

in vivo astrocytes vs. cultured astroglia

in vivo astrocytes vs. cultured astroglia

Enrichment in spots: in vivo astrocytes vs. cultured astroglia

Expression of in vivo astrocytes vs. cultured astroglia in Spot B

Expression of in vivo astrocytes vs. cultured astroglia in Spot C

Expression of in vivo astrocytes vs. cultured astroglia in Spot D

Expression of in vivo astrocytes vs. cultured astroglia in Spot E

Expression of in vivo astrocytes vs. cultured astroglia in Spot F

Expression of in vivo astrocytes vs. cultured astroglia in Spot G

Expression of in vivo astrocytes vs. cultured astroglia in Spot H

Expression of in vivo astrocytes vs. cultured astroglia in Spot I

Expression of in vivo astrocytes vs. cultured astroglia in Spot J

Expression of in vivo astrocytes vs. cultured astroglia in Spot K

Expression of in vivo astrocytes vs. cultured astroglia in Spot L
