

# ephrin receptor binding

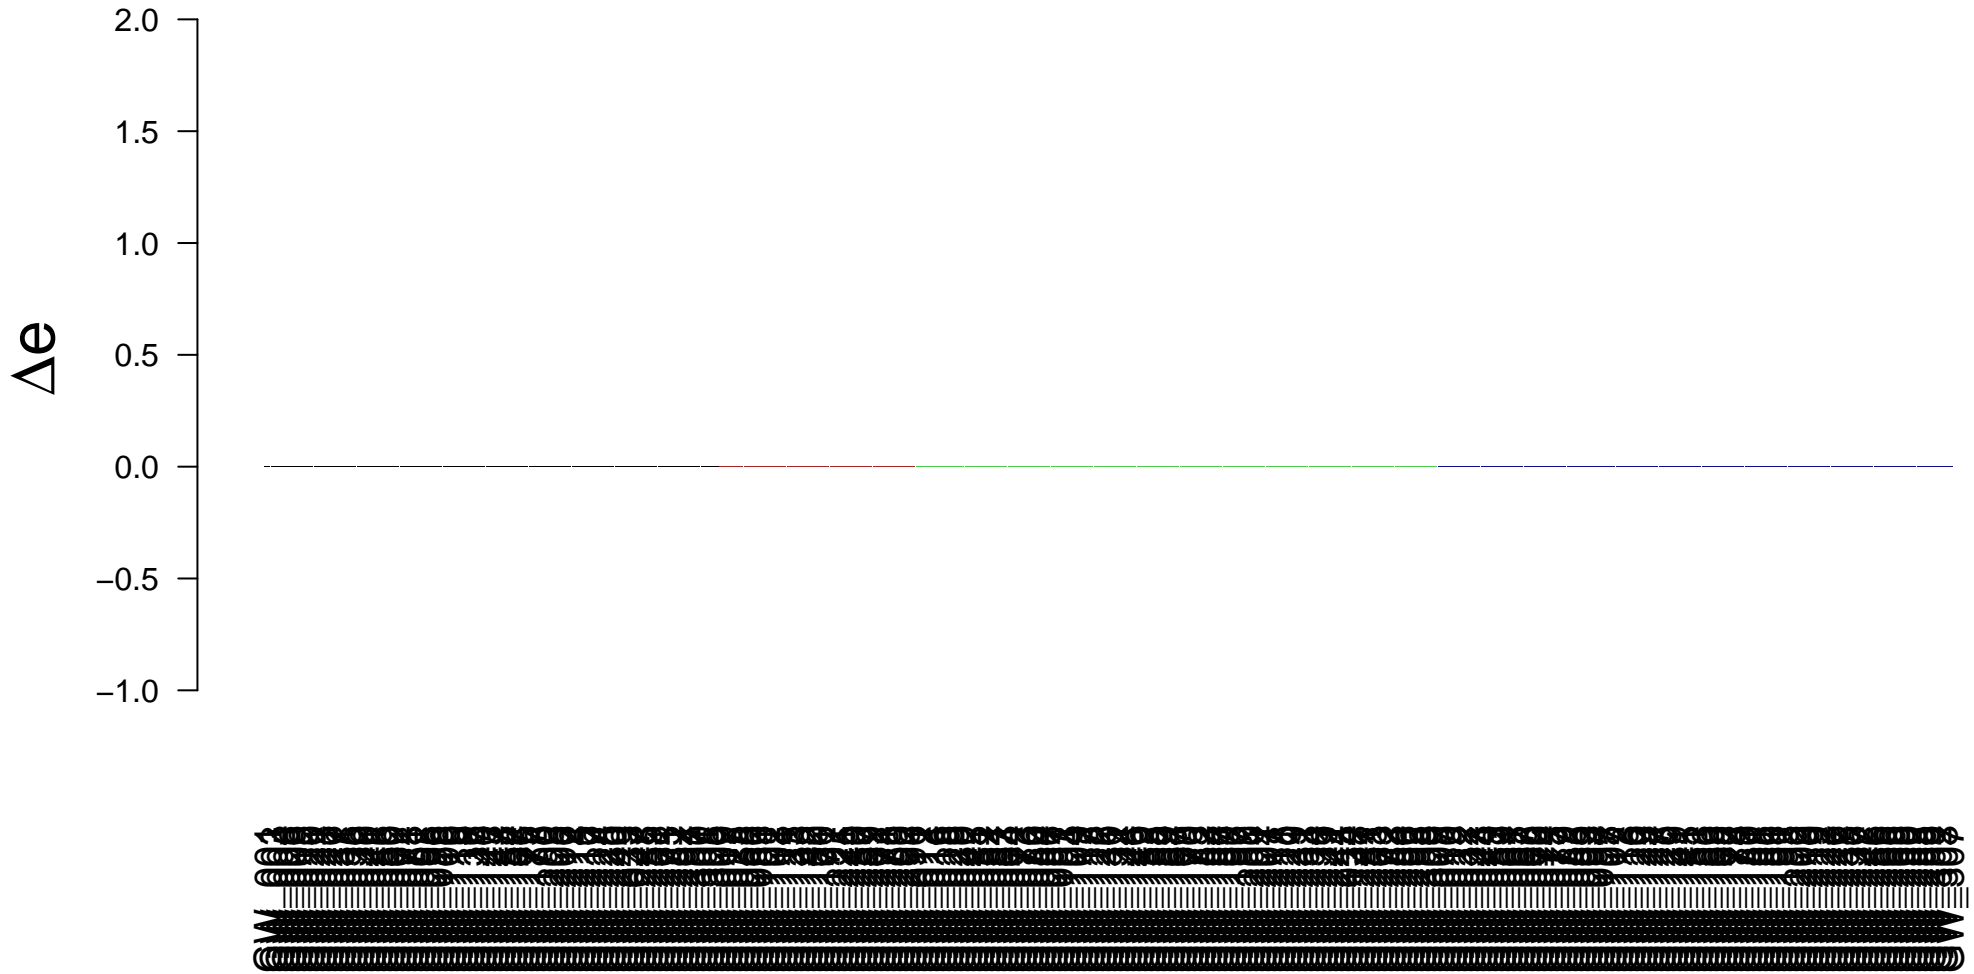

# ephrin receptor binding

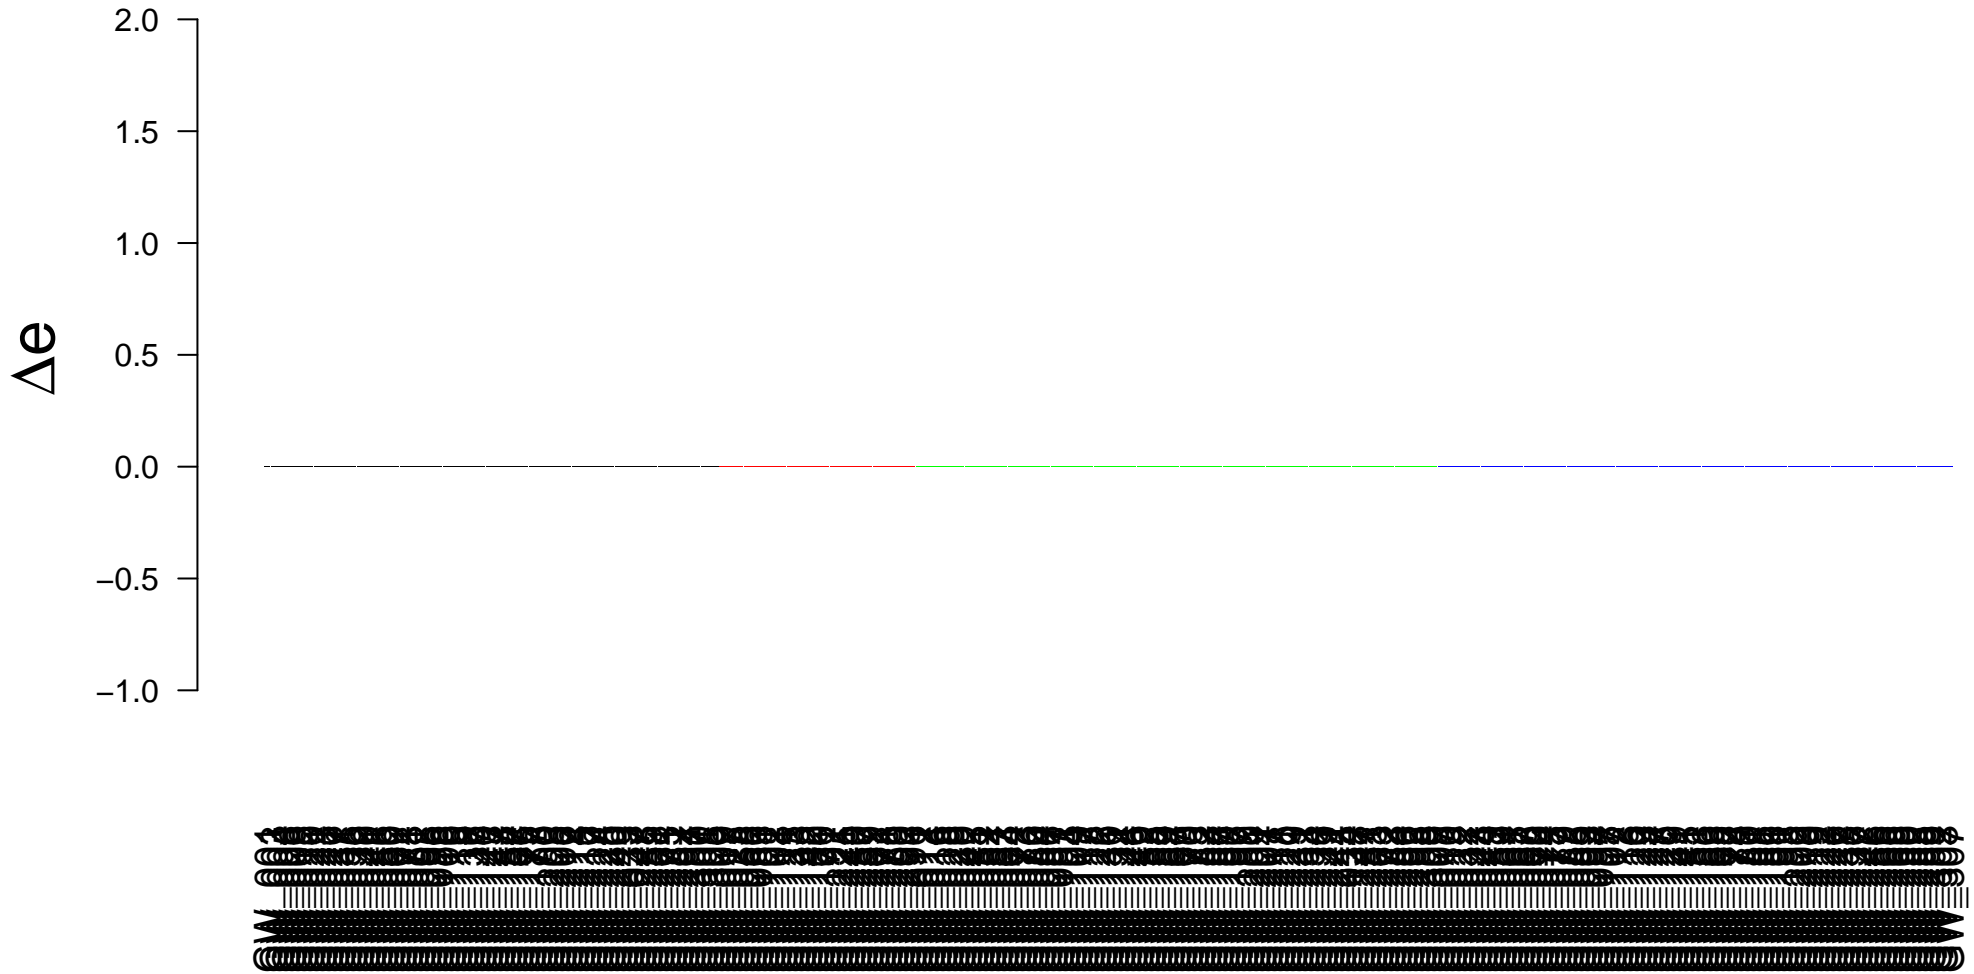

### Enrichment in spots: ephrin receptor binding

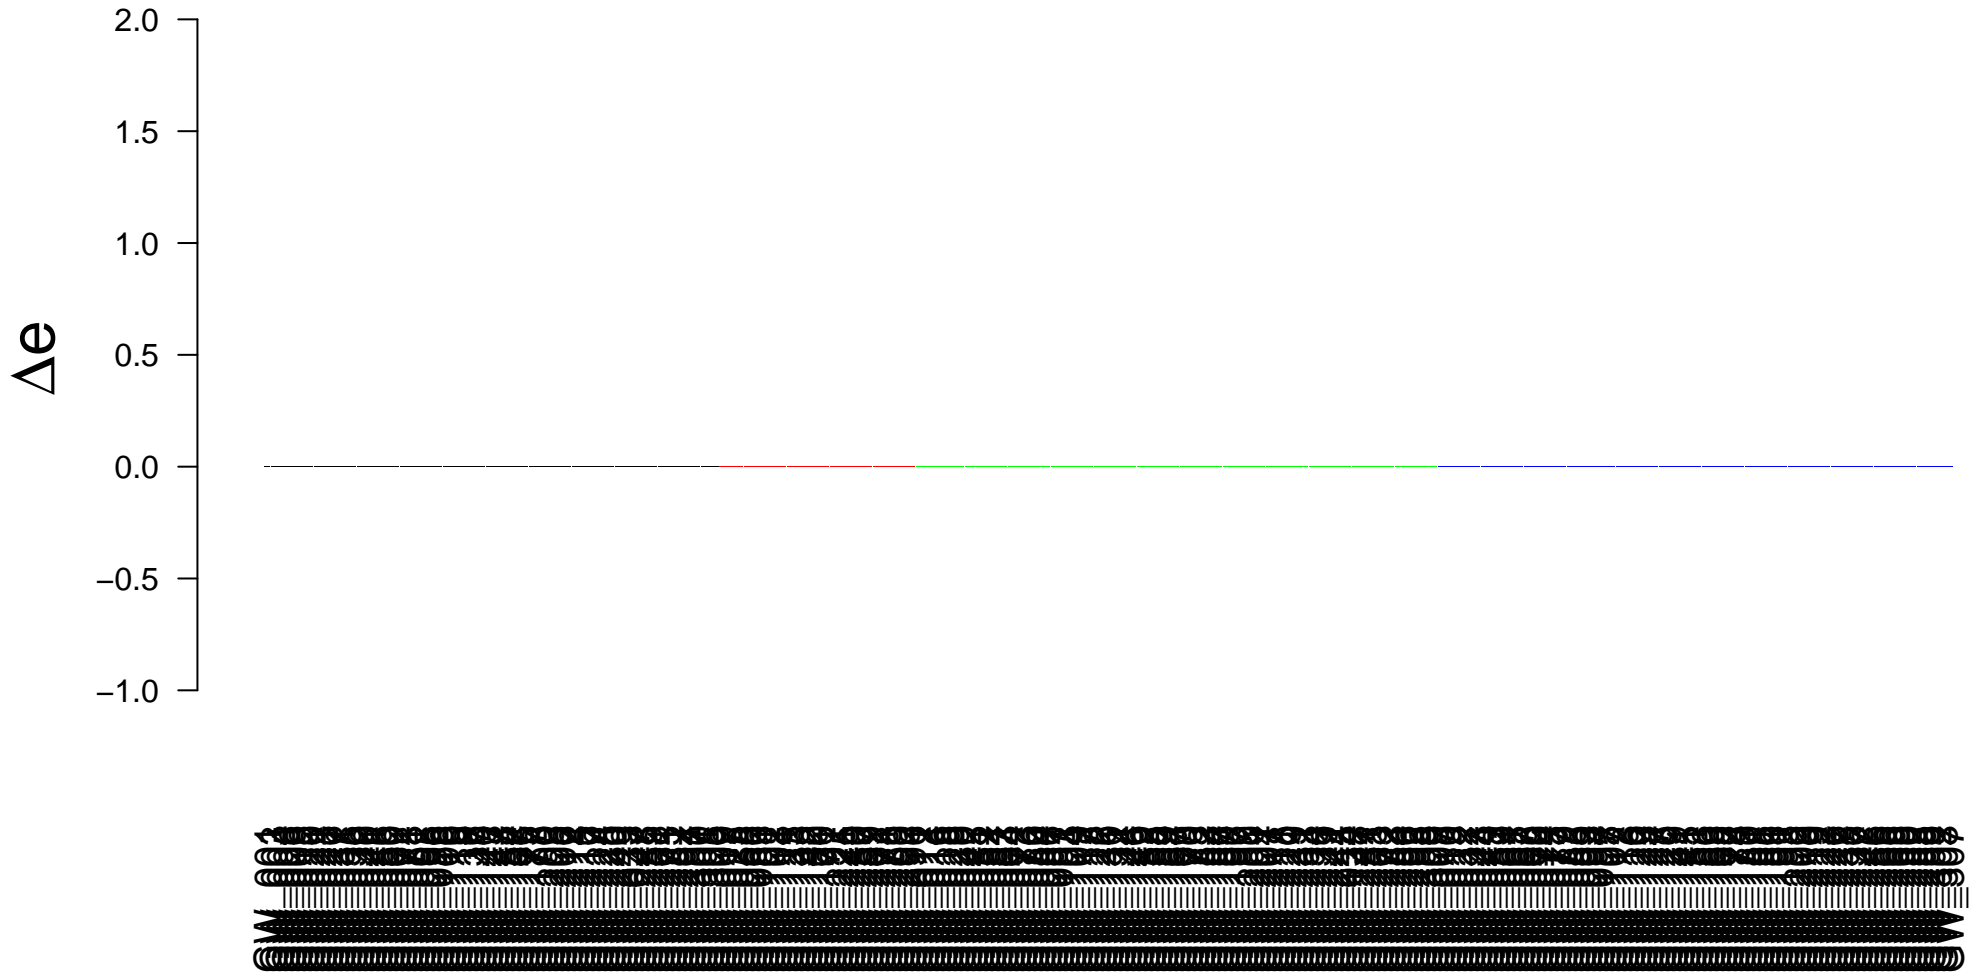

