

enzyme activator activity

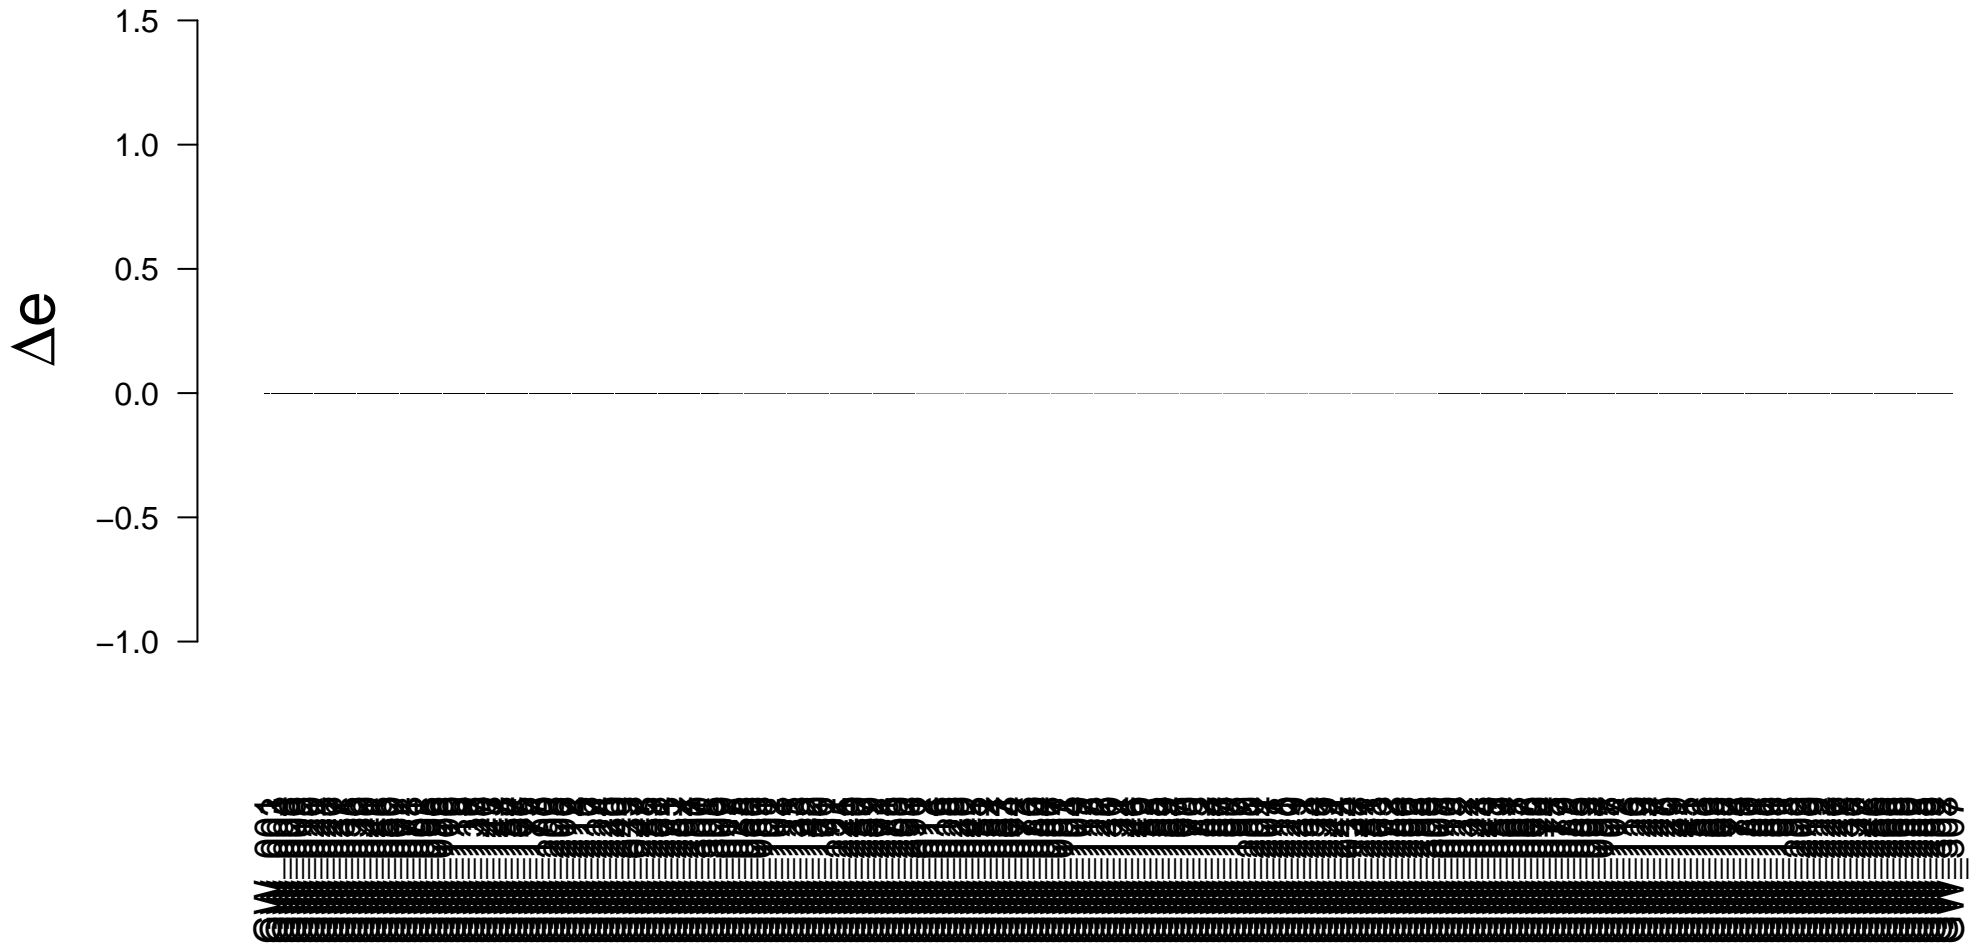

enzyme activator activity

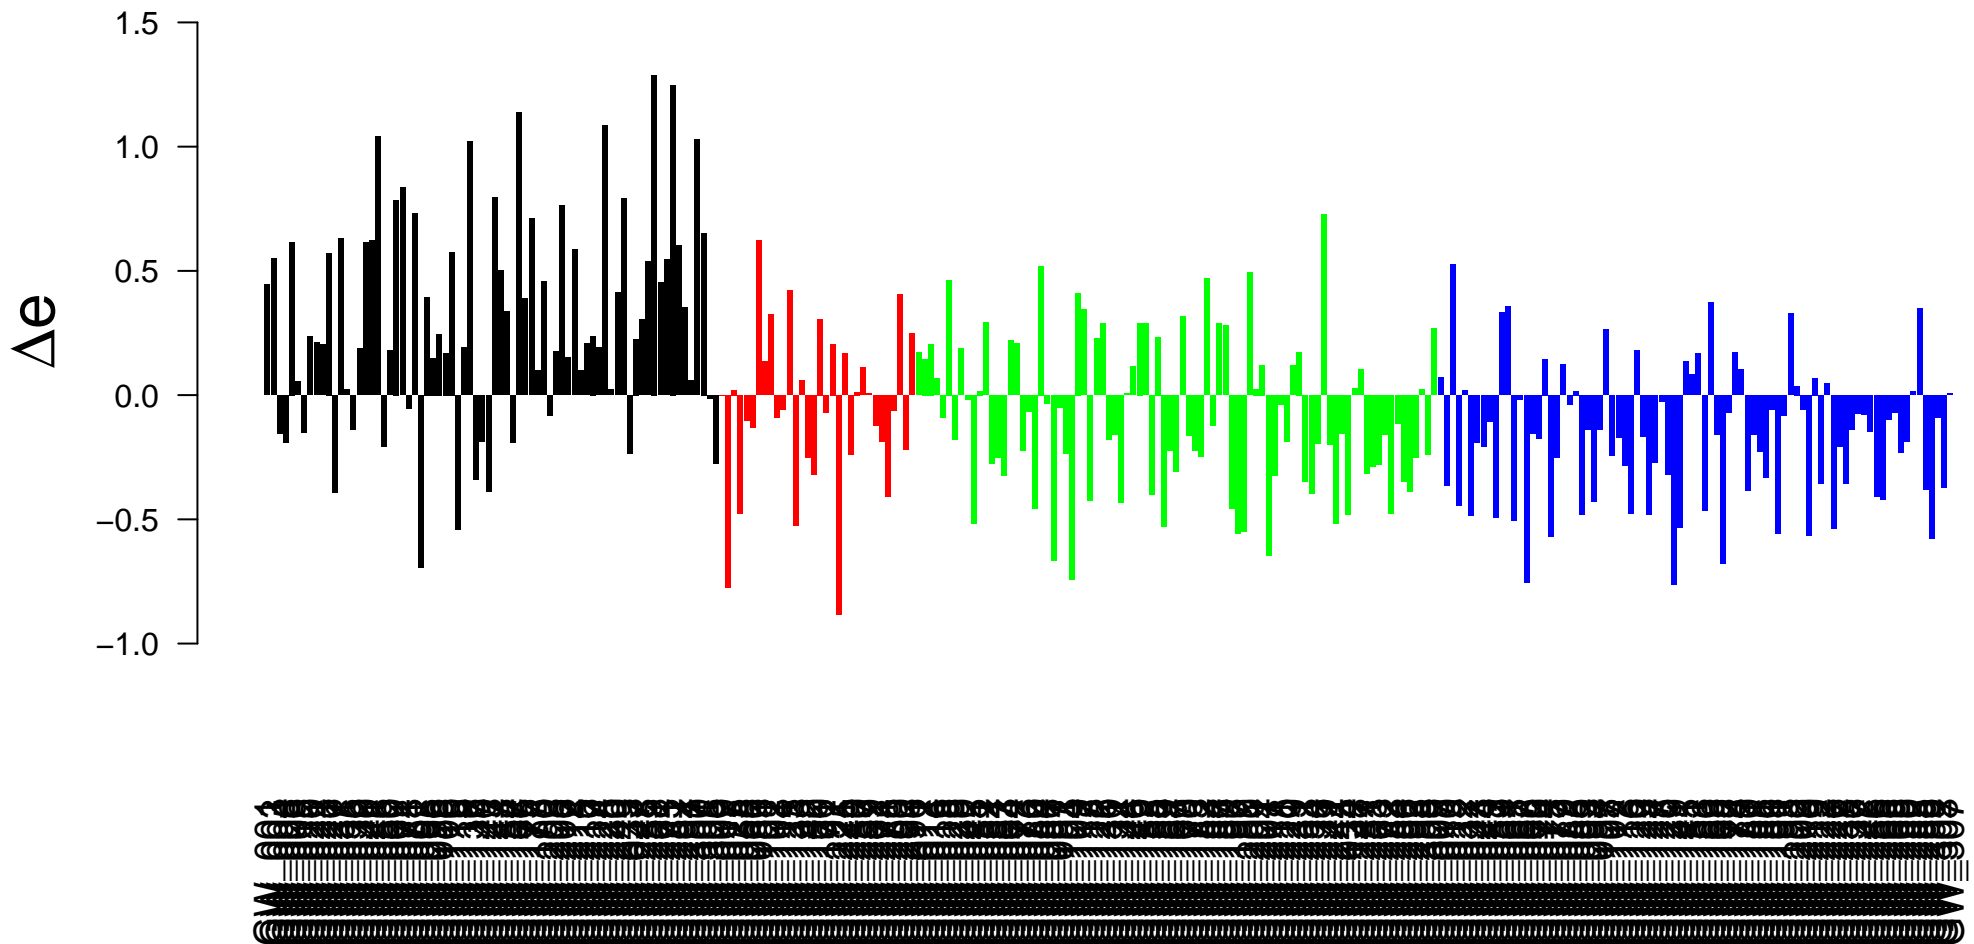

Enrichment in spots: enzyme activator activity

