

histone acetyltransferase activity

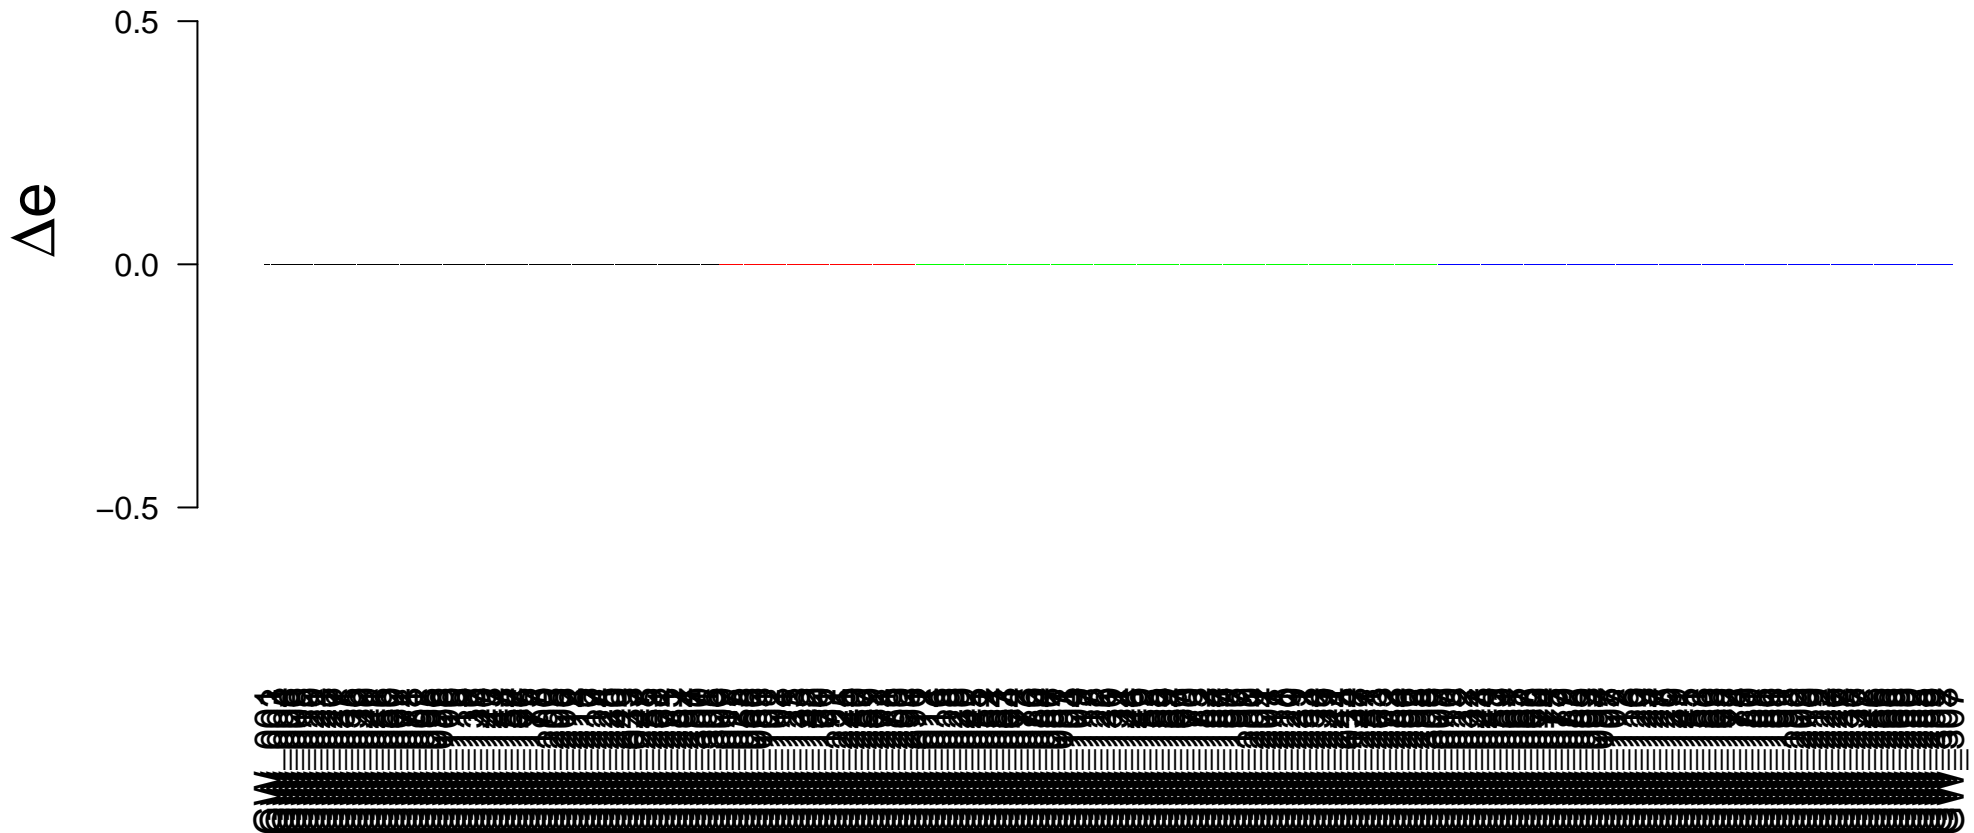

histone acetyltransferase activity

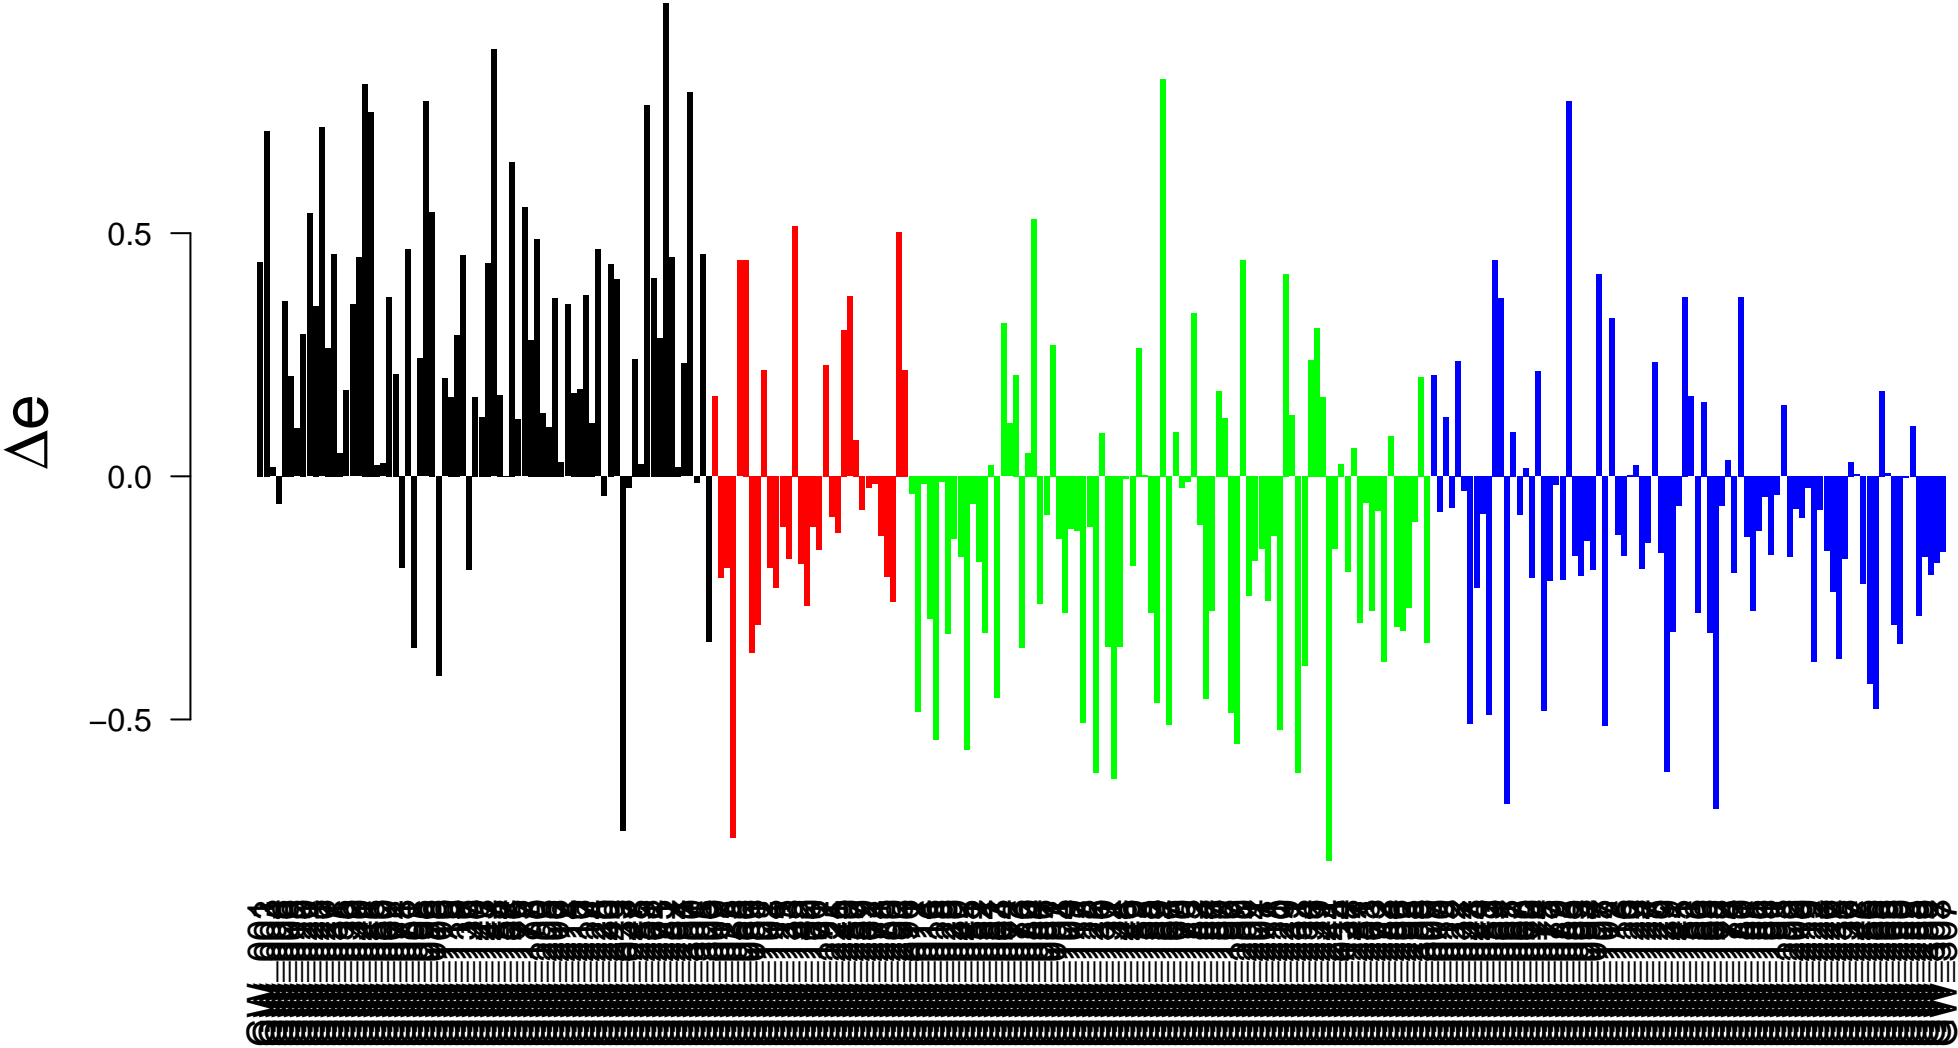

Enrichment in spots: histone acetyltransferase activity

