

glutamate secretion

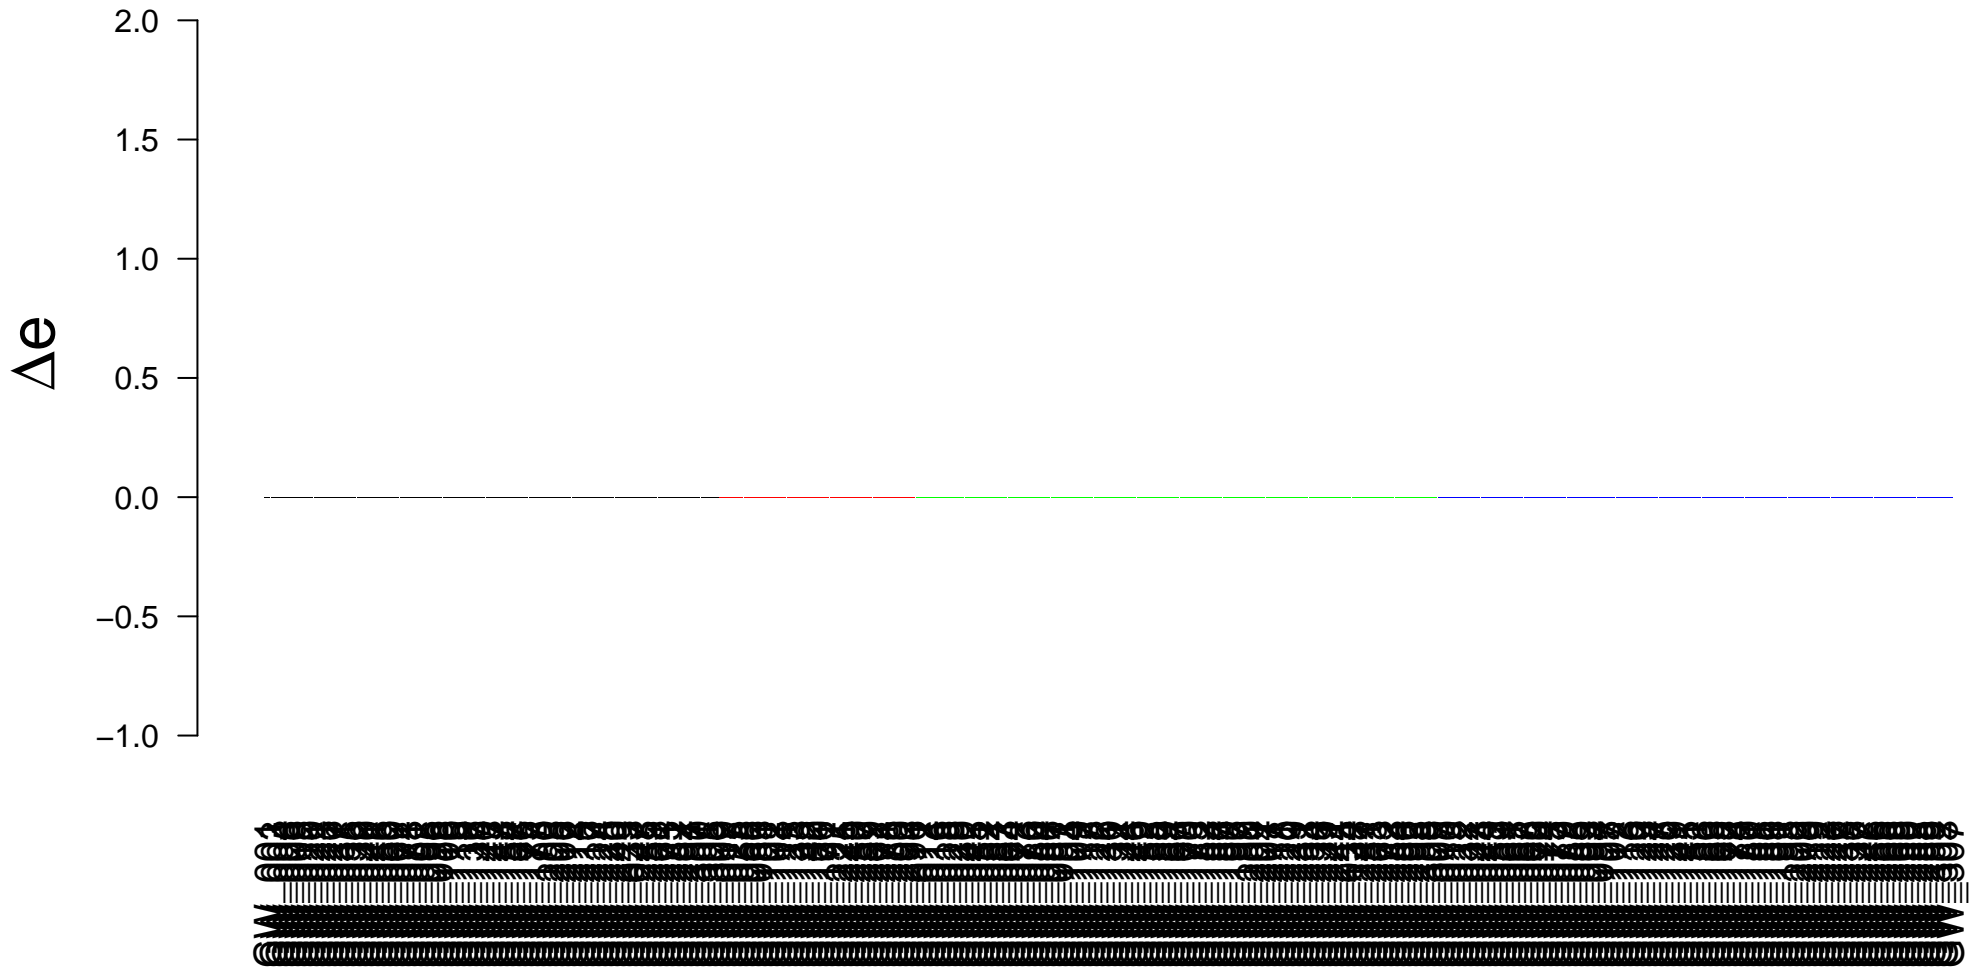

glutamate secretion

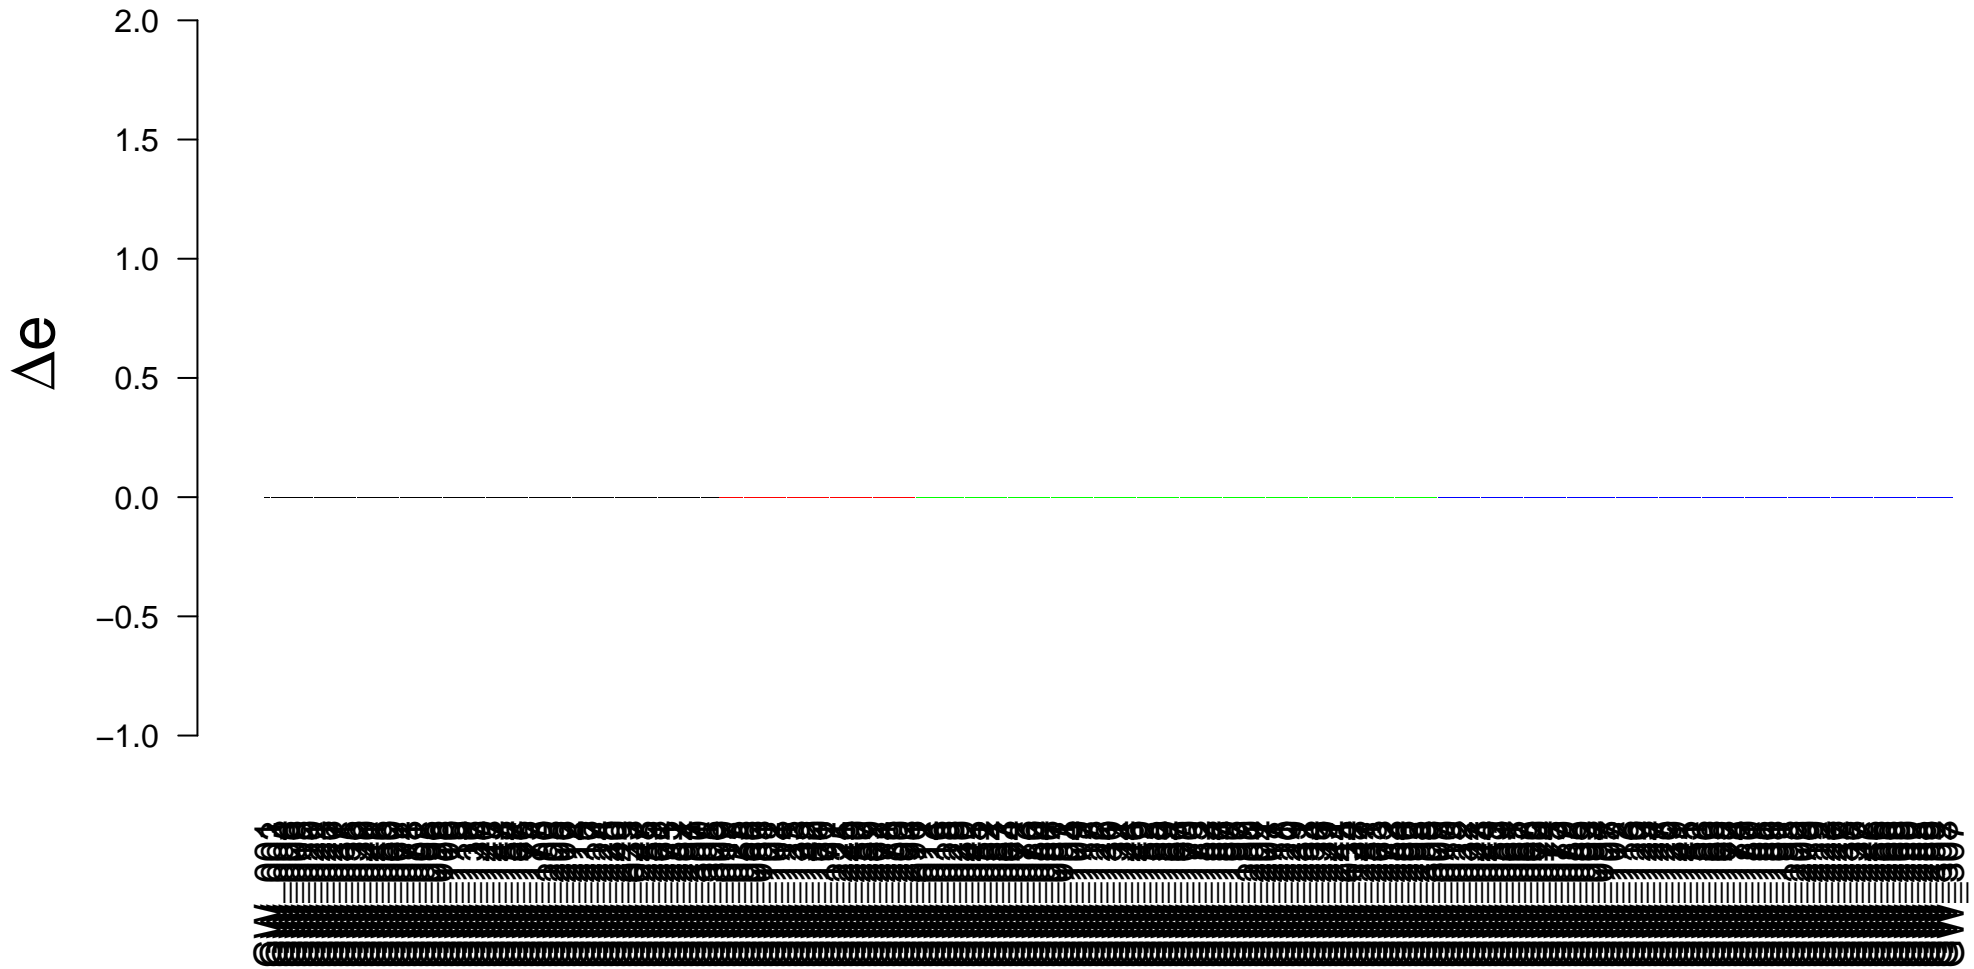

