

gamma-aminobutyric acid signaling pathway

gamma-aminobutyric acid signaling pathway

Enrichment in spots: gamma-aminobutyric acid signaling pathway

Expression of gamma-aminobutyric acid signaling pathway in Spot A

Expression of gamma-aminobutyric acid signaling pathway in Spot B

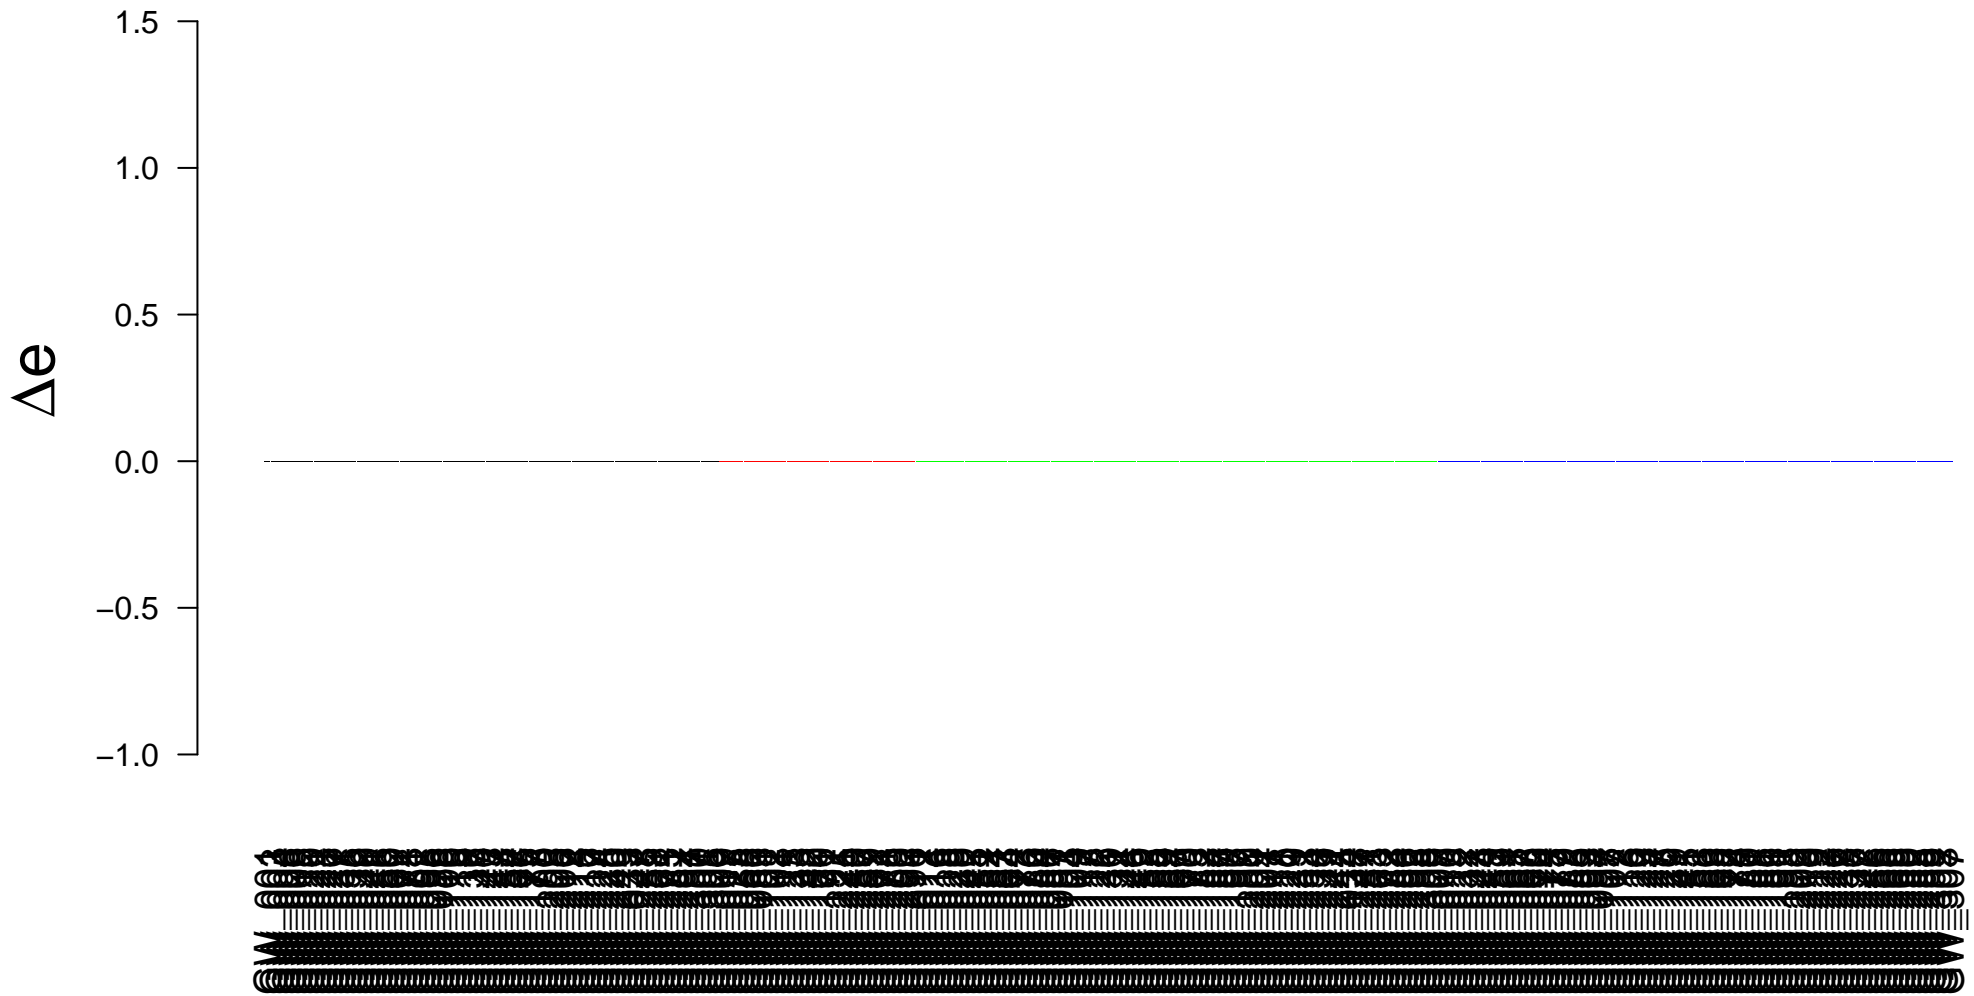

Expression of gamma-aminobutyric acid signaling pathway in Spot C

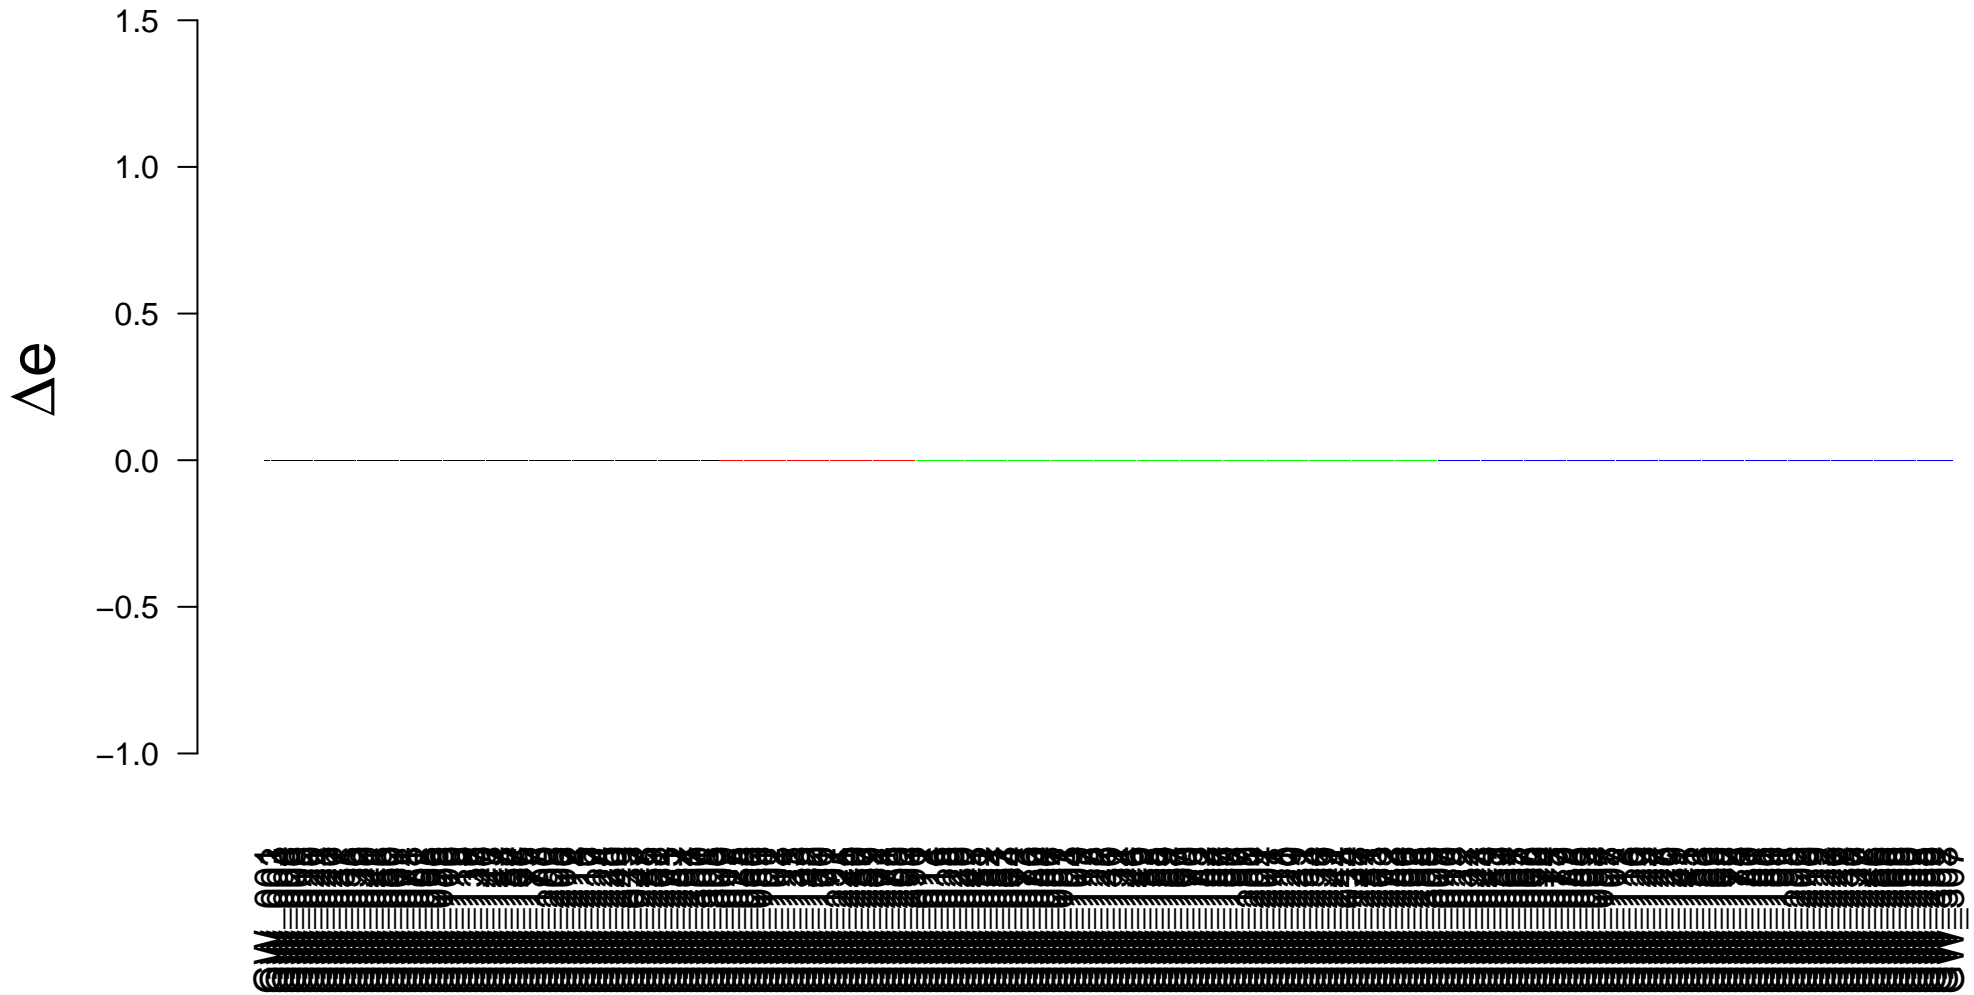

Expression of gamma-aminobutyric acid signaling pathway in Spot D

