

# execution phase of apoptosis

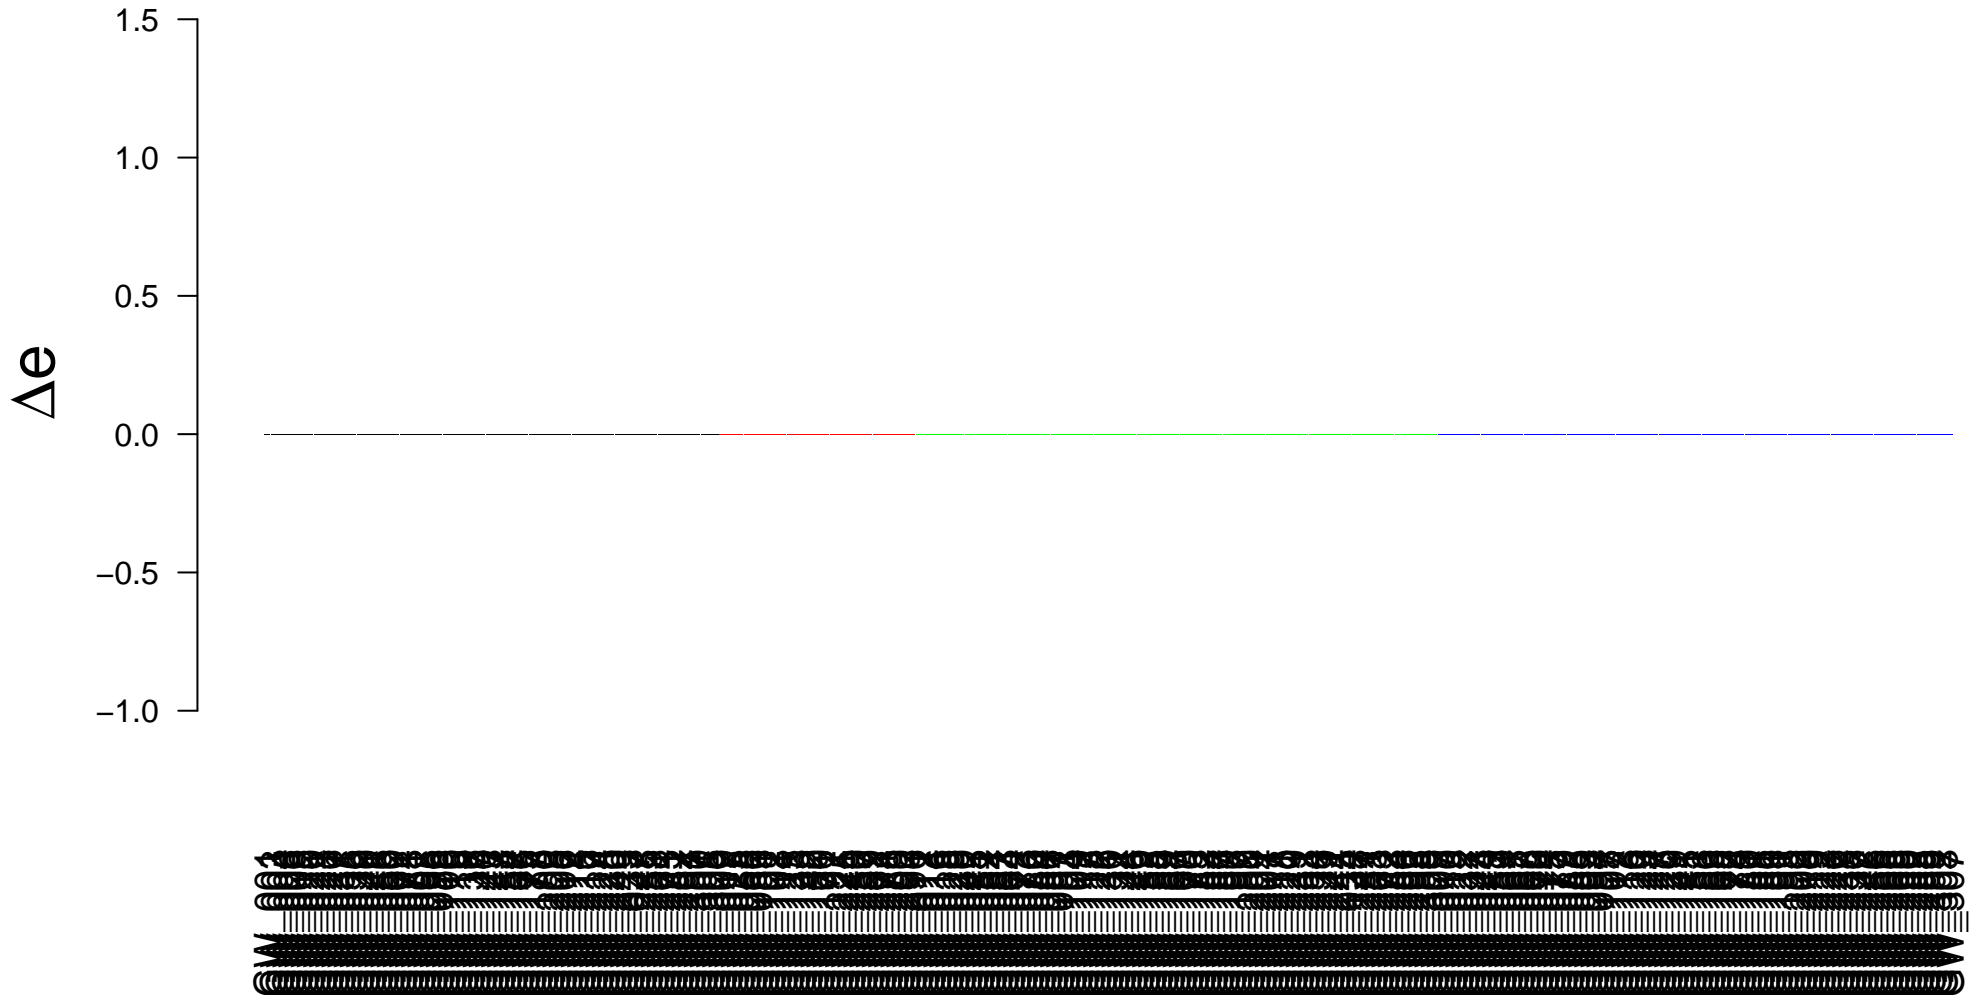

# execution phase of apoptosis

### Enrichment in spots: execution phase of apoptosis

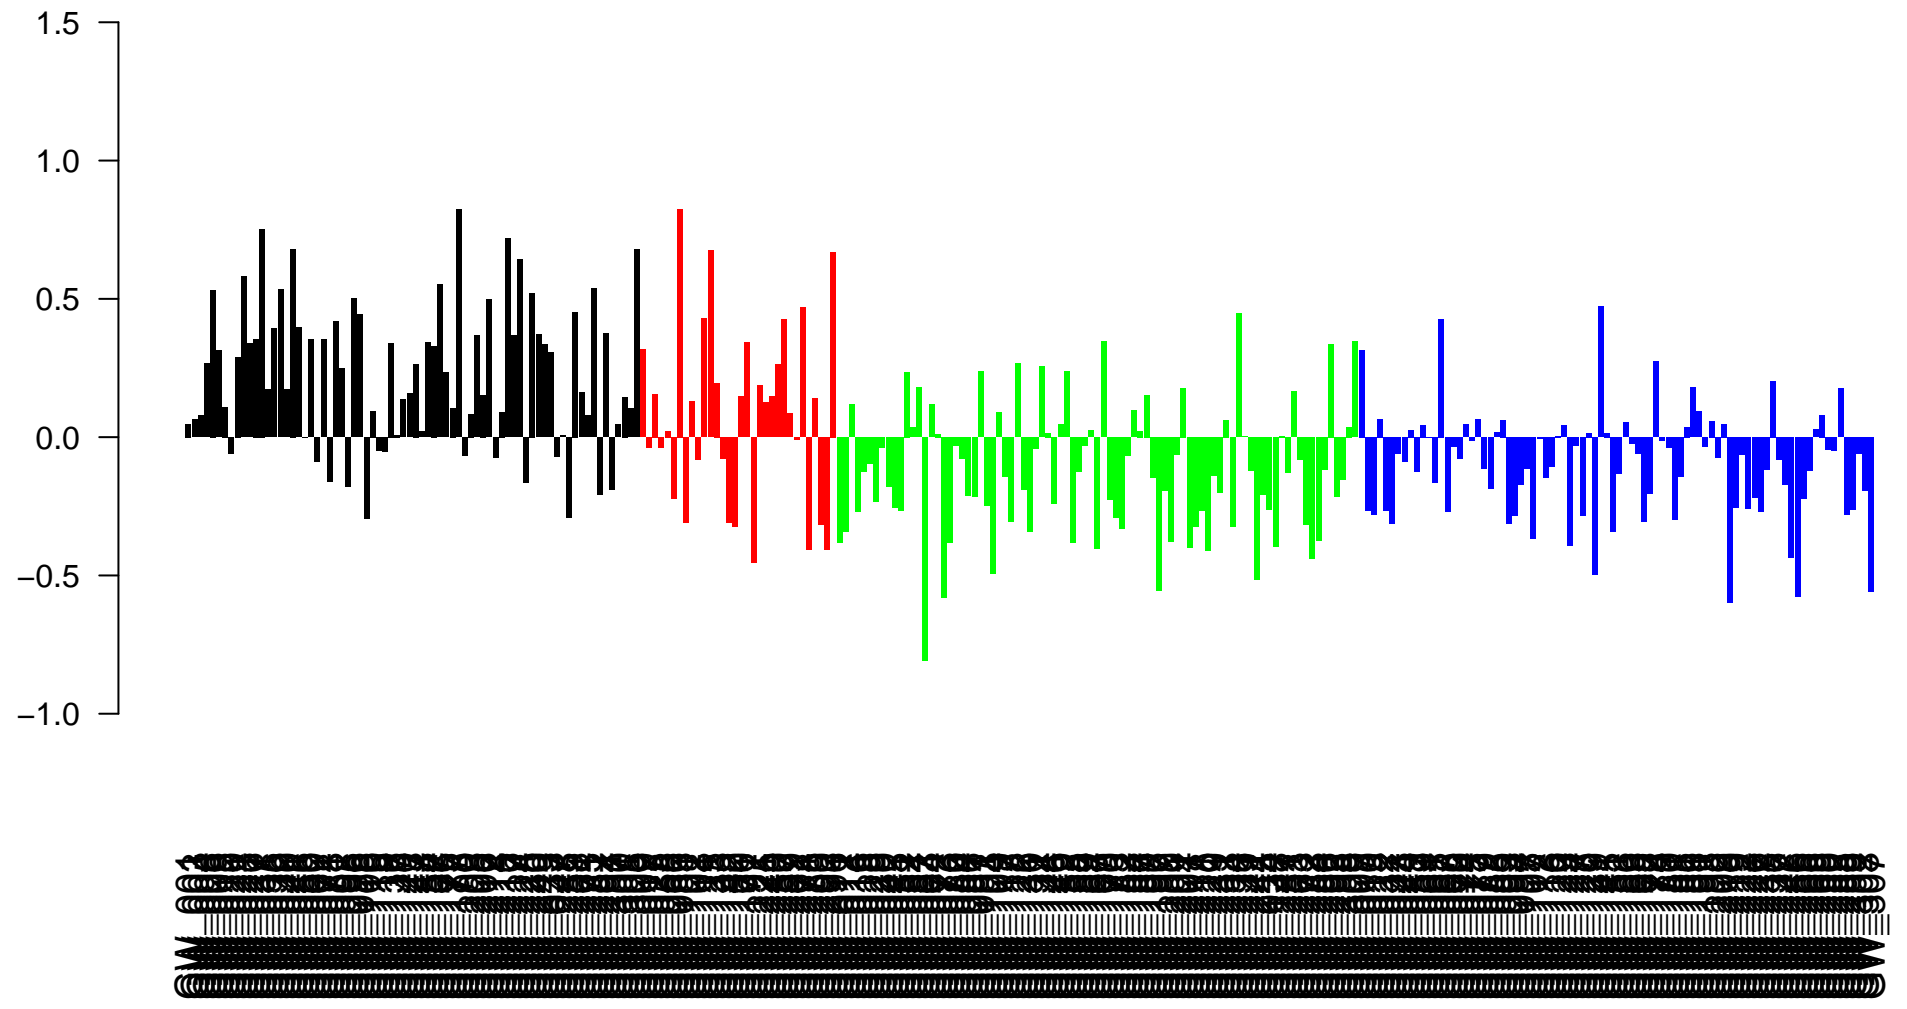

# Expression of execution phase of