

glycogen metabolic process

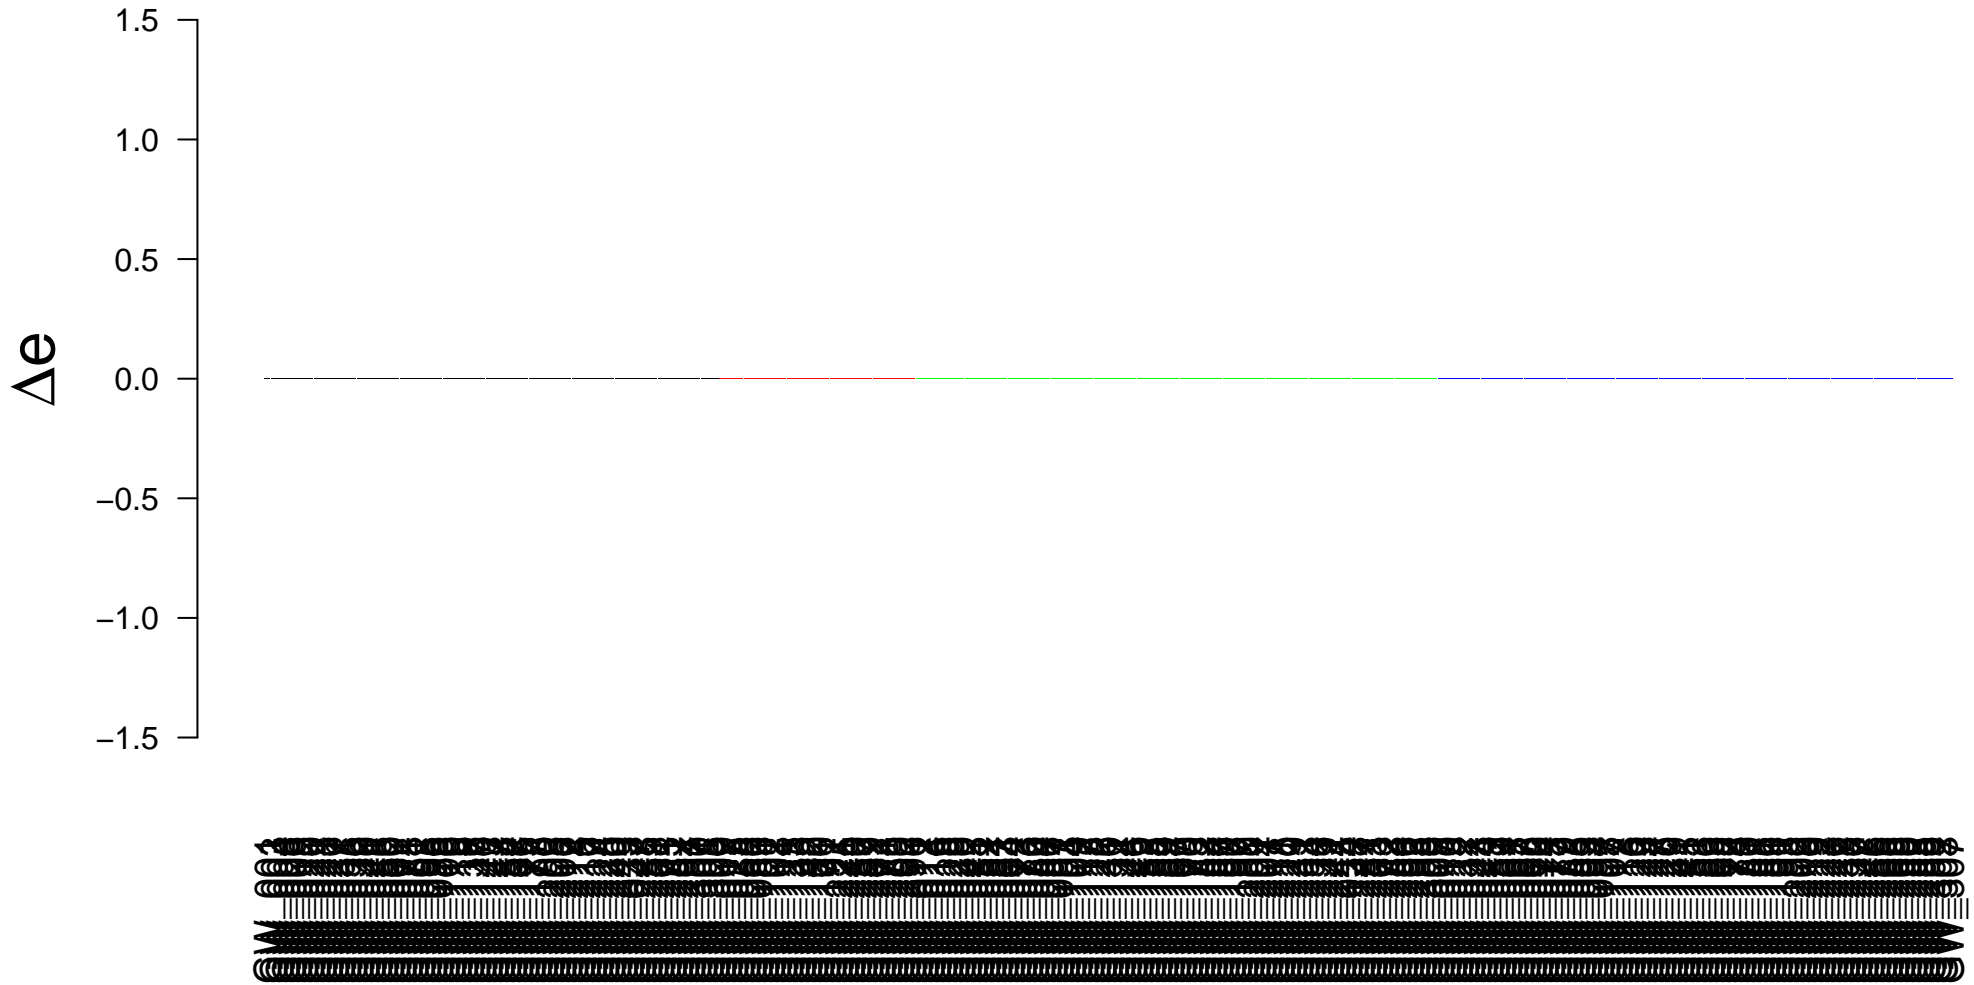

glycogen metabolic process

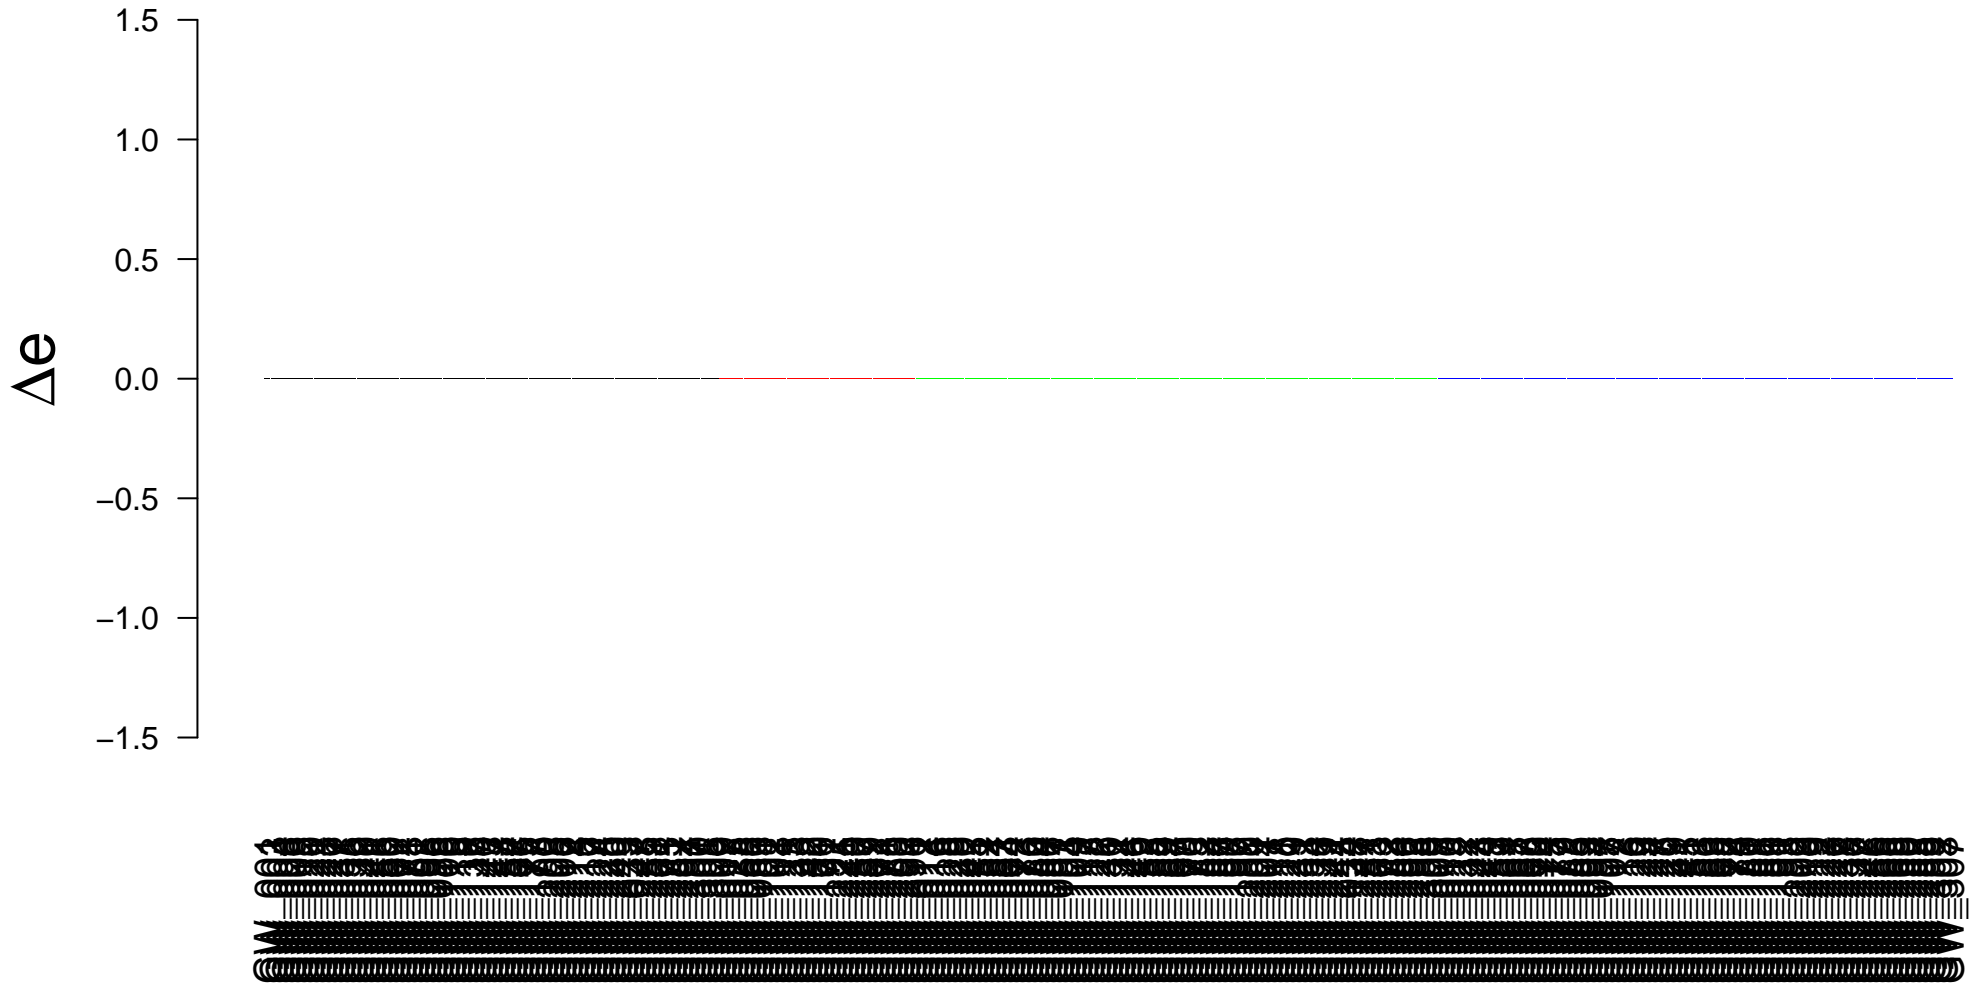

Enrichment in spots: glycogen metabolic process

Expression of glycogen metabolic process in Spot A

