

hematopoietic stem cell proliferation

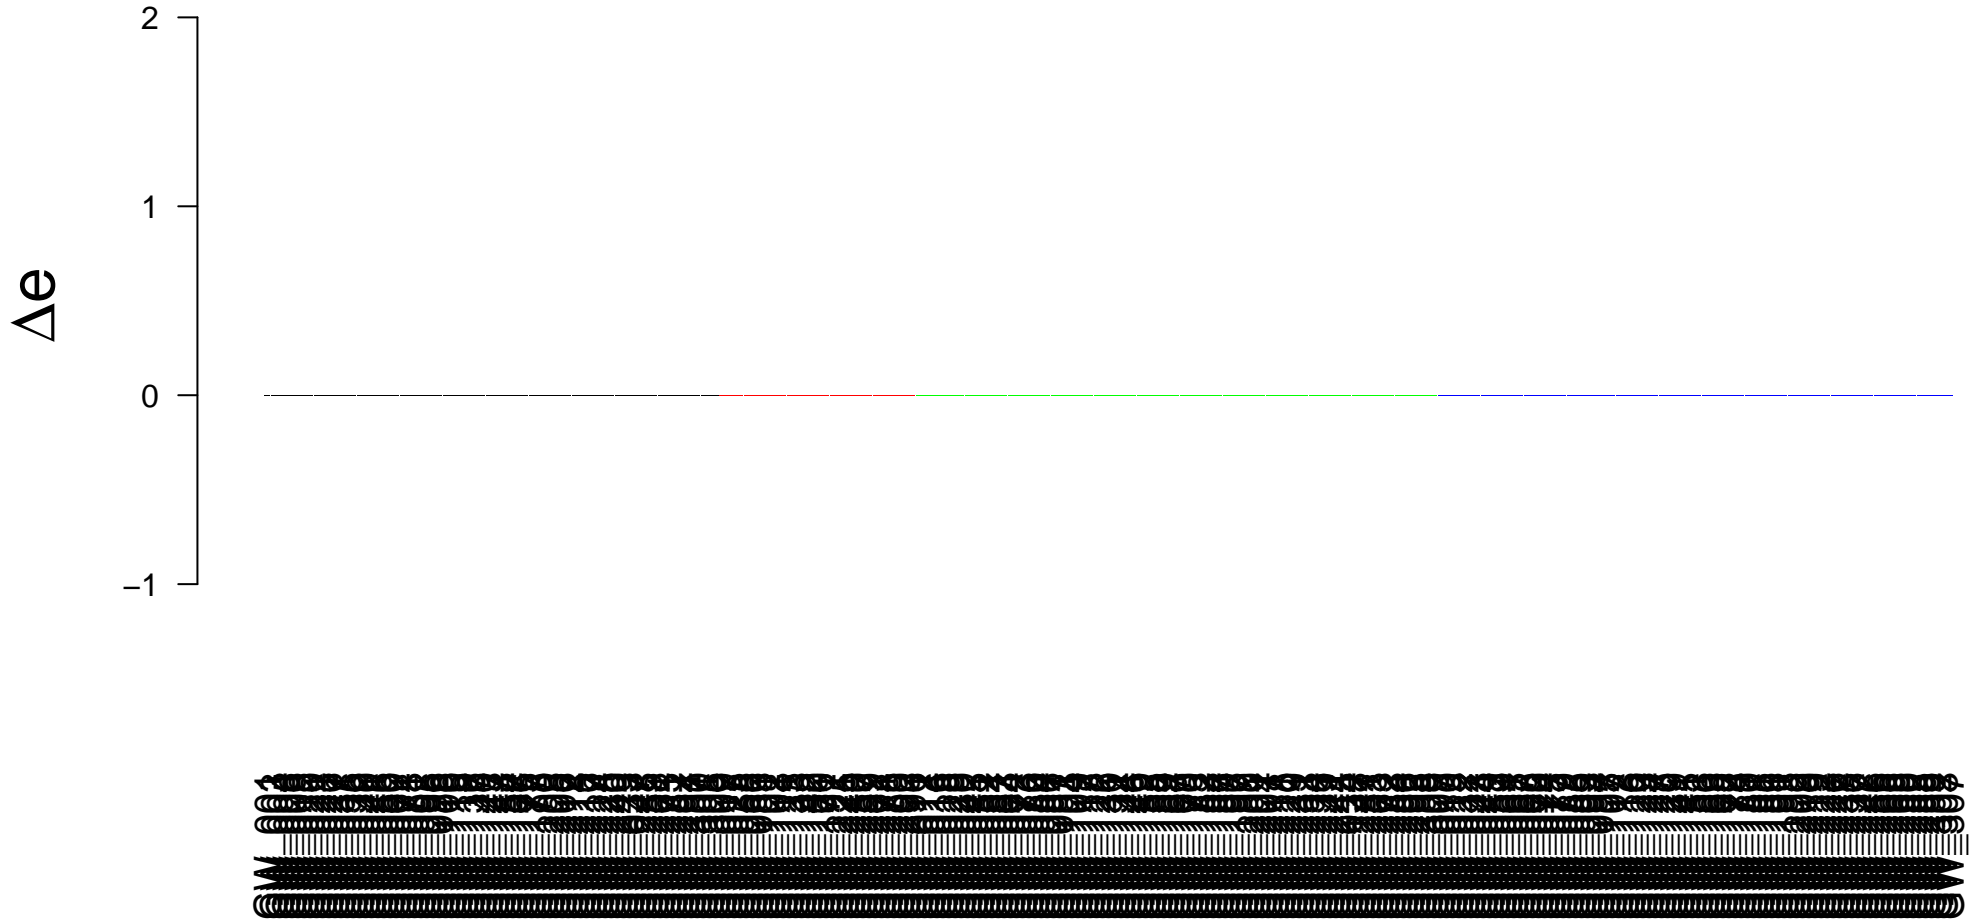

hematopoietic stem cell proliferation

