

enzyme regulator activity

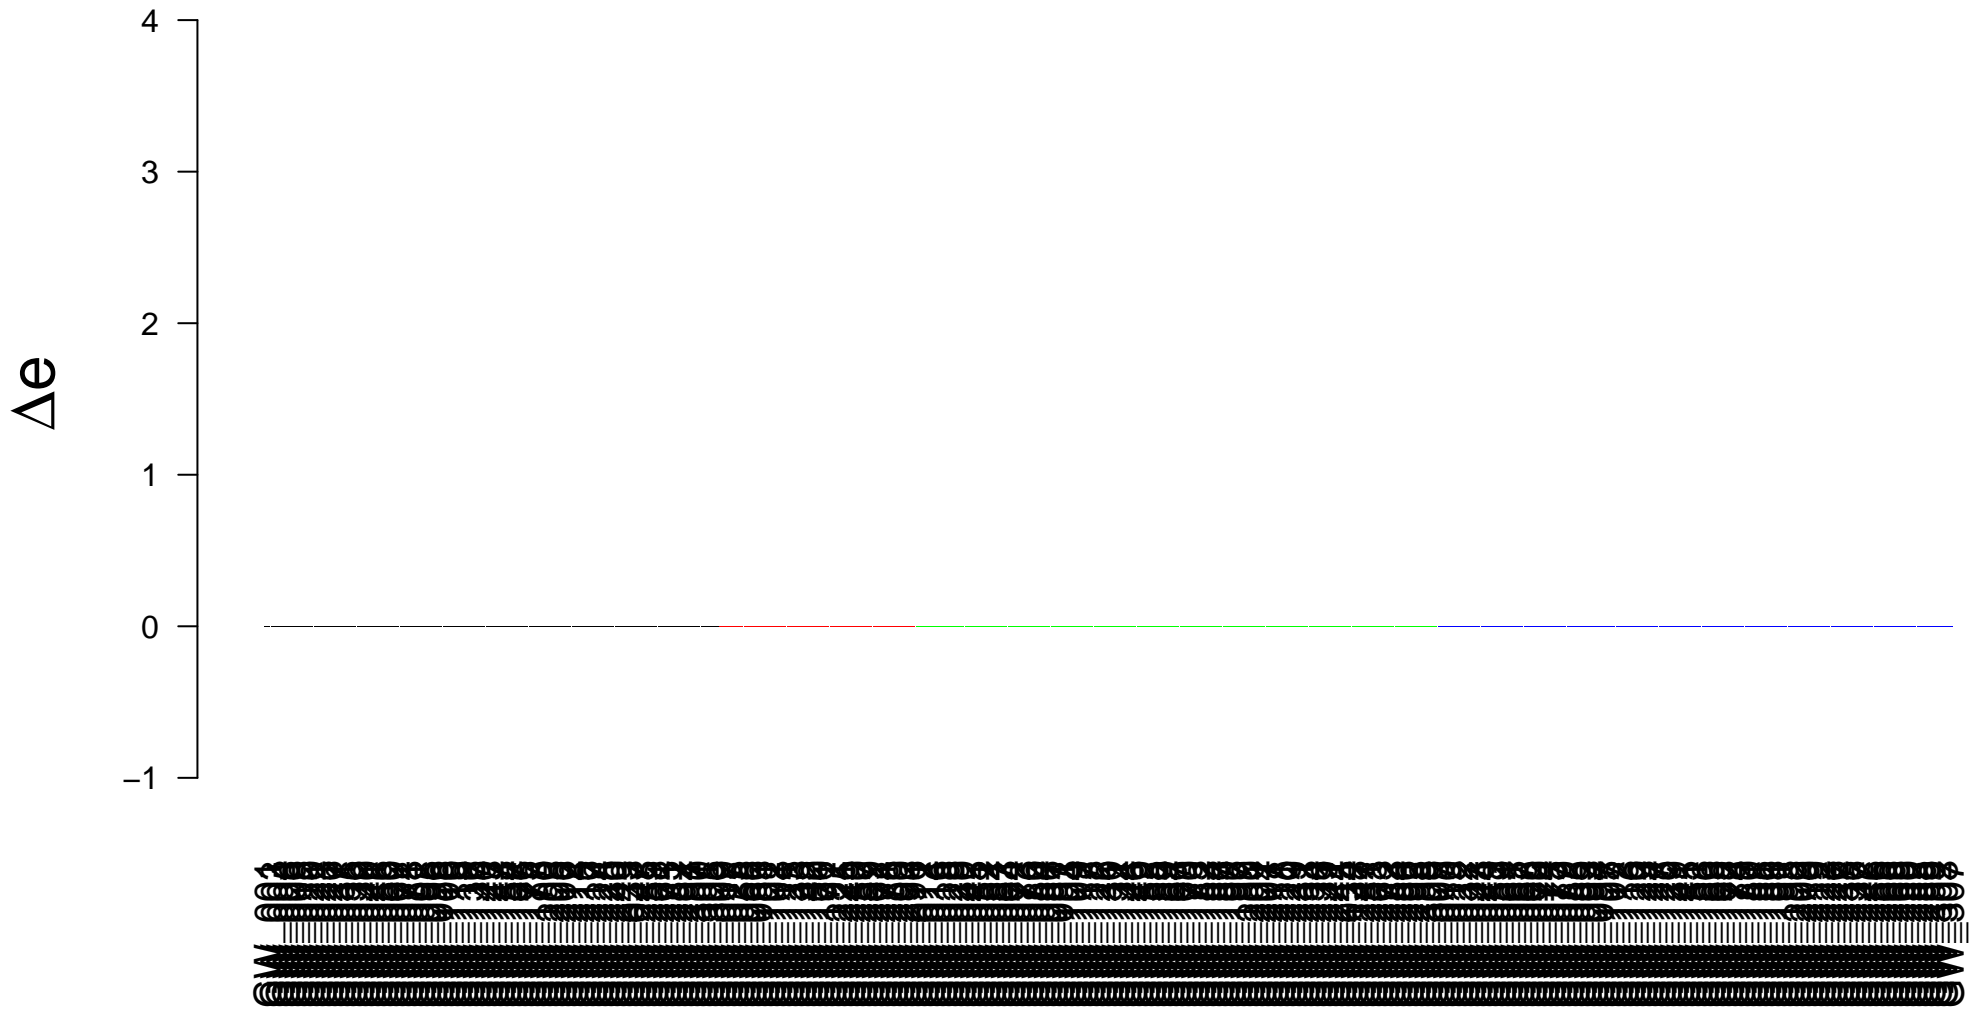

enzyme regulator activity

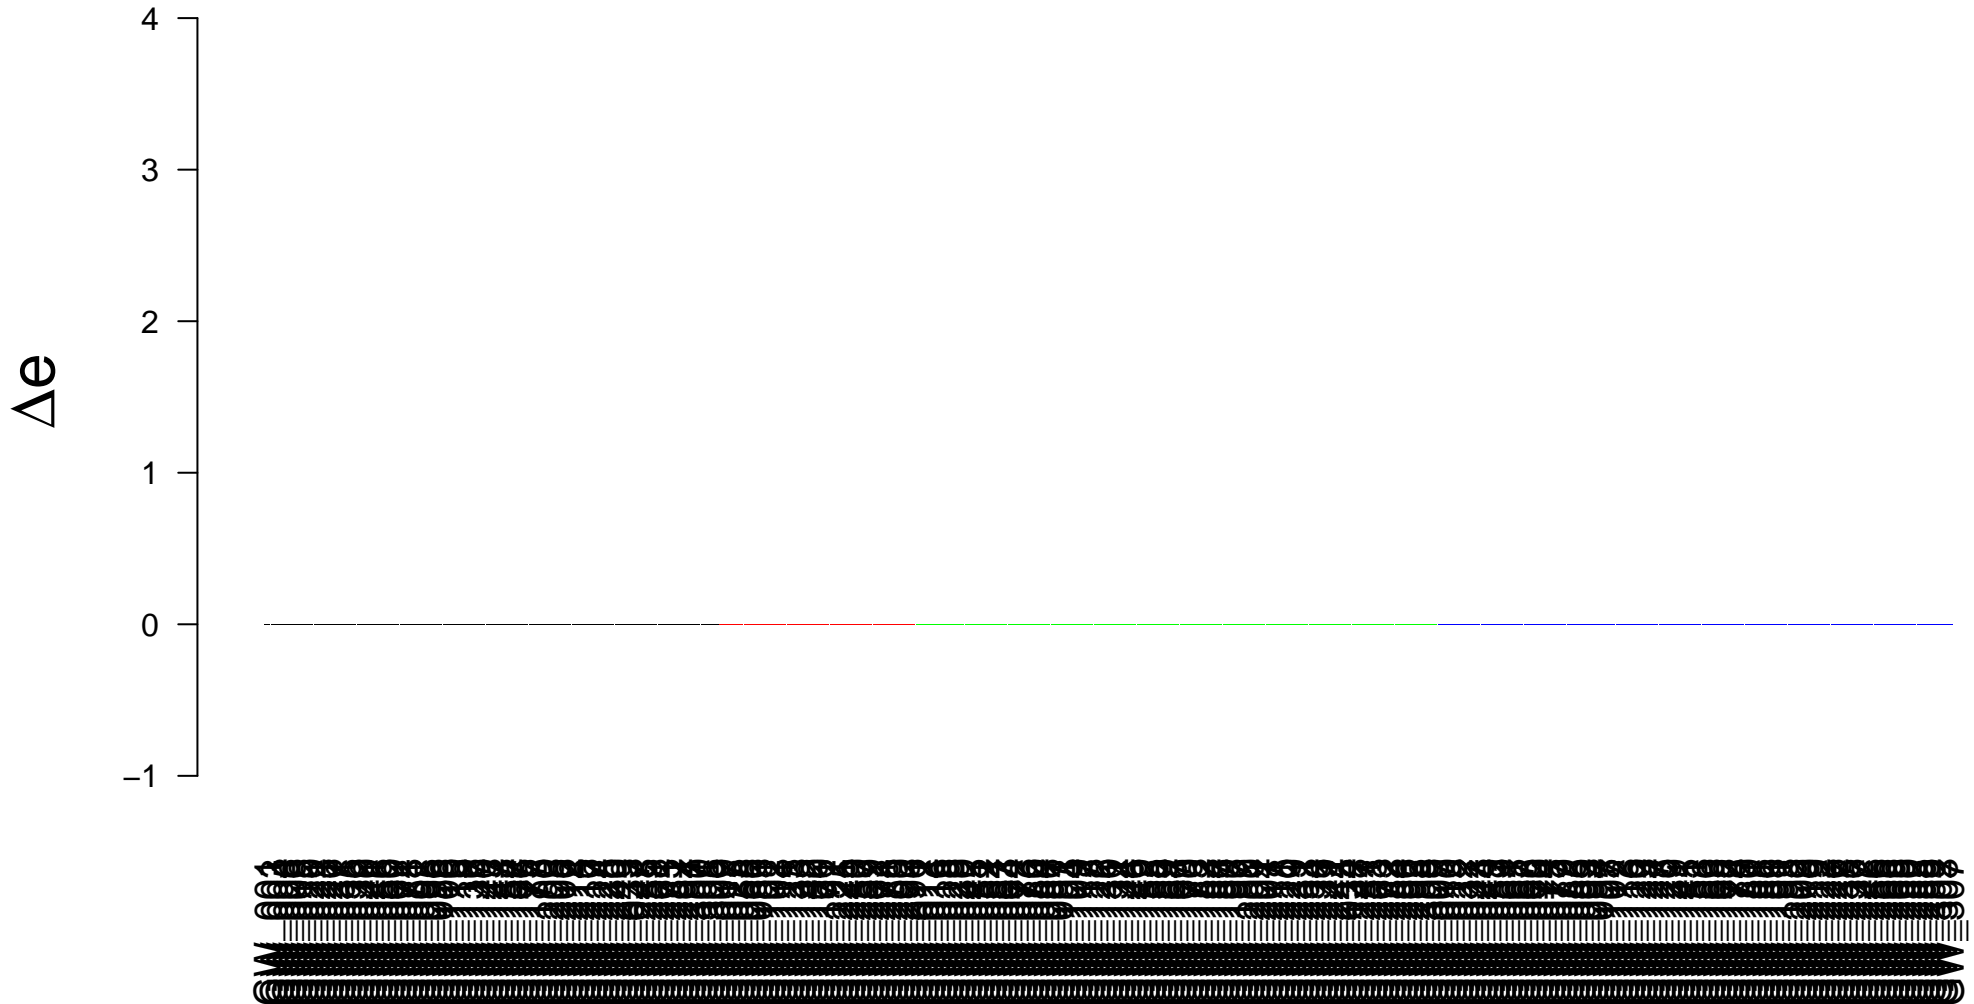

Enrichment in spots: enzyme regulator activity