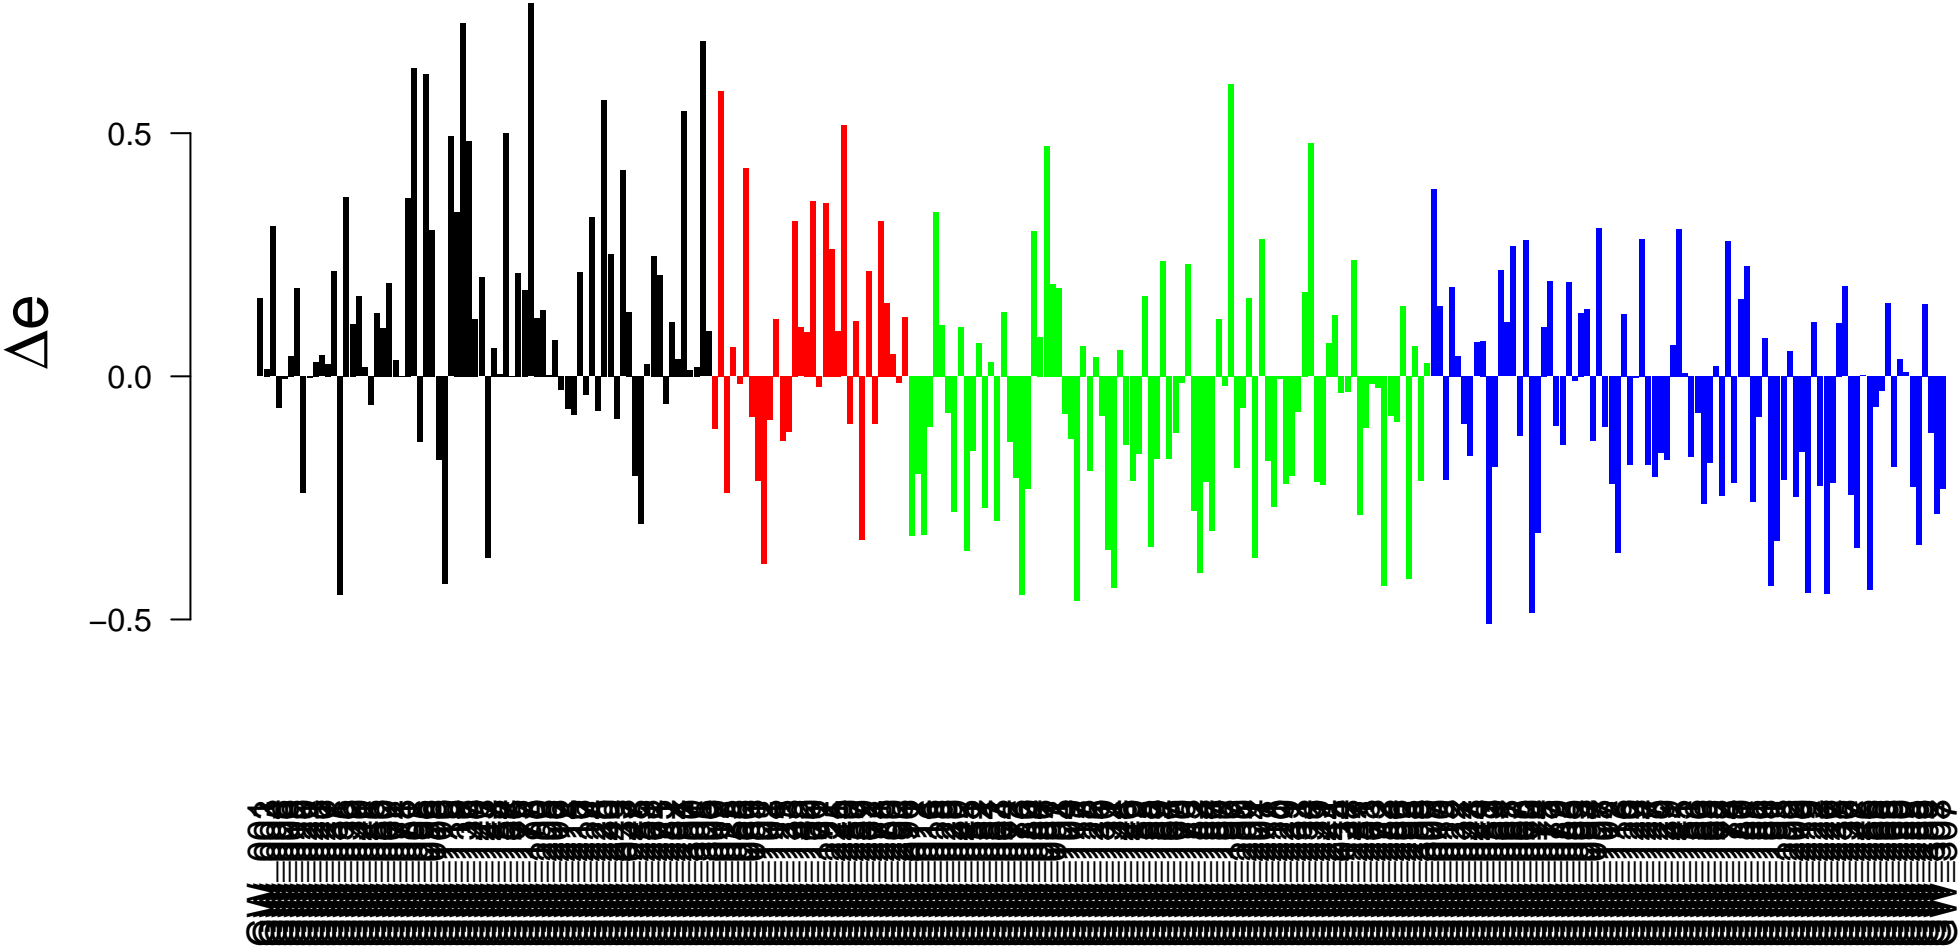

Expression of histone acetyltransferase activity in Spot A

Expression of histone acetyltransferase activity in Spot B

Expression of histone acetyltransferase activity in Spot C

