

fatty acid beta-oxidation

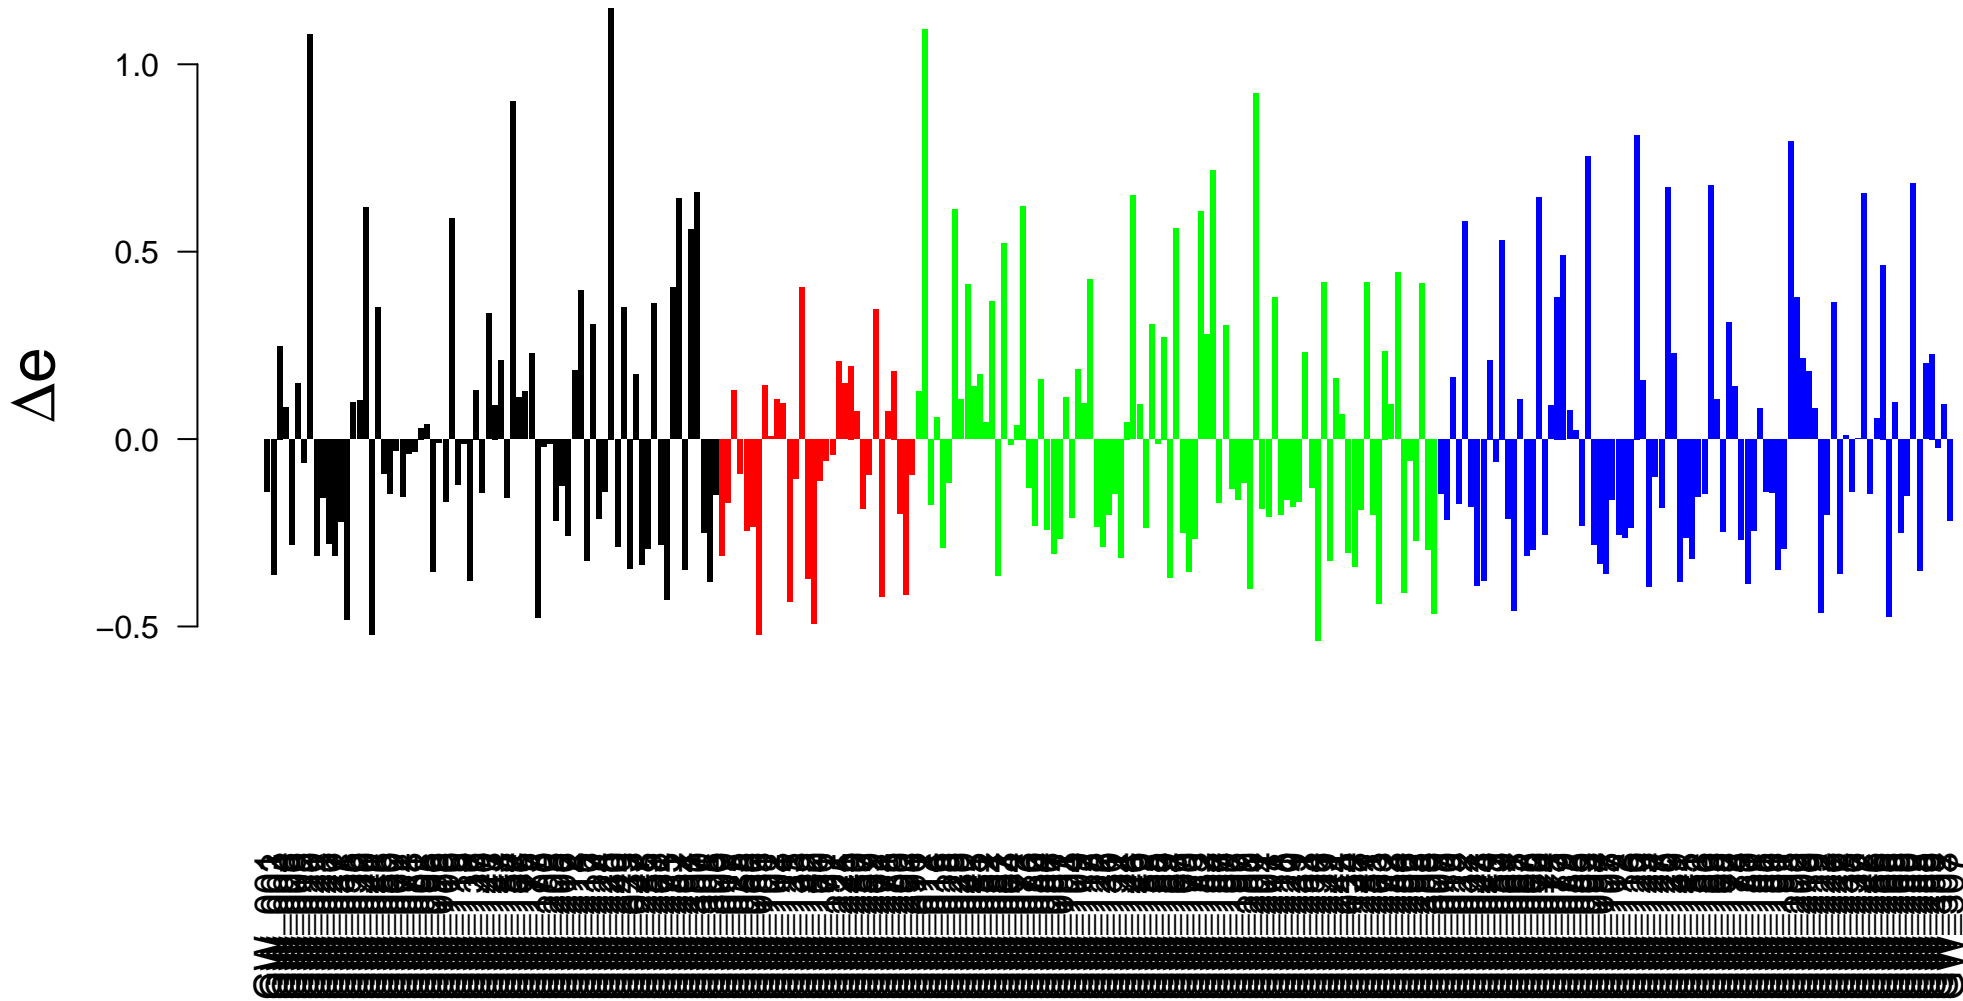

fatty acid beta-oxidation

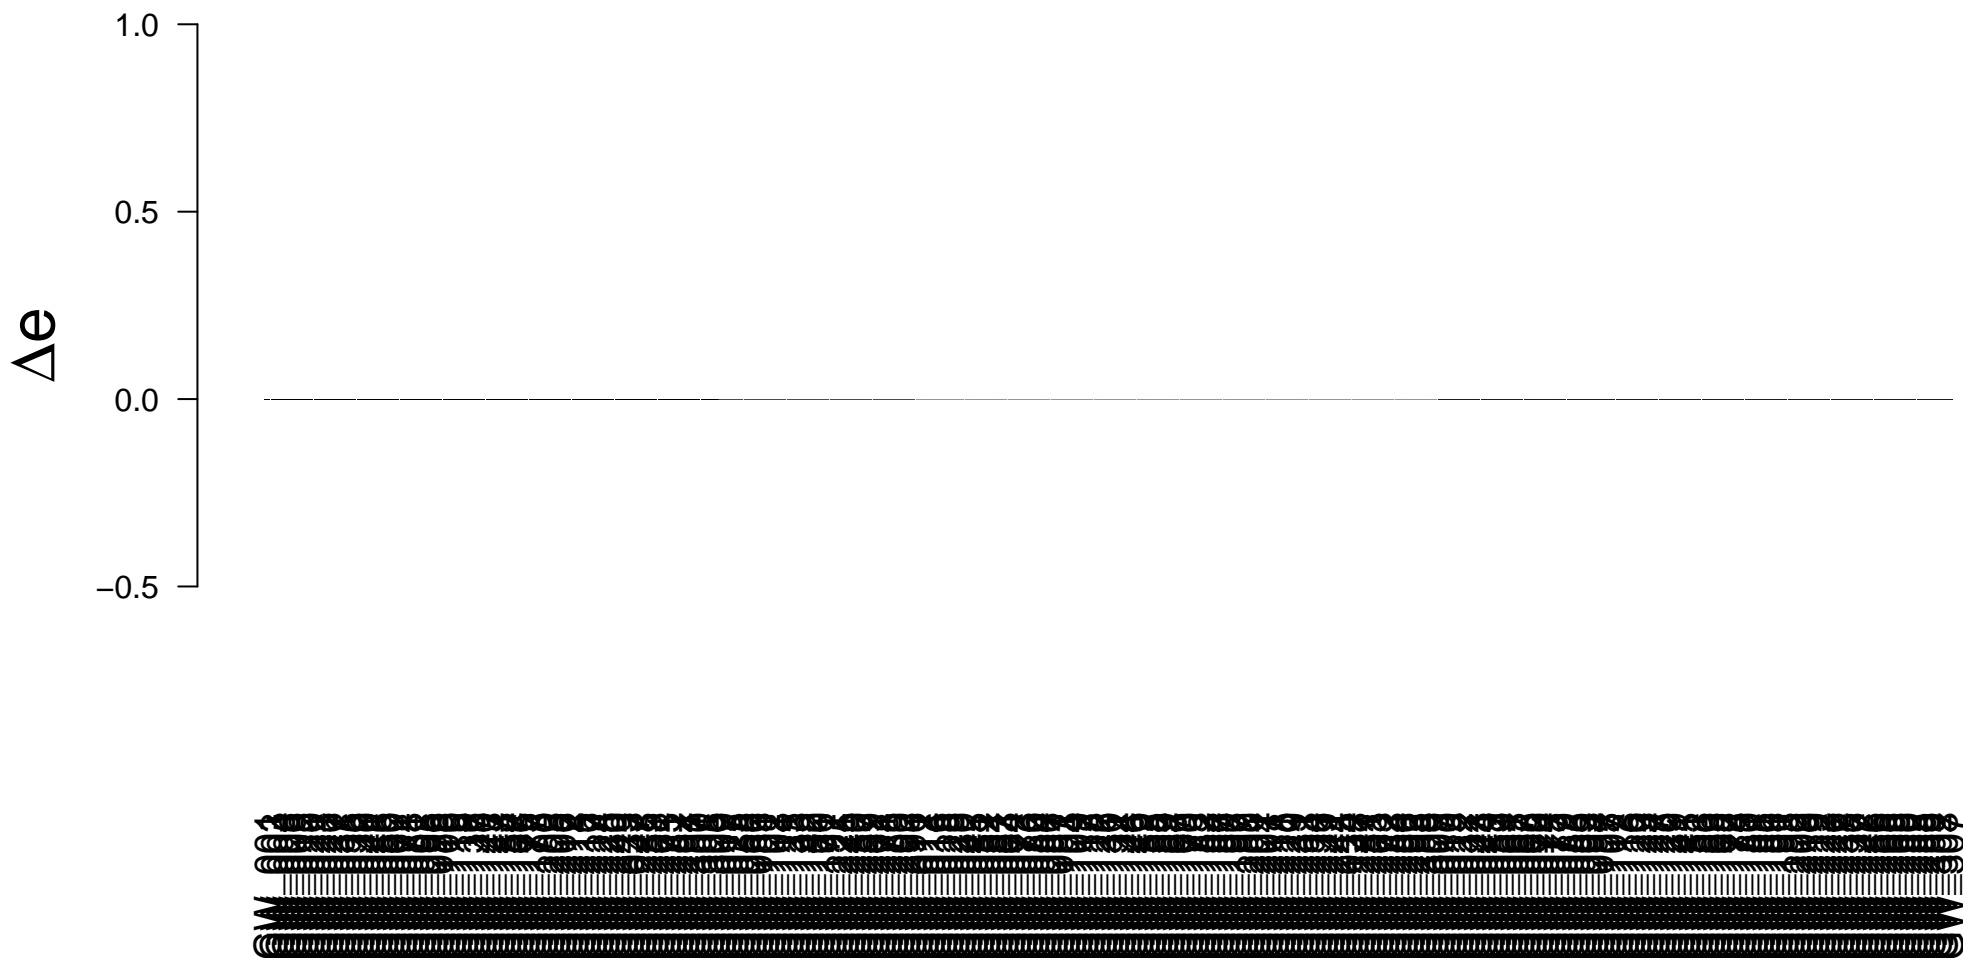

Enrichment in spots: fatty acid beta-oxidation

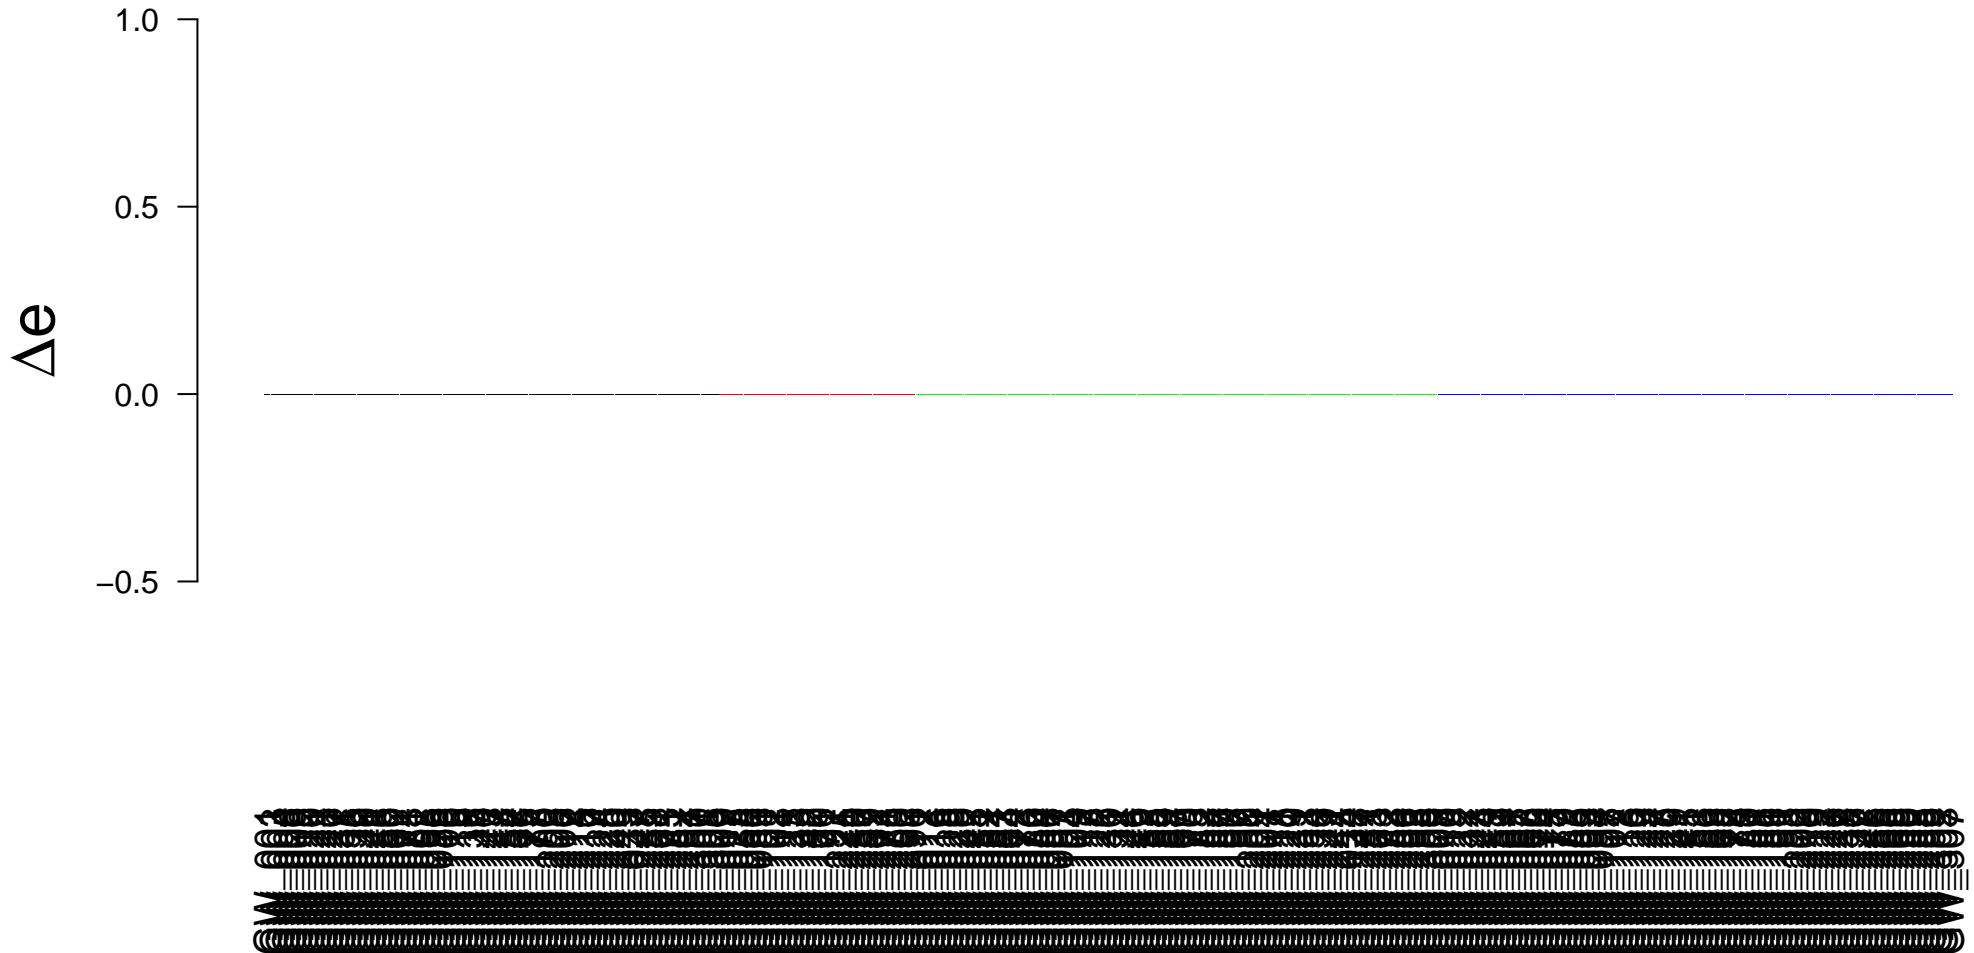

