

histone deubiquitination

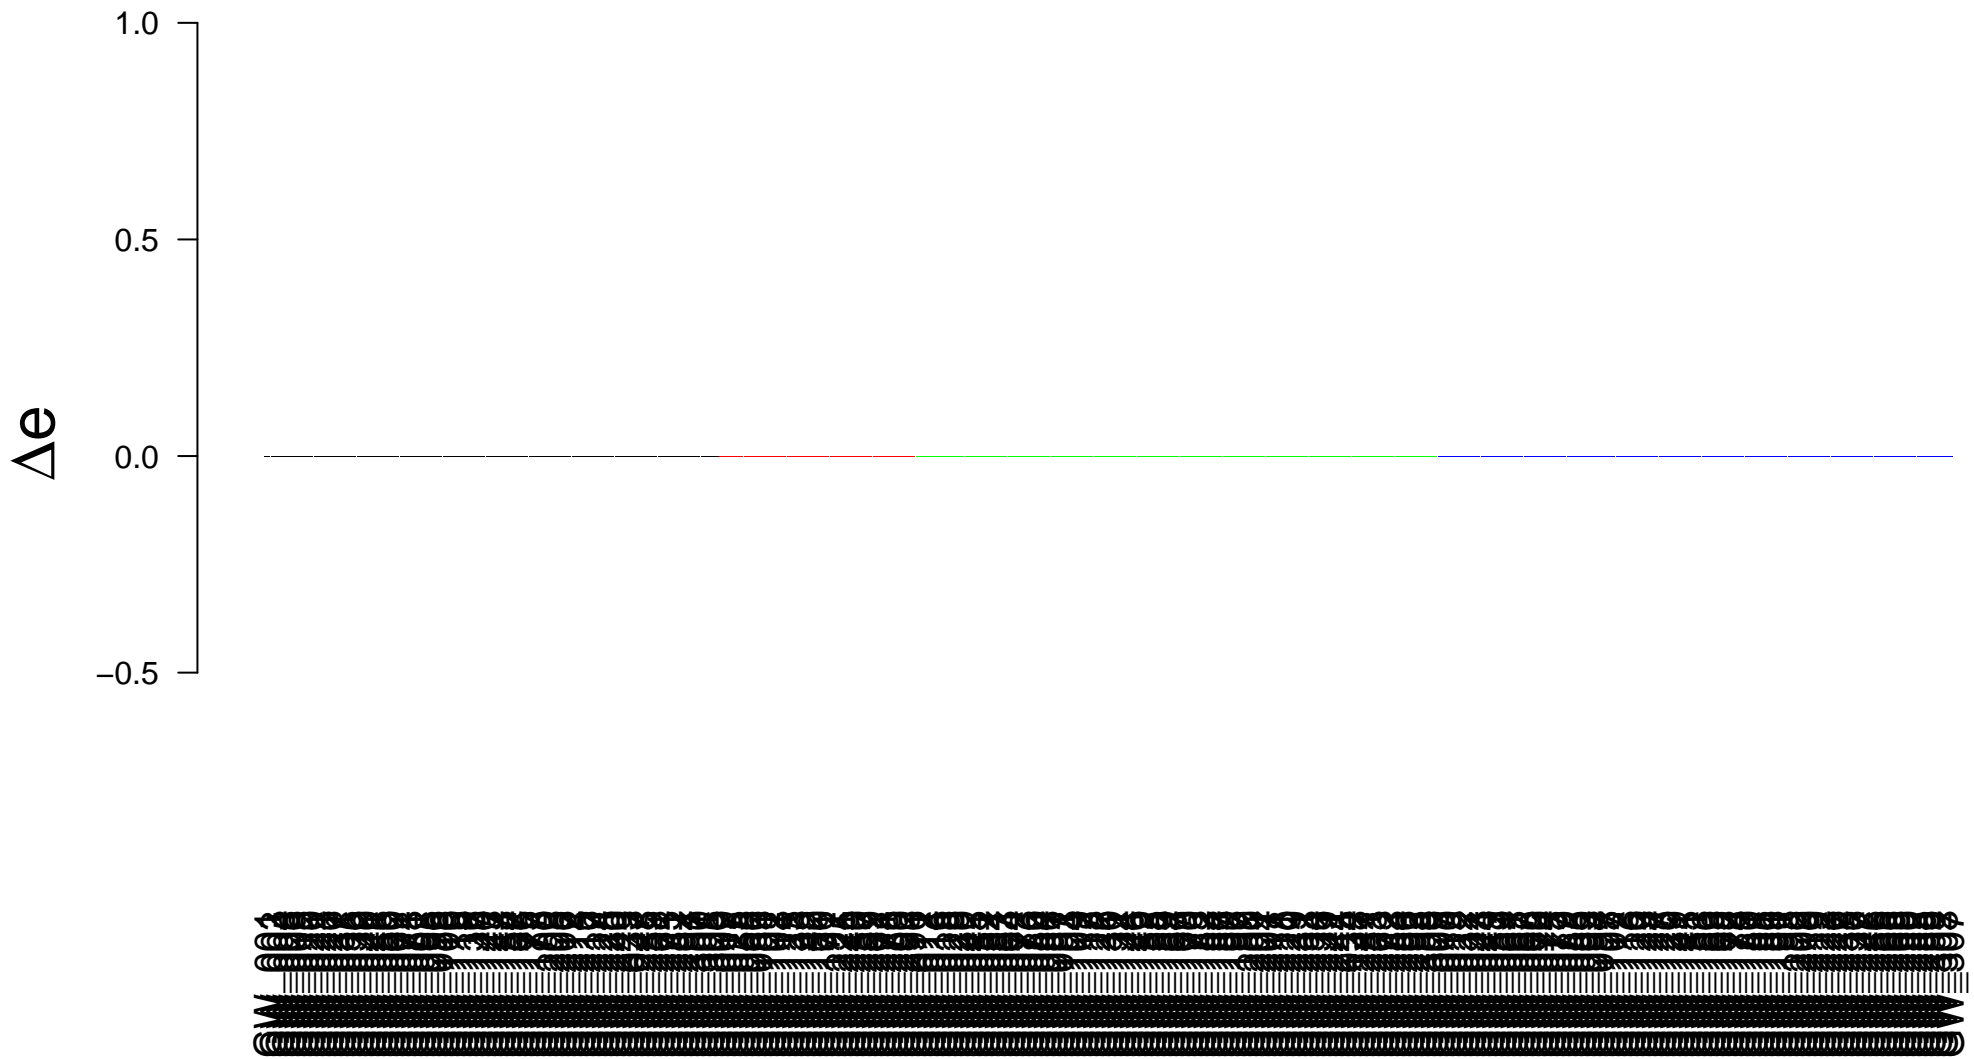

histone deubiquitination

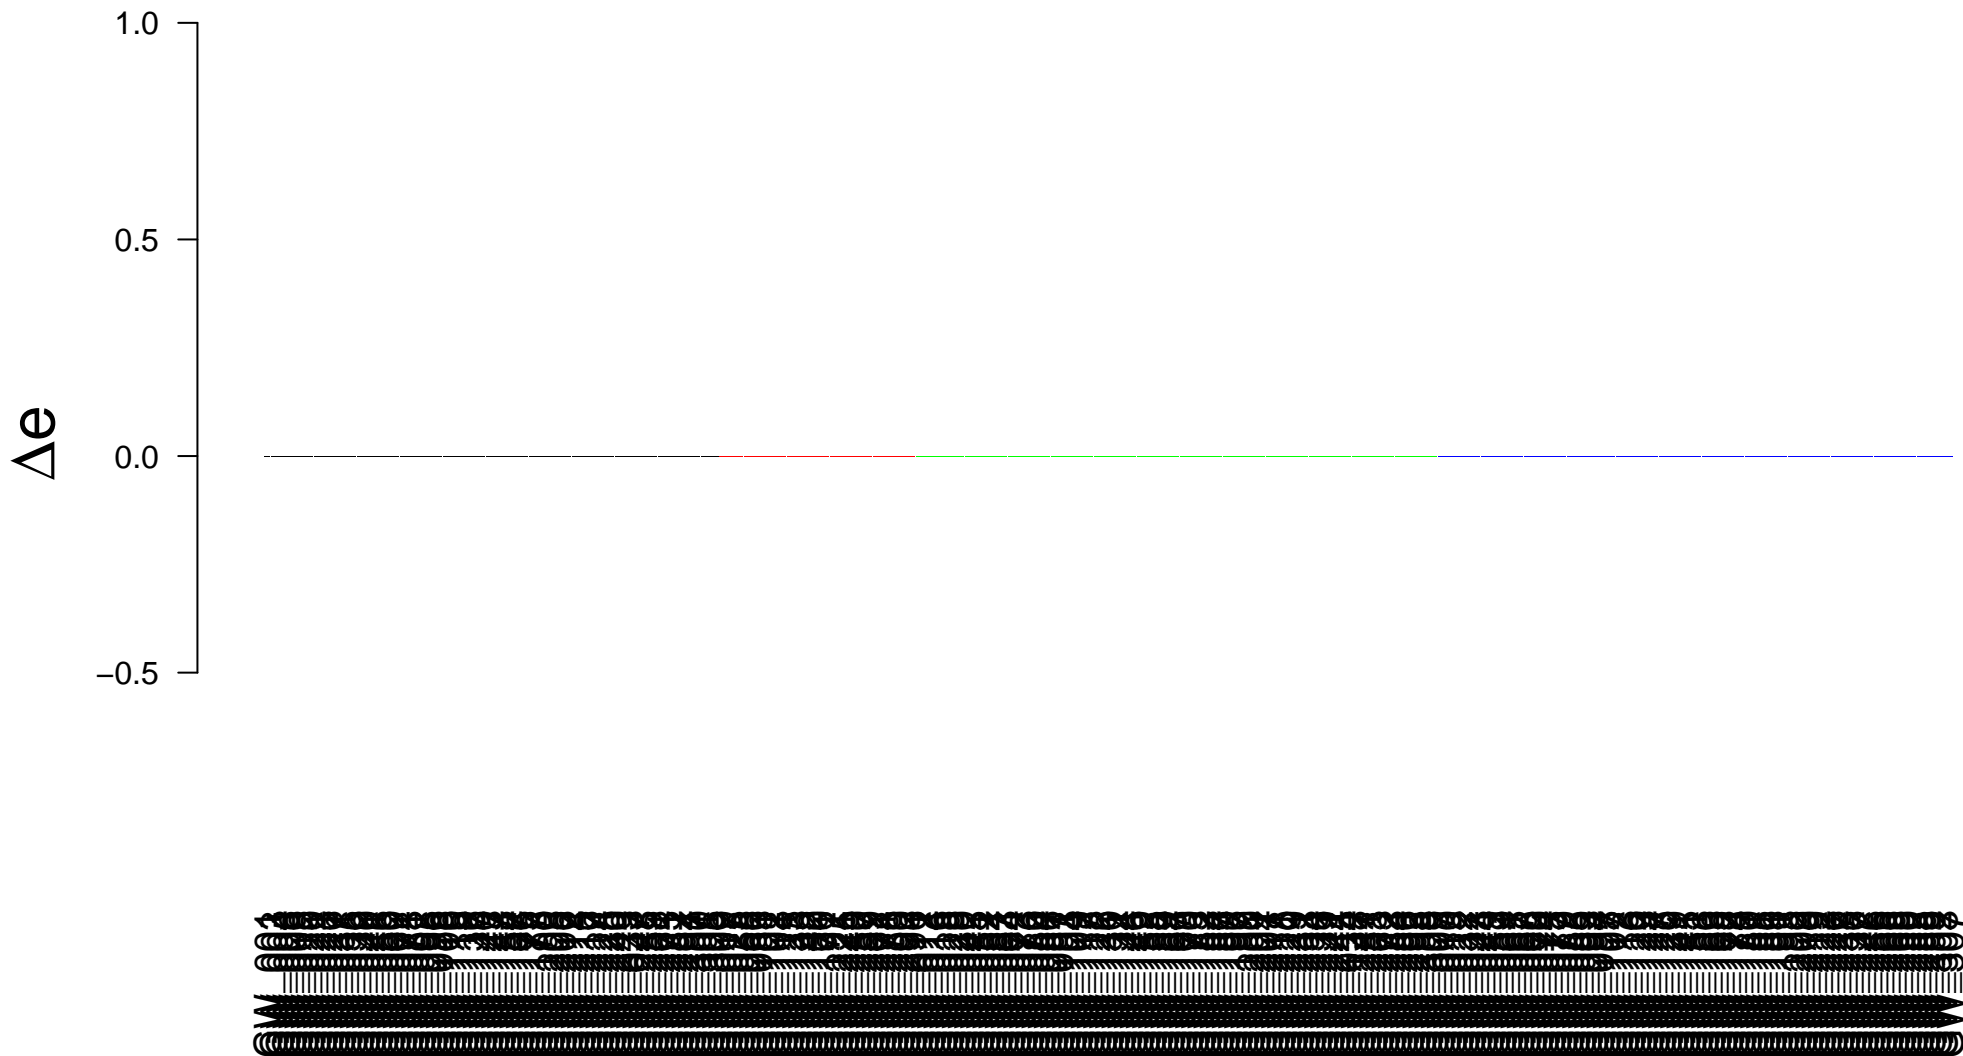

Enrichment in spots: histone deubiquitination

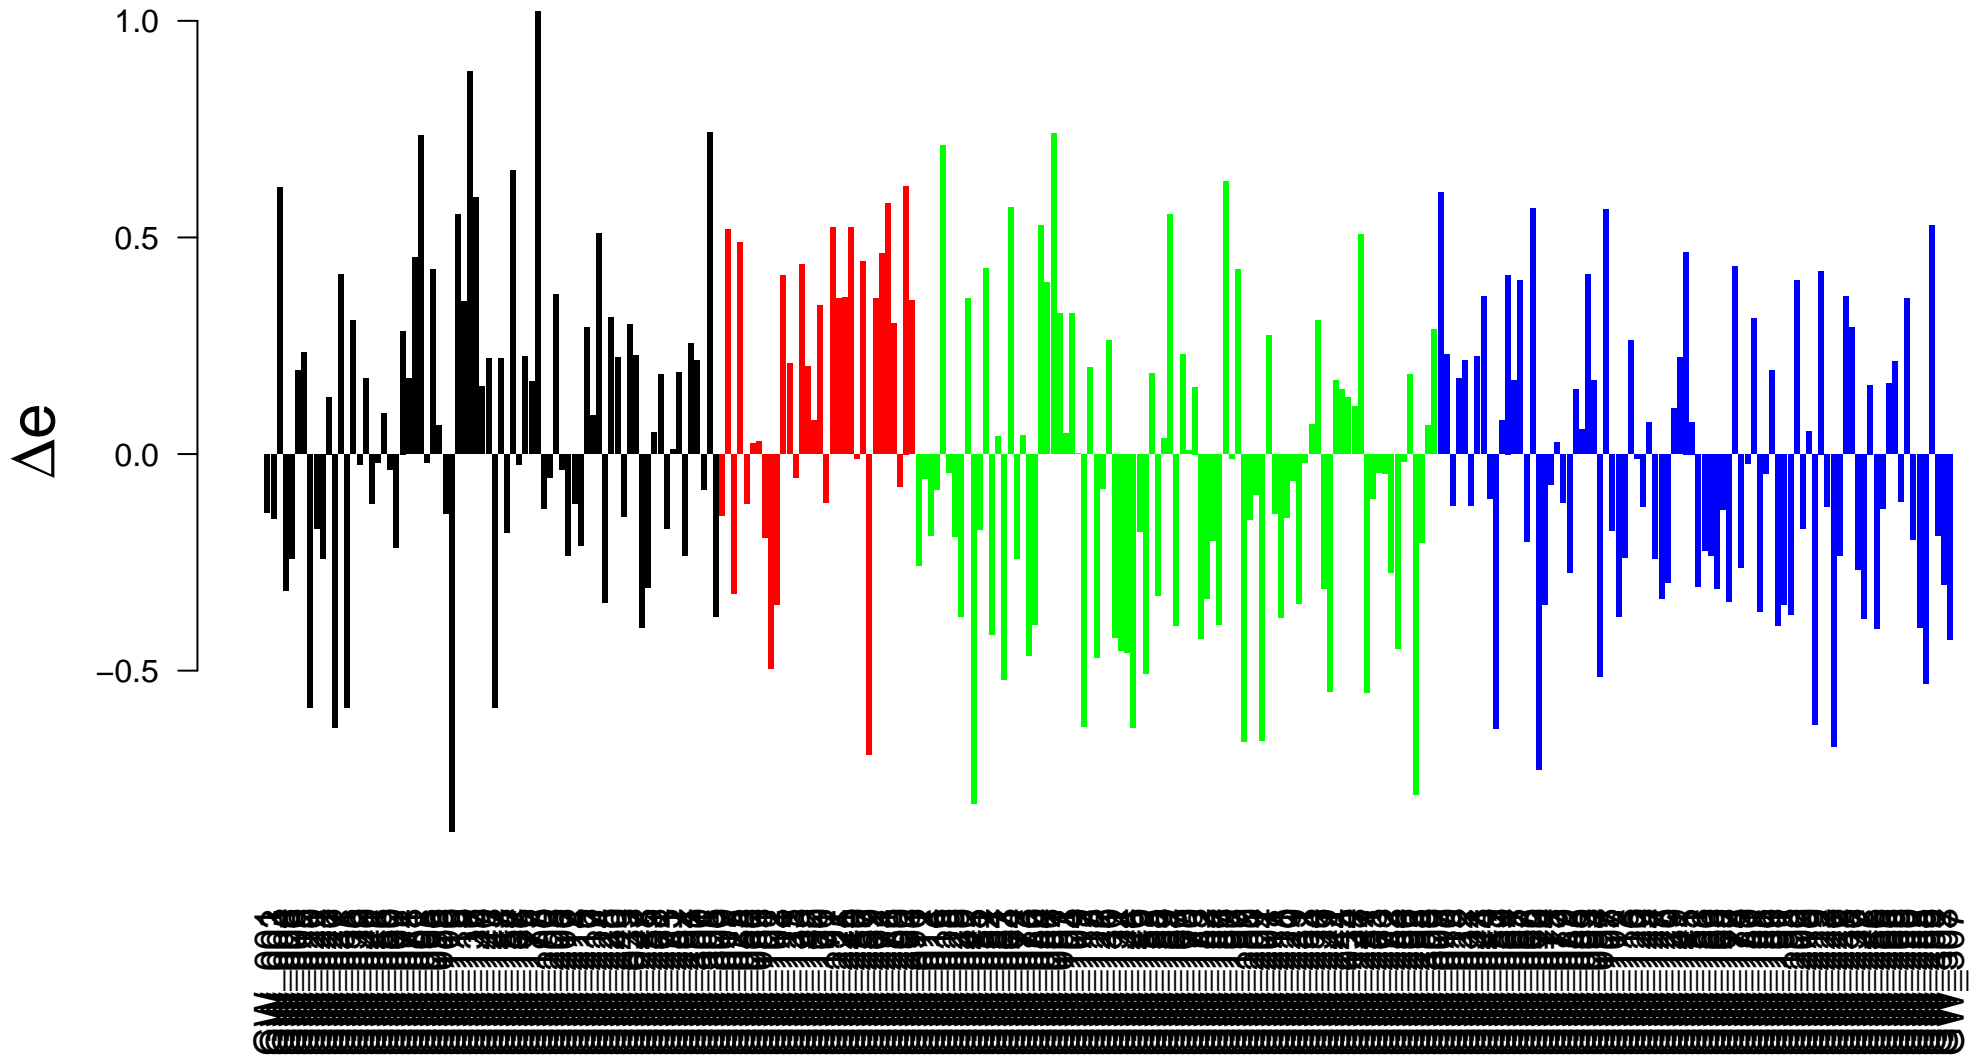

