

histone-lysine N-methyltransferase activity

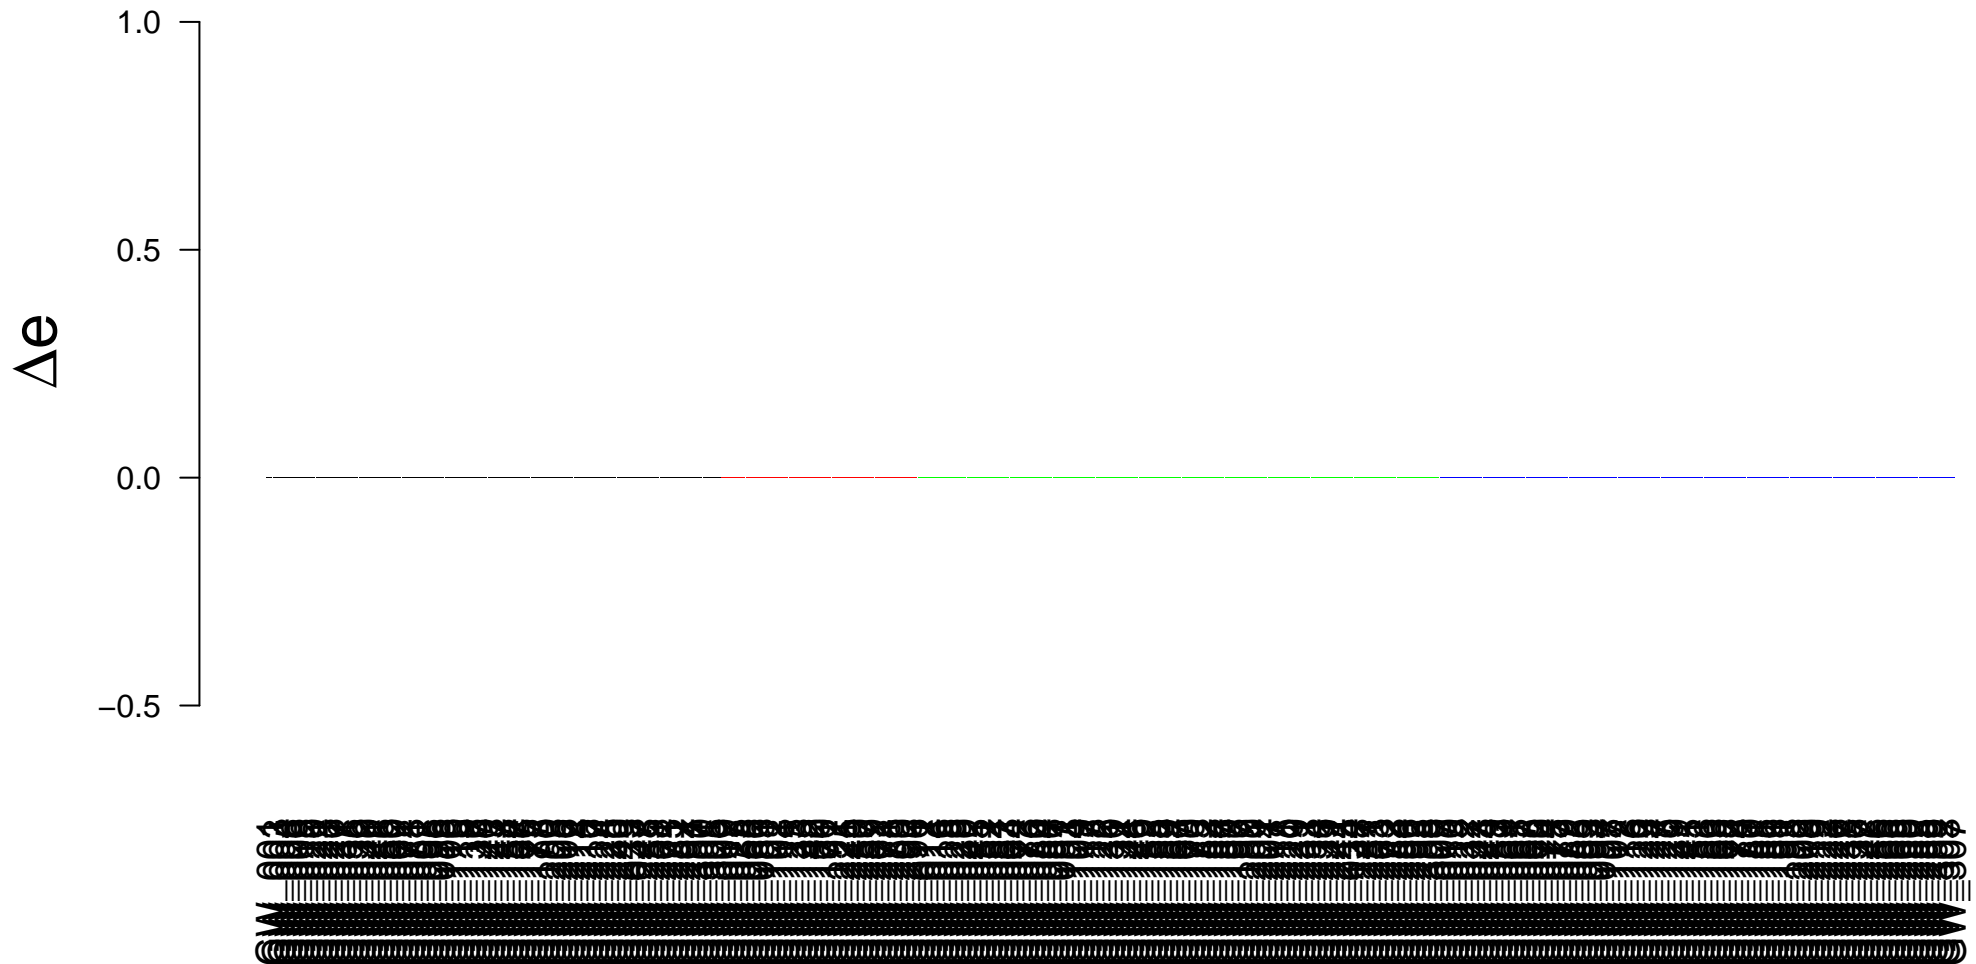

histone-lysine N-methyltransferase activity

