

inflammatory response

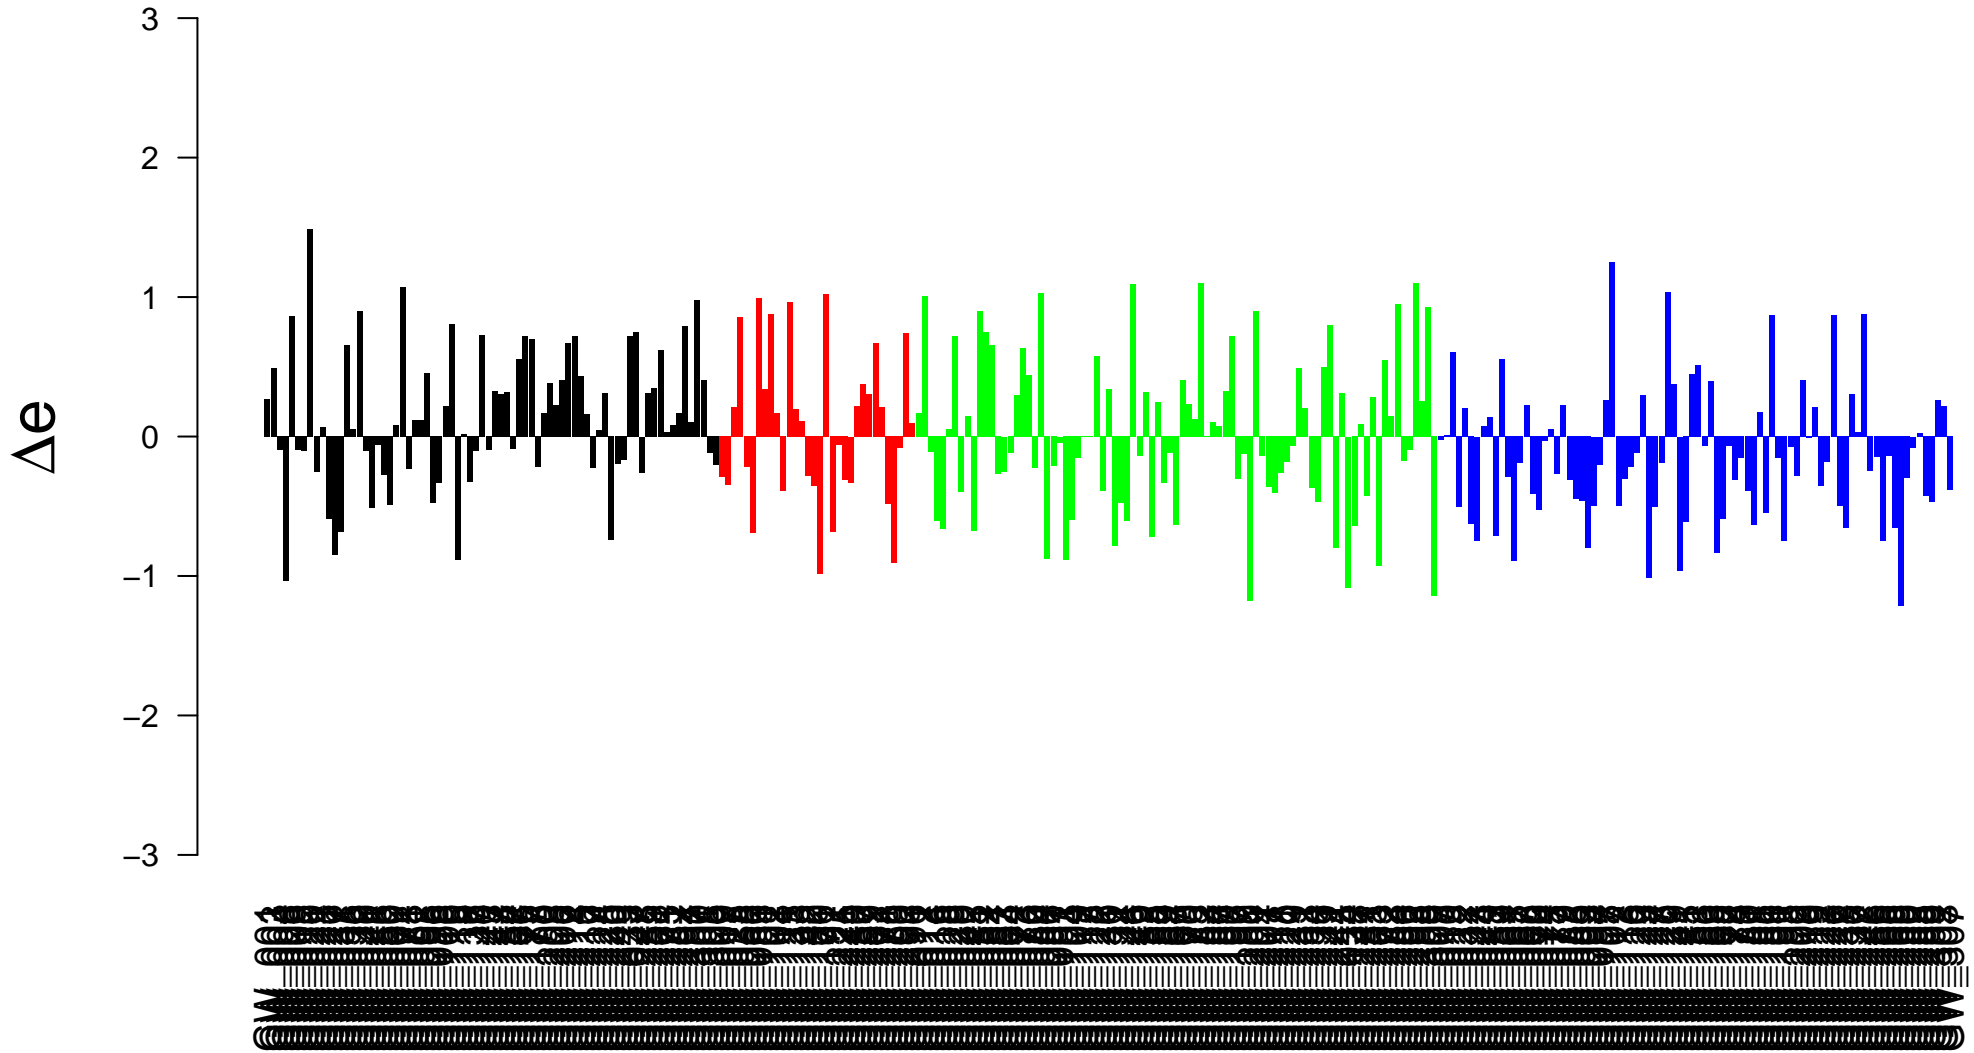

inflammatory response

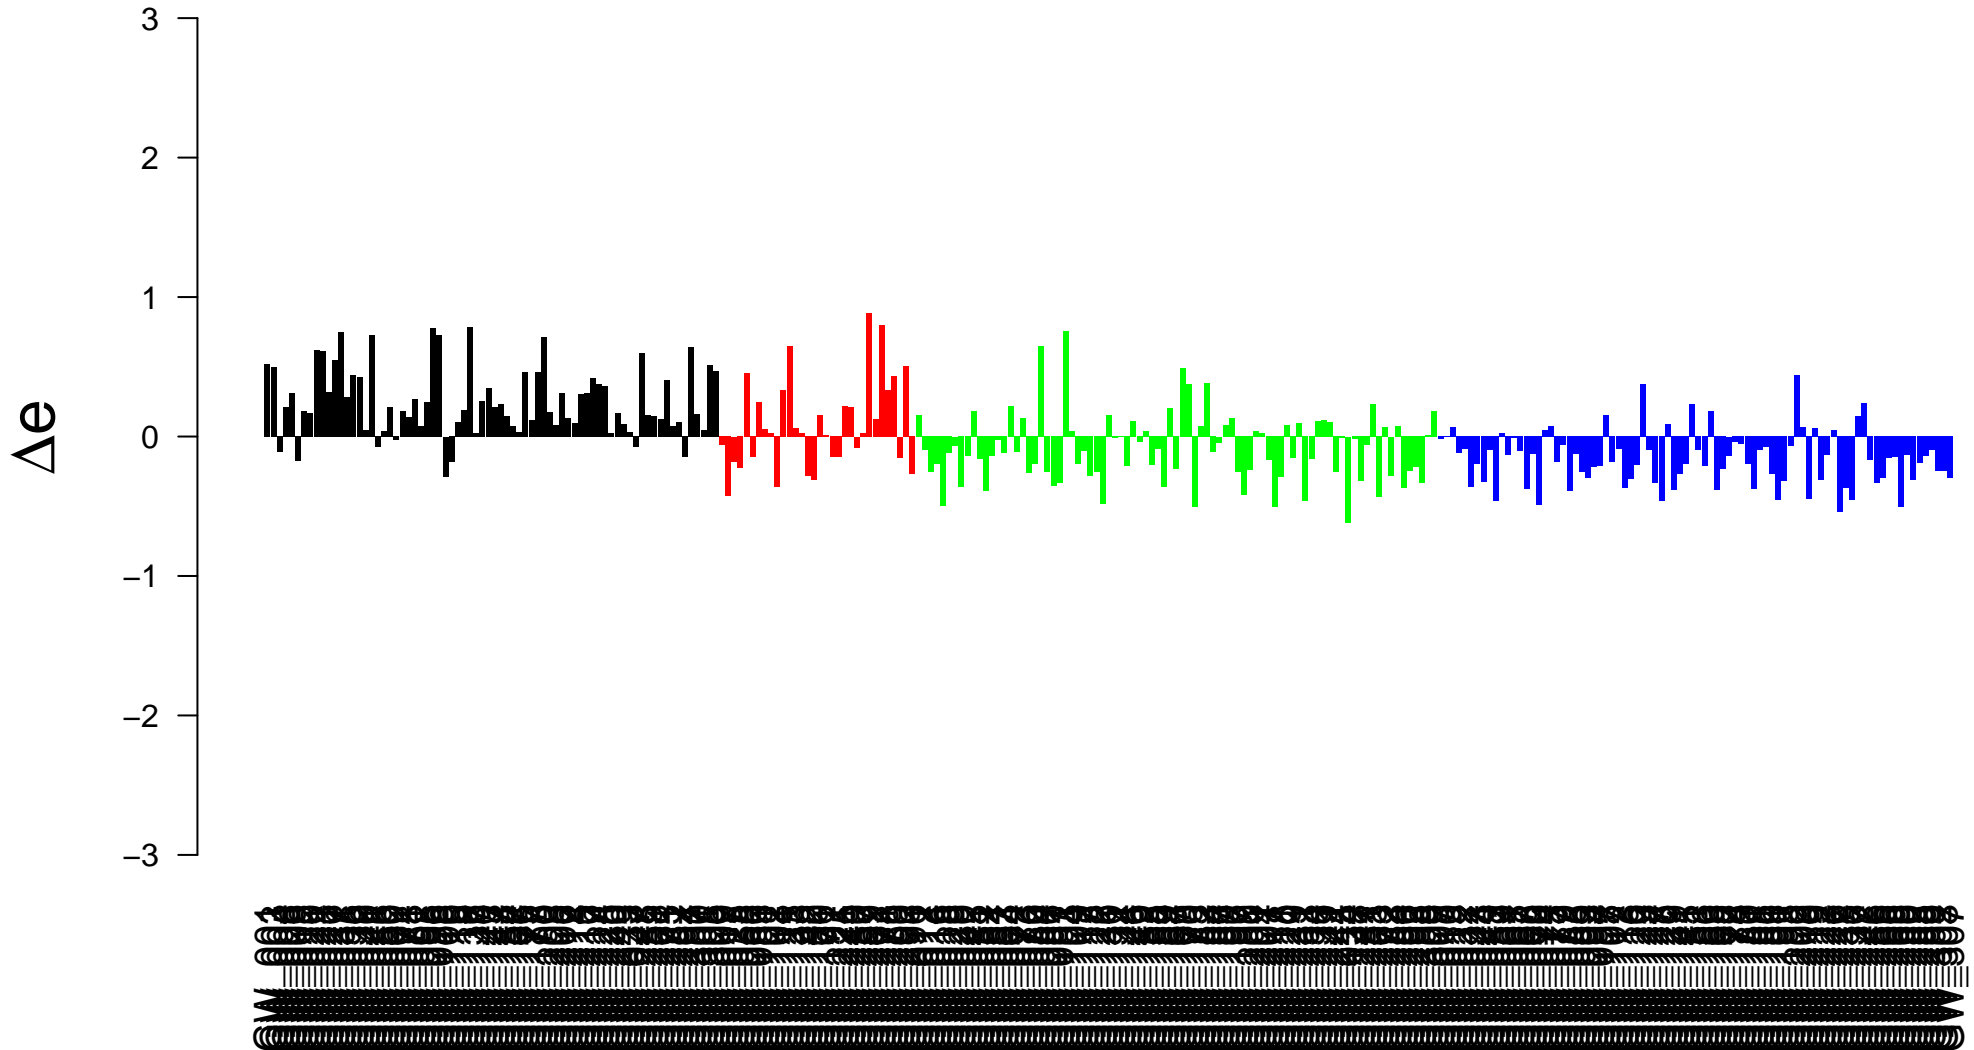

Enrichment in spots: inflammatory response

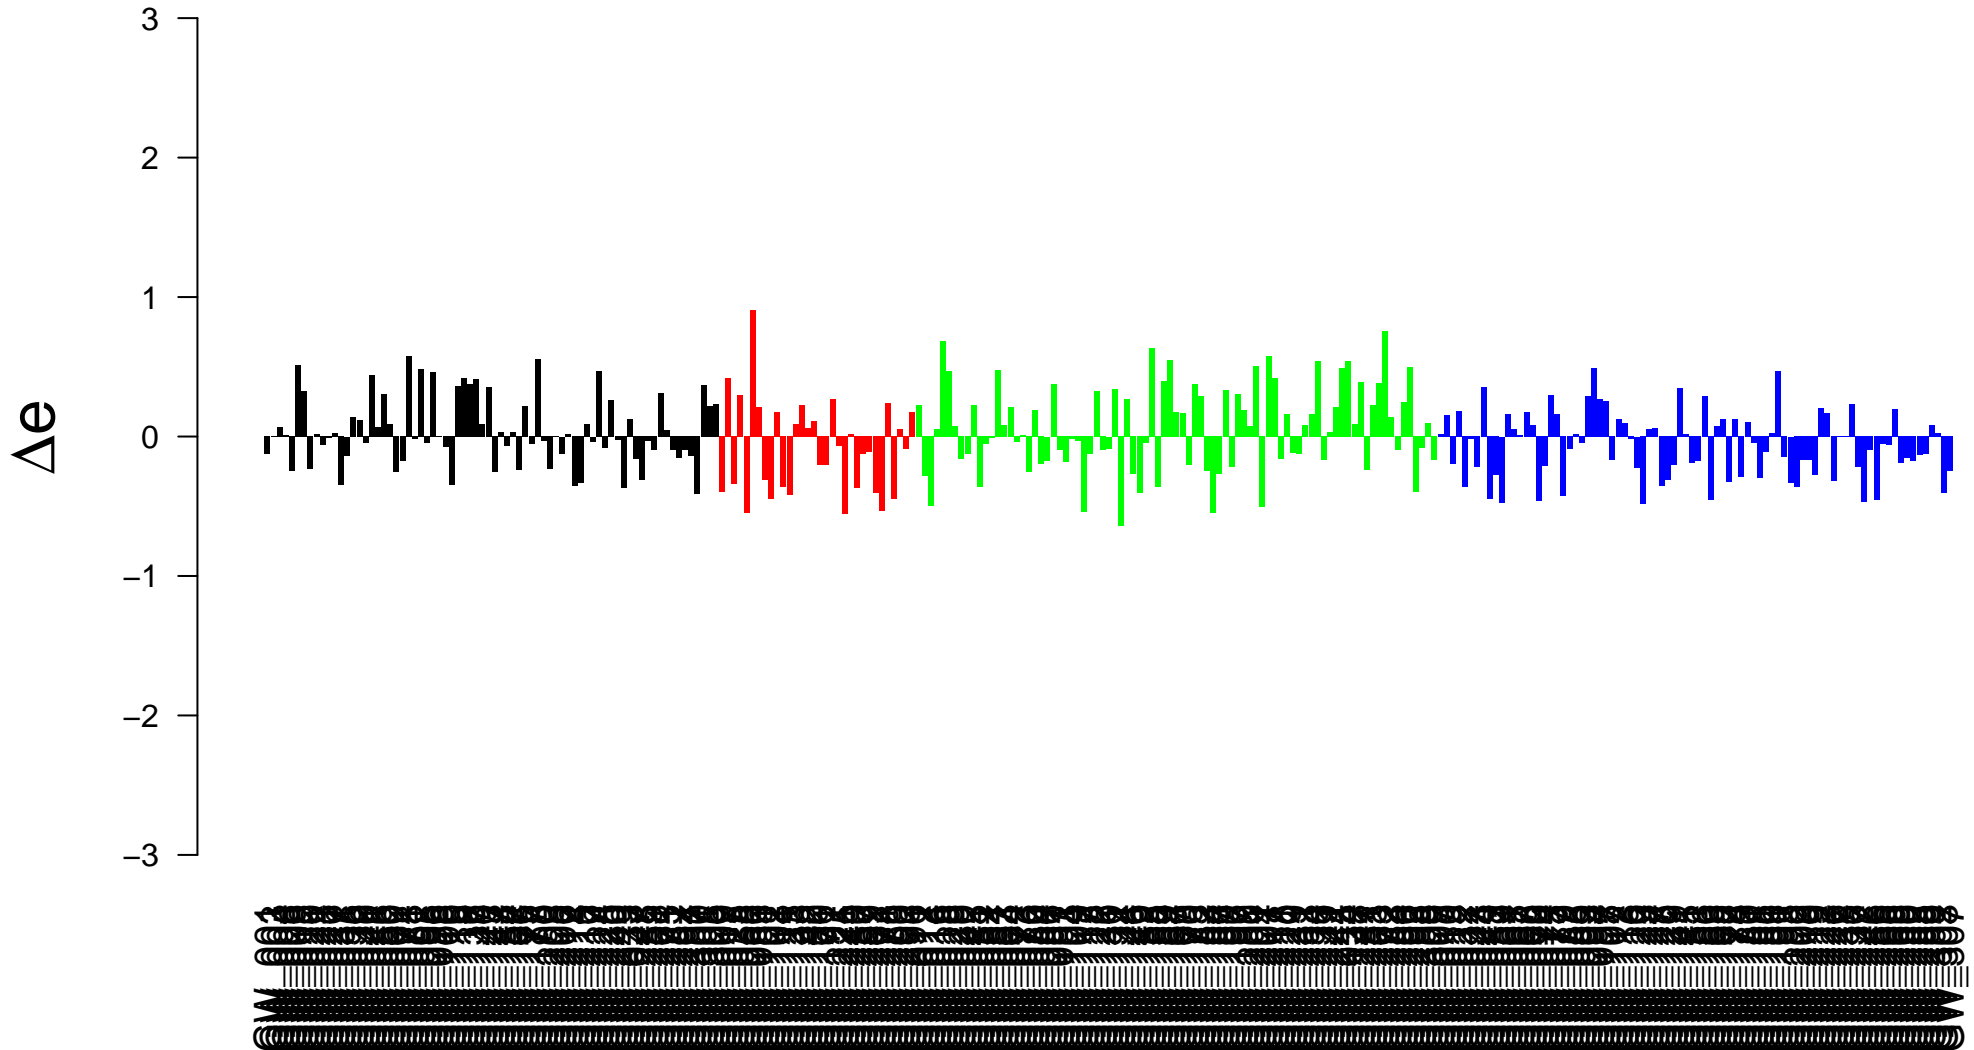