Expression of fatty acid beta-oxidation in Spot A

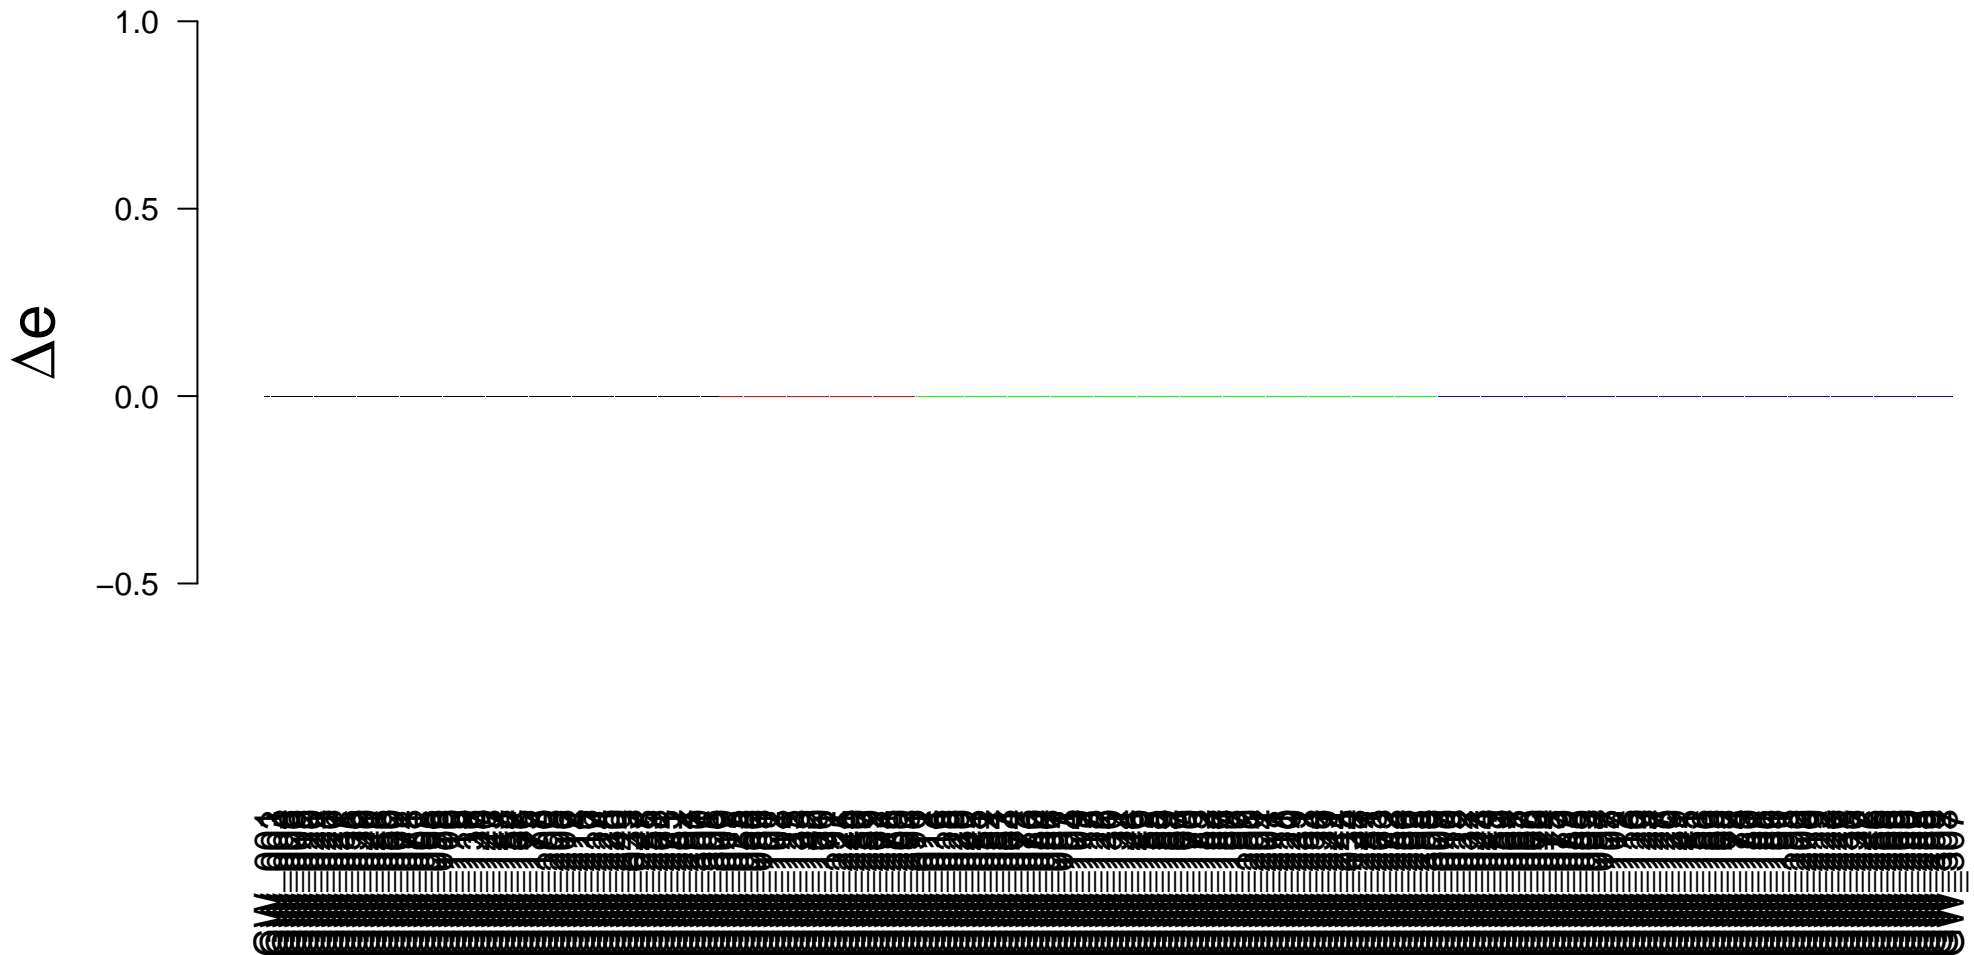

Expression of fatty acid beta-oxidation in Spot B

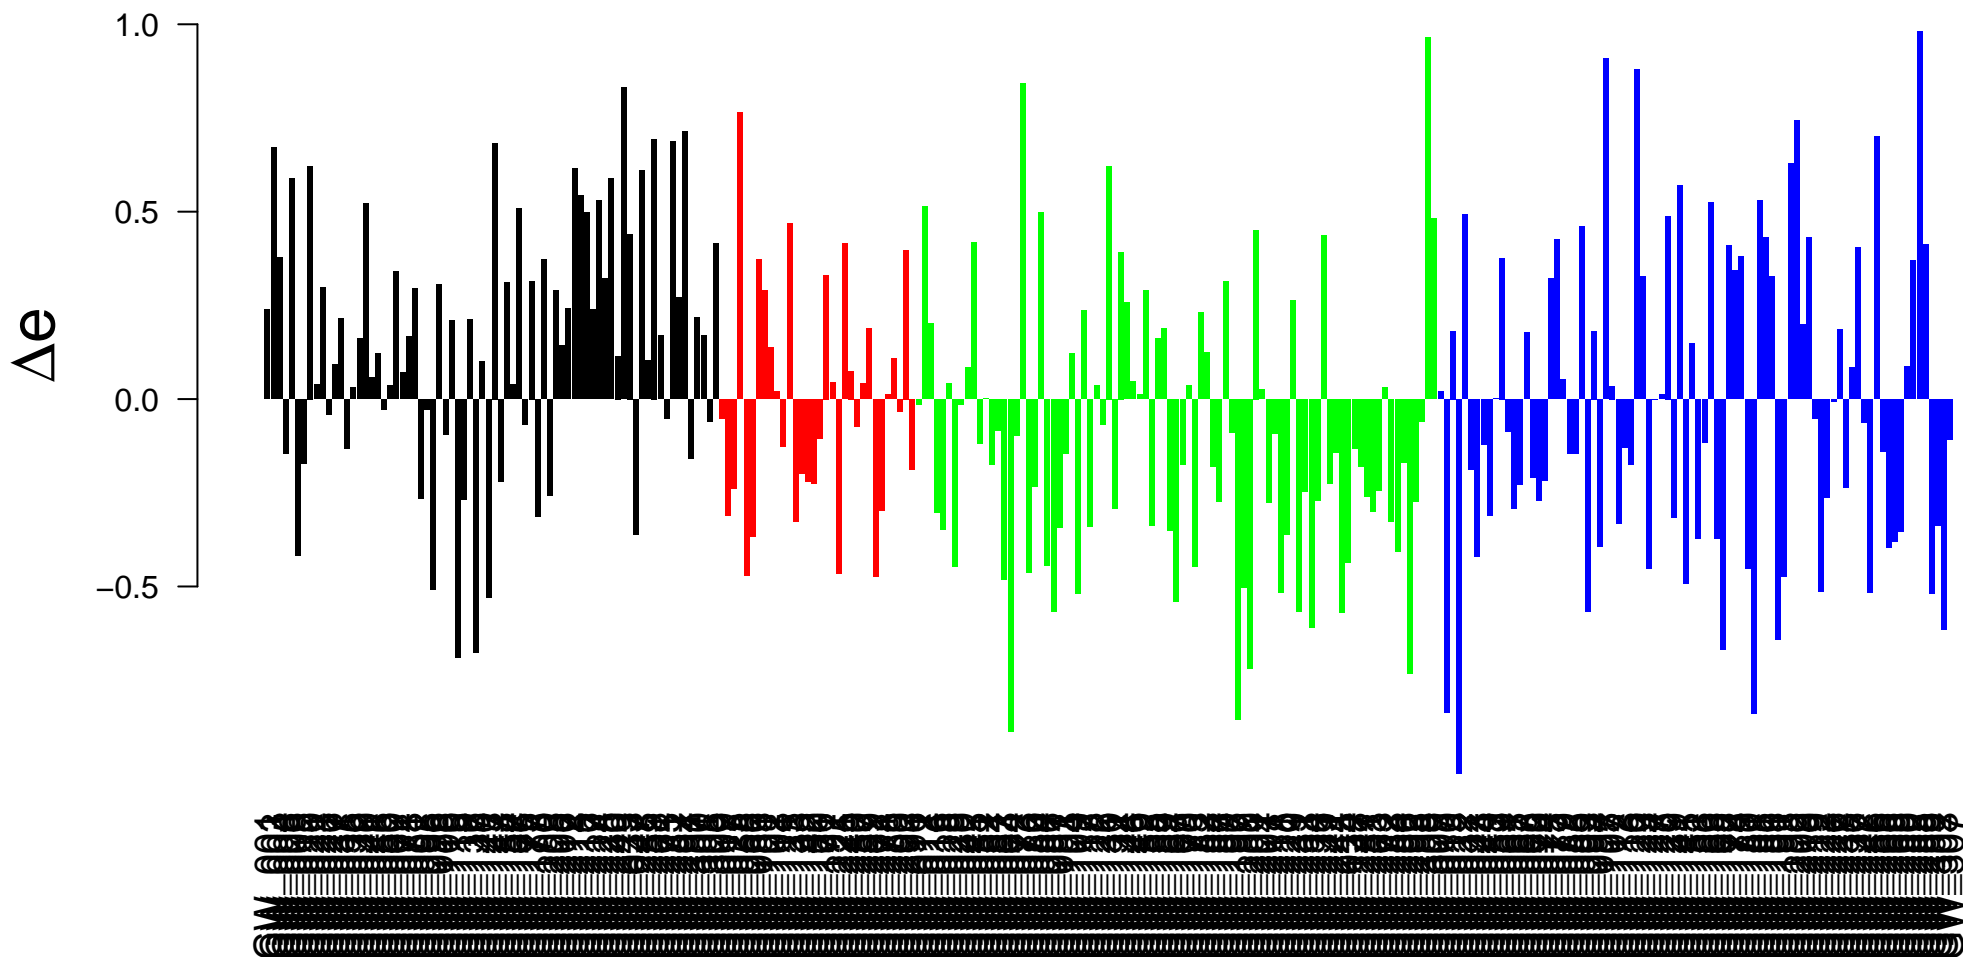