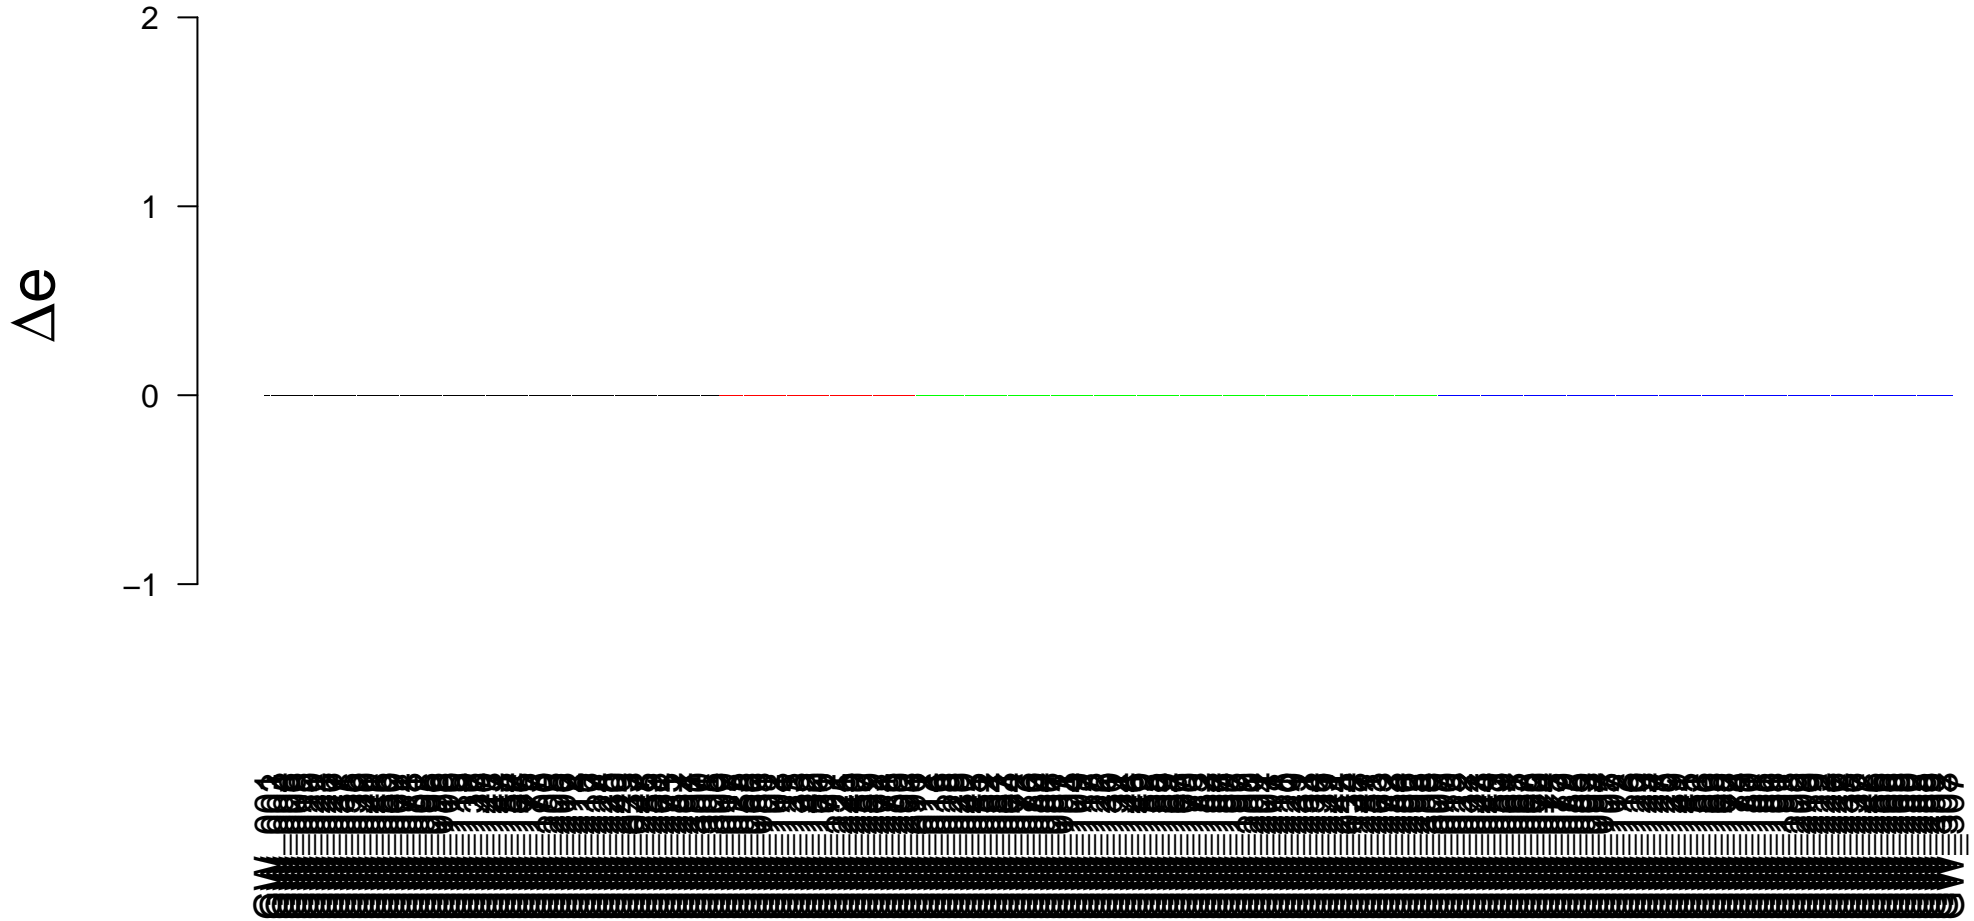

Enrichment in spots: hematopoietic stem cell proliferation

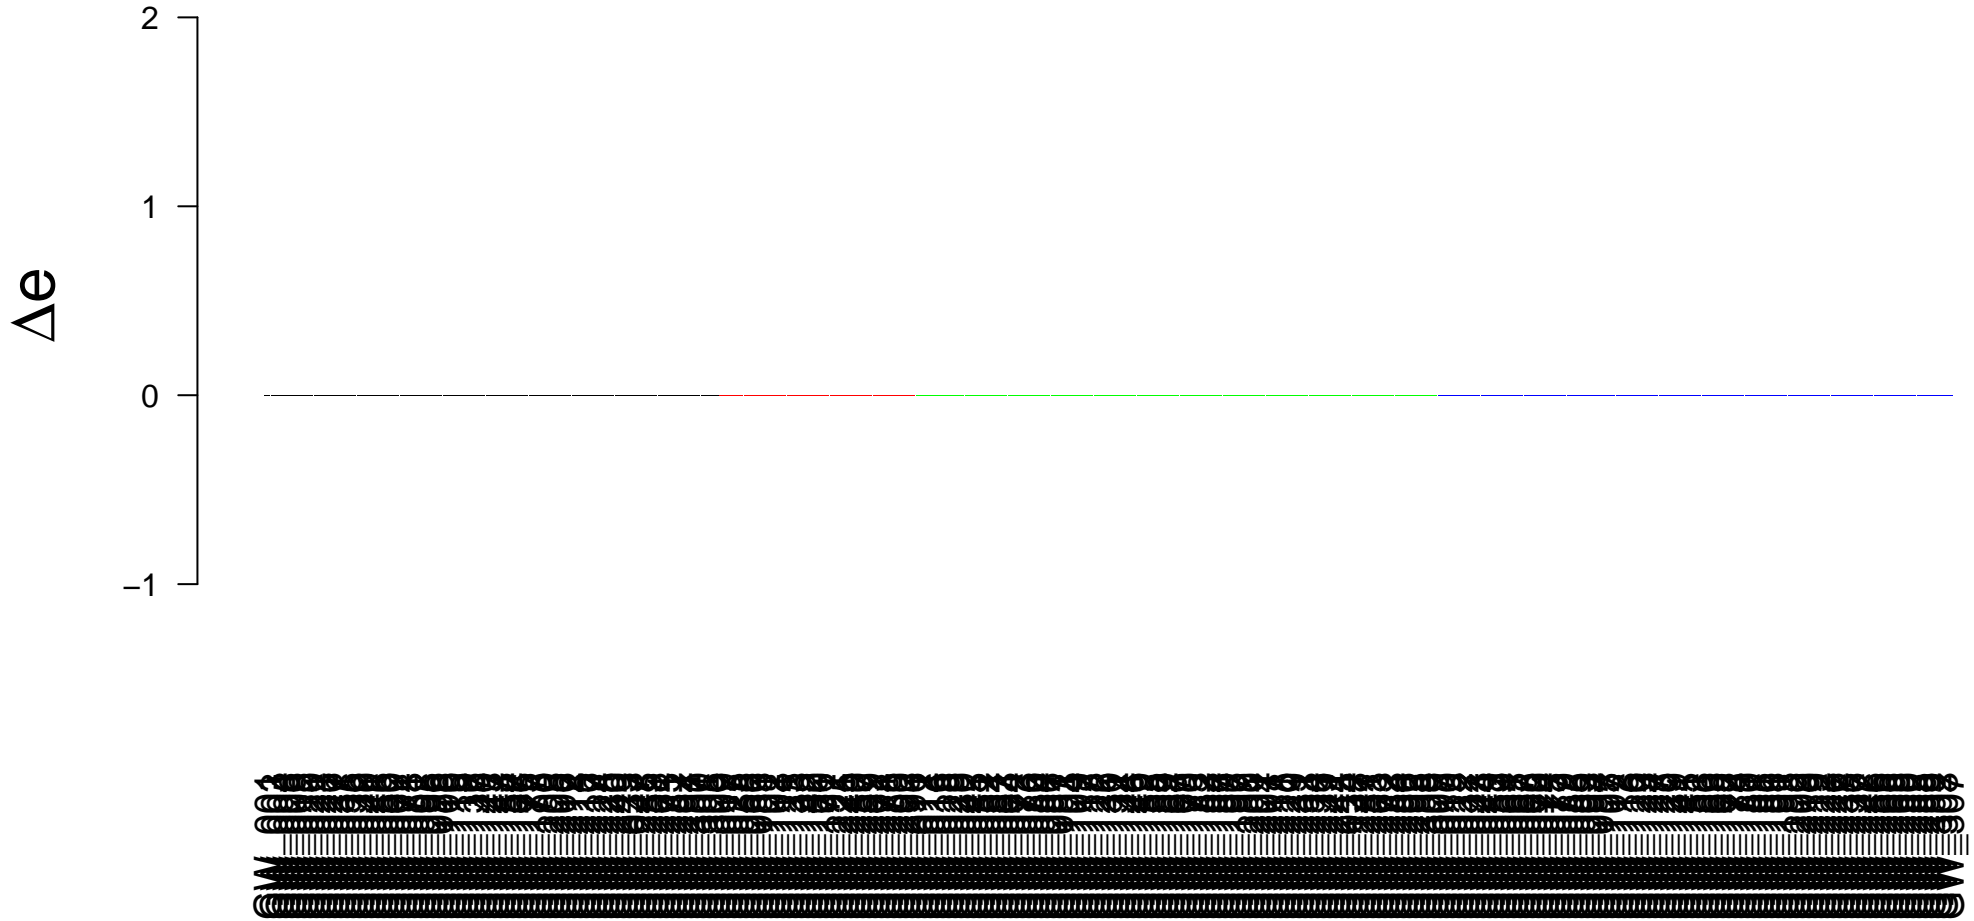