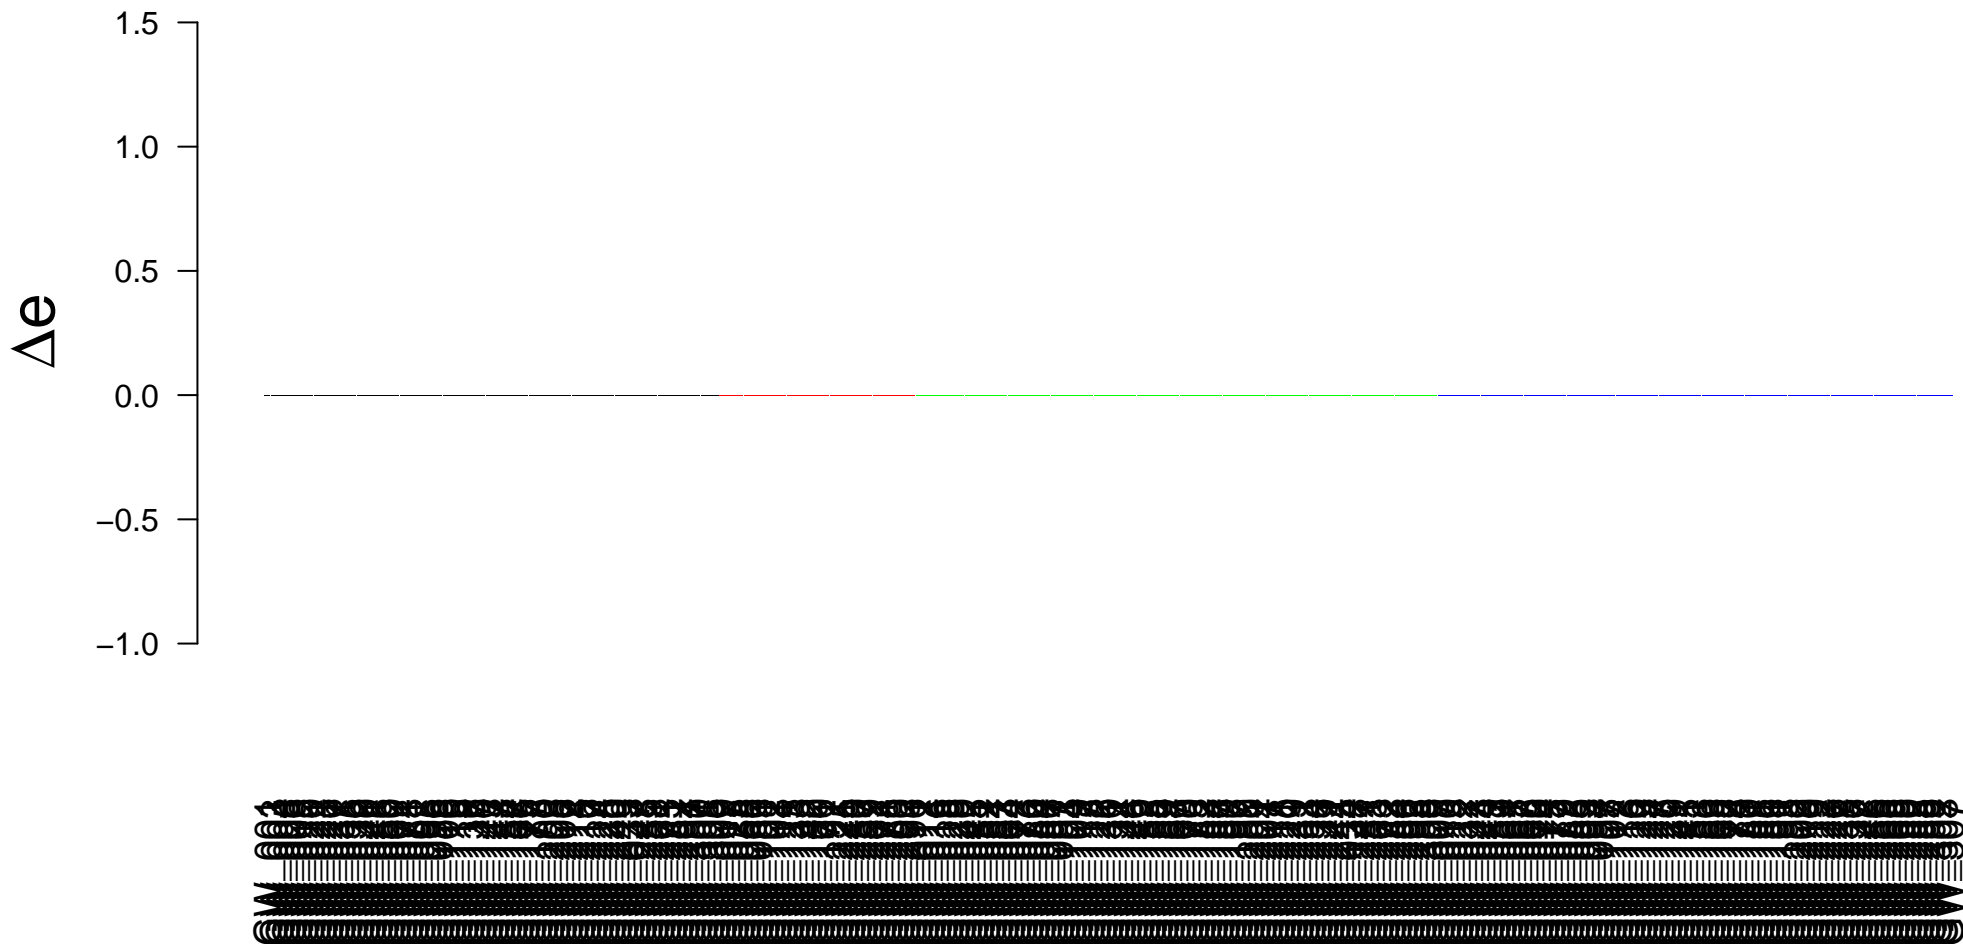

Expression of enzyme activator activity in Spot A

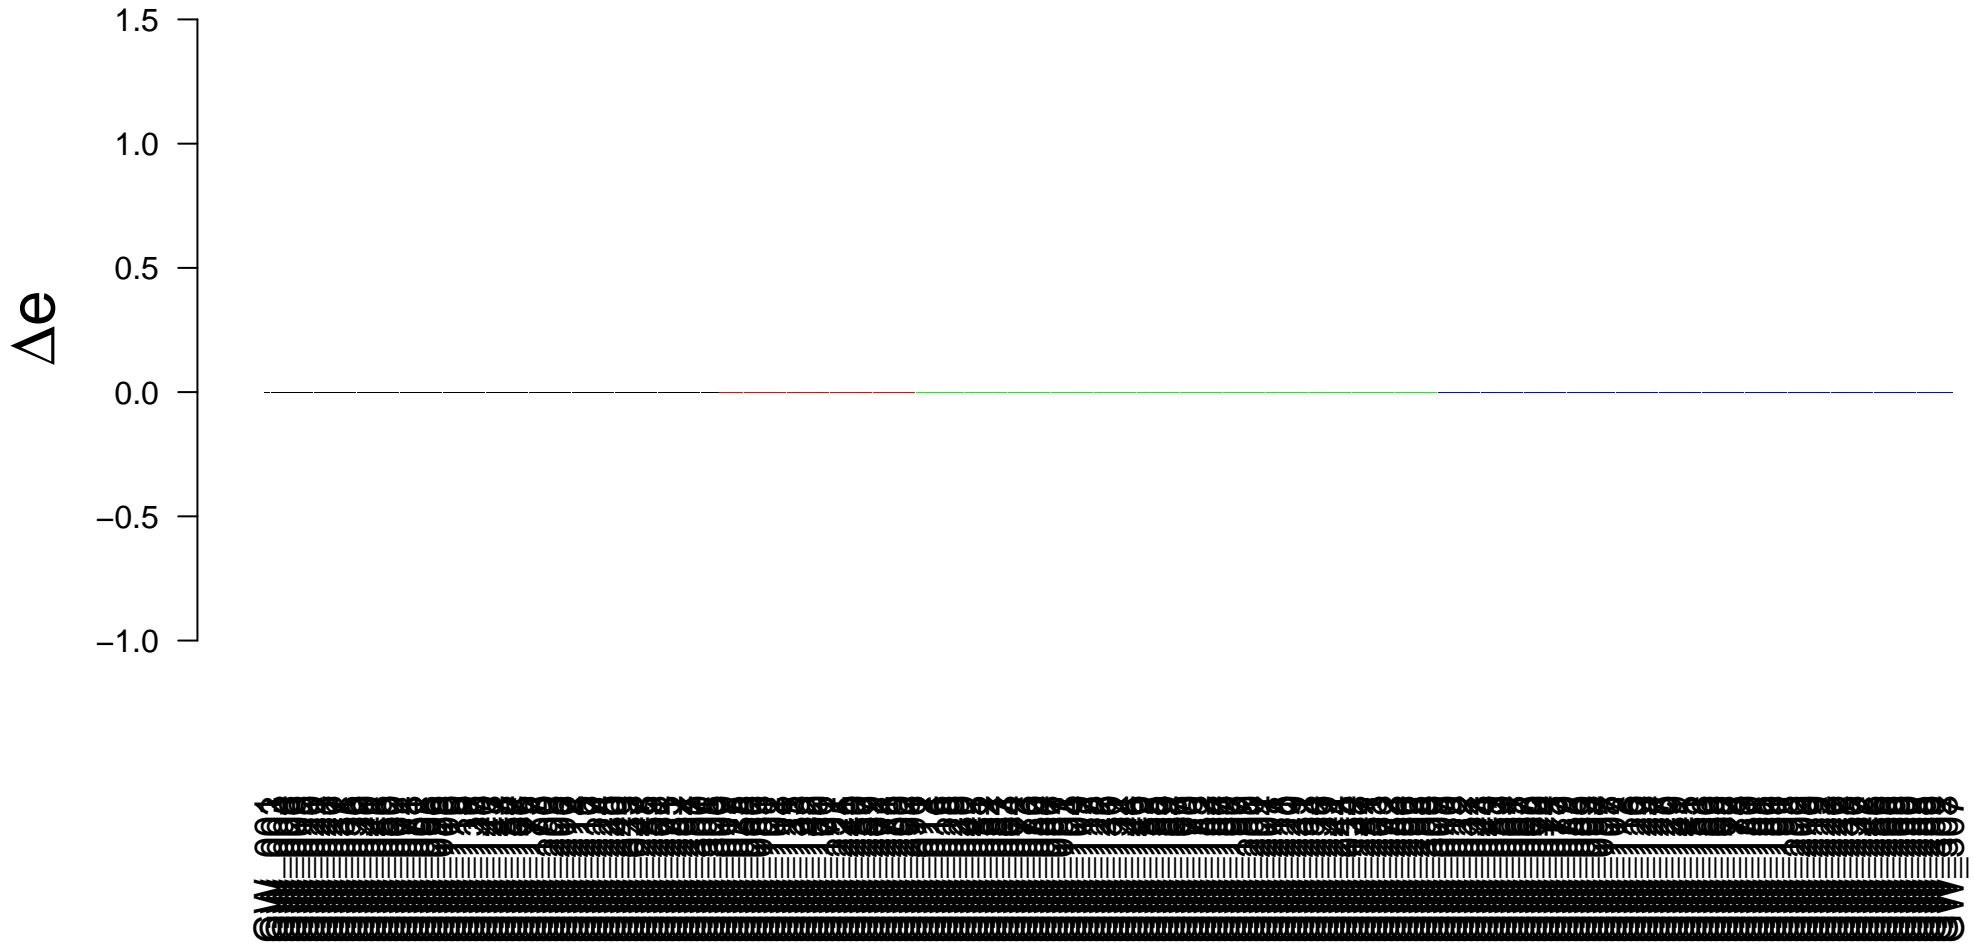

Expression of enzyme activator activity in Spot B