Expression of fatty acid beta-oxidation in Spot C

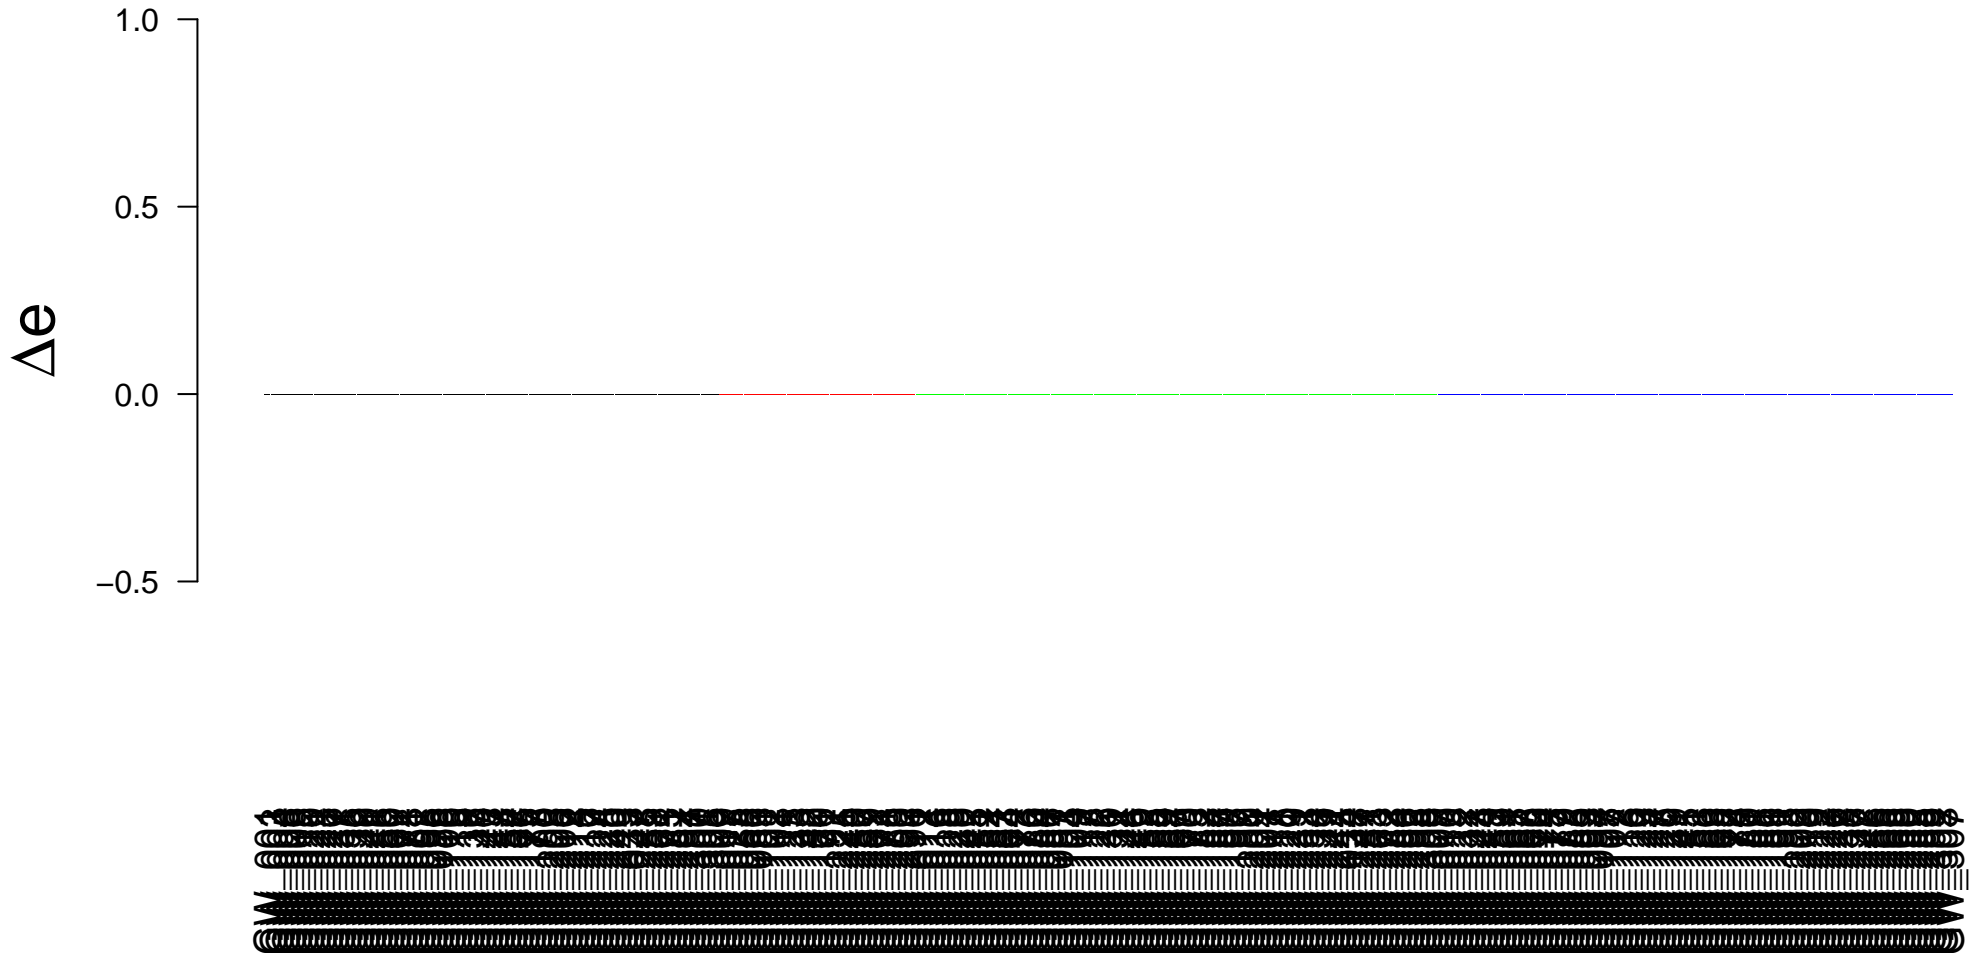

Expression of fatty acid beta-oxidation in Spot D

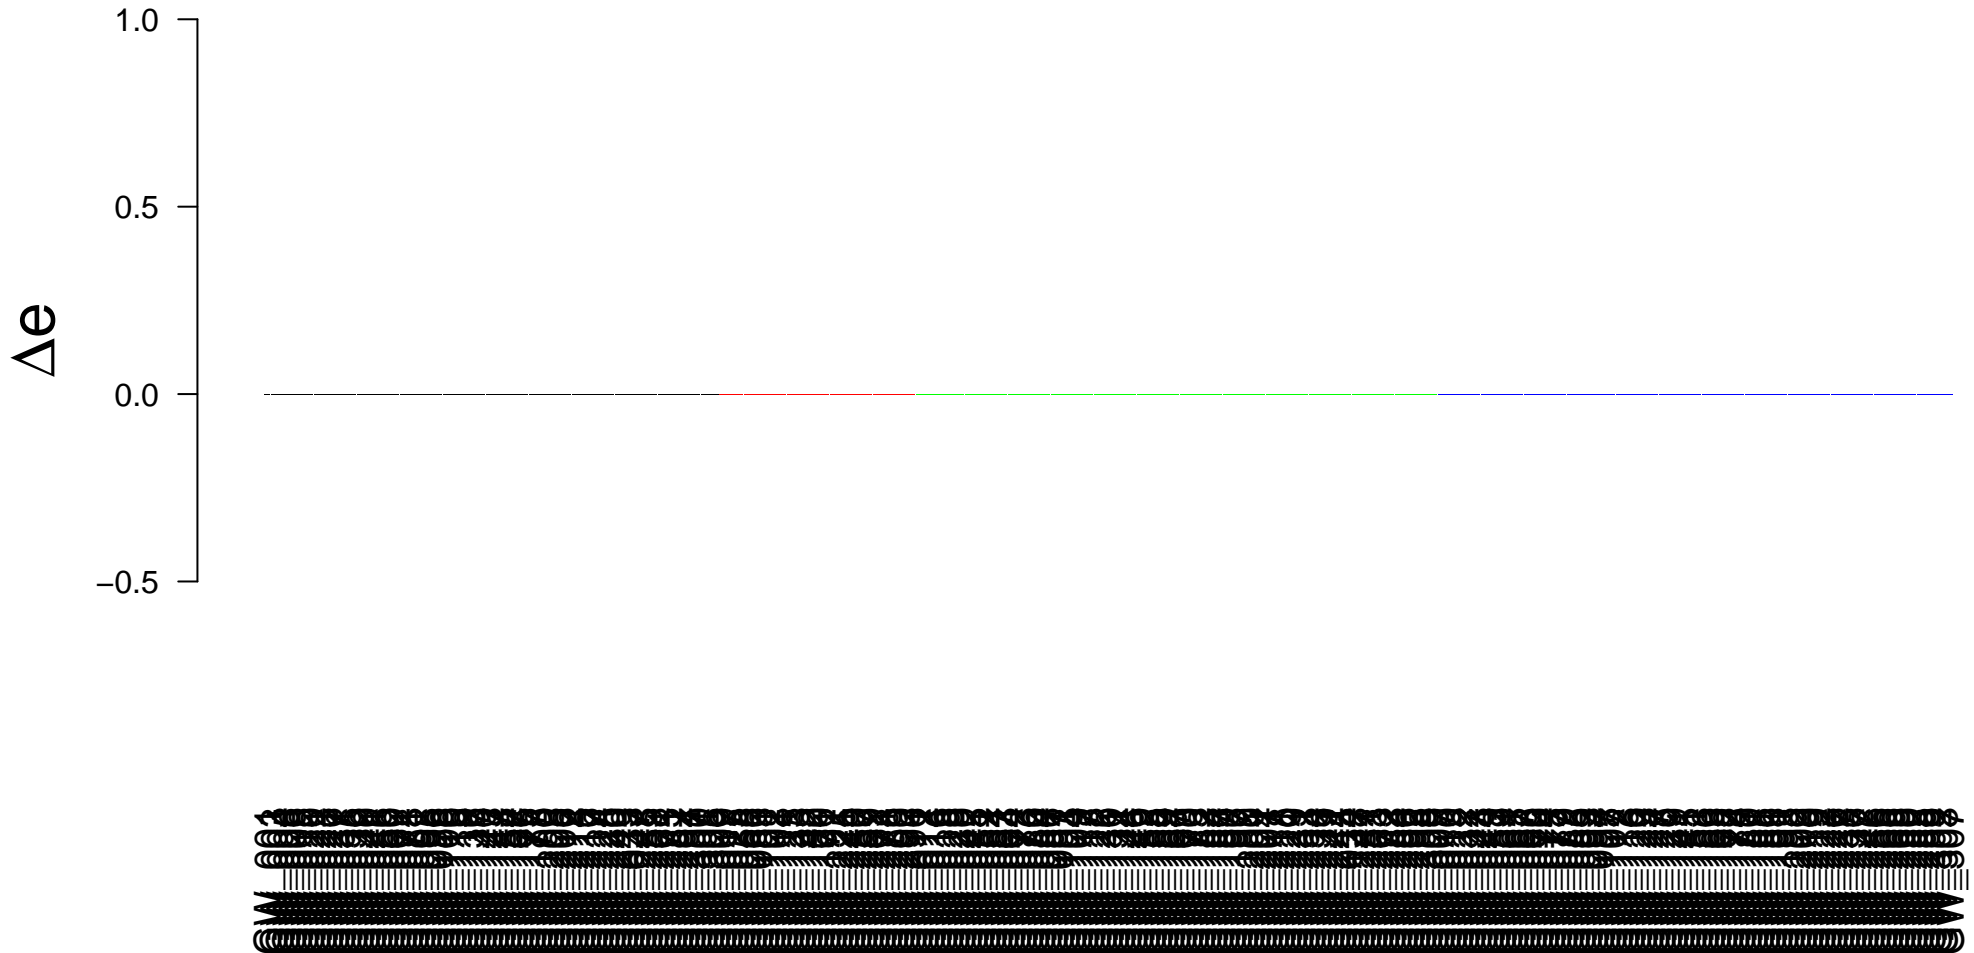

Expression of fatty acid beta-oxidation in Spot E