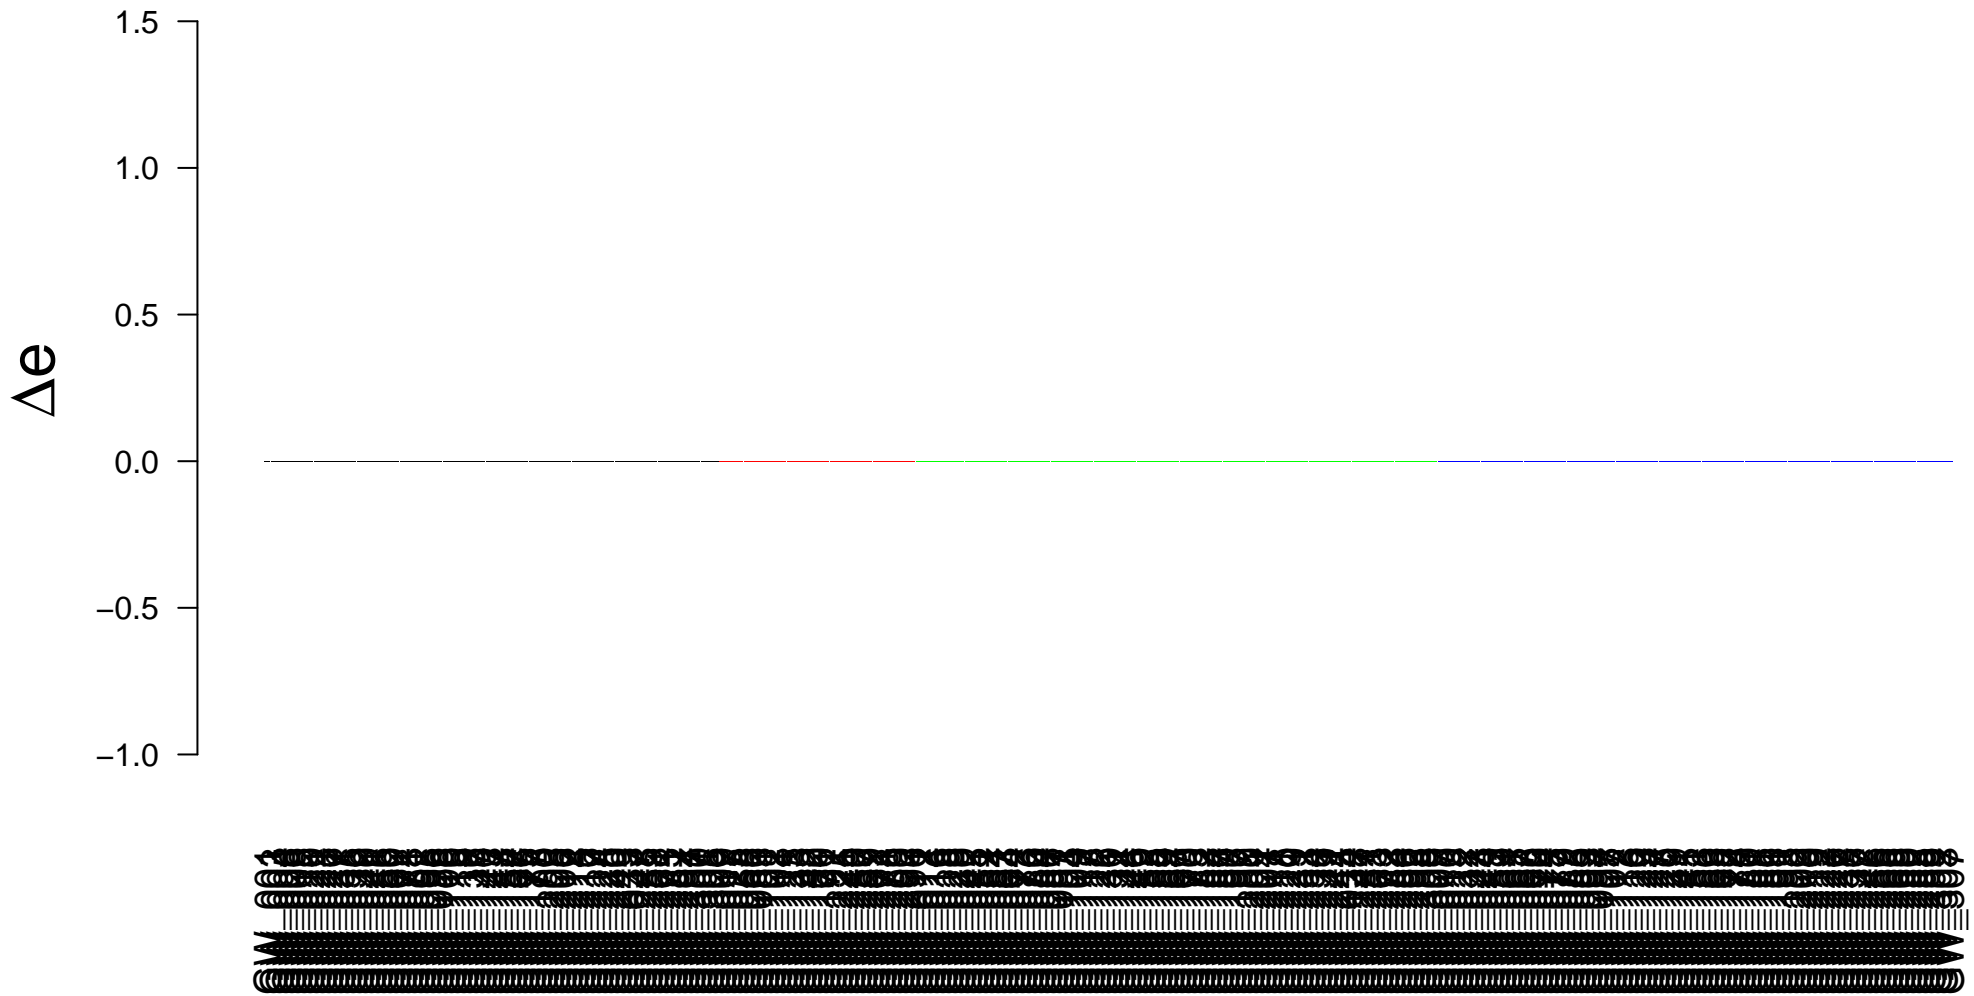

Expression of gamma-aminobutyric acid signaling pathway in Spot E

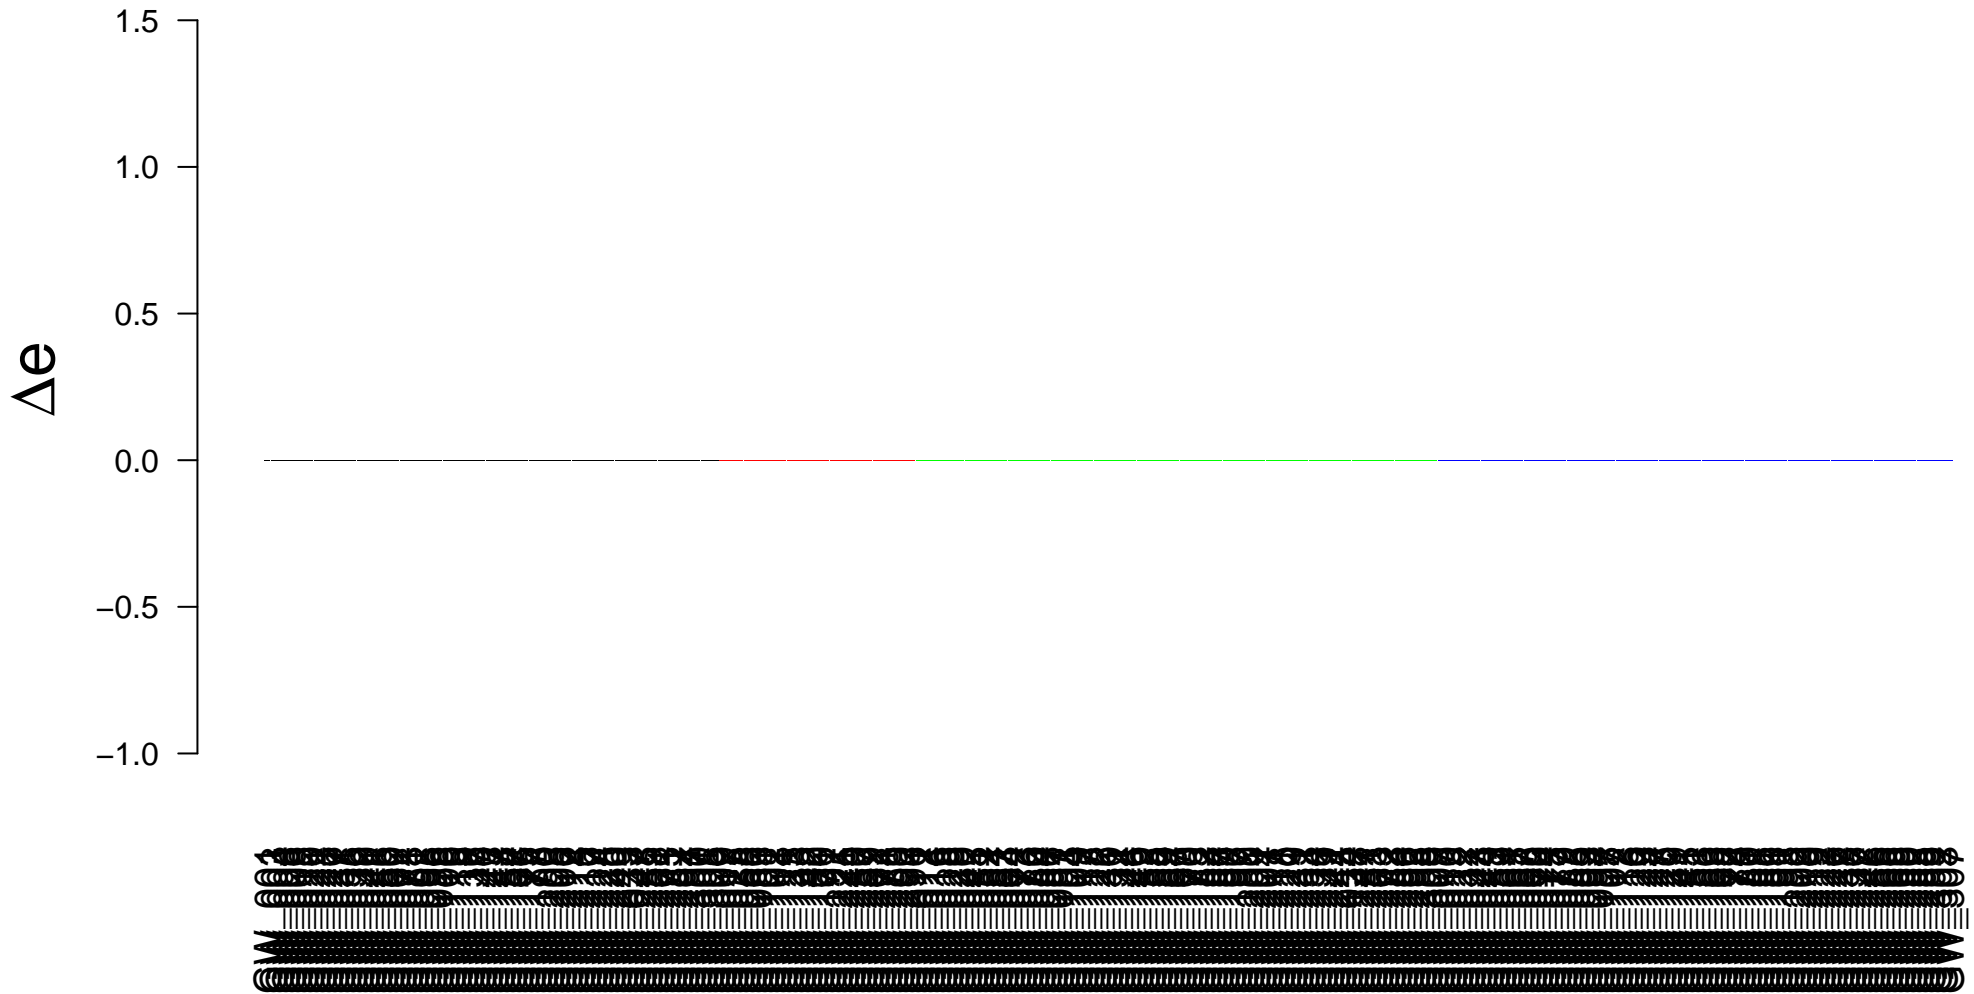

Expression of gamma-aminobutyric acid signaling pathway in Spot F

