

glutathione derivative biosynthetic process

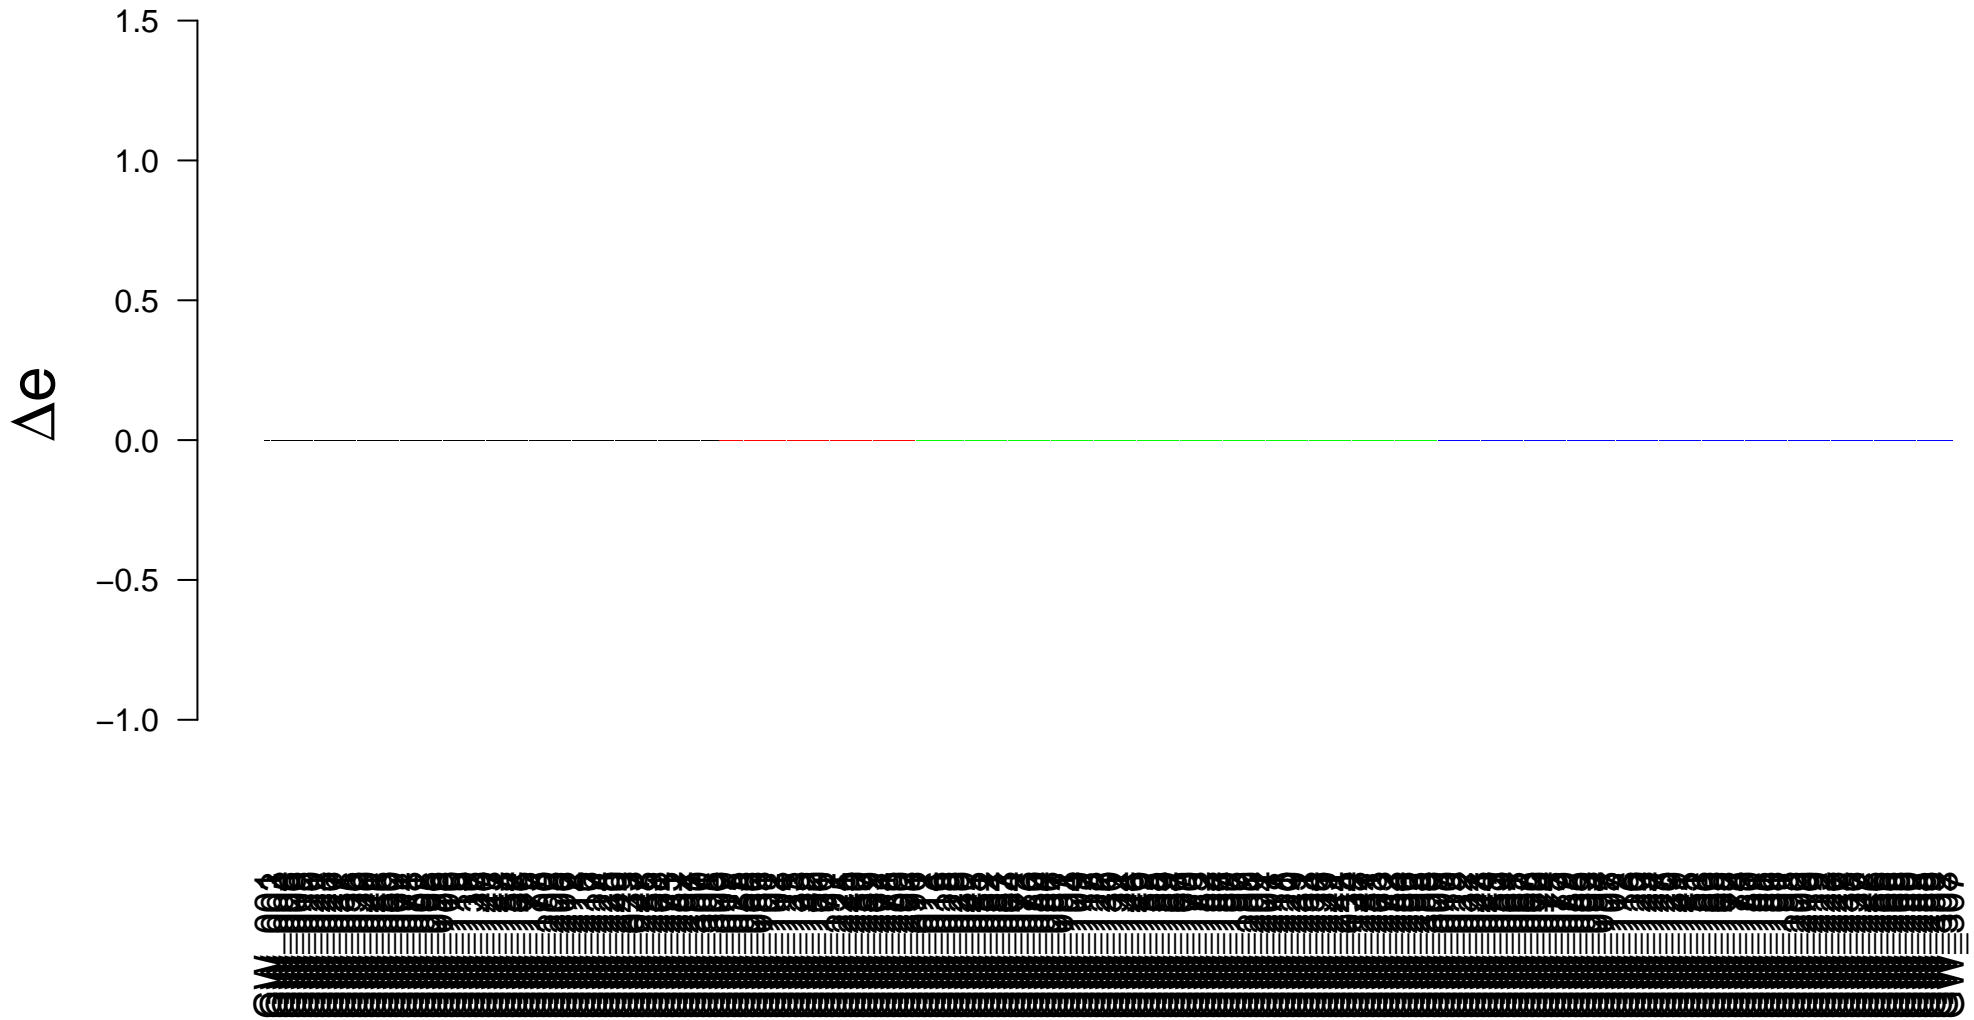

glutathione derivative biosynthetic process

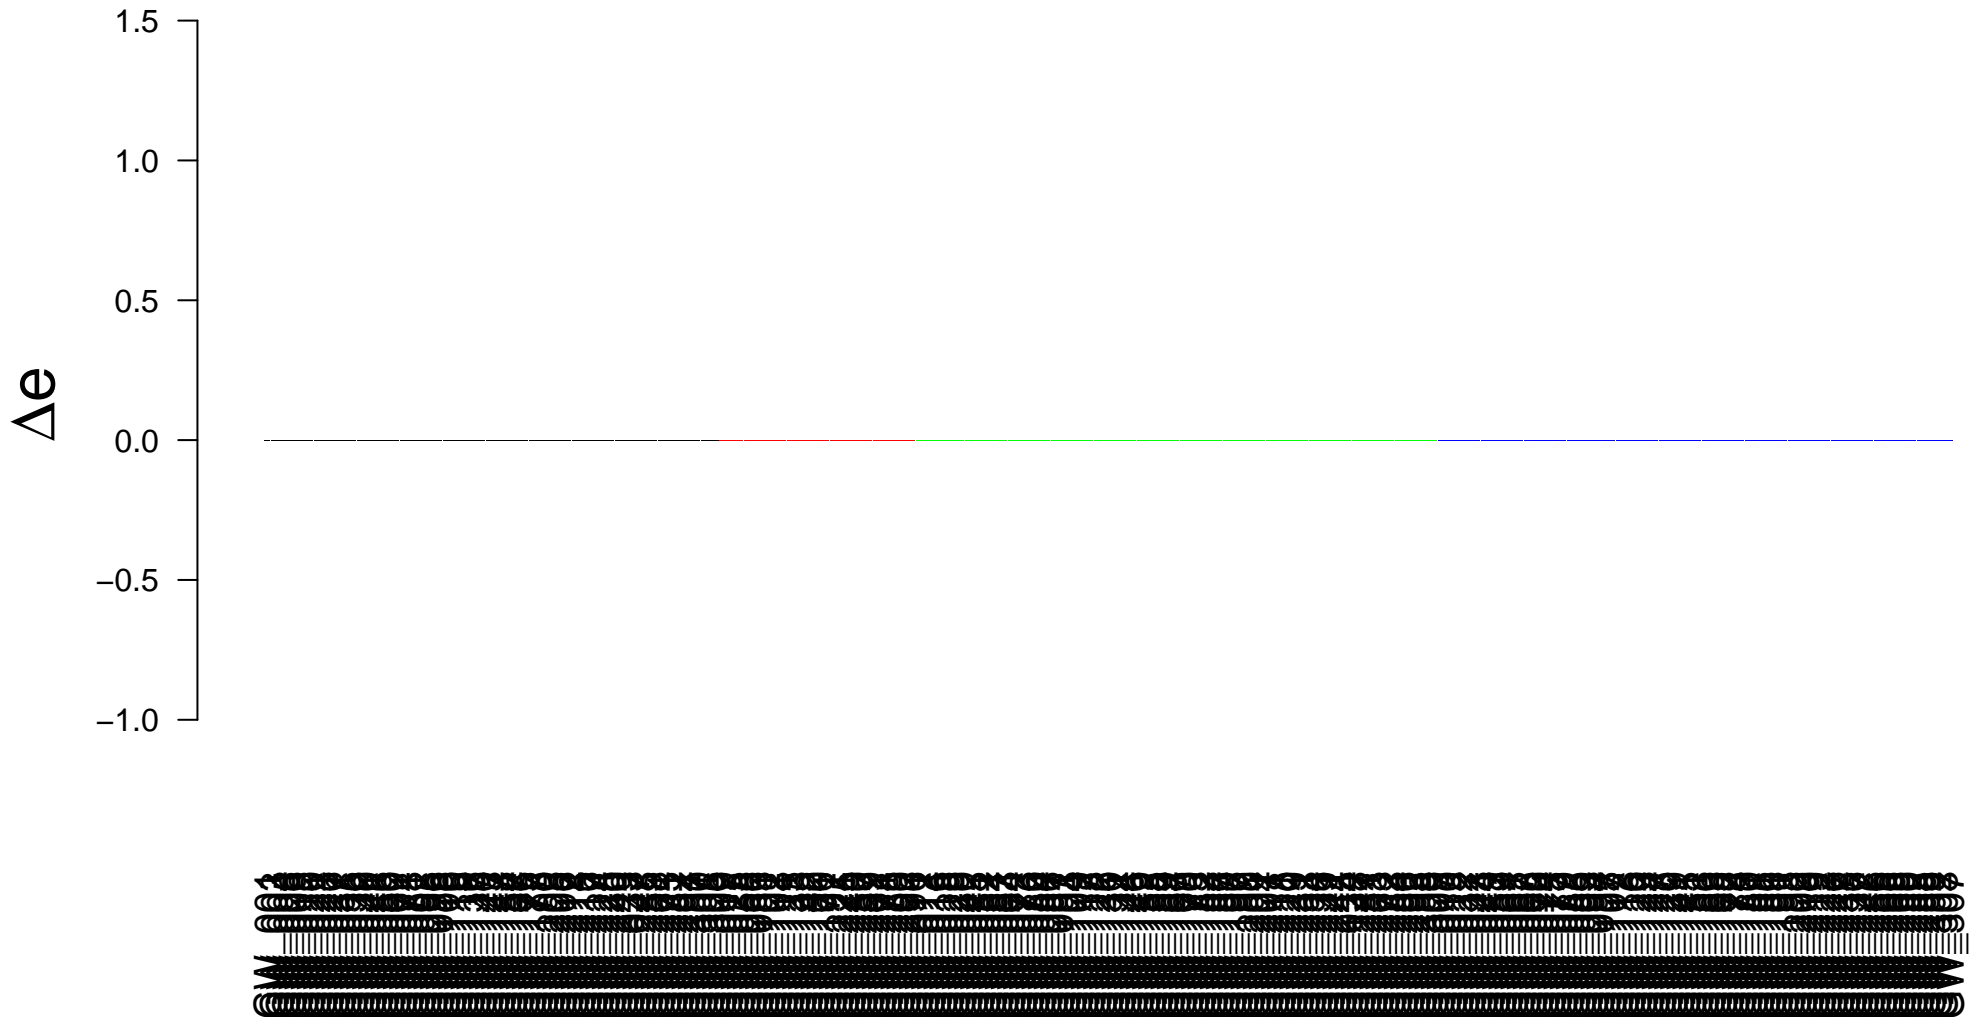

Enrichment in spots: glutathione derivative biosynthetic process

