

hydrolase activity, acting on carbon–nitrogen (but not peptide) bonds, in linear amides

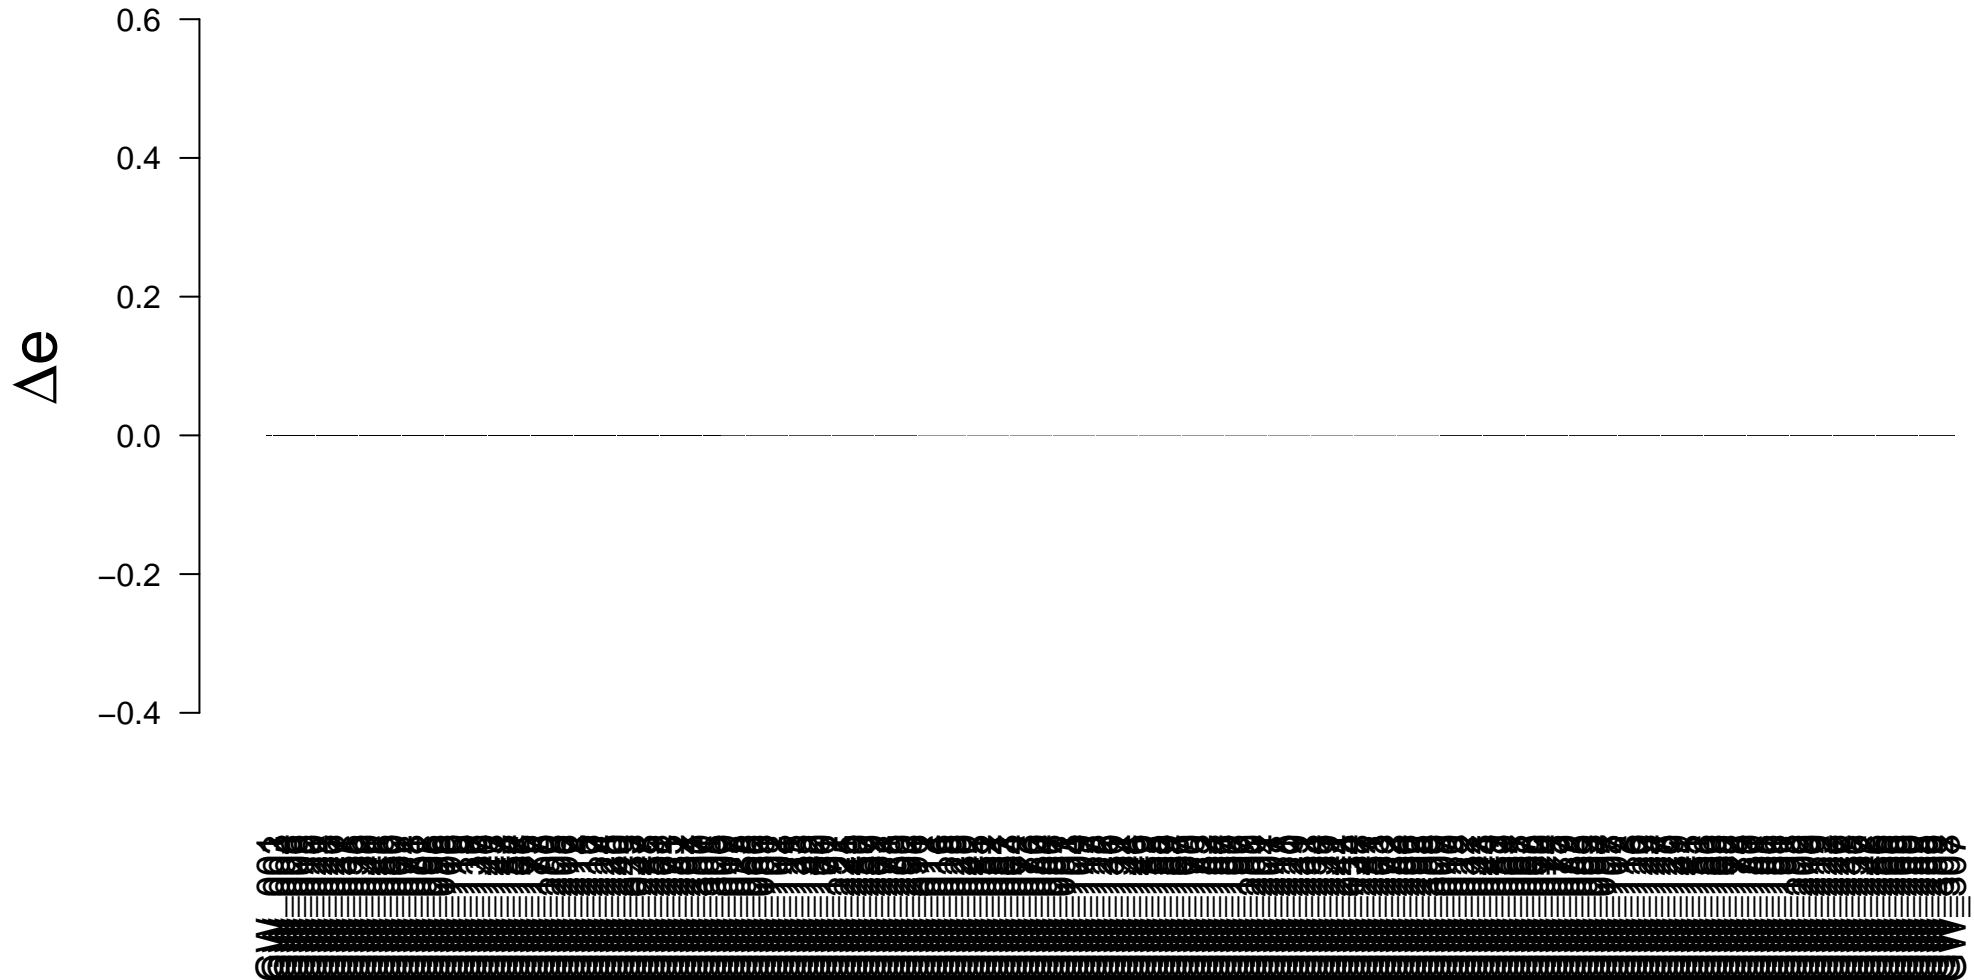

hydrolase activity, acting on carbon–nitrogen (but not peptide) bonds, in linear amides

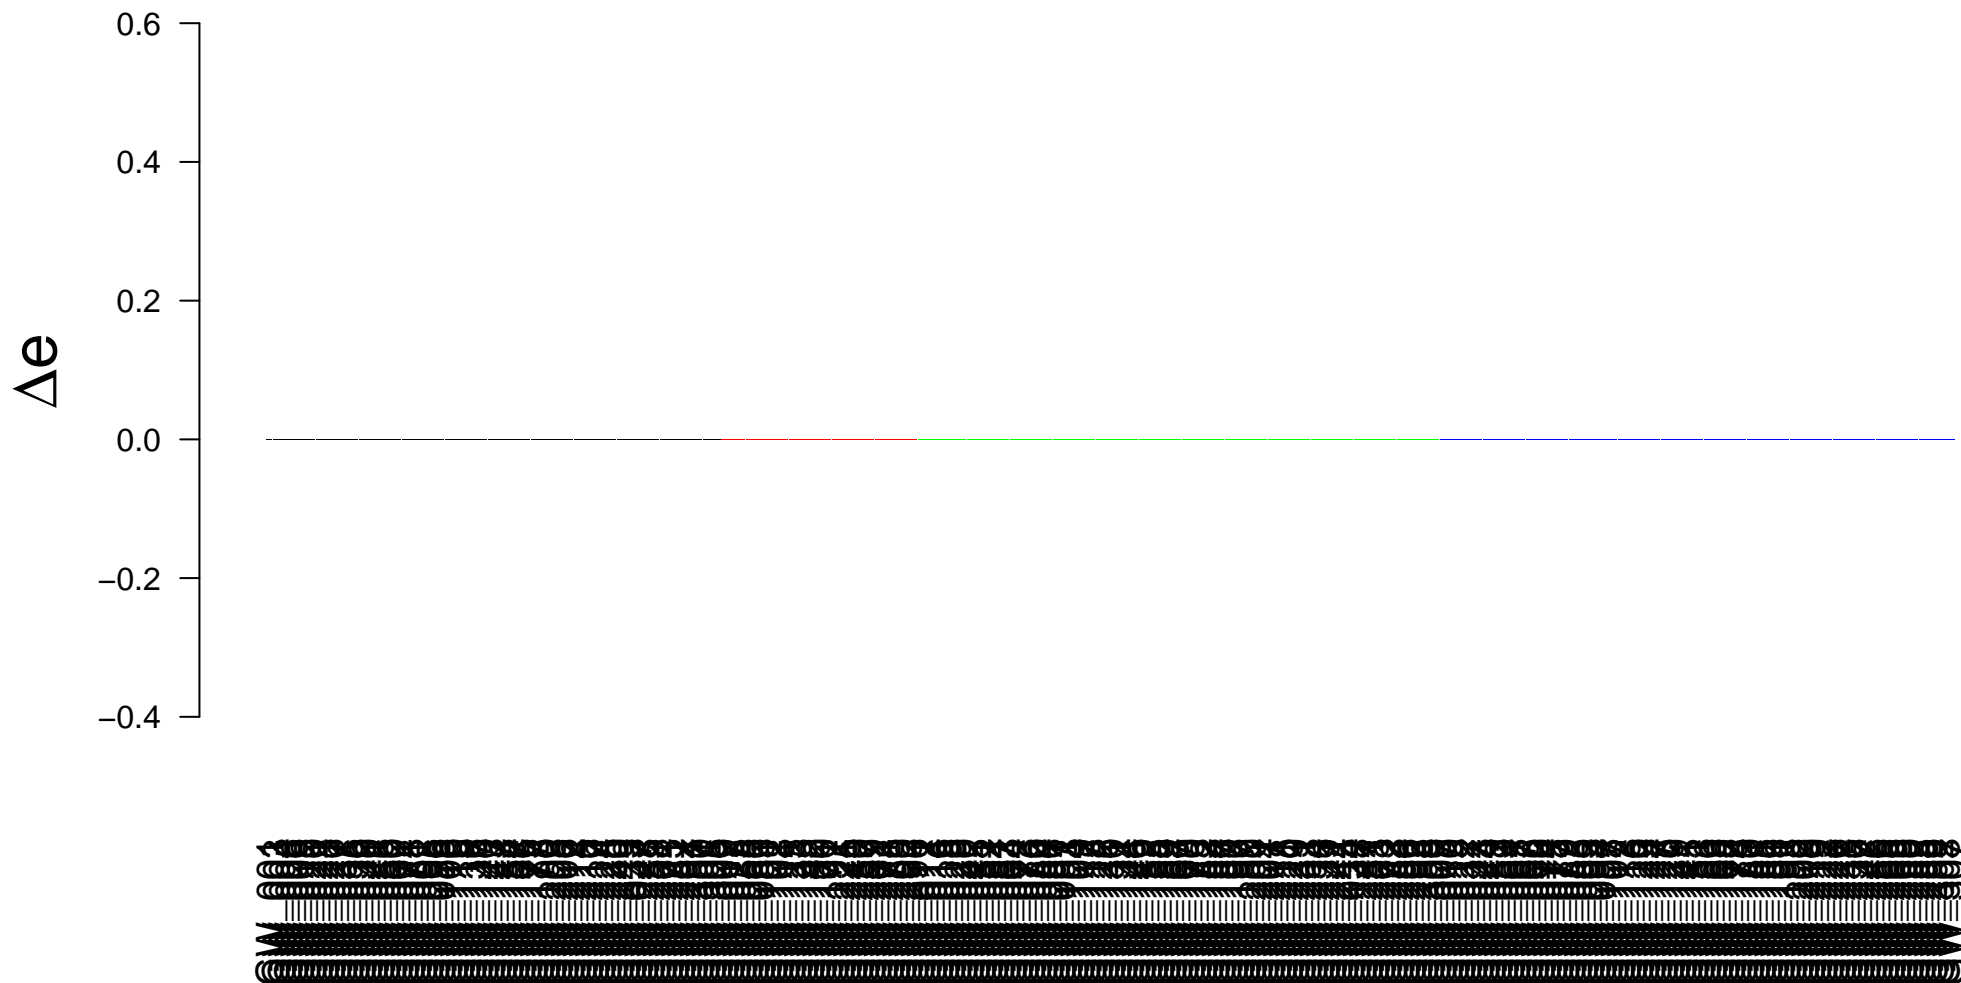

Enrichment in spots: hydrolase activity, acting on carbon–nitrogen (but not peptide) bonds, in linear amides

