

glycerol metabolic process

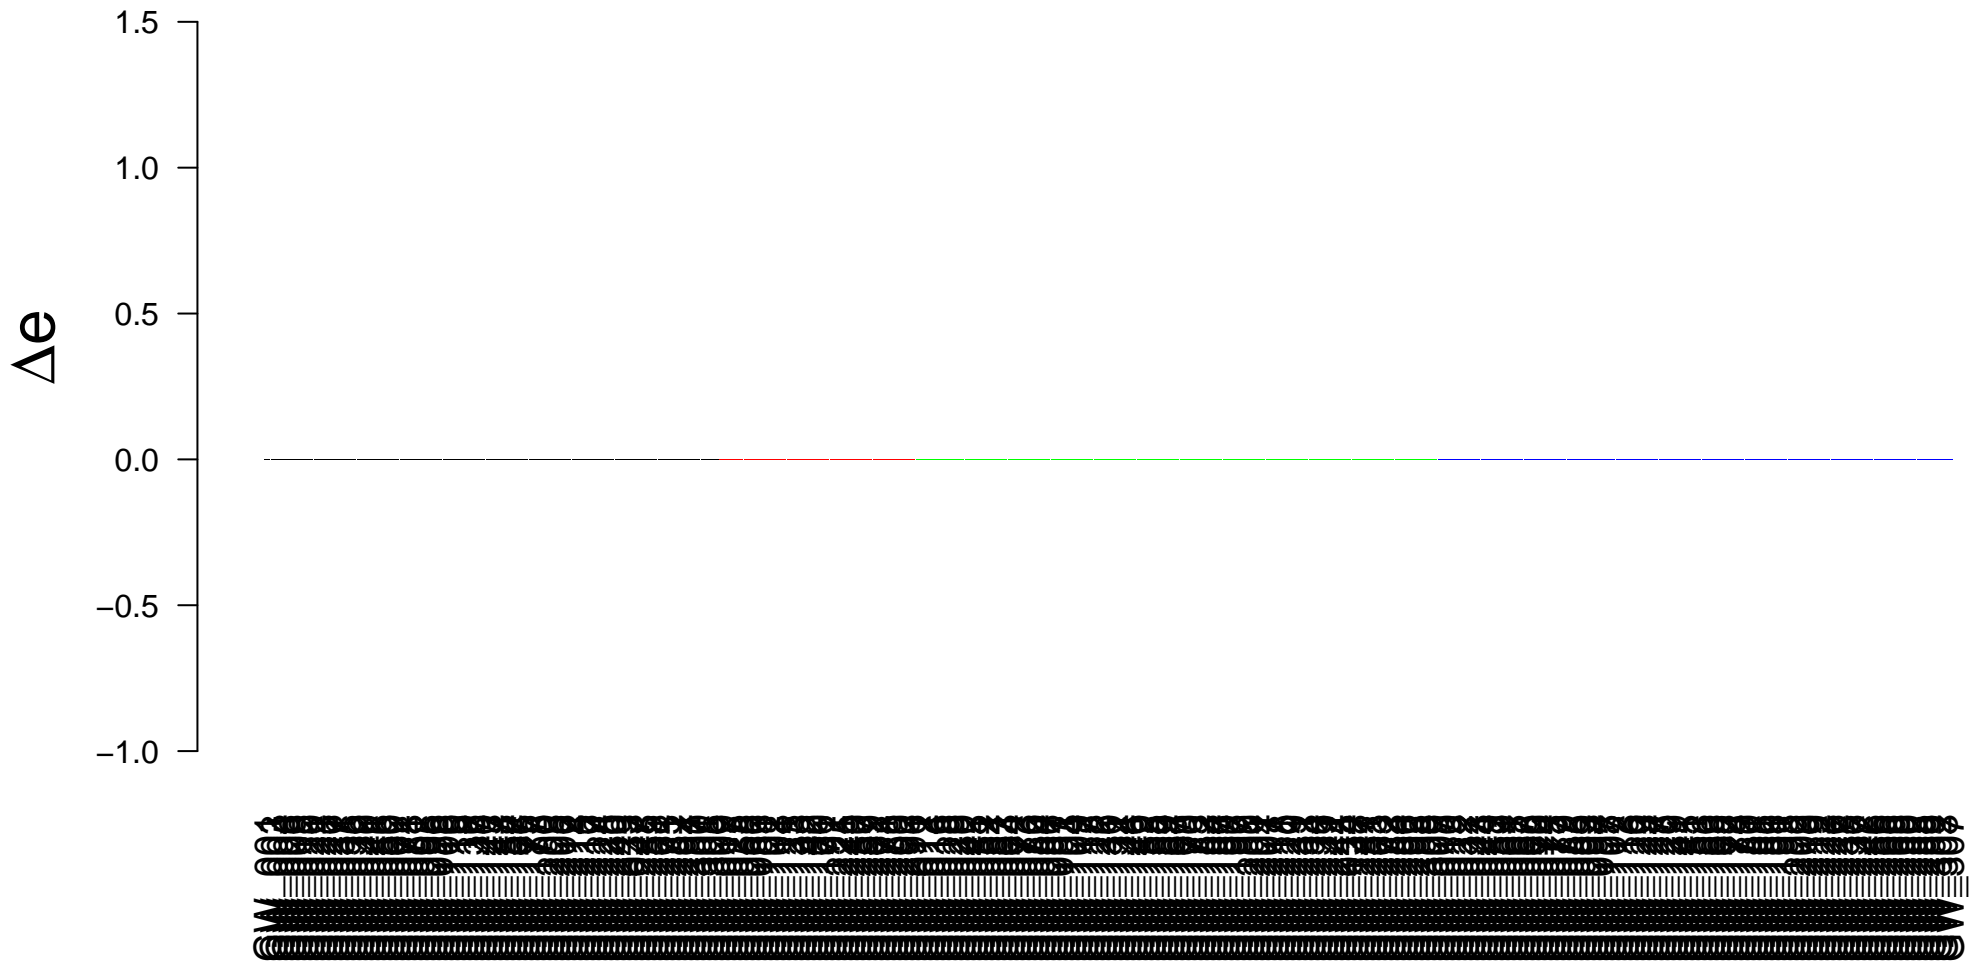

glycerol metabolic process

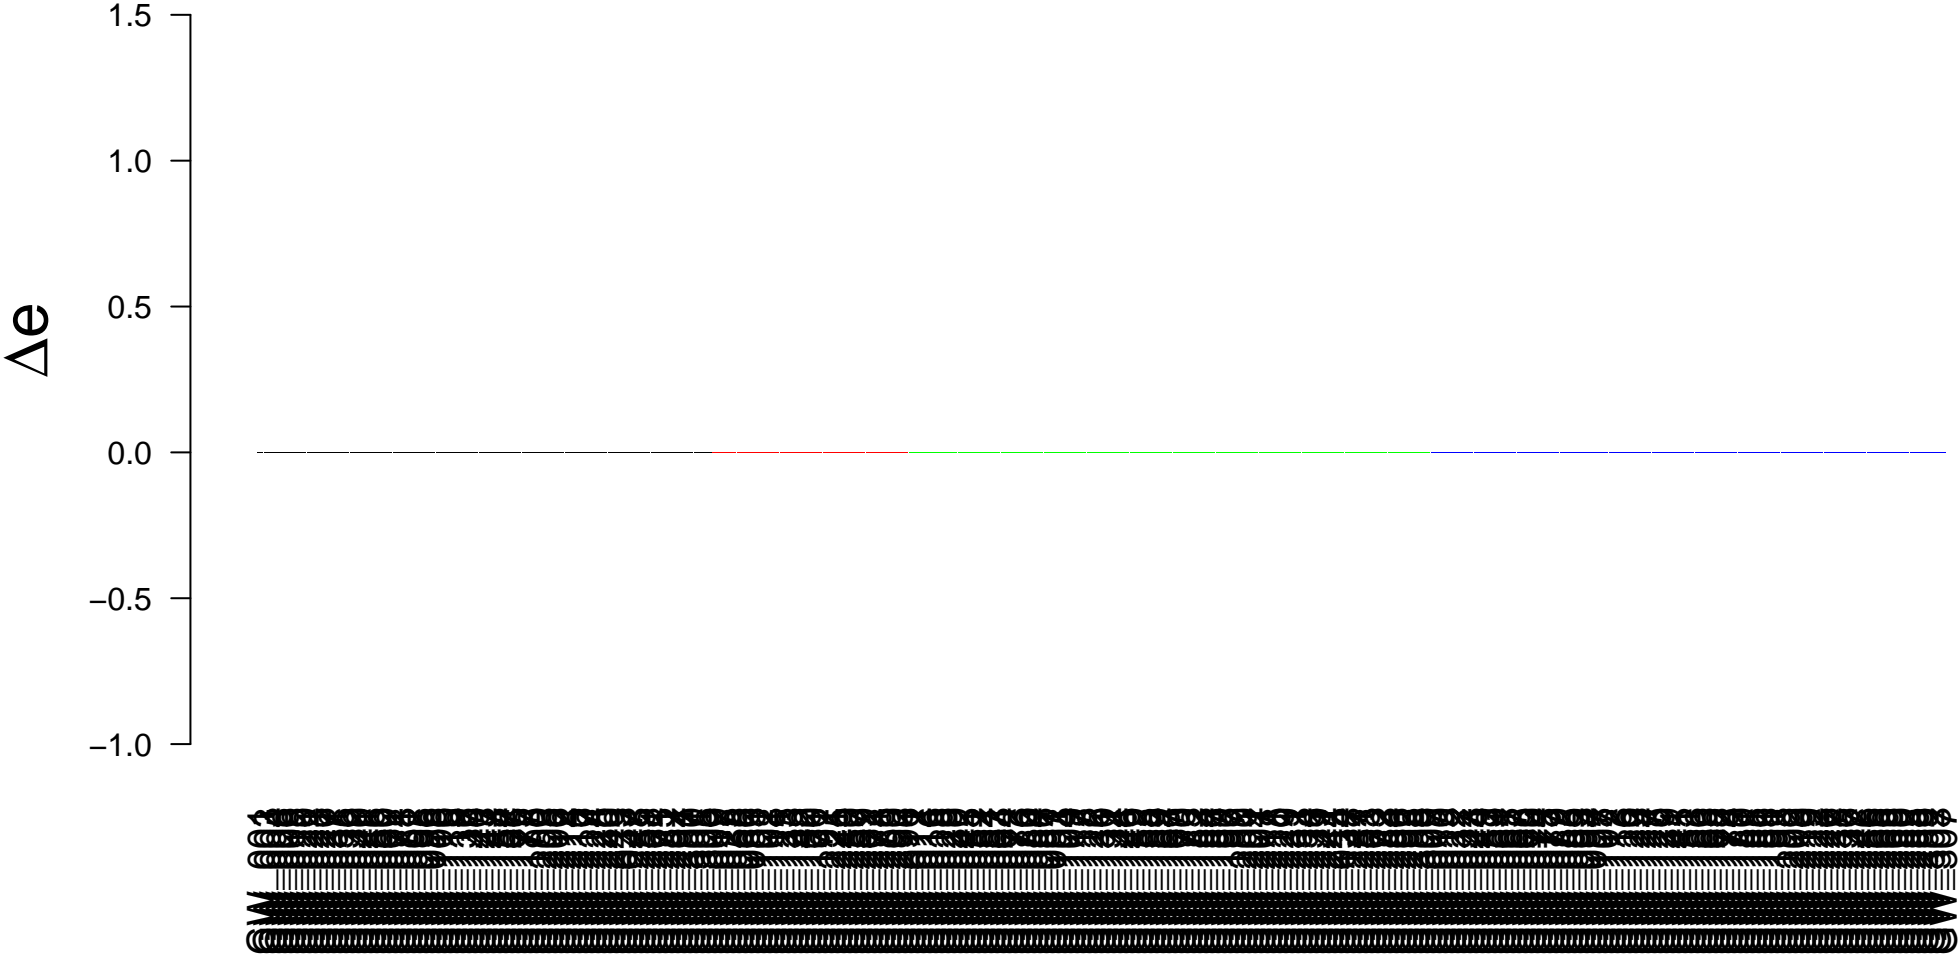

Enrichment in spots: glycerol metabolic process

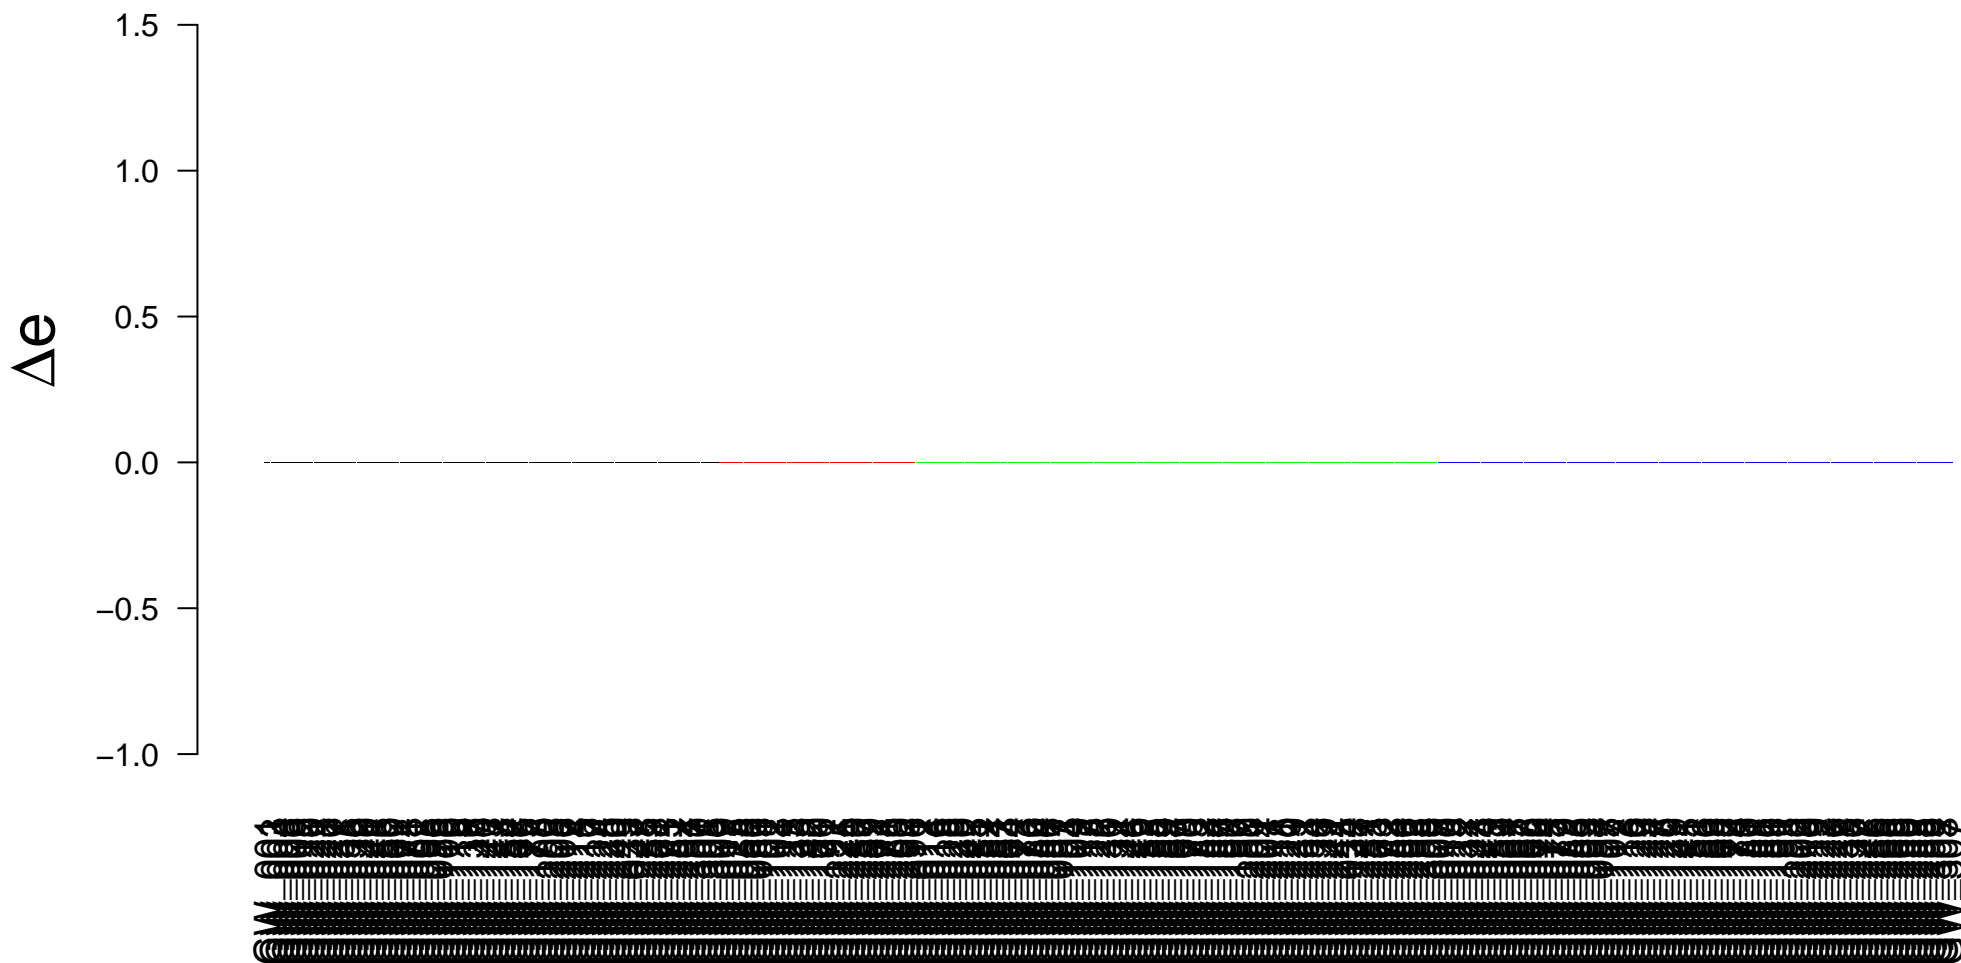