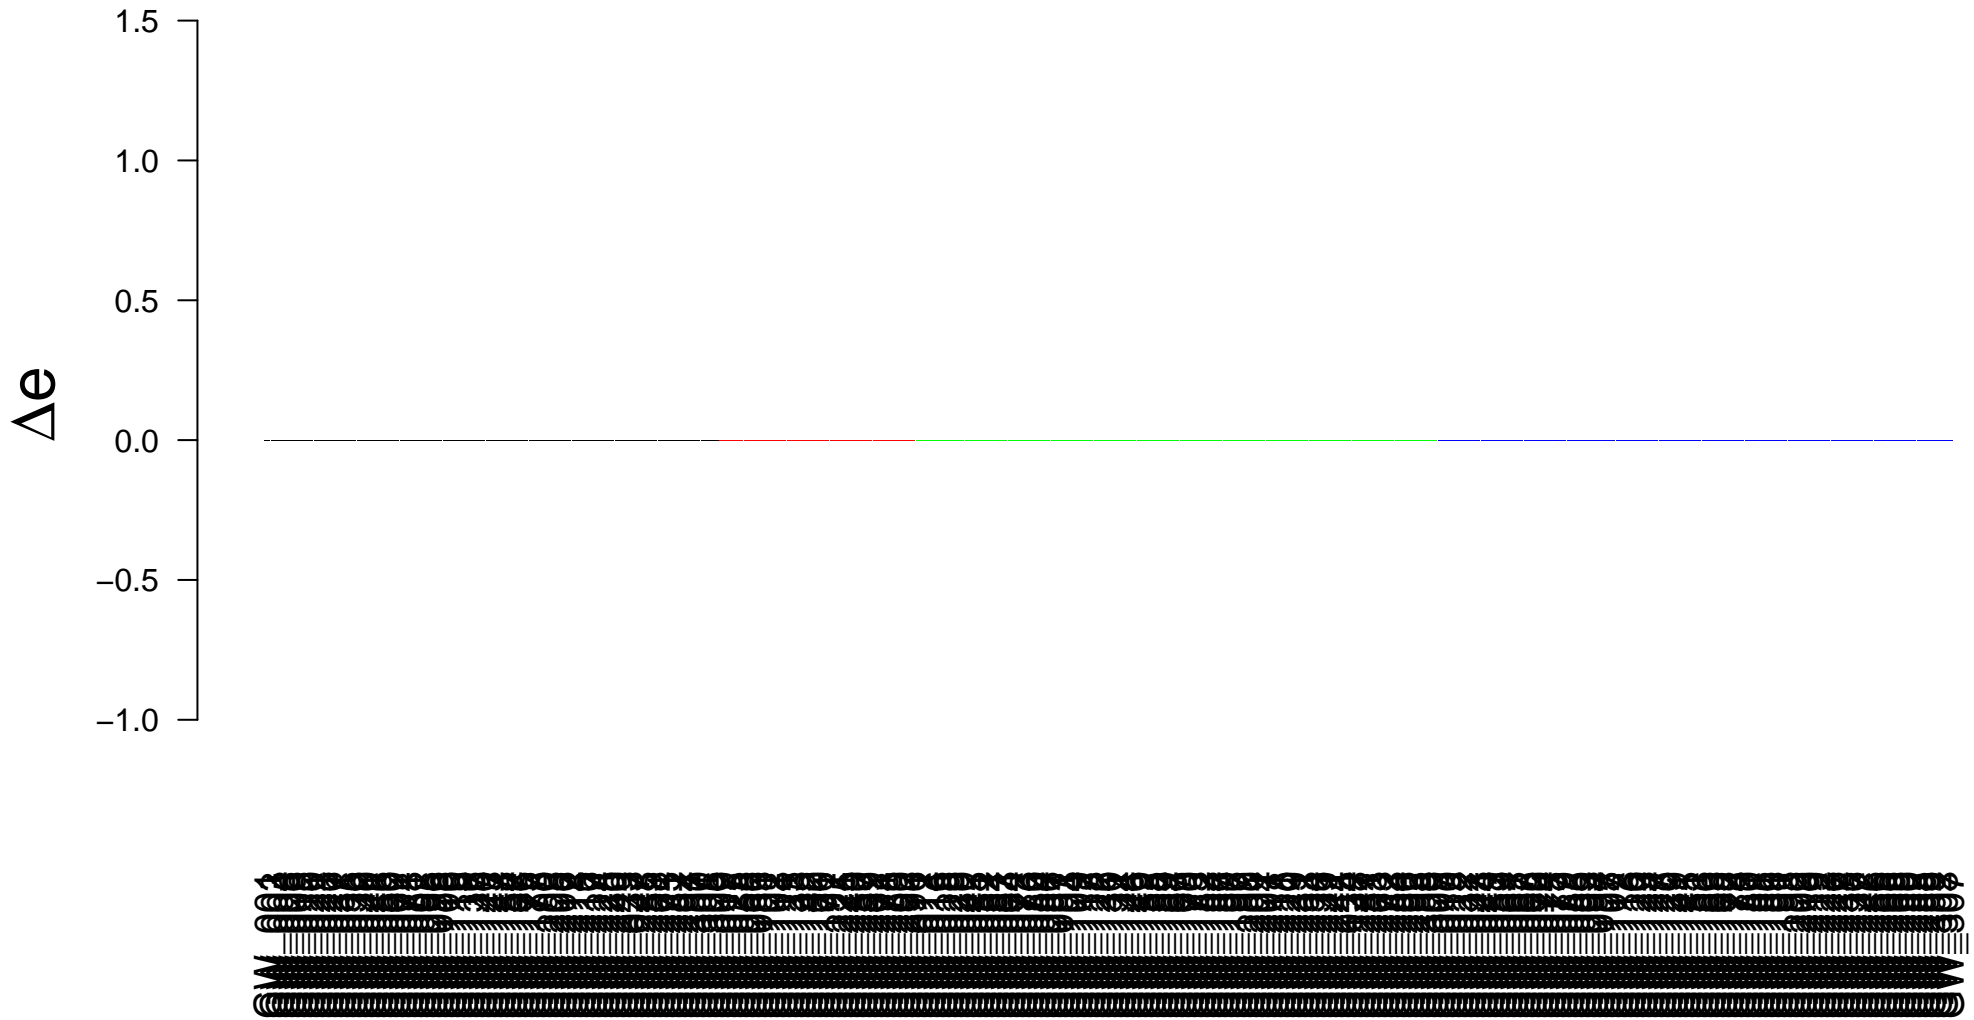

Expression of glutathione derivative biosynthetic process in Spot A

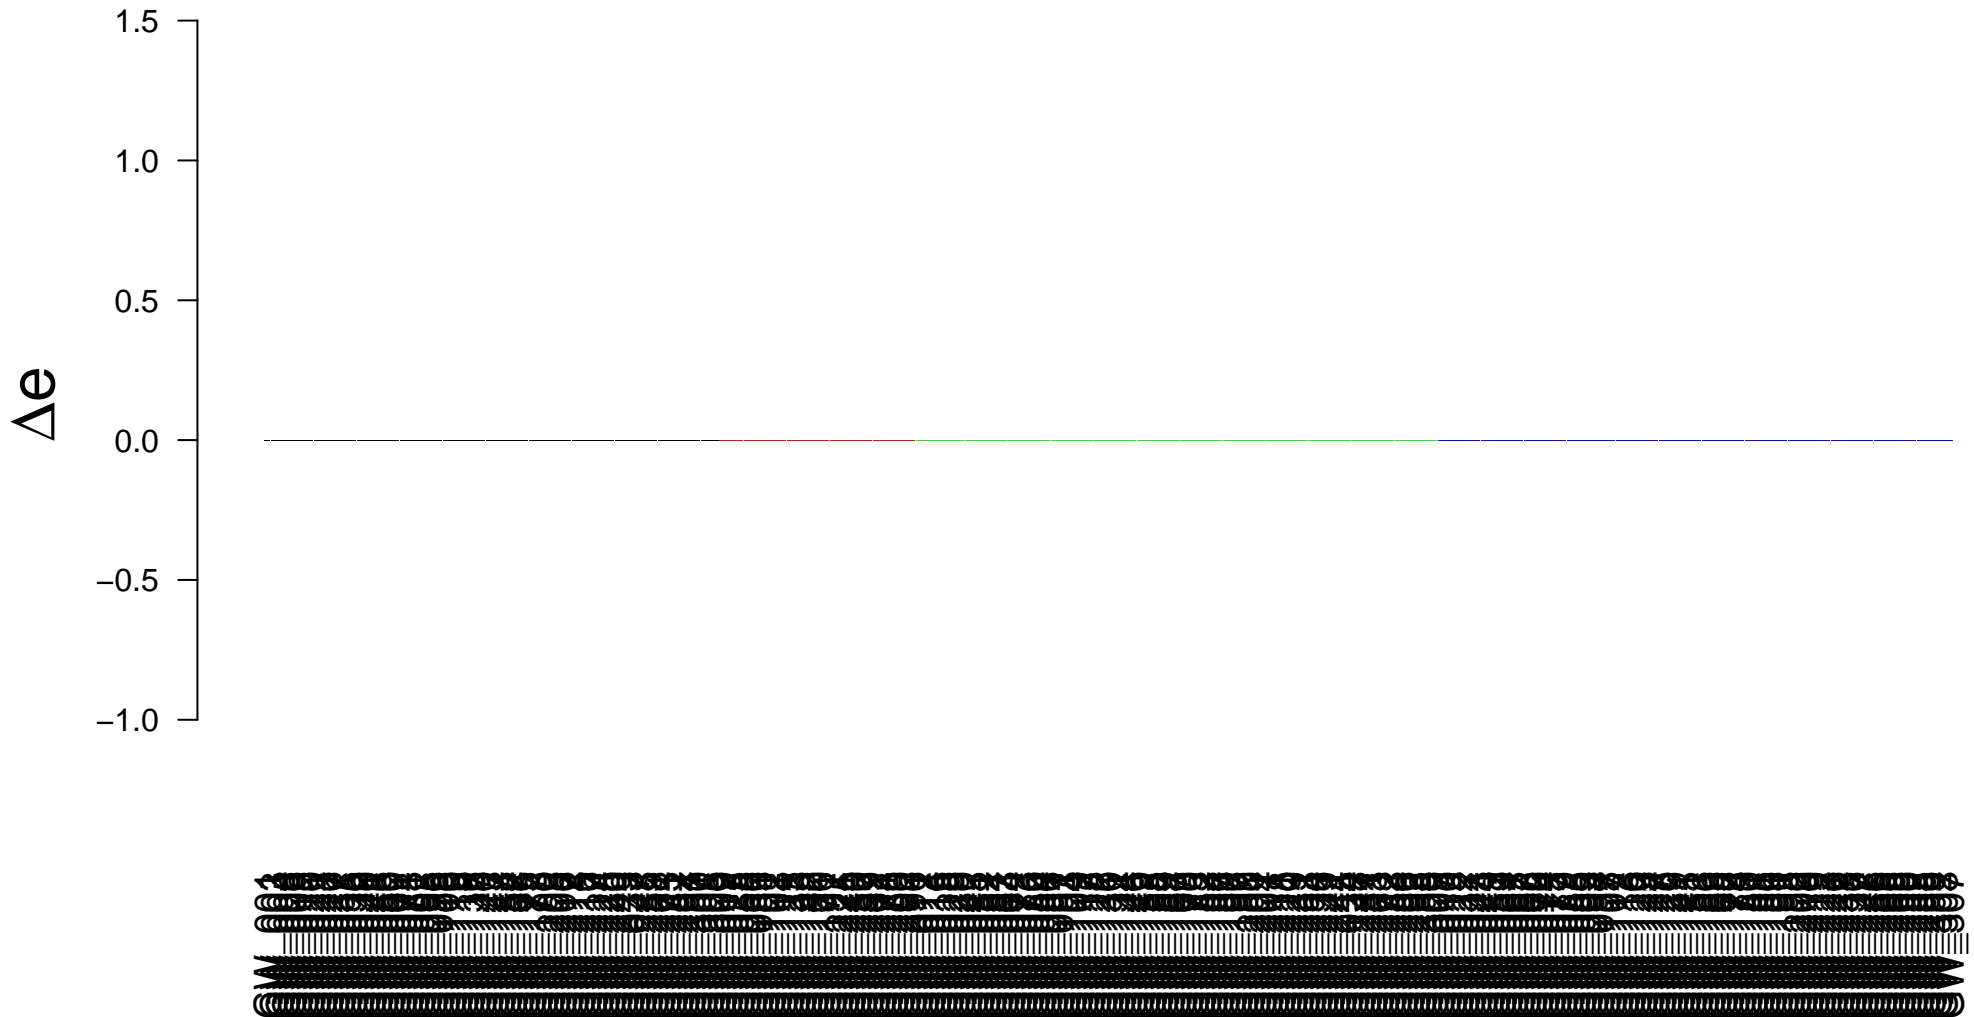

Expression of glutathione derivative biosynthetic process in Spot B

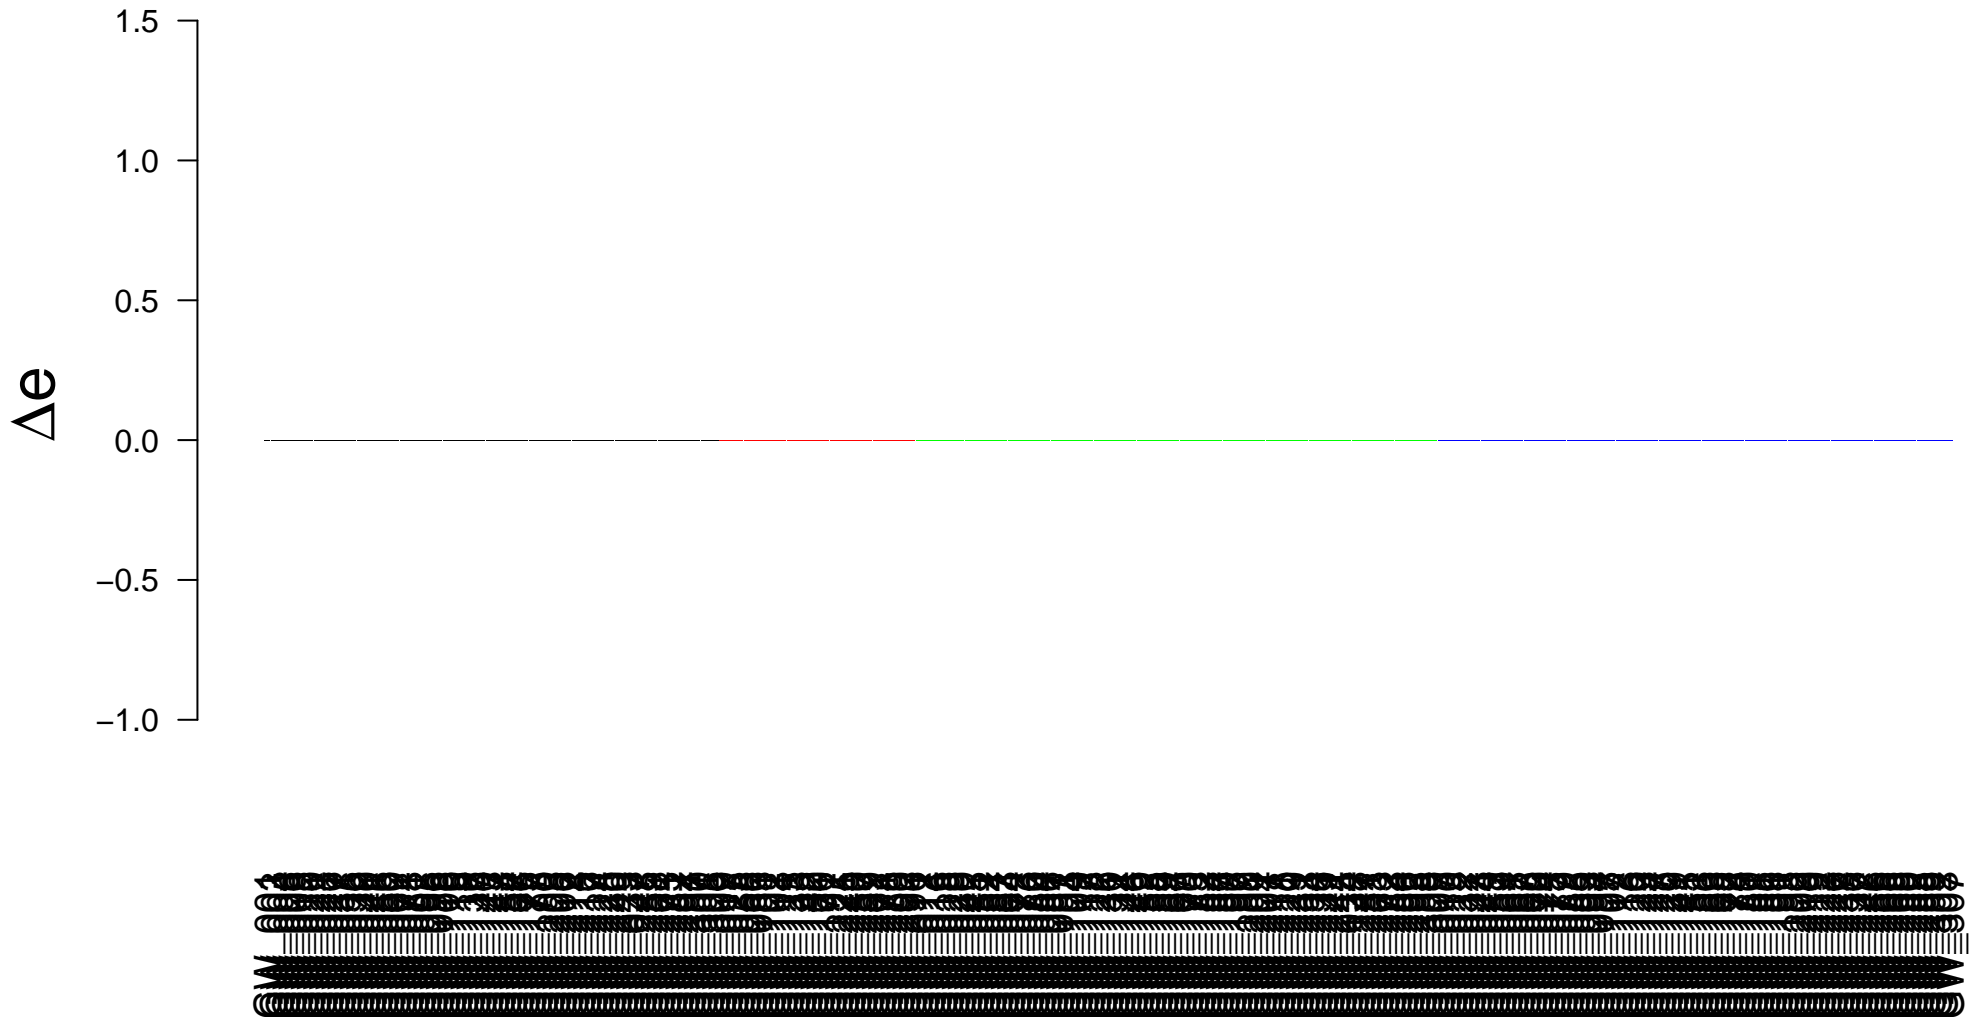

