

# fatty acid homeostasis

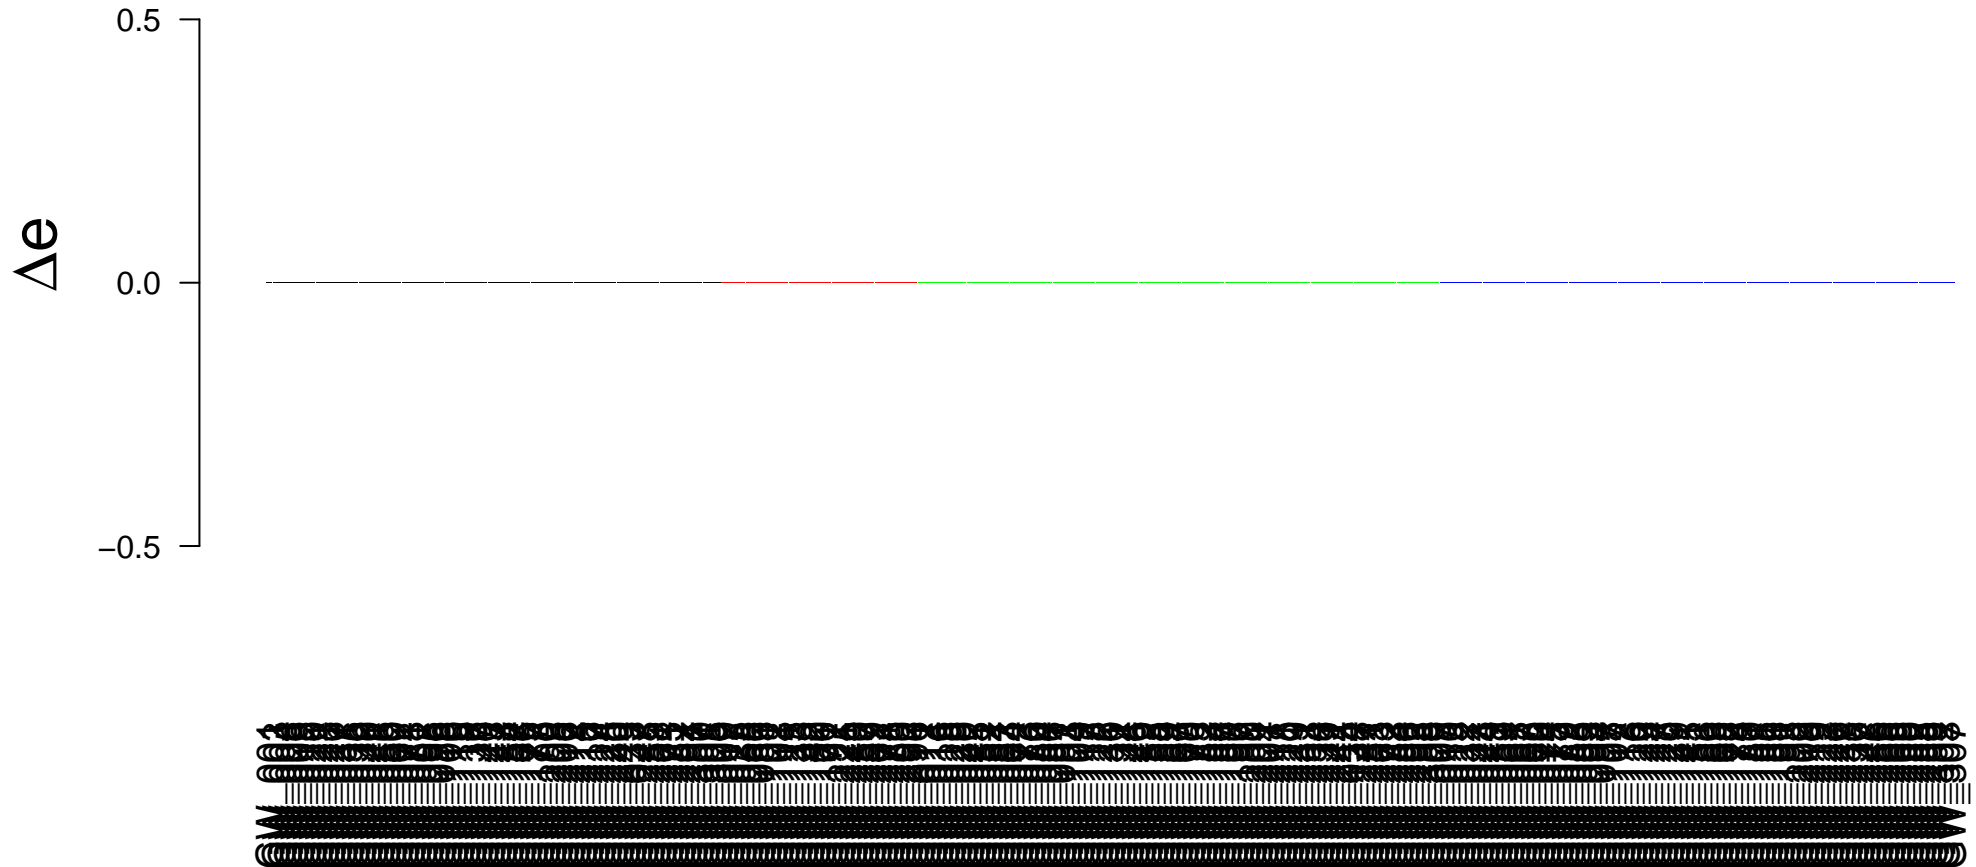

# fatty acid homeostasis

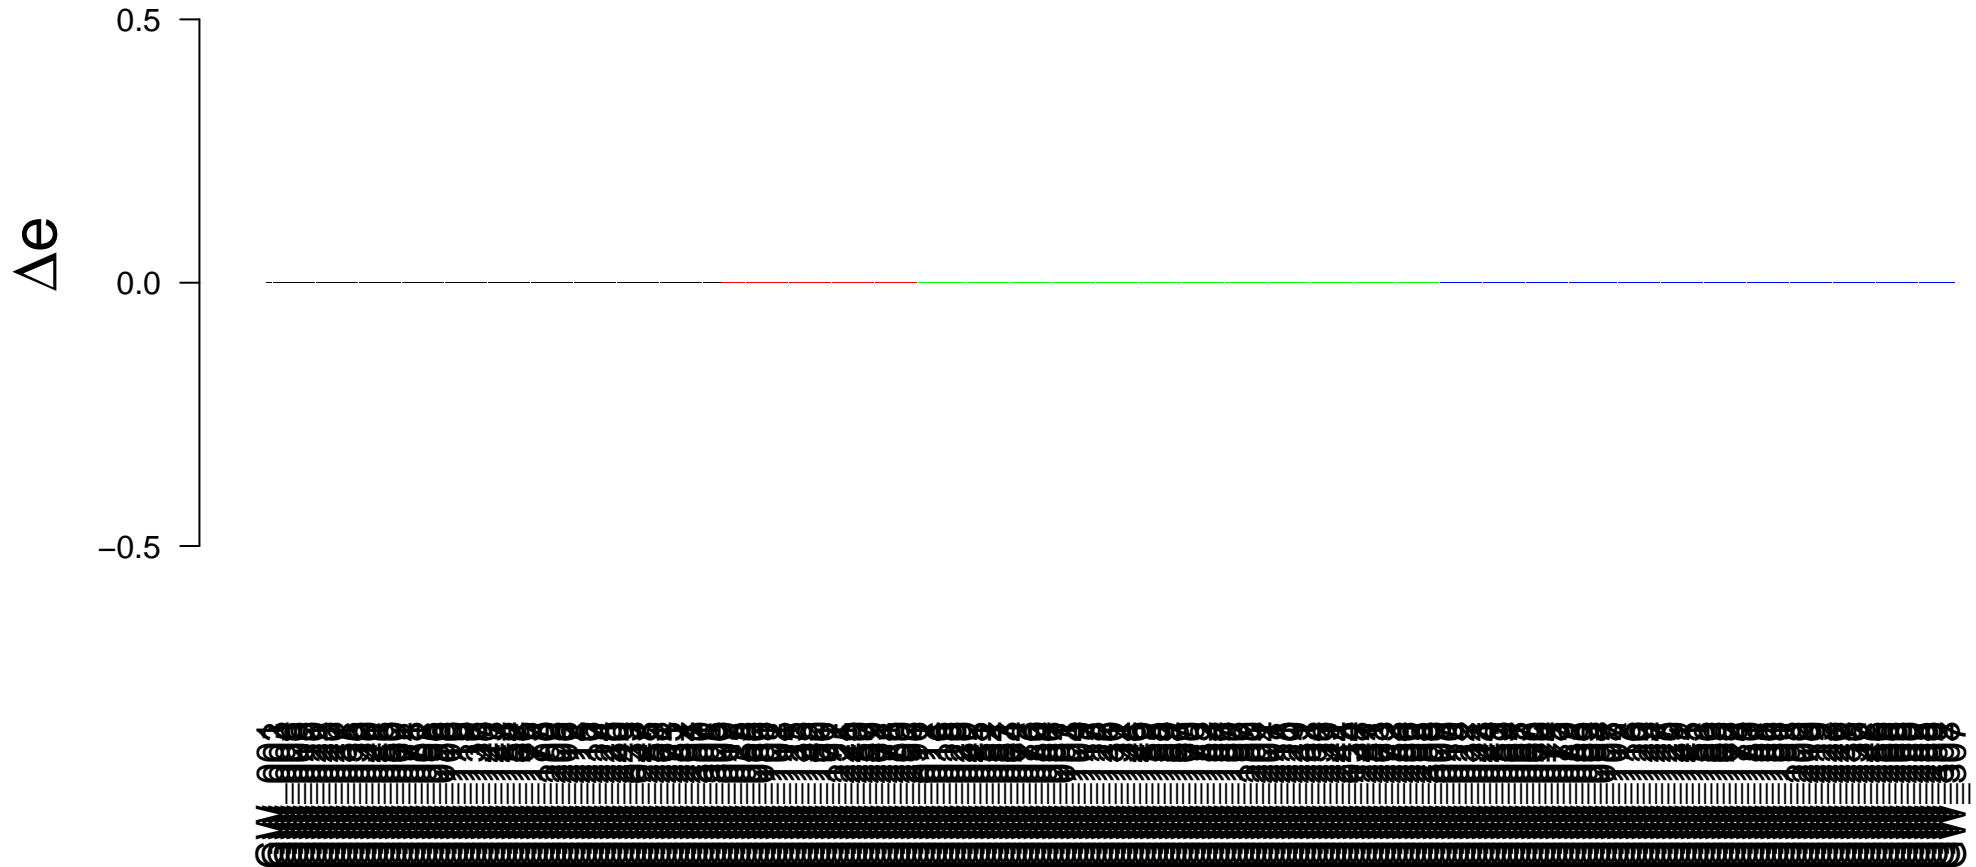

### Enrichment in spots: fatty acid homeostasis

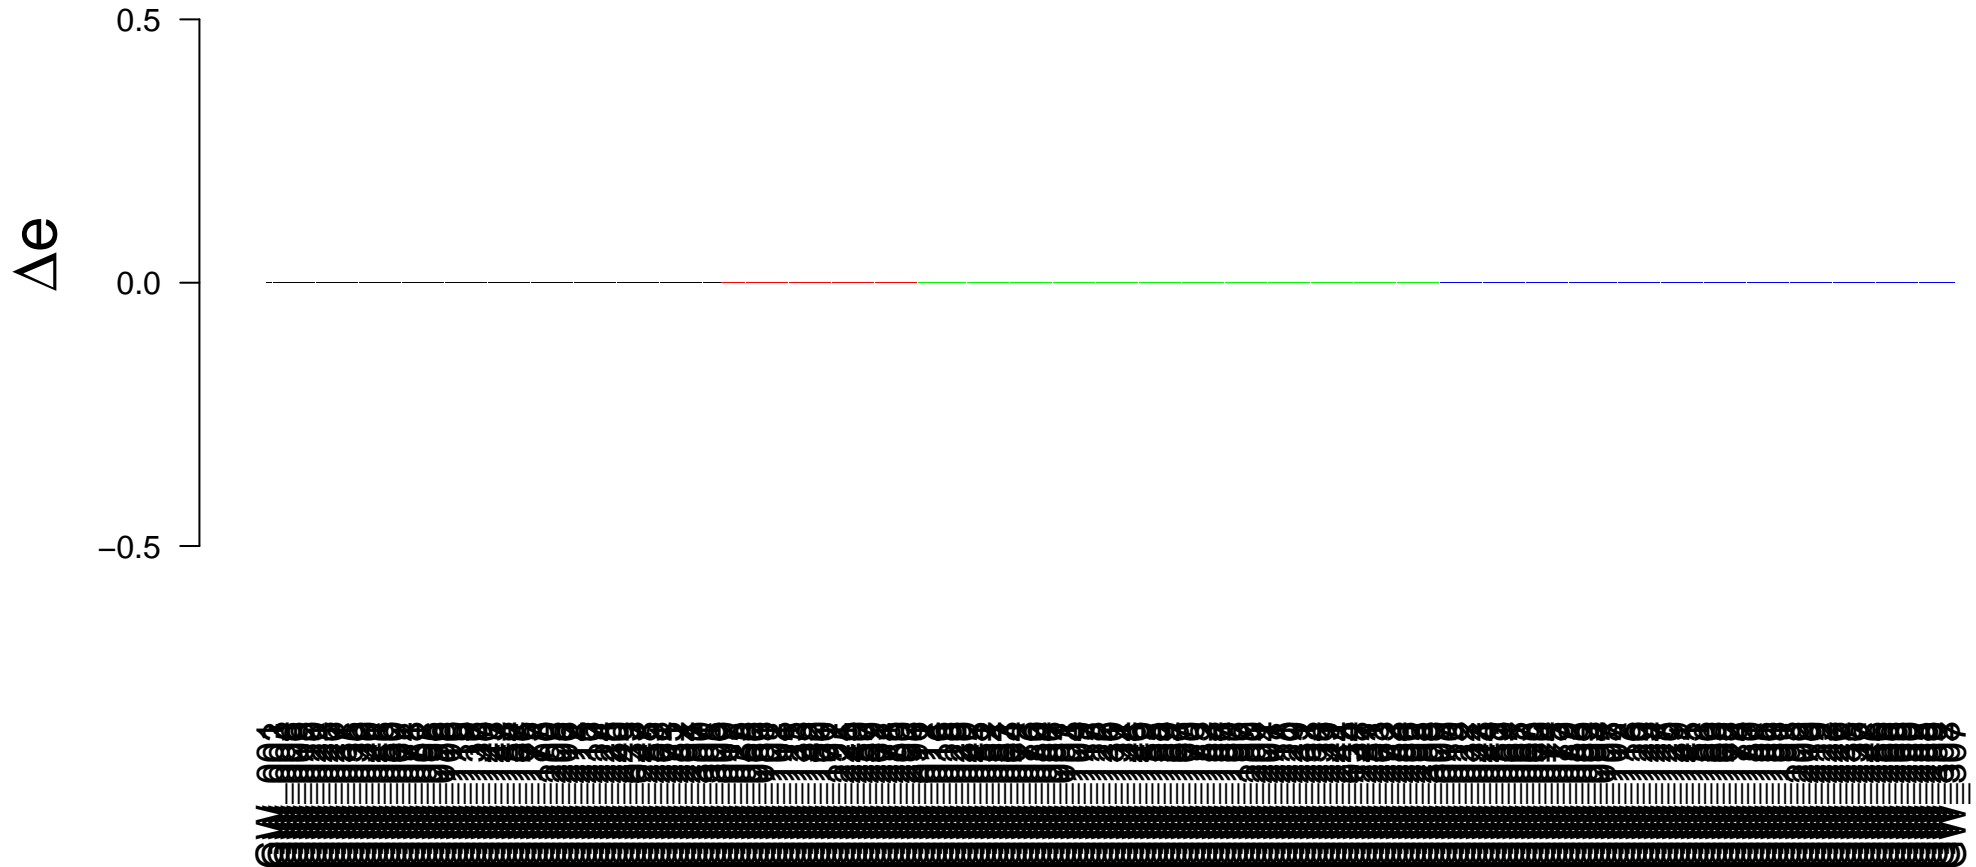

