

homeostasis of number of cells

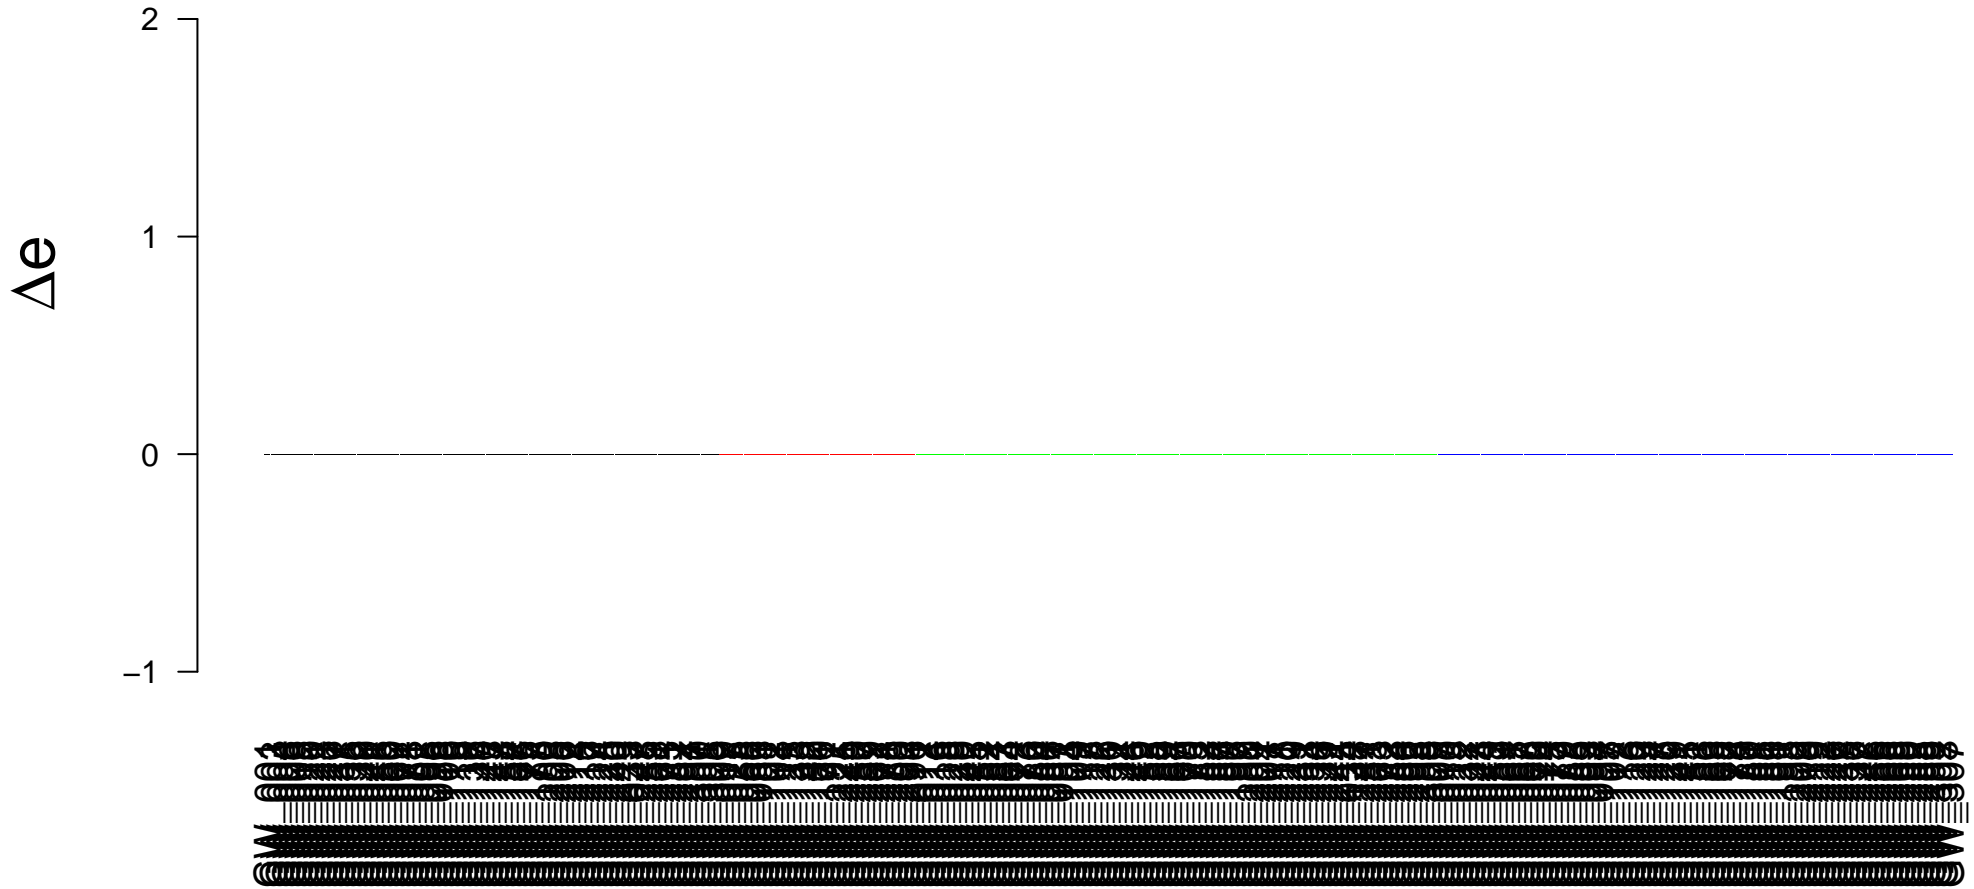

homeostasis of number of cells

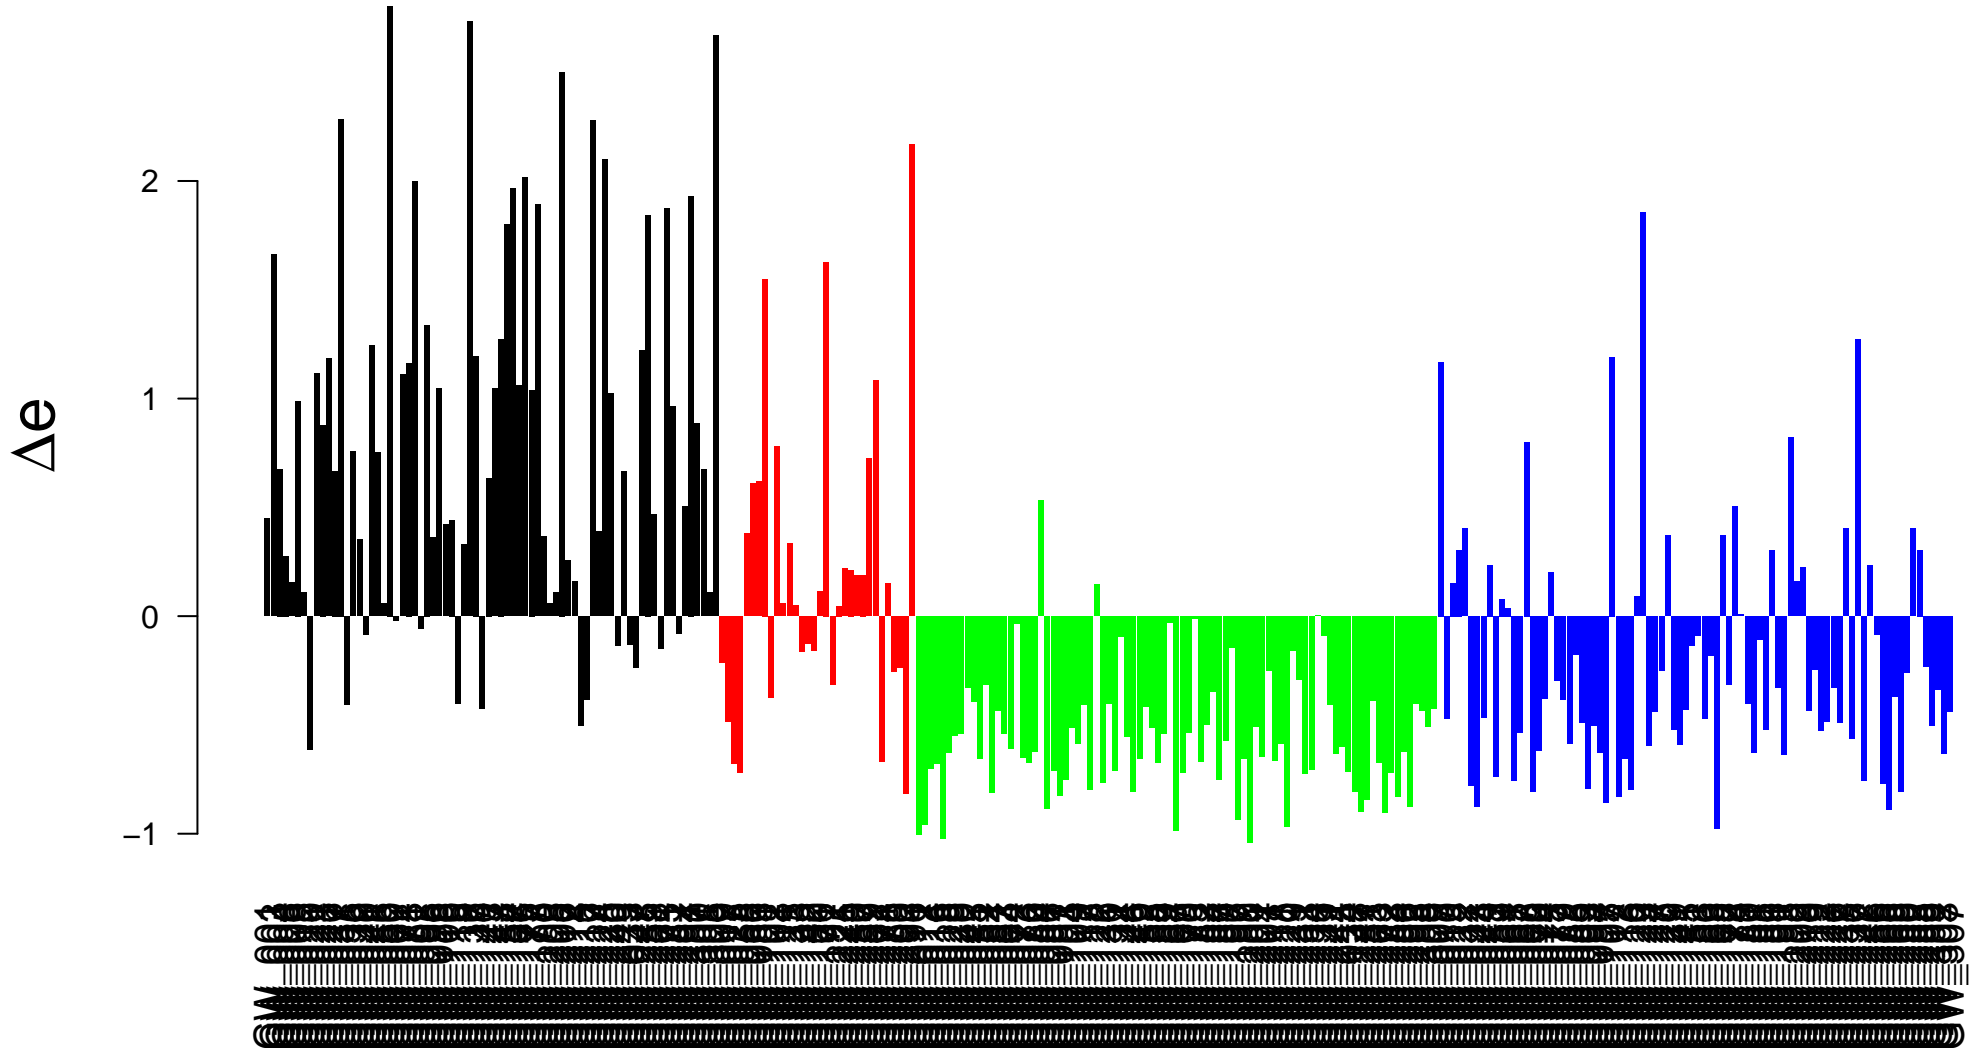

Enrichment in spots: homeostasis of number of cells

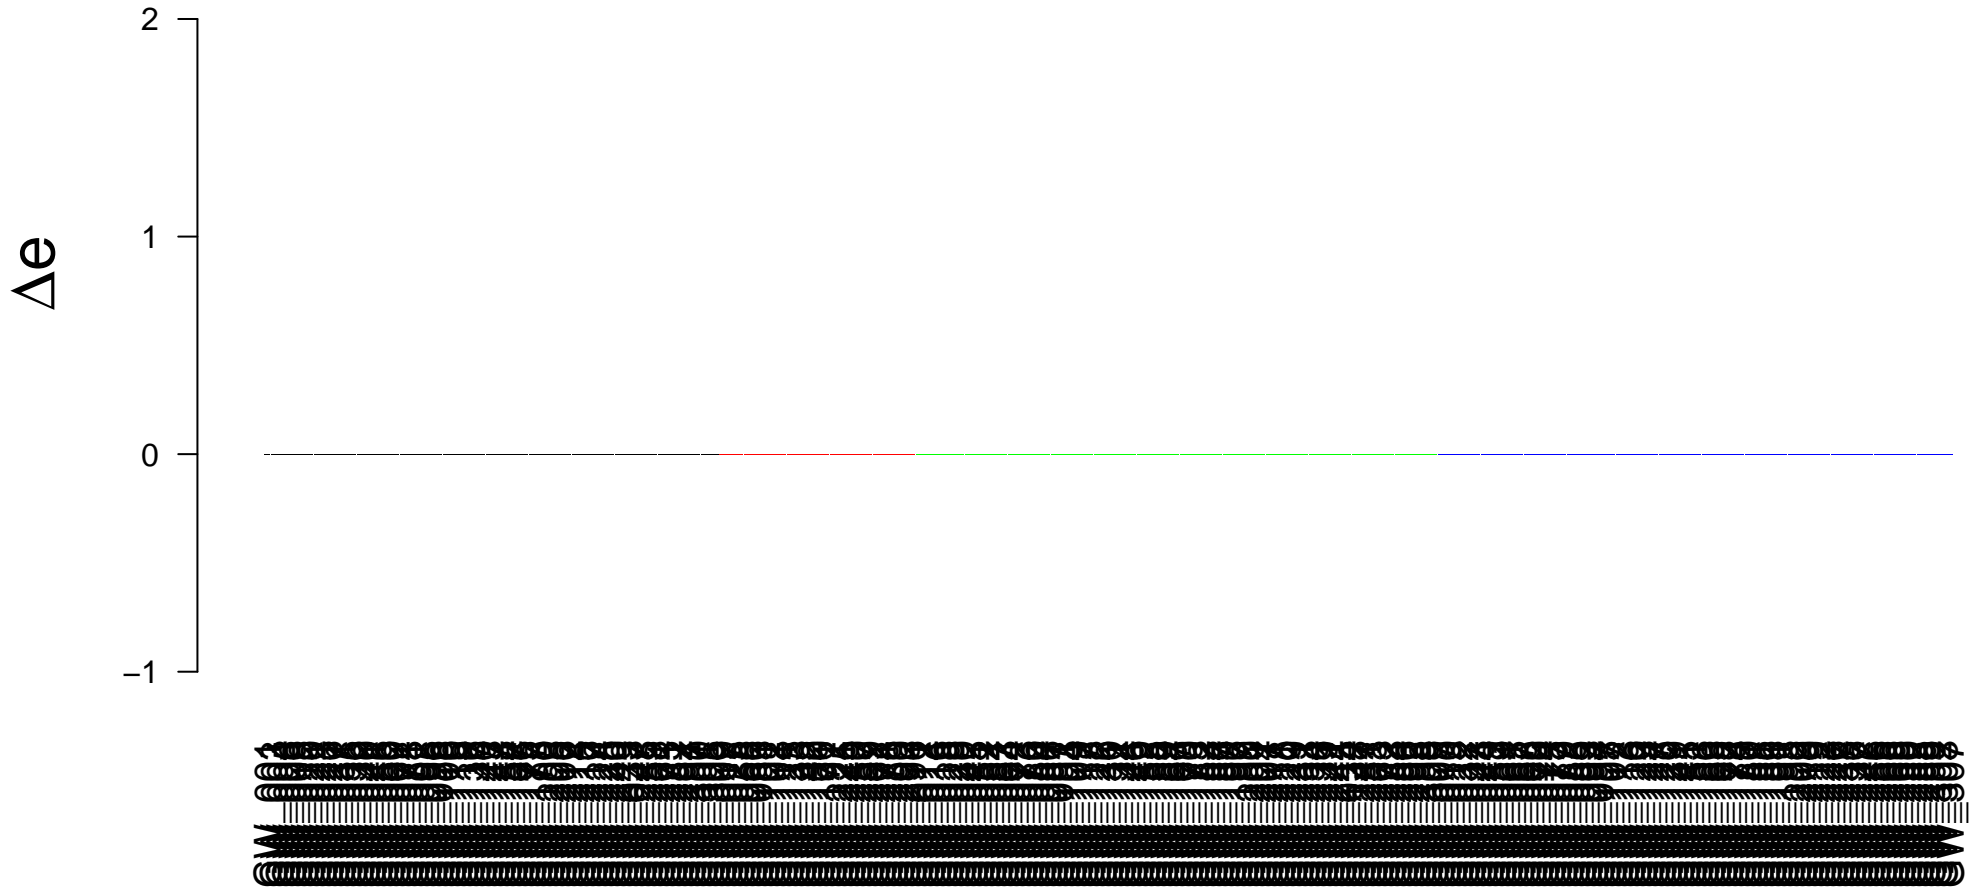

