

enteric nervous system development

enteric nervous system development

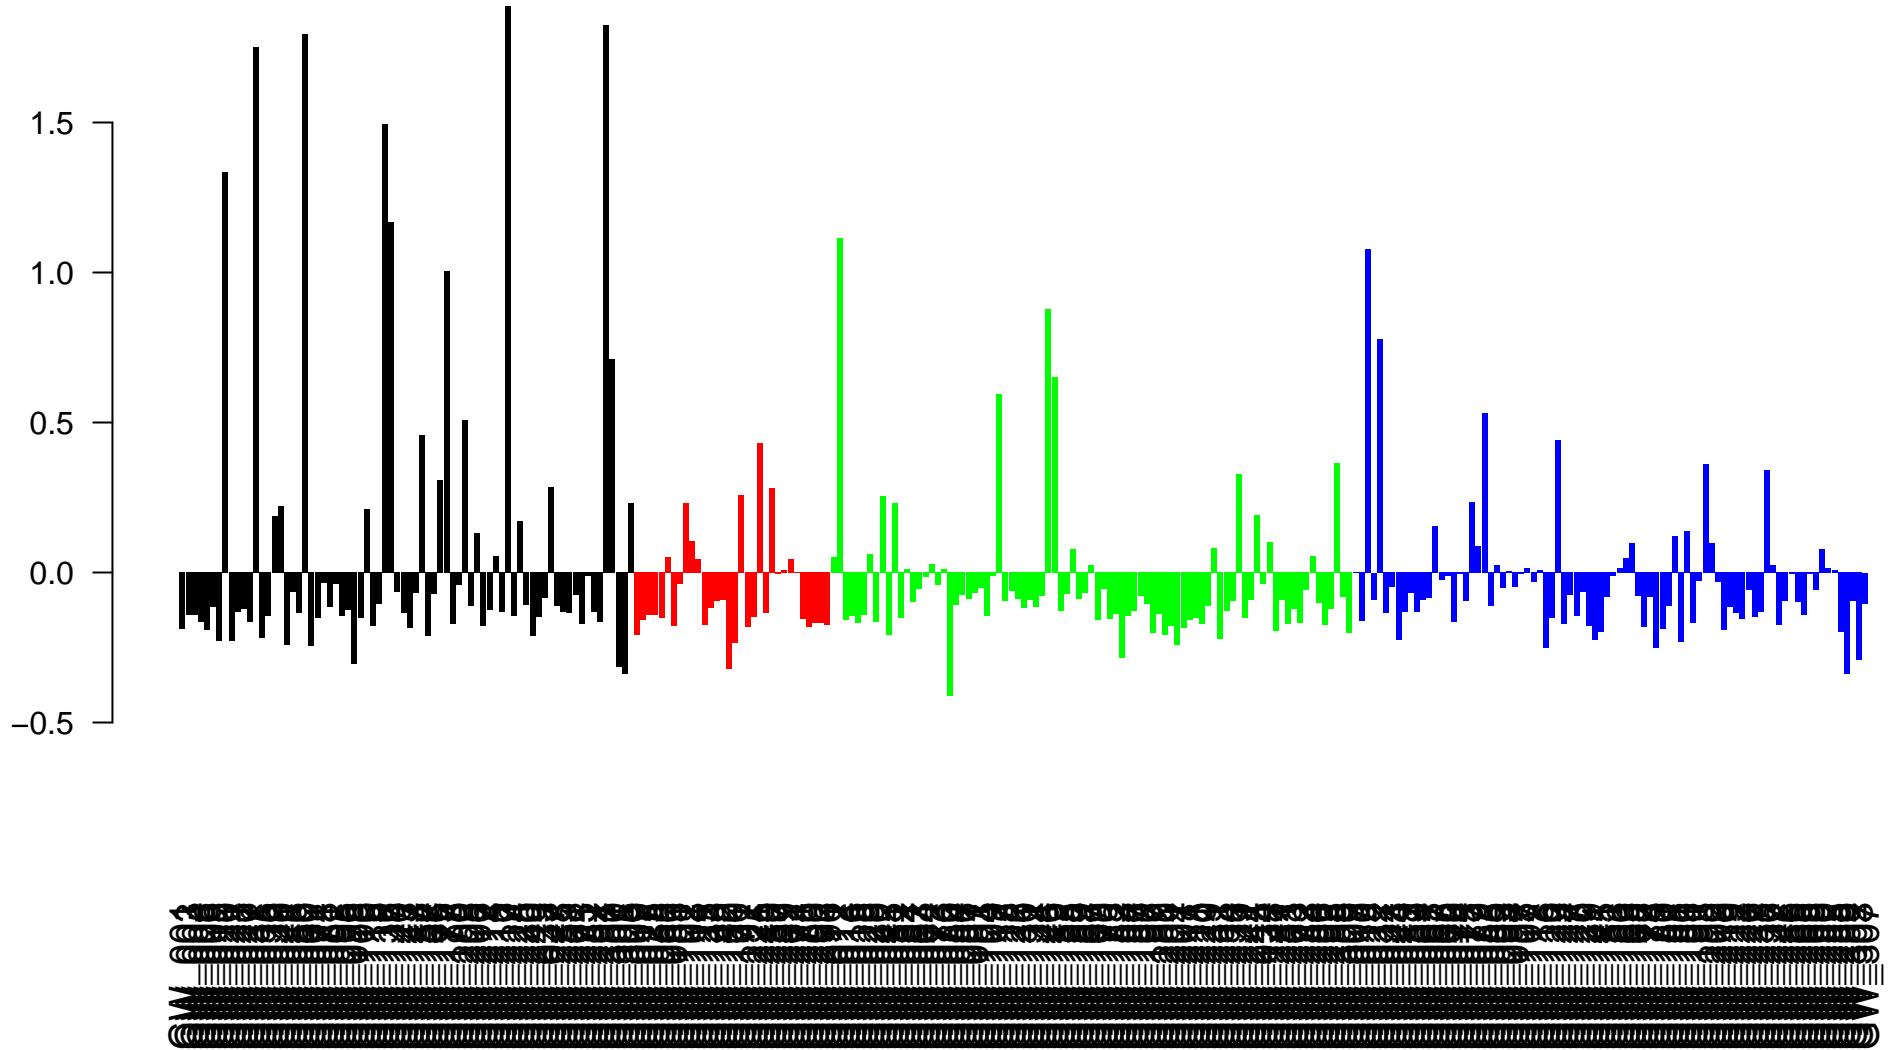

Enrichment in spots: enteric nervous system development

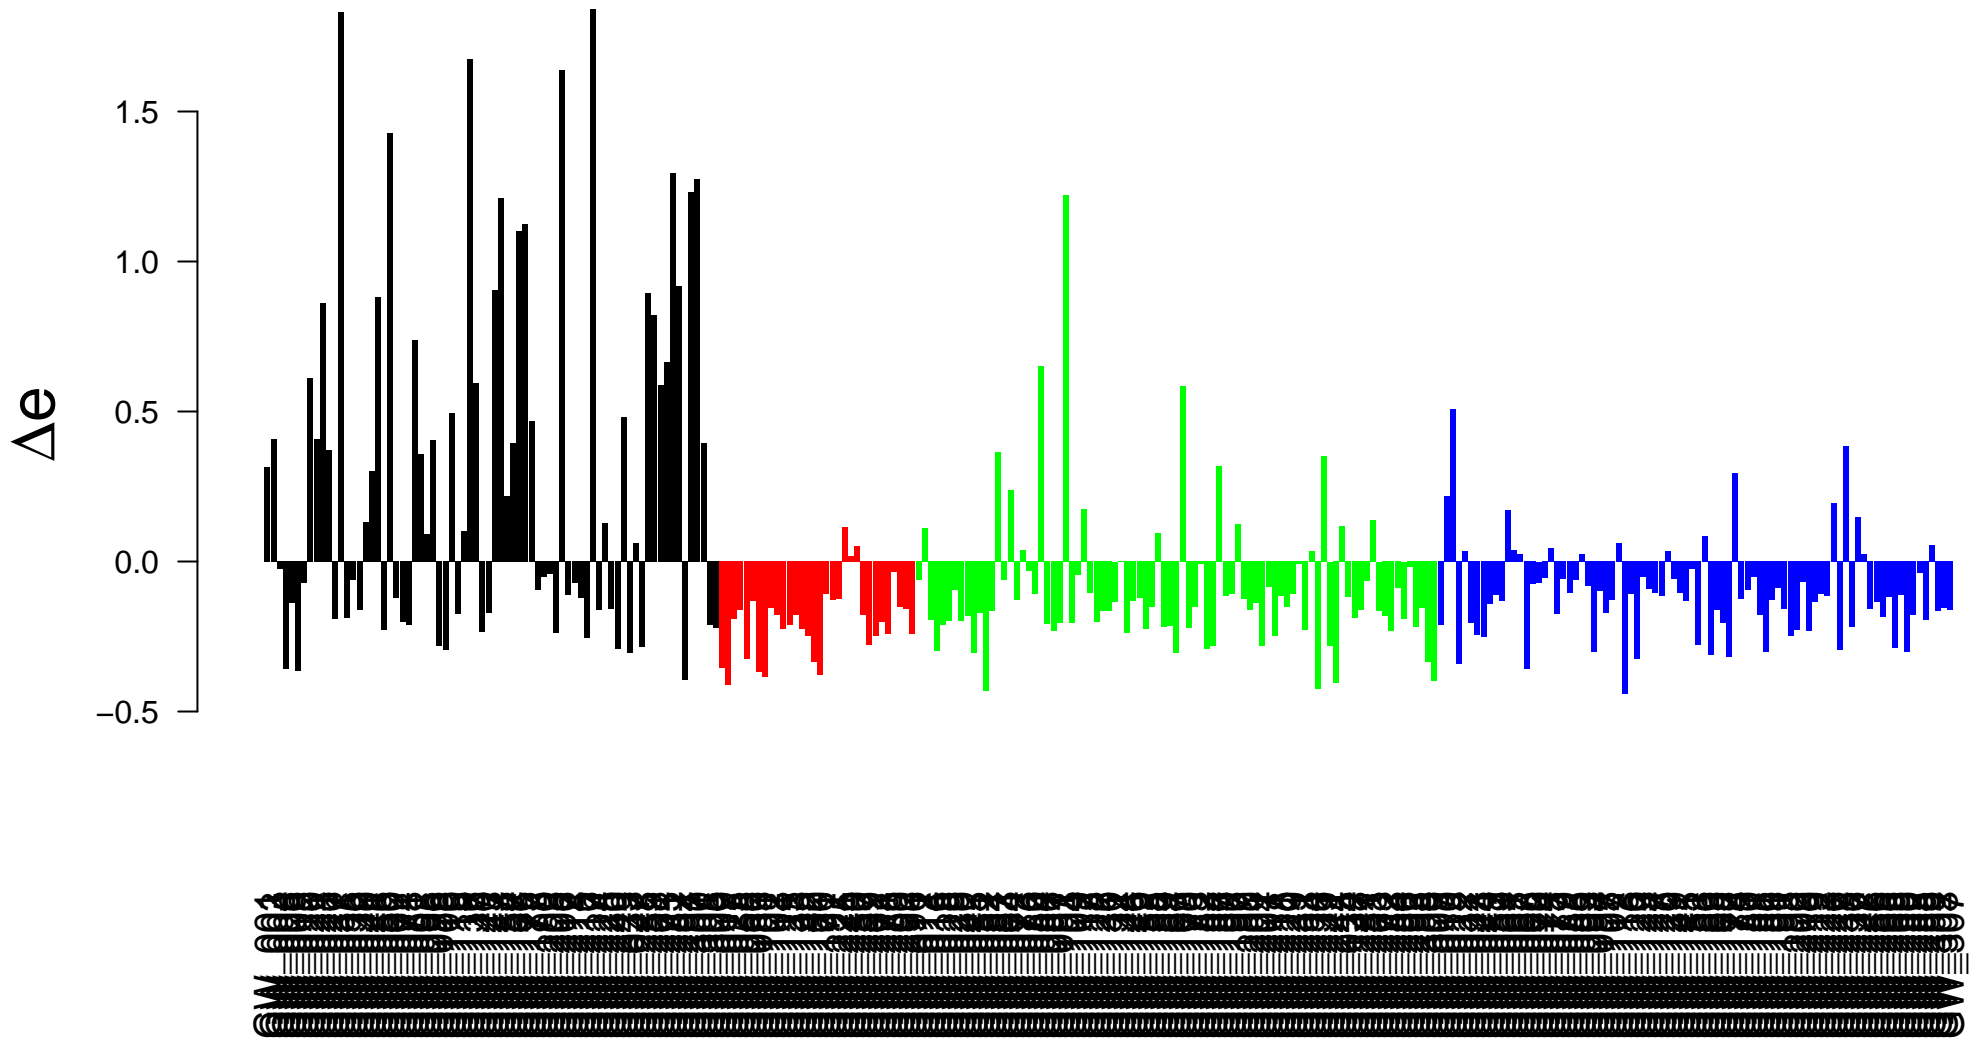

