

glycogen catabolic process

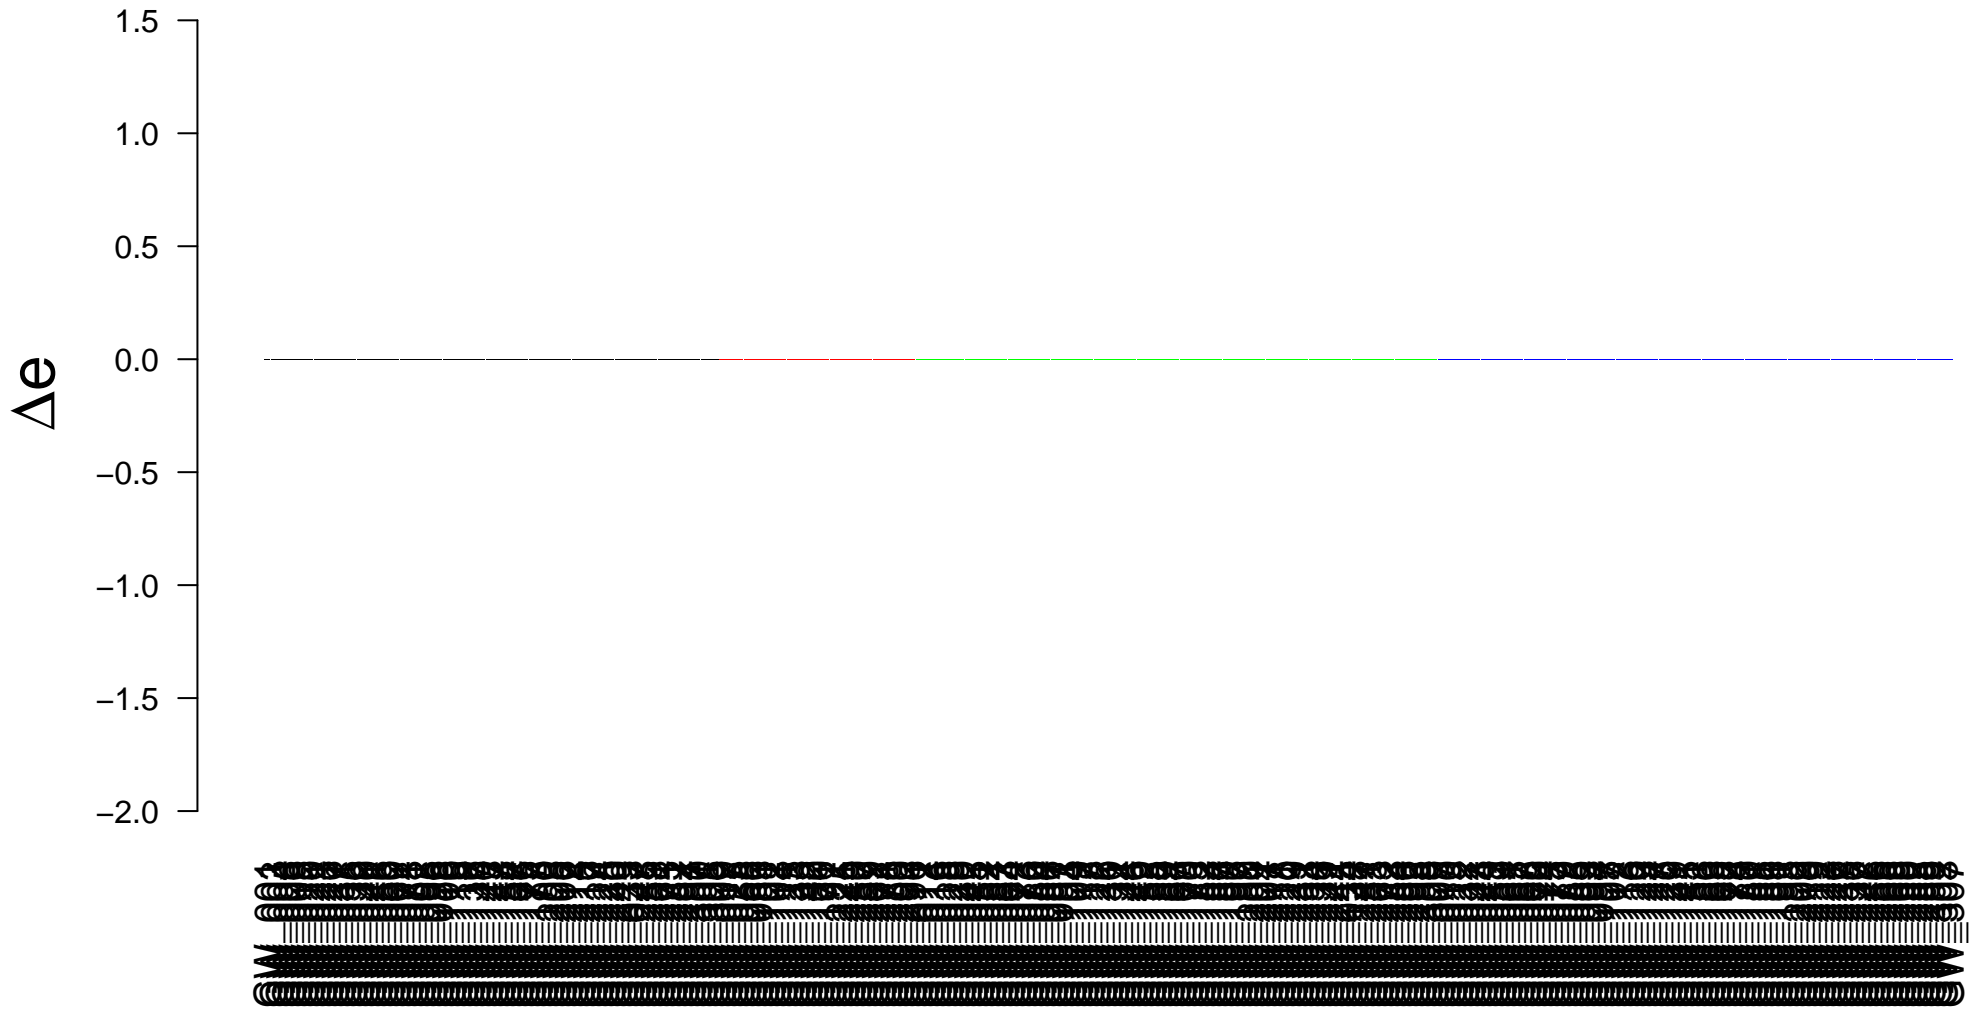

glycogen catabolic process

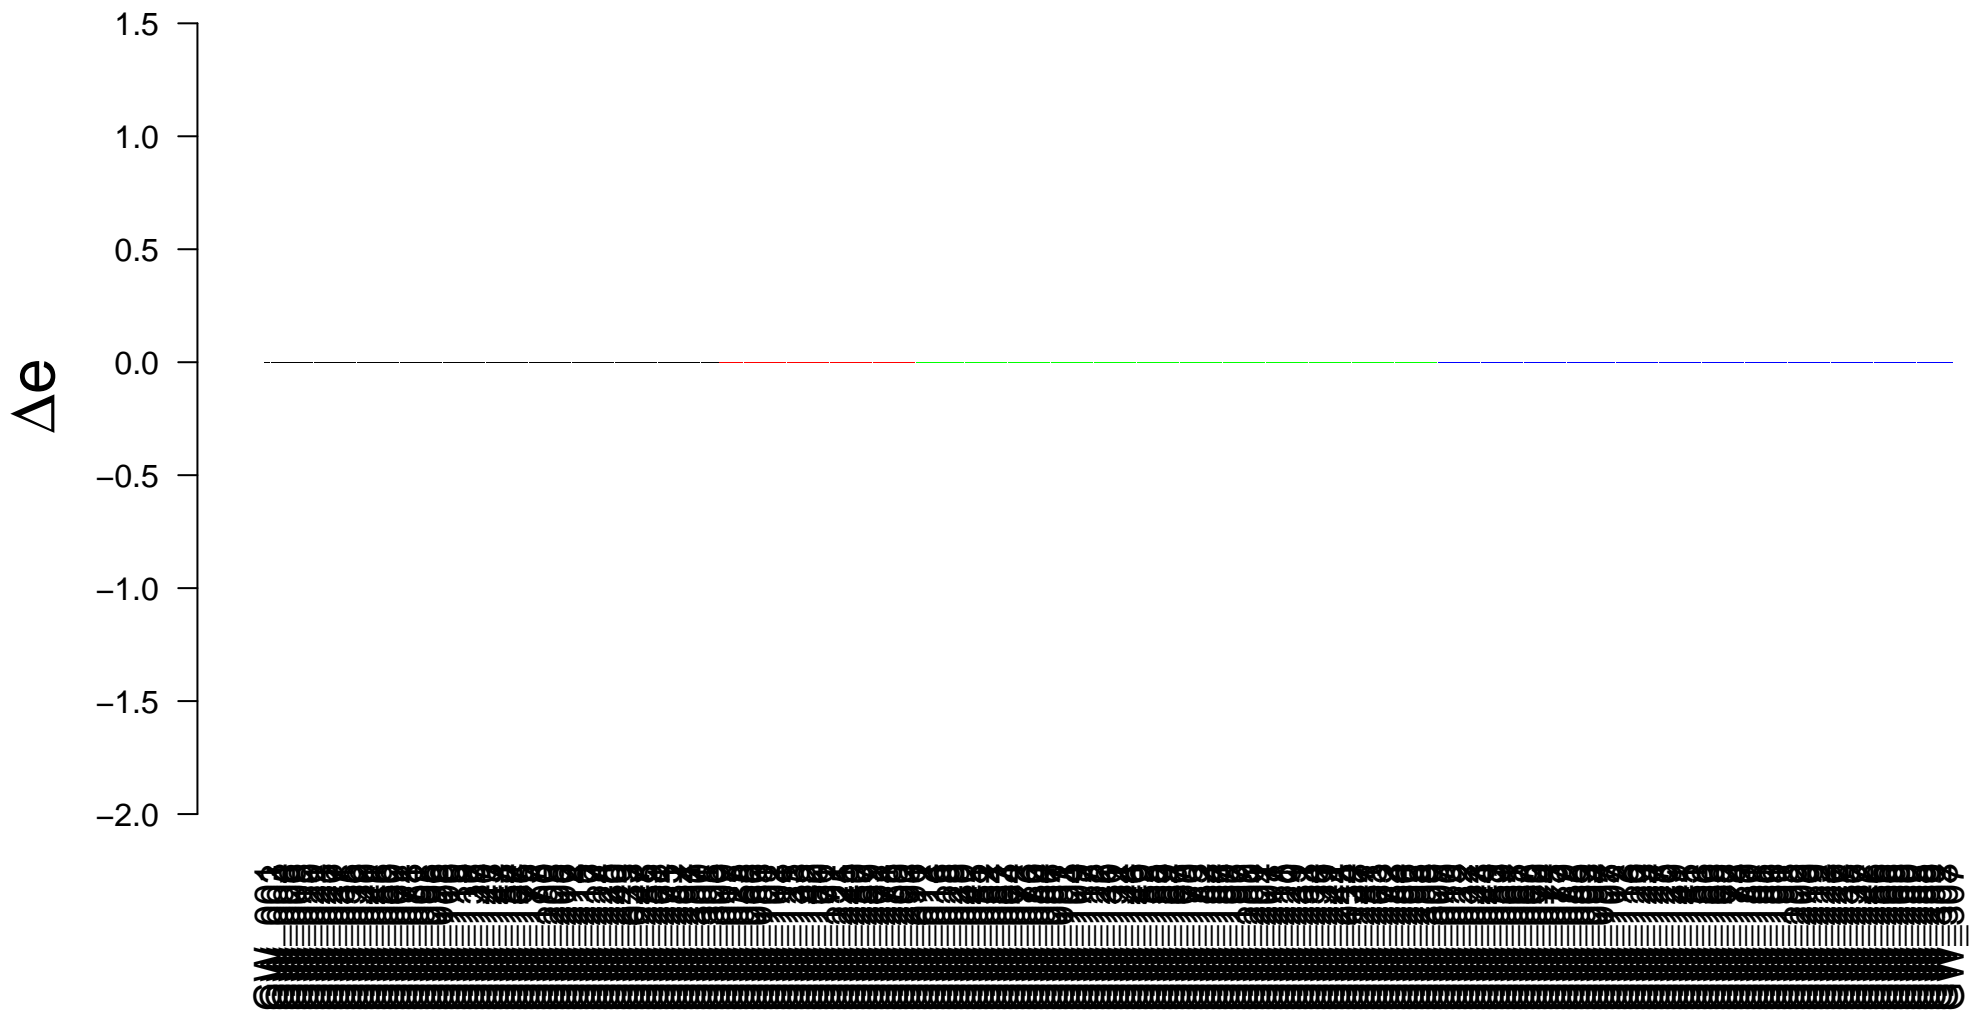