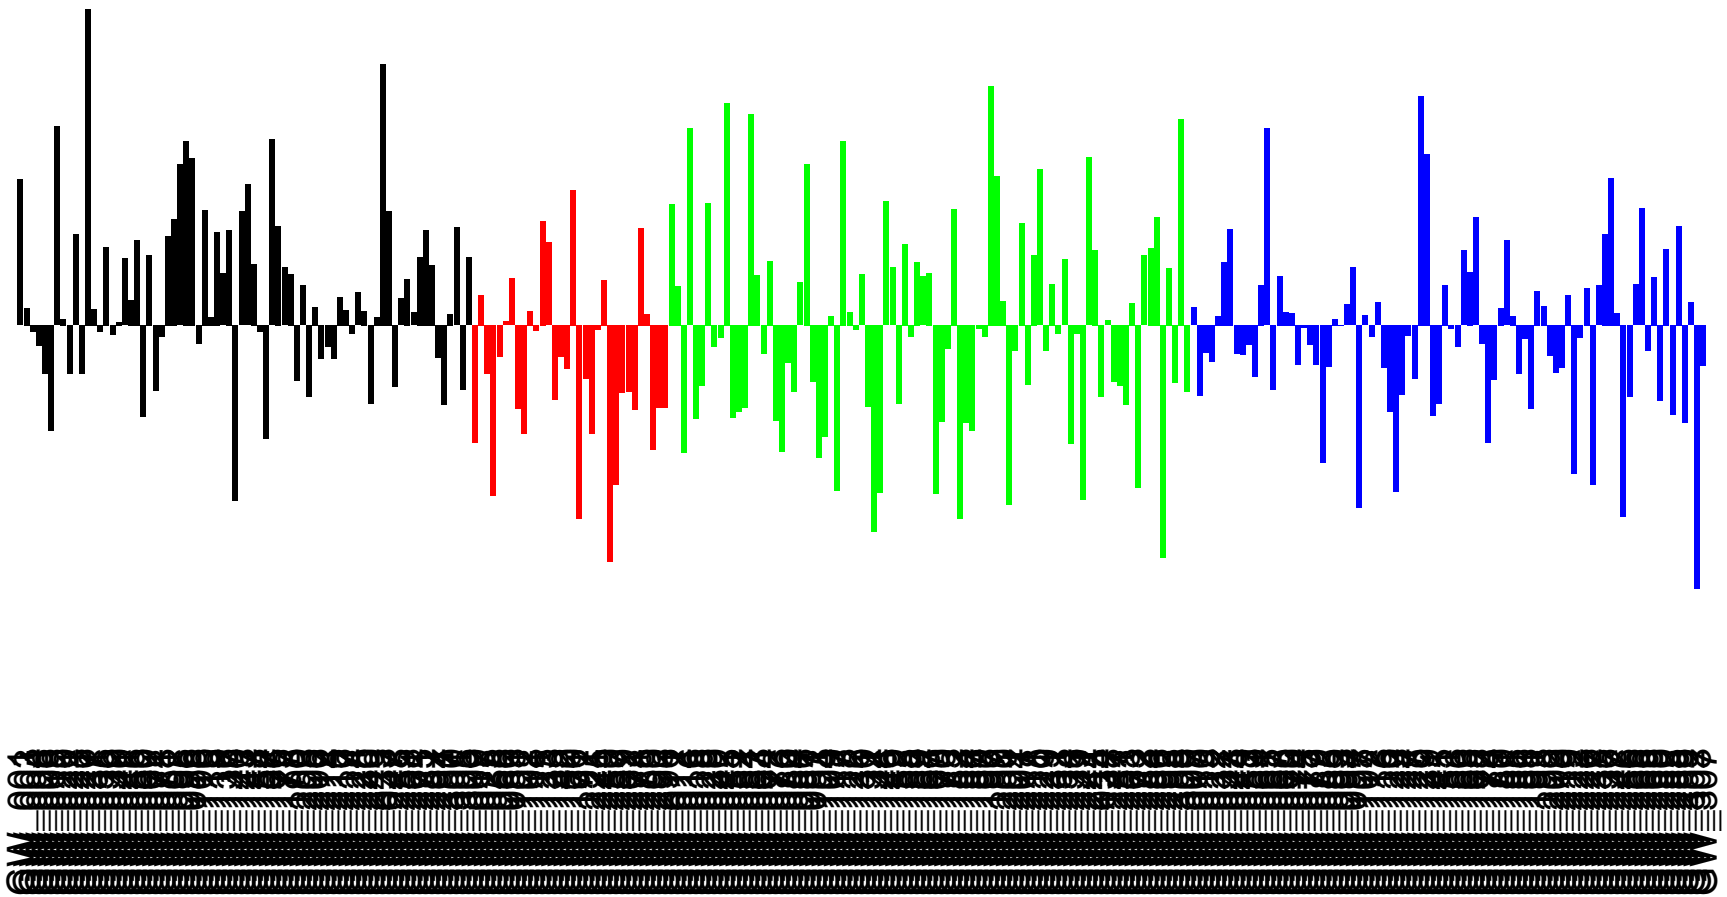

Expression of histone acetyltransferase activity in Spot D

Expression of histone acetyltransferase activity in Spot E

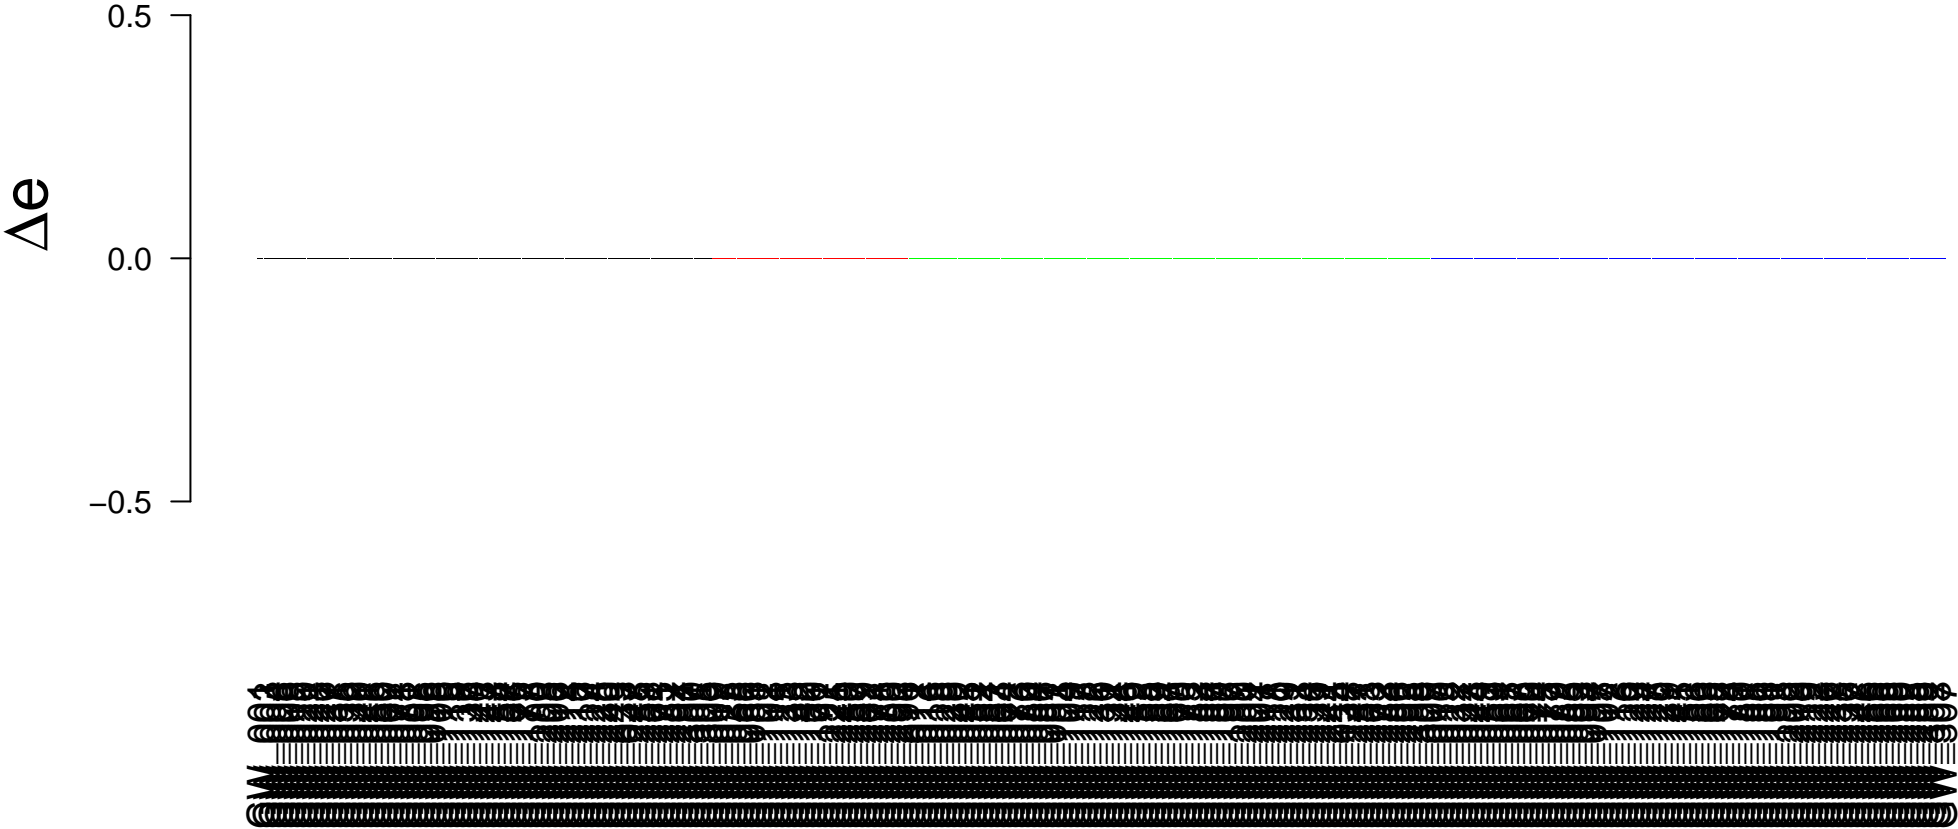

