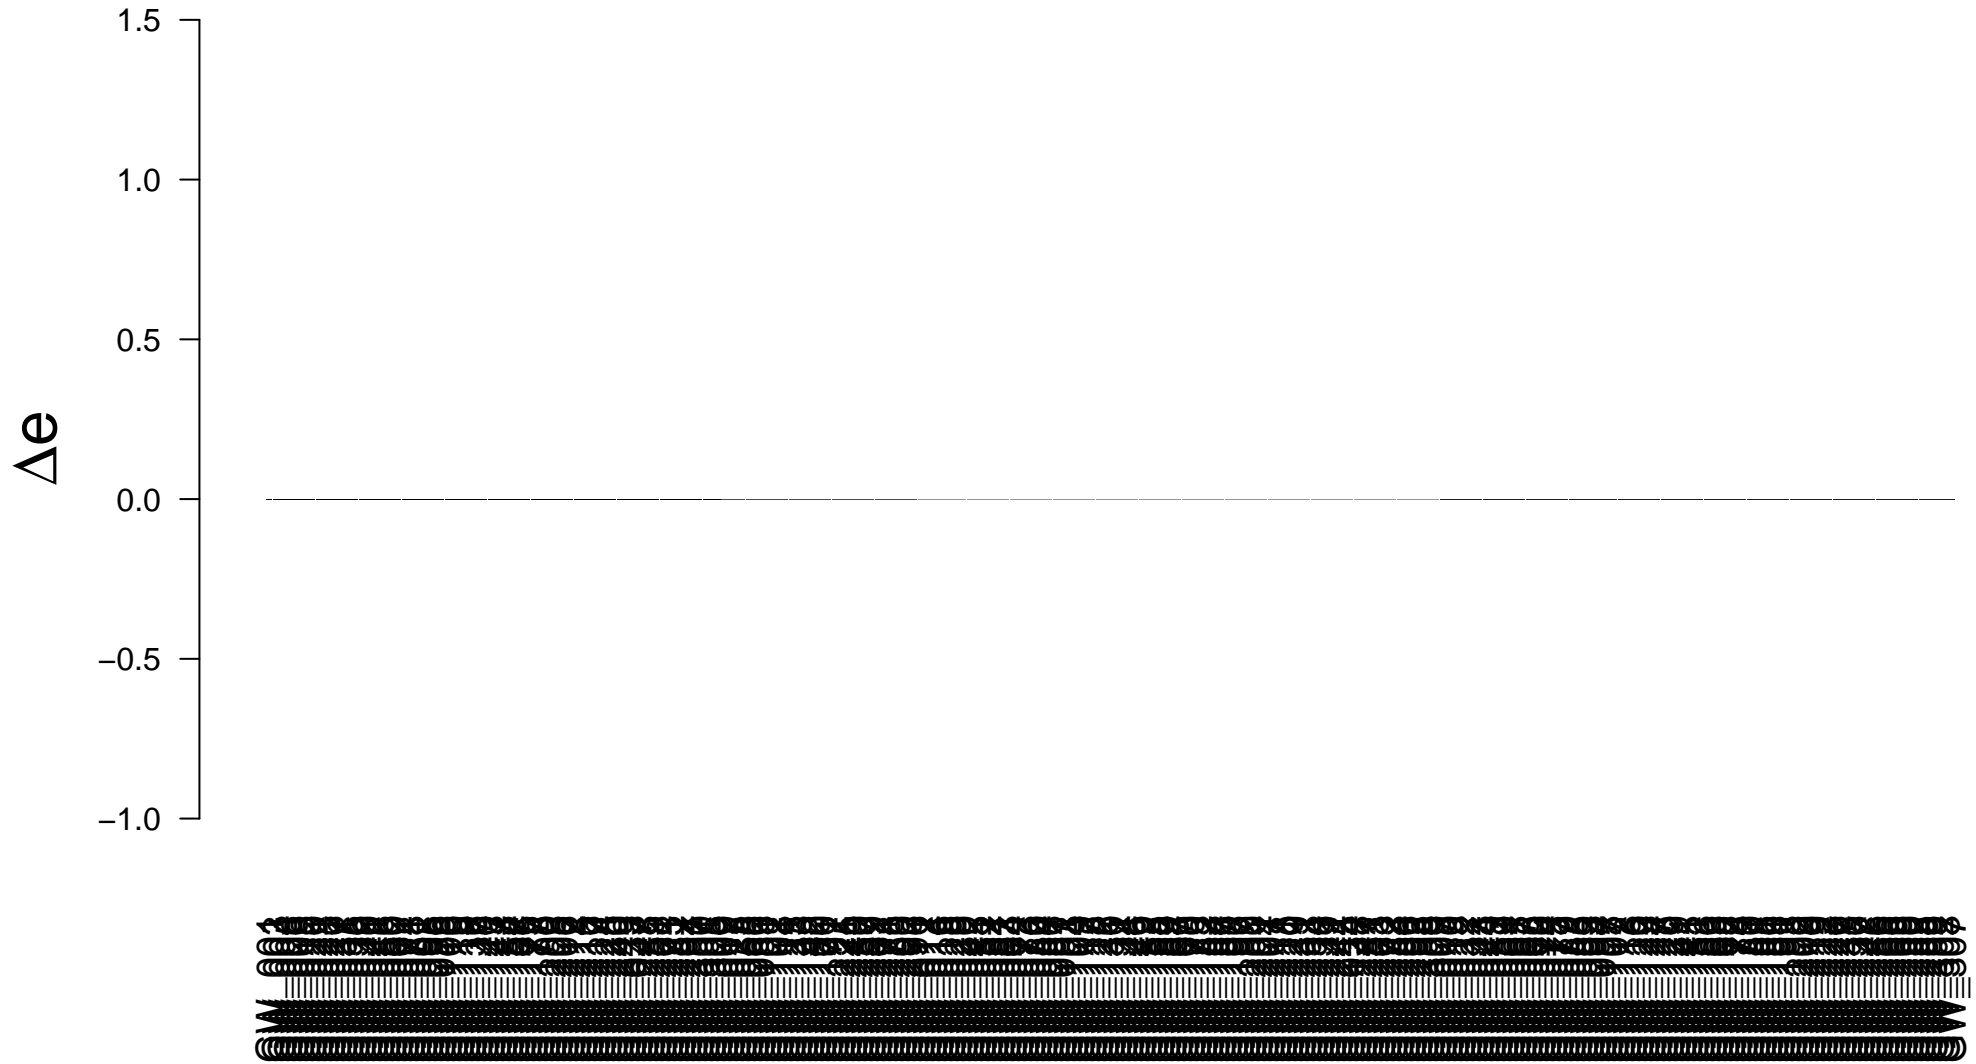

endoplasmic reticulum organization

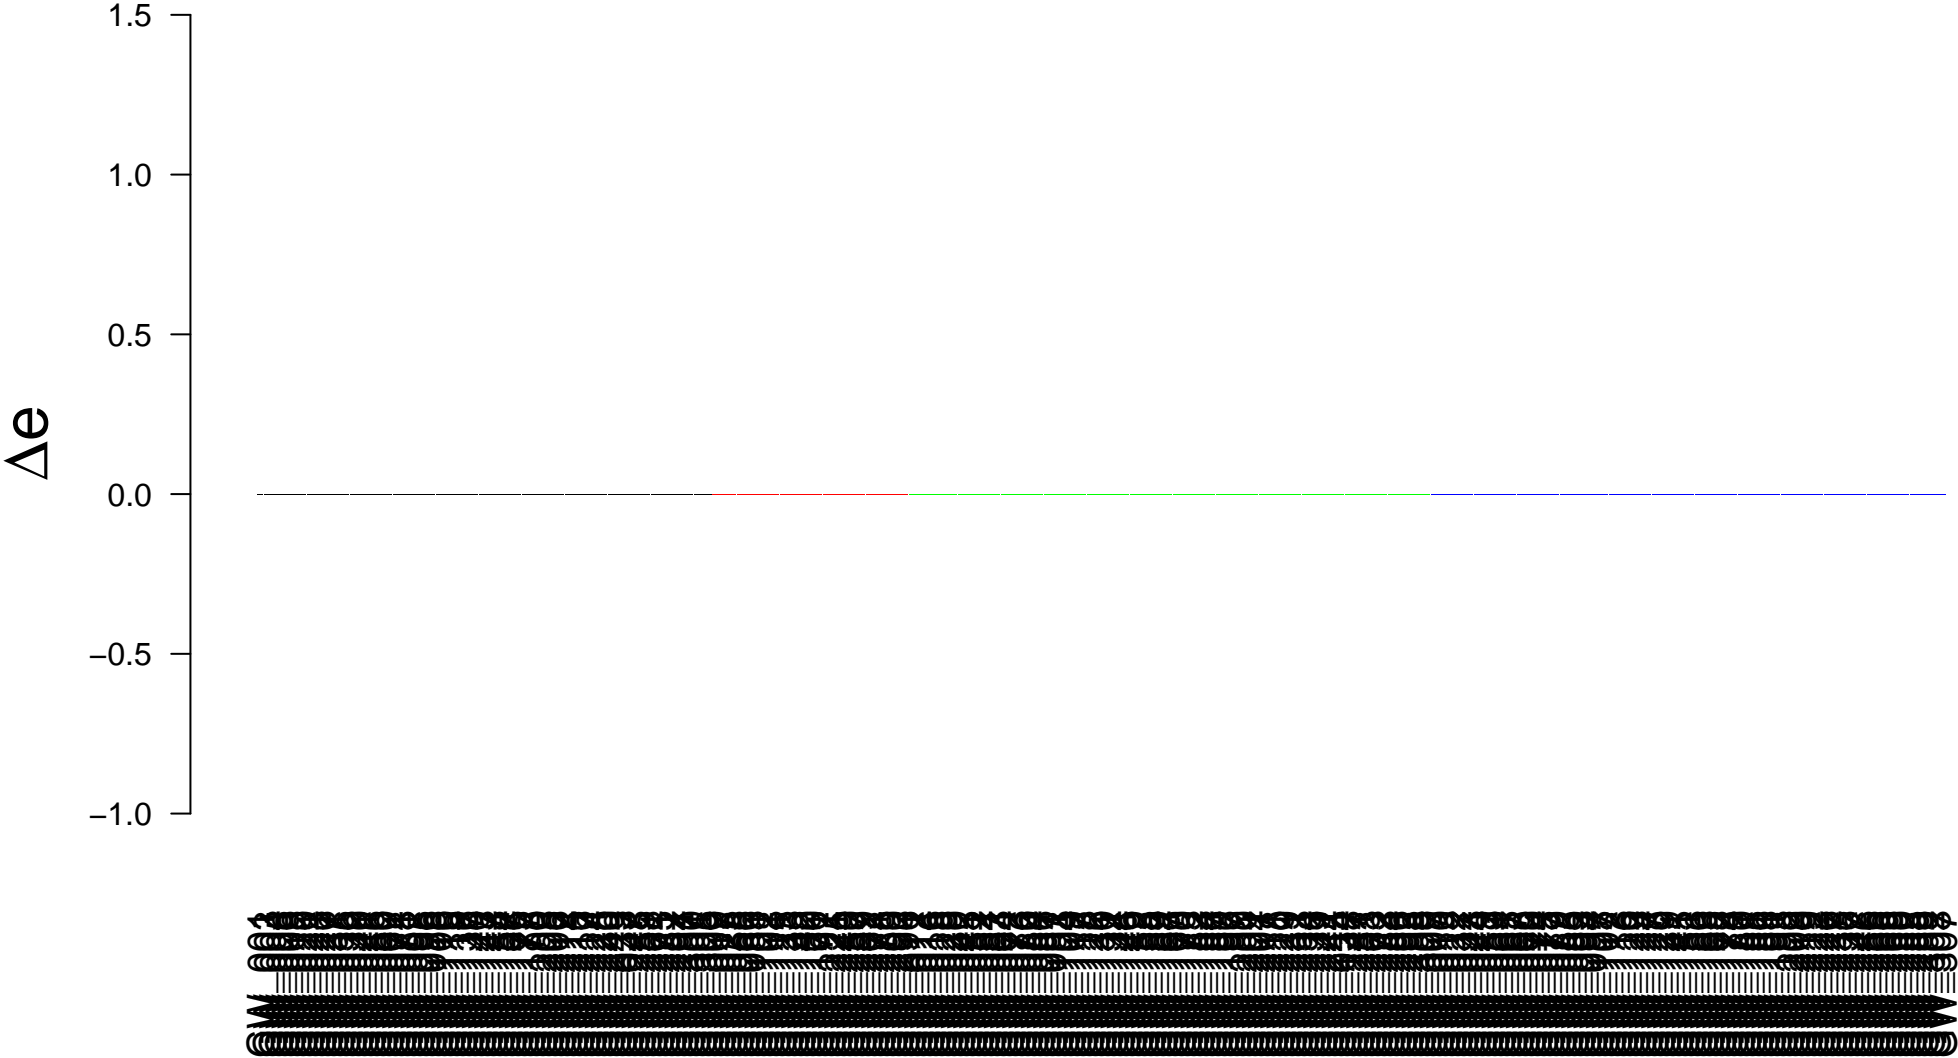

Enrichment in spots: endoplasmic reticulum organization