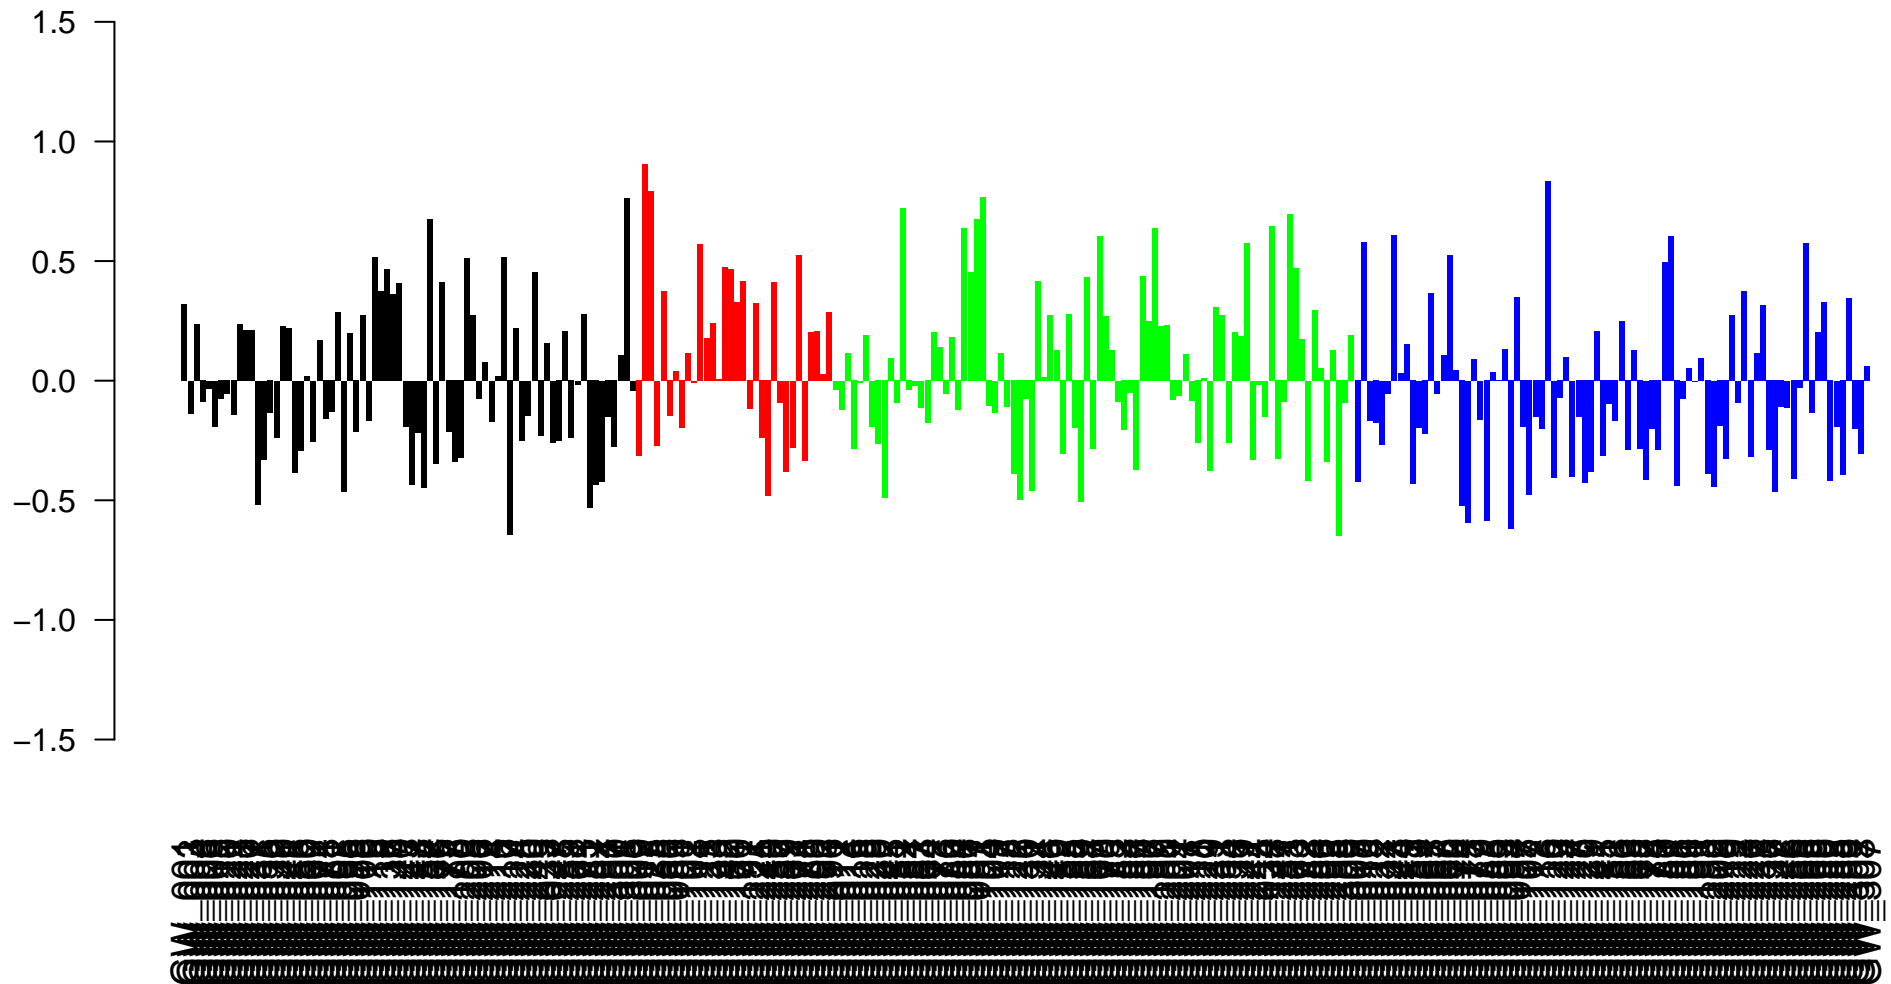

Expression of glycogen metabolic process in Spot B

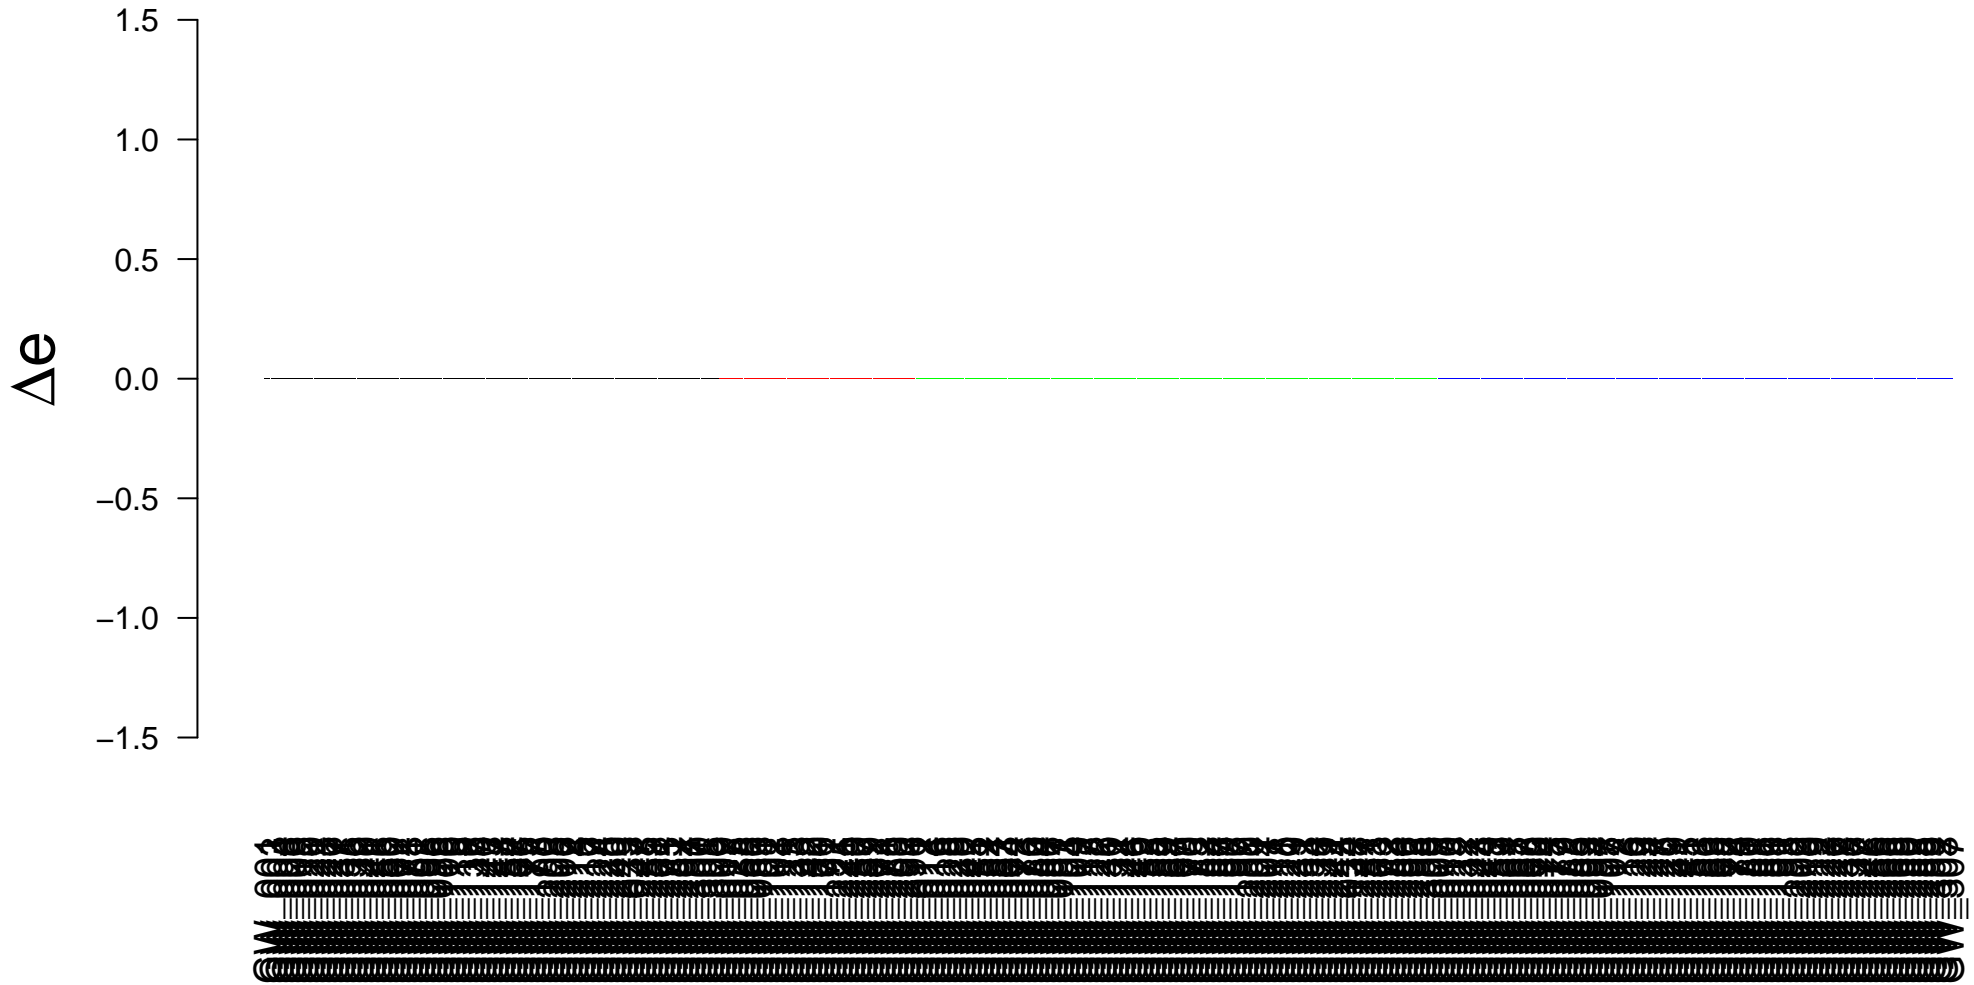

Expression of glycogen metabolic process in Spot C

