

extracellular region

extracellular region

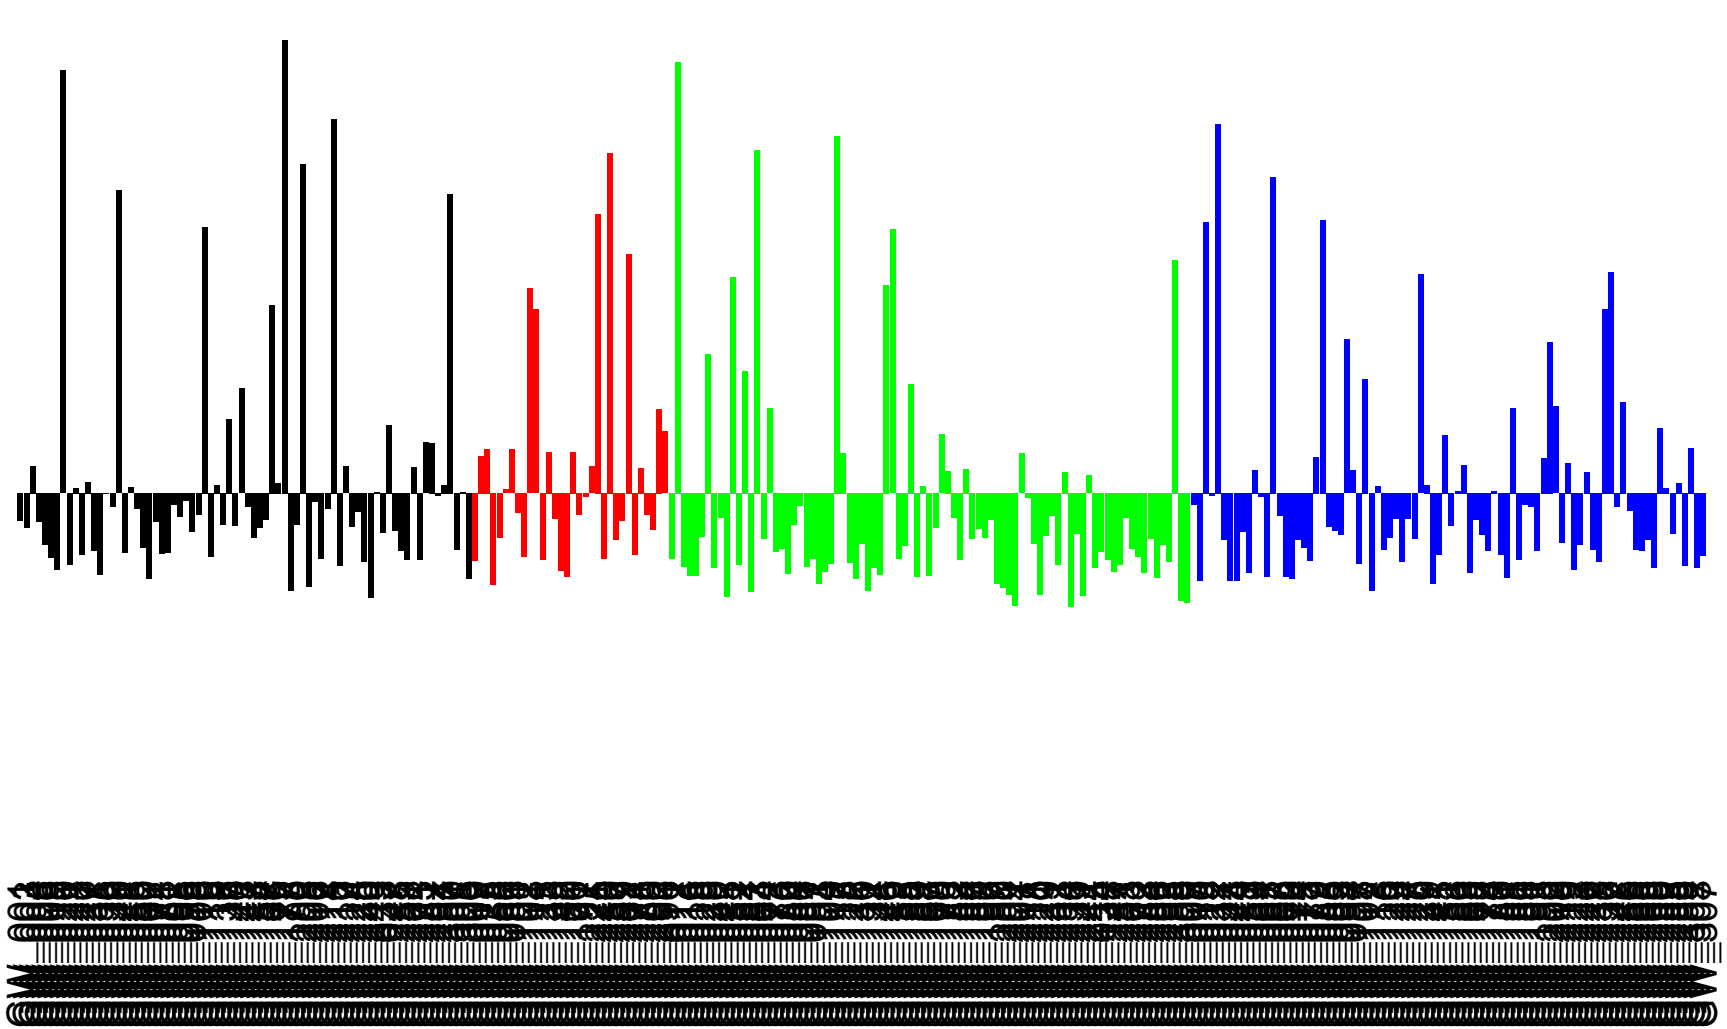

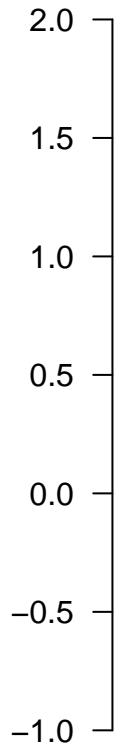

Enrichment in spots: extracellular region

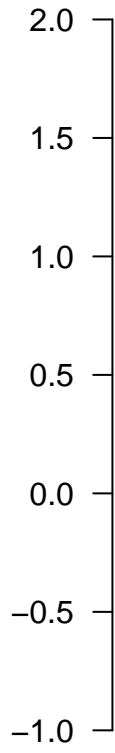

Expression of extracellular region in Spot A