apoptosis in Spot A

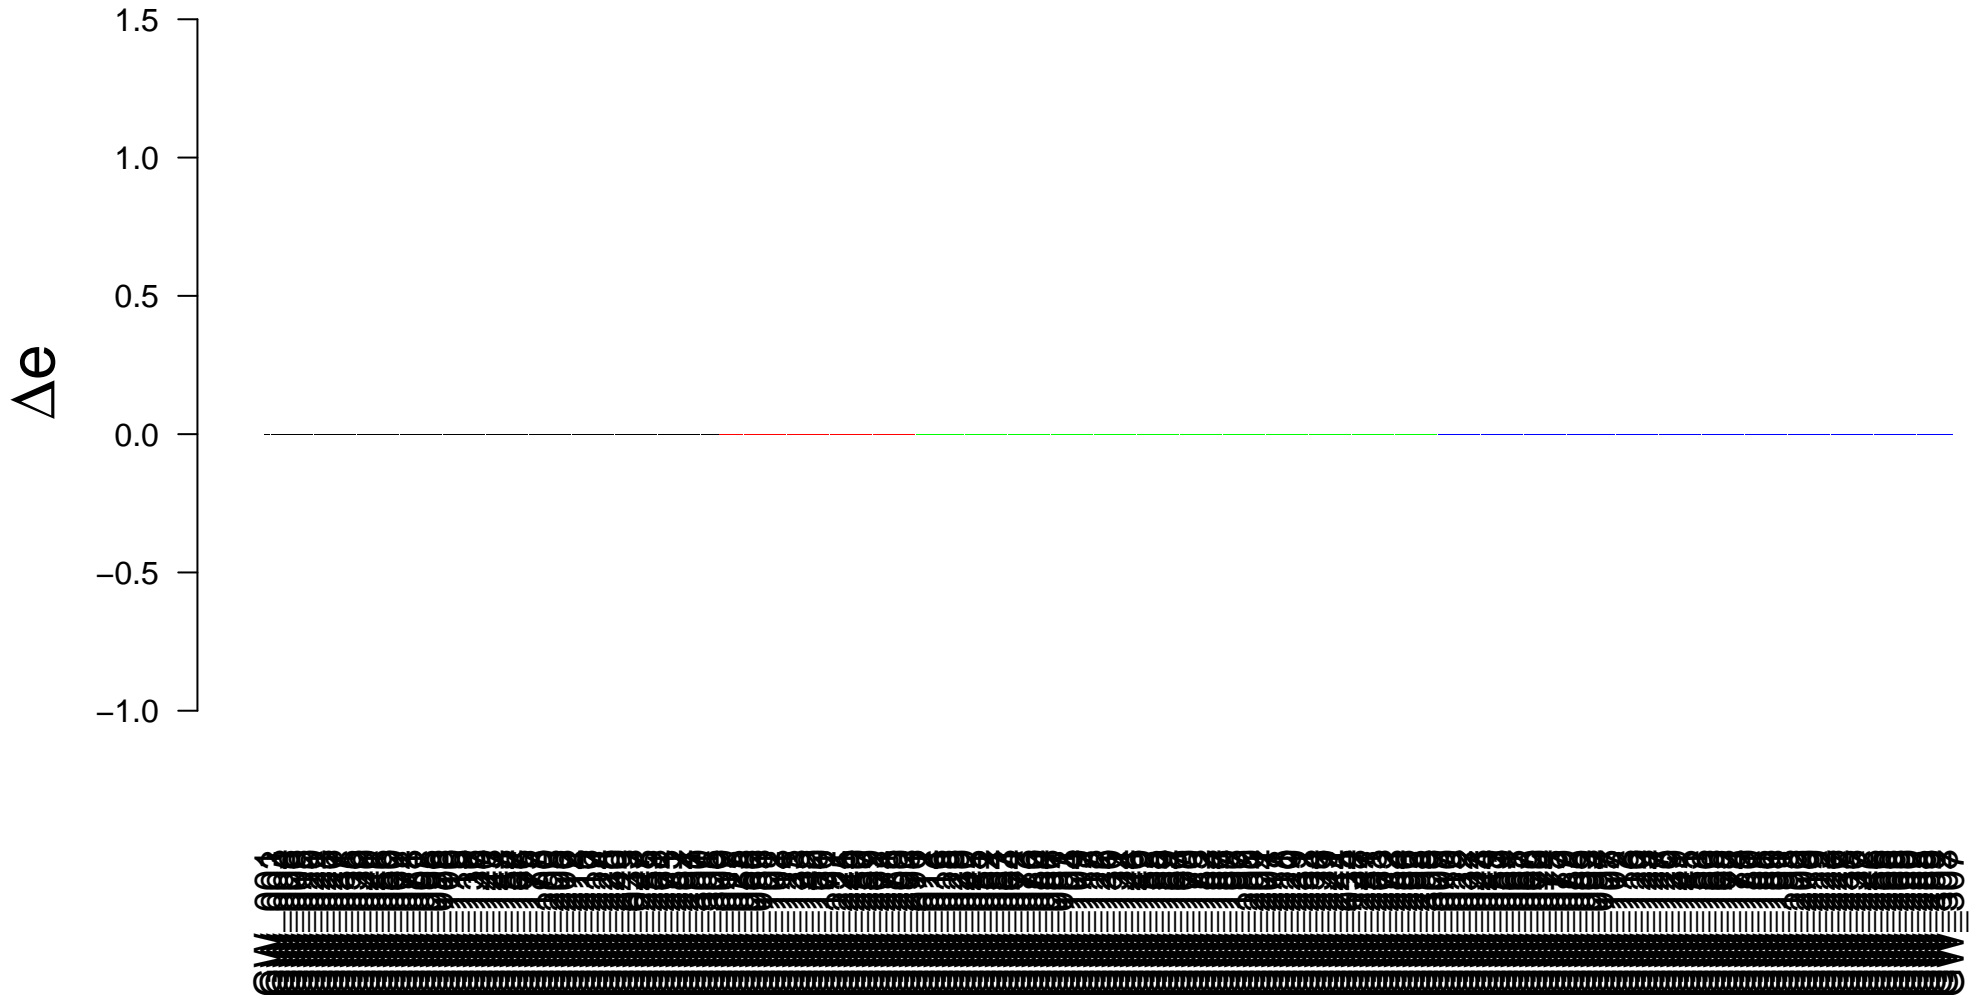

# Expression of execution phase of apoptosis in Spot B

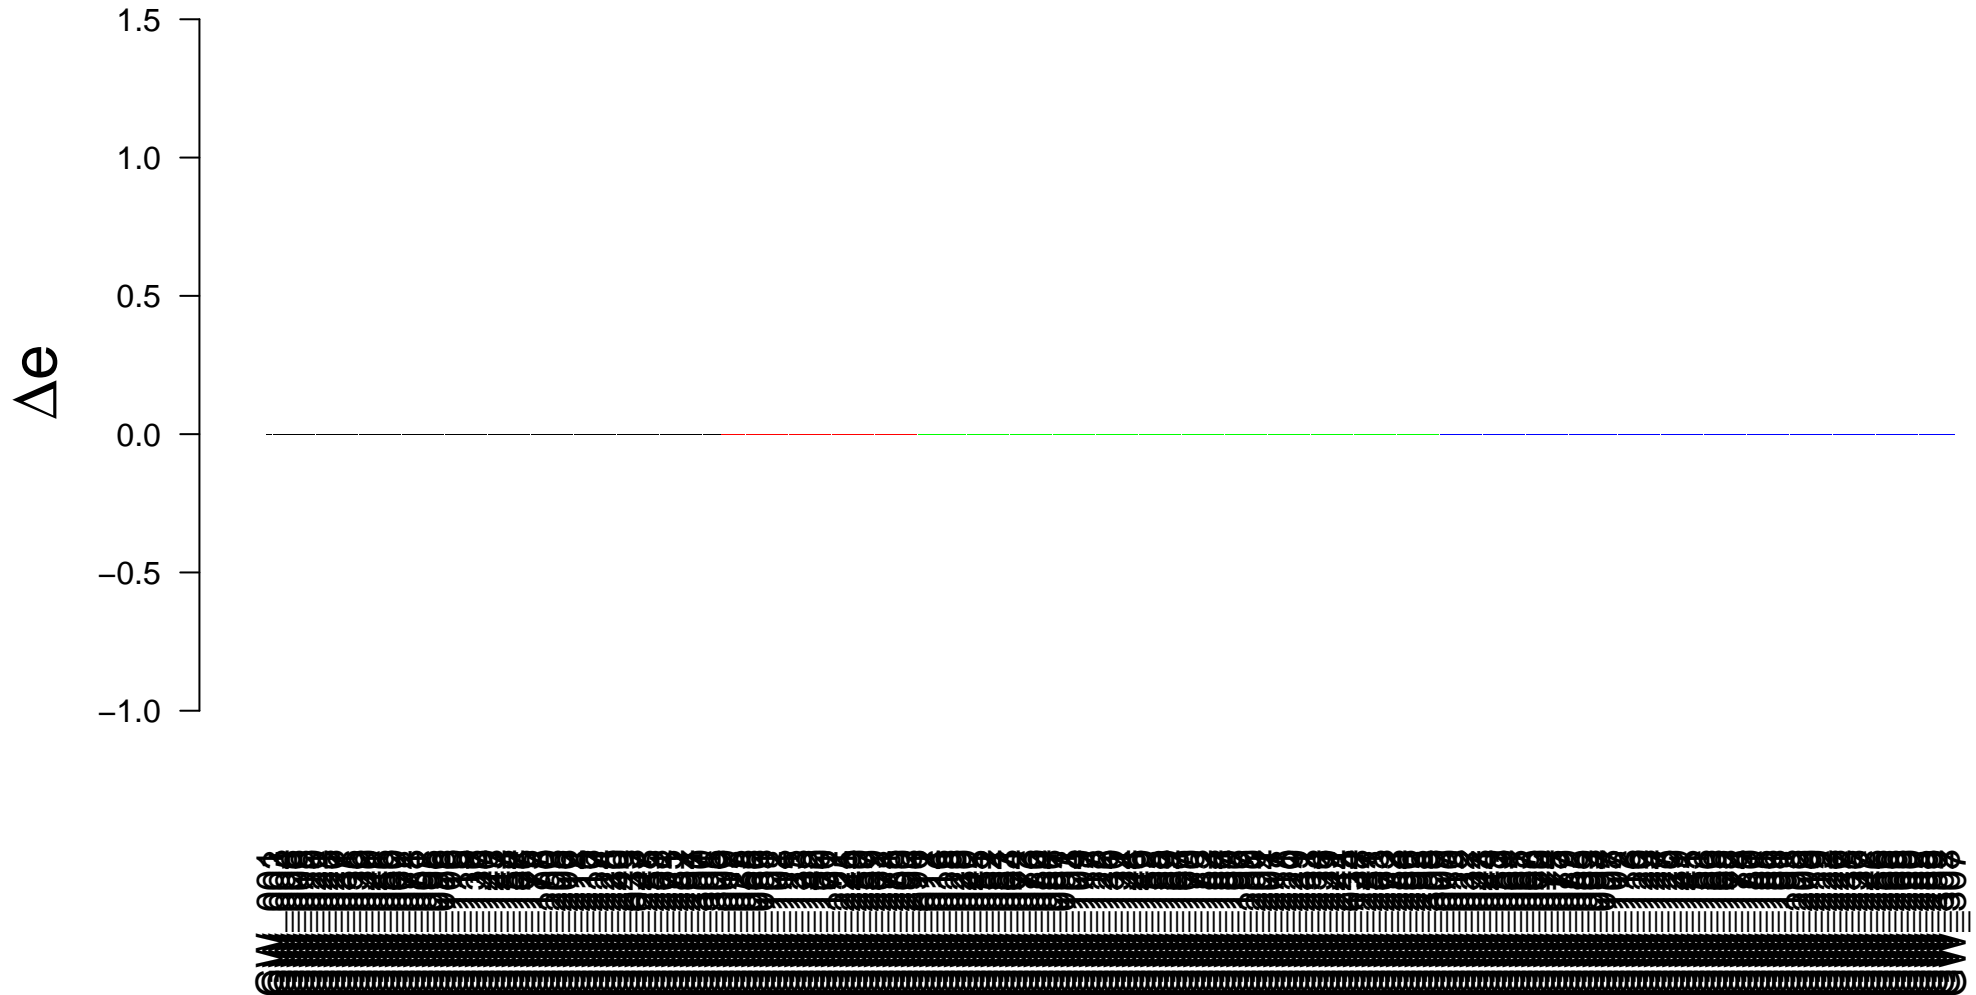

$\Delta e$

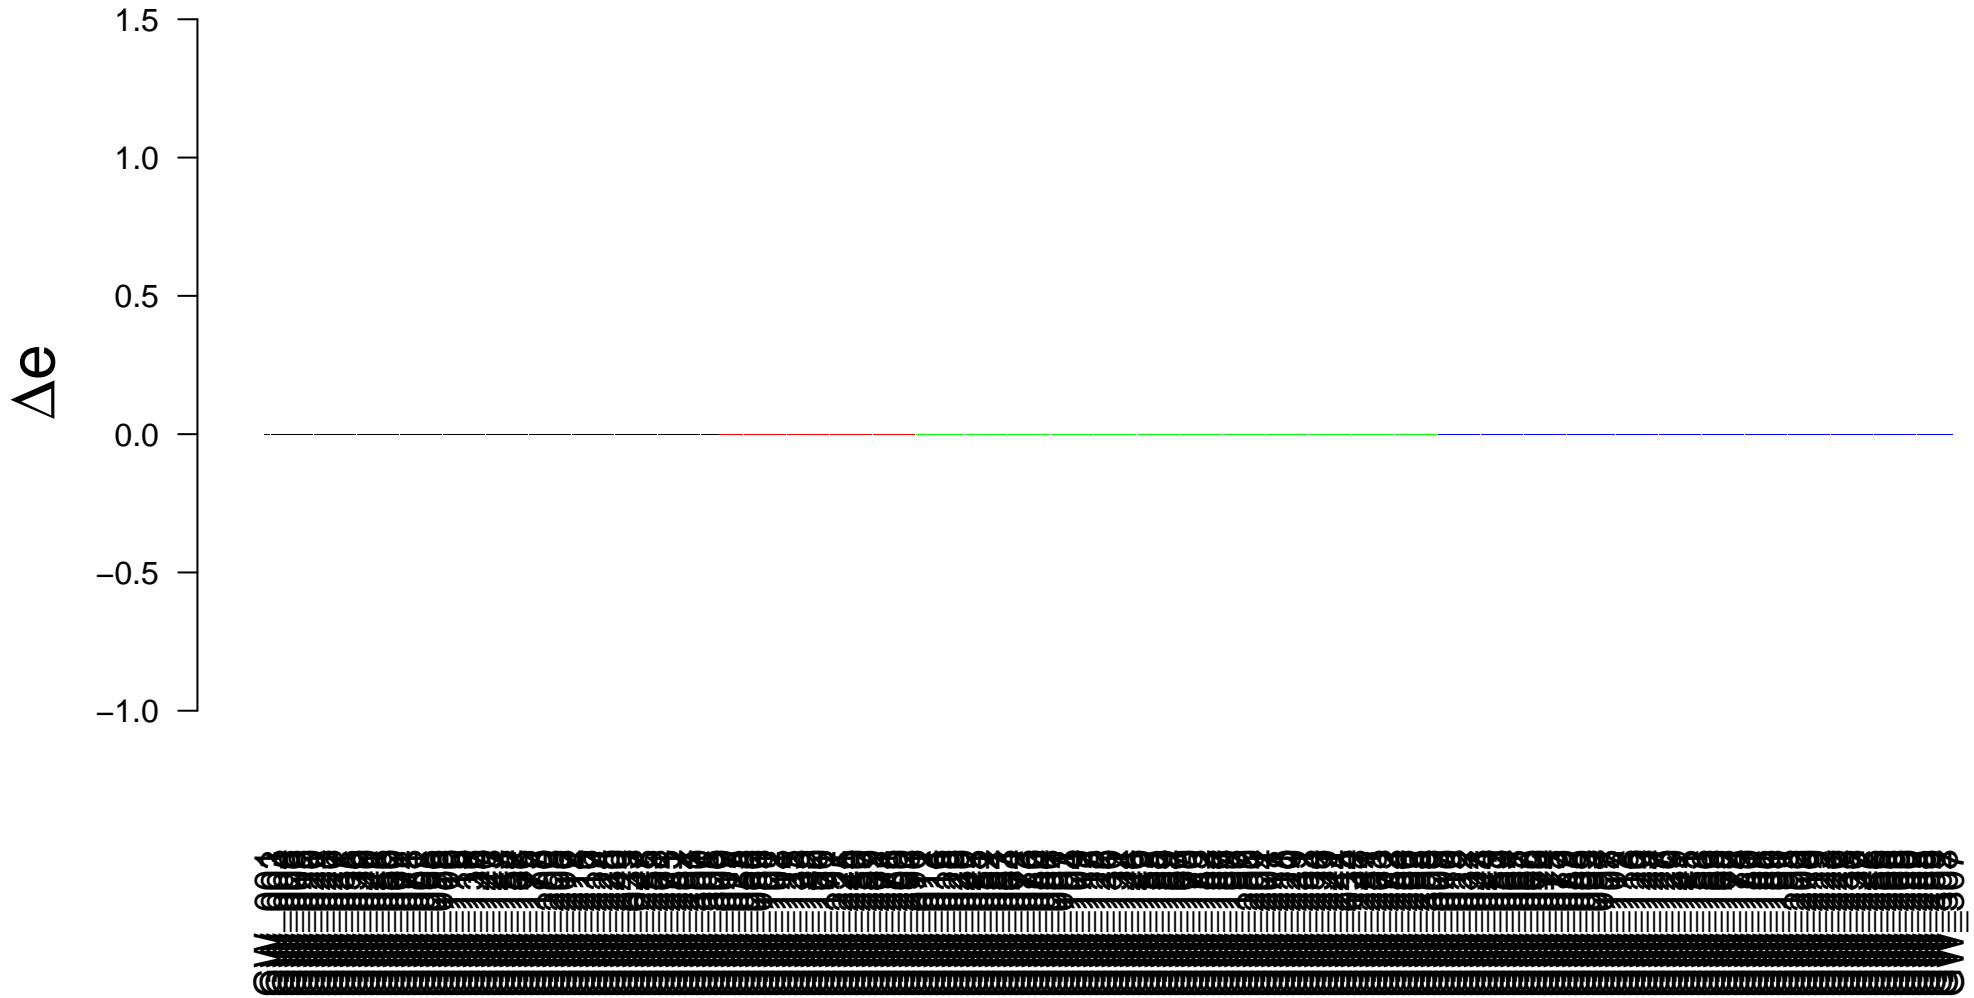

