

guanylate kinase activity

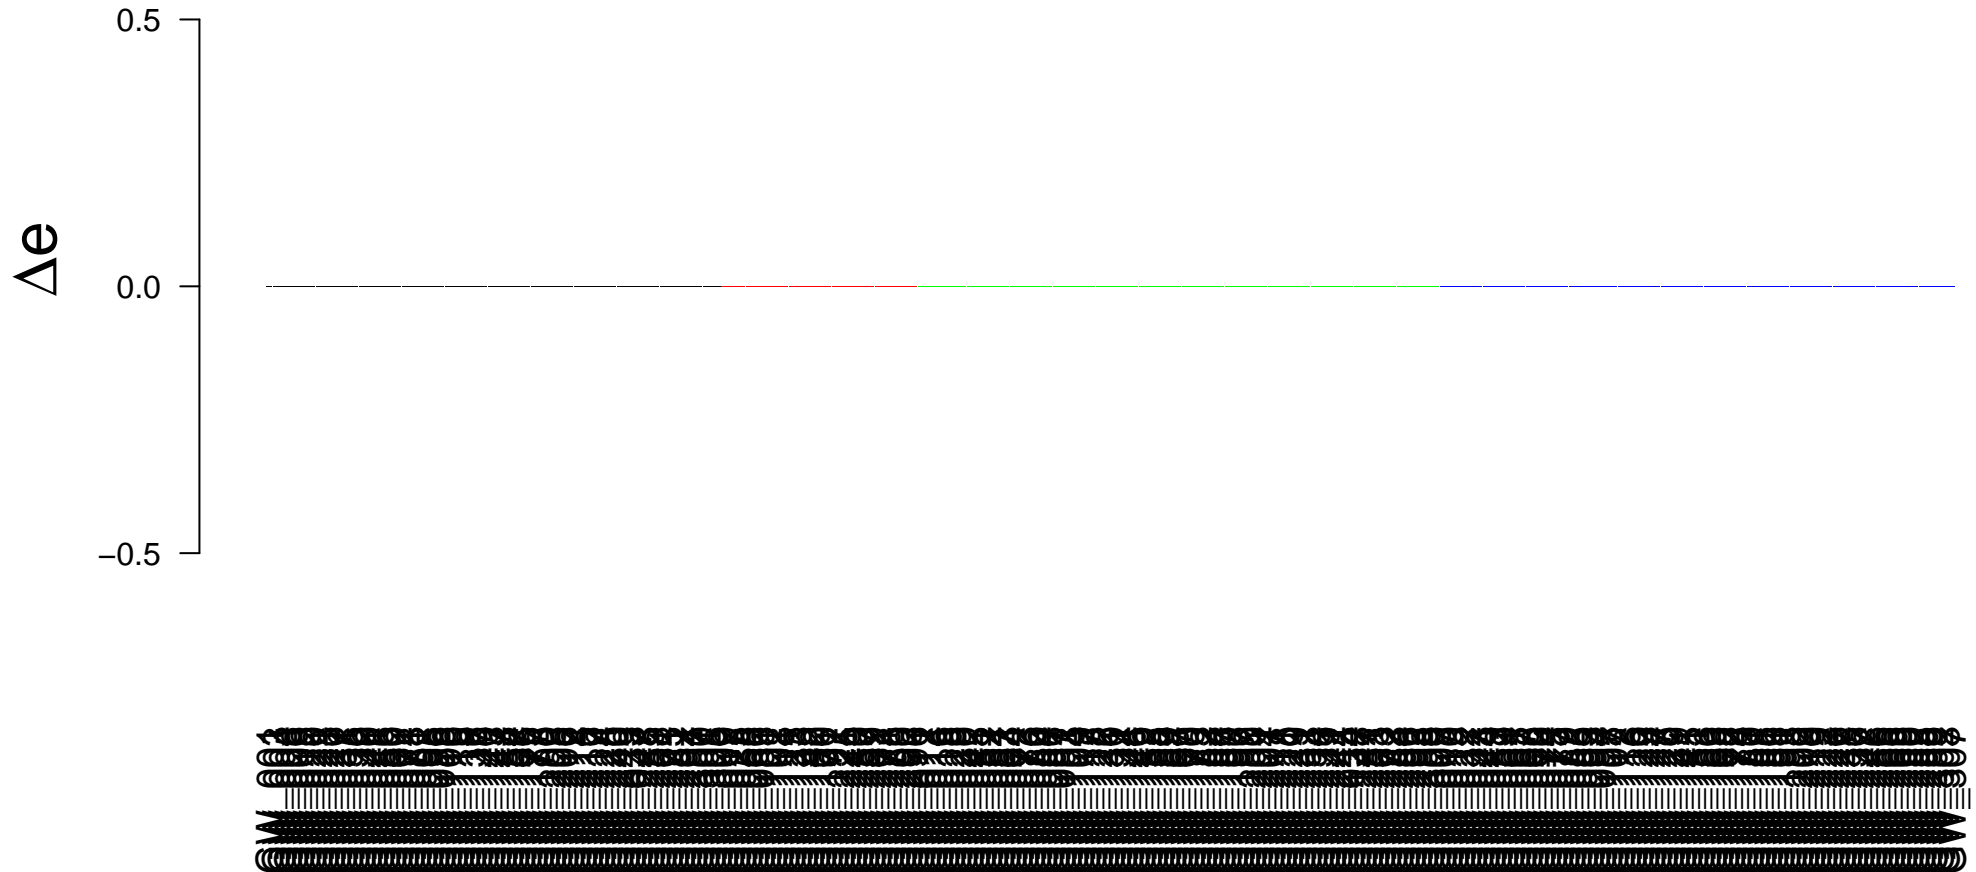

guanylate kinase activity

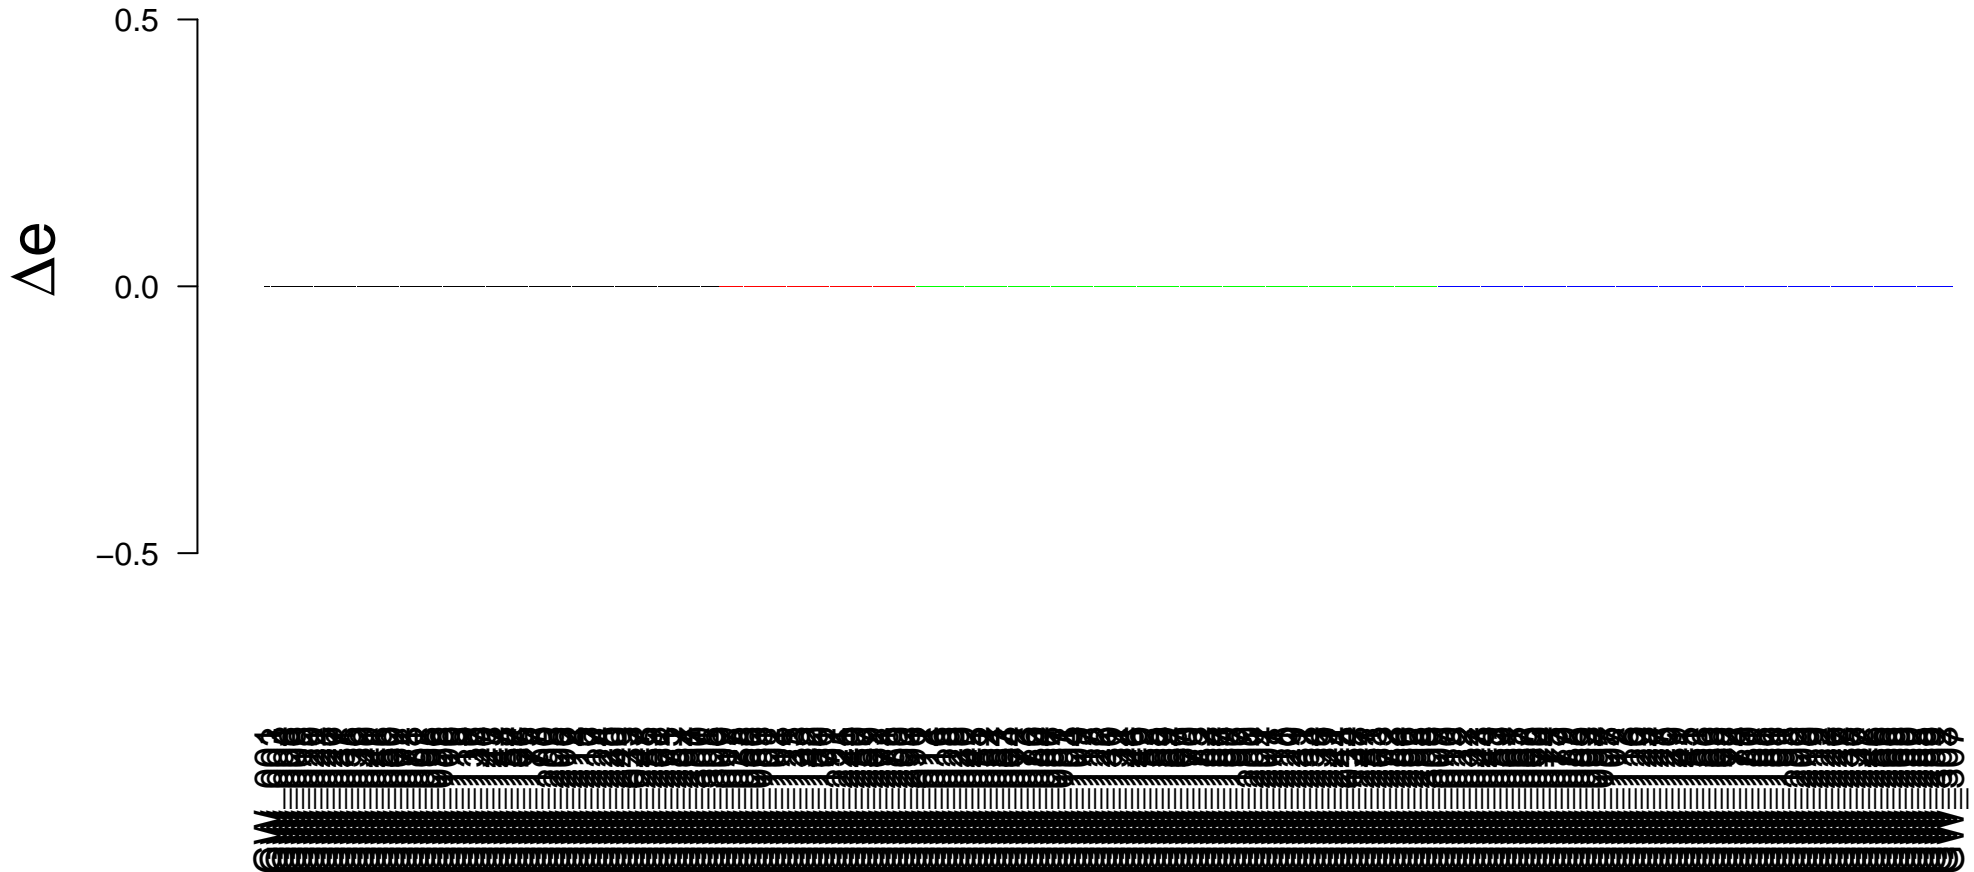

Enrichment in spots: guanylate kinase activity

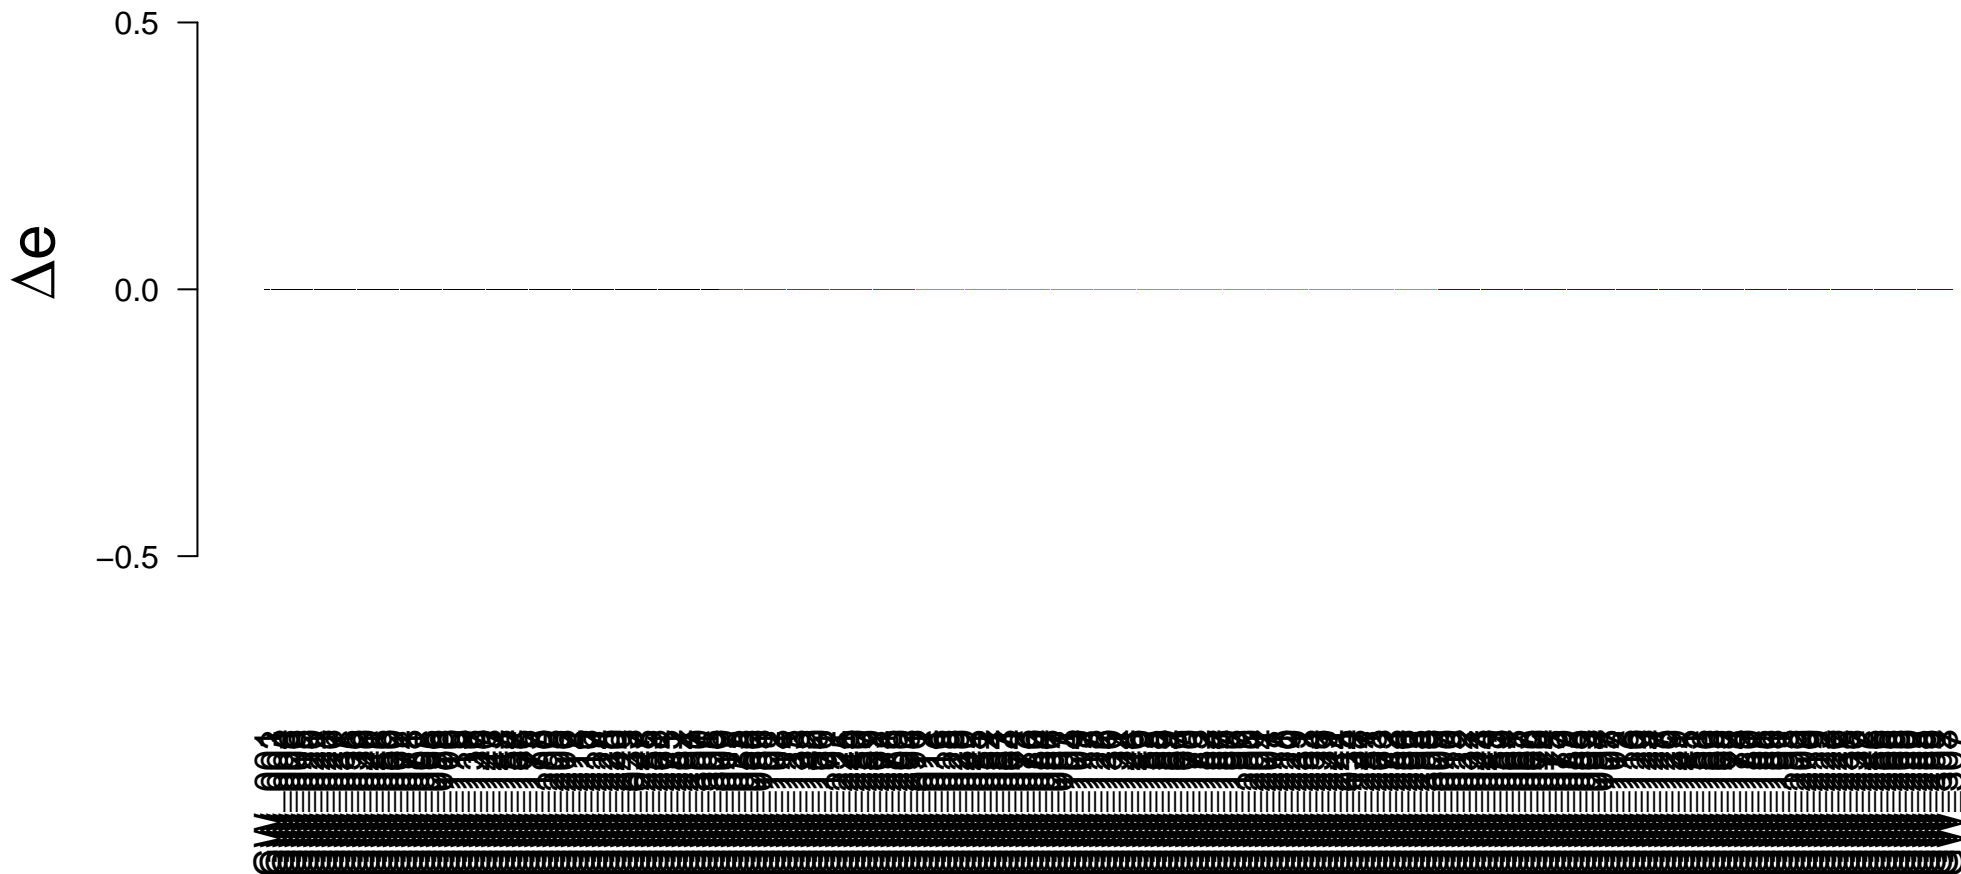