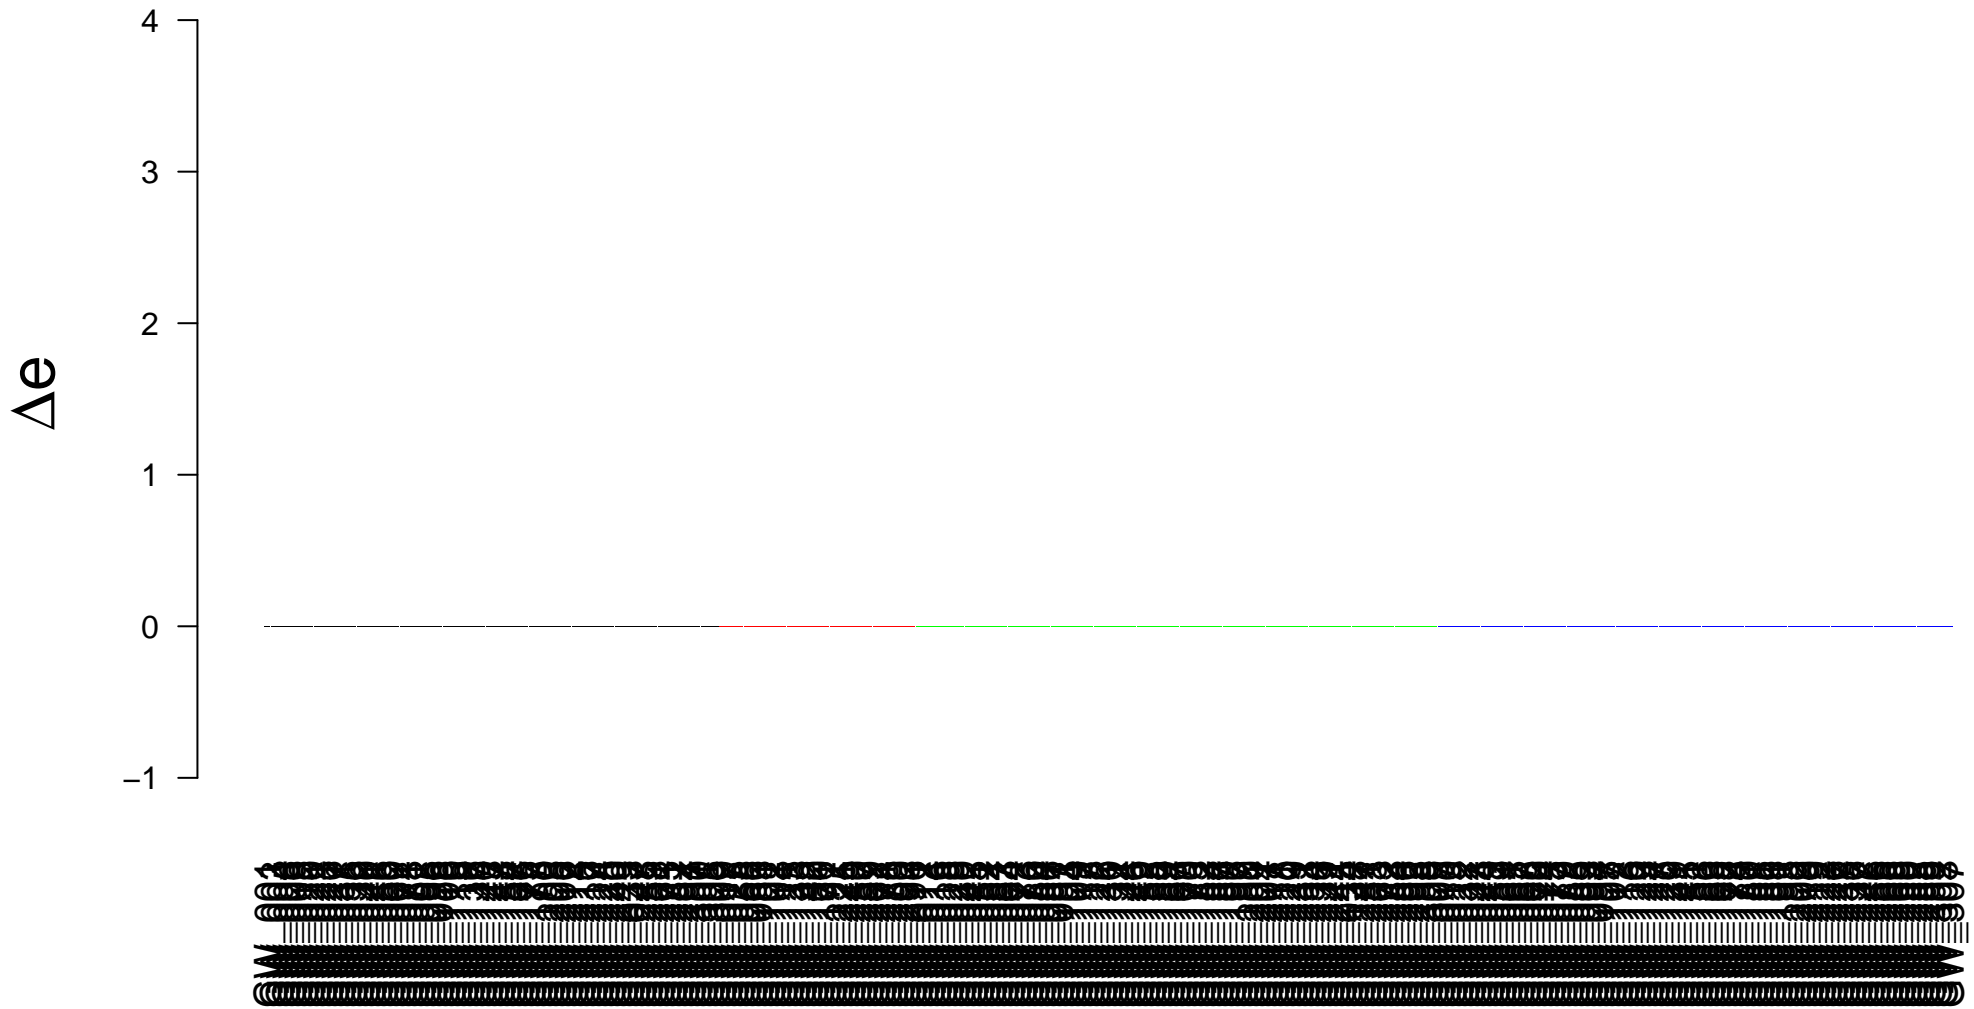

Expression of enzyme regulator activity in Spot A

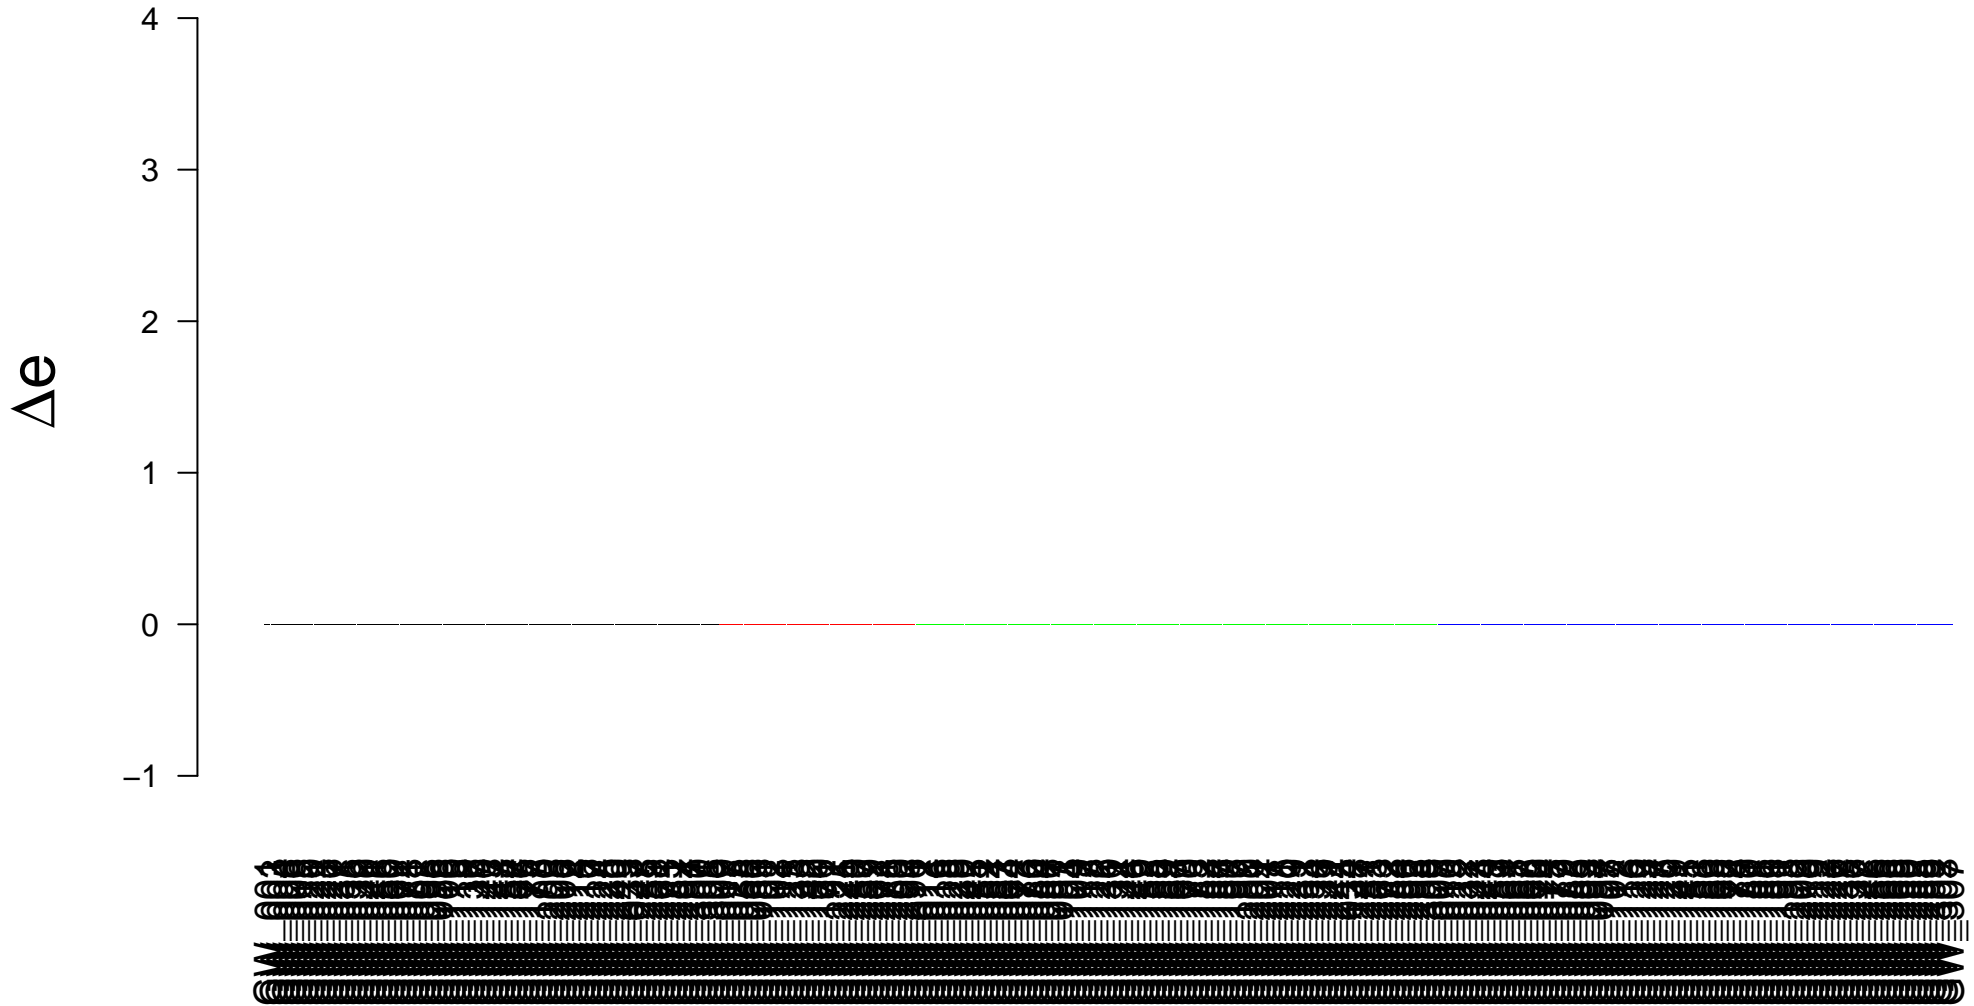

Expression of enzyme regulator activity in Spot B

