Expression of histone acetylation in Spot D

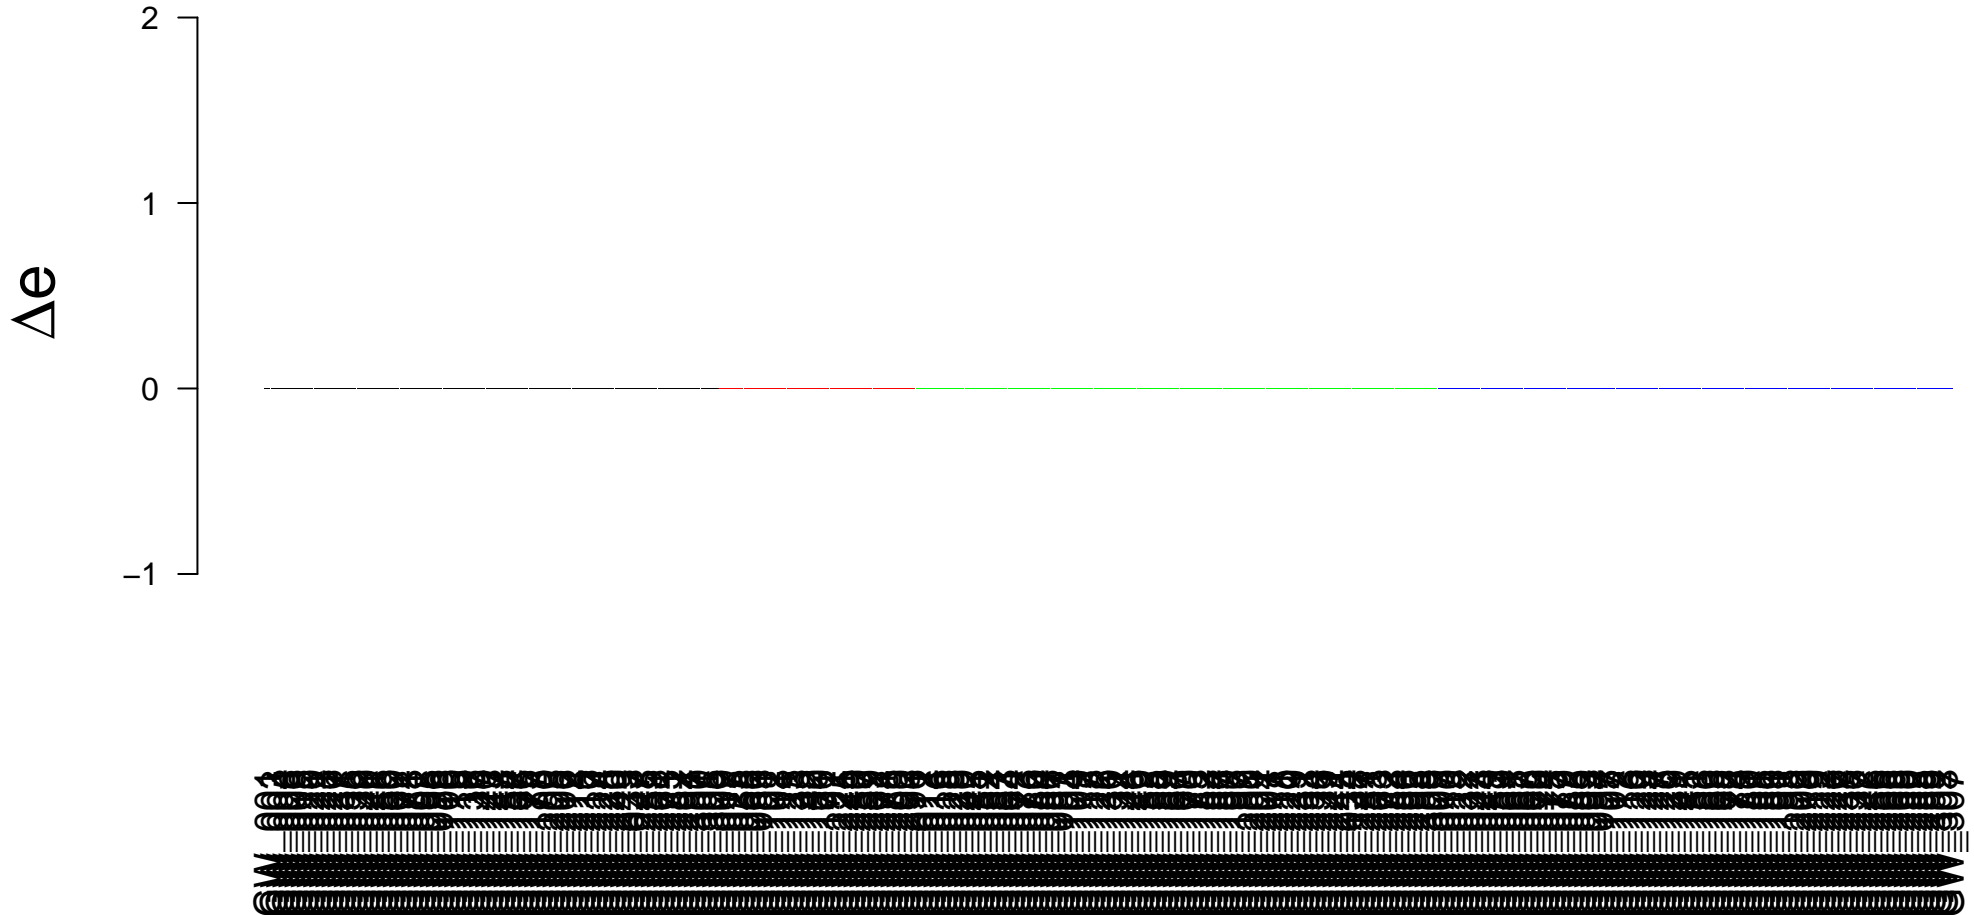

Expression of histone acetylation in Spot E

