

eukaryotic 48S preinitiation complex

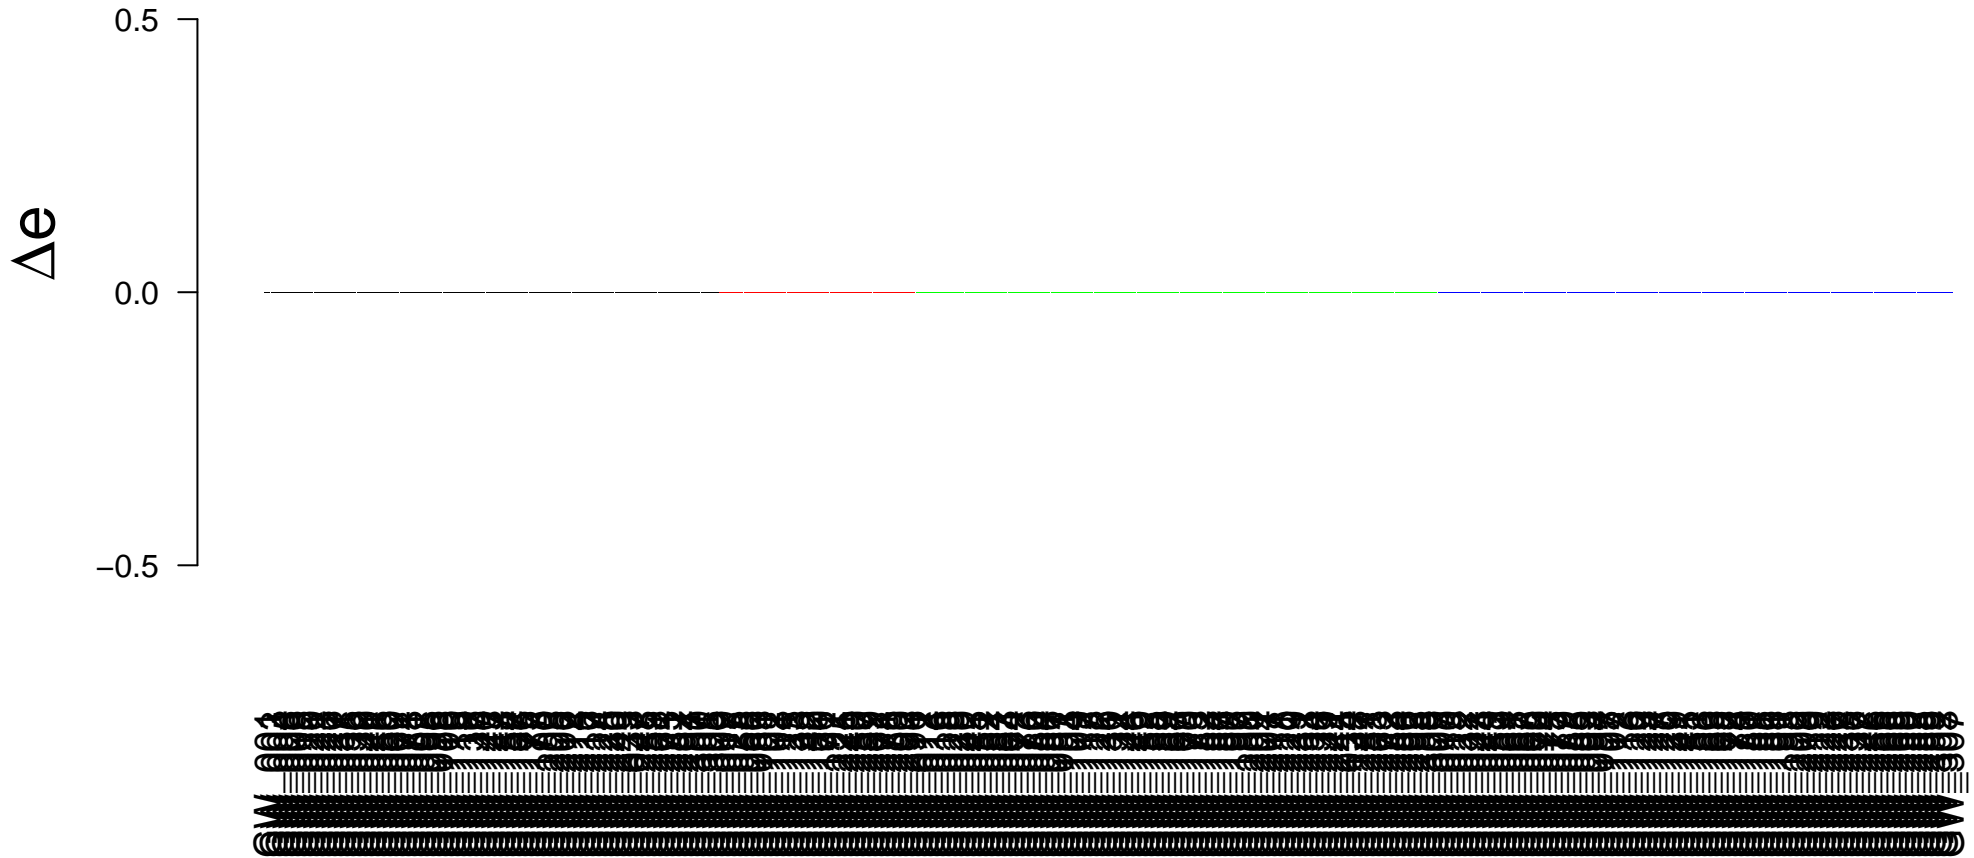

Enrichment in spots: eukaryotic 48S preinitiation complex

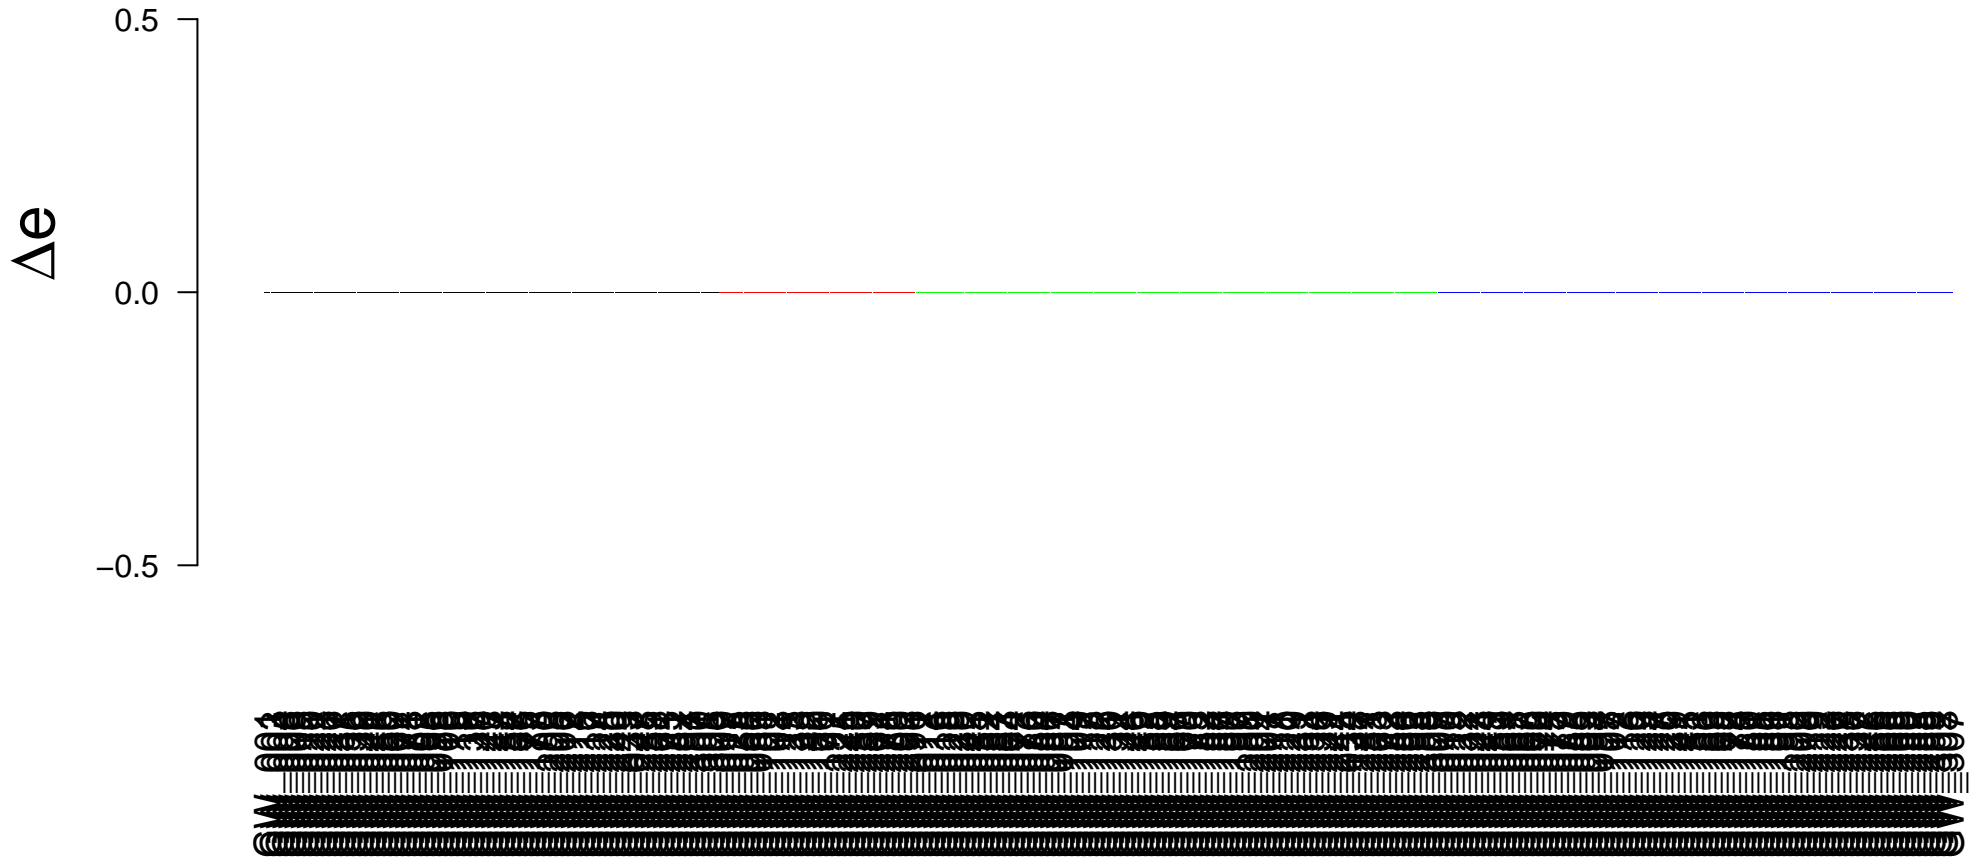