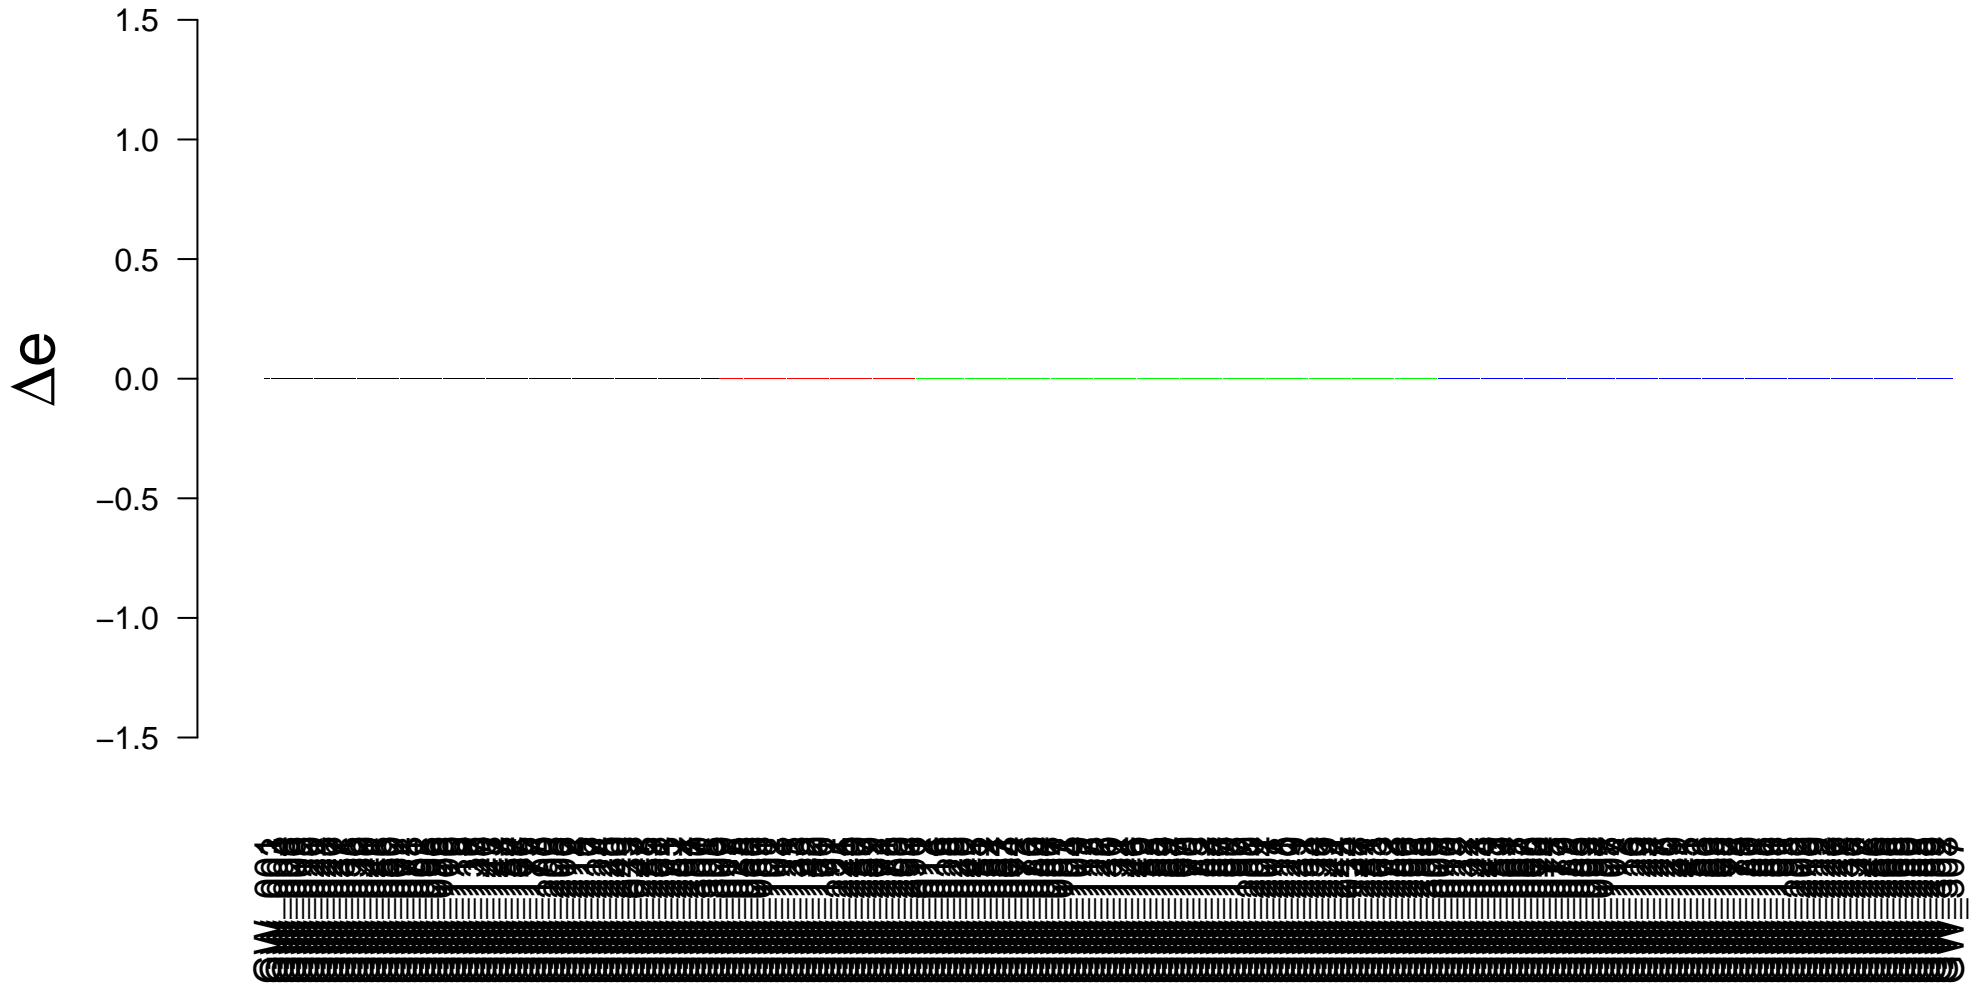

Δe

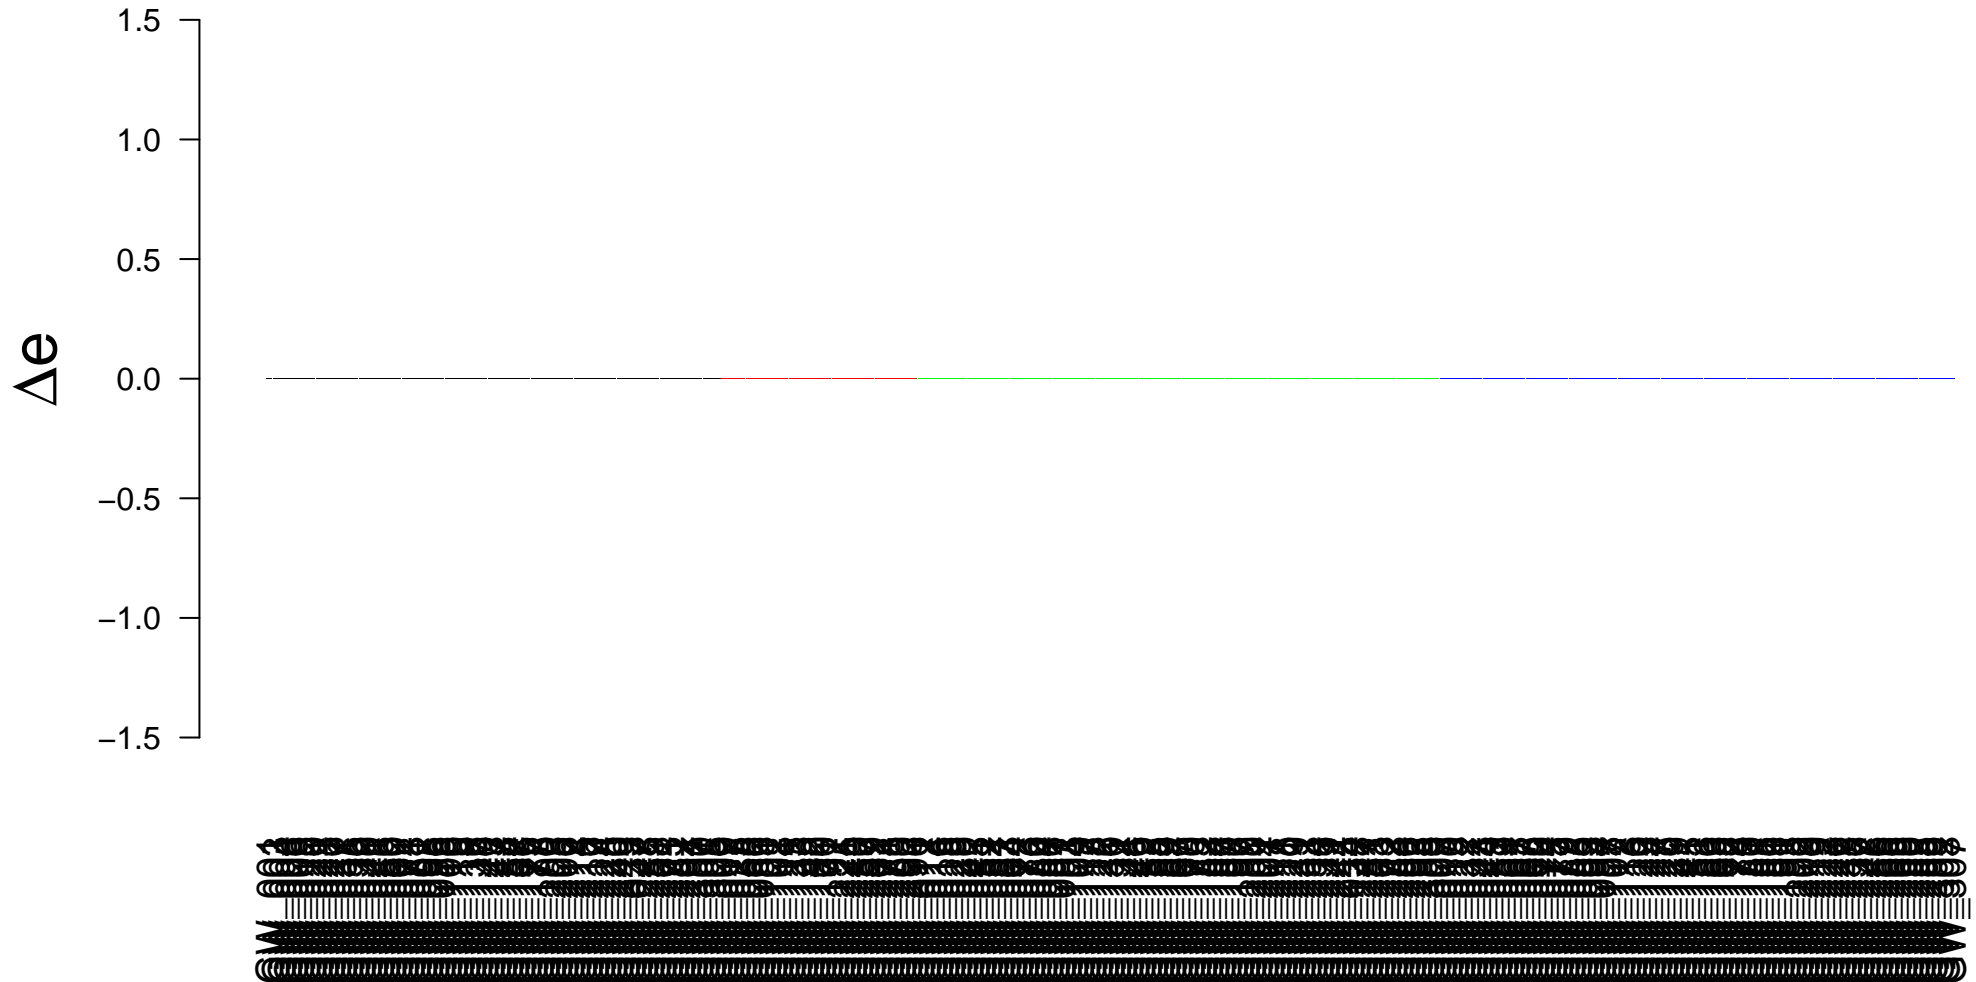

Expression of glycogen metabolic process in Spot D

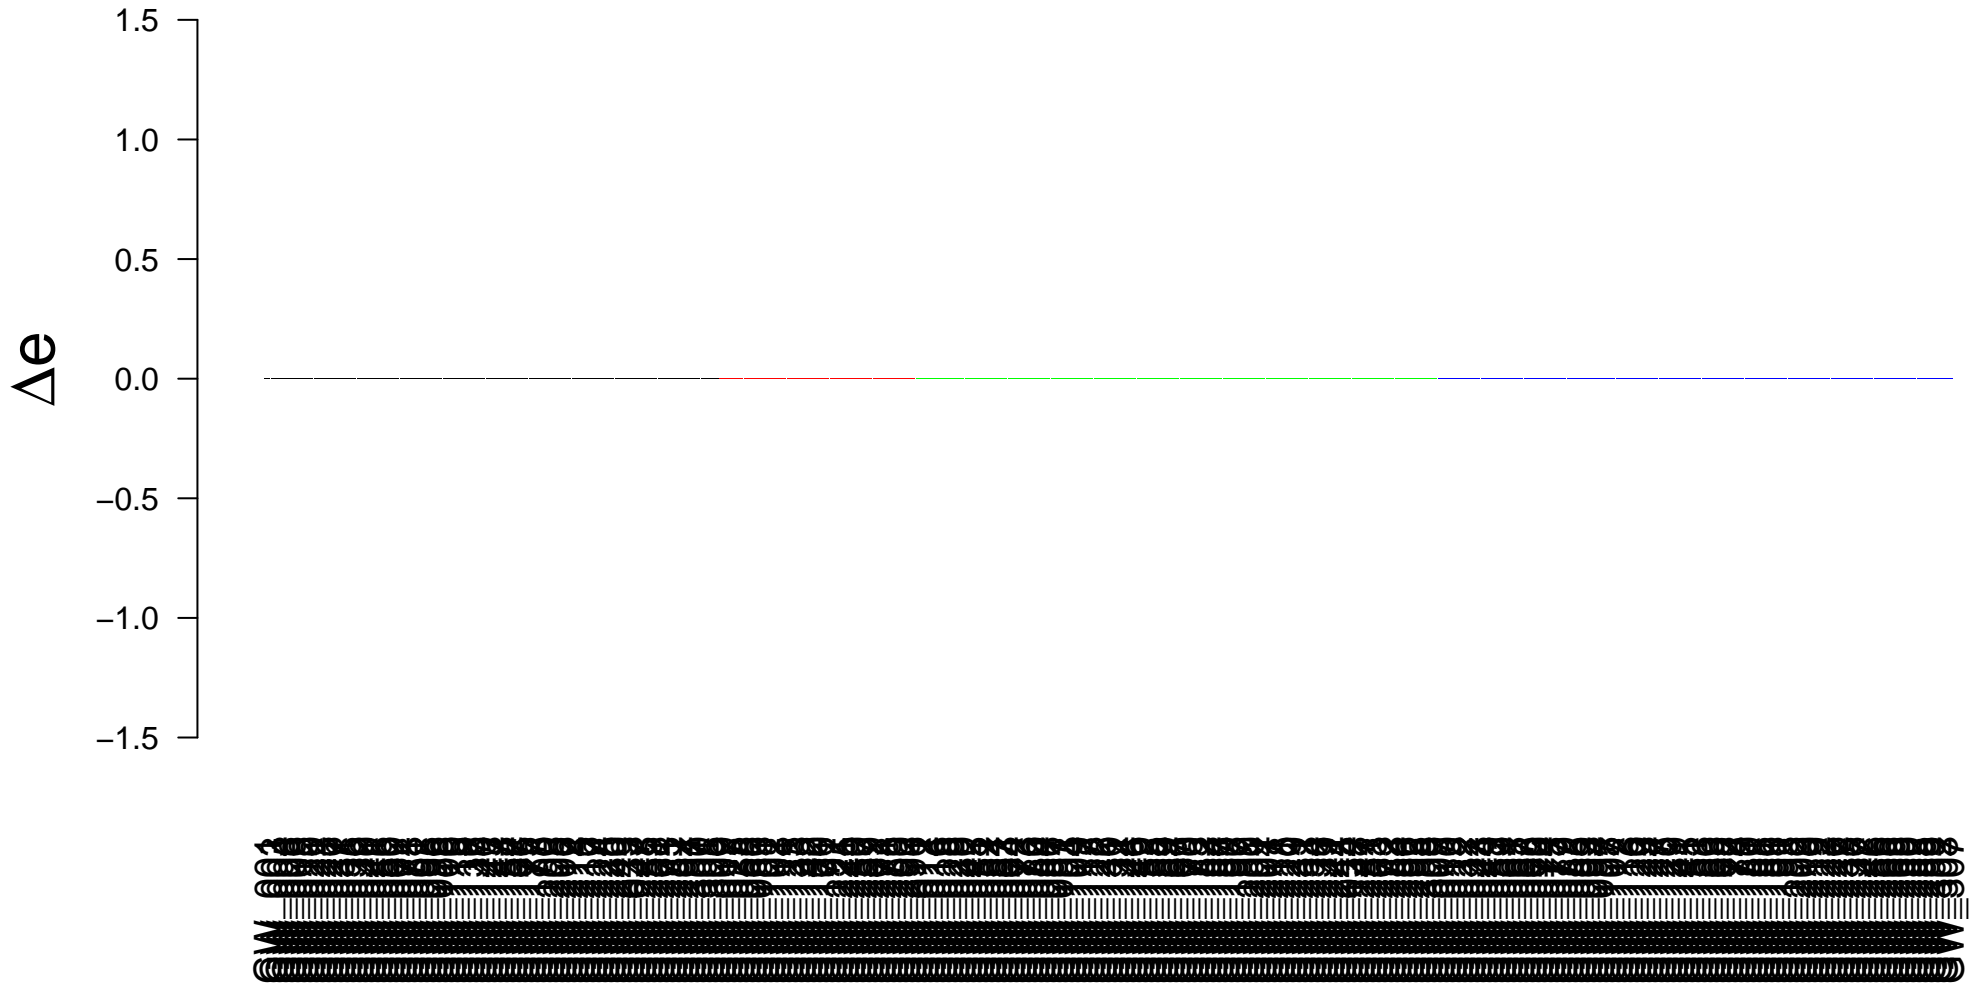

Expression of glycogen metabolic process in Spot E

