

glycosphingolipid metabolic process

glycosphingolipid metabolic process

Enrichment in spots: glycosphingolipid metabolic process

Expression of glycosphingolipid metabolic process in Spot A

Expression of glycosphingolipid metabolic process in Spot B

Expression of glycosphingolipid metabolic process in Spot C

Expression of glycosphingolipid metabolic process in Spot D

Expression of glycosphingolipid metabolic process in Spot E

Expression of glycosphingolipid metabolic process in Spot F

Expression of glycosphingolipid metabolic process in Spot G

Expression of glycosphingolipid metabolic process in Spot H
