

filamentous actin

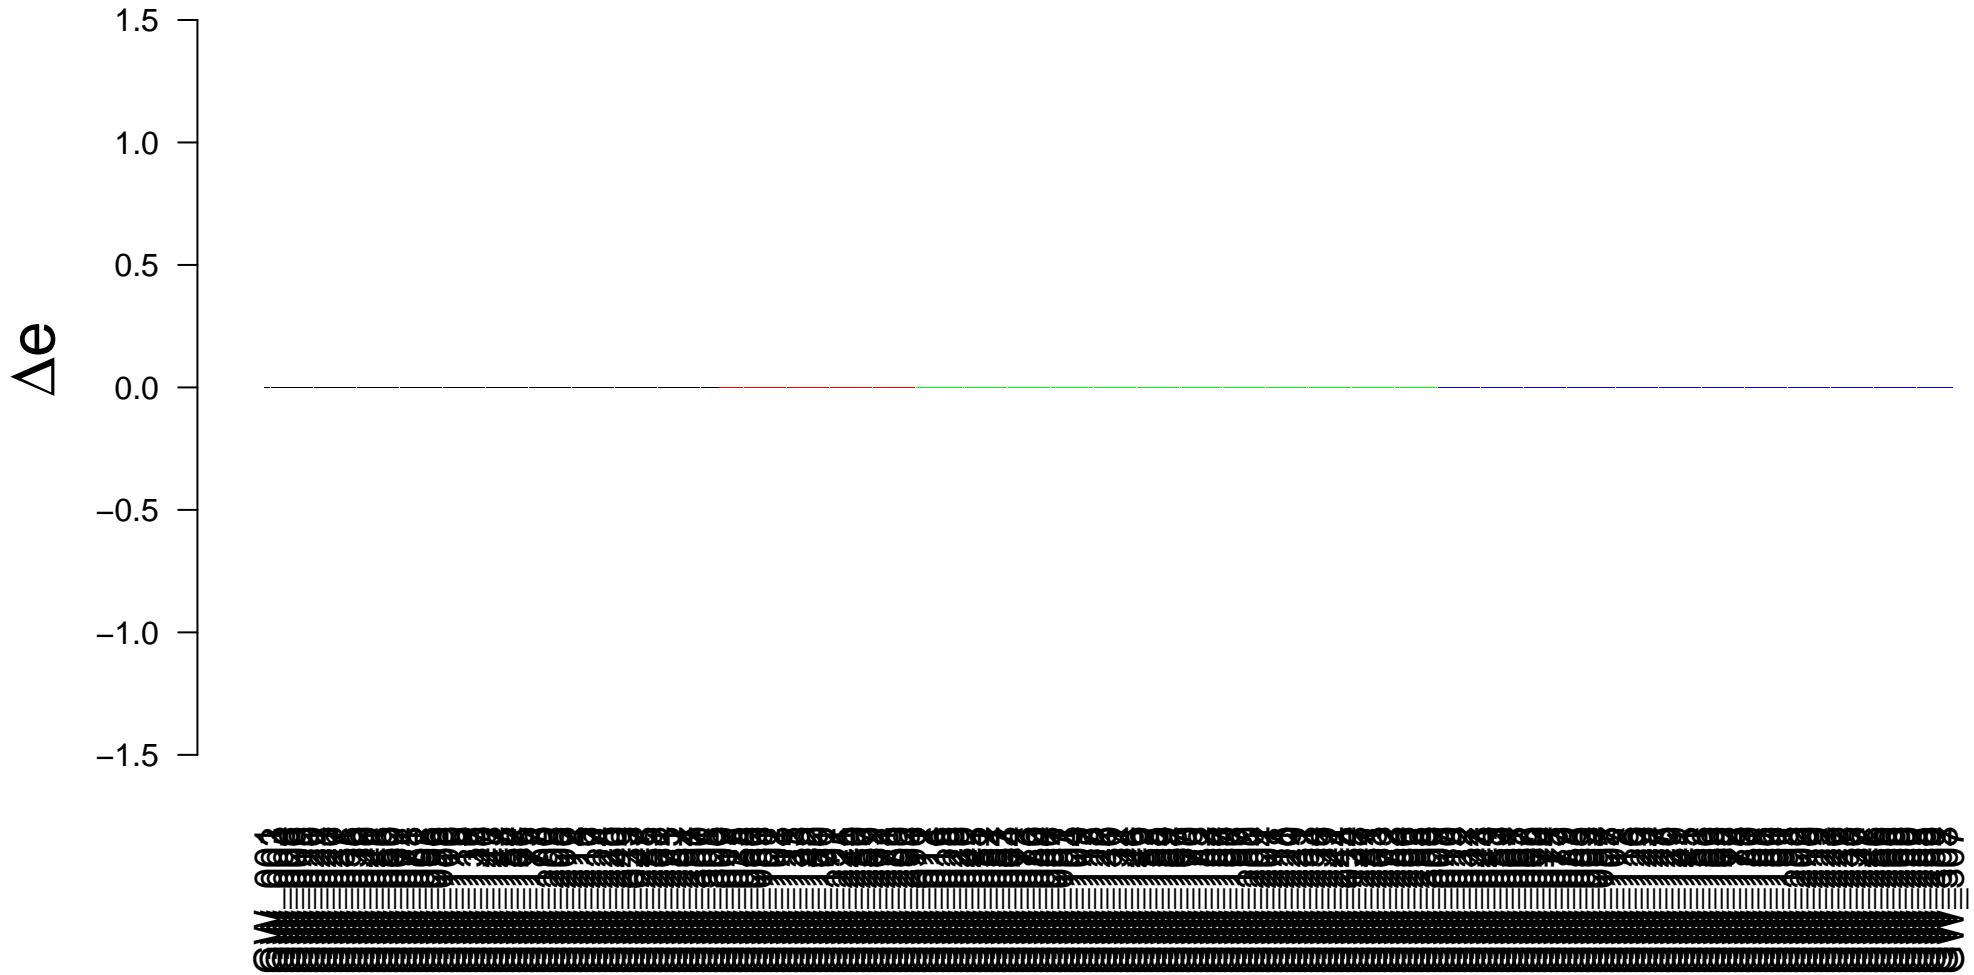

filamentous actin

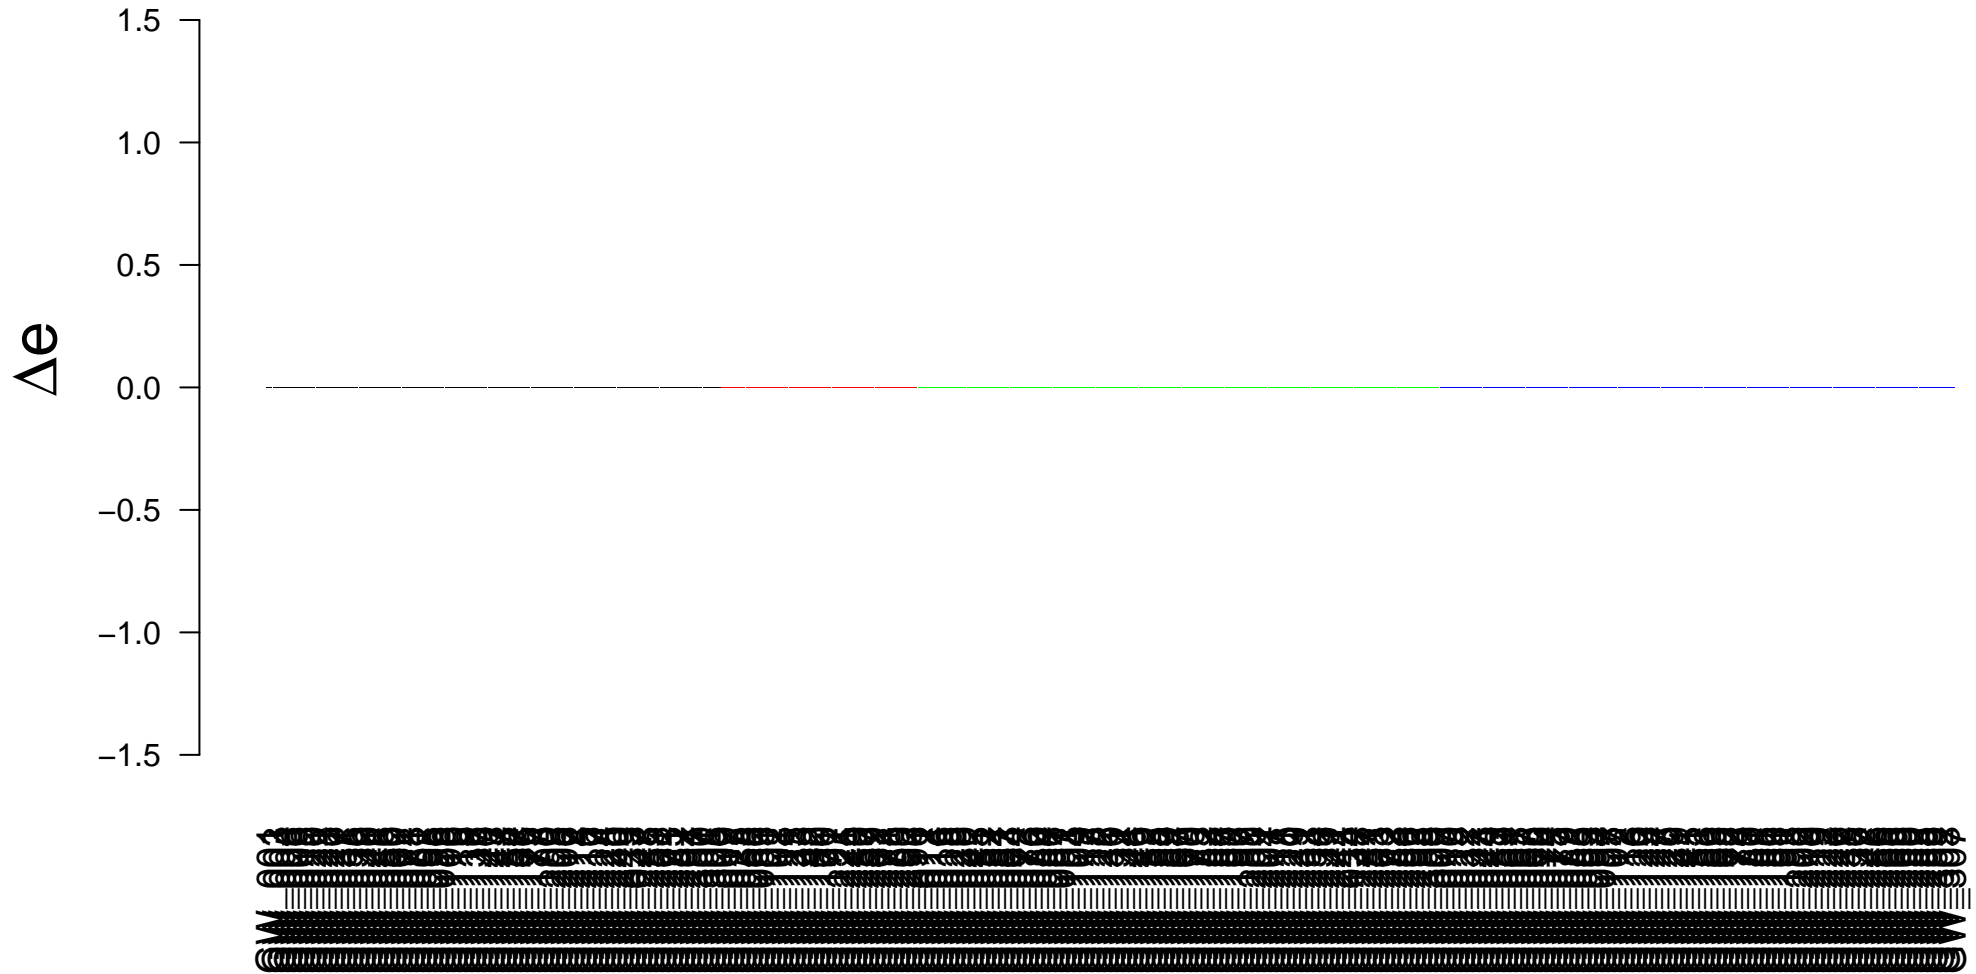

### Enrichment in spots: filamentous actin

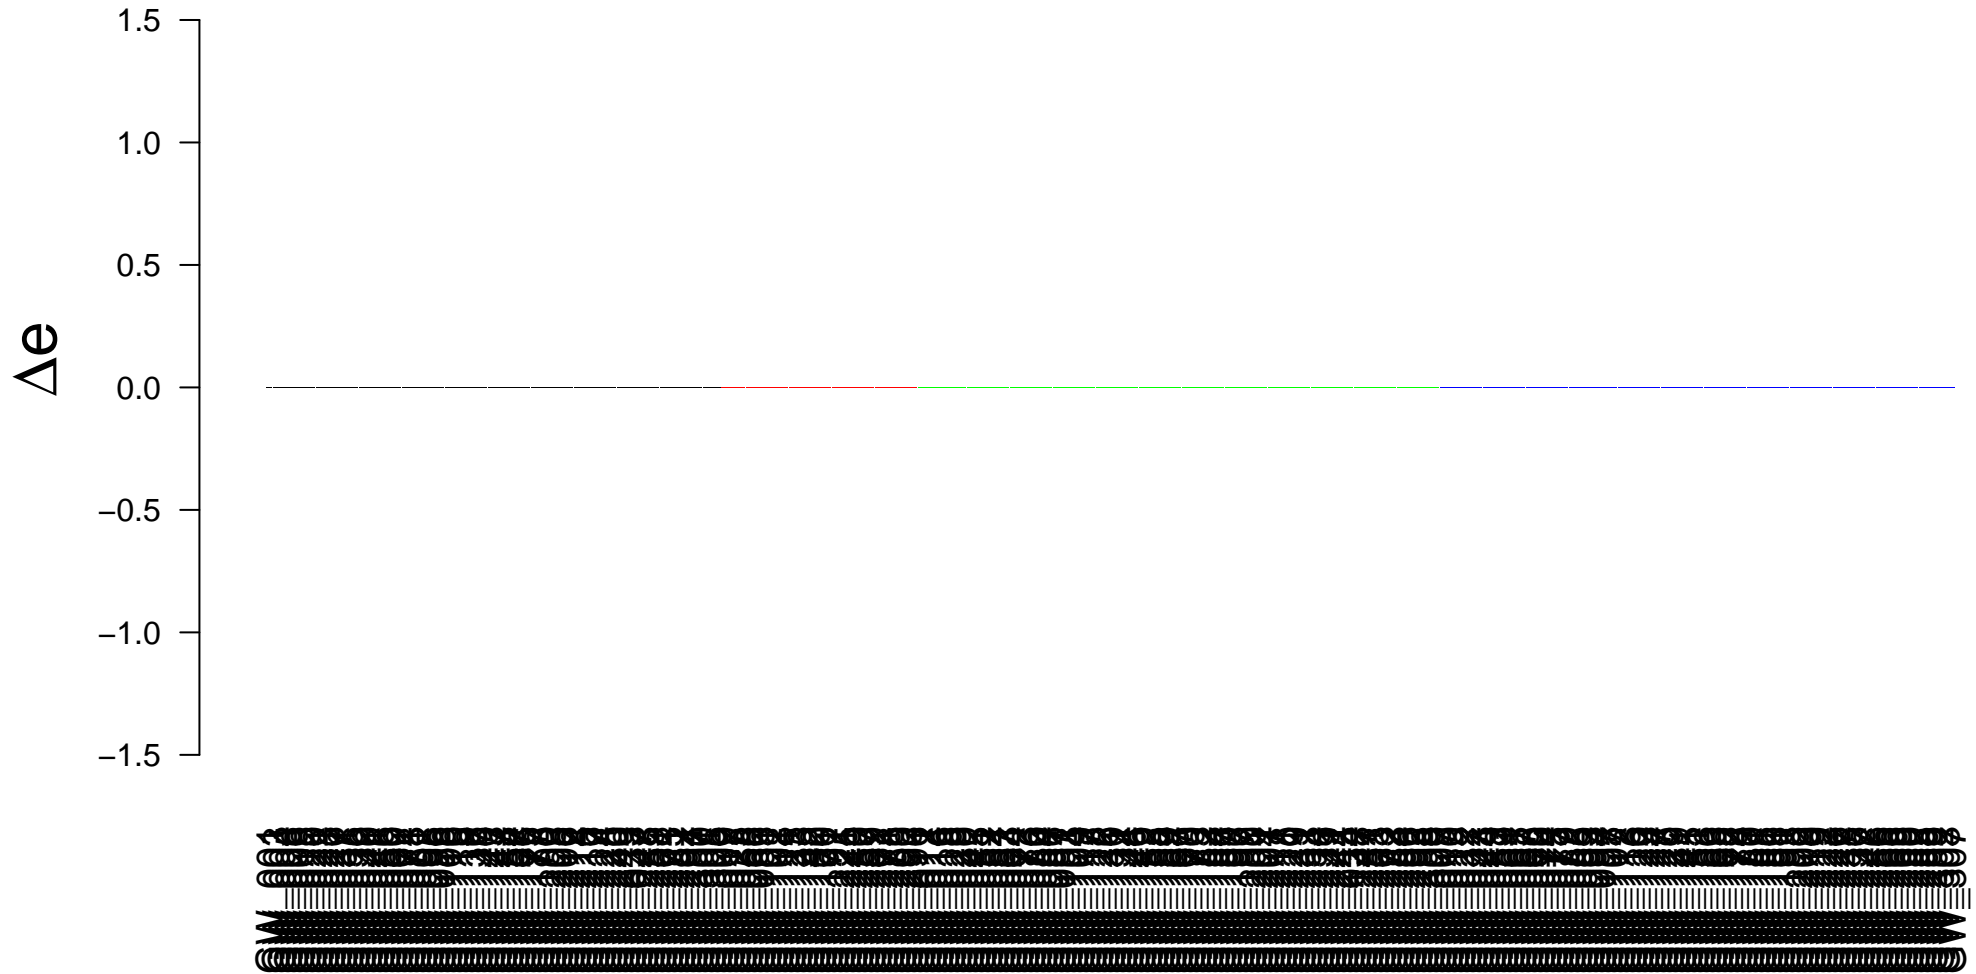

