

glucuronosyltransferase activity

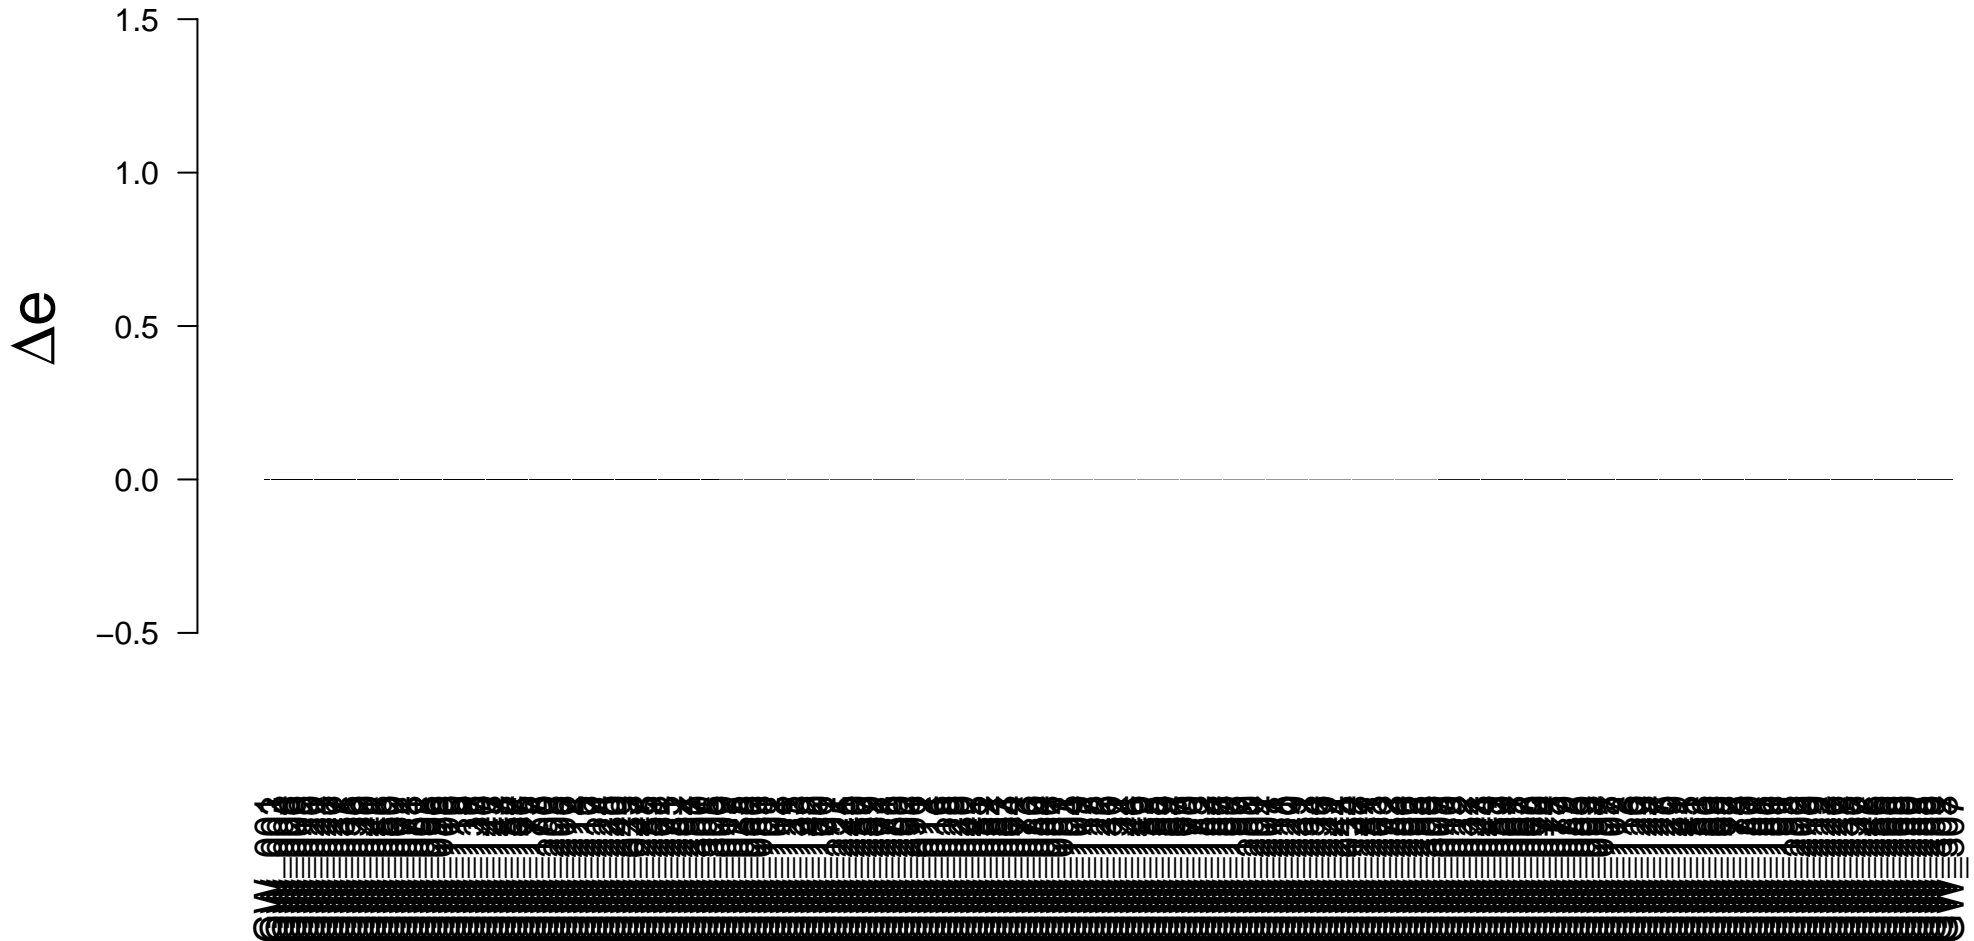

glucuronosyltransferase activity

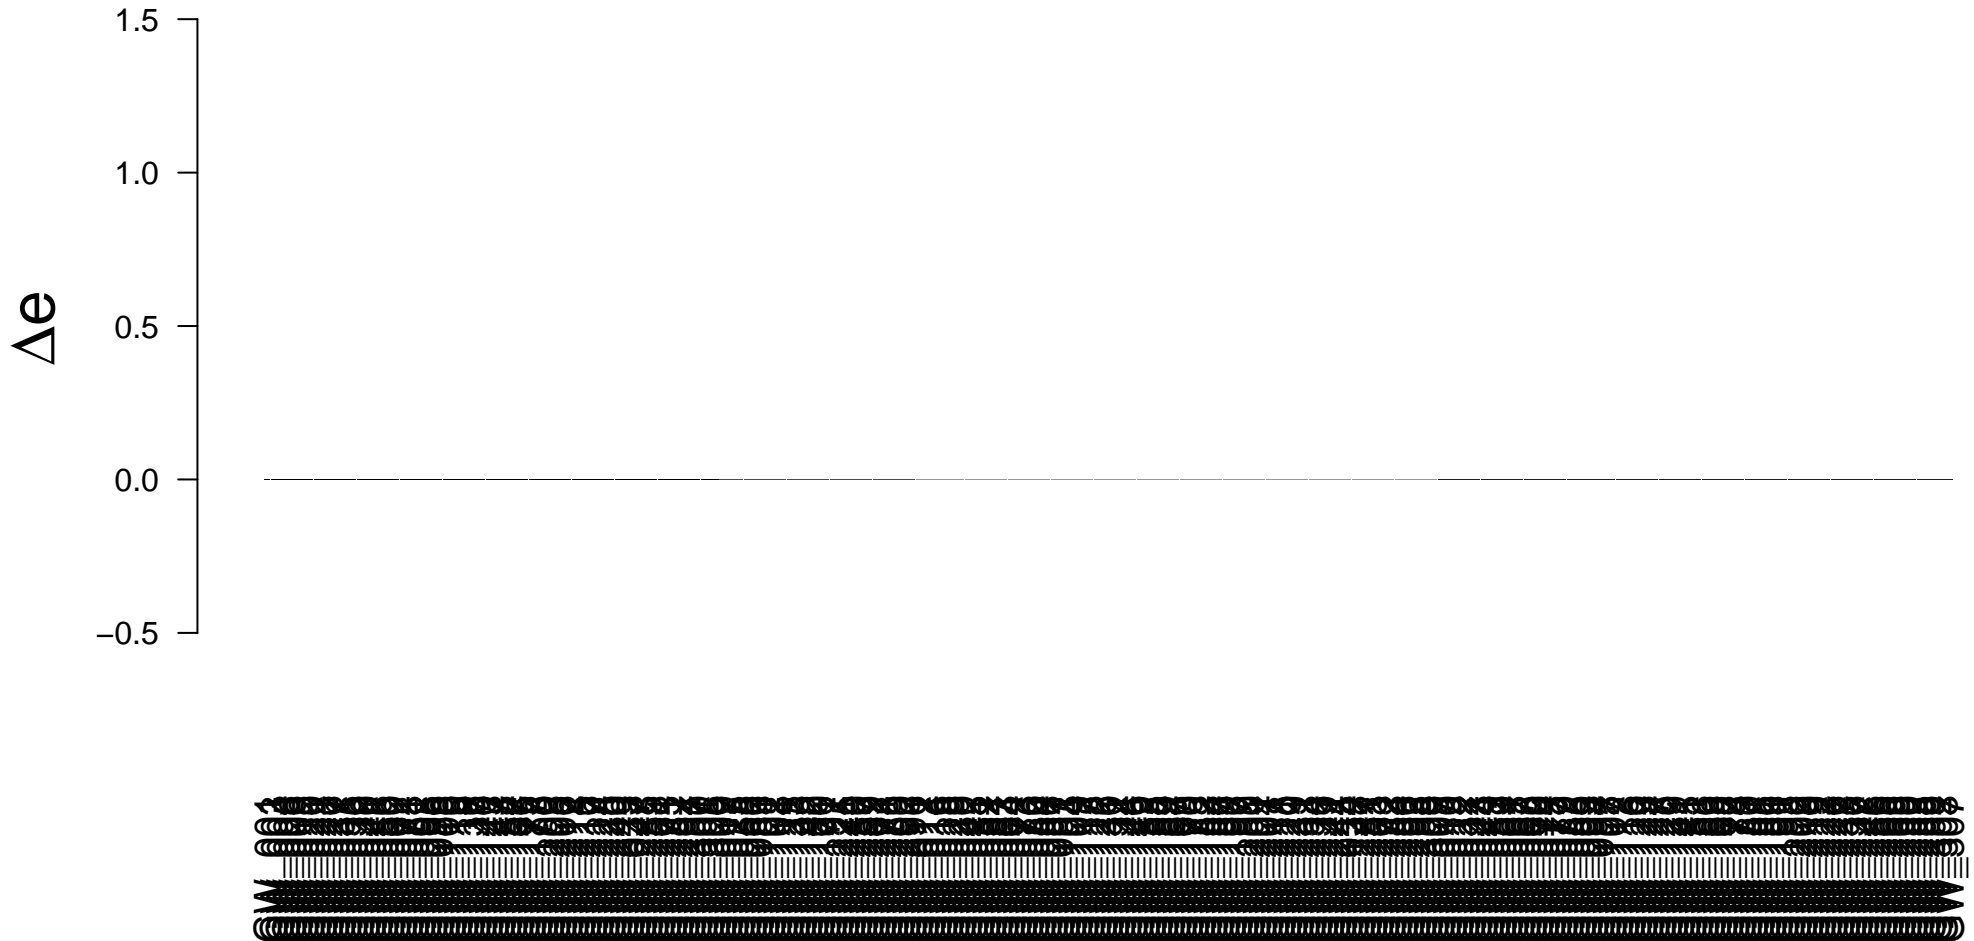

Enrichment in spots: glucuronosyltransferase activity