Enrichment in spots: glutamate secretion

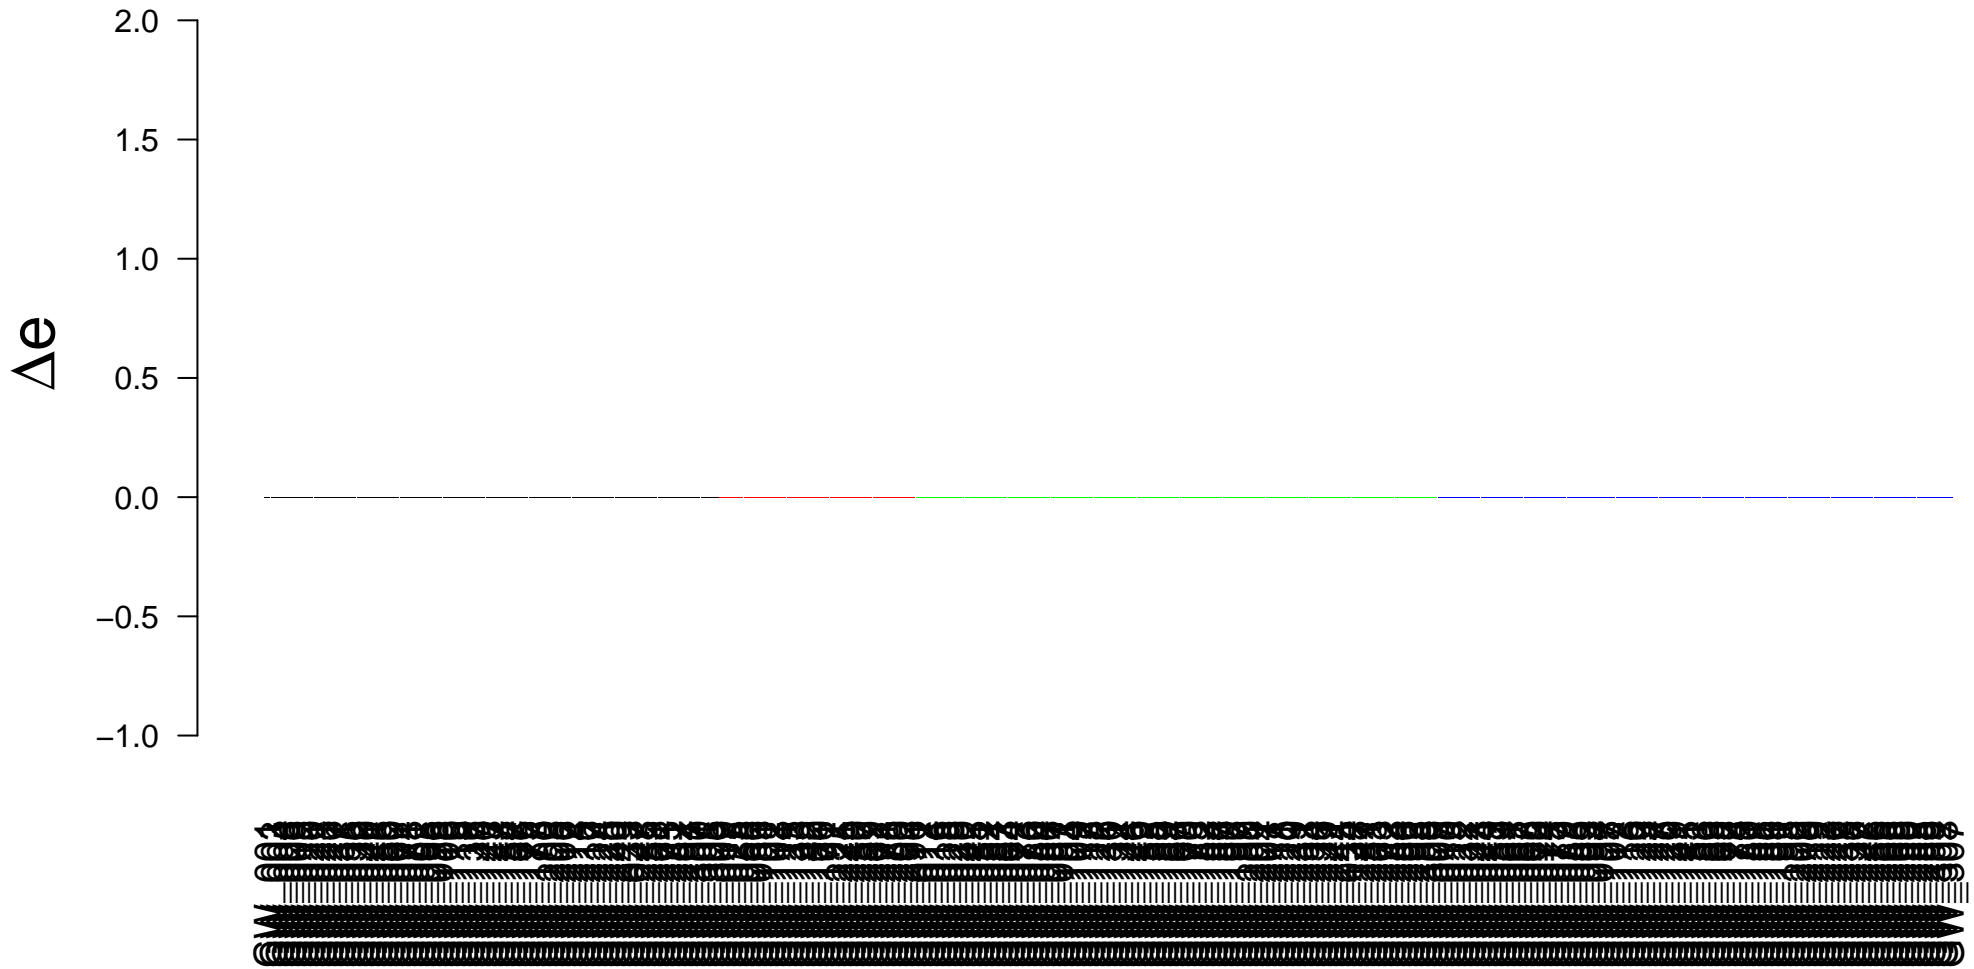

Expression of glutamate secretion in Spot A

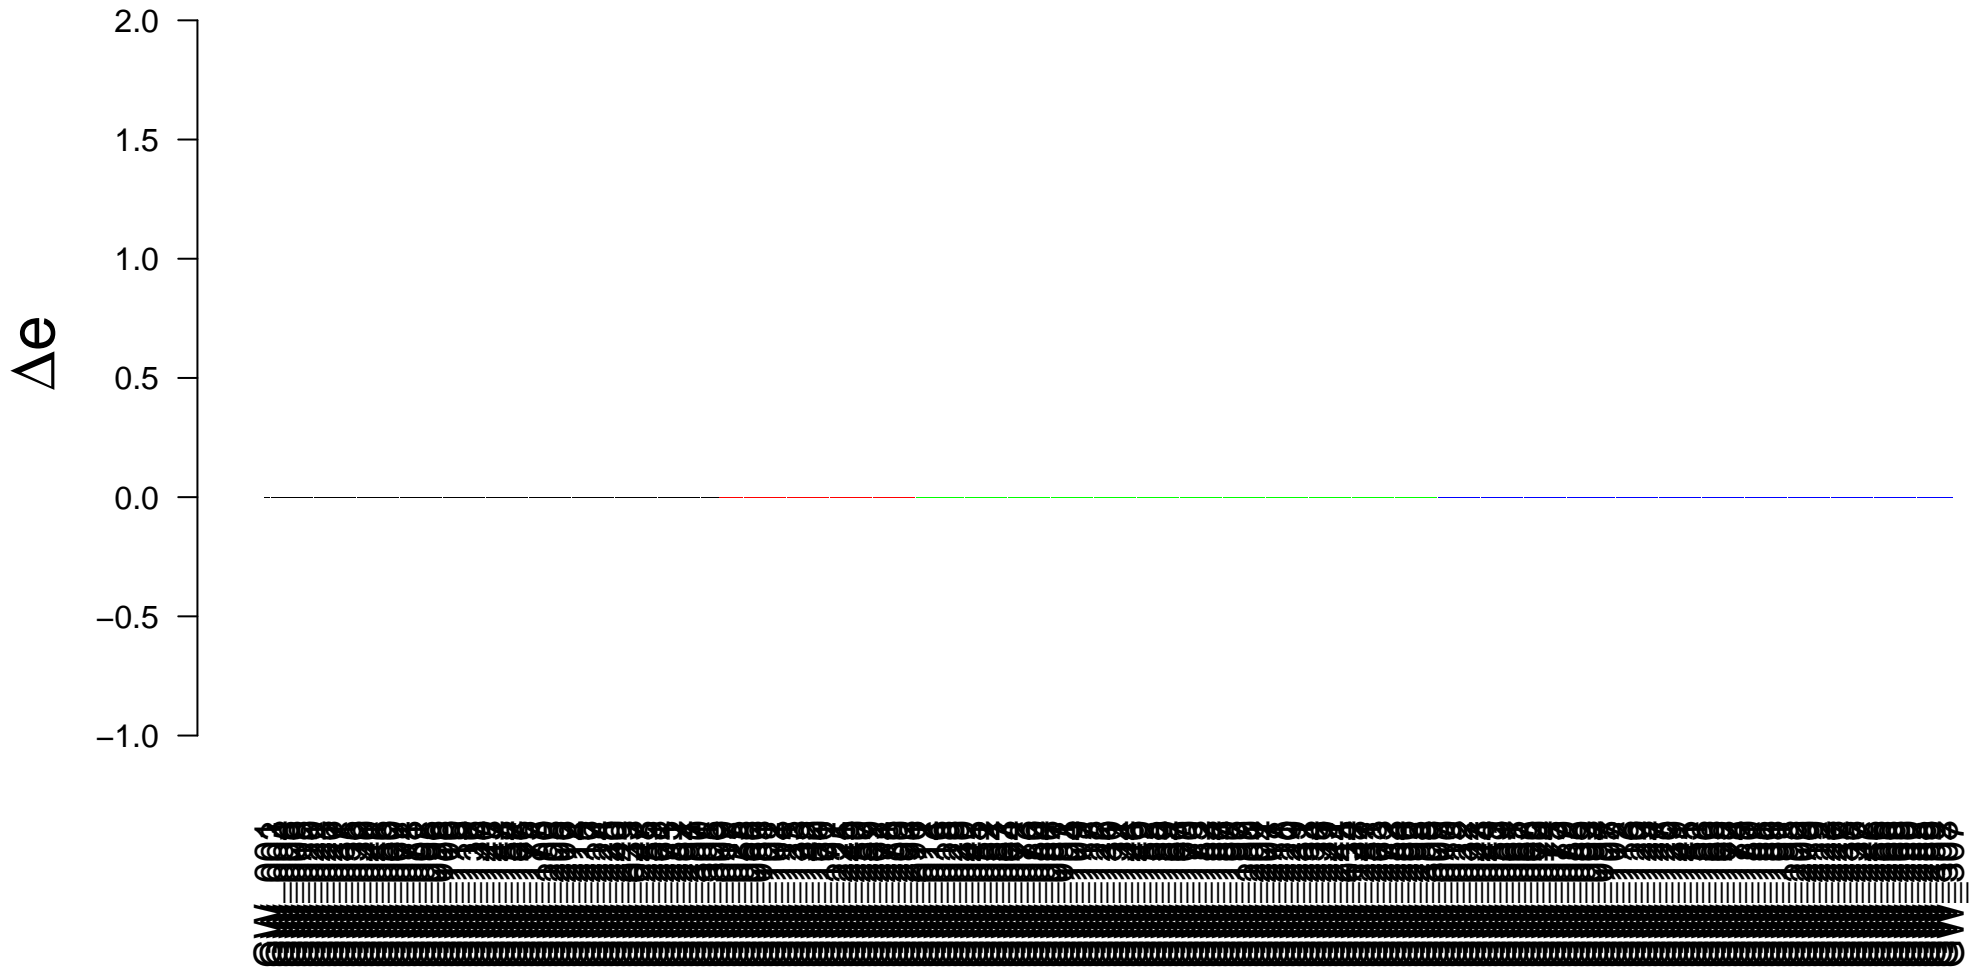

