

# heart contraction

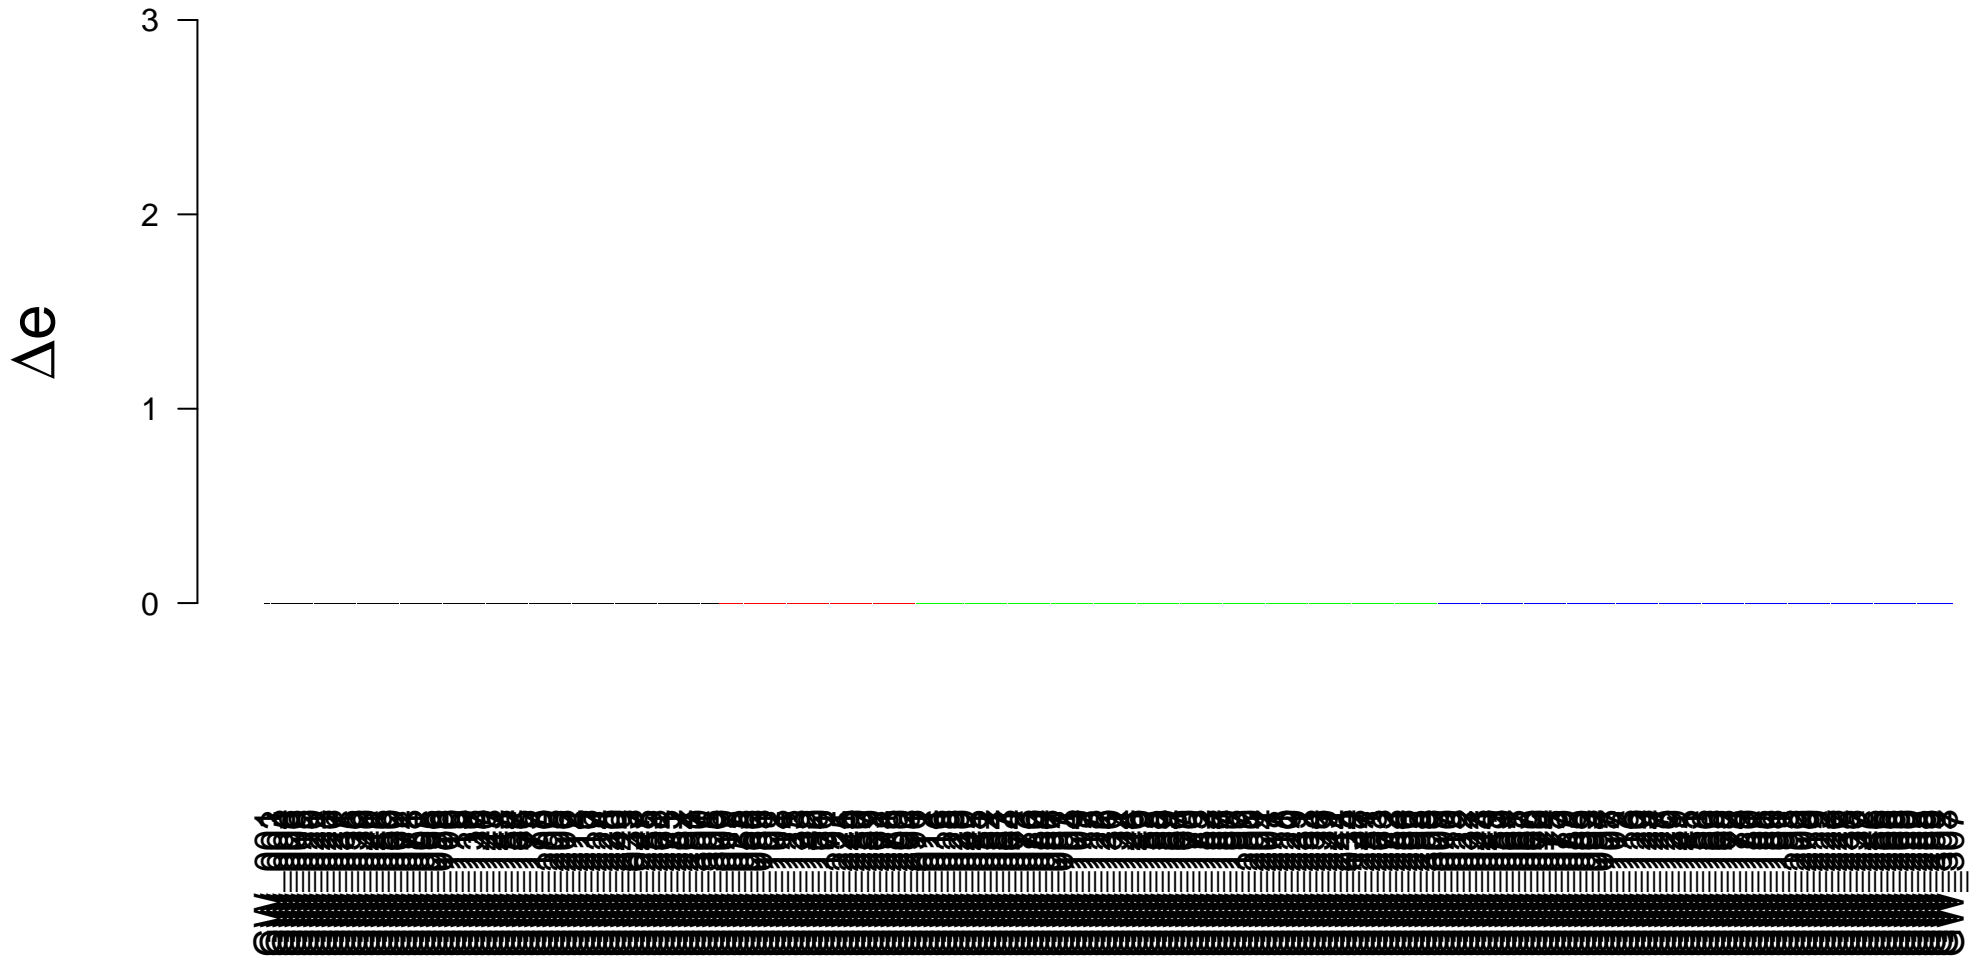

# heart contraction

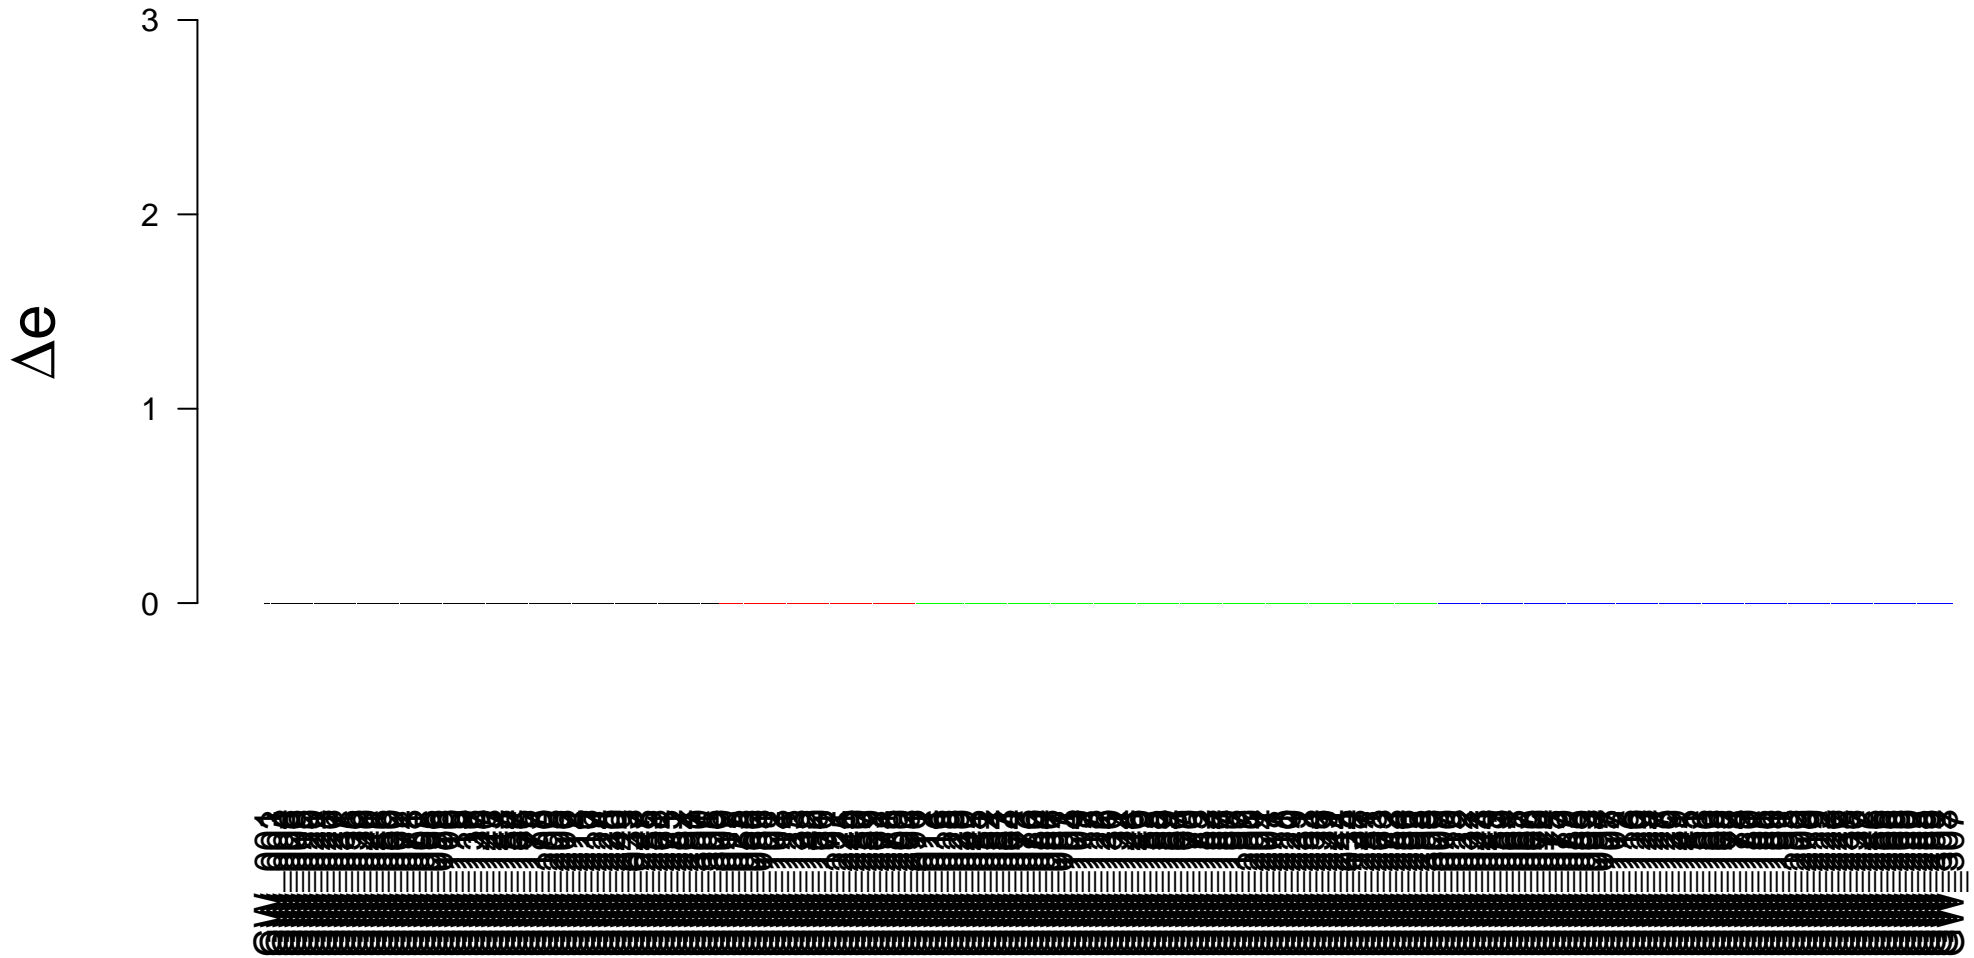

# Enrichment in spots: heart contraction

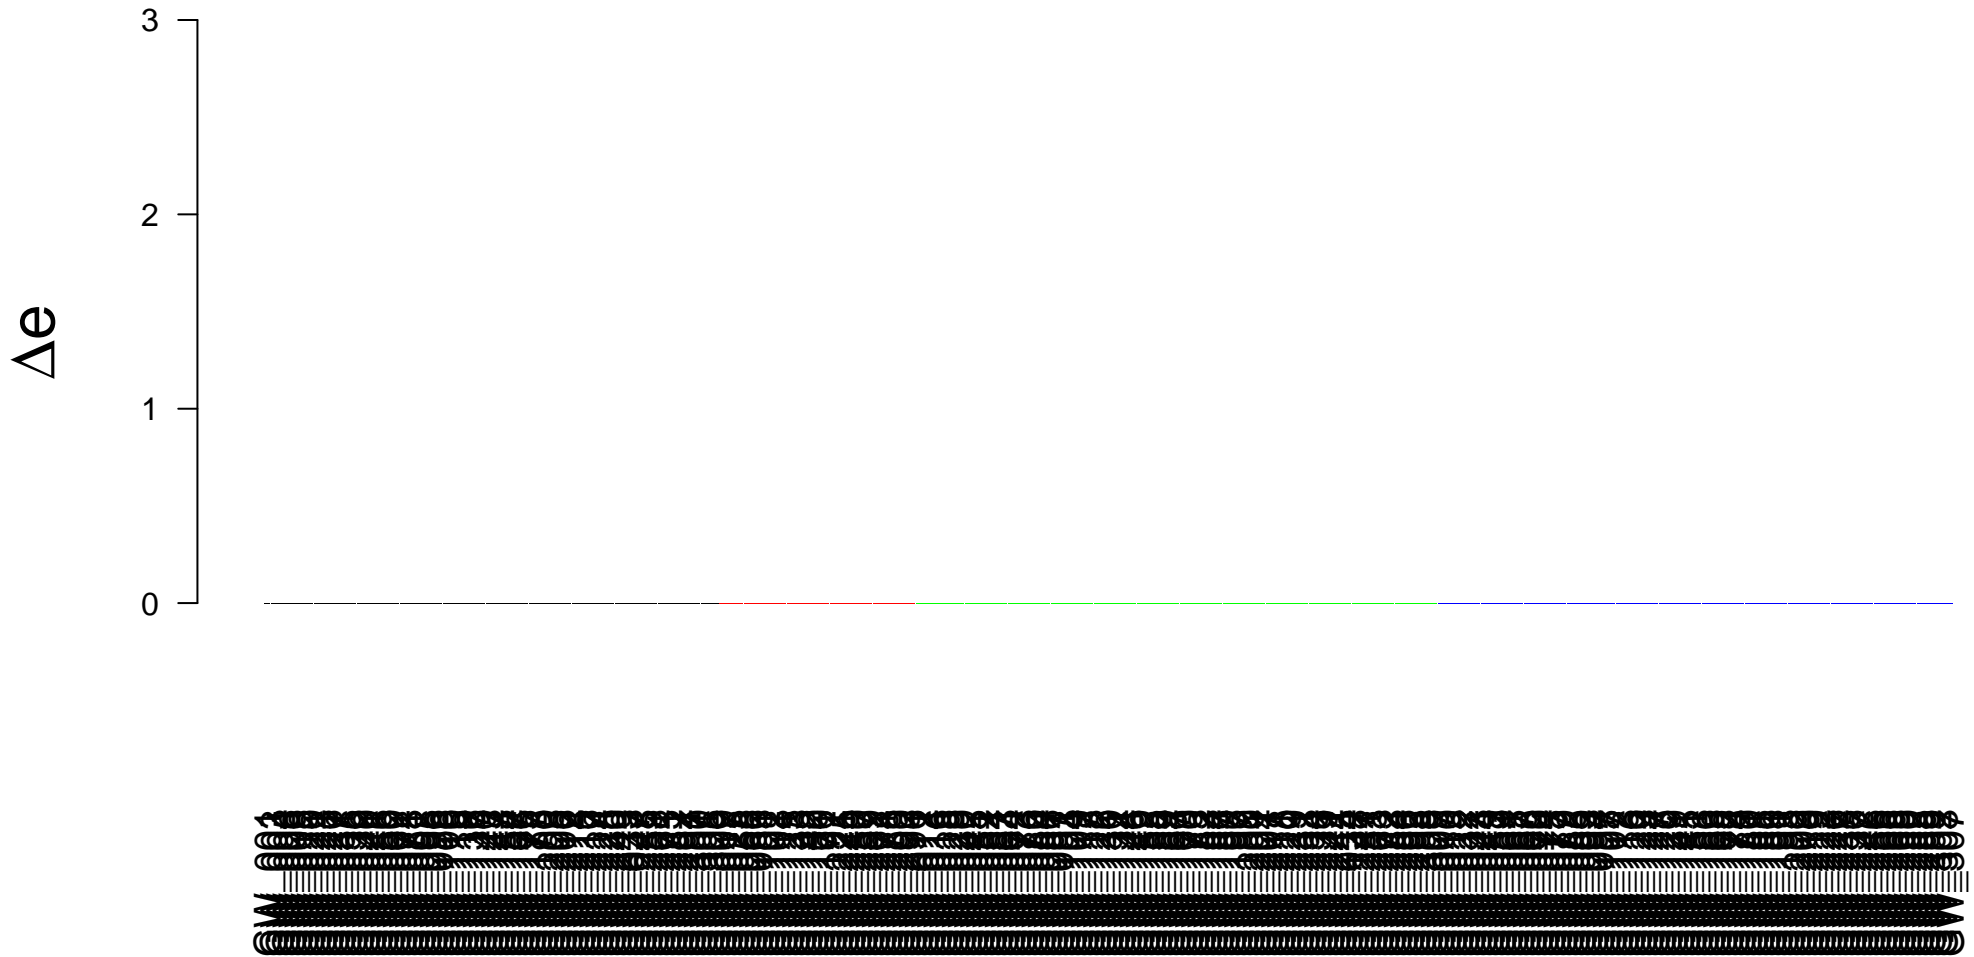

