

integral to mitochondrial inner membrane

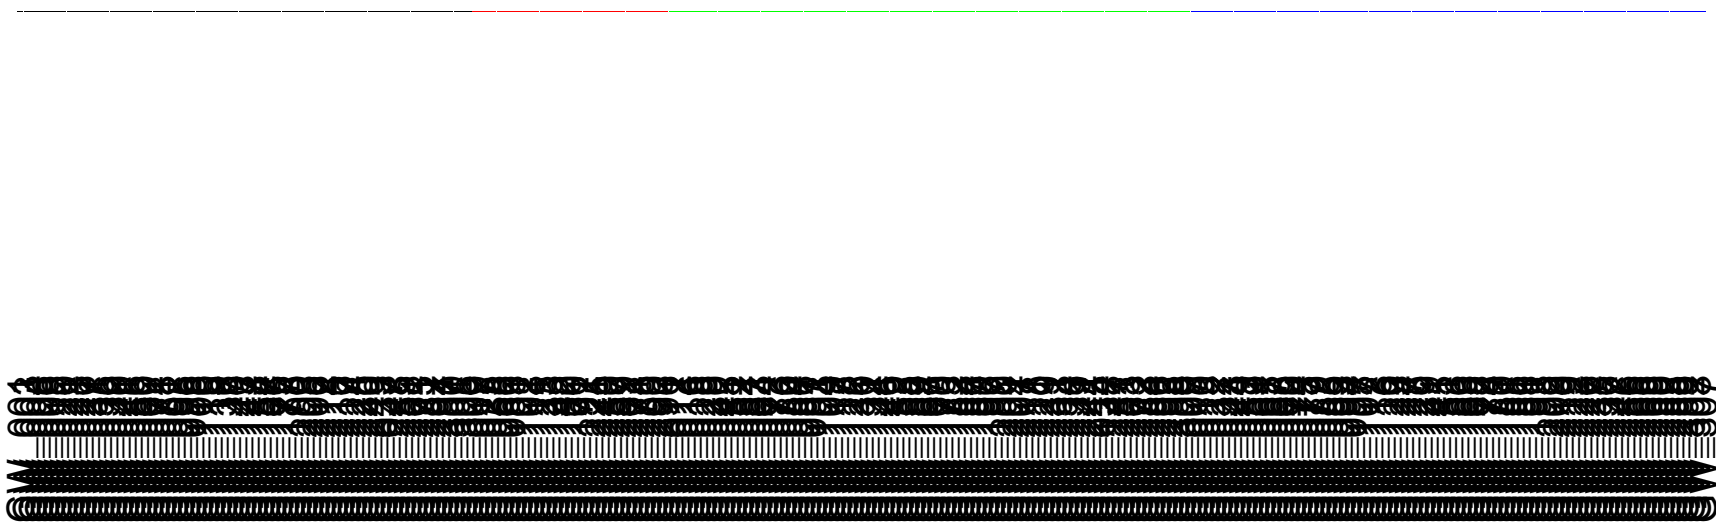

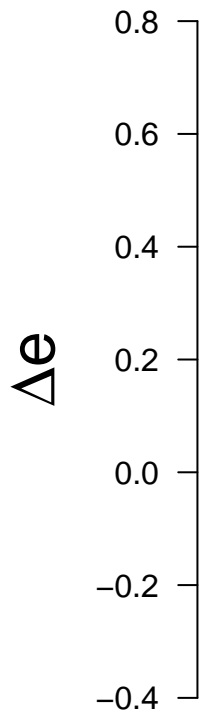

integral to mitochondrial inner membrane

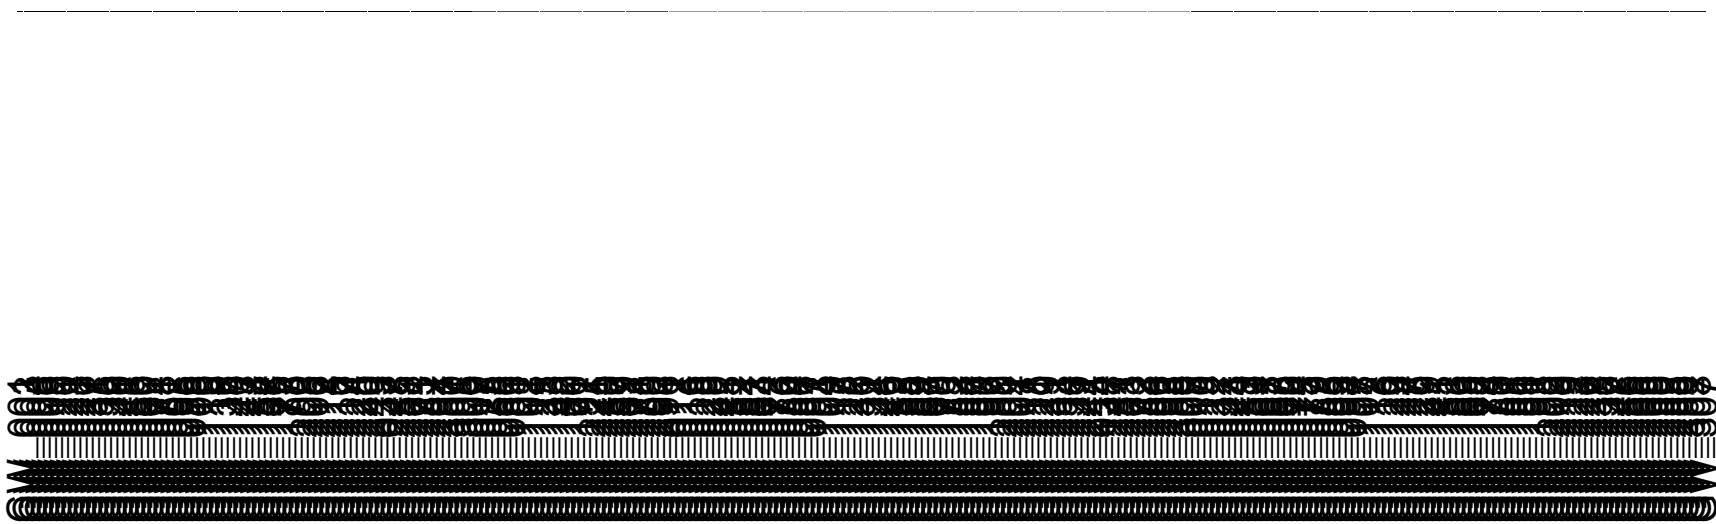

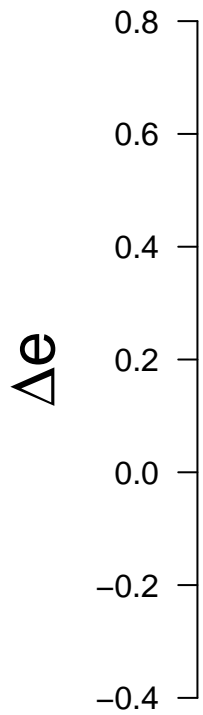

