

histone monoubiquitination

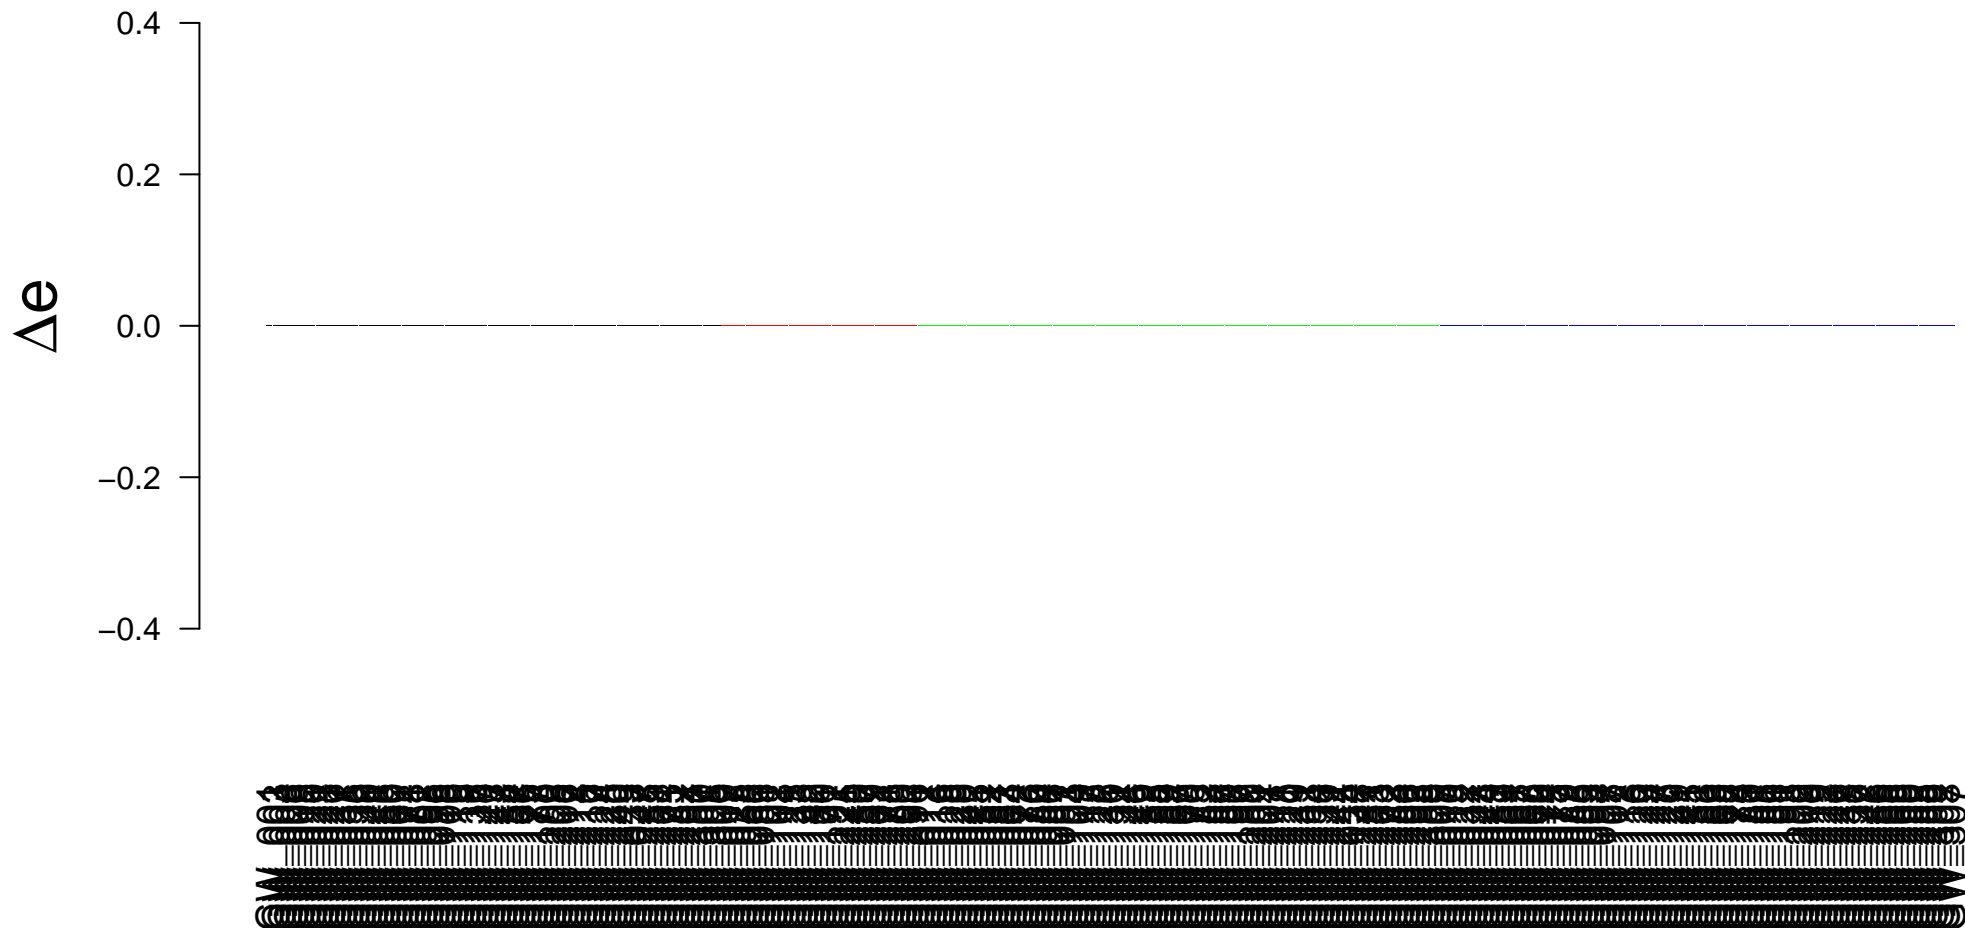

histone monoubiquitination

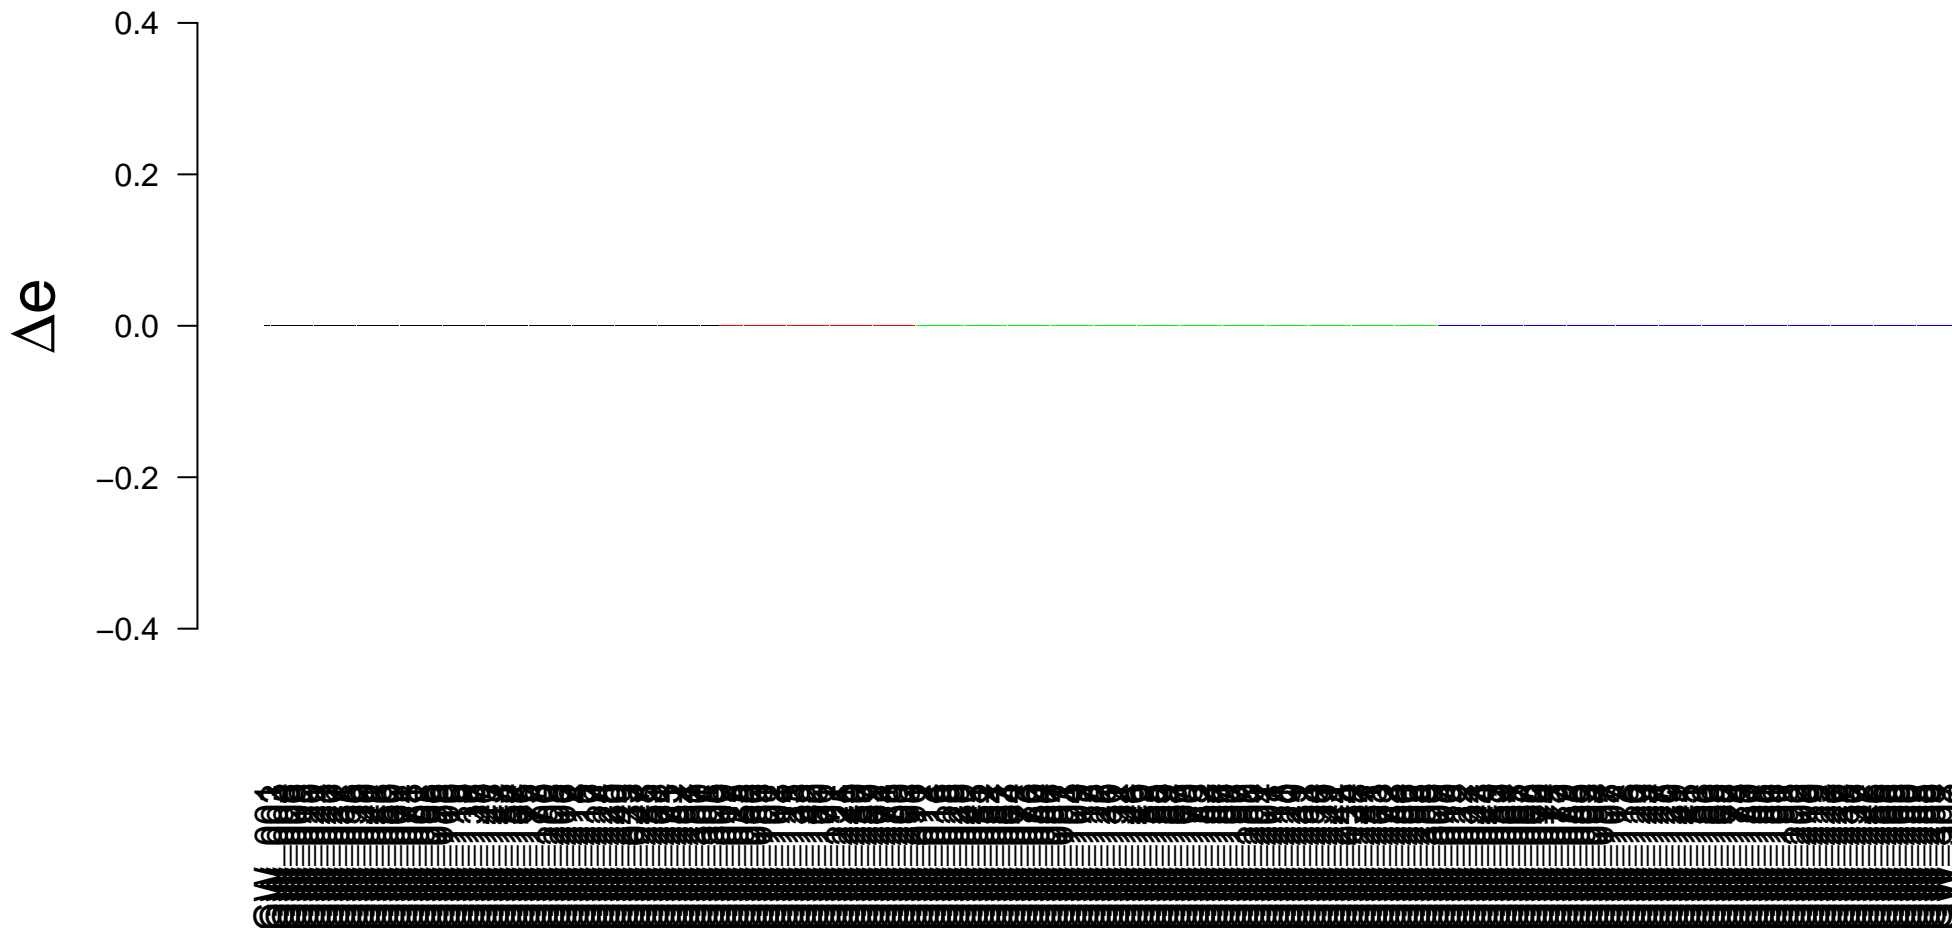

Enrichment in spots: histone monoubiquitination

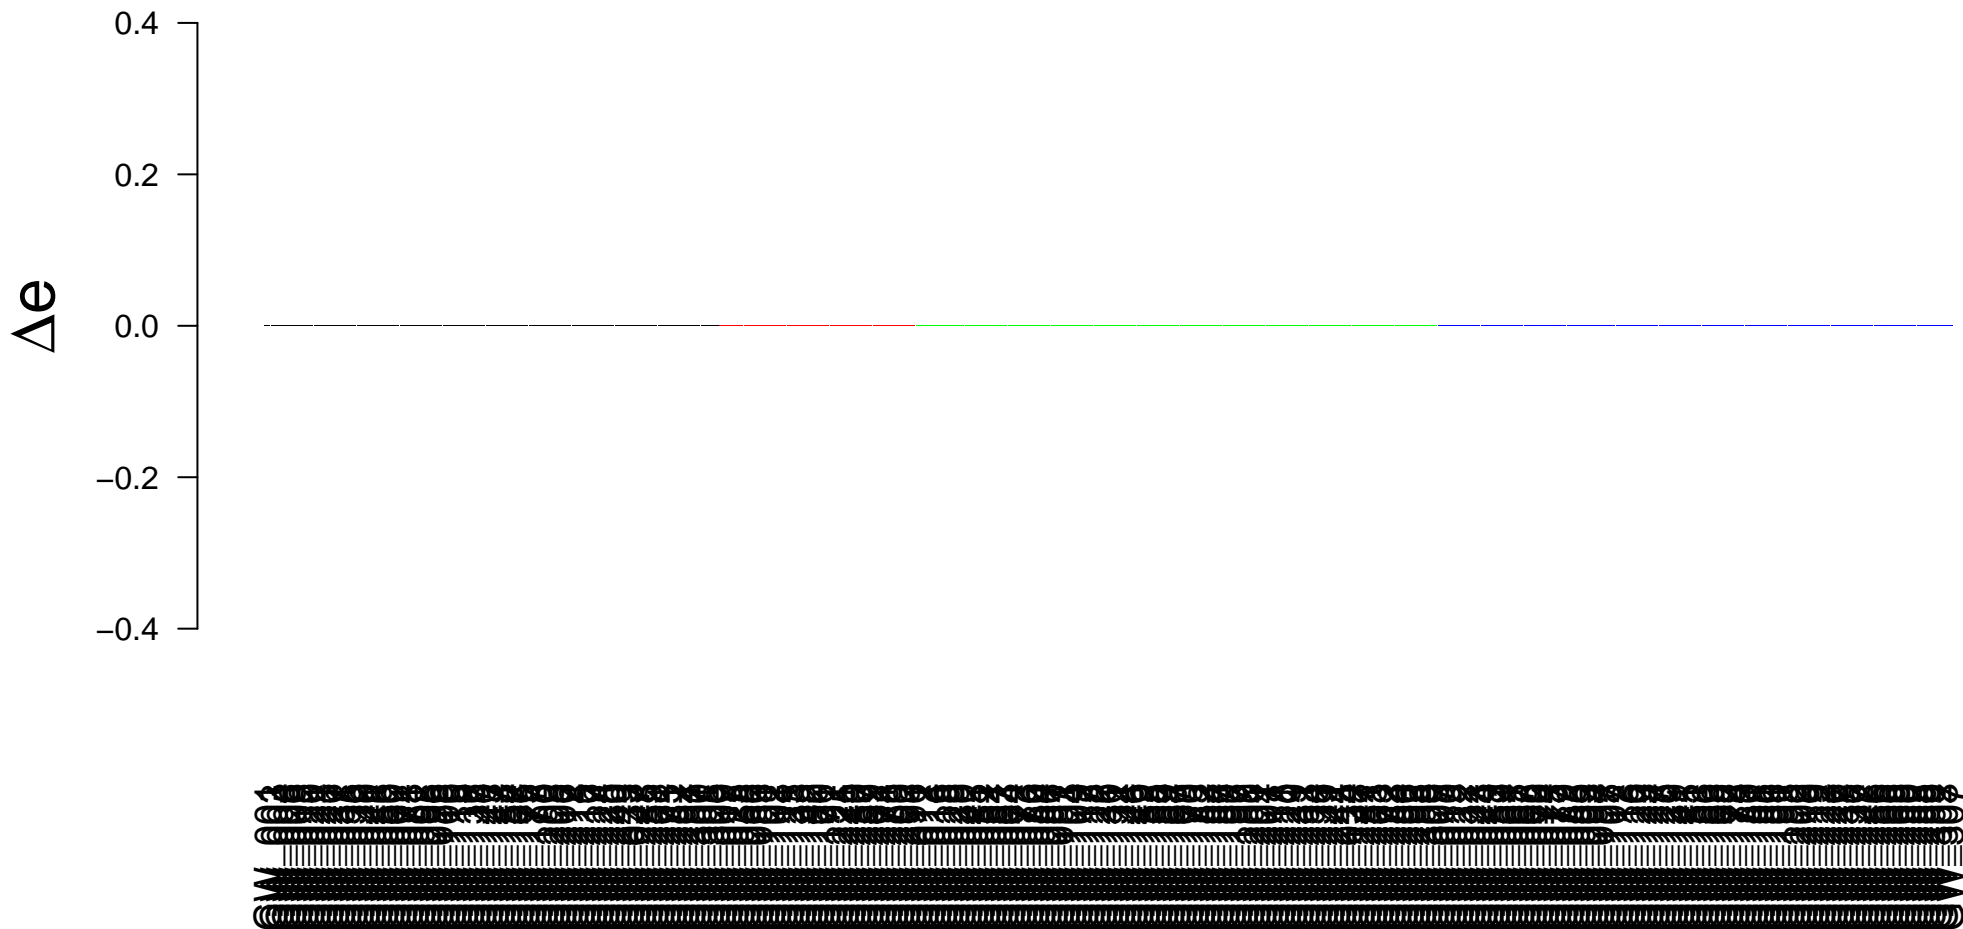

