Expression of epithelial cell differentiation in Spot B

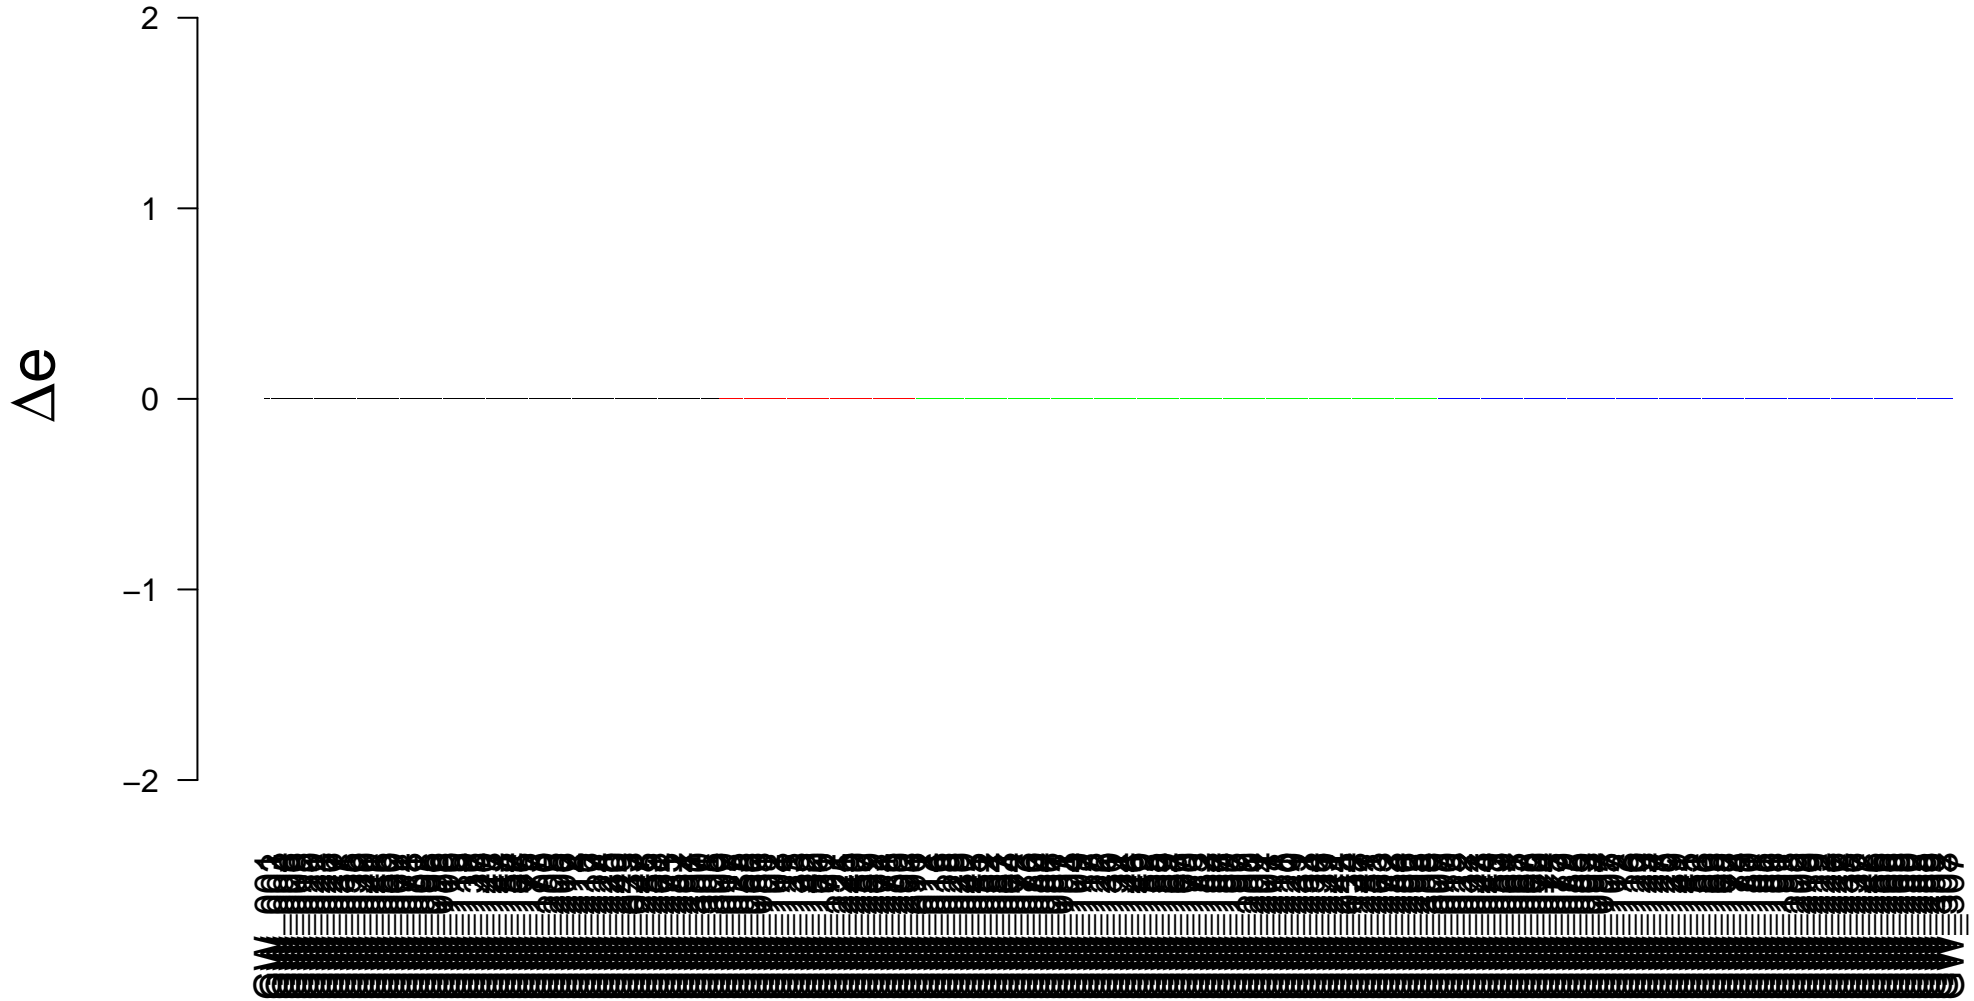

Expression of epithelial cell differentiation in Spot C

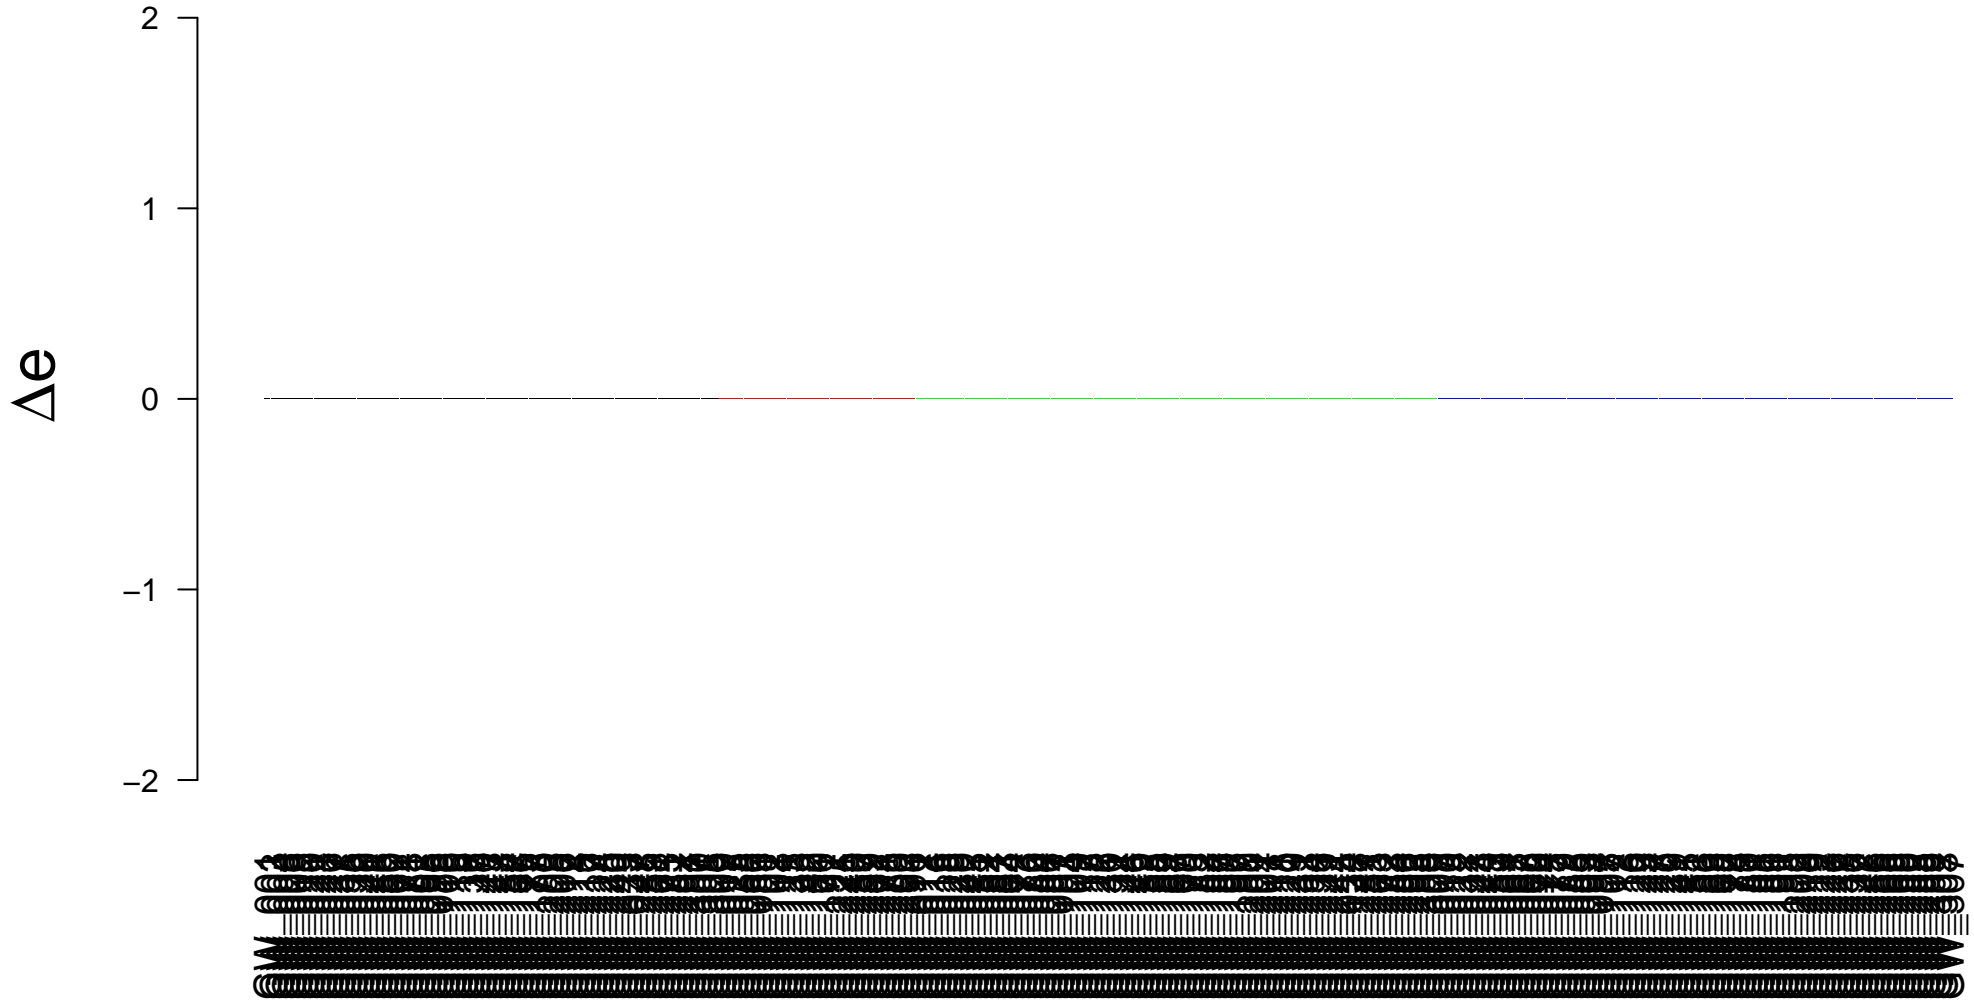