Enrichment in spots: integral to mitochondrial inner membrane

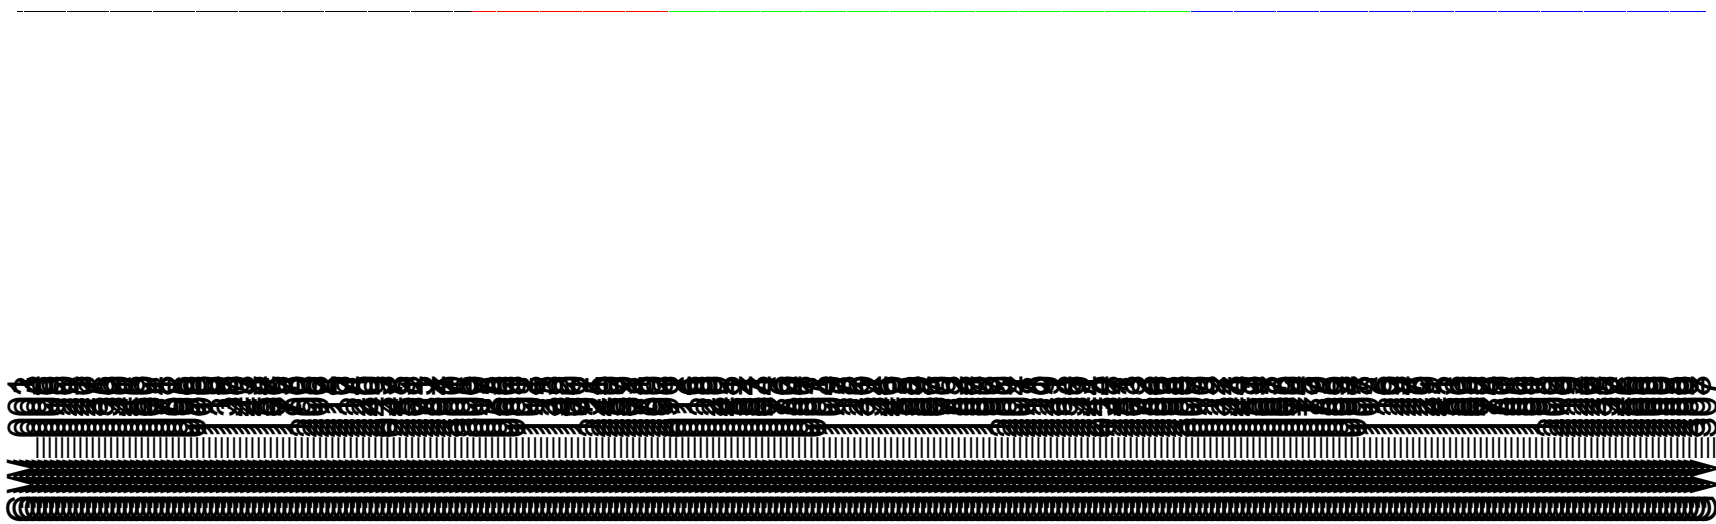

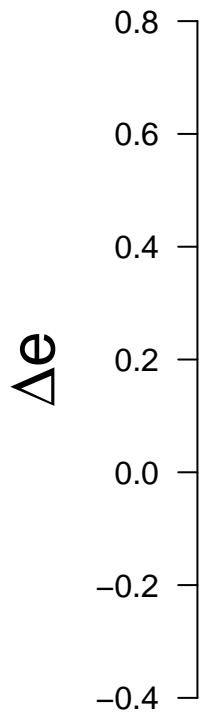

Expression of integral to mitochondrial inner membrane in Spot A

Expression of integral to mitochondrial inner membrane in Spot B