Expression of glutamate secretion in Spot B

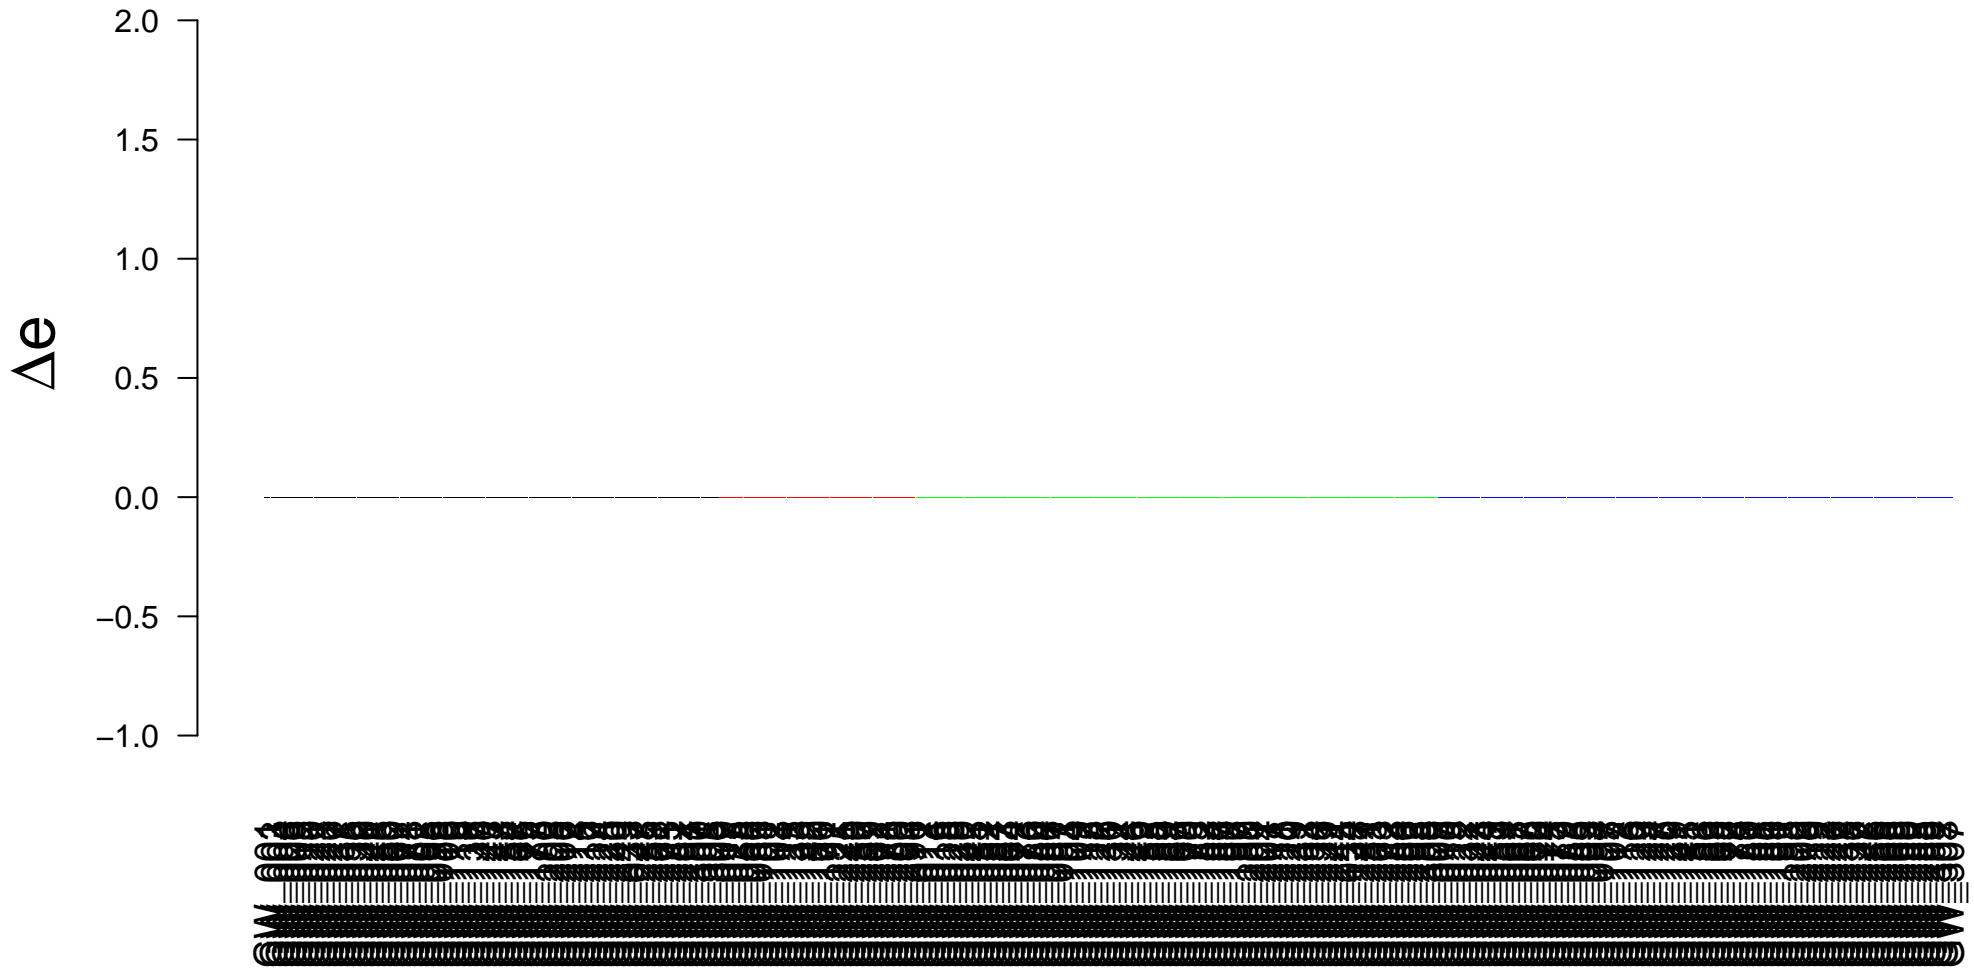

Expression of glutamate secretion in Spot C