Δe

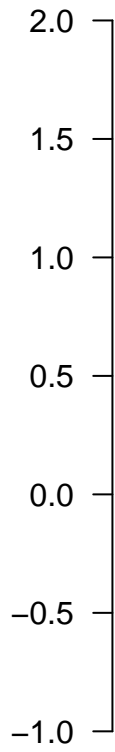

Expression of extracellular region in Spot B

Δe

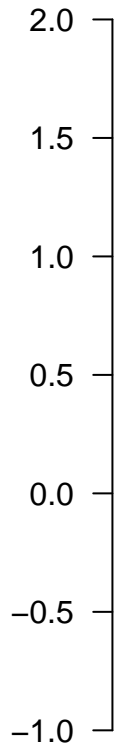

Expression of extracellular region in Spot C

Δe

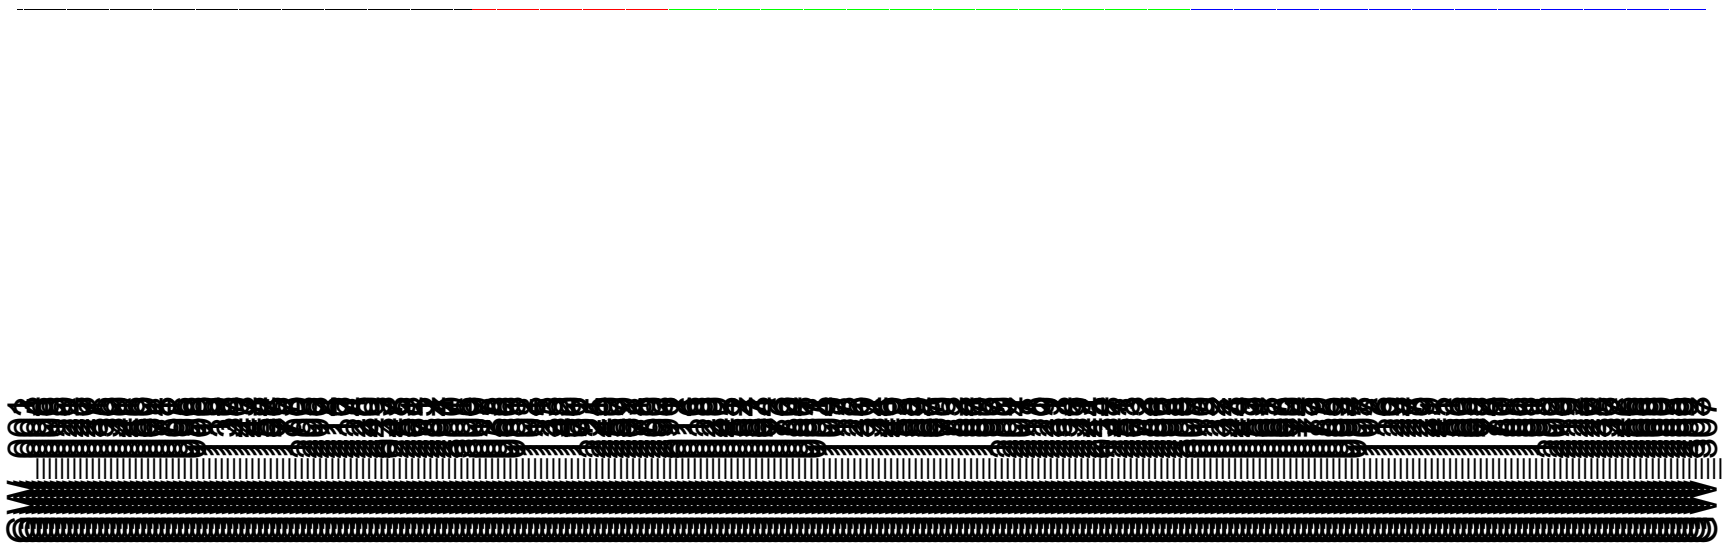