Expression of glycerol metabolic process in Spot A

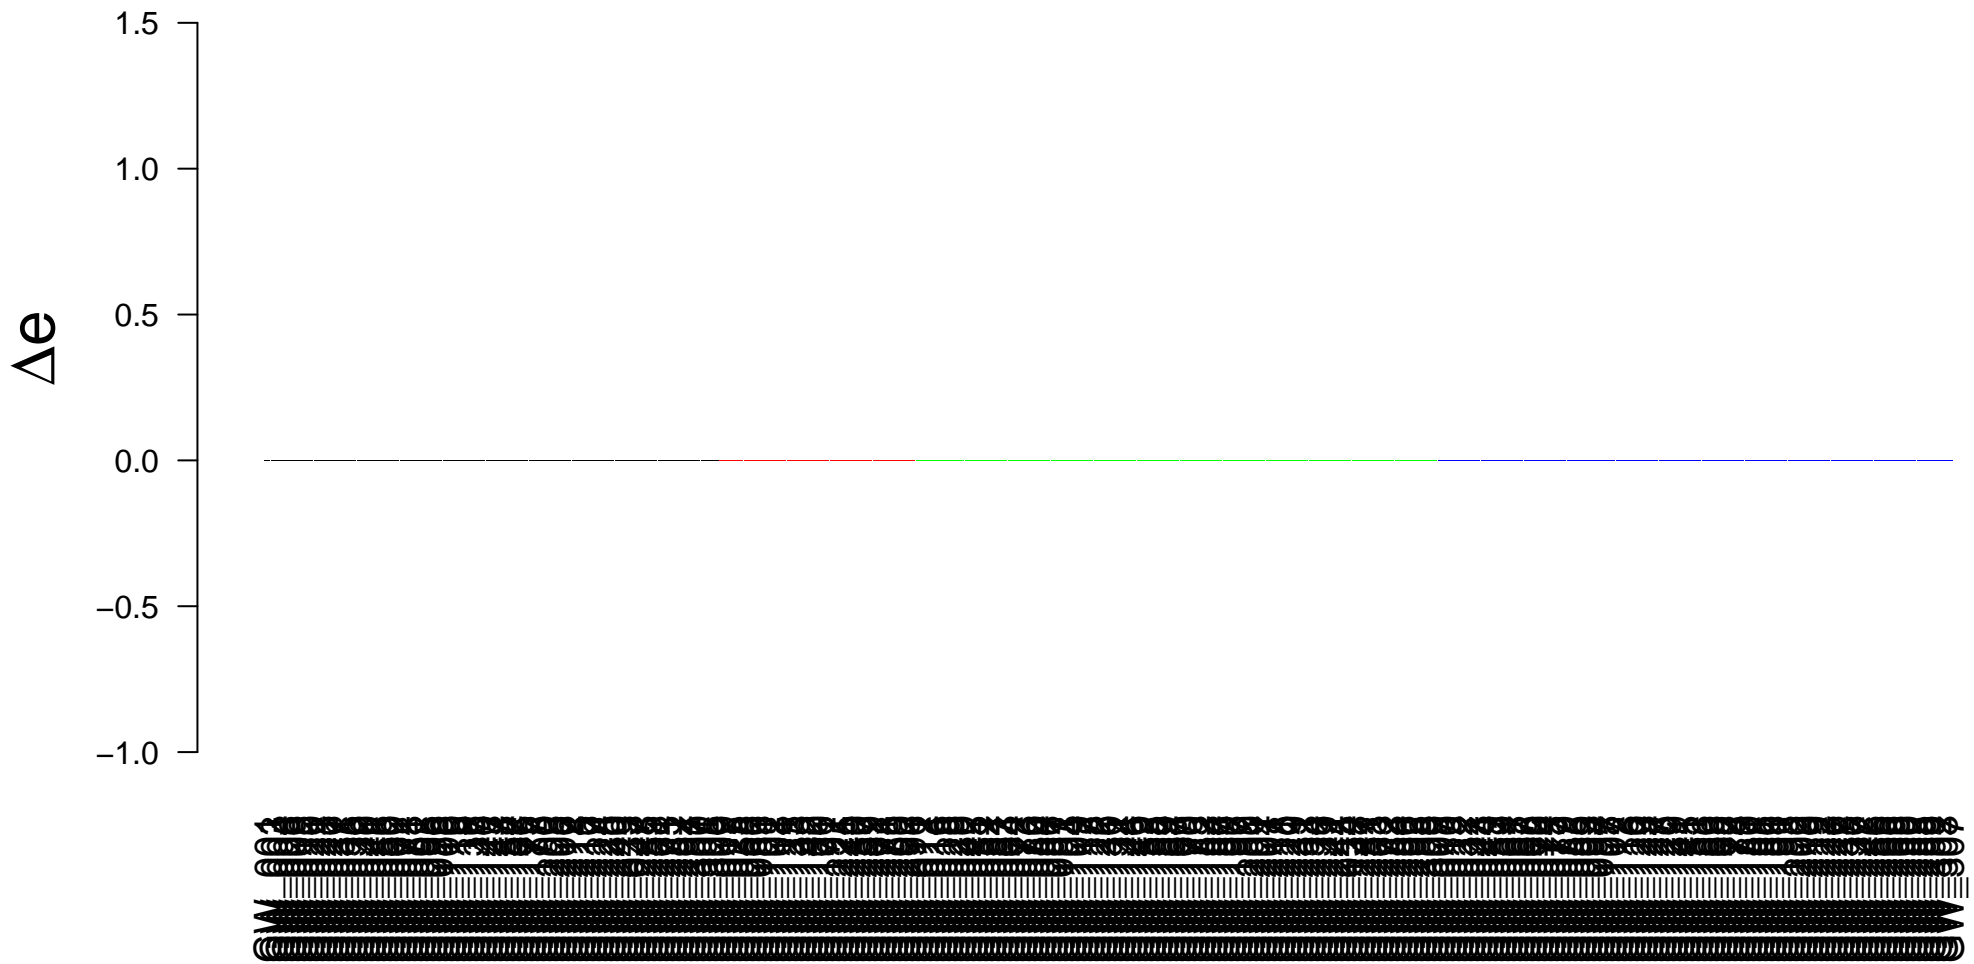

Expression of glycerol metabolic process in Spot B

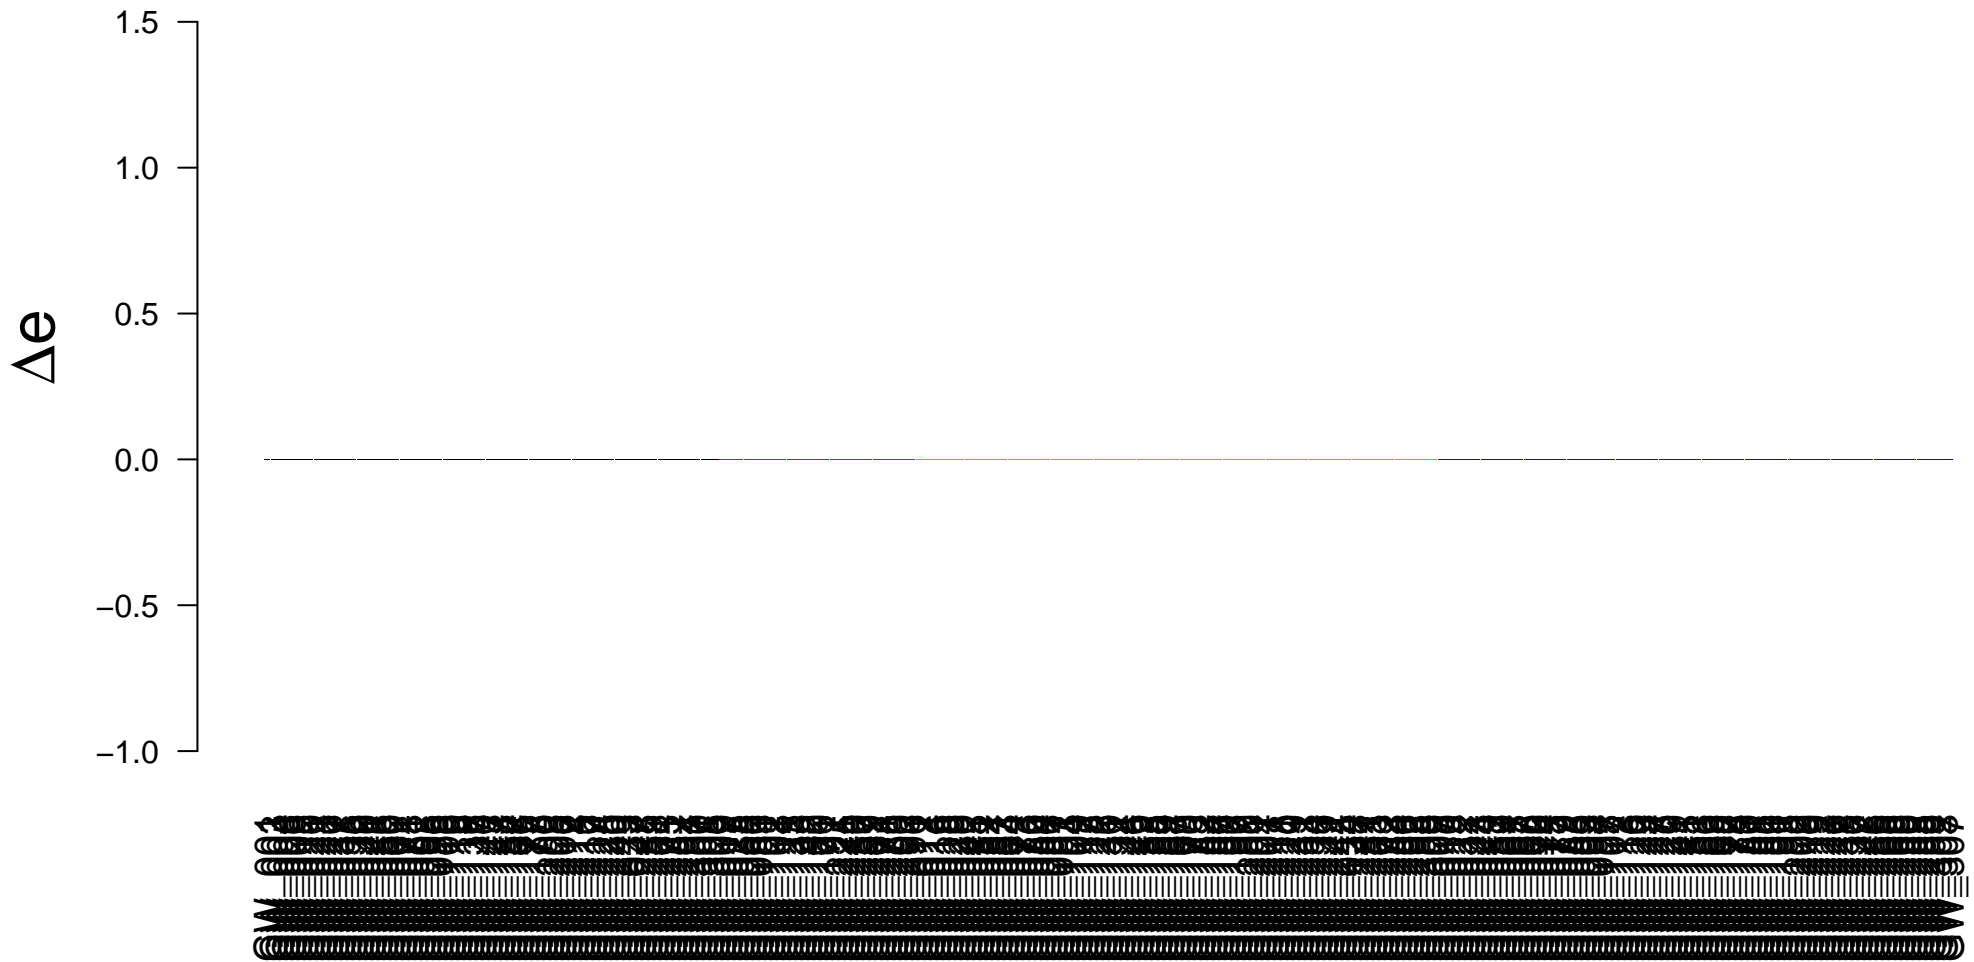

