

immune response

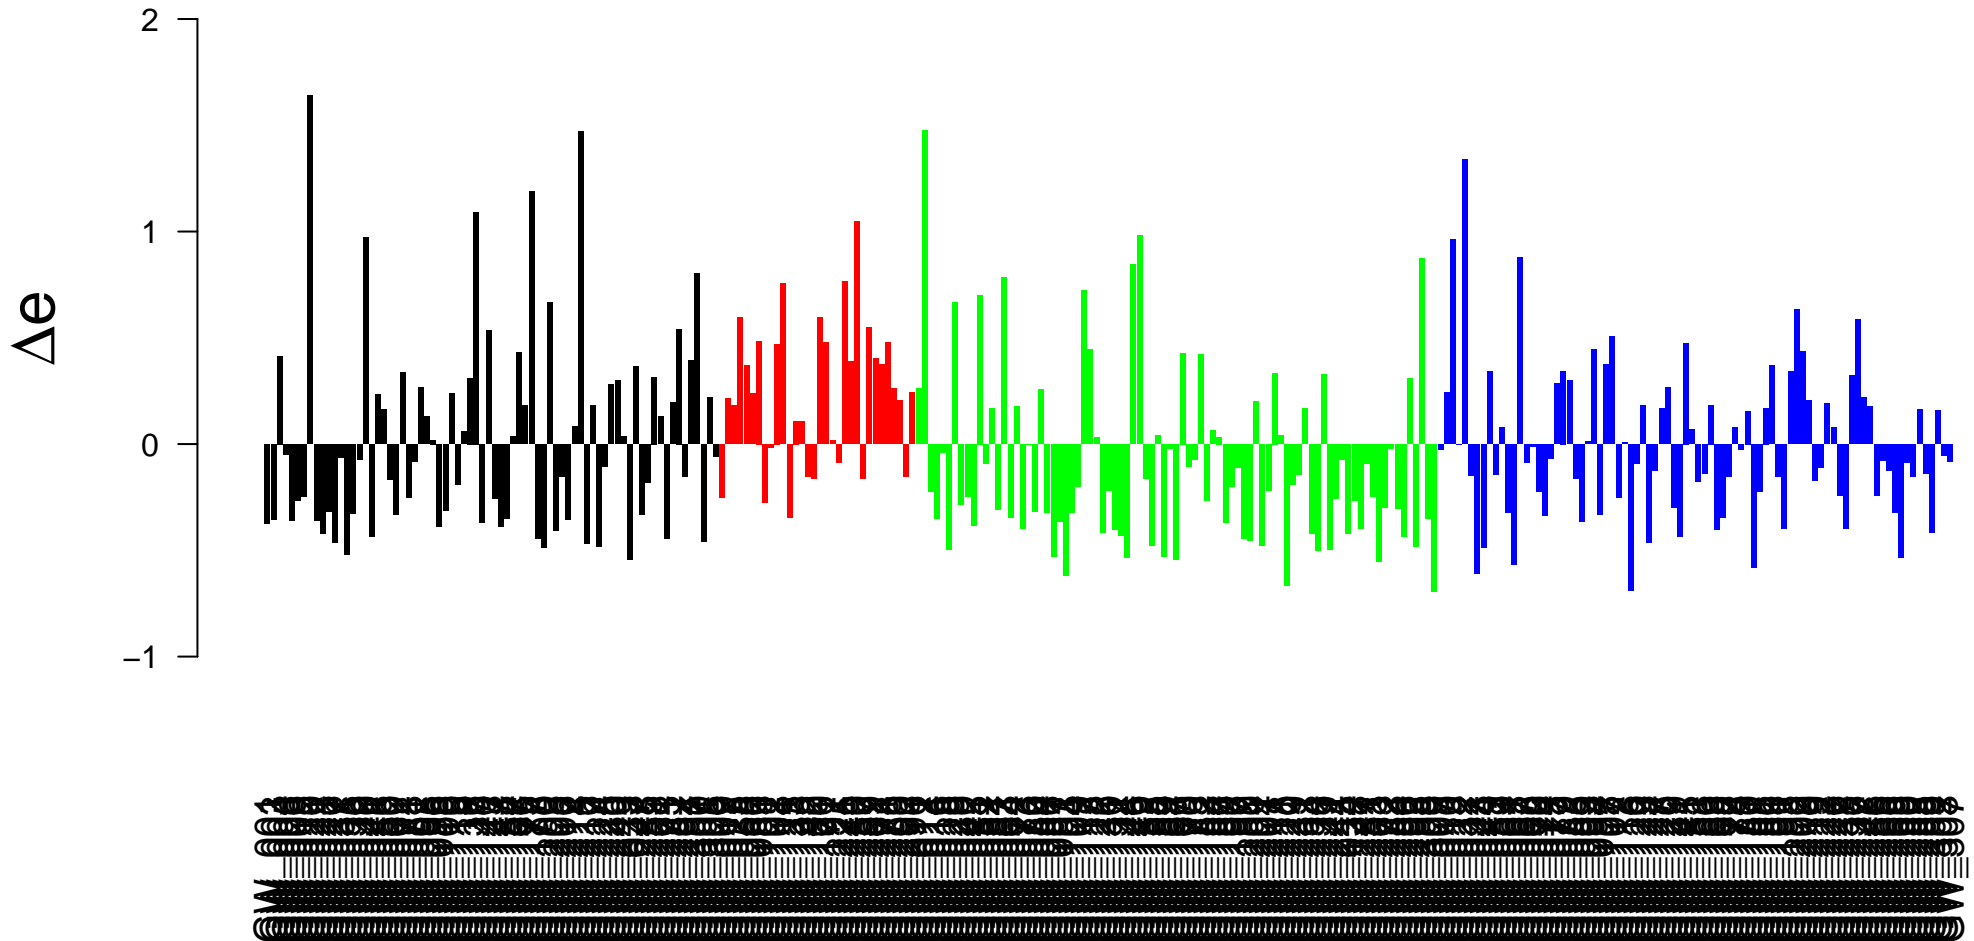

immune response

Enrichment in spots: immune response

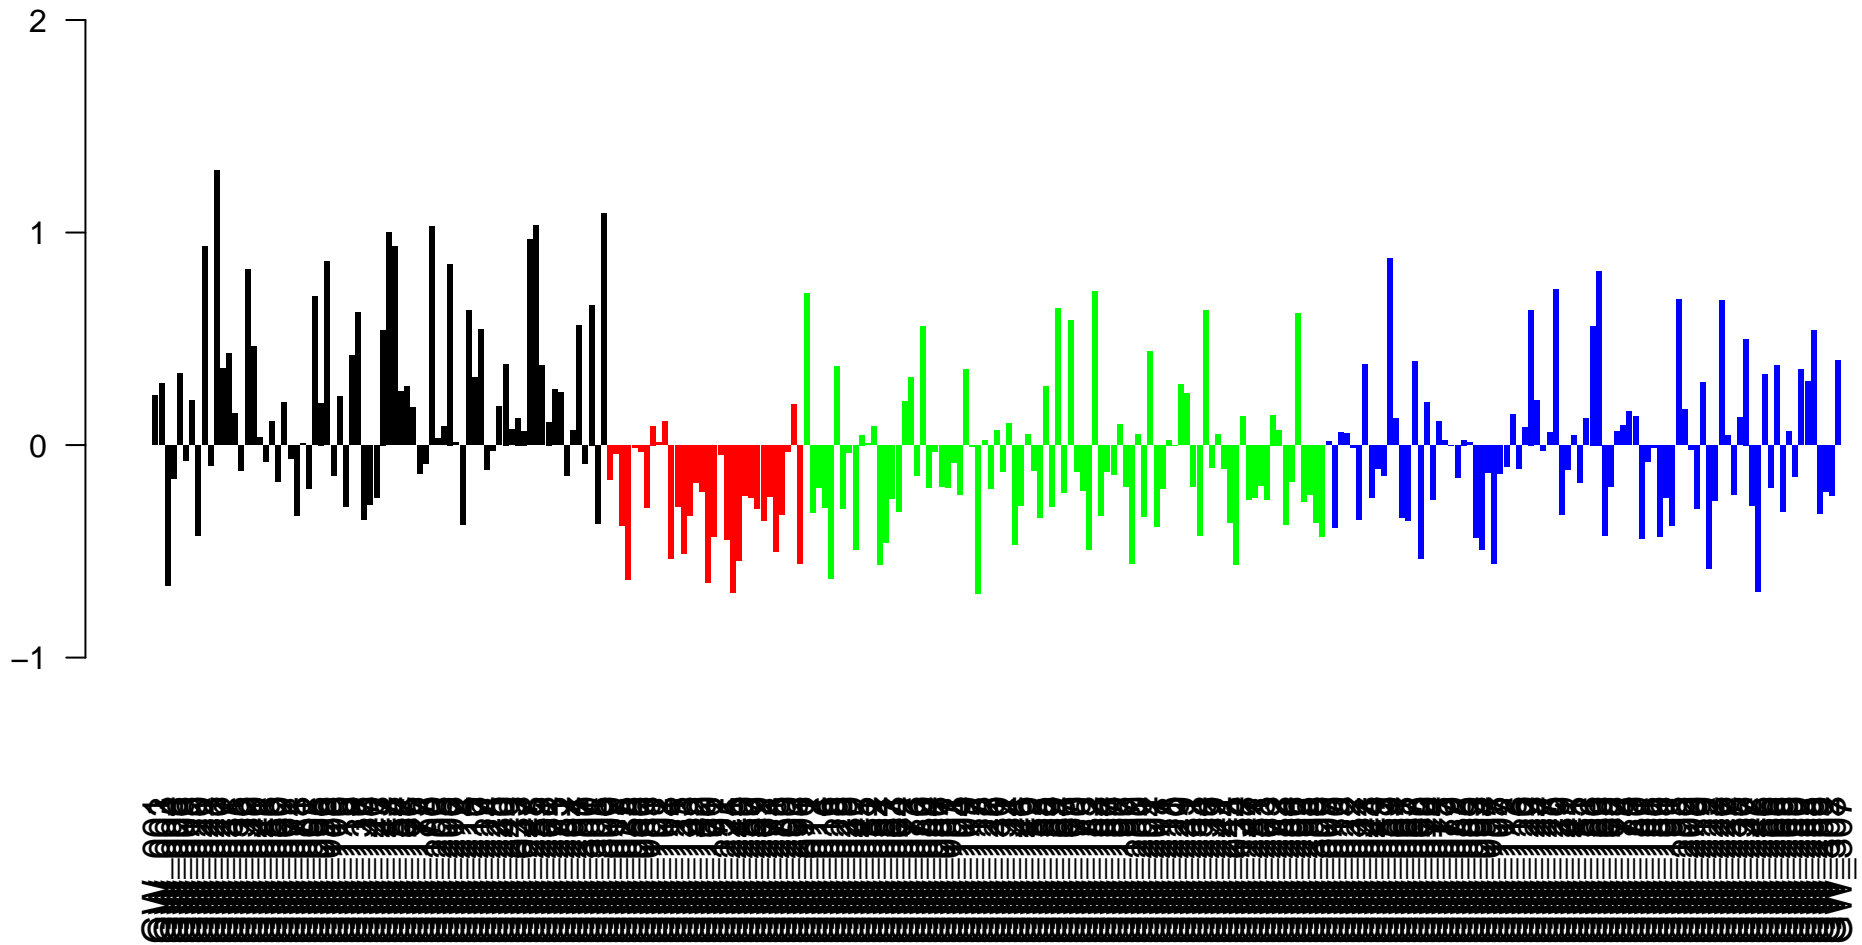

Expression of immune response in Spot A

