

glial cell differentiation

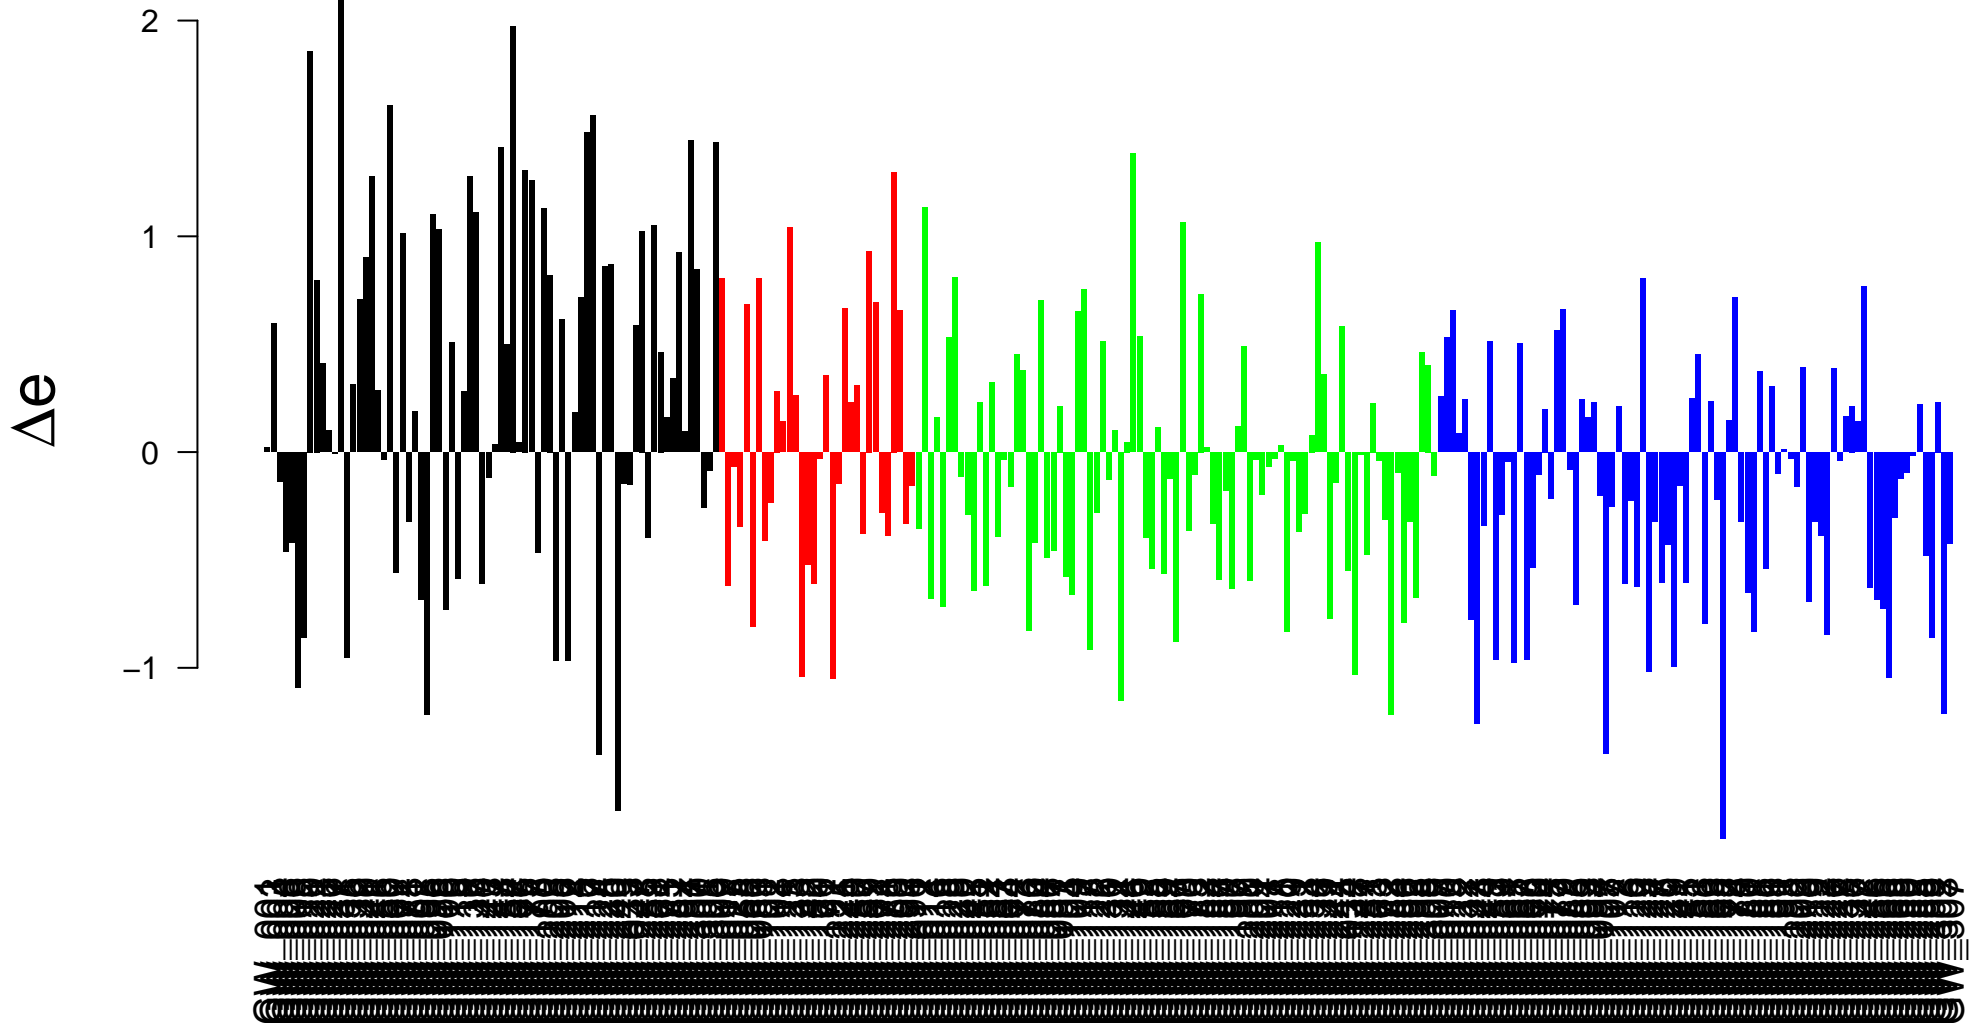

glial cell differentiation

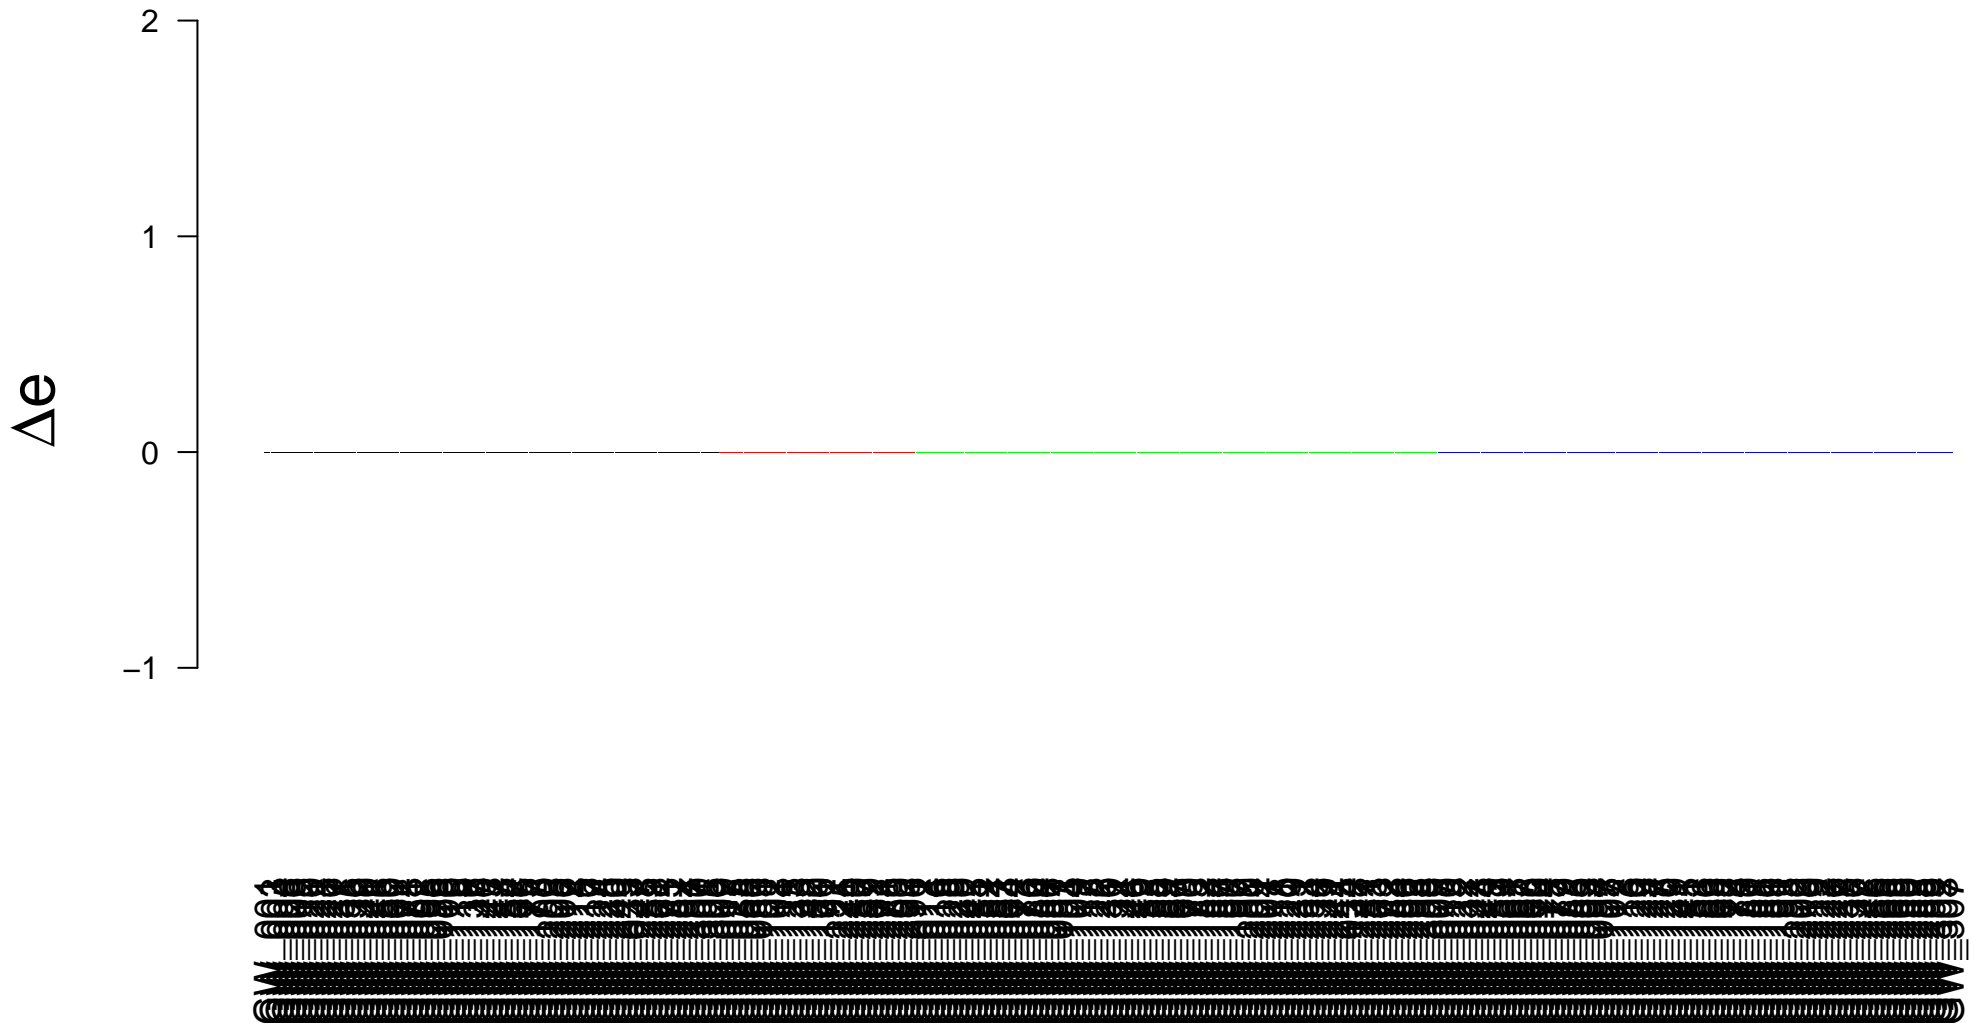

Enrichment in spots: glial cell differentiation