Expression of histone monoubiquitination in Spot A

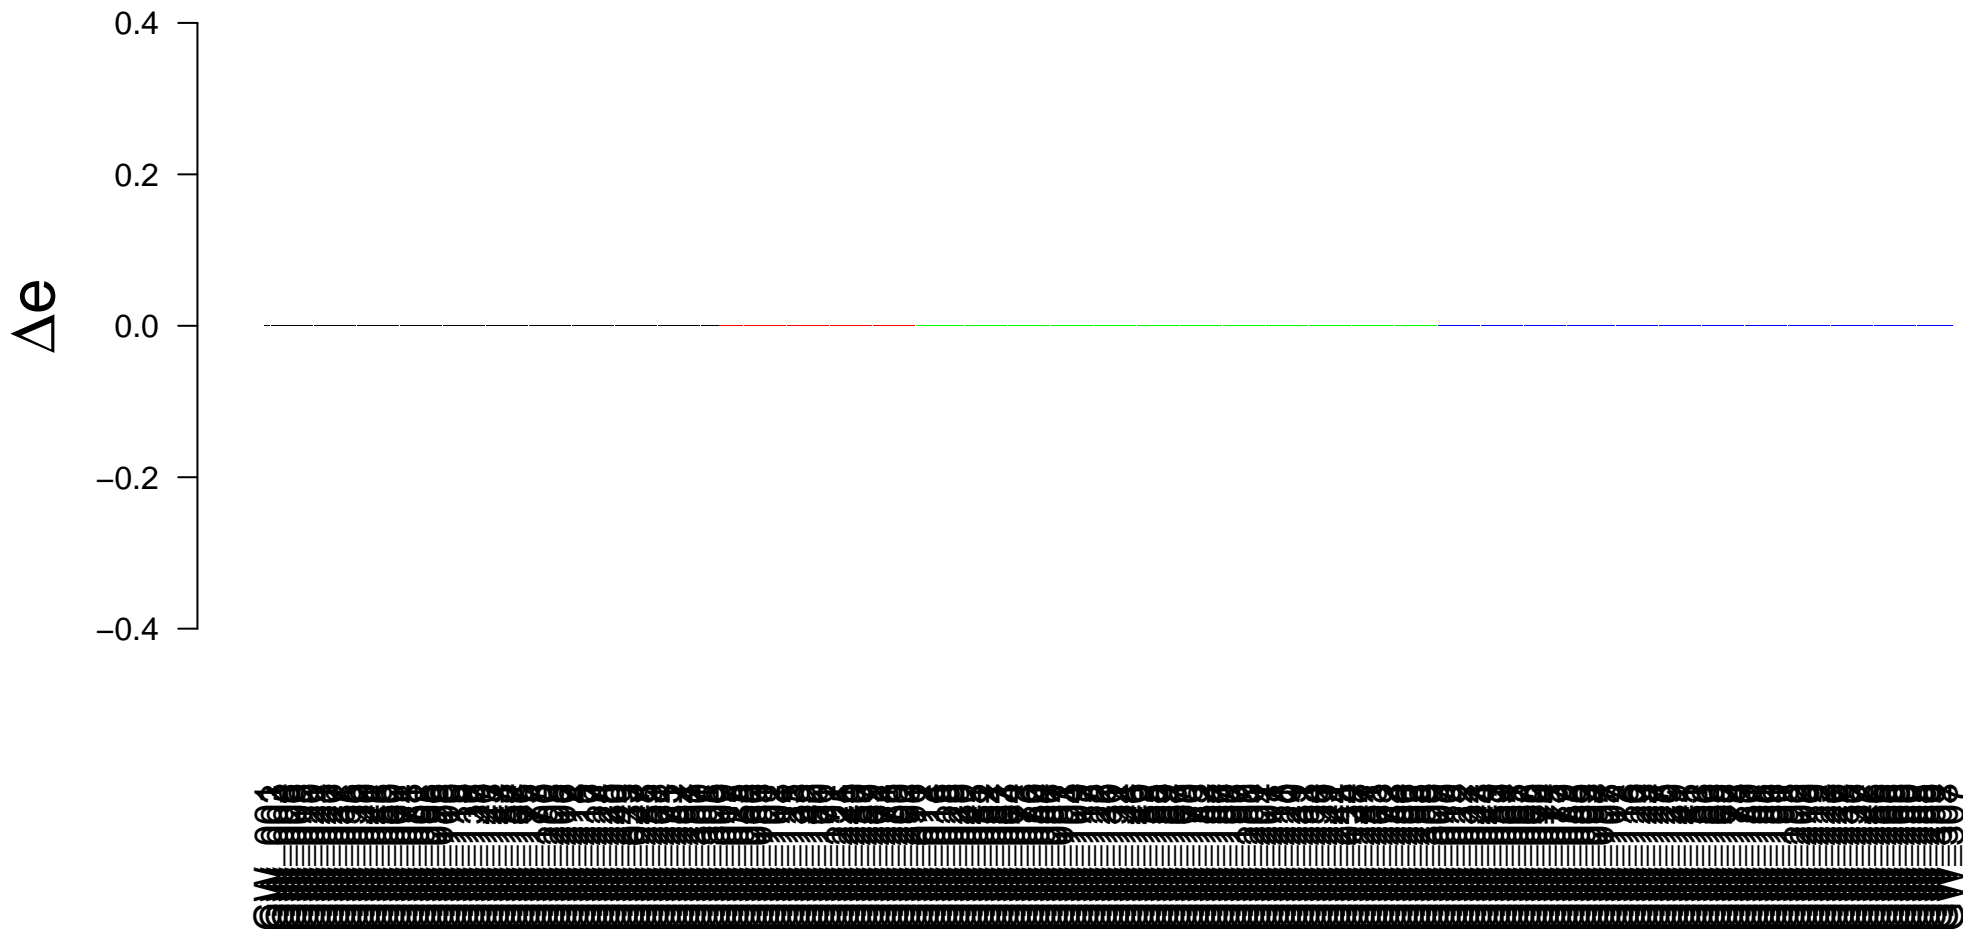

Expression of histone monoubiquitination in Spot B

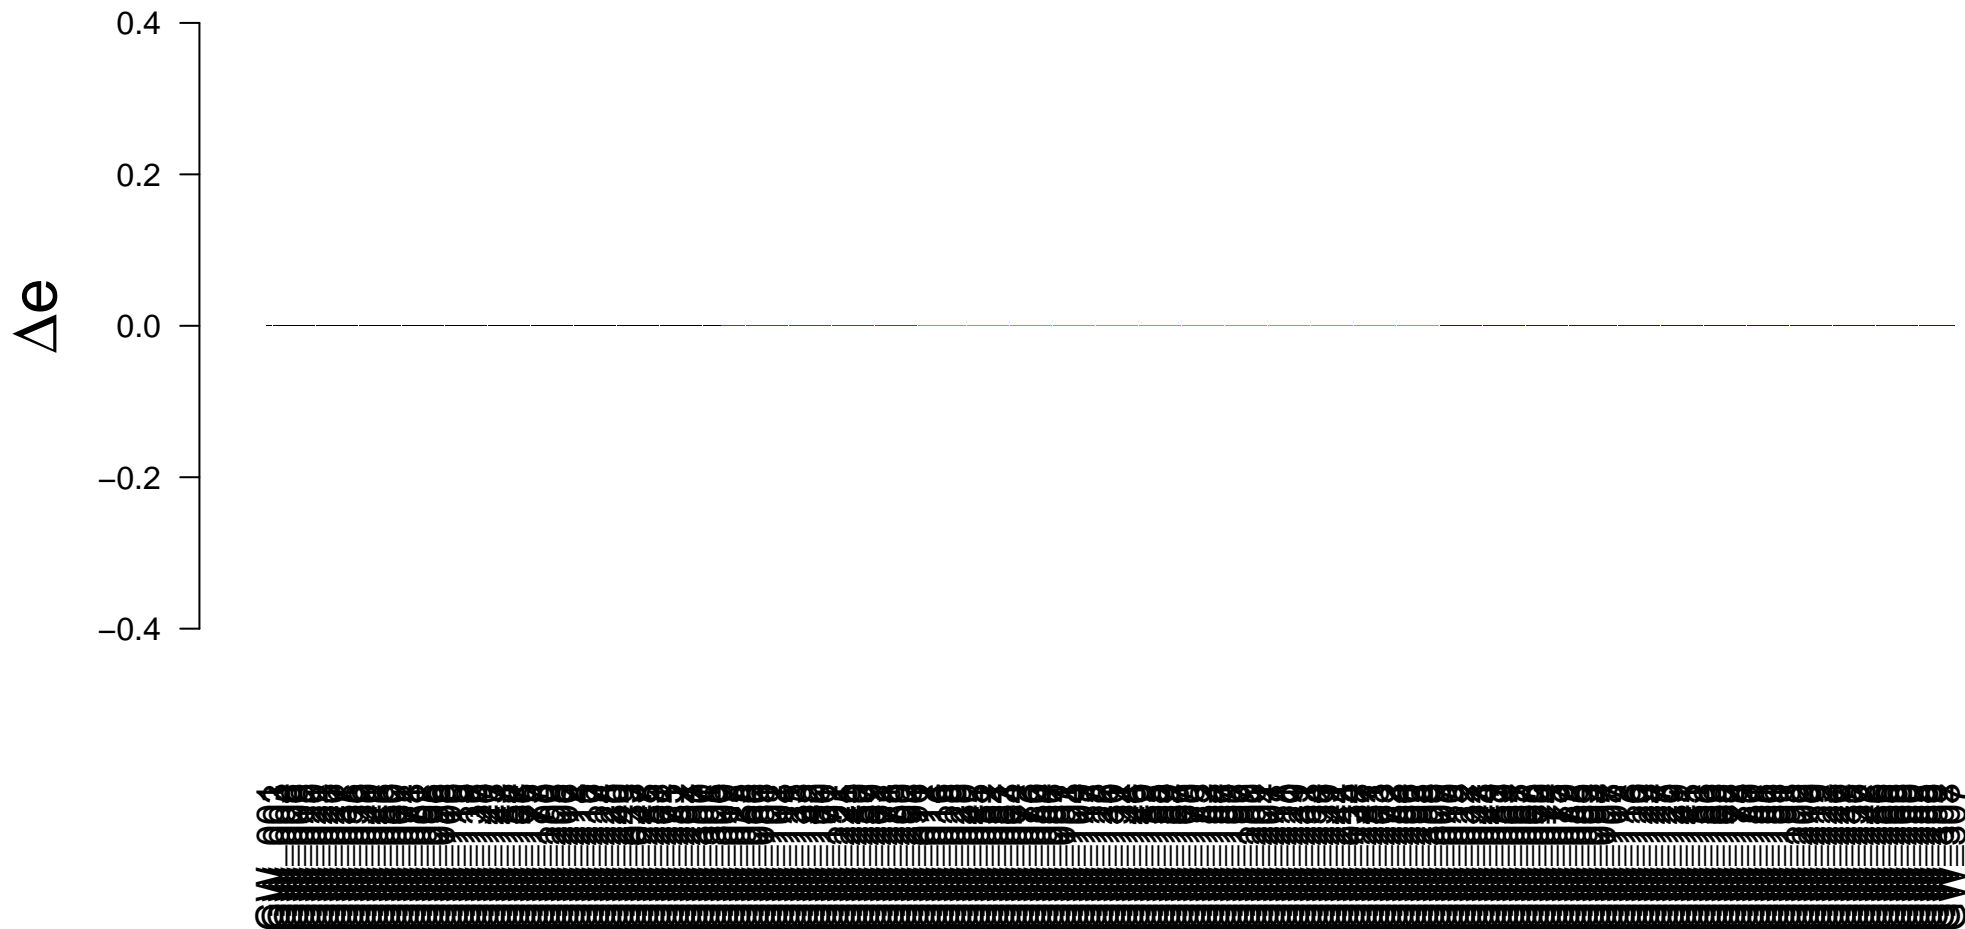

