

glutamine metabolic process

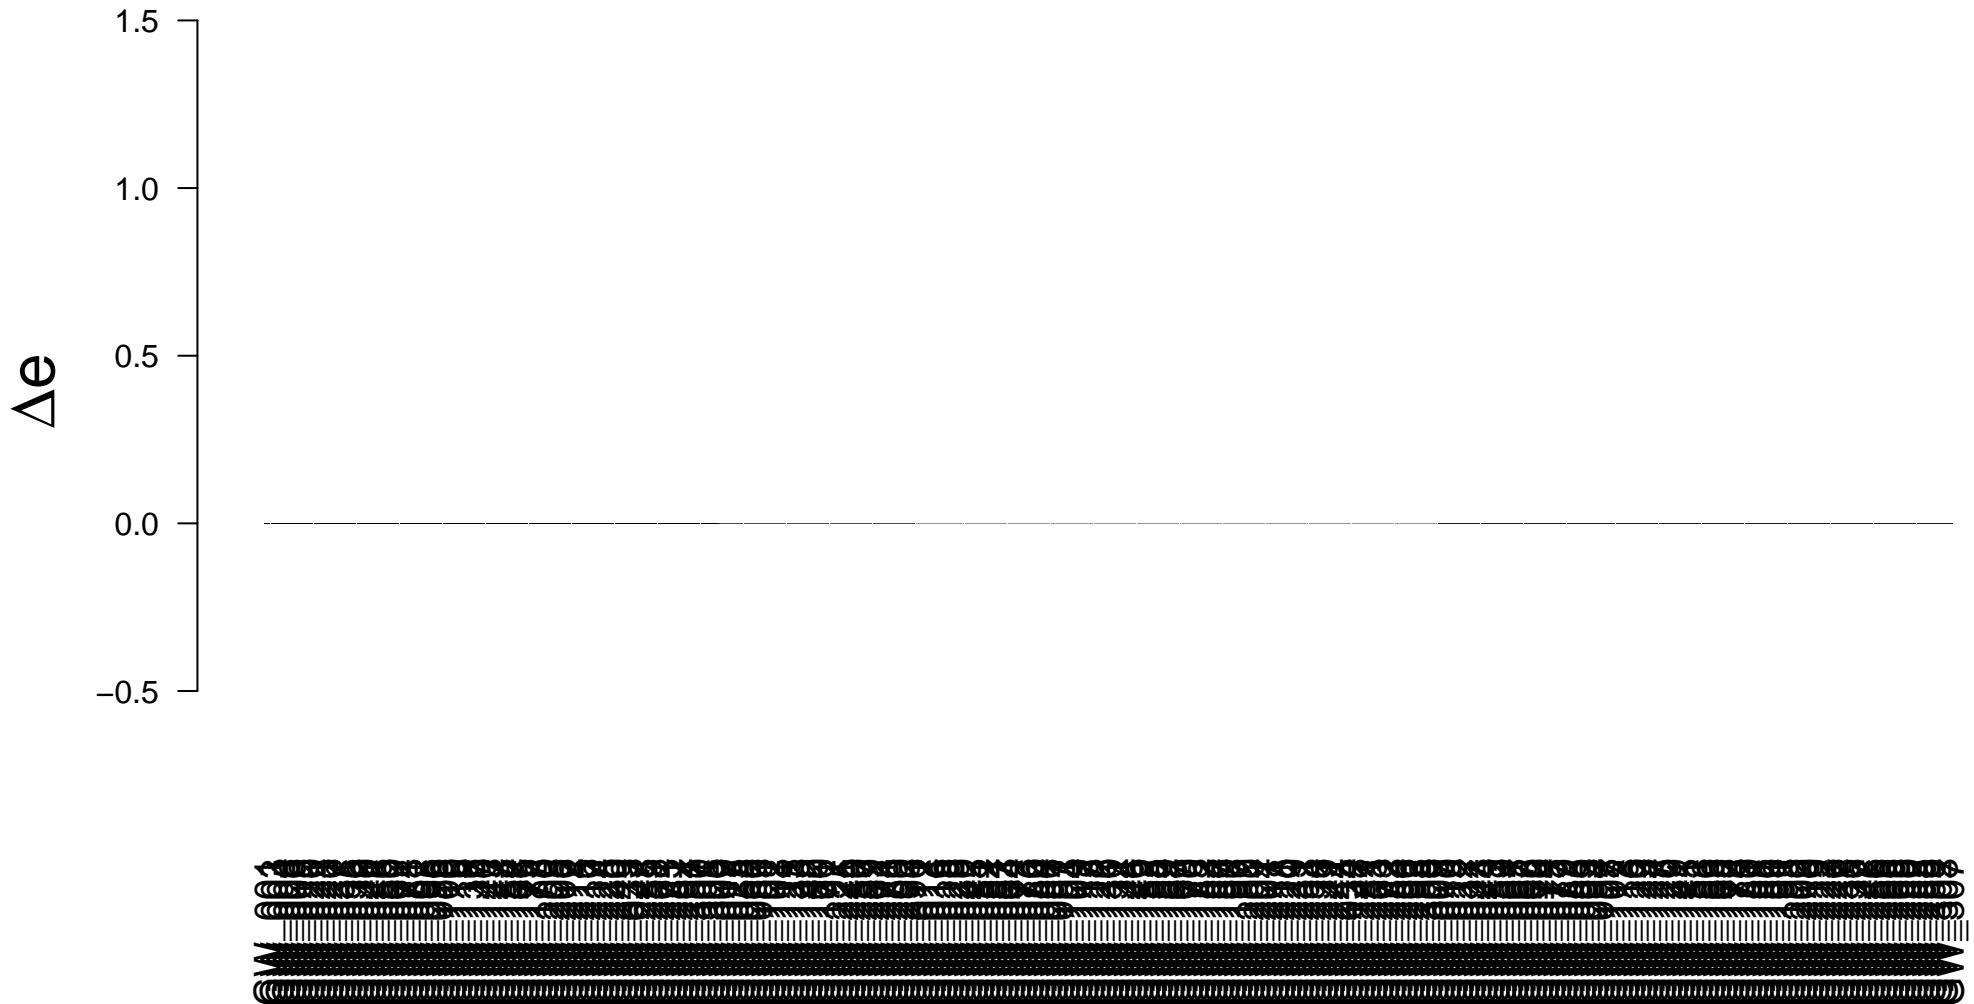

glutamine metabolic process

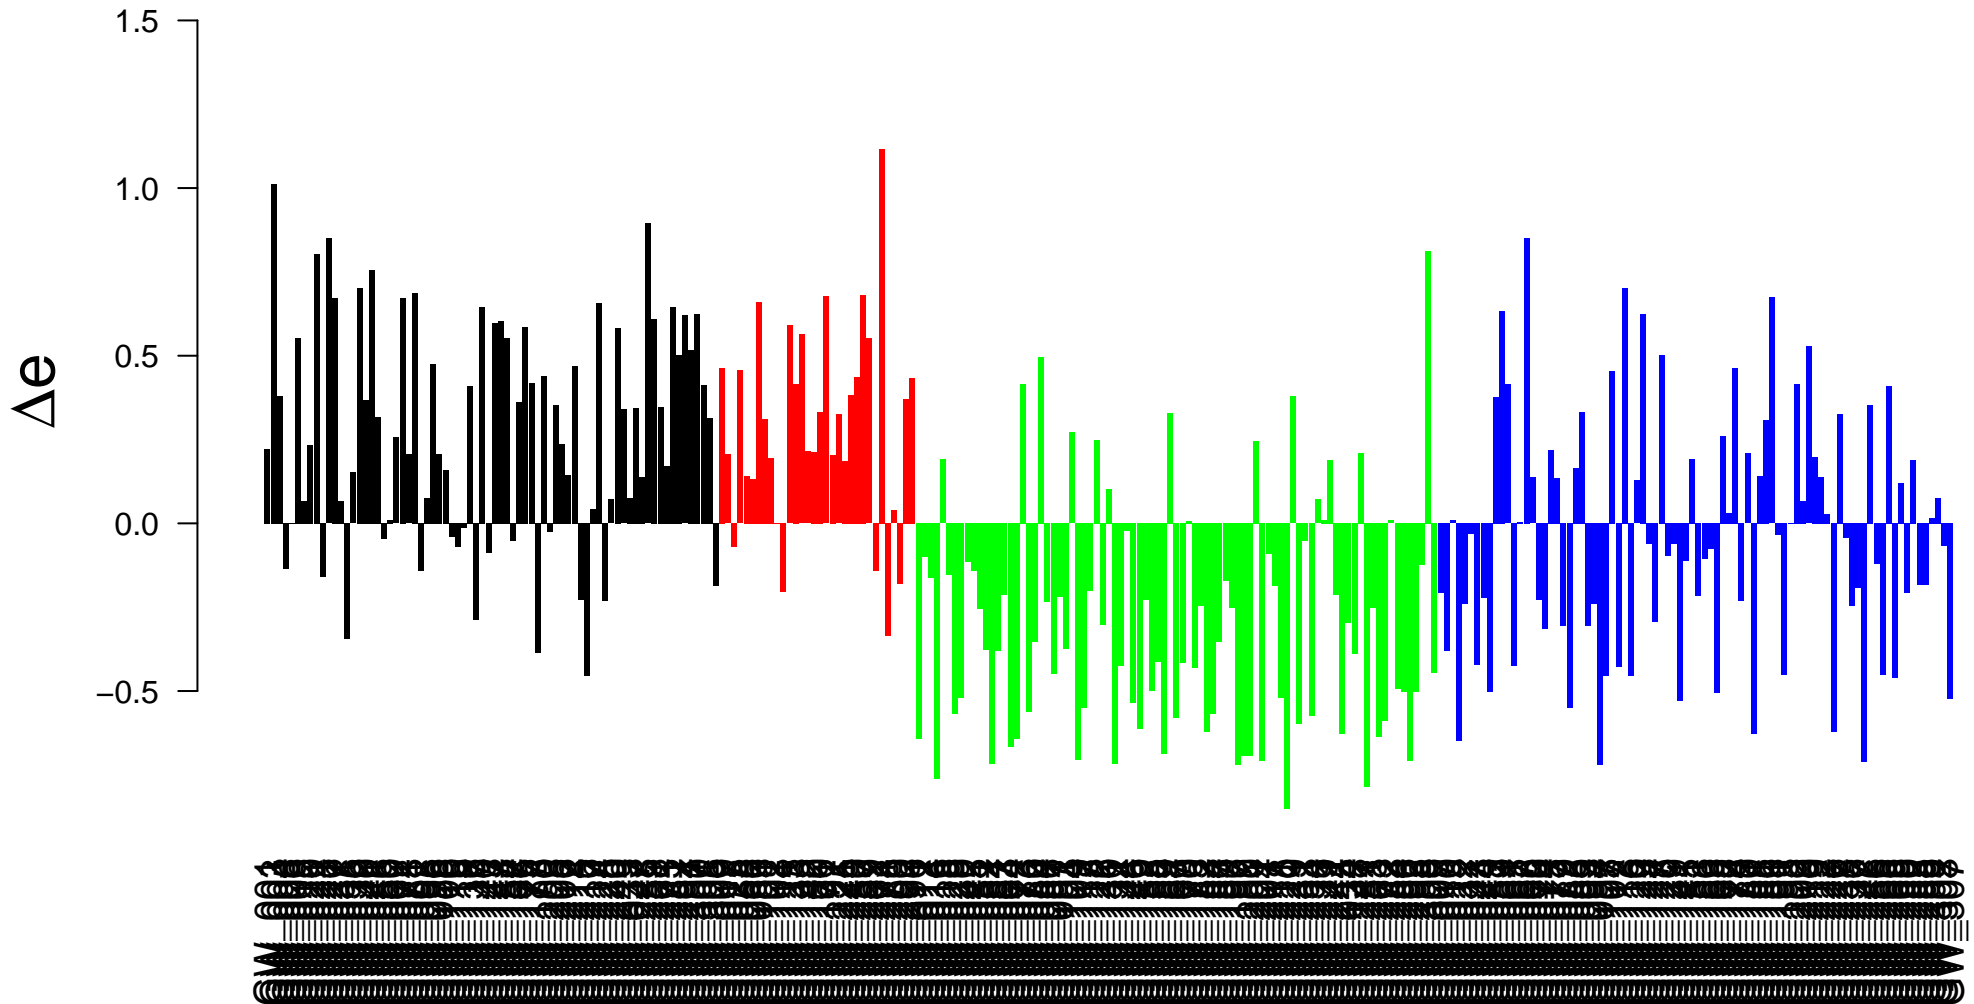

Enrichment in spots: glutamine metabolic process

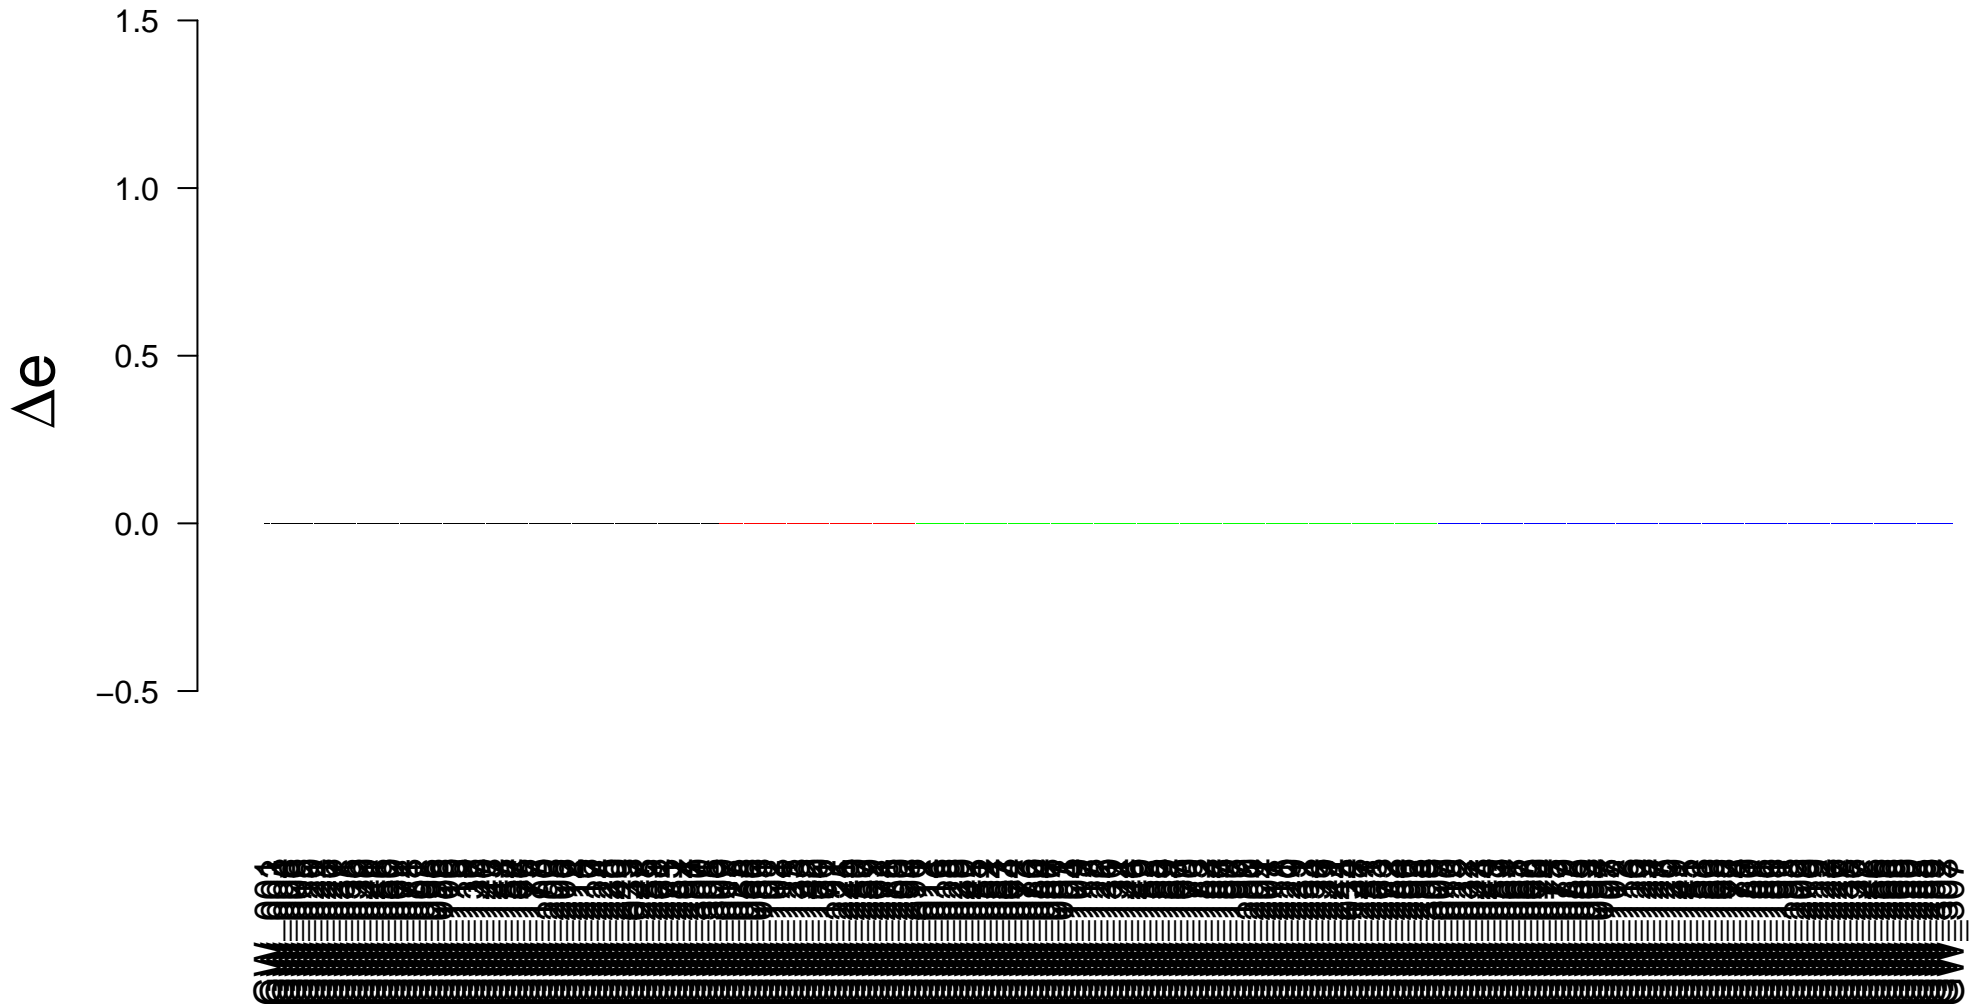