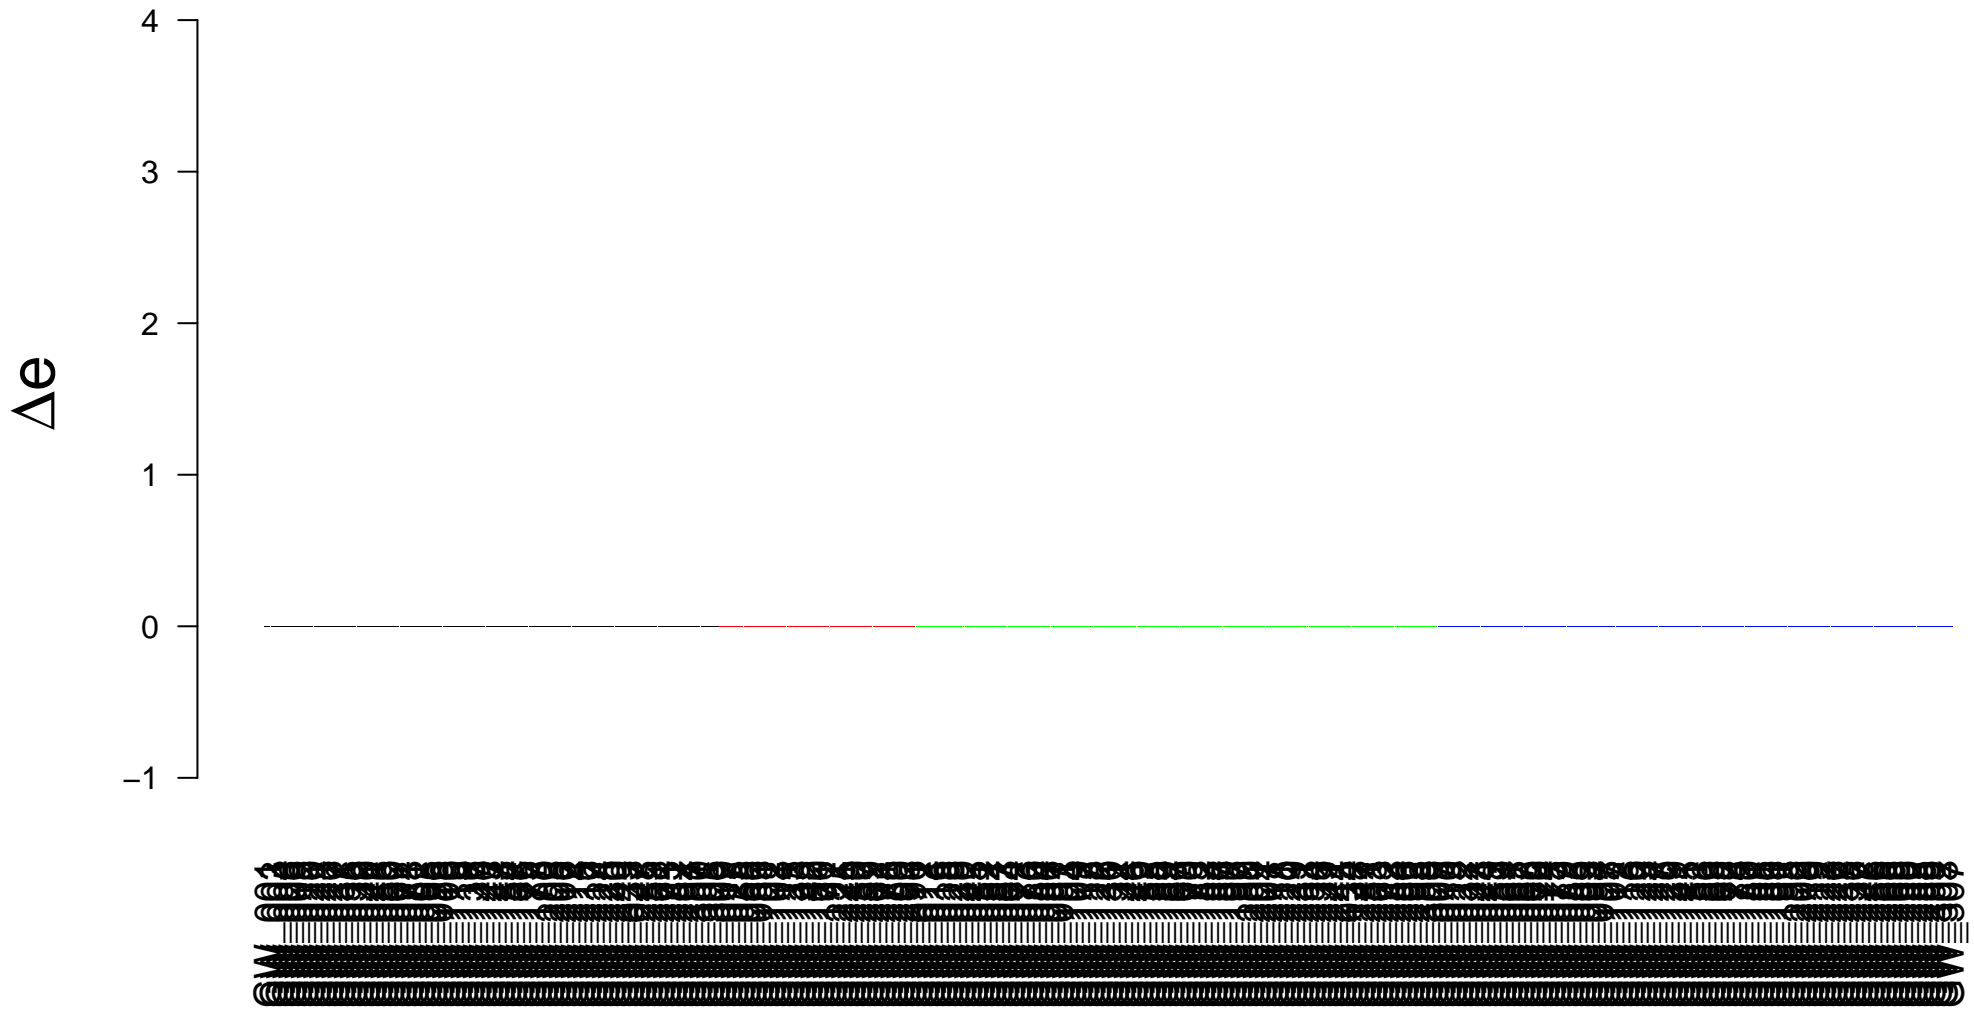

Expression of enzyme regulator activity in Spot C

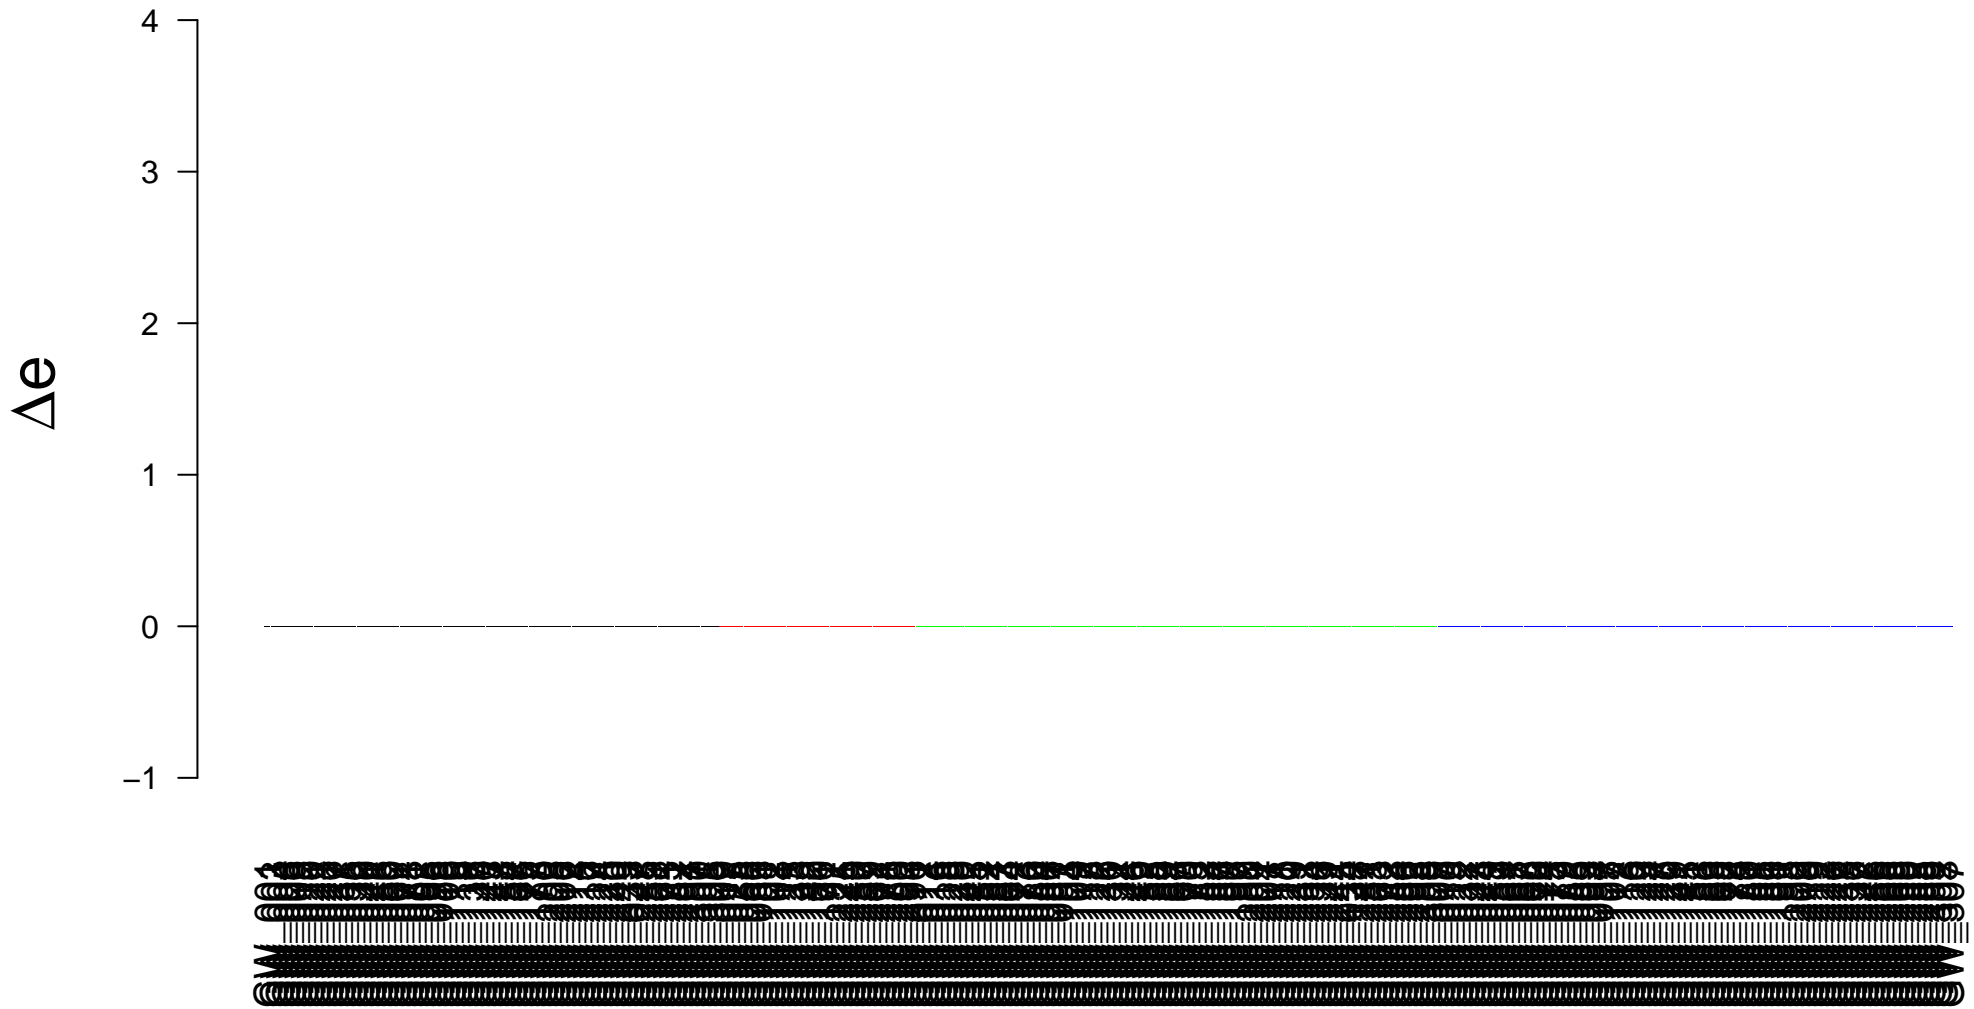