# Expression of filamentous actin in Spot A

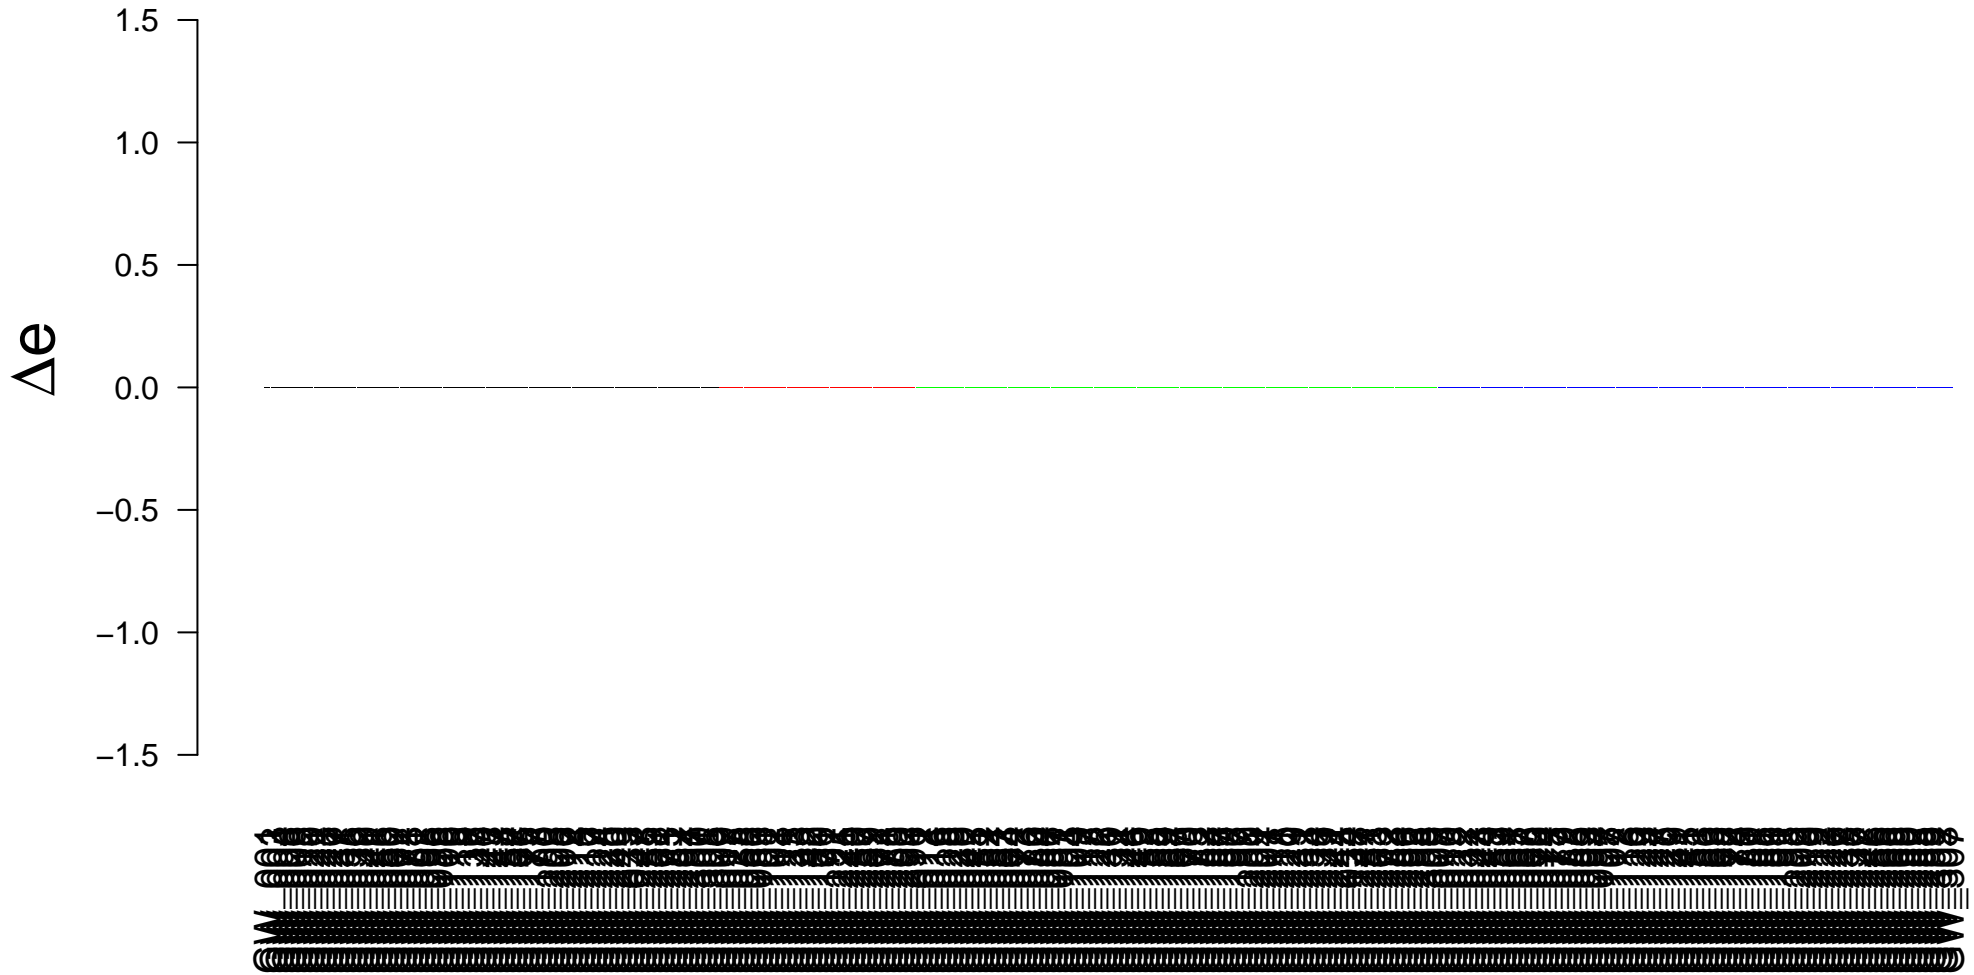

# Expression of filamentous actin in Spot B

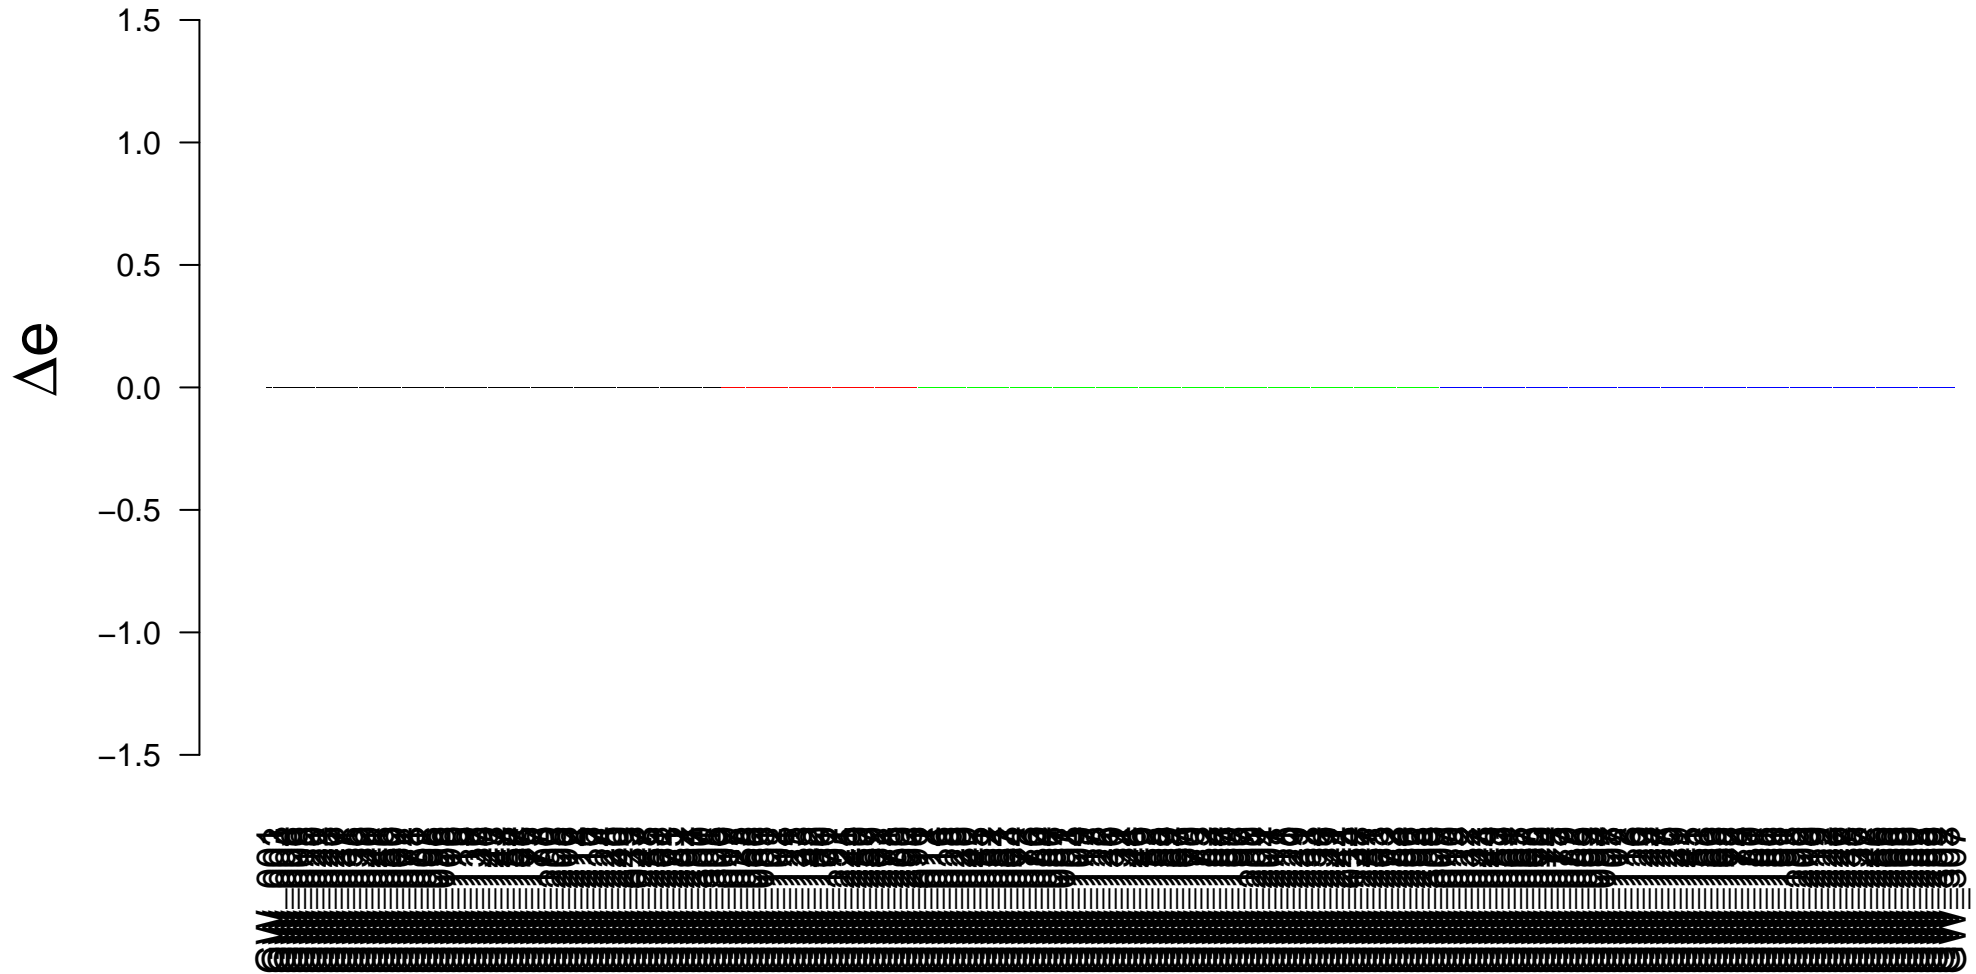

# Expression of filamentous actin