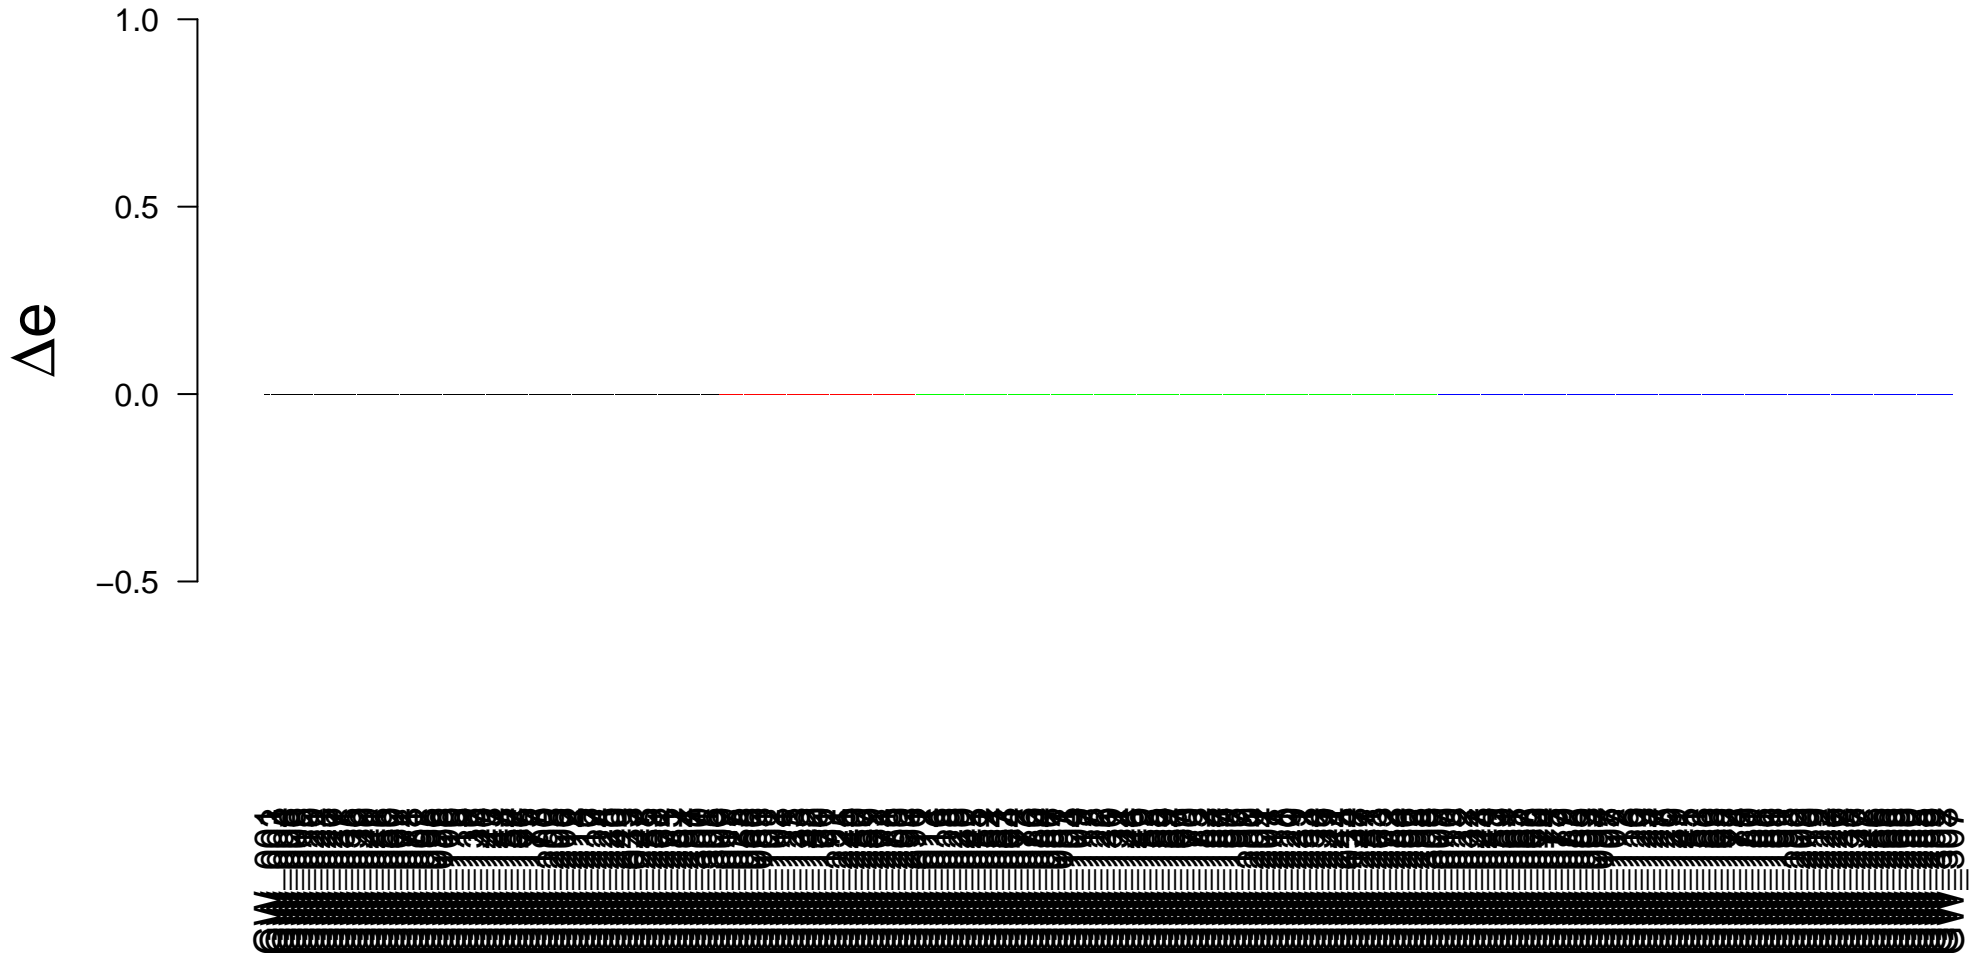

Expression of fatty acid beta-oxidation in Spot F

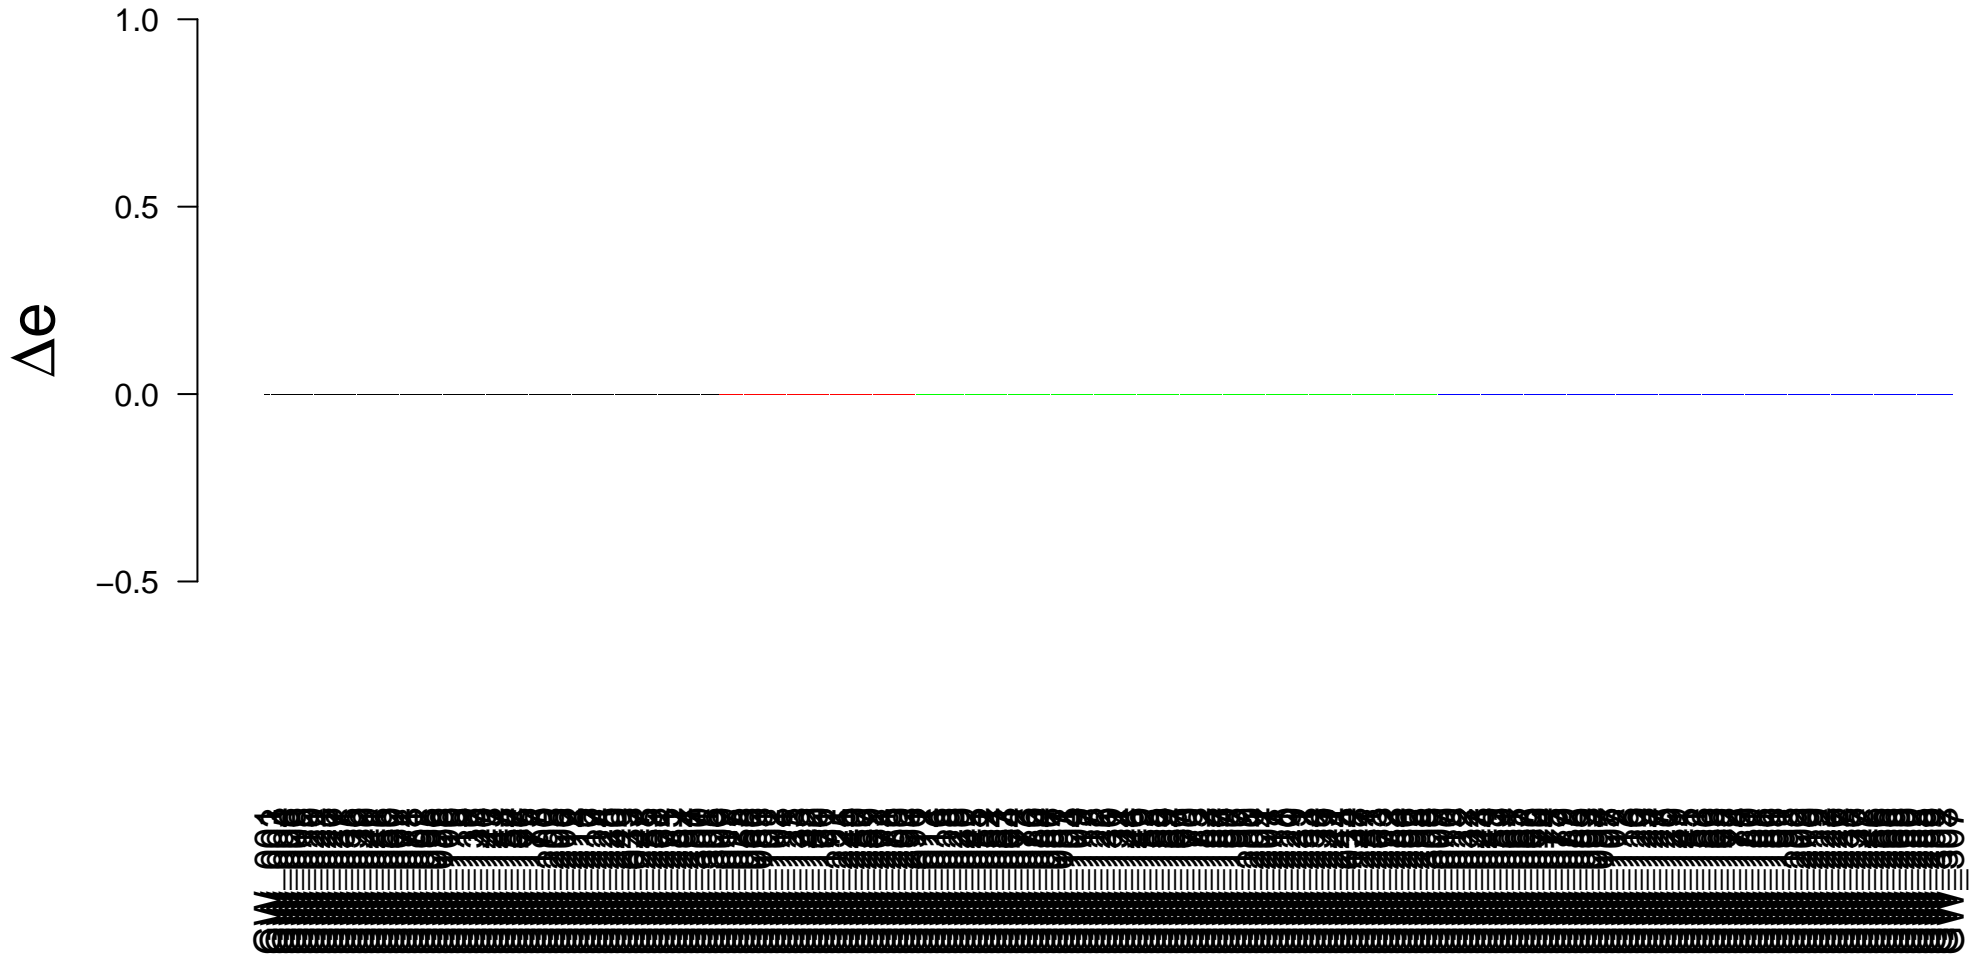

Expression of fatty acid beta-oxidation in Spot G

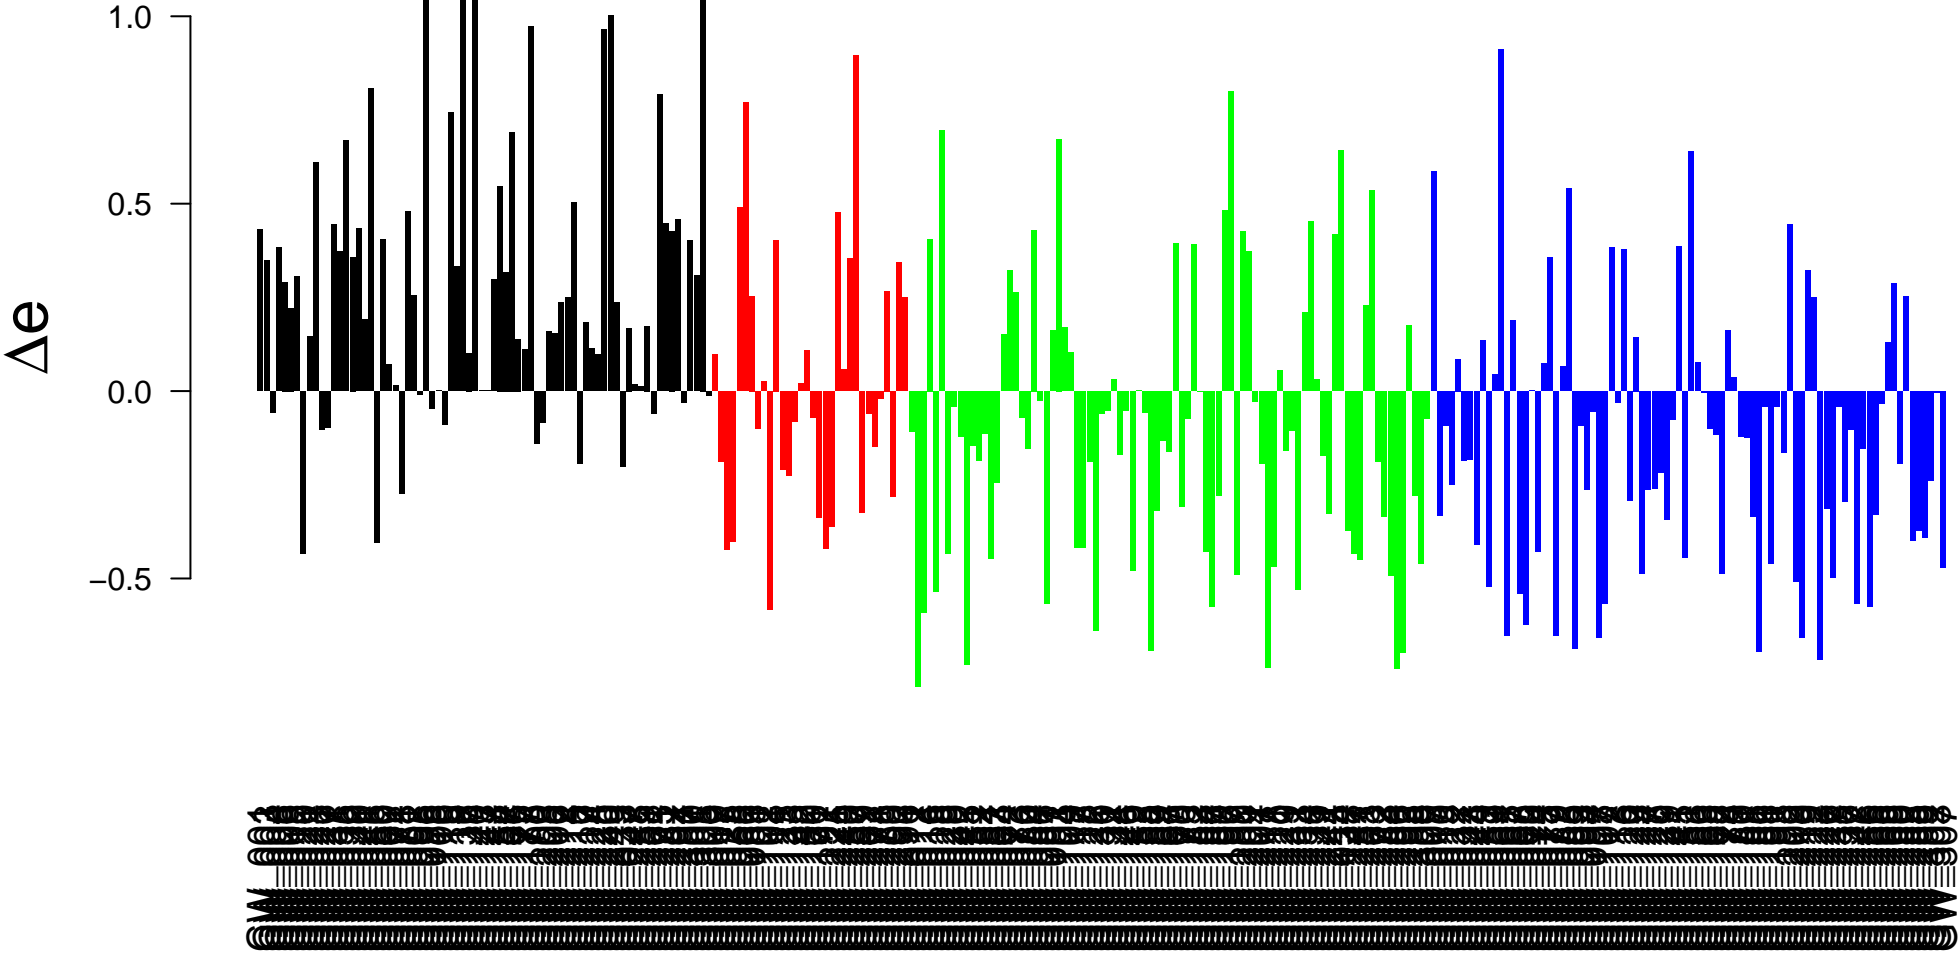