Expression of glutathione derivative biosynthetic process in Spot C

Expression of glutathione derivative biosynthetic process in Spot D

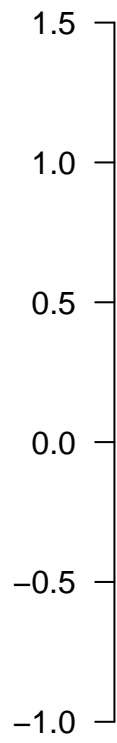

Expression of glutathione derivative biosynthetic process in Spot E

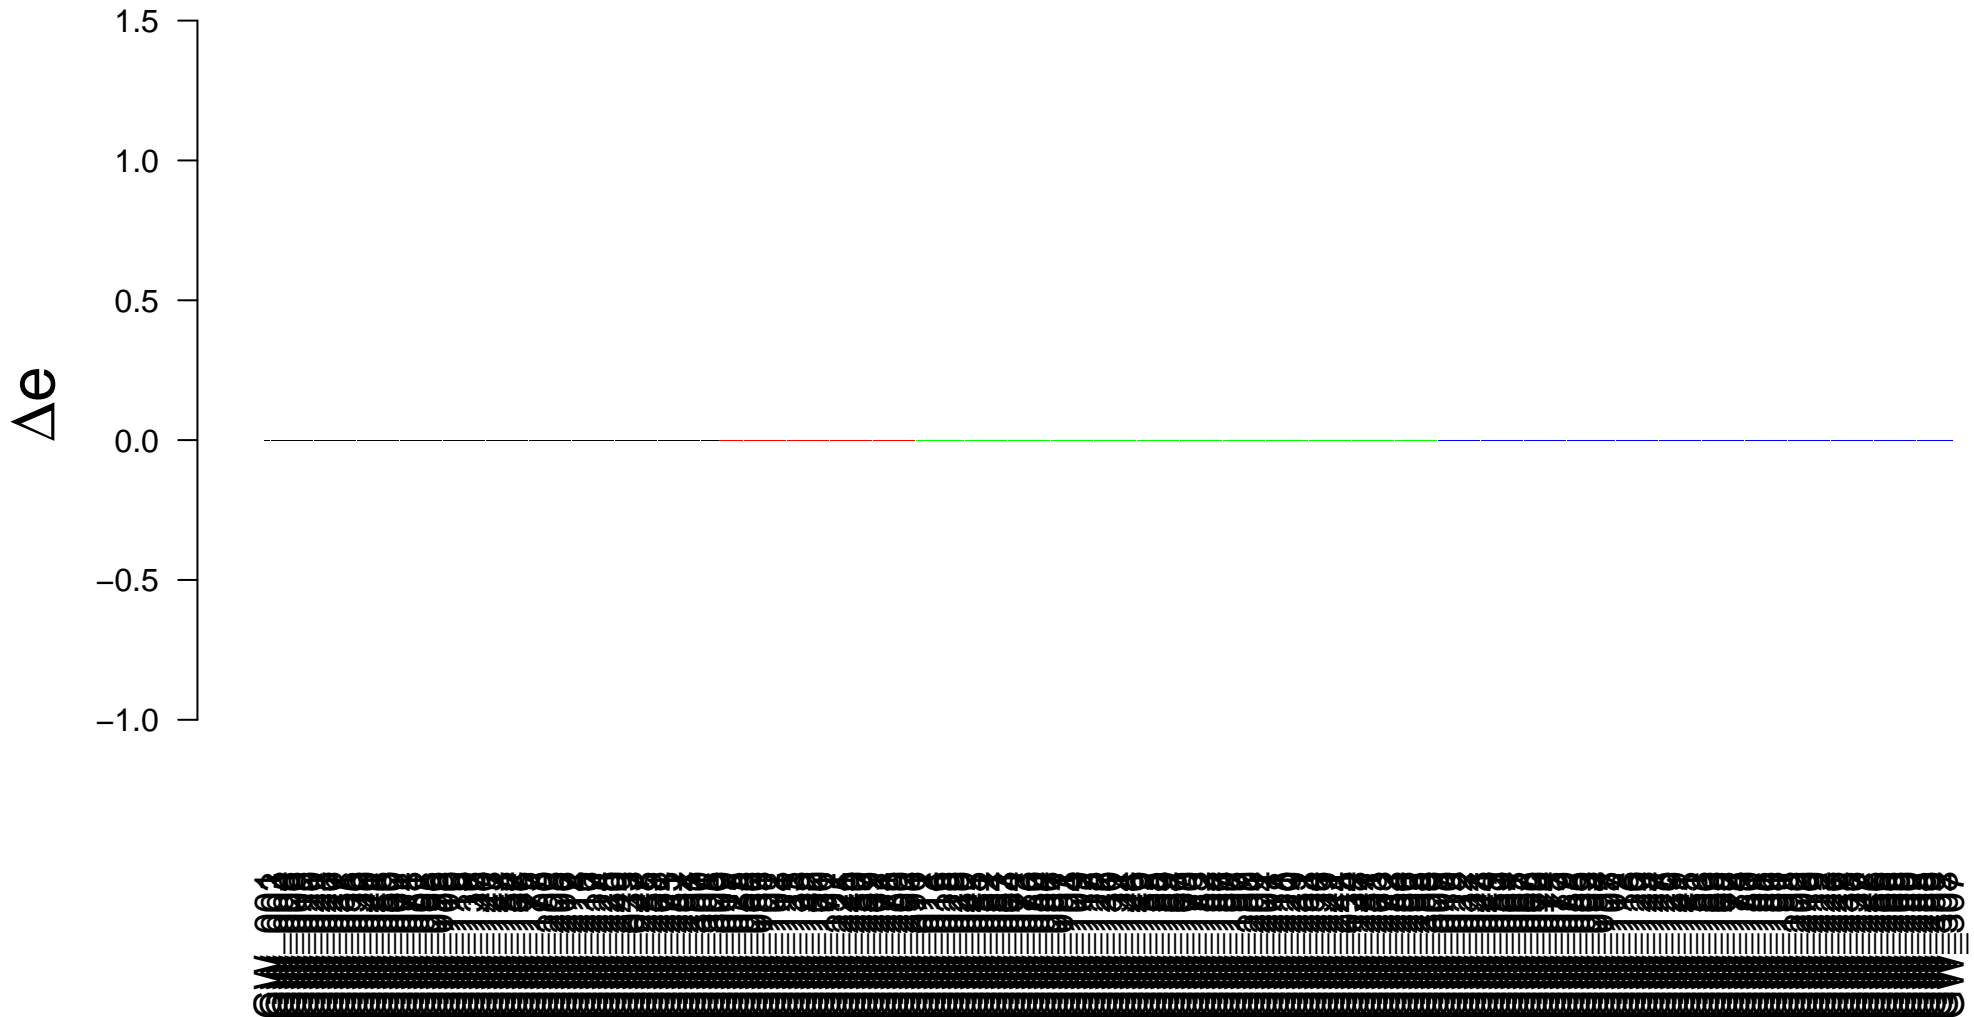

