

exosome (RNase complex)

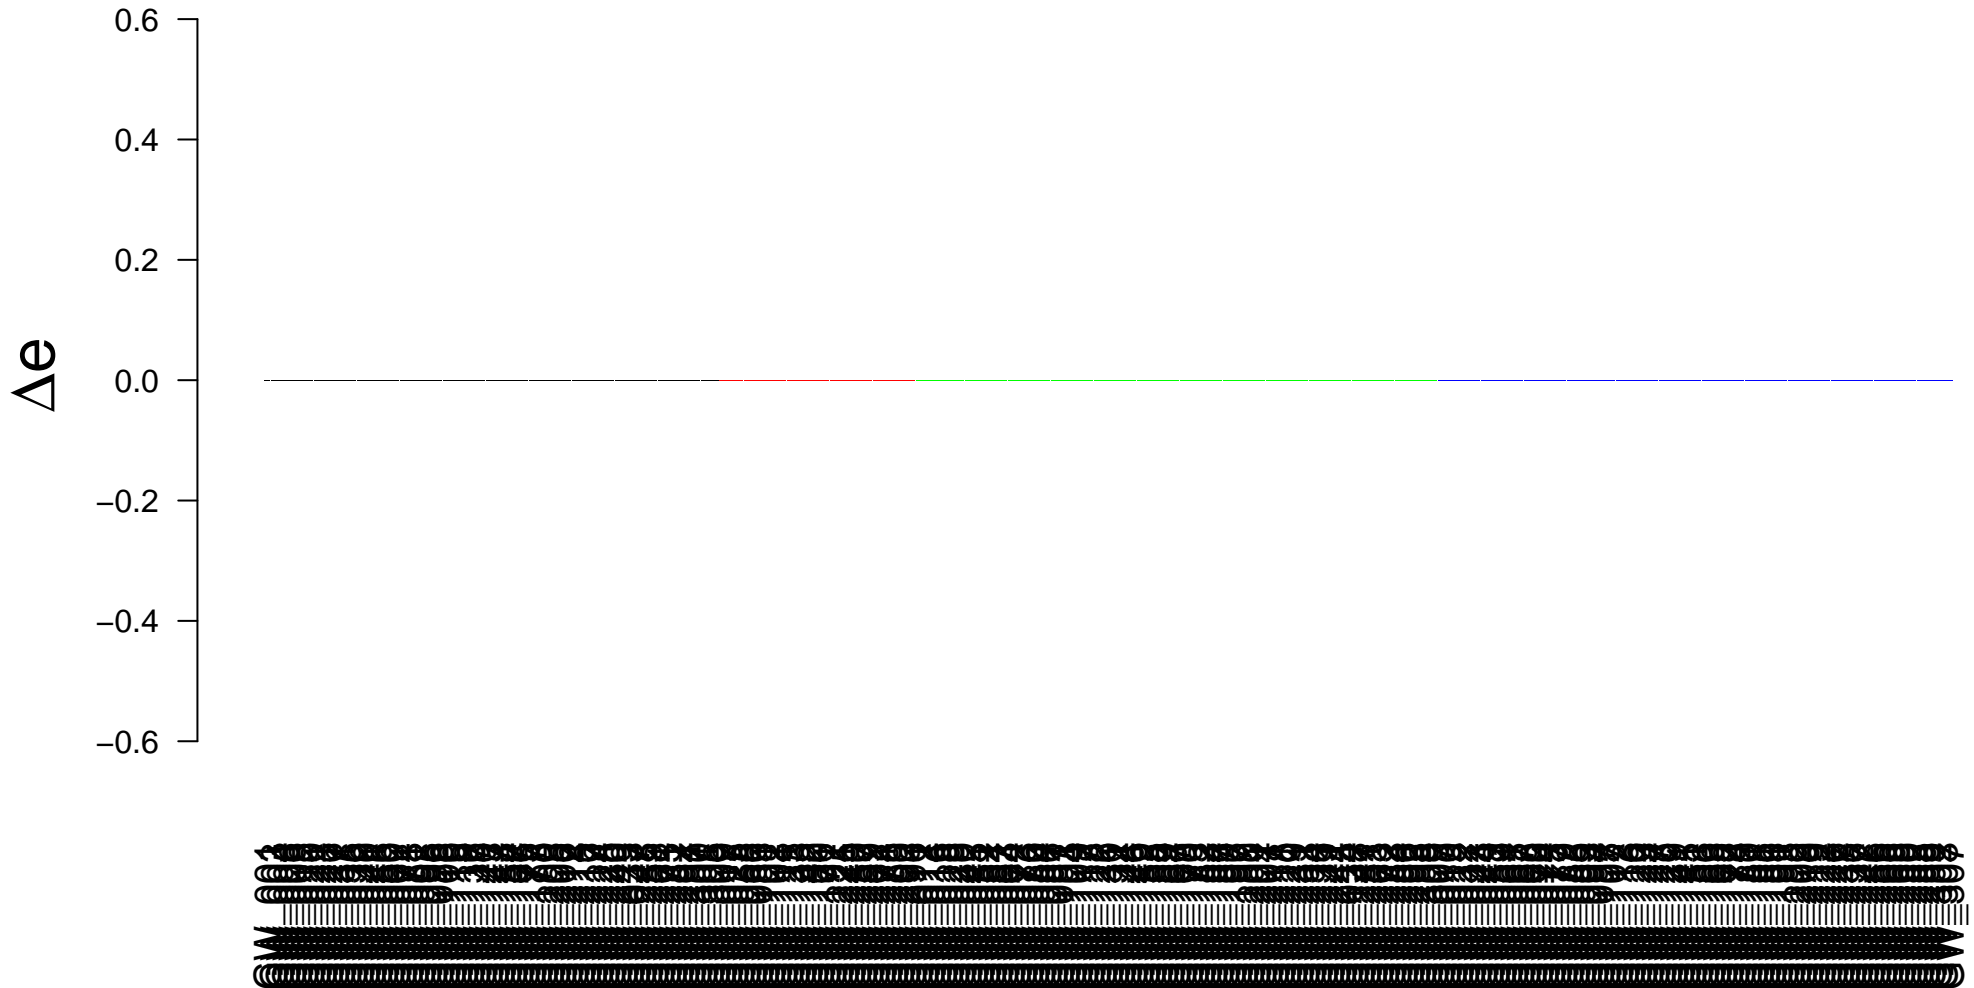

exosome (RNase complex)

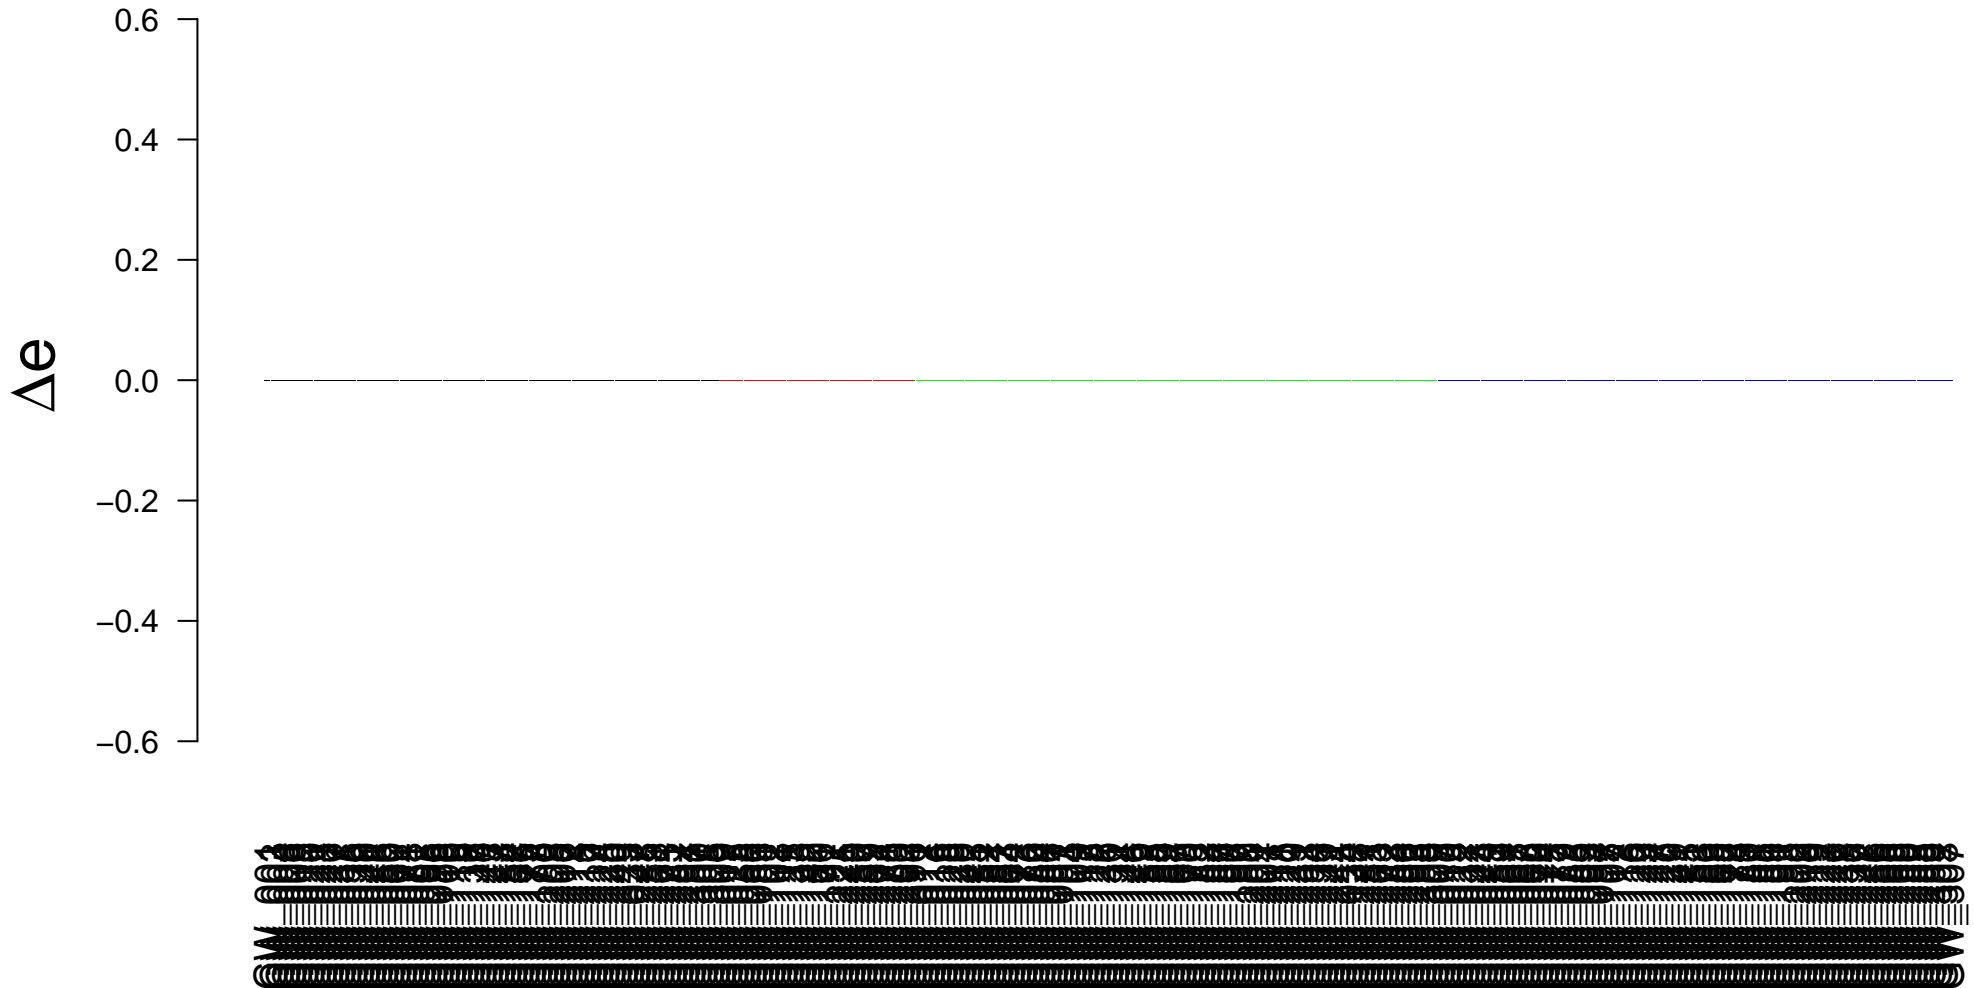

Enrichment in spots: exosome (RNase complex)

