

fucosyltransferase activity

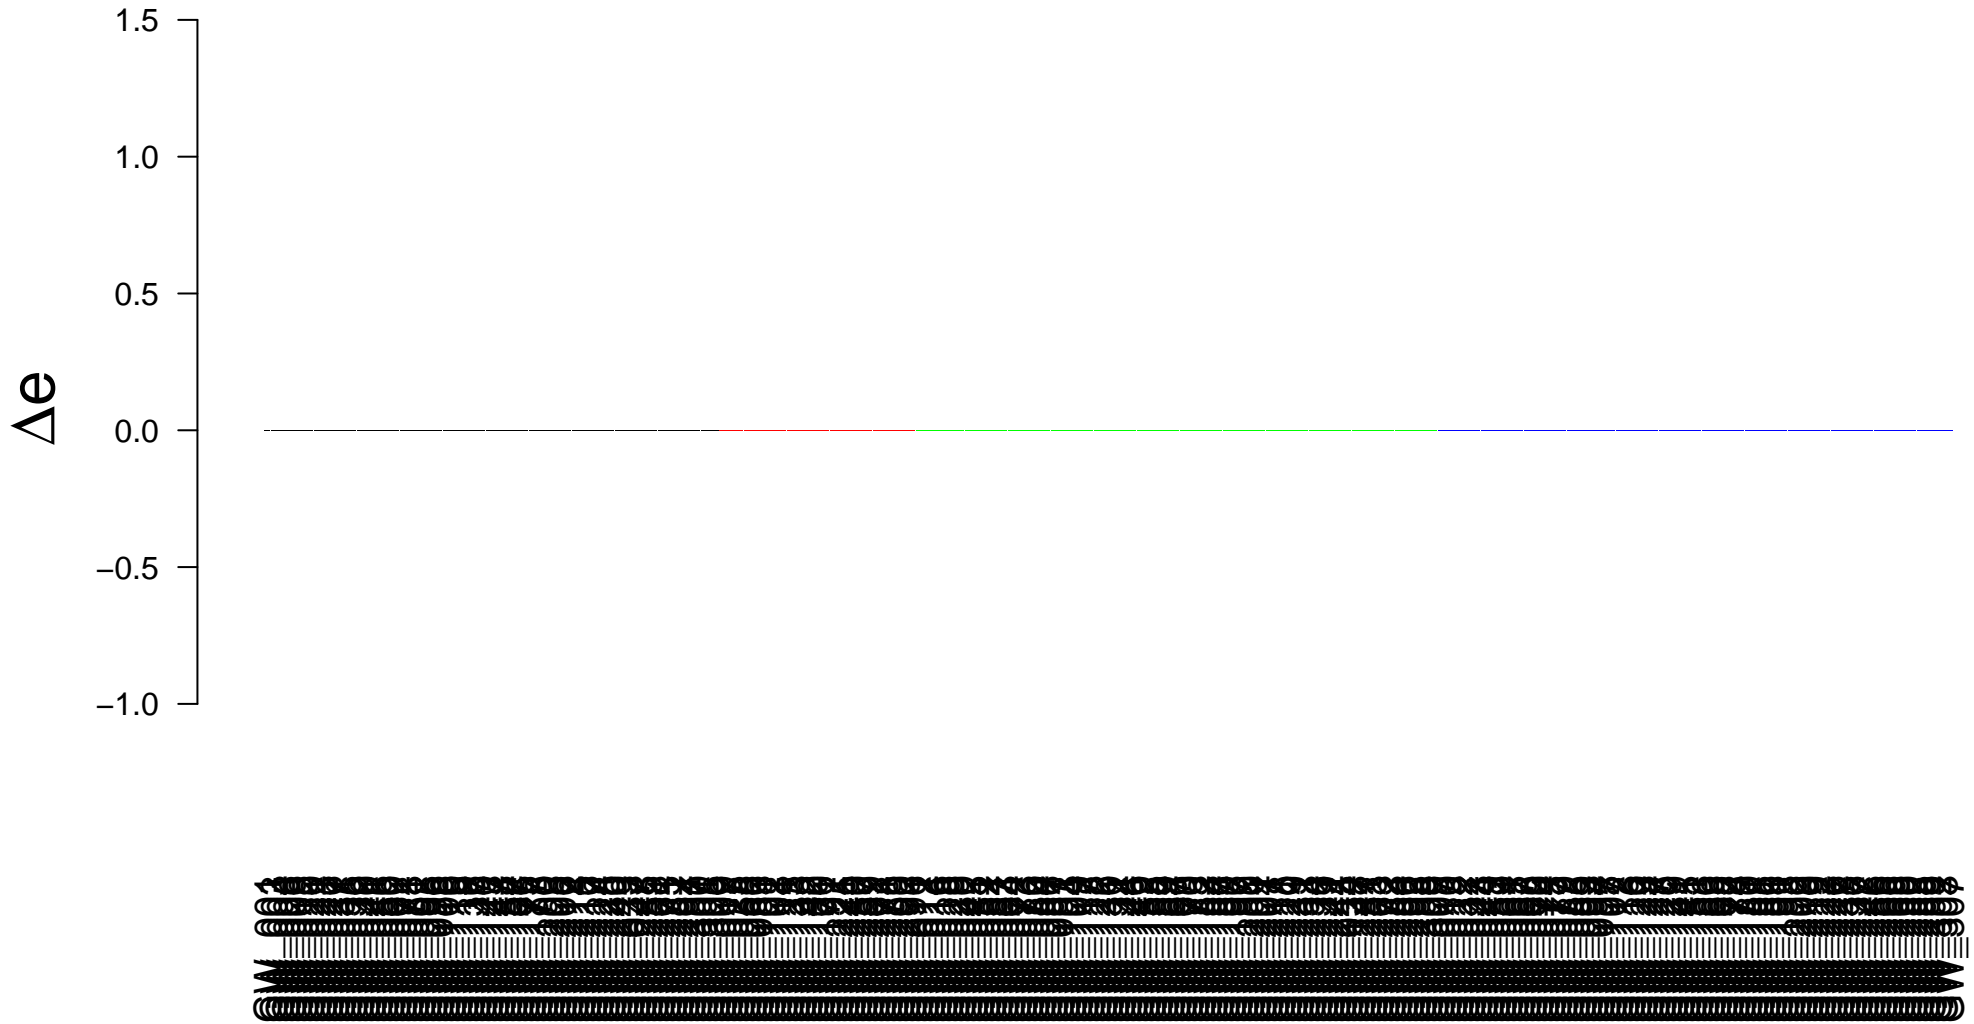

fucosyltransferase activity

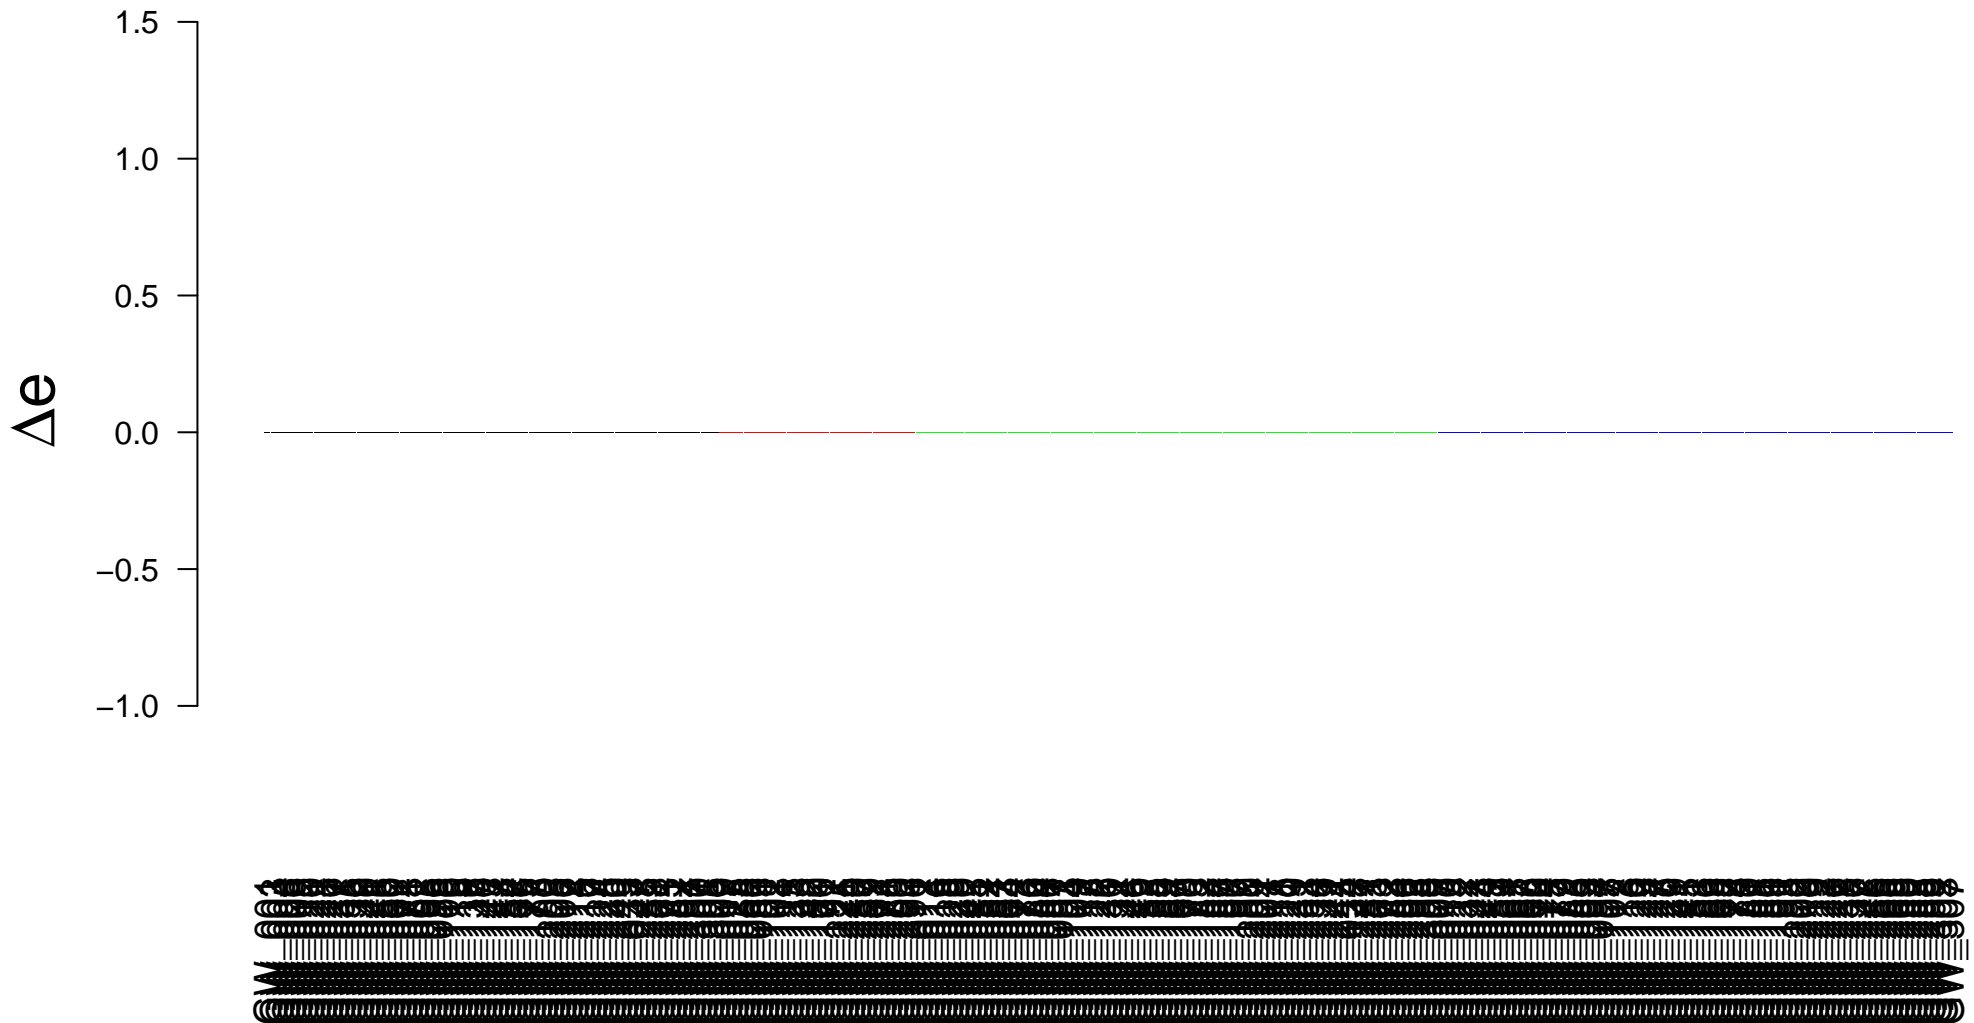

Enrichment in spots: fucosyltransferase activity

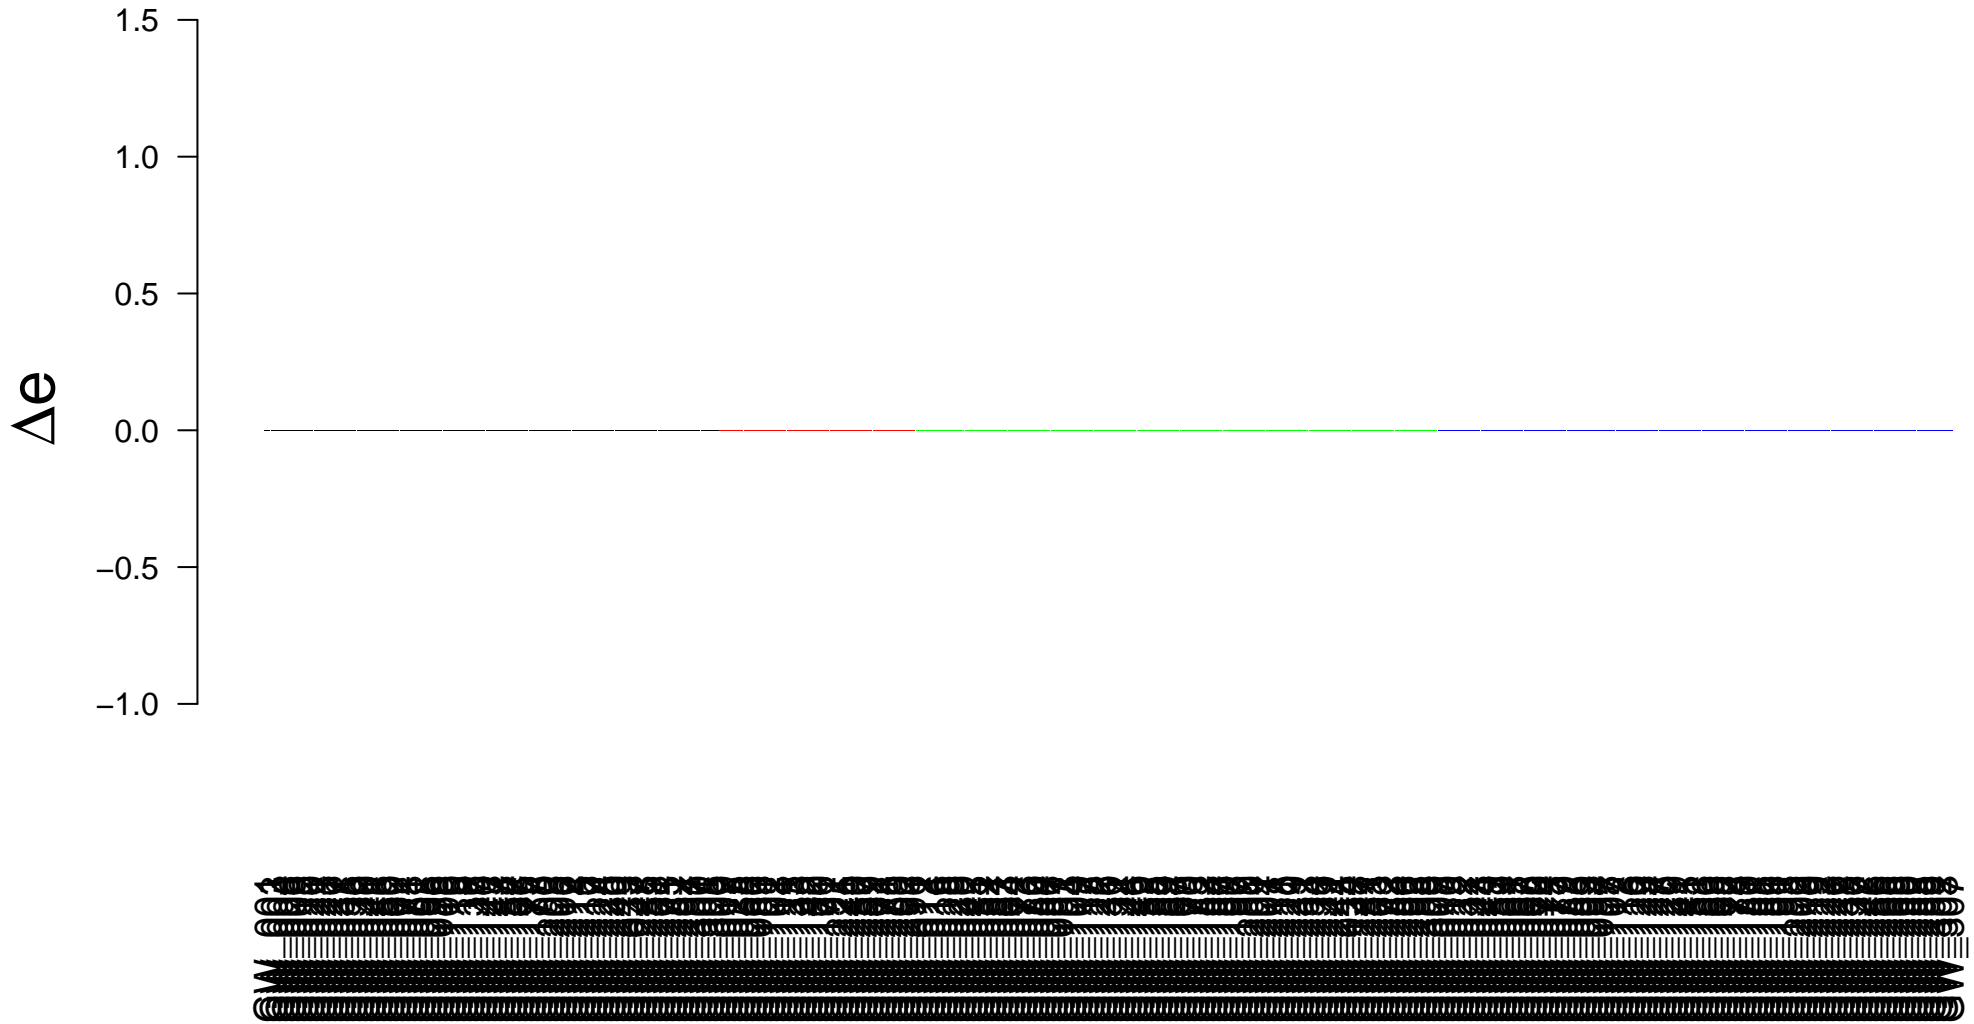