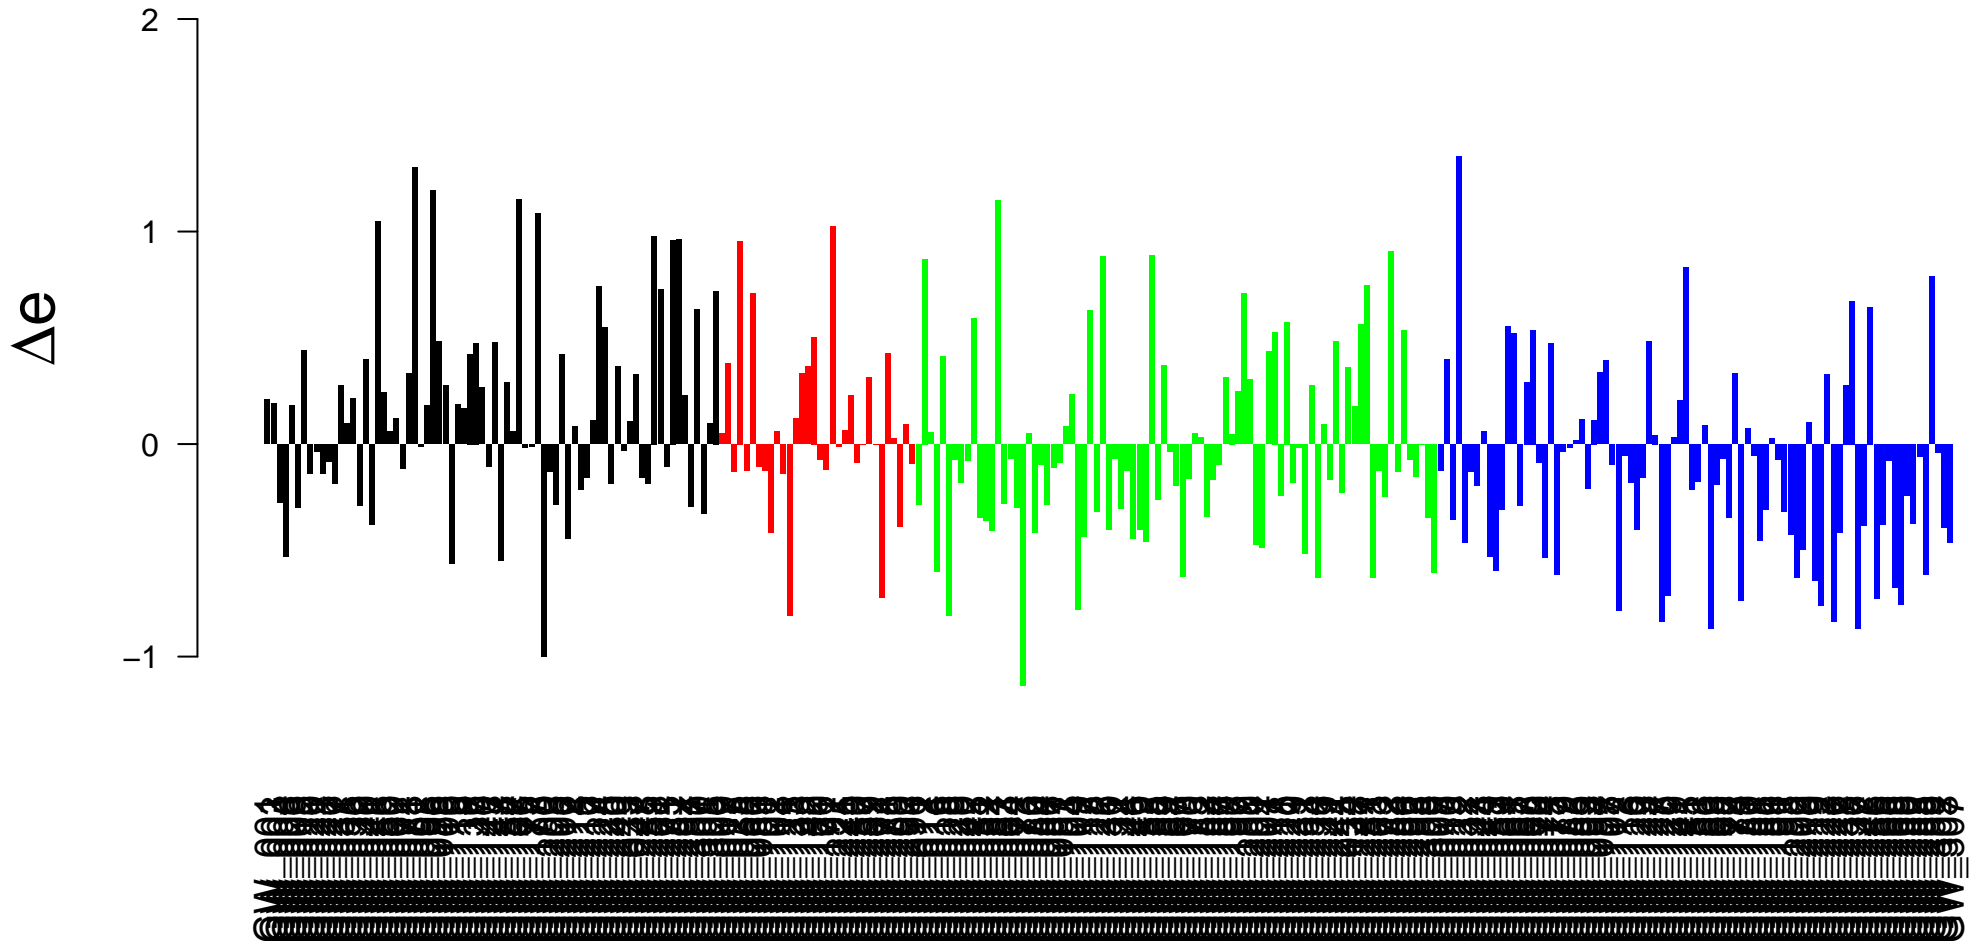

Expression of immune response in Spot B

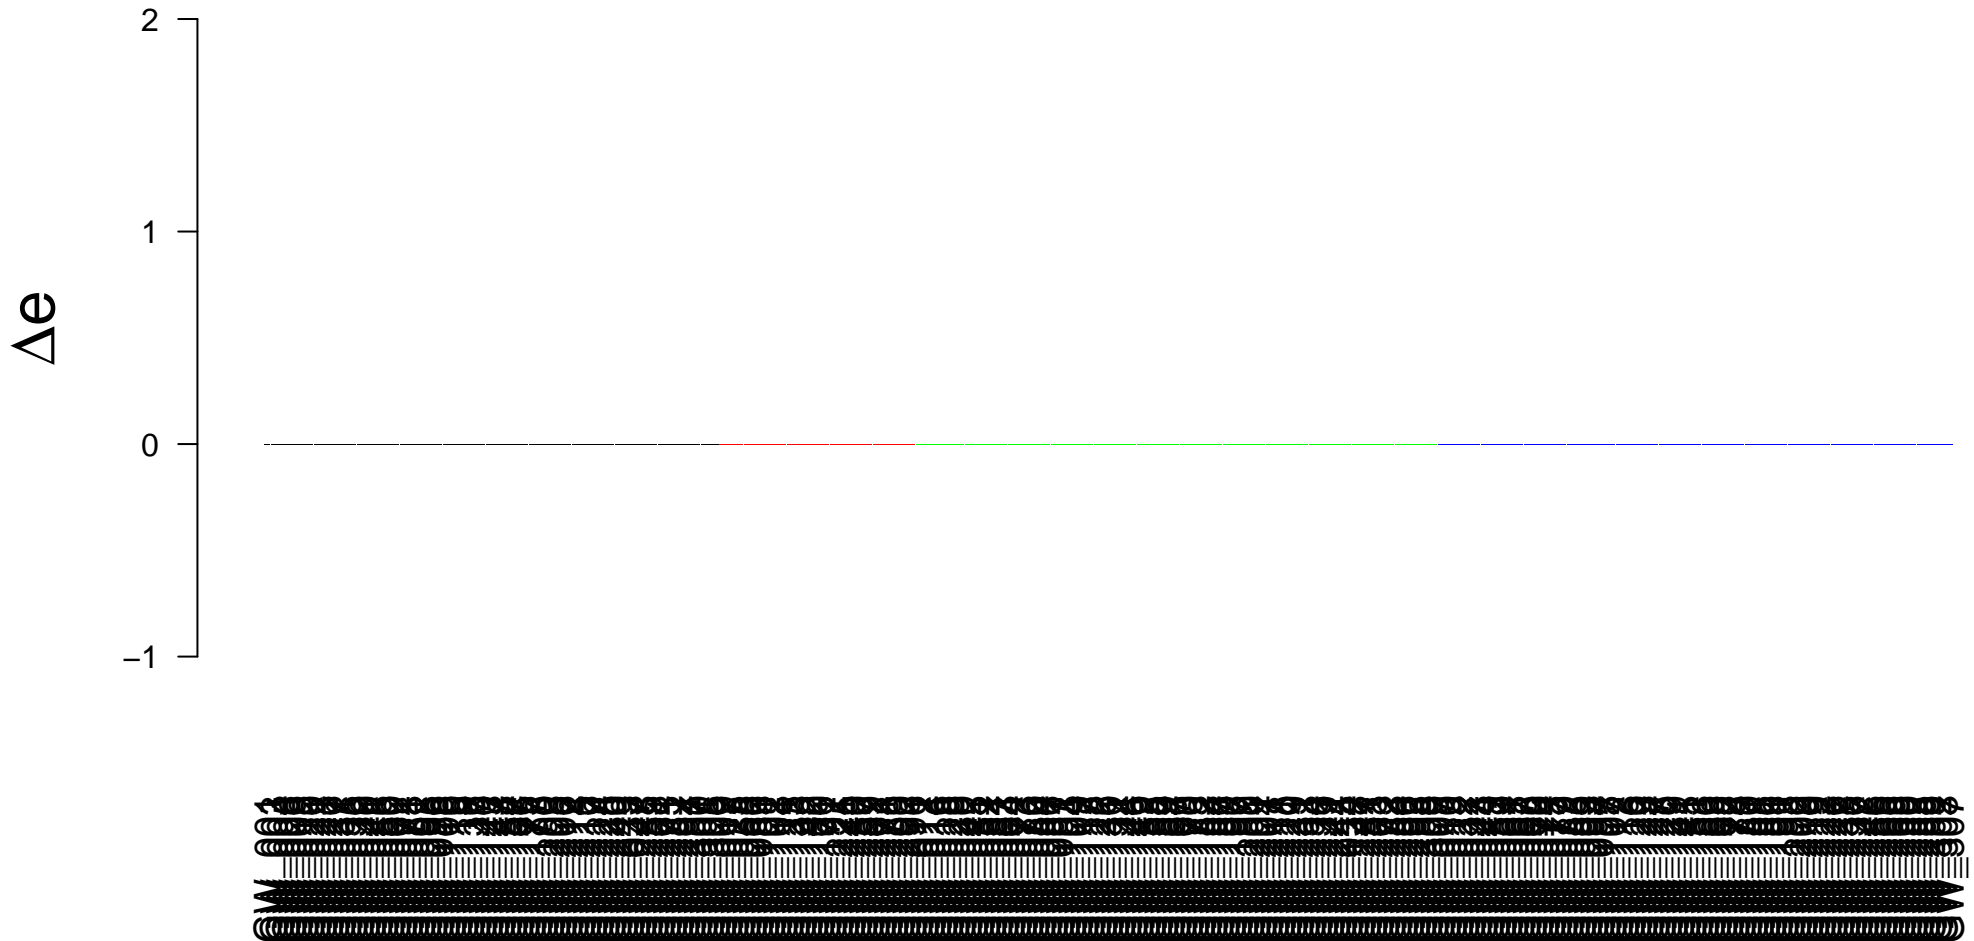

Δe

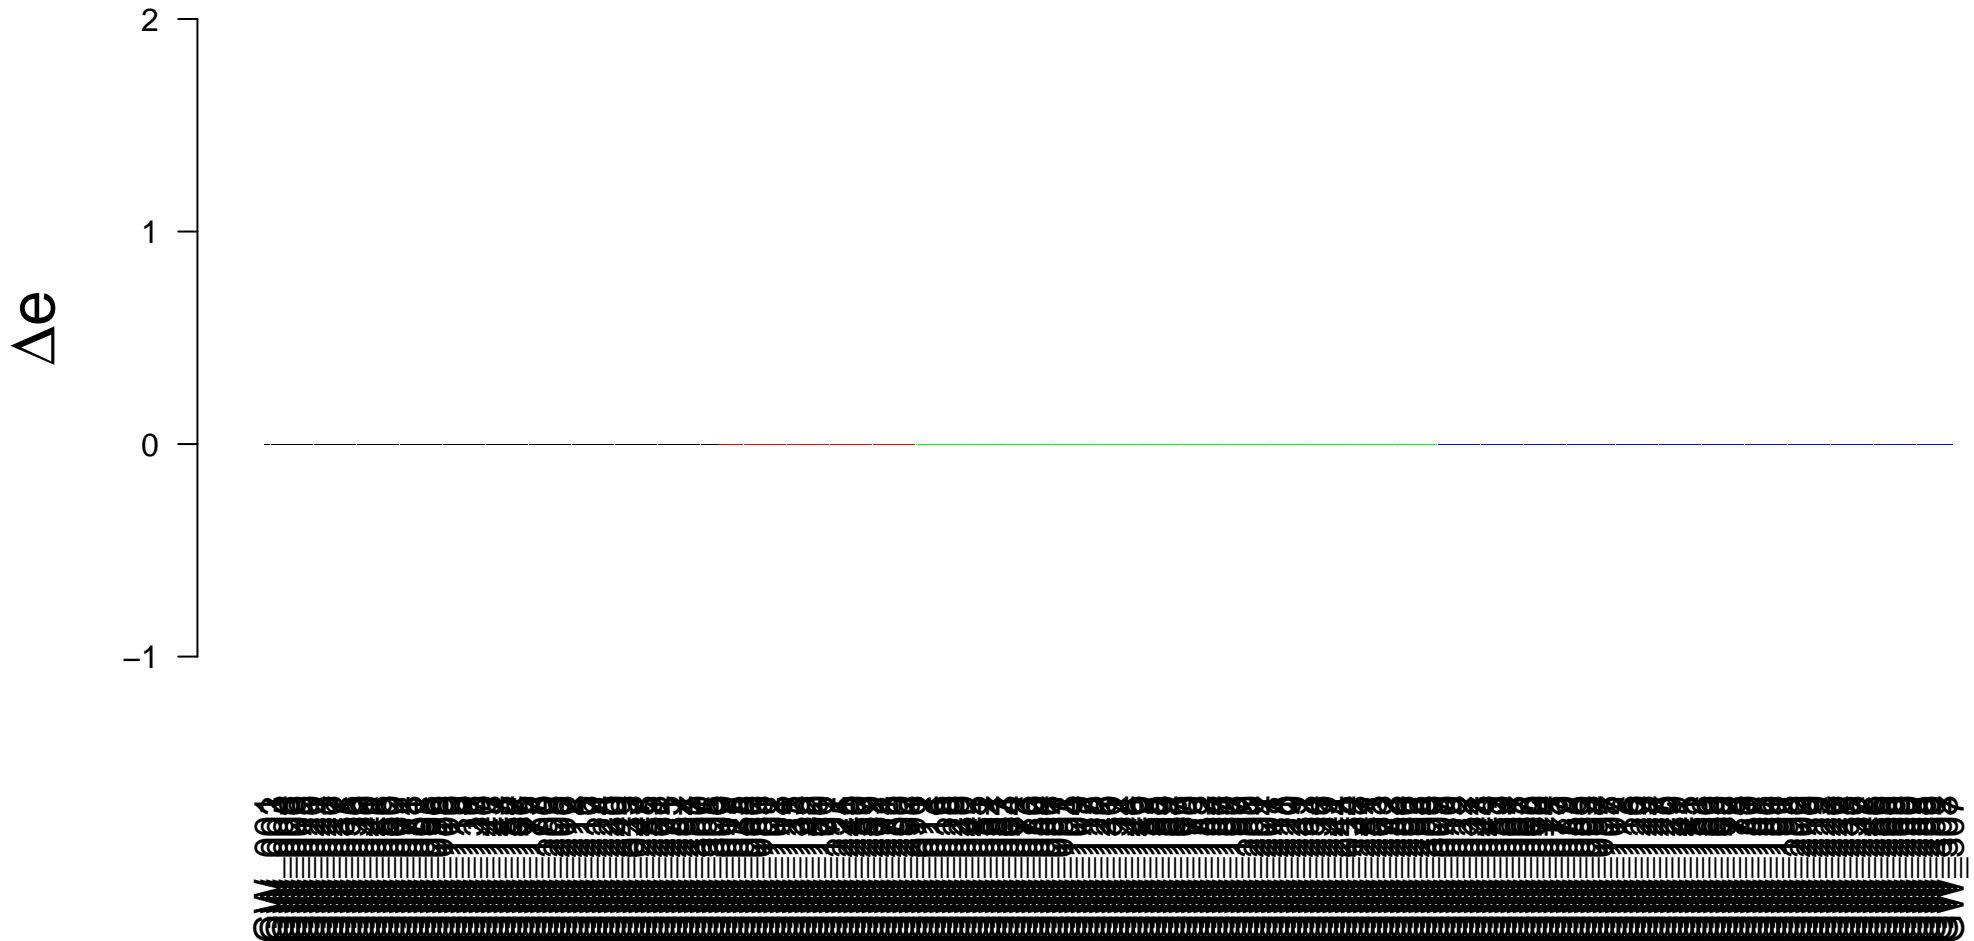

Expression of immune response in Spot C

