

insulin secretion

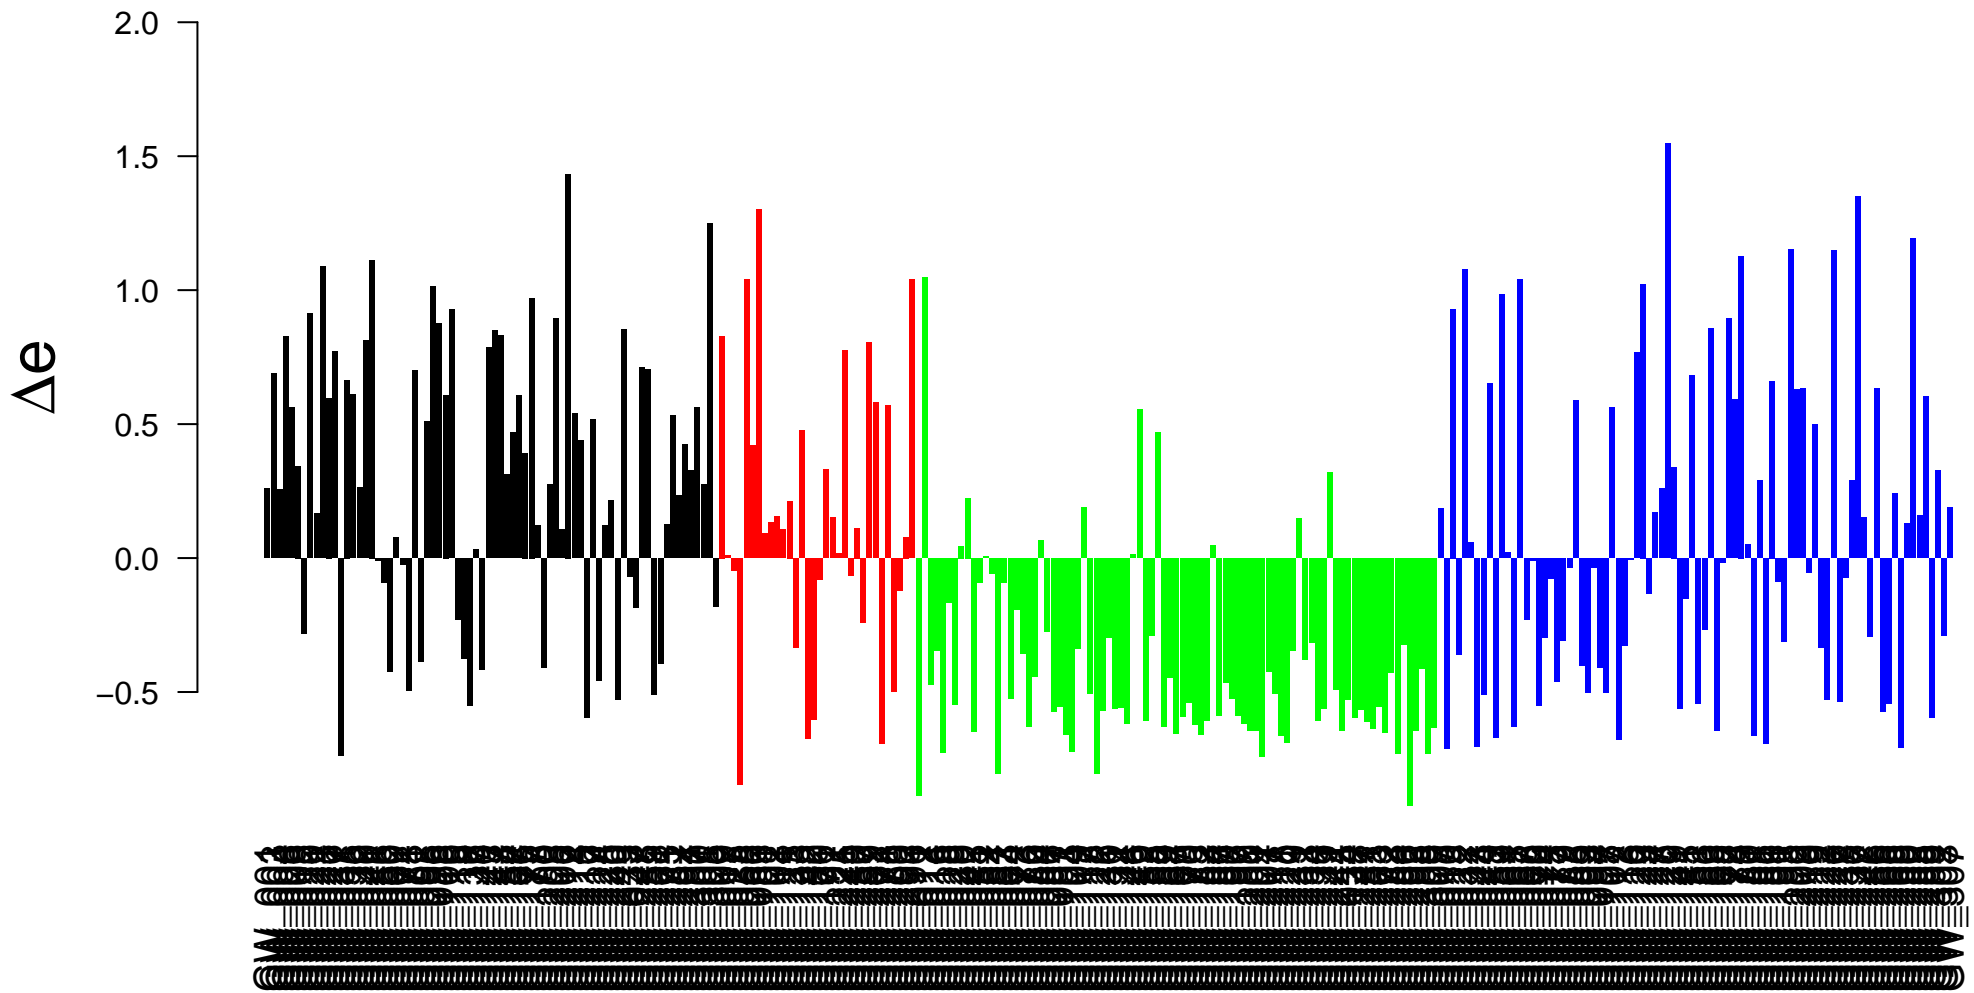

insulin secretion

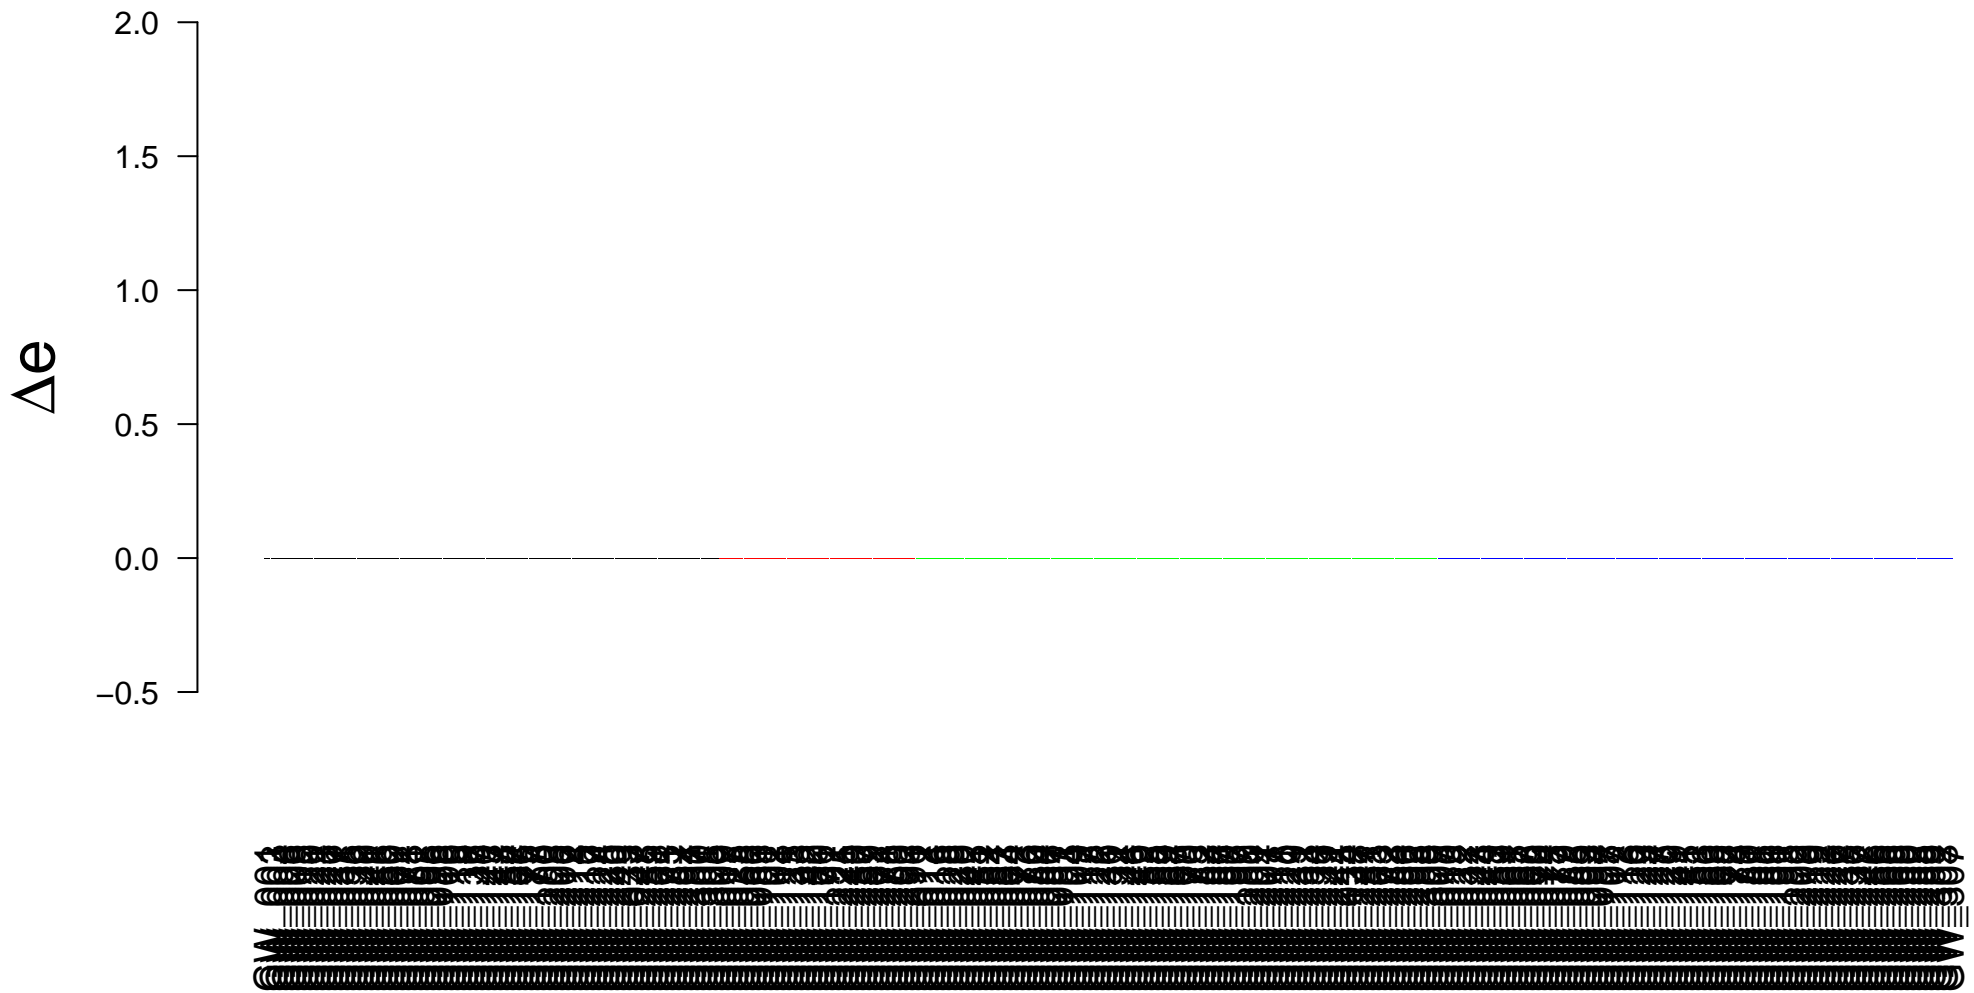

Enrichment in spots: insulin secretion

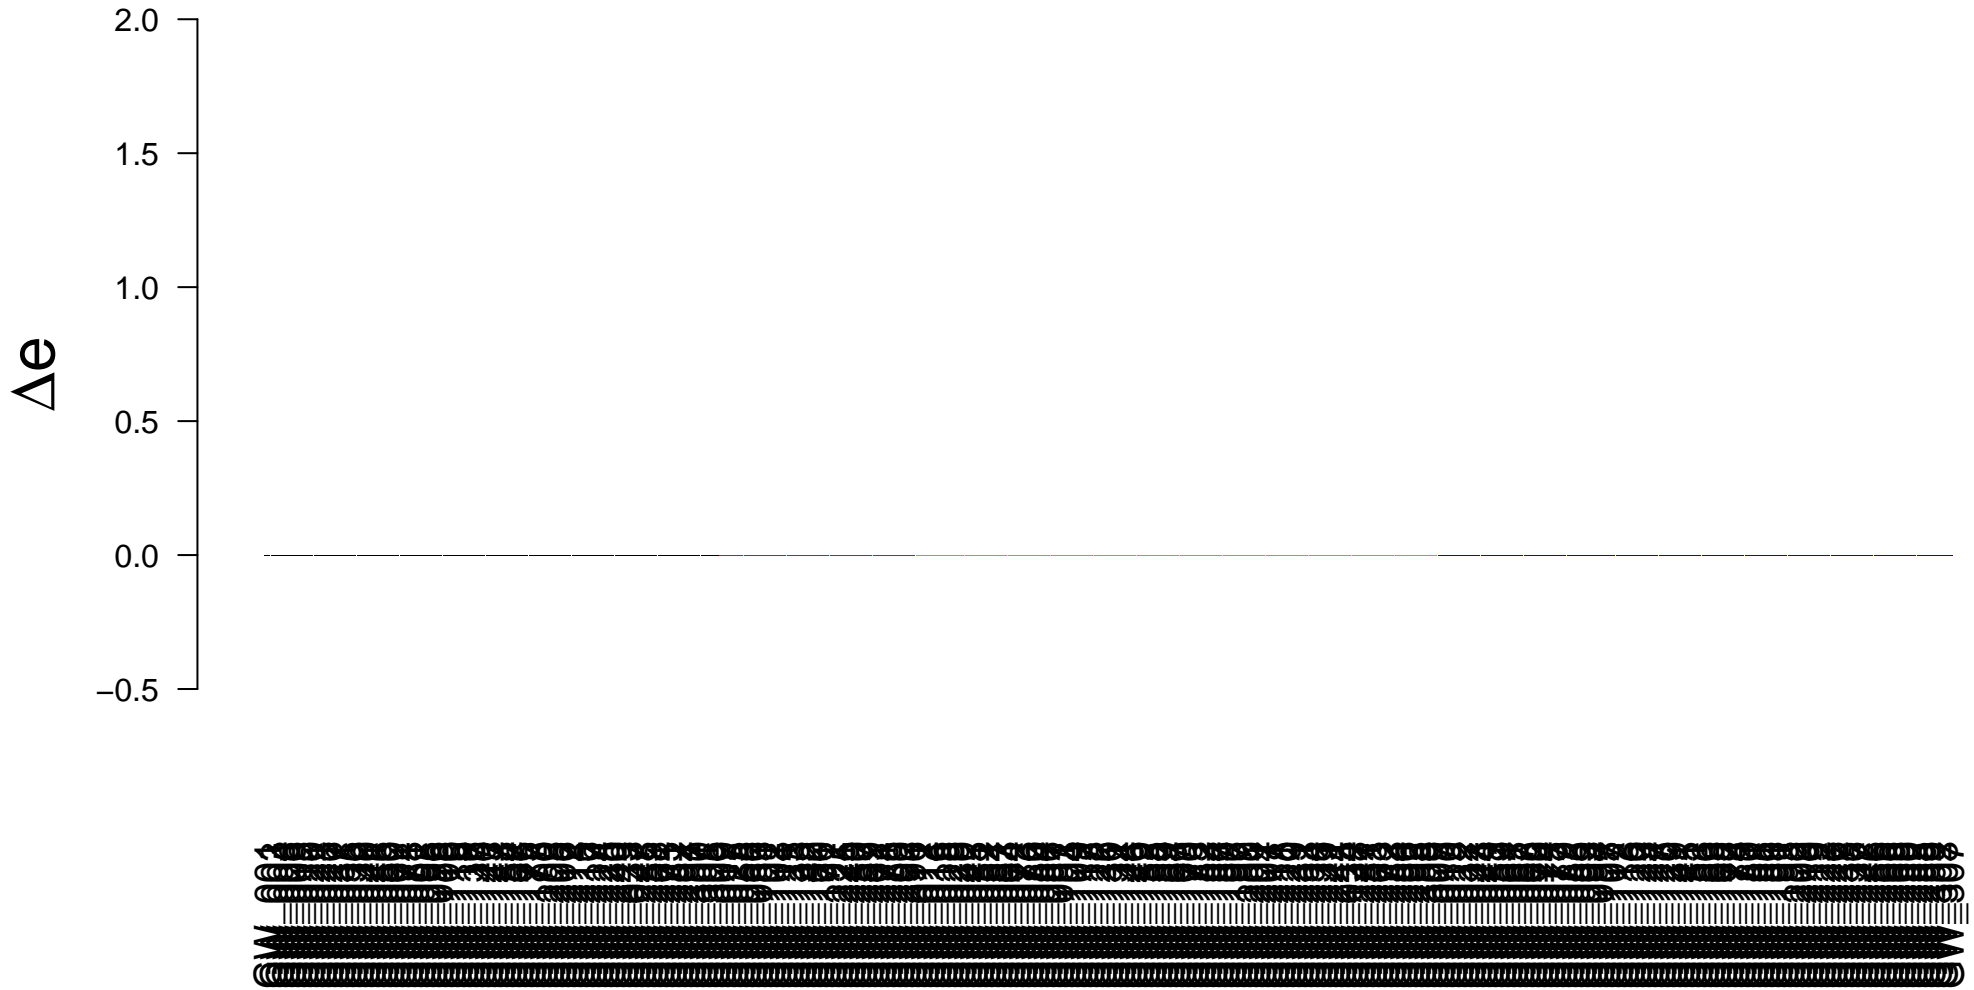