Expression of inflammatory response in Spot A

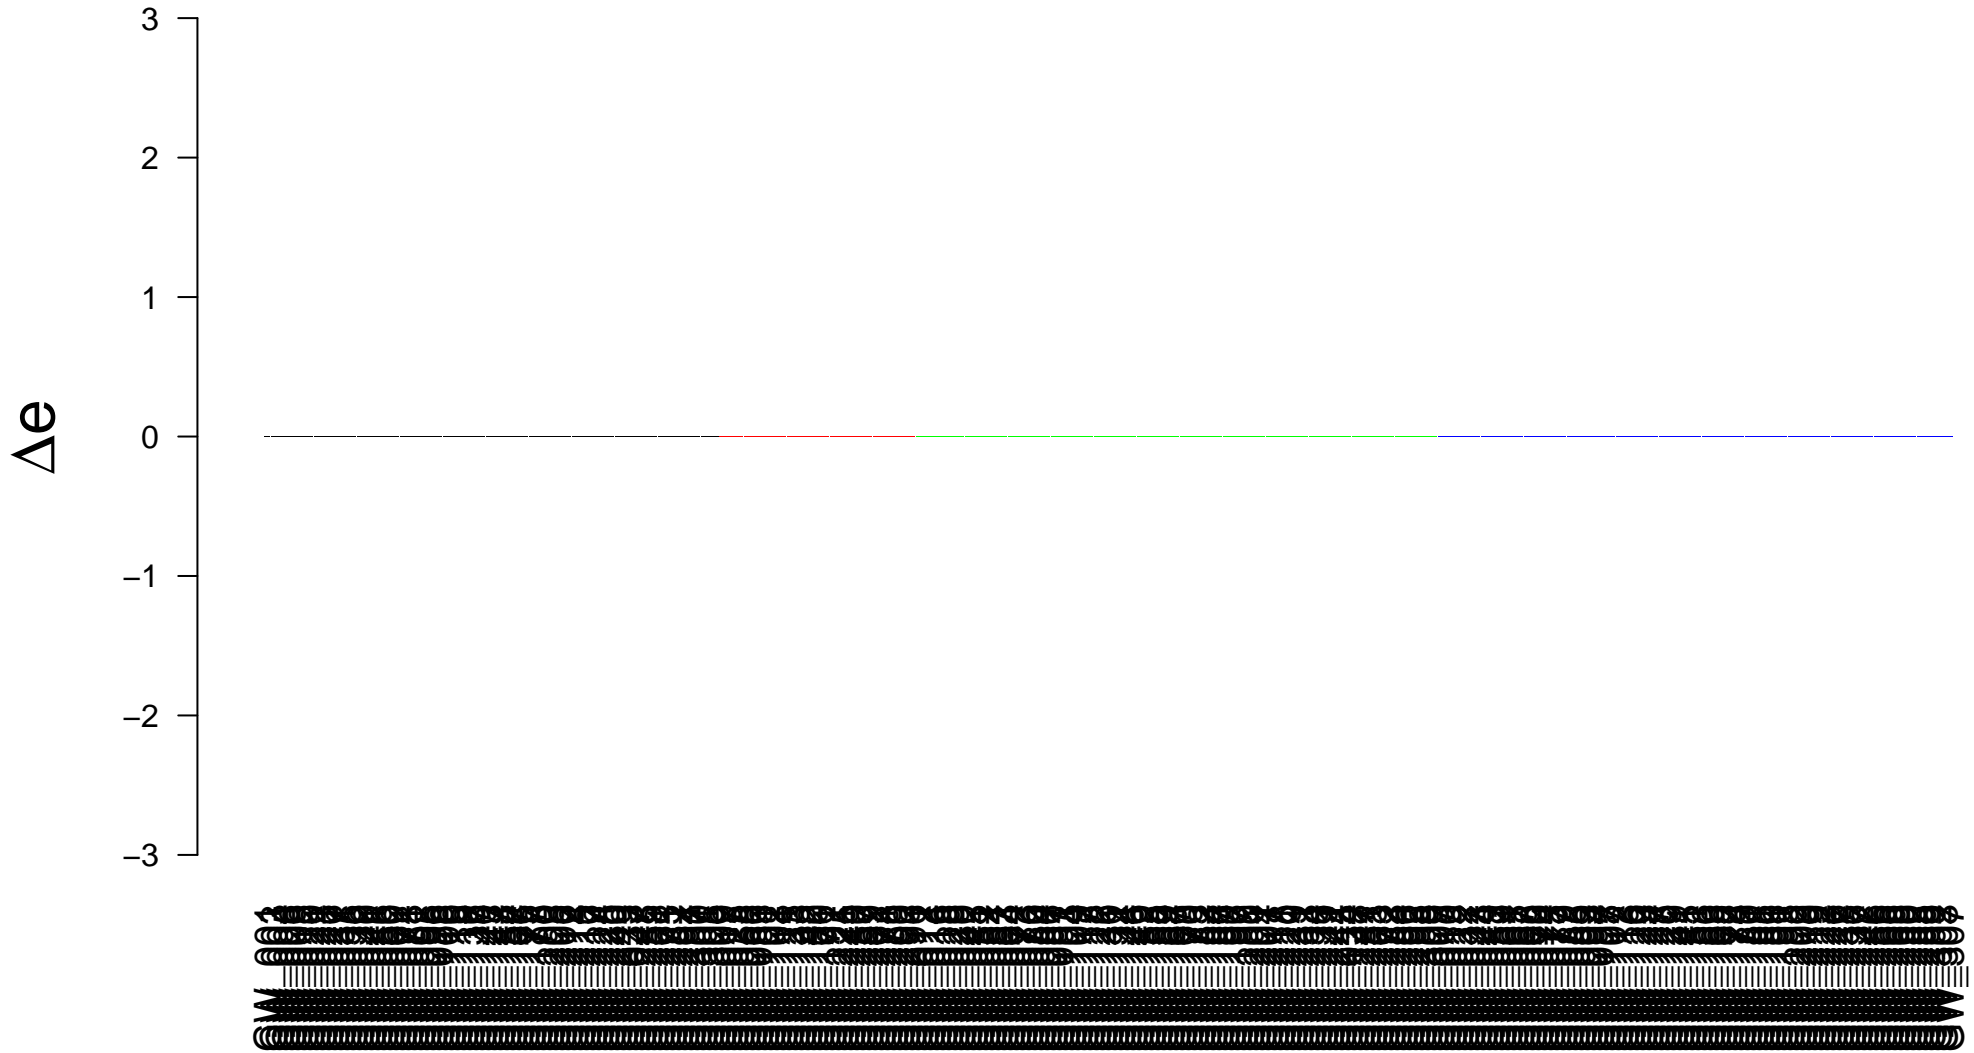

Expression of inflammatory response in Spot B

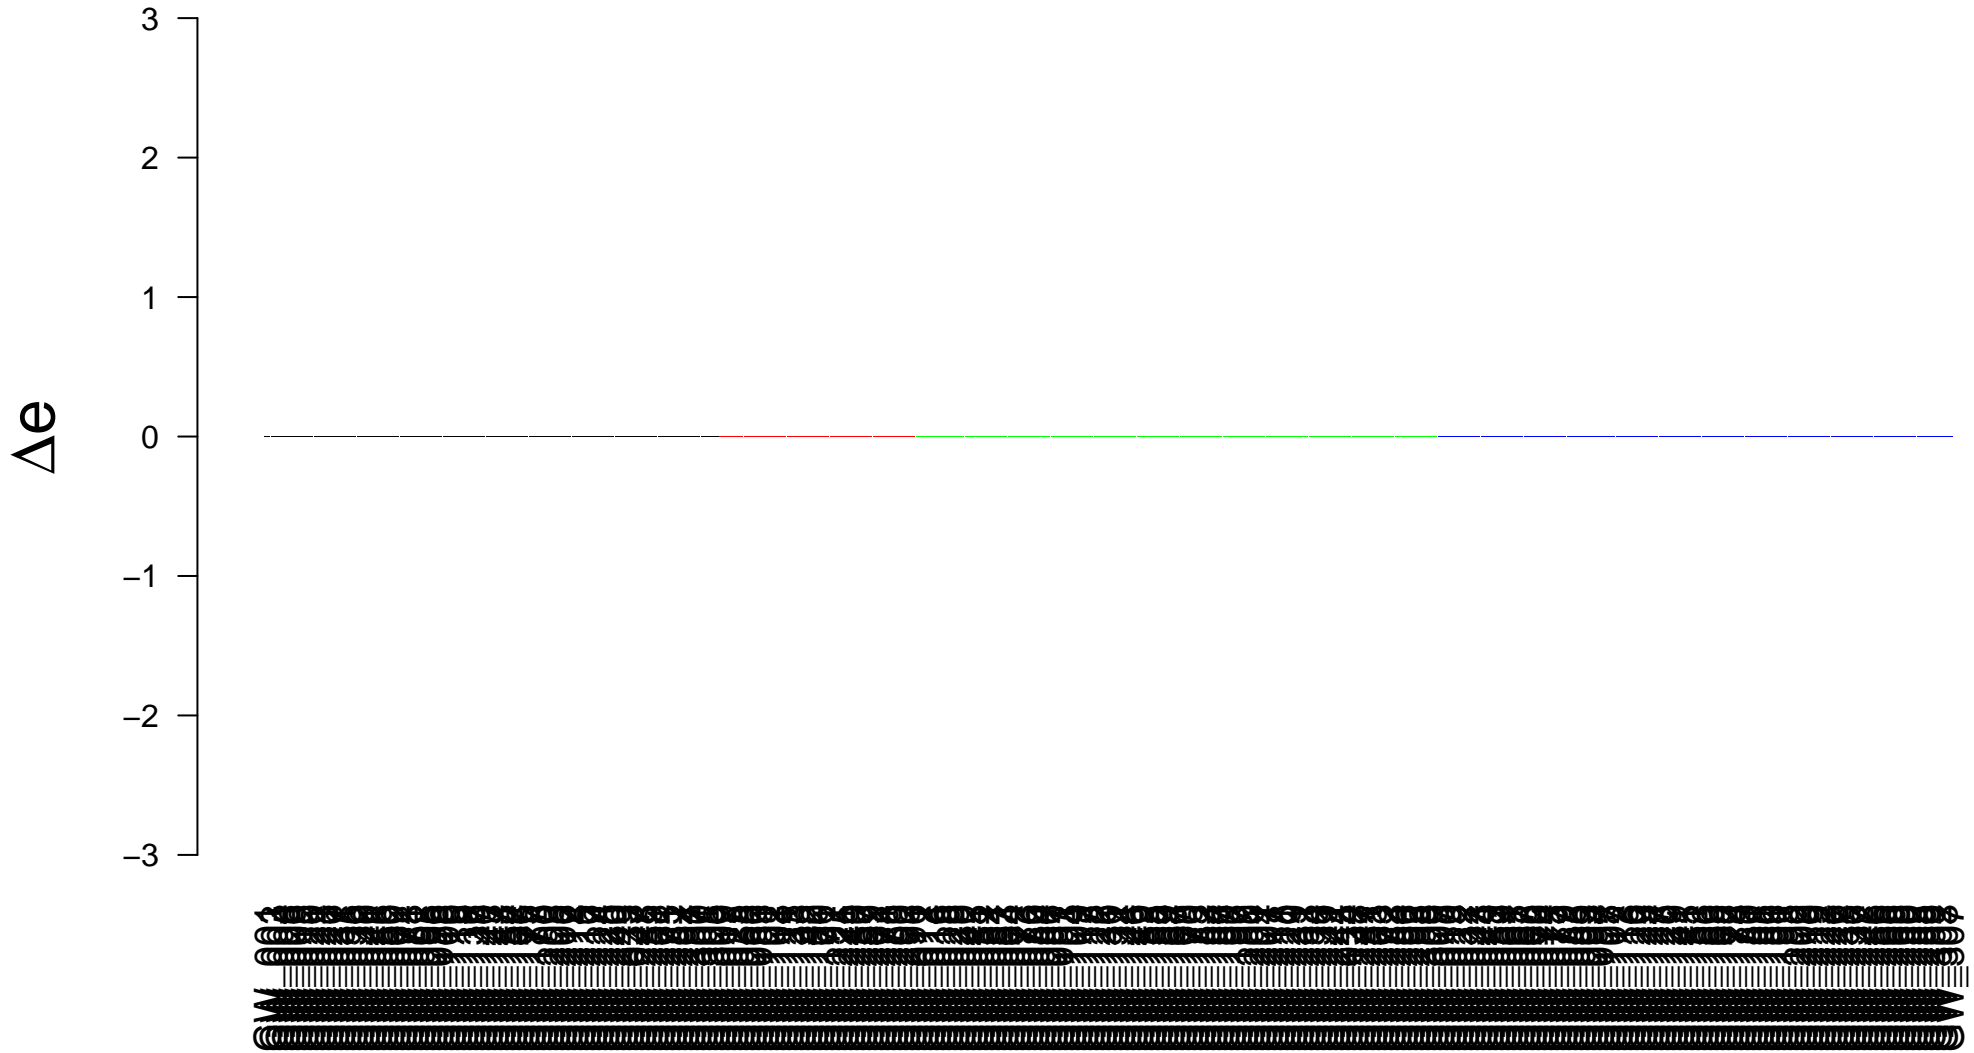