Expression of glutamine metabolic process in Spot A

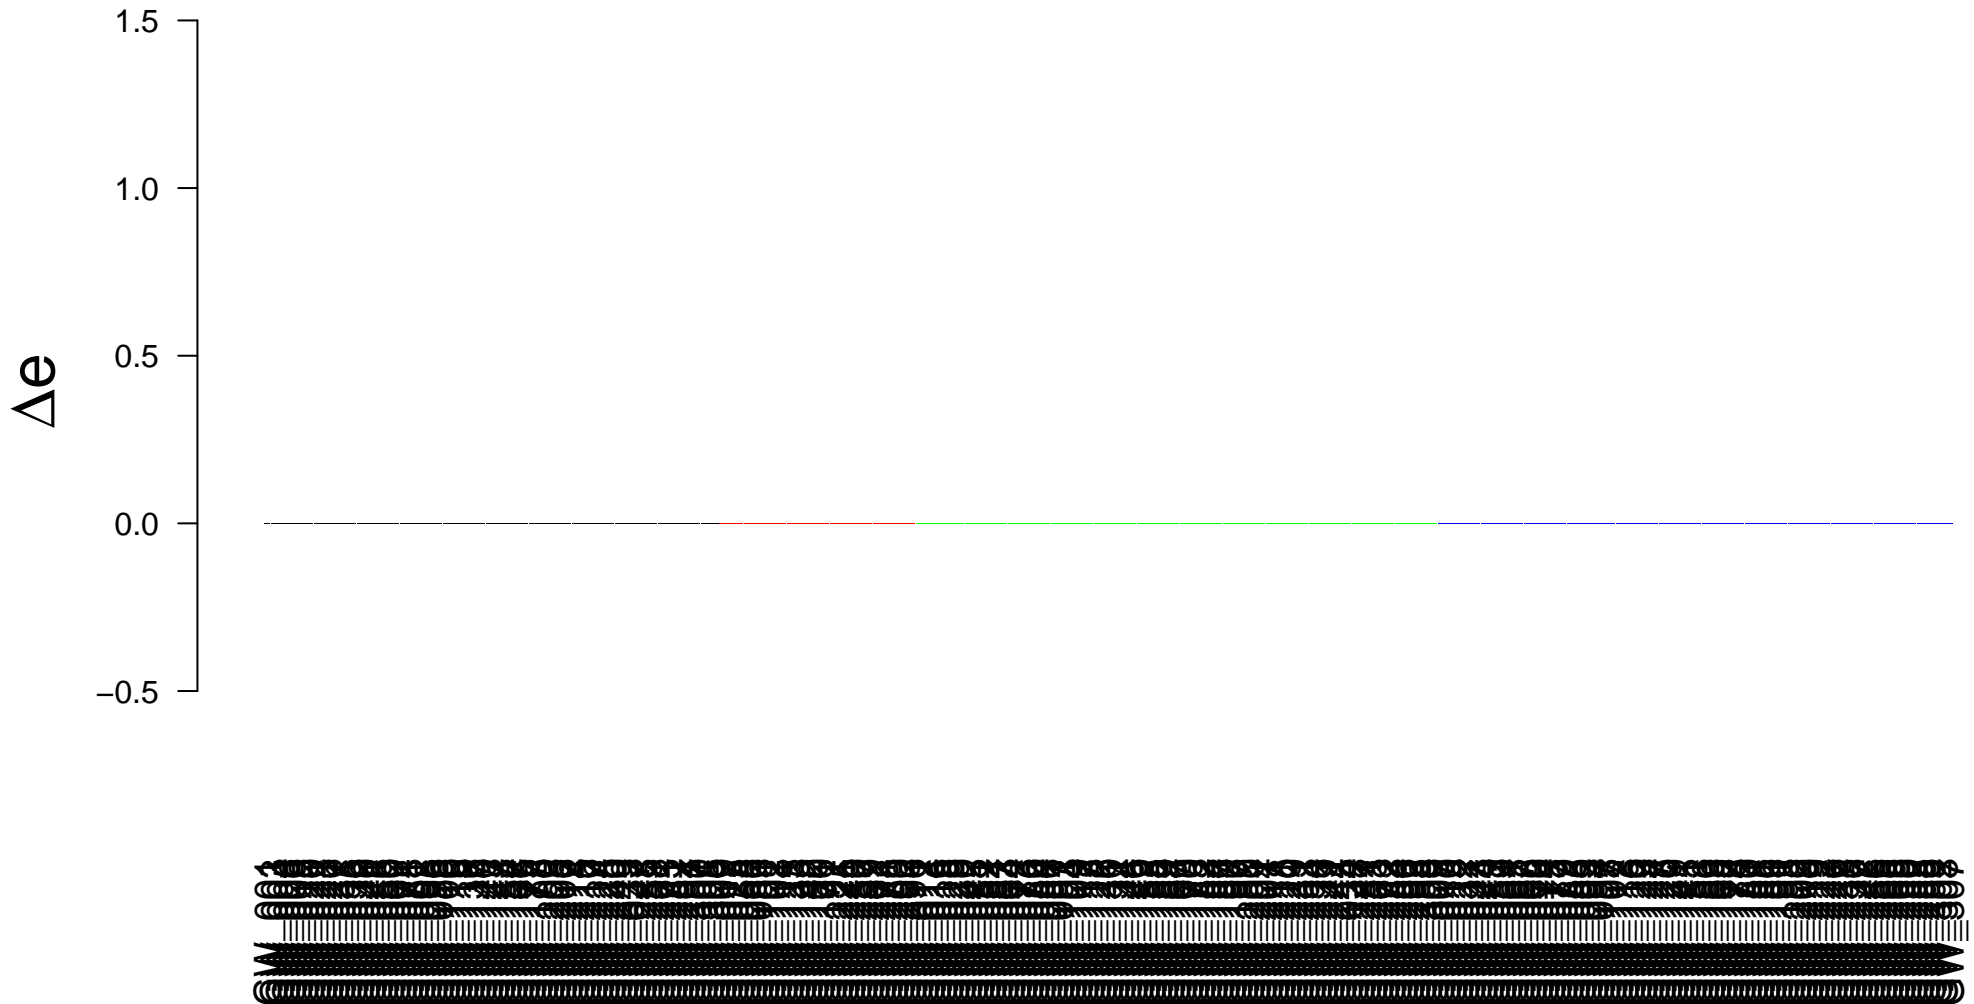

Expression of glutamine metabolic process in Spot B

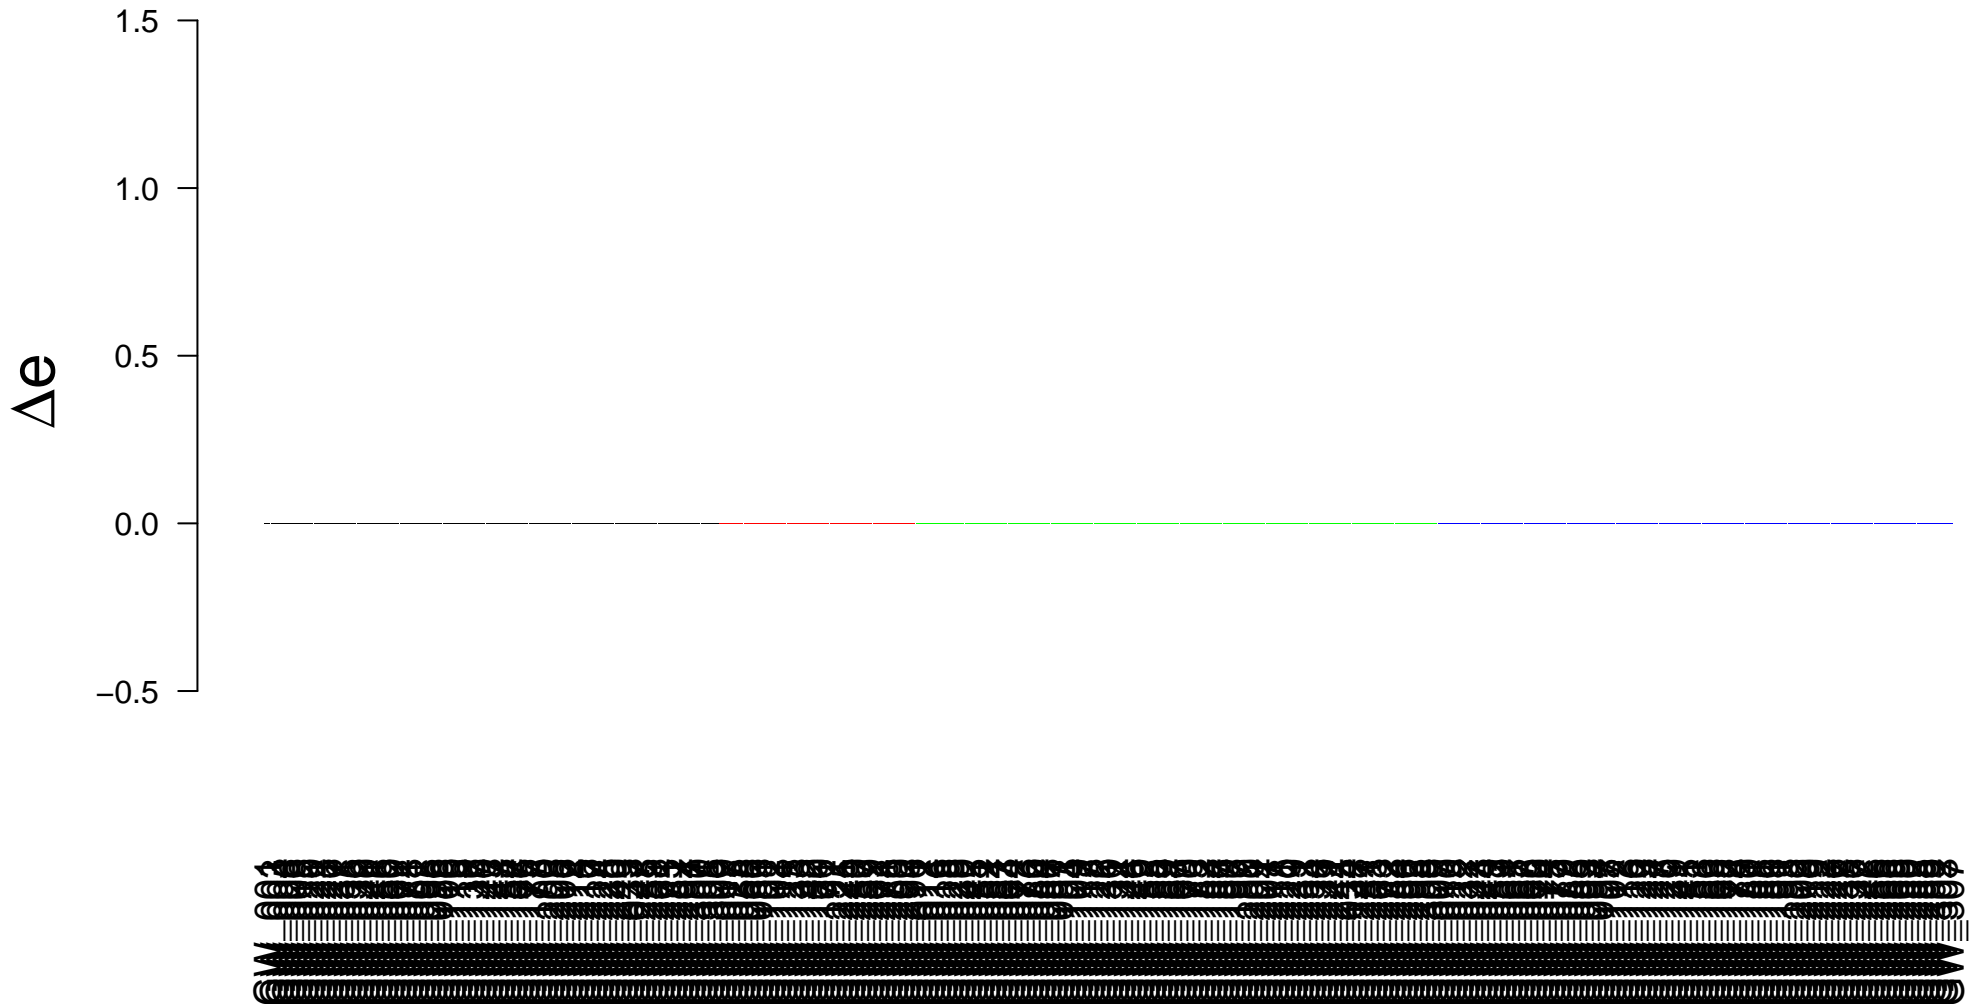