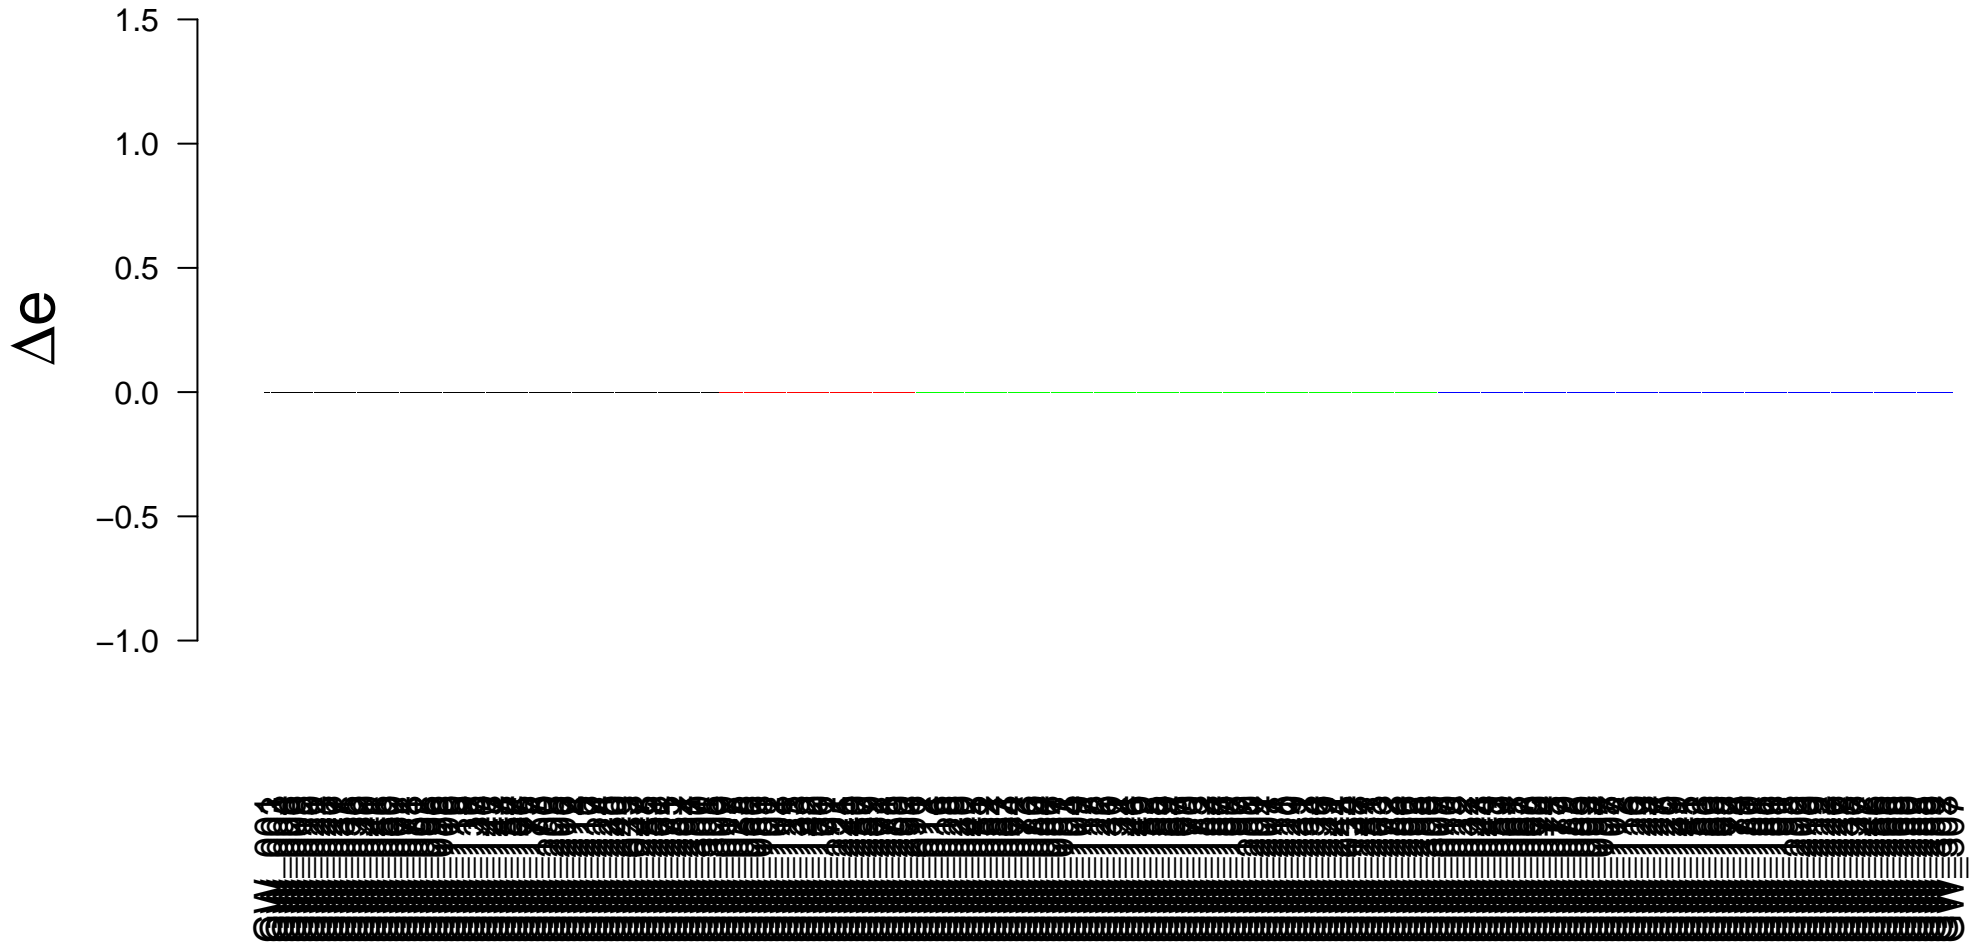

Expression of enzyme activator activity in Spot C

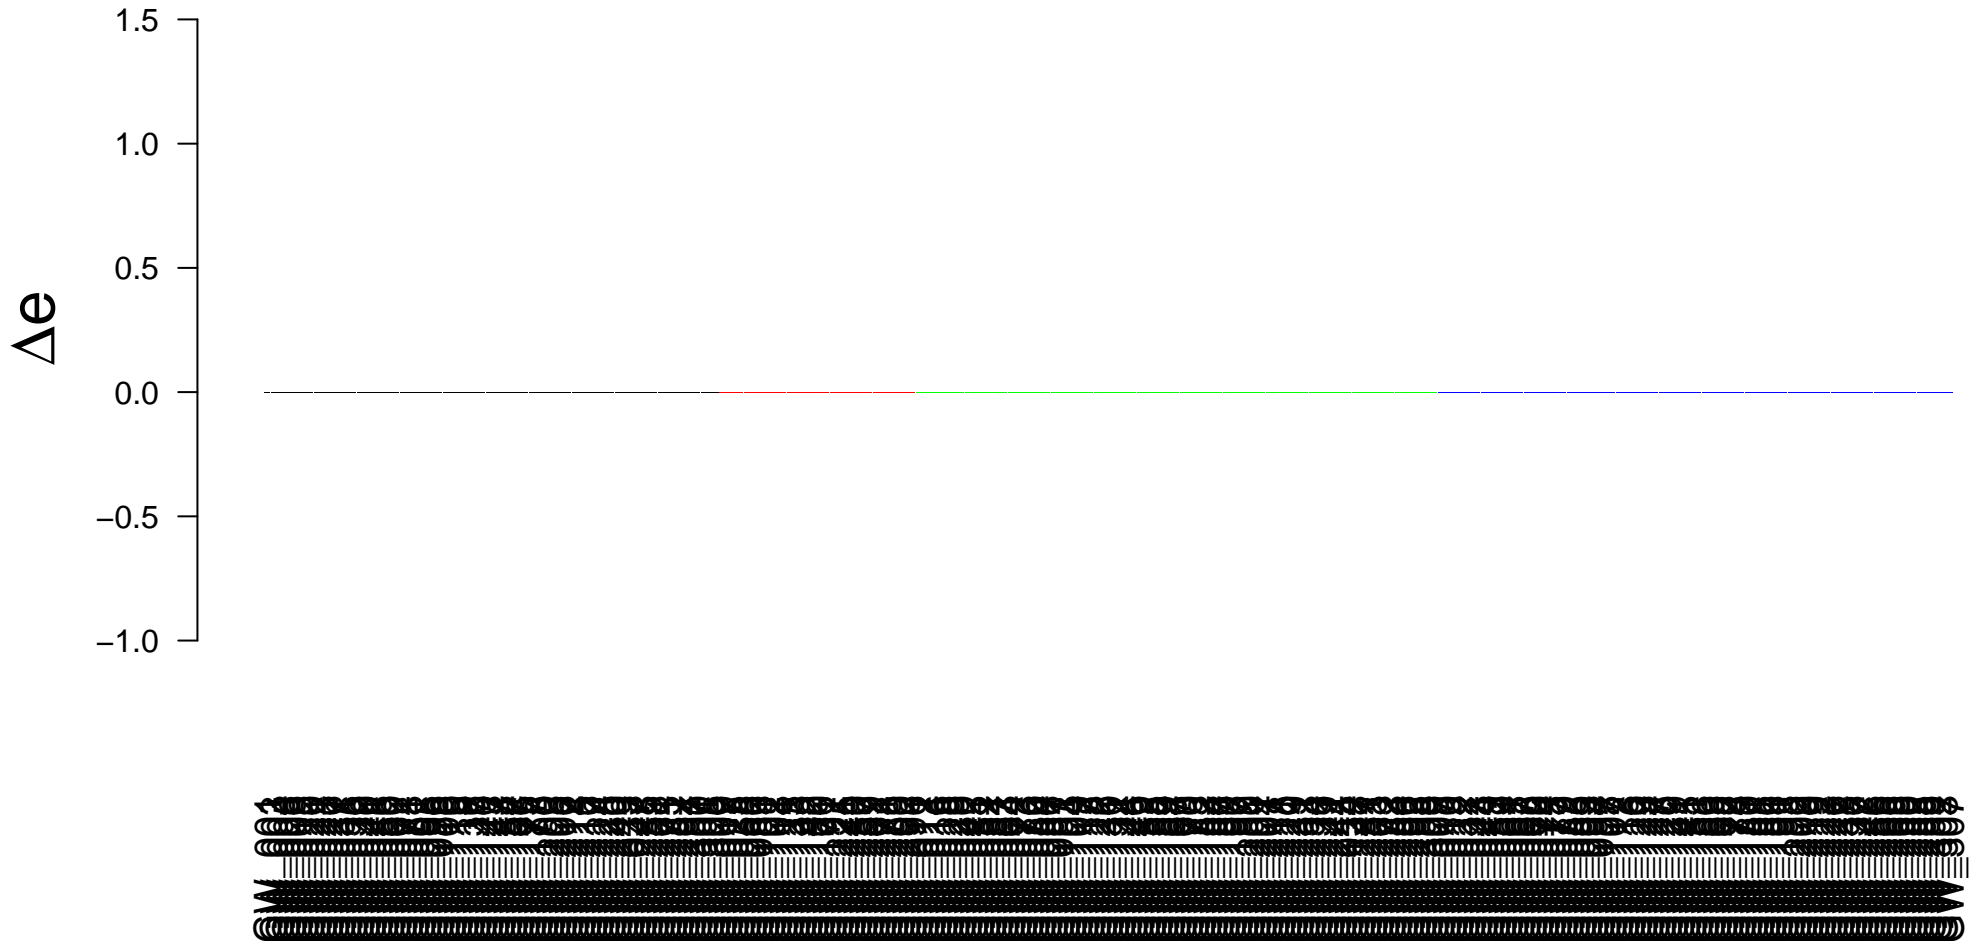

Expression of enzyme activator activity in Spot D