Expression of homeostasis of number of cells in Spot A

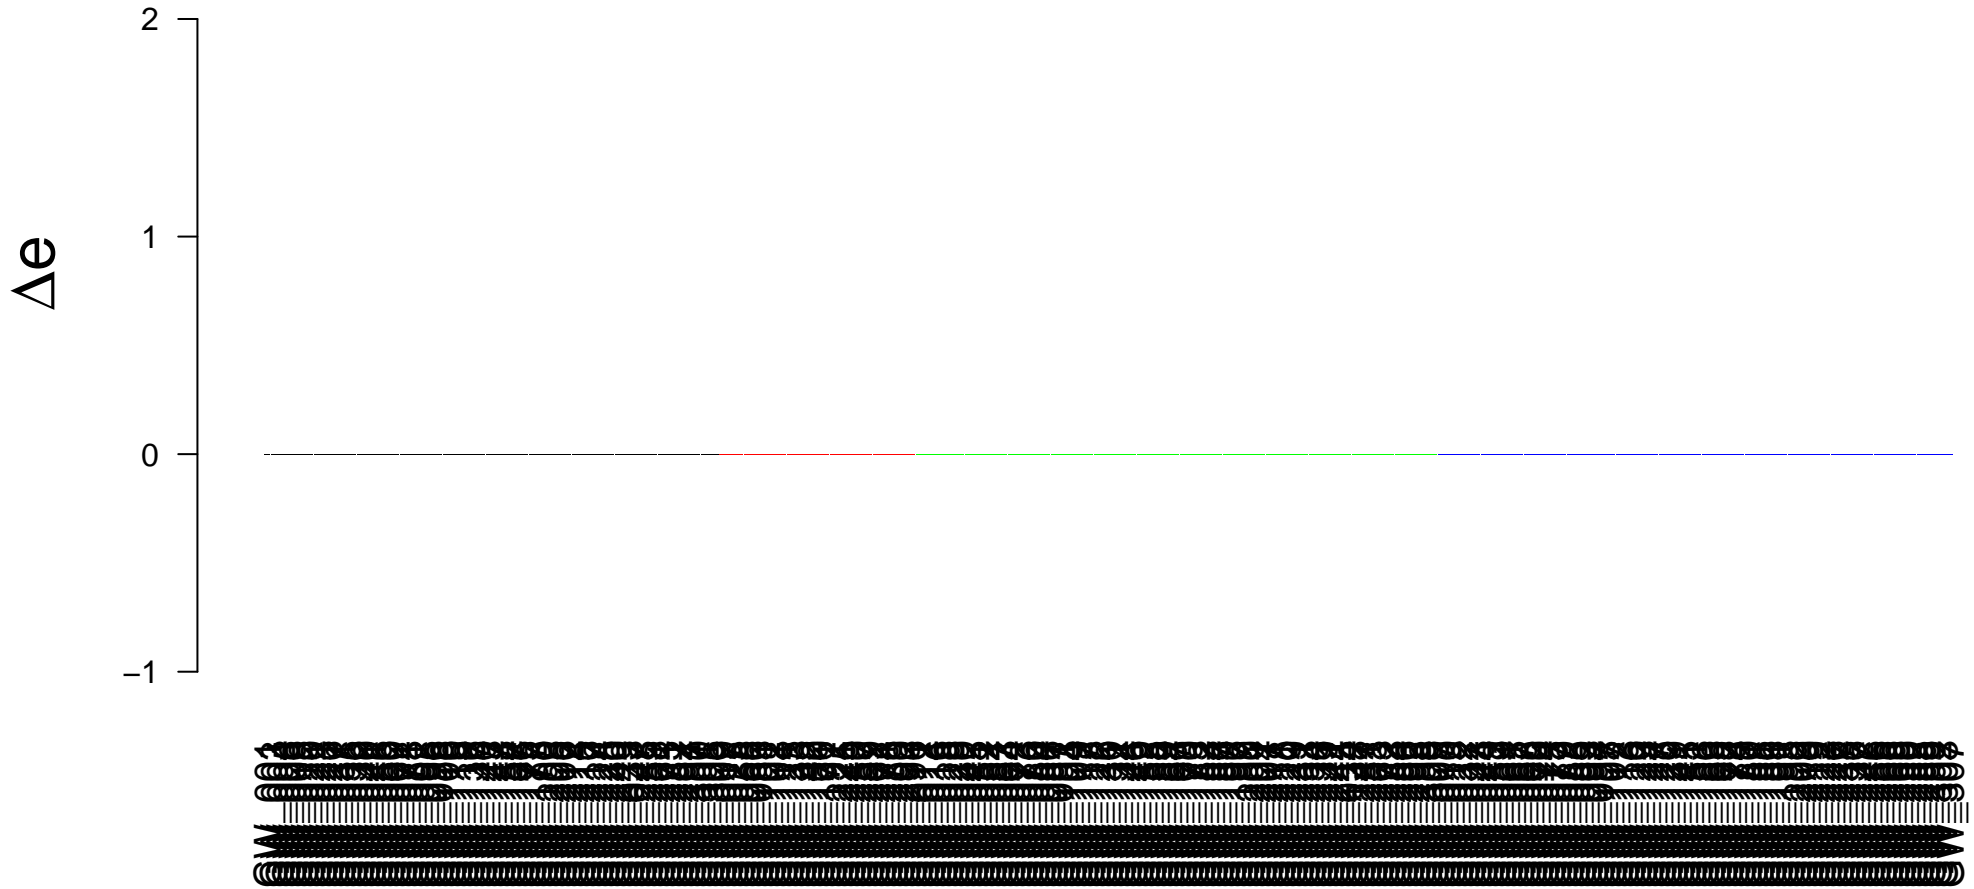

Expression of homeostasis of number of cells in Spot B

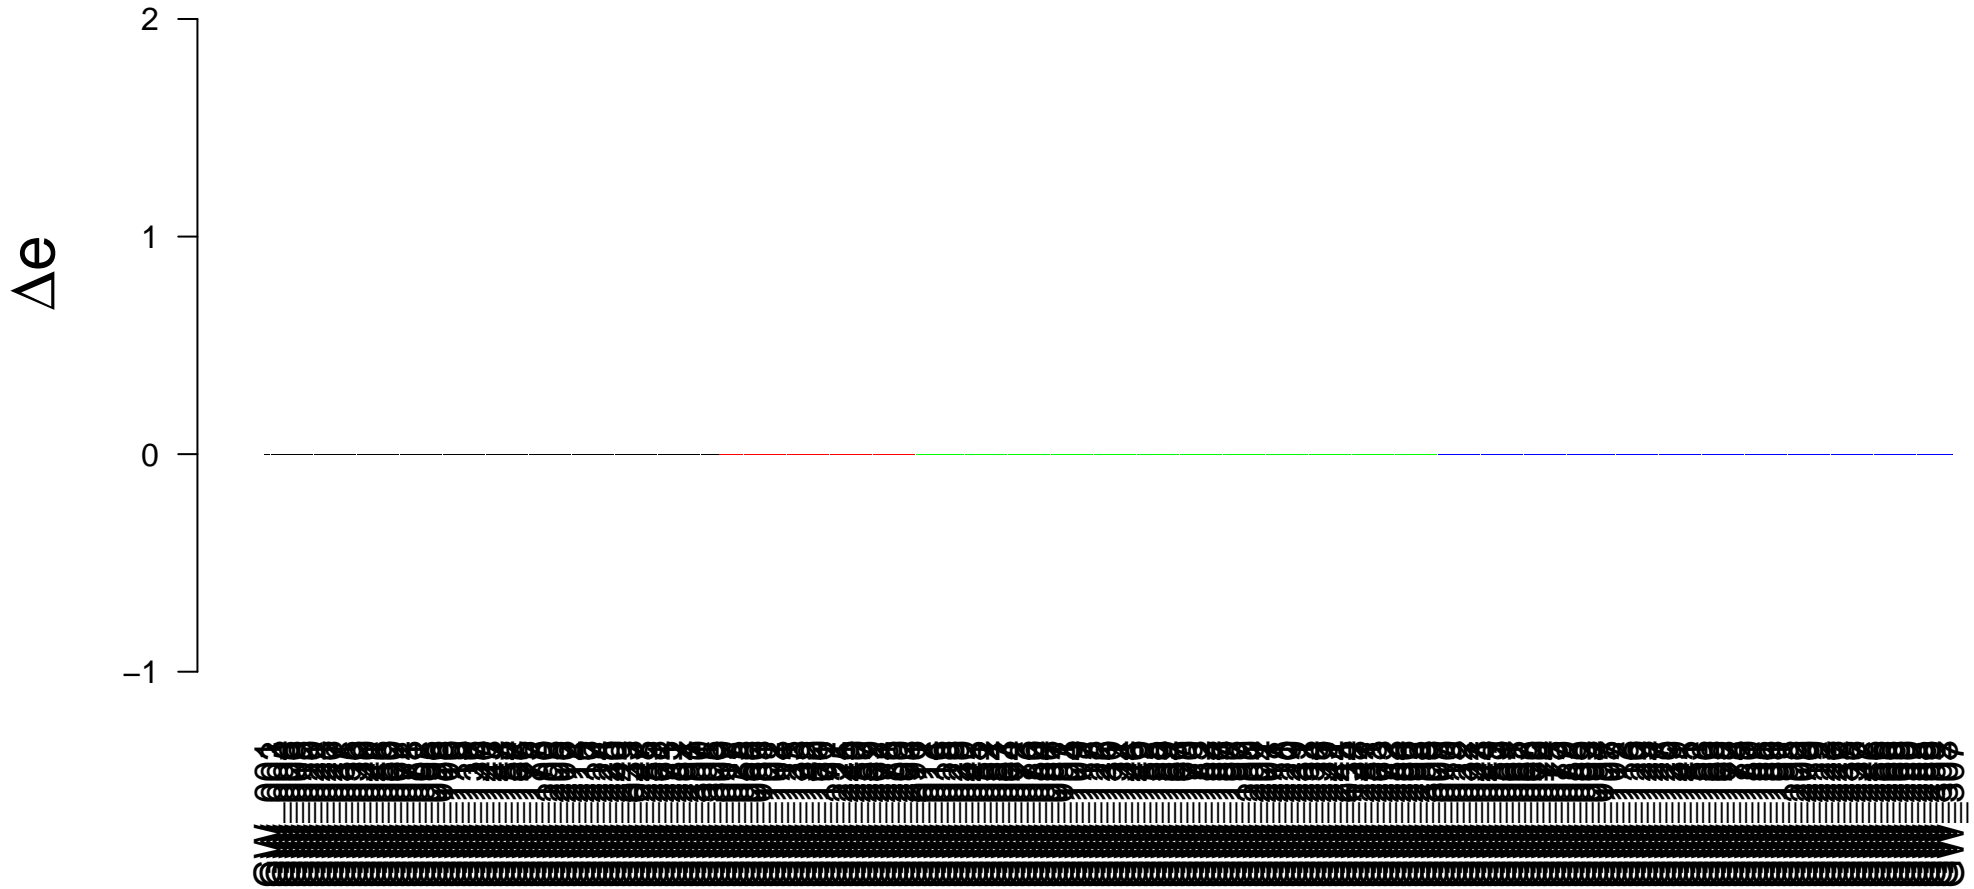

