

growth factor binding

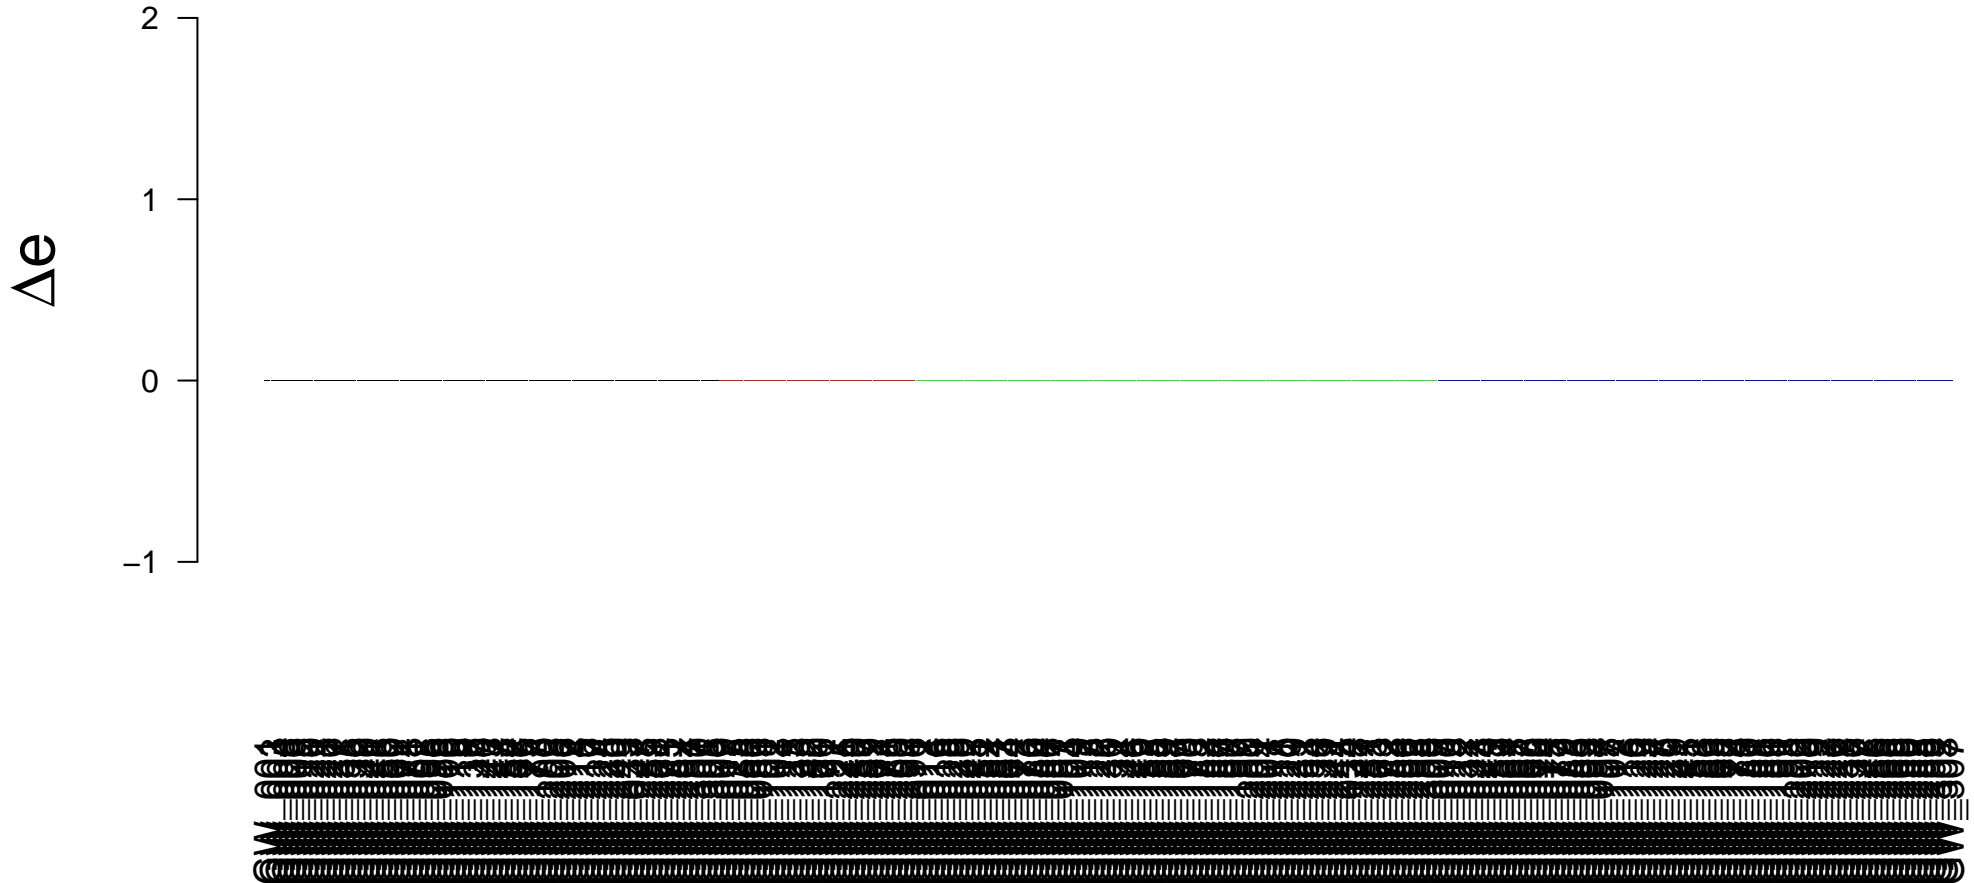

growth factor binding

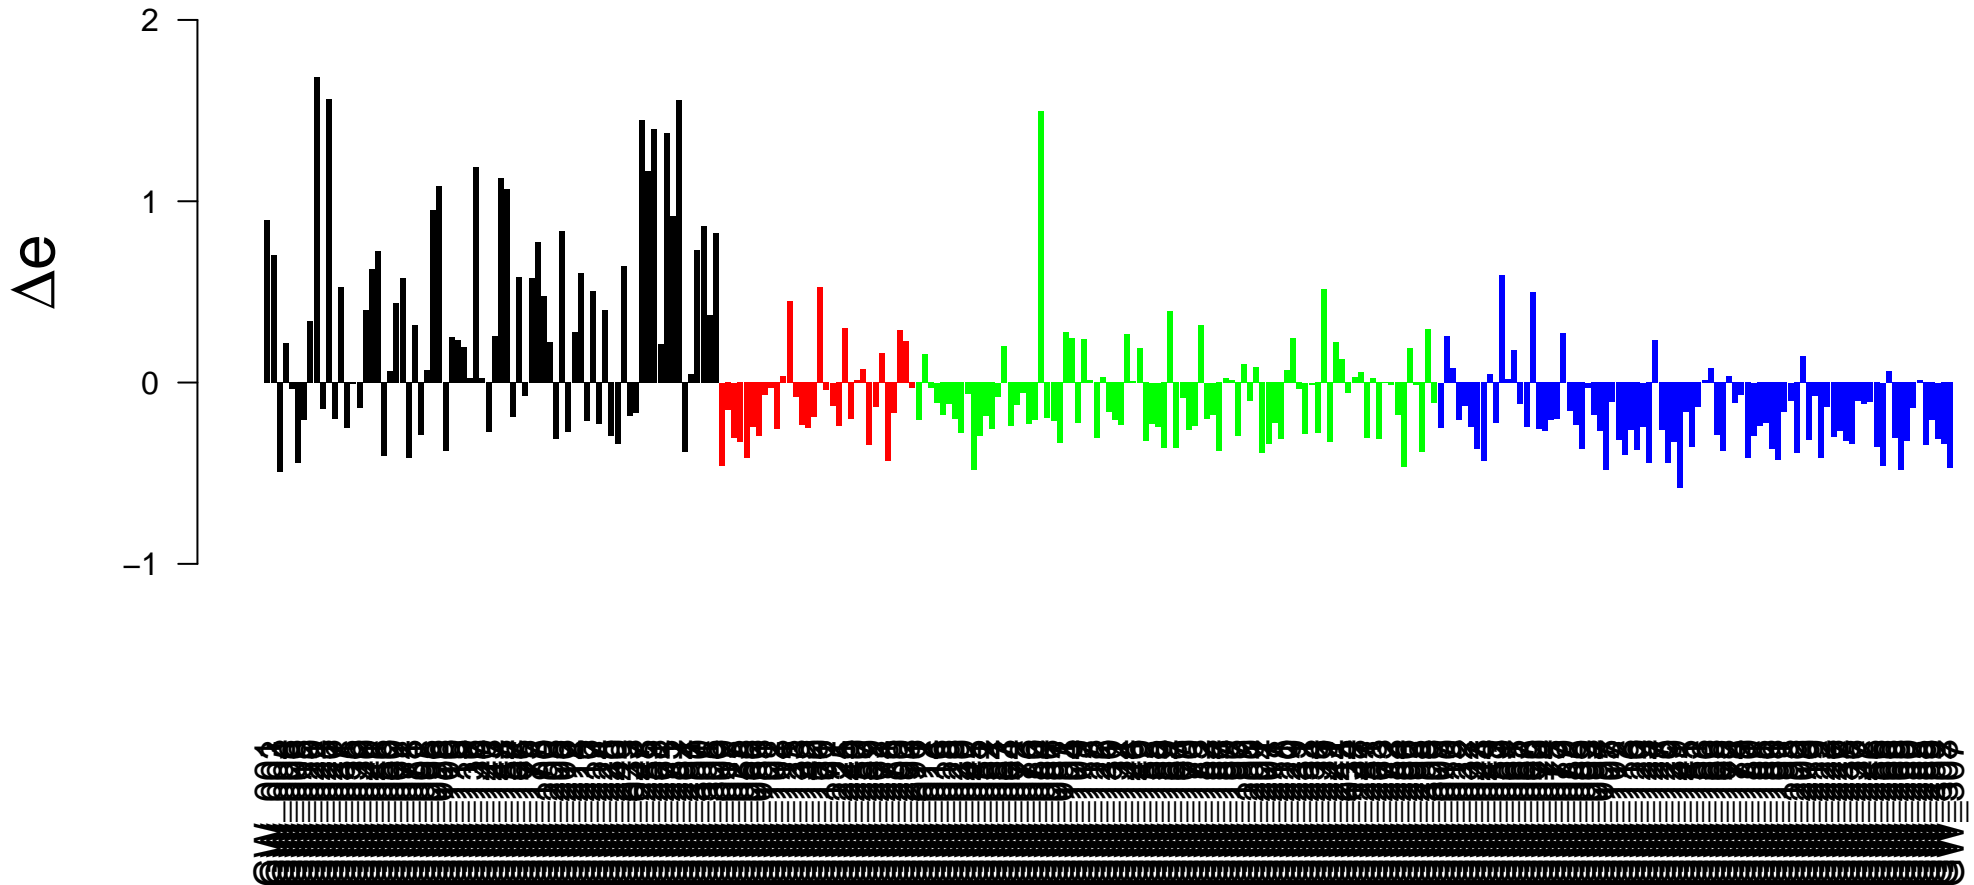

Enrichment in spots: growth factor binding

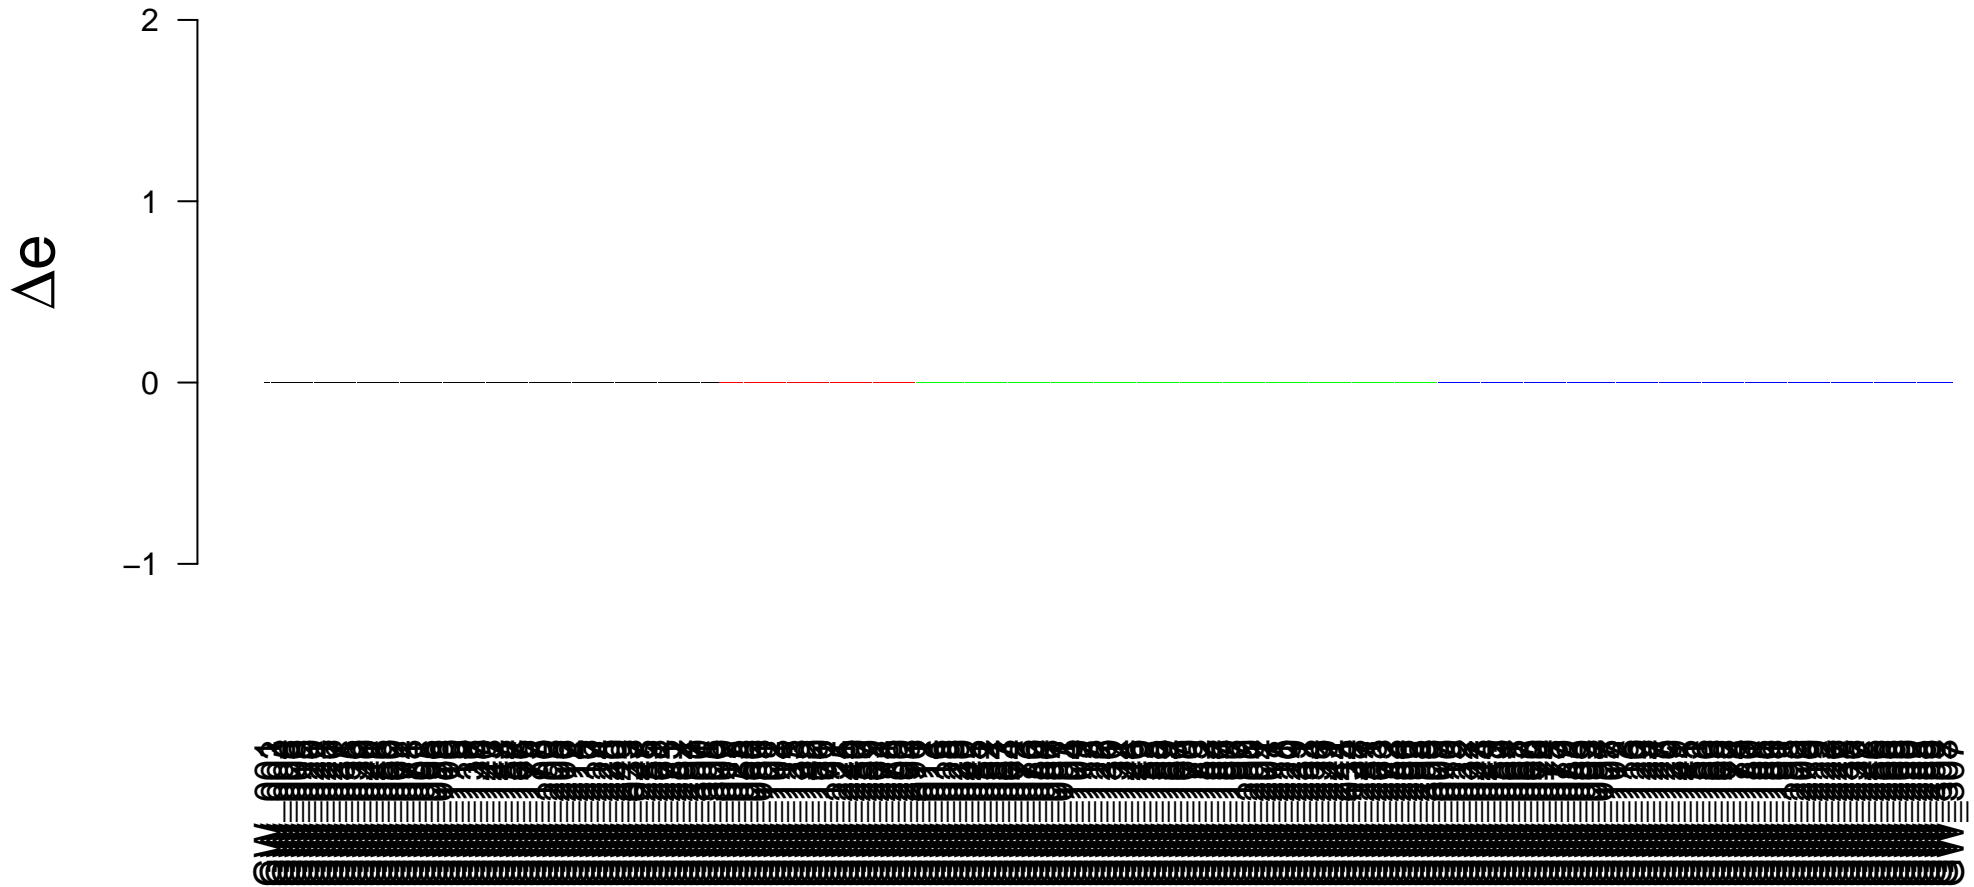