Expression of fucosyltransferase activity in Spot A

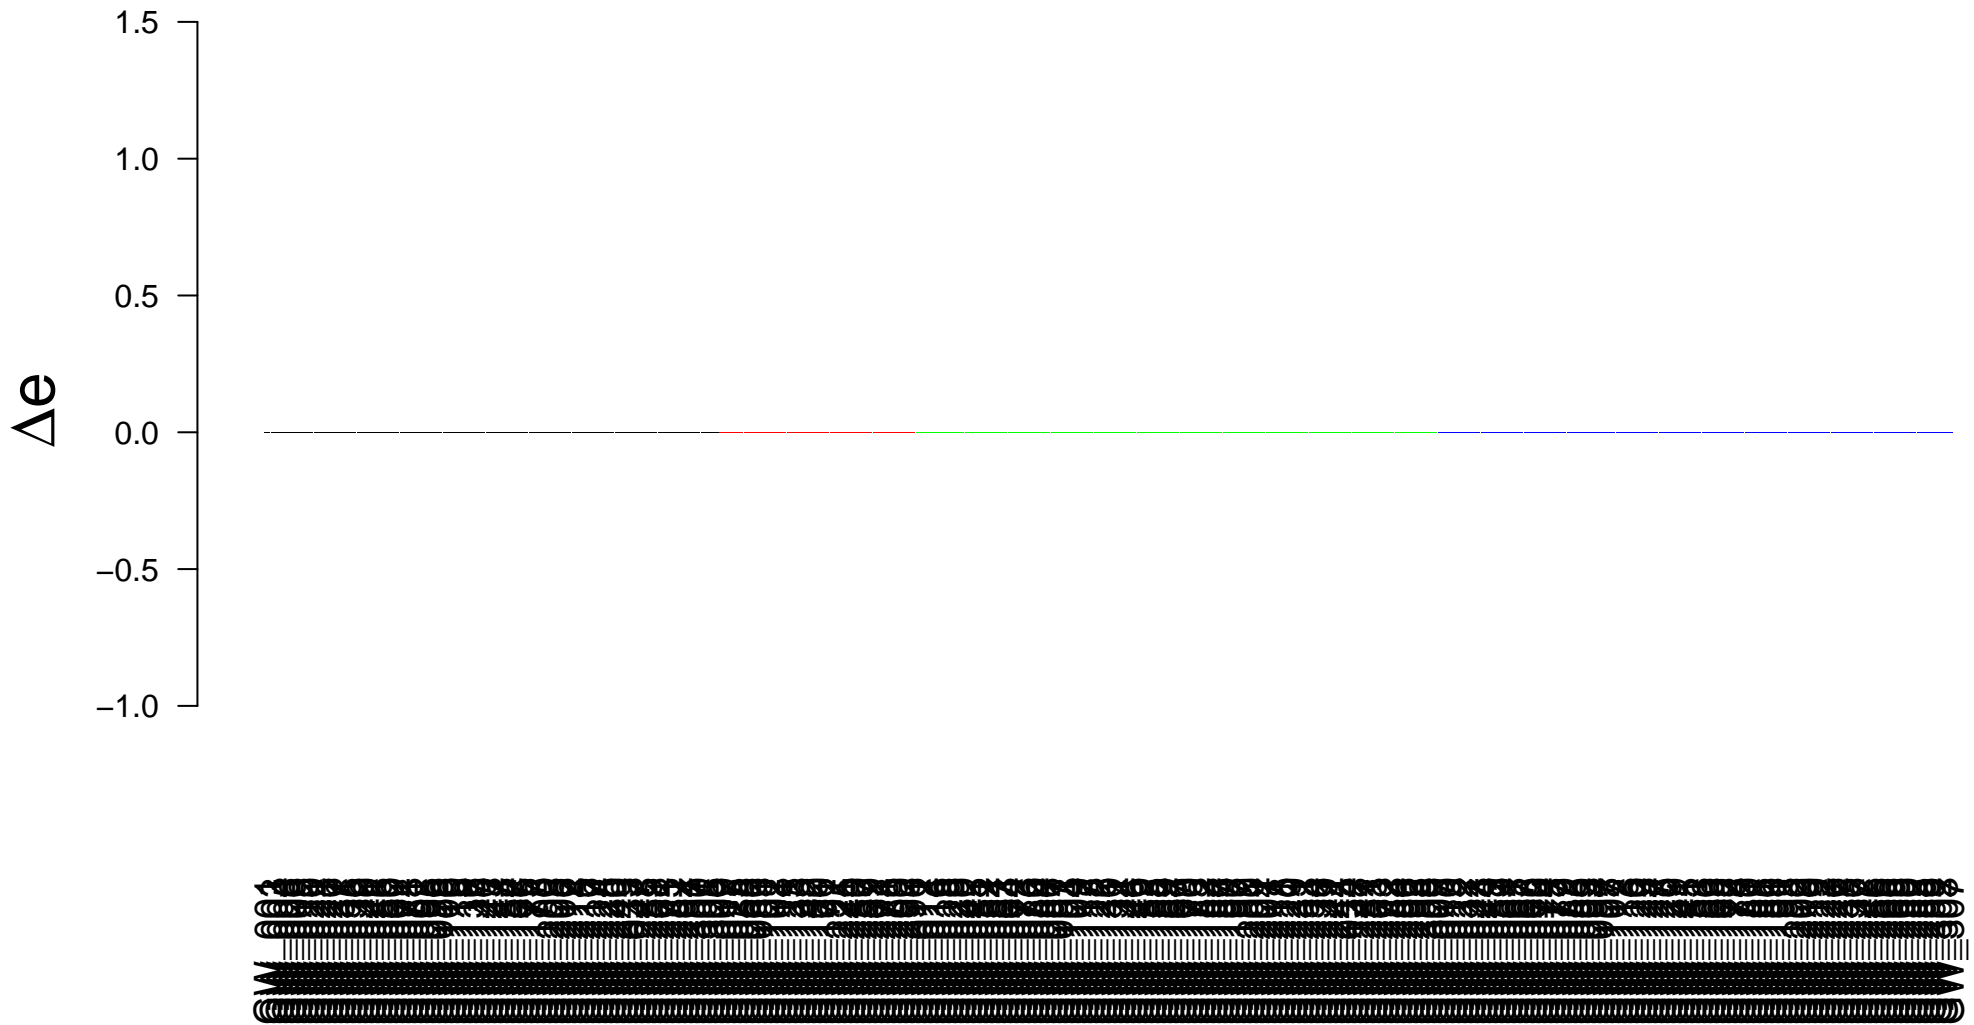

Expression of fucosyltransferase activity in Spot B

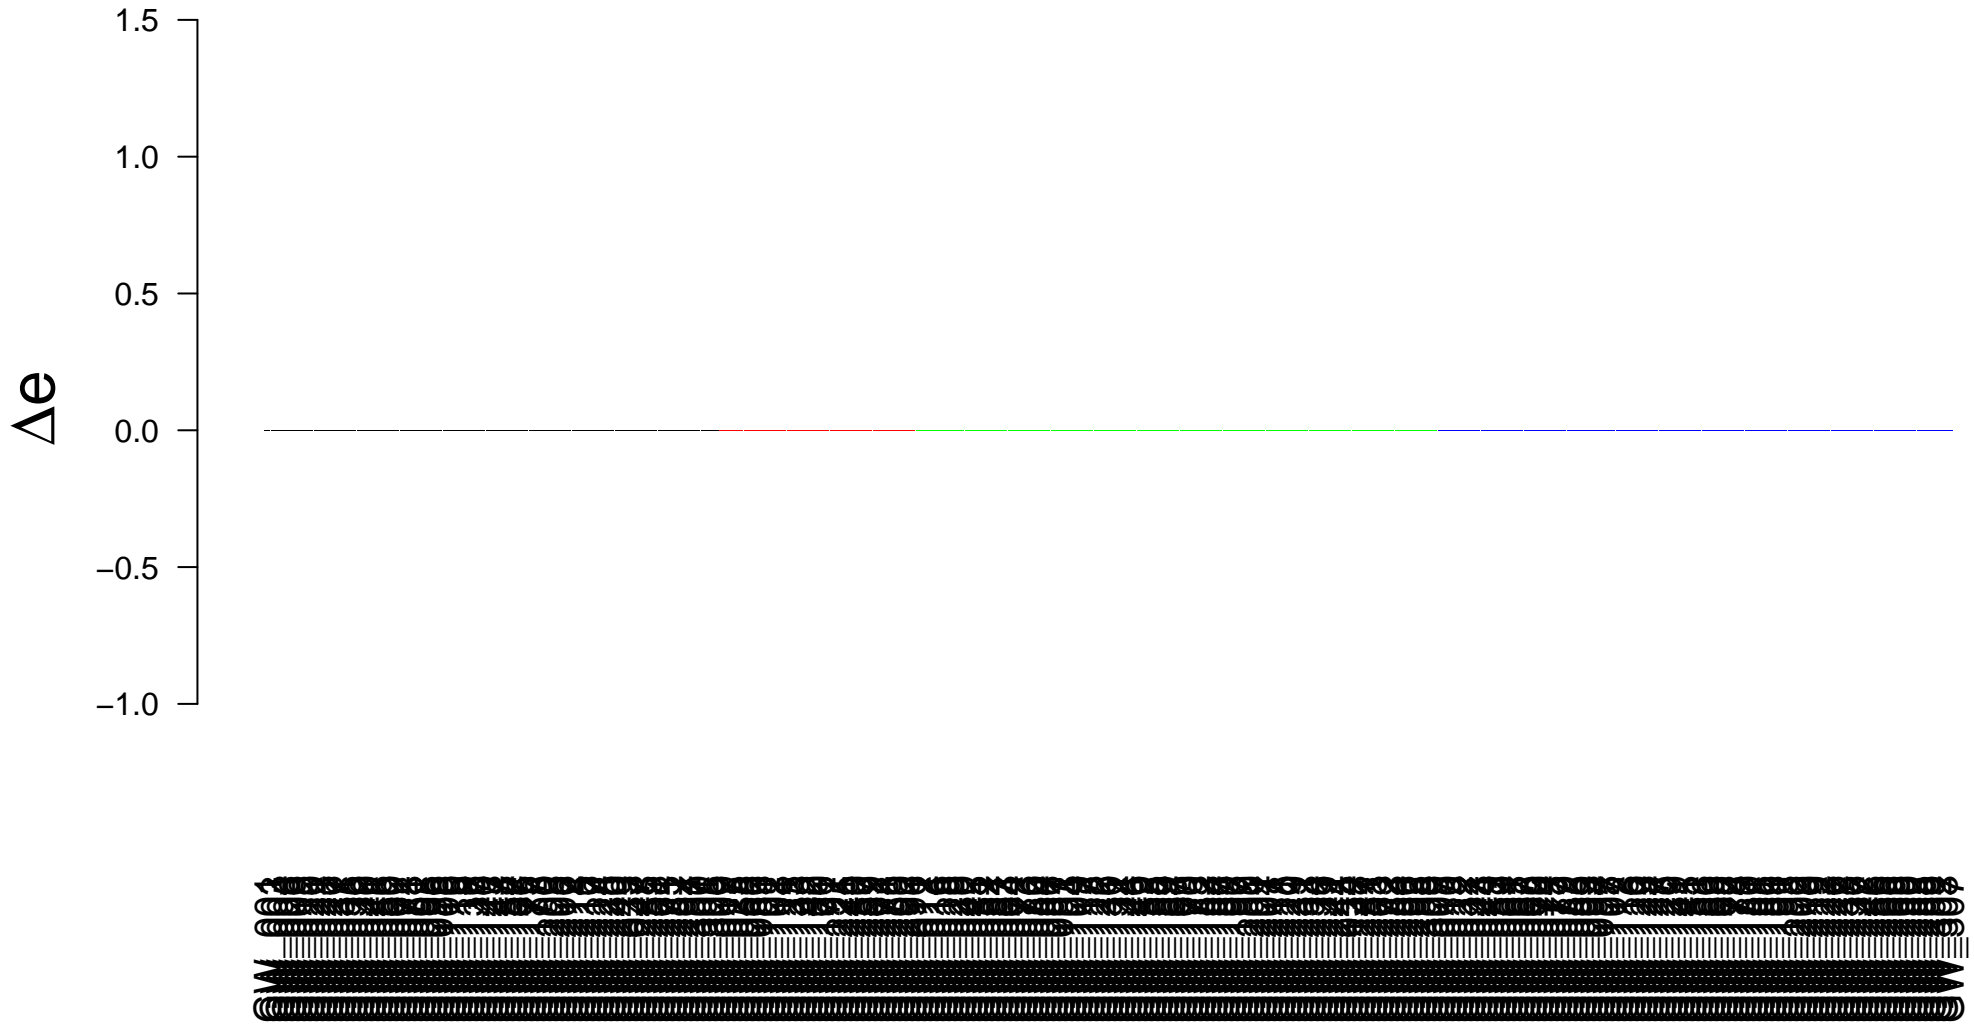

Expression of fucosyltransferase activity in Spot C