# Expression of execution phase of apoptosis in Spot C

# Expression of execution phase of apoptosis in Spot D

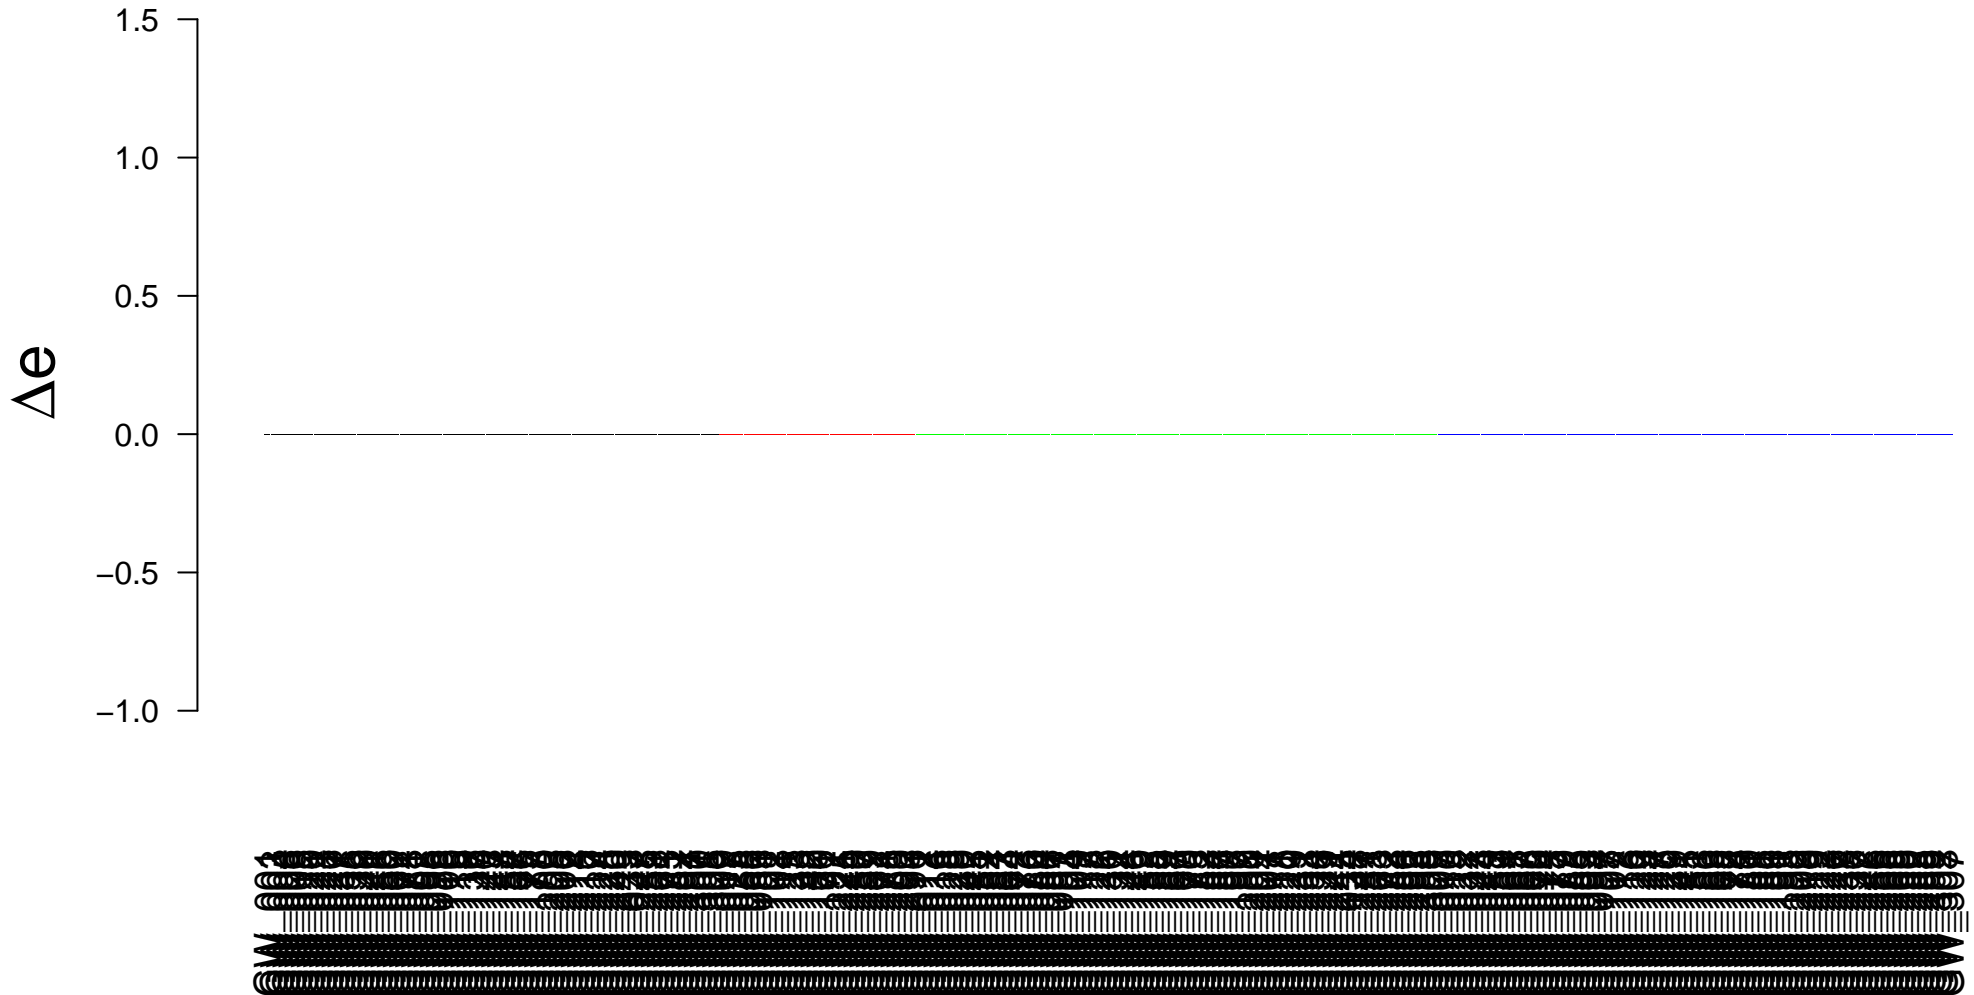

# Expression of execution phase of apoptosis in Spot E

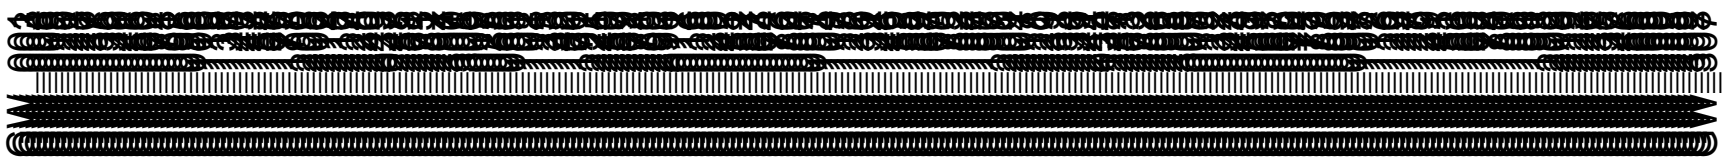

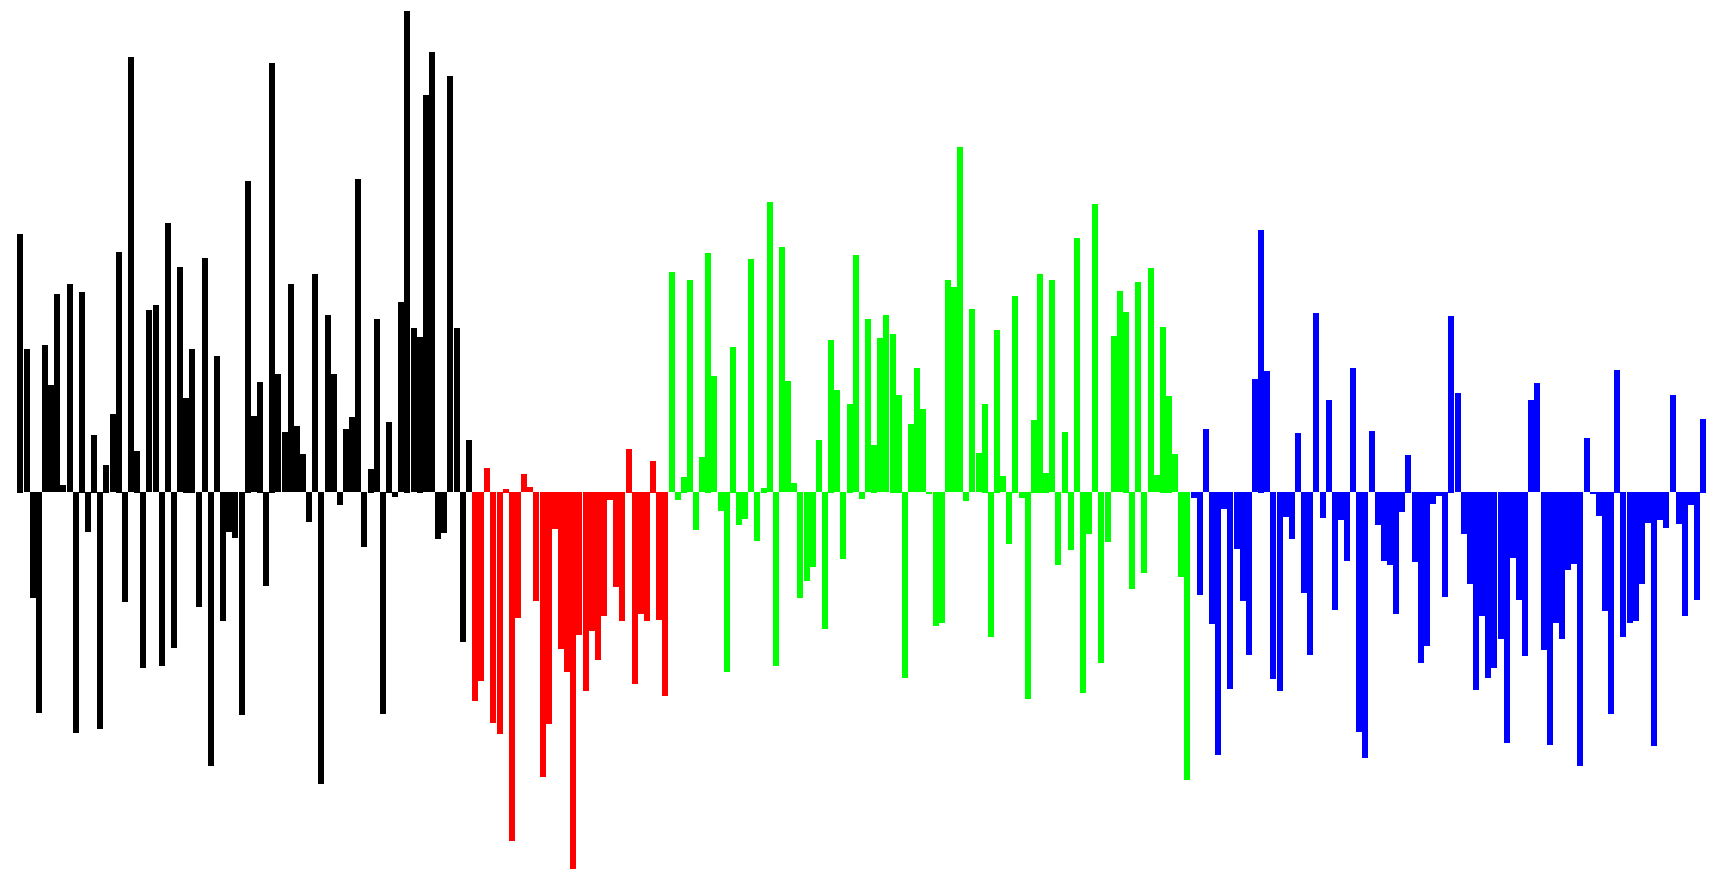