Expression of histone acetyltransferase activity in Spot F

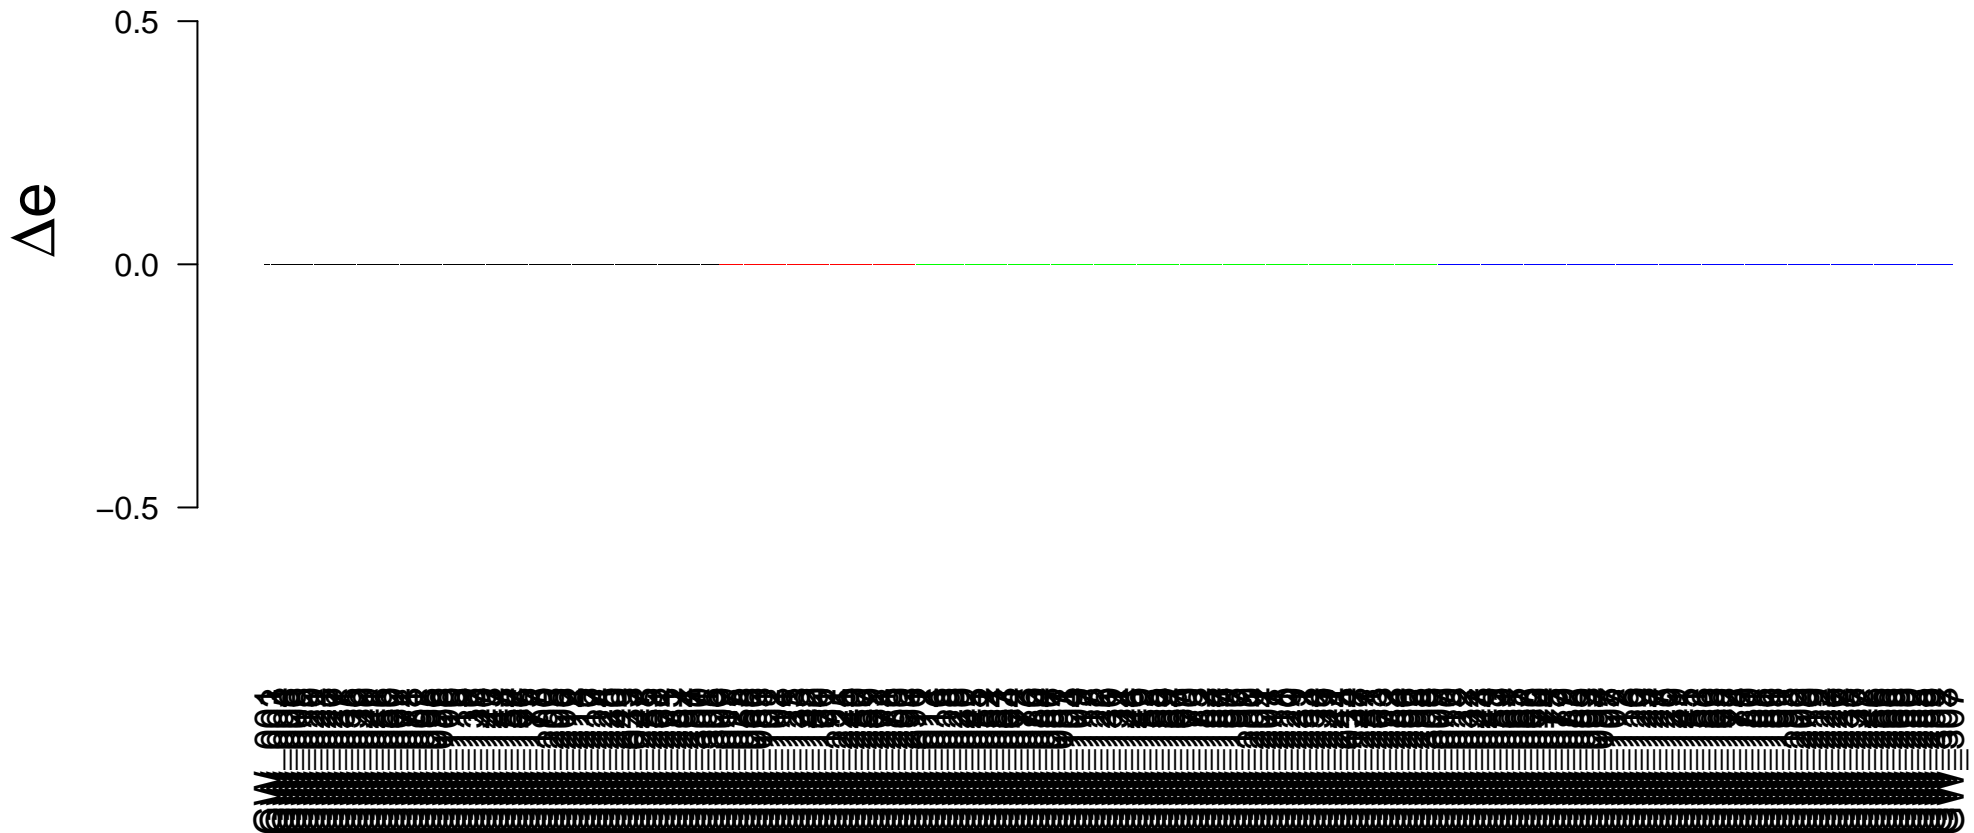

Expression of histone acetyltransferase activity in Spot G

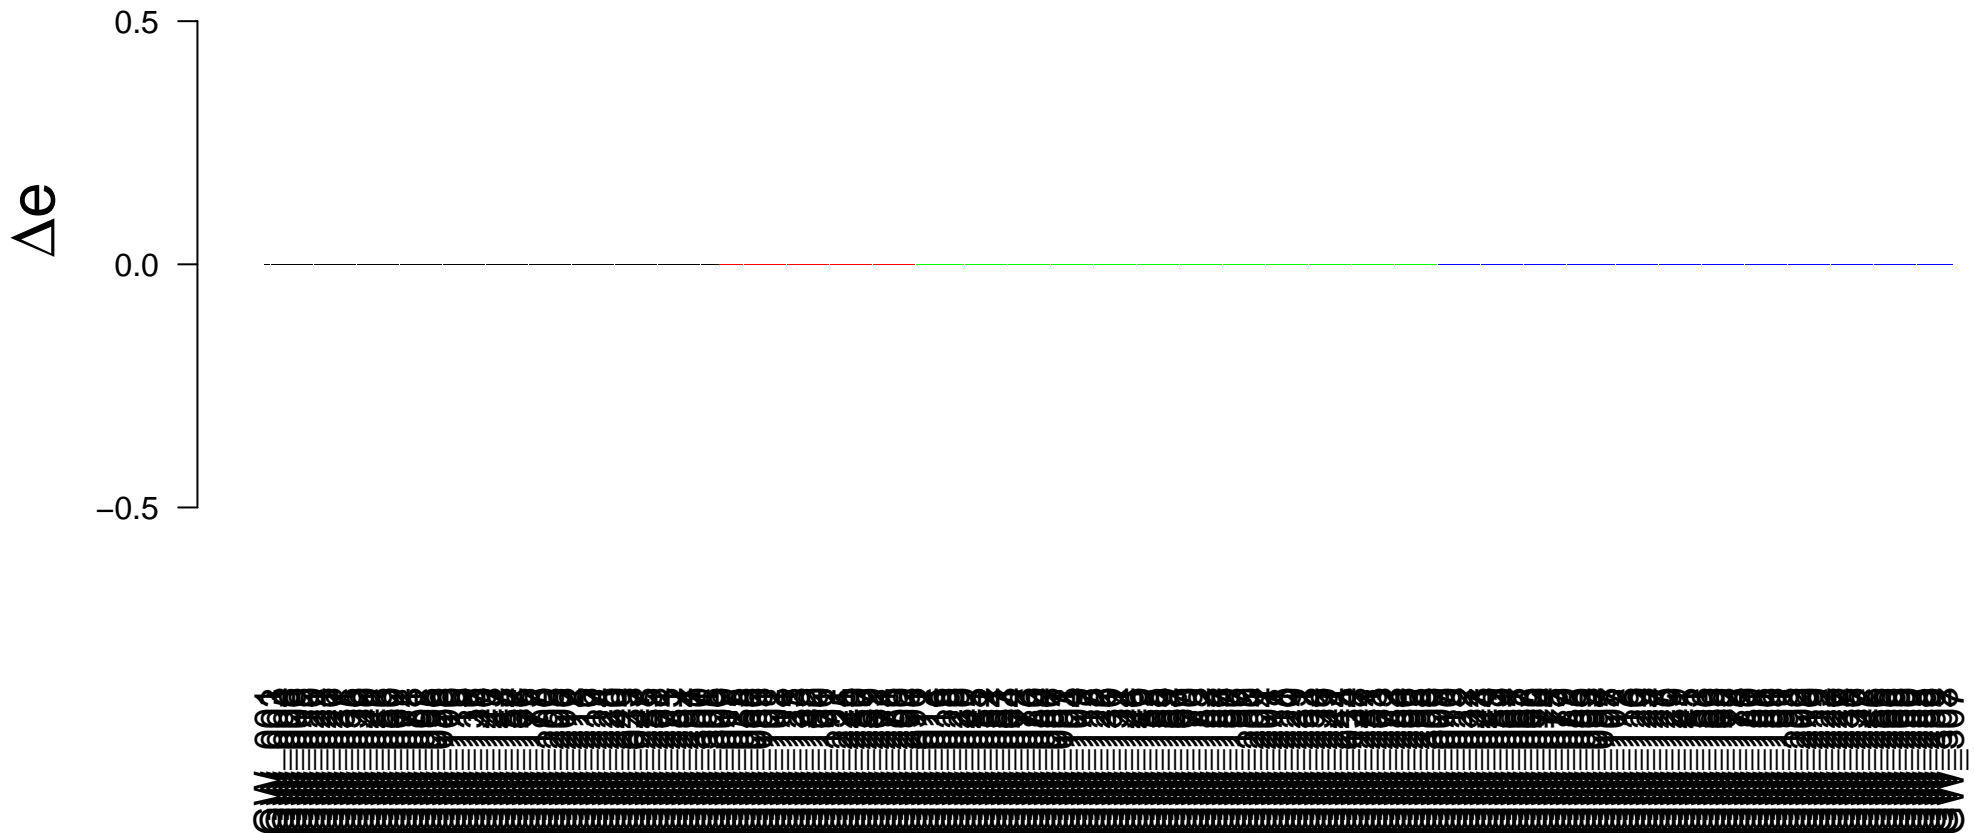

