

glucose homeostasis

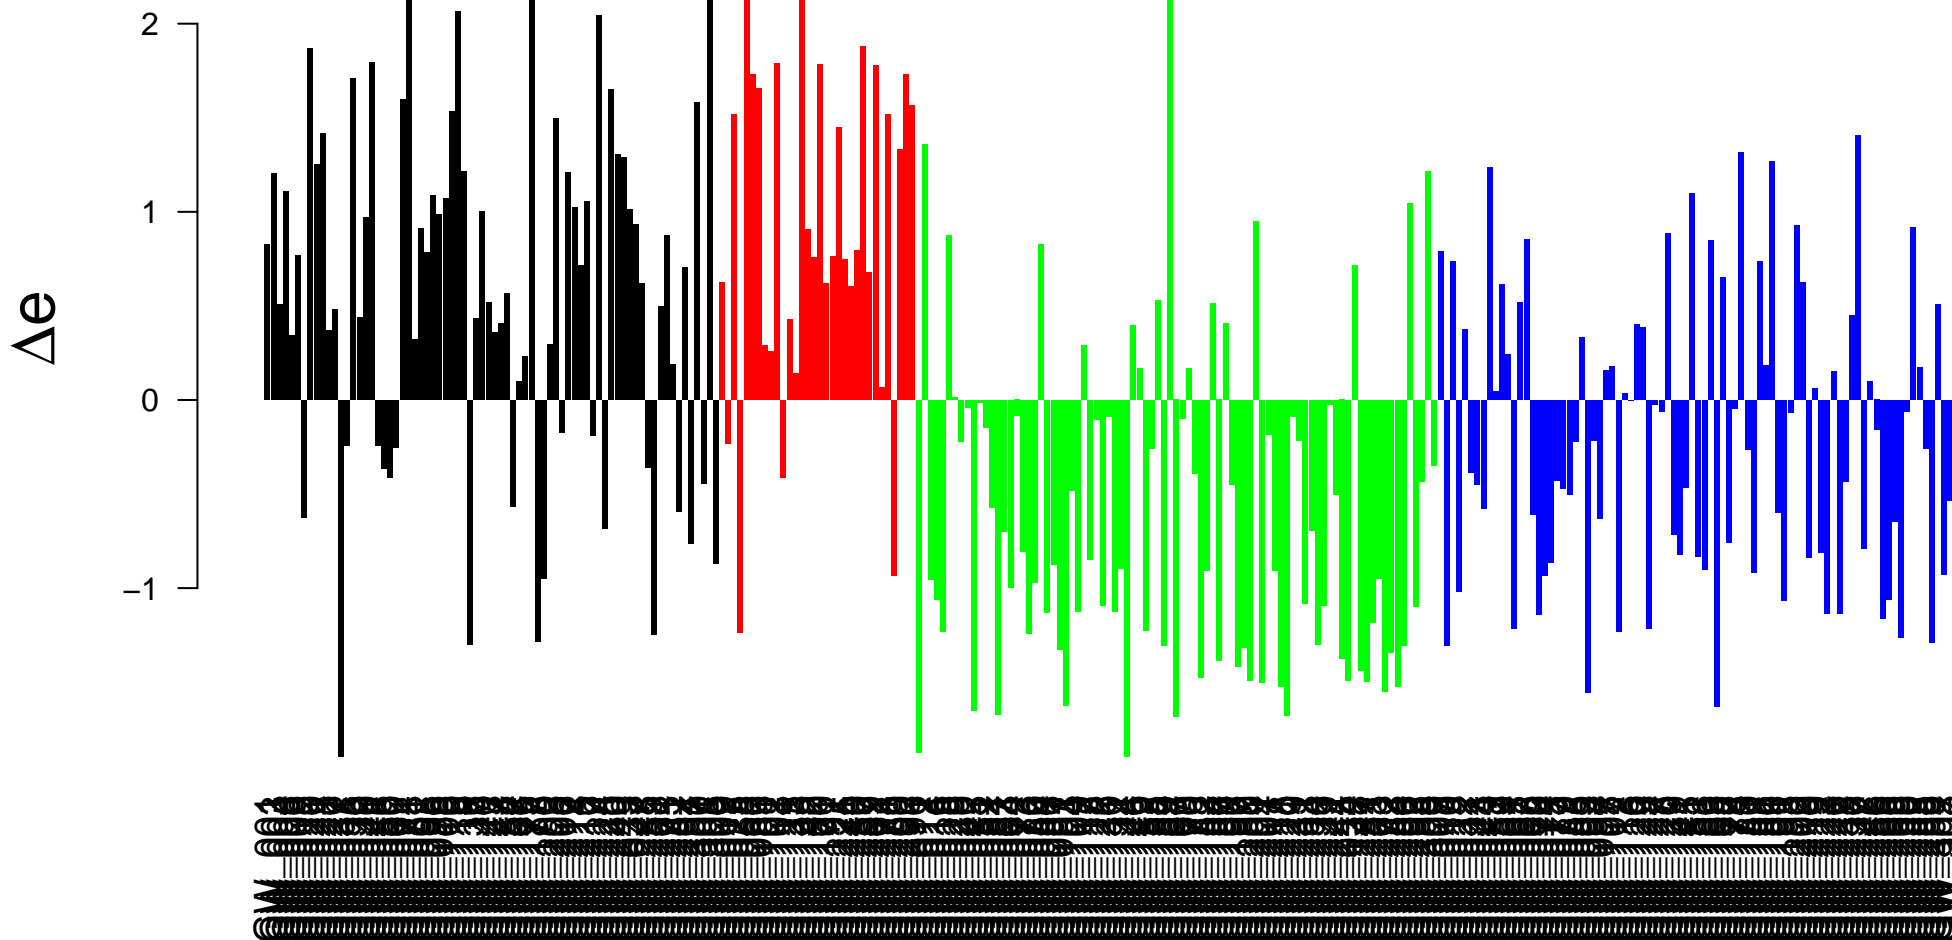

glucose homeostasis

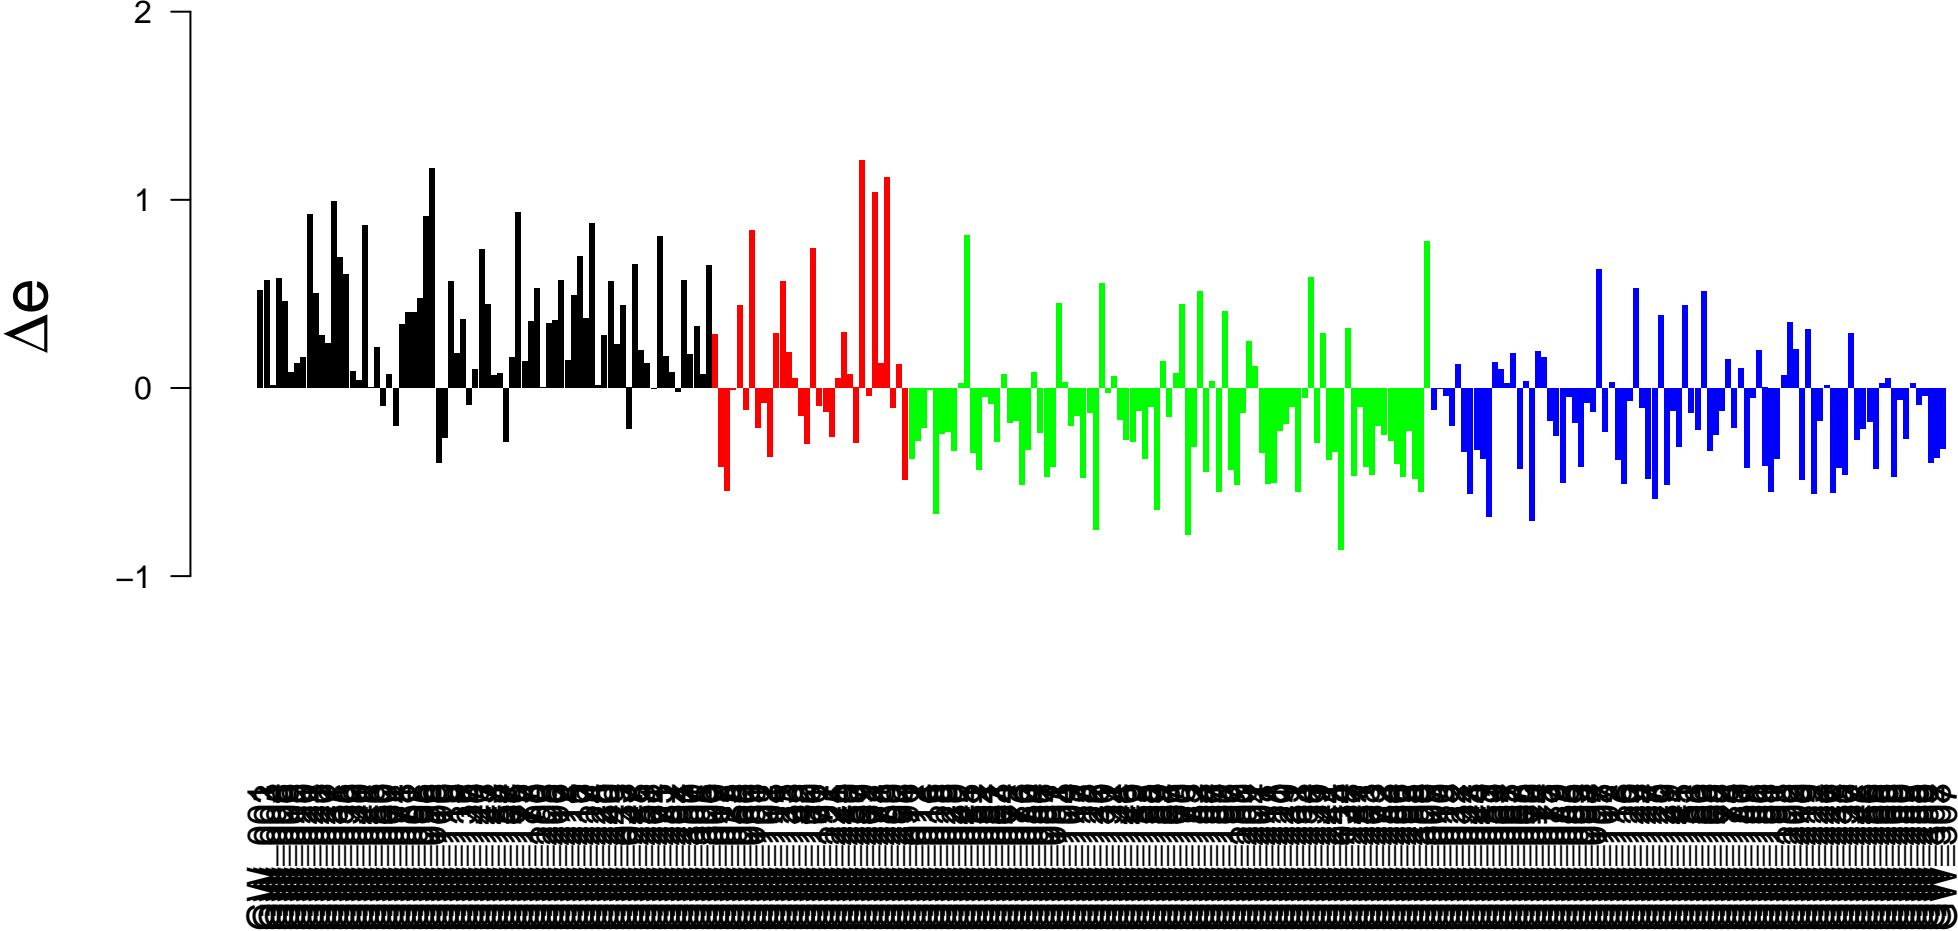

Enrichment in spots: glucose homeostasis

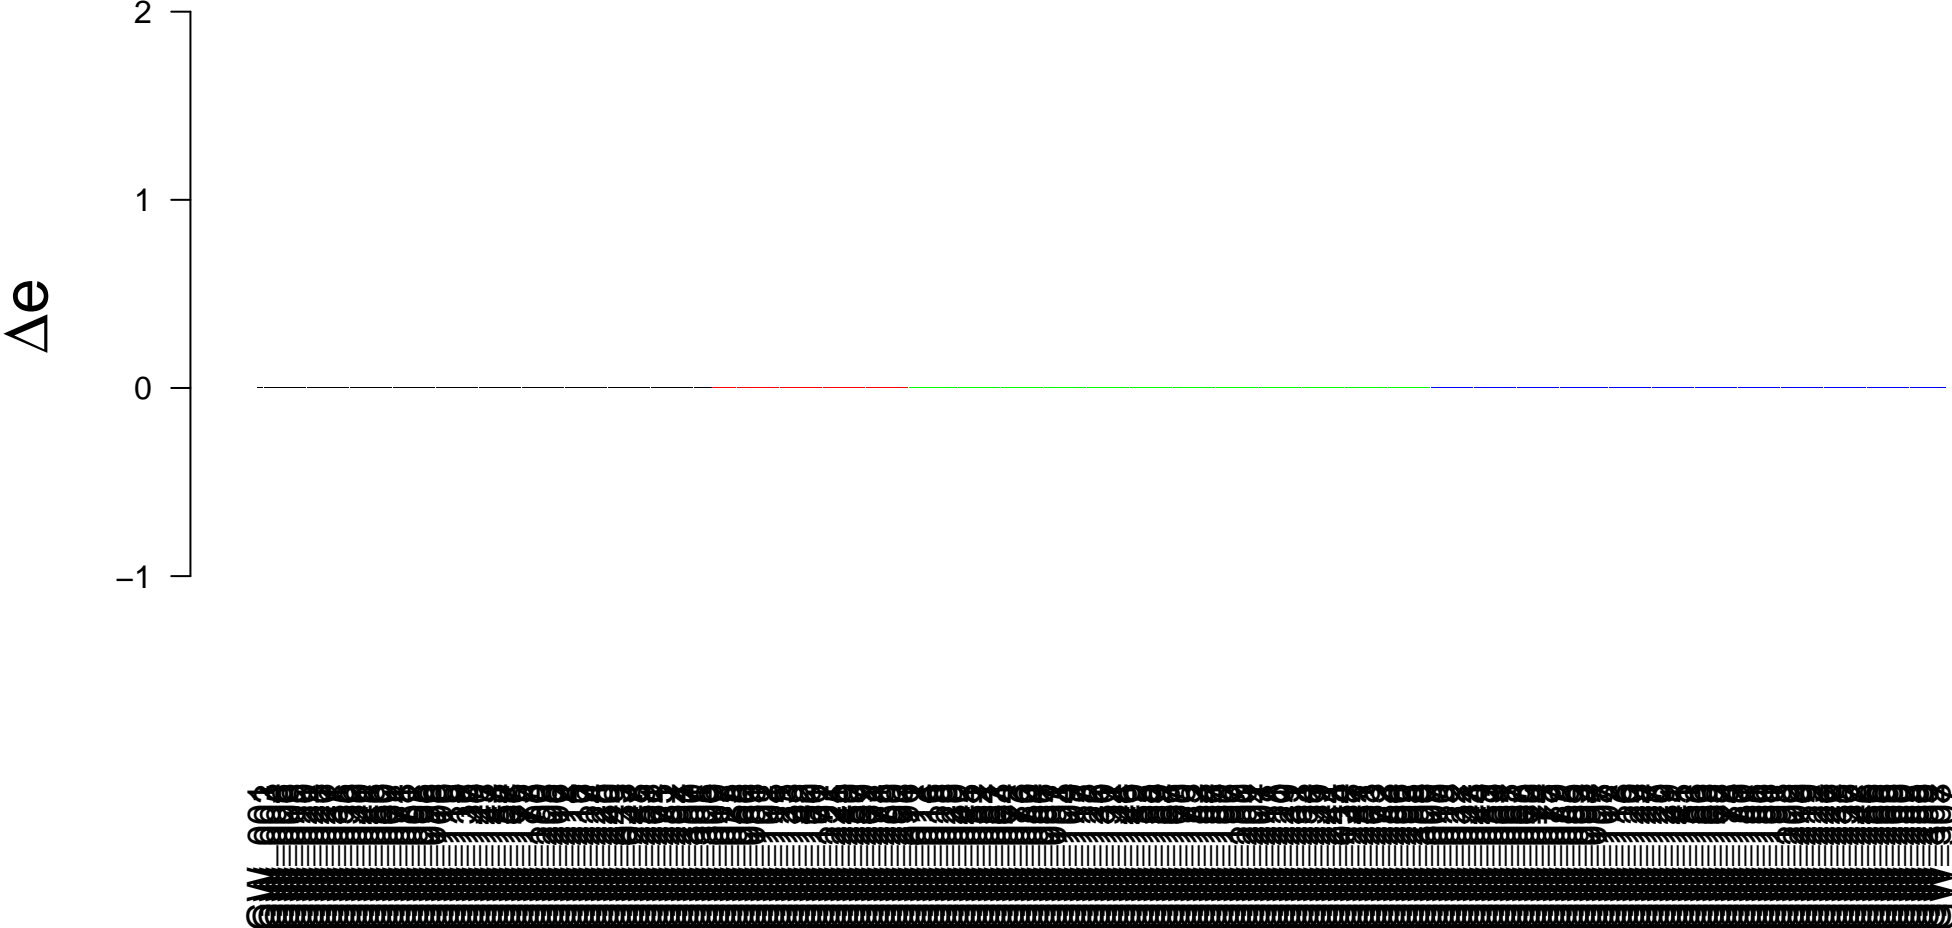