Expression of histone monoubiquitination in Spot C

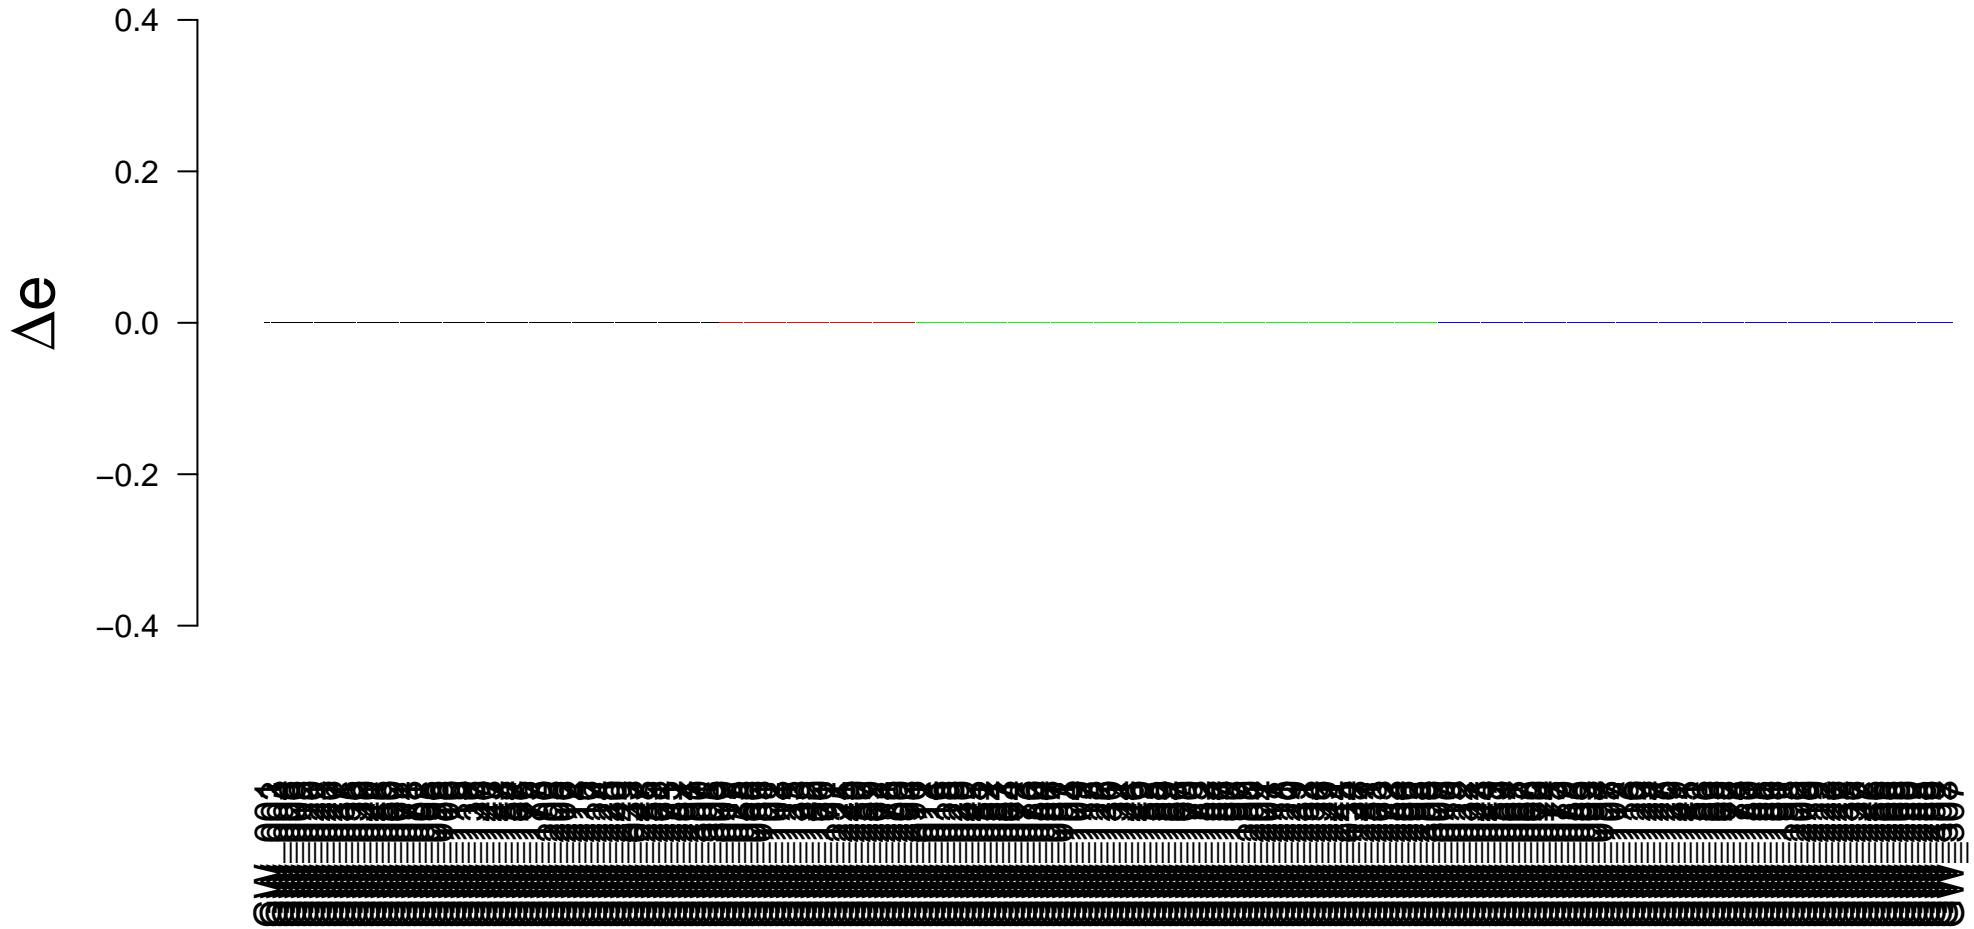

Expression of histone monoubiquitination in Spot D

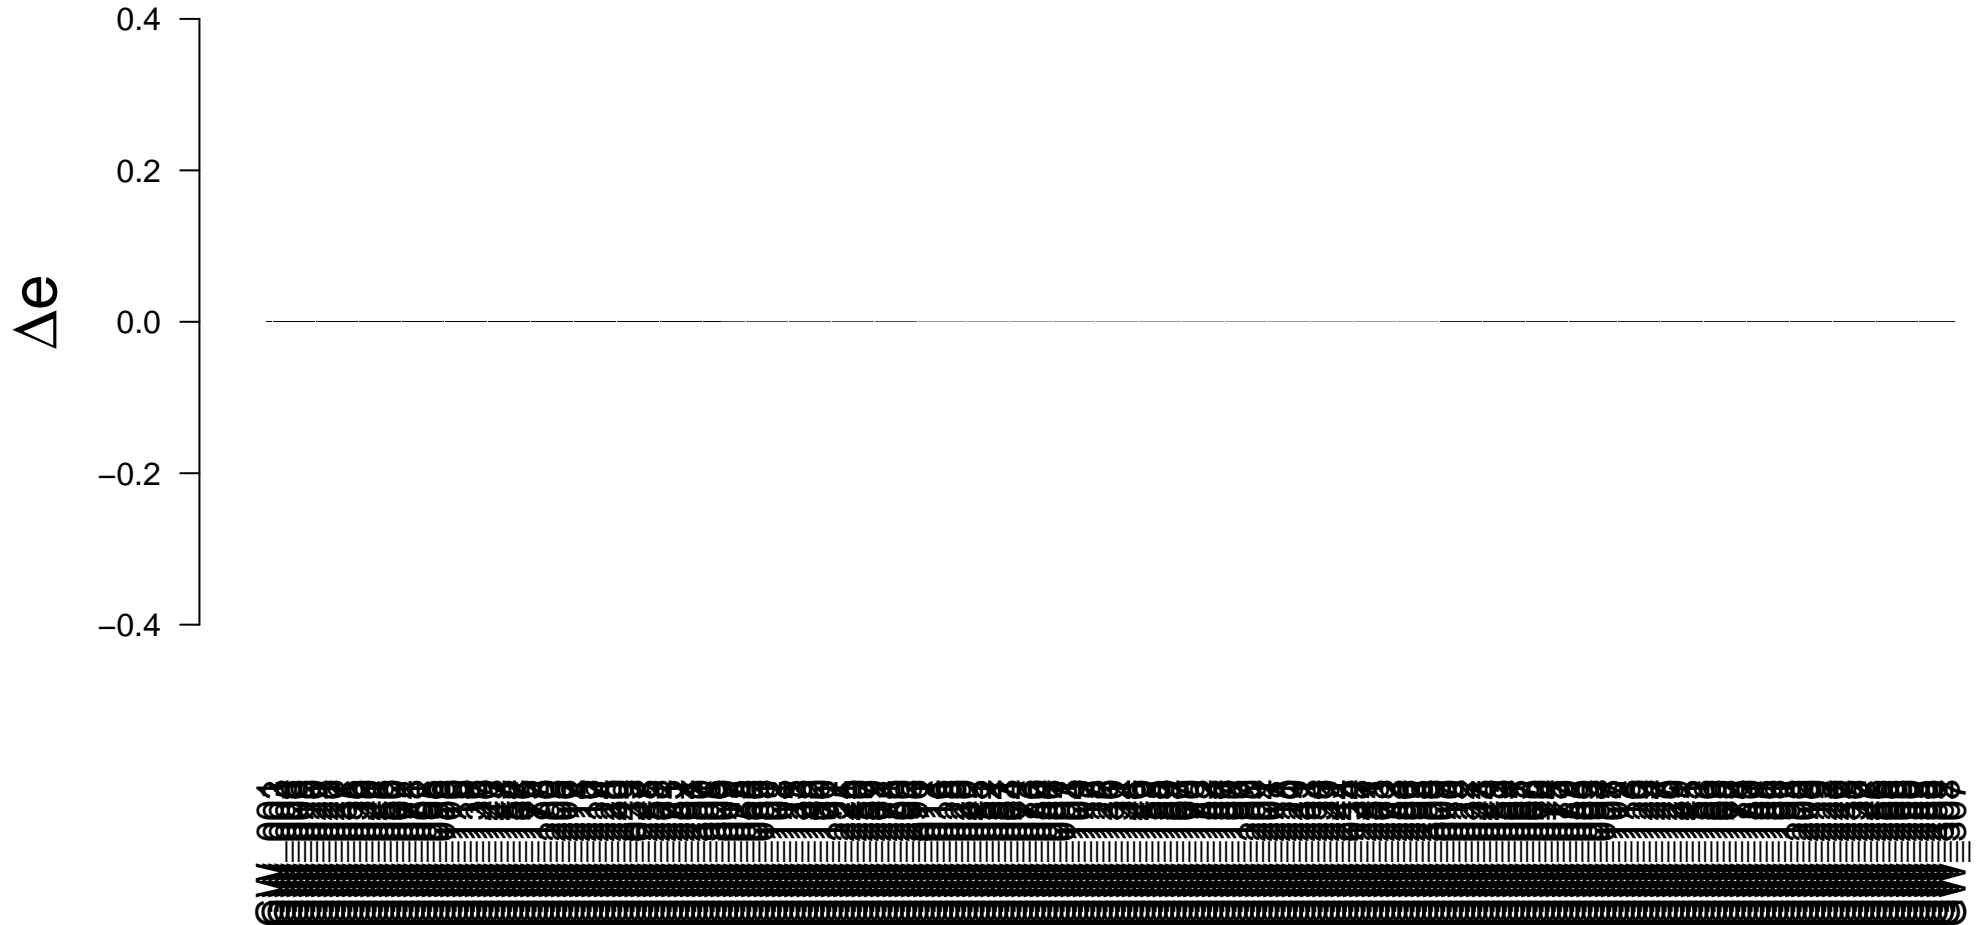

Expression of histone monoubiquitination in Spot E