Expression of glycerol metabolic process in Spot C

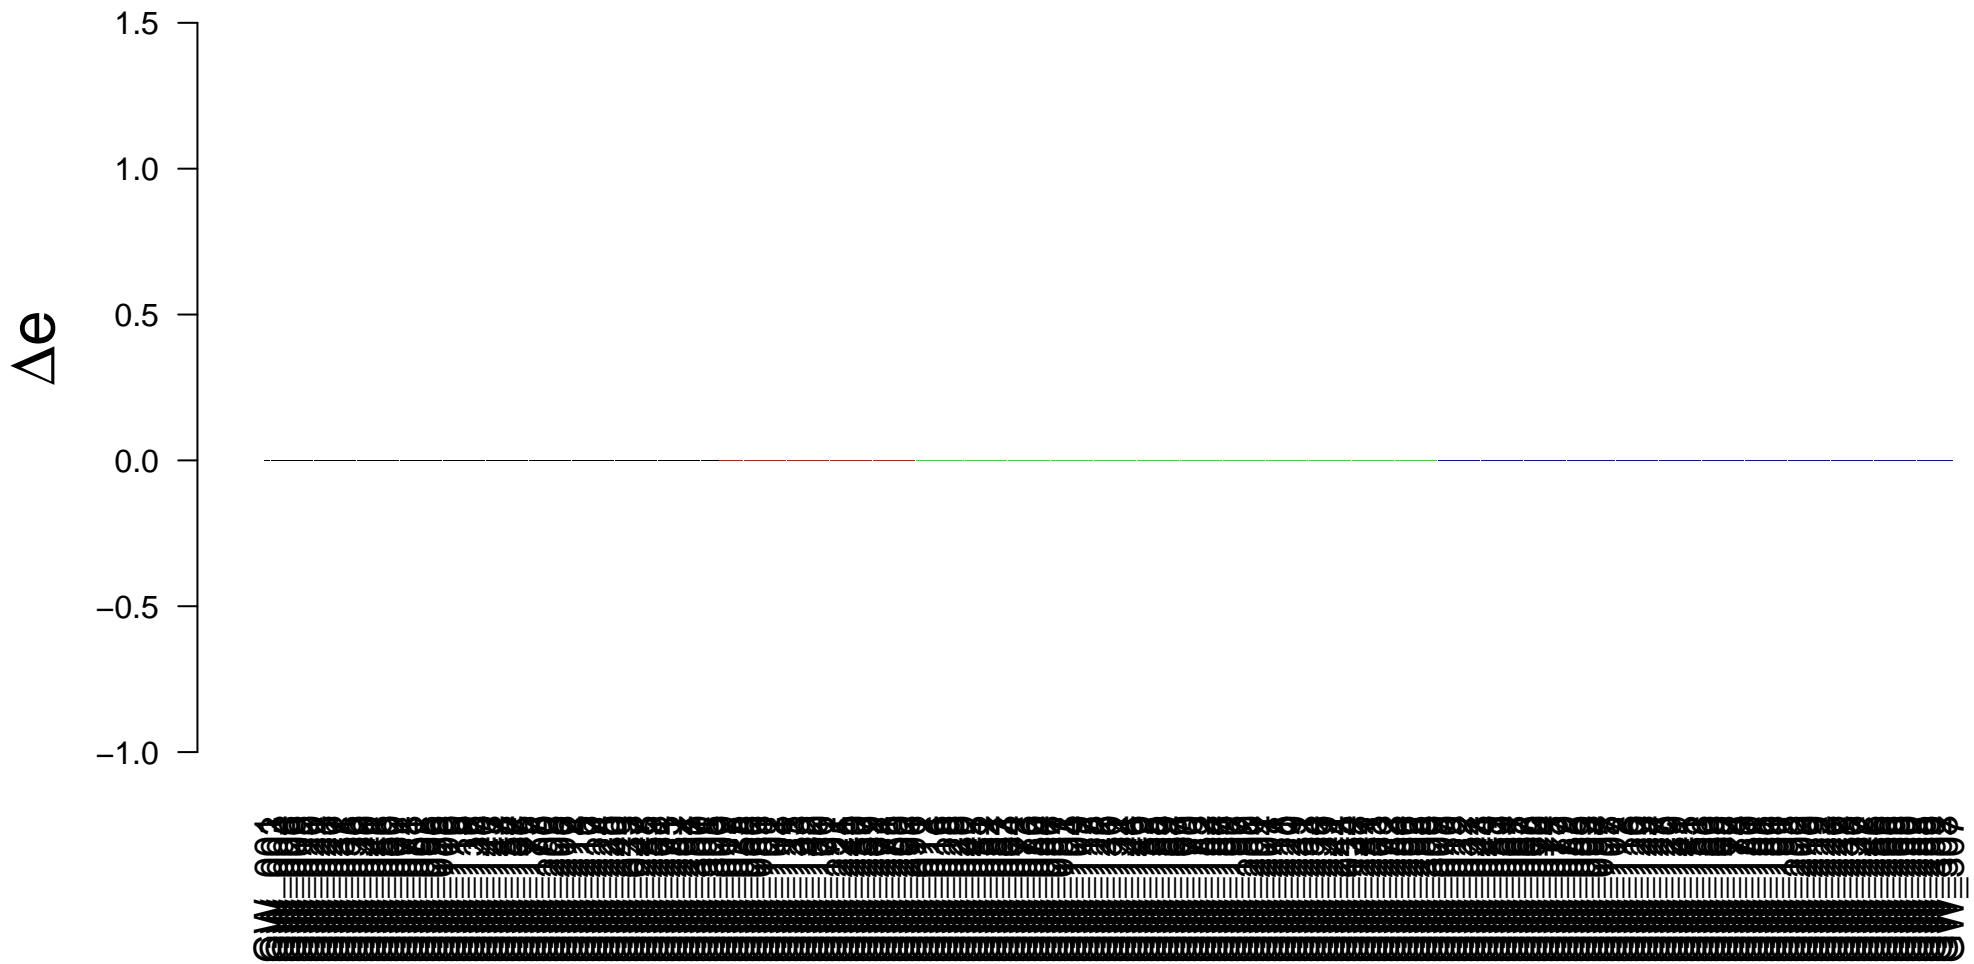

Expression of glycerol metabolic process in Spot D

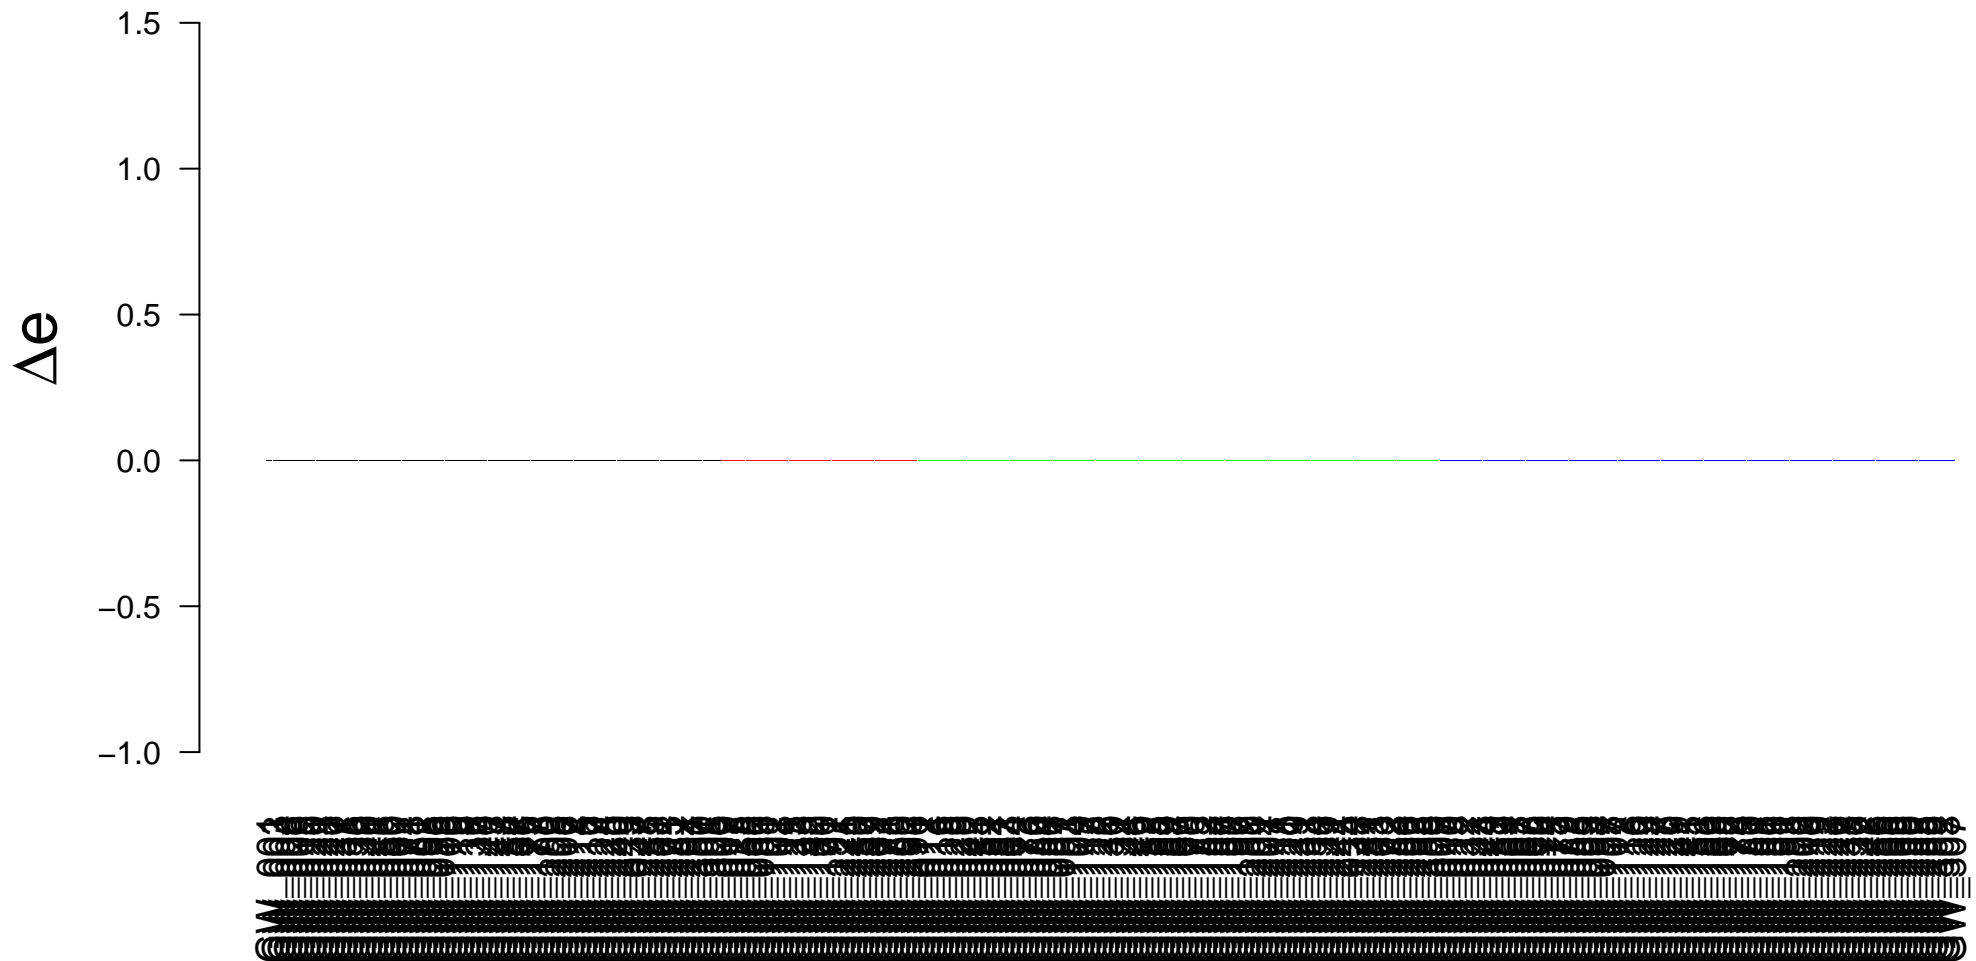

Expression of glycerol metabolic process in Spot E