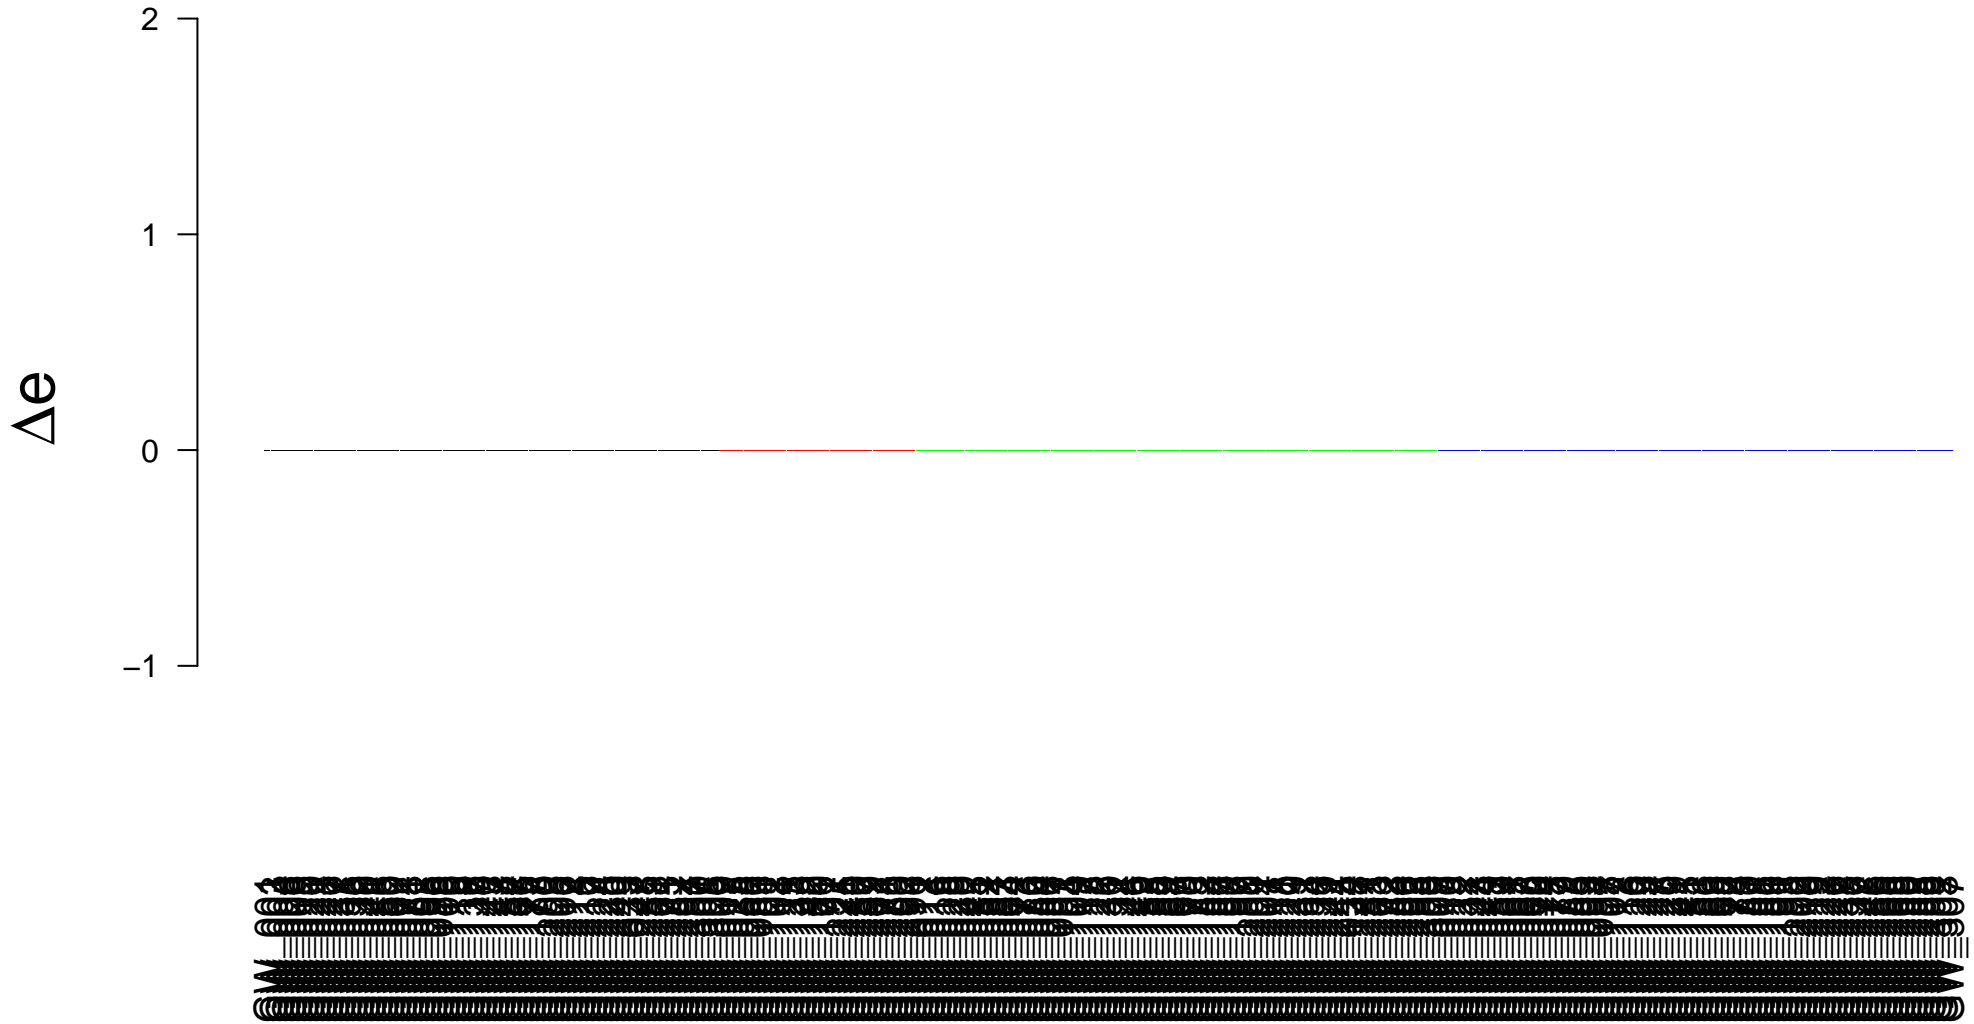

Expression of glial cell differentiation in Spot A

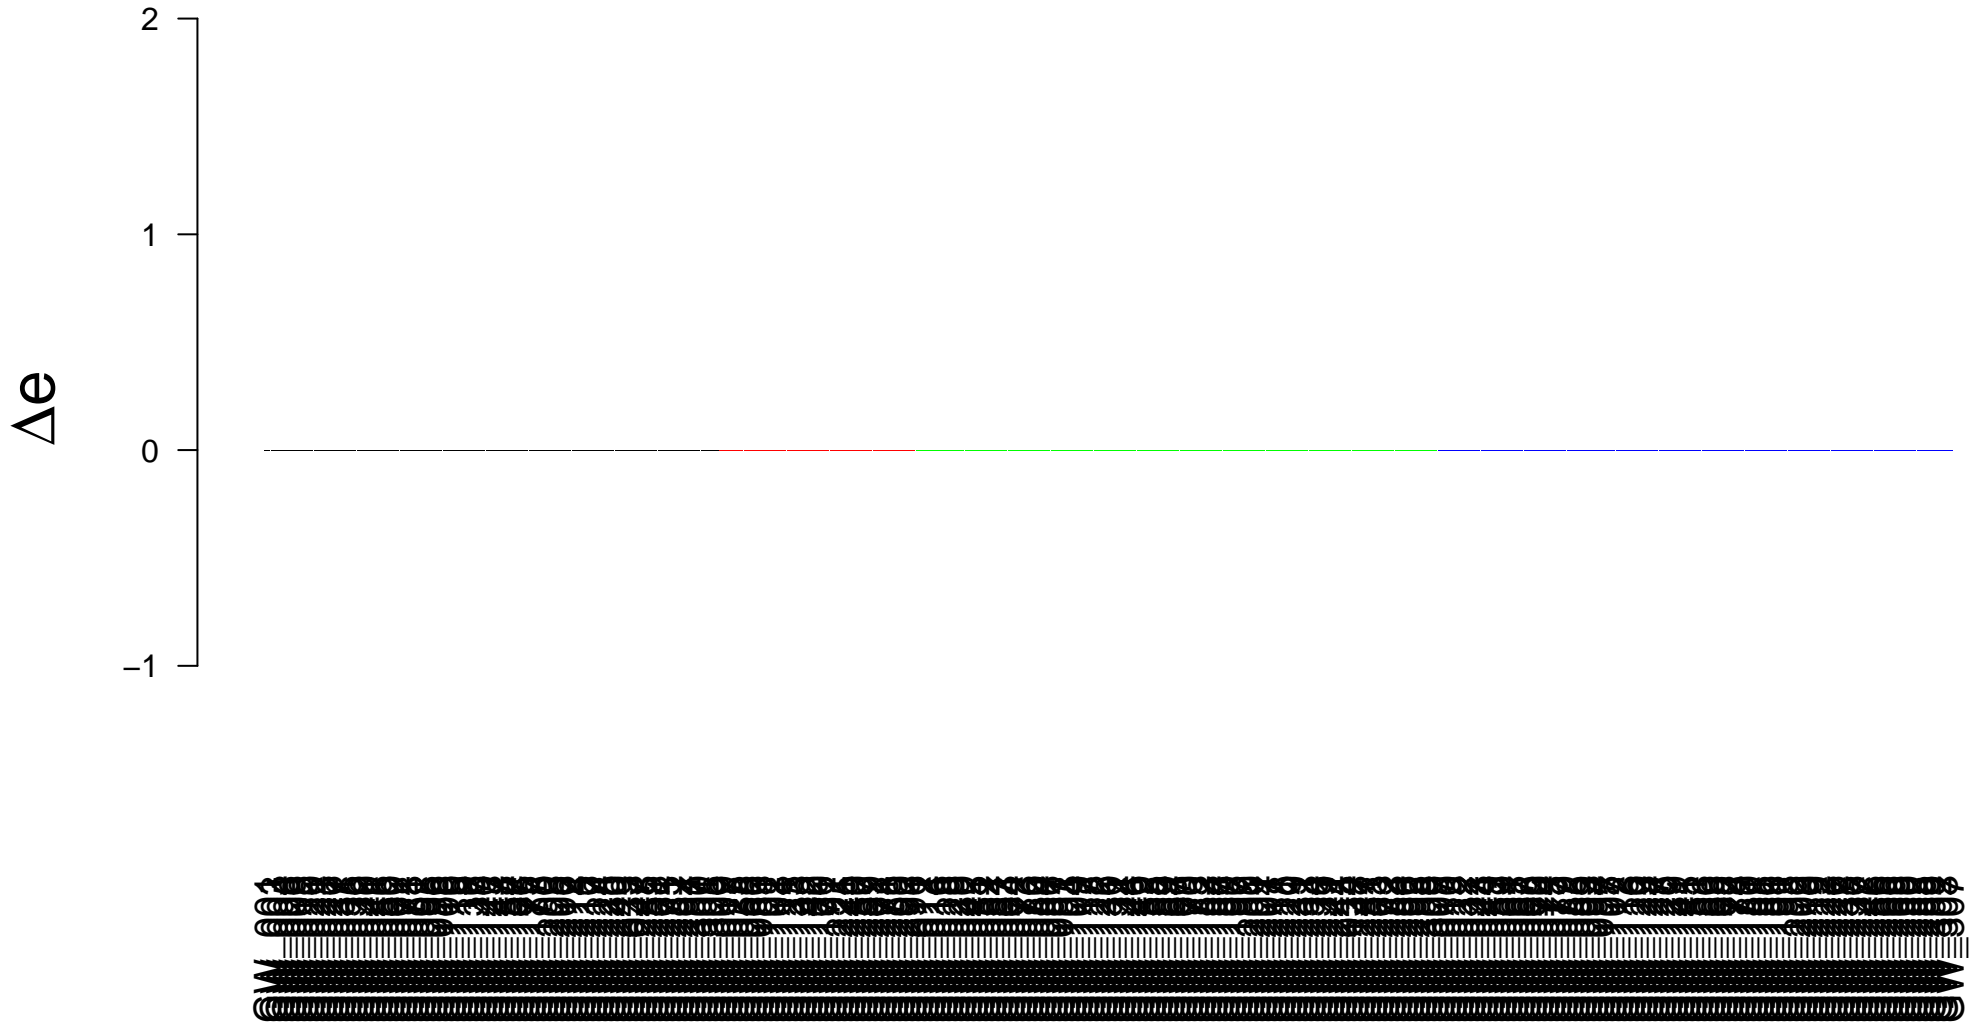

Expression of glial cell differentiation in Spot B