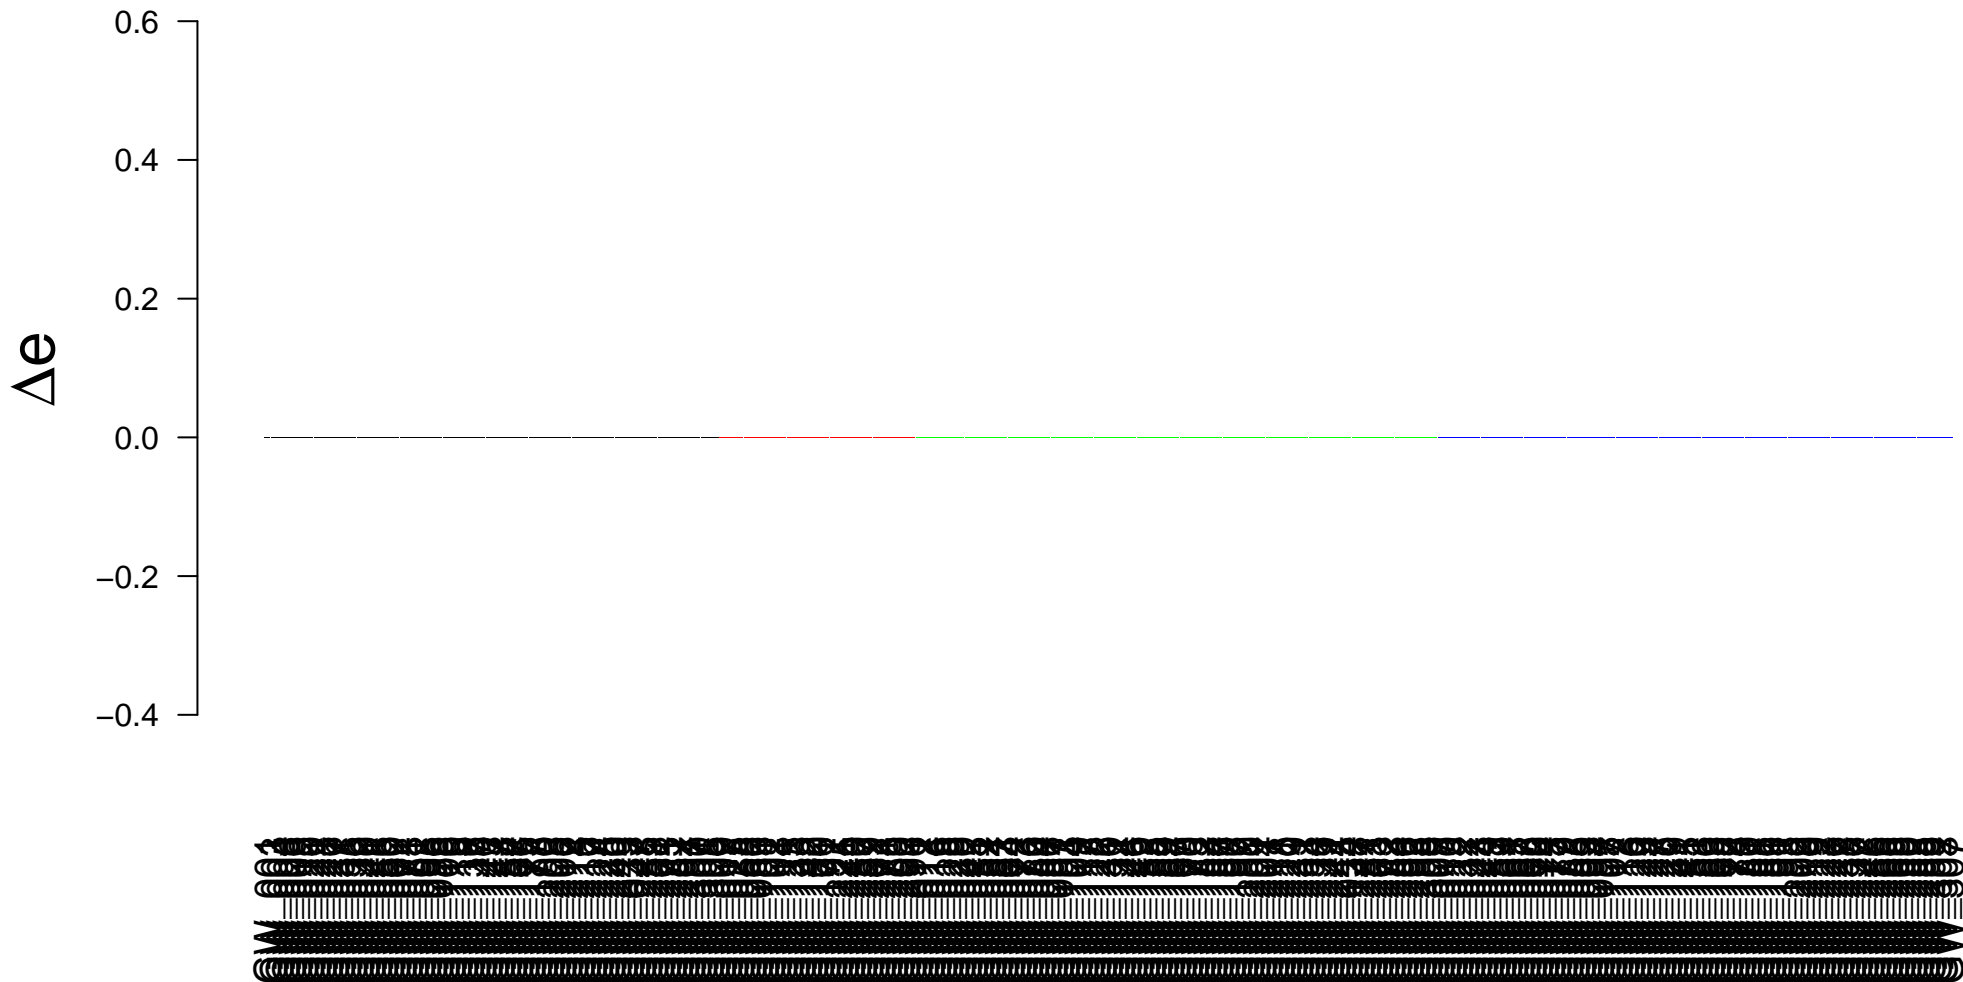

Expression of hydrolase activity, acting on carbon–nitrogen (but not peptide) bonds, in linear amides in Spot A

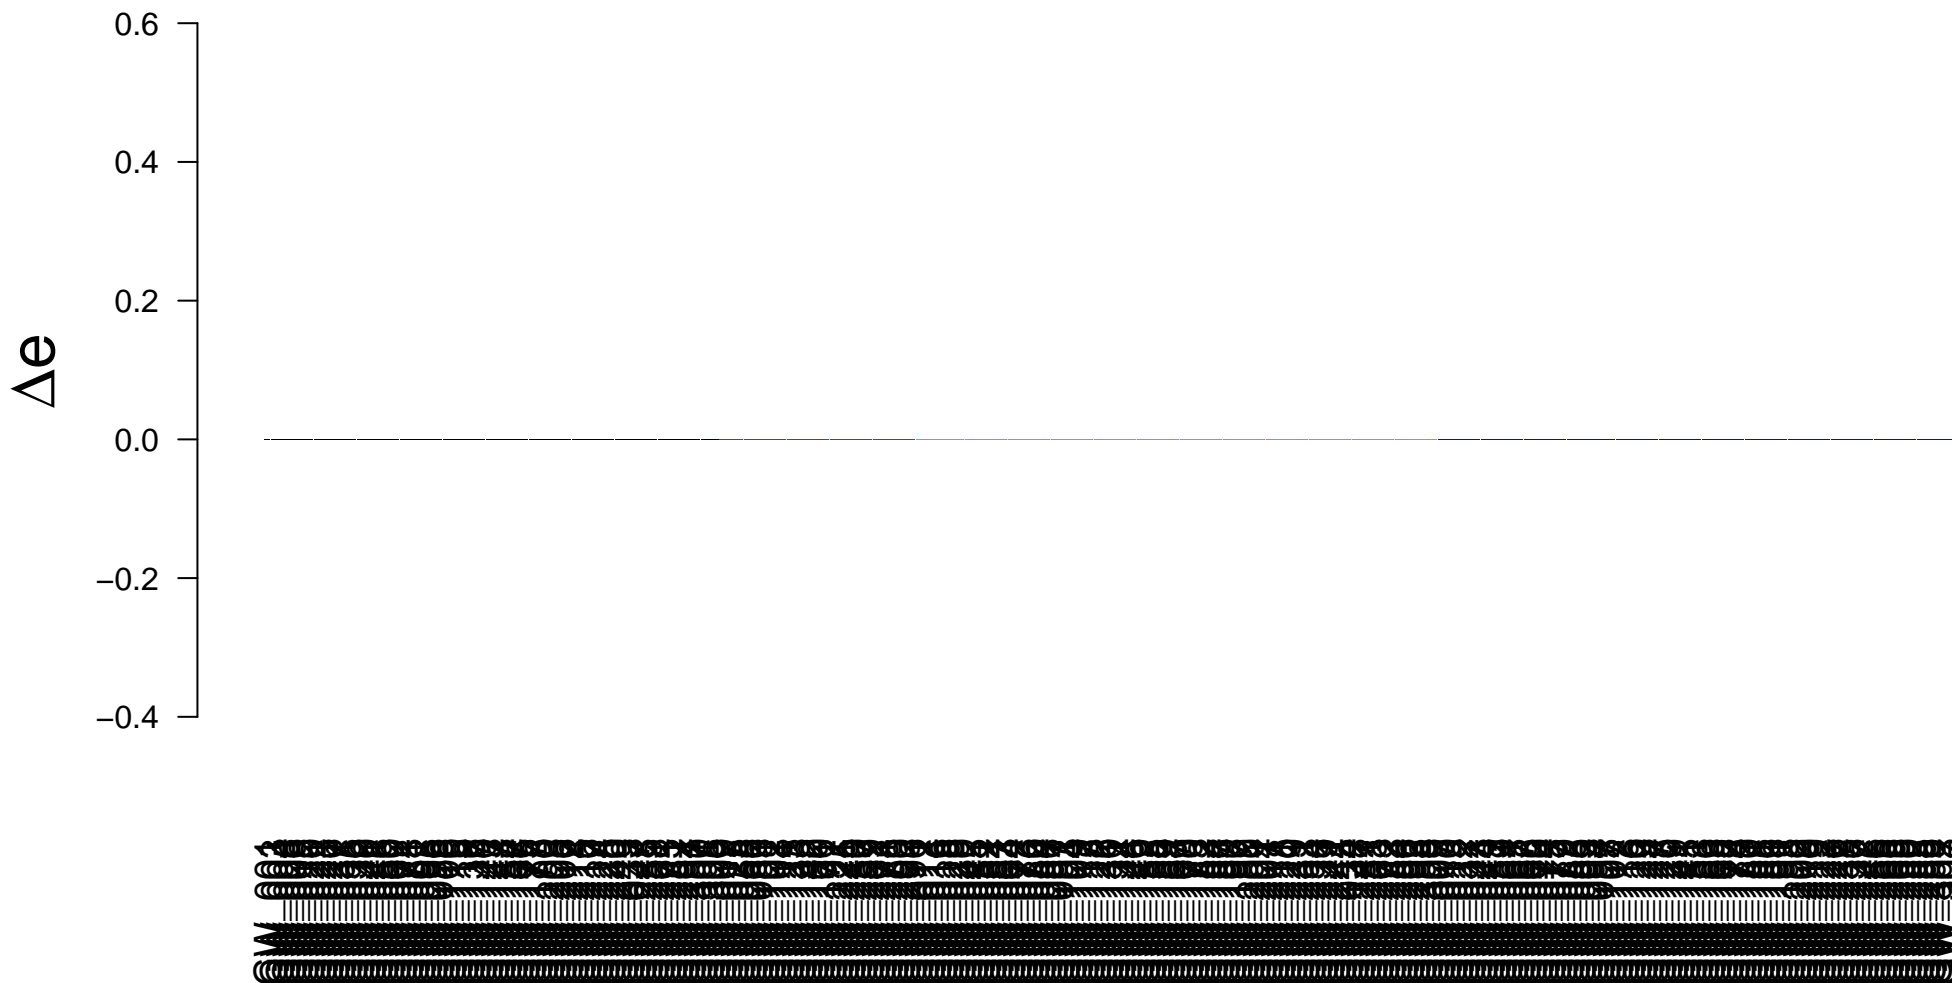

Expression of hydrolase activity, acting on carbon–nitrogen (but not peptide) bonds, in linear amides in Spot B