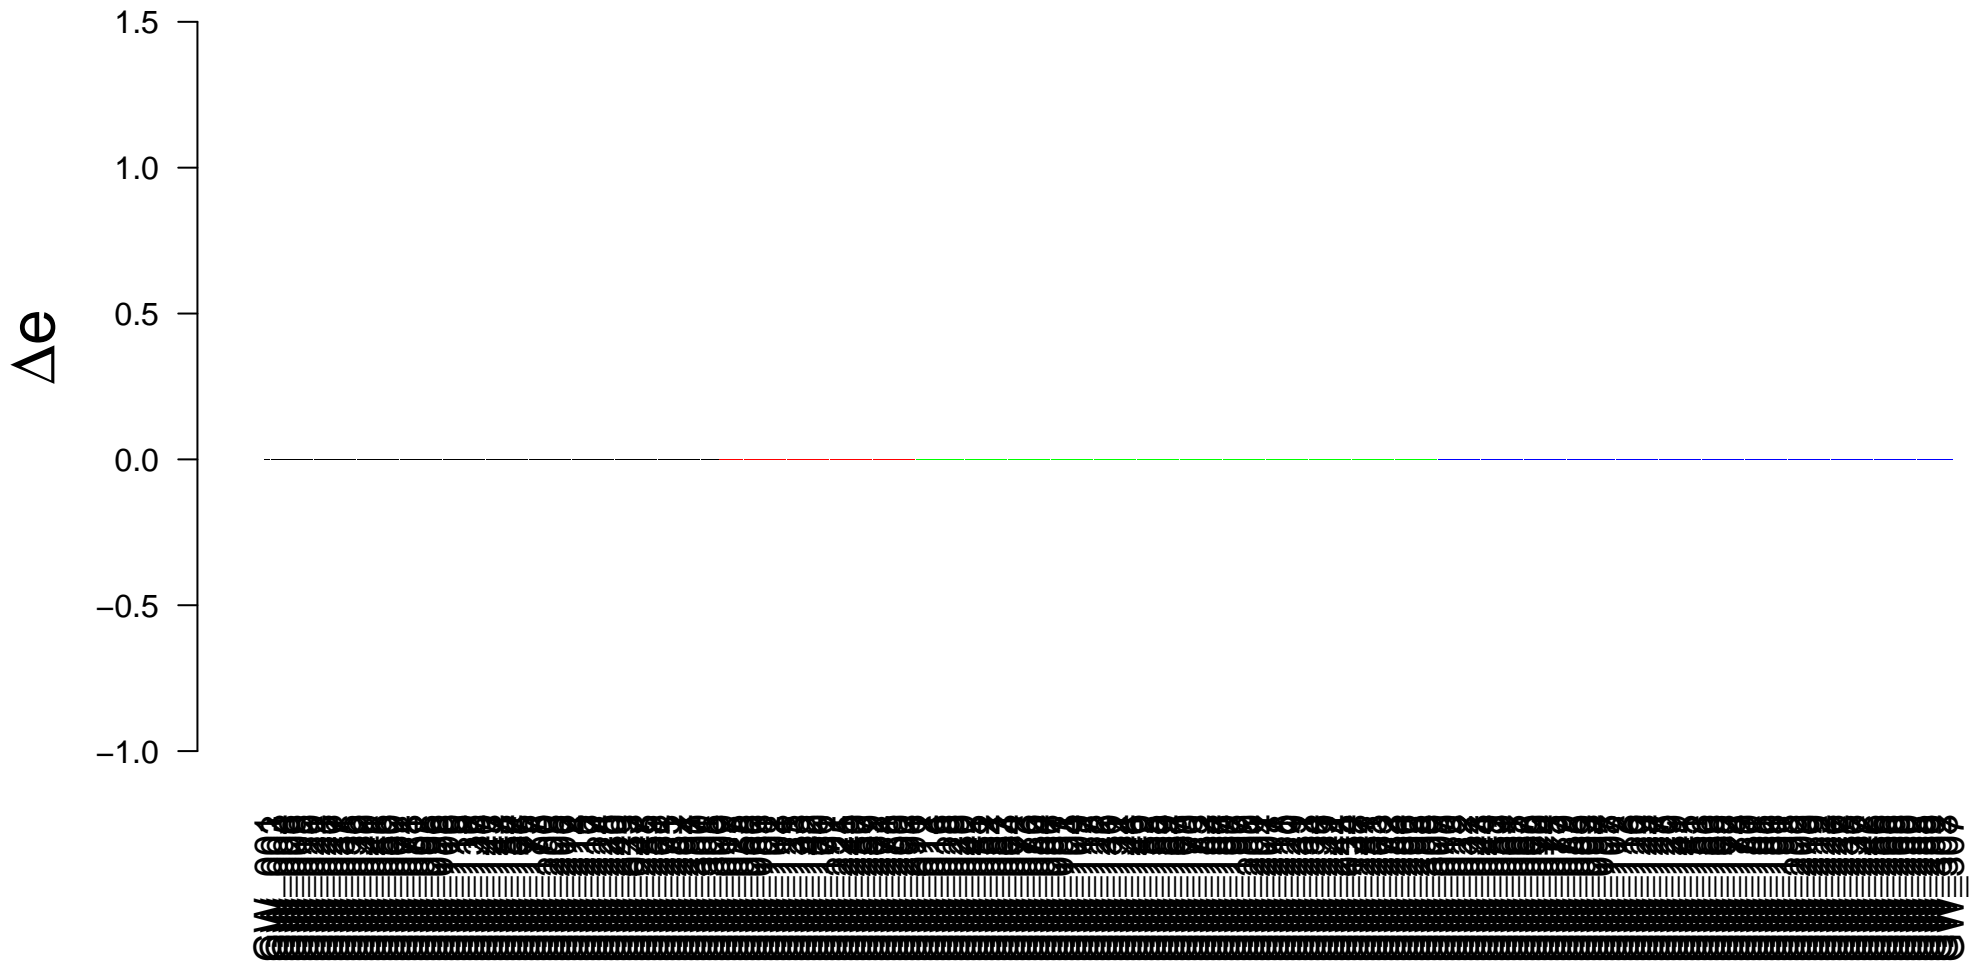

Expression of glycerol metabolic process in Spot F

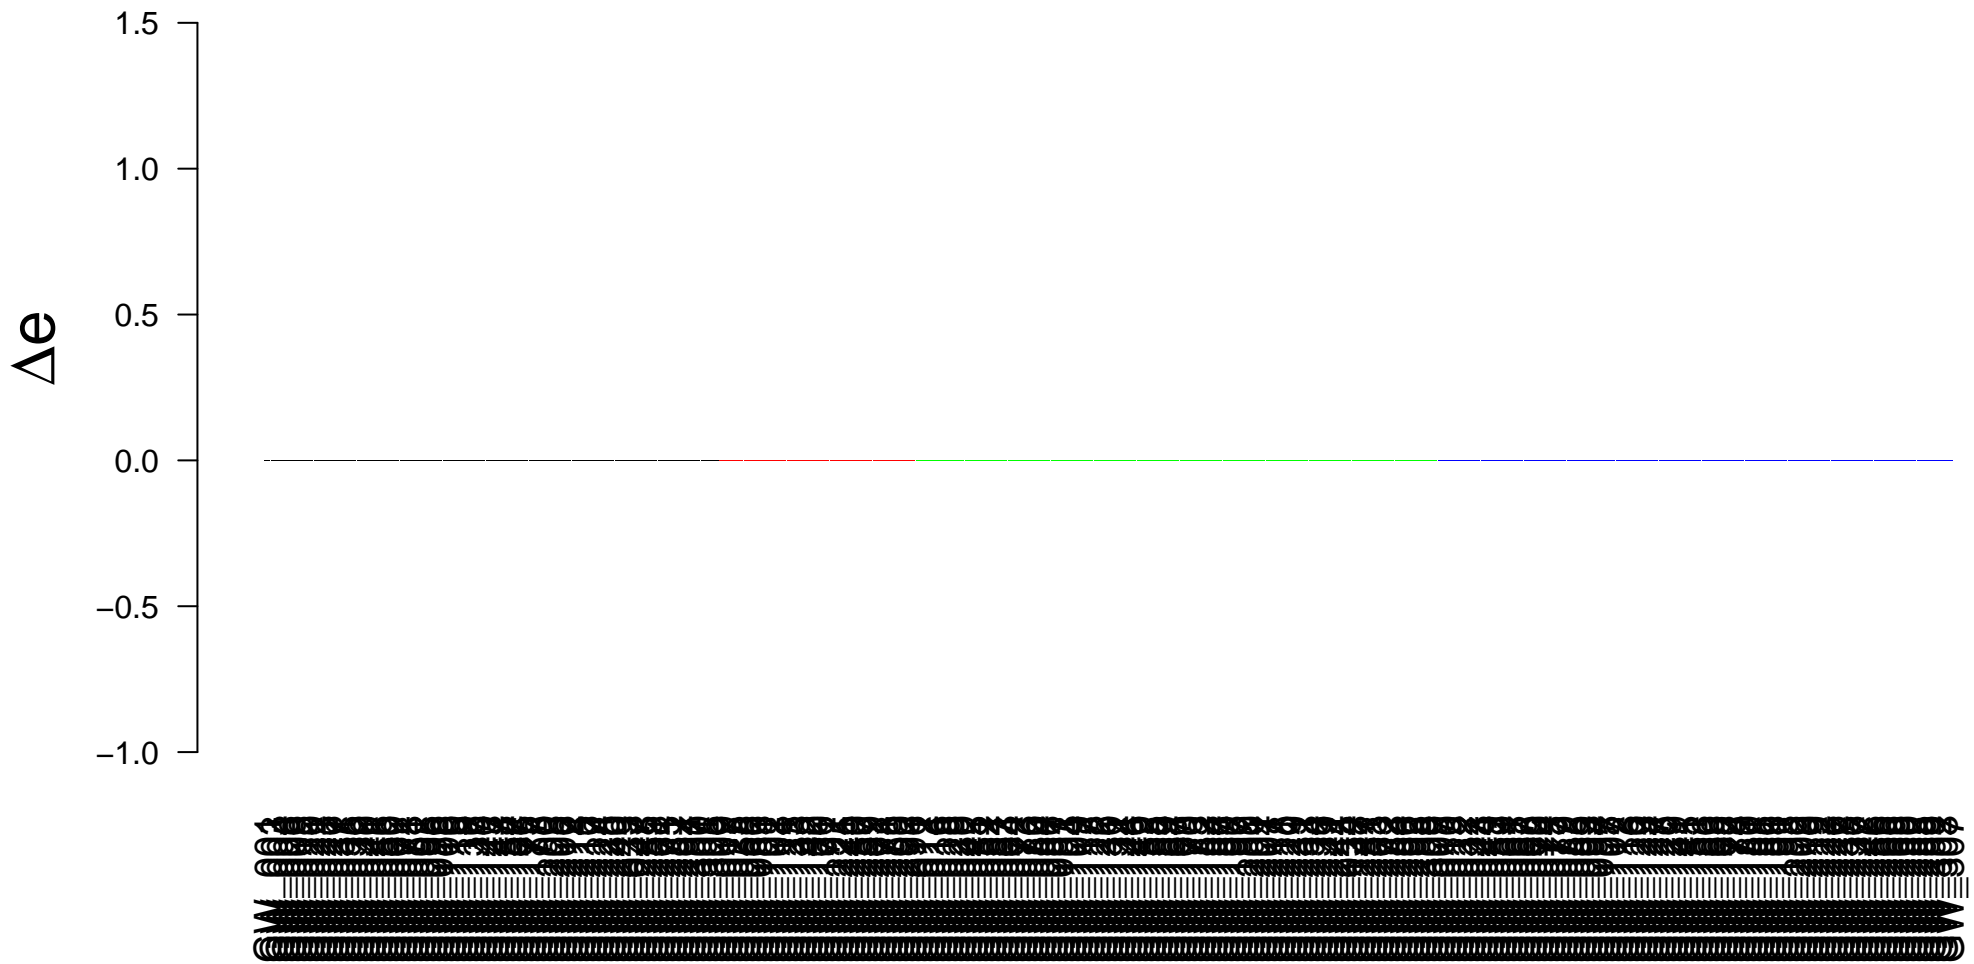

Expression of glycerol metabolic process in Spot G

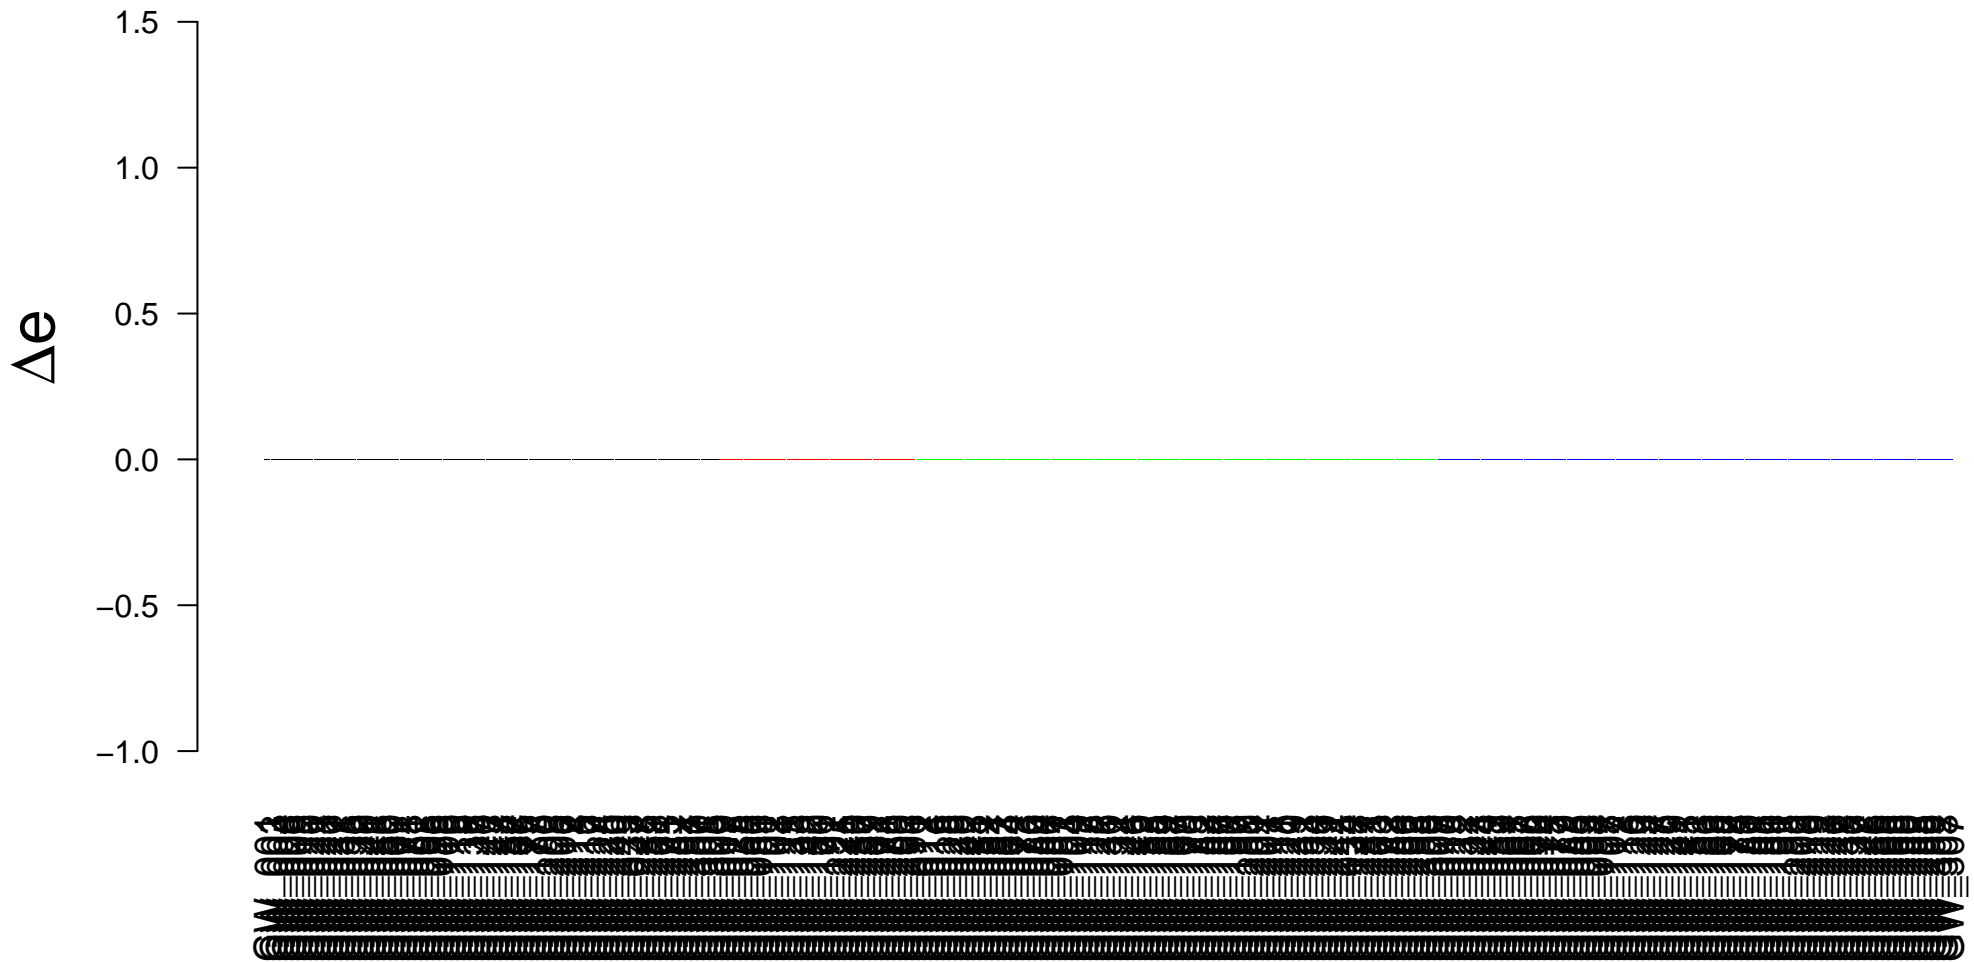