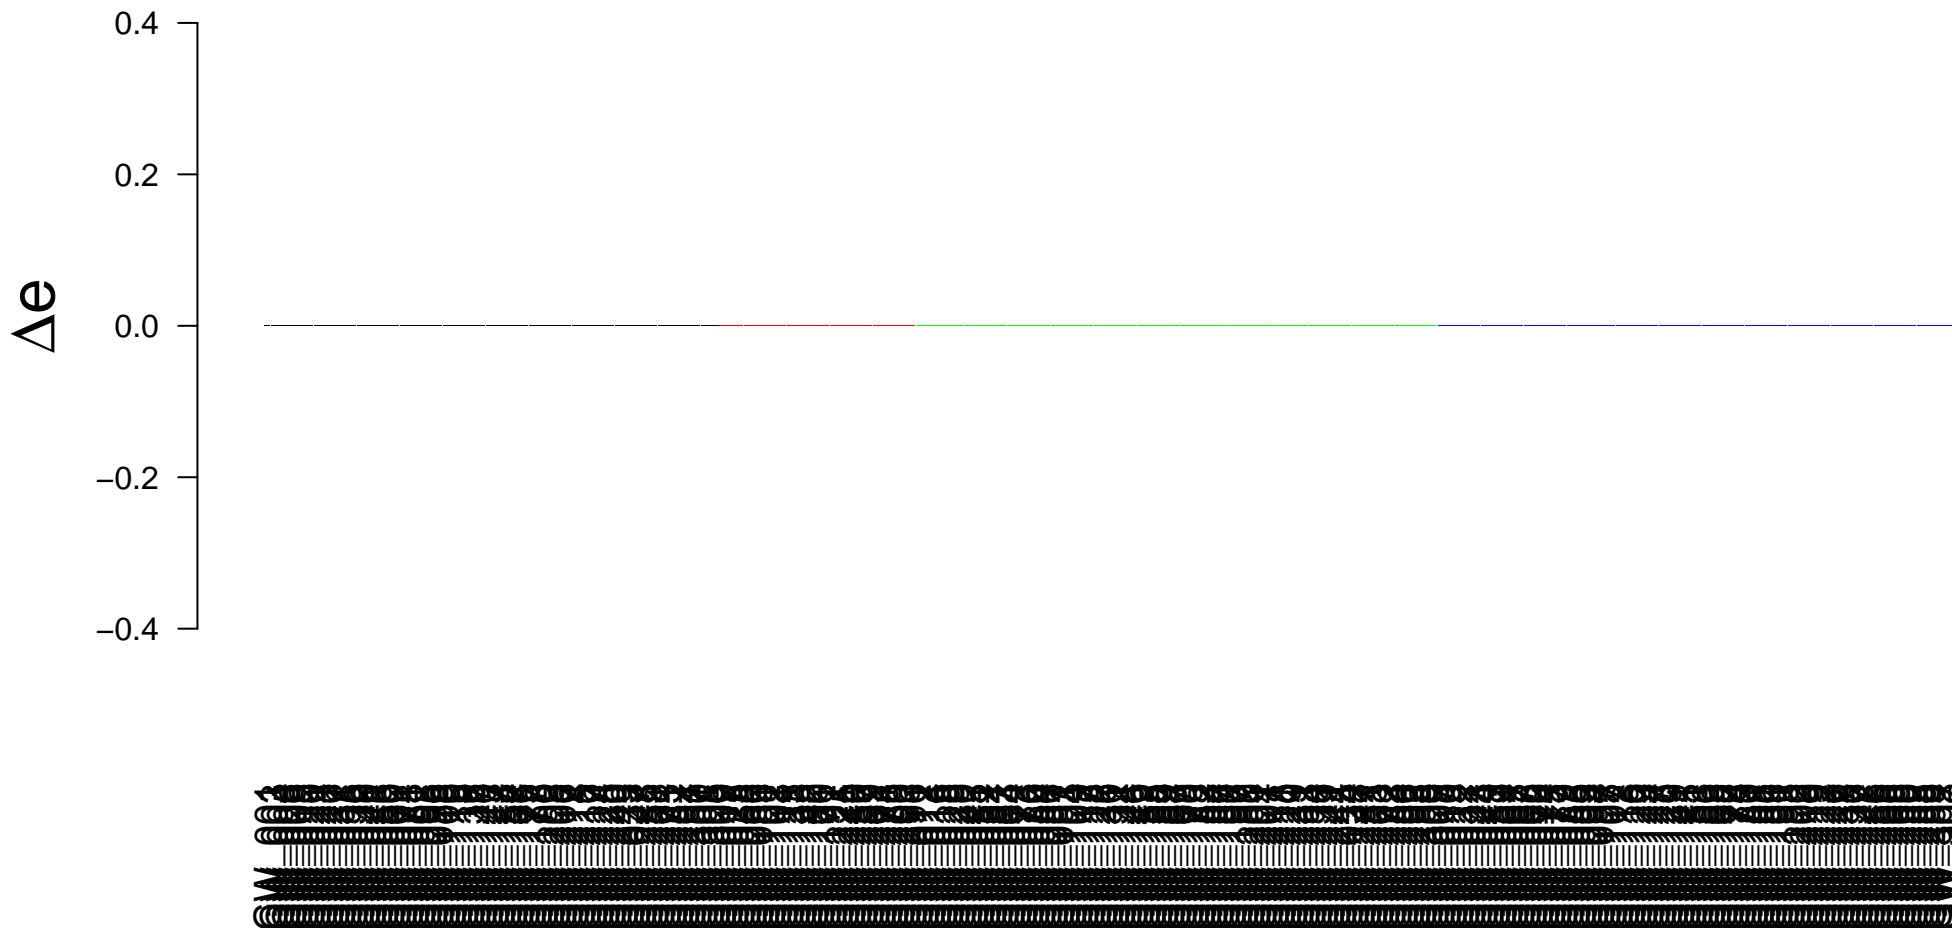

Expression of histone monoubiquitination in Spot F

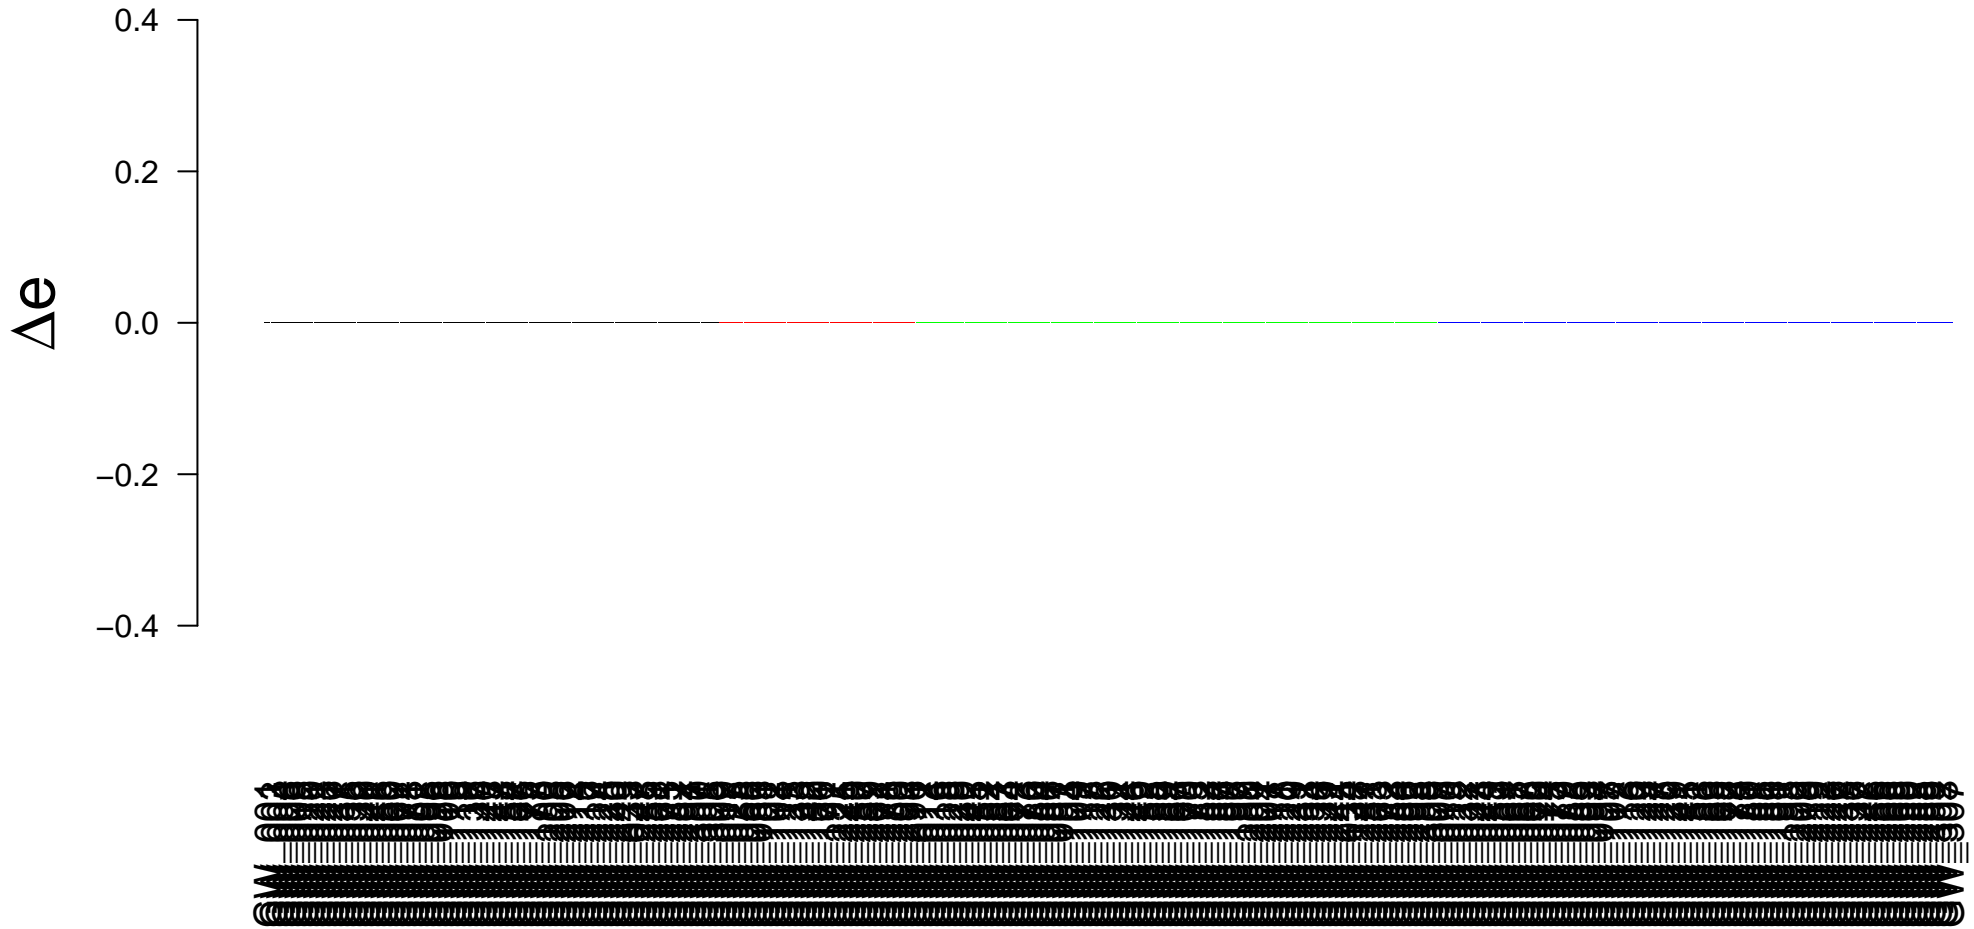

Expression of histone monoubiquitination in Spot G

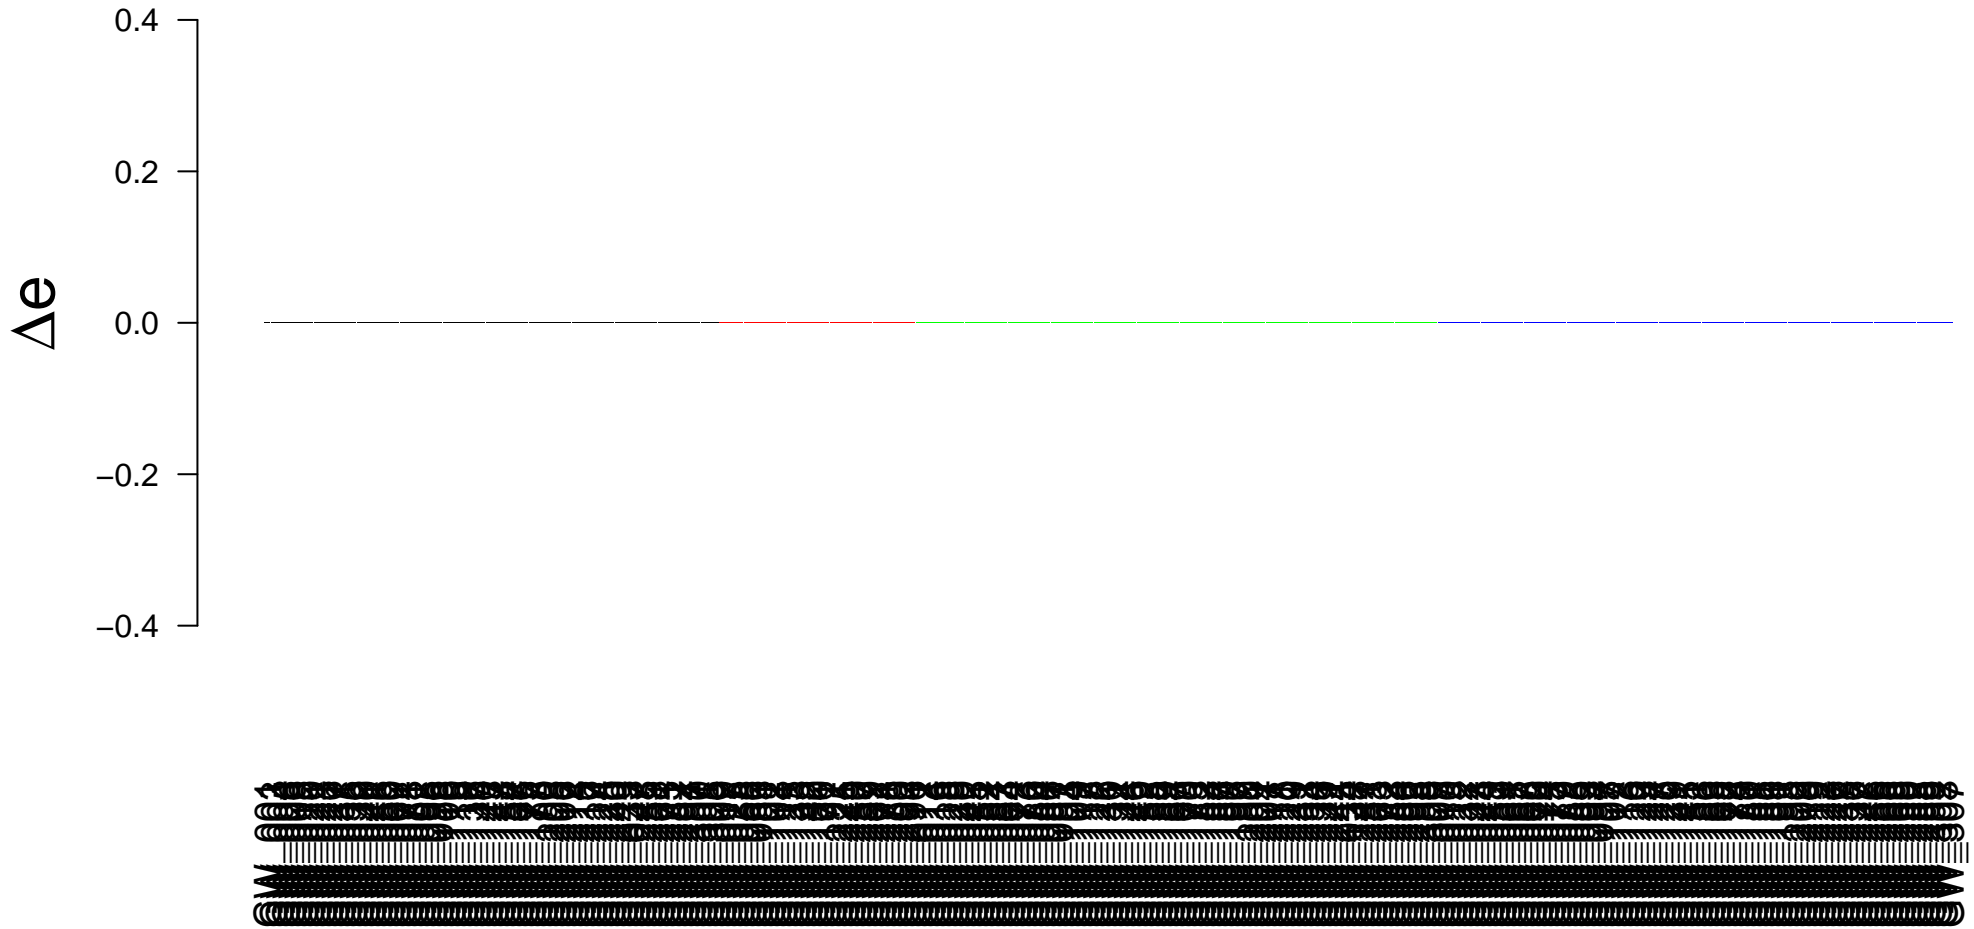