# Expression of ephrin receptor binding in Spot A

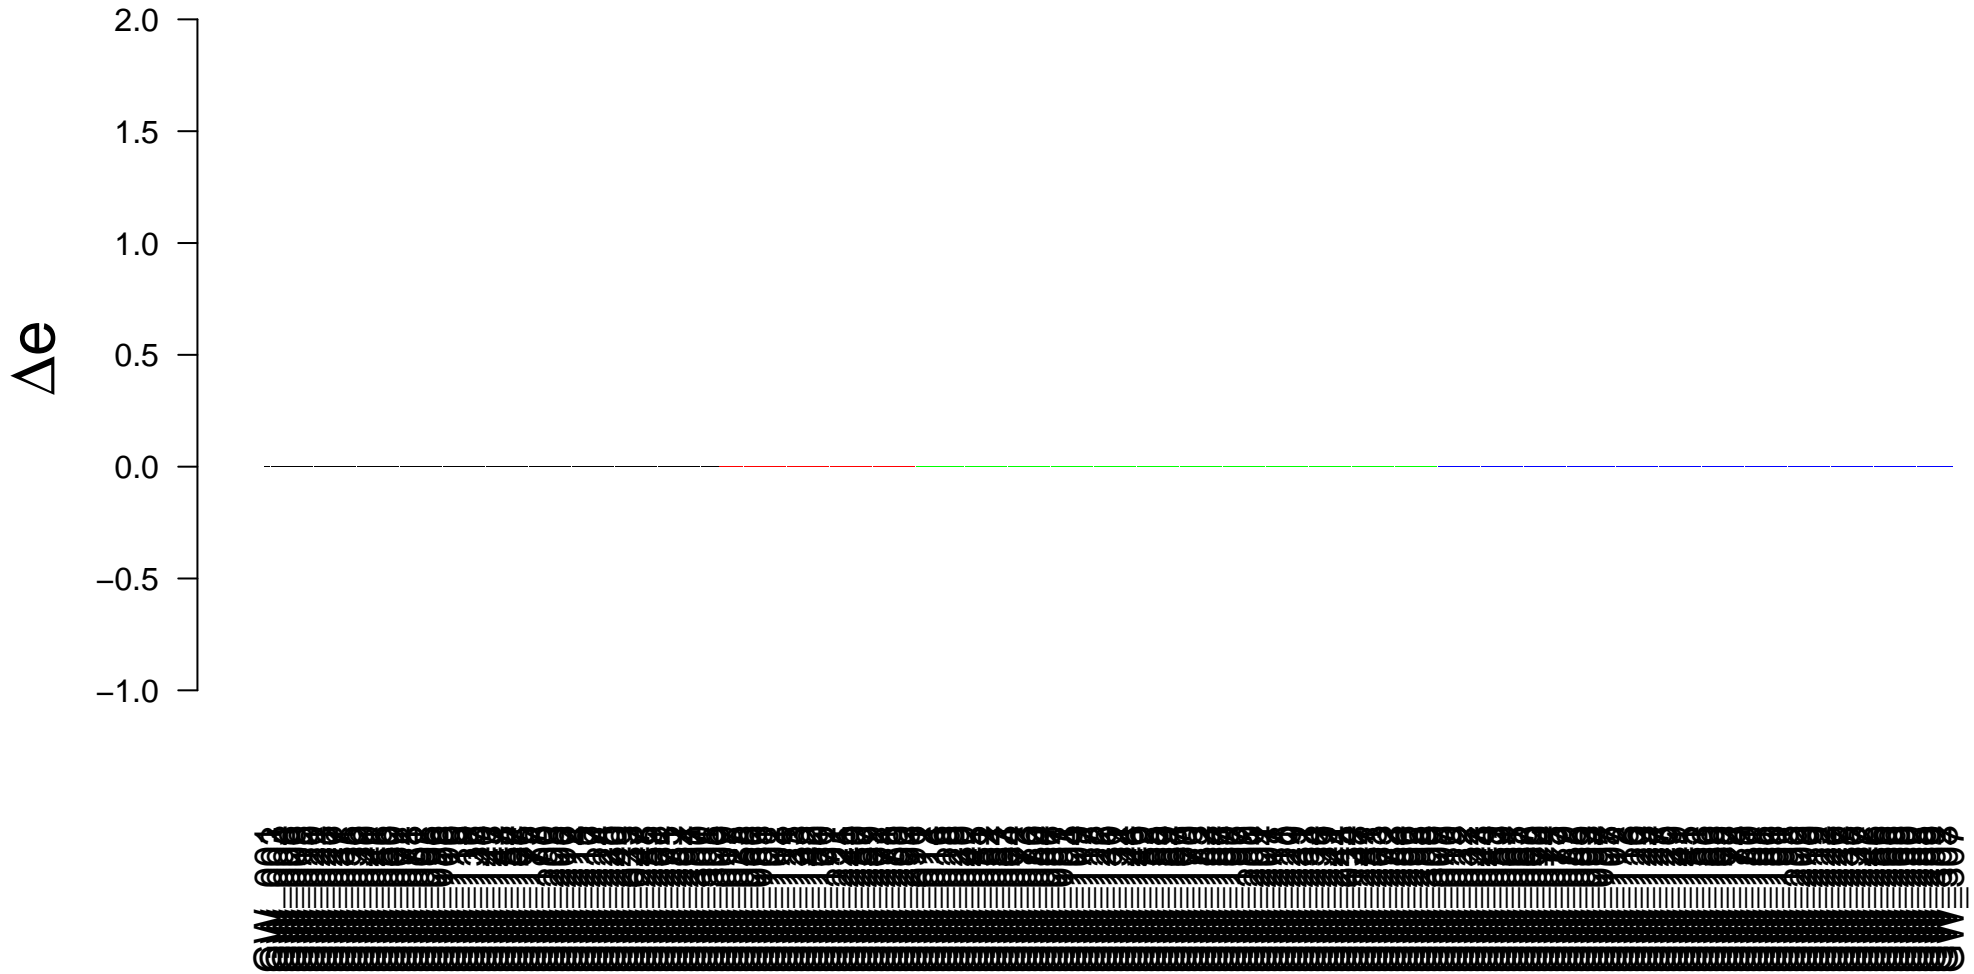

# Expression of ephrin receptor binding in Spot B

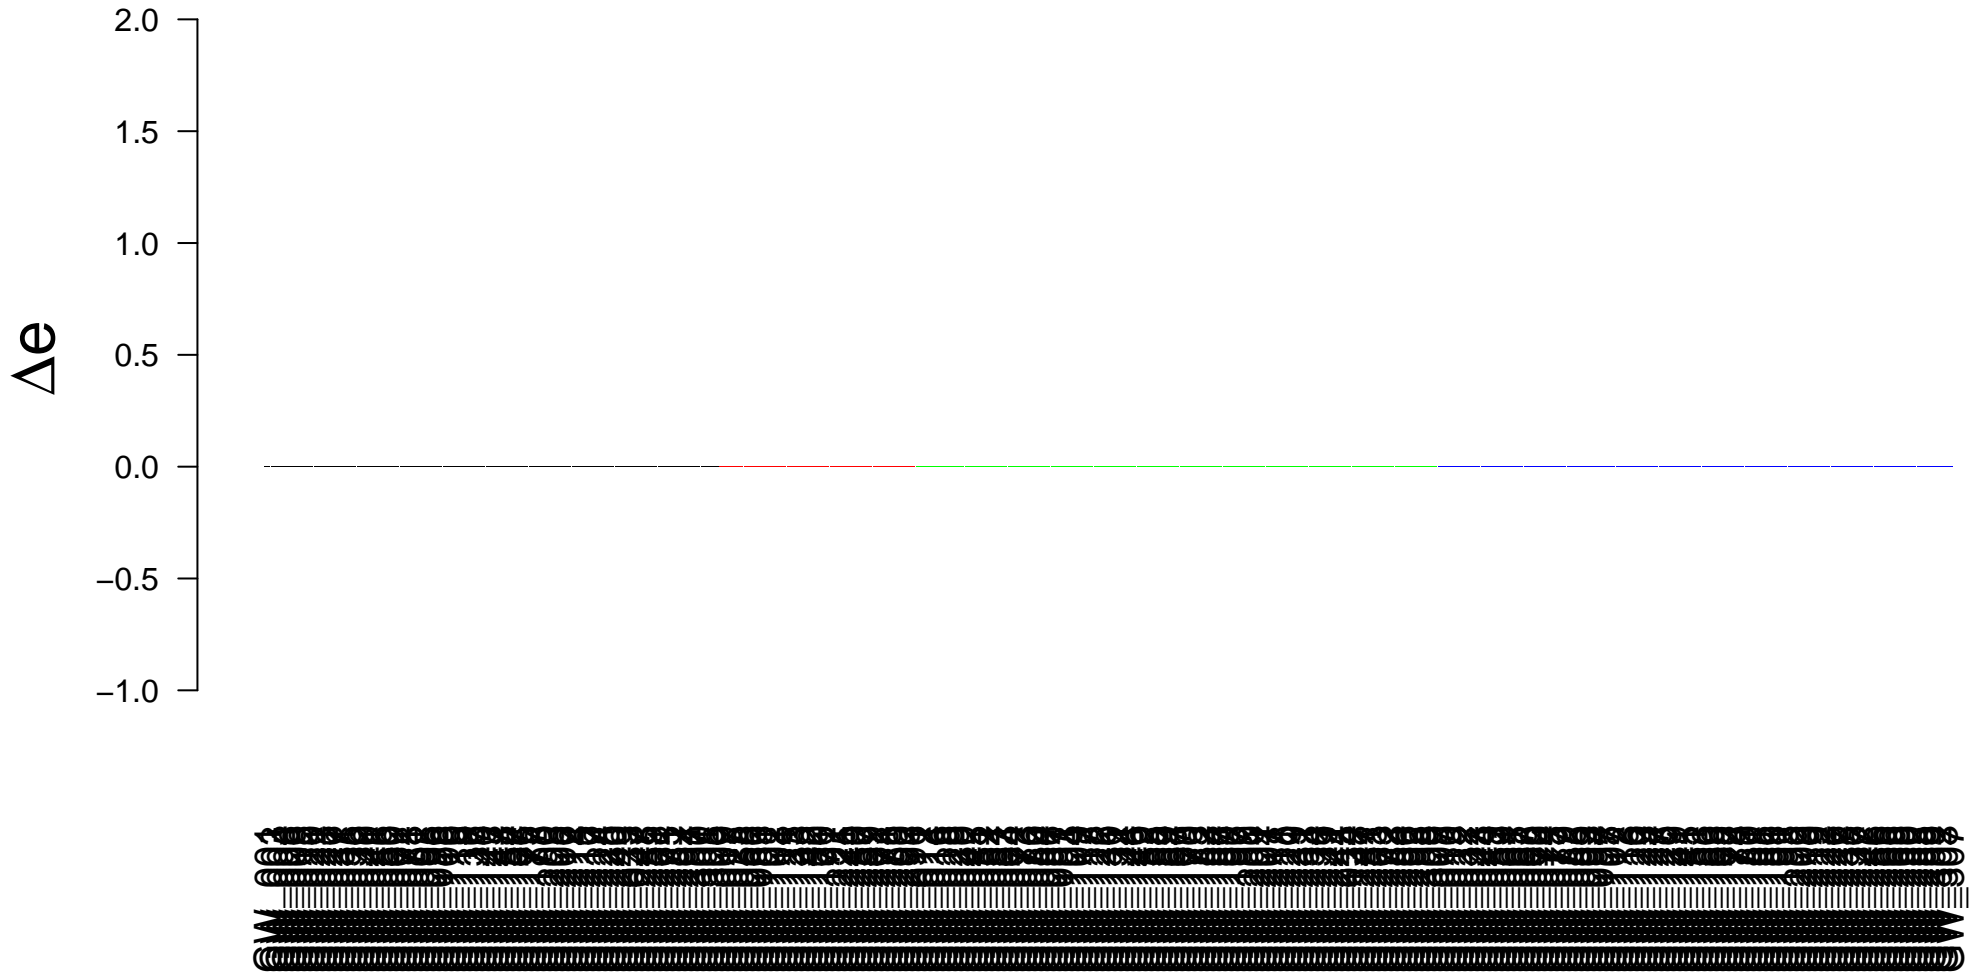