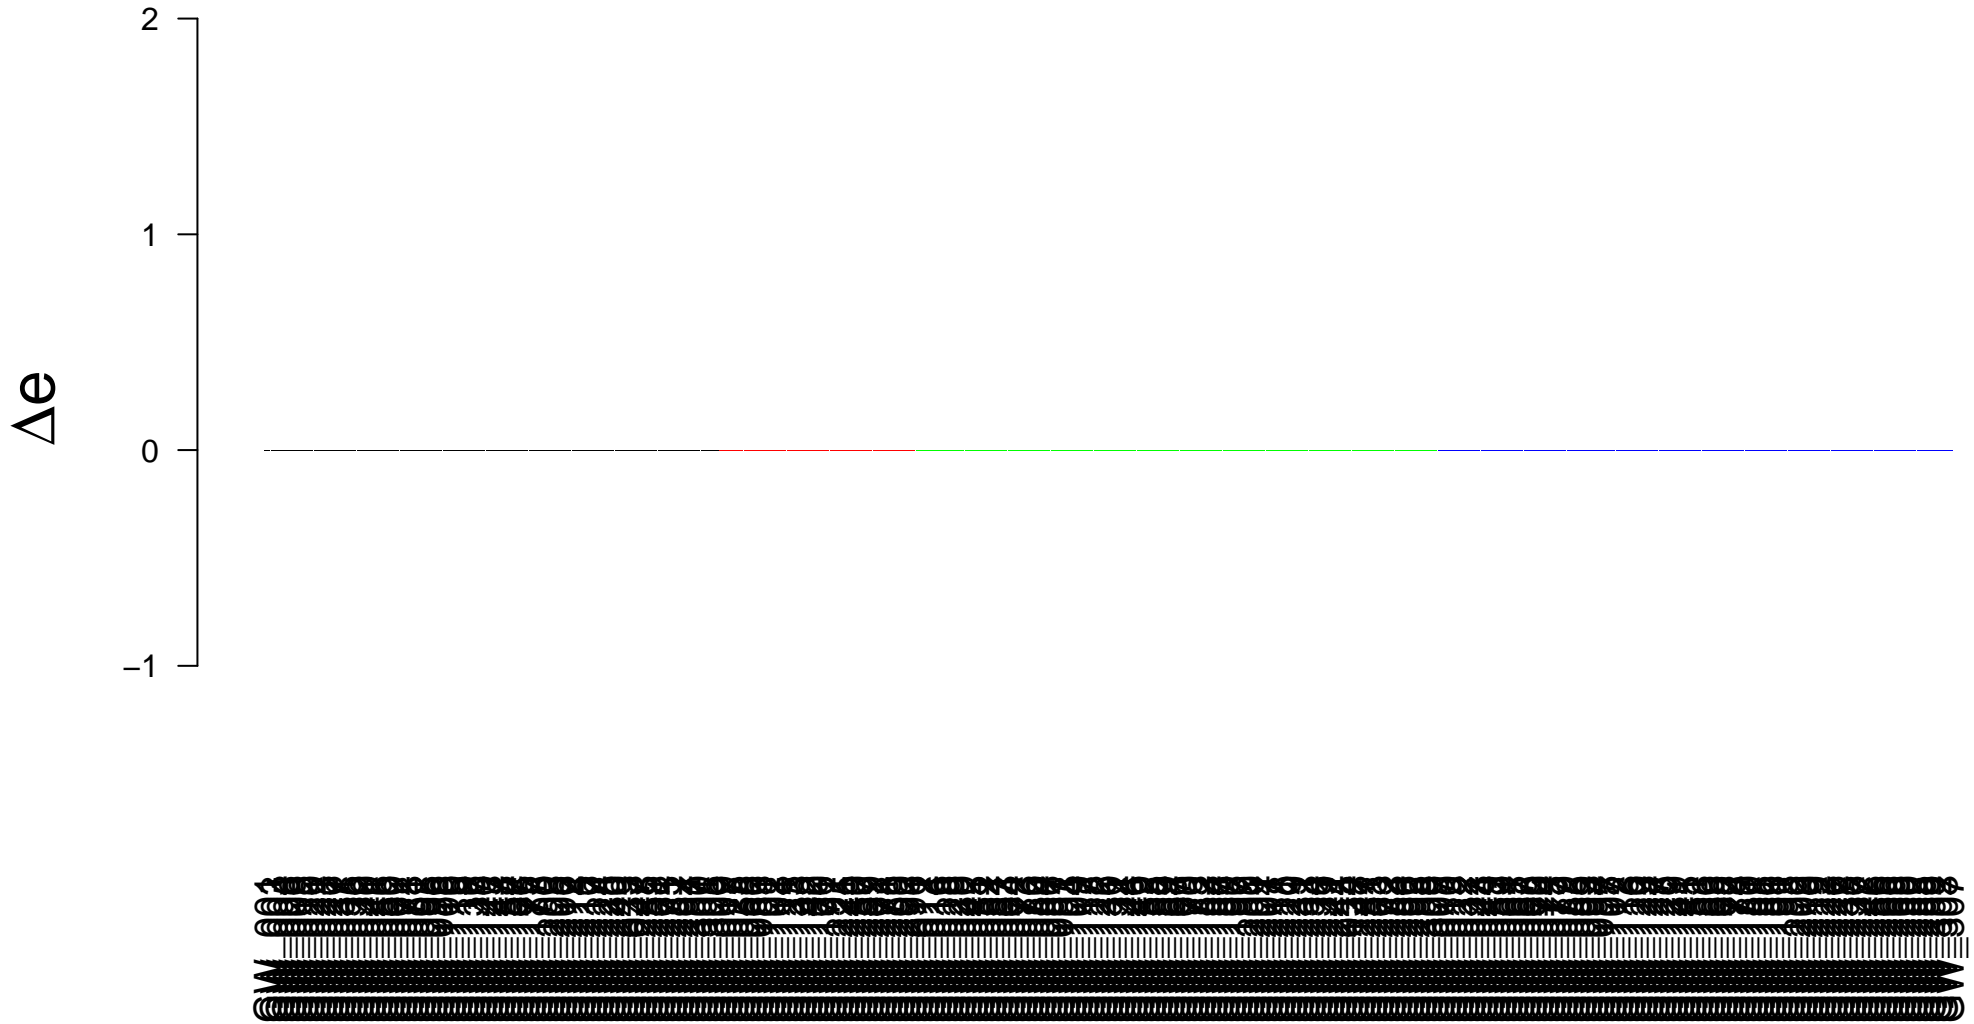

Expression of glial cell differentiation in Spot C

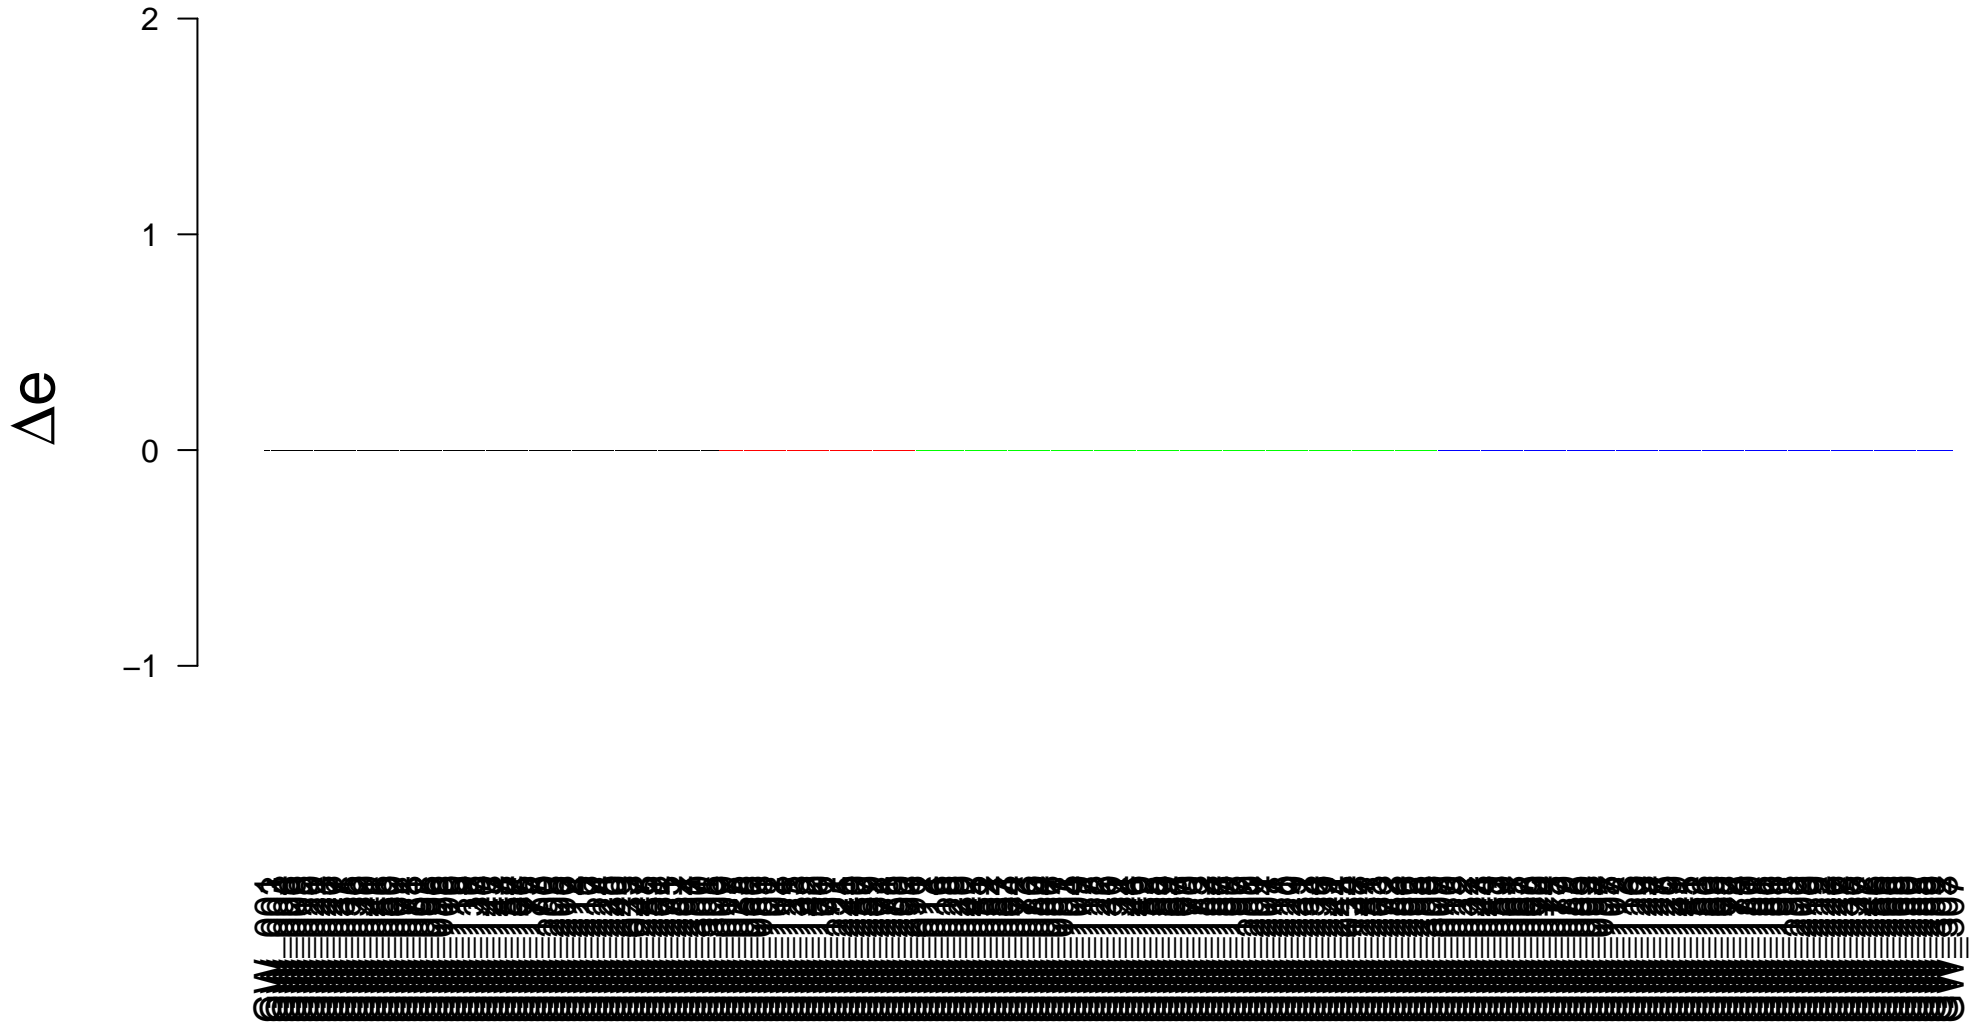

Expression of glial cell differentiation in Spot D

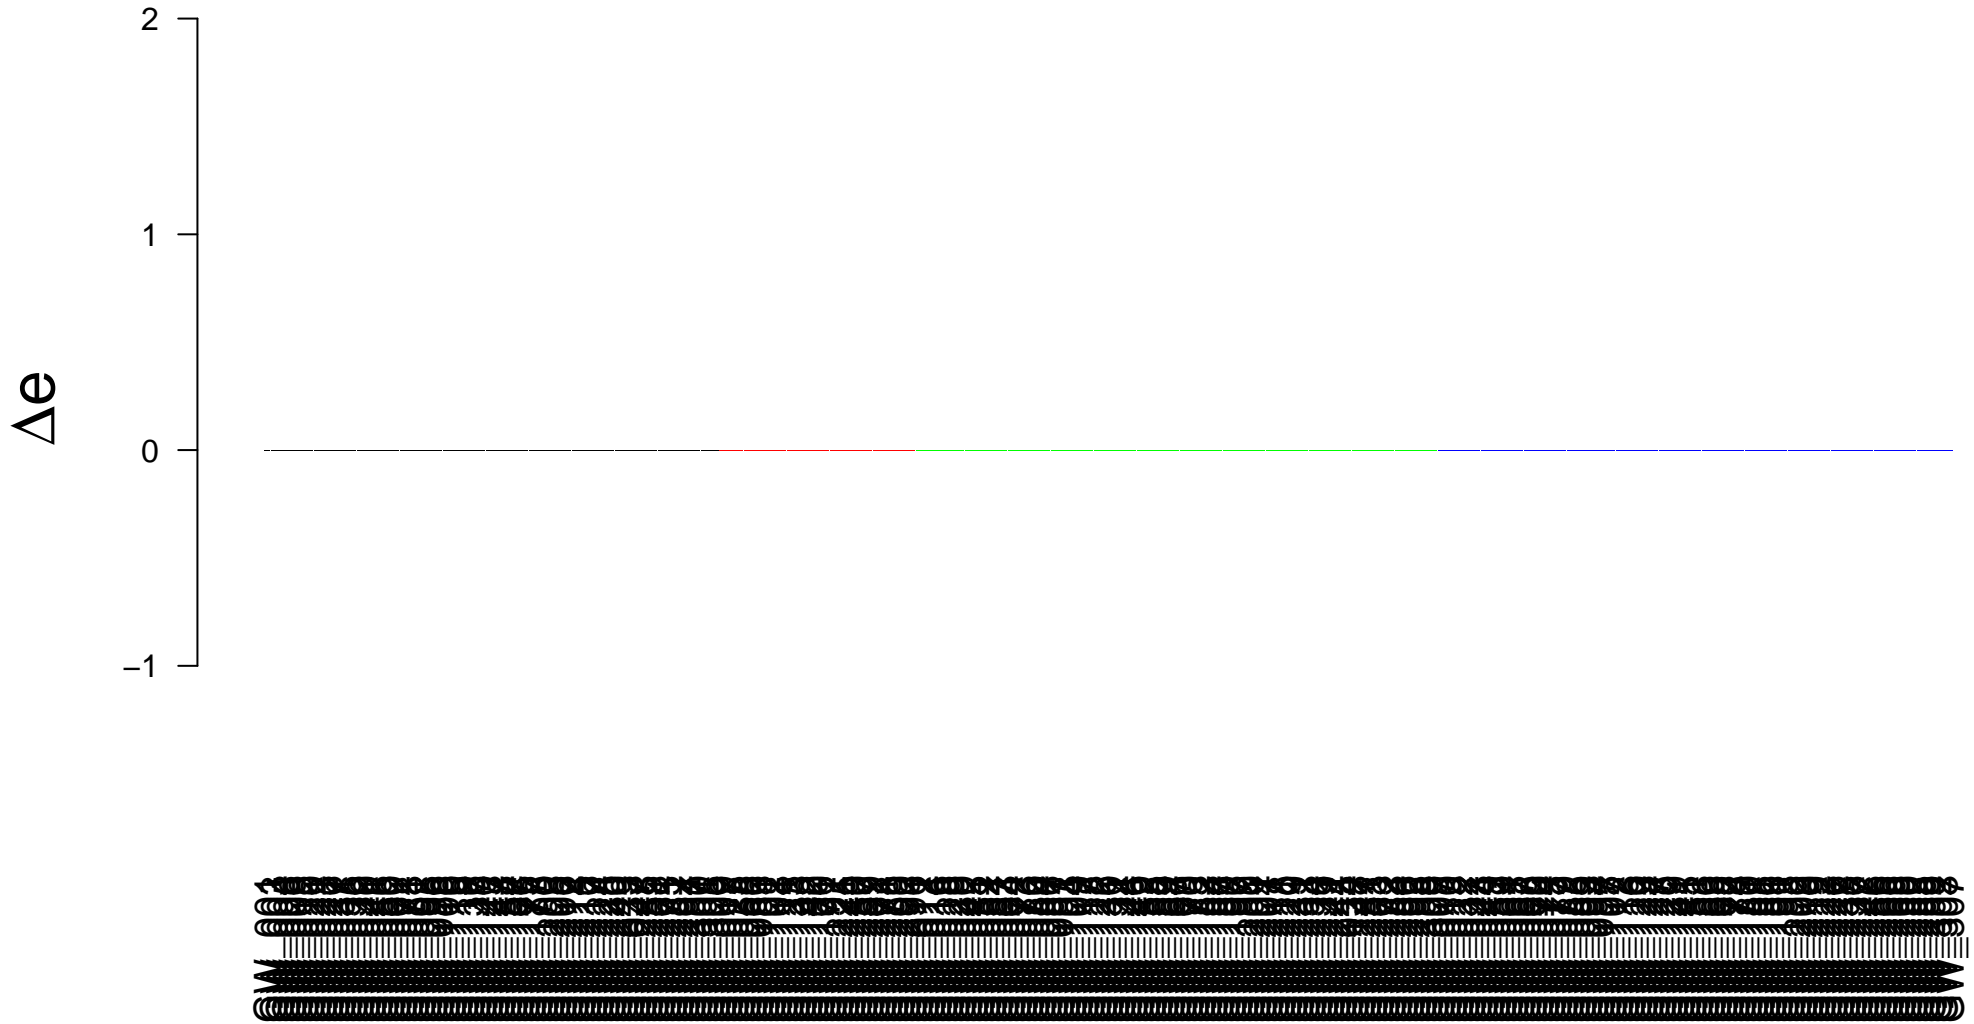