Expression of histone acetyltransferase activity in Spot H

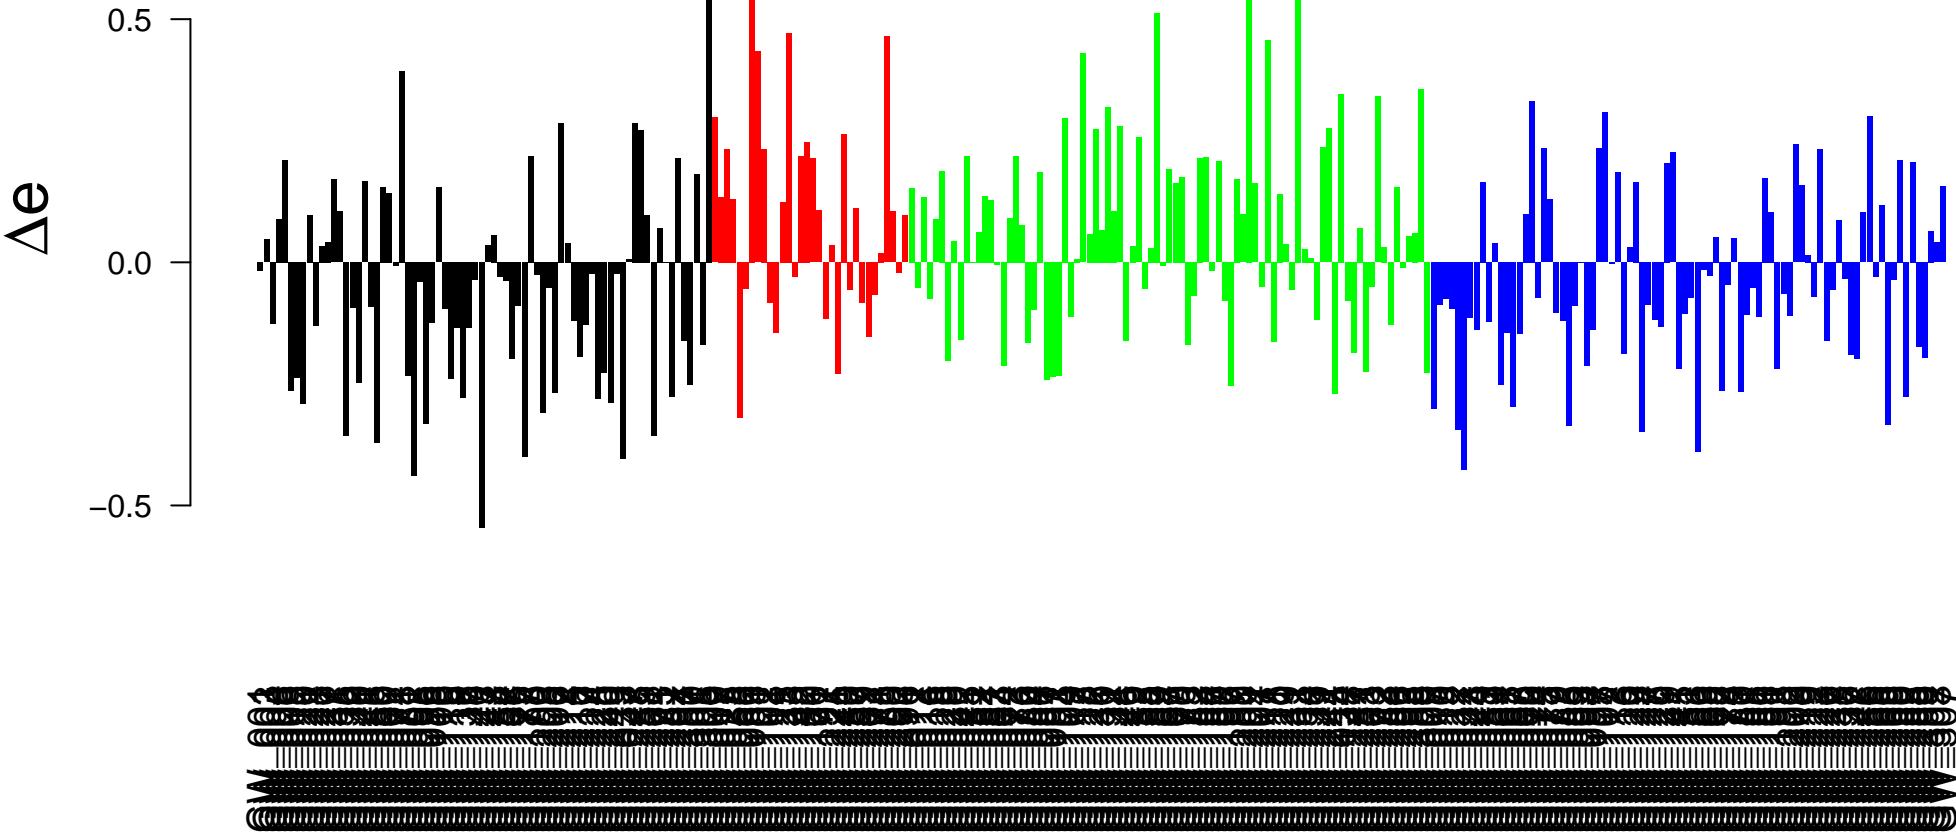

Expression of histone acetyltransferase activity in Spot I

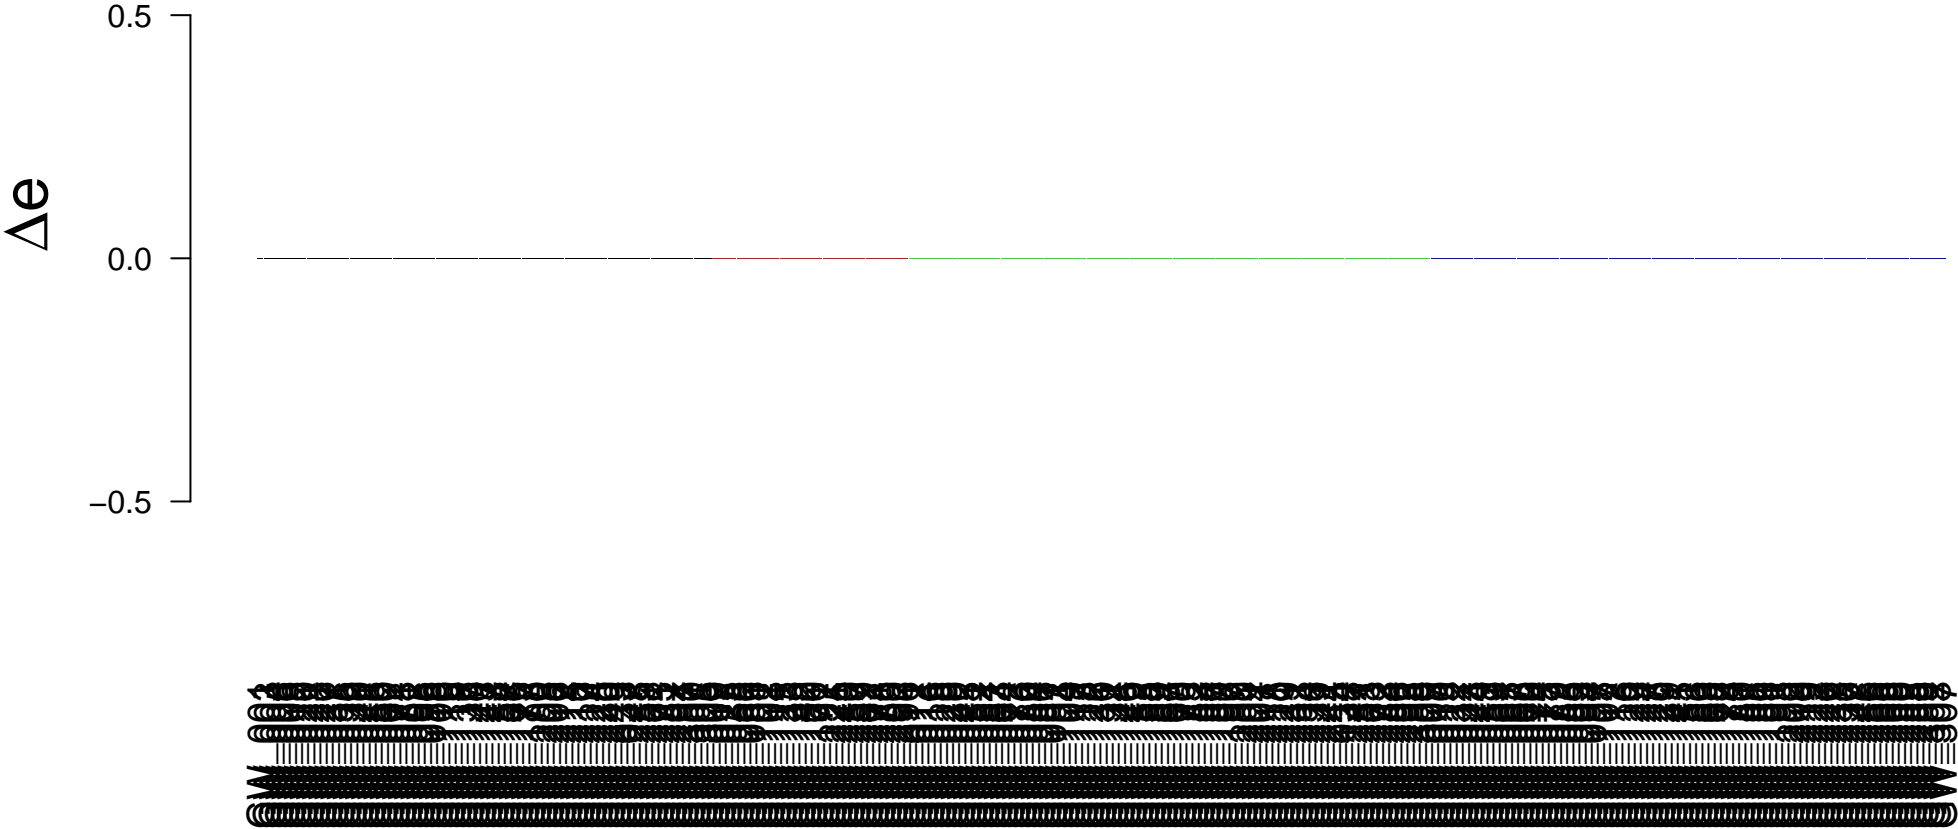