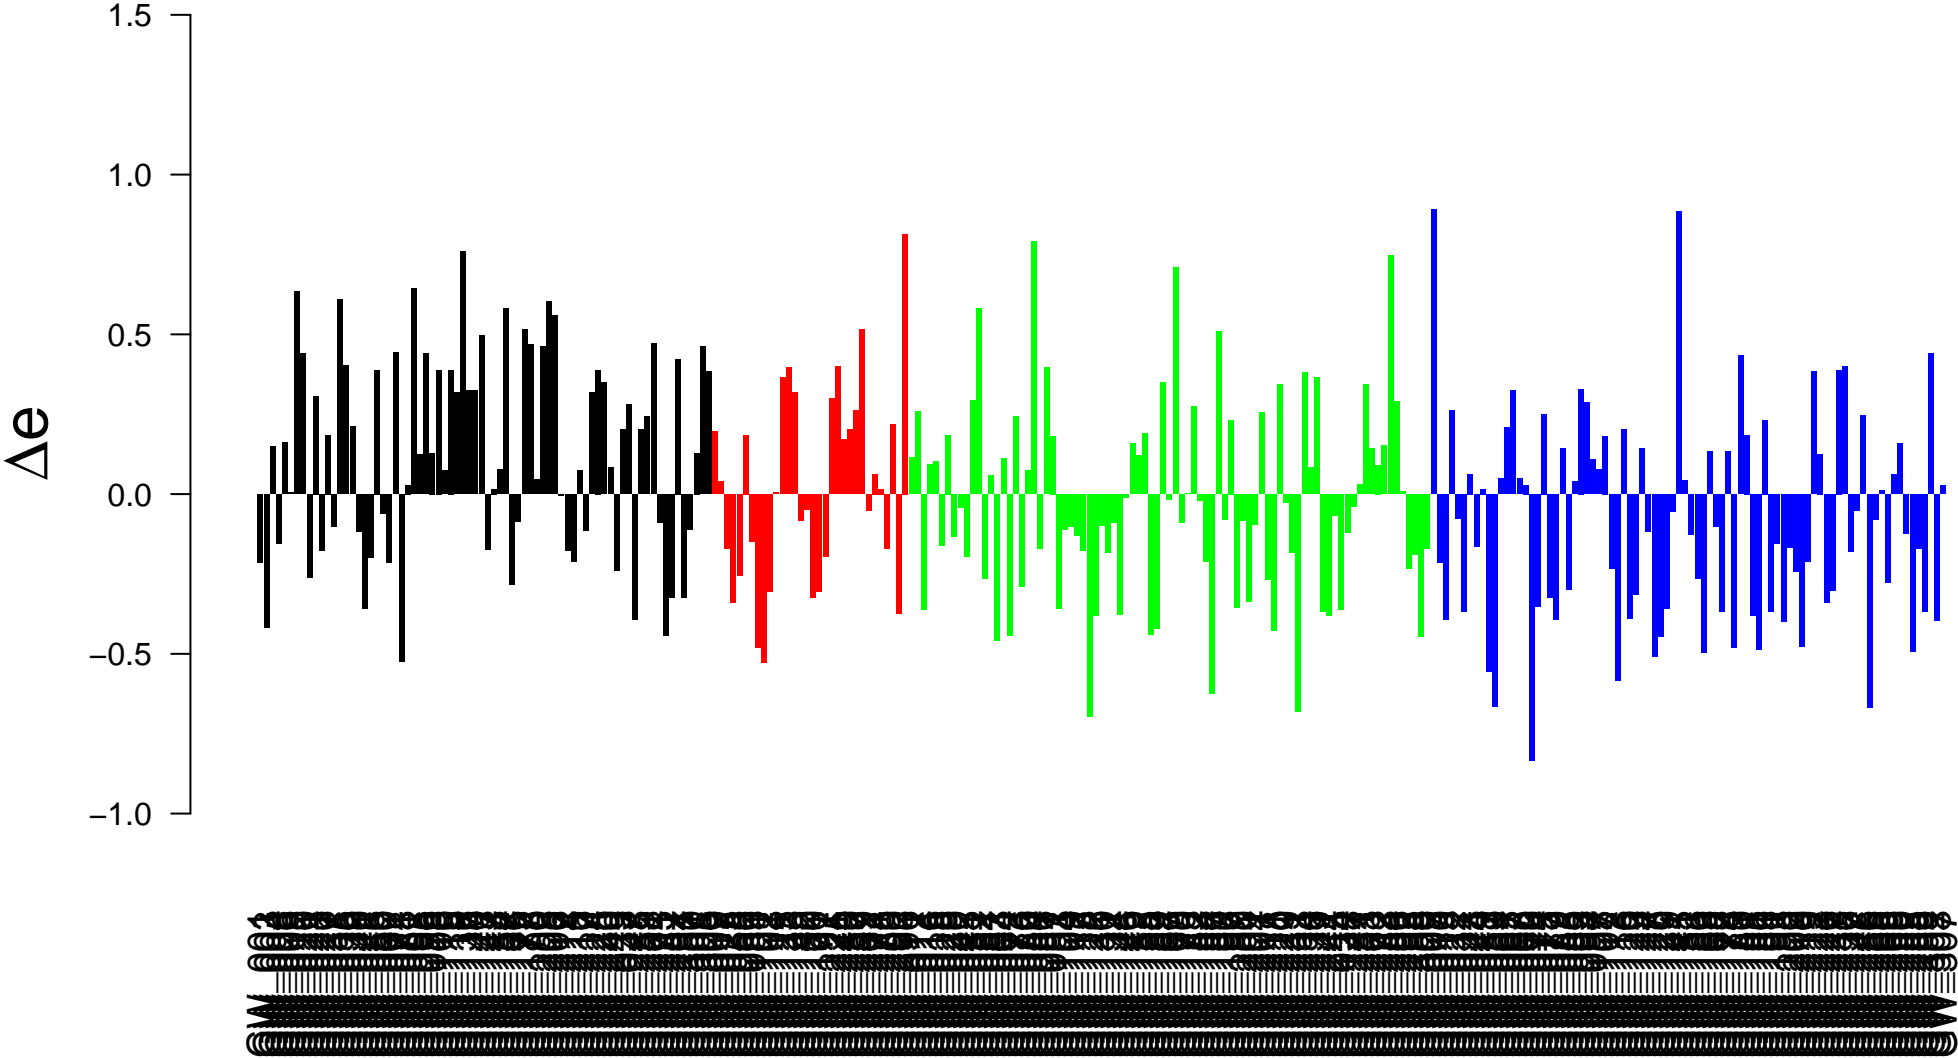

Expression of endoplasmic reticulum organization in Spot A

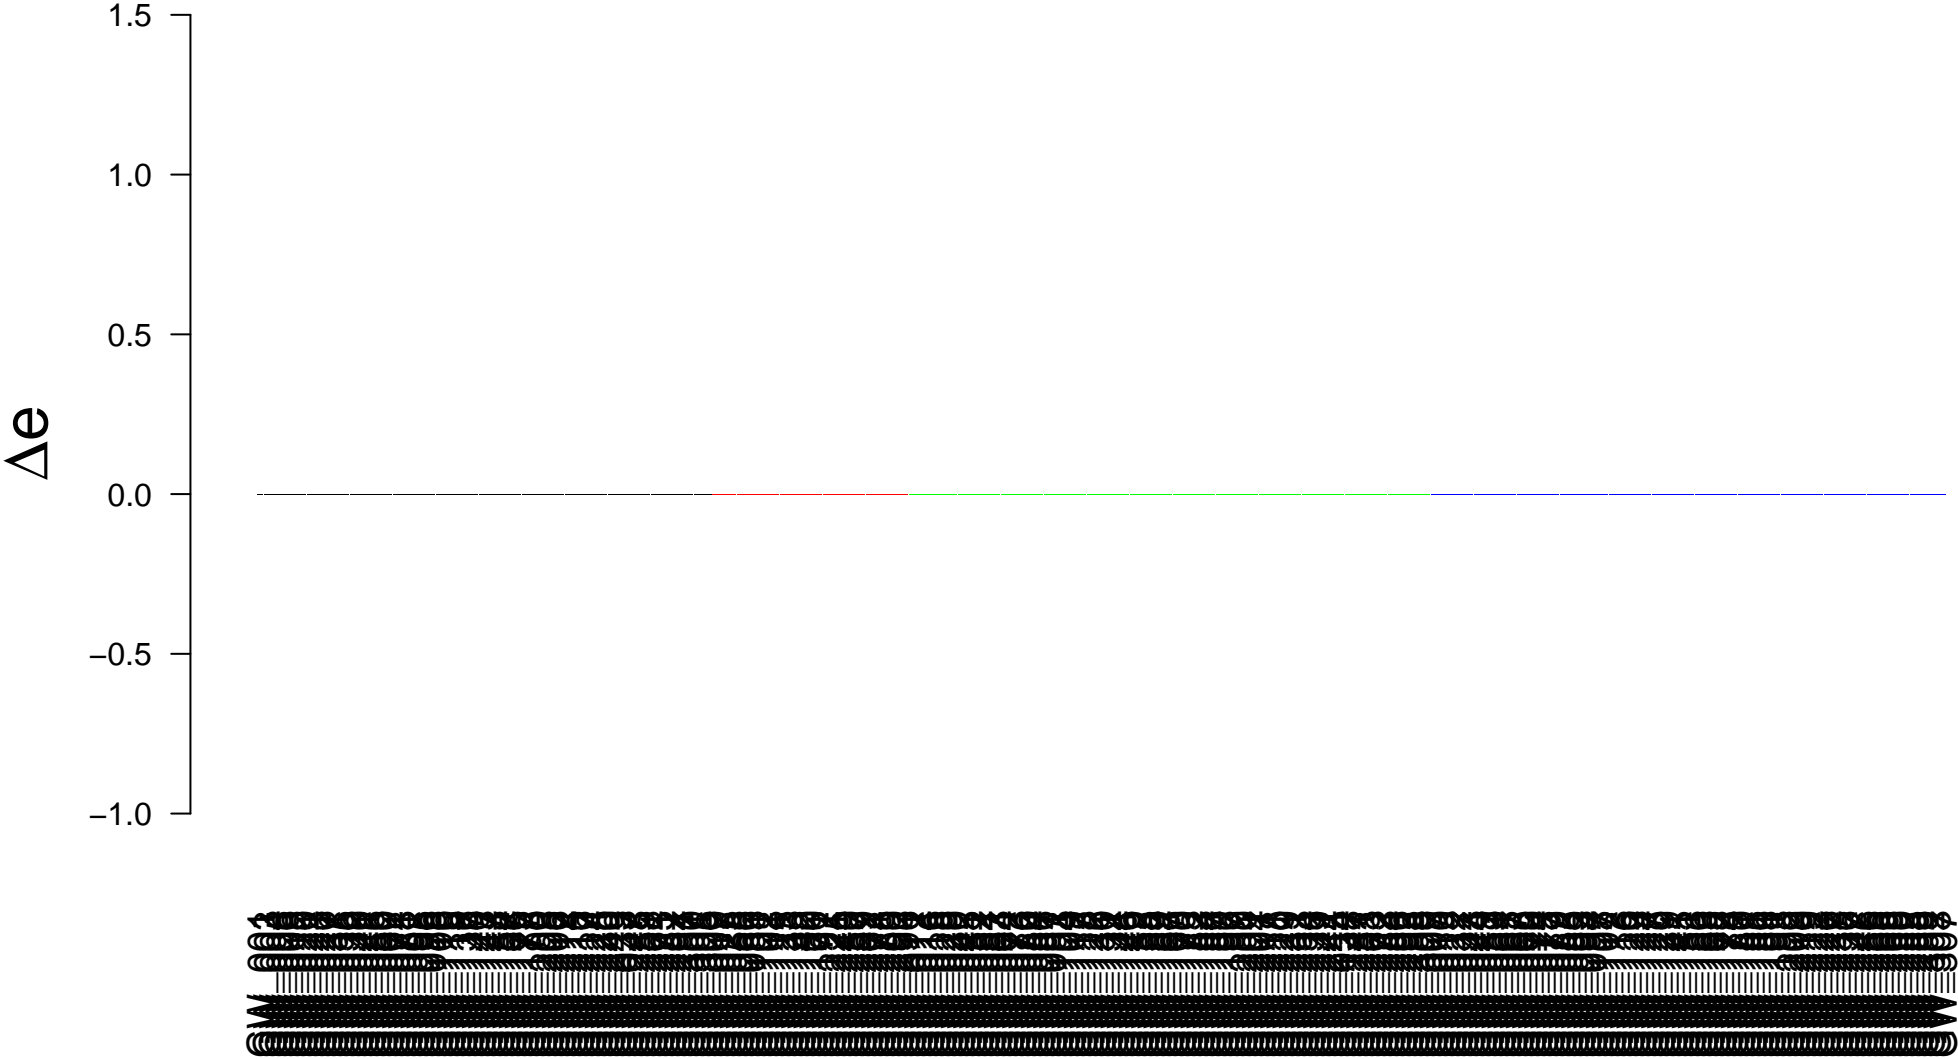

Expression of endoplasmic reticulum organization in Spot B