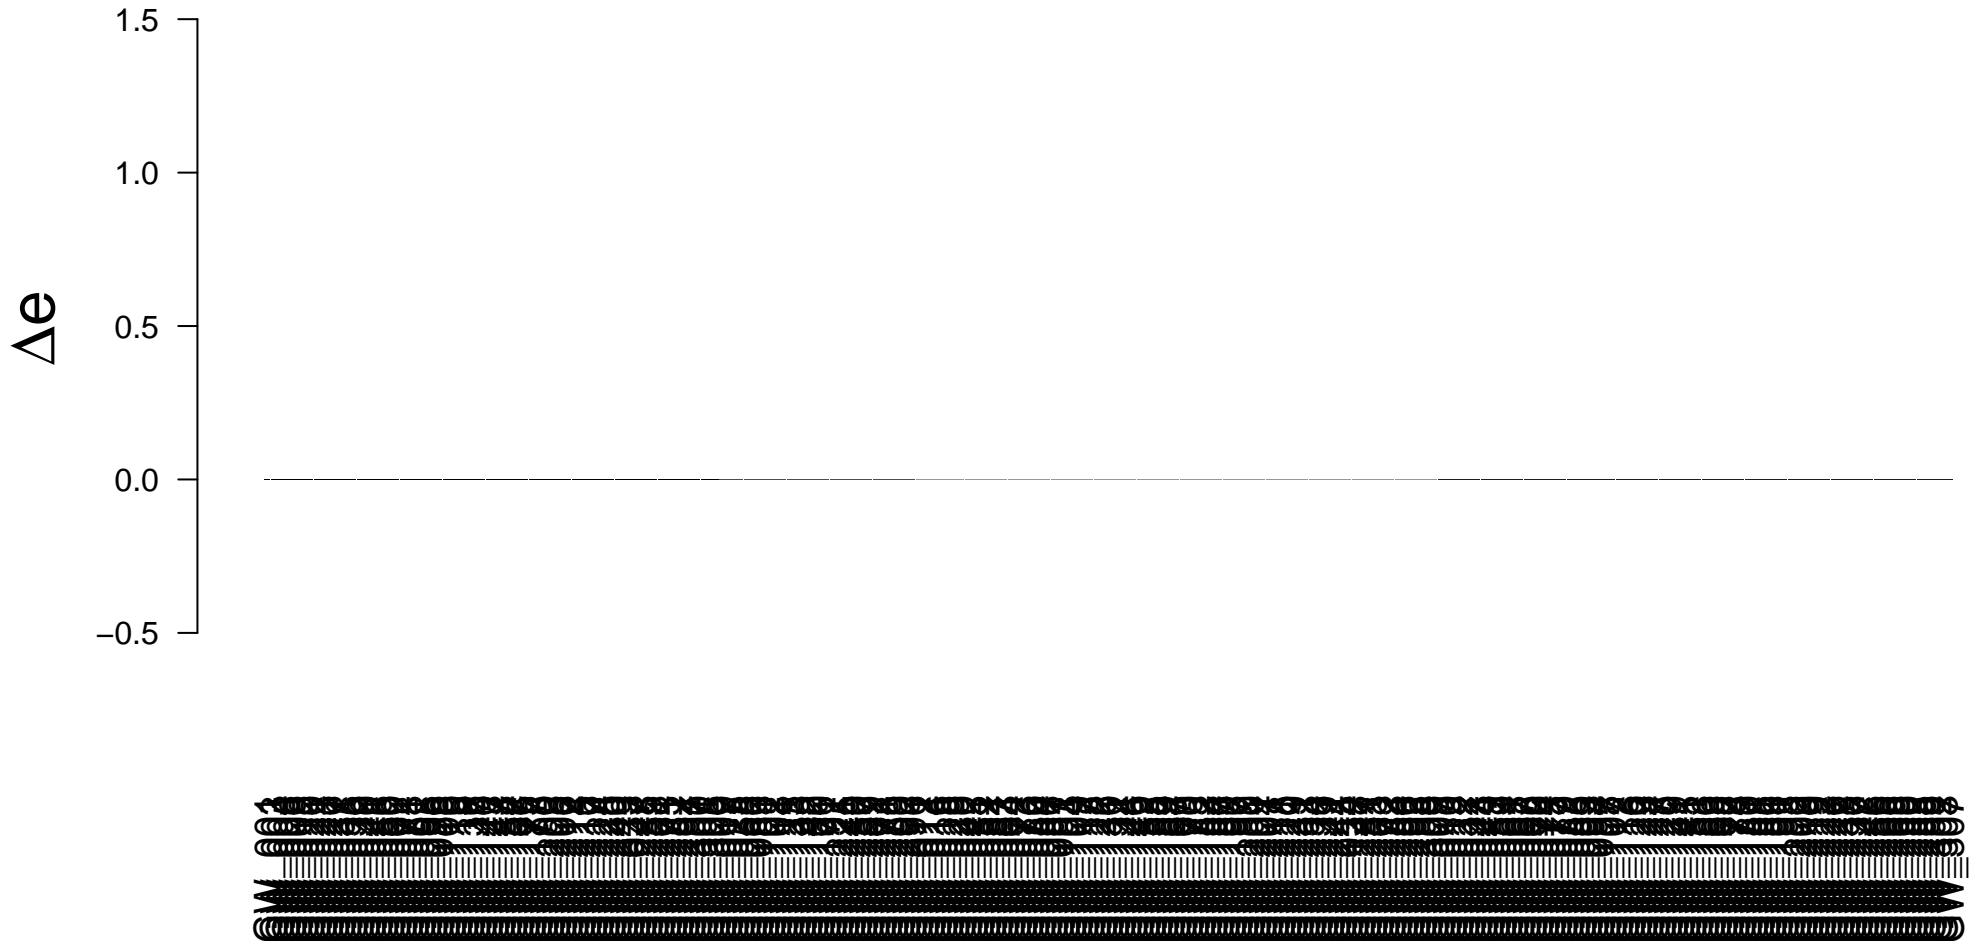

Expression of glucuronosyltransferase activity in Spot A

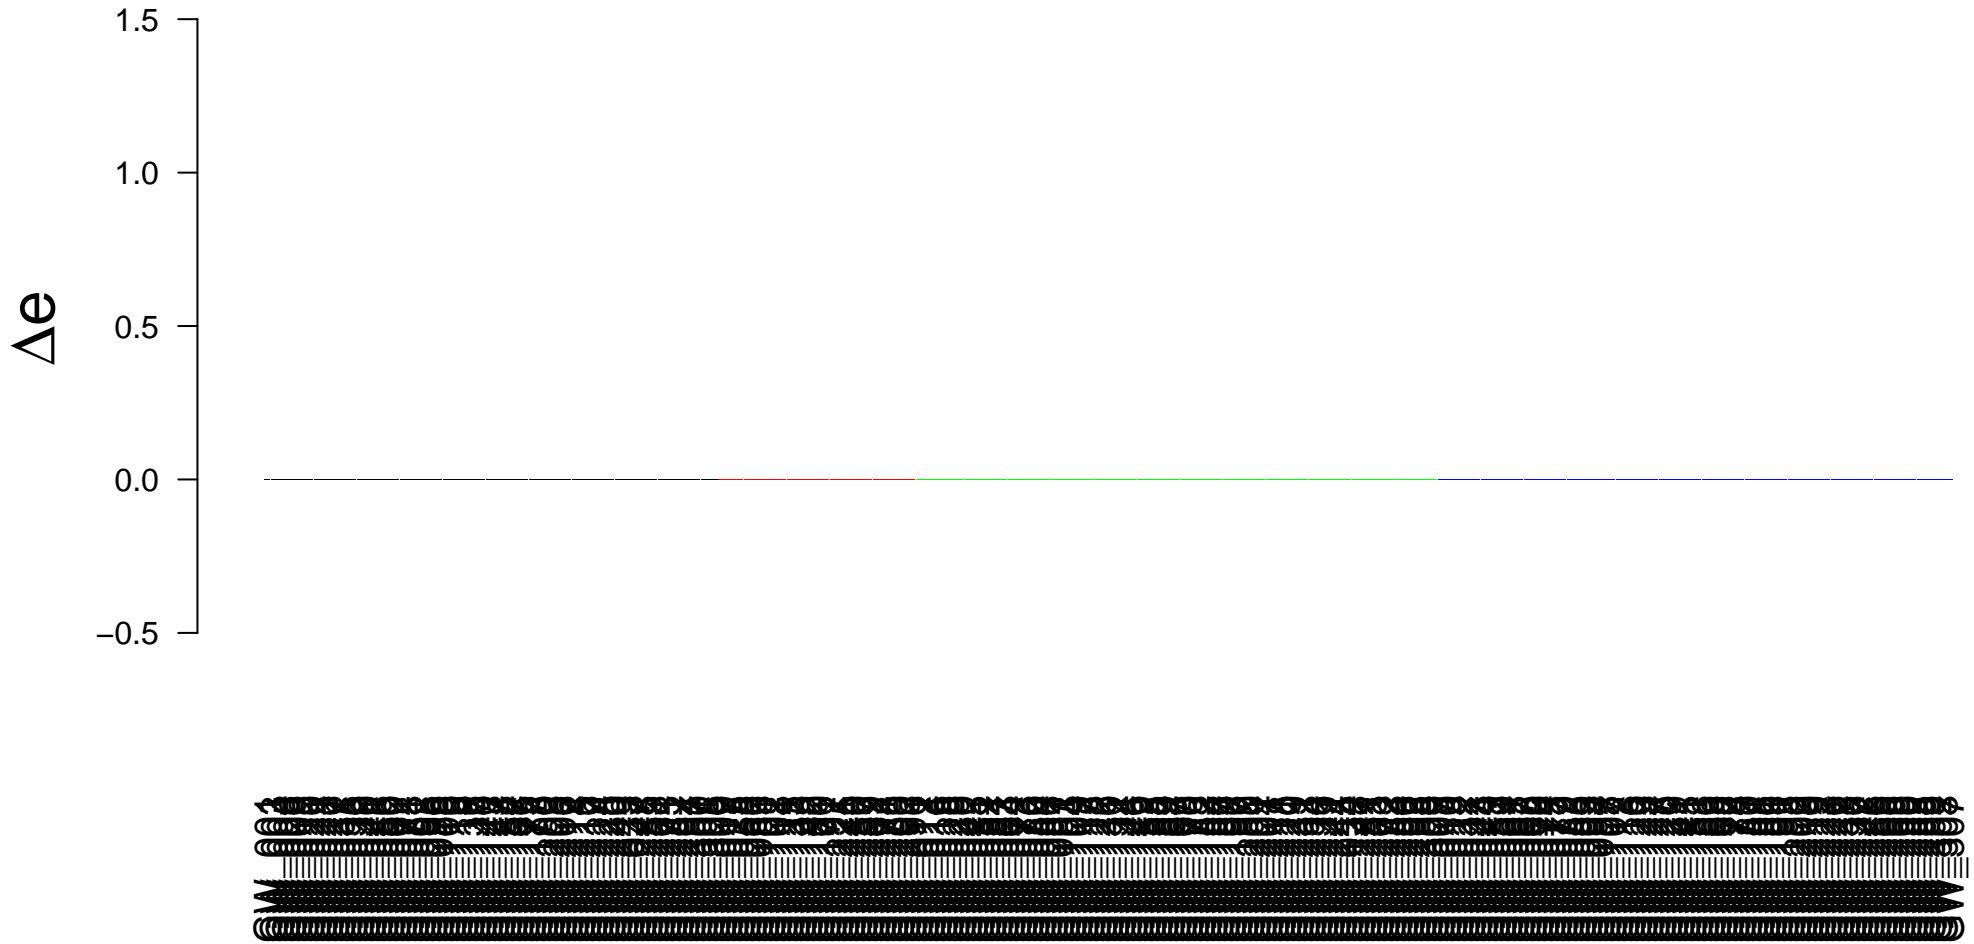

Expression of glucuronosyltransferase activity in Spot B