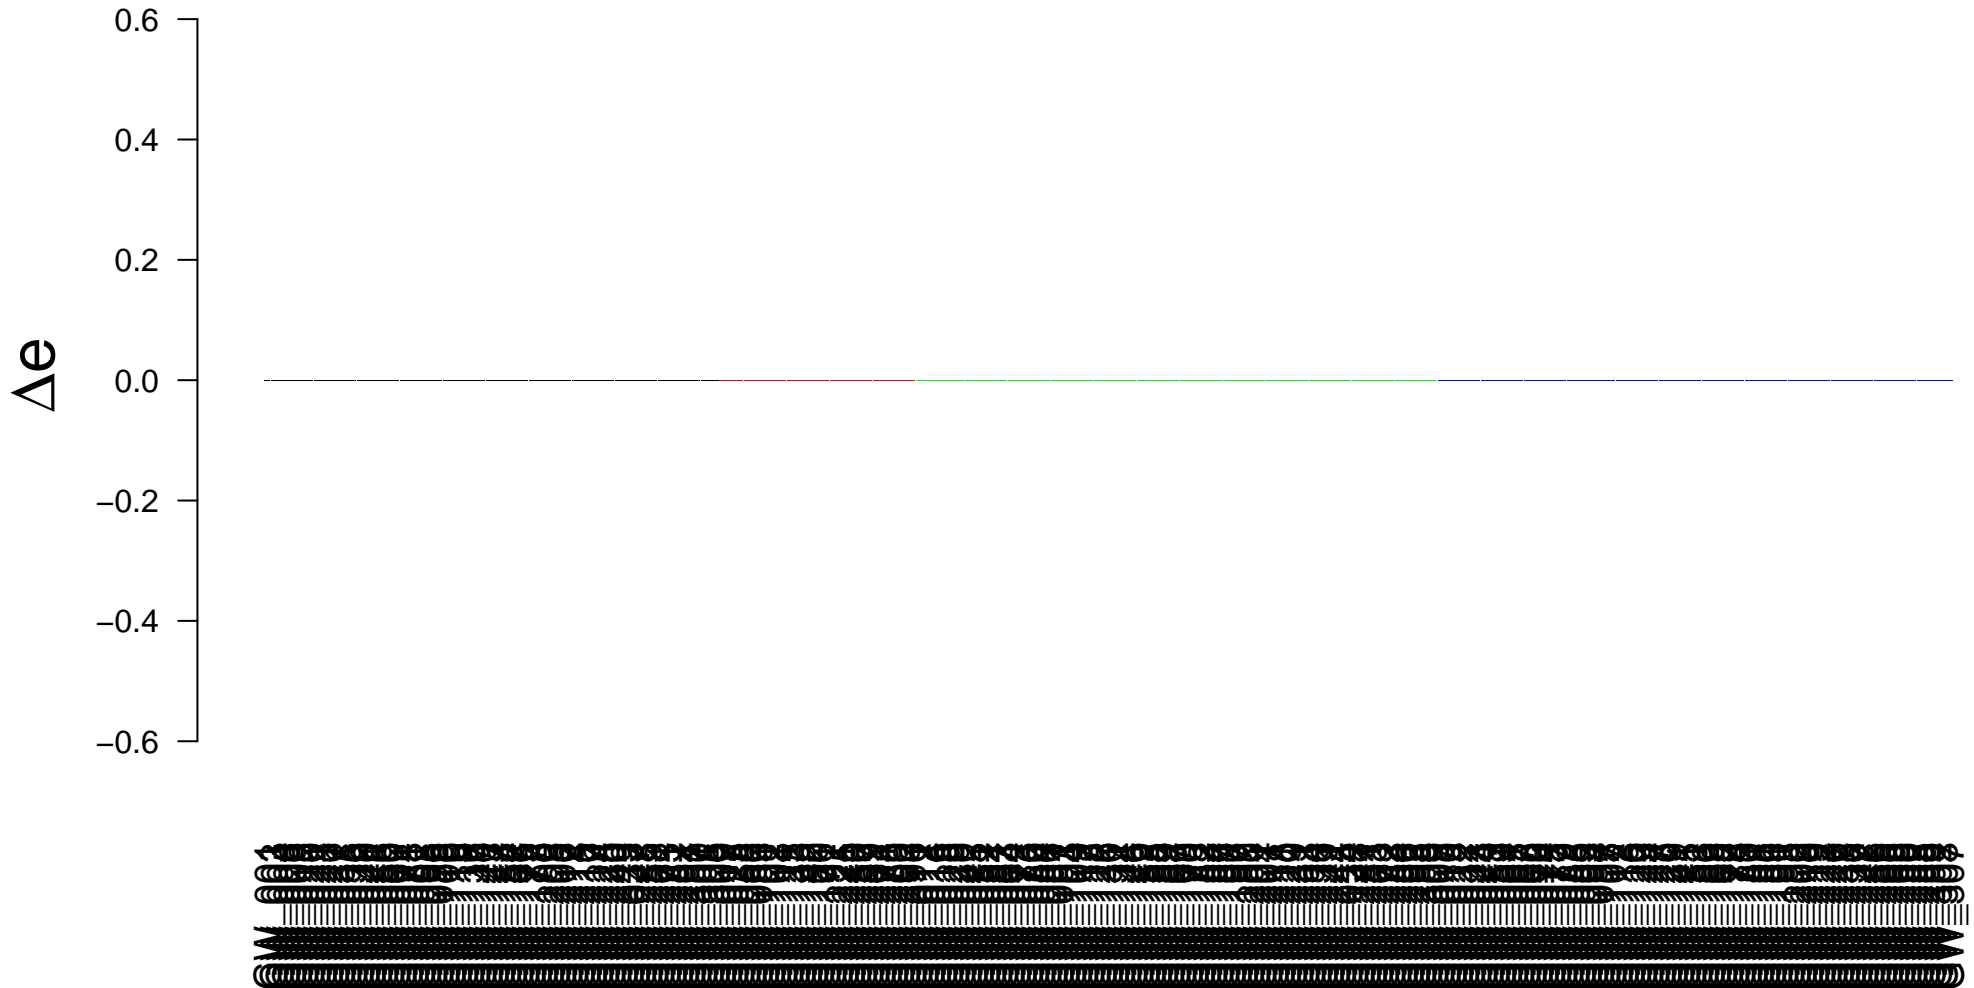

Expression of exosome (RNase complex) in Spot A

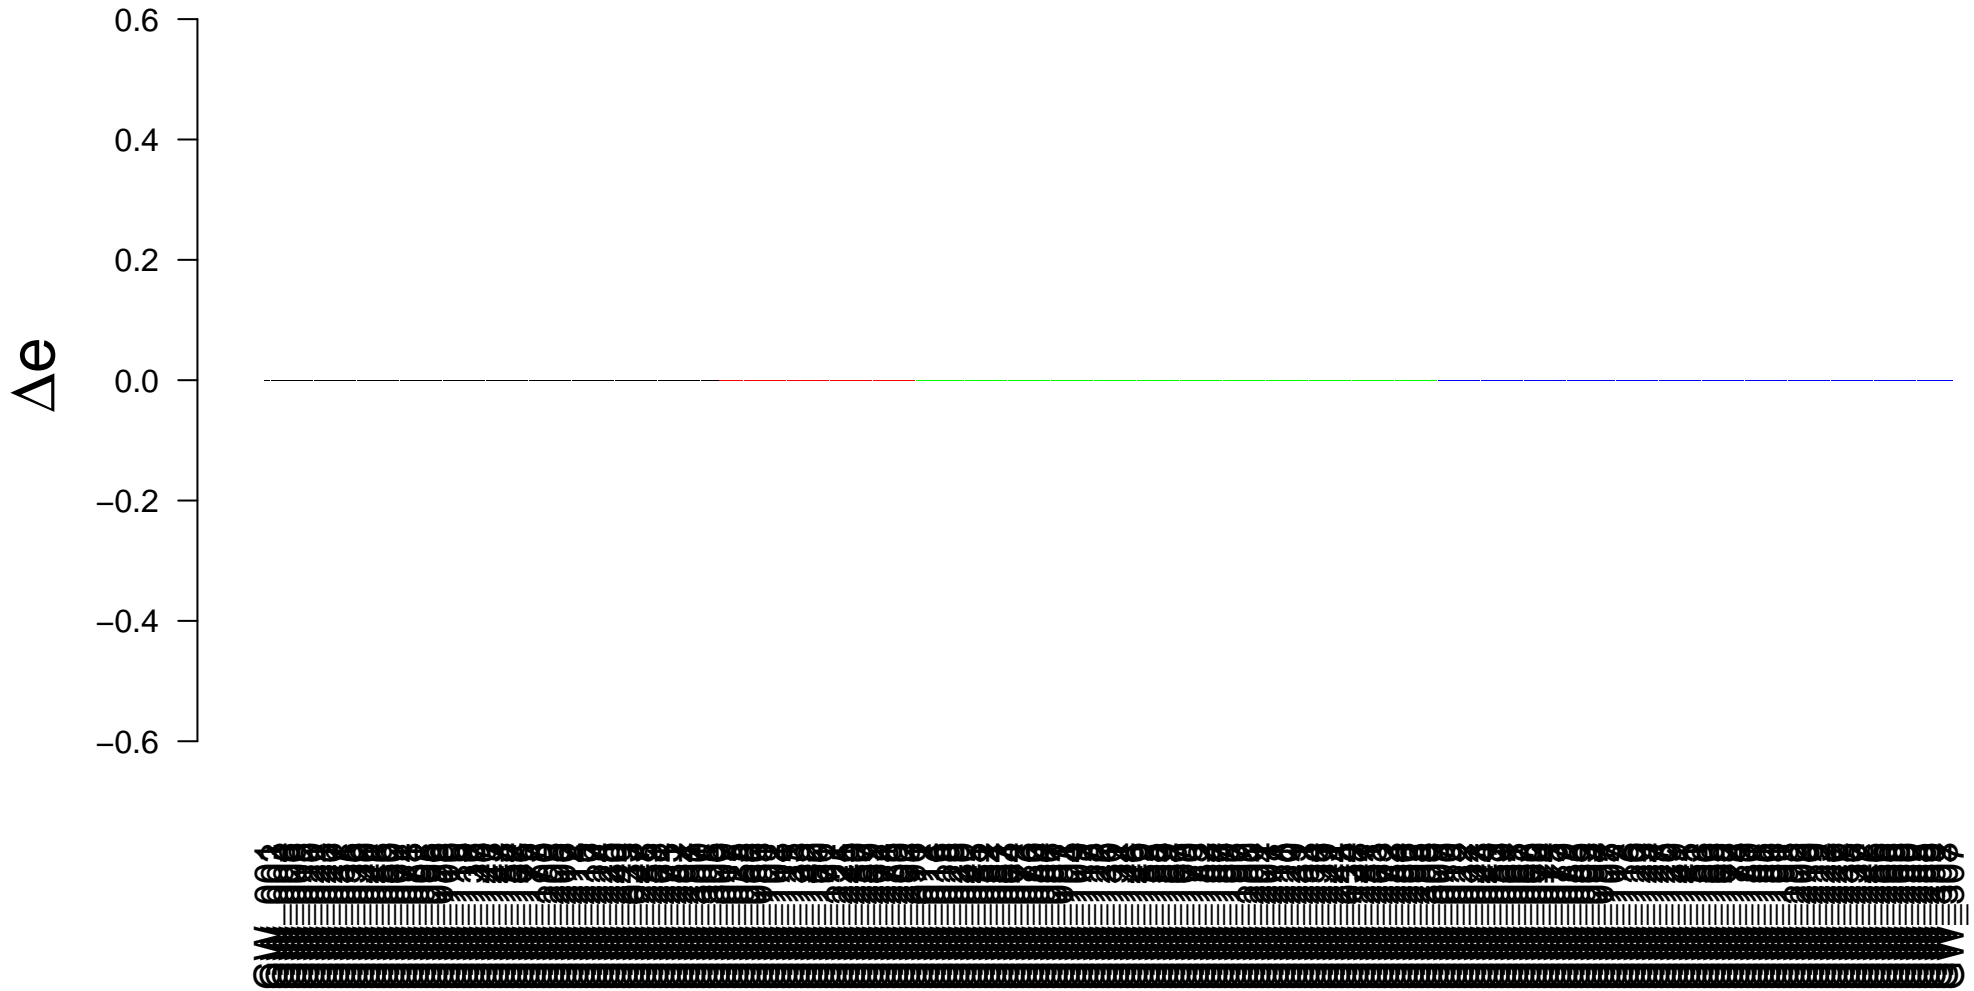

Expression of exosome (RNase complex) in Spot B

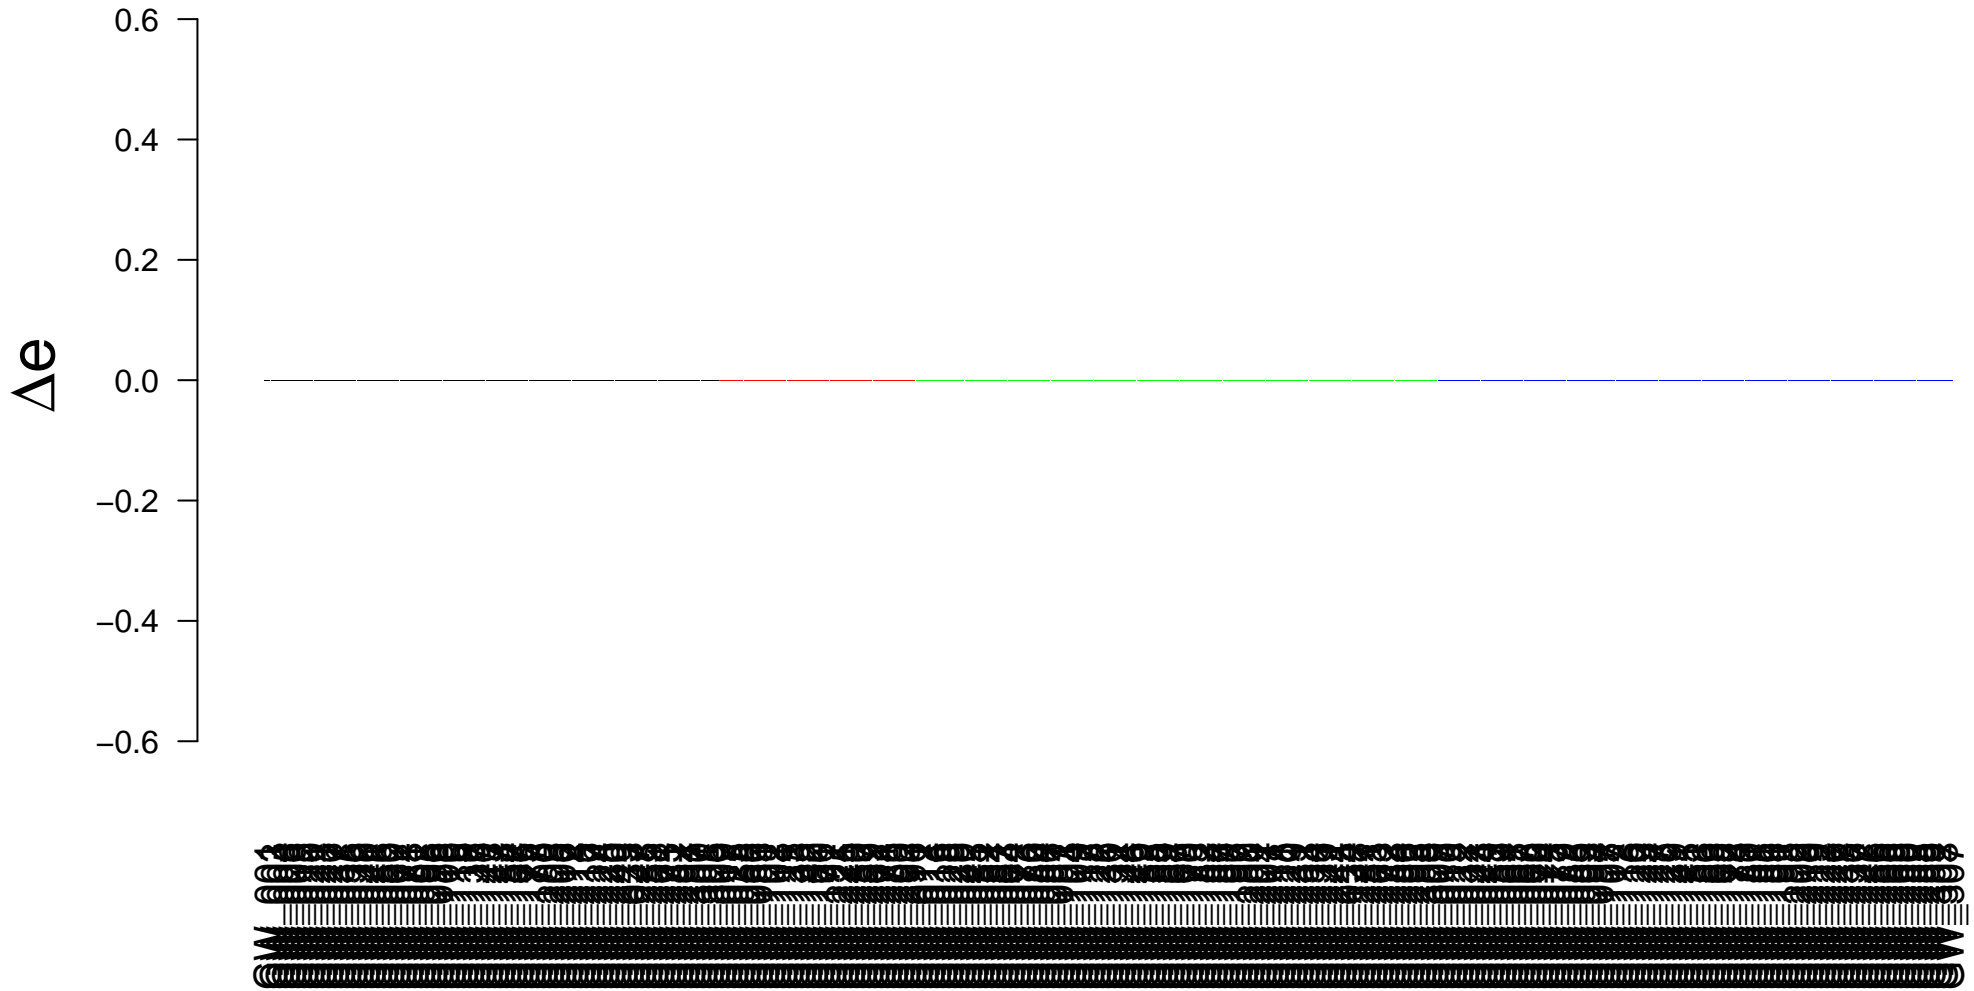