Expression of growth factor binding in Spot A

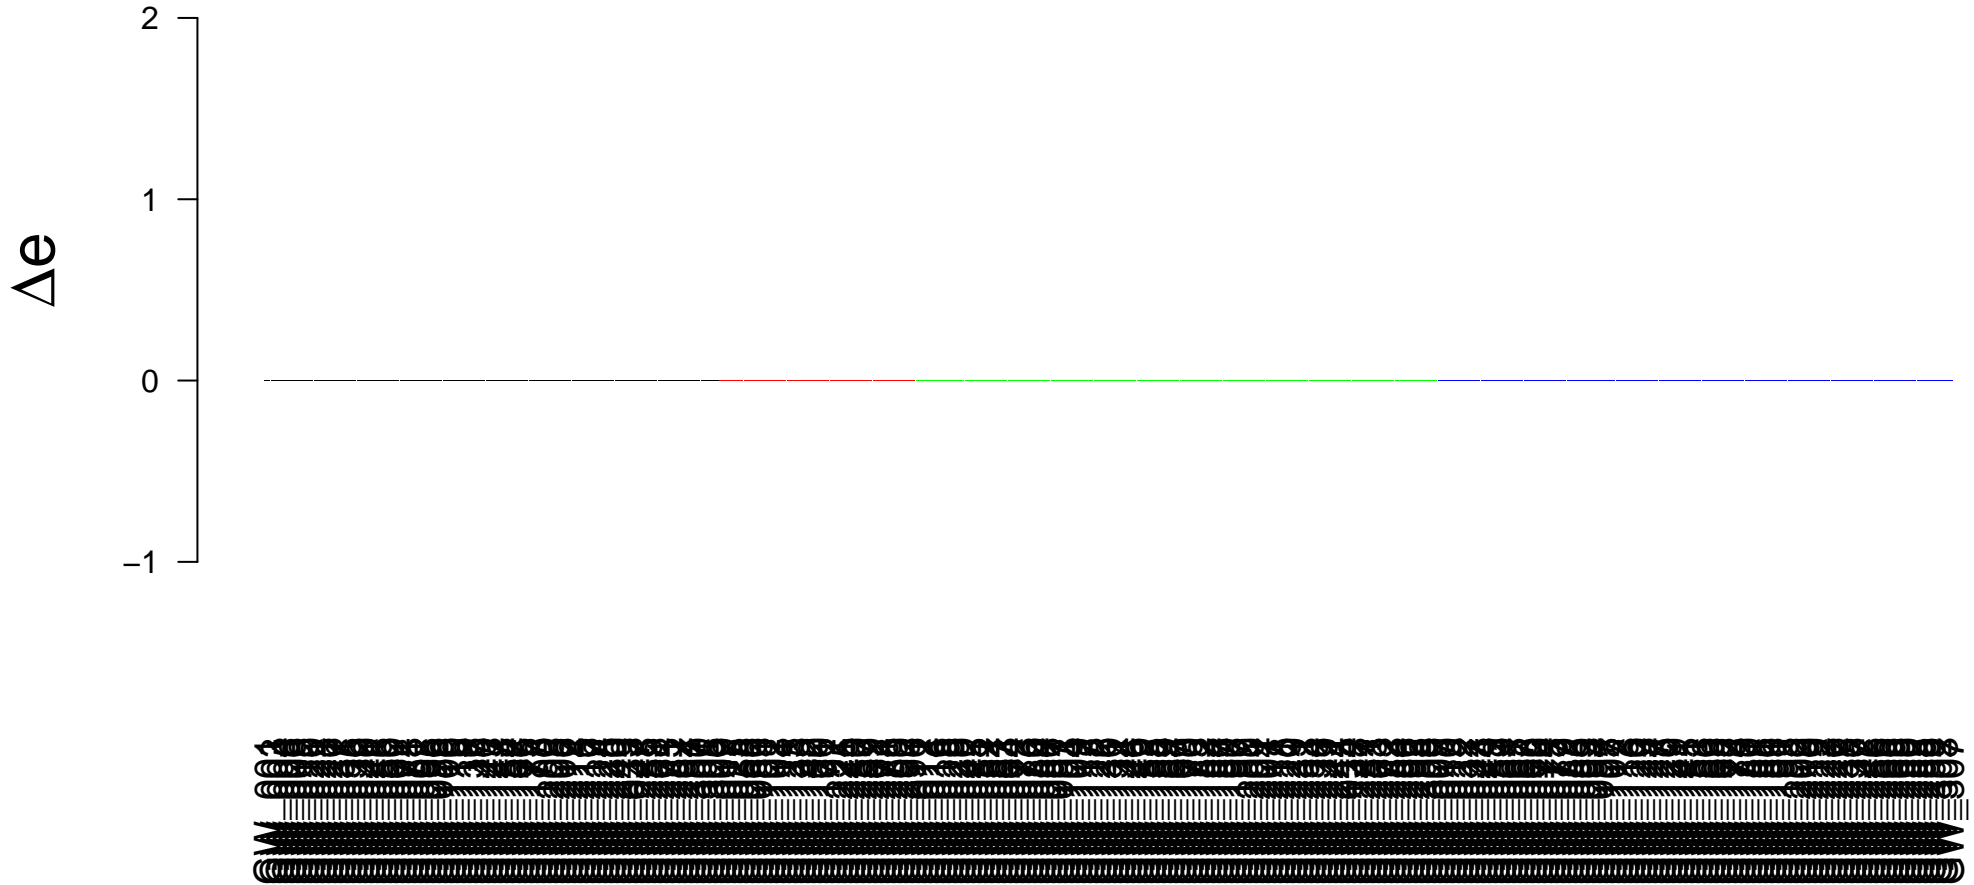

Expression of growth factor binding in Spot B

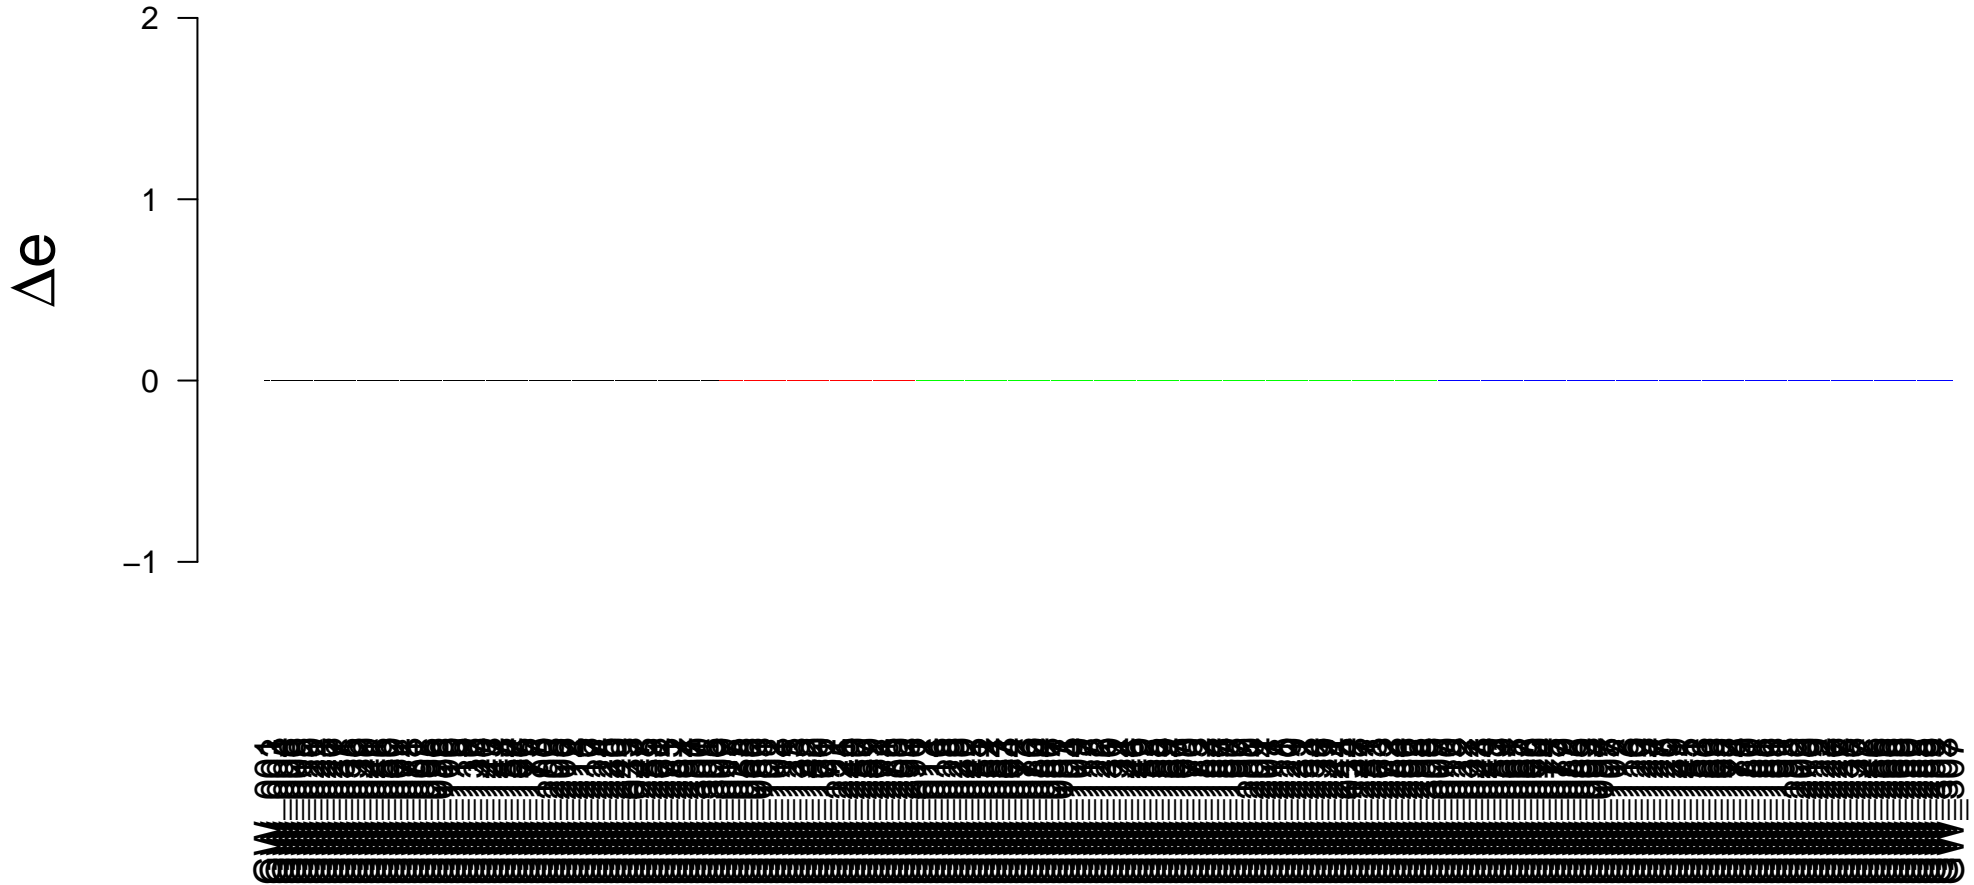

Expression of growth factor binding in Spot C