Expression of immune response in Spot D

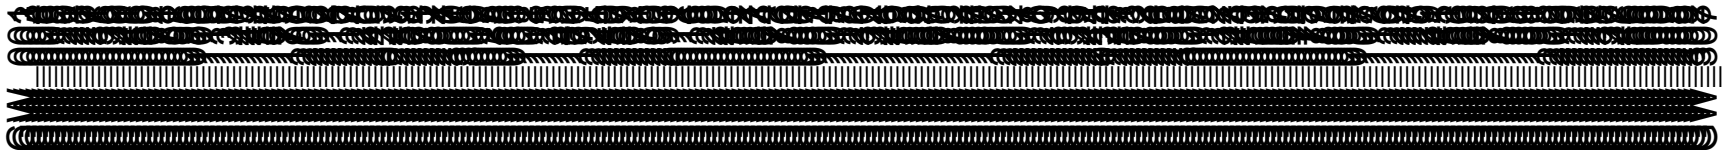

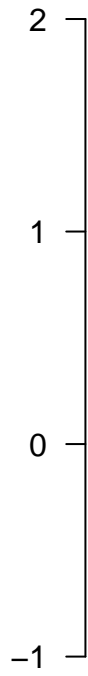

Expression of immune response in Spot E

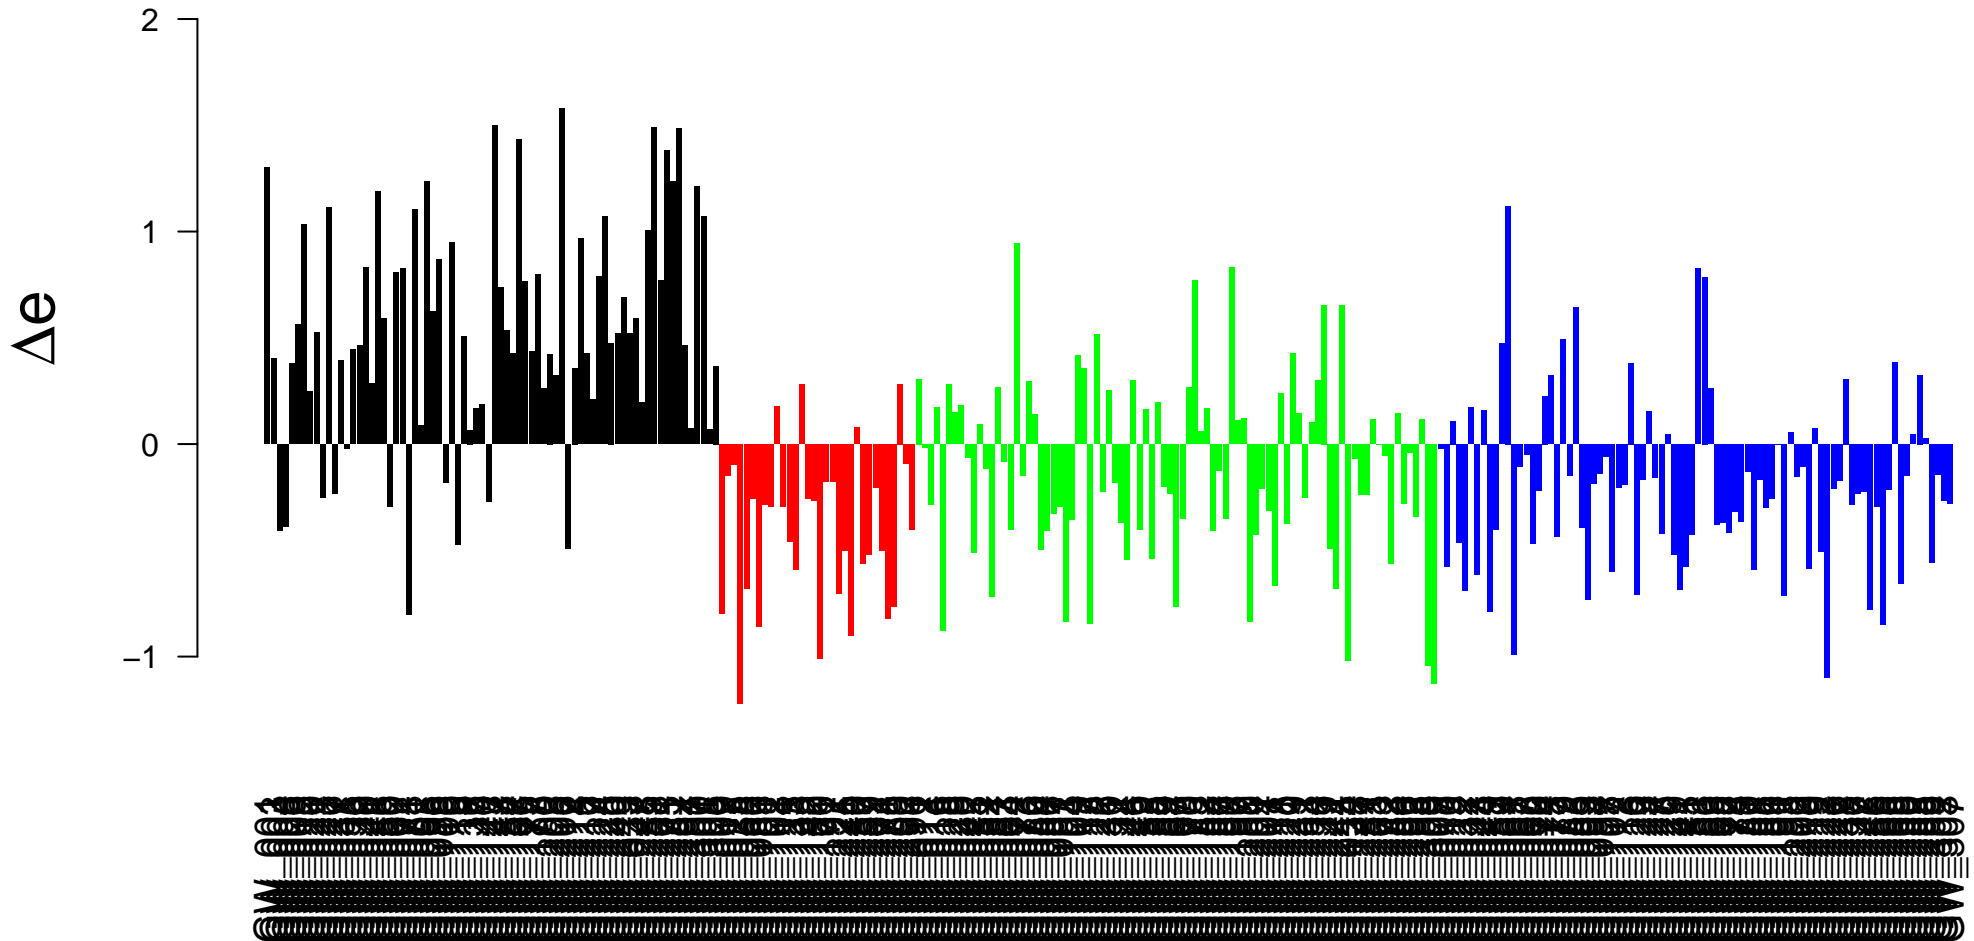

Expression of immune response in Spot F

