Expression of extrinsic apoptotic signaling pathway via death domain receptors in Spot C

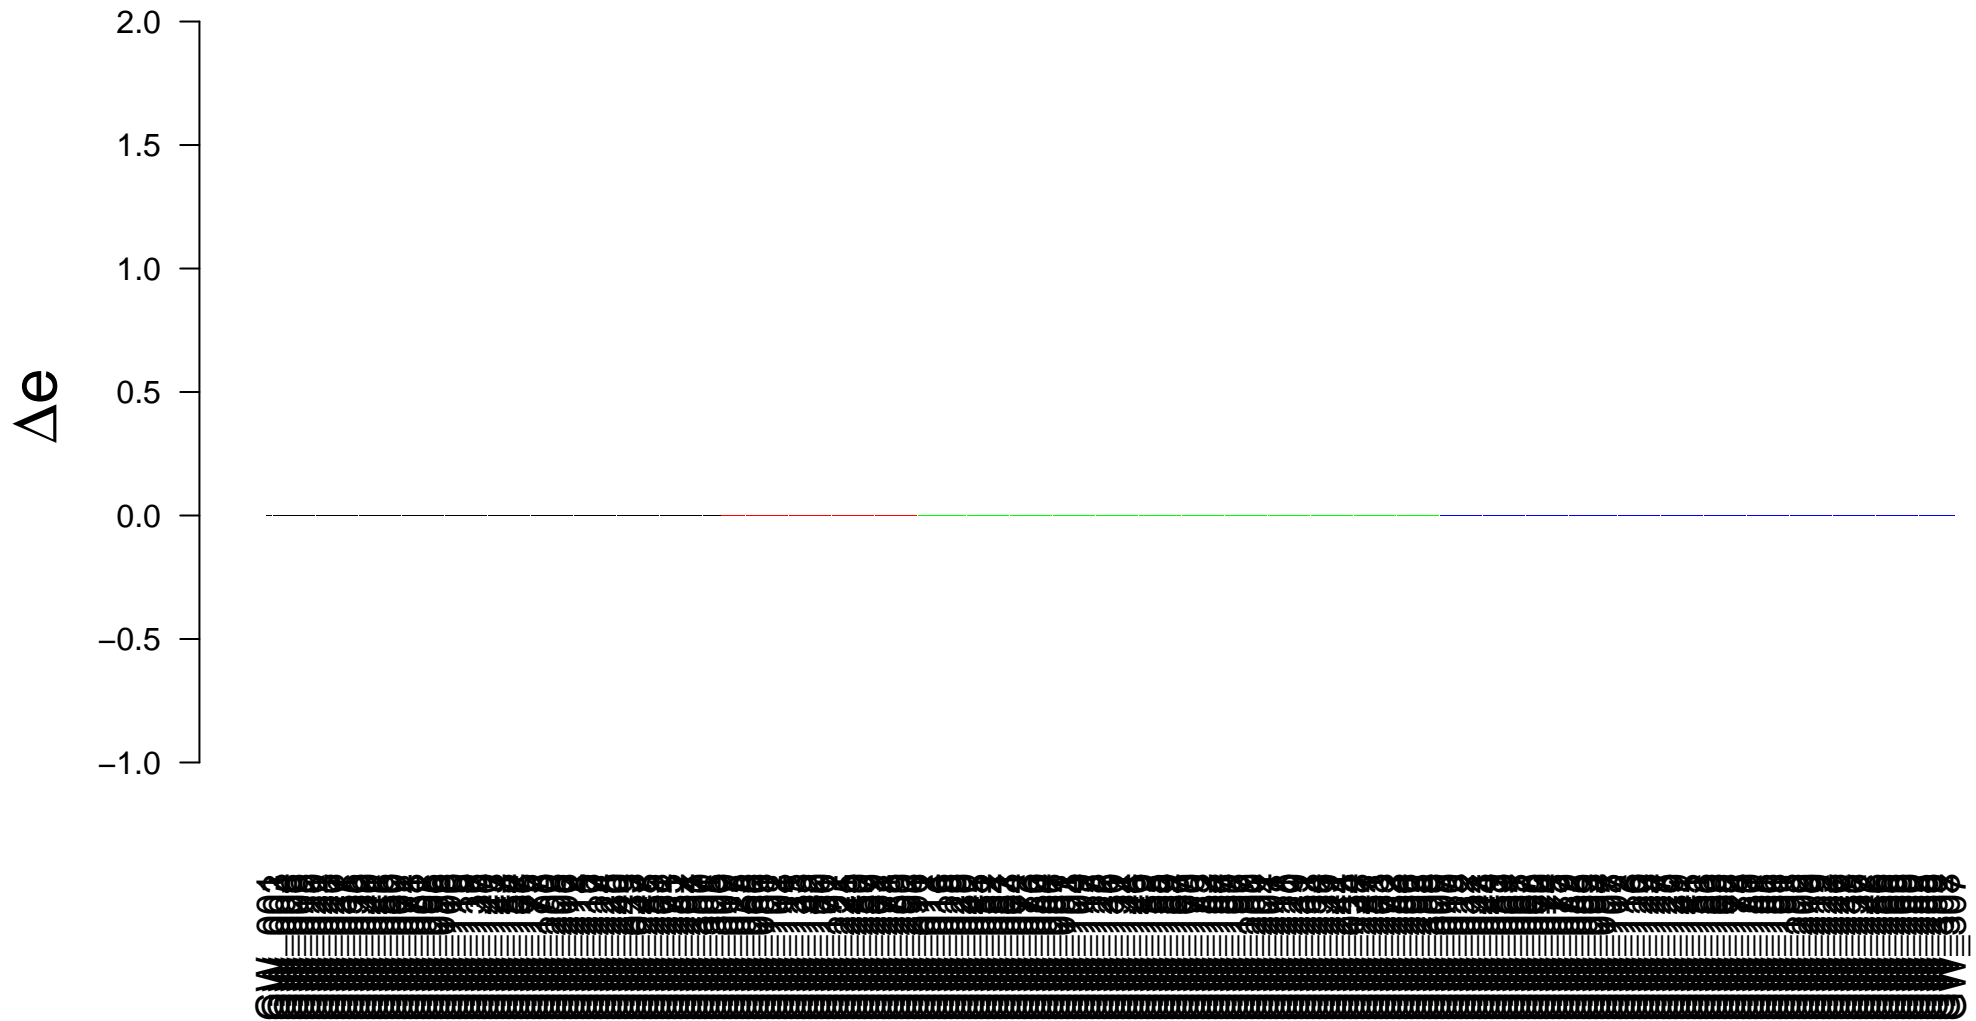