Expression of histone deubiquitination in Spot A

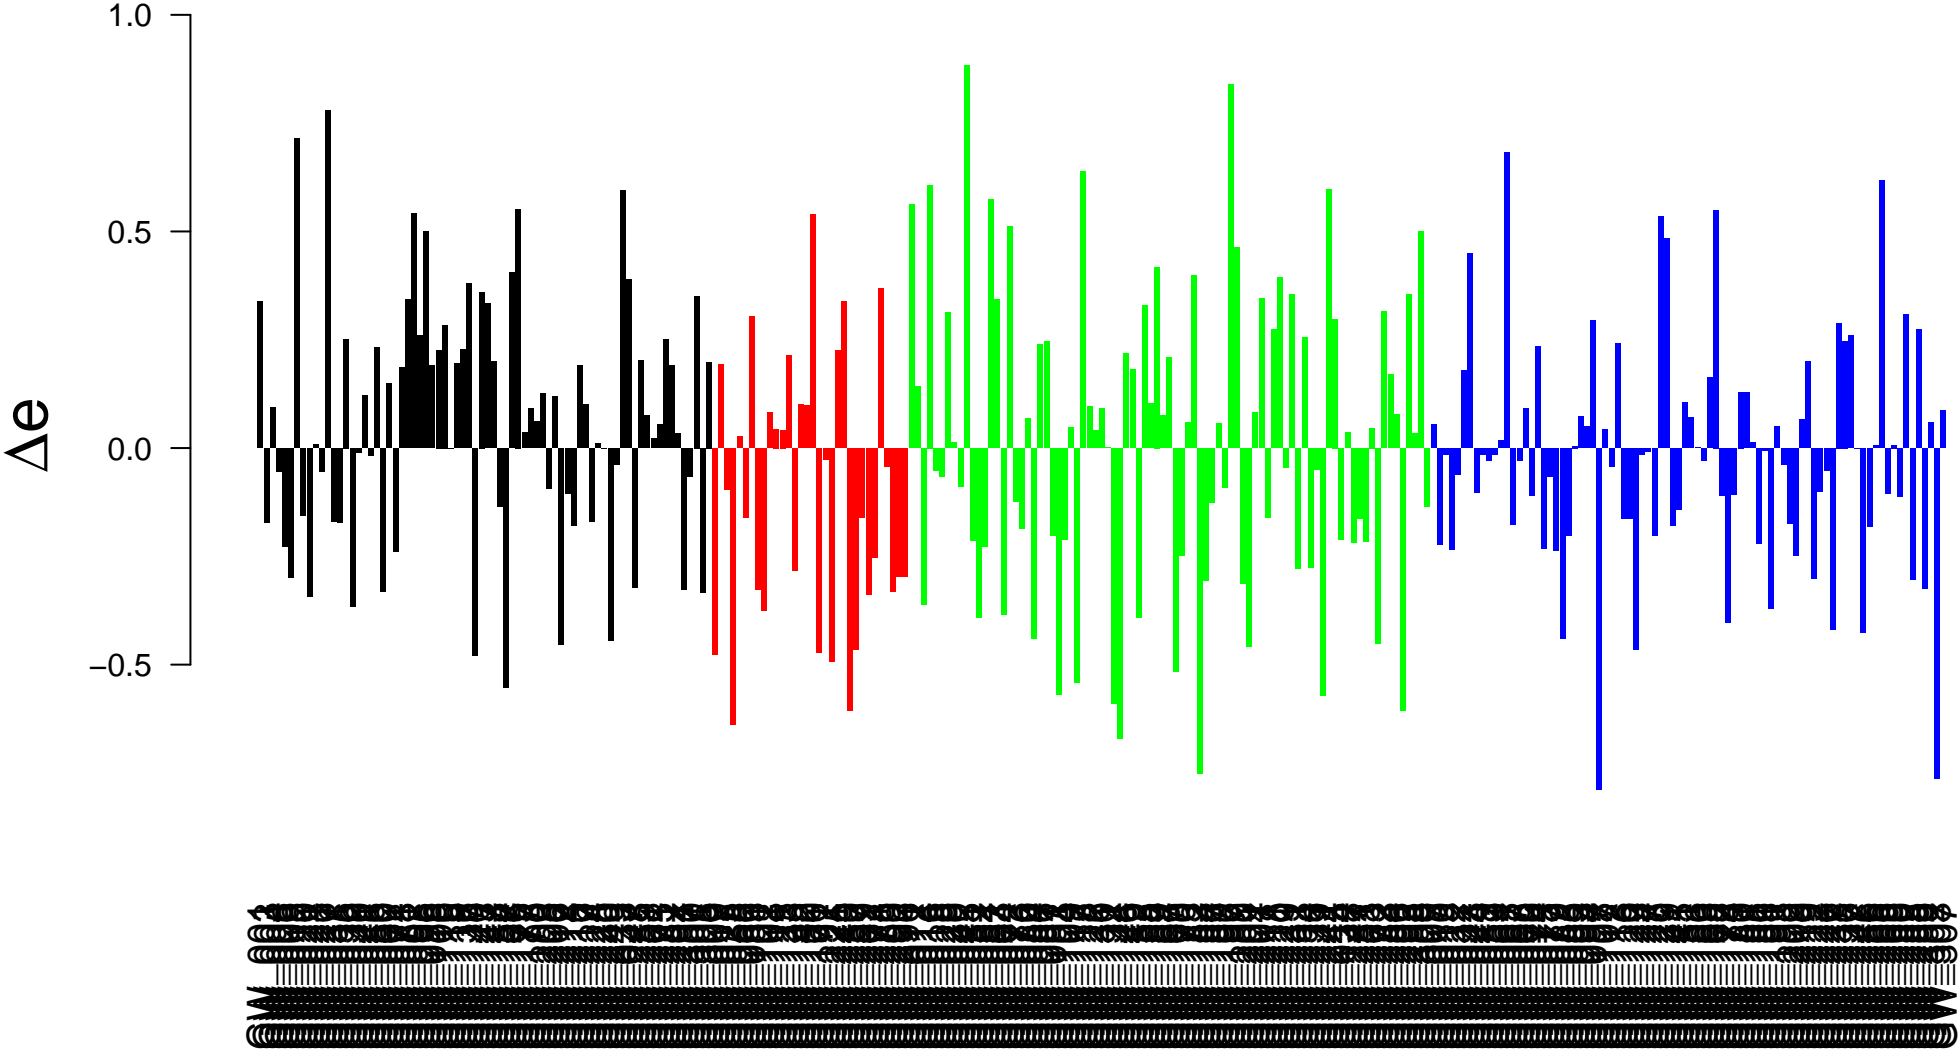

Expression of histone deubiquitination in Spot B

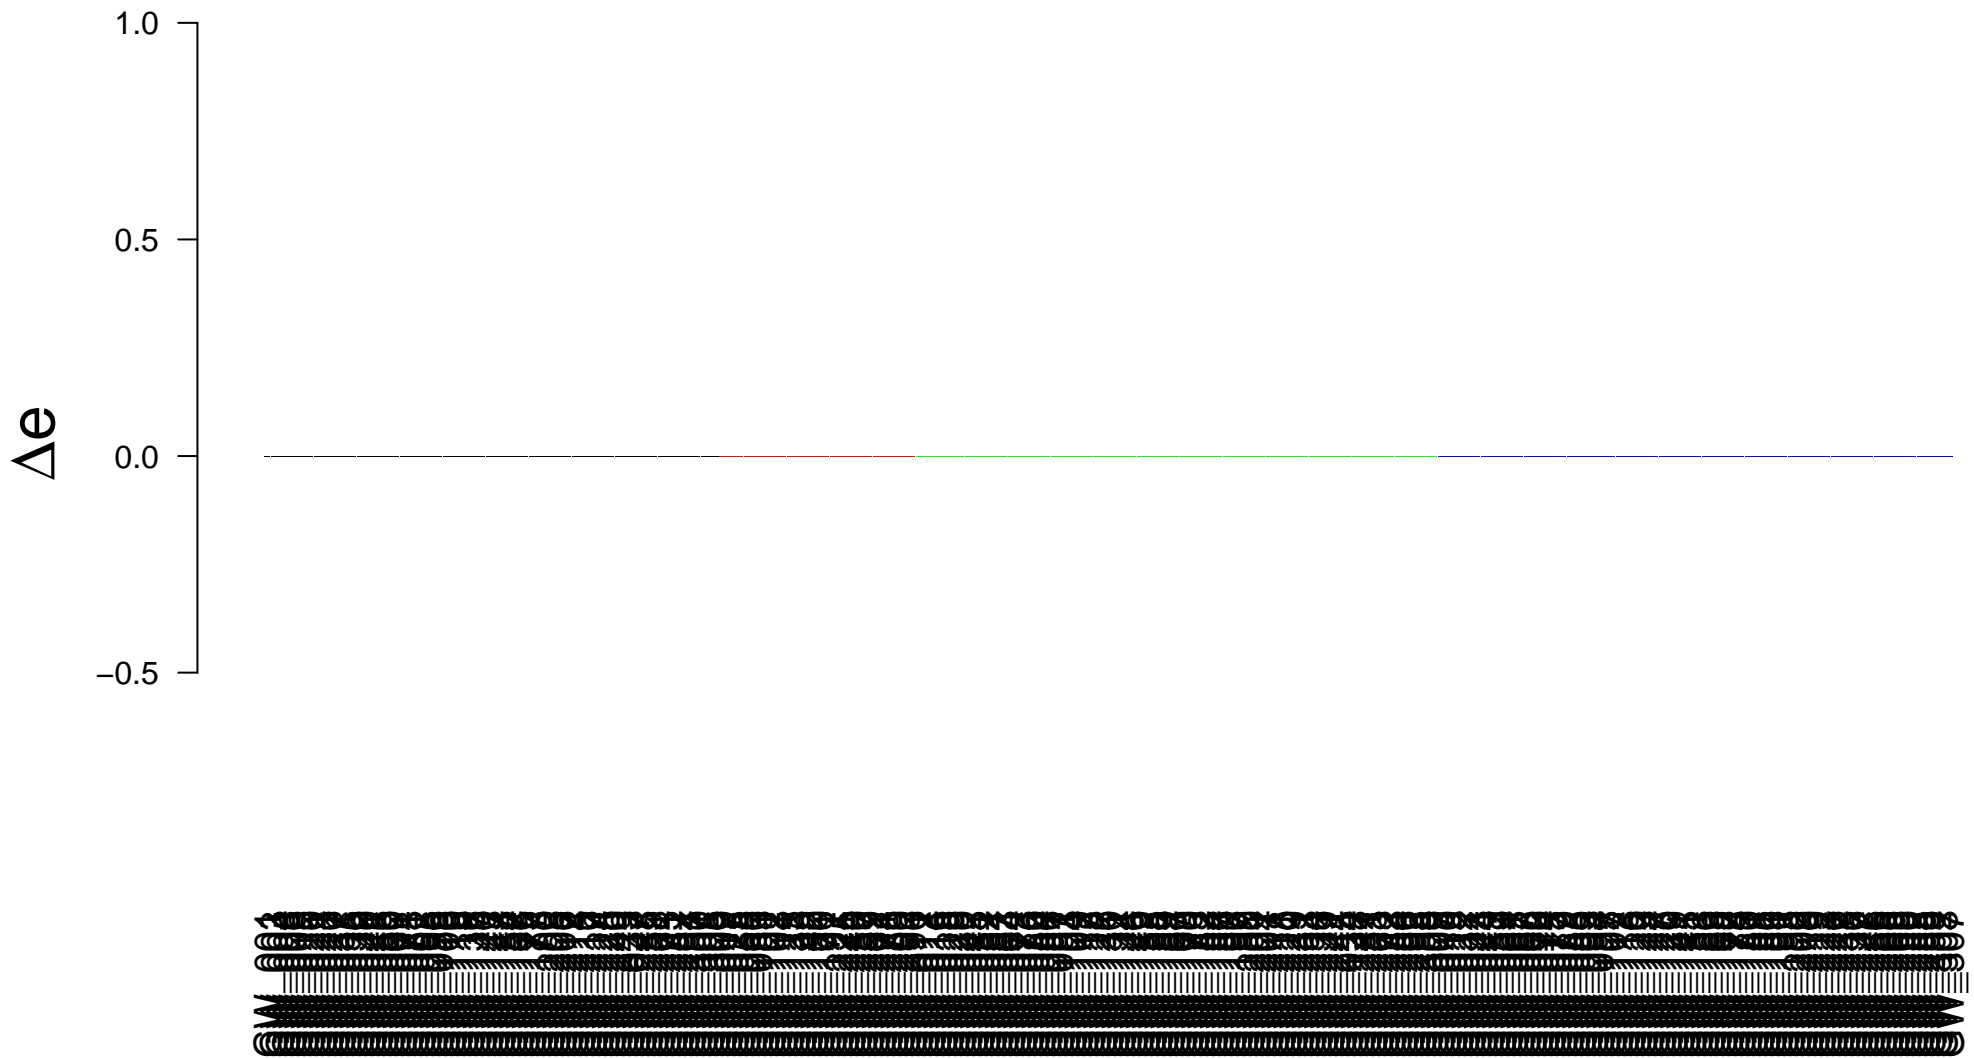