Expression of histone acetyltransferase activity in Spot J

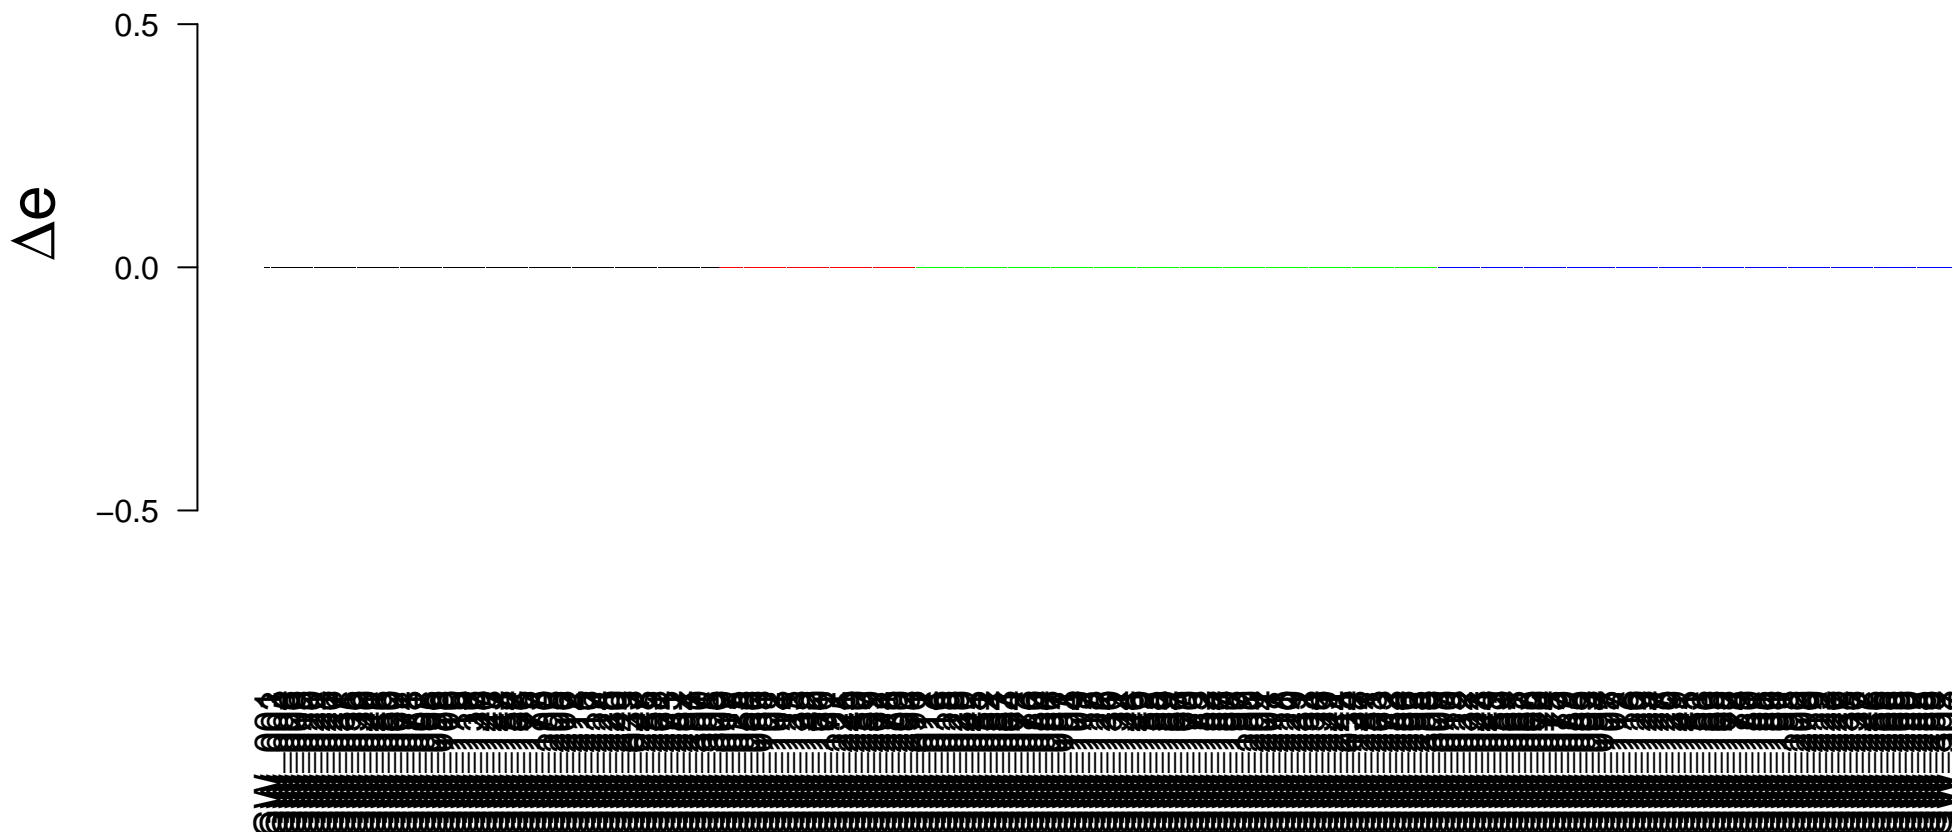

Expression of histone acetyltransferase activity in Spot K

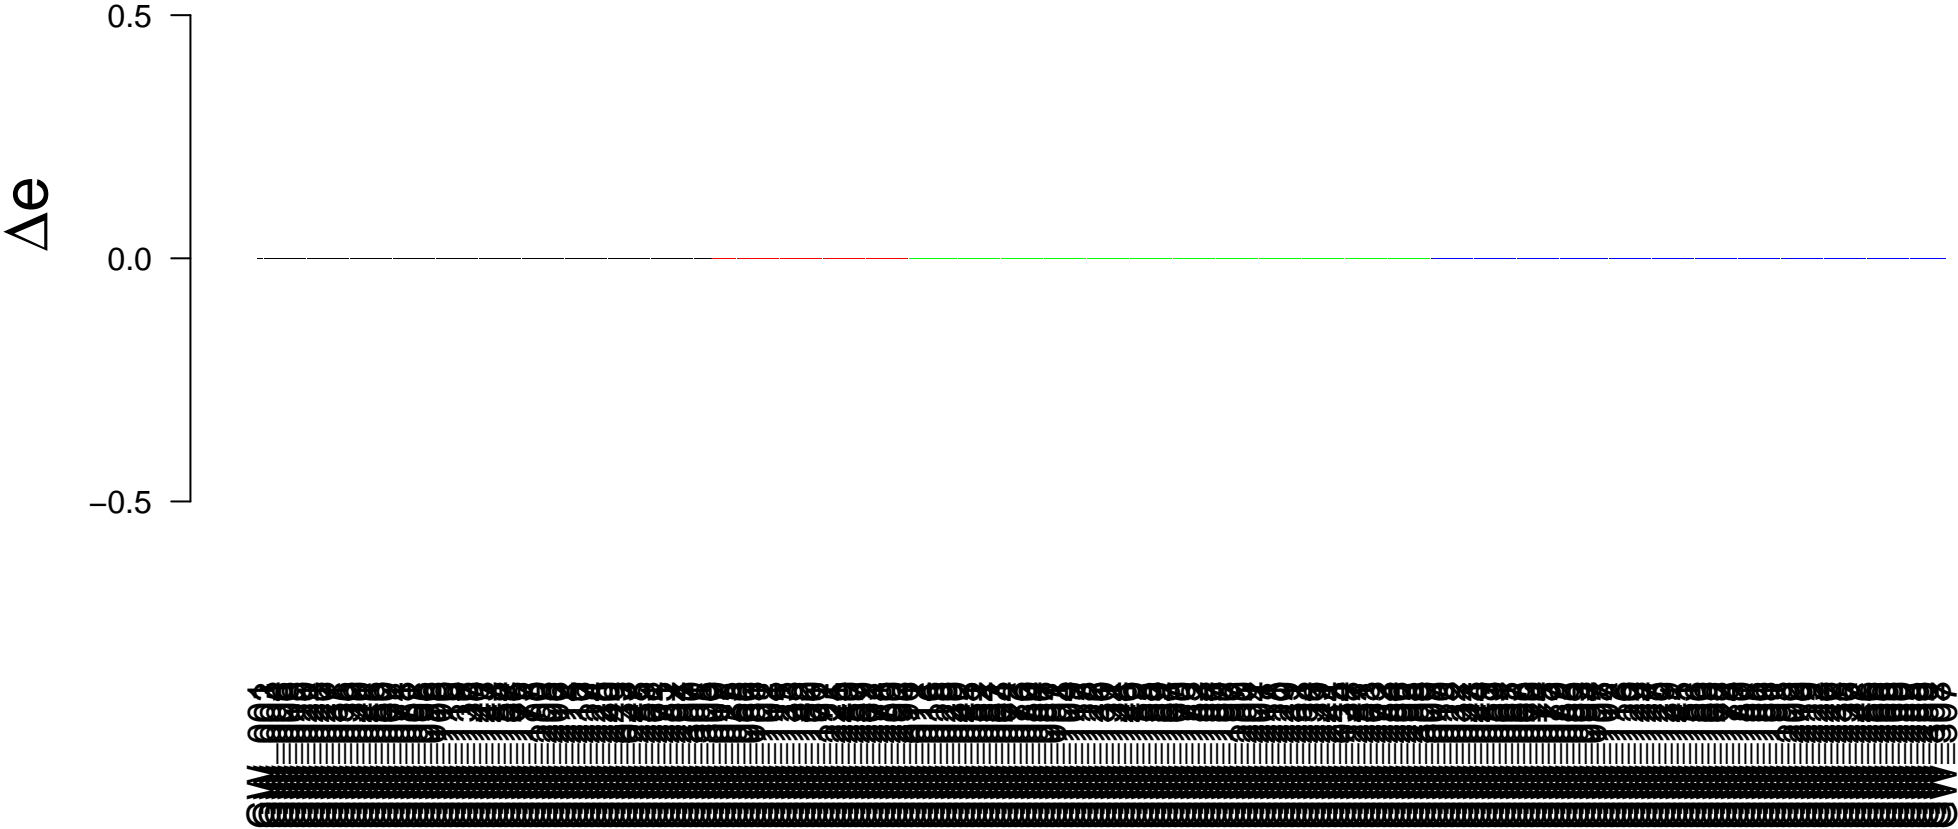