Expression of fatty acid beta-oxidation in Spot H

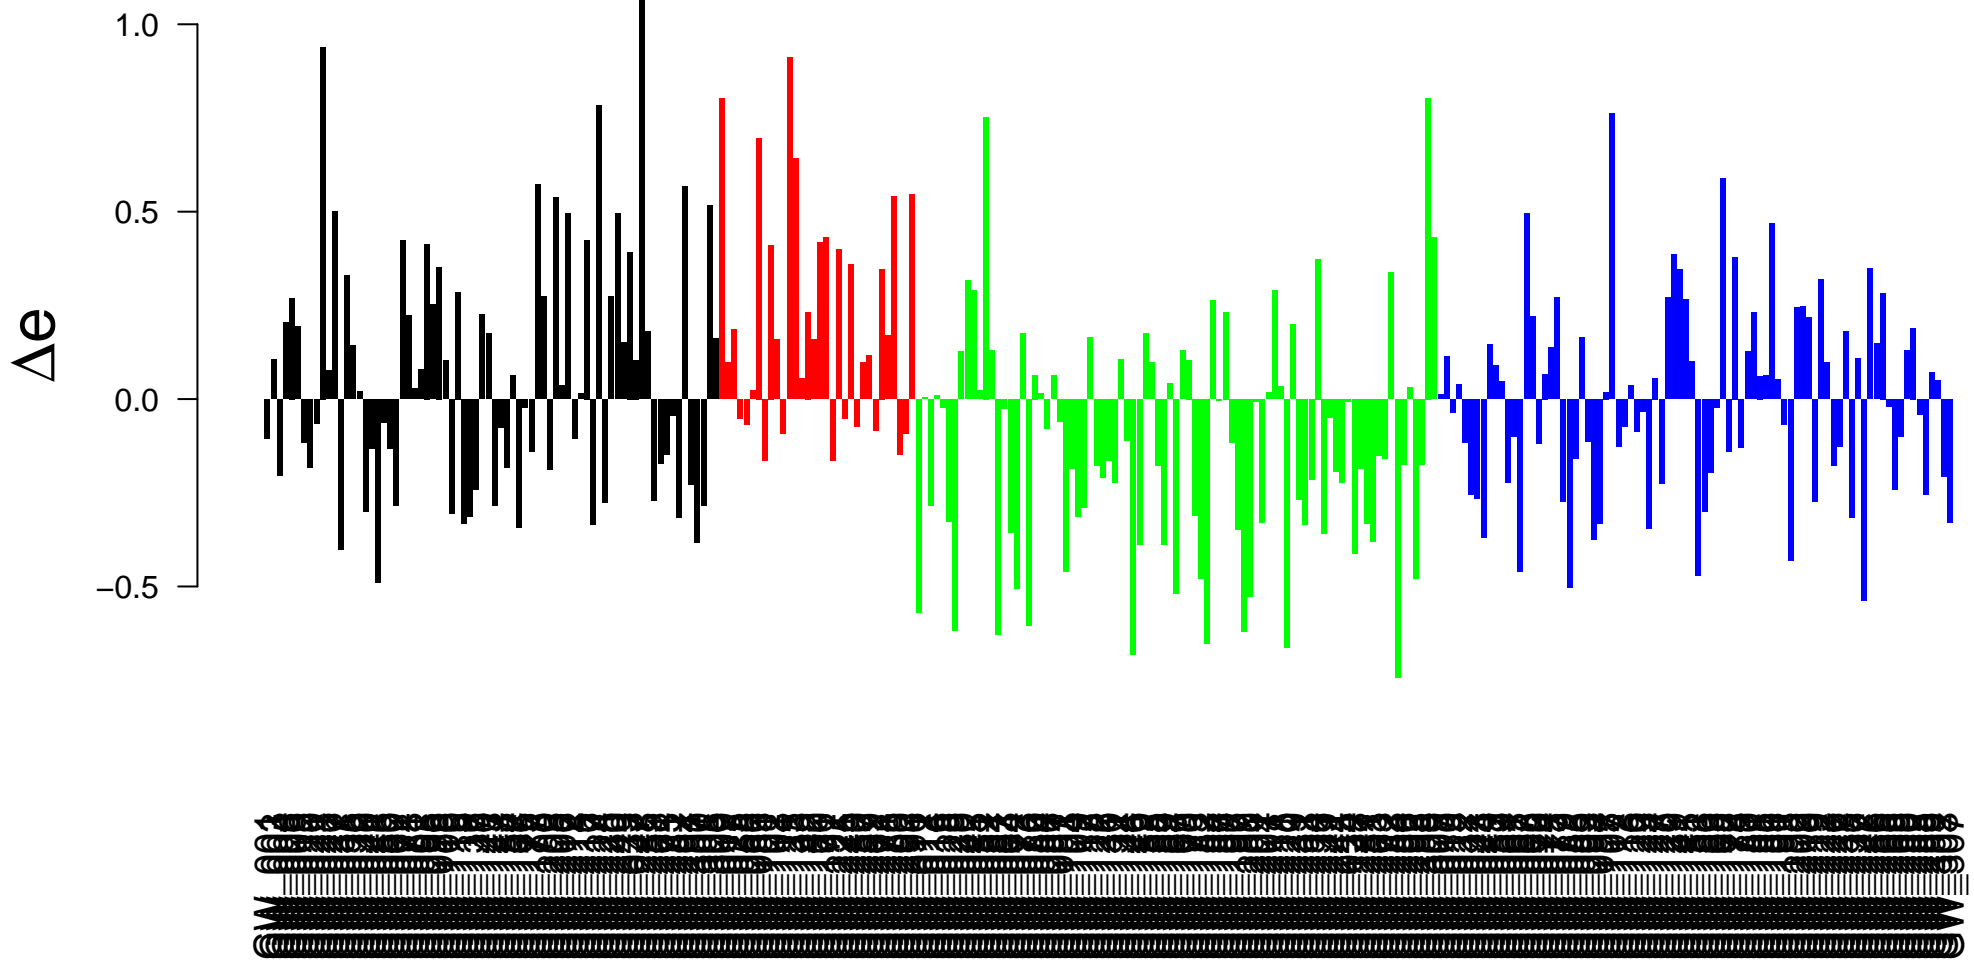

Expression of fatty acid beta-oxidation in Spot I

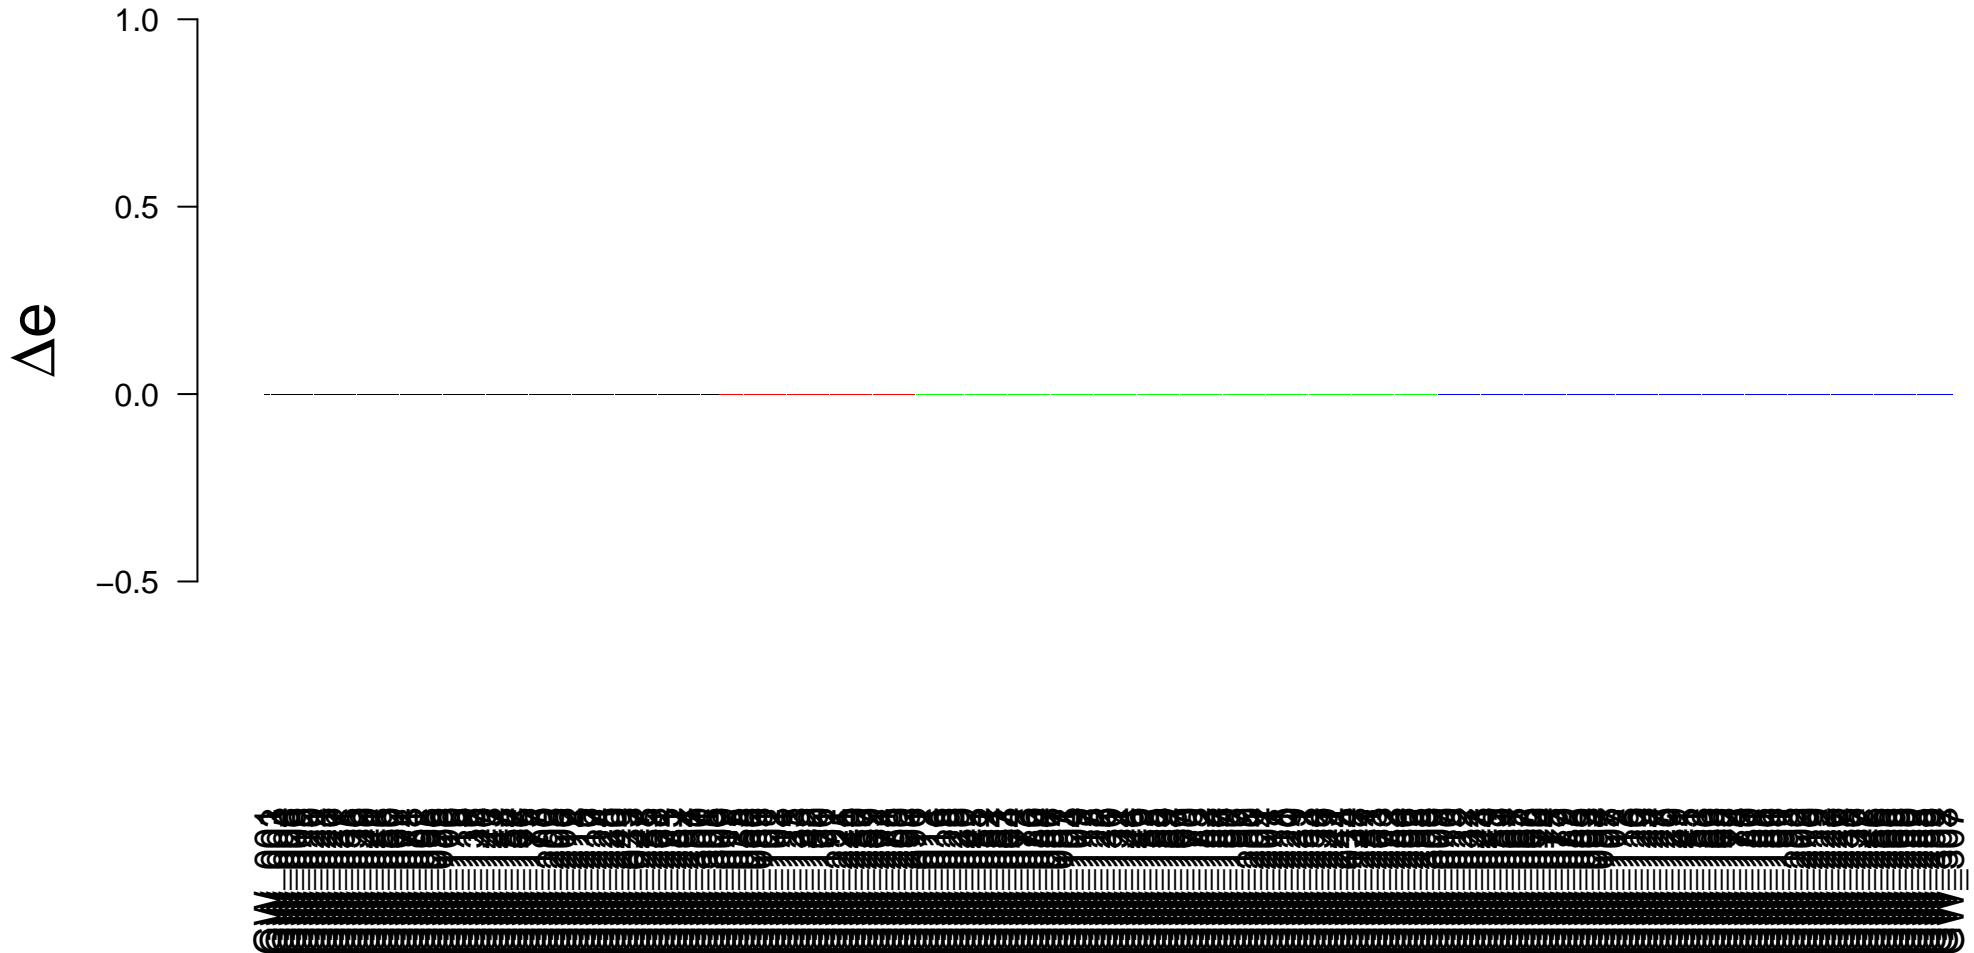