Expression of inflammatory response in Spot C

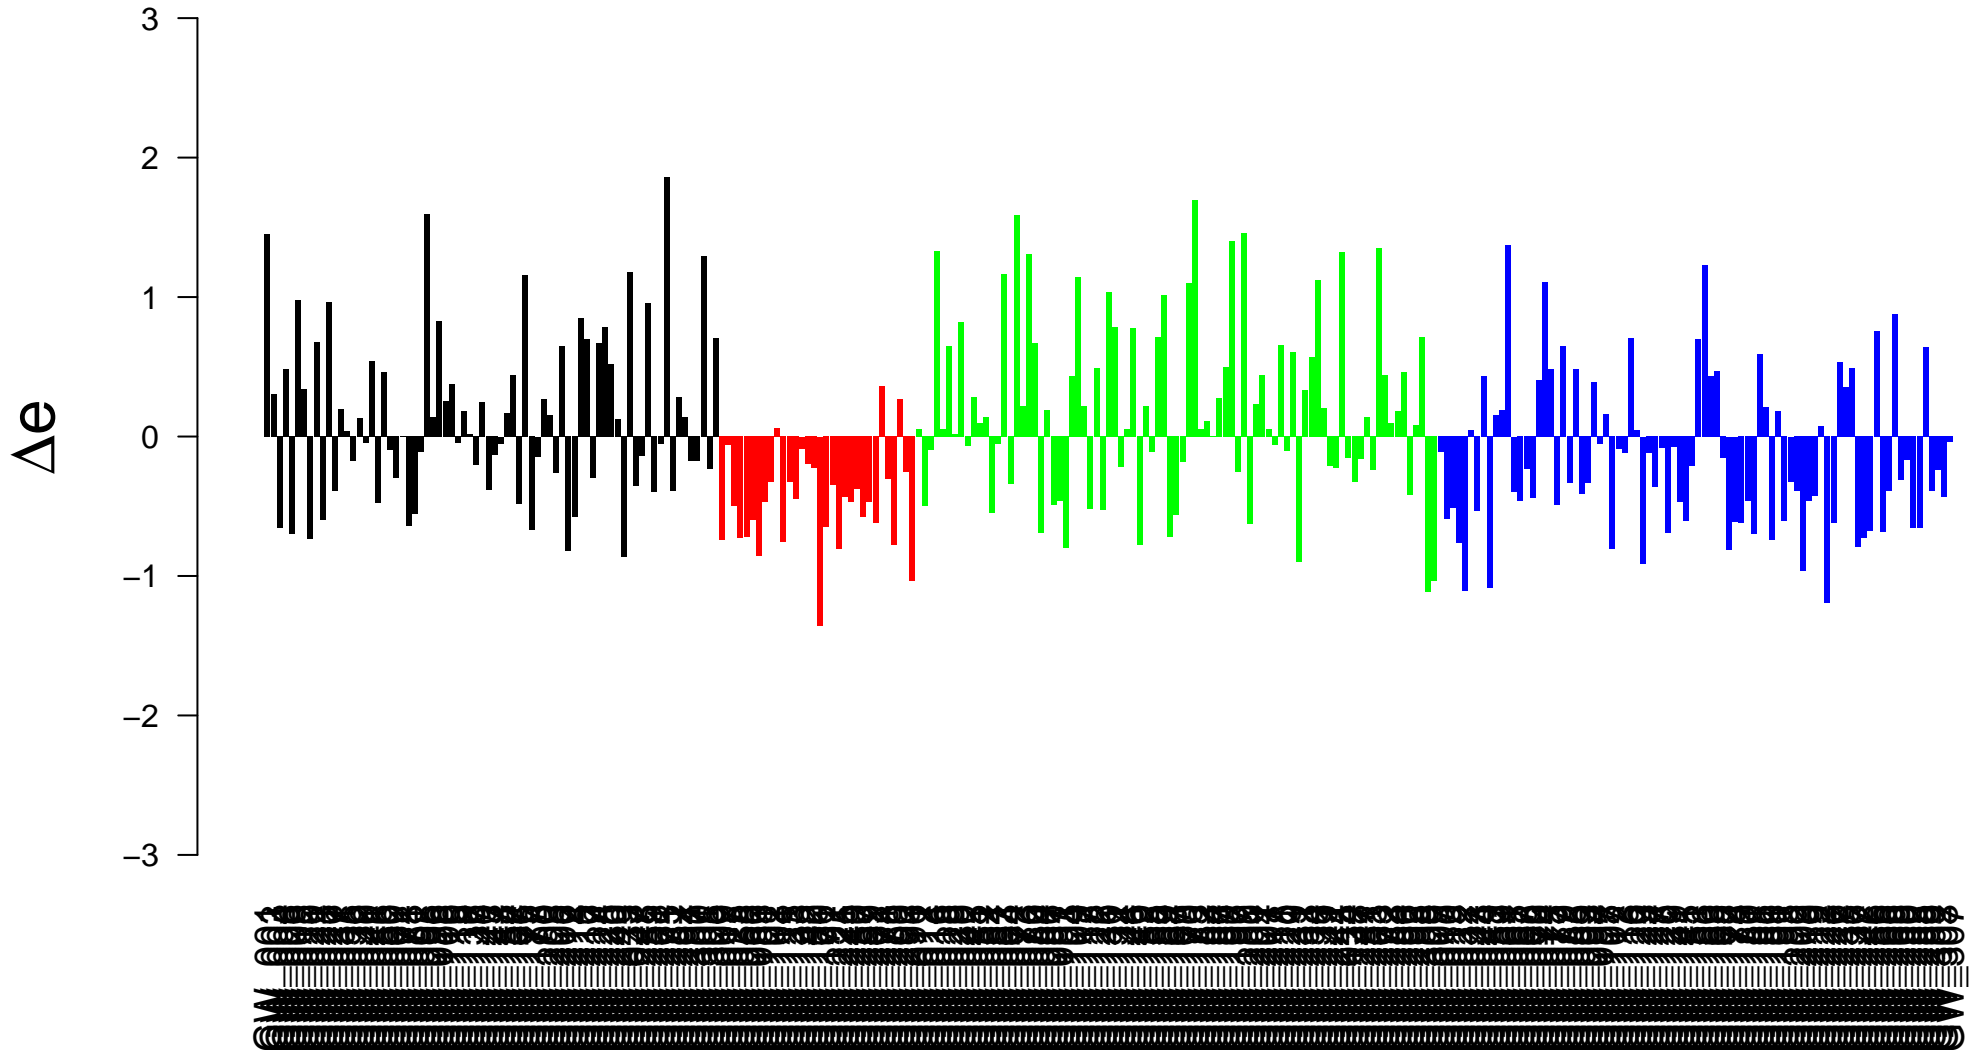

Expression of inflammatory response in Spot D

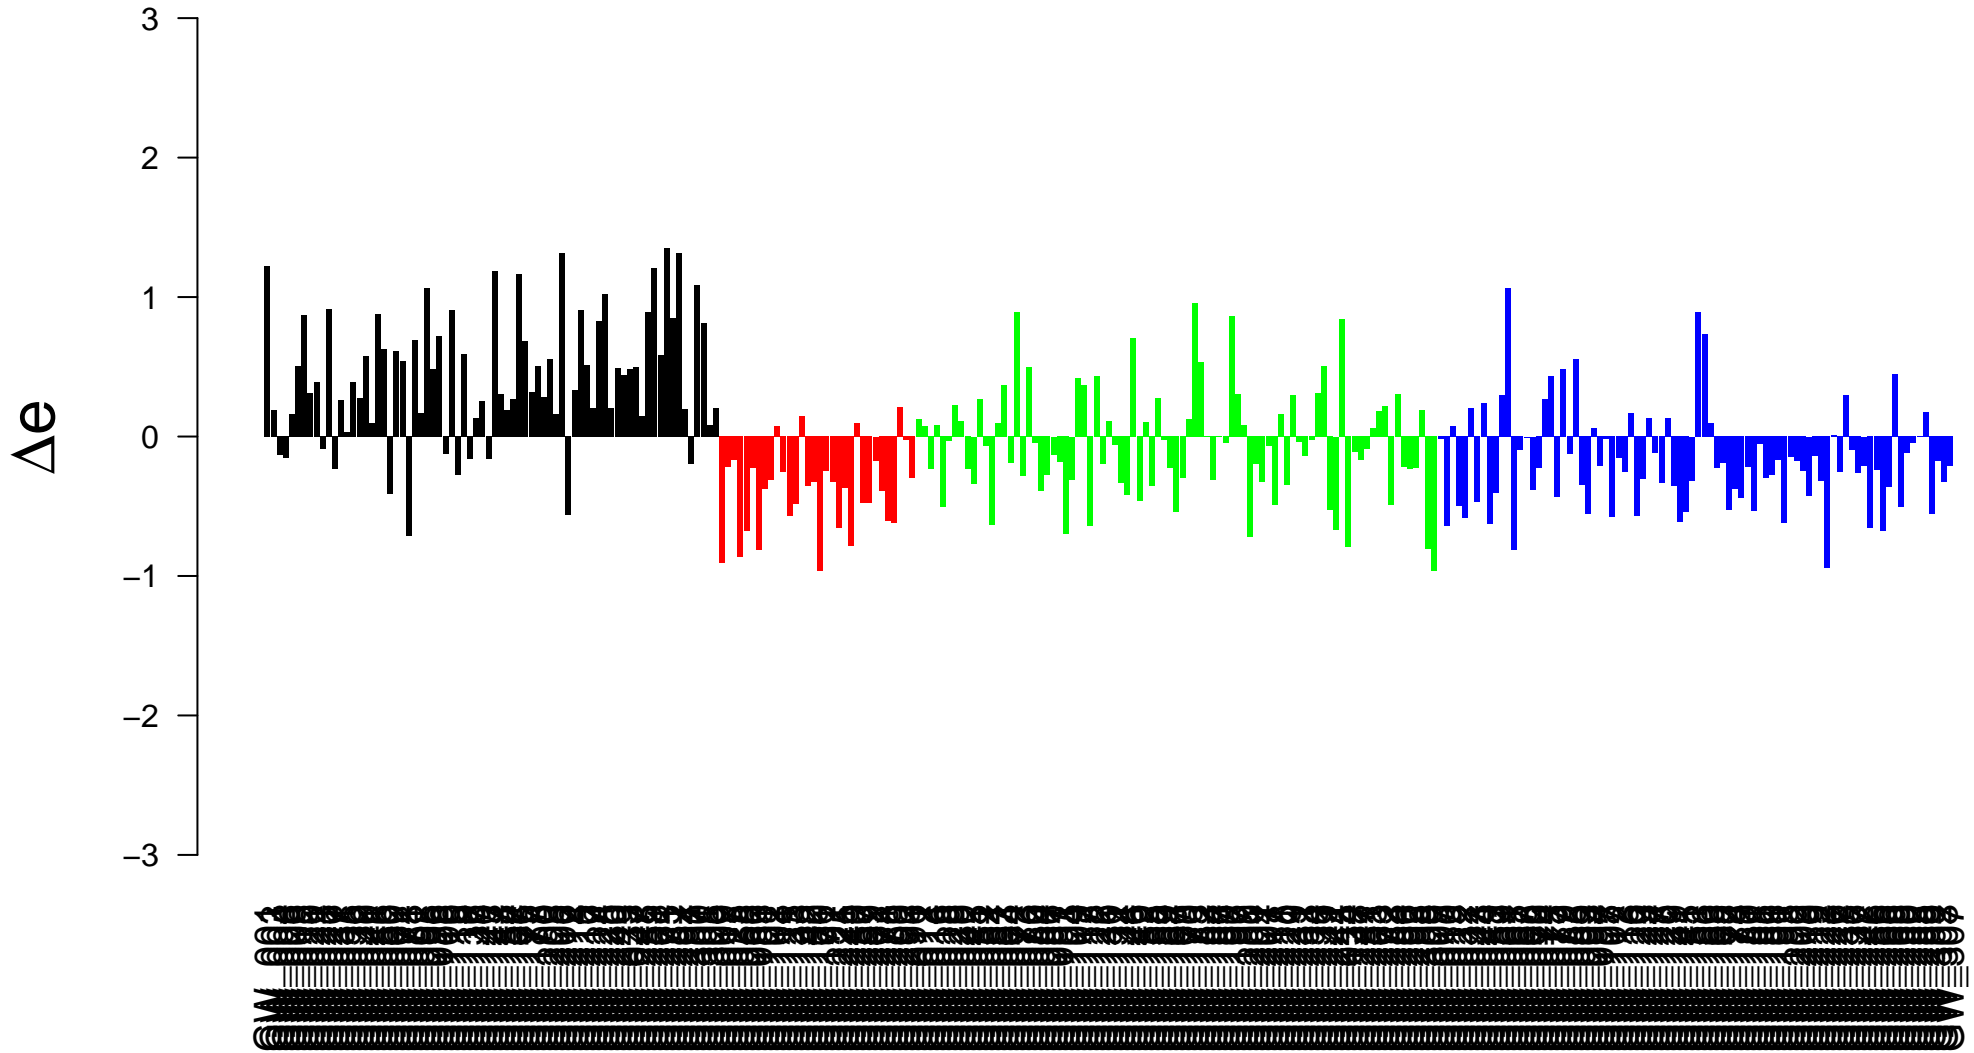

Expression of inflammatory response in Spot E