Expression of guanylate kinase activity in Spot A

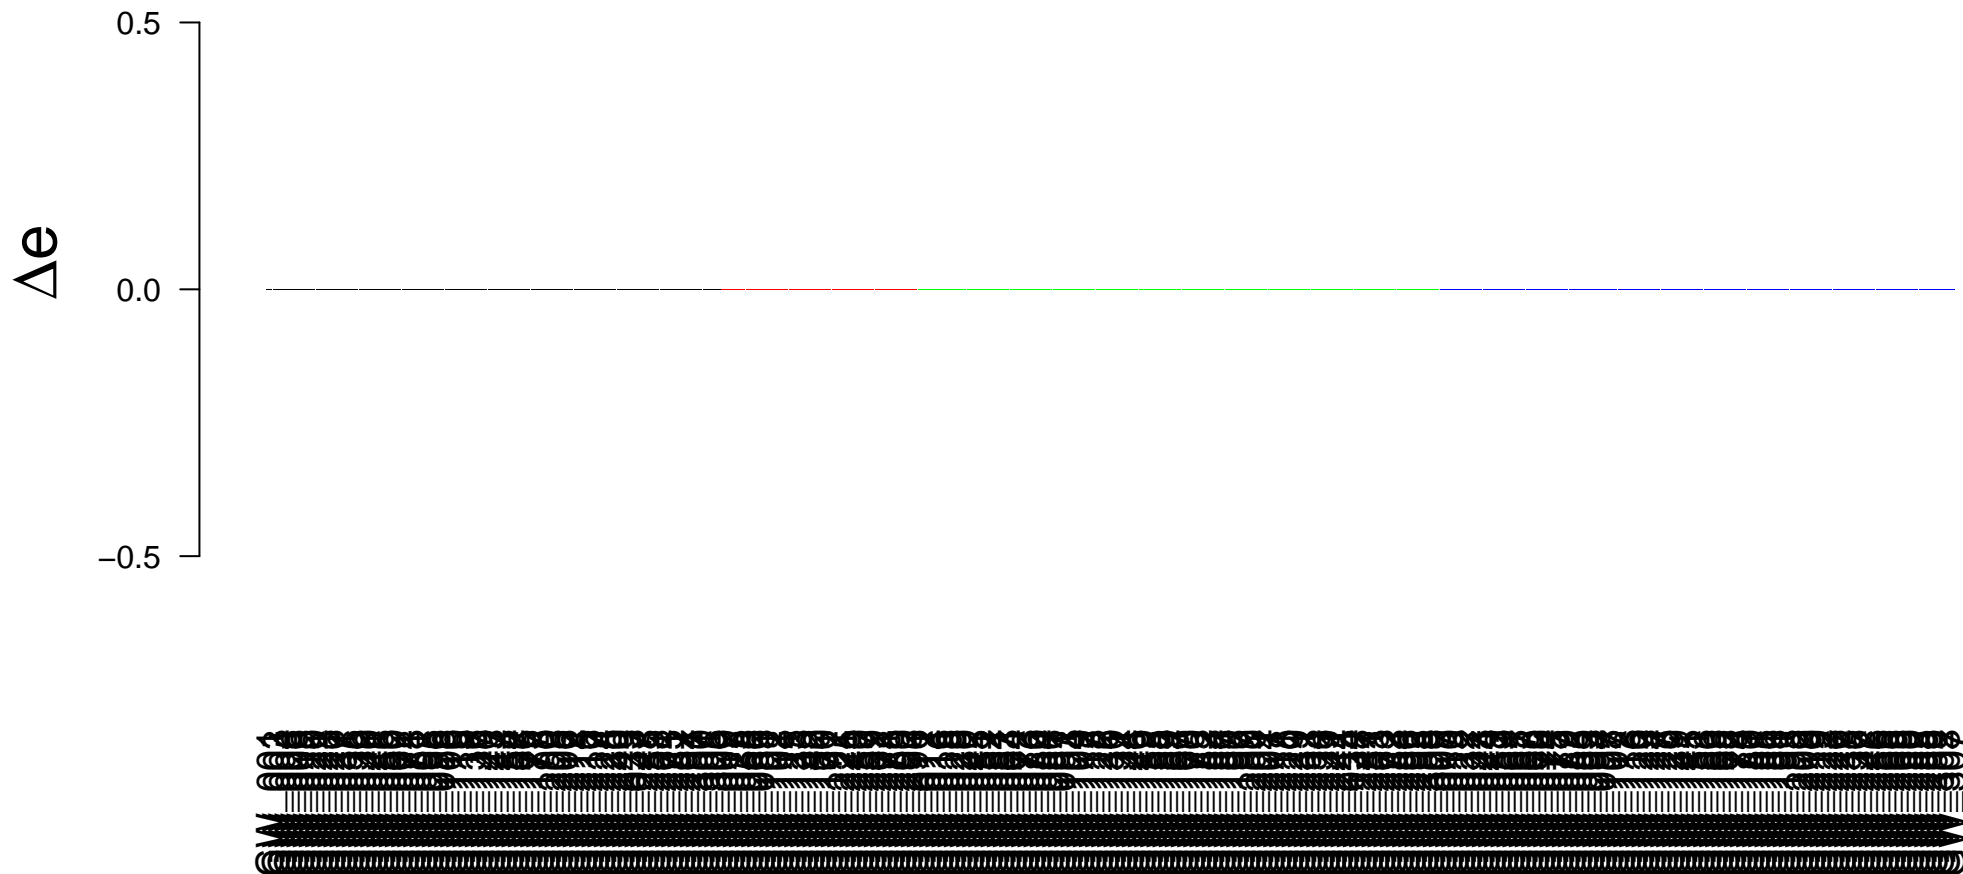

Expression of guanylate kinase activity in Spot B

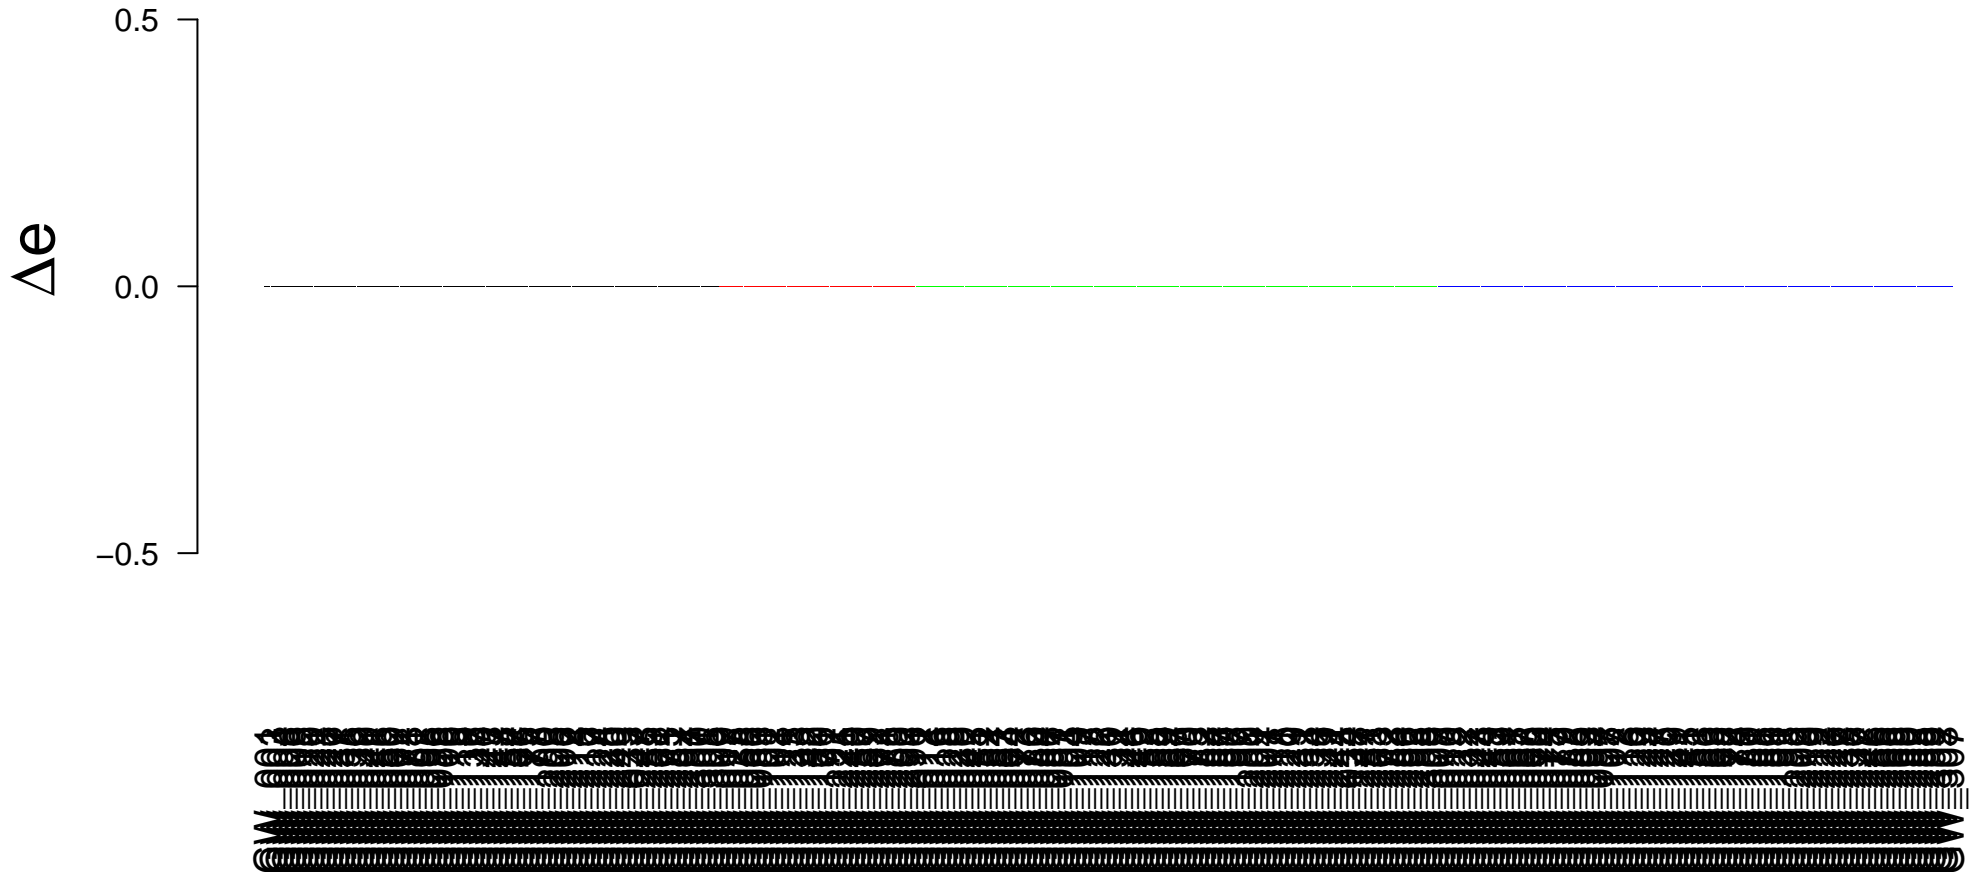

Expression of guanylate kinase activity in Spot C