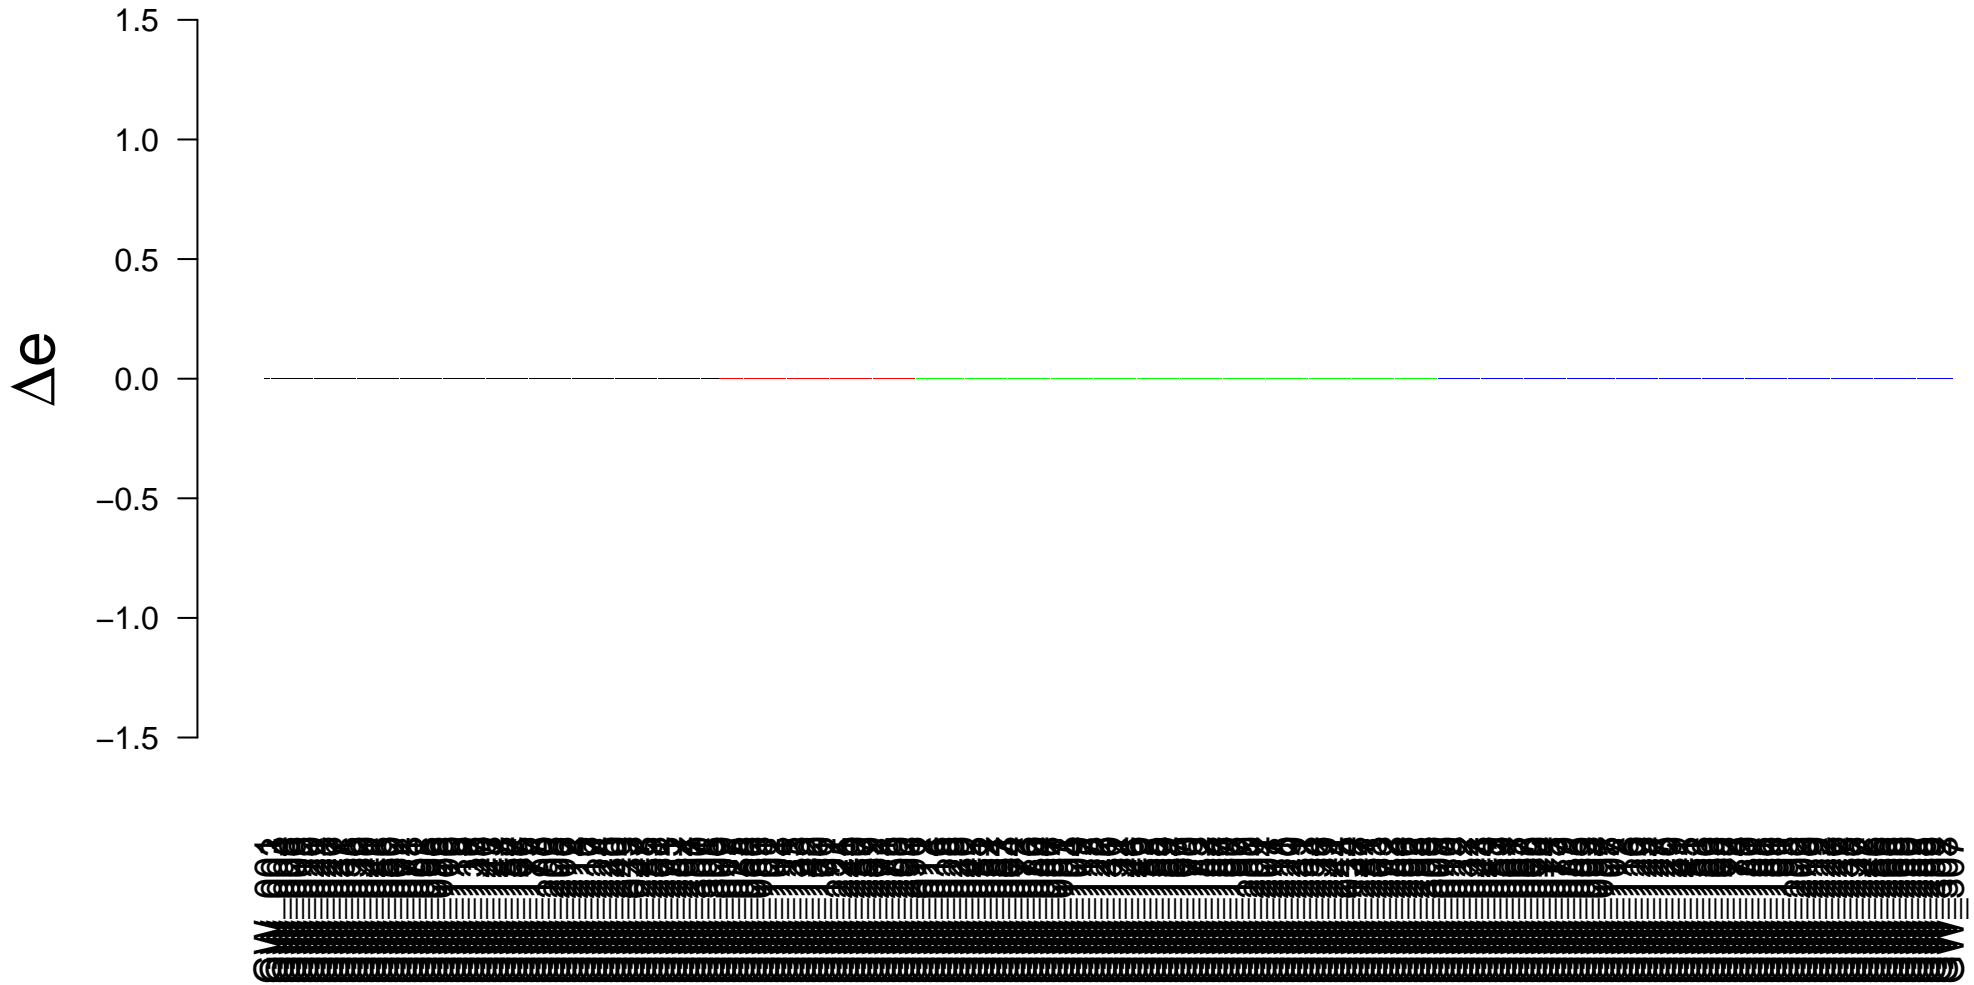

Expression of glycogen metabolic process in Spot F

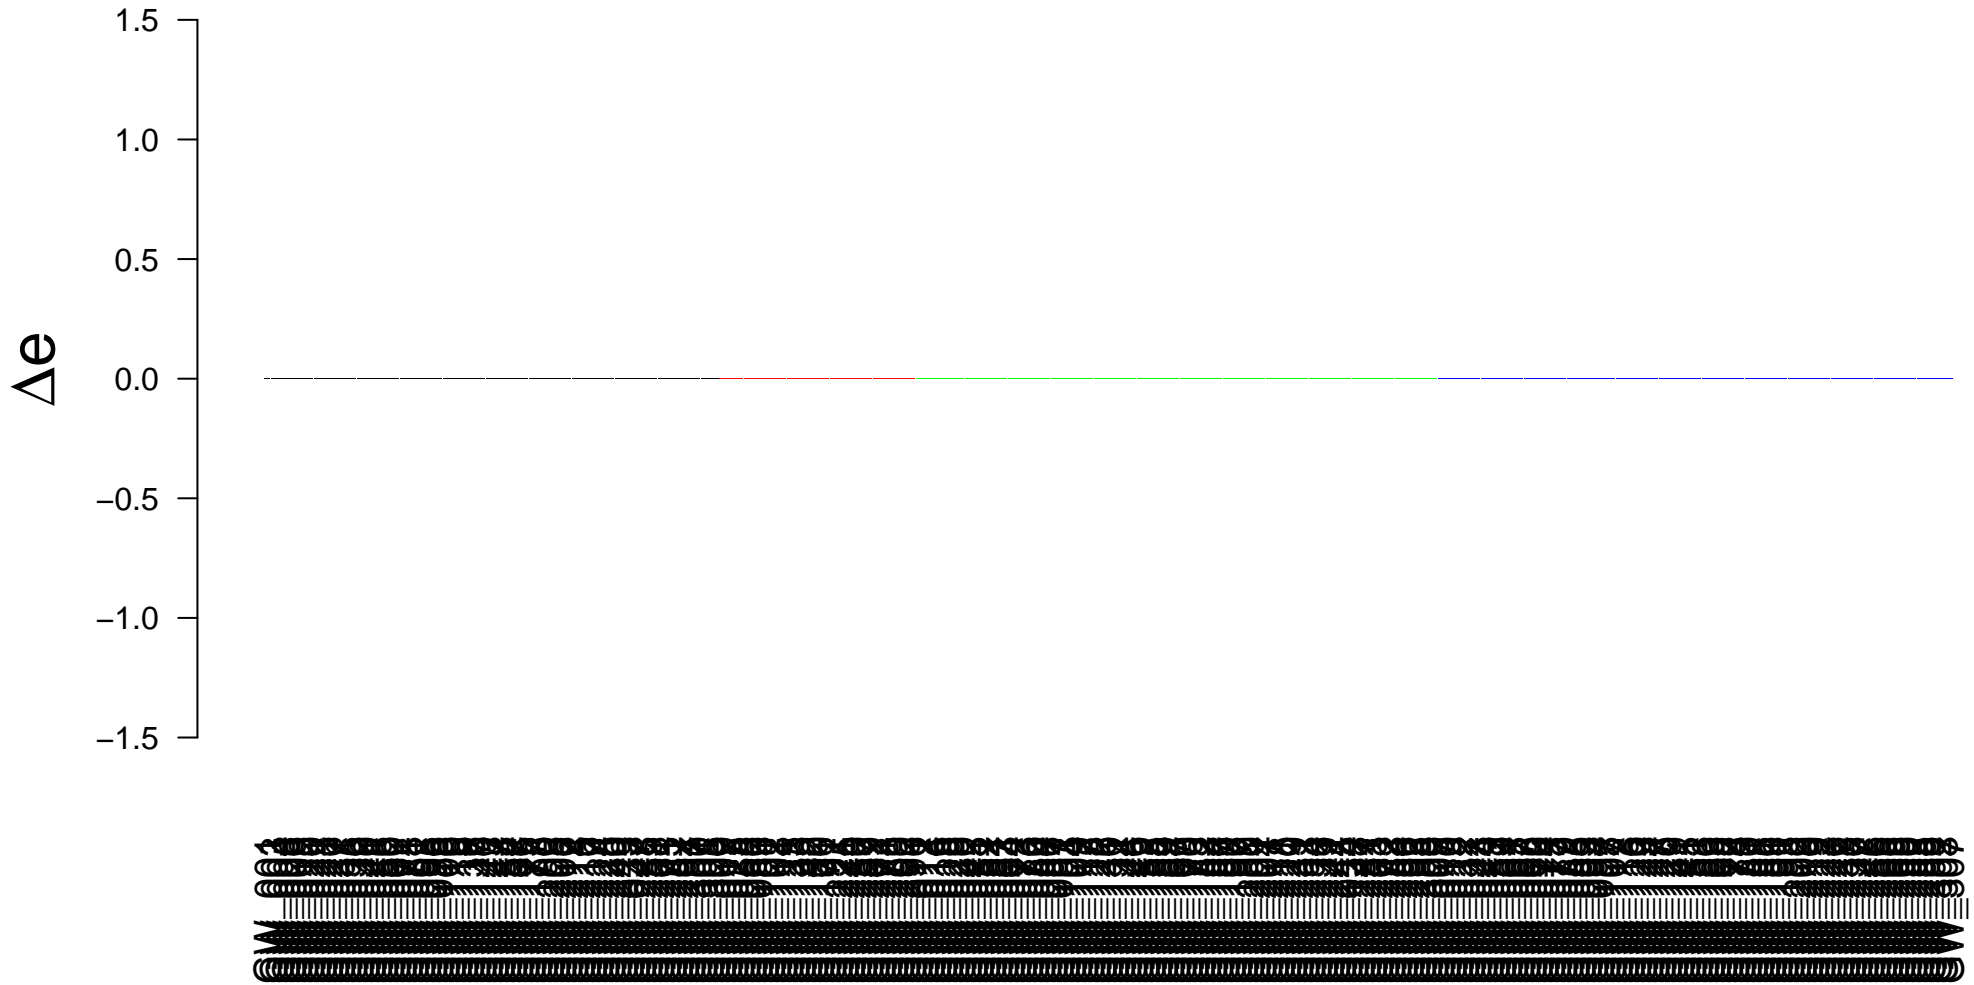

Expression of glycogen metabolic process in Spot G

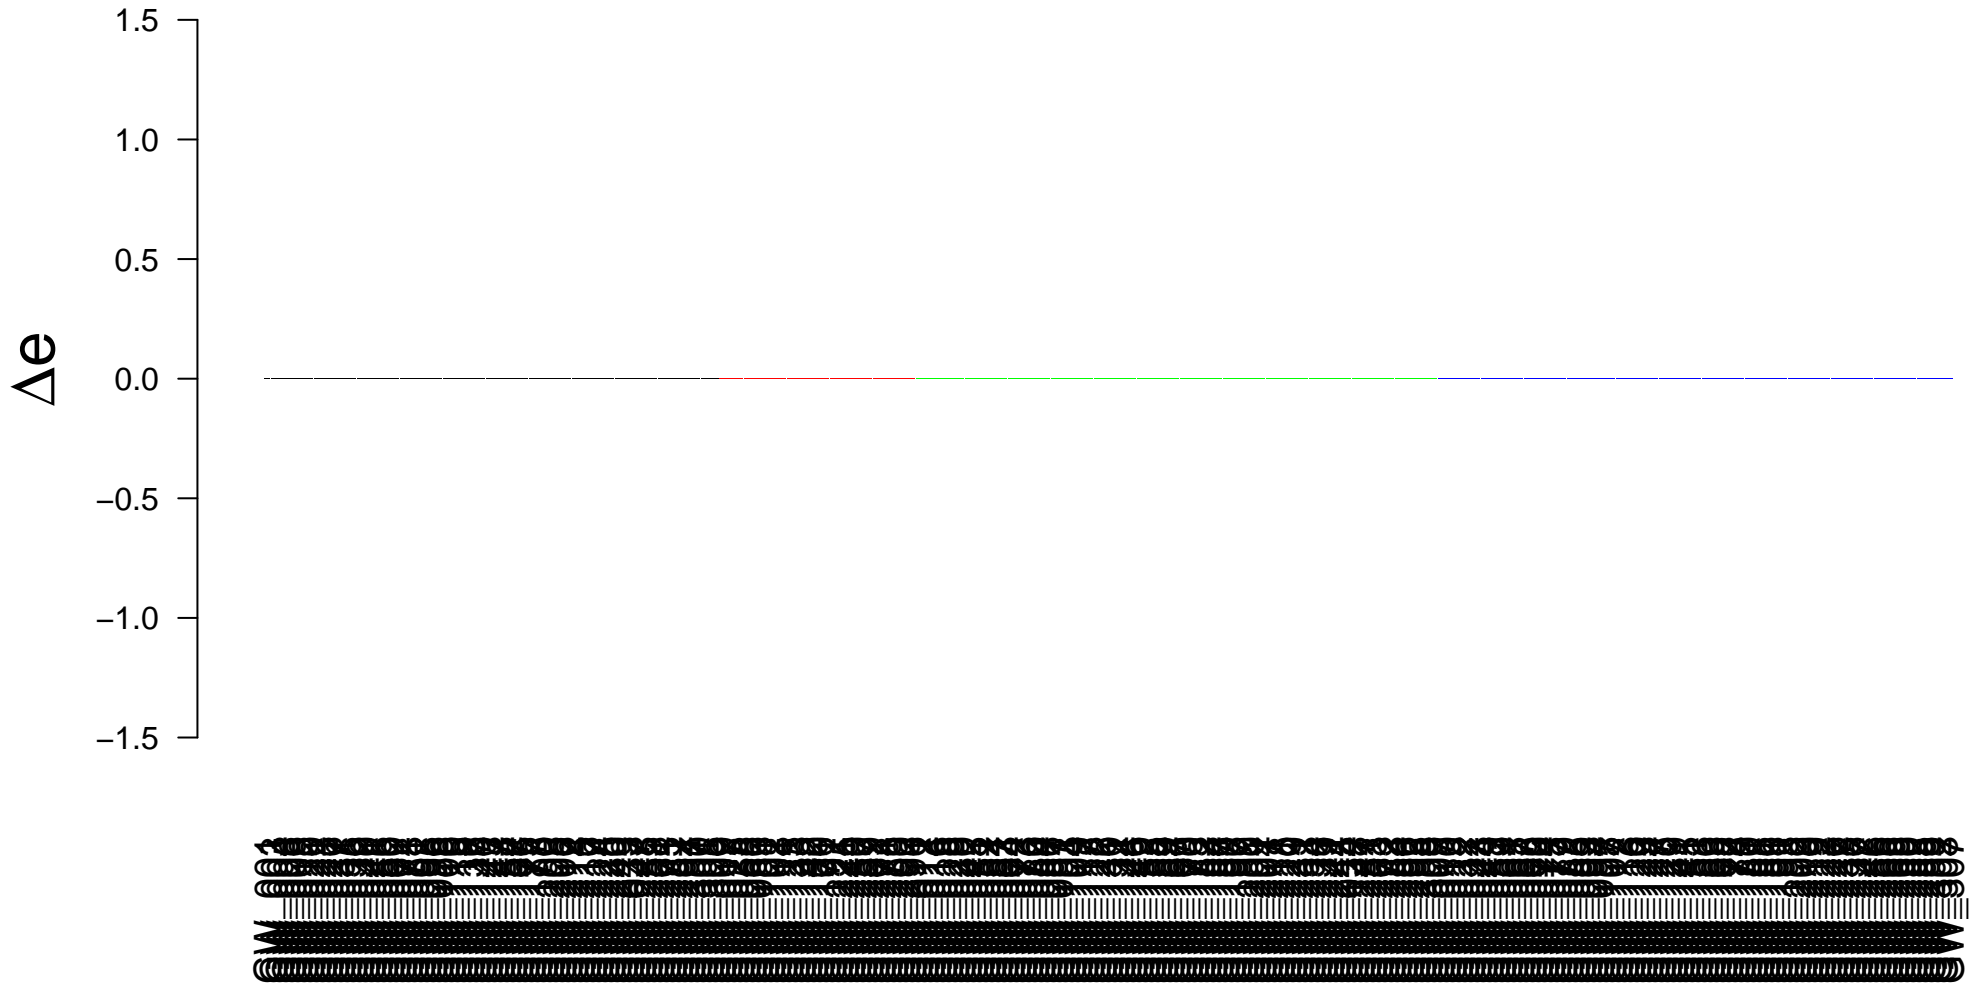