Expression of glucose homeostasis in Spot A

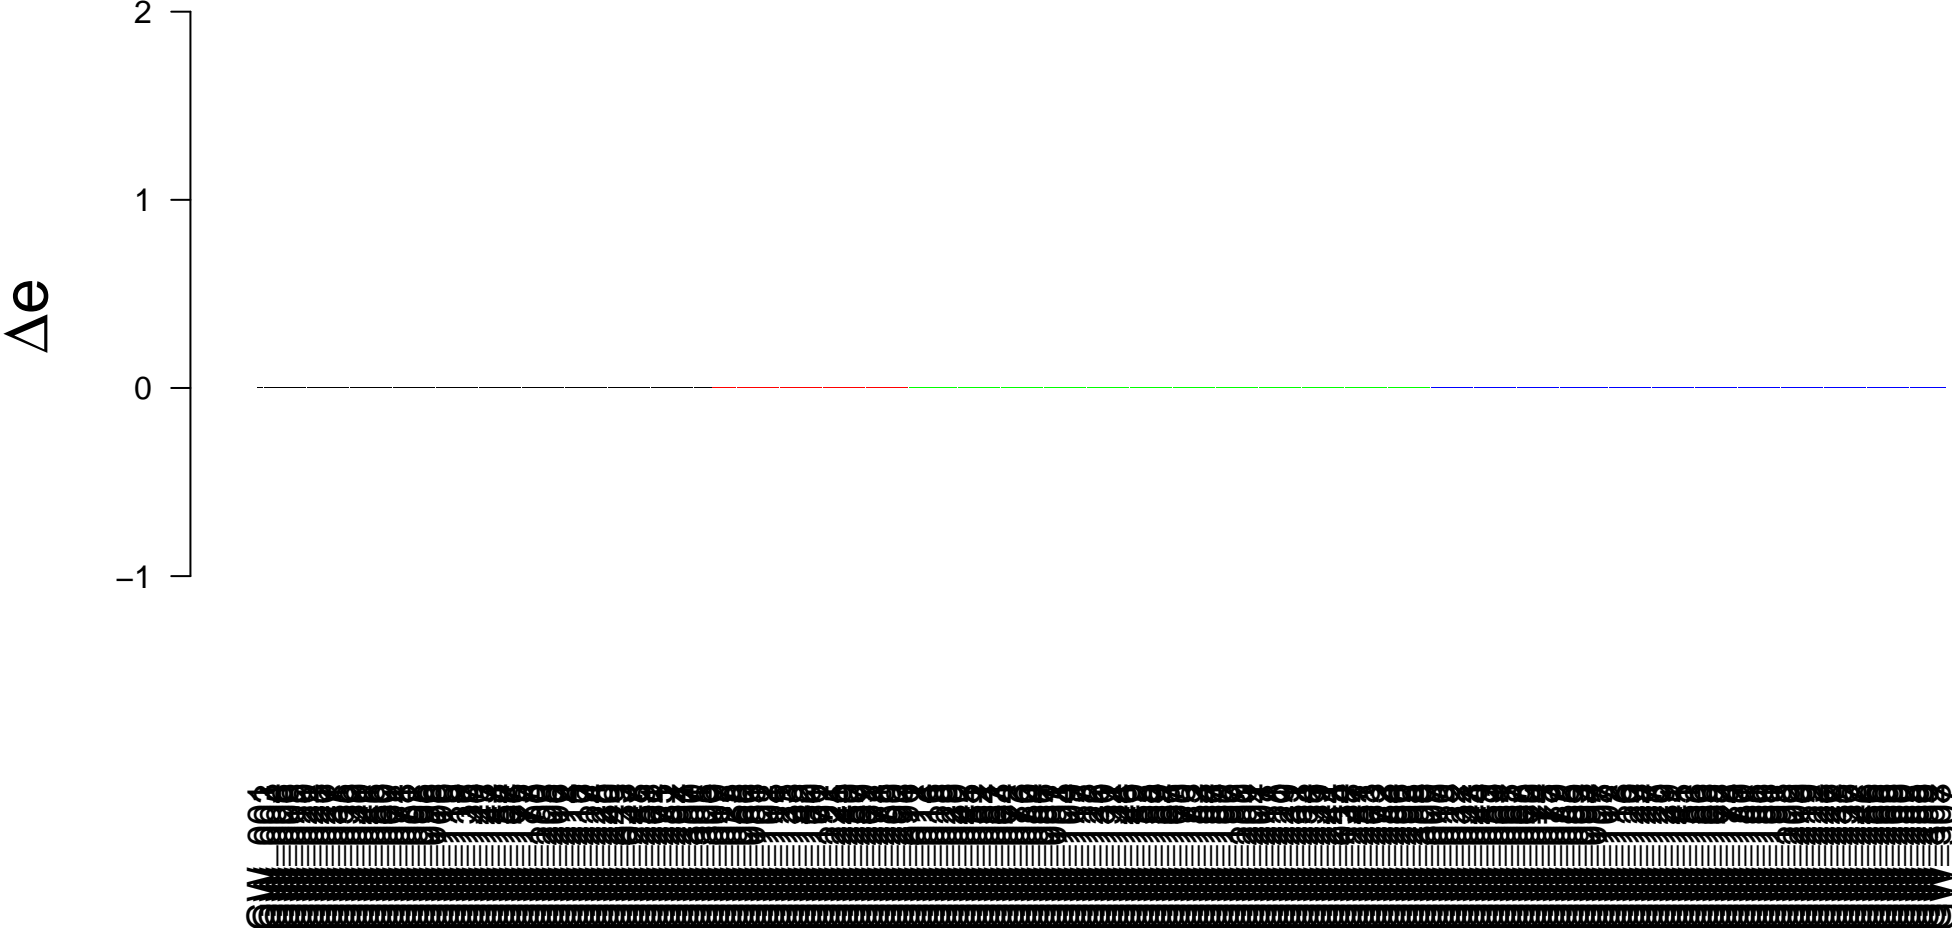

Expression of glucose homeostasis in Spot B

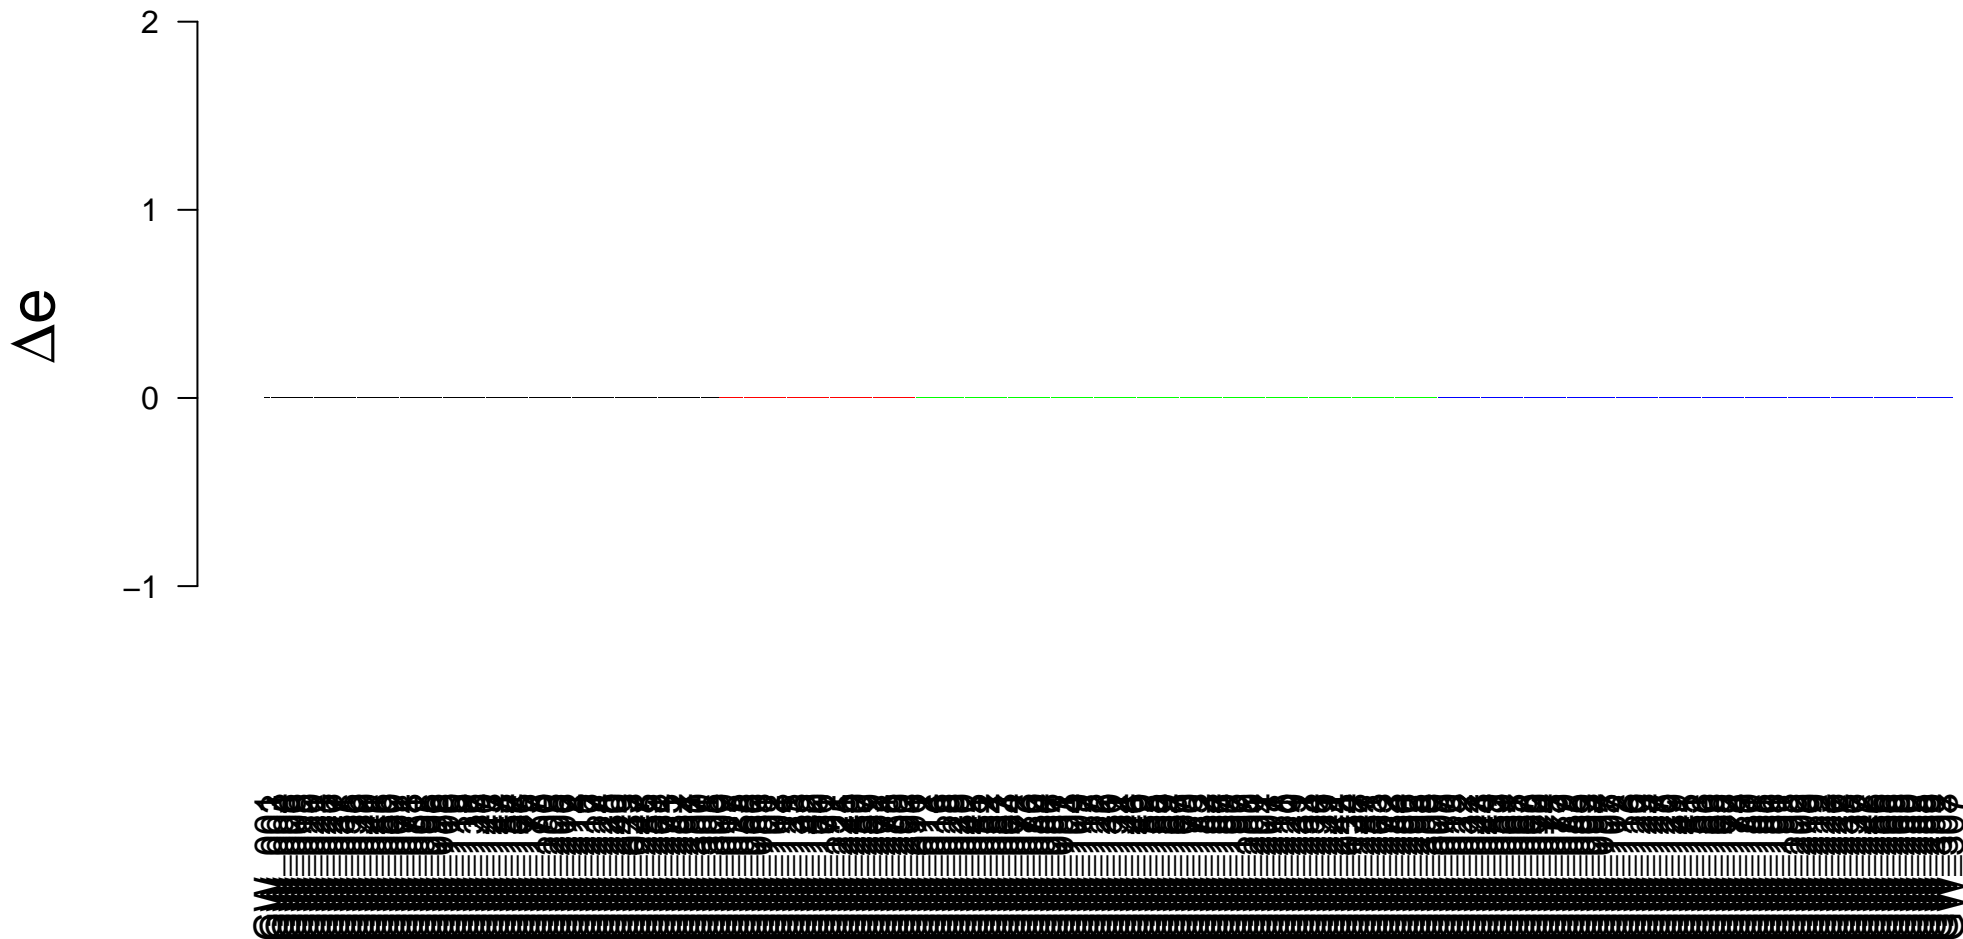