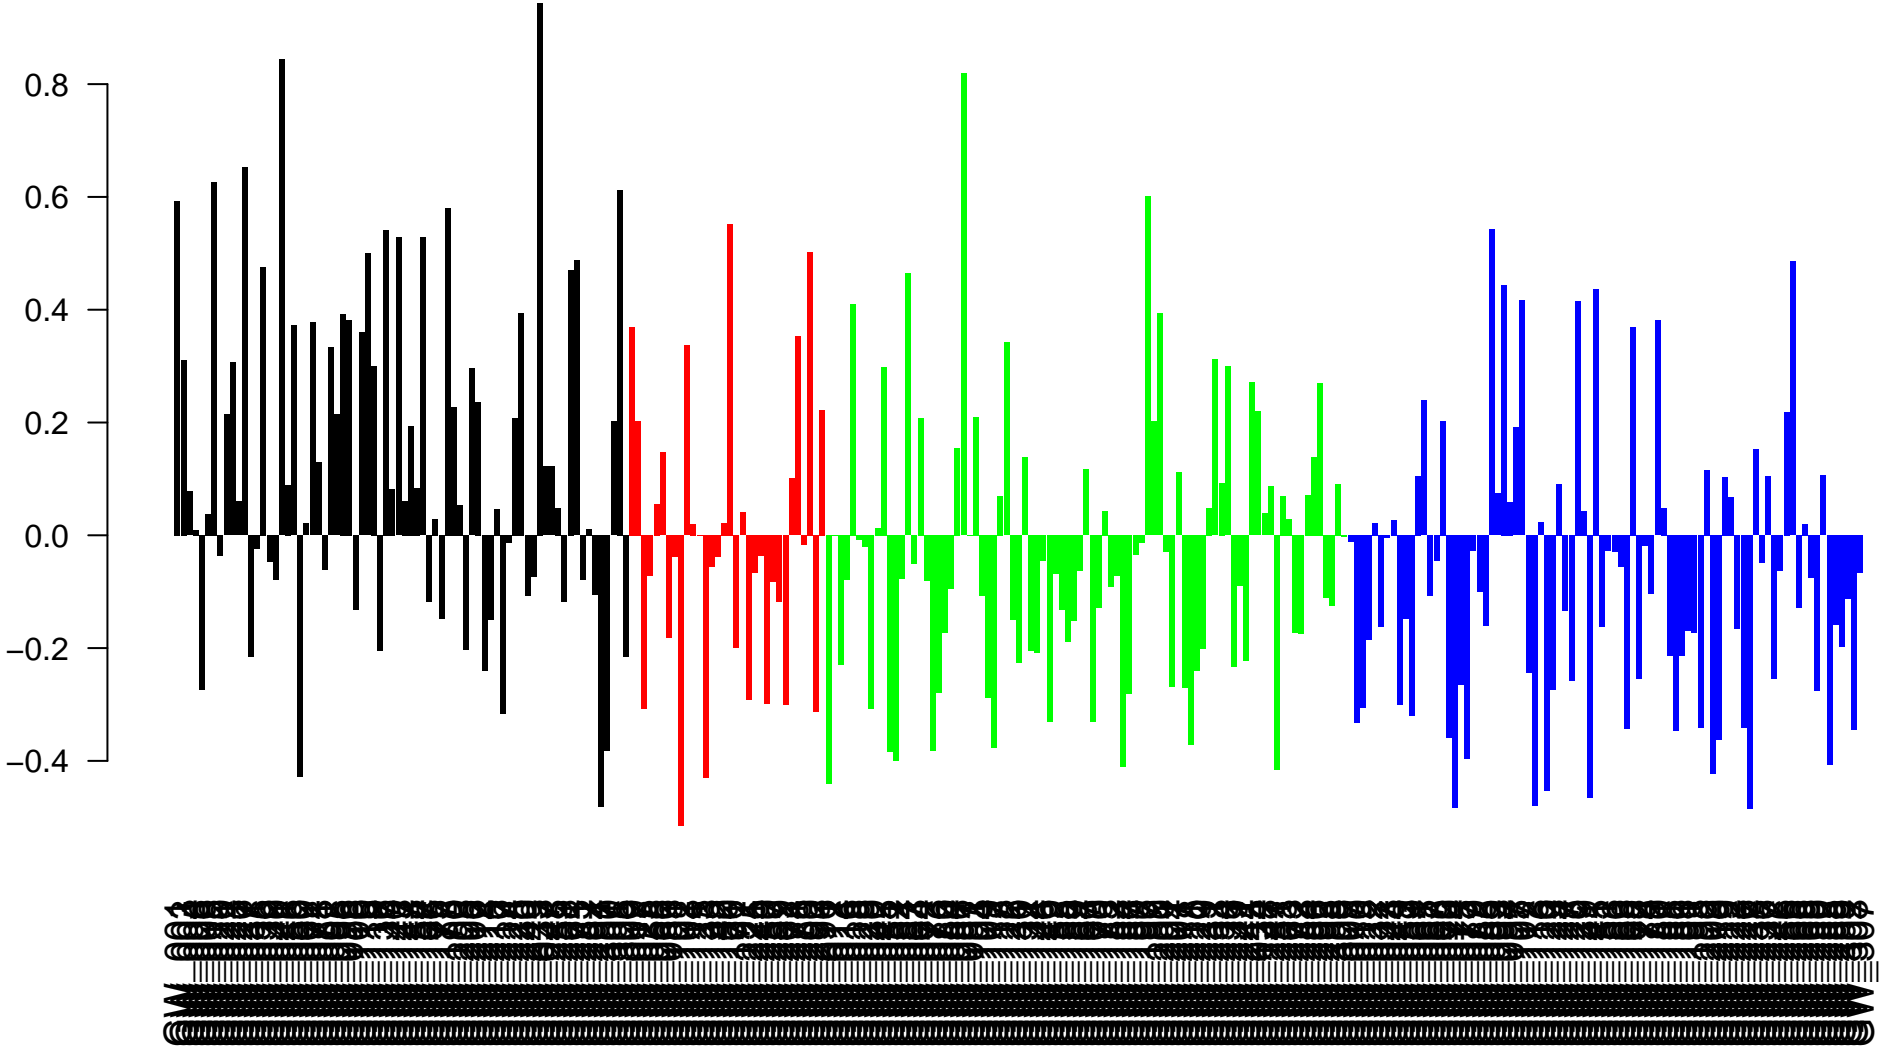

Expression of integral to mitochondrial inner membrane in Spot C

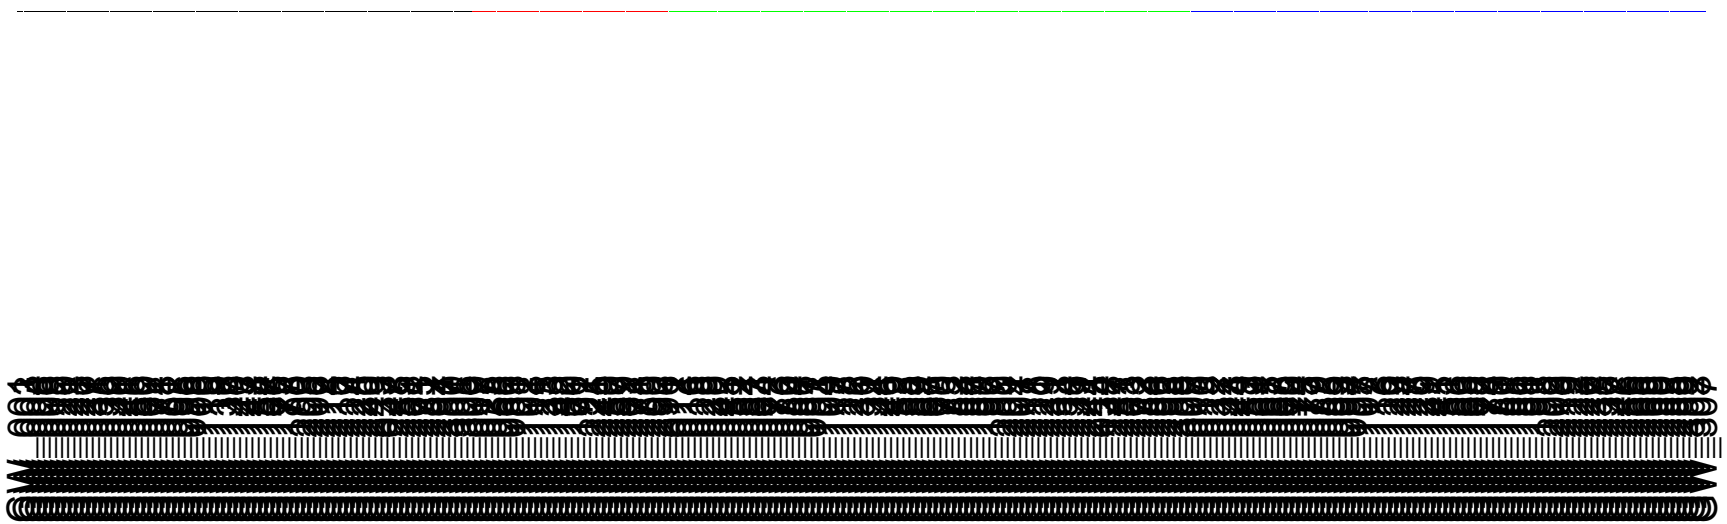

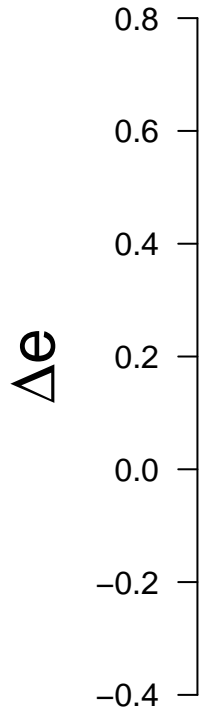

Expression of integral to mitochondrial inner membrane in Spot D

Δe