Expression of glycogen metabolic process in Spot H

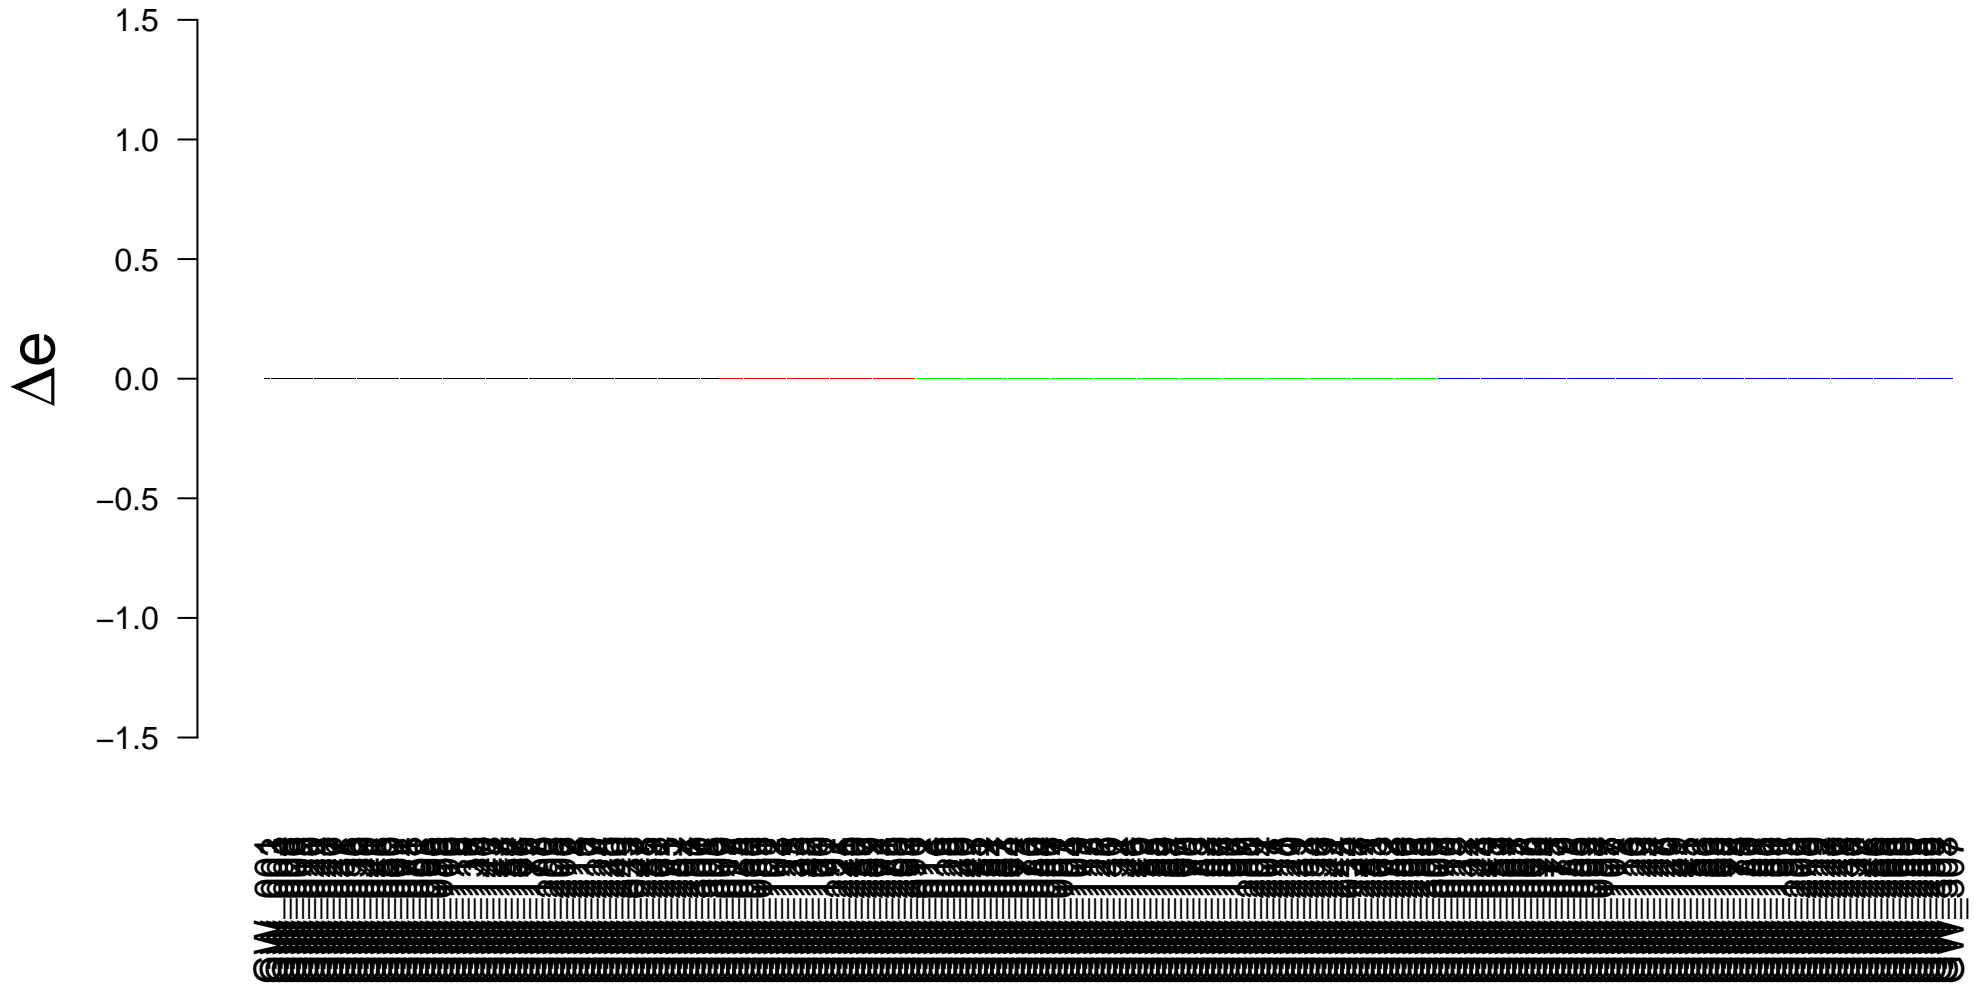

Expression of glycogen metabolic process in Spot I

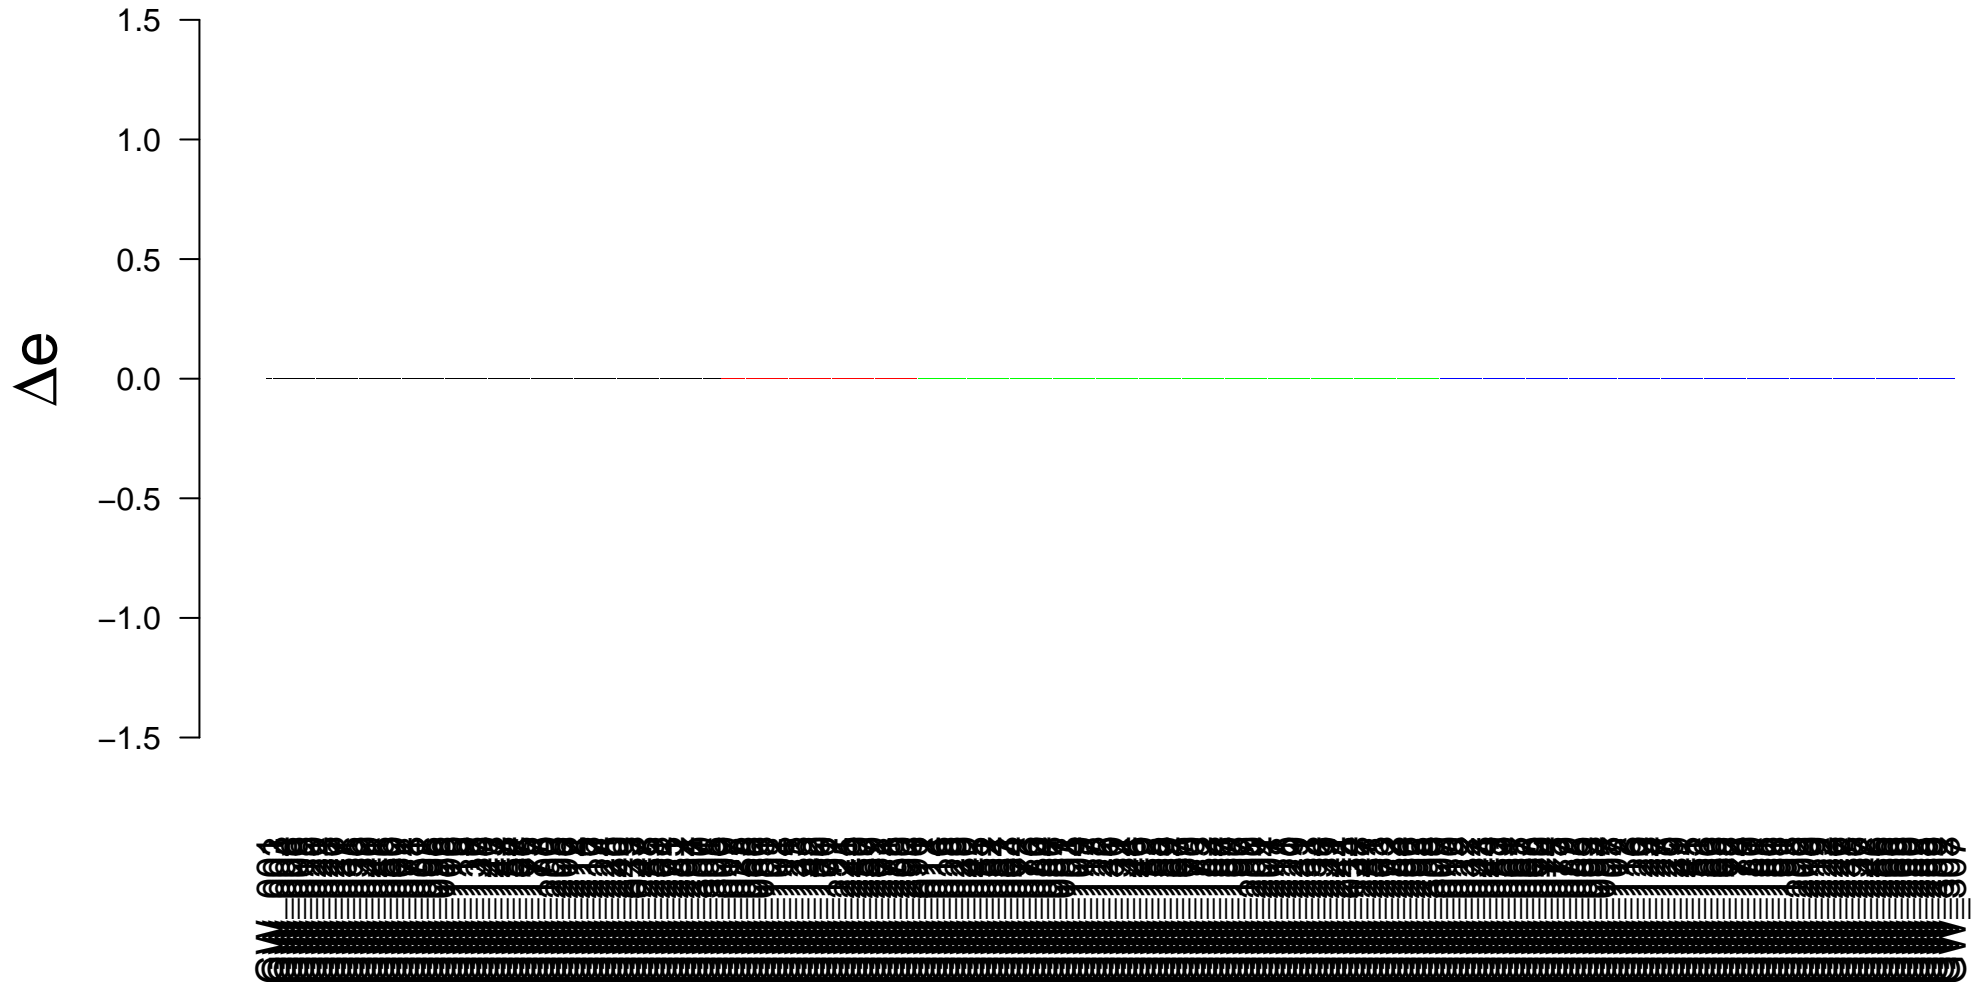

Expression of glycogen metabolic process in Spot J