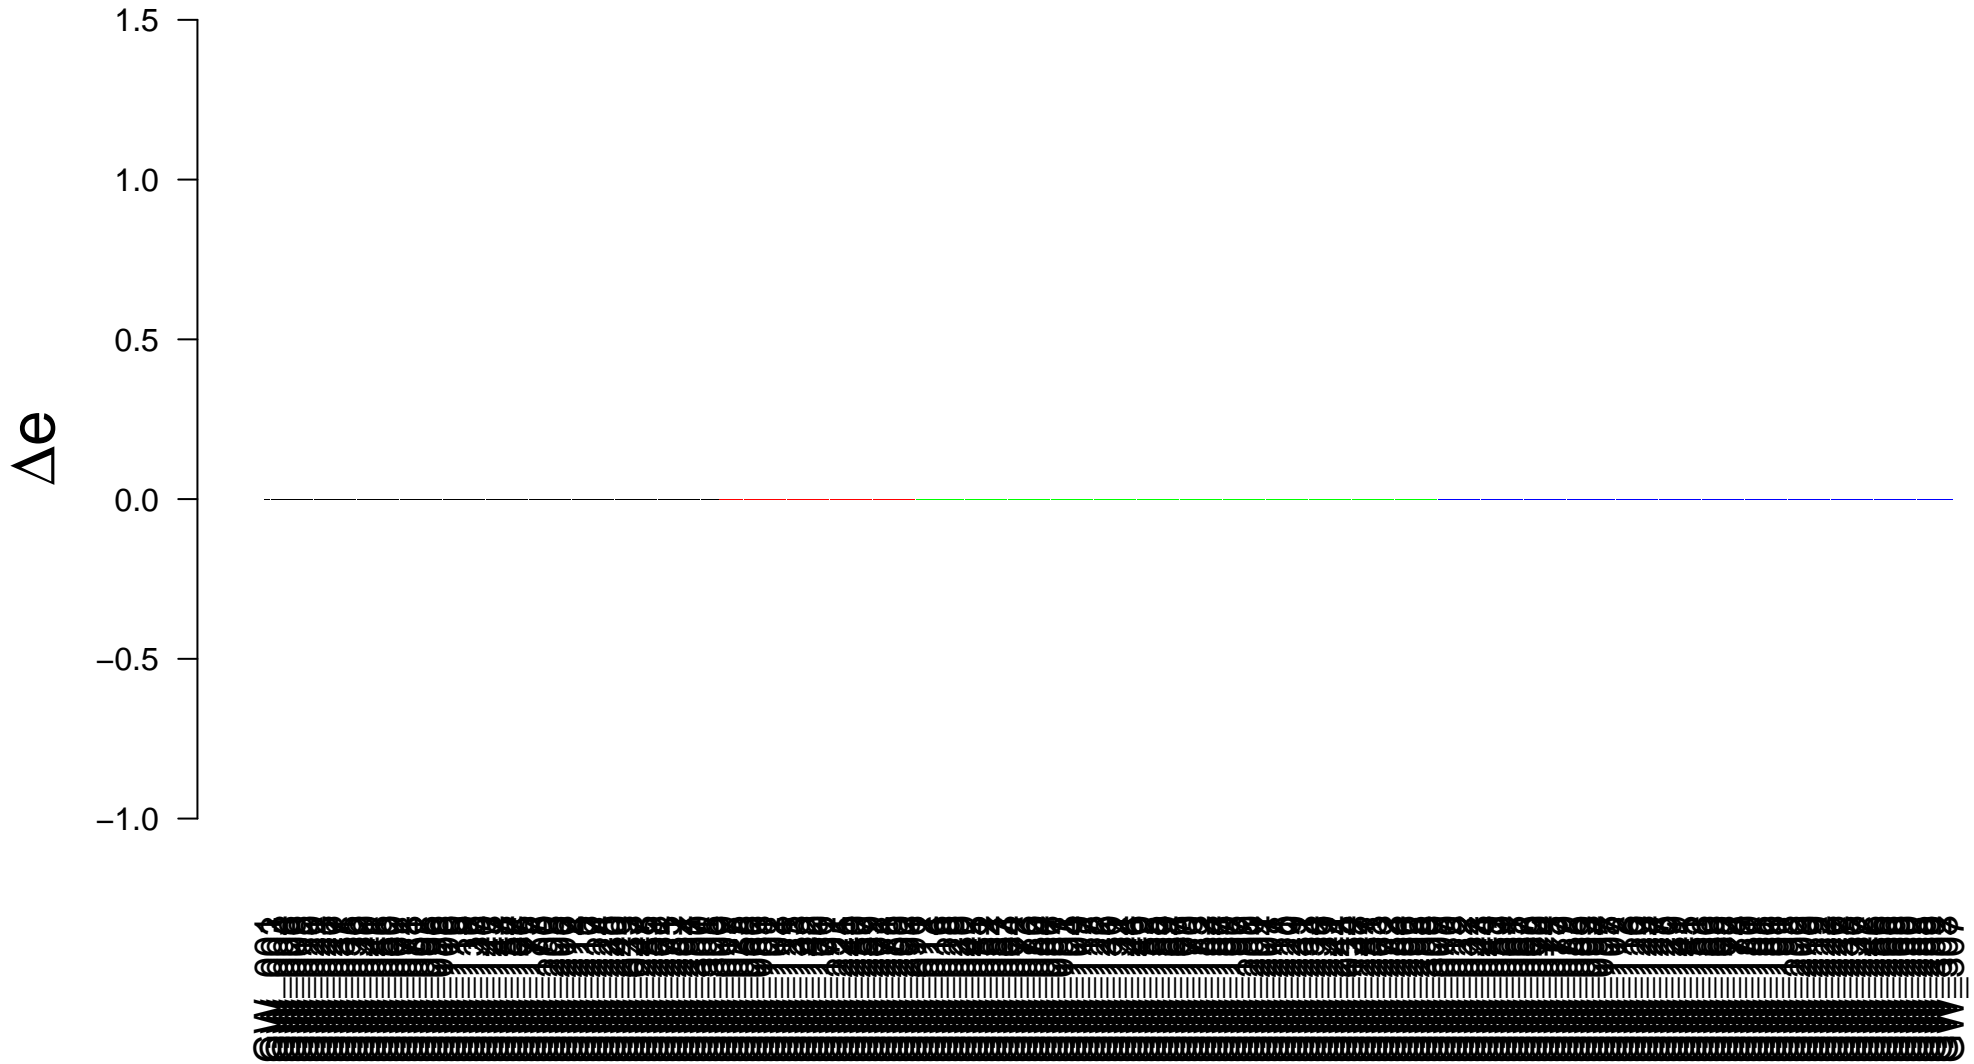

Expression of endoplasmic reticulum organization in Spot C

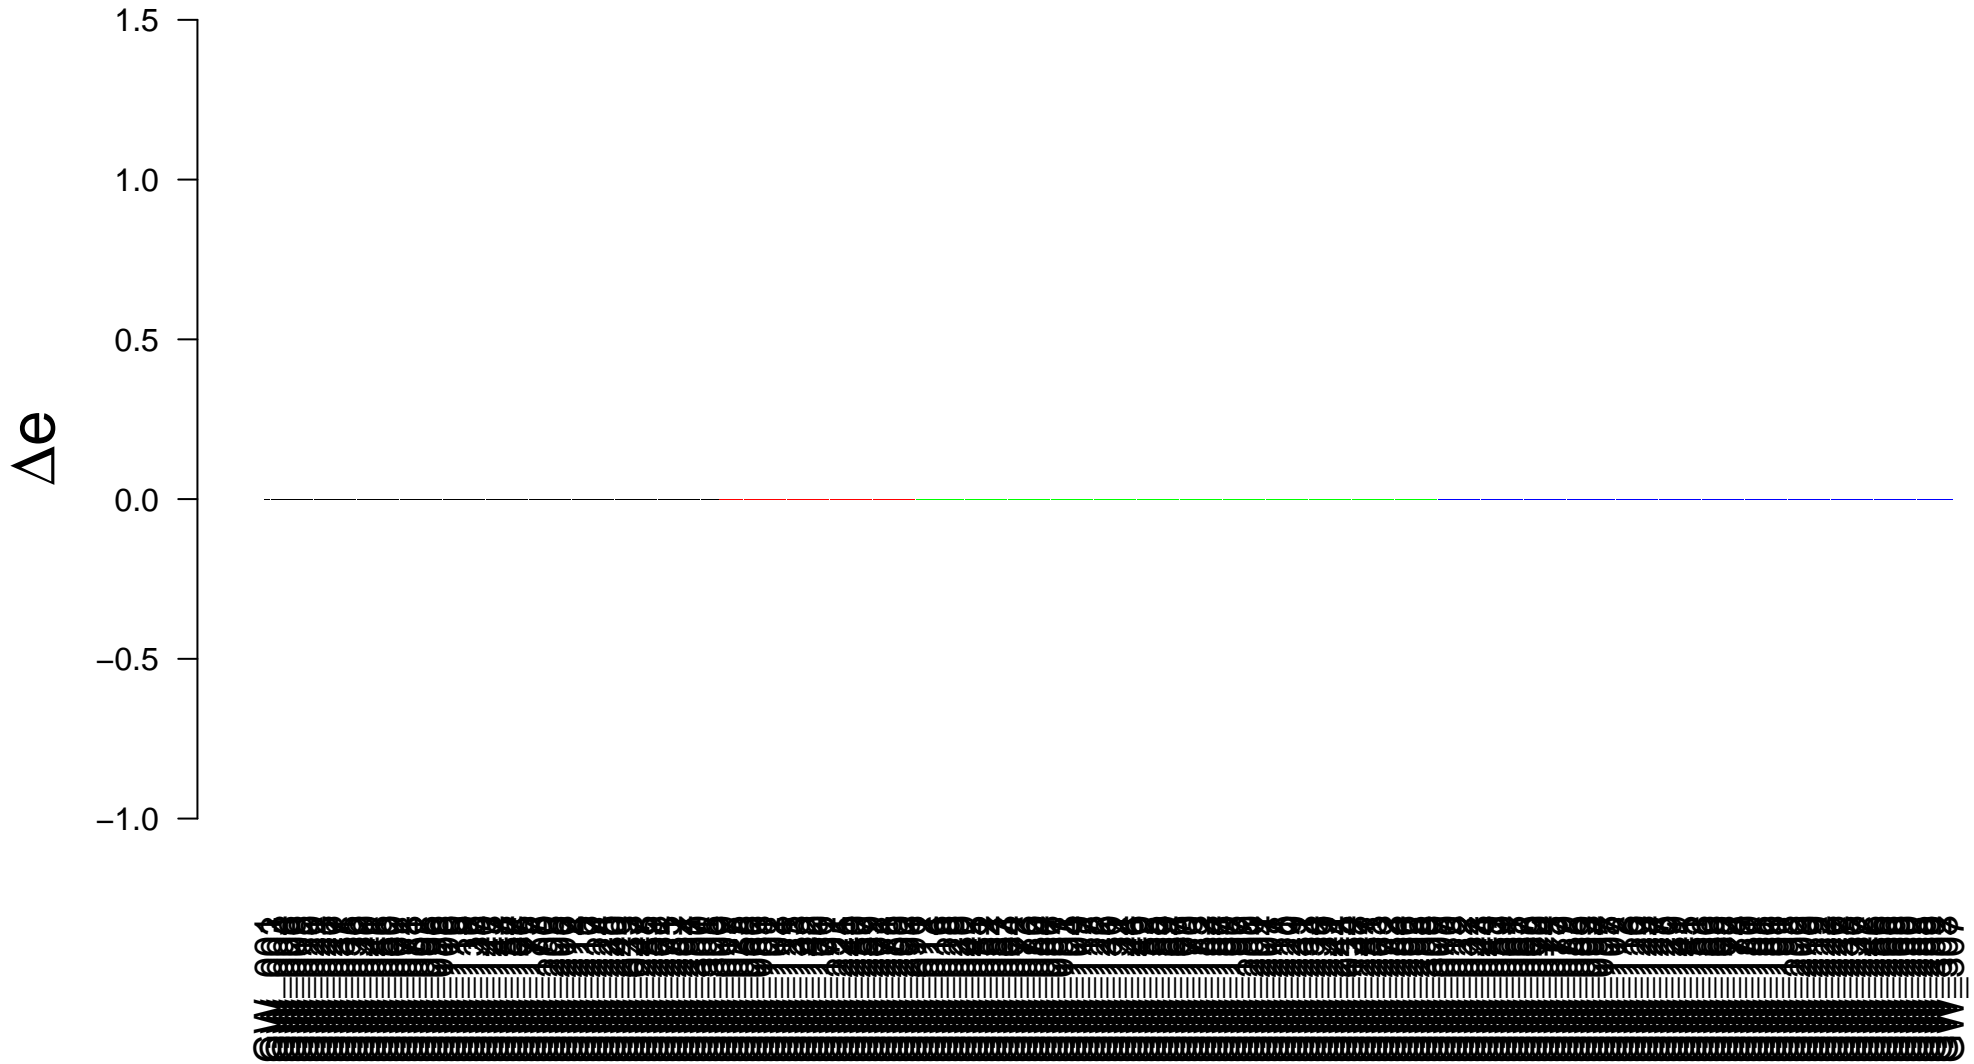

Expression of endoplasmic reticulum organization in Spot D