Expression of glutathione derivative biosynthetic process in Spot F

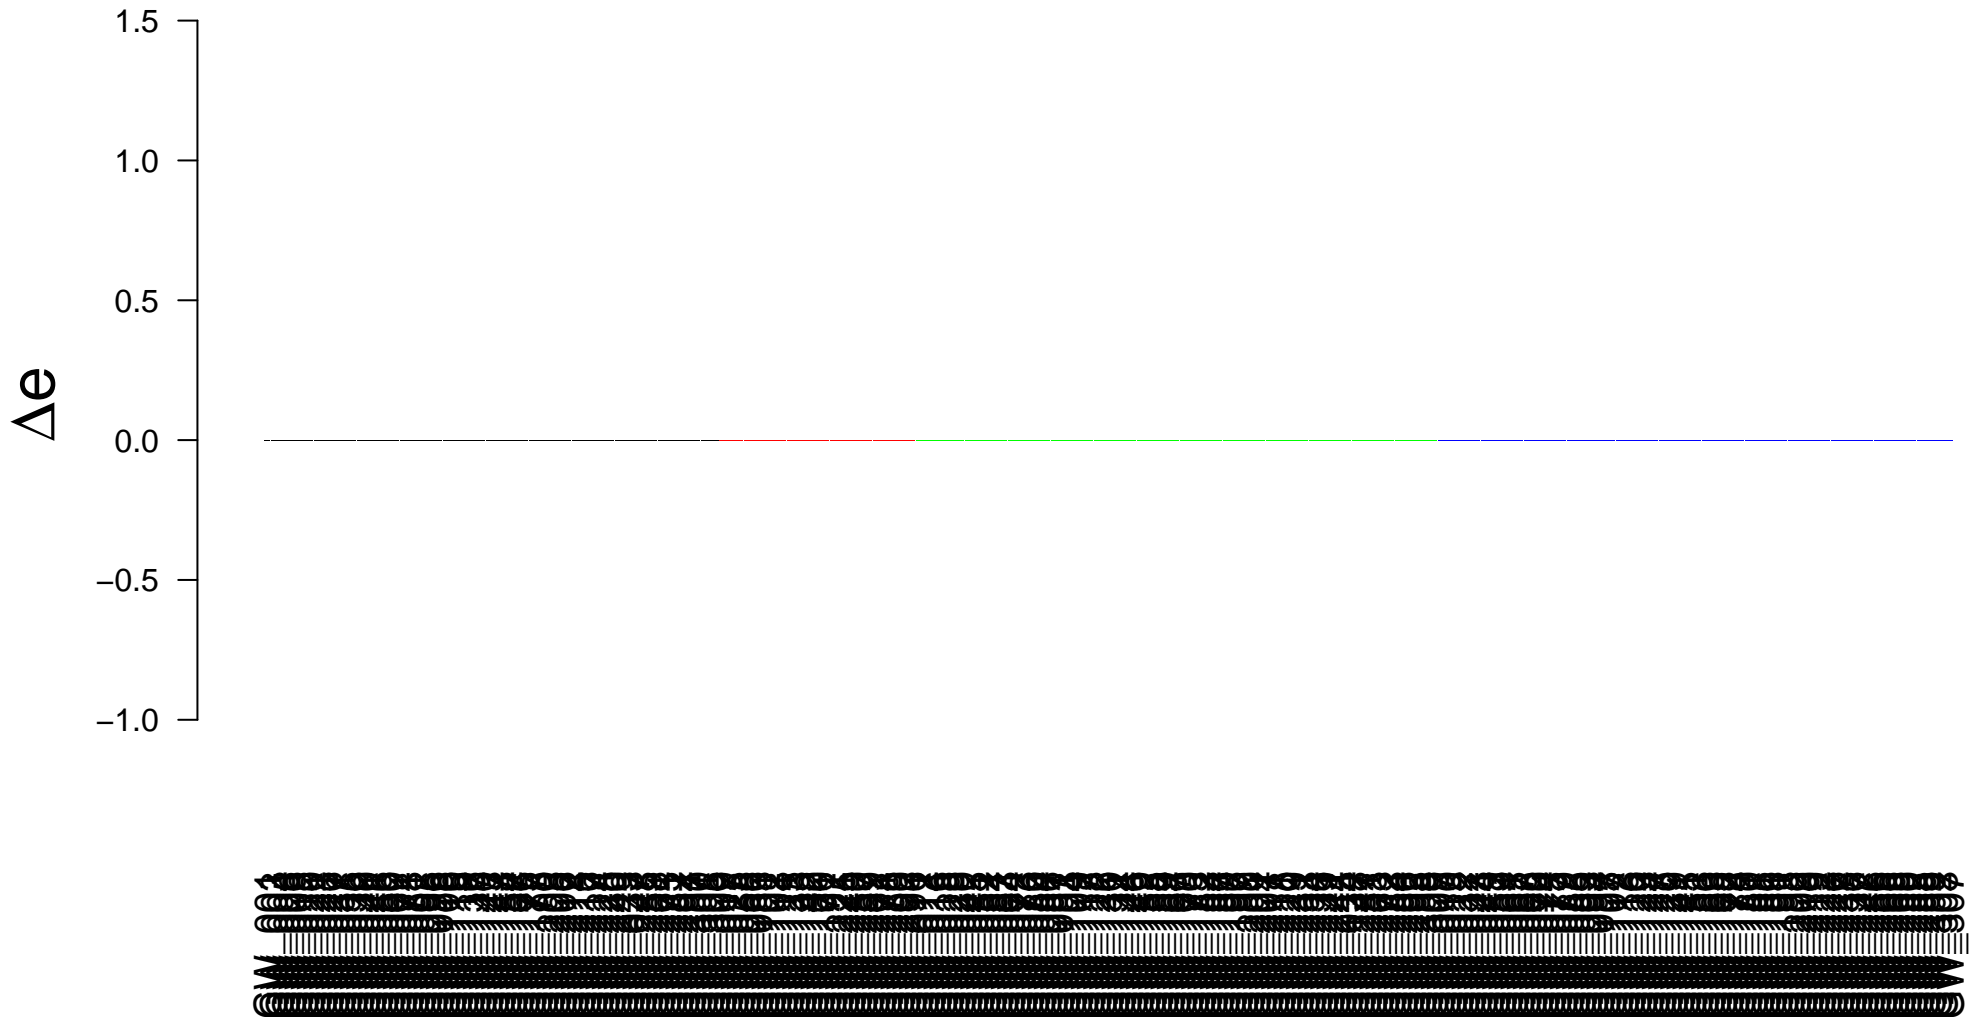

Δe

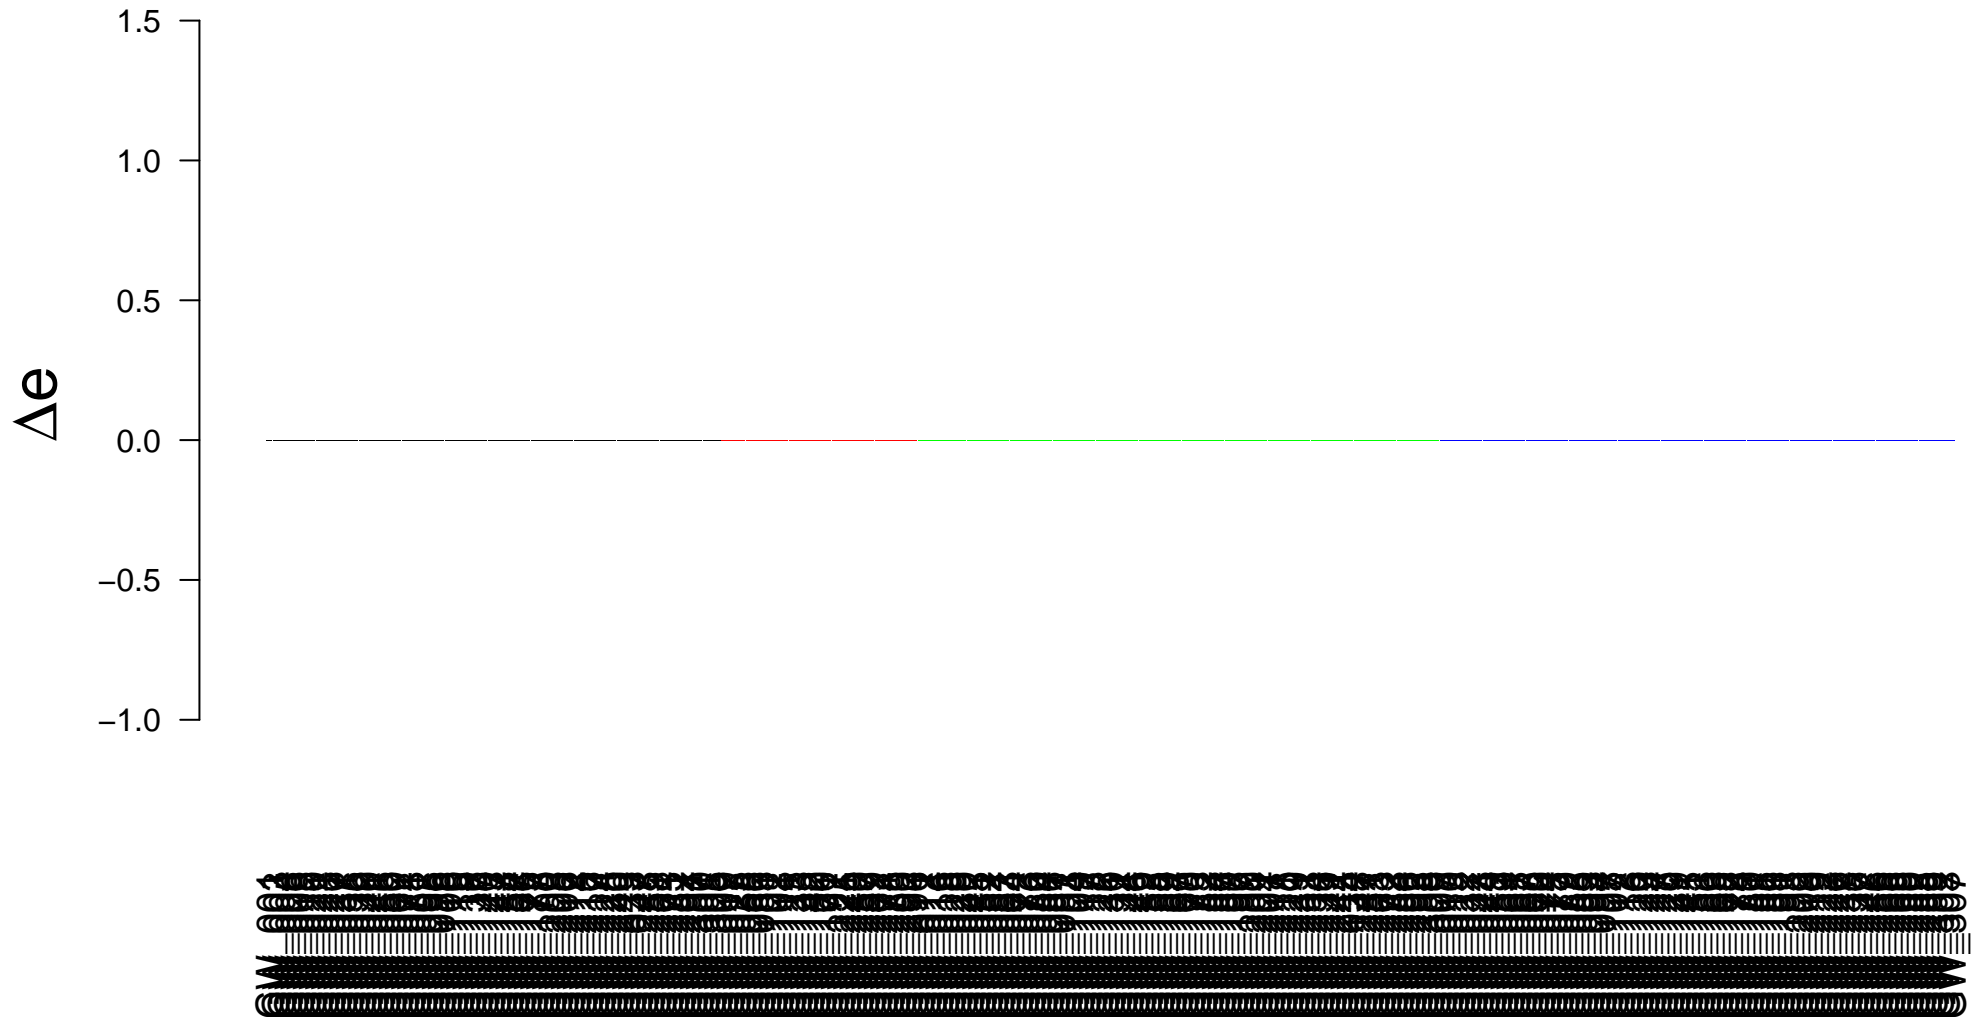

Expression of glutathione derivative biosynthetic process in Spot G

