

gamma-catenin binding

gamma-catenin binding

Enrichment in spots: gamma-catenin binding

Expression of gamma-catenin binding in Spot A

Expression of gamma-catenin binding in Spot B

Expression of gamma-catenin binding in Spot C

Expression of gamma-catenin binding in Spot D

Expression of gamma-catenin binding in Spot E

Expression of gamma-catenin binding in Spot F

Expression of gamma-catenin binding in Spot G

Expression of gamma-catenin binding in Spot H

Expression of gamma-catenin binding in Spot I

Expression of gamma-catenin binding in Spot J

Expression of gamma-catenin binding in Spot K

Expression of gamma-catenin binding in Spot L

Δe

Expression of gamma-catenin binding in Spot M

Expression of gamma-catenin binding in Spot N

Expression of gamma-catenin binding in Spot O

Expression of gamma-catenin binding in Spot P

Expression of gamma-catenin binding in Spot Q

Expression of gamma-catenin binding in Spot R