in Spot C

# Expression of filamentous actin in Spot D

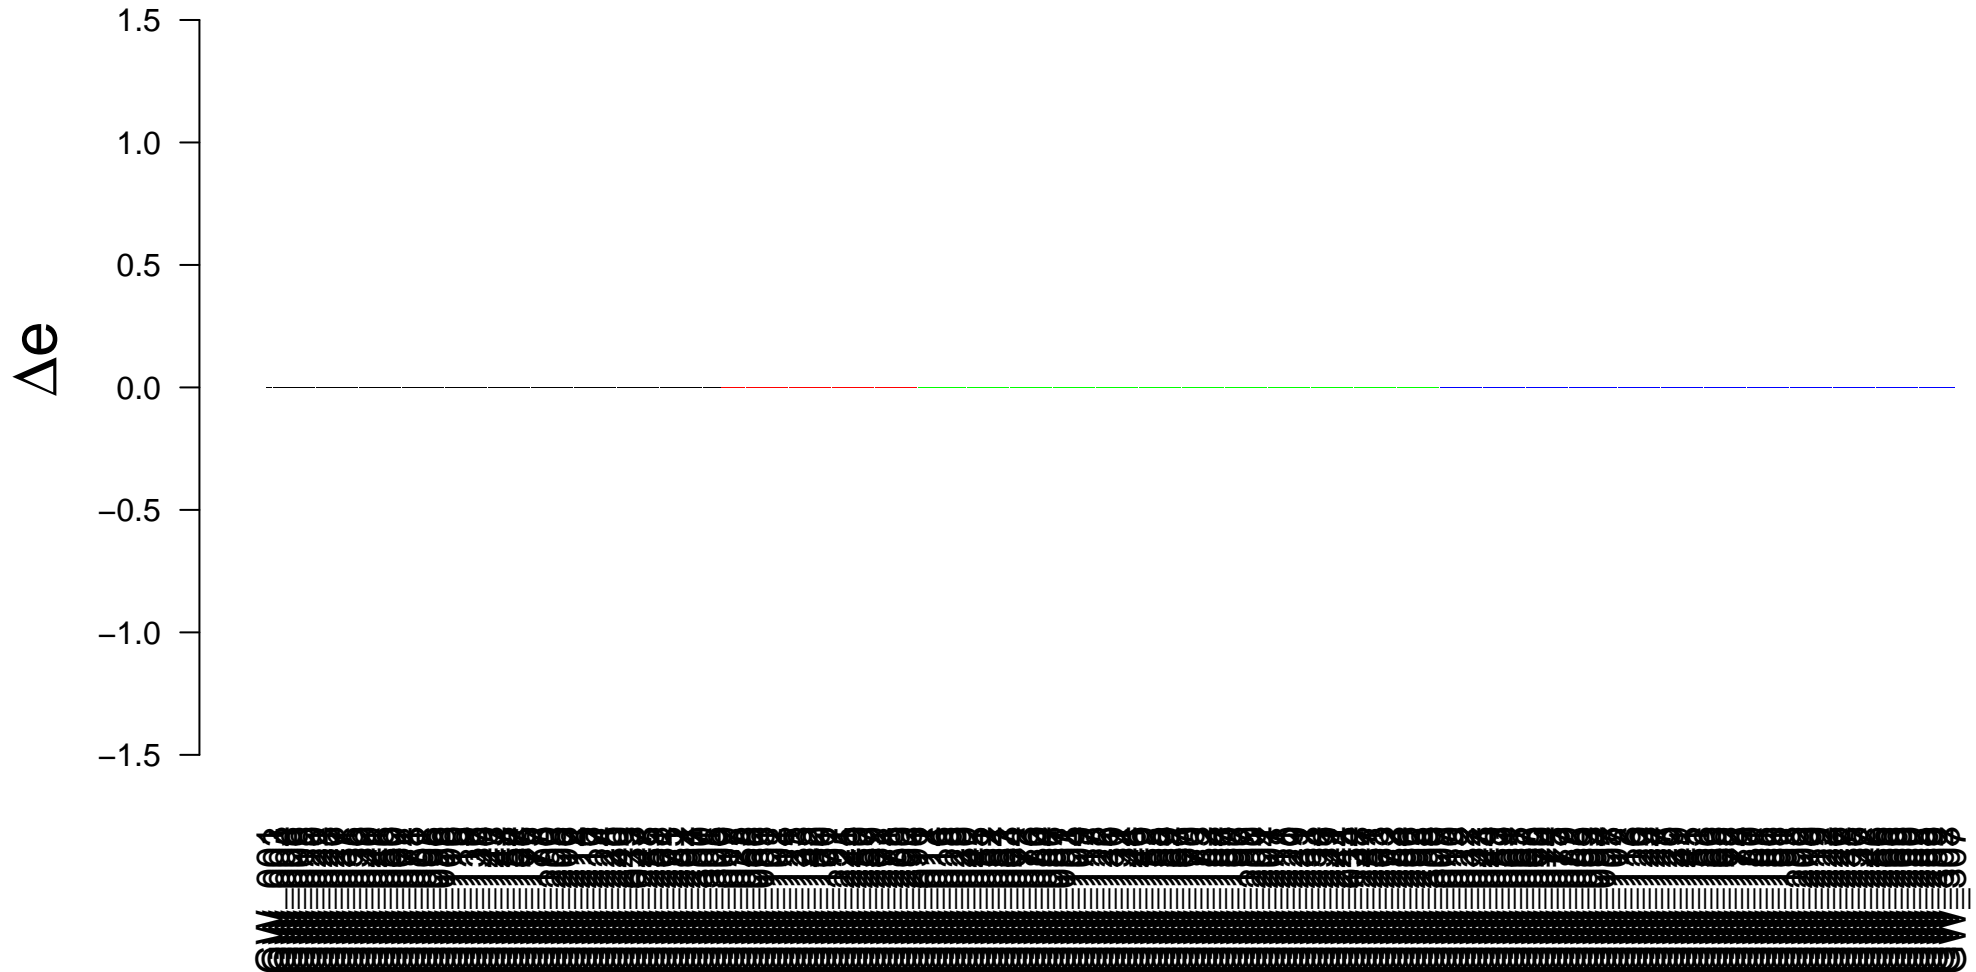

# Expression of filamentous actin in Spot E

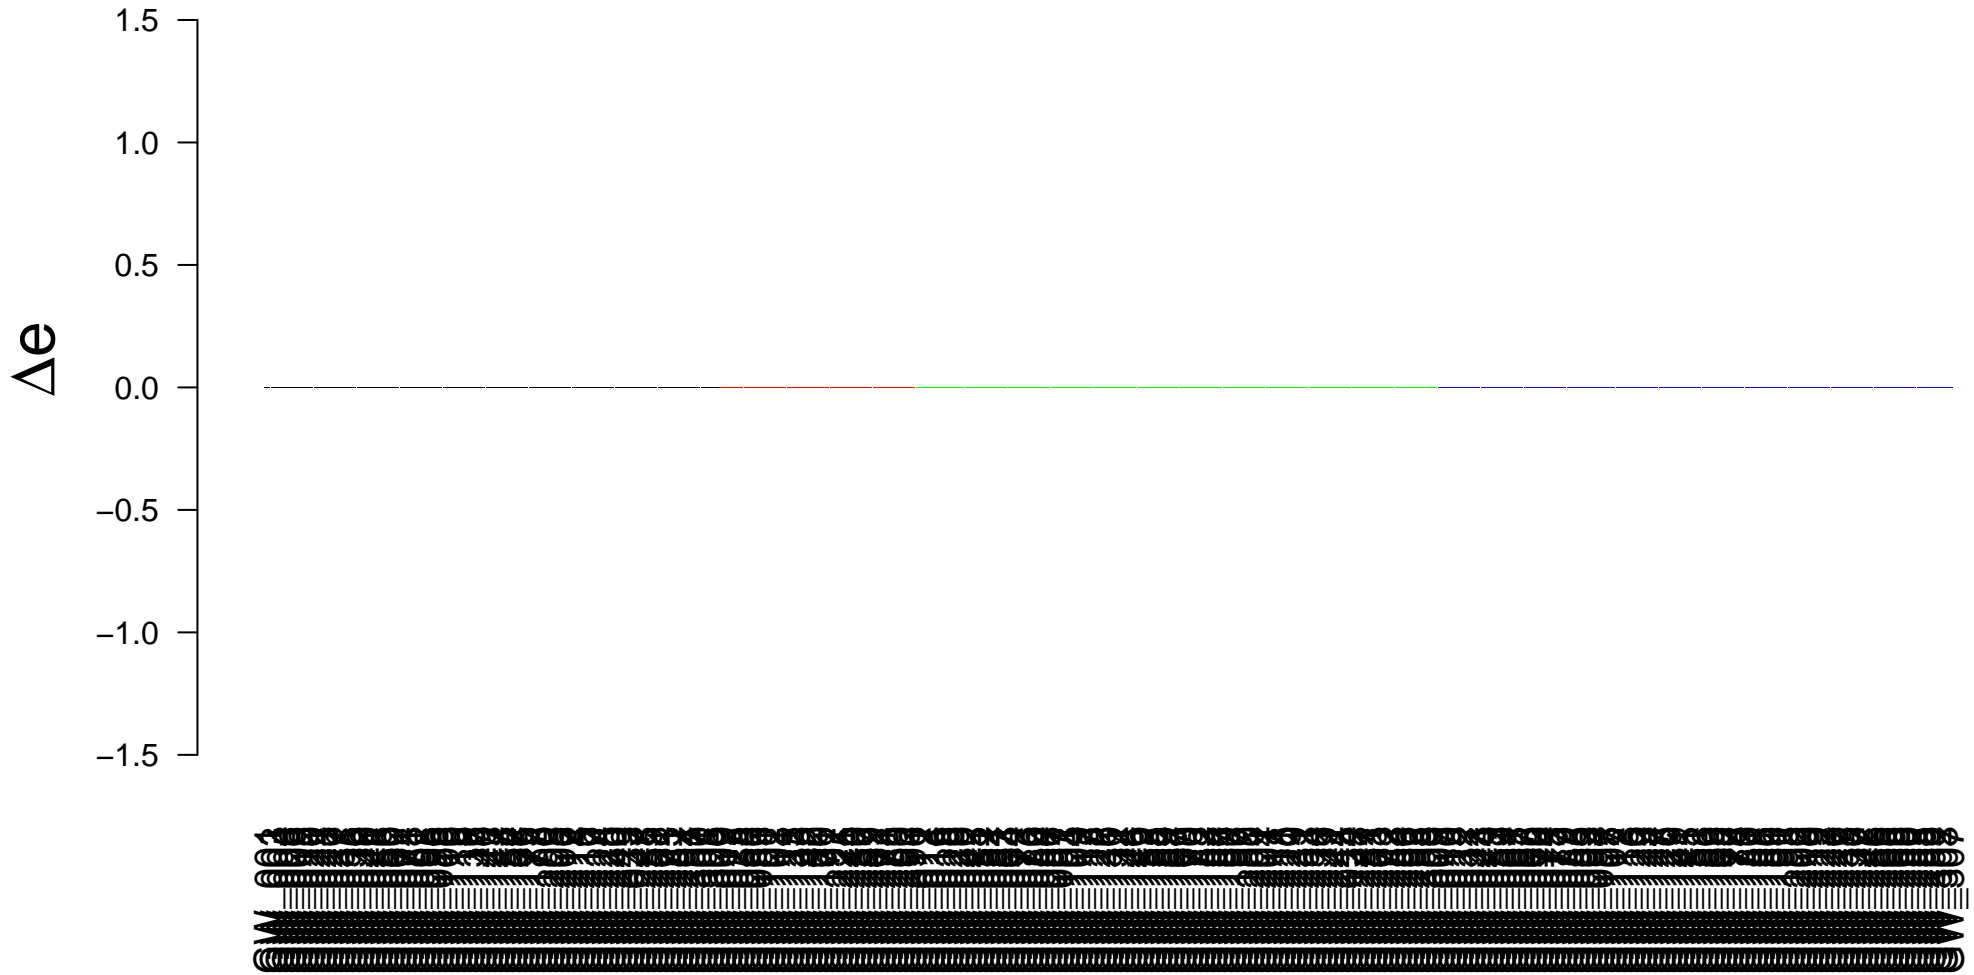

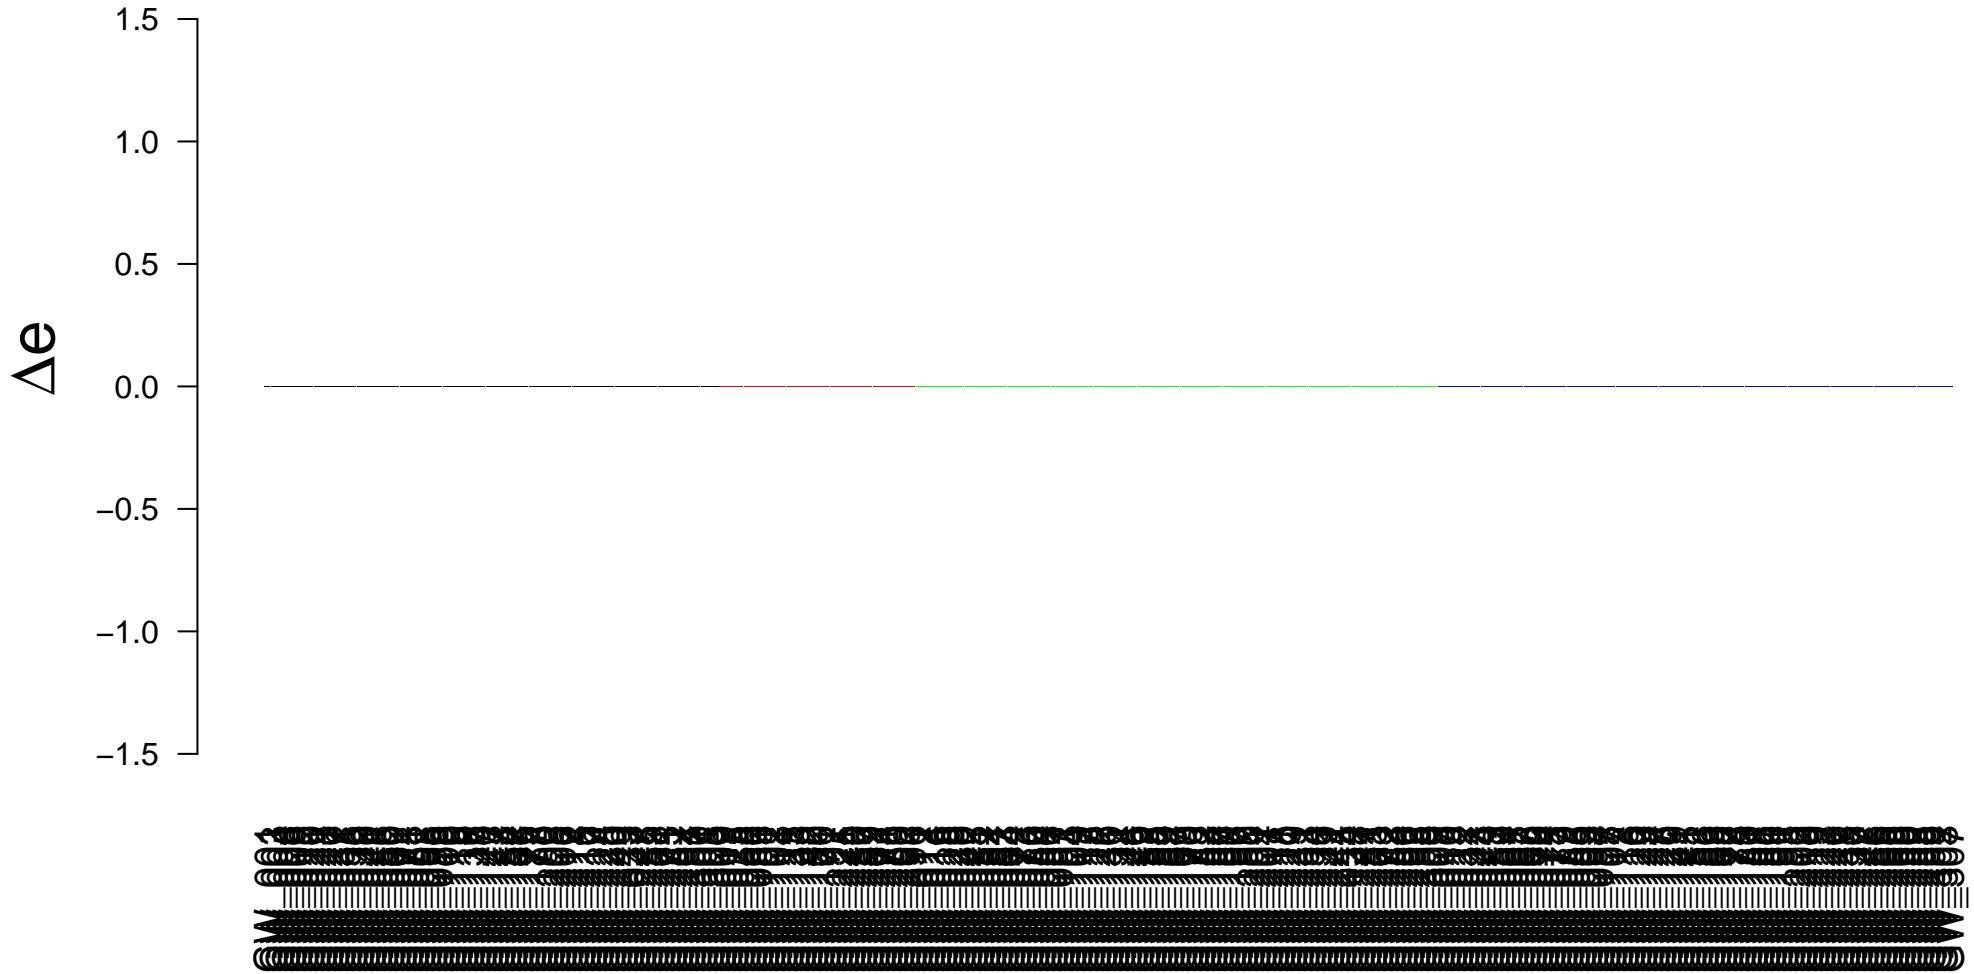