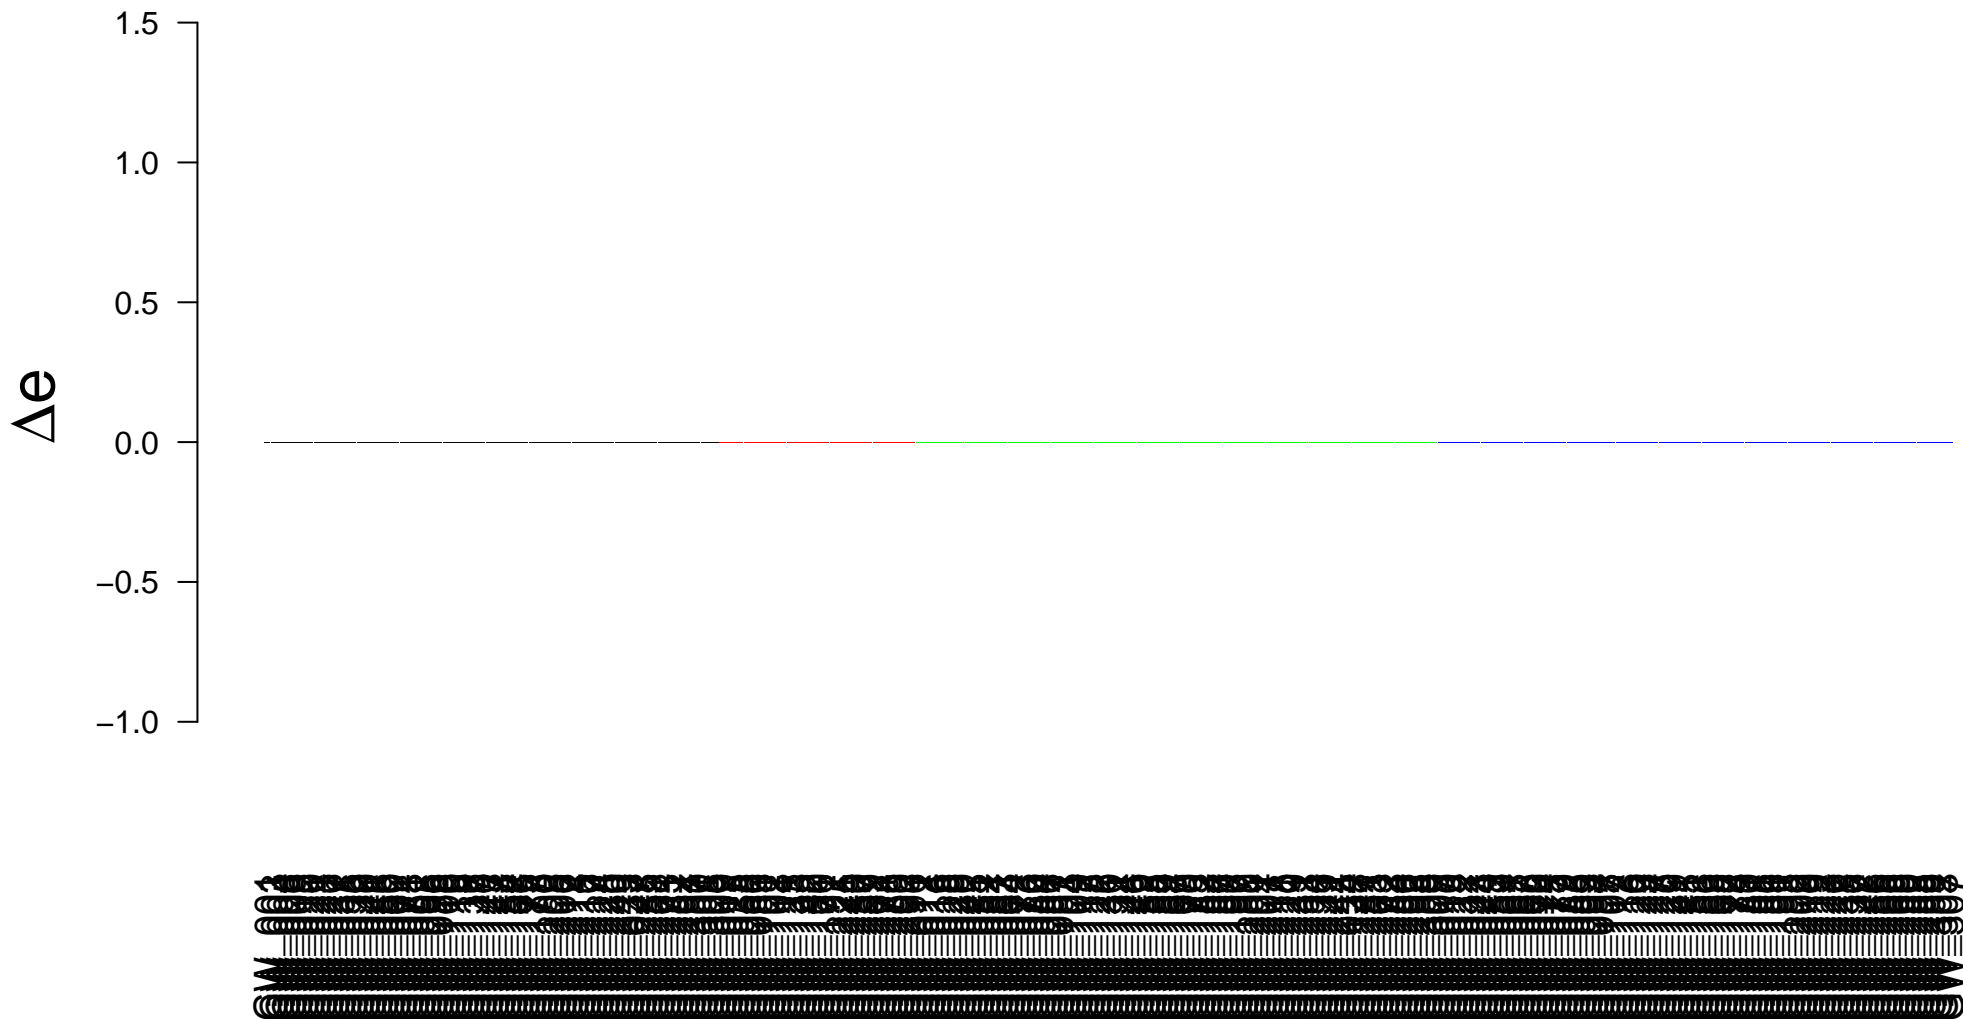

Expression of glutathione derivative biosynthetic process in Spot H

Expression of glutathione derivative biosynthetic process in Spot I

Expression of glutathione derivative biosynthetic process in Spot J

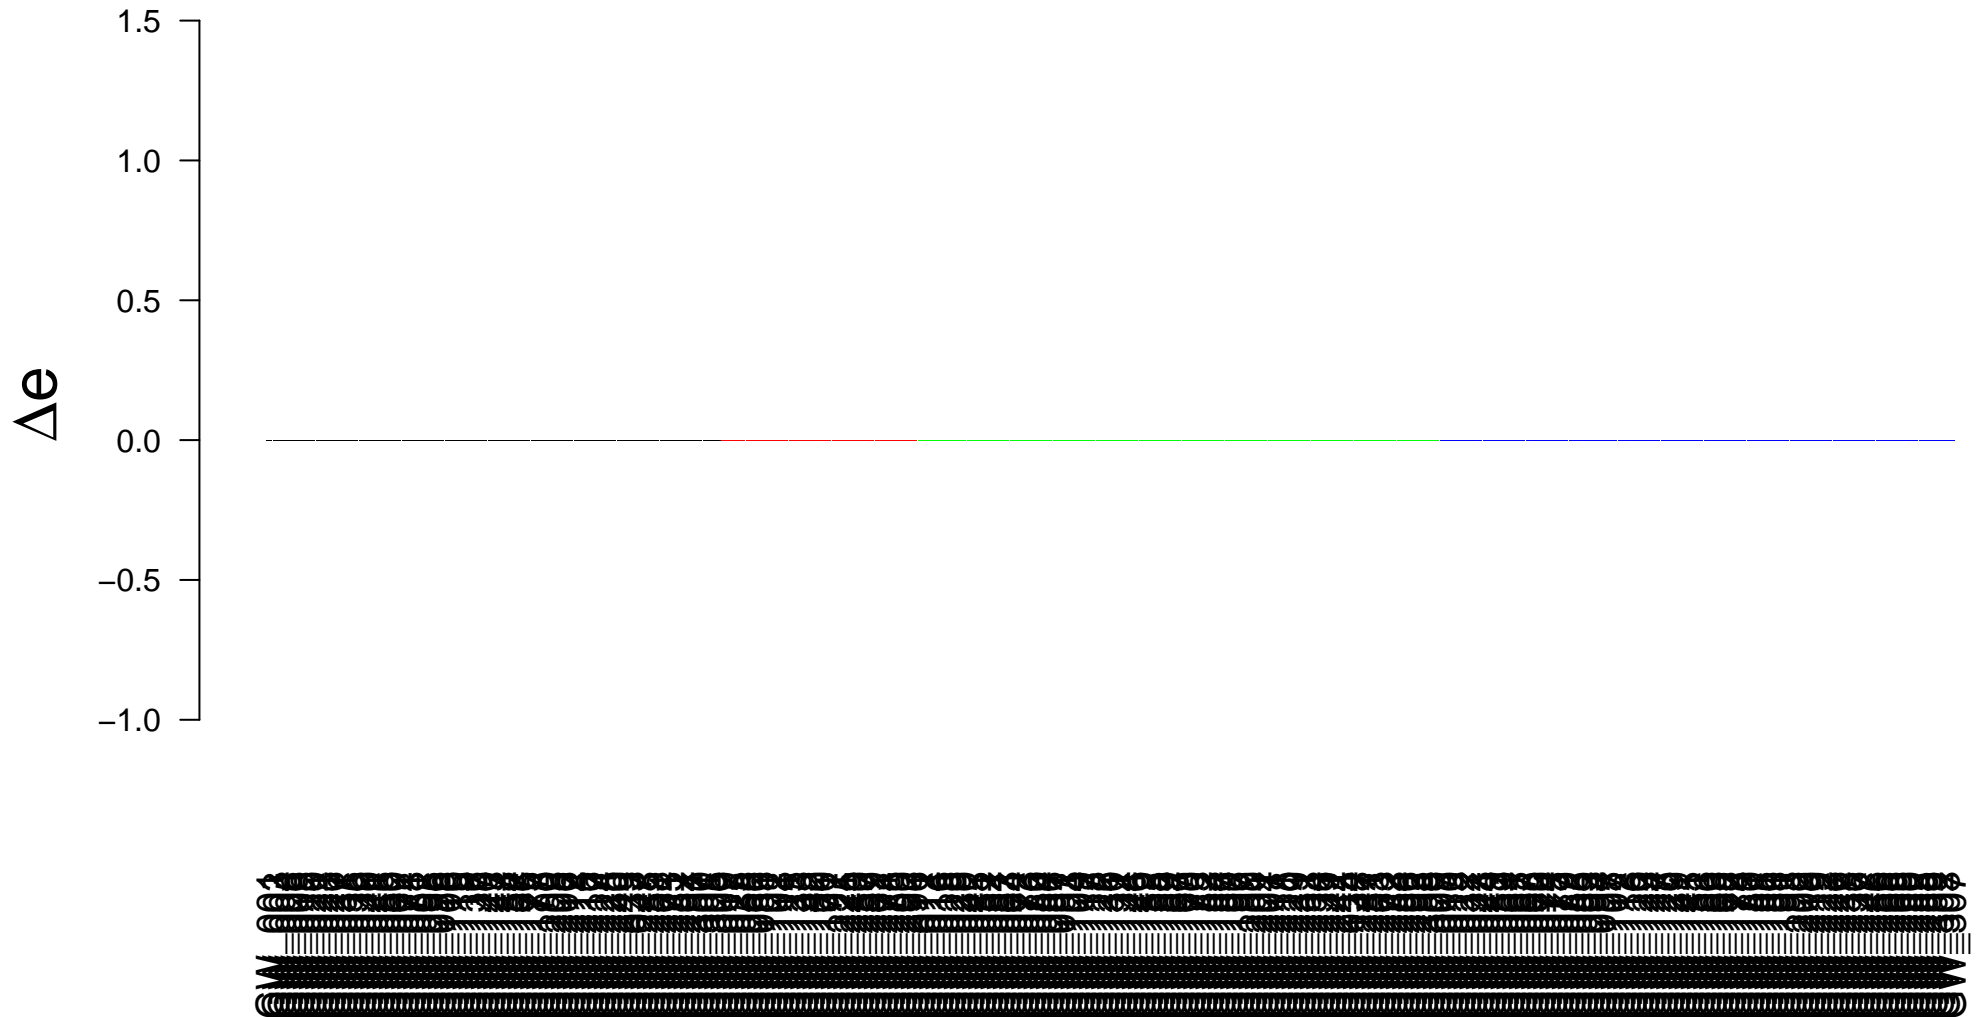