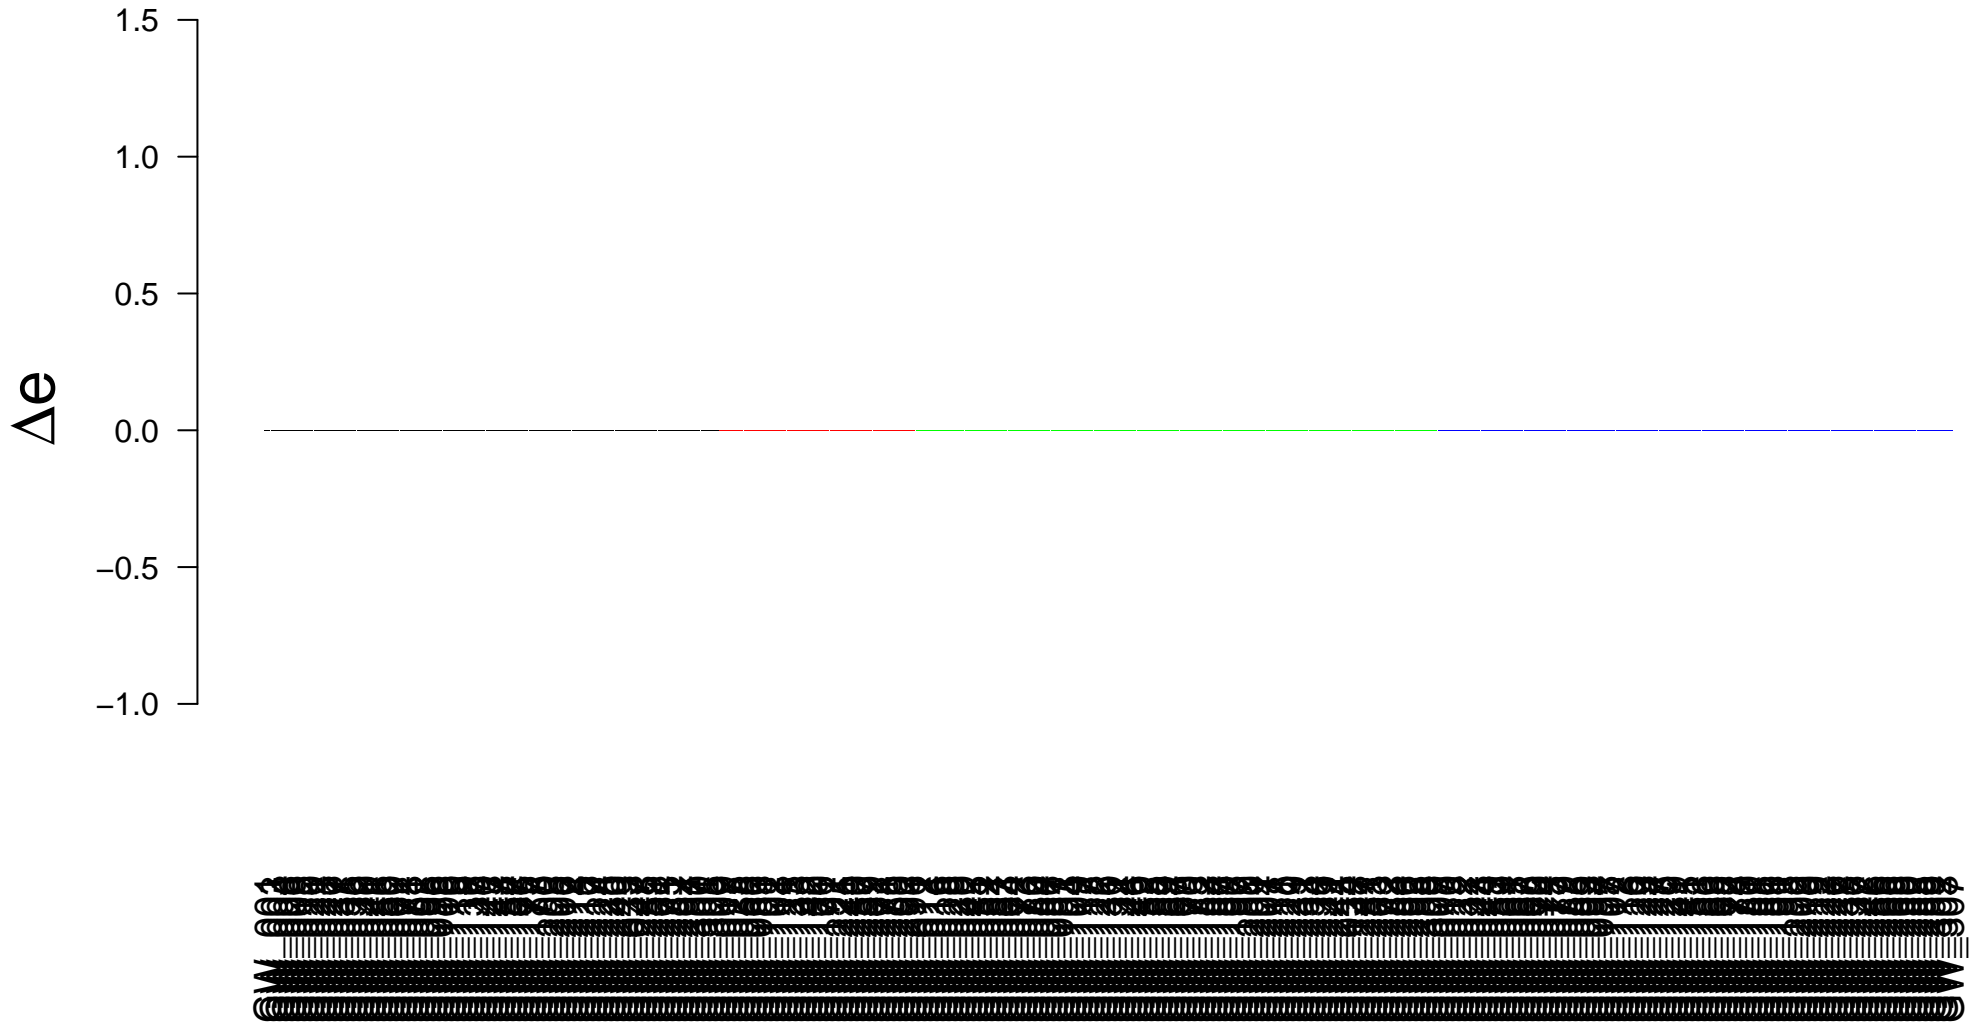

Expression of fucosyltransferase activity in Spot D

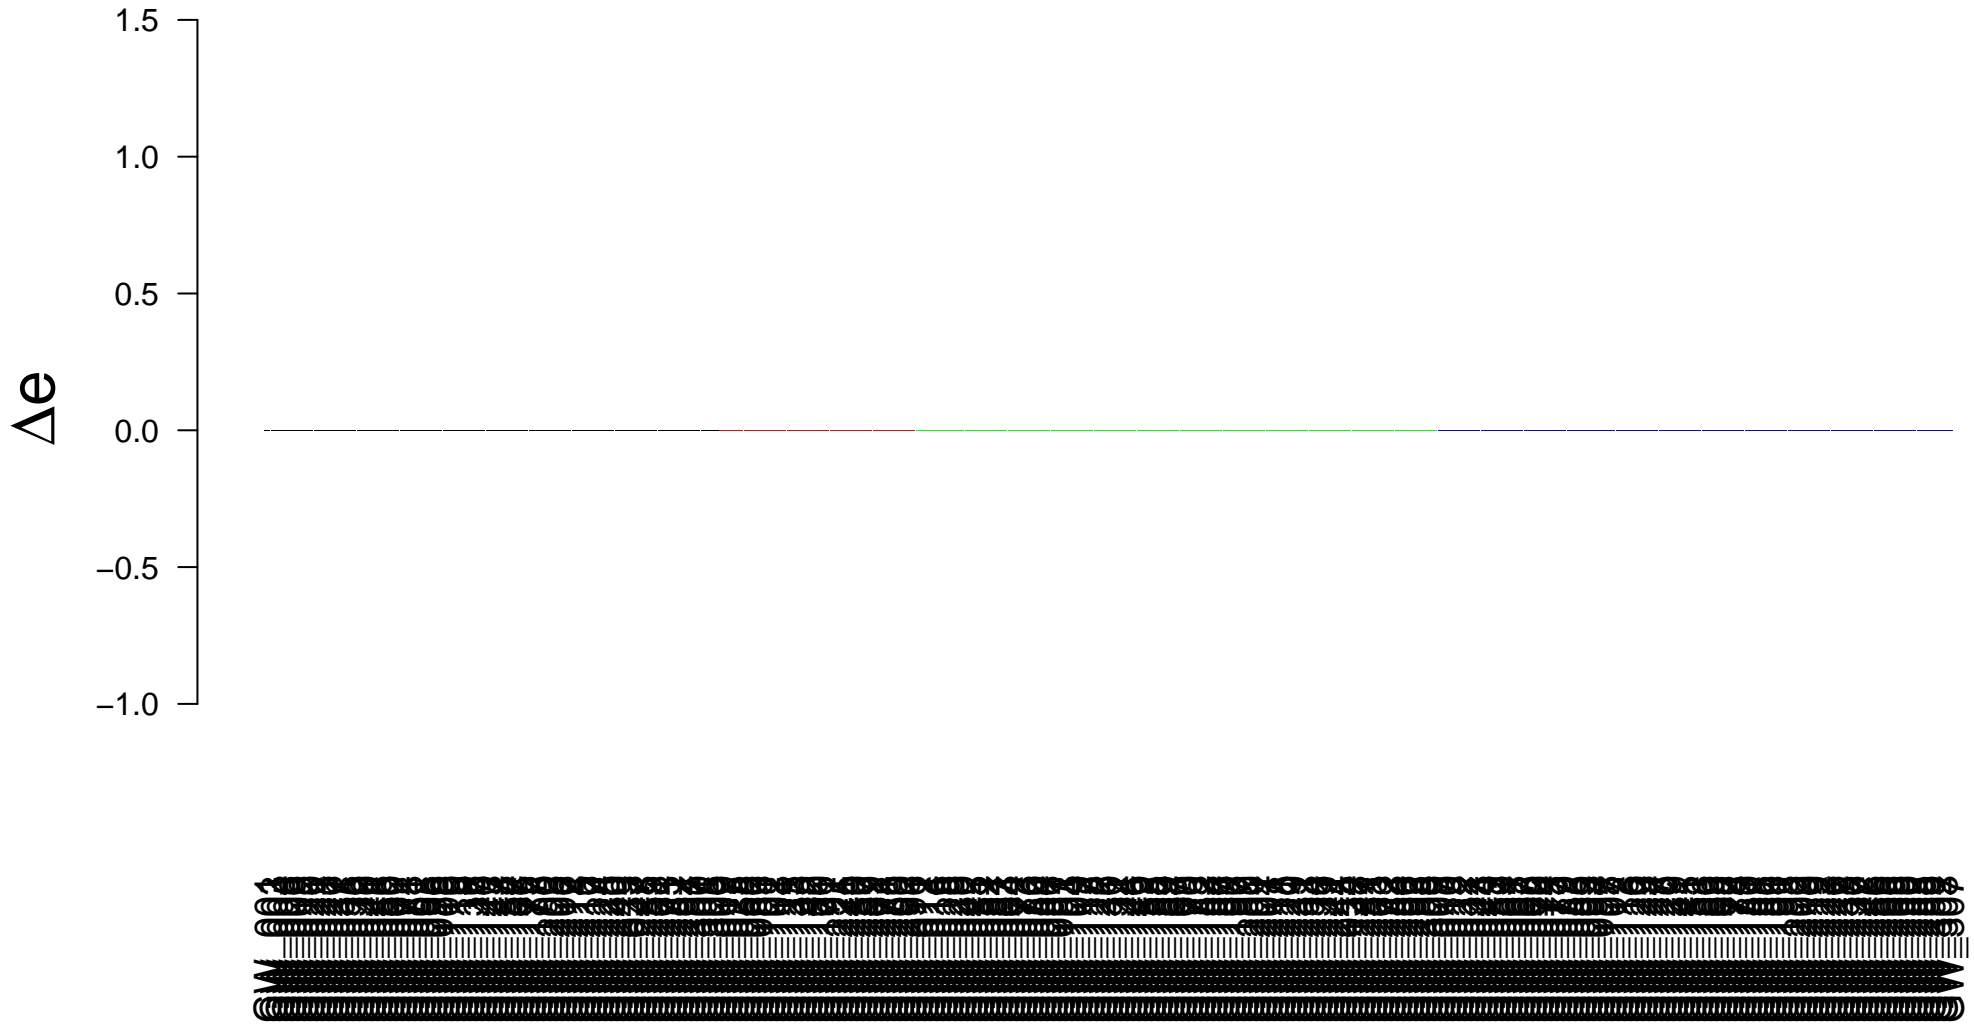

Expression of fucosyltransferase activity in Spot E