Expression of eukaryotic 48S preinitiation complex in Spot A

Expression of eukaryotic 48S preinitiation complex in Spot B

Expression of eukaryotic 48S preinitiation complex in Spot C

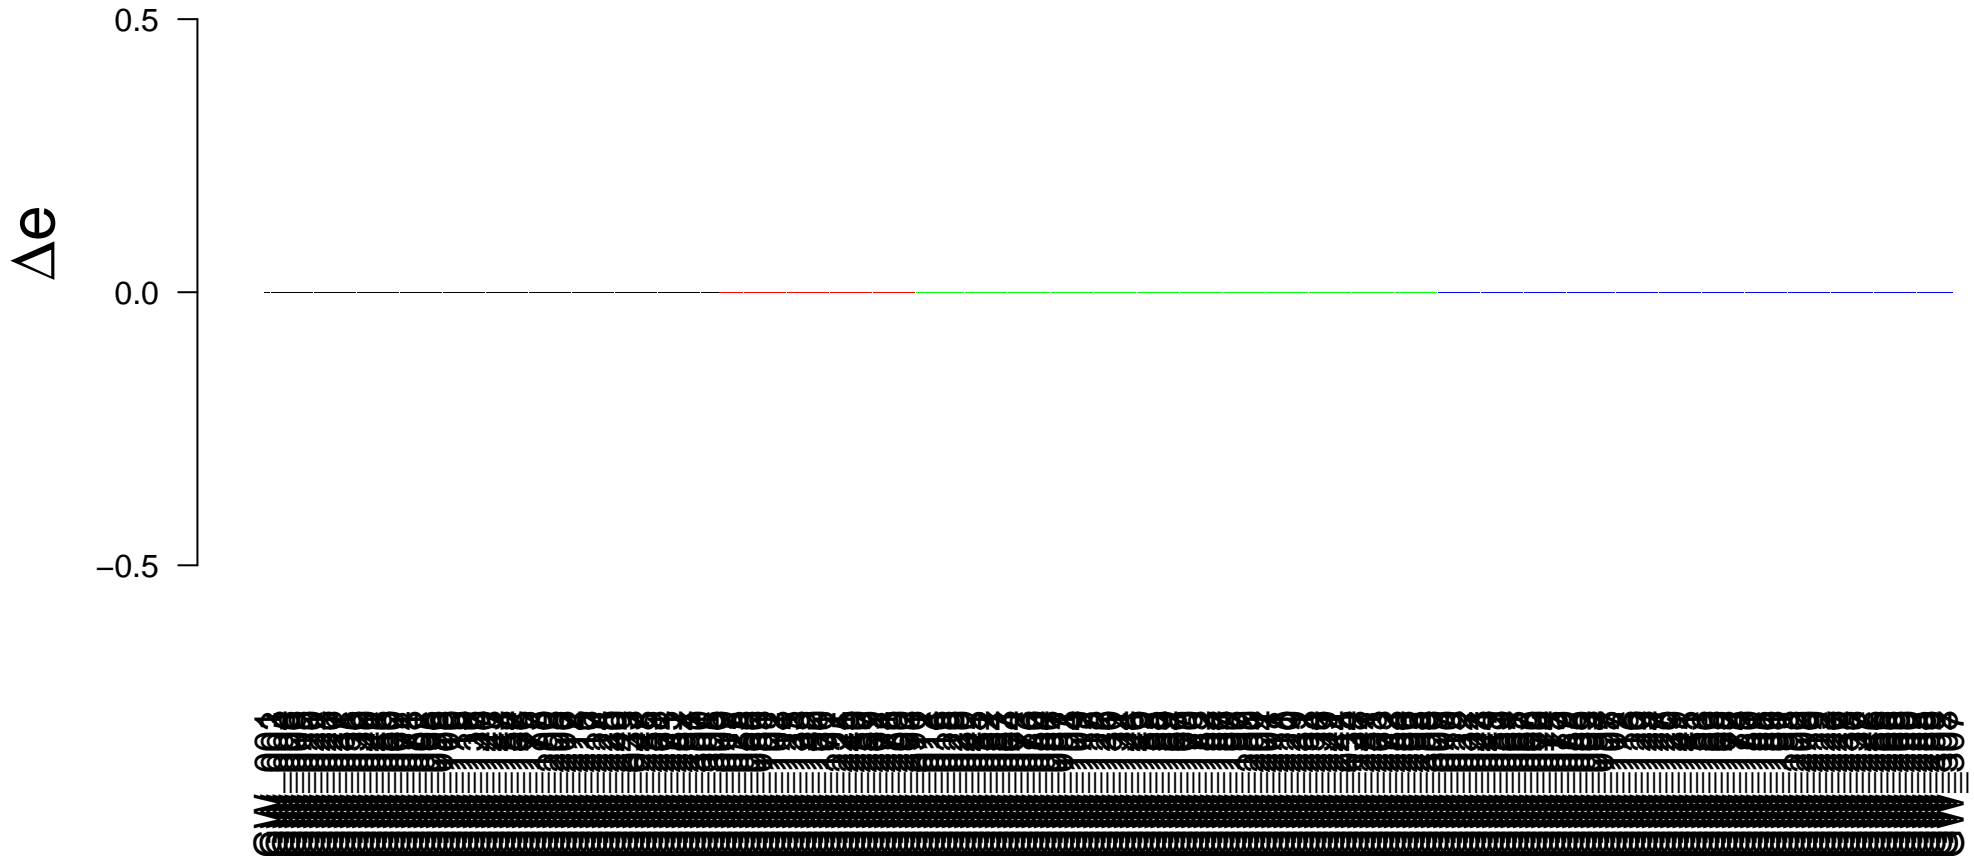

Expression of eukaryotic 48S preinitiation complex in Spot D