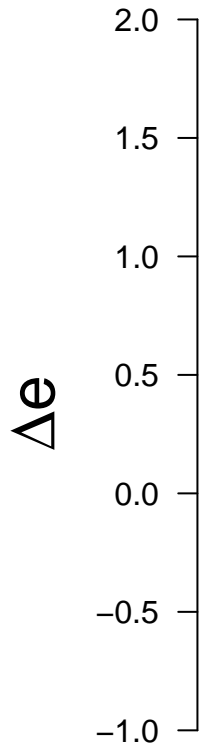

Expression of extracellular region in Spot D

Δe

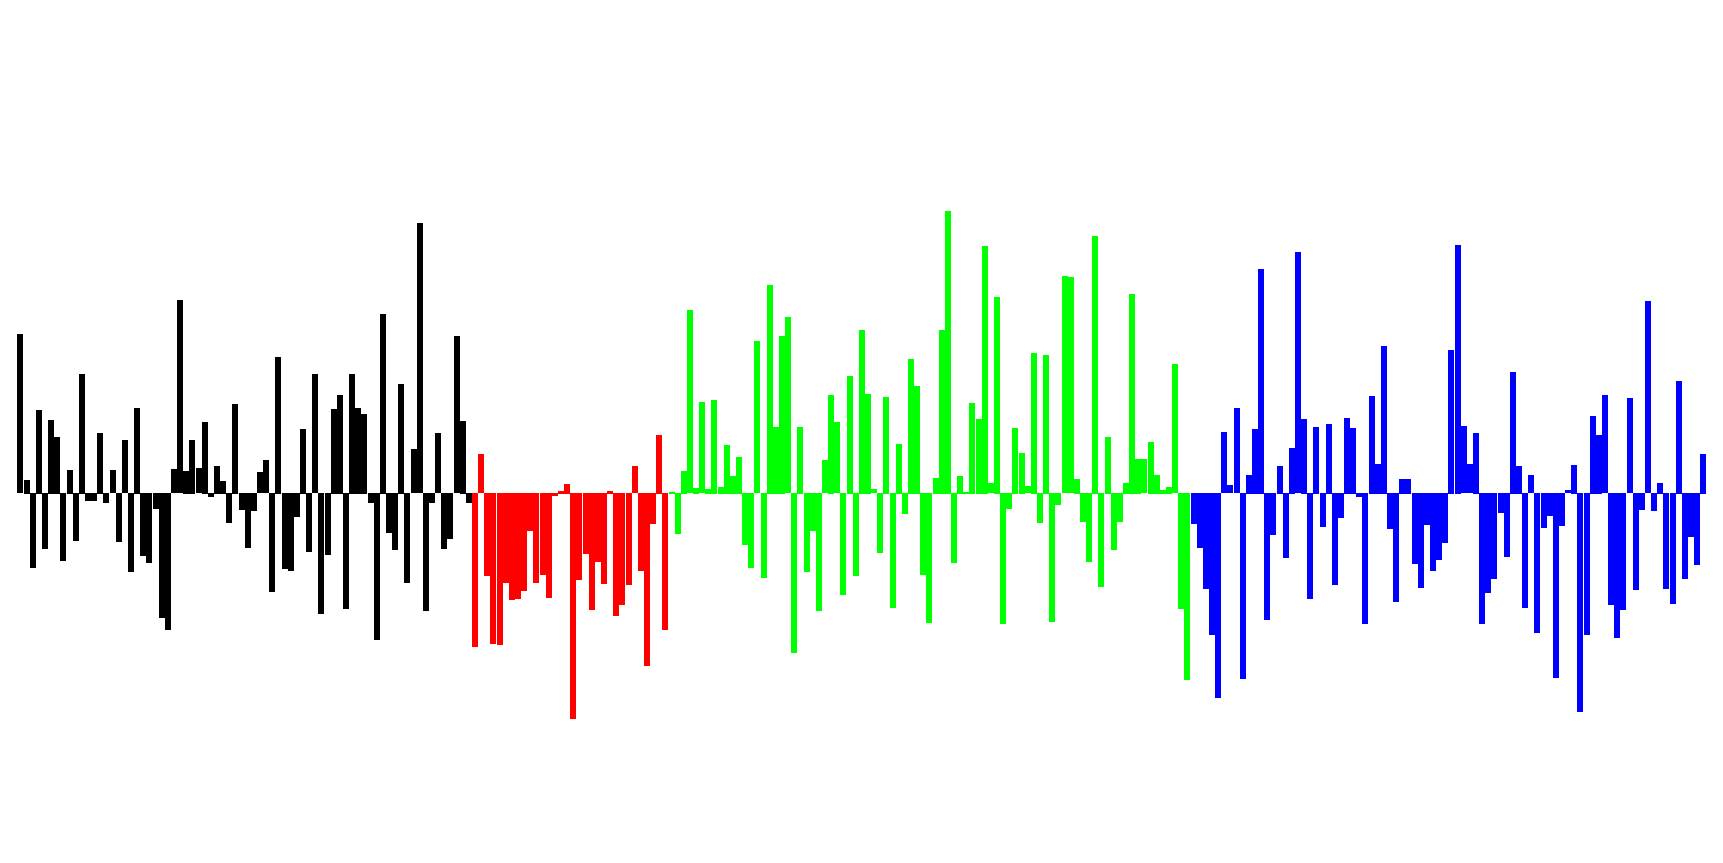

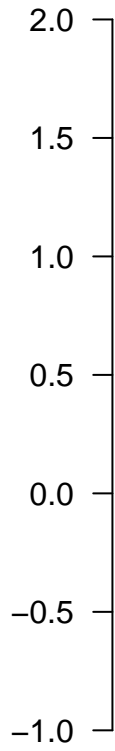

Expression of extracellular region in Spot E