Expression of enzyme regulator activity in Spot D

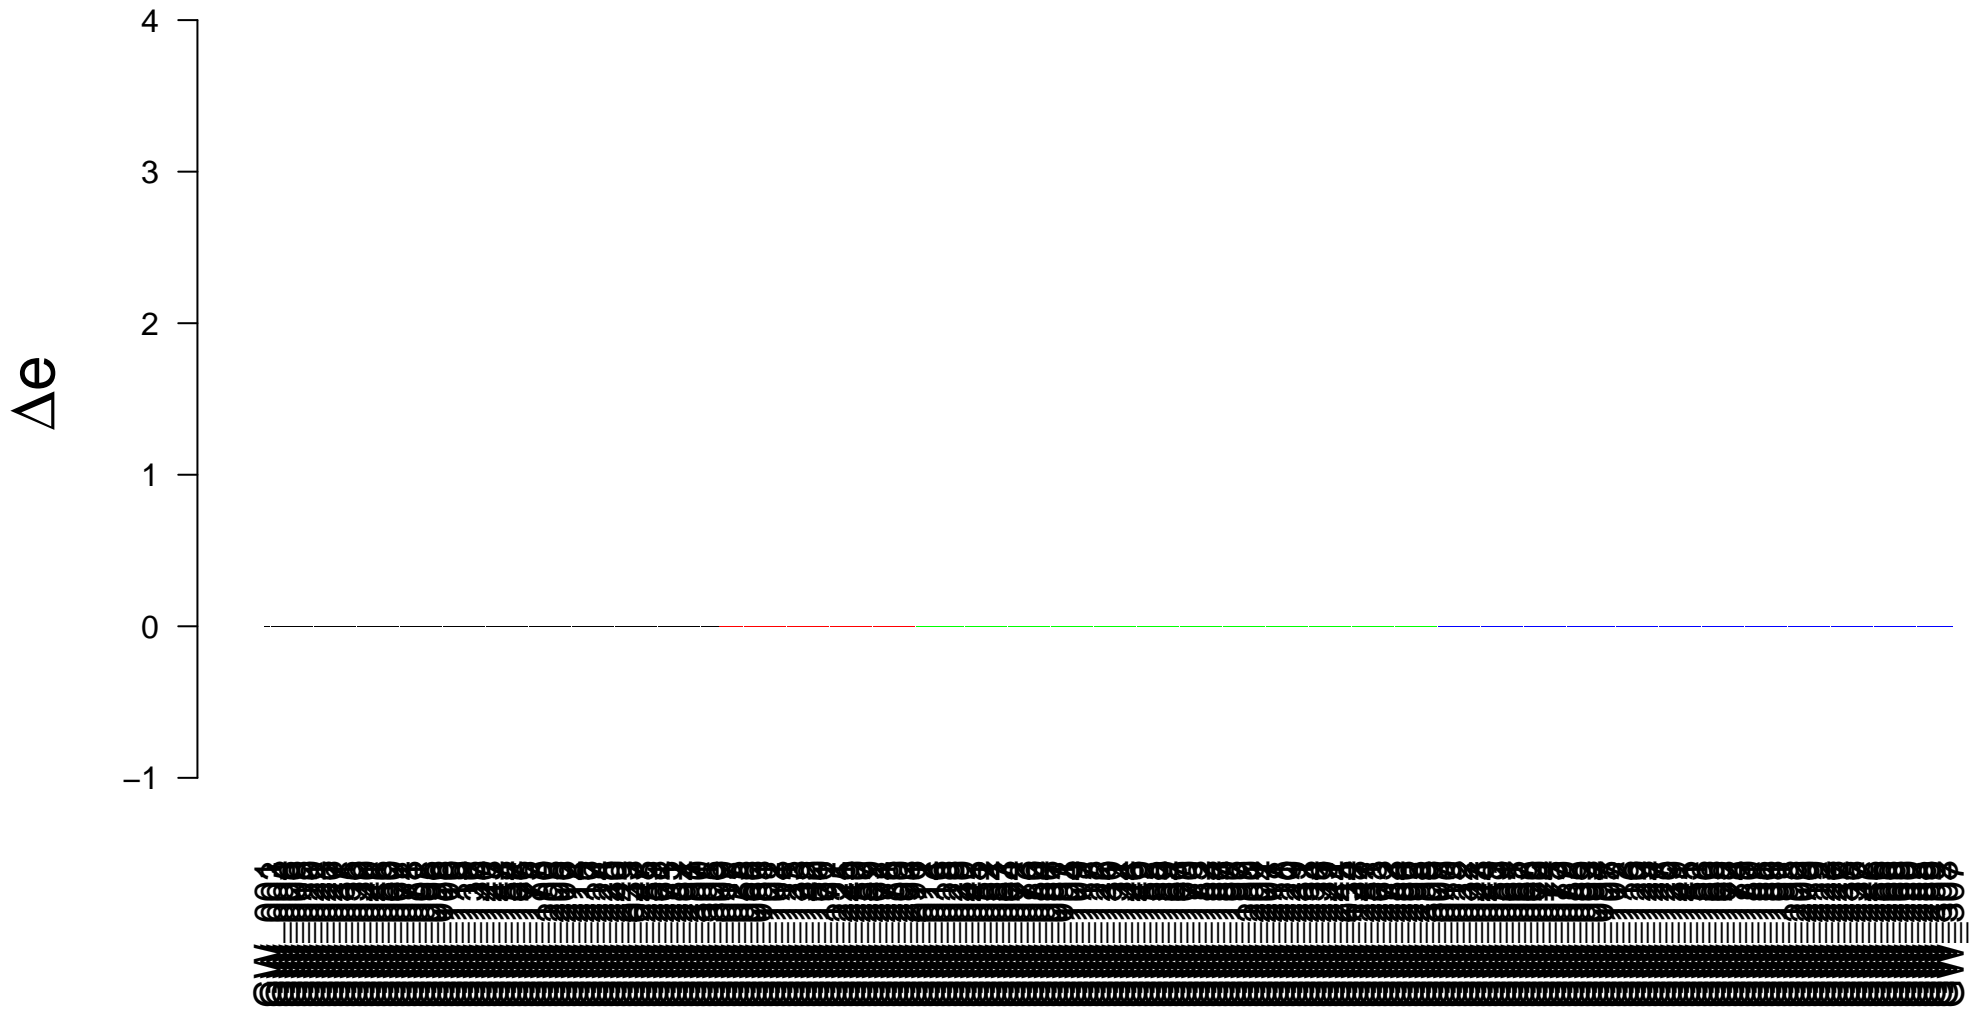

Expression of enzyme regulator activity in Spot E

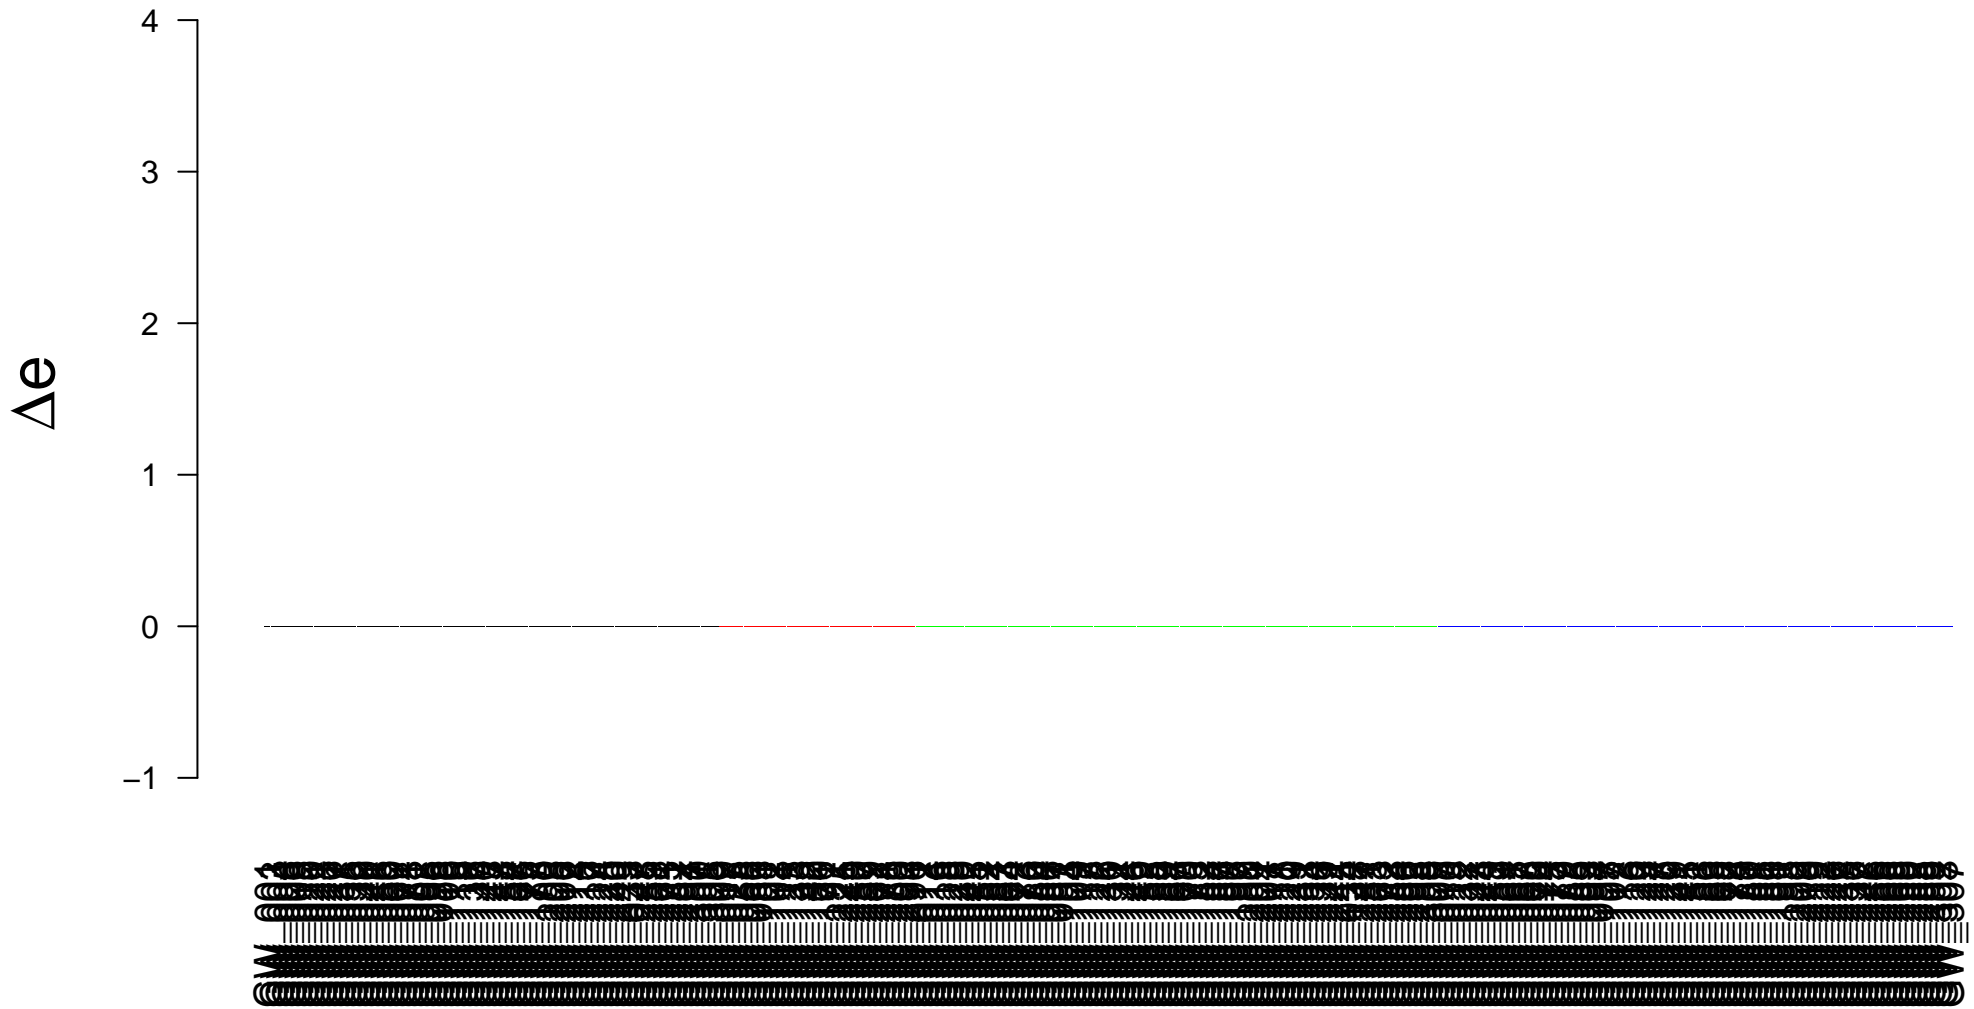