Expression of histone acetyltransferase activity in Spot L

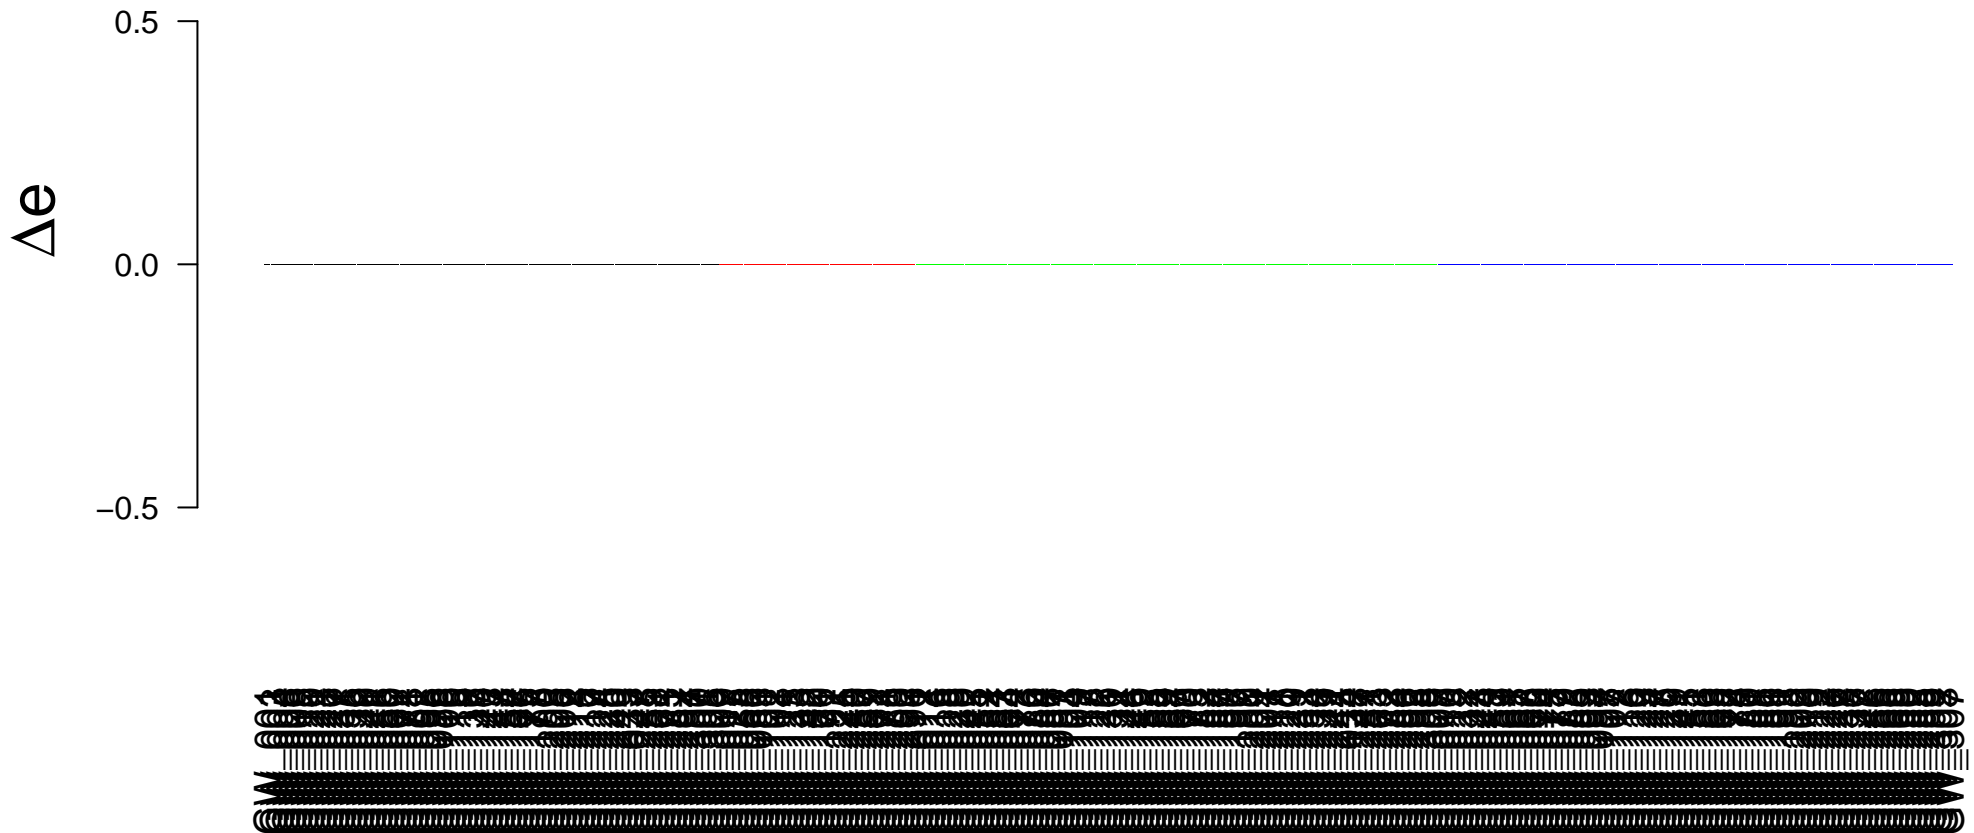

Expression of histone acetyltransferase activity in Spot M

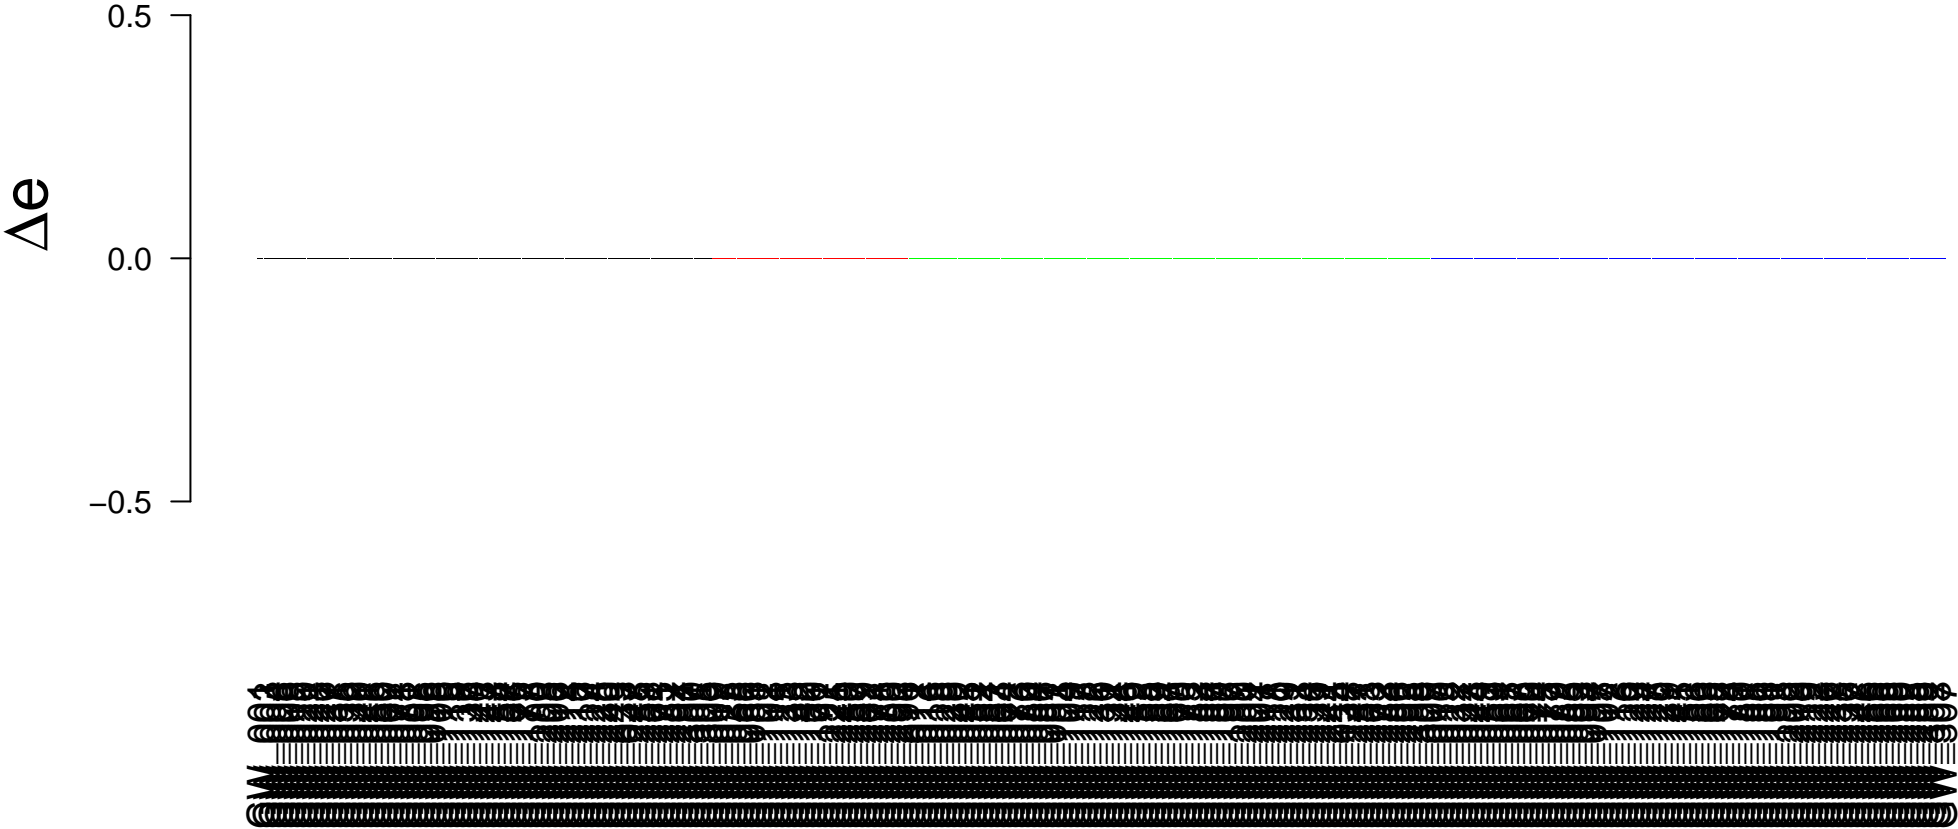

Expression of histone acetyltransferase activity in Spot N

Expression of histone acetyltransferase activity in Spot O

Expression of histone acetyltransferase activity in Spot P

Expression of histone acetyltransferase activity in Spot Q