Expression of histone monoubiquitination in Spot H

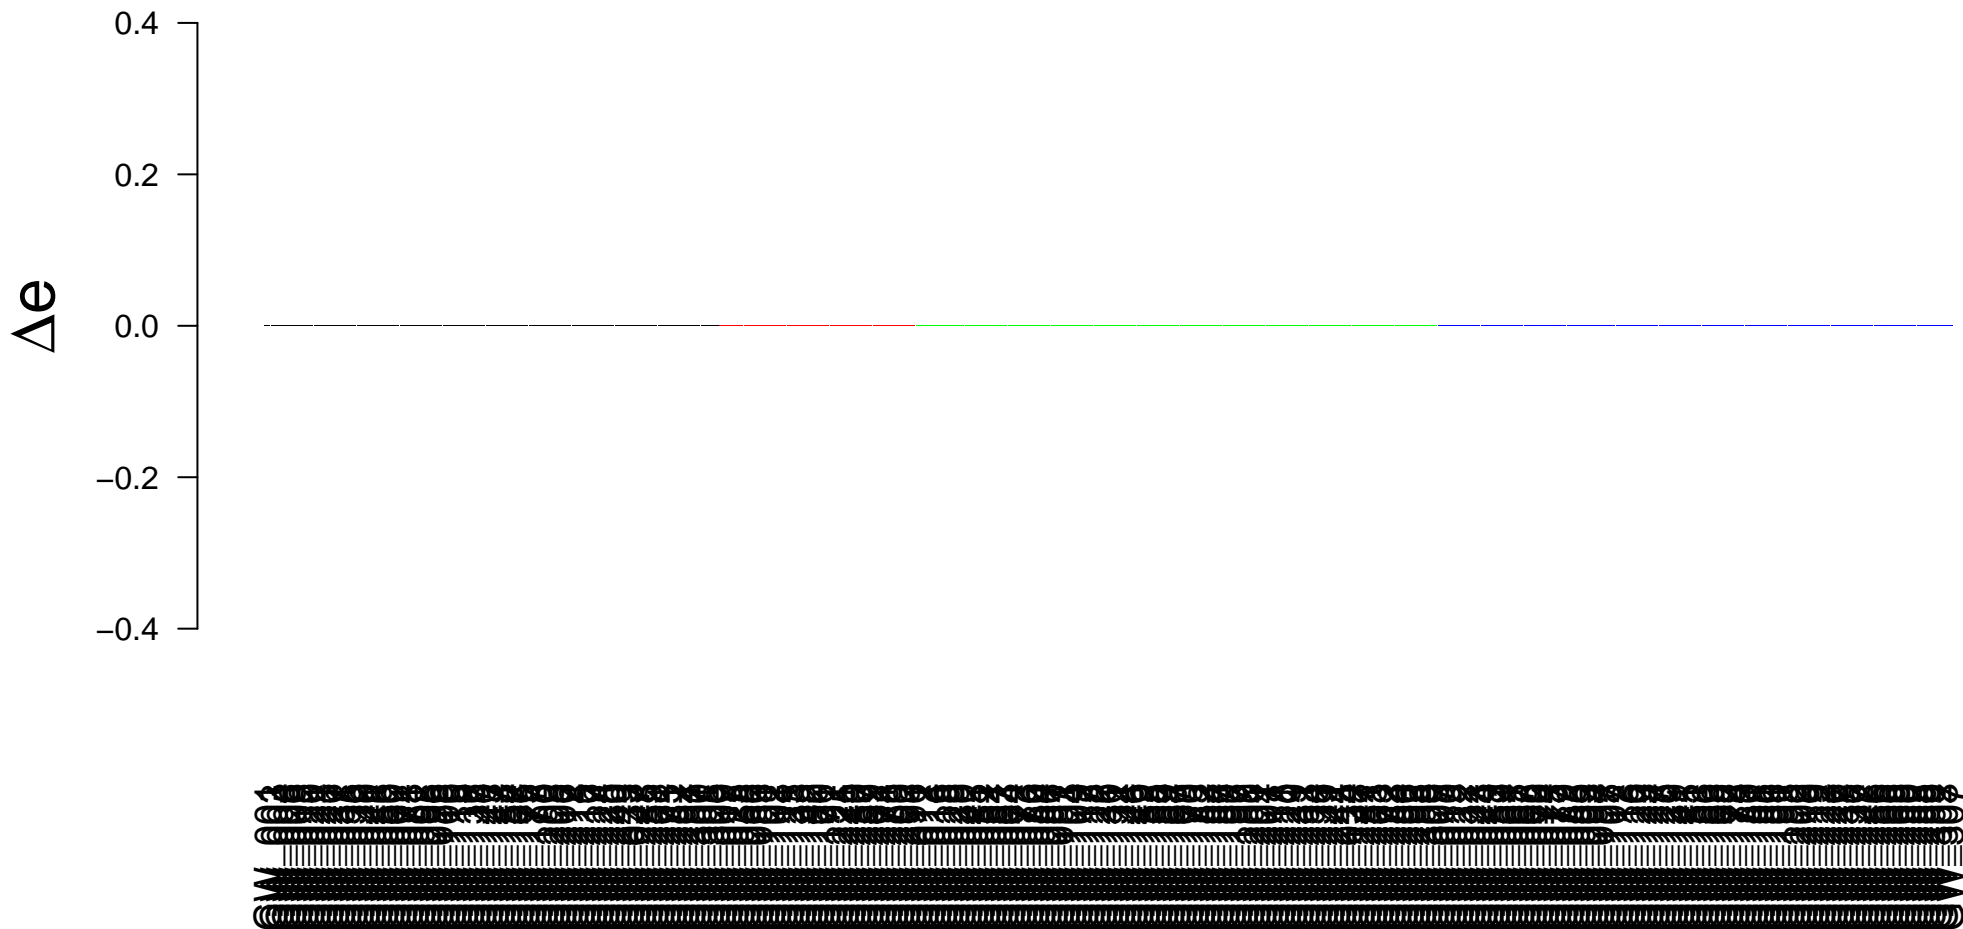

Expression of histone monoubiquitination in Spot I

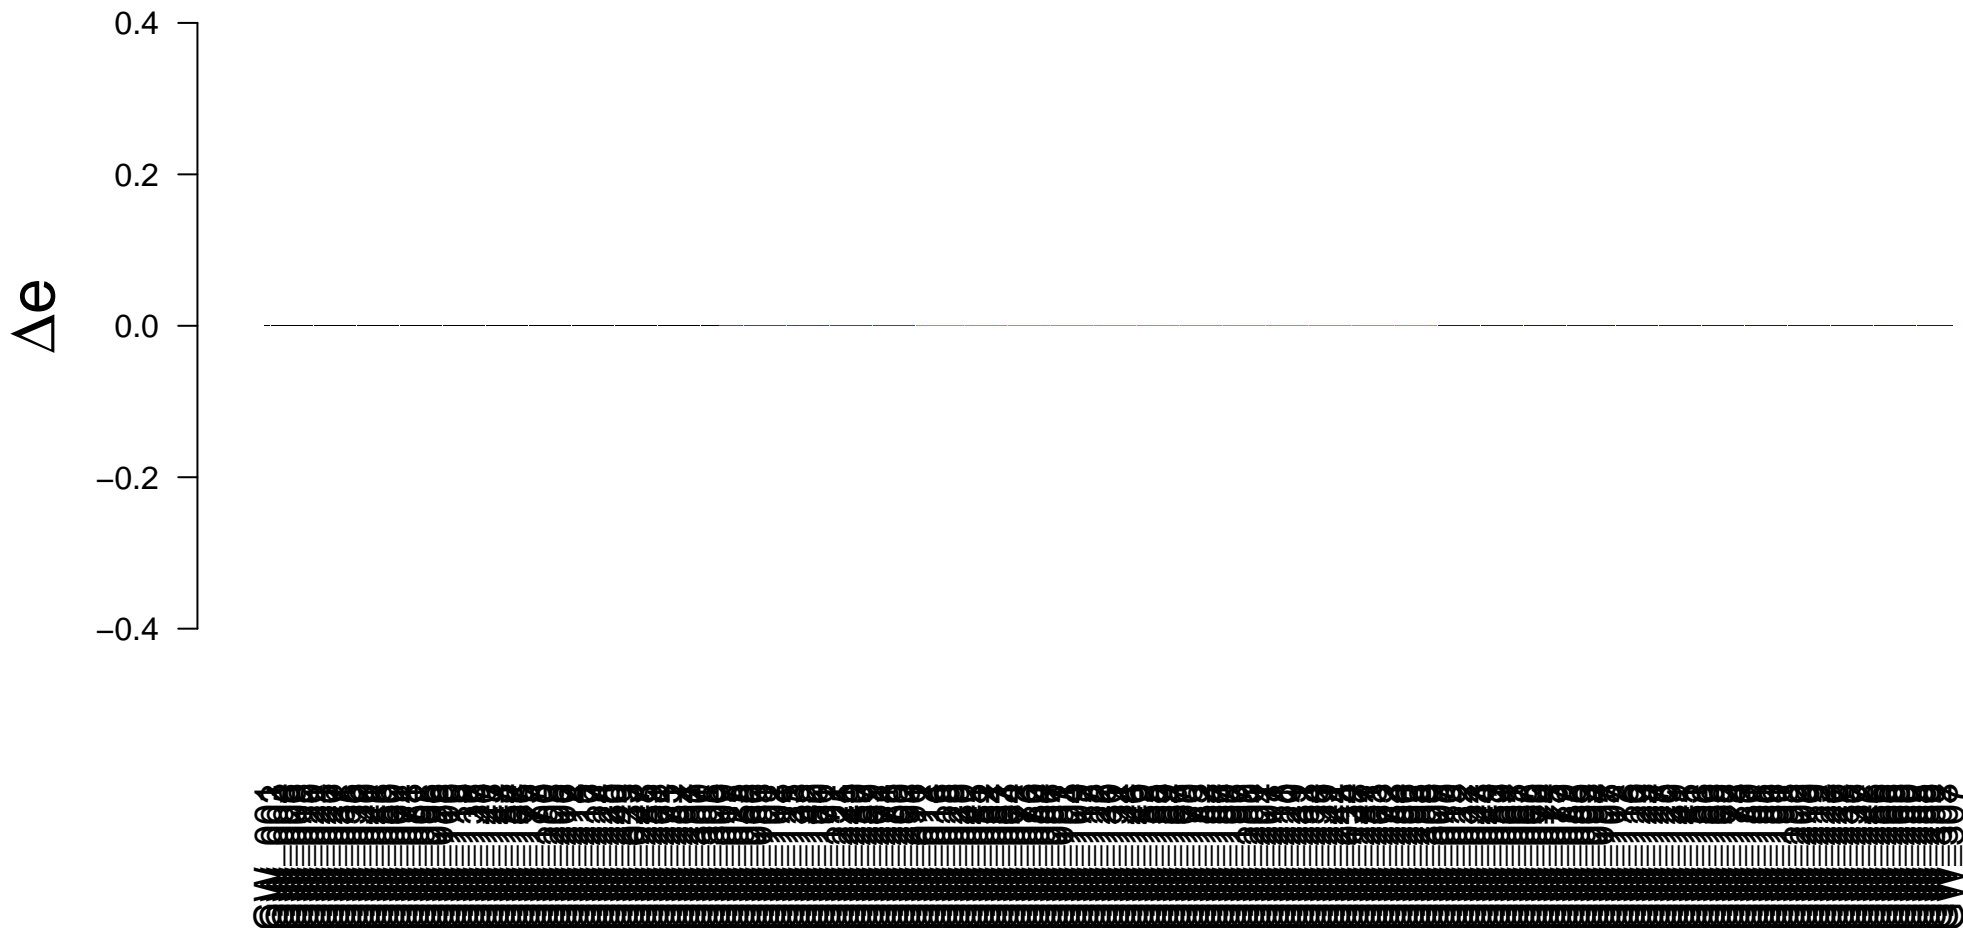