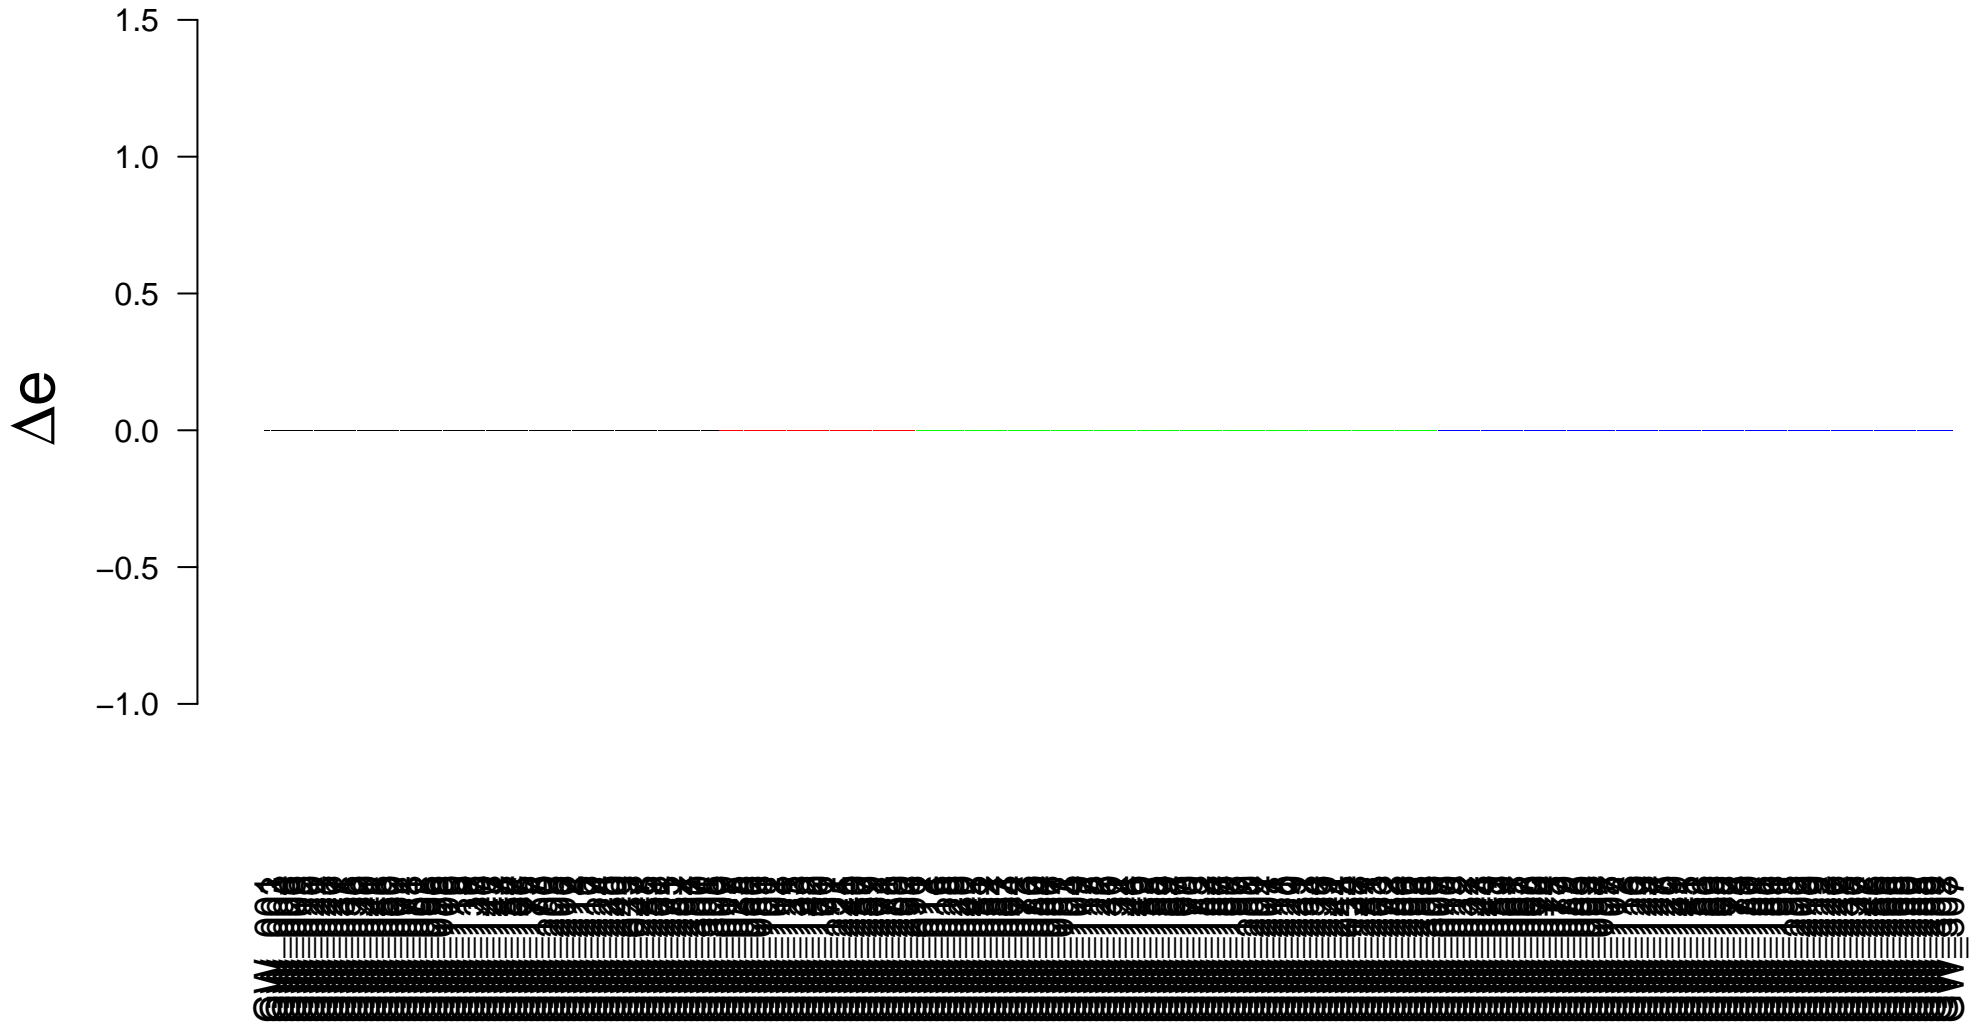

Expression of fucosyltransferase activity in Spot F

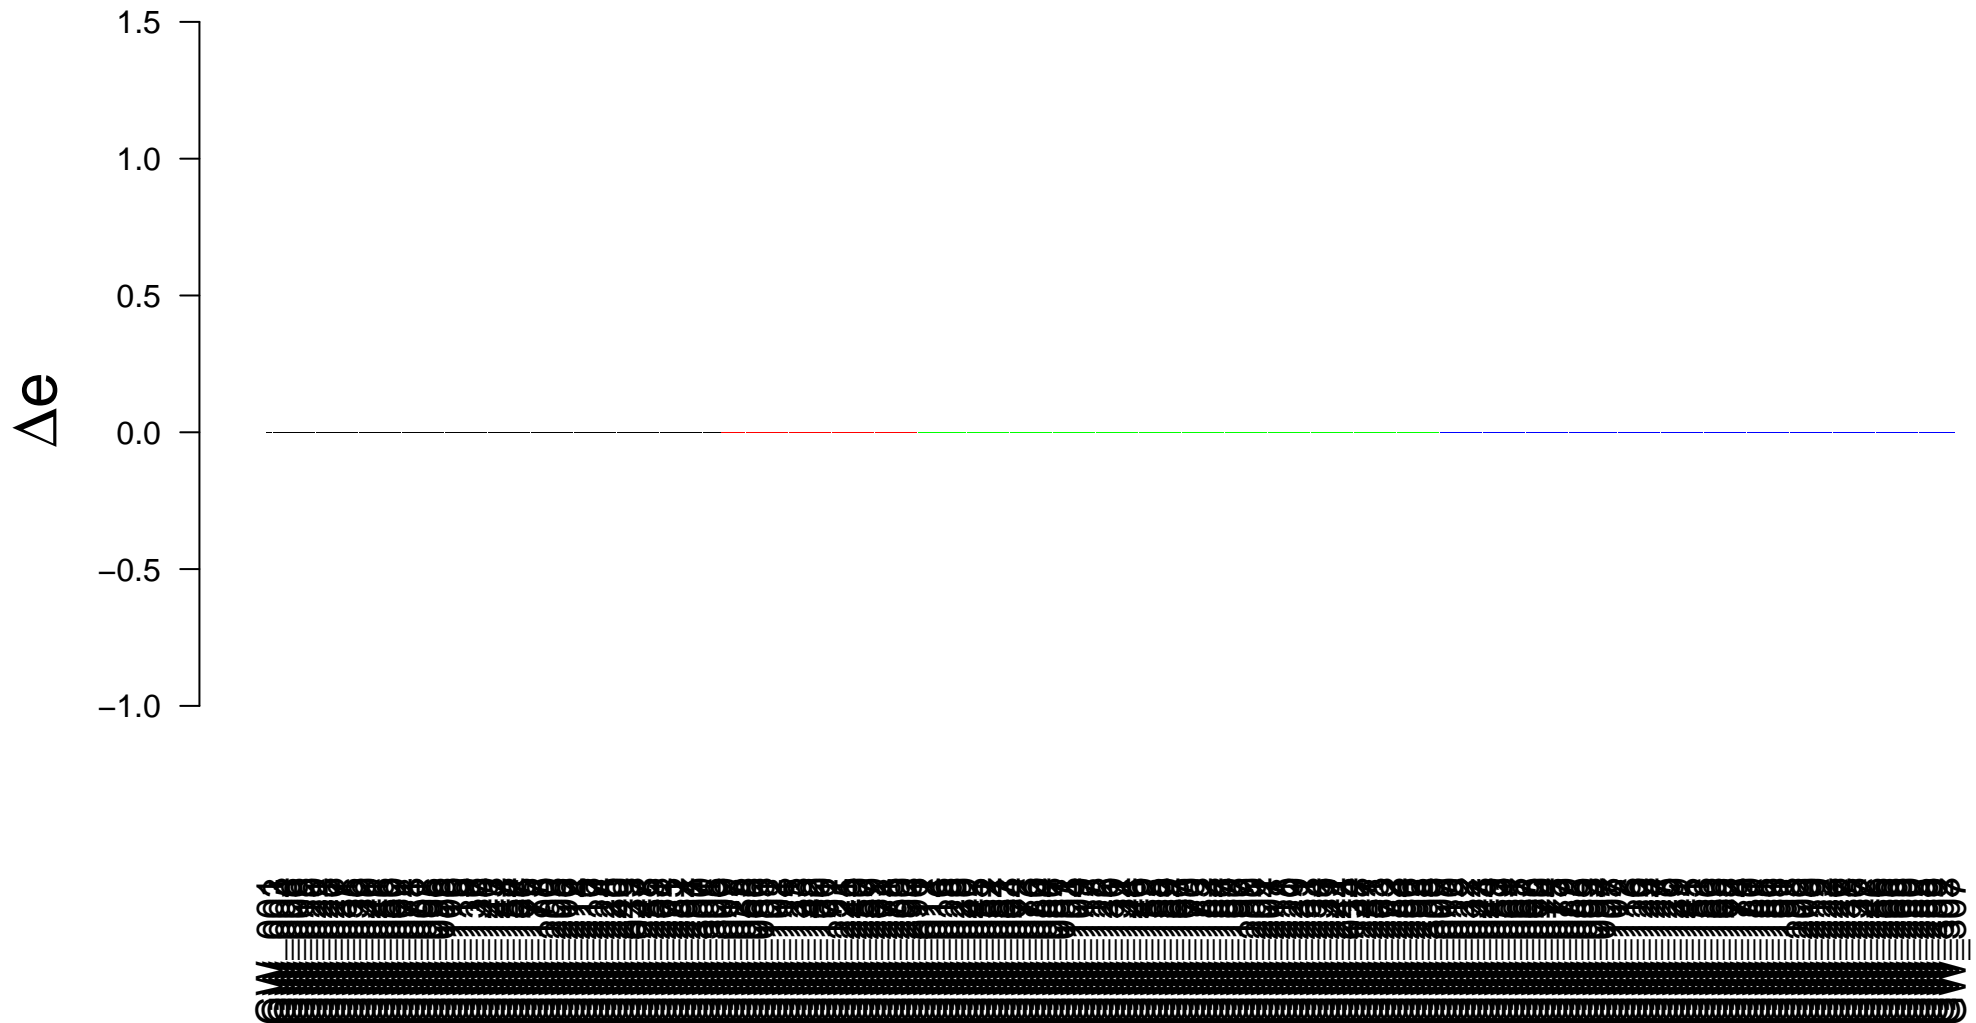

Expression of fucosyltransferase activity in Spot G

Expression of fucosyltransferase activity in Spot H