# Expression of heart contraction in Spot A

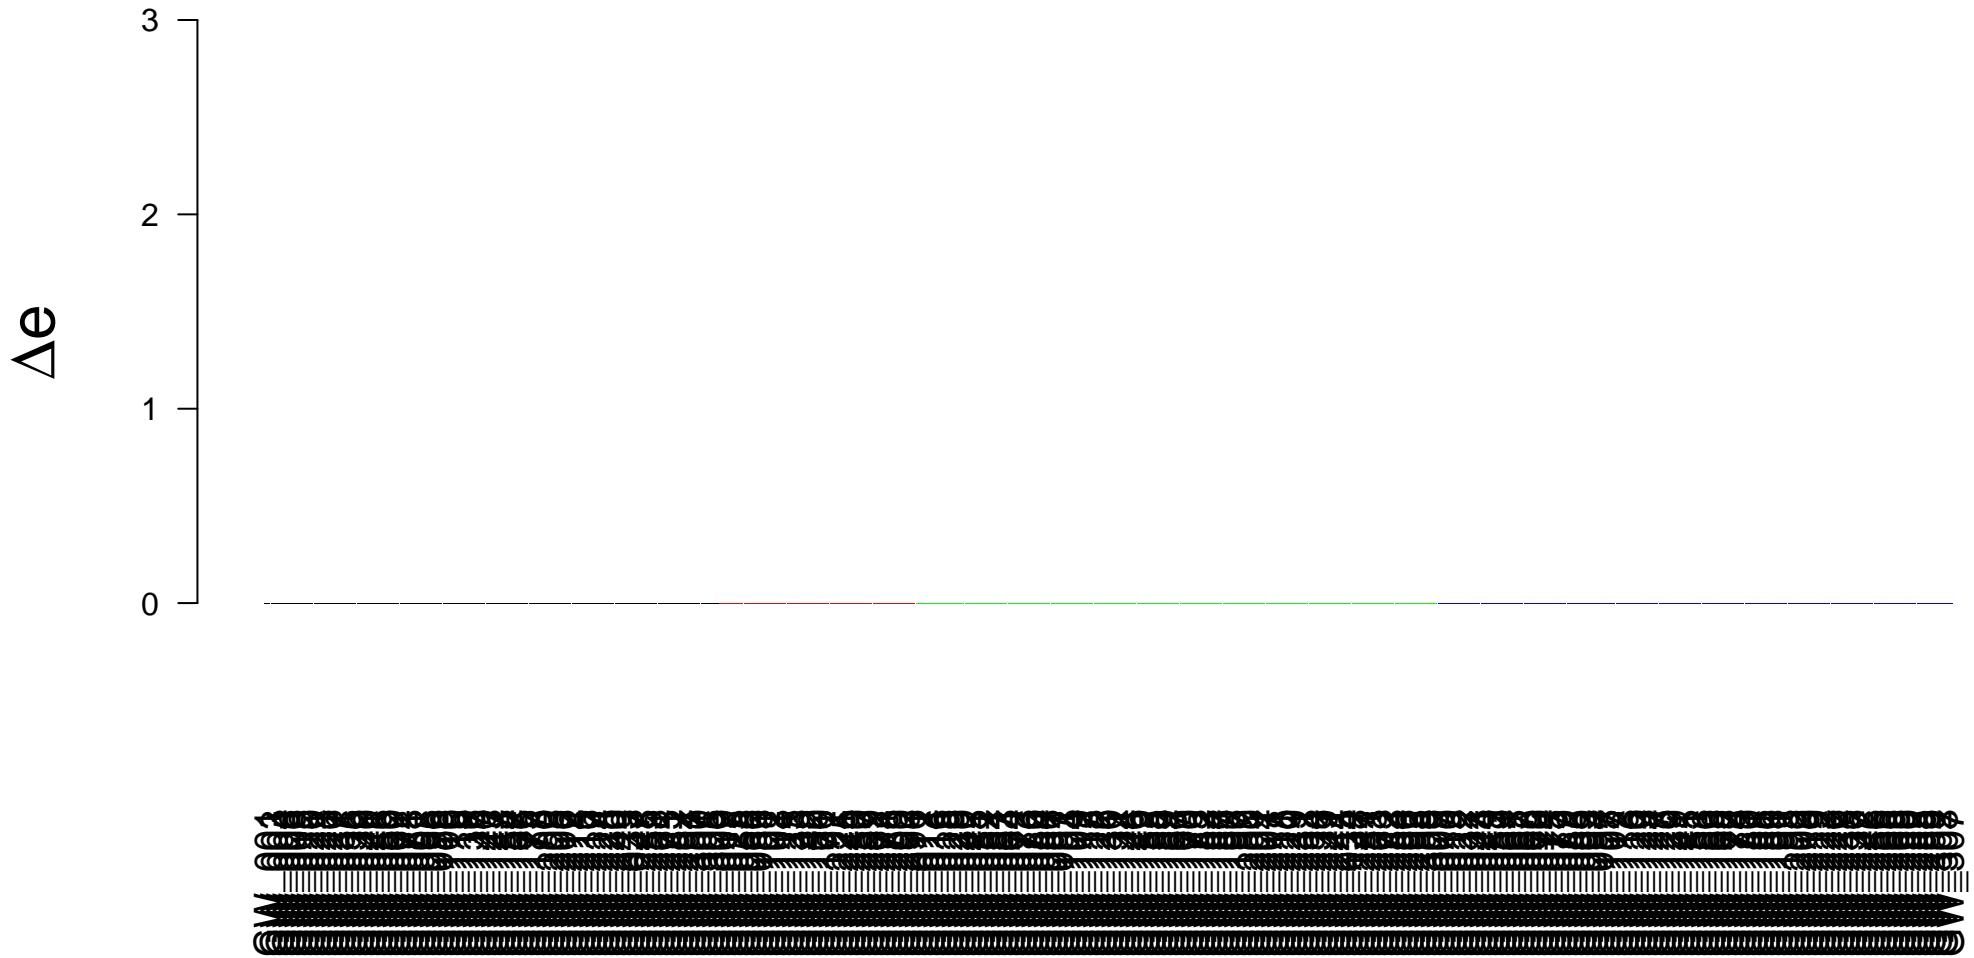

# Expression of heart contraction in Spot B

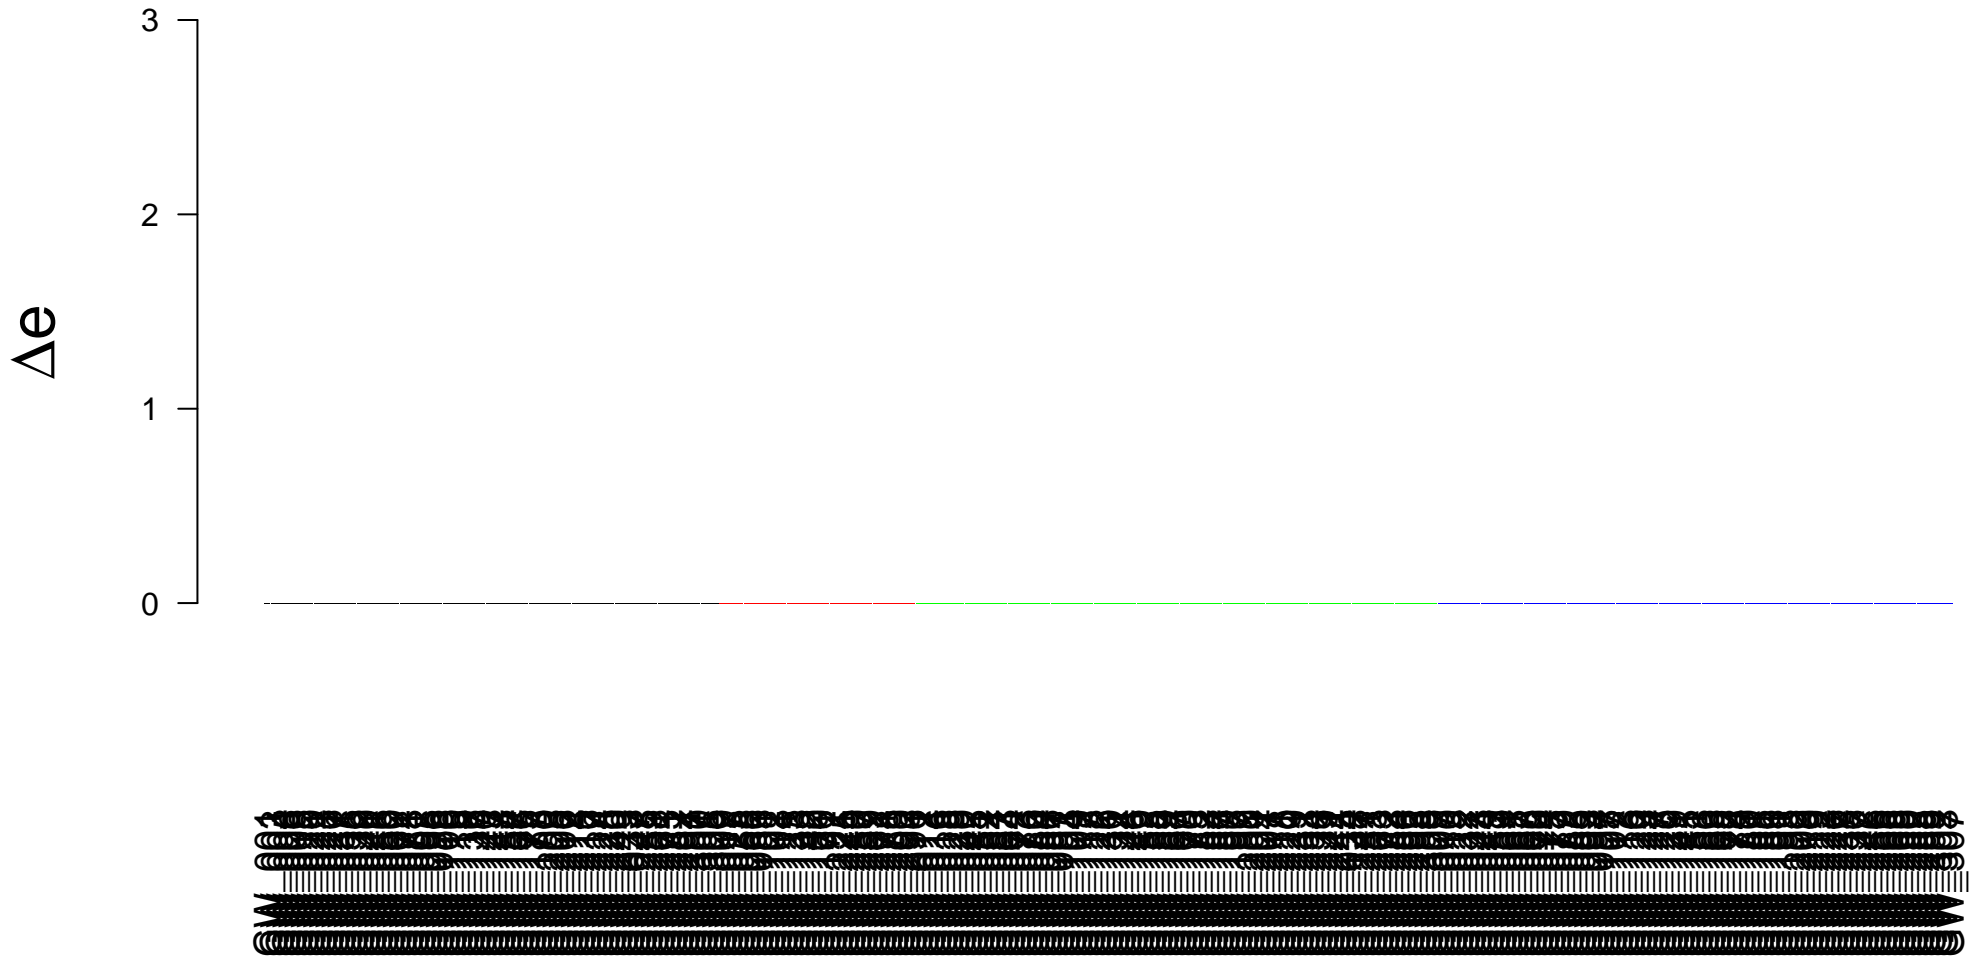