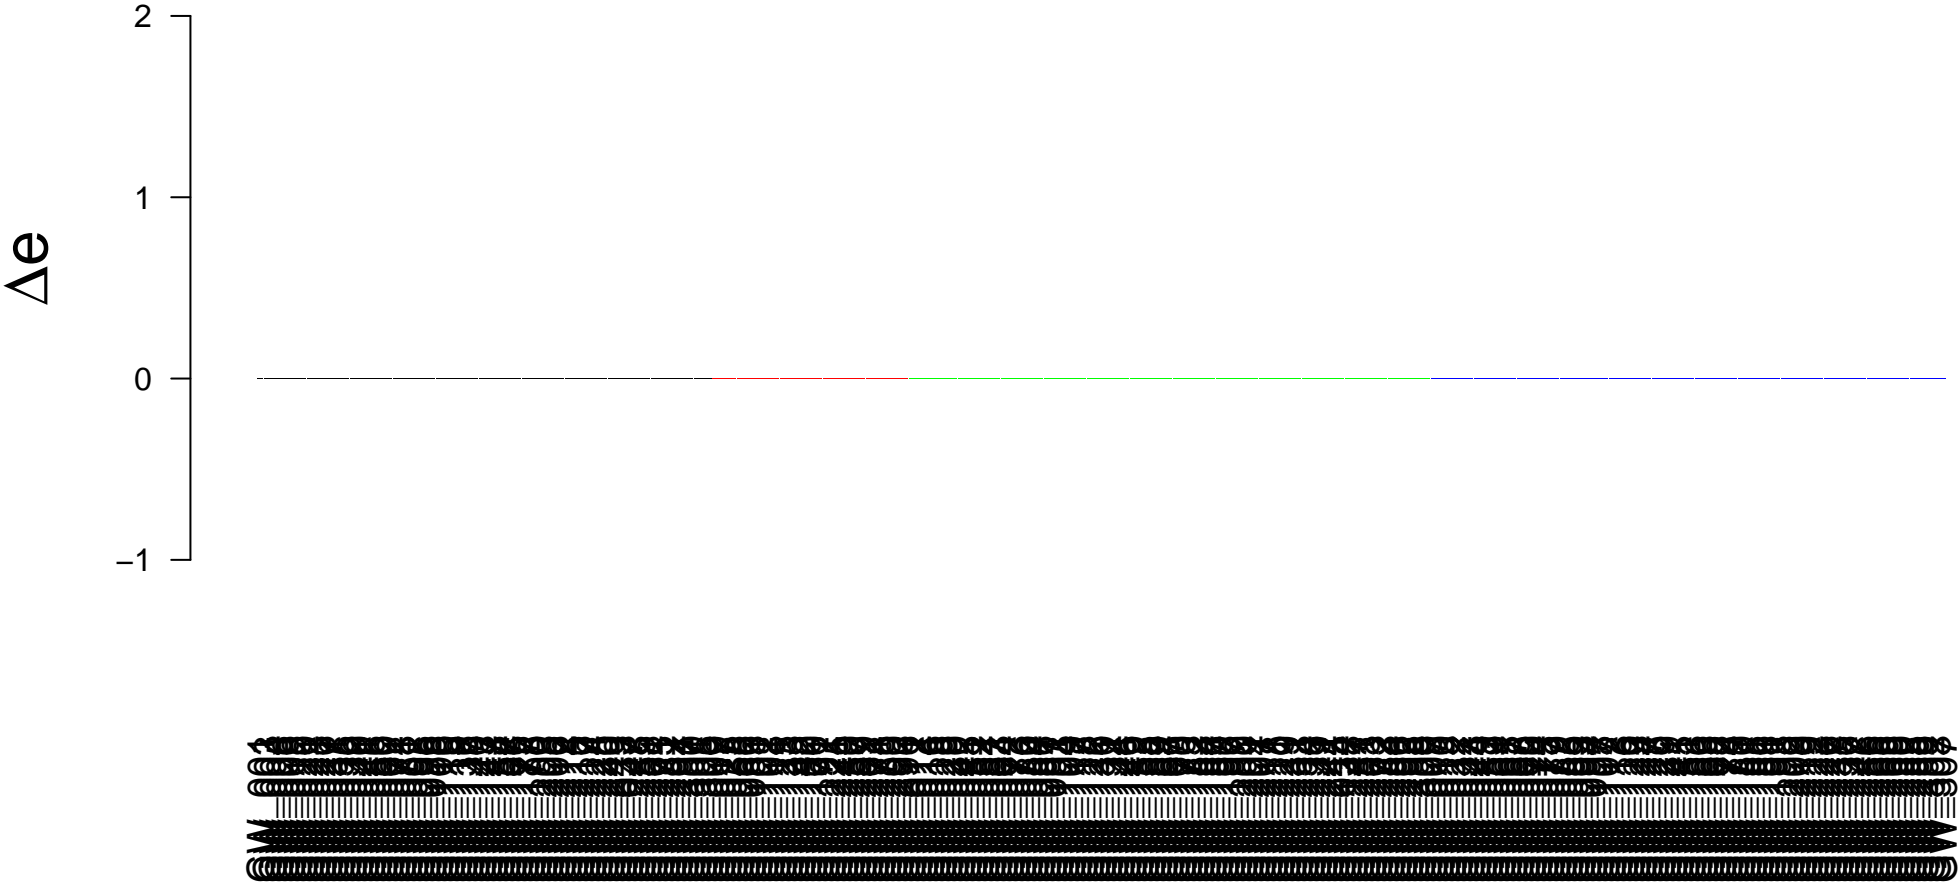

Expression of growth factor binding in Spot D

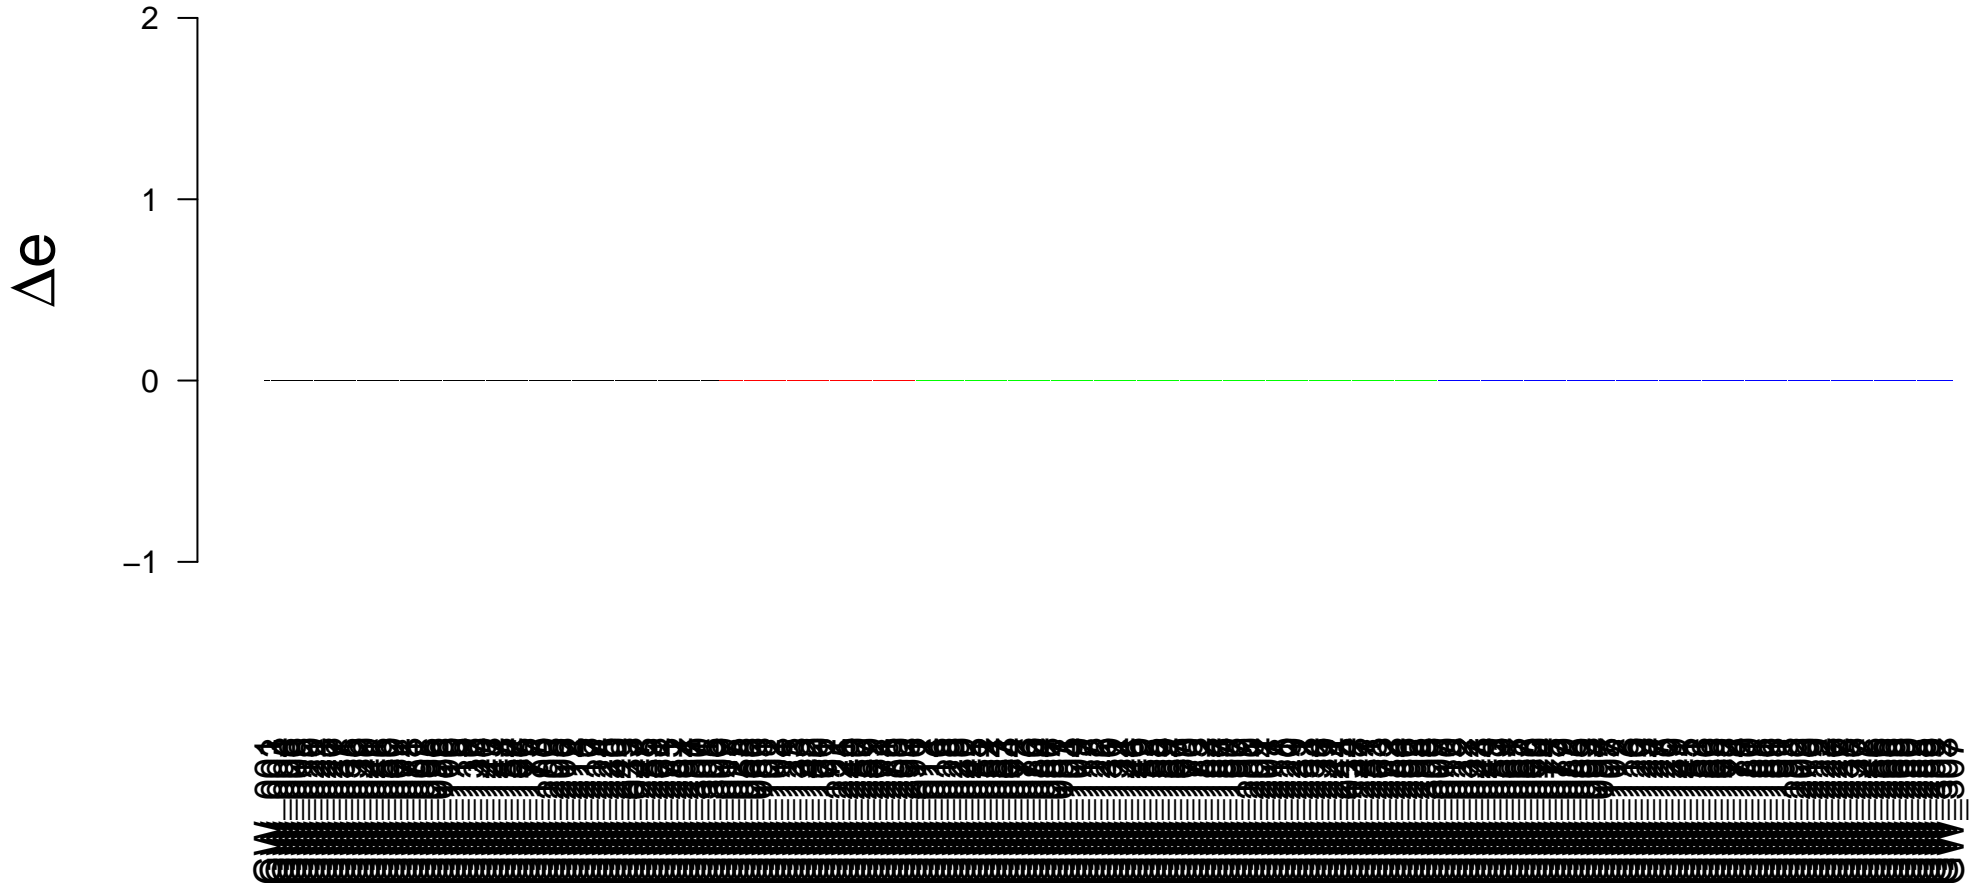

Expression of growth factor binding in Spot E