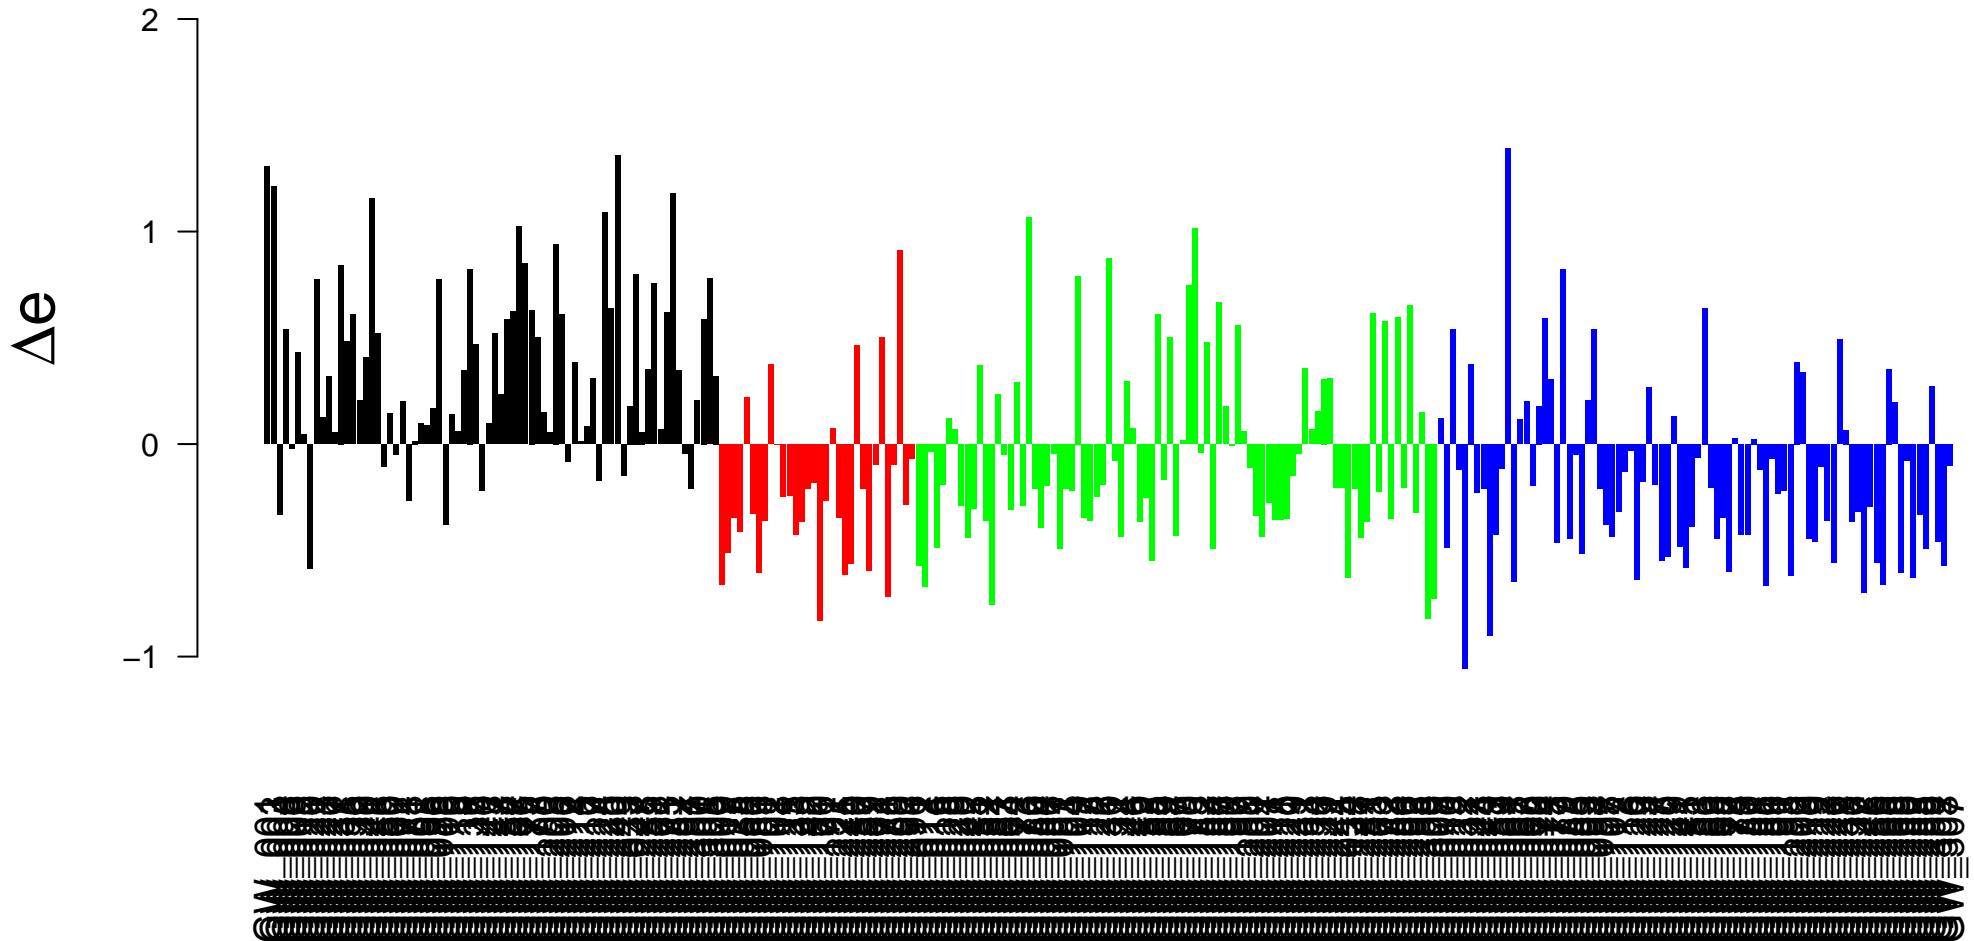

Δe

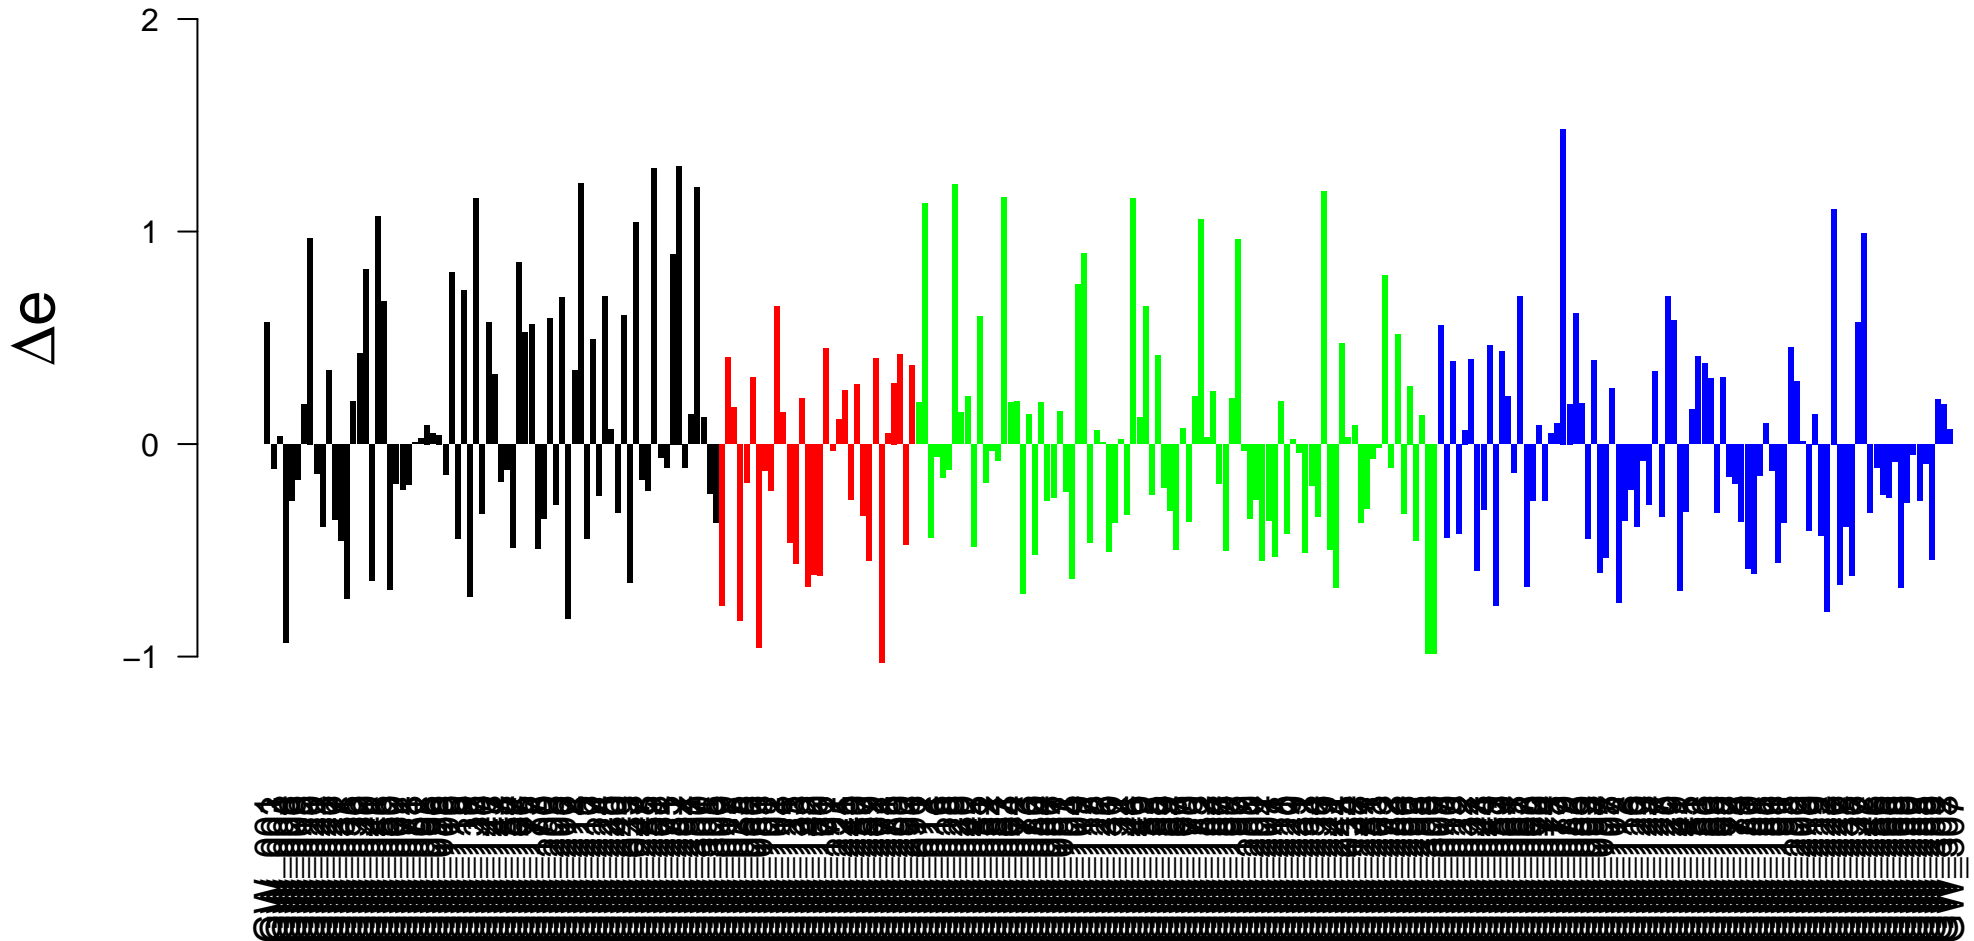

Expression of immune response in Spot G

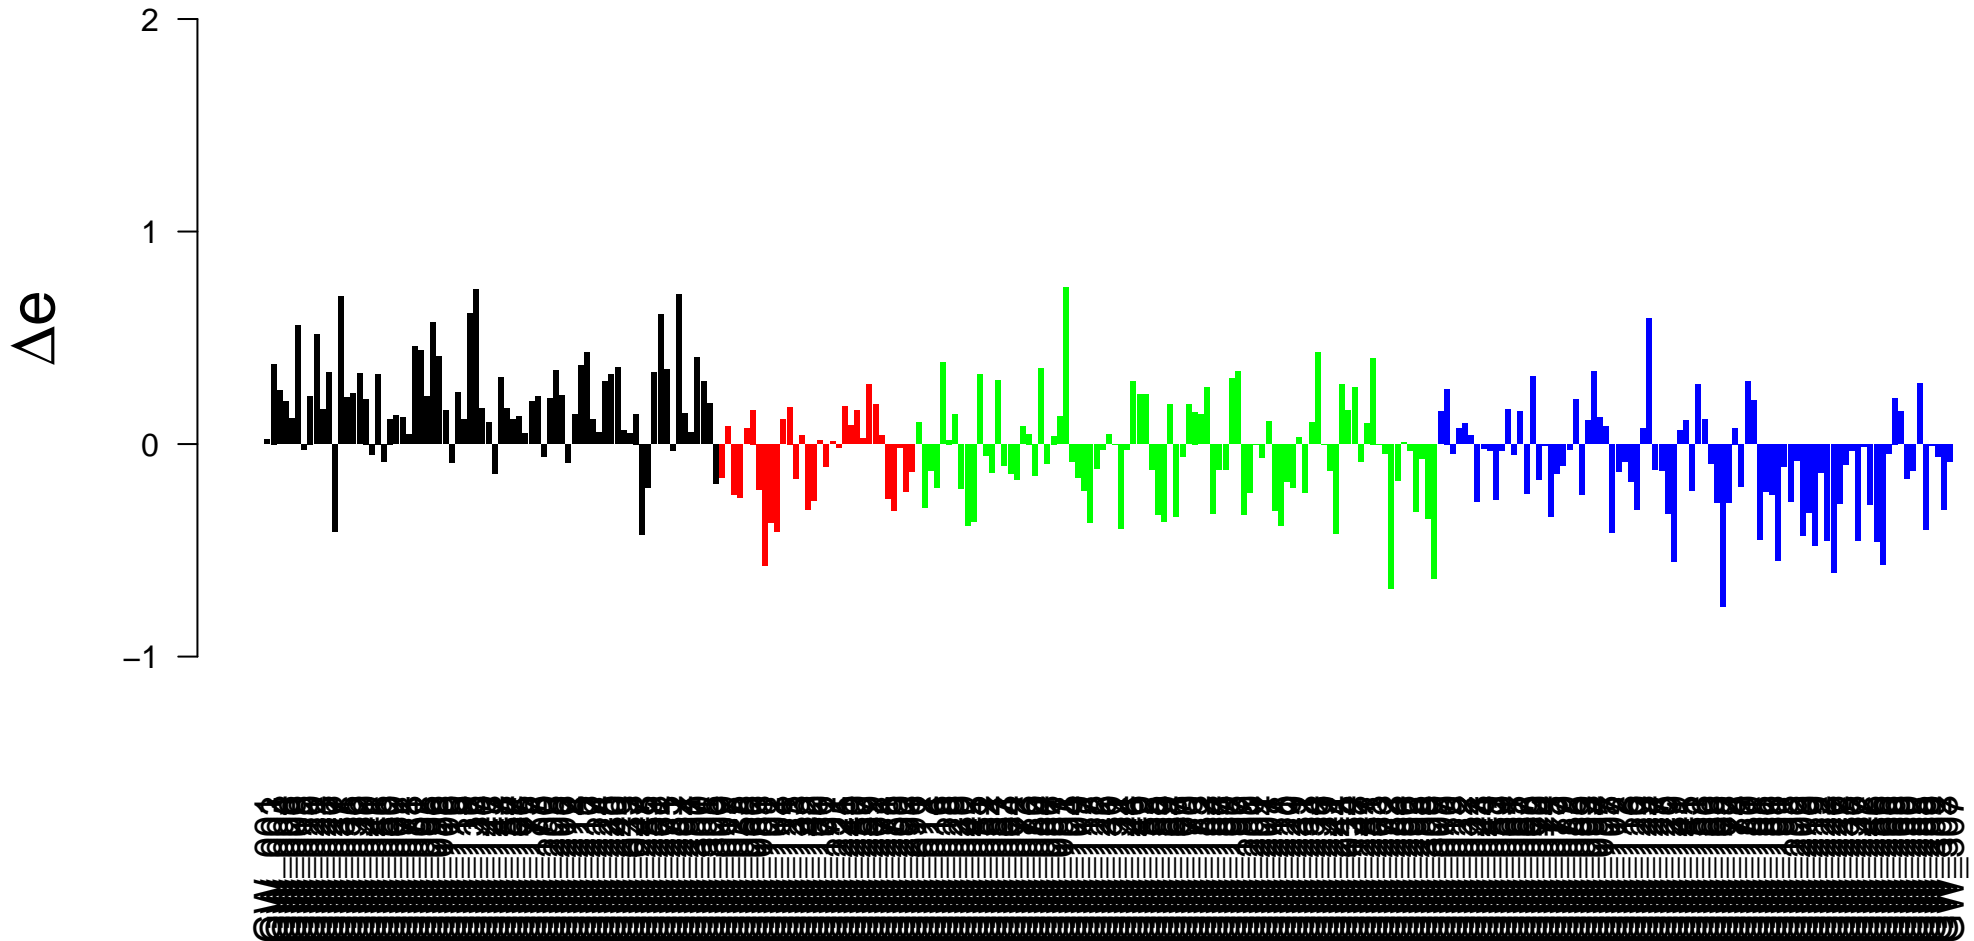

Expression of immune response in Spot H