Expression of homeostasis of number of cells in Spot C

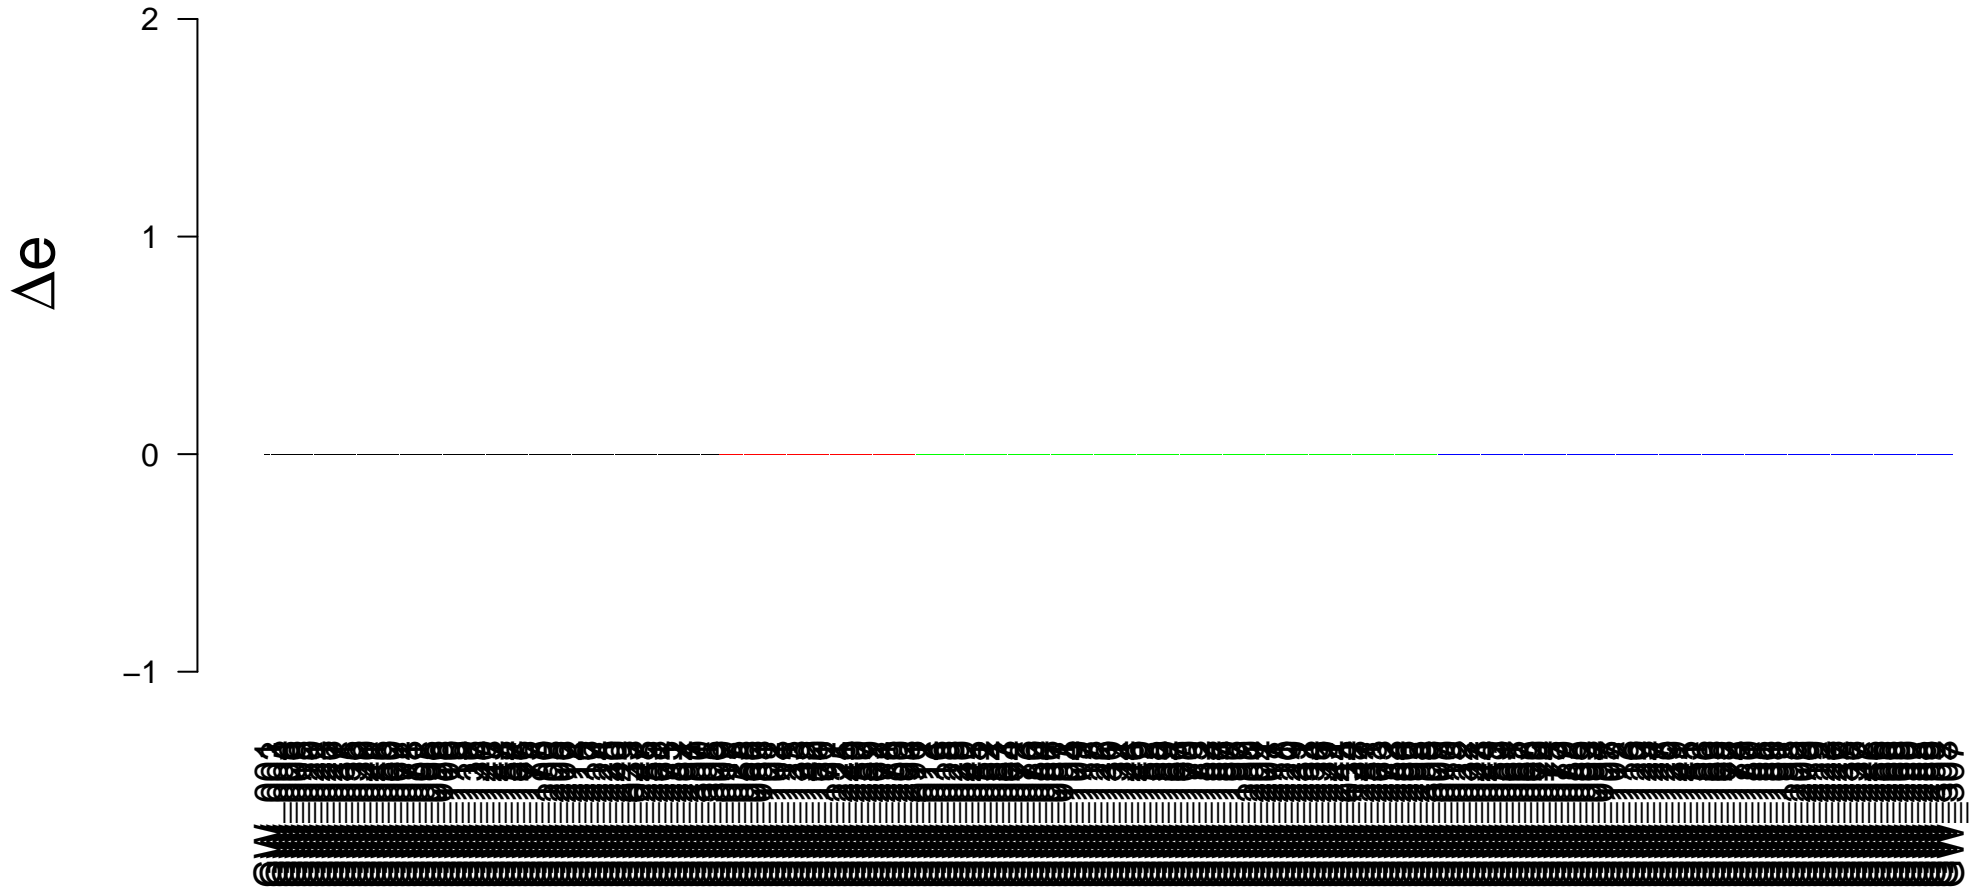

Expression of homeostasis of number of cells in Spot D

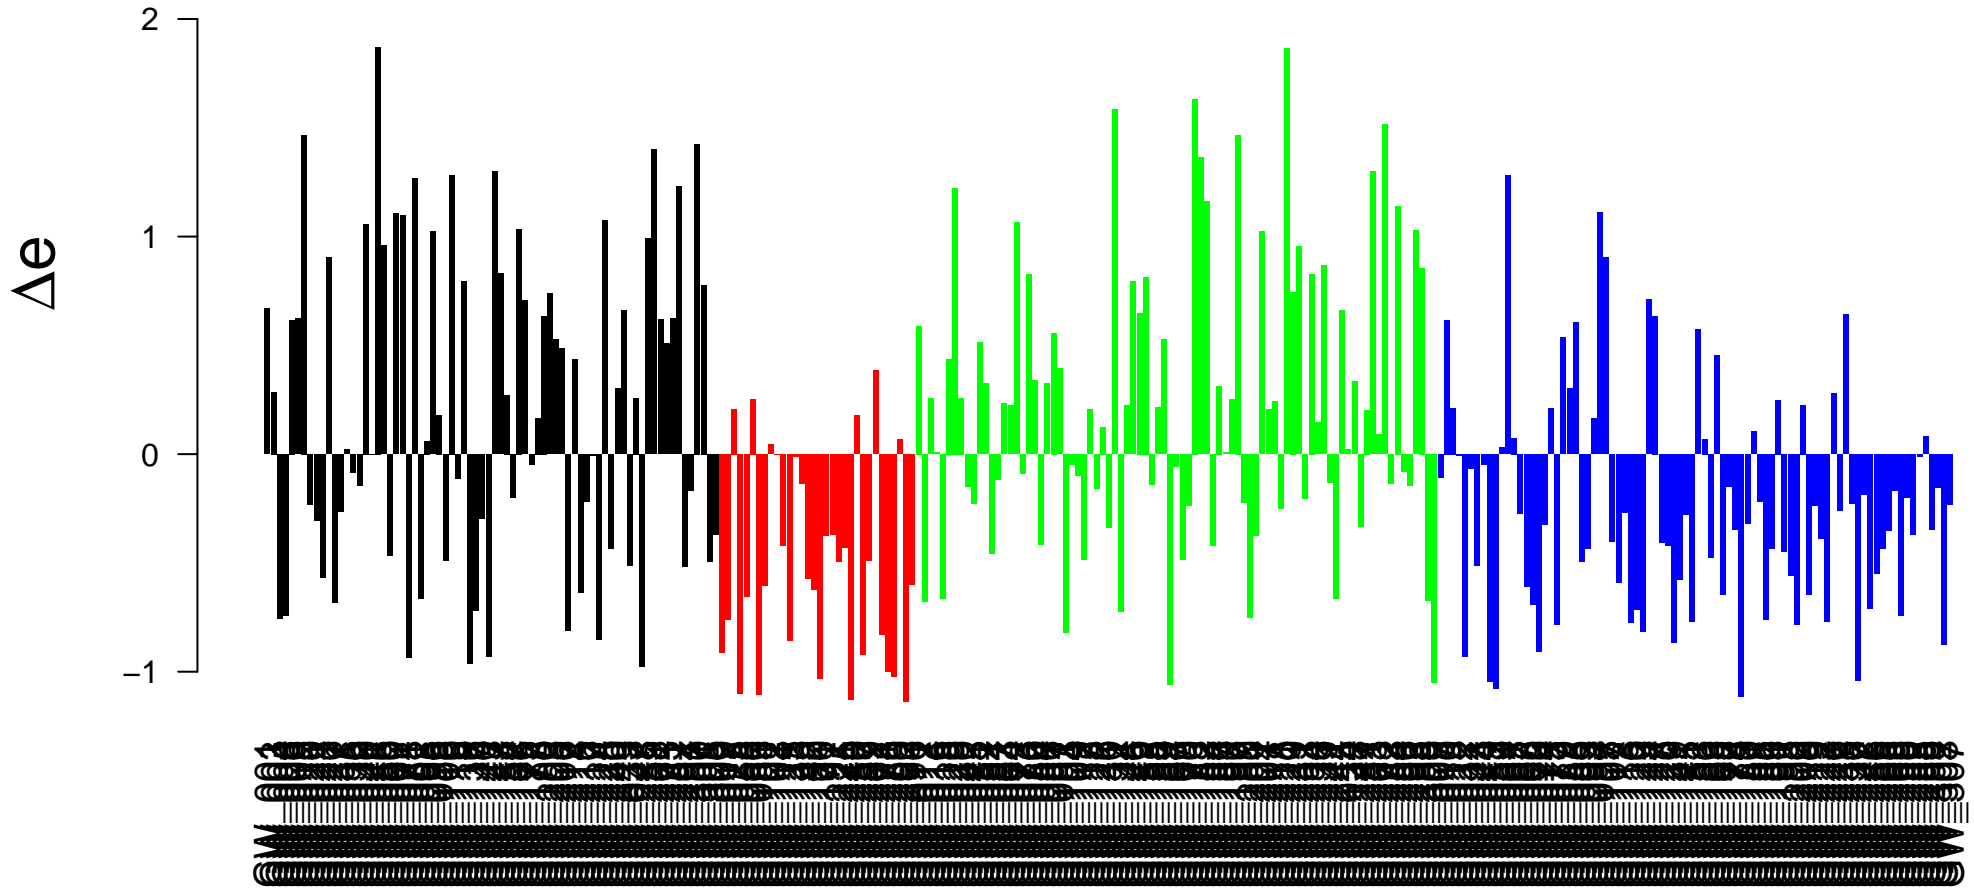

Expression of homeostasis of number of cells in Spot E