# Expression of ephrin receptor binding in Spot C

# Expression of ephrin receptor binding in Spot D

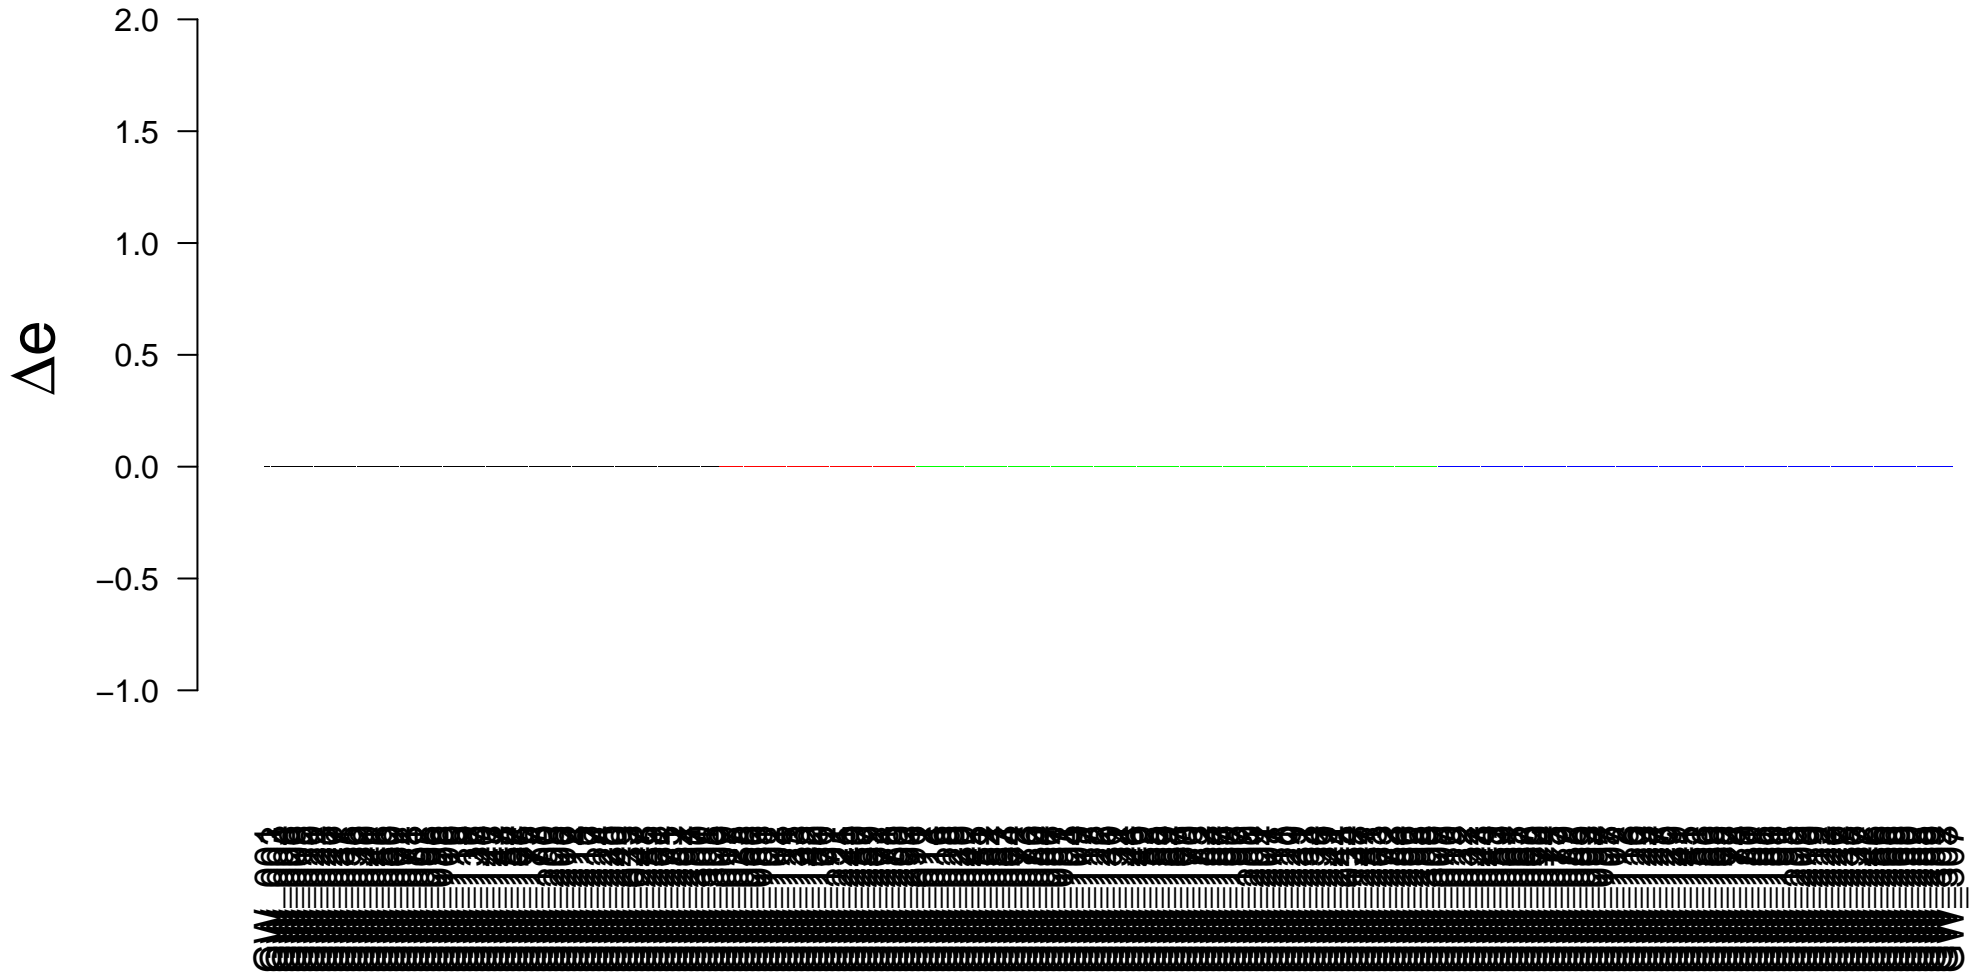

# Expression of ephrin receptor binding in Spot E

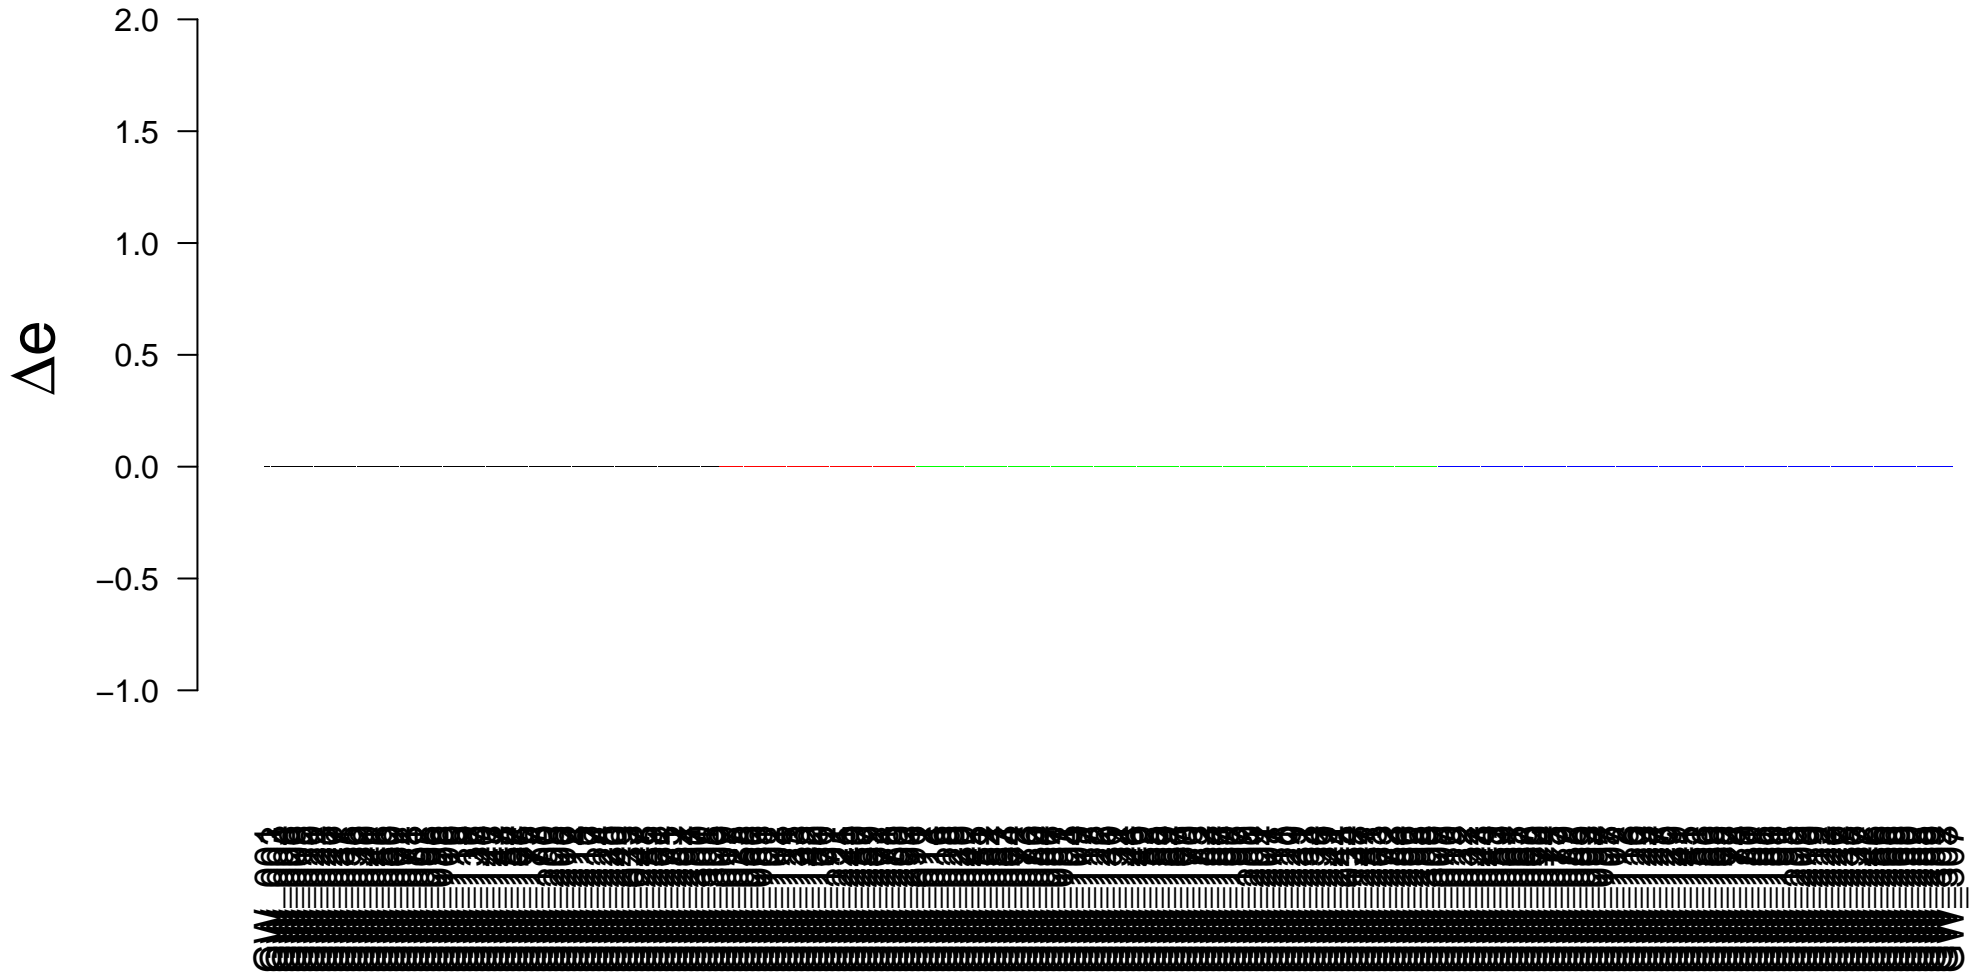