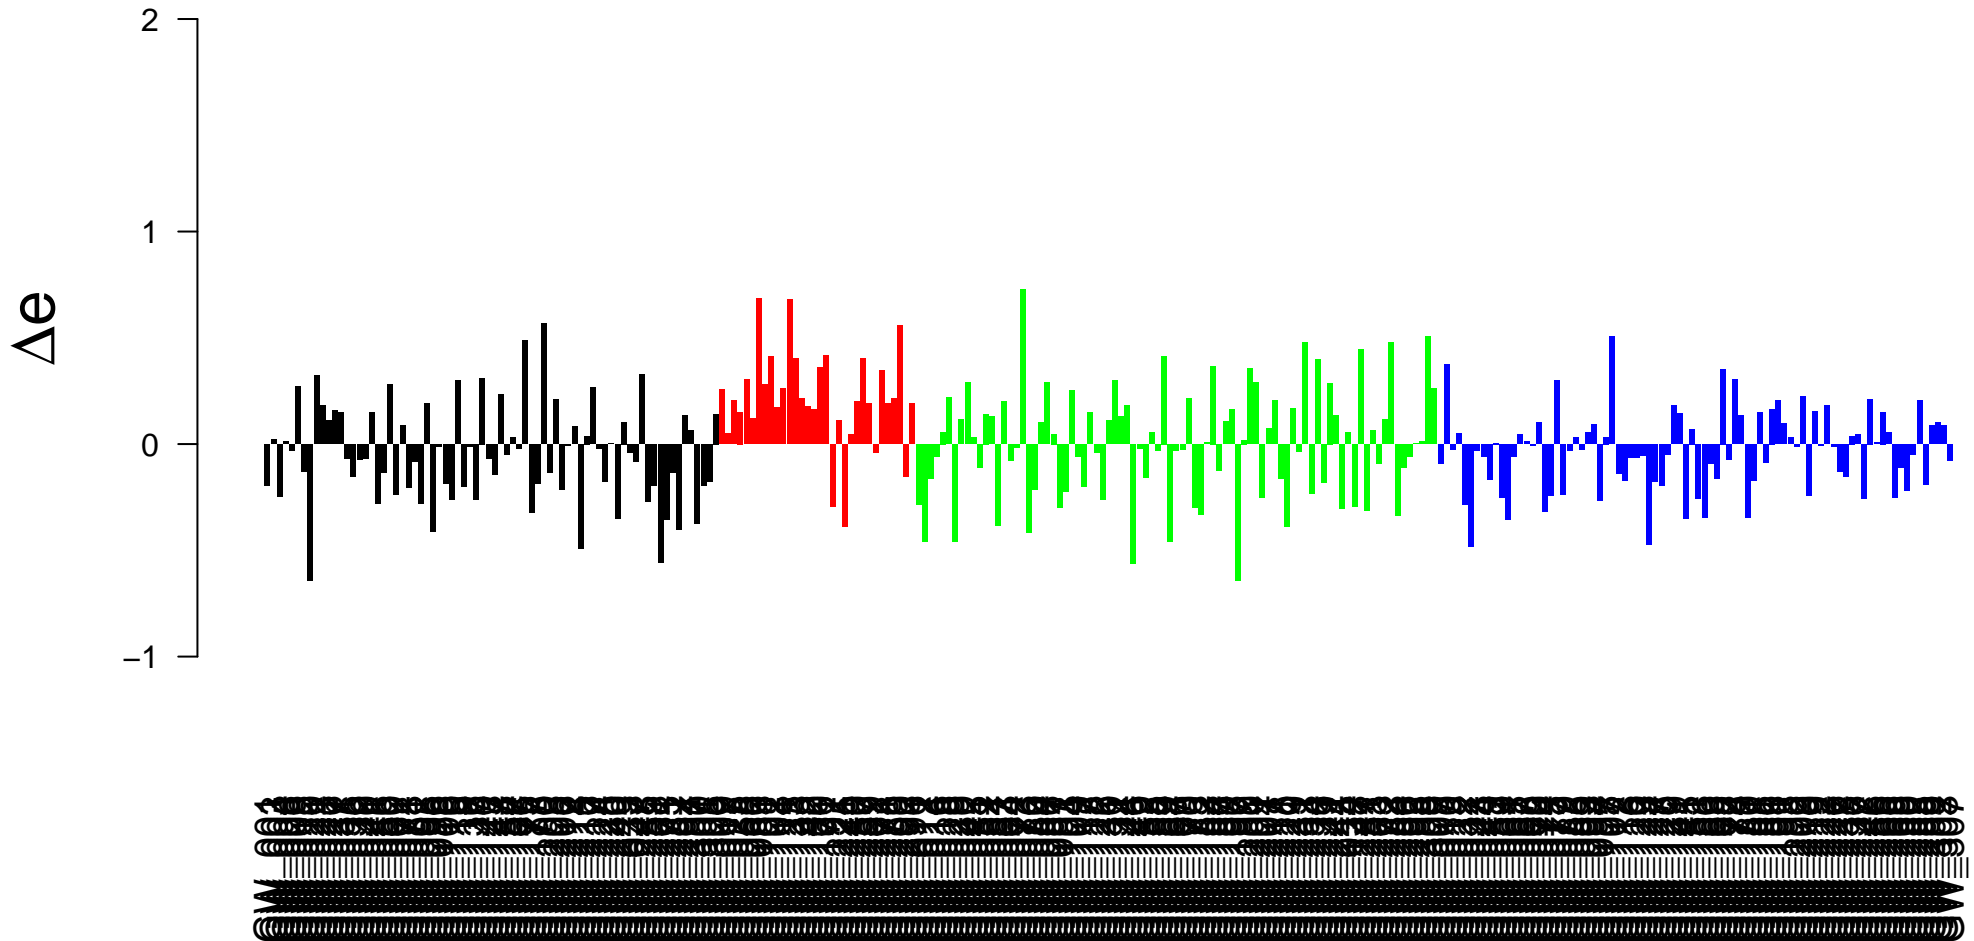

Expression of immune response in Spot I

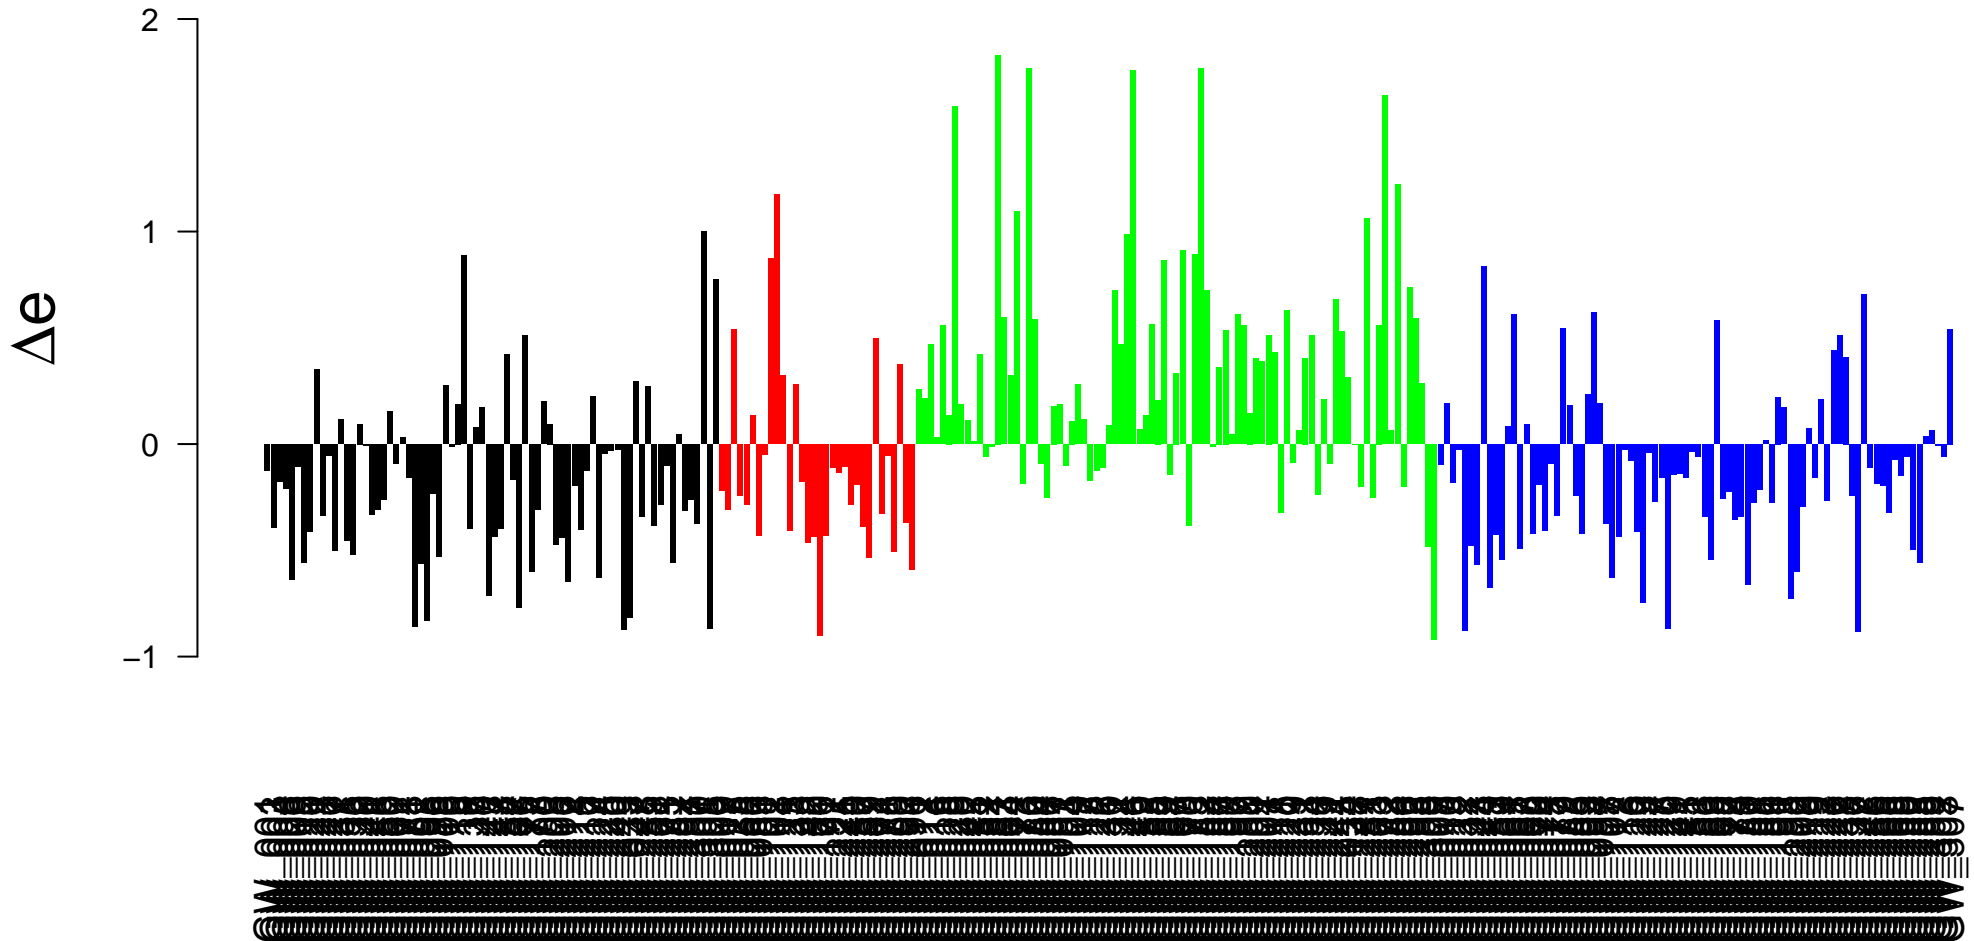

Expression of immune response in Spot J

Expression of immune response in Spot K