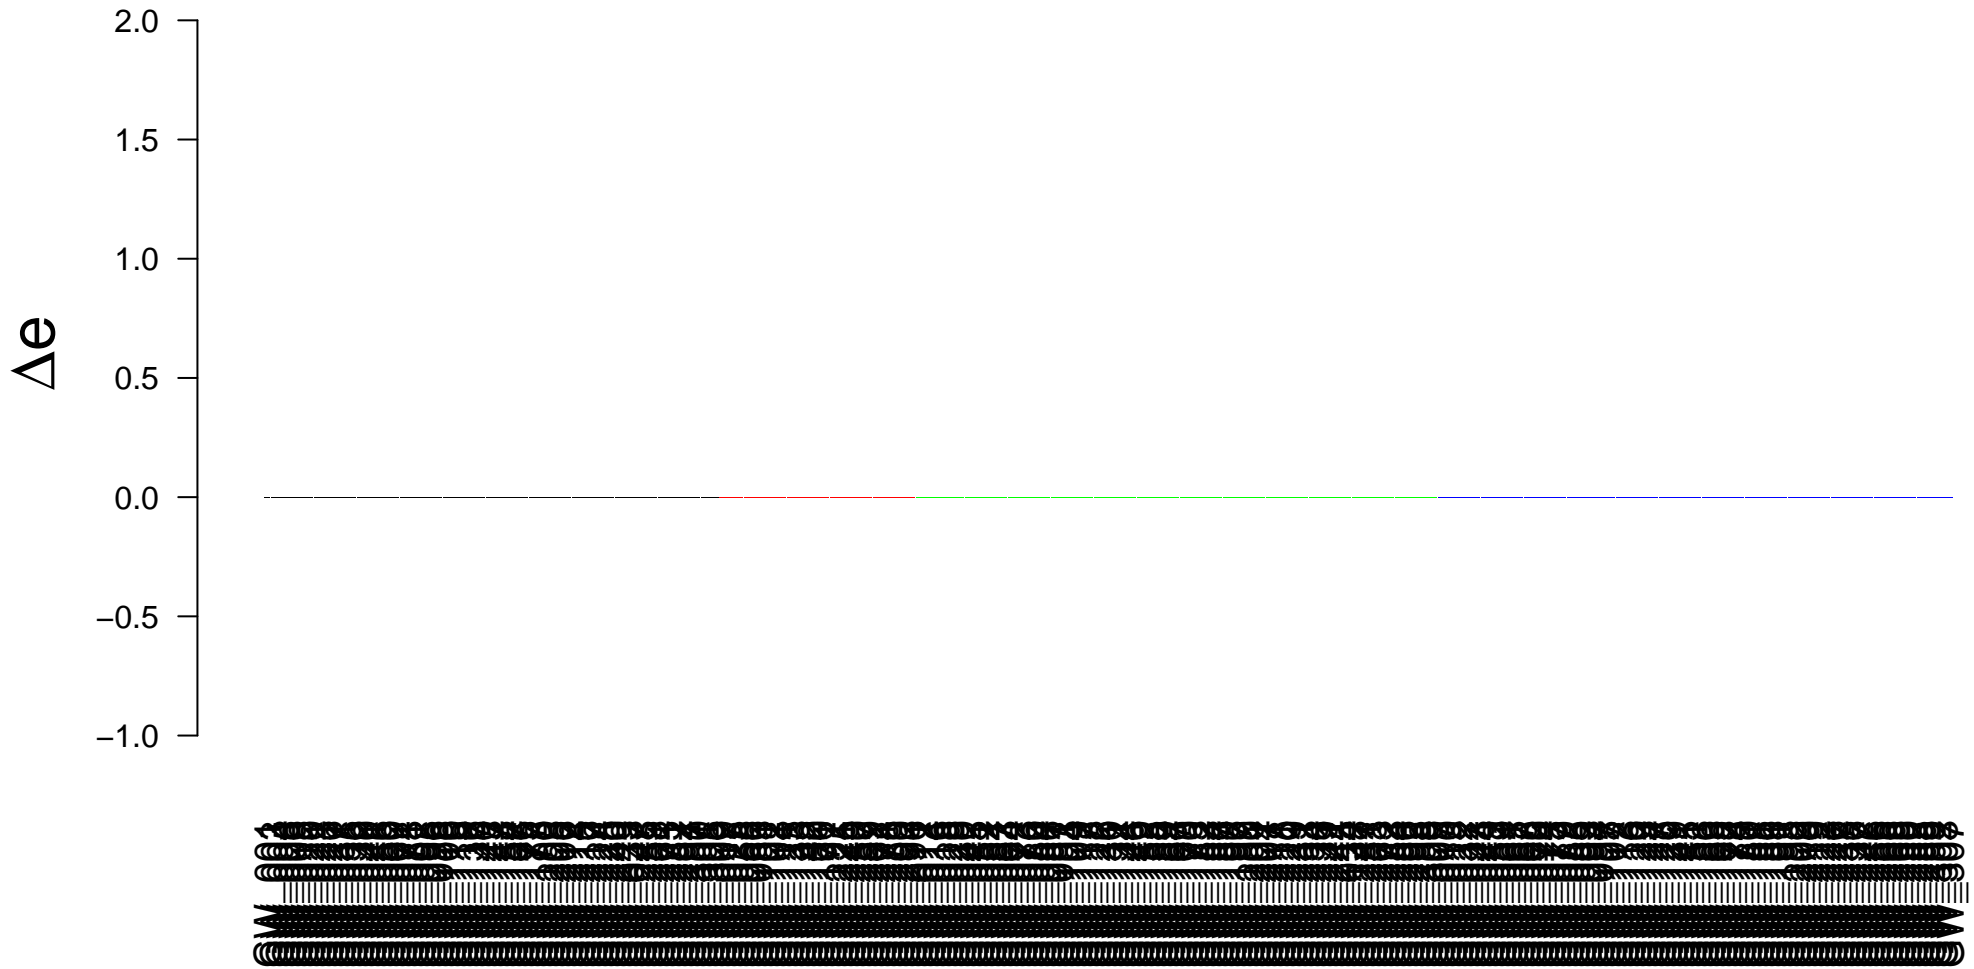

Expression of glutamate secretion in Spot D

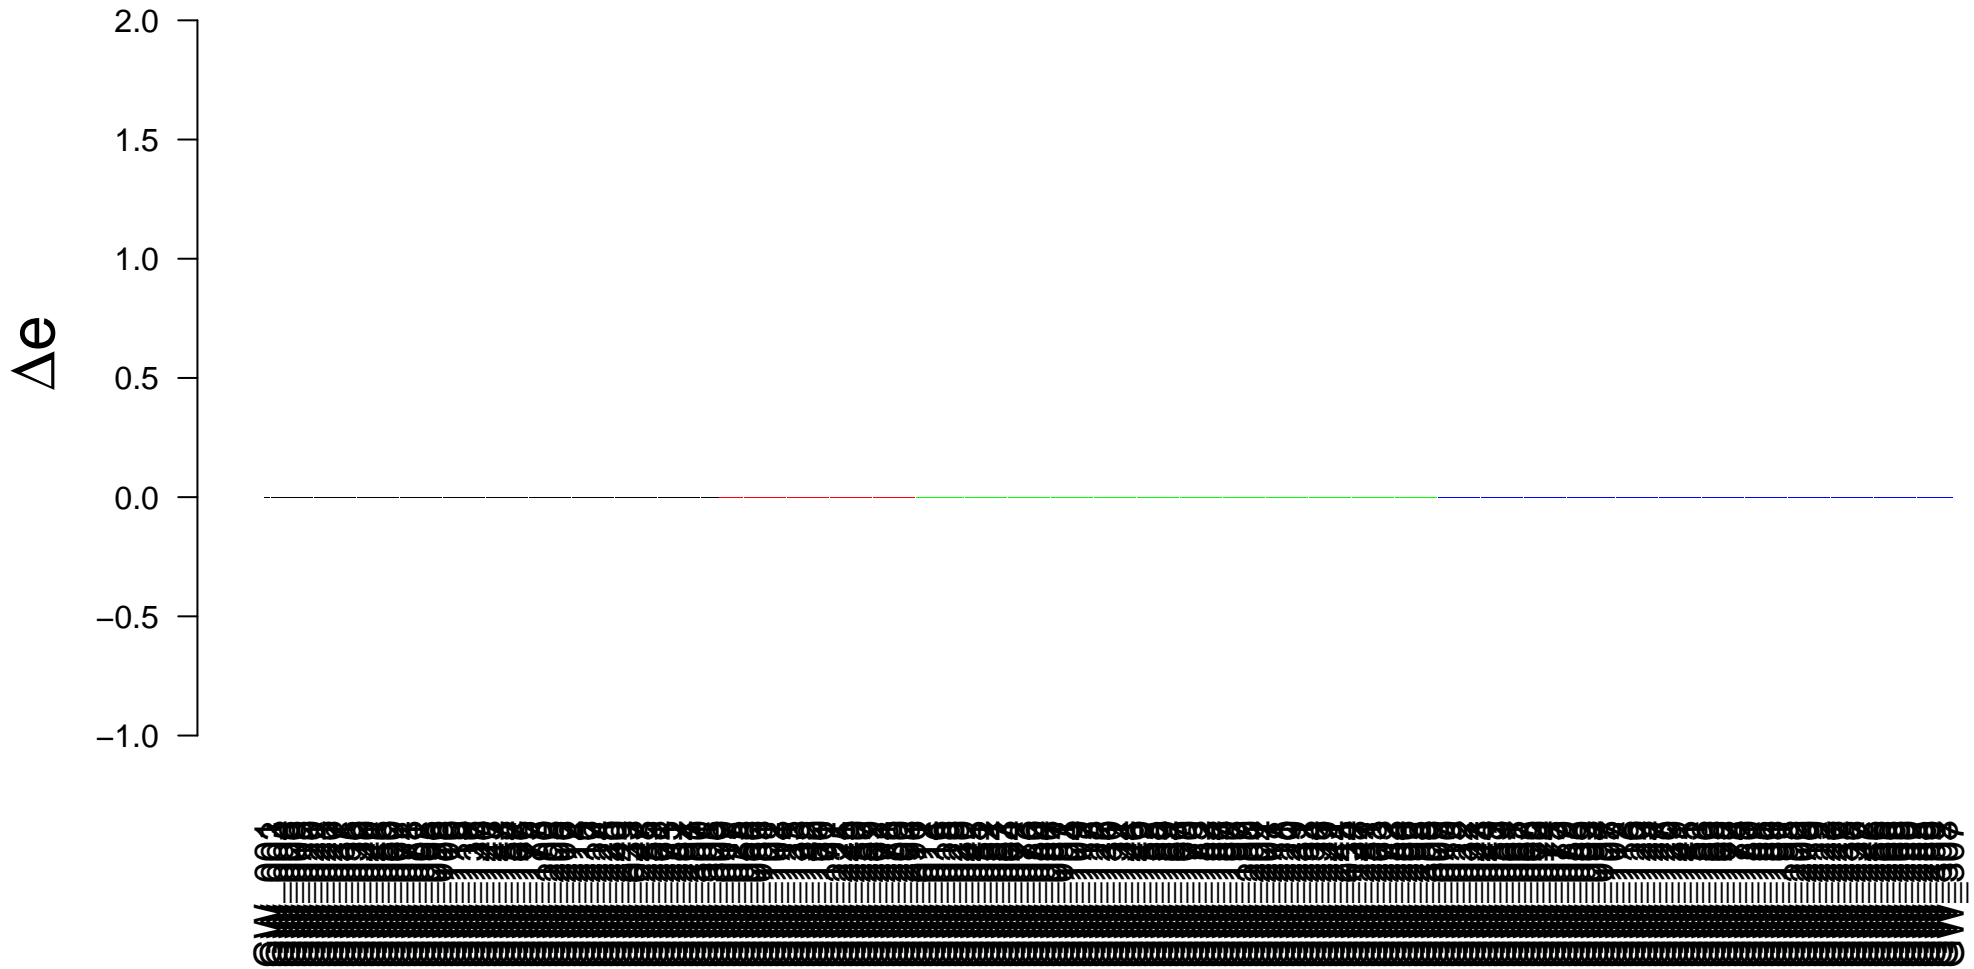