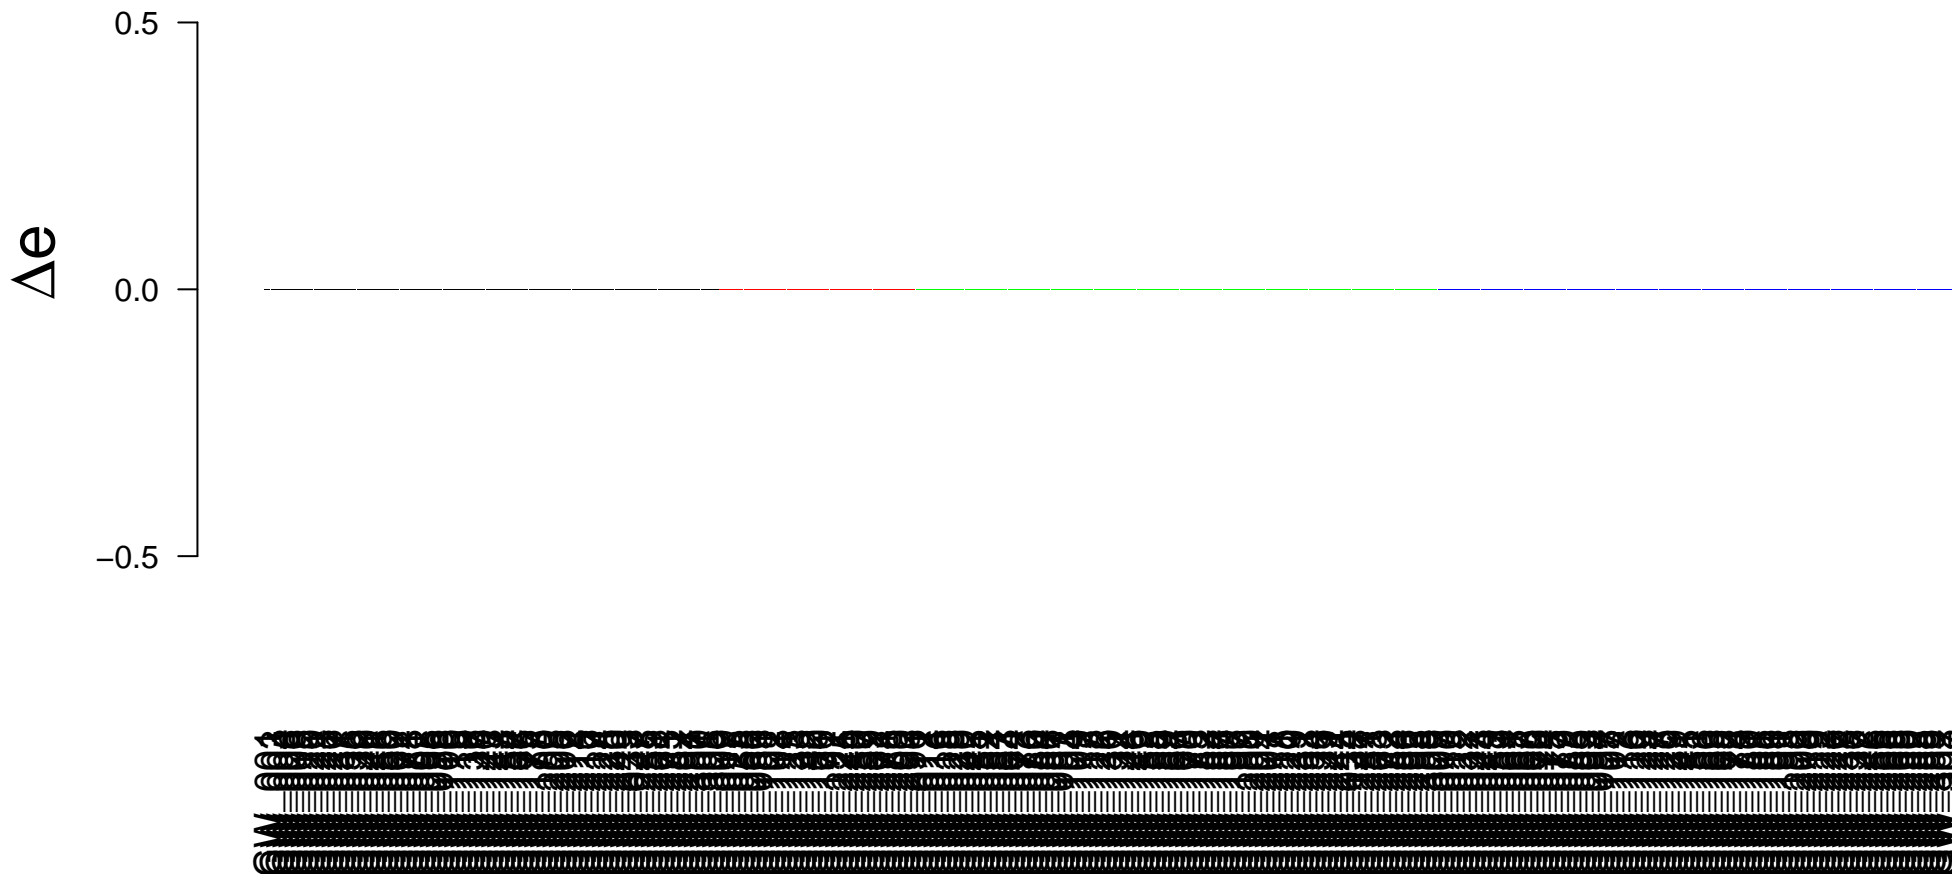

Expression of guanylate kinase activity in Spot D

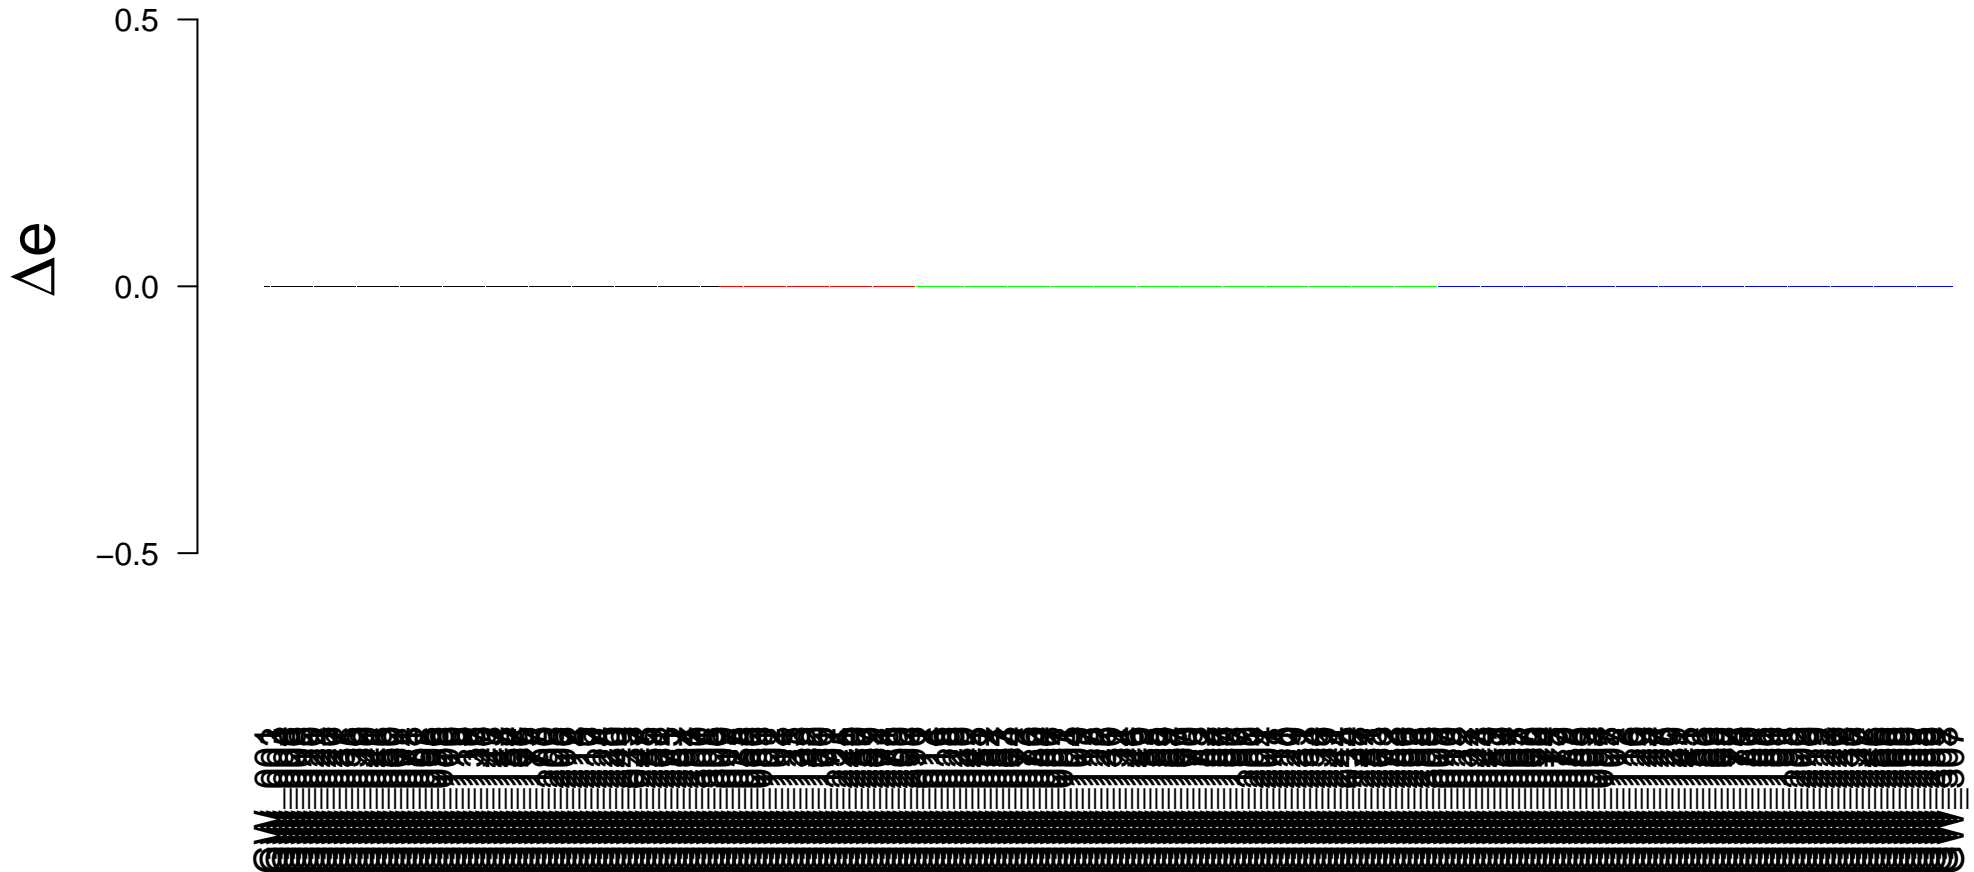

Expression of guanylate kinase activity in Spot E