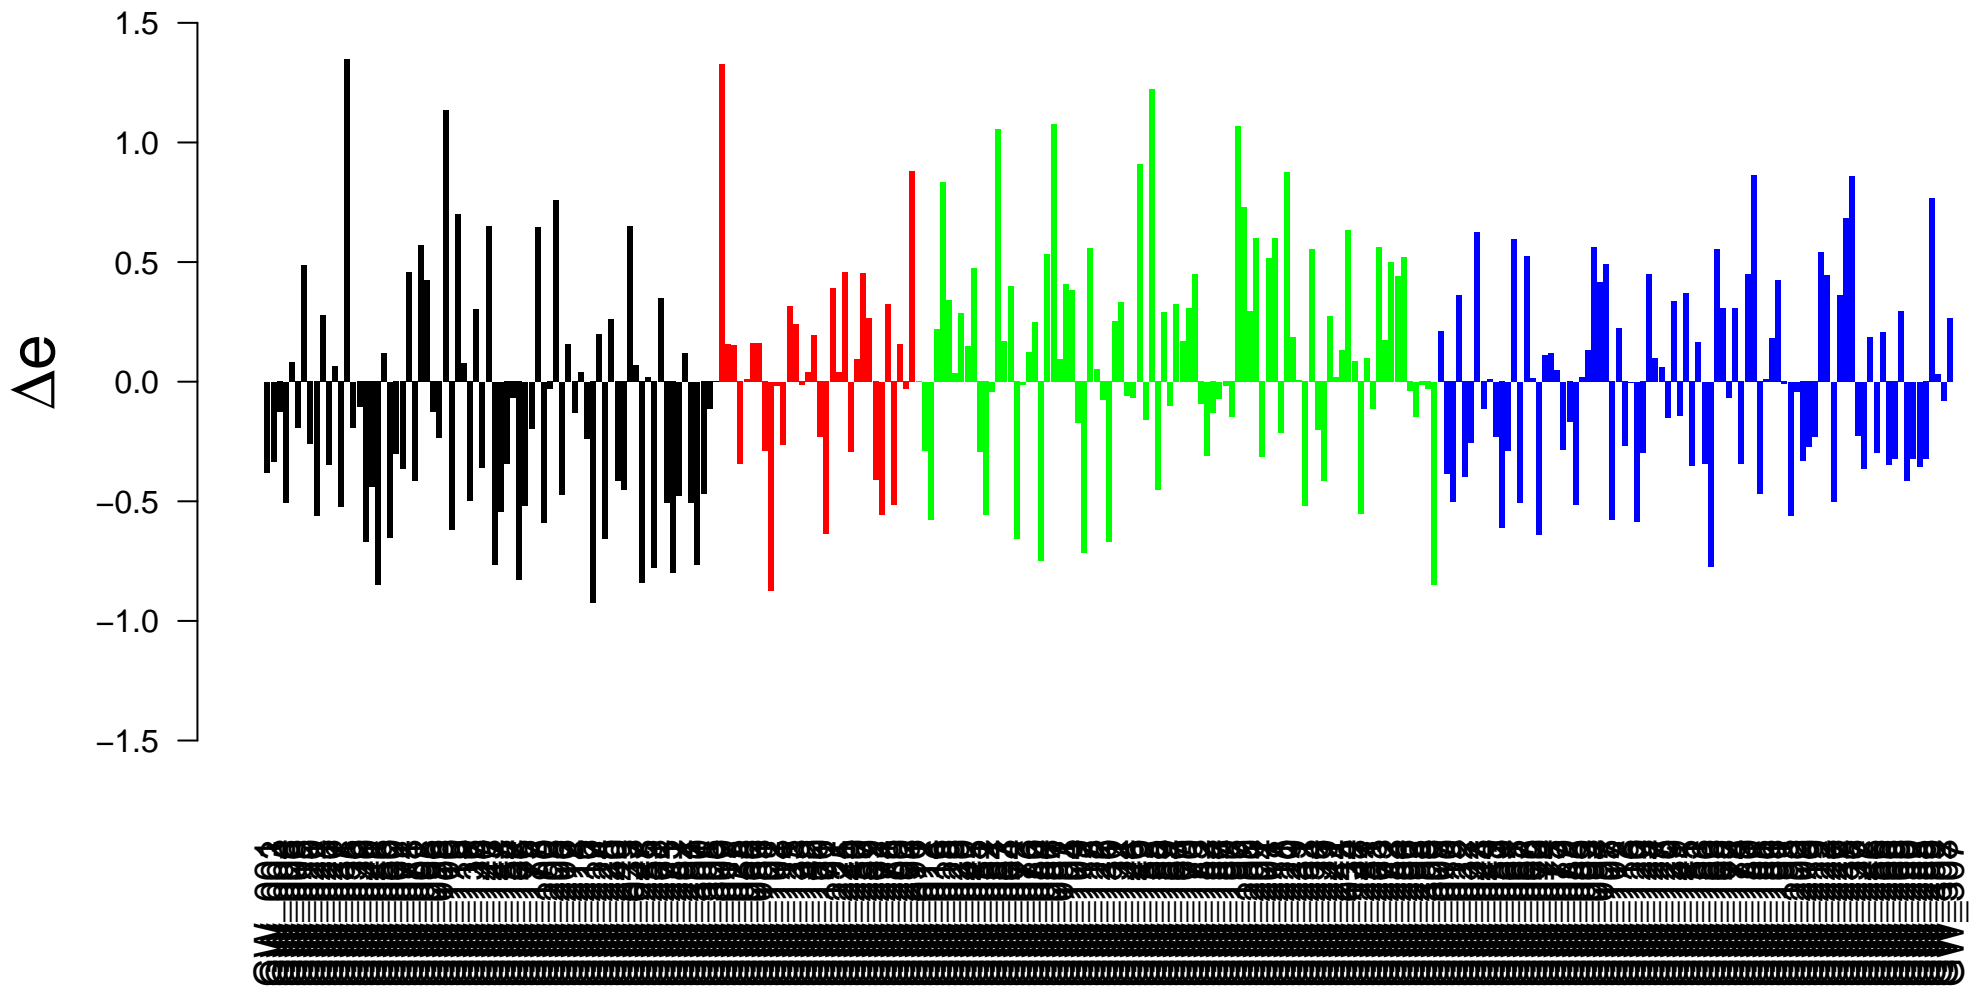

Expression of glycogen metabolic process in Spot K

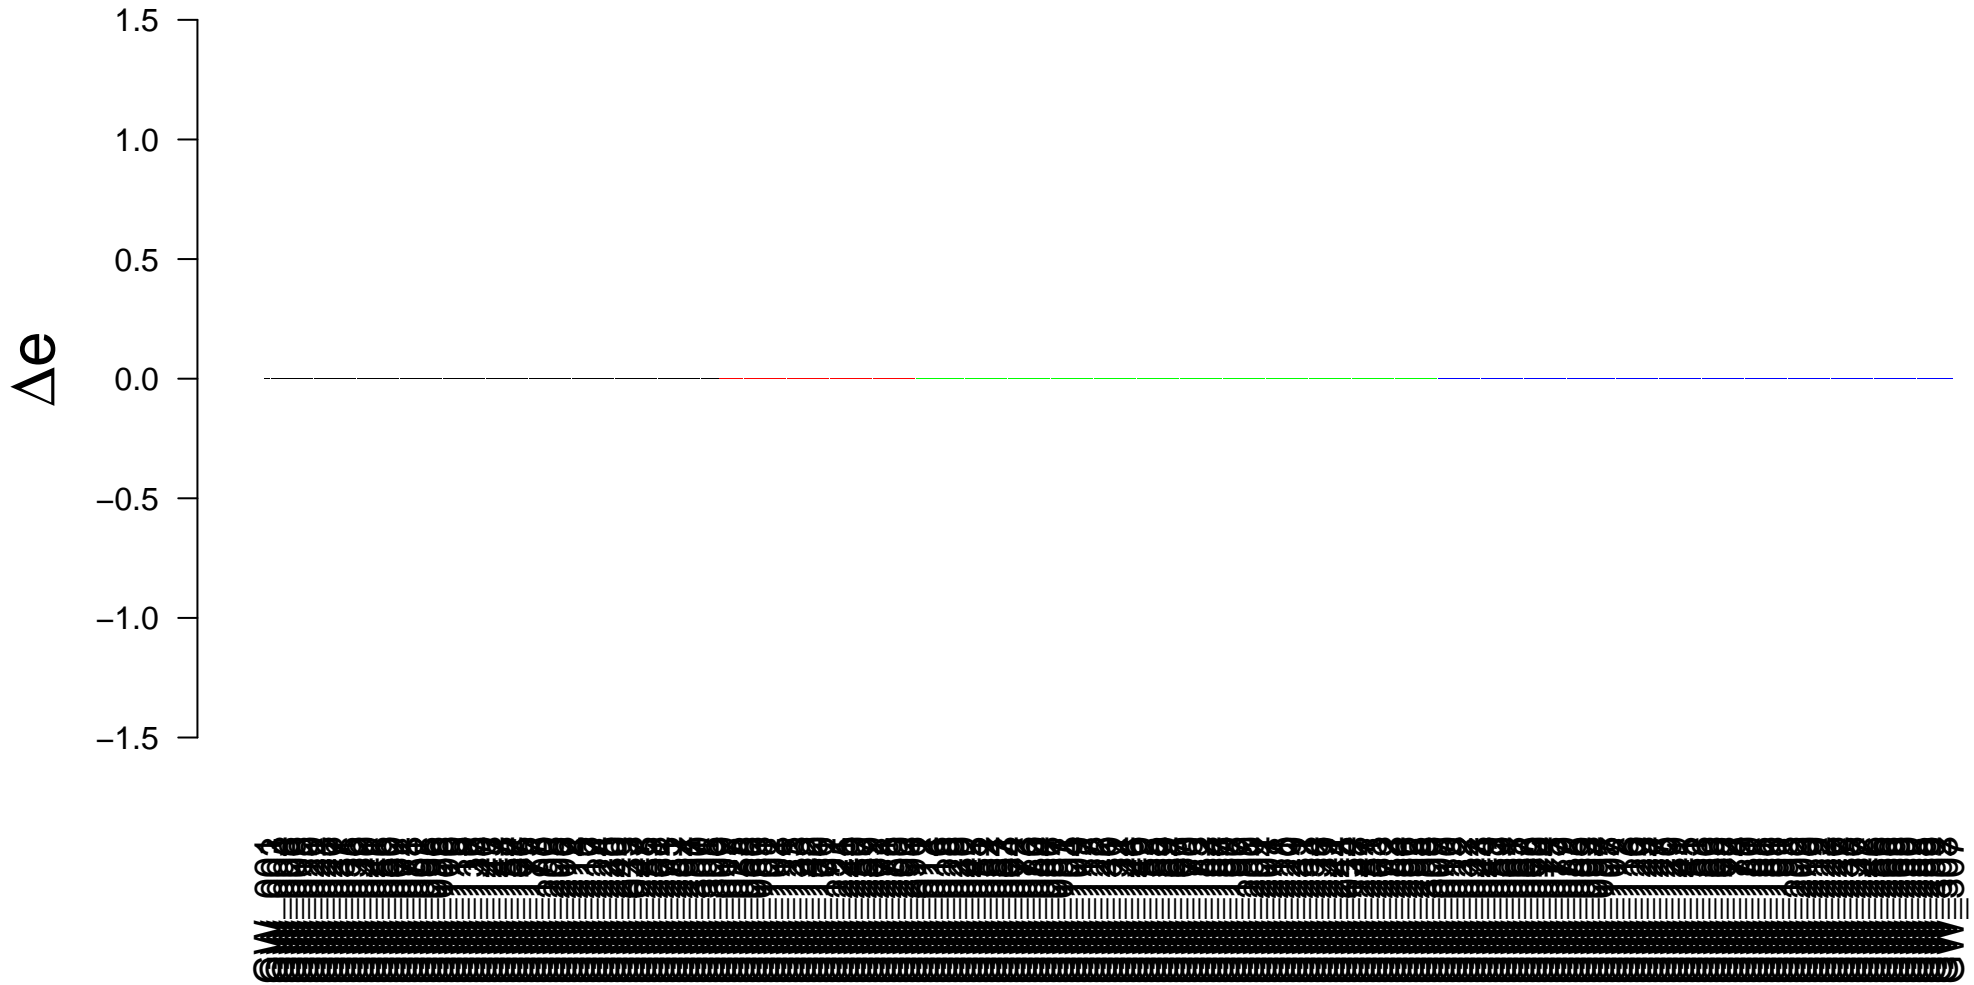

Expression of glycogen metabolic process in Spot L

Expression of glycogen metabolic process in Spot M