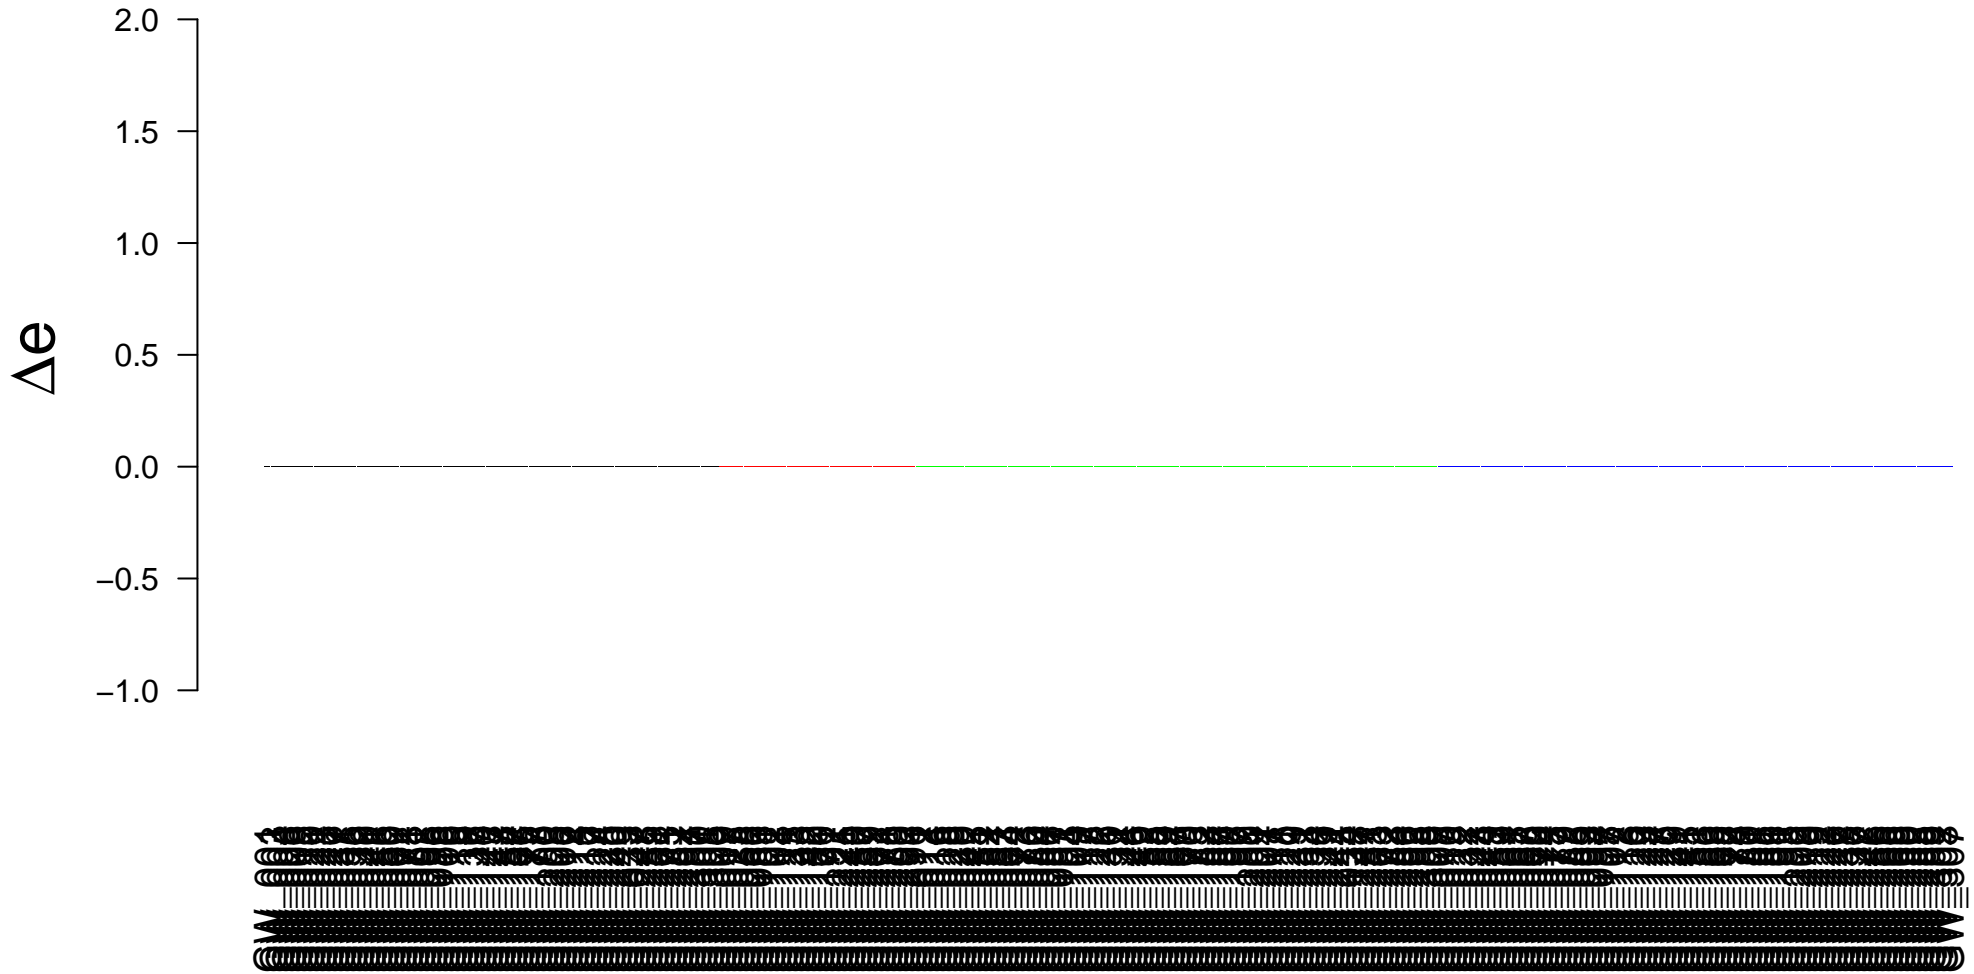

# Expression of ephrin receptor binding in Spot F

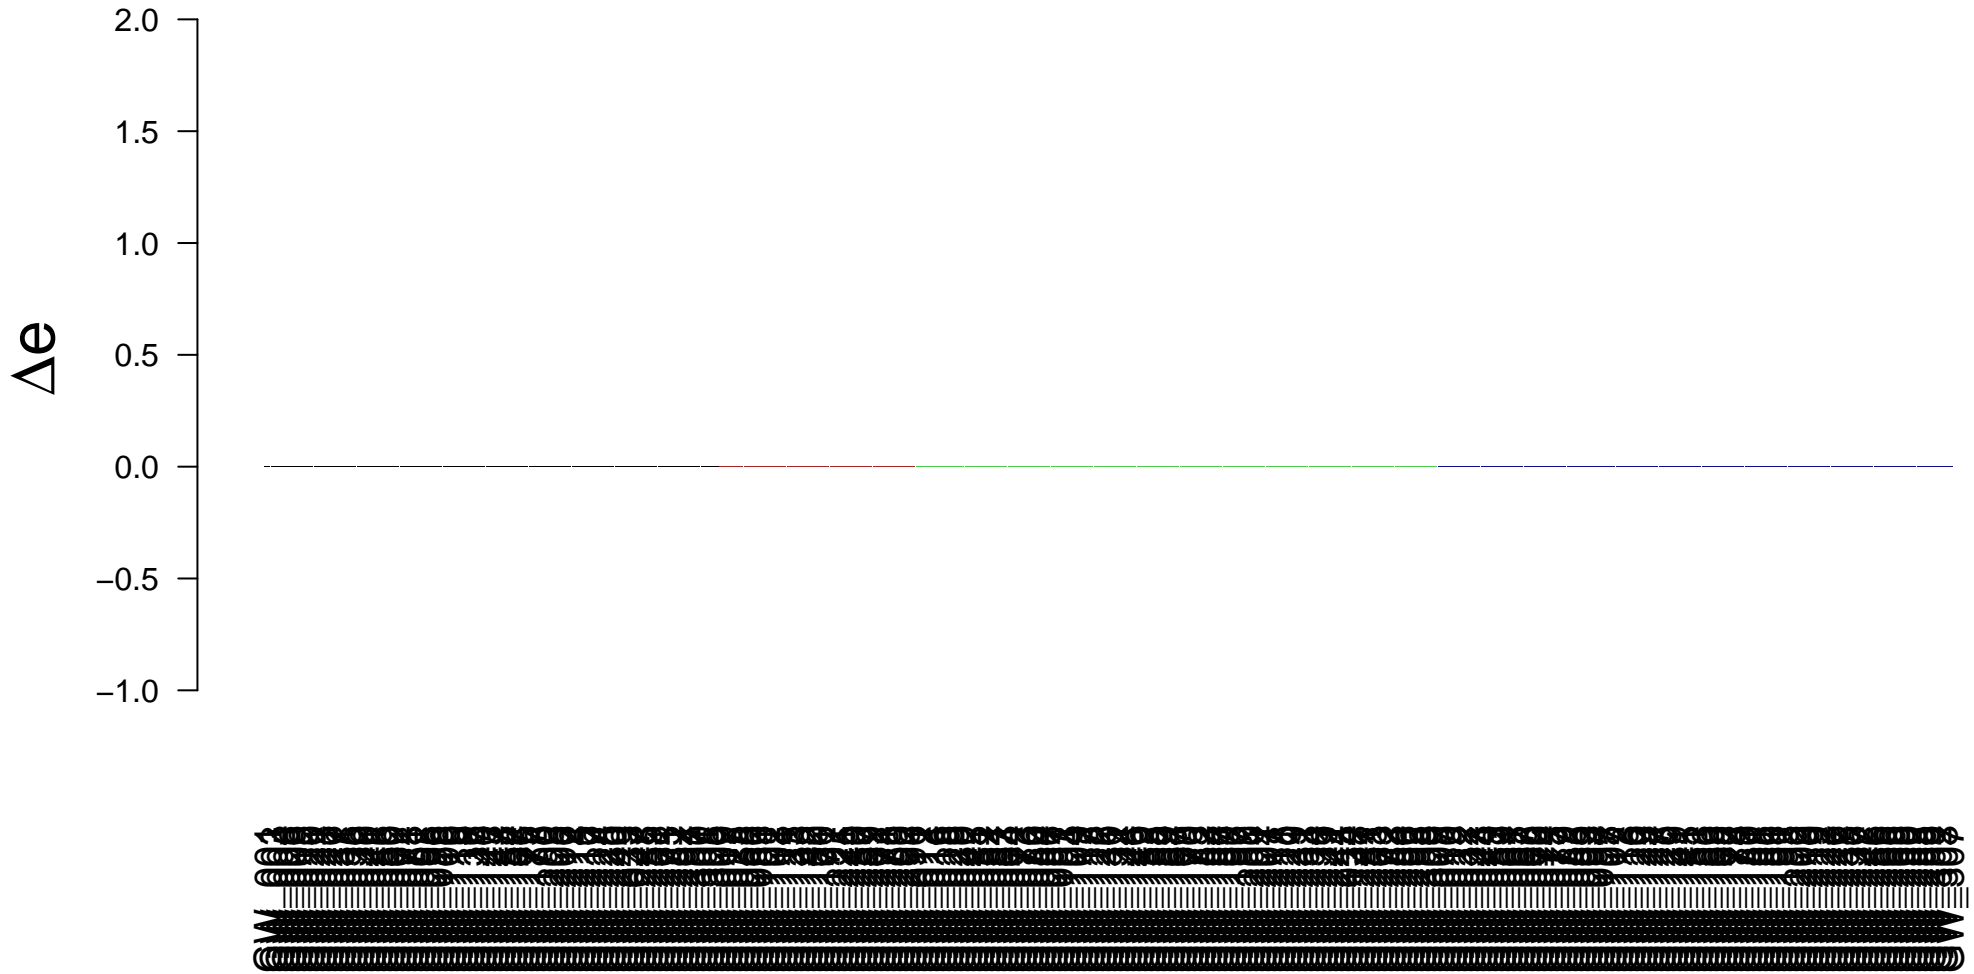

# Expression of ephrin receptor binding in Spot G

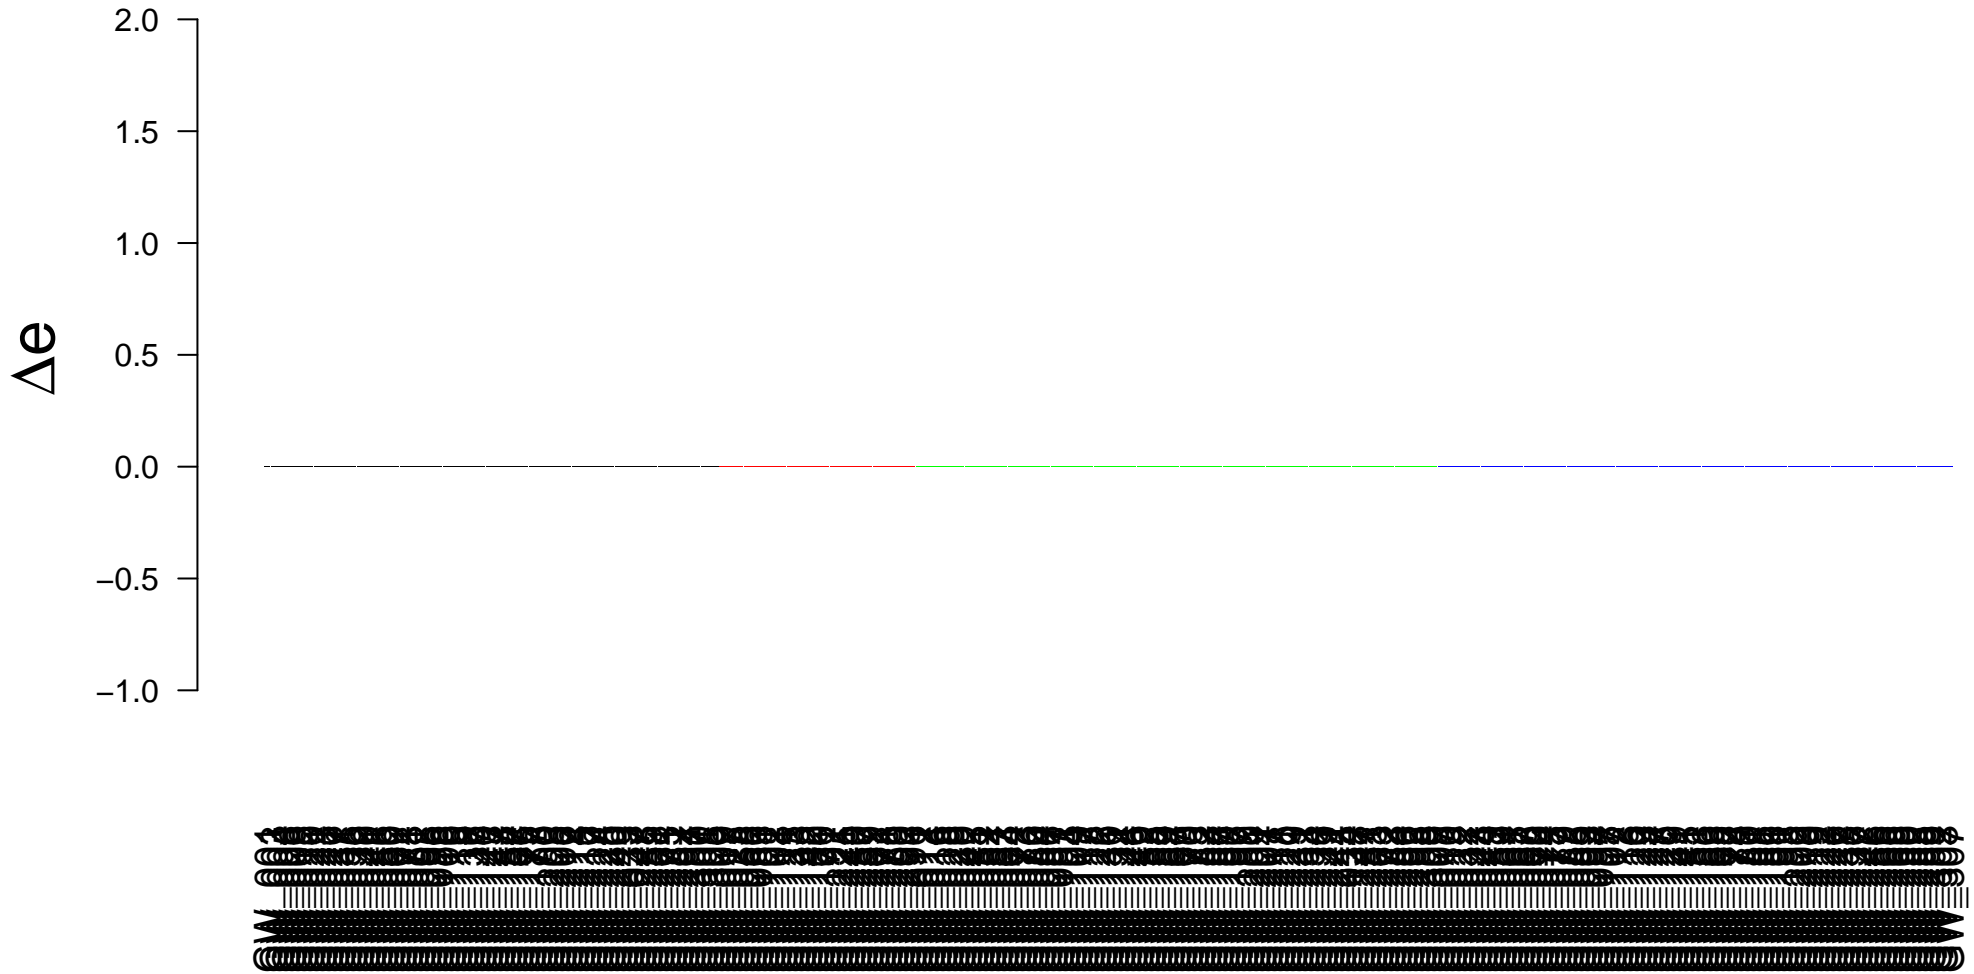

