

hydrolase activity, acting on ester bonds

hydrolase activity, acting on ester bonds

Enrichment in spots: hydrolase activity, acting on ester bonds

Expression of hydrolase activity, acting on ester bonds in Spot A

Expression of hydrolase activity, acting on ester bonds in Spot B

Expression of hydrolase activity, acting on ester bonds in Spot C

Expression of hydrolase activity, acting on ester bonds in Spot D

Expression of hydrolase activity, acting on ester bonds in Spot E

Expression of hydrolase activity, acting on ester bonds in Spot F

Expression of hydrolase activity, acting on ester bonds in Spot G

Expression of hydrolase activity, acting on ester bonds in Spot H

Expression of hydrolase activity, acting on ester bonds in Spot I

Expression of hydrolase activity, acting on ester bonds in Spot J

Expression of hydrolase activity, acting on ester bonds in Spot K