# Expression of fatty acid homeostasis in Spot A

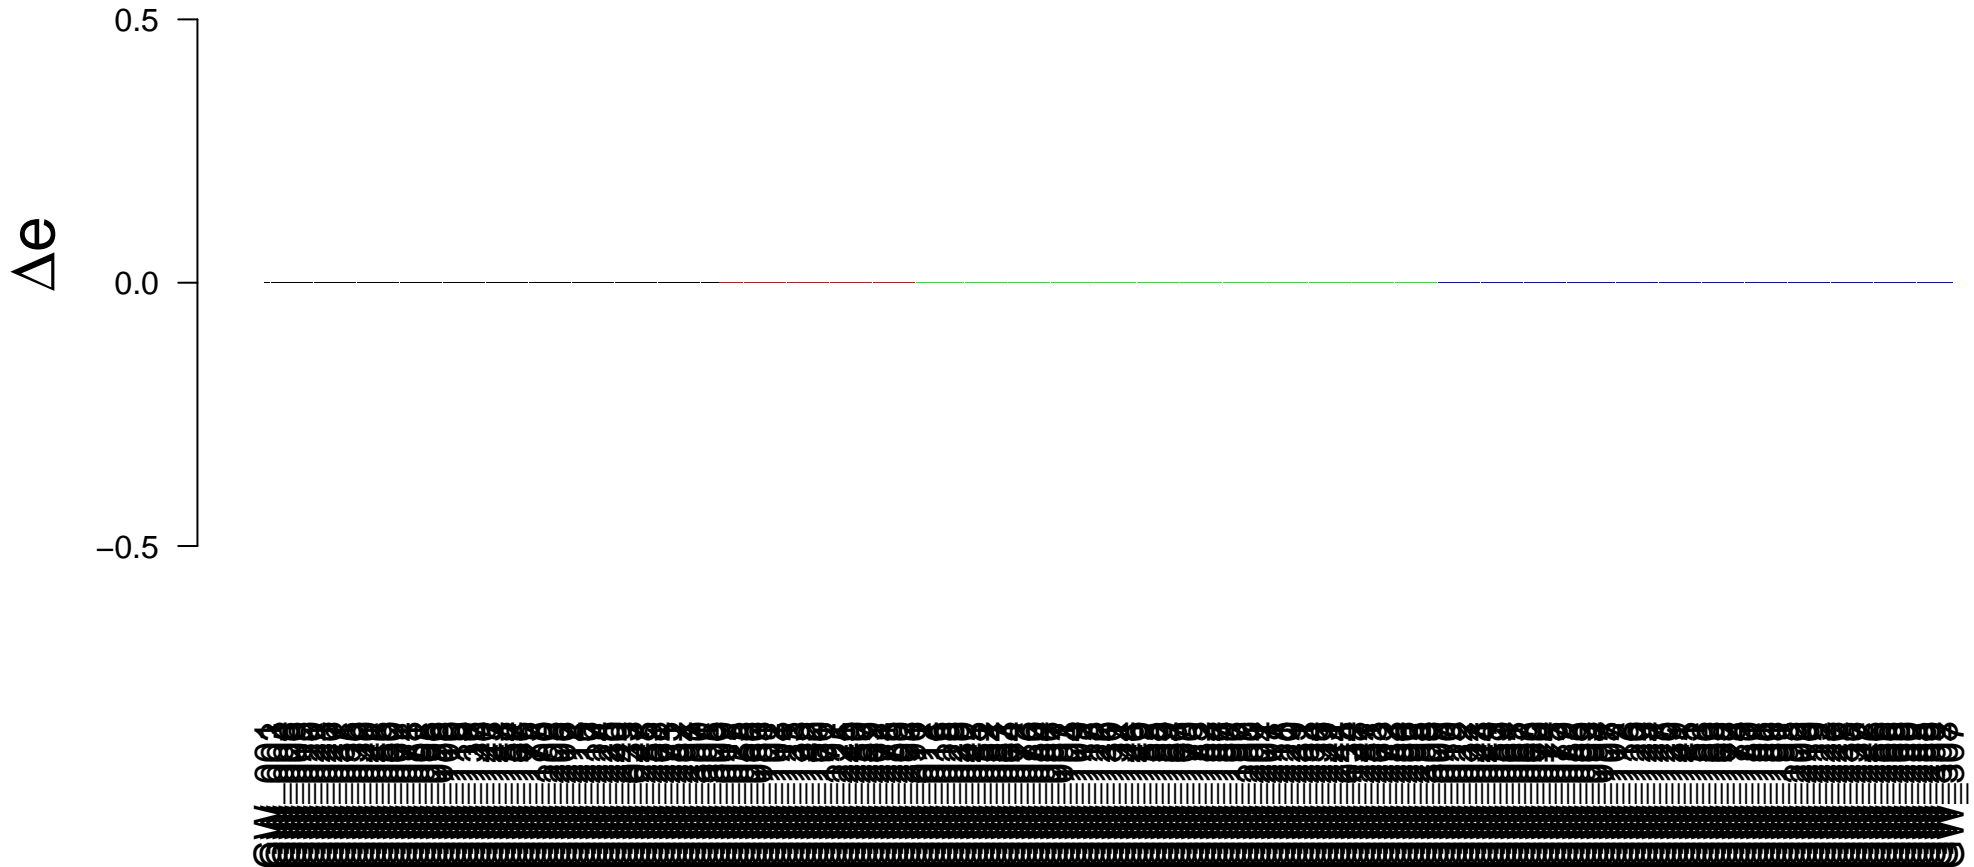

# Expression of fatty acid homeostasis in Spot B

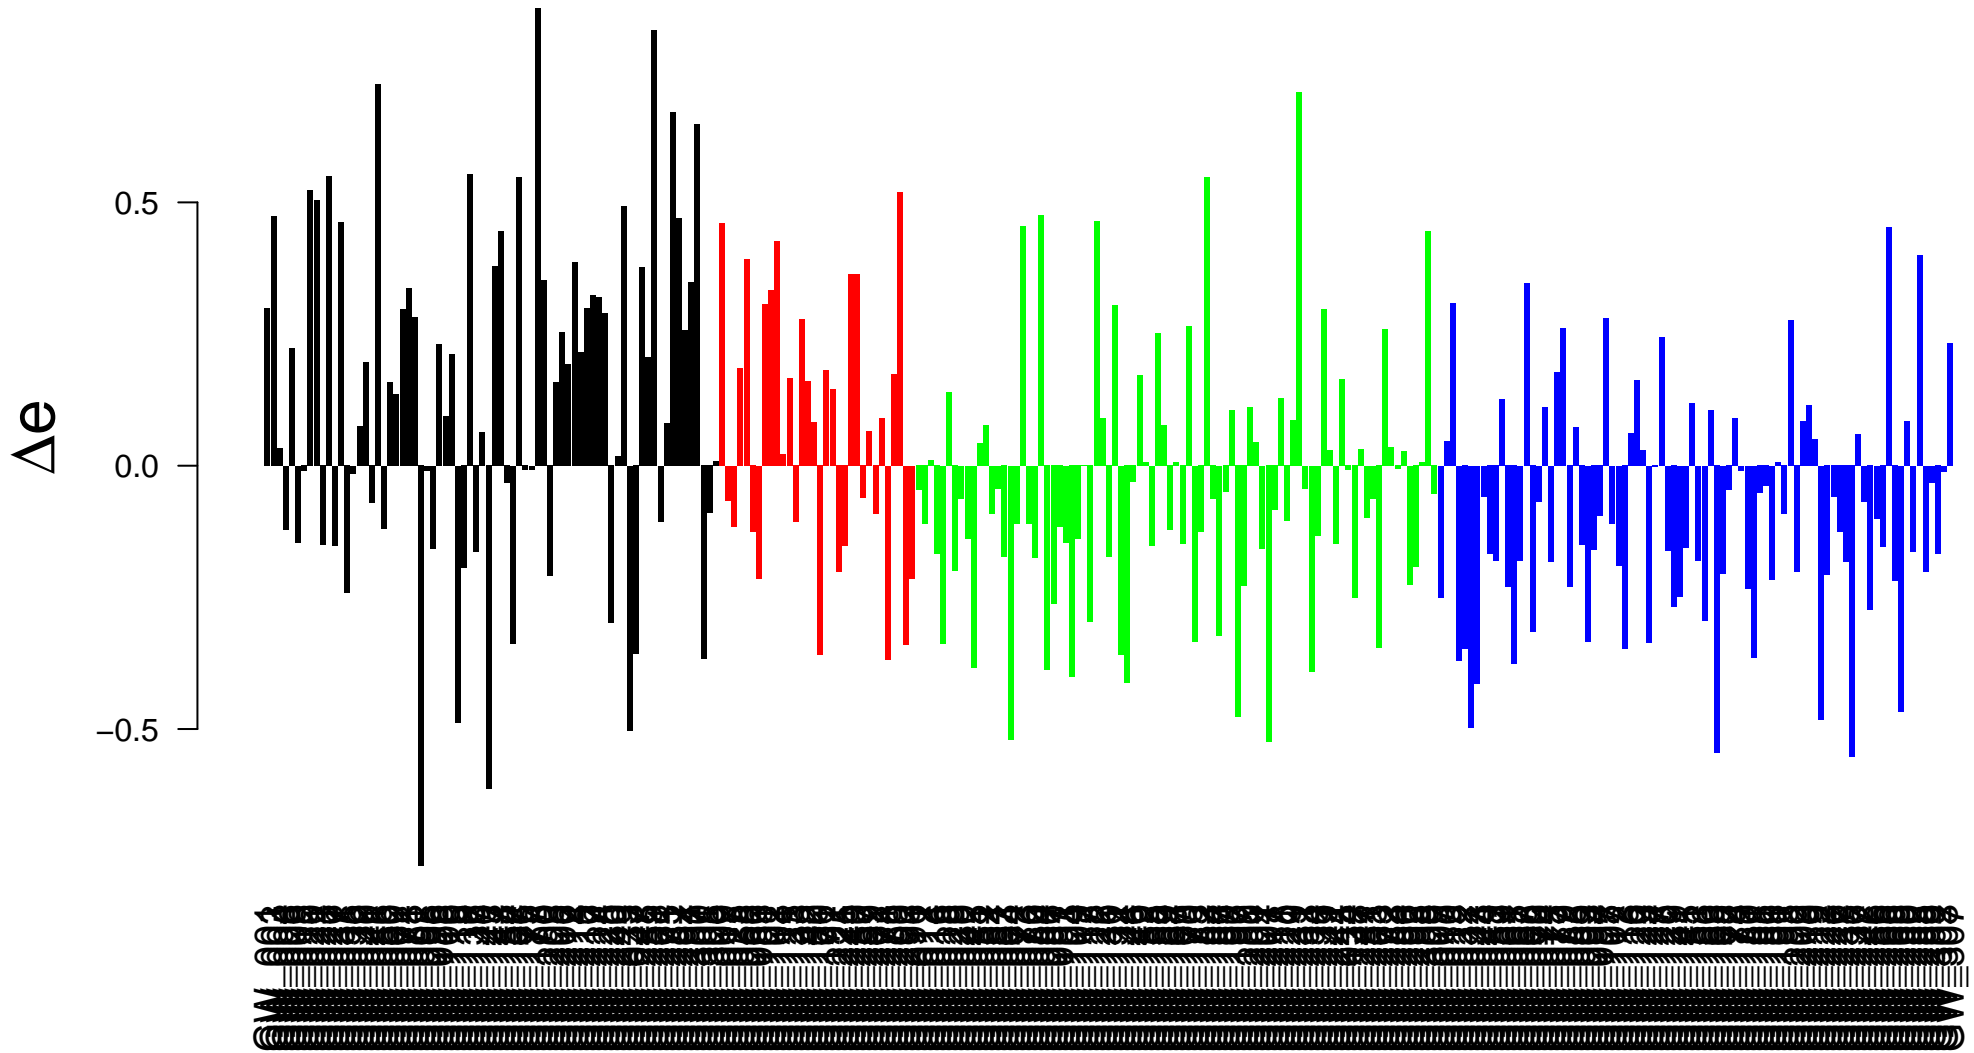