Expression of histone deubiquitination in Spot C

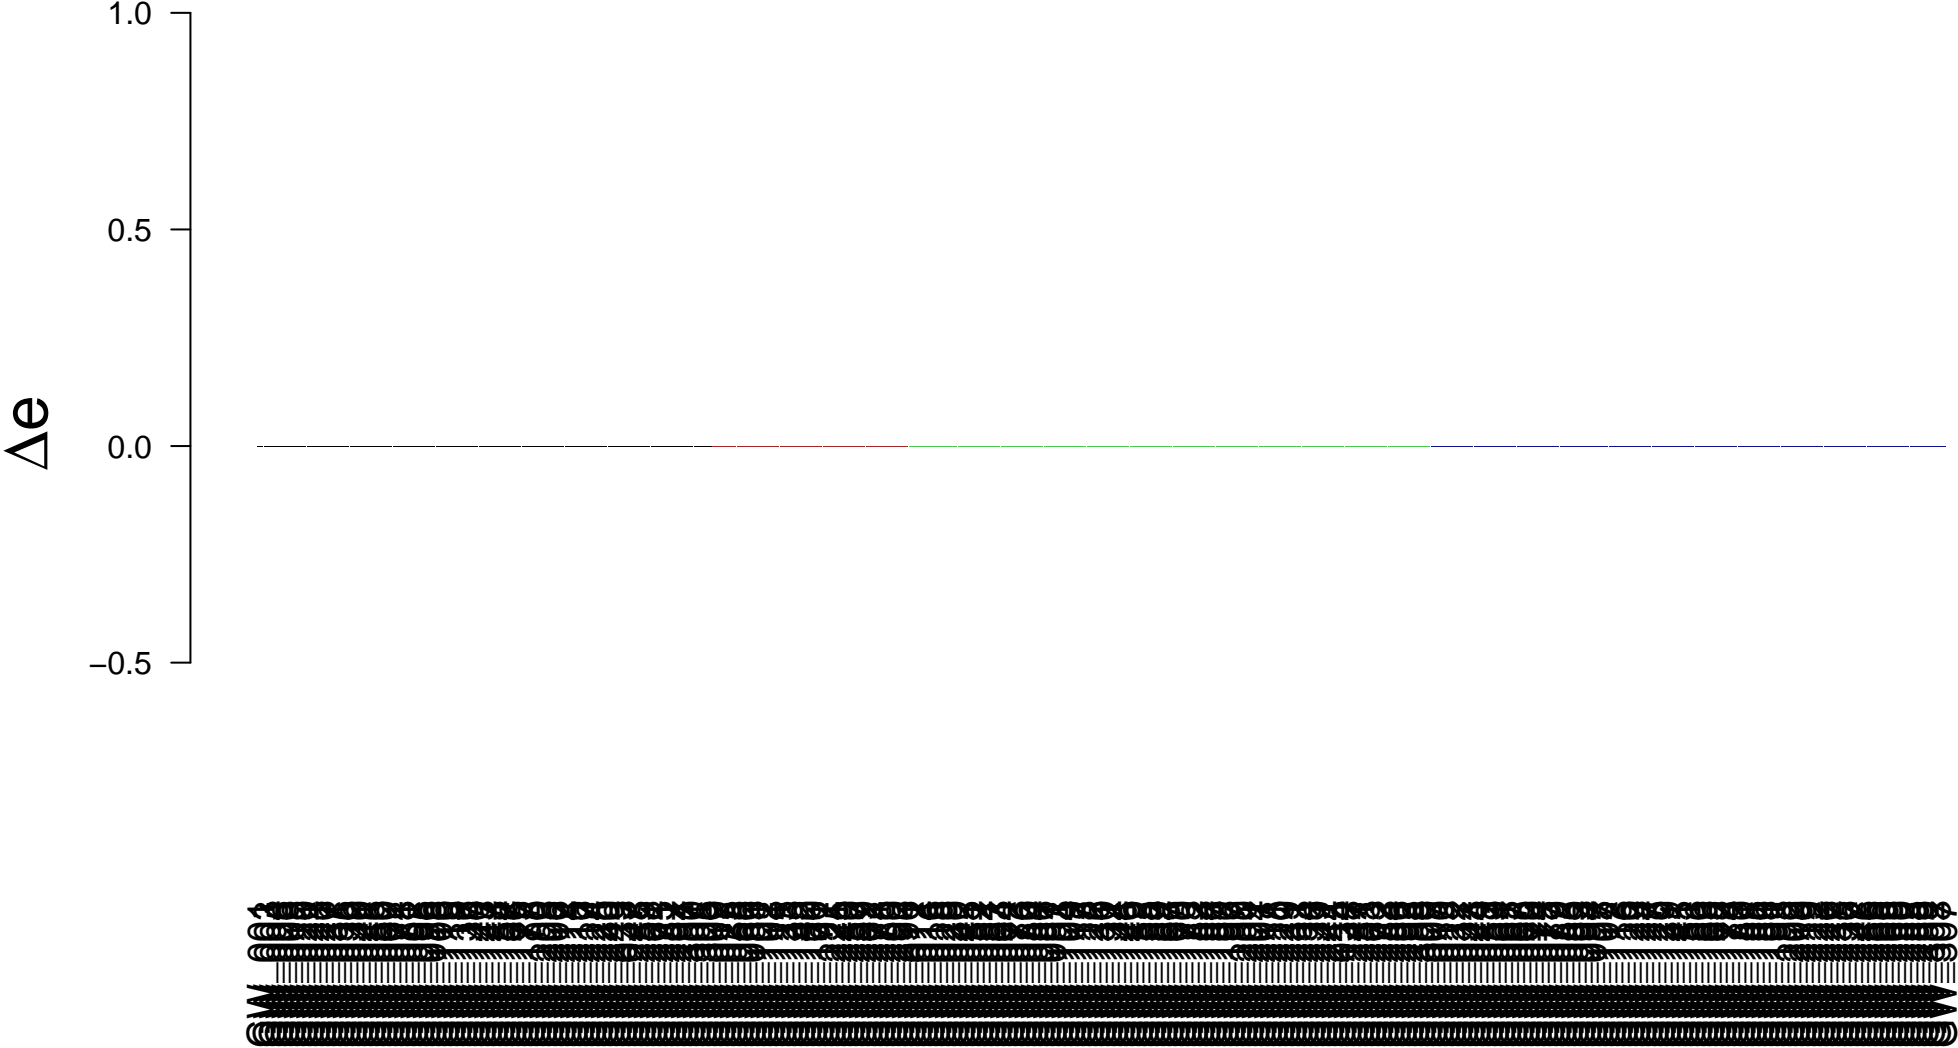

Expression of histone deubiquitination in Spot D

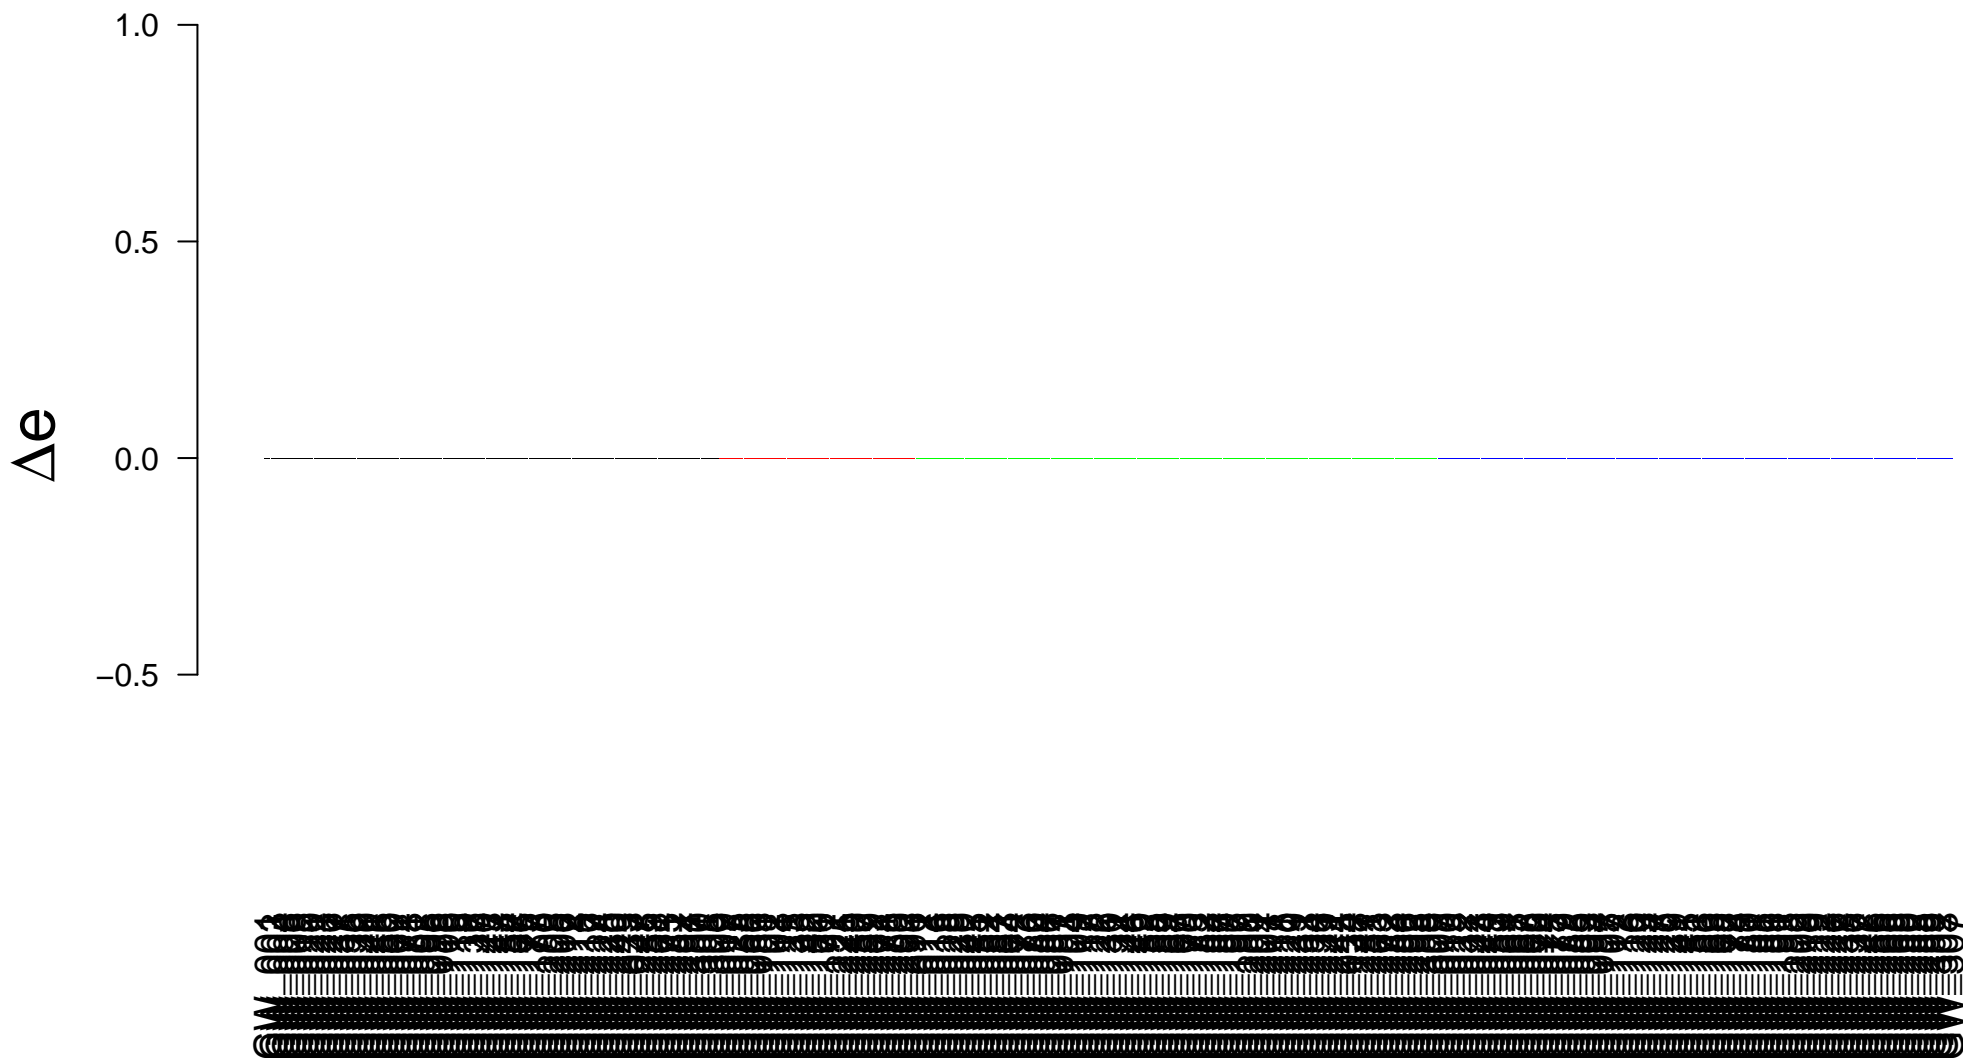

Expression of histone deubiquitination in Spot E