Expression of insulin secretion in Spot A

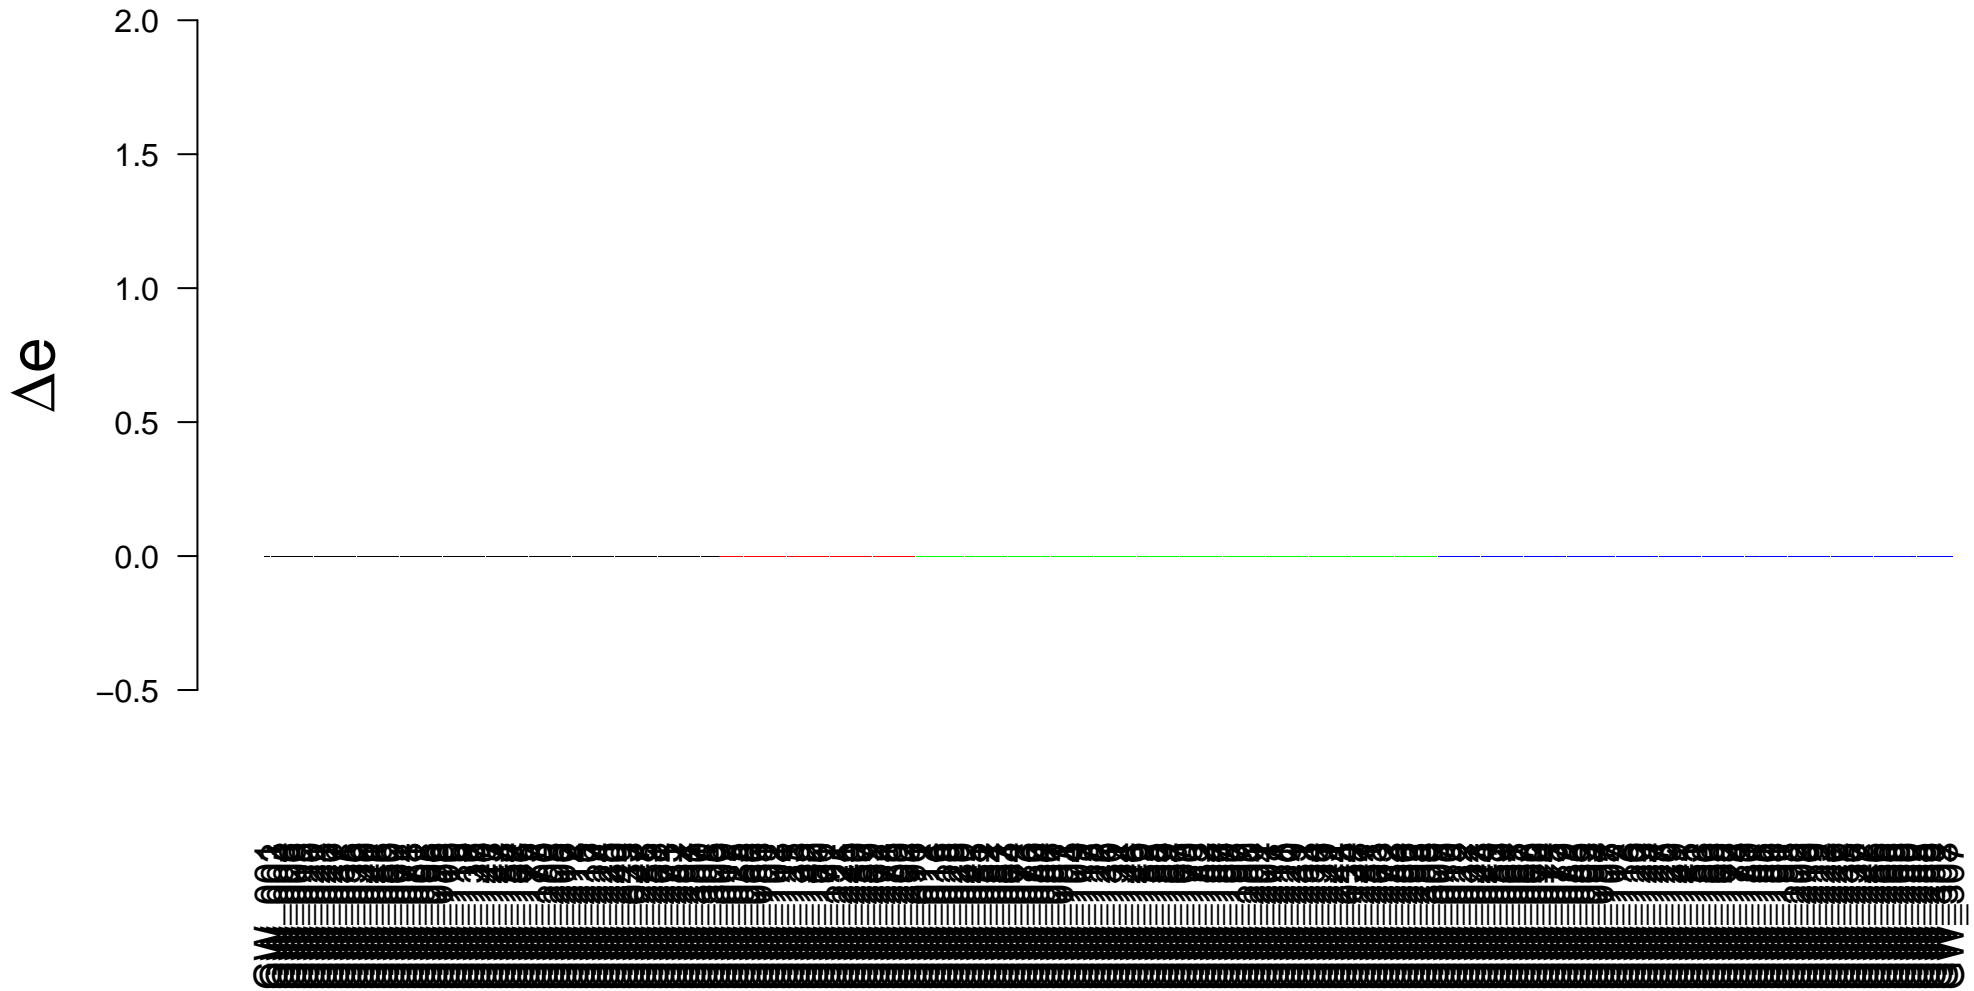

Expression of insulin secretion in Spot B

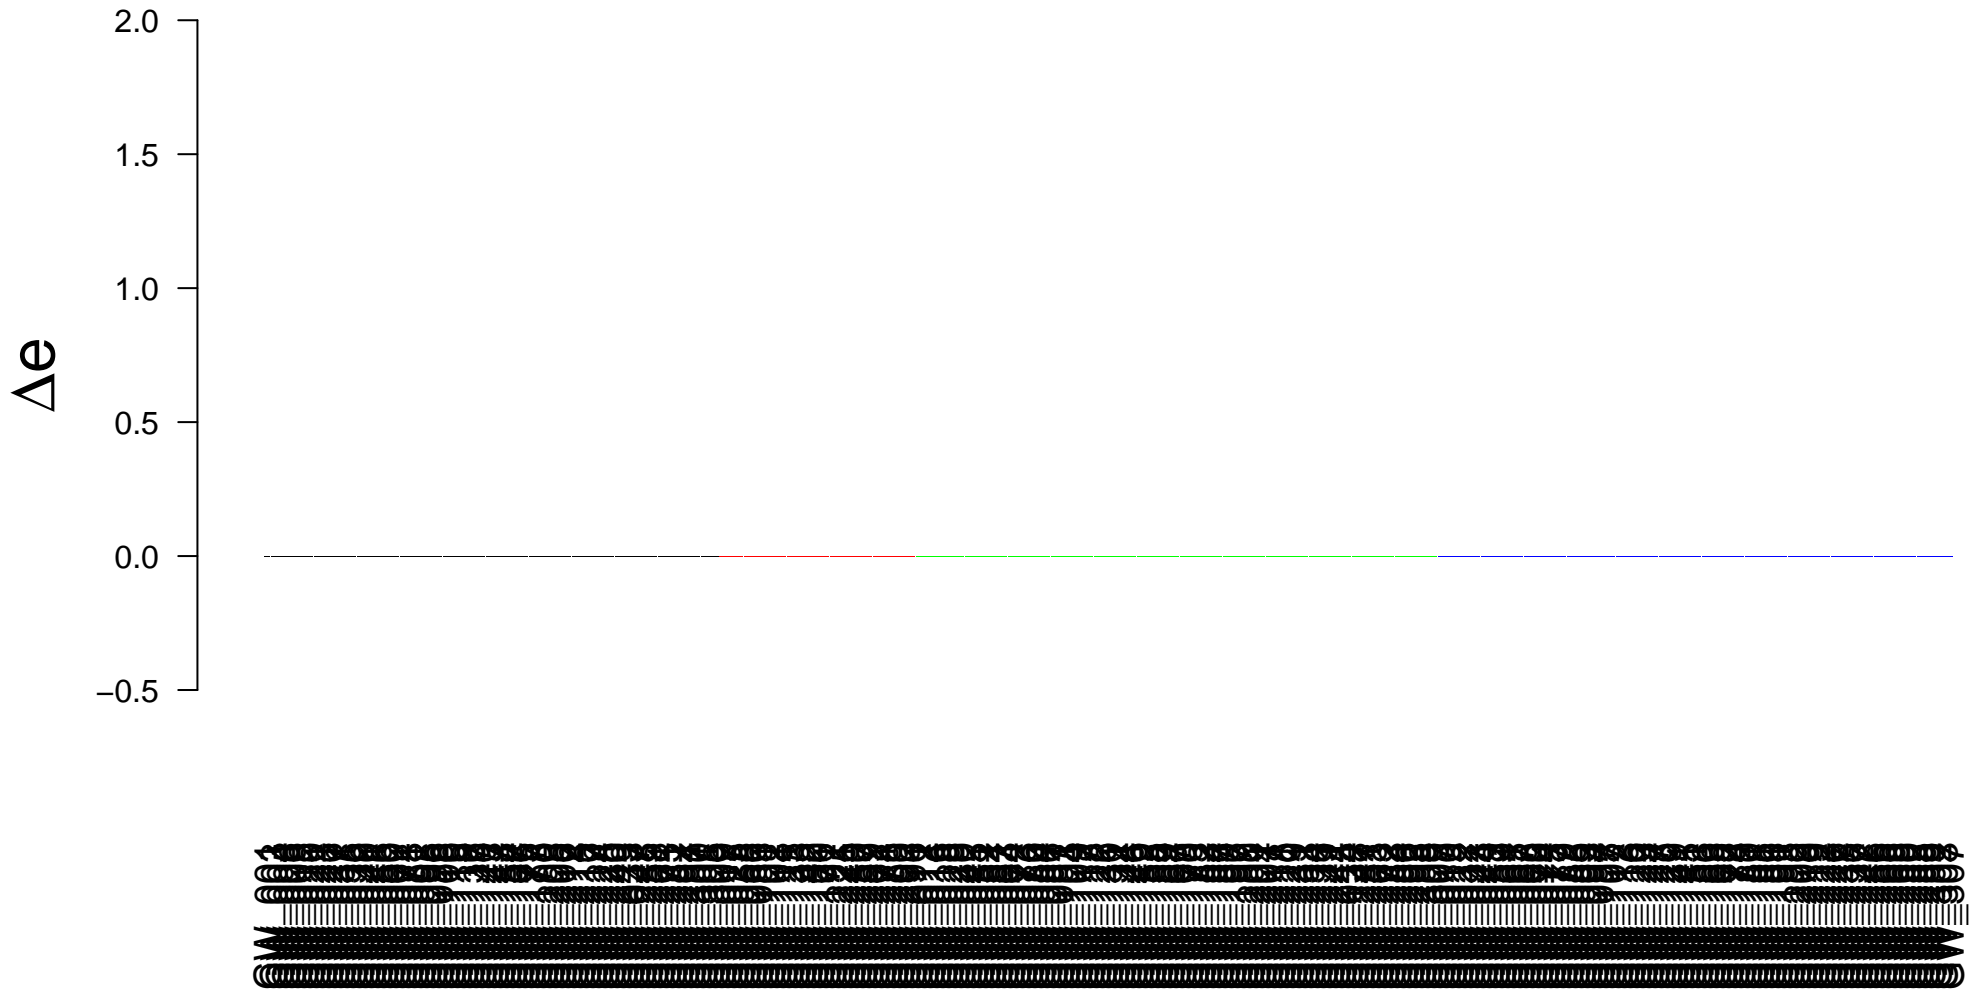