Expression of fatty acid beta-oxidation in Spot J

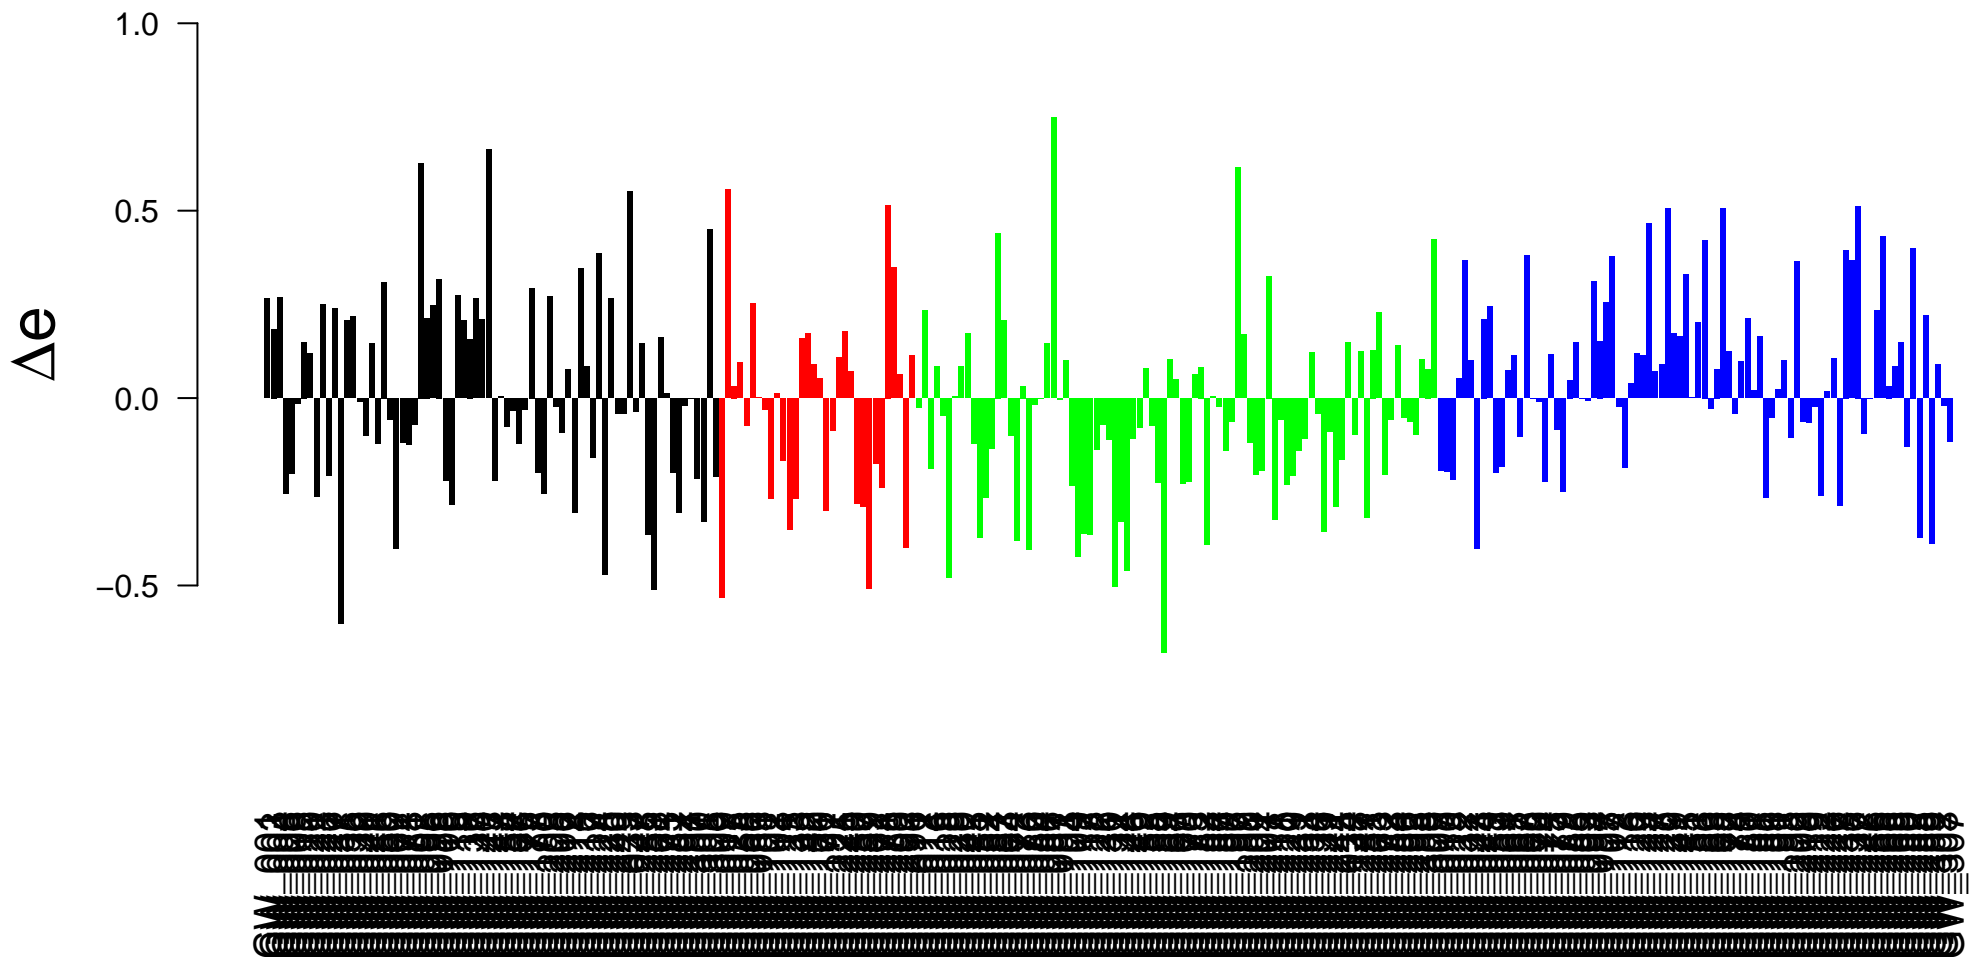

Expression of fatty acid beta-oxidation in Spot K

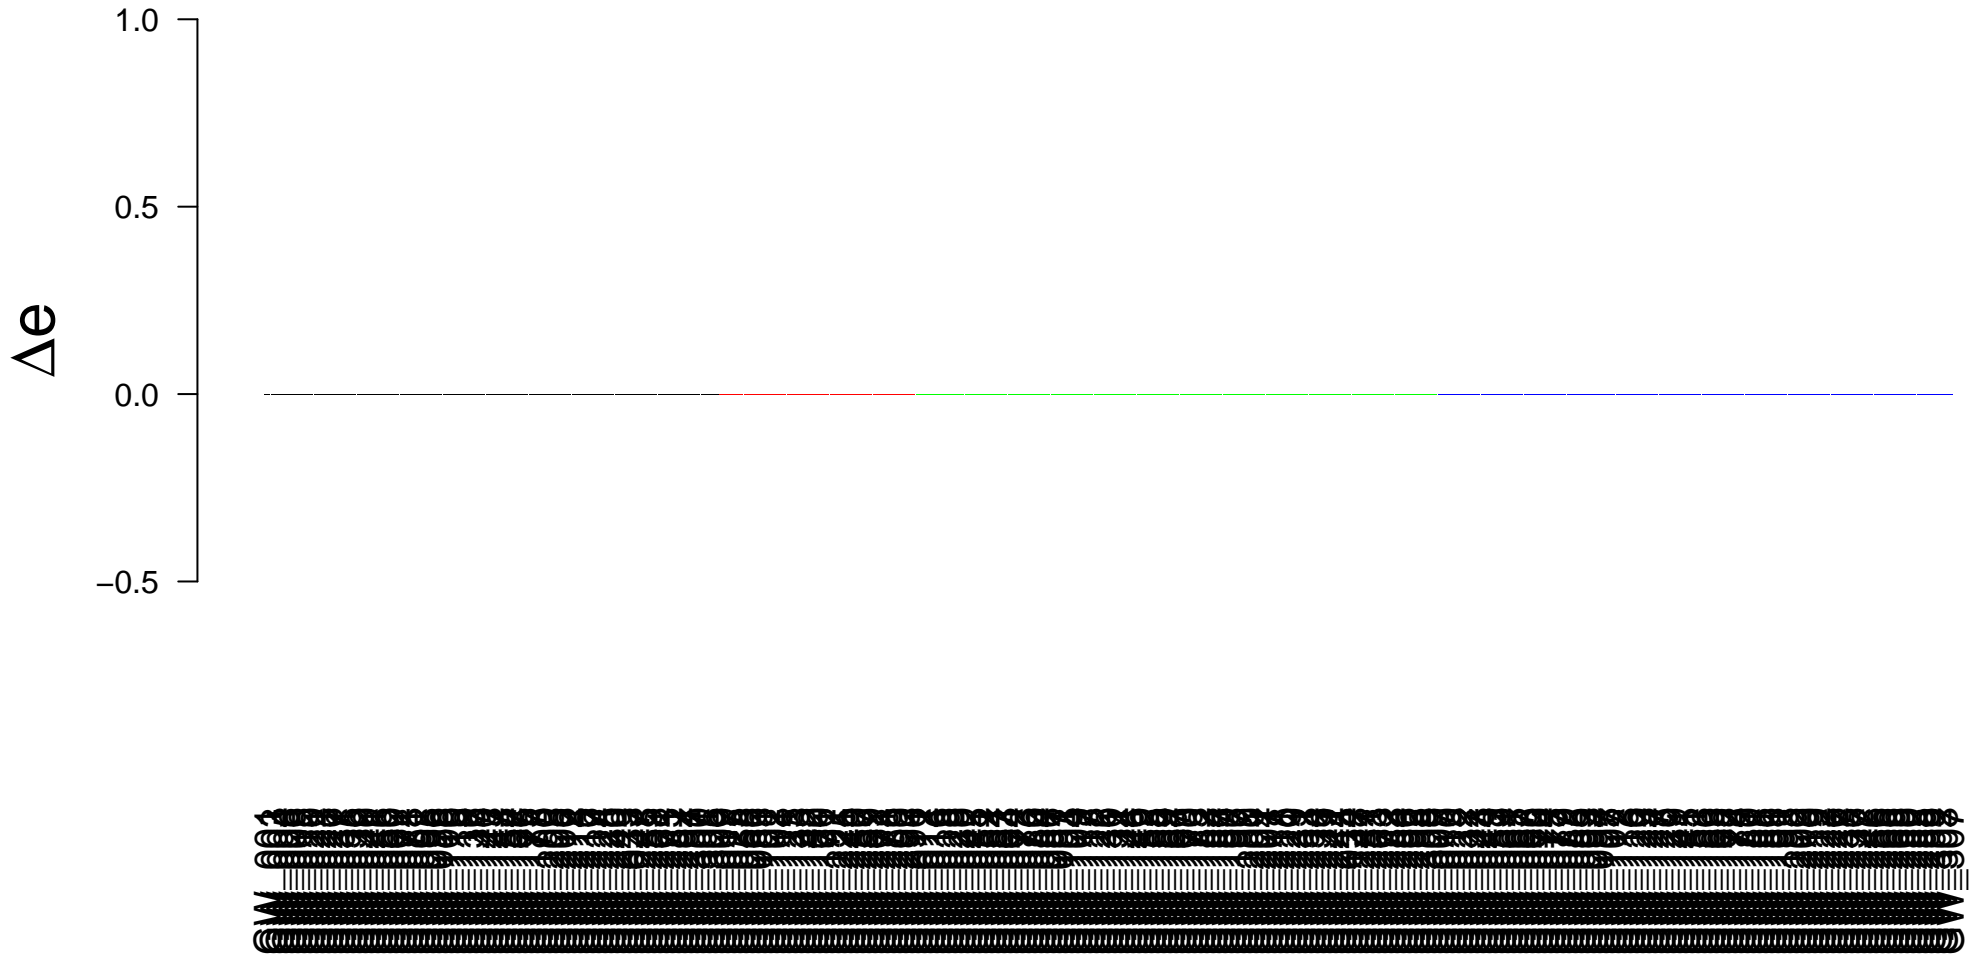

Expression of fatty acid beta-oxidation in Spot L