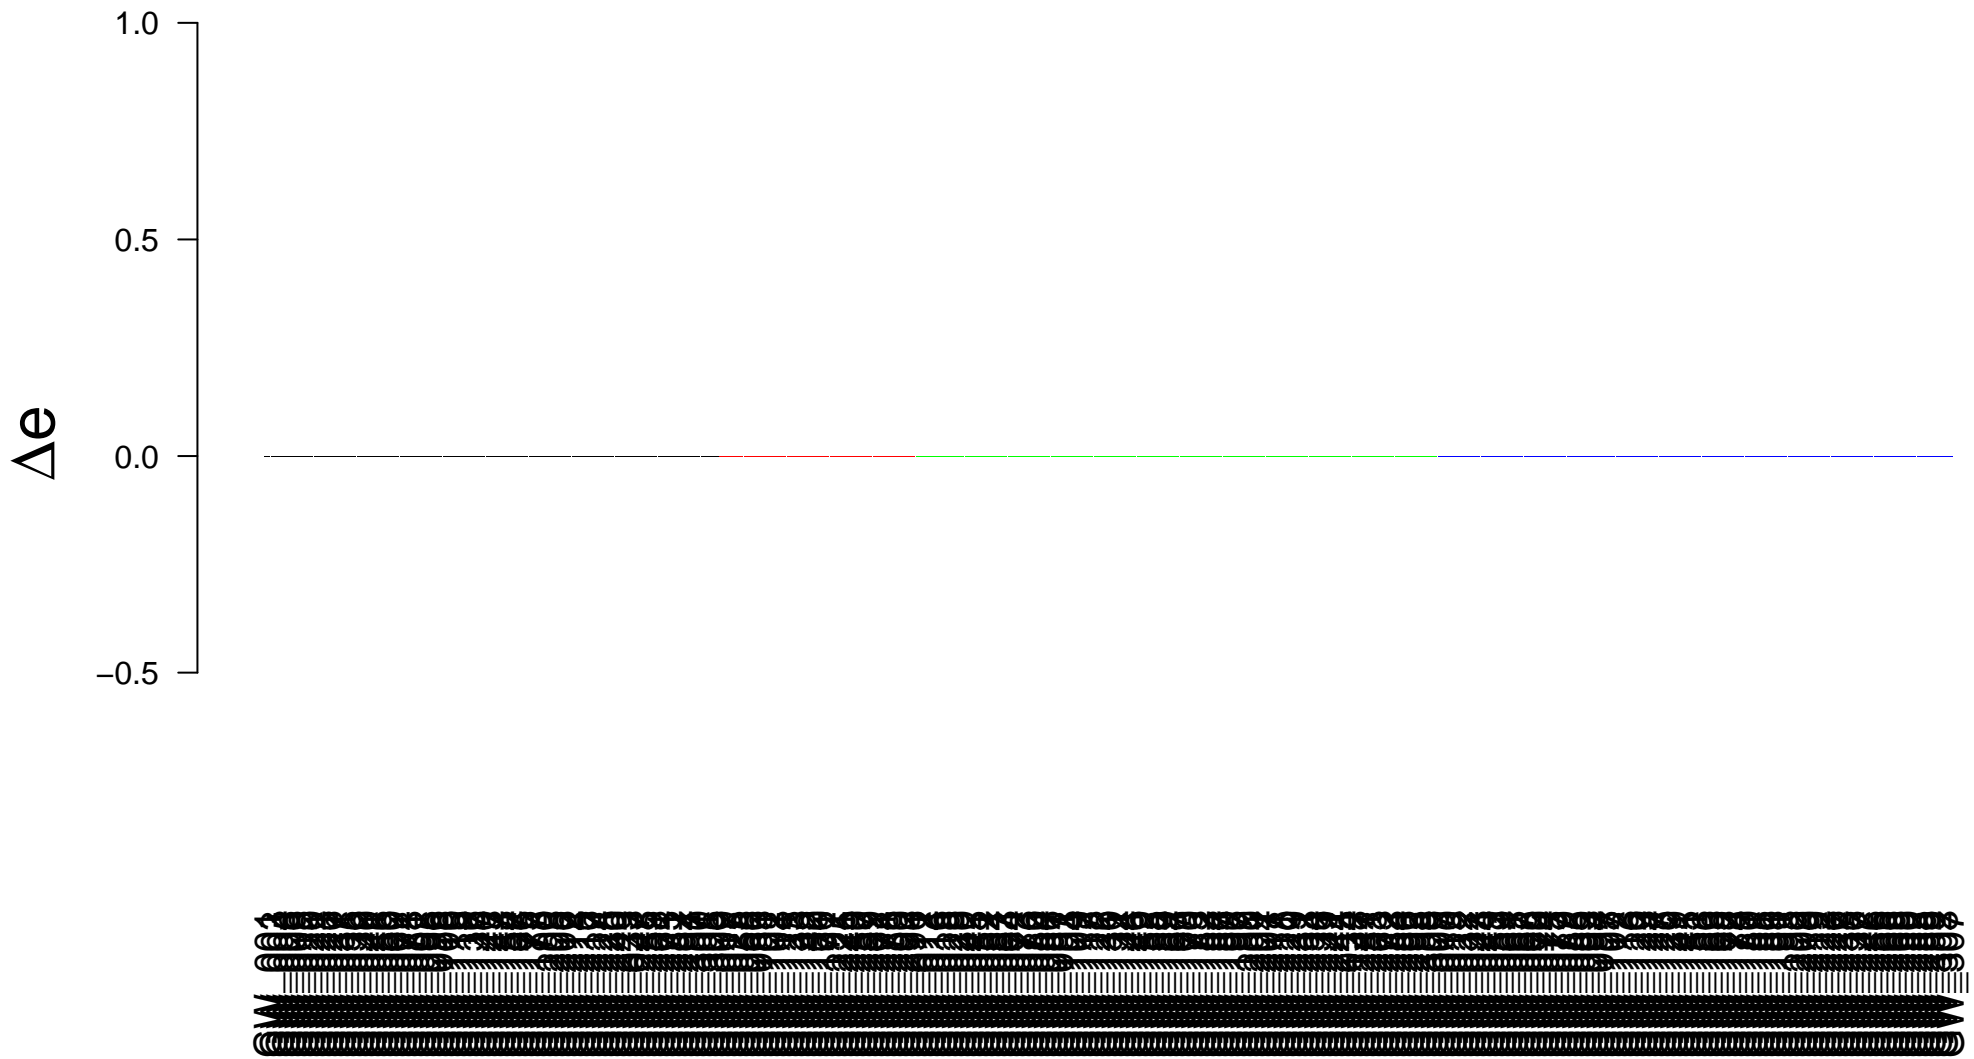

Expression of histone deubiquitination in Spot F

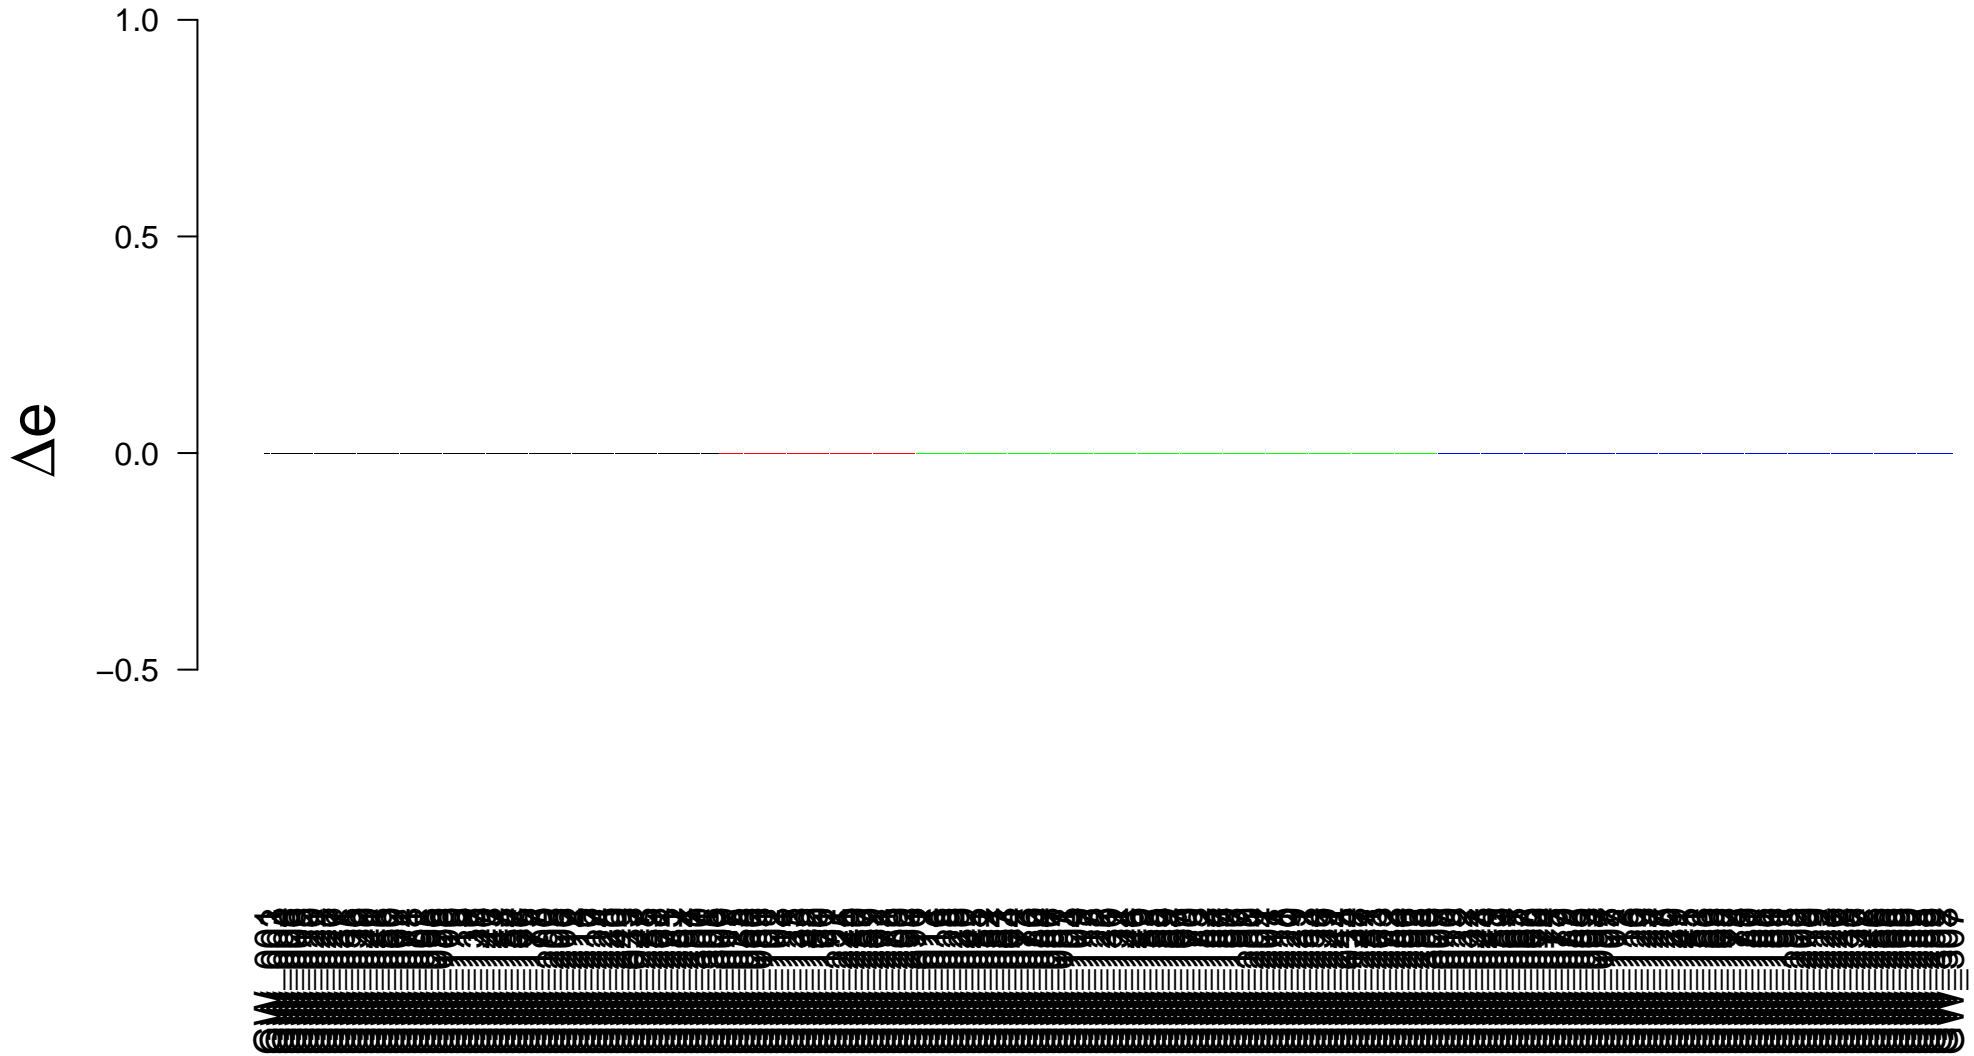

Expression of histone deubiquitination in Spot G