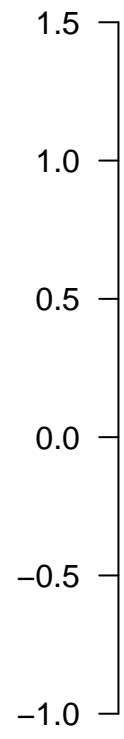

# Expression of execution phase of apoptosis in Spot F

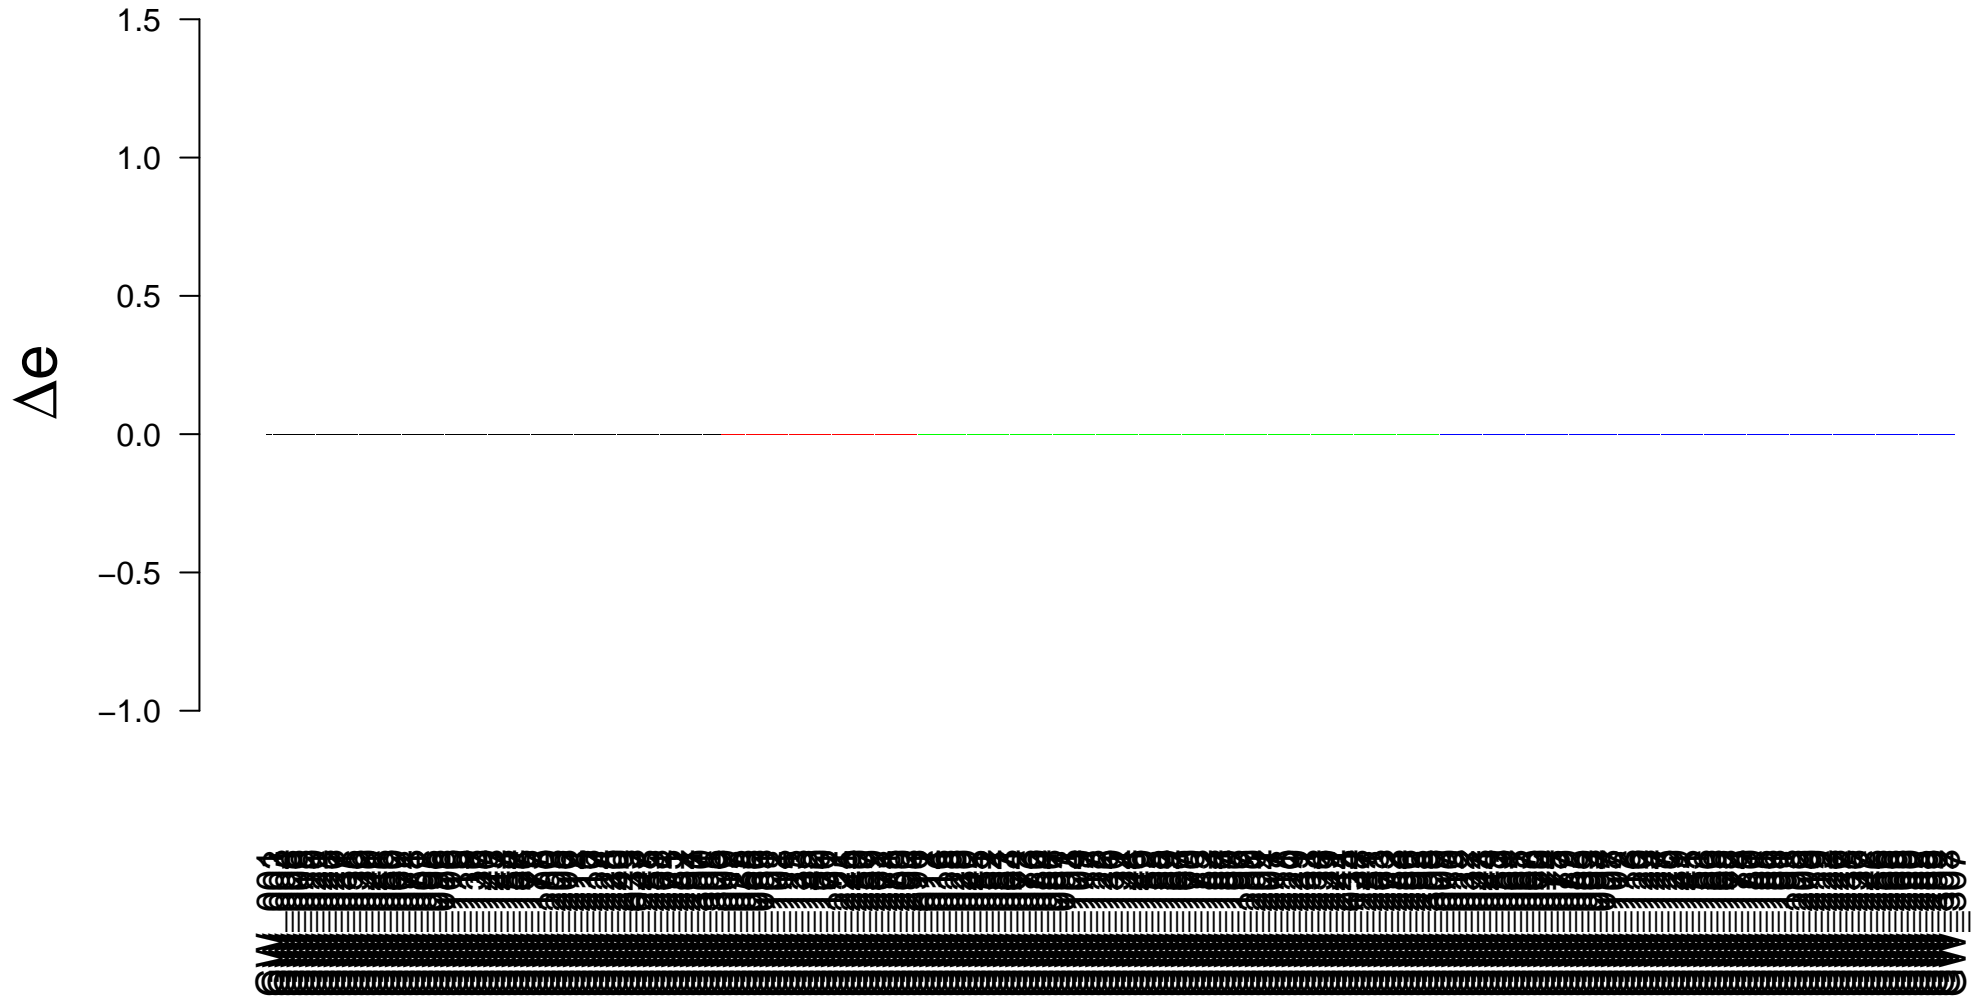

# Expression of execution phase of apoptosis in Spot G

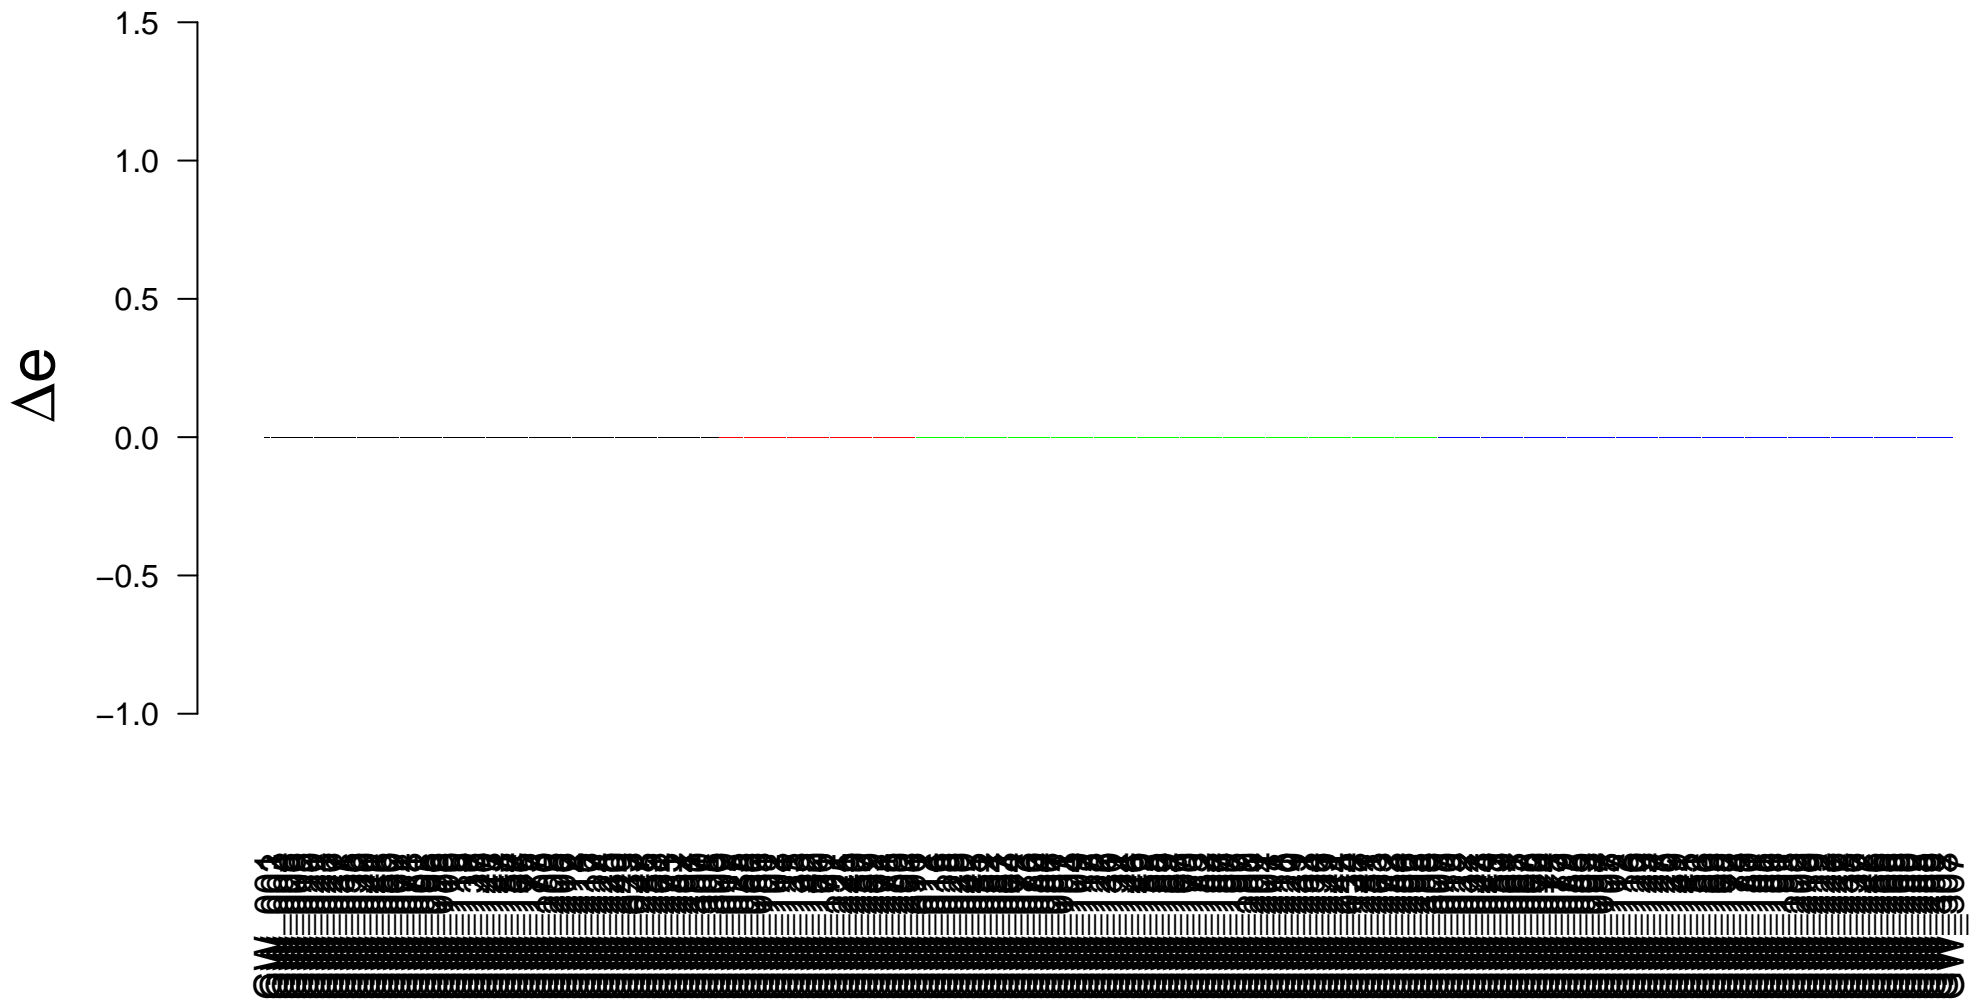