Expression of epithelial cell differentiation in Spot D

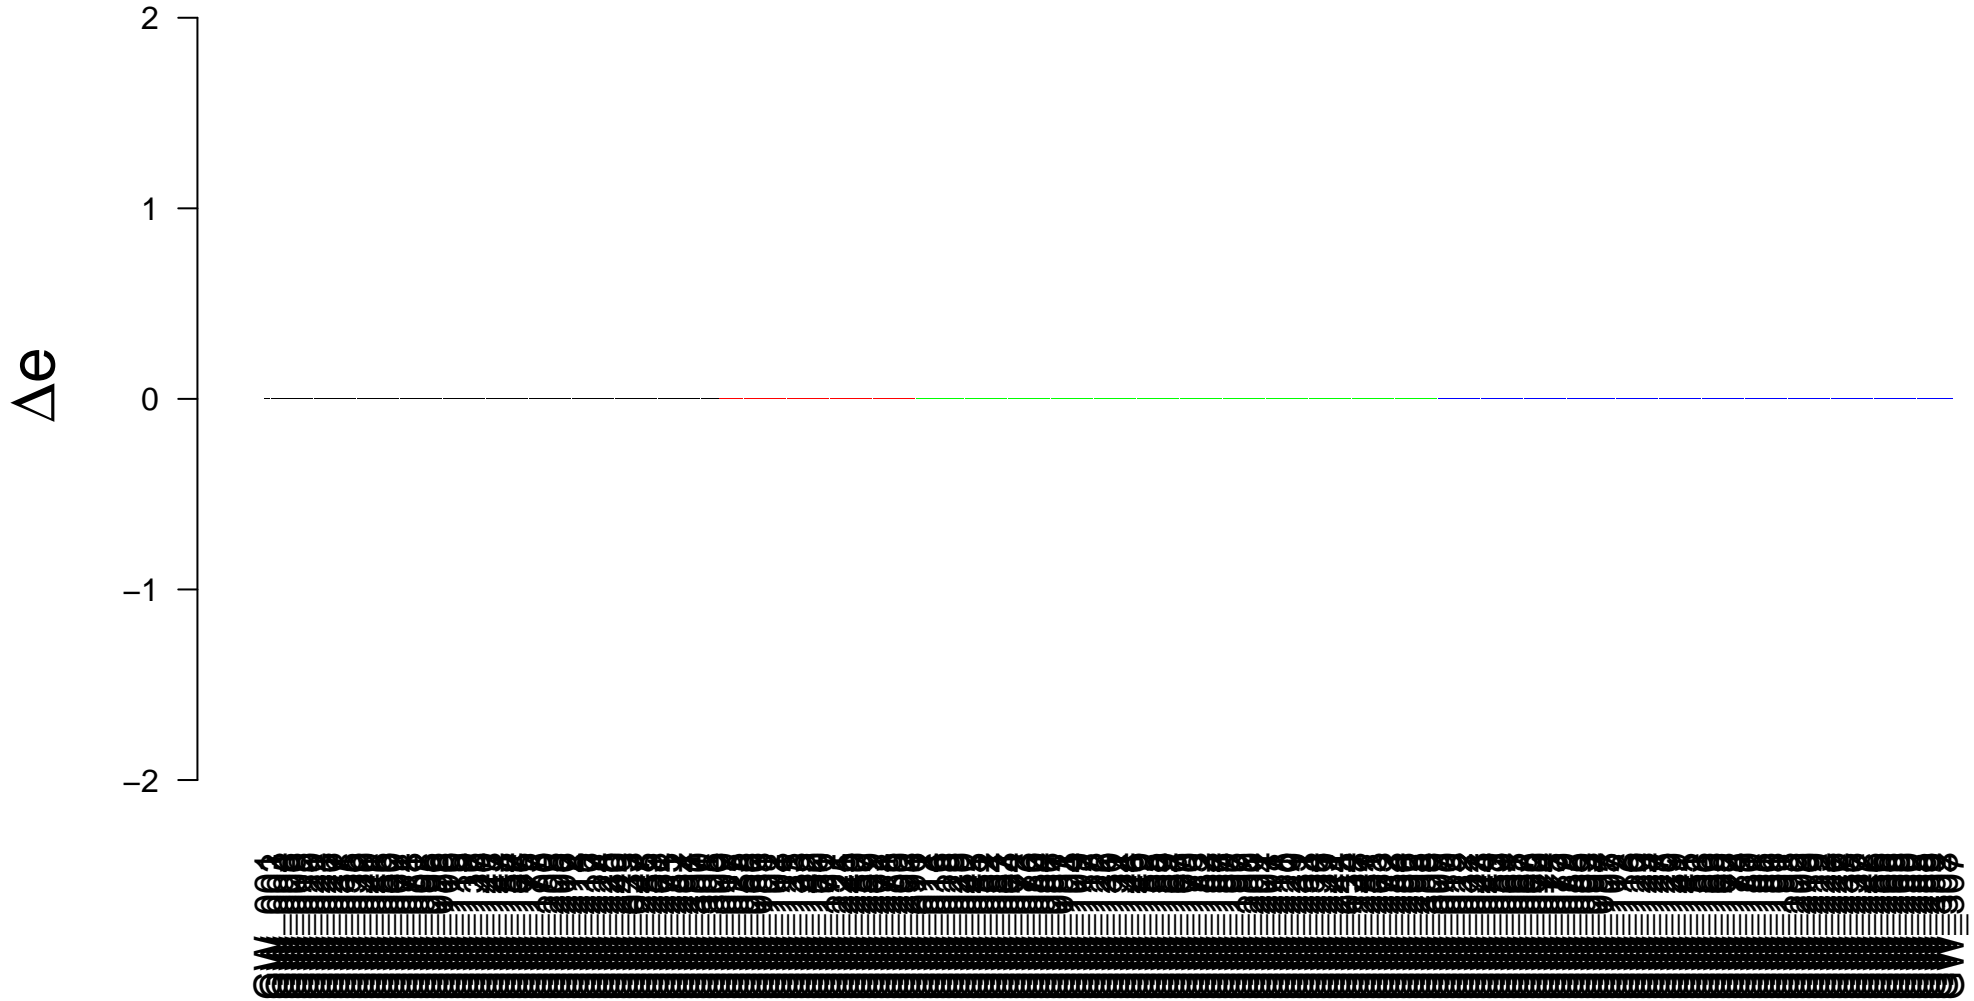

Expression of epithelial cell differentiation in Spot E

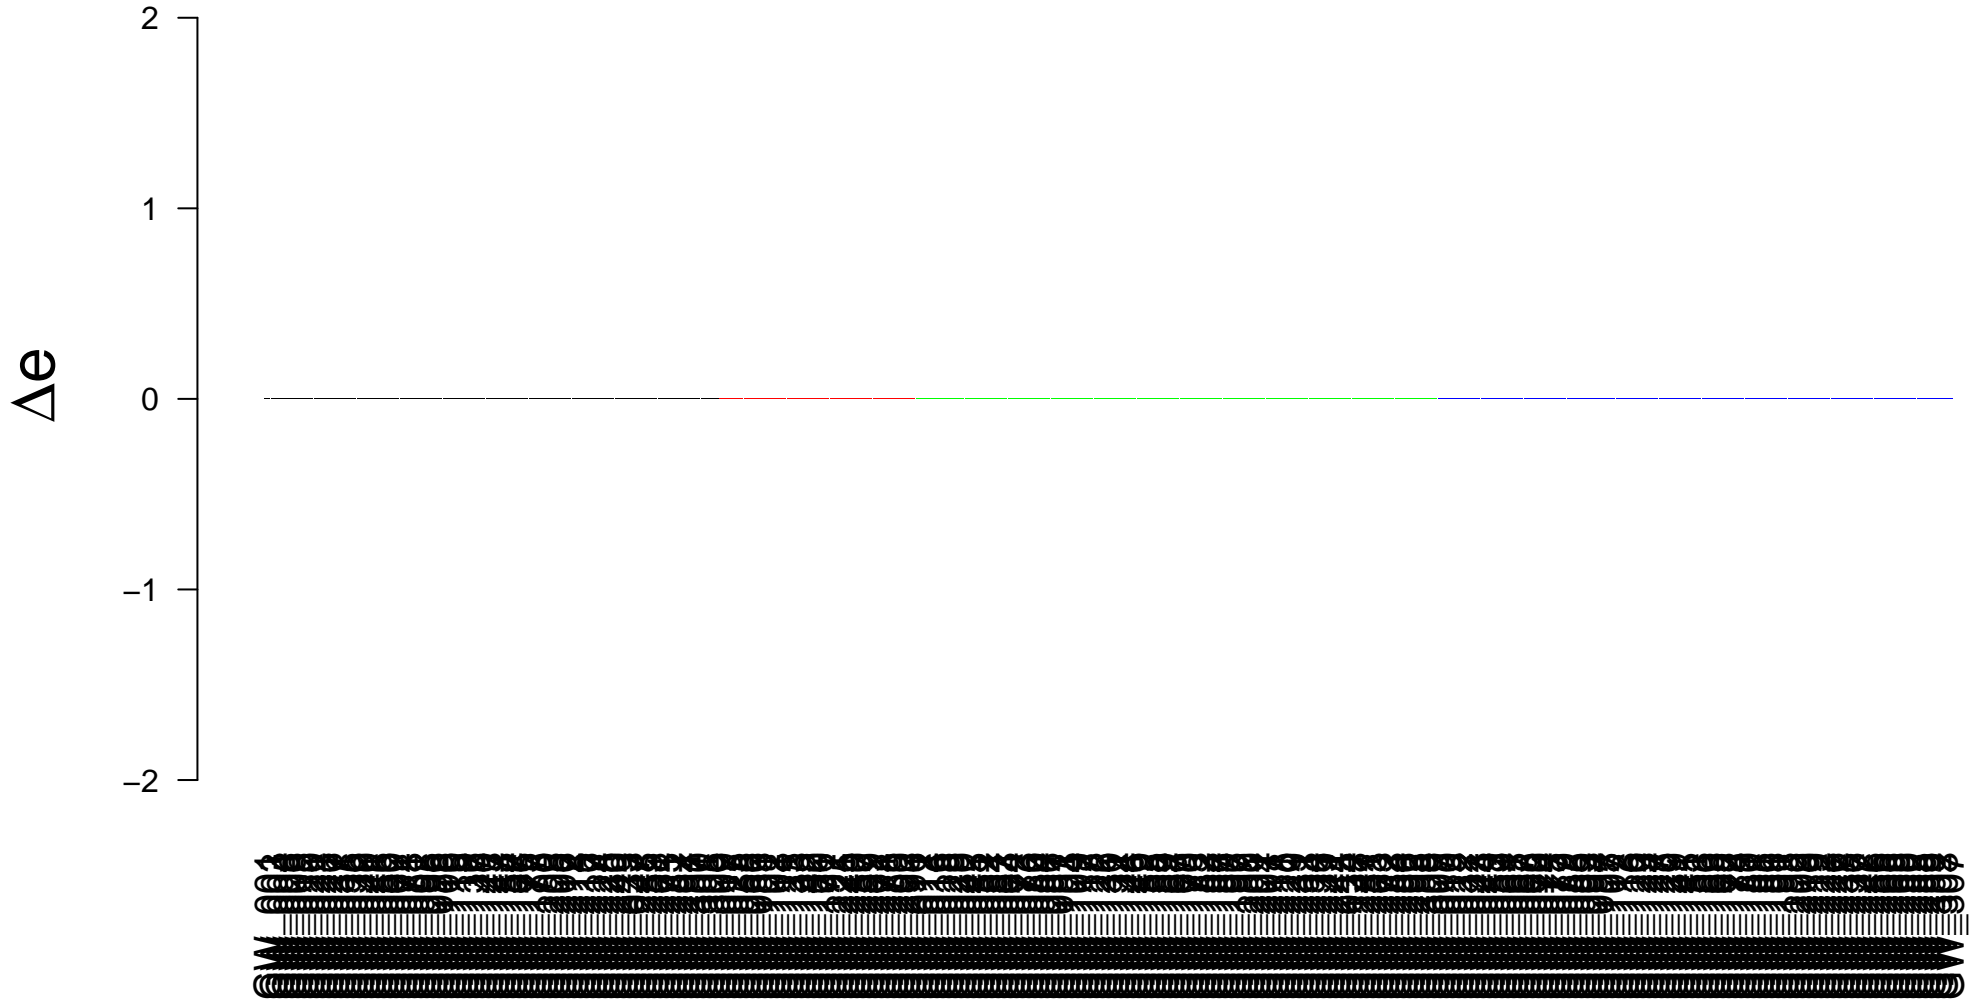