Expression of extrinsic apoptotic signaling pathway via death domain receptors in Spot D

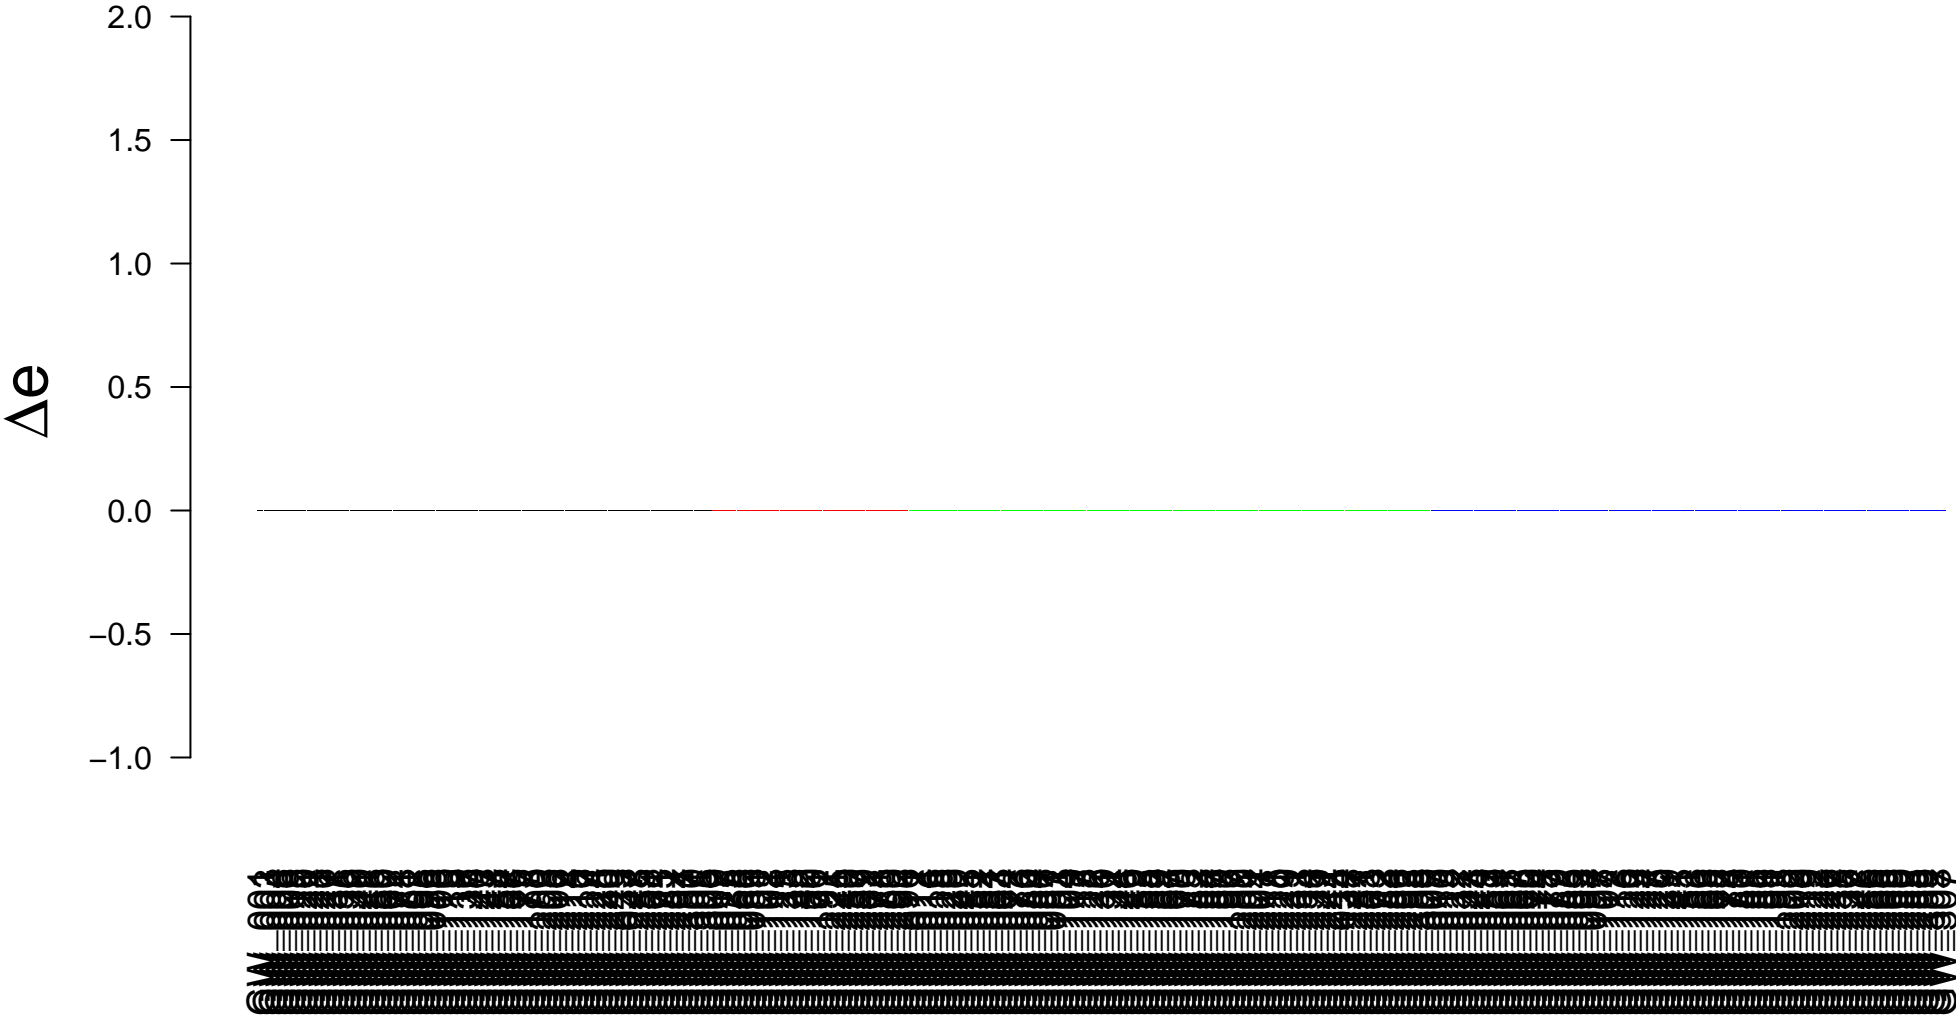

