

endosome organization

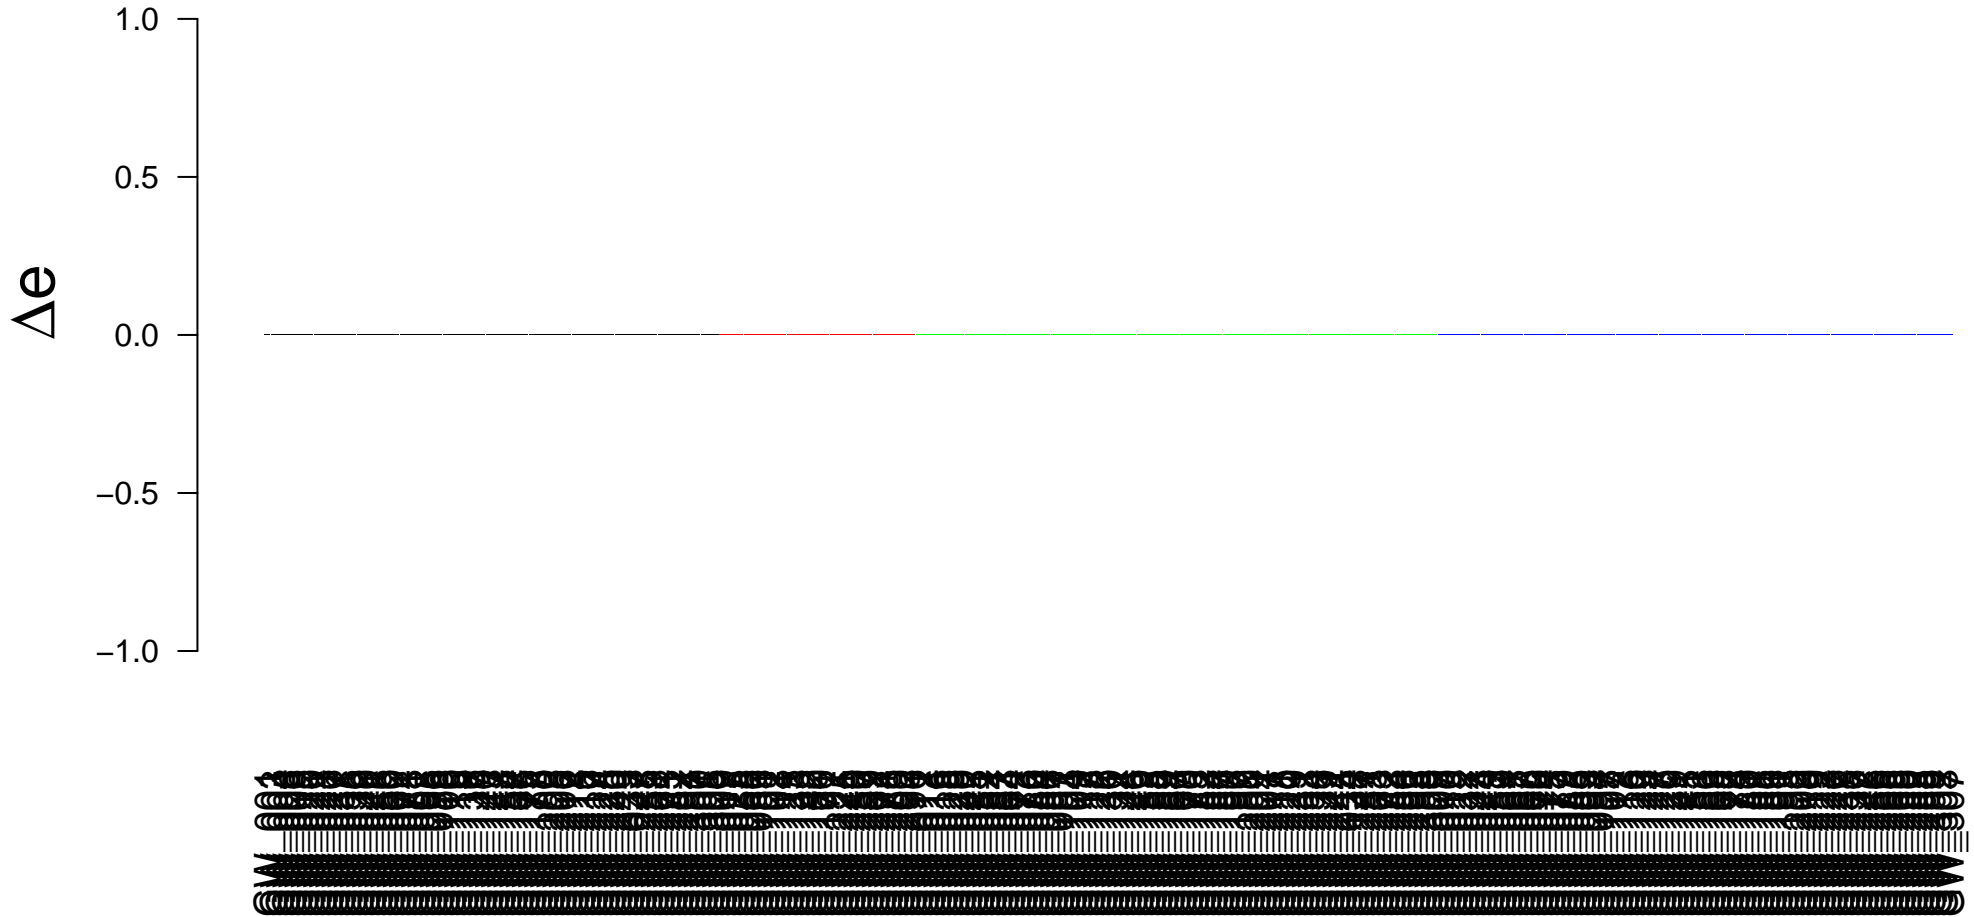

endosome organization

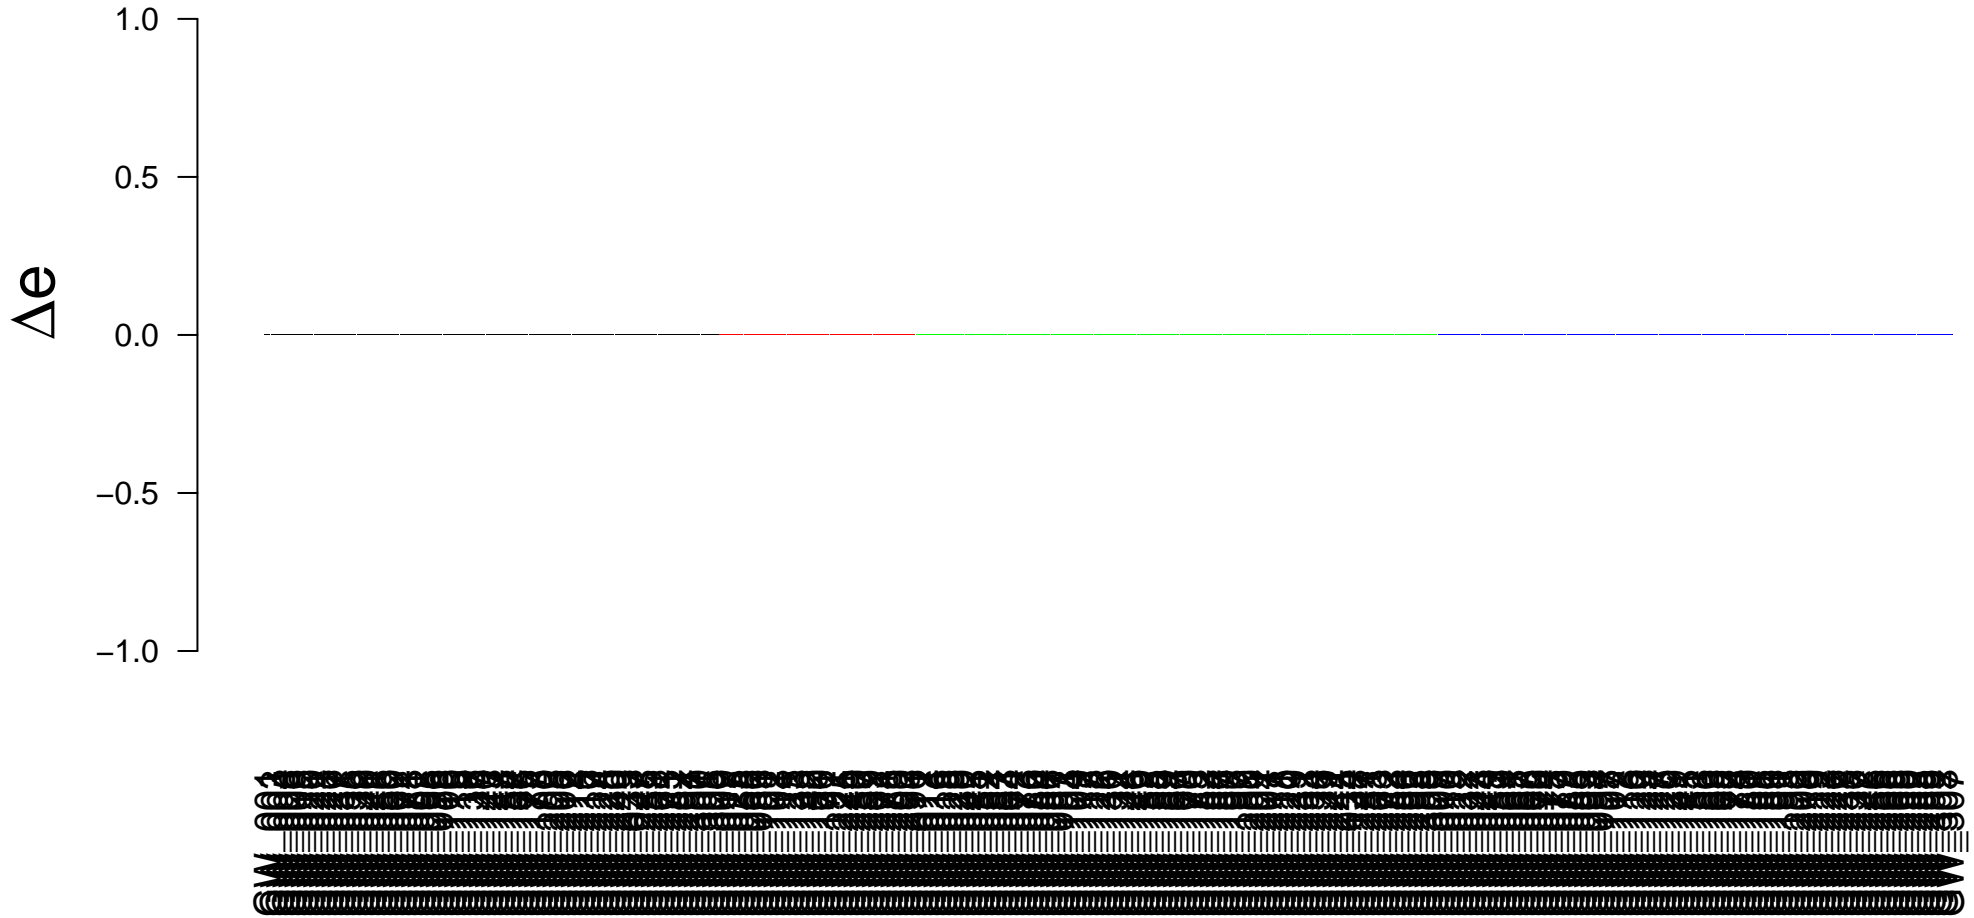

Enrichment in spots: endosome organization

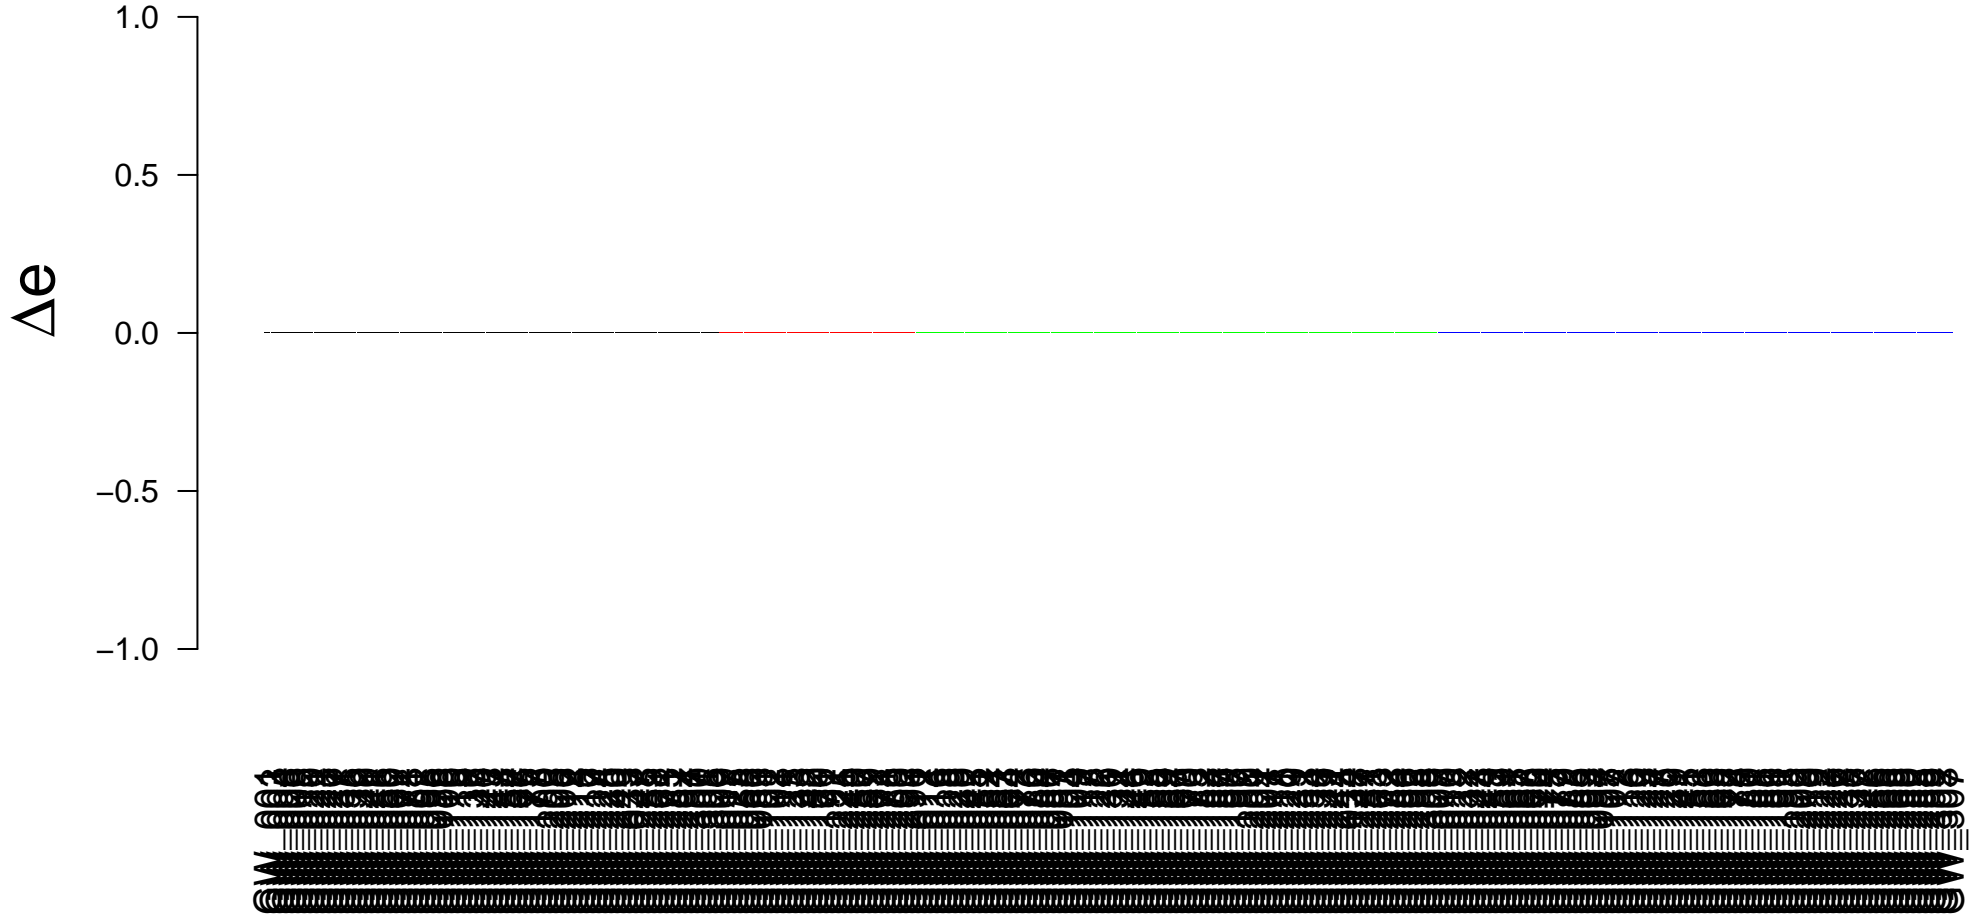