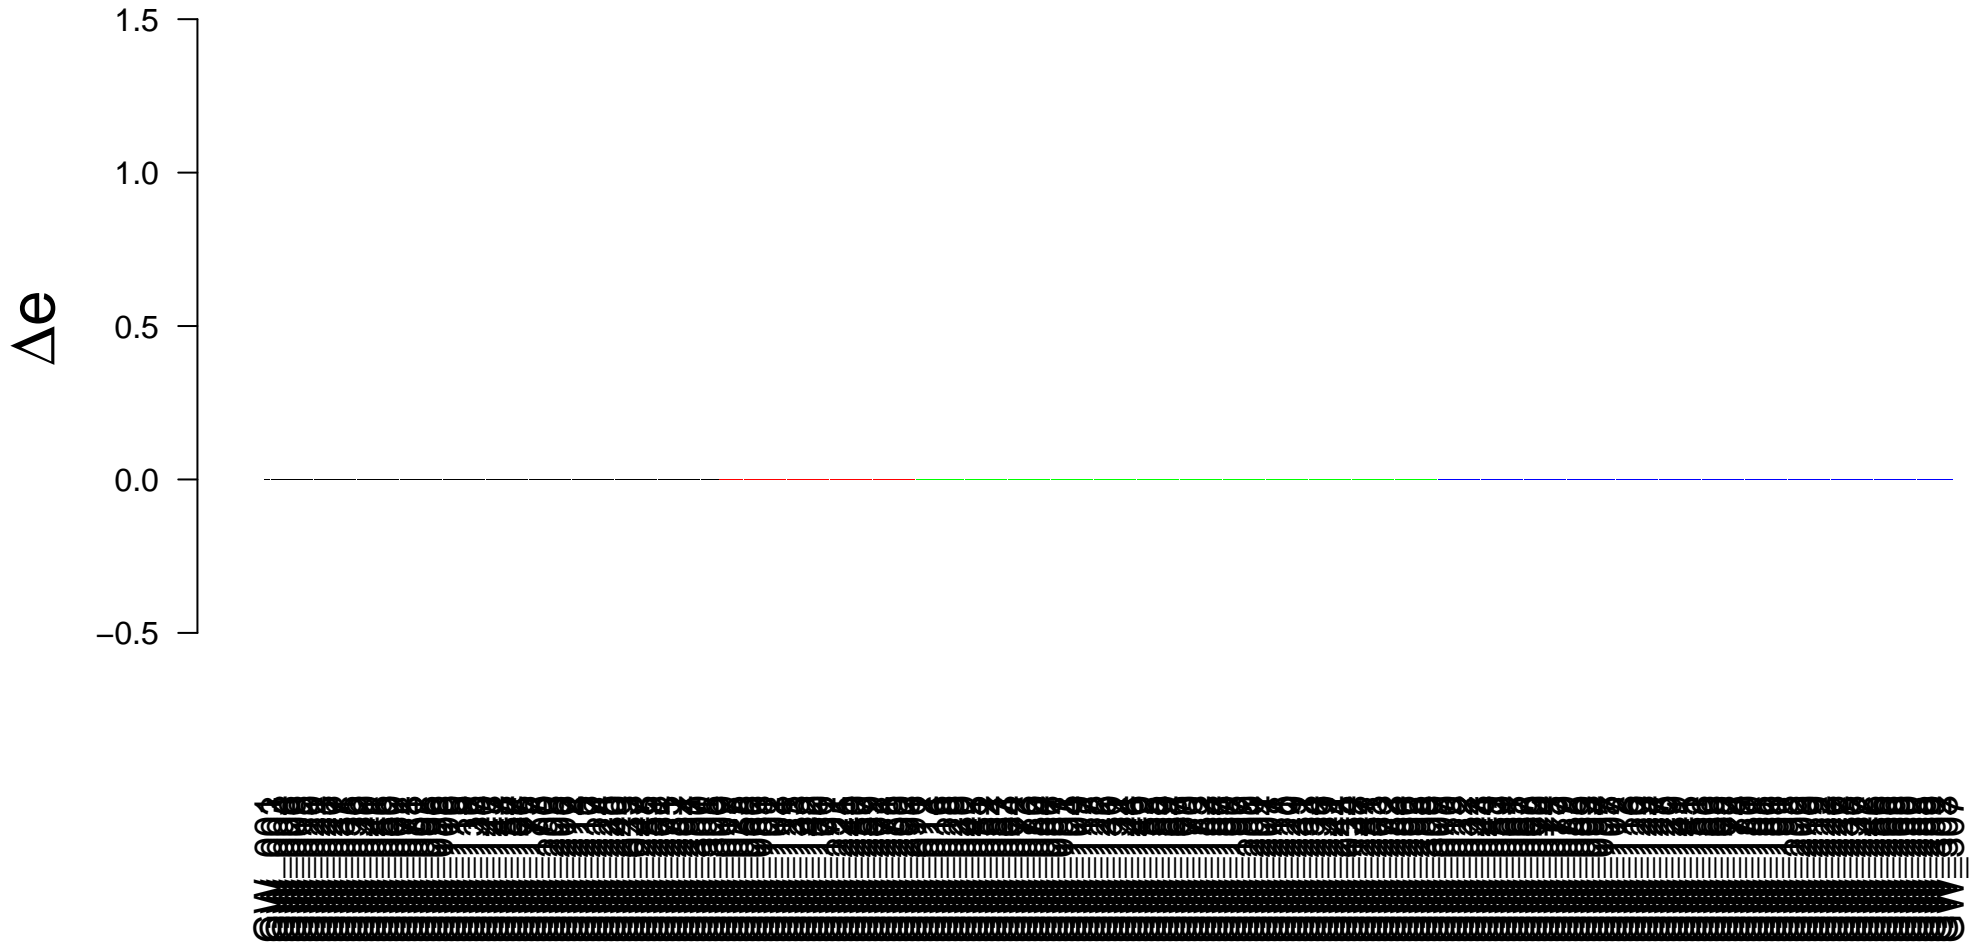

Expression of glucuronosyltransferase activity in Spot C

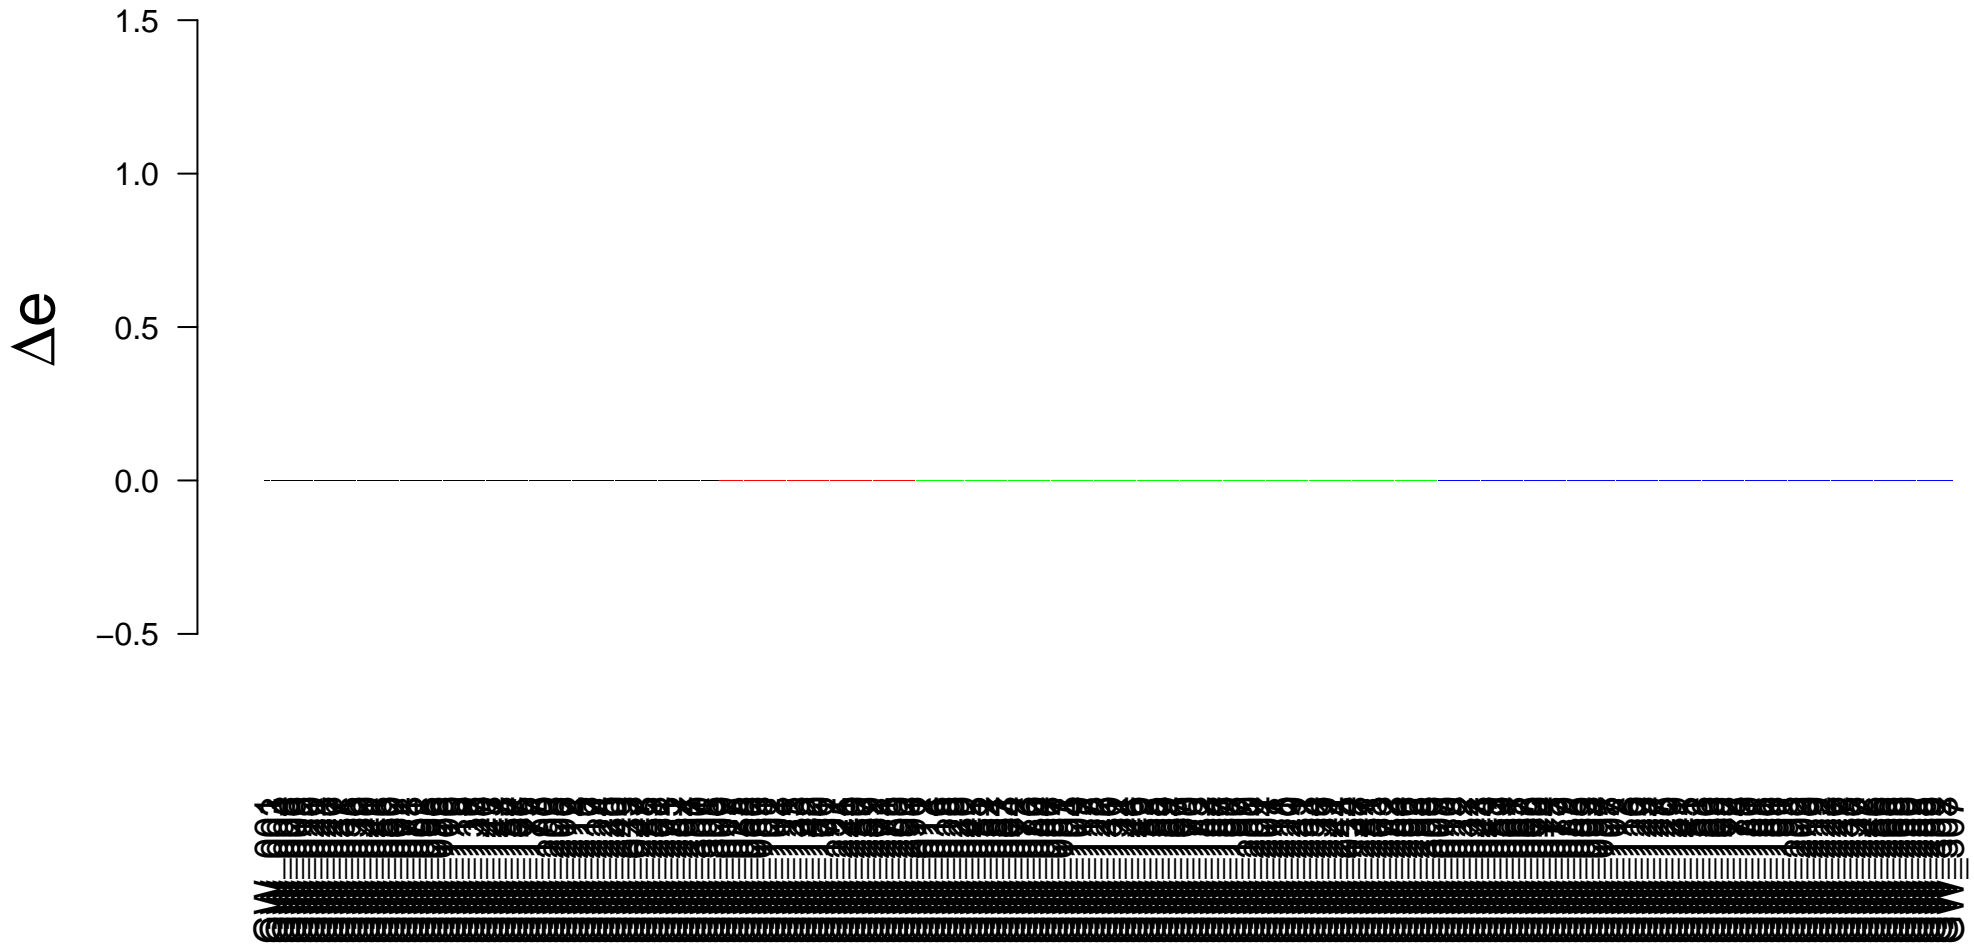

Expression of glucuronosyltransferase activity in Spot D

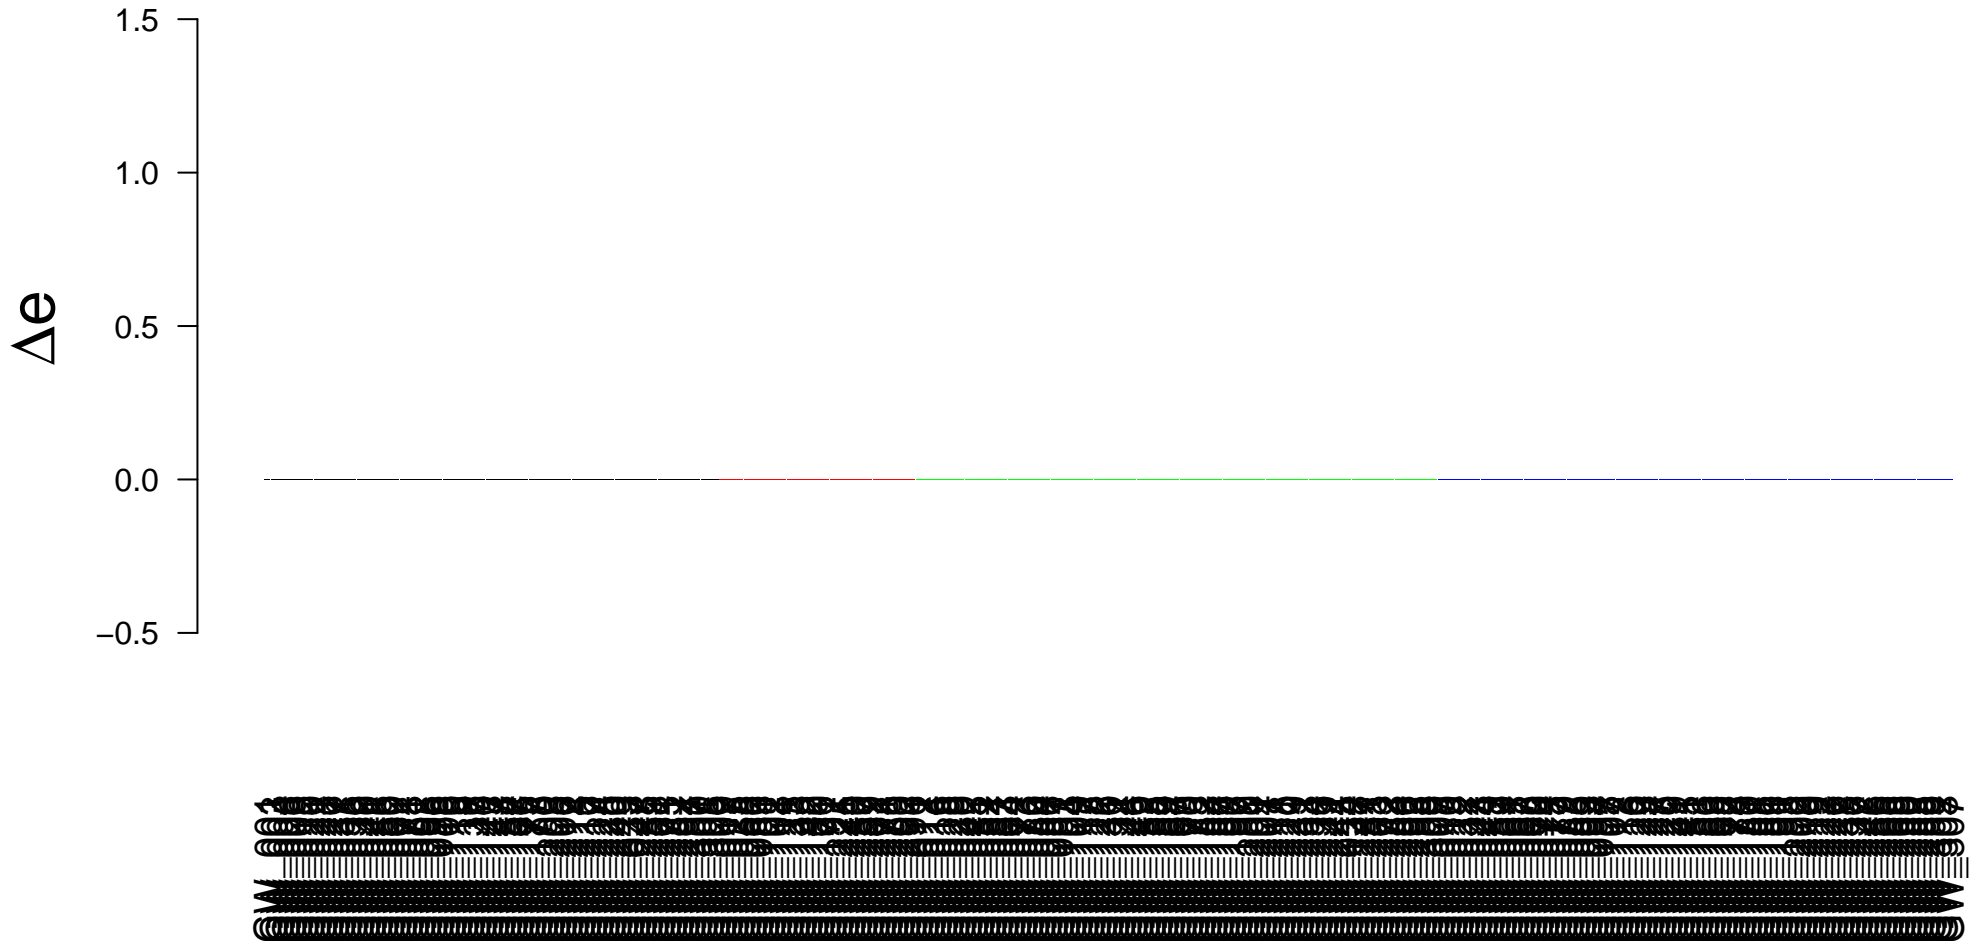