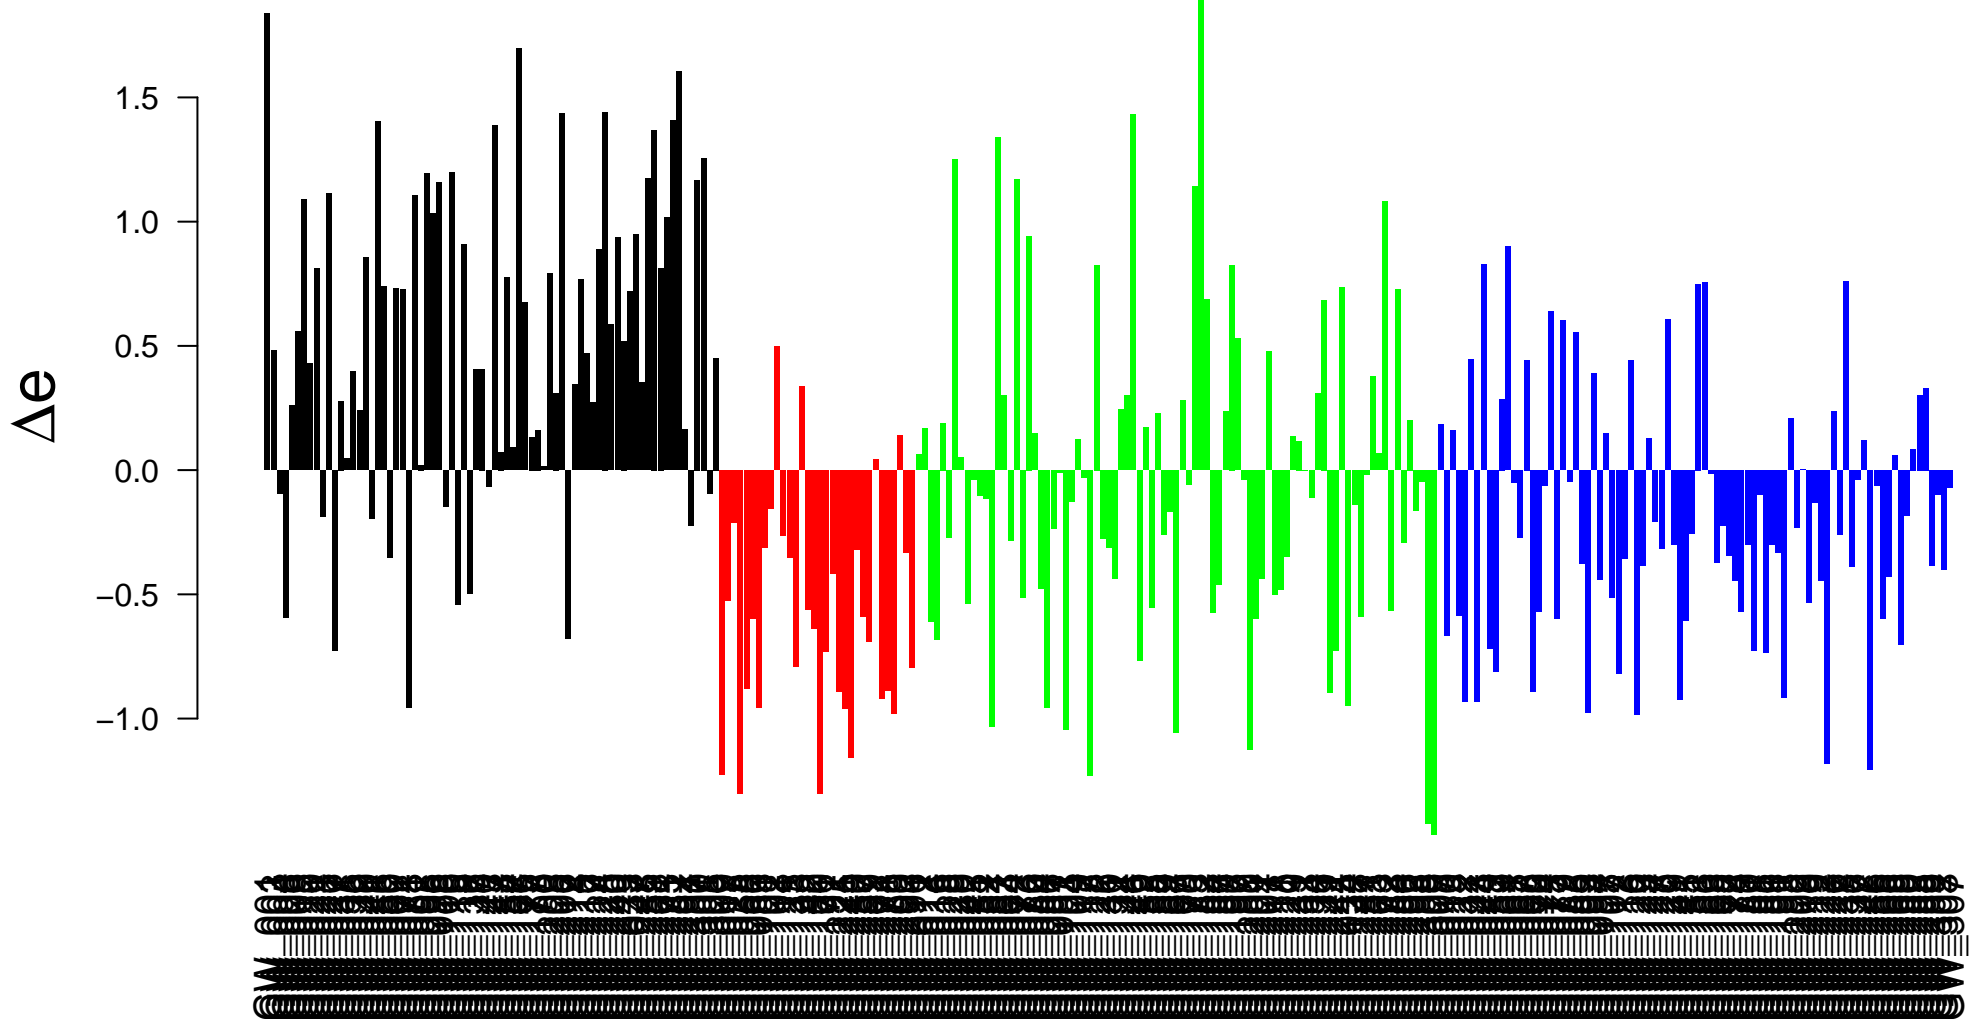

Expression of enzyme activator activity in Spot E

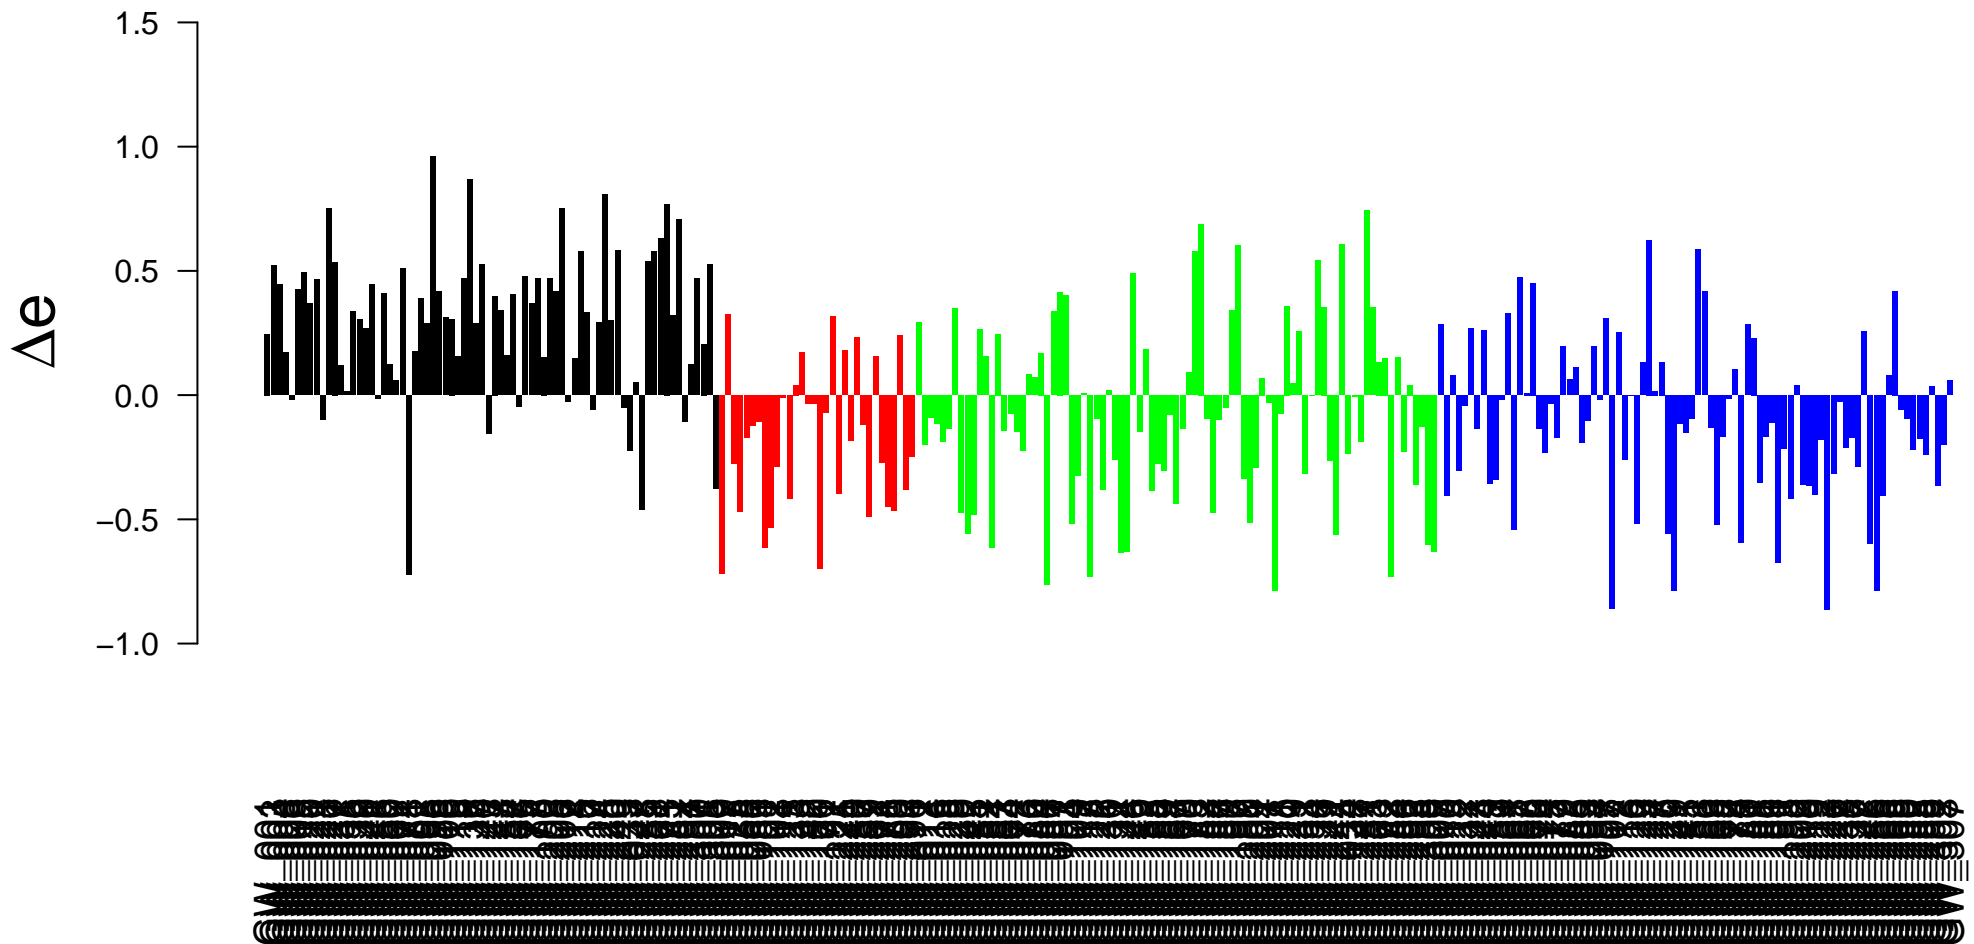

Expression of enzyme activator activity in Spot F