Expression of eukaryotic 48S preinitiation complex in Spot E

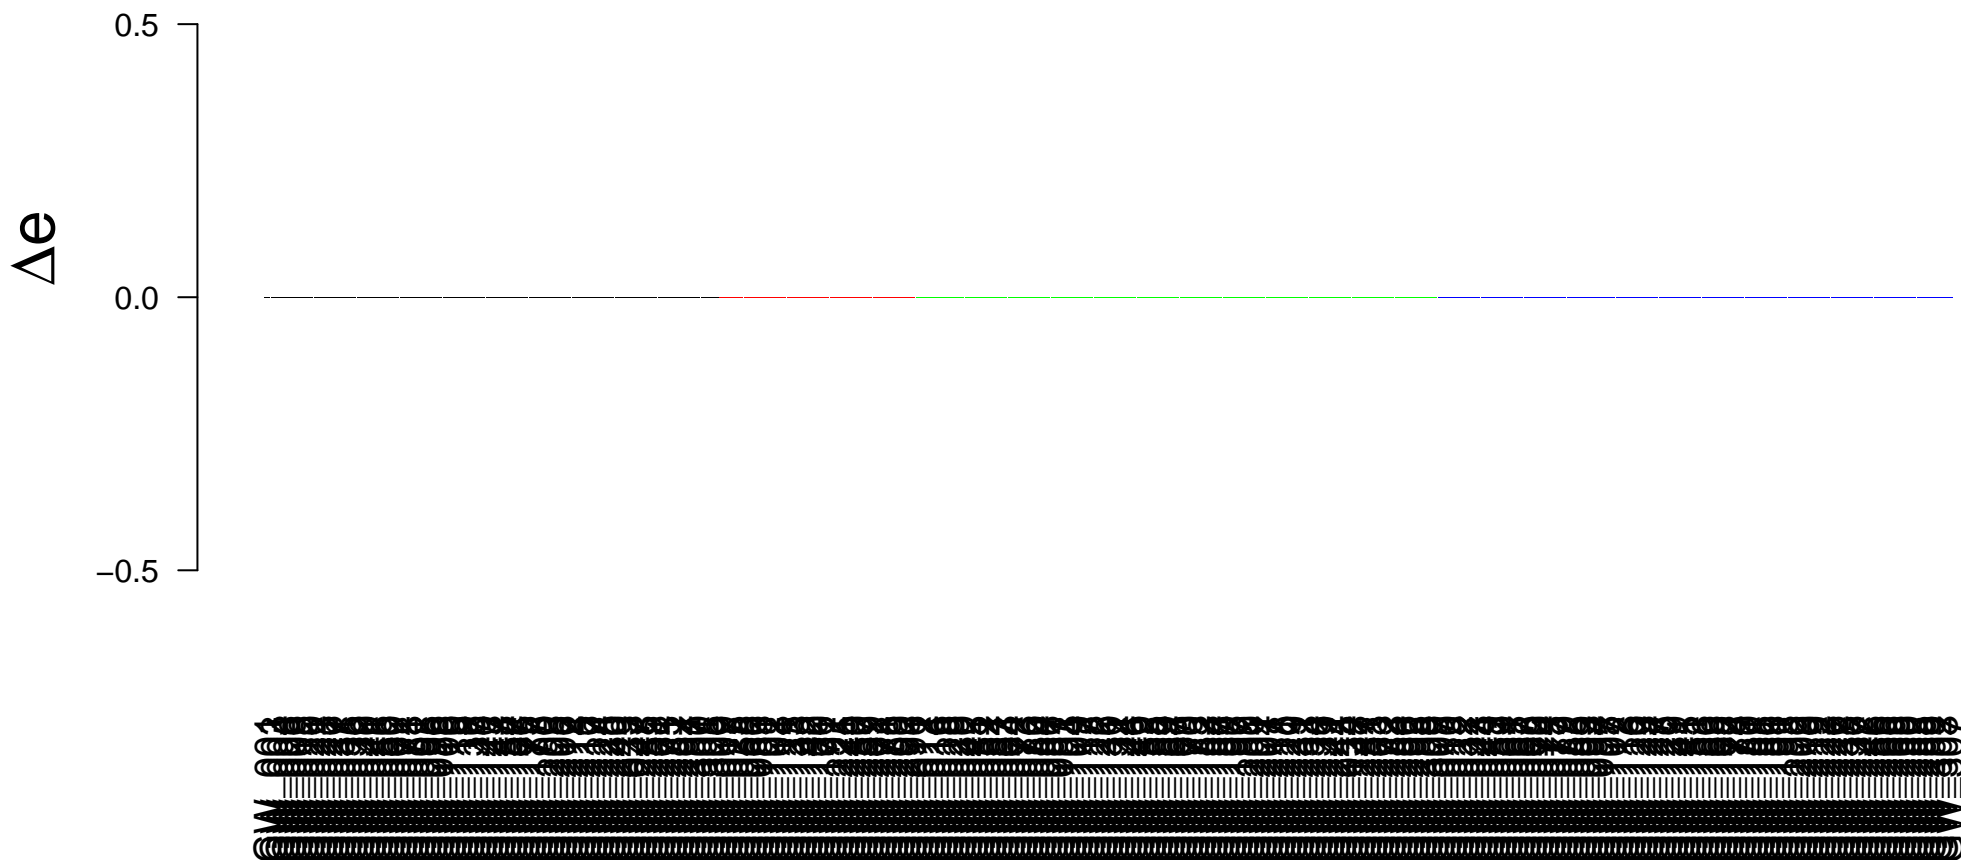

Expression of eukaryotic 48S preinitiation complex in Spot F

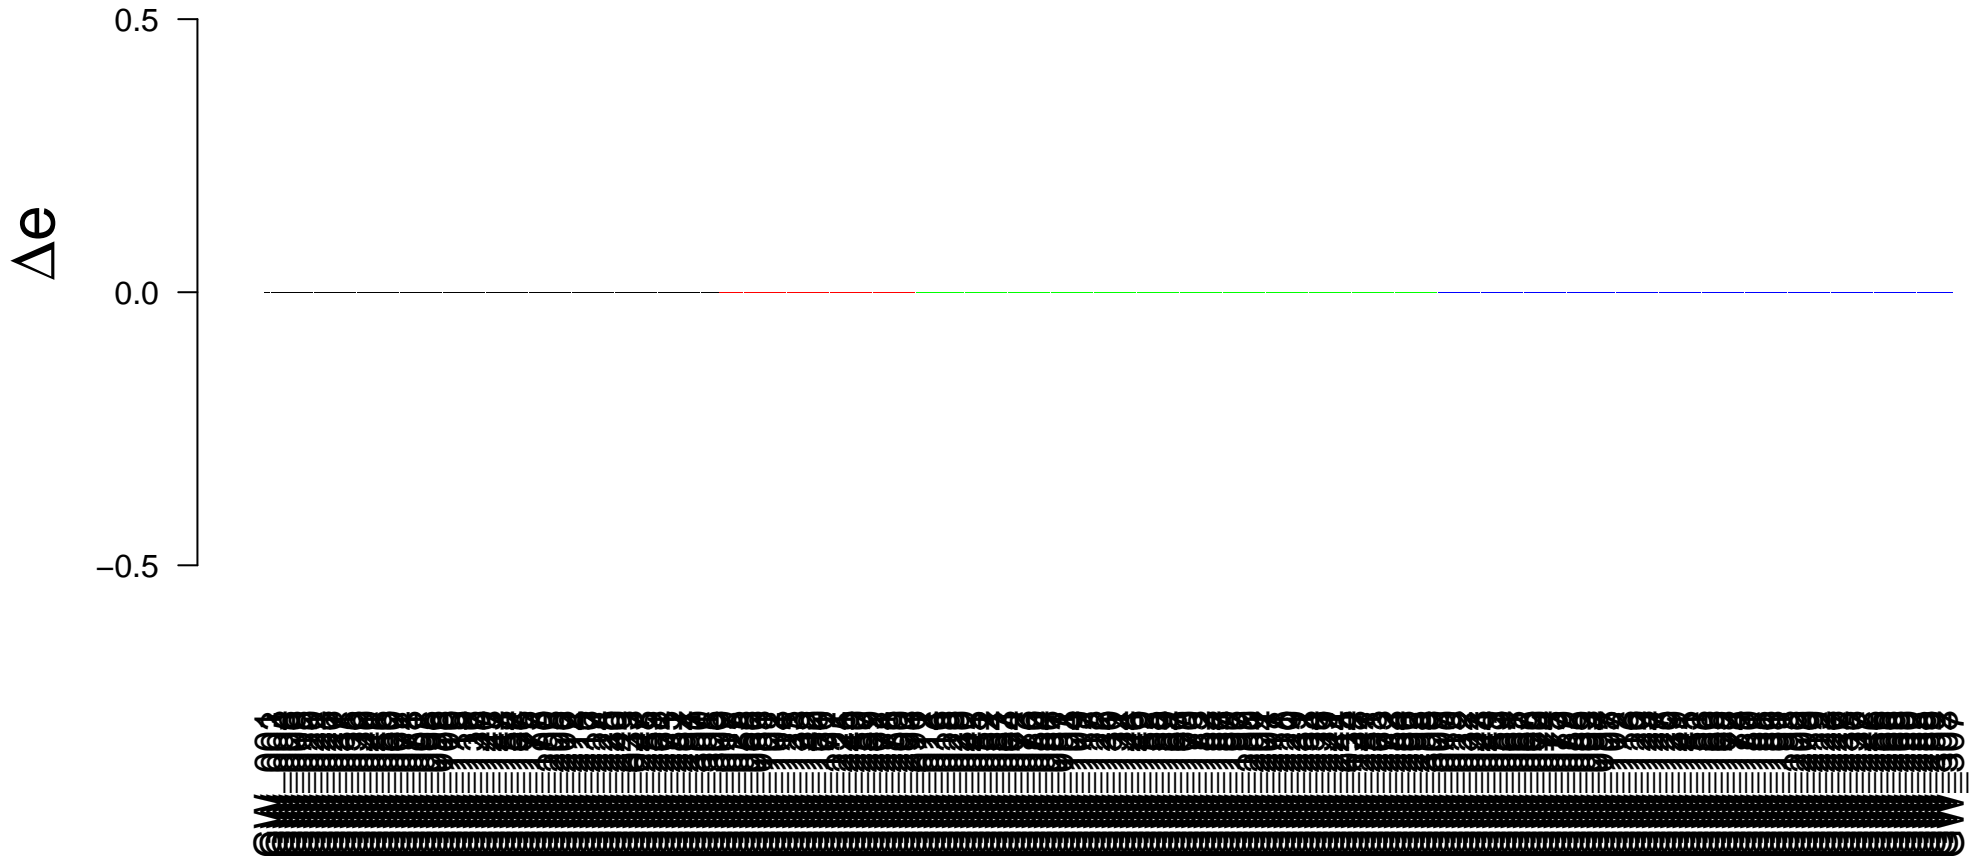