Expression of glucuronosyltransferase activity in Spot E

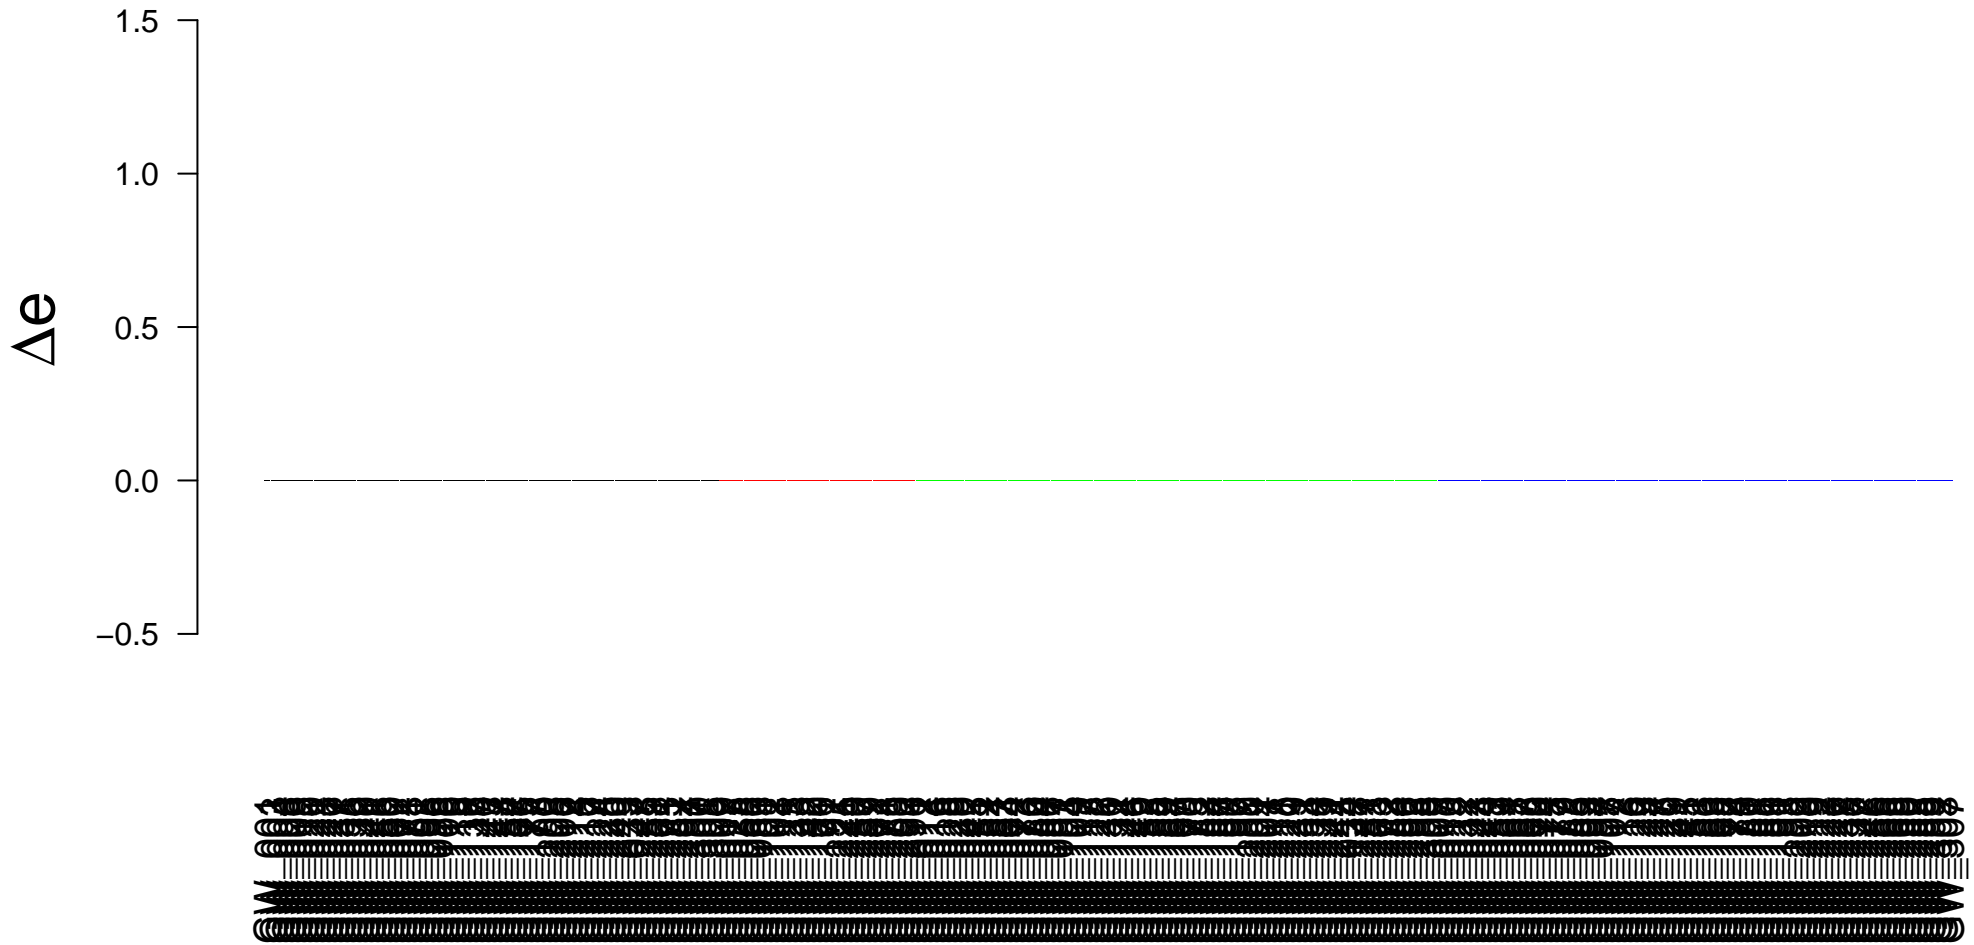

Expression of glucuronosyltransferase activity in Spot F

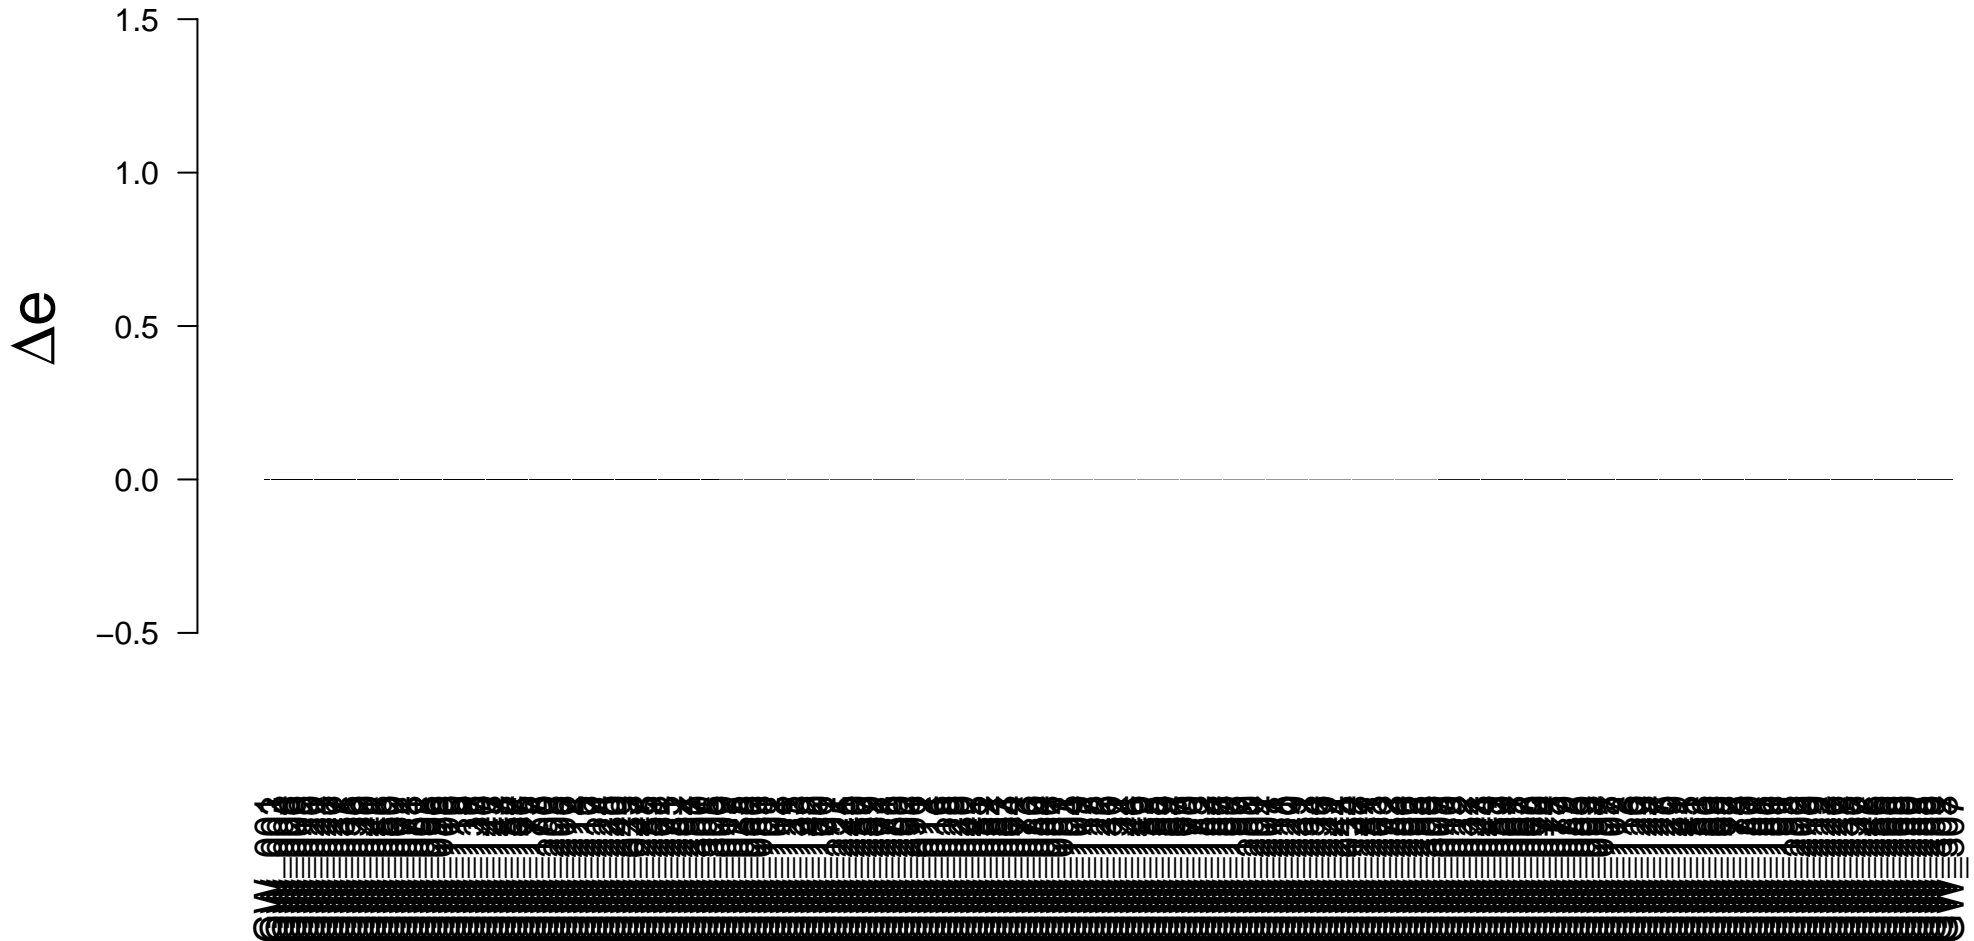