Expression of endosome organization in Spot A

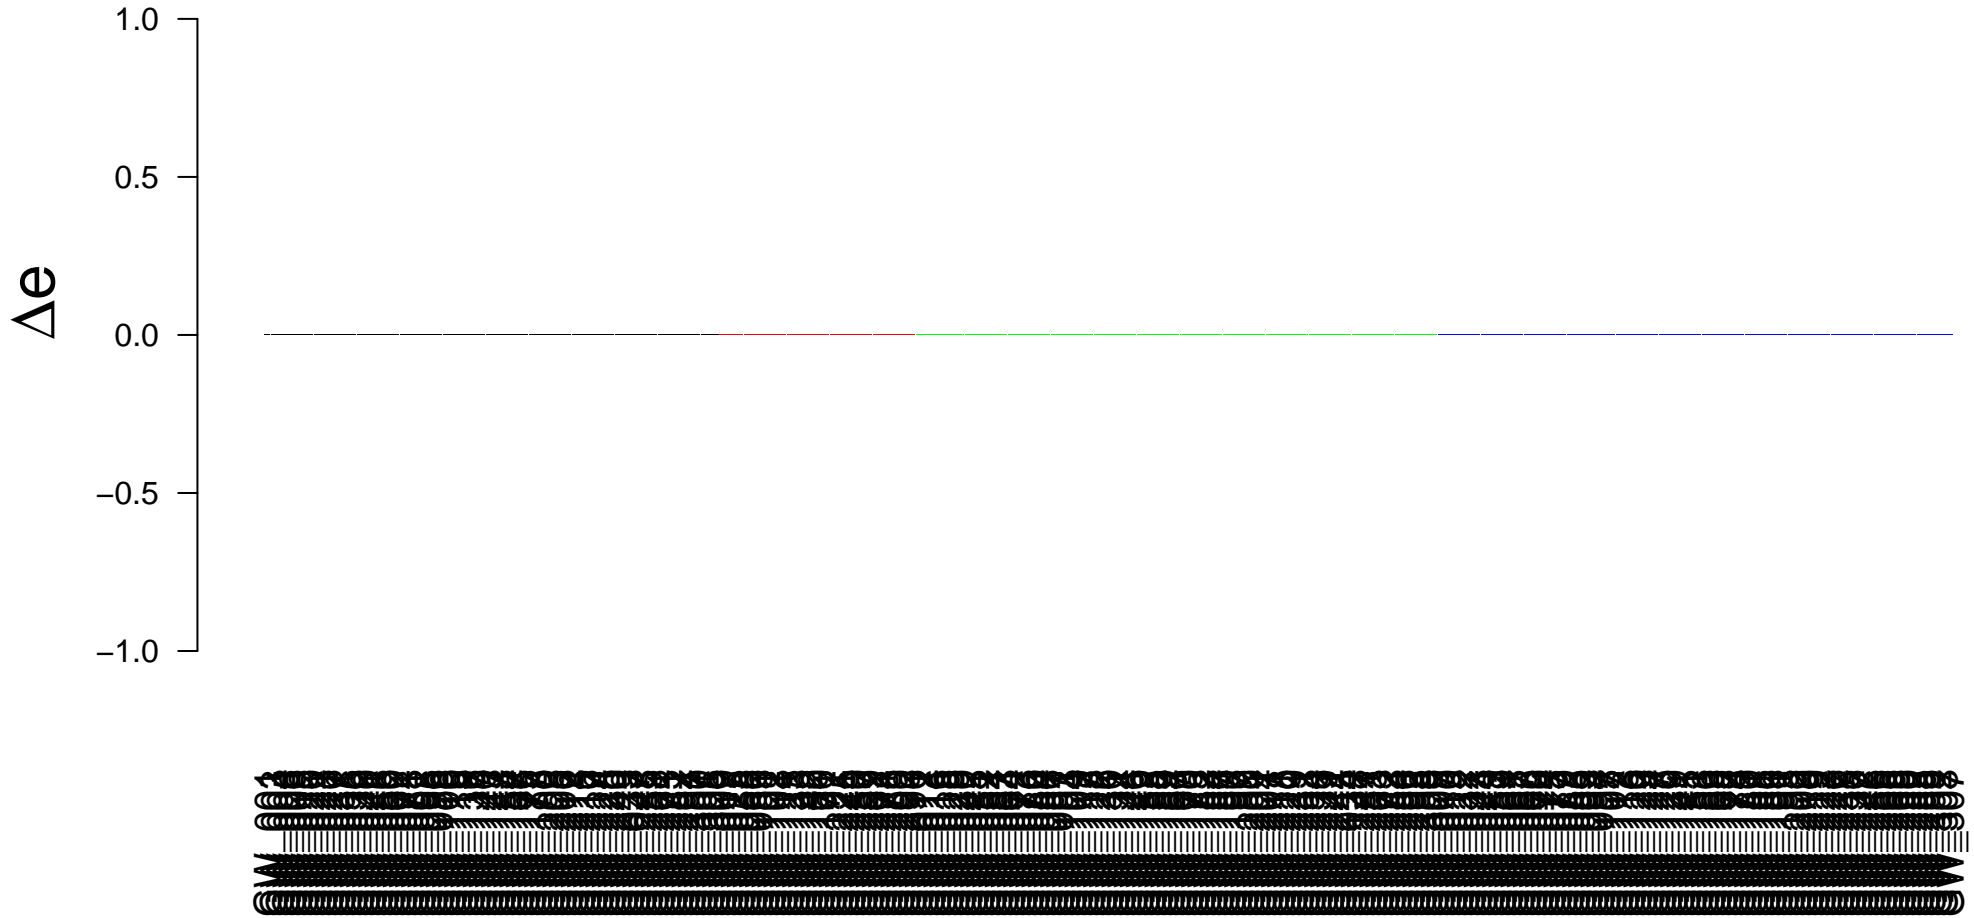

Expression of endosome organization in Spot B

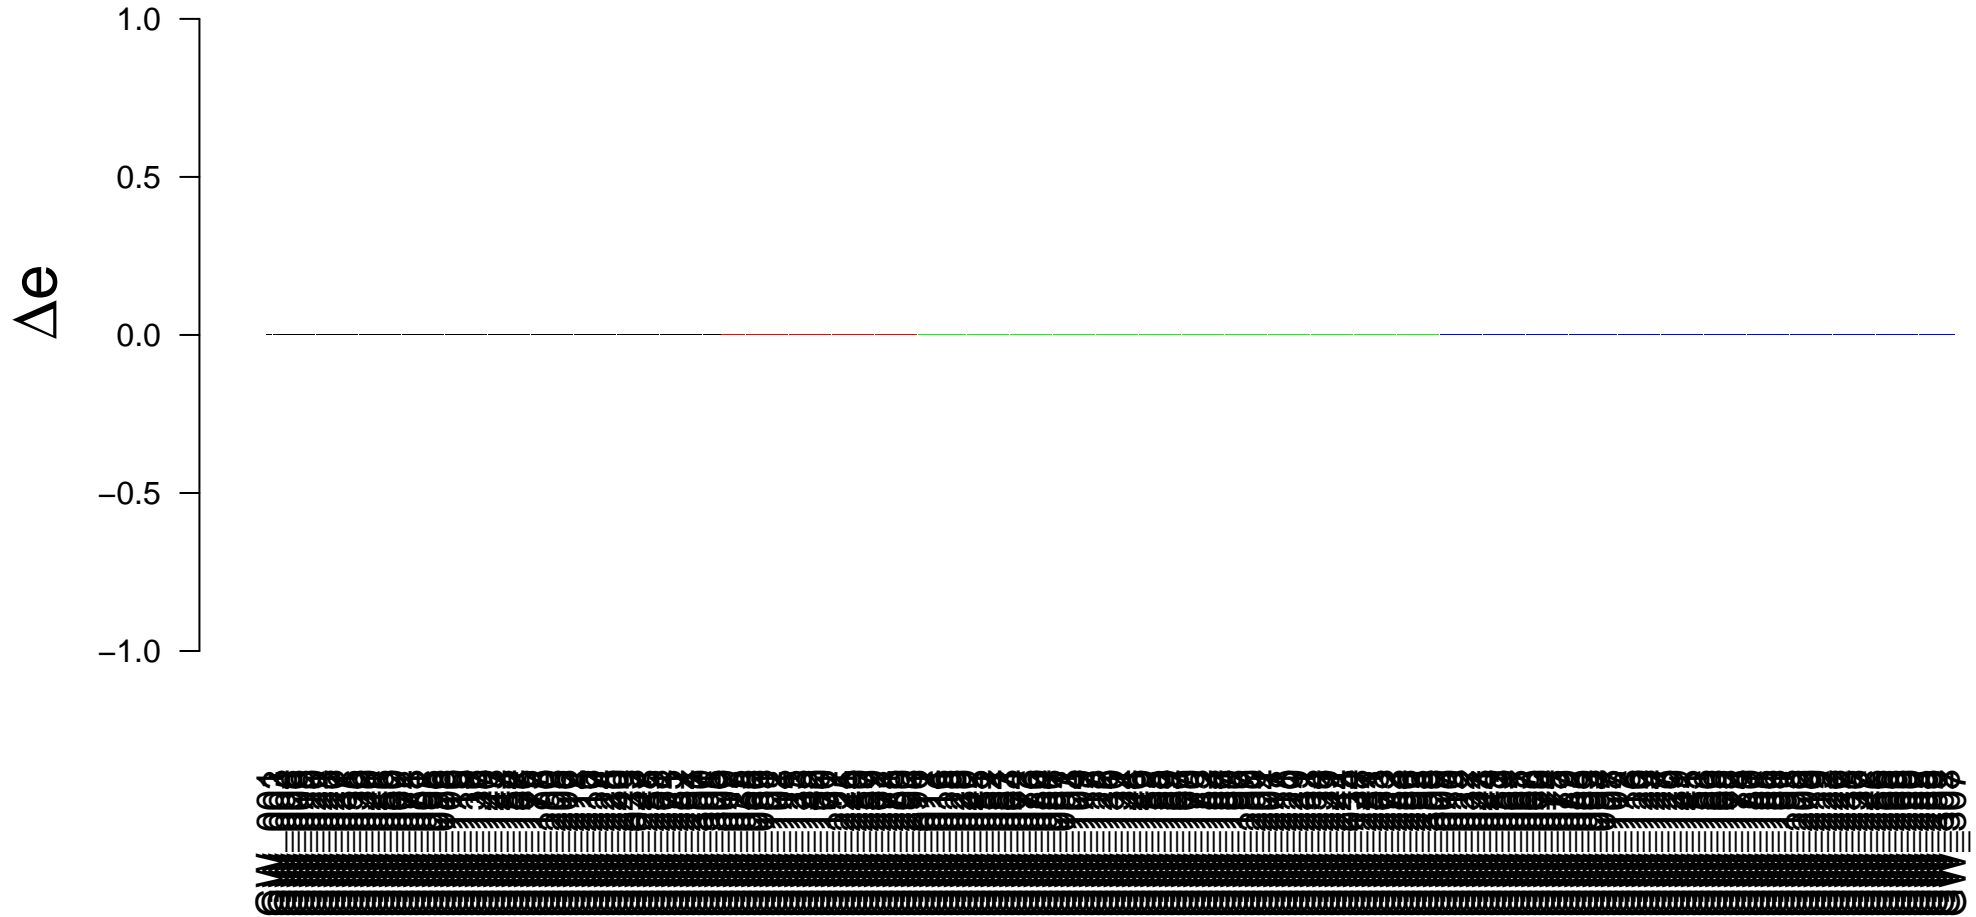