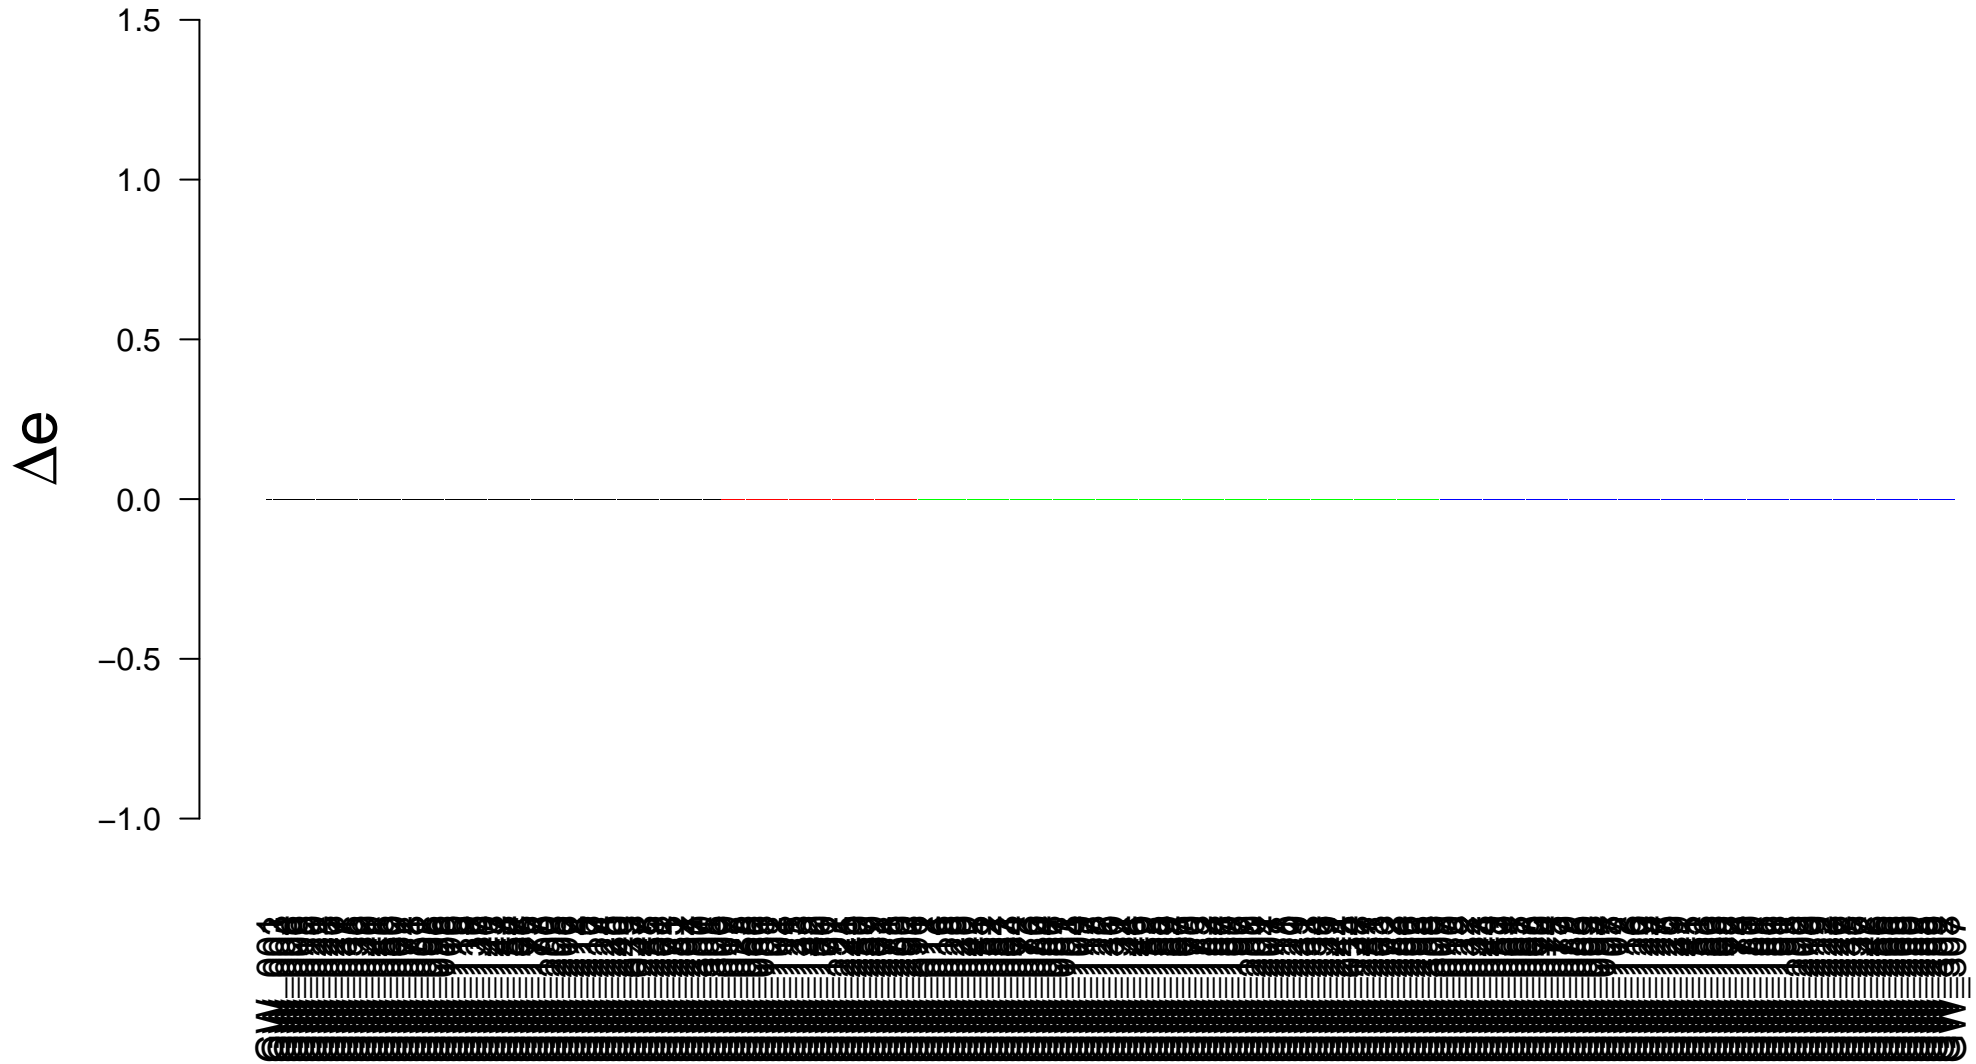

Expression of endoplasmic reticulum organization in Spot E

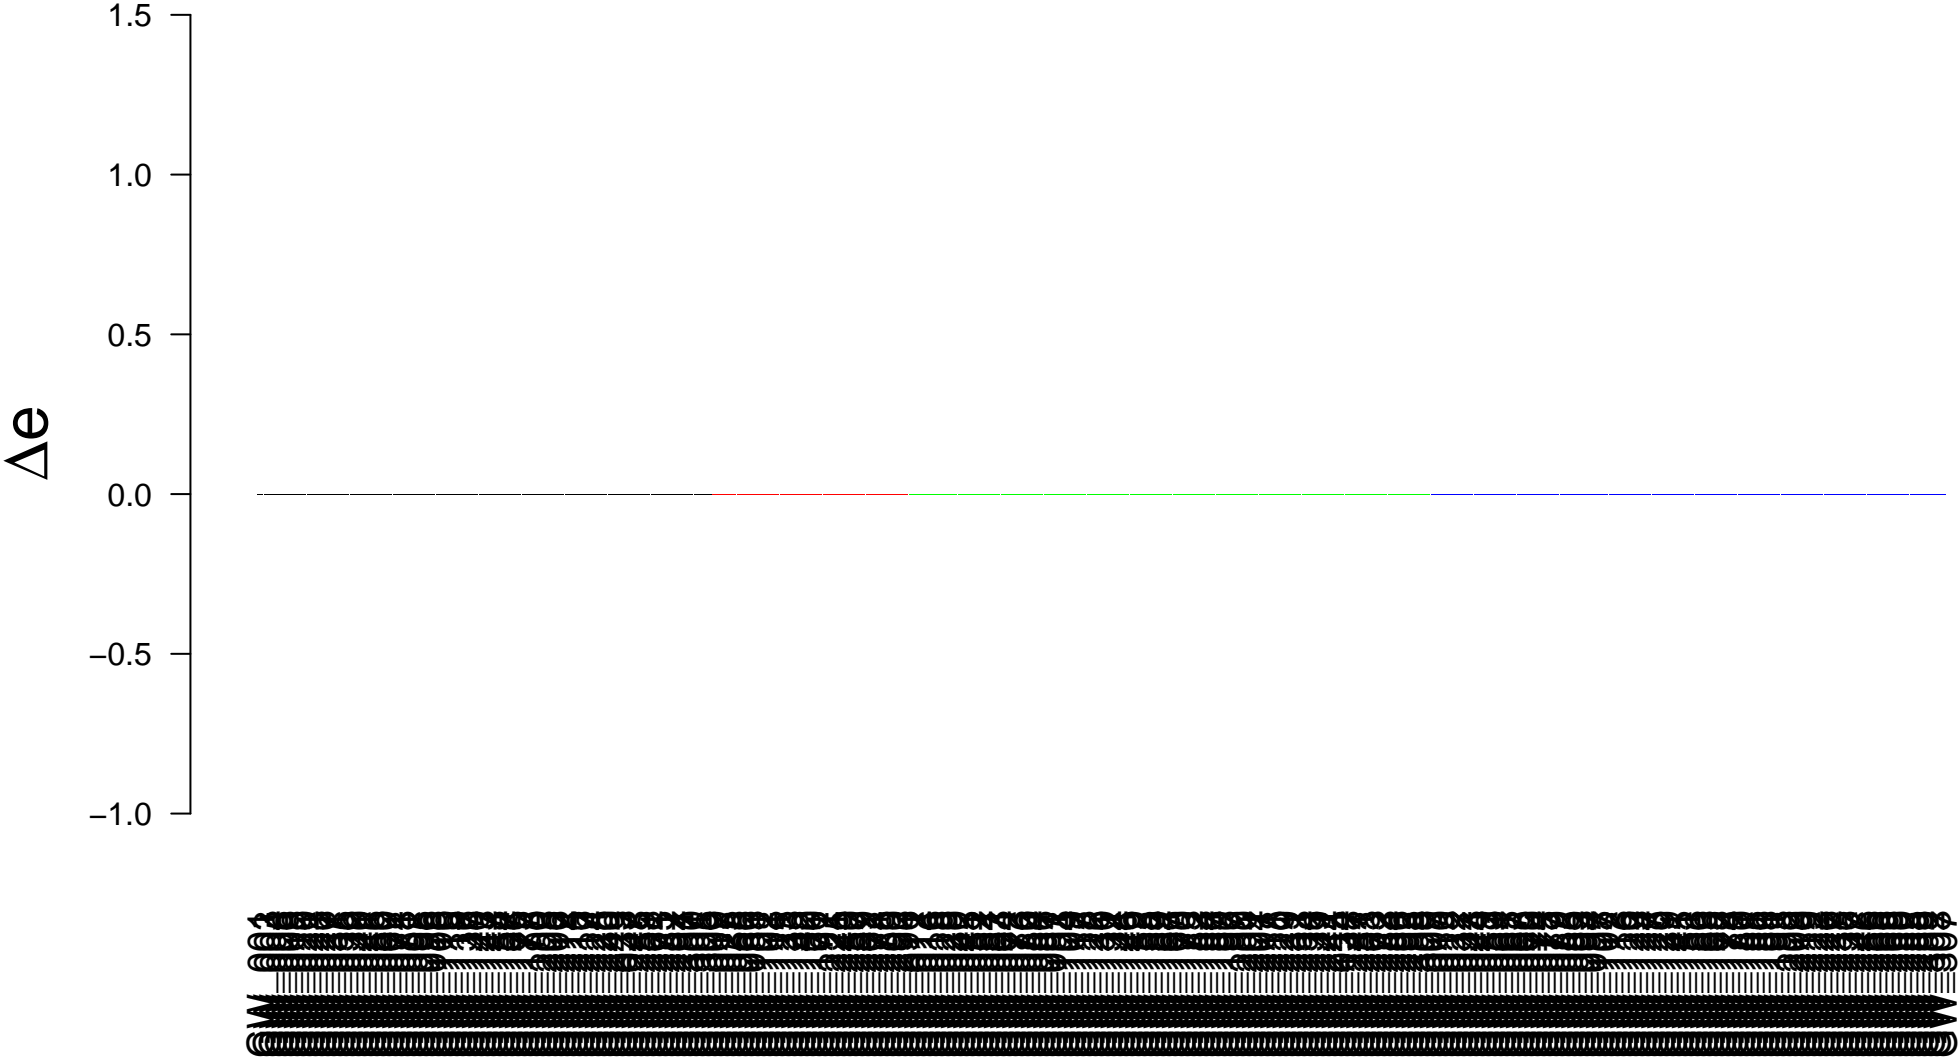

Expression of endoplasmic