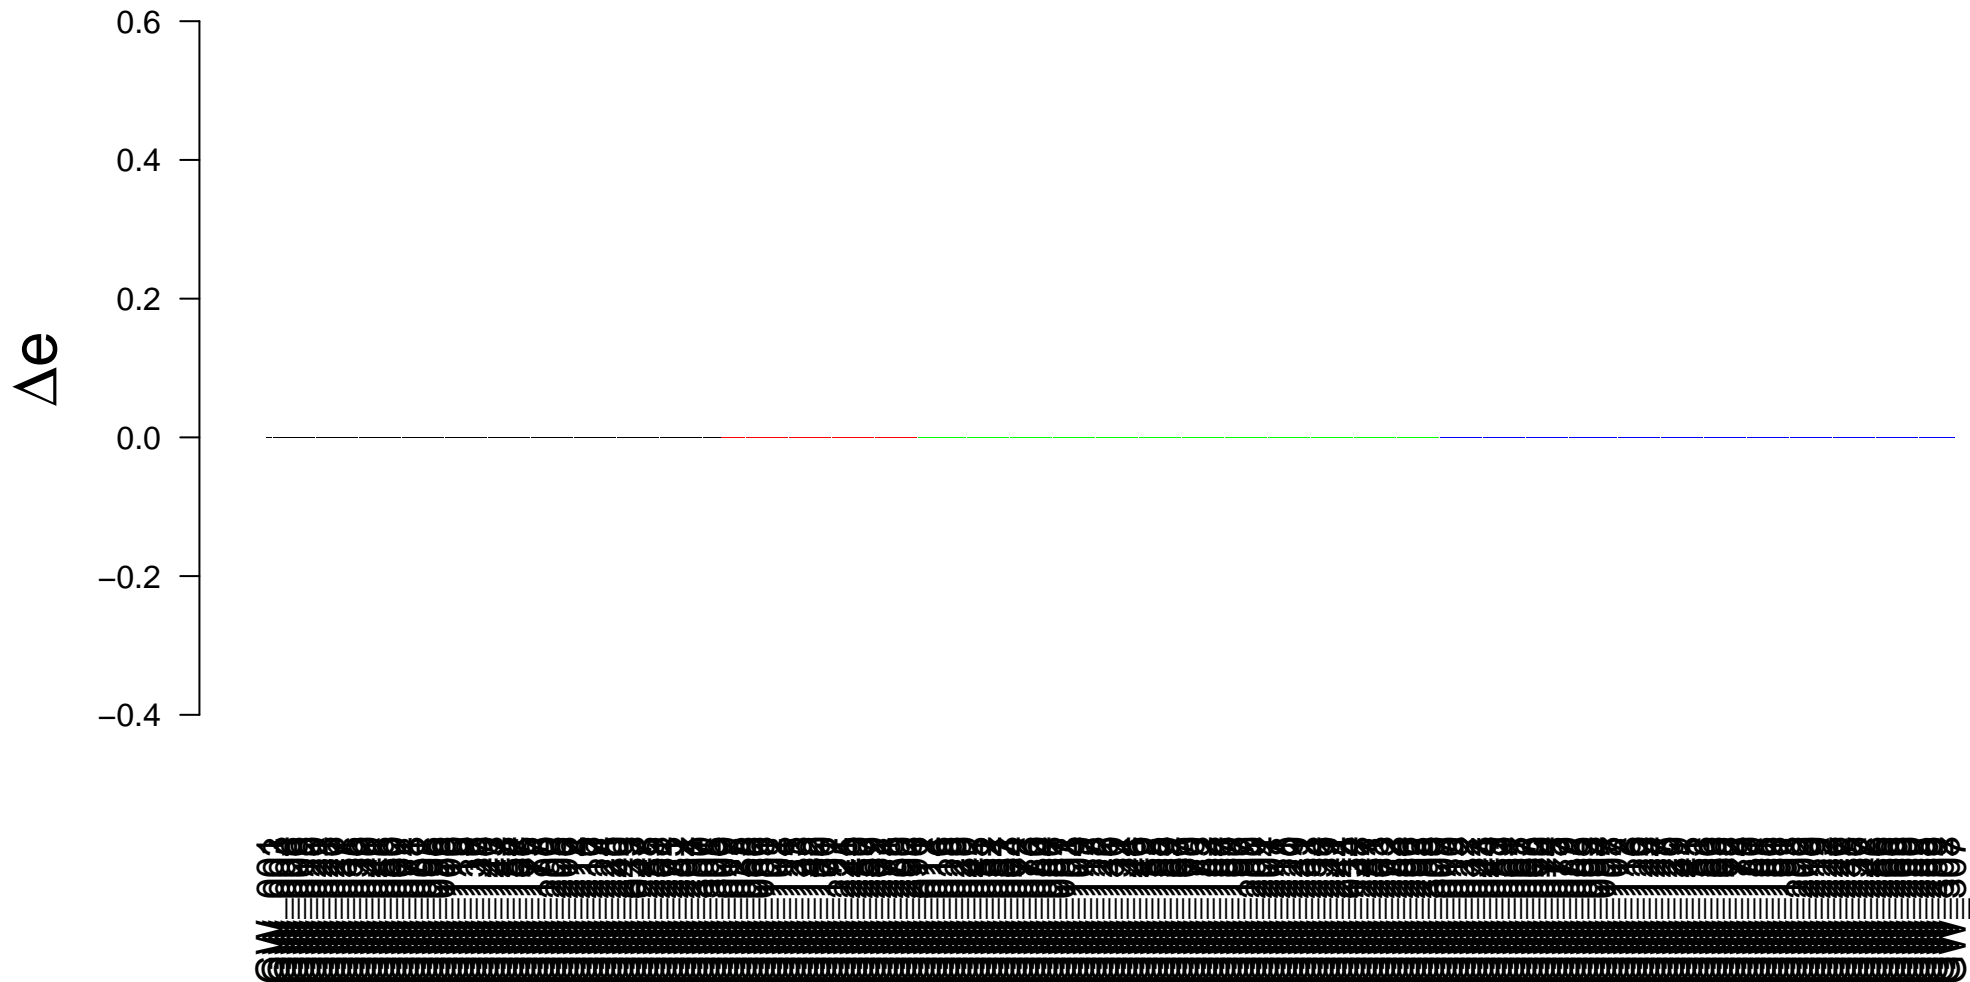

Expression of hydrolase activity, acting on carbon–nitrogen (but not peptide) bonds, in linear amides in Spot C

Expression of hydrolase activity, acting on carbon–nitrogen (but not peptide) bonds, in linear amides in Spot D

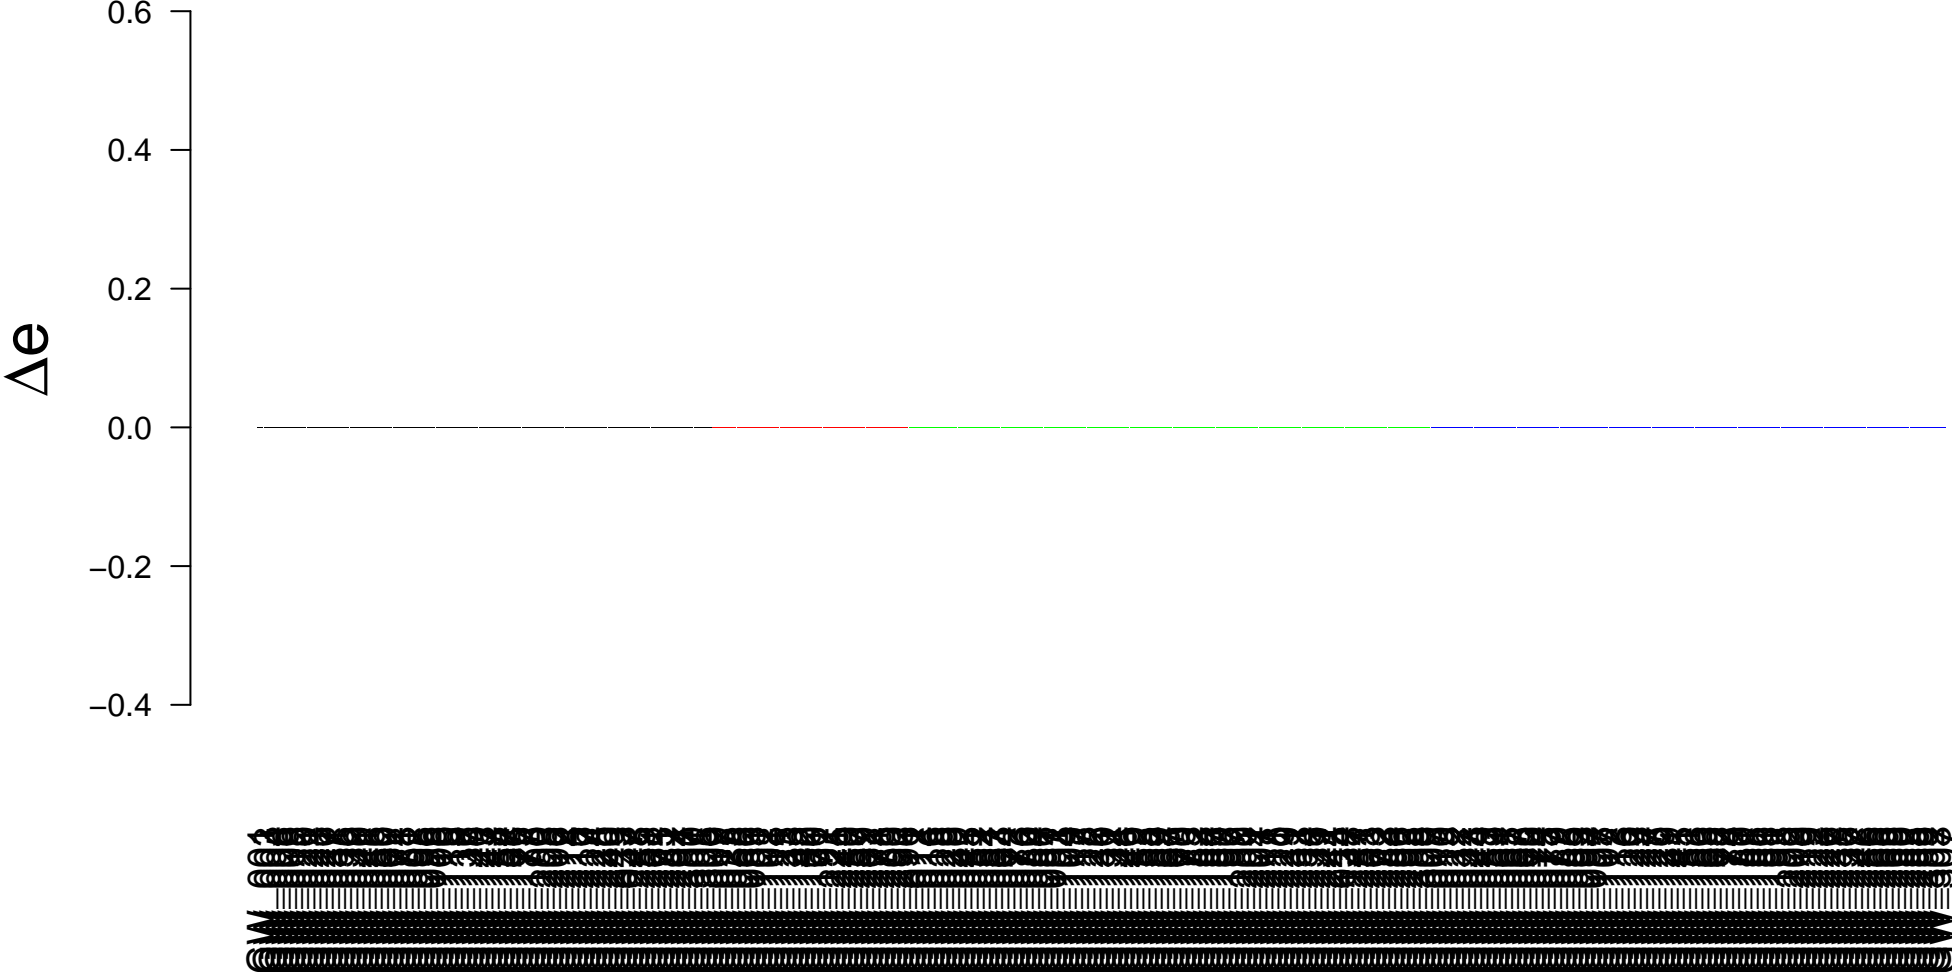

Expression of hydrolase activity, acting on carbon–nitrogen (but not peptide) bonds, in linear amides in Spot E