Expression of glutamine metabolic process in Spot C

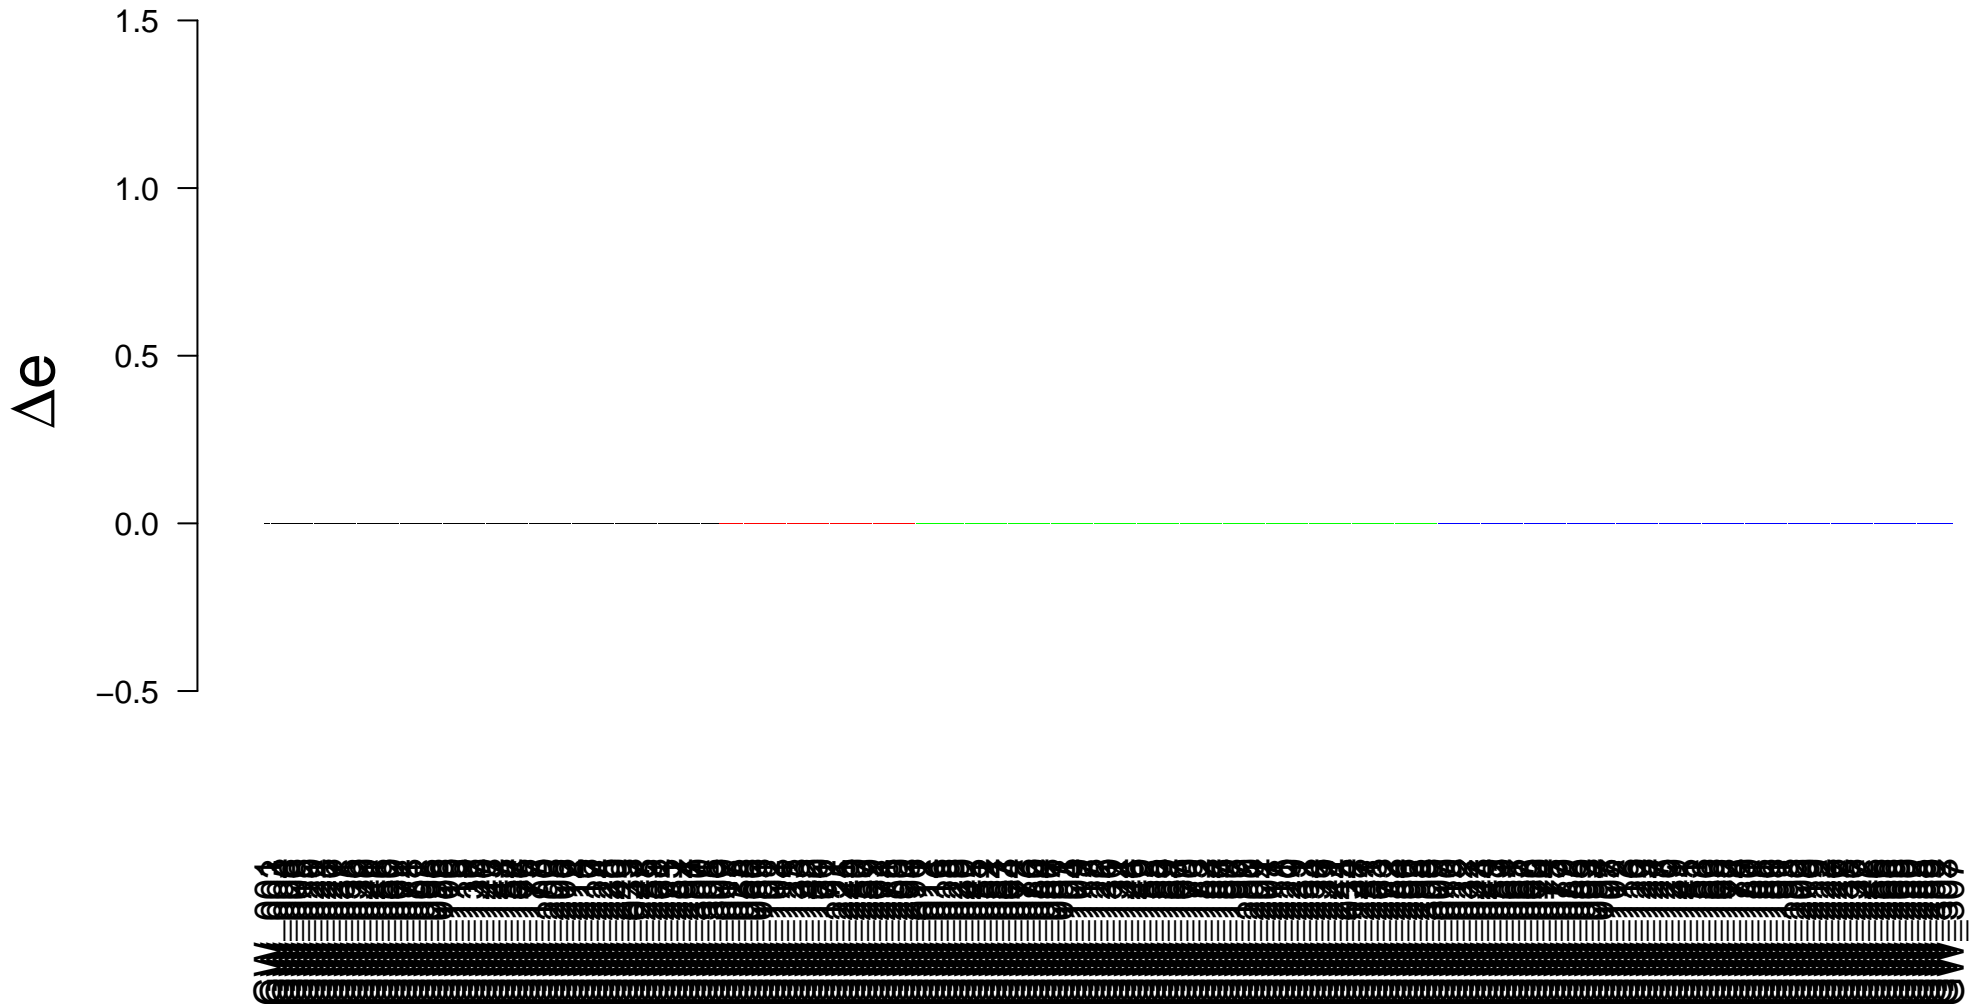

Expression of glutamine metabolic process in Spot D

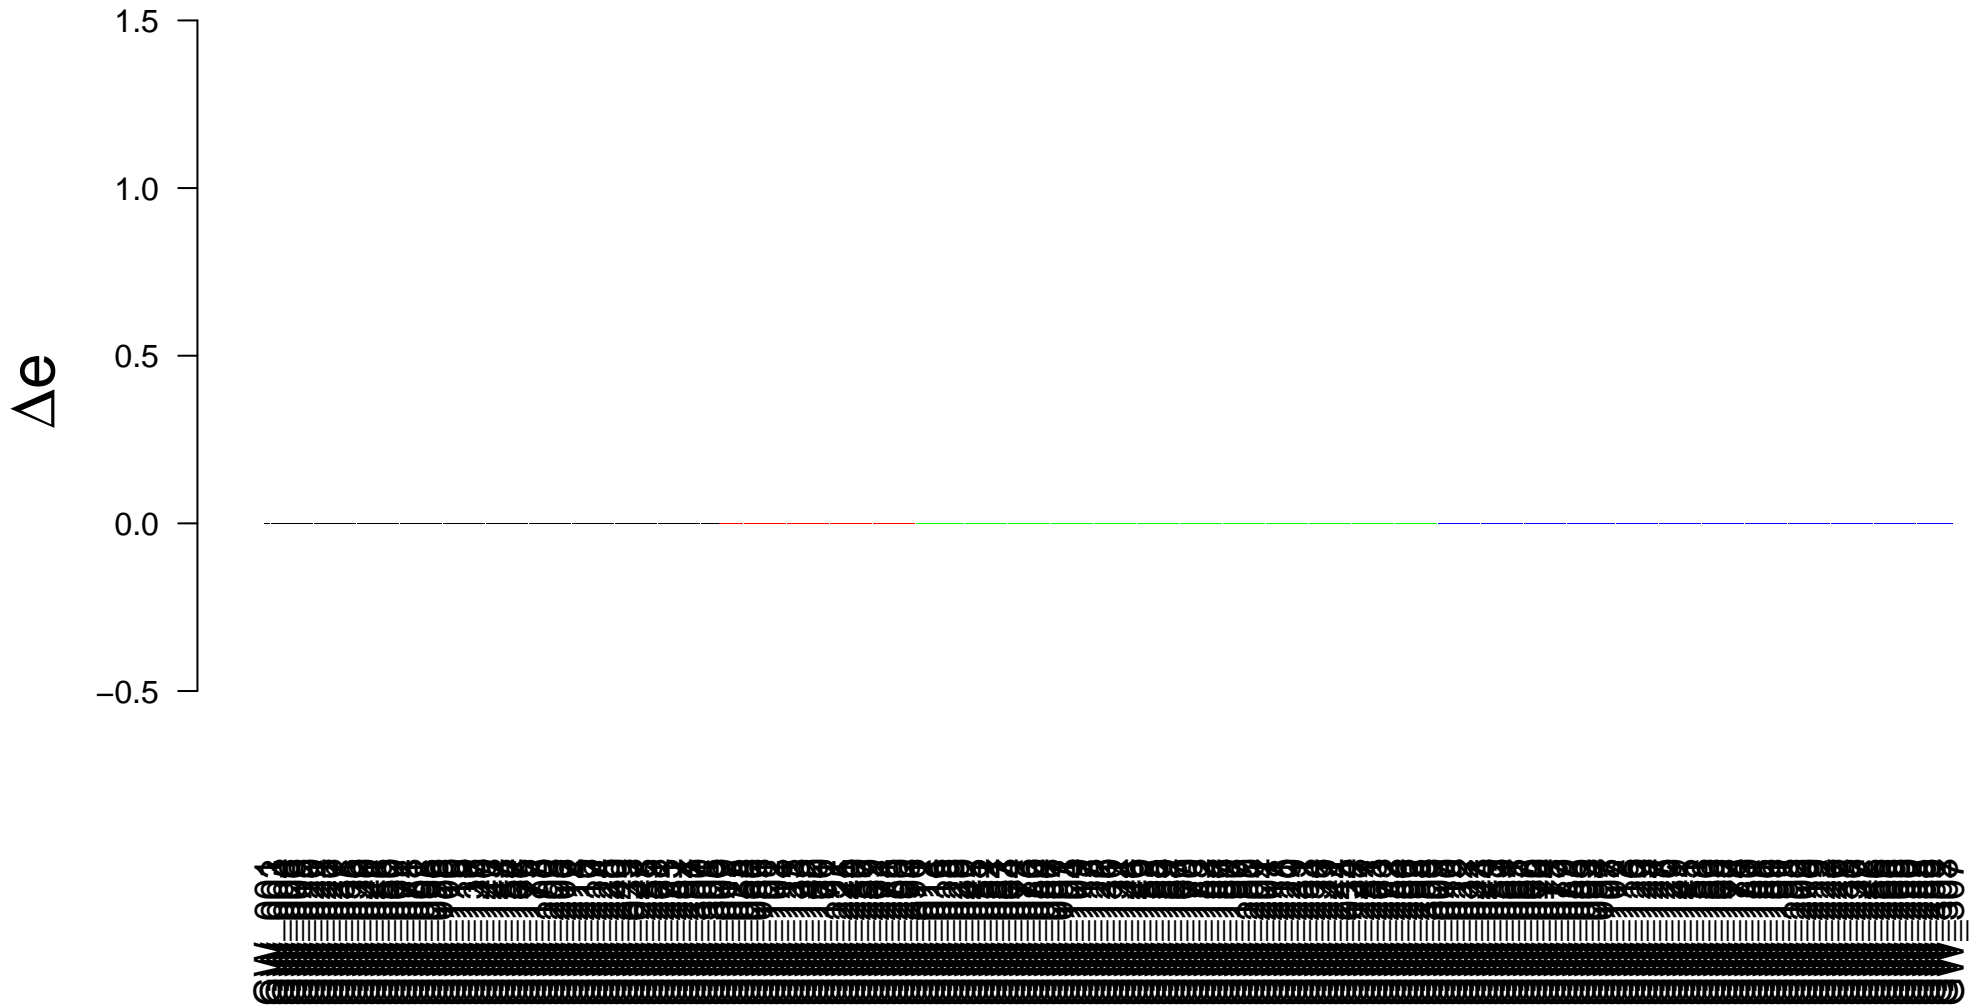

Expression of glutamine metabolic process in Spot E