Expression of glial cell differentiation in Spot E

Expression of glial cell differentiation in Spot F

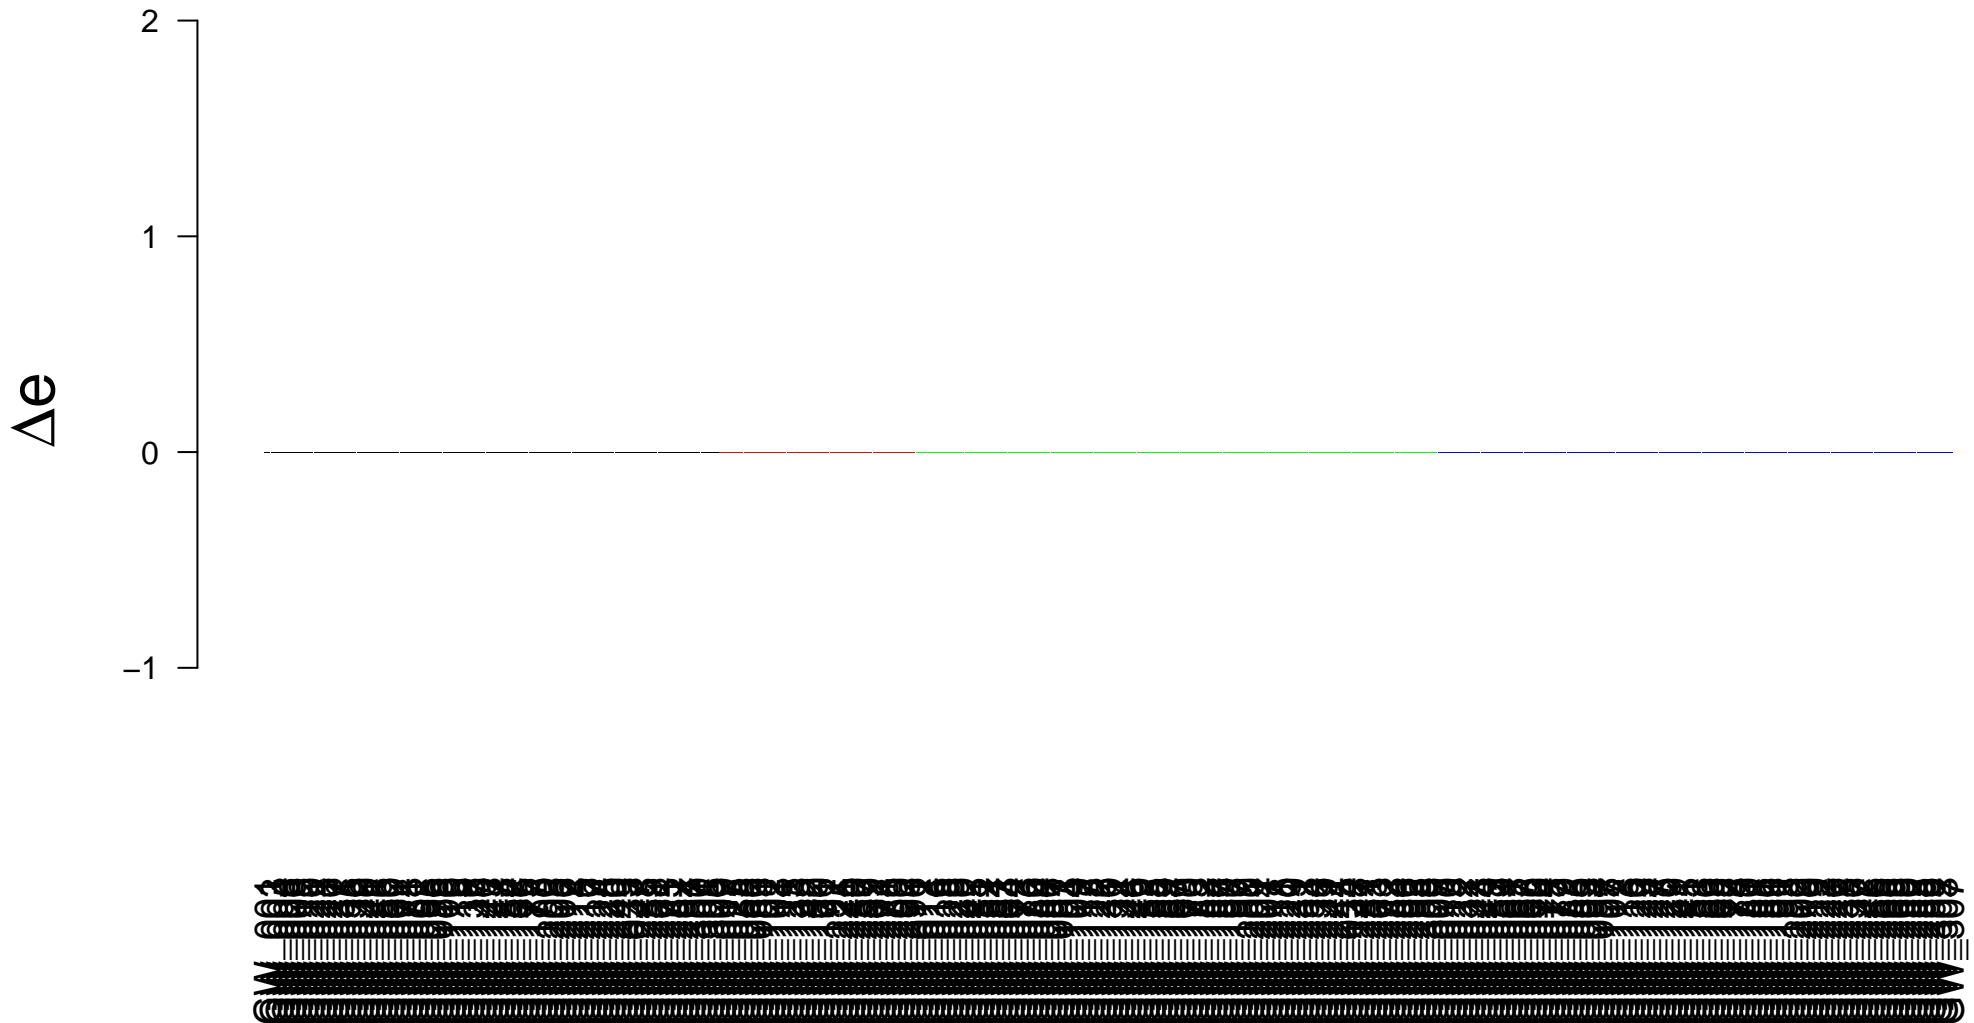

Expression of glial cell differentiation in Spot G