Expression of glutamate secretion in Spot E

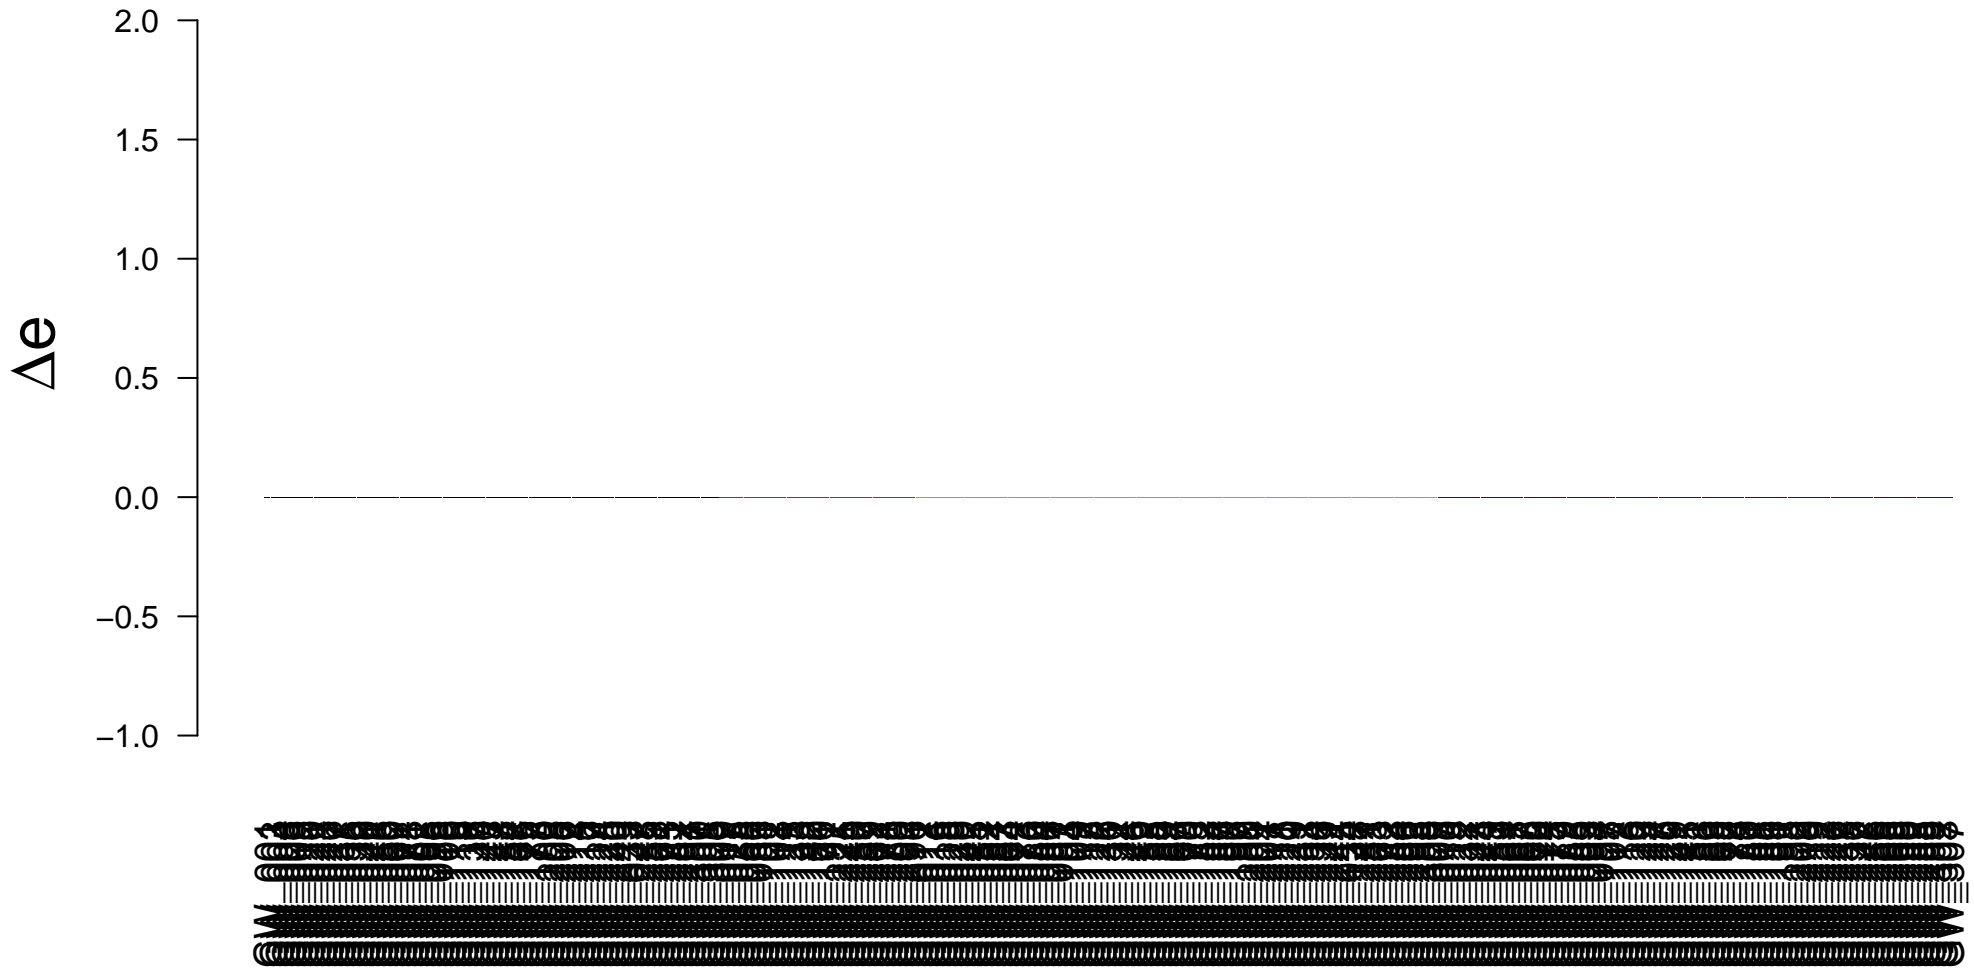

Expression of glutamate secretion in Spot F