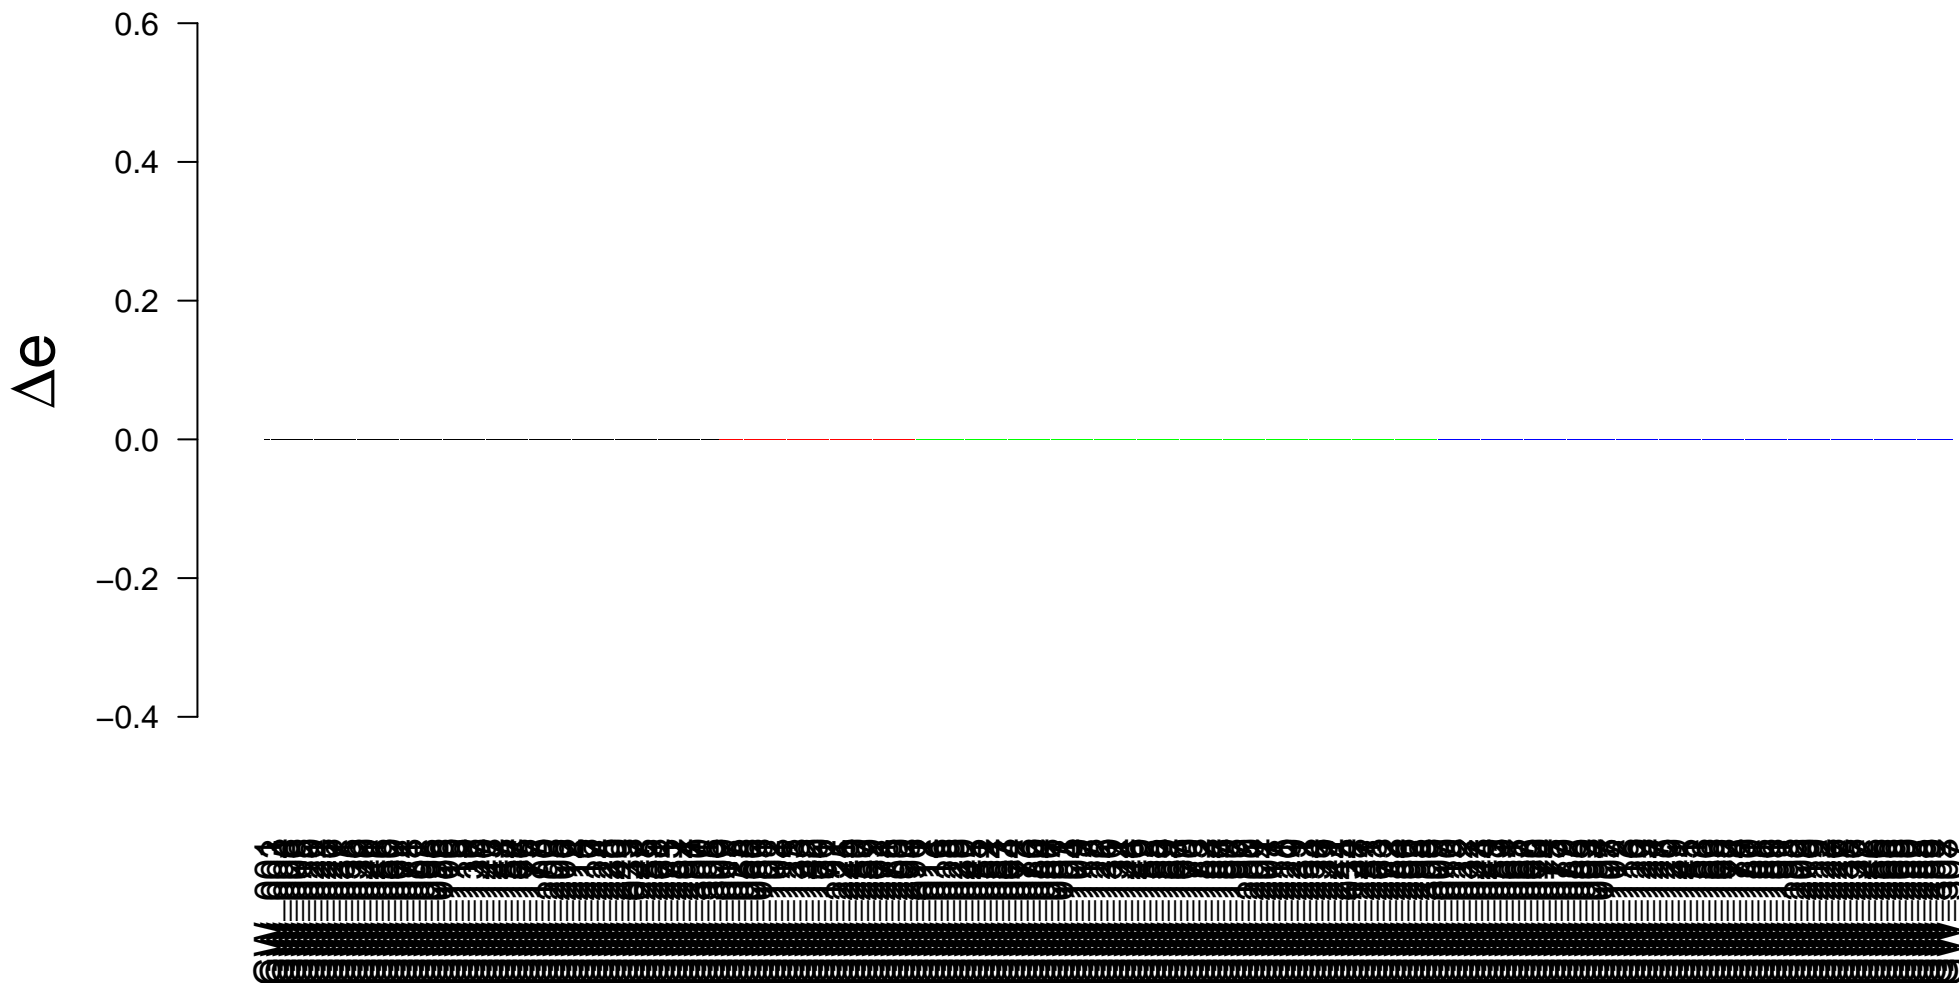

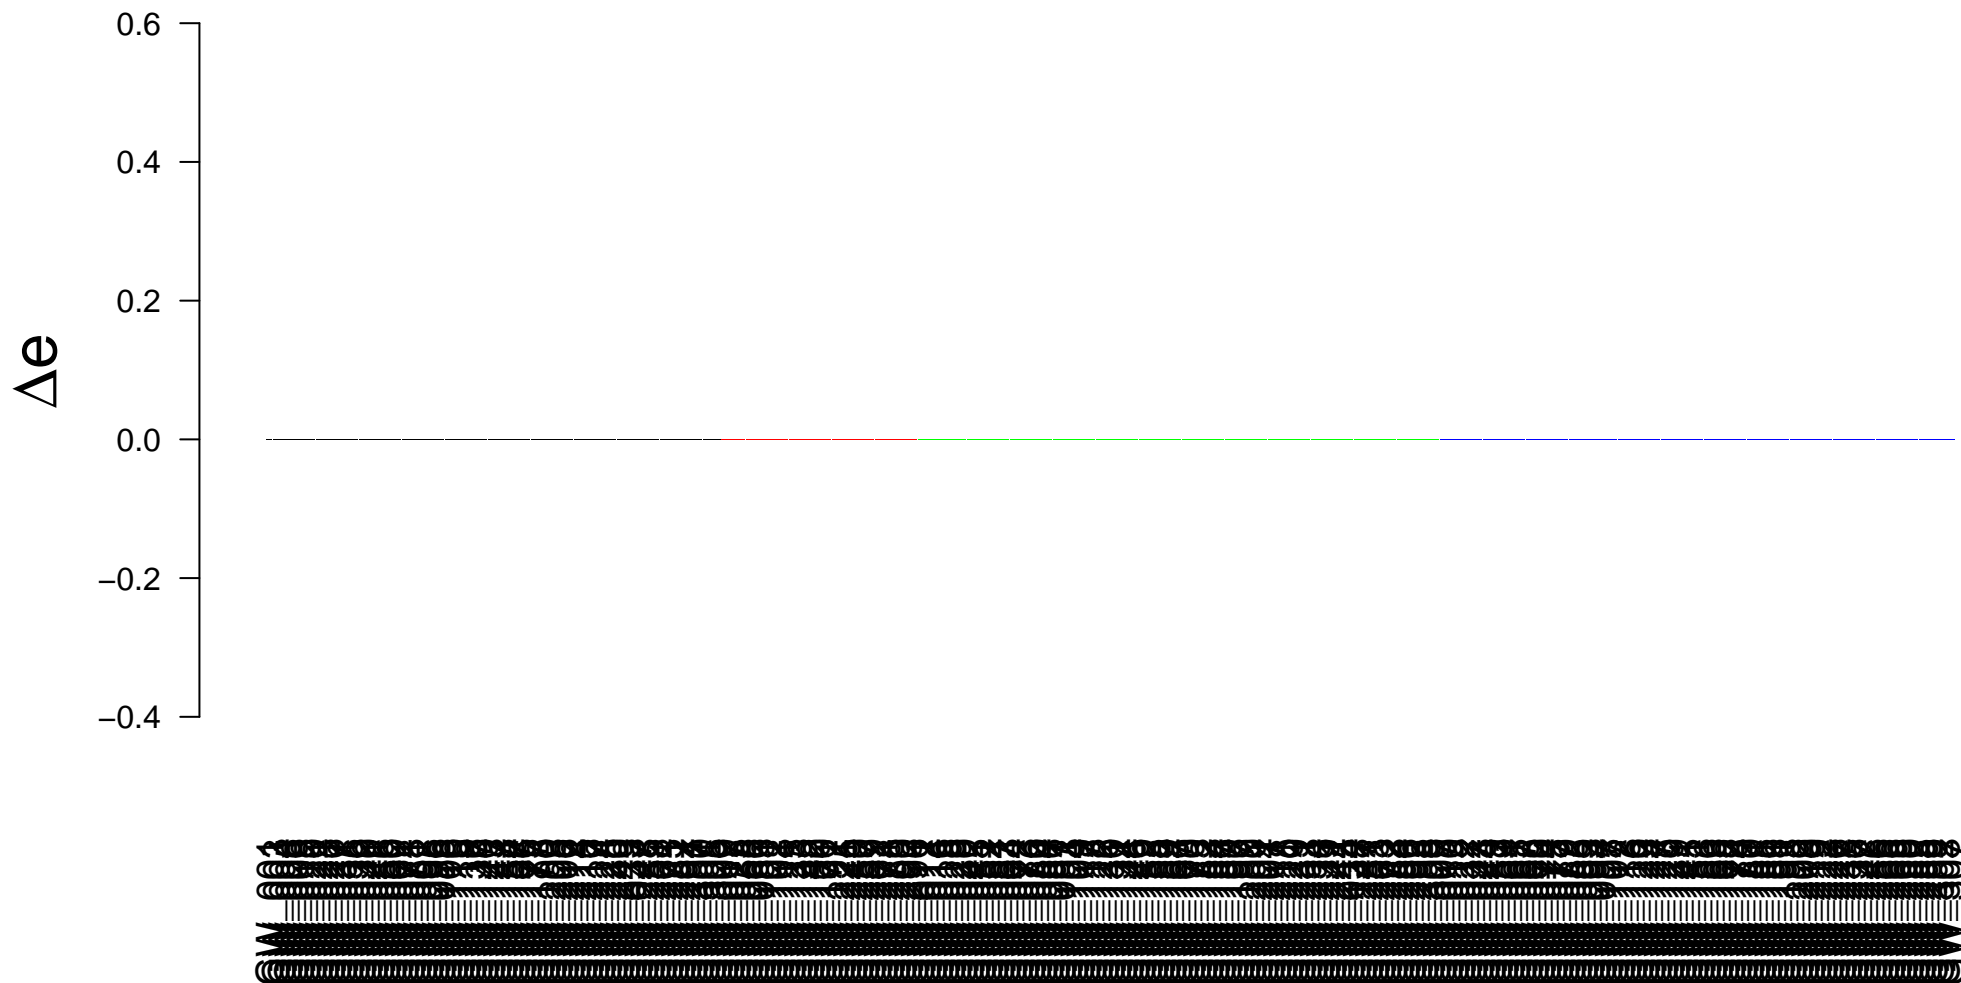

Expression of hydrolase activity, acting on carbon–nitrogen (but not peptide) bonds, in linear amides in Spot F