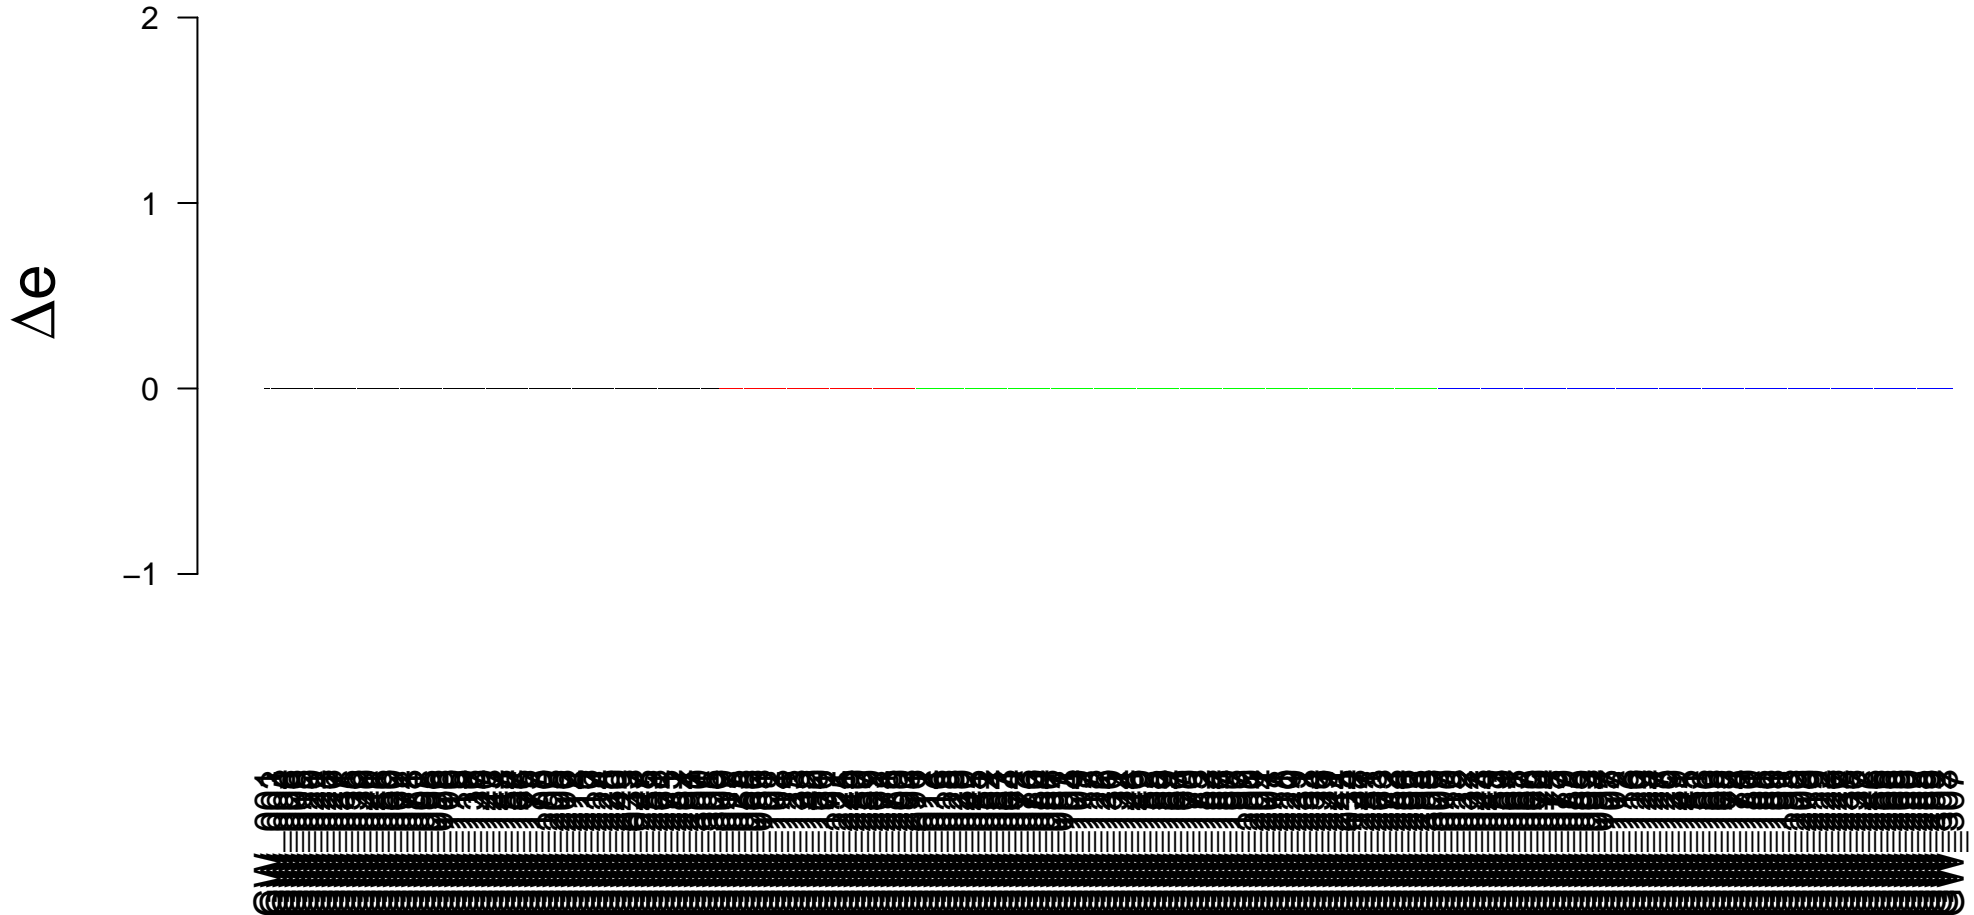

Expression of histone acetylation in Spot F

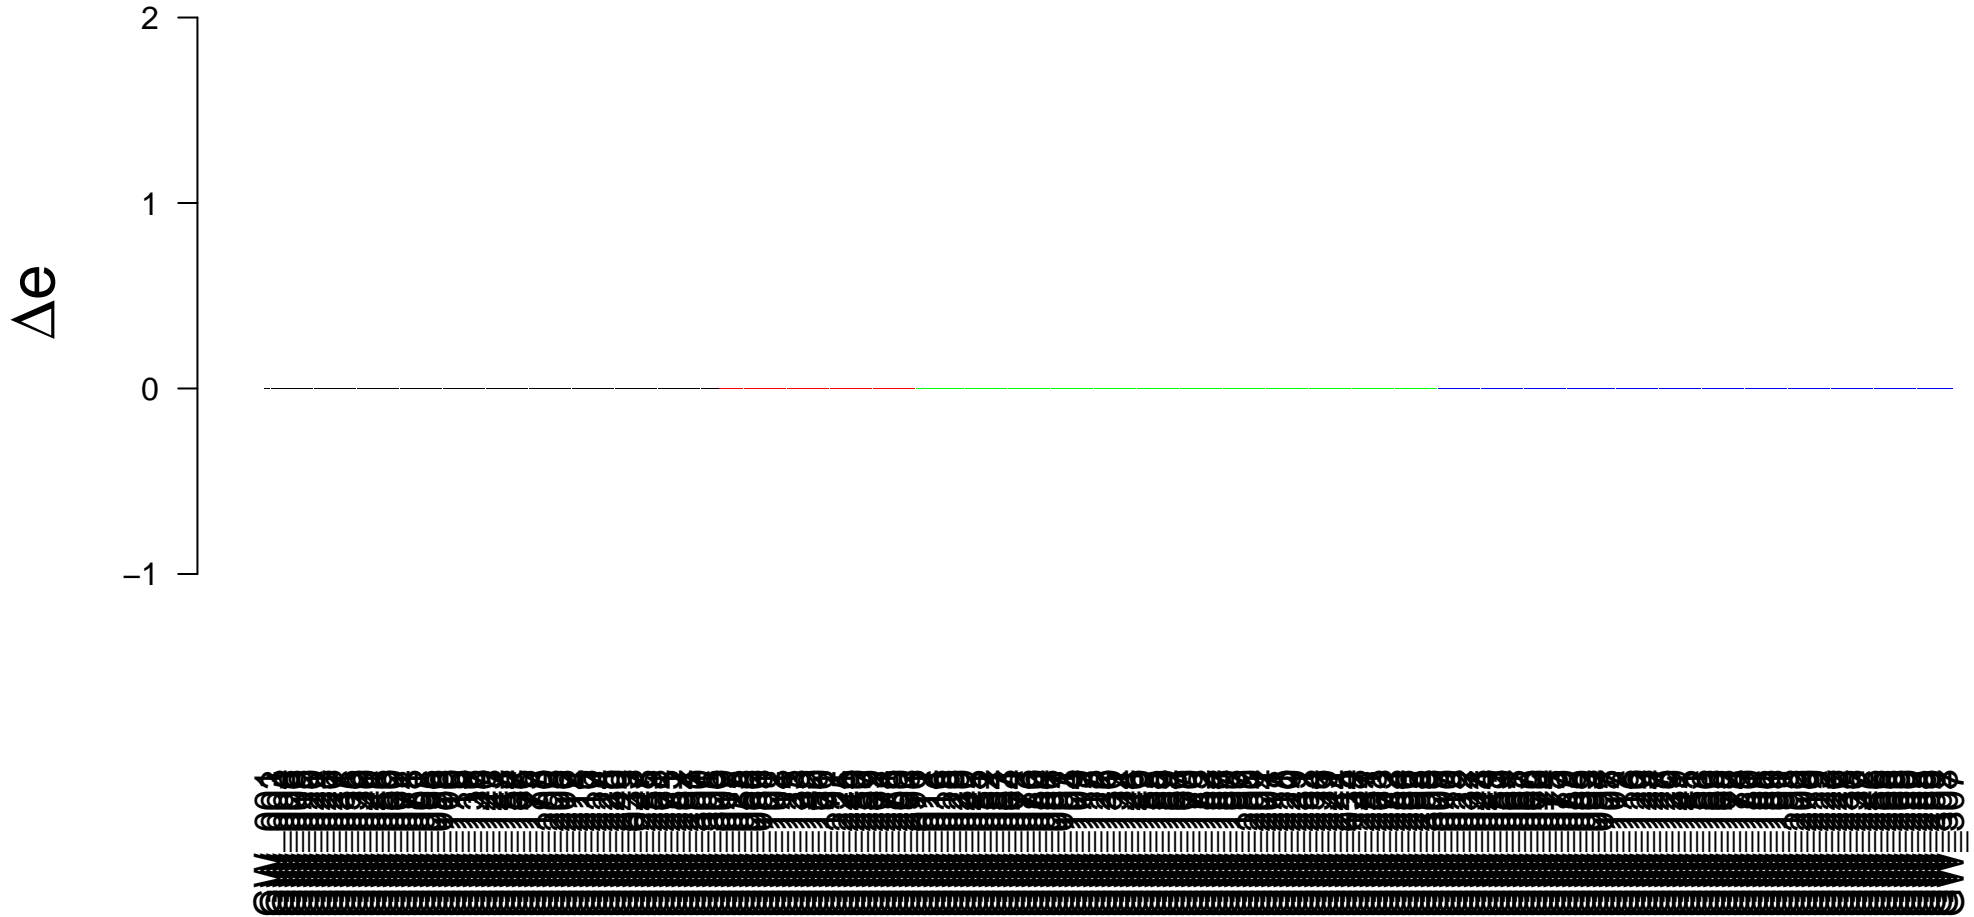

Expression of histone