# Expression of fatty acid homeostasis in Spot C

# Expression of fatty acid homeostasis in Spot D

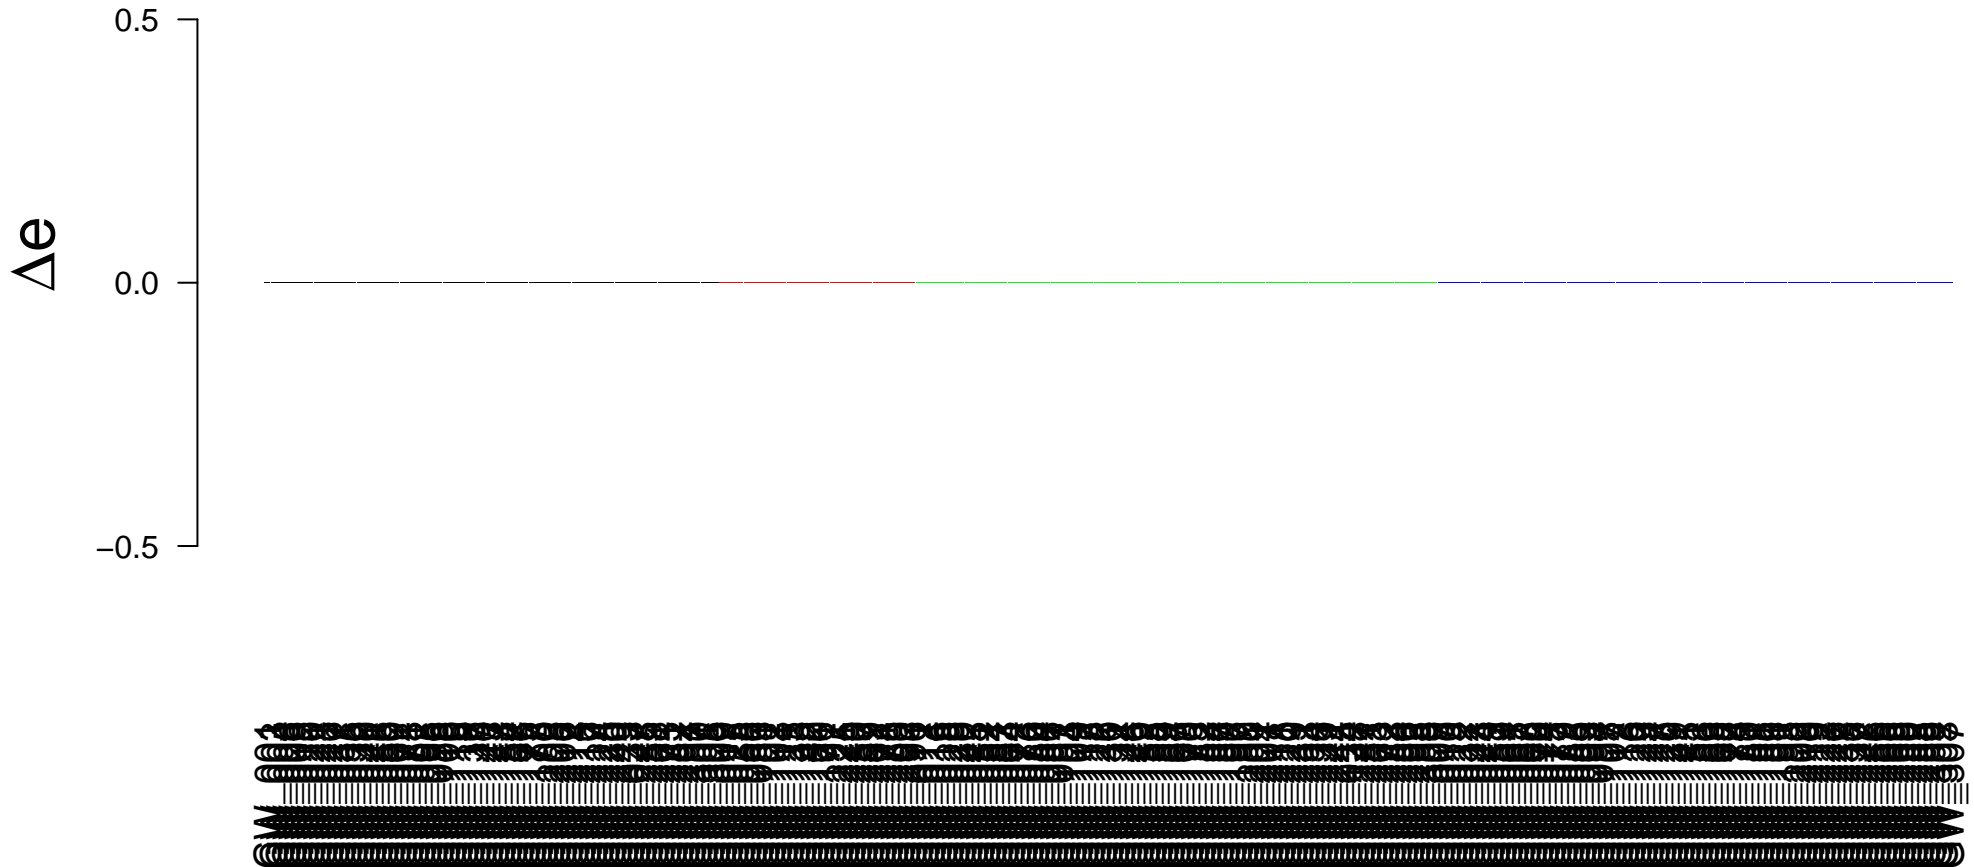

# Expression of fatty acid homeostasis in Spot E

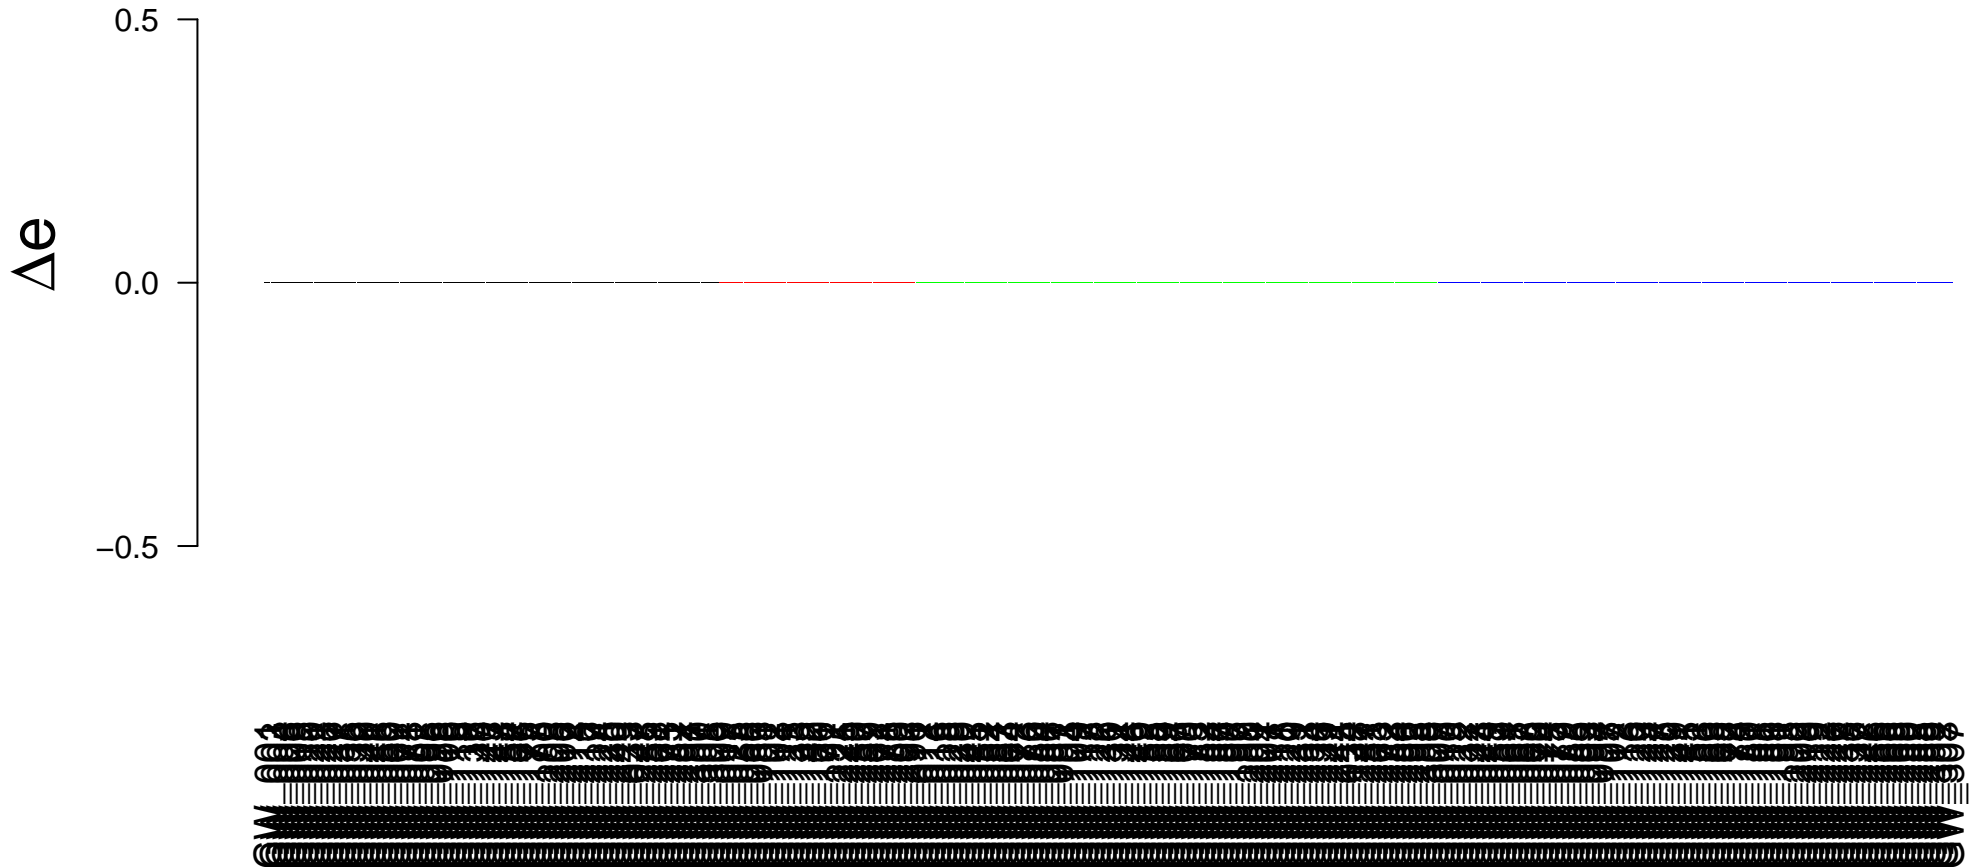