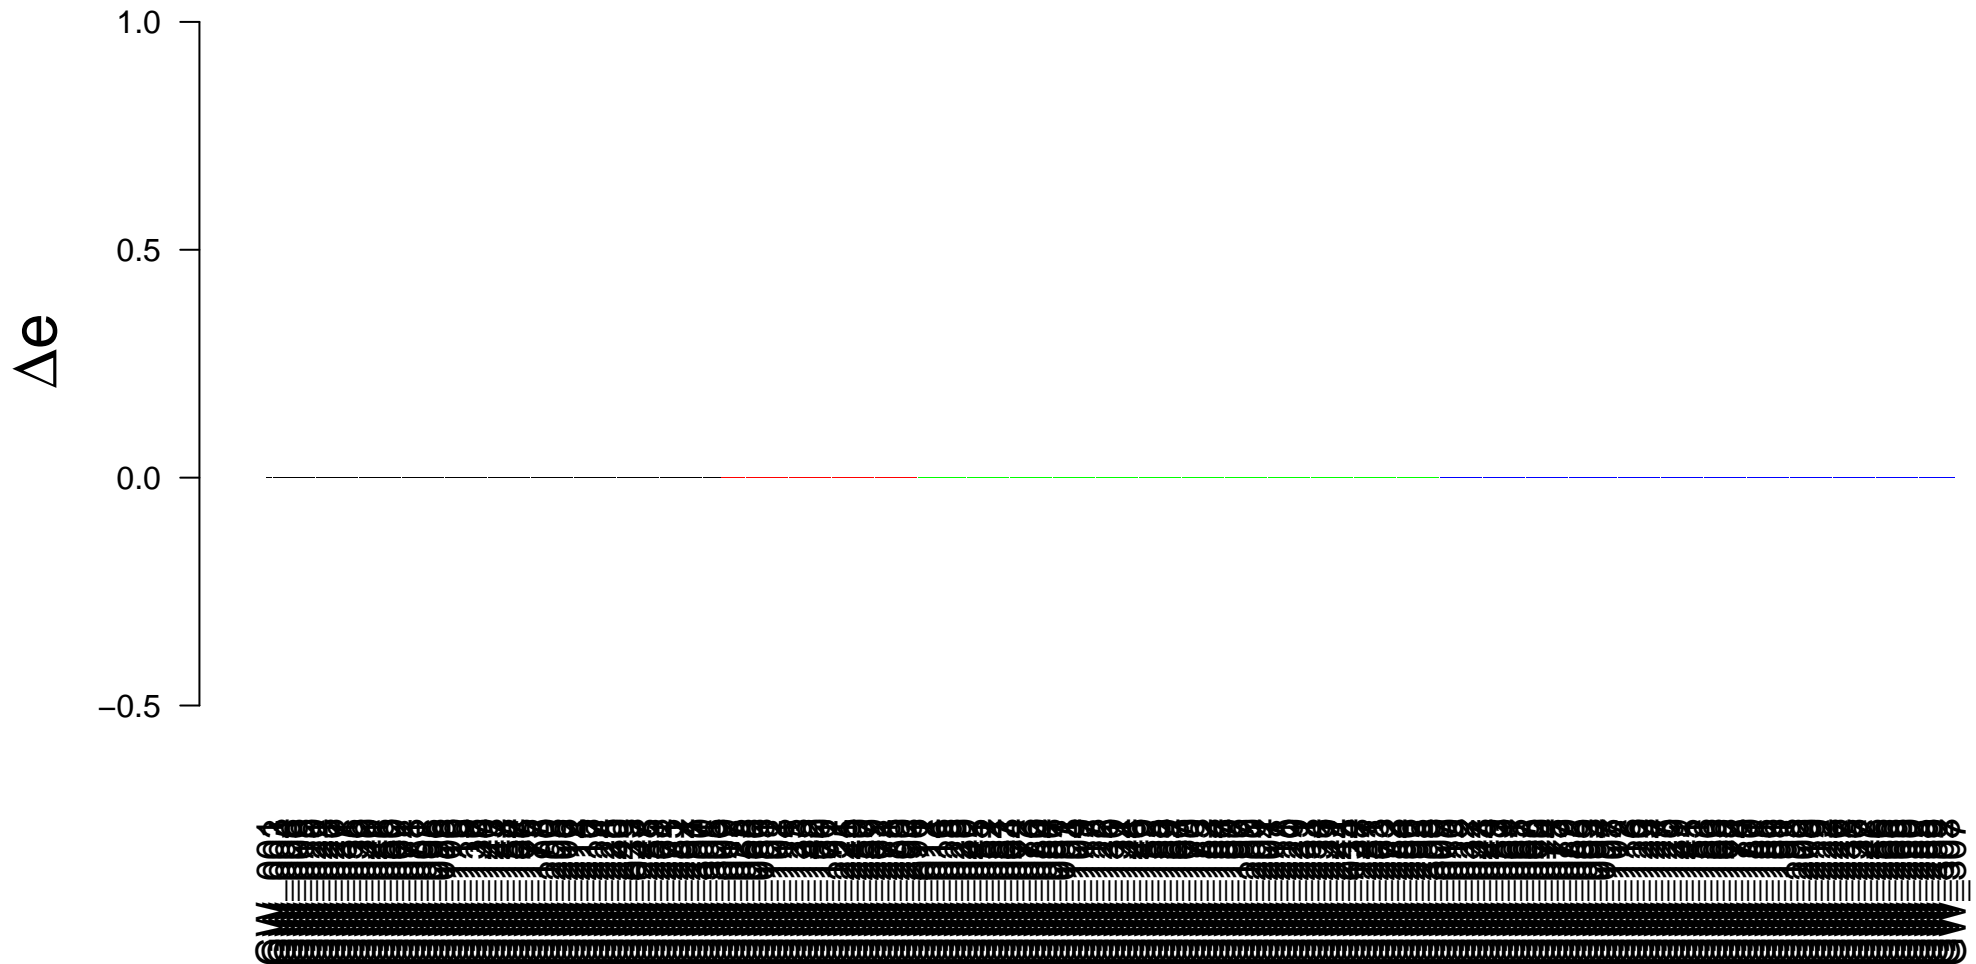

Enrichment in spots: histone-lysine N-methyltransferase activity

Expression of histone-lysine N-methyltransferase activity in Spot A