Expression of glial cell differentiation in Spot H

Expression of glial cell differentiation in Spot I

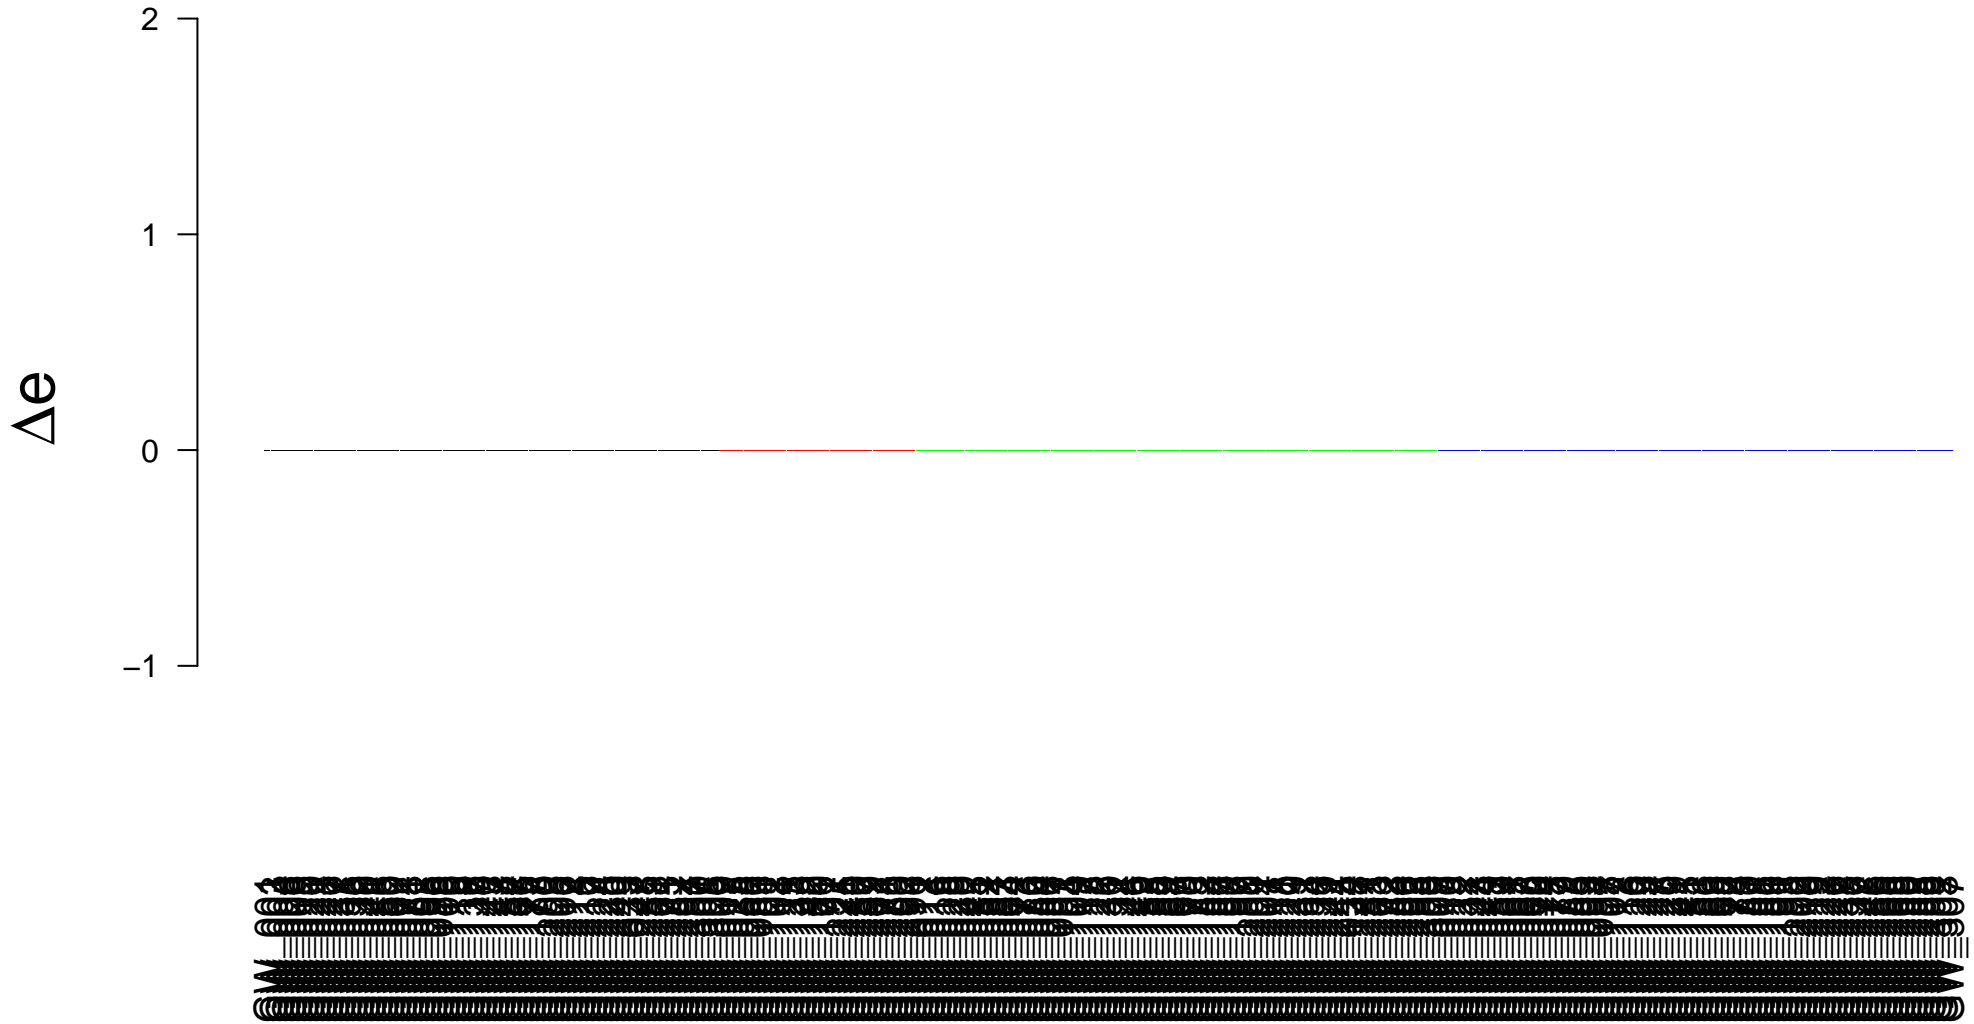

Expression of glial cell differentiation in Spot J

Expression of glial cell differentiation in Spot K

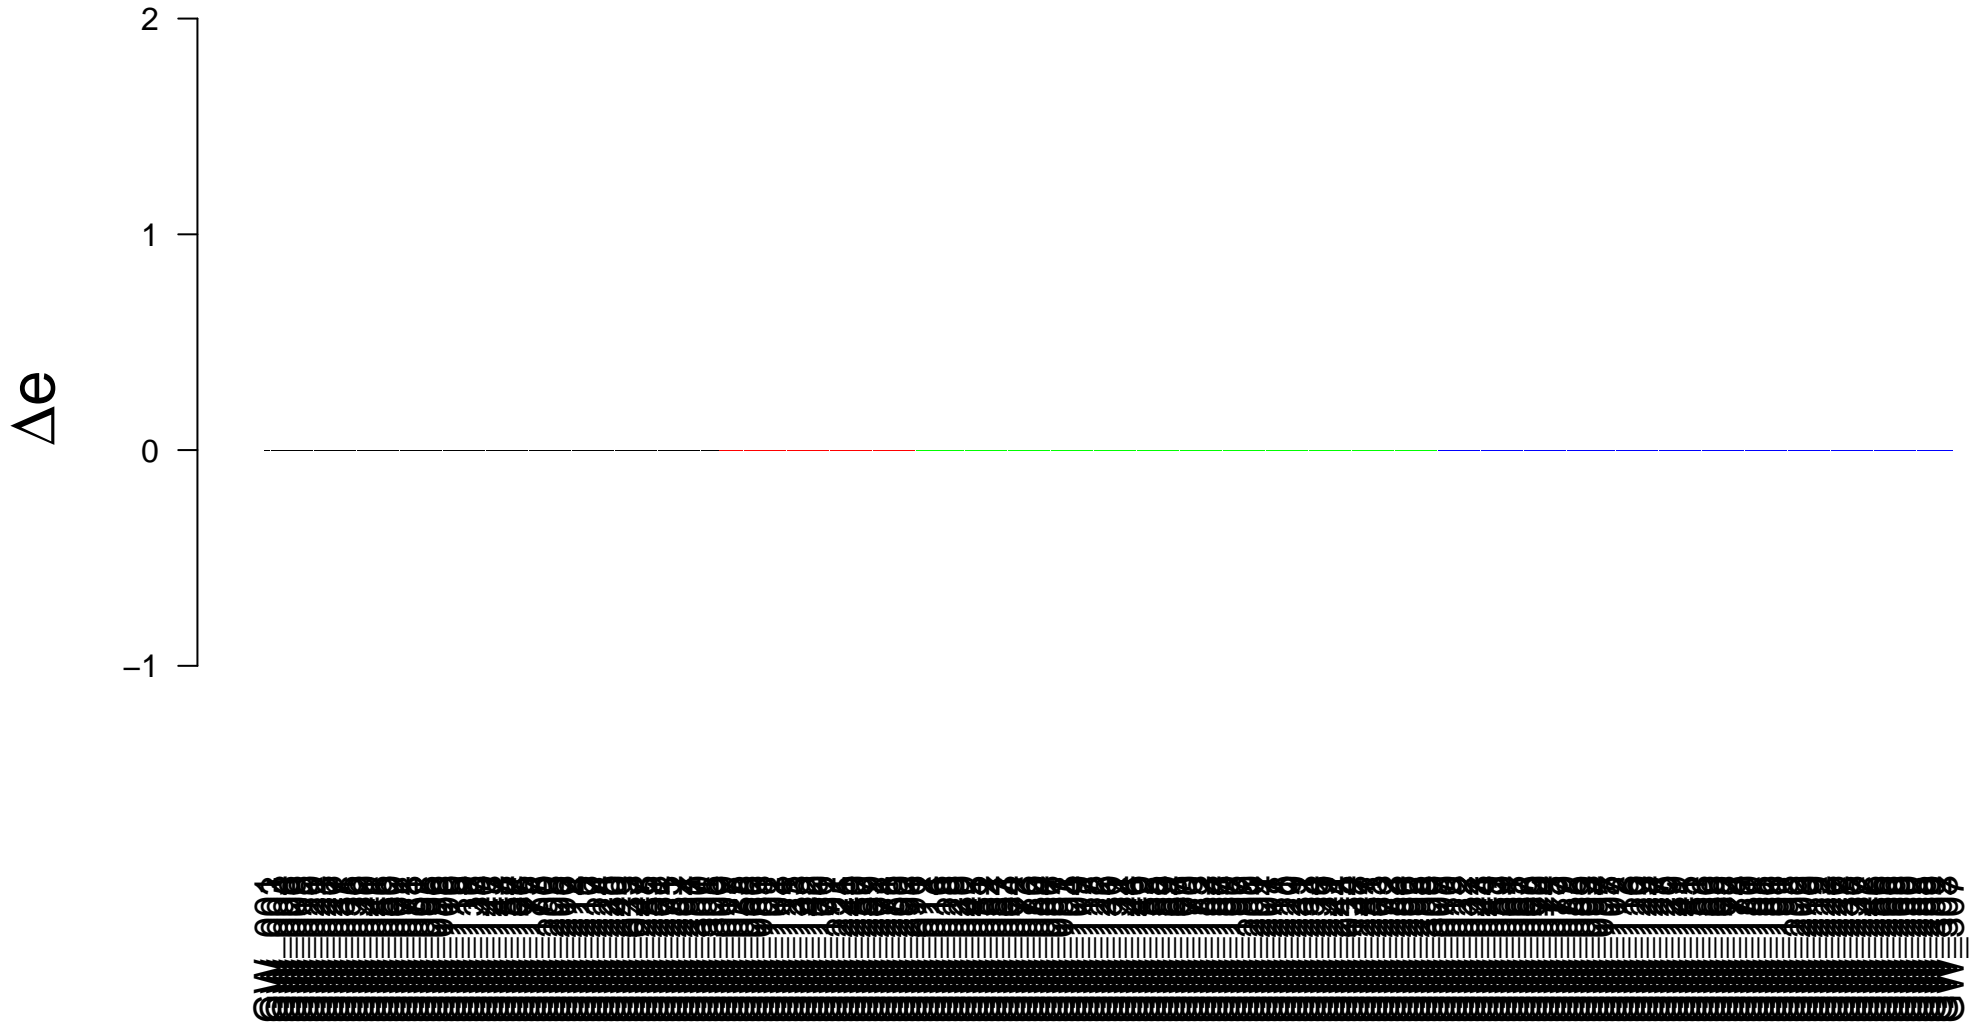

Expression of glial cell differentiation in Spot L

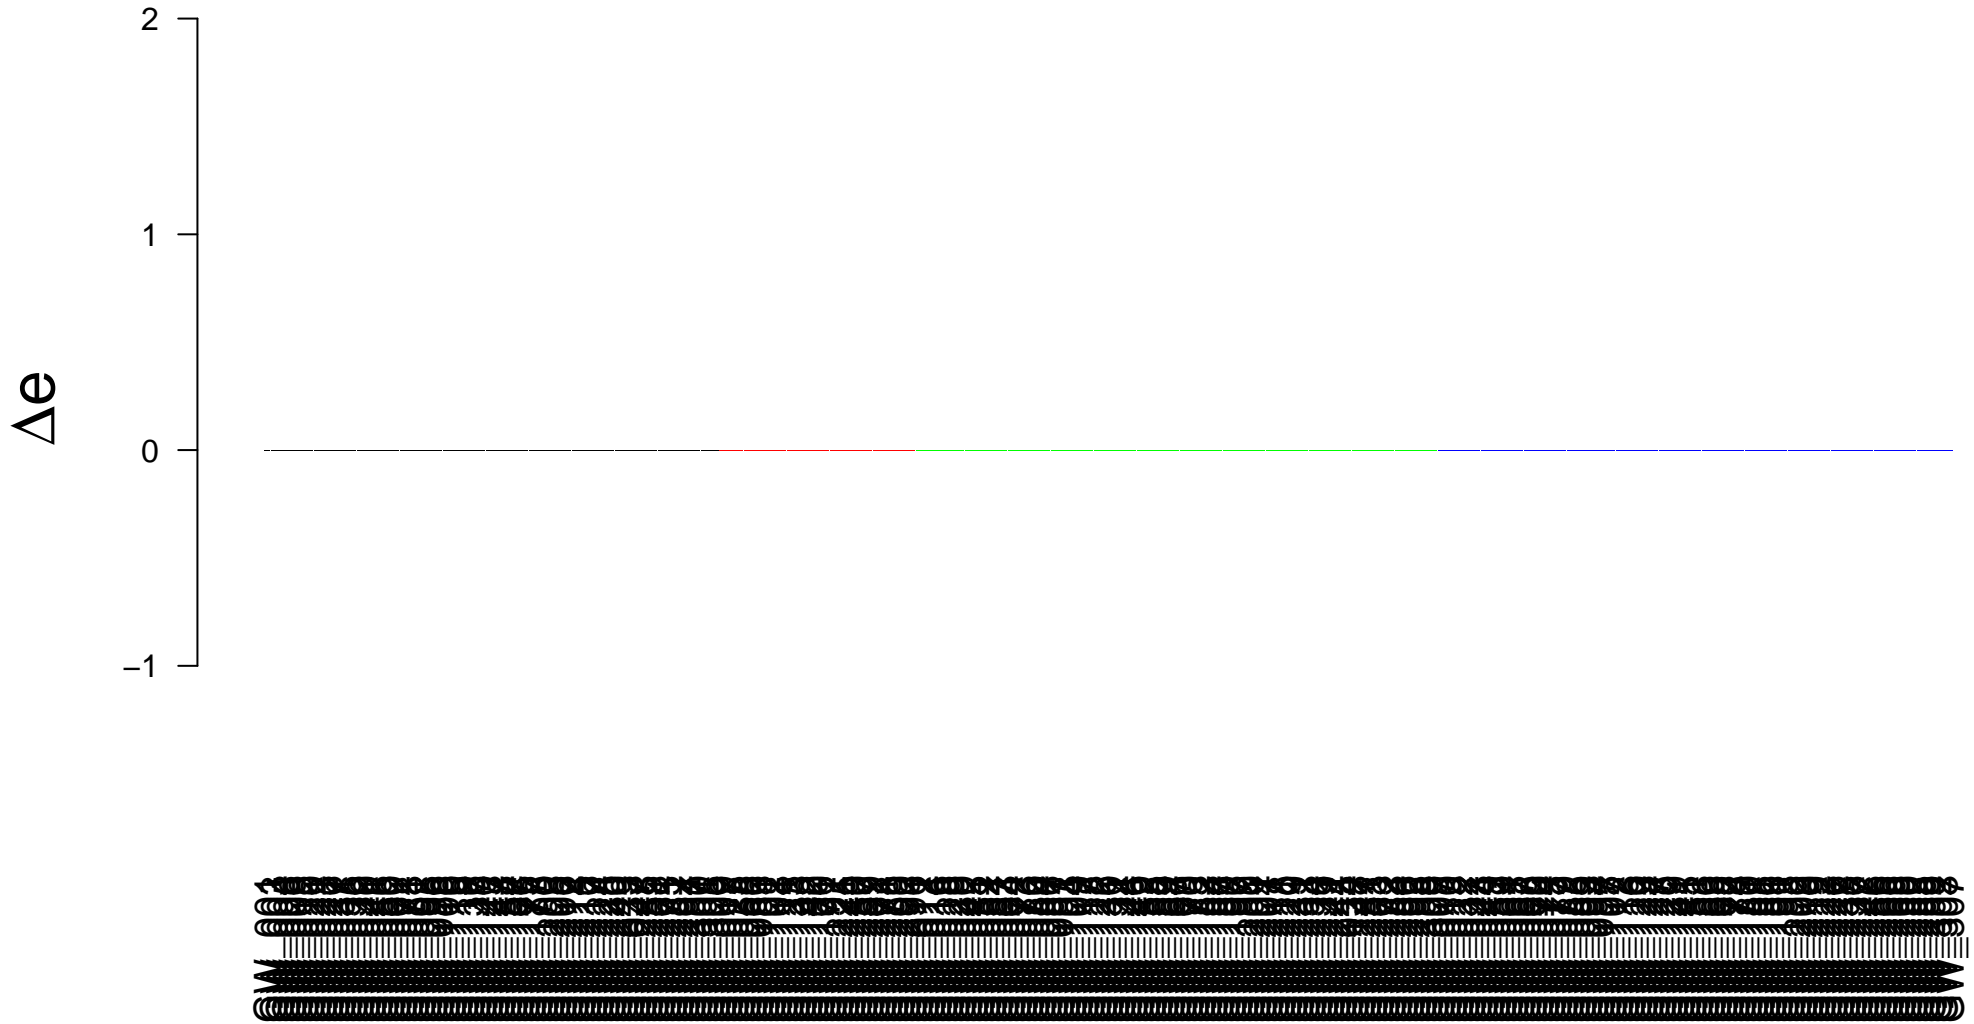