reticulum organization in Spot F

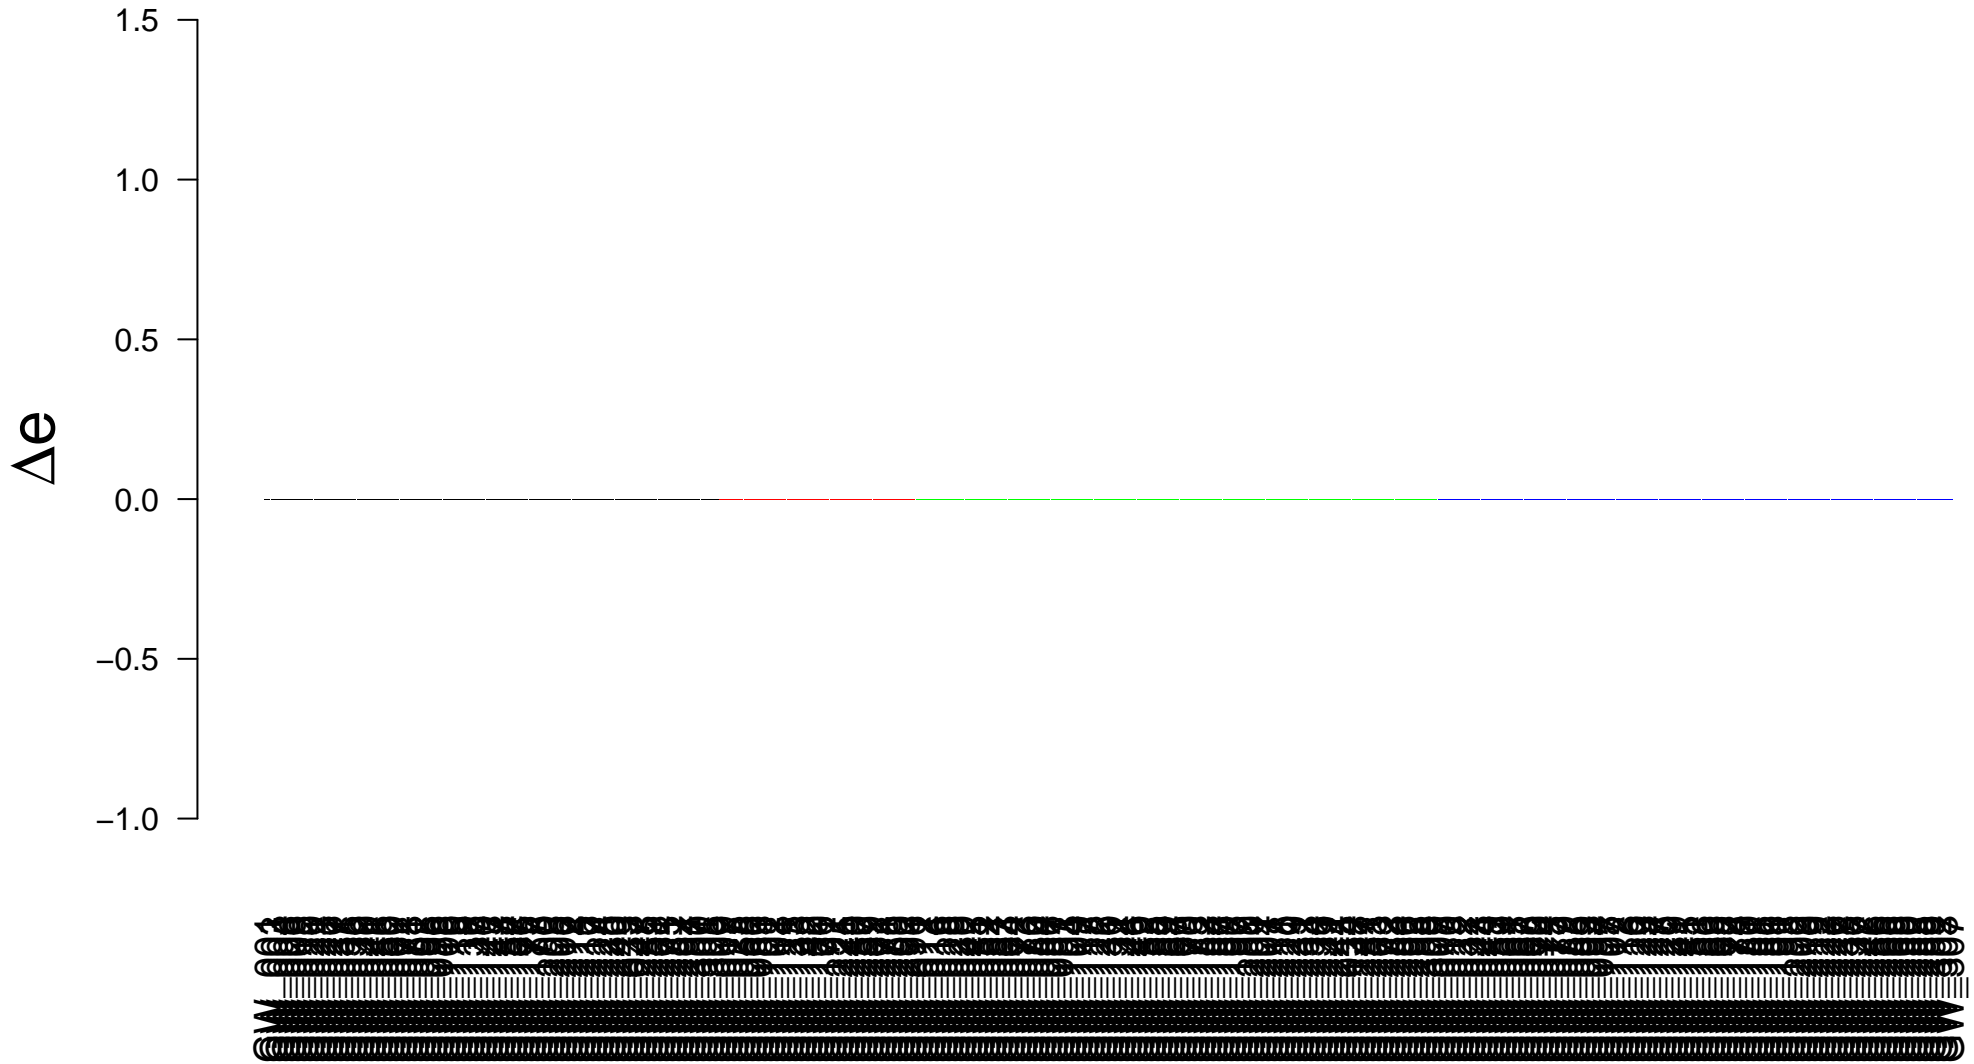

Expression of endoplasmic reticulum organization in Spot G

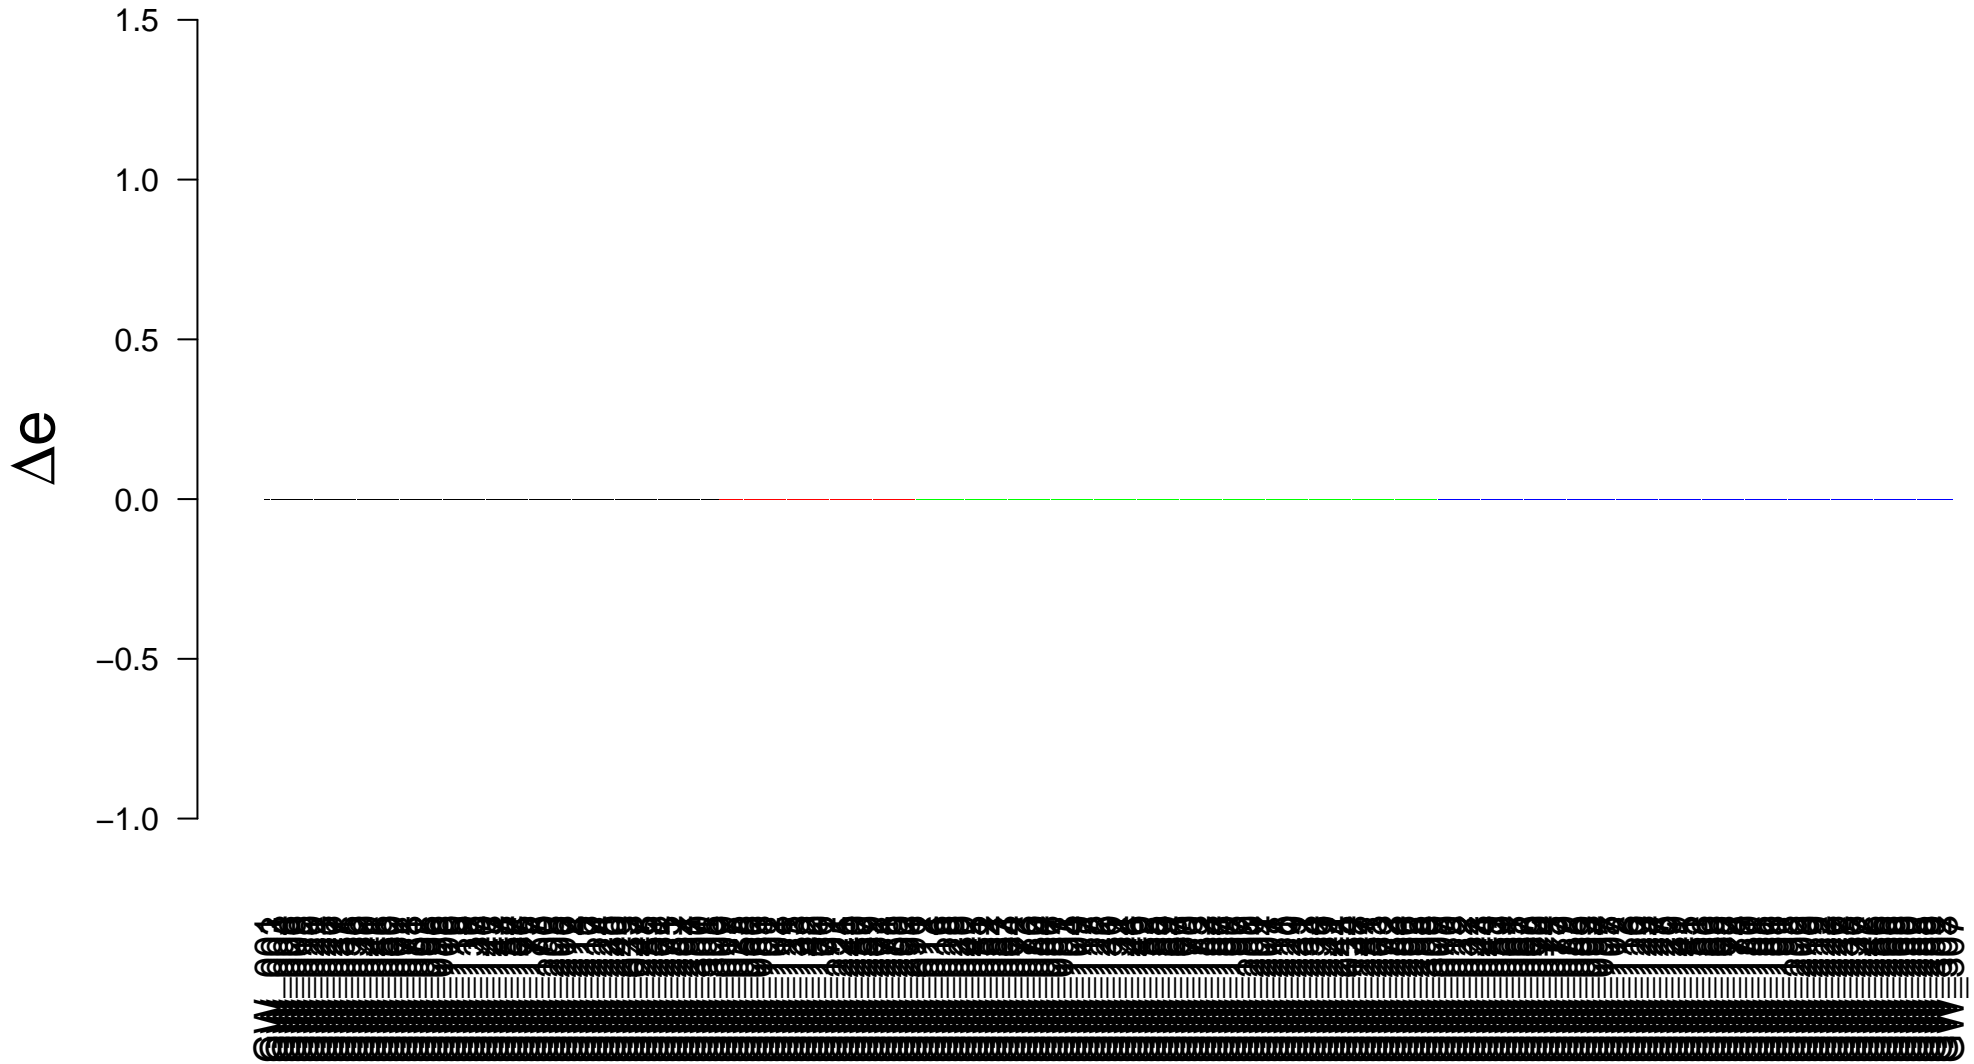