Expression of enteric nervous system development in Spot A

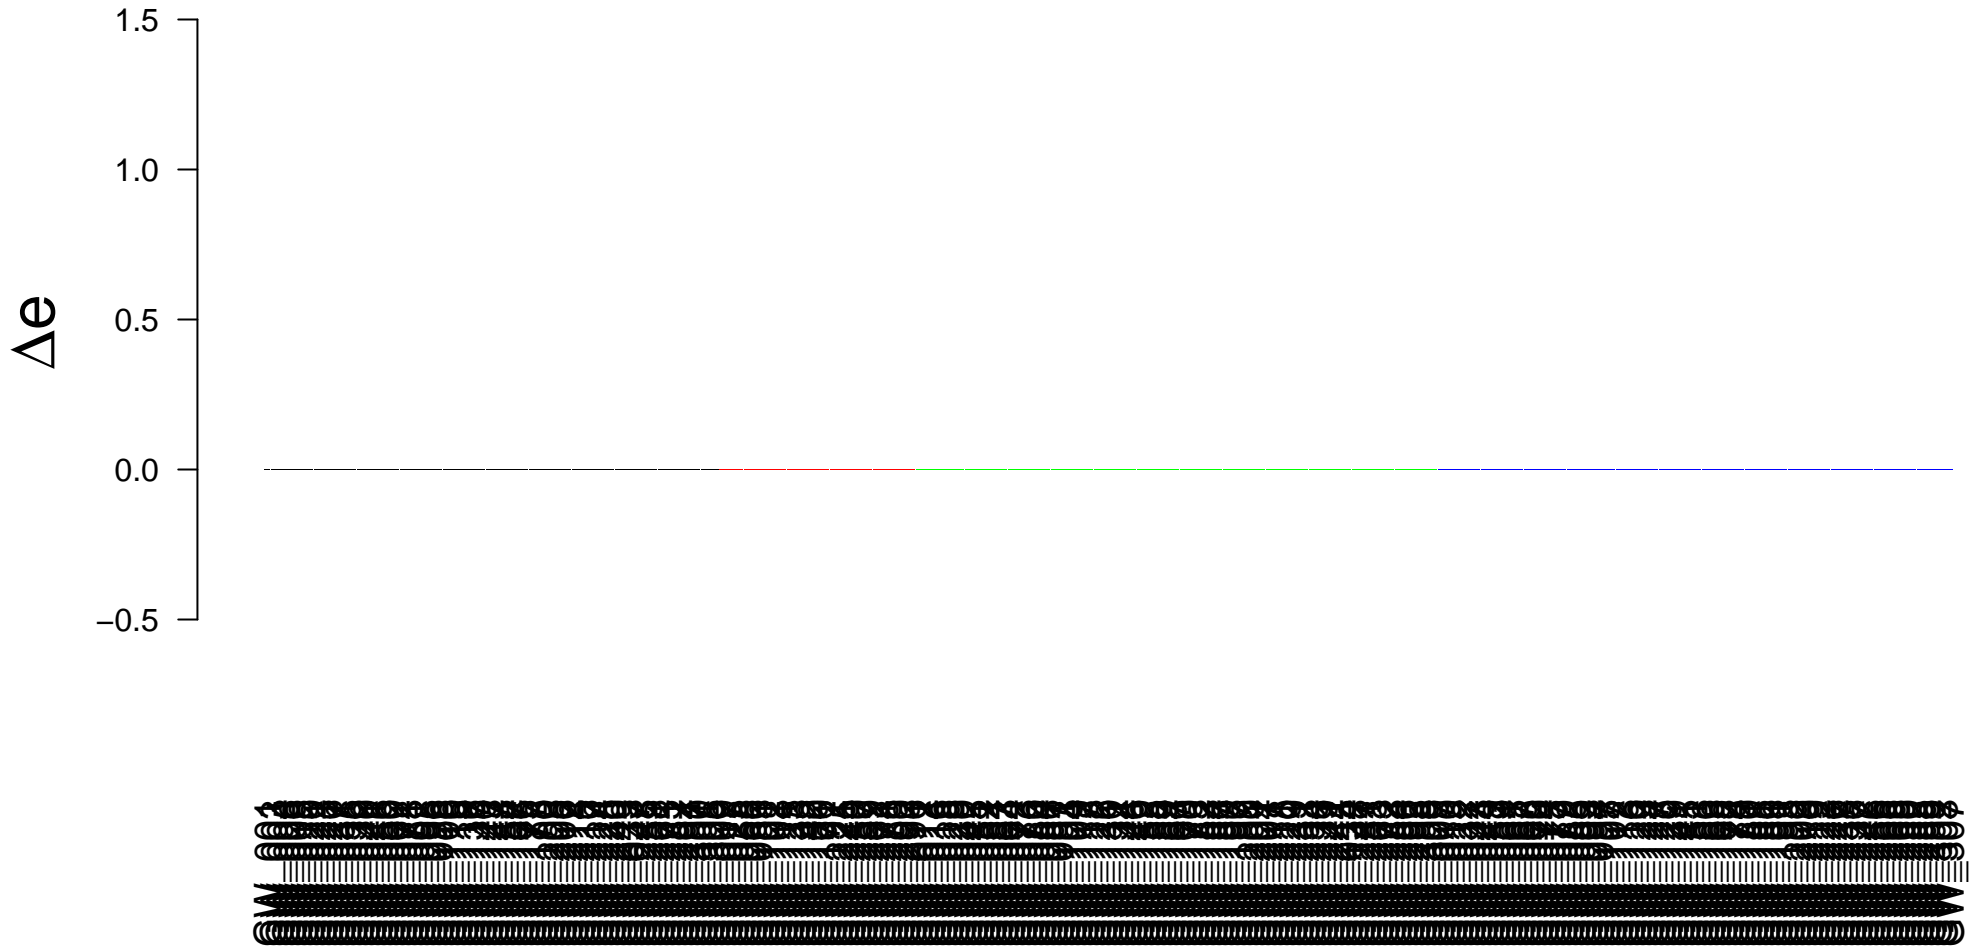

Δe

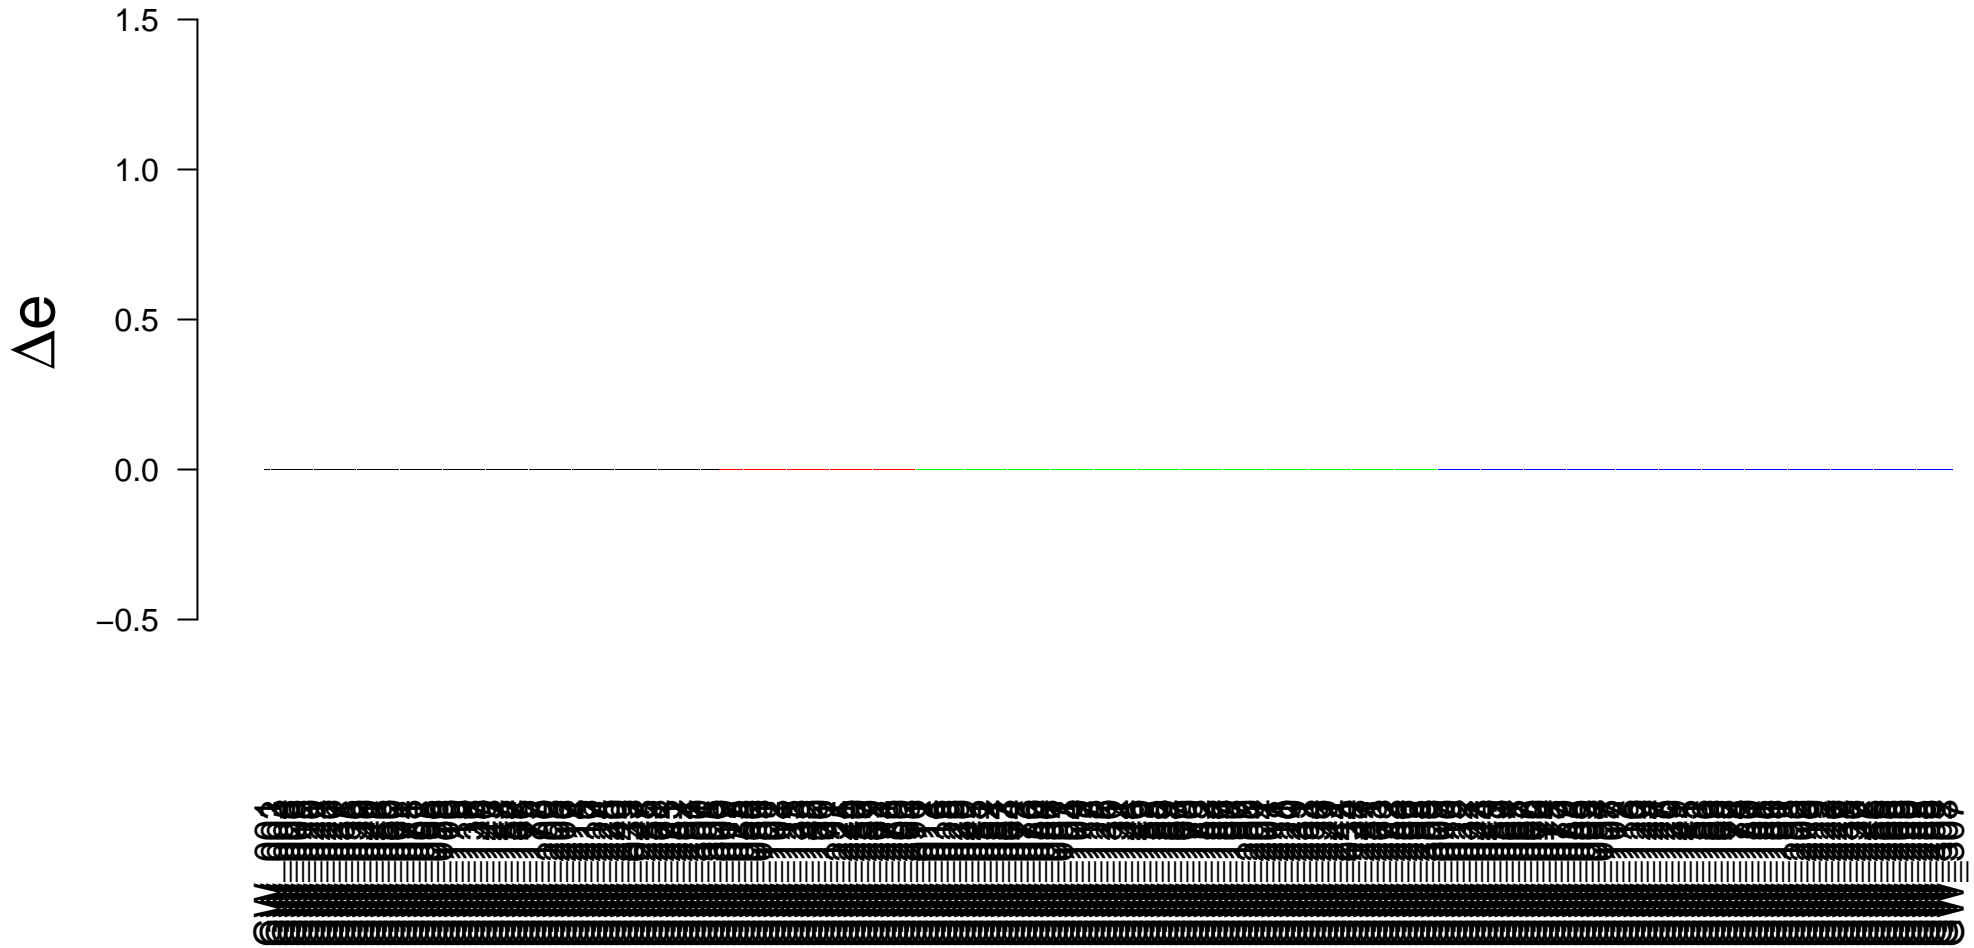

Expression of enteric nervous system development in Spot B

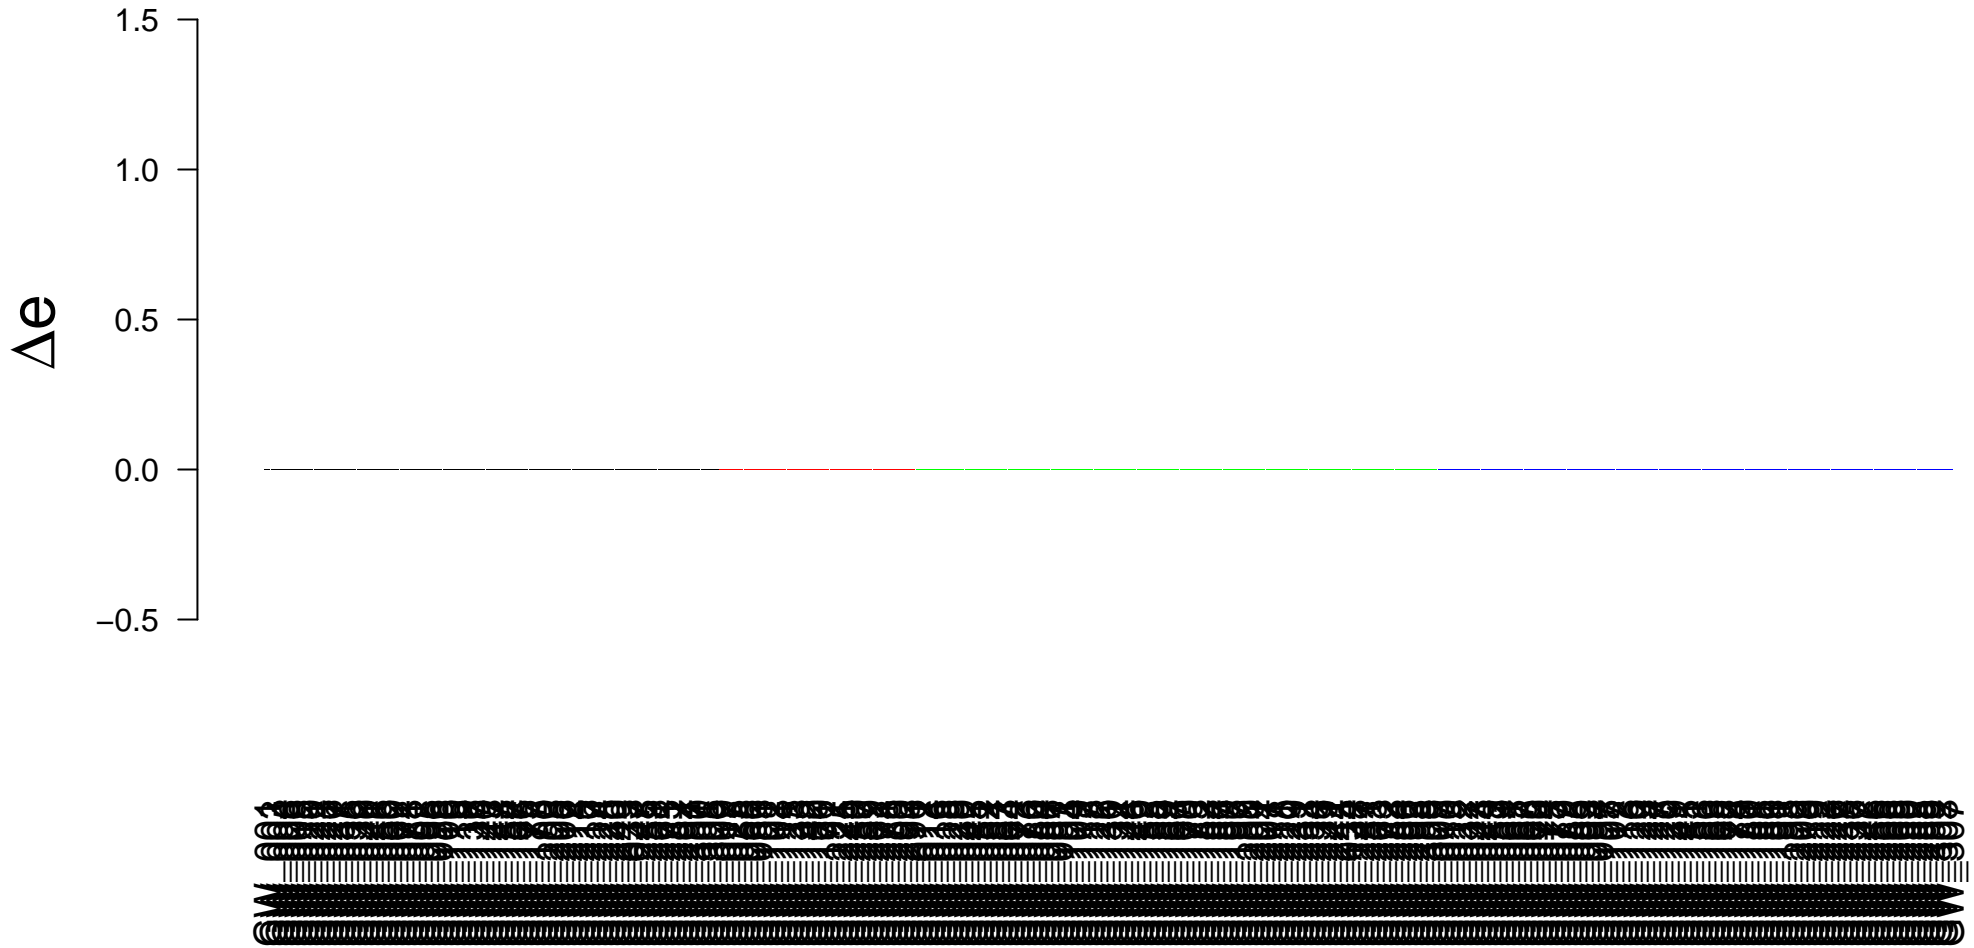