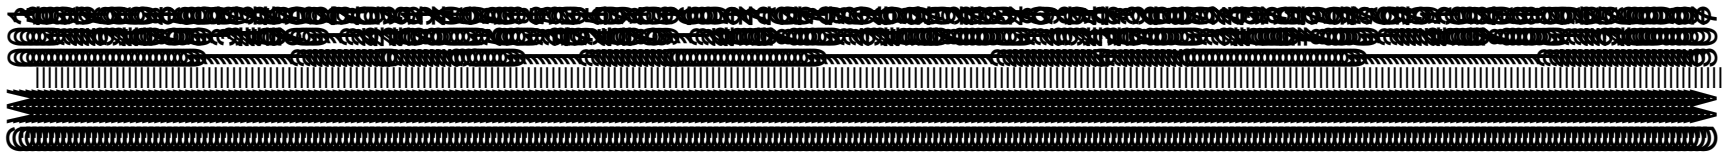

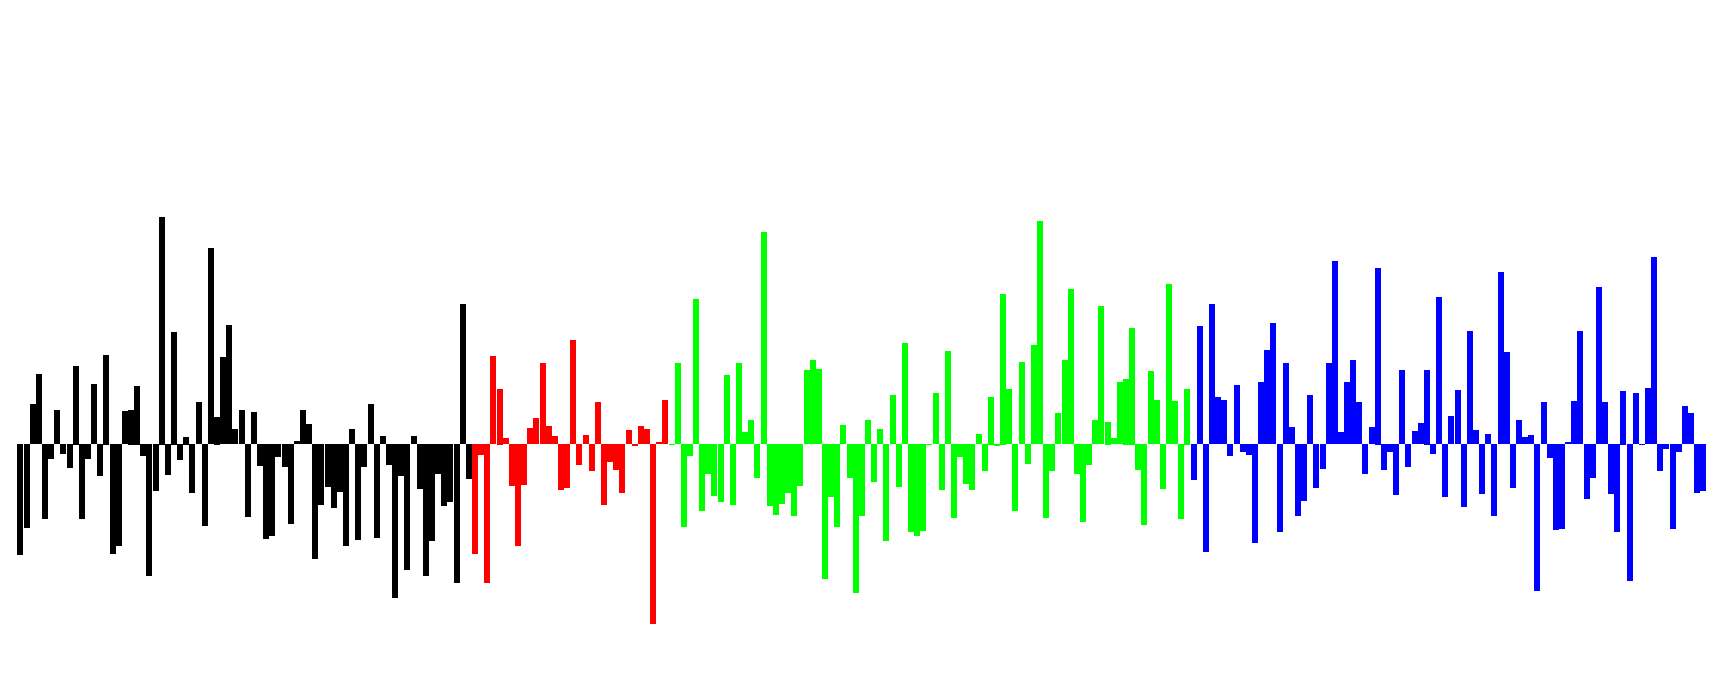

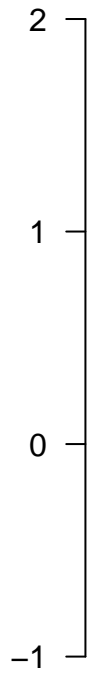

Expression of immune response in Spot L

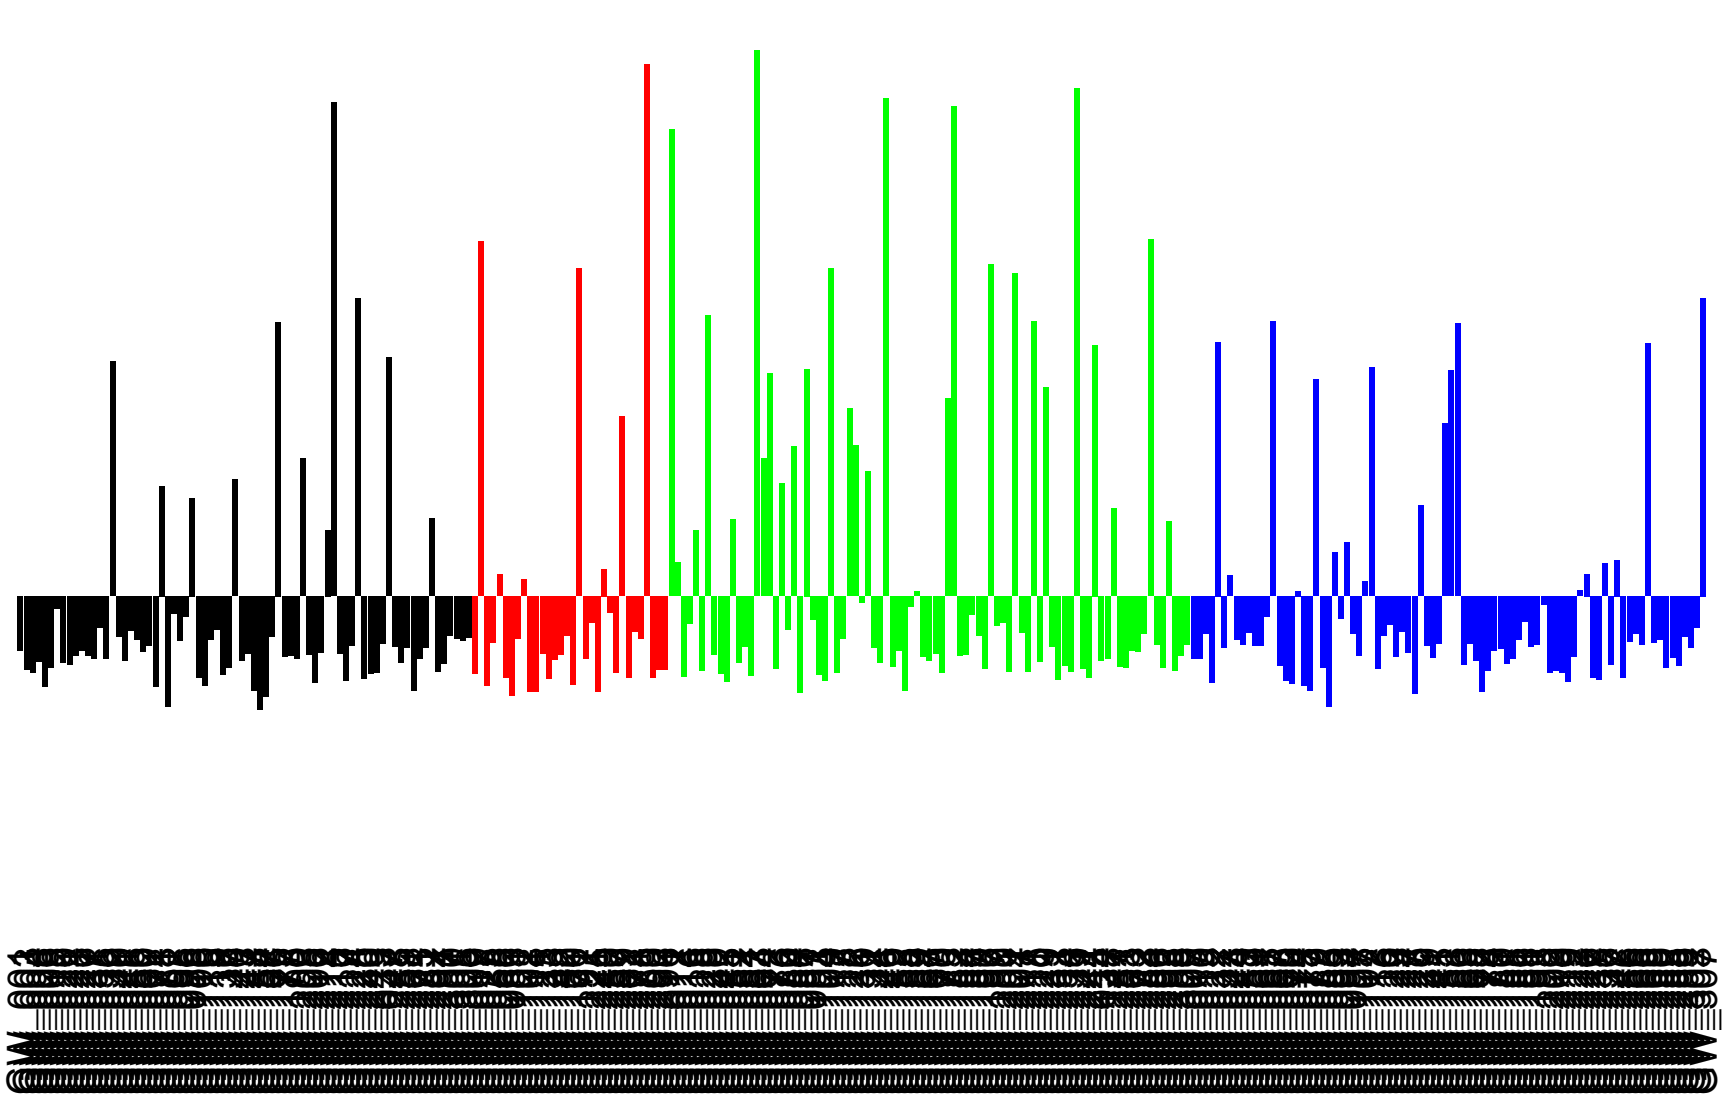