Expression of glucuronosyltransferase activity in Spot G

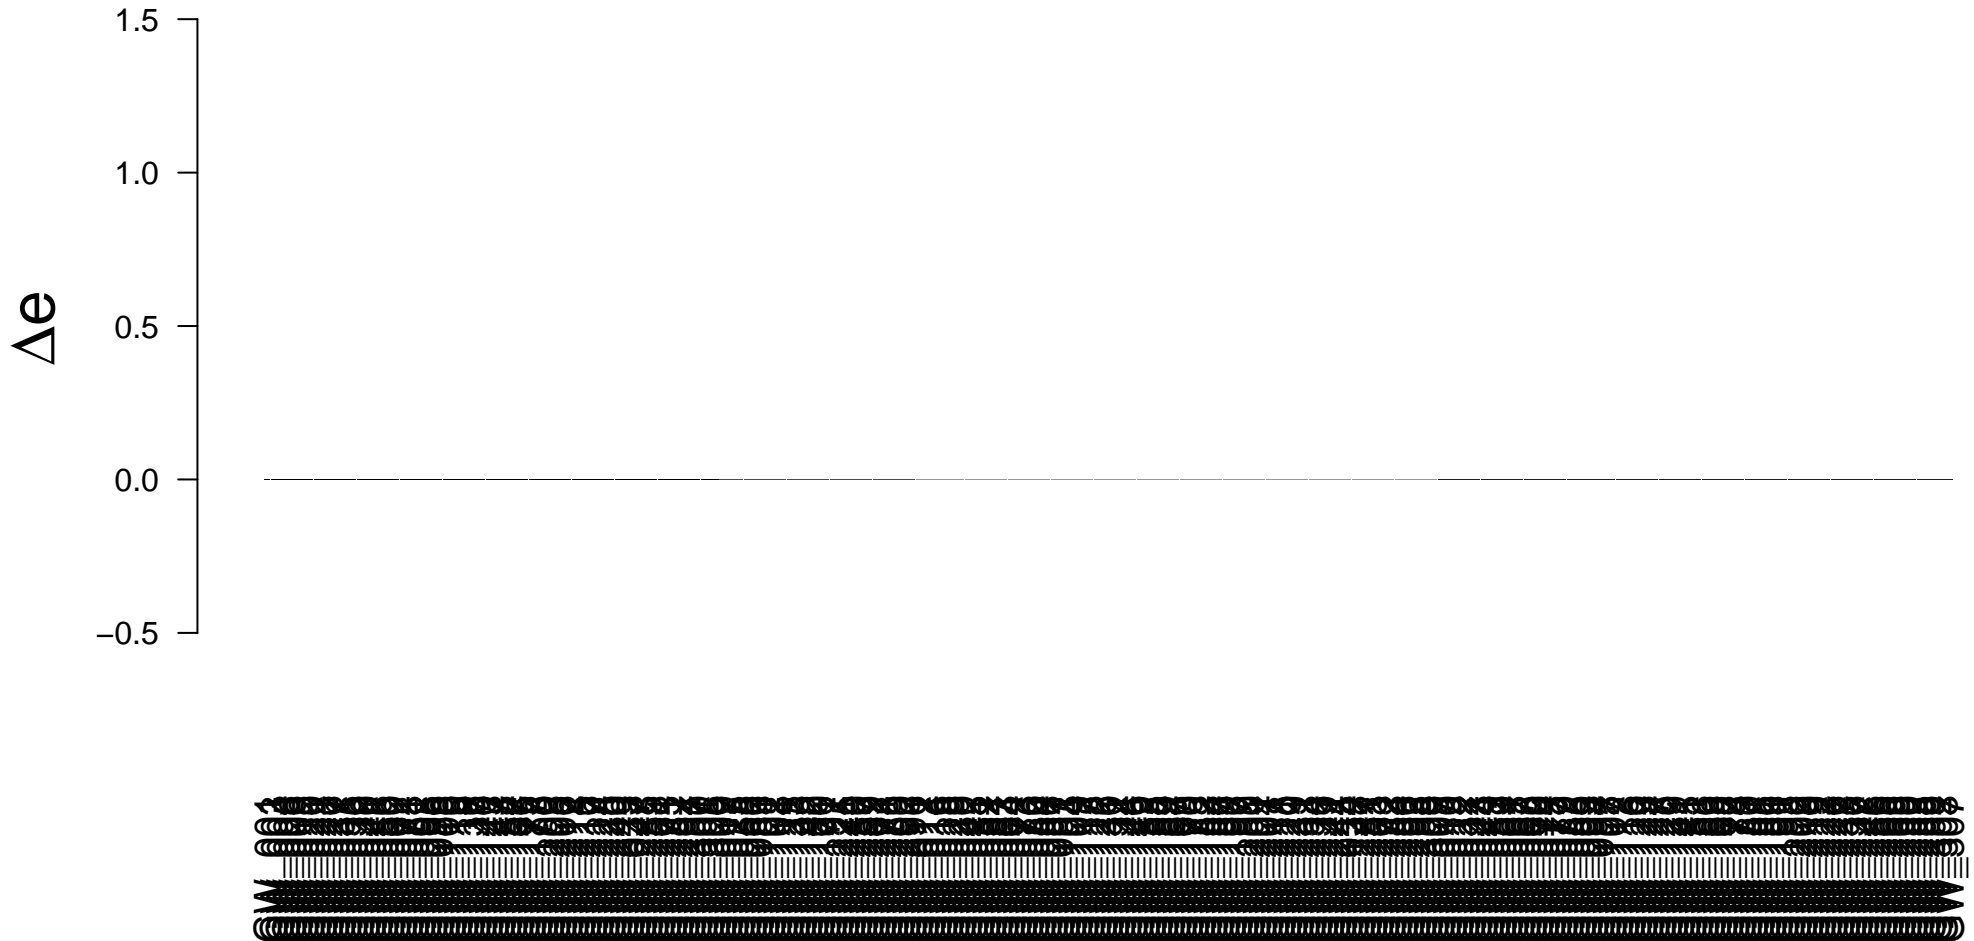

Expression of glucuronosyltransferase activity in Spot H

Expression of glucuronosyltransferase activity in Spot I