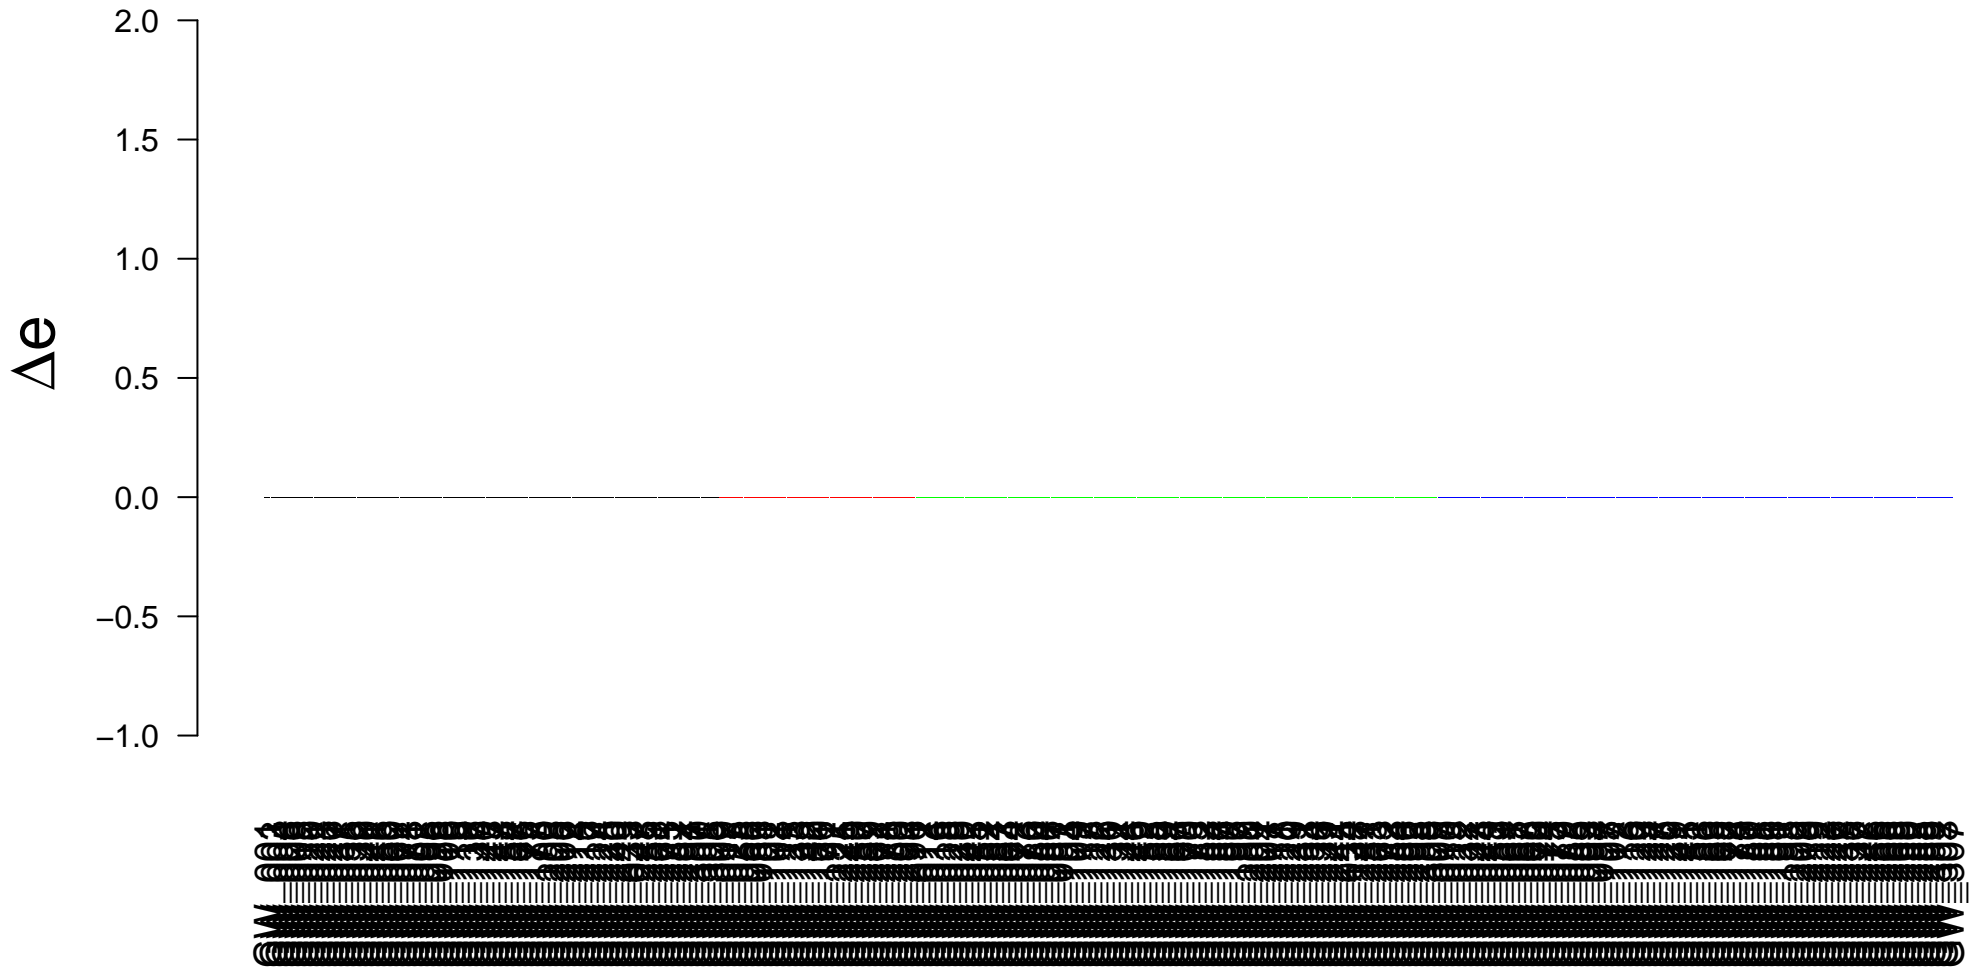

Expression of glutamate secretion in Spot G

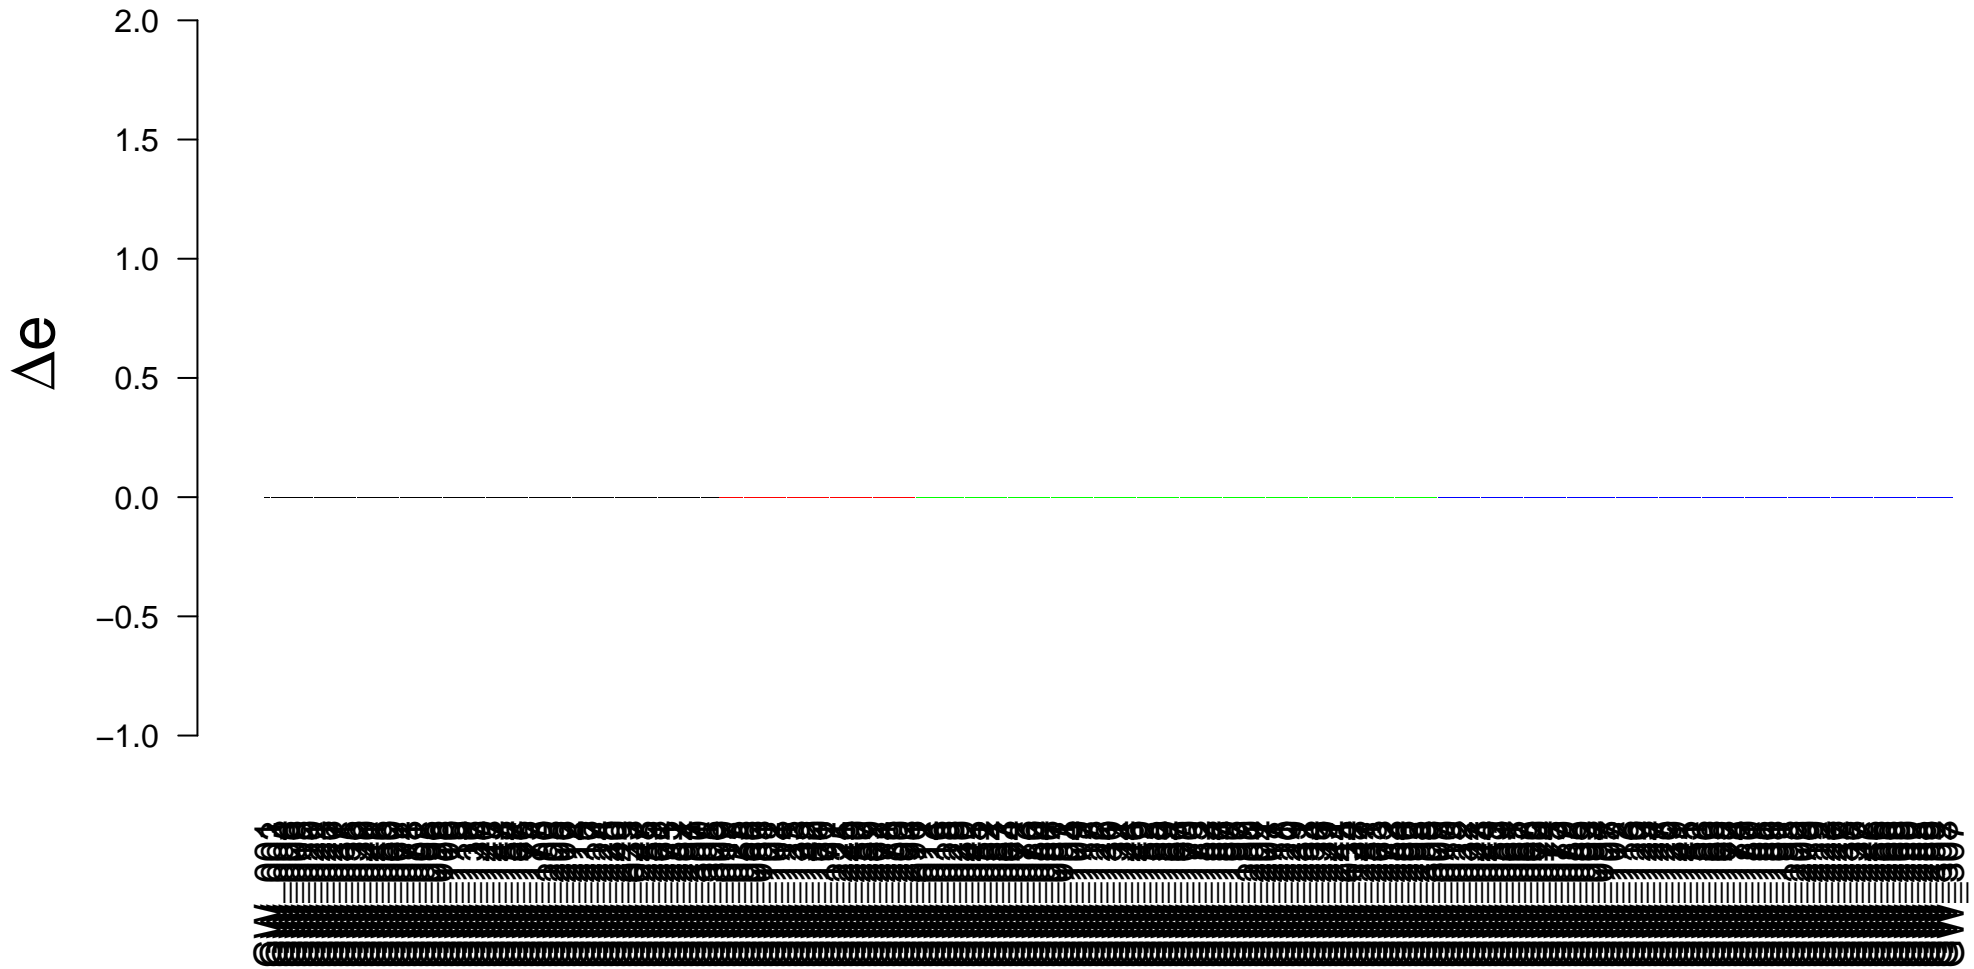

Expression of glutamate