# Expression of ephrin receptor binding in Spot H

# Expression of ephrin receptor binding in Spot I

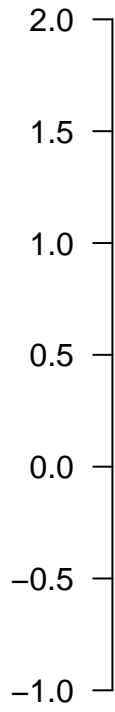

# Expression of ephrin receptor binding in Spot J

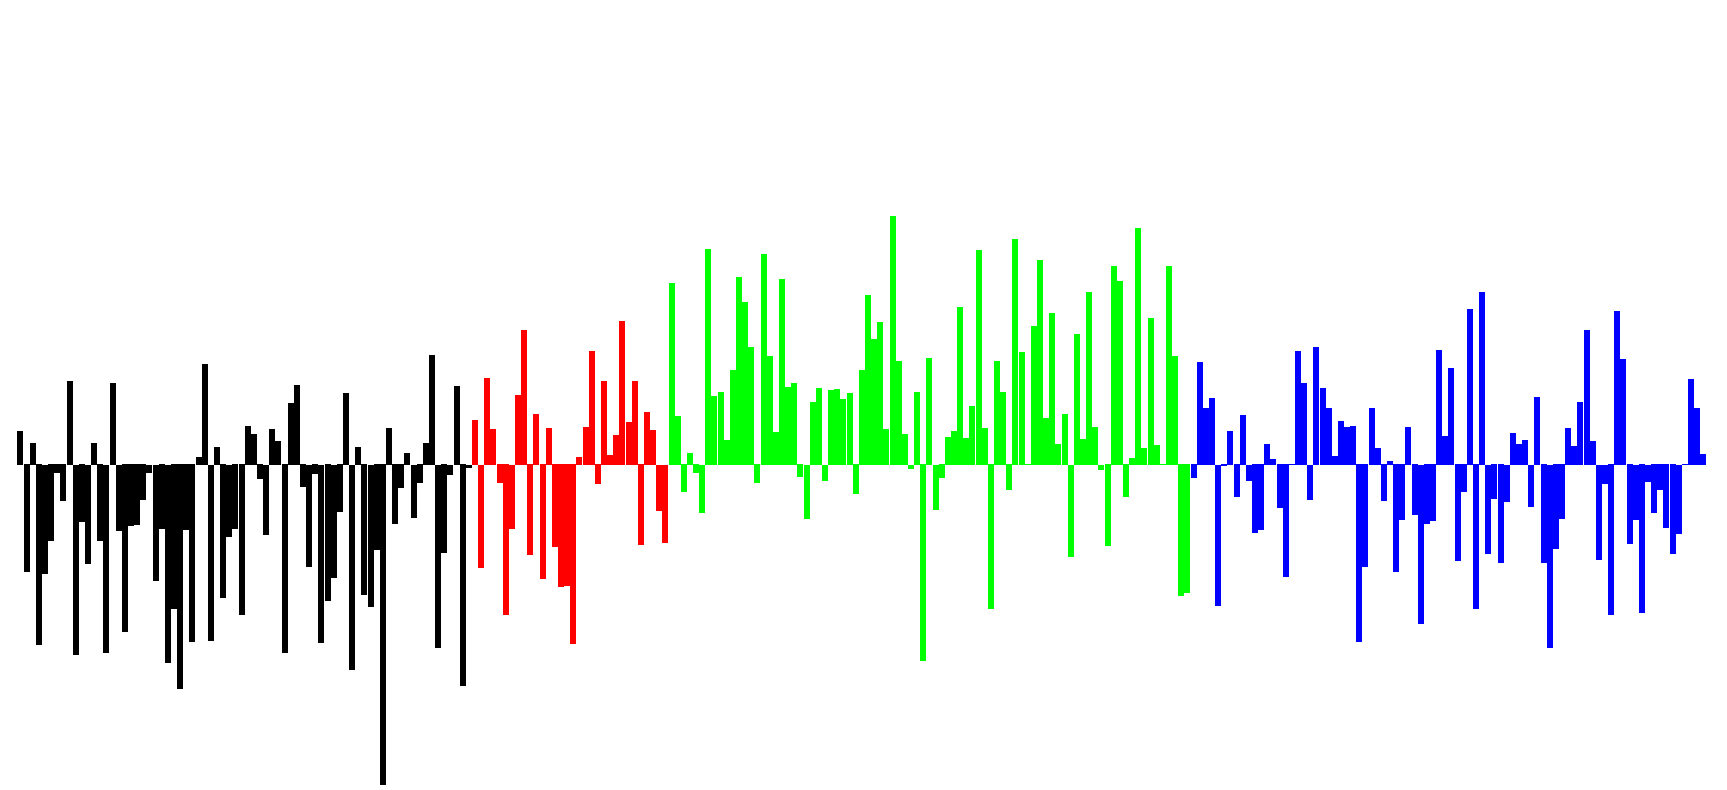