Expression of enteric nervous system development in Spot C

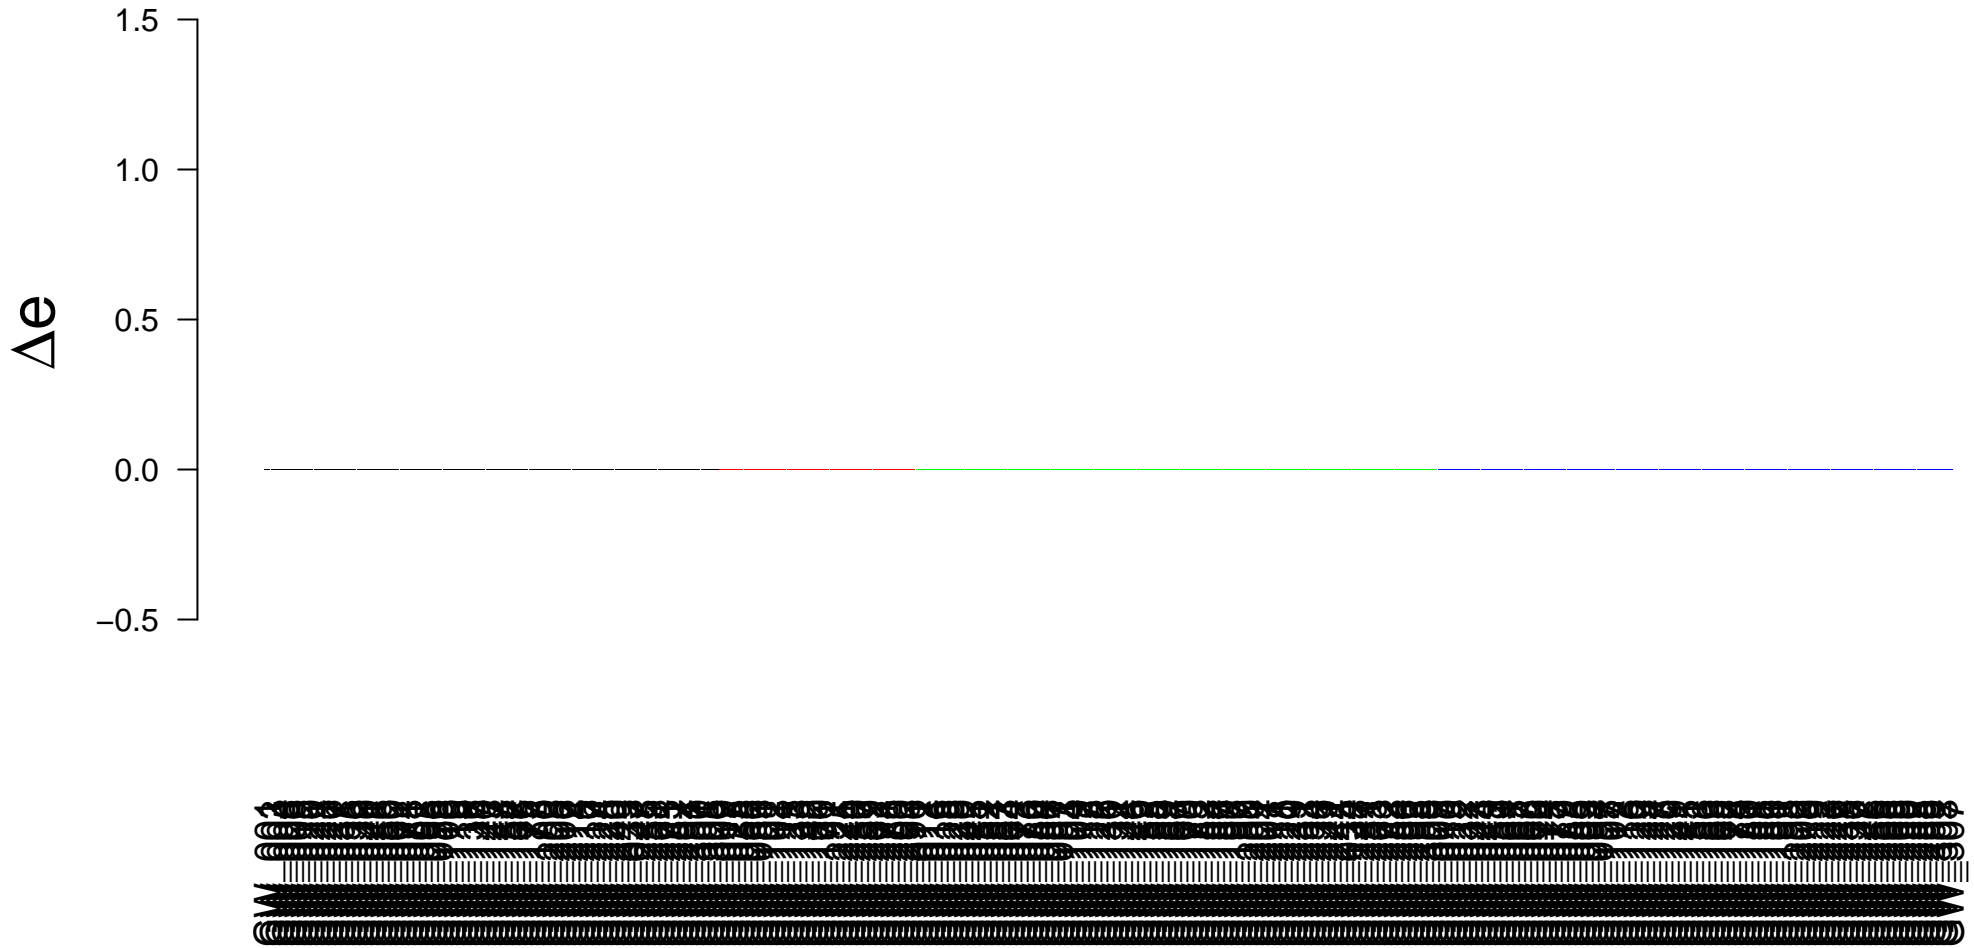

Expression of enteric nervous system development in Spot D

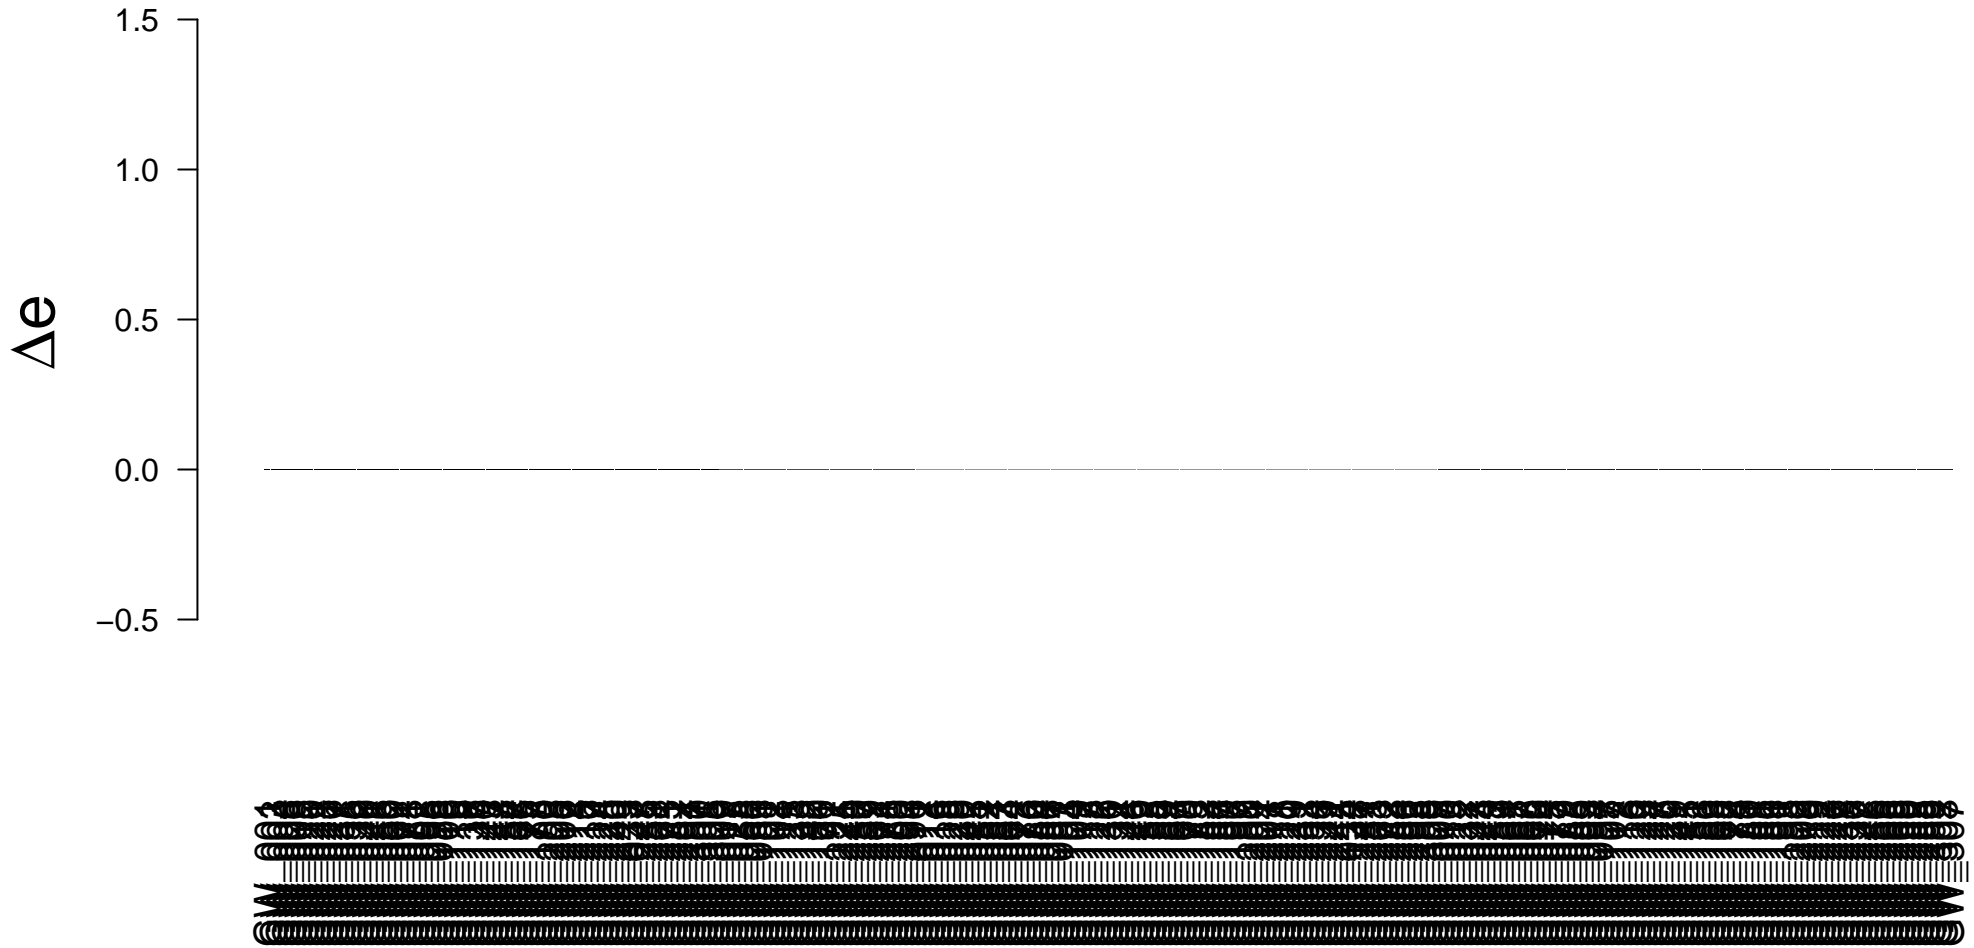

Expression of enteric nervous system development in Spot E