Expression of glucuronosyltransferase activity in Spot J

Expression of glucuronosyltransferase activity in Spot K

Expression of glucuronosyltransferase activity in Spot L

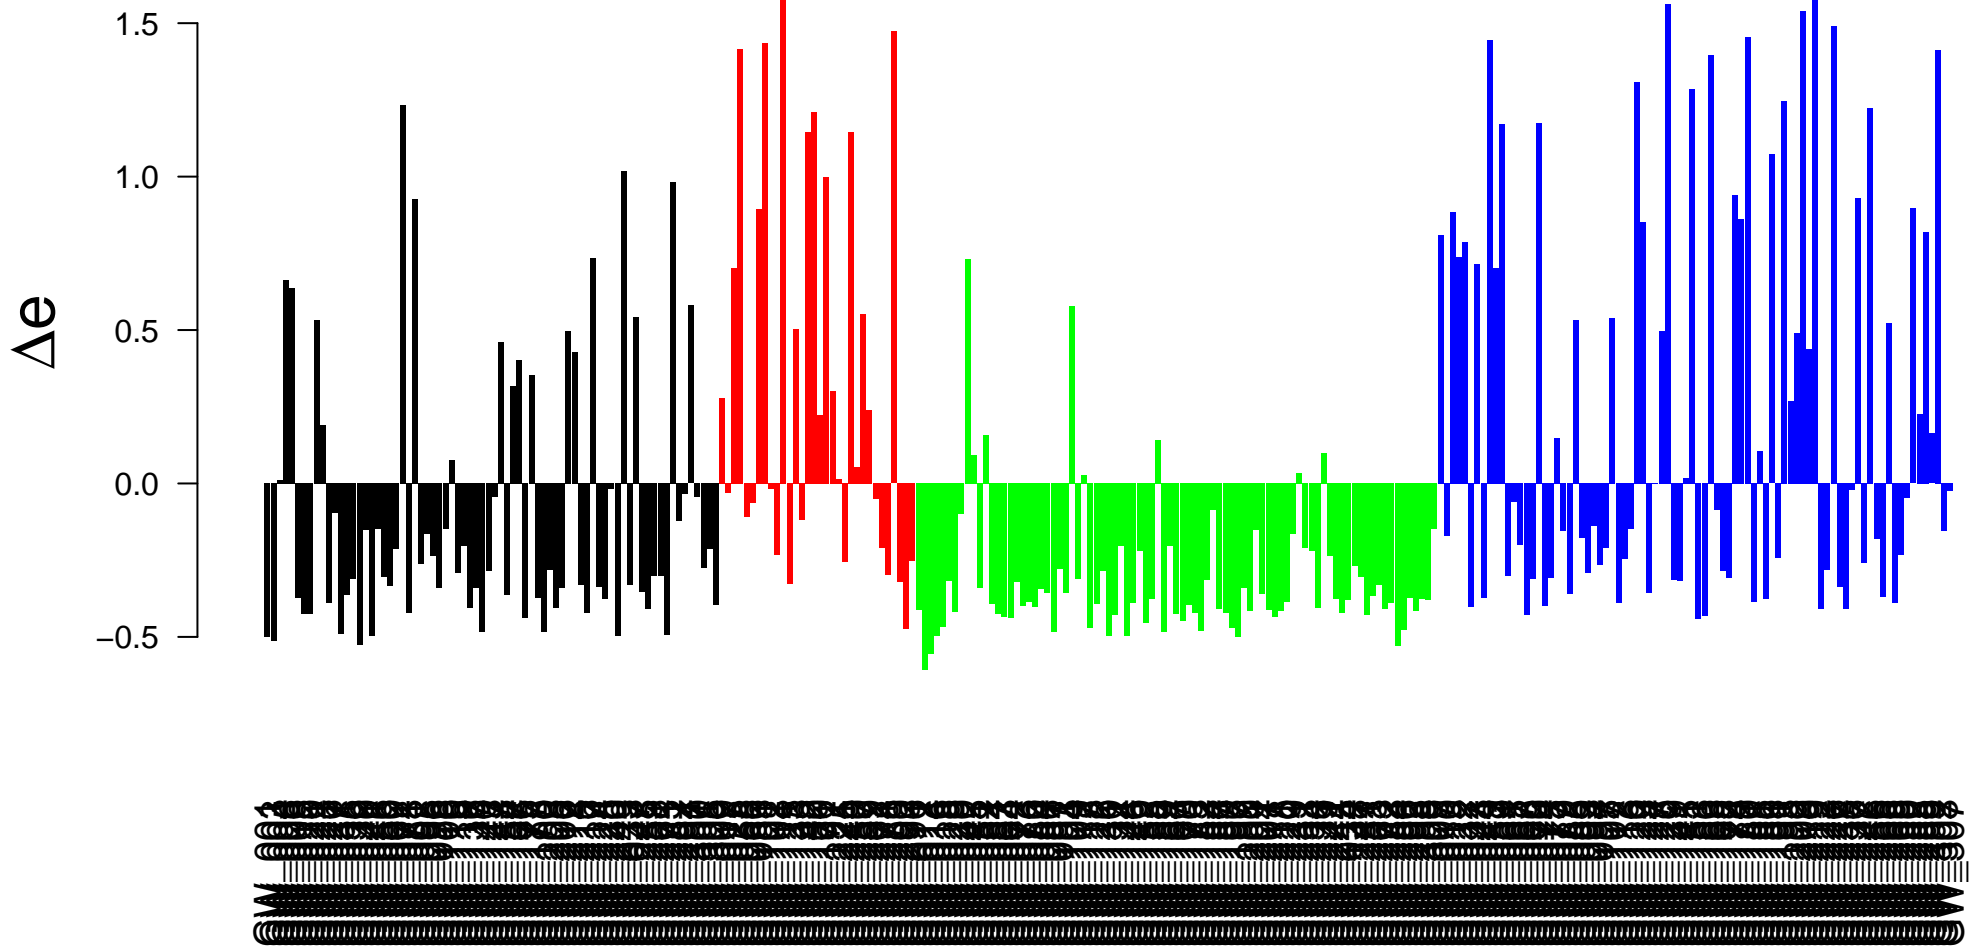