Expression of endoplasmic reticulum organization in Spot H

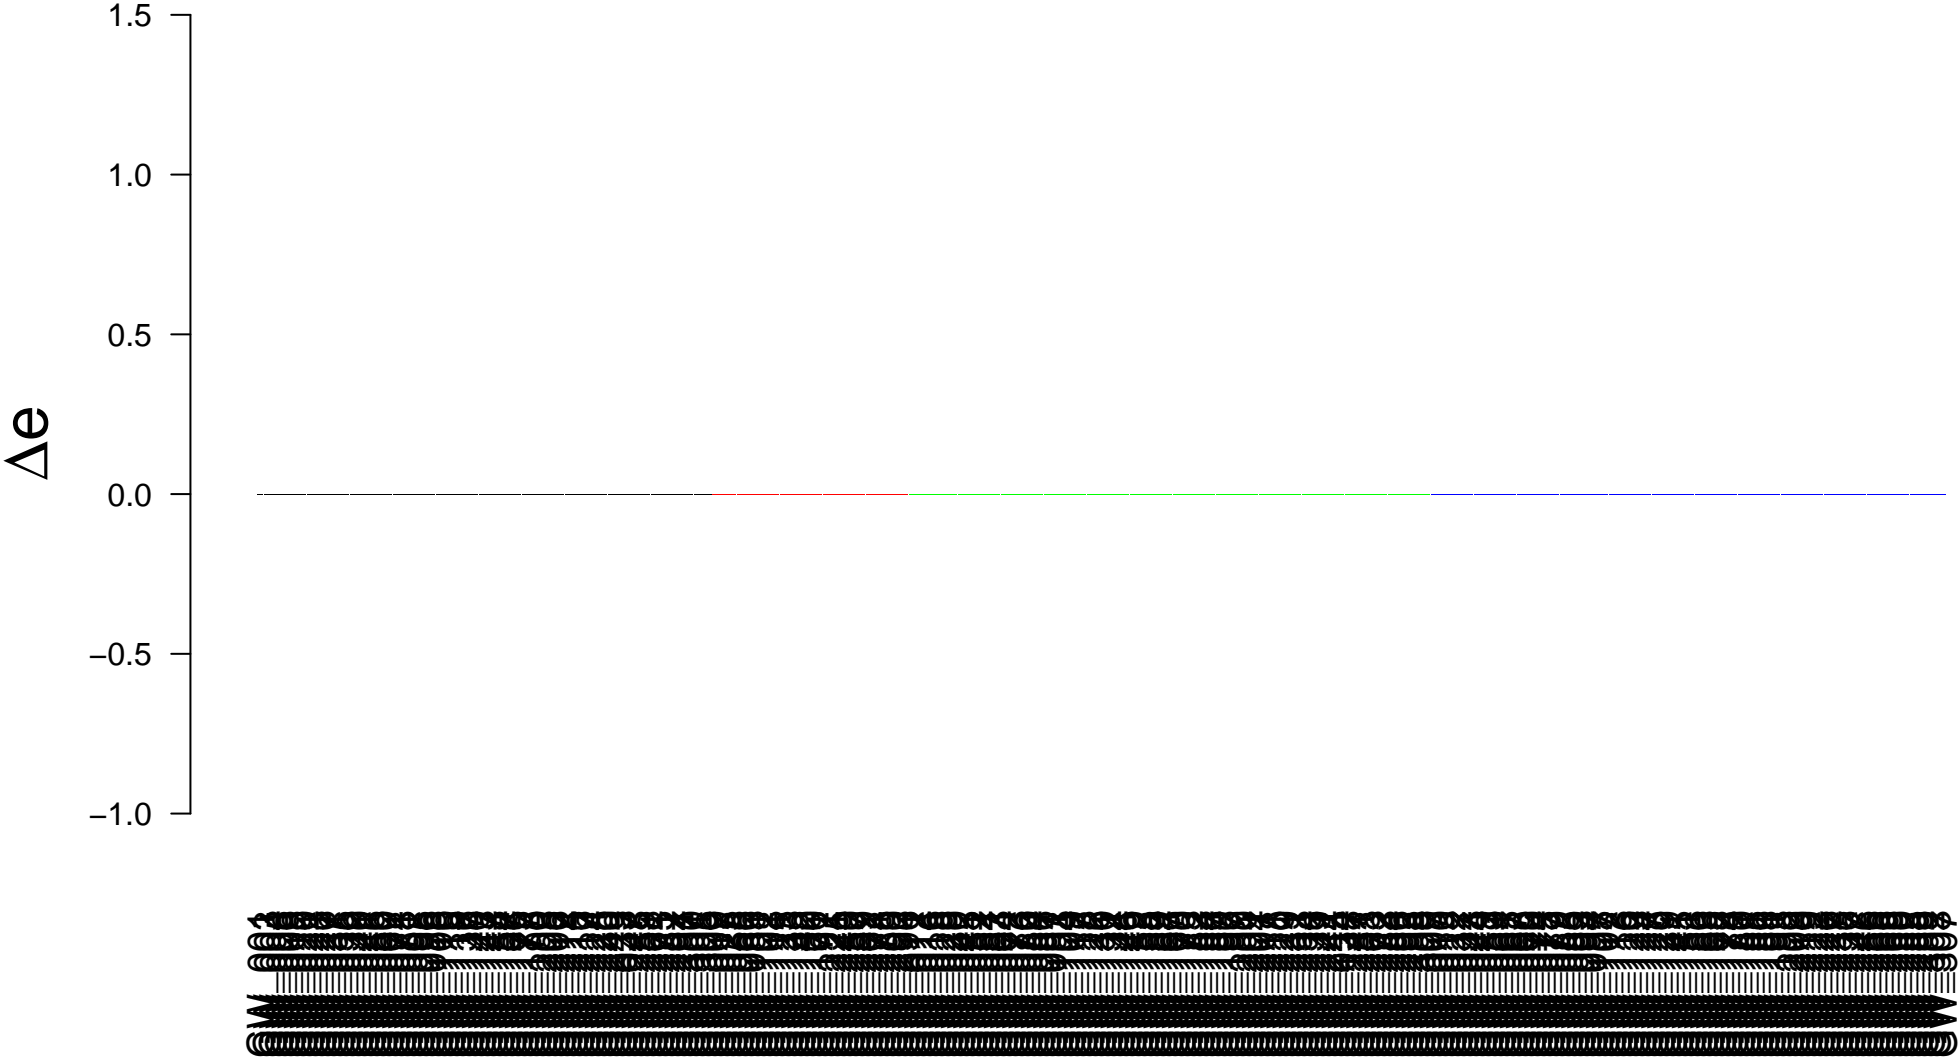

Expression of endoplasmic reticulum organization in Spot I

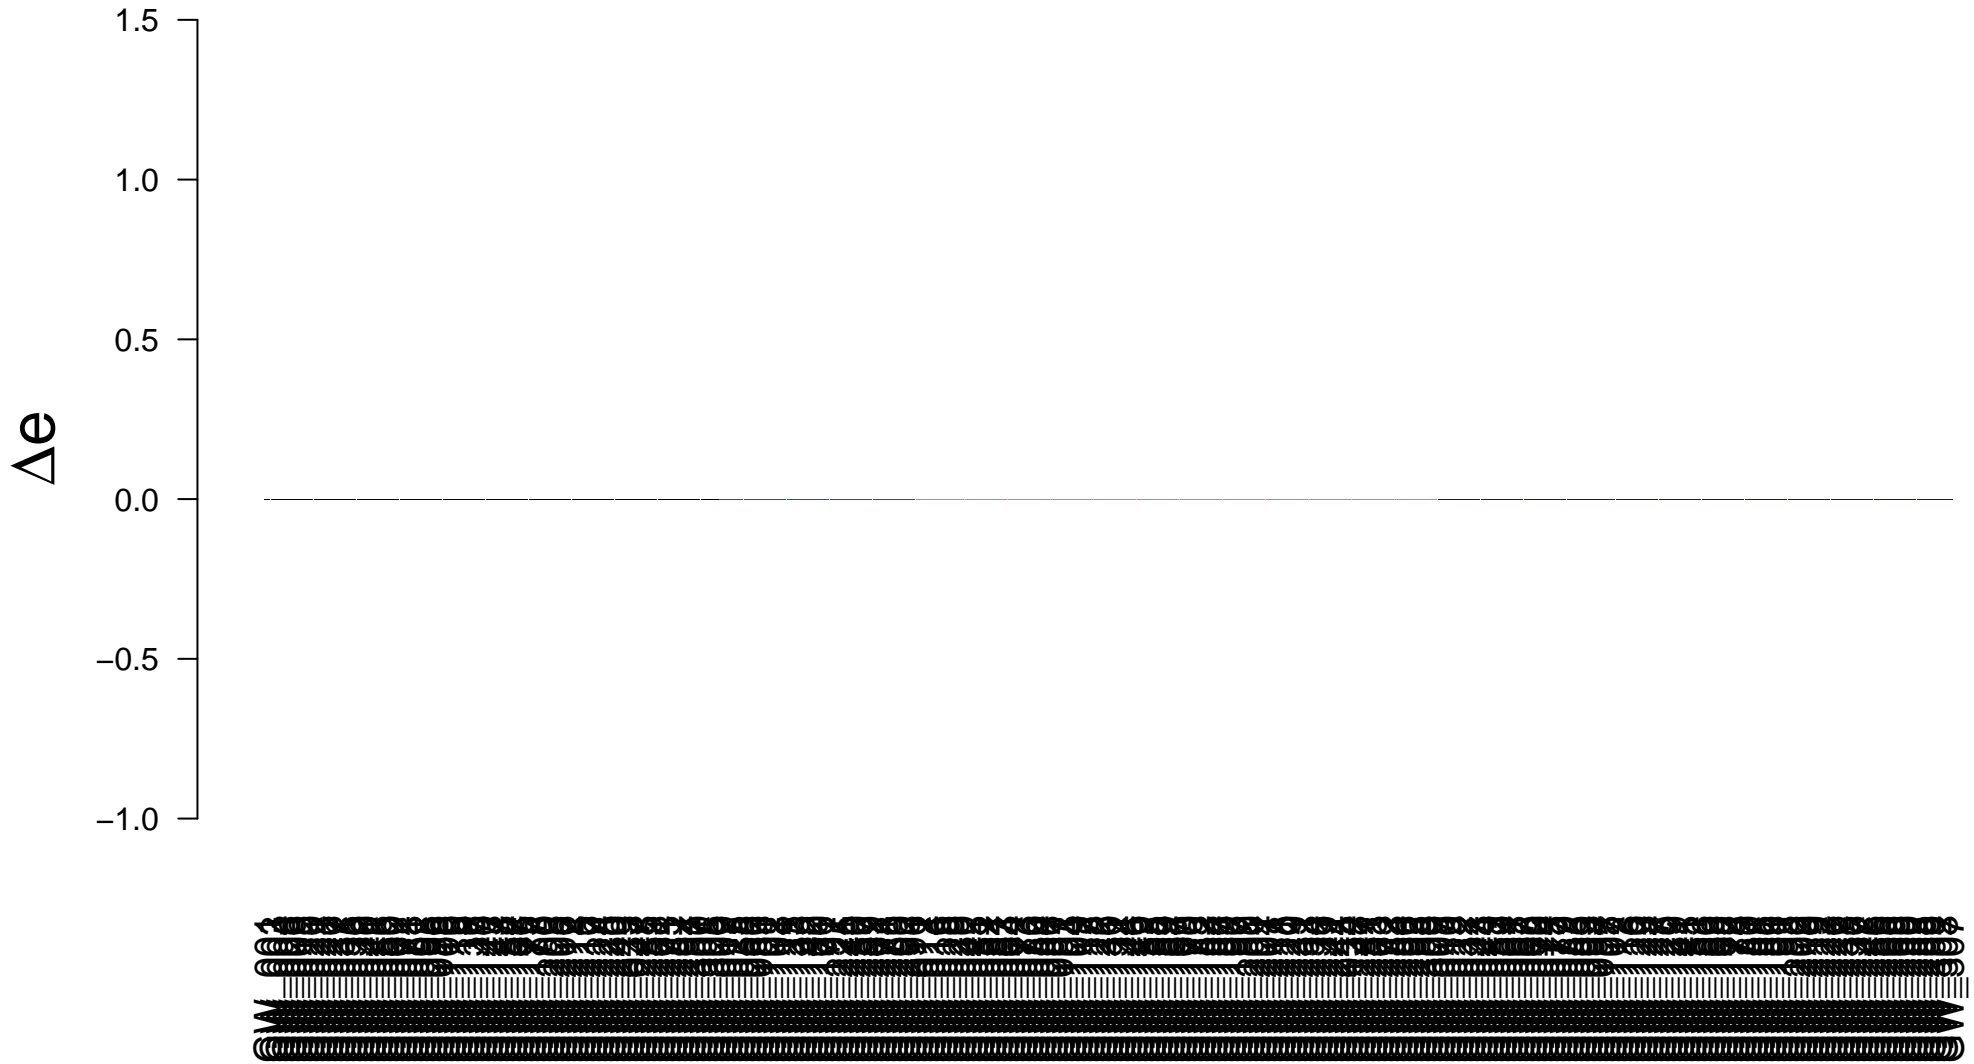