Expression of glycerol metabolic process in Spot H

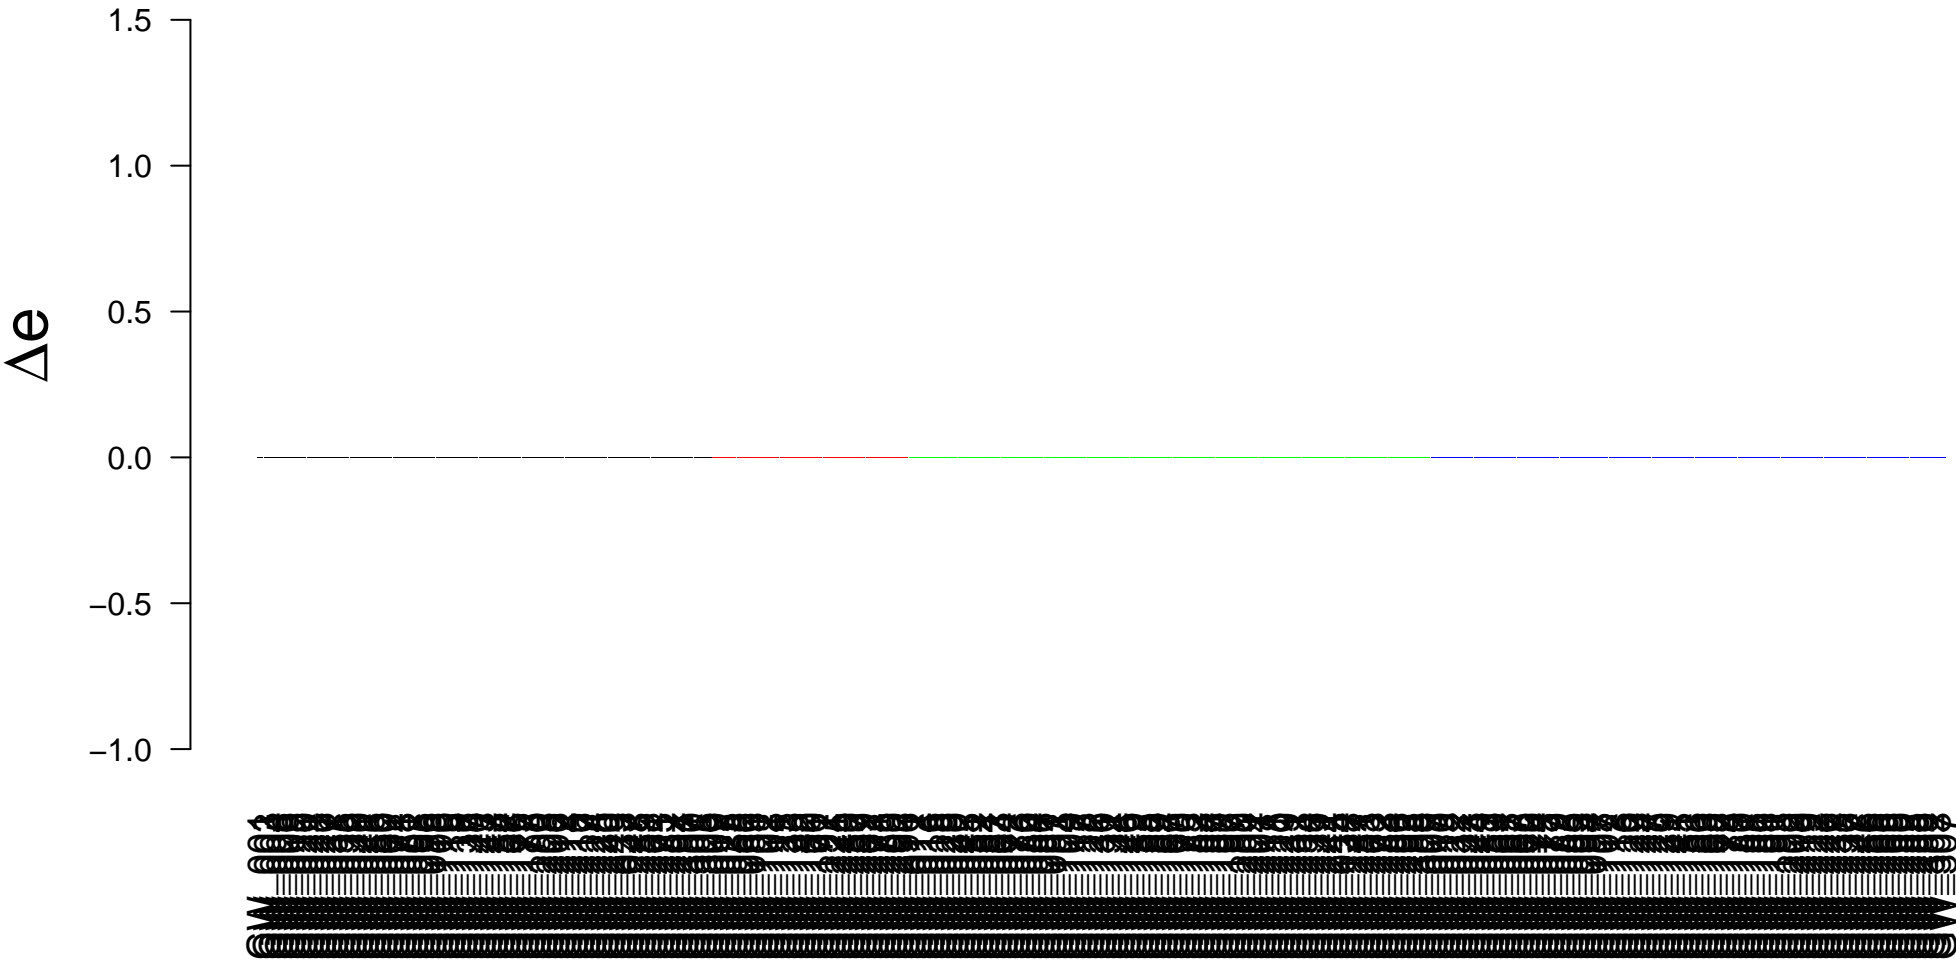

Expression of glycerol metabolic process in Spot I

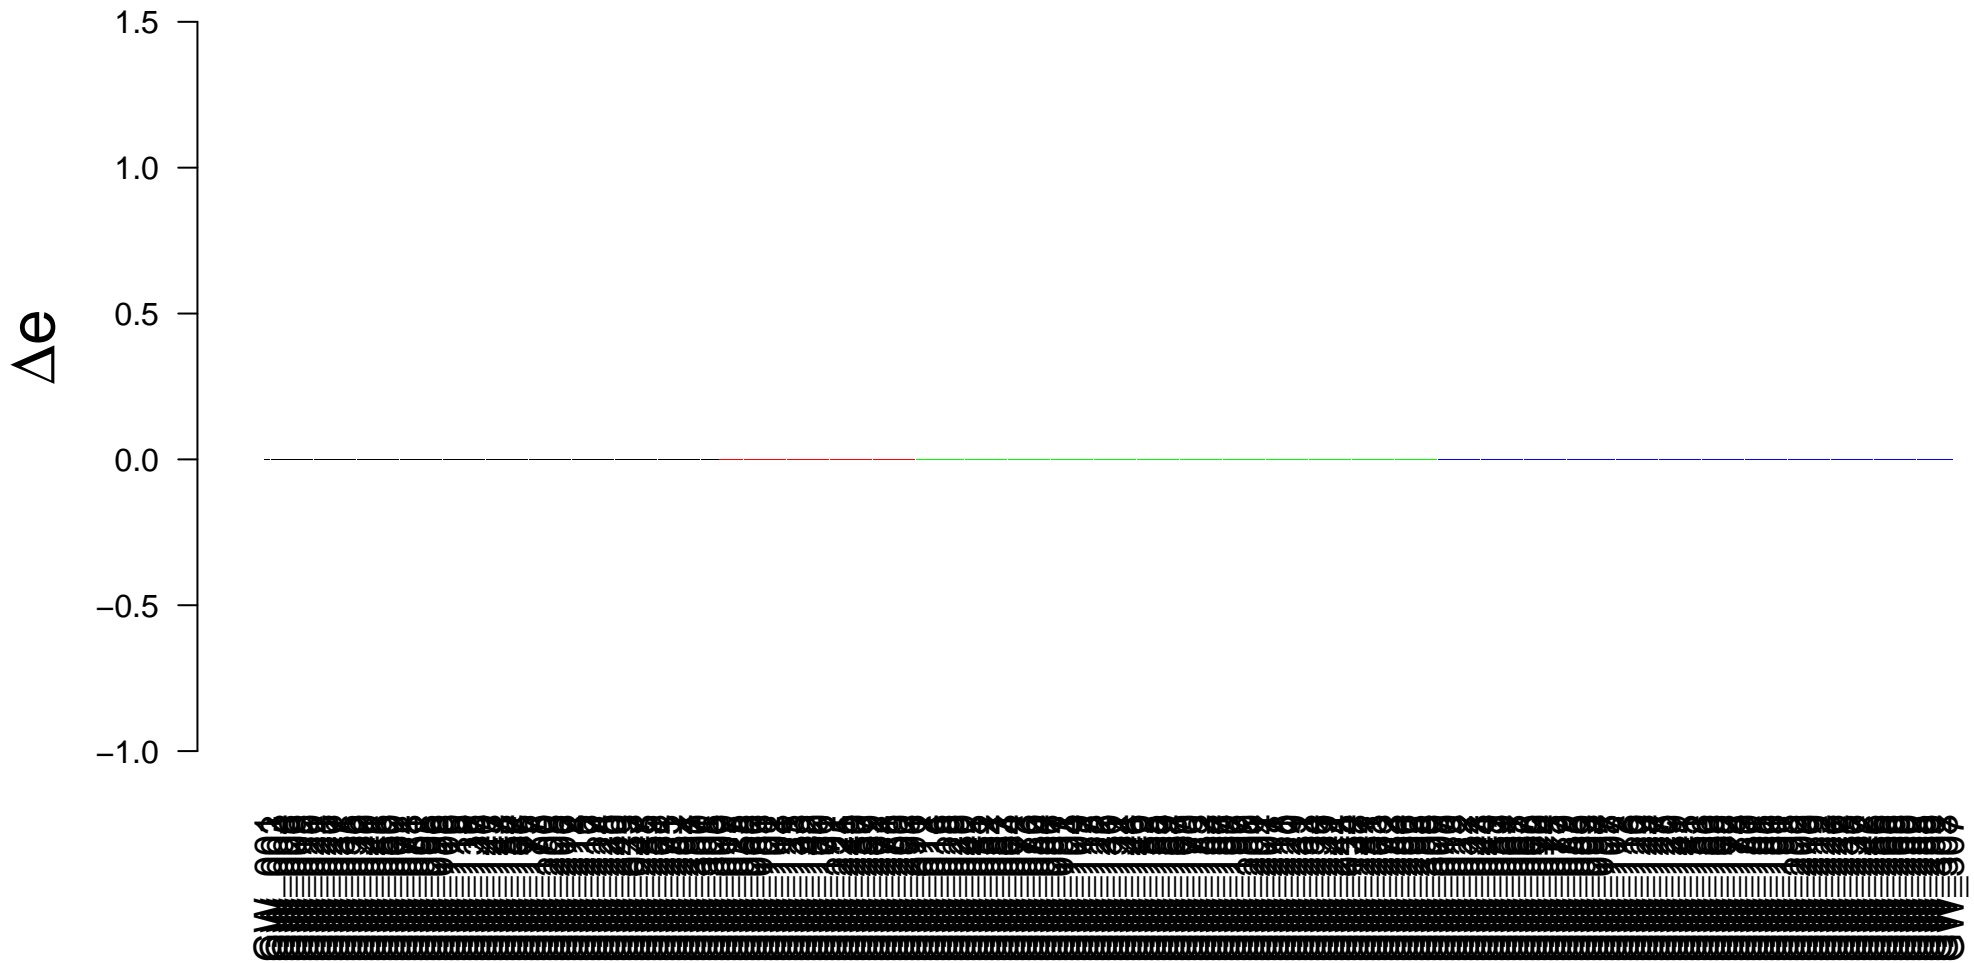