# Expression of filamentous actin in Spot F

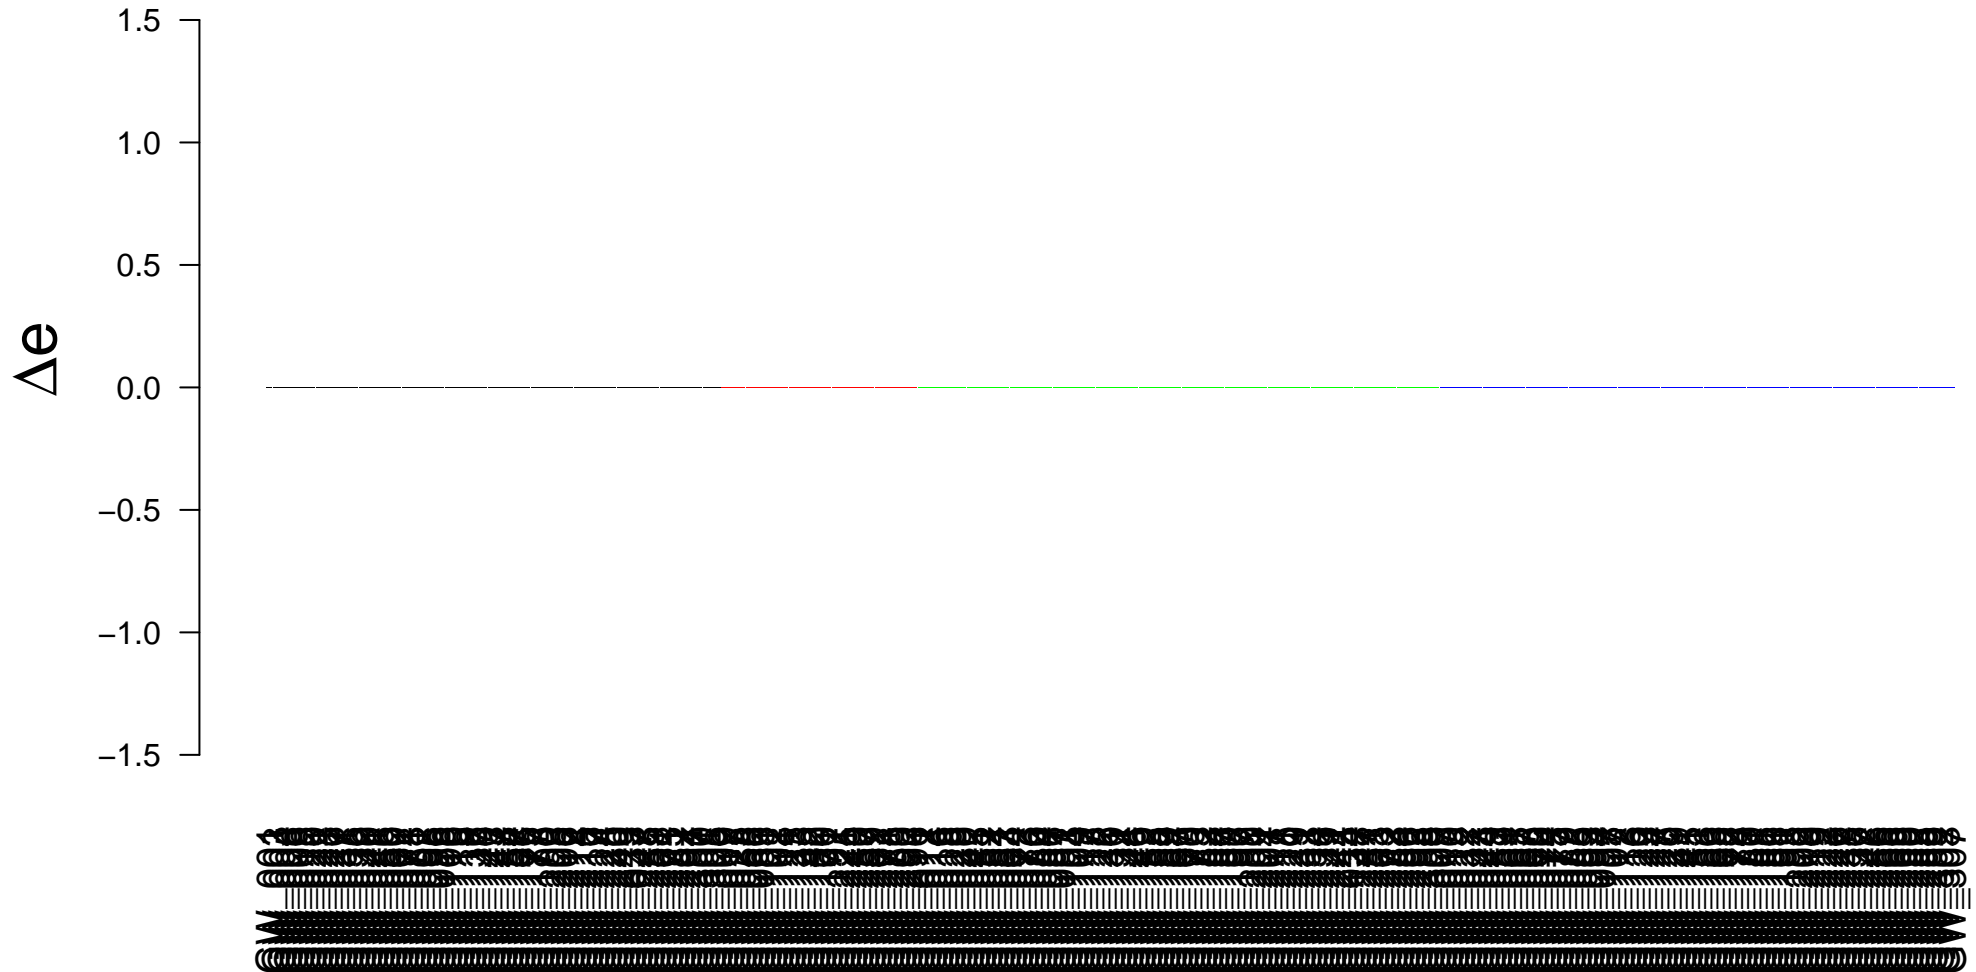

# Expression of filamentous actin in Spot G

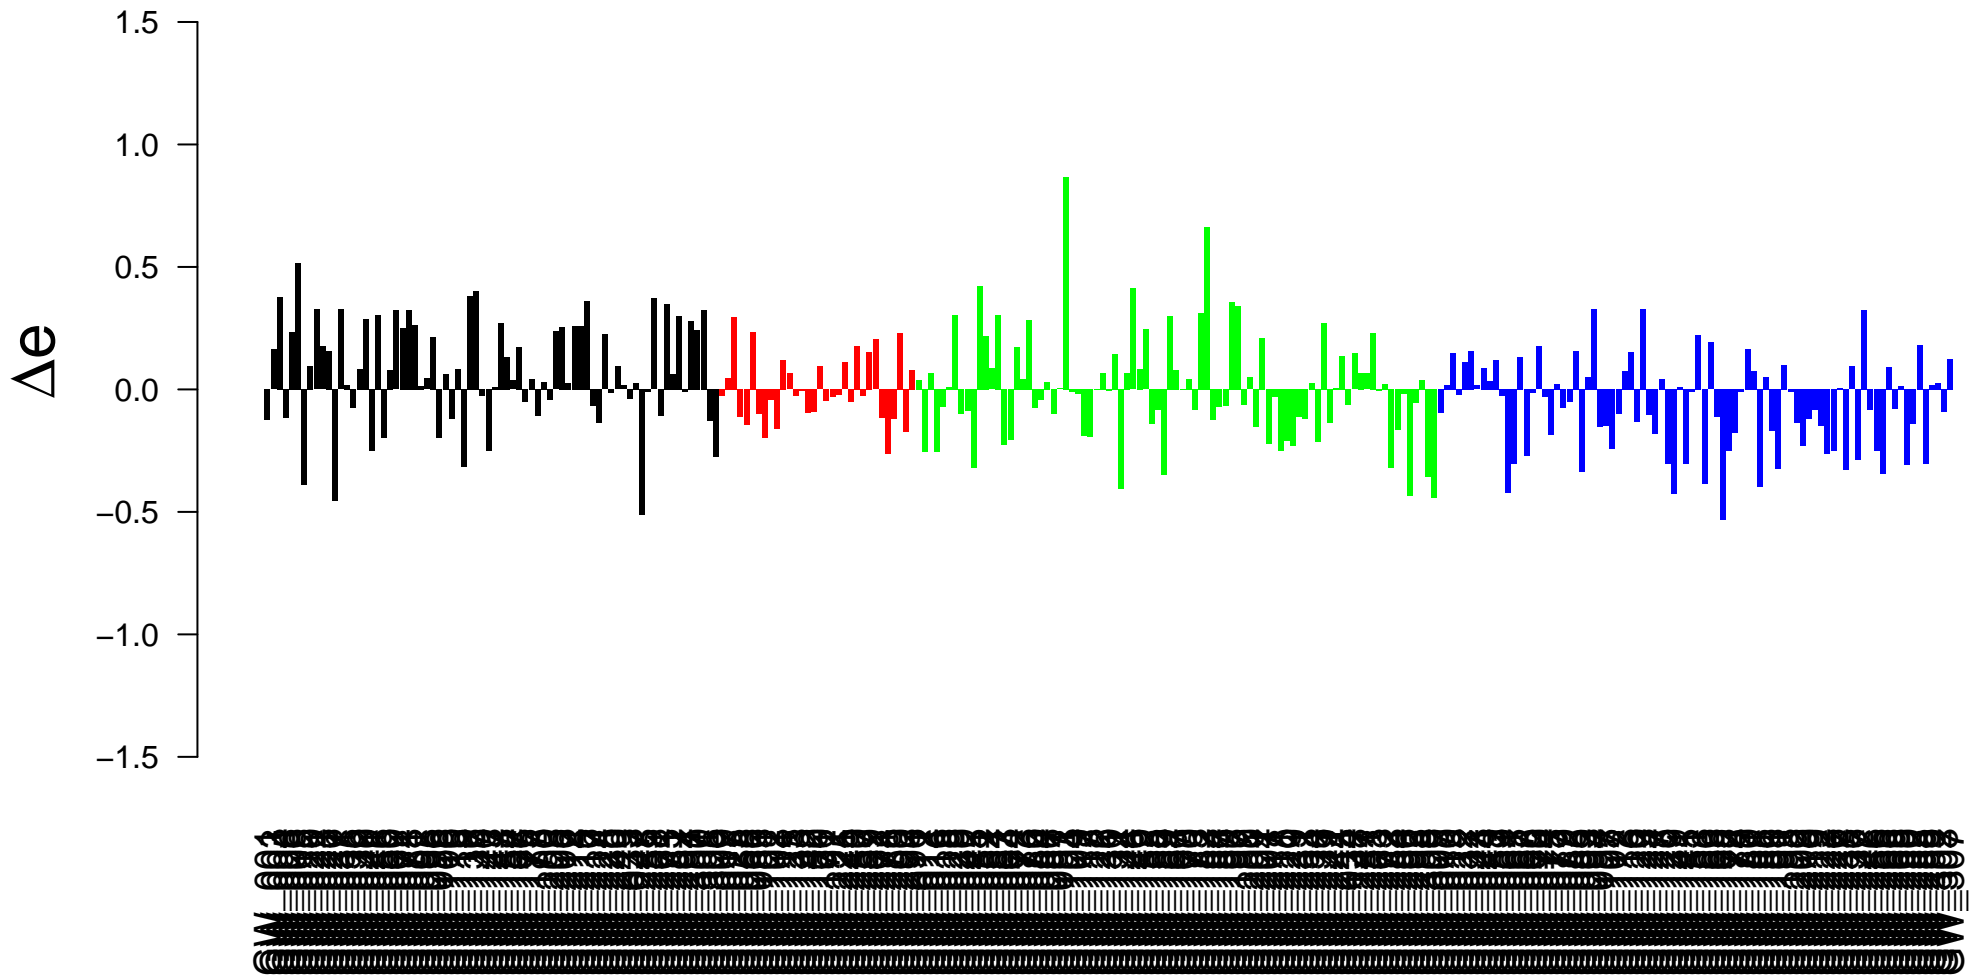