Enrichment in spots: glycogen catabolic process

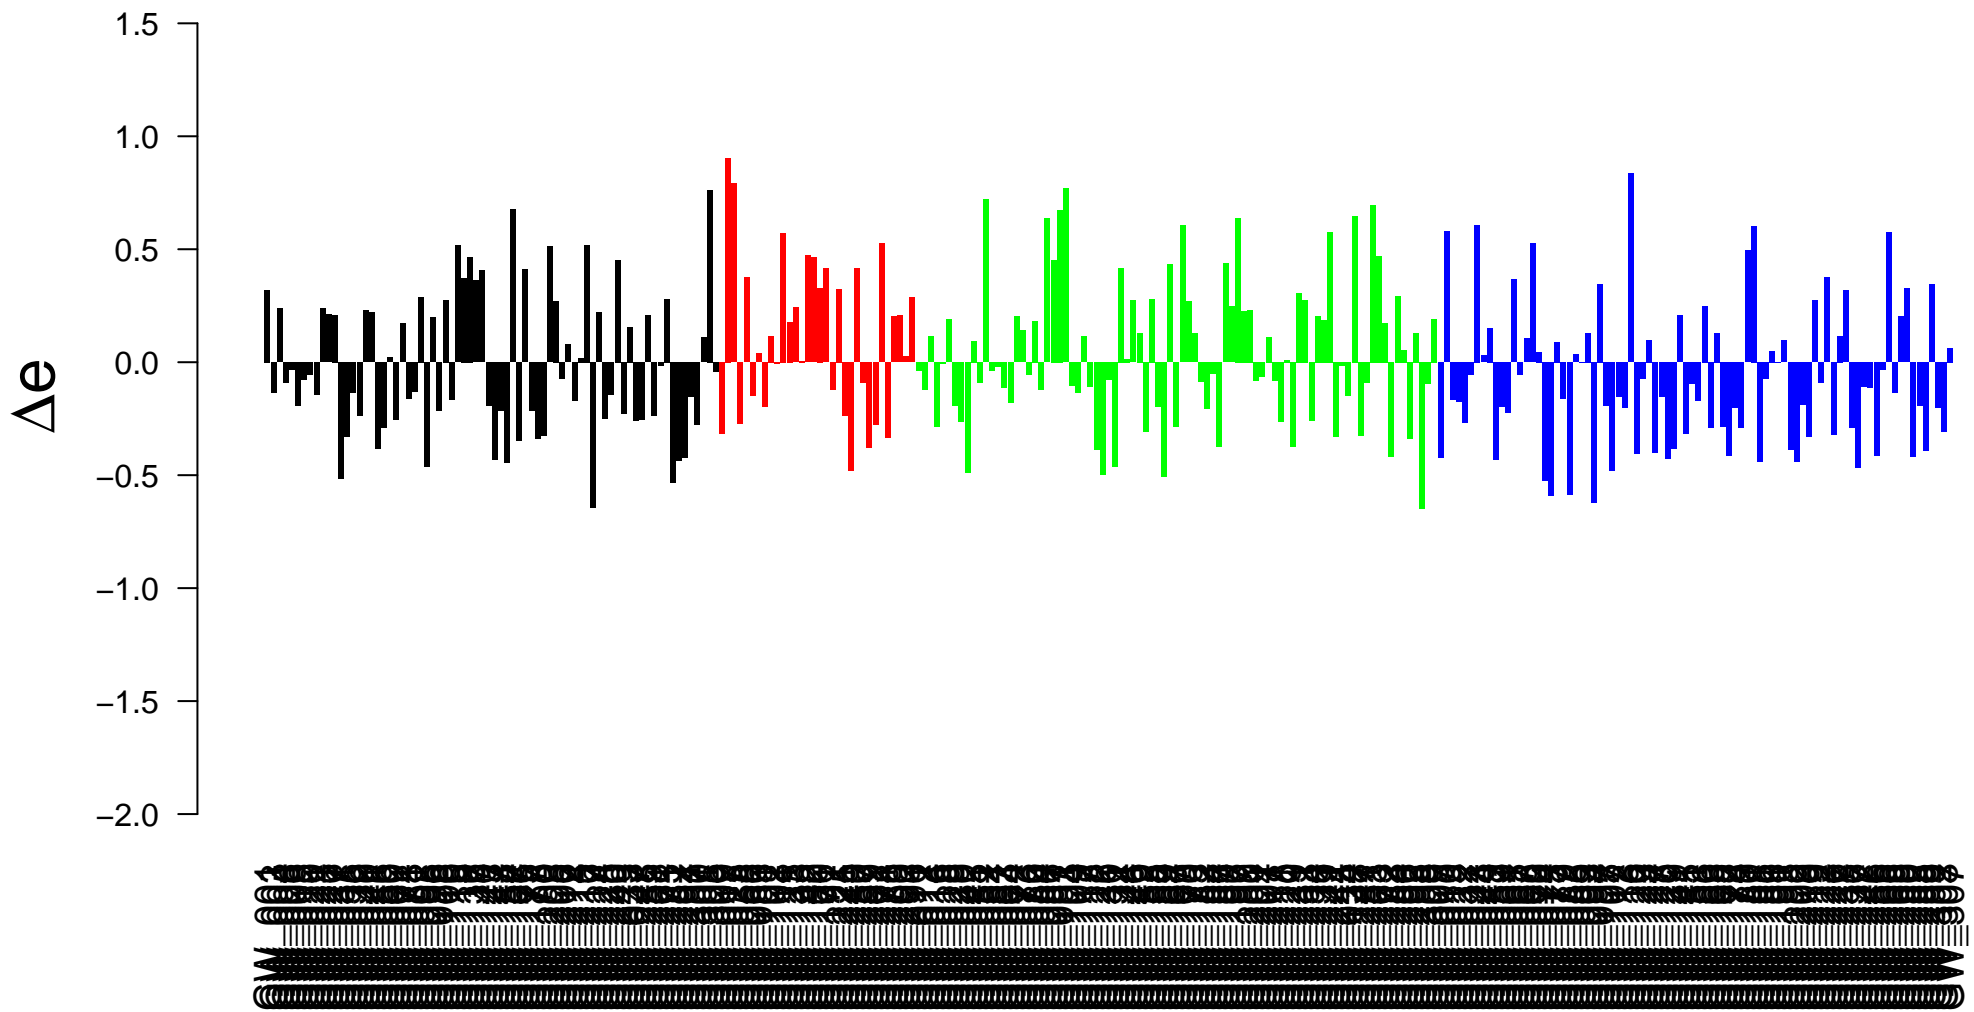

Expression of glycogen catabolic process in Spot A

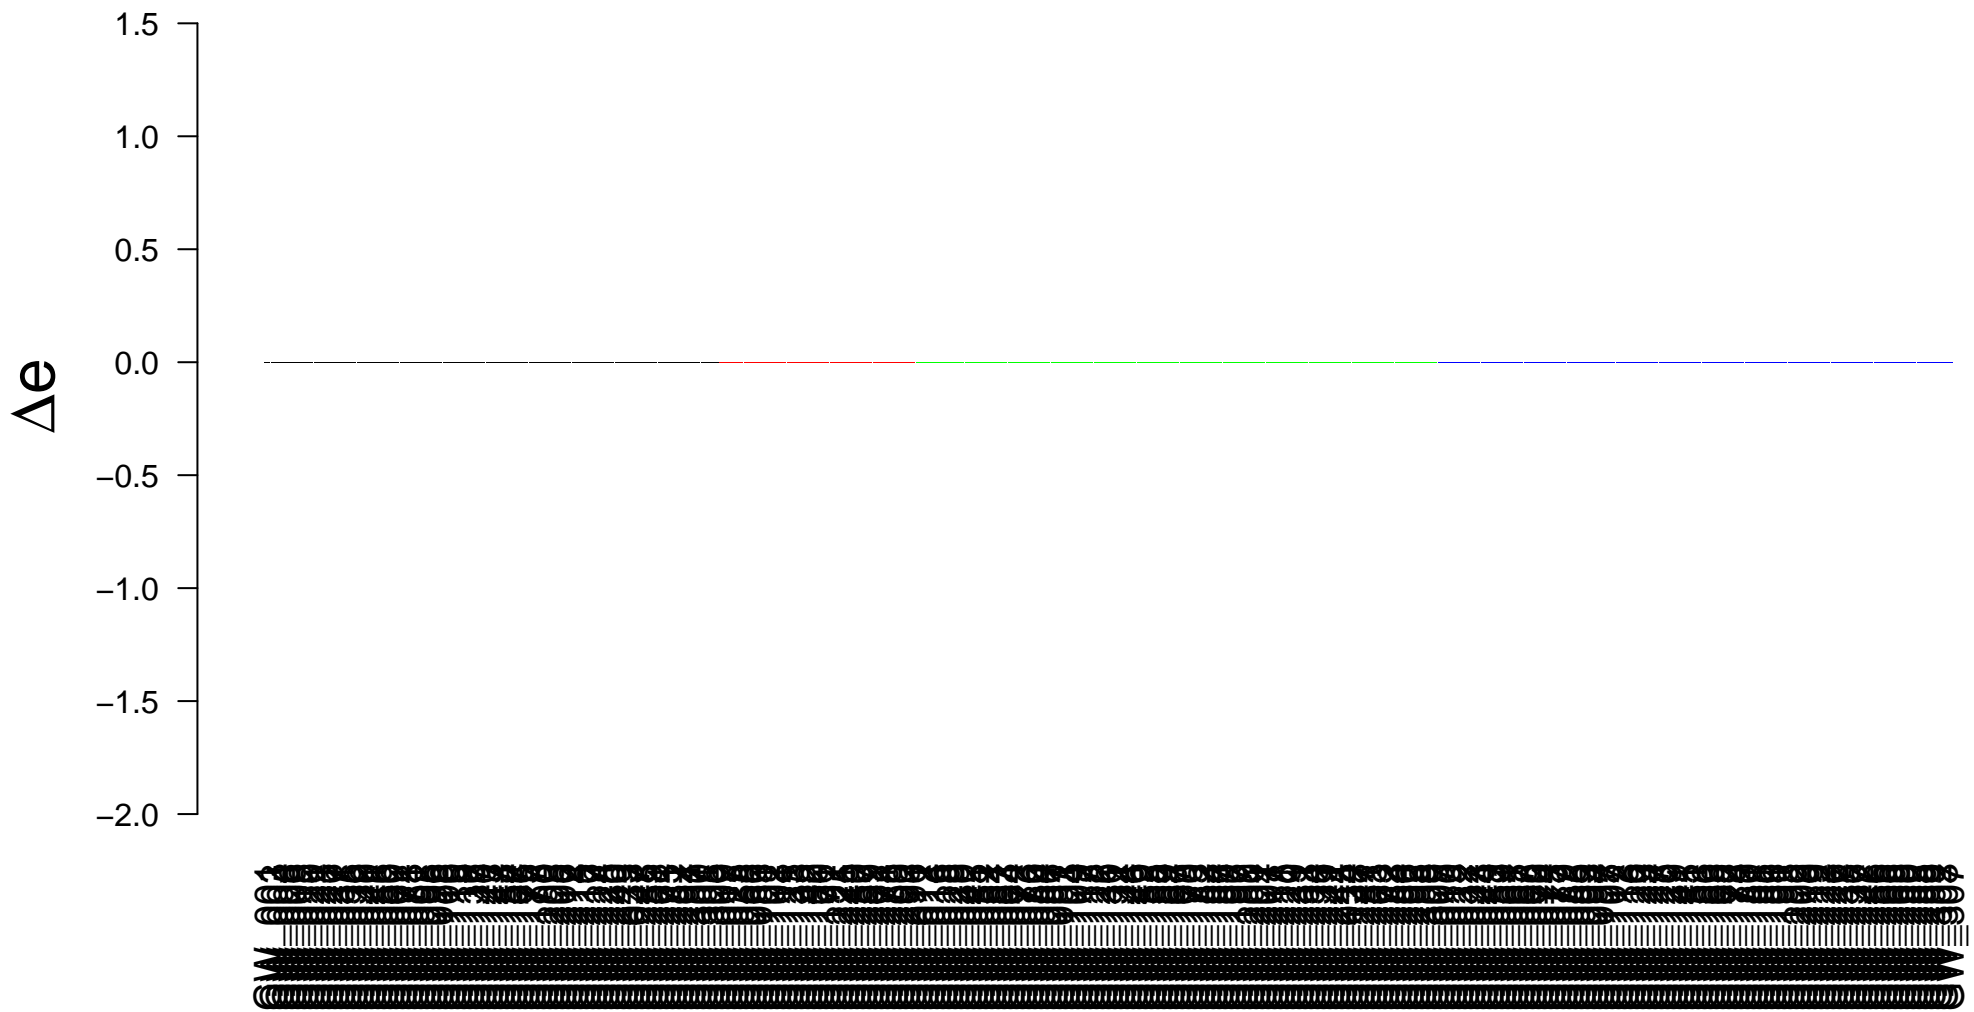