Expression of glucose homeostasis in Spot C

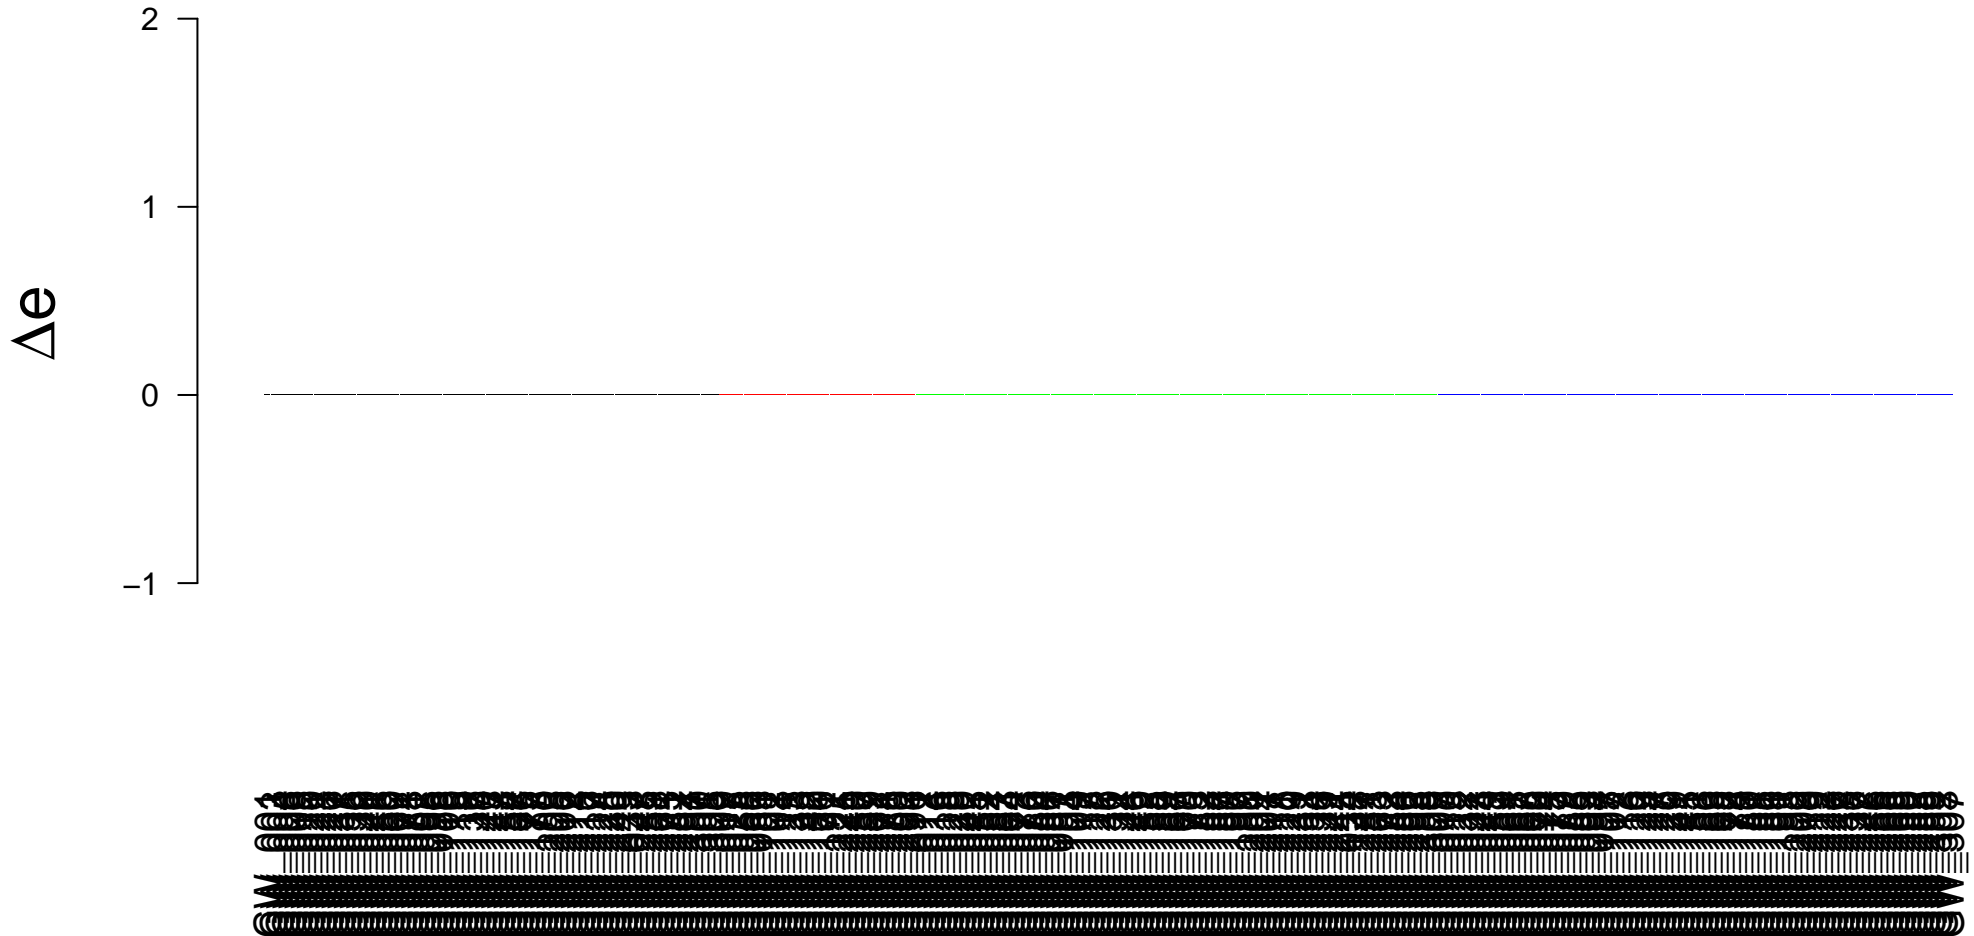

Expression of glucose homeostasis in Spot D

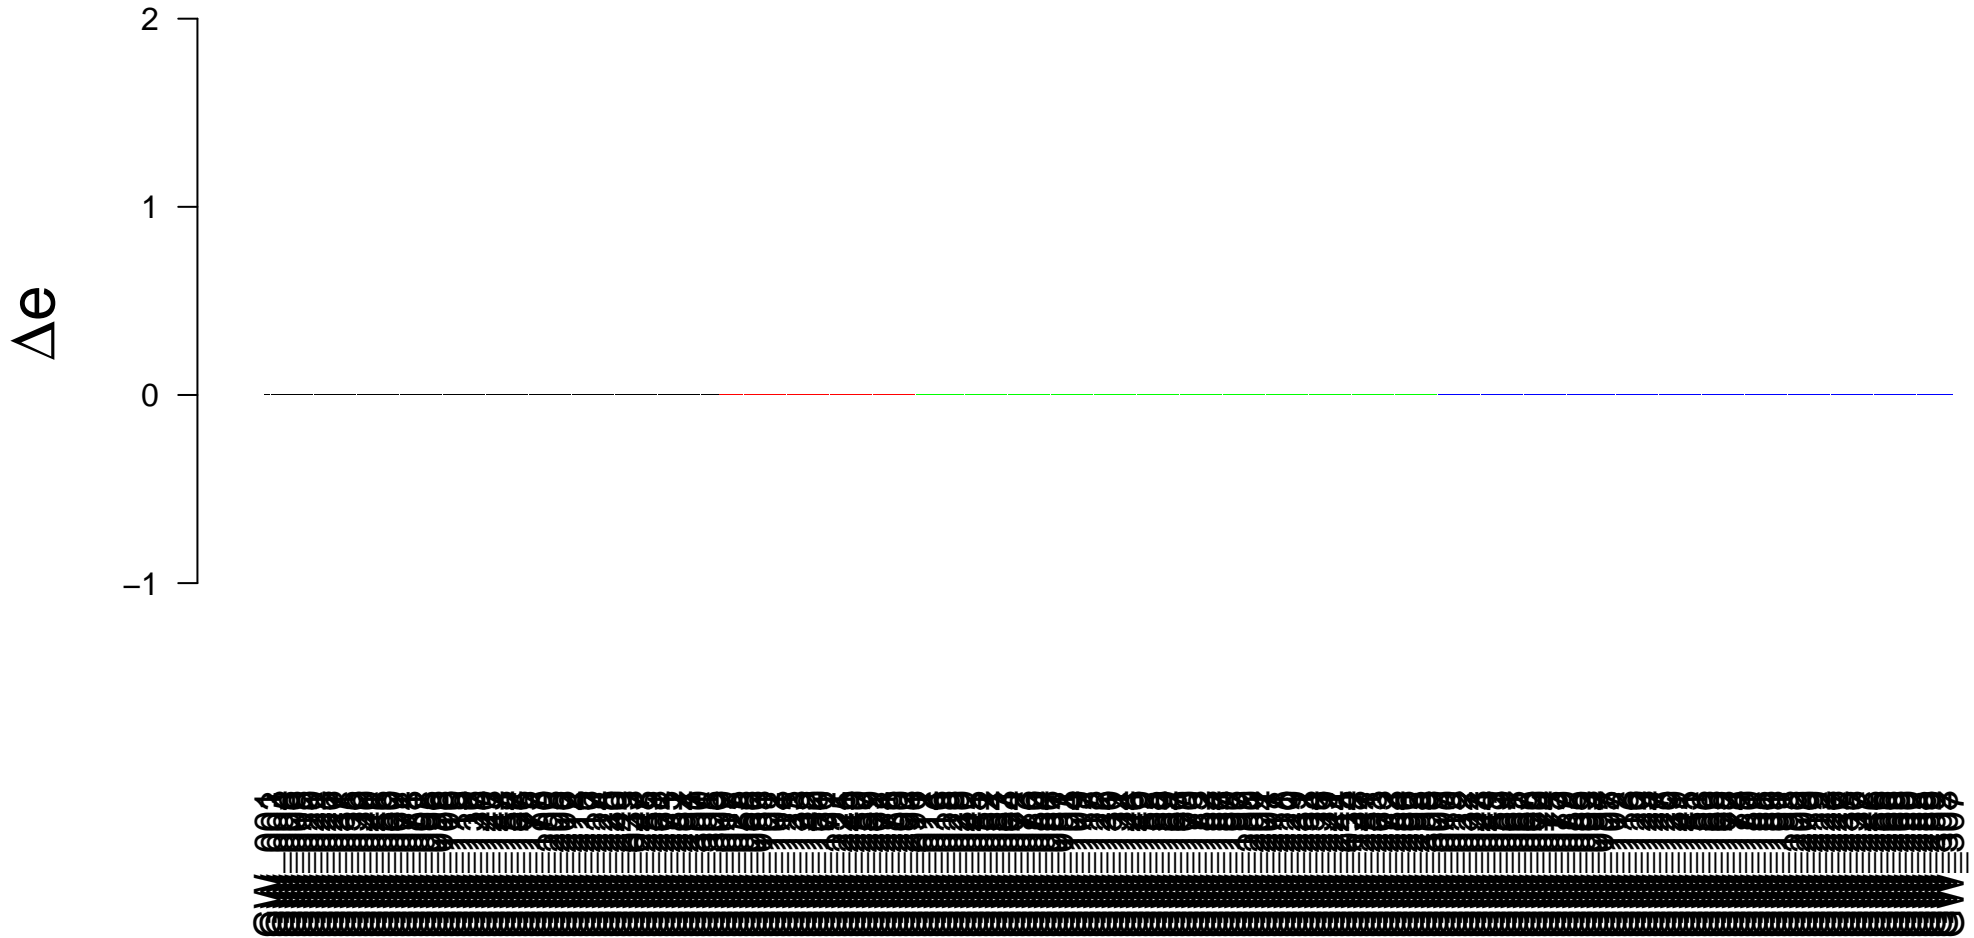

Expression of glucose homeostasis in Spot E