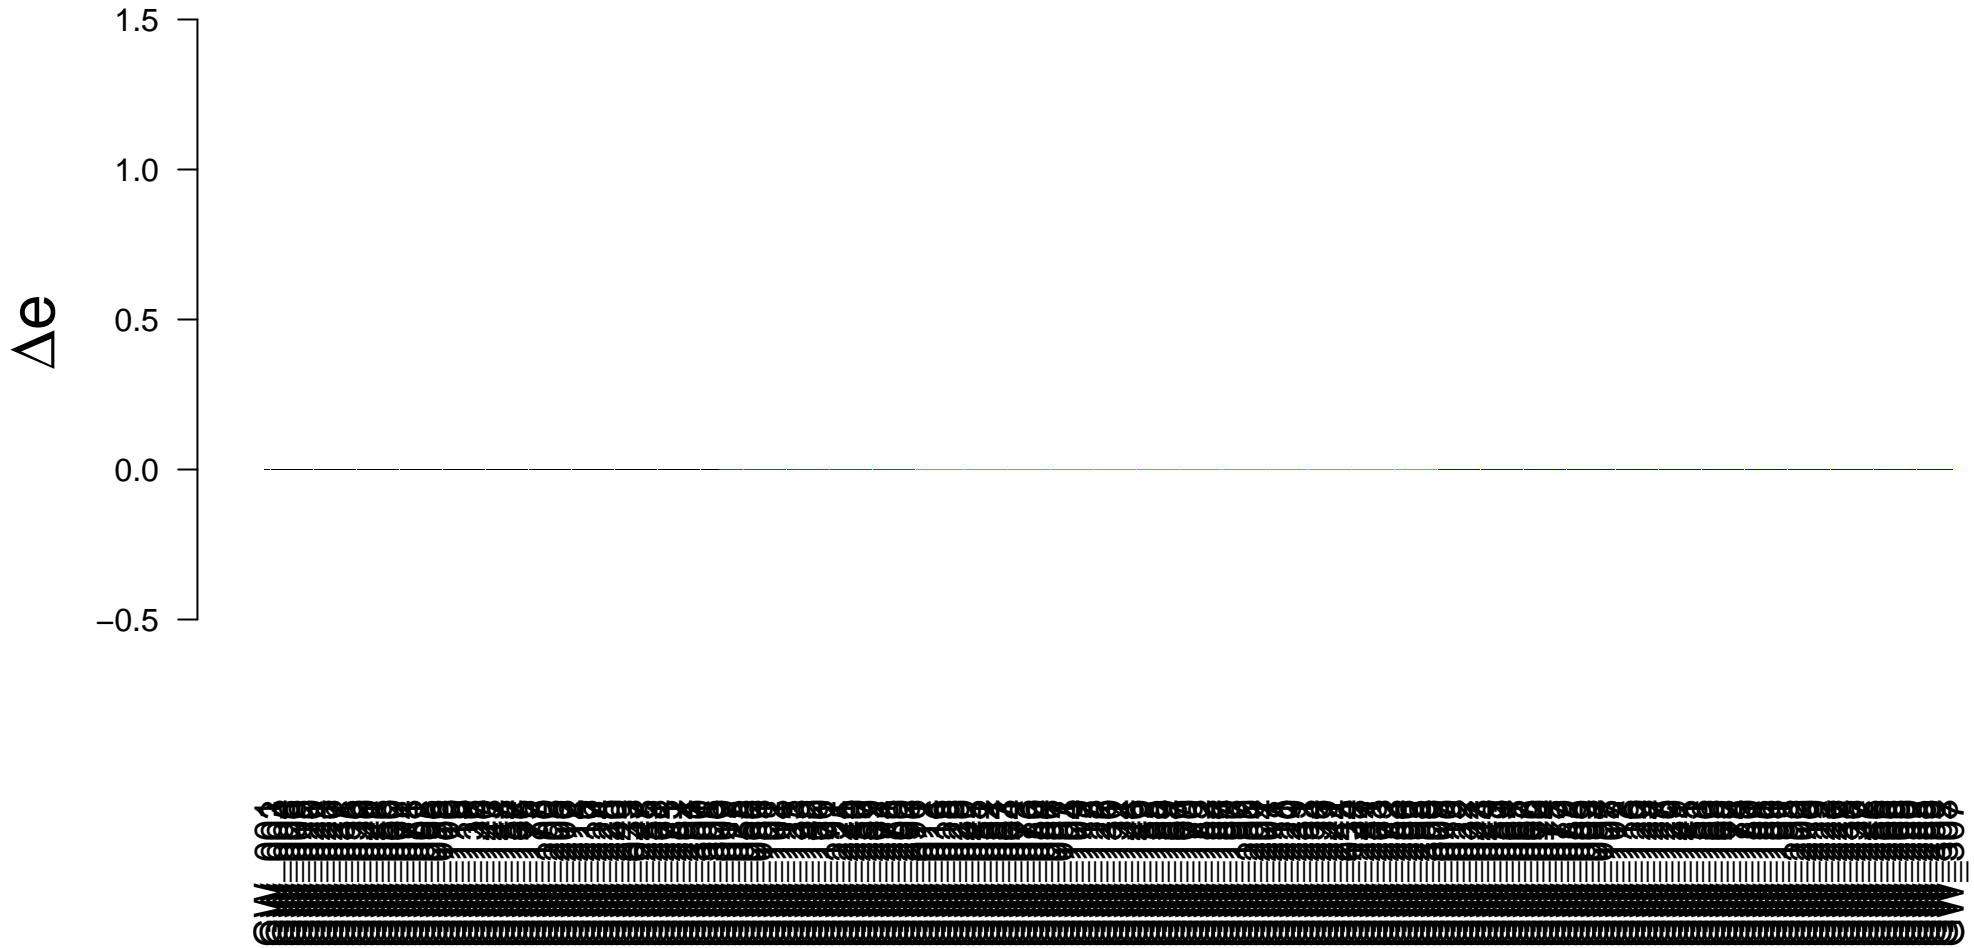

Expression of enteric nervous system development in Spot F

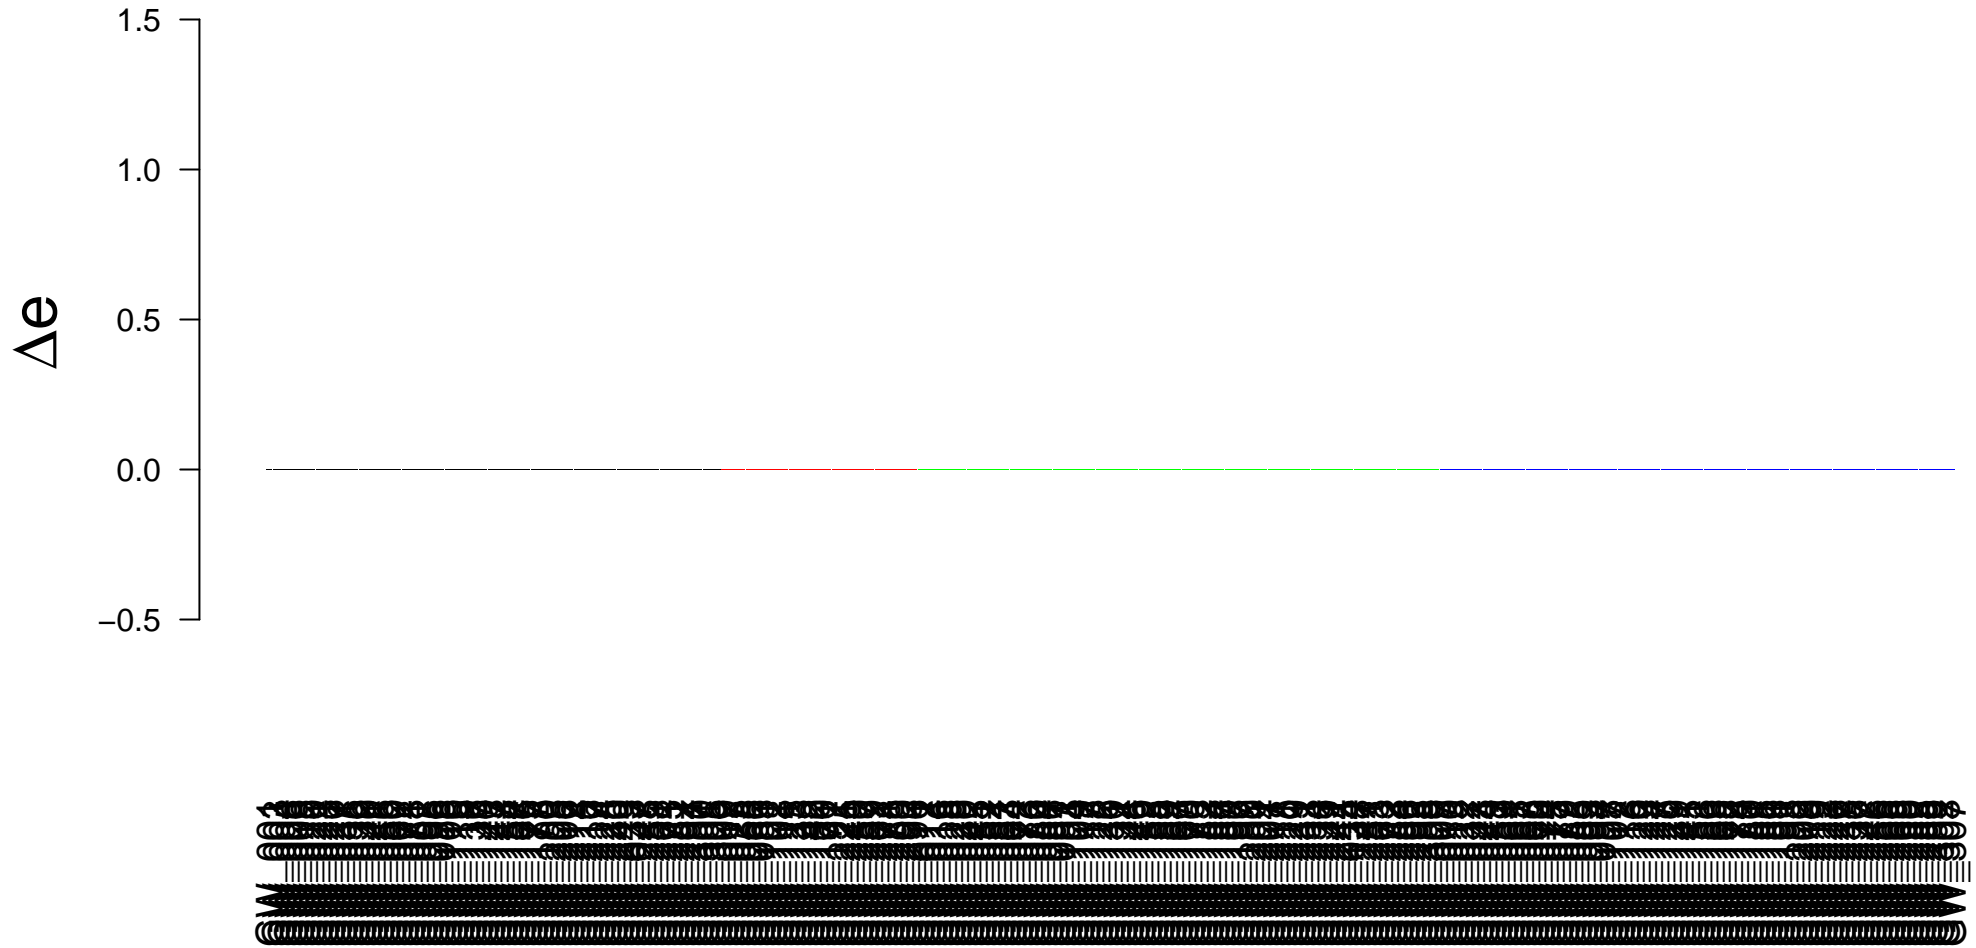

Expression of enteric nervous system development in Spot G

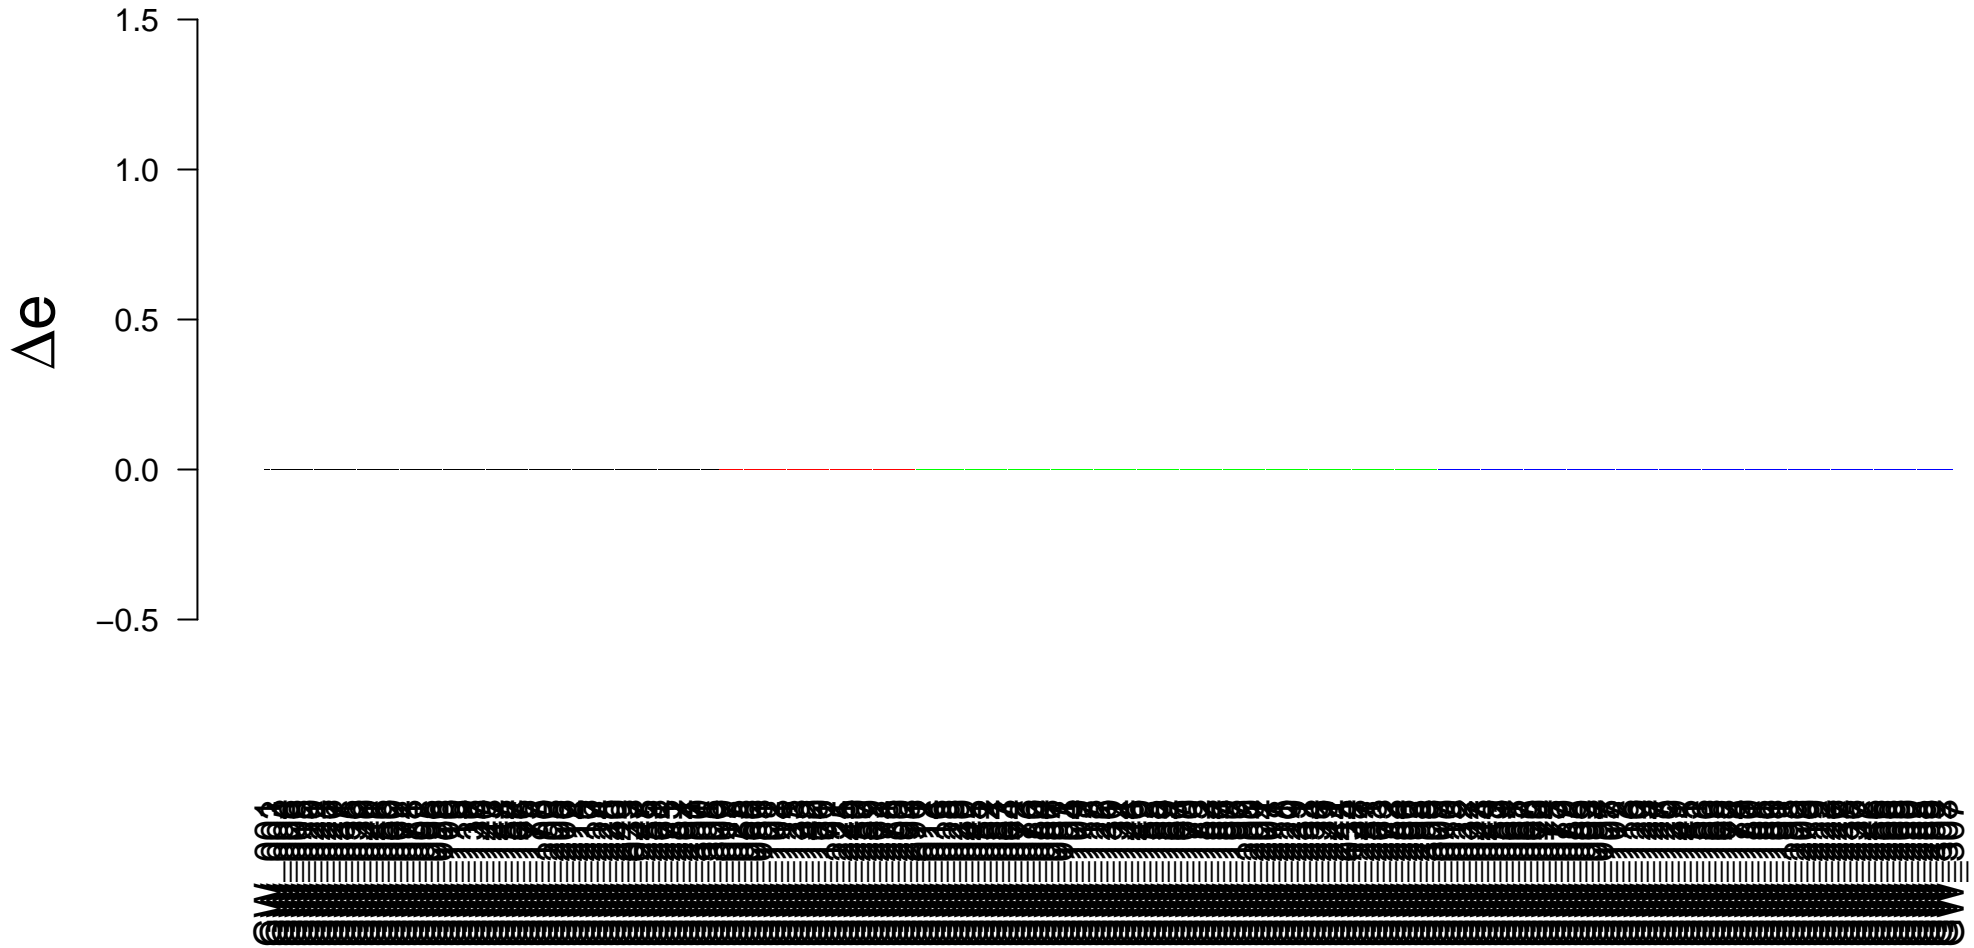