Expression of exosome (RNase complex) in Spot C

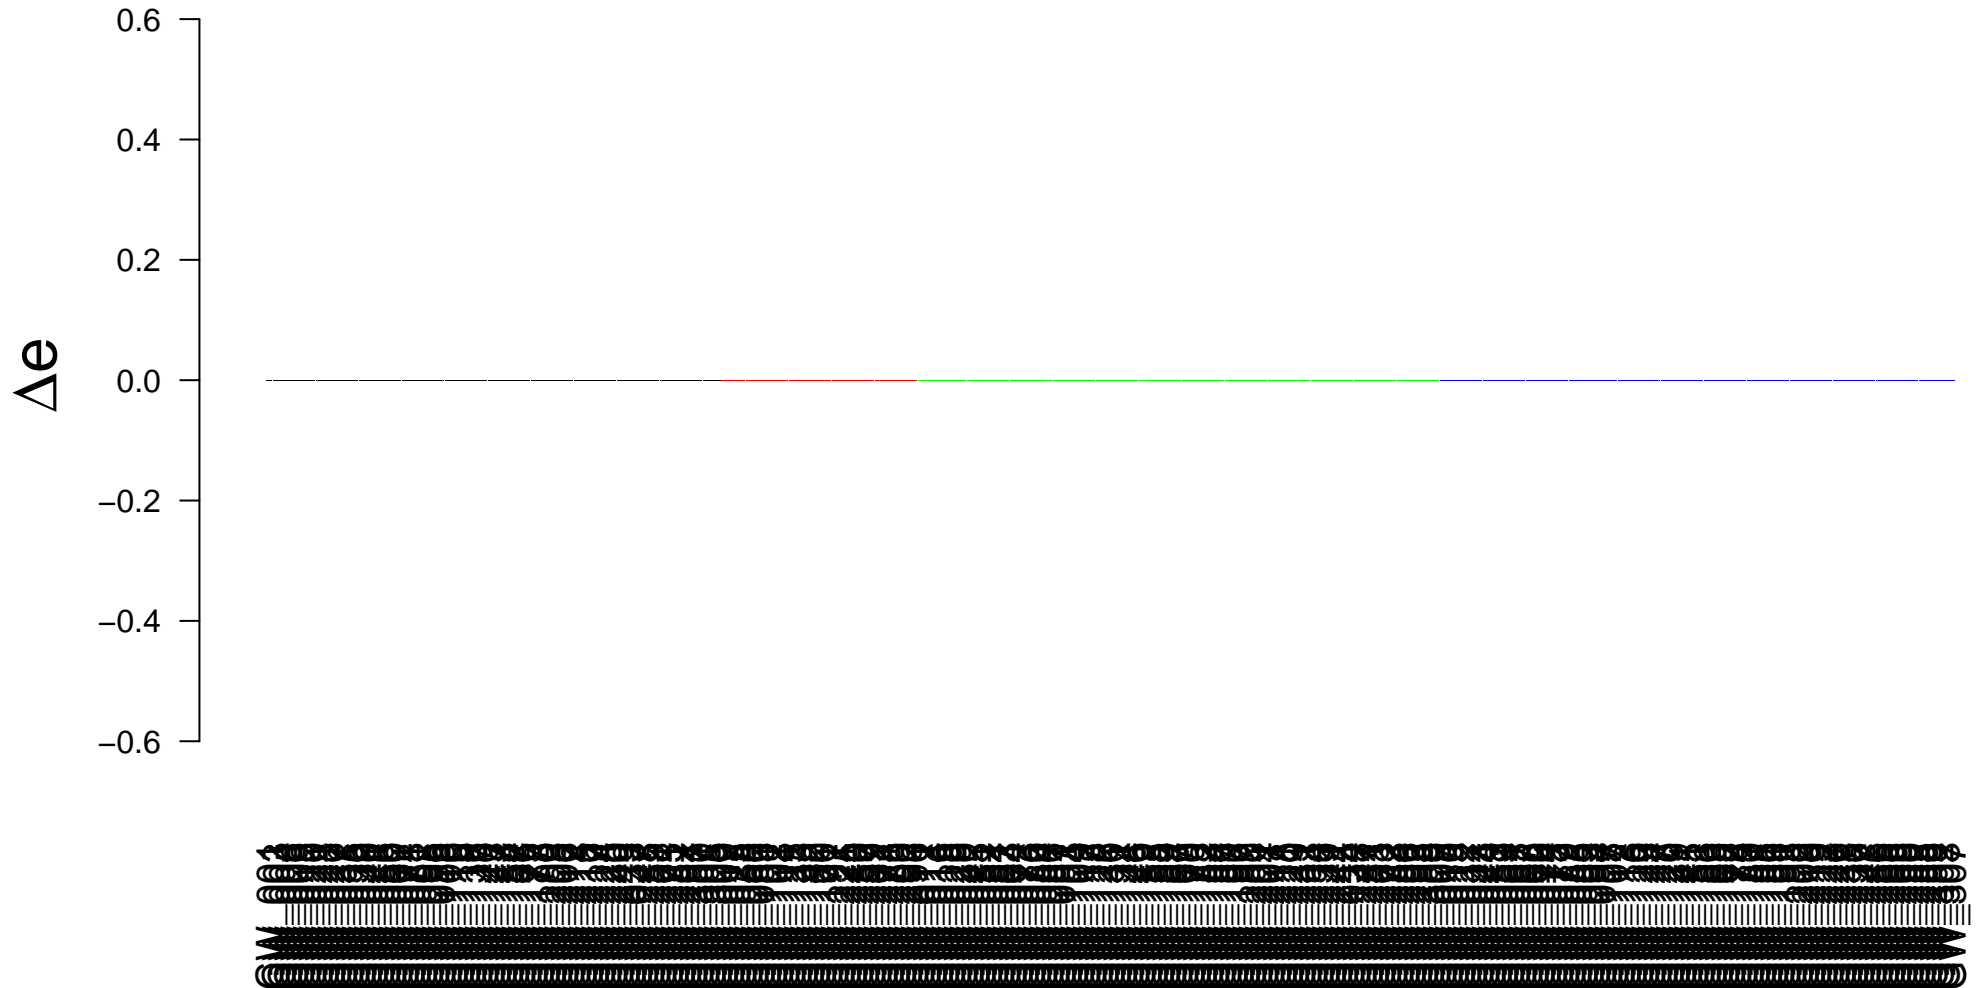

Expression of exosome (RNase complex) in Spot D

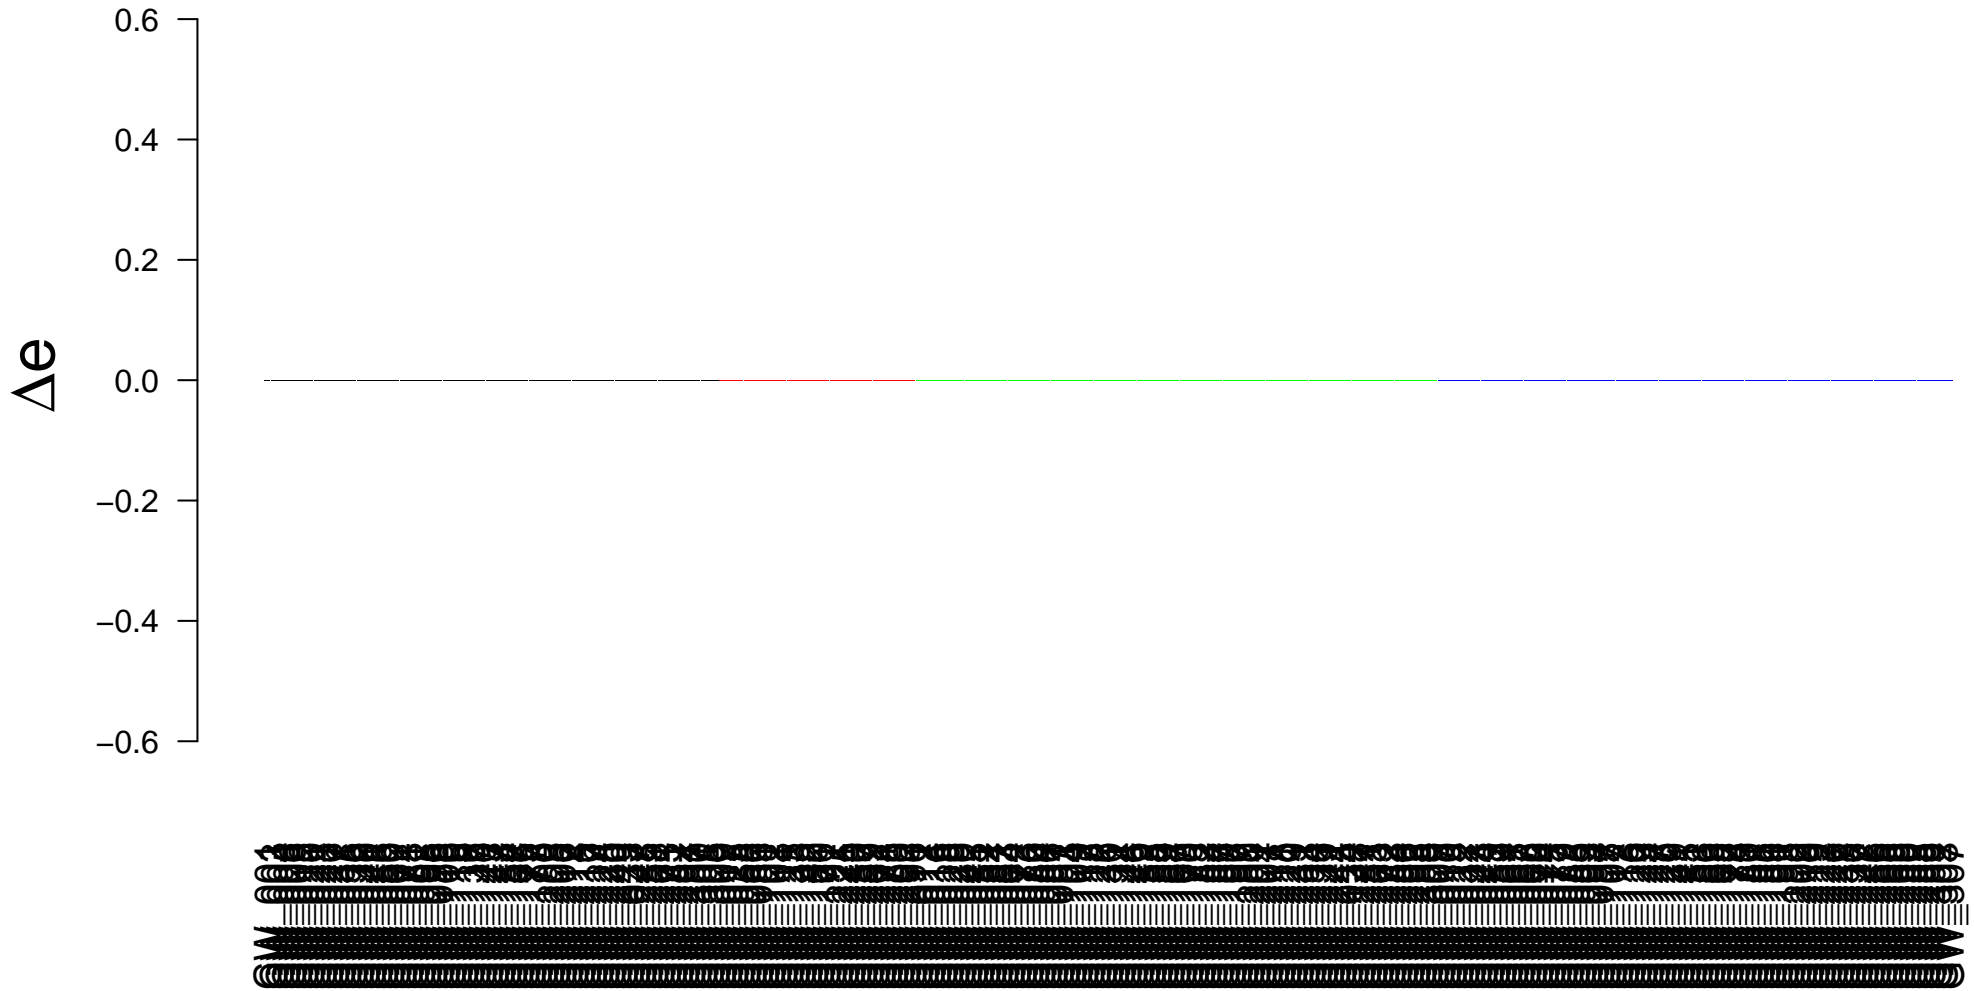

Expression of exosome (RNase complex) in Spot E