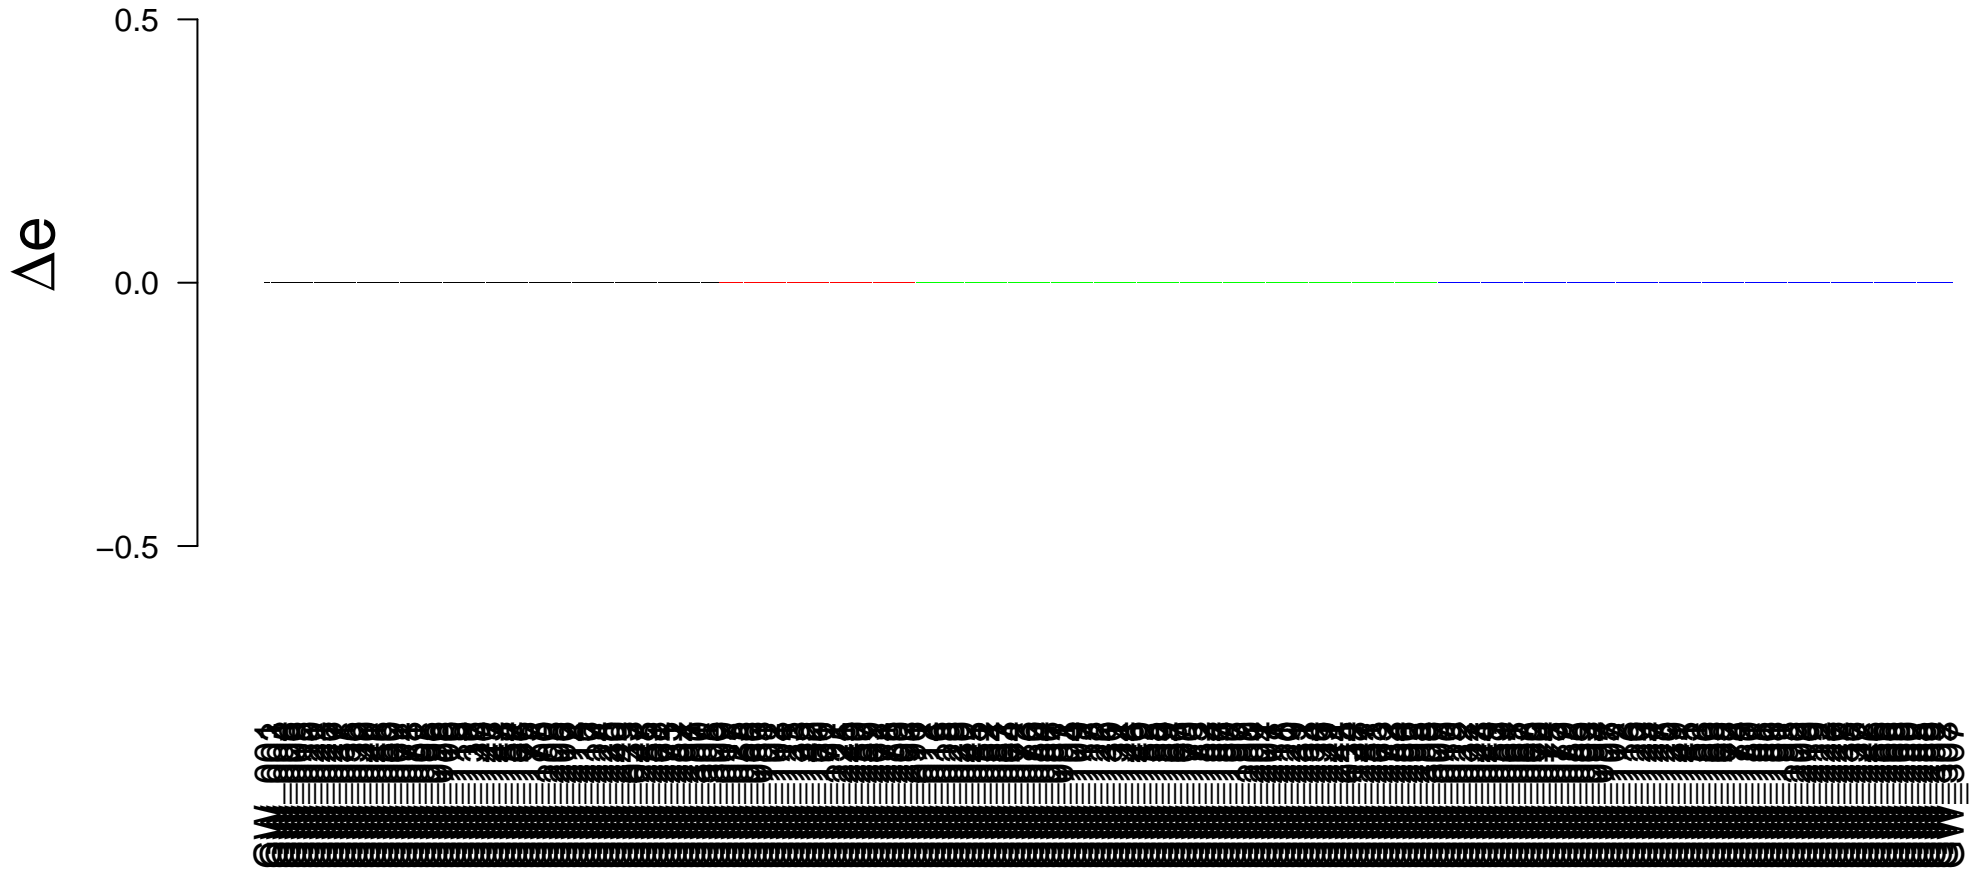

# Expression of fatty acid homeostasis in Spot F

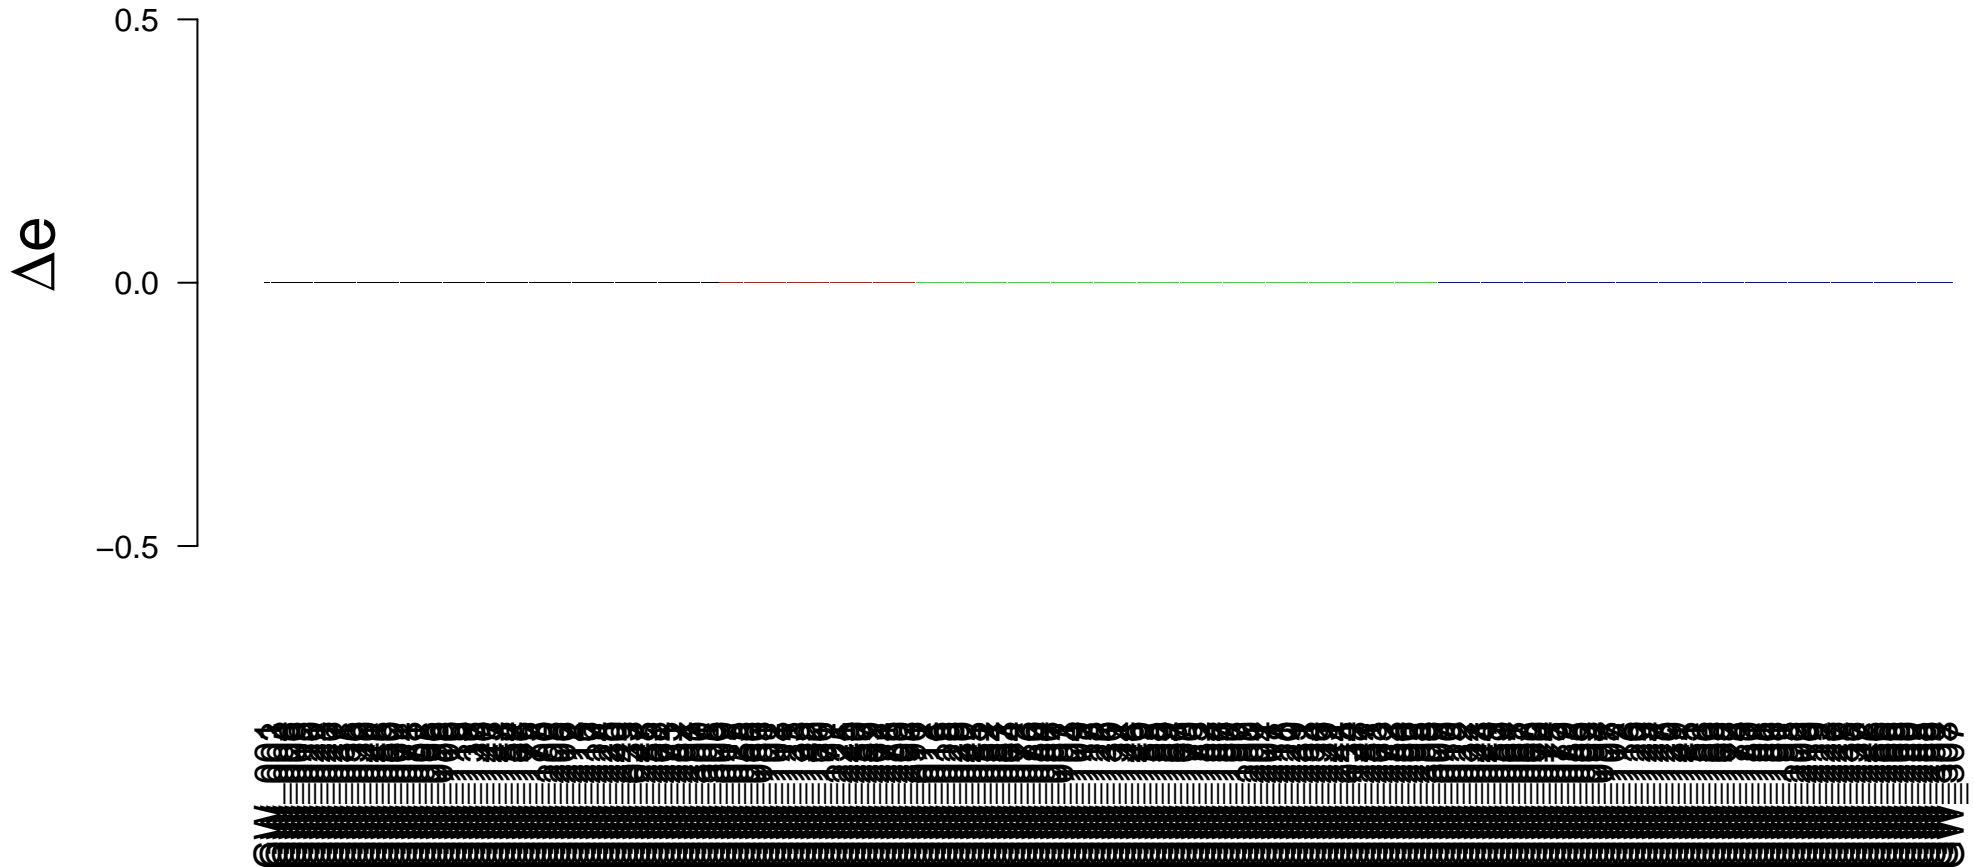

# Expression of fatty acid homeostasis in Spot G

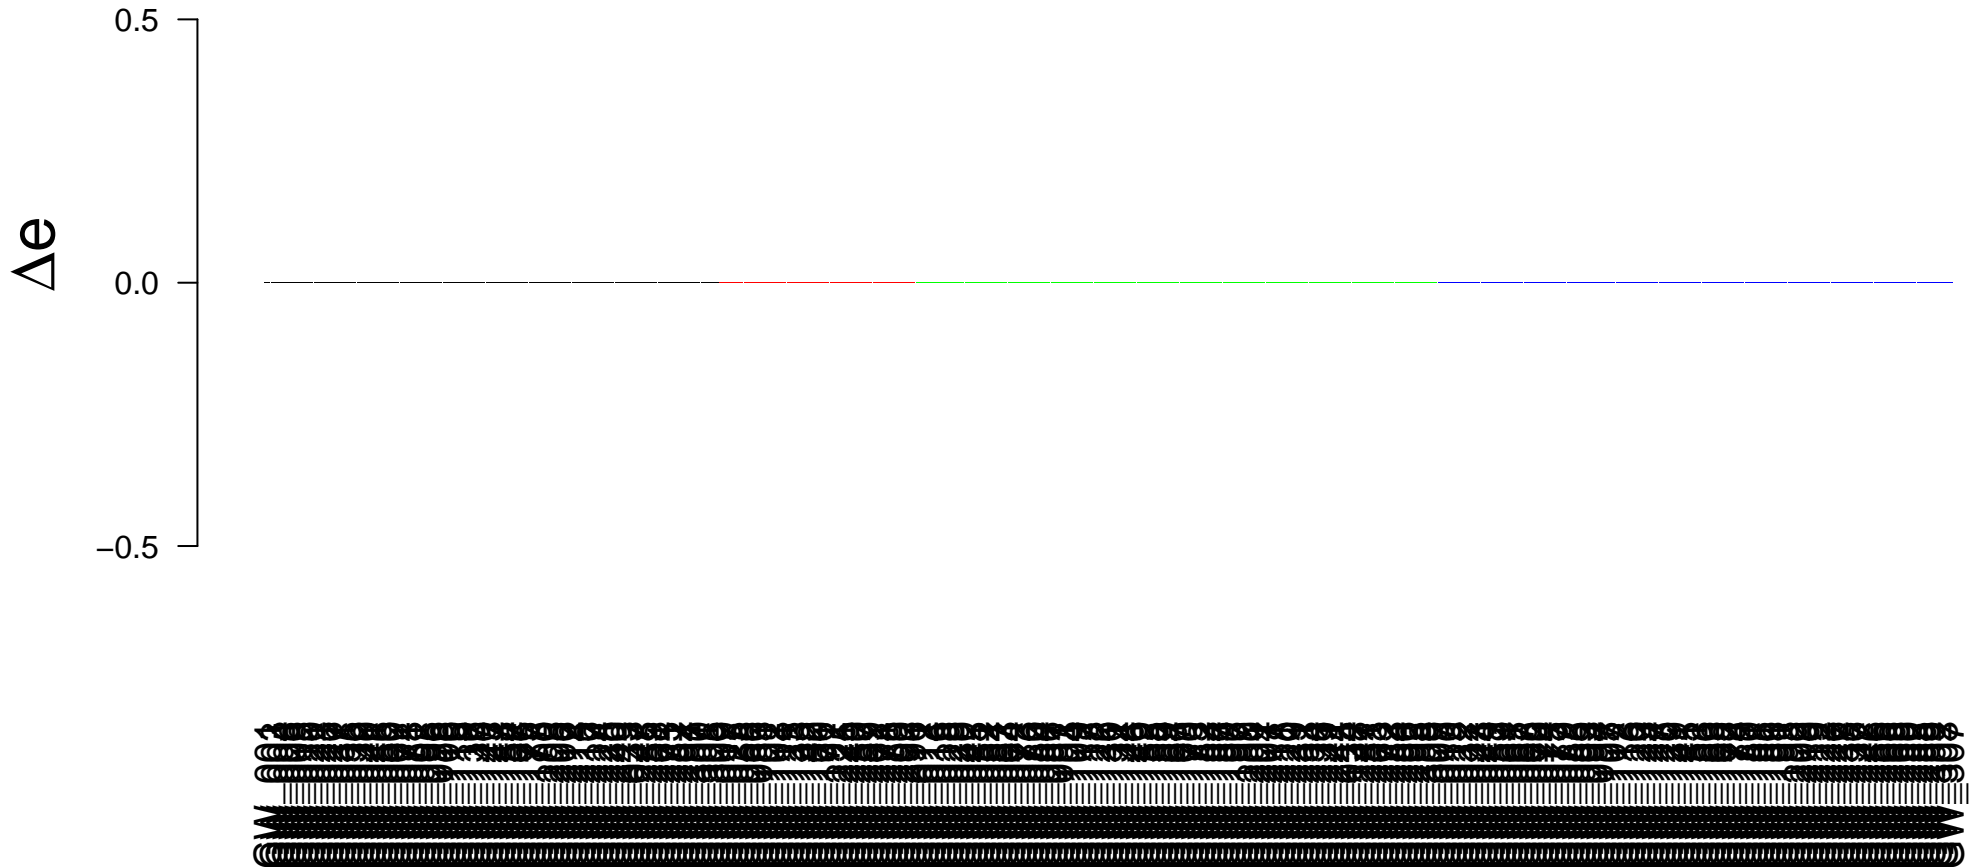