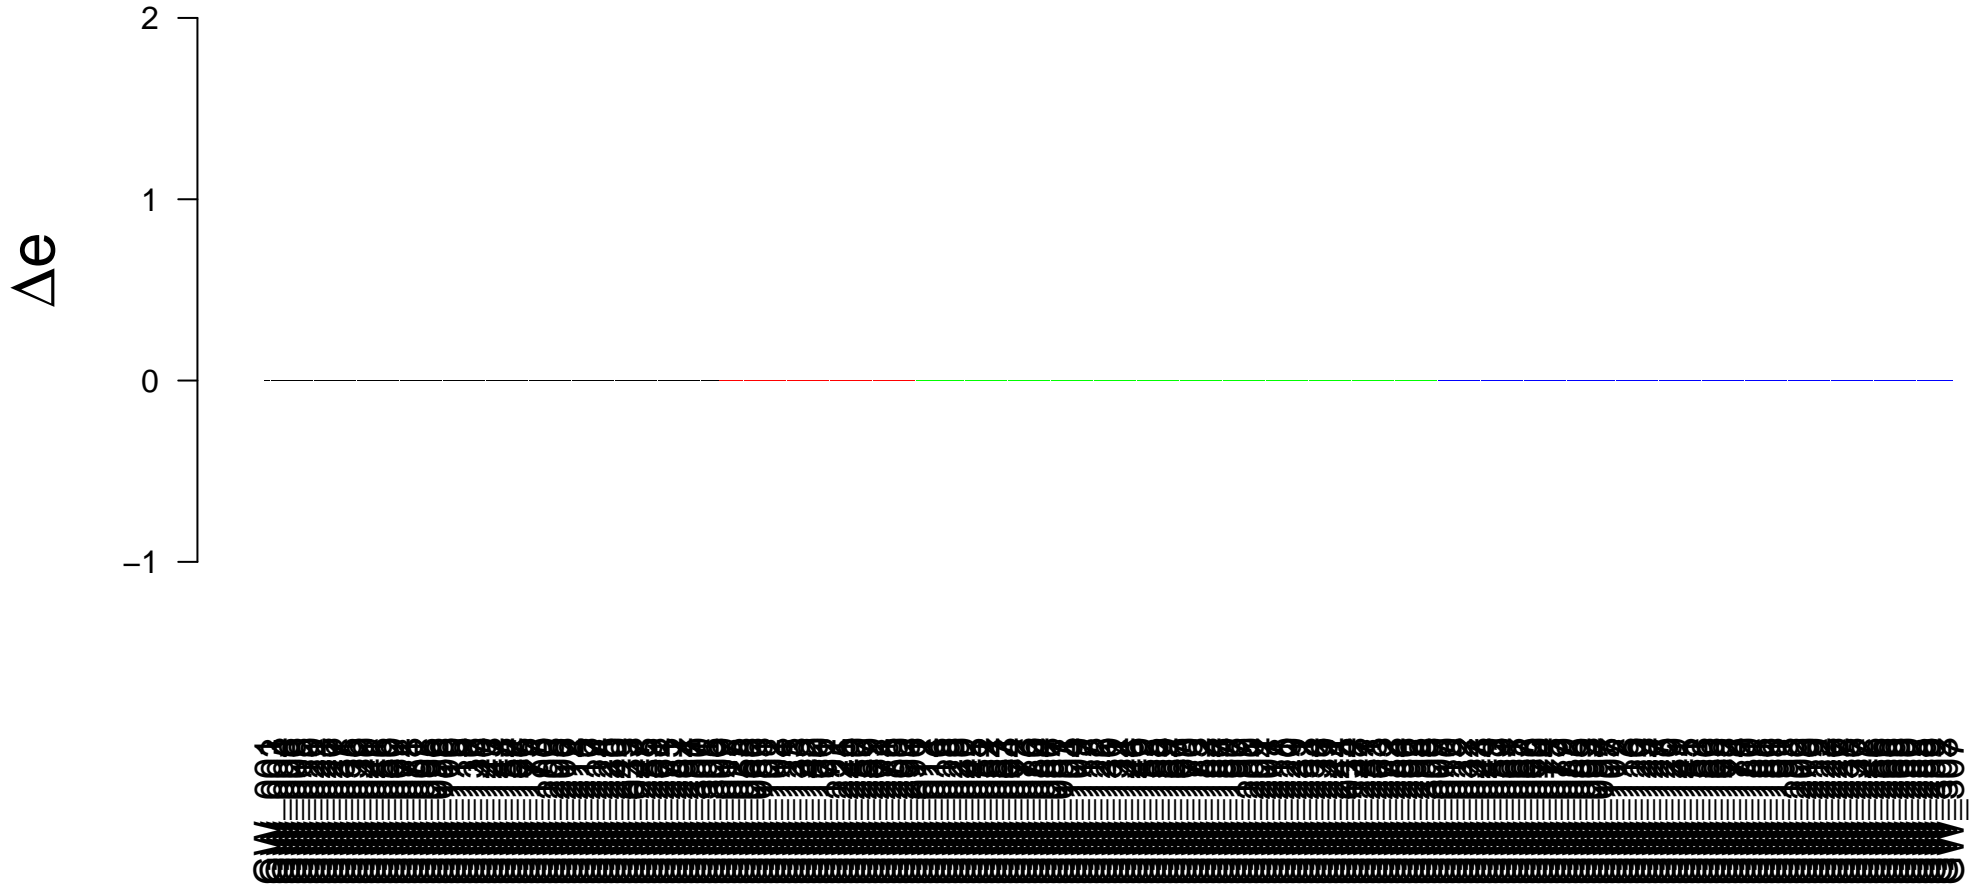

Expression of growth factor binding in Spot F

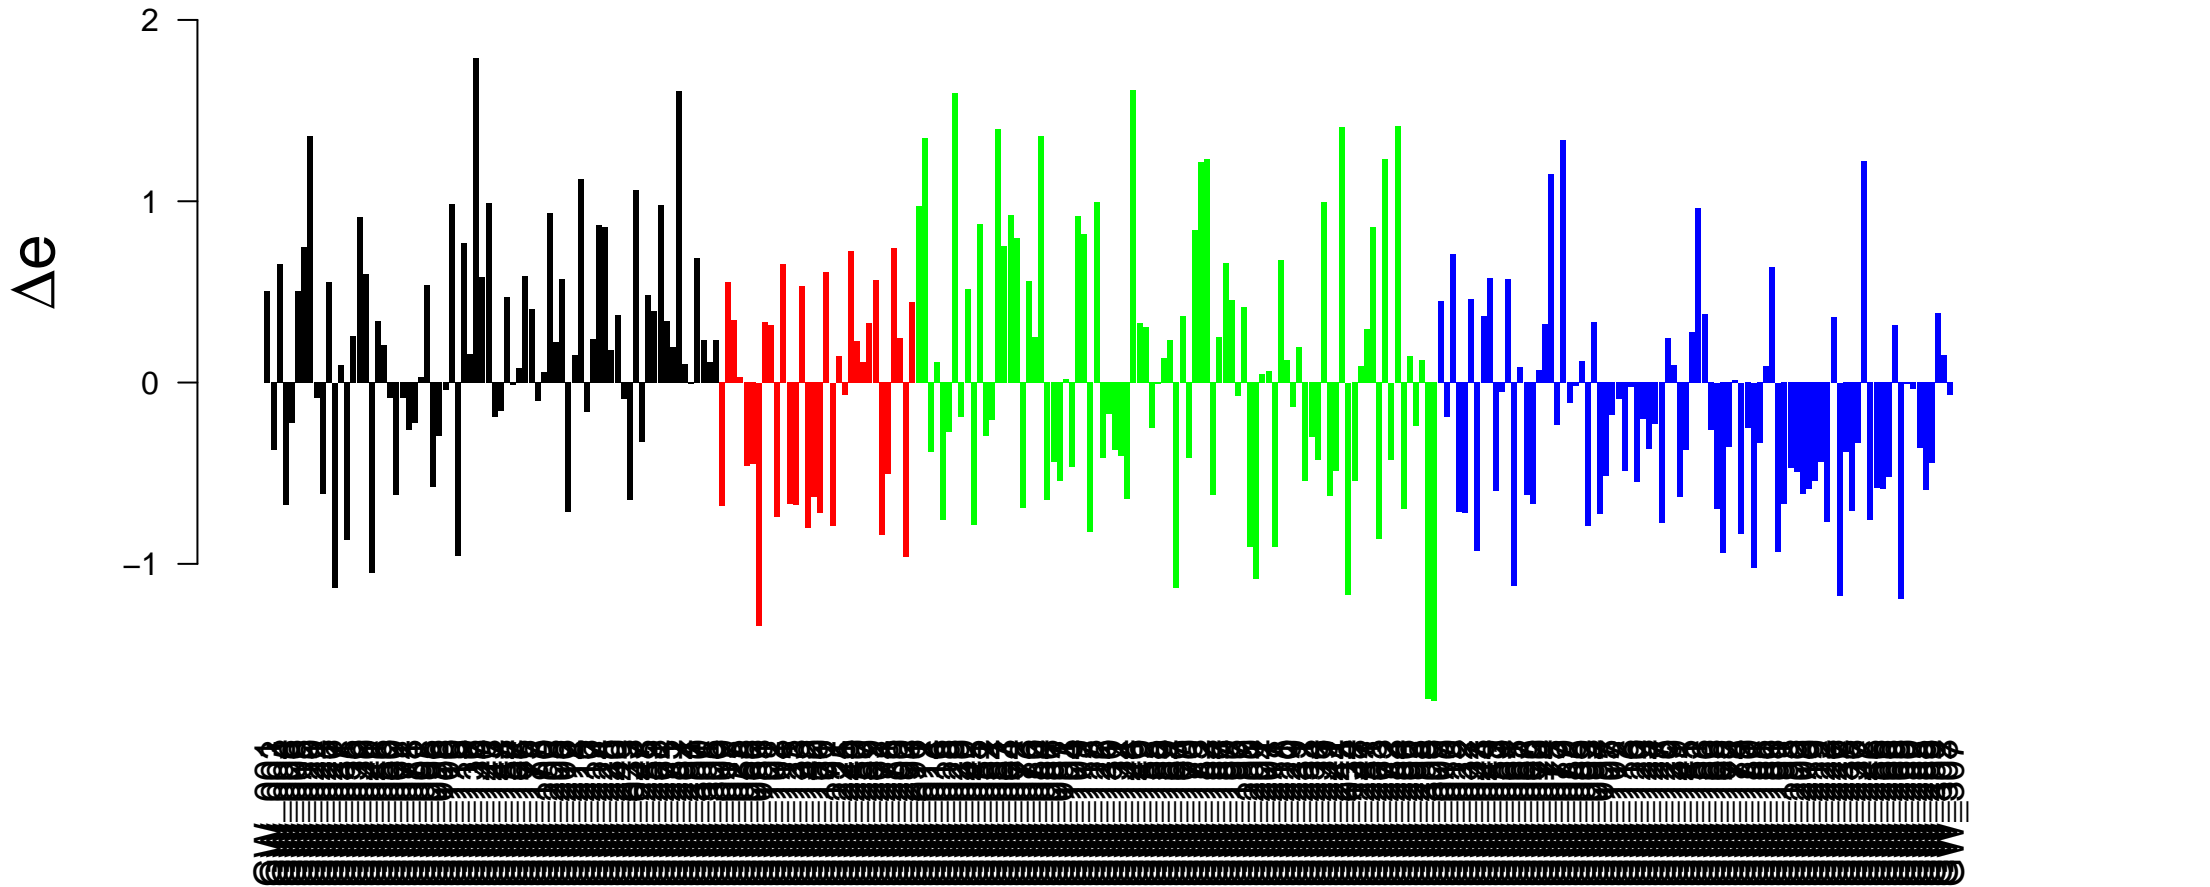

Expression of growth factor binding in Spot G

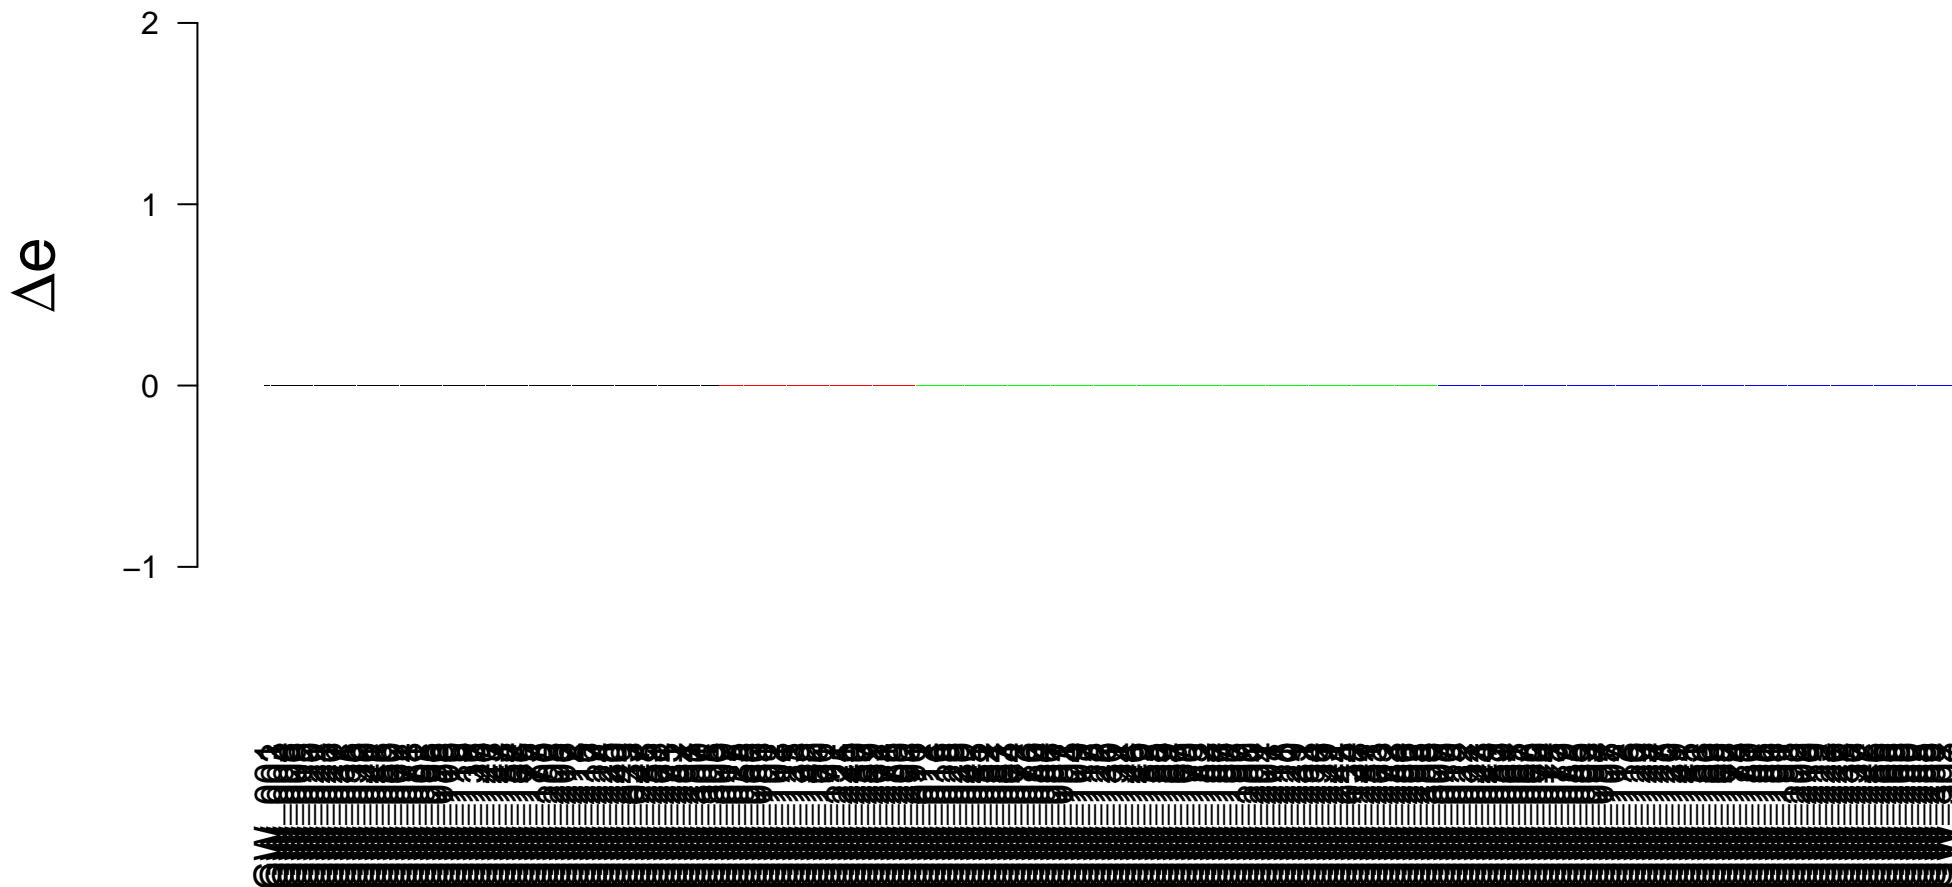