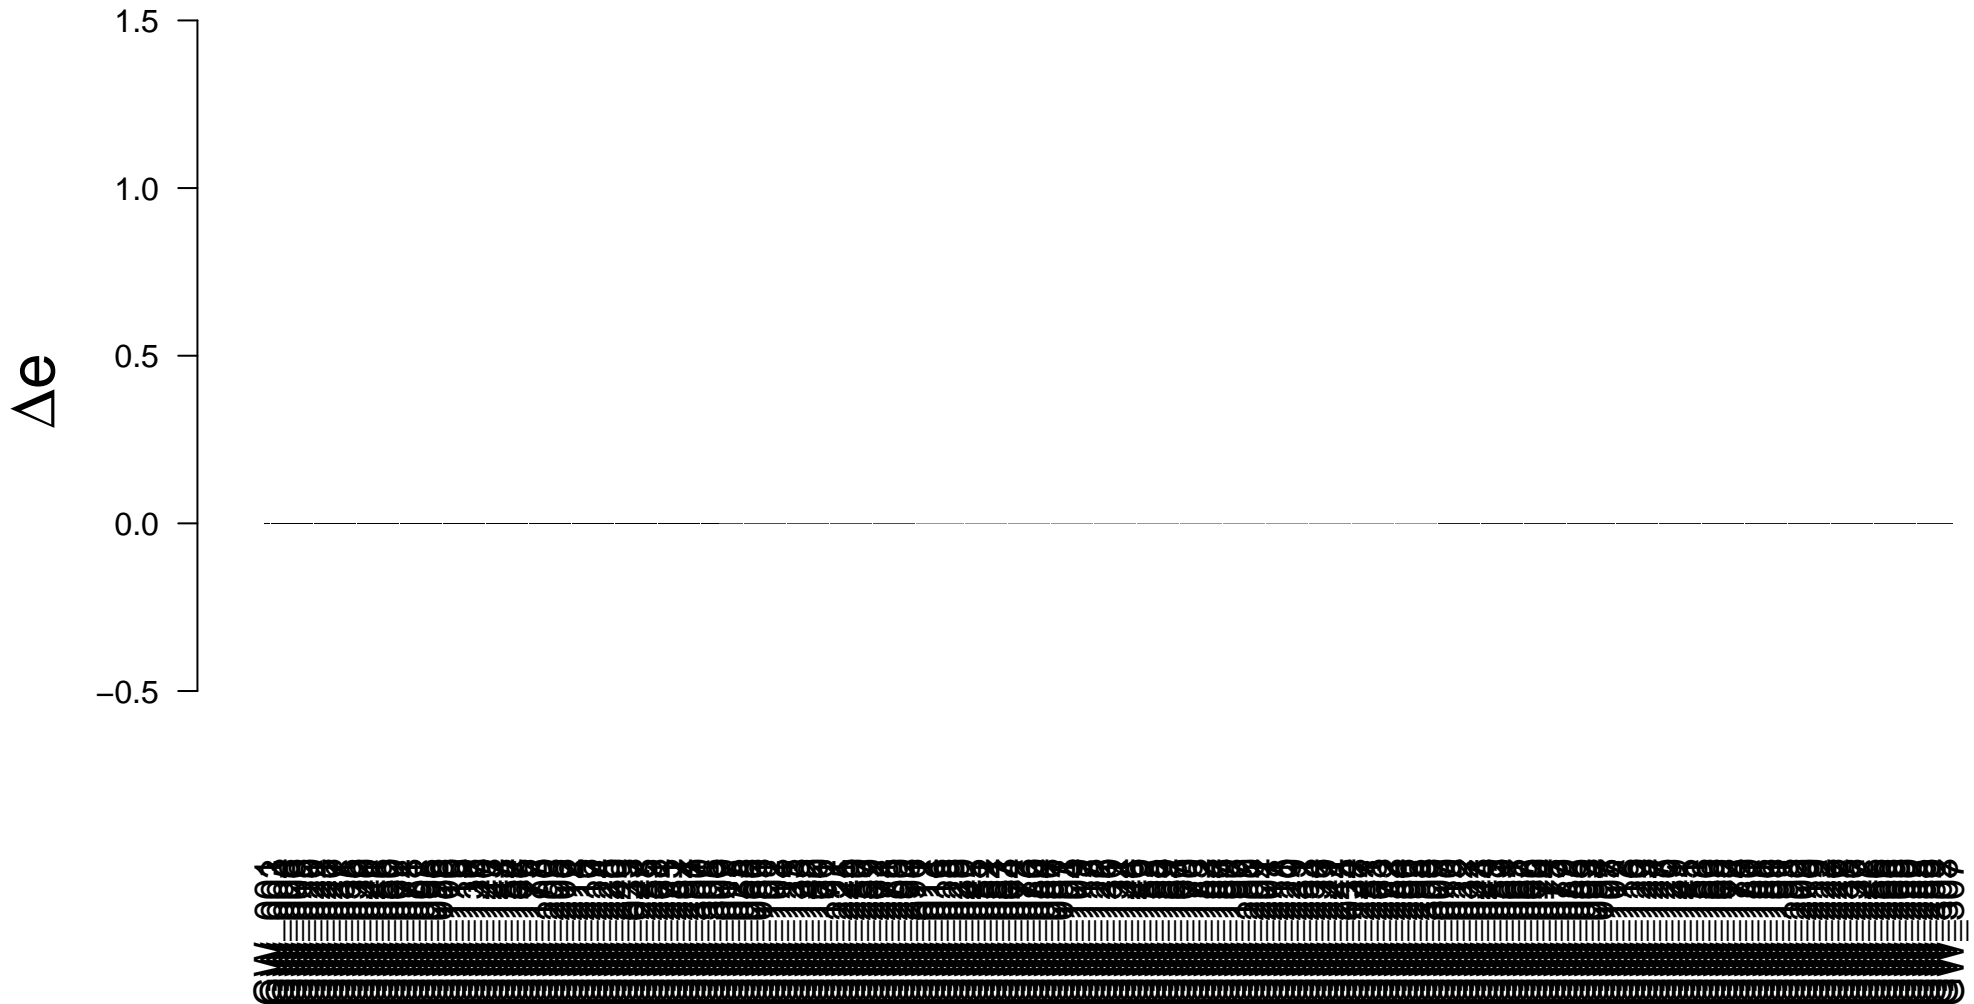

Expression of glutamine metabolic process in Spot F

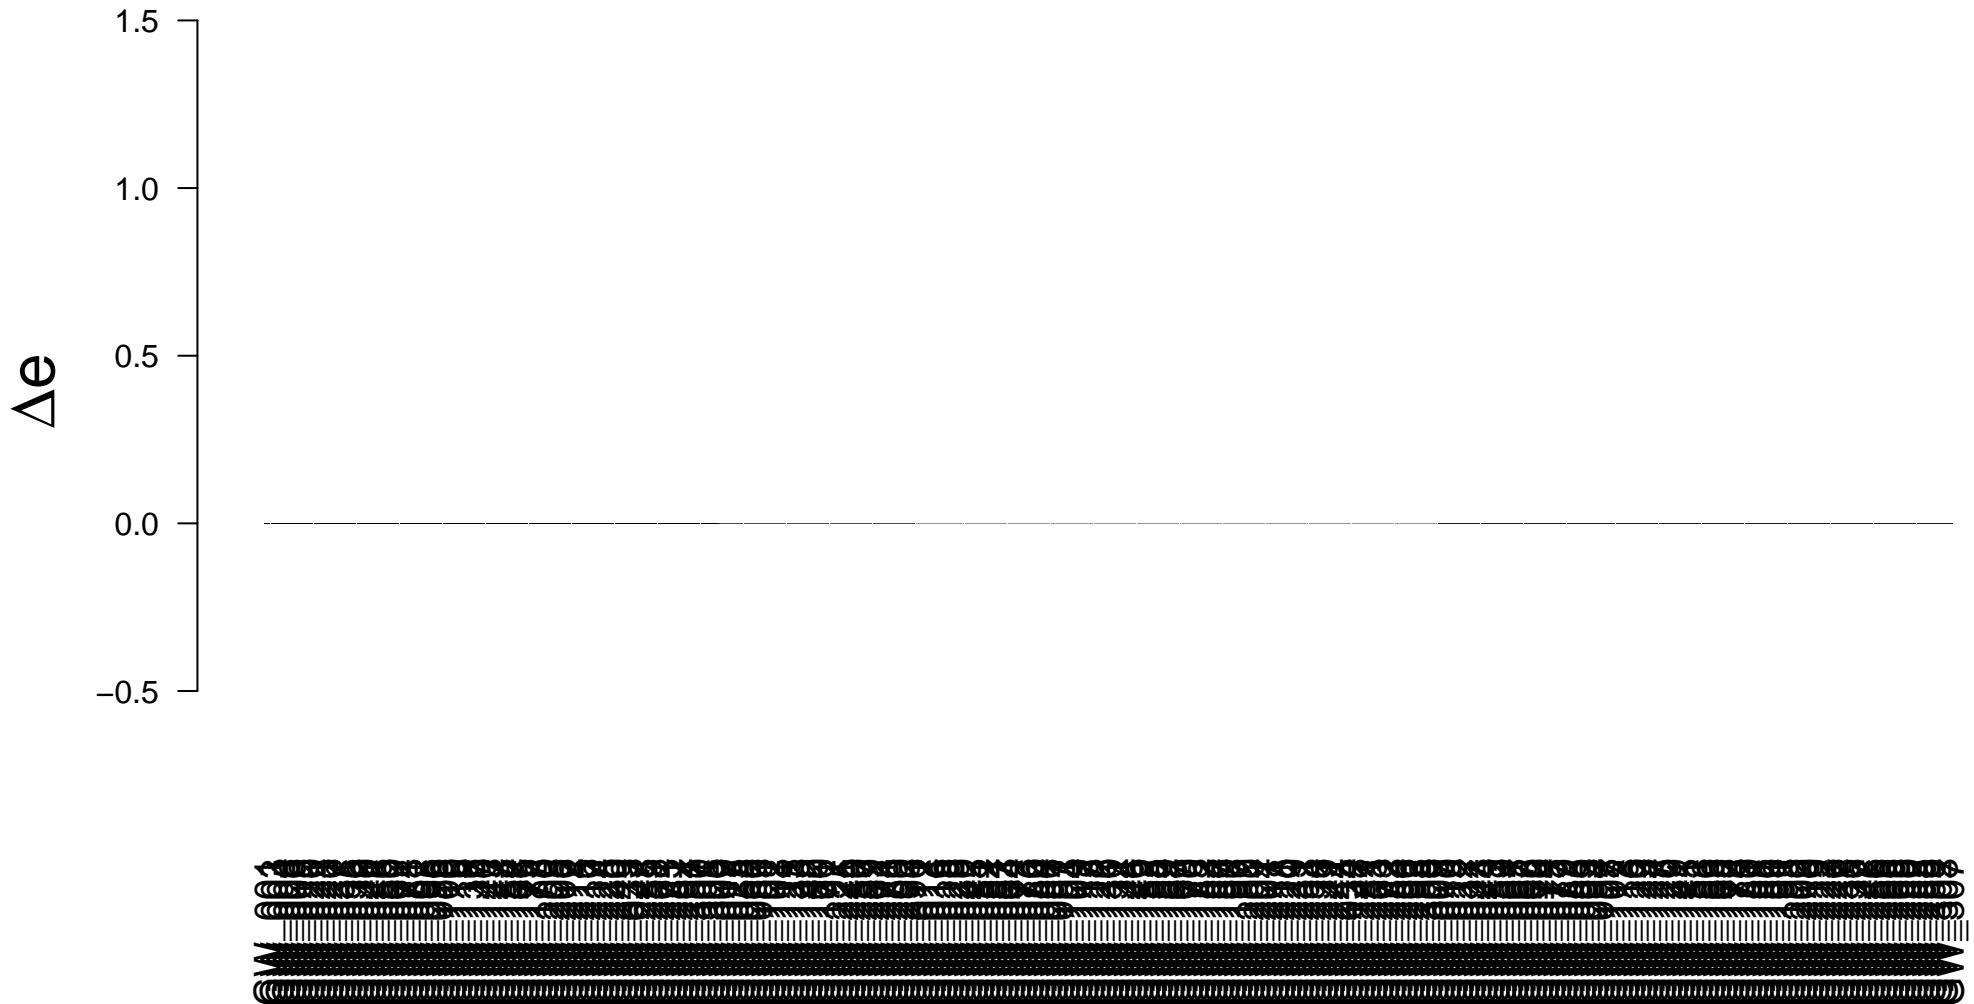

Expression of glutamine metabolic process in Spot G

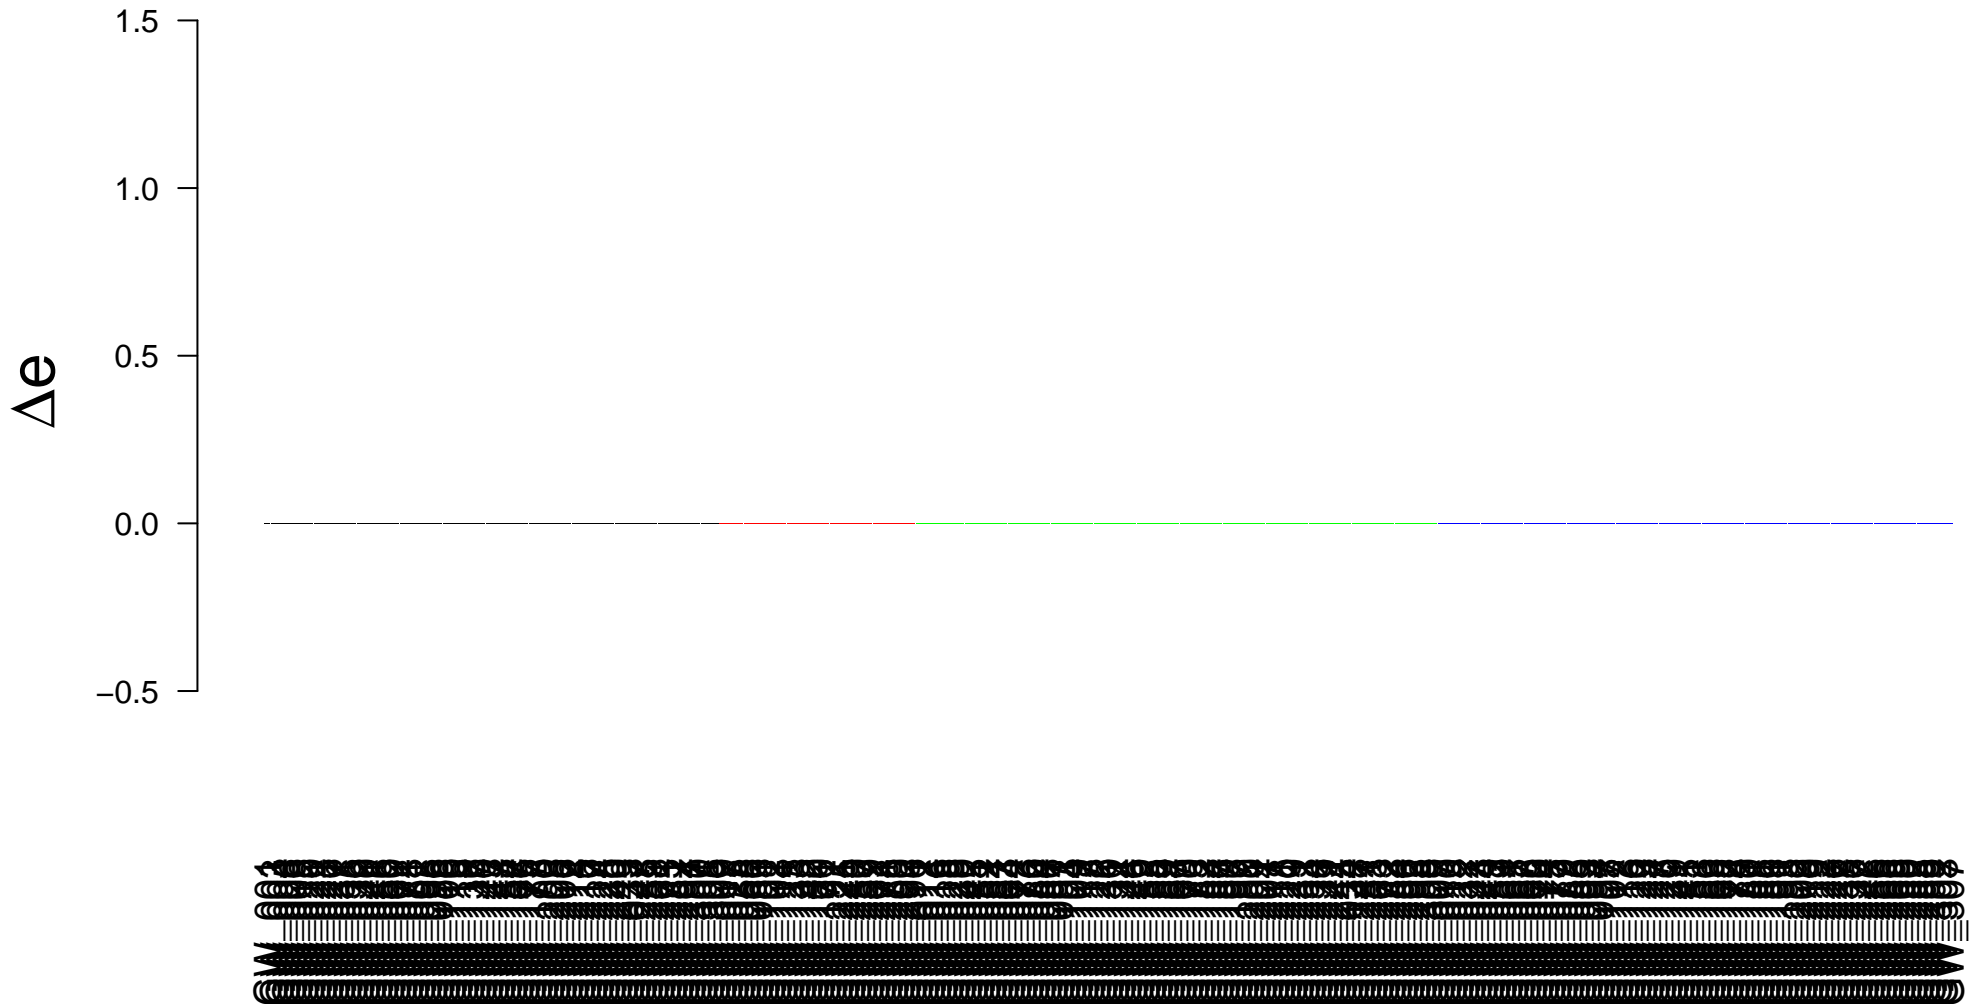