Expression of epithelial cell differentiation in Spot F

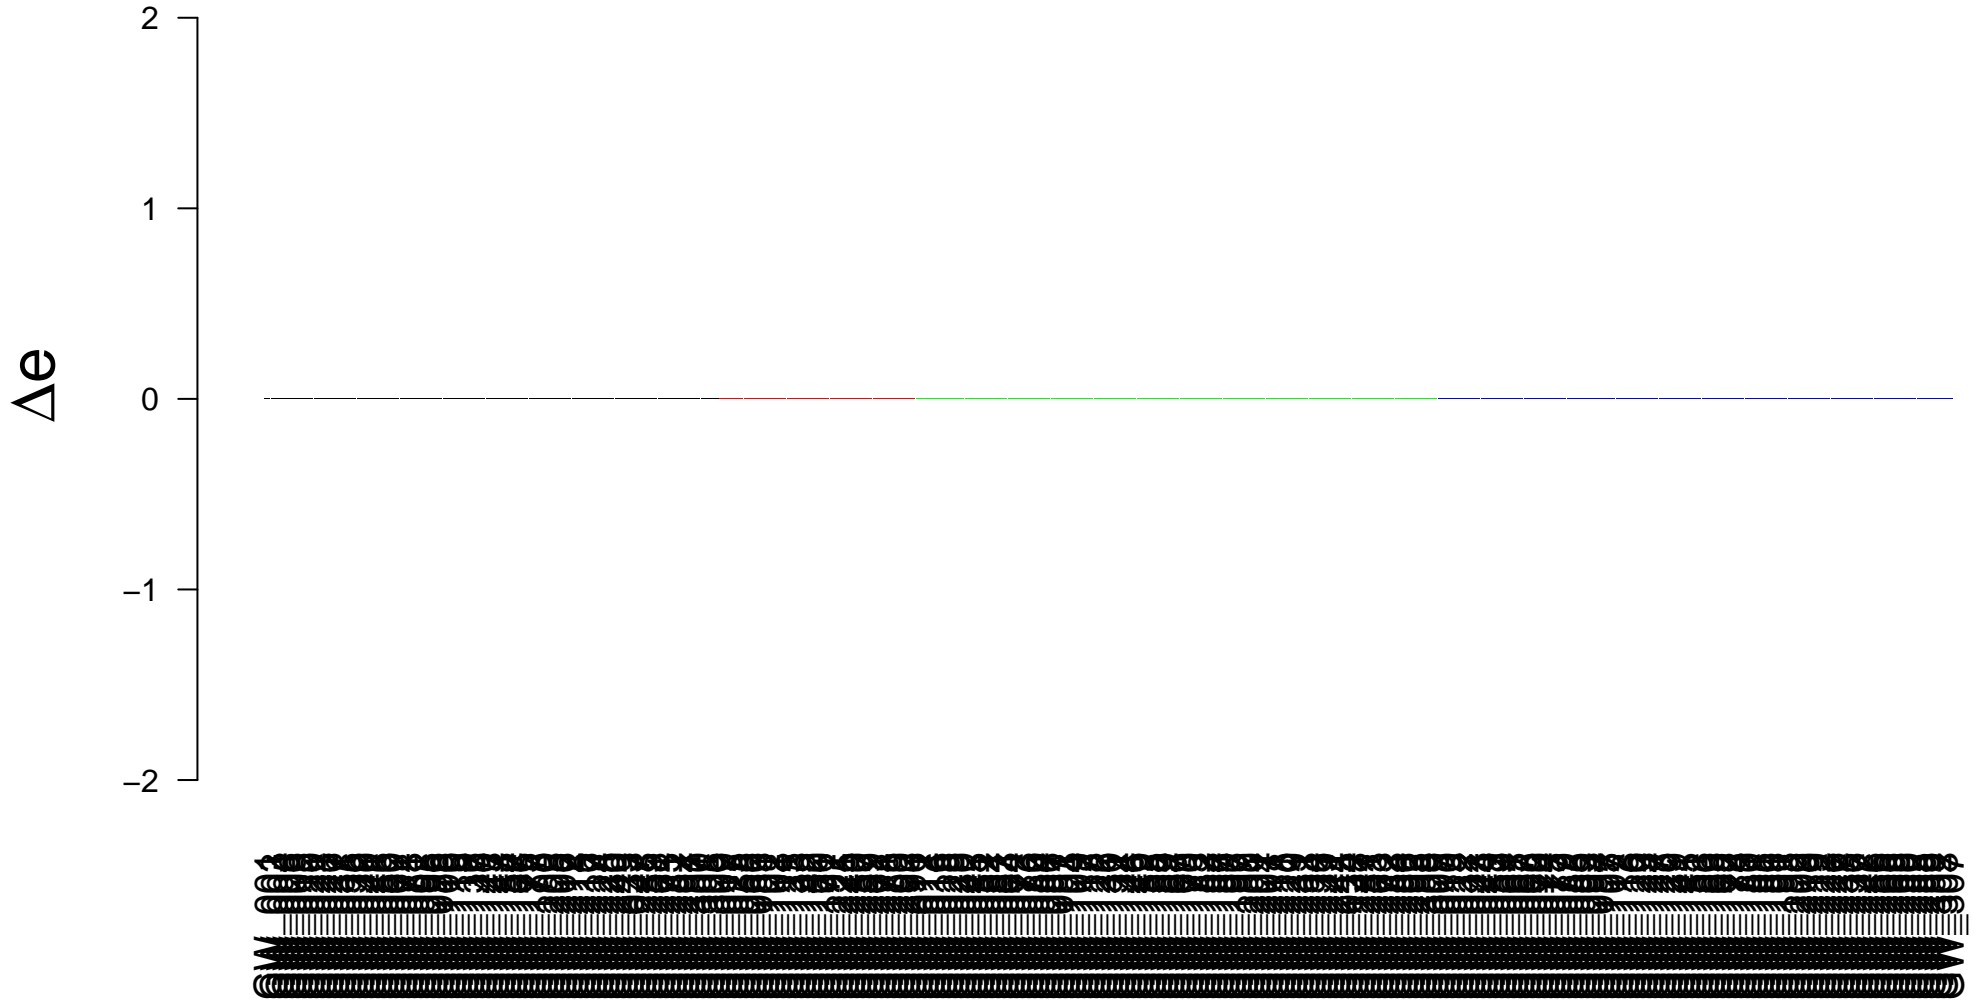

Expression of epithelial cell differentiation in Spot G