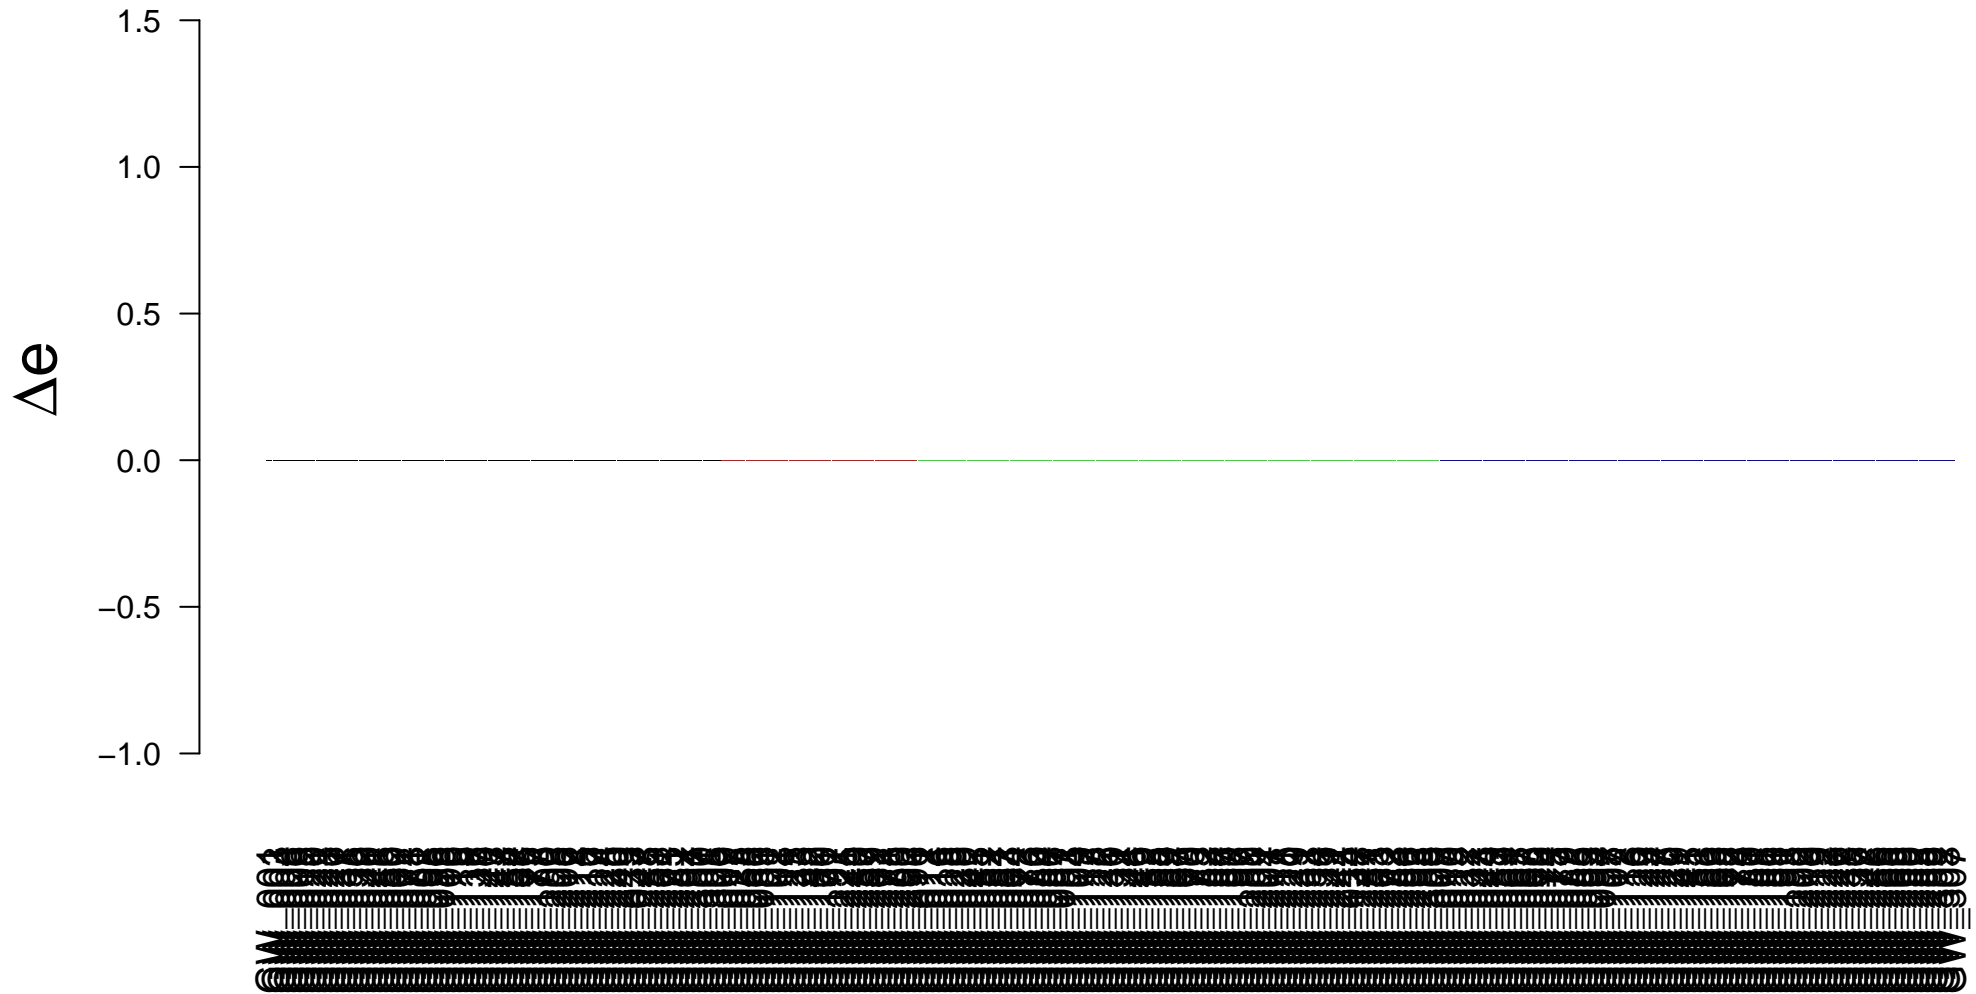

Expression of gamma-aminobutyric acid signaling pathway in Spot G

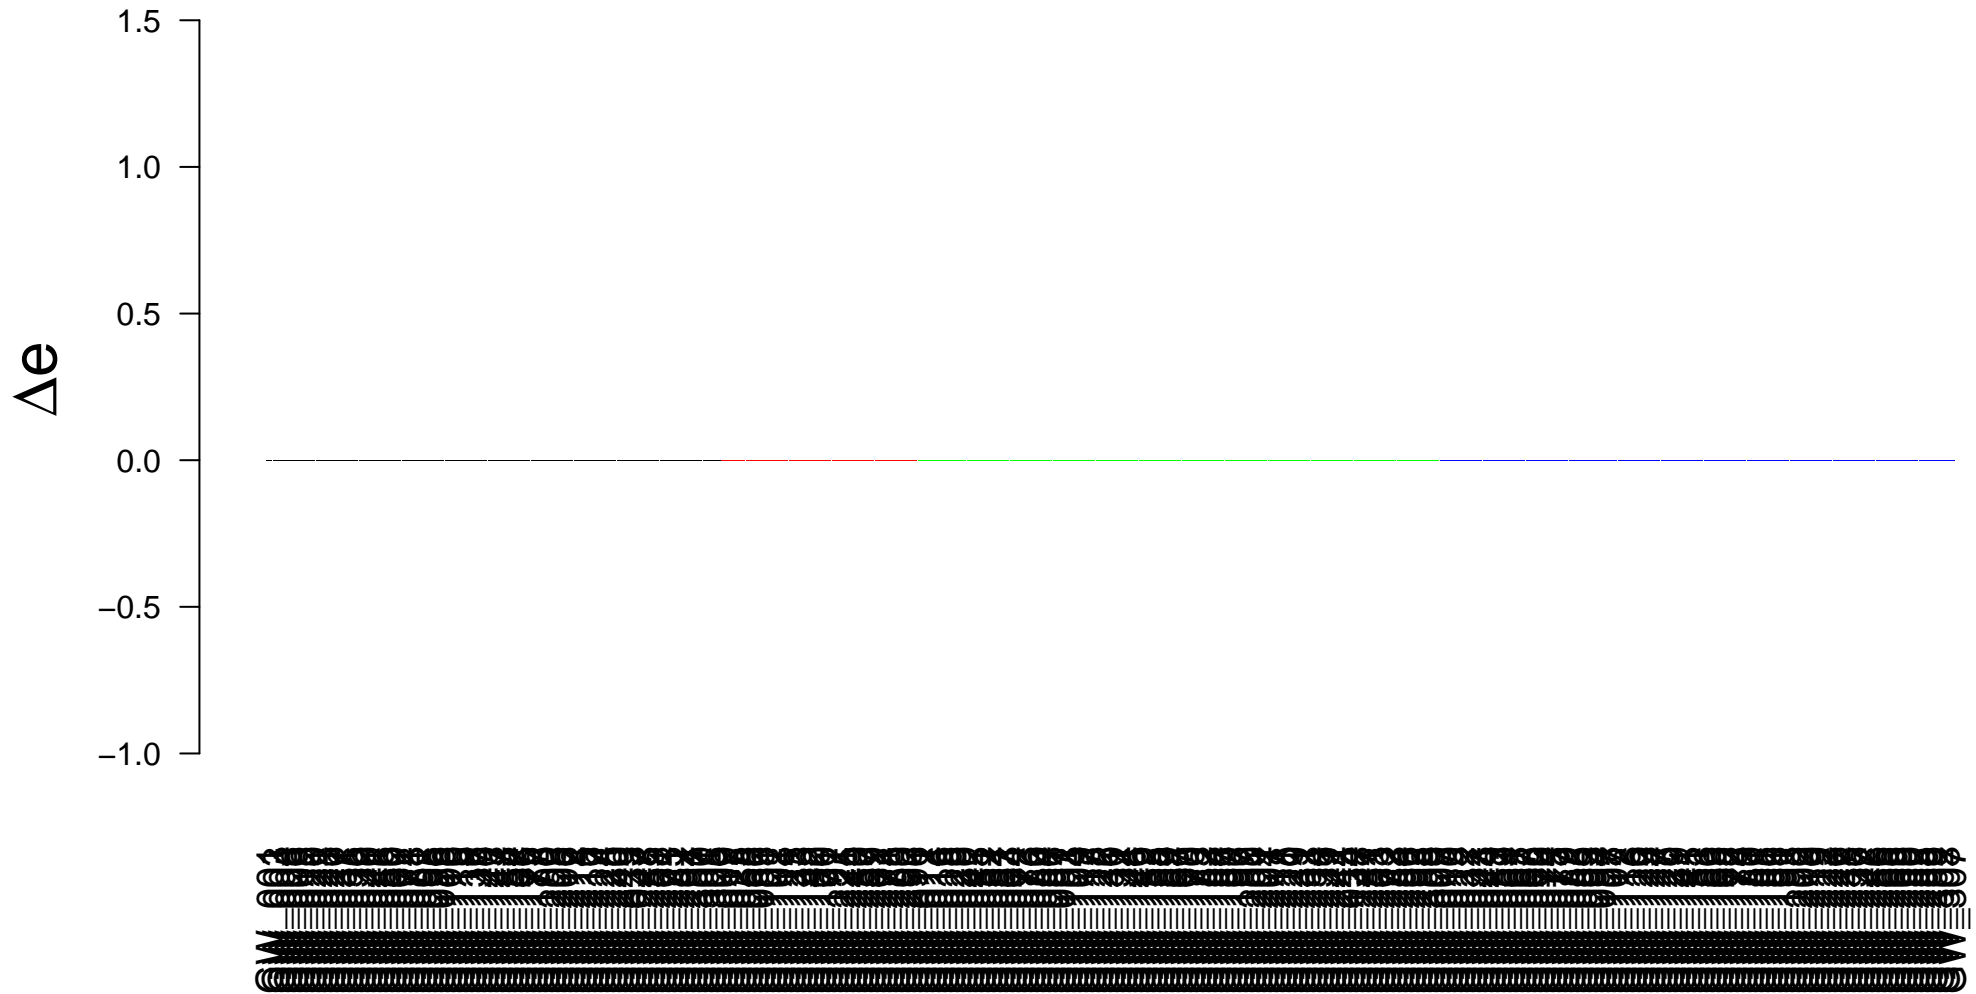

Expression of gamma-aminobutyric acid signaling pathway in Spot H