Expression of histone monoubiquitination in Spot J

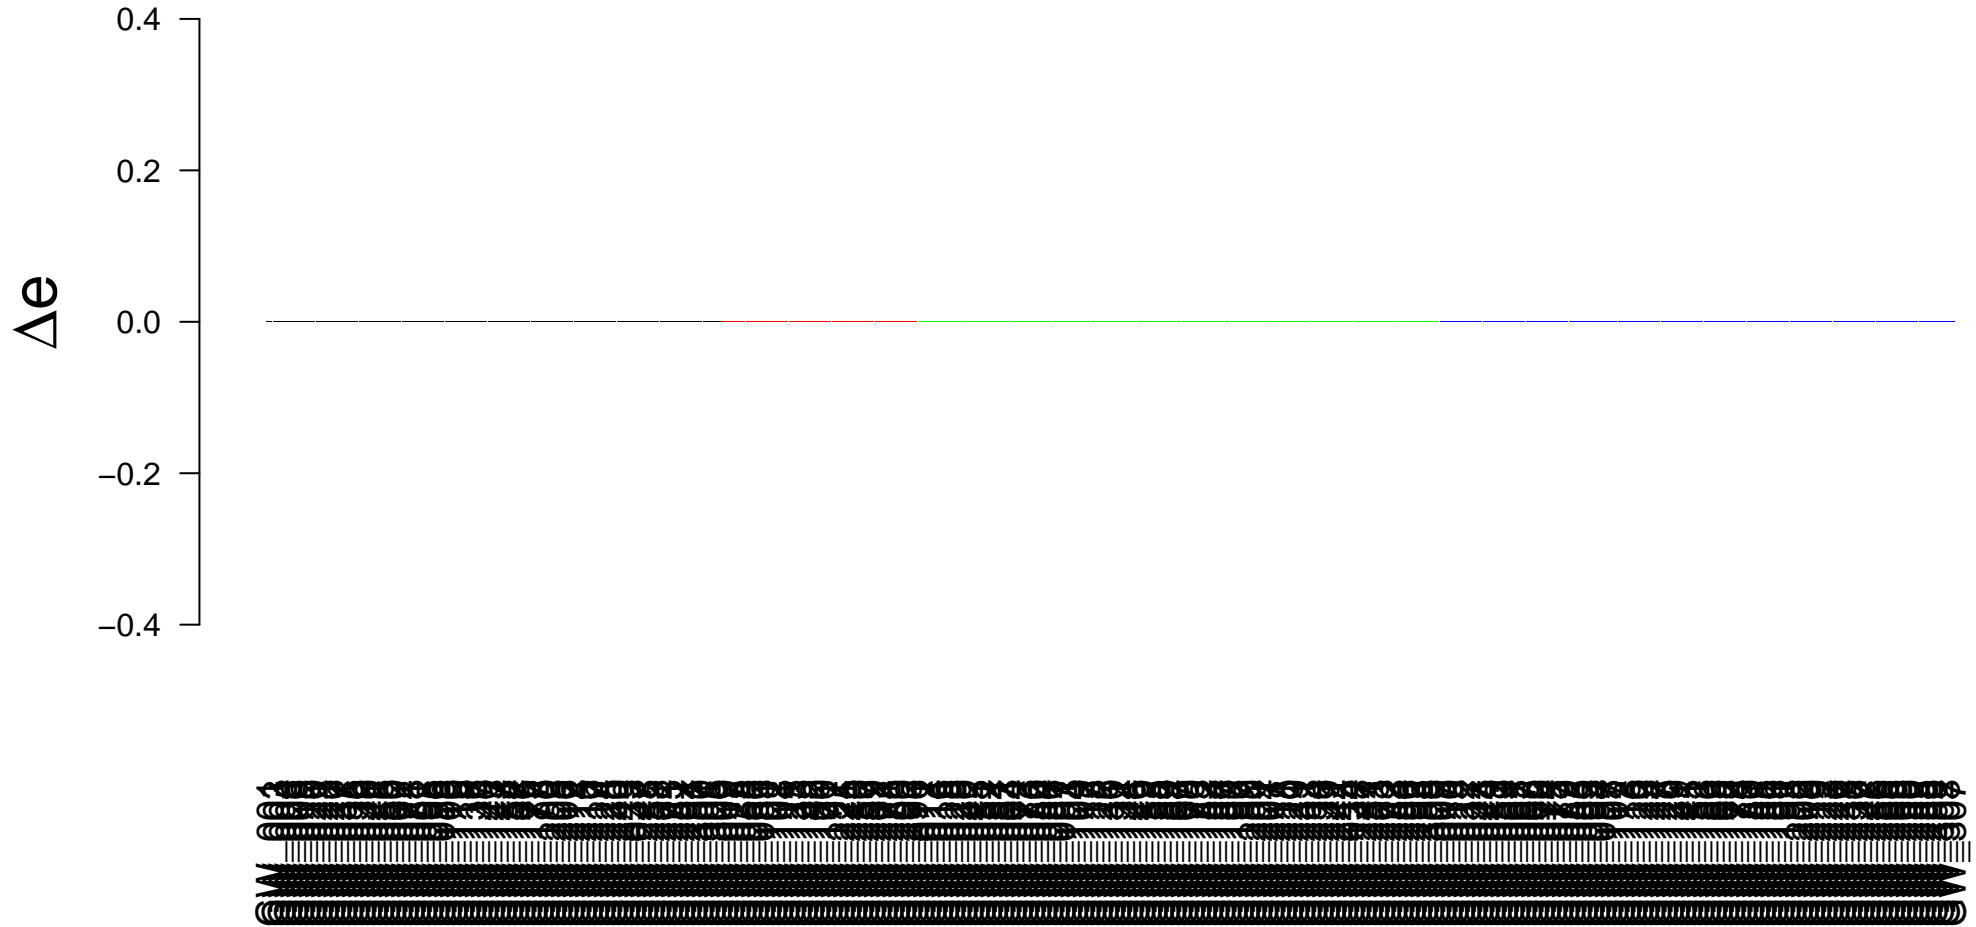

Expression of histone monoubiquitination in Spot K

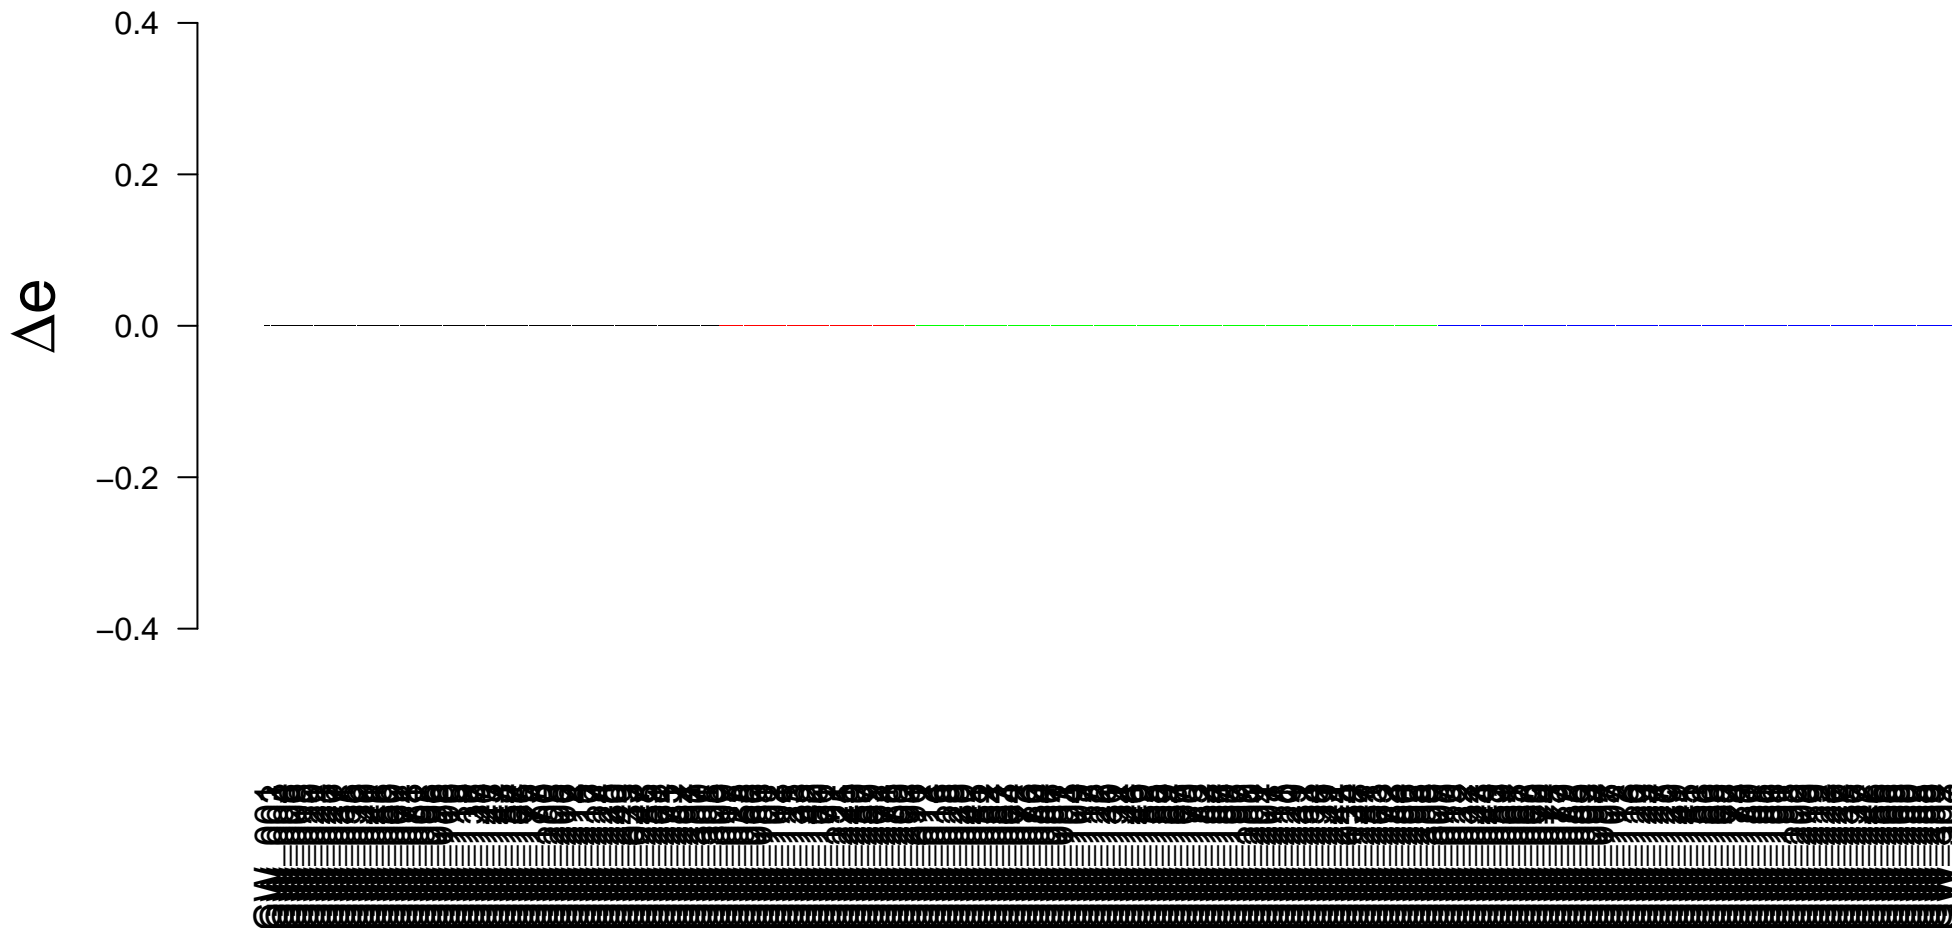

Expression of histone monoubiquitination in Spot L