Expression of enteric nervous system development in Spot H

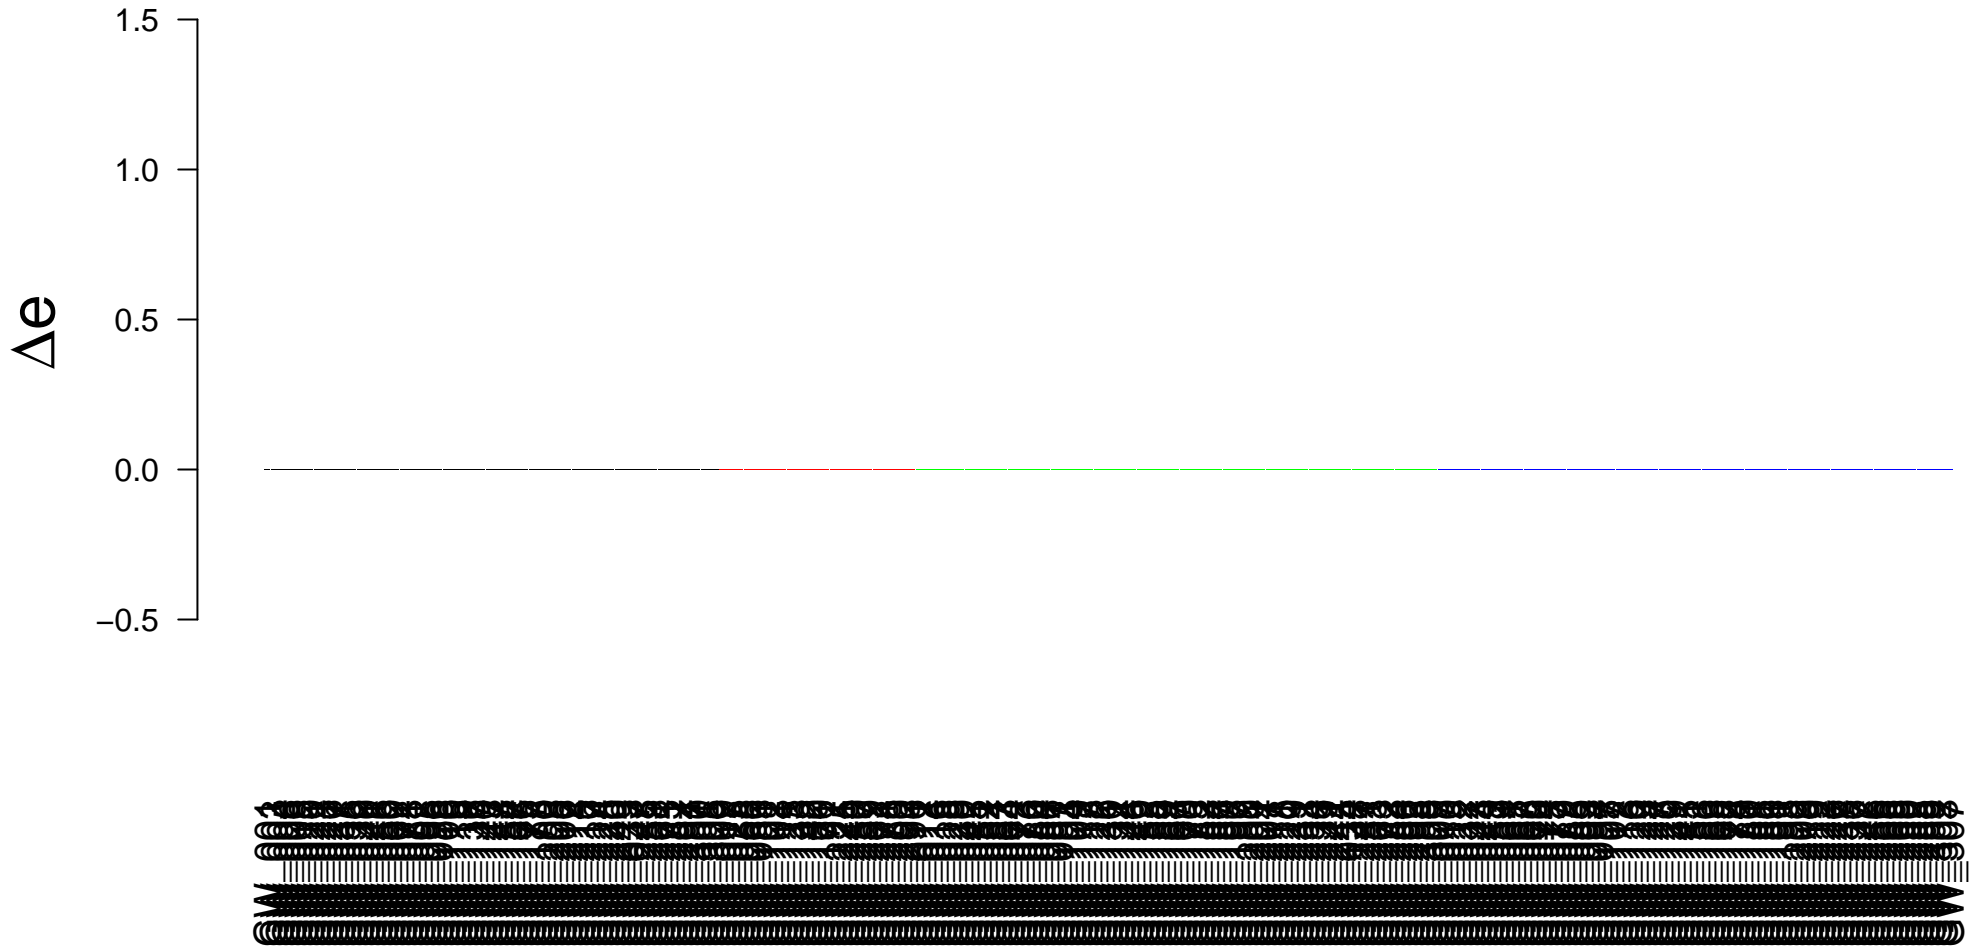

Expression of enteric nervous system development in Spot I

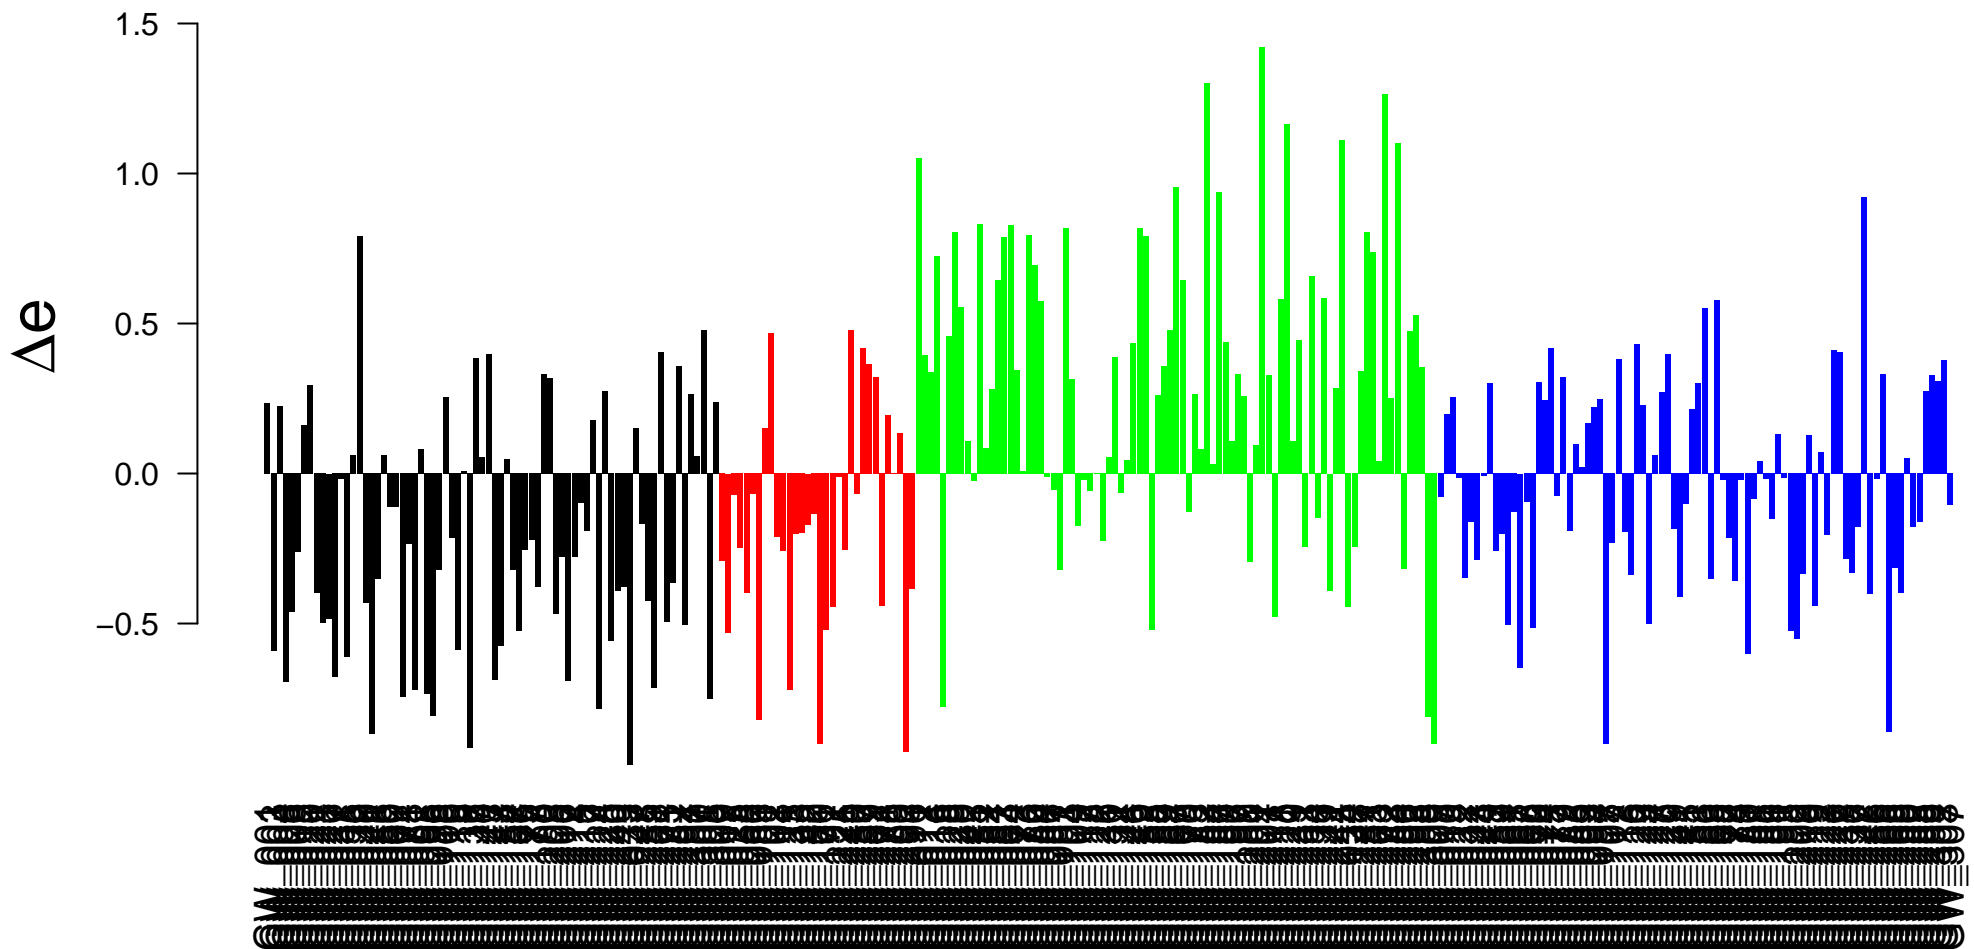