Expression of insulin secretion in Spot C

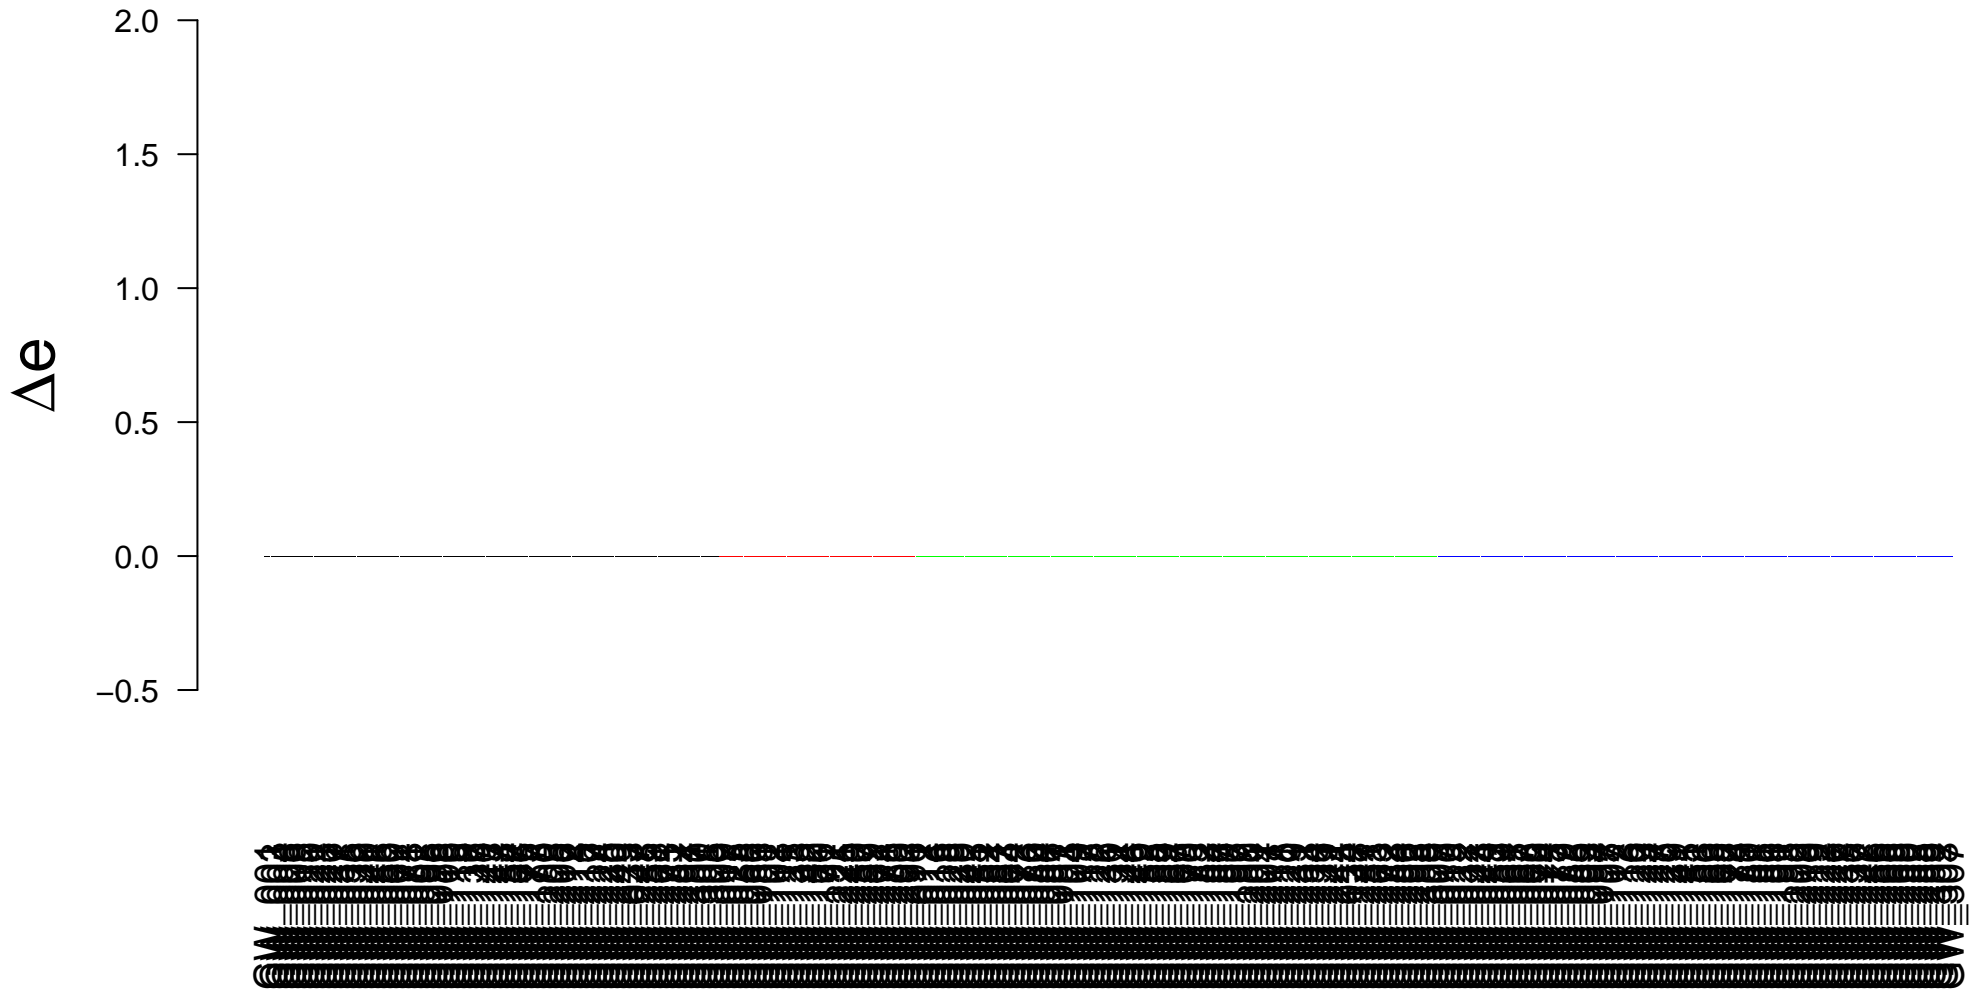

Expression of insulin secretion in Spot D

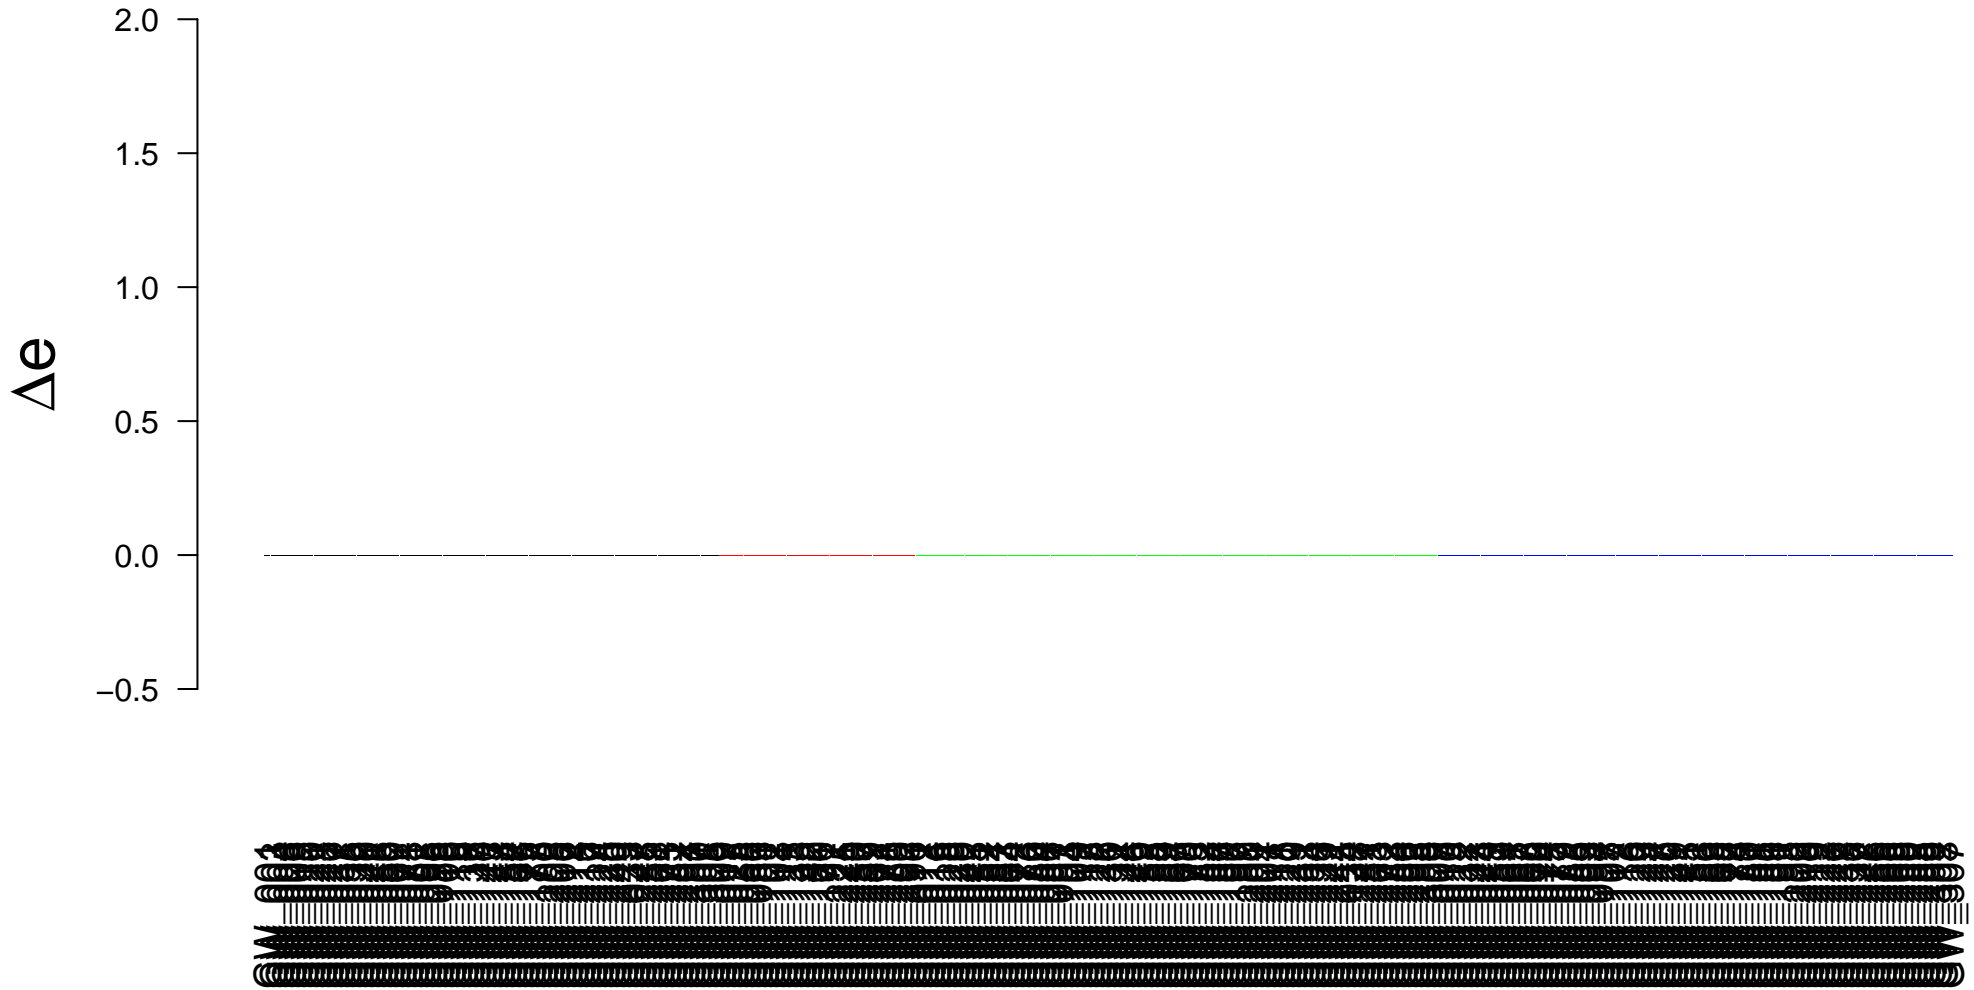

Expression of insulin secretion in Spot E