Expression of glycogen catabolic process in Spot B

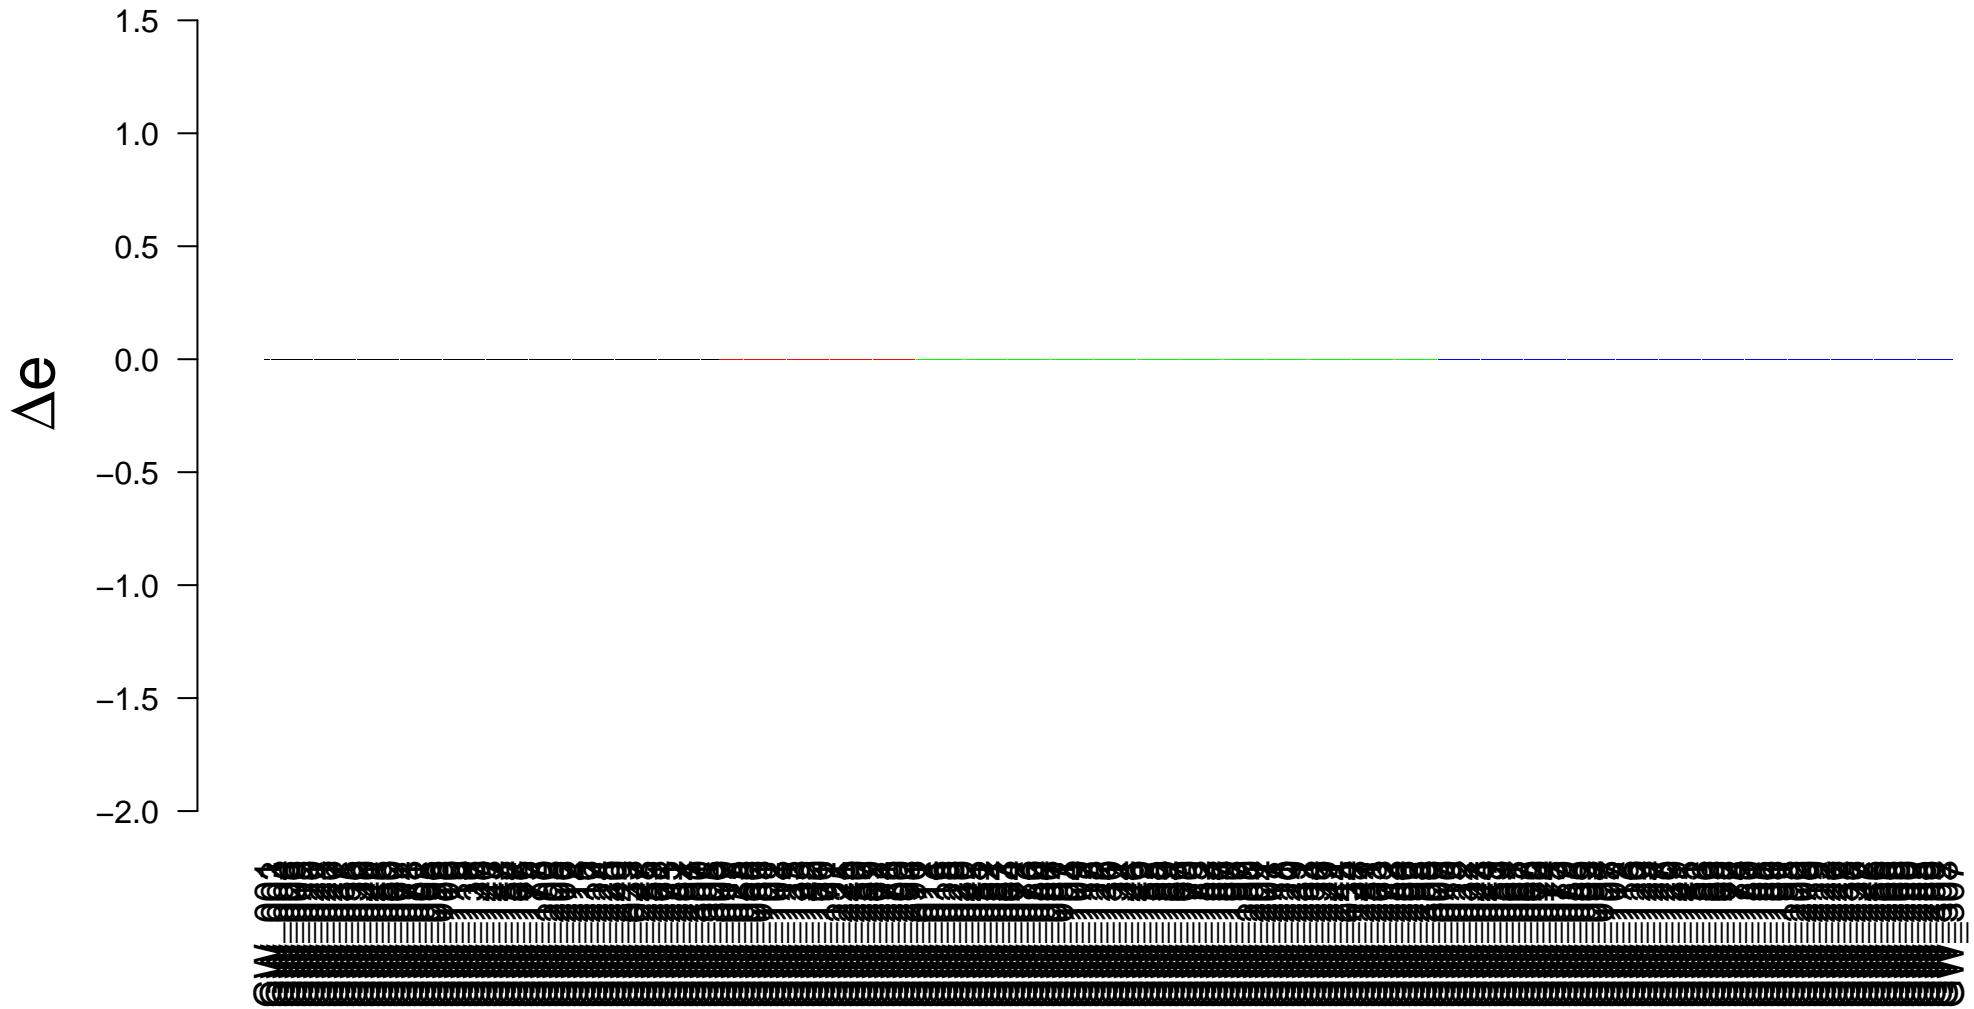

Expression of glycogen catabolic process in Spot C