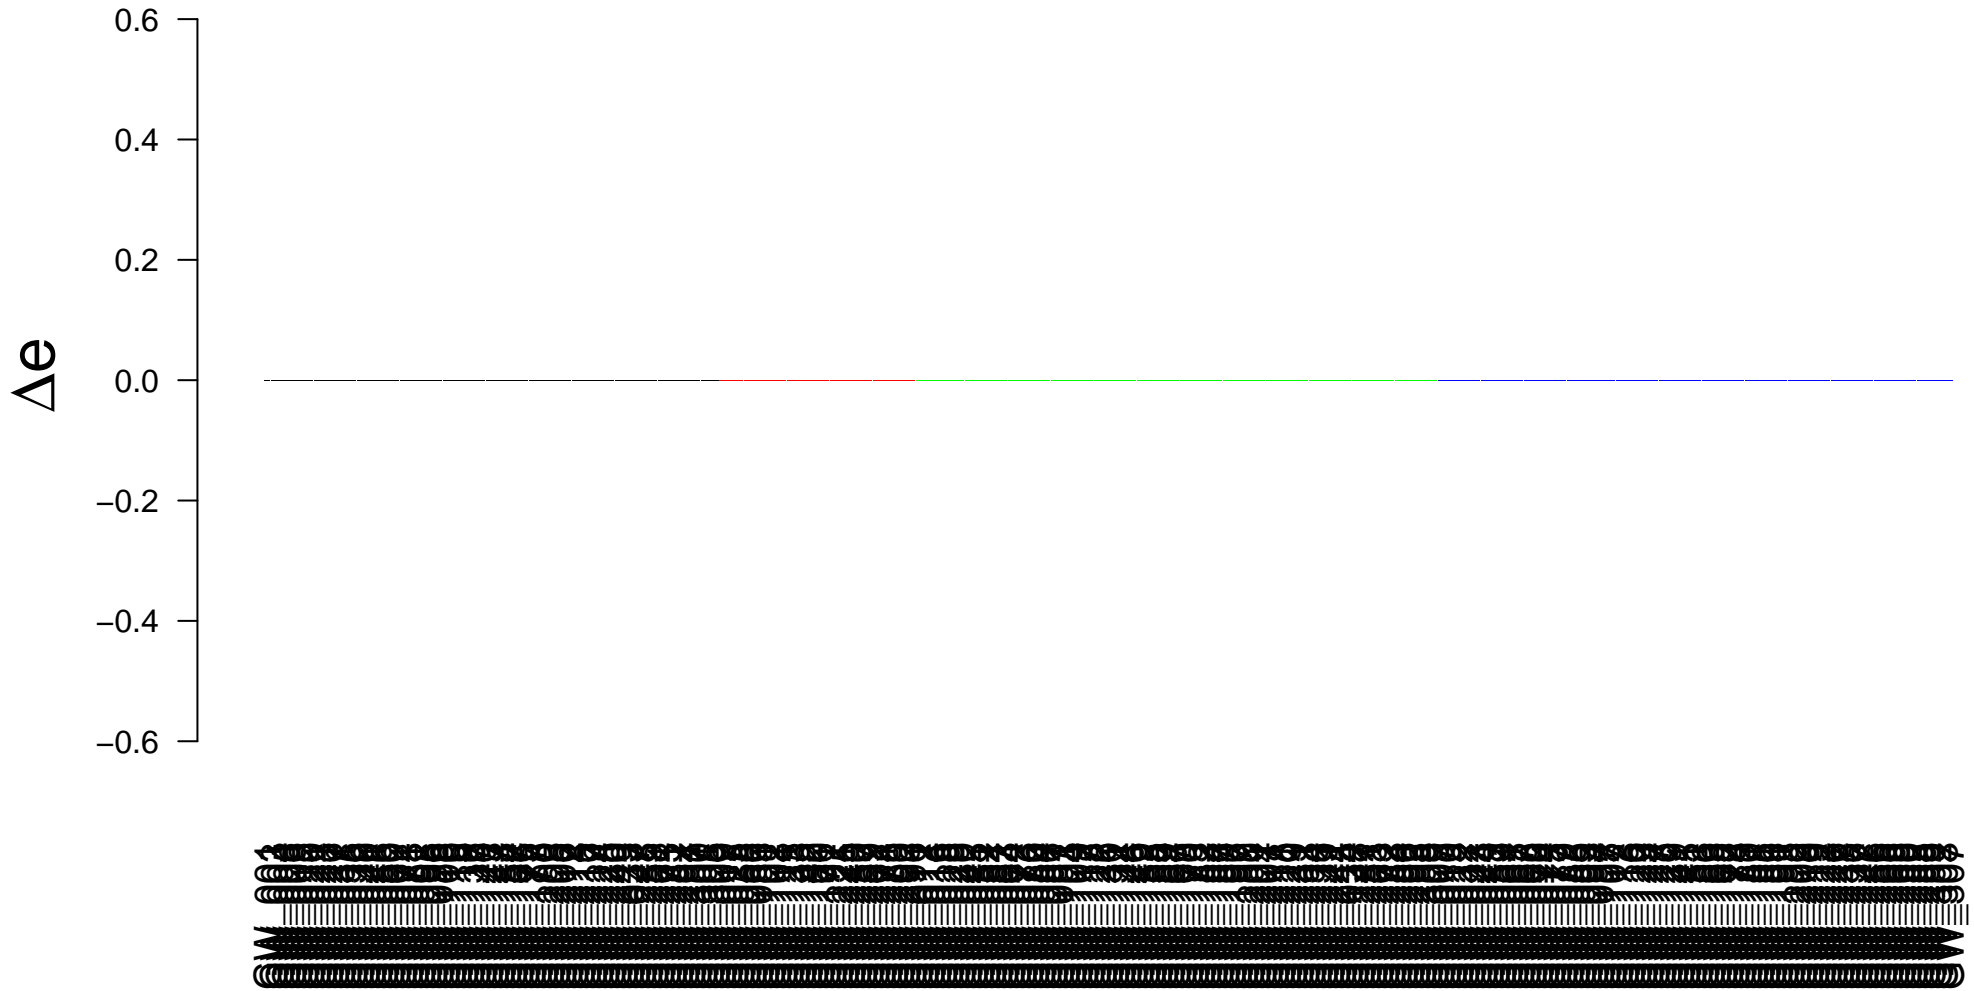

Expression of exosome (RNase complex) in Spot F

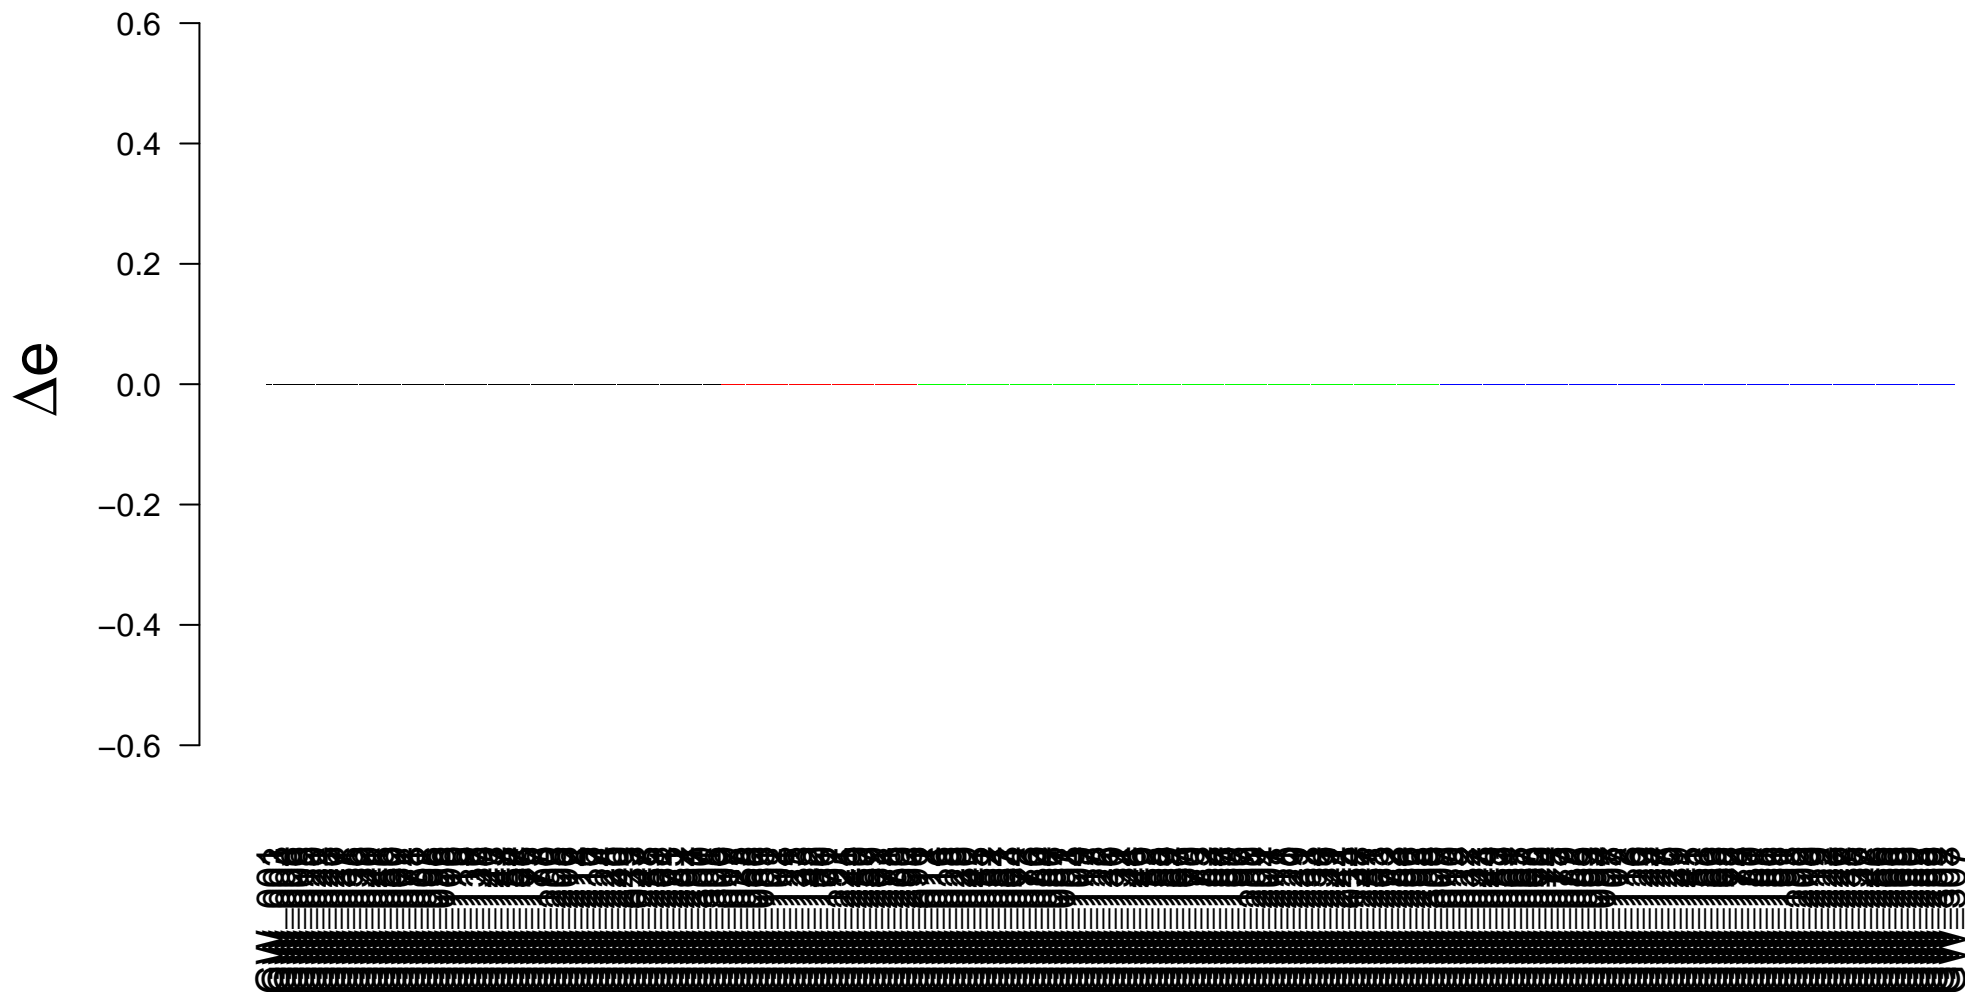

Expression of exosome (RNase complex) in Spot G

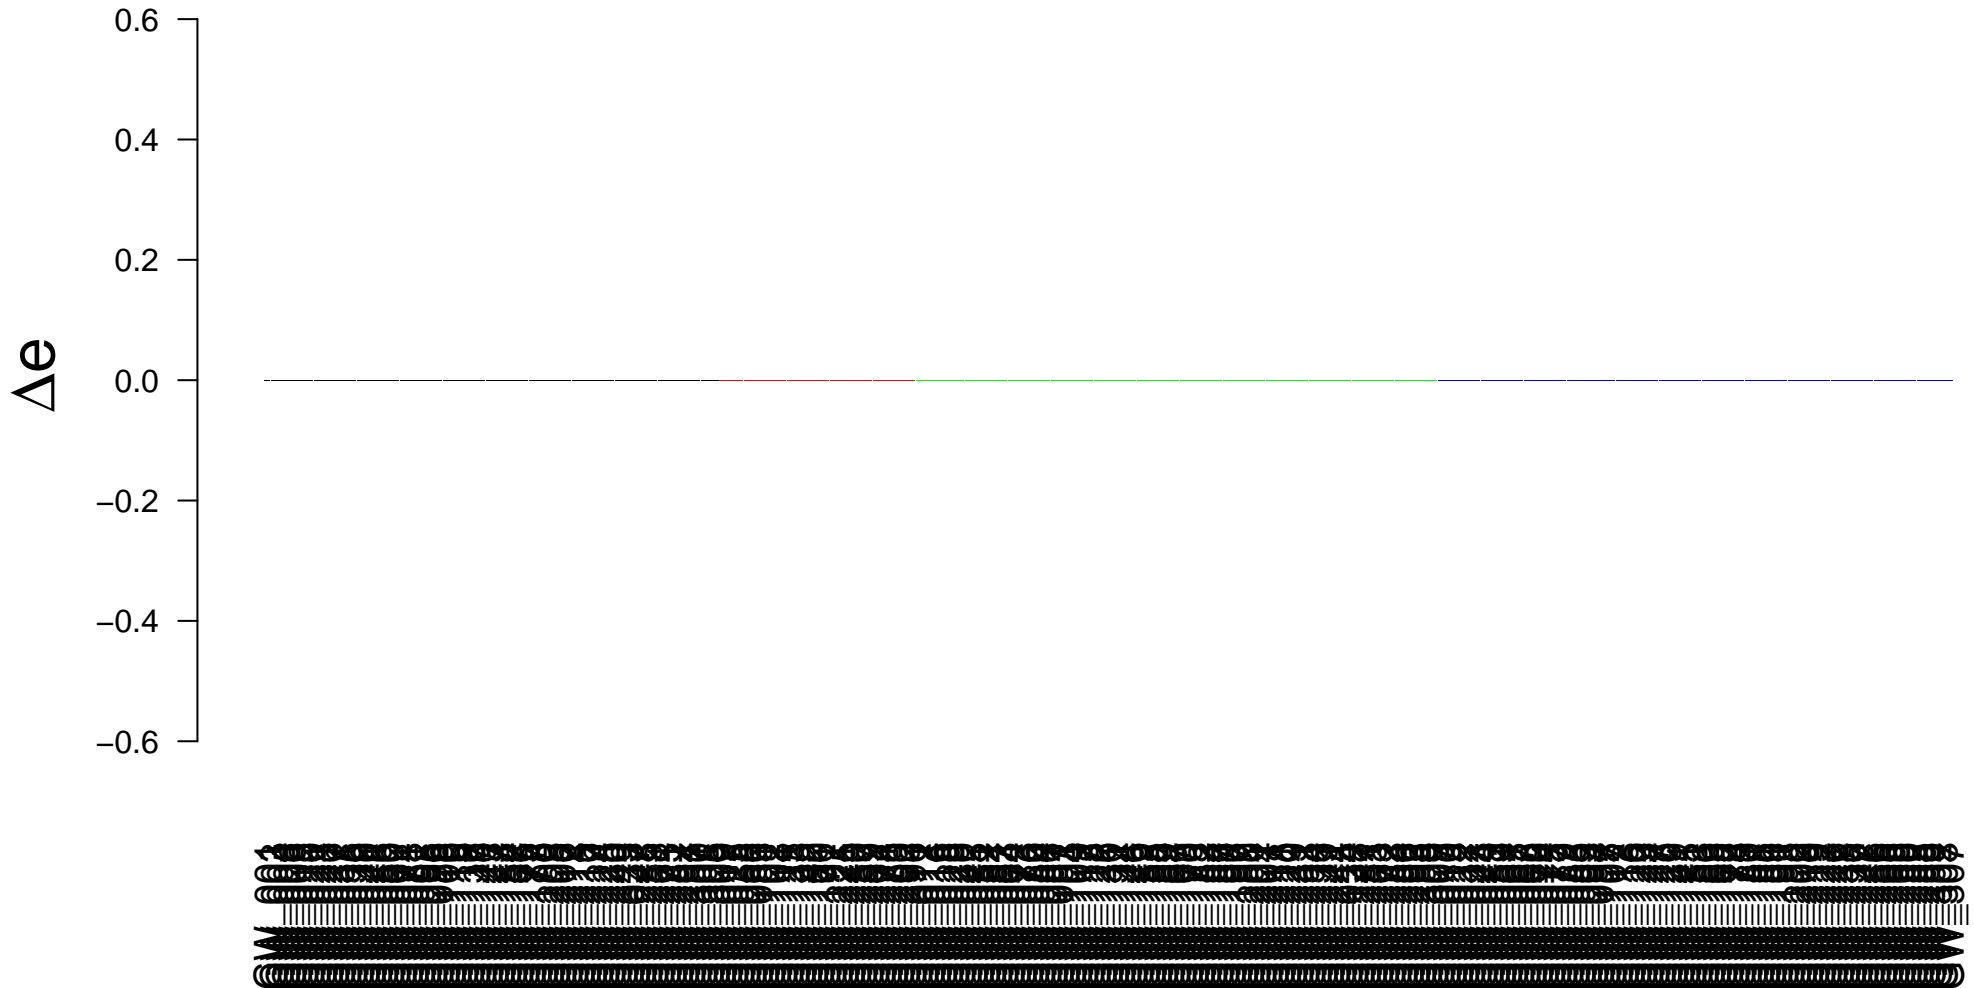