acetylation in Spot G

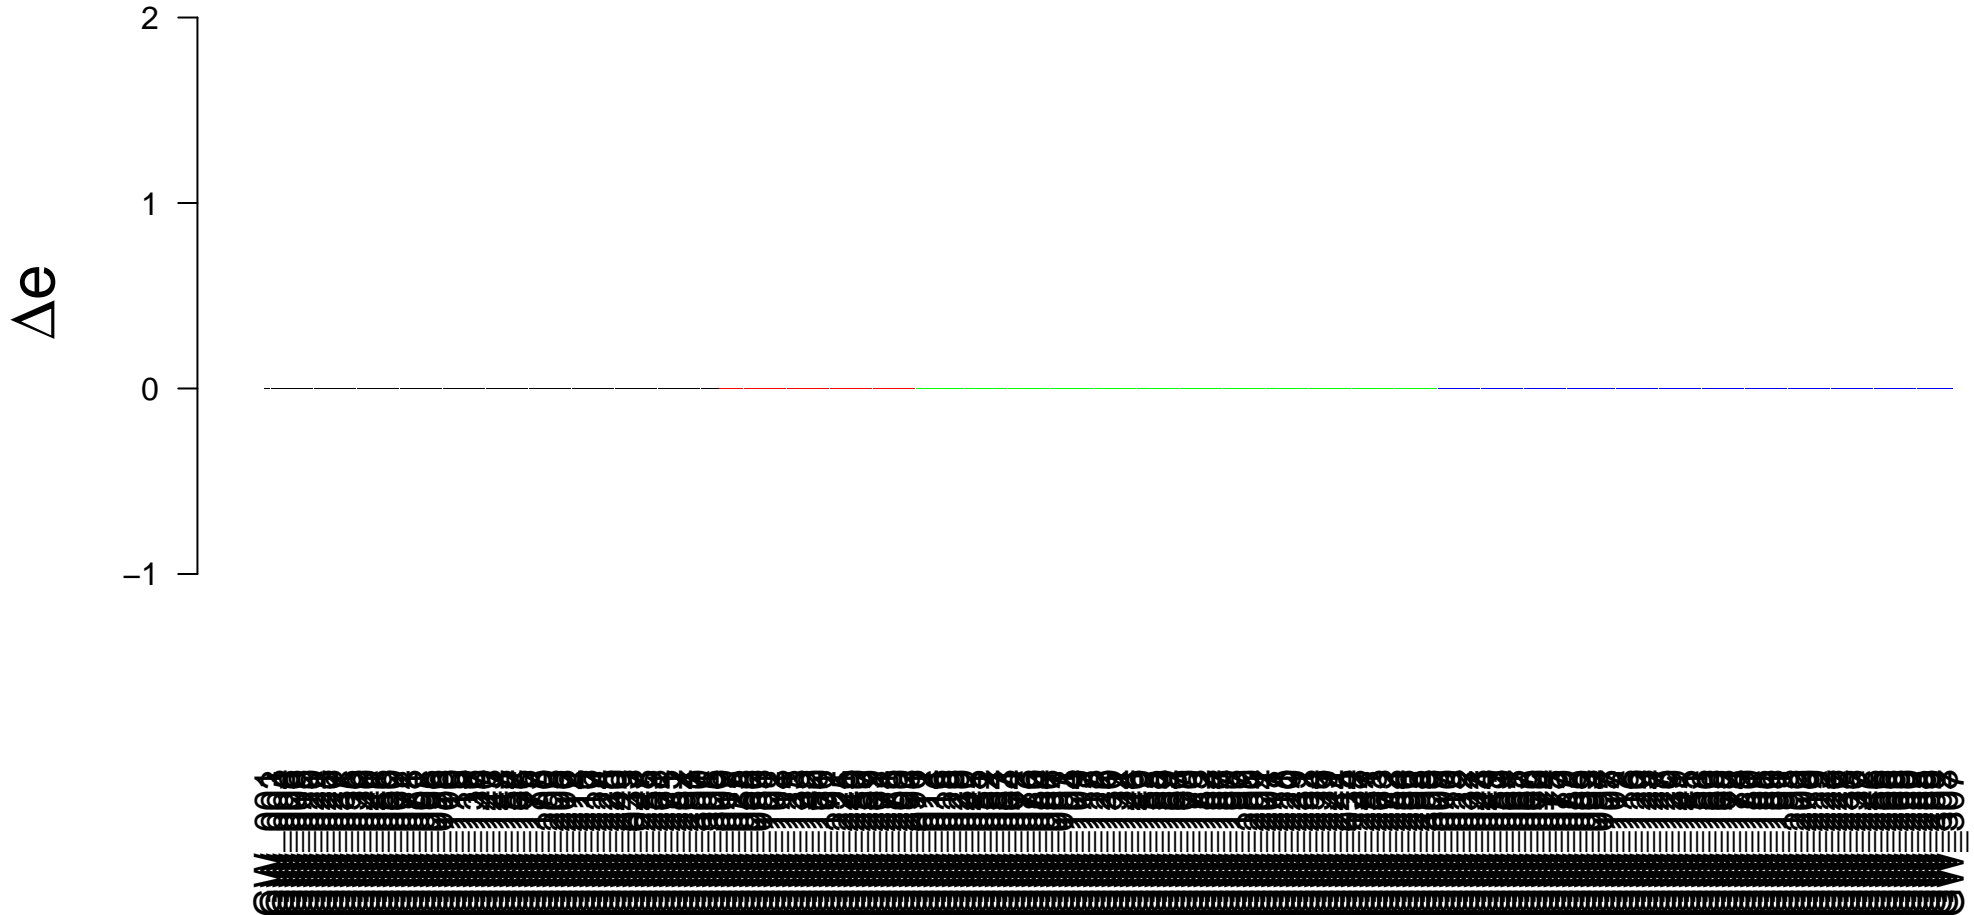

Expression of histone acetylation in Spot H

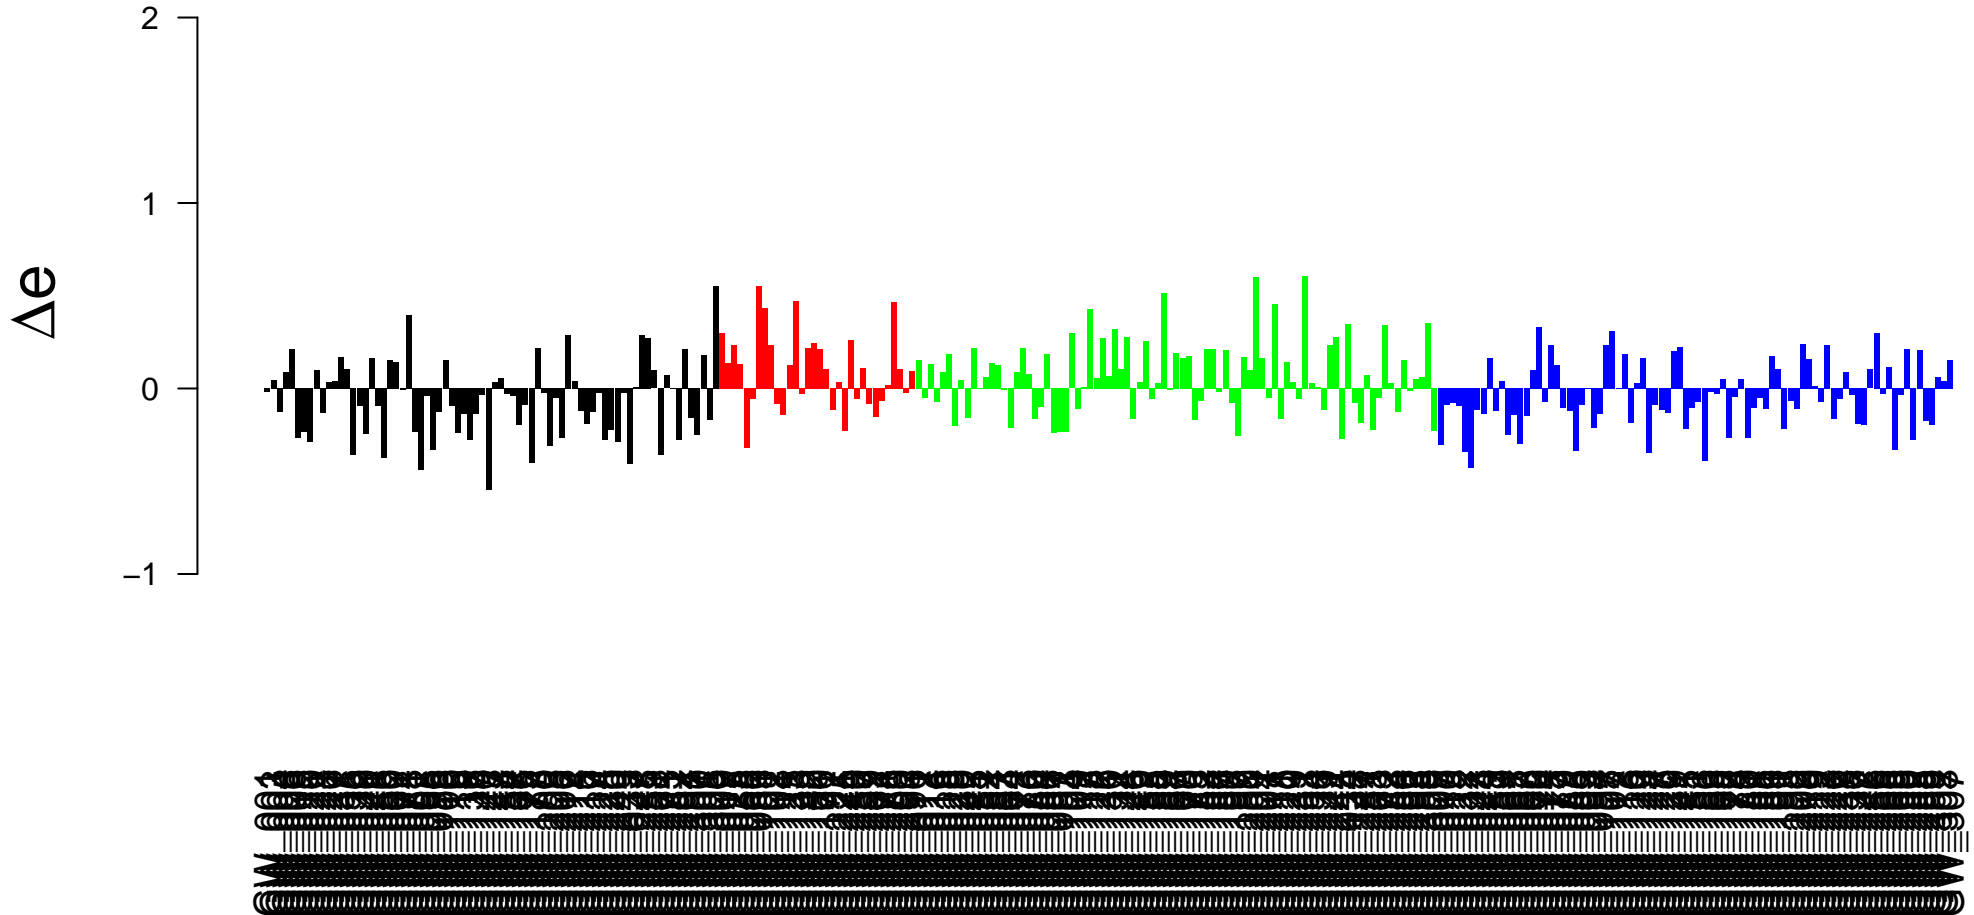