Expression of endosome organization in Spot C

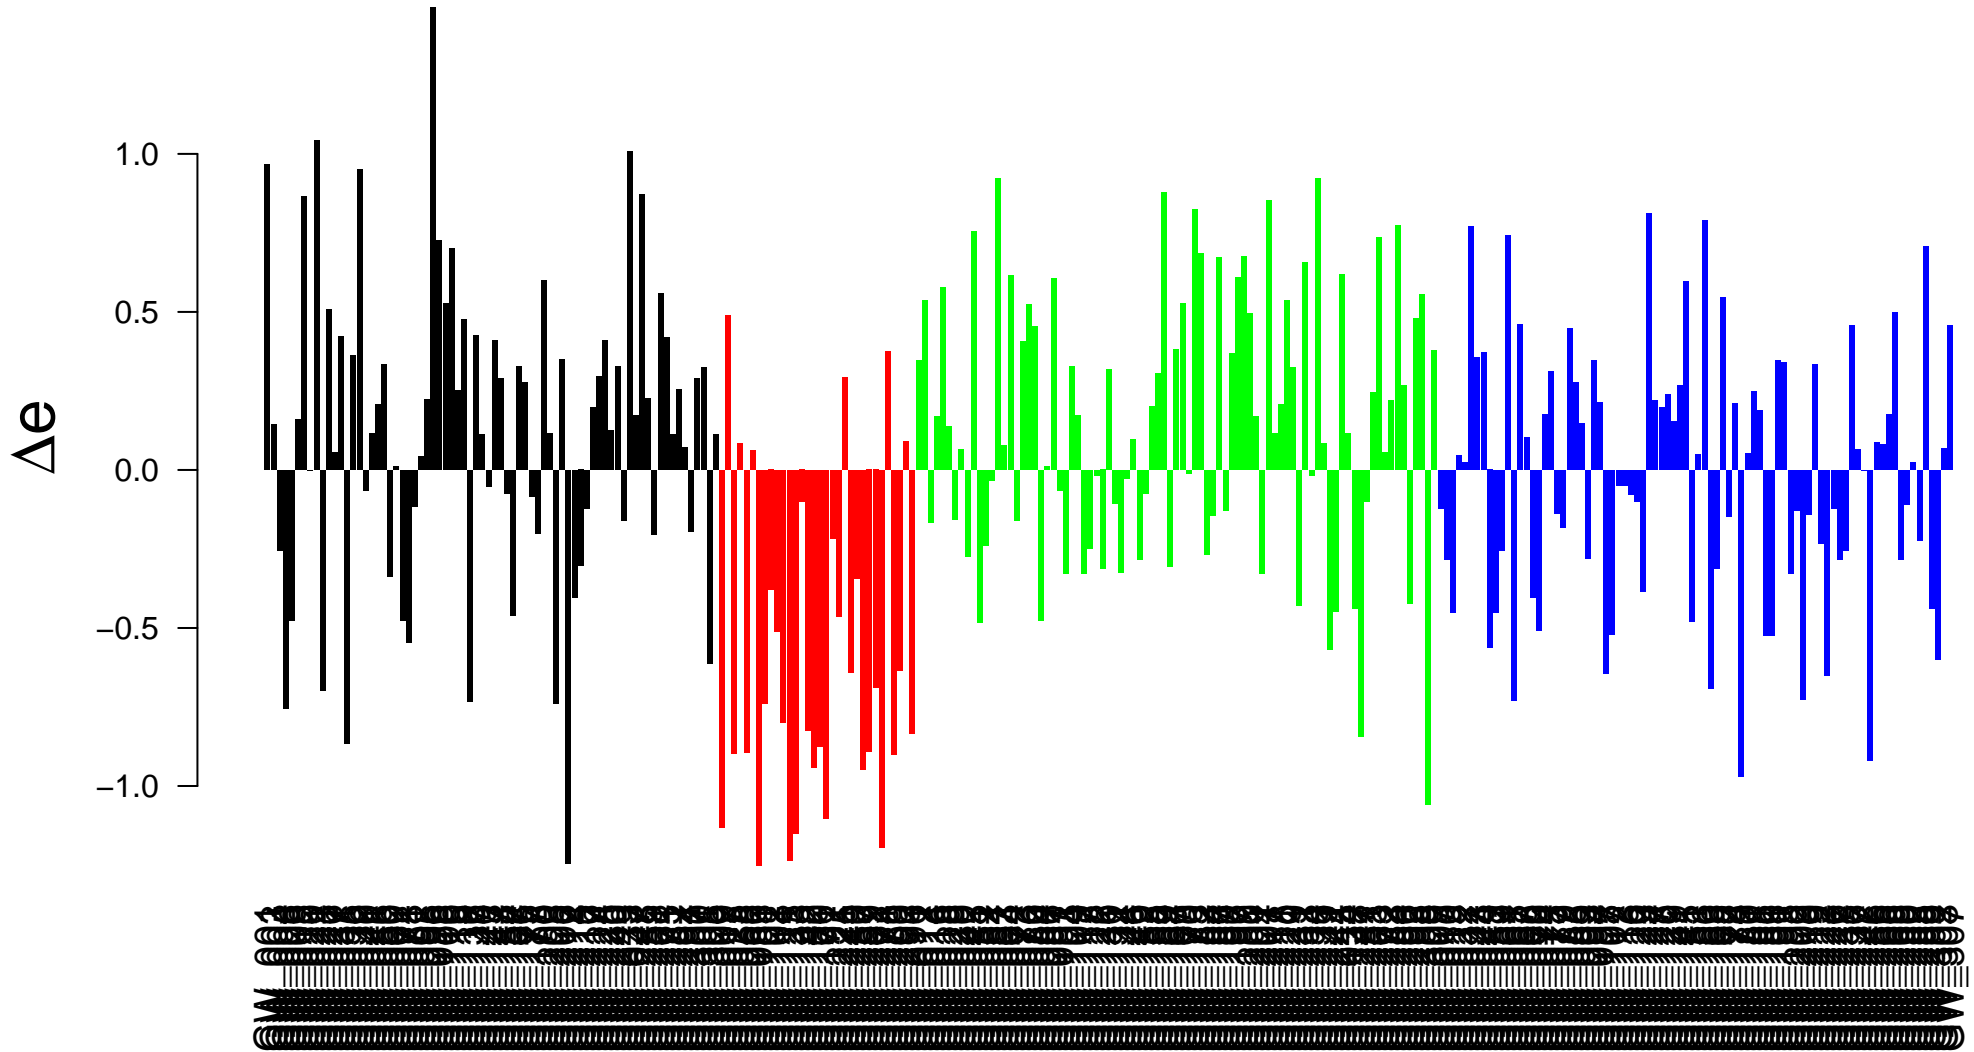

Expression of endosome organization in Spot D

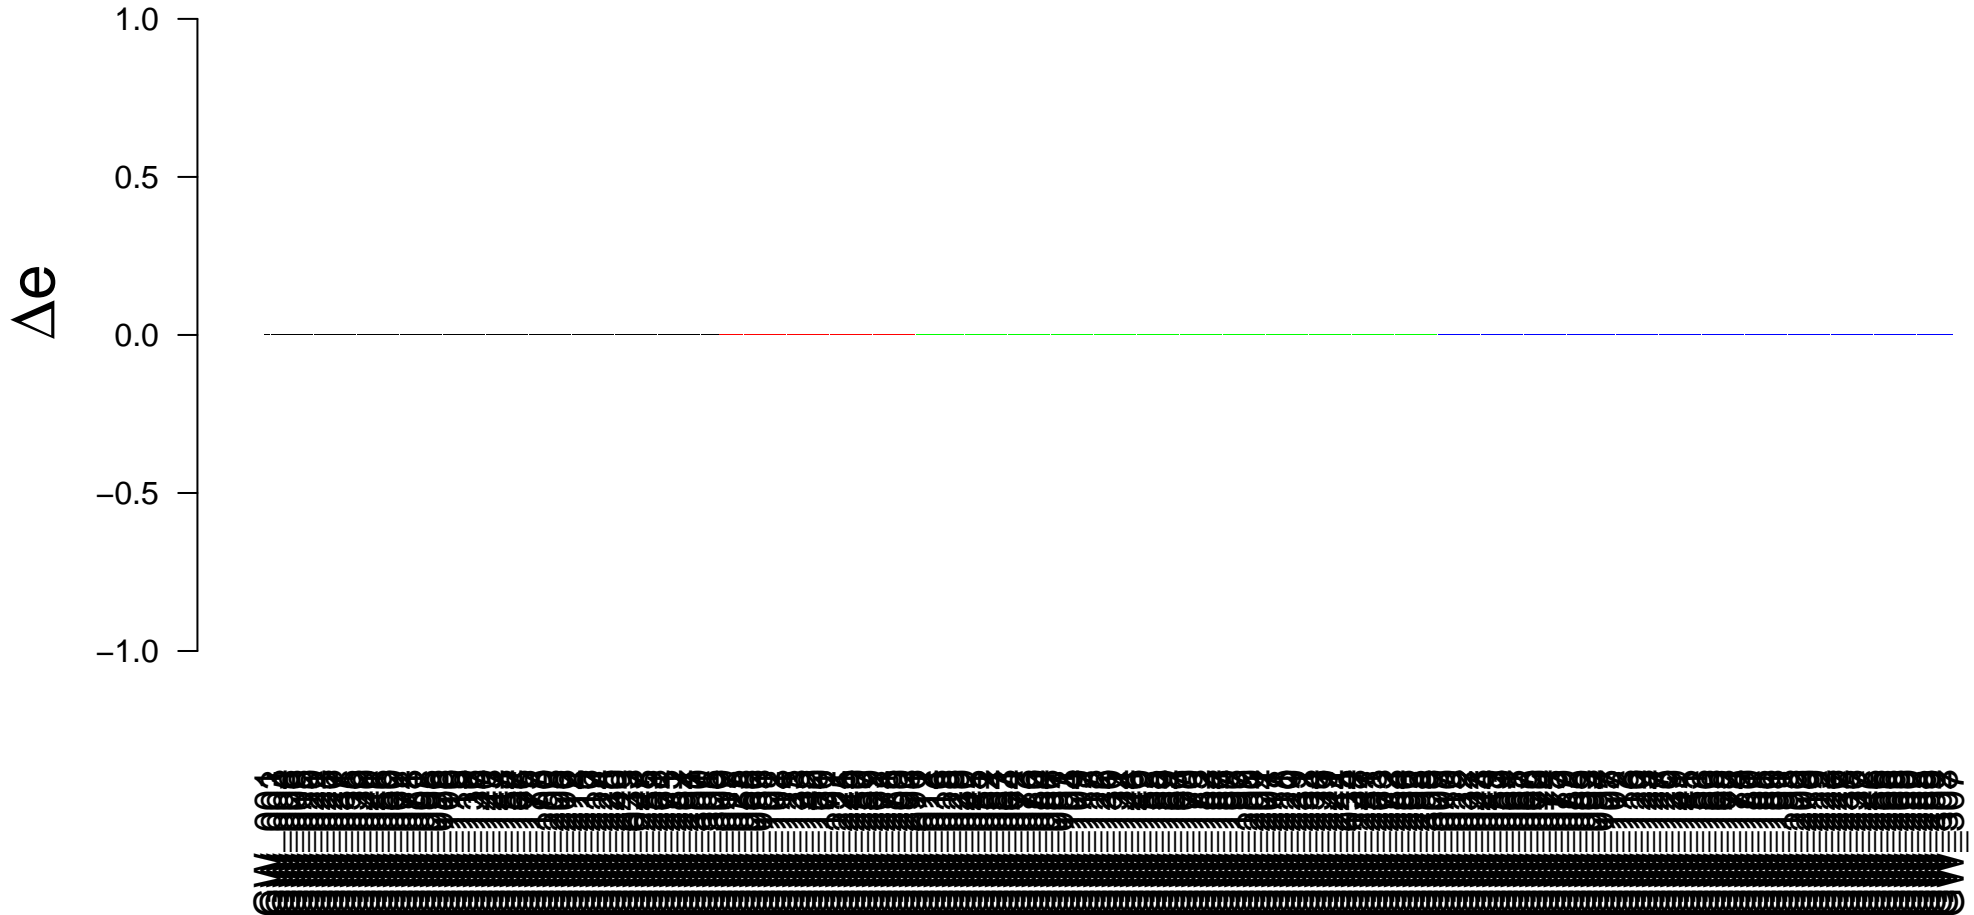

Expression of endosome organization in Spot E