Expression of glycerol metabolic process in Spot J

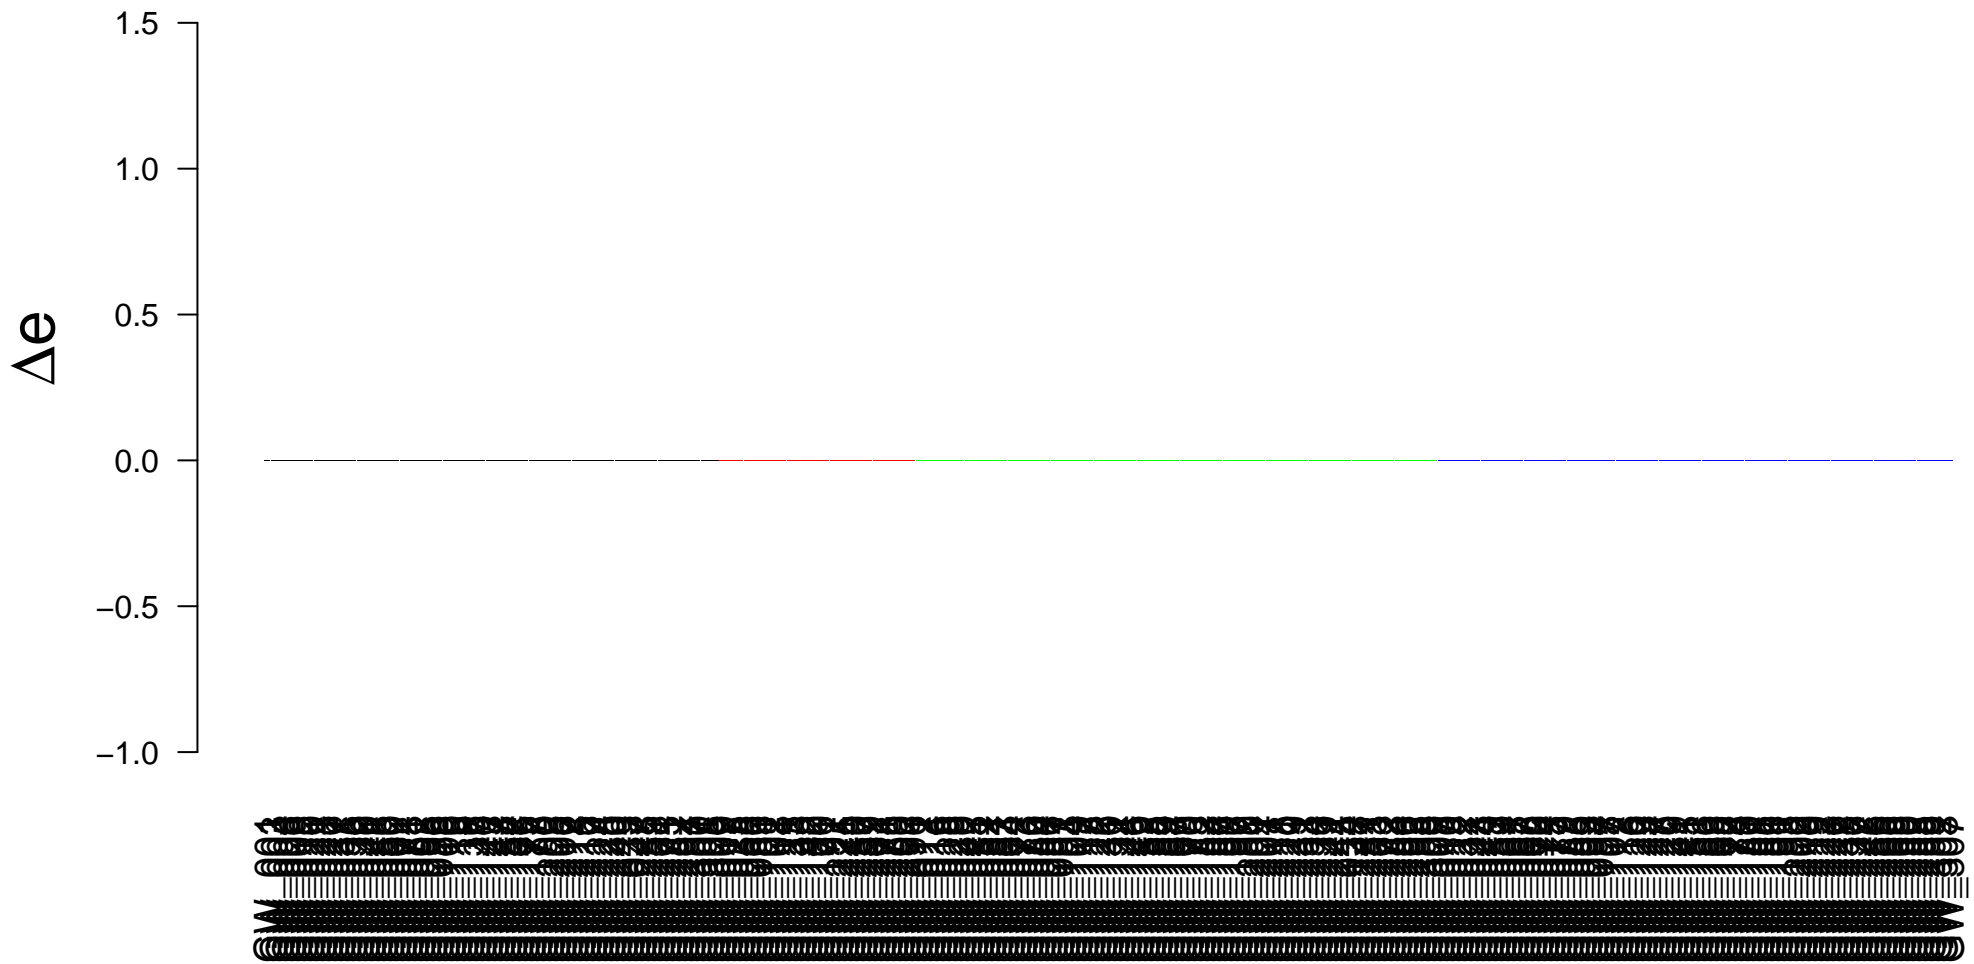

Expression of glycerol metabolic process in Spot K

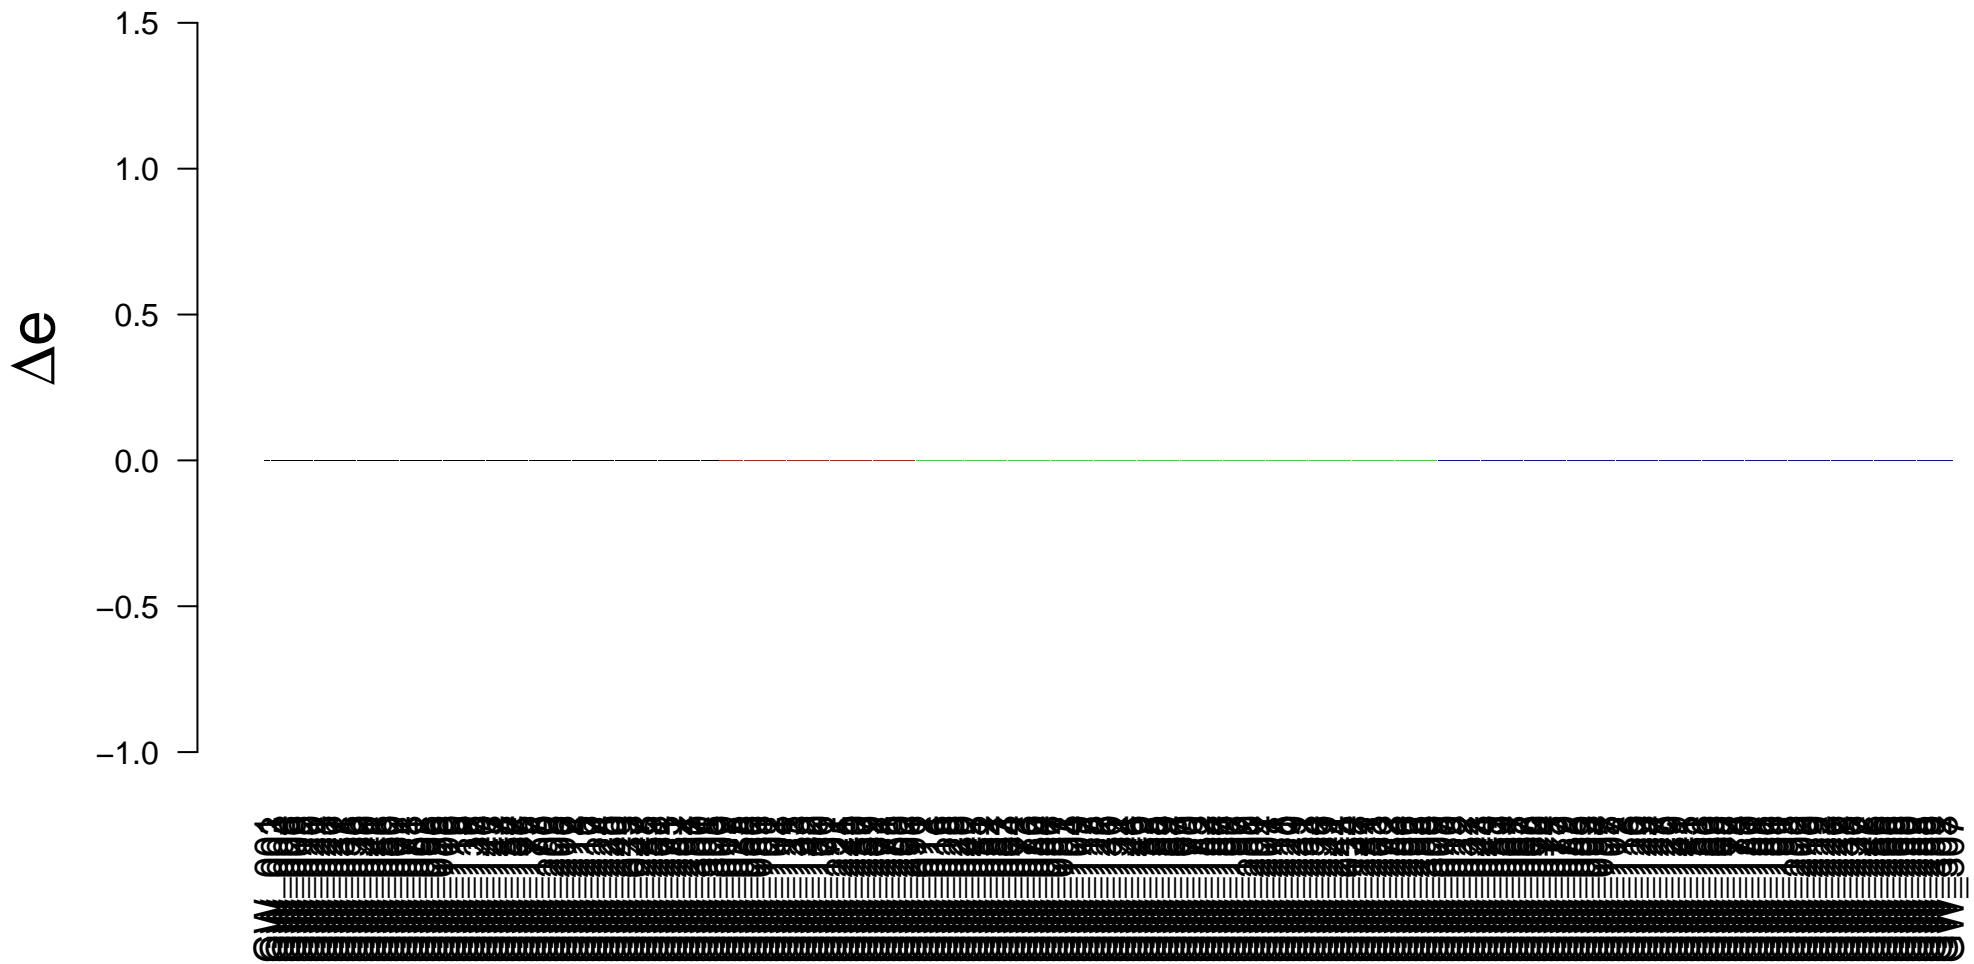

Expression of glycerol metabolic process in Spot L