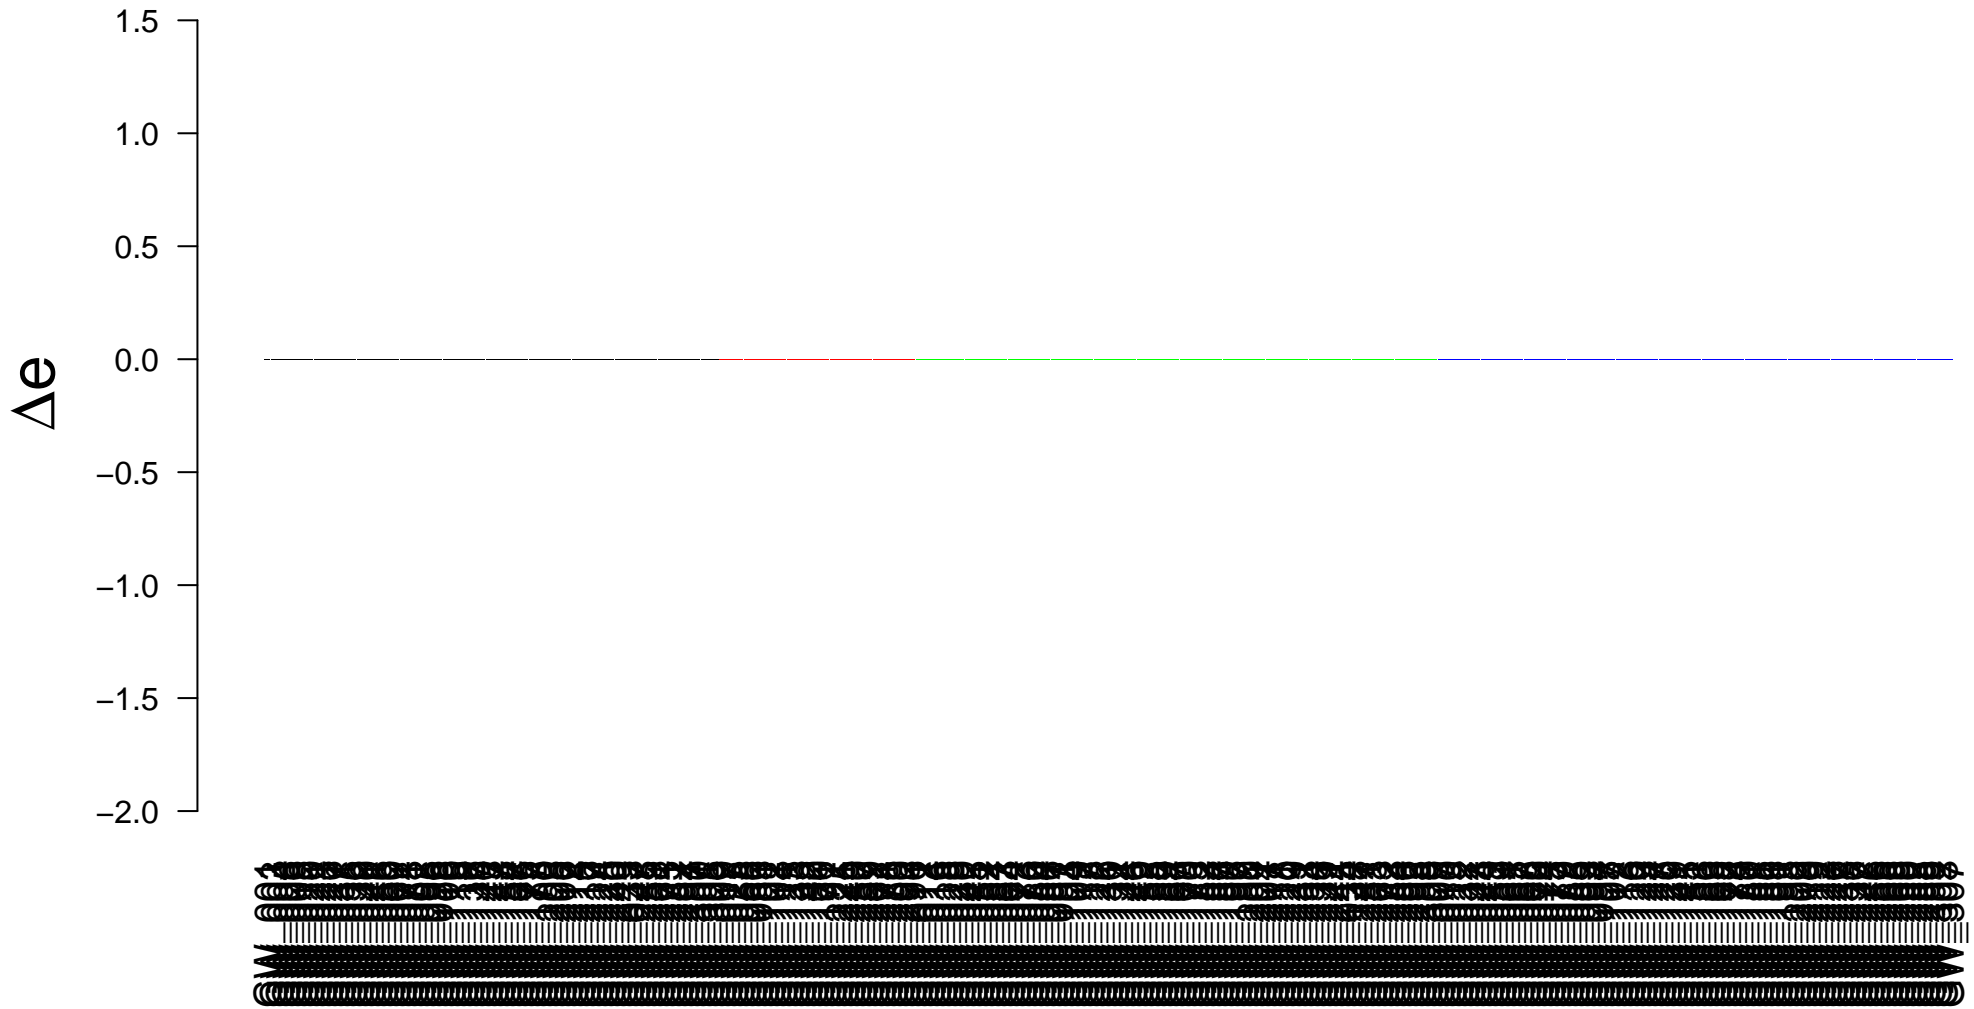

Expression of glycogen catabolic process in Spot D

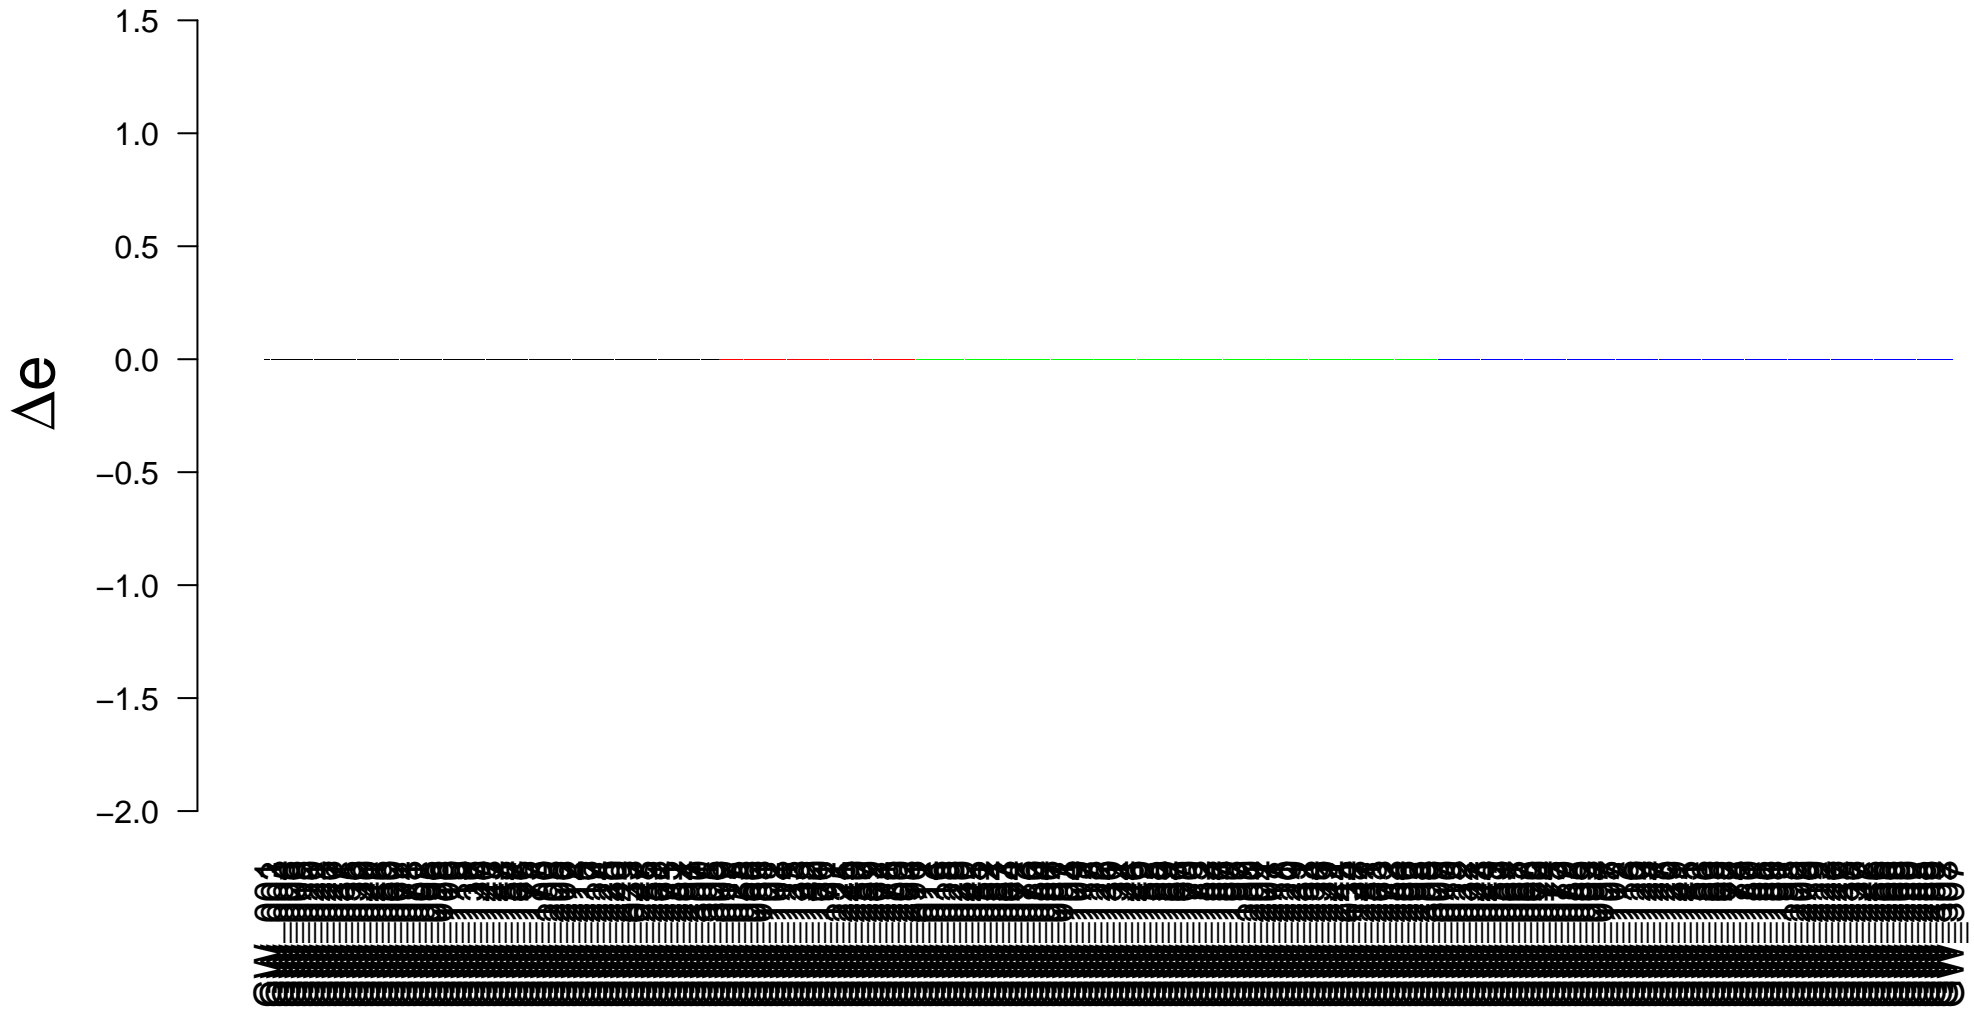

