

# fatty acid binding

# fatty acid binding

### Enrichment in spots: fatty acid binding

# Expression of fatty acid binding in Spot A

# Expression of fatty acid binding in Spot B

# Expression of fatty acid binding in Spot C

# Expression of fatty acid binding in Spot D

# Expression of fatty acid binding in Spot E

# Expression of fatty acid binding in Spot F

# Expression of fatty acid binding in Spot G

$\Delta e$

# Expression of fatty acid binding in Spot H

# Expression of fatty acid binding in Spot I

# Expression of fatty acid binding in Spot J

# Expression of fatty acid binding in Spot K

# Expression of fatty acid binding in Spot L

# Expression of fatty acid binding in Spot M

# Expression of fatty acid binding in Spot N

# Expression of fatty acid binding in Spot O

$\Delta e$

# Expression of fatty acid binding in Spot P

# Expression of fatty acid binding in Spot Q

# Expression of fatty acid binding in Spot R