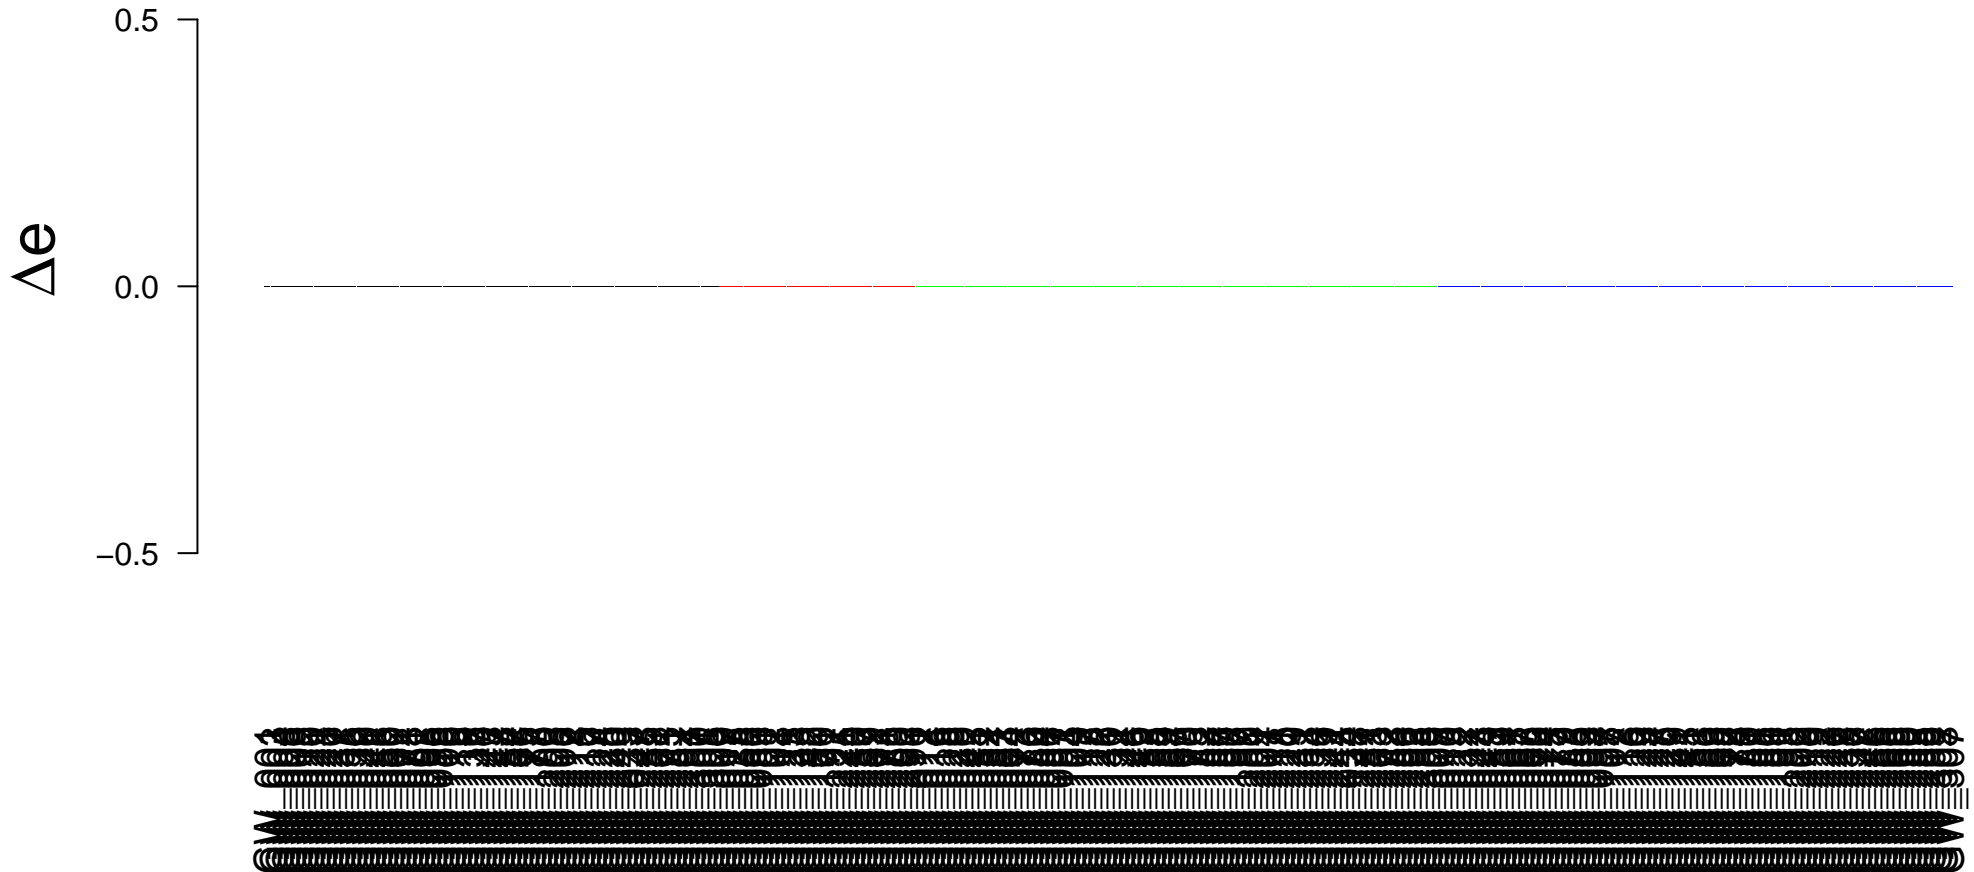

Expression of guanylate kinase activity in Spot F

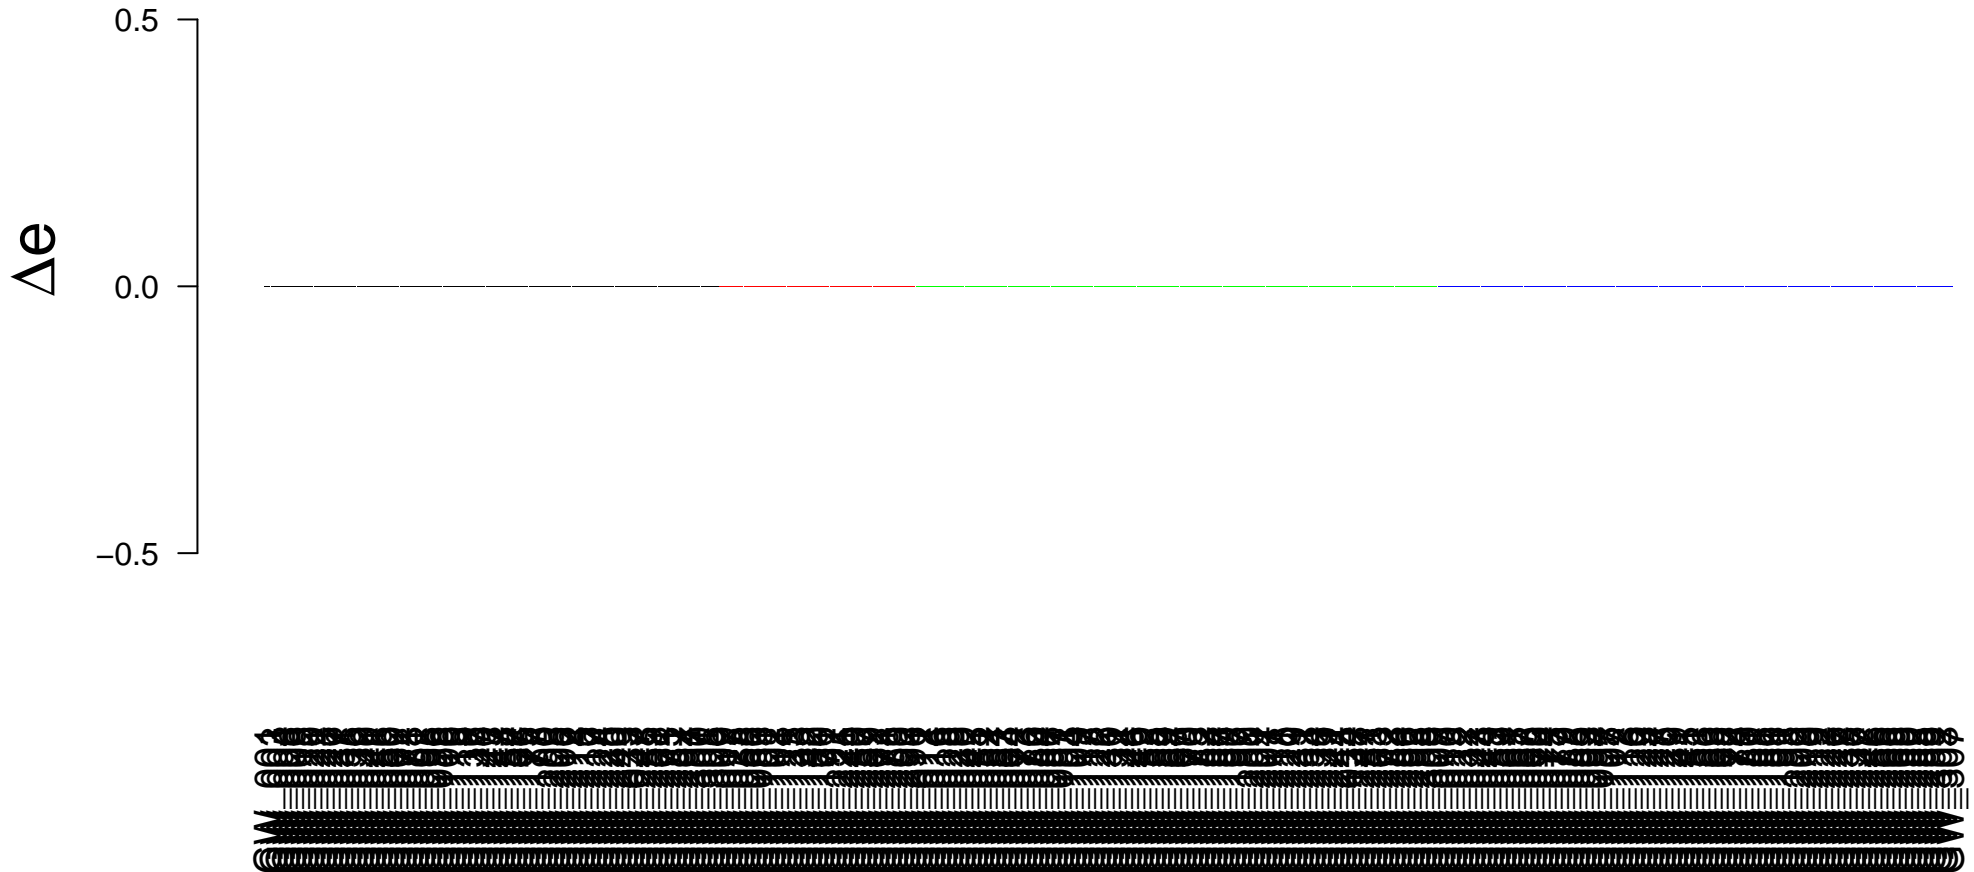

Expression of guanylate kinase activity in Spot G

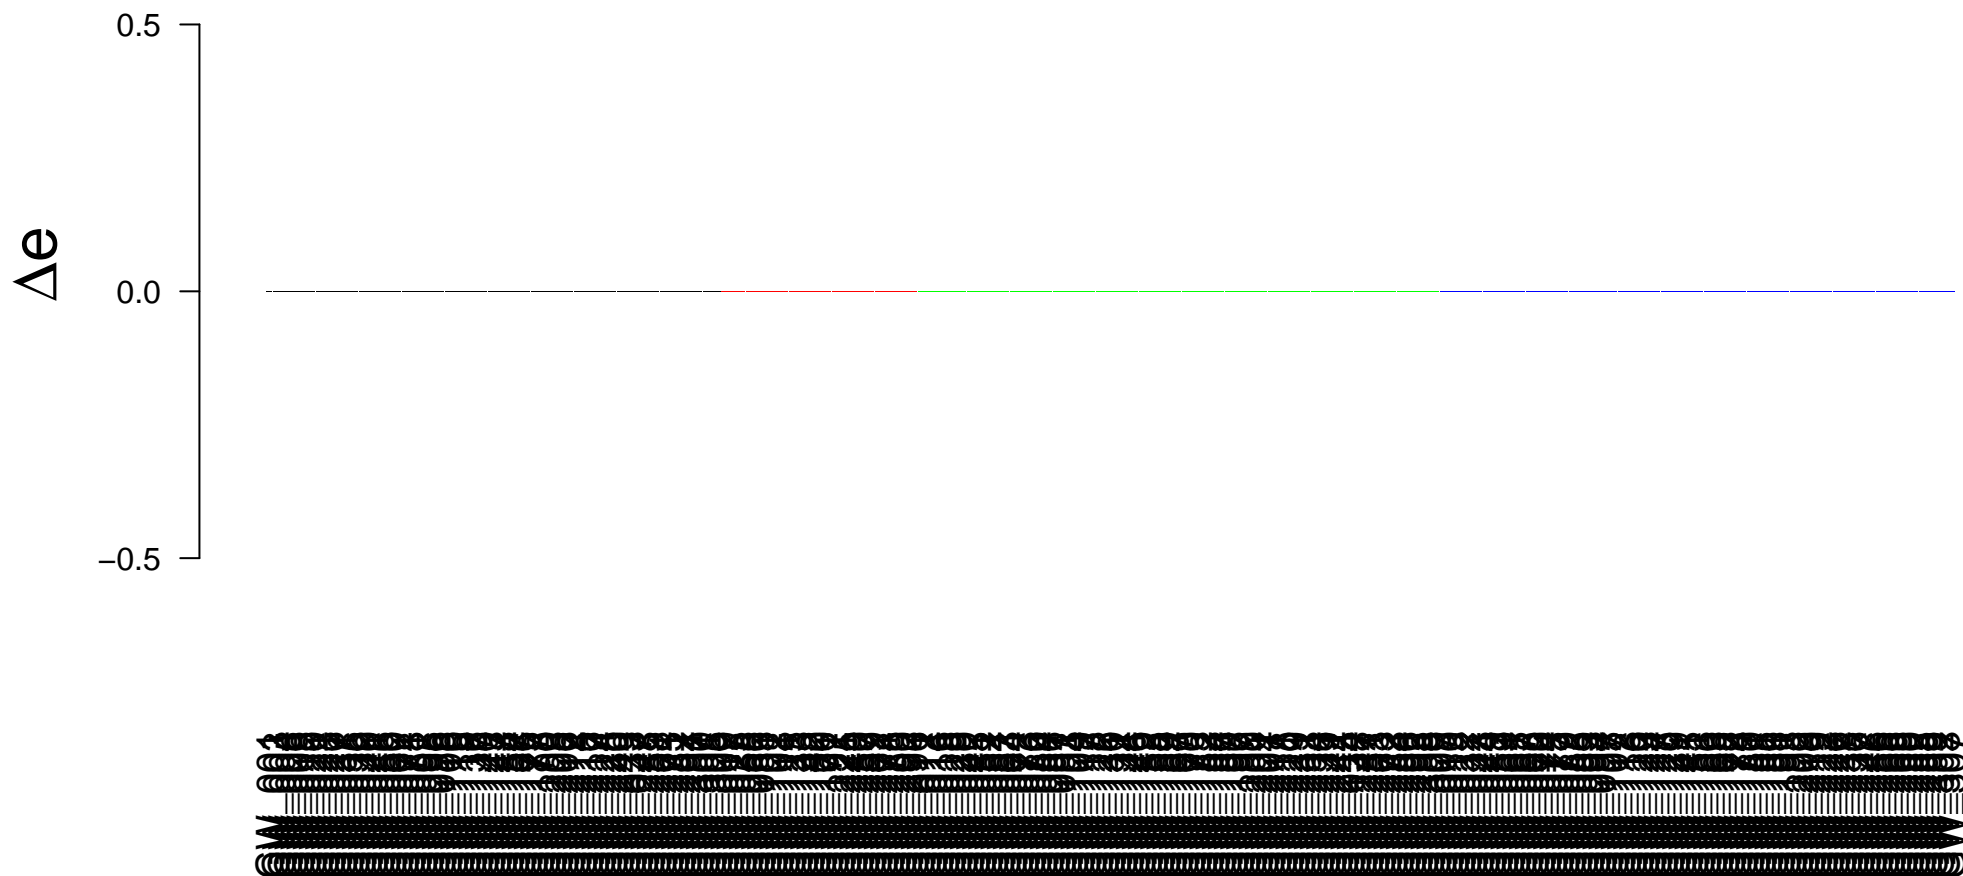