# Expression of heart contraction in Spot C

# Expression of heart contraction in Spot D

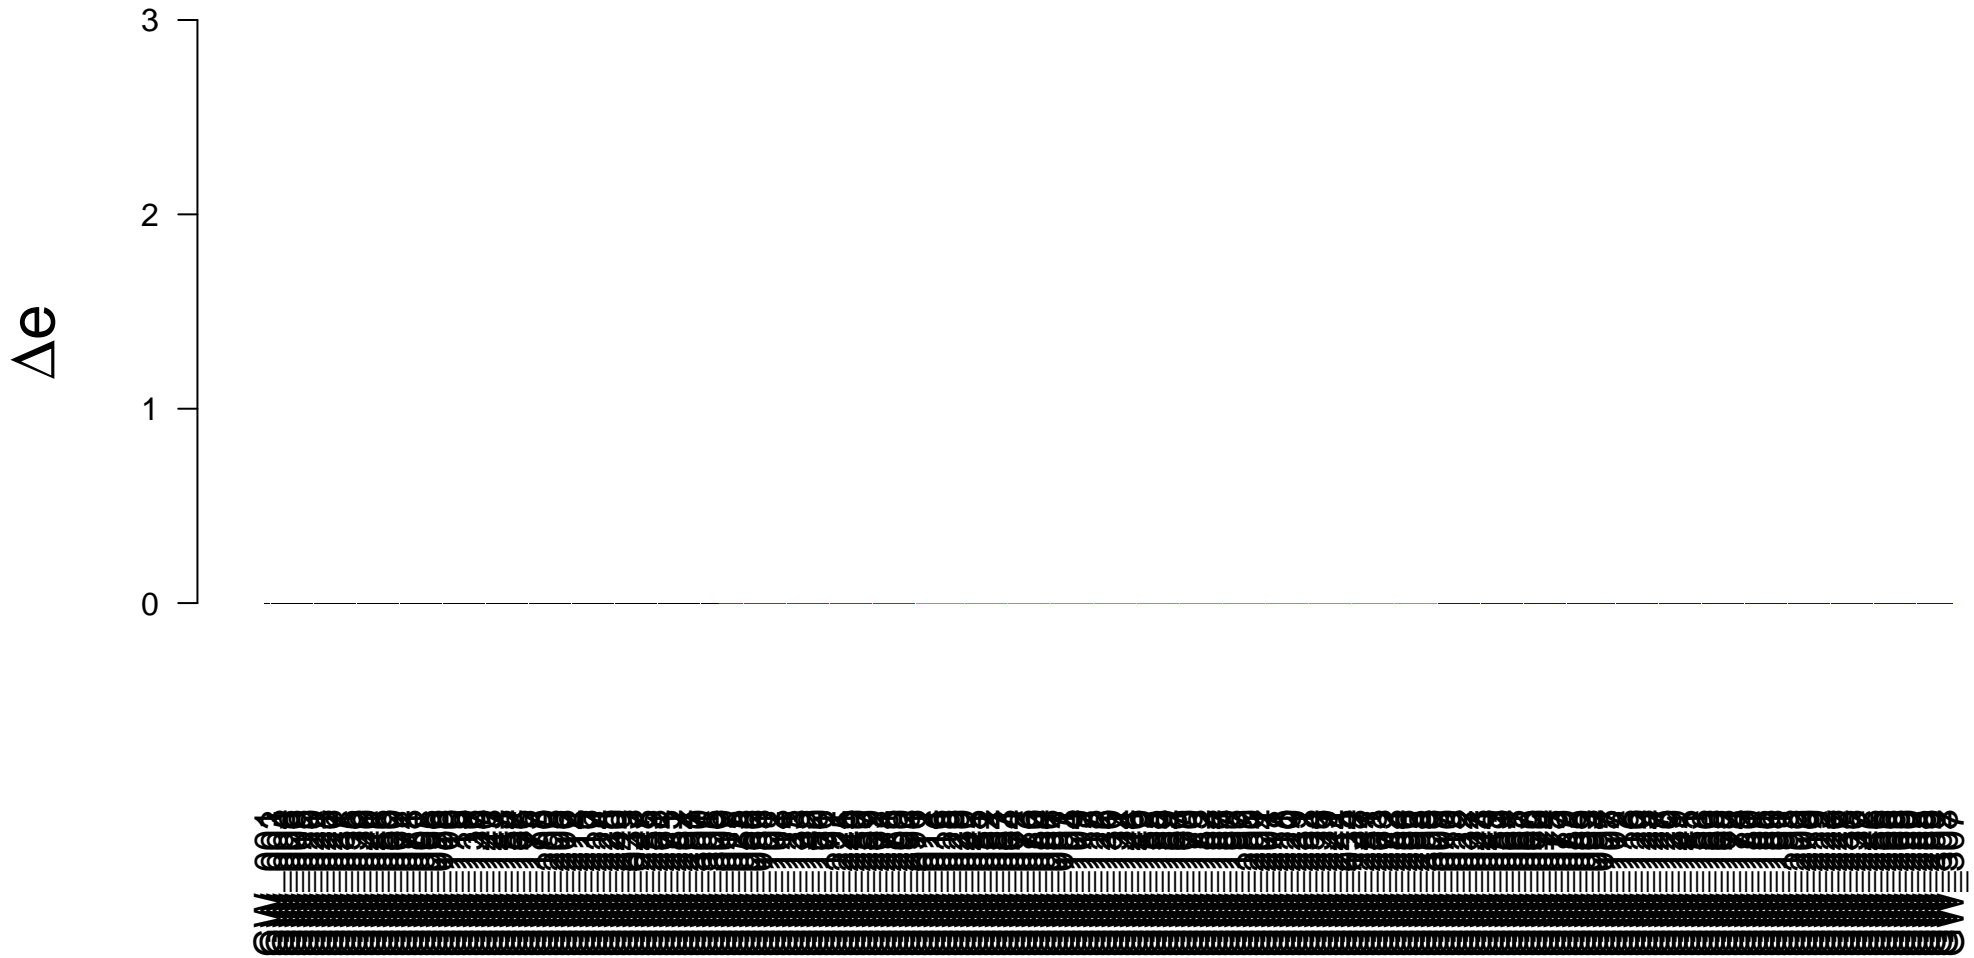

# Expression of heart contraction in Spot E

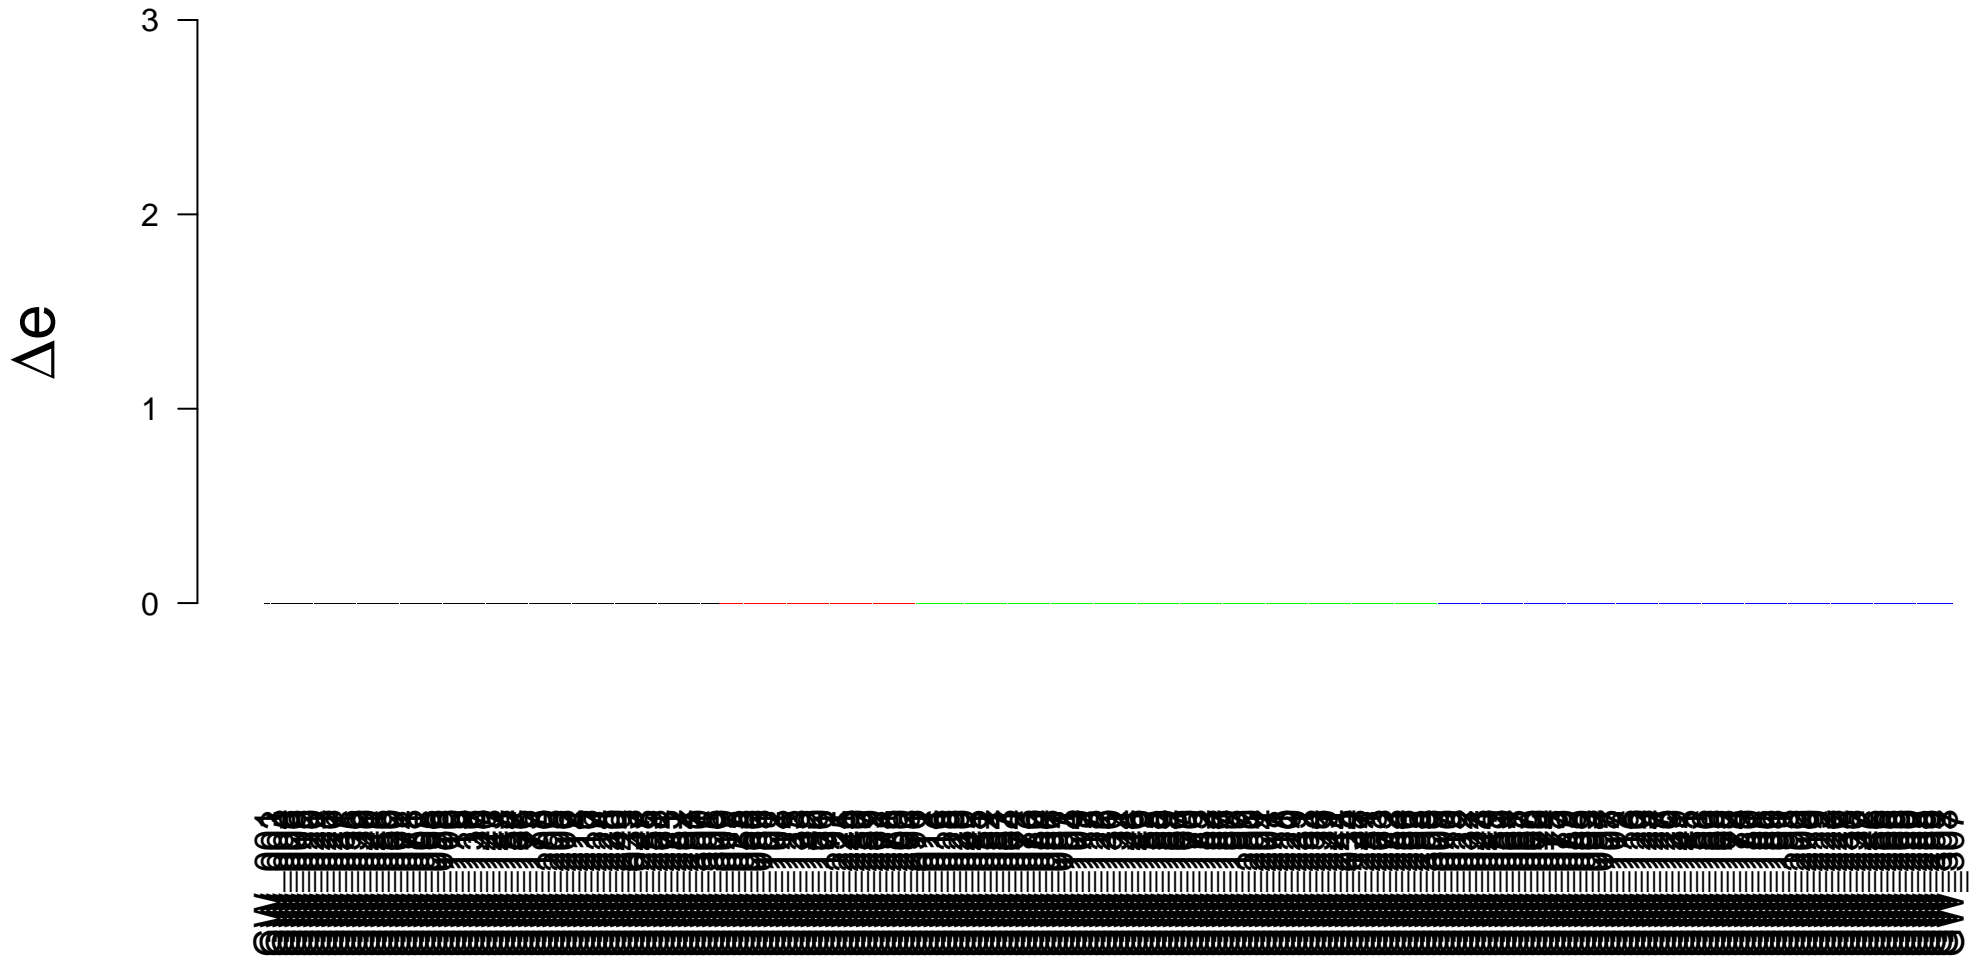