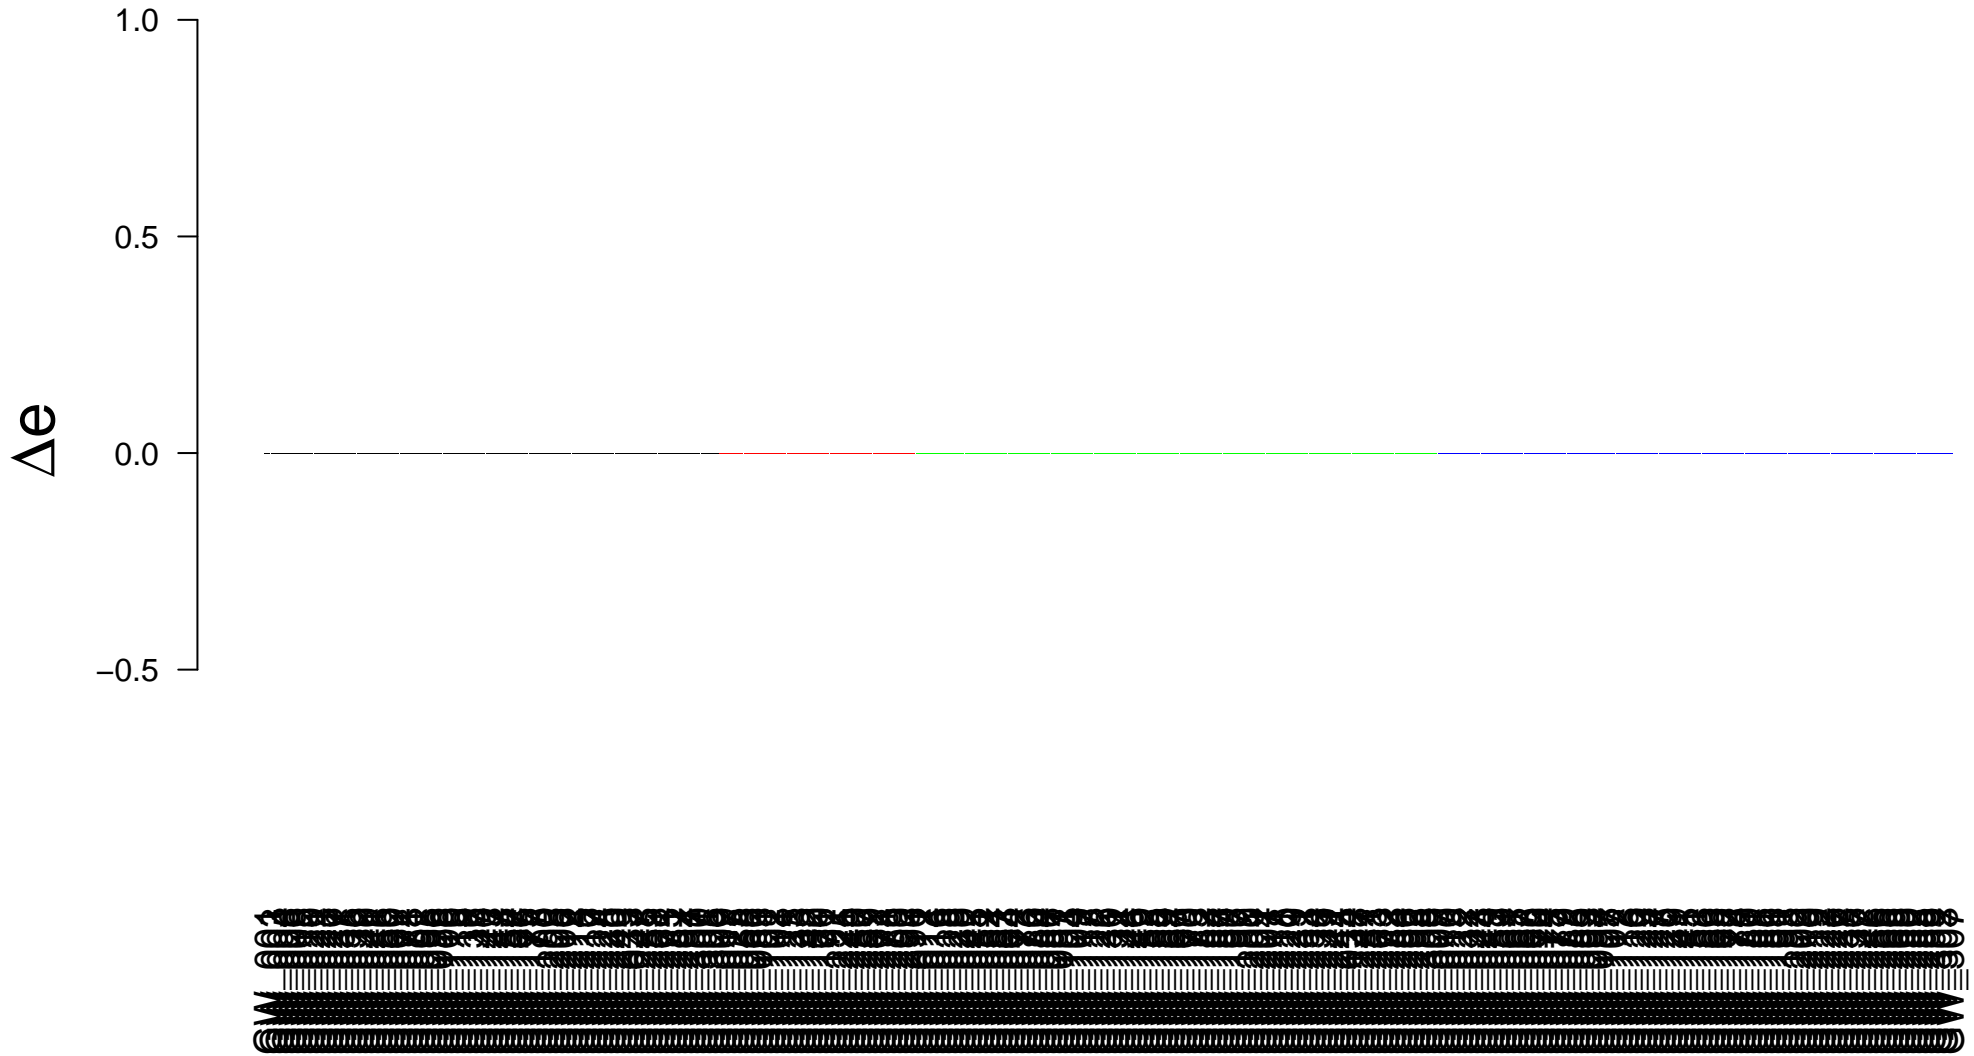

Expression of histone deubiquitination in Spot H

Expression of histone deubiquitination in Spot I

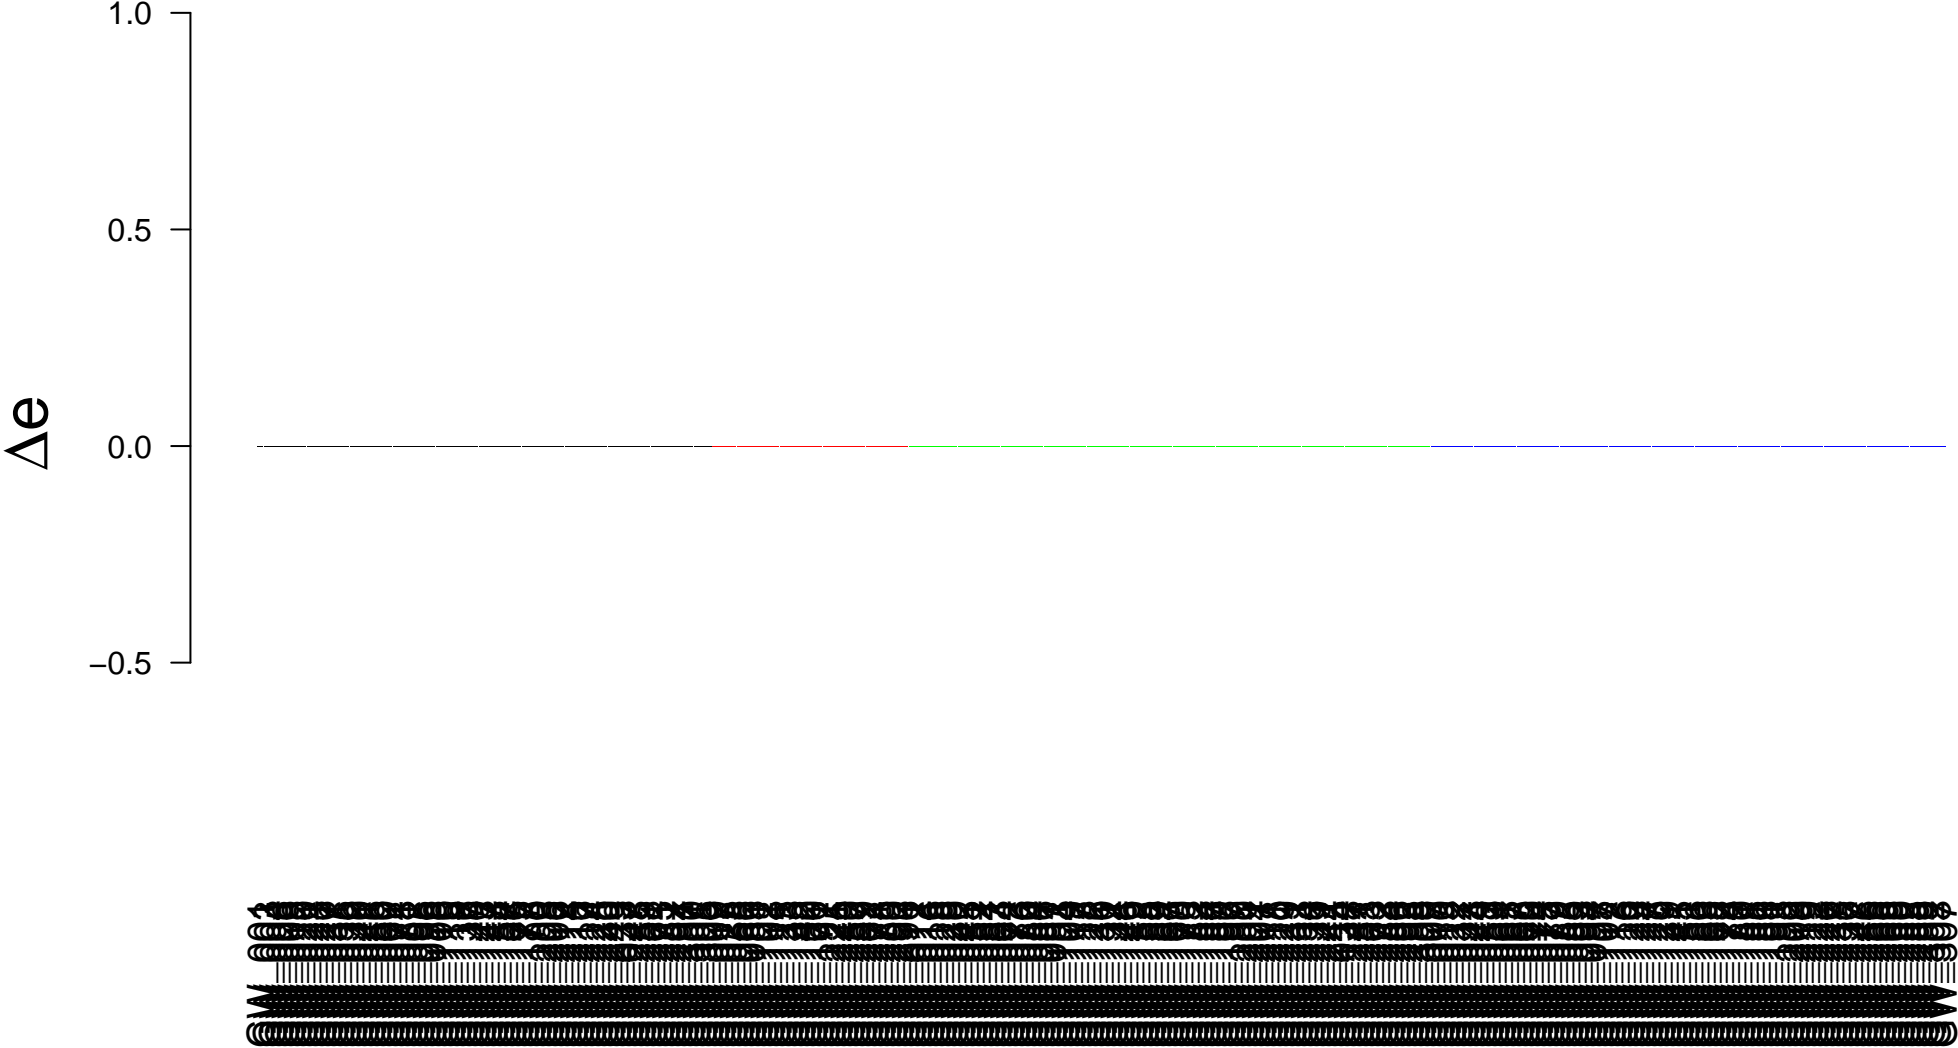

Expression of histone deubiquitination in Spot J