Expression of glutamine metabolic process in Spot H

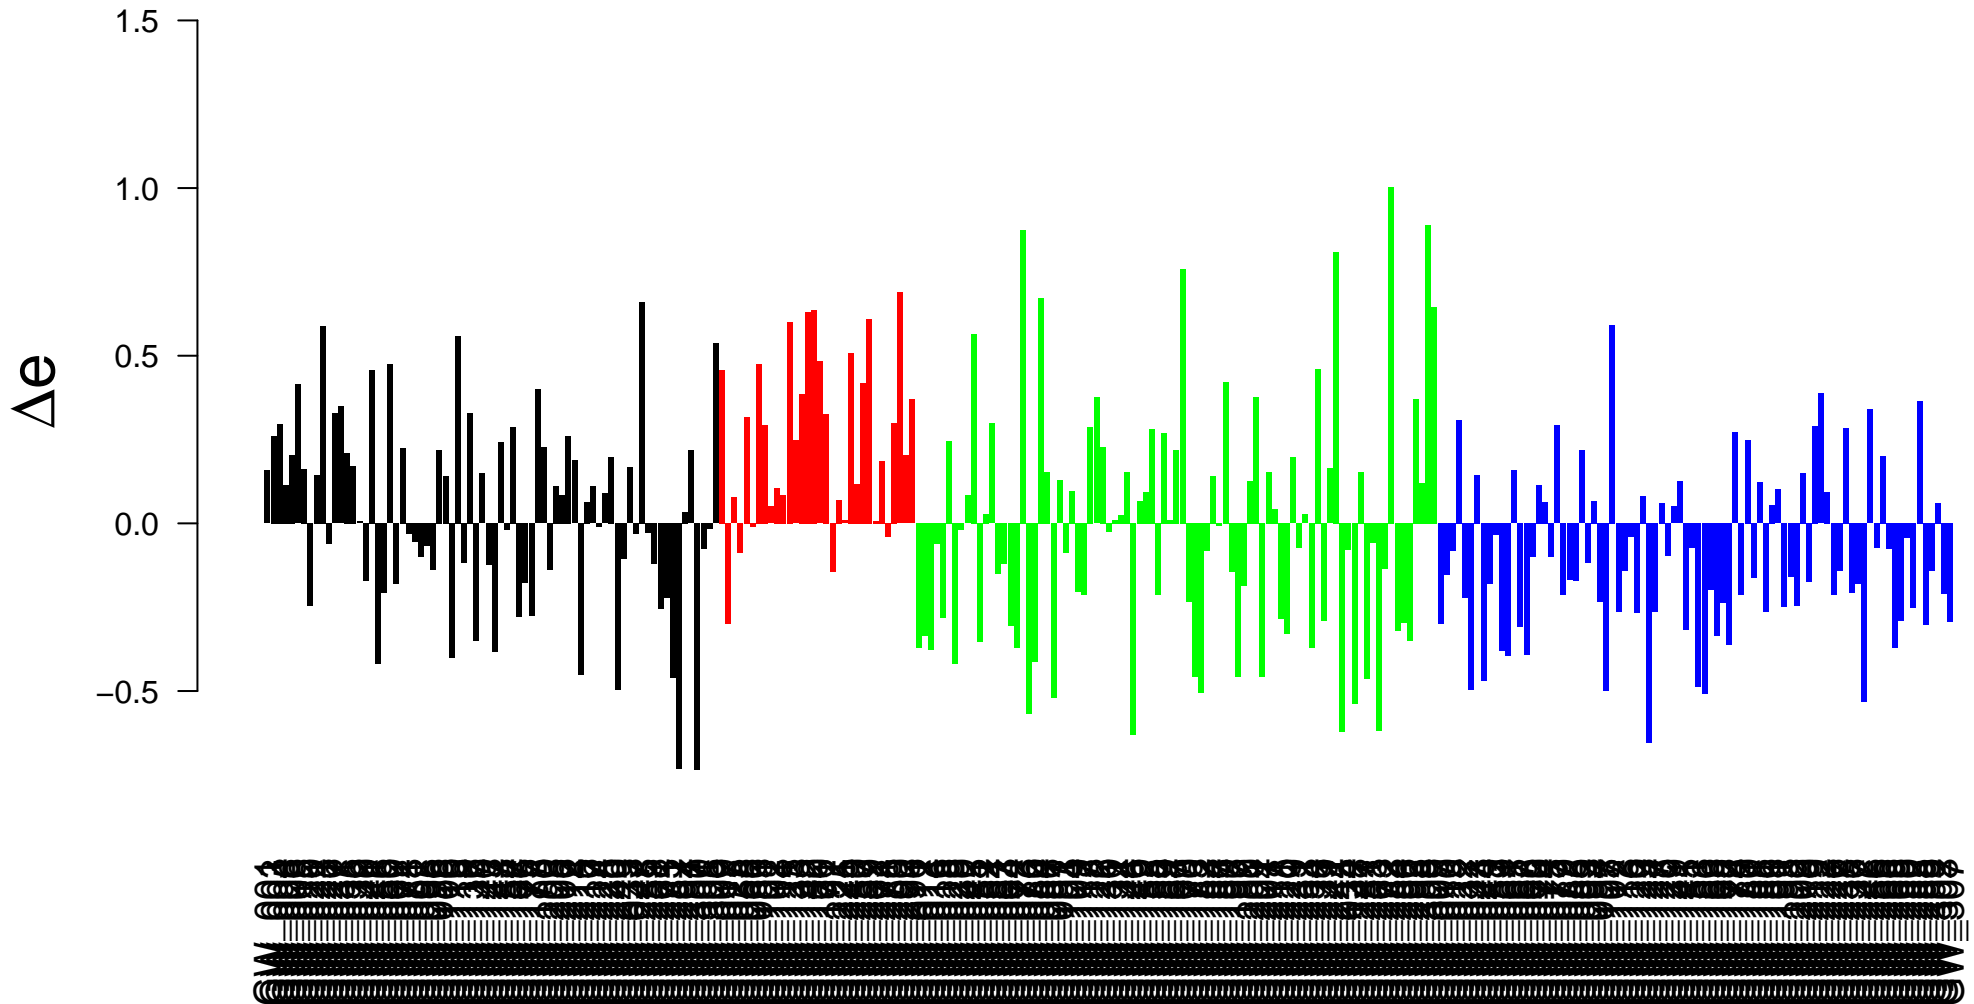

Expression of glutamine metabolic process in Spot I

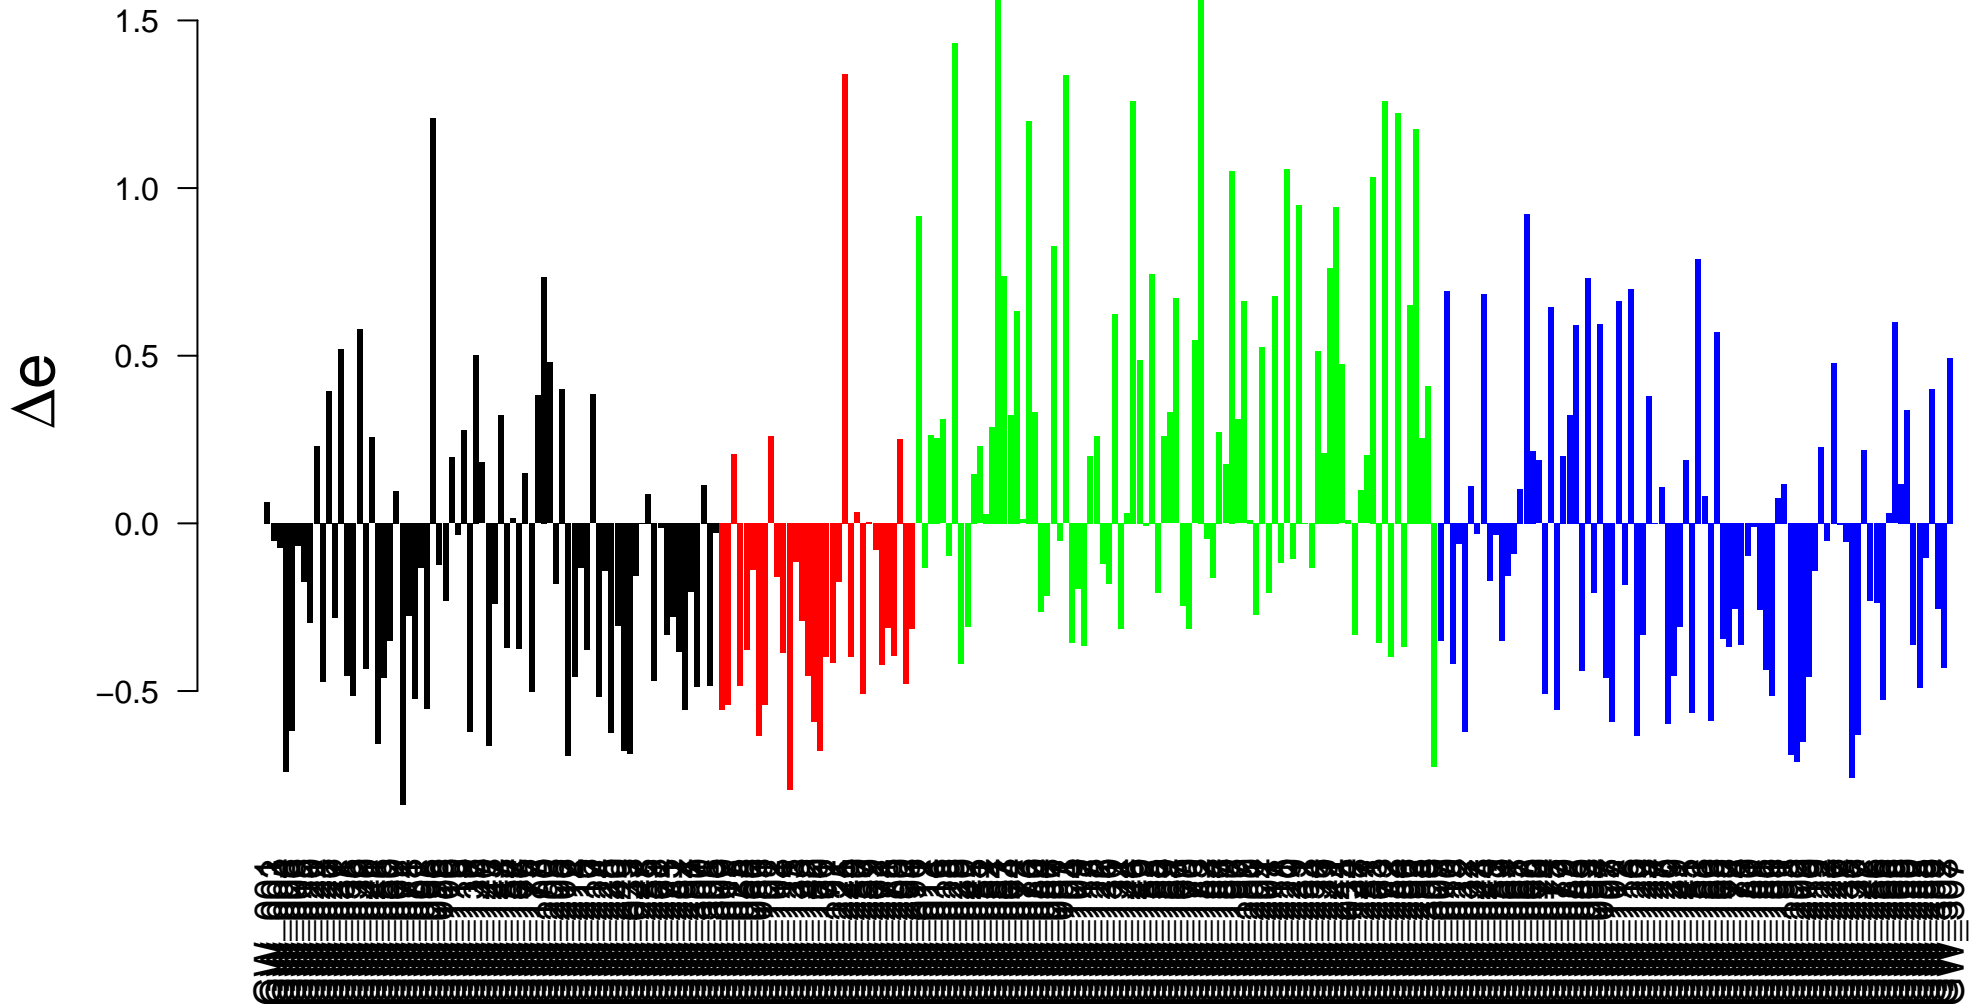