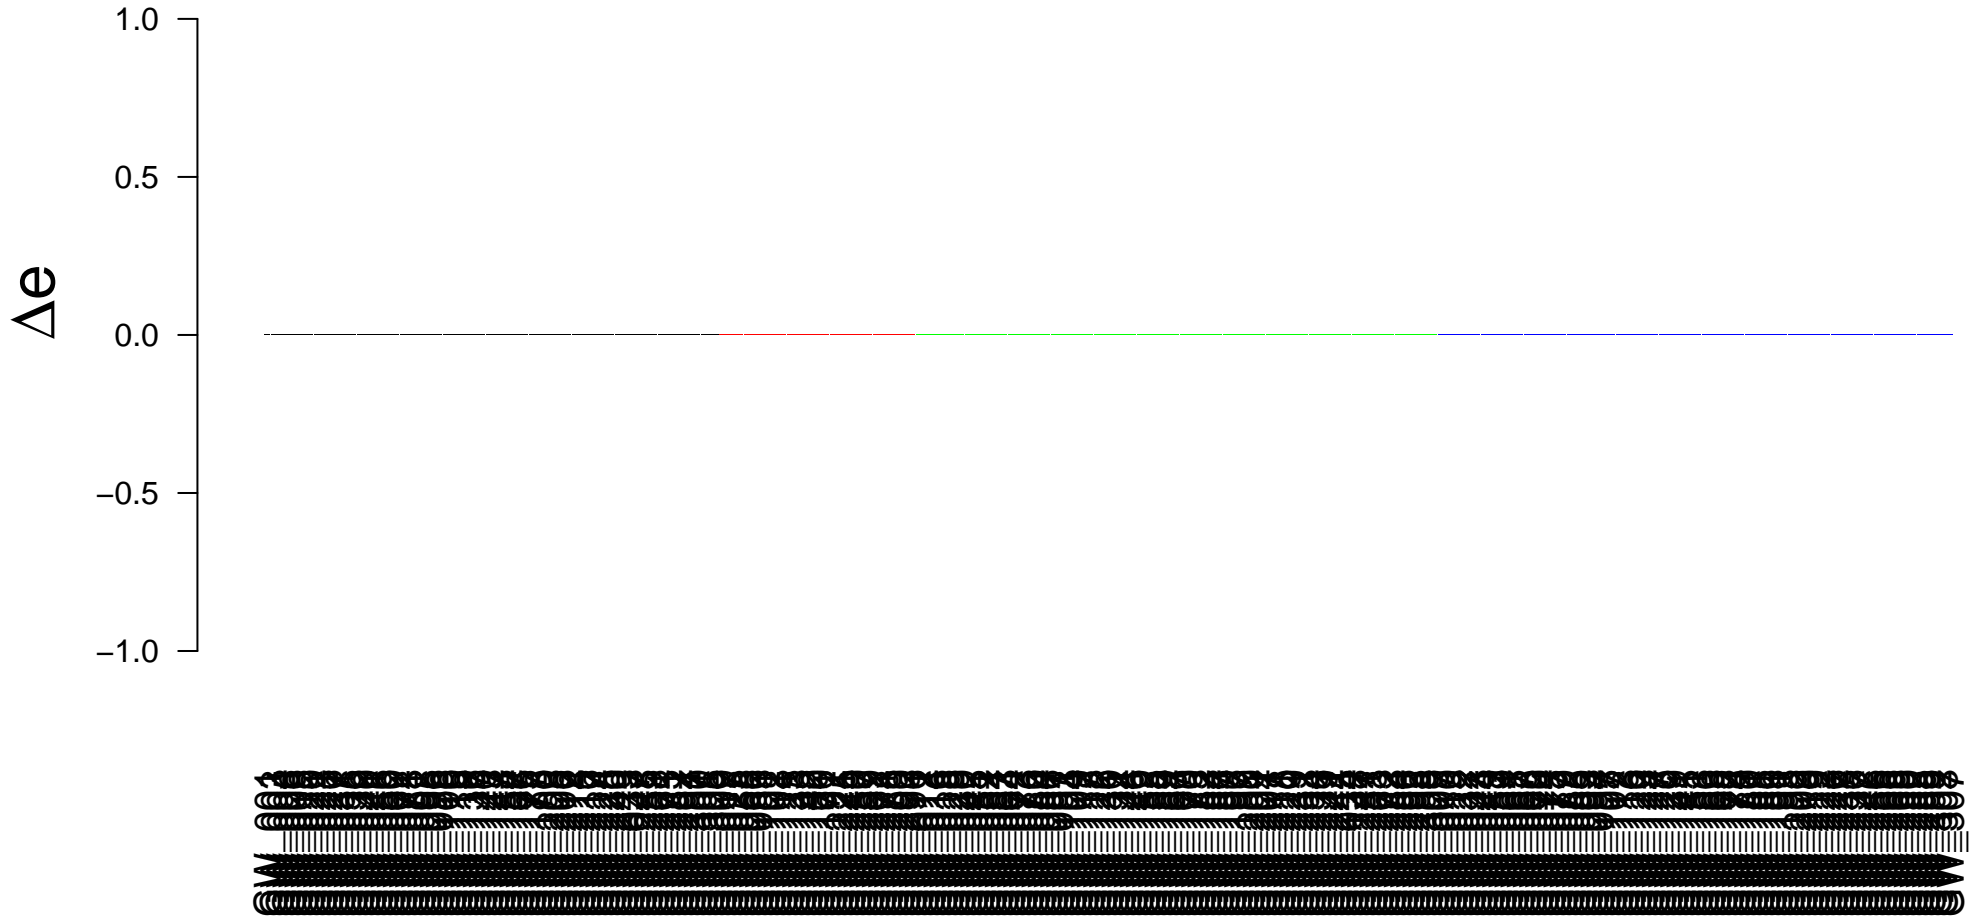

Expression of endosome organization in Spot F

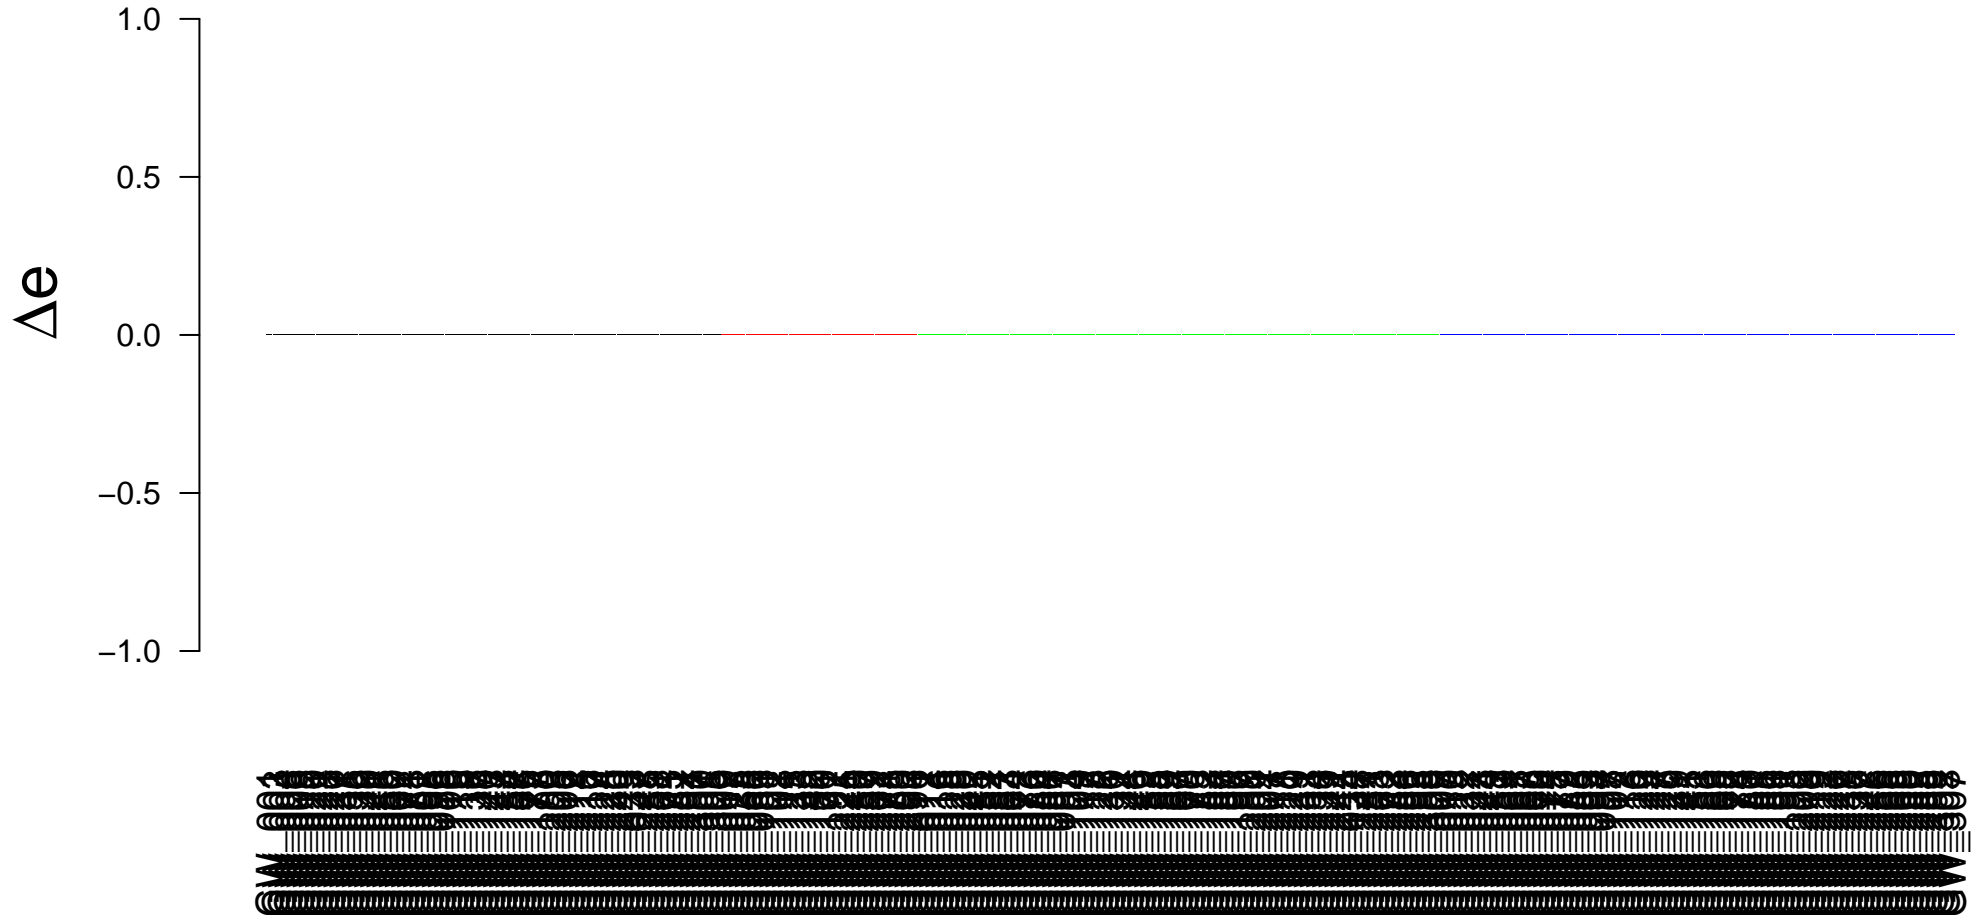

Expression of endosome organization in Spot G

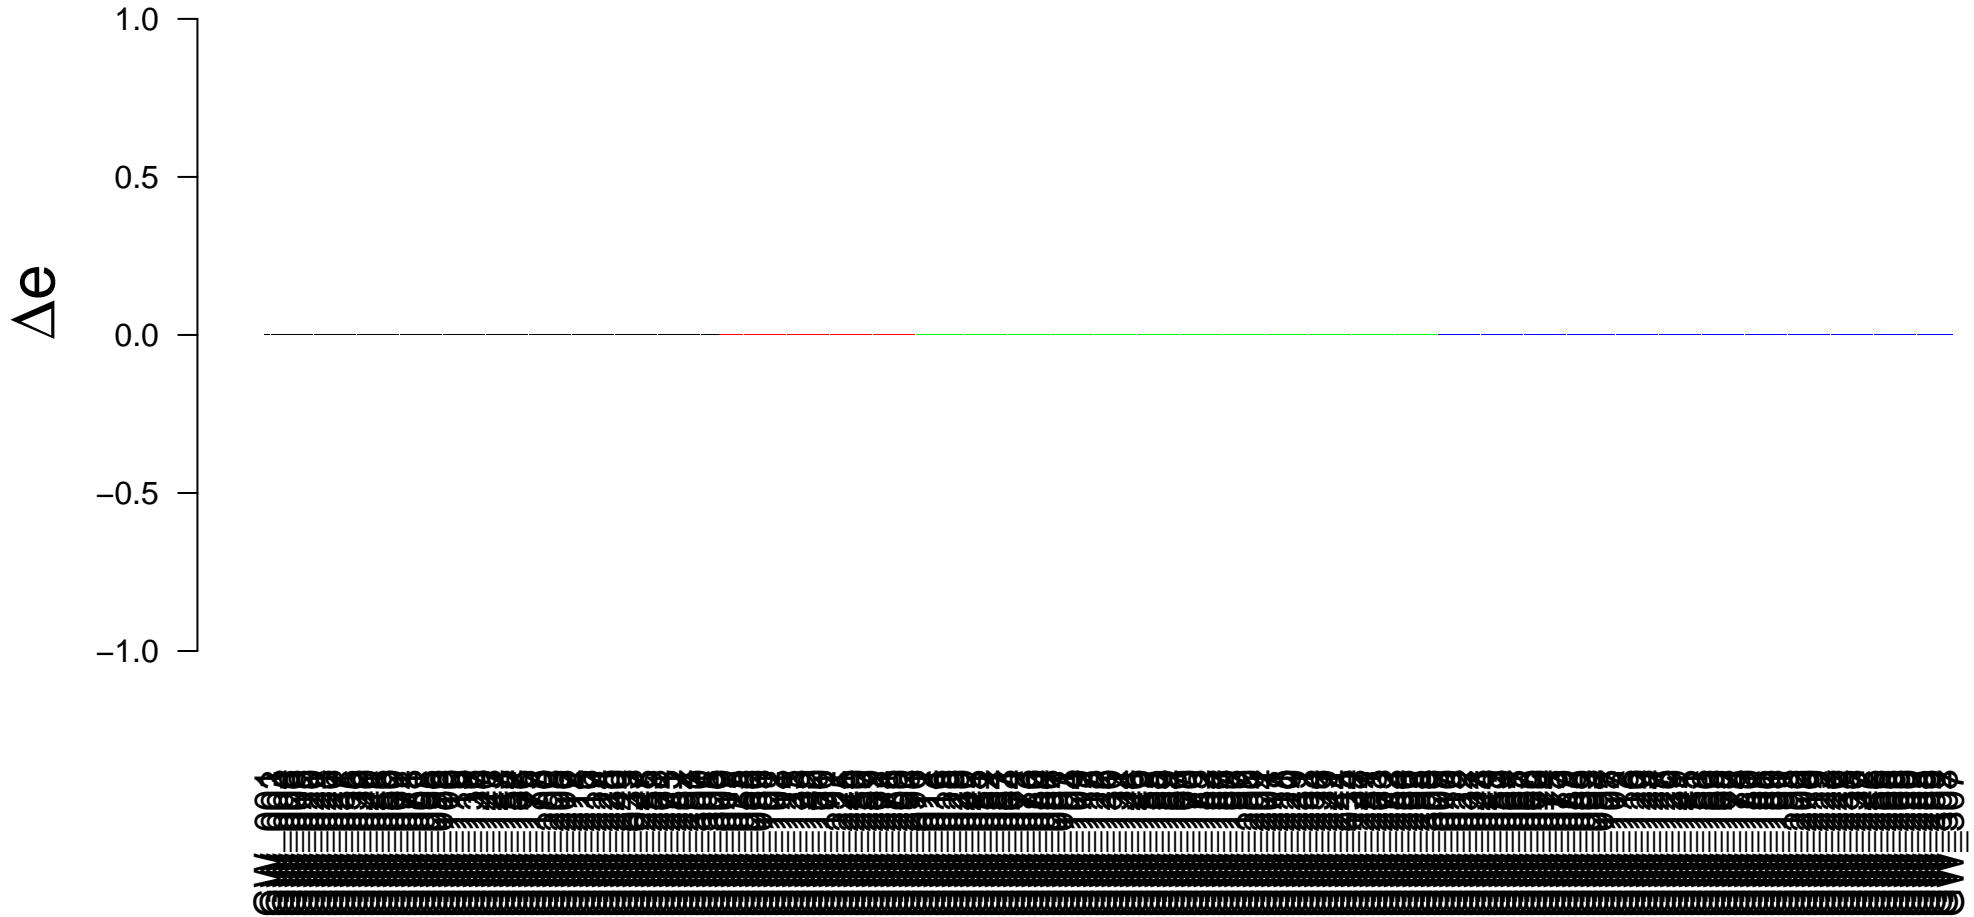