# Expression of fatty acid homeostasis in Spot H

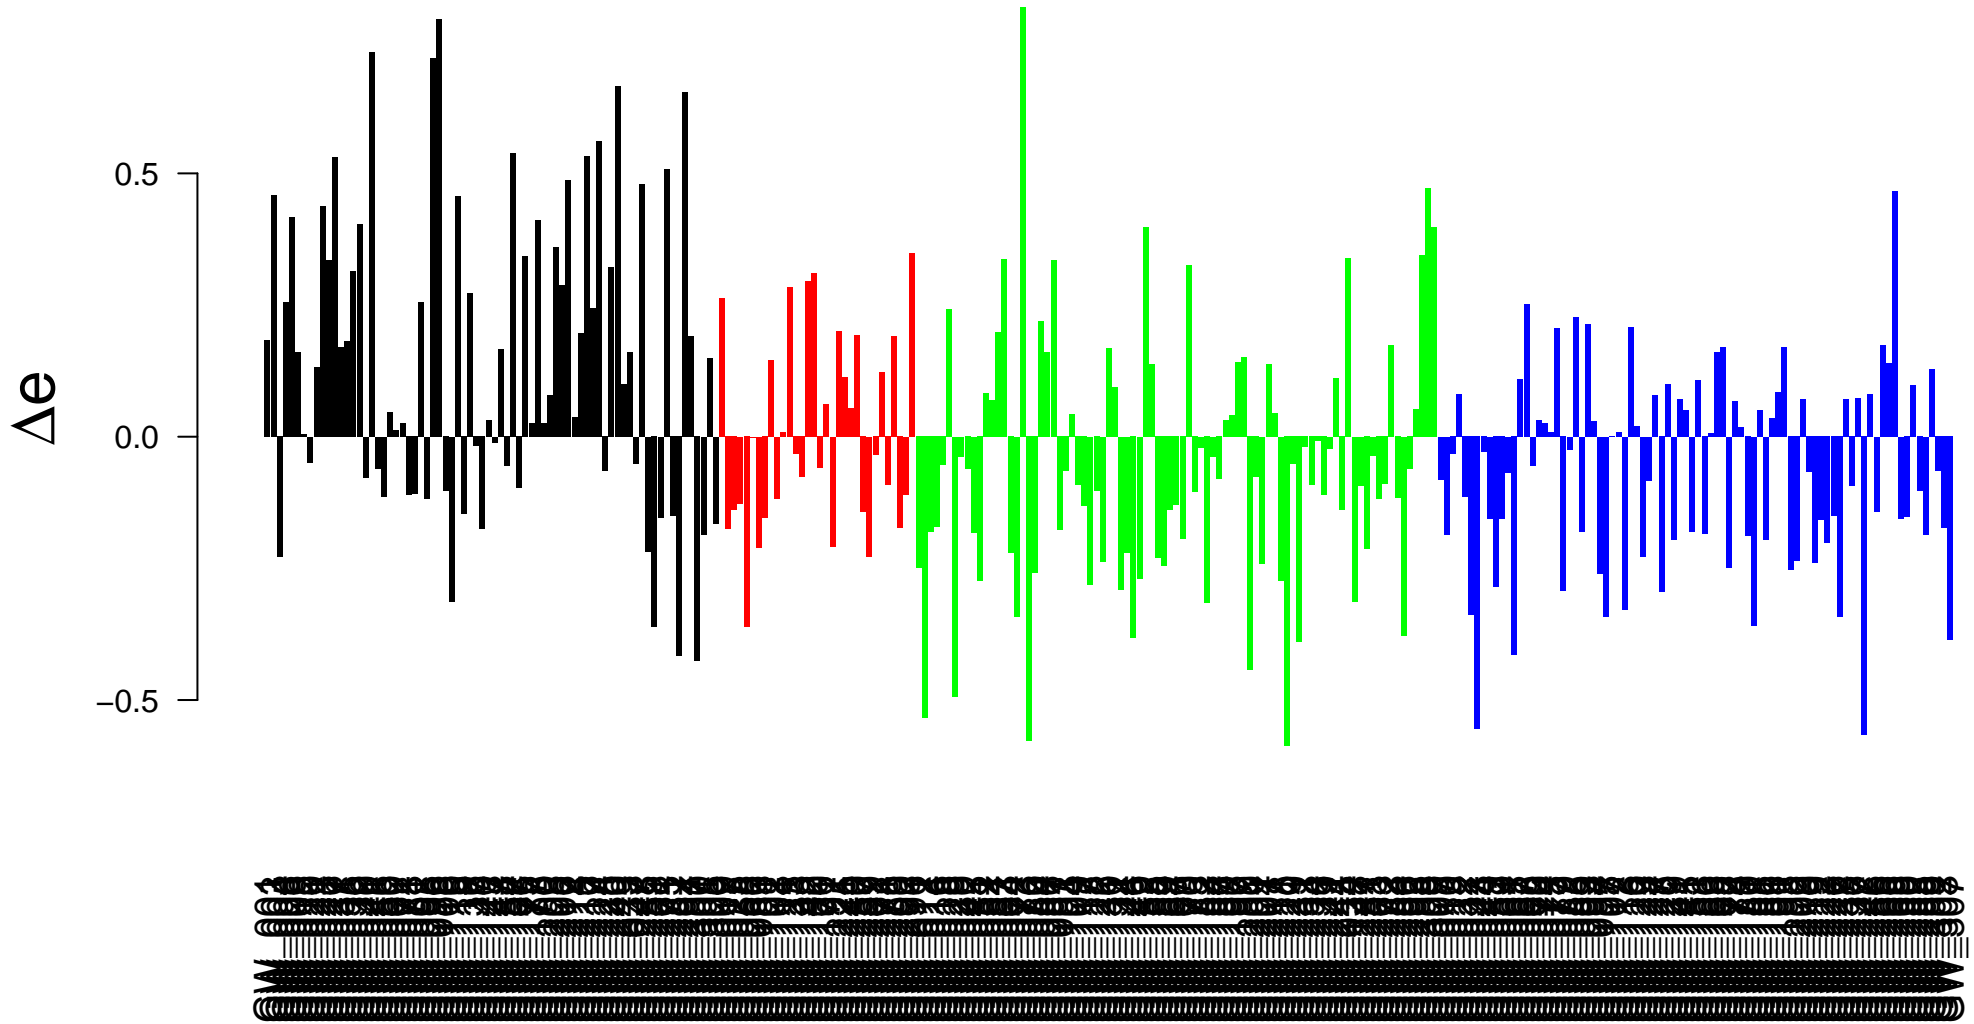

# Expression of fatty acid homeostasis in Spot I

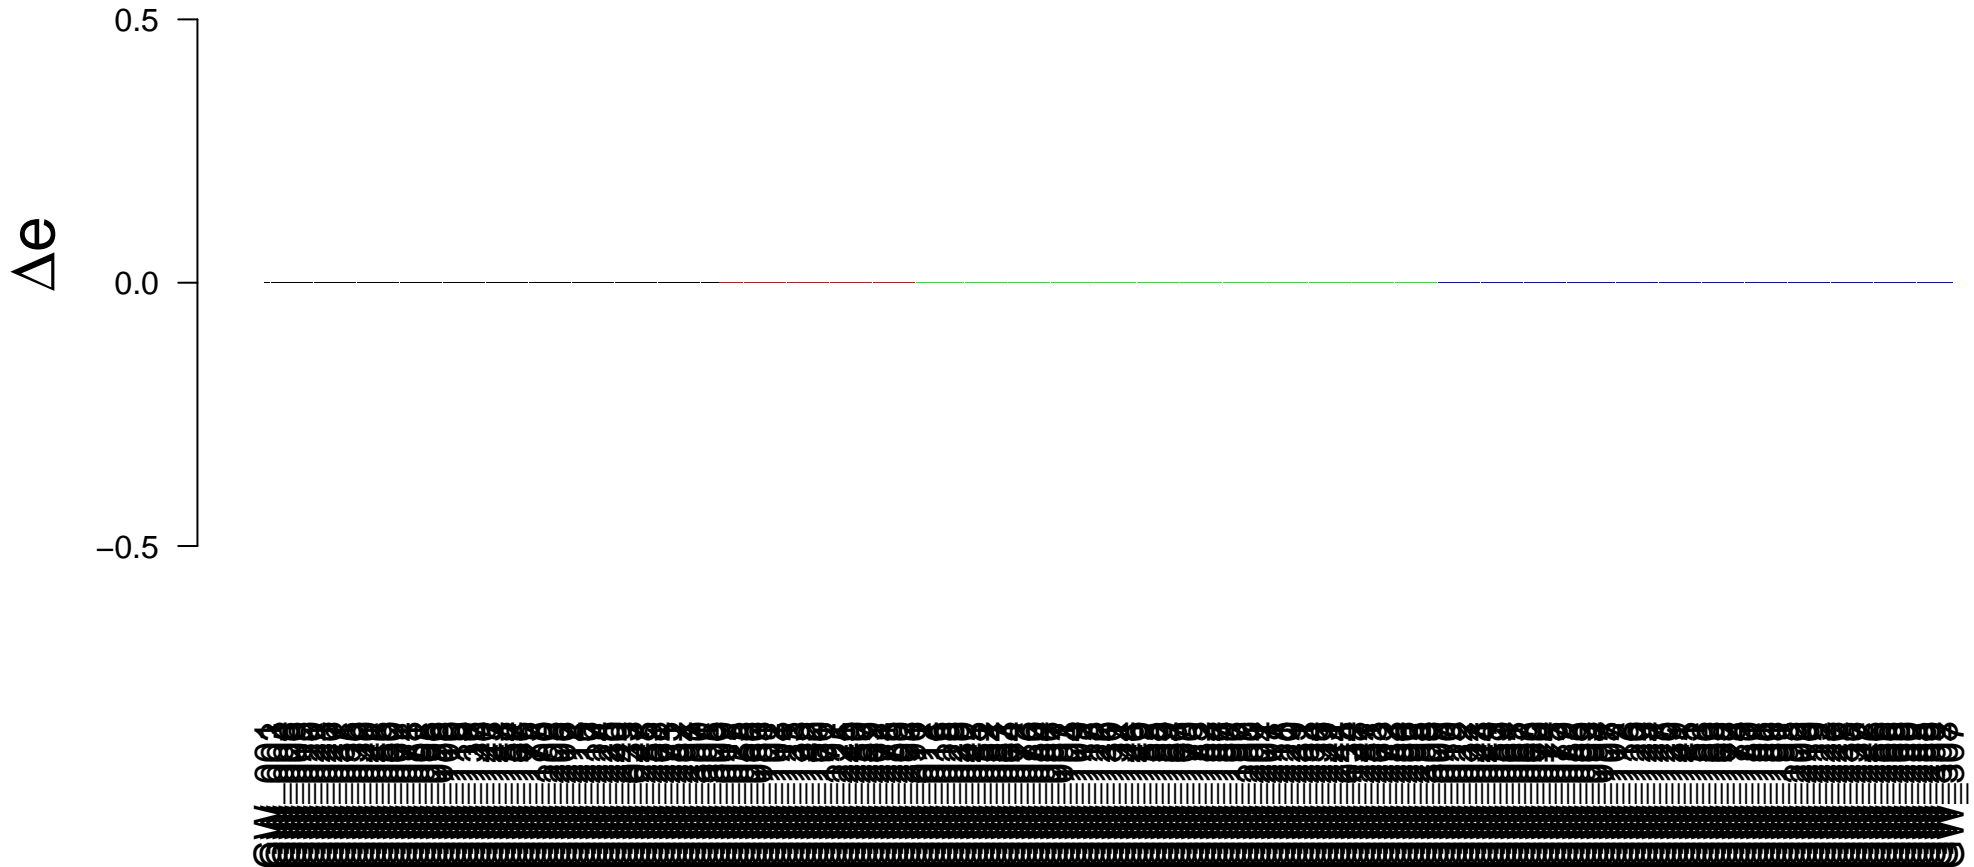