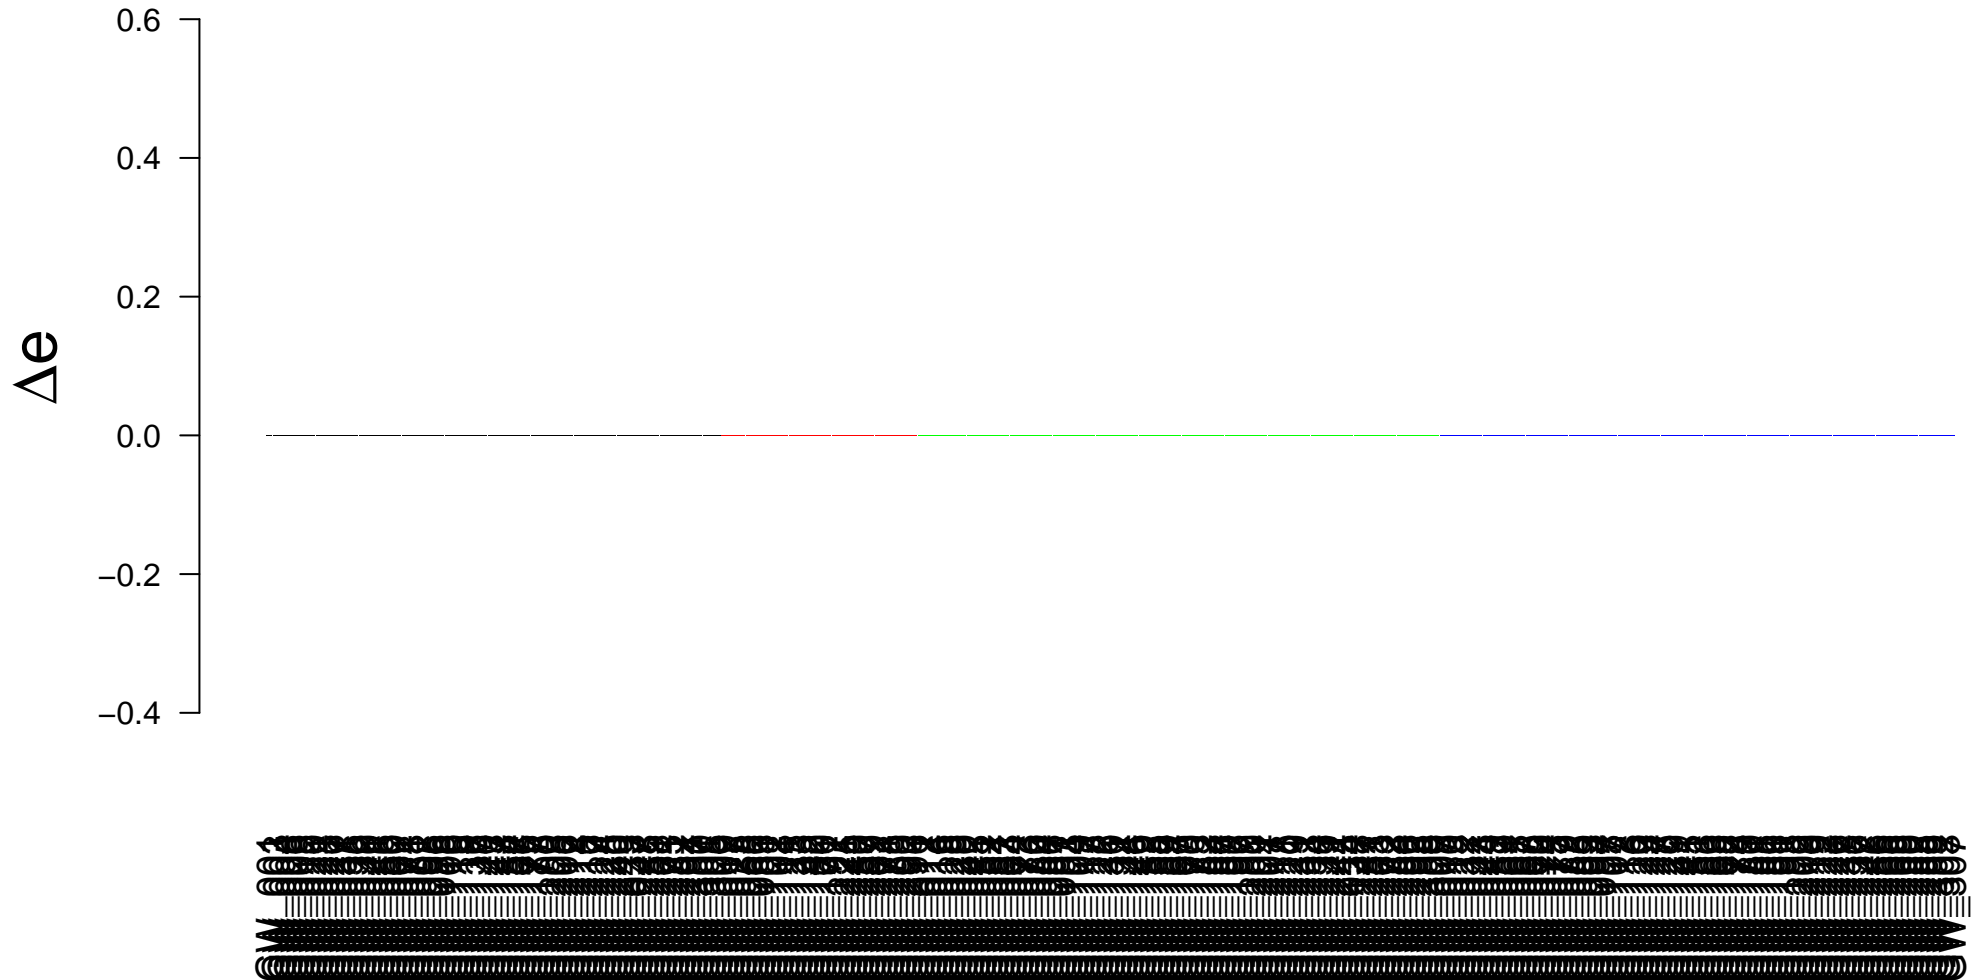

Expression of hydrolase activity, acting on carbon–nitrogen (but not peptide) bonds, in linear amides in Spot G

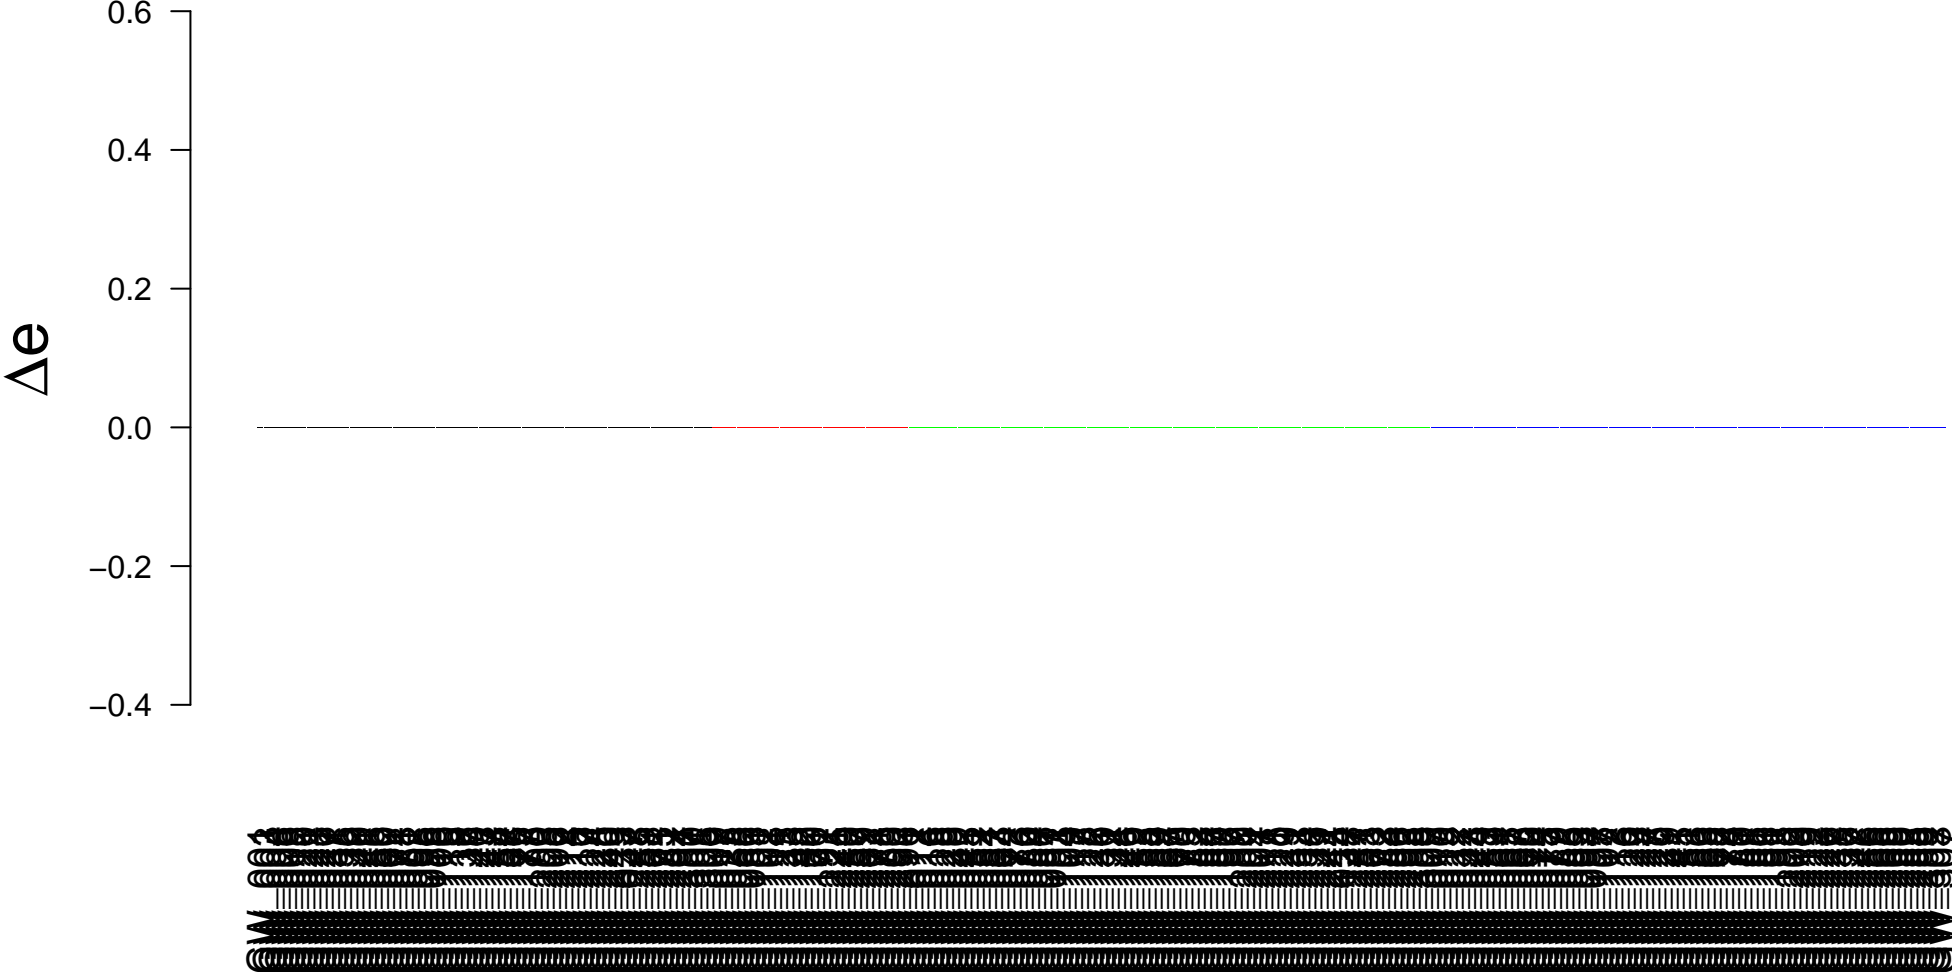

Expression of hydrolase activity, acting on carbon–nitrogen (but not peptide) bonds, in linear amides in Spot H

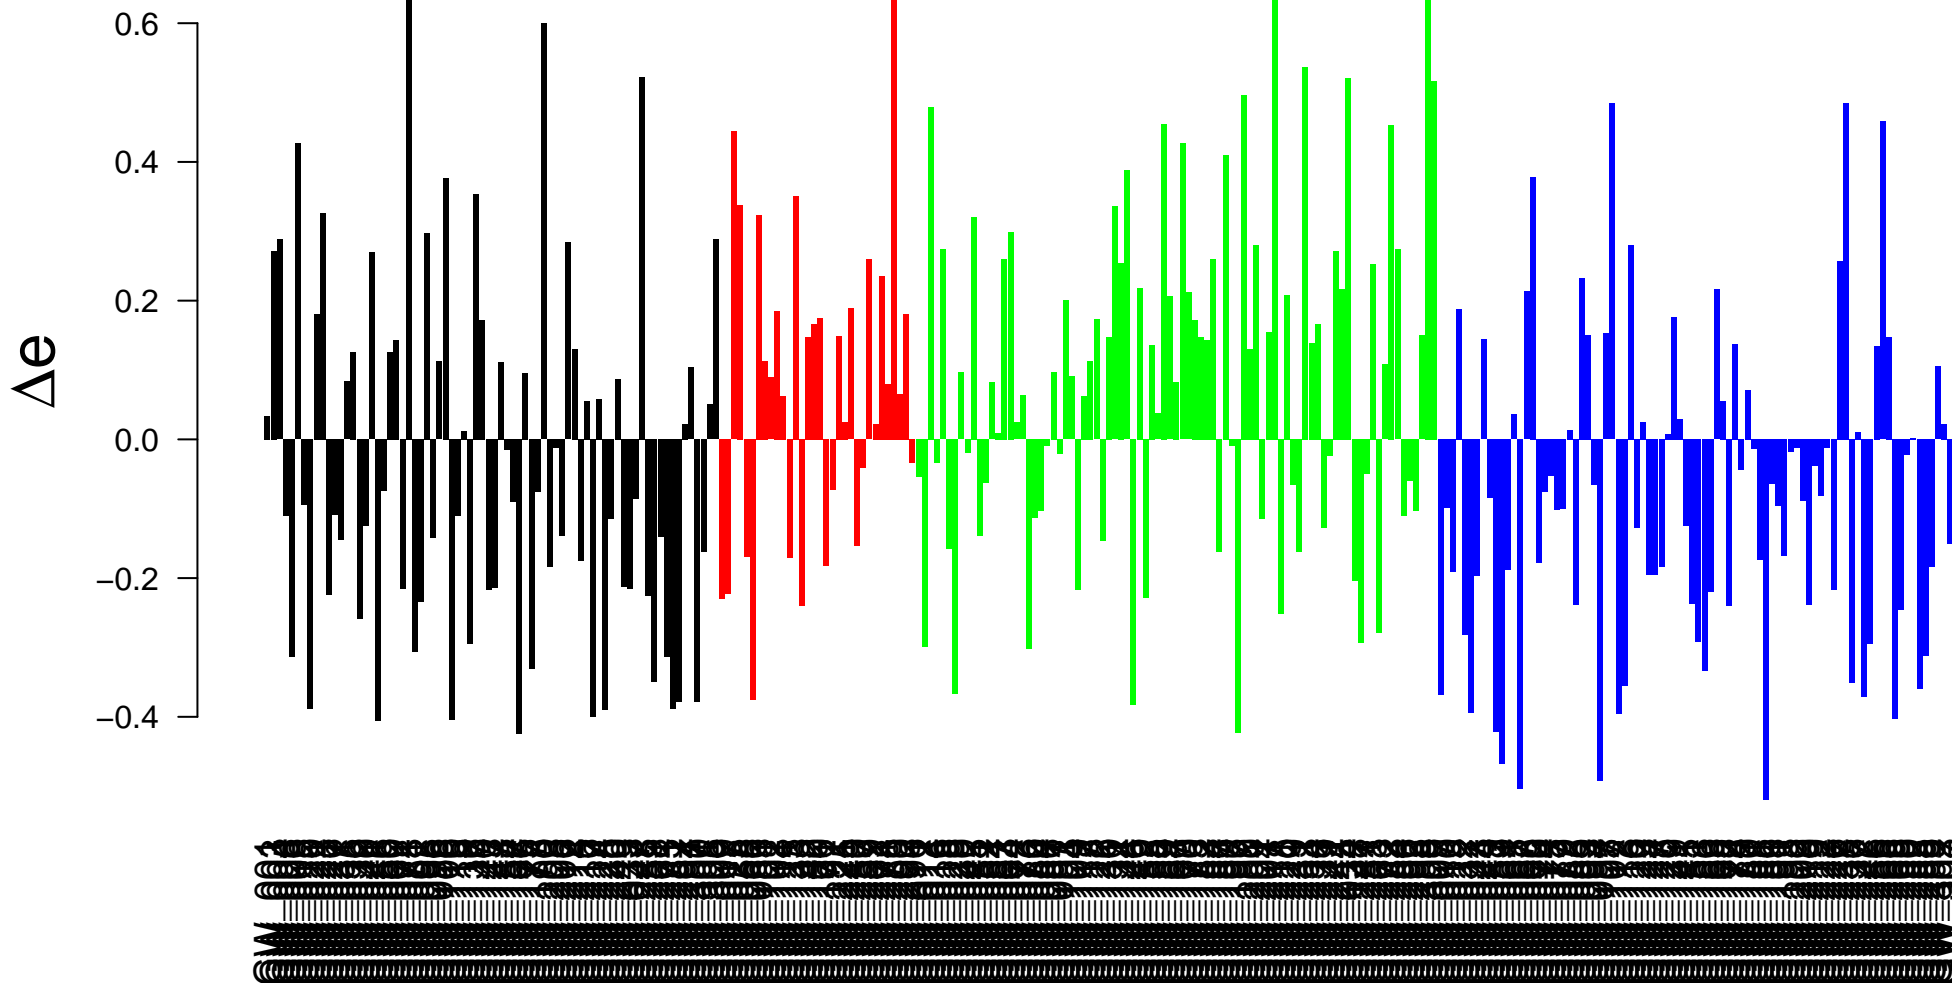

Expression of hydrolase activity, acting on carbon–nitrogen (but not peptide) bonds, in linear amides in Spot I