Expression of exosome (RNase complex) in Spot H

Expression of exosome (RNase complex) in Spot I

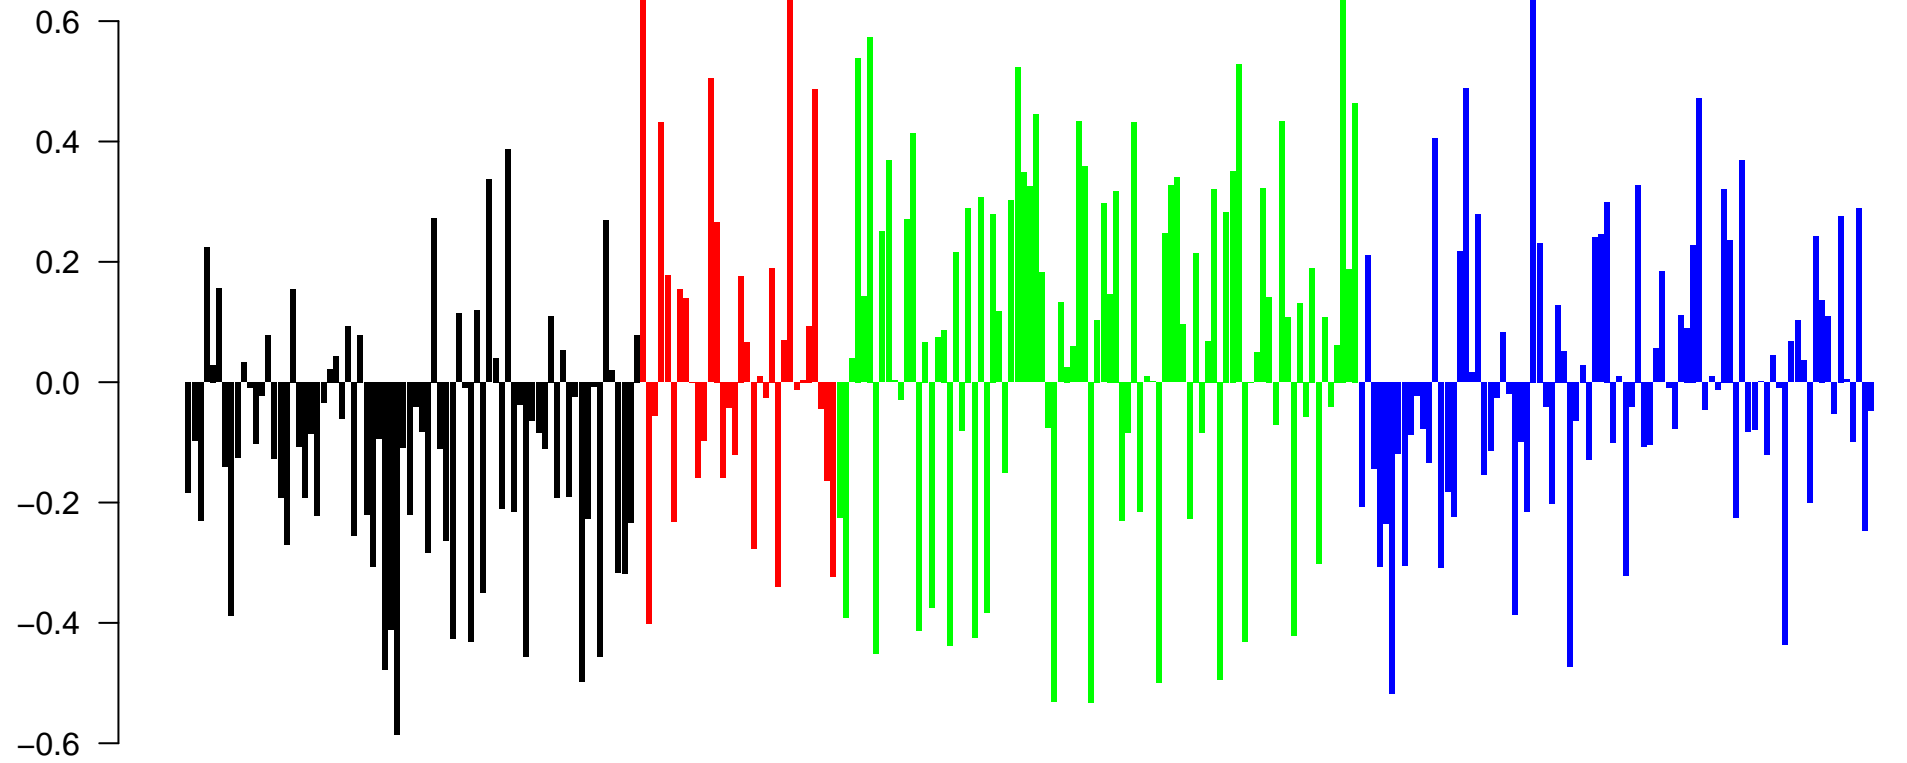

Expression of exosome (RNase complex) in Spot J

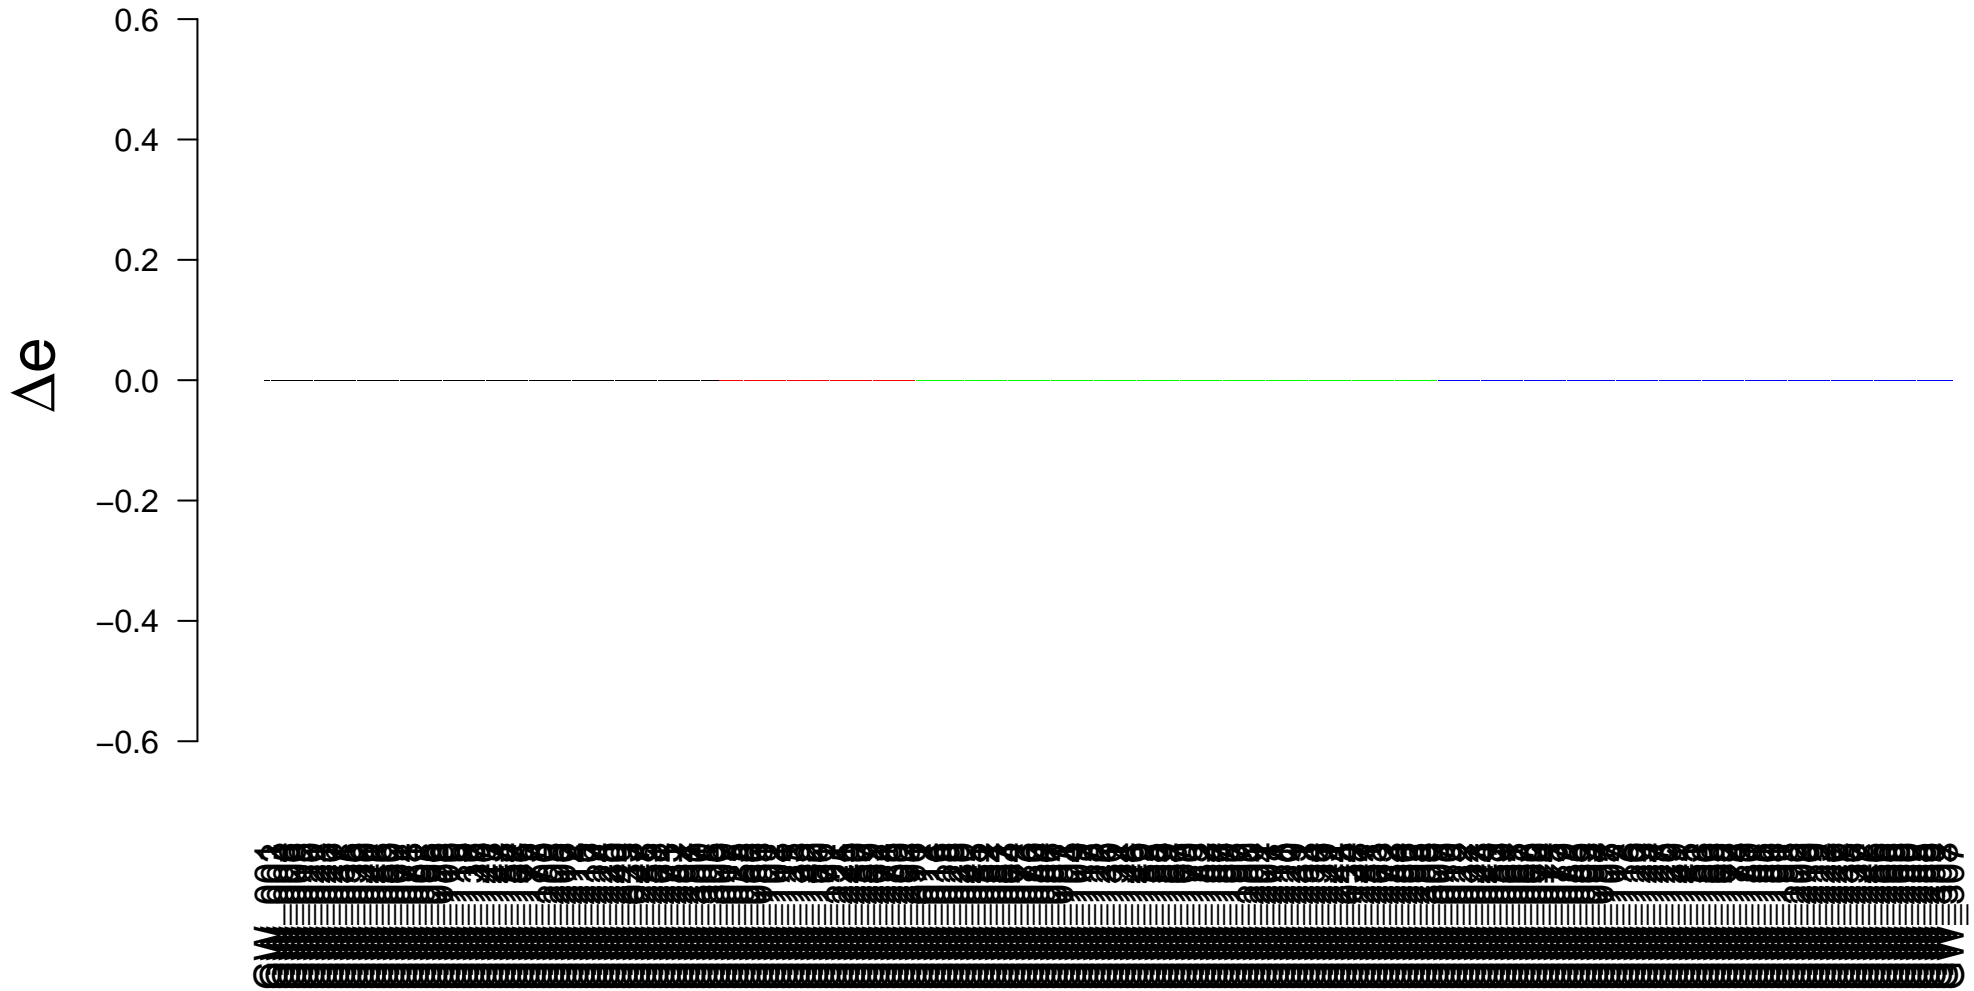