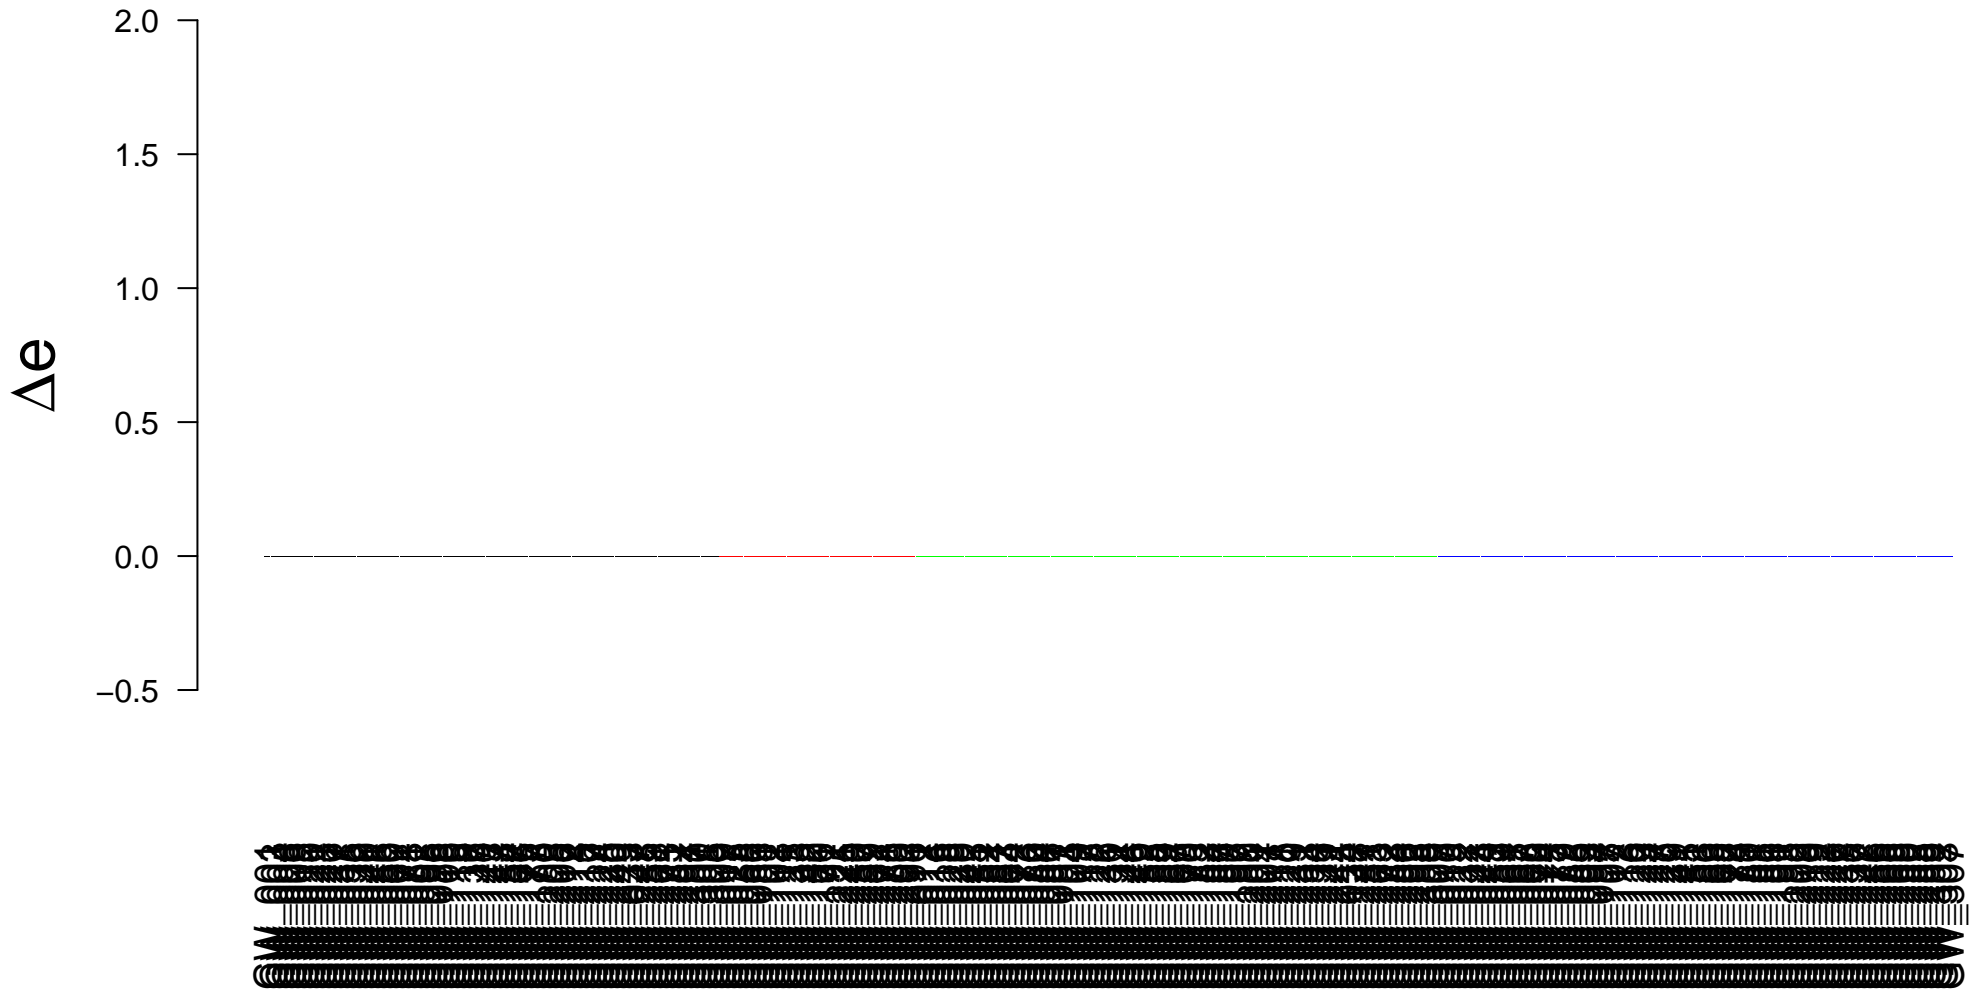

Expression of insulin secretion in Spot F

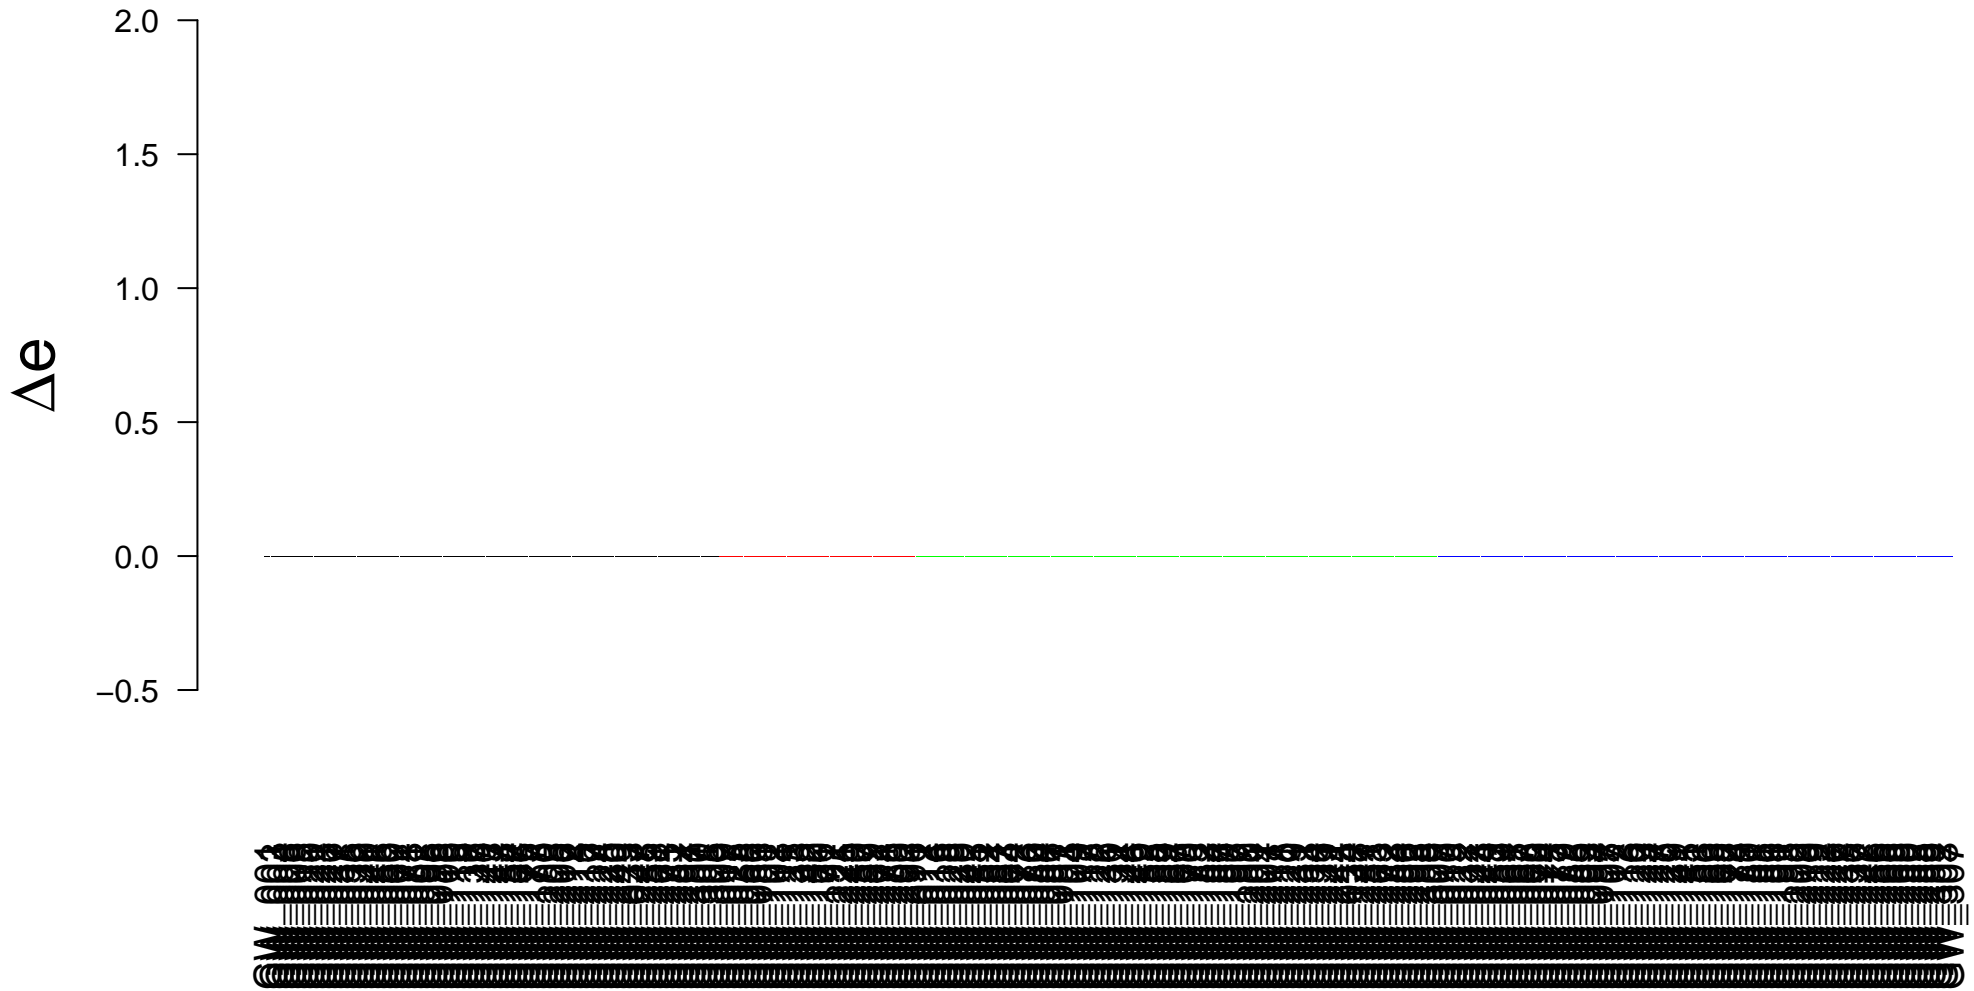

Expression of insulin secretion in Spot G

Expression of insulin secretion in Spot H