Expression of guanylate kinase activity in Spot H

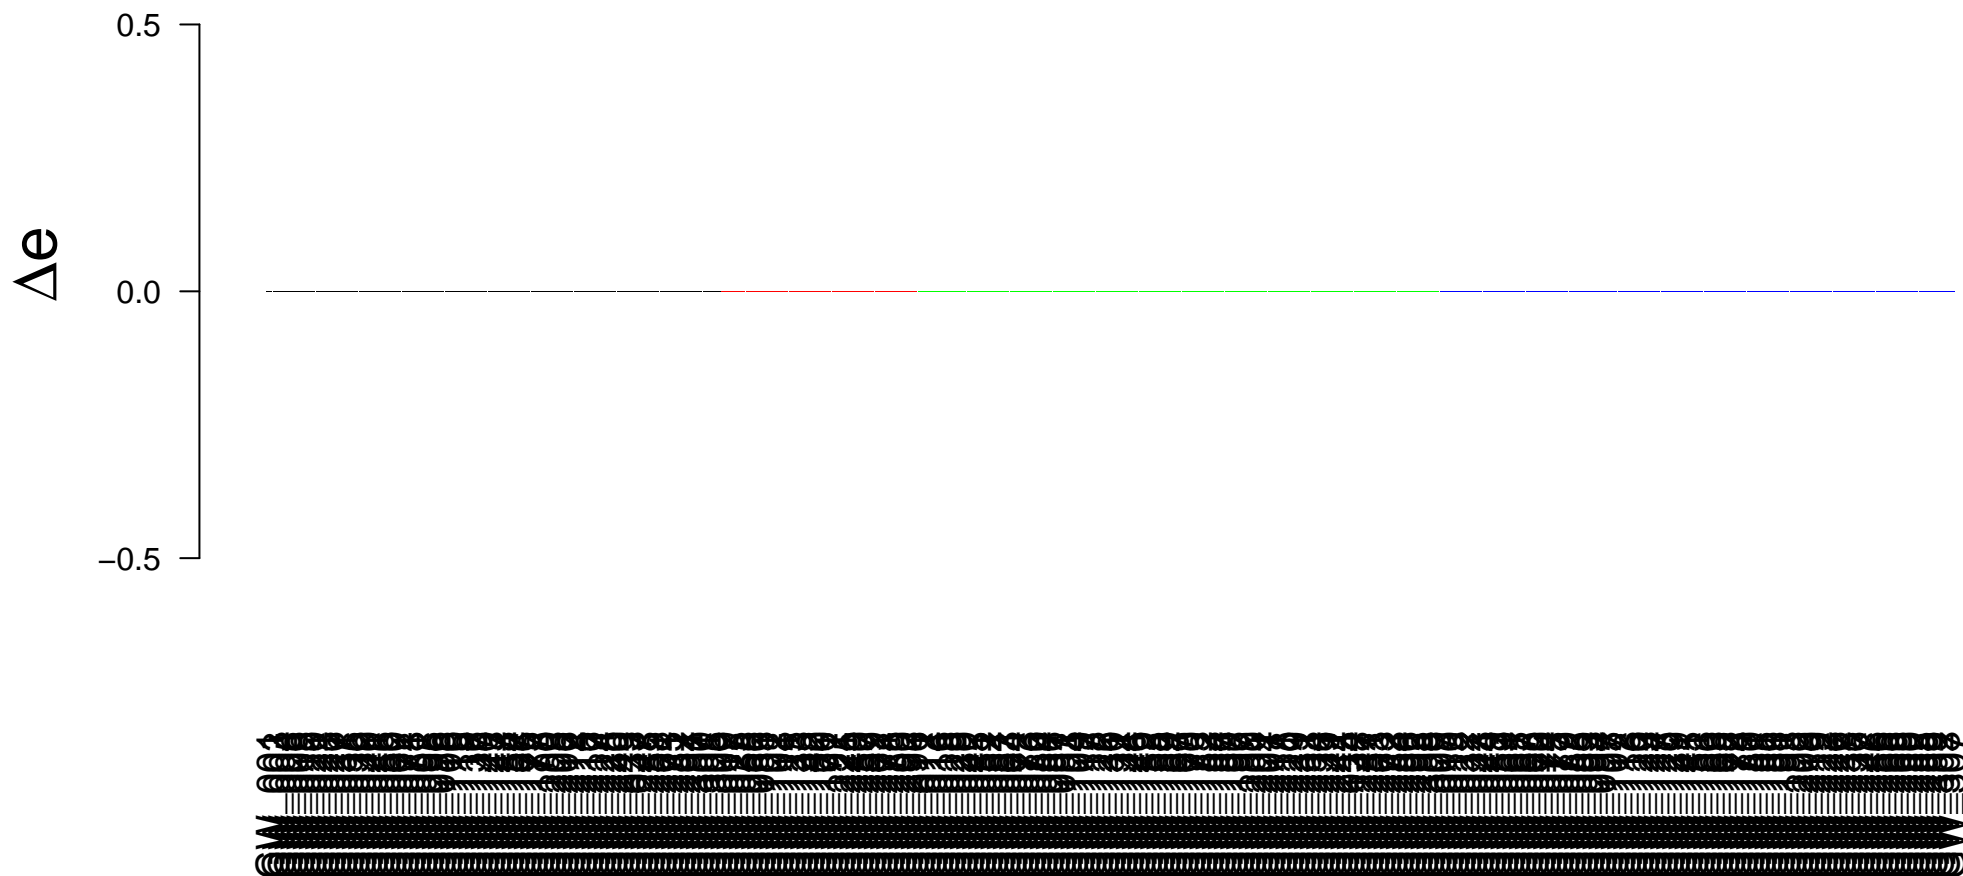

Expression of guanylate kinase activity in Spot I

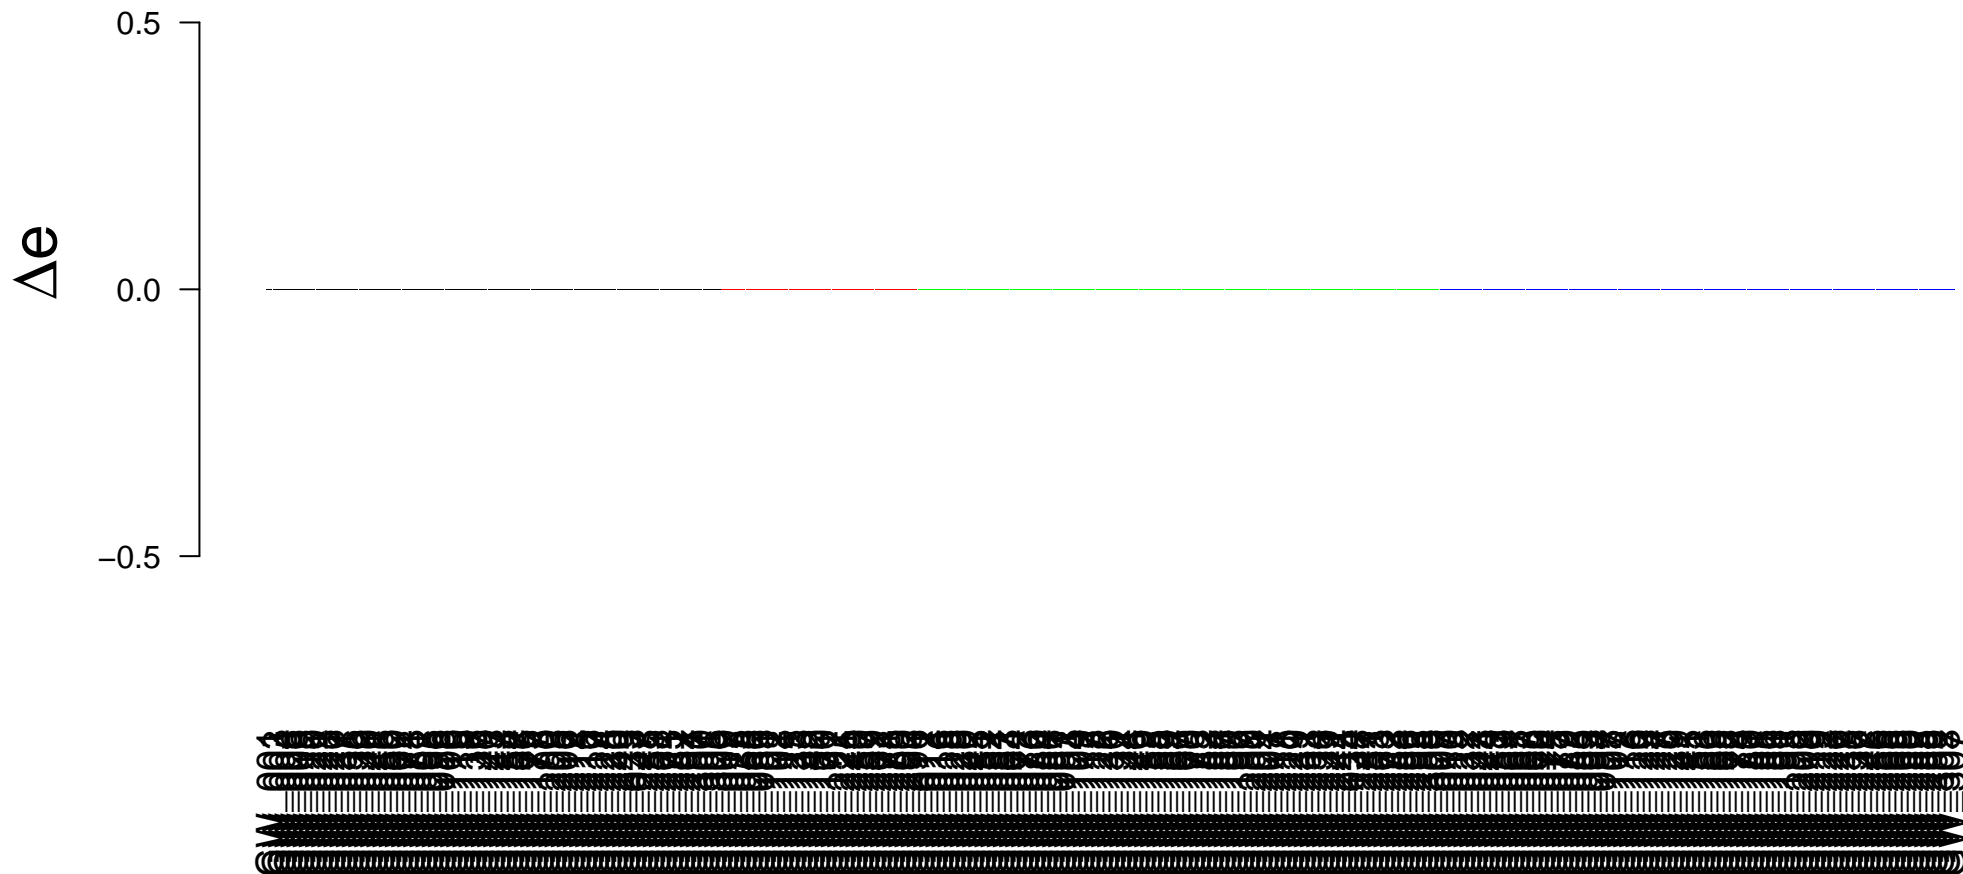

Expression of guanylate kinase activity in Spot J