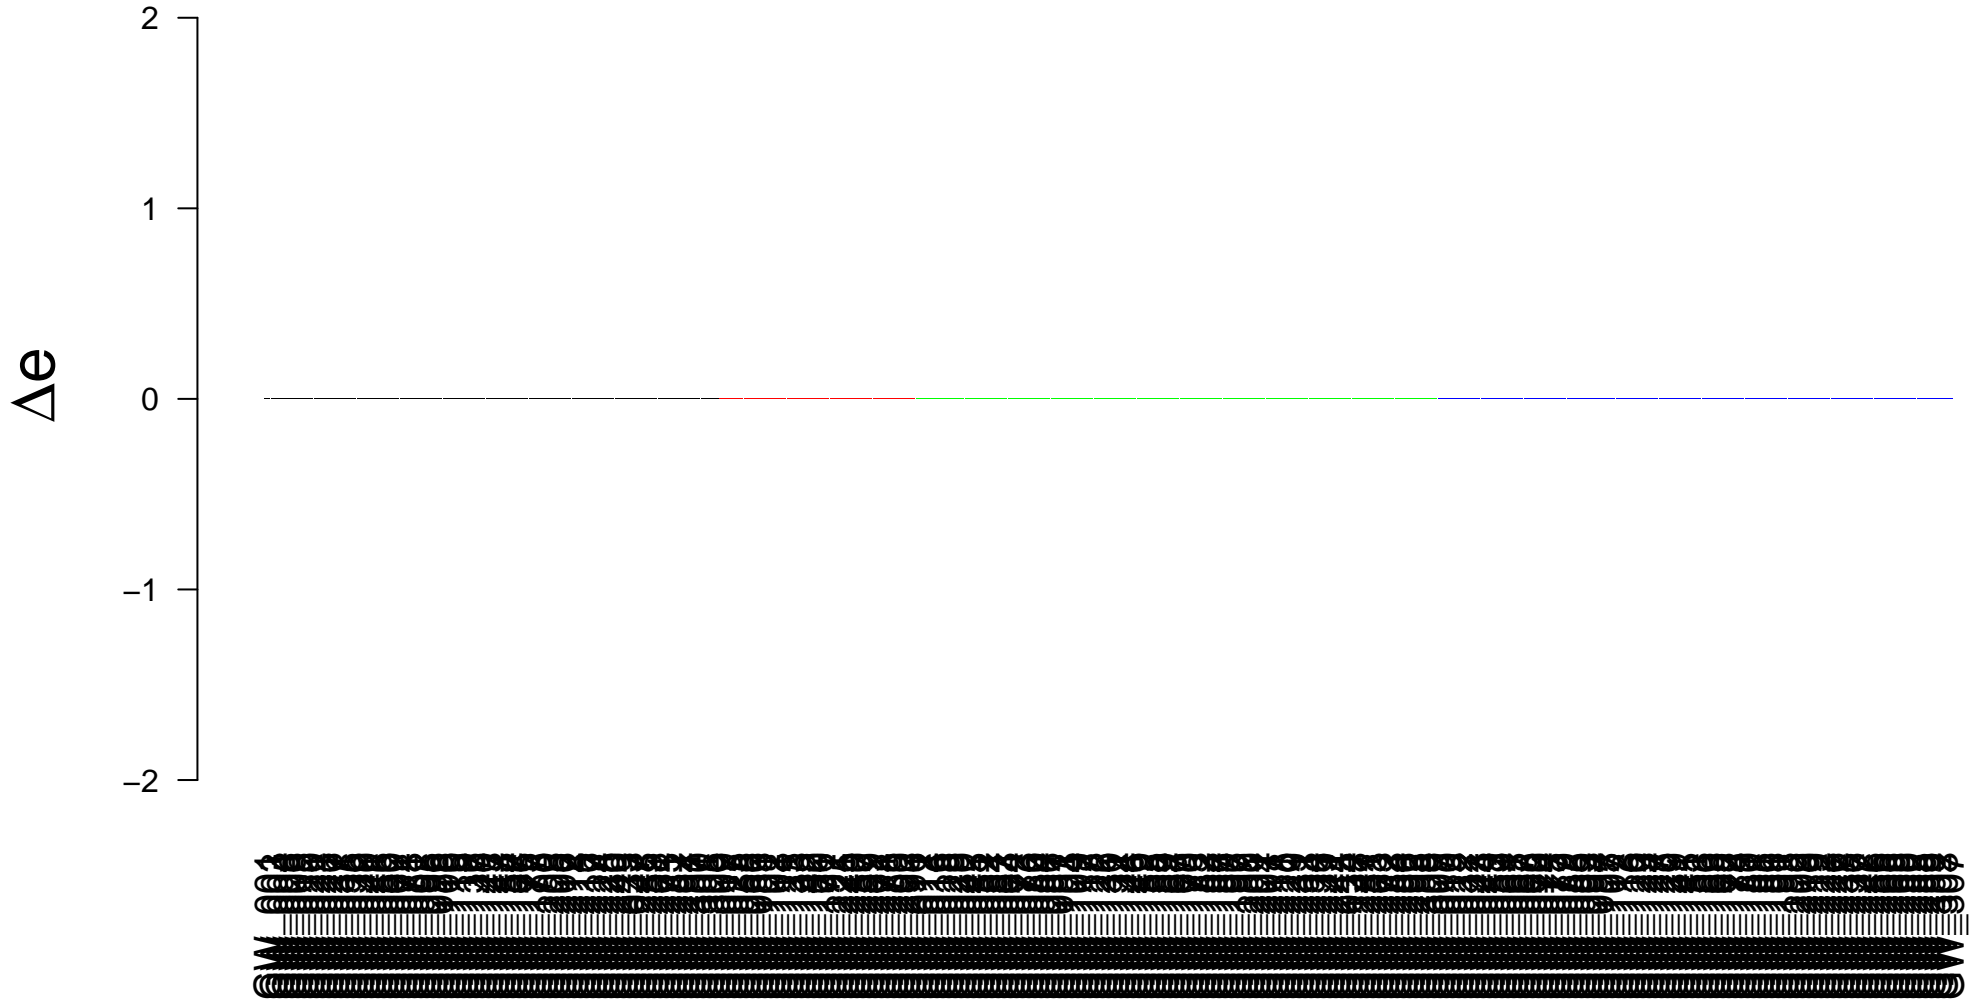

Expression of epithelial cell differentiation in Spot H

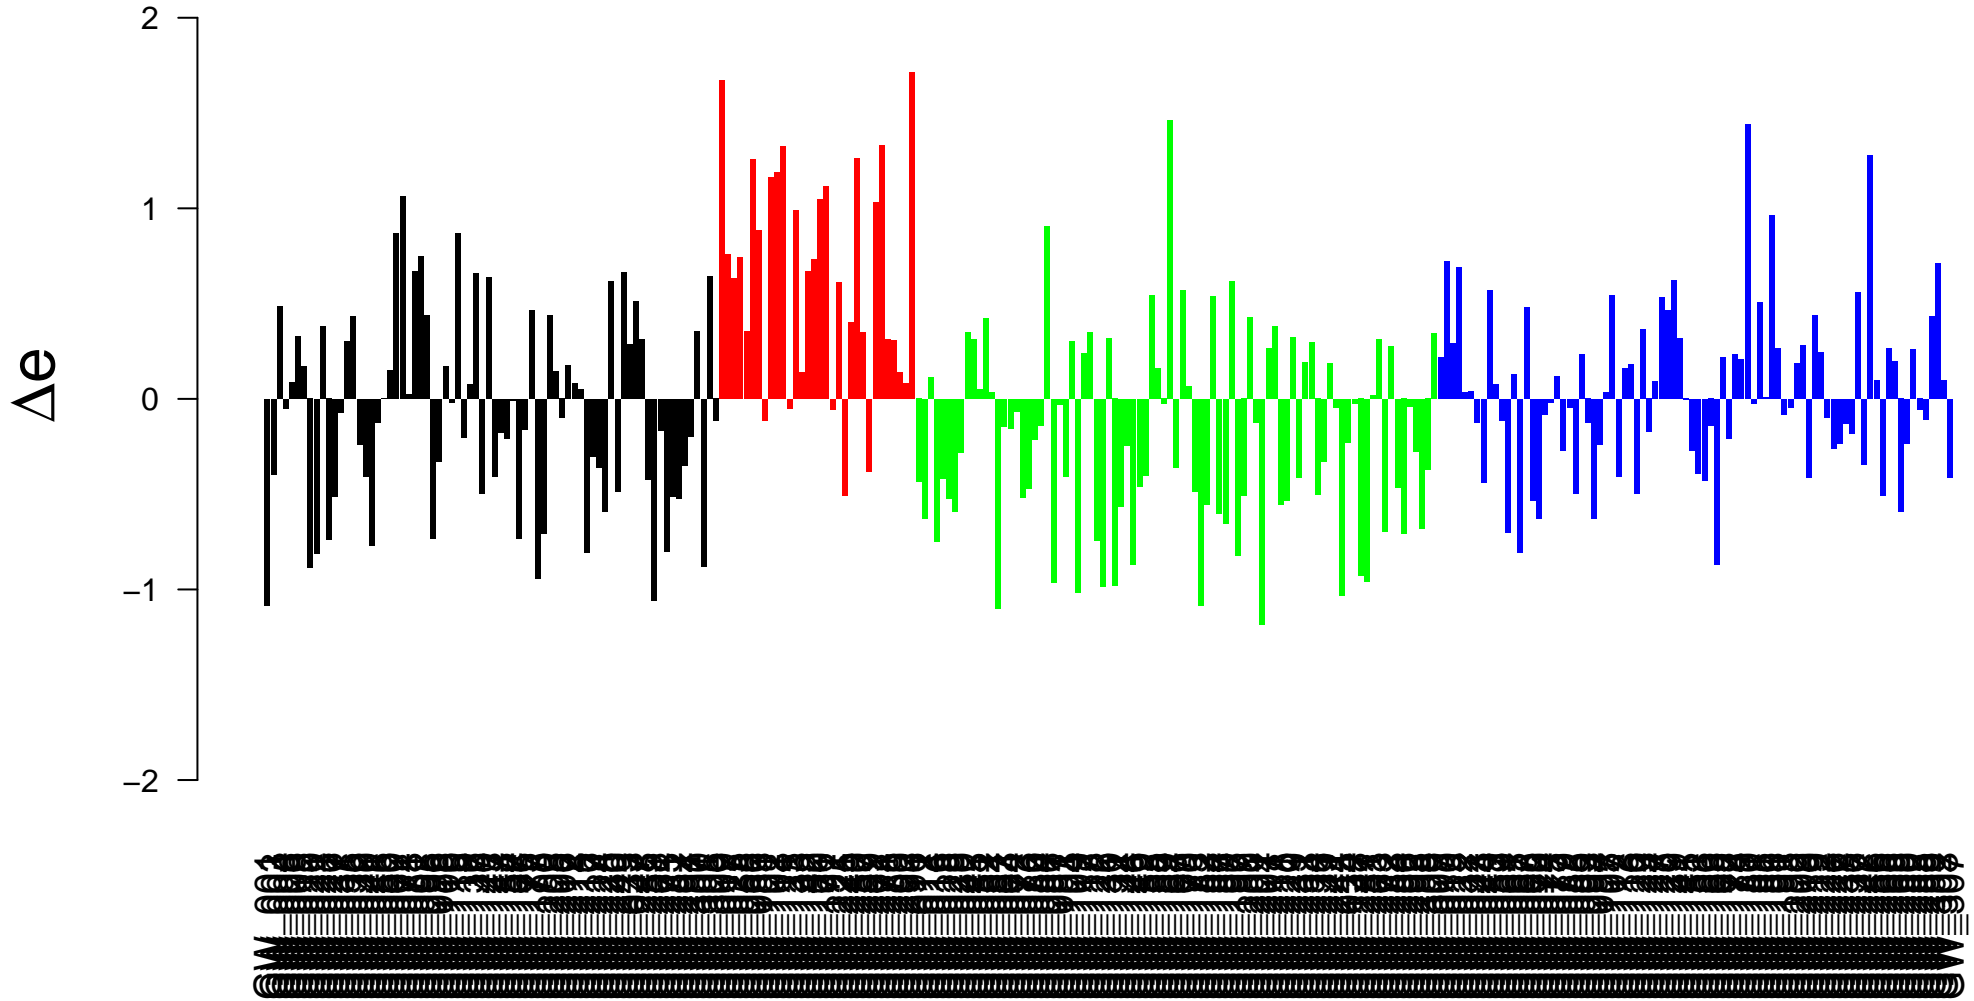

Expression of epithelial cell differentiation in Spot I