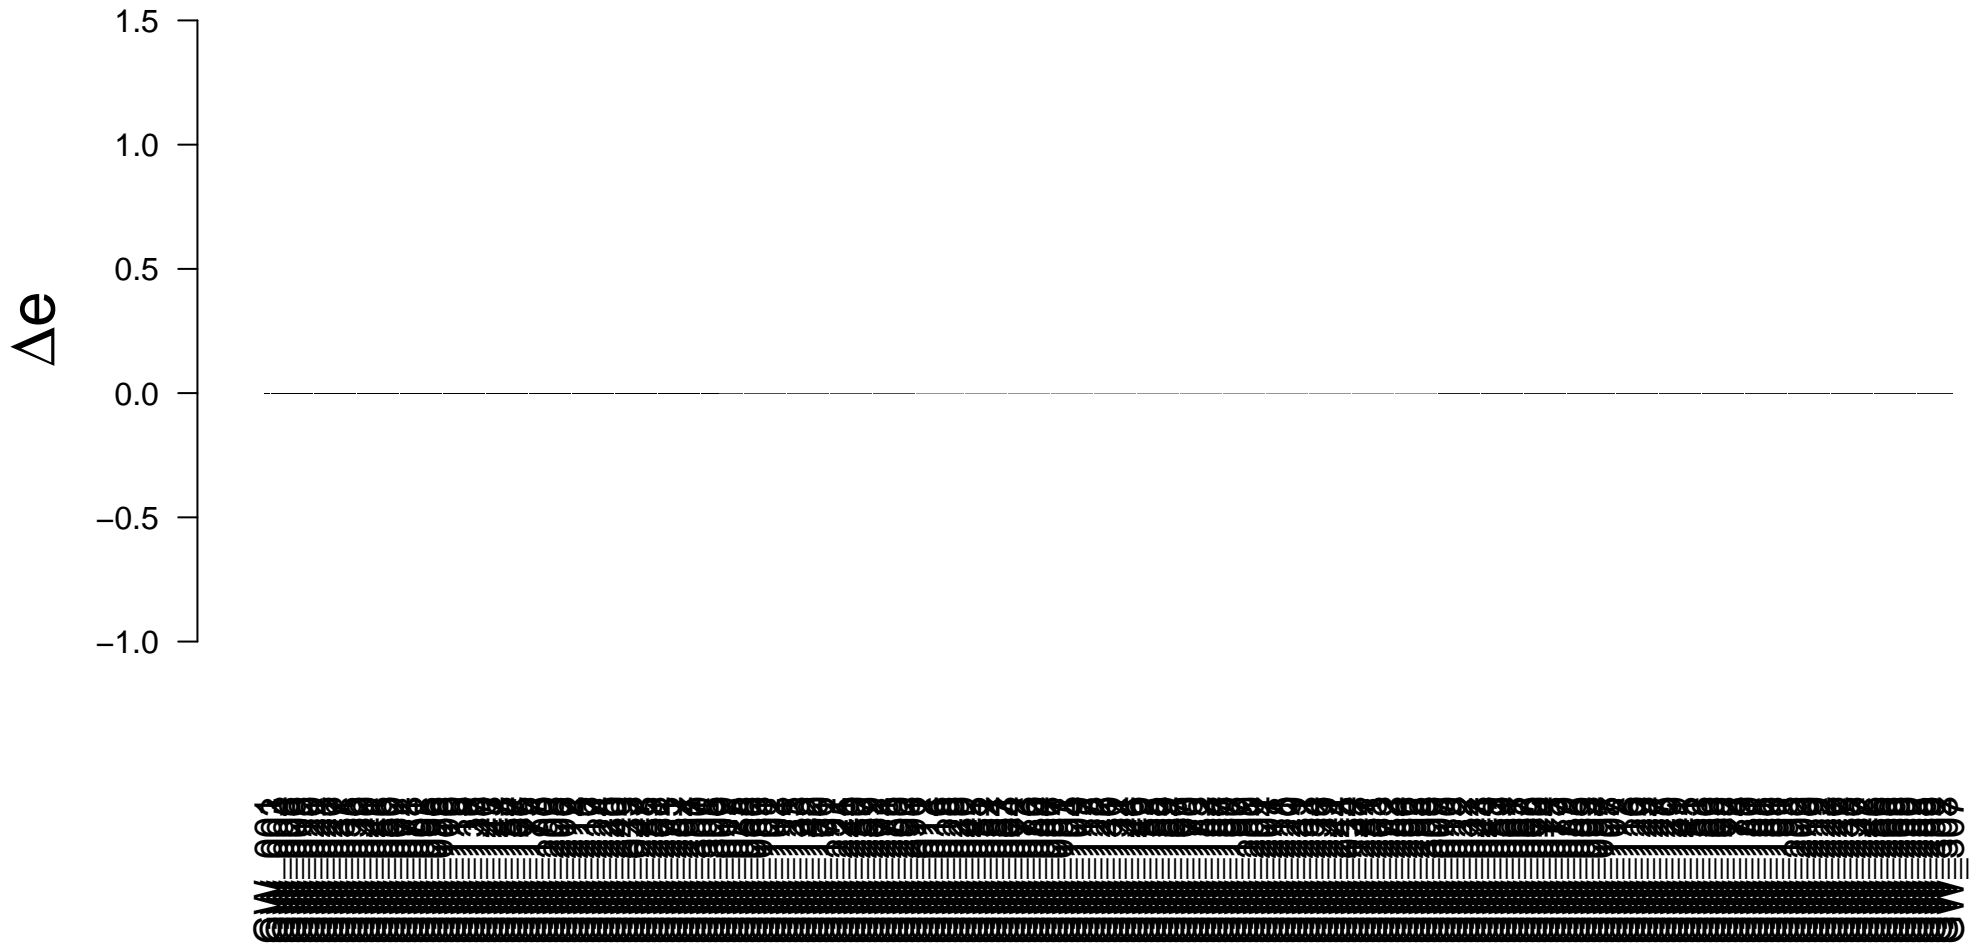

Expression of enzyme activator activity in Spot G

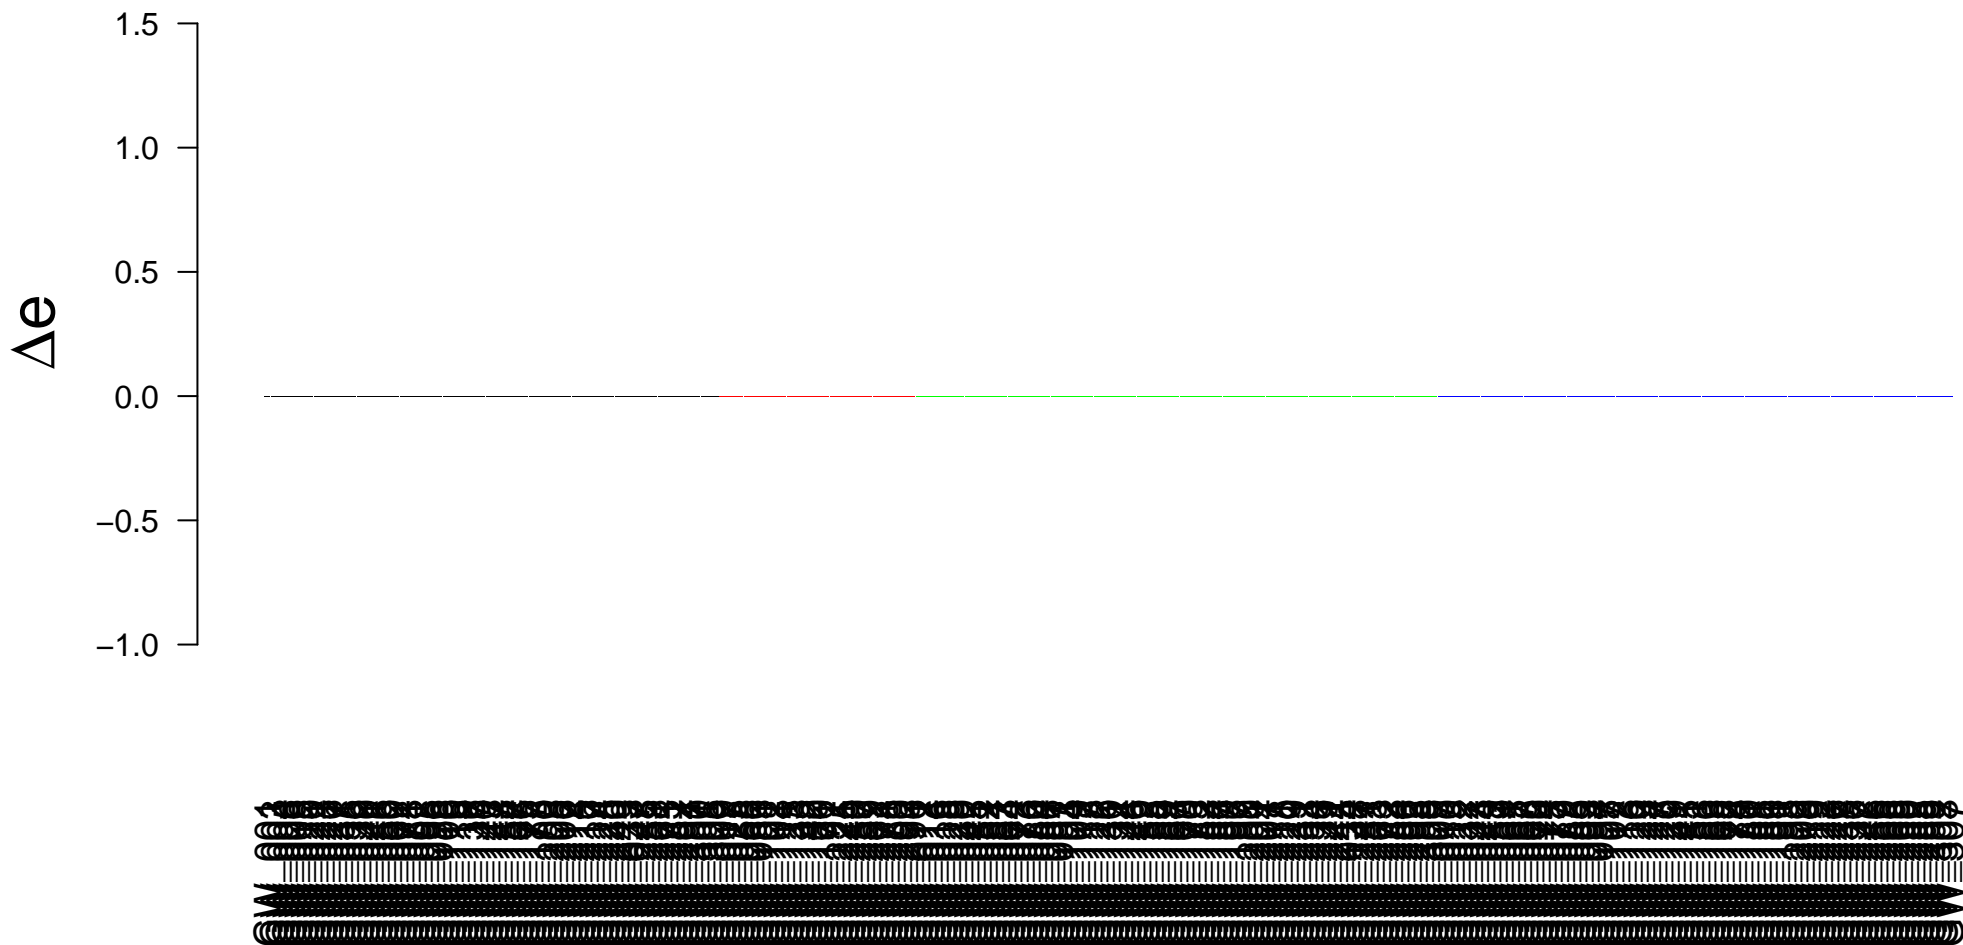