Expression of endoplasmic reticulum organization in Spot J

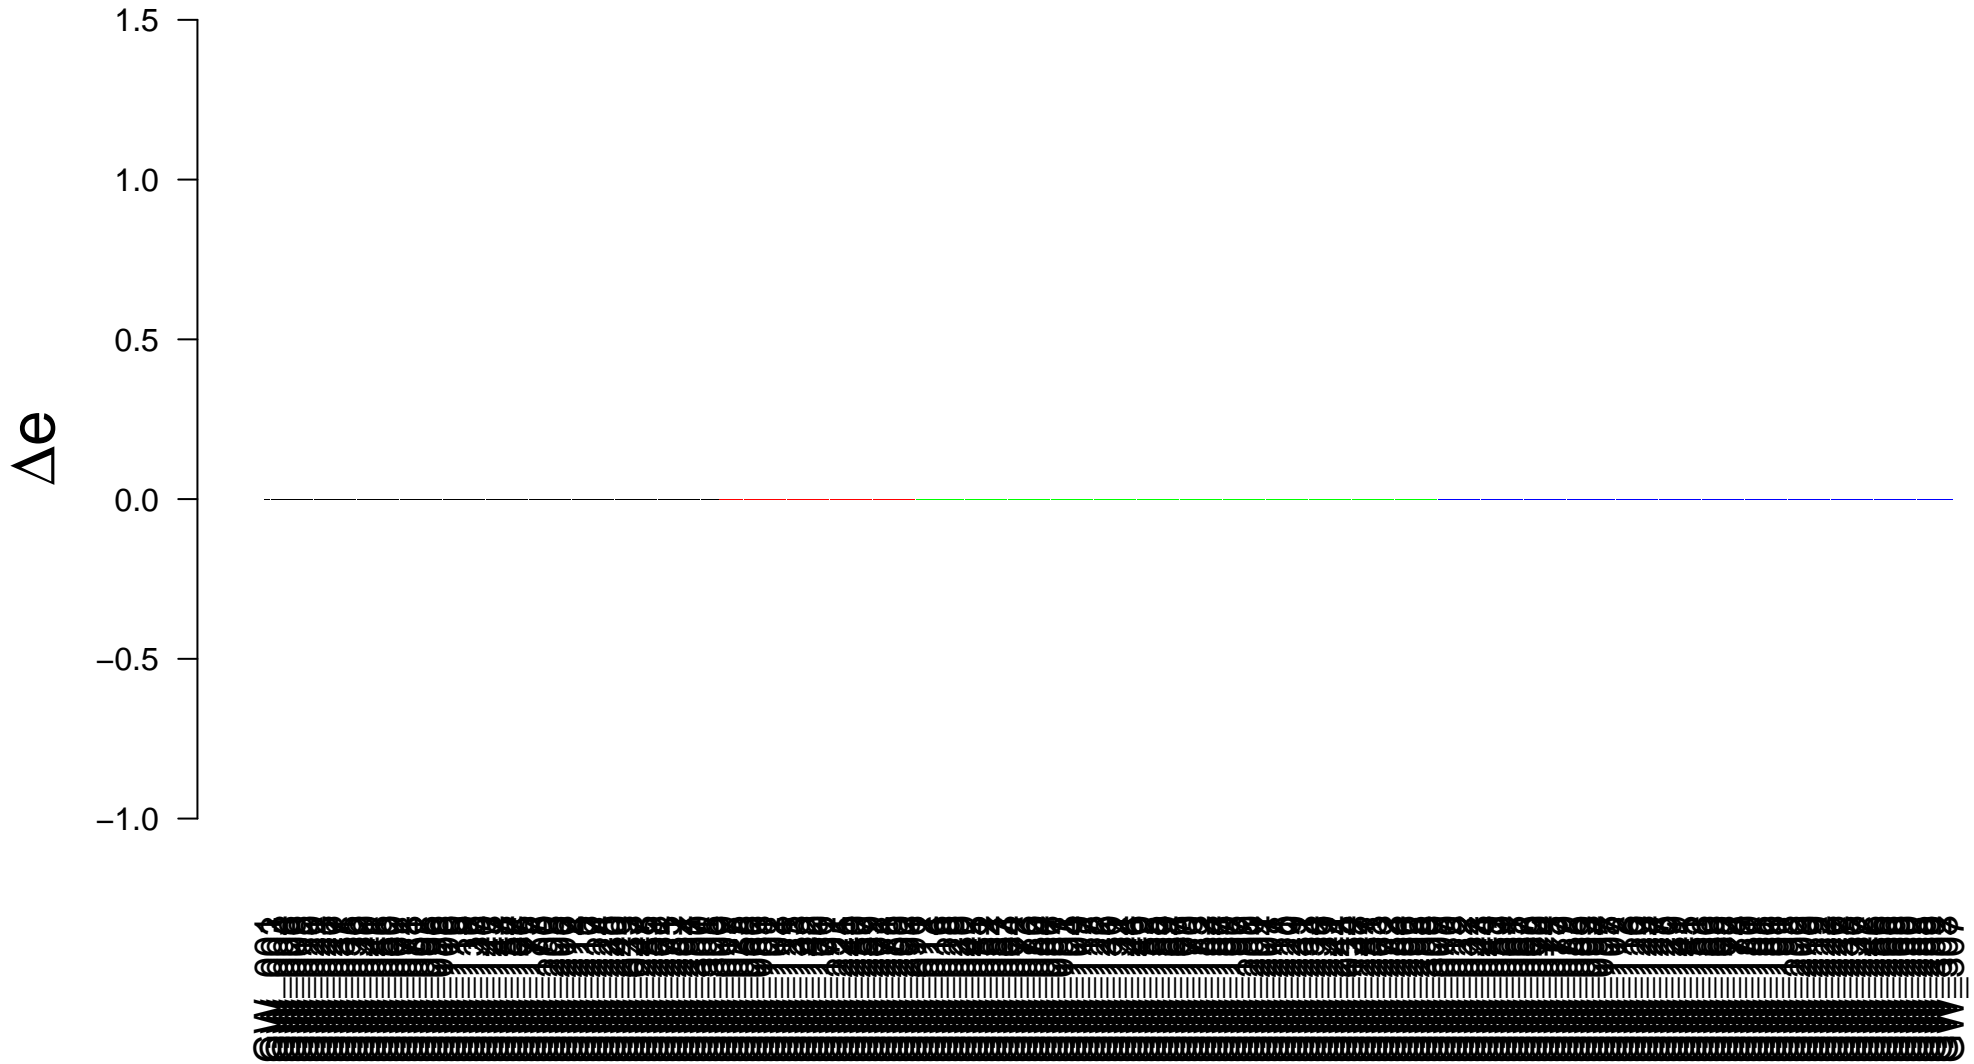

Expression of endoplasmic reticulum organization in Spot K

Expression of endoplasmic