# Expression of filamentous actin in Spot H

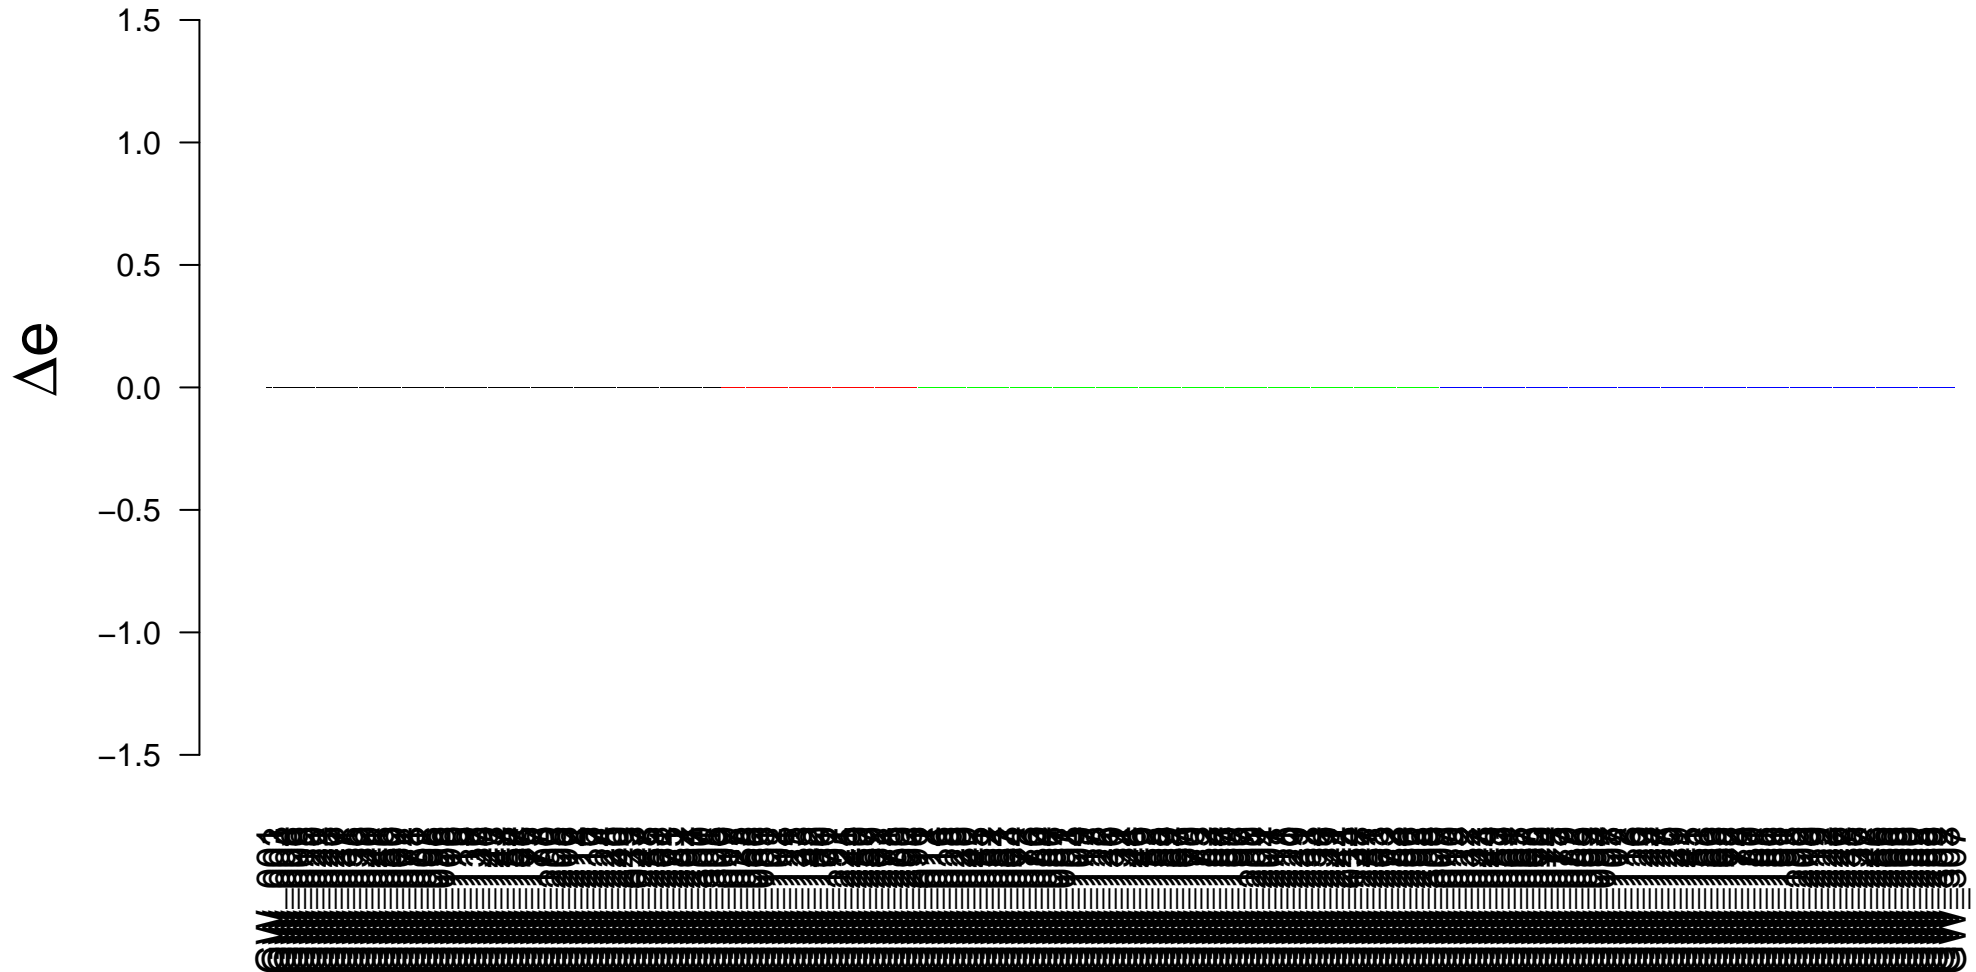

# Expression of filamentous actin in Spot I

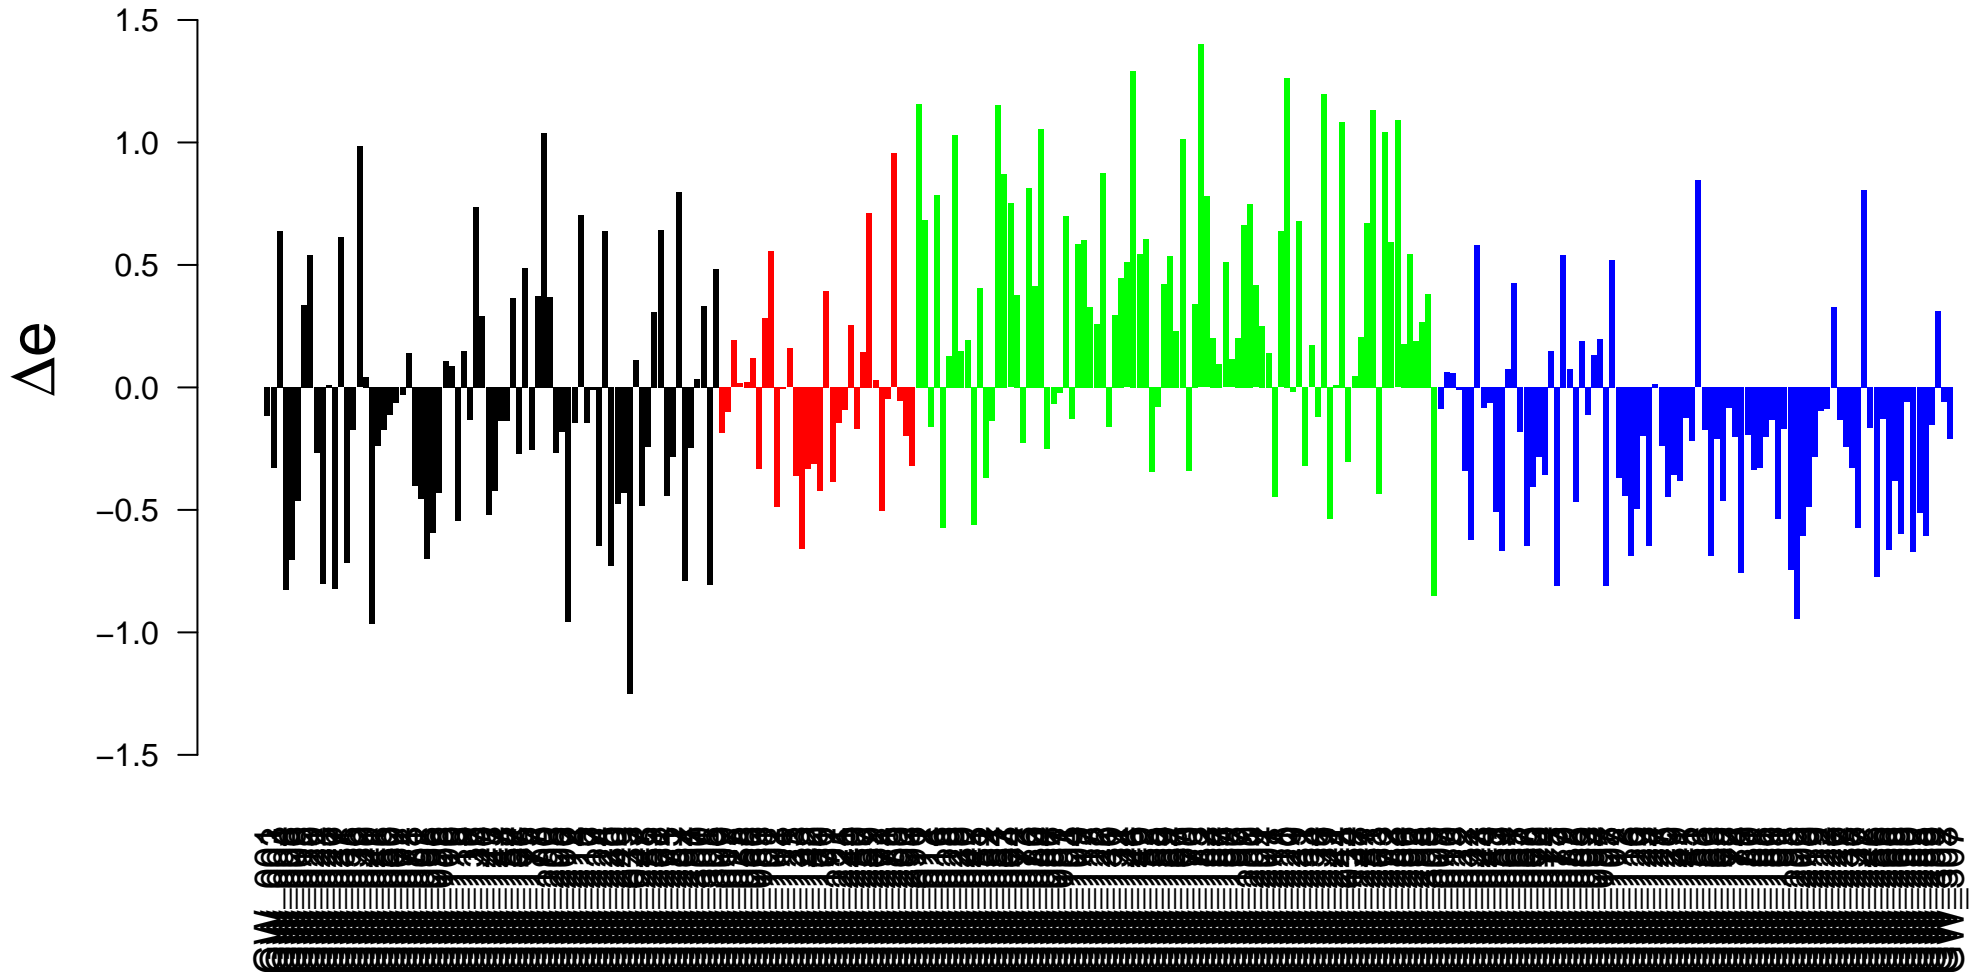

# Expression of filamentous actin in Spot J

# Expression