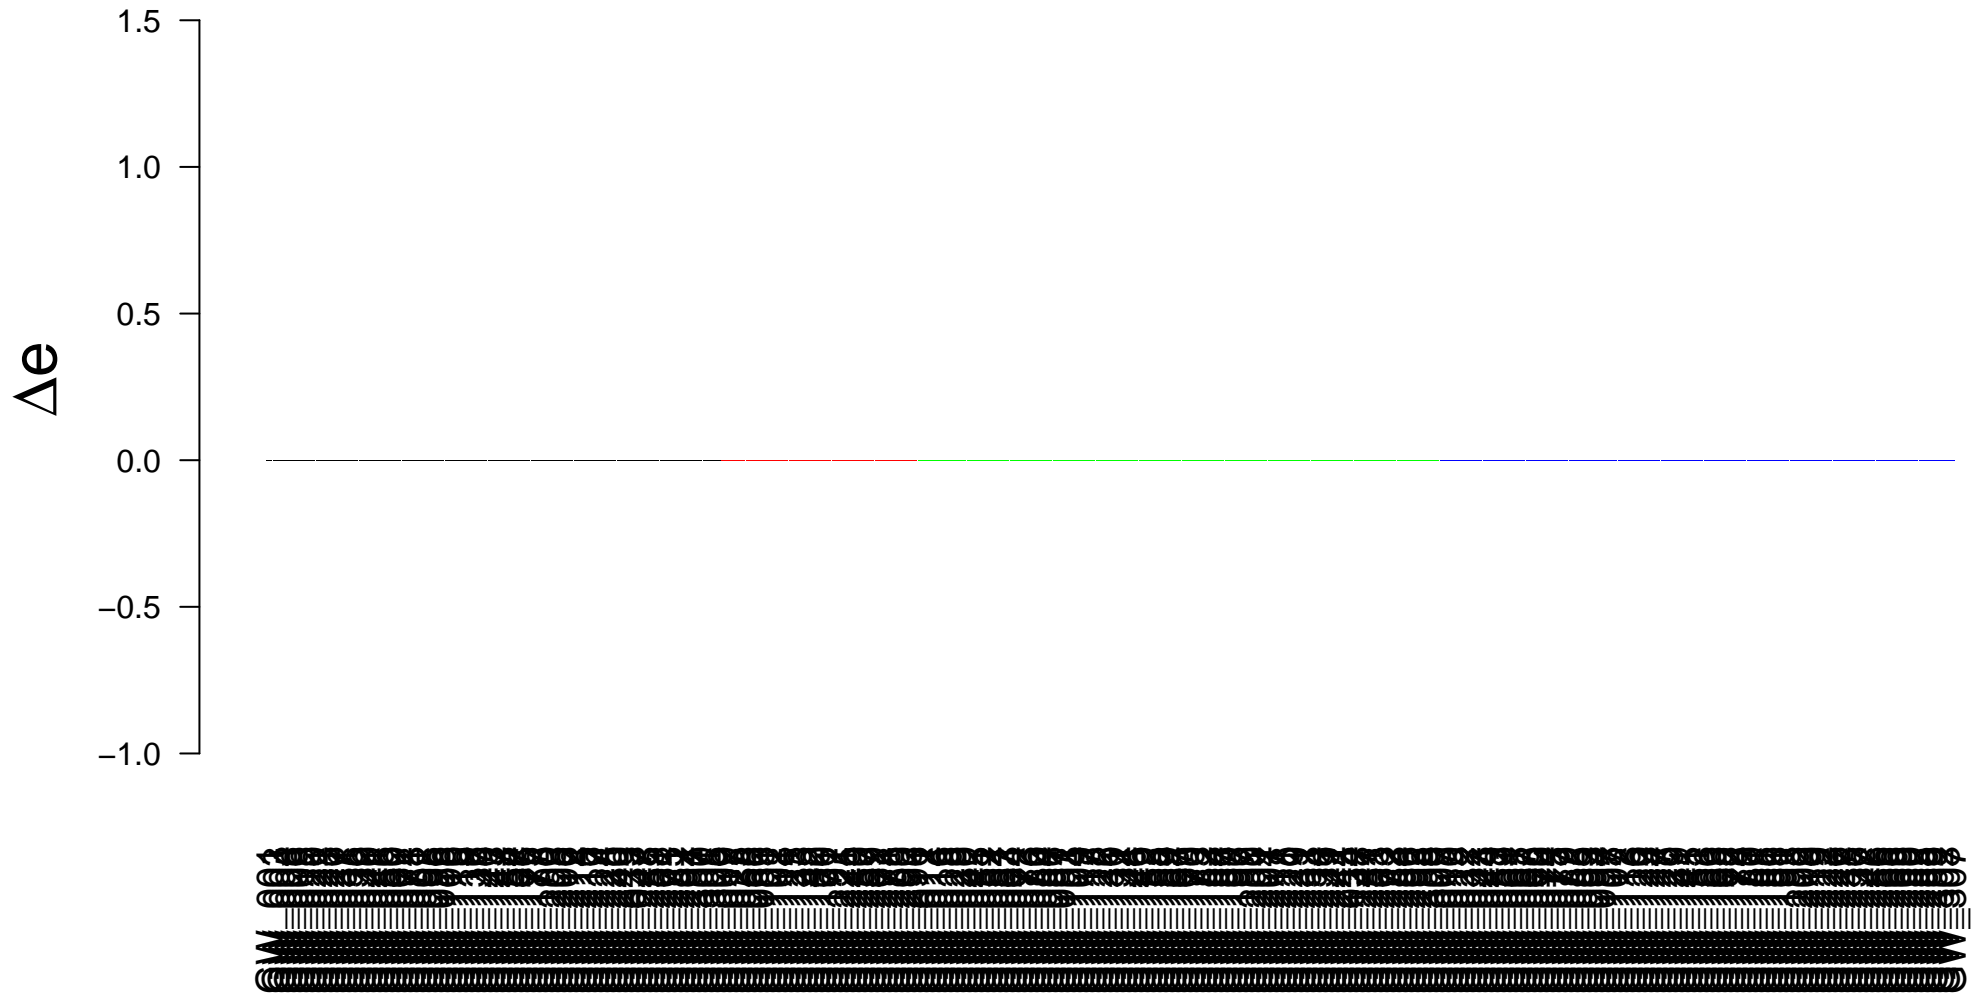

Expression of gamma-aminobutyric acid signaling pathway in Spot I

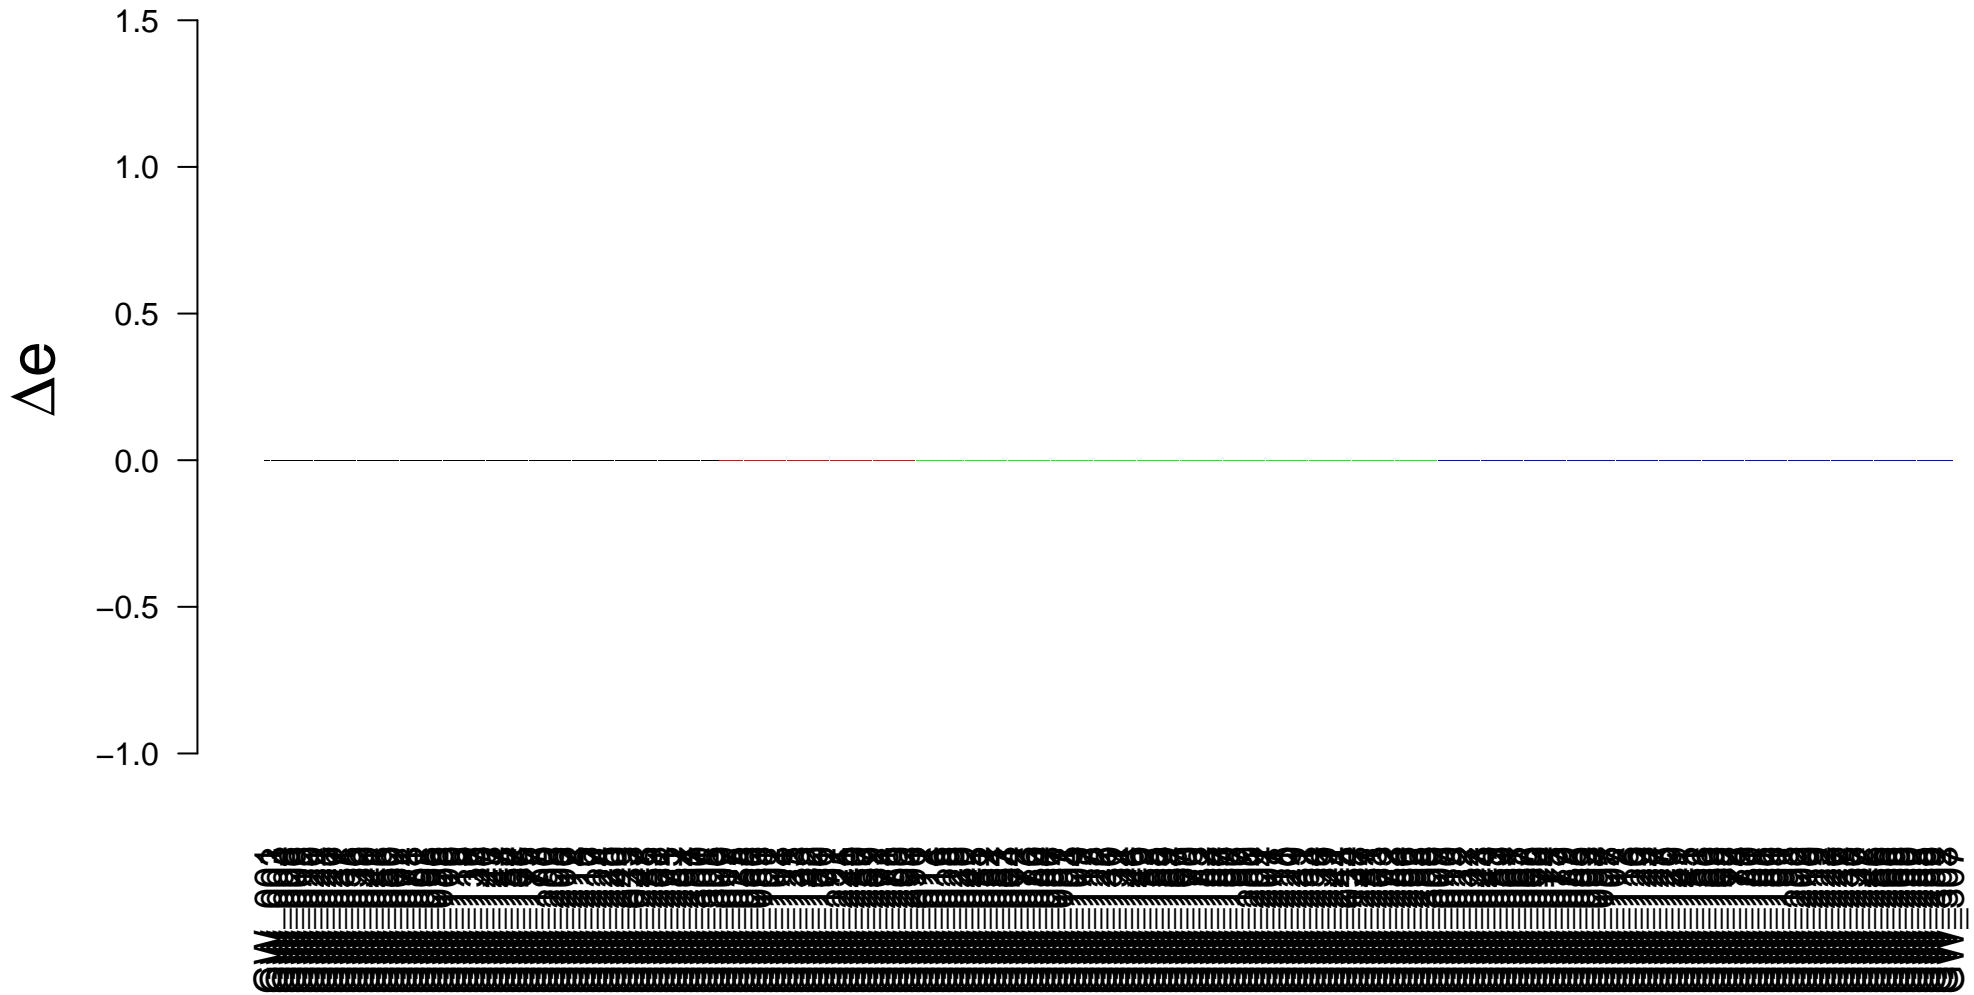

Expression of gamma-aminobutyric acid signaling pathway in Spot J

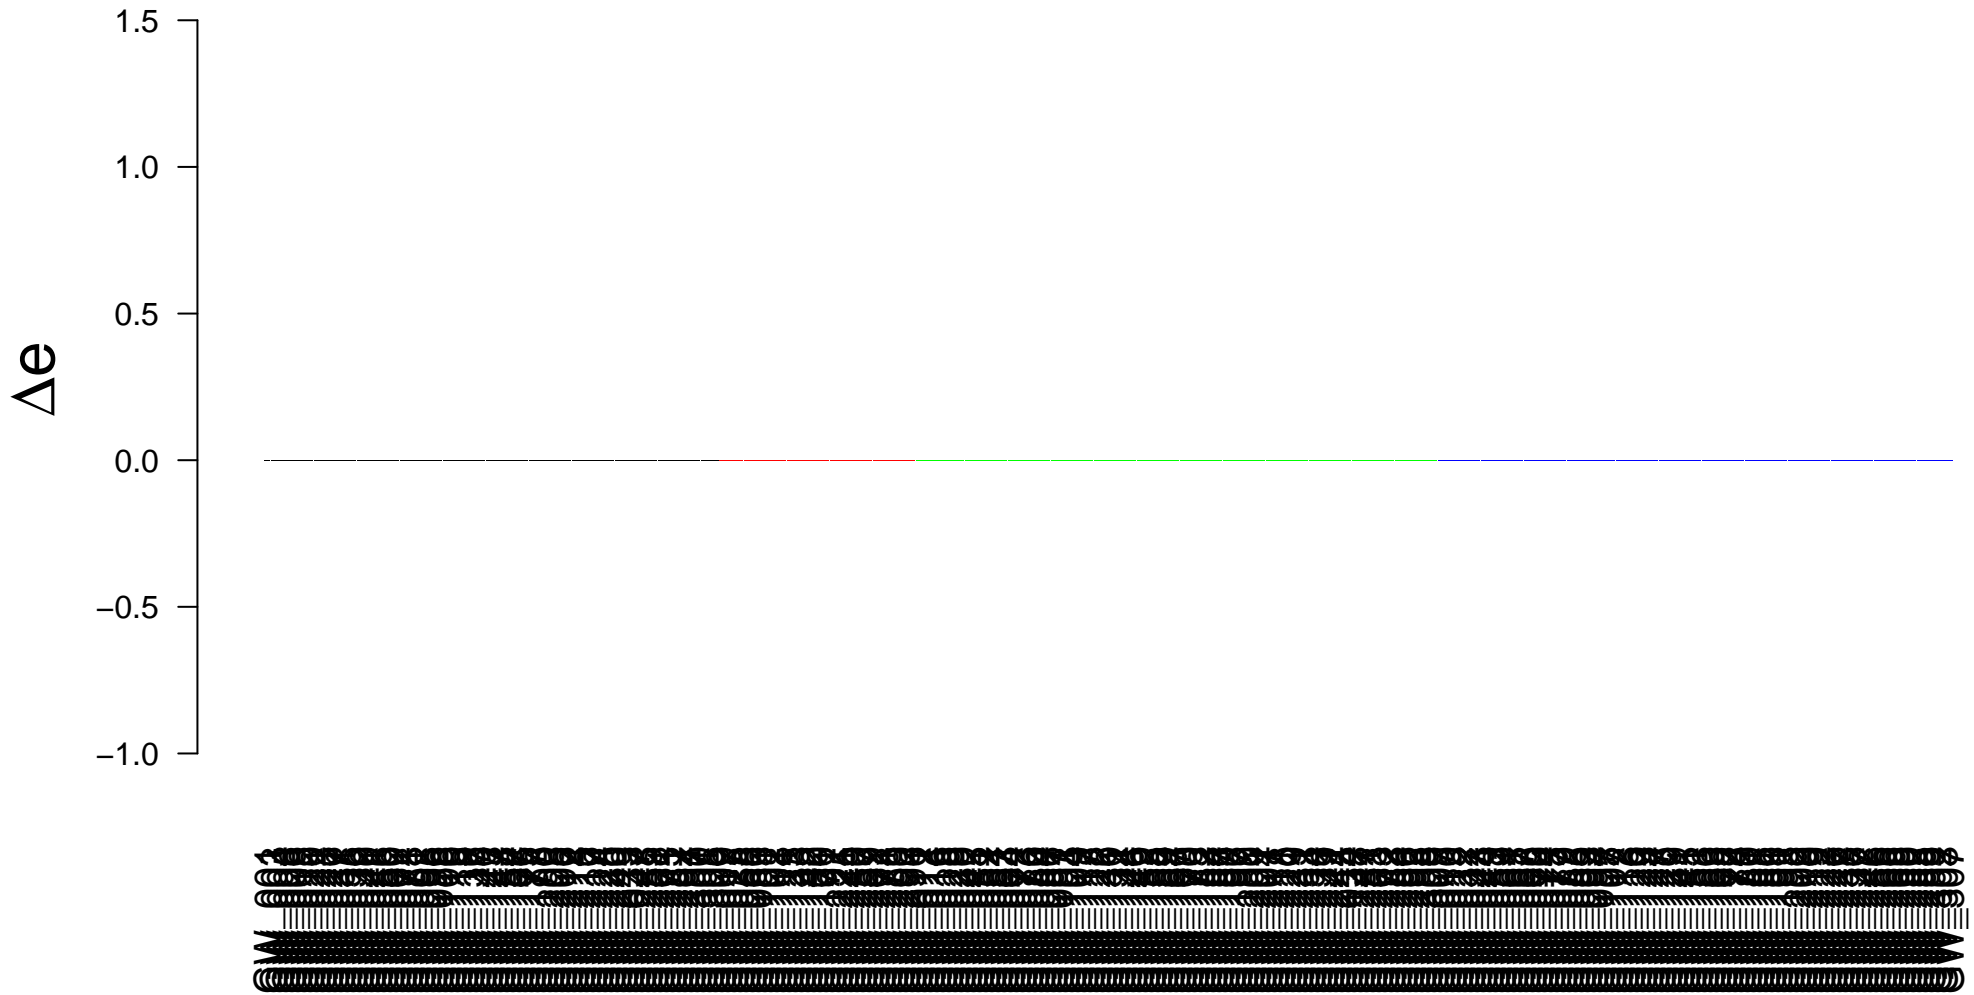