reticulum organization in Spot L

Expression of endoplasmic reticulum organization in Spot M

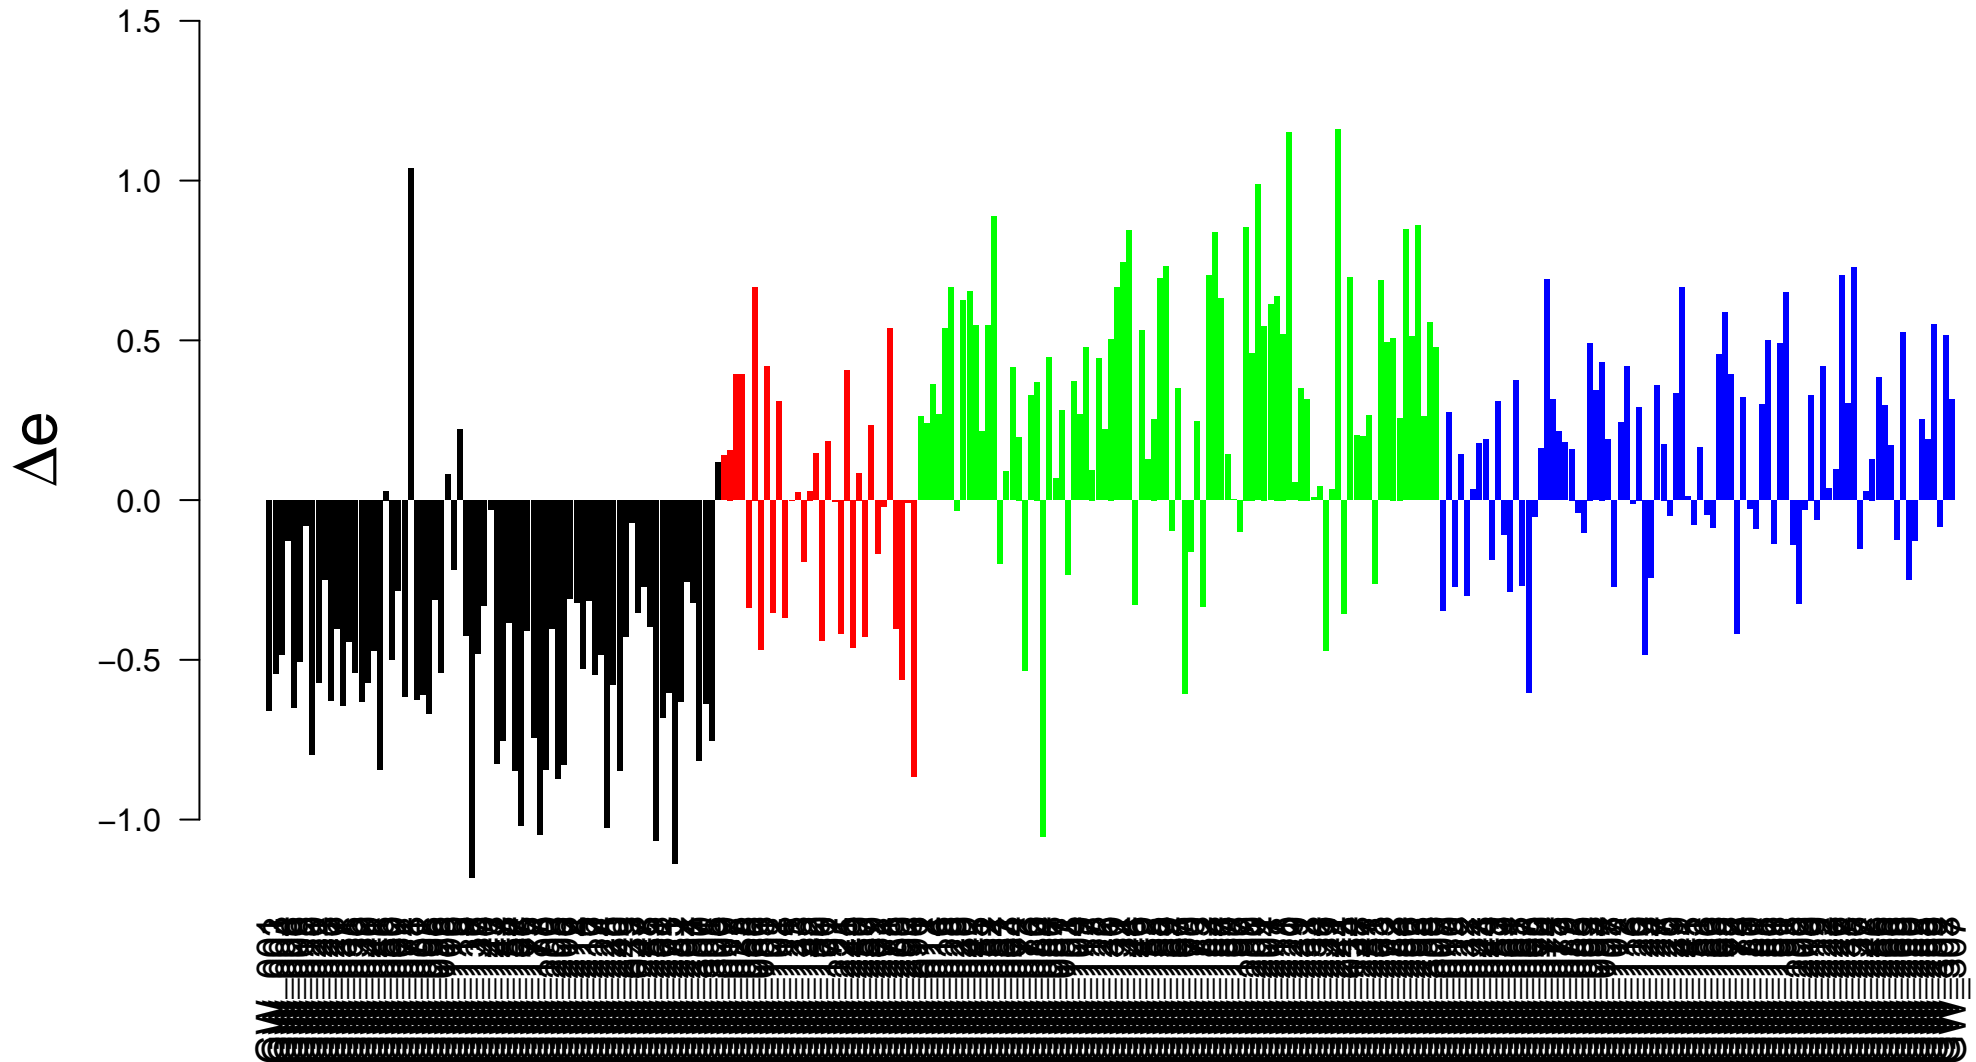

Expression of endoplasmic reticulum organization in Spot N