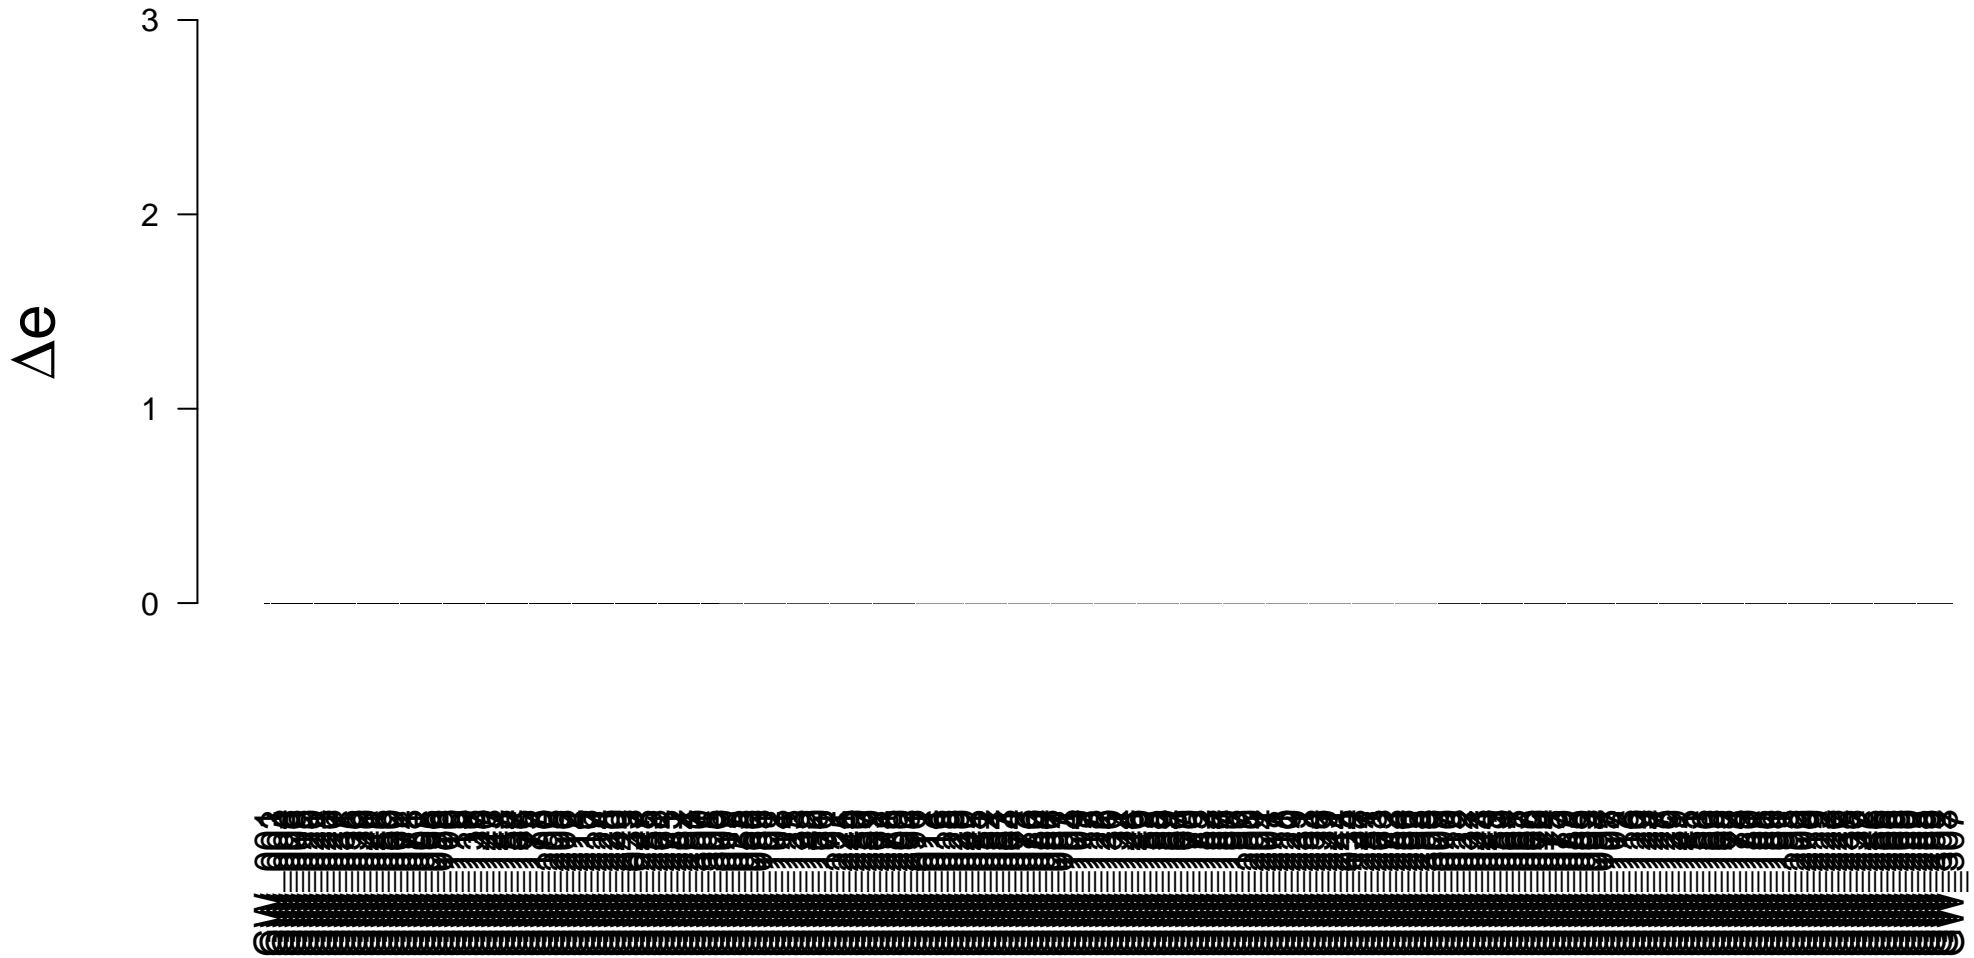

# Expression of heart contraction in Spot F

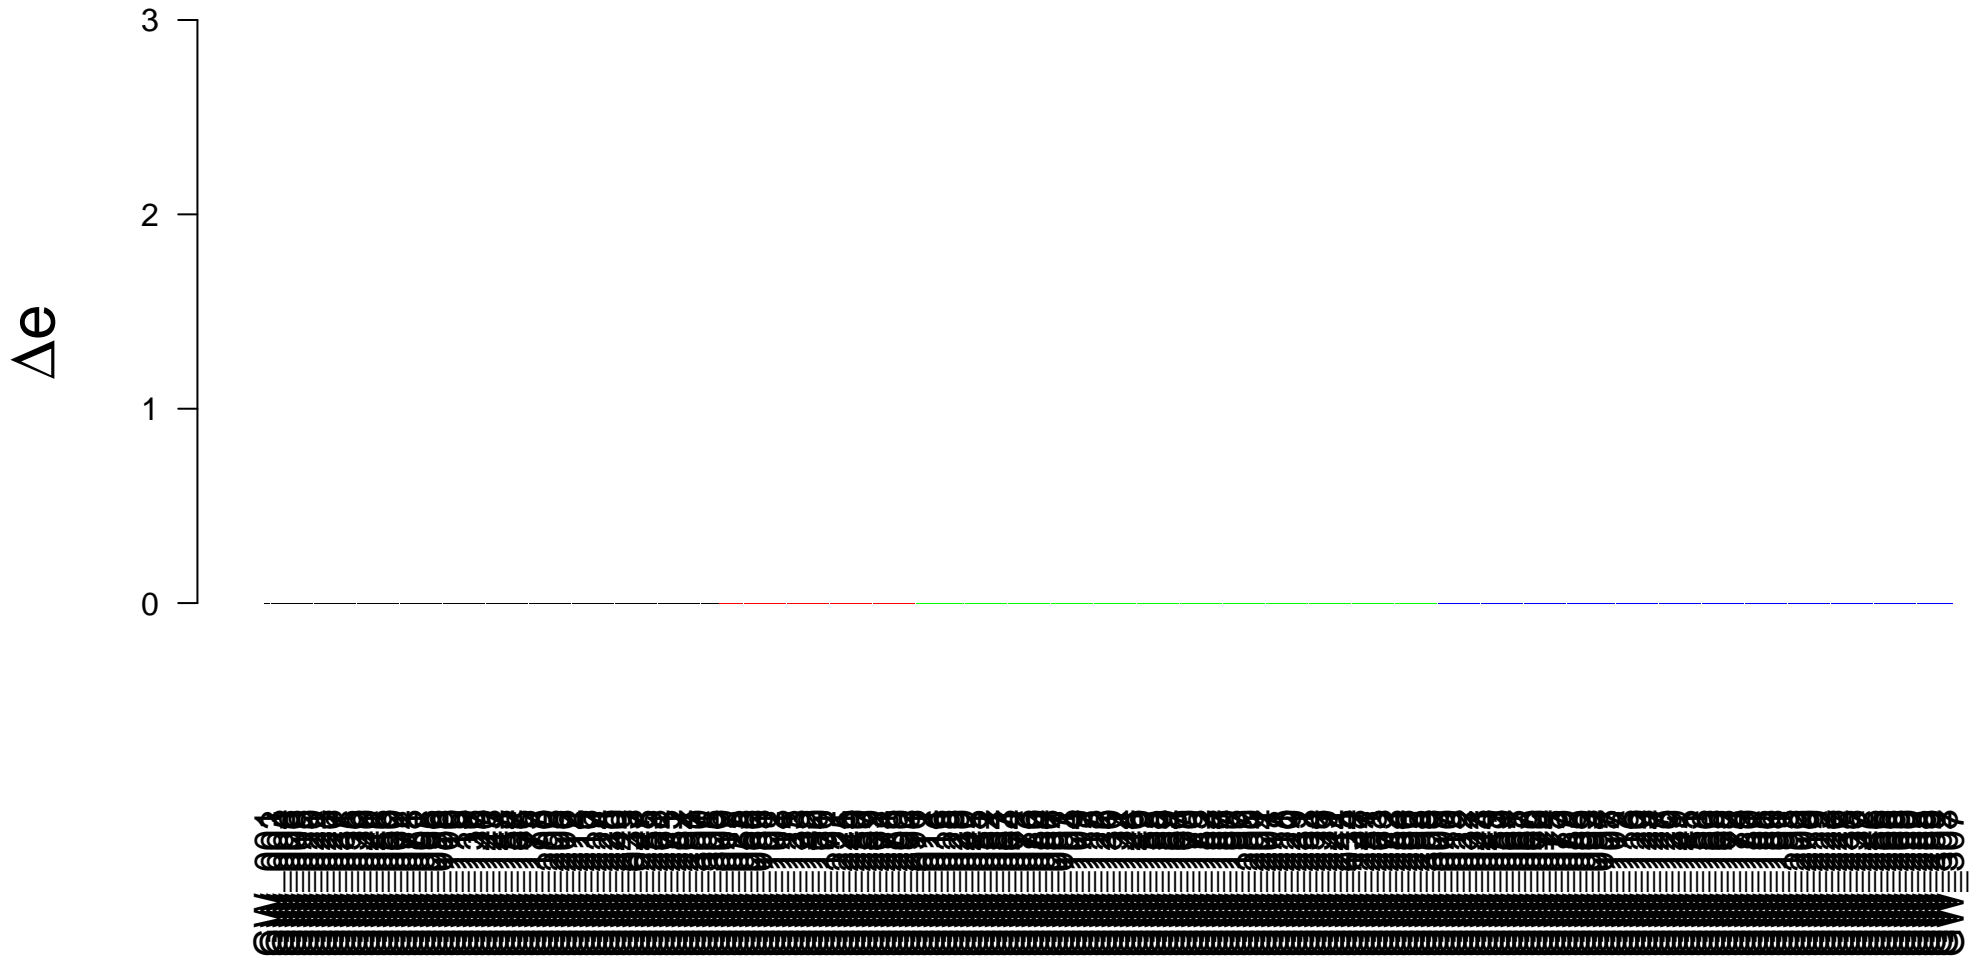

# Expression of heart contraction in Spot G

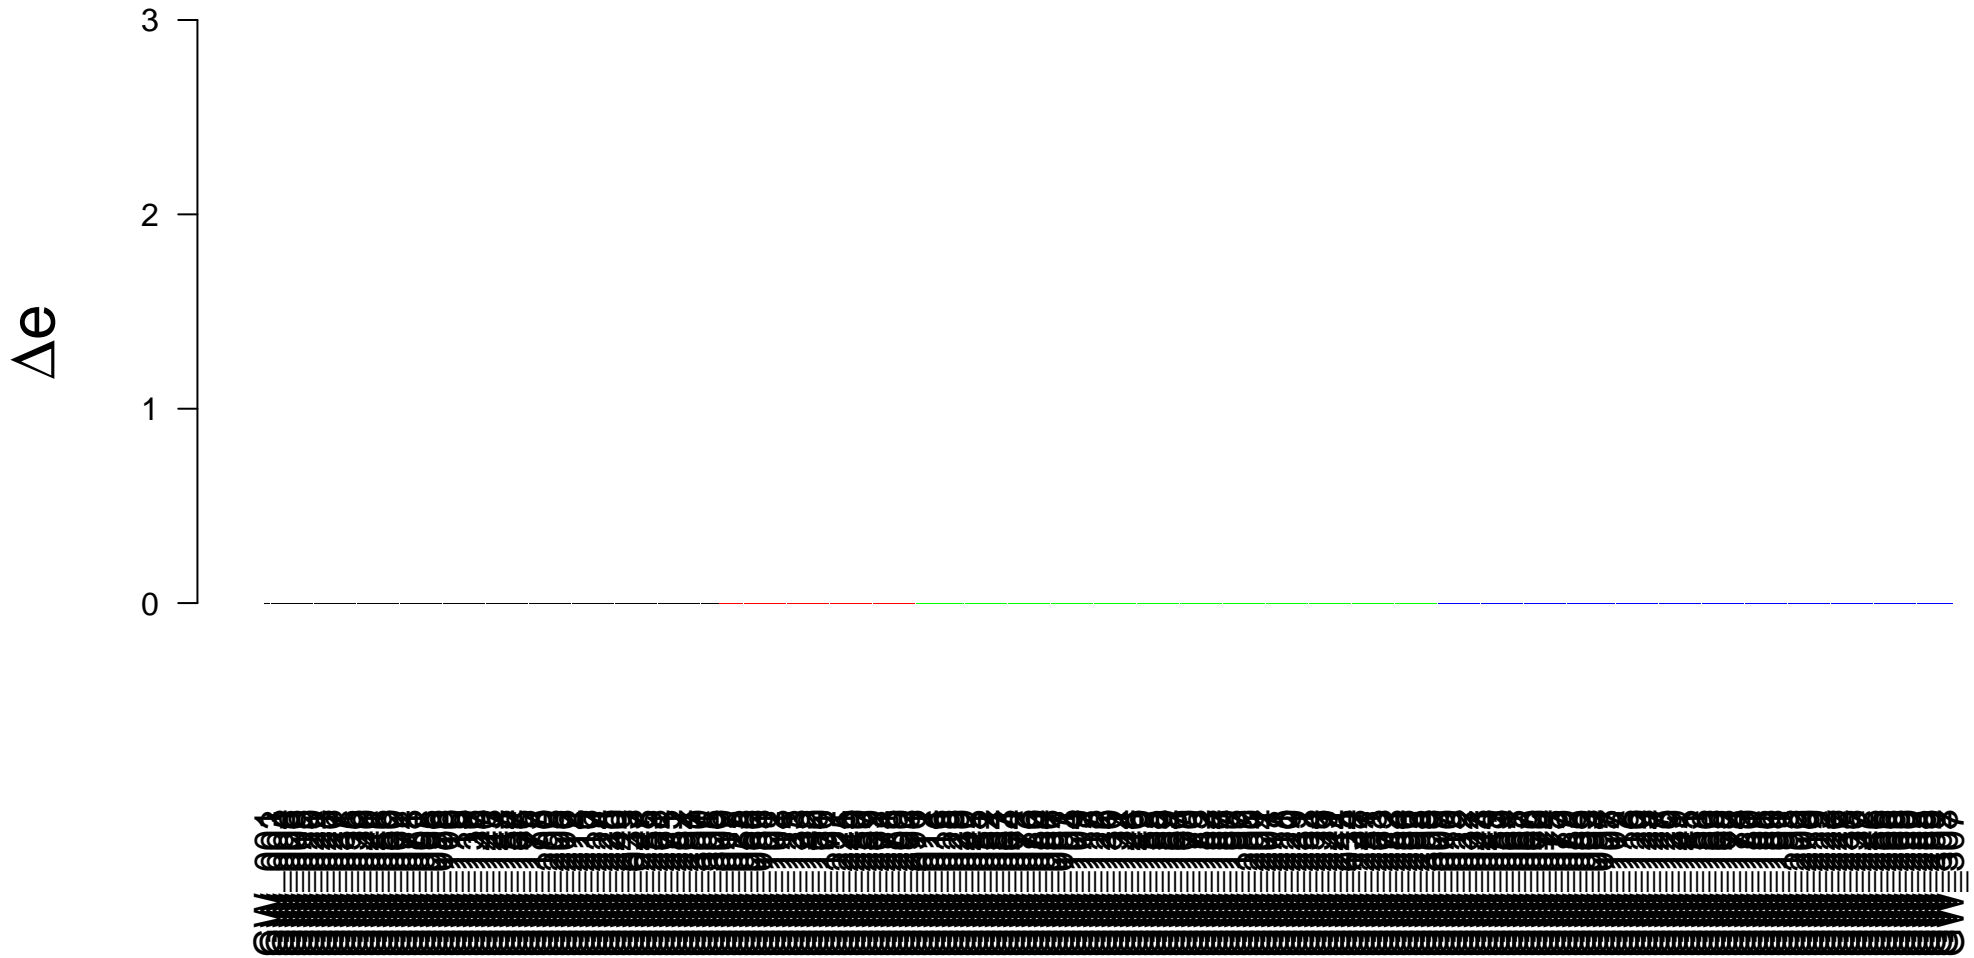