Expression of enzyme regulator activity in Spot F

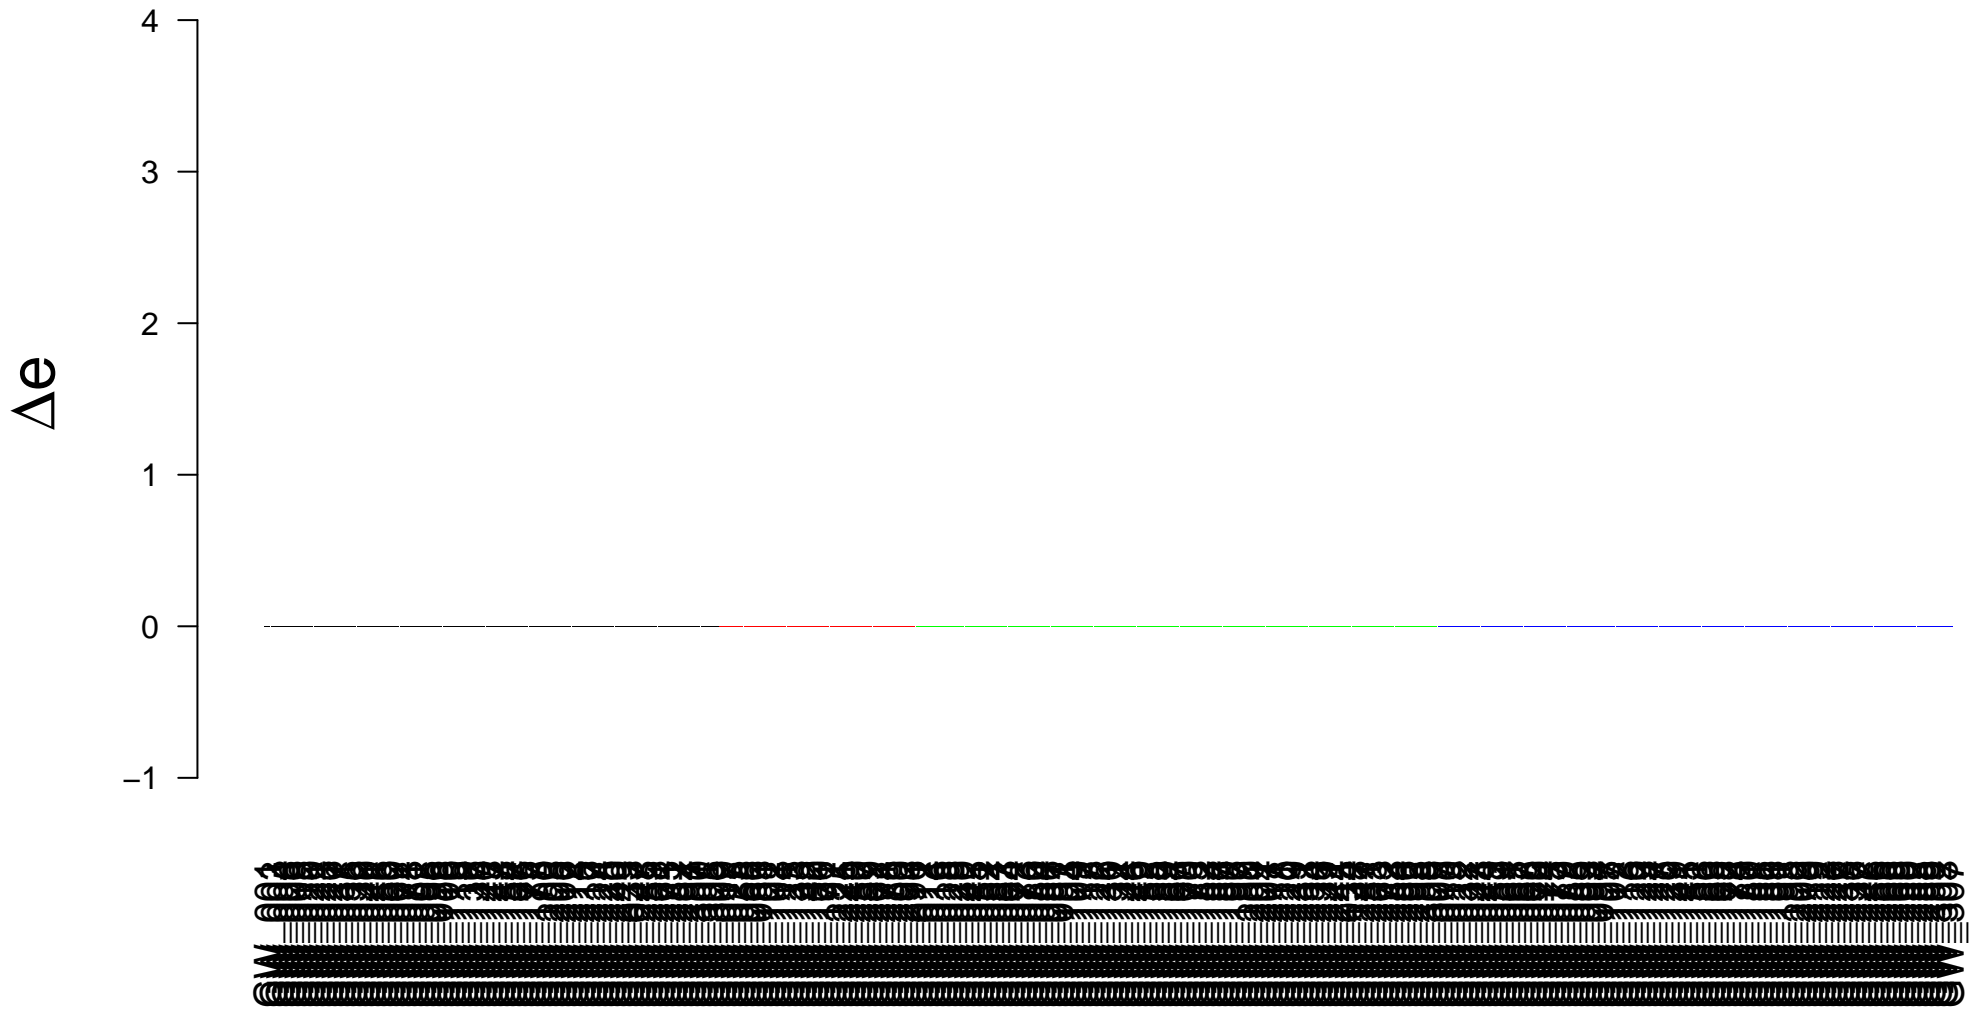

Expression of enzyme regulator activity in Spot G

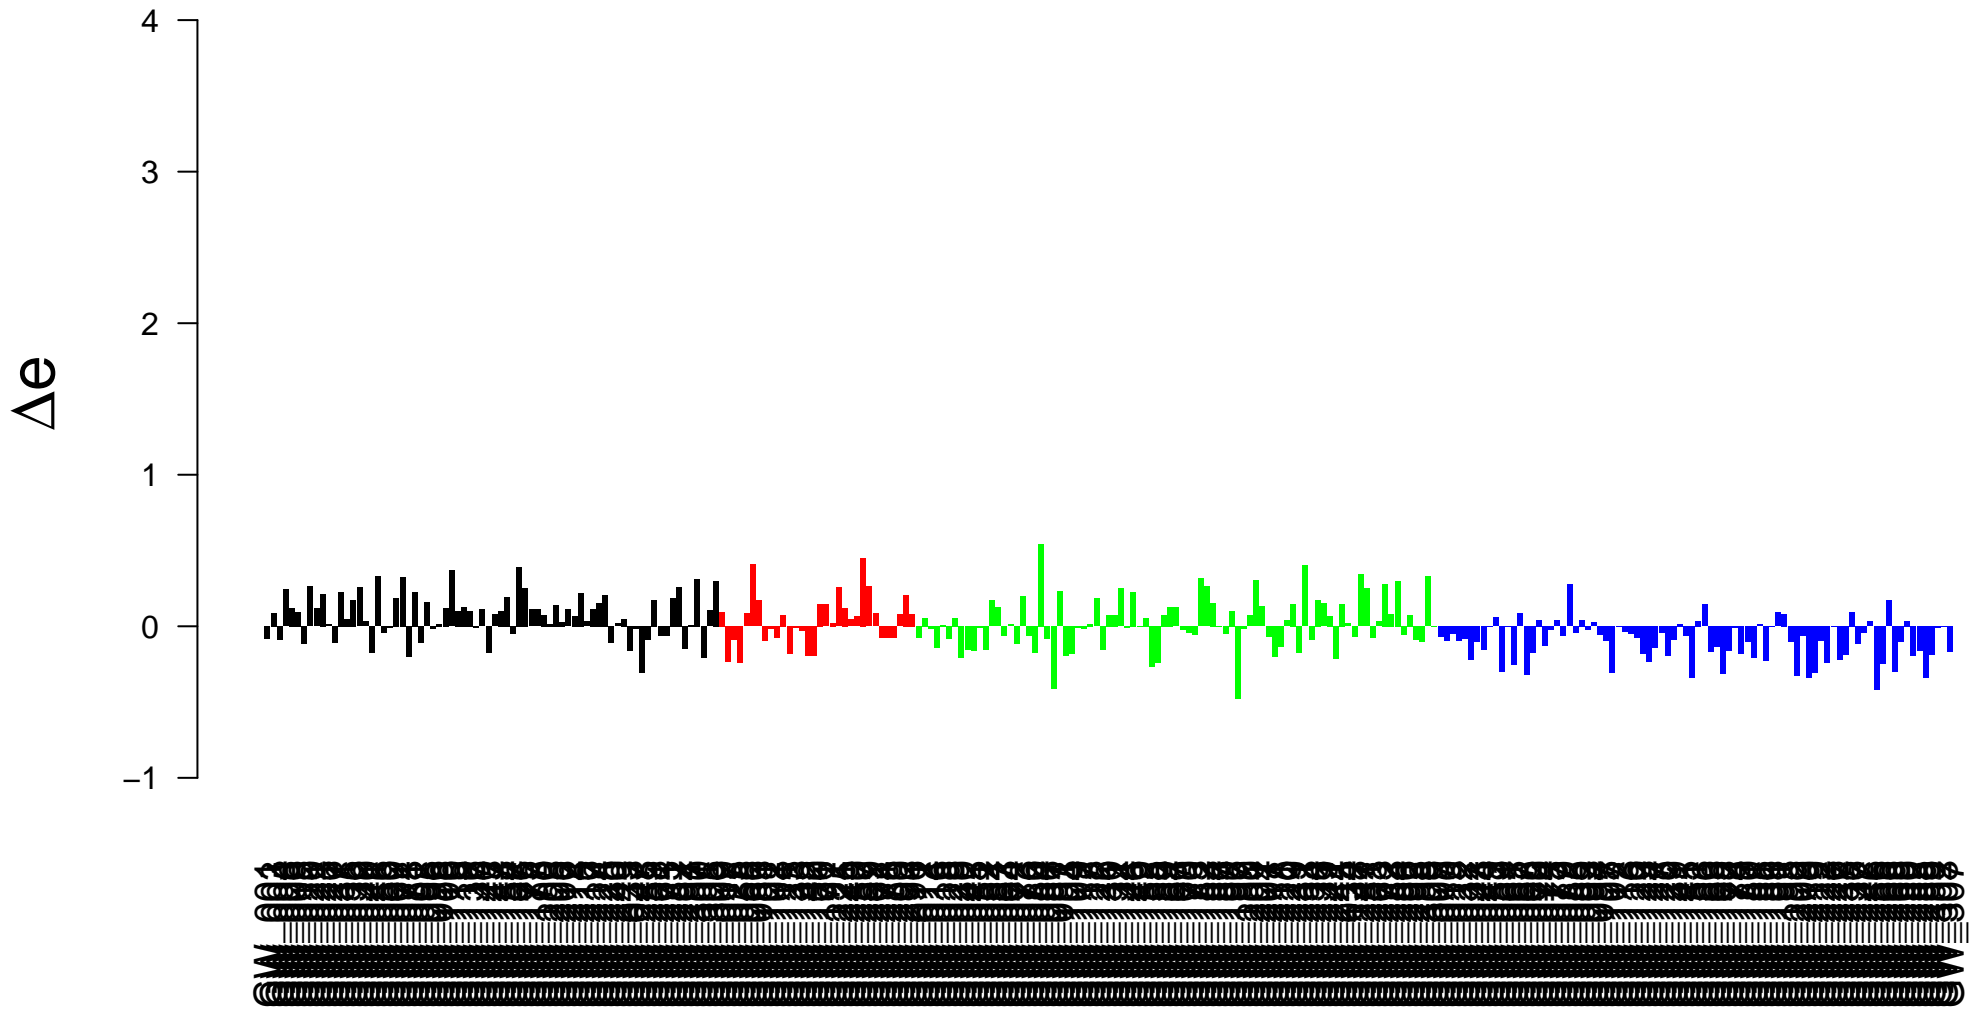