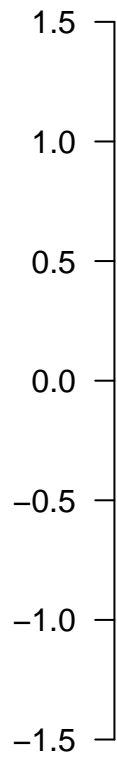

Expression of glycogen metabolic process in Spot N

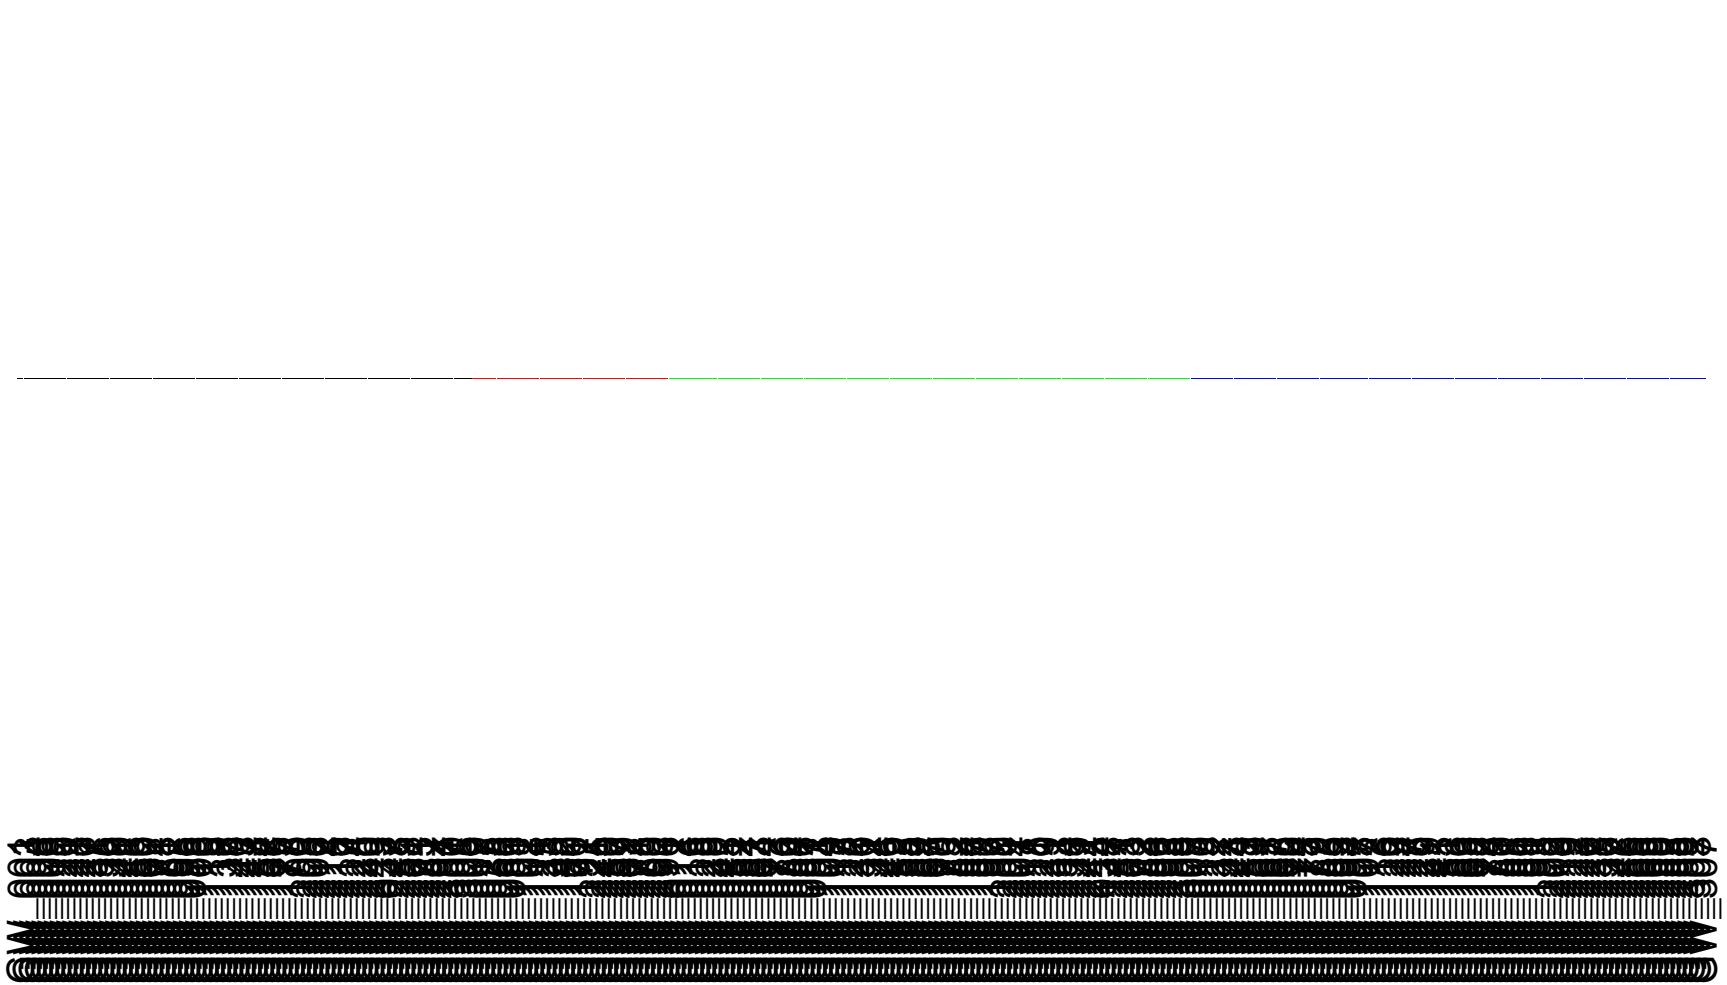

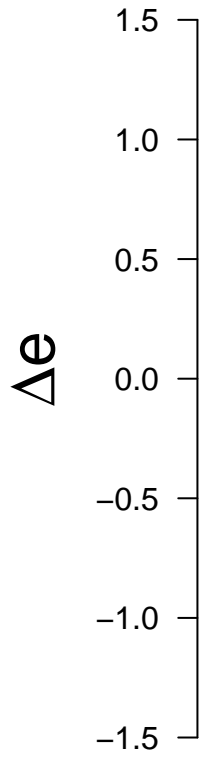

Expression of glycogen metabolic process in Spot O