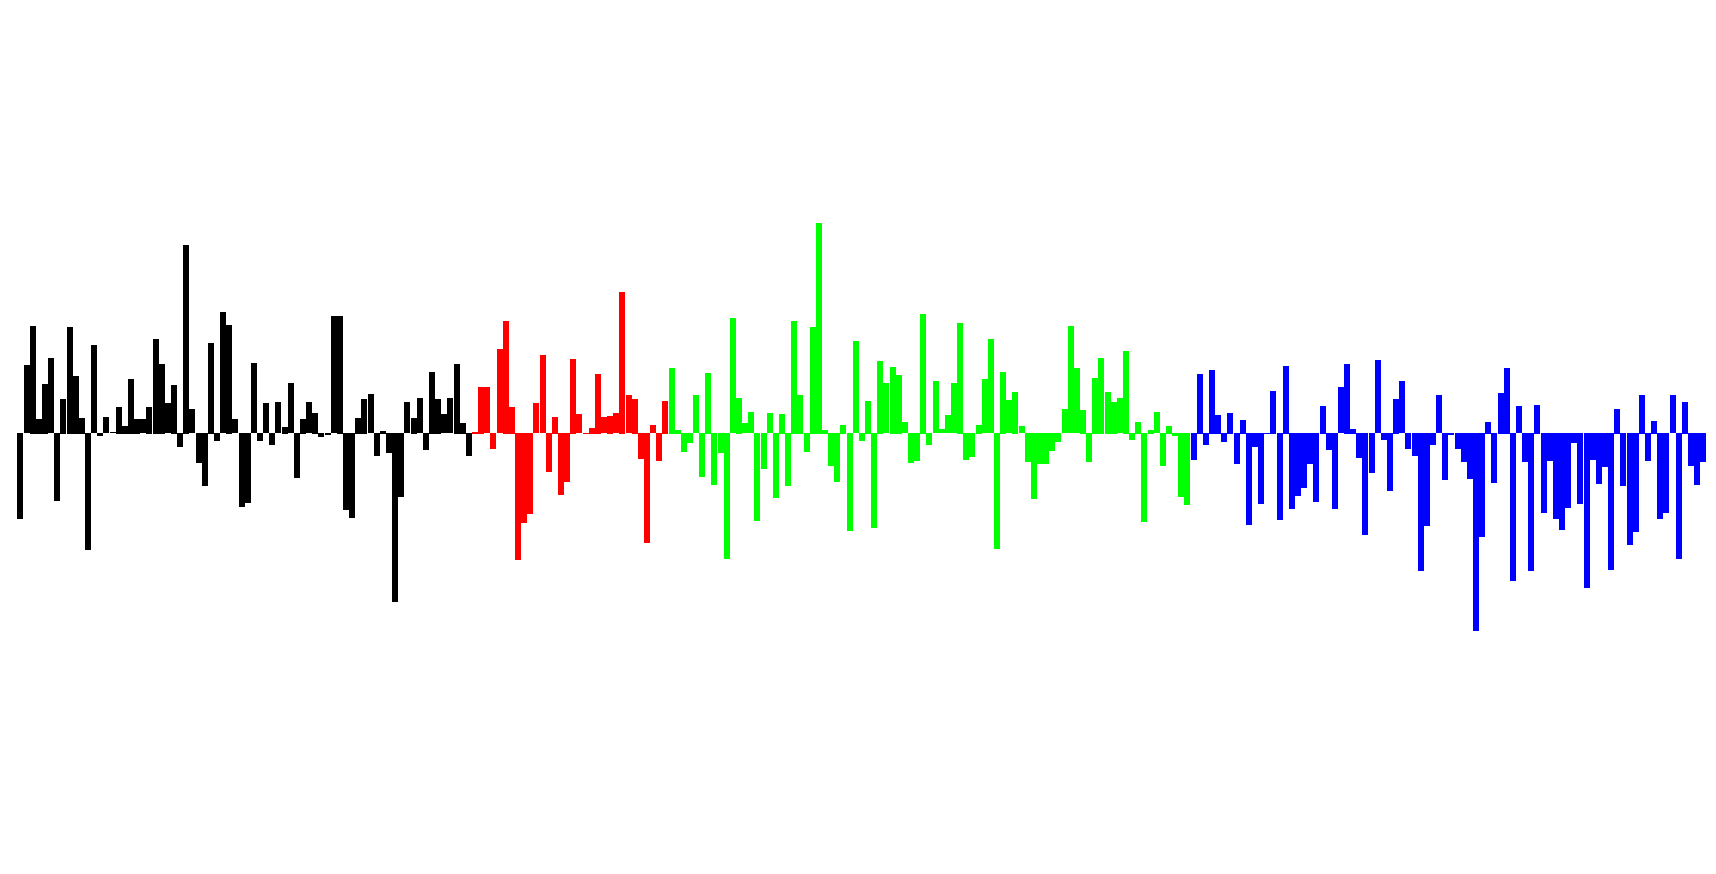

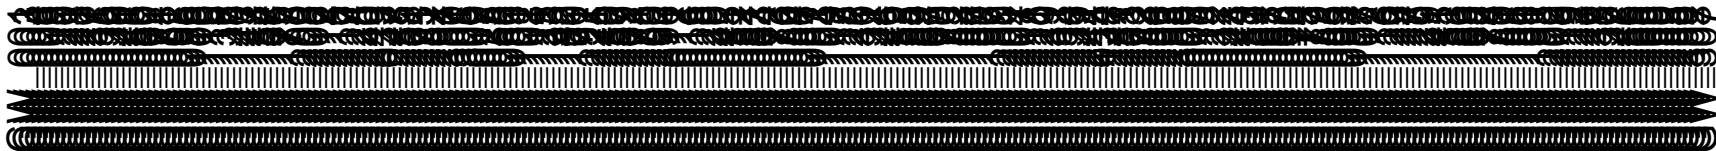

Expression of fucosyltransferase activity in Spot I

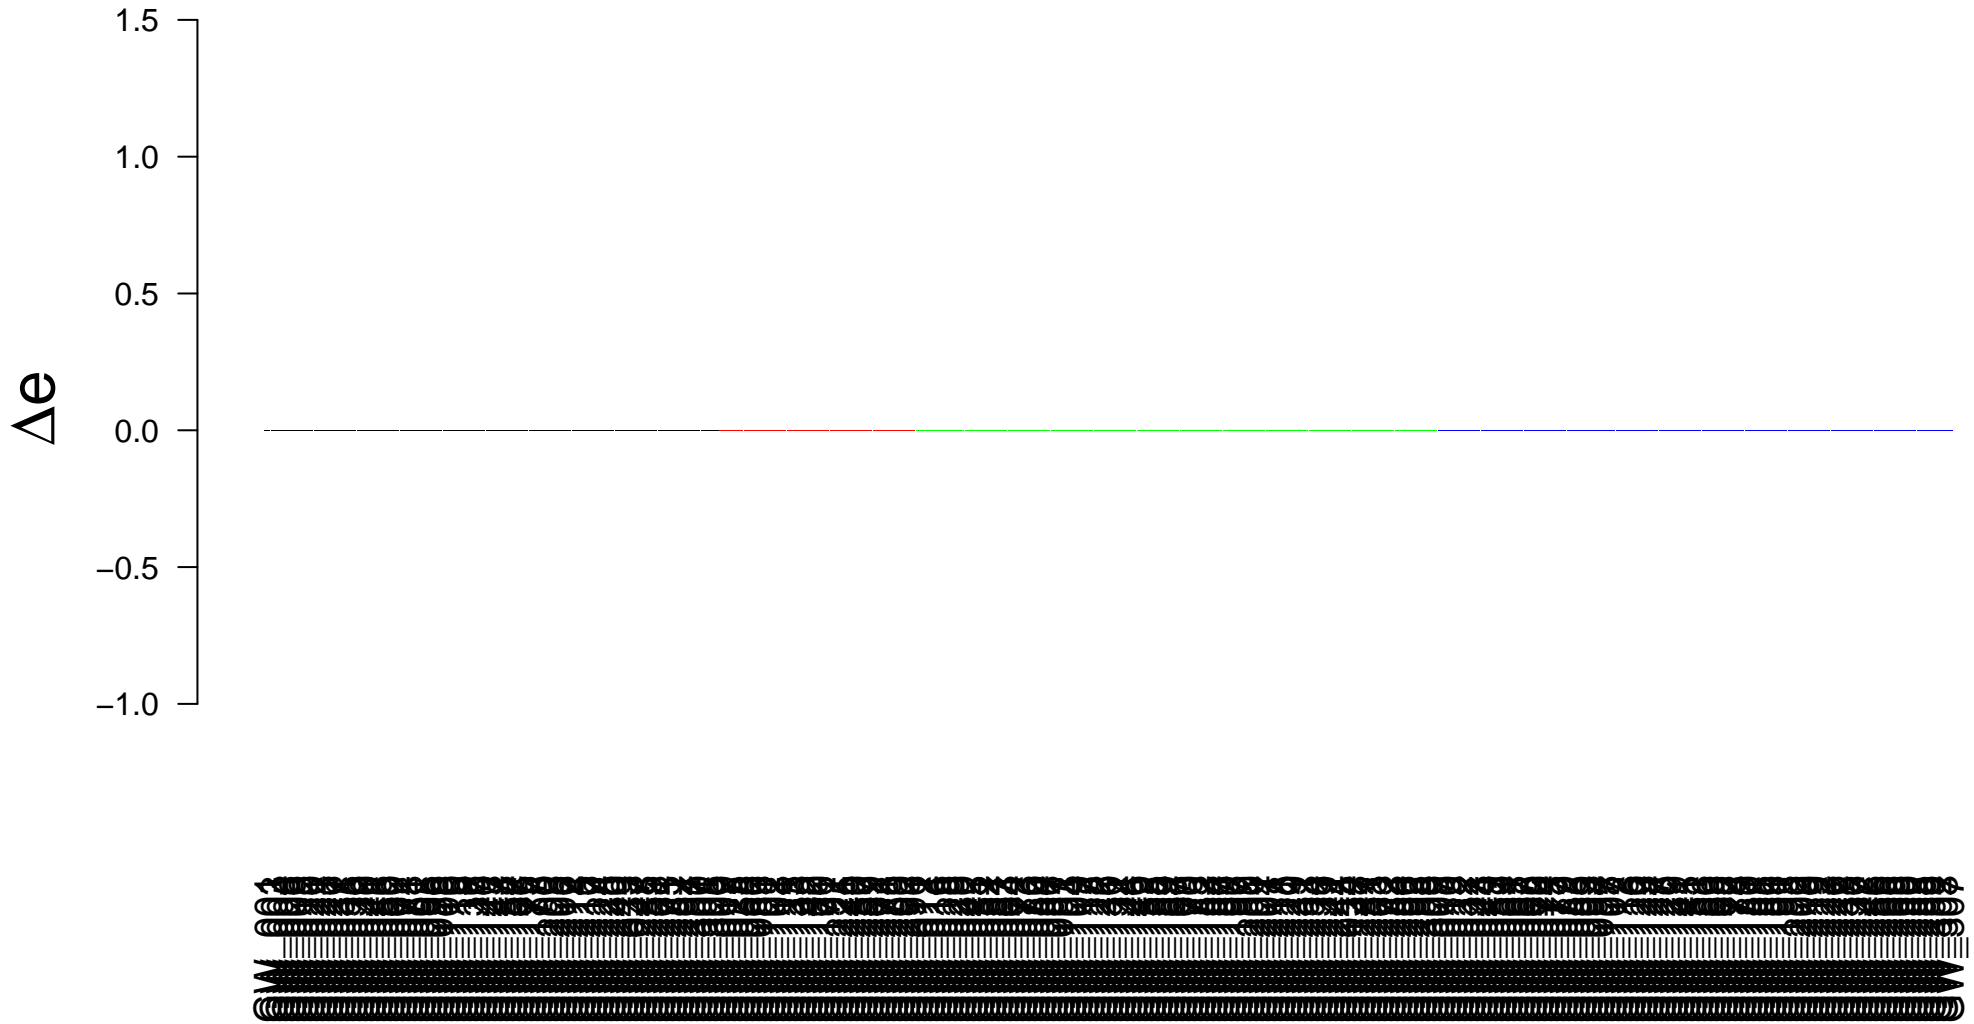

Expression of fucosyltransferase activity in Spot J