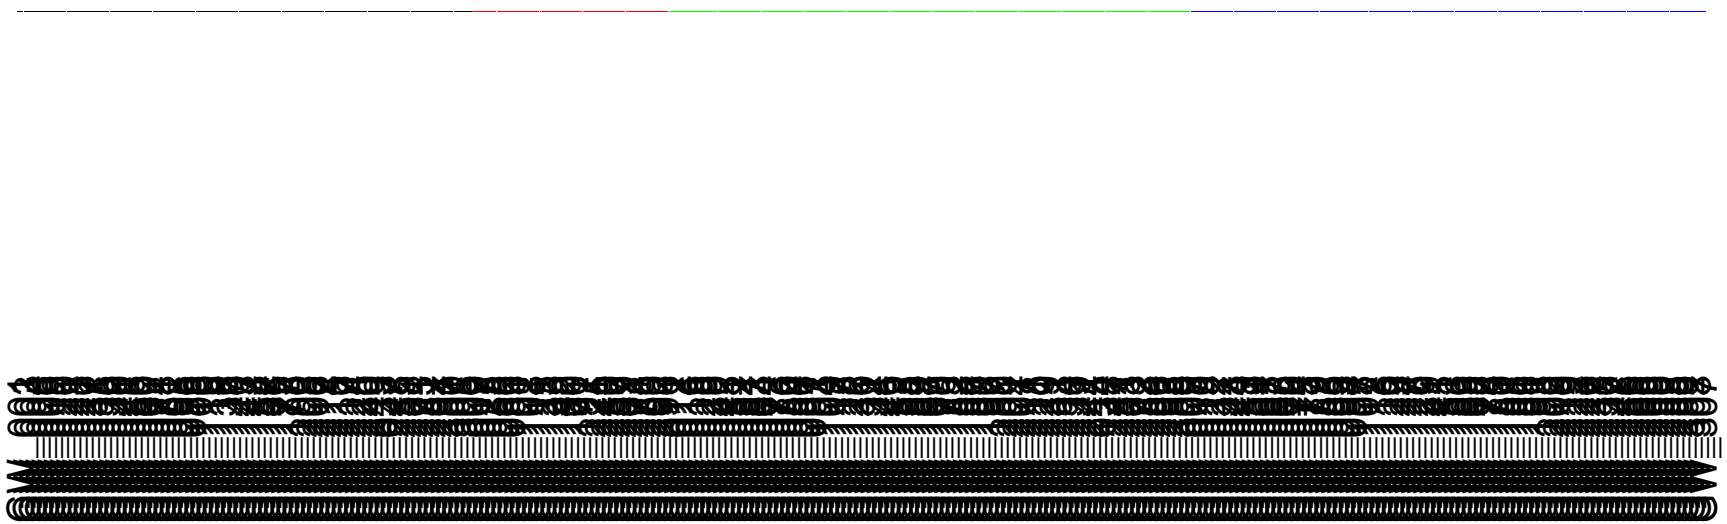

Expression of integral to mitochondrial inner membrane in Spot E

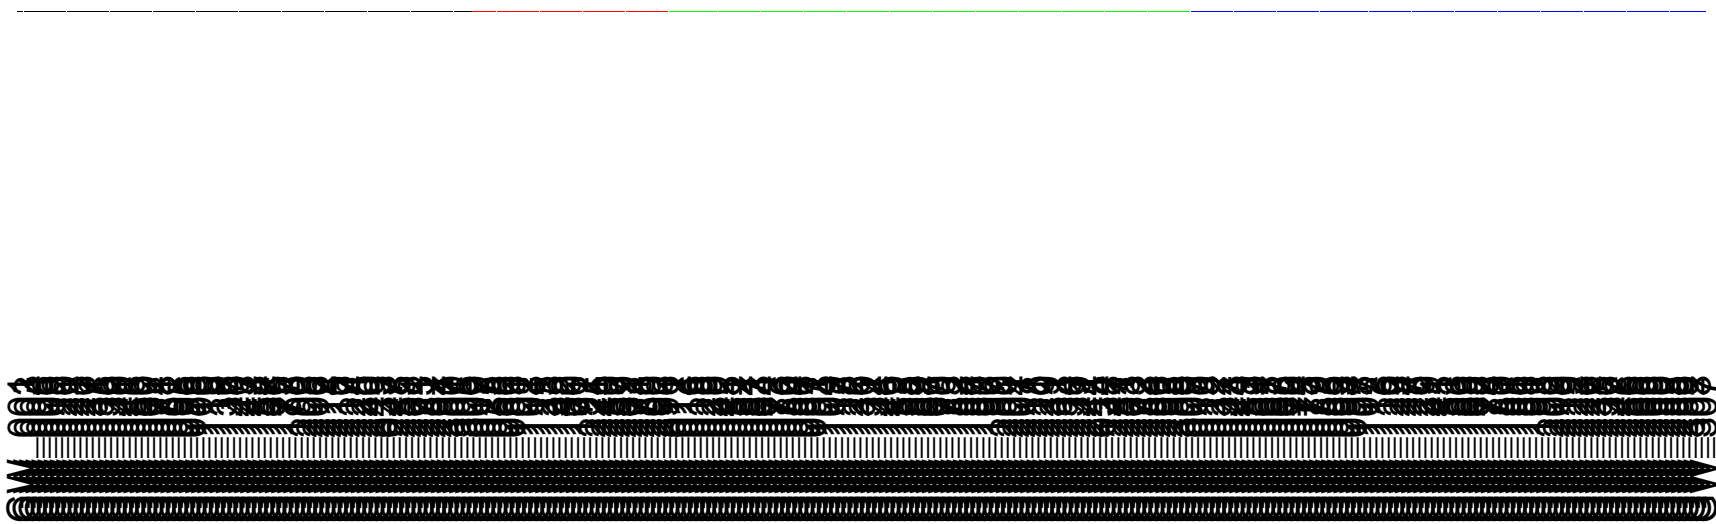

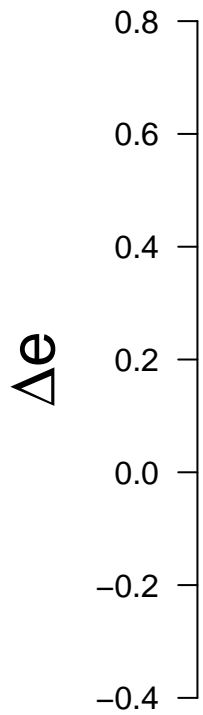

Expression of integral to mitochondrial inner membrane in Spot F