Expression of endosome organization in Spot H

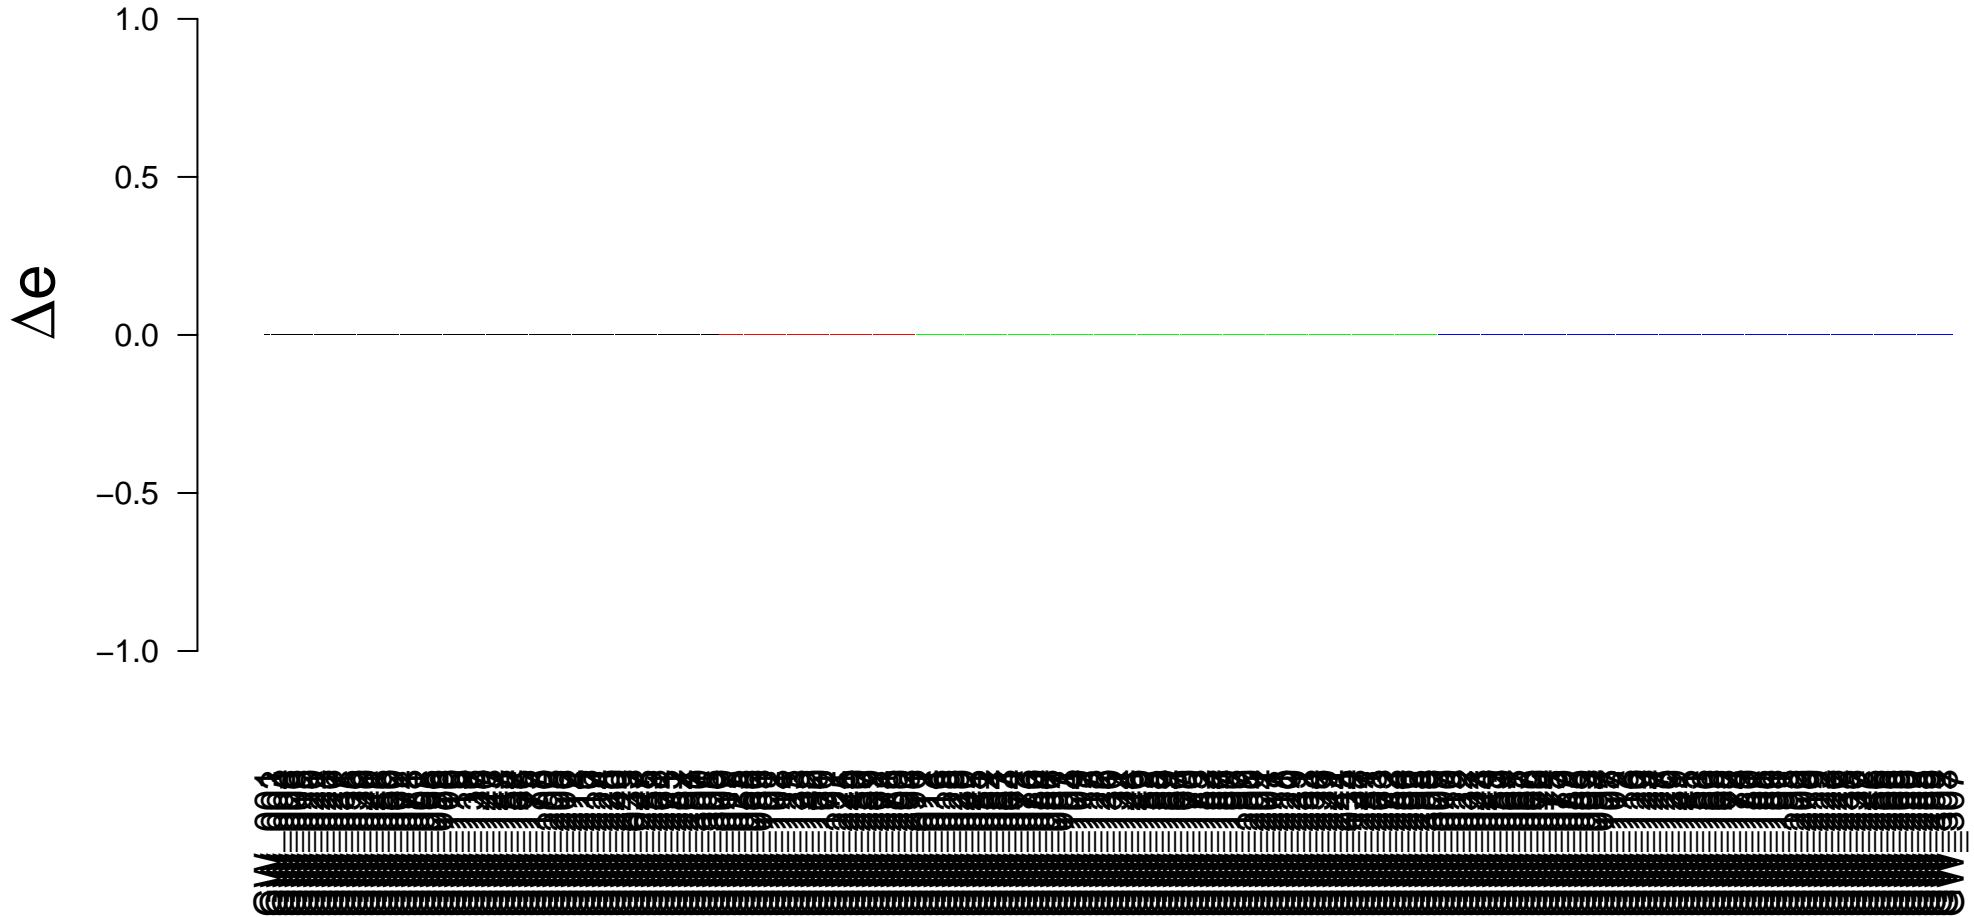

Expression of endosome organization in Spot I

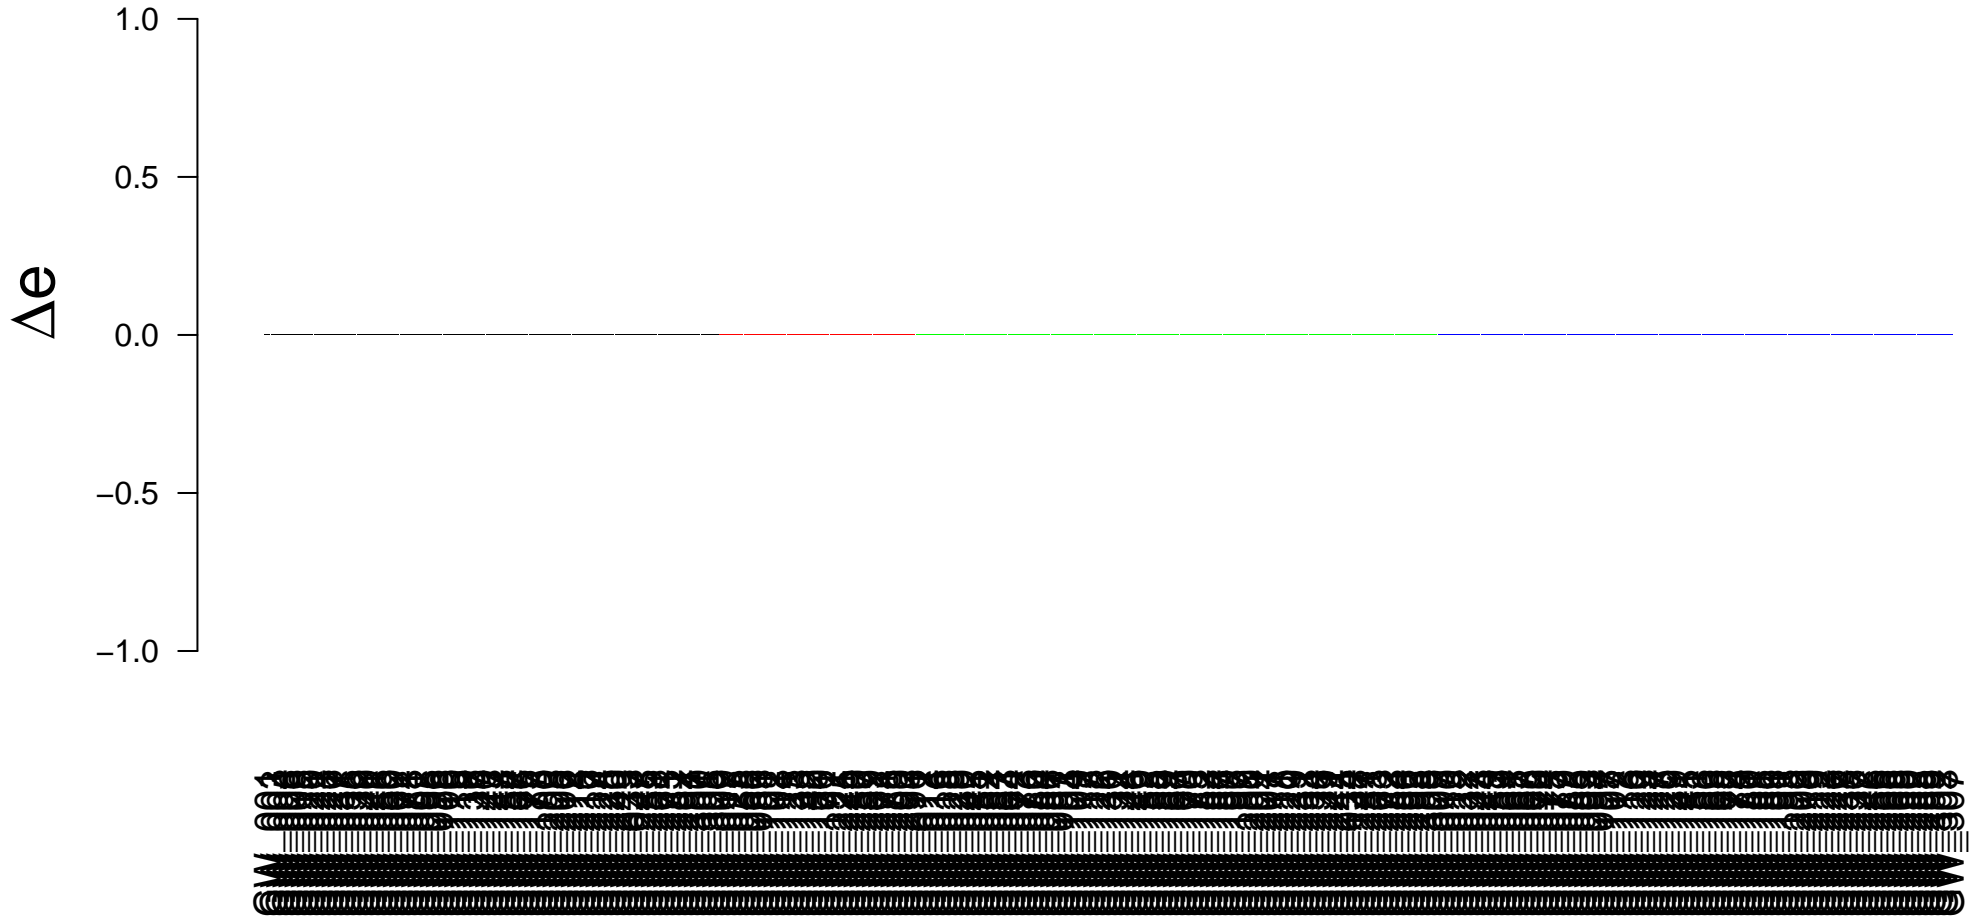