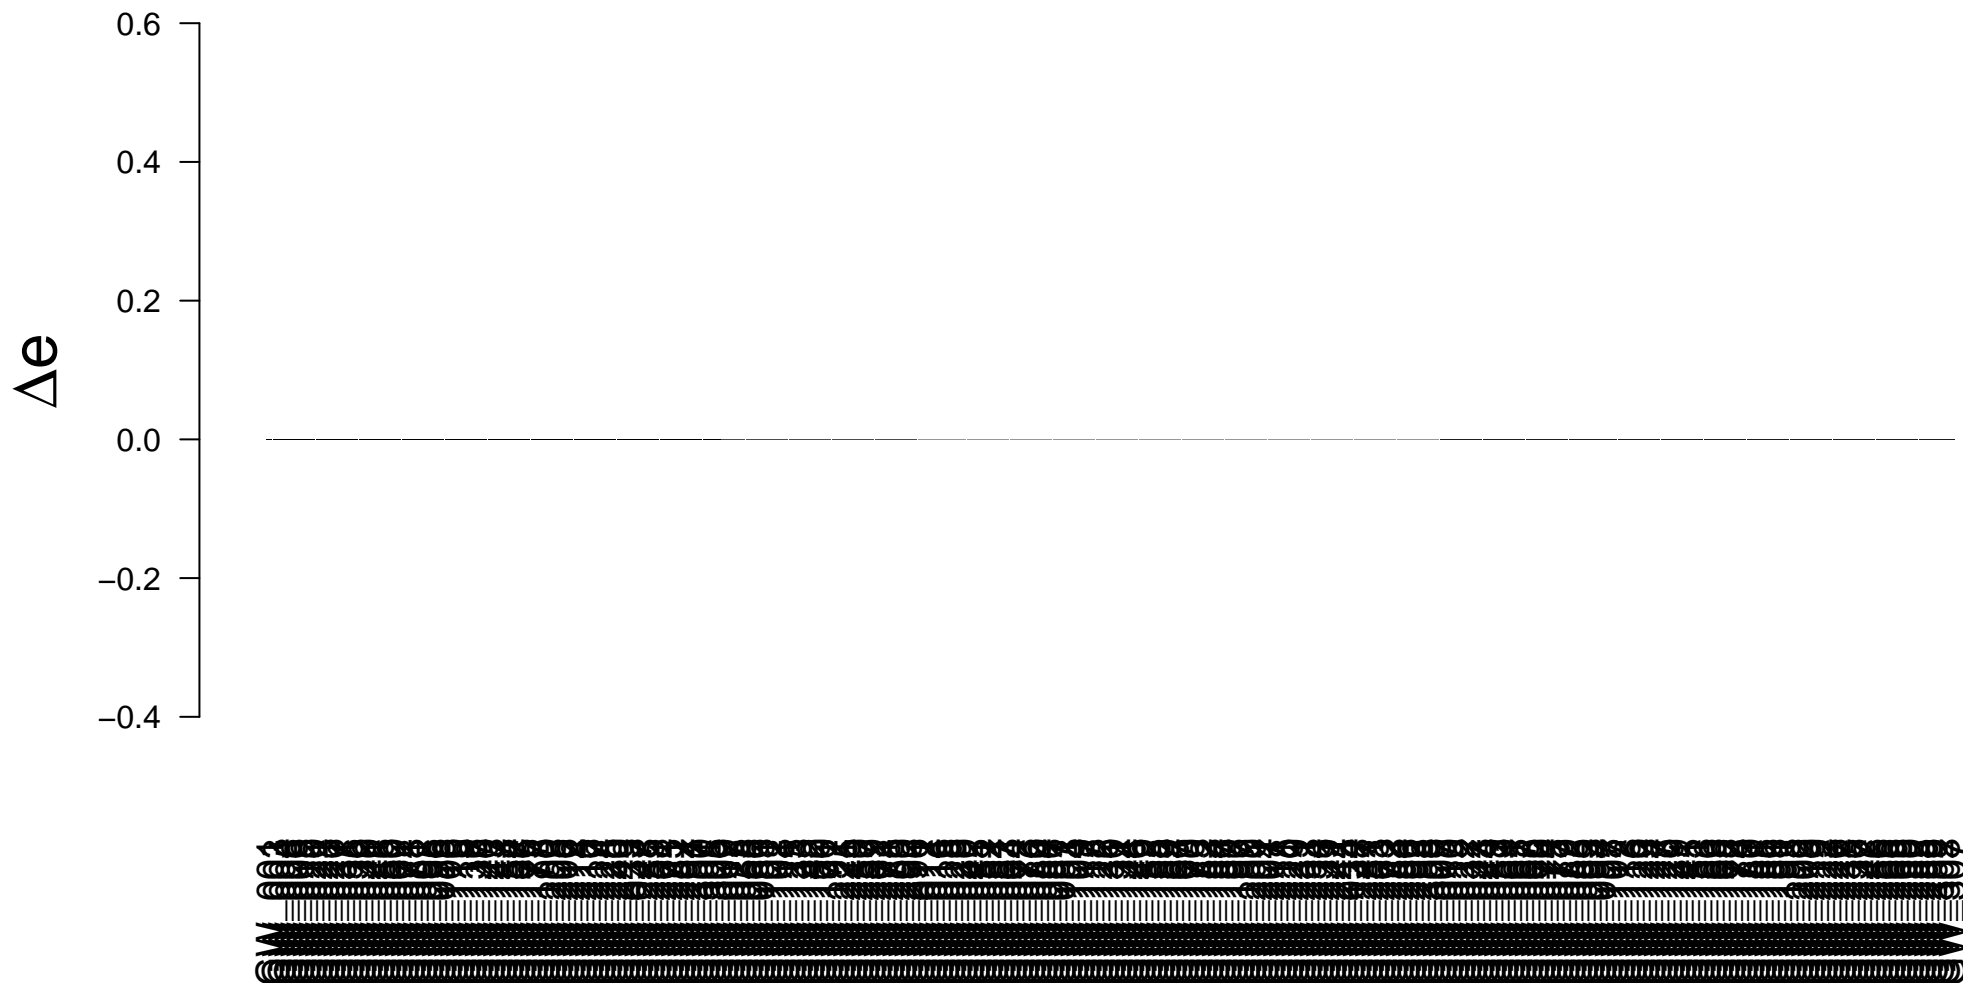

Expression of hydrolase activity, acting on carbon–nitrogen (but not peptide) bonds, in linear amides in Spot J

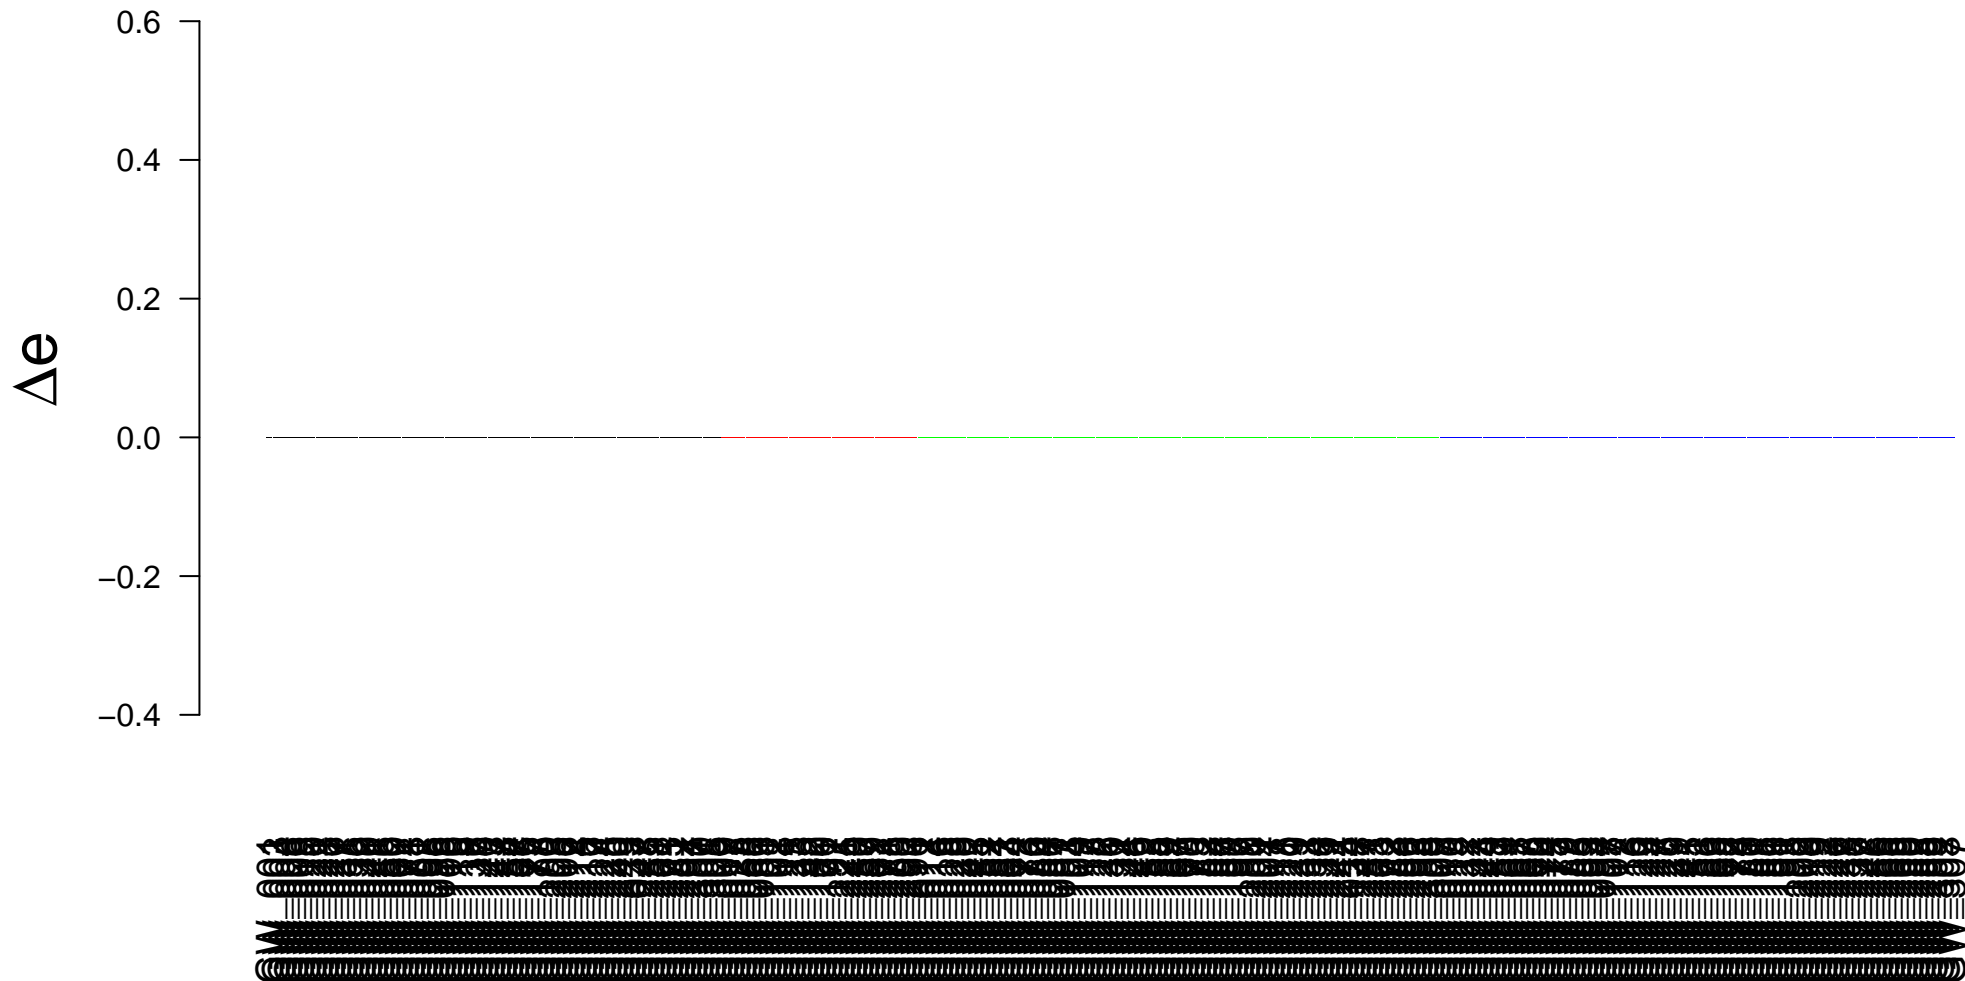

Expression of hydrolase activity, acting on carbon–nitrogen (but not peptide) bonds, in linear amides in Spot K