Expression of glycogen catabolic process in Spot E

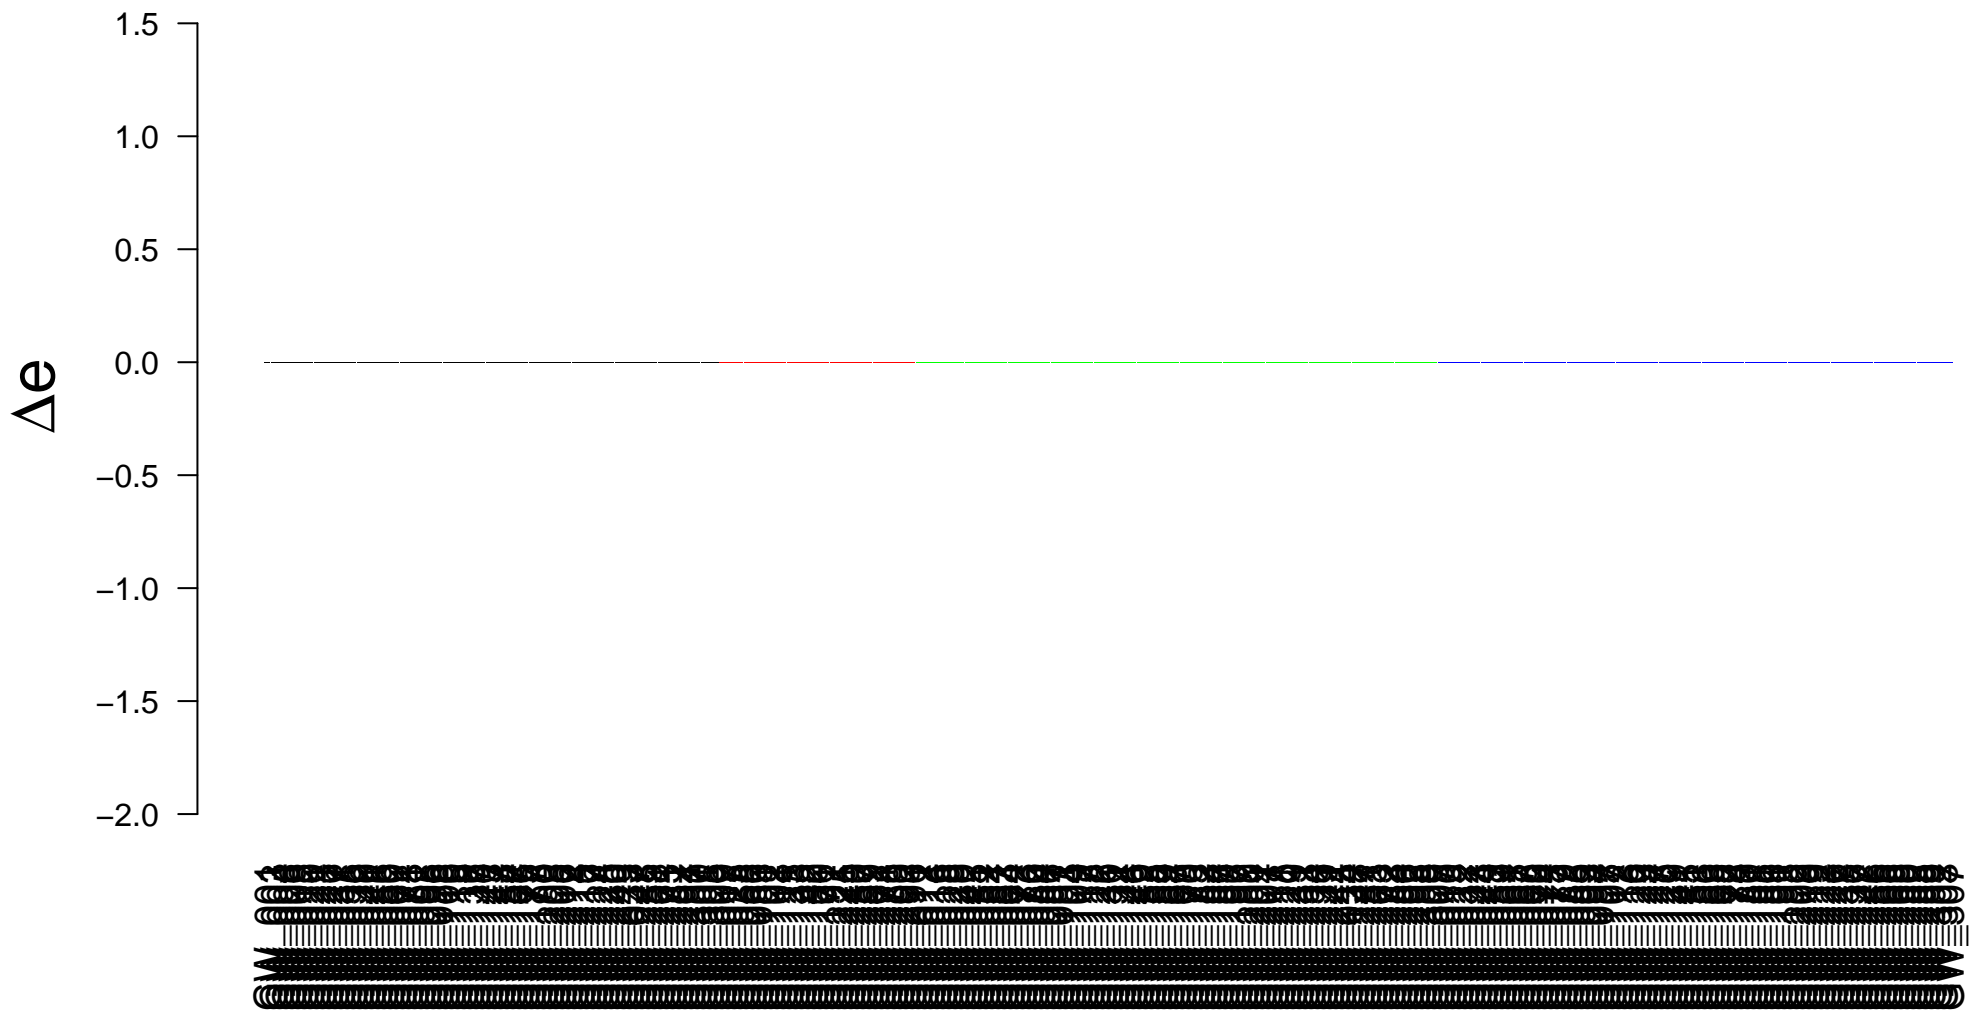

Expression of glycogen catabolic process in Spot F