Expression of glutathione derivative biosynthetic process in Spot K

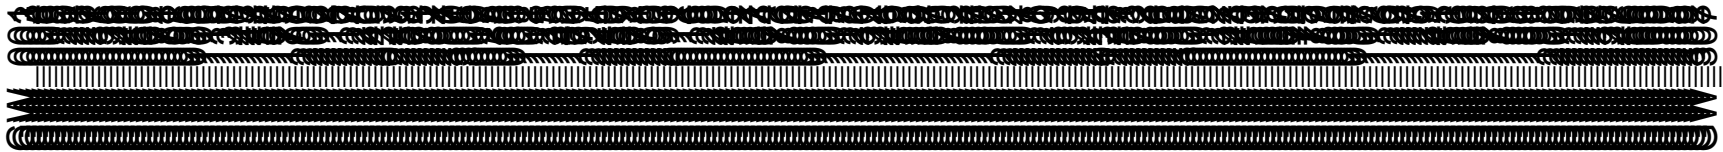

Δe

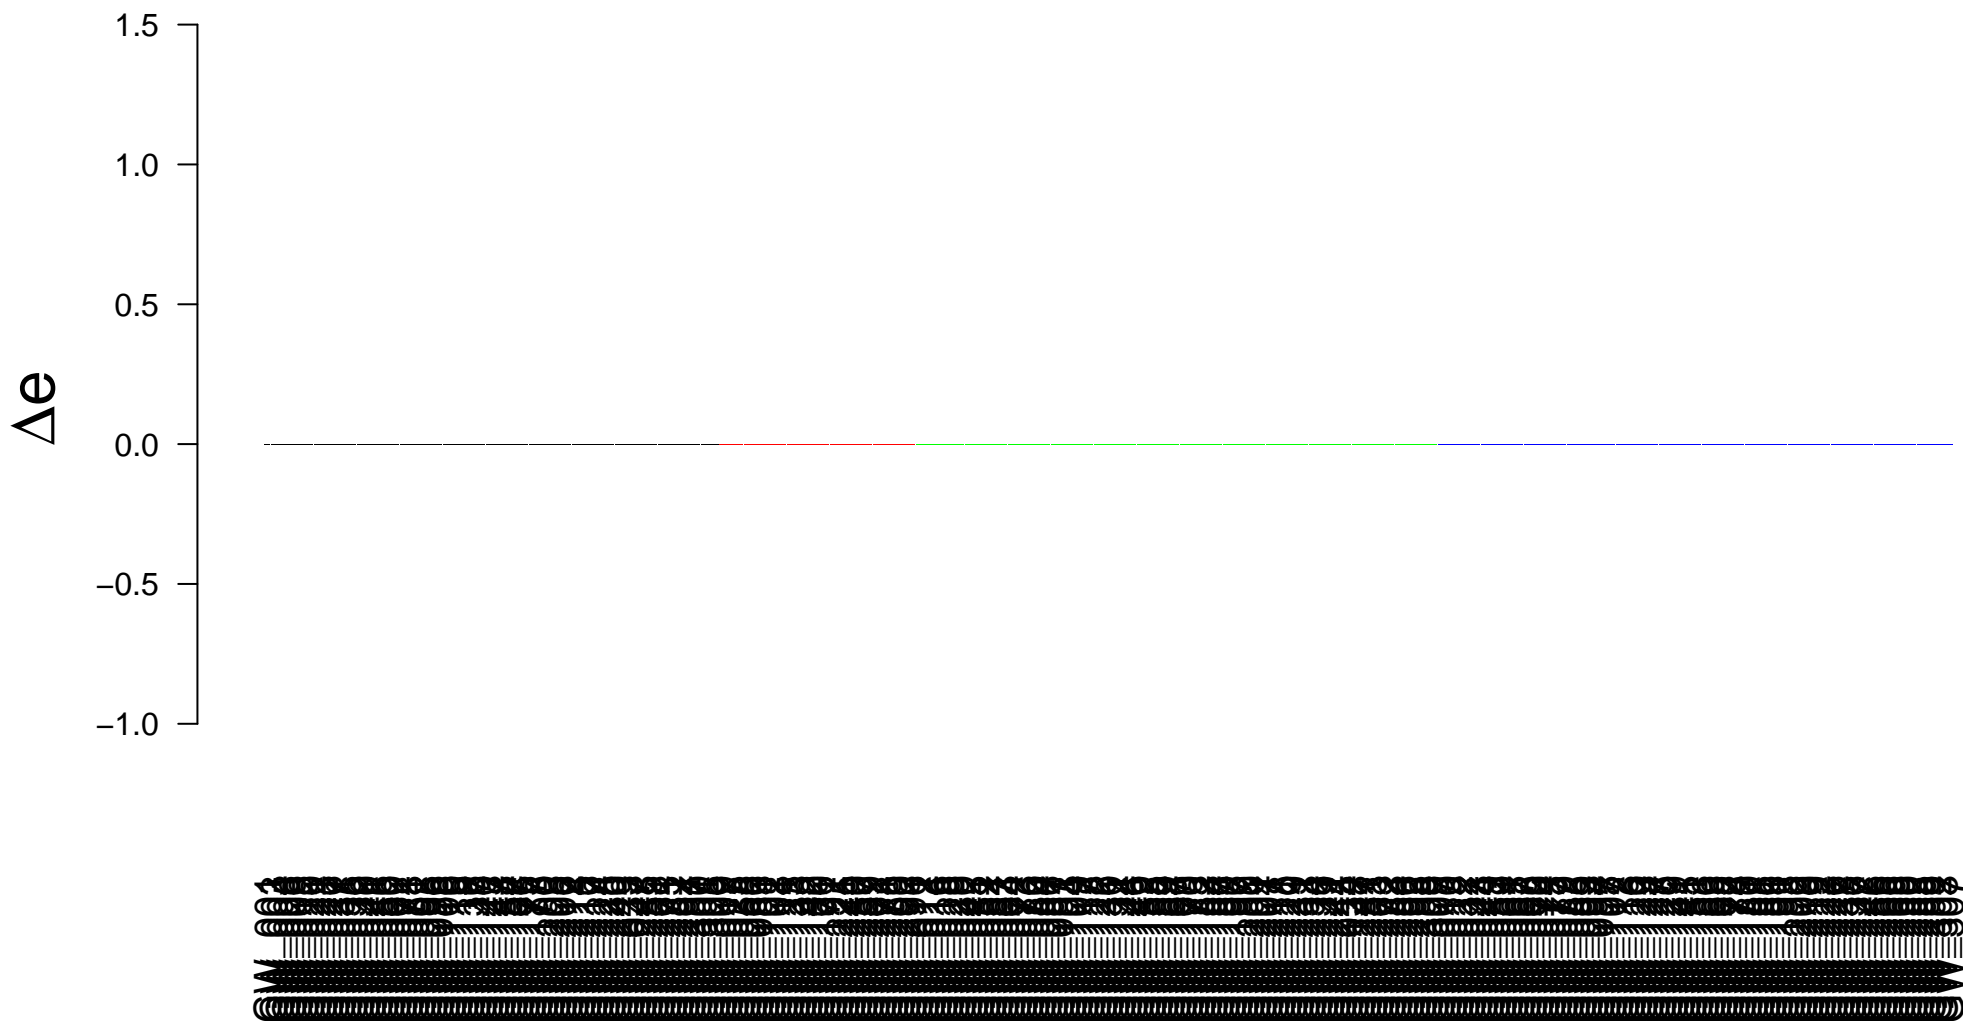

Expression of glutathione derivative biosynthetic process in Spot L