Expression of hematopoietic stem cell proliferation in Spot A

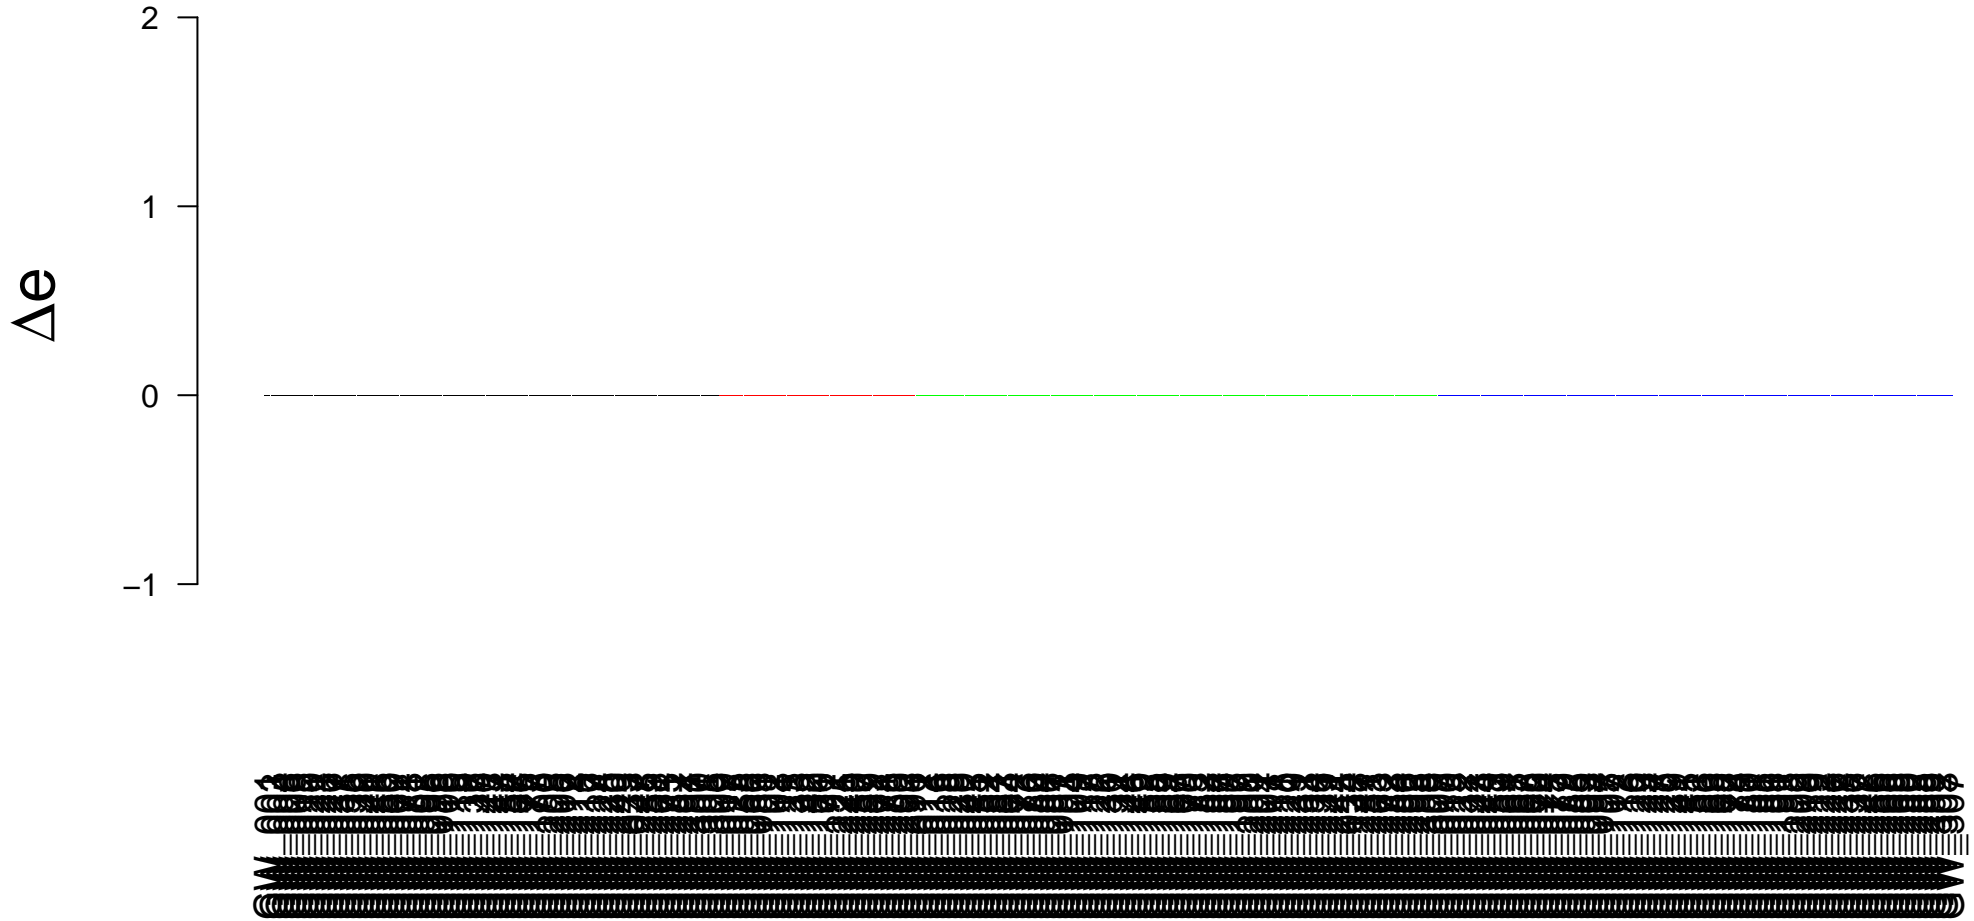

Expression of