Expression of endosome organization in Spot J

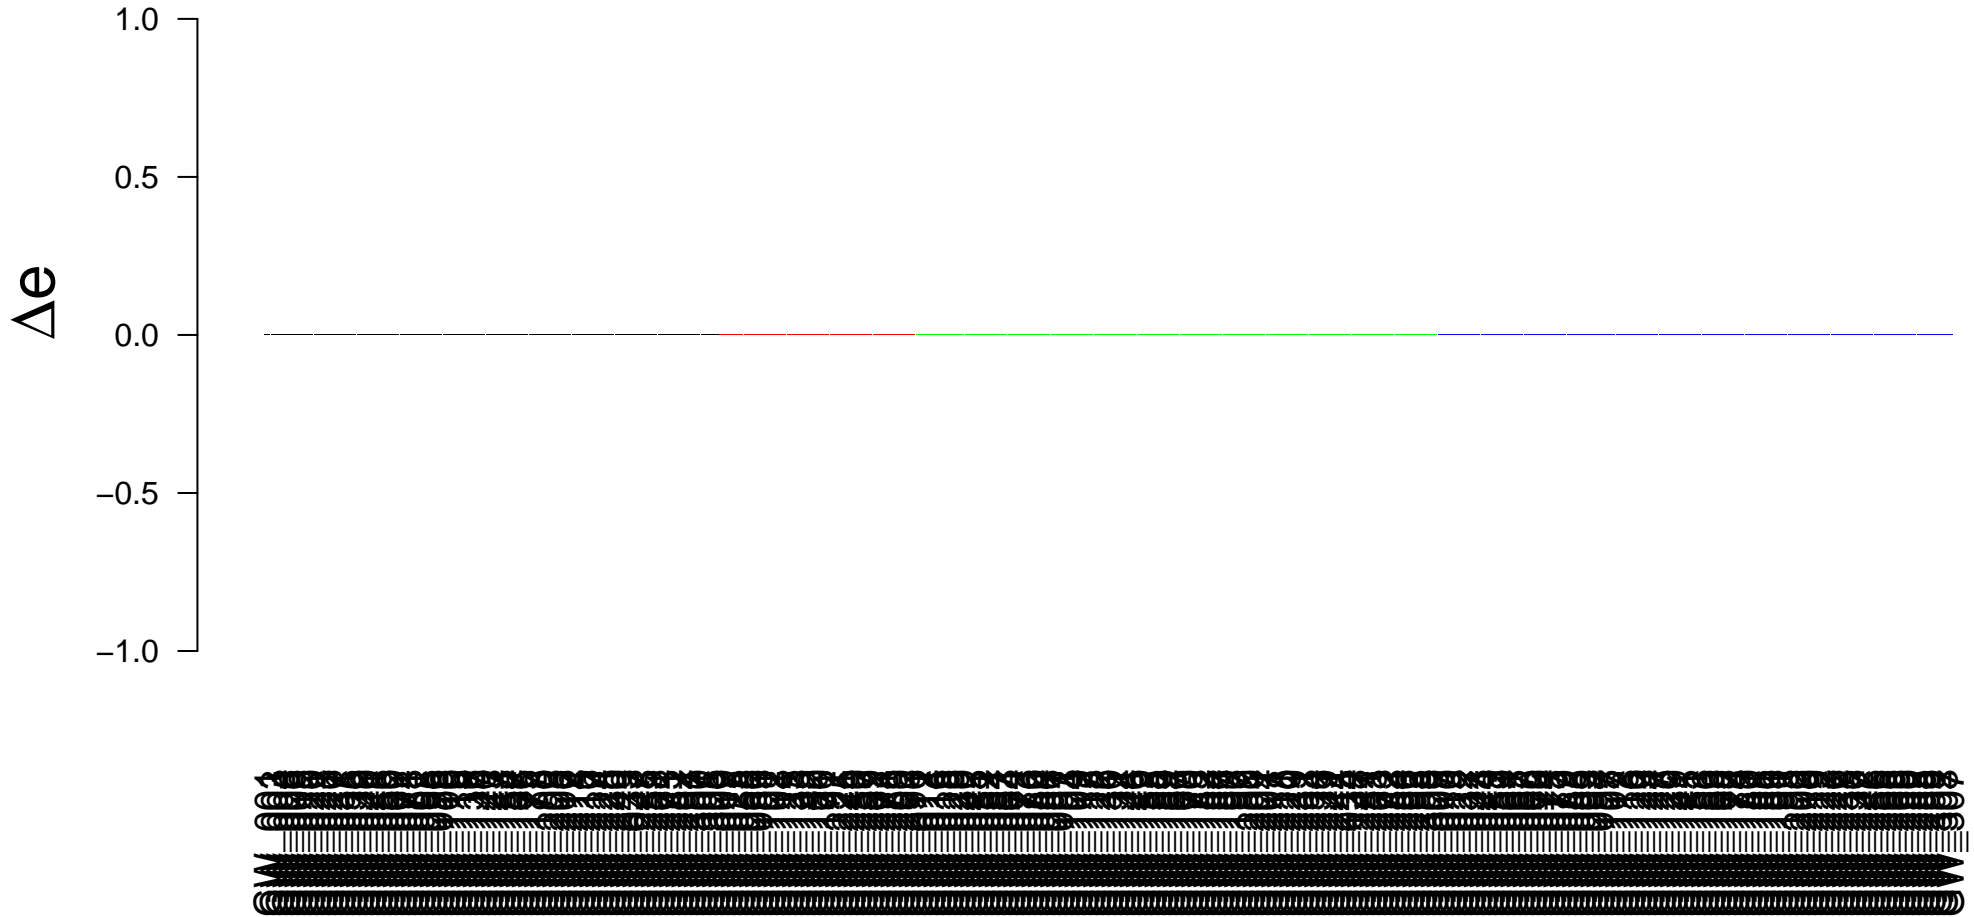

Expression of endosome organization in Spot K

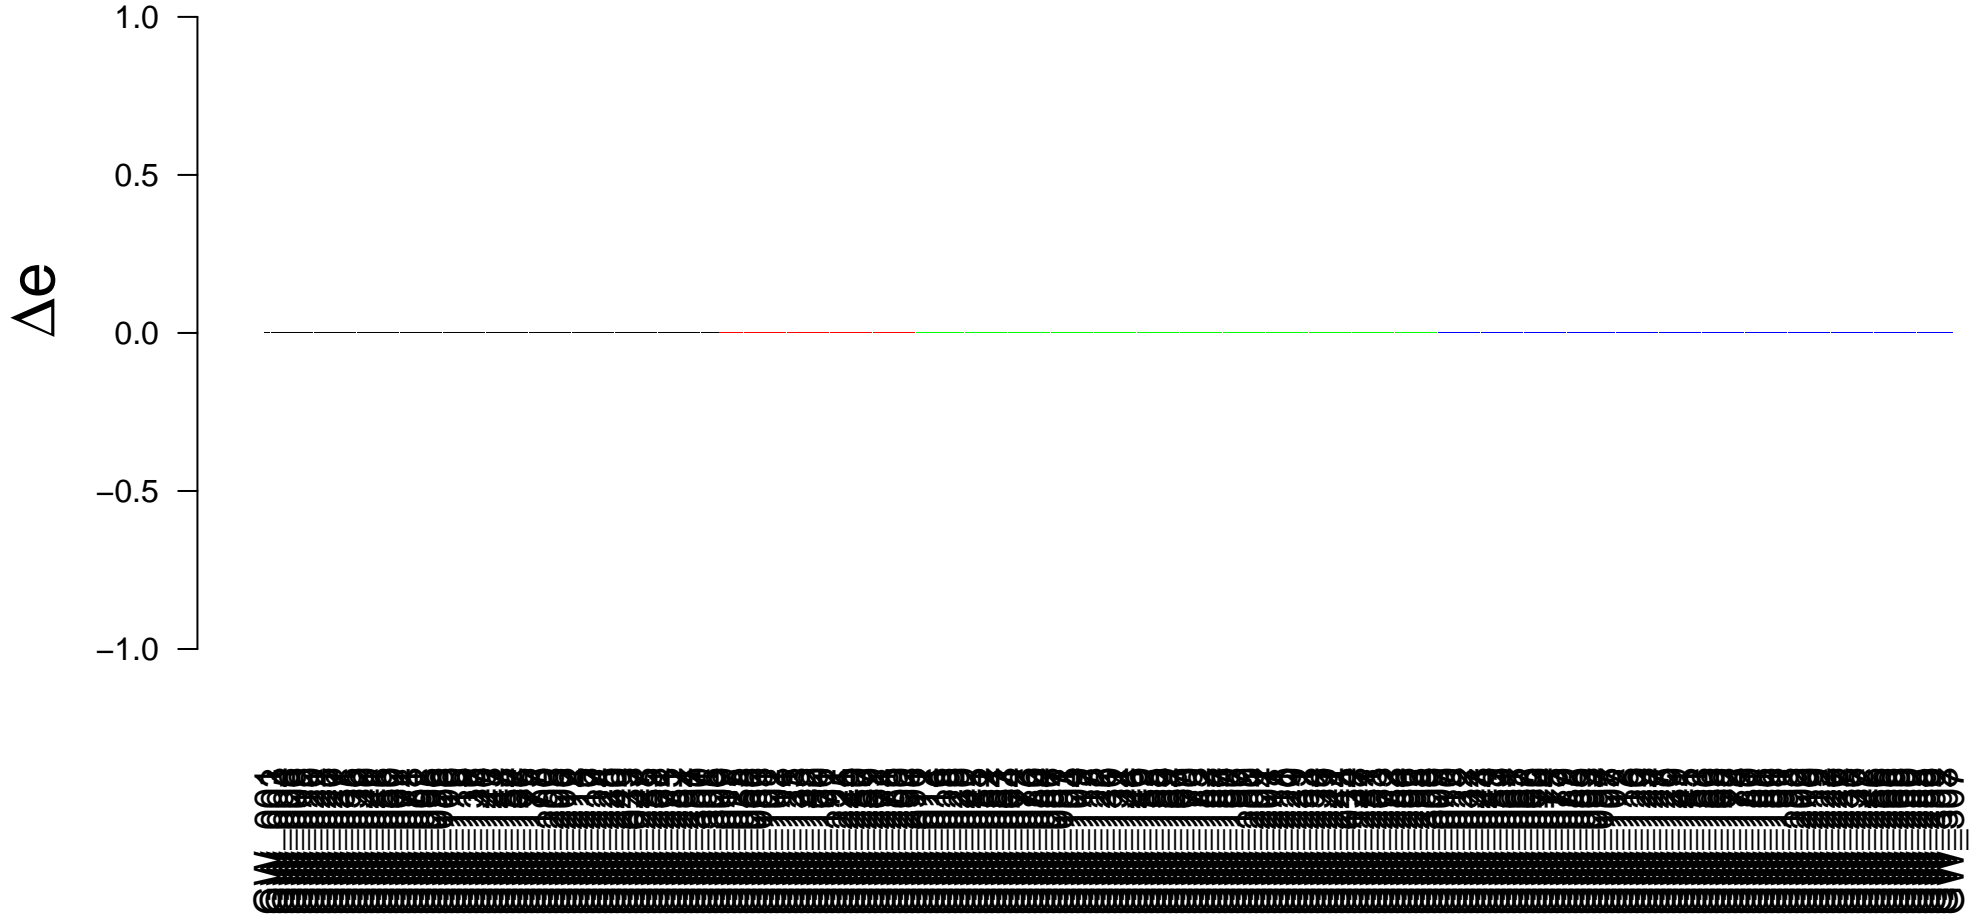

Expression of endosome organization in Spot L