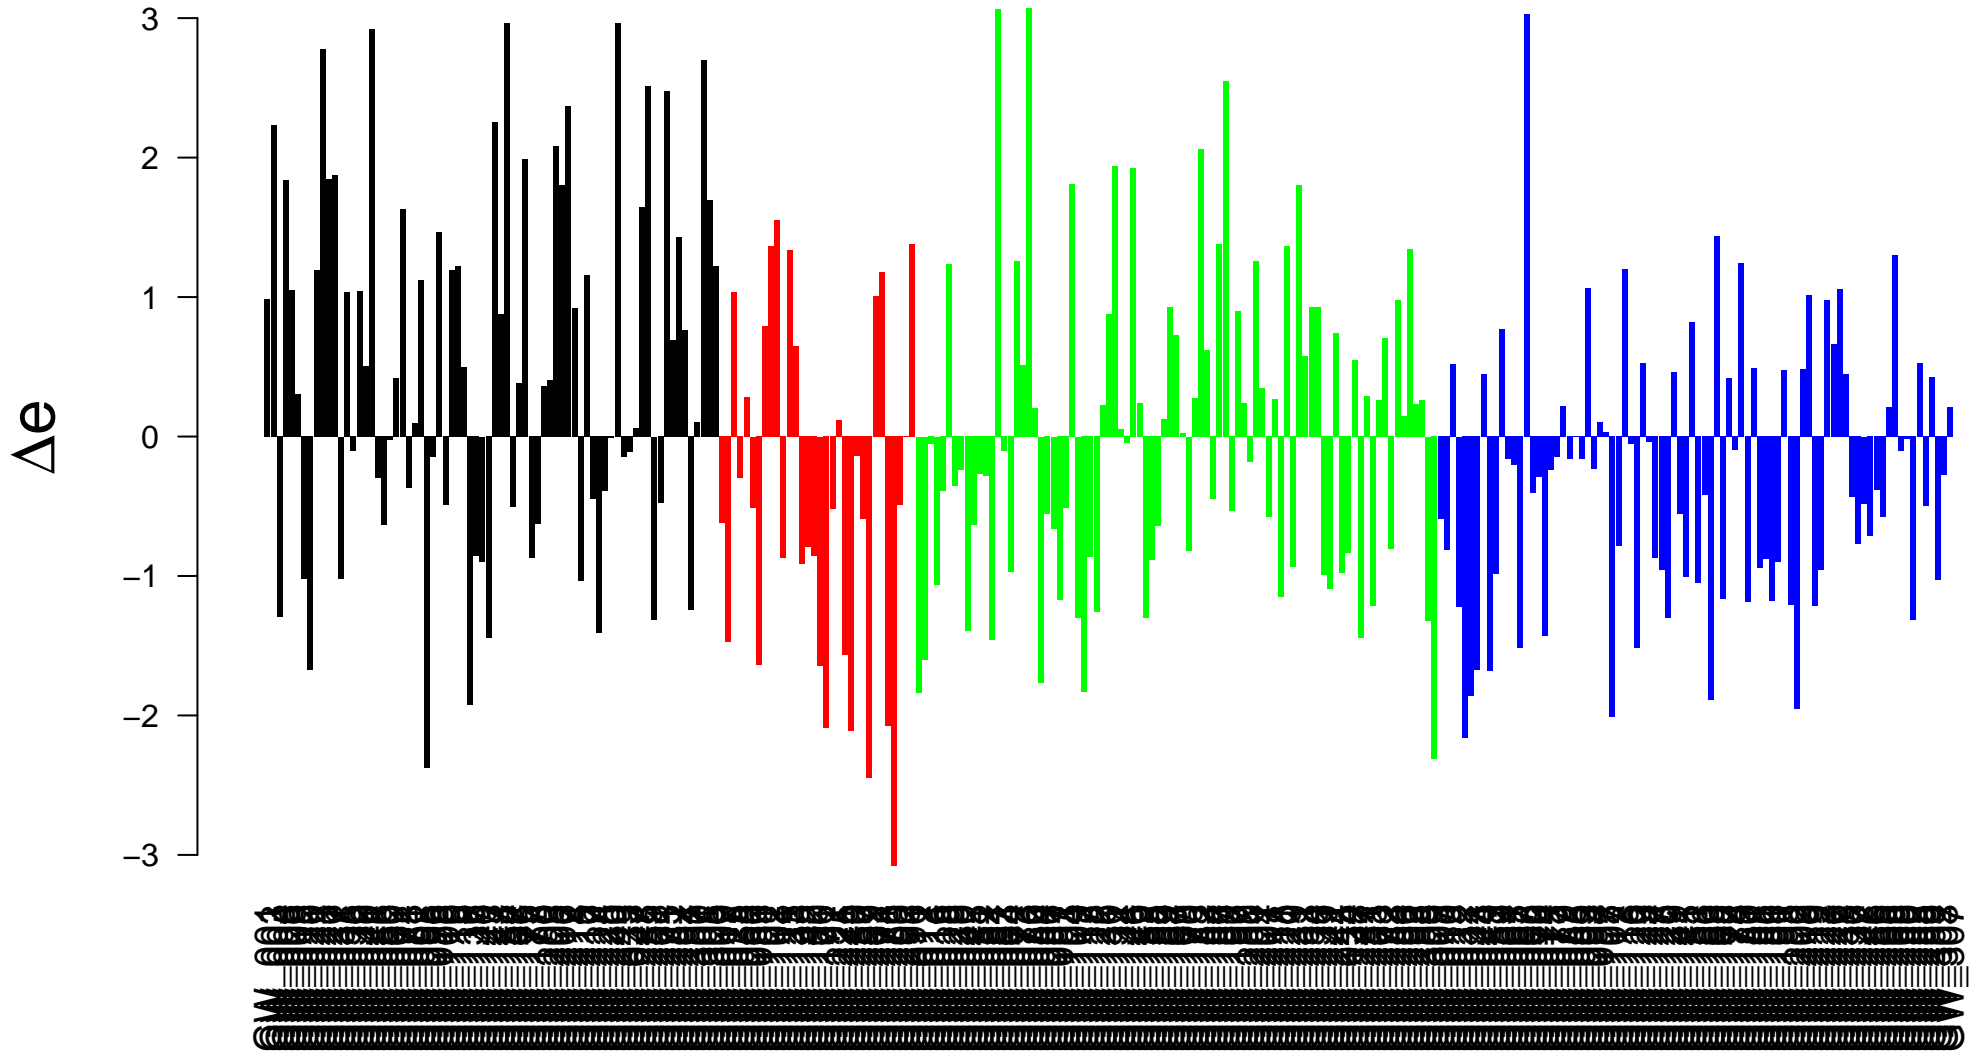

Expression of inflammatory response in Spot F

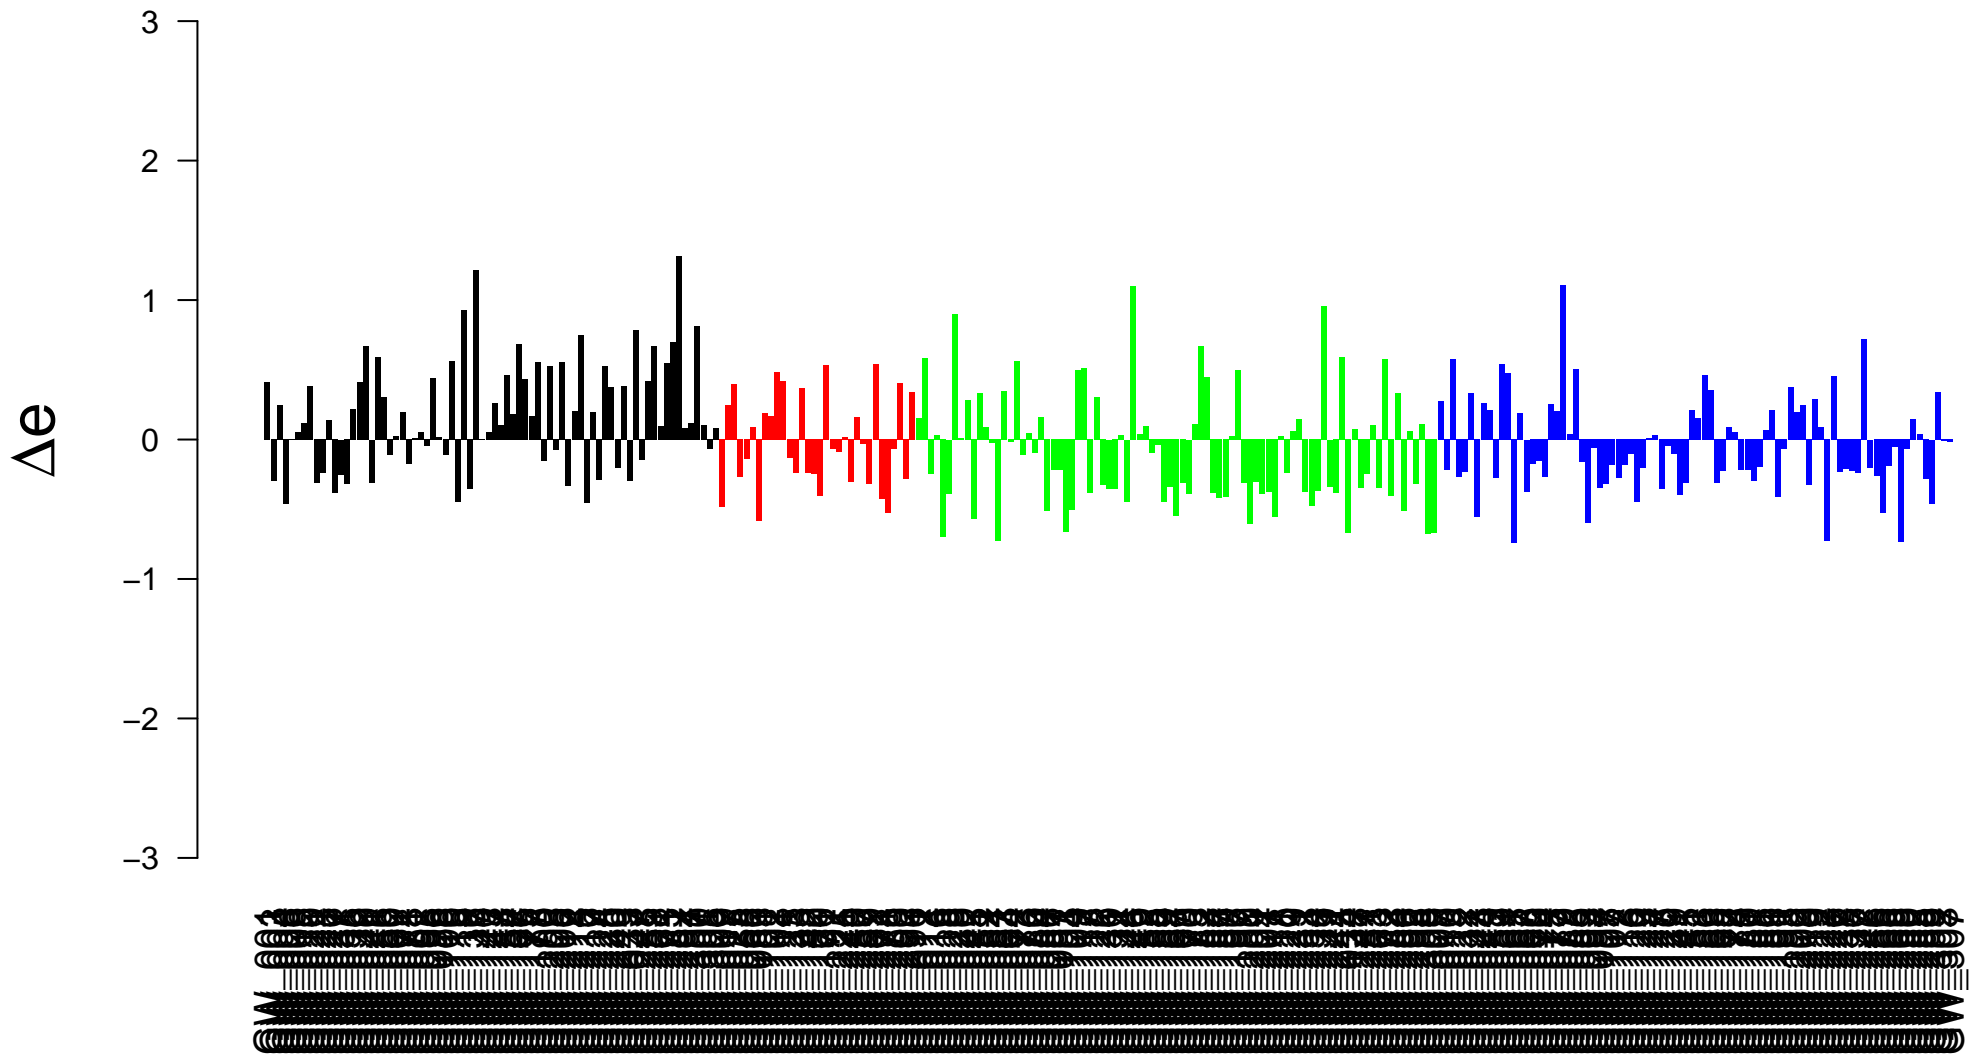

Expression of inflammatory response in Spot G

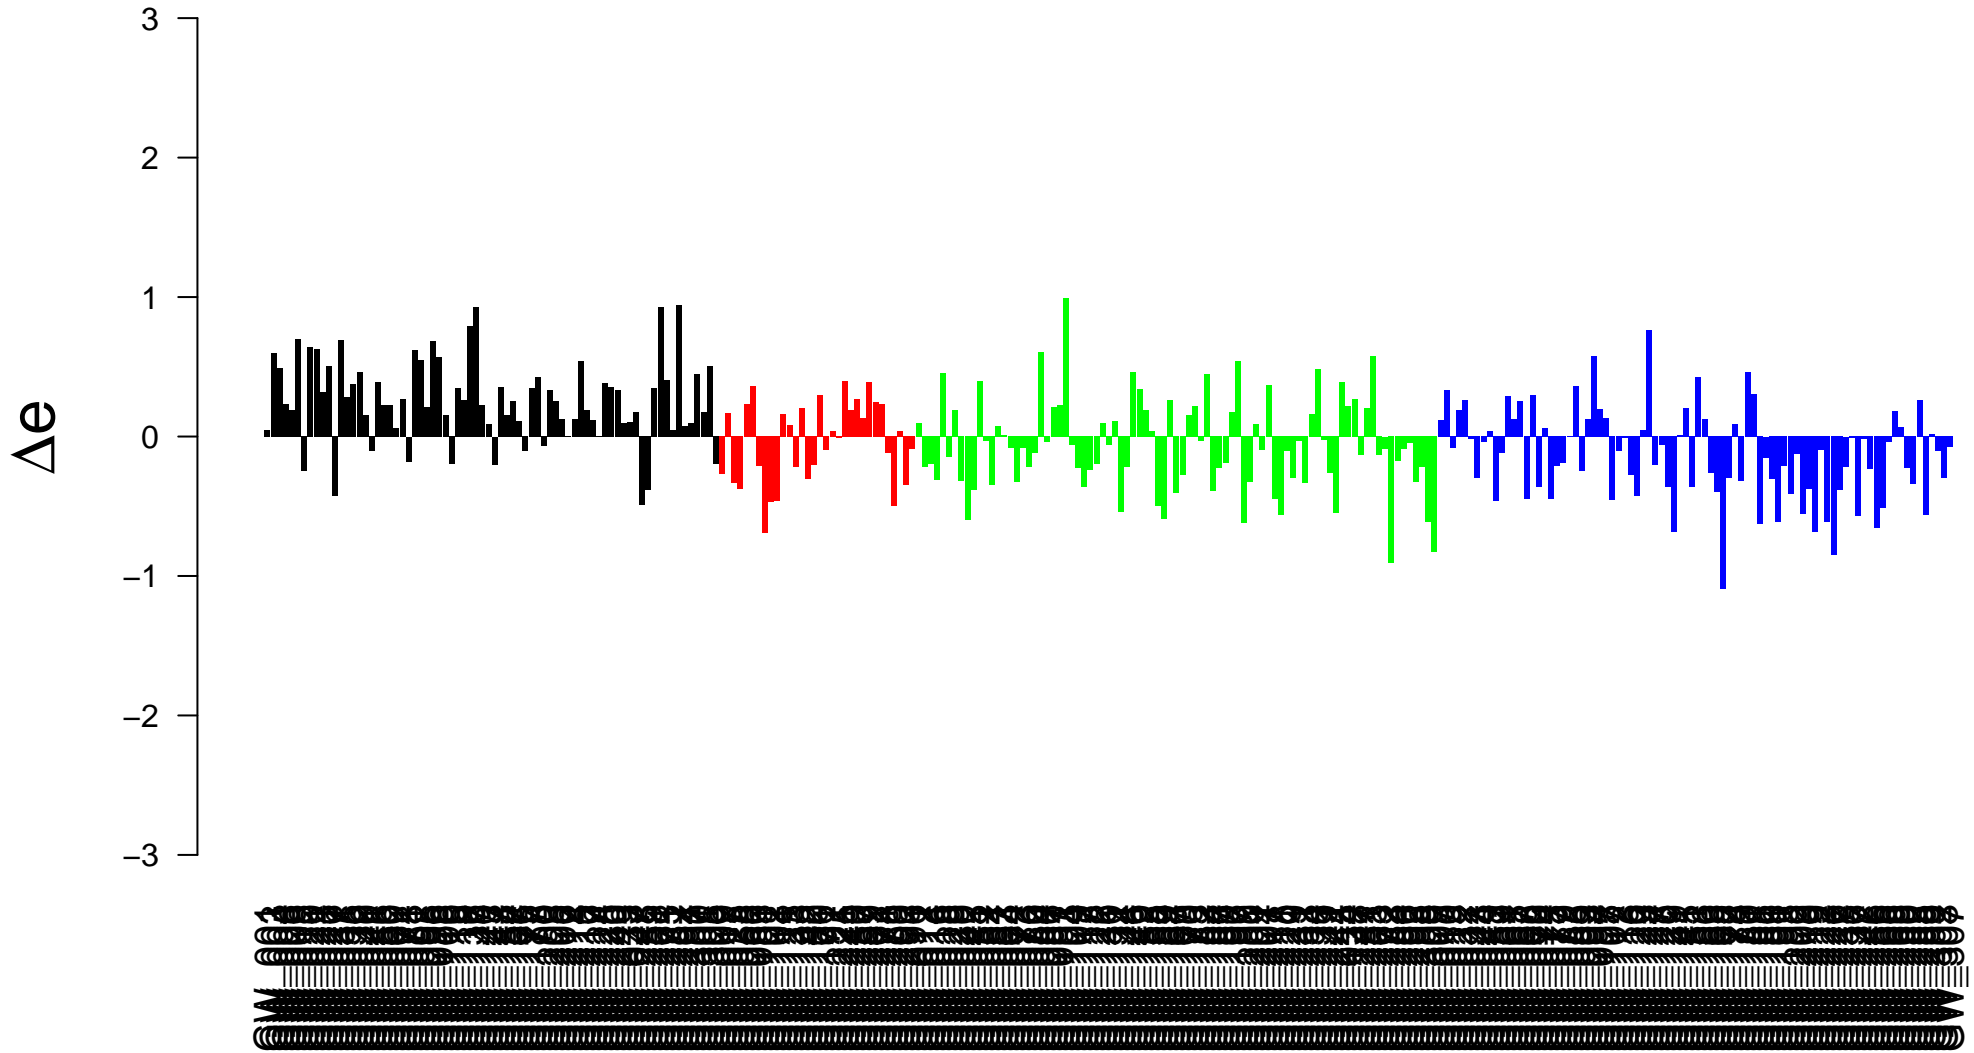