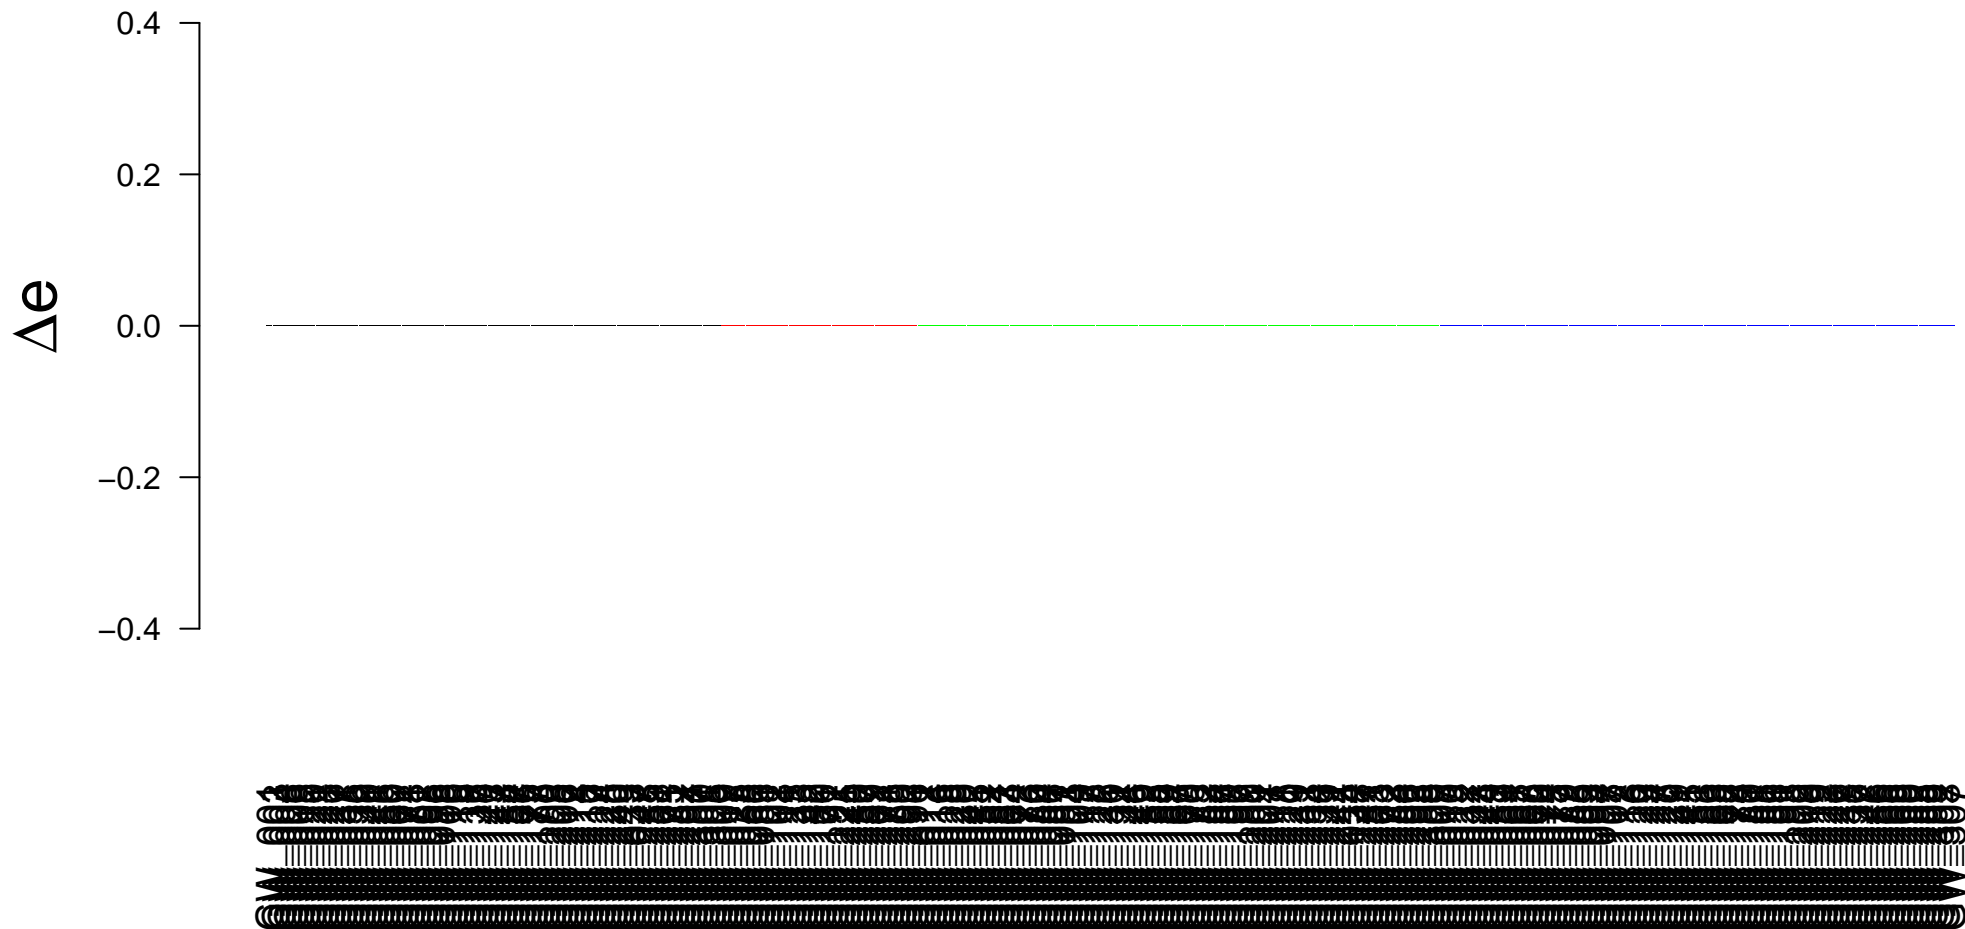

Expression of histone monoubiquitination in Spot M

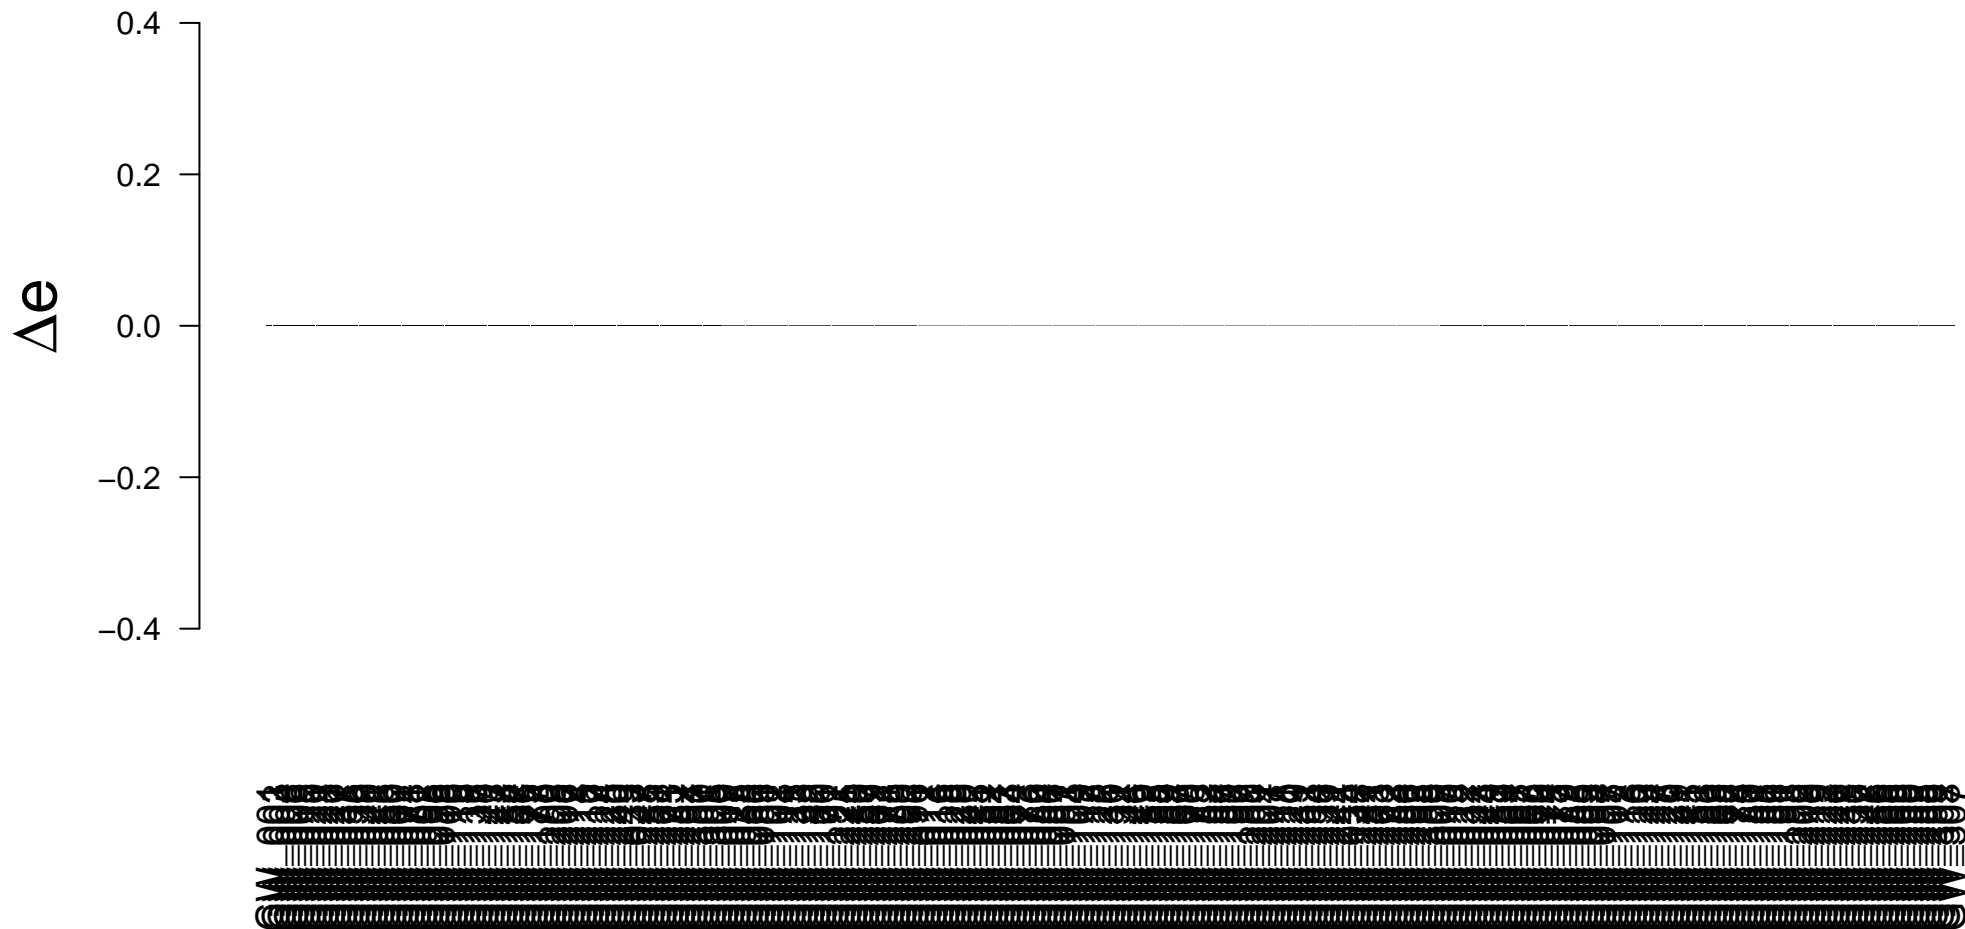

Expression of histone monoubiquitination in Spot N

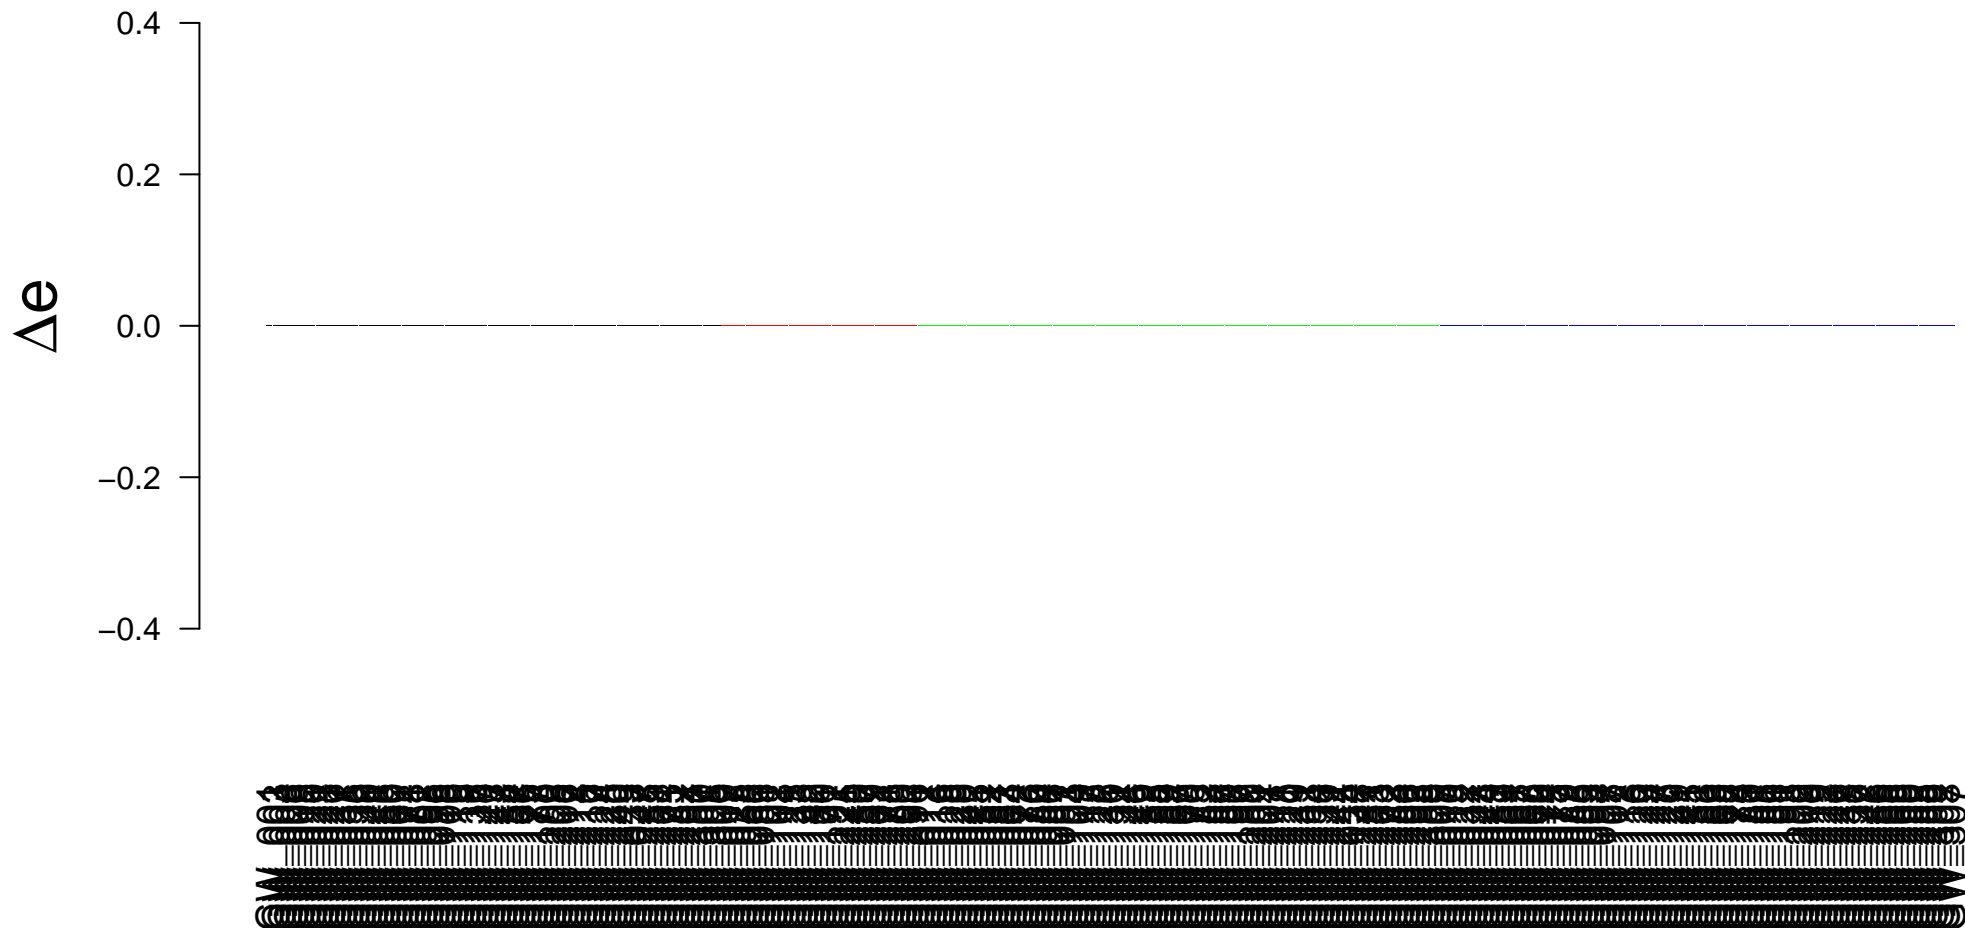

Expression of histone monoubiquitination in Spot O

Expression of histone monoubiquitination in Spot P

Expression of histone monoubiquitination in Spot Q

Expression of histone monoubiquitination in Spot R