Expression of integral to mitochondrial inner membrane in Spot G

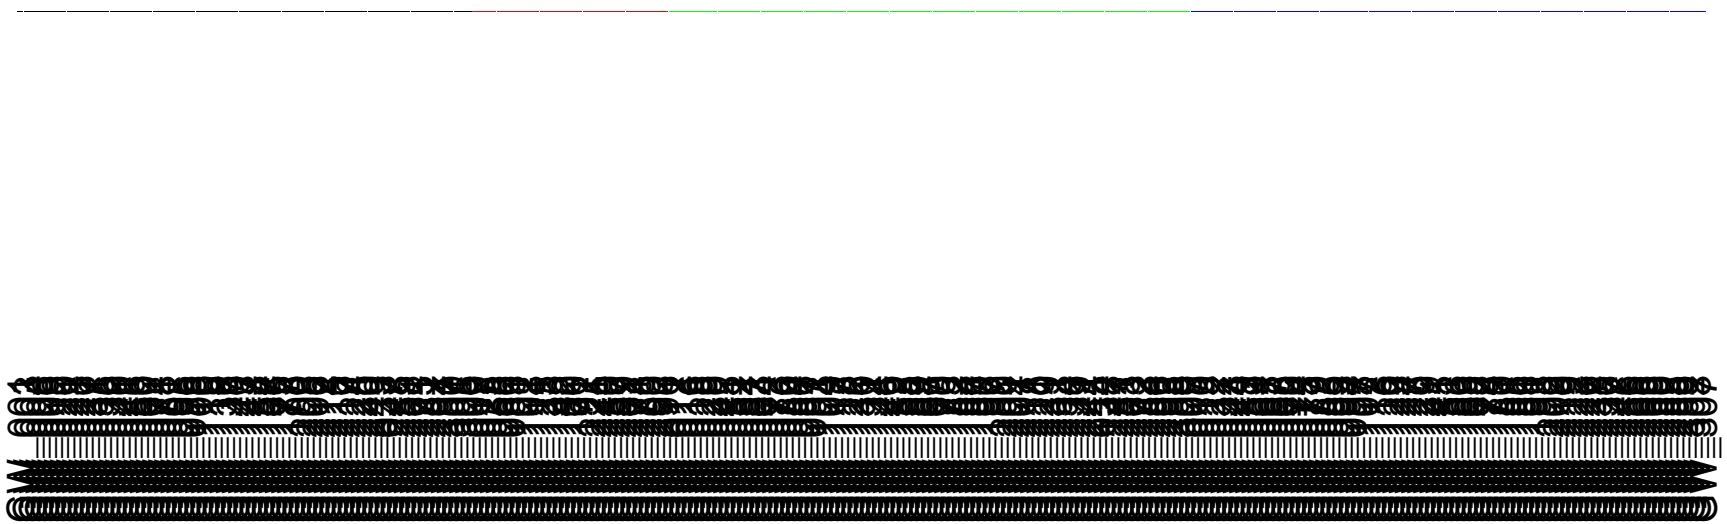

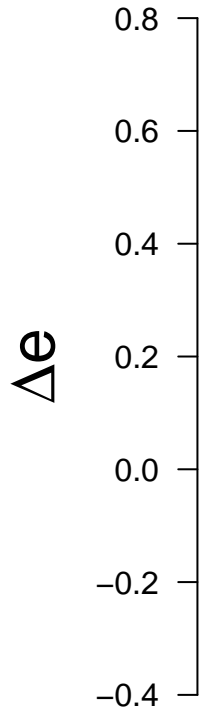

Expression of integral to mitochondrial inner membrane in Spot H

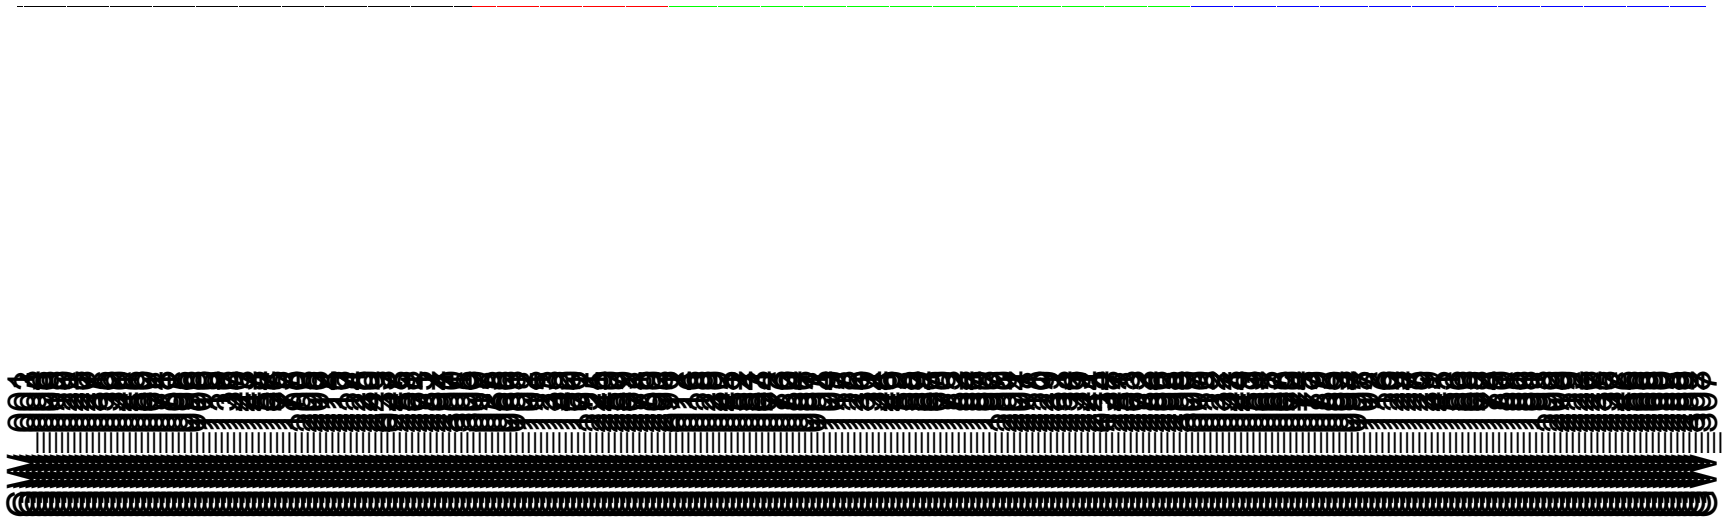

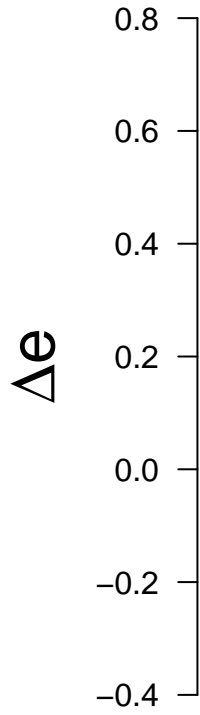