hematopoietic stem cell proliferation in Spot B

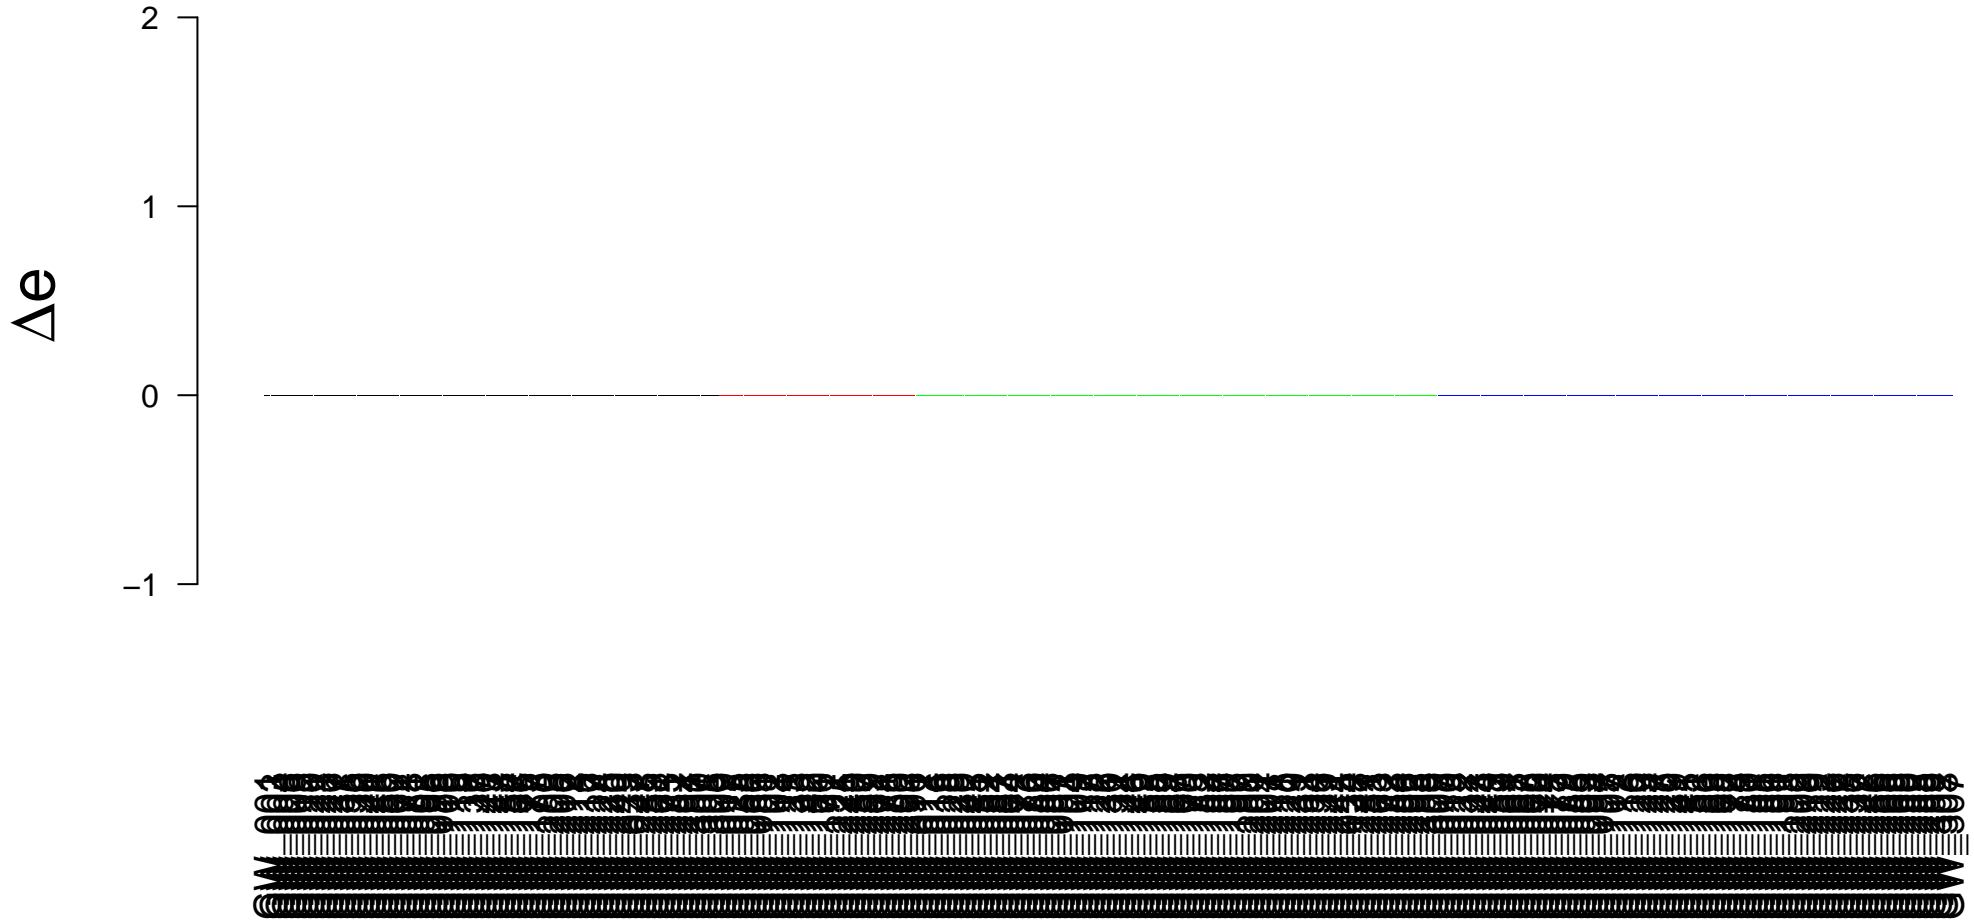

Expression of hematopoietic stem cell proliferation in Spot C