secretion in Spot H

Expression of glutamate secretion in Spot I

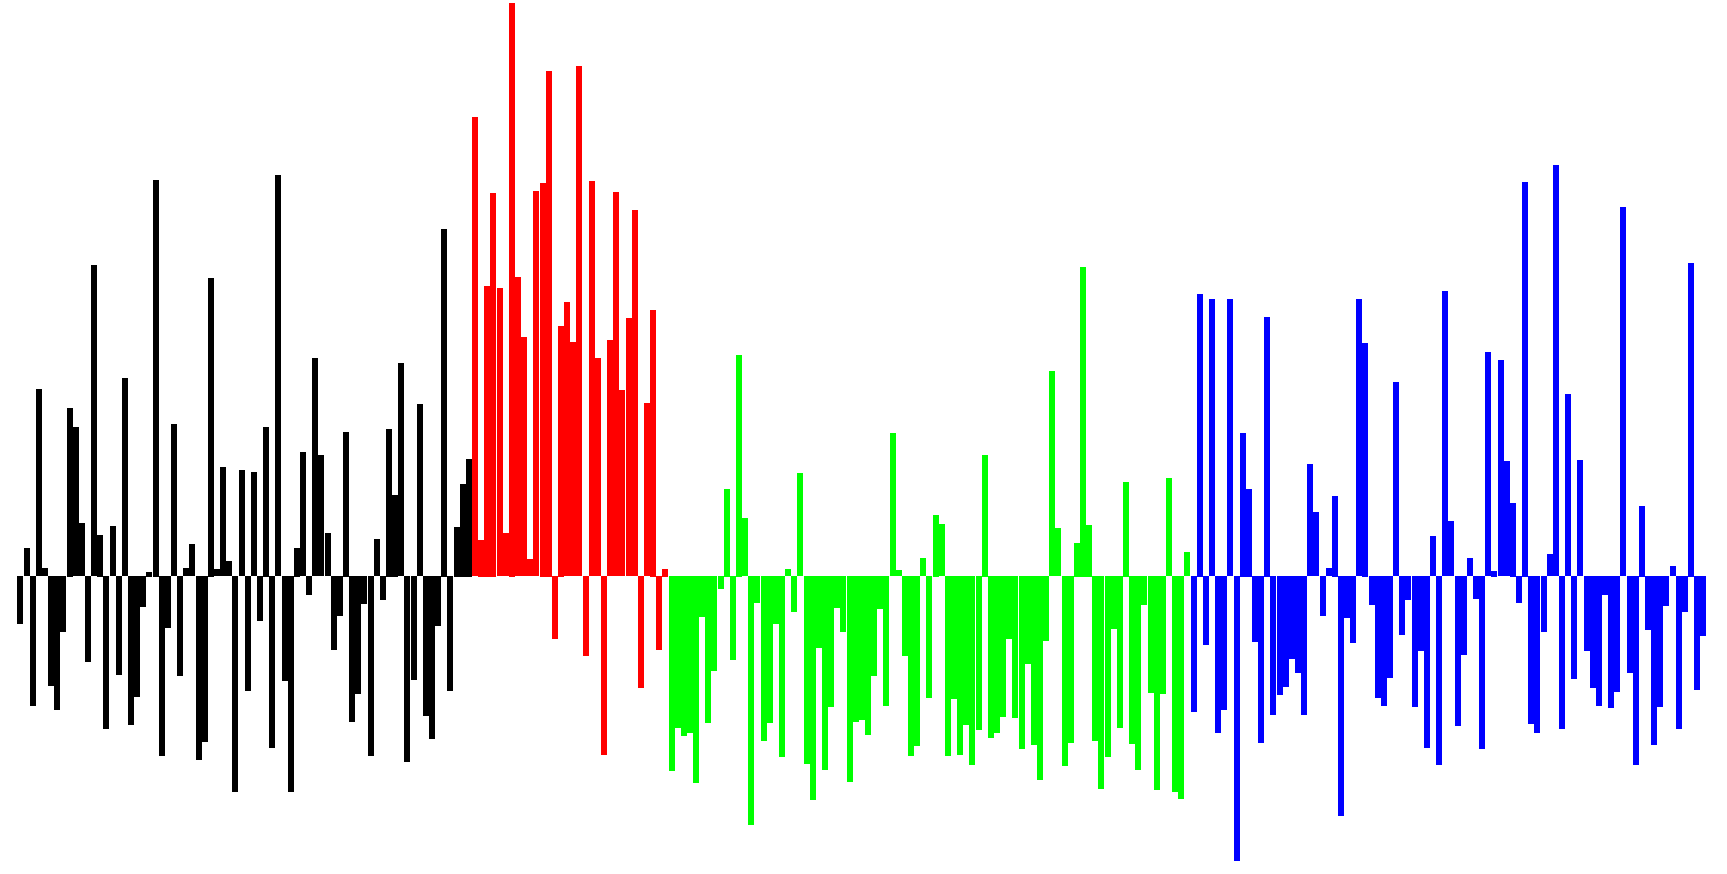

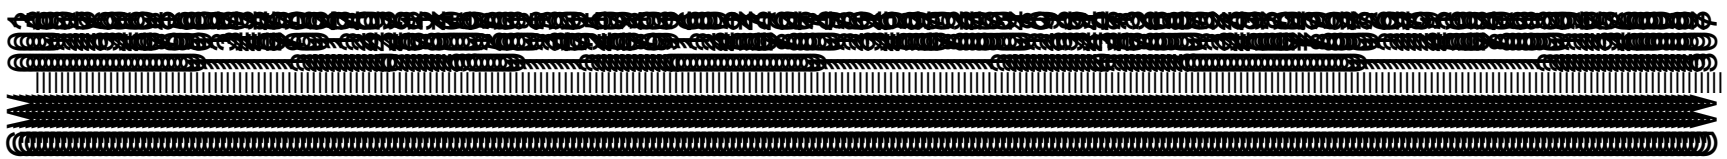