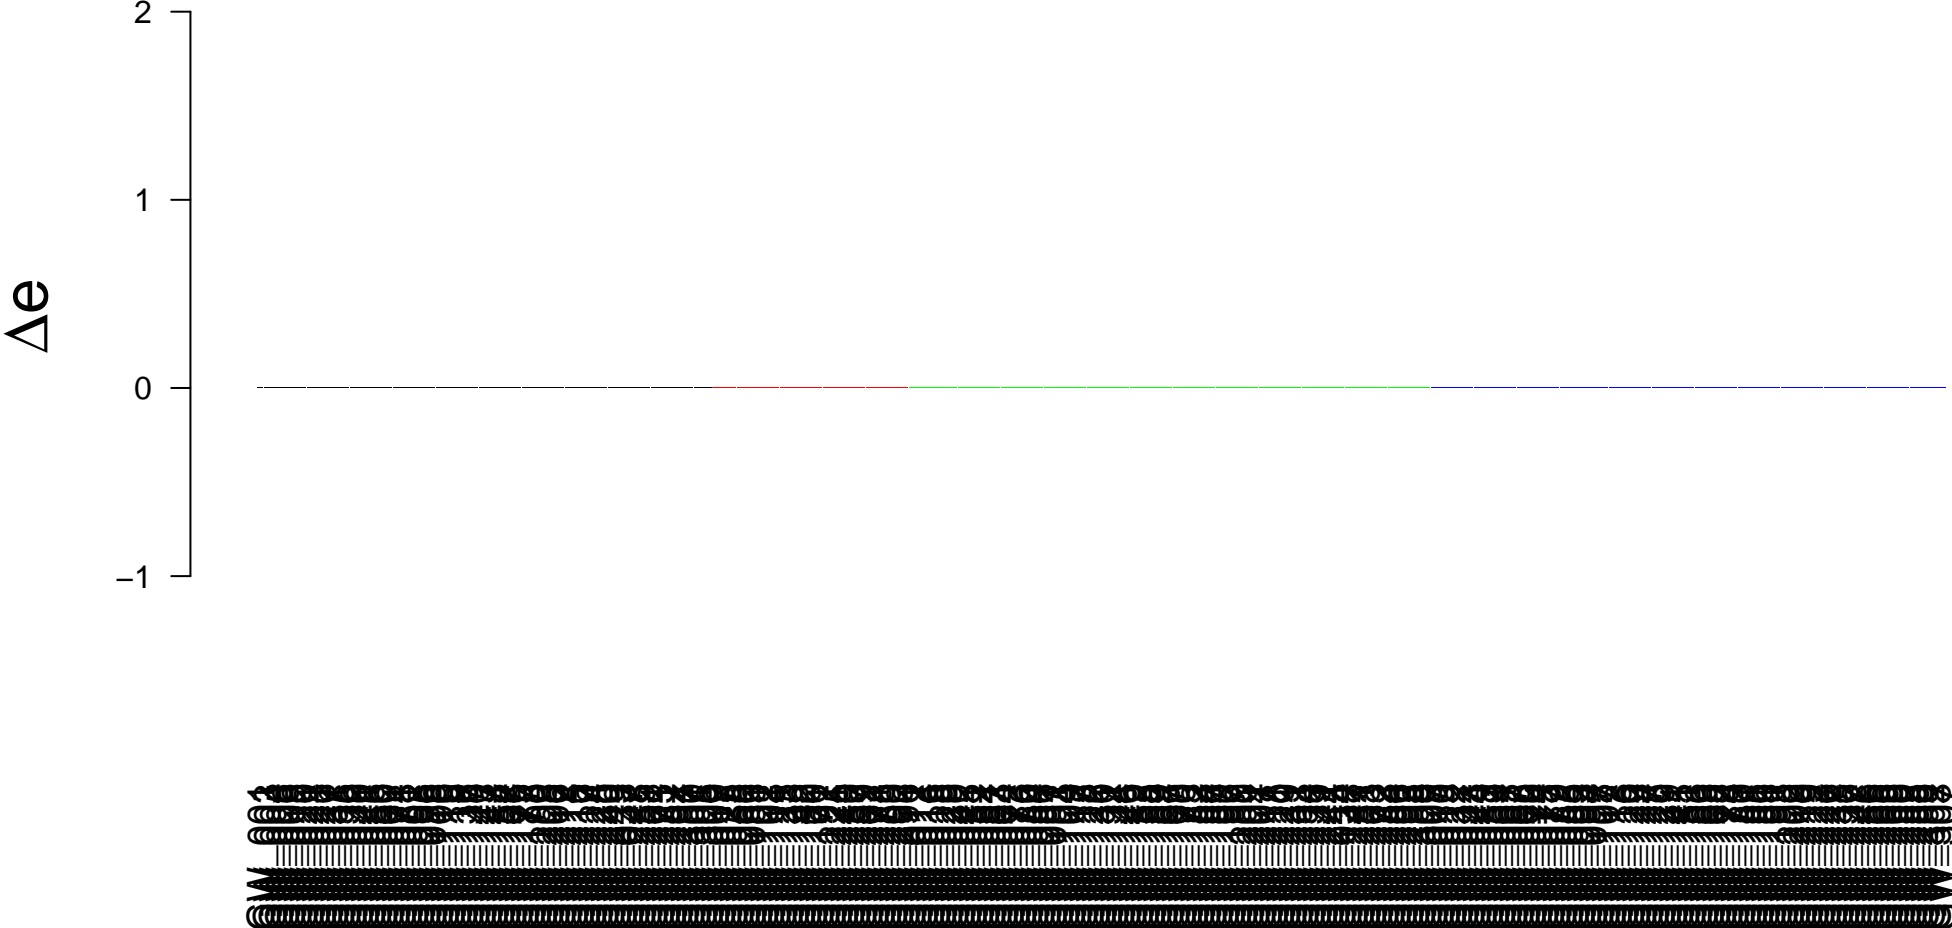

Expression of glucose homeostasis in Spot F

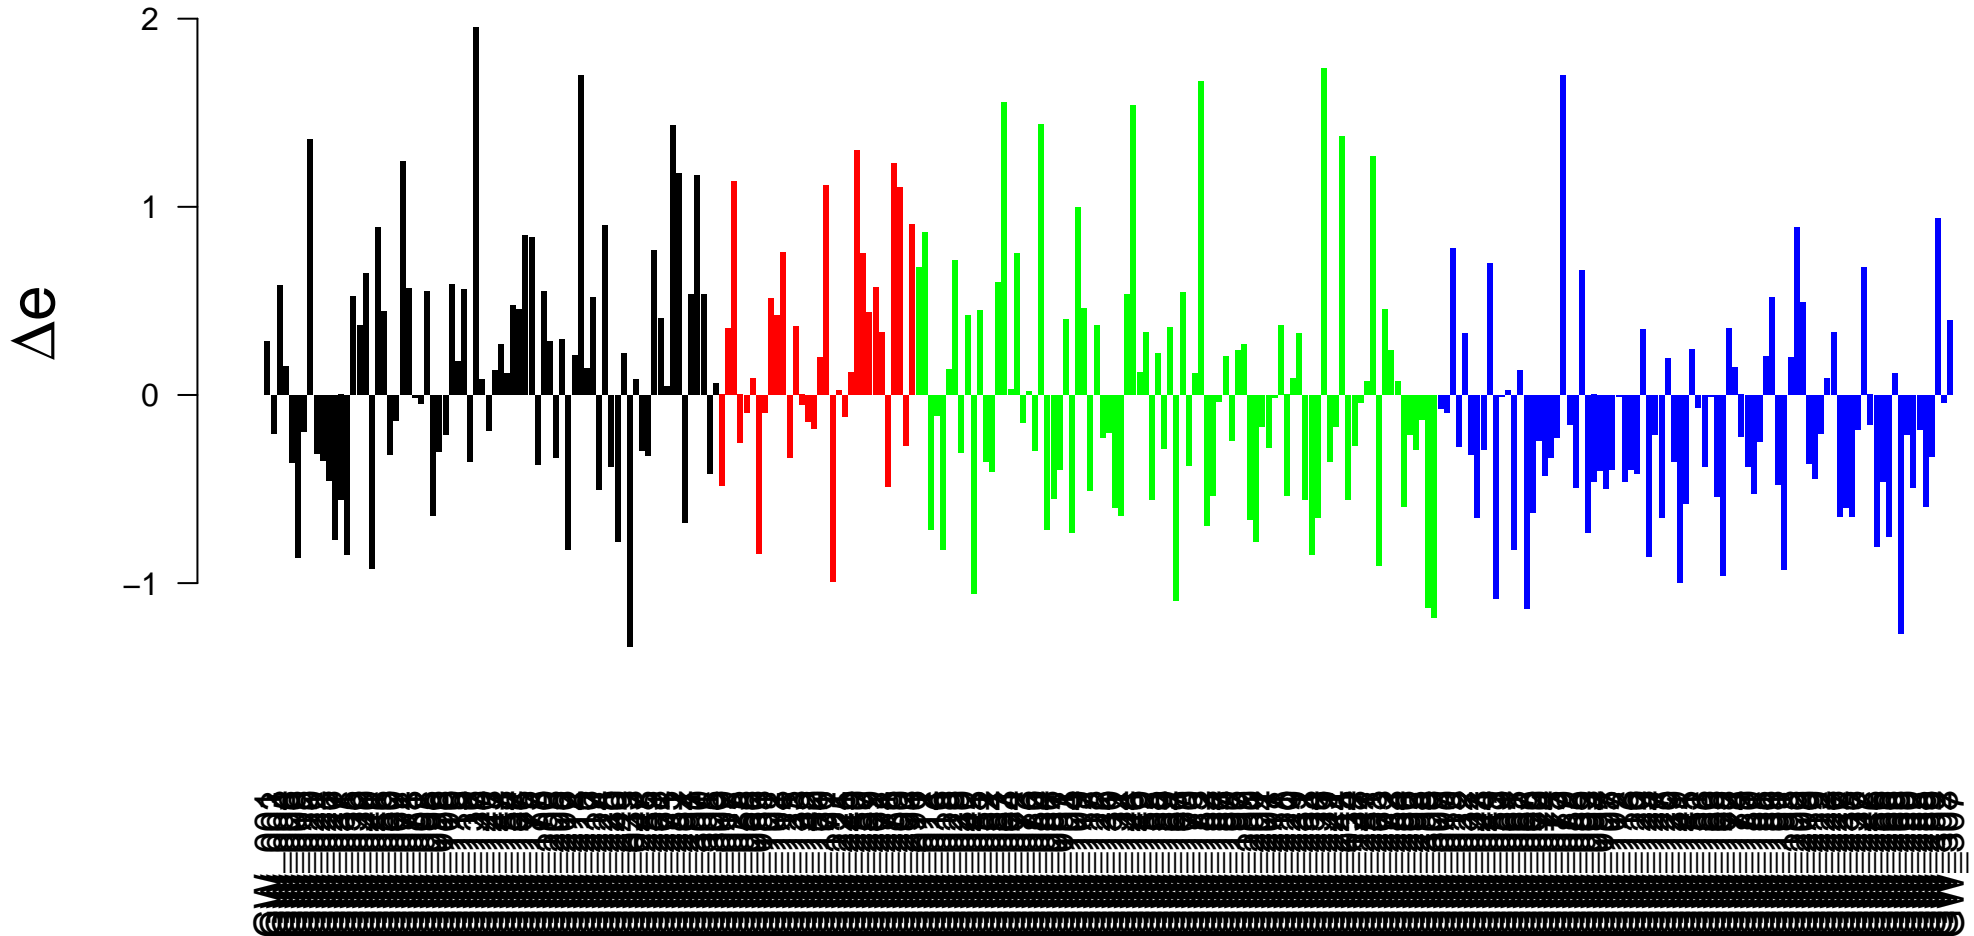

Expression of glucose homeostasis in Spot G

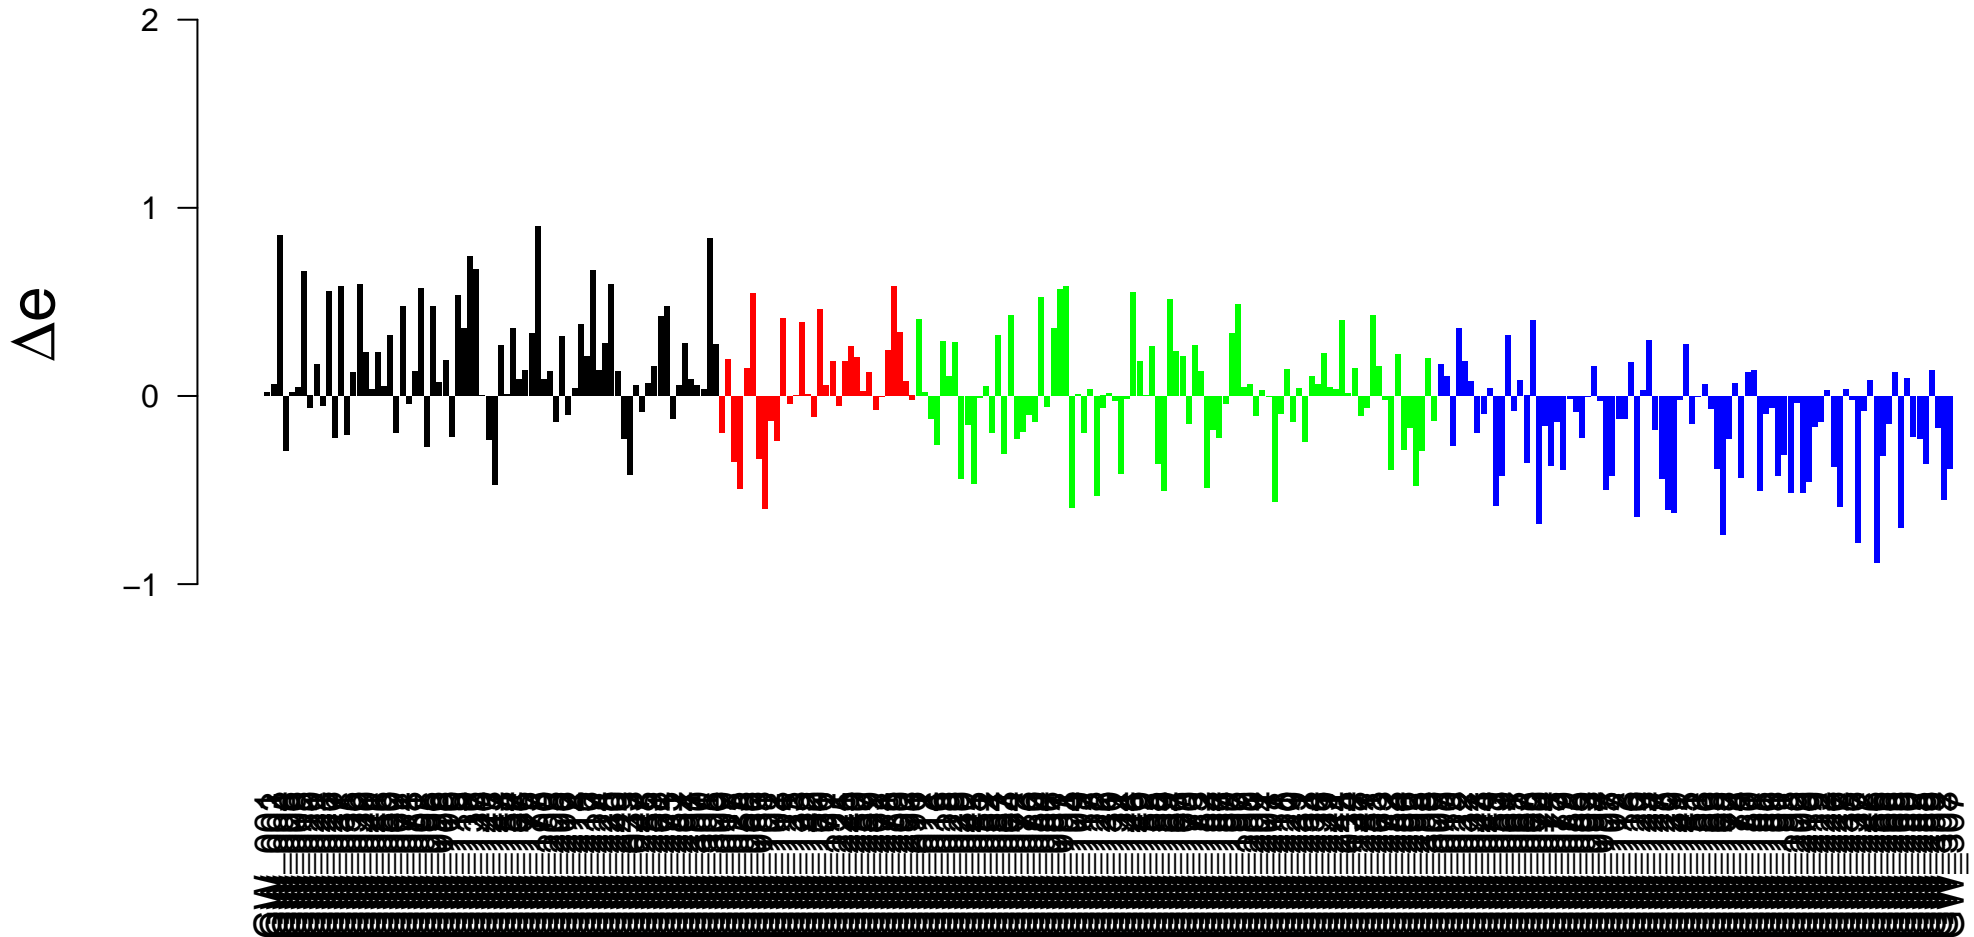