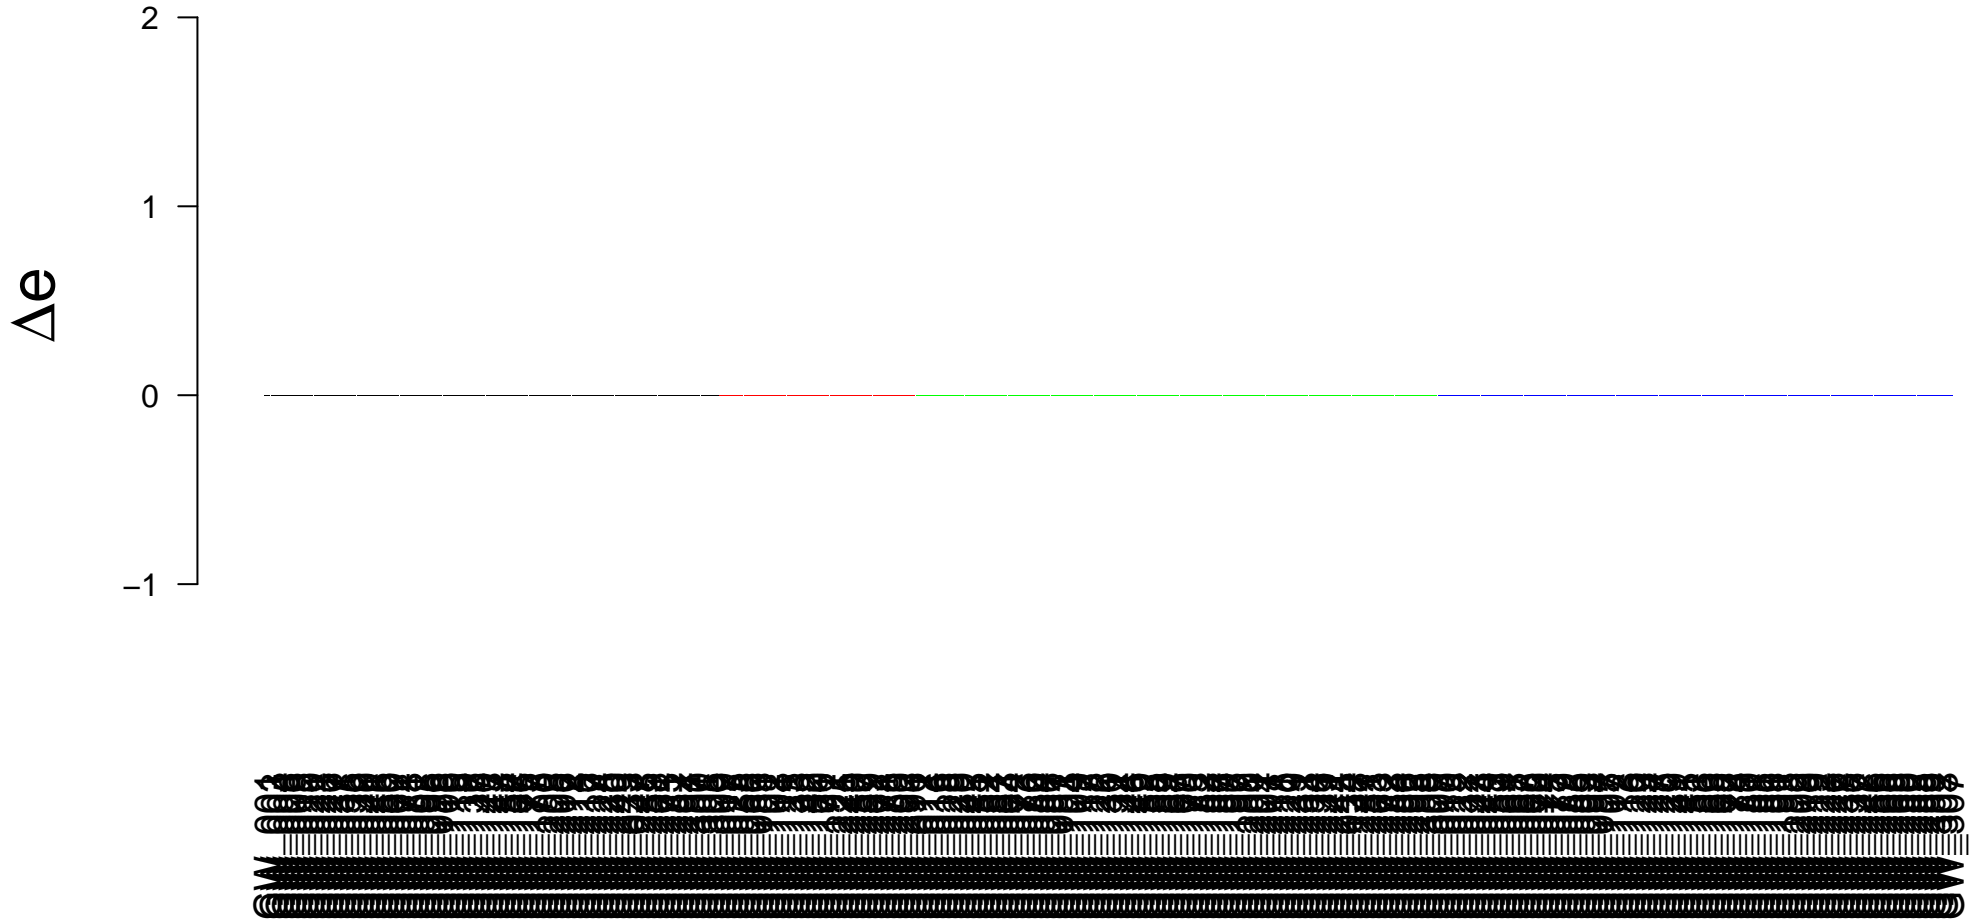

Expression of hematopoietic stem cell proliferation in Spot D