$\Delta e$

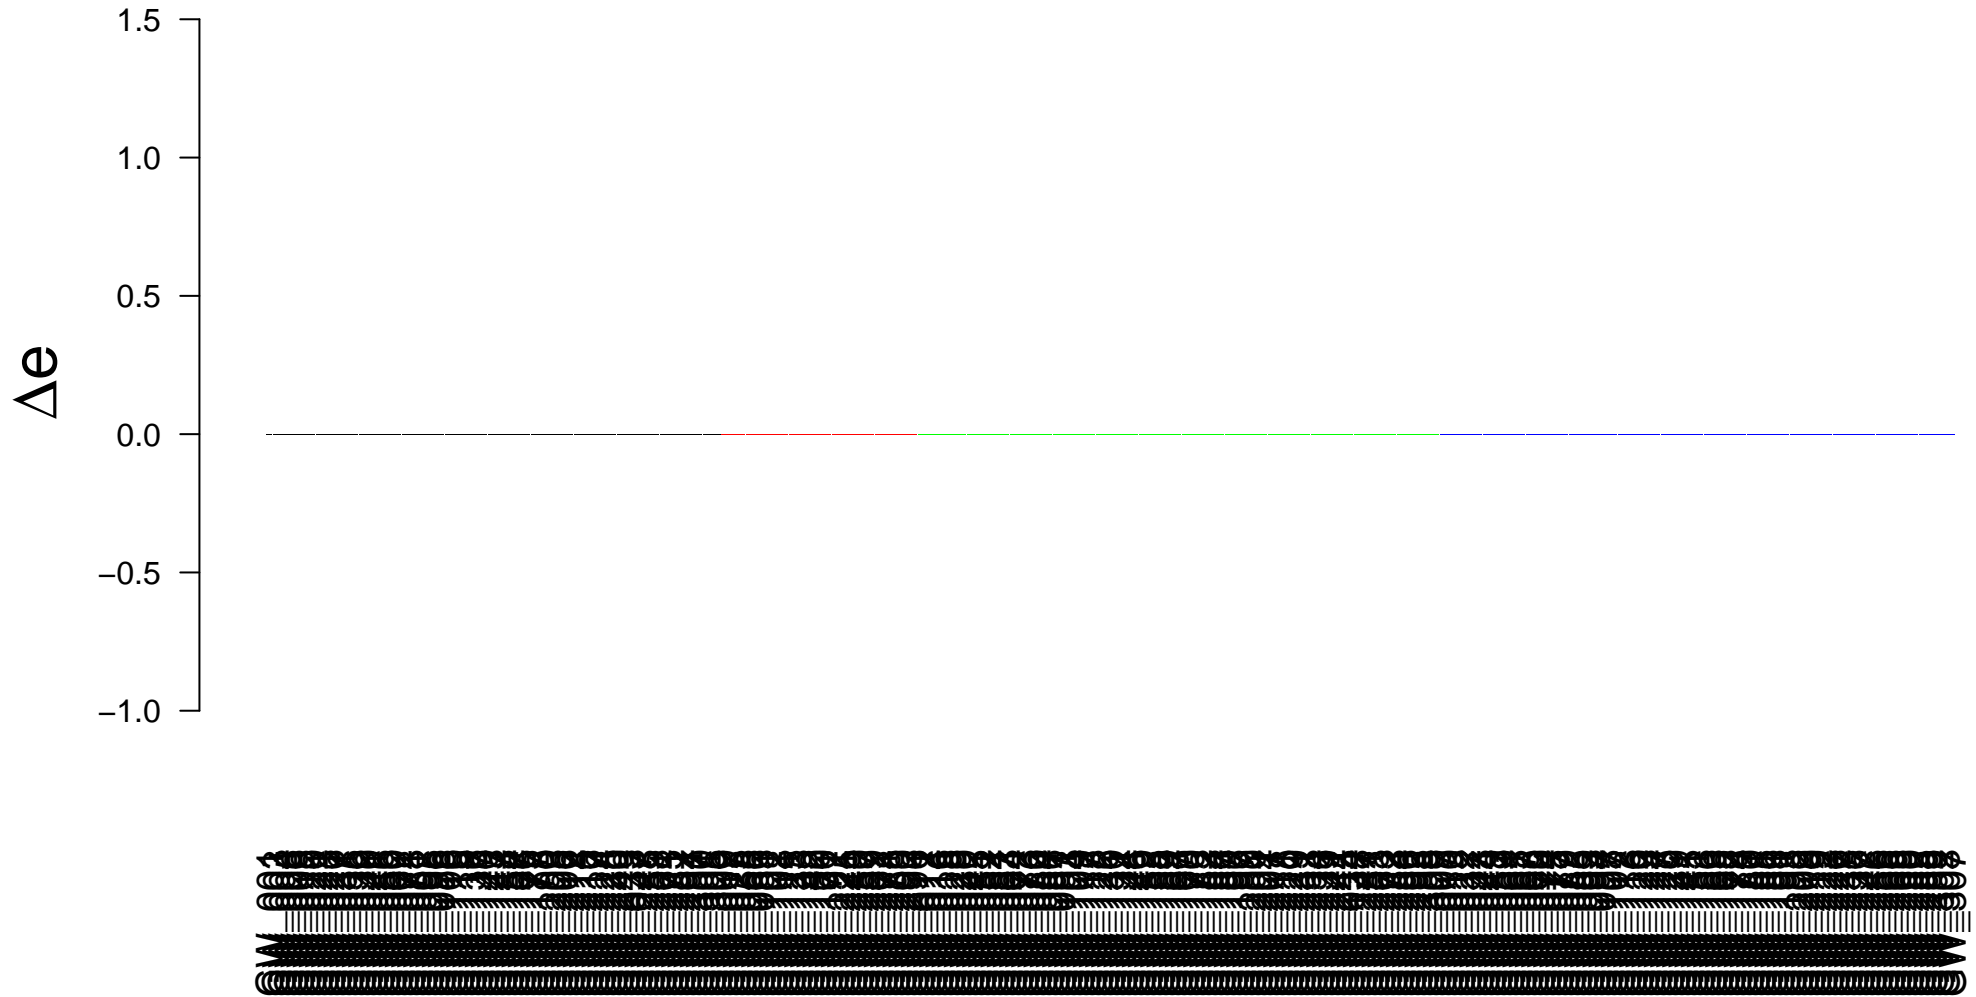

# Expression of execution phase of apoptosis in Spot H

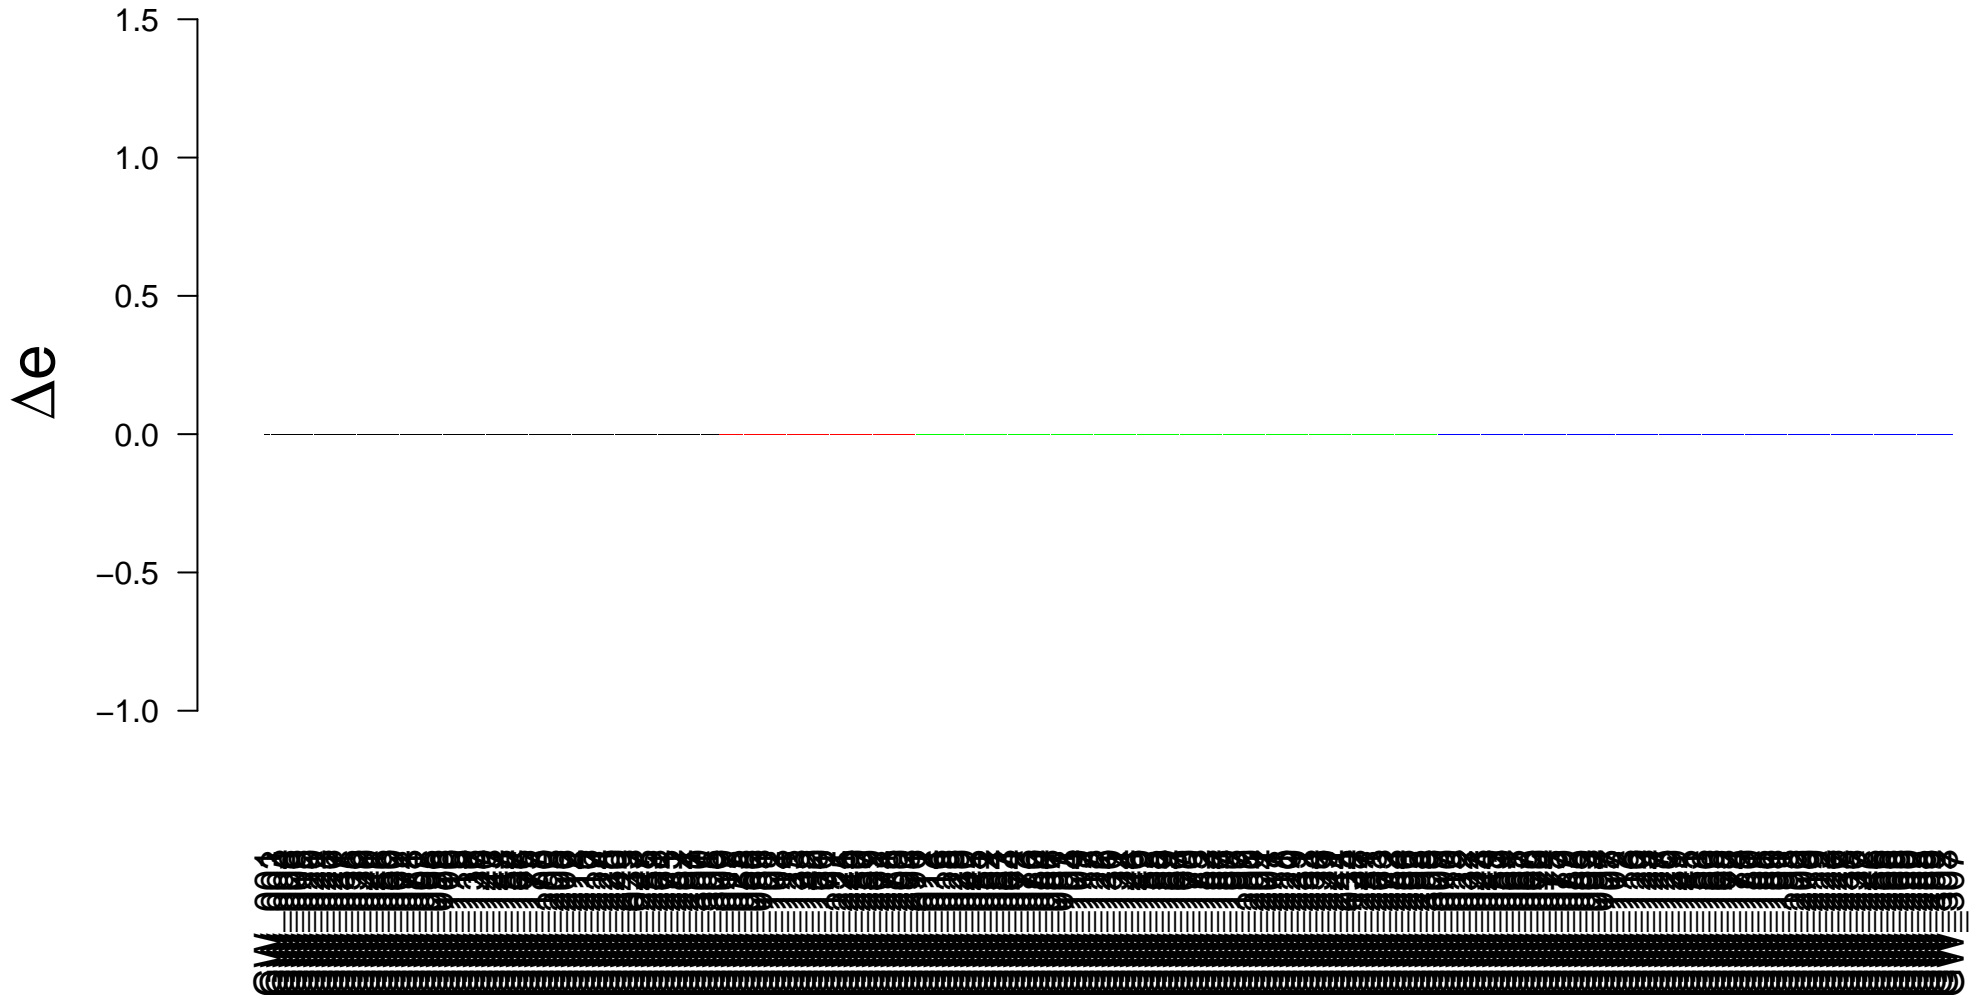

# Expression of execution phase of apoptosis in Spot I

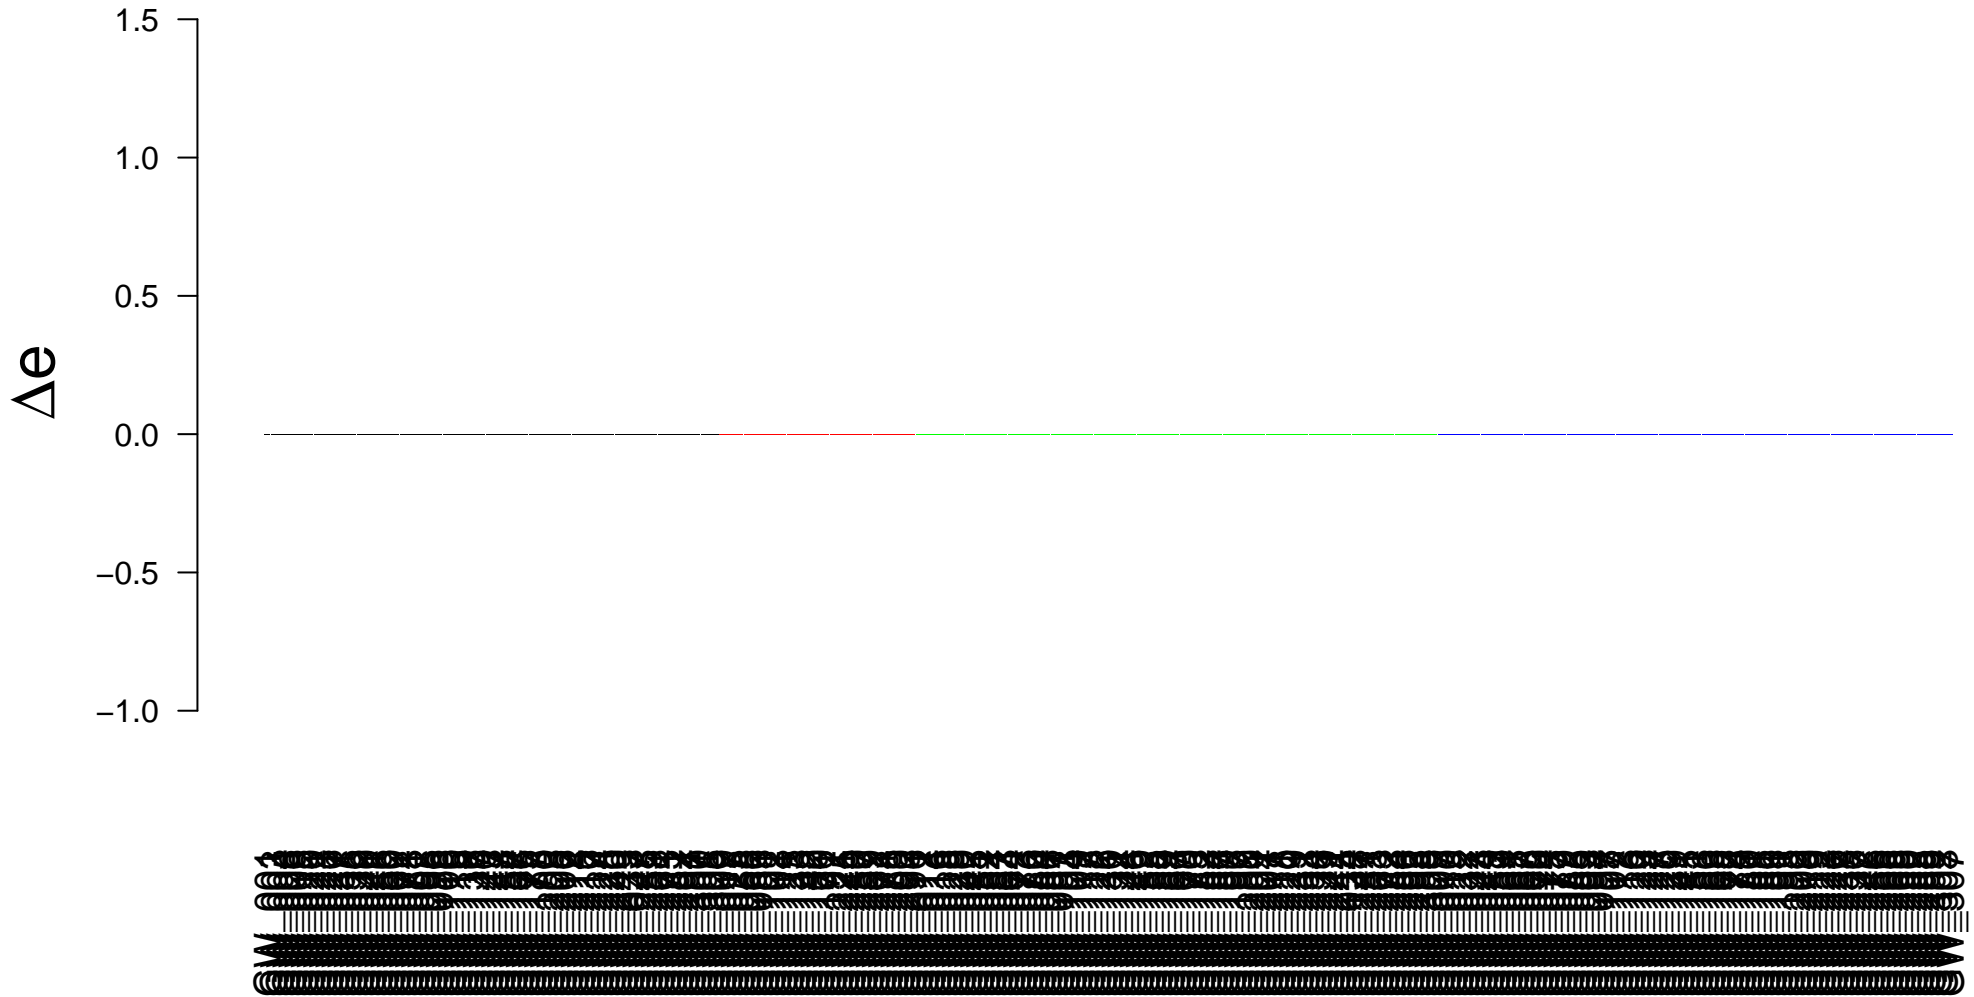