Expression of inflammatory response in Spot H

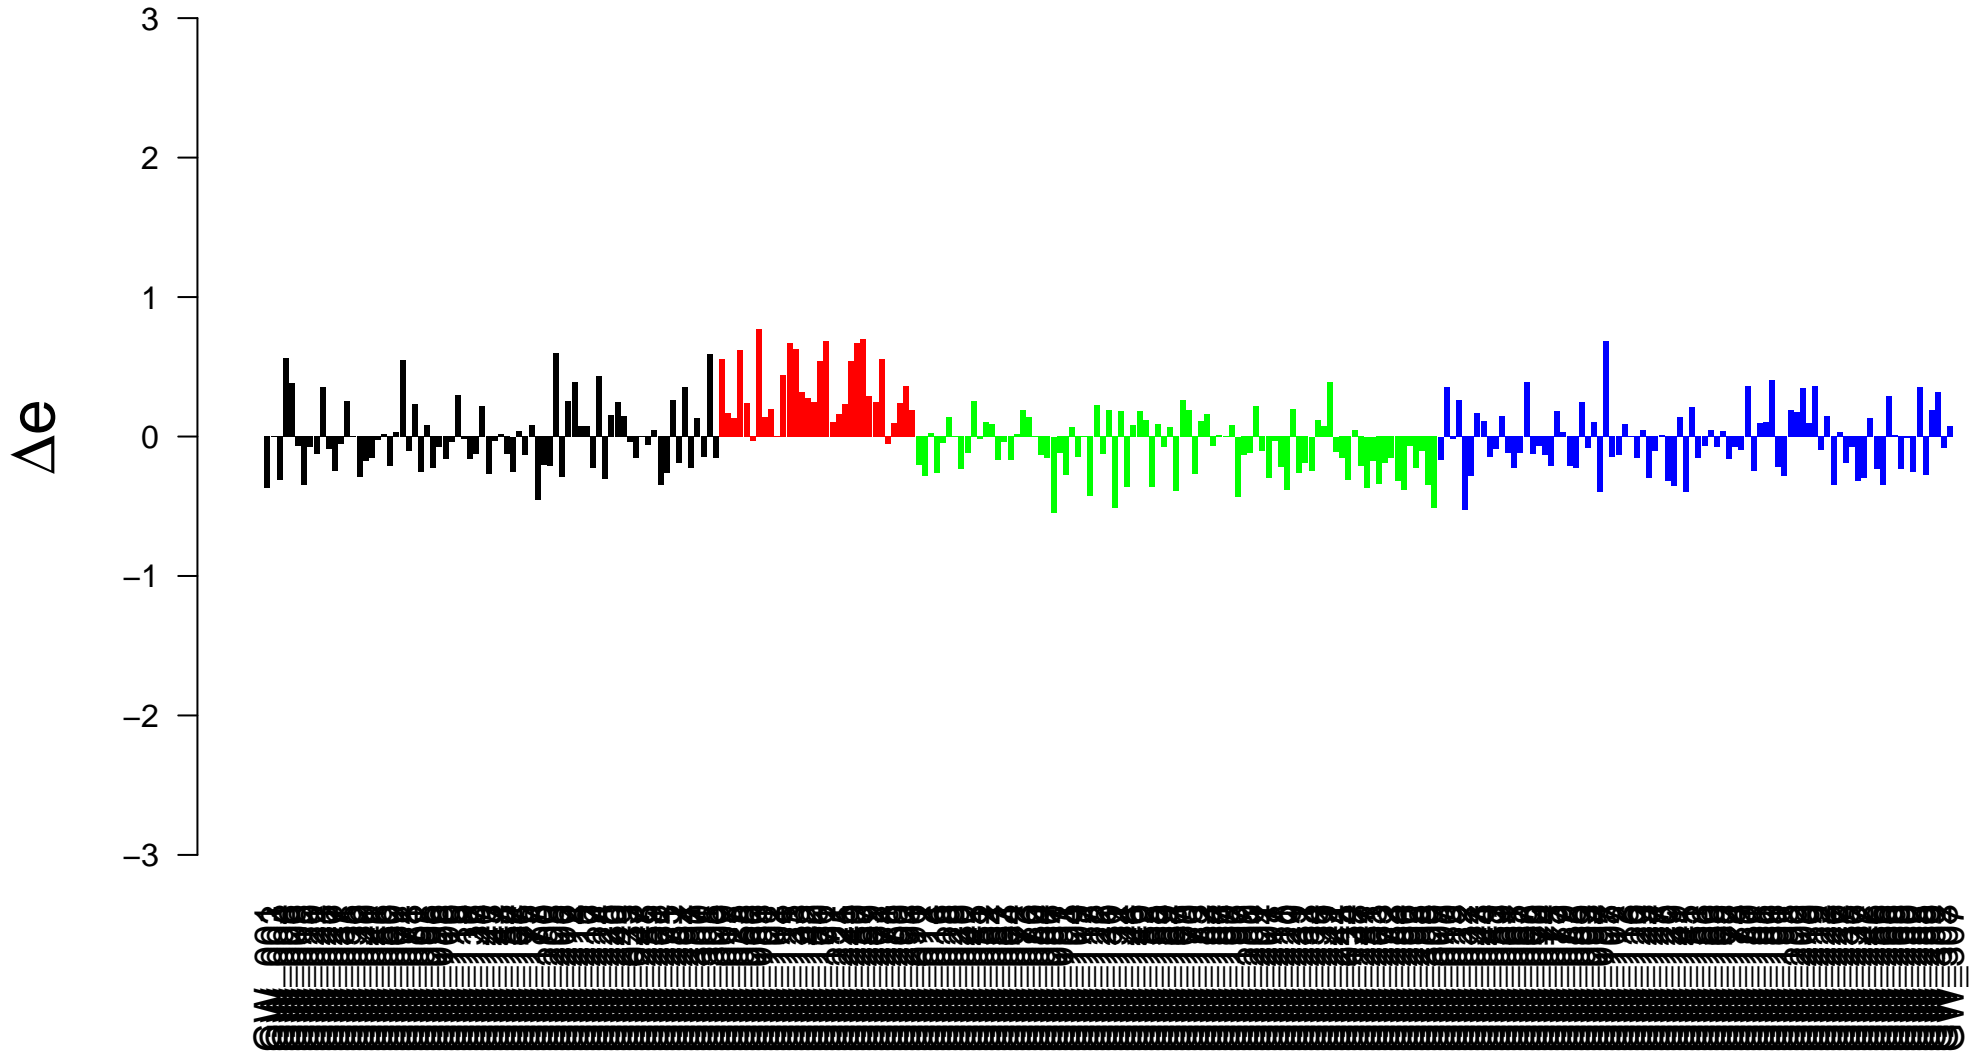

Expression of inflammatory response in Spot I

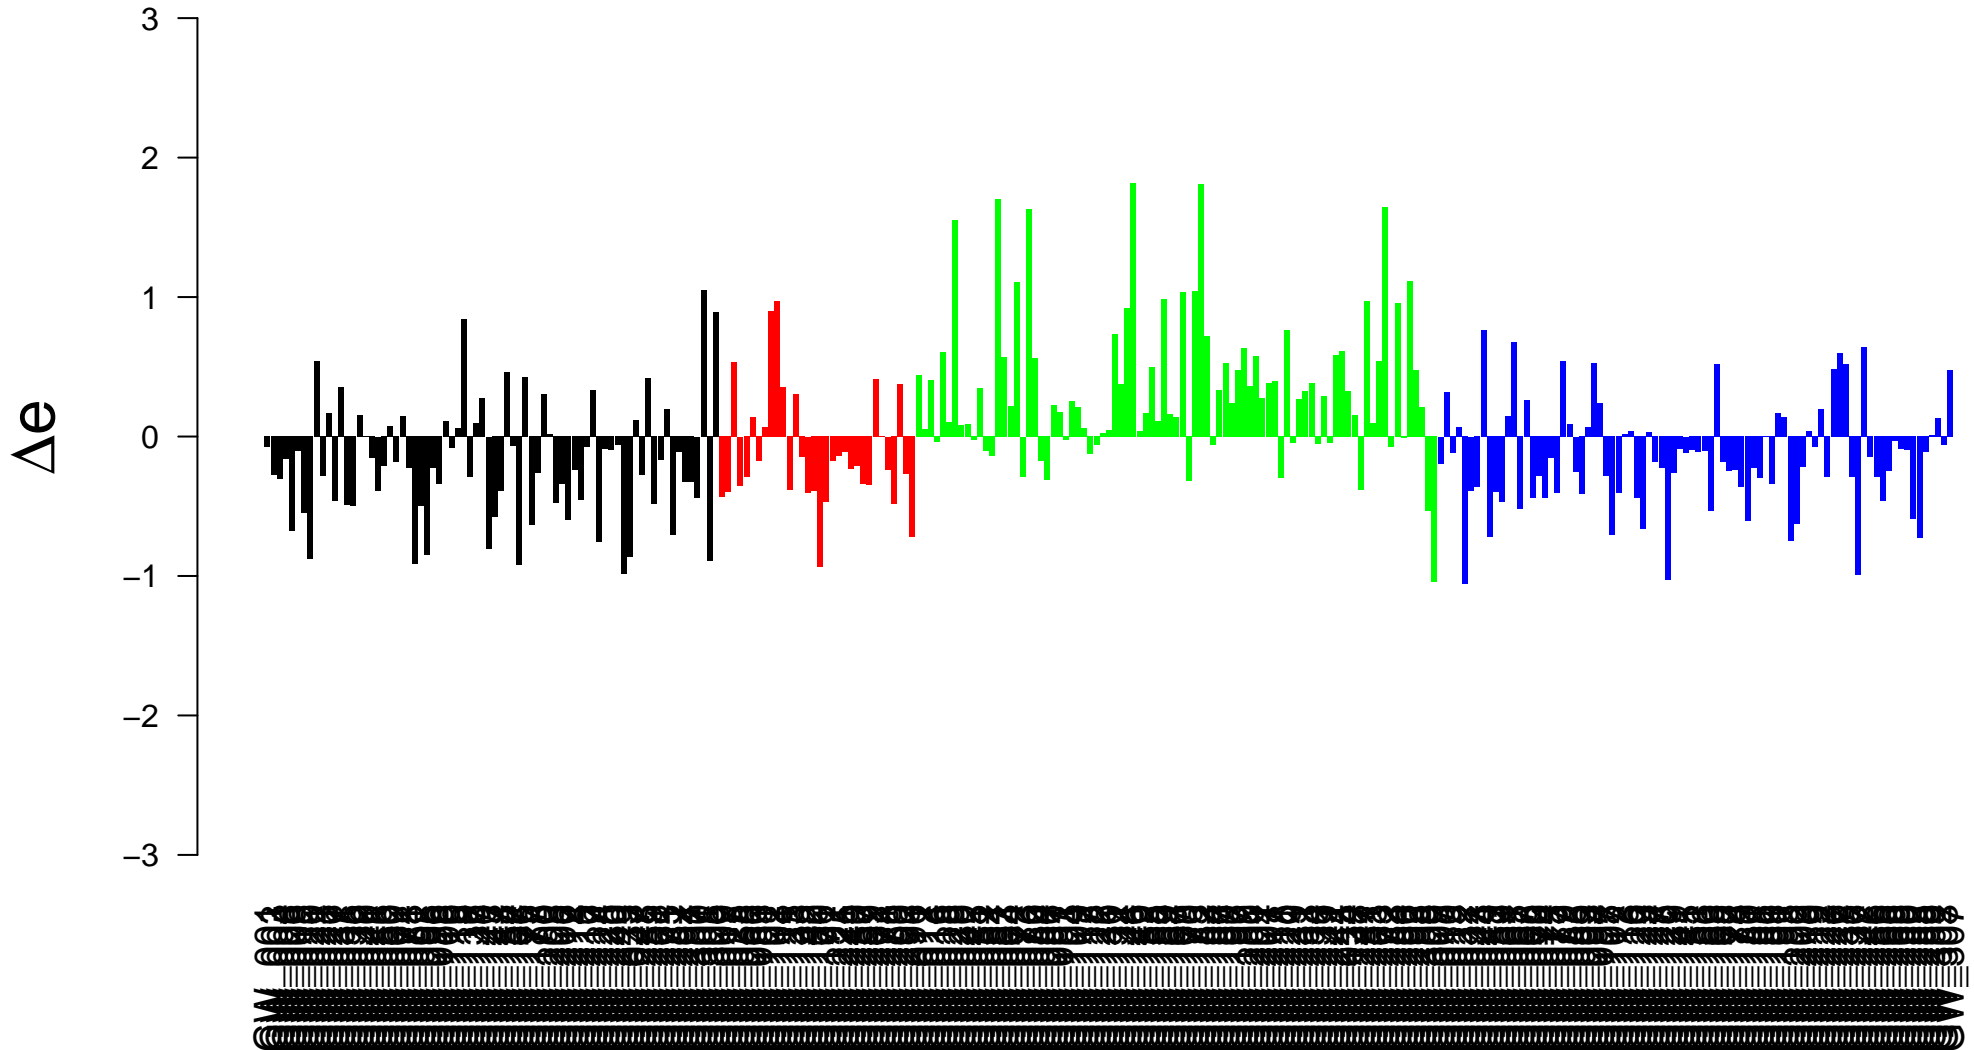