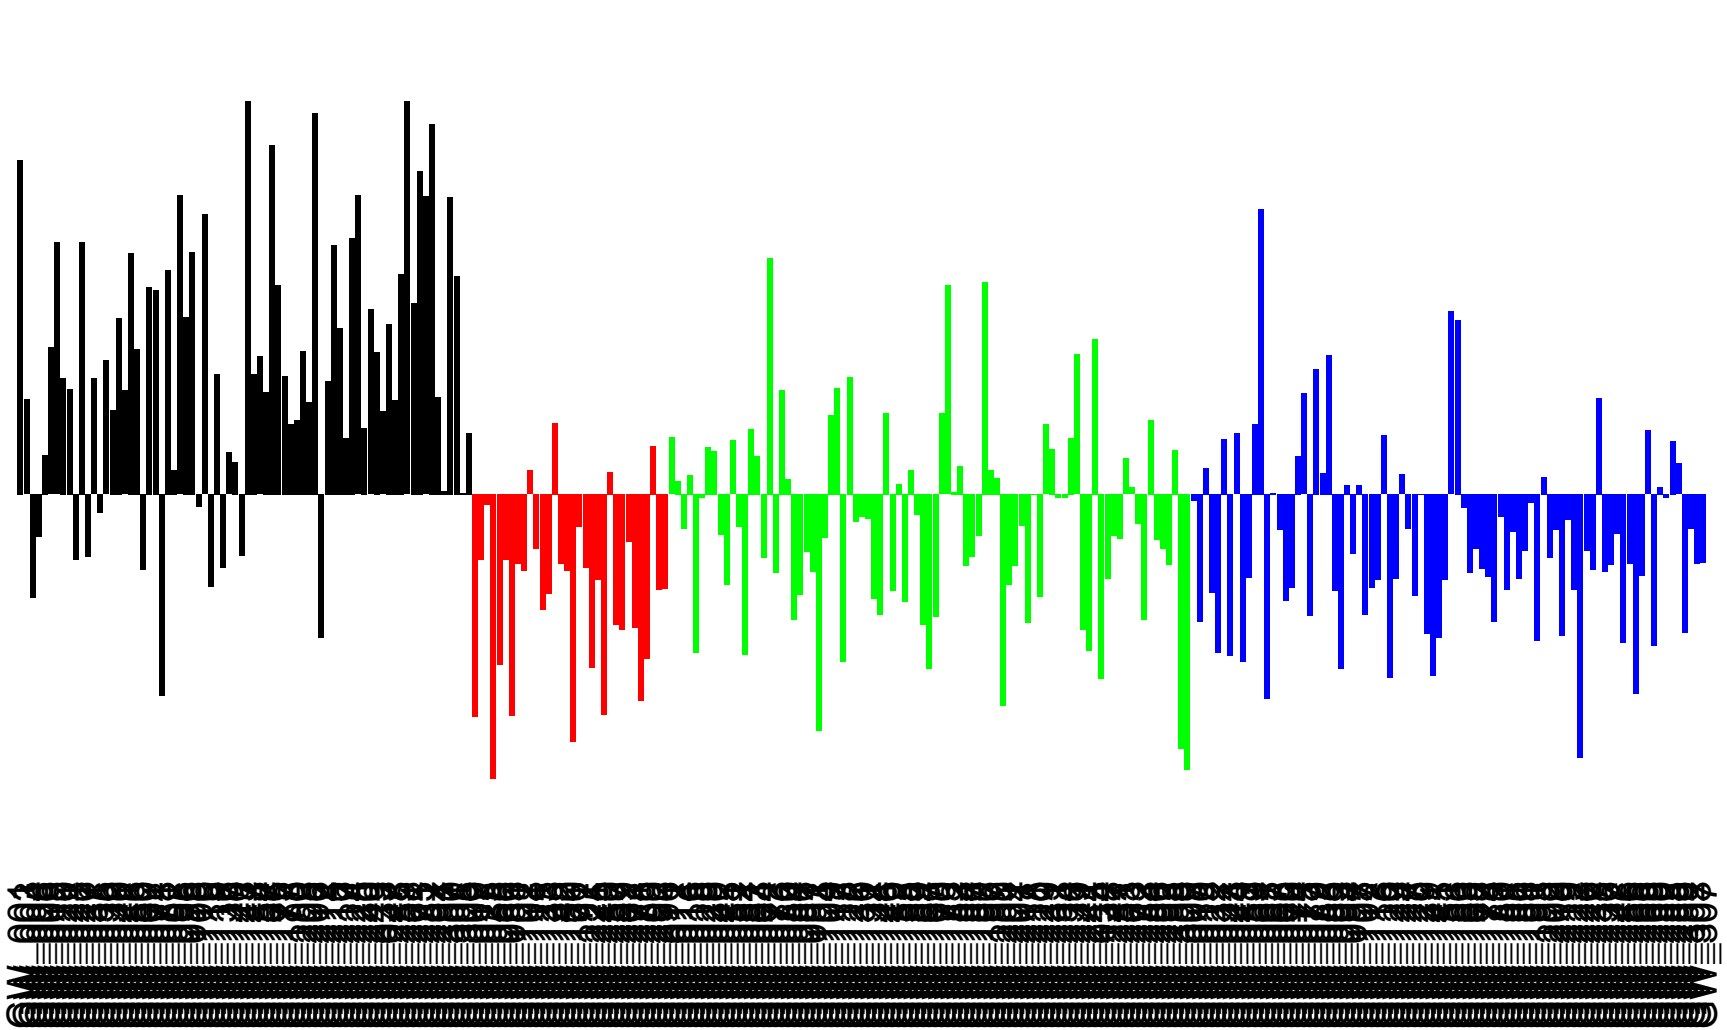

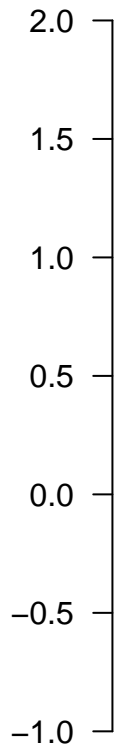

Expression of extracellular region in Spot F

Δe

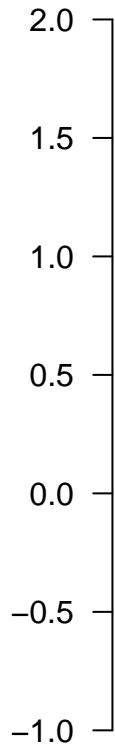

Expression of extracellular region in Spot G

Δe