Expression of hydrolase activity, acting on carbon–nitrogen (but not peptide) bonds, in linear amides in Spot L

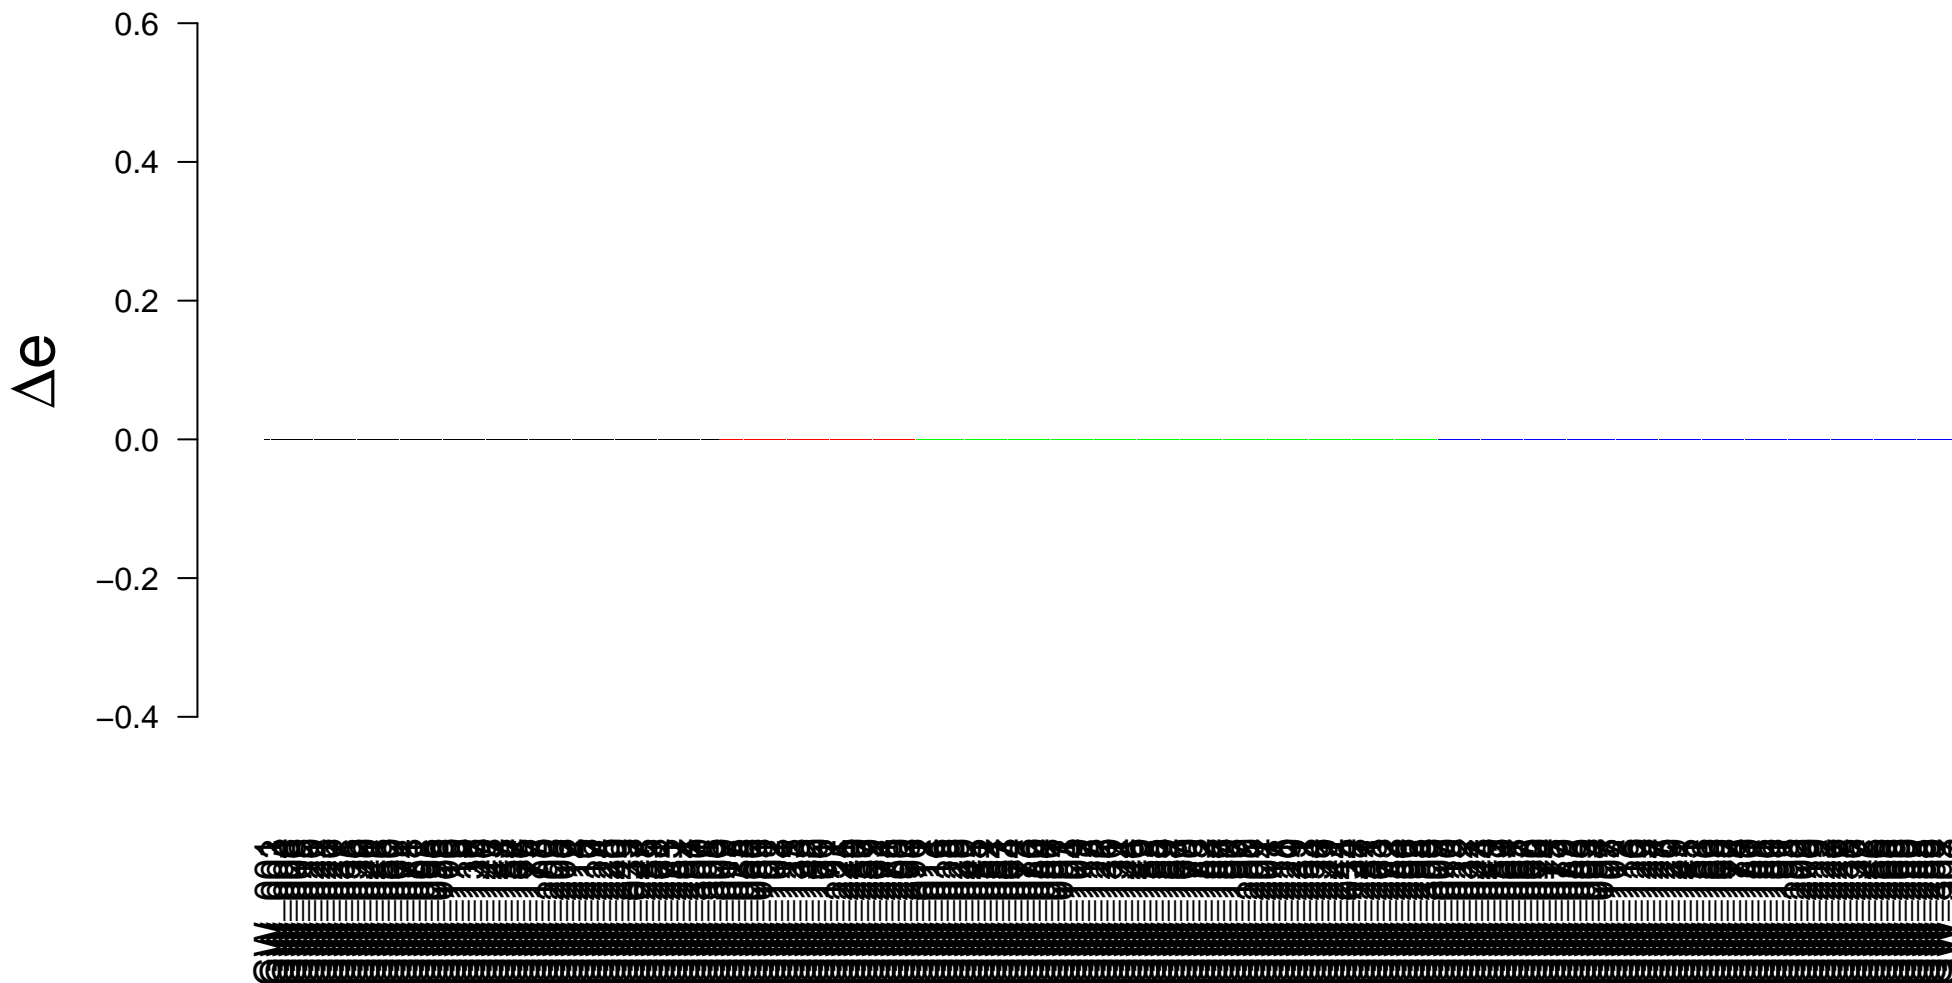

Expression of hydrolase activity, acting on carbon–nitrogen (but not peptide) bonds, in linear amides in Spot M