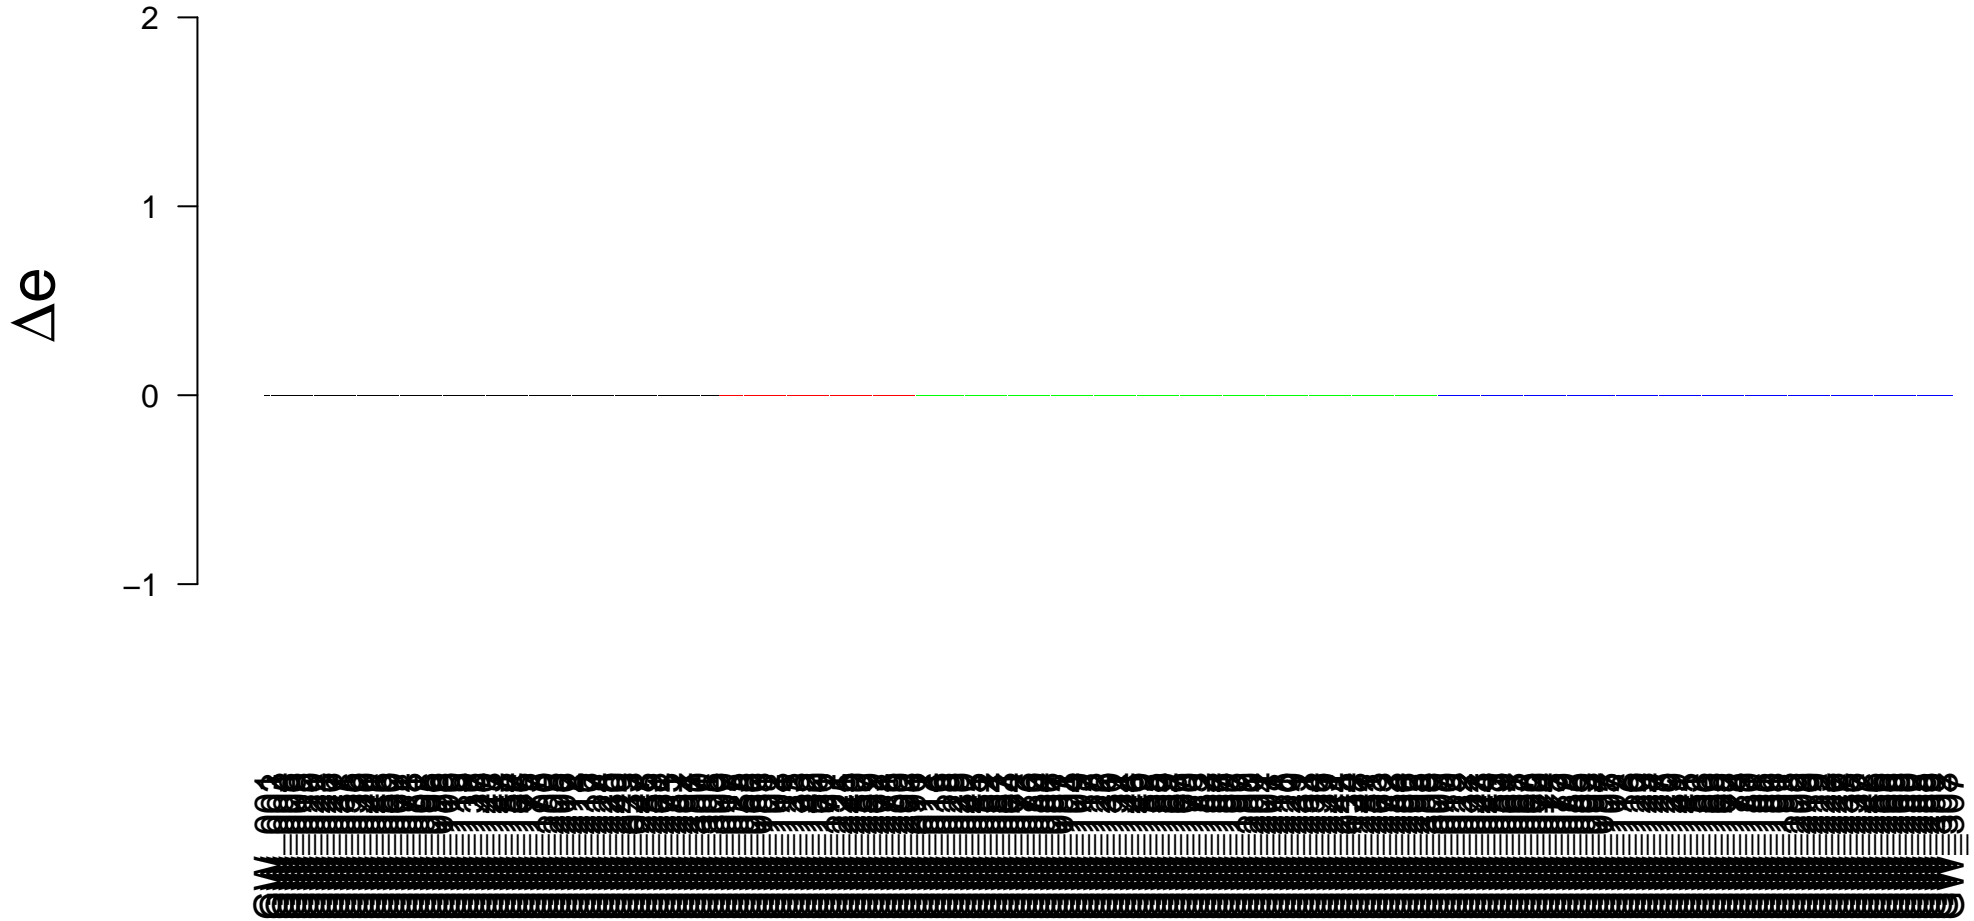

Expression of hematopoietic stem cell proliferation in Spot E

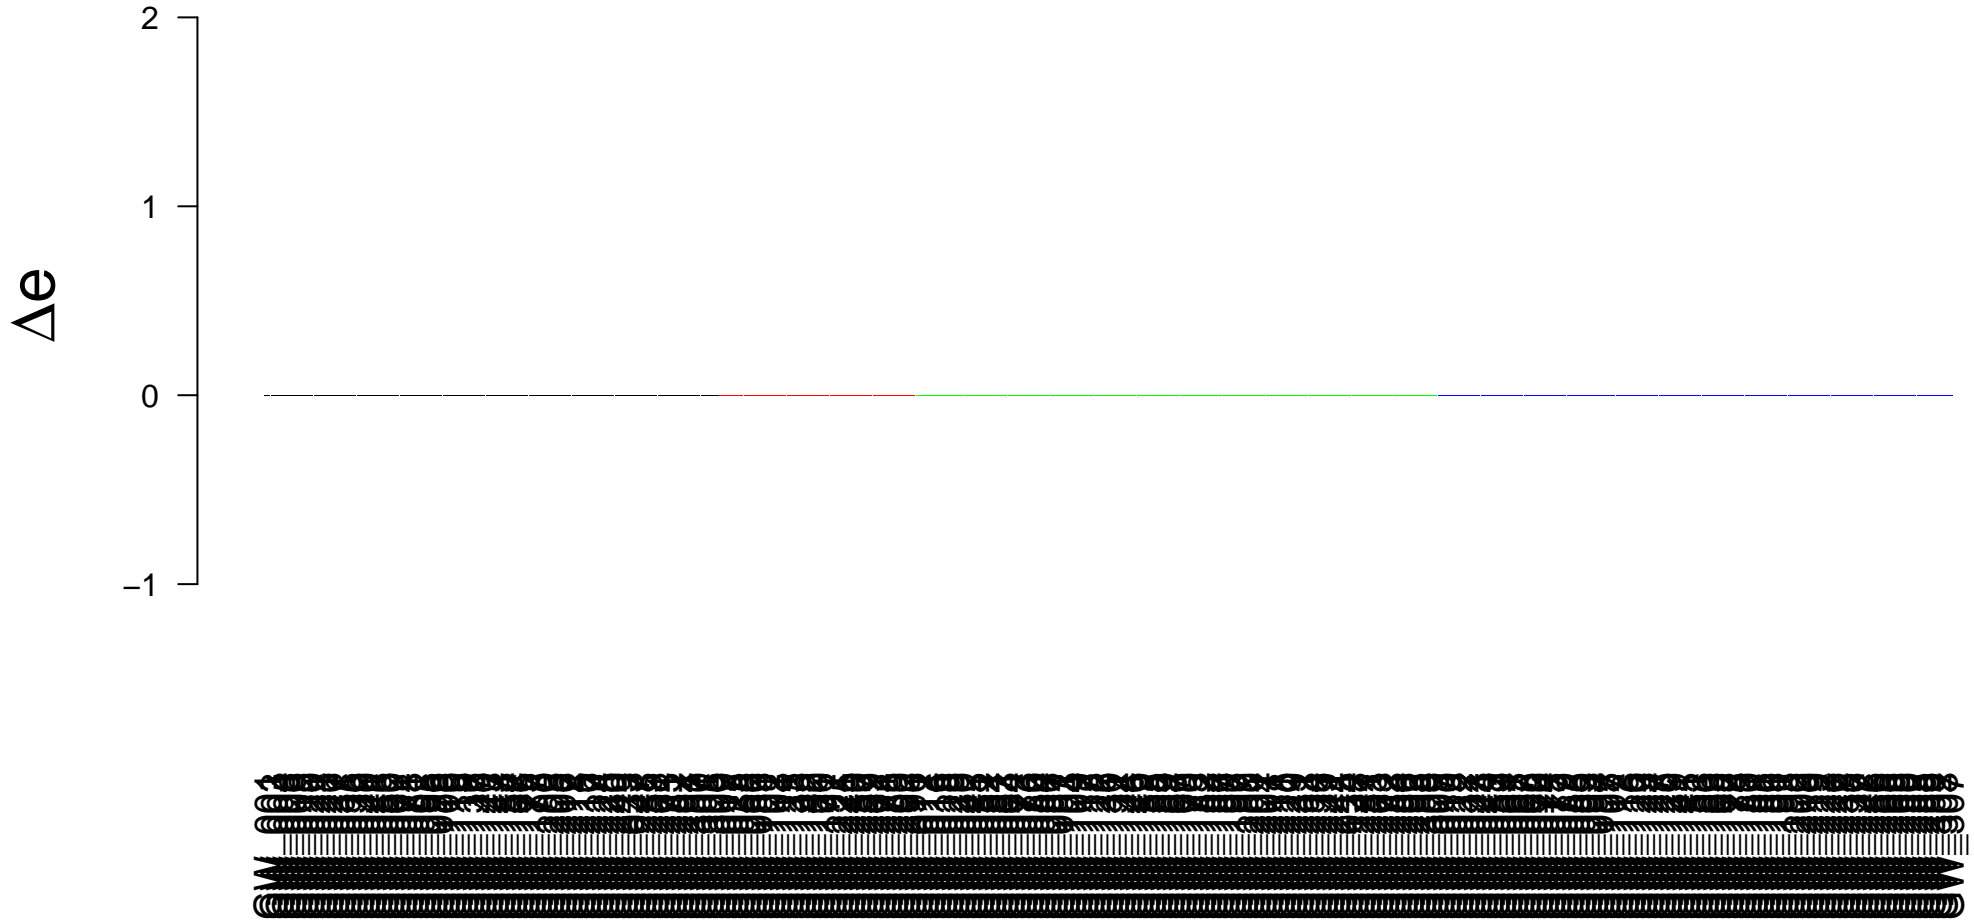

Expression of hematopoietic stem cell proliferation in Spot F

Expression of hematopoietic stem cell proliferation in Spot G

Expression of hematopoietic stem cell proliferation in Spot H

Expression of hematopoietic stem cell proliferation in Spot I