Expression of glutathione derivative biosynthetic process in Spot M

Expression of glutathione derivative biosynthetic process in Spot N

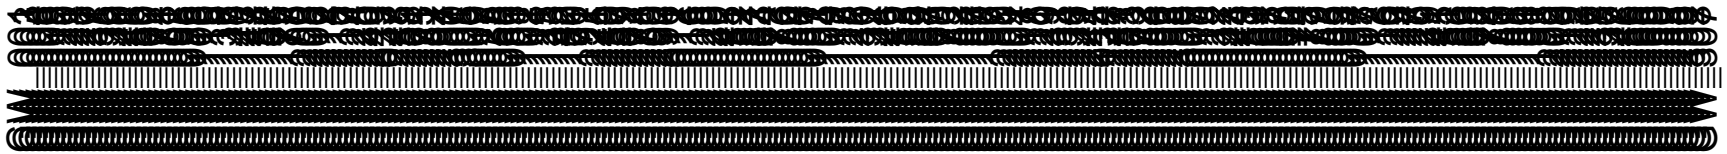

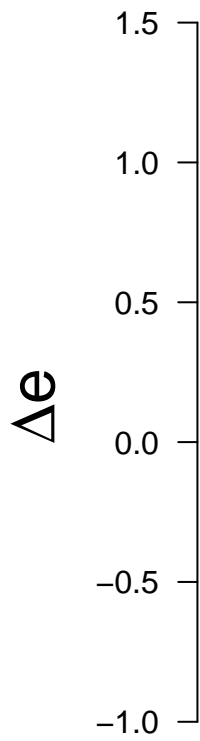

Expression of glutathione derivative biosynthetic process in Spot O