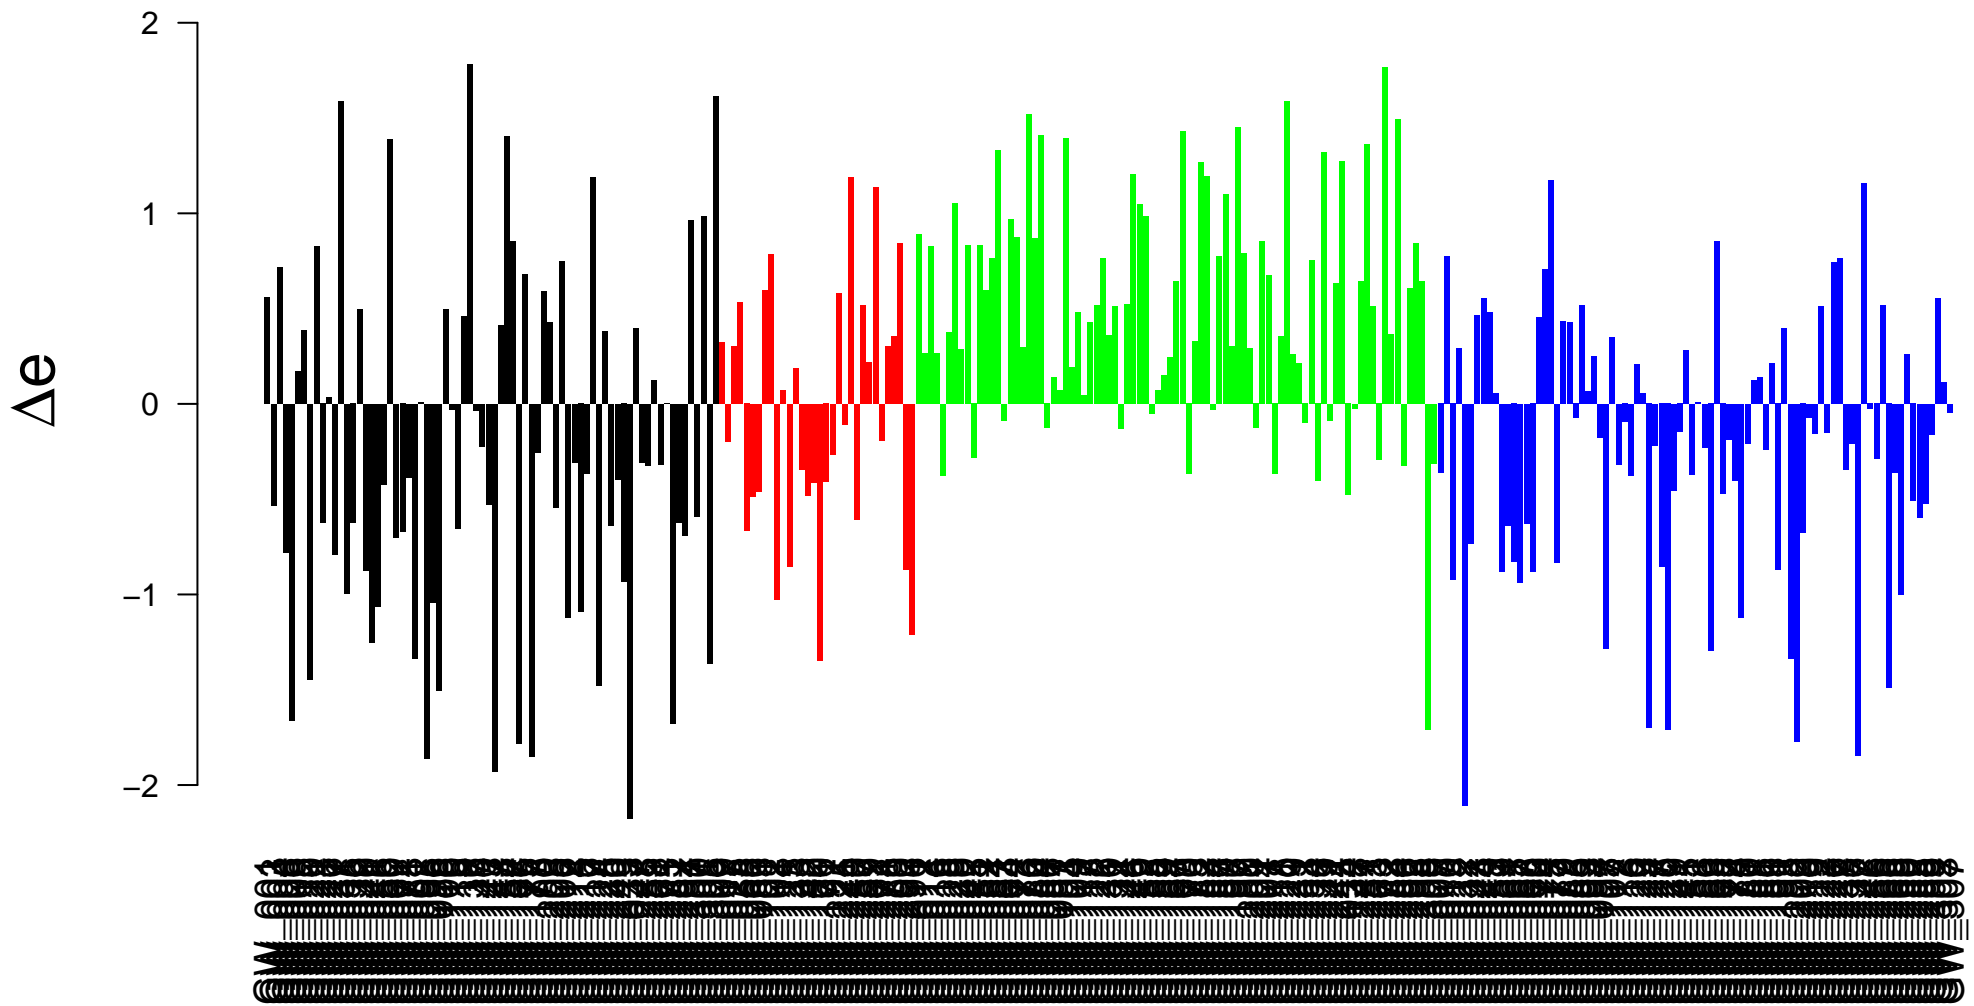

Expression of epithelial cell differentiation in Spot J

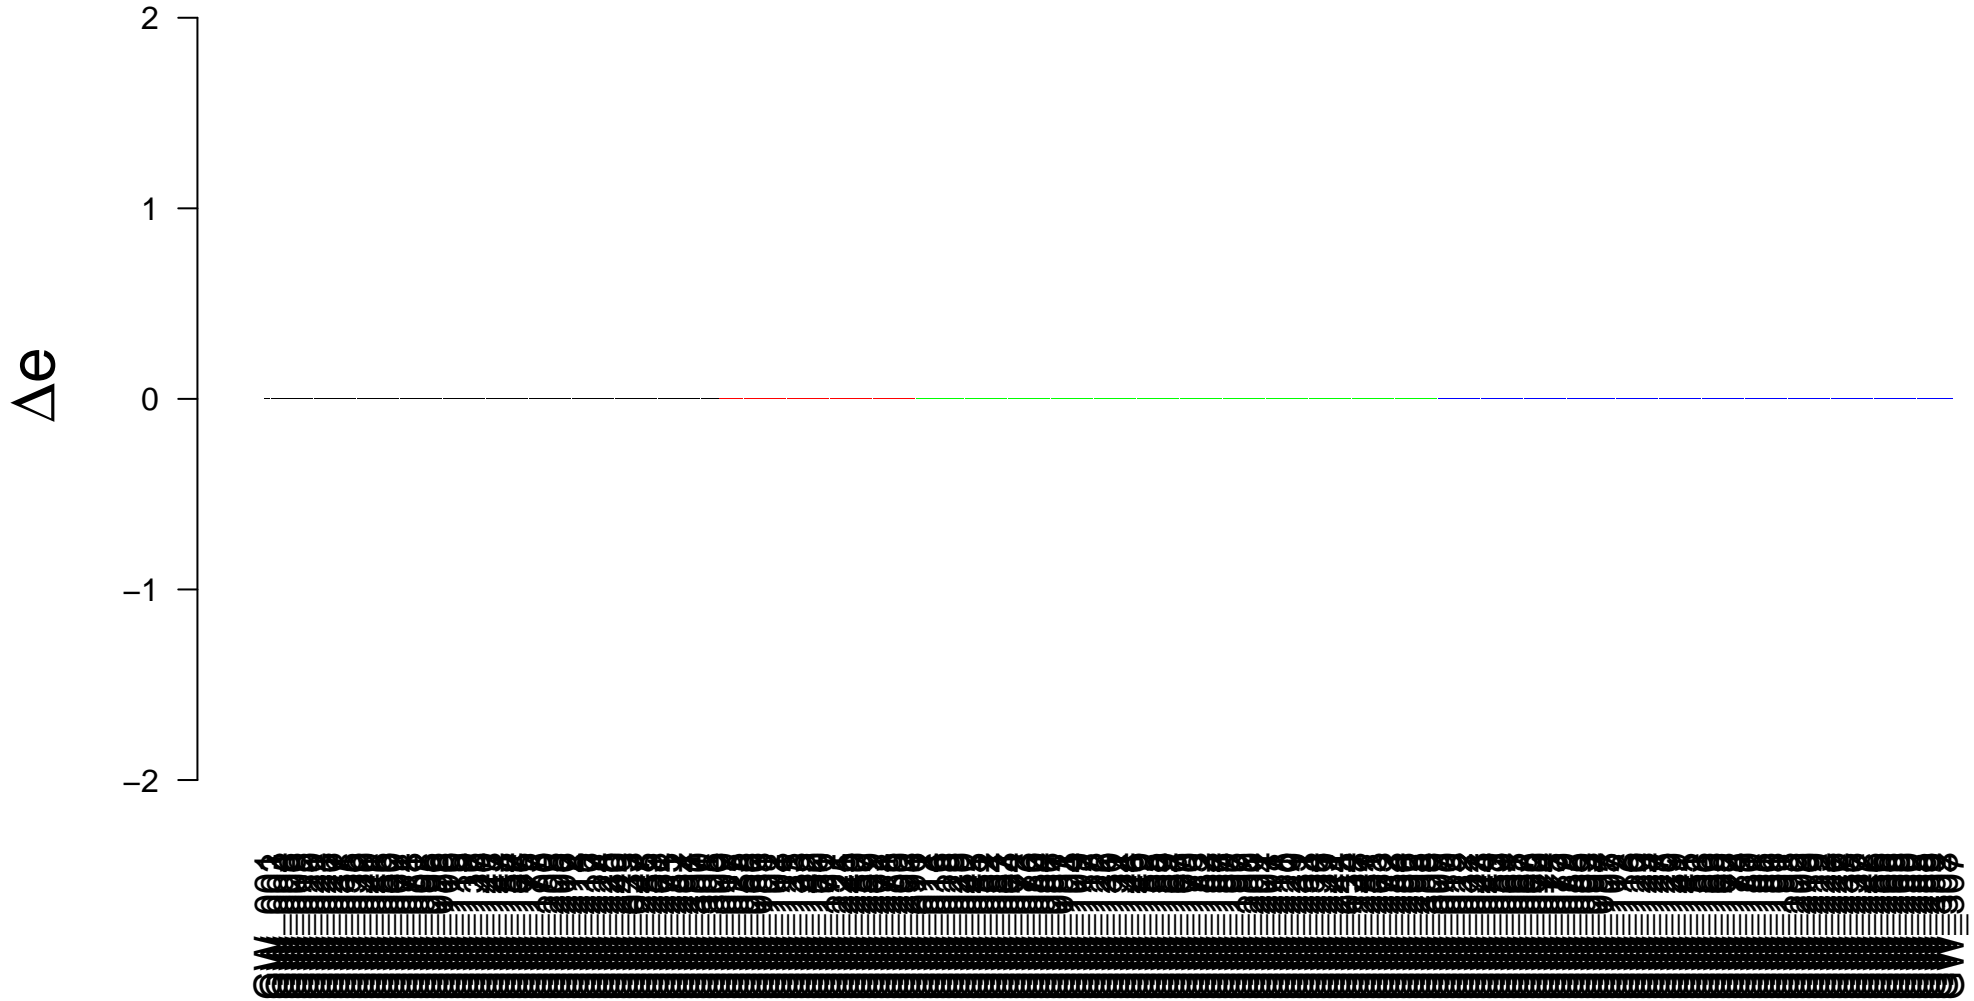

Expression of epithelial cell differentiation in Spot K