Expression of exosome (RNase complex) in Spot K

Δe

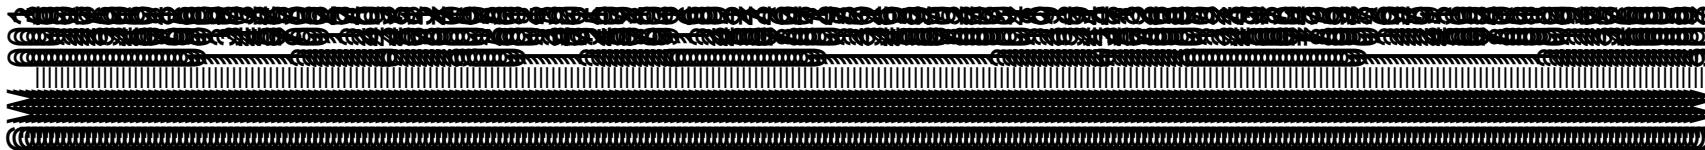

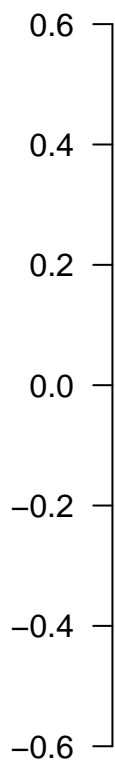

Expression of exosome (RNase complex) in Spot L