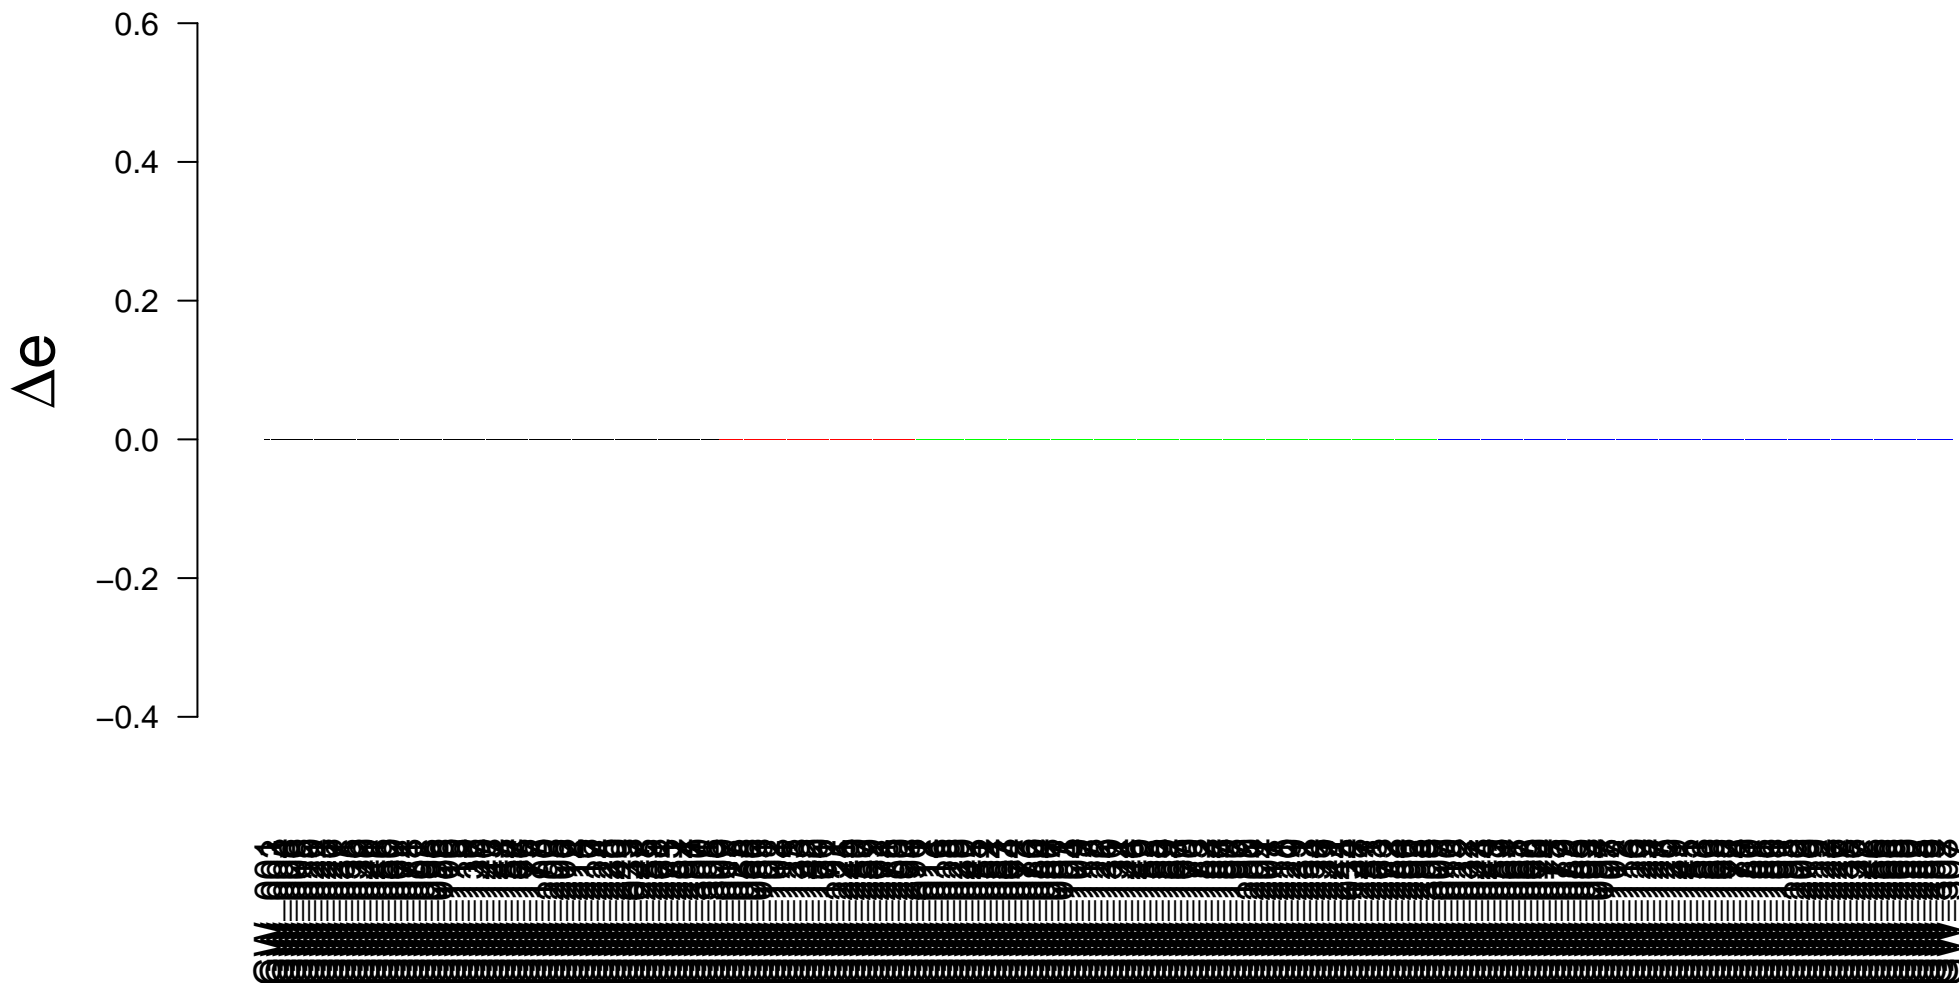

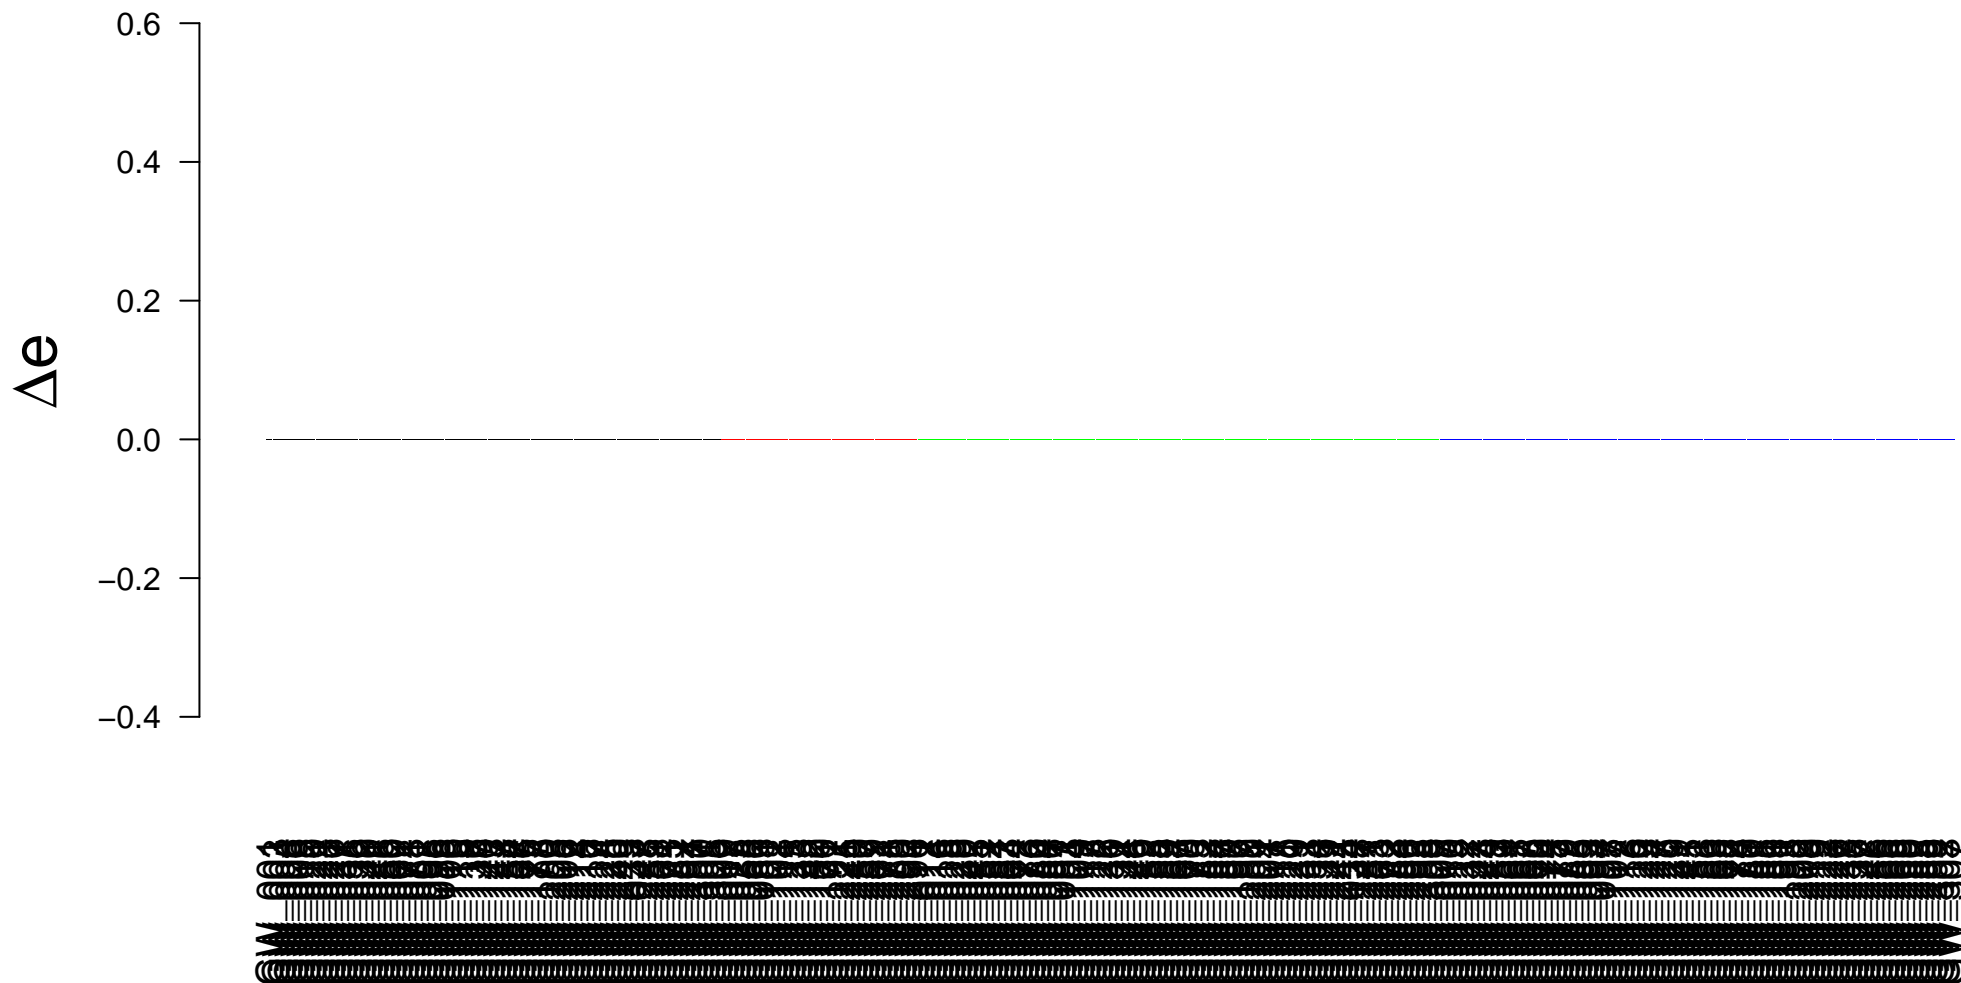

Expression of hydrolase activity, acting on carbon–nitrogen (but not peptide) bonds, in linear amides in Spot N

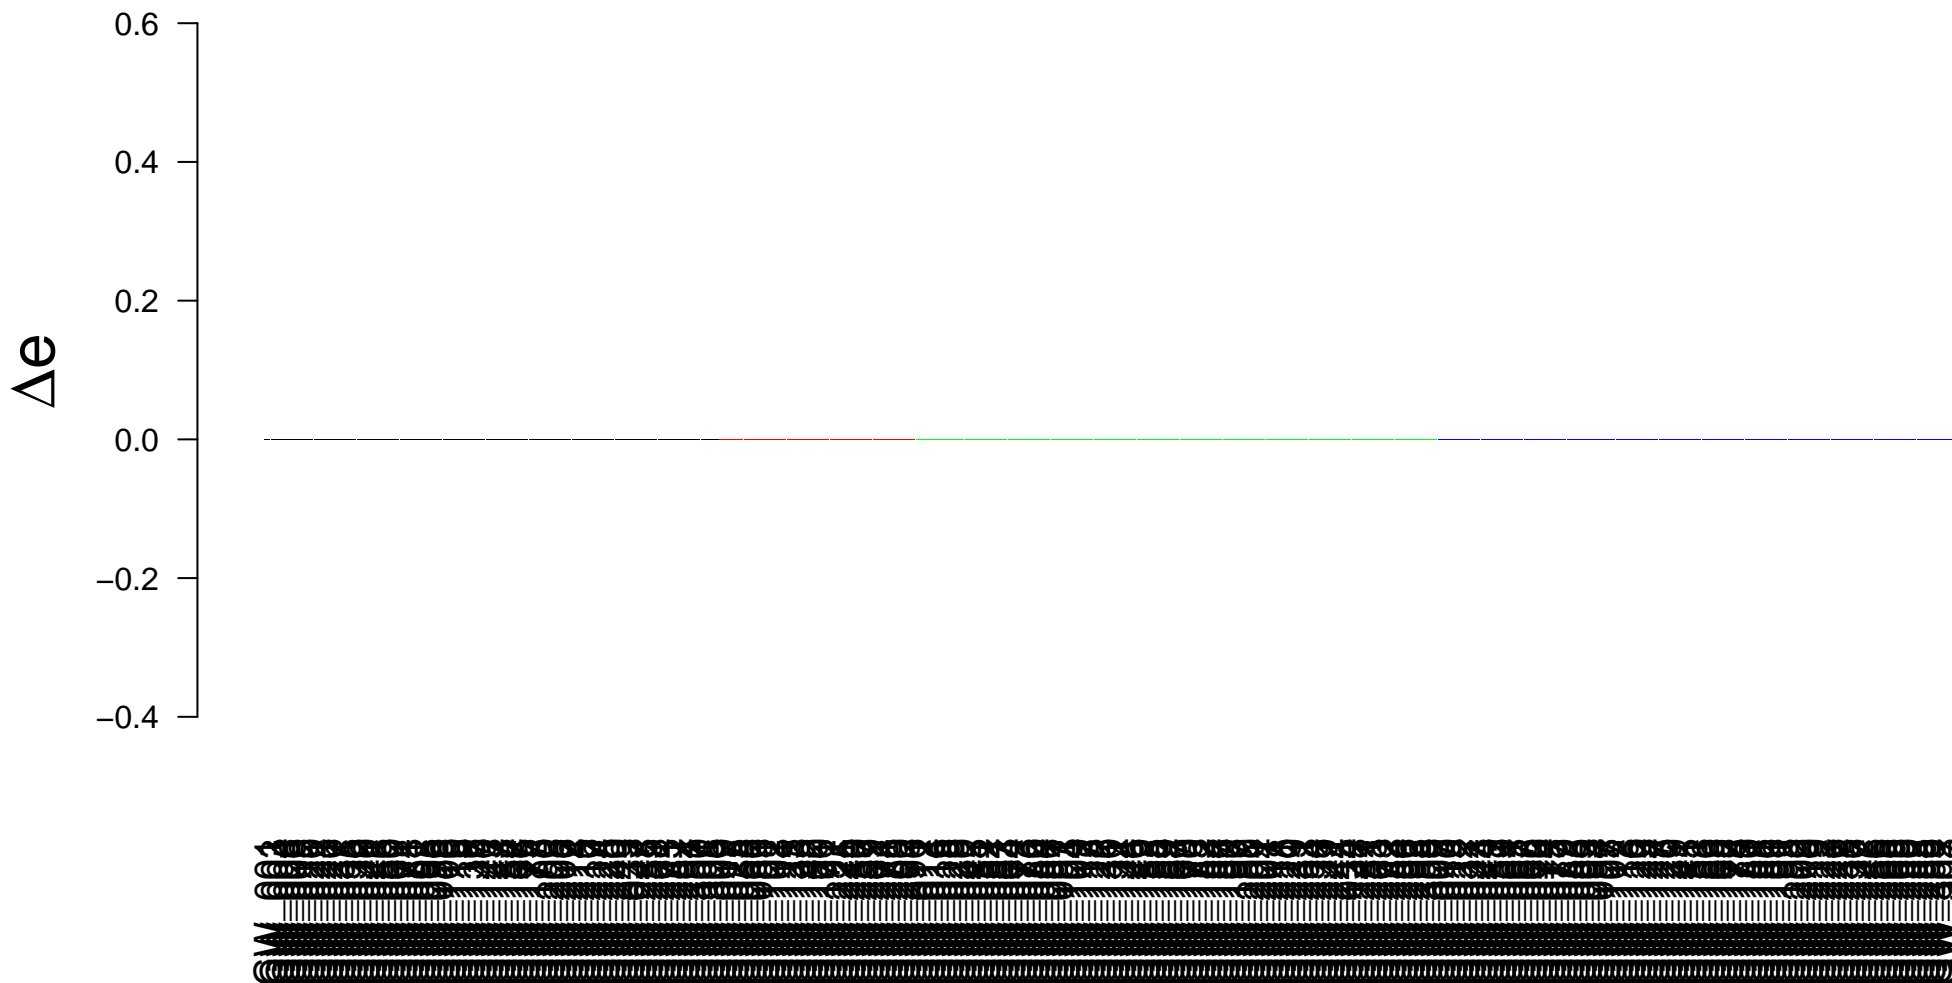

Expression of hydrolase activity, acting on carbon–nitrogen (but not peptide) bonds, in linear amides in Spot O

Expression of hydrolase activity, acting on carbon–nitrogen (but not peptide) bonds, in linear amides in Spot P

Expression of hydrolase activity, acting on carbon–nitrogen (but not peptide) bonds, in linear amides in Spot Q

Expression of hydrolase activity, acting on carbon–nitrogen (but not peptide) bonds, in linear amides in Spot R