Expression of glucose homeostasis in Spot H

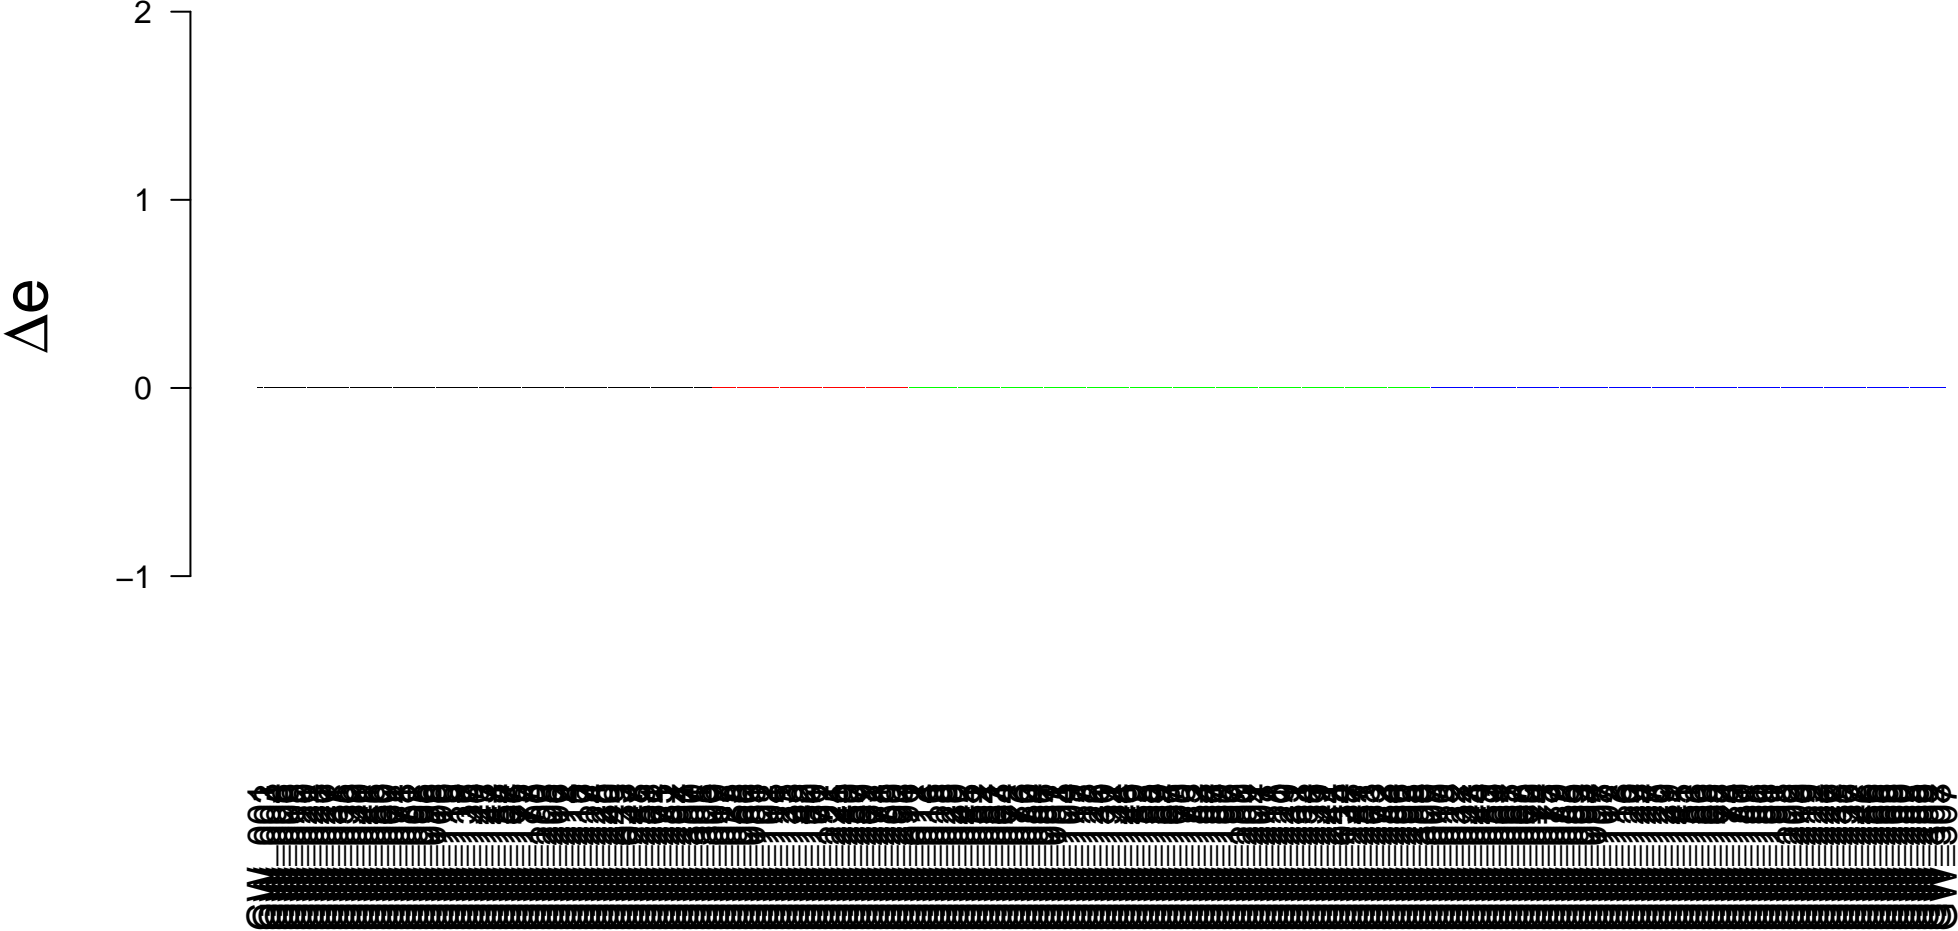

Expression of glucose homeostasis in Spot I

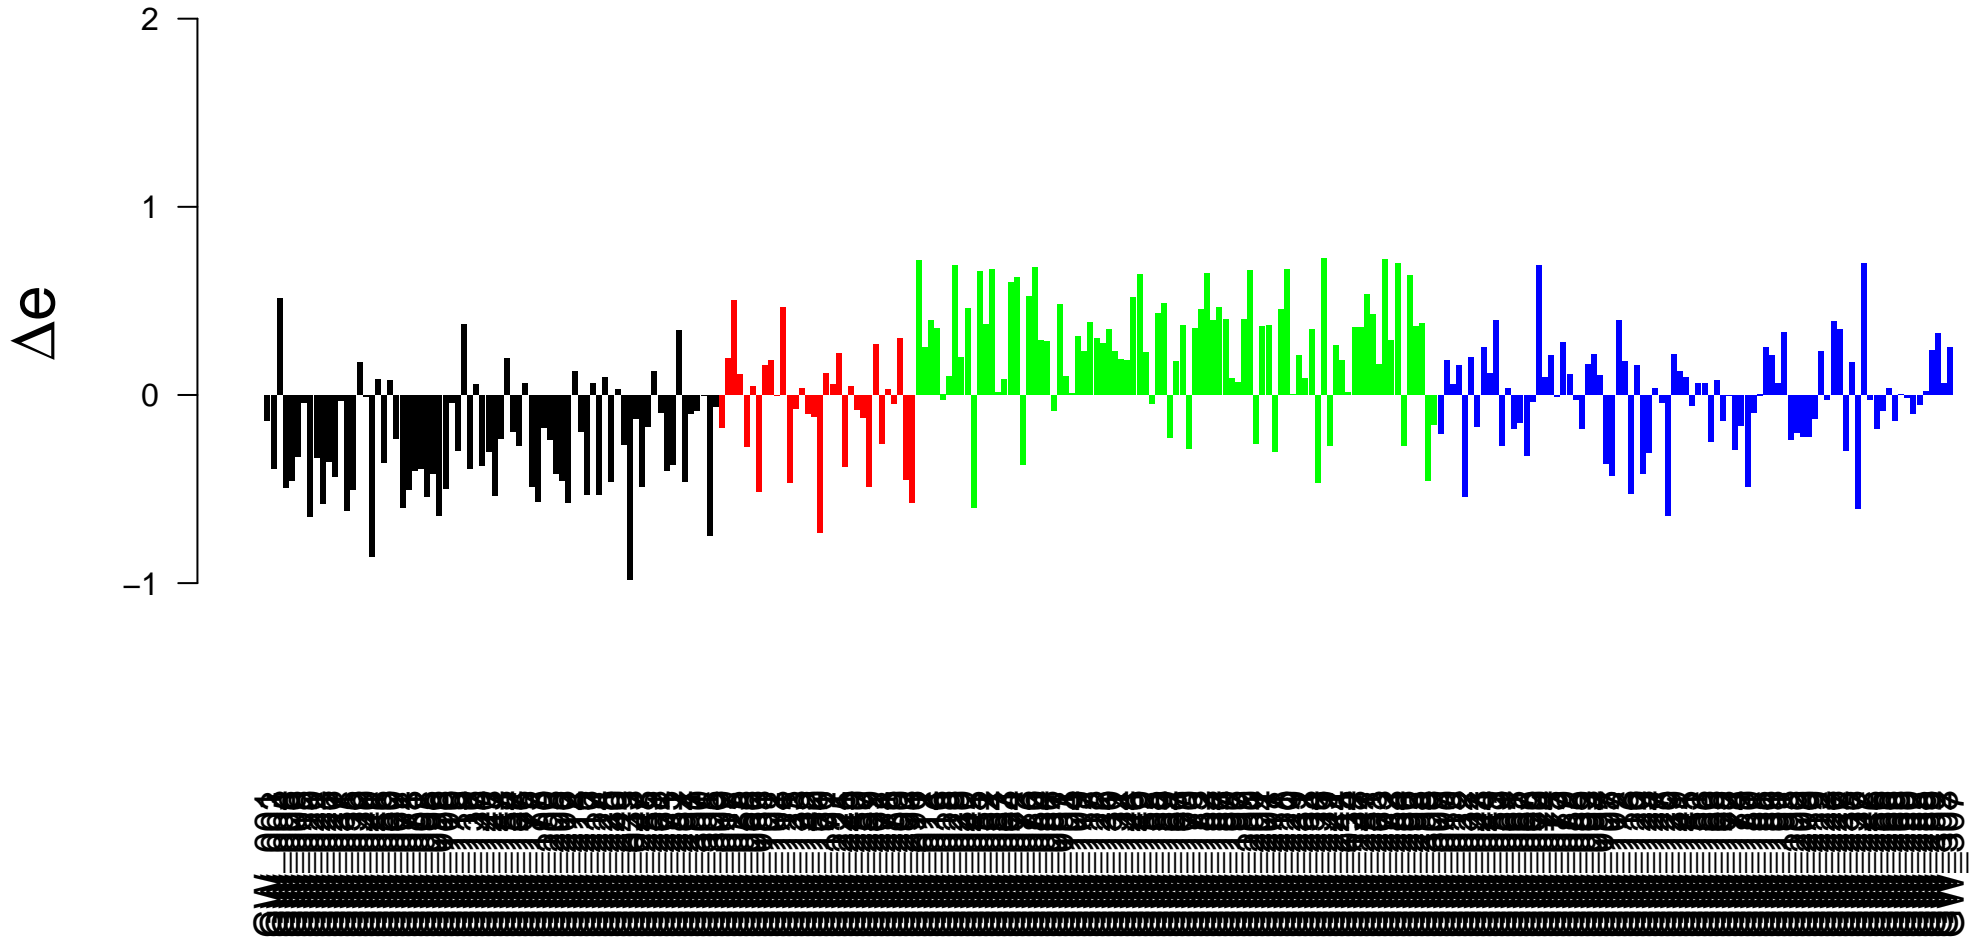