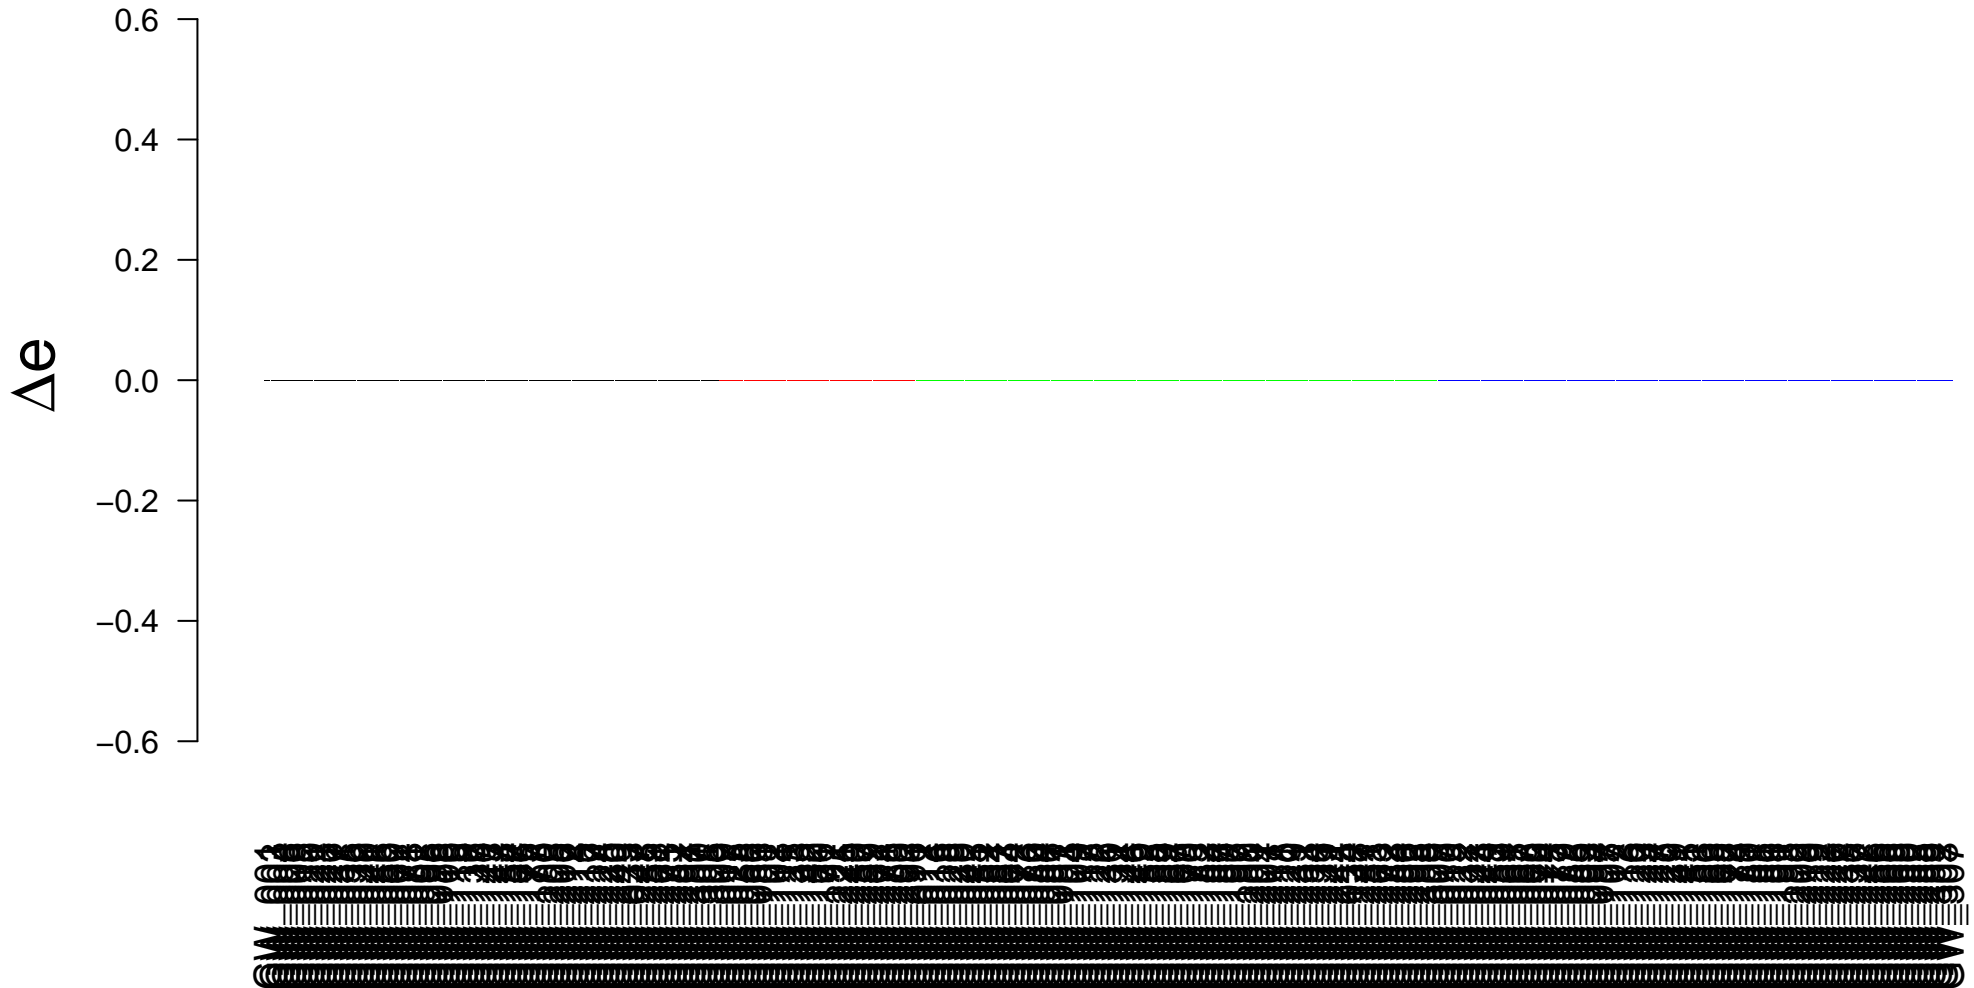

Expression of exosome (RNase complex) in Spot M

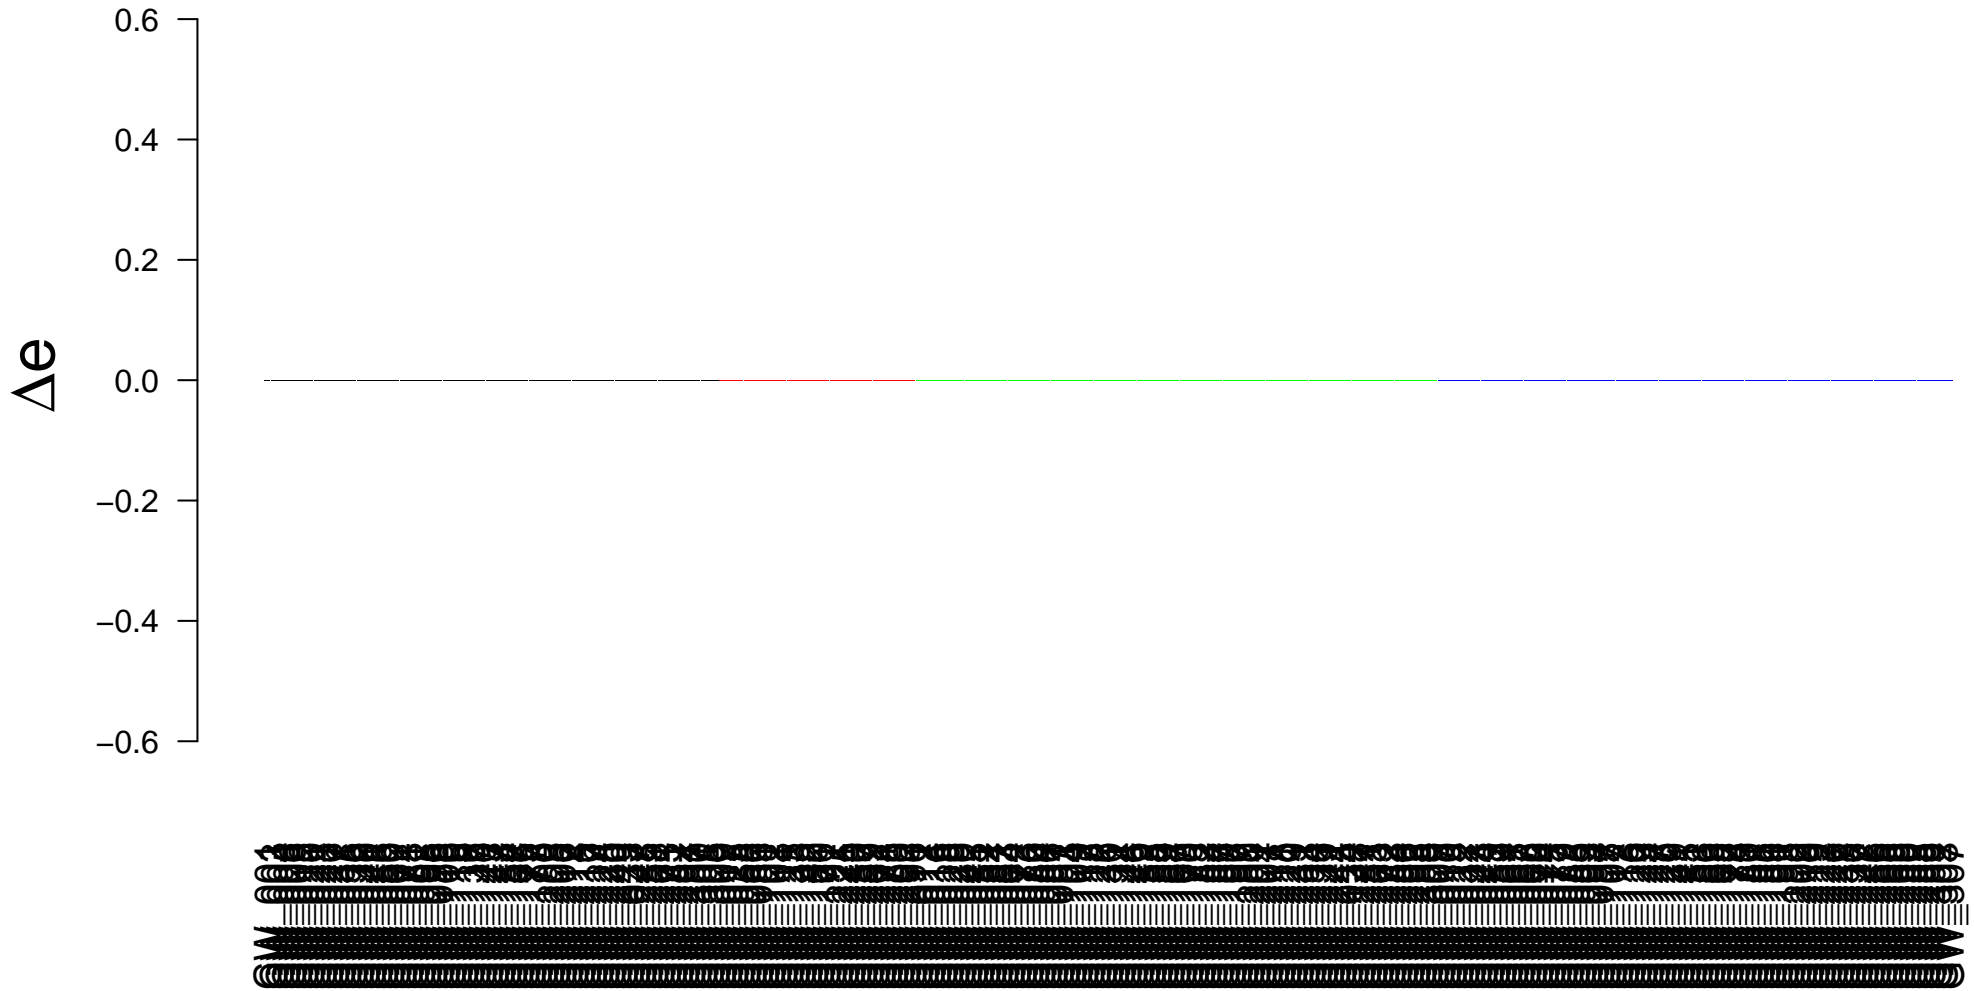

Δe

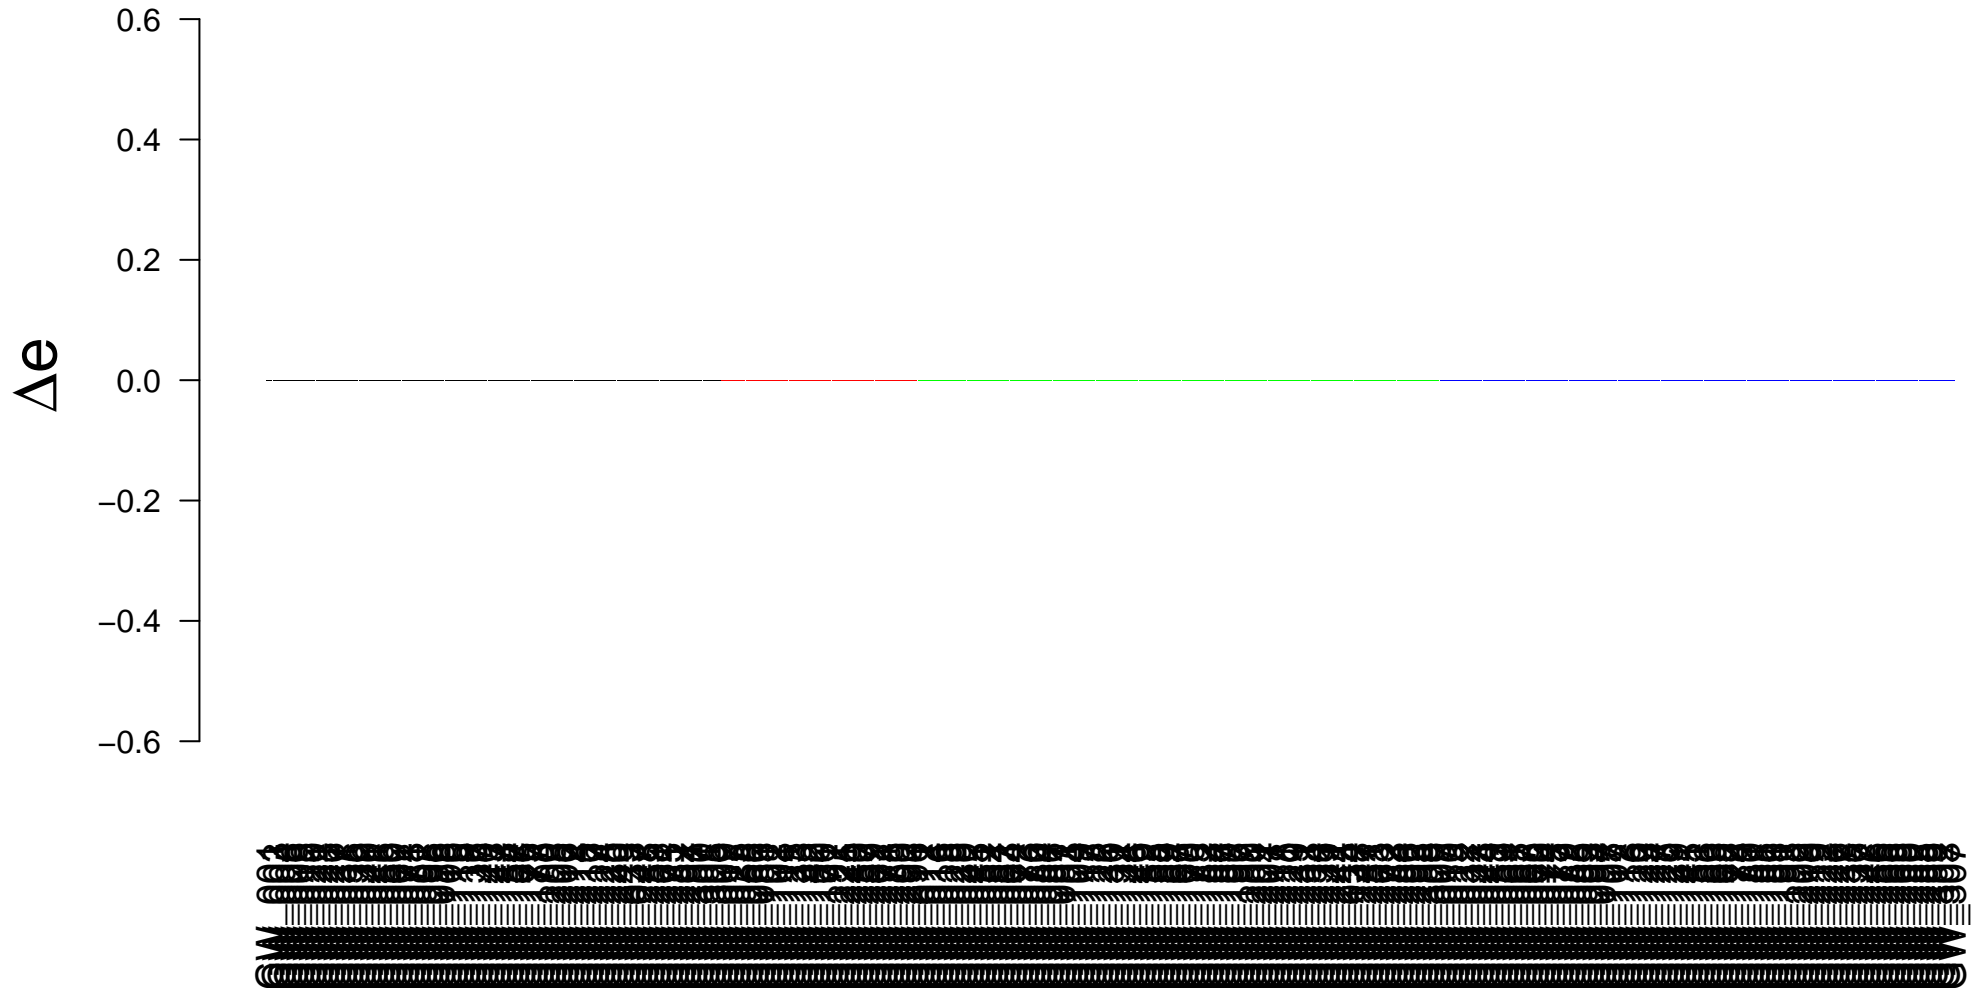

Expression of exosome (RNase complex) in Spot N