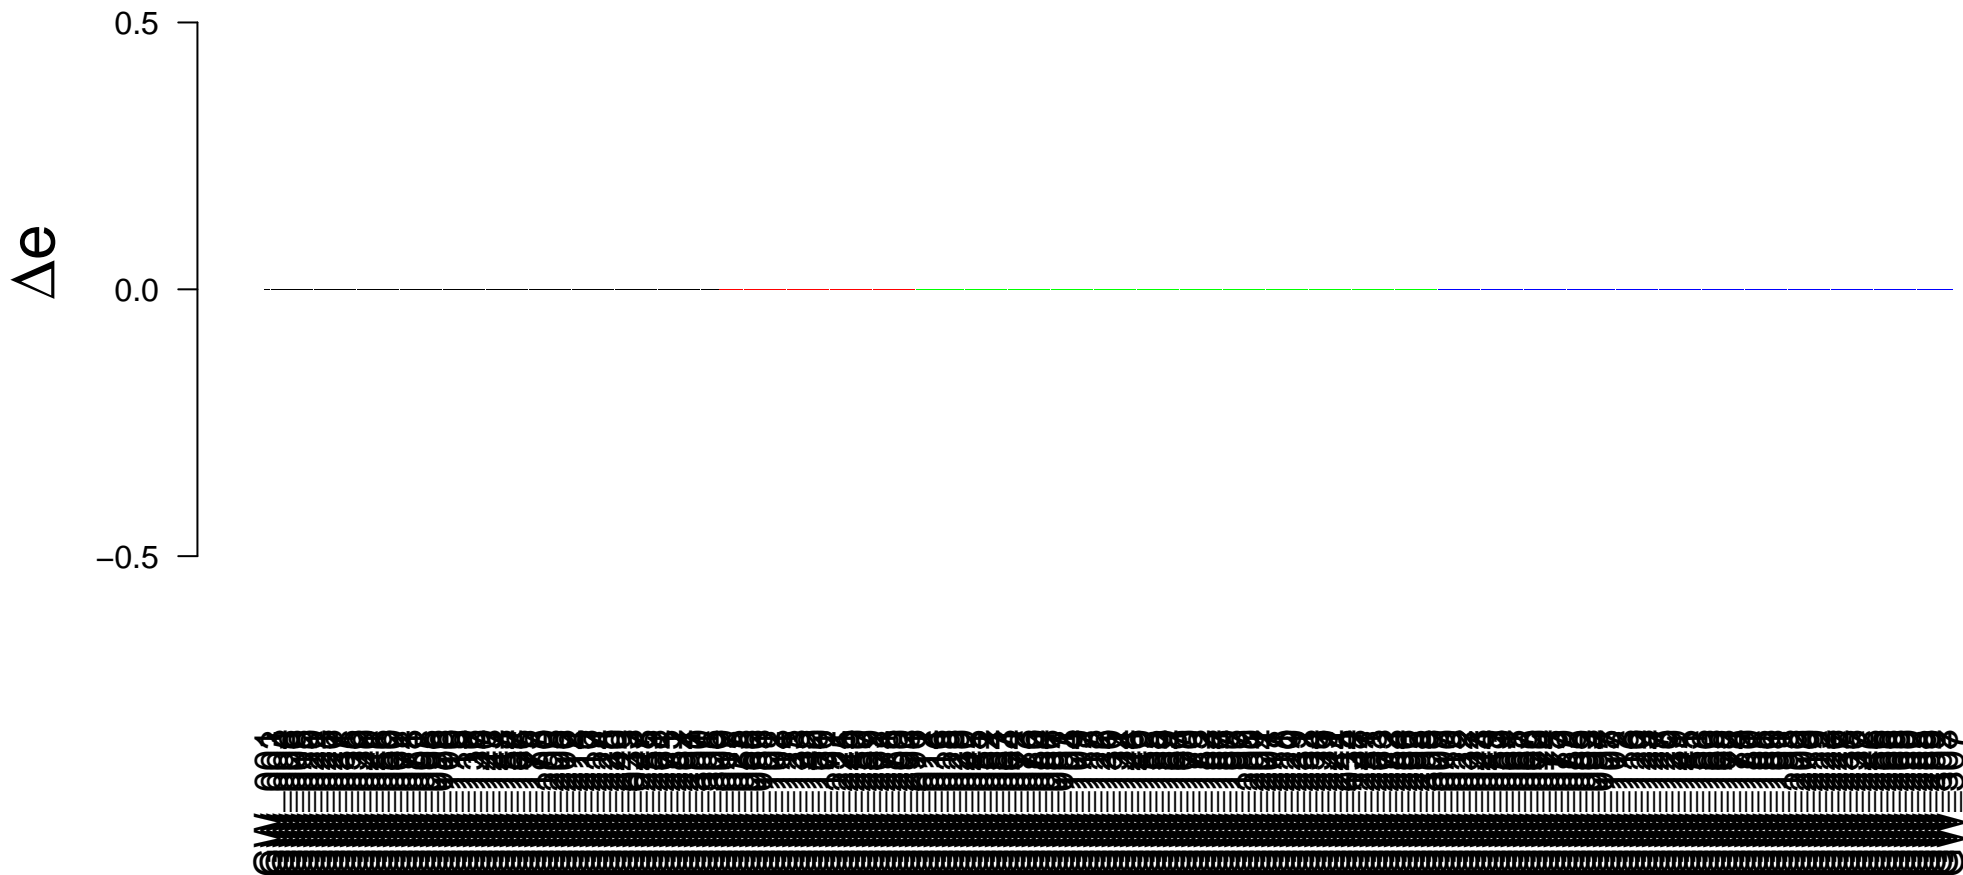

Expression of guanylate kinase activity in Spot K

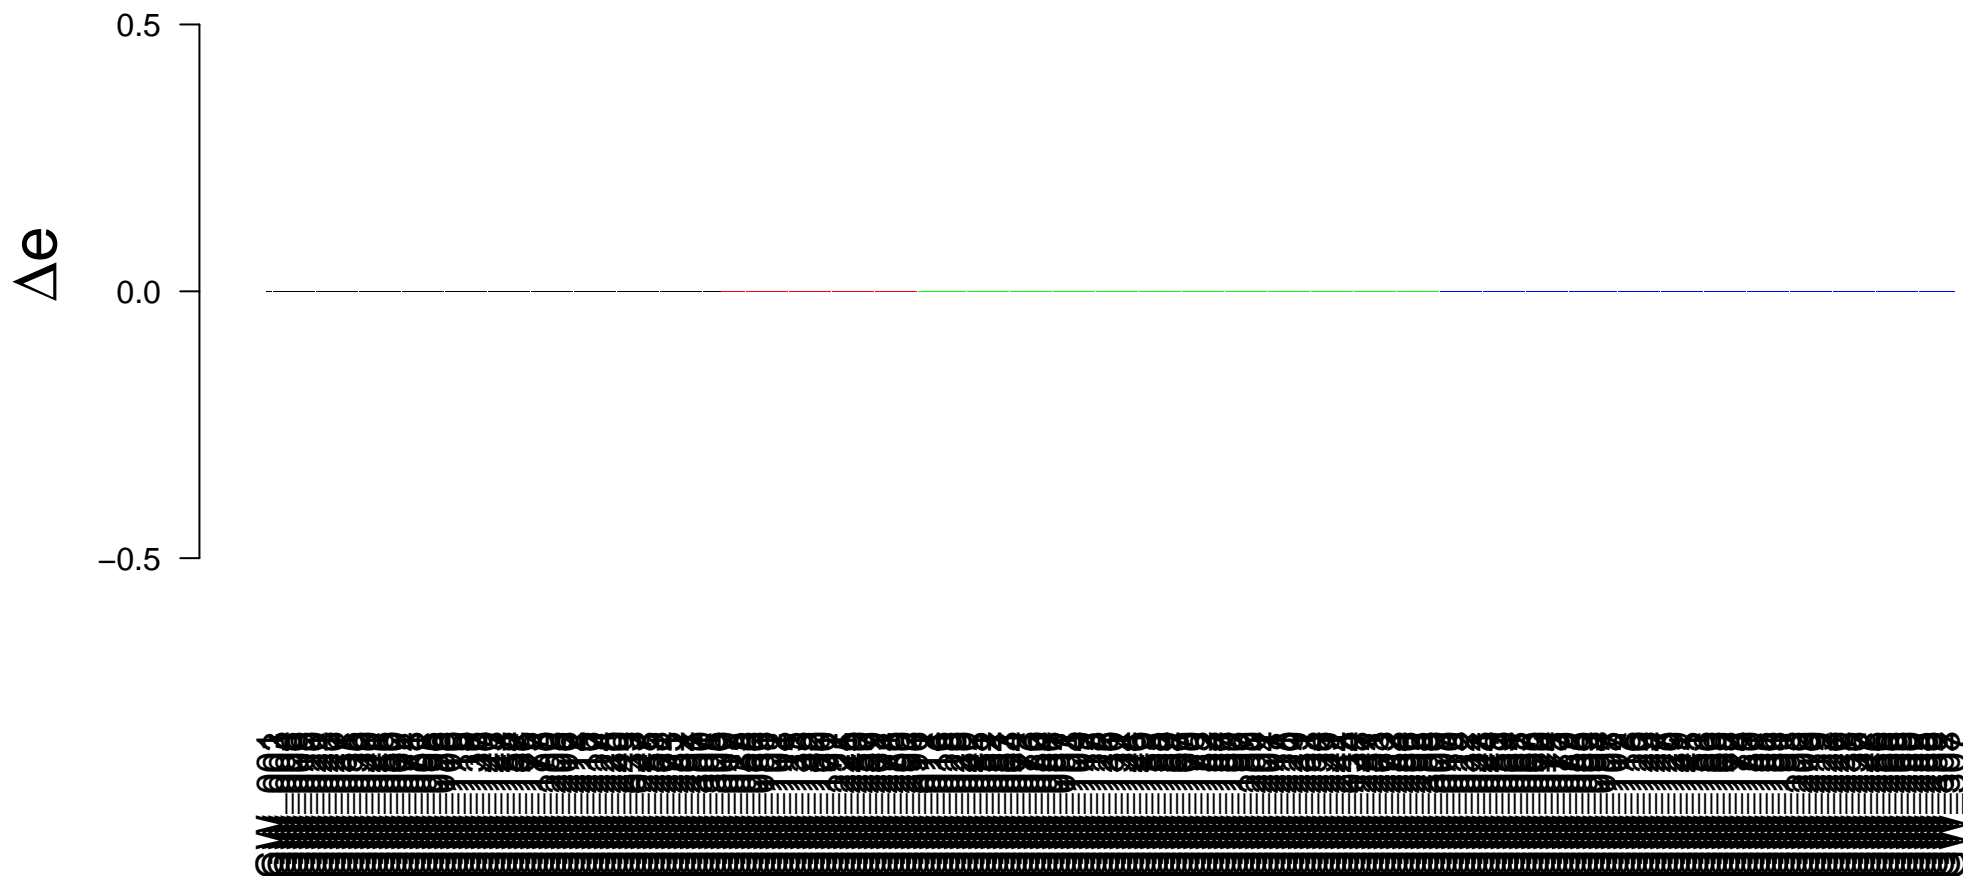

Expression of guanylate kinase activity in Spot L

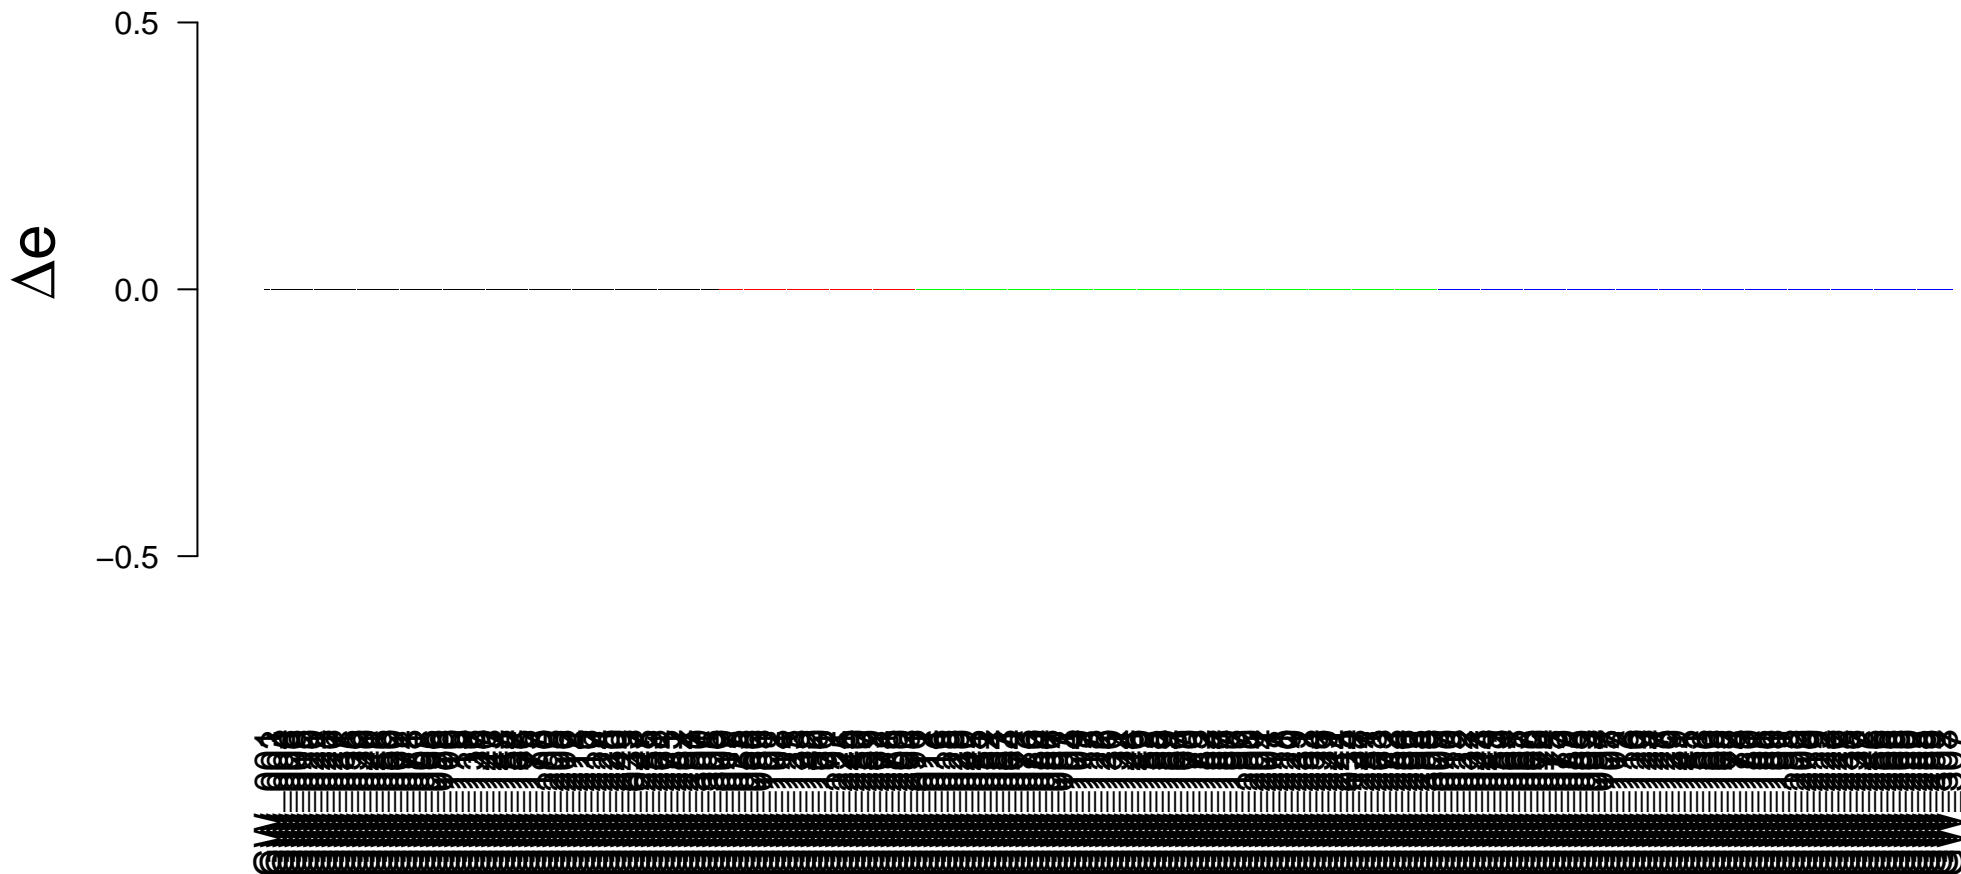