Expression of eukaryotic 48S preinitiation complex in Spot G

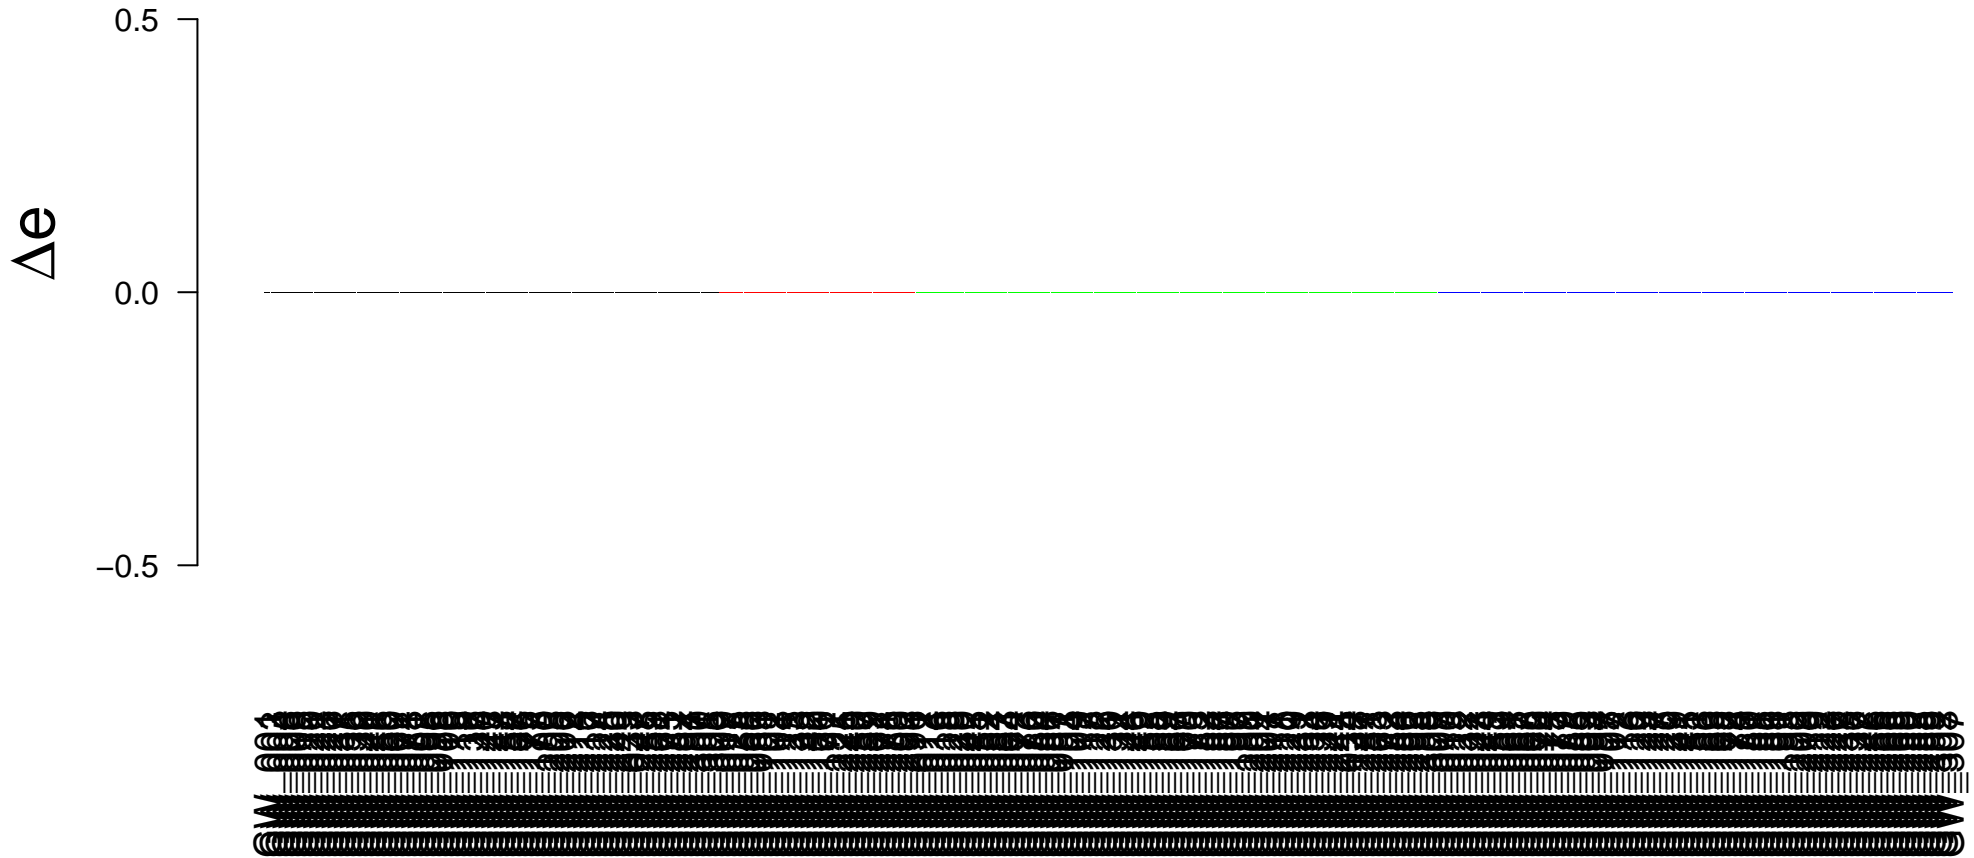

Expression of eukaryotic 48S preinitiation complex in Spot H