Expression of enzyme regulator activity in Spot H

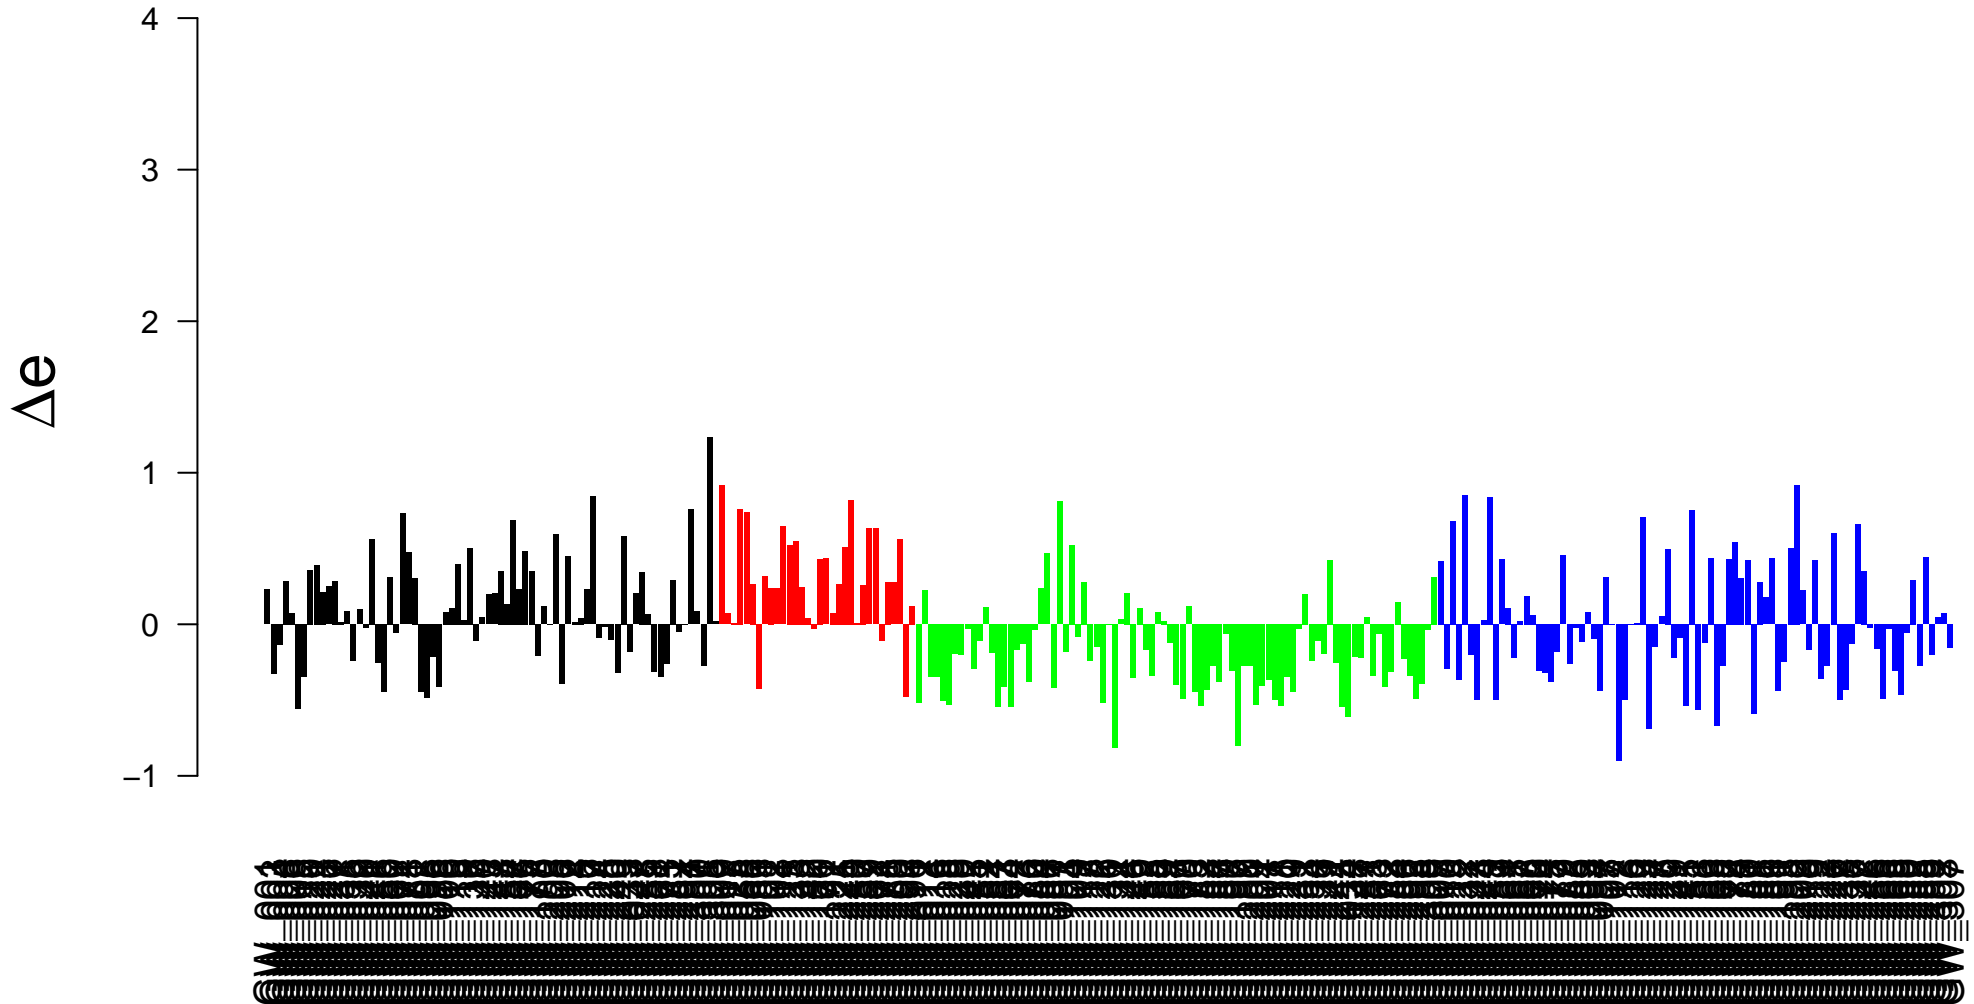

Expression of enzyme regulator activity in Spot I

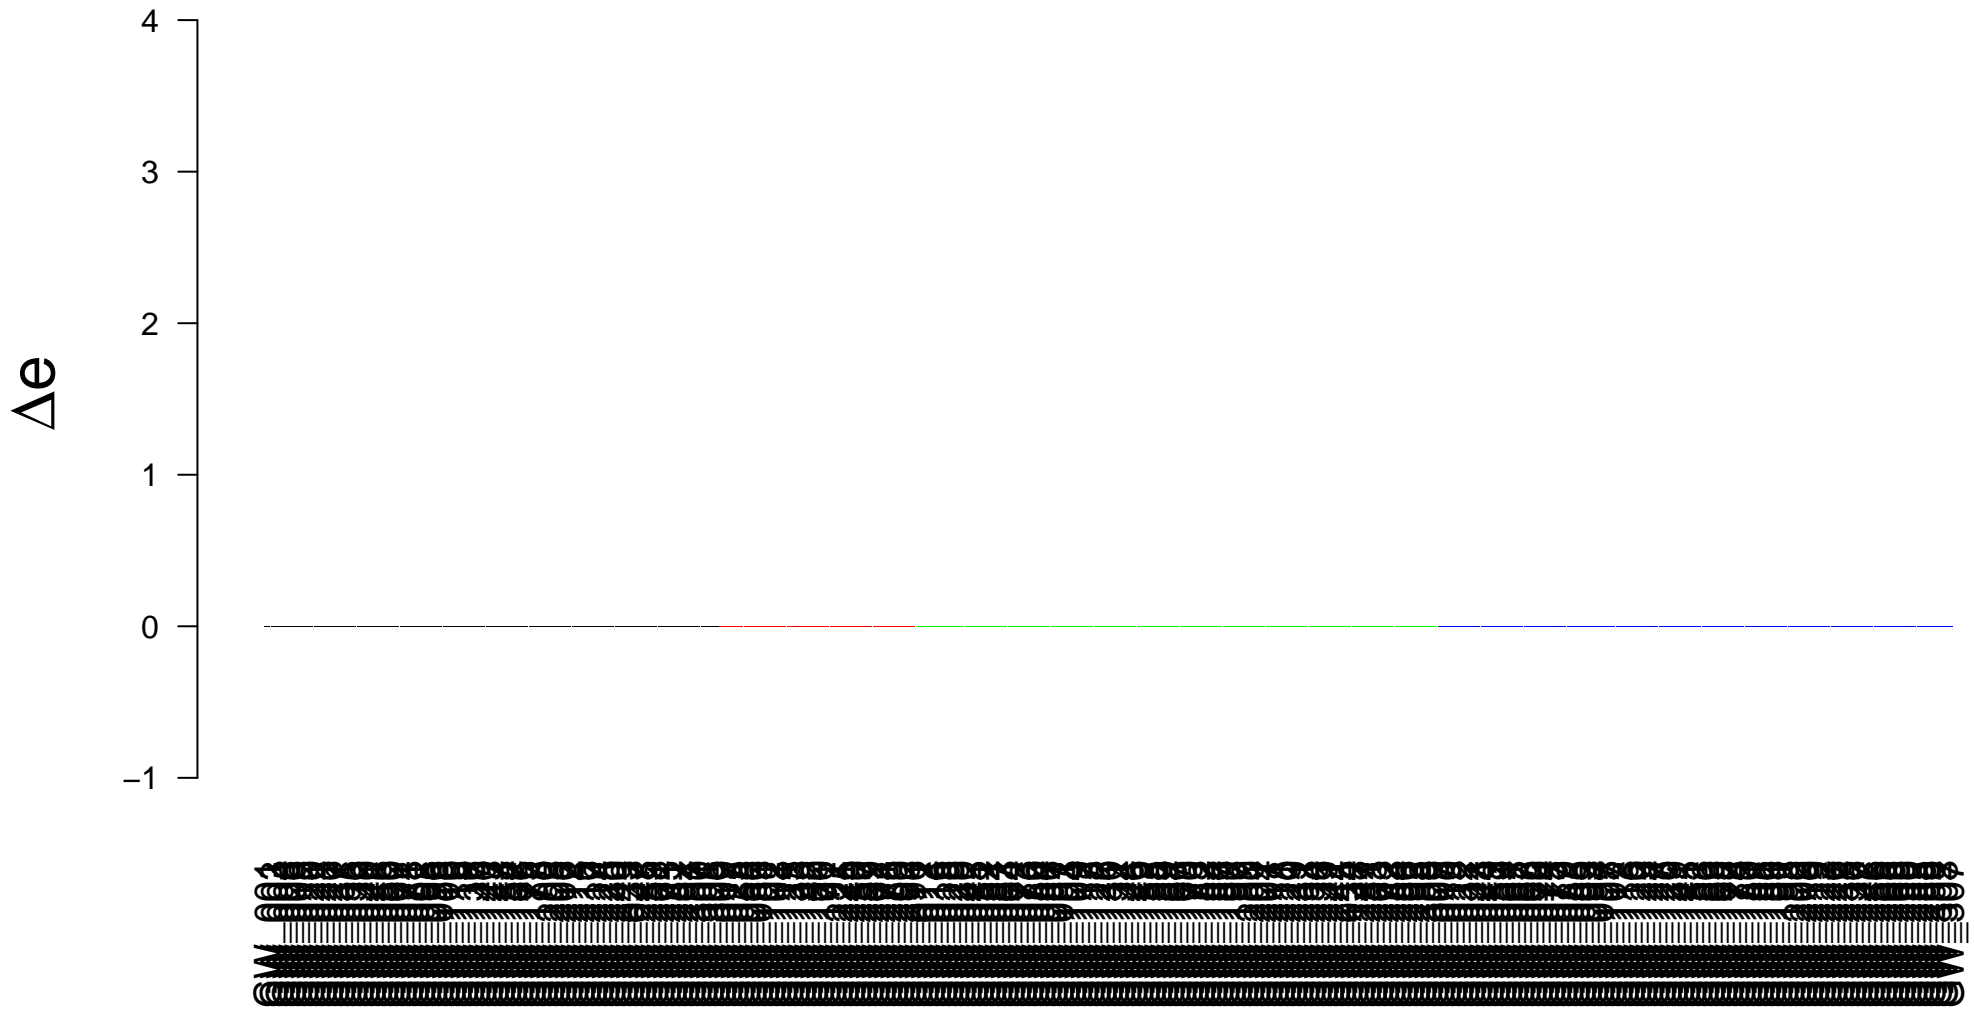