Expression of histone acetylation in Spot I

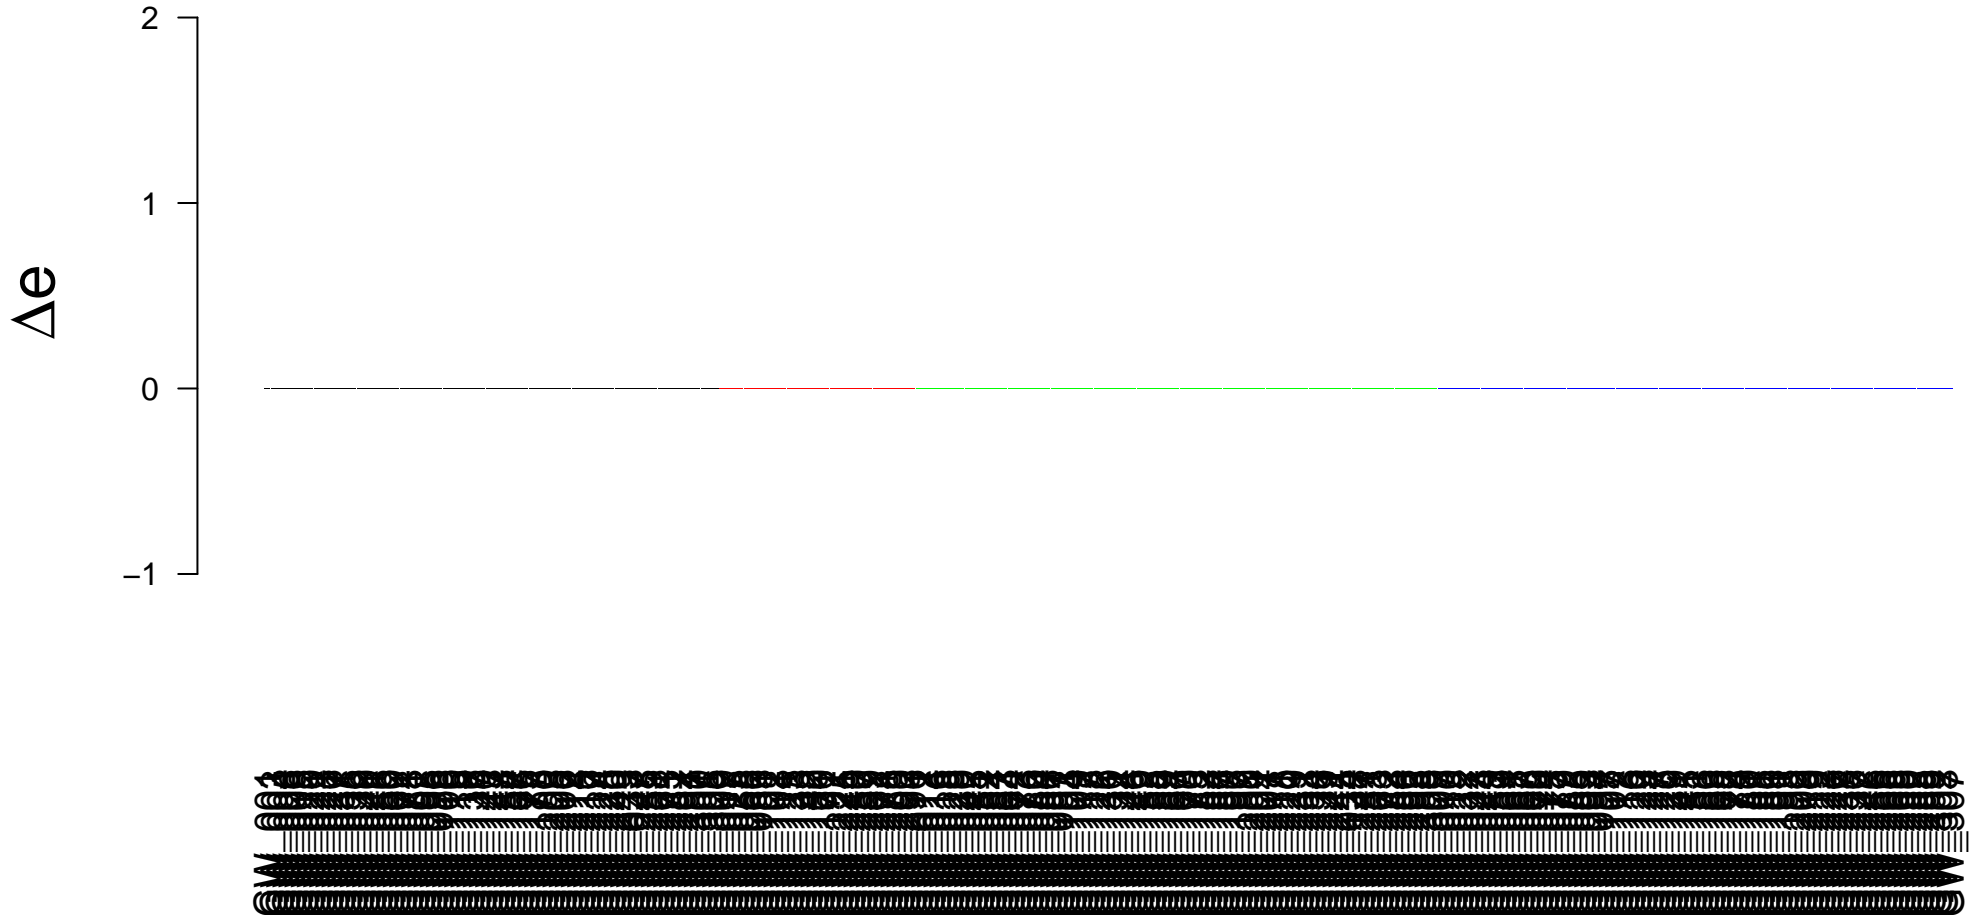

Expression of histone acetylation in Spot J