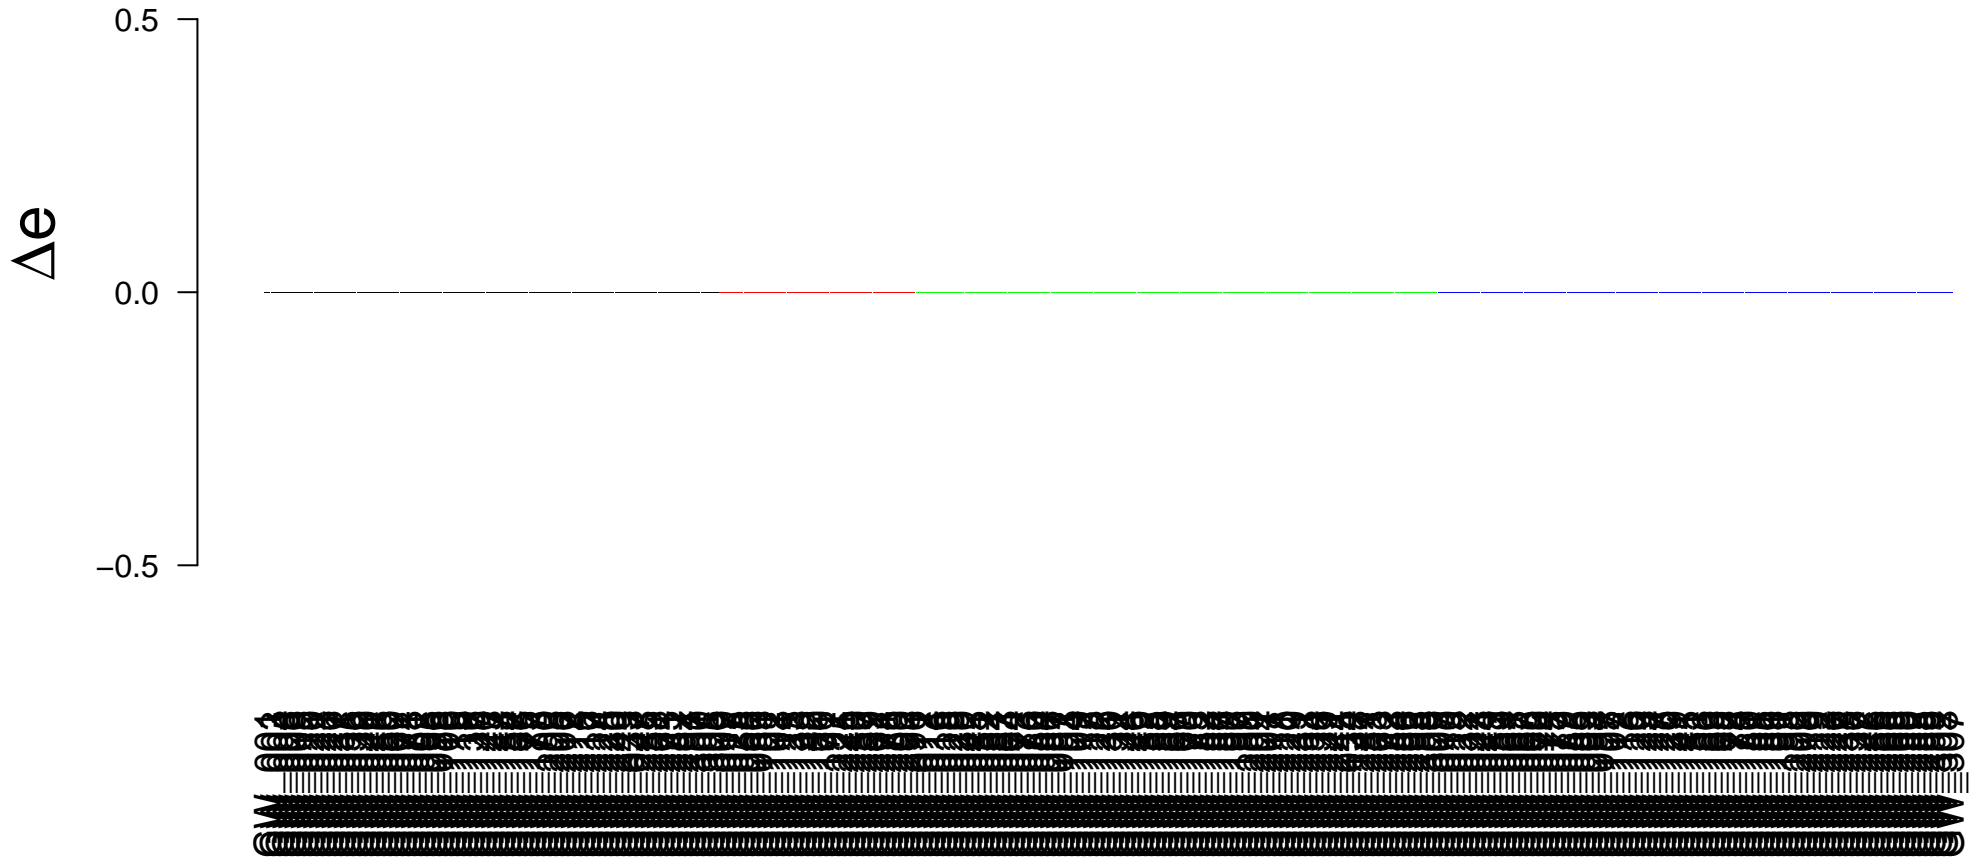

Expression of eukaryotic 48S preinitiation complex in Spot I

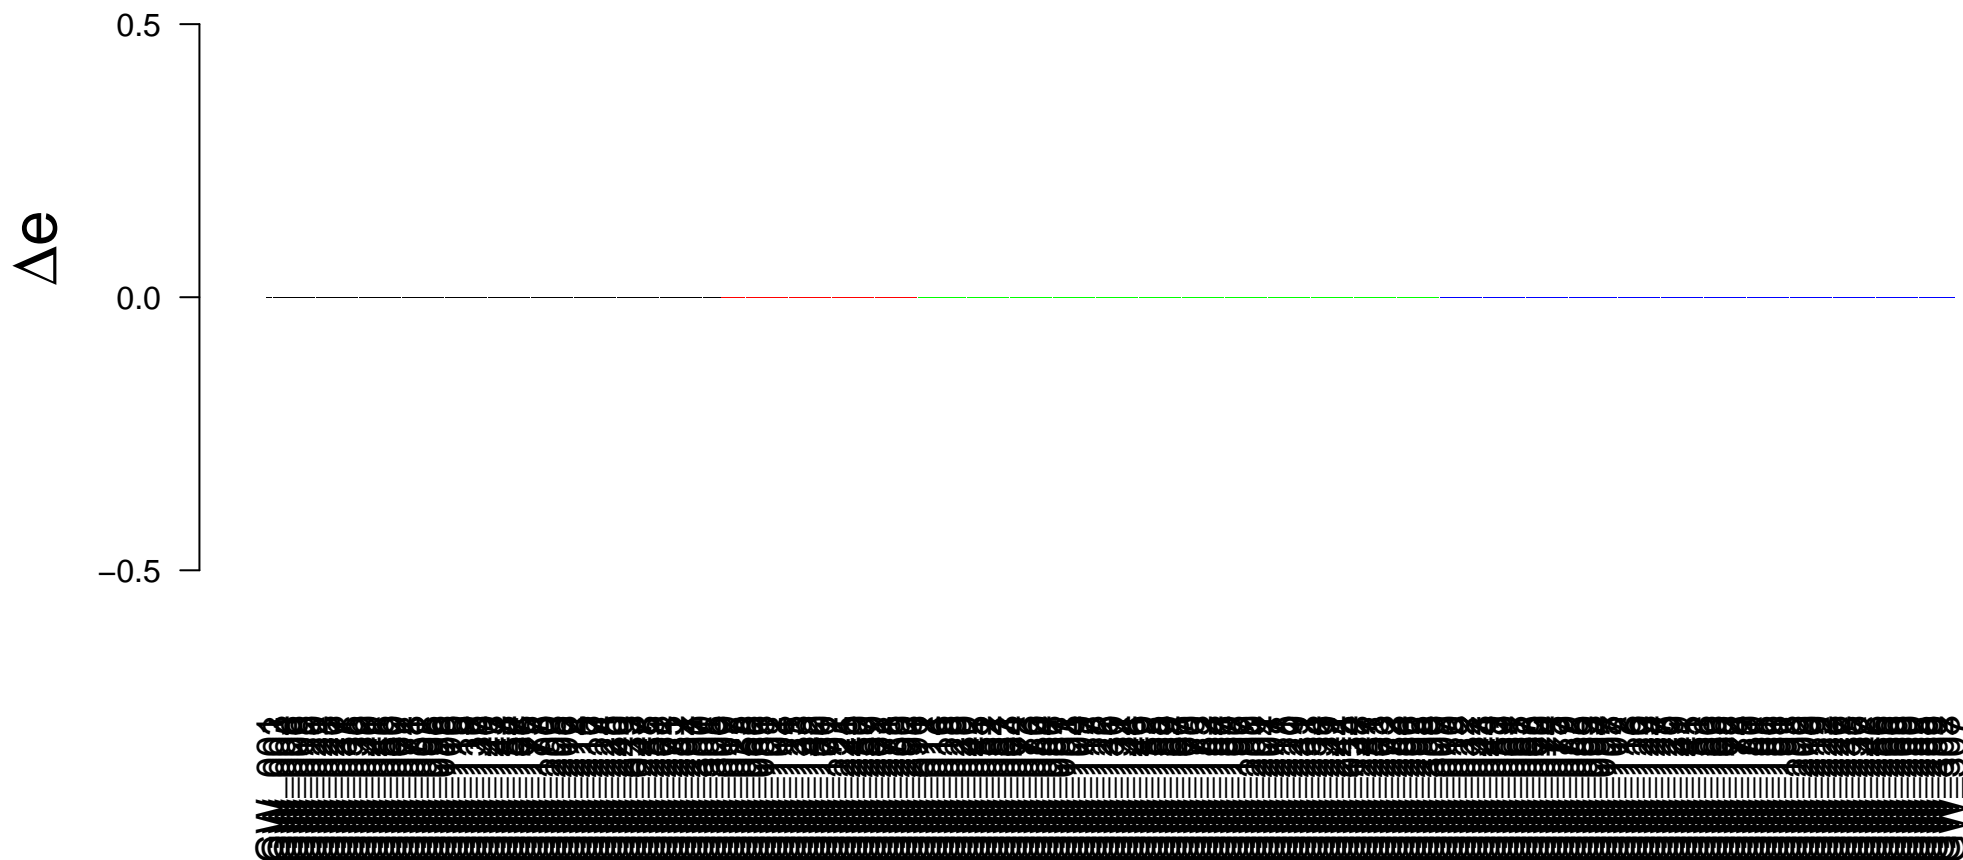