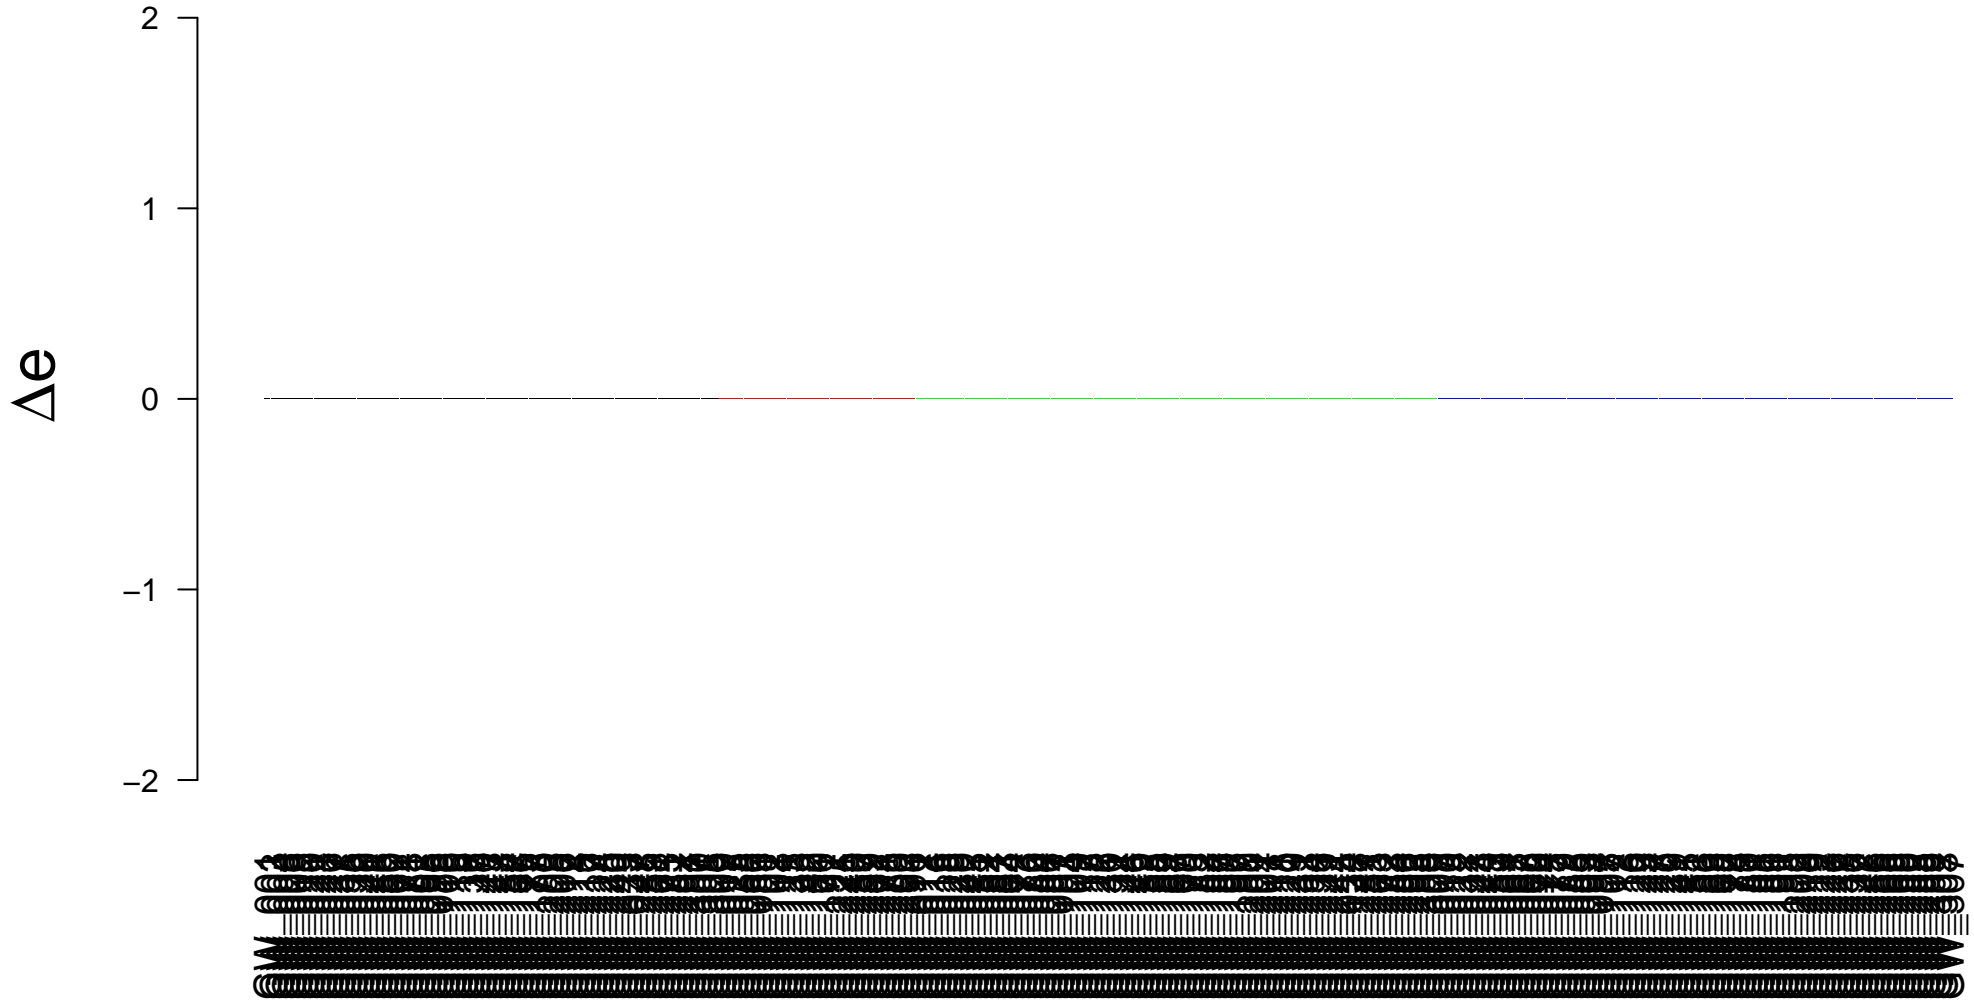

Expression of epithelial cell differentiation in Spot L

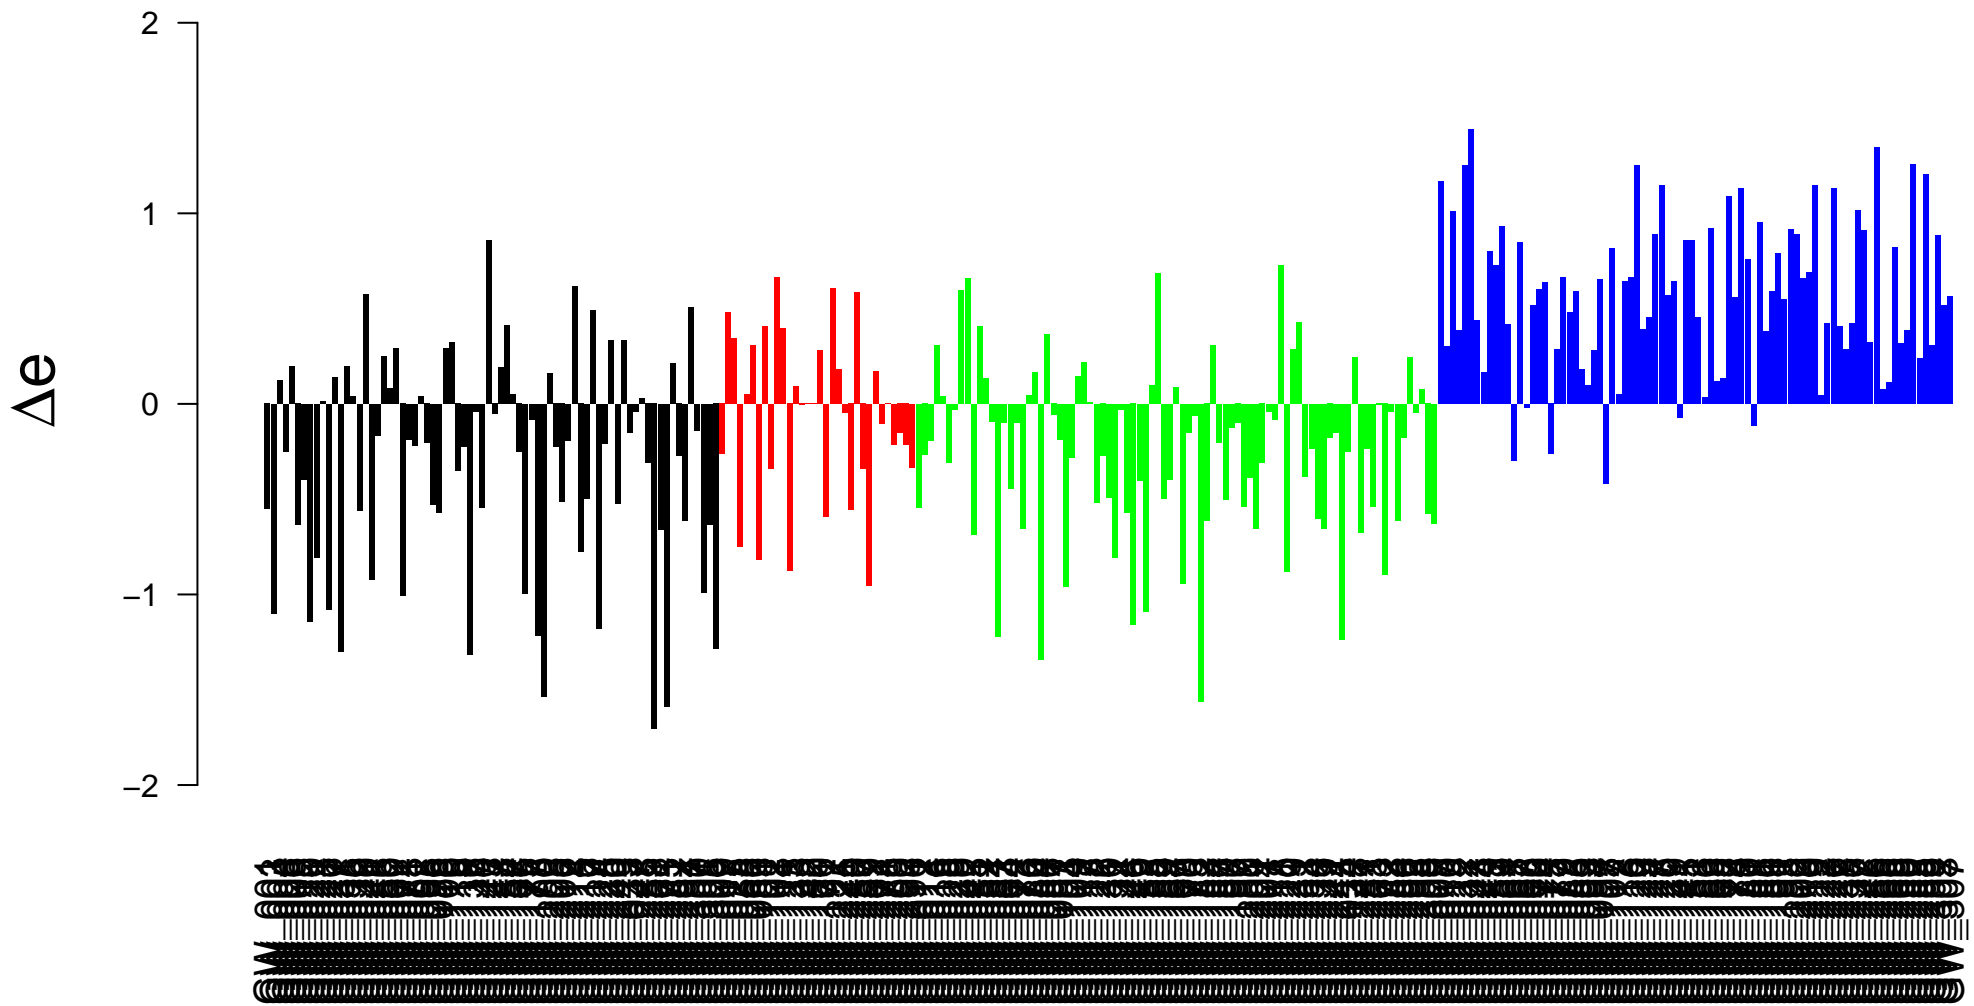

Expression of epithelial cell differentiation in Spot M