of filamentous actin in Spot K

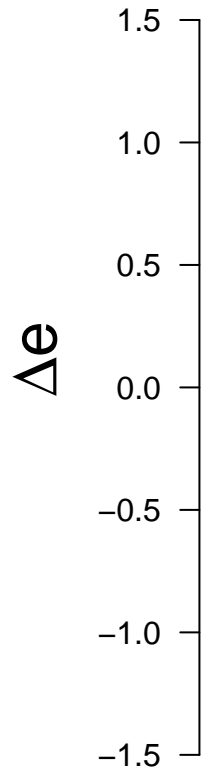

# Expression of filamentous actin in Spot L

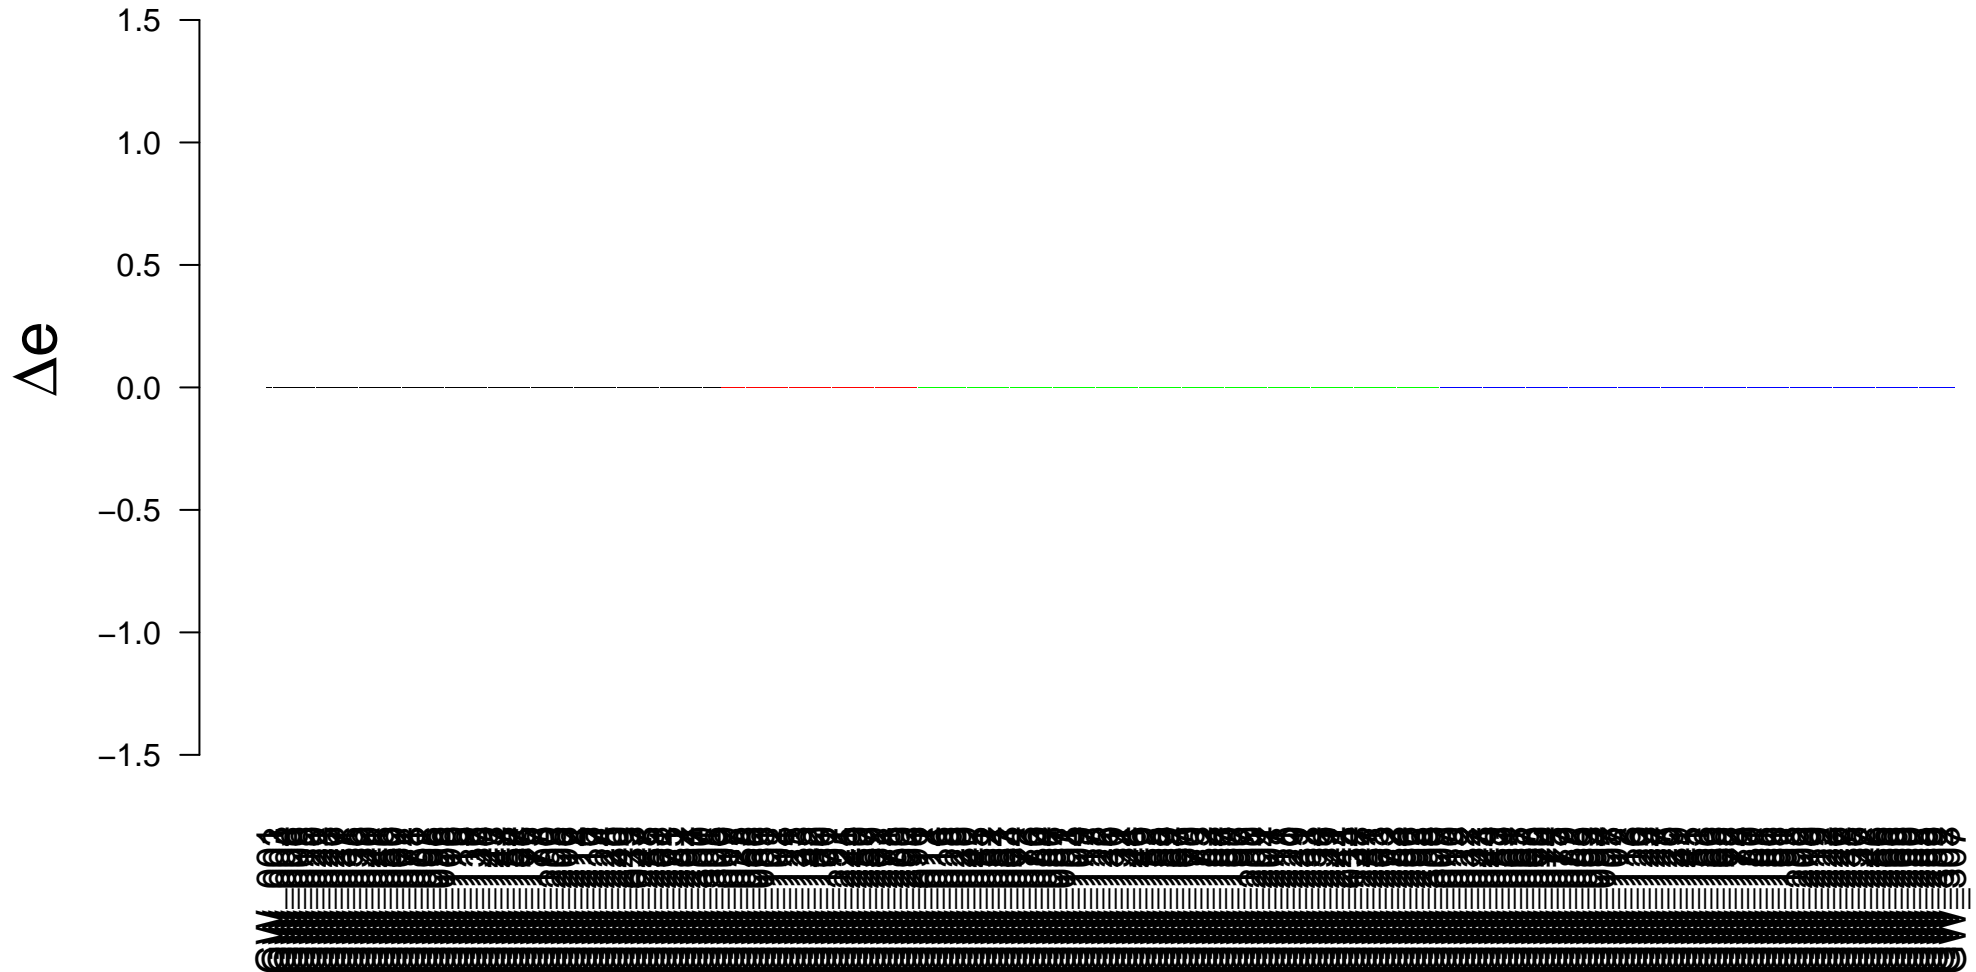

# Expression of filamentous actin in Spot M

$\Delta e$

