

heparan sulfate proteoglycan biosynthetic process

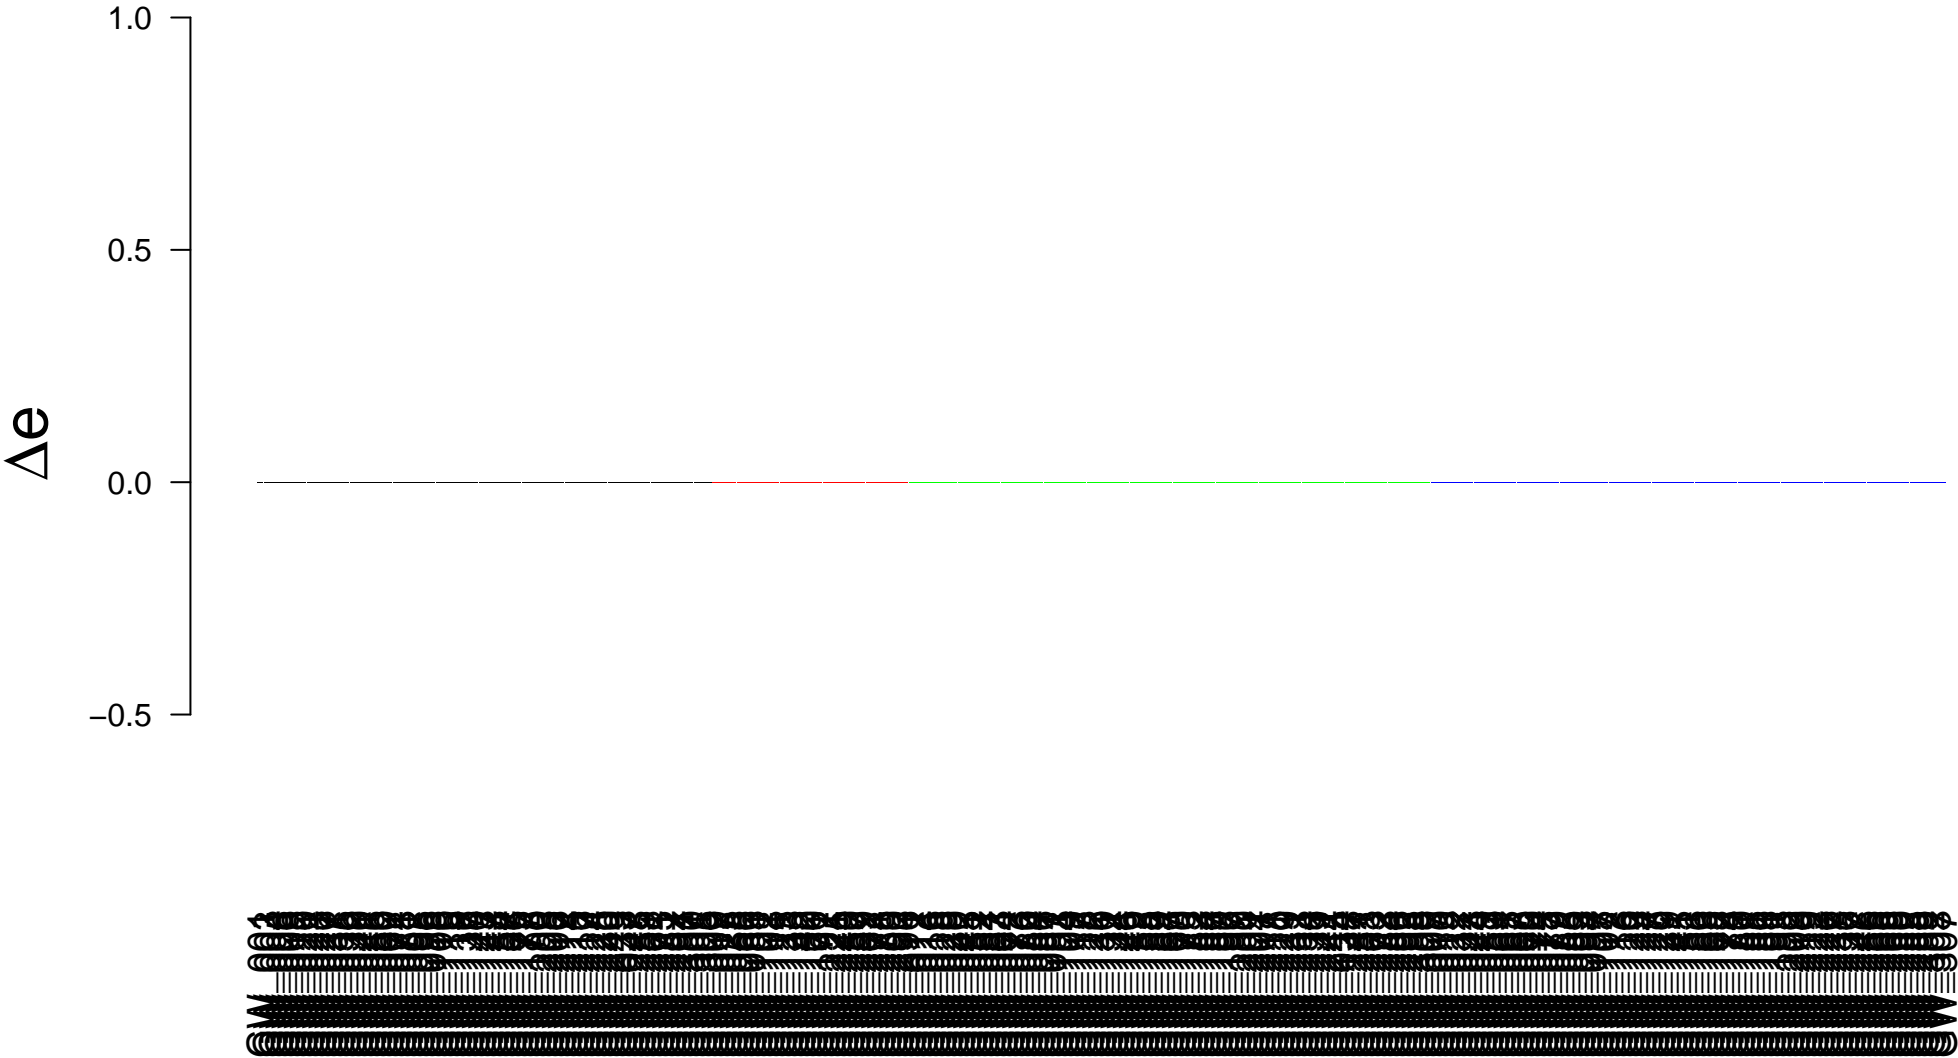