Expression of growth factor binding in Spot H

Expression of growth factor binding in Spot I

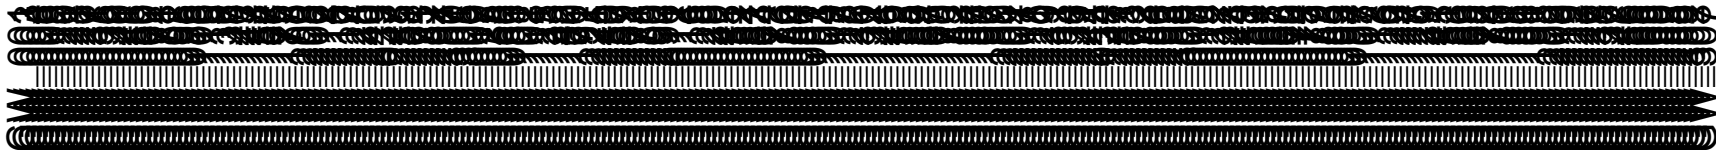

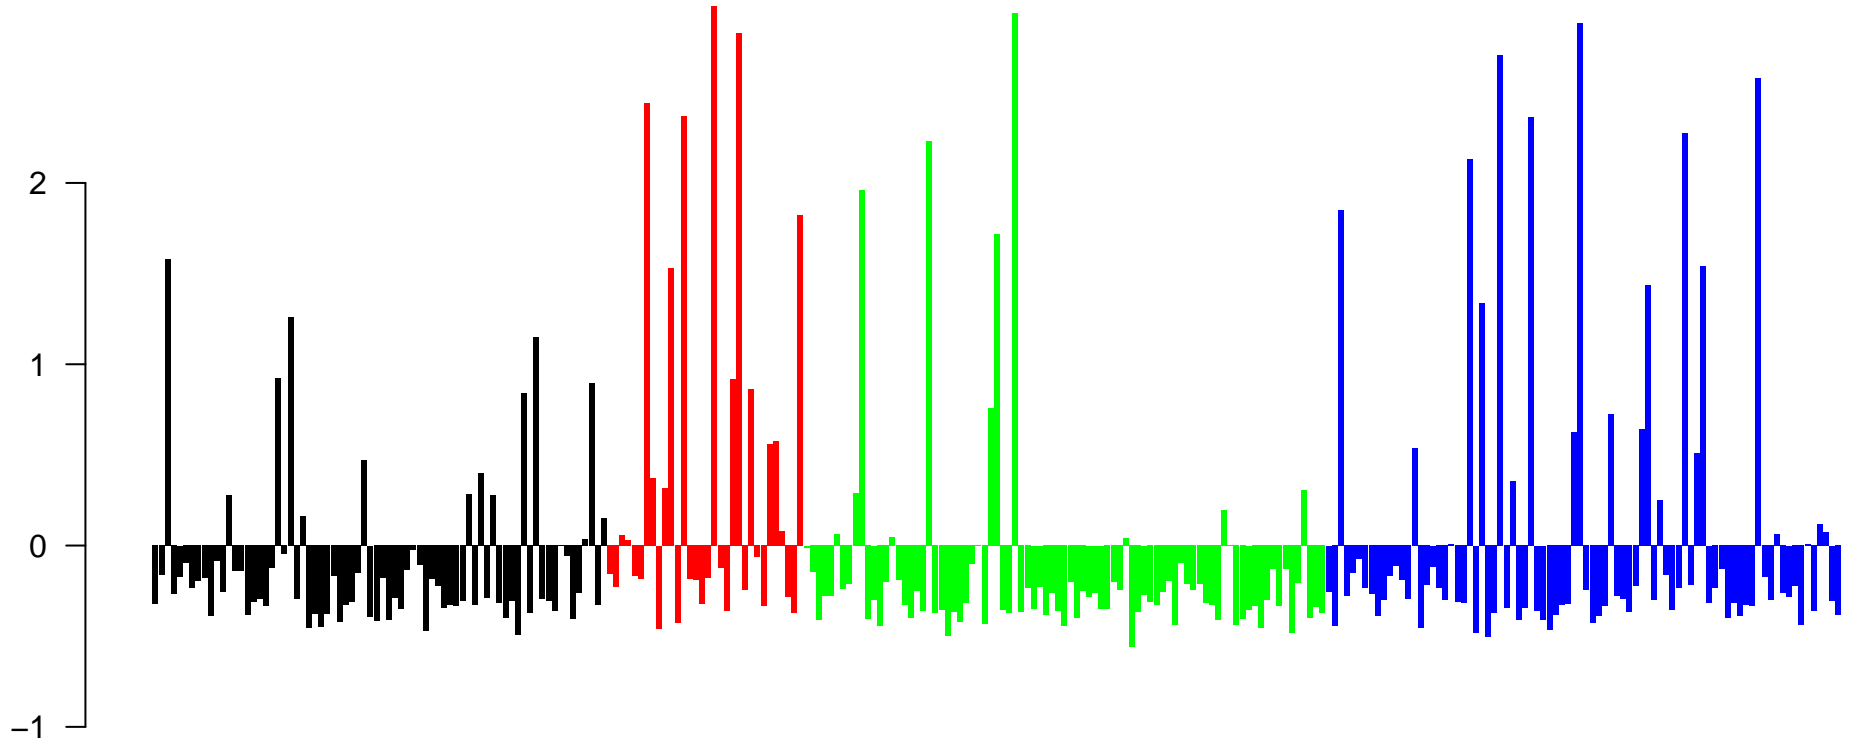

Expression of growth factor binding in Spot J