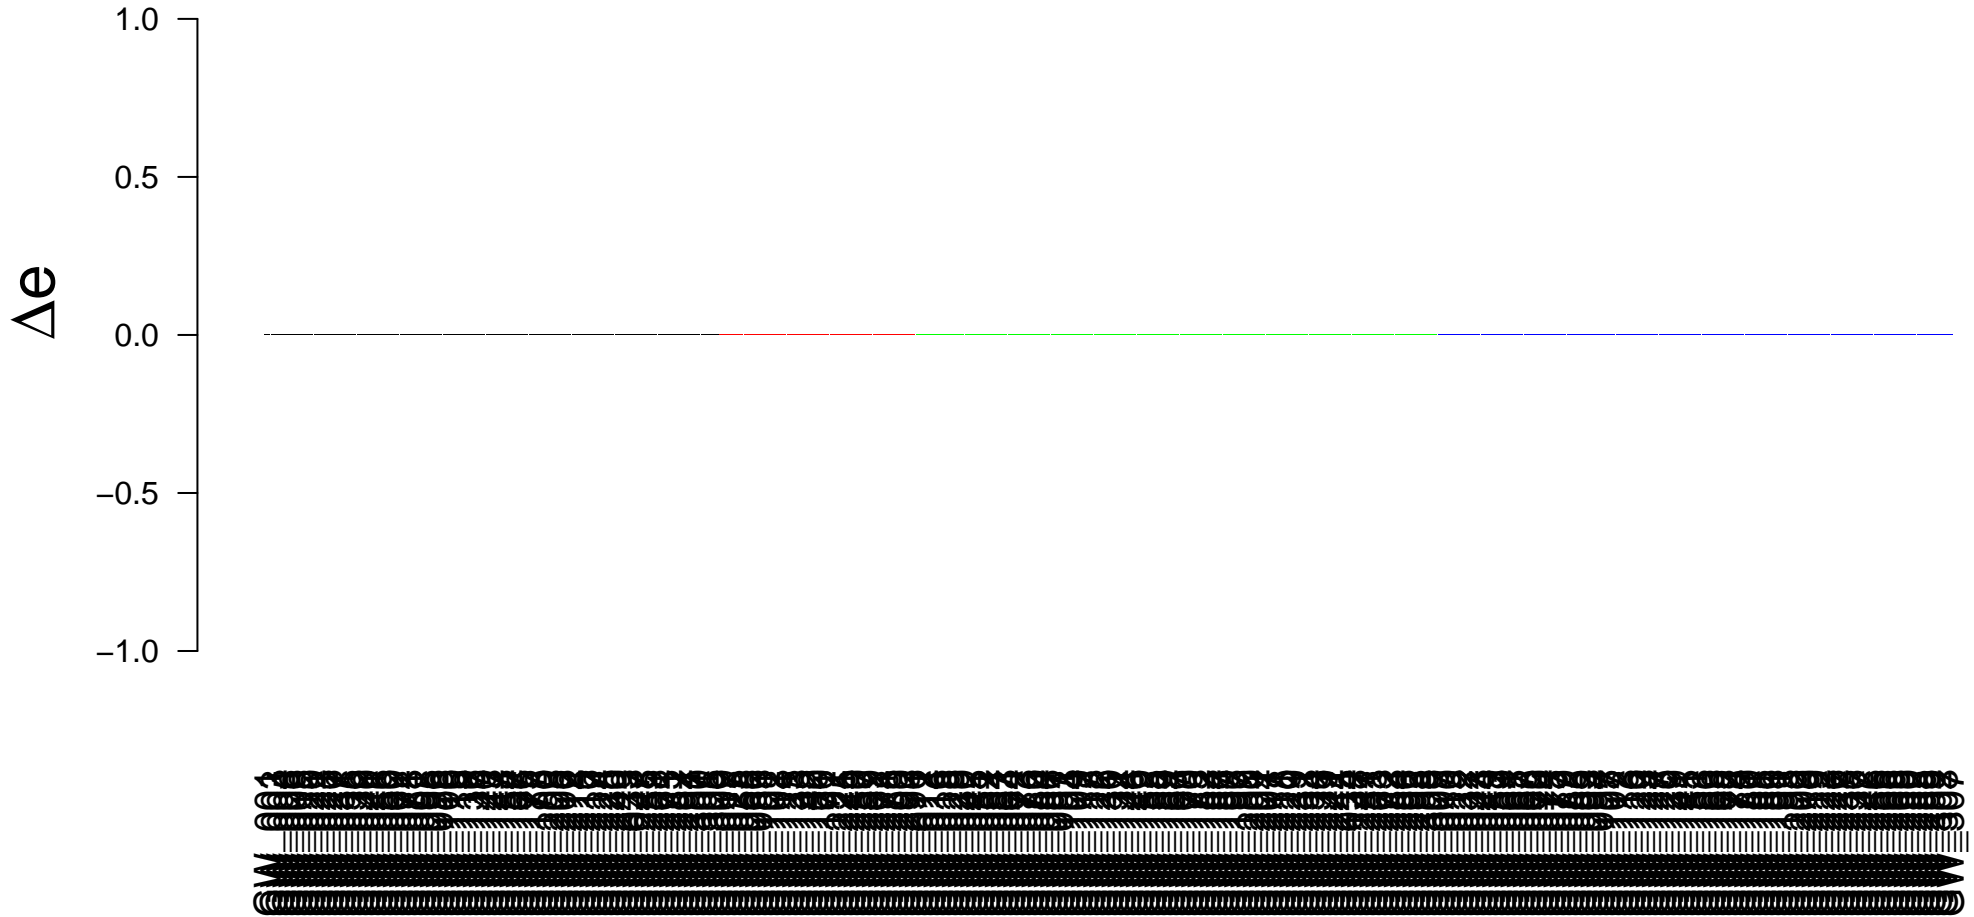

Expression of endosome organization in Spot M

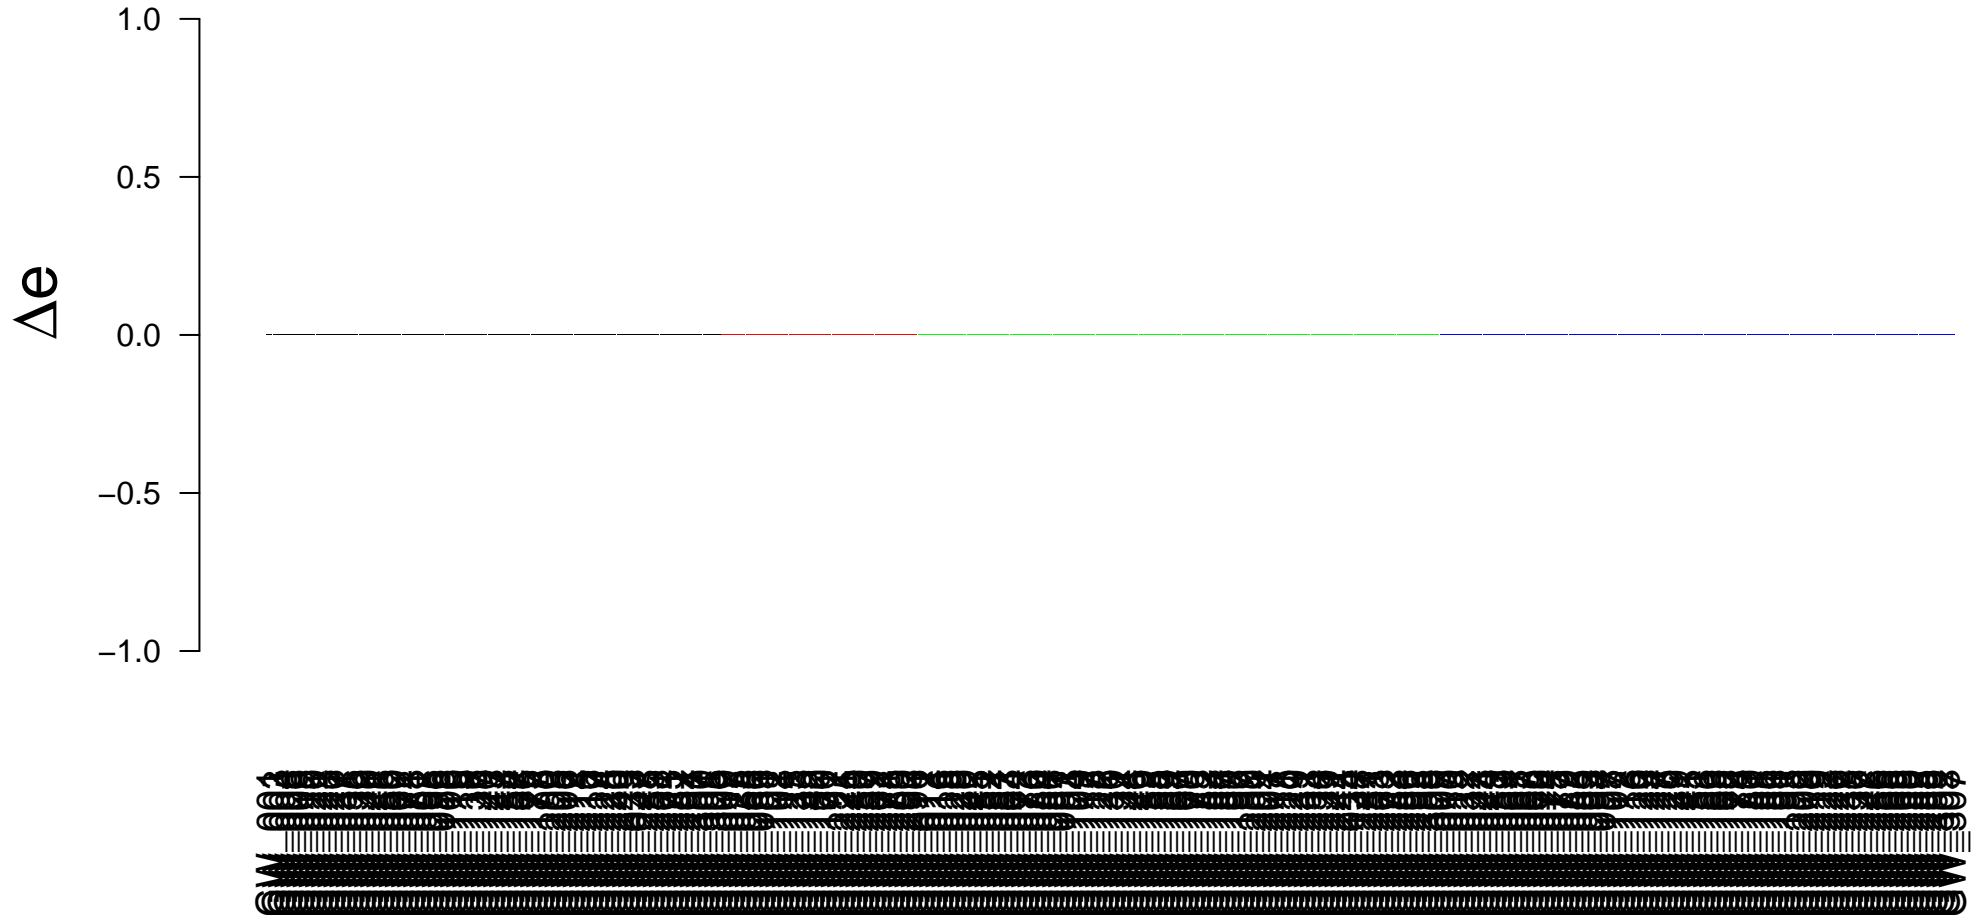

Expression of endosome organization in Spot N

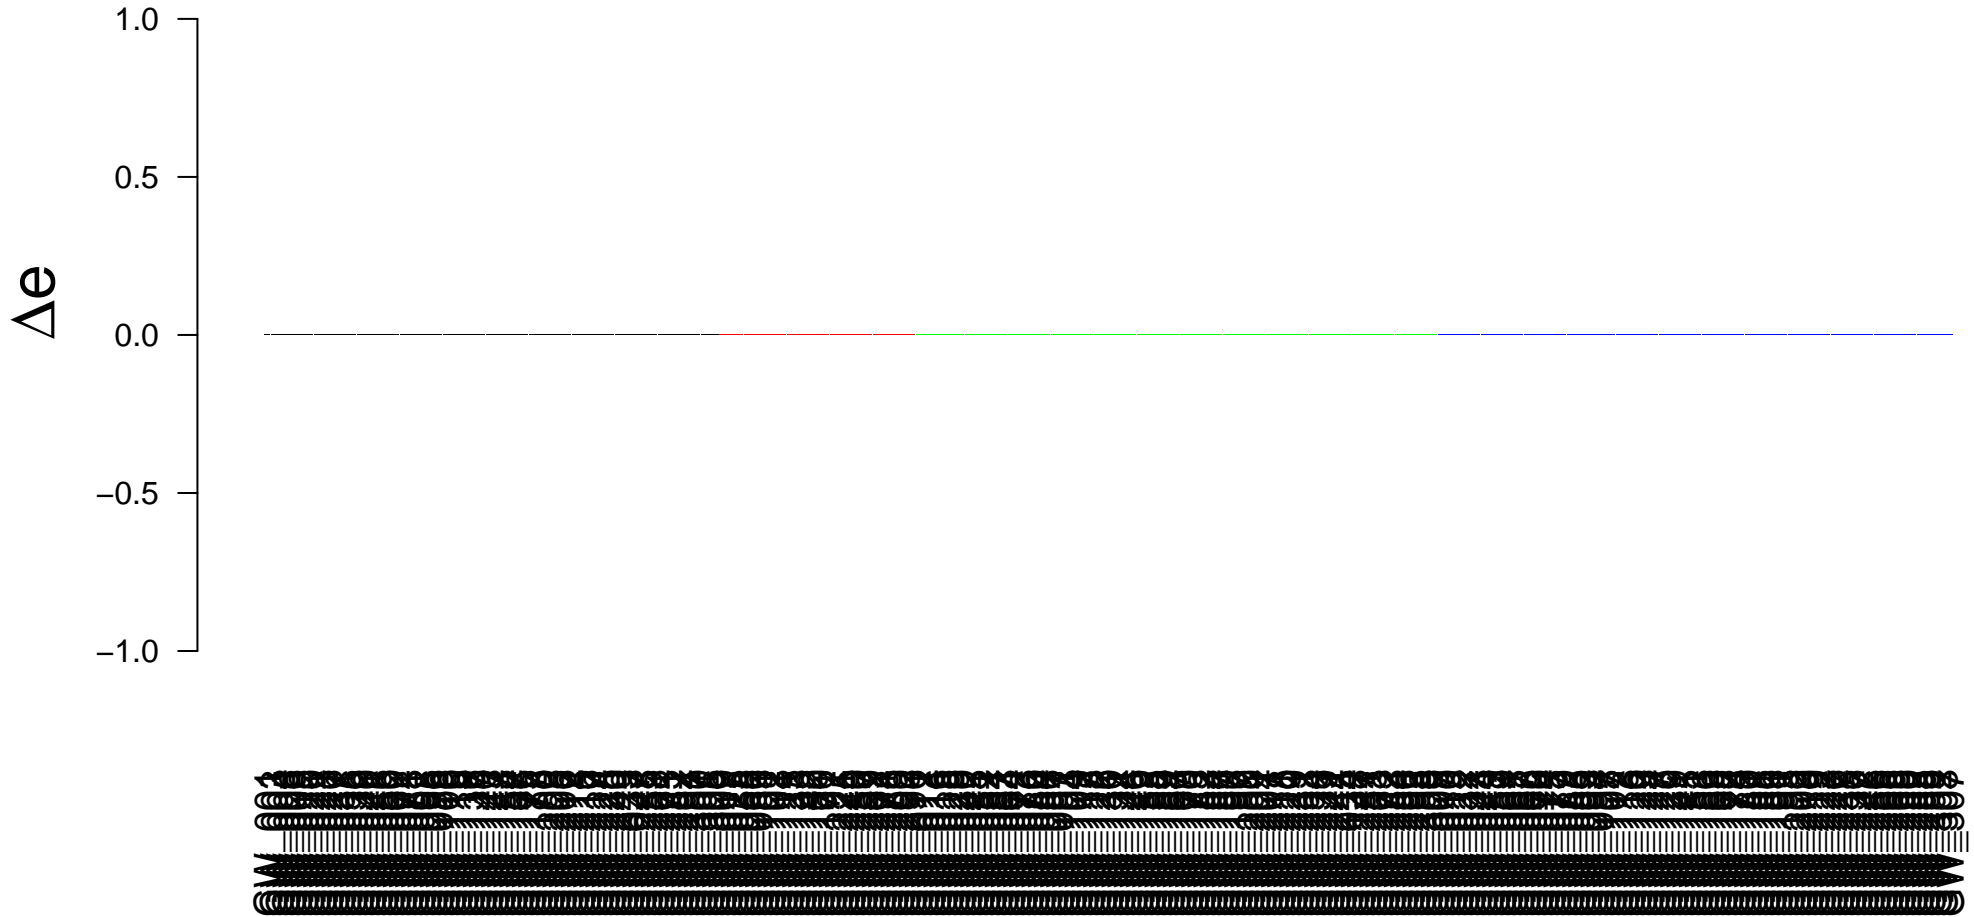

Expression of endosome organization in Spot O

Expression of endosome organization in Spot P

Expression of endosome organization in Spot Q

Expression of endosome organization in Spot R