# Expression of execution phase of apoptosis in Spot J

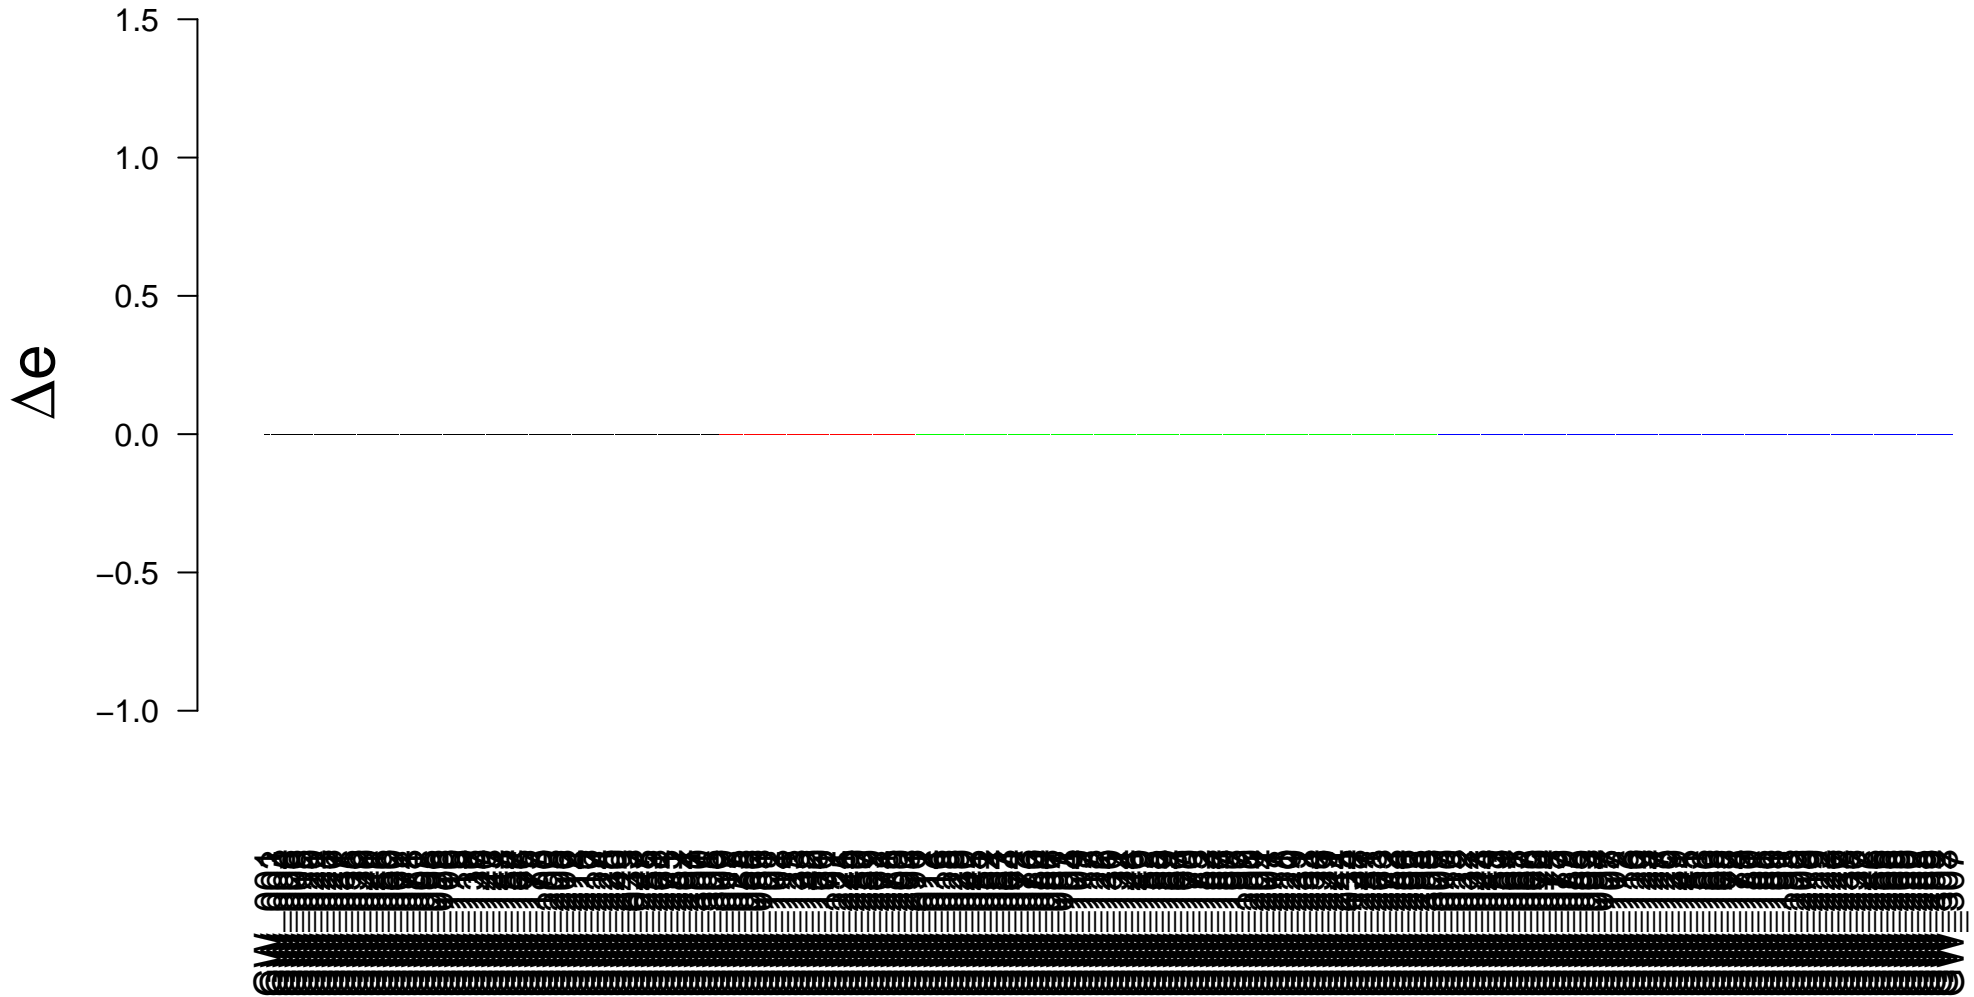

# Expression of execution phase of apoptosis in Spot K

# Expression of execution phase of apoptosis in Spot L

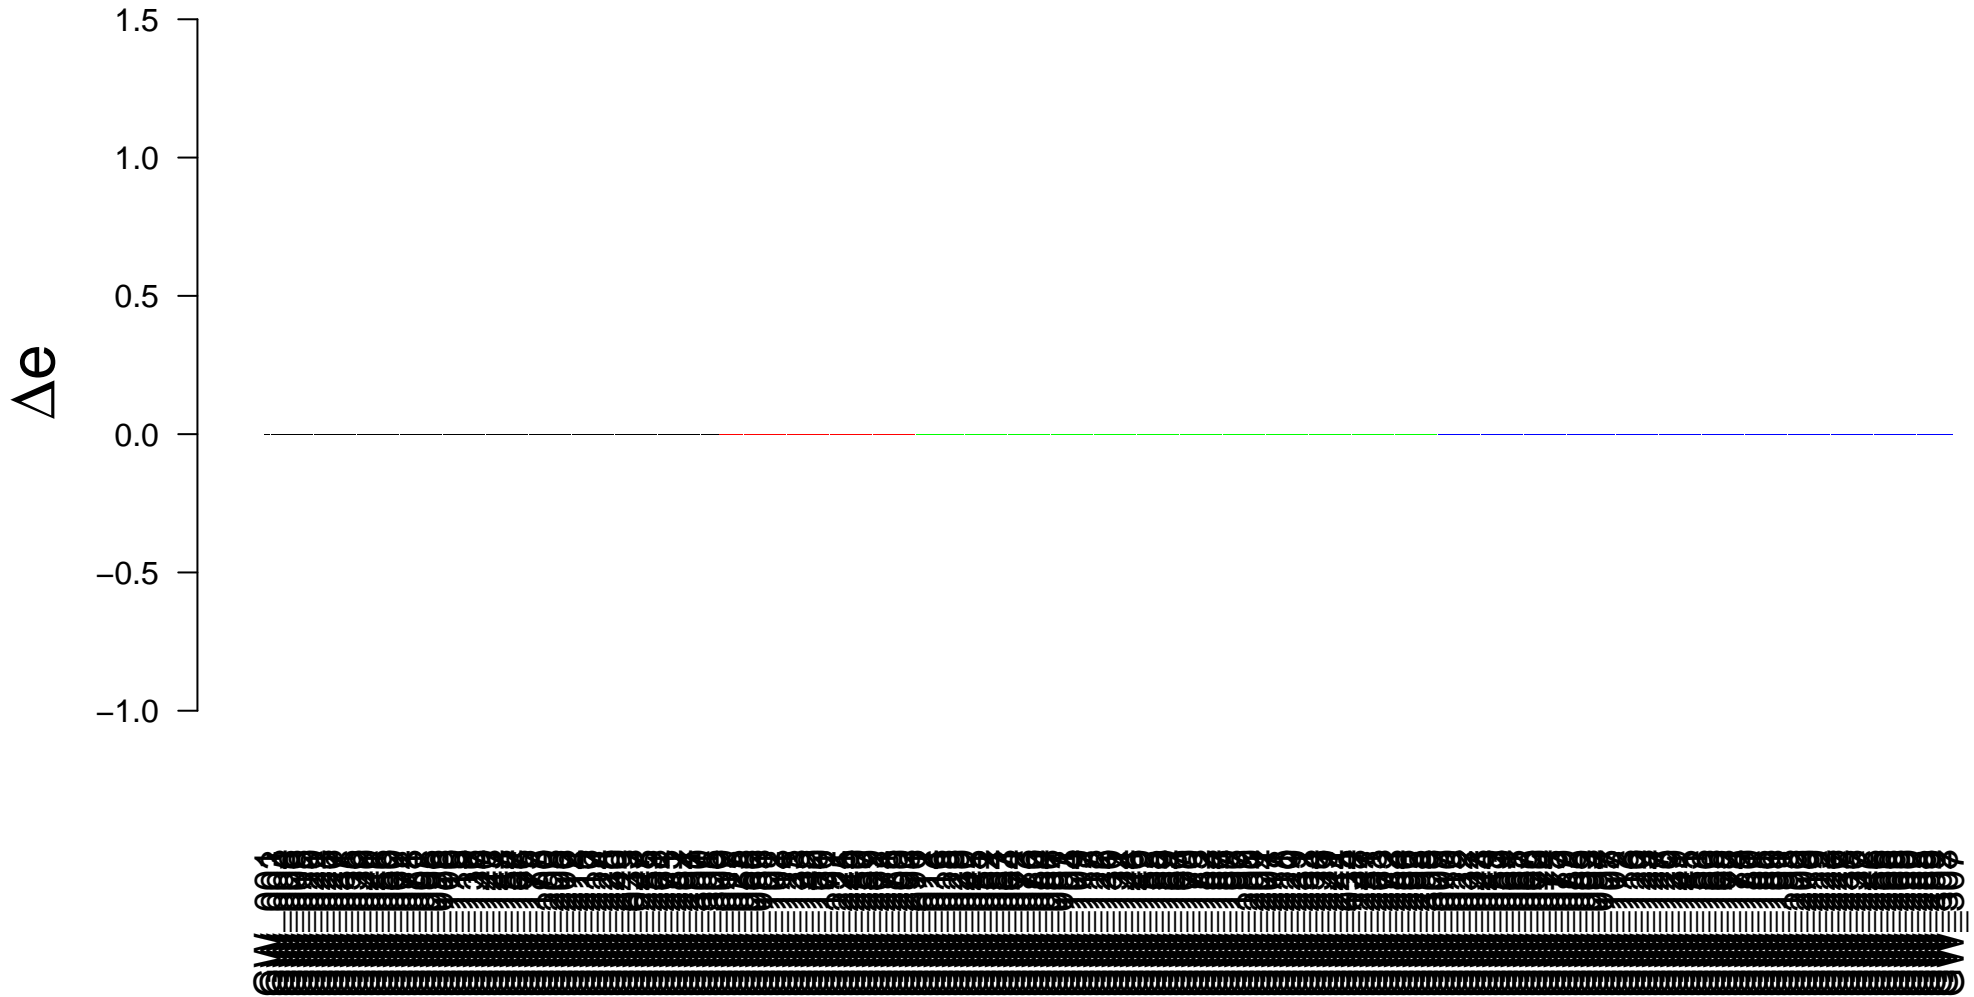