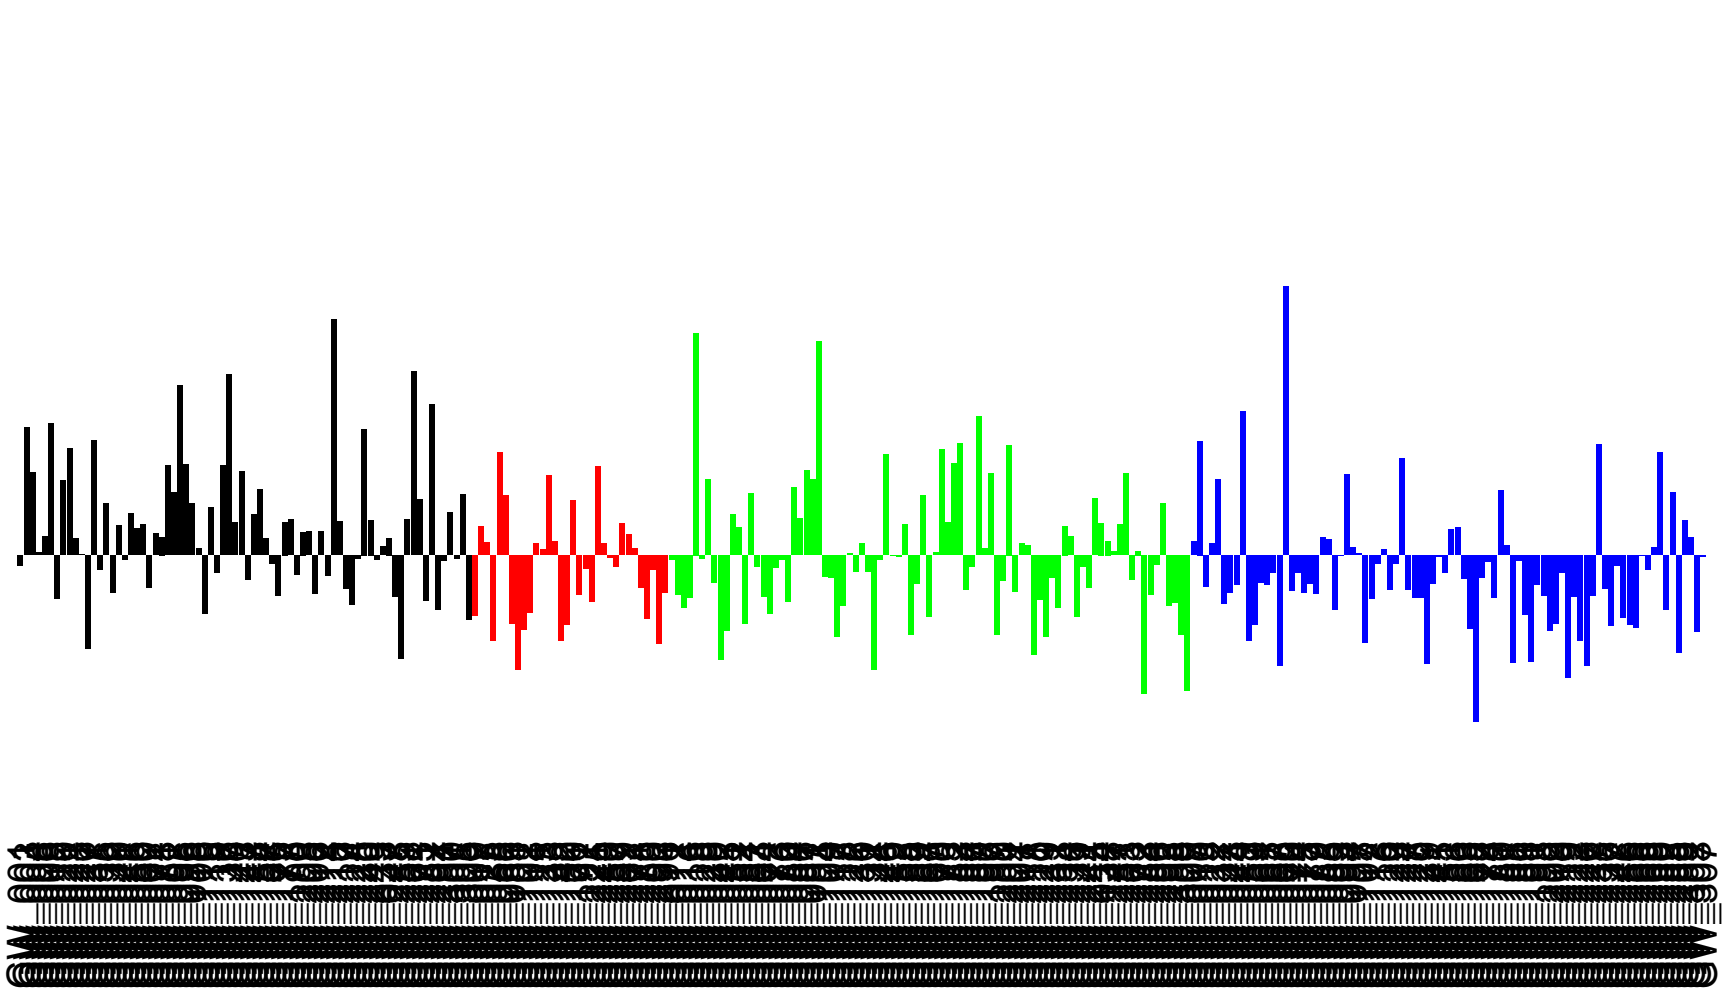

Expression of insulin secretion in Spot I

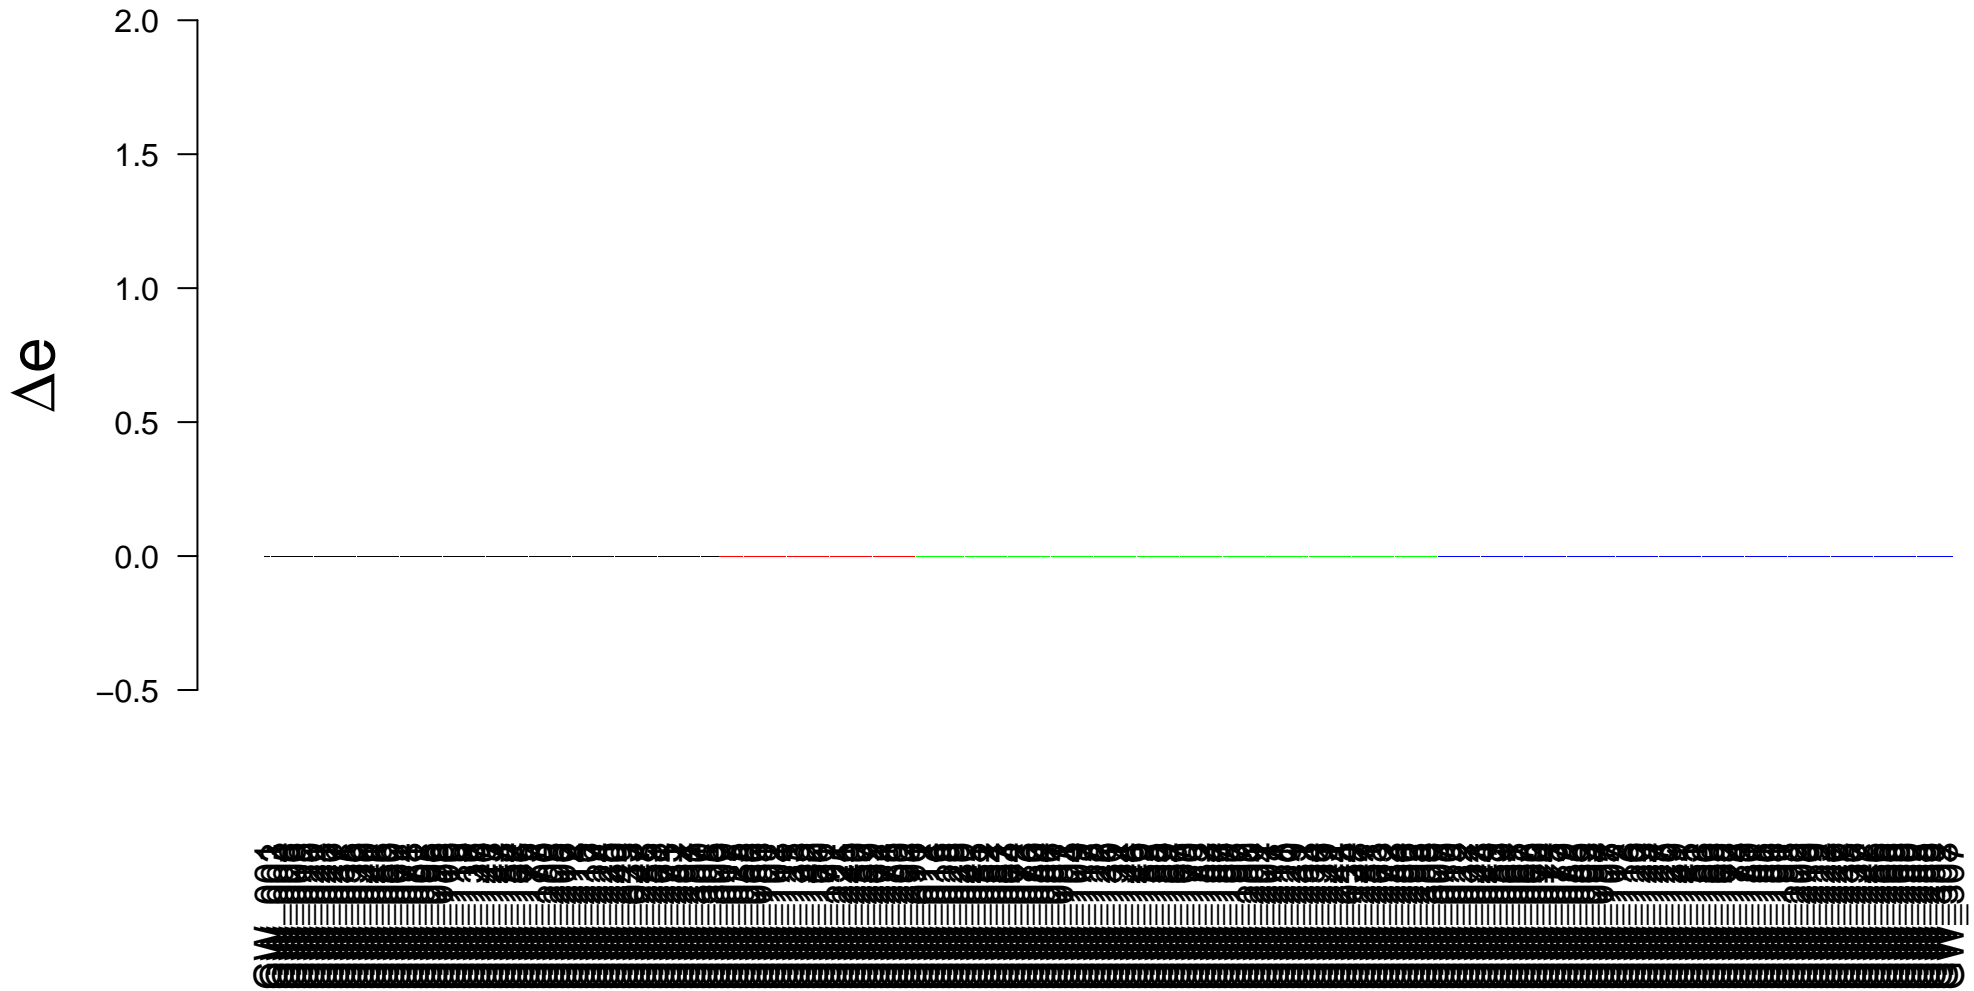

Expression of insulin secretion in Spot J