Expression of enzyme activator activity in Spot H

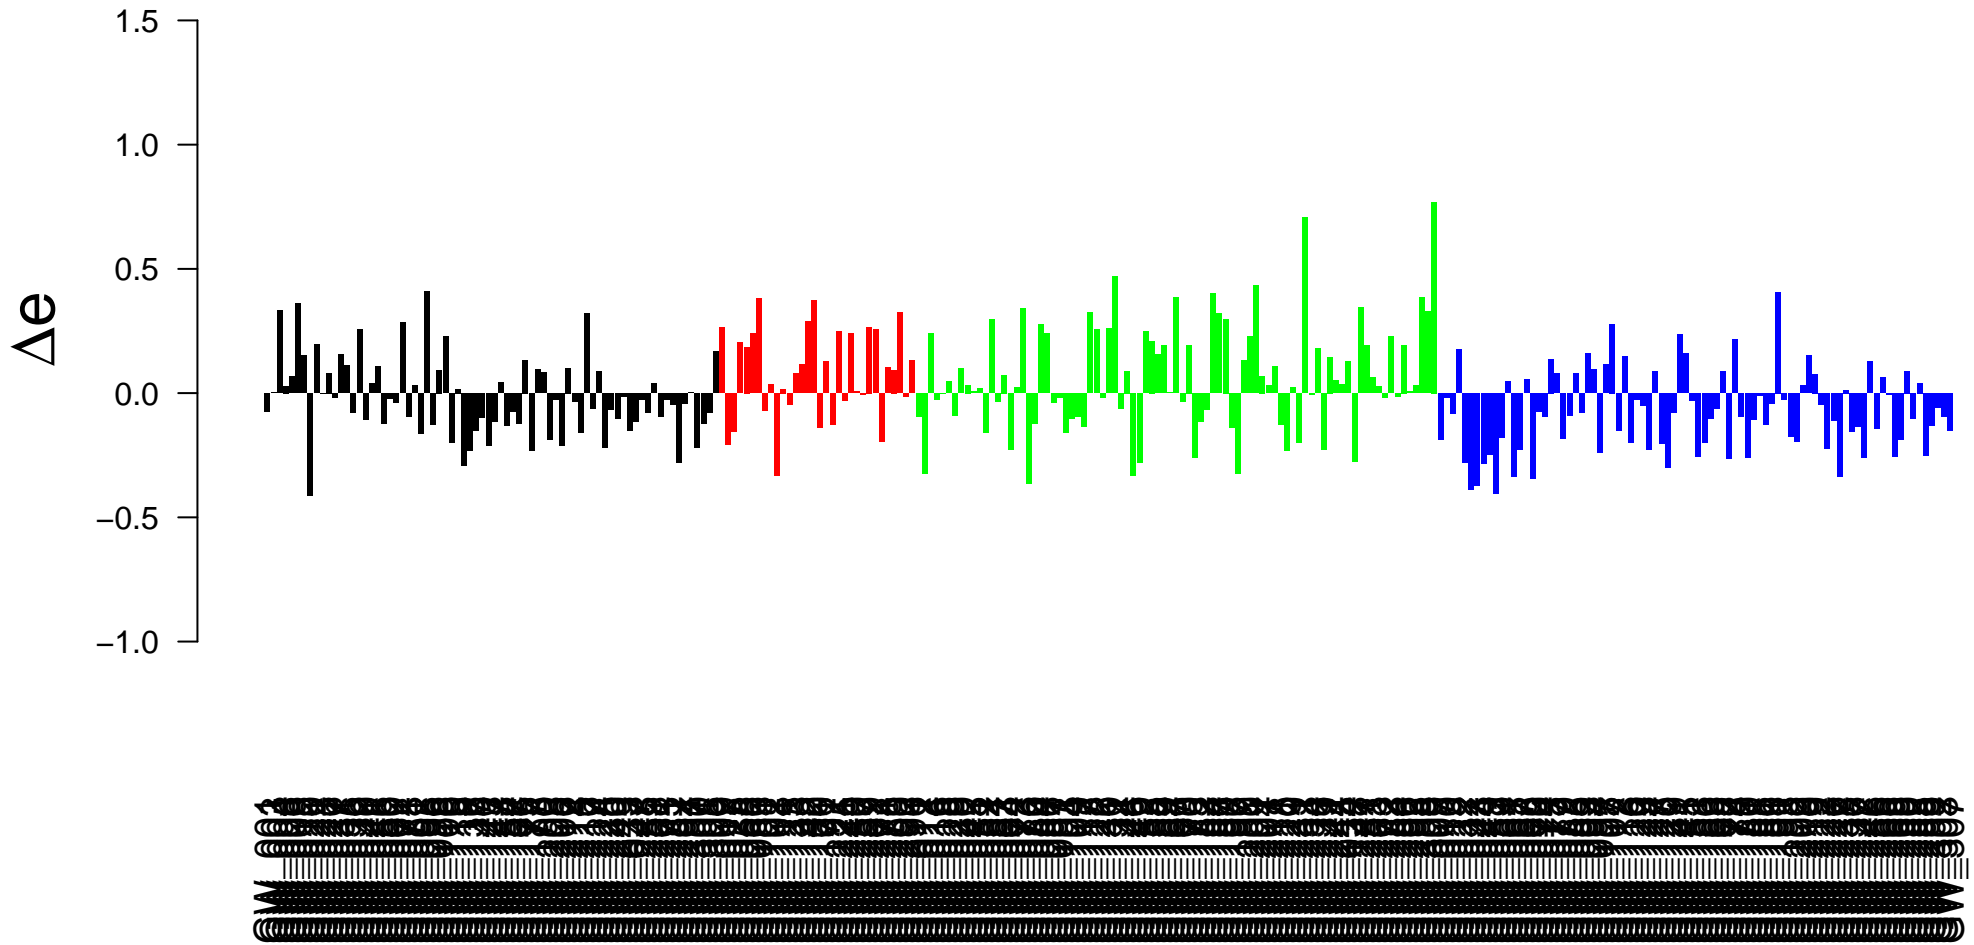

Expression of enzyme activator activity in Spot I

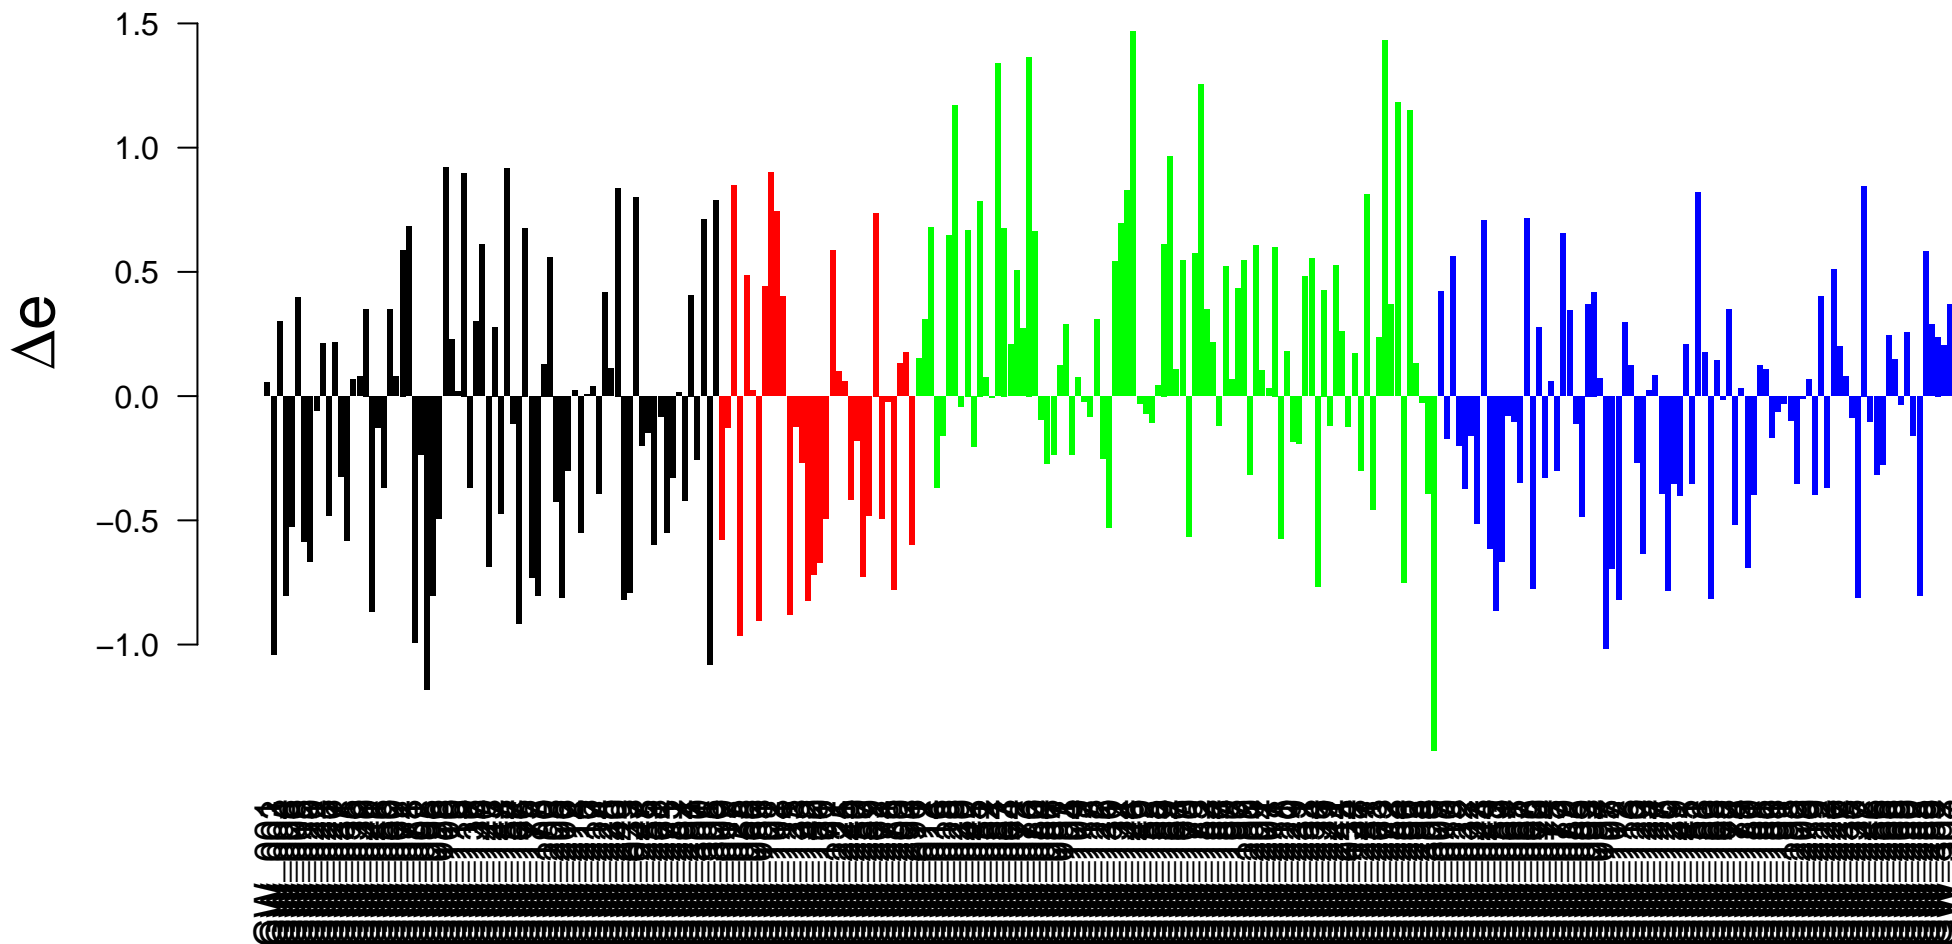