Expression of integral to mitochondrial inner membrane in Spot I

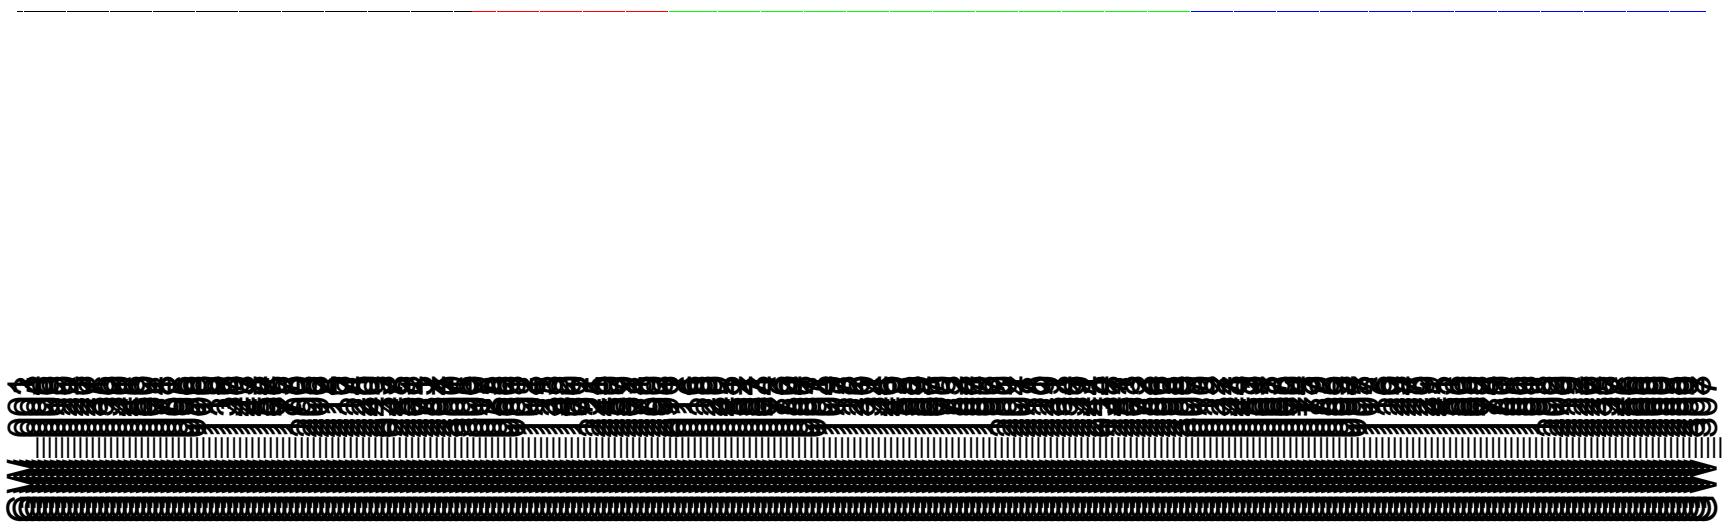

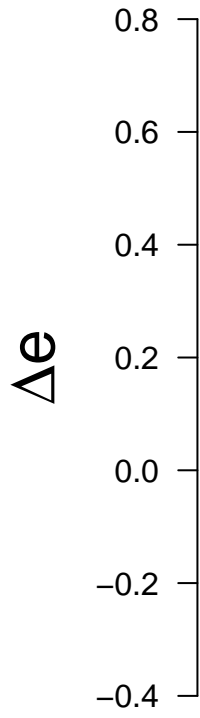

Expression of integral to mitochondrial inner membrane in Spot J

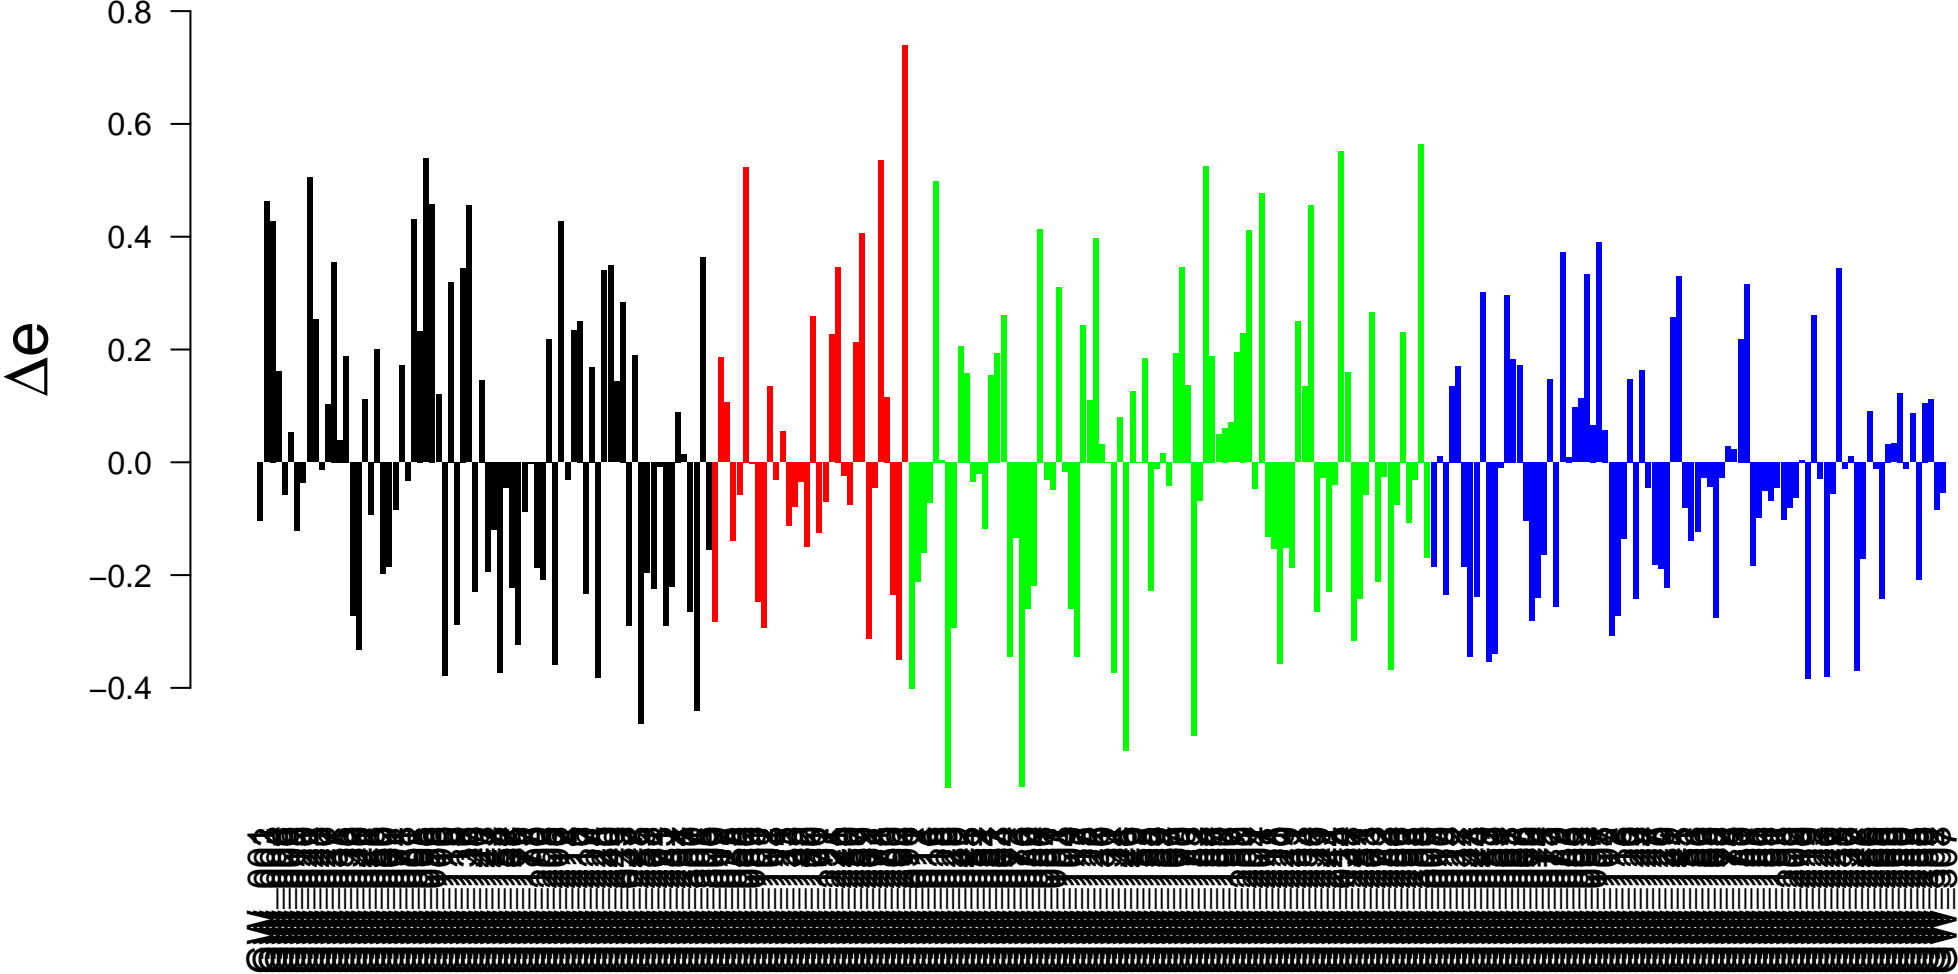