Expression of glucose homeostasis in Spot J

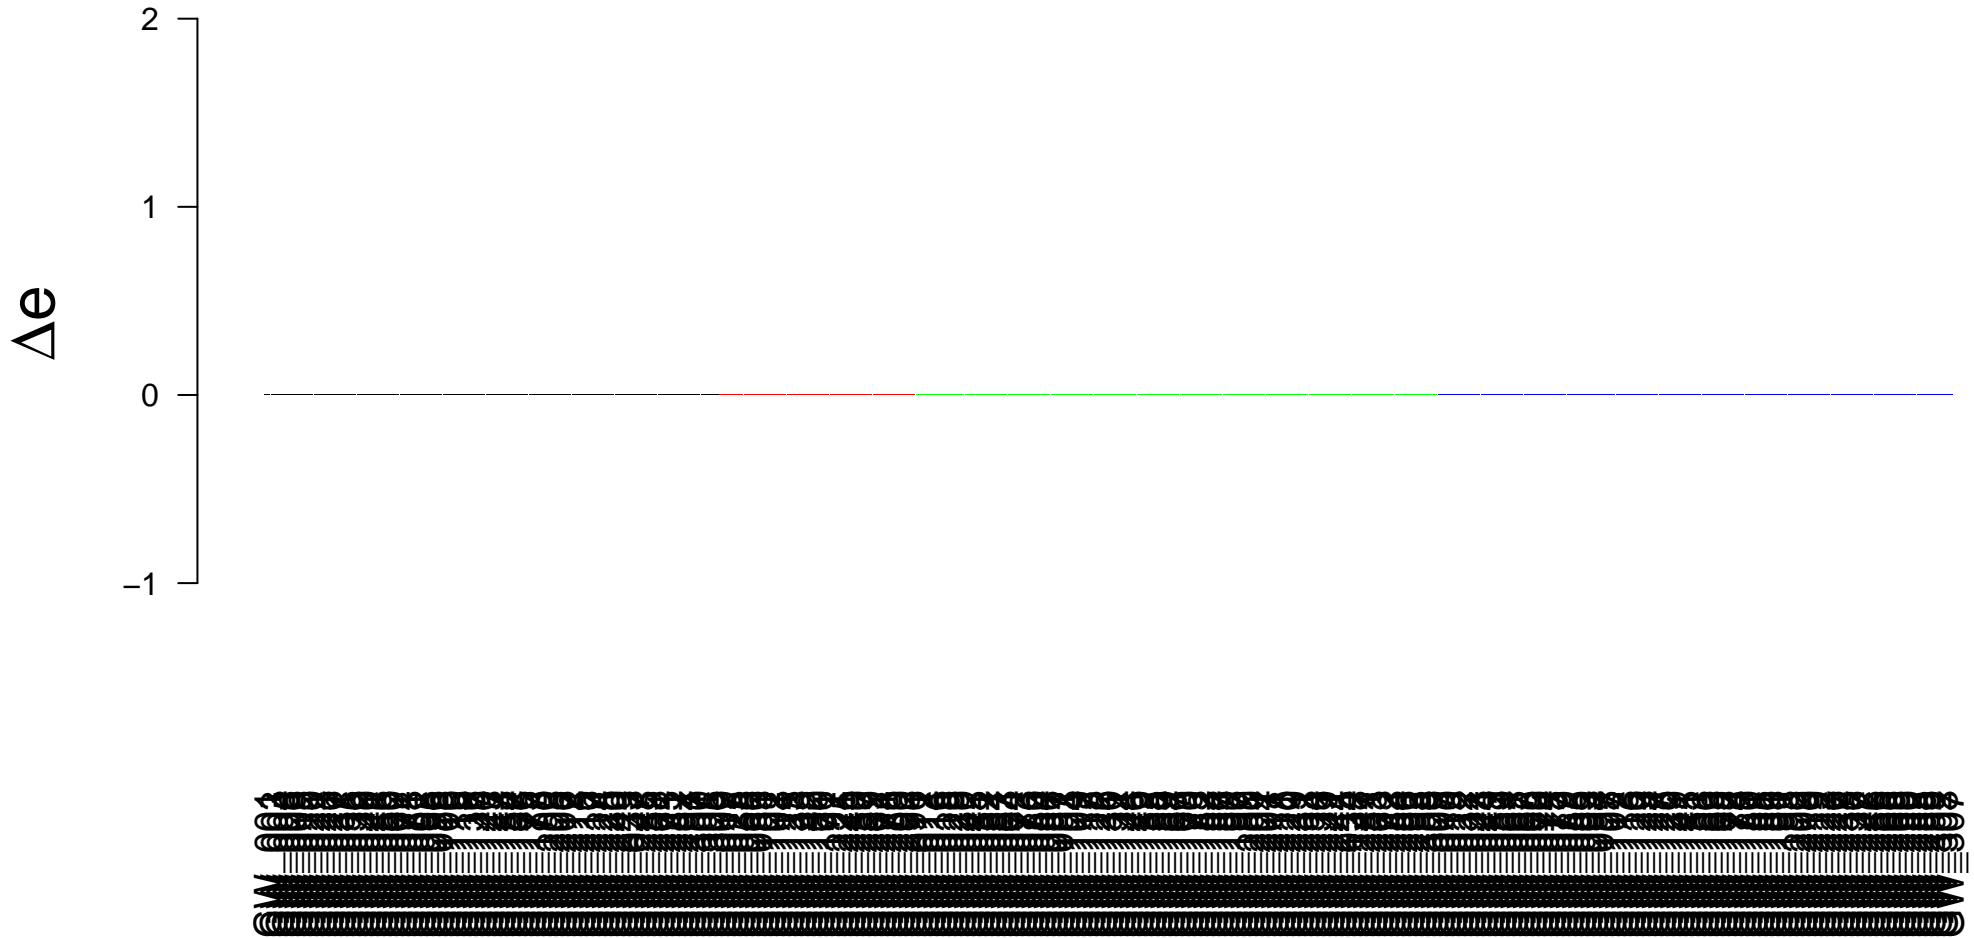

Expression of glucose homeostasis in Spot K

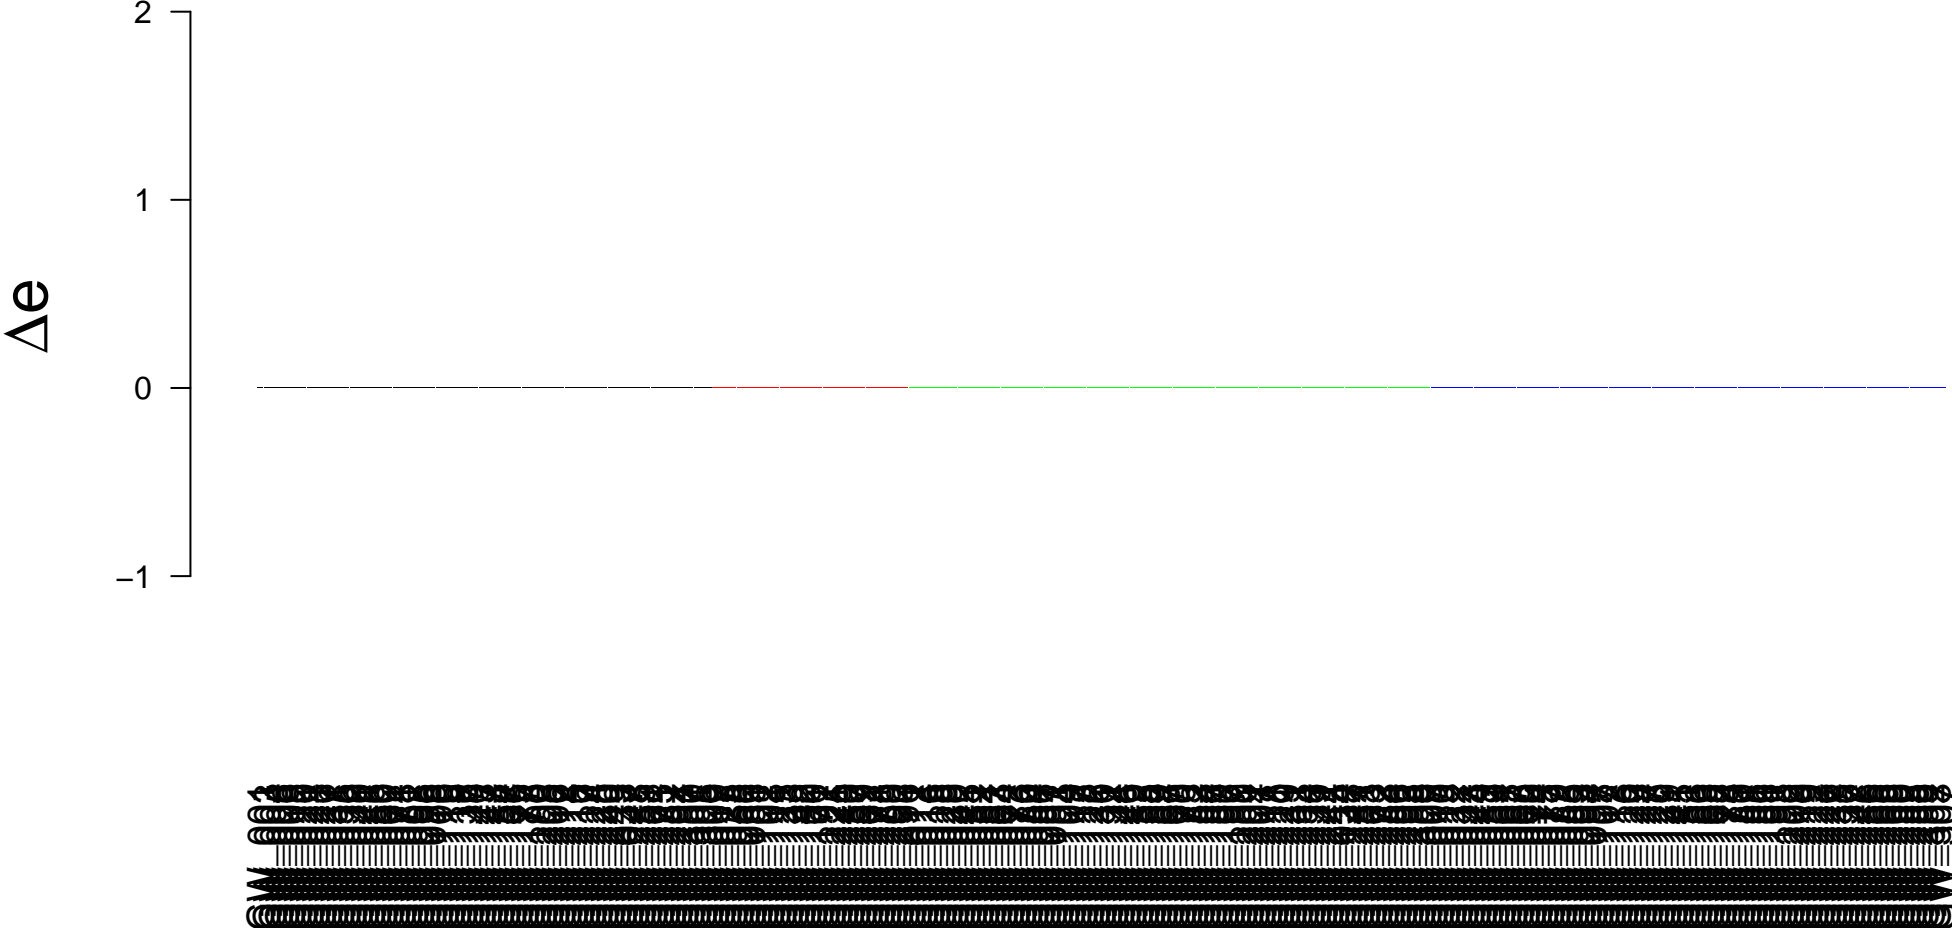

Expression of glucose homeostasis in Spot L