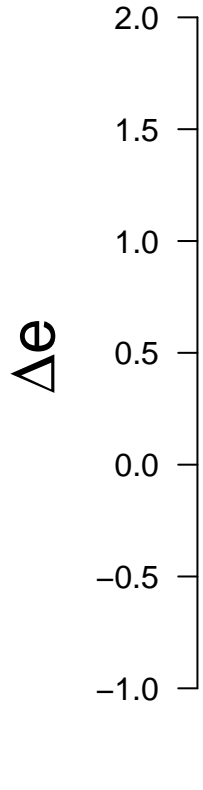

# Expression of ephrin receptor binding in Spot K

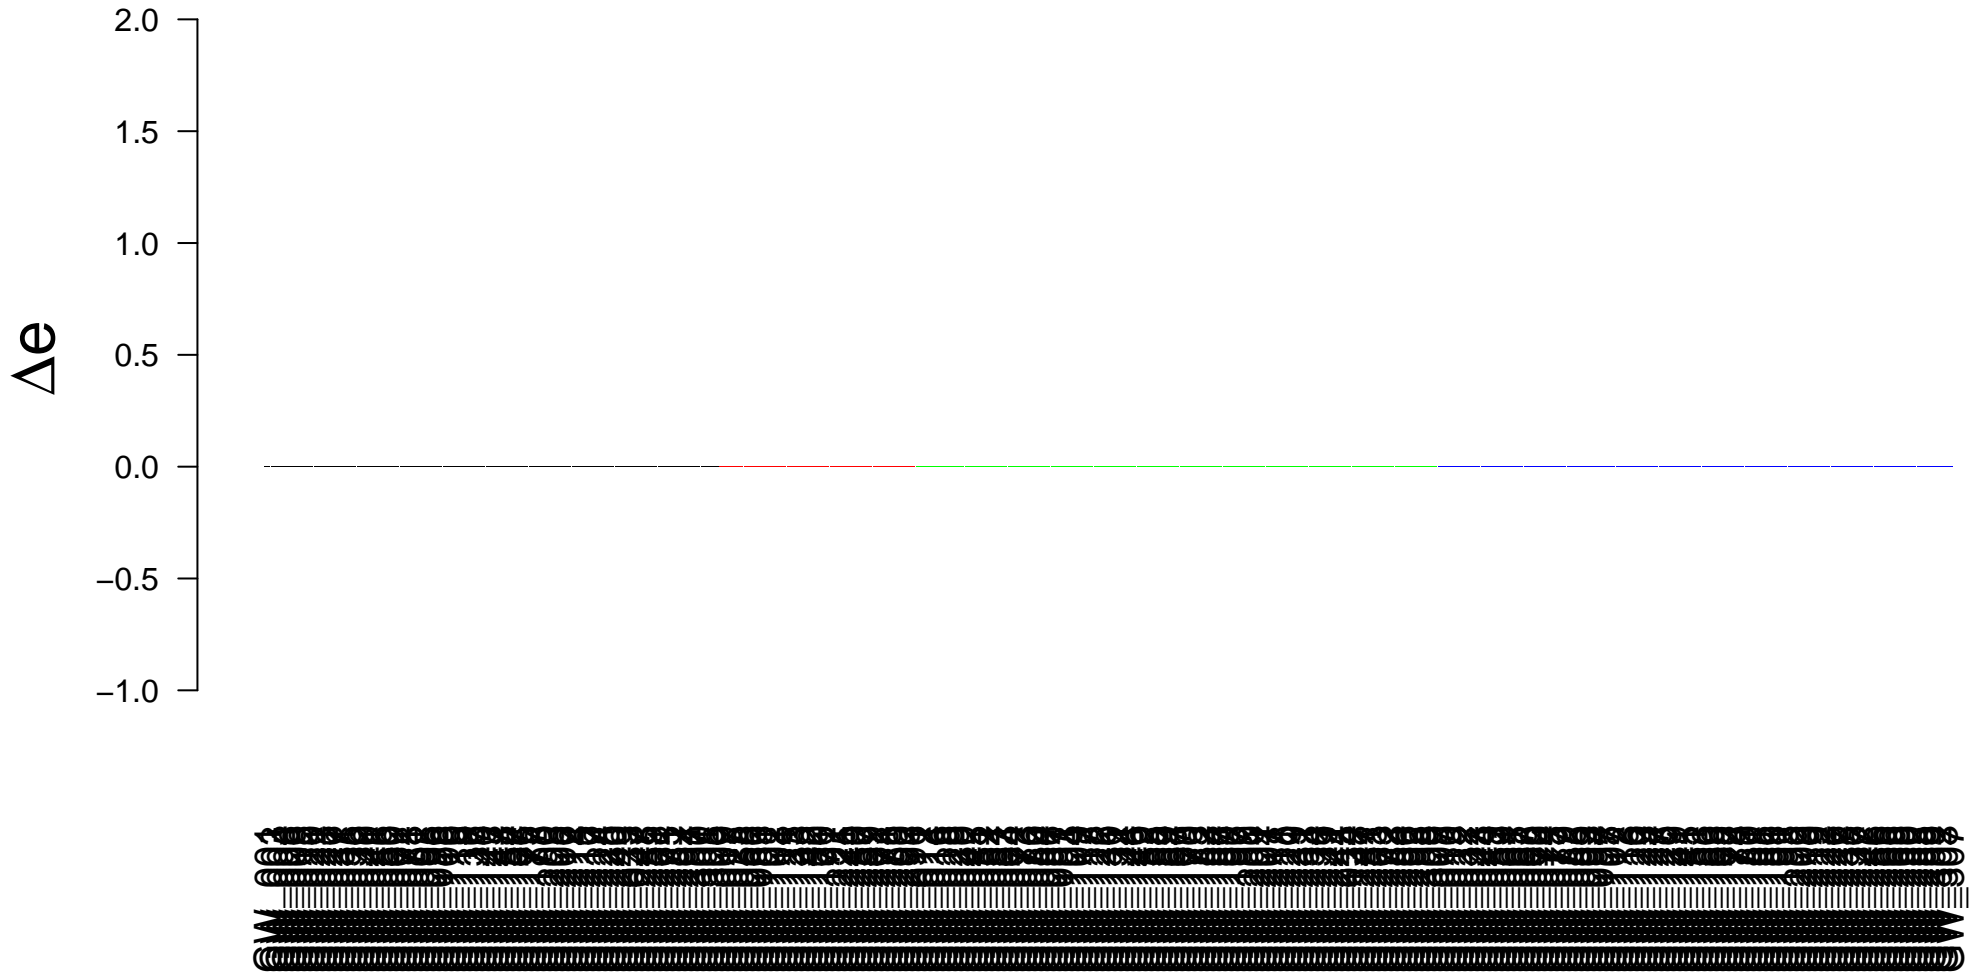

$\Delta e$

# Expression of ephrin receptor binding in Spot L

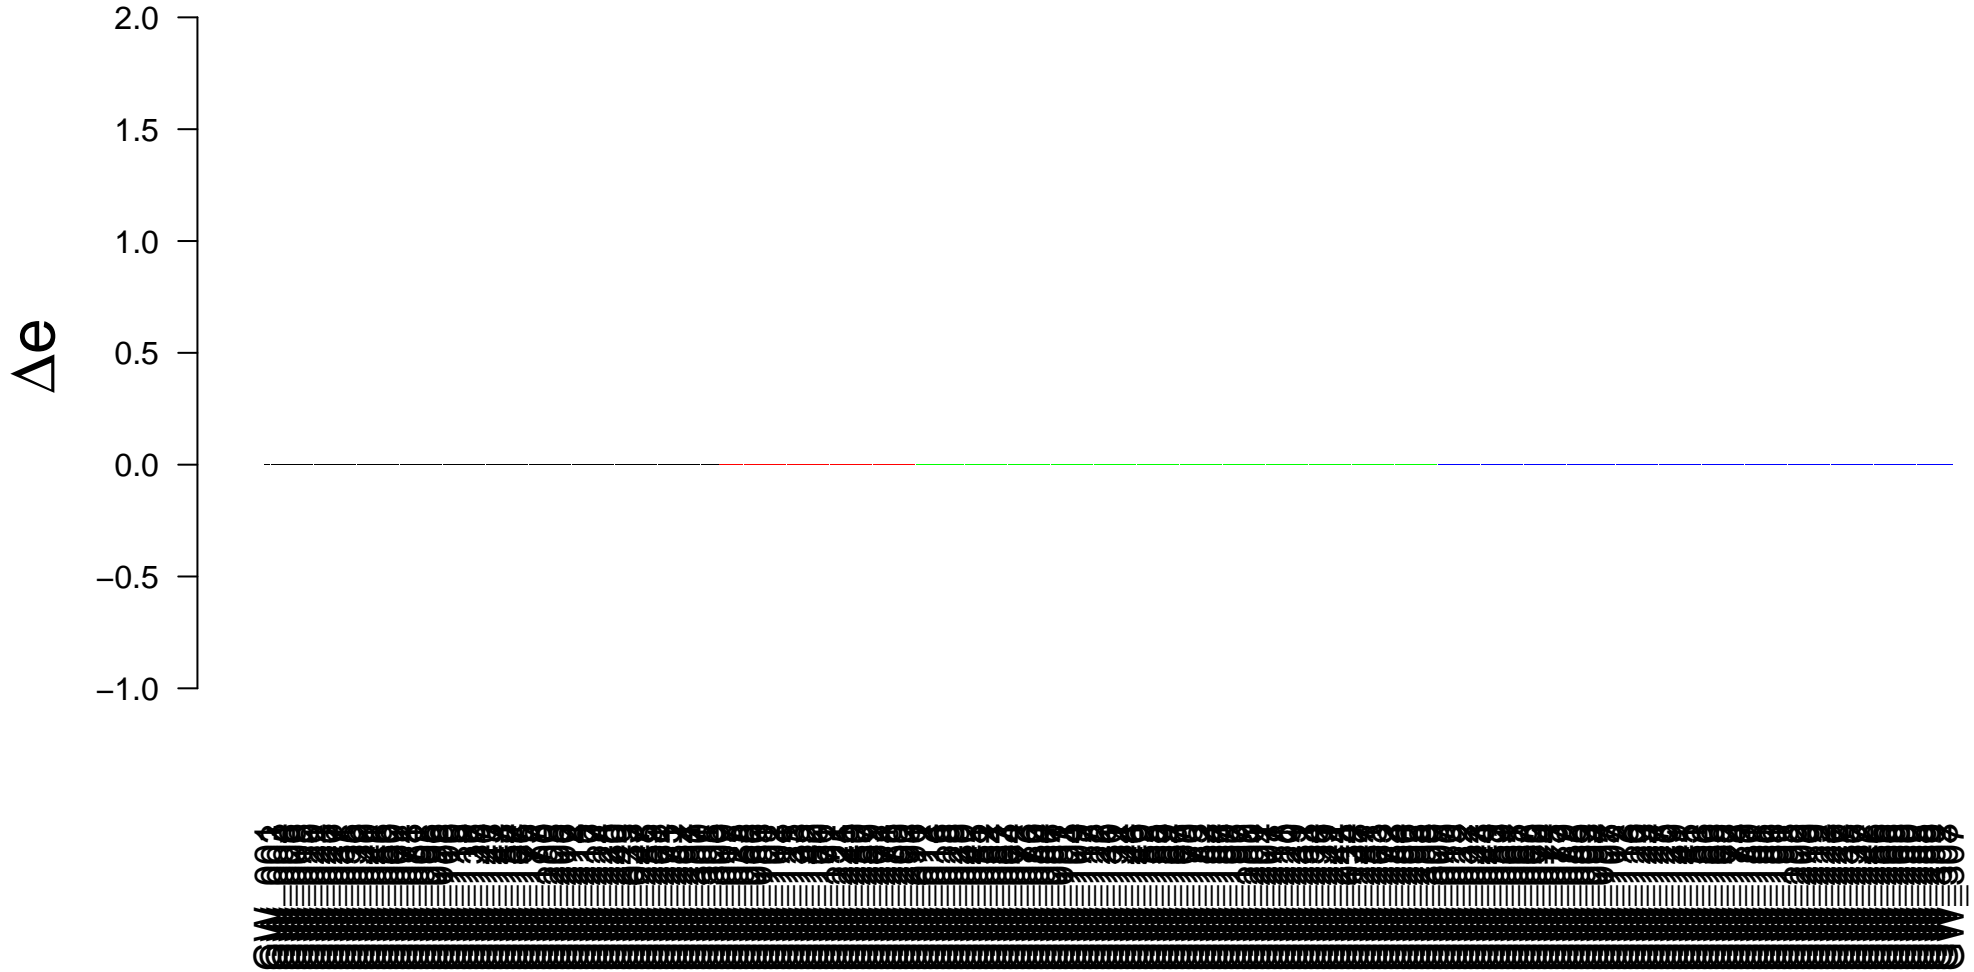