heparan sulfate proteoglycan biosynthetic process

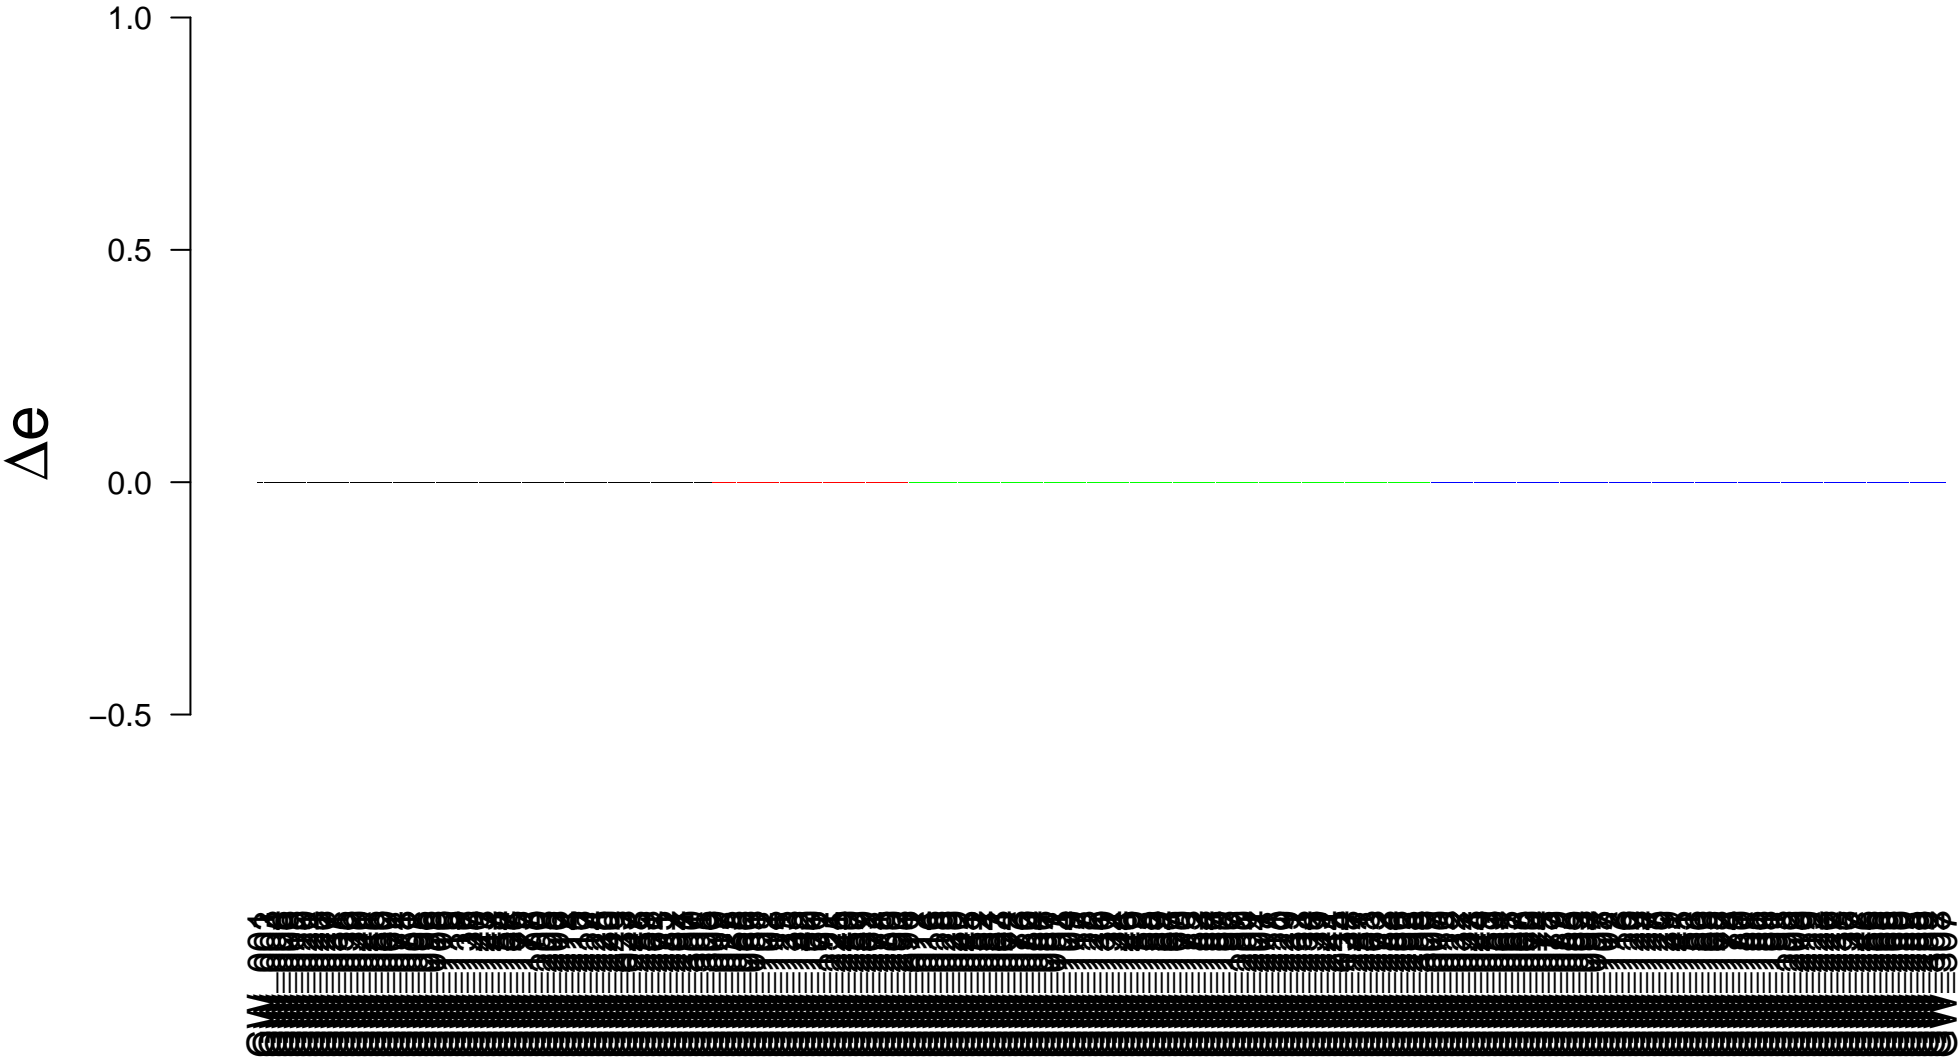

Enrichment in spots: heparan sulfate proteoglycan biosynthetic process

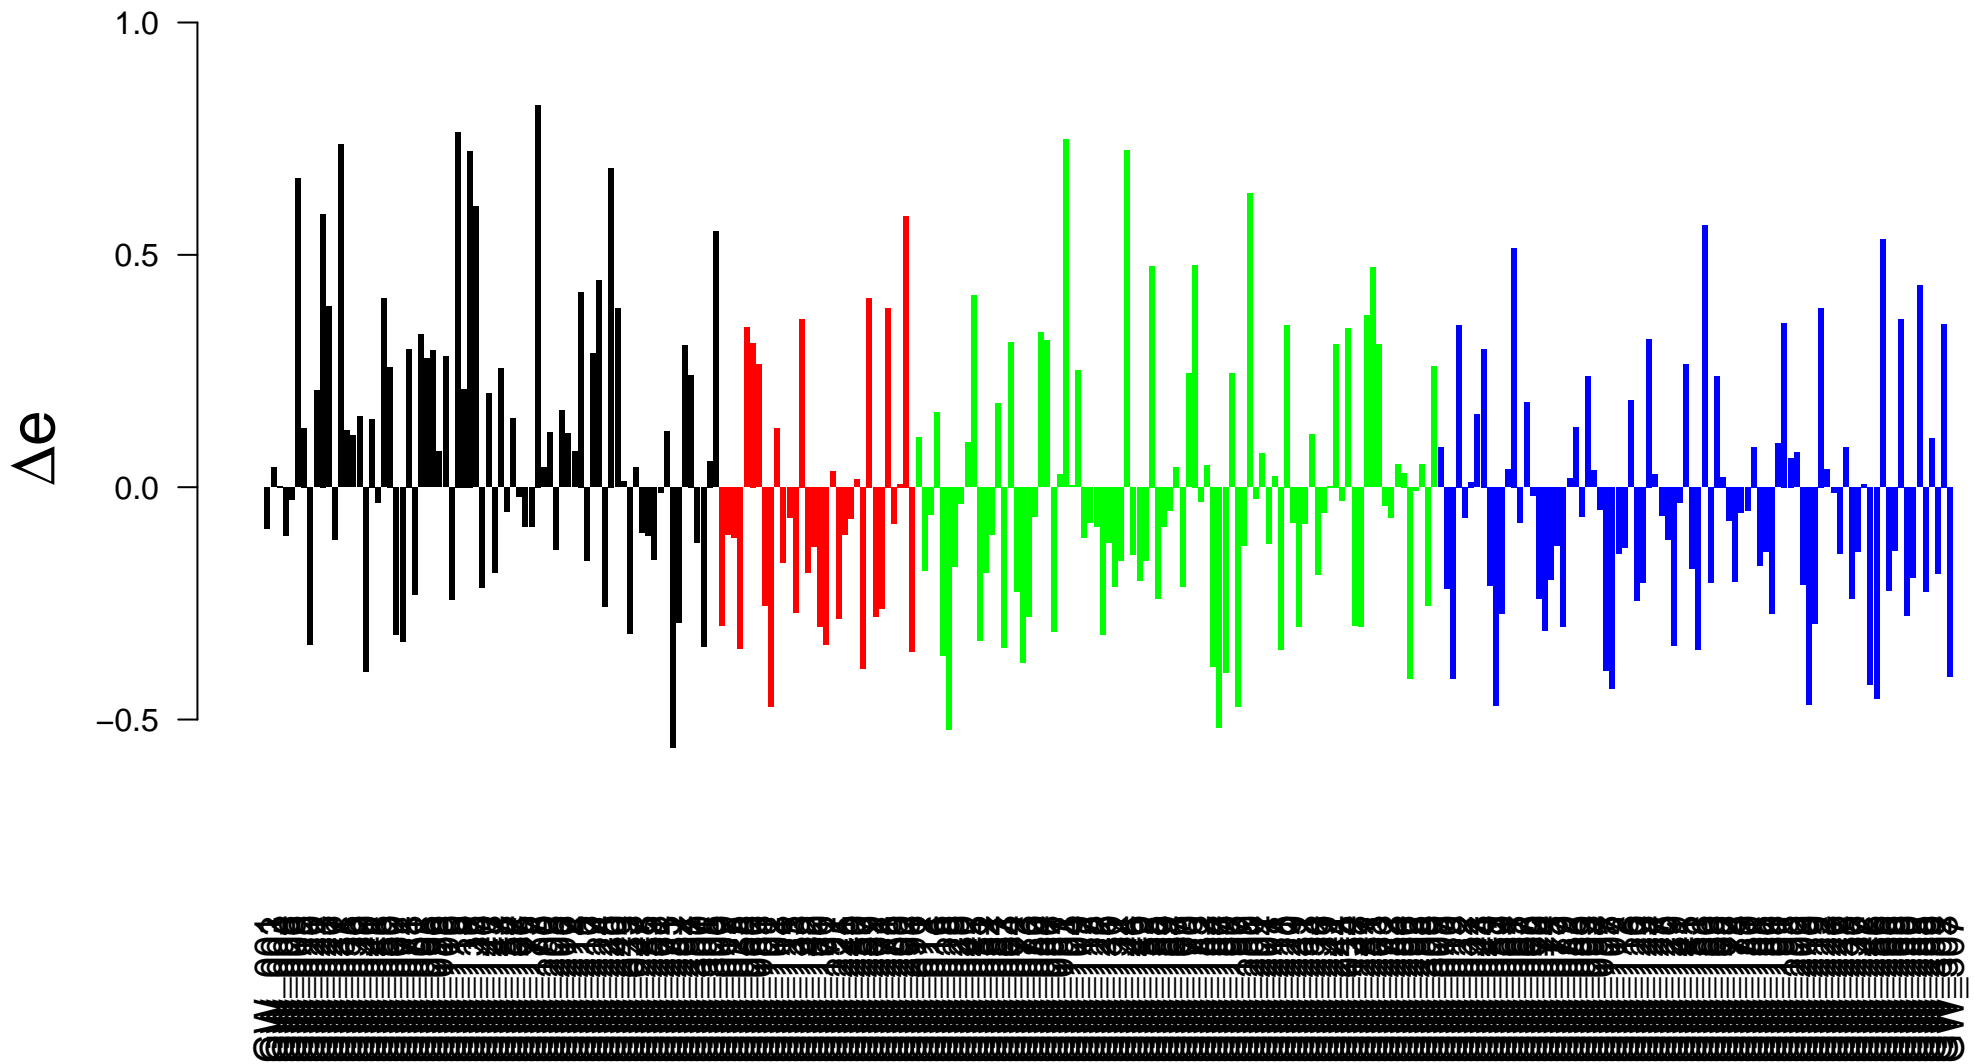