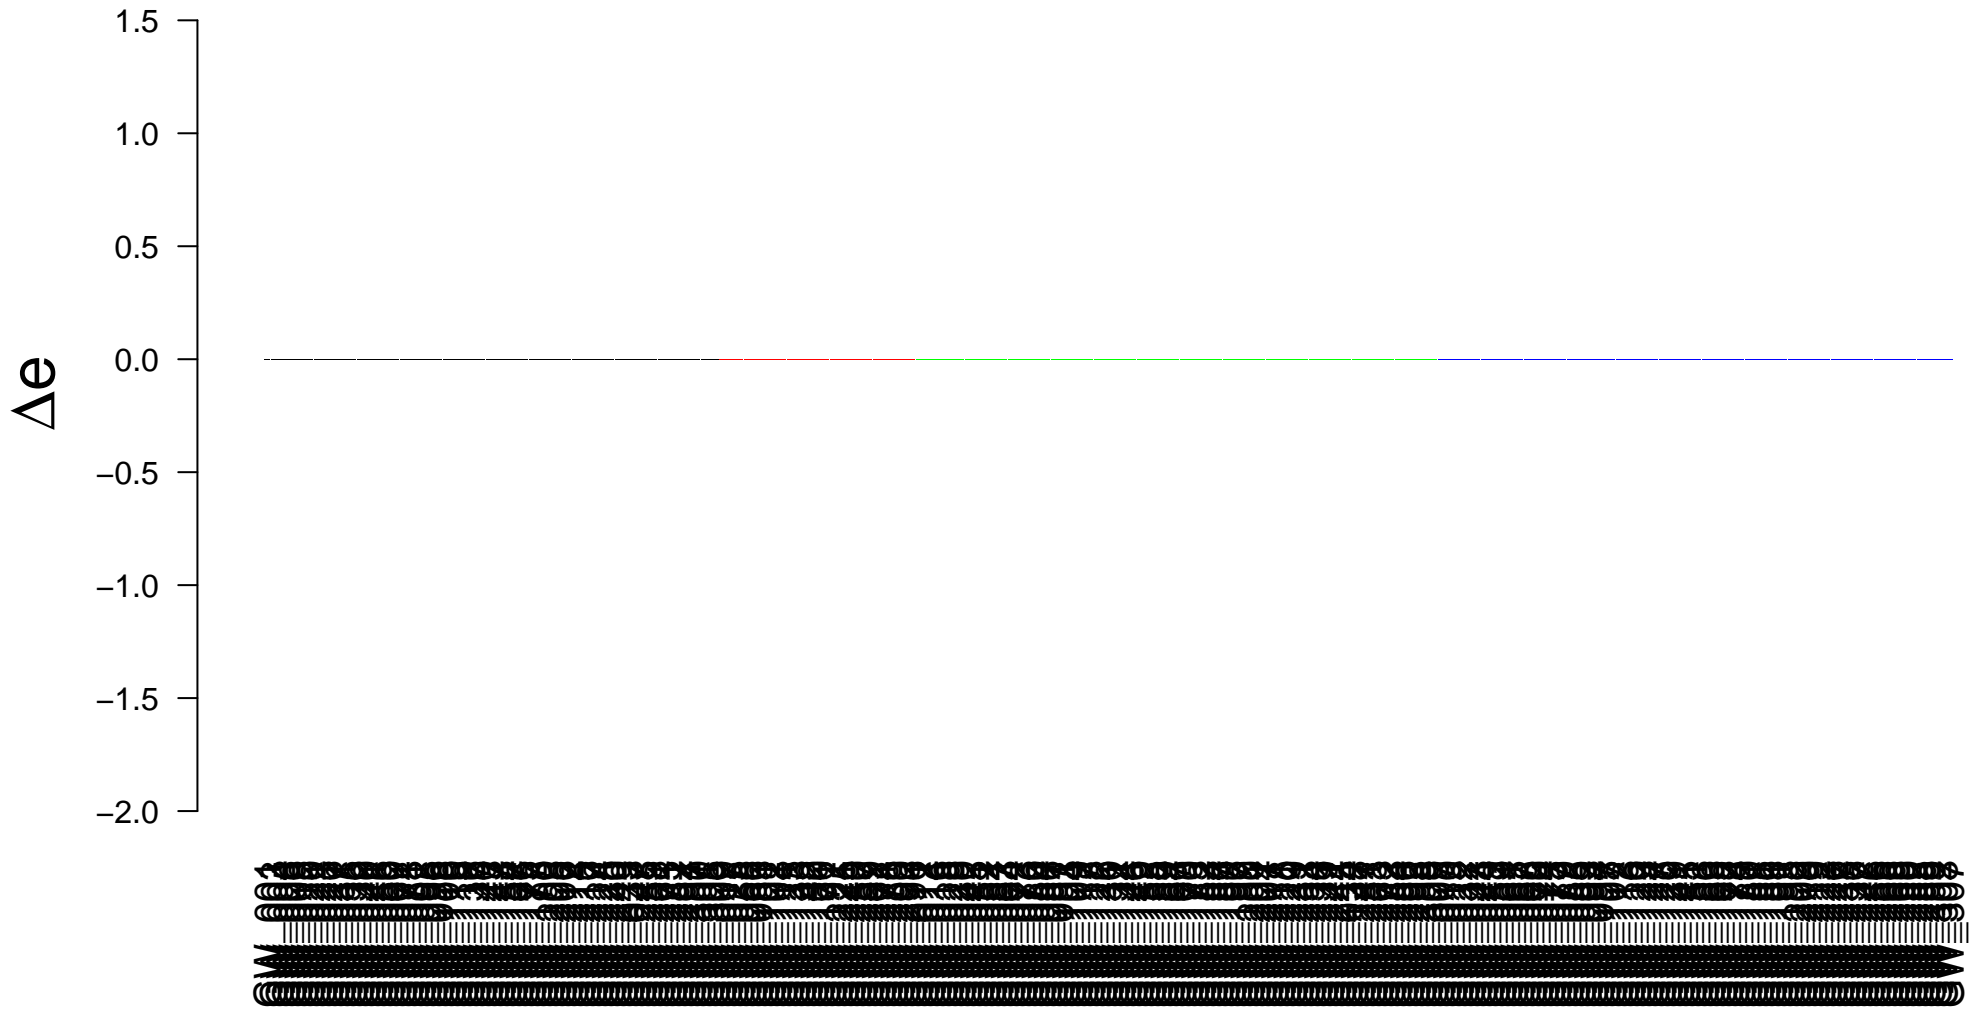

Expression of glycogen catabolic process in Spot G

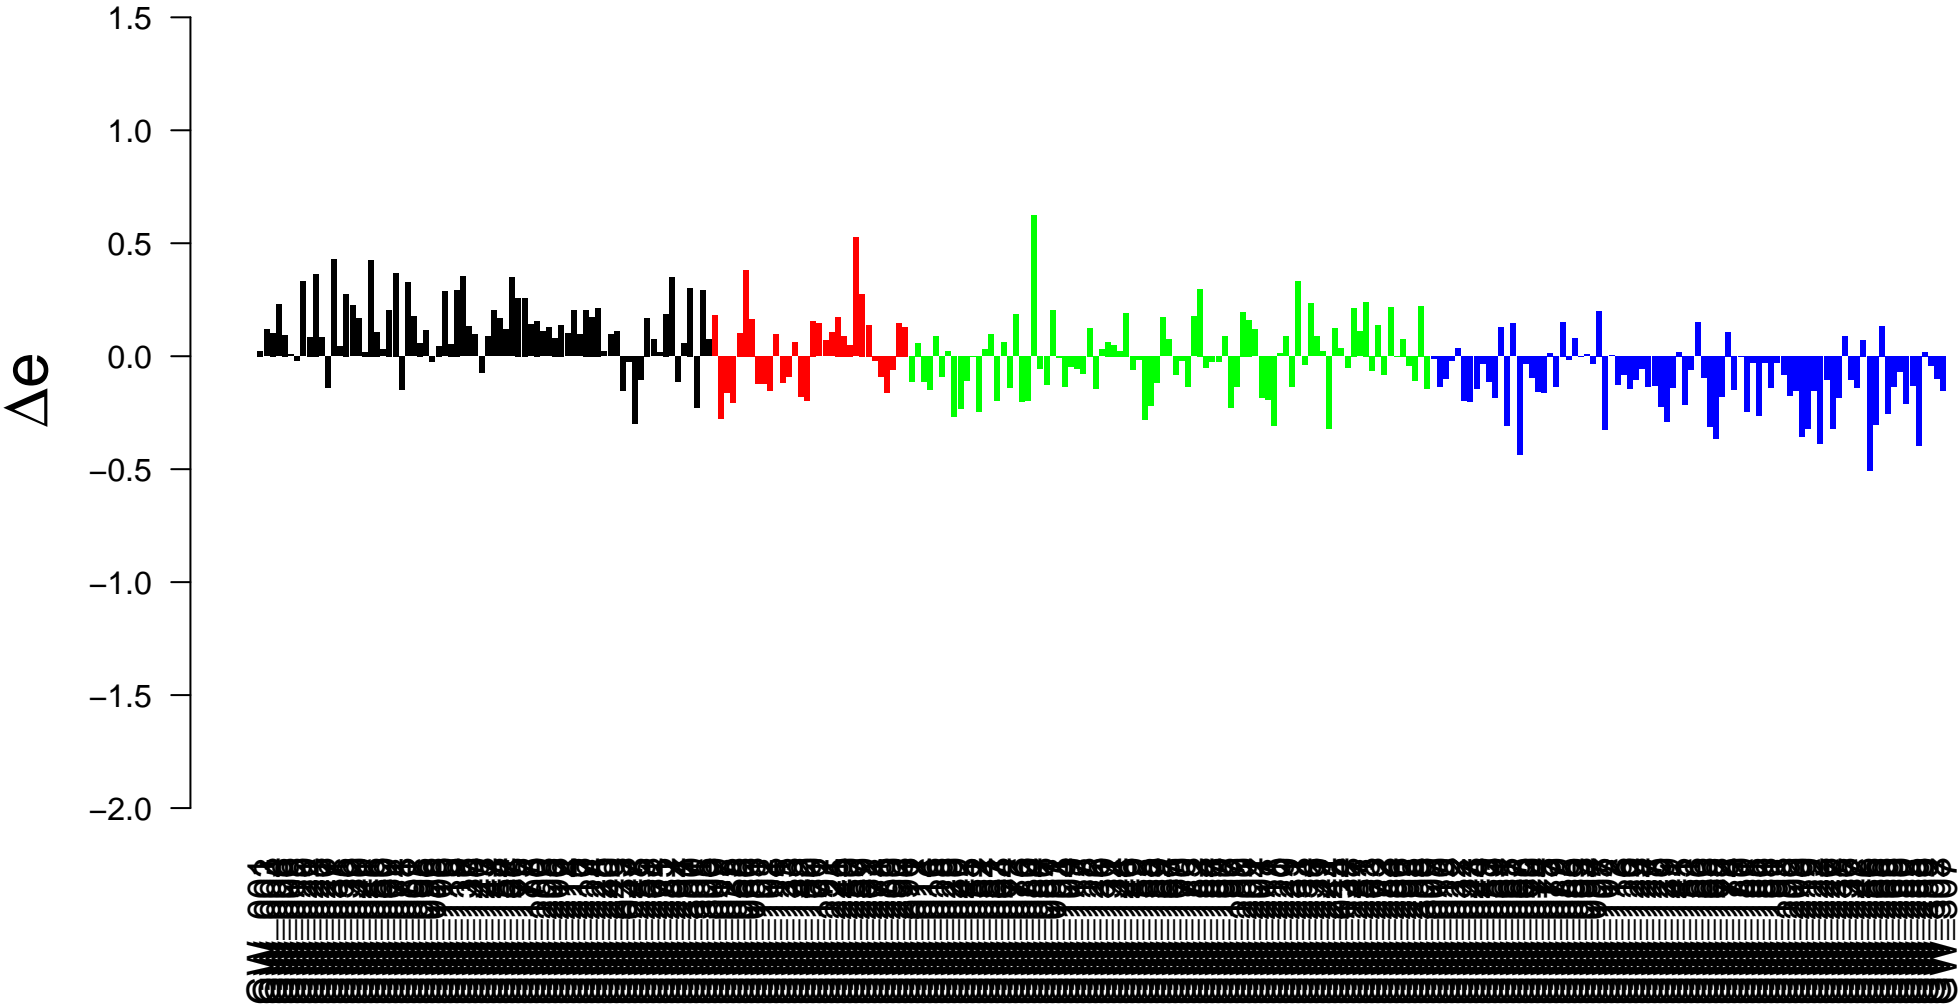

Expression of glycogen catabolic process in Spot H