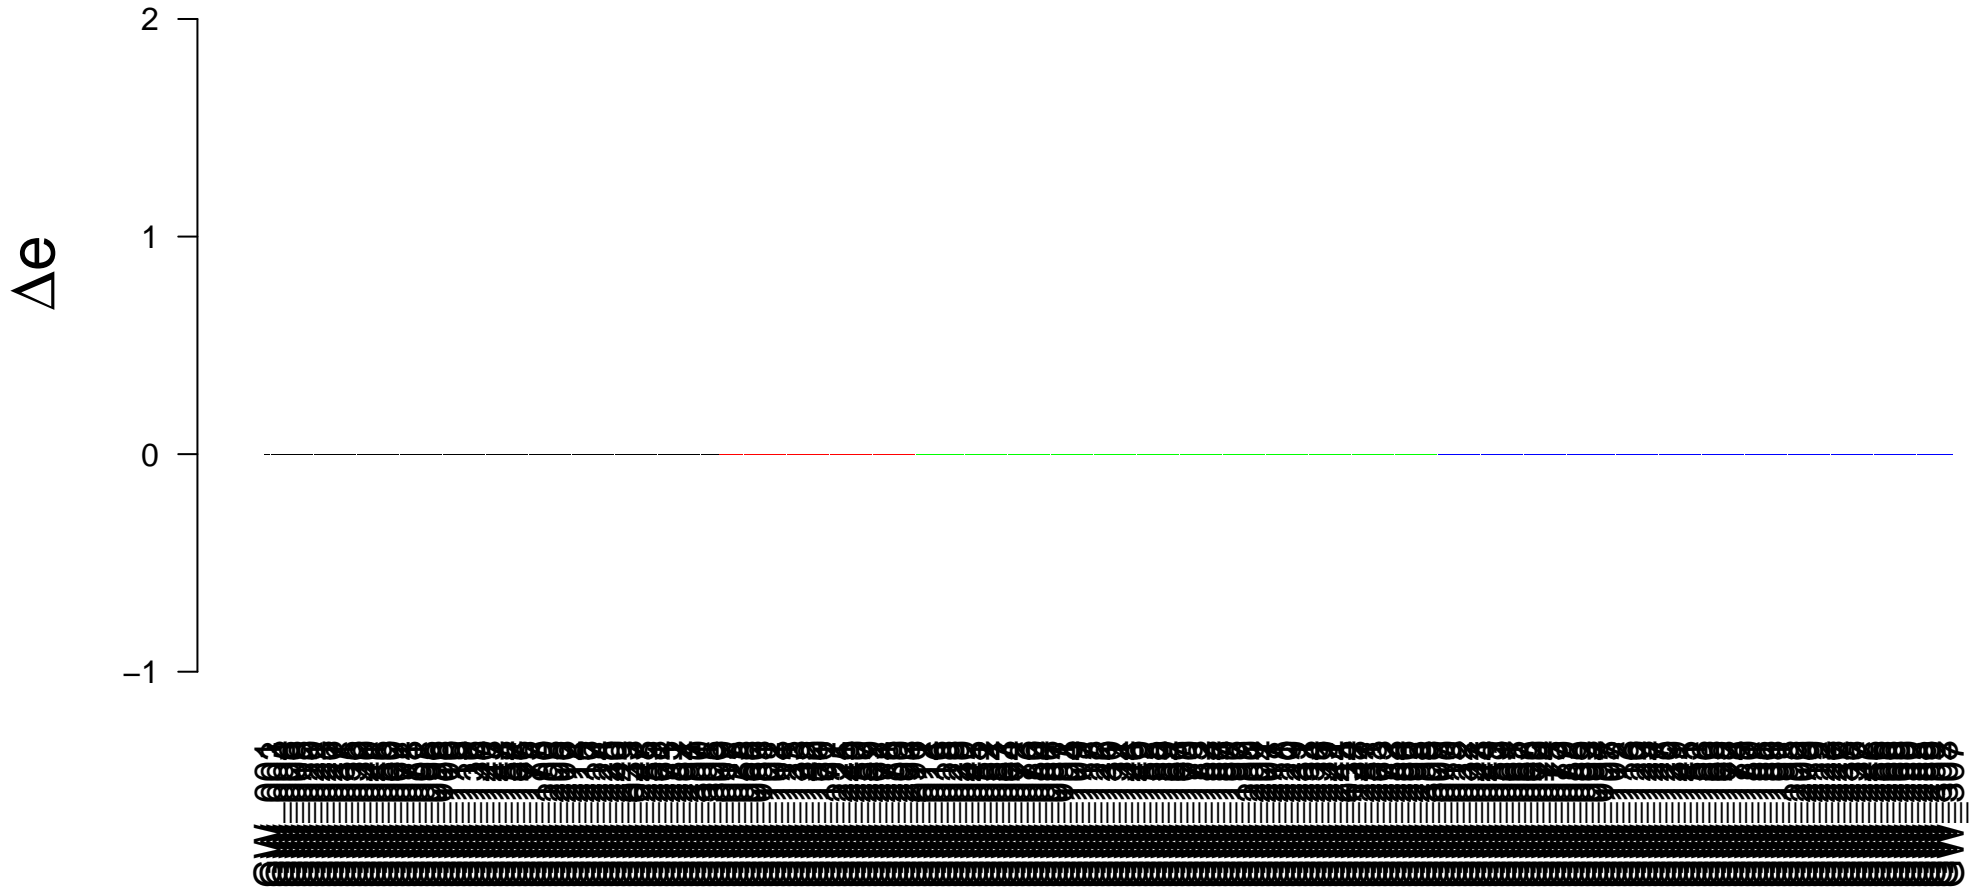

Expression of homeostasis of number of cells in Spot F

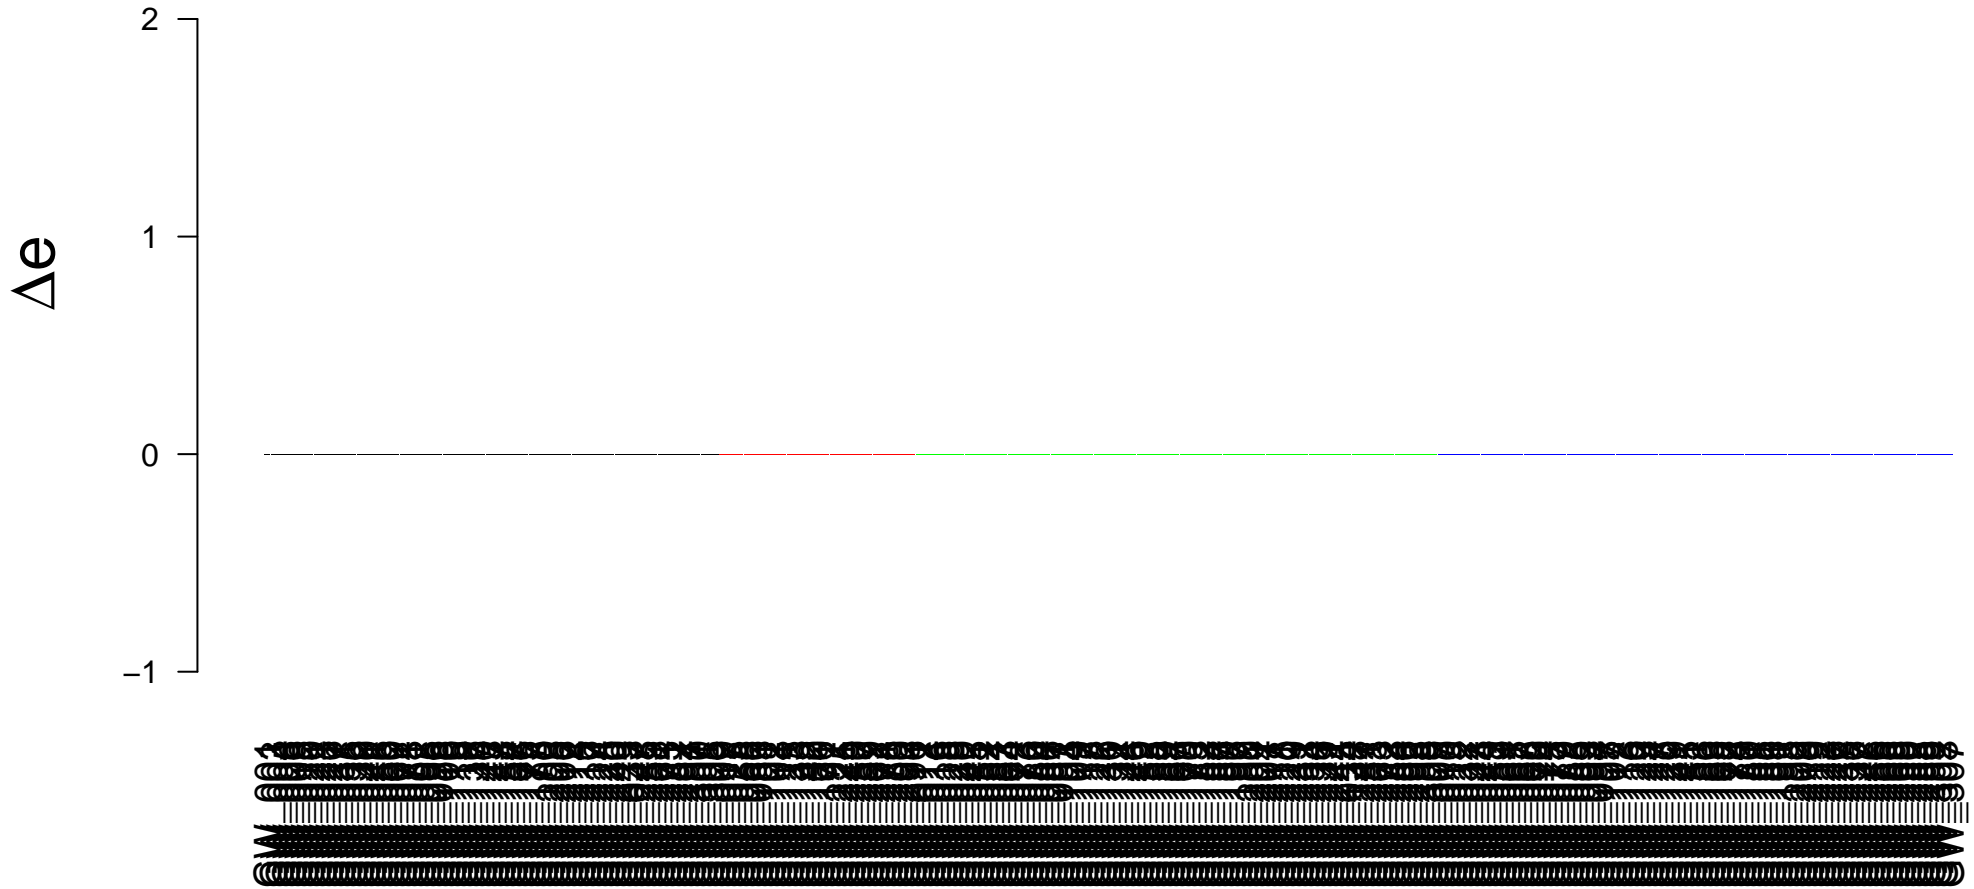

Expression of homeostasis of number of cells in Spot G

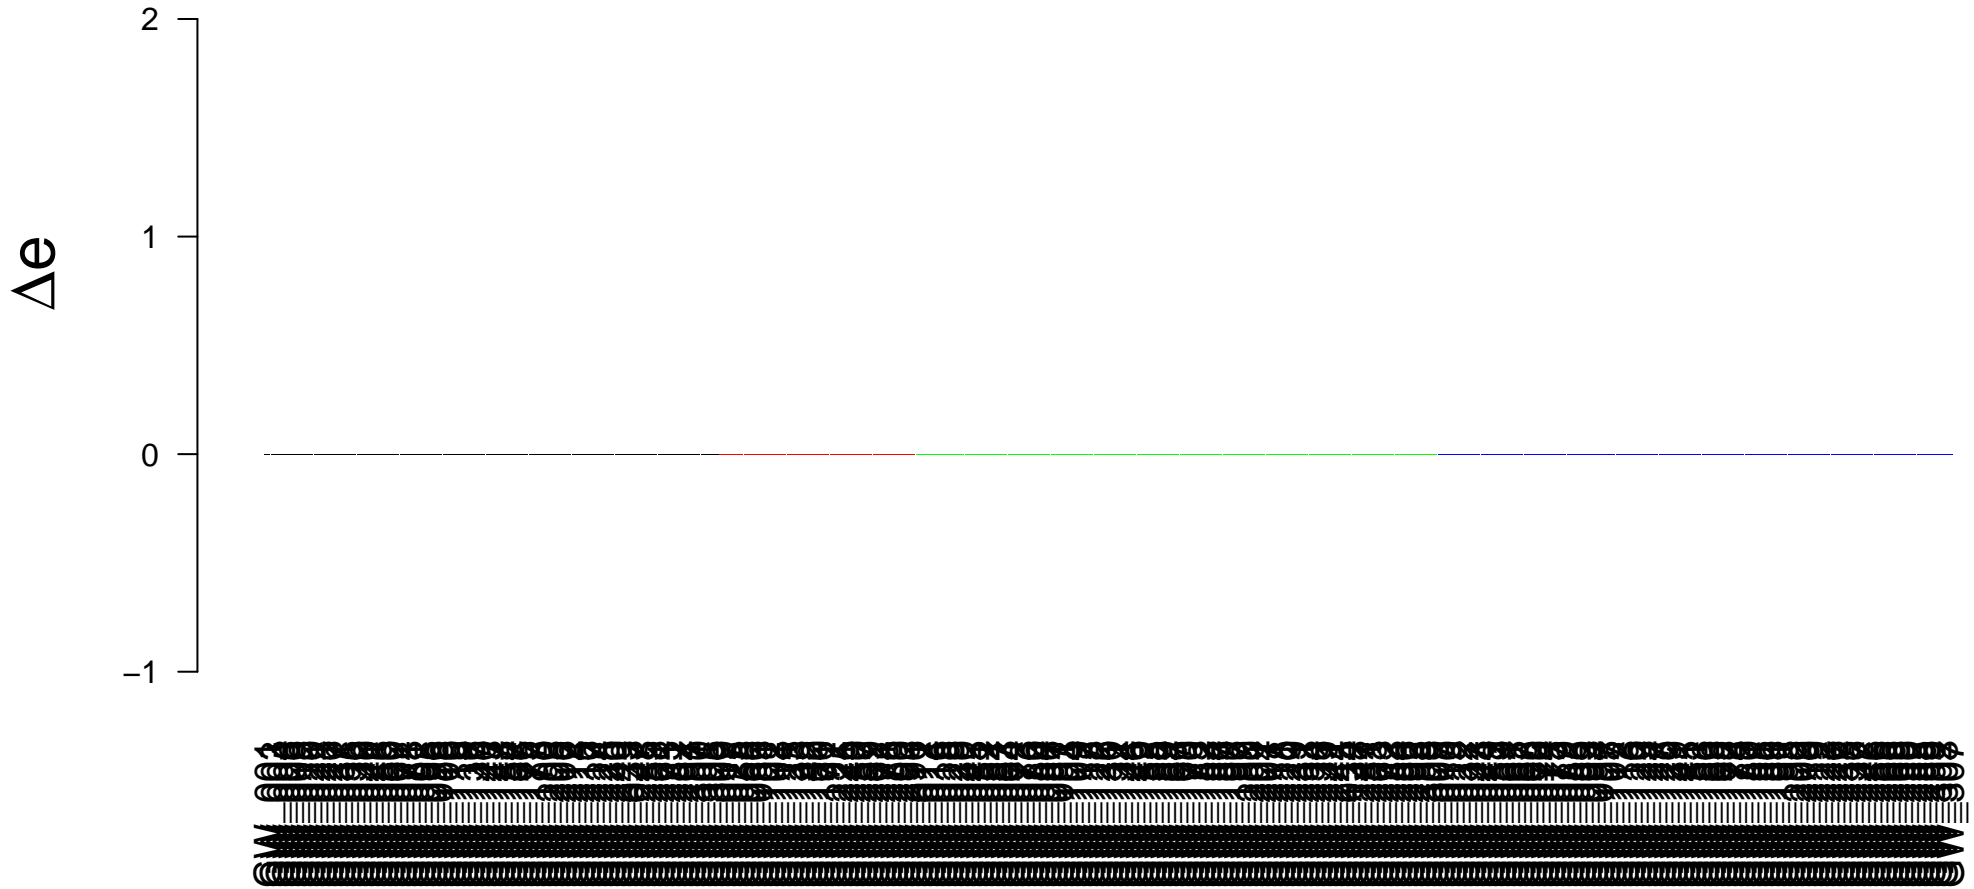