Expression of fucosyltransferase activity in Spot K

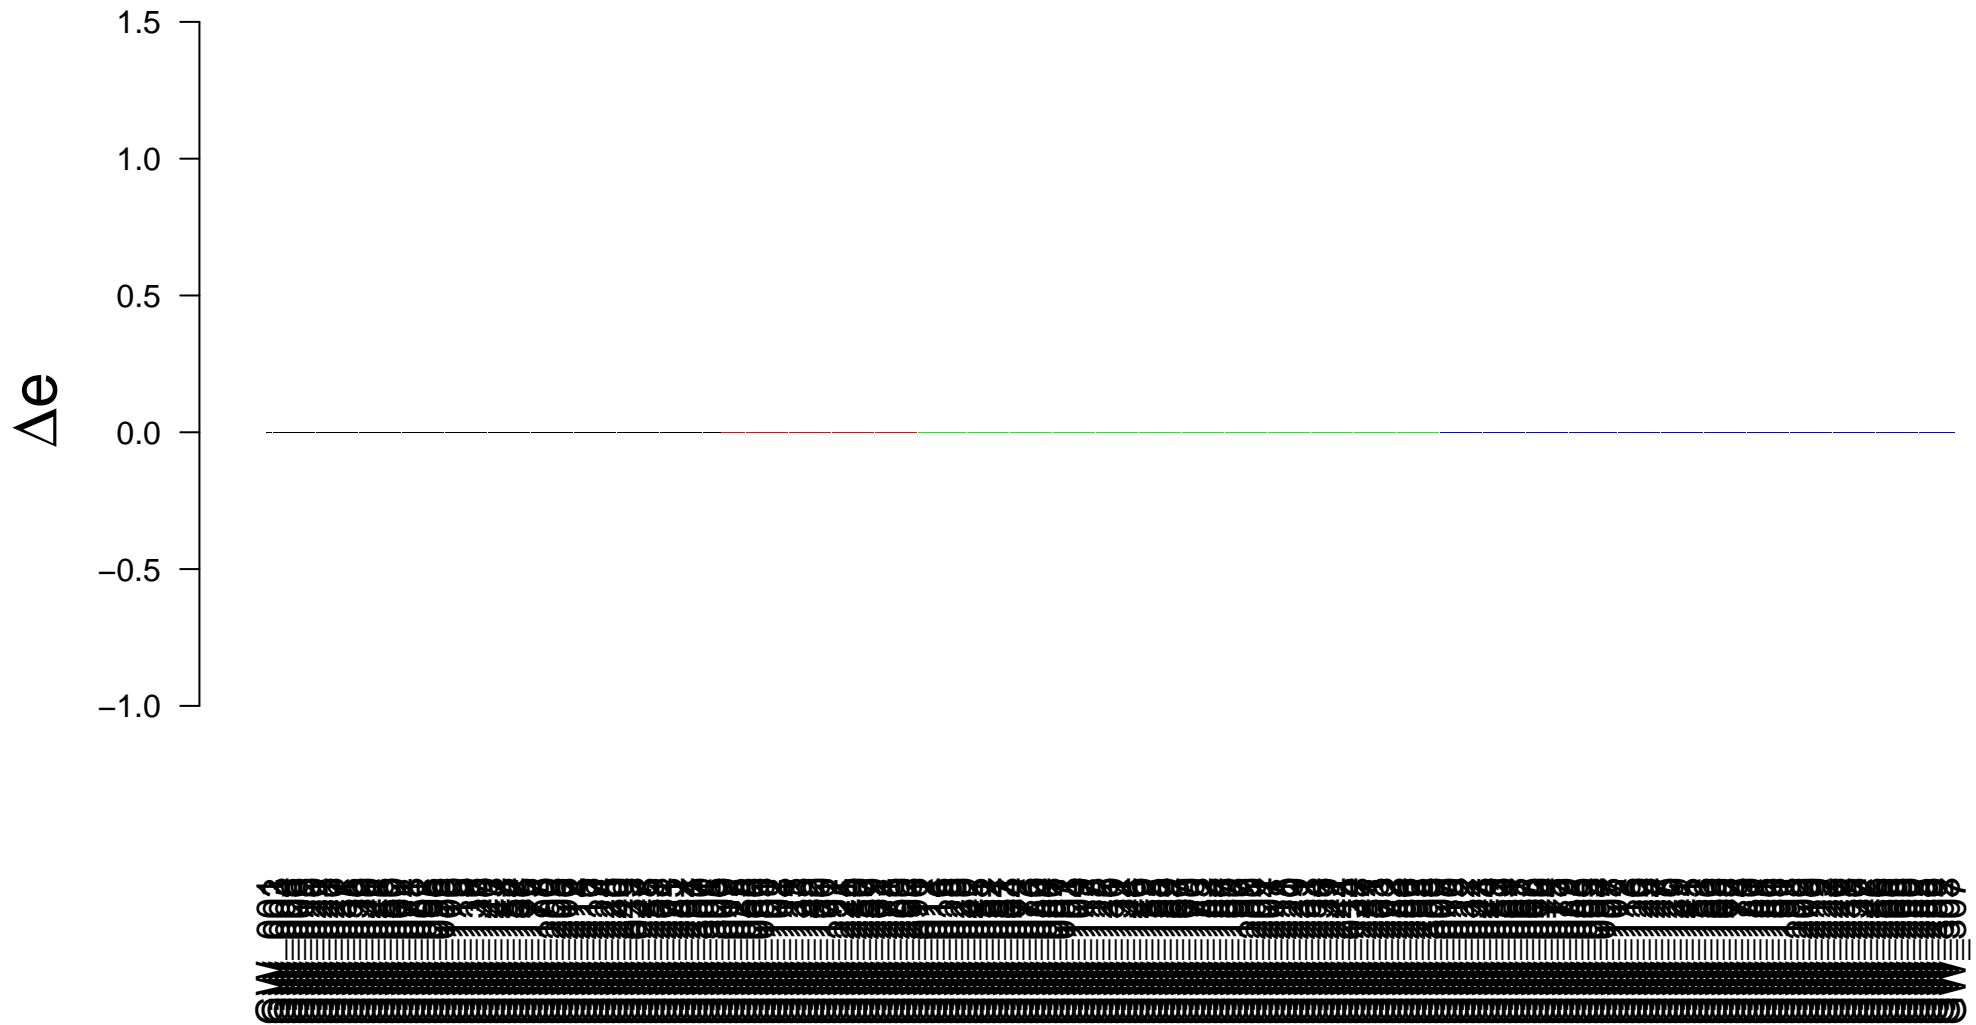

Expression of fucosyltransferase activity in Spot L

Expression of fucosyltransferase activity in Spot M

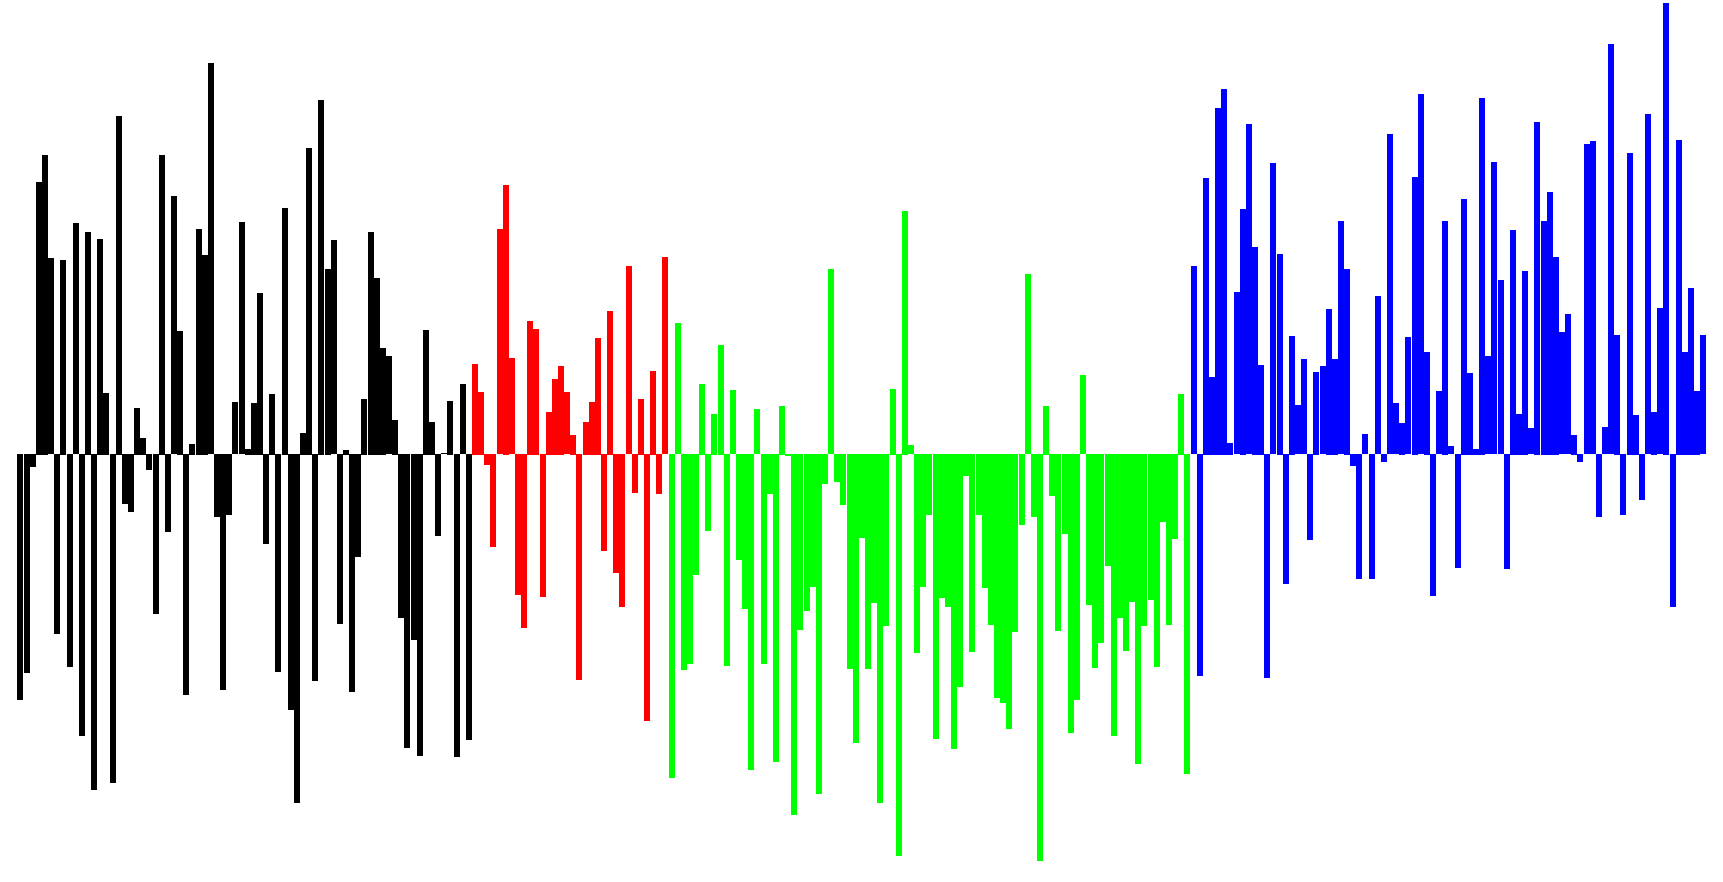