Expression of glutamine metabolic process in Spot J

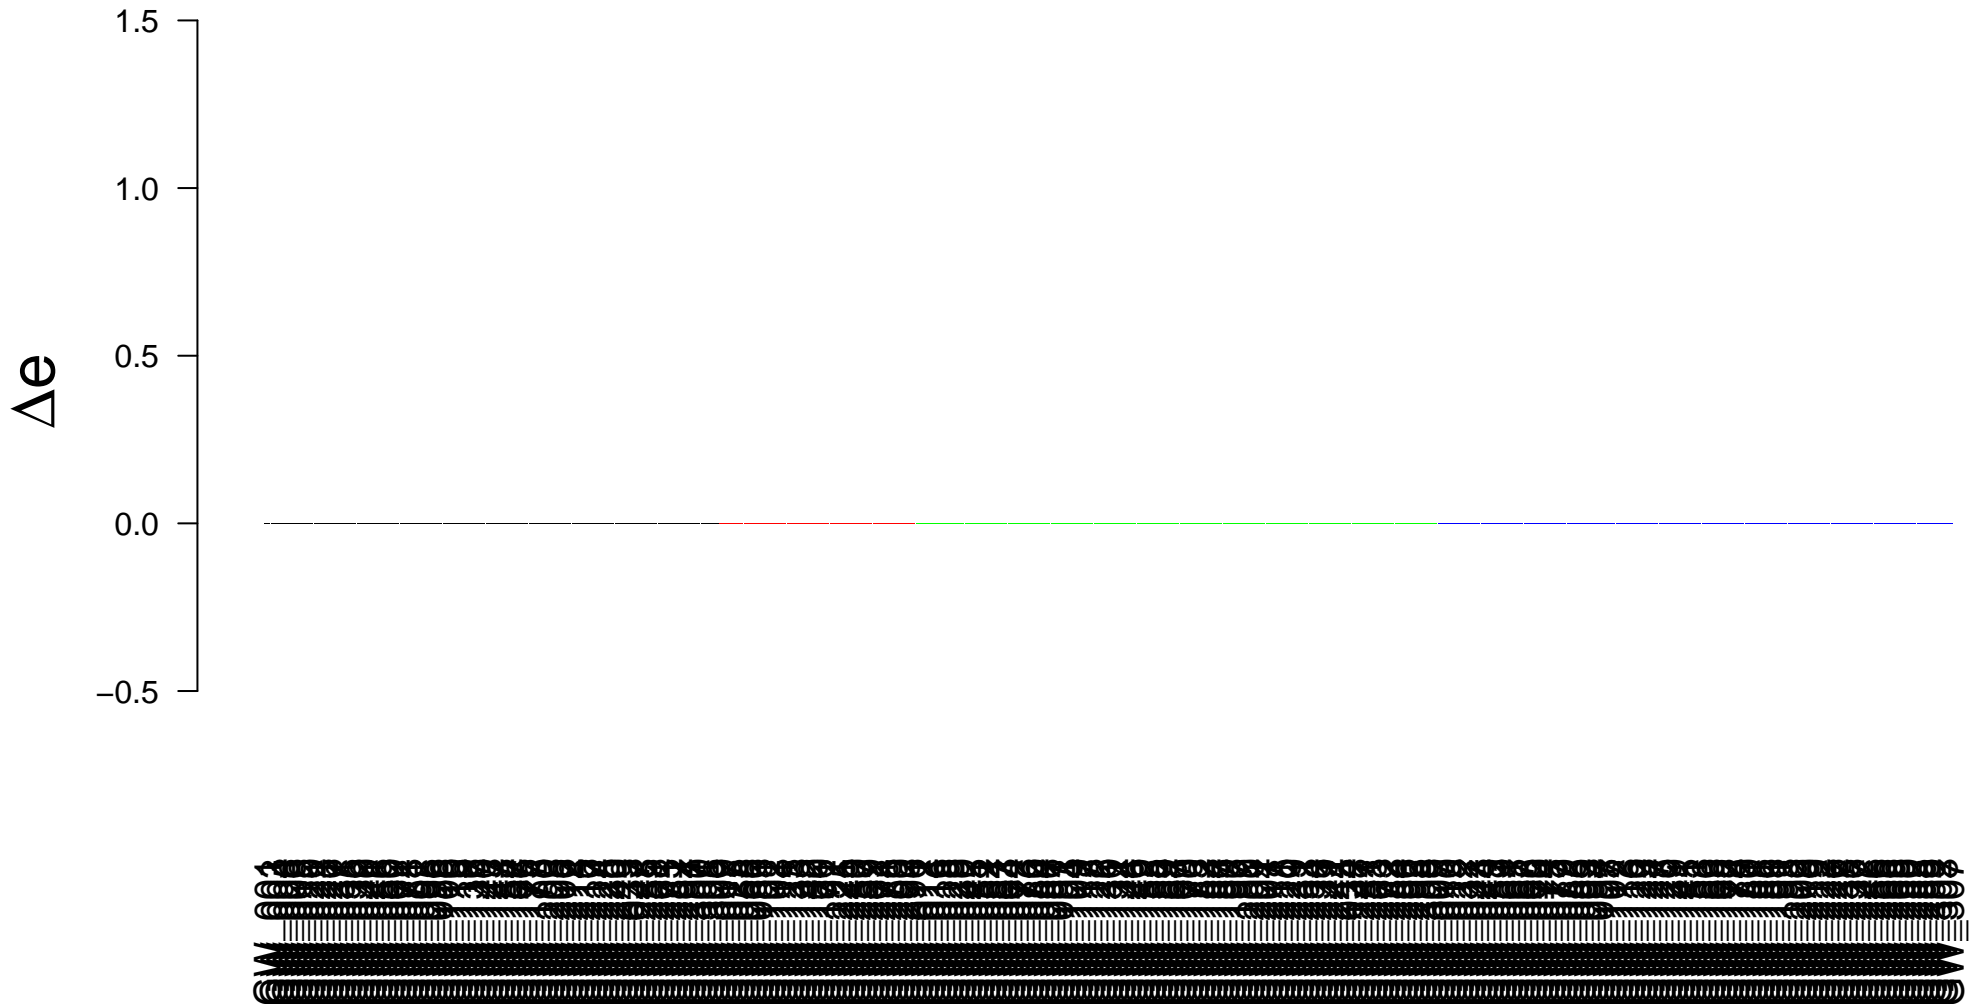

Expression of glutamine metabolic process in Spot K

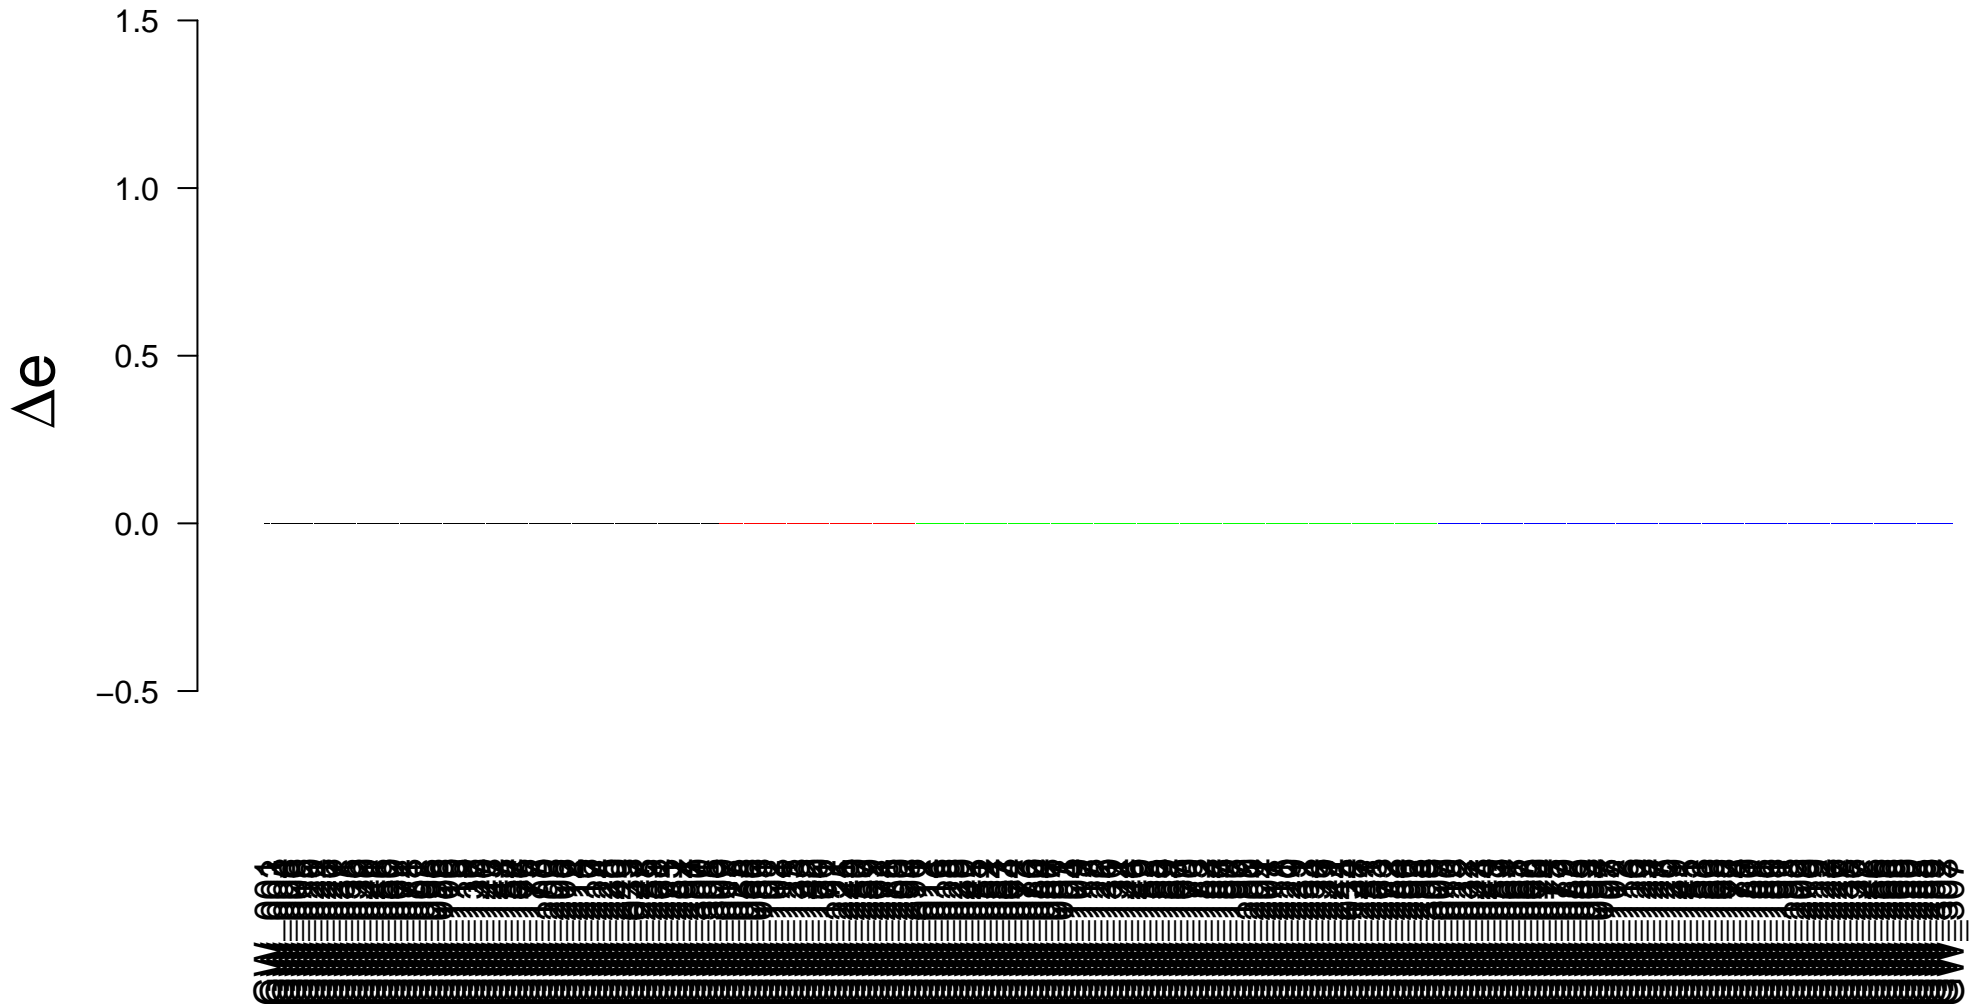

Expression of glutamine metabolic process in Spot L