Expression of homeostasis of number of cells in Spot H

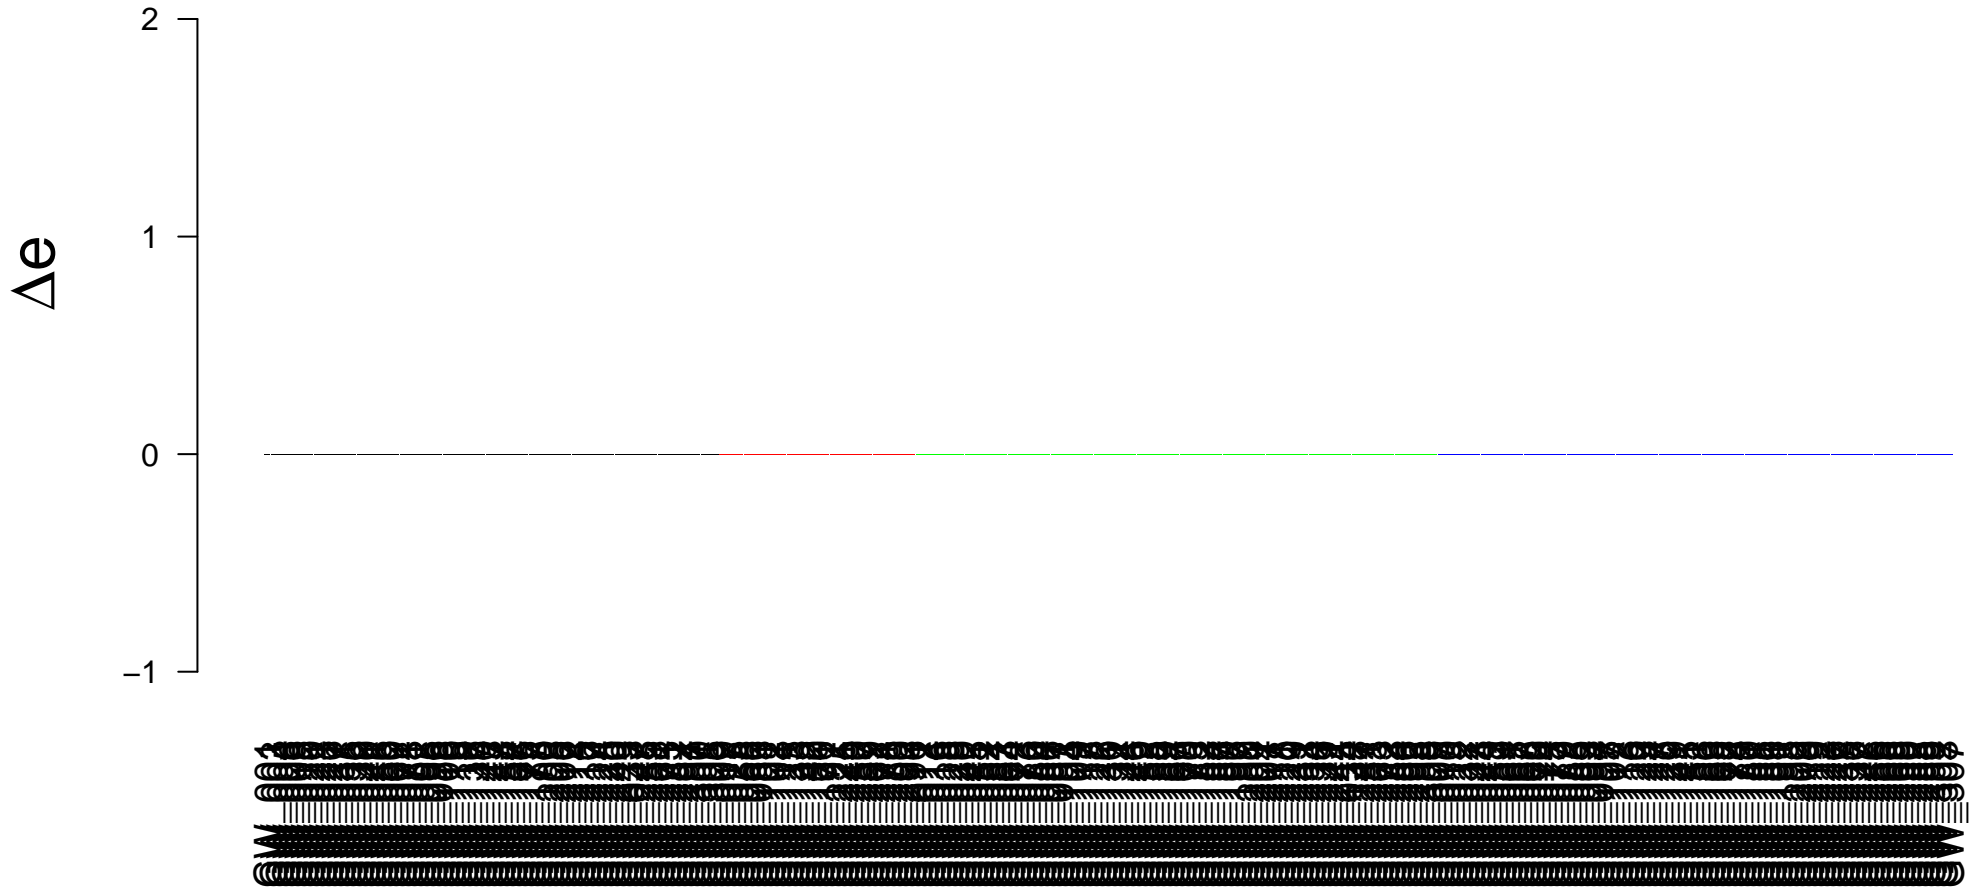

Expression of homeostasis of number of cells in Spot I

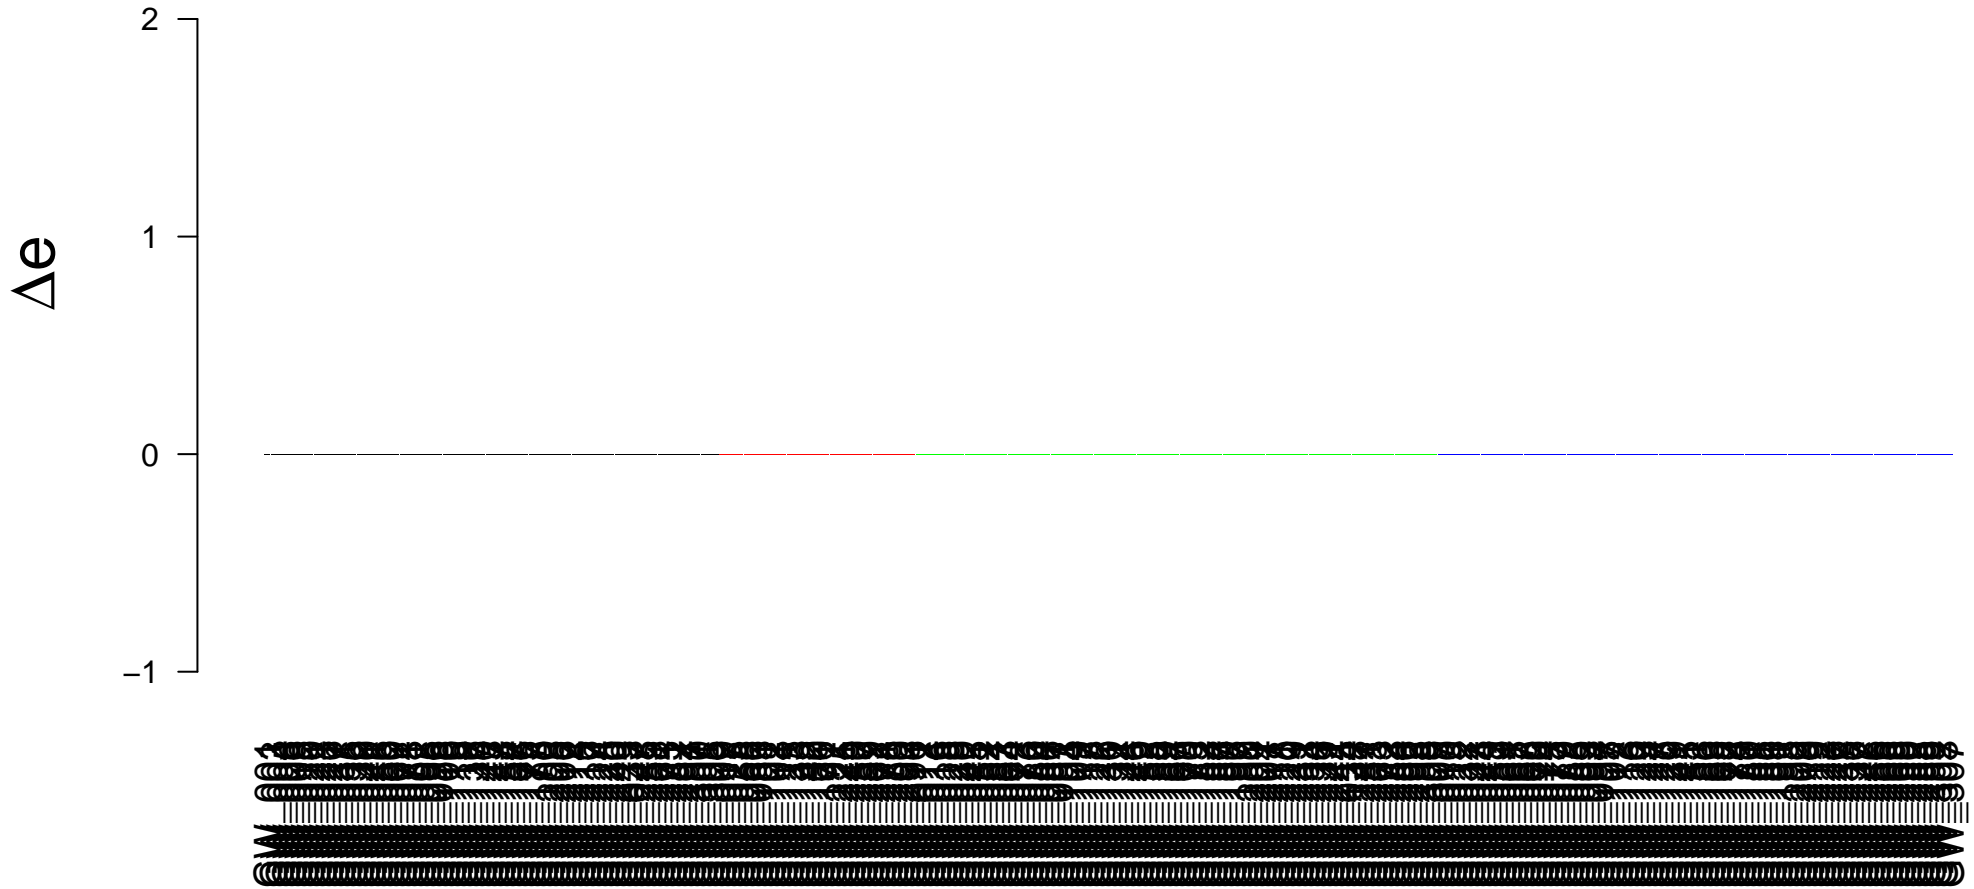