Expression of glutamate secretion in Spot J

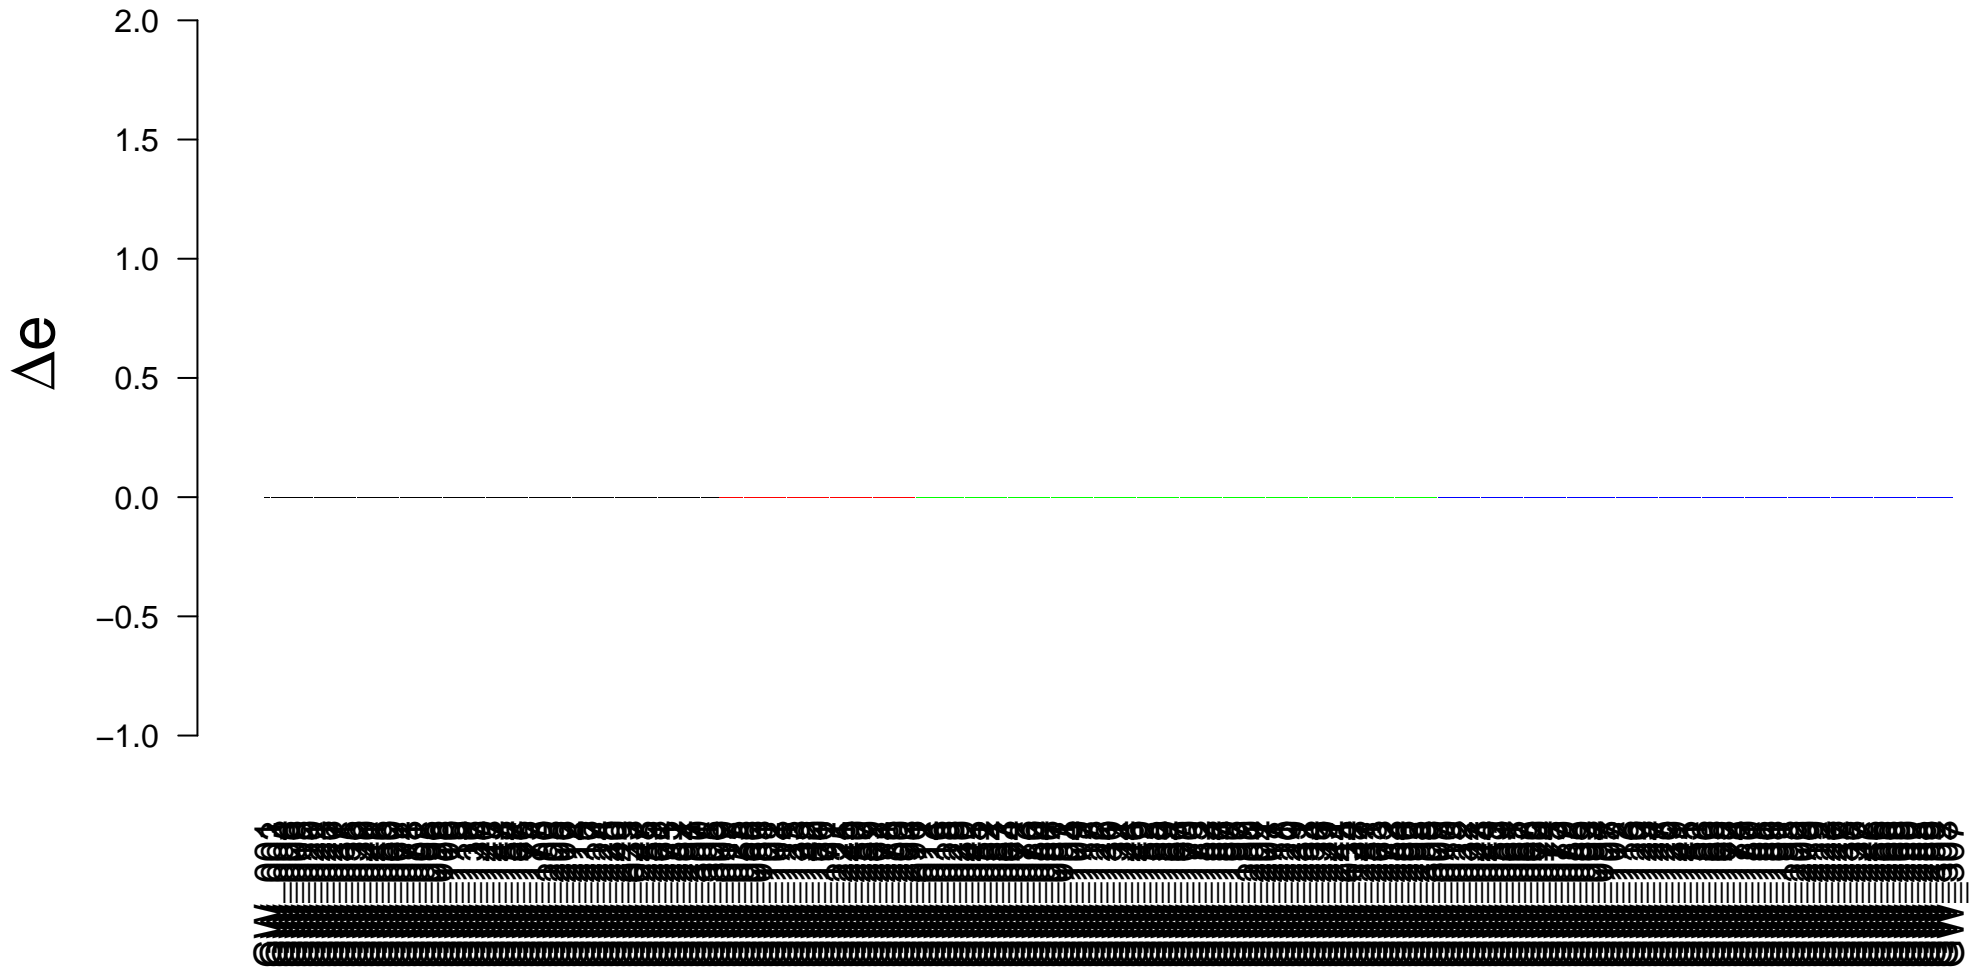

Expression of glutamate secretion in Spot K