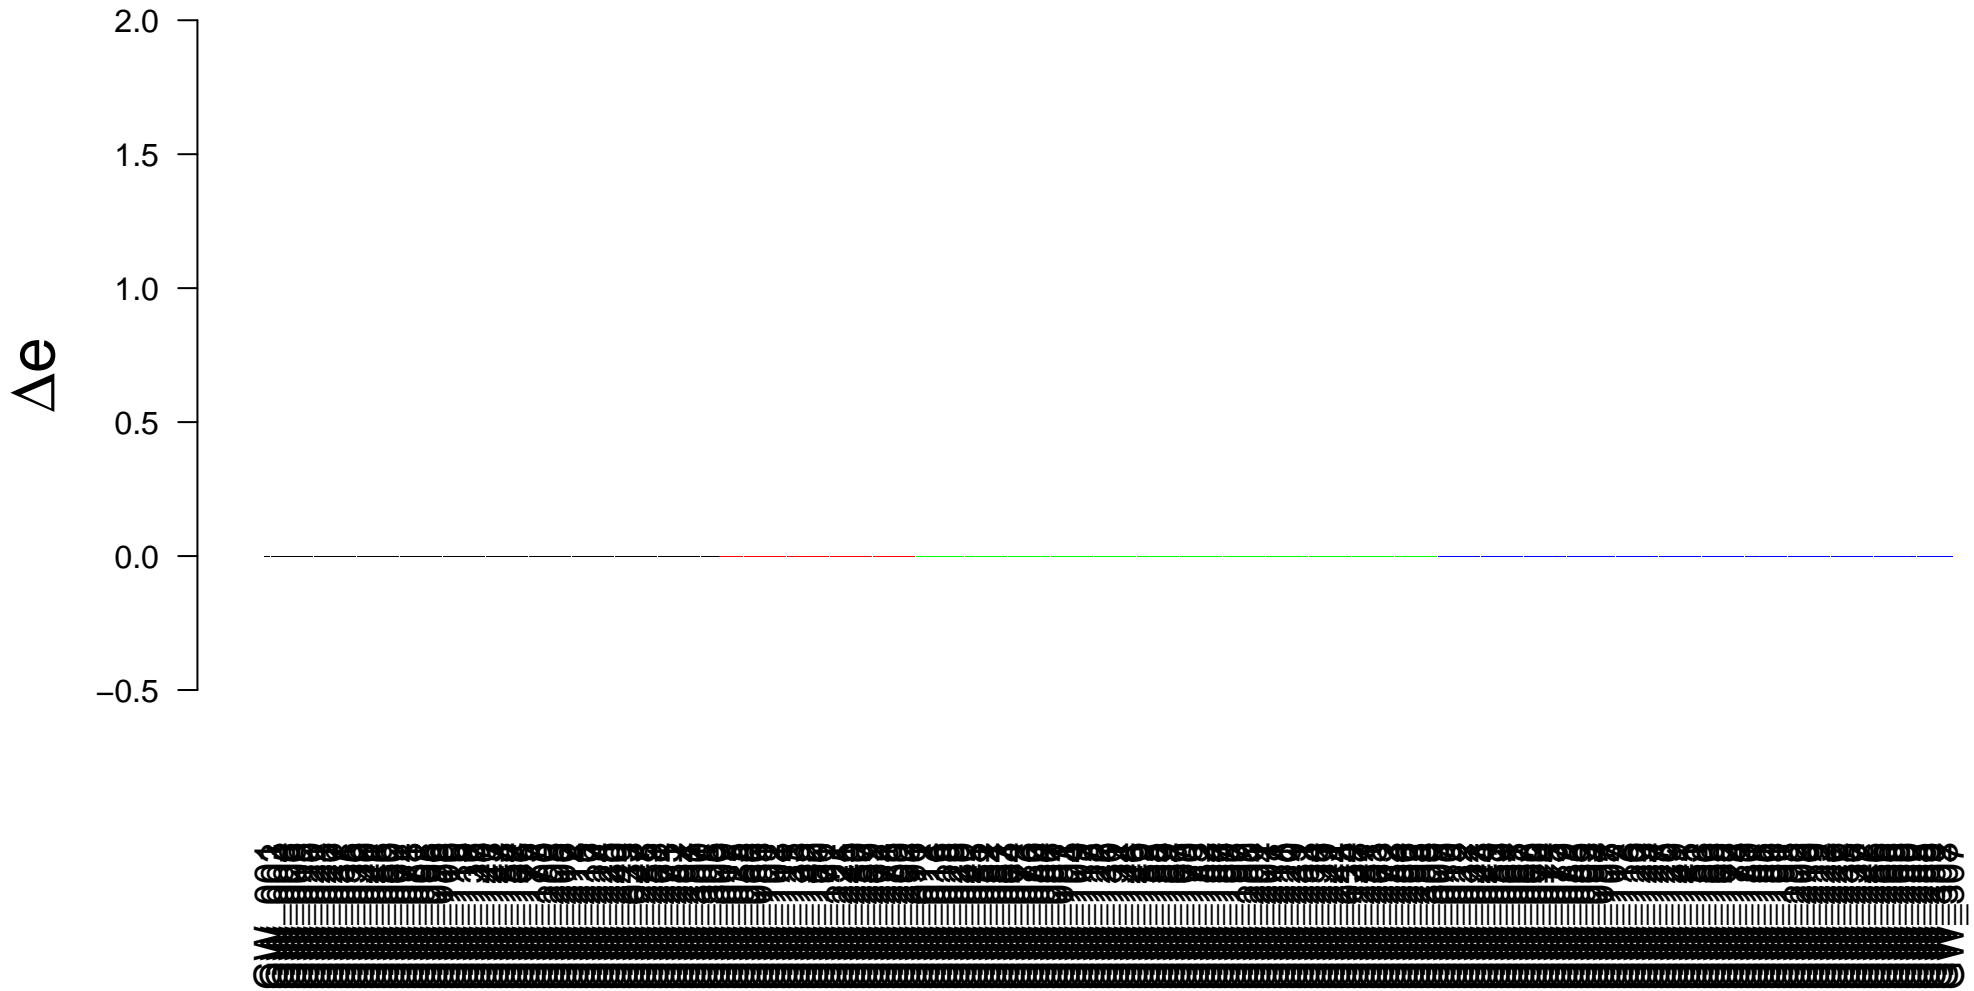

Δe

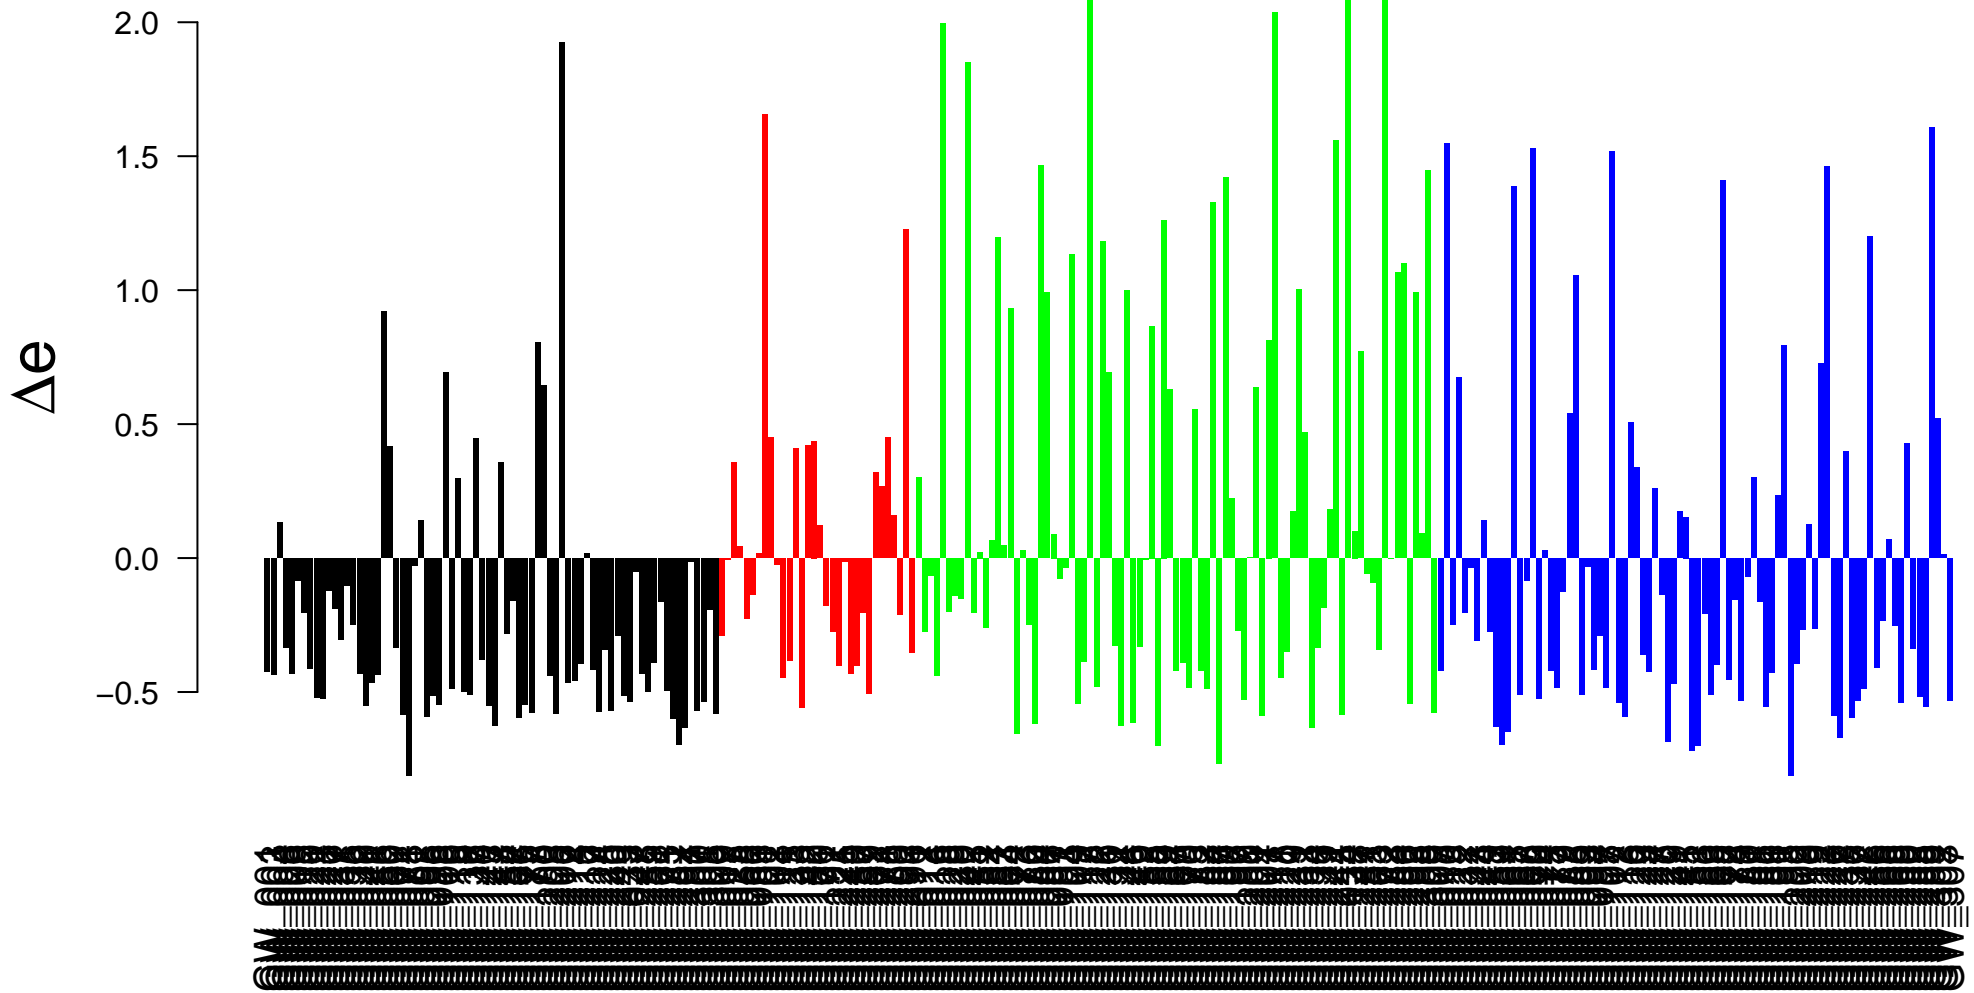

Expression of insulin secretion in Spot K

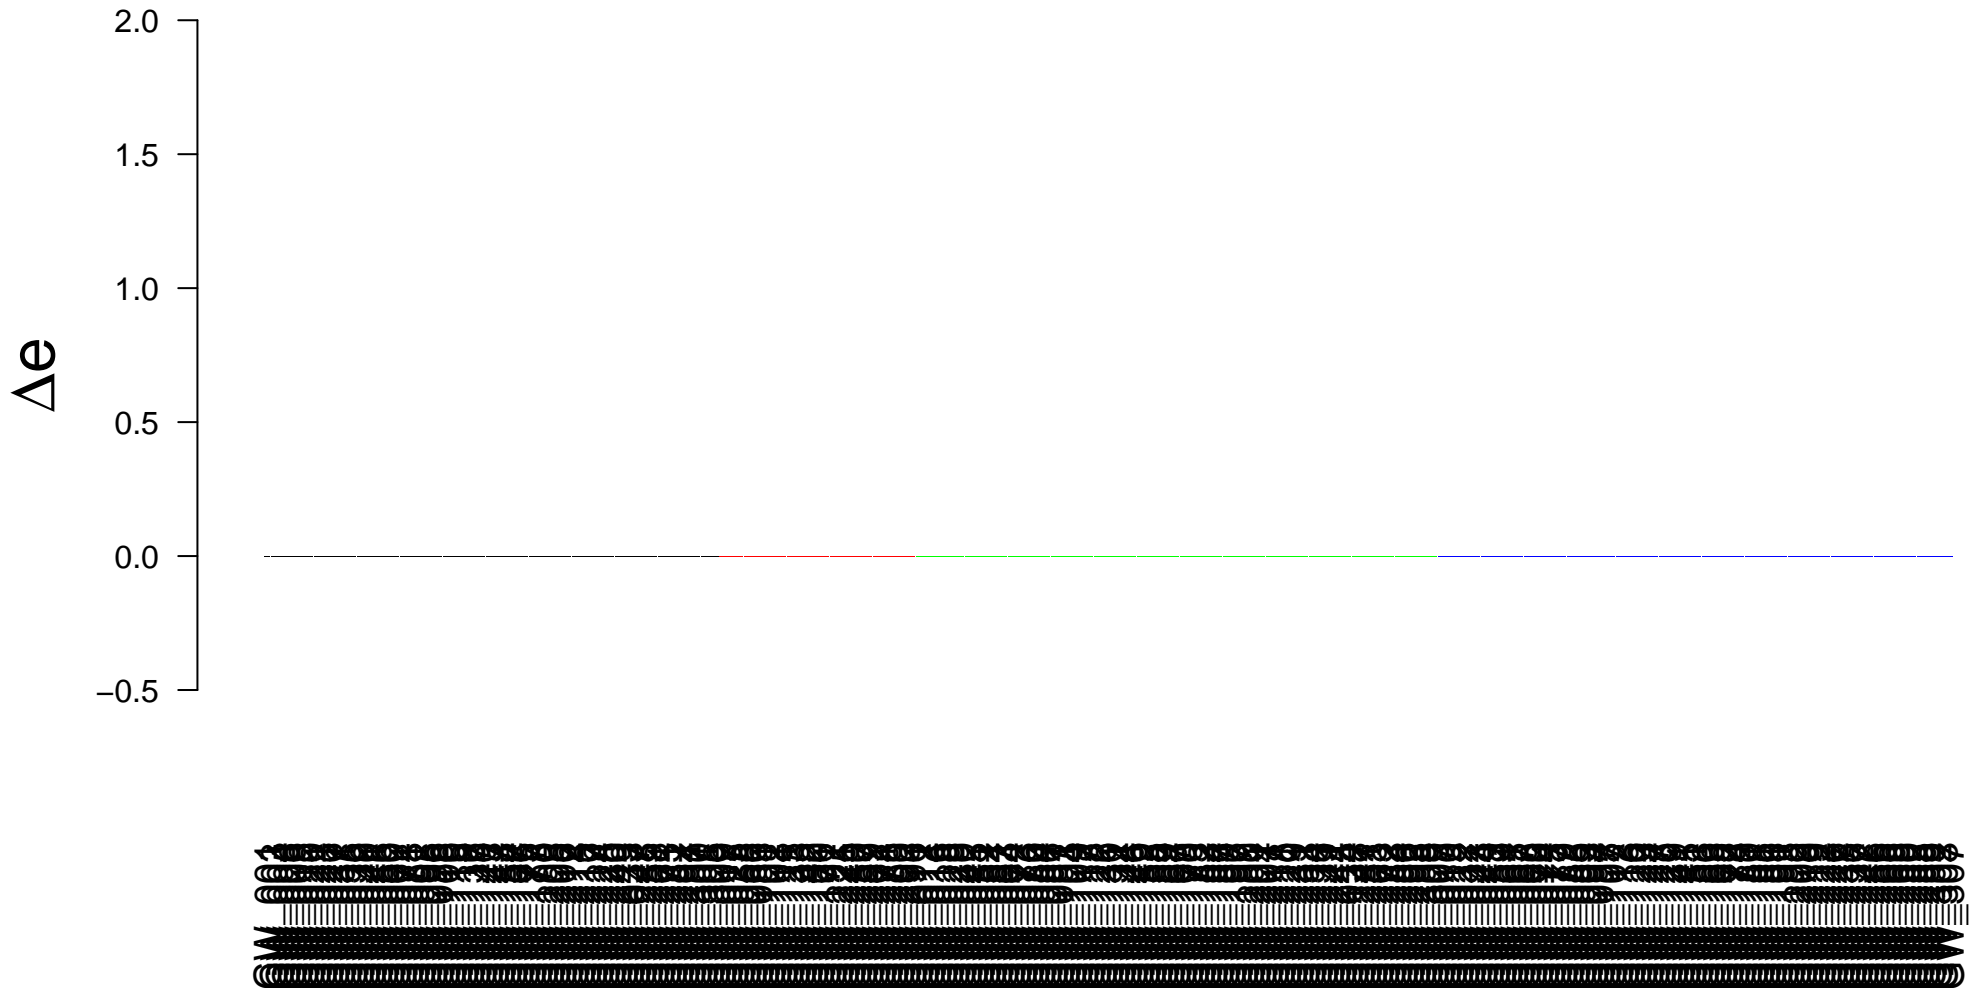

Expression of insulin secretion in Spot L