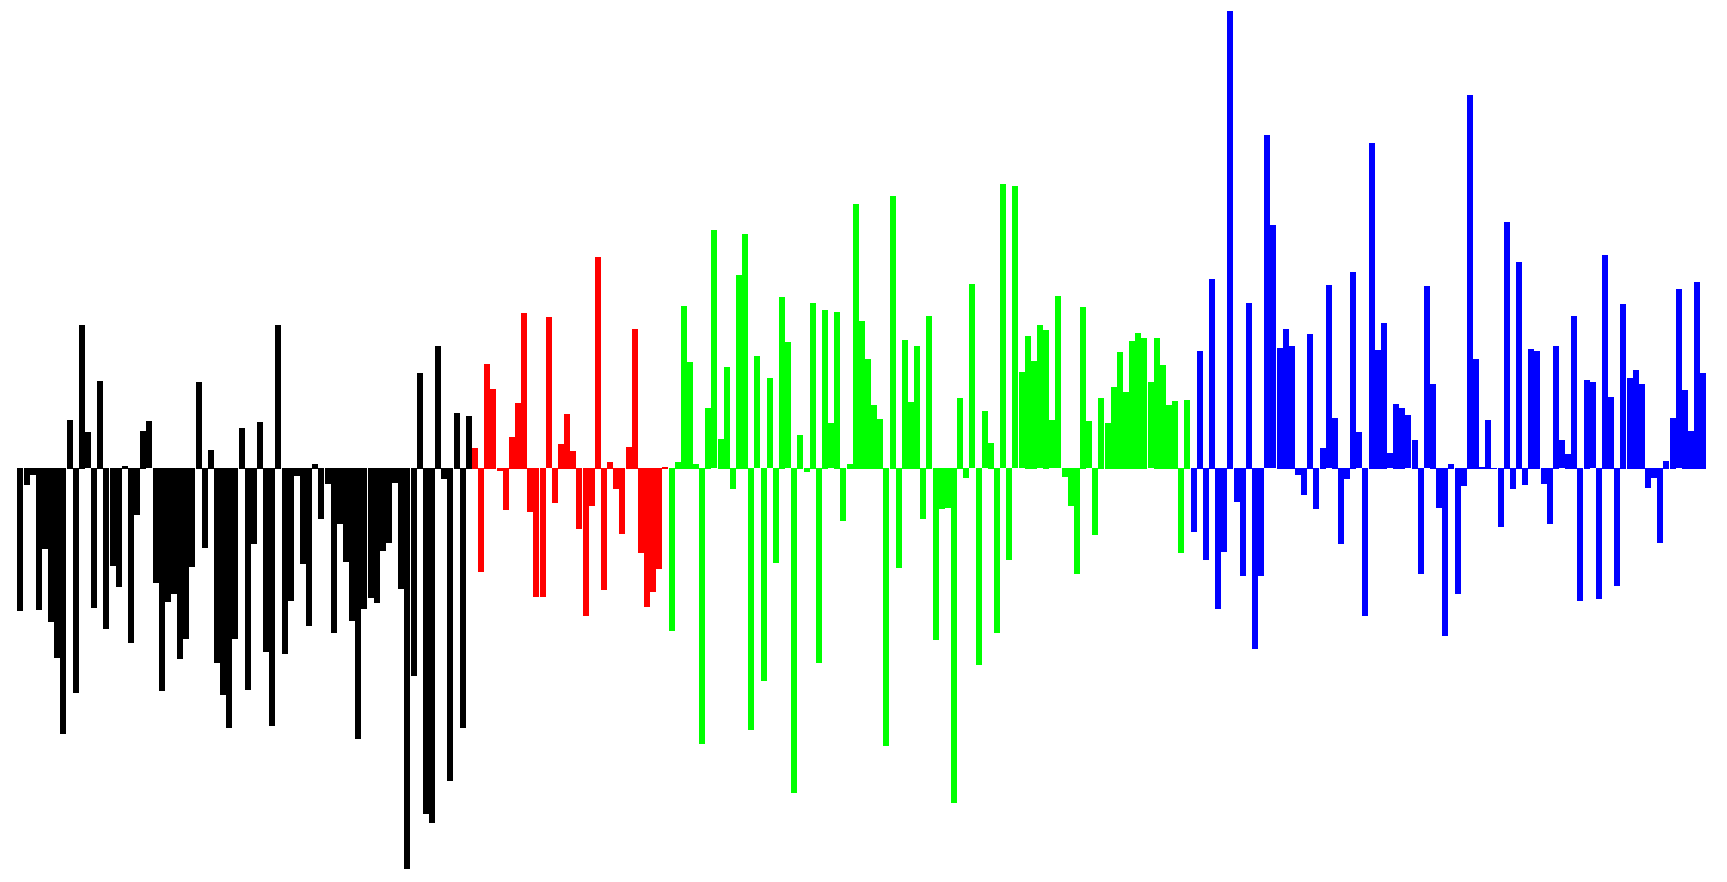

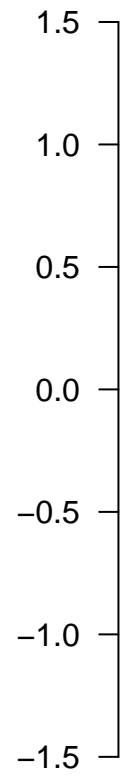

# Expression of filamentous actin in Spot N

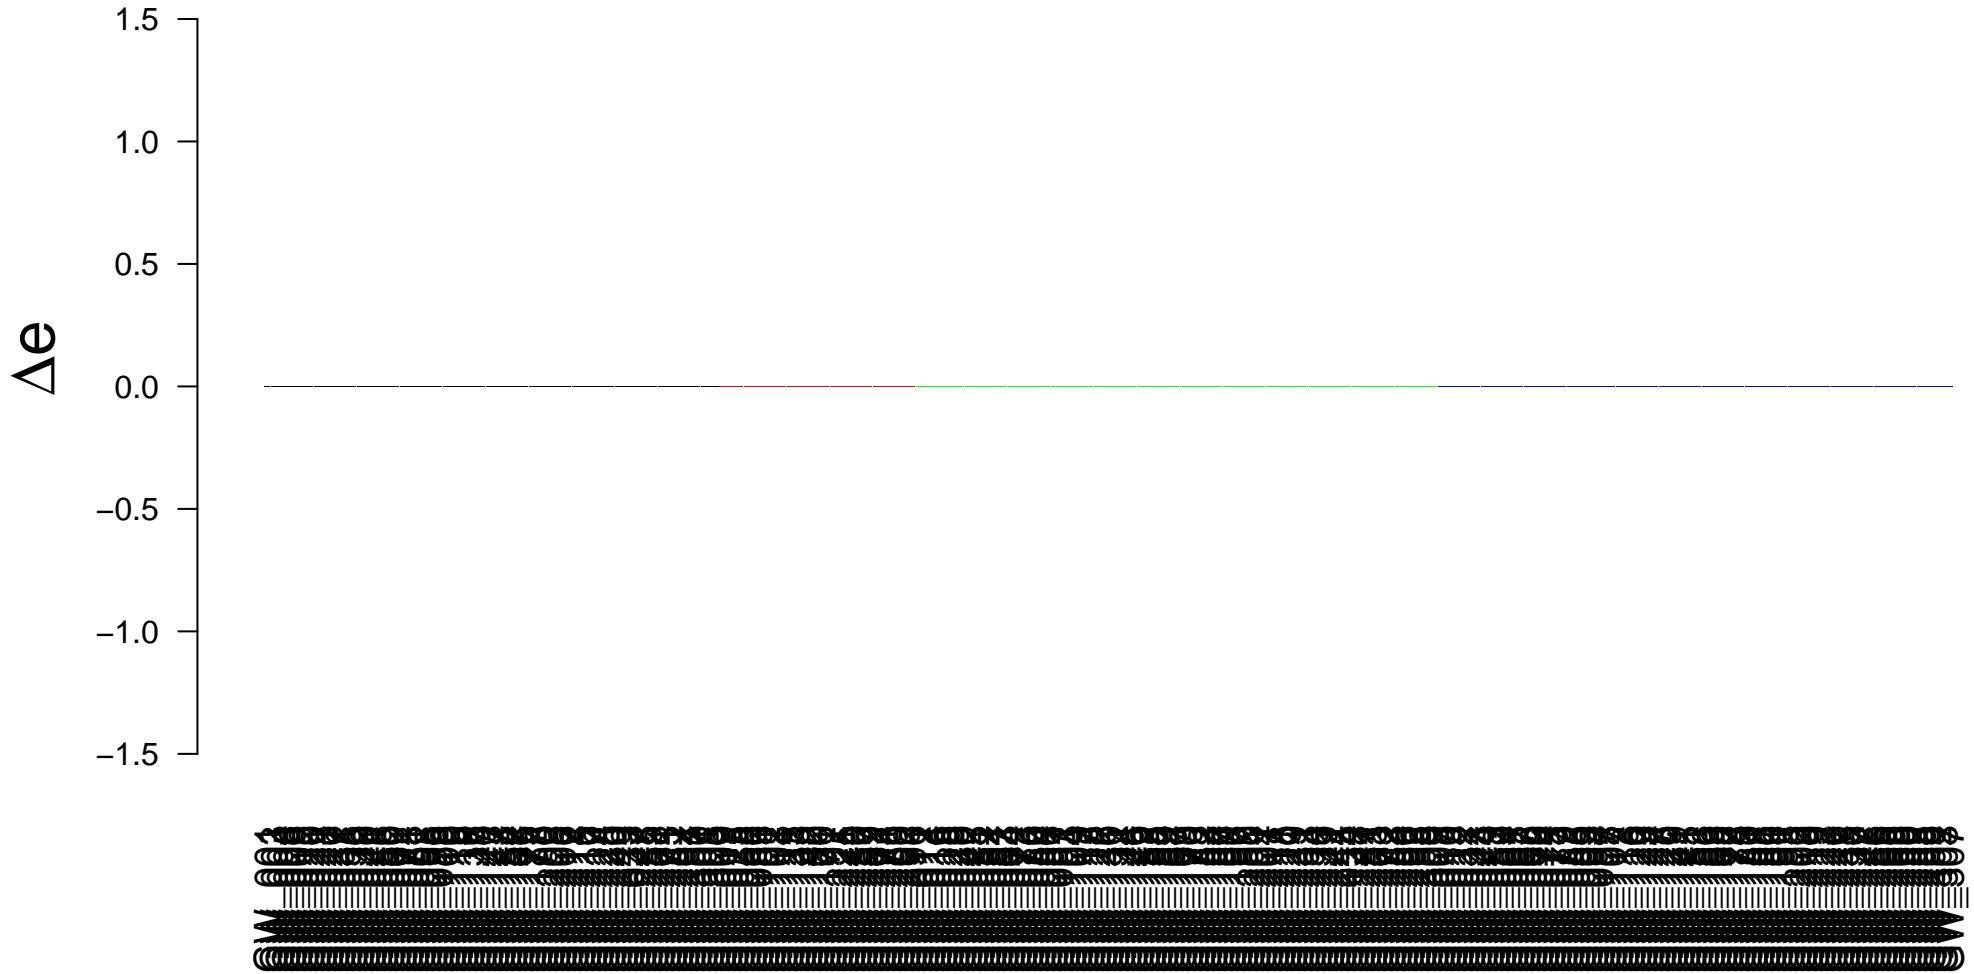