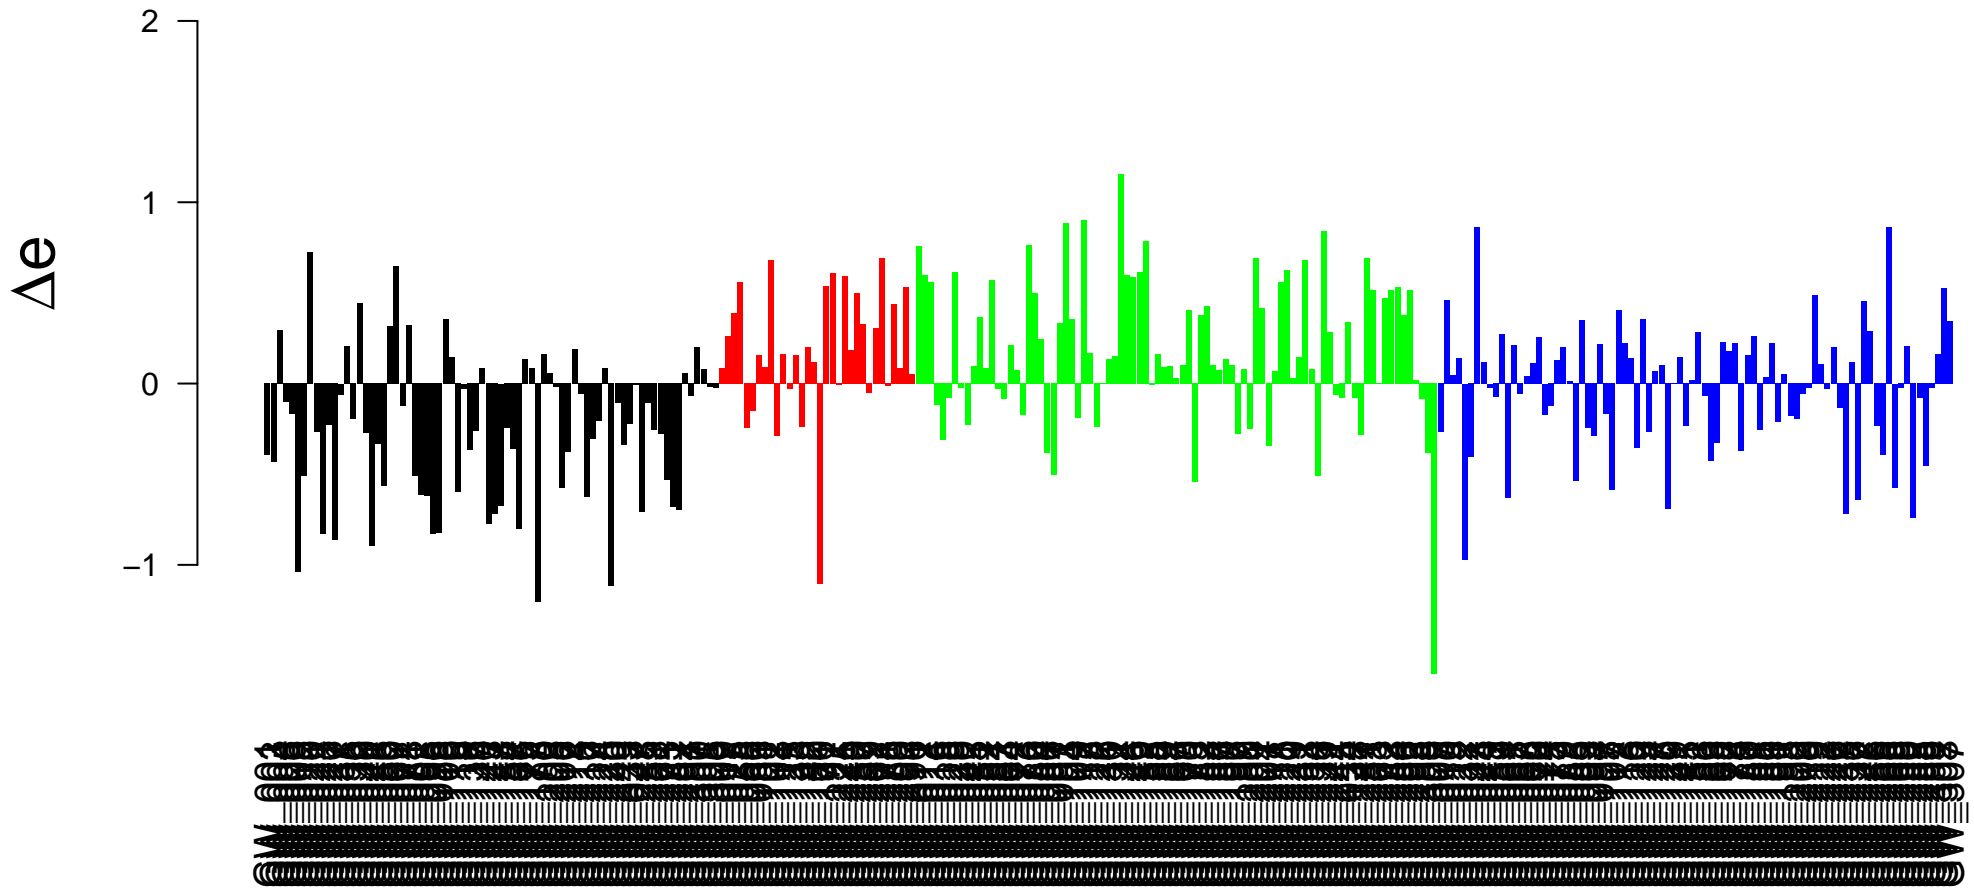

Expression of growth factor binding in Spot K

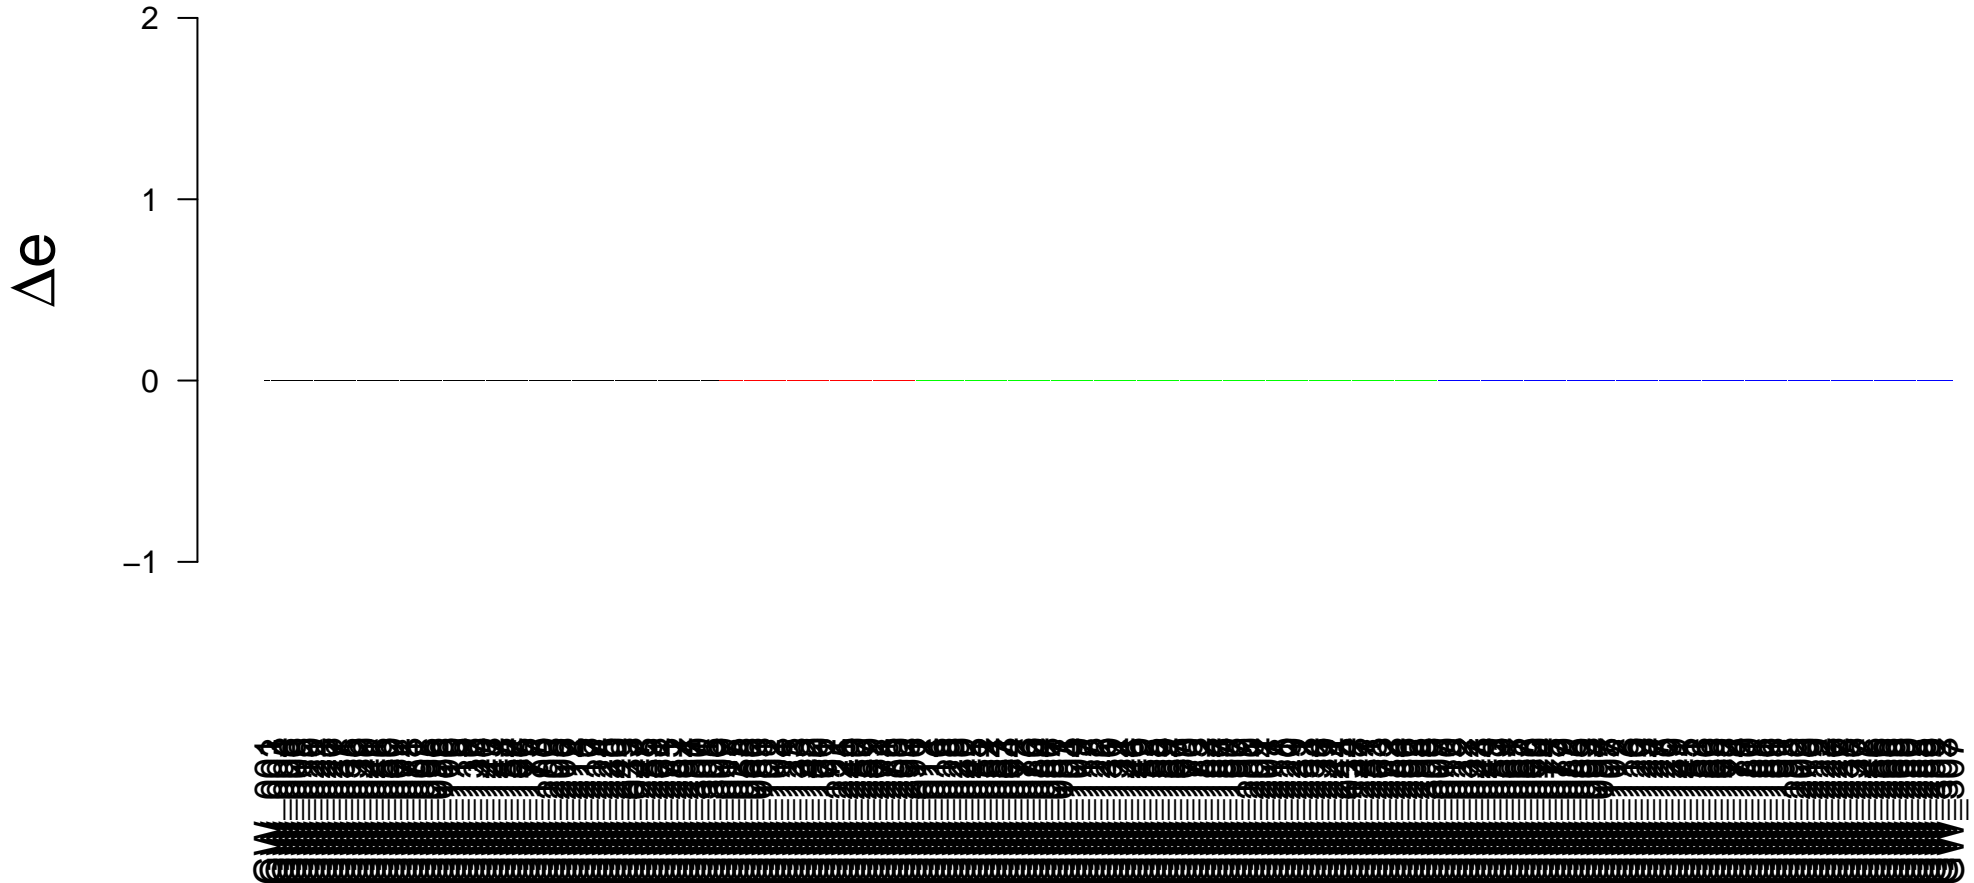

Δe

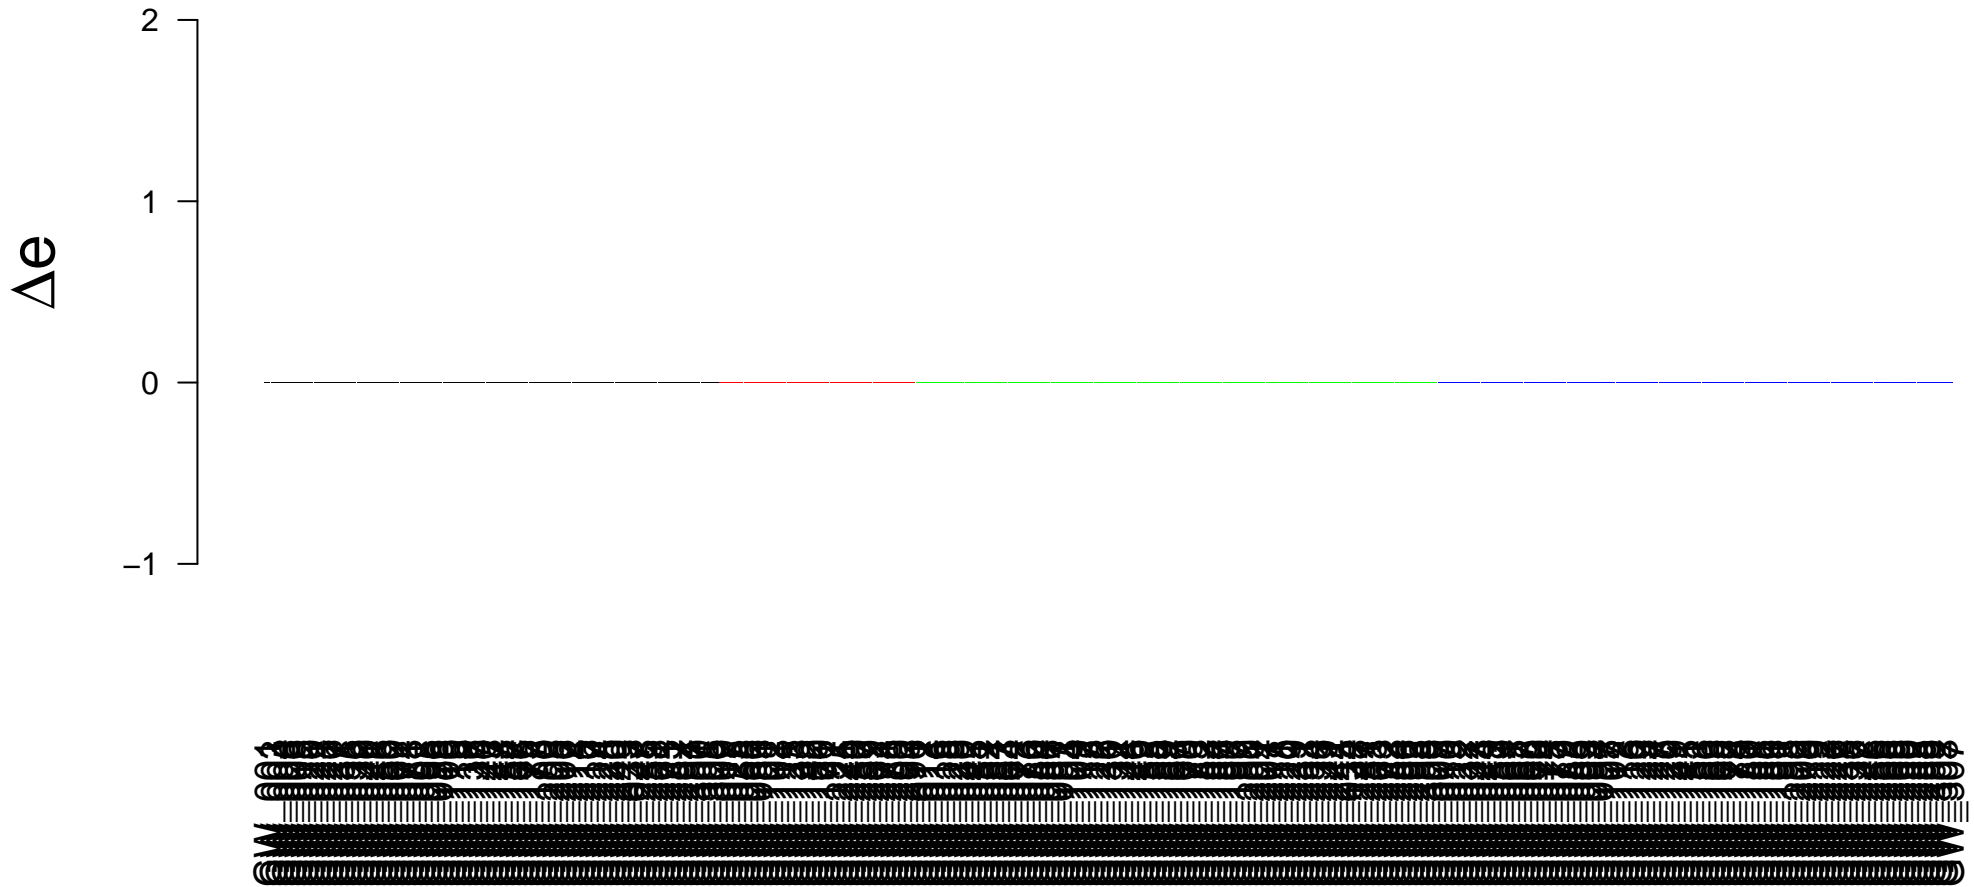

Expression of growth factor binding in Spot L