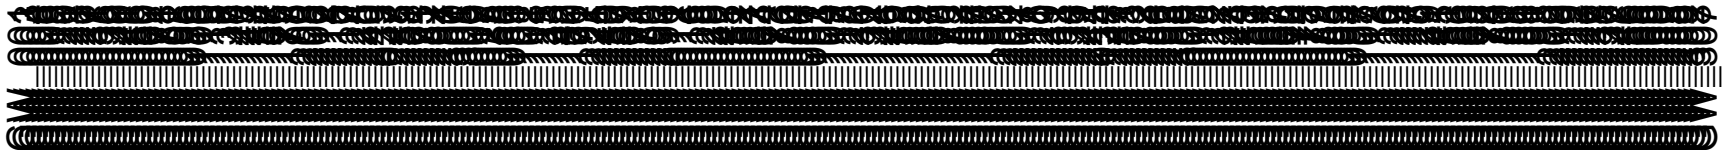

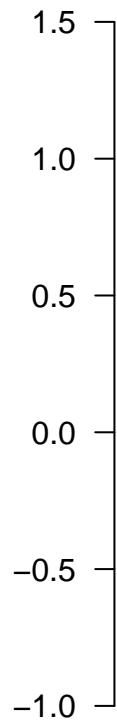

Expression of fucosyltransferase activity in Spot N

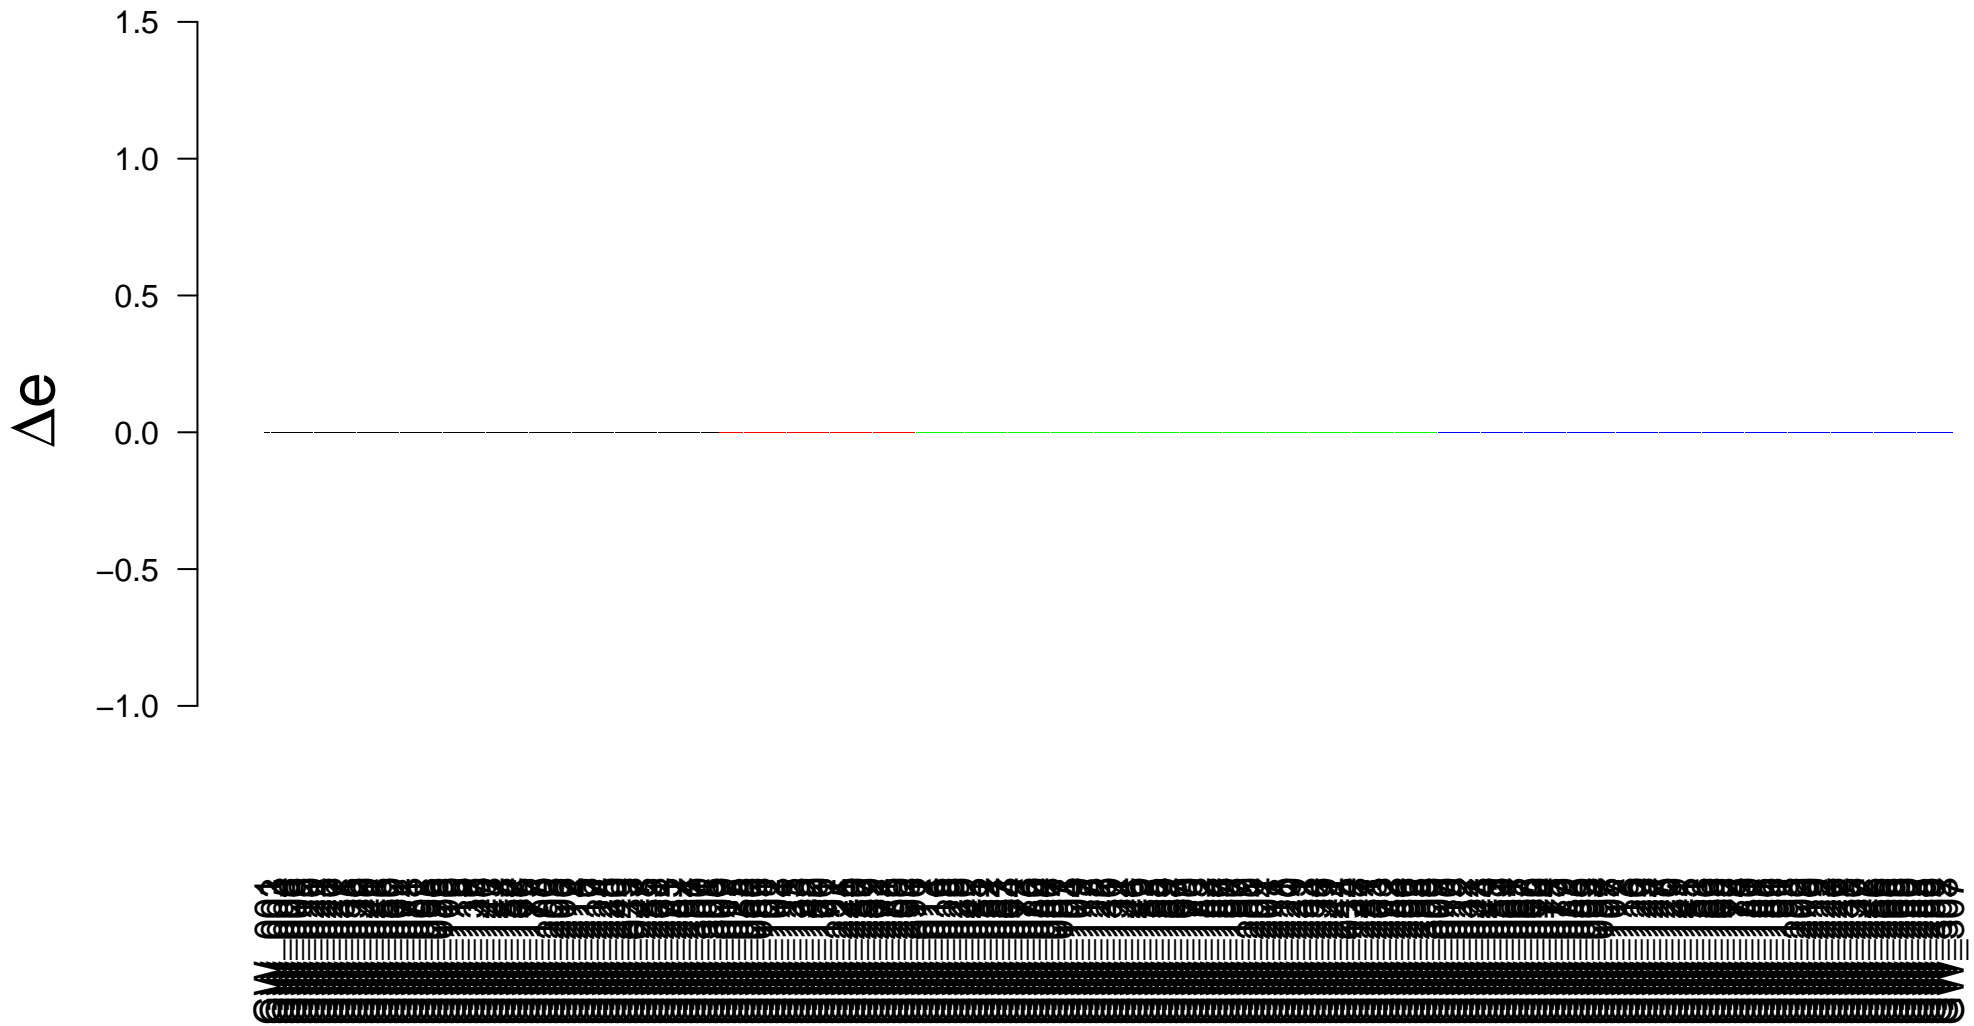

Expression of fucosyltransferase activity in Spot O