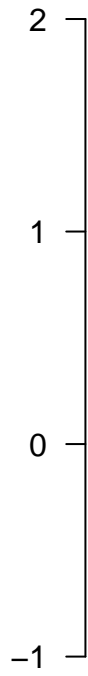

Expression of immune response in Spot M

Δe

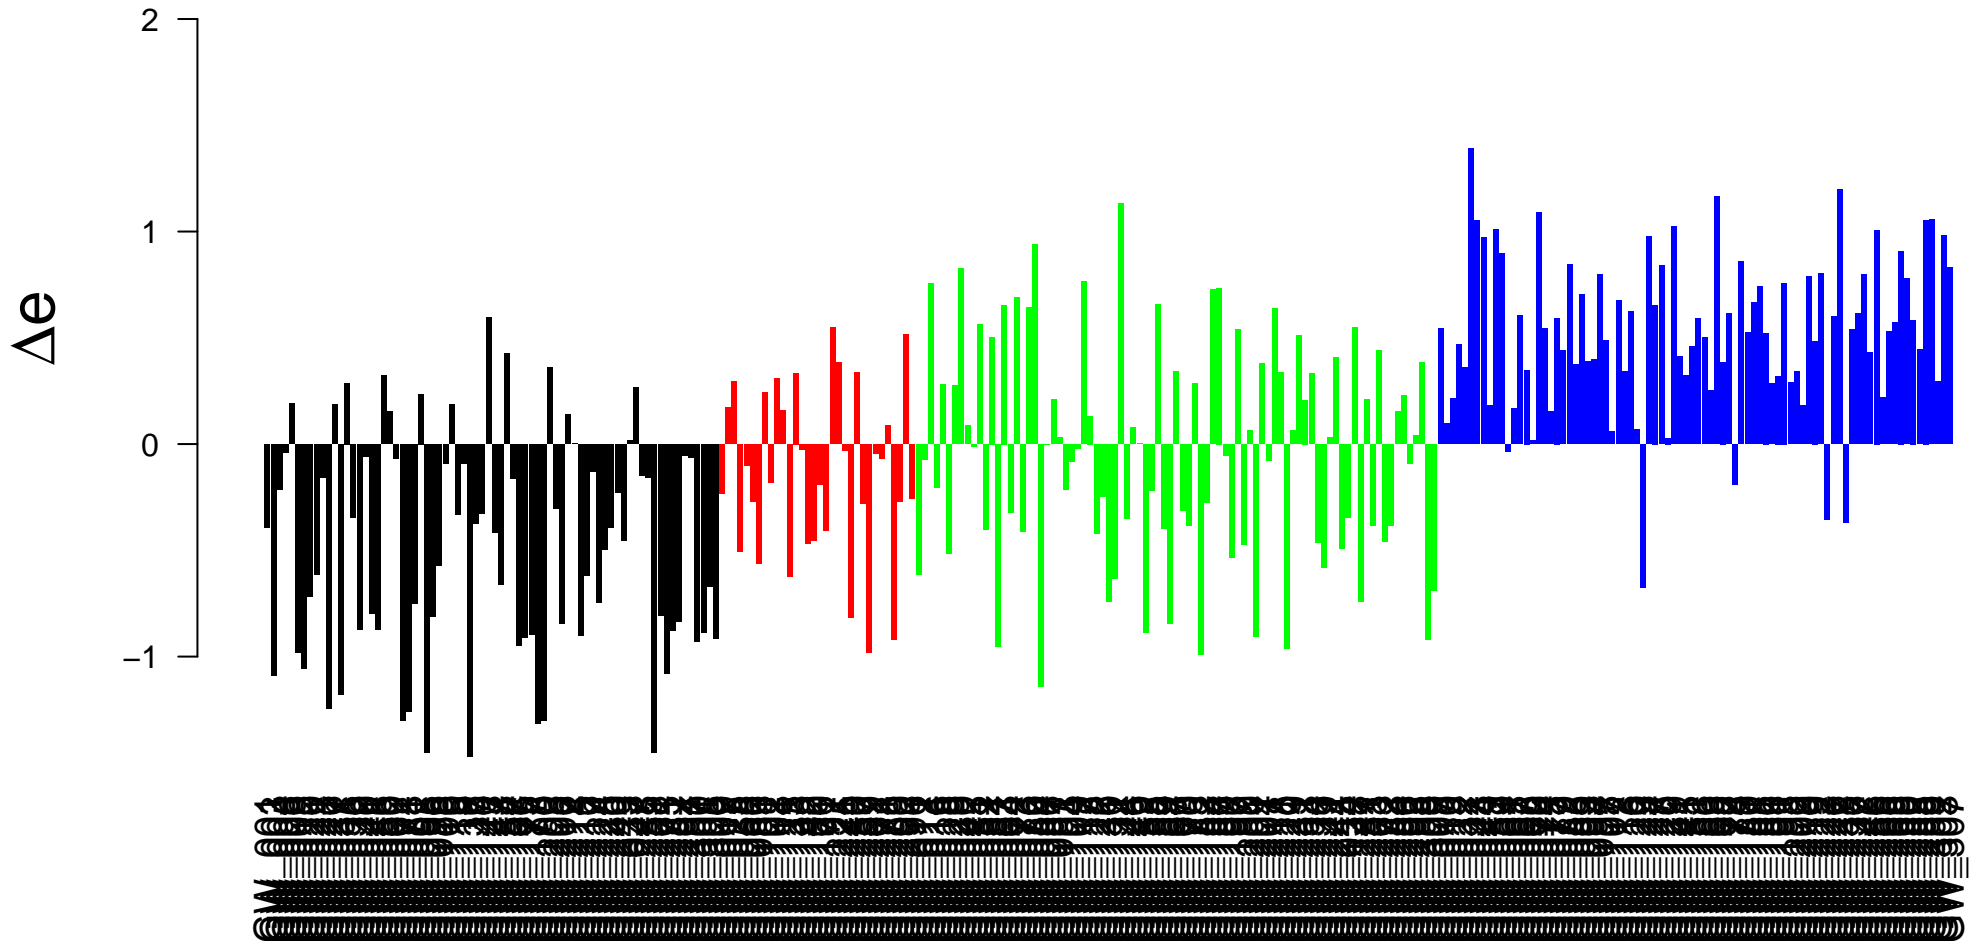

Expression of immune response in Spot N

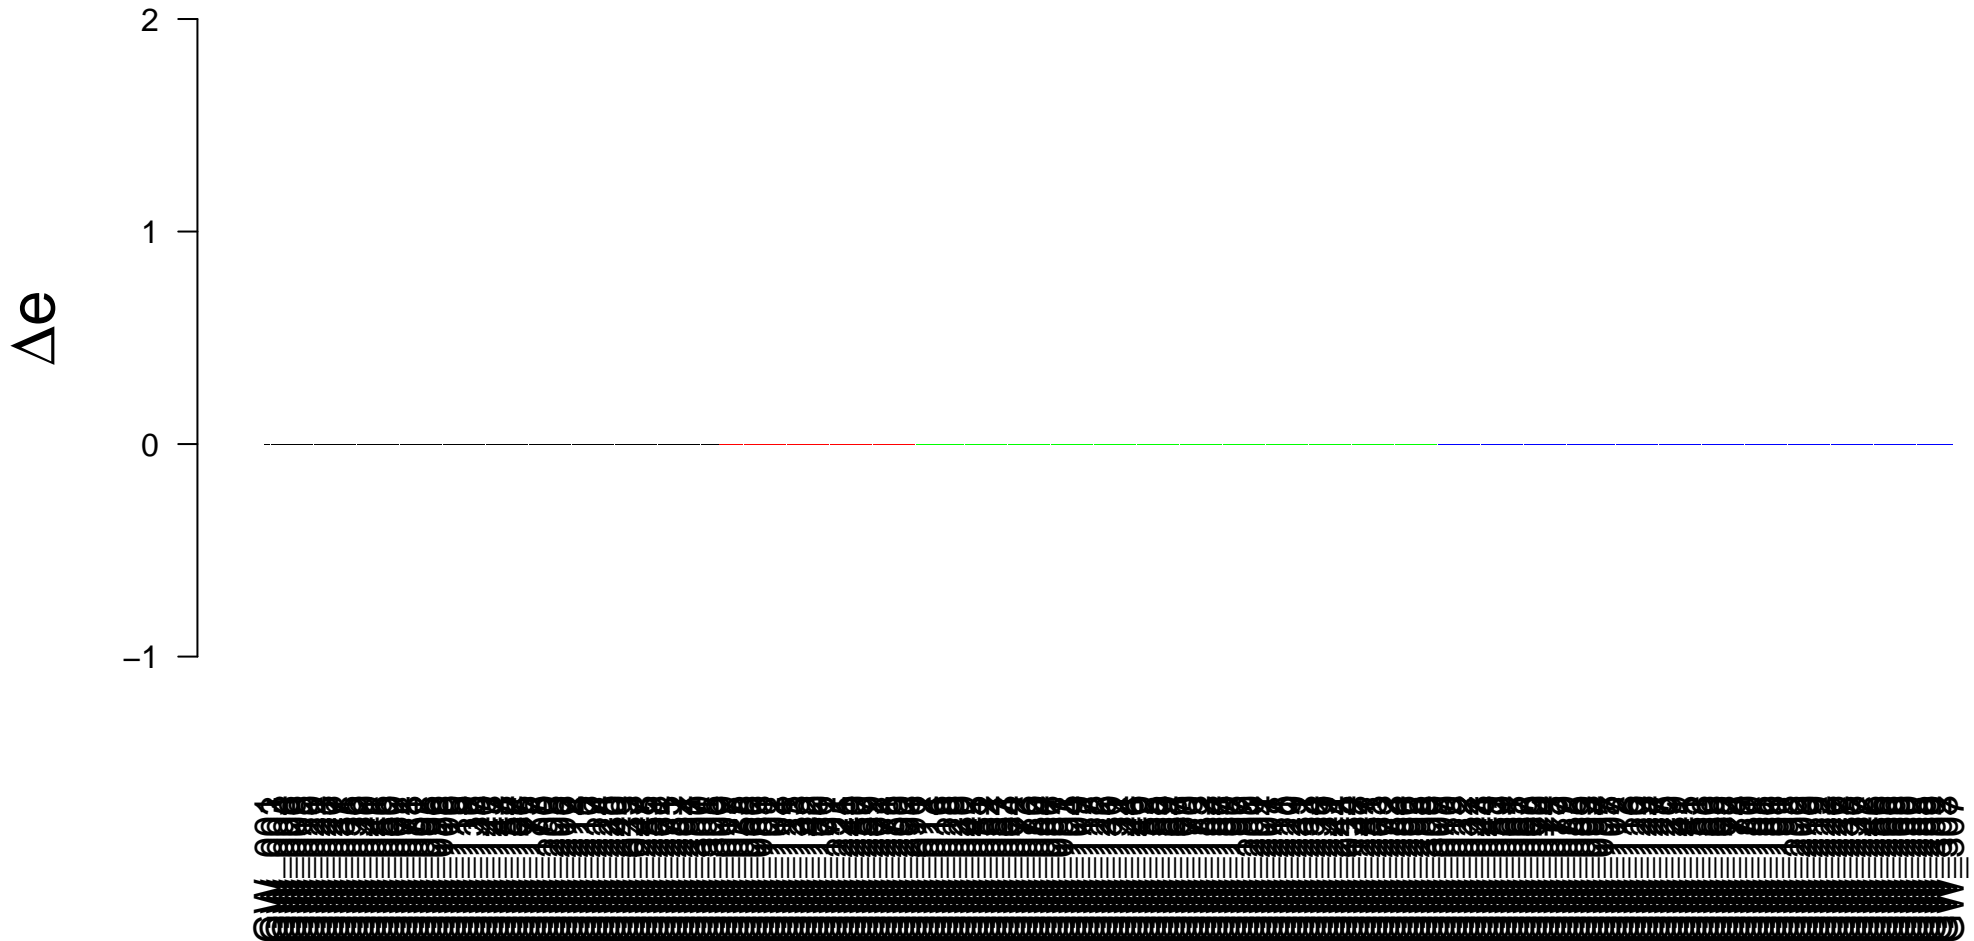