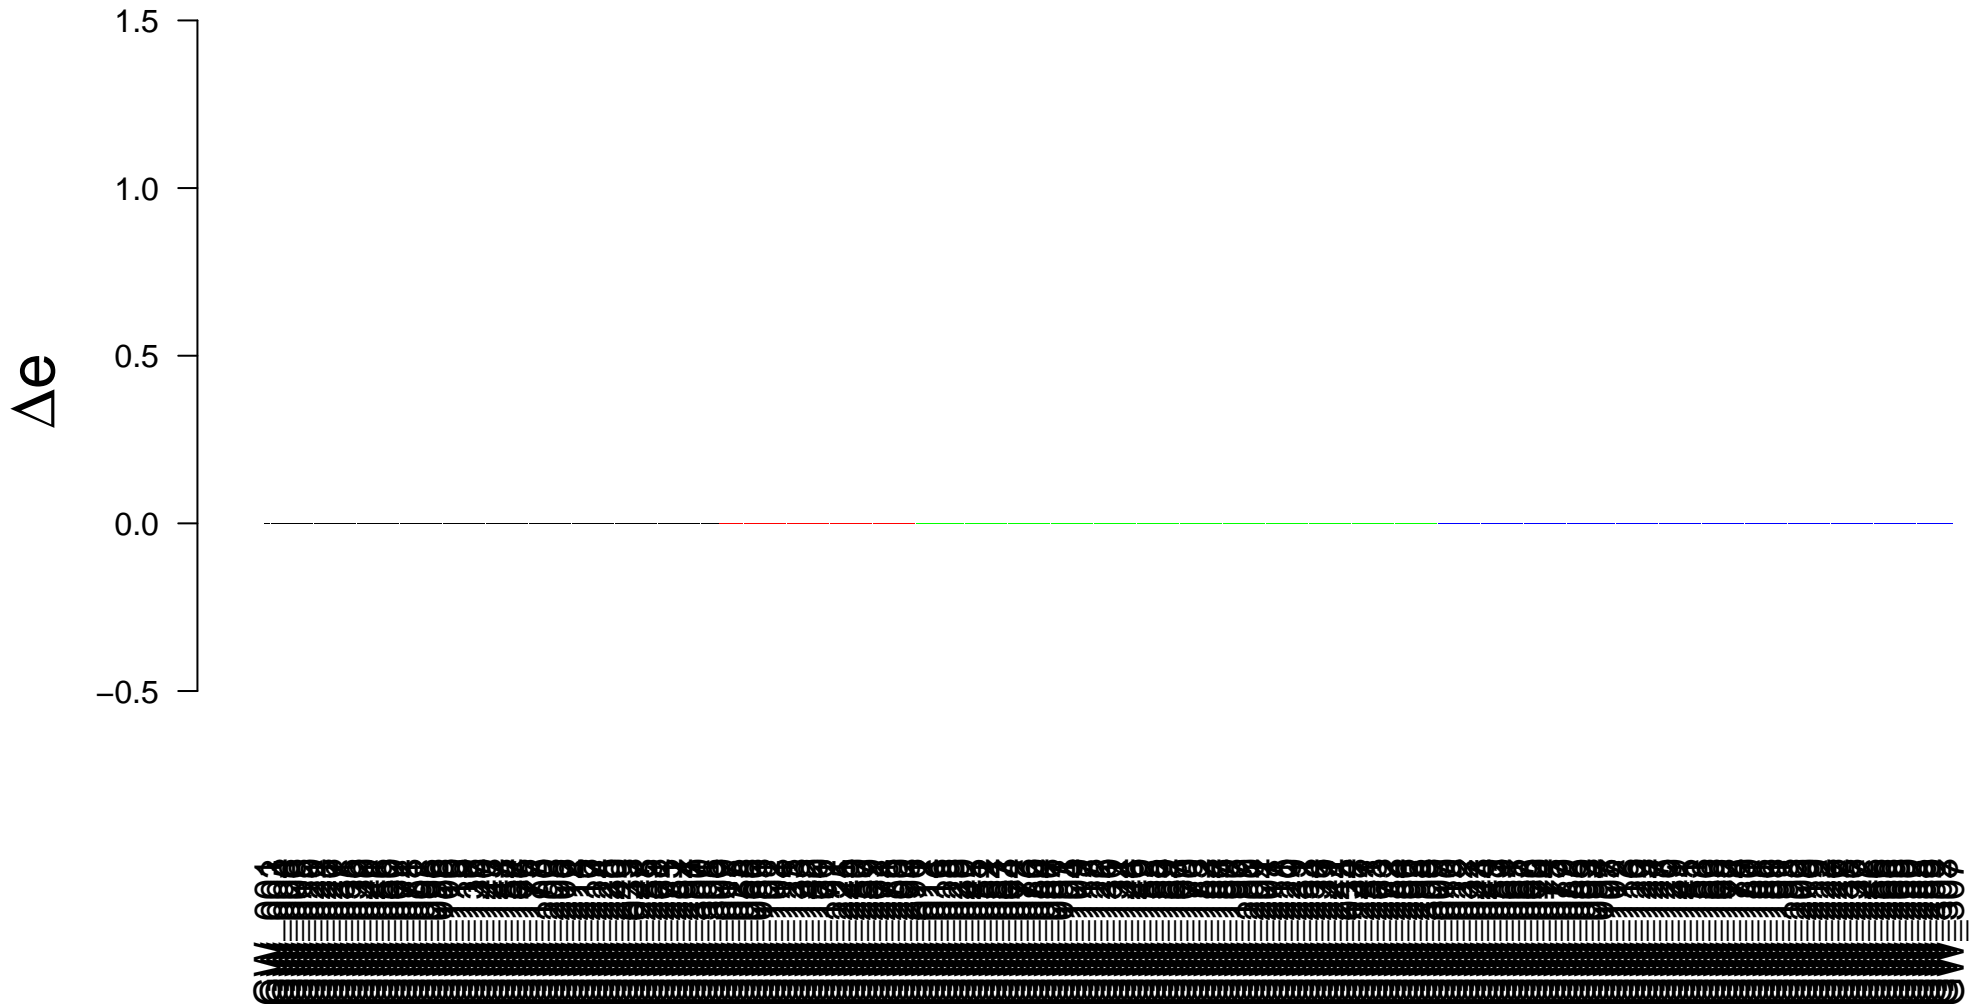

Expression of glutamine metabolic process in Spot M

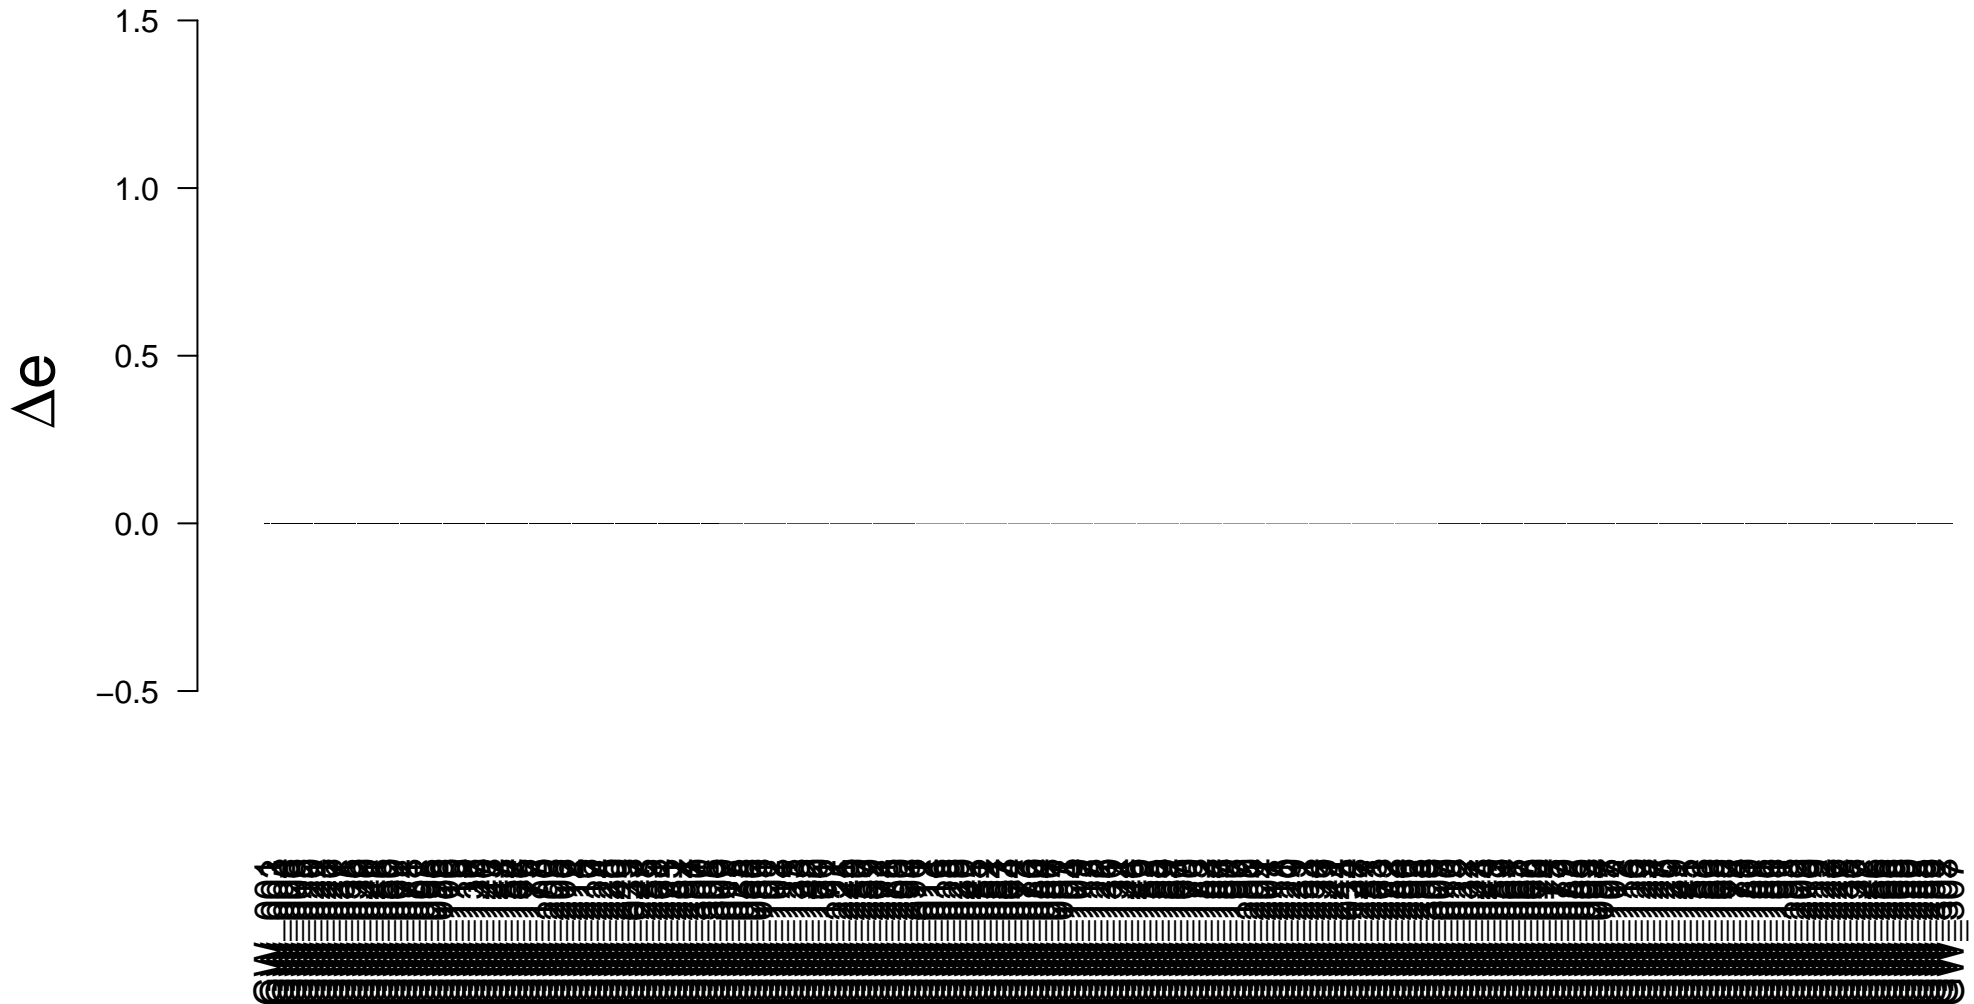

Expression of glutamine metabolic process in Spot N

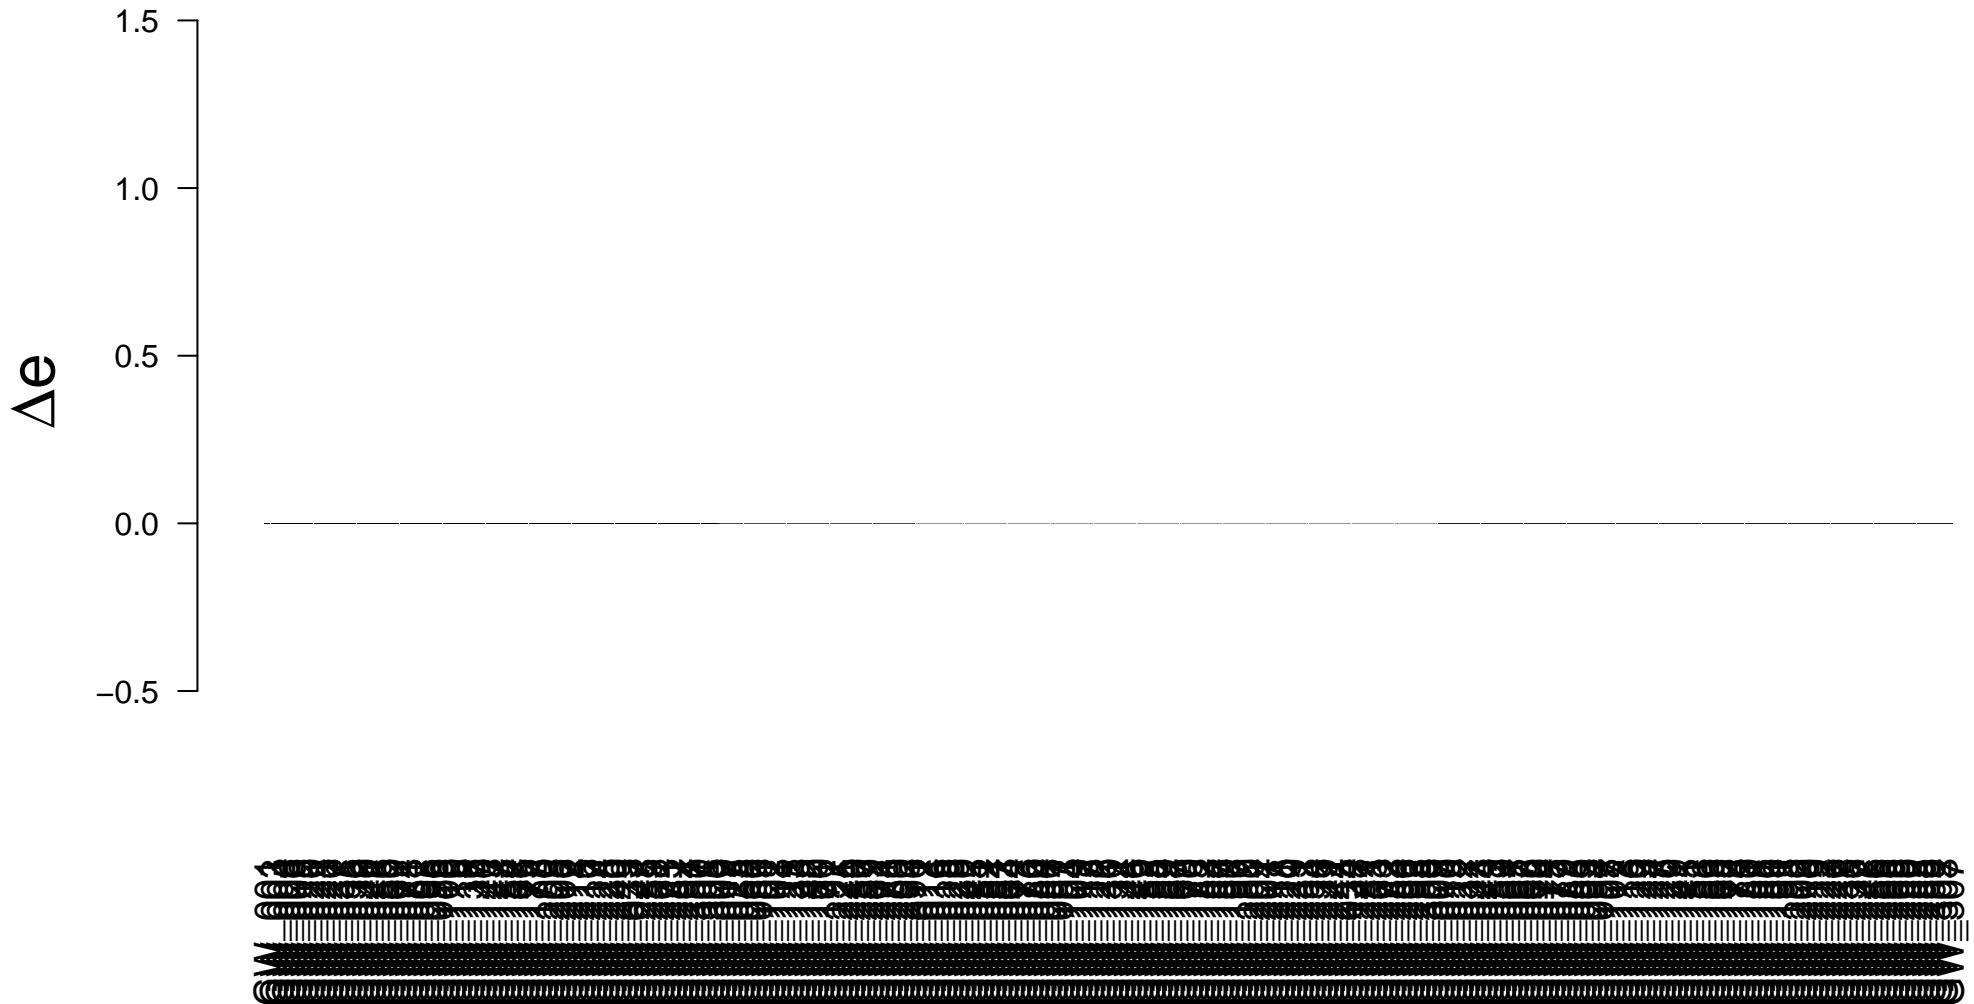

Expression of glutamine metabolic process in Spot O

Expression of glutamine metabolic process in Spot P

Expression of glutamine metabolic process in Spot Q

Expression of glutamine metabolic process in Spot R