Expression of inflammatory response in Spot J

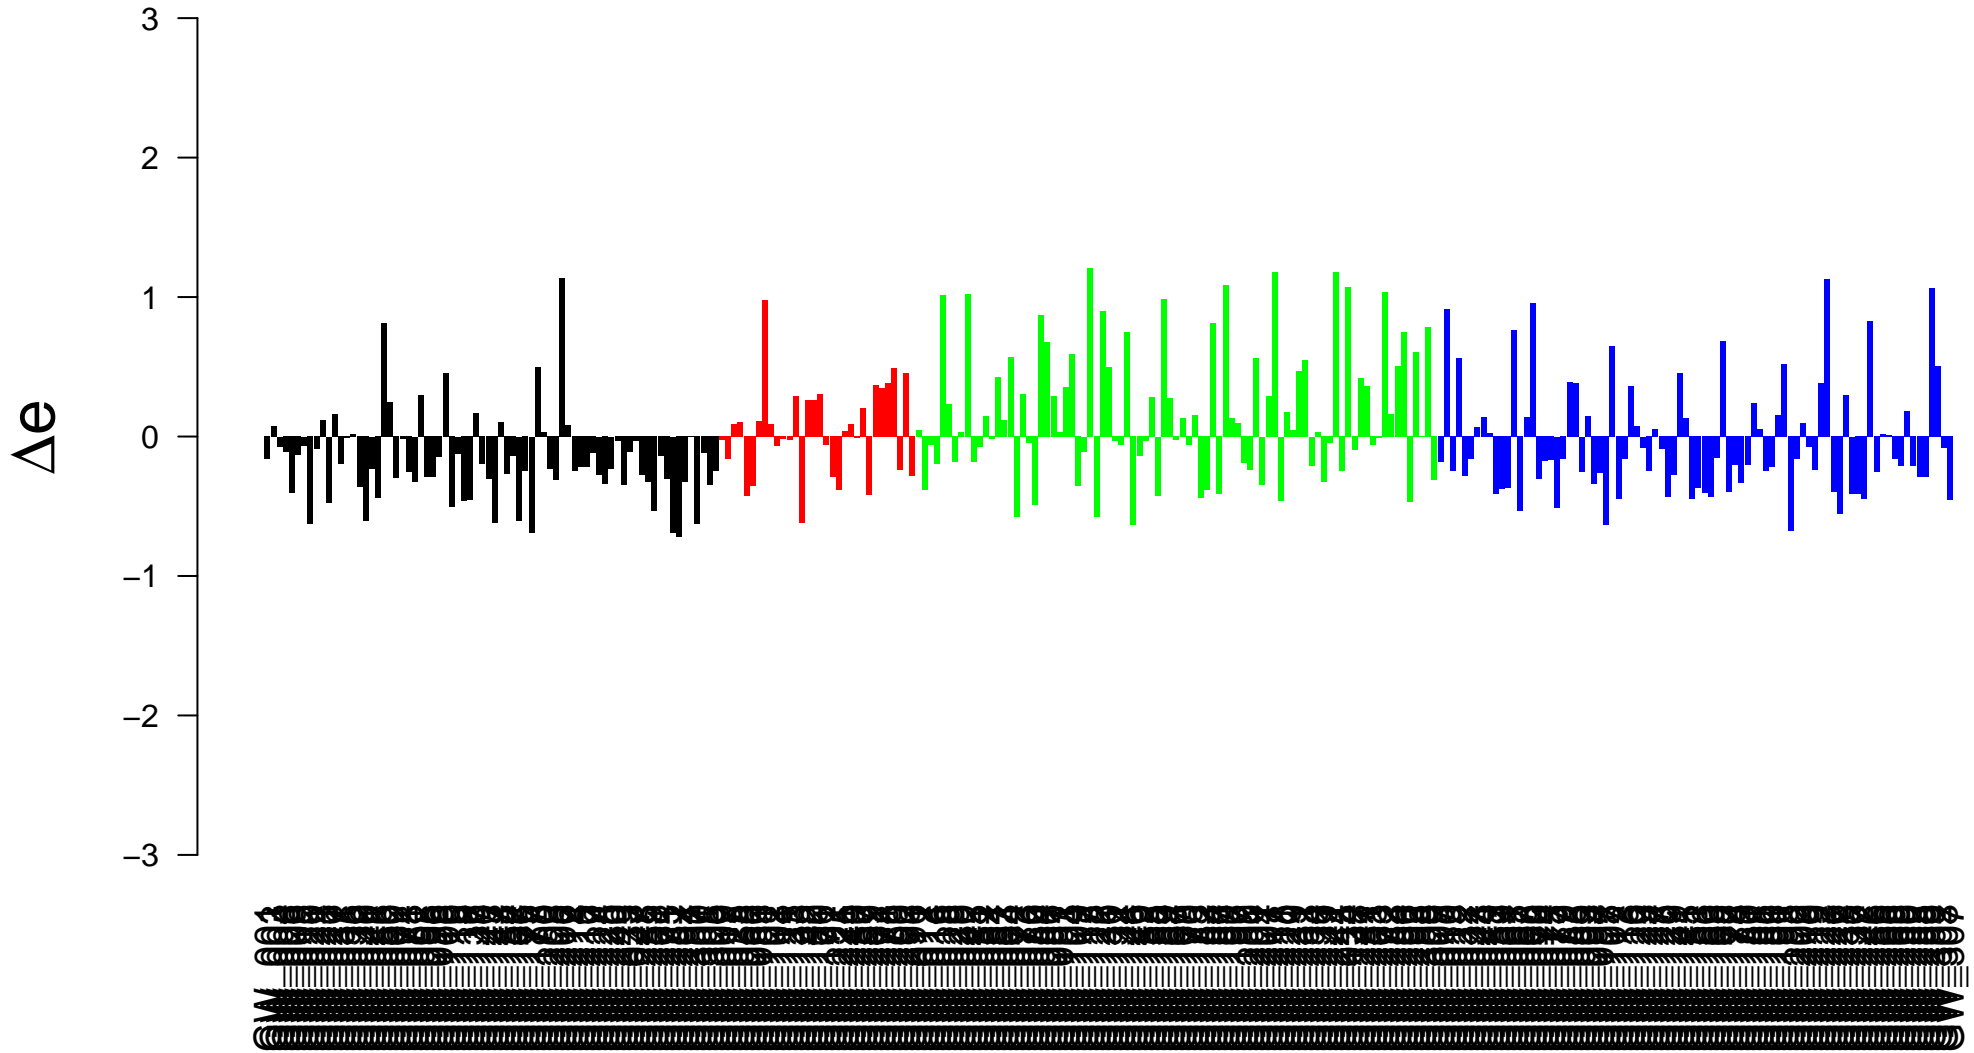

Expression of inflammatory response in Spot K

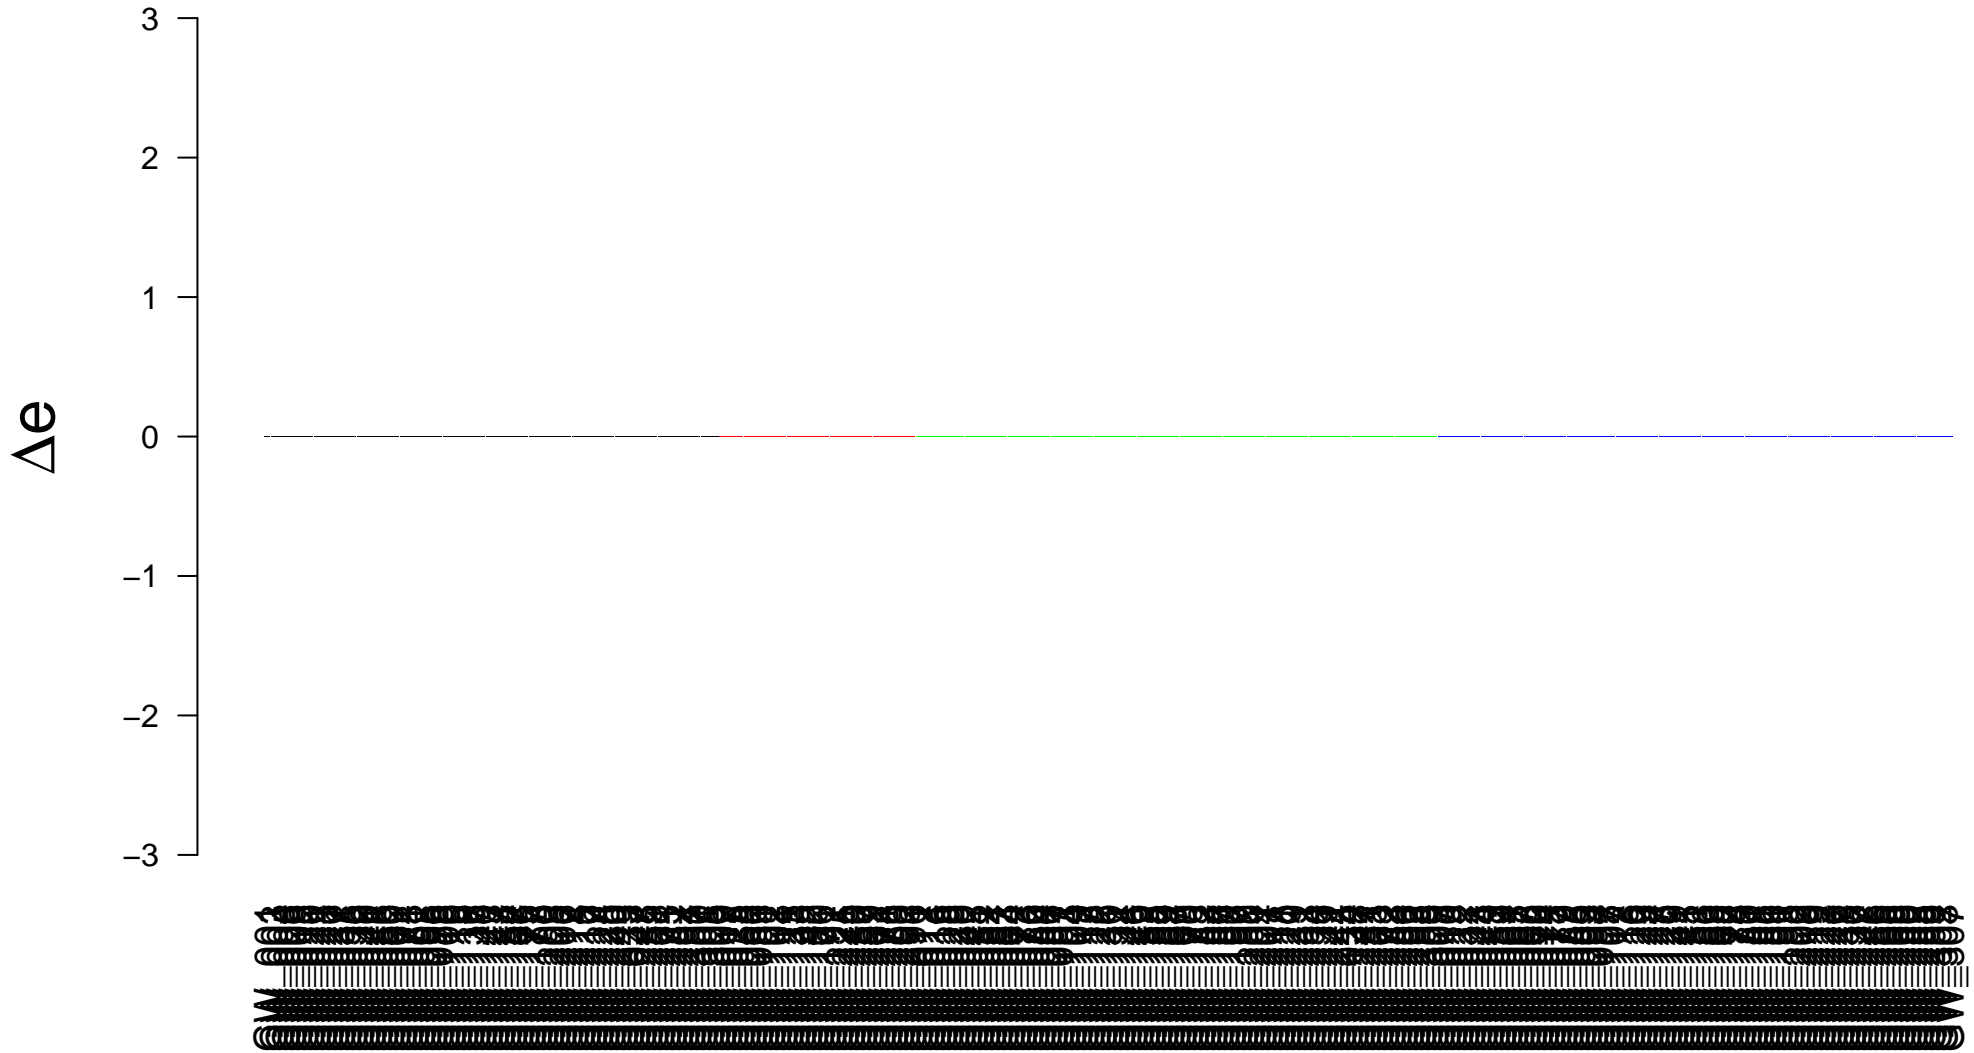

Expression of inflammatory response in Spot L