Expression of homeostasis of number of cells in Spot J

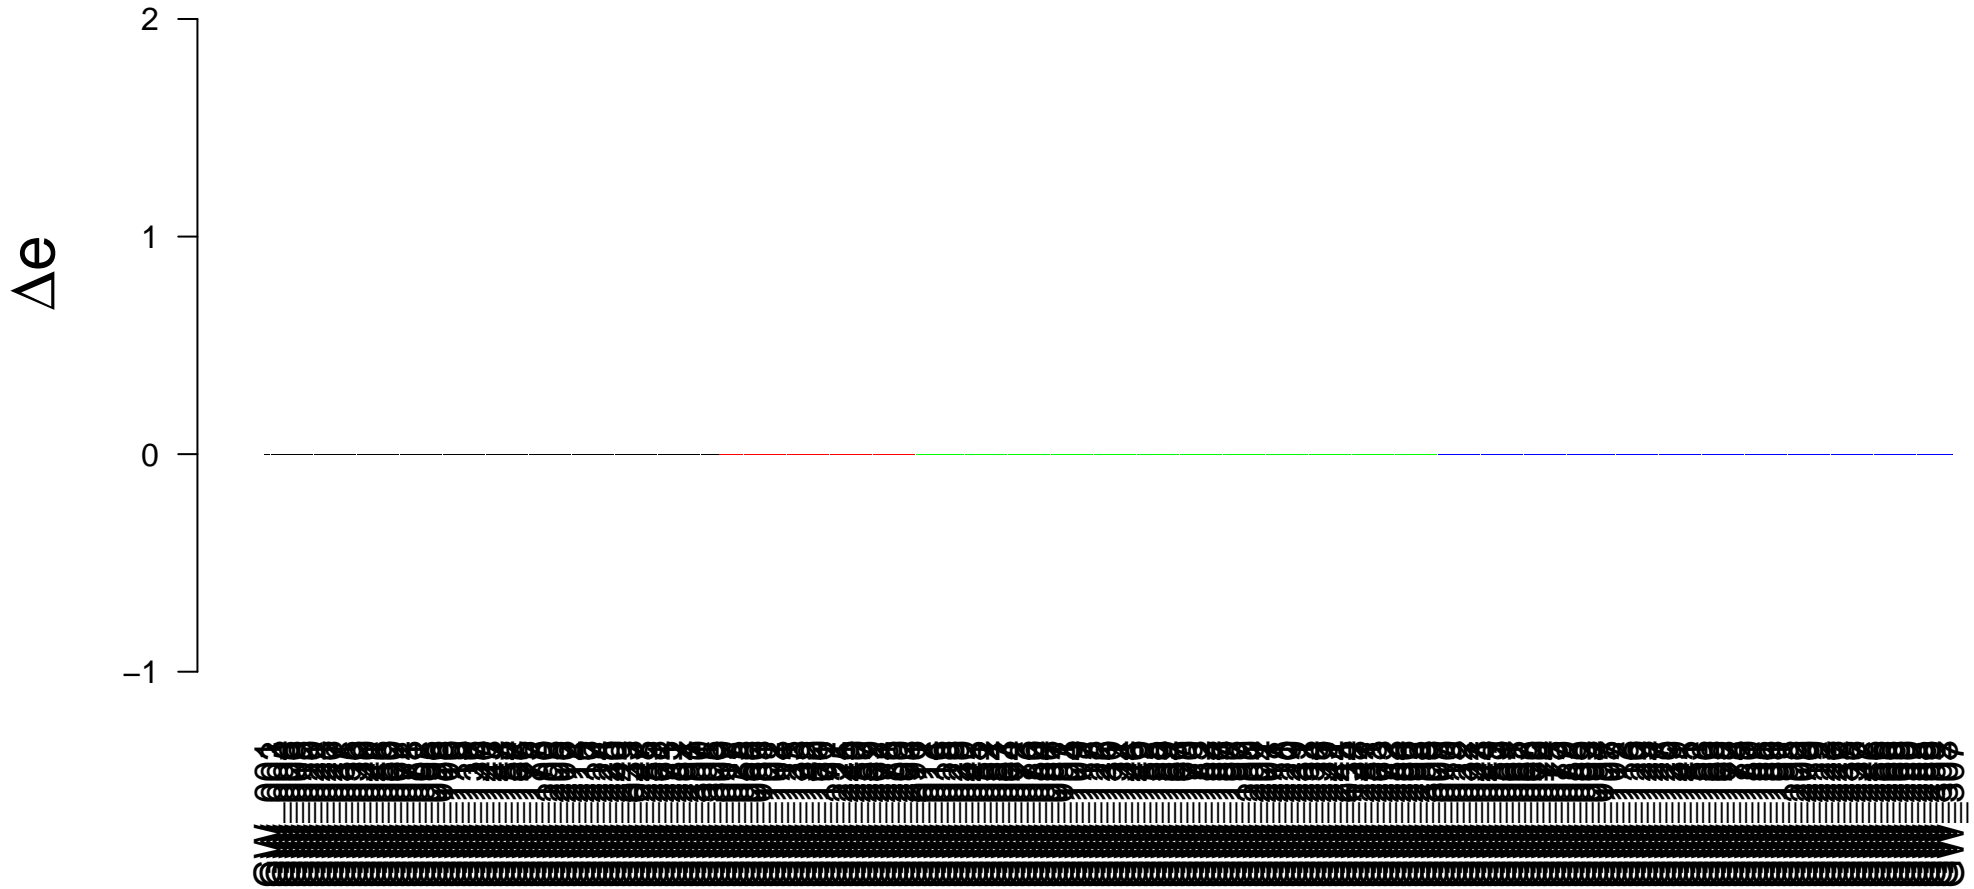

Expression of homeostasis of number of cells in Spot K

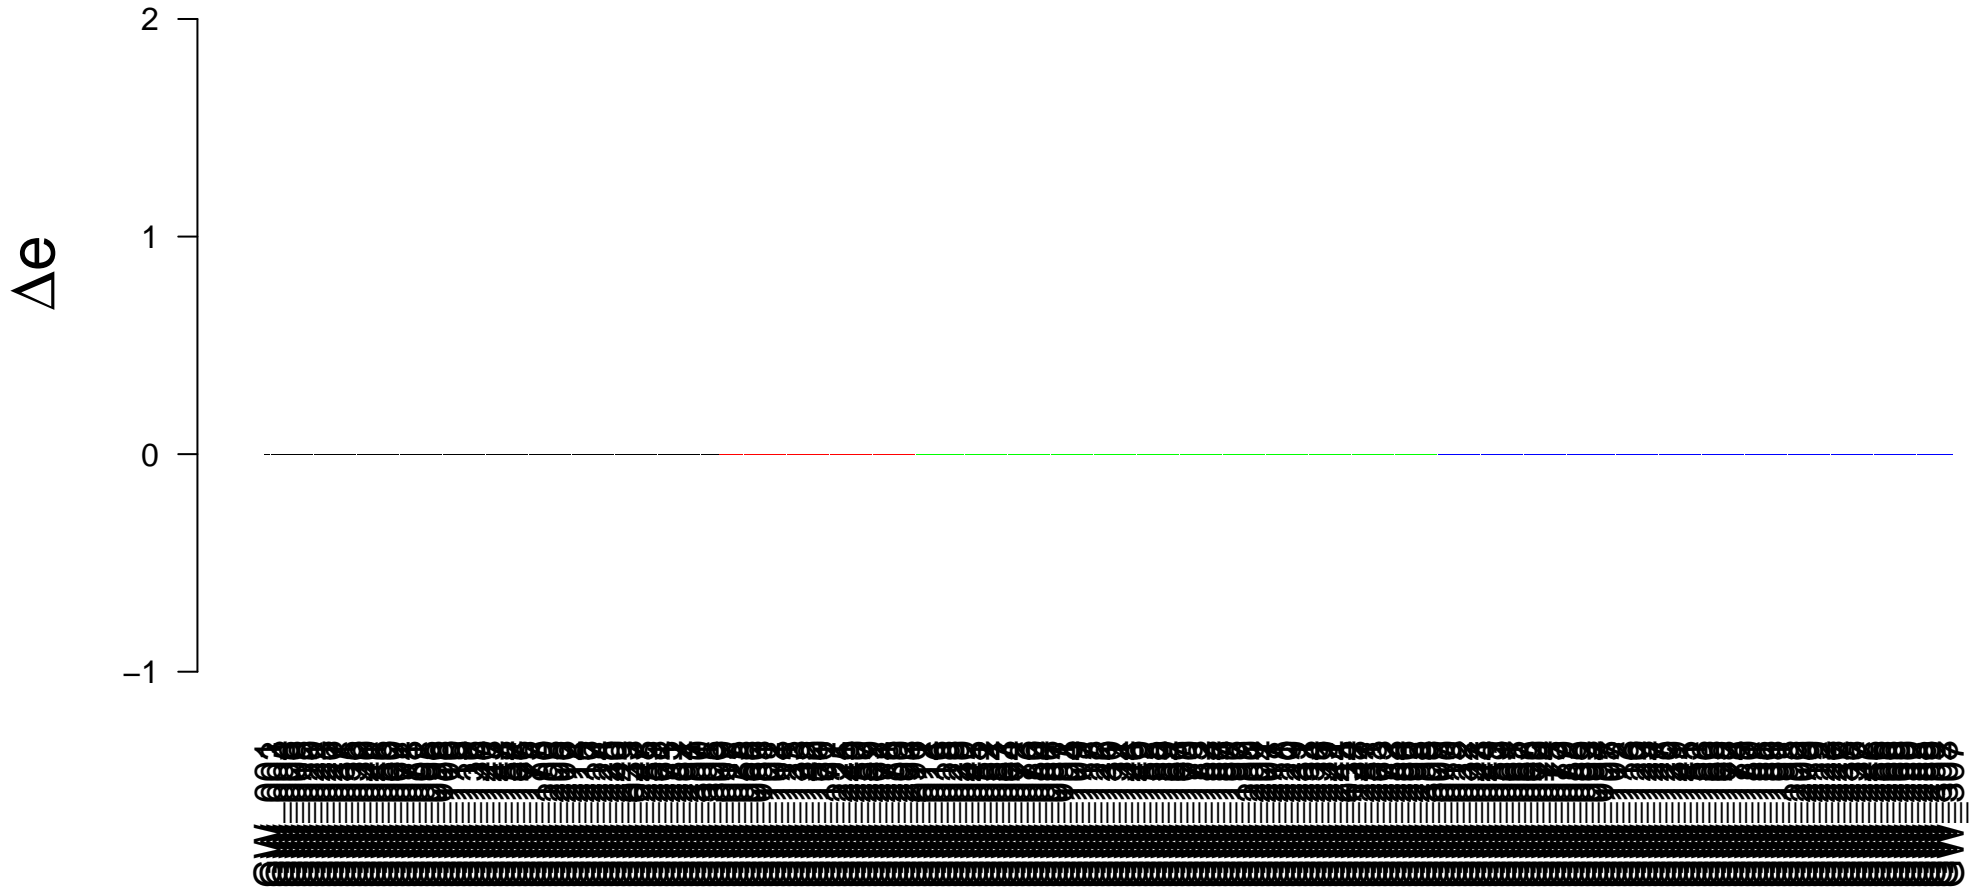

Expression of homeostasis of number of cells in Spot L