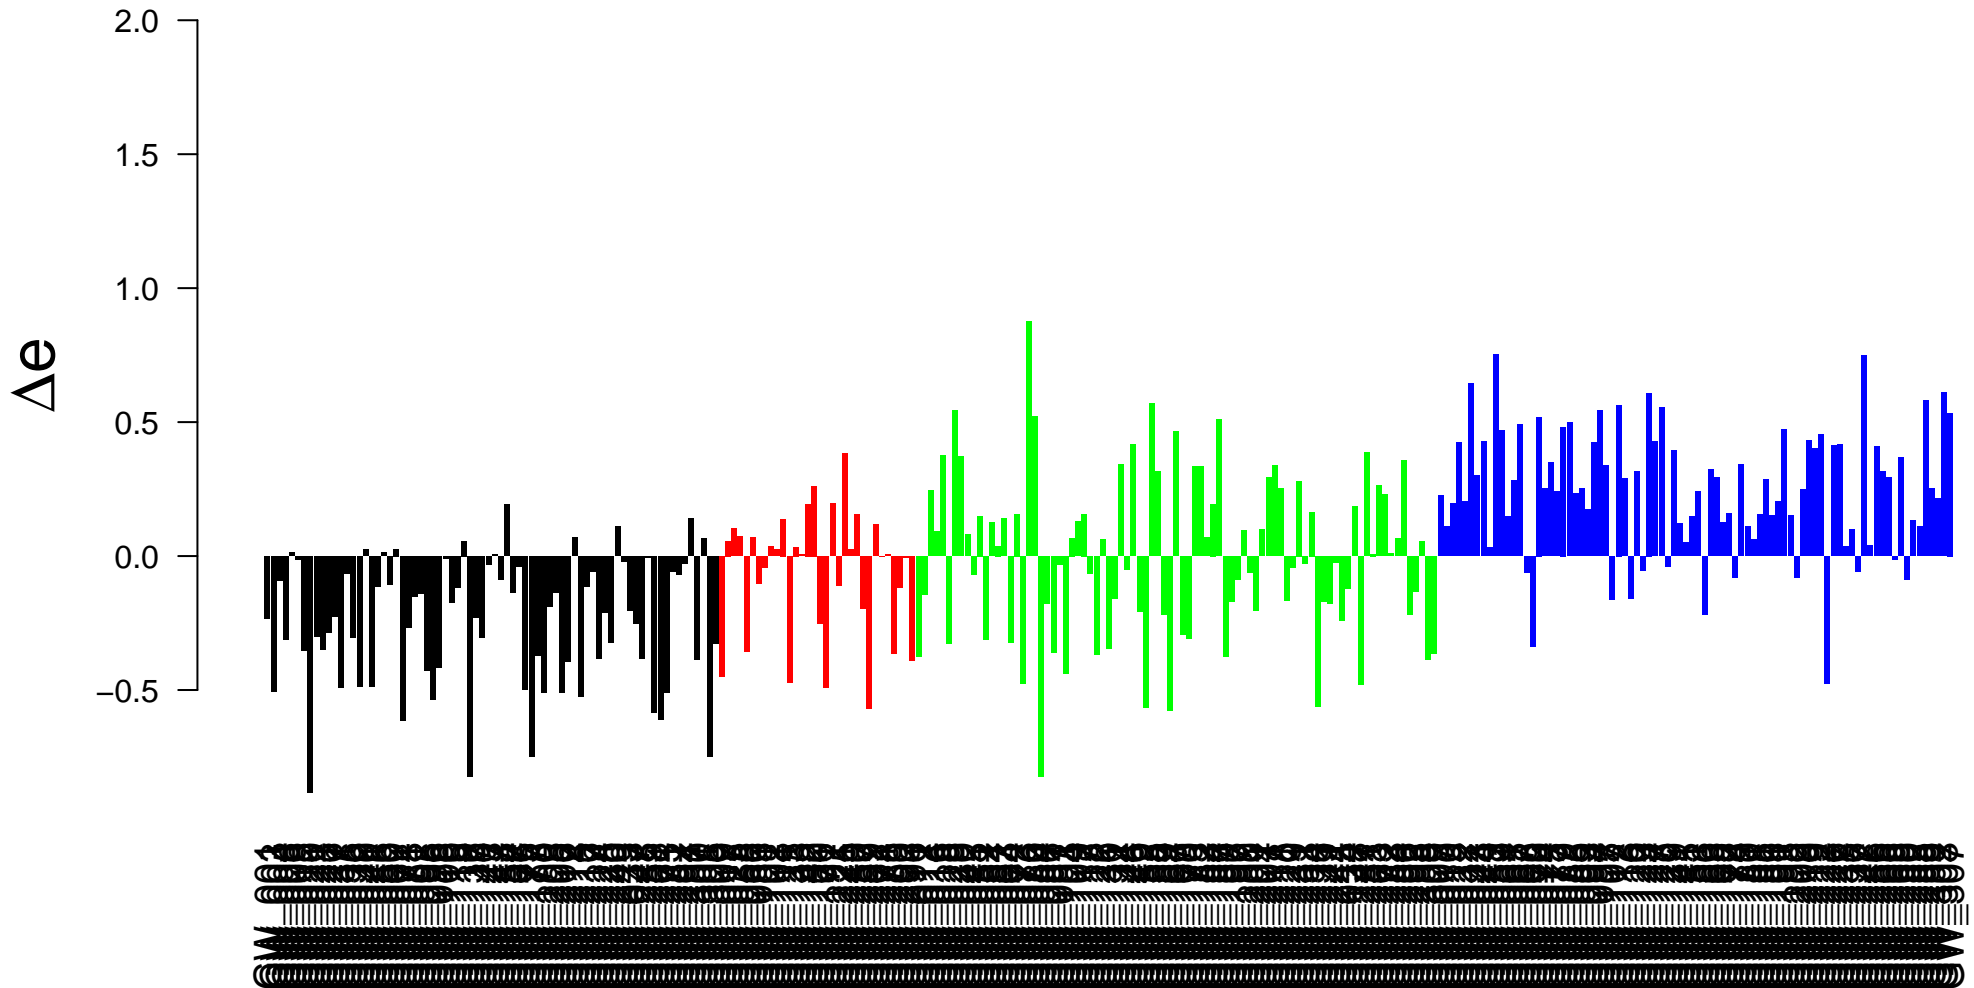

Expression of insulin secretion in Spot M

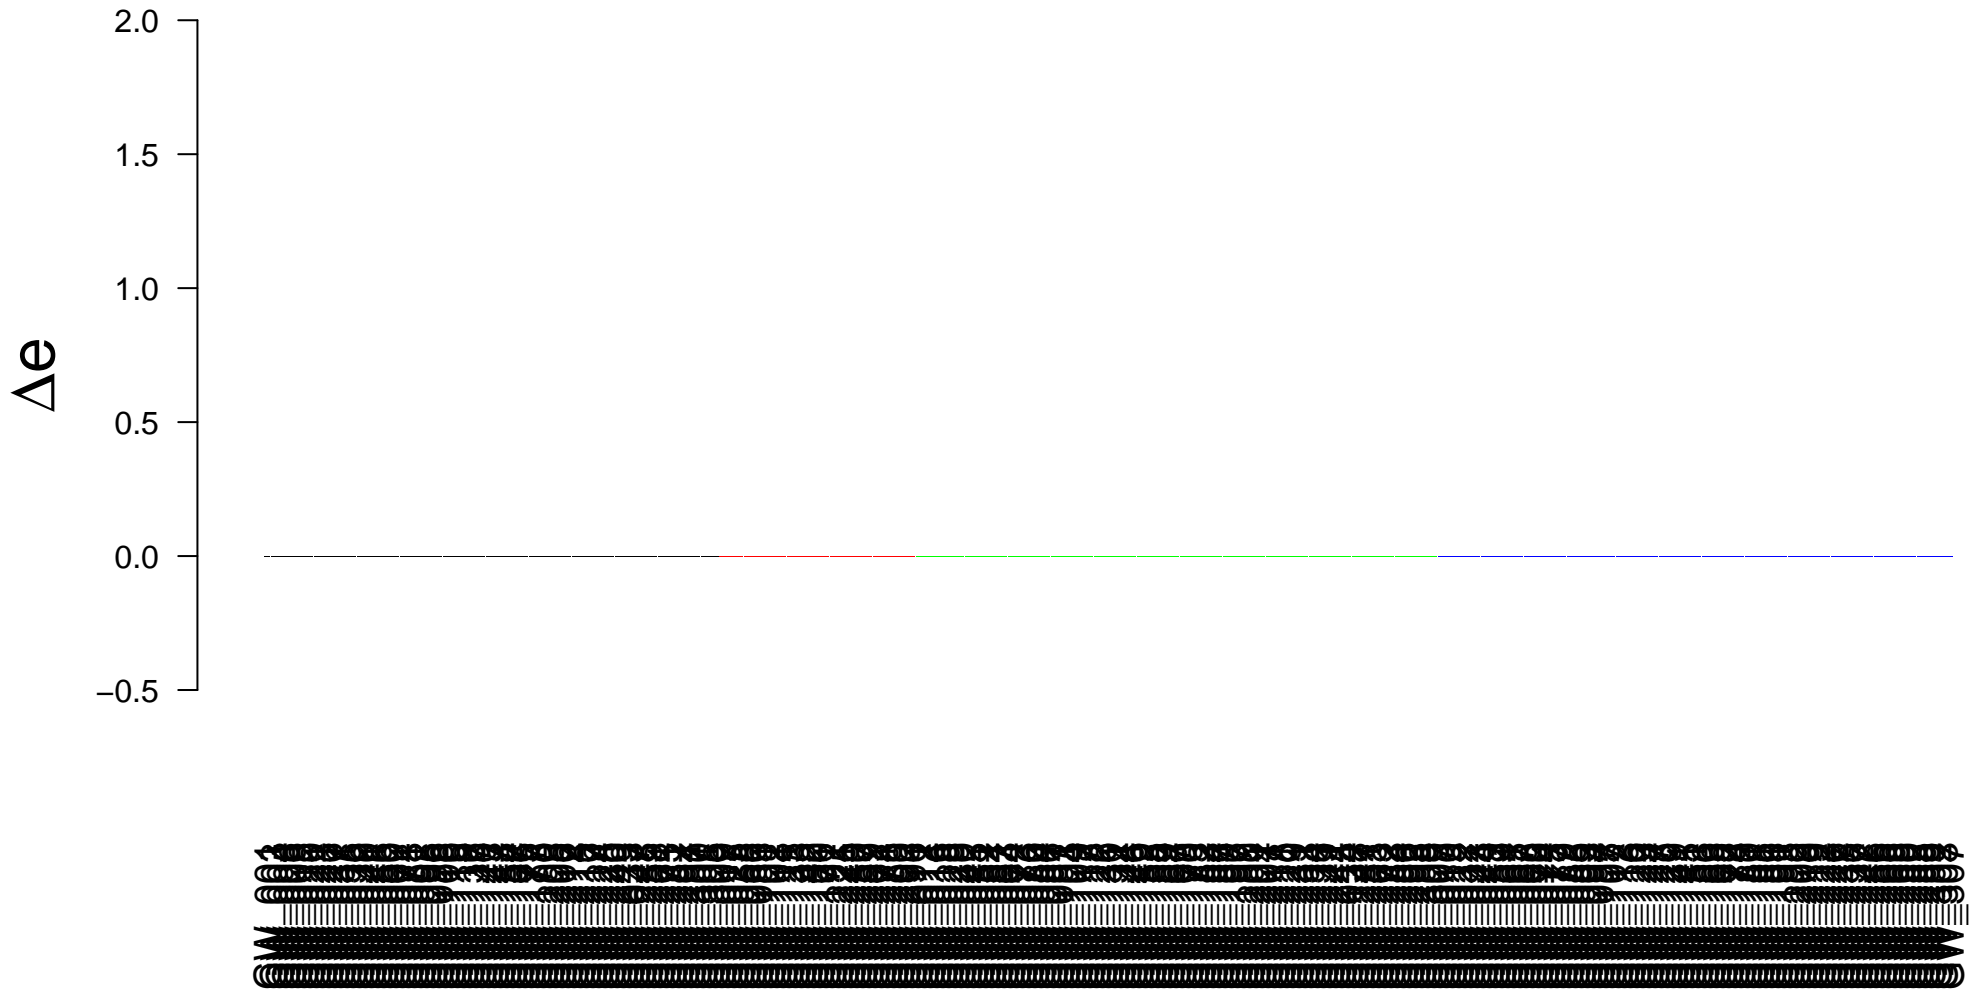

Expression of insulin secretion in Spot N