Expression of enteric nervous system development in Spot J

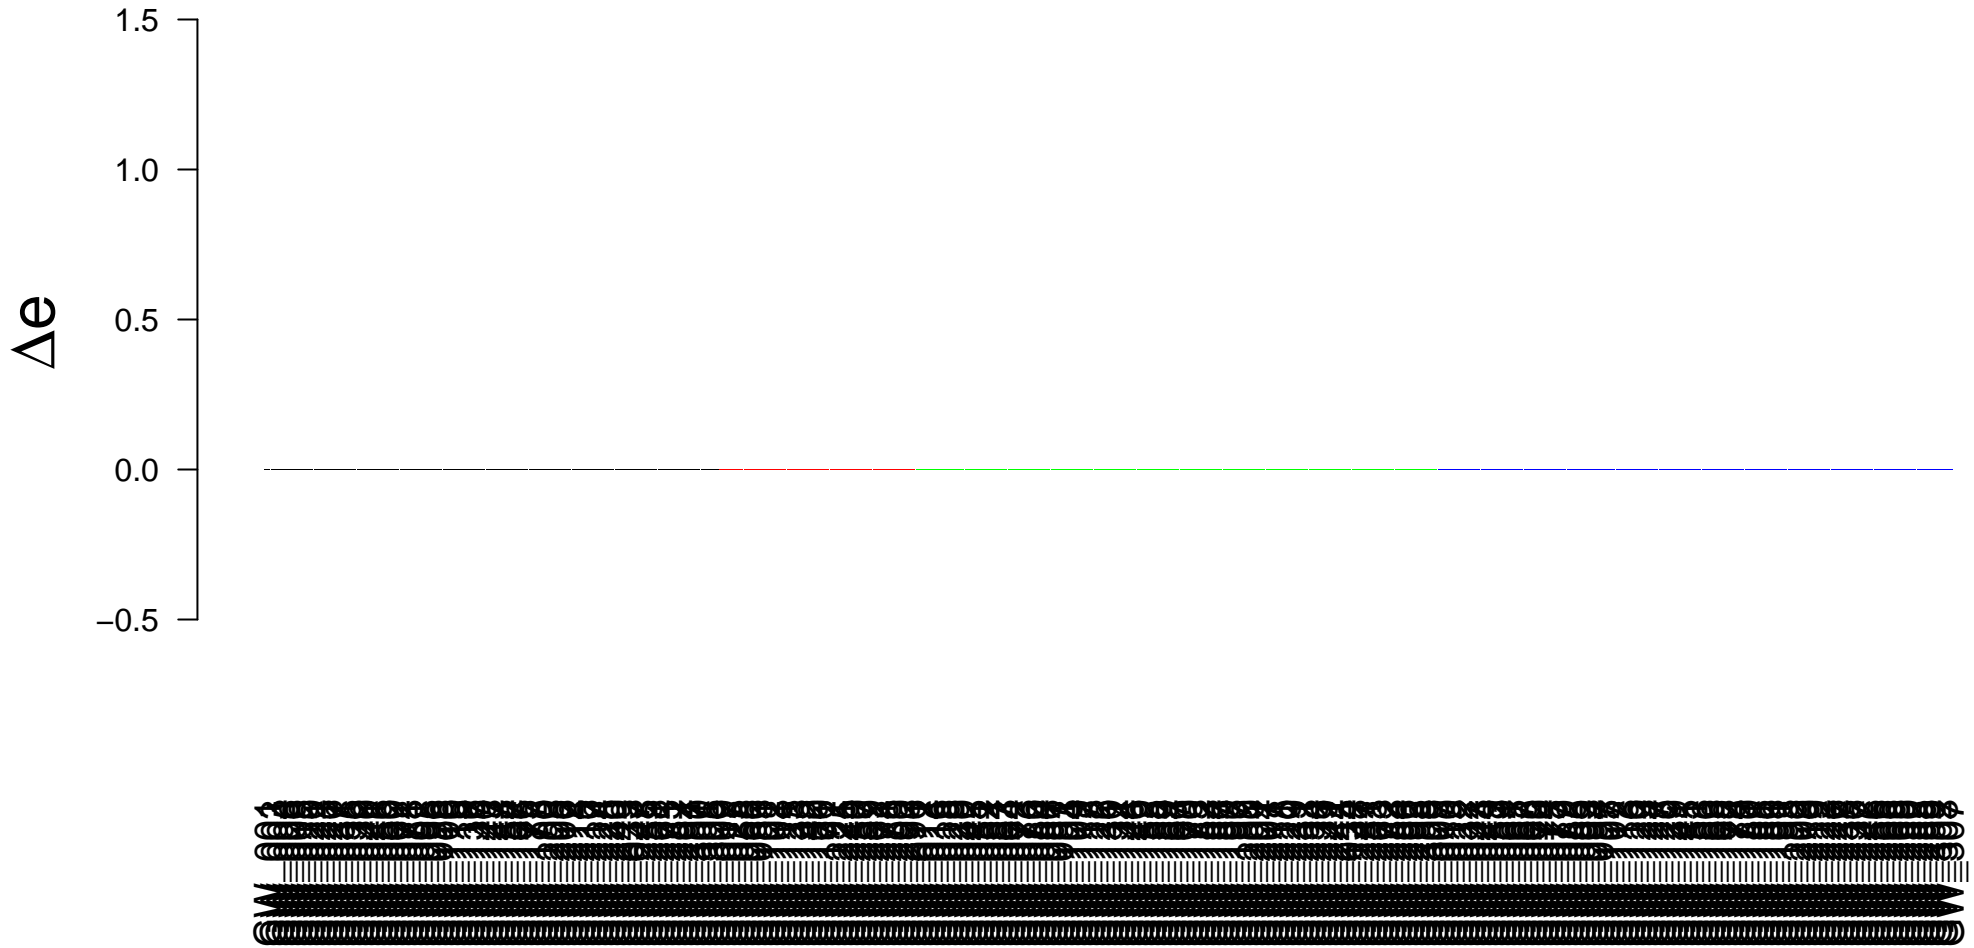

Expression of enteric nervous system development in Spot K

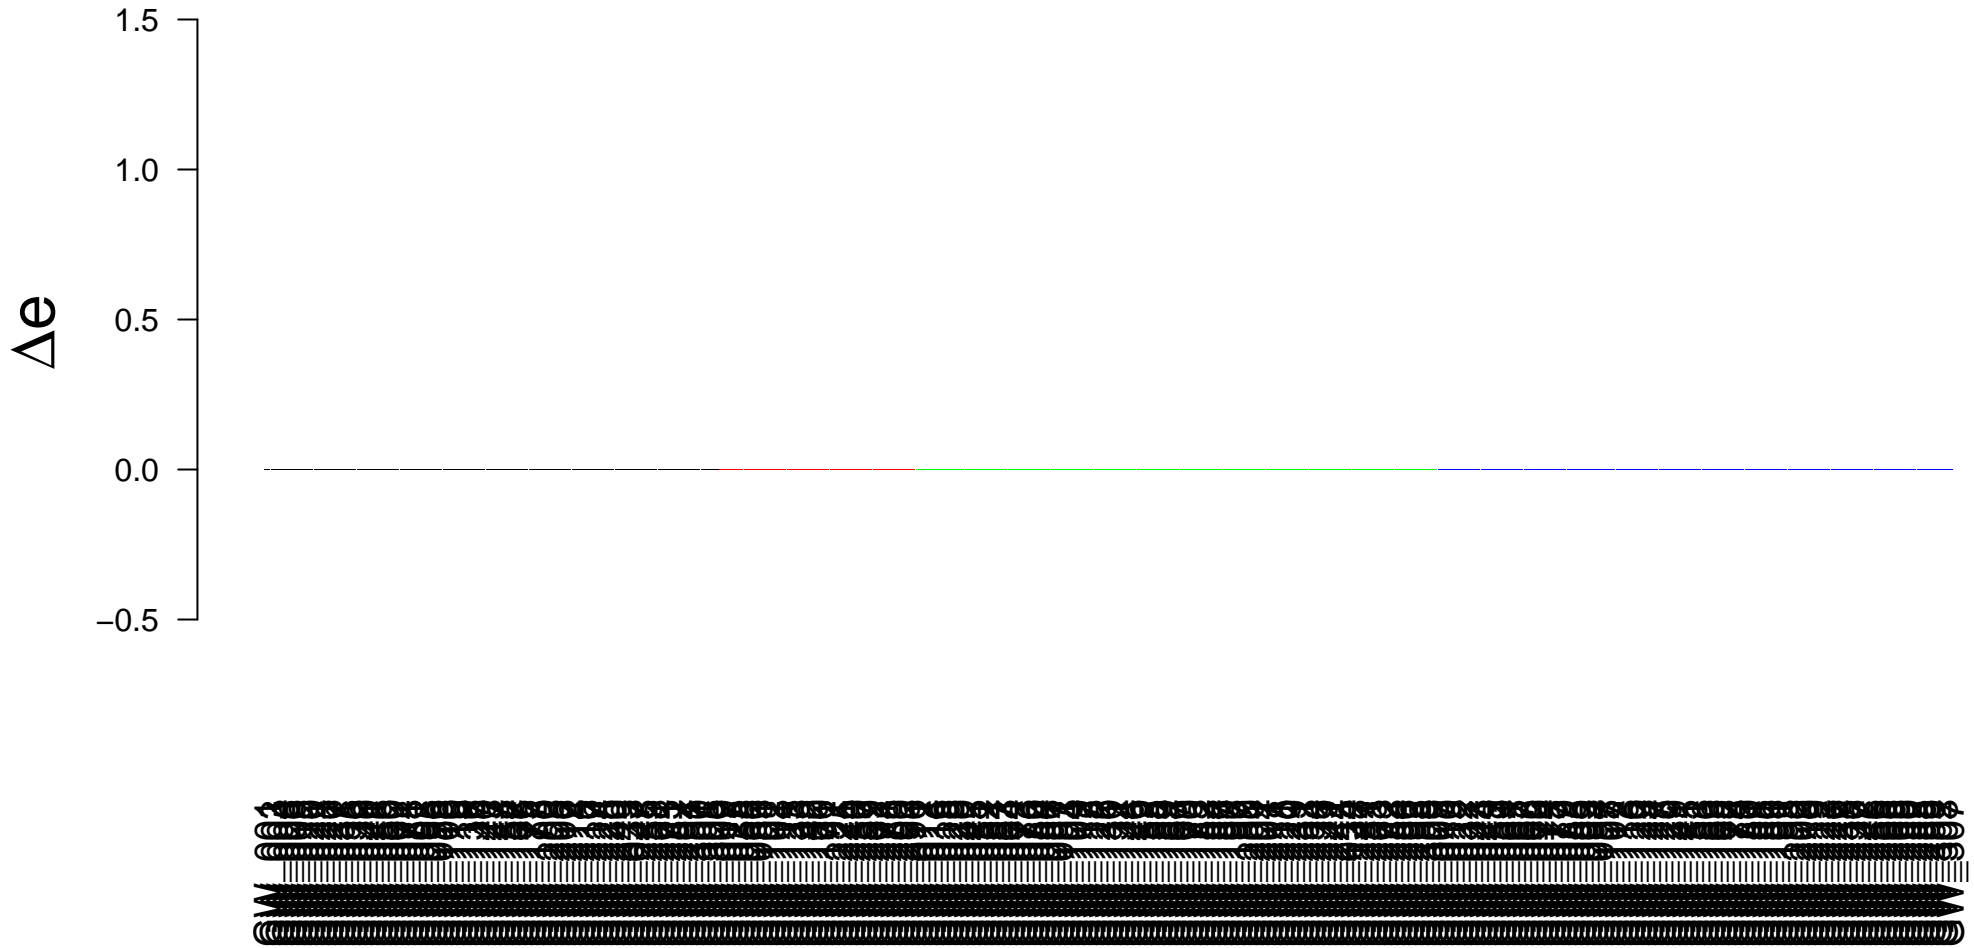

Expression of enteric nervous system development in Spot L