Expression of extrinsic apoptotic signaling pathway via death domain receptors in Spot E

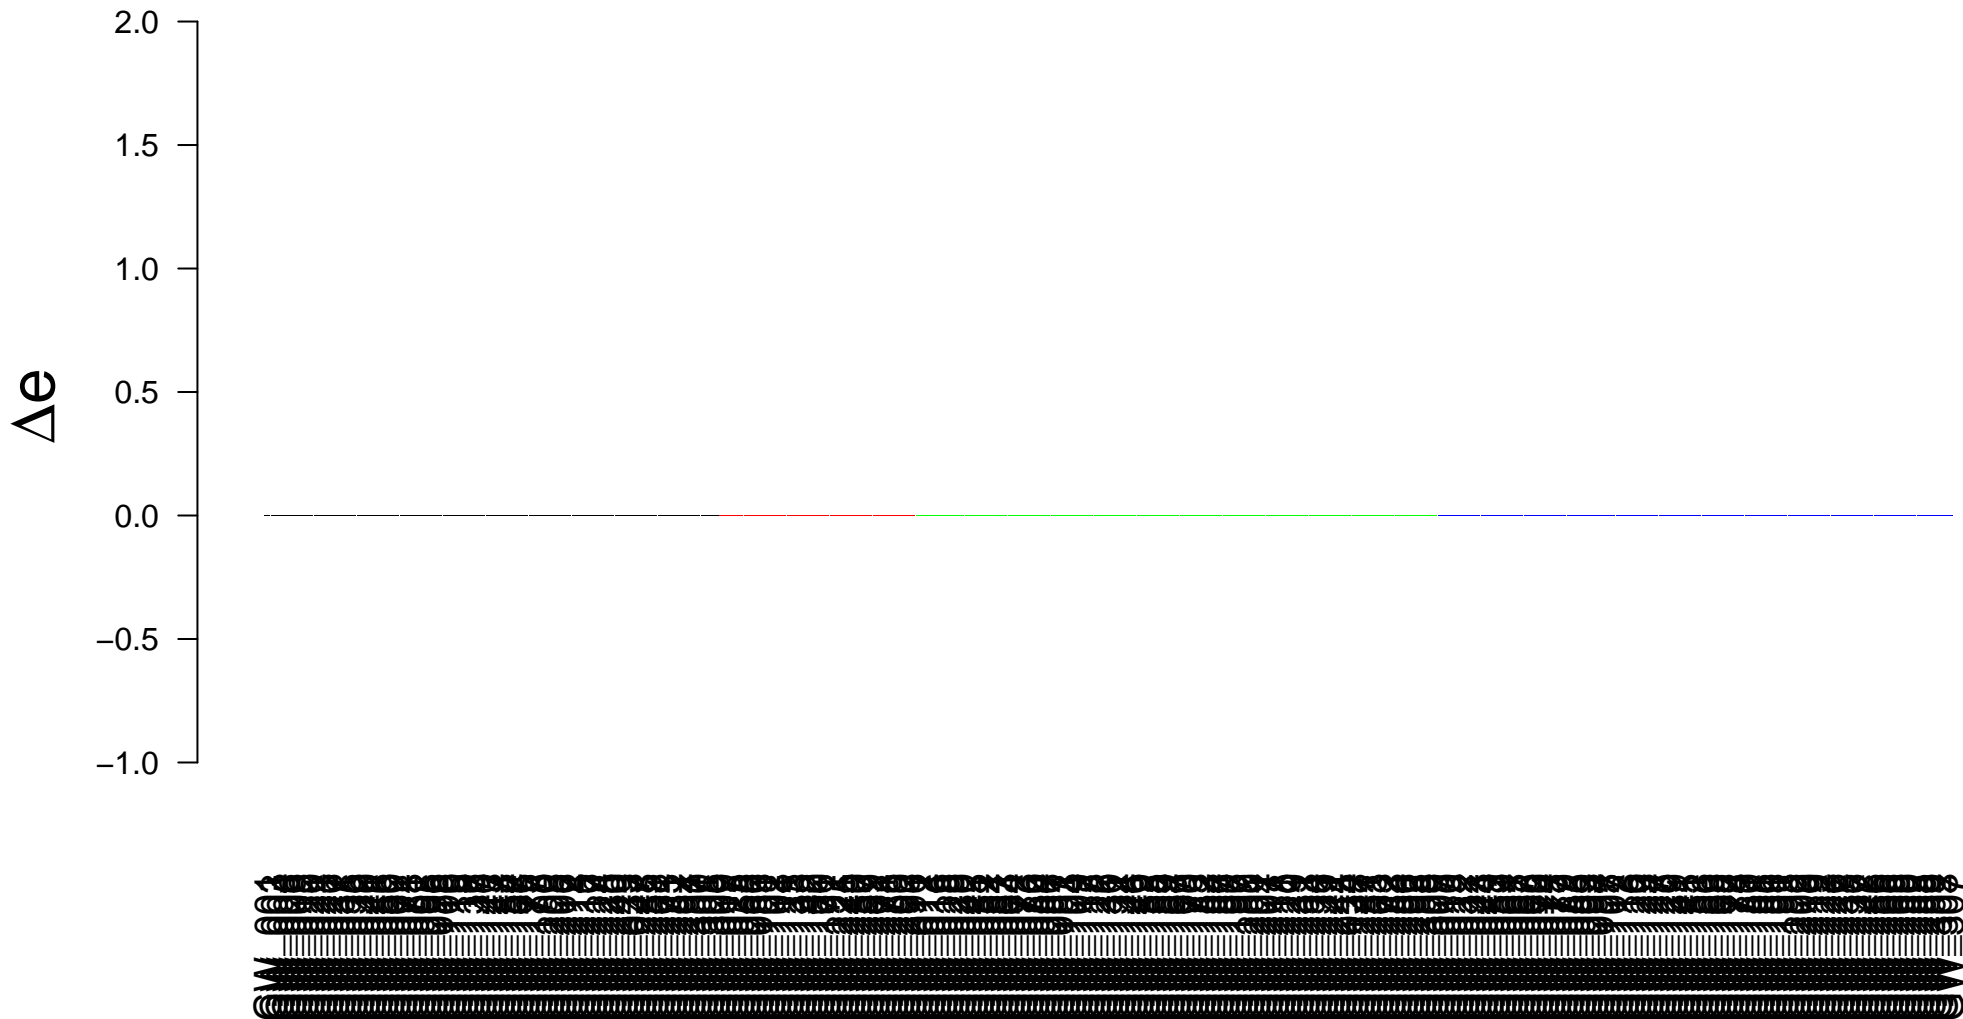