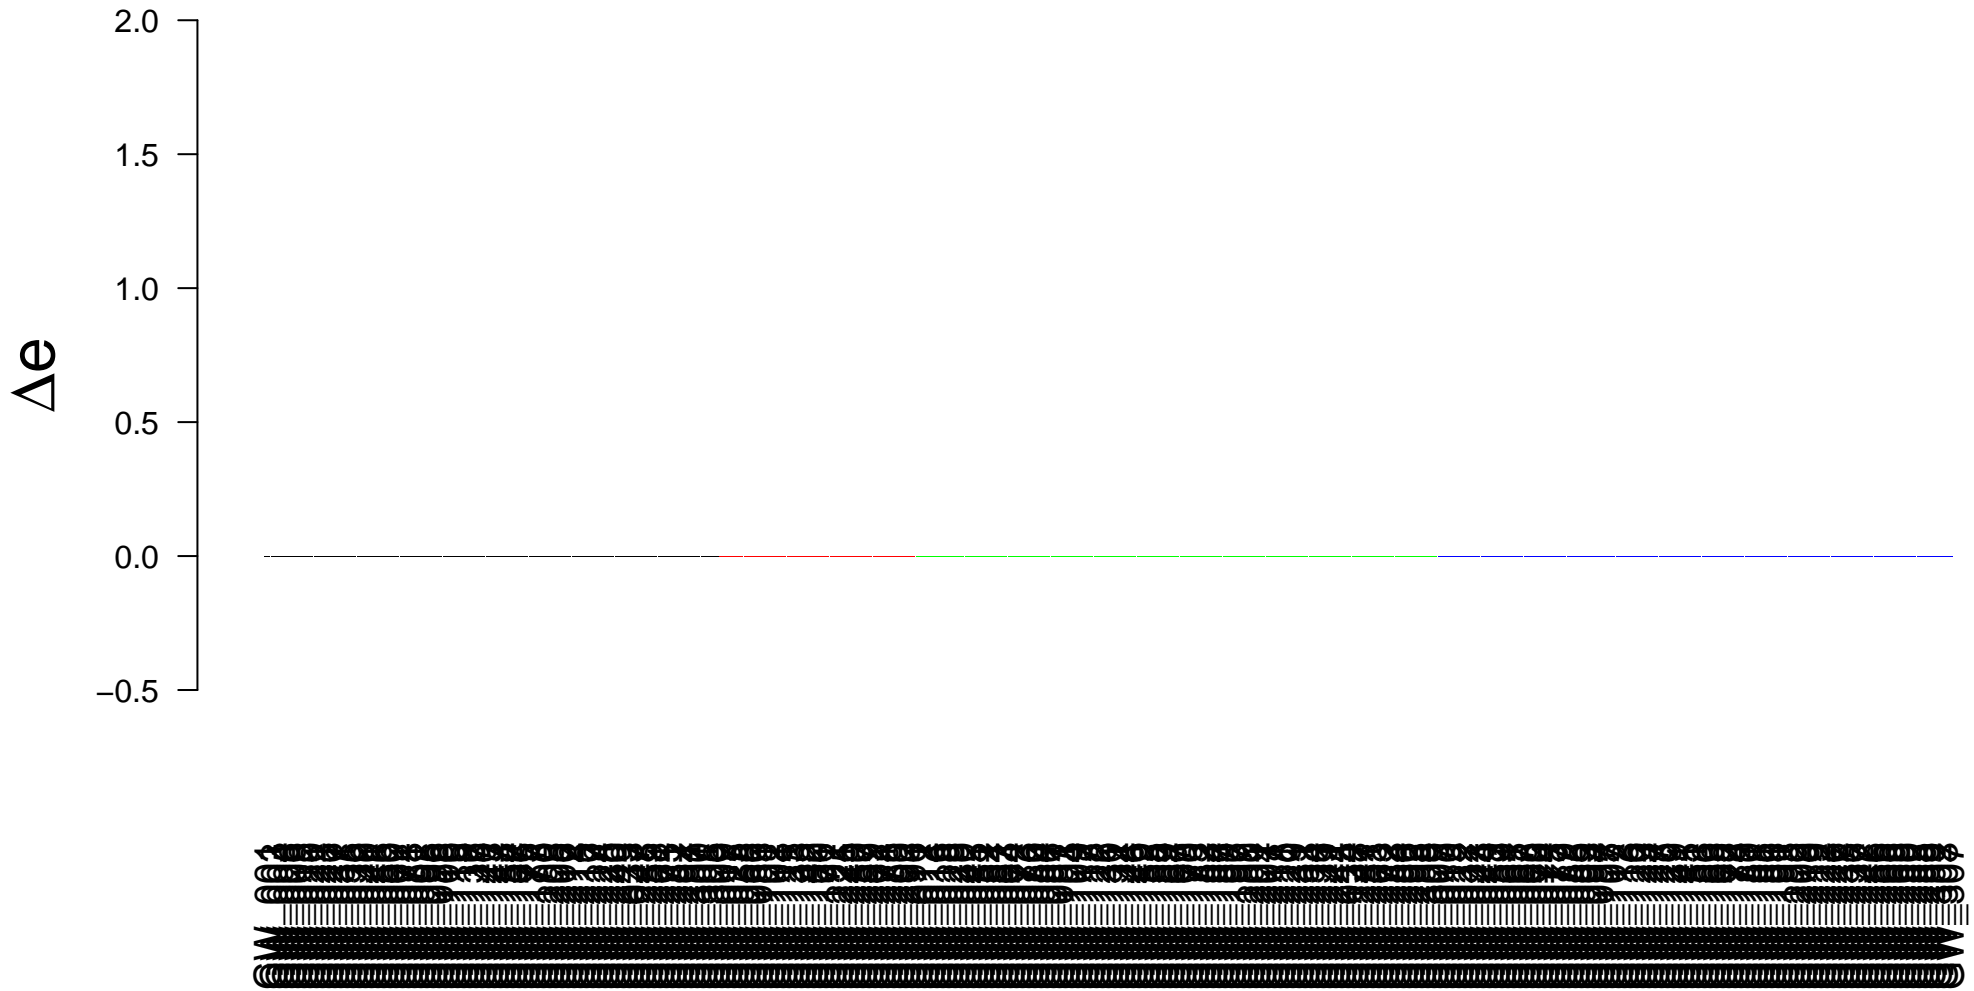

Expression of insulin secretion in Spot O

Expression of insulin secretion in Spot P

Expression of insulin secretion in Spot Q

Expression of insulin secretion in Spot R