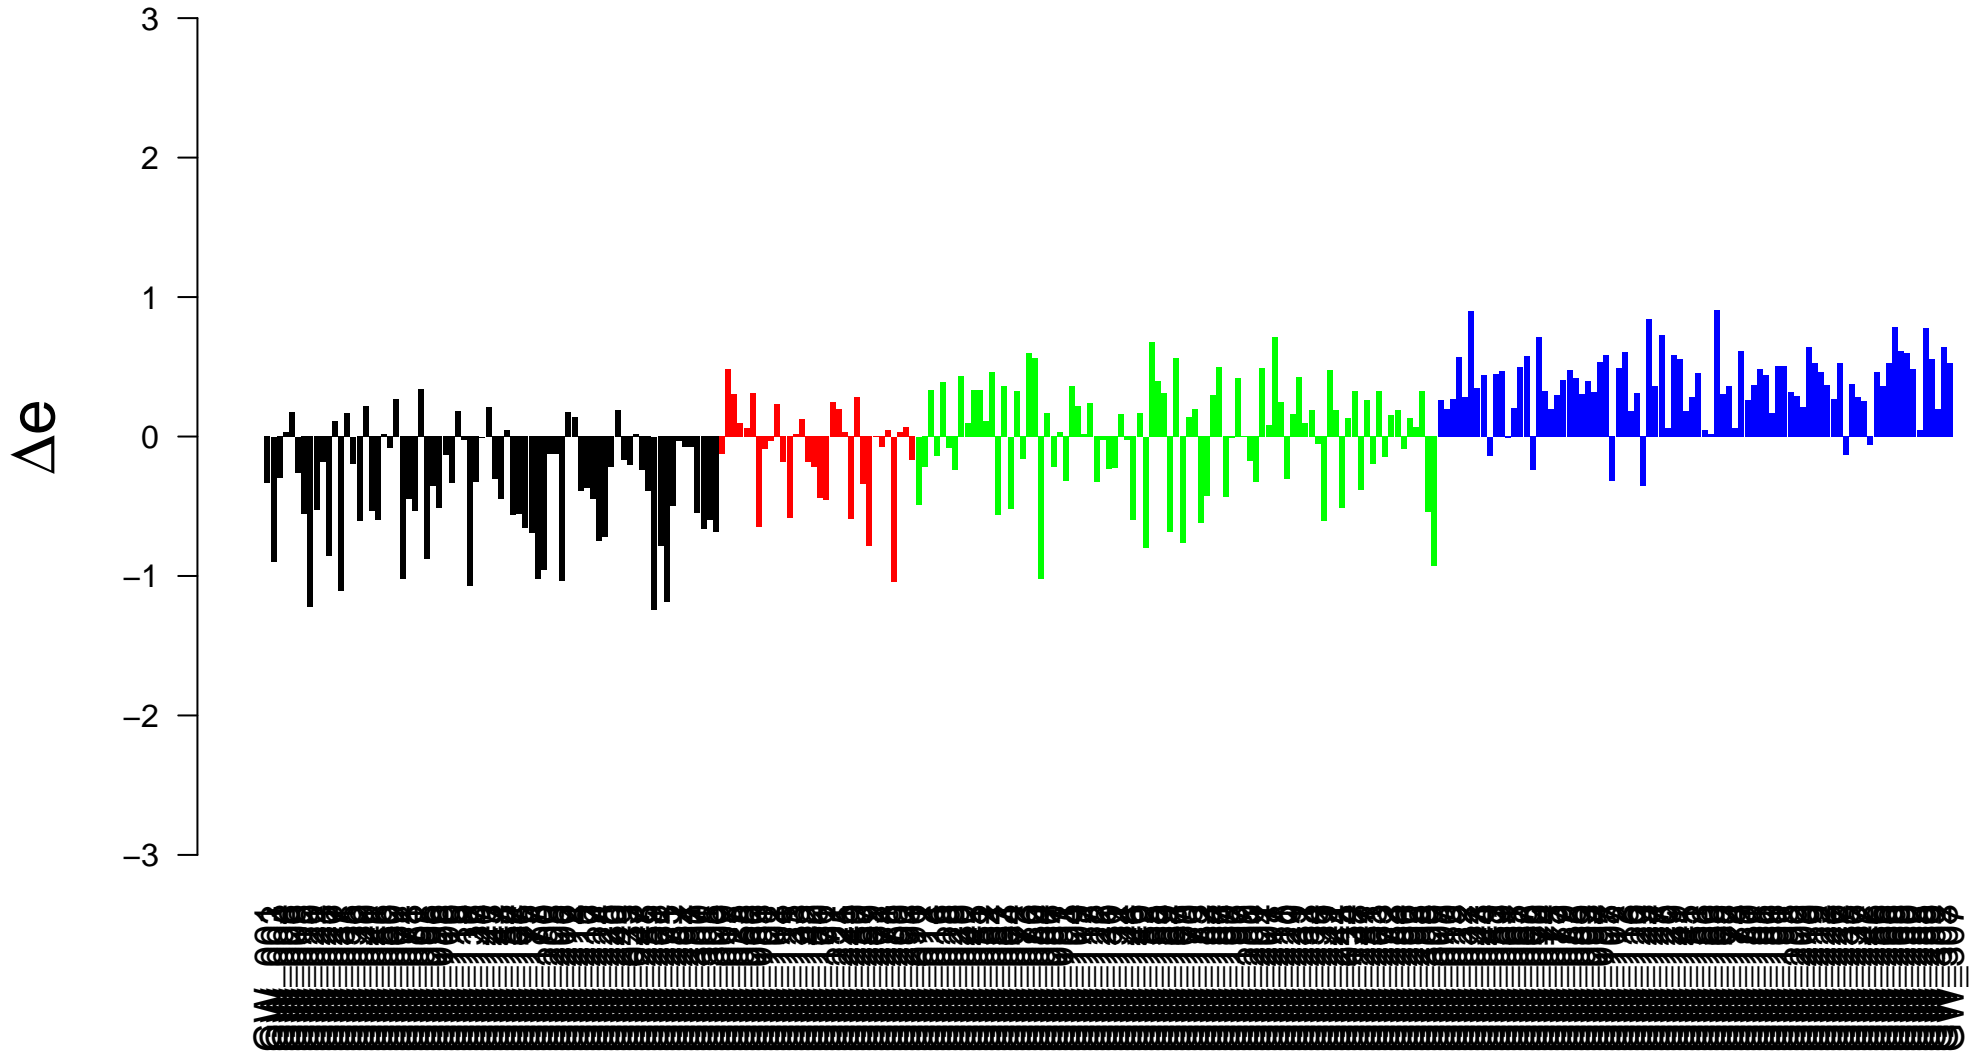

Expression of inflammatory response in Spot M

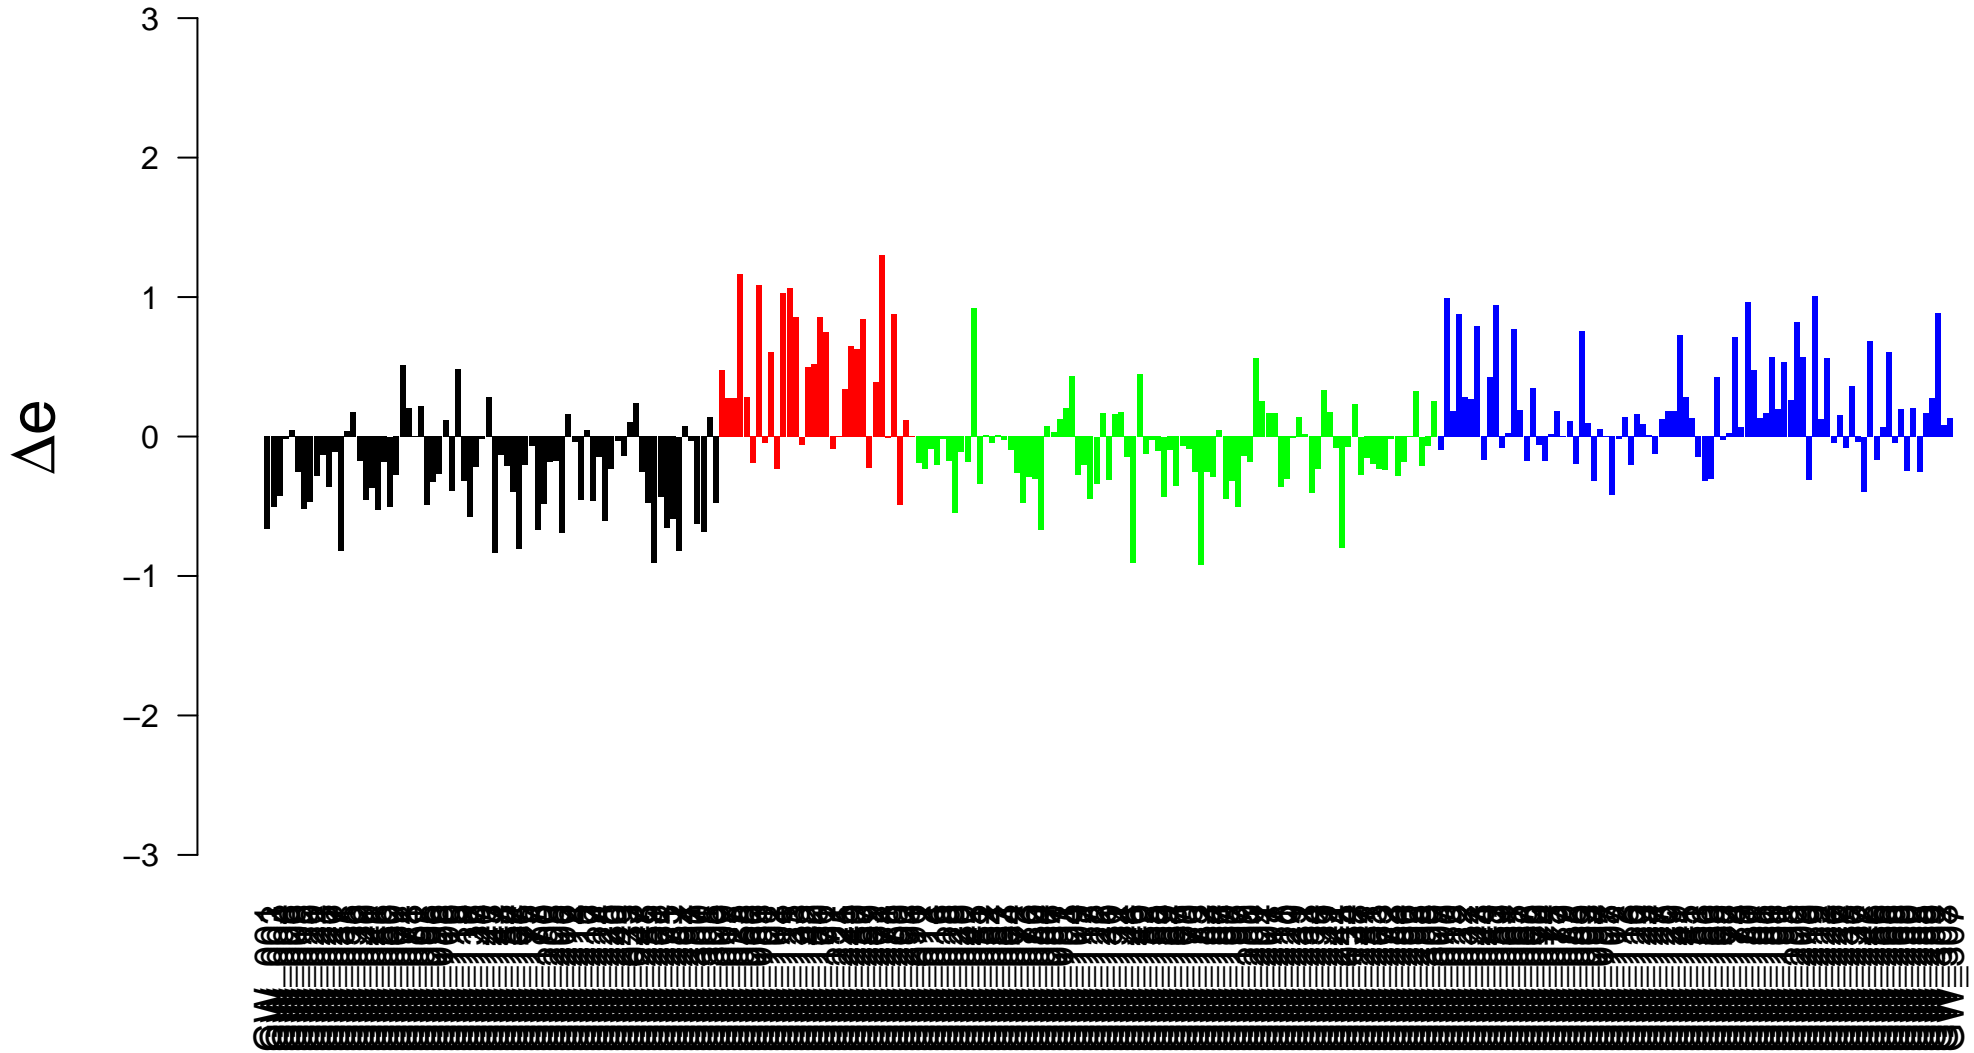

Expression of inflammatory response in Spot N

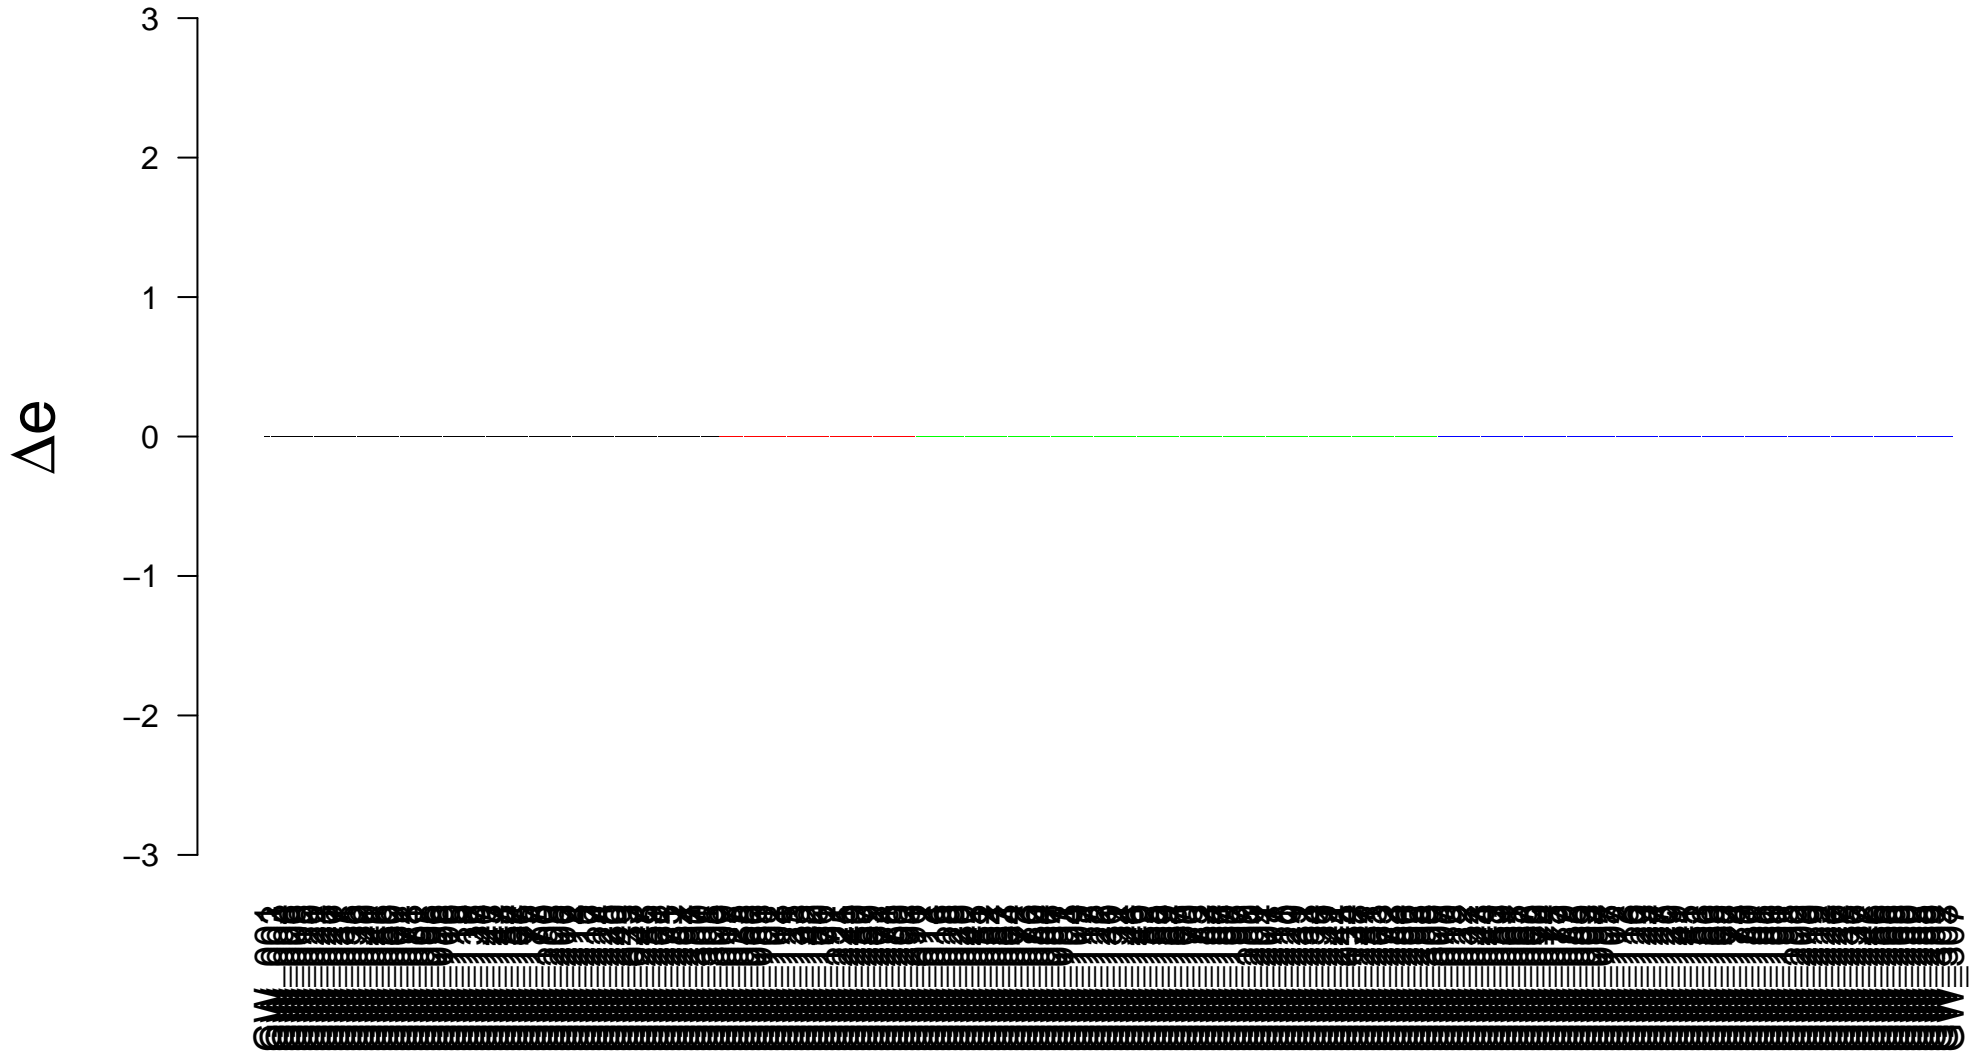

Expression of inflammatory response in Spot O

Expression of inflammatory response in Spot P

Expression of inflammatory response in Spot Q

Expression of inflammatory response in Spot R