# Expression of execution phase of apoptosis in Spot M

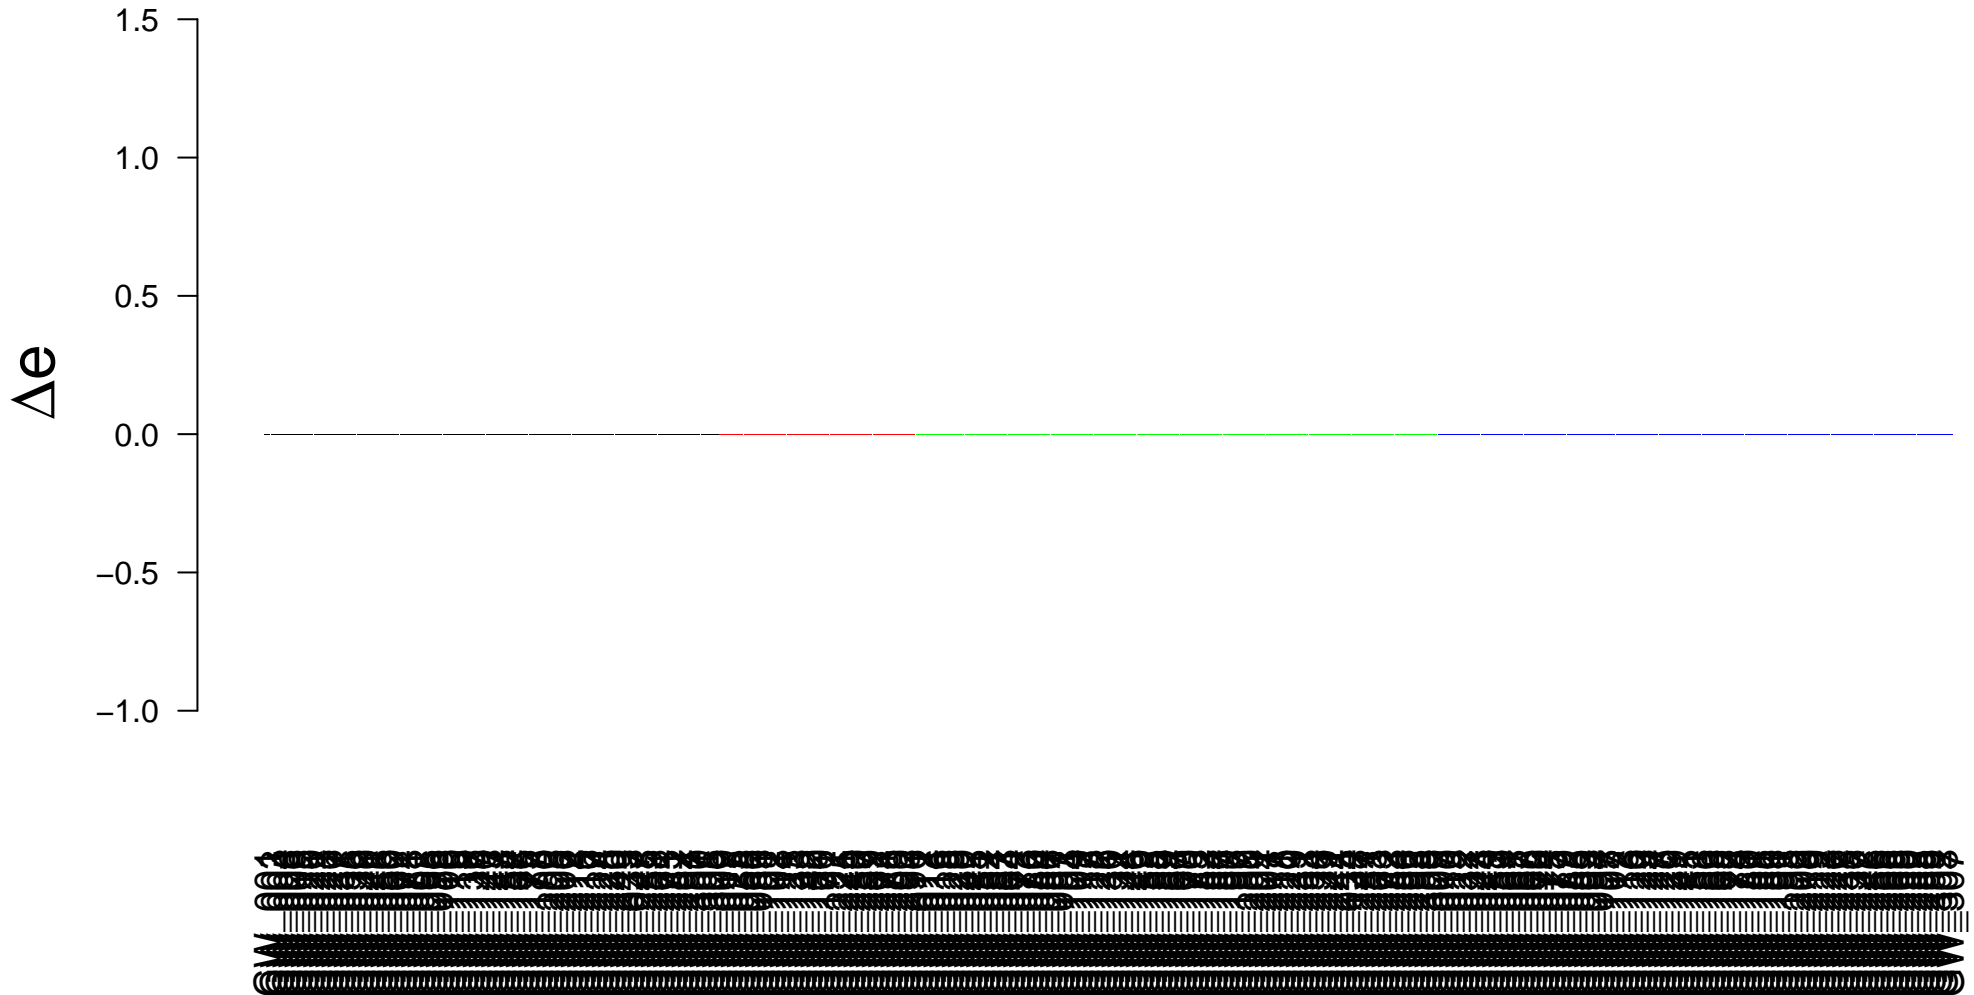

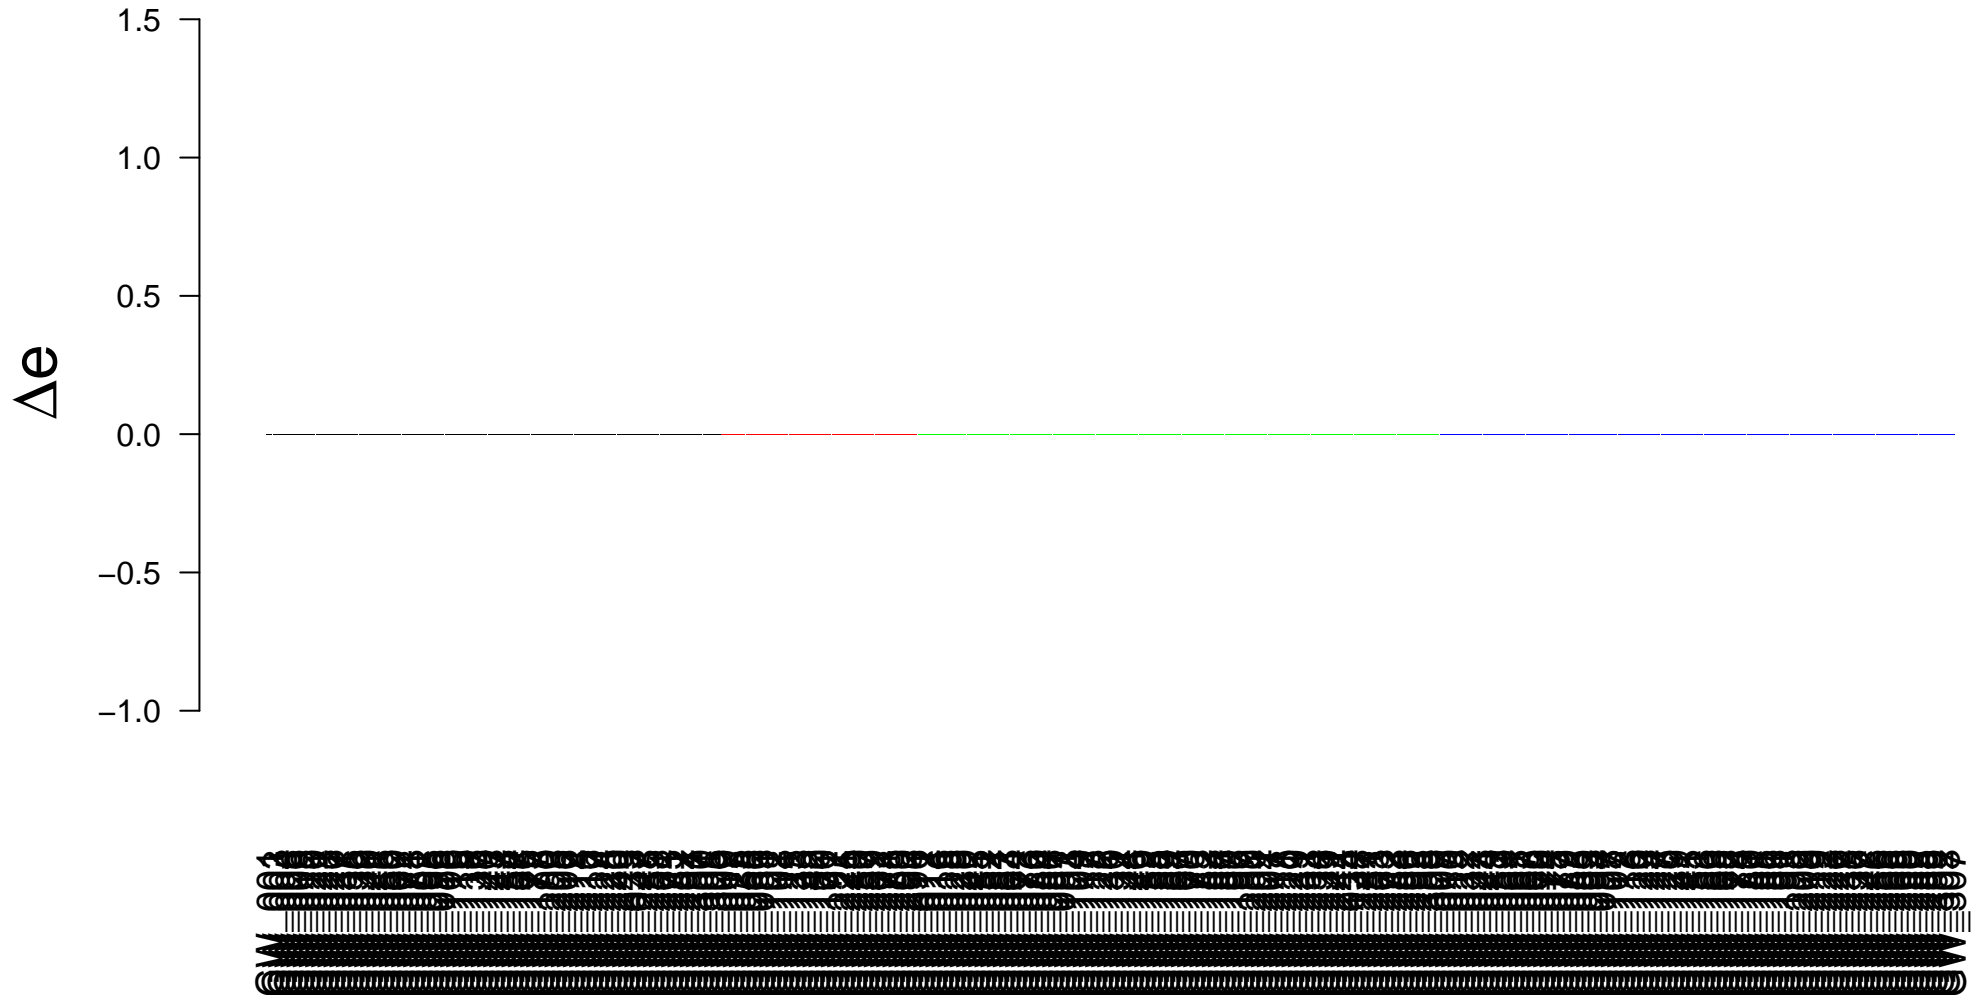

# Expression of execution phase of apoptosis in Spot N

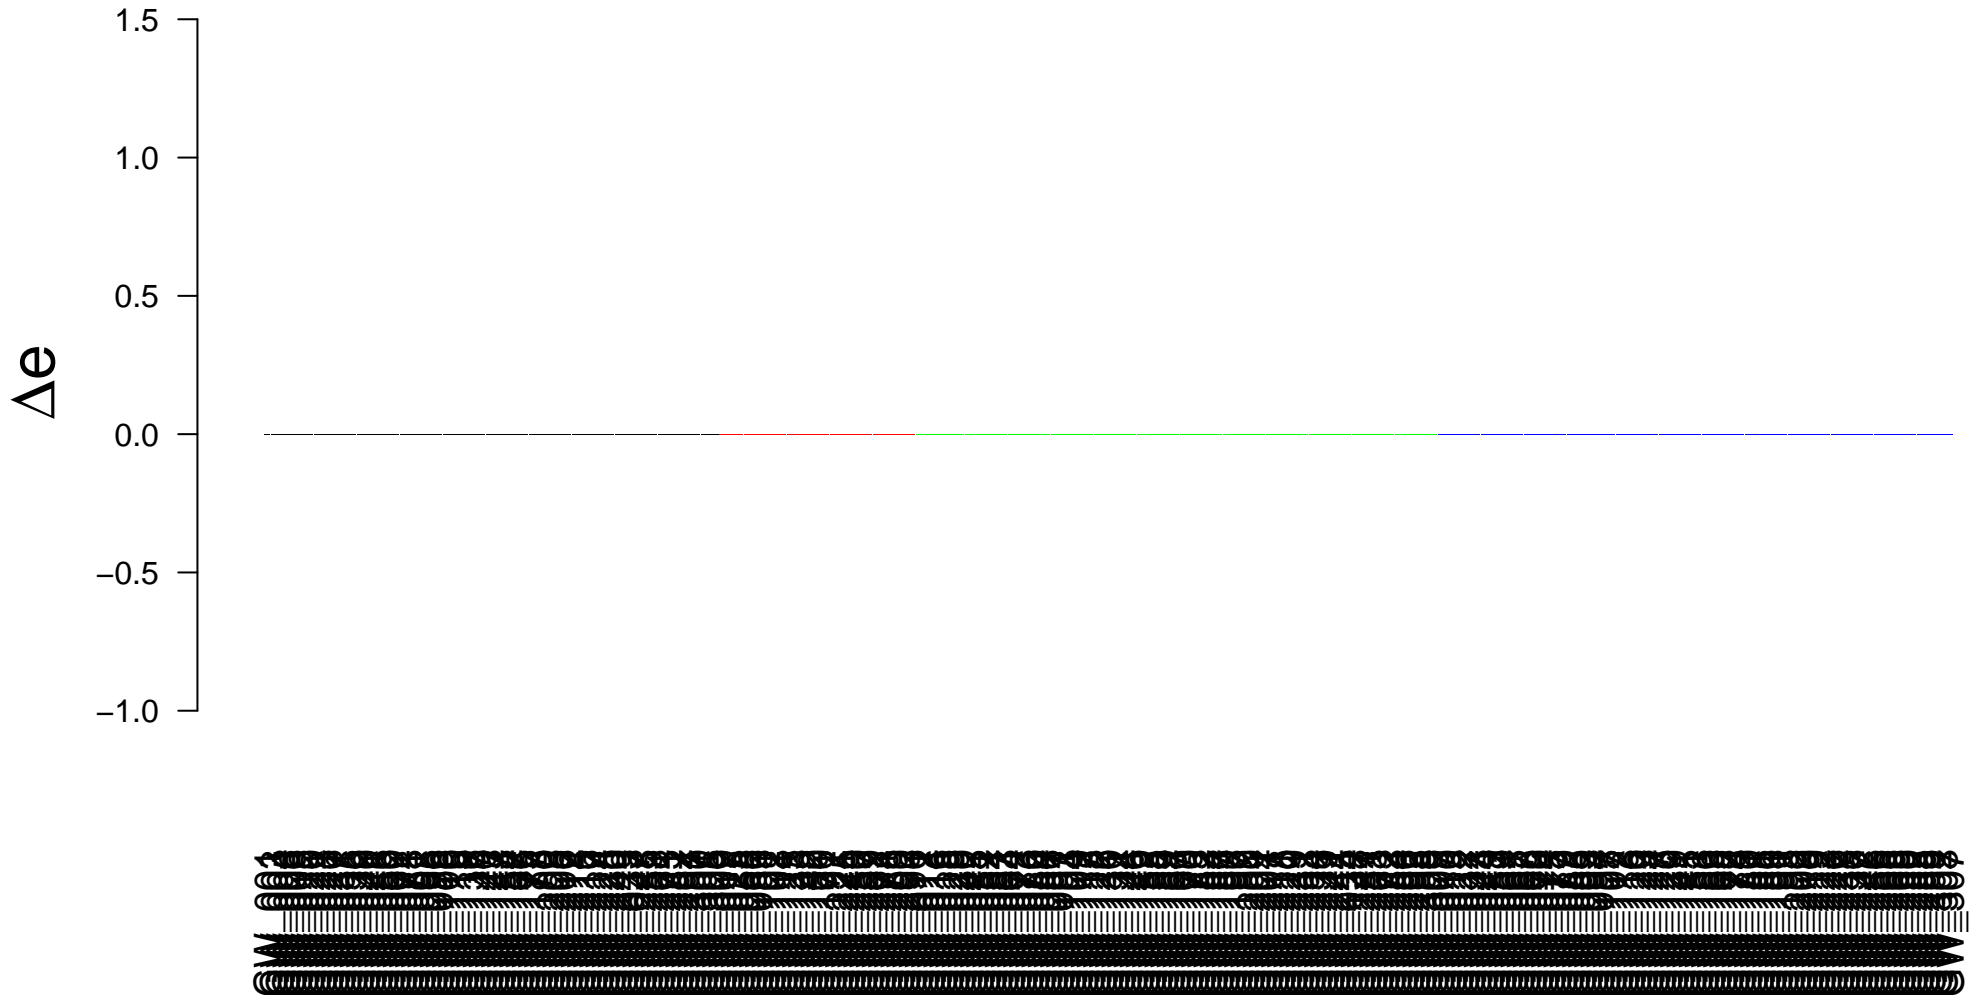

# Expression of execution phase of apoptosis in Spot O

# Expression of execution phase of apoptosis in Spot P

# Expression of execution phase of apoptosis in Spot Q

# Expression of execution phase of apoptosis in Spot R