# Expression of ephrin receptor binding in Spot M

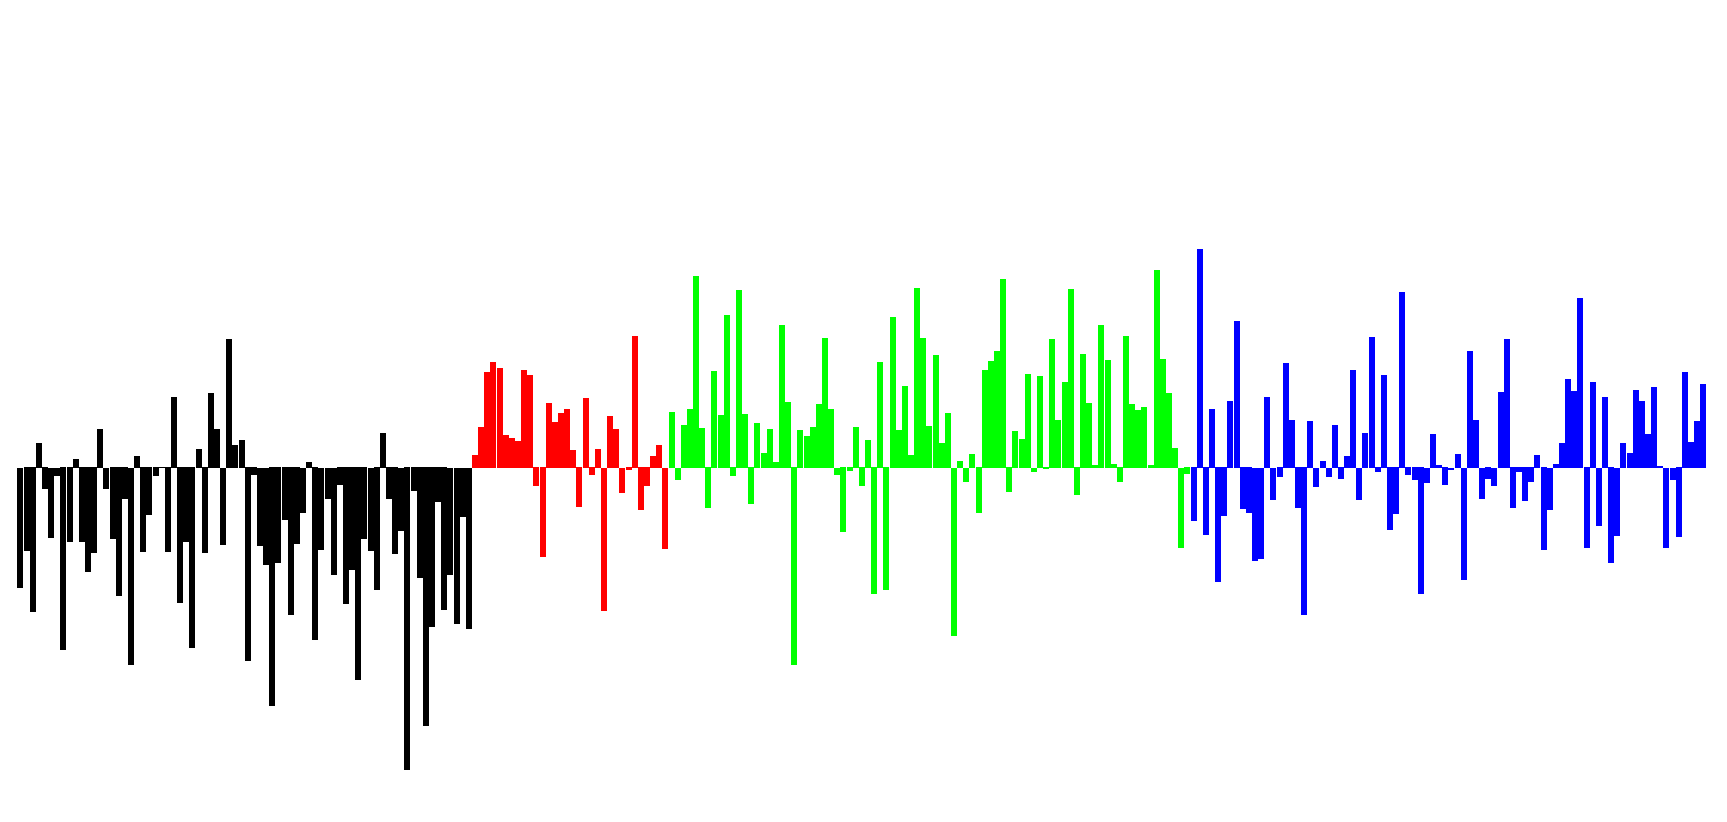

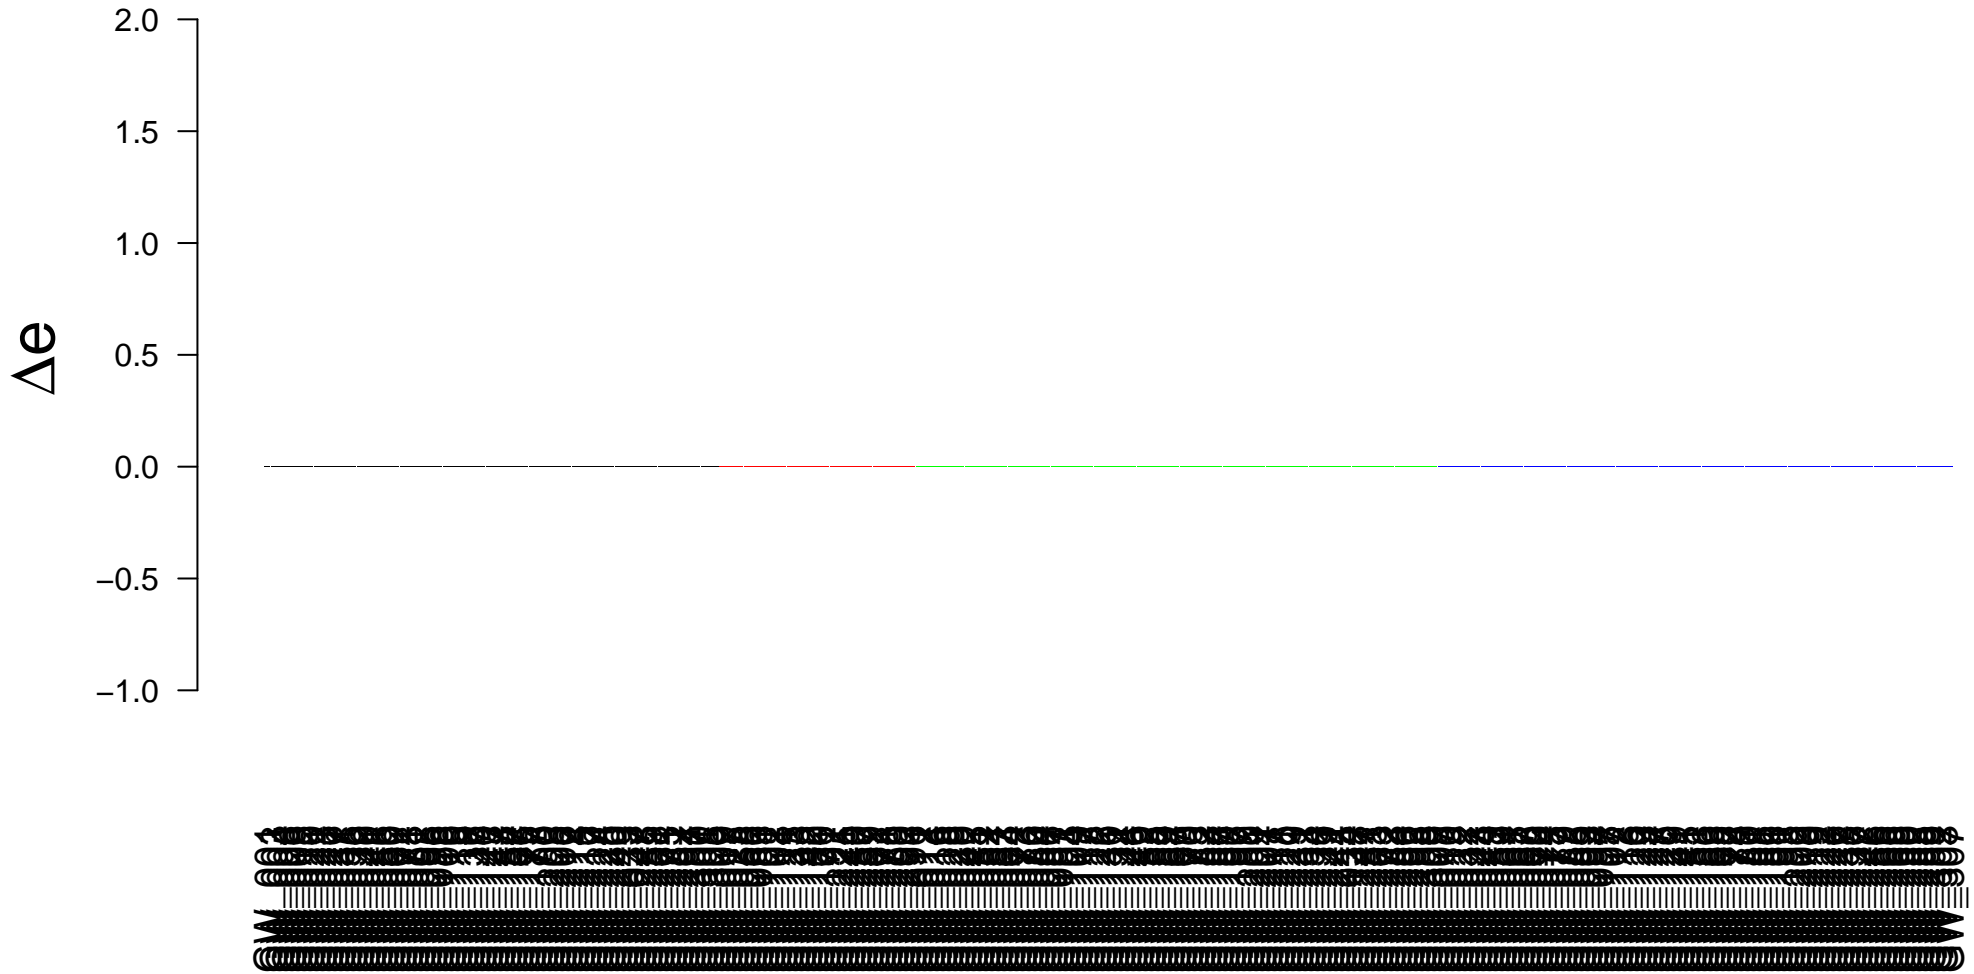

# Expression of ephrin receptor binding in Spot N

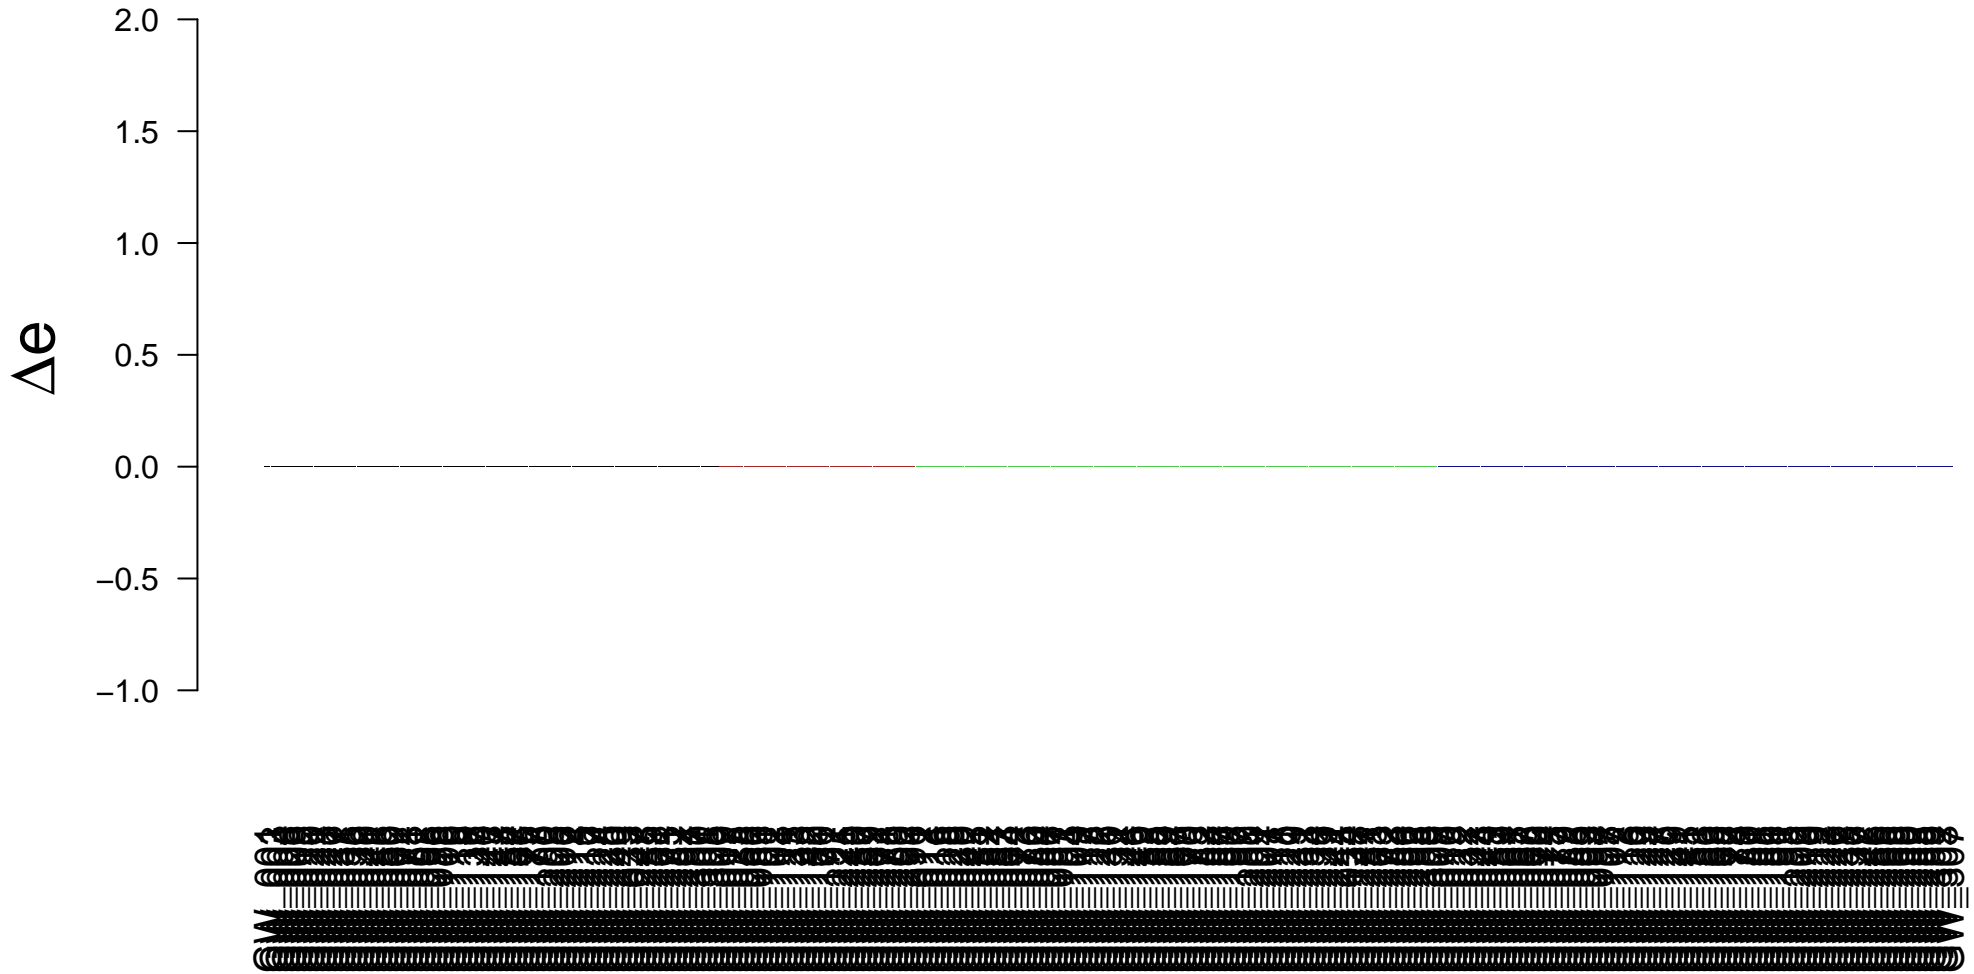

# Expression of ephrin receptor binding in Spot O

# Expression of ephrin receptor binding in Spot P

# Expression of ephrin receptor binding in Spot Q

# Expression of ephrin receptor binding in Spot R