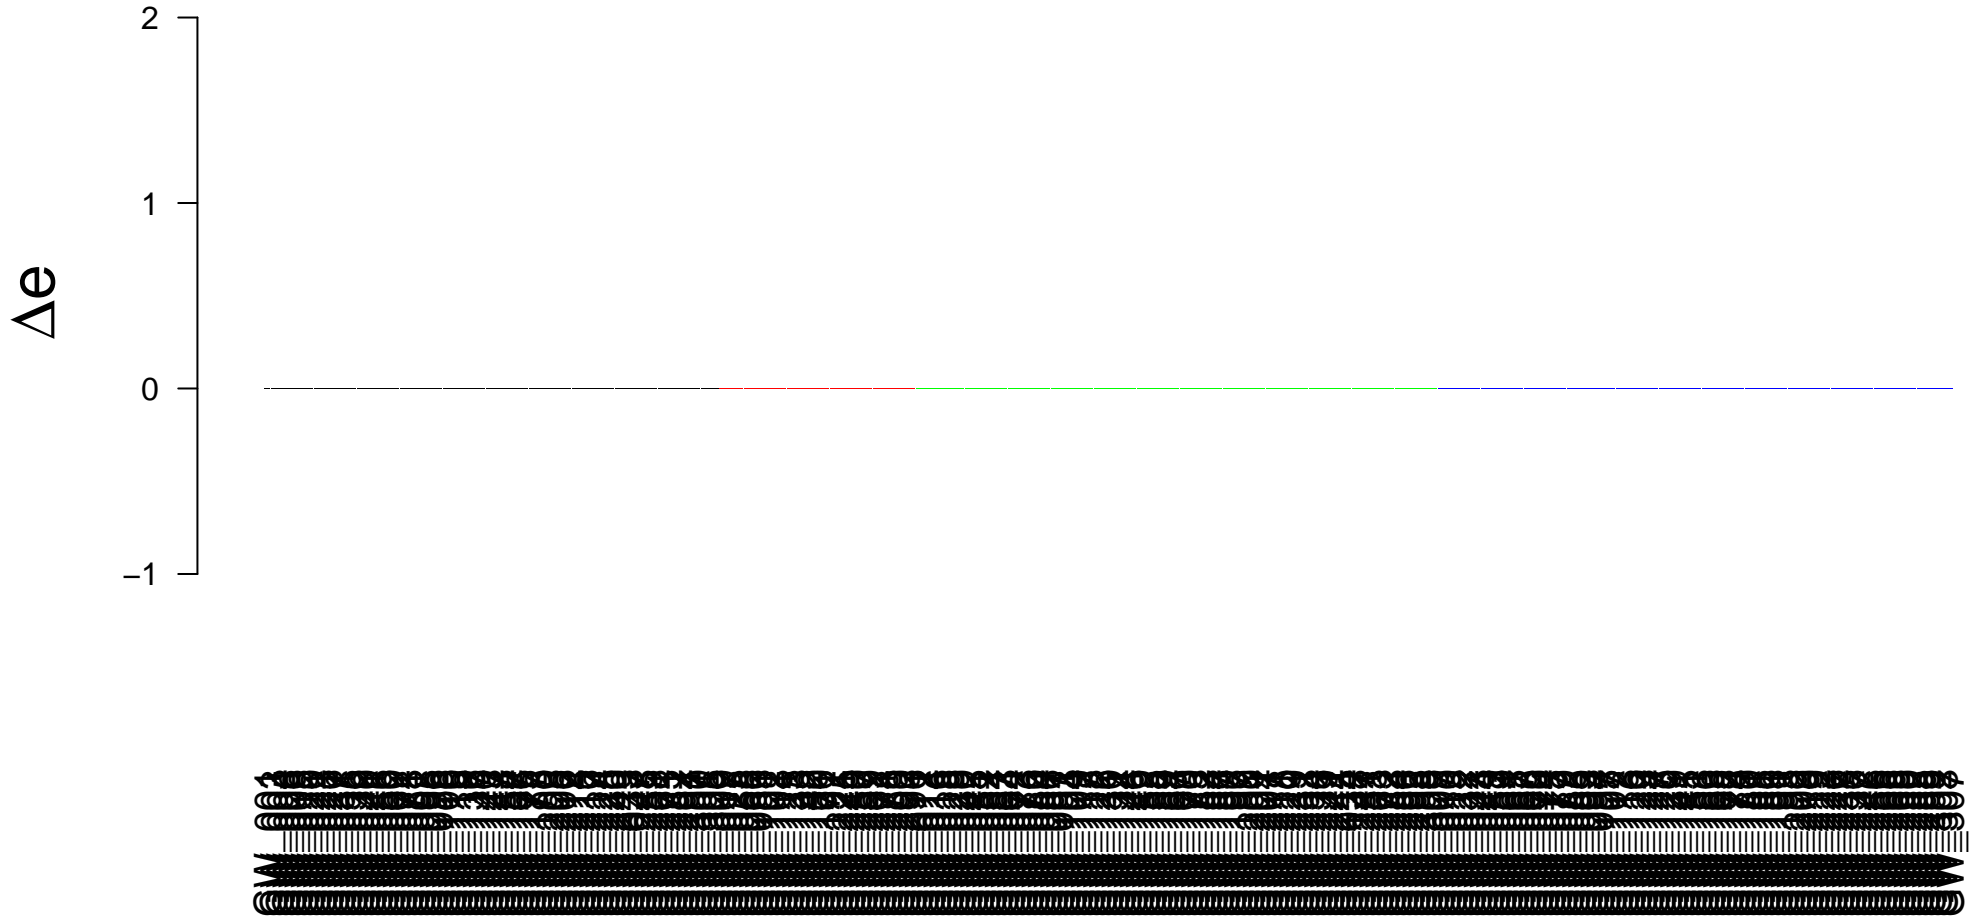

Expression of histone acetylation in Spot K

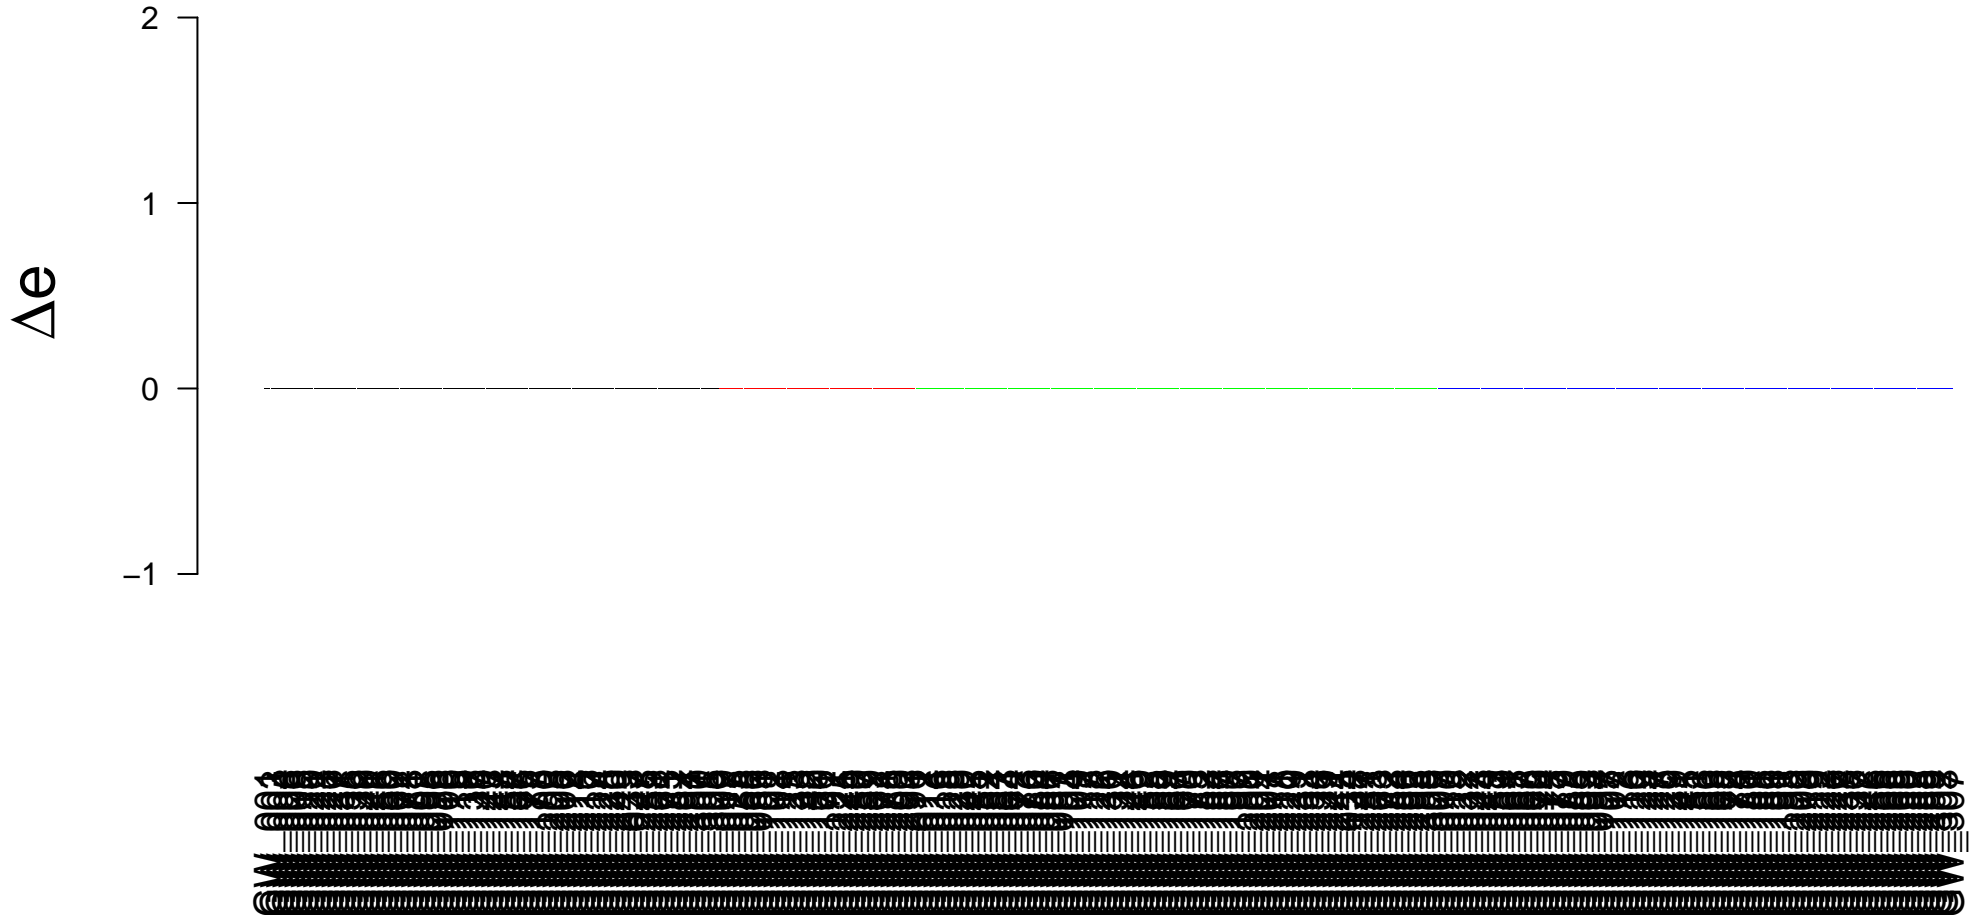