Expression of extrinsic apoptotic signaling pathway via death domain receptors in Spot F

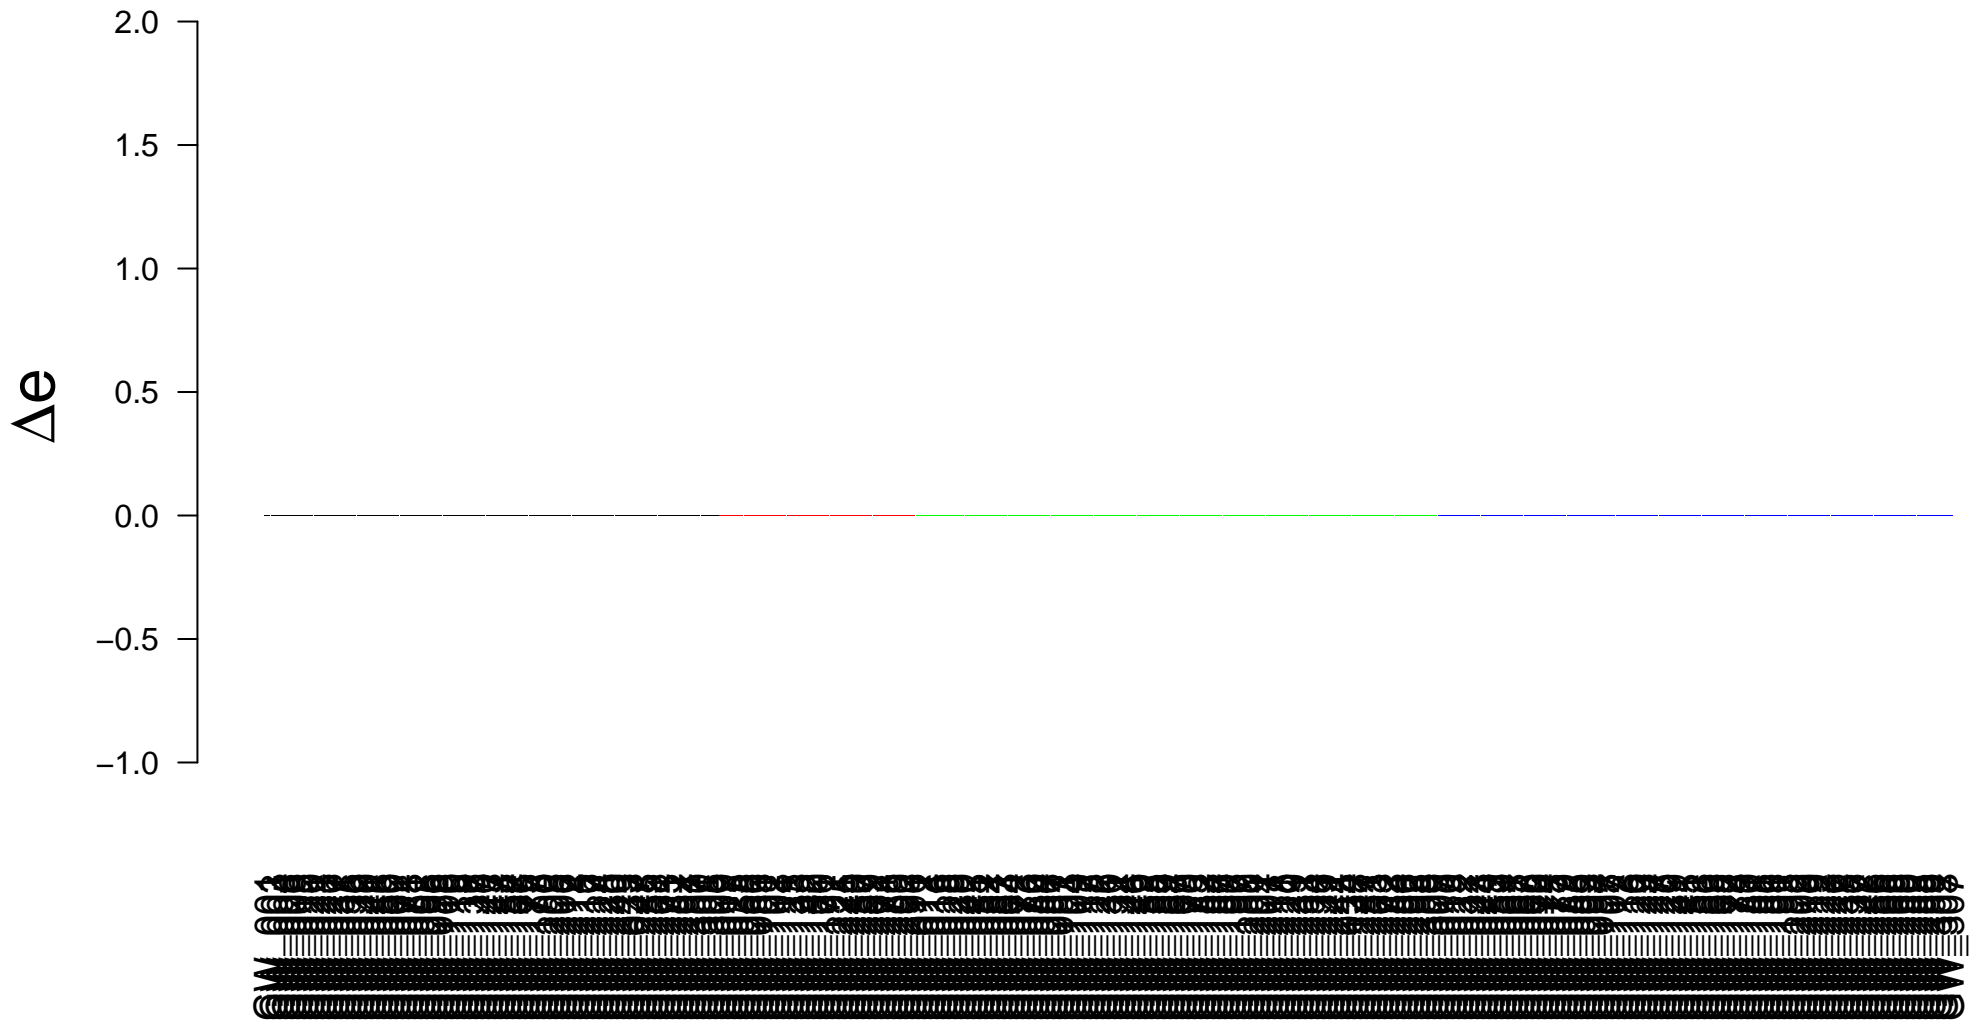