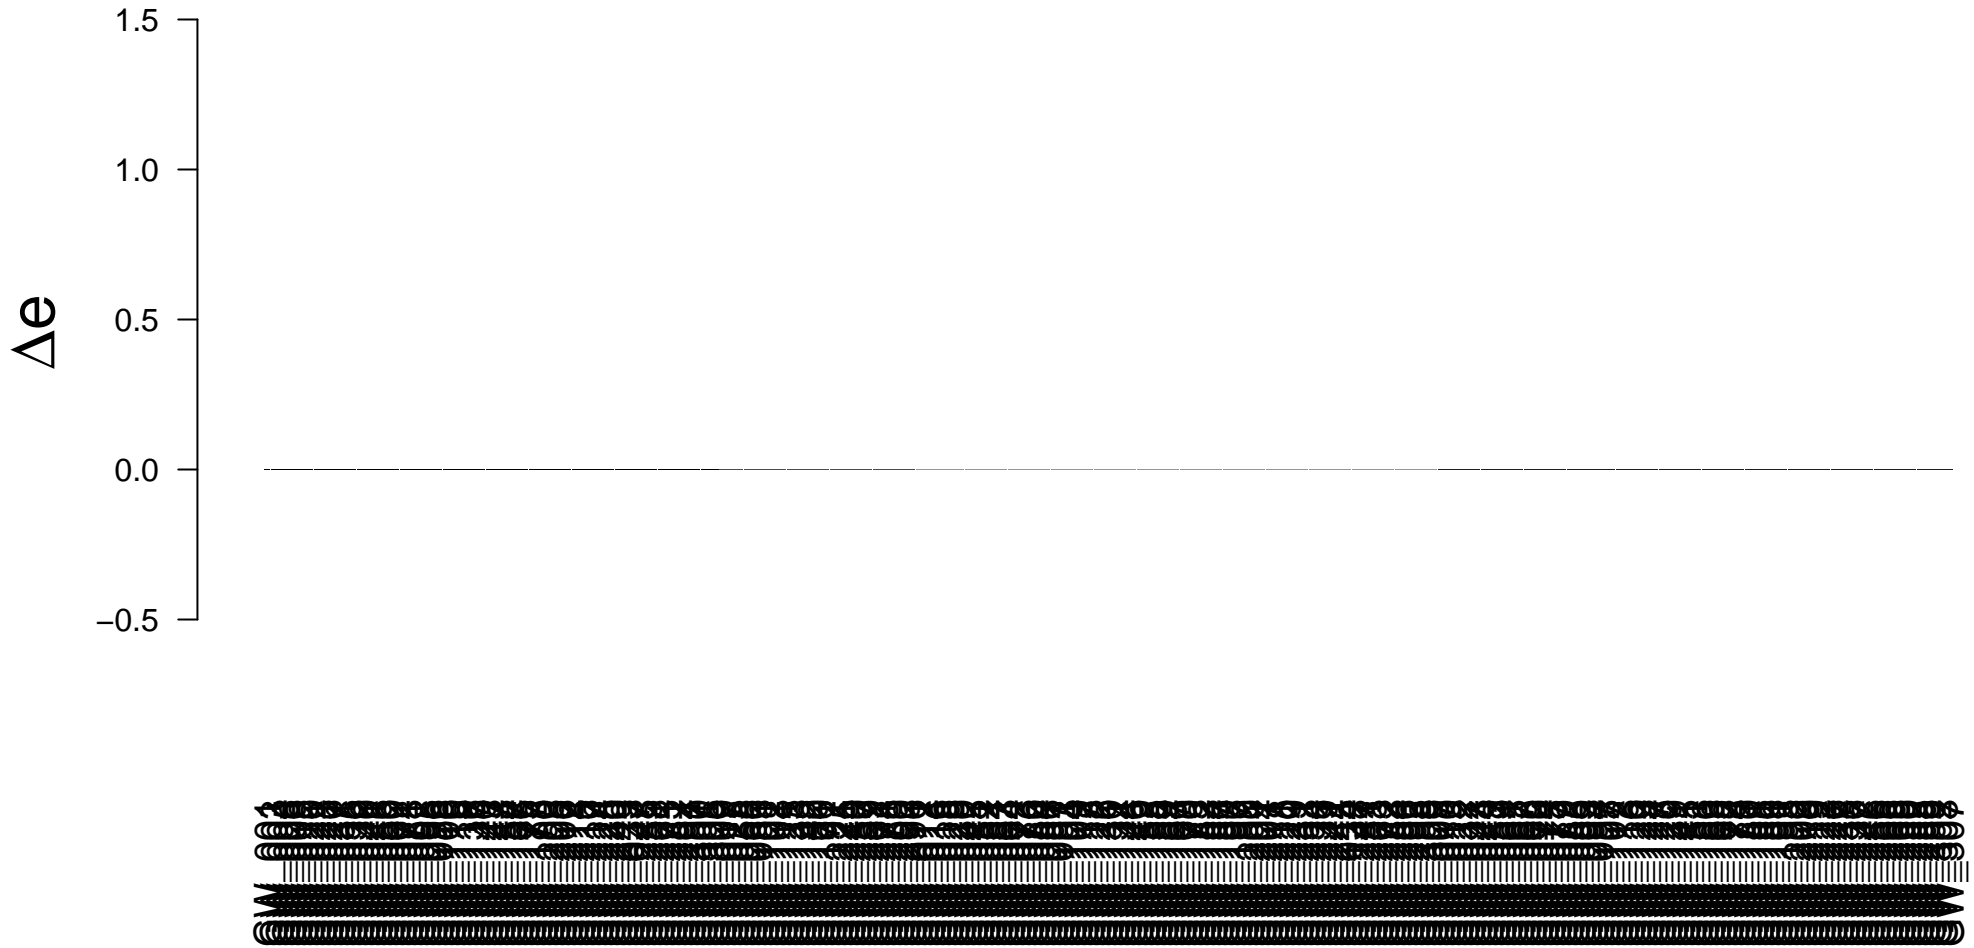

Expression of enteric nervous system development in Spot M

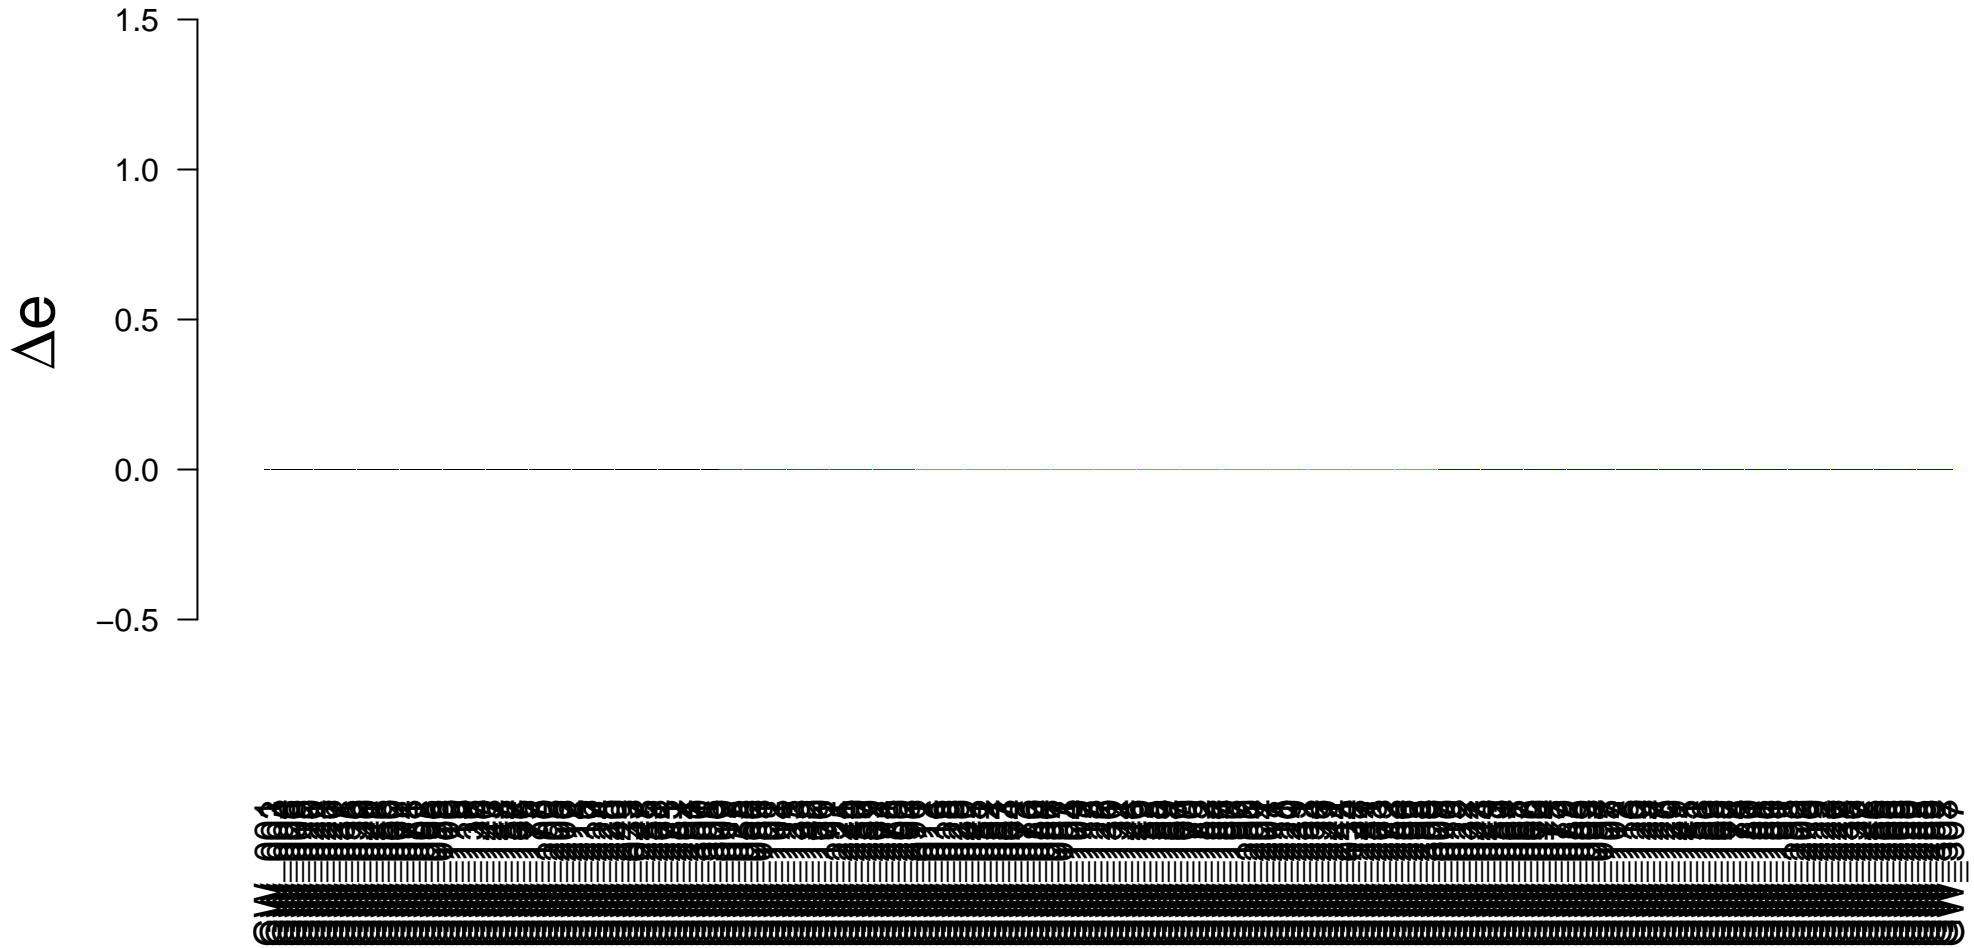

Expression of enteric nervous system development in Spot N

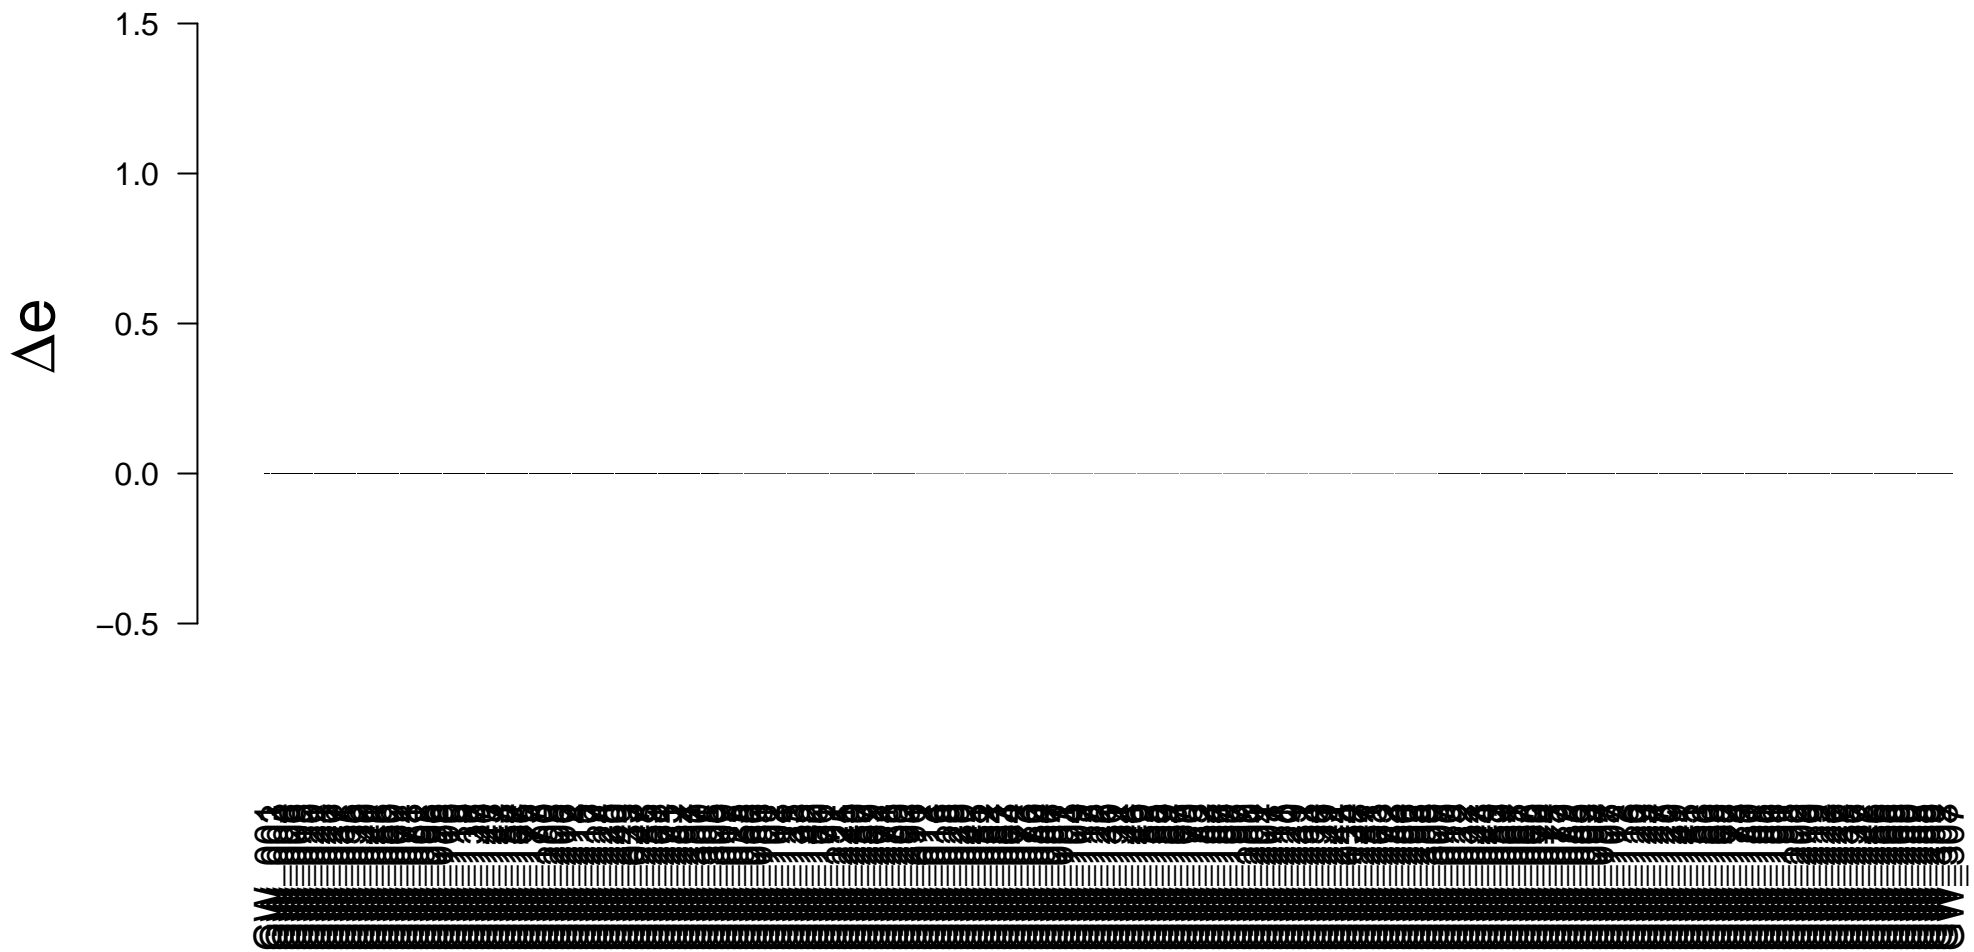

Expression of enteric nervous system development in Spot O

Expression of enteric nervous system development in Spot P

Expression of enteric nervous system development in Spot Q

Expression of enteric nervous system development in Spot R