Expression of integral to mitochondrial inner membrane in Spot K

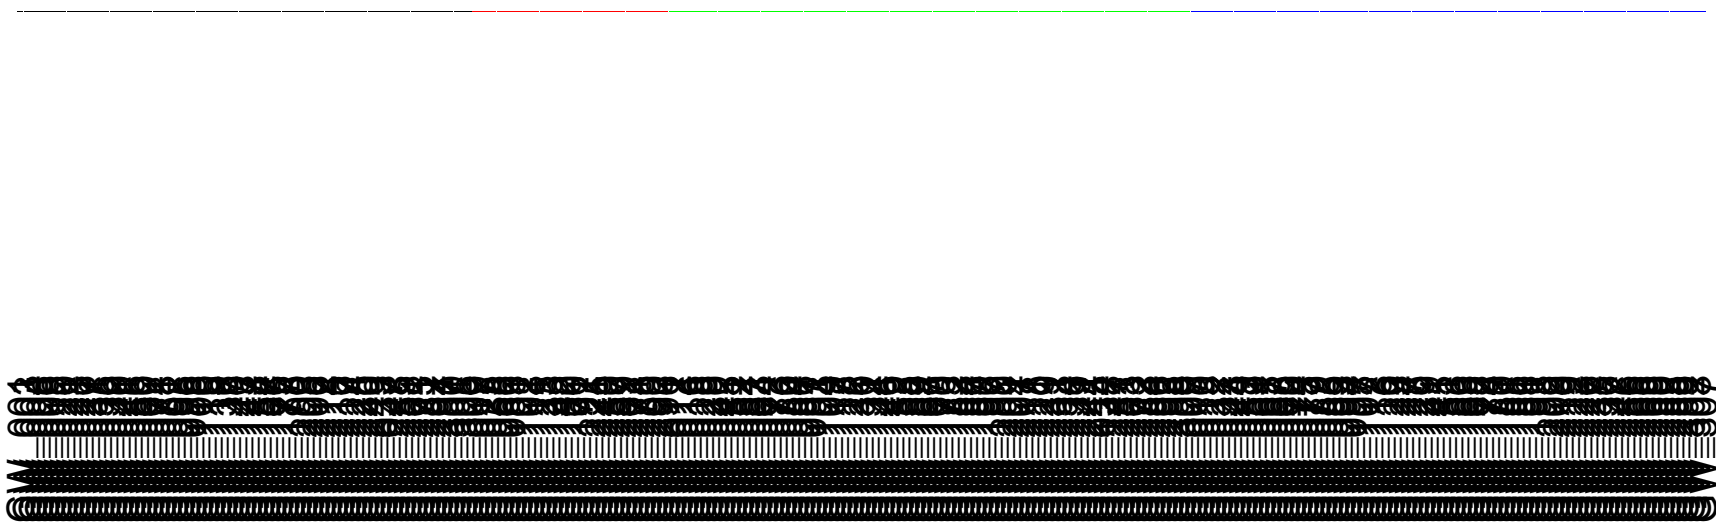

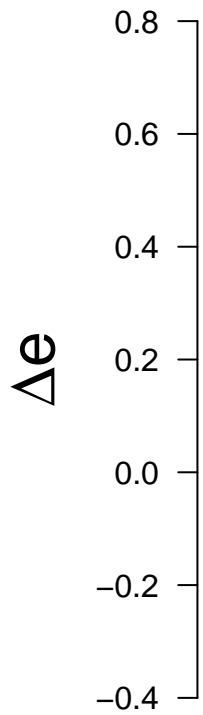

Expression of integral to mitochondrial inner membrane in Spot L

Expression of integral to mitochondrial inner membrane in Spot M