Expression of histone-lysine N-methyltransferase activity in Spot B

Expression of histone-lysine N-methyltransferase activity in Spot C

Expression of histone-lysine N-methyltransferase activity in Spot D

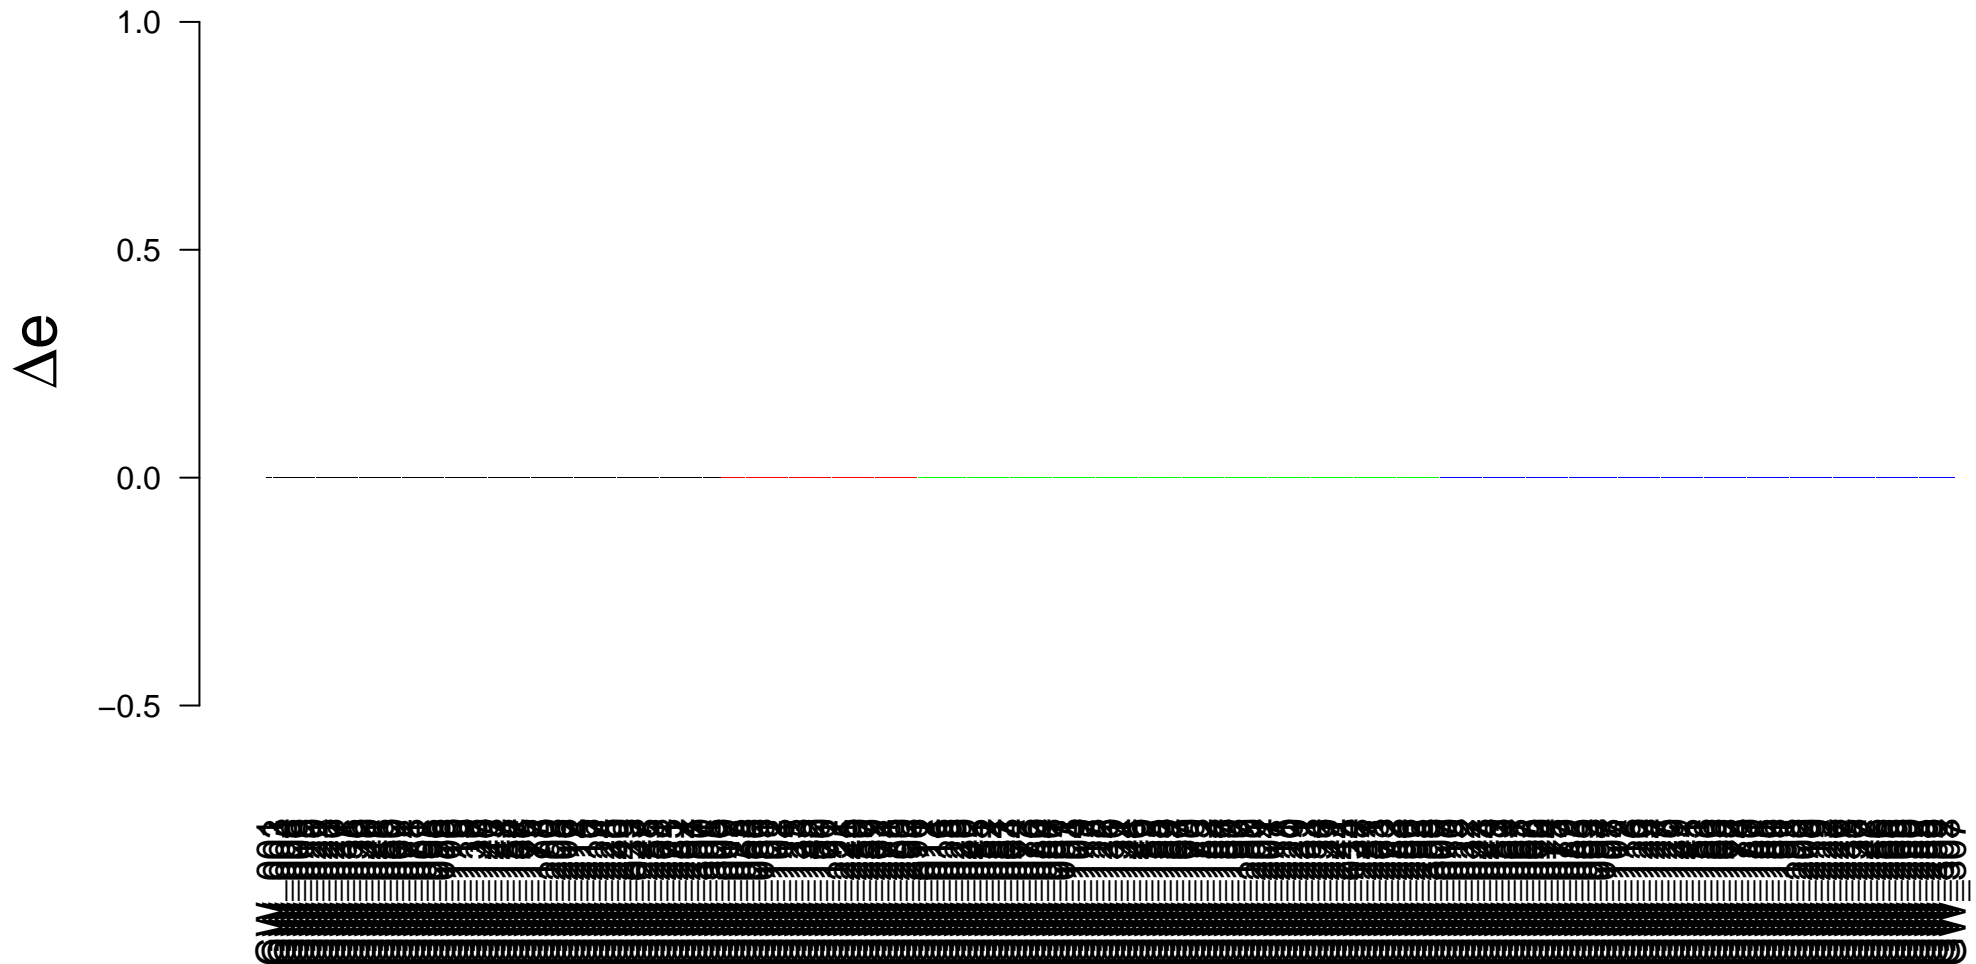

Expression of histone-lysine N-methyltransferase