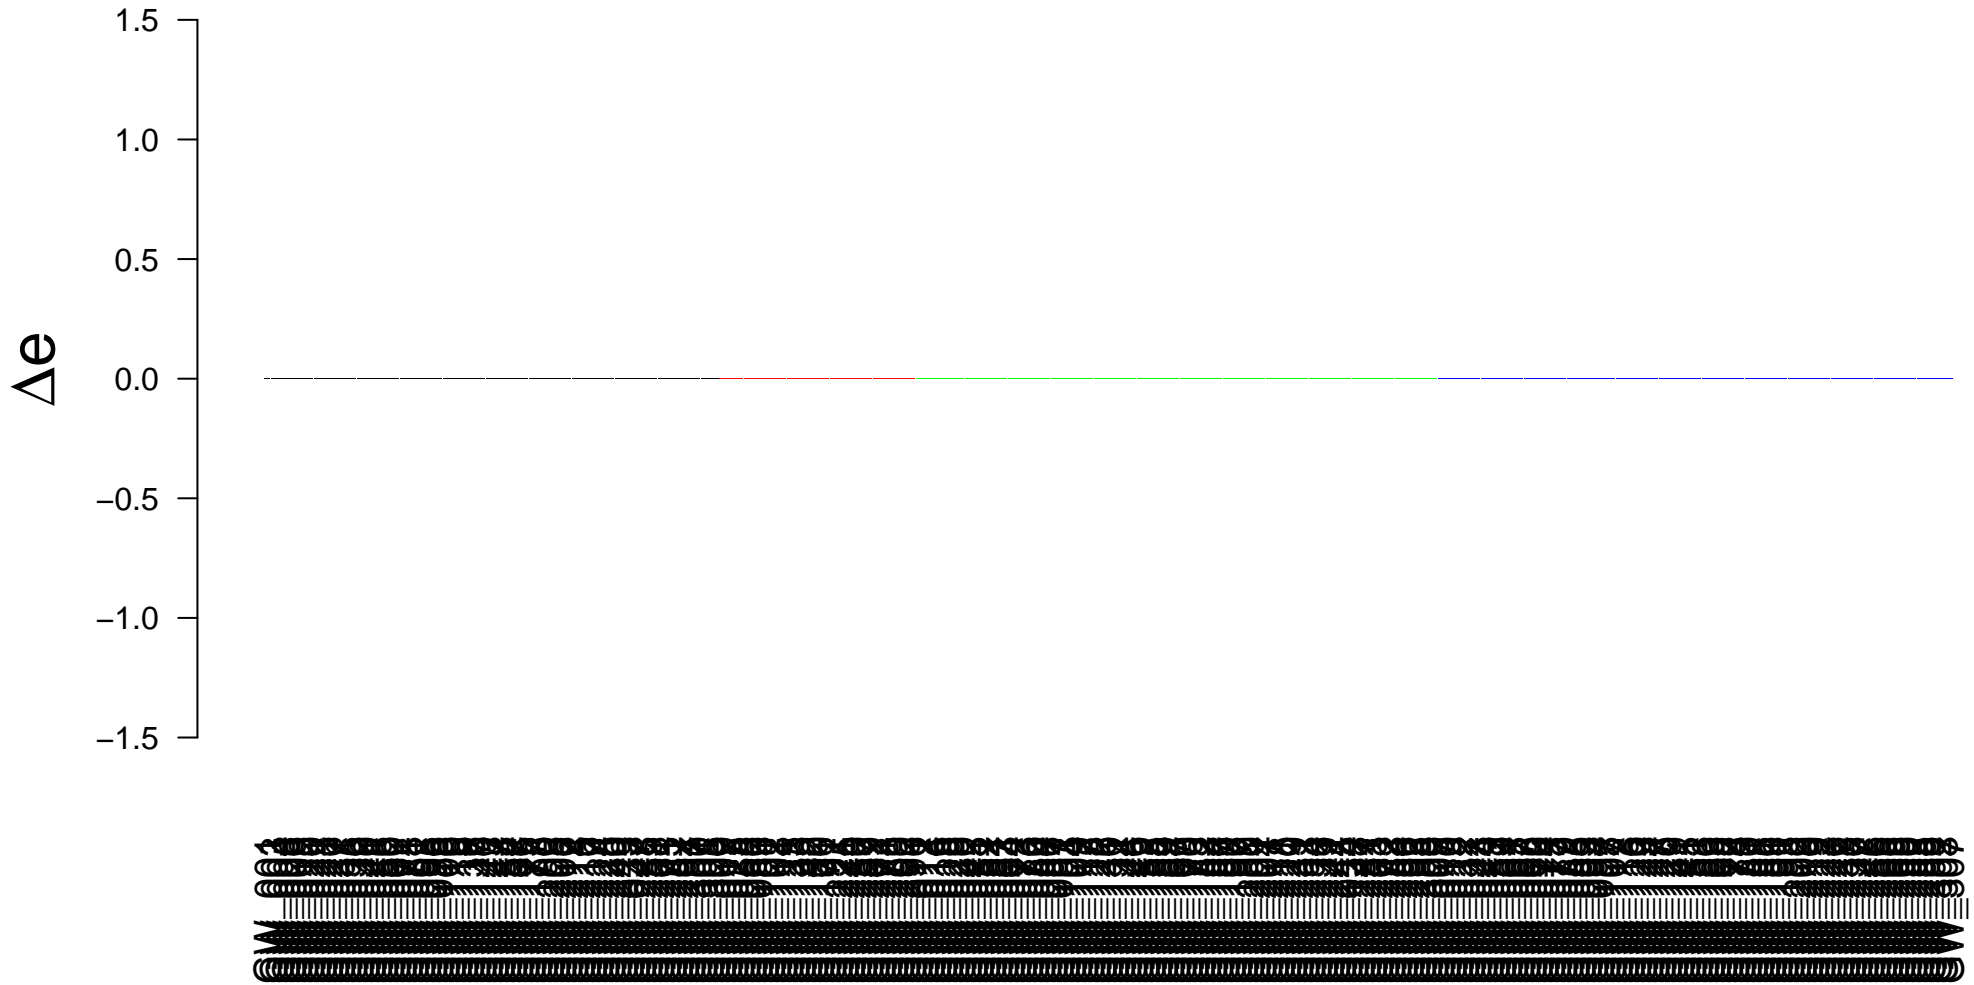

Δe

Expression of glycogen metabolic process in Spot P

Expression of glycogen metabolic process in Spot Q

Expression of glycogen metabolic process in Spot R