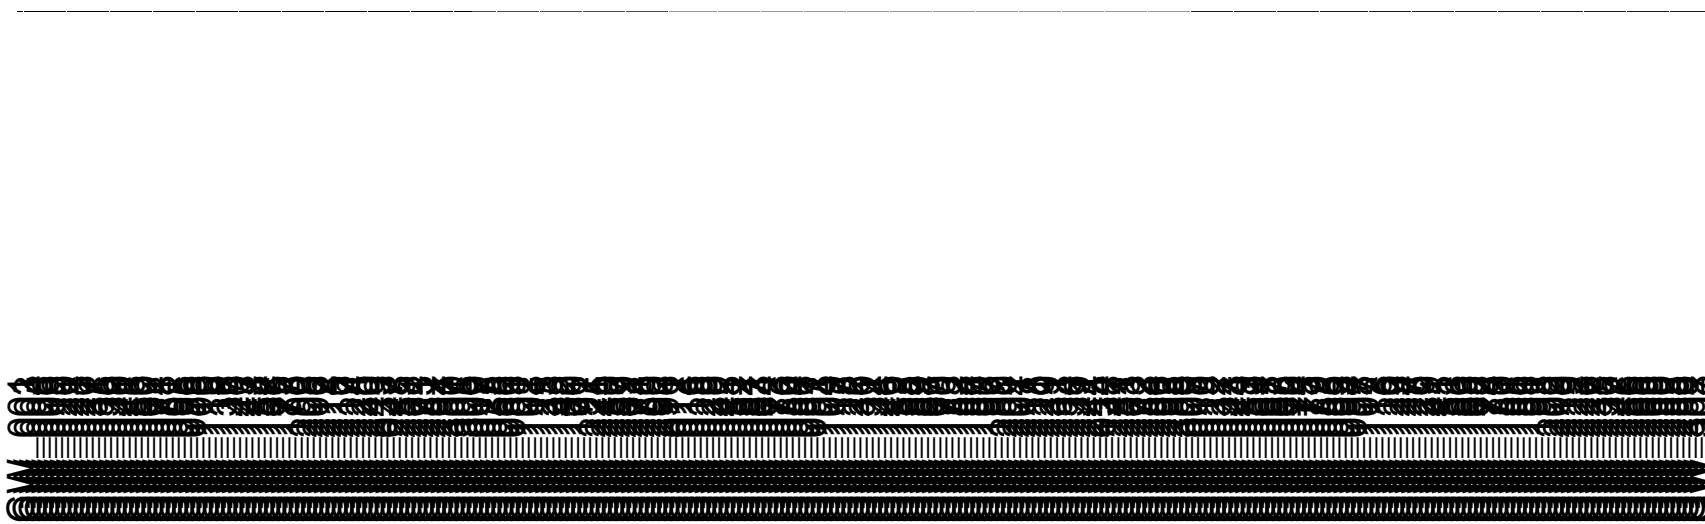

Expression of integral to mitochondrial inner membrane in Spot N

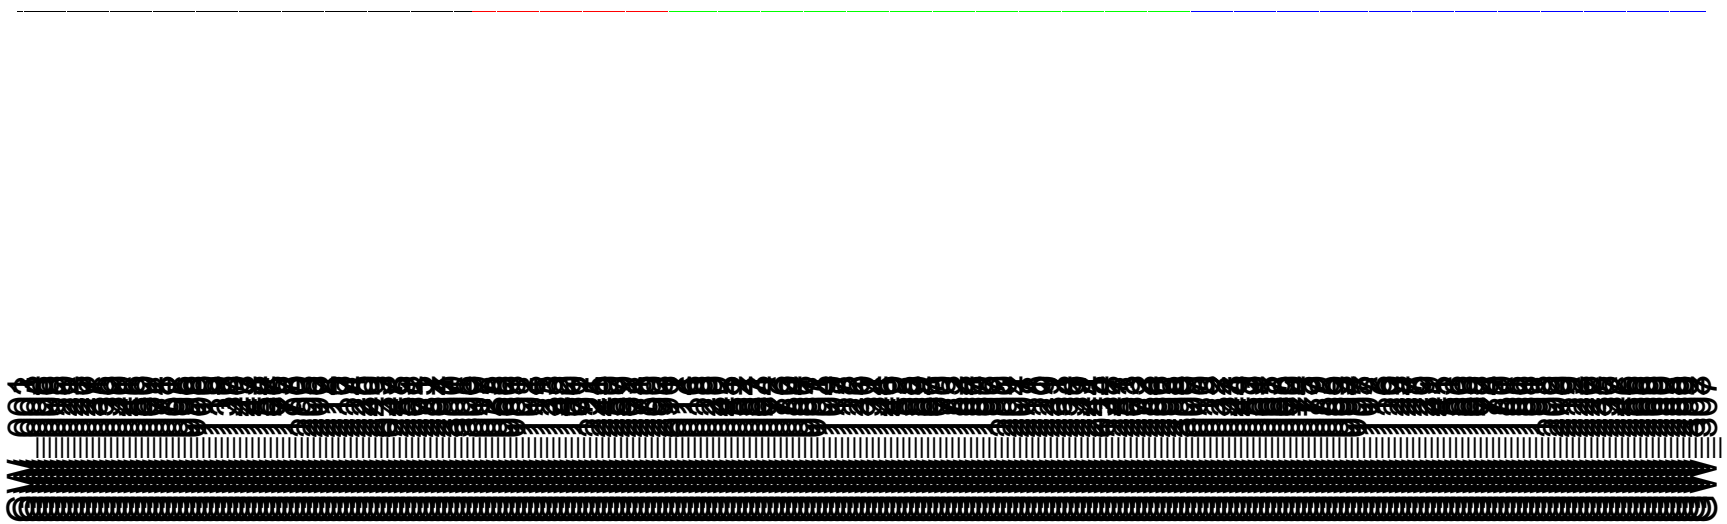

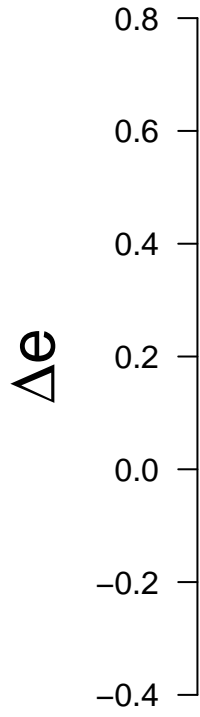

Expression of integral to mitochondrial inner membrane in Spot O