Expression of eukaryotic 48S preinitiation complex in Spot J

Expression of eukaryotic 48S preinitiation complex in Spot K

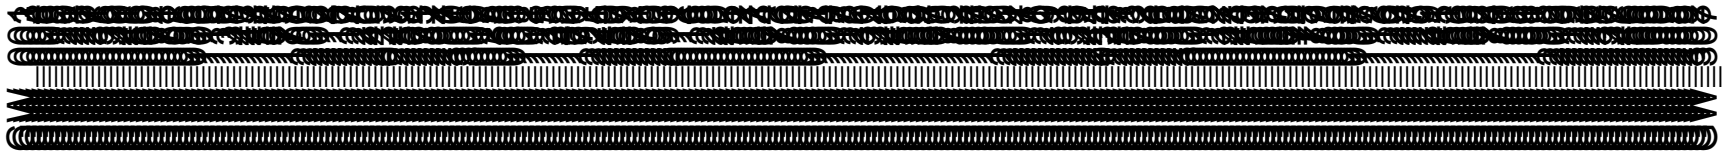

Expression of eukaryotic 48S preinitiation complex in Spot L

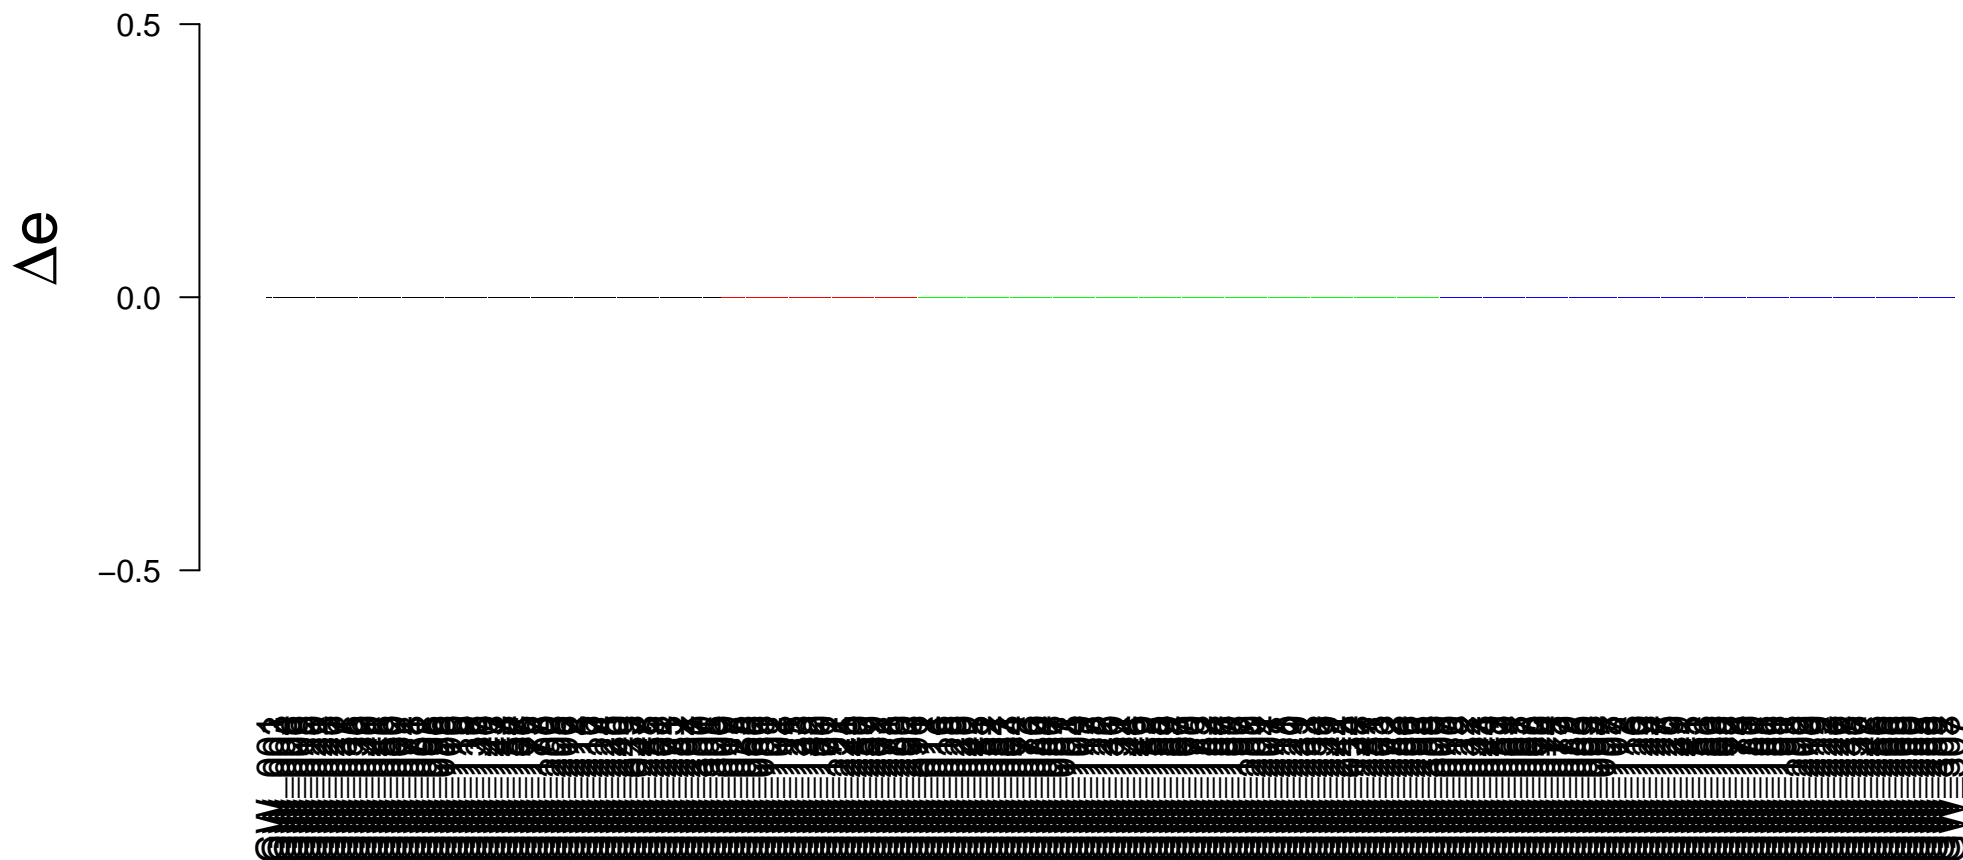

Expression of eukaryotic 48S preinitiation complex in Spot M