activity in Spot E

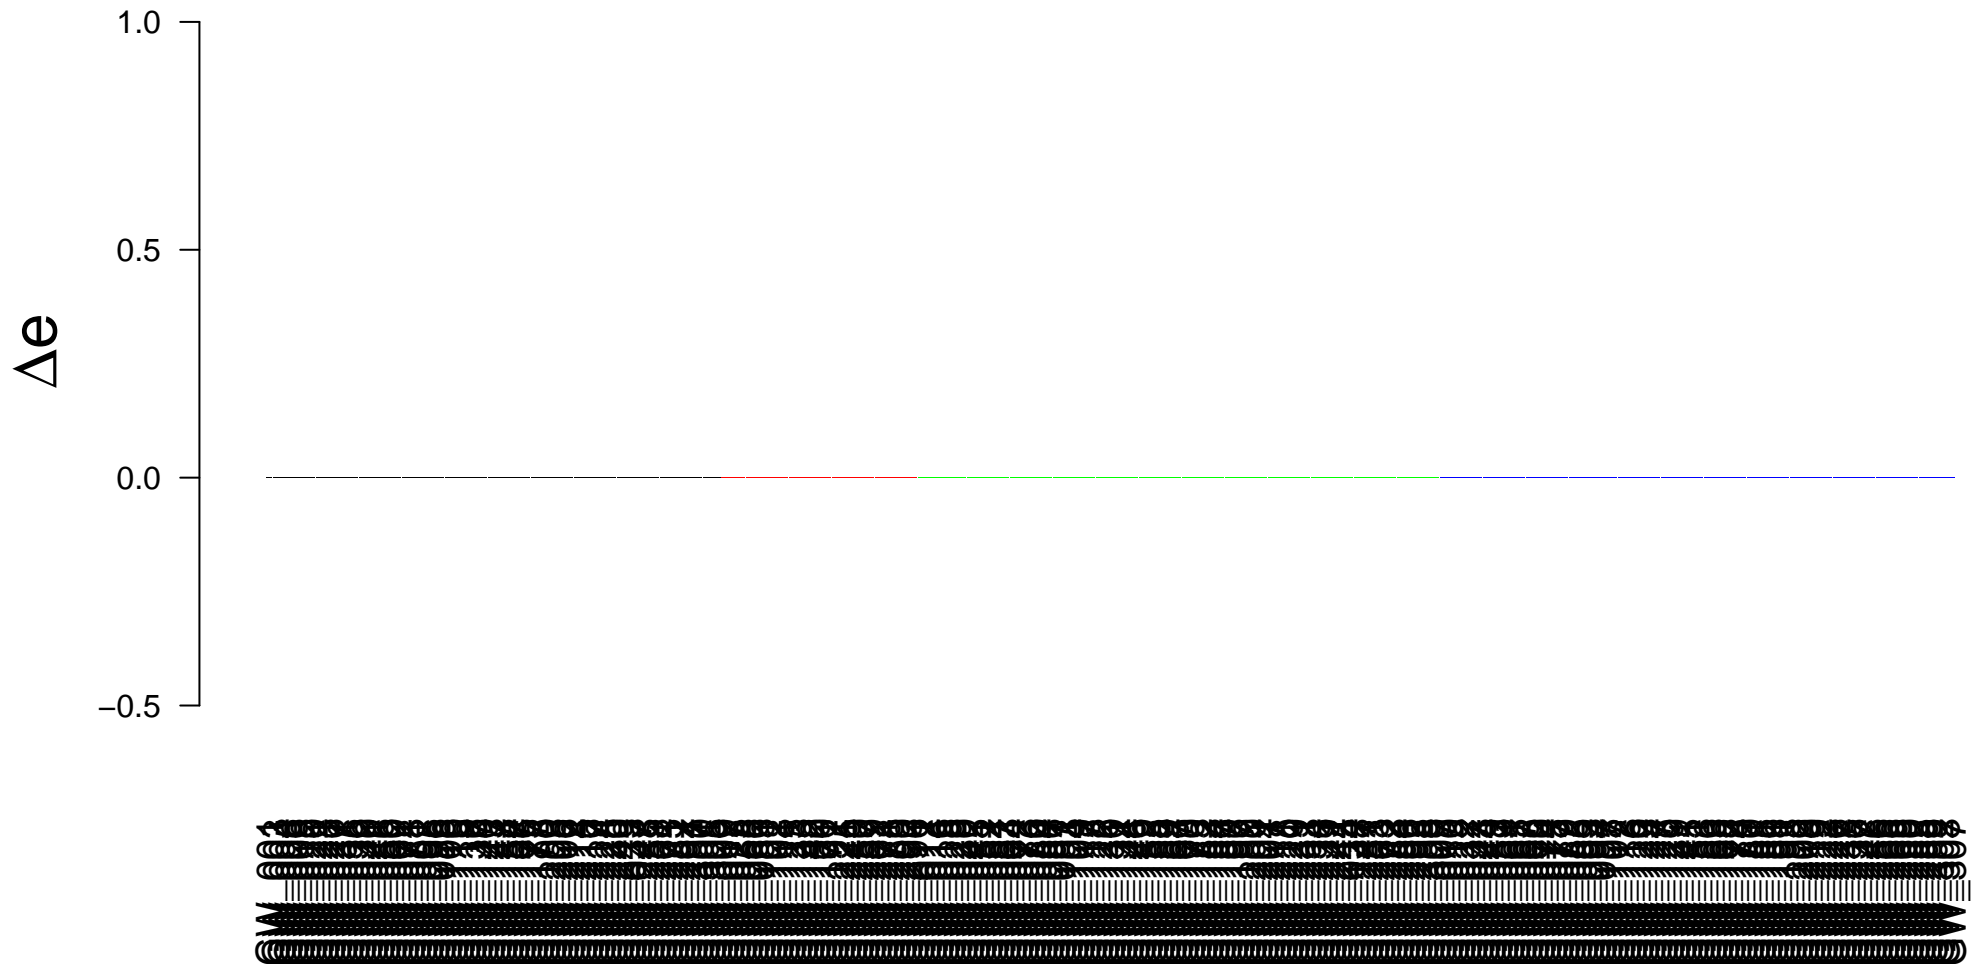

Expression of histone-lysine N-methyltransferase activity in Spot F