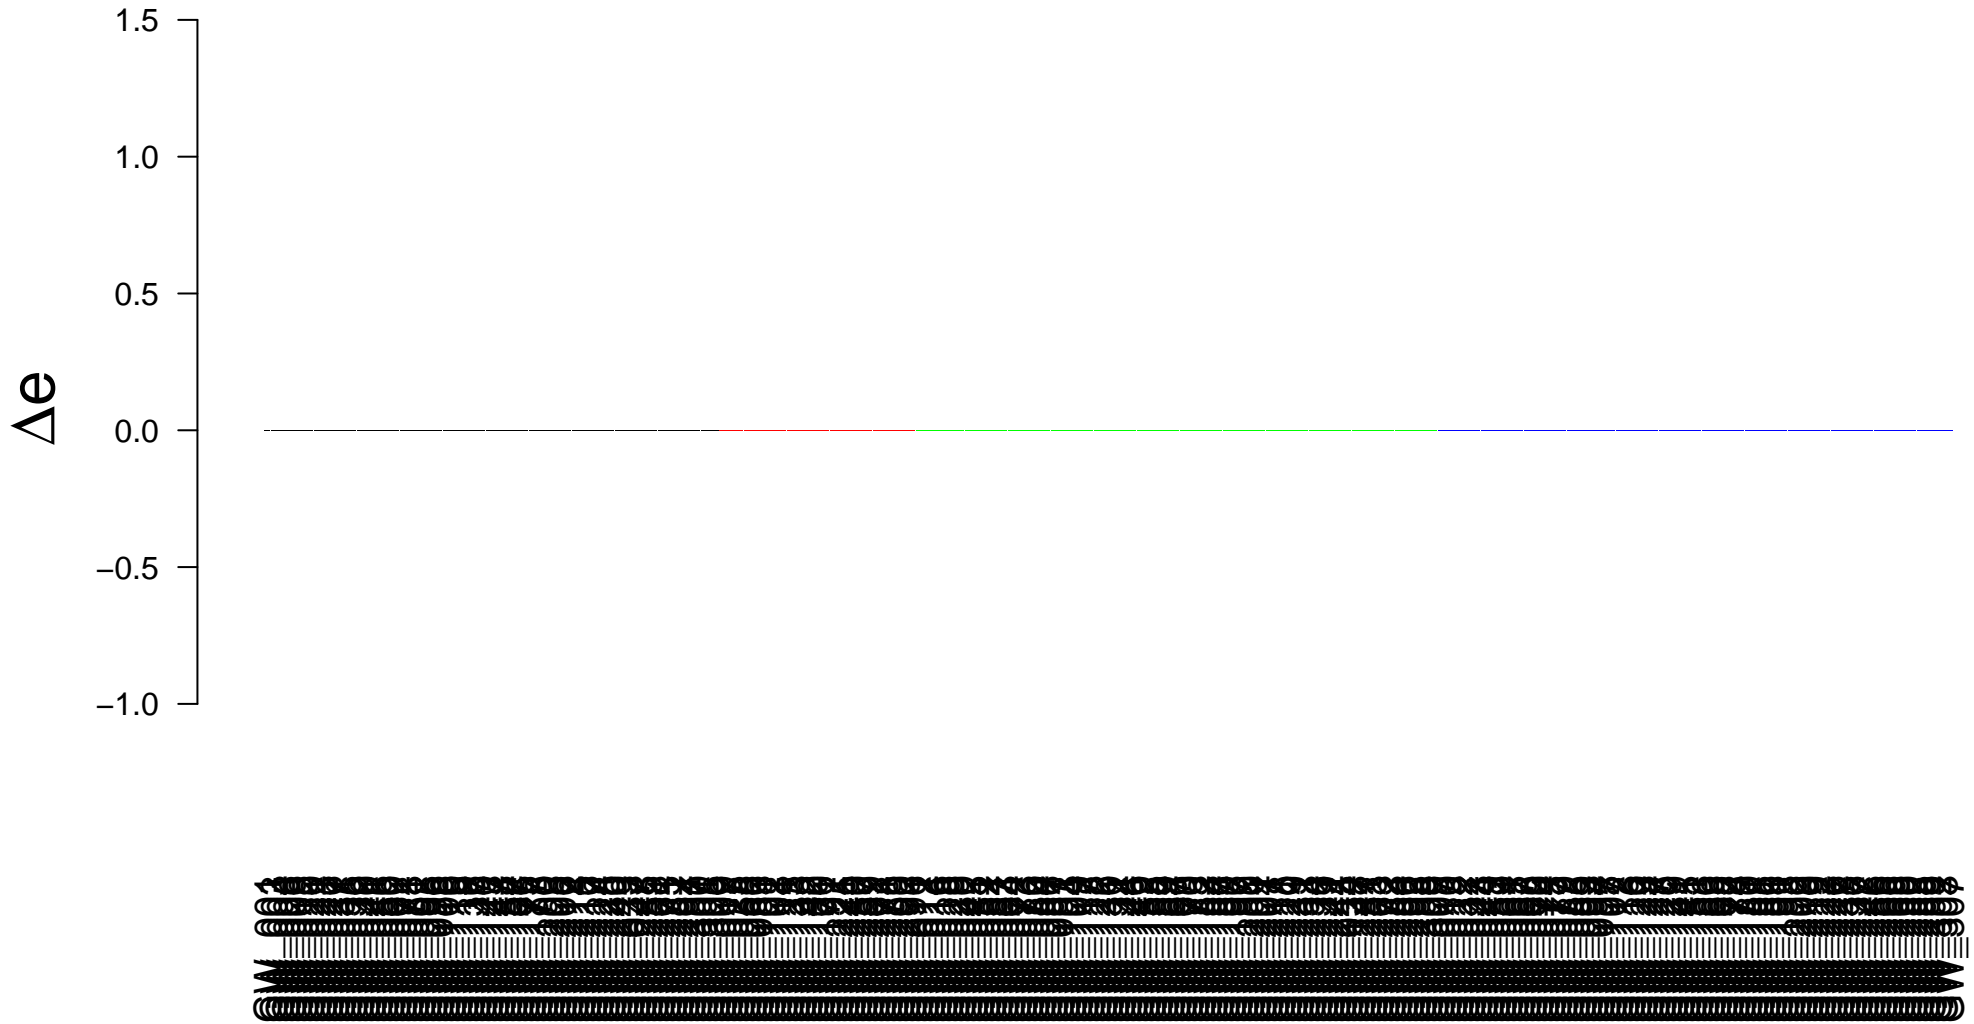

Δe

Expression of fucosyltransferase activity in Spot P

Expression of fucosyltransferase activity in Spot Q

Expression of fucosyltransferase activity in Spot R