# Expression of fatty acid homeostasis in Spot J

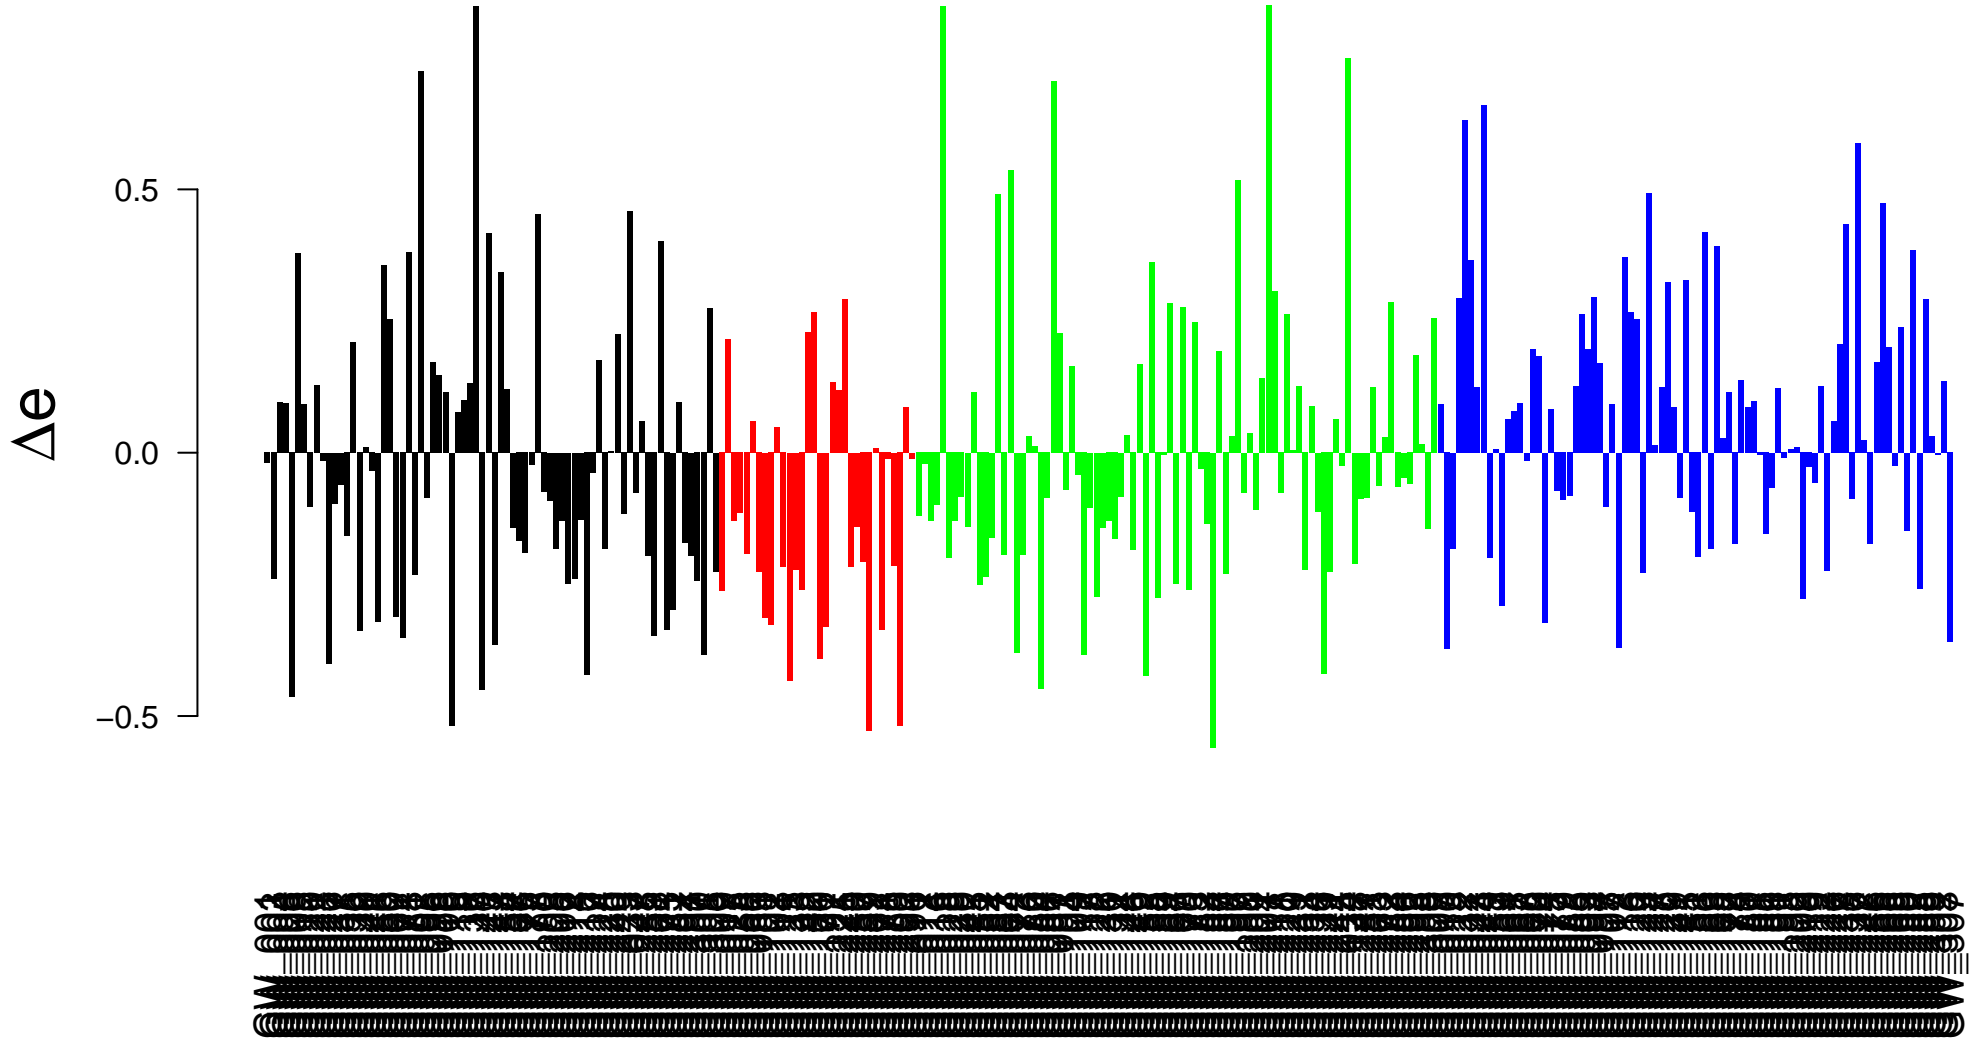

# Expression of fatty acid homeostasis in Spot K

# Expression of fatty acid homeostasis in Spot L

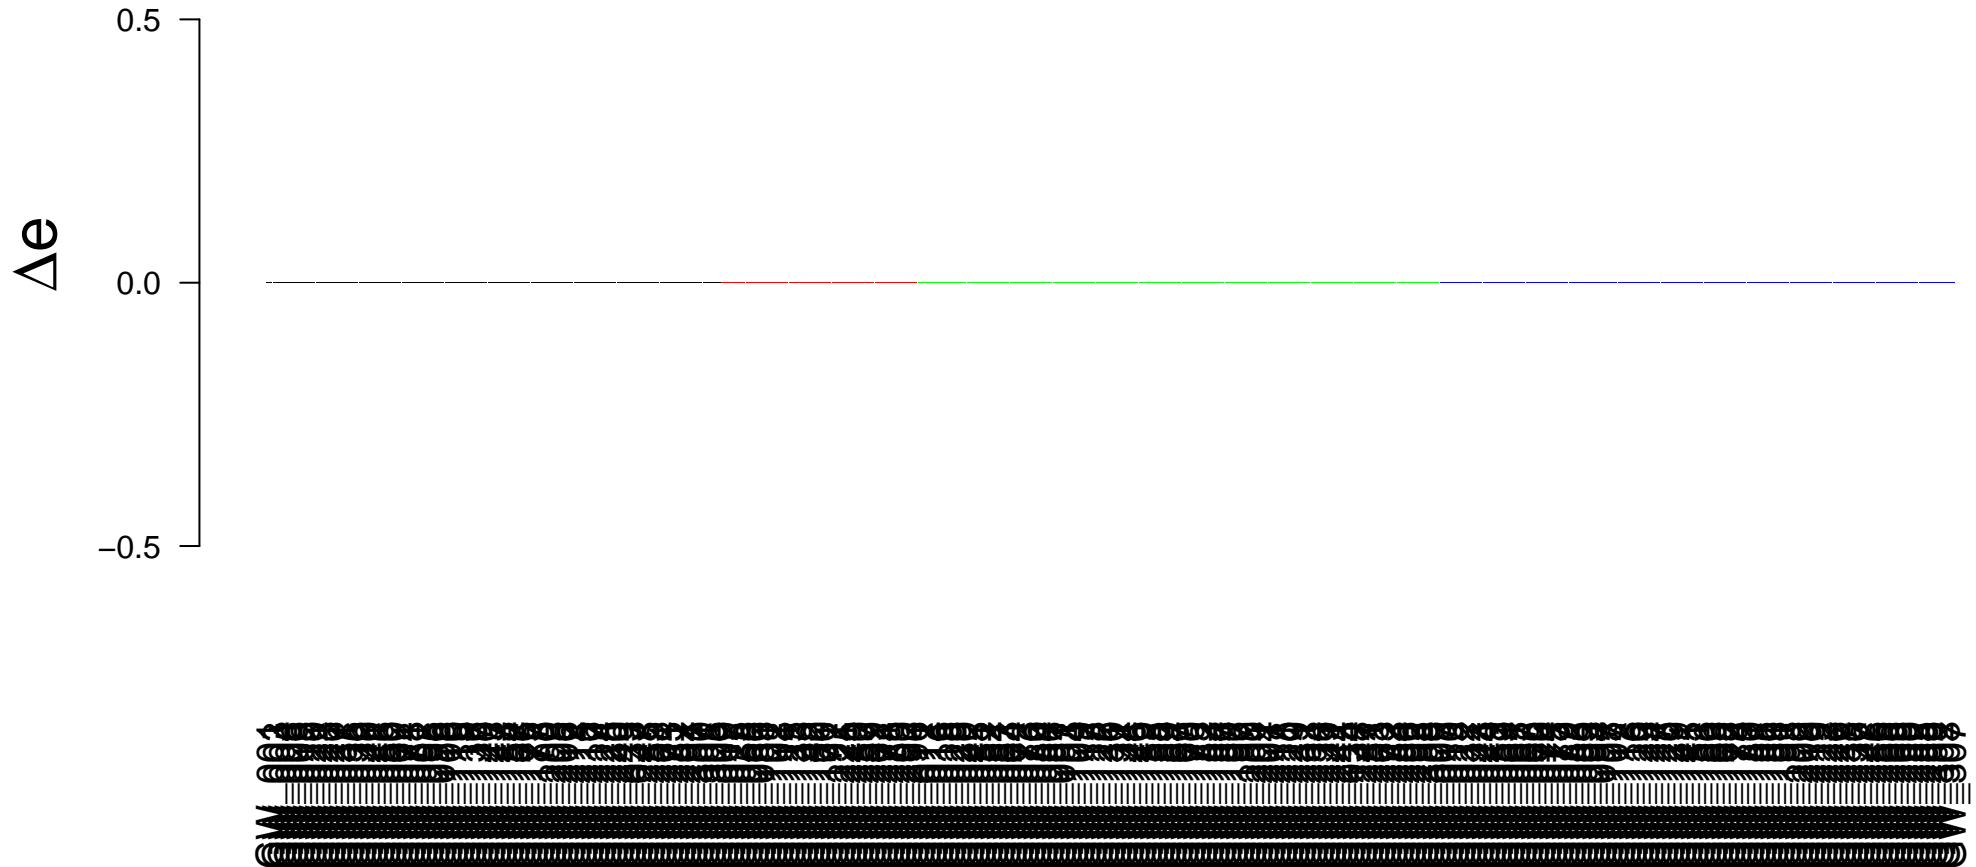