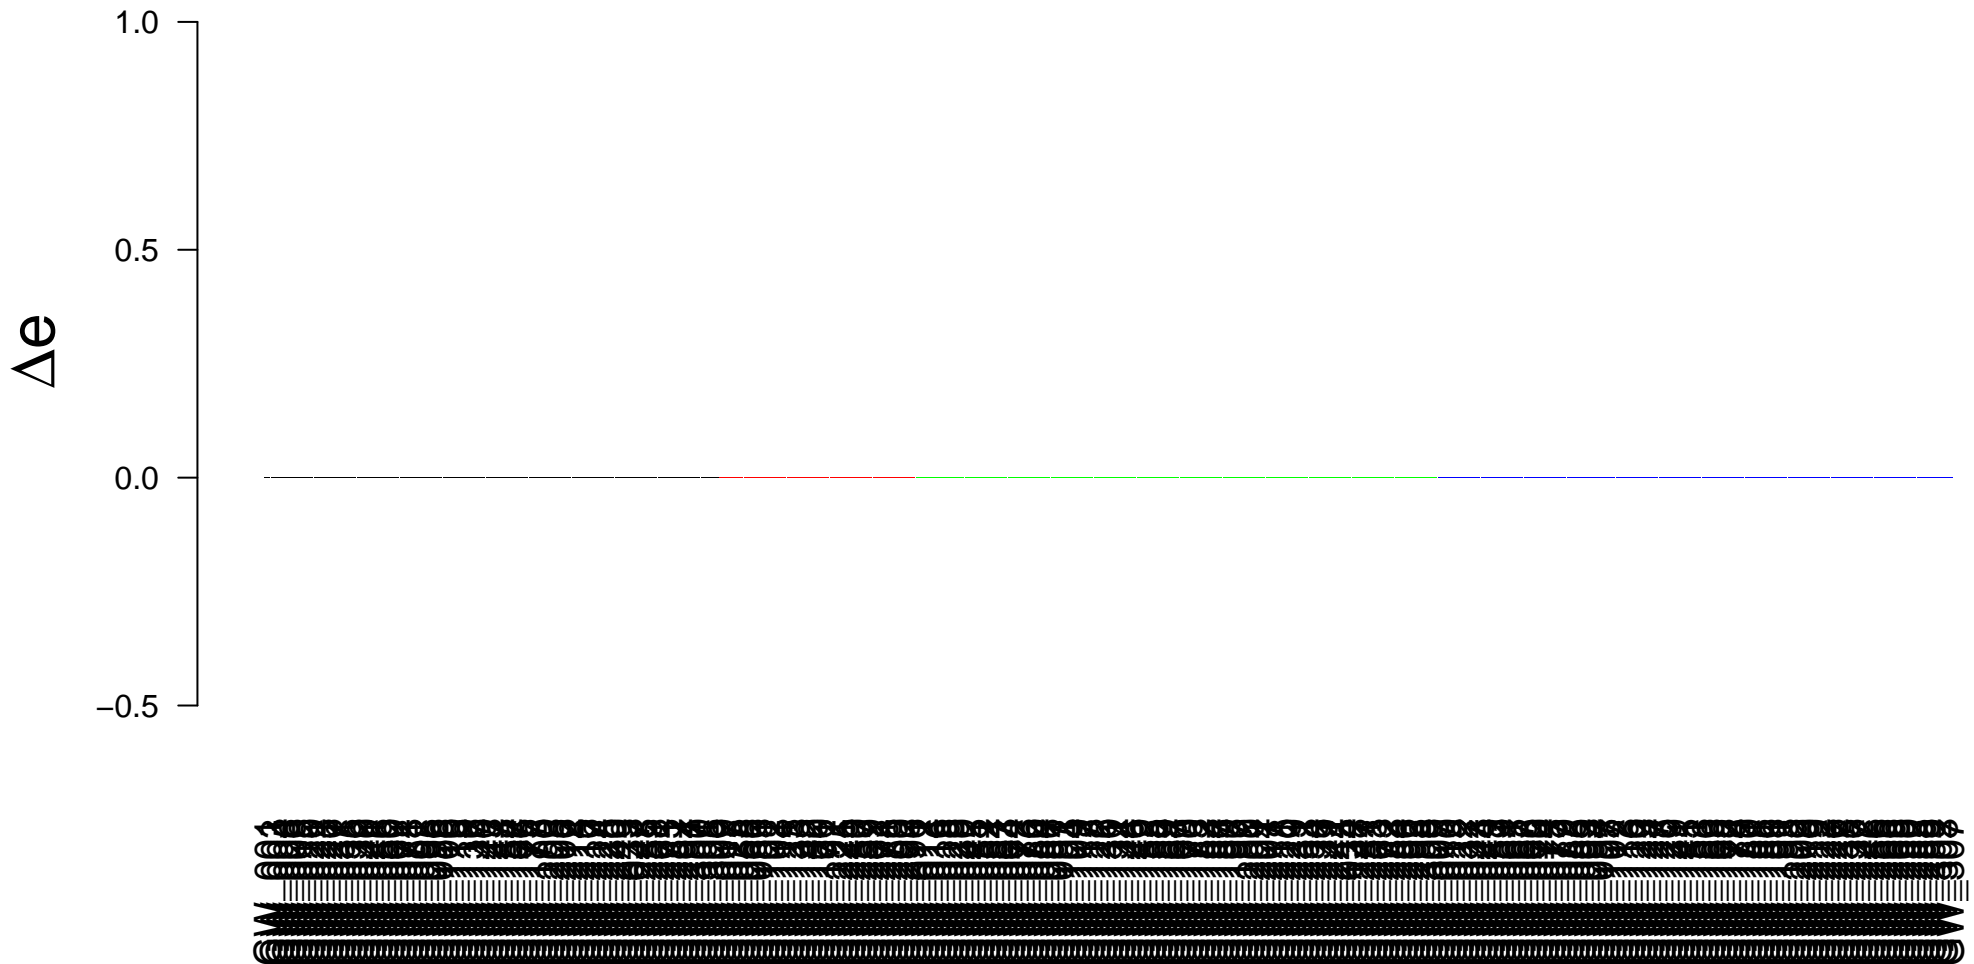

Expression of histone-lysine N-methyltransferase activity in Spot G

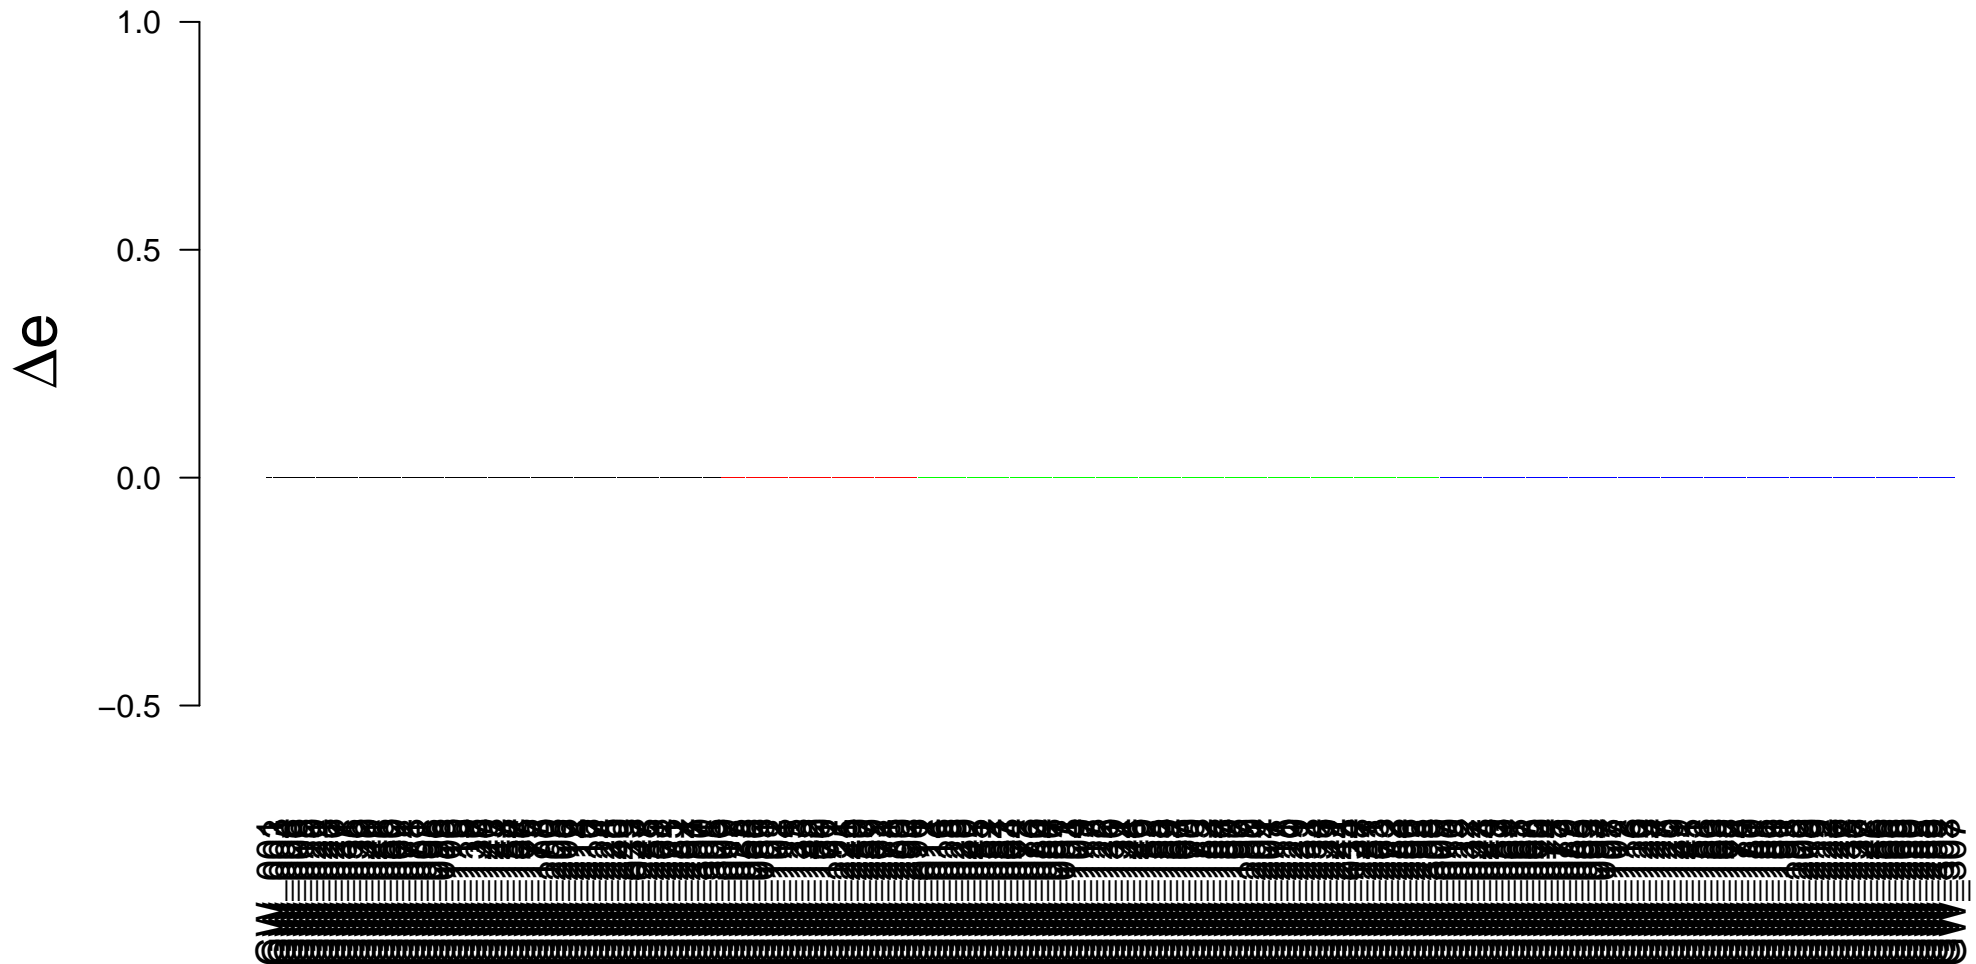