Expression of histone acetylation in Spot L

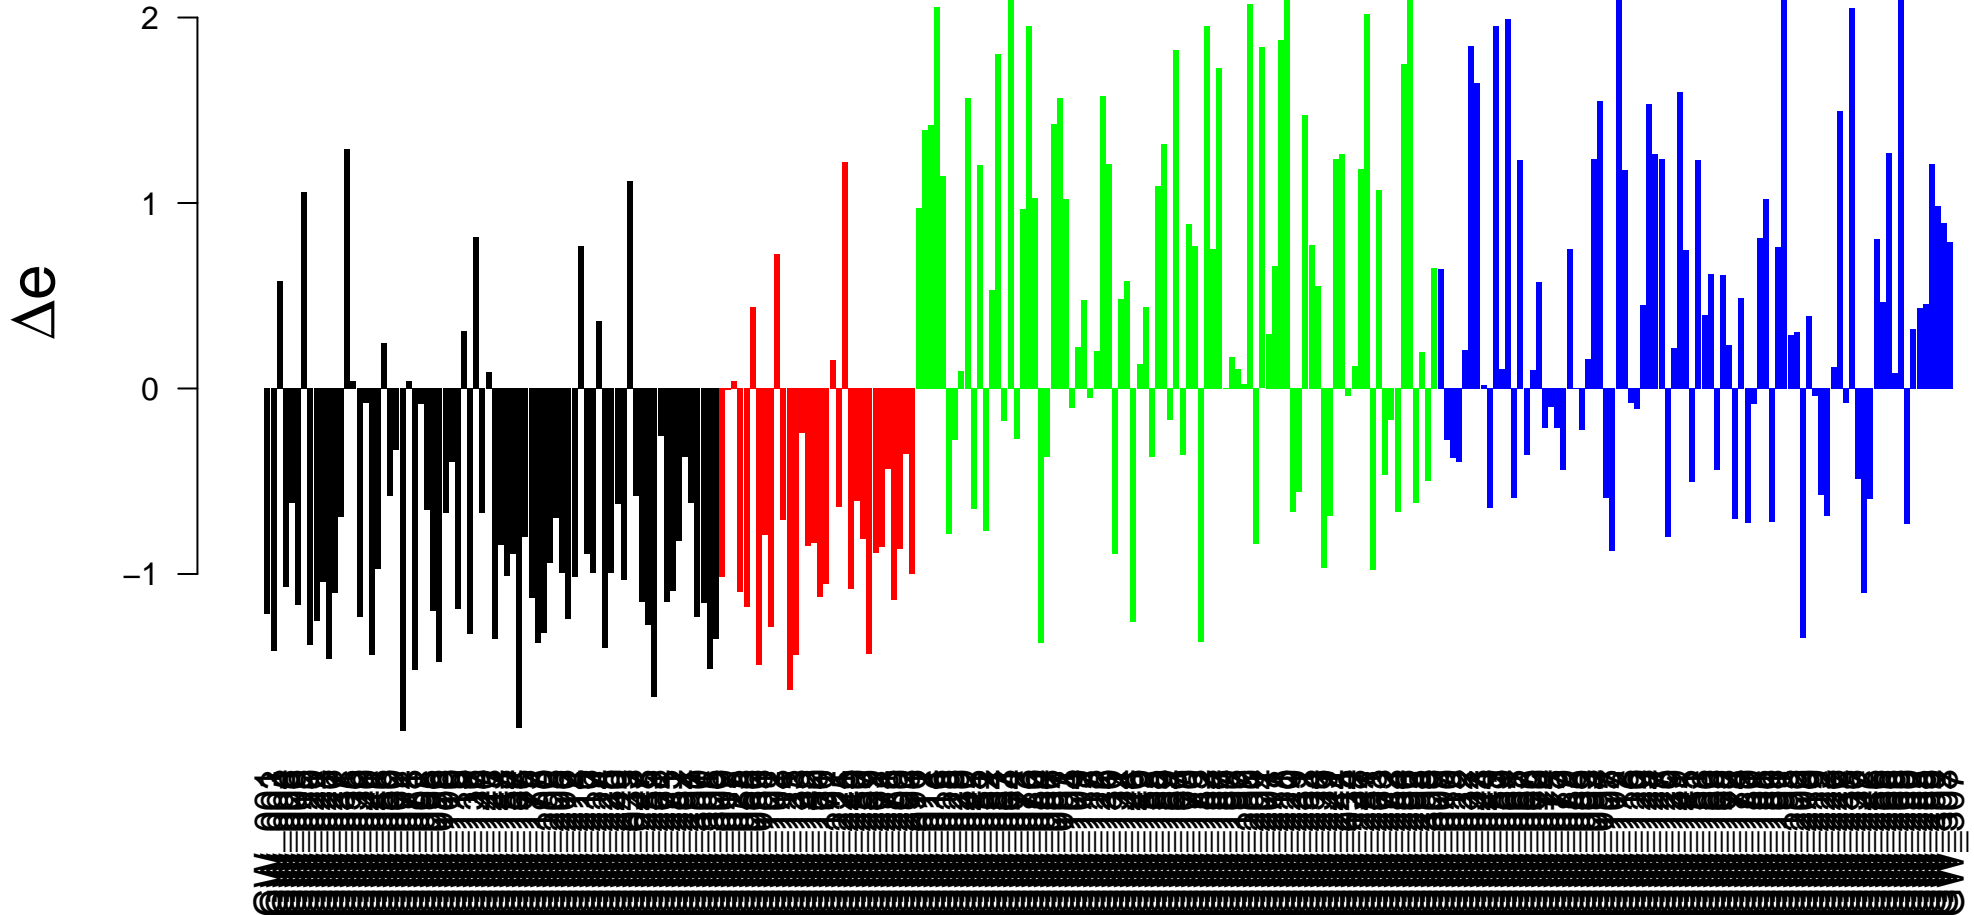

Expression of histone acetylation in Spot M

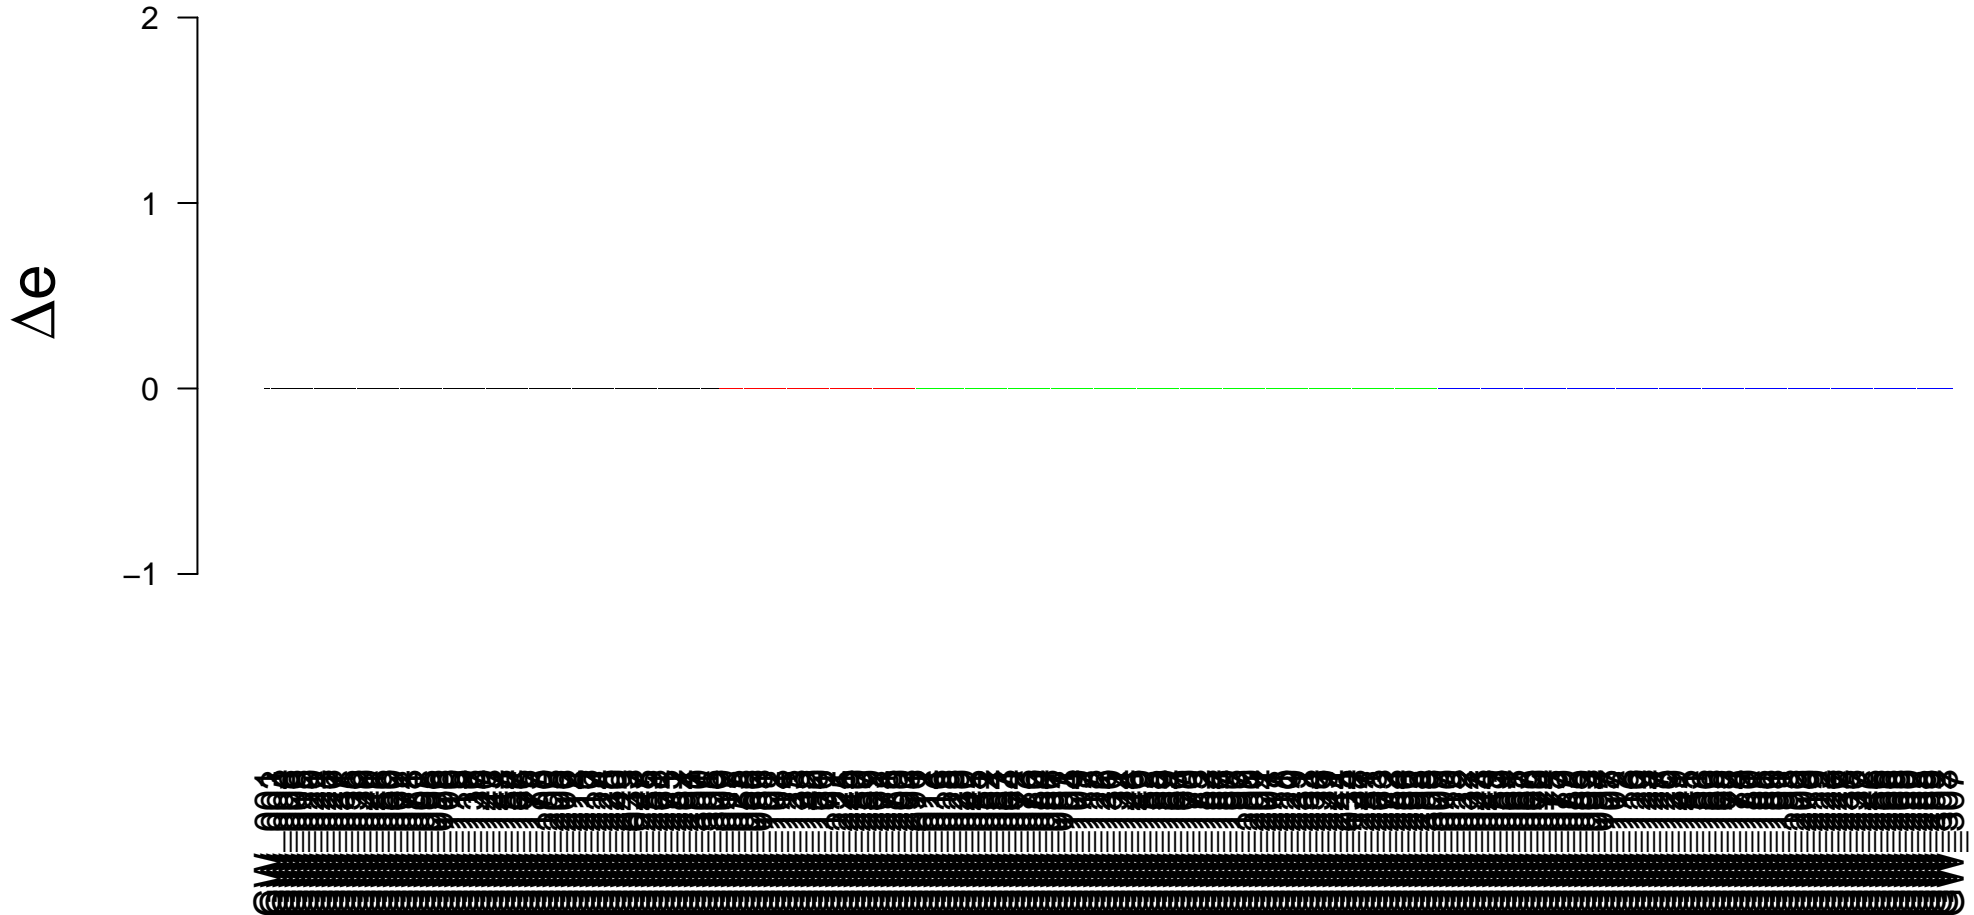