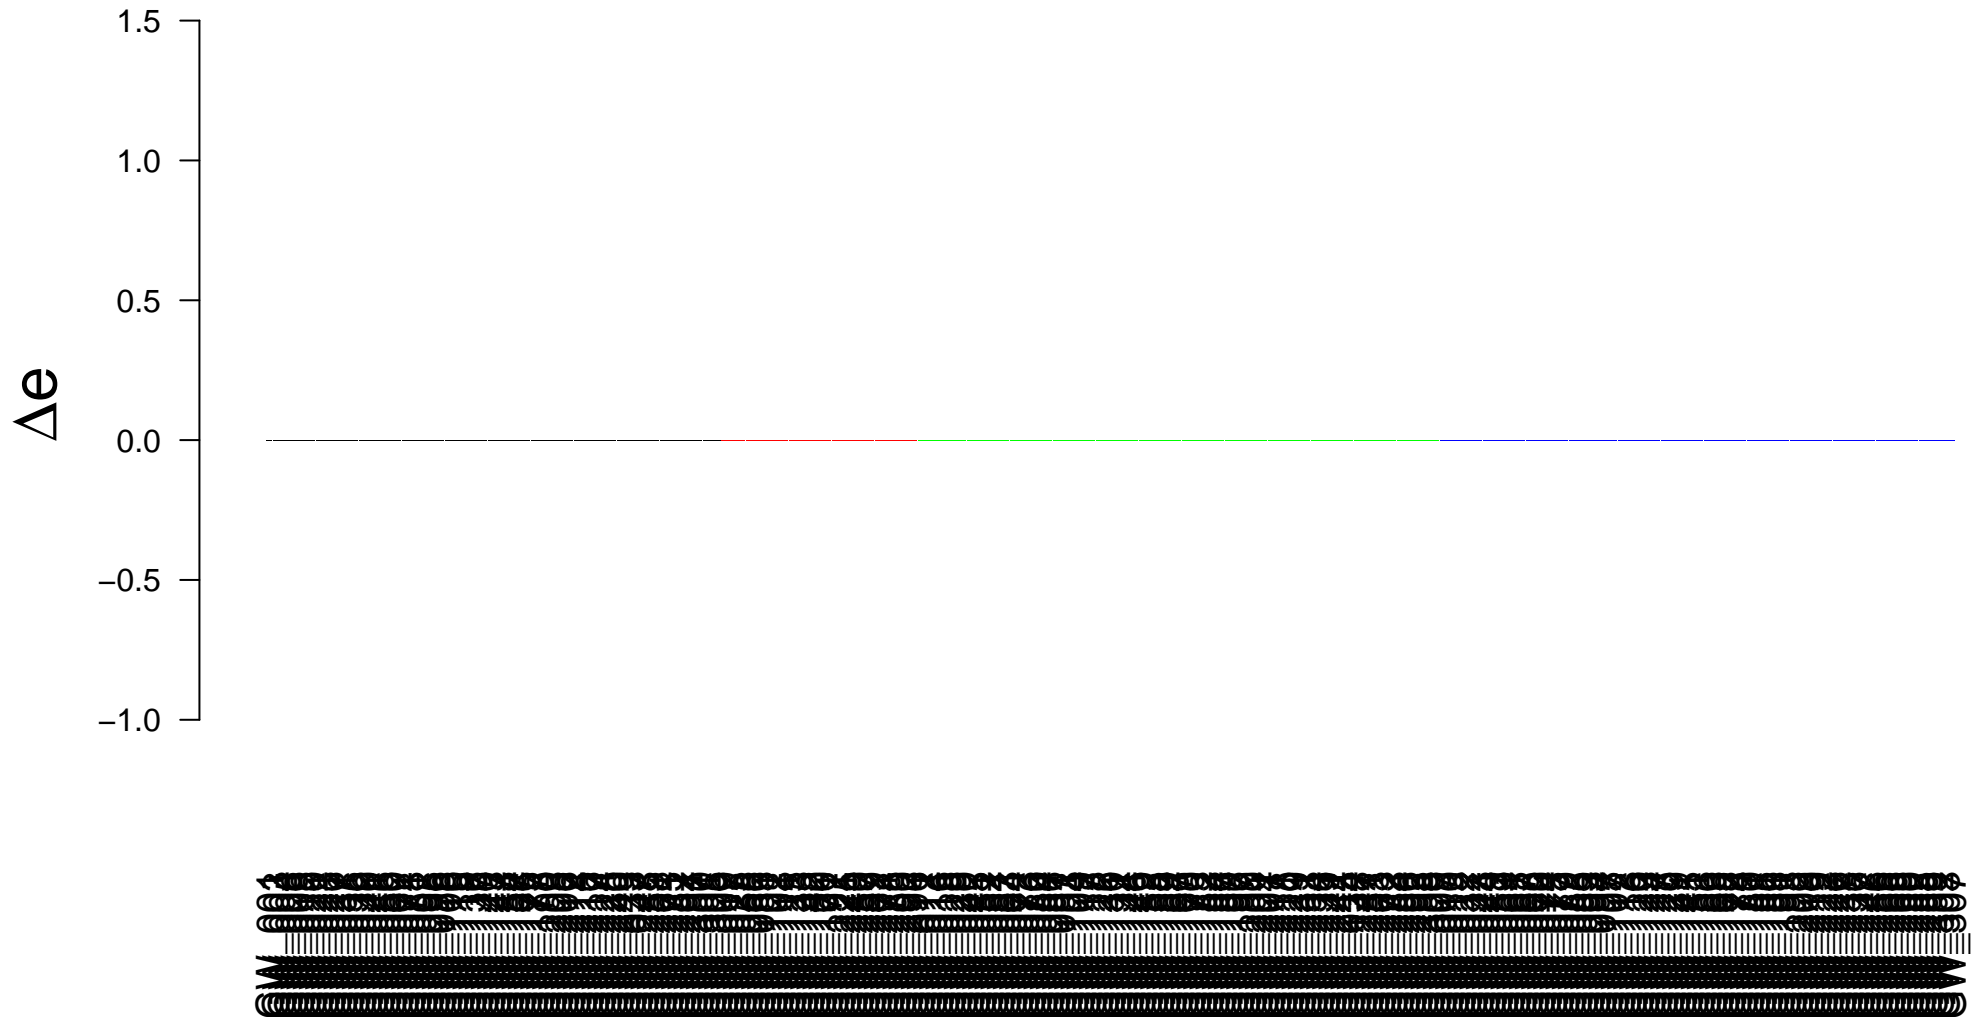

Δe

Expression of glutathione derivative biosynthetic process in Spot P

Expression of glutathione derivative biosynthetic process in Spot Q

Expression of glutathione derivative biosynthetic process in Spot R

Δe