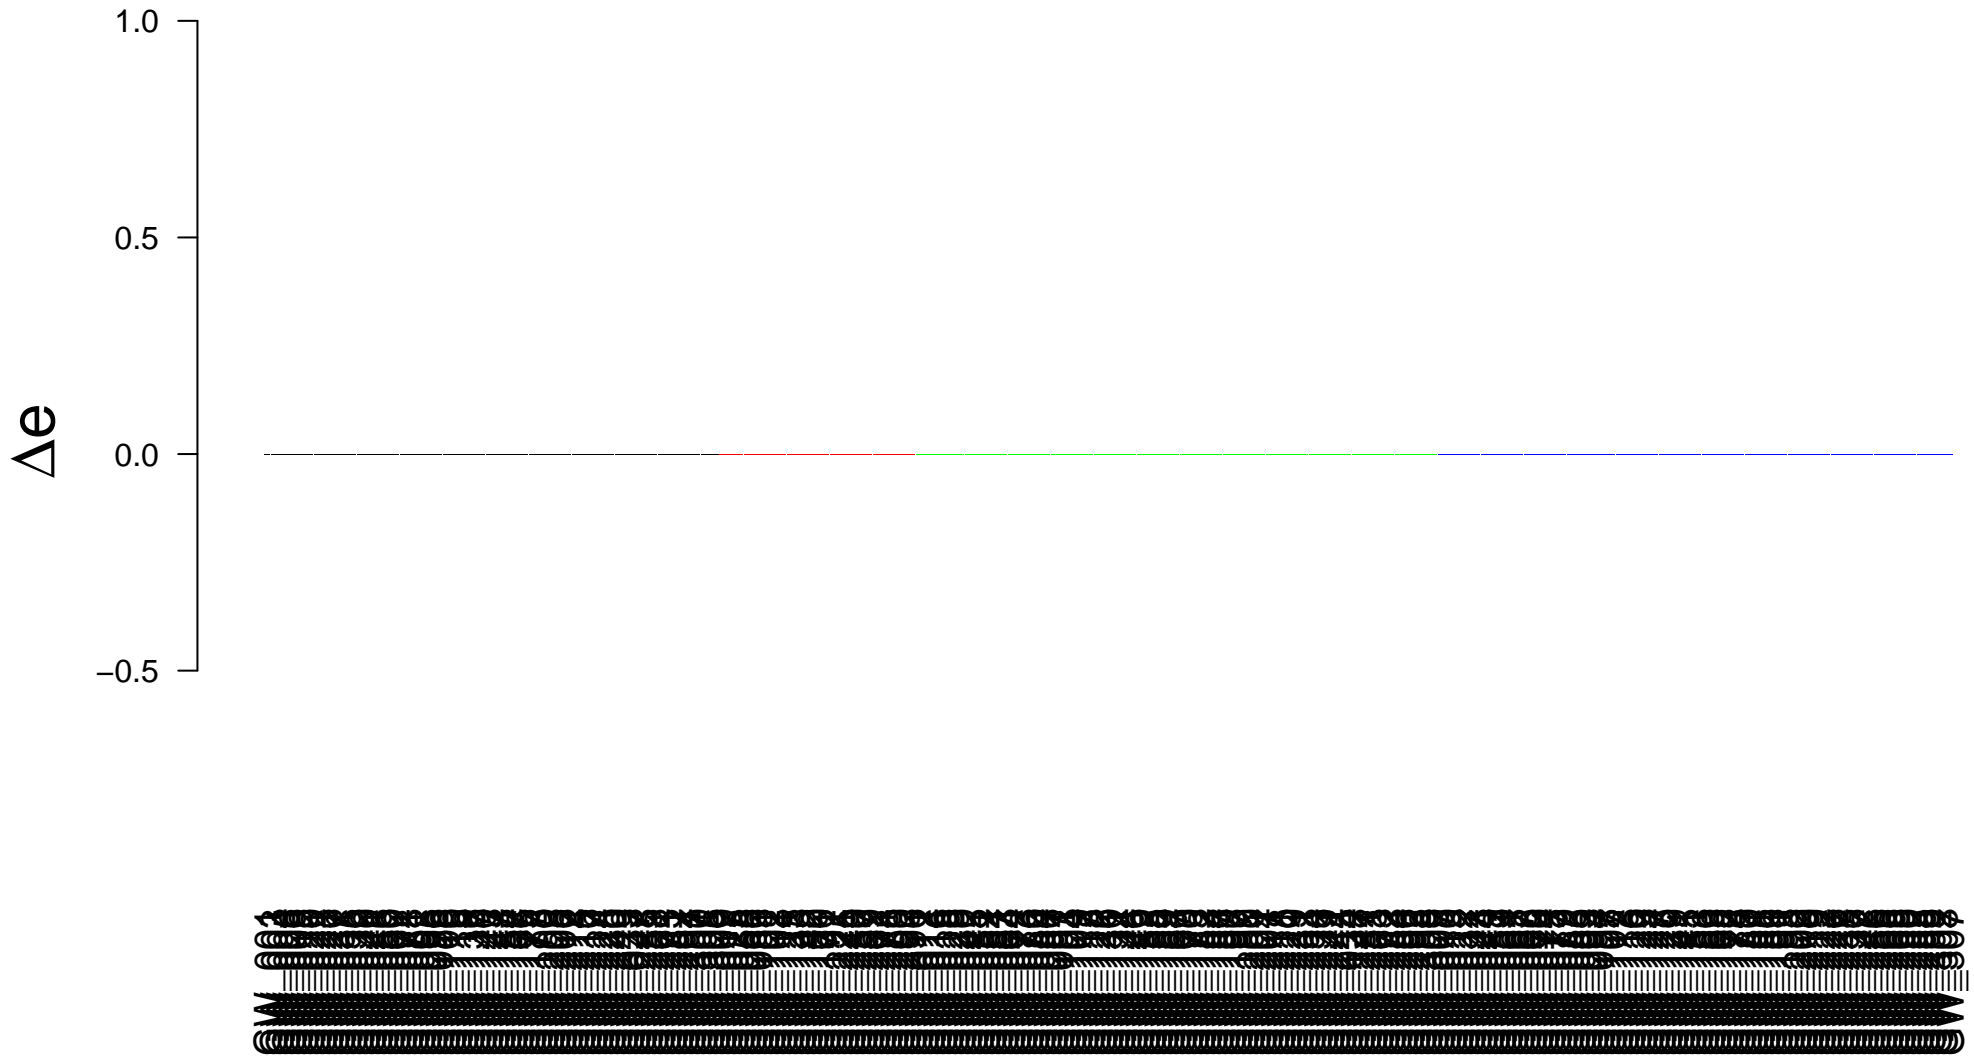

Expression of histone deubiquitination in Spot K

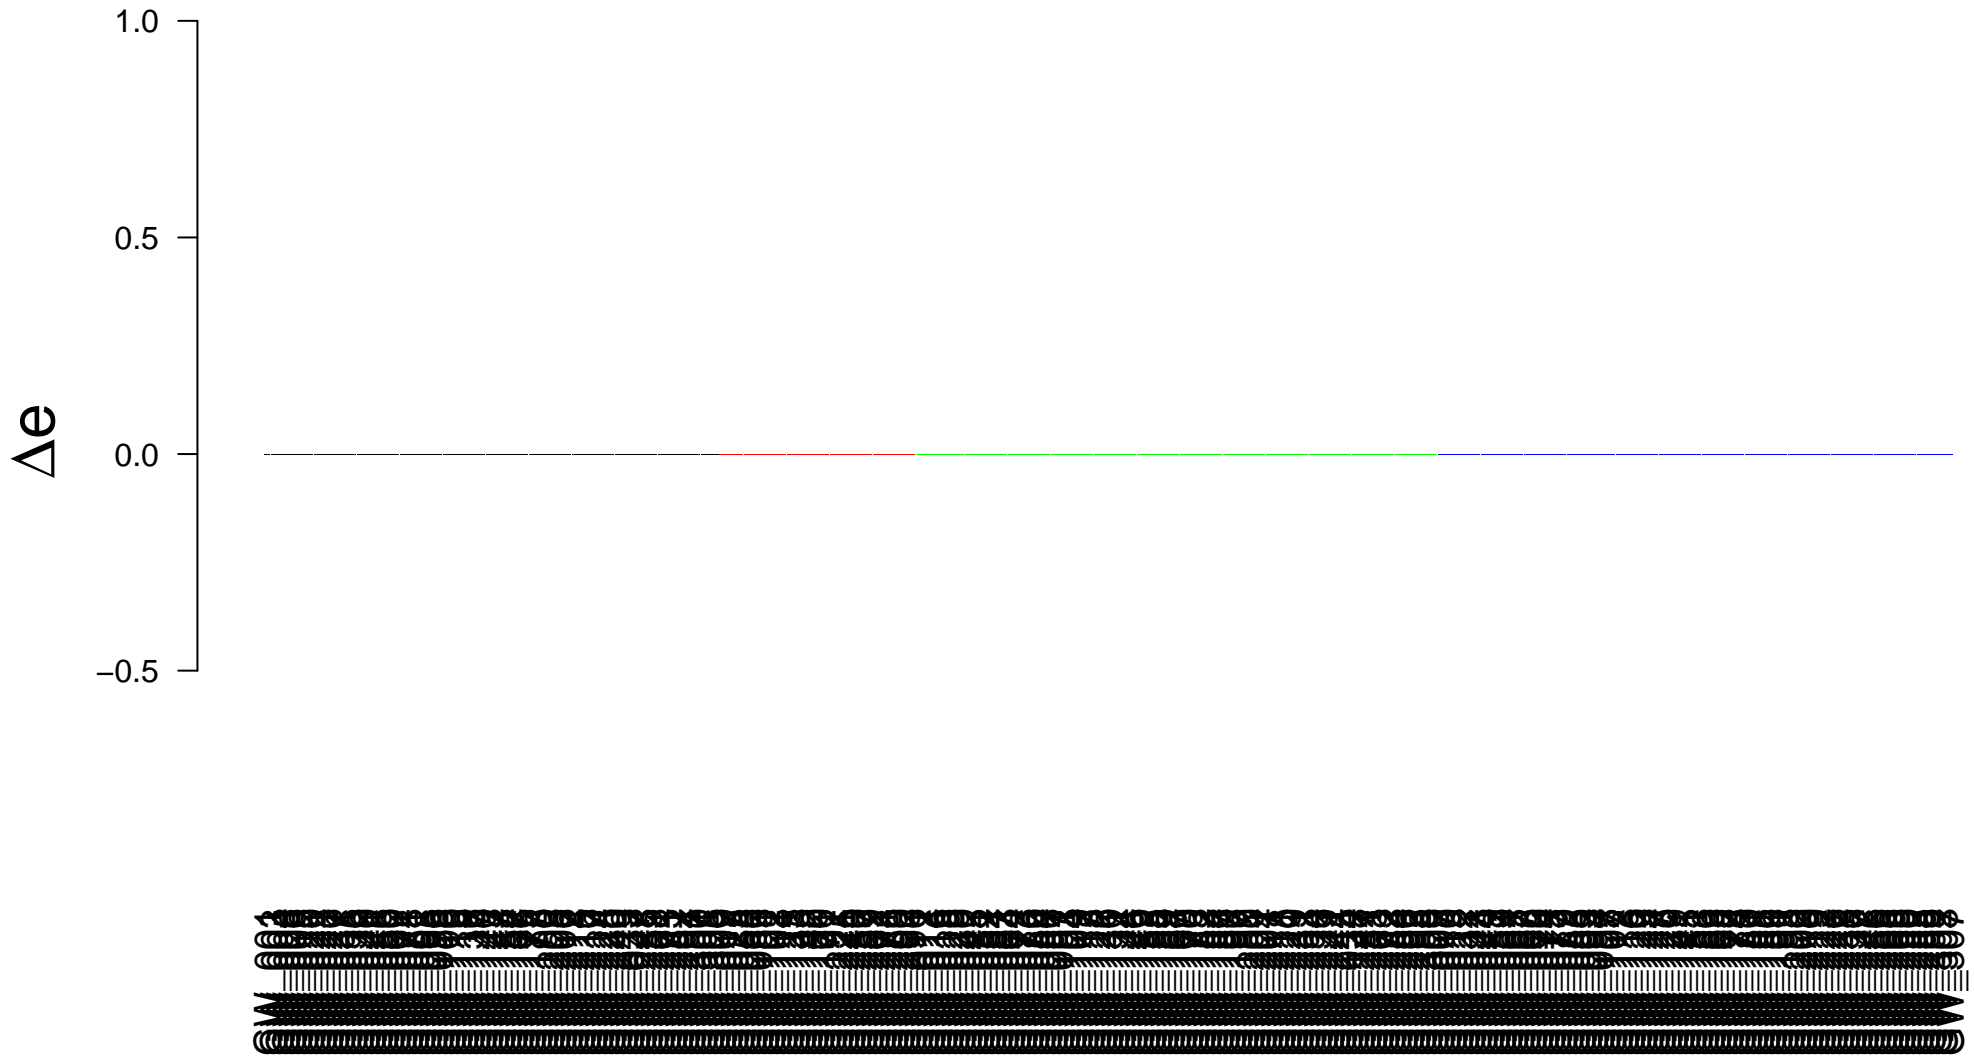

Expression of histone deubiquitination in Spot L