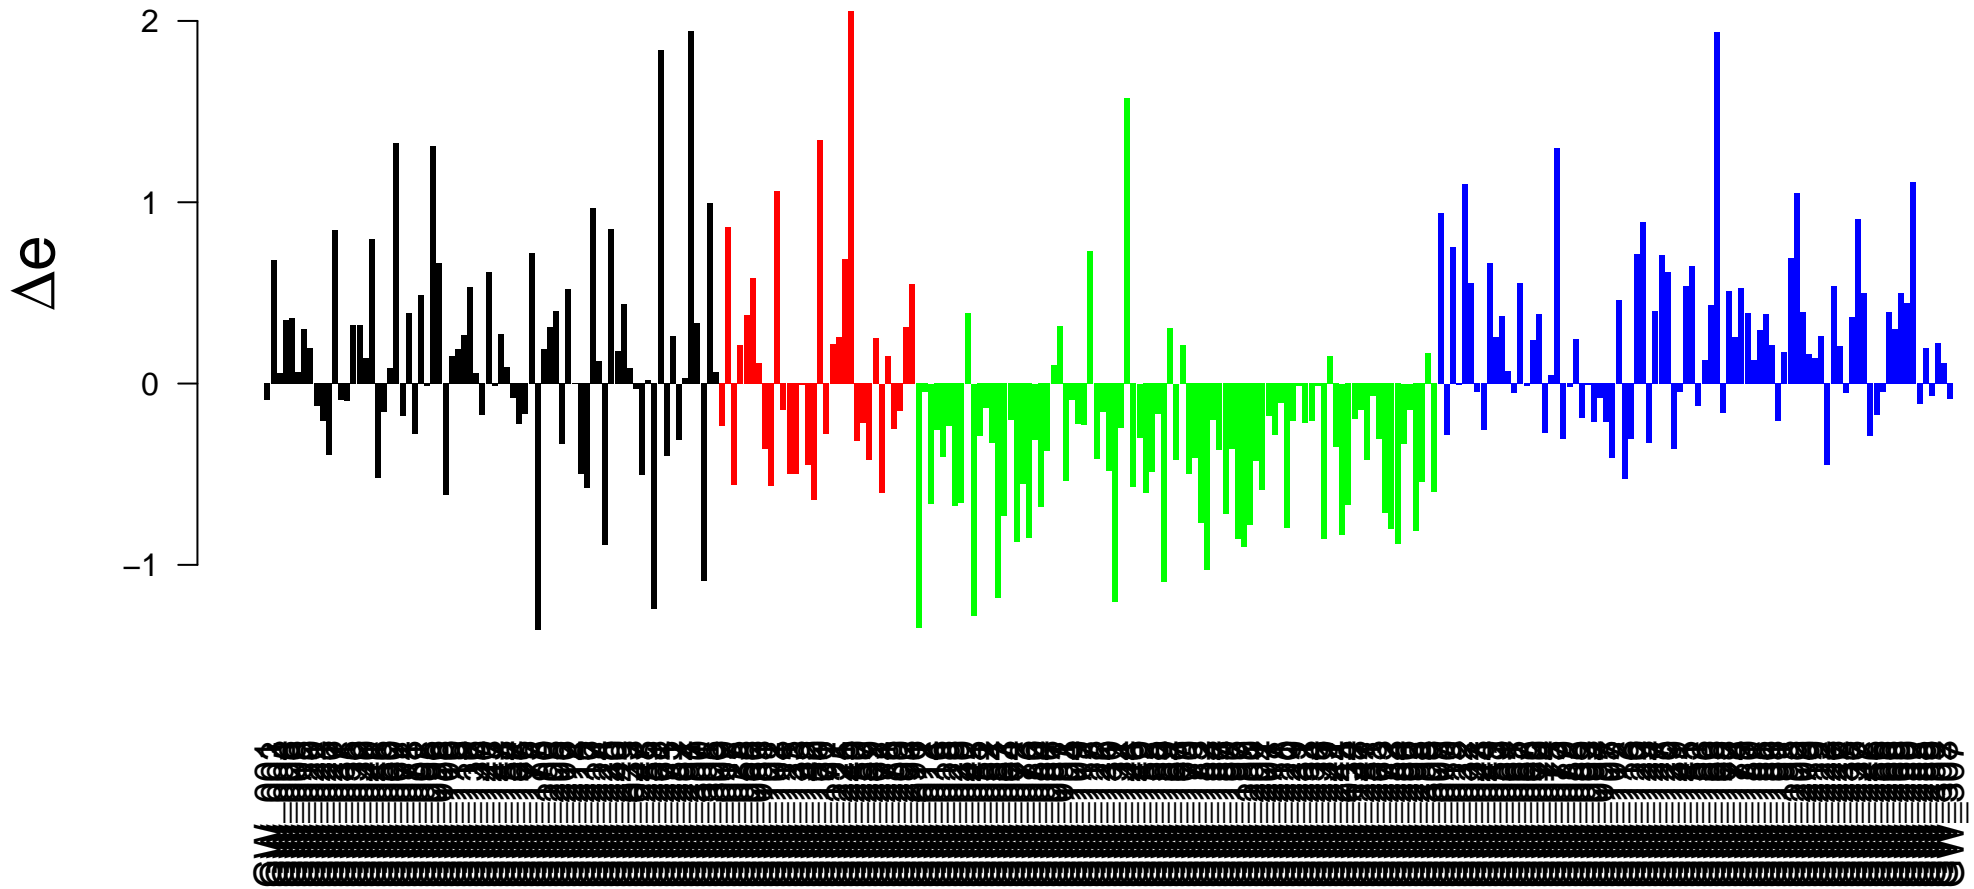

Expression of growth factor binding in Spot M

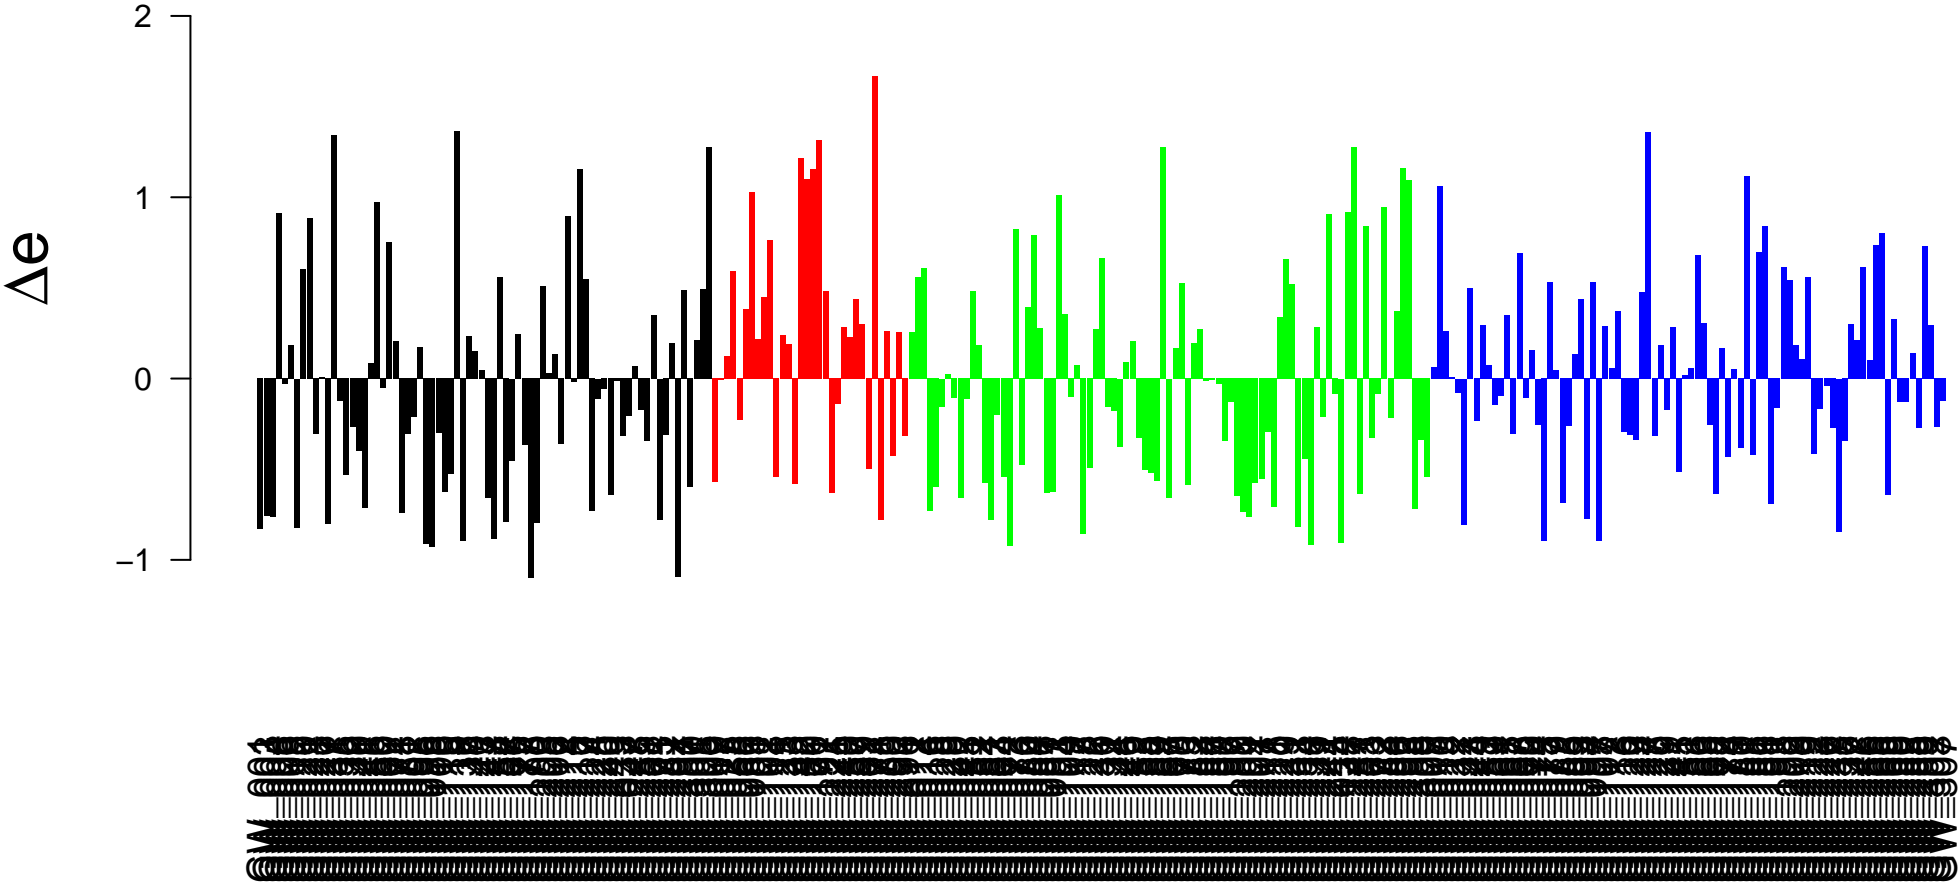

Expression of growth factor binding in Spot N