# Expression of heart contraction in Spot H

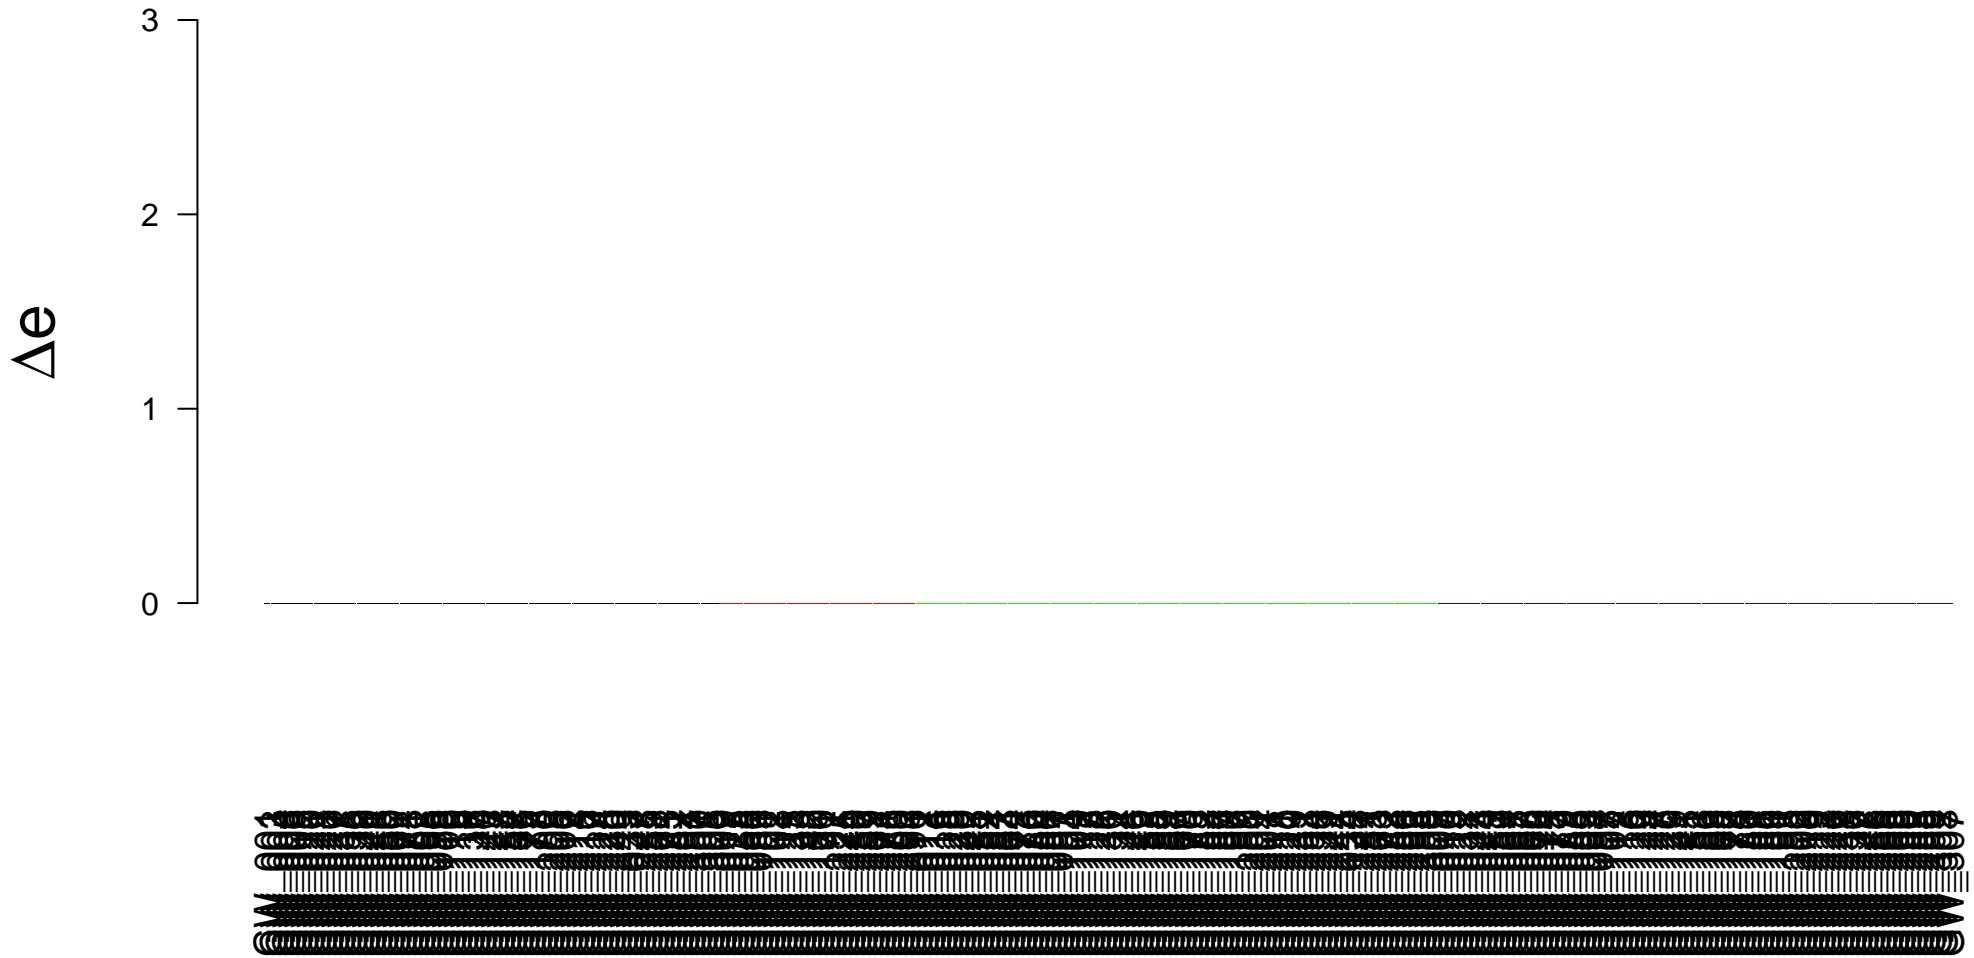

# Expression of heart contraction in Spot I

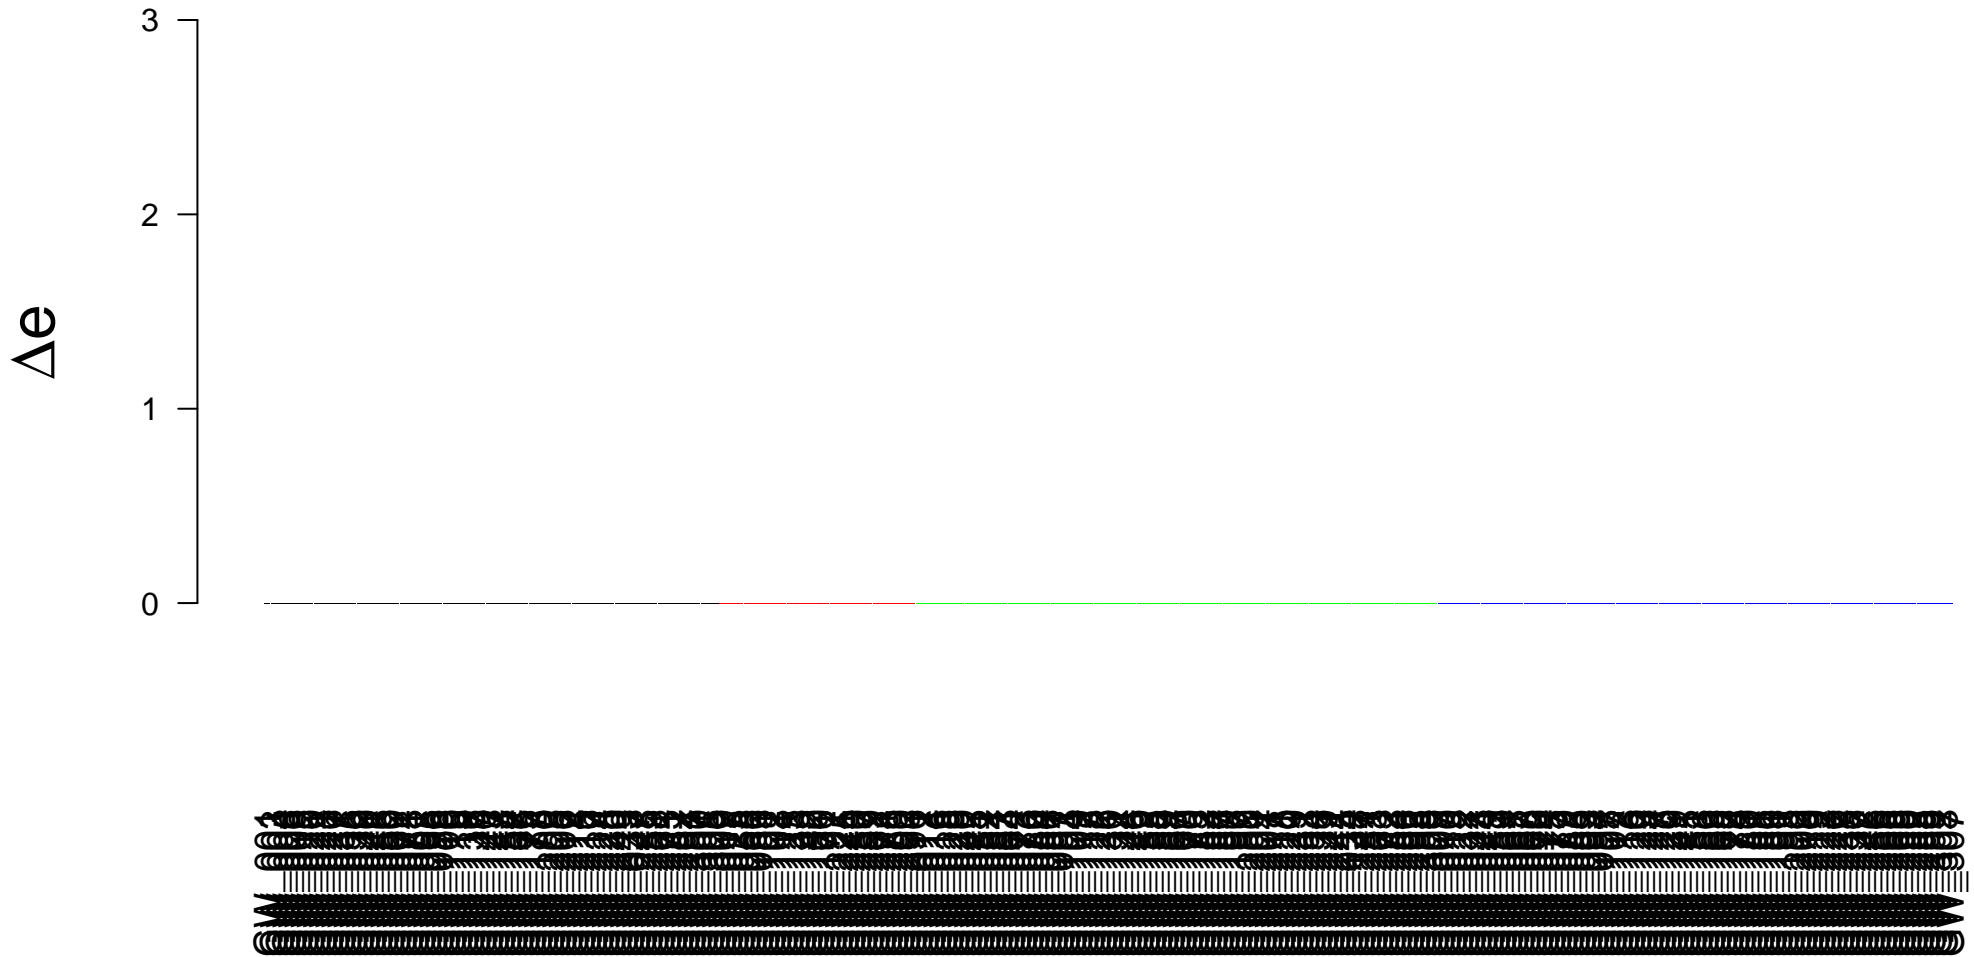