Δe

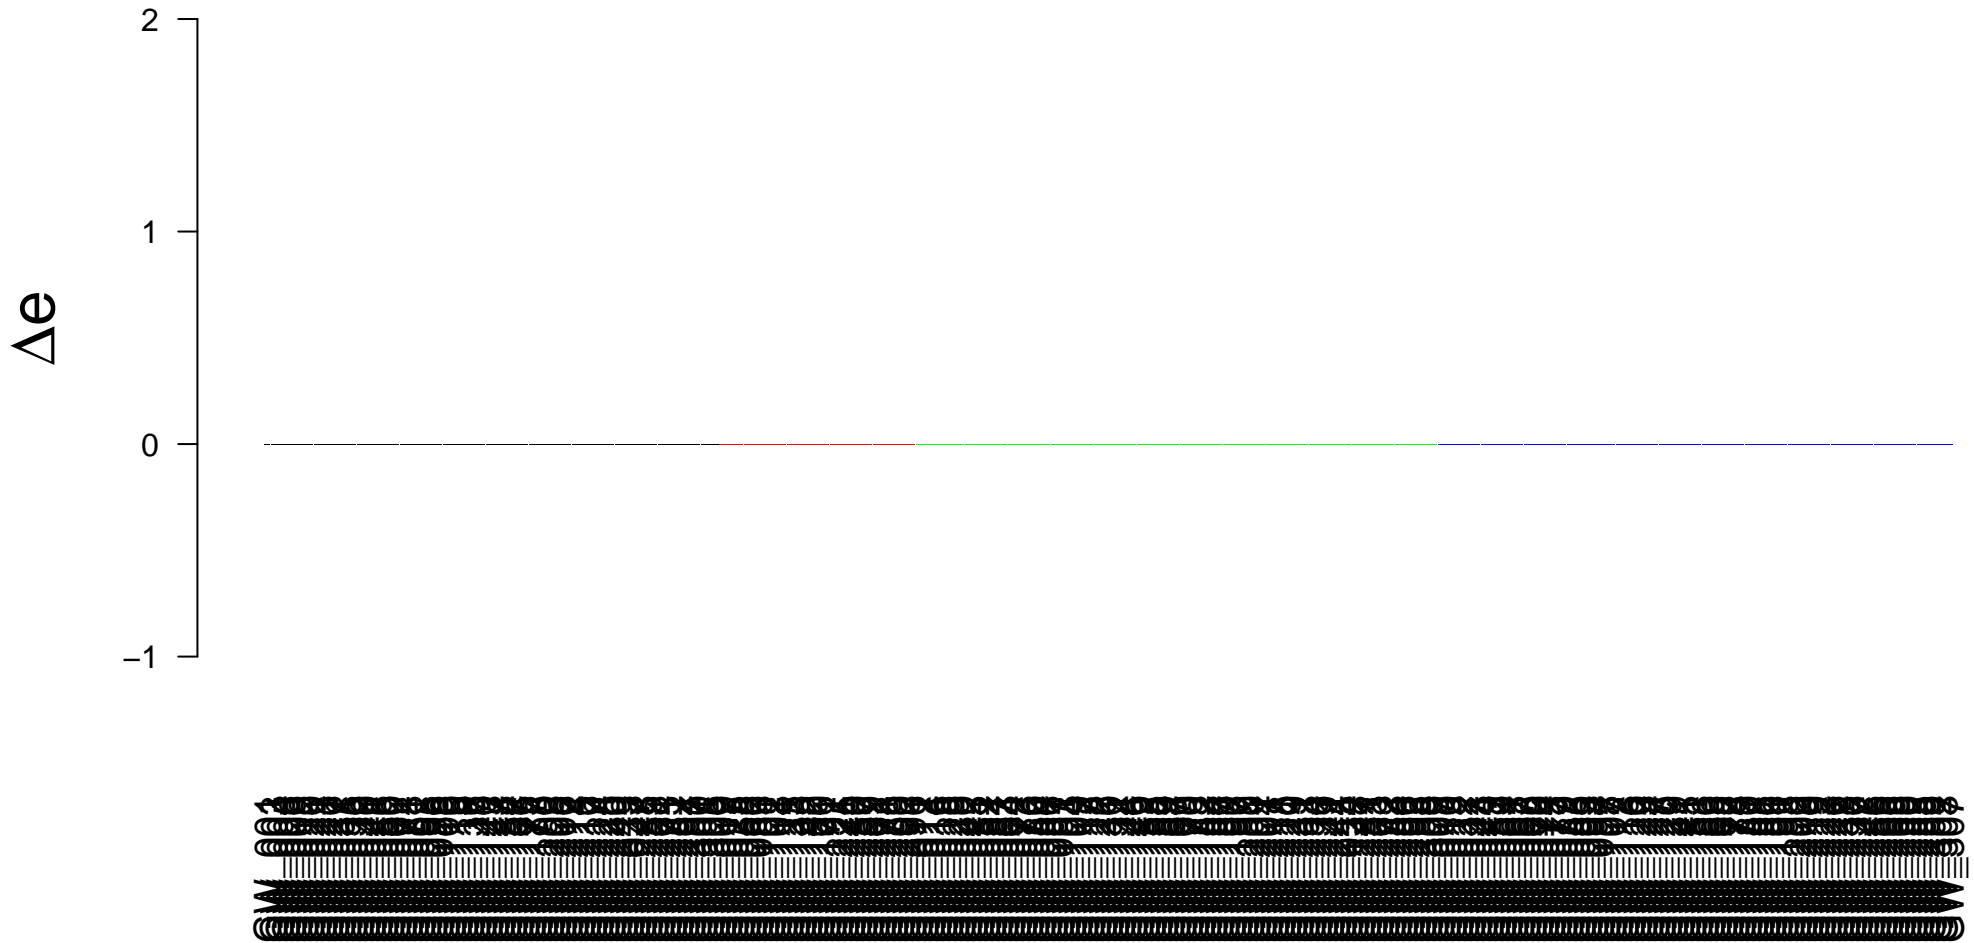

Expression of immune response in Spot O

Expression of immune response in Spot P

Expression of immune response in Spot Q

Expression of immune response in Spot R