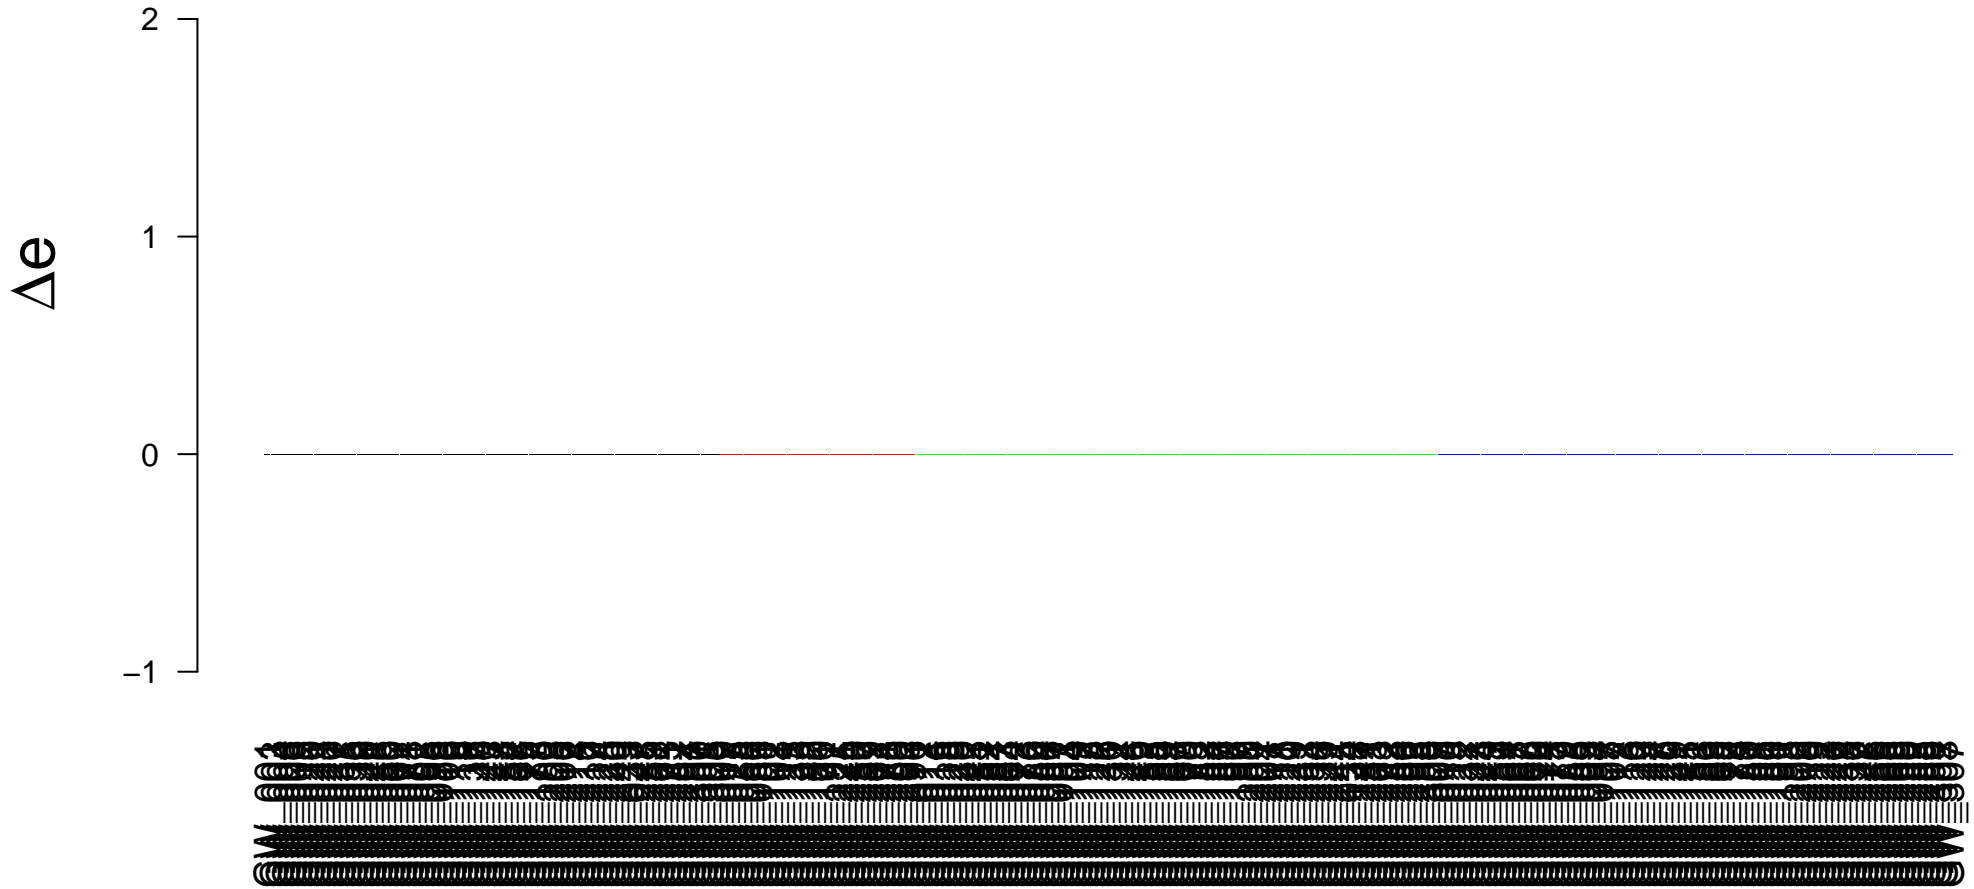

Expression of homeostasis of number of cells in Spot M

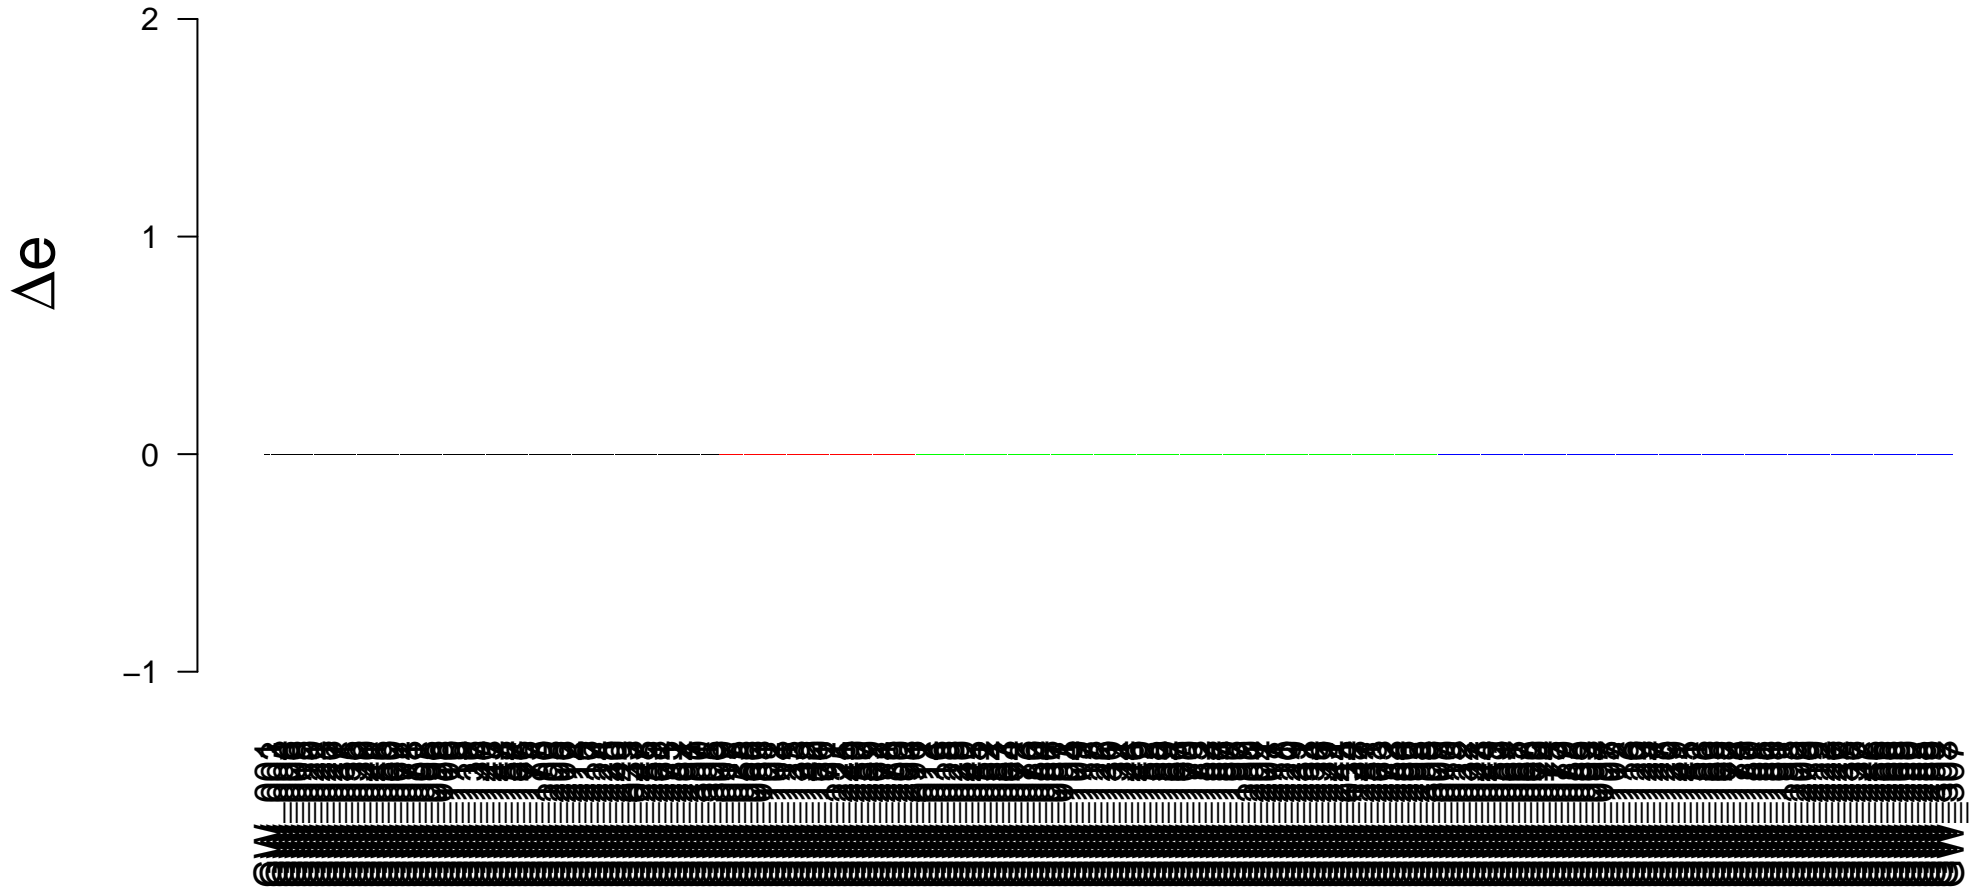

Expression of homeostasis of number of cells in Spot N

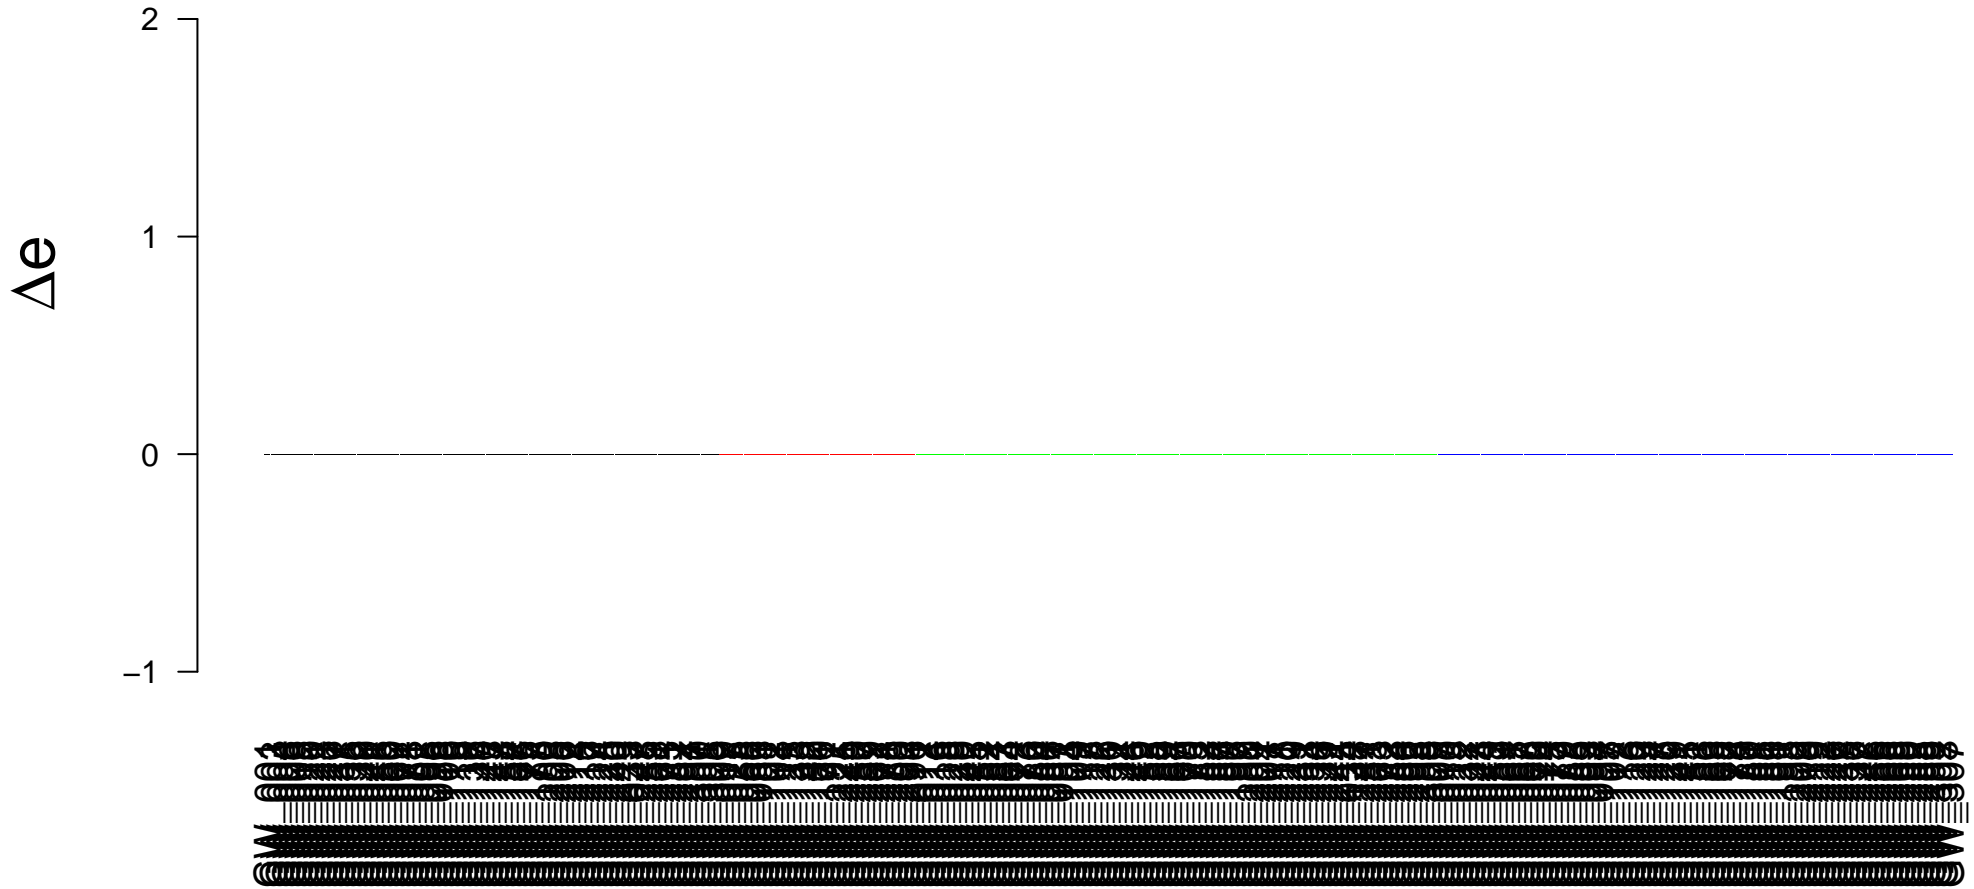

Expression of homeostasis of number of cells in Spot O

Expression of homeostasis of number of cells in Spot P

Expression of homeostasis of number of cells in Spot Q

Expression of homeostasis of number of cells in Spot R