Expression of glucuronosyltransferase activity in Spot M

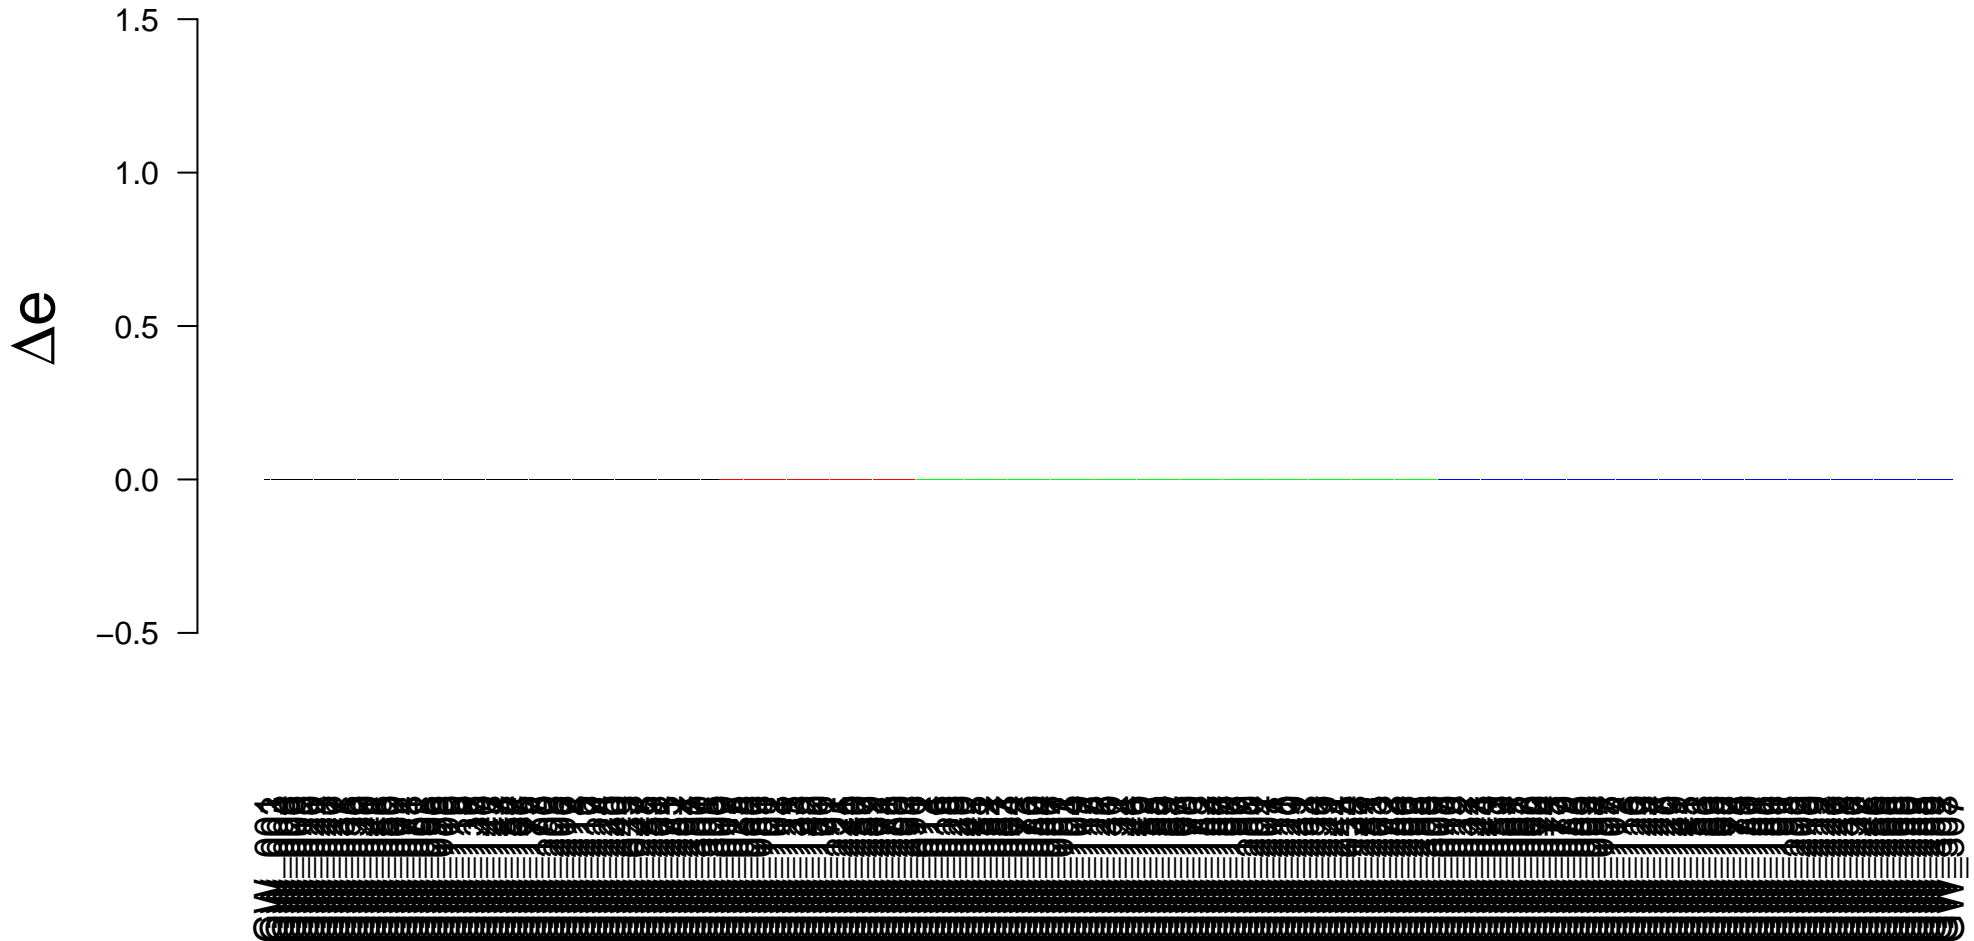

Expression of glucuronosyltransferase activity in Spot N

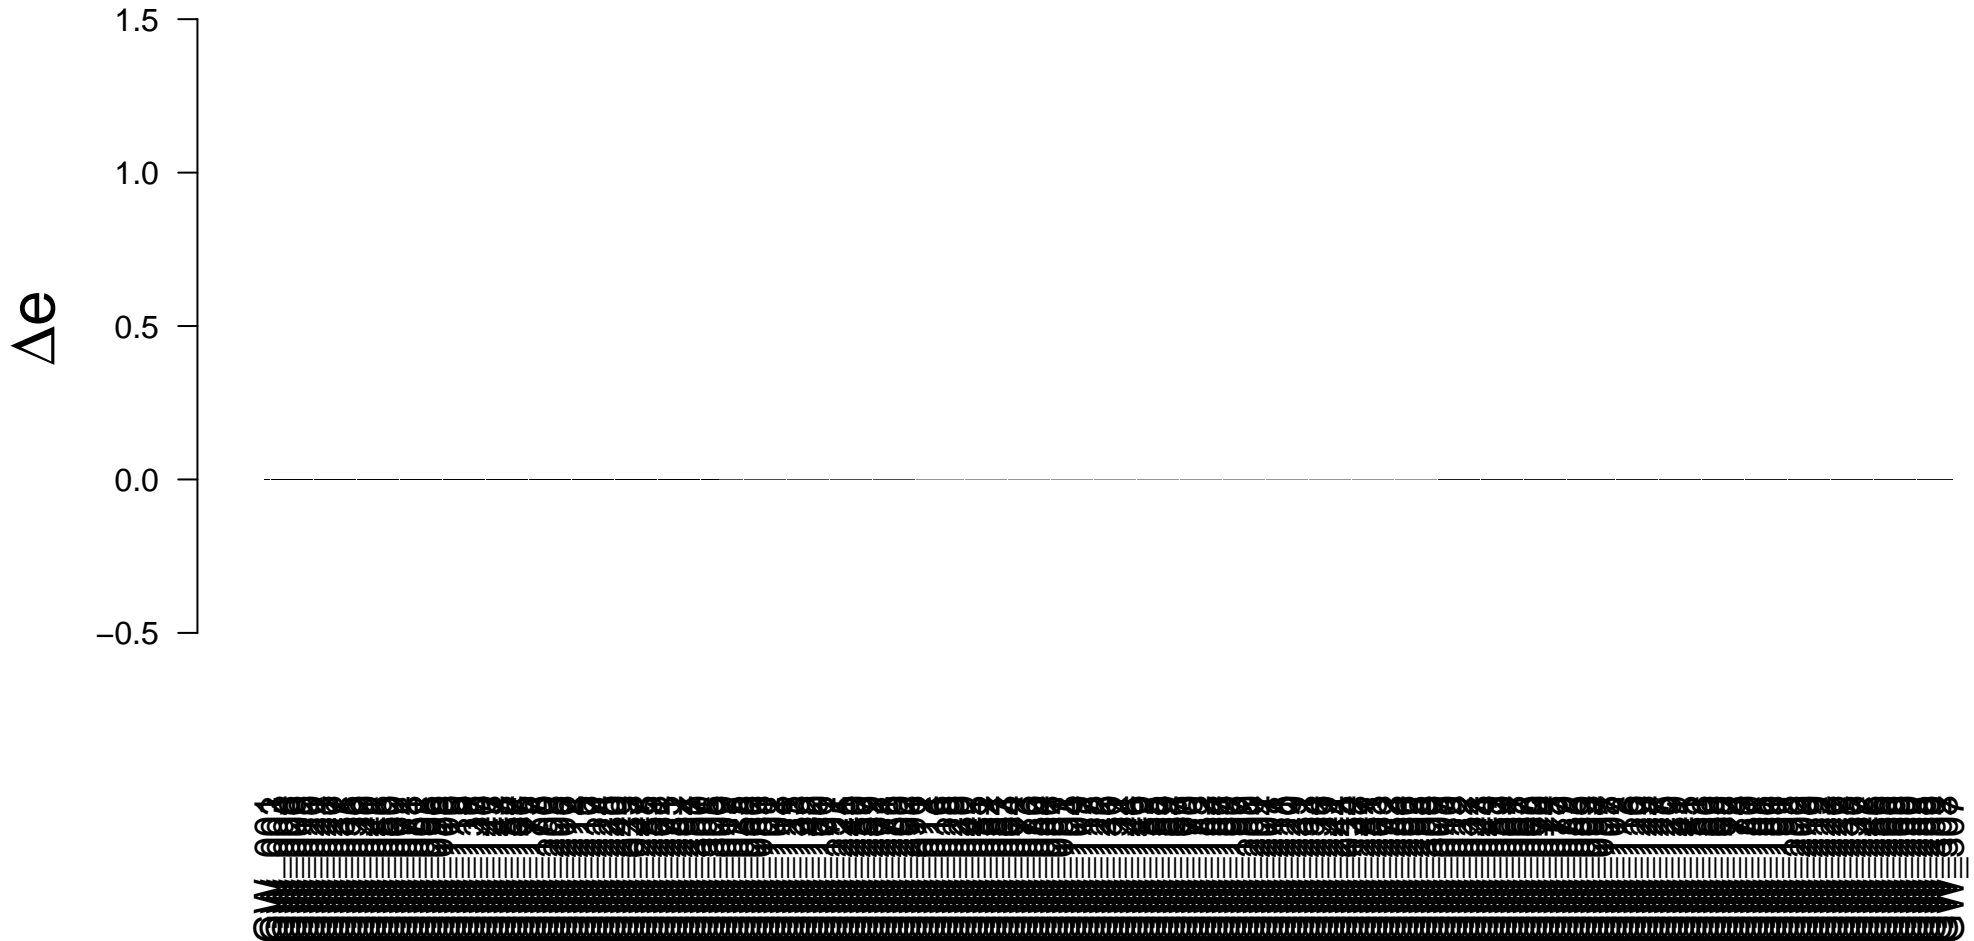

Expression of glucuronosyltransferase activity in Spot O

Expression of glucuronosyltransferase activity in Spot P

Expression of glucuronosyltransferase activity in Spot Q

Expression of glucuronosyltransferase activity in Spot R