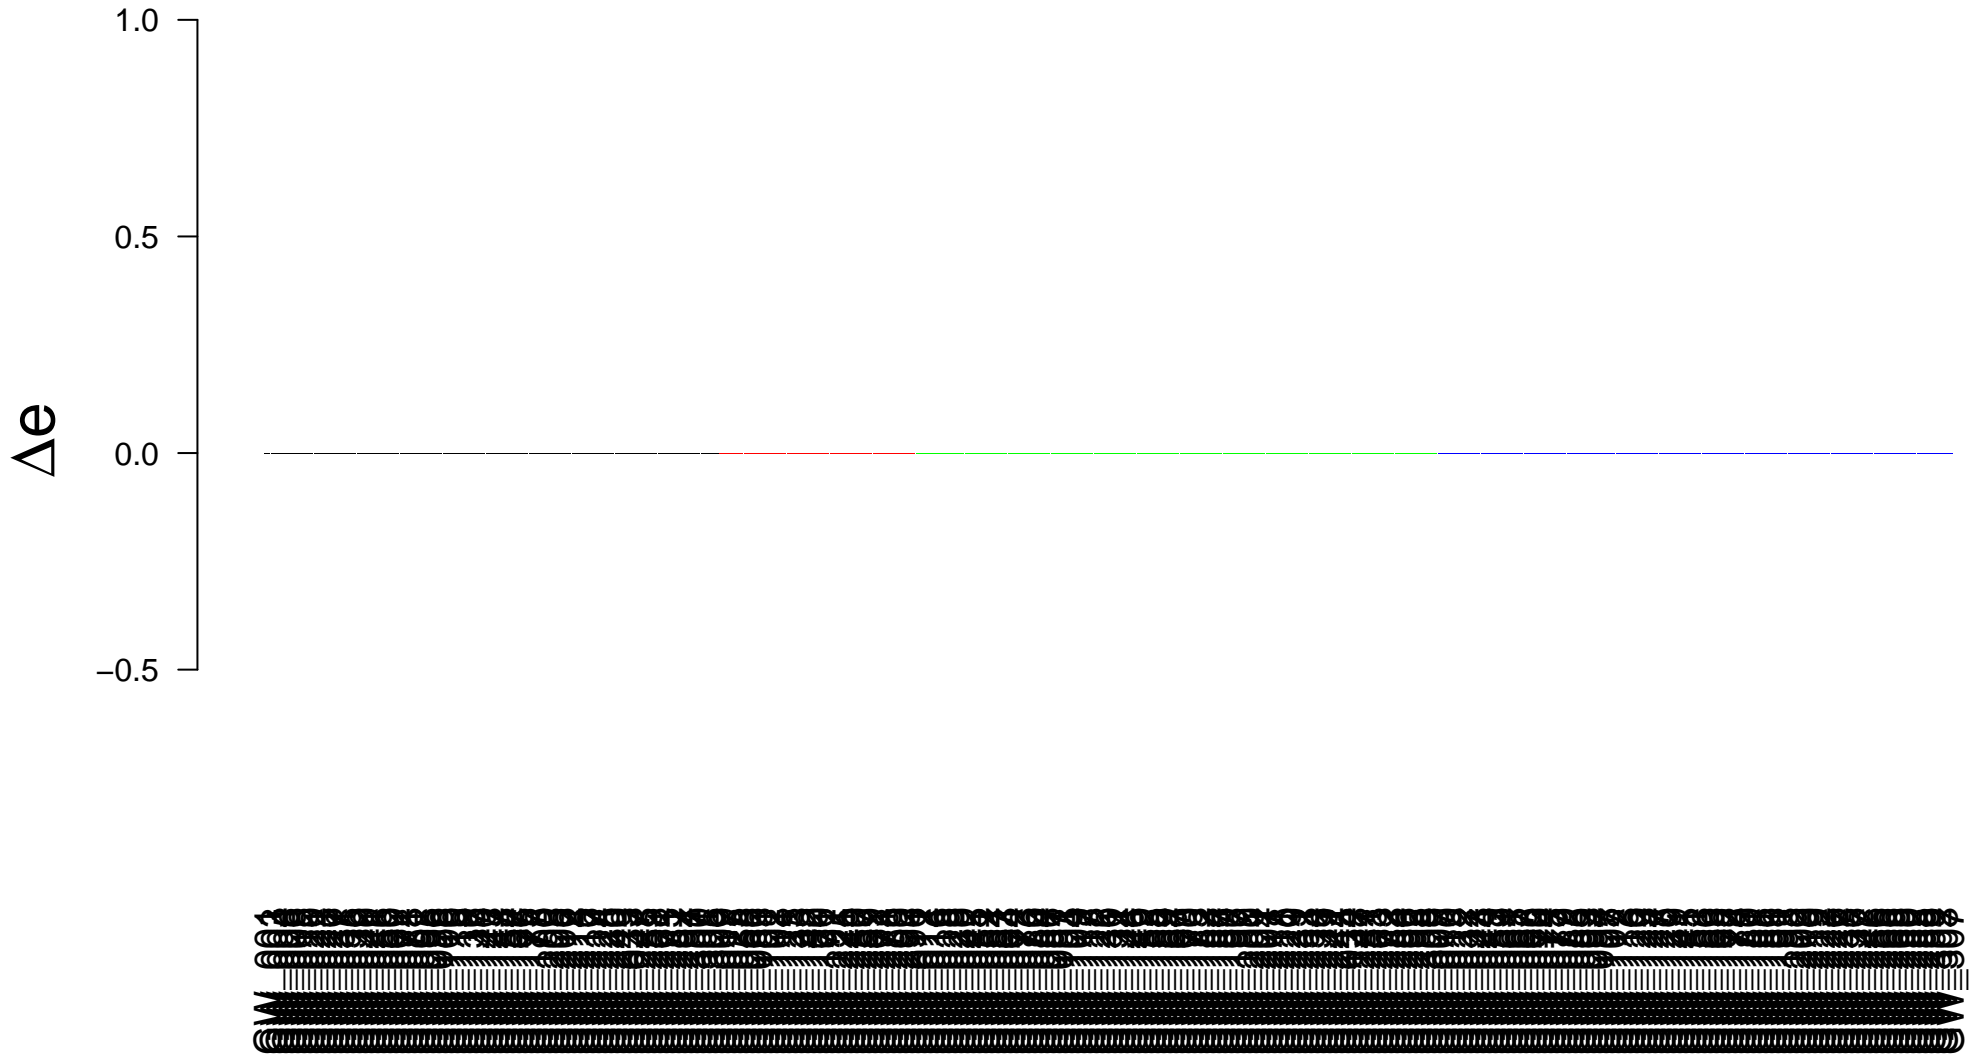

Expression of histone deubiquitination in Spot M

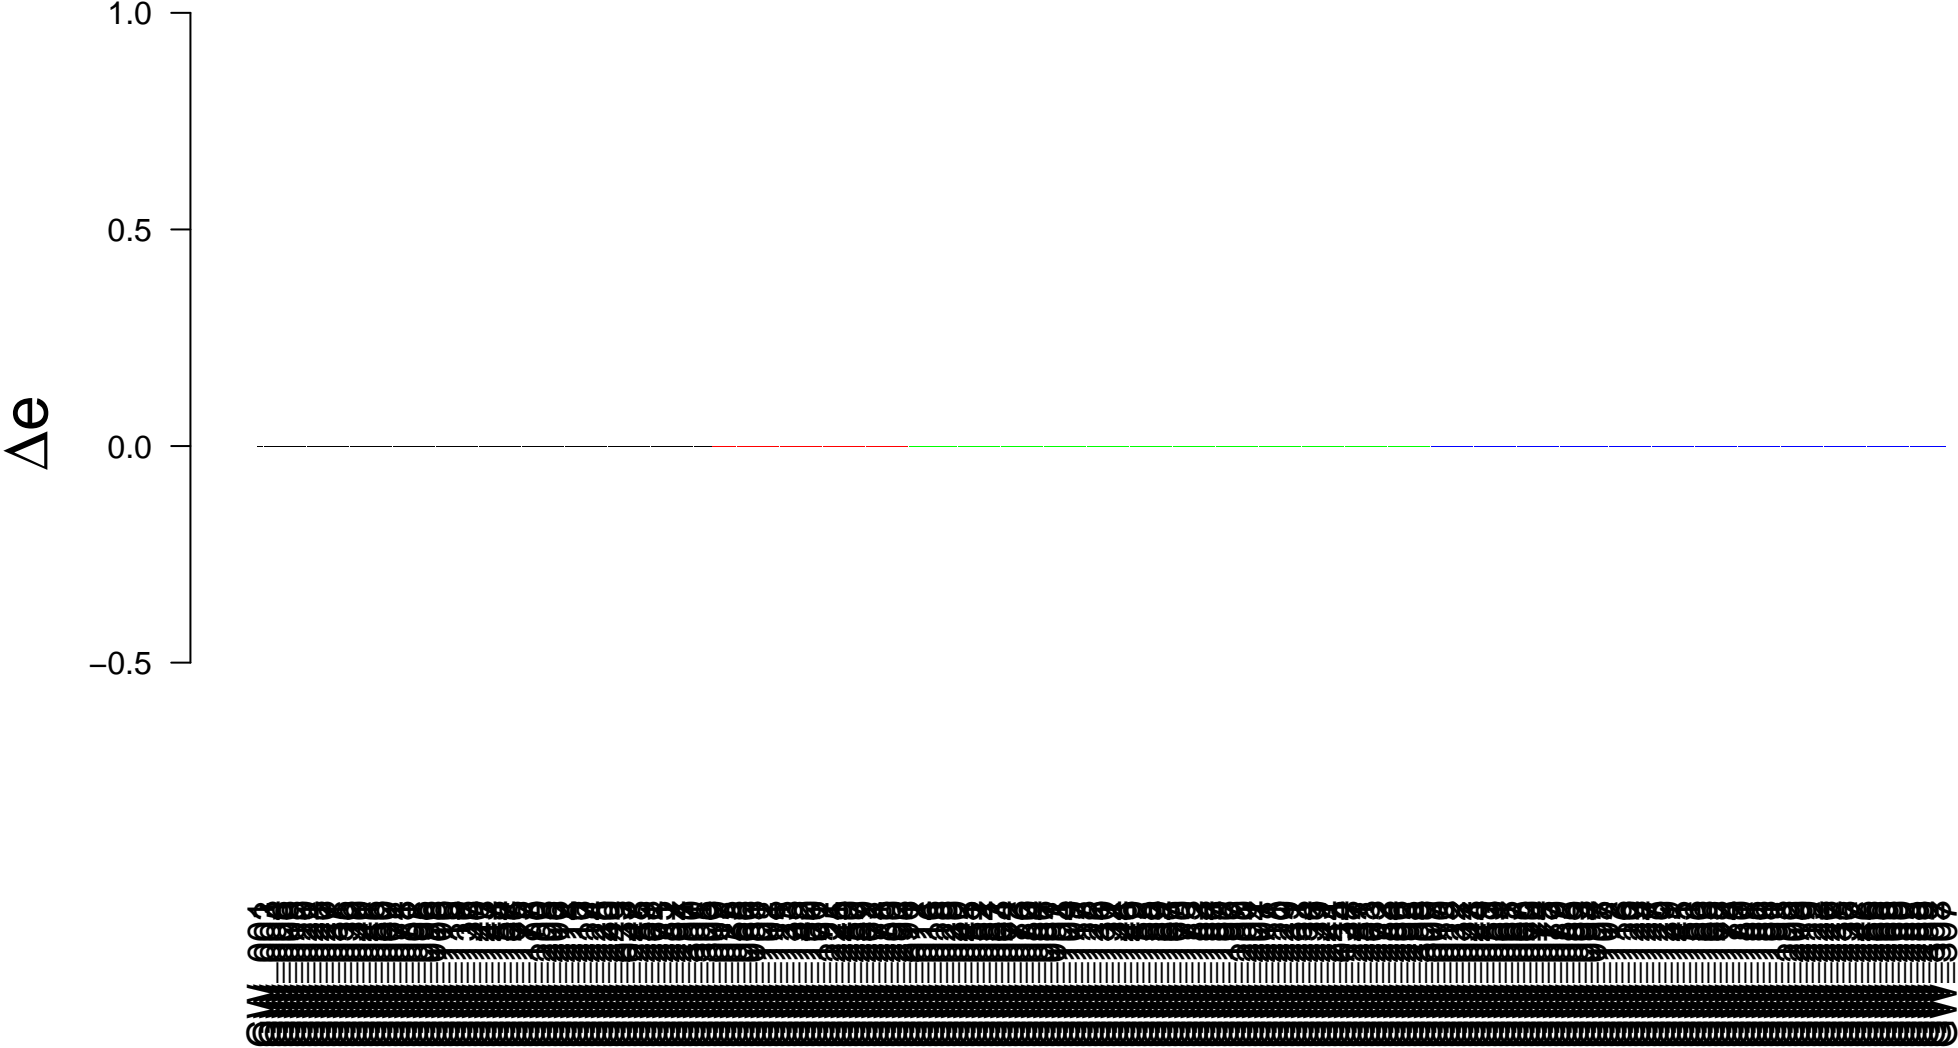

Expression of histone deubiquitination in Spot N

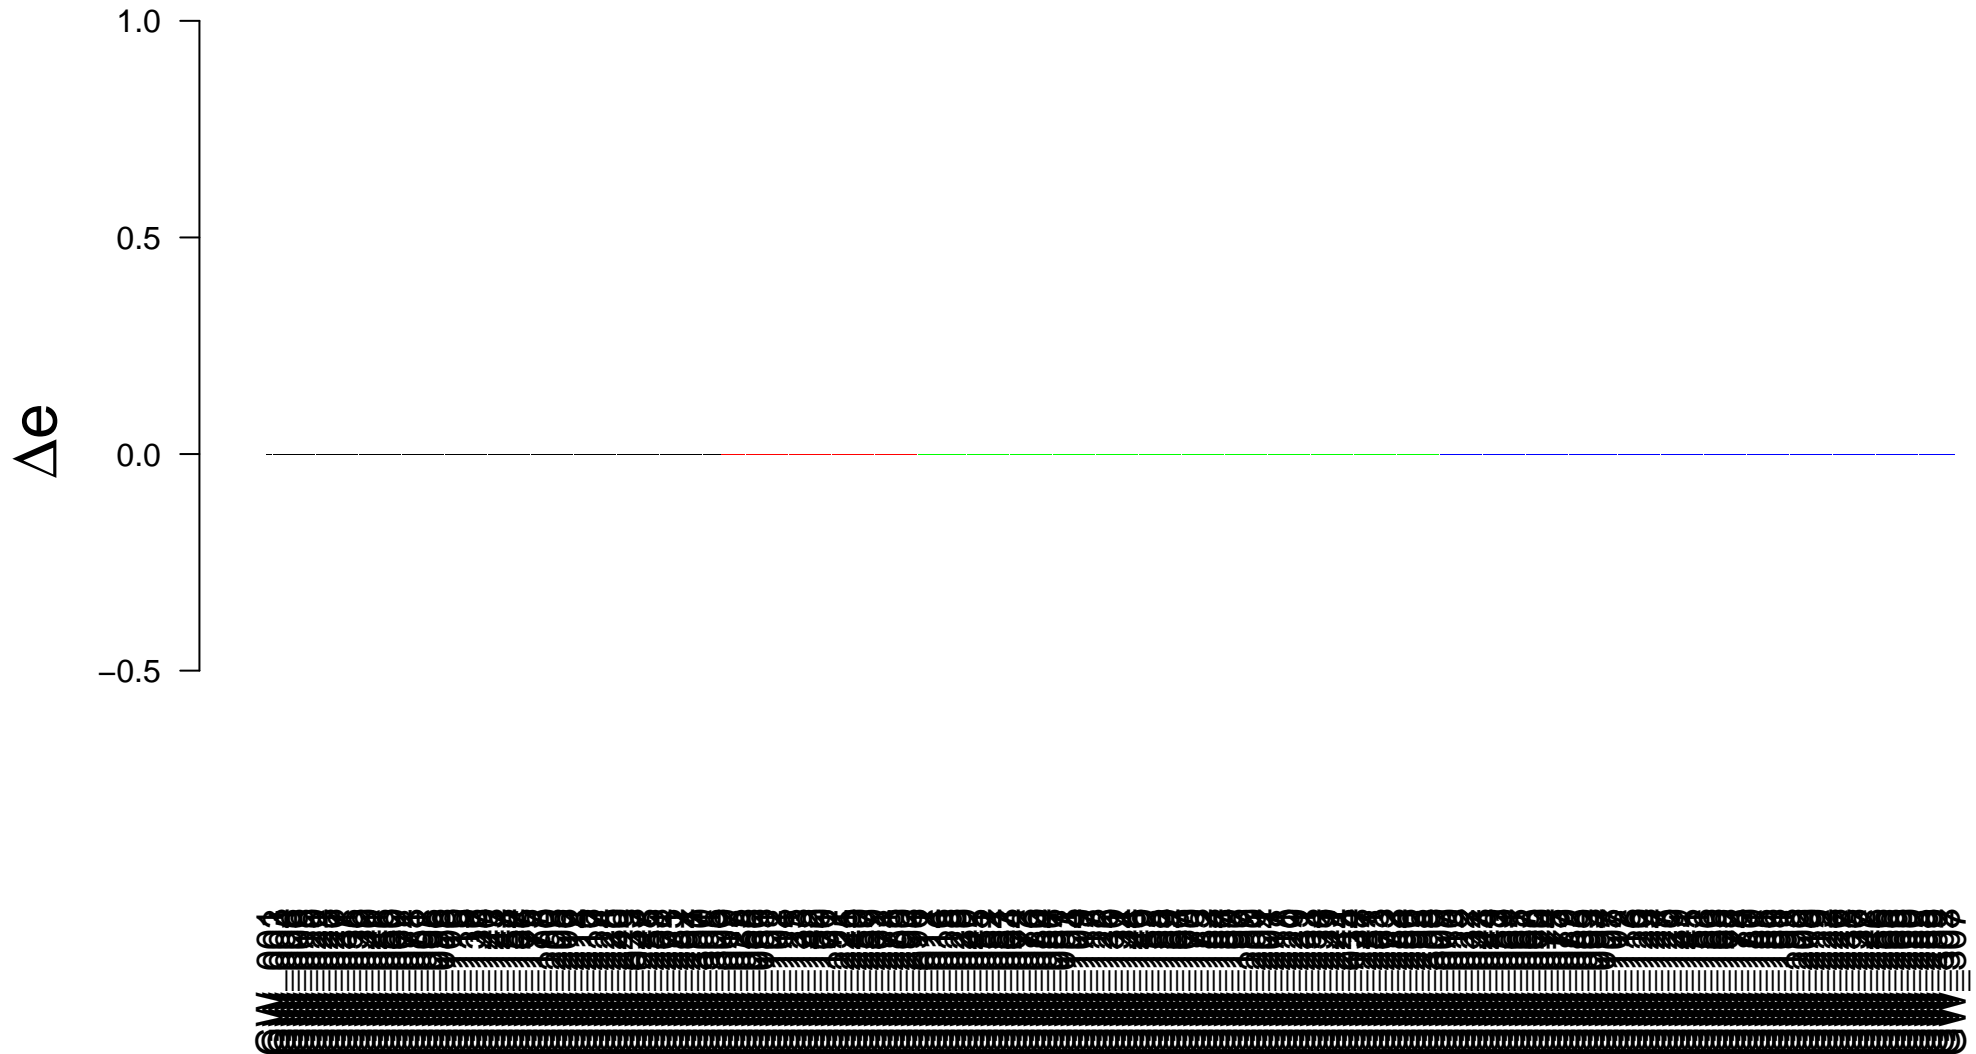

Expression of histone deubiquitination in Spot O

Expression of histone deubiquitination in Spot P

Expression of histone deubiquitination in Spot Q

Expression of histone deubiquitination in Spot R