# Expression of heart contraction in Spot J

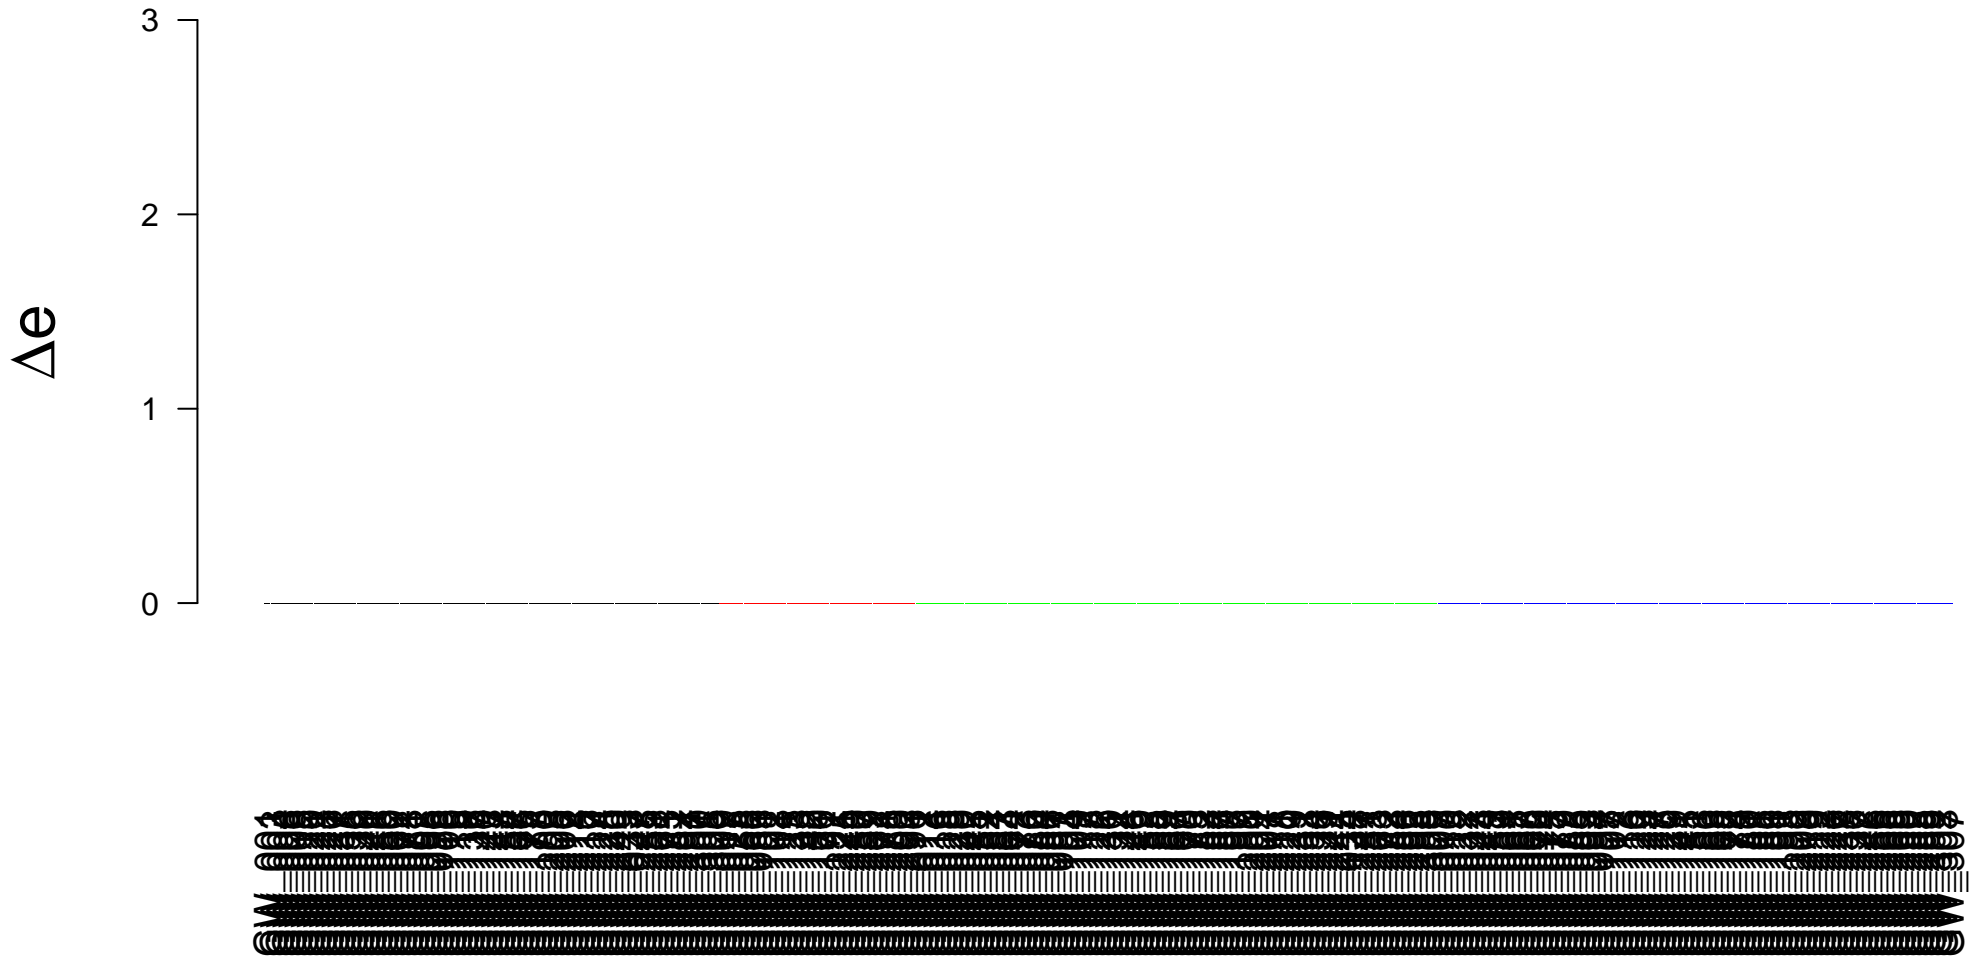

# Expression of heart contraction in Spot K

# Expression of heart contraction in Spot L

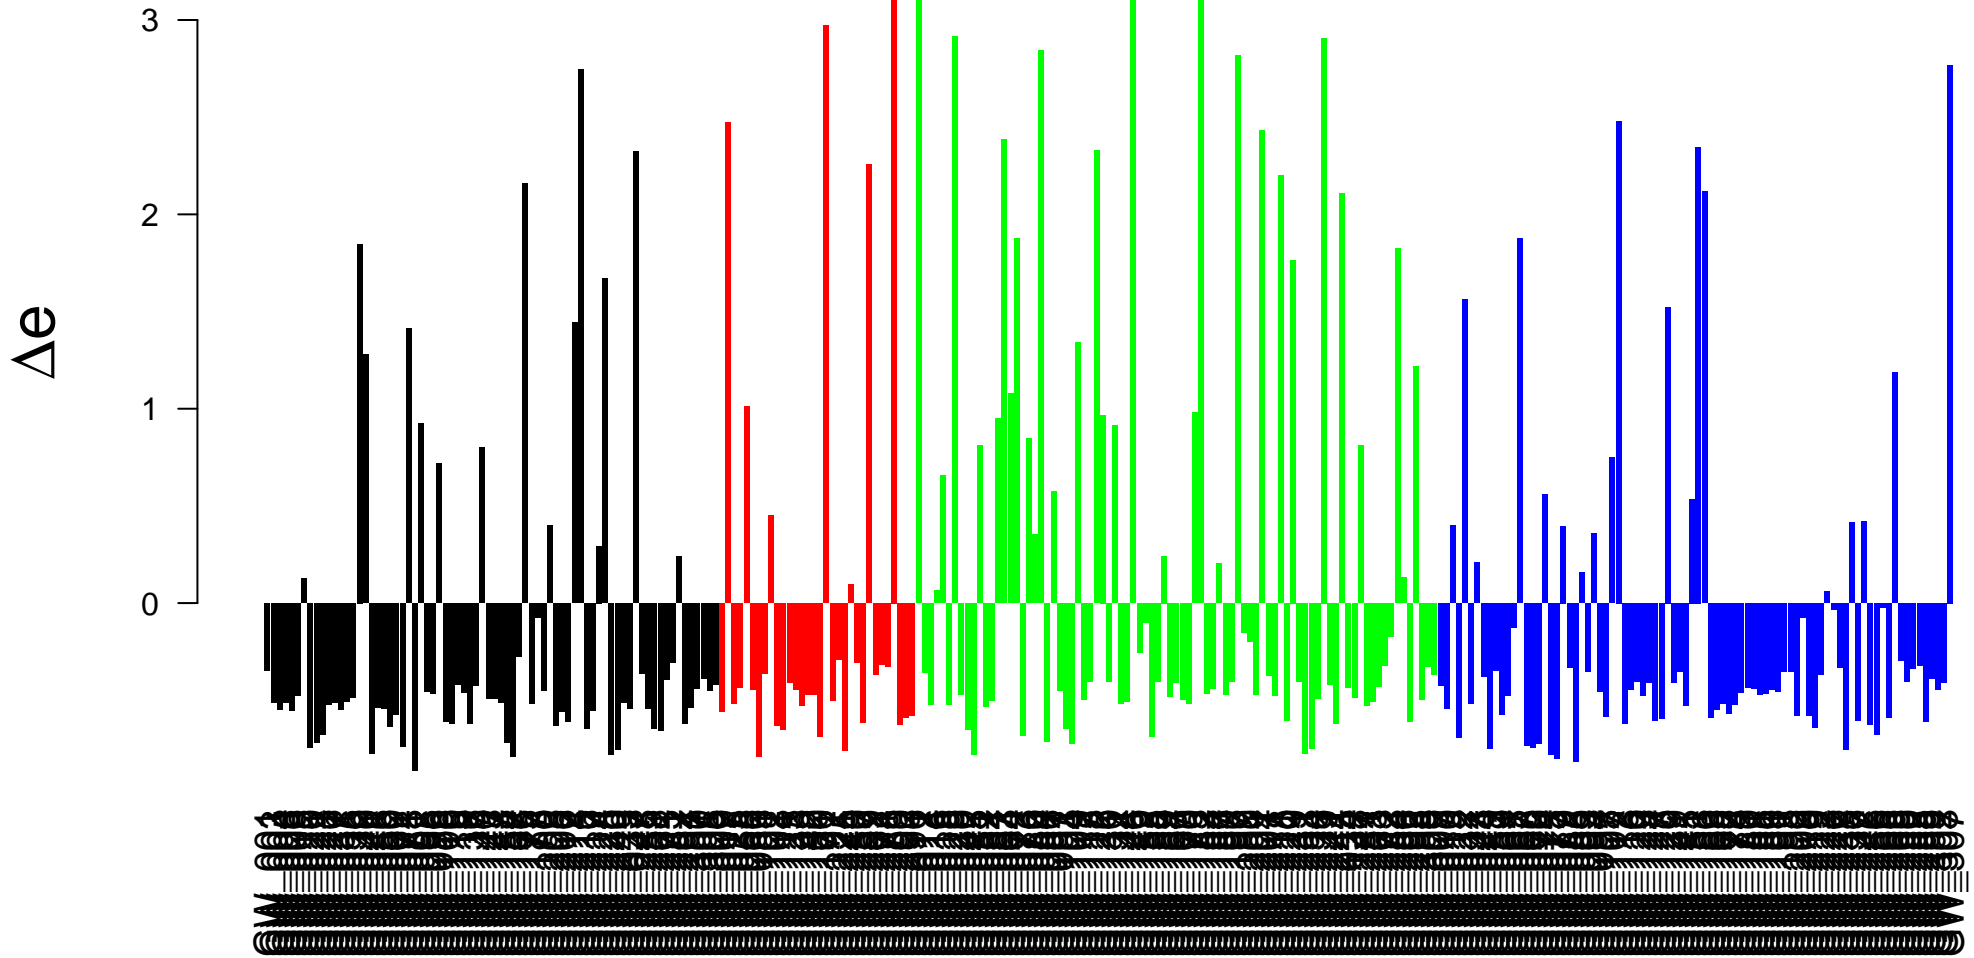