Expression of histone-lysine N-methyltransferase activity in Spot H

Expression of histone-lysine N-methyltransferase activity in Spot I

Expression of histone-lysine N-methyltransferase activity in Spot J

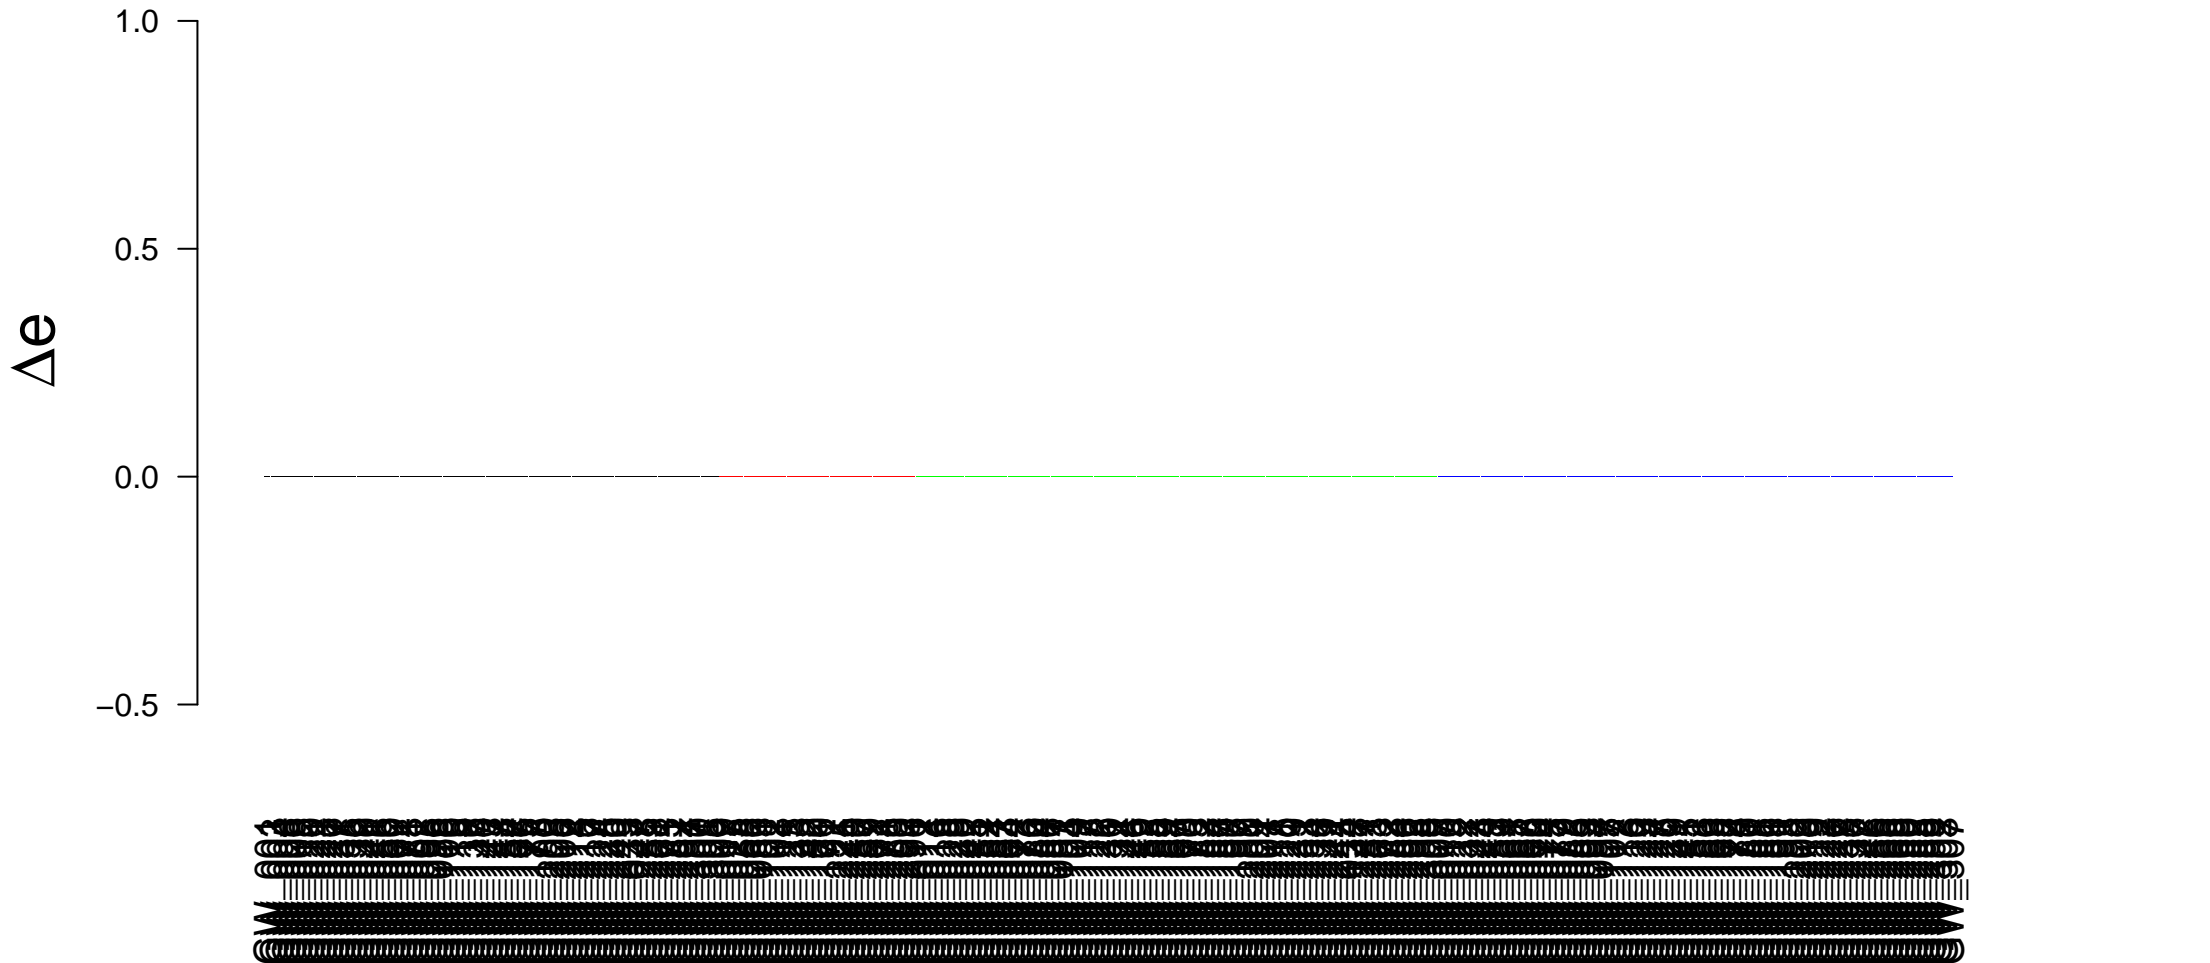

Expression of histone-lysine N-methyltransferase activity in Spot K