# Expression of fatty acid homeostasis in Spot M

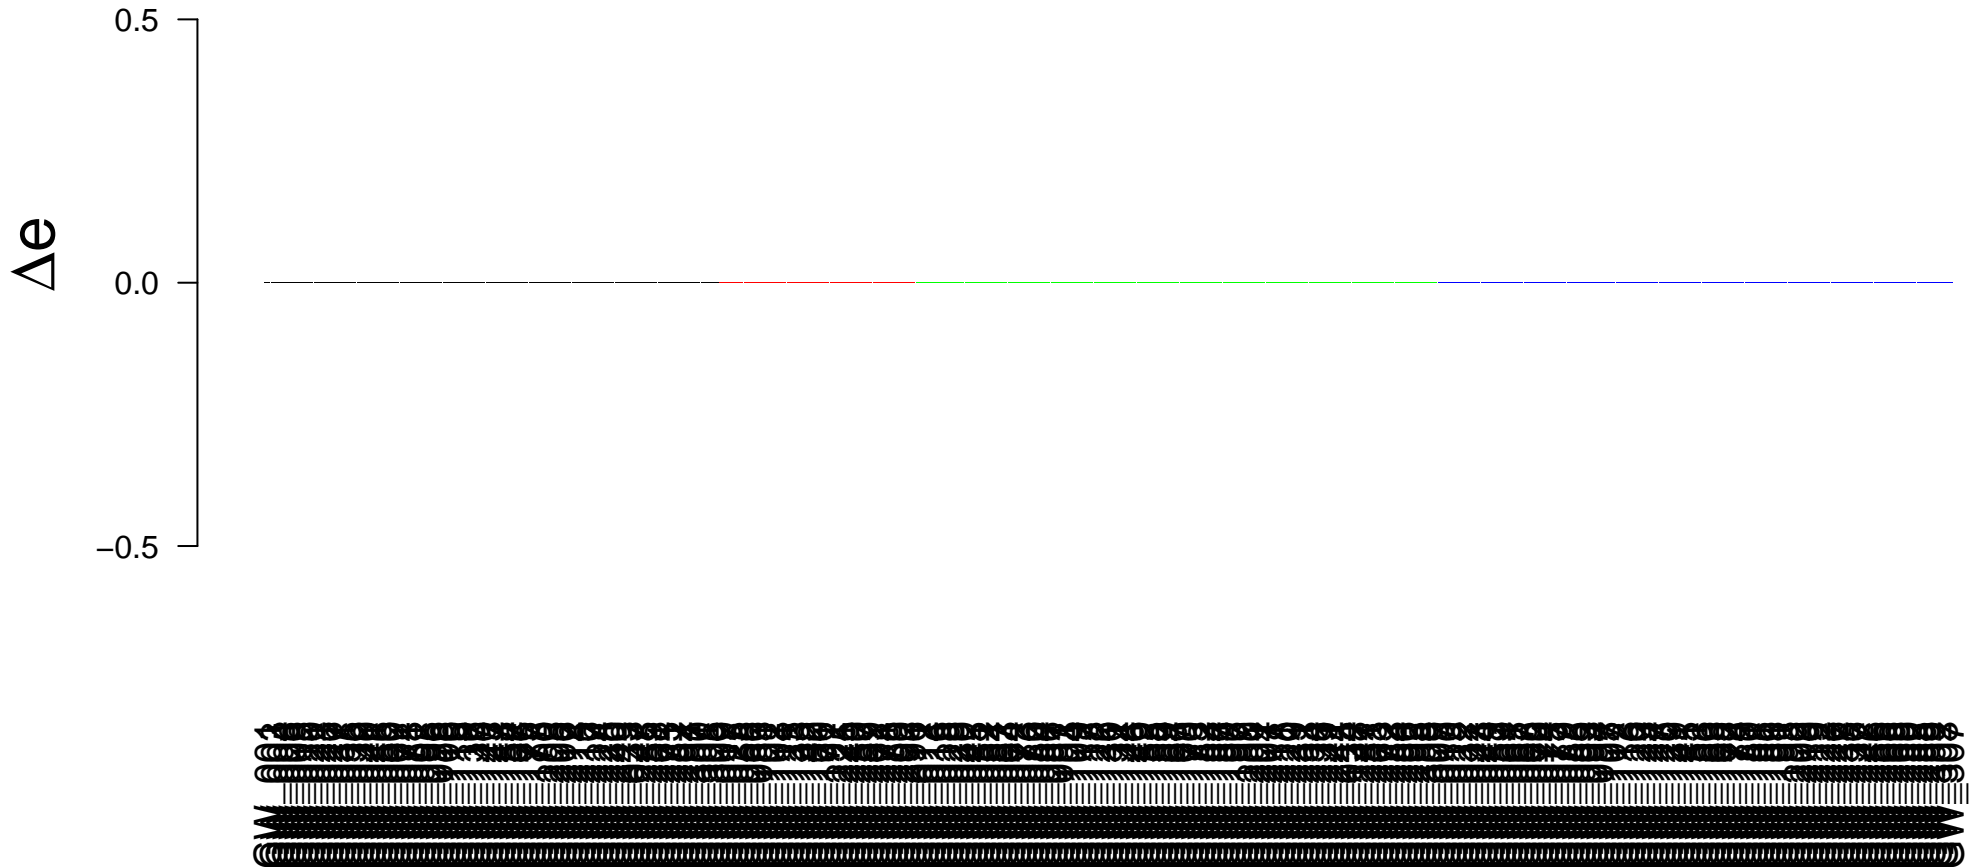

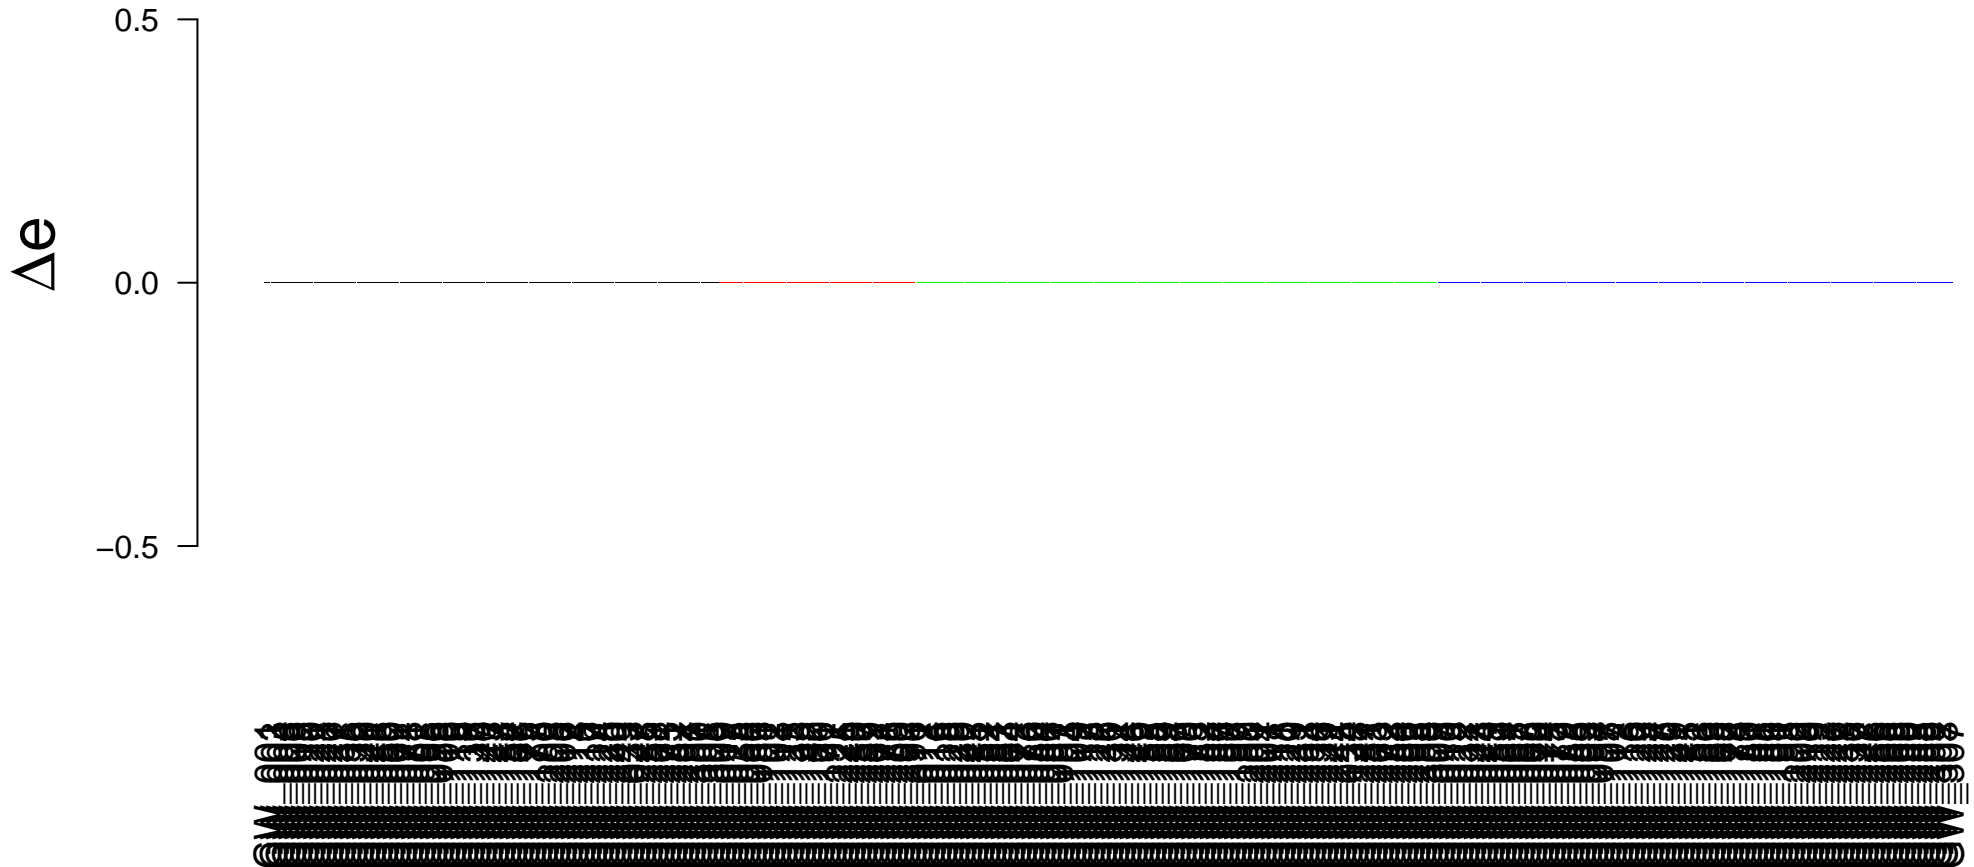

# Expression of fatty acid homeostasis in Spot N

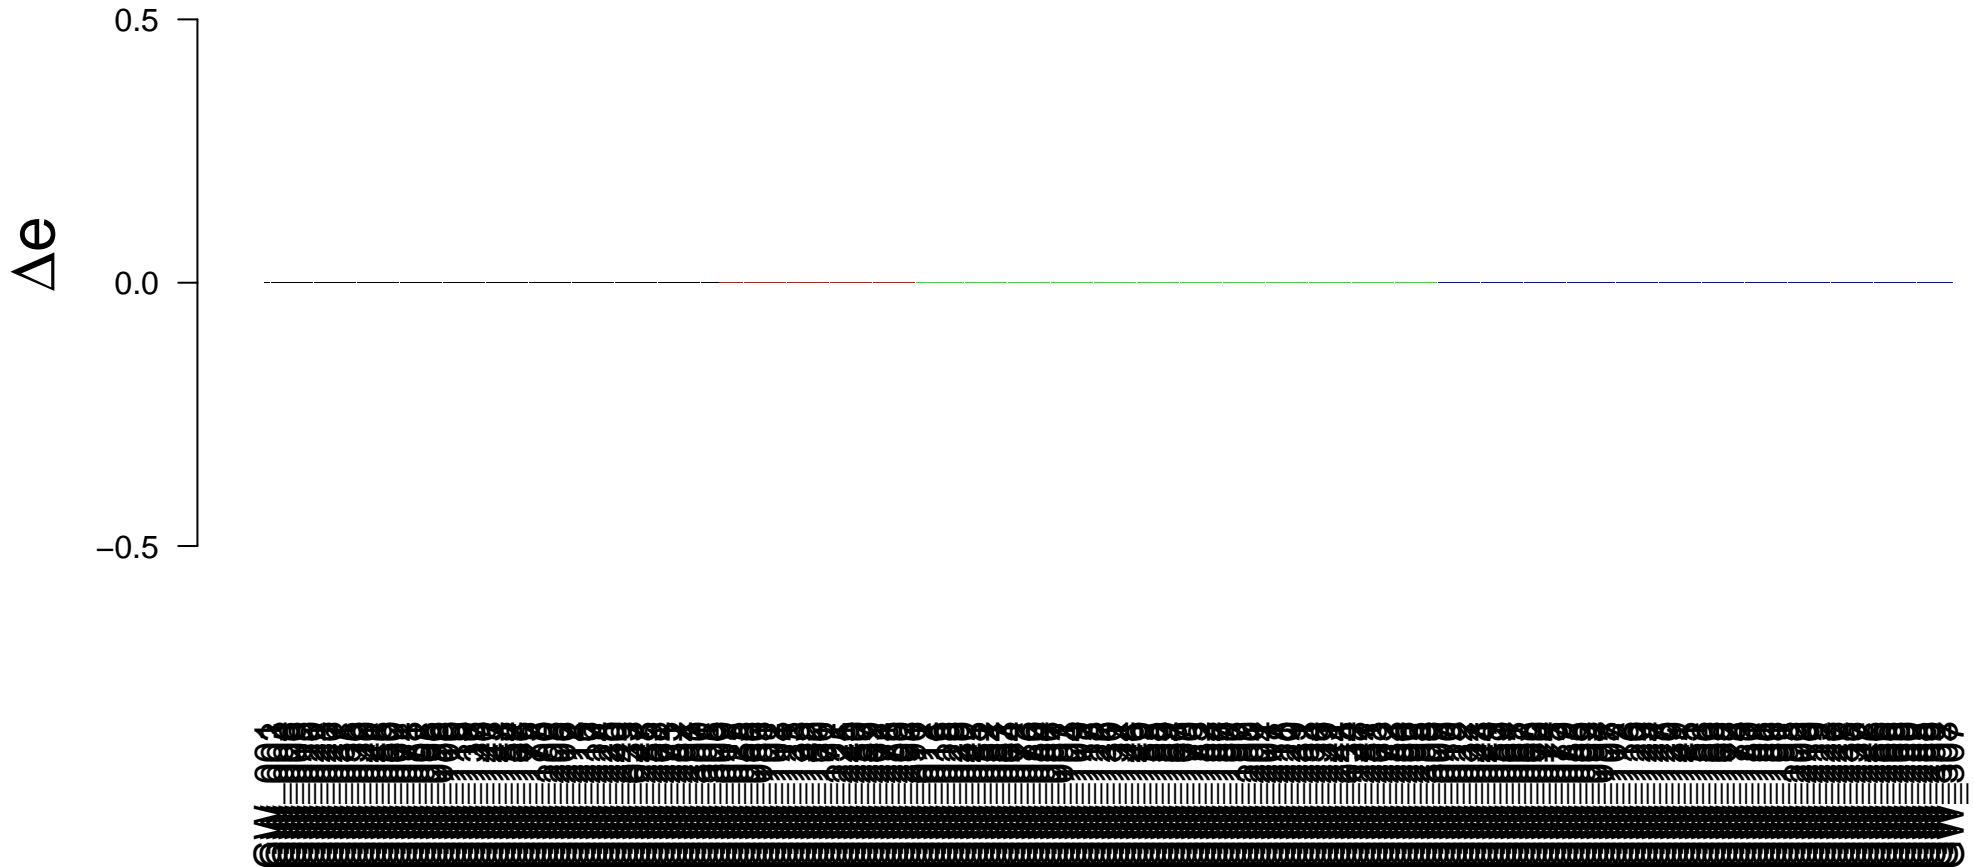

# Expression of fatty acid homeostasis in Spot O

# Expression of fatty acid homeostasis in Spot P

# Expression of fatty acid homeostasis in Spot Q

# Expression of fatty acid homeostasis in Spot R