Expression of guanylate kinase activity in Spot M

Expression of guanylate kinase activity in Spot N

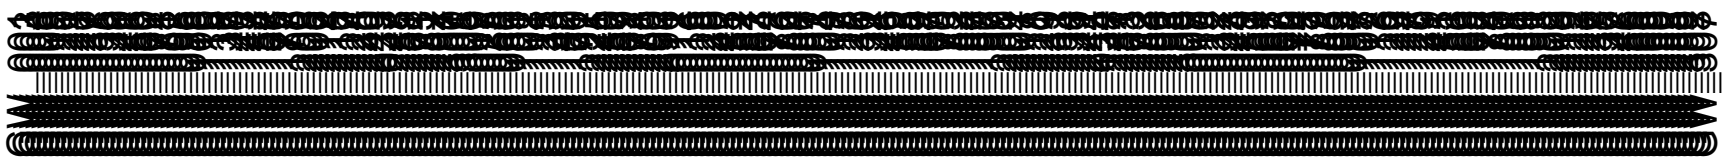

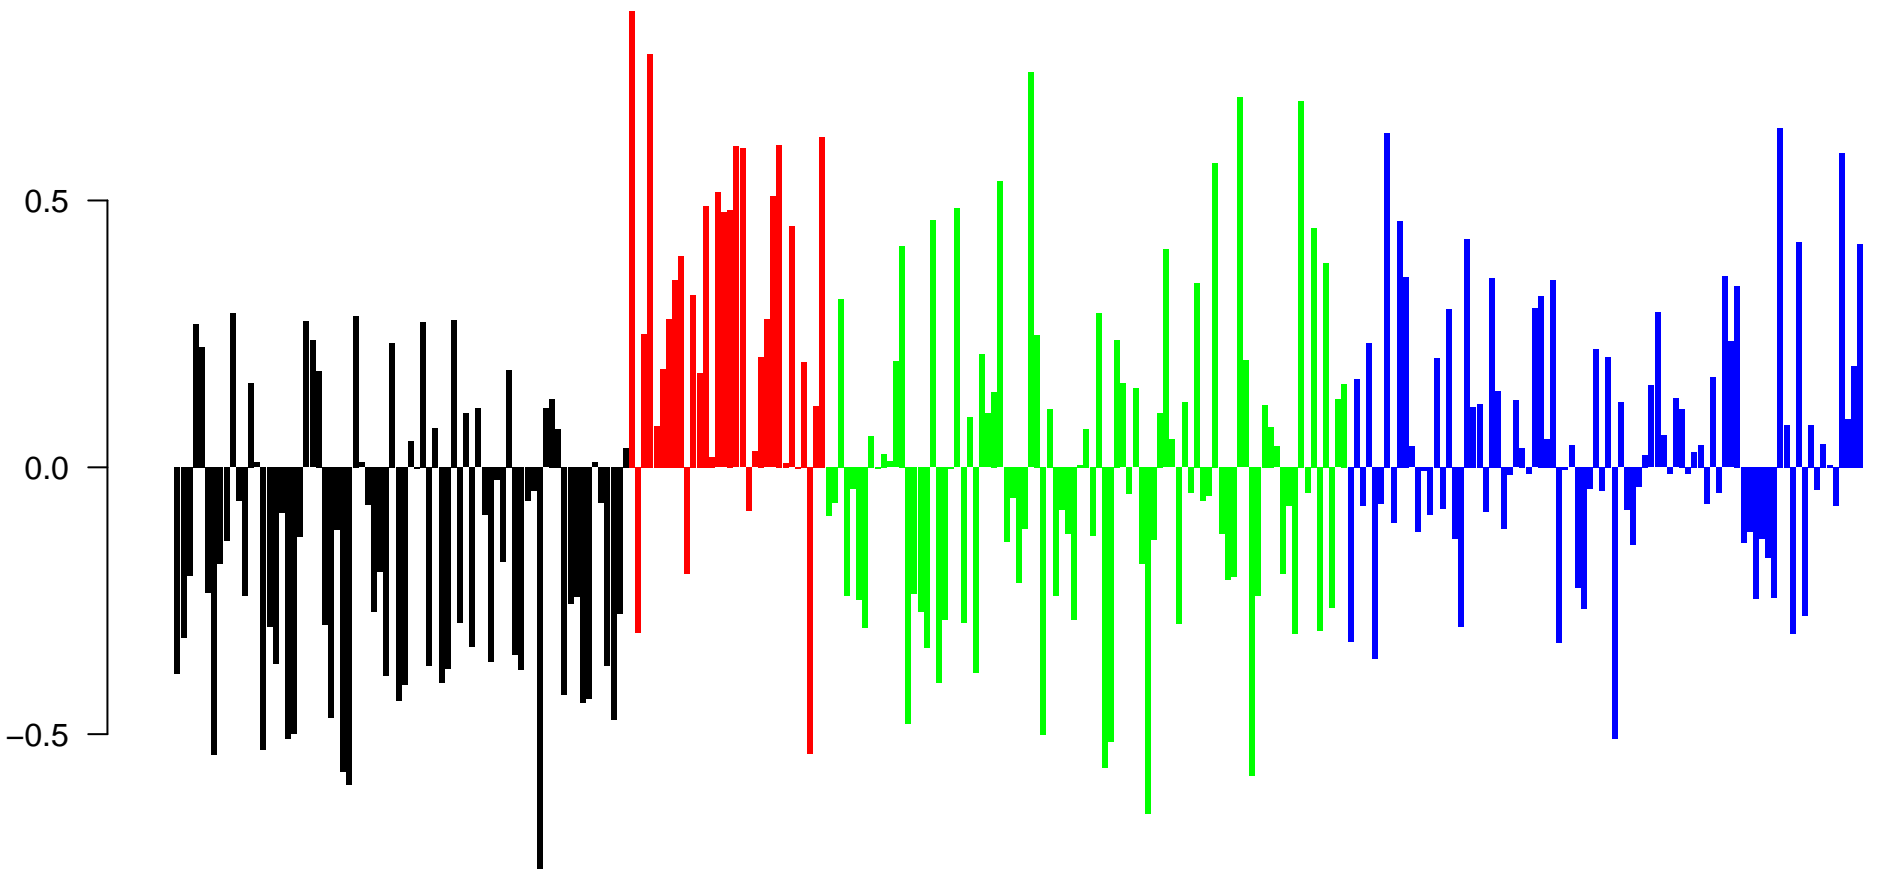

Expression of guanylate kinase activity in Spot O