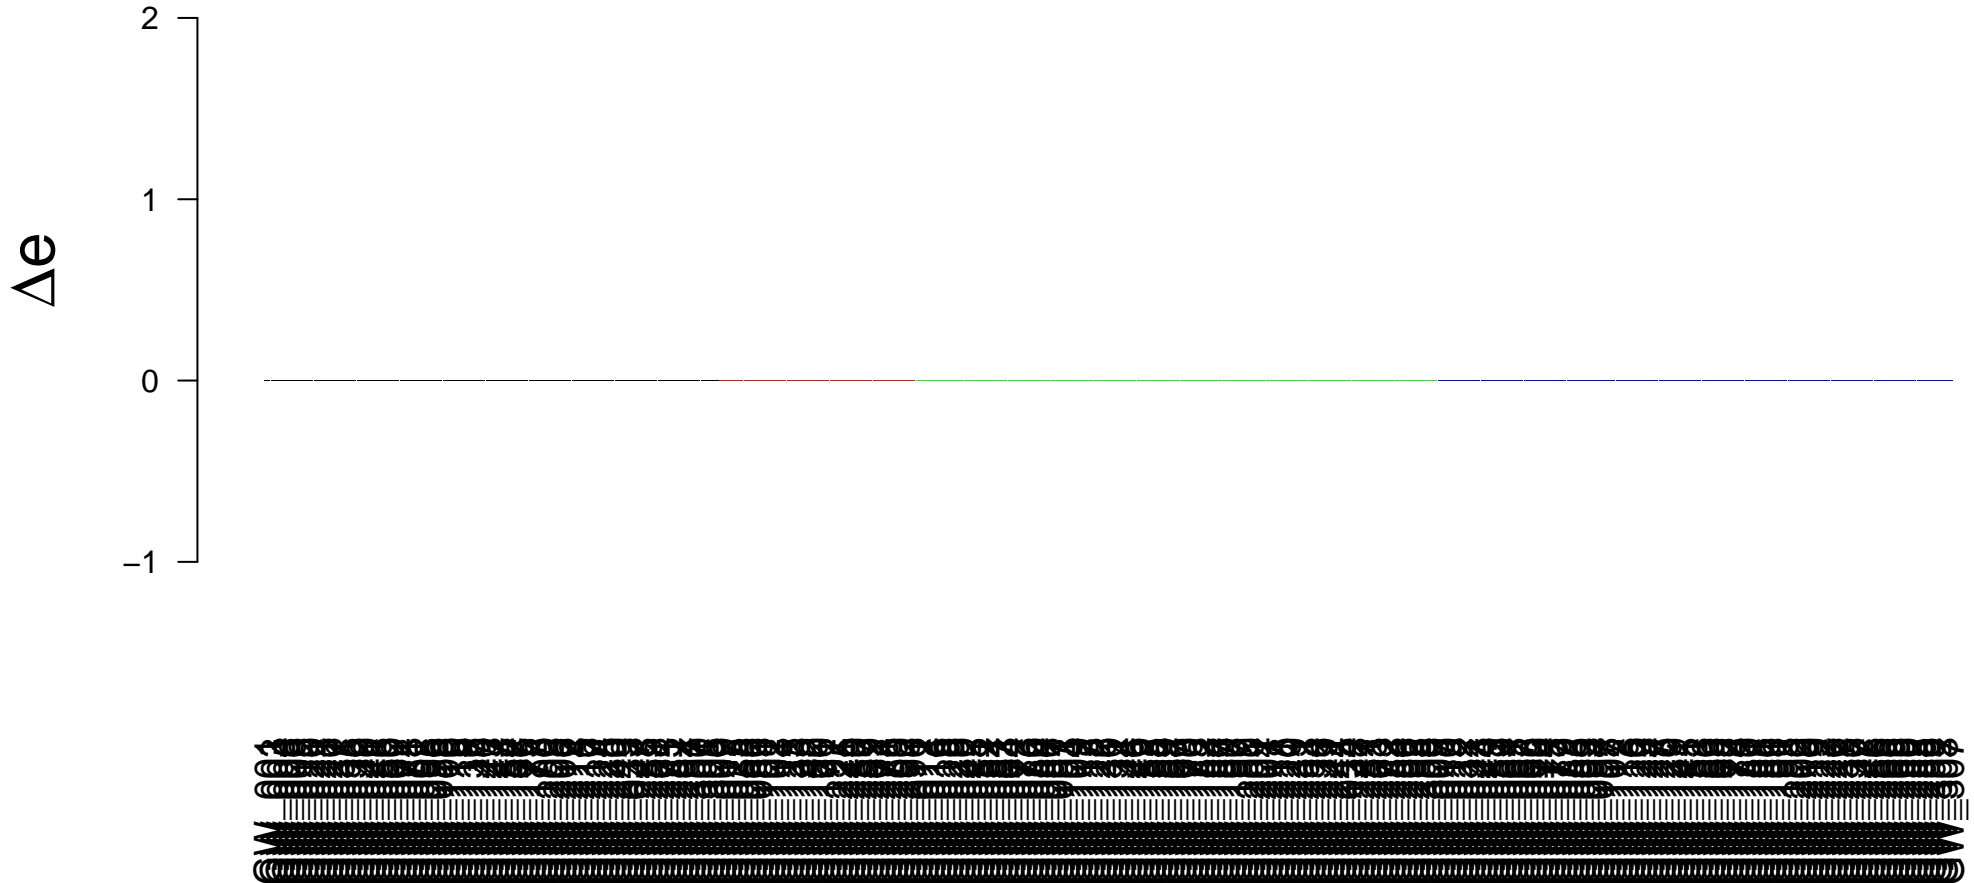

Expression of growth factor binding in Spot O

Expression of growth factor binding in Spot P

Expression of growth factor binding in Spot Q

Expression of growth factor binding in Spot R