Expression of glial cell differentiation in Spot M

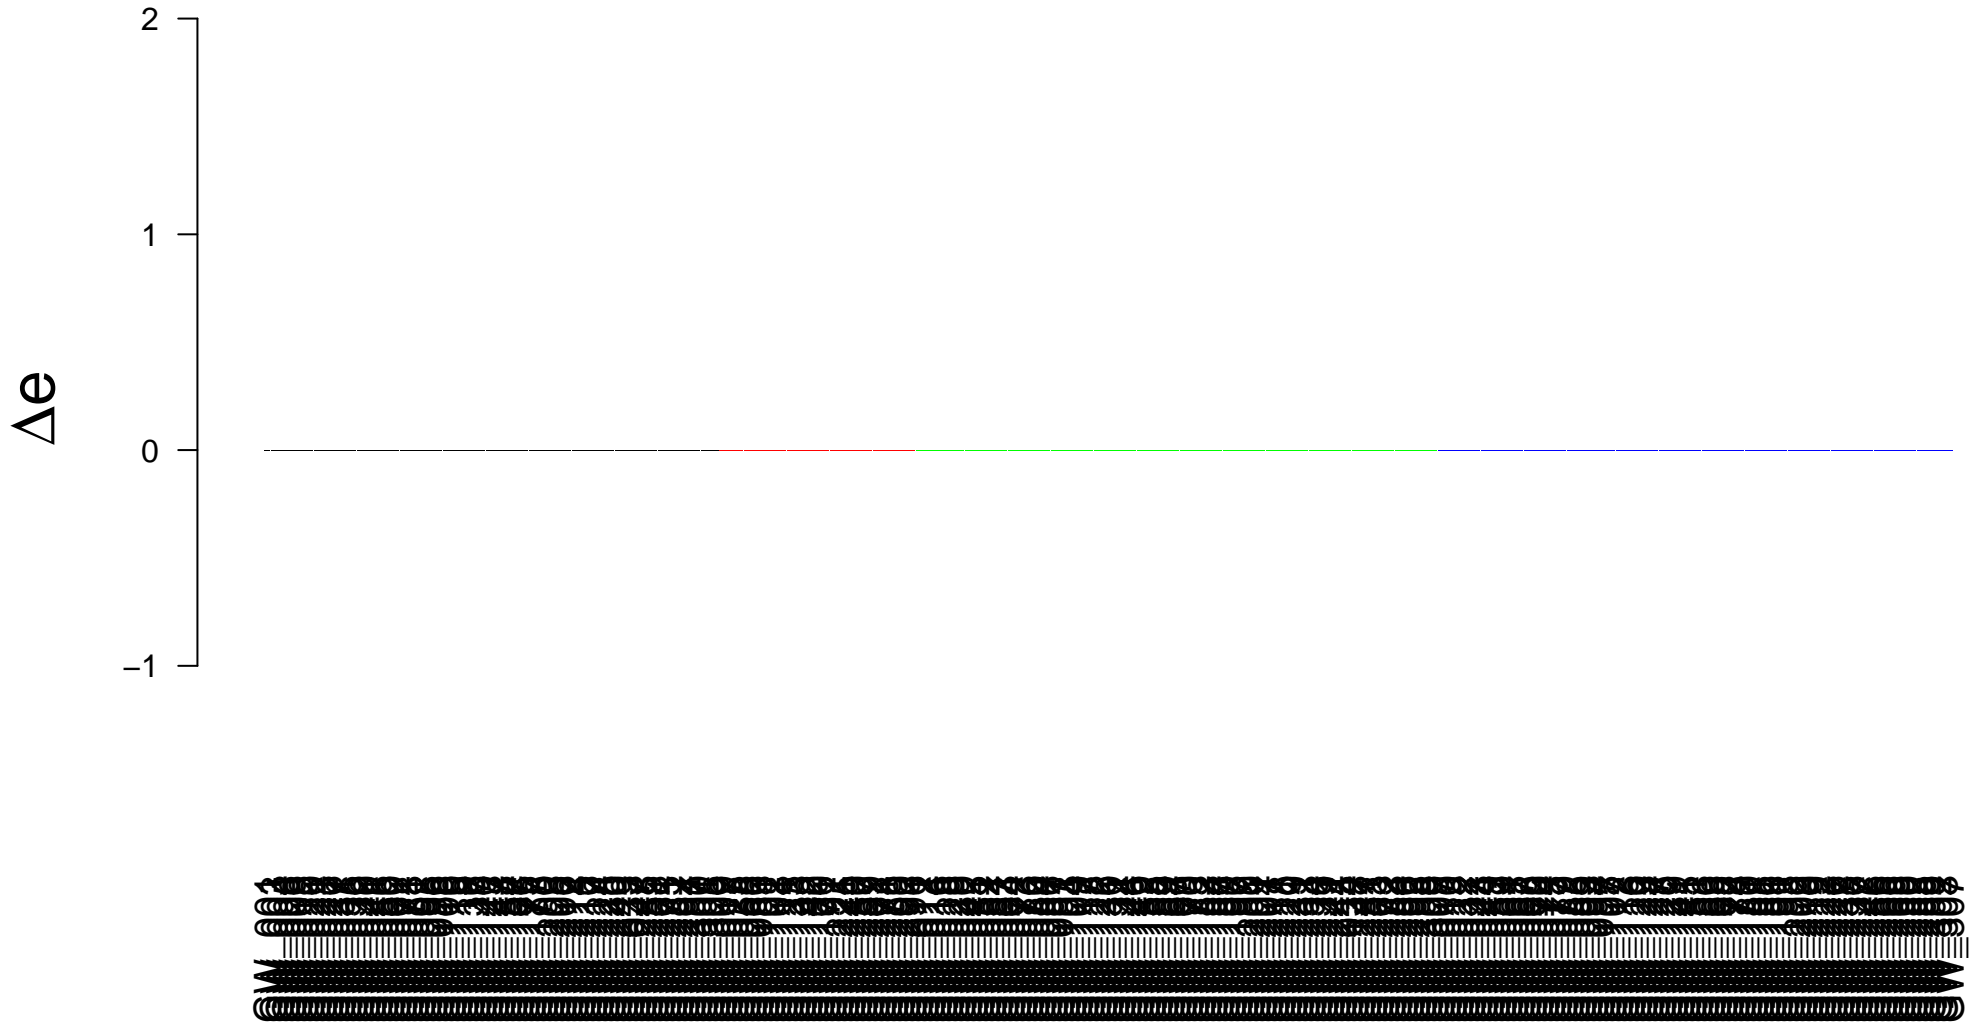

Expression of glial cell differentiation in Spot N

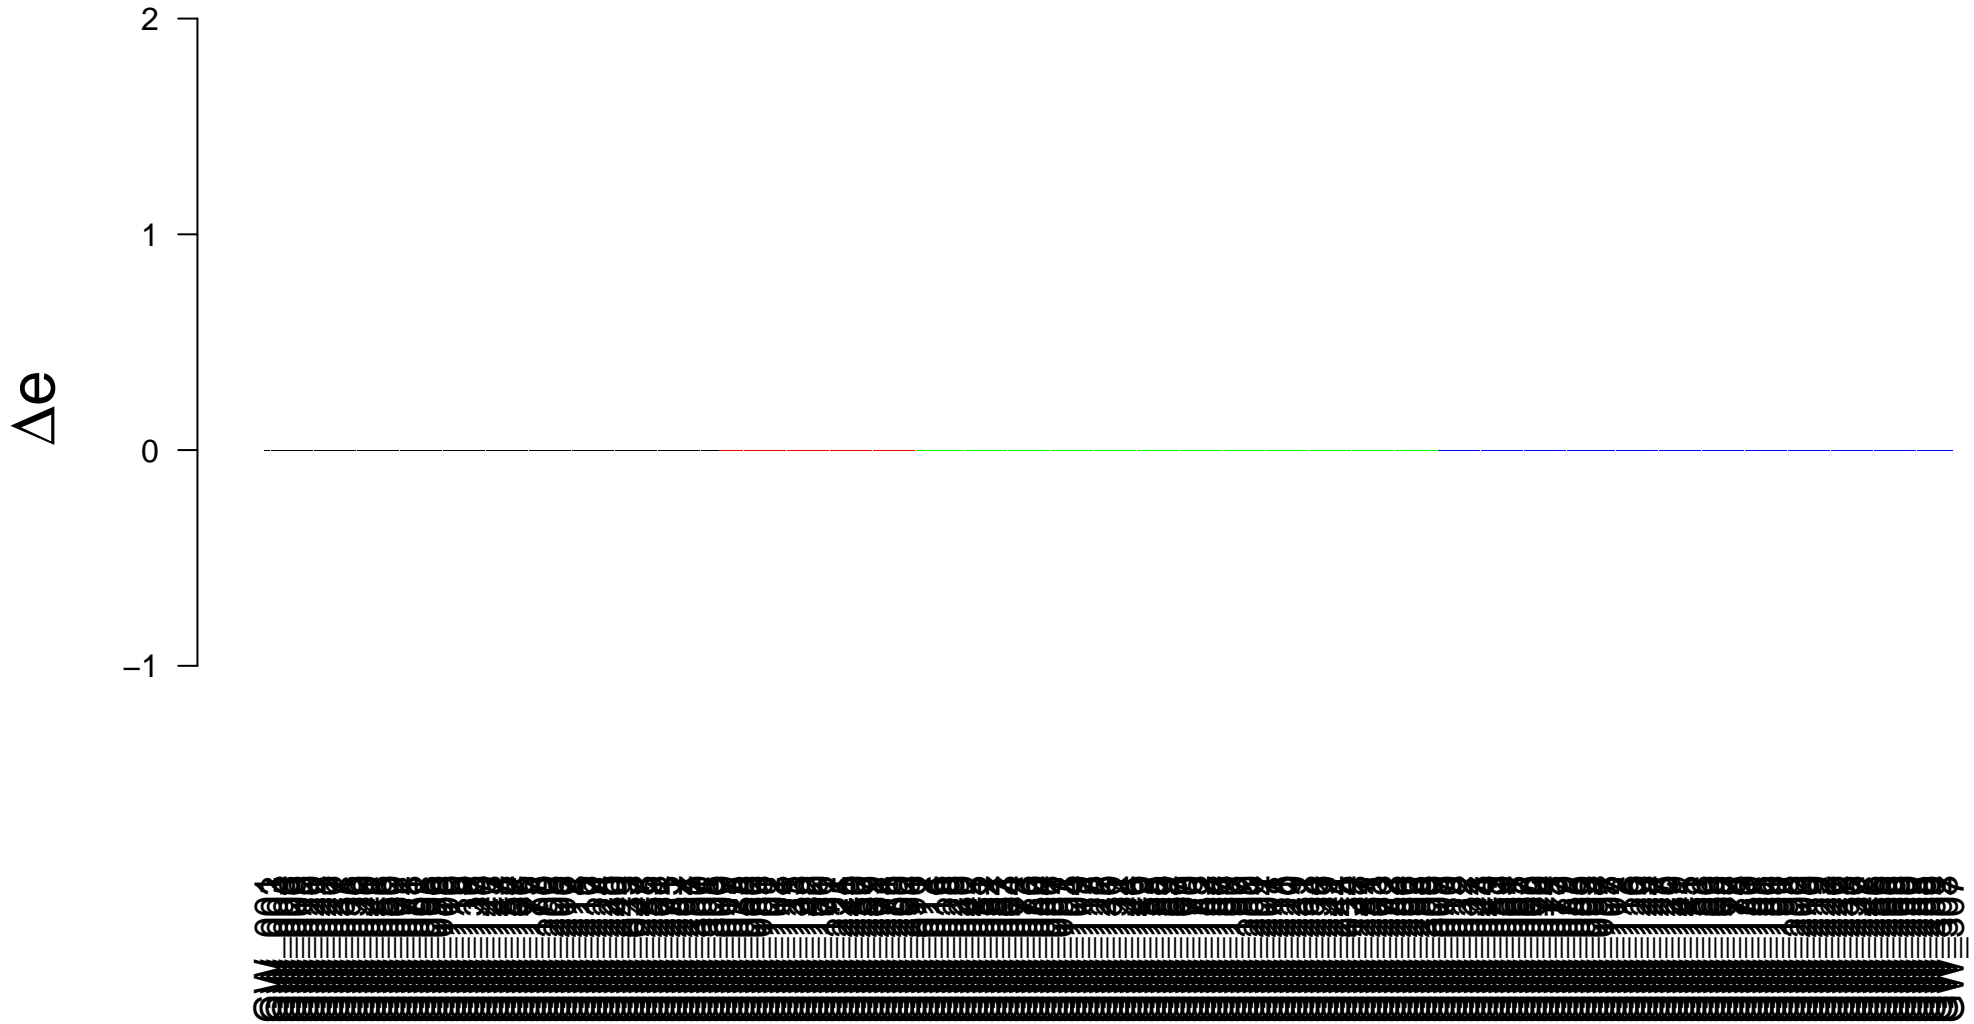

Expression of glial cell differentiation in Spot O

Expression of glial cell differentiation in Spot P

Expression of glial cell differentiation in Spot Q

Expression of glial cell differentiation in Spot R