Expression of histone acetylation in Spot N

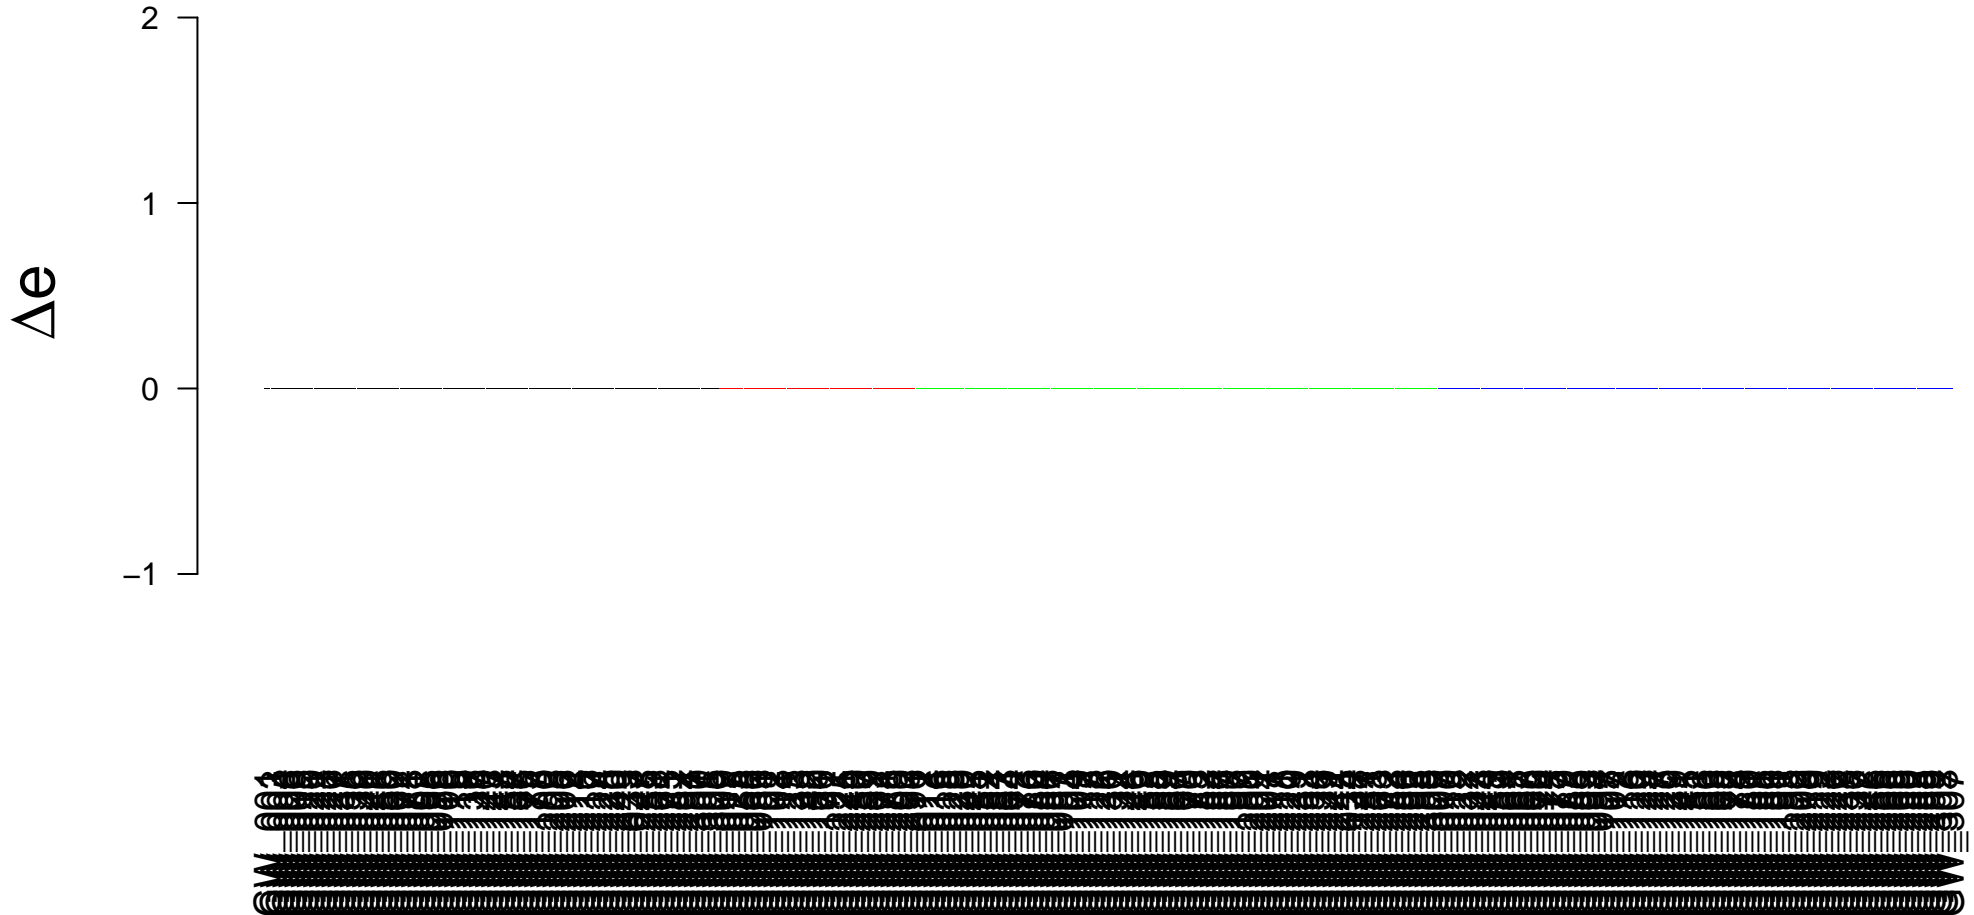

Expression of histone acetylation in Spot O

Expression of histone acetylation in Spot P

Expression of histone acetylation in Spot Q

Expression of histone acetylation in Spot R