Expression of enzyme activator activity in Spot J

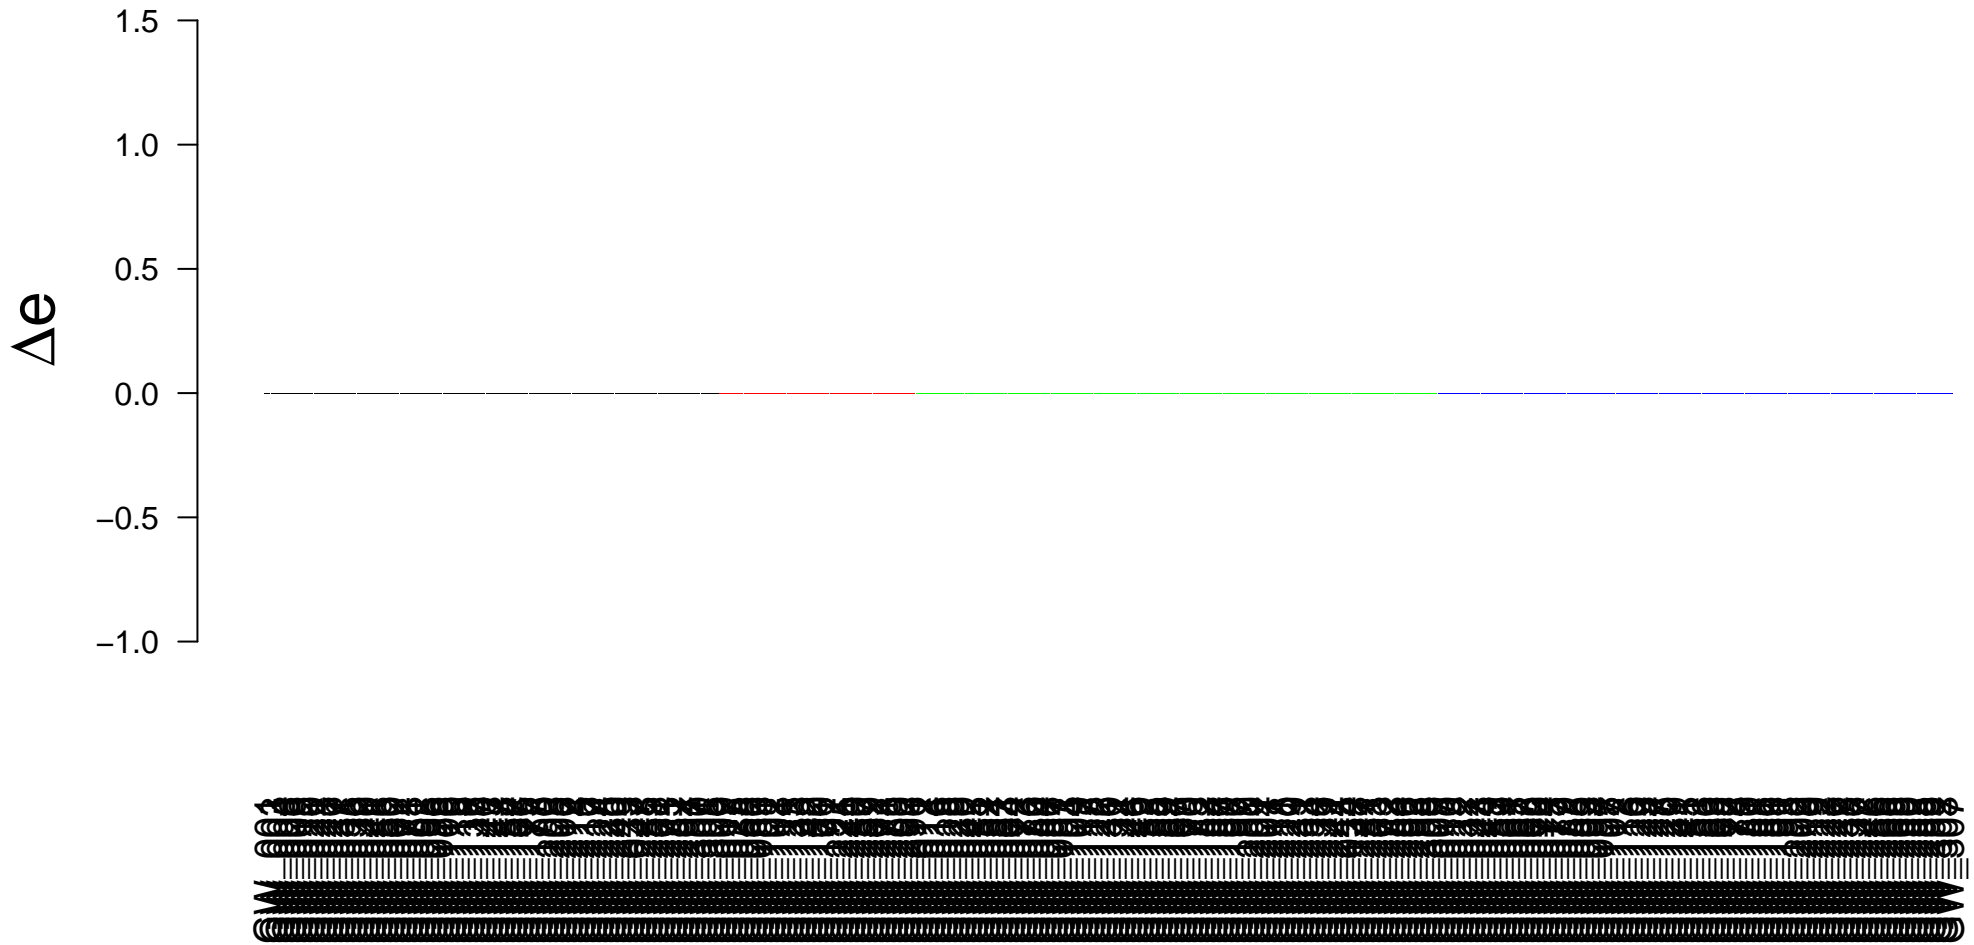

Expression of enzyme activator activity in Spot K

Expression of enzyme activator activity in Spot L

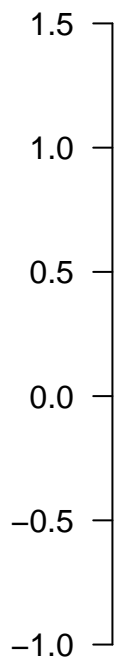

Expression of enzyme activator activity in Spot M

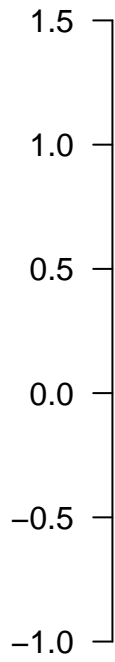

Expression of enzyme activator activity in Spot N