# Expression of filamentous actin in Spot O

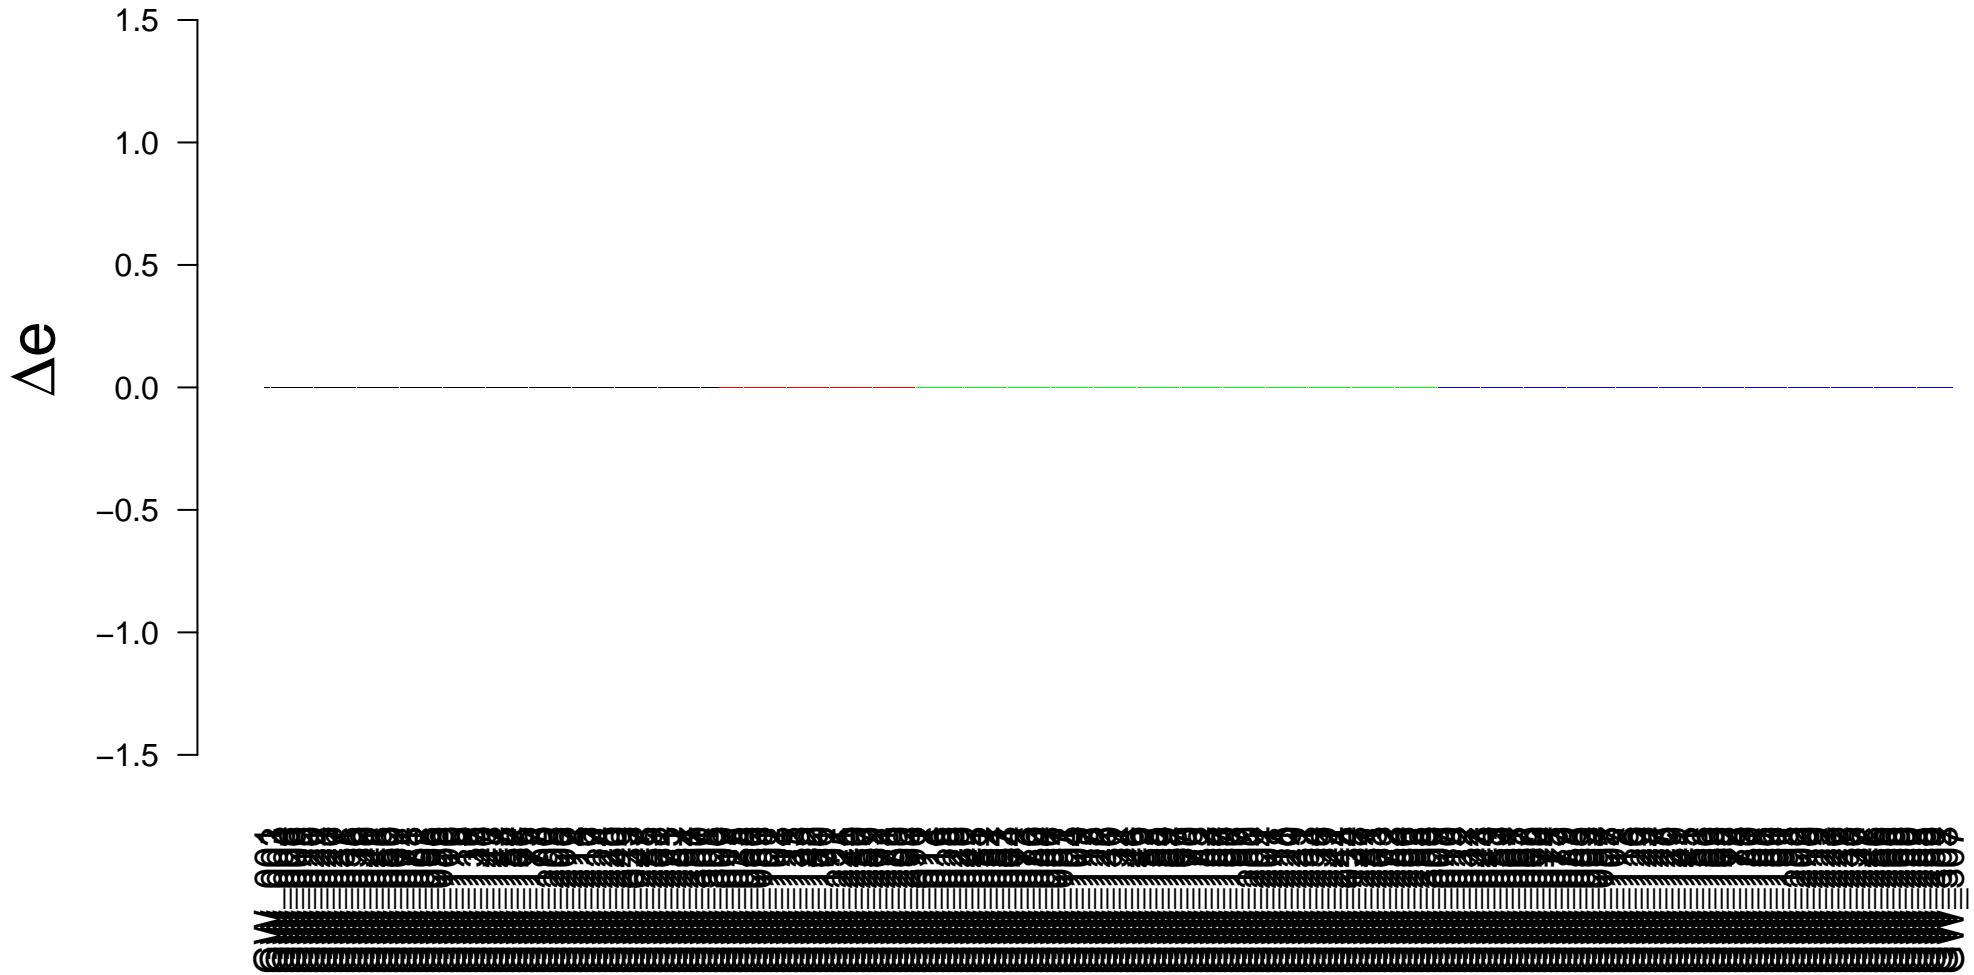

$\Delta e$

# Expression of filamentous actin in Spot P

# Expression of filamentous actin in Spot Q

# Expression of filamentous actin in Spot R