Expression of heparan sulfate proteoglycan biosynthetic process in Spot A

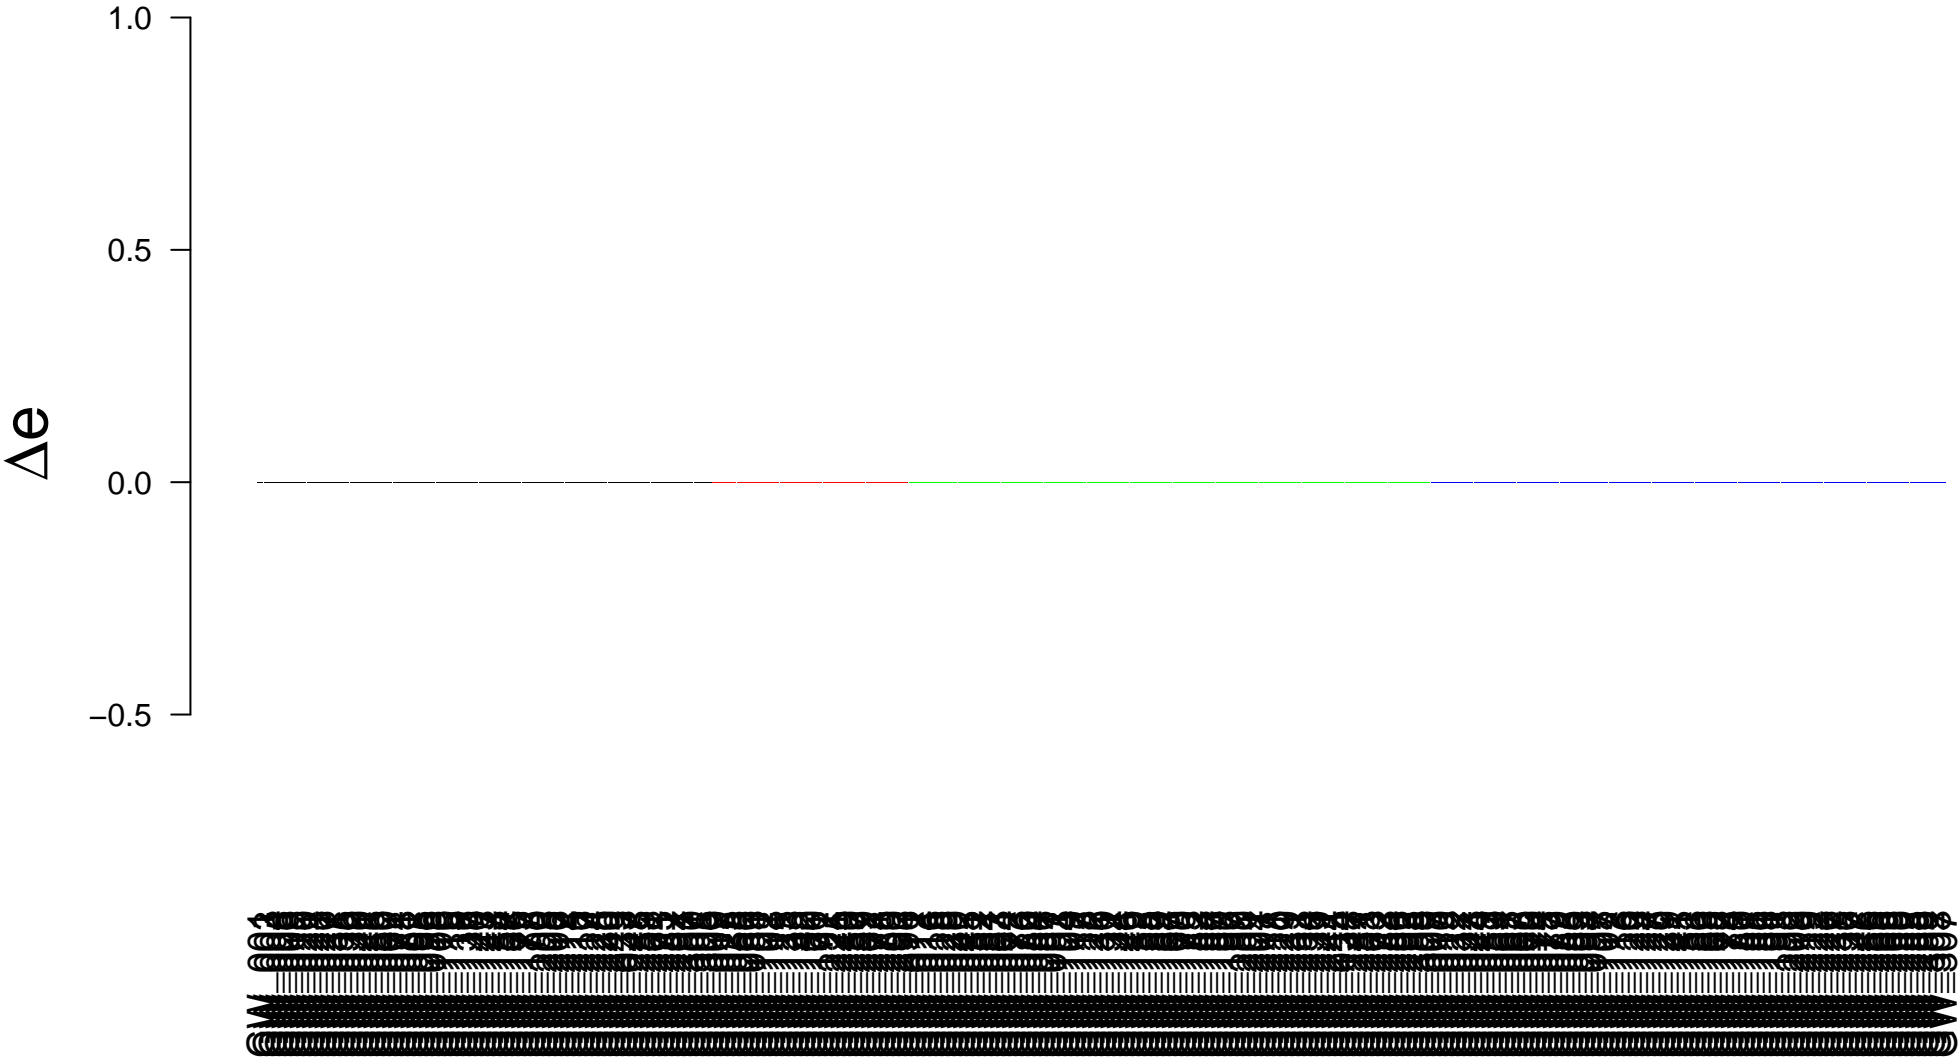