Expression of extrinsic apoptotic signaling pathway via death domain receptors in Spot G

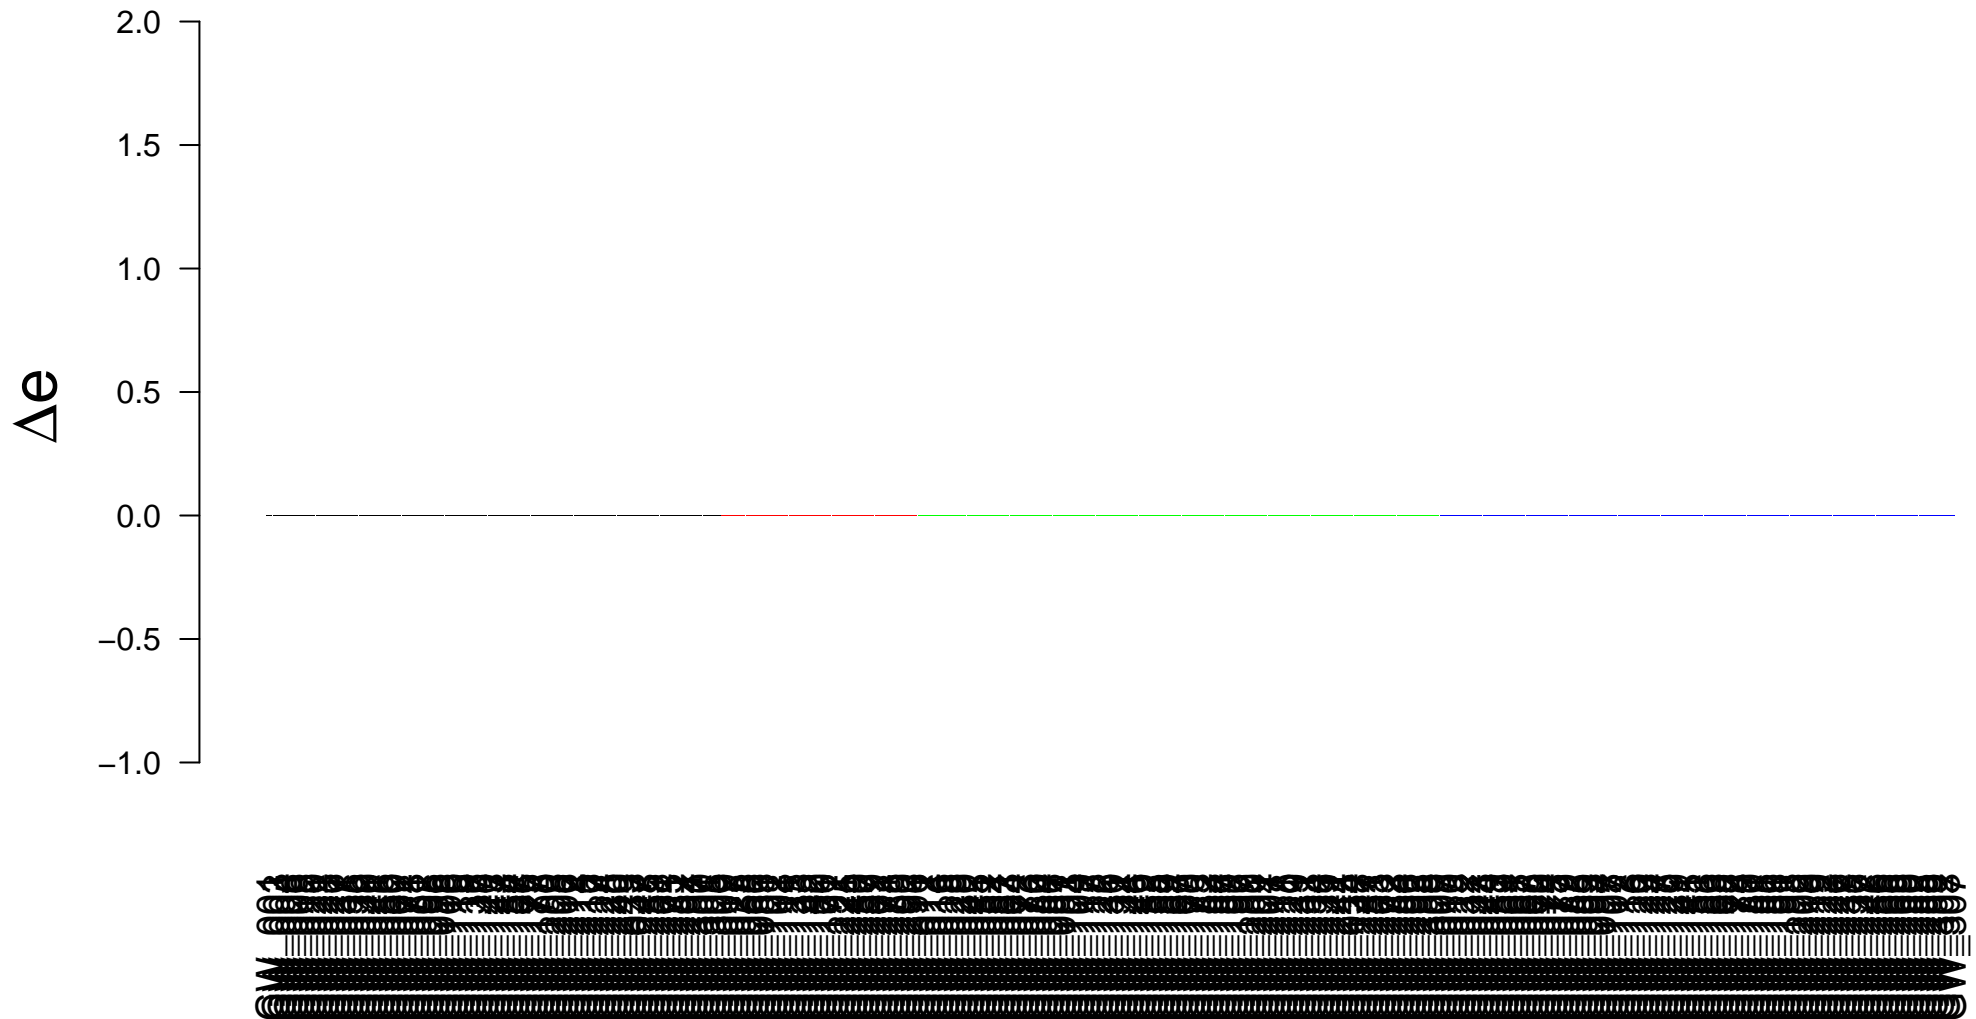

Expression of extrinsic apoptotic signaling pathway via death domain receptors in Spot H

Expression of extrinsic apoptotic signaling pathway via death domain receptors in Spot I

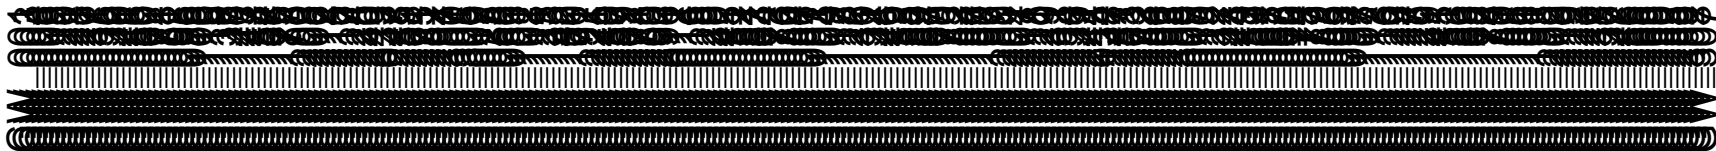

Expression of extrinsic apoptotic signaling pathway via death domain receptors in Spot J

Expression of extrinsic apoptotic signaling pathway via death domain receptors in Spot K