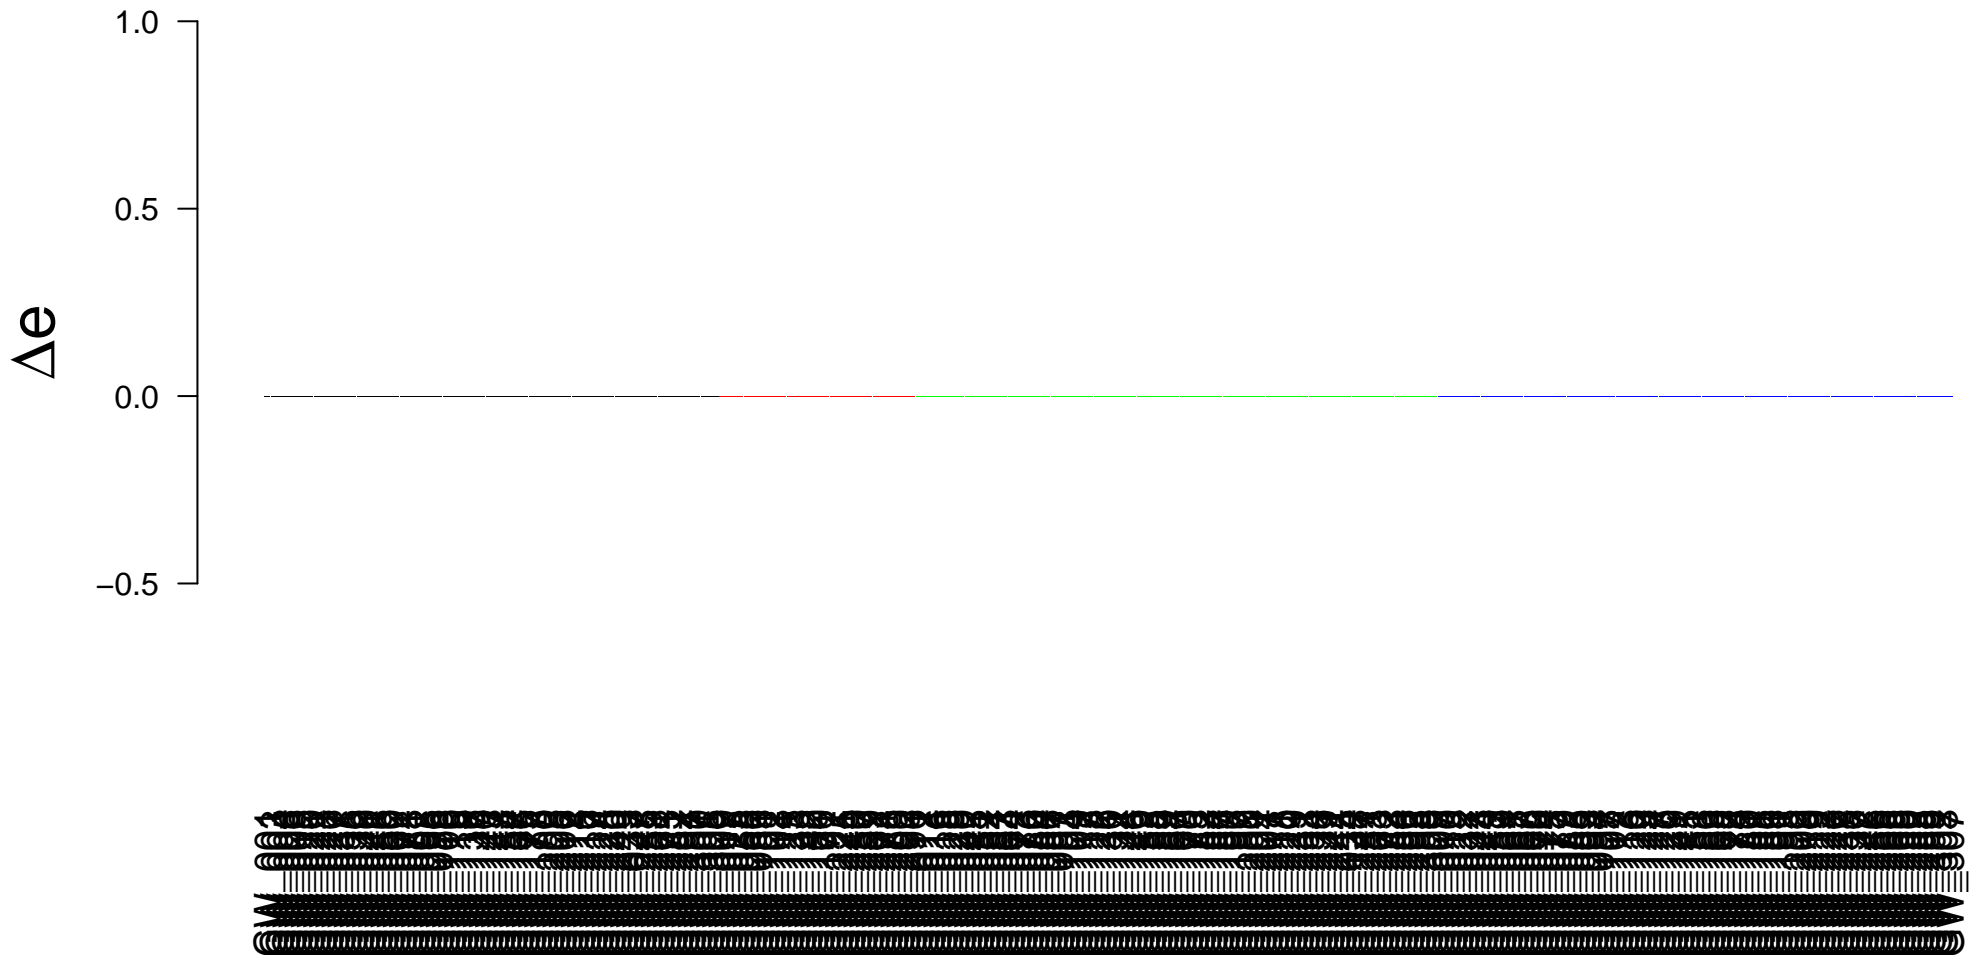

Expression of fatty acid beta-oxidation in Spot M

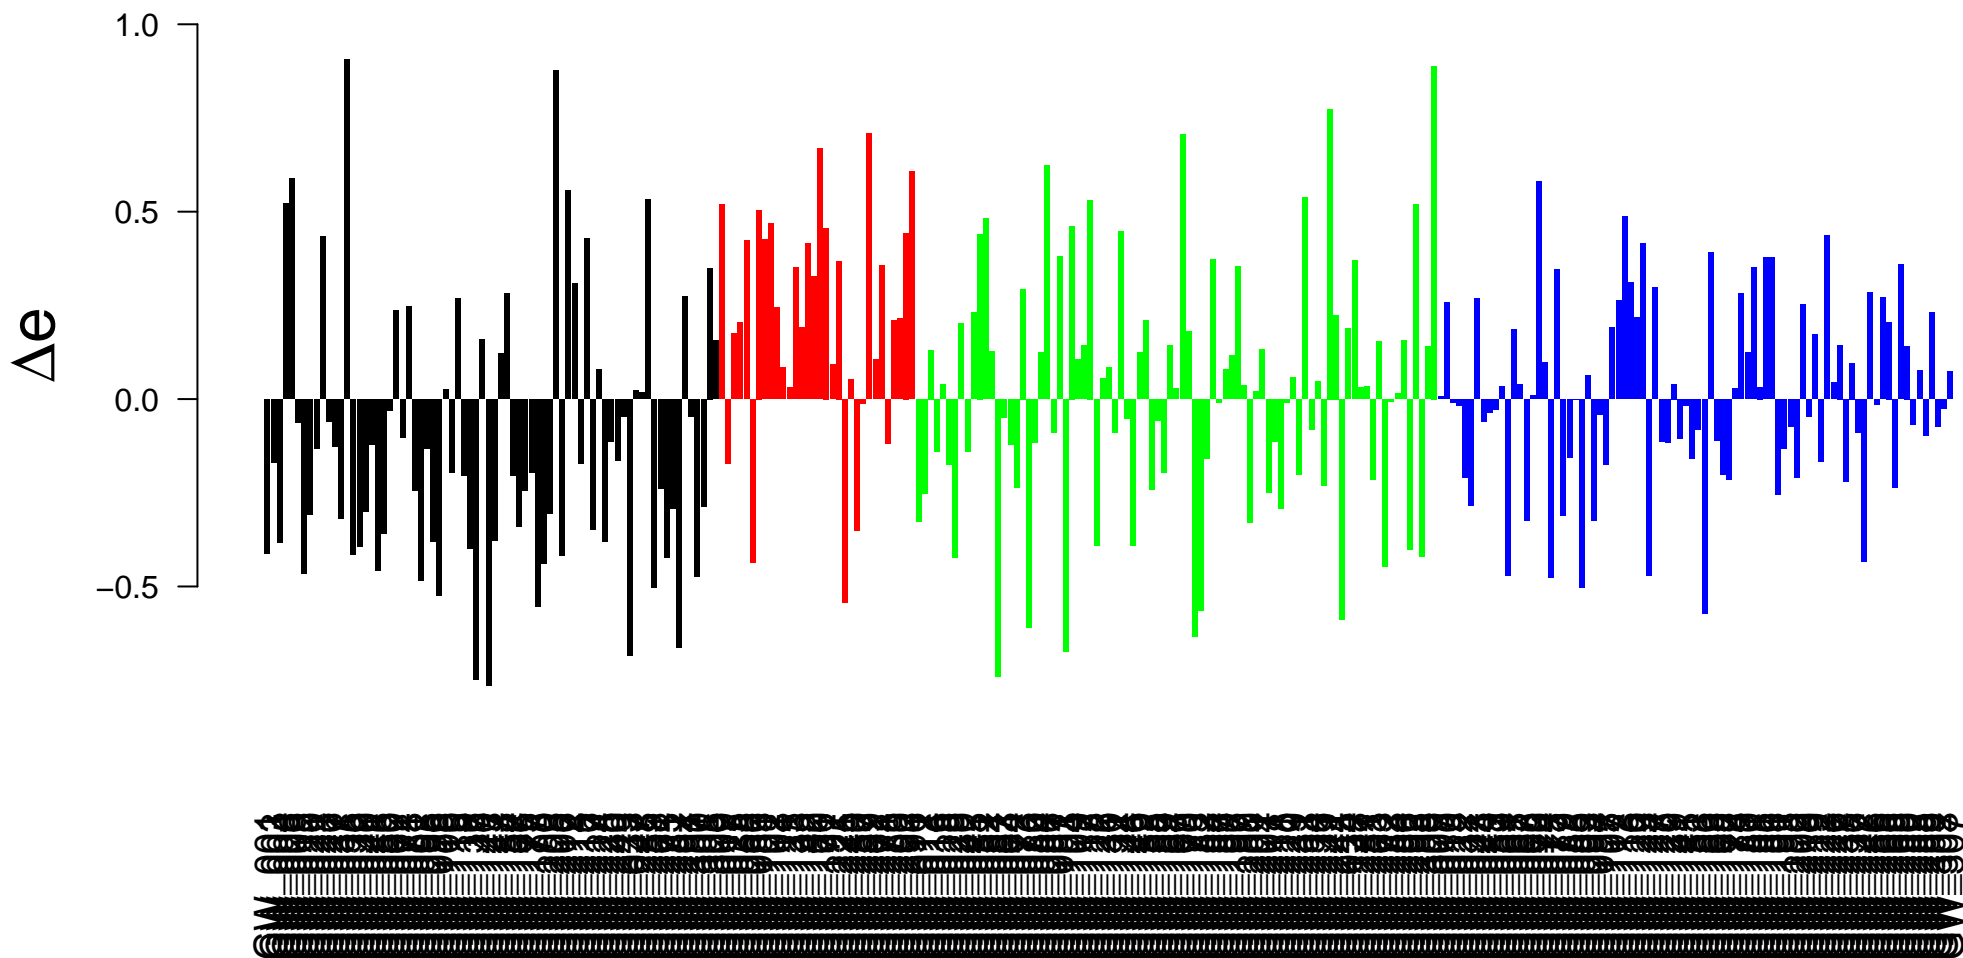

Expression of fatty acid beta-oxidation in Spot N

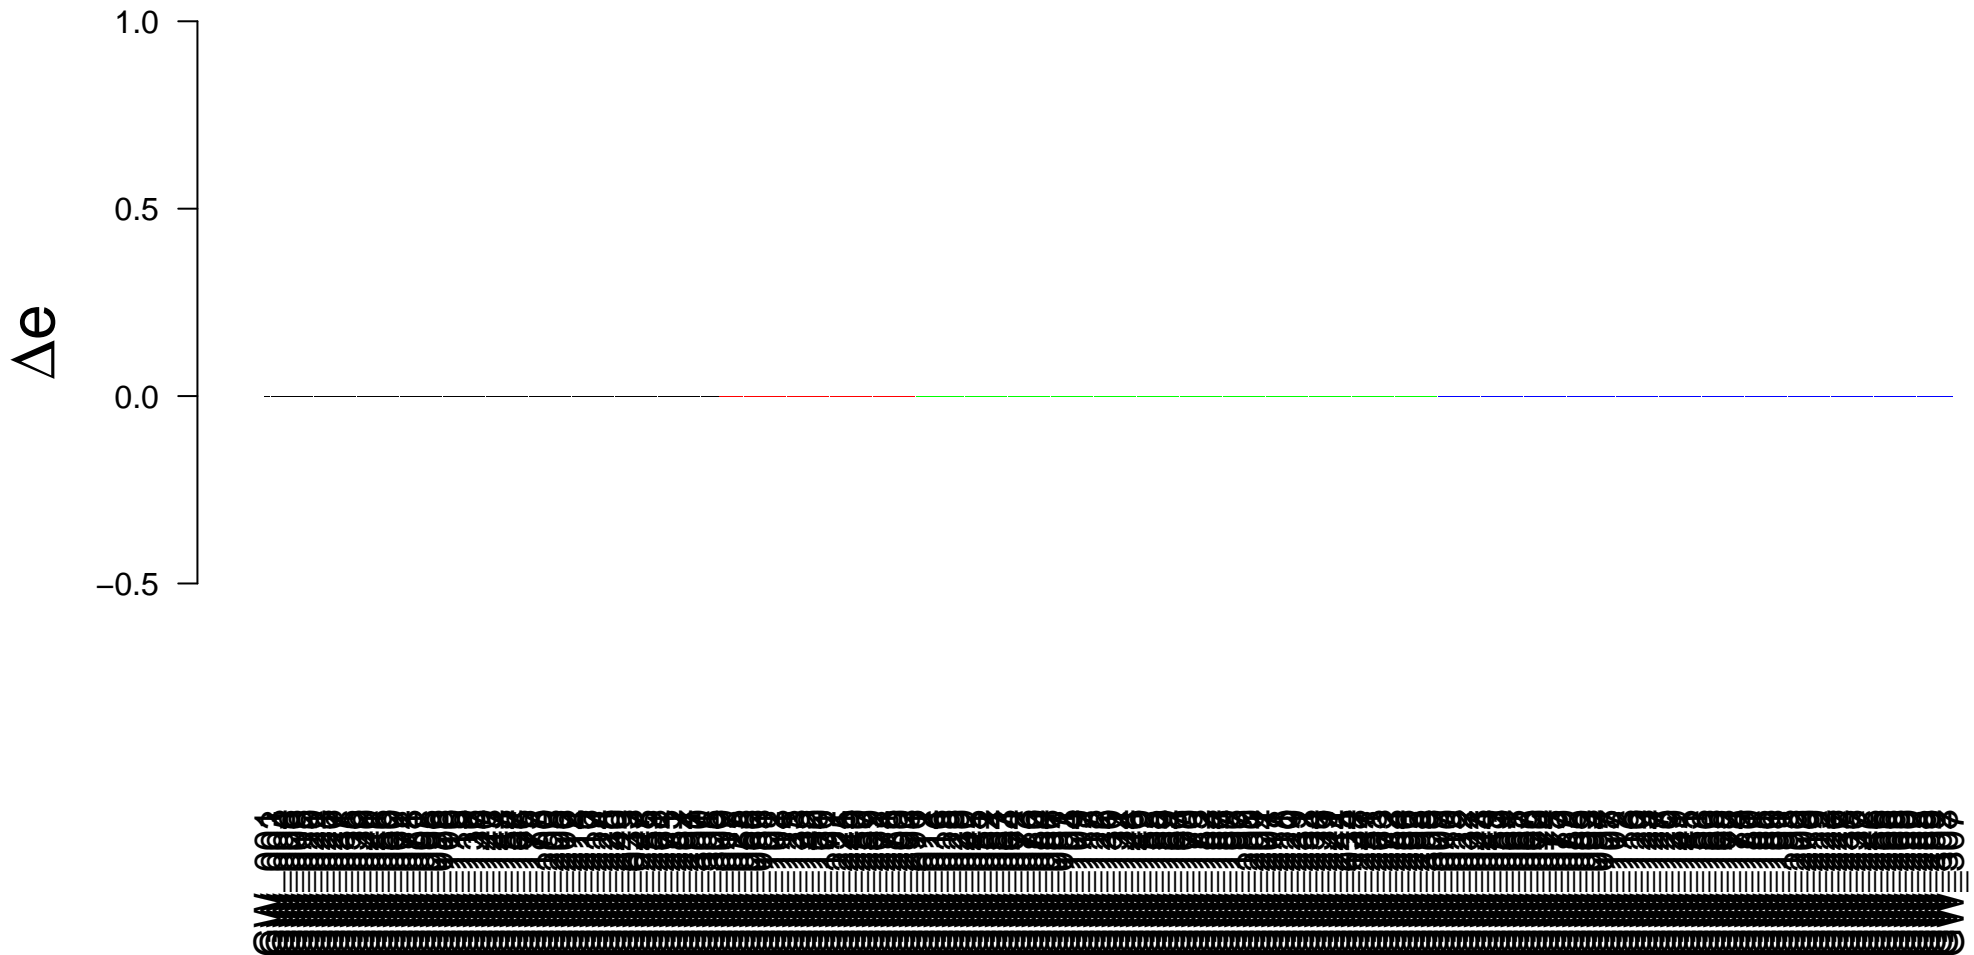

Expression of fatty acid beta-oxidation in Spot O

Expression of fatty acid beta-oxidation in Spot P

Expression of fatty acid beta-oxidation in Spot Q

Expression of fatty acid beta-oxidation in Spot R