Expression of heparan sulfate proteoglycan biosynthetic process in Spot B

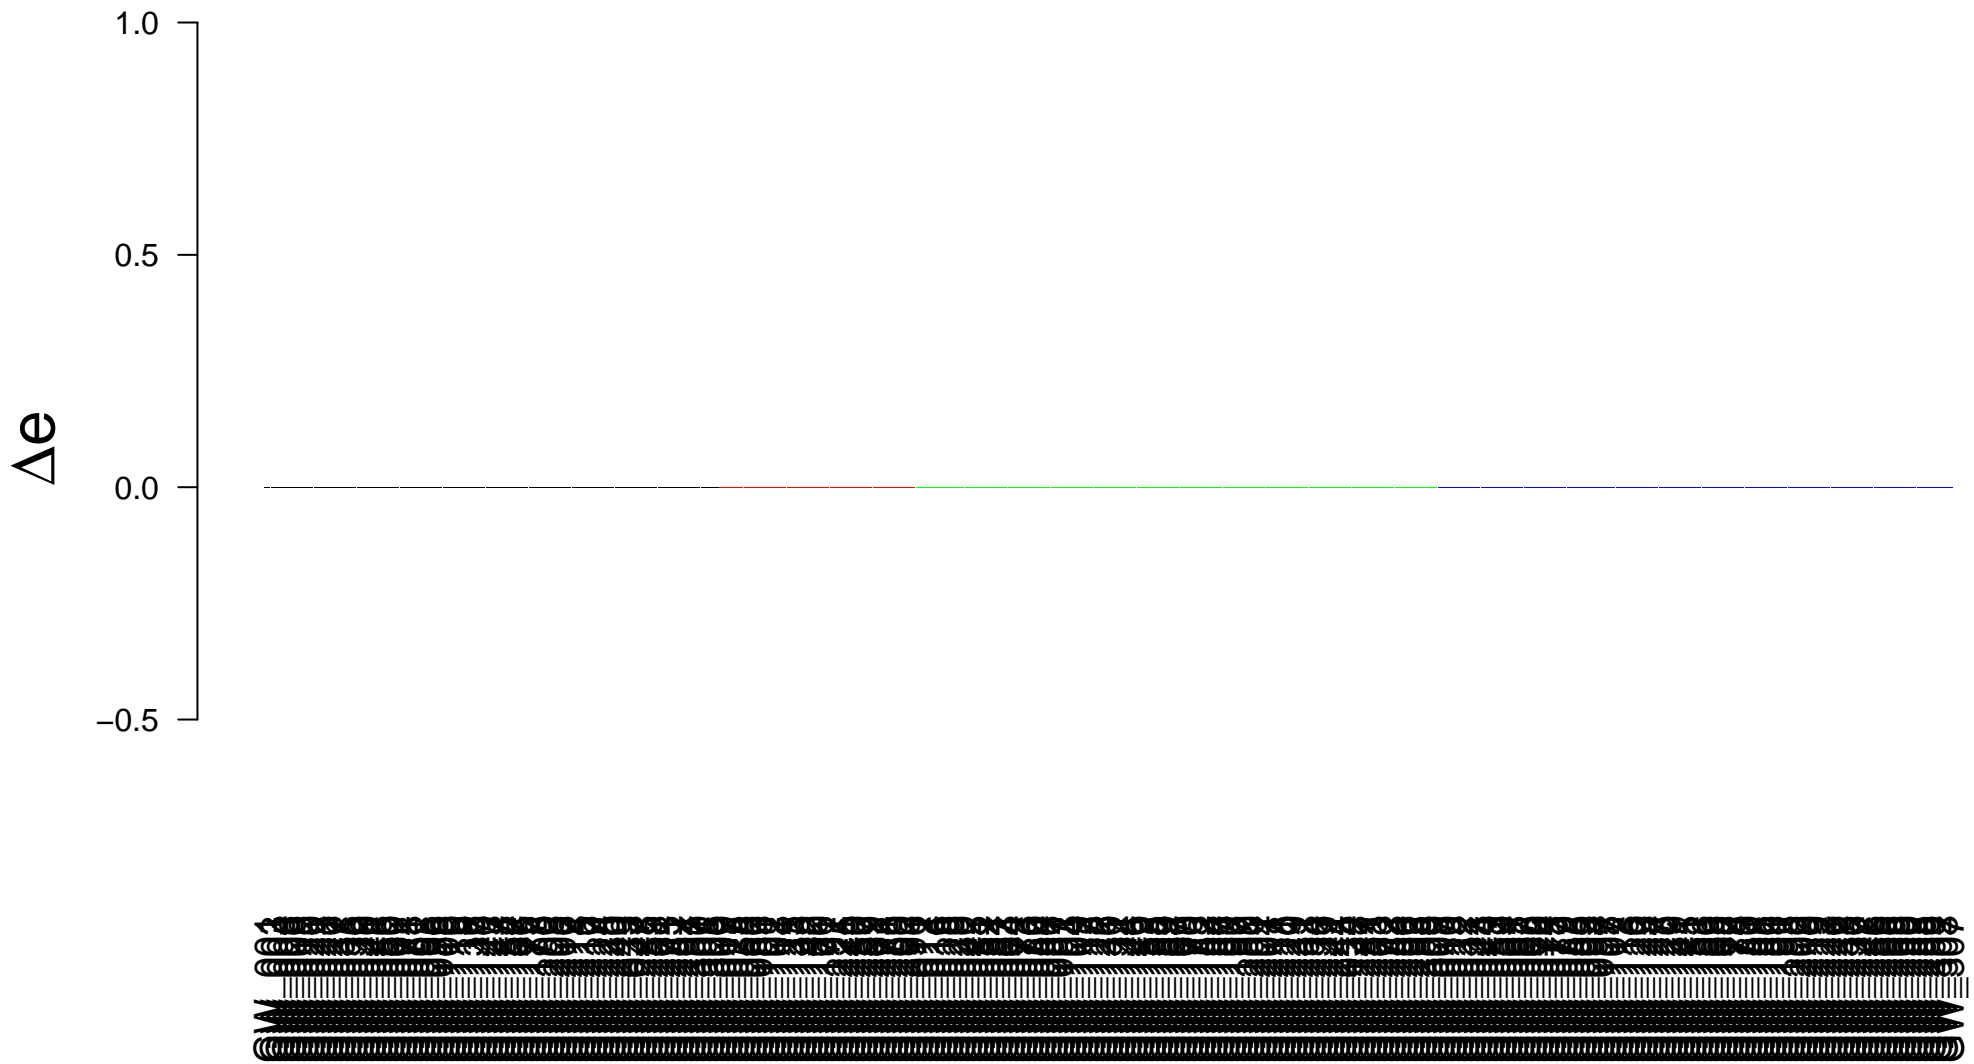

Expression of heparan sulfate proteoglycan biosynthetic process in Spot C

Expression of heparan sulfate proteoglycan biosynthetic process in Spot D

Expression of heparan sulfate proteoglycan biosynthetic process in Spot E

Expression of heparan sulfate proteoglycan biosynthetic process in Spot F