Expression of gamma-aminobutyric acid signaling pathway in Spot K

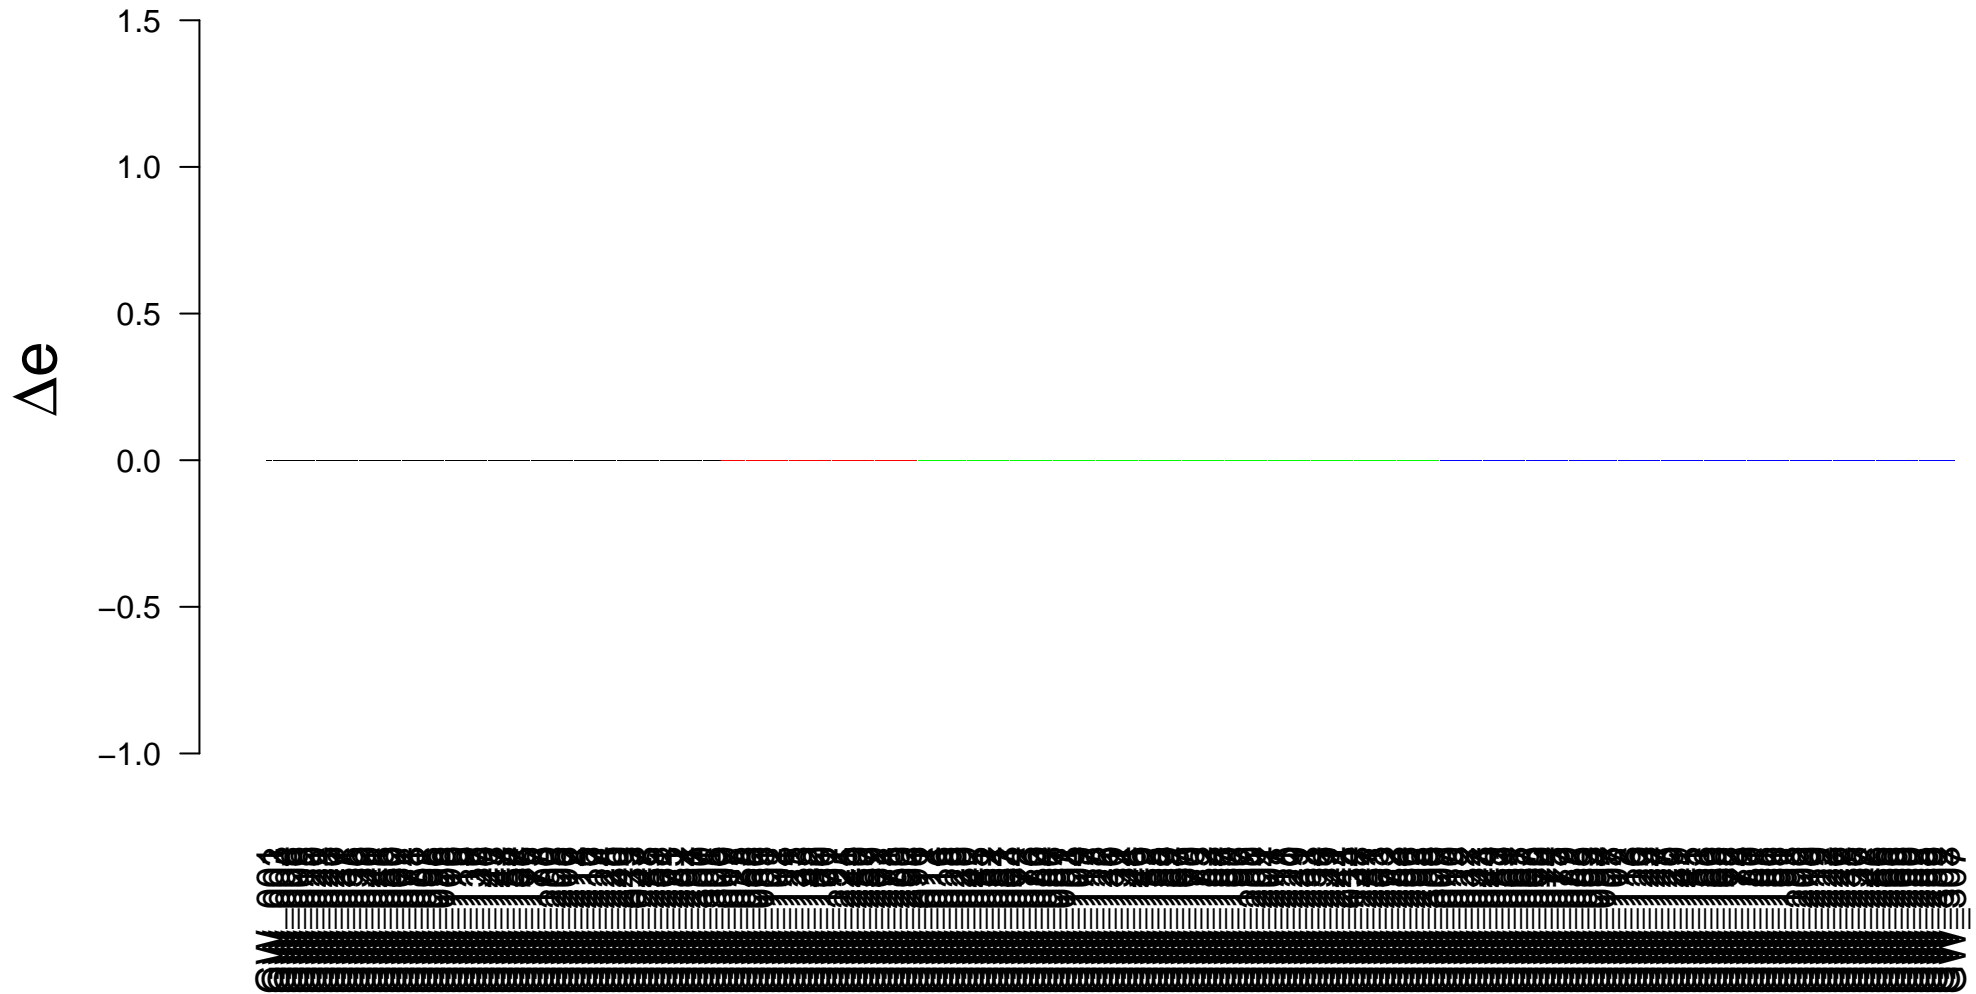

Expression of gamma-aminobutyric acid signaling pathway in Spot L

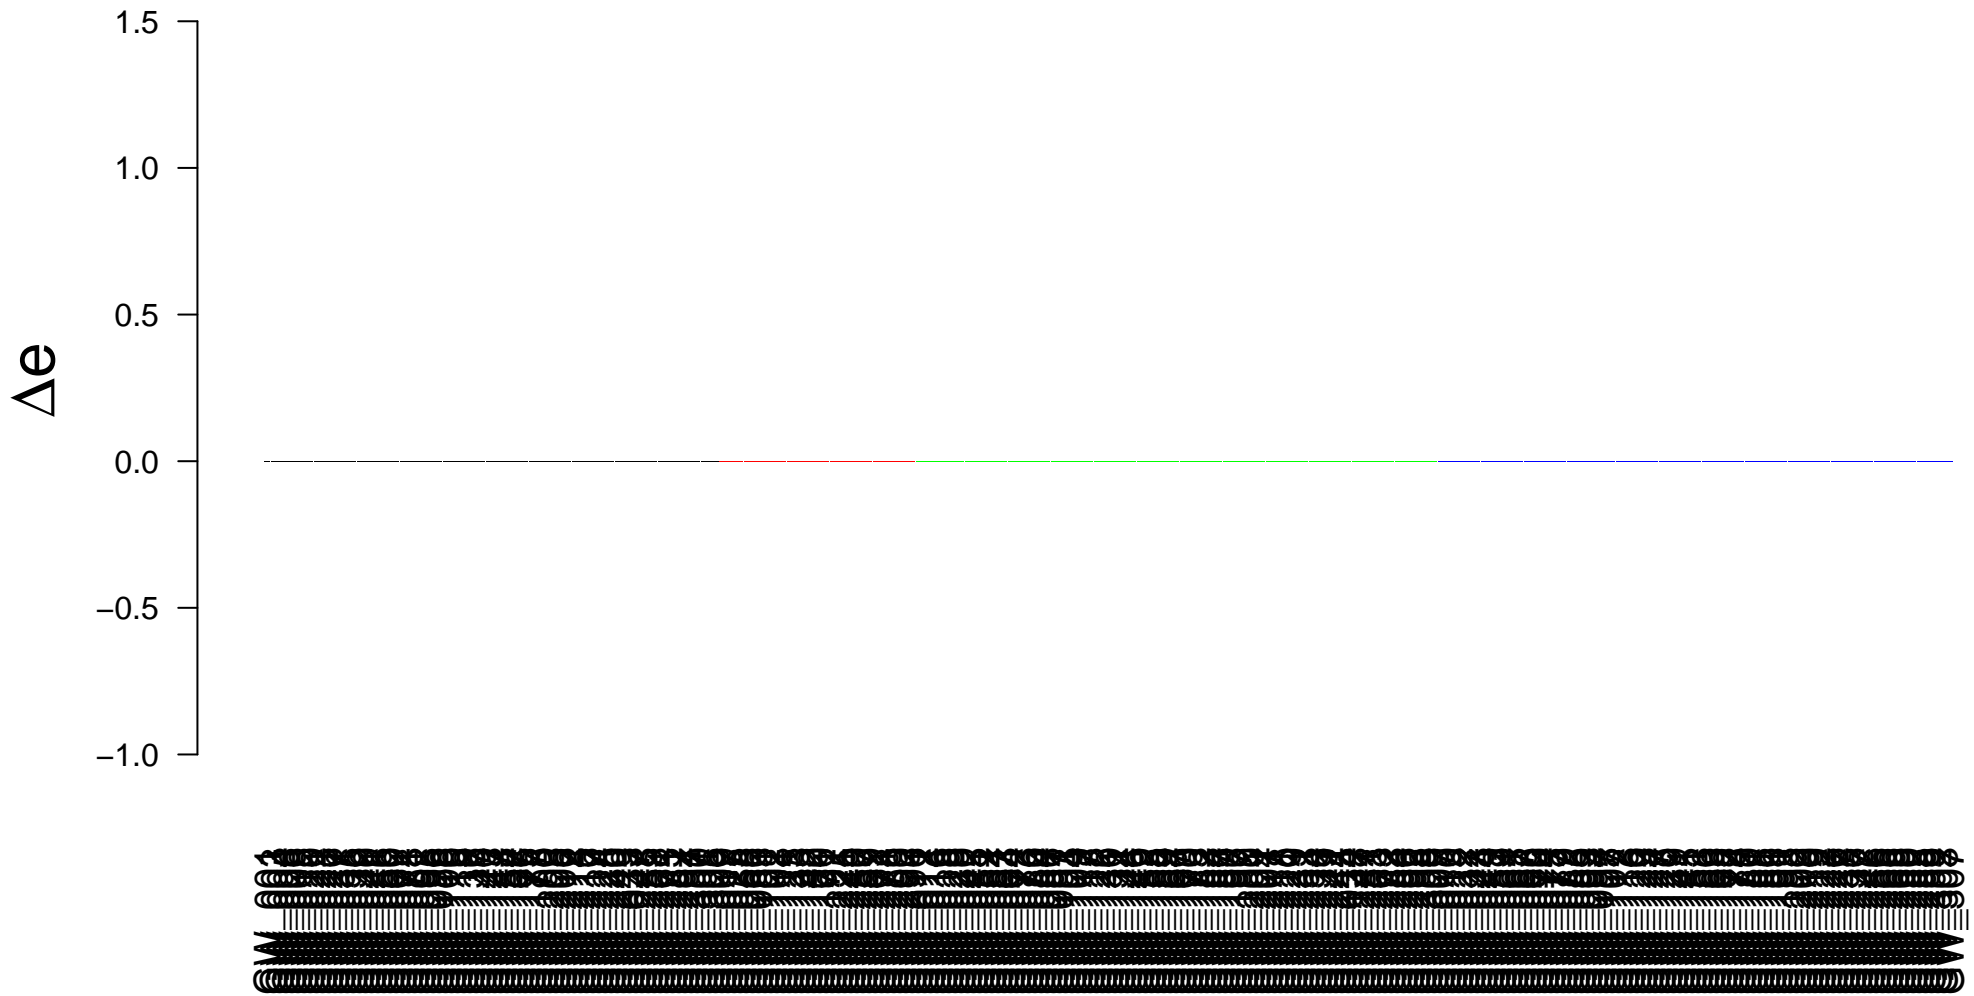