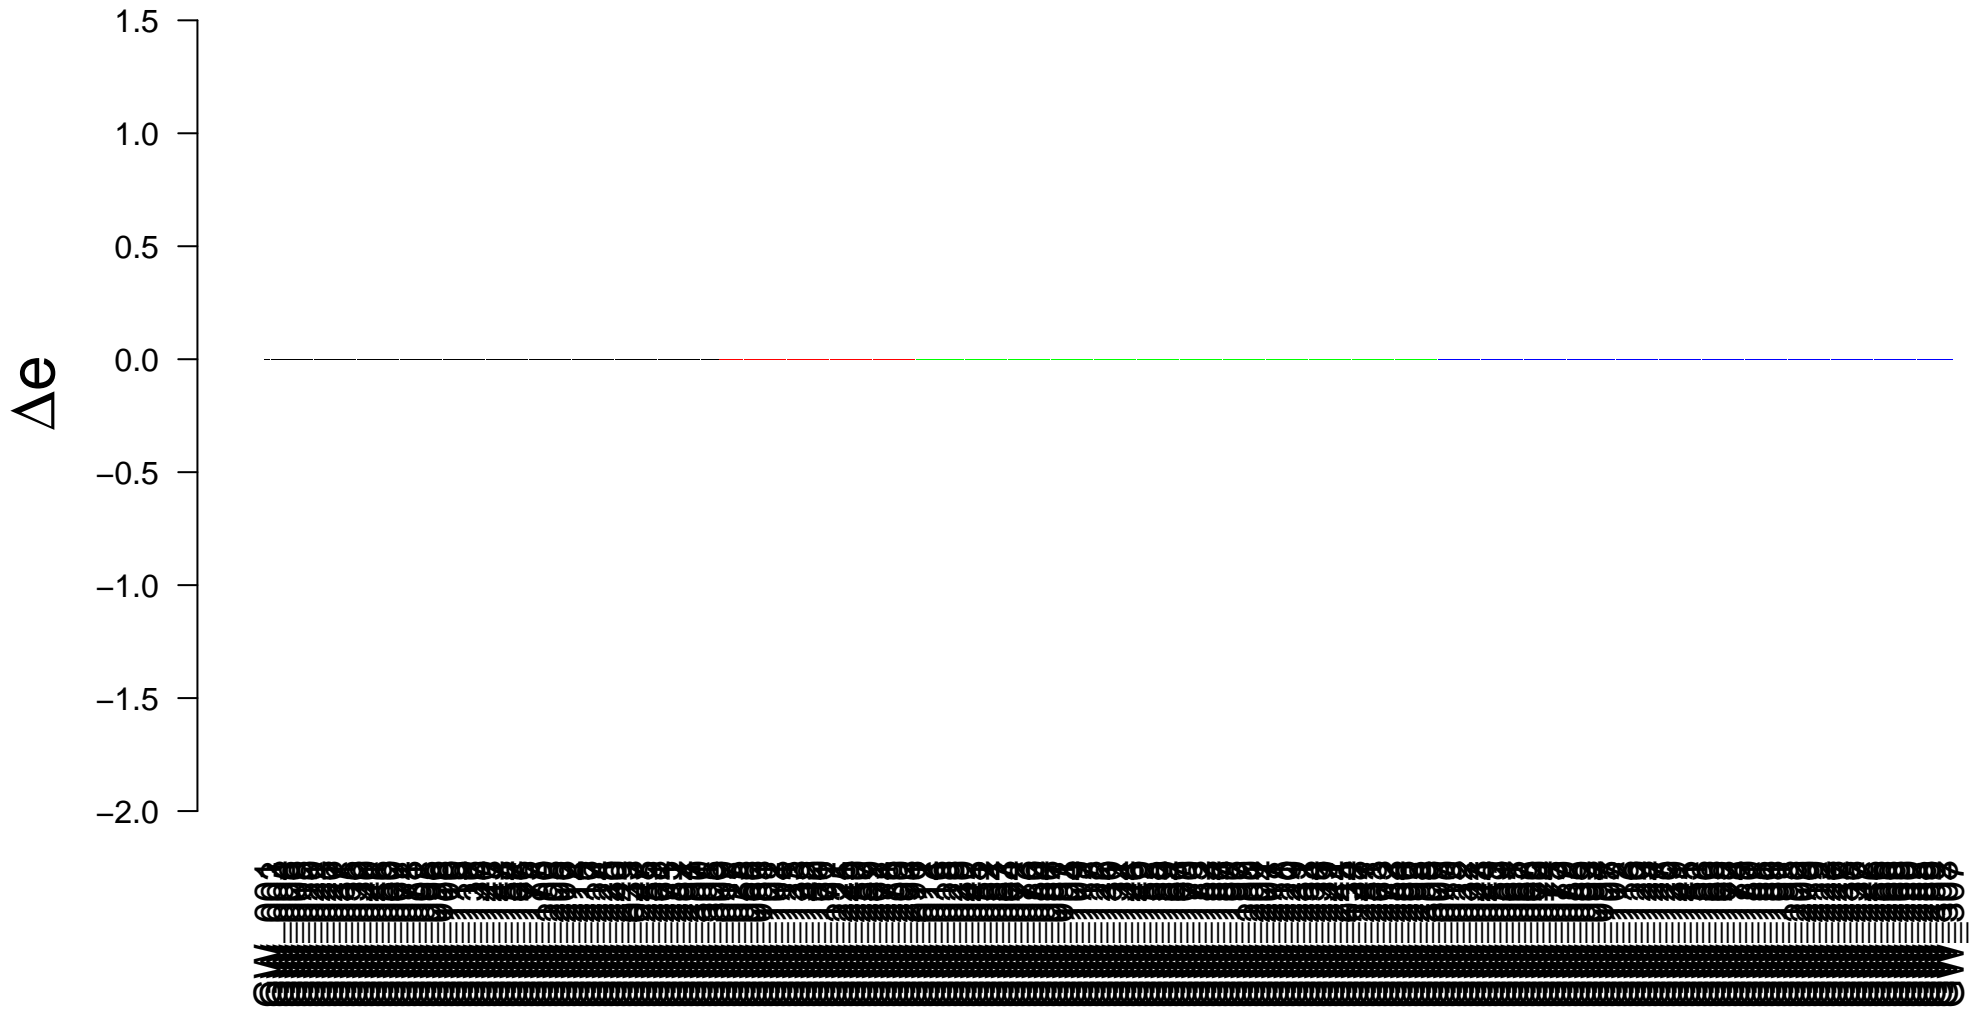

Expression of glycogen catabolic process in Spot I

Expression of glycogen catabolic process in Spot J