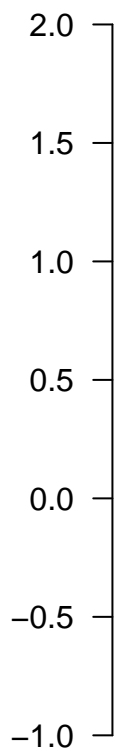

Expression of extracellular region in Spot H

Δe

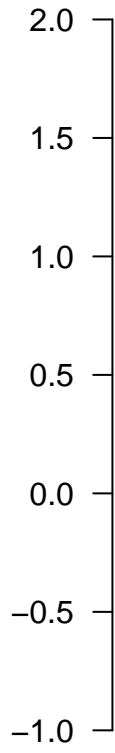

Expression of extracellular region in Spot I

Δe

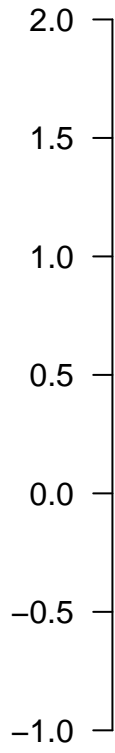

Expression of extracellular region in Spot J

Δe

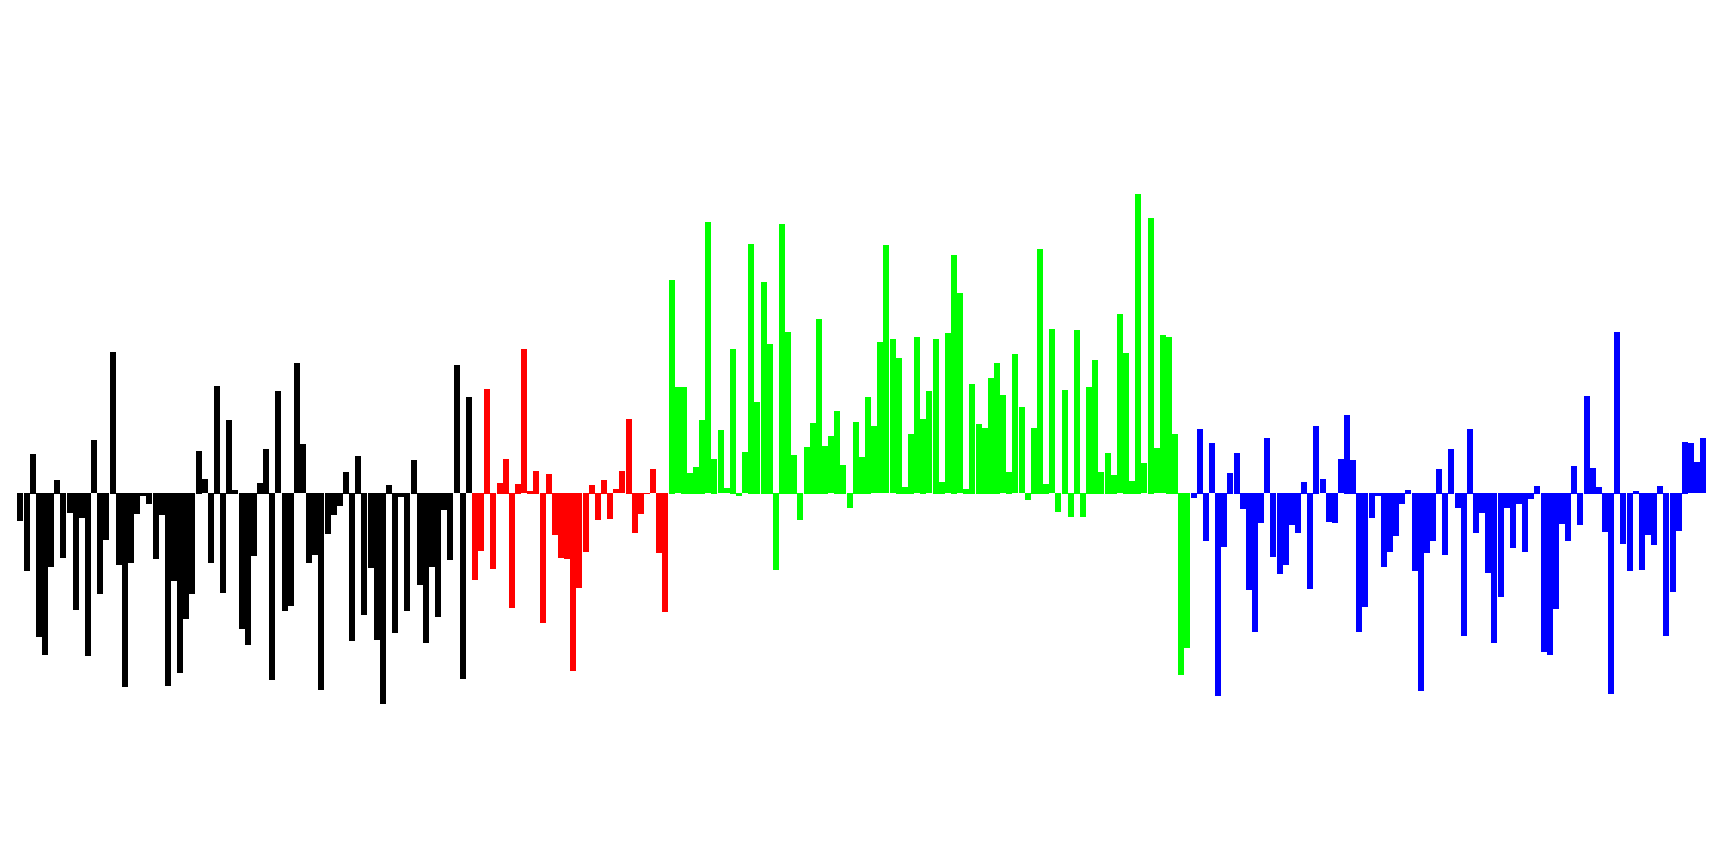

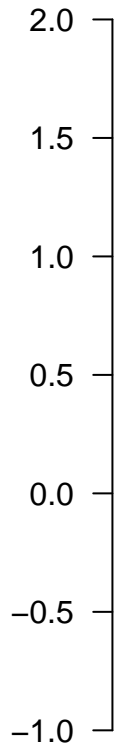

Expression of extracellular region in Spot K

Δe

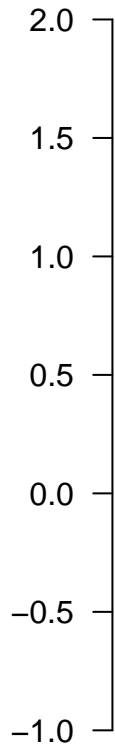

Expression of extracellular region in Spot L

Δe

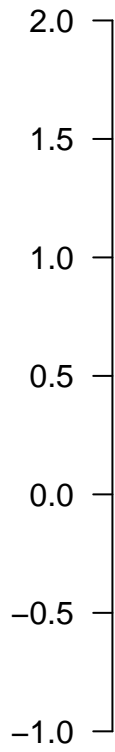

Expression of extracellular region in Spot M

Δe

Expression of extracellular region in Spot N

Δe

Expression of extracellular region in Spot O

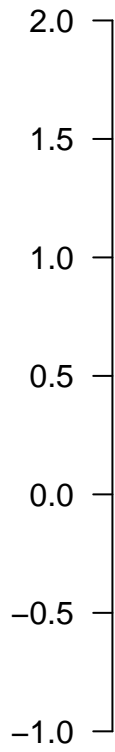

Δe