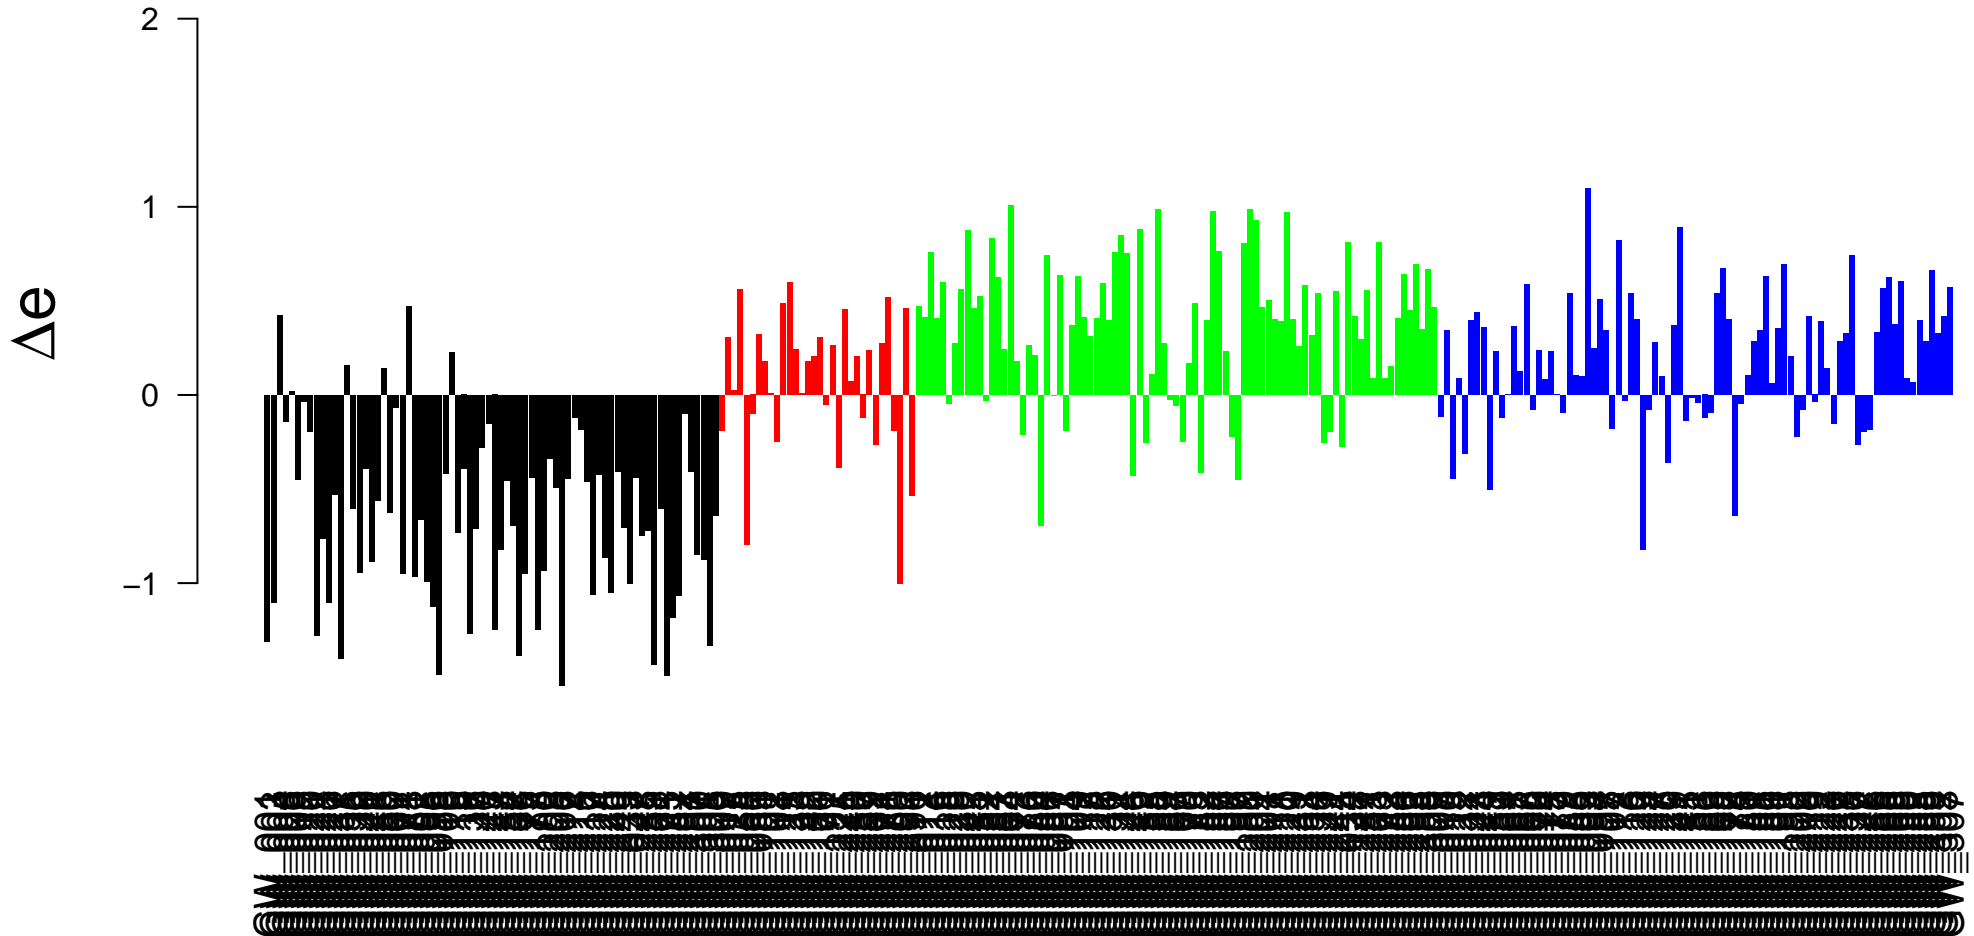

Expression of glucose homeostasis in Spot M

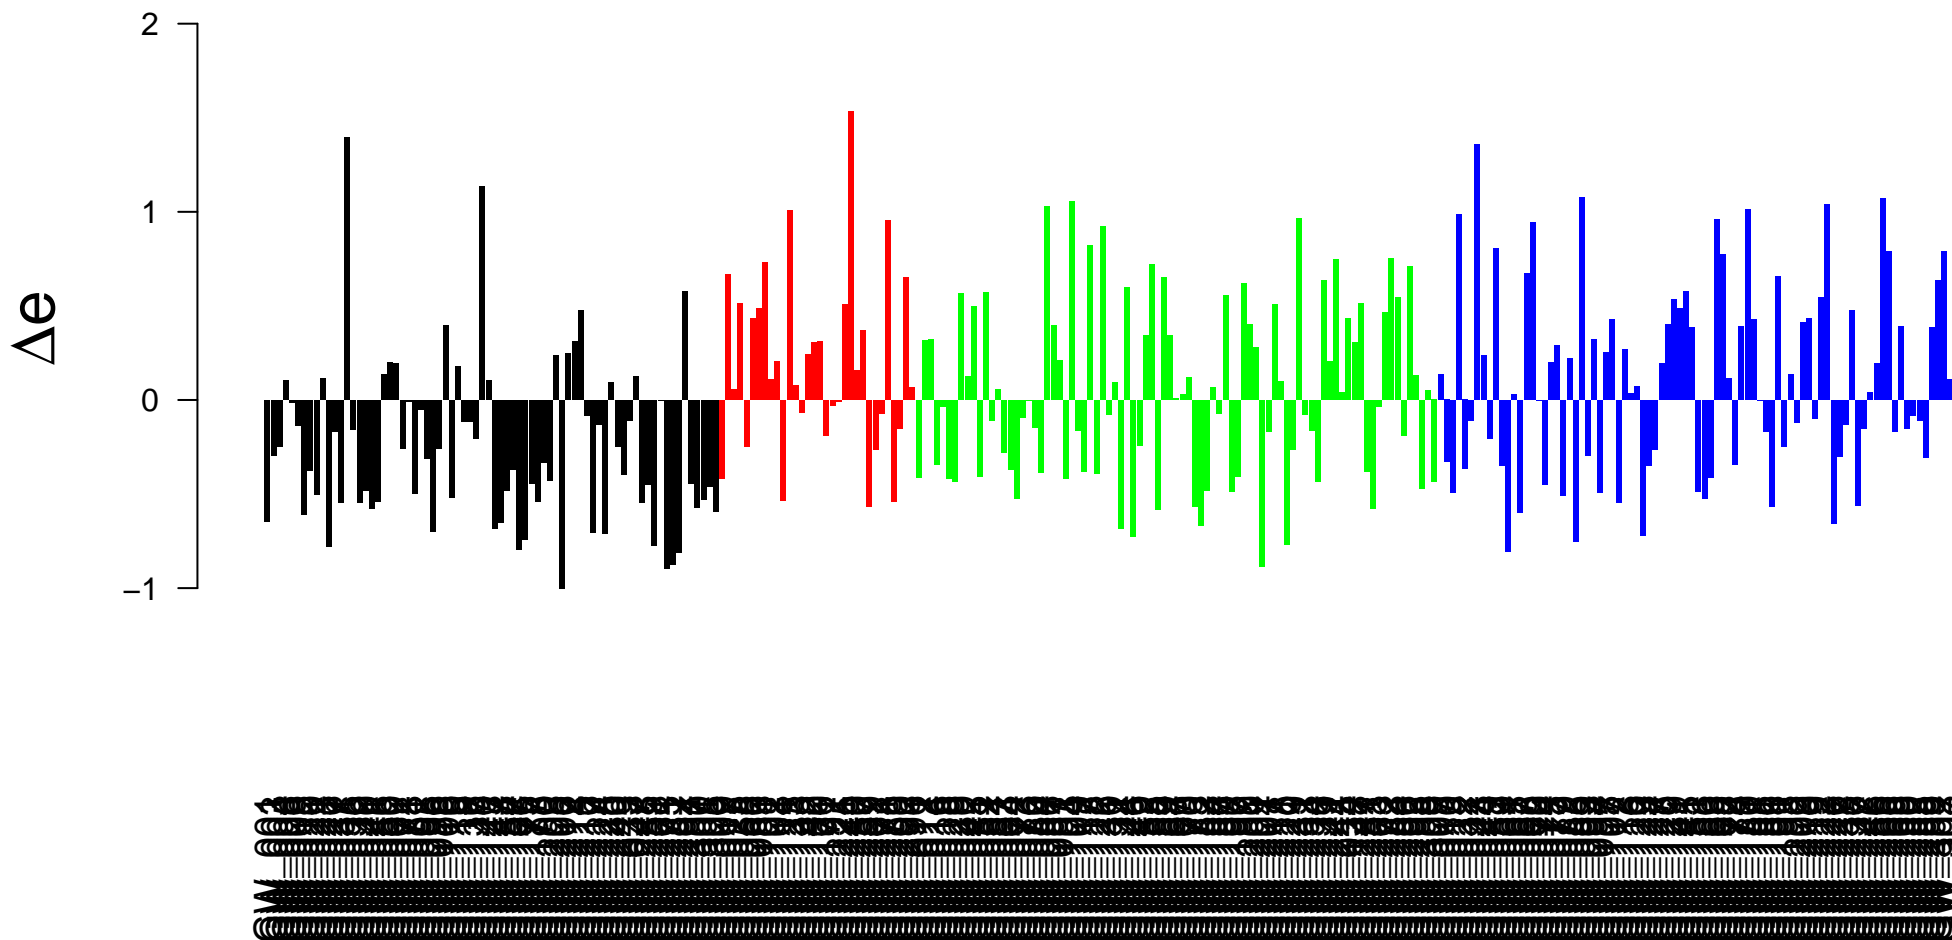

Expression of glucose homeostasis in Spot N