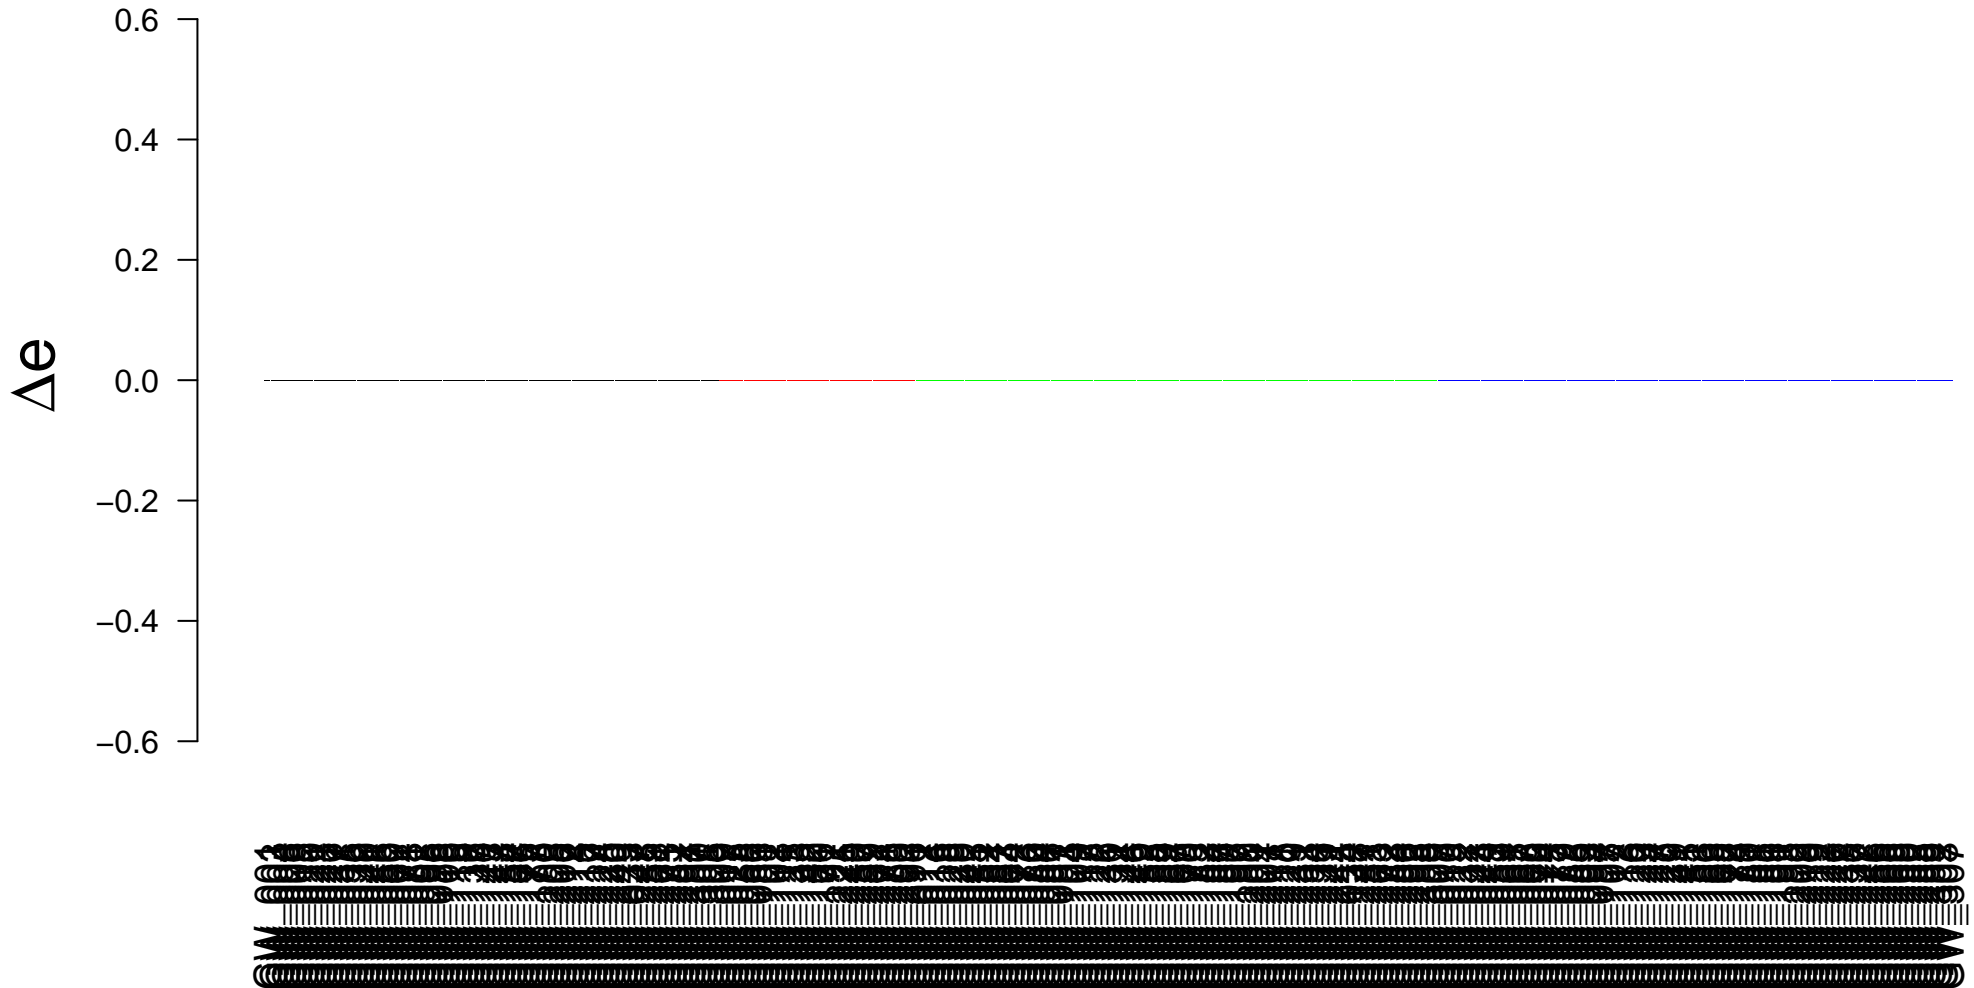

Expression of exosome (RNase complex) in Spot O

Expression of exosome (RNase complex) in Spot P

Expression of exosome (RNase complex) in Spot Q

Expression of exosome (RNase complex) in Spot R