Expression of gamma-aminobutyric acid signaling pathway in Spot M

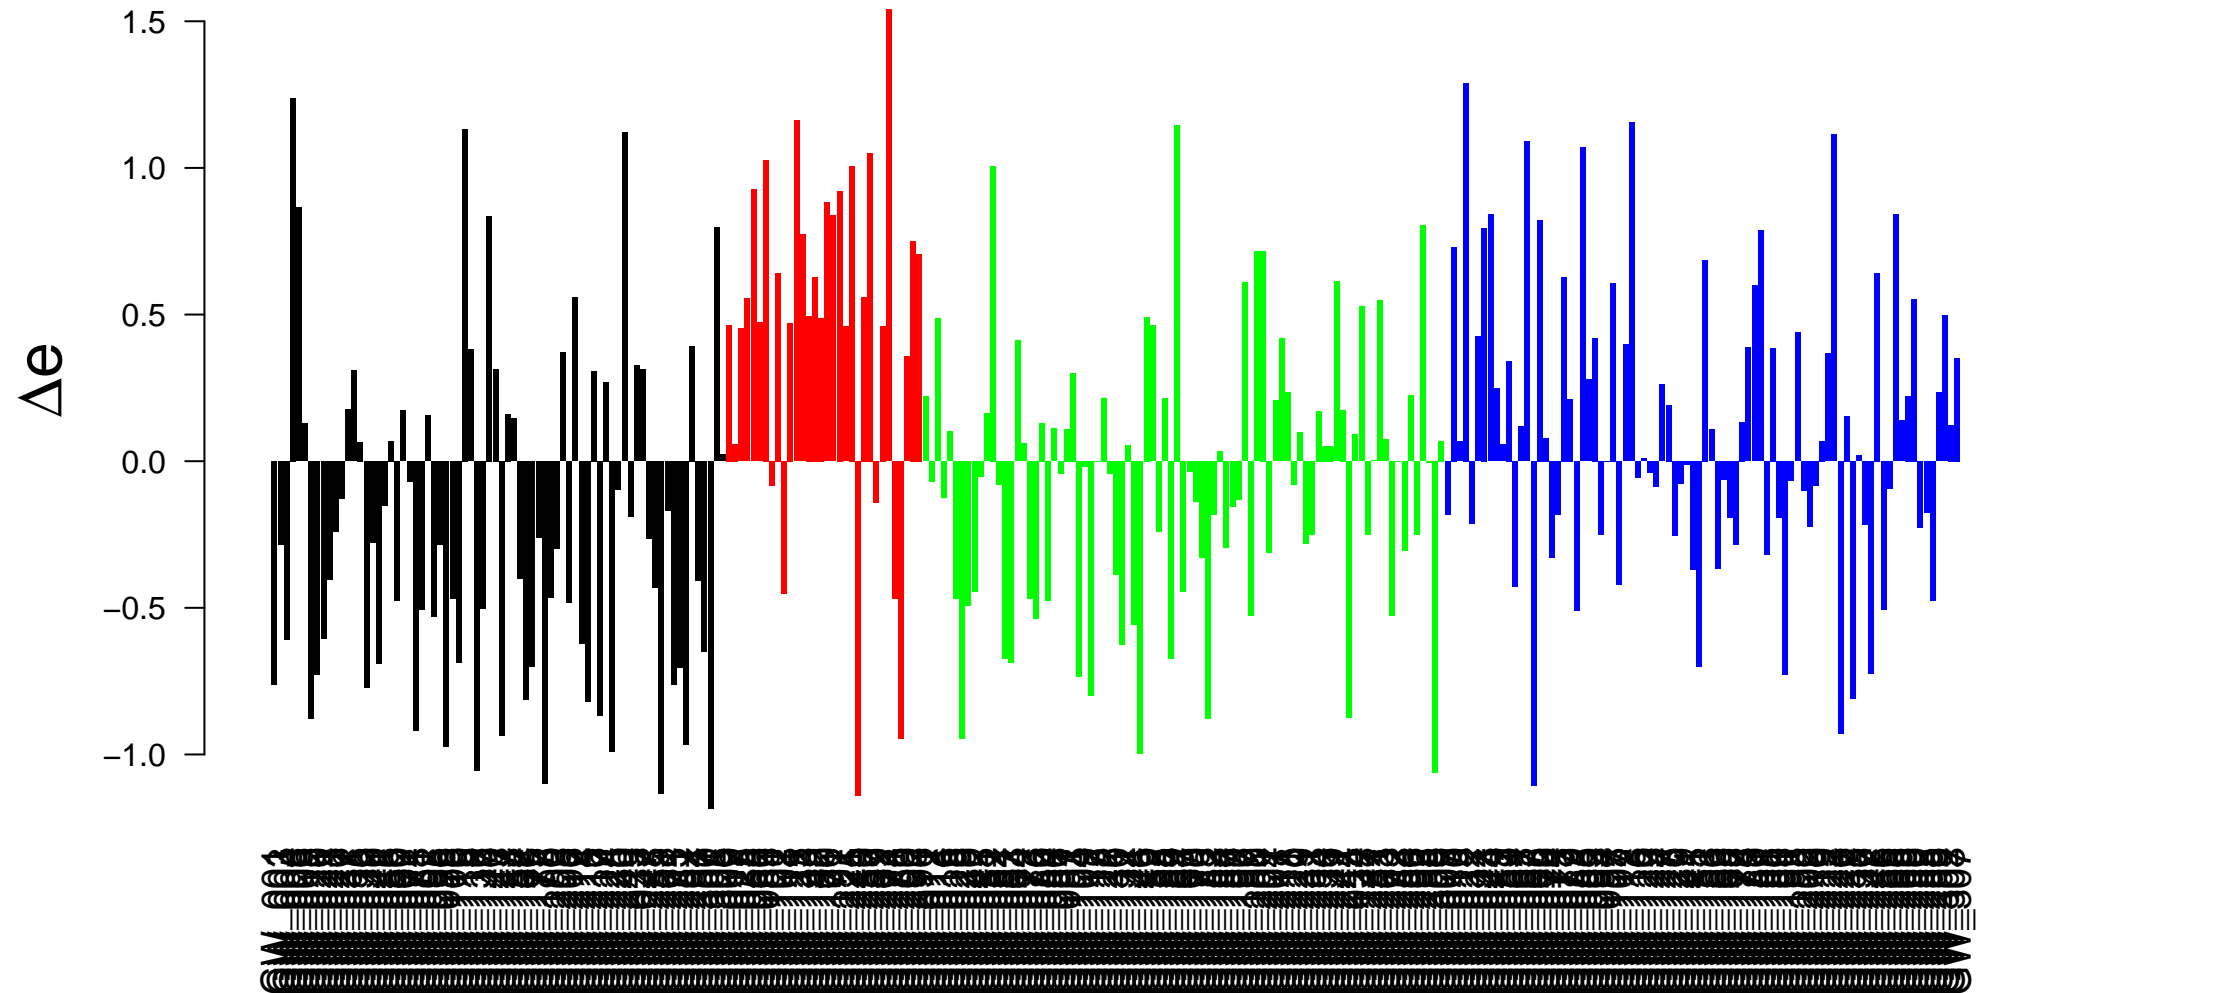

Expression of gamma-aminobutyric acid signaling pathway in Spot N

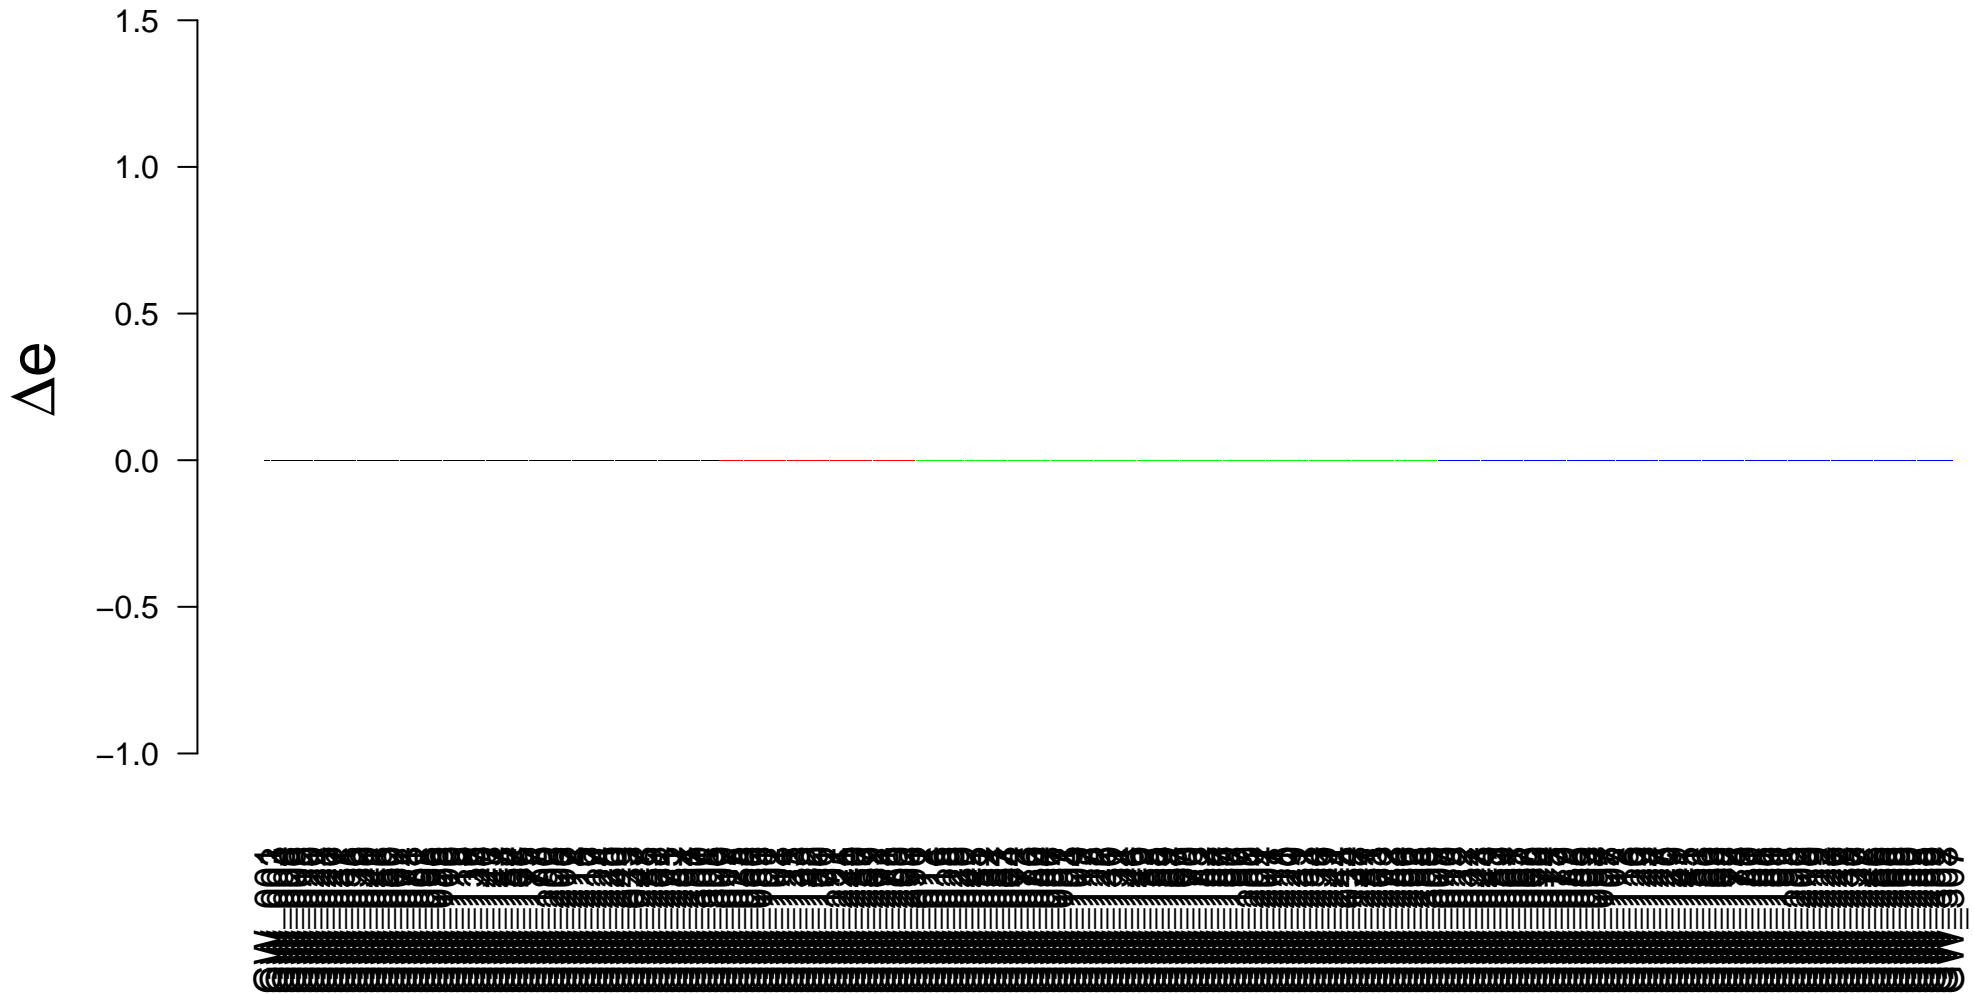

Expression of gamma-aminobutyric acid signaling pathway in Spot O

Expression of gamma-aminobutyric acid signaling pathway in Spot P

Expression of gamma-aminobutyric acid signaling pathway in Spot Q

Expression of gamma-aminobutyric acid signaling pathway in Spot R