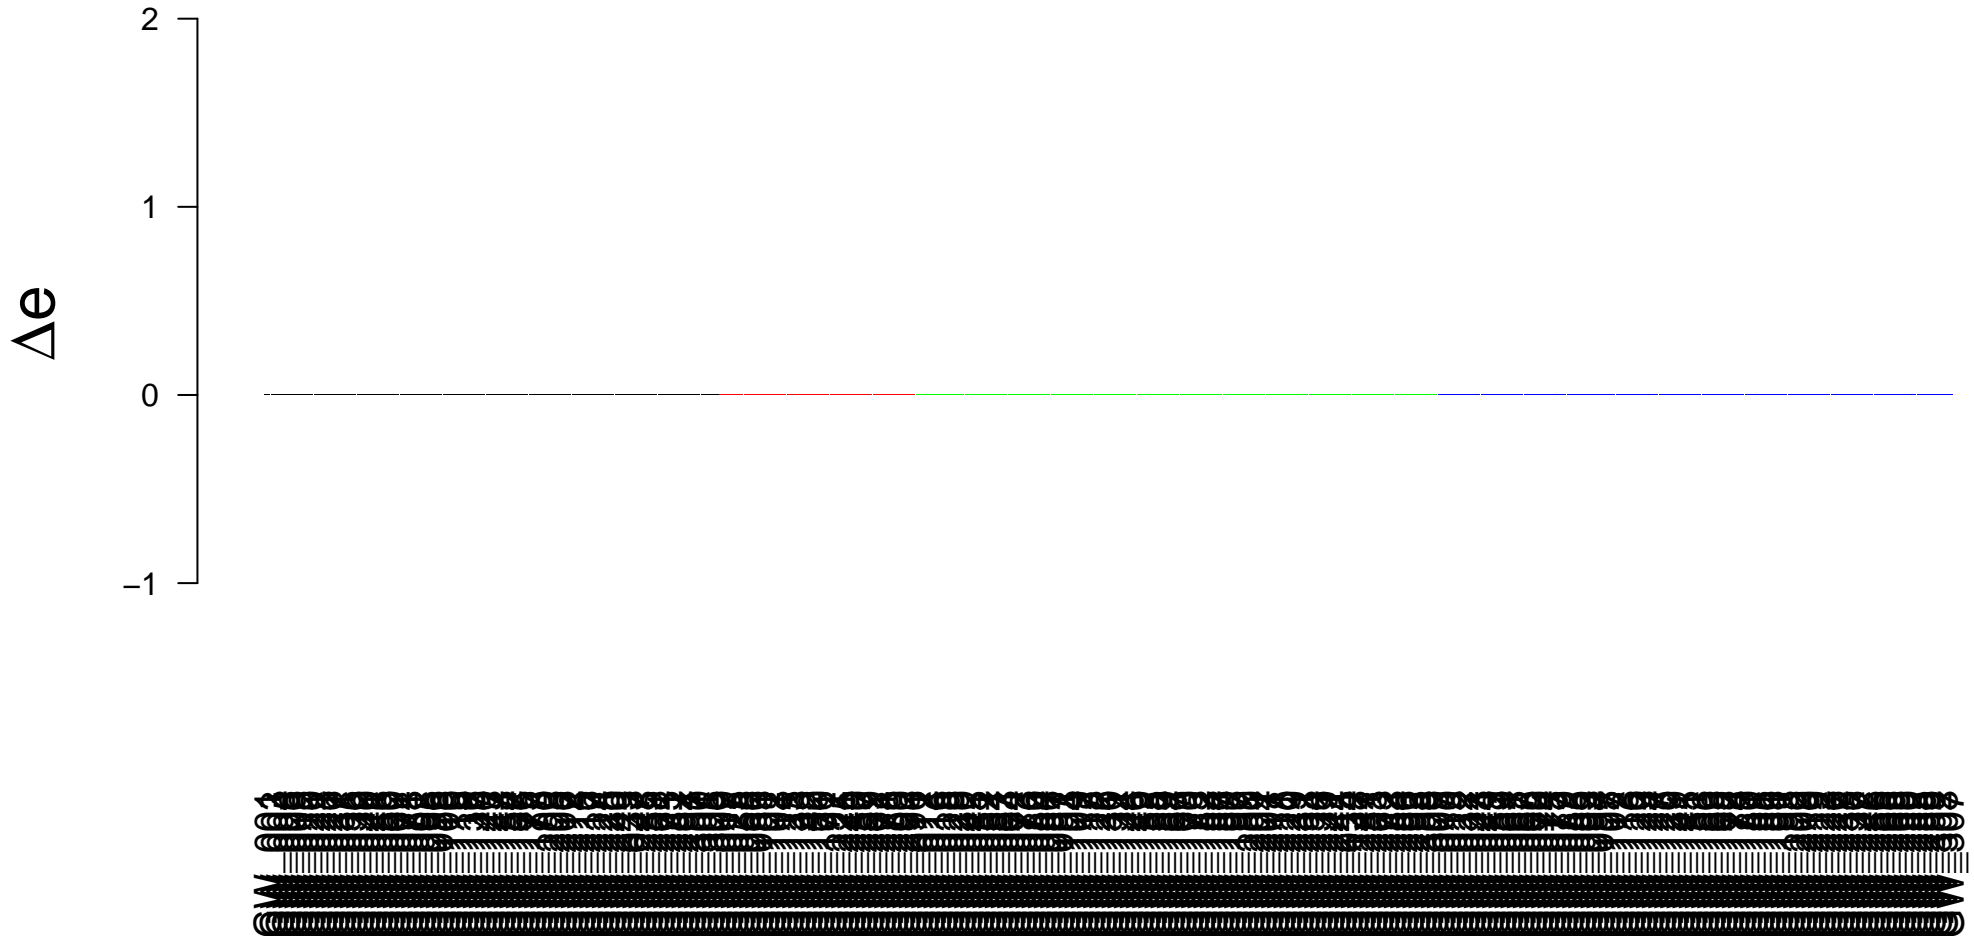

Expression of glucose homeostasis in Spot O

Expression of glucose homeostasis in Spot P

Expression of glucose homeostasis in Spot Q

Expression of glucose homeostasis in Spot R