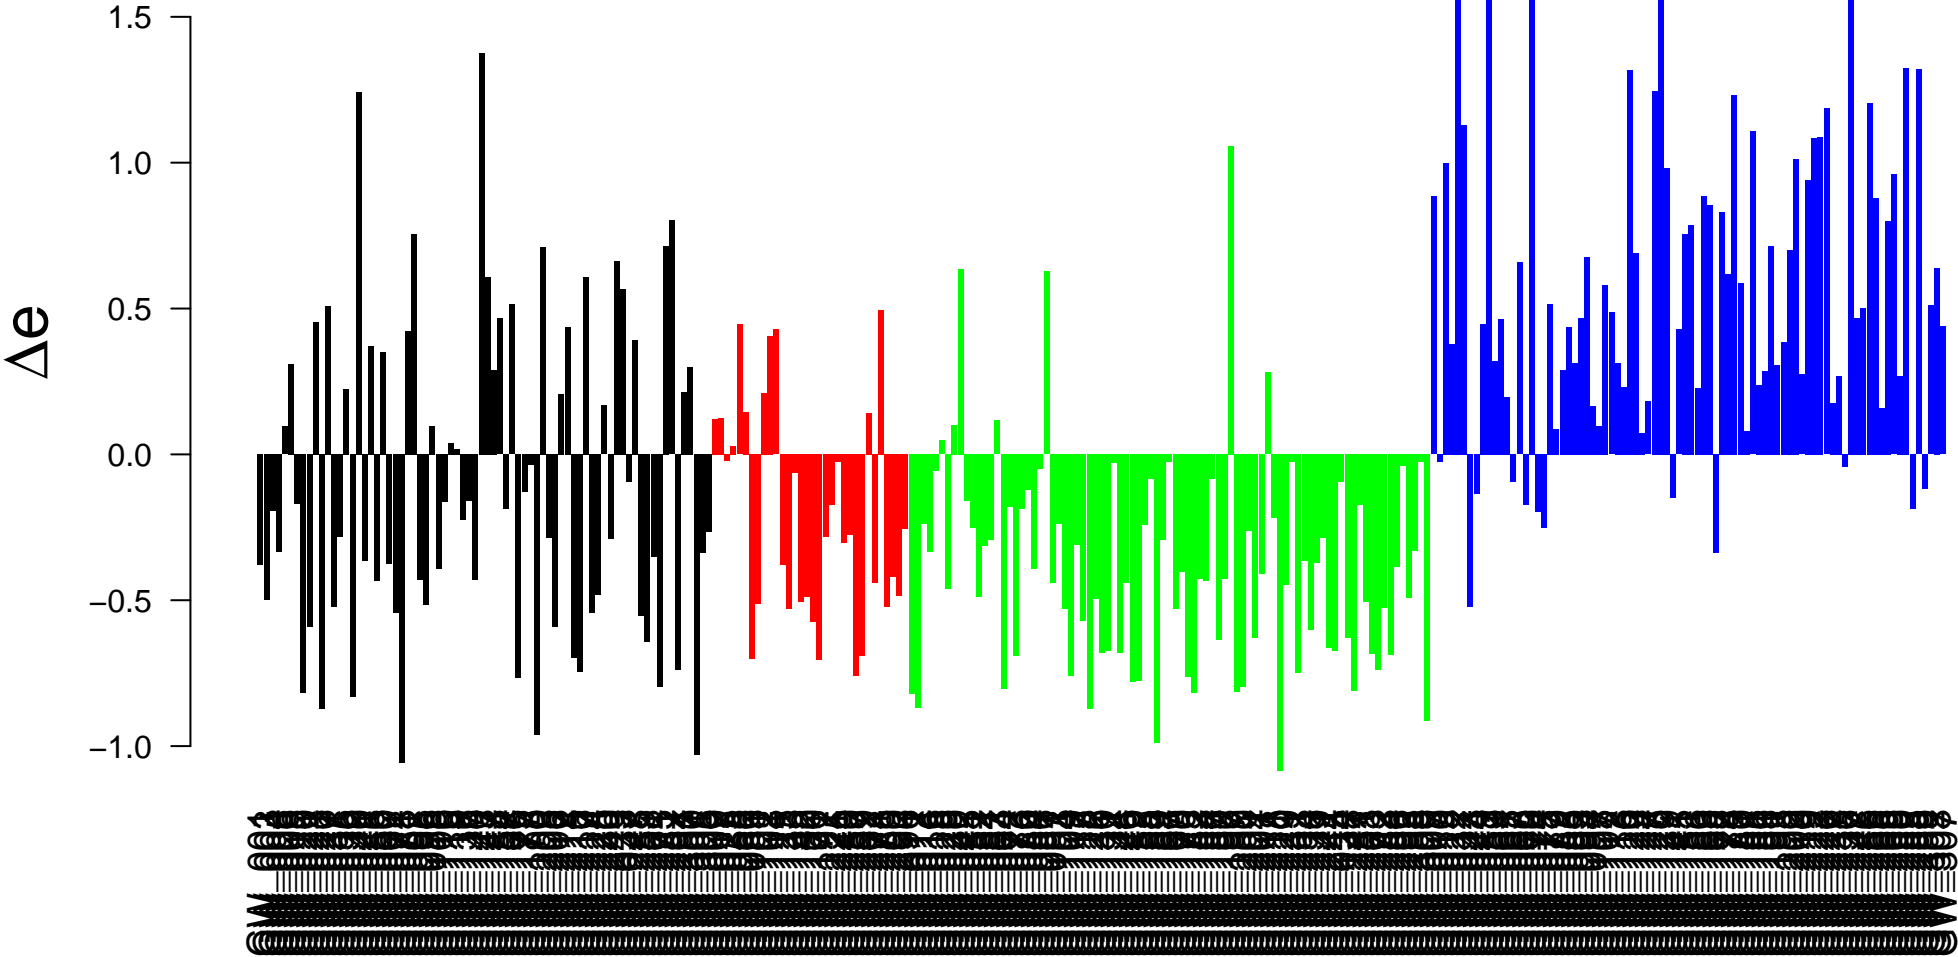

Expression of glycerol metabolic process in Spot M

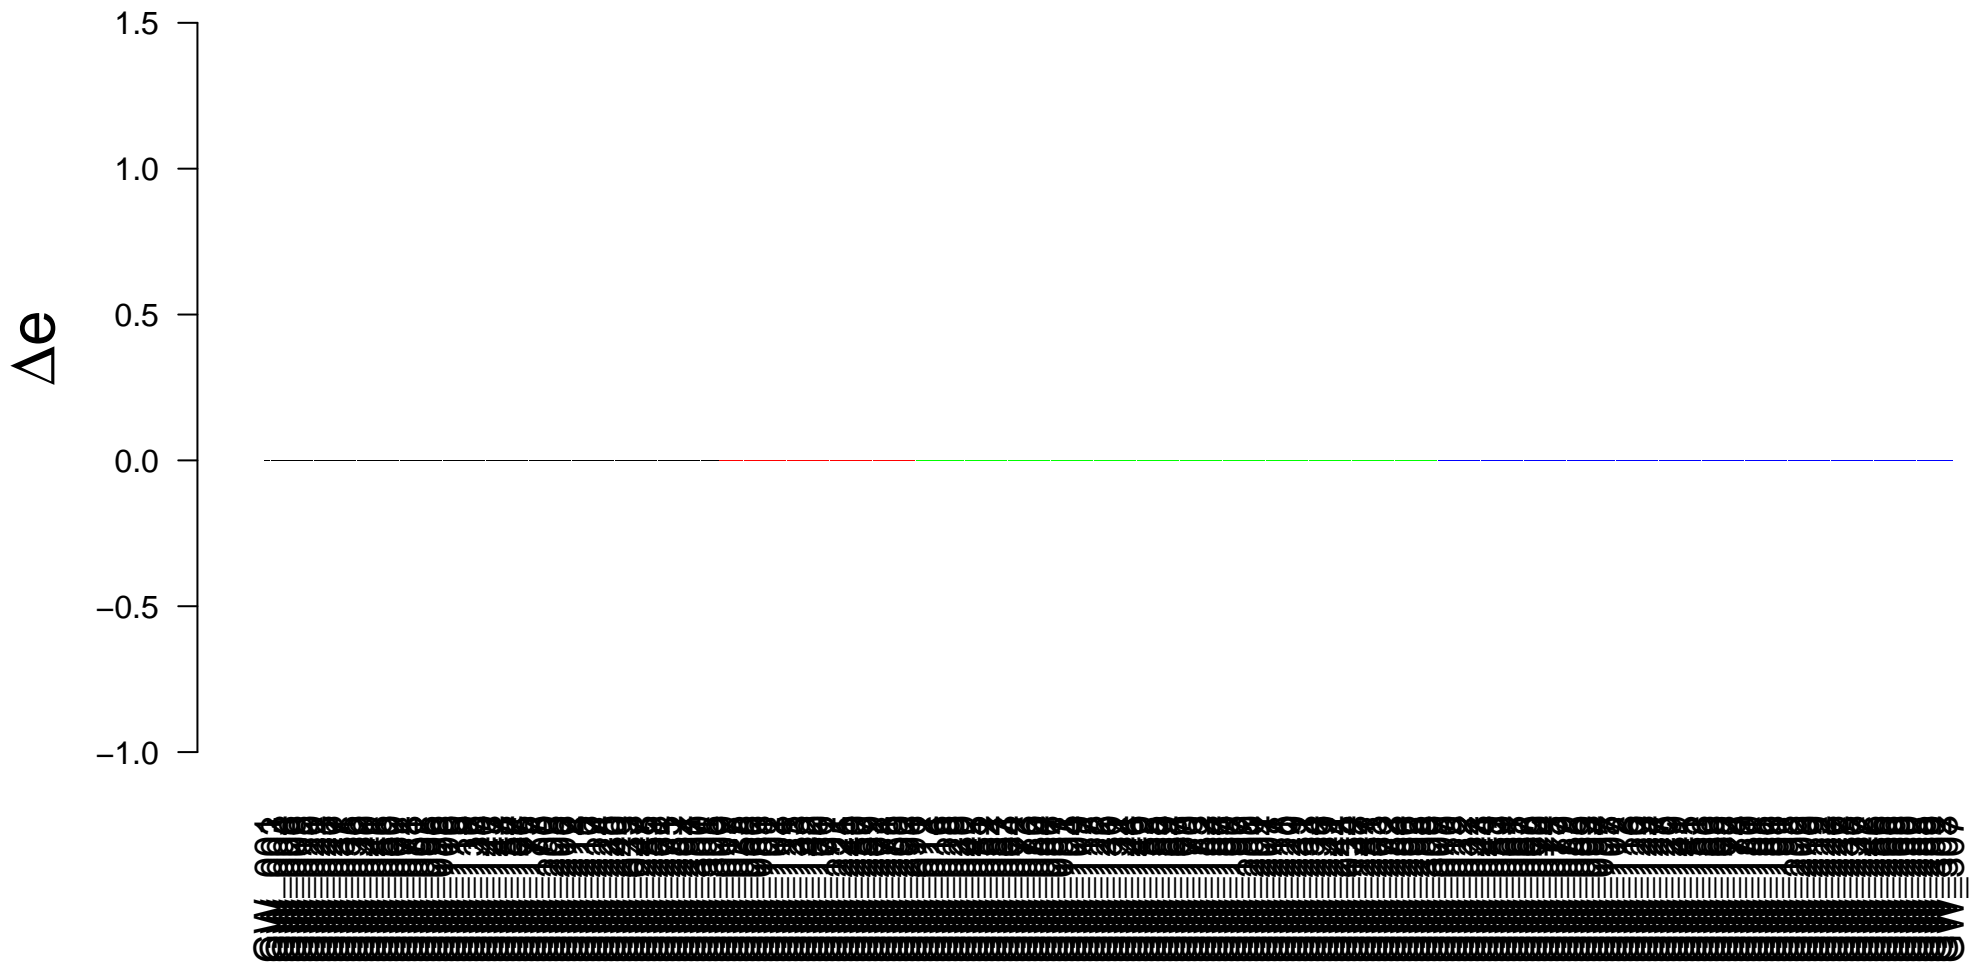

Expression of glycerol metabolic process in Spot N

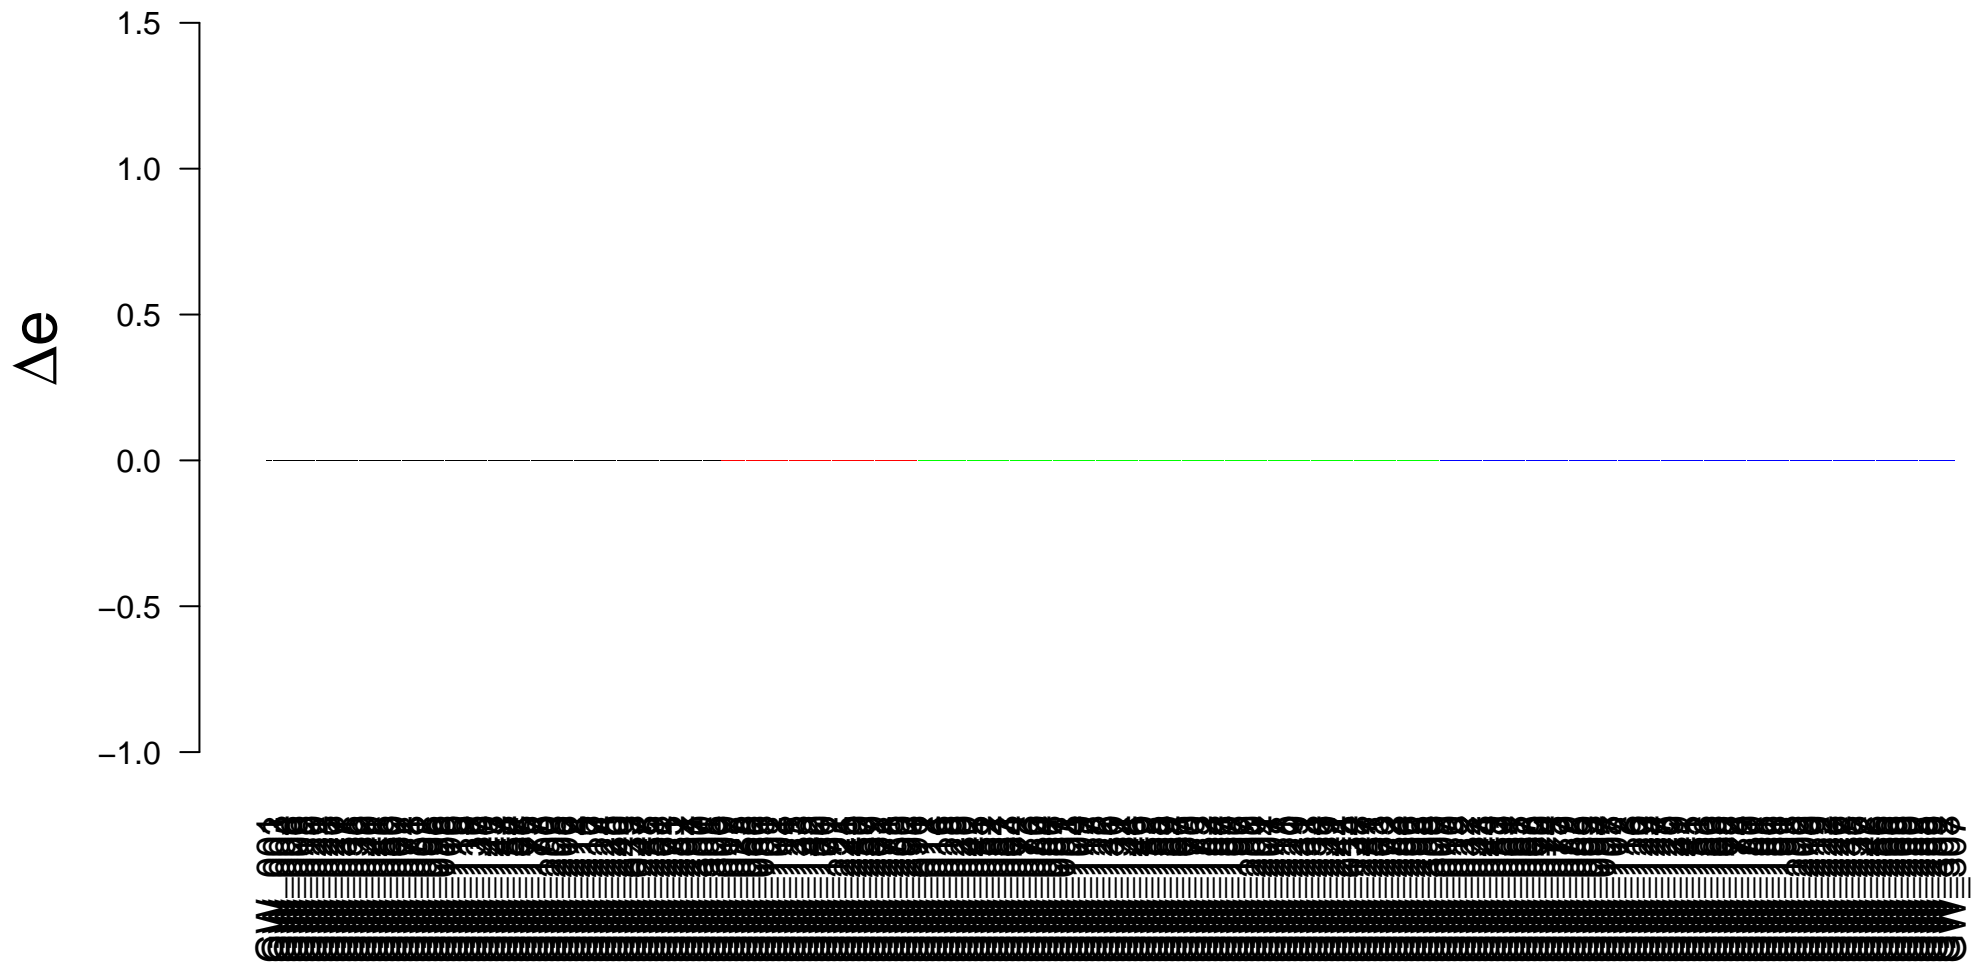

Expression of glycerol metabolic process in Spot O

Expression of glycerol metabolic process in Spot P

Expression of glycerol metabolic process in Spot Q

Expression of glycerol metabolic process in Spot R