# Expression of heart contraction in Spot M

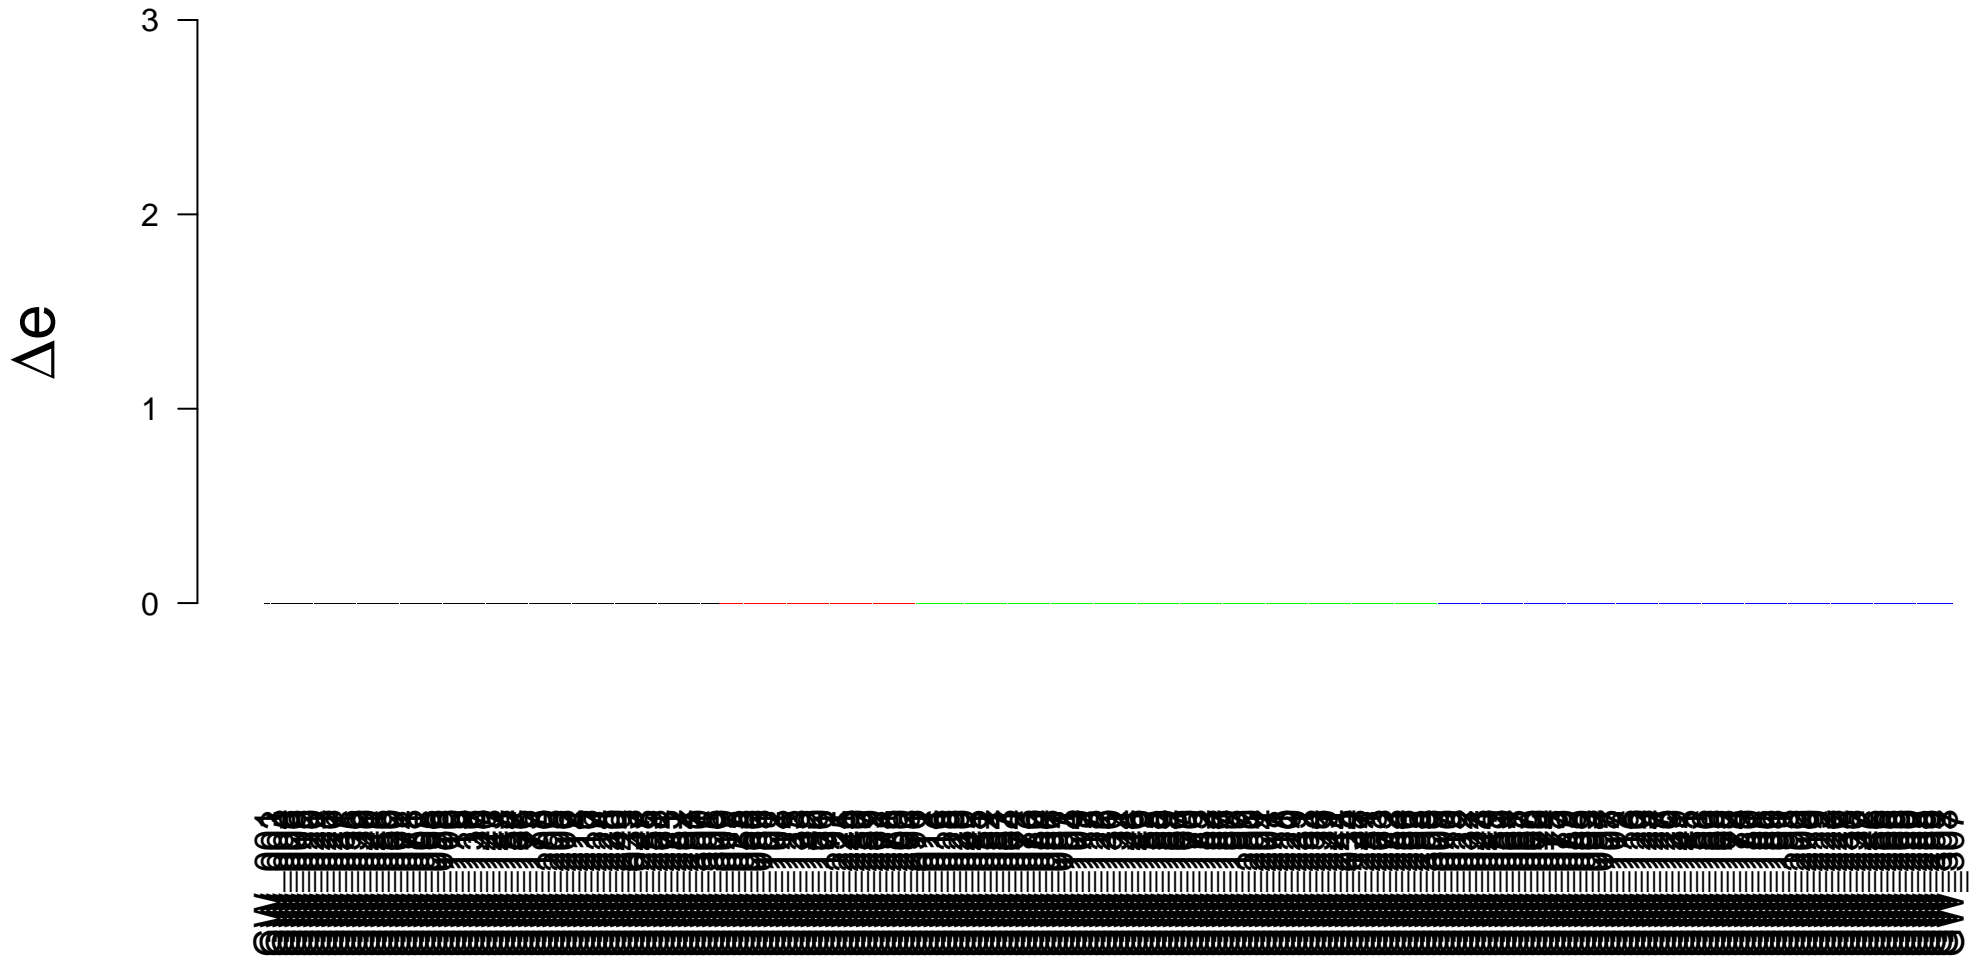

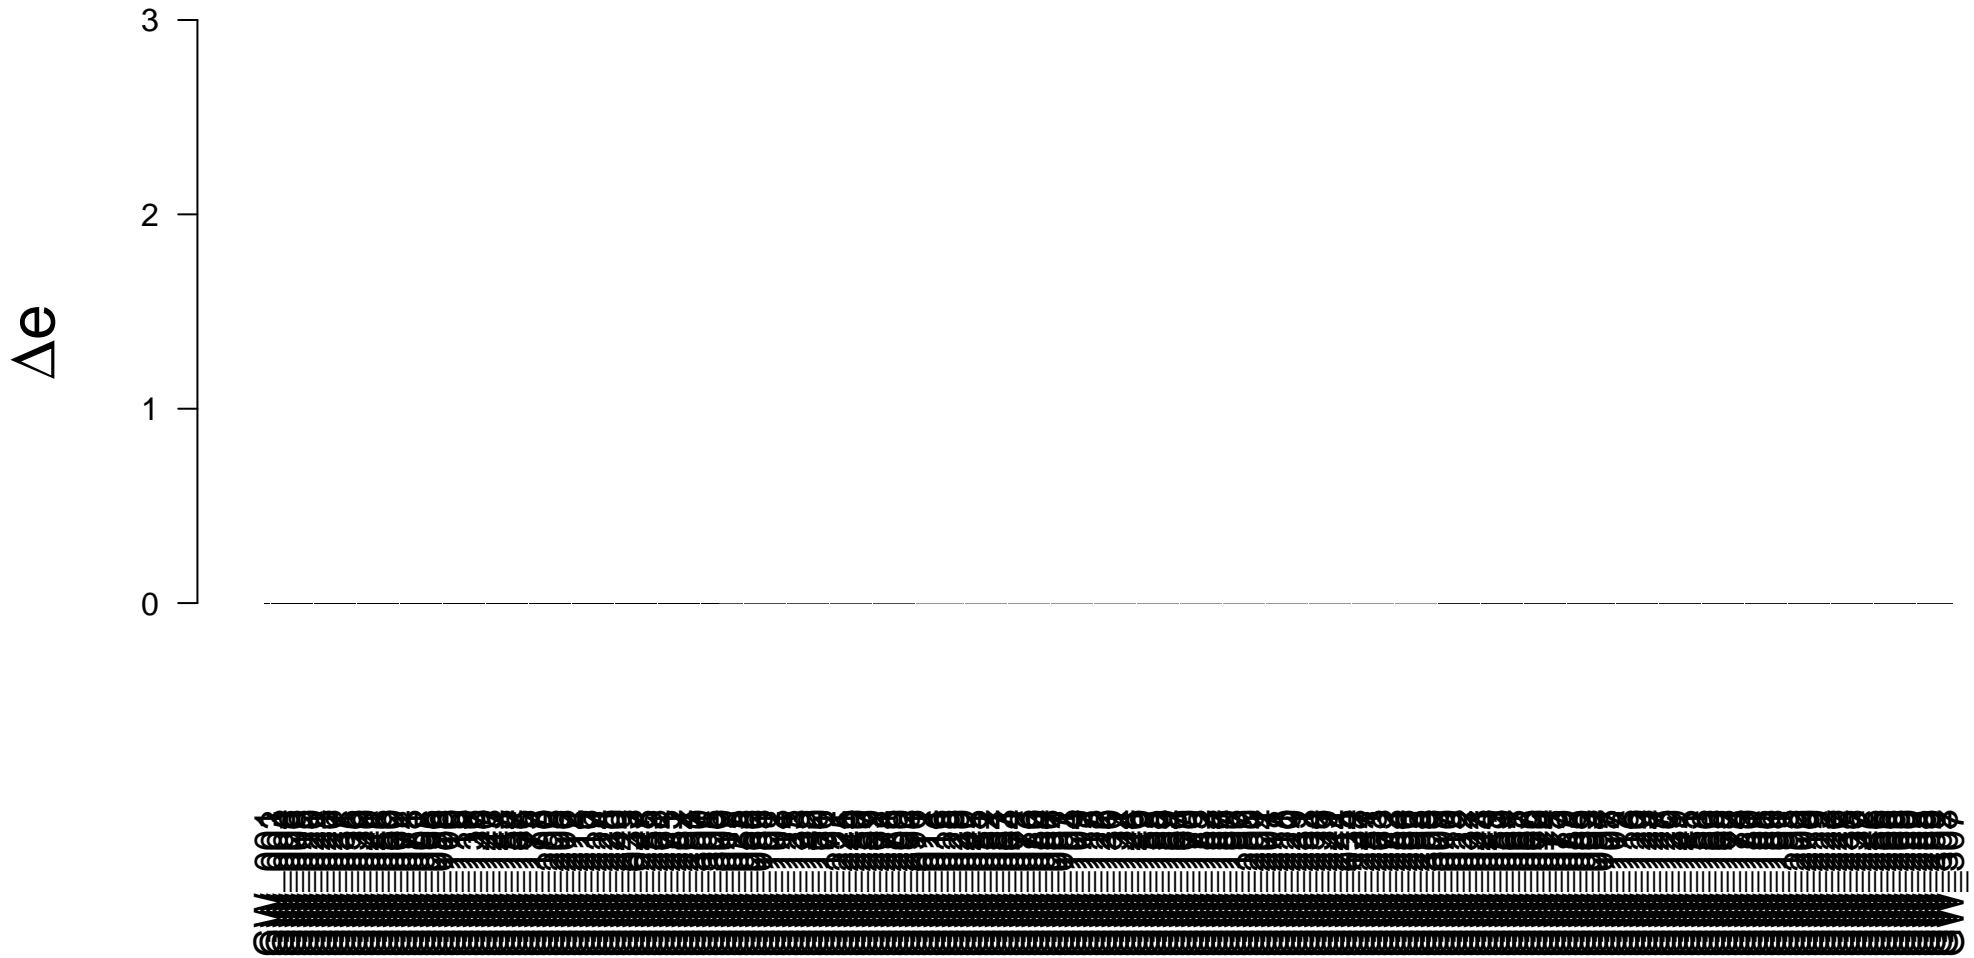

# Expression of heart contraction in Spot N

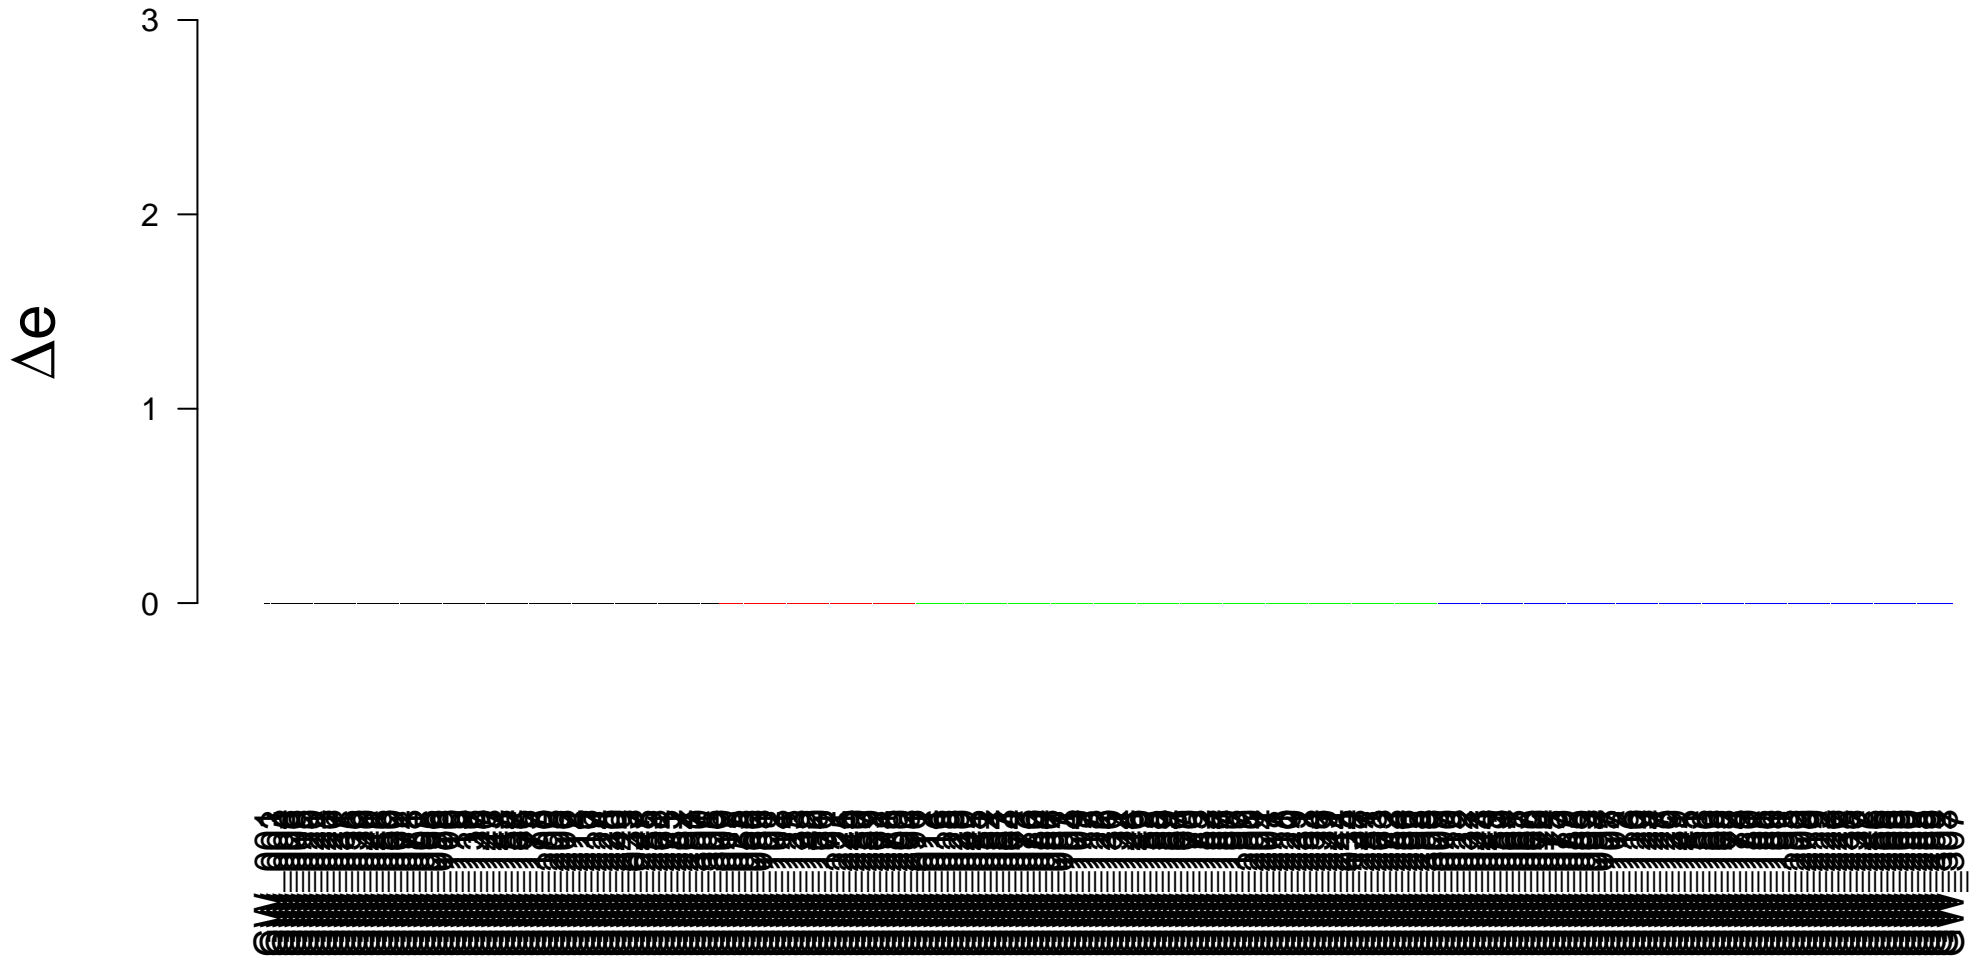

# Expression of heart contraction in Spot O

# Expression of heart contraction in Spot P

# Expression of heart contraction in Spot Q

# Expression of heart contraction in Spot R