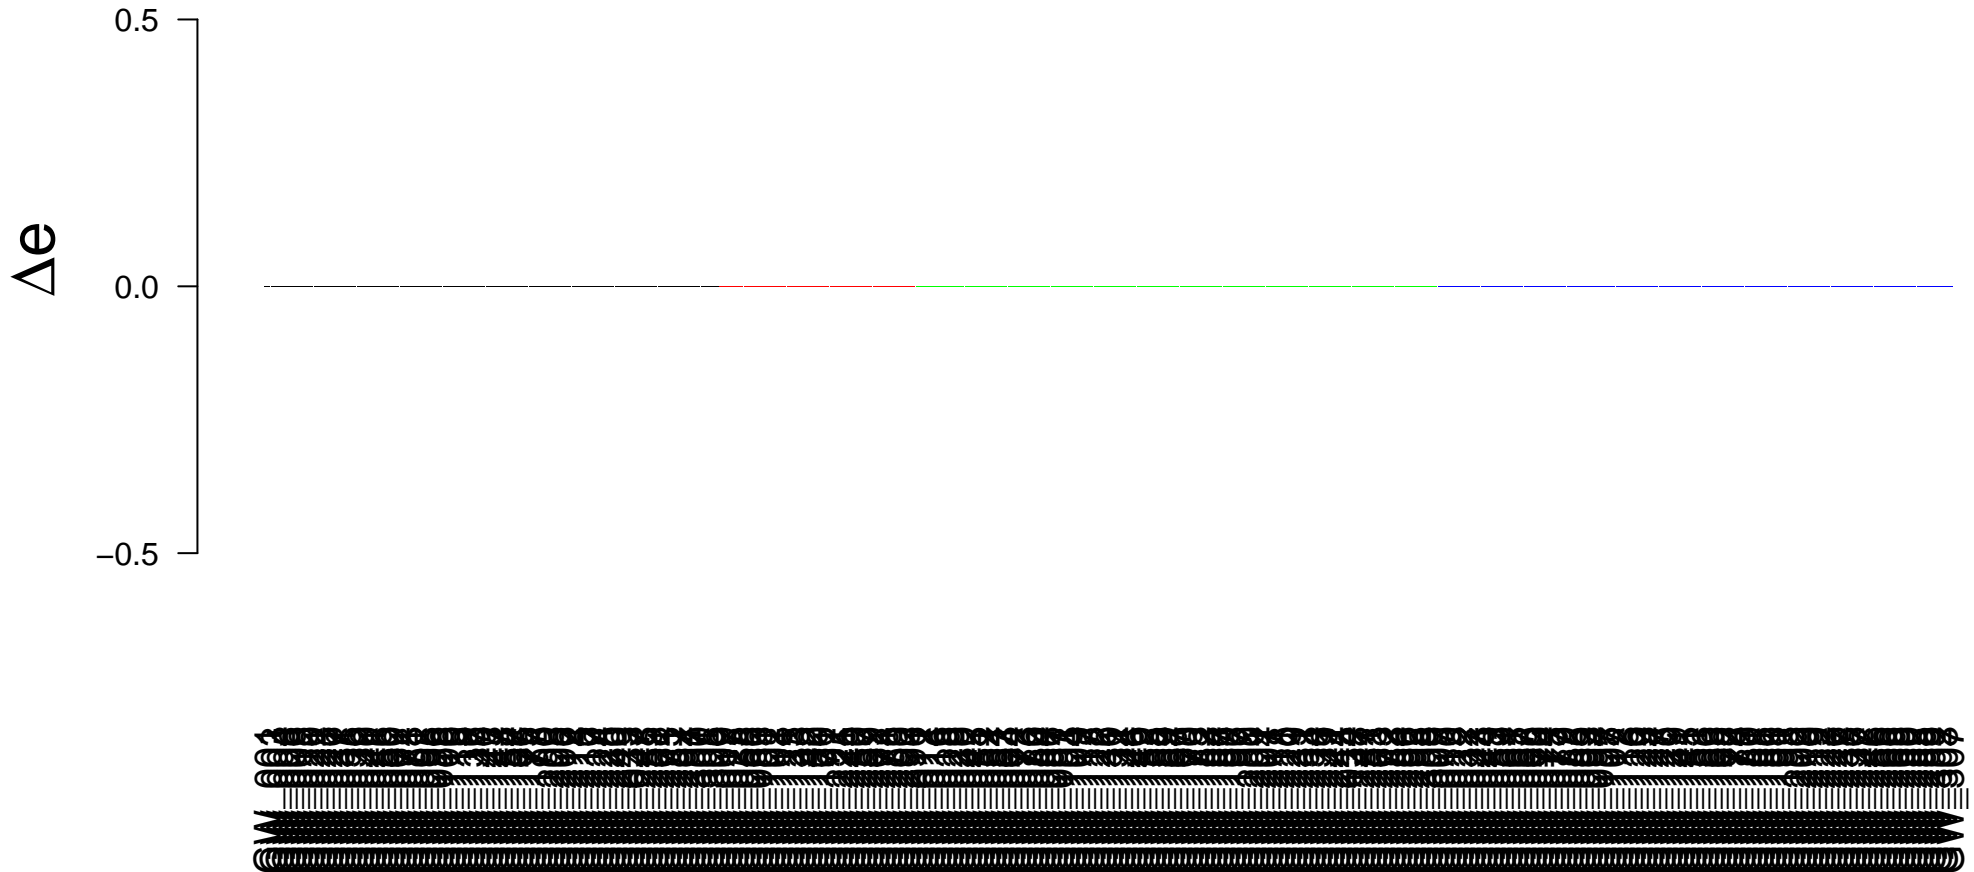

Expression of guanylate kinase activity in Spot P

Δe

Expression of guanylate kinase activity in Spot Q

Expression of guanylate kinase activity in Spot R