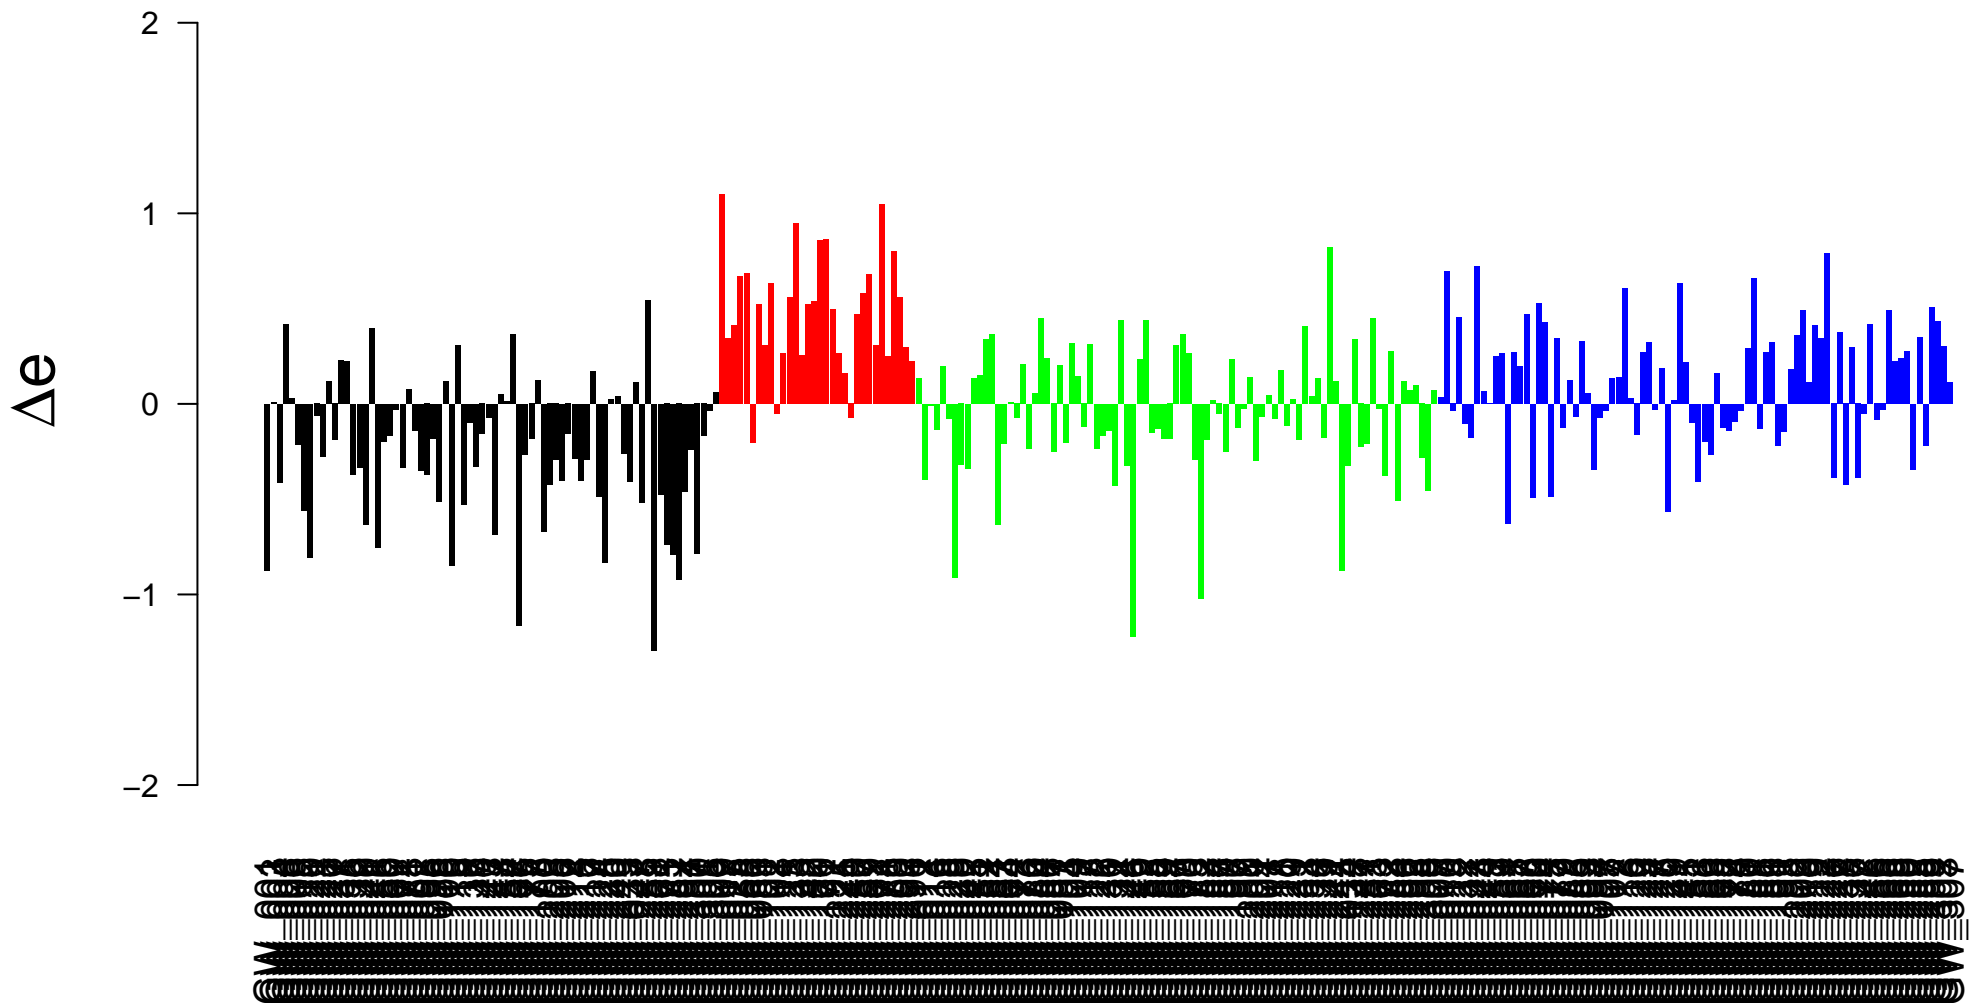

Expression of epithelial cell differentiation in Spot N

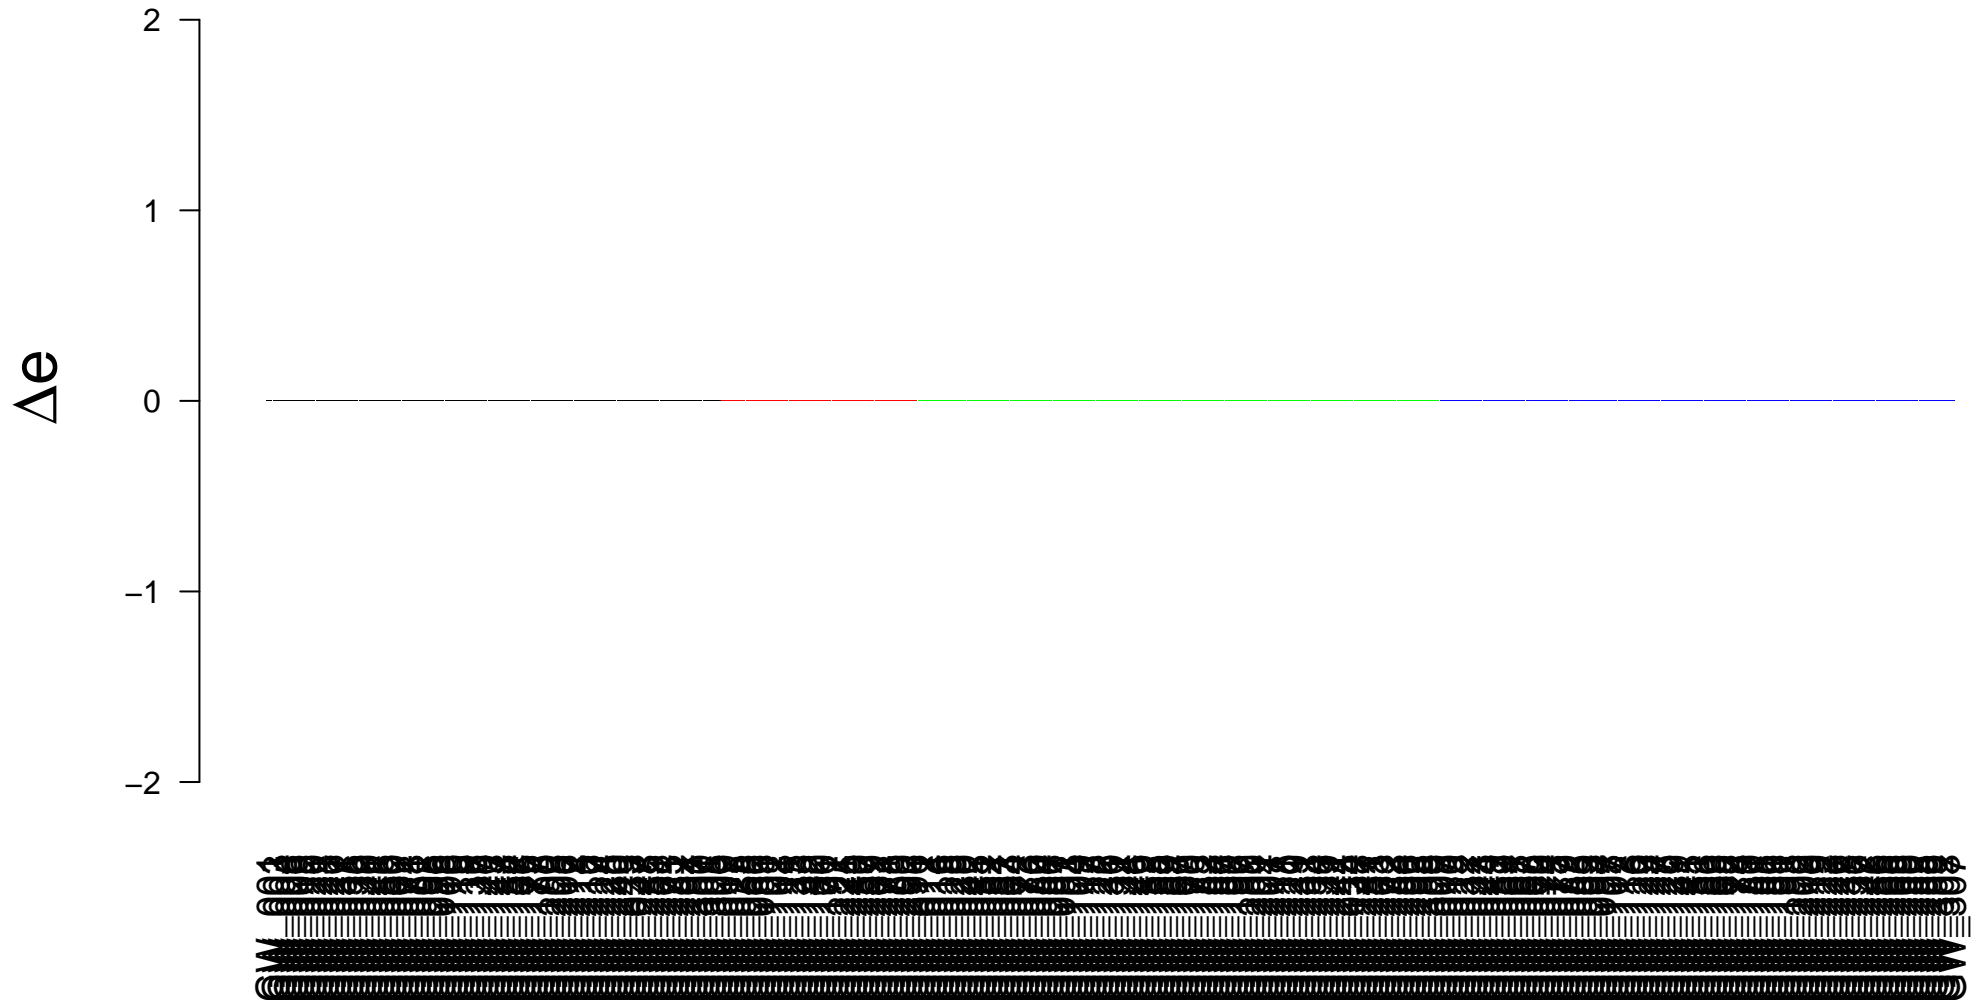

Expression of epithelial cell differentiation in Spot O

Expression of epithelial cell differentiation in Spot P

Expression of epithelial cell differentiation in Spot Q

Expression of epithelial cell differentiation in Spot R