Expression of enzyme regulator activity in Spot J

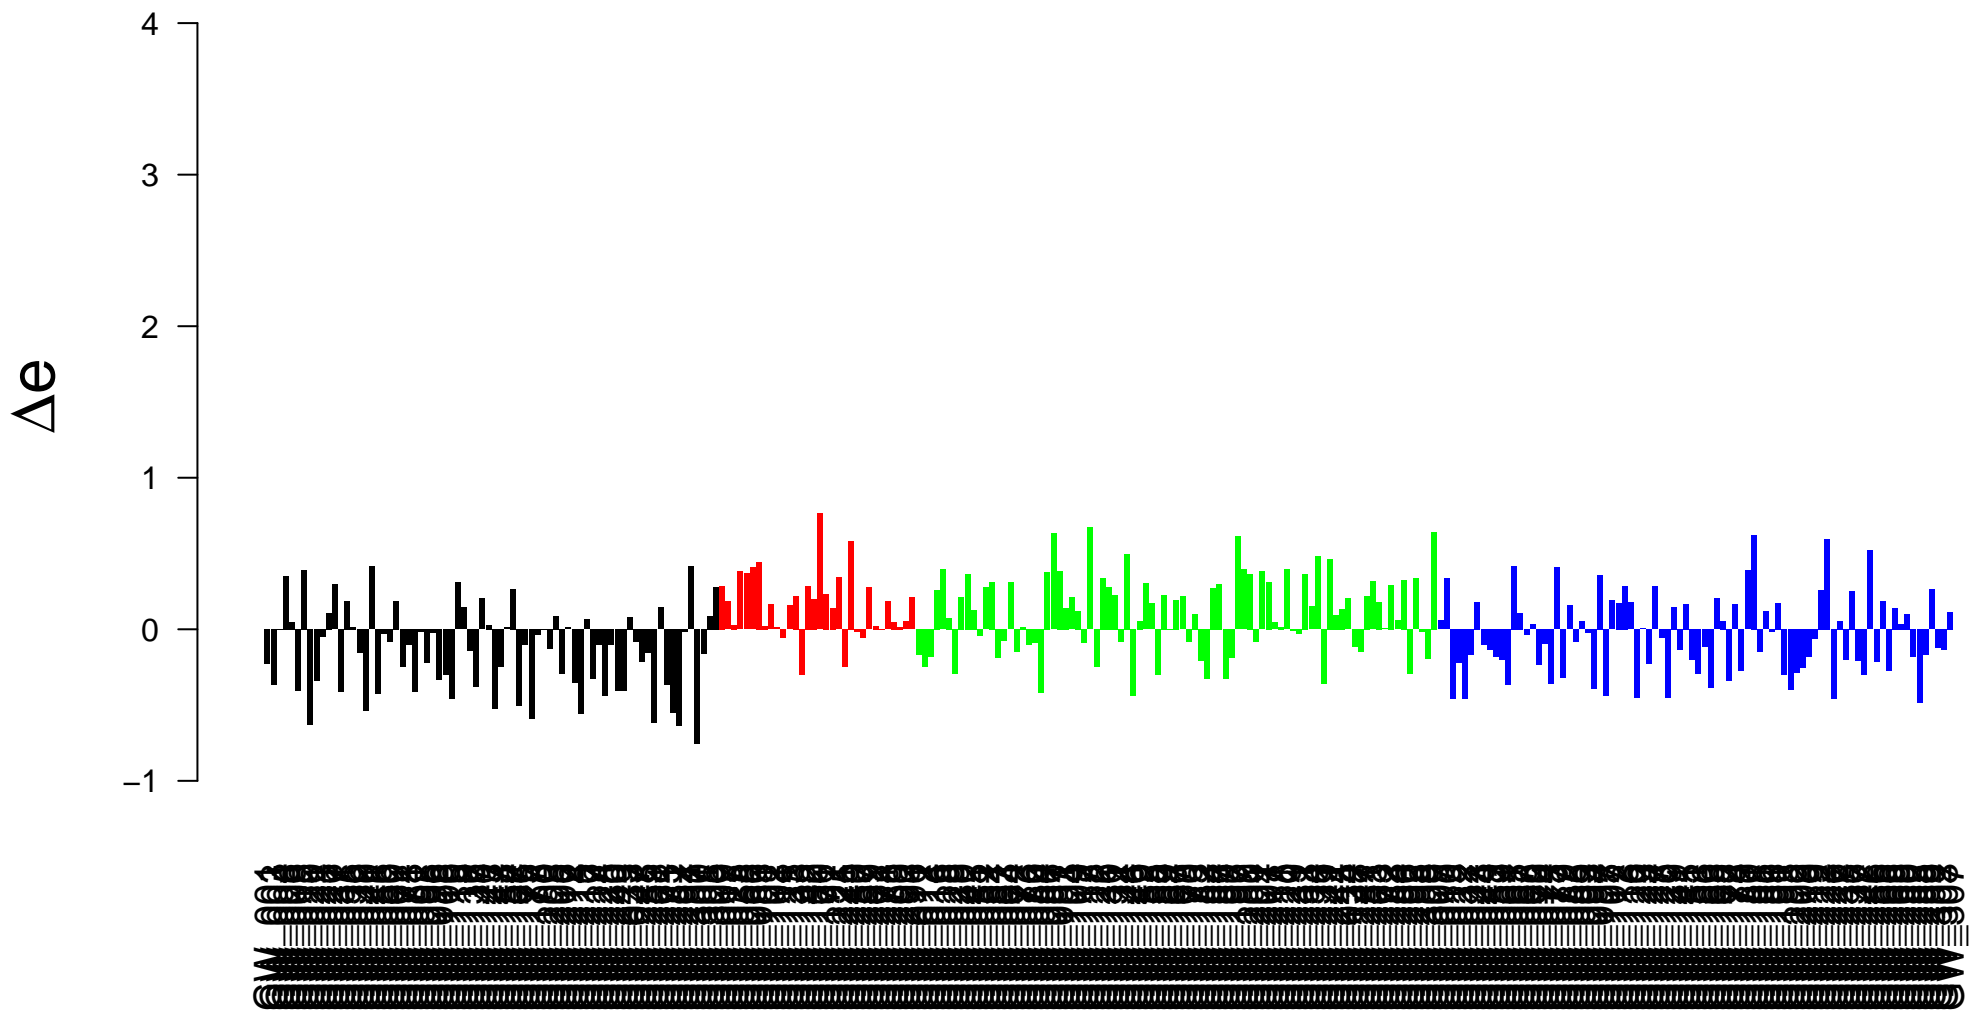

Expression of enzyme regulator activity in Spot K