Expression of glycogen catabolic process in Spot K

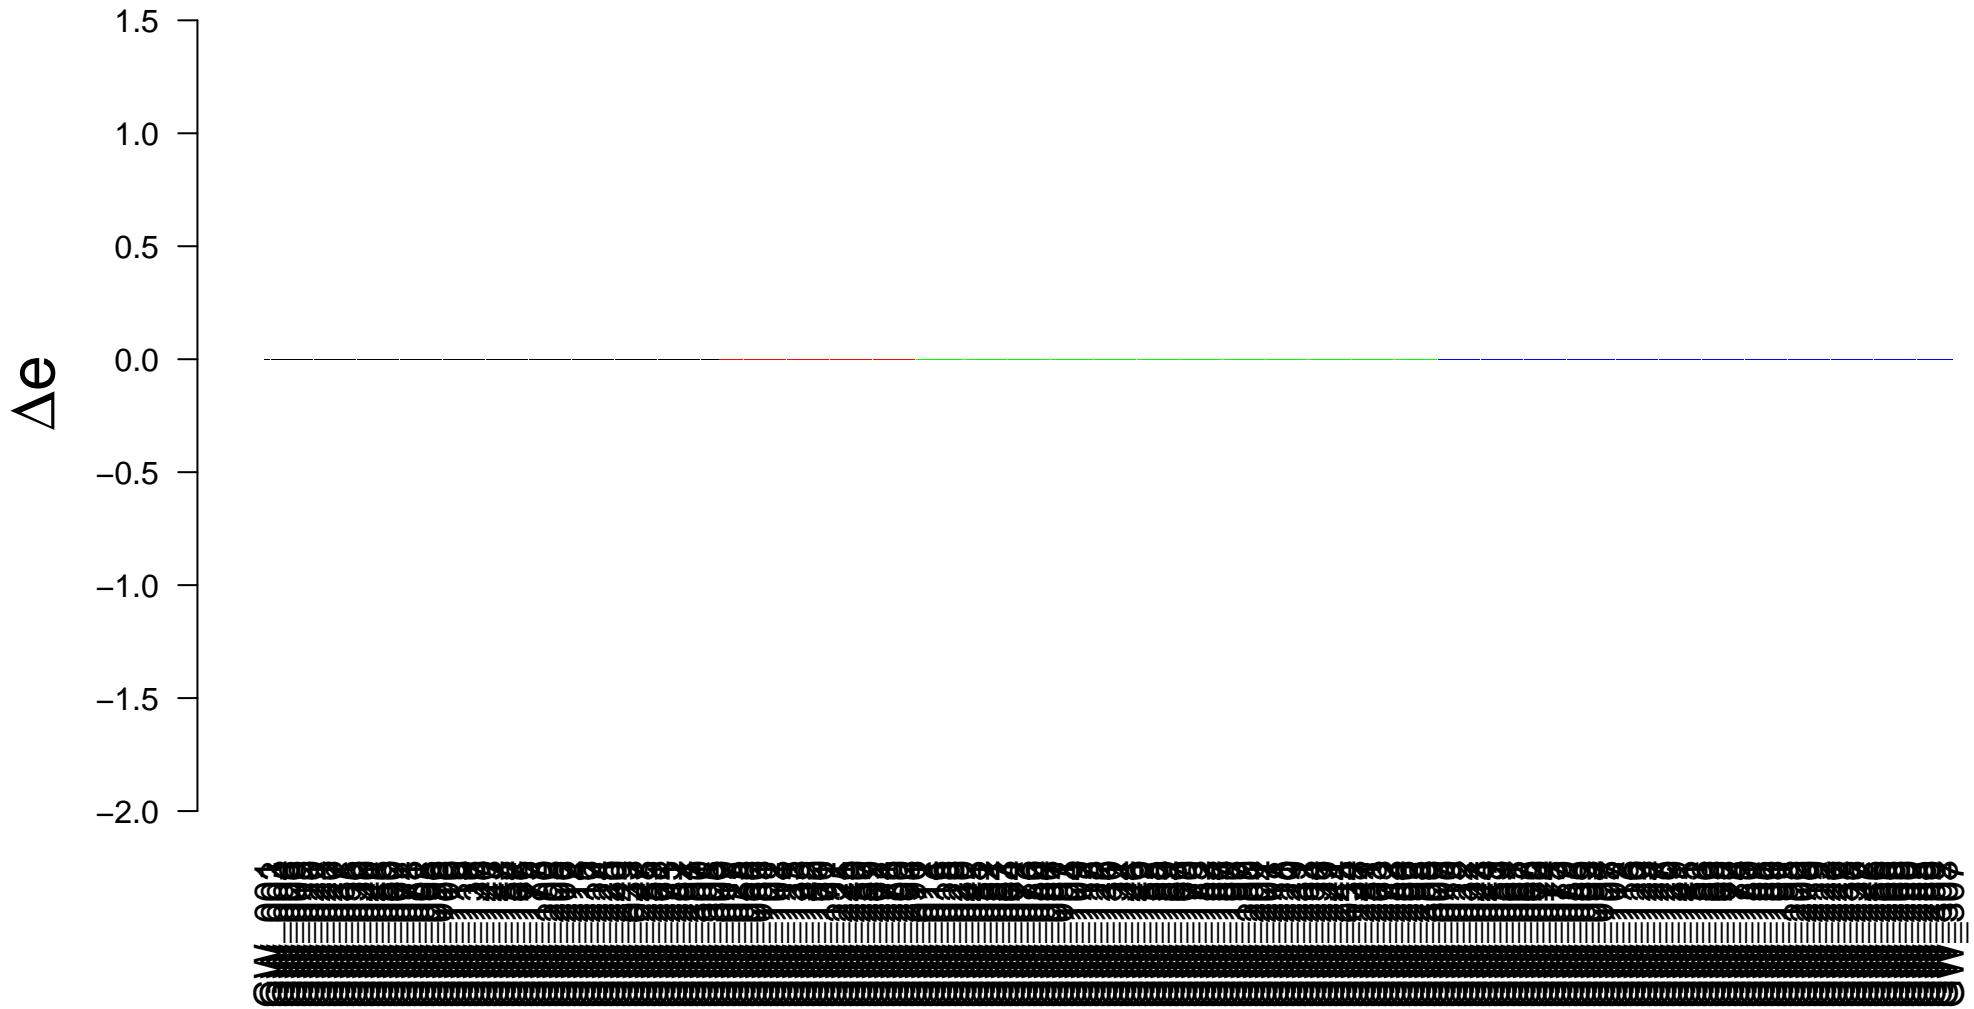

Expression of glycogen catabolic process in Spot L