Expression of enzyme regulator activity in Spot L

Expression of enzyme regulator activity in Spot M

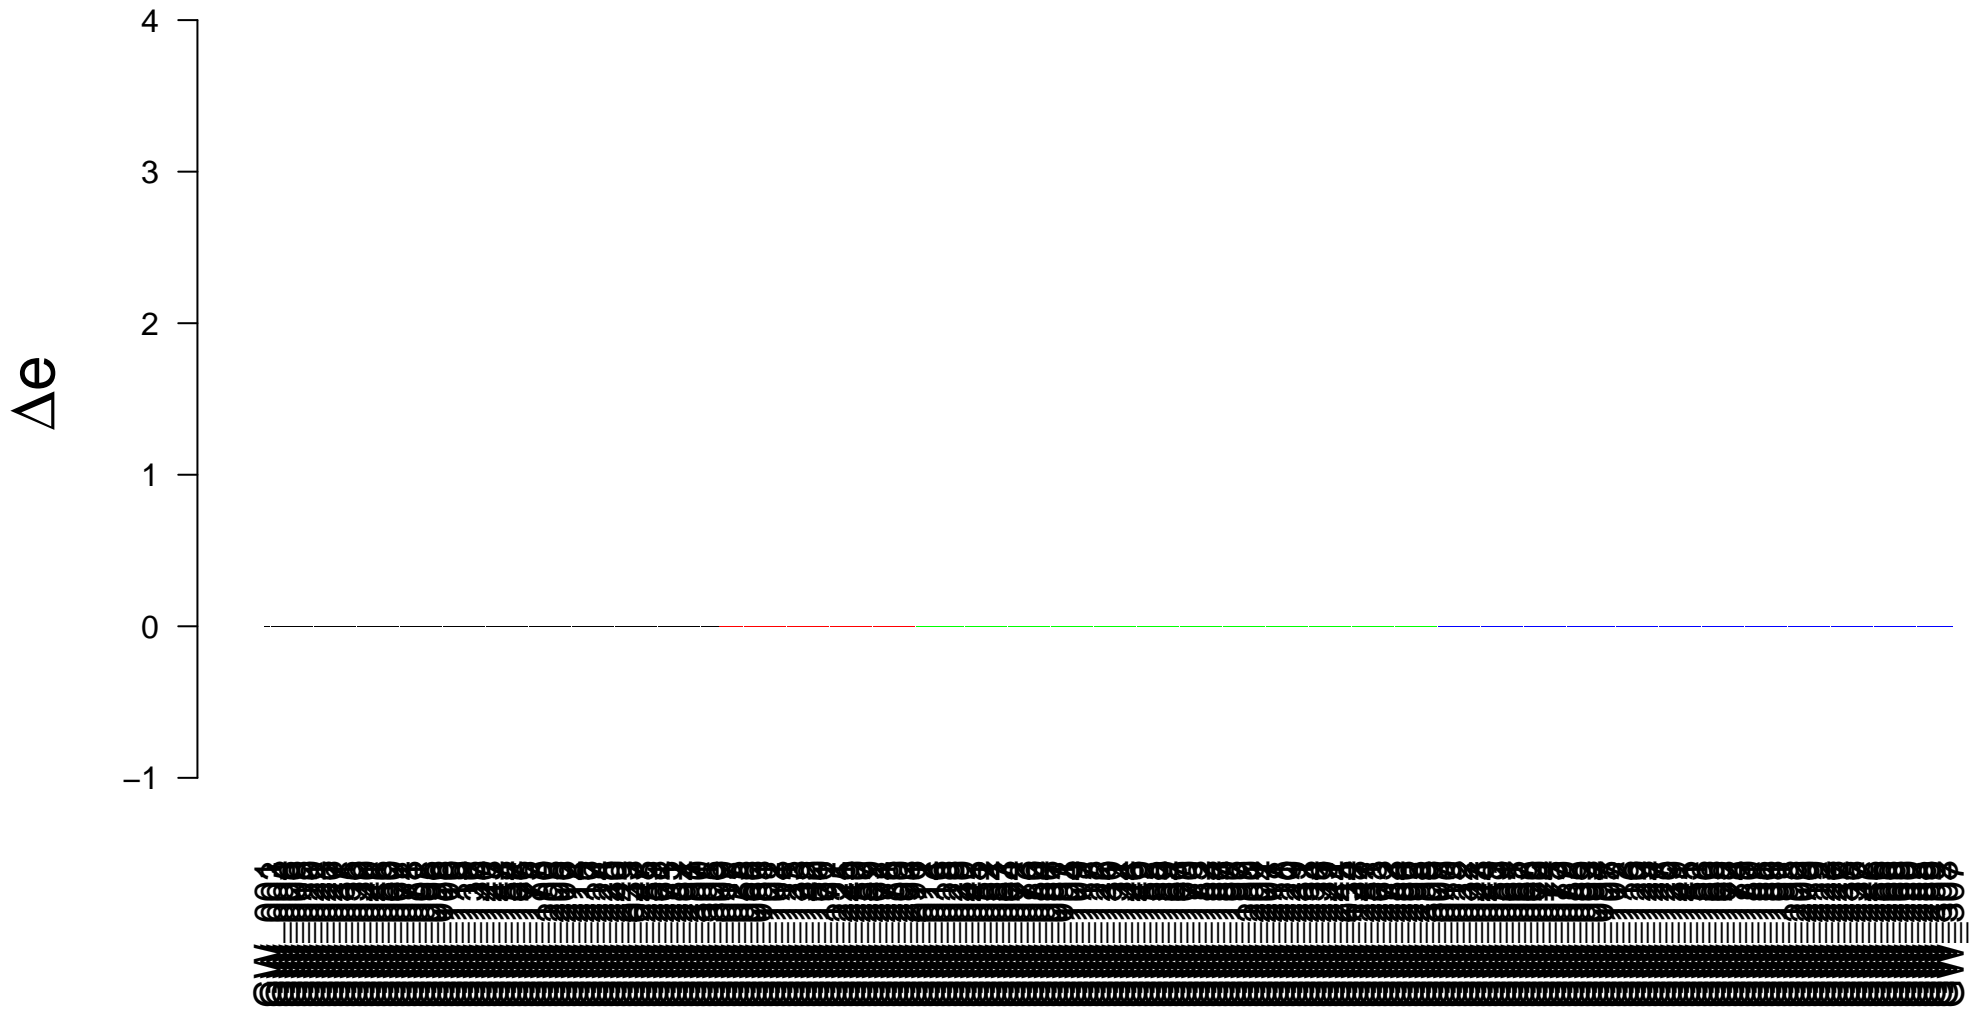

Expression of enzyme regulator